Oh God we are so grateful for all the benefits we have received from you, we are so thankful for your love and endless mercies you have showered upon our lives. Thank you for divine protection, divine preservation,

divine provisions, divine defence and divine healing. Thank you for many things you have done for us even those we are yet to see physically.

Oh God I'm asking that as we have come before you once again in this place of prayer. Father visit us again far beyond our expectations, visit us to help us, deliver, heal and liberate us and our destinies so that we can fulfill our calling and destinies. Lord visit us and revive us, shower your glory upon our lives, change our situations, help us Lord Jesus. Thank you Lord because I know you will do beyond our expectations, thank you Father in Jesus' name, Amen.

PRAYER POINTS

⇒. Raise up your right hand. King of Israel, thank you for protection, thank you for the preservation of my life, thank you because I am still alive in the land of the living, I am not in the land of the dead. You saved my life, preserved my life, kept me alive till today, it is not by my strength or smartness, wisdom and it's not because I know how to take care of myself but it is because of your grace and your mercy. Thank you because you have kept my spouse, my children, my parents, grandchildren and siblings alive oh God I say thank you. There's no amount of money that could keep me alive but it is you who has kept me alive. Thank you for this great privilege and mercy I have received.

⇒. Father, you are my father and I am your son, your daughter. Father do not hold back from me all that you know that my life and destiny need at this time. Father, I am your child, do not hold back all that you know that I need at this time. The blessings, the favour that you know I need oh God, do not hold yourself back, do not withhold your hands from helping, from supplying my present needs at this time. Bless me Father, help me.

⇒. You have to pray with the confidence of a son not like a slave, be a son in the presence of his Father knowing that He loves you and He will never forsake you even when a mother can forsake her child but never God.

•Father hear my cry tonight and help me. In this hour Lord hear my cry because you are my father and I am your son, you are my father and I am your child, help me. Father you say in your Word that you will not ignore my cry, you won't ignore my voice when I call, Father in this hour hear my cry, hearken to my voice and help me.

⇒. When He hears your cry He grants your requests according to His will. When He looks at what you're asking Him to do and then He looks at His plans for your life and then He begins to answer those prayers. Most of us when we don't see the results instantly we lose faith and begin to doubt and think that God doesn't answer prayers. God answers all manner of prayers, if you need shoes He will buy you the shoes, He will send someone to you for them. God answers all prayers, all He needs is your faith and patience

•Father I know that you are the God that answers prayers, you are my God and you answer prayers. Lord every request that has not yet been granted, Father begin to do them now, I have faith and I am not doubting. Father I know and I acknowledge that you are the God that answers prayers and that you always answer prayers because your Word says that whatsoever we ask you in the name of Jesus, that you will give to us, so Lord I ask that you moved right now to grant all the requests I have asked before and have not yet seen answers to them, oh Lord, let them be granted now. Let the answers be released now, the miracles appear now in the name of Jesus. ***Because you believe, I declare over your life that every pending request you have asked God to do for you and you haven't seen the answer yet. I decree by the authority of the Most High God, the King of Israel, let those requests be answered now in Jesus' name. I decree the miracles that will be answers to your request let them begin to appear in your life right now in Jesus name.**

NB: Holy Ghost is saying a miracle is on your way and you shall see it because God answers prayers.

⇒. Rise up to your feet if it's possible. In the name of Jesus, I disconnect my life from every destiny wasting spirits attached to my life, every time wasting spirit, years wasting spirit. In the name of Jesus, I disconnect my life, destiny, calling from time-wasting spirits, from destiny wasting spirit in the name of Jesus. Every demonic personality that is following my life to waste my destiny, to waste my years, let the fire of the Holy Ghost consume them right now. Every spirit connected with my life, that binds itself with the journey of my life to waste my life, time, years and destiny, catch fire in the name of Jesus.

⇒. There's an anointing that breaks yokes, that breaks chains of slavery. It is slavery when you do not move forward in life, when you cannot point to any progress in your life, when your life is moving in a circle. Every year there is no new thing that you can say happened to you be it your spiritual life career or calling.

•Still standing. Father release upon me an anointing and let every yoke of slavery be destroyed. Every chain of slavery upon my destiny, by the reason of the anointing break right now in the name of Jesus. Yoke of slavery break in the name of Jesus, chains of slavery break in the name of Jesus. Right now I come against every chain of slavery, every ancestral chain of slavery, every witchcraft chain of slavery that have bound up my life, destiny and calling, I command you to break by fire in the name of Jesus. ***I decree over your life by the reason of the anointing of the Lord upon this ministry, let every chain of slavery that has prevailed in your life for many years break right now in the name of Jesus. You chain of slavery, ancestral chain of slavery, witchcraft chain of slavery, that has held these lives captives for many years, I command you, hear the Word of the Lord, break right now in the name of Jesus.**

⇒. Still standing, lift up your voice to the heavens. Father let my voice be heard before your throne in this moment and let your angels be released for my complete deliverance. Hear my voice oh Lord and authorise your angels for my deliverance. Authorise your fiery angels, mighty angels, your angels of war to release me, release my body from the captivities of darkness. Authorise your angels to deliver my soul from bondages, to release my spirit from captivity of darkness. Oh Father, tonight is the night of my deliverance this hour is the hour of my freedom, I ask that you hear my voice now and send your angels for my deliverance in the name of Jesus.

⇒. Still standing. In the name of Jesus, let heaven come down for my sake and let the glory of my life and destiny break forth into shining. Concerning my life let heaven touch the earth, concerning my destiny let heaven touch the earth and let the glory of my life break forth into manifestation. Right now let the Kingdom of heaven touch the earth for the sake of my breakthroughs, rising, for my glory to break forth into manifestation, for my light to break forth into shining. Let heaven touch the earth right now and let there be an explosion of the power of God in the midst of the earth, concerning my victory, breakthrough and rising to the place of manifestation in destiny. Let fire fall and let there be a rain from heaven so that the glory of my life will break forth into manifestation.

⇒. Still standing, raise up your right hand. In the name of Jesus, I come against every evil work that has been done in the atmosphere, every work of the devil that has been perfected, projected in the air against my life and destiny I decree let fire locate them and destroy them. ***Every work of the devil witch's witchcraft wizards witch doctors that has been done in the atmosphere against your life and destiny I command fire fall and catch them.**

⇒. Father let the month of April become the beginning of great testimonies of your power in my life. Father let this month of April that I have entered become a month of the beginning of great testimonies of your power in my life, great testimonies of your name and mercy in my life. Let testimonies begin in my life in this month of April, do it Father in Jesus' name.

⇒. The Lord is telling me He wants to do a ground-breaking miracle in your life. Groundbreaking means it's going to be a miracle that will remain permanently, it's a miracle that leaves a permanent effect or mark for the rest of your life.

•Father far beyond my understanding and expectations, visit my life and do a groundbreaking miracle. In this new month, visit my life for the manifestation of a groundbreaking miracle. Father far beyond my understanding and expectations visit me with power and cause a great shift to happen in my life, let a groundbreaking miracle that will leave a permanent effect, a mark in history let it happen to me. Such an unforgettable miracle, a miracle that cannot be reversed that cannot fail in time, Lord let it happen in my life in this new month.

