

APRIL 2019

10 APRIL 2019

Welcome to our midnight prayer session, we believe God will transform your life as well as that of your family as you faithfully pray these prayer points.

PRAISE AND WORSHIP

Commit yourself and this prayer session to God, and find two or three worship/praise songs that you will sing as you begin your prayer.

Worship the mighty One of Israel, the one who is able to do all things. Worship the Lord in spirit, in truth, worship Him in the beauty of His holiness...

PRAYER POINTS

Before we get to the prayer points, a prayer of Thanksgiving, for all He has done in your life. In one minutes just thank God, you know what He has done for you.

Read Psalm 82: 1-8

* Tonight we are going to call upon the Lord to arise on our behalf and judge the earth, and take over everything that is going wrong in our lives. We want to call upon Him to arise! Tonight is the night of divine intervention, and God is going to intervene in your life in Jesus' name. The Lord of host is going to intervene in your situation in Jesus' name. PRAY LIKE THIS- Father, arise in Your power, arise in Your strength and declare judgment against every power oppressing my life and destiny. Judge every kingdom attacking and tormenting my life, Father defeat them in Jesus name.

*Lord of host, build Your wall of defence round about my life, marriage, finances, business and career. Lord let no weapon of darkness prevail against me. Father surround my life with Your wall of defense. In Jesus name

* If the Lord doesn't build the house, the builders build in vain. If God is not protecting you, defending you, there are so many things that you will do that will not succeed, they will become a waste!, a waste of time, resources, efforts because God is not defending your doings.

-Father arise and defend the work of my hands, everything I do. Let no darkness, or power be able to attack the works of my hands,ministry, career, Father arise and defend the works of my hands.

(I decree that from now henceforth, your marriage, career, business shall be divinely defended, in Jesus name)

#Father, send your angel to work your miracles in my life. That which I need right now, the miracle I need to move to the next level, to succeed, Father send Your angel now,in Jesus name.

#Father assign Your angels to deliver my miracle package (there is a miracle package that God has for you in this season and that package shall be delivered).

#If you believe that nothing is impossible with God, pray like this - Every situation in my life that looks impossible, Father assign your angels to perform them now, let the heavenly hosts perform them now, every impossible situation in my life, assignment, career, ministry, business Father, command the angels to perform them.(my prayer for you - that situation that looks impossible for you now, tonight it shall become possible because the Lord of host is here. It is done in Jesus name, amen).

#Oh Lord put upon me the garment of holiness, tear down every garment of sinfulness and defilement in my life. Put upon me the spirit of Christ, the spirit of wholeness and purity, so that I

can live a life that pleases and glorifies You. Destroy every garment that is making me sin, destroy them by fire in Jesus name.

#Sometimes sin can be very powerful upon your soul, but when God puts into you a hatred of sin, when you begin to hate sin with a passion that is when it will be easy for you to overcome sin.

-Father put an continual hatred of sin in my heart, let me begin to hate sin, let me begin to hate sin, let me begin to hate everything that is hateful, wicked, polluted and corrupted, let me begin to hate them from tonight in Jesus name.

#Every wrong thing I did in the past that is now bringing evil consequences upon my life, Father deliver me by your mercy. Lord forgive me now and in your mercy deliver me.

#Oh God, do a work in my life that will surprise everyone around me, even my enemies. Father do a mighty work, powerful work in my life, a work that will surprise everyone in my family, in my generation, in the name of Jesus. (As I was praying I saw that God wants to do something in you that when people see it they will open their mouths because they never expected that such thing will ever happen in your life, it is happening already).

#Every demonic captivity that entered my life through sexual sins, let the fire of the Holy Ghost destroy them right now. Every satanic bondage, marine spirit captivity, because of sexual sin let the fire of the Holy Ghost destroy them now in Jesus name.

#The Lord revealed to me that in your family there is an ancestral prison that has caged the destinies of everyone born in your family lineage. The prison swallowed up all that God wanted them to become, all their destinies and glories. That is why in your family nobody seems to be making it, or successful. *pray* every ancestral prison that has held captive the destinies of every child born into my family, let the fire of God break that prison now. Every ancestral prison swallowing up good things, blessings of God in my life and family, fire of the Holy Ghost destroy them now in Jesus name.

#There are some people who don't know why they misbehave, it's because there is an evil spirit sent to cause them to do things they don't want to do. *Every spirit sent into my life, into my mind, into my spirit to make me misbehave, to control me against the will of God and make wrong decisions, come out now by fire!!! In Jesus name.

#Almighty God strengthen me with fire and power to face and defeat every battle of darkness confronting my life. (receive the strength, power to overcome your oppressors, every power that has been tormenting you, you shall torment them. Receive dominion and control over your enemies, over the forces of darkness attacking your life in Jesus name).

Sometimes you need to know the weapons you need to fight with. At times we fail to win spiritual battles because we don't know the right weapons to use or we don't have the right

weapons. David used a stone to kill Goliath but he didn't continue to use the stones, but the stone was the best weapon for Goliath so you need a revelation for the right weapon, for a particular battle.

