A heart that seeks your face, give me such a heart that is full of hunger for You, hunger and thirst for all that is in you, Lord give me such a heart. Give me such a spirit that seeks your face, and all that is in you, the fullness of you. Lord give me such a heart that seeks you continually without getting tired. Such a heart that studies the Word of God, Lord, give me such a heart.

⇒Father, let your love gain ground in my heart. Let it be rooted in my heart, let me love you more than anything in this world. Let nothing in this world be able to take the place of you in my heart. I refuse to be carried away by the things of this world, pleasures of the flesh, pleasures of sin, I refuse to be controlled by them. I want to seek you Lord until I have all of you, Lord, let your love take over my heart, let me love you more than myself, let me love you more than anything, more than I love my spouse, my children and myself.

⇒Father, everything the devil is doing, whatever the kingdom of darkness is doing to take me out of your will, out of your way, oh God destroy them all. Lord I belong to you, I do not belong to the devil, I do not belong to the generation that has been corrupted with worldliness, that has partnered with darkness, partnered with sin and demons! I belong to the generation that seek your face. Oh God of Israel, let your fire destroy everything the devil is doing to get me out of the way. Let me be planted in your Word forever.

⇒Father, do not let the bait of the devil catch me, do not let it draw me into captivity, let me not be enticed by the enemy. Let not the traps of the enemy prevail over me, I refuse to fall in the captivity of the devil in the name of Jesus.

⇒Father, you are the King of glory, Lord enter into my life and let the works of my hands begin to prosper. Let my career, ministry, and calling begin to prosper, let that glory produce prosperity, success, signs and wonders, great increase, riches and wealth in what I am doing right now, in what I'm doing for a living. Oh God of Israel, come into my life now, King of glory that is your name, come into my life and let your glory begin to produce success, wealth, increase, signs and wonders in the works of my hands, in the career I'm doing, in the business I'm doing.

⇒Oh King of glory come into my life and let my little efforts begin to produce great increase for me. Let my little strength produce great victories, great success and great blessings. Lord Let your glory begin to let my little efforts begin to yield great results for me and my family in Jesus' name.

A divine visitation that will transform me into another man, Lord let it happen in Jesus' name.

#I am going to be praying for someone that the Lord is showing me, that powers that are oppressing you are not far from you. Every time you sleep somebody comes to

initiate you or to sleep with you in the dream and the Lord is showing that those powers are not far from you but really close to you. Raise up your right hand as I pray for you. Lord I decree right now let there be a judgement right now from heaven upon every oppressor of your life every witchcraft that is following you, staying beside you, living close to you. ## TESTIMONIES

1

[04/01, 12:17] Aanuoluwapo Alebiosu: We've been praying for successful registration of this ministry with the government here in Nigeria for some time now, at a point I thought the person helping us to do it has duped us because he collected money and for a long time didn't give us a positive feedback but to the Glory of God, we are able to register the ministry successfully with the Corporate Affairs Commission of Nigeria and we have the certificate

2) Somebody recently gave this ministry a piece of land with a big building on top, it wasn't given to us for temporary use but for permanent use.

[04/01, 12:30] +268 7611 \*\*\*\*: While I was in my fasting and prayers for God guidance and intervention, as I want to venture into farming village chickens. I was also doing quotations and other useful information like looking for a market for selling the chickens. Very positive response I am getting back. One fellow promised to provide me with 5 000 to start and during the last days of my fast, God showed me plenty chicks at my yard. That means God has approved my projects. Prayers for more financial support. Amen thanks for this wonderful experience fasting

[04/01, 16:56] Boniwe: Good afternoon Apostle and all the brethren in the name of our Lord Jesus.

I would like to testify...

I once sent a message on the 21st February 2020 for an 11 year old who was terribly sick whereby doctors could not find anything that was causing her sickness. She ended up writing suicidal notes saying she doesn't see any reason for her to live.

Firstly Would like glory to give the Creator God Almighty, Apostle AA , the intercessors and everyone for prayers. She has recovered, she's now able to walk, to go to the bathroom. Thank you so much

May God continue to bless this ministry in Jesus name.

[03/04, 16:24] Aanuoluwapo Alebiosu: I also have a testimony I should have shared here since last year. I didn't share it because I was waiting for it's perfection. There's also a Sister here from the United States that can testify to the testimony I want to share now.

This was the first time I spent millions in my life, the first person I met was this sister, she said she had been following my posts on Facebook for so many months (almost a year) and she had been greatly blessed by them, and it was when she had finished reading all of my posts on my profile page, she now thought to herself that "Why can't I become friend with this man of God and as well become his disciple so that I can learn directly from him", So, she contacted me and I began to mentor her...then after a while, a family in her church saw that she had suddenly improved spiritually within the space of few weeks, and she told them that it was because she met a prophet from Nigeria and that changed her life, then this family decided to become My friends too, and before I knew it, this family took it upon themselves to bless me in a very big way...the first gift they gave me was 5000USD and then they added more....they brought beauty into my life that I had never dreamed I could ever have...Our building was completely renovated and everyone in our environment was amazed at how God changed our story within the space of a few months!