⇒. It's not only your body which can be poisoned. Your mind can be poisoned against the truth, the Word of God, against people that you should love, against spiritual things, you begin to just hate them. There's a lot of demonic projections in people's minds

• Place your right hand on your head. In the name of Jesus, I come against every mind poisoning attack fashioned against me, I decree that fire arrest and destroy them. In the name of Jesus every mind poisoning attack coming from the kingdom of darkness, I command you to catch fire right now, be arrested and destroyed by fire right now. Every demon that is following me to poison my mind, every demonic projection to possess, poison my mind, every witchcraft projection to control me in the mind, let fire arrest and destroy them in the name of Jesus. Every operation of marine spirits to poison my mind, catch fire in the name of Jesus. ***Every operation of marine spirits to poison your mind, I command them to catch fire right now in the name of Jesus.**

⇒. Place your right hand on your head. In the name of Jesus, from today let my head begin to reject evil, misfortunes, troubles, sorrows, sufferings and afflictions, let the anointing of the Lord manifest on my head to reject and push back every evil. From today let my head receive anointing to push back evil, suffering, depression and poverty in the name of Jesus. Let my head begin to reject everything that is ungodly, contrary to the will of God for my life in the name of Jesus.

⇒. The Lord is showing me that the part where food passes through from your mouth, stomach and into the intestines, the devil has built and established his kingdoms there. He will do that through diverse kinds of foods we eat because some of the foods we eat are possessed with demons.

•Raise up your right hand. Father let your fire pass through from my mouth through my mouth downward through to my intestines and begin to destroy work of darkness and every establishment of darkness right there right now in the name of Jesus. Let fire pass through me now from my mouth down through my intestines let the fire of the Holy Ghost move right now and let every darkness catch fire, every demon catch fire, every pollution of darkness catch fire. Let every establishment of darkness catch

fire, every plantation of darkness catch fire right now in the name of Jesus. ***I decree let fire pass through where food is eaten and processed and let every unclean thing come out in the name of Jesus.**

⇒. There is no Christianity without spiritual growth. Any Christianity without spiritual growth is a failed and fake Christianity. You must grow, it is a must for a Christian to grow.

•Father, deliver my spiritual life from stagnation. I refuse to be a stagnant Christian. I refused to be limited and stagnant in the realm of revelations, realm of power and victories. Lord let my spiritual life grow in the name of Jesus. Let me grow spiritually, I want to grow, help me to grow.

⇒. Father reveal to me the secrets of success and victories, reveal to me the things that I must do to lead a successful and victorious life, reveal them to me by your Spirit. Reveal to me Lord Jesus the secrets of success, the secrets of victories, the things I must do, what I must dedicate my time to doing, dedicate my life to be doing for me to lead a successful and victorious life. Oh God of Israel show me, reveal them to me.

⇒. Raise up your right hand. In the name of Jesus, I come against every hand that is pushing back good people from my life. Destiny helpers, people that I need for my life and destiny, I decree let the flaming sword of the Lord cut off those hands. Every hand of darkness that is pushing good people, great people away from my life, people that God sent into my life, turning them against me, let the sword of the fire of God cut them off now in the name of Jesus. I command the sword of fire of the Lord to cut off those hands forever in Jesus' name.

⇒. Father remember me and move my life forward on every side. Remember me Lord Jesus let my life move forward at this time, let me move forward beyond limitations, above limitations. Lord remember the promises you have said concerning me, remember the words you have said concerning me and move me forward at this time because my life has not yet matched up with the promises you have said, it has not yet matched up to the things you have told me, it has not yet matched up with what you said in the scriptures concerning me, therefore Lord remember me today and let my life move forward. ***As you have said it so shall it be in Jesus name it is done.**

⇒. A man can be walking freely on earth whilst he is trapped or caged somewhere deep down in darkness in the realm of the spirit. It's possible that you cannot move forward until you are released from one realm of darkness that you have been caged in.

•Place your right hand on your head. Father authorise your mighty angels into every realm of darkness where I have been enslaved and caged for my instant deliverance. Father authorise your mighty angels into every realm of darkness where

I have been held captive, held bound hands and feet and let me be released from those realms. Let your mighty angels release me, let them set me free, let there be deliverance instantly in the name of Jesus. Let the angels manifest into every realm that has held me captive for my instant deliverance in the name of Jesus. ***You are released in the name of Jesus from every realm that is holding you bound, you are free in the name of Jesus in Jesus' name it is done.**

⇒. Father put a spirit on me that will attract favour to my life from every place I go, from everyone that I will meet, put a favour attracting spirit upon me from today onwards. Father put a favour attracting spirit upon my body, upon me, my appearance so that my life begins to command favour, to attract favour from everywhere I am known, from everywhere I appear, from every place I go to. Lord let favour attracting spirits begin to follow me everywhere I go in the name of Jesus.

⇒. Father send your angels on assignment into my father's house, mother's house, into my village into my hometown and let them carry out an operation for the release of my destiny to manifestation. Father send your angels now into my father's compound, into my mother's compound, my father's house, my mother's house, into my father's village and mother's village and let those angels begin and finish operations that will lead to the release of my destiny, operations of war, spiritual operations that will liberate my destiny to perfect fulfillment, let them carry out that operation right now in the name of Jesus. Send them on assignment for my release in destiny, thank you Father.

⇒. In the name of Jesus every battle of darkness that will not let my life have peace, move forward, have joy and success, oh God let the hosts of heaven descend upon those battles and waste them. I come against every battle of darkness that has vowed not to ensure that my life prosper, that have determined not to let my life succeed. Every battle from kingdoms of darkness that are attacking me so that I will not fulfill destiny, oh God let your mighty angels descend upon them and destroy them all. Let the battle of heaven consume them all. Every battle that has risen from the marine kingdom to ensure that my marriage will not succeed or come through, to ensure that I do not succeed in life and destiny, let the battle of the Most High God consume them, let the battle of the kingdom of God consume those battles in the name of Jesus.

⇒. In the name of Jesus, I decree that places no one has found help, support, favour or jobs; I will walk into those places and I will be helped, favoured and supported in the name of Jesus. Places that no one has found help, favour or a job, I will enter into those places and will be helped, served and get a job. I will walk into those places and I will be connected to greatness. I will walk into those places and doors will open for me in the name of Jesus. I will walk into those places and my life will be lifted, exalted, promoted and celebrated, even in those places where people have not found favour.

⇒. Father let my spirit receive awakening fire for me to command great victories in the place of prayer. Let my spirit receive reviving fire, refining fire for me to be victorious in the place of prayer from now henceforth. Father let my spirit receive awakening fire, reviving fire, refining fire so that I prevail every time I pray, so that I connect with the powers of heaven every time I pray. So that I will see great victories happen in my life and destiny. My spirit man receive awakening fire and receive refining fire, you my spirit man, receive reviving fire for the manifestation of victories in the name of Jesus.

⇒. Place your right hand on your head. In the name of Jesus I uproot every evil plantation, every mixture of darkness, I uproot everything which was mixed with my soul, spirit and body to bring down my life, whatever has combined my spirit, soul and body to bring down my life, I decree let them be uprooted by fire, let them come out of my life by fire. I uproot every deposit, plantations and everything that has mixed with my life for my downfall, for my weakness, defeat and failure, let fire consume them right now. Whatever has happened my spirit, soul and body from the kingdom of darkness for my downfall, let fire remove them all, let fire uproot them all. Every demonic mixture, demonic plantations that has happened in my life, soul, body and spirit come out by fire in the name of Jesus, be uprooted by fire in the name of Jesus! PSALM 80:1

⇒. Father you are the shepherd of Israel, I surrender my life to your leadership, I surrender my days, life and destiny to your leadership, come and shepherd my life. Father you are the one who brought Israel out of captivity until they were planted in the promised land, Lord you are my shepherd, come and do your work as my shepherd. Come and do the work of a shepherd in my life, lead my life, do that work

in my life. Lord lead me, rule my life, be Lord over my life in the name of Jesus. Lord, I surrender my life, be the shepherd of my life, my ministry, over my entire life in the name of Jesus, rule my thoughts direct my path.