*Father reveal to me the spiritual weapons of war that I need to use to gain victory over the dark kingdom. The weapon I need to put an end to the problems in my life, the weapon that I have to use against the forces of darkness attacking my life, reveal them to me oh Lord, in Jesus name

#Father whatever is growing in my life that is not planted by You, Father uproot them now by fire. Whatever is germinating in my life, growing in my life in my body, anything taking root that is not planted by You, be uprooted by fire, right now!!!! (I command every demonic plantation, demonic growth, demonic root in your life, let fire uproot them now in Jesus name)

Prophecy into your days. What do I mean by your days? Your days are your all the years you will live in this world before you die, those are your days. *Prophecy*- I prophesy prosperity into my days, I prophesy divine favor, peace into my days. From today there shall be prosperity, throughout my days on earth I shall live in peace, good health, live in abundance of blessings in Jesus. I speak life, I shall not die untimely. I speak financial prosperity, I shall not lack any good thing, I speak promotion, progress into my days. All the days I shall live in this world I shall always move forward, will always possess my possessions, I will always walk in victory in Jesus name. No more failure in my life, success shall prevail in my days in Jesus name.

#(Not for everyone though) (what I saw is that you can't move because you have been crippled, there is a way the enemy can make you handicap in the spirit realm though in the physical realm you can be fine, that is why things are not moving for you in the physical)

-Wherever I have been crippled in the spirit realm, Father raise me up by your power and move me forward right now, let Your power come upon me now and lift me up and move me forward now in Jesus name.

Many of us our vision is dead, we don't see what God is showing us, divine revelations, we no longer see what God wants us to see, but instead we are seeing what the devil is showing us -Every power blocking my spiritual vision, let them be consumed by fire right now.. Every power preventing me from seeing that which God wants me to see, catch fire right now. *(every veil covering your spirit sight let them catch fire right now, from tonight begin seeing into the will of God, thank you Father, in Jesus name)*

CLOSING PRAYER

In the name of Jesus whatsoever that was stolen from you, I decree let them be returned tenfold in the name of Jesus. Whatever you have lost, I decree receive ten fold back in the name of Jesus. I pray for those of you that are having headaches, you're having a serious headache, I command that headache to come out in the name of Jesus, I command that pain in your body, that pain in your joints, I command it to disappear right now, pain come out now in the name of Jesus. In Jesus' mighty name we have prayed. Amen!!!

19 APRIL 2019

OPENING REMARKS

We shall be doing a lot of prayers tonight and it's going to be two kinds of prayers, at some point I will allow you to pray for yourself at another point I will be the one praying for you but the most important thing is that the Lord needs your faith tonight, so if you can have faith, if you can believe all things shall be possible tonight, only if you can believe because I have seen miracles happen, in just a space of a minute God can do it, He can turn things around in just a few minutes and Mighty miracles will happen if only you can just believe, God needs your faith tonight. Let's read Matthew 10:41

God raises up prophets to provide solutions in the lives of the people. A prophet has come to do what God has sent him to do, the people must receive him for them to receive the reward, it's not what the prophet will give but it's what God will use the prophet to do, so when you receive the words of the prophet and you believe that this is God's Messenger, this is God's anointed, then that is when you shall receive the blessings of God that follows that person.

That is one thing you have to know before we get into the prayers tonight, then another thing you should also know let's look at Jeremiah 1:5,7, and then from that He goes on to tell Jeremiah how He wants to use him to the people that He has sent him to. So tonight we want to pray for the outpouring of God's blessing because this Ministry was established by God, everything that we are doing in this Ministry was ordained by God, we are just doing it because we like but because God ordained it, and there is a blessing waiting for you already, so we are going to pray for that blessing to locate you because God has established this Ministry to help lives, to save lives, to deliver lives, to bless lives, to give people breakthroughs, deliverances so that is why this Ministry is here and that is why you are here, so we are going to pray for the outpouring, for the reception of the blessings in your life, that this blessings that God has already packaged for you because you are here tonight that it should start manifesting in your life, that it should visit your life, visit your family, visit your business, visit your home.

PRAYER POINTS

*Father let your window of blessings open, the windows of divine blessings upon my life tonight, let windows of divine blessings be open upon my life tonight. Let there be a rain of divine blessings upon me tonight upon my spirit, upon my soul, upon my body, upon my Ministry, my calling, everything I do let there be a rain of divine blessings. ((I am praying for you by the authority of Heaven, I decree let the Heavens Open right now let the windows of heaven open right now and let there be a rain of divine blessings in the name of Jesus right now in on your finances, rain of blessings upon your marriage rain of blessings in the name of Jesus. Let it rain, let It rain right now in the name of Jesus, rain of blessings right now in the name of Jesus, rain of divine blessings let it locate you now, thank You Father in Jesus mighty name we have prayed amen))

*I saw dry places, like deserts, that is what I saw, and you know it's hard to plant anything there.

#Every dryness in my life be turned into fruitfulness in the name of Jesus, every dry land in my life become fruitful right now from tonight in the name of Jesus. Every dryness in my finances, every dryness in my business, every dryness in my spirit, spiritual dryness, every dryness in my calling, ministry every dryness in the works of my hands every form of dryness Father put an end to it tonight in the name of Jesus.