[4/7, 10:52 PM] Okanlawon Maria: Amen. Just about the time I was connected to you, my husband was relieved of his office (appointment ) and it caused me tears for days. Why, because a so called brother he had once shown favour wrote a petition against him, and without giving him a copy of the petition, went to Abuja and submitted and distributed copies all around the offices. He was surprised to be called from Abuja to answer the petition.

This made him be relieved of his post. The writer of the petition was not a staff member, but a farmer under a cooperative in Ondo. A man that came to my house, ate my oil and drank my water, well known to my entire family did this to my family.

[4/7, 10:58 PM] Aanuoluwapo Alebiosu: Hmm, that's serious. People are wicked

[4/7, 11:05 PM] Okanlawon Maria: All this because my husband did not give him all things for drying fish that he requested. My husband said he explained to him to be patient since he is not the only one needing the item. This is what got him angry and caused him to write a petition against my husband full of lies. As a result of this he was replaced.

[4/7, 11:08 PM] Okanlawon Maria: God knows his own. He has gotten promotion for a particular level, 3 times higher. I cried unto to God to wipe away my tears and removed this great shame from my family by giving him the promotion.

[4/7, 11:10 PM] Aanuoluwapo Alebiosu: Okay

[4/7, 11:11 PM] Okanlawon Maria: Praise be the name of the Most High God, just before we completed this fasting program, God gave him the promotion.

Hallelujah...Now we are waiting for another appointment for him in Abuja. God will surely give him the best.

Infact, he was the only one promoted out of the 11 of them that did that promotion.

Praise the Lord. Our God is so so good!!! Amen

[4/7, 11:14 PM] Aanuoluwapo Alebiosu: Hallelujah!!

Yes, I said each of us will have at least three testimonies, so, his testimony still remains one

[4/7, 11:16 PM] Okanlawon Maria: Amen... Also my baby who has done his o level papers 4 times, also made her result during this period. Amen. Glory be to God the highest. Amen. I want you to help thank God for these wonders in my family and ask him to place his son in the best position in Abuja. Amen.

These are my testimonies. Amen!!!!

[4/7, 11:19 PM] Aanuoluwapo Alebiosu: Yes I will pray and God will do it

6

[4/9, 5:37 AM] GLADO: Greetings Apostle! Today in prayers, you prayed that there are some that will receive the power of the Holy Spirit.

Shortly after I fell asleep, I felt great power come upon me and lifted me up, then I felt like my lips were swollen and I started mumbling in tongues. After a short while, I was back to normal but I was now awake.

Kindly guide.

[4/9, 9:16 PM] Aanuoluwapo Alebiosu: Wow! That's powerful!!! That was the answer to the prayer I prayed, it shows that you have been baptized in the Holy Spirit and it also meant that you have received a spiritual gift or grace which you will soon discover.

[4/11, 1:33 PM] +234 808 870 \*\*\*: Happy birthday sir. God is really in this ministry, as we were praying against the mark you said was causing failure in someone's

hand during the midnight prayers,I felt something like fire on my right palm. I thank God for His Great Grace upon your life daddy.

[04/12, 17:55] Sister Belle: Good evening family in the House, I want to thank God for Apostle who started this mission, actually help me to thank God for my brother He was telling me that since he started to listen to the prayer points from this House his life is changing, actually he said there is something that used to trouble him a lot, but it just disappeared. I really want to thank God for His mercy. Thank you Apostle, you are allowing God to use you in might way and He will continue to do more than we think

9

[04/14, 19:35] +268 7611 \*\*\*\*: Greetings Apostle and family in the name of Jesus christ. Testimony time as I was preparing to go down home from town last week, myself and my wife were discussing the big, crawling tree snakes that have been seen moving on our walls in our home house. We said it's enough, by prayer I can kill it. Yesterday I sent a message saying I will be home for praying and that I will not be easily available. Apostle said he will be praying for me. Today at home whilst I was doing house cleaning outside, the snake appeared and I chased it running on the tall wall until it got tired and came directly to me and I eventually killed it with a bush knife and burnt it. Thank you for support, with prayers. I need more miracles here at home. Deliverance came true... hallelujah.

10

[04/21, 14:48] +91 99886 \*\*\*: The prophetic class in India is going wonderful by his grace. We were looking at visions and dreams, where some people discussed dreams, for people who are their relatives and dead already. Prayed for them to break those covenants in Jesus name. Also a girl said that there are her brothers who keep following her in dreams and we prayed for her as well. Later I prayed for that girl, as she was getting very hot inside her stomach. Prayed over water and asked her to drink and she vomited, while I asked her to keep her hand on her stomach while I was praying. Our God is an awesome God. He works in ways we have never seen.