⇒. God had a plan for Israel and then He came at the right time into that plan to lead them into the promised land. God has plans for our lives and He wants to take us into the fulfillment of those plans.

• Raise up your right hand. Father I know you have great plans for me, you have great plans for Israel and I am part of Israel, Lord visit me take me into the fulfillment of your plans. God of Israel, shepherd of Israel, I know you have great plans for me, I know that without a doubt, Lord come and take me to where these plans will be fulfilled, take me to the demonstration and performances of your plans. Lord come and lead my life into the fulfillment of your promises for my life.

⇒. God's plans for your life are beautiful, and are higher than your expectations. That's why you have to cooperate, agree and partner with God so that these plans will be fulfilled as it is in the mind of God.

• Father, help me to walk in perfect agreement with the plans and purpose you have for me. Help me Father to walk in alignment to the plans you have for me. Help me not to walk in an opposite direction that is far from the plans you have for me. Help me Lord according to your mercy to walk in line with your plans for my life and destiny.

⇒. God is the one who knows the way to your greatness, to your success, prosperity, establishments and to your future. That's how He led the descendants of Israel, that's how He wants to lead you. You need to cease depending on your own wisdom and knowledge if you want to walk and be led by God.

• Father, I acknowledge that you are the one who knows the way to my success, oh God of Israel come and lead my life. From today I stop depending on my wisdom and knowledge, come and lead my life as the one who knows my life, who knows me even before I was born. I acknowledge you Father as the one who knows the way to my success. I acknowledge your Holy Spirit as the one who knows the way to my victories. I acknowledge you King of Israel as the one who knows the way to my deliverance, you are the one who knows the way to my salvation, oh God lead me in the name of Jesus. Lead me to that place you have placed and prepared for me. I refuse to depend on my own wisdom and understanding. Lord take over my life, ambitions, dreams, desires and expectations.

⇒. Father do not keep me in darkness, share with me the knowledge of your plans for my life, reveal to me the details of your plans and purposes for my life and destiny. Share with me Lord Jesus the details of the knowledge of your plans for my life, the details of your will for my life, details of your purpose is for my life, details of your thoughts for my life. I acknowledge that you are the one who knows the way my life should follow till I fulfill destiny. I acknowledge you are the one who designed my

destiny before I was conceived in my mother's womb, so Lord reveal the details of your plans so that I do not walk in darkness or ignorance but that I walk in wisdom at this time.

⇒. The Lord is saying, it is impossible for a man to know the plans of God for him without the ministry of the Holy Spirit. If you do not know the plans of God for your life, you will go the opposite of God's plans.

•Raise up your right hand. Father, fill me with the Holy Ghost because I am willing to know your plans for my life and destiny. Father fill me with the fullness of your Holy Spirit because I understand it is the Holy Spirit who reviews your mind to us, fill me so that I may know all your plans and purposes for my life at this time. ***I decree and I declare that the Holy Ghost come upon you now in the name of Jesus, let Him come upon you as the revealer of secrets, receive Him right now in the name of Jesus. Let the Holy Ghost come upon you as the one who speaks the mind of God, receive Him now in the name of Jesus.**

⇒. God wants to display His glory in your life.

•Father manifest yourself mightily in my life and display your radiant glory in my life, calling and destiny. Father you are the one enthroned above the cherubim, you are the King of glory, manifest your greatness in my life, manifest the greatness of you in my life, manifest yourself mightily in my calling, ministry, destiny and display your radiant glory. Beautify my life and let the world see your glory, beautify my life and let everyone see your glory oh God of Israel.

⇒. The glory of God has a lot to do with the victory of God. Most times you will not see the glory of God until there is a victory or people will not see the glory of God in your life until you are victorious.

•Oh God who is enthroned above the cherubim, manifest yourself in my life and cause me to be victorious in my life, marriage, career, business, calling and ministry. Oh God who is enthroned above the cherubim, cause me to be victorious over sin, sickness, disease, weaknesses, addictions, poverty, sorrow, captivities of darkness, witchcraft attacks, cause to be victorious now. Oh King of Israel manifest yourself and cause great victories to appear in my life, cause my victory to appear suddenly in the name of Jesus.

⇒. God who is enthroned above the cherubim, this is referring to the picture of the ark of the covenant. God is above those cherubims, so this means that God is the Lord of hosts, the God of hosts and that He has some special forces angelic forces by which He commands great victories in the earth. The angelic beings are God's special forces and He uses them to command great victories in the earth. So whenever it is said God who is enthroned over the cherubim it means God who has prevailed over the earth.

•Raise up your right hand. Oh God who is enthroned above the cherubim, I acknowledge that you have prevailed over the heavens and the earth, and over the

underworld, therefore manifest your victories in my life. Oh God who has prevailed over all, manifest your great victories in my life, calling, destiny and finances because I know you have prevailed over everything, everyone and over every realm, manifest those victories of yours in my life. Oh God who is enthroned above the cherubim, manifest your great victories in my body, soul and spirit in the name of Jesus.

⇒. When Moses finished constructing the ark of the covenant, the glory of God descended and they couldn't do anything in the tabernacle because the glory was so great. When God visits your life as He is in heaven, the glory of God will be seen in your life everywhere and will radiate His glory. You need visitations of God that you have never had. There are visitations or presence of God and then there are higher visitations or presence of God.

•Oh God who is enthroned above the cherubim, visit my life as you are in heaven right now and let your glory fall upon me, let your glory be seen physically in all areas of my life. Oh God who is enthroned above the cherubim, visit my life with the fullness of you and let your glory fall, let your glory be seen in my life, career, and calling, let it fall upon me, in my life, marriage, and destiny, reveal your glory. Visit me as you are according to your fullness, not a part of you, I want to have you in full in my life. Visit me as you are Lord Jesus .

⇒. When we are talking about the glory of God, we're talking about something that is visible. You might not see the white cloud as they saw in the old testament but you may also see it exactly as they did. The manifestation of God's glory means that God is going to be doing some operations in your life that will be seen and felt physically, you and others will see and feel it. Everyone who sees you will say this is God without a doubt.

•Father, begin your mighty operations in my life that the whole world will see your glory and glorify and praise you. Father, do your mighty works in my life, perform your mighty operations that will cause visible effects, visible signs and wonders, undeniable miracles, oh God do such operations in my life. Oh God, I have heard people speaking of great physical miracles you have done, I also want to begin to speak and testify in the face of all the world that you have done great things in my life. Father begin your mighty works in my life and let the world see your glory and praise you.

VERSE 2

⇒. Father let your mighty power begin to perform miracles that have never happened before in my life. Oh God of Israel by your mighty power, begin to work miracles that have never happened before in the history of the earth. Lord let such miracles begin with me, miracles that have never happened before in my life, never happened before in history or on earth, let them begin to happen in my life according to your mighty power.

⇒. God is always happy when there are people who look up to heaven and say God show us your mighty power. God is a social being, He is social in operations and He likes to reveal or display His power publicly. You will see God moving publicly when there are open air crusades because He wants to show people face to face the greatness of His power and He can start with your life and in your life.

•Oh God of Israel reveal your mighty power publicly in my life, Father show your mighty power in the midst of the earth, in the midst of my situations to glorify your name in my life. Lord as you did in the days of old, even in our times, let my life, ministry and calling be included among those through whom you want to publicly reveal your greatness. Lord before the eyes of the world, before the face of the earth, let your great power be revealed mightily in my life, ministry, calling and destiny in the name of Jesus.

⇒. We have come to such a time where we are surrounded by such a thick and terrible darkness that carries in itself a great destruction. We are surrounded by deadly lions which are ready to devour and finish our lives, surrounded by the dominion and strength of the antichrist kingdom. This is the time that we need God to rescue us.

•Raise up your right hand. Oh God who is enthroned above the cherubim, come and rescue us, rescue the church of God, rescue your people, rescue us from the darkness that has determined to destroy us. Oh God who is enthroned above the cherubim, we need you or we will perish. Without your help we will perish therefore I call upon you, come and rescue us from the mouth of the lion that has come to devour. Rescue us from the terrible darkness that has come to swallow us up forever. Oh God of Israel rescue our children, the youth, the men, women, adults, our generation, our families, our homes; you alone can save us. Come to our rescue and deliver us from the grip of the antichrist, from the mouth of the beast, save us now in the name of Jesus.

⇒. We have different kinds of God's presence. There's a kind that is full of God's power and that is the one that we need now because that is the presence or visitation that will deliver and rescue us. God is already among us but we need Him in power. We do not only need Him in fellowship but we also need Him in power.

•. Place your right hand on your head. Oh God of Israel, let your presence in my life become your mighty power that I may be delivered, freed, glorified and prevail. Oh God of Israel, your presence in my body, spirit, soul and life, let it become the power that sets me free, heals me, transforms me, that gives me victories, the power that opens my eyes to see into the realms of the spirit. Let your presence in my life become power now in the name of Jesus. As your presence turns to power, let captivities of darkness, yokes of witchcraft in my life break into pieces in Jesus' name.

VERSE 3

⇒. This generation is dead to God and to the things of God and we are so awakened or conscious to the things of this world. That is how depraved we have been and that is how defeated we have been.

• Father I refuse to be dead to you, I want to be alive to you, I want to be able to touch you, see you, know you, fellowship with you, Lord deliver me. Oh God revive me, let me come alive to know you for real because you are a living God, you are not a dead god or who is in the head knowledge. I believe you are God who lives in the Spirit, who can be seen, felt, known, who can speak to me and I will hear. Lord Let me be awakened to you, let me be delivered that I may know you. Revive me, oh God of Israel to know you, revive my soul and body to know you, to believe in God. Reveal yourself to me, I do not want head knowledge of you but I want to know you spirit-to-spirit.

⇒. God needs to do something to you that will make you come to your senses, to wake you up to your spiritual senses, not to these human senses which are so deceptive, weak, foolish and limited.

• Father, do something in my life that will make me come out of human senses so as to embrace my spiritual senses of you. Father let something happen to me by your mighty hand that would take me out of the captivity of my human senses and cause me to be awakened to spiritual senses of you, Lord do such a work in my life so that I can know you with spiritual senses.

⇒. The devil has done something to human beings to make us easily forget God. The Lord has done so much in the church and in our lives that we are not supposed to forget easily but somehow the devil has succeeded for us to easily forget, even what God told us or did yesterday and we begin to misbehave.

• Father by your mighty hand, deliver me from every covering of darkness that is causing me to forget God, to forget you, and your place in my life, to forget your wonders in my life, your blessings, and that which you have said in my life. Oh God deliver me from such darkness that promotes forgetfulness of God, Father destroy such darkness. Every darkness that has covered my brain and senses making me keep forgetting what God has done, said, is saying and has done, all the miracles He has done in the past and how He has helped me, oh God of Israel let such darkness catch fire.

⇒. Demonic forgetfulness is what caused the children of Israel to go and serve other gods. This is a spirit assigned to make you forget the faithfulness of God and you start thinking of going back to your old life, to darkness.

• Father let your fire banish from a life forever, every spirit assigned to cause me to forget your faithfulness in my life. Every spirit assigned to promote forgetfulness of God's faithfulness, let fire arrest and cast them out of my life forever right now. Oh God of heaven and earth, let fire fall and banish such spirits from my life. Every spirit that keeps mentioning to me things that God has not yet done, let fire arrest and

destroy them all in the name of Jesus. I want to live a life of gratitude and thankfulness to God always not a life always complaining to God.

⇒. A gate of hell is anything that has a pulling force, pulling people out of heaven into hell. Anything that pulls people into sin. Until God delivers you from the gates of hell, your salvation cannot be sure because sooner or later you will fall back. There are so many things the devil is using to pull back people from the truth and God. Will you allow the gates of hell to prevail over your soul?

•Father, deliver me from every gate of hell that has been strategically positioned in my life to draw me back from you and from the truth. Every sexual sin, lust of the flesh, lust of the eyes that has been strategically positioned in my life to draw me out of God's presence, Father, deliver me out of them all. Love of money pride, anger, hatred, addictions to sexual sin, pornography, masturbation; love of things of this world, deliver me, oh Lord from every gate of hell that the enemy wants to use to steal my soul from your Kingdom.

⇒. This generation lacks focus on the right things. People cannot do the right thing when they are not focused on the right thing. Most people do not have God as their focus.

•Father, I want you and your Kingdom to be my focus therefore let my focus be removed from everything that is not you or your Kingdom, anything that is not going to lead me you or your Kingdom, let my focus be removed from them all. Father I want you to be my highest priority in life, I want you as my focus in life and destiny, deliver me oh God of Israel from anything that is taking your place in my life, anything that is taking my attention away from you. I choose to focus on you, your kingdom, and the light alone. I refuse to put my heart on things that perish, on things that have no eternal value or eternal history, I want to focus on you alone forever, help me Lord Jesus.

⇒. Until we come to the level of discipline of being focused on God, you always have the problem of rising and falling, lukewarmness with God.

•Father, create in me a permanent hatred for everything the devil has chosen to use to shift my focus from you, Father let me begin to hate them. Oh God of Israel, let me have permanent hatred for everything the devil has chosen to use to shift my focus from your truth, from your standard, ways, light, from you and your Kingdom, Father let me begin to hate those things with a passion from now henceforth.

⇒. There's a level of deliverance that comes from the brightness of God's face. When God stands before your face and causes the brightness of His face to penetrate into your face, there's a kind of deliverance that takes place. At that point your understanding will be enlightened, darkness will be rolled away from your heart and you begin to see things differently.

•Father cause the brightness of your face to shine upon me that my understanding be enlightened, that I may be delivered from foolishness and deception of this world.

Let the brightness of the countenance of your face penetrate deep into me to deliver me. As you delivered Saul of Tarsus on his way to Damascus and his life changed from that day forward, oh God I want my life to change as well. I want my destiny to take a new turn, oh God of Israel let the brightness of your presence deliver me from the foolishness and deception of this age.

⇒. Everything has deceived us in this generation including ourselves. We have deceived ourselves that is why we are so far away from the truth. It's only the light of God that when it shines we will be saved. Right now we are seeing ourselves and things the way the devil wants us to see not as God wants us to see ourselves and things.