11

[04/23, 22:22] Sister Fikile: Last night as I was praying,one of the prayer points, I felt like something was being removed over my head . I was scratching my head. For

almost a year now I have been having headaches almost everyday, I sleep with them and wake up with them. In fact, my brother was supposed to get me headache pills yesterday but failed to. I can testify my headaches are gone, I slept peacefully and woke up peacefully. Praise be to God and thank you Apostle .

12

[04/25, 04:42] +263 77 281 \*\*\*: Thank you for the deliverance prayers. From the previous prayer session I have a testimony that I believe is my deliverance. I shared it in the dreams platform asking for interpretation of the greater part of the dream so I will share the part which I have an idea about and I hope I will have more understanding after the dream has been interpreted.

Waking up to pray on Wednesday I had this weird feeling in my ears as though I was coming from a noisy place as though my ears had water in them. I remember thinking that maybe it was because our toilet couldn't flush properly and it made a sound that night, but no because I live by a noisy street, I have endured more noise than that. Anyway we had the prayers led by the Apostle, then I went back to sleep. I dreamt there was a string coming from my ear. As if the string was connected to a silver chain and the string was a twine like. I went to the hospital I was consulted at, I expected the nurse maybe to operate or to remove the string out of me but she signaled me to remove it. It started like a single string then followed by sets of shoe lace like strings and they got thicker and thicker. It was not like multiplying one string but as if they became groups of 5 sets, of two shoe laces and they would branch into many more as I pulled. It ended up being like many weaves as you would see them in a salon or hair accessories shop. I thank God because whatever it was it came out of my ears.

Also prayers before the last one I felt like vomiting though I just spit saliva, believe it was part of deliverance. I thank God for all he is doing in my life through these prayers.

13

13[4/25, 6:09 PM] Sister Ntefelleng: Greetings Apostle, I have a testimony, this morning after the network problem I continued to pray with Wednesday prayer points, when I slept I had a dream, it was like we are going through the tunnel but it was like moving steps in horizontally position, and when we entered the tunnel we were ushered by authority as soldiers are doing now in this lockdown, but as it was my turn to pass there was no one, I entered alone but I saw my ex-husband following me, with other people and he came to me demanding my cell phone but I refuse and he wanted to take it by force but I said to him he is not the one who bought it for me so he don't have a right over my phone, when he repond is then I receive revelation in my spirit that I am fighting with the ancestral spirit, and he responded saying we

give it to you,as we were reaching the end of the tunnel is when the fight begun, I stretched my two hands towards him with my index fingers pointing him and there were arrows that were shutting Him,he ended up hiding behind the small mountain and all that I can see was two hands lifted but I was still shutting and I was flying in the air,and all of the there were more different kinds of weapon that were assisting me but I couldn't see the operators but those weapons took over the battle

[4/25, 7:17 PM] Aanuoluwapo Alebiosu: Hallelujah!! That was a victorious dream. I thank God for exposing the devil and giving you victory over him

[4/25, 7:22 PM] Ntefelleng: We thank God for this ministry, more grace, wisdom and power over you and all servants in this ministry.

[4/25, 7:33 PM] Aanuoluwapo Alebiosu: Amen and Amen

[4/28, 5:10 PM] S'fiso: Greetings sir AA.I got a testimony. After that seed I gave at the beginning of this month, you said GOD will give me a gift. Indeed I got it today, my boss sent me some money to buy groceries. I haven't been going to work due to the lockdown. Thank you JESUS

[4/28, 6:22 PM] Aanuoluwapo Alebiosu: Glory to God for His provisions, the hand of God shall do more for you

16

[4/30, 5:36 AM] Lydia Njombo: God bless you my brother for using you powerfully in the prayers today.

The deliverance prayer point when we asked God to destroy covenants that had been done on our bodies was speaking about me oooo I don't know for others but my story goes like this when my aunt passed away if cancer after the funeral my Aunty who was the oldest member in my father's family(like his elder sister) visited our house home with her friend and said that they had traditional medicine to put a mark on us so that the same thing that killed my Aunty would not come and kill us. I was little and in primary school and I could sense that my mother did not want us to have our bodies cut up and have strange traditional herbs rubbed into our bodies but out of fear I think she just allowed it to happen.My Father was not at home at that time as well so she was powerless. I also did not really trust this aunt and the woman

she was with but what could I do. So myself and my brothers got our bodies cut and the herbs mixed with our blood. Up to now I feel disgusted and violated when I think of it. I thank God for exposing it and dealing with it once and for all. I pray that God used me as a point of contact to deliver my brothers as well in the mighty name of Jesus Amen