•Raise up your right hand. Father, I refuse to waste with this world, I refuse to be damned with this world. Father shine your light upon me and deliver me from every deception that has prevailed in my life. I want to see things the way you see them, to see my body as you see it and not how the devil has shown me my body. I want to see me as you see me, deliver me from every deception that has prevailed over my soul. I don't want to waste with the world because the world and everything in it will pass away. Deliver me from whatever I have deceived myself, where I have allowed the things of the world to deceive me, let your light shine upon me and deliver me.

⇒. We cannot be served until God shines His light because when He shines His light that is when we will know the truth and the truth will make us free. It is only when the light of God shines that you know everything you have been doing for many years or embraced is wrong.

•Father let your light shine upon me with great power and let me discover the truth that will set me free forever. Let your light shine upon me with a great strength and power that I may be free forever. Let your light shine upon me with great strength and power so that I may discover the truth that will set me free forever, thank you Father in Jesus Name, Amen

We celebrate your Father, we worship you.

Oh God as we pray tonight come and be a destroyer to all the works of the devil in our lives, come rule and dominate over all the forces troubling our success and progress. Come oh God and be a terrible God to your enemies. Thank you Father, blessed be your Holy Name, in Jesus name, Amen.

PRAYER POINTS

⇒. Father, I thank you for all the blessings you have brought to me, provided and delivered unto me. Thank you for the blessings that I will receive in this prayer meeting for I know you have come with blessings for me. Ancient of days, thank you because in your hands are great blessings that have my name on them right now, right here. You have come with great blessings in your hand for me, thank you for this privilege, thank you for these blessings, thank you Jesus, thank you Lord. Thank you for the blessings in your hands, that you will release and deliver unto me.

PSALM 80:3

⇒. When God's face shines upon you it means He is merciful unto you, it means He has shown you mercy. For example you might know somebody in a very bad

situation and through the help of God you solve their problem or situation, that is mercy. Without God's mercy, we will receive no help or succeed in life.

•Father, let mercy visit my life, locate me, find me and let it appear in my life from your throne. Lord, I want to partake and receive your mercy because I know you are so full of mercies, let mercy from you visit me. Lord in this moment of my life, I ask for your mercy because it is not by human power, strength or wisdom but it is by your spirit, your mercy and grace. Lord I ask for mercy, by my own strength I cannot succeed or achieve any good things in life but I trust in your mercy, Lord show me your mercy.

⇒. God wants to give you more than you need because when God shows you mercy that is when He gives you gifts that you do not deserve. Meaning that you didn't work for it or earned it neither is it a reward but that He just decided to show you mercy.

•Father let your mercy appear in my life and let me receive gifts beyond what I deserve. Oh God let your mercy visit me, let it appear in my life, situation, in this hour of my life and let me receive blessings from you beyond what I deserve, beyond what I need. In the name of Jesus, let me begin to receive overflow of blessings because of your mercy. Lord let your mercy find me, let your mercy appear in the midst of my financial struggle, of my debt, poverty and sickness and let me begin to receive blessings and help because of your mercies.

⇒. You need to cry out so that your case will find divine attention because presently there are people praying all over the world, every minute but not all of them will really command God's attention or God's full attention. Just like blind Bartimaeus, God paid full attention because he cried out and the Lord had mercy on him and was healed.

•Father according to your mercies let my case receive divine attention and intervention. Oh God of Israel let my situation receive divine intervention according to the mercy of God, receive Jesus' attention, let my sickness receive Jesus' attention right now as it were in the days of blind Bartimaeus. Let my case tonight receive Jesus' attention and intervention. In the name of Jesus Christ, let my case and situations receive heaven's intervention. Let the case of my barrenness, marital failure, financial struggle, poverty, limitations, depression and captivity receive divine attention right now in the name of Jesus by the mercies of the Lord. I cry out to you oh God so that you will give ear to my present situation and that you will intervene to rescue me.

⇒. Raise up your hand. Father according to your endless mercies, let every evil work that has been done against me, your Word says no weapon fashioned against me shall prosper. No work of the devil that has been done against me, Father let them be destroyed according to your endless mercies, let them begin to fail in the name of Jesus. Every work of the devil that has been done against my life, oh God of Israel, destroy them, cancel them, undo them and let them fail. That which has been done against my destiny and my calling let them fail in the name of Jesus.

⇒. God is seated on the highest and it is only His mercy that will cause Him to look down on a mere man like me and you and consider us and our situations.

•Father according to your mercies, Lord come down from your throne visit me and help me. Father according to your mercies, reach down from your throne and lift me up from the valley and set me on the rock, lift me up from the place of captivity and limitations and set me on the place of victories, set me in the place of glory and honour. Father reach out to me from your throne in heaven and change my life forever, visit me Lord Jesus and help me.

⇒. The greatest help you can ever receive is help from above. Psalms 121 tells us to look up to the hills and seek help that comes from above. Not to seek help from this earth or from people.

•Raise up your right hand. Father look upon me in mercy and send me help from above, from the throne for I know the help that comes from you is the best help I can ever receive. Oh God of Israel, right in this time of my life, I am looking up to you, I am not looking unto any man for help, send help from above, send help from the throne, send me help from the sanctuary in the name of Jesus. Oh Lord, I seek help that comes from your throne, that comes from the highest place, higher than principalities, that place where you reside. I seek help from that place in heaven because that is the greatest help I can ever receive. Send me help now in the name of Jesus.

⇒. Most of us are suffering from consequences of our sin and it's only mercy that can deliver us from the consequences of them. Sometimes repentance will not do that deliverance but it is mercy that will do it. According to the scripture, you reap what you sow. If you sow evil you're to reap evil, but when God decides to show mercy, He can take away the consequences of your sins.

•Father look up on me in your mercy and deliver me from every consequence of my sins that are catching up with me, tormenting me. Oh God of Israel, the sins I committed in ignorance, in darkness, when I was yet to repent, oh God deliver me from the consequences of this sin according to your mercy. Deliver me oh God from the consequences, from the fruits of my iniquities, deliver me from the rewards of my iniquities, according to your mercies deliver me from the reward of my disobedience, reward of my shortcomings, reward of wickedness, from my evils, from my darkness, look upon me and save me. Do not allow the consequences of my sin to destroy my life, save me Lord Jesus by mercy.

⇒. Father, according to your endless mercies, take away every object of disgrace and shame in my life, take away every shame, disgrace and dishonour, take away everything that happened in my life that is bringing sin, disgrace and dishonour, Father according to your endless mercies take them away right now. Every mark of disgrace, shame, dishonor in my life, Father take them away by your mercy, every sign and symptoms of shame and disgrace, reproach and dishonour in my life oh God according to your endless mercies terminate them forever remove them forever.

Everything that has happened or keeps happening to me that is promoting shame, disgrace and reproach in my life, let that thing stop right now in the name of Jesus. Let an end come to those things now in the name of Jesus.

⇒. Father, comfort me with signs and wonders in the midst of my struggles, pains and sorrows for I have suffered a lot, use miracles to comfort me. Father by your mighty hand, perform signs and wonders in my life to give me comfort in my sorrow, comfort for my pains, struggles and troubles. Father, perform miracles that will end my struggles, that will end my suffering and troubles, perform miracles that will comfort me.

⇒ . Lord let your will prevail according to your mercy in my life and situation, let not the will and the determination of the enemy continue to prevail in my life but let your will alone prevail now. Oh God according to your endless mercies, cause your will to prevail in this state, season, hour and age of my life. Let not the will of the enemy prevail because the enemy has been ruling my life for so long, he has been having his way for so long, Father let your will prevail now and let not the will of the enemy continue to prevail anymore. Help me Lord Jesus by your mercies.

VERSE 4

⇒. When God is angry with your prayers it means that the heavens will be closed over your prayers and none of your prayers will be answered, meaning you will continue to suffer without salvation and deliverance.

•Father, everything I am doing with my life that is attracting your anger upon me, oh God, deliver me from them and also from the wrong meditations and imaginations of my heart, from the evil thoughts of my heart. God of Israel, deliver me from every habit, attitude, action, behaviour thought, character that is attracting anger and not mercy into my life, oh God deliver me from these all, I repent of them, deliver me now in the name of Jesus.

⇒. The kingdom of darkness is making people worship God under the anger of God. They have manipulated the lives of people, polluted the church making people to worship and serve God under the anger of God. There are many things we are doing in the church that we think God is pleased with but He is very angry with those things. Something is missing in the church even in your life, is it obedience, the fear of God, faith, holiness, purity? Until you get the thing that is missing, your life might continue being under the anger of God.

•Father, every good virtue that is missing in my life and is not allowing me to be under your mercy, oh God of Israel send them into my life, release such virtues into my life. Father, everything that is missing in my life, everything that you want to see my life that is not there yet, oh God in your mercy put them in my life. I want to have that thing that will make you happy with me. That attitude, habit, nature or virtue that is going to make you happy and be pleased with me, oh God, I want to have it, put it upon me. Put that heart, commitment, desire, passion, and faith in me.

⇒. We do not need to ask for mercy while remaining in sin because God does not show mercy to sinners but to sinners who have repented. People who have become devoted sinners, God does not show mercy to them. You earn mercy by repenting.

- Father, destroy the love of sin and disobedience in my life so that I can remain under your mercy all my life. I want to be under your mercy and grace not under your wrath and anger, oh God destroy the passion of sin in my life, destroy the love for sin, love for darkness, love for worldliness, love for the things of the flesh, destroy such love from my life. Help me to repent genuinely and stop sinning in the name of Jesus.

⇒. The mercy of God is deep and mysterious. The mysteries of his mercy are so deep because it is in the mercy of God that you find covenants of God. There are some people who have received so much mercy in their lives that God now deals with them by covenant. A covenant is whereby God promises to do certain things and even when you make mistakes but because of His mercy He will still do that which He promised. God makes an everlasting covenant with a man because of His mercy because He knows your love for him, that you fear Him and you will not deny or disobey Him. He doesn't just make covenants with people who are rising and falling, people who have not proved to be trustworthy to God.

- Father, give me such a heart that loves you and fears you, so that I may enter into a covenant relationship with you. Give me such a heart that loves and fears you so that I will enter into a covenant relationship with you.

⇒. When God makes a covenant by telling you that as long as He is God, you will not lack anything it means you will never lack anything. The things now you'll be getting will not be by faith but by mercy, covenant is greater than faith and prayer. Meaning you won't have to pray or believe God for those things that God has put upon Himself to do for you by covenant, God will just do them for you. Not that you have to stop believing or praying but you just receive even without praying for them.

- Father, give me the grace to walk with you faithfully, correctly till I enter into the place of covenant with you. Lord Jesus give me the grace to walk with you in full commitment and faithfulness so that I can enter into the place of covenant with you, so that my generation and family can enter into the place of everlasting covenant with you that even when I am gone, the covenant will continue to live on and my children's children will continue to enjoy from that covenant. Oh God give me the grace to walk with you till I earn this.

VERSE 5,6

⇒. Father in whatever way I have fallen back, bring me back to yourself. In whatever way I am not serving you, worshipping you,, following you the way that I should, oh God correct and restore me. Correct me, restore me from any other way I am not doing the right thing, not serving you the right way, however way I have departed from you, departed from the truth and righteousness, oh God show mercy, bring me

back to your ways, standards, righteousness, holiness, Kingdom in the name of Jesus.

⇒. The Spirit of God is saying some of you are repenting as we are praying right now but your repentance is not serious because after the prayer session you are going to go back to those things you are repenting from now. You are only repenting because you want God to answer and appear in your prayers but God is looking for genuine repentance, a complete turnaround from your unrighteousness.

•Father every spirit that is weakening my soul and heart from repenting genuinely, Father let your fire arrest and destroy them. Every spirit, demonic influence, power of darkness that is making repentance a difficult thing to achieve and attain, oh God of Israel, let your fire and anger consume such powers now in the name of Jesus.

⇒. Raise up your right hand. In the name of Jesus, I come against every atmosphere created by the dark Kingdom around me so that they can carry out their operations successfully, let fire fall and consume them completely. Every atmosphere of darkness that has been created in my environment to facilitate demonic witchcraft and satanic operations, I command fire from heaven to fall and consume them all.

⇒. Pray with authority. I walk out of every realm of darkness that has limited me for years in the name of Jesus, I walk into the liberty that I have in Christ Jesus. Right now I walk out of every realm of darkness that has limited my life, destiny, calling, glory for years, I walk out of that darkness. I walk out of chains, captivities, limitations and I enter into freedom that is mine in Christ Jesus, I enter into the glory and victory that is mine in Christ Jesus. I walk out of operations of darkness, deceptions of darkness and enter into the light of God, into the place of dominion, into the place of victories in the name of Jesus.

⇒. Raise up your right hand. Father let the gates of heaven open now for the release of your blessings in my life. Let the gates of heaven open wide for the releasing of blessings in my life, blessings that will lead me to rise and celebrations, blessings that would lead me to my promotion, place of manifestation. Lord let the gates of heavens open and let there be excessive release of these blessings so that my greatness will appear.

⇒. In the name of Jesus, I disconnect my life from everything that will not lead to victory or success. I disconnect myself from every group that will not succeed, from every assignment that will not lead to victory, I remove my life and destiny from them. I disconnect myself from every business, every career that will not succeed, I disconnect from opportunities that will not succeed in the name of Jesus, Amen.

CLOSING PRAYER

Heavenly Father, we thank you because you are a faithful God. Thank you for your grace that you have lavishly poured out upon us. Thank you for your presence in this place as we prayed, thank you for the battles you won for us and the gifts and blessings you have showered upon us. Thank you for how you have destroyed the strongholds of sin and wickedness in our lives. Thank you Father, be glorified forever in Jesus' name.

Oh God of heaven and earth, God of the everlasting covenant, or God of Abraham, Isaac, Israel; God of our Lord Jesus Christ, I call upon you this hour that you look upon everyone reading this publication. Oh God look everyone in your mercy and let there be restoration now. I decree to every life, restoration now in the name of Jesus.

According to the mercy of God available for you, right now receive restoration of all that you have lost, receive them now in the name of Jesus. All that you have lost to the devil, sin and disobedience, I decree according to the mercy of God, receive them now in the name of Jesus.

What has never happened to anyone in your family, such glory and favour, such a lifting, promotion and exaltation, I decree in this month, heaven shall cause it to happen in your life in Jesus' name. The Lord shall single you out of multitudes for great glory. Let your life be singled out of multitudes for manifestation of great glory, great honour, great favour, great favour, great blessings, great testimonies and great celebrations, let it be so for you in this month in Jesus' name.

Every evil hand that is manipulating good things in your life, turning goodness into bad and into evil, right into wrong in your life, I decree by the authority of the Lord God of Israel, let such a hand be consumed by fire in the name of Jesus, let such a hand die and wither in the name of Jesus.

The direction of your life shall henceforth begin to align with the will of God. The journey of your life shall henceforth begin to align with the will of God in the name of Jesus. Every confusion and deception that has been set into your life to confuse your journey of life from following the path God has reserved for you before you were born, I decree that such confusion and deception is arrested and destroyed now in the name of Jesus.

You shall not die. Every spirit of untimely death that is following your life, I bind that spirit right now and I cast it out from your life forever in the name of Jesus. As the scripture has said, you shall not die but you shall live in the name of Jesus. Thank you Father because we know you have answered these prayers. Blessed be your Holy Name, in Jesus' mighty name it is done, Amen.

10 APRIL 2021

PRAYER POINTS

⇒. Father I am so grateful for everything I have received from you, everything you have done for me since the beginning of this year till now. Father, thank you for your wonderful love, great love, endless love. Thank you for your blessings, protection, mercy, divine provisions, victories, healings, deliverances and help that I have received, indeed you have blessed me with so much to count. Thank you Father for all that I have received from you. You have given me life joy, peace of mind, help in helpless situations, courage, comfort, encouragement, and strength, thank you. You have provided for me, I'm not begging for food, thank you Father. I am not in the hospital, not suffering any disease, thank you Lord. Thank you for I am not confused or deceived.

PSALM 80:7

⇒. What does it mean for God to be the Lord of hosts or the Lord of heaven's armies? Lord of hosts means that God is a warrior and He doesn't fight alone but fights with His hosts, all of heaven. There are no powers or principalities that can defeat the Lord of hosts because for each of the enemy's weapons, there are billions of weapons to counter that one weapon of the enemy. The Lord comes with so much force such that it is impossible for the enemy to overcome him. When God appears as the Lord of hosts, the enemy runs away because they will be helpless, hopeless and useless because their power is too weak and too small before God.

•Father, manifest in my life as the God of heaven's armies, as the Lord of hosts and let there be victories. Father, appear in my life and situation as the God of hosts, the Lord of billions of hosts, the Lord of innumerable hosts, the God of uncountable hosts, appear now in the midst of my life as the Lord of hosts and let there be overflowing victories for me. Appear now Lord Jesus for you are the Lord of hosts, appear in my situation.

⇒. God is the Lord of hosts means He is greater than the satanic hosts and hosts of darkness. If we are talking of numbers He's more than them in numbers. If talking of power He is more than them in power. If talking about strength and wisdom He is greater than them.

•Father, manifest in my life and situation as the Lord of hosts and show the enemies of my life, the witches and wizards, witchdoctors; let them see how weak they are, that they are nothing and that they have failed. Father manifest yourself as the Lord of hosts in the midst of my battles and let my enemies begin to see how weak they are. Let my enemies see you and begin to run, let all the enemies of my destiny see you and fade away in the name of Jesus. Appear now Lord Jesus as the Lord of hosts in the midst of my life battles and let the enemy see how weak they are, show them that they are nothing but failures and losers.

⇒. For just a single weapon of the enemy, there are so great weapons in heaven to fight just that one weapon of the enemy. The enemy cannot breathe at the appearance of the Lord of hosts.

•Raise up your right hand. Oh God of heaven's armies, move in my life and break in pieces the strength of darkness that has been prevailing in my life, break the strongholds of darkness and move right now Lord of hosts. Move in my situations, break the necks of principalities and powers, break their strength, their weapons, strongholds and strength of the enemy that has been prevailing over my life and destiny, Lord move now for I know you are a mighty warrior, a terrible God, a consuming fire, move oh God of heaven's armies and destroy the strength of the devil that has been prevailing over my life, soul, spirit and body. Father, destroy their powers, authority, septor, influences over my life break them Father in Jesus' name.

⇒. When we say God of heaven's armies we mean that He is too much in all things. He's too much in power, strength and victory. What the enemy has in small measure, He has them in excessive uncountable measures. There is nothing that heaven has that is little, everything that heaven has is in excess. Eternal life, healing, wisdom etc is all in excess.

•Oh God of heaven's armies, magnify yourself in my life, multiply yourself in my life, replicate yourself in my life until the enemy has no room to stay, until darkness has no room, no standing point in my life. Oh God of heaven's armies, magnify yourself in my life, multiply your power, strength and glory in my life, until there's no more room for darkness, limitation, weaknesses and oppressions, multiply until darkness begins to flee. Oh God of heaven's armies, magnify yourself in my body, my soul, spirit until darkness has no roots anymore, until darkness has no place to stay, until sickness, disease, pollution and limitations have no place to stay in Jesus' name.

⇒. Angels have the ability to reduce or shrink themselves into a tiniest particle so as to enter into anything. Angels can become so little such that they can penetrate into the cells of your body, they can penetrate into anything to carry out their operations. This is what we call the Lord of hosts. The Lord of hosts can also enter into your body or spirit and spread out into all your life to carry out divine operations. Heaven already has a great package for your deliverance, healing and salvation, that's if you allow God to deliver you.

•Oh Lord of hosts, enter into the depth of my life and spread into the depths of my life and begin to deliver me from every captivity of darkness. Oh Lord of hosts, enter into the depth of my life, calling, body, soul and spirit and begin to deliver me because you are the Lord of hosts and there is nothing Impossible with you. There is no place you cannot enter, no realm no you cannot enter and prevail, oh Lord of hosts, penetrate into the depths of me, into every part of my life, enter therein and begin to deliver me. Oh Lord of hosts enter into my life and destroy every hidden poison of darkness in my blood. Oh Lord of hosts penetrate into every organ of my body, into every part of me and let every unclean thing buried in my life be destroyed. Every hidden darkness, captivity, problems of my life, penetrate oh Lord of hosts into my depth and begin to deliver me from them all, enter into the depth of me and save me Lord Jesus, heal me, deliver me in Jesus' name.

⇒. I don't know how passionate you are for deliverance, for God to change your life to the way He wants it. If you are passionate there is so much in God for you right now to change your life. You will not see change until you are desperate for change.

•Pray with desperation and great passion. Oh God of heaven's armies, visit my life with the fullness of your armed forces and change my life to become the way you want it, change me to become the person you want. Lord visit me with the fullness of your armies, with all your hosts and change my life. Oh Lord of hosts visit me, change my life, let there be a new beginning, let there be restoration and deliverance. Lord I do not want to continue in defeat, failures or limitation; I want a change and I know only you can do it. I want a change of story, I want to tell a new story, I want to testify of your power. Oh God of heaven's armies, visit my life and change it, give me a new beginning.

⇒. Most of us are comfortable with the little, with nothing and despite that you keep doing the same thing. You are not desperate for change but when you are desperate you change what you are doing, you start doing something different and serious because you are tired of your situation. If all your life you have been eating and drinking and nothing has been changing, why not engage in long fastings and prayers, change how you have been praying to see change. Sometimes when you want something from God you have to change your approach. You now become desperate and say, 'God I will not stop doing this thing until you help me.'

•Father, make me uncomfortable with limitations, failures, unanswered prayers, with the present situation of my life until I rise to the top, until I rise to where I am supposed to be. Lord, make my spirit, soul and body uncomfortable with little, stagnation, failure, defeat; Lord I want to be uncomfortable until I possess my possessions. Oh God, I do not want to be comfortable until I become who you want me to become. Father, take away comfort from me until I reach forth to get all that you have for me at this time.

⇒. It dawned on Jacob when he met the angel of the Lord that he could hold on to him and beg him until he blessed him or to let go of the angel and die a failure. And he chose something different. How have you been praying?

•Raise up your right hand. Father let tonight mark the end of limitations in my life, oh God give me a breakthrough that will change my life, that will set me on the path of destiny fulfillment. Oh Lord visit me as you visited Jacob and his life changed and was never the same. Lord, I want a shift in my life, visit me right now, let tonight mark the end of backwardness, failure, stagnation and limitation. Let tonight mark the beginning of a new glory in my life. Lord give me a new name, you changed Jacob to Israel; visit me and give me a new name, a new beginning, a new glory. Lord, I am desperate for change.

⇒. The name of the Lord of hosts, God of heaven's armies means that there are specific angels for specific missions in the earth or in your life. And those angels

have been trained to carry out specific assignments and they don't fail in those assignments neither do they make mistakes.

•Oh God of heaven's armies, authorise your angels, send your angels to carry out specific assignments that will lead to my breakthroughs, fulfillment of my calling and destiny. Oh God of heaven's armies, assign your angels, dispatch your angels, send your angels on specific assignments that will lead me to the breakthroughs I need at this time, that will get me the breakthroughs I need at this time. Send your angels on assignment for the manifestation of my present breakthroughs and solutions in the name of Jesus.

⇒ .2 Kings 6:15-18. Many times we are surrounded by God but we do not feel Him . Most times we have what it takes to win battles but we do not know because you are blind spiritually.

•Father let me be awakened to know your greatness, the greatness of your power in the battles that I fight, oh God of heaven's armies, let my eyes be opened to see and know your greatness in the midst of the battles of my life so that I can see your victory. Father let me be awakened, let my eyes be opened, let my understanding be enlightened, let me be able to see that there is more on my side than on the enemy's side. Lord let my eyes be opened to see and know that those with me are much more than those with the enemy.

⇒ . Elisha was given such an authority that could make things or miracles happen instantly on earth. One of the secrets of instant miracles is to have the ingredients and raw materials of miracles around you. The armies of heaven are the raw materials, they are the workers of miracles. When there is a presence of heaven in your life, the one similar to the one of Elisha's then miracles become a daily thing in your life.

•Father, establish and enthrone in my life such a presence of you that commands great miracles, victories, signs and wonders on earth. Oh God of heaven's armies, establish with me, around my life, in my ministry and calling such a presence of you, a presence of angels, presence of horses and chariots of fire, presence of power and authority that commands great signs and wonders, great miracles in the earth. Lord, establish such a presence that commands great victories in Jesus' name.

⇒ . When we have HEAVEN here on earth, AS HEAVEN IS IN HEAVEN, then we will not struggle at all to have prayers answered. Elisha asked the Lord to make the Syrian army blind and immediately they were blind because there was such a presence with Elisha that could make anything happen on earth. Your life needs such a presence of God at this time.

•Father let your presence in my life become greater than ever before, let it become powerful and glorious so that I can have answers to prayers, no can victories in warfare. Lord, I know you are present in my life but I want your presence to become powerful in my life, let your presence become glorious, greater and greater than what

I have ever known before. Oh God of heaven's armies, make your presence greater, glorious and powerful in my life from today onwards that I may have answers to prayers, have victories in battles and possess my possessions.

⇒. Father let great confusion fall upon the hosts of darkness attacking me, let a great terror fall upon the hosts of the dark kingdom attacking my life, send confusion upon them. Send confusion and terror upon the hosts of darkness that have mobilized themselves against my life, calling and destiny and let them scatter. Let them see terror and scatter, let them be confused and kill each other in the name of Jesus.

⇒. Weakness is an enemy to breakthrough, victory, and new beginnings that is why you must not be weak at this time.

•Father destroy every root of weakness that has stopped me from moving forward in destiny, that has made me comfortable with failure, low-level, spiritual immaturity, comfortable with the valley and not moving on to the mountaintop, oh God destroy such weakness right now in the name of Jesus. Father, every weakness that has made me comfortable with less instead of abundance, comfortable with spiritual stagnation and defeat, oh God, destroy them all, uproot such weaknesses from my life. Every weakness that has made me not to press forward to become who I am supposed to be, oh God deliver me from them all in the name of Jesus.

⇒. There is one thing that you will do and your life will be transformed forever and there's also one thing that God will do and things will begin to move forward in your life. It's not only about what God will do that will move you forward in life, it's also about you doing something, doing your own part.

•Father strengthen me to begin to do that particular thing that will launch me into greatness, breakthroughs, victories, success and great achievements. Strengthen me Lord Jesus to begin to do that thing that will become a stepping stone to my greatness. All that I am supposed to have done but I have not done up to today, Lord let me begin to do them so that I can move forward in life. Help me Lord Jesus to do all I have to, to experience new beginnings, new glory, great victories, and great achievements in my life, oh God enable me in the name of Jesus.

⇒. There is an anointing in this ministry that changes lives but there are very few people who have discovered it and most people have not yet discovered it. The reason why you can be very close to an anointing and that anointing doesn't work for you, is if your heart does not embrace what God is doing in that ministry, revealing or saying, exposing to you through the teachings, if you have not accepted the standards and surrendered to those standards of God, the anointing in that ministry will not work for you. Some people are enjoying victories and favour through the anointing in this ministry because they have embraced and agreed with the truth we teach that is why God is blessing them, while others are not being blessed because they haven't embraced what God has been doing and saying in this and through this

ministry. There is no shortcut to victories and breakthroughs, if you cannot accept God's standards you will not see God work in your life as he should.

•Father help my heart to agree and obey with every truth that you have revealed to me in this ministry. Lord help me to believe, agree with the truth that you have revealed through your servant, every standard you have set in place oh God help me to believe, obey and agree so that I can have victories and receive the blessings that comes with this standard, help me Lord Jesus.

⇒. Father manifest yourself in my life and let my darkness turn to light. Lord glorify yourself in my life, let my darkness be turned to light, that my negativity become positivities, so that impossibilities become possibilities. Manifest yourself in my life, turn my darkness into light so that my problems will become solutions, my problems be turned to miracles and testimonies. Lord manifest yourself and turn my darkness into light.

⇒. Lord Jesus let nothing be hidden to me that I need to see at this time, the things that I need to see at this time, let them be revealed. Father let none of the things I need to see into but are hidden to me, Lord reveal them all that I might see. Reveal all that I must learn, all that I must know in you at this time, lord reveal them to me by your spirit. Let me not be ignorant of these things in the name of Jesus, Amen.

CLOSING PRAYER

Father, we thank you because you are so faithful. Thank you for your grace, mercy, loving kindness. Thank you for revealing yourself to us as the God of heaven's armies, the Lord of hosts. Thank you for showing us how much we have in You that the enemy does not have. Thank you for showing us the greatness of your power and victory that is far greater than the enemy's and troubles confronting us. Thank you Father be thou glorified forever in Jesus' name.

Oh God of Israel, your people have prayed, they have cried unto you. Lord, I ask that you meet everyone at the point of their needs right now in Jesus' name. As you have cried out in desperation, trusting God for a change in your life, I receive for you that change right now in the name of Jesus. That you new beginning, transformation that victory you seek at such a time as this, I receive them for you now, receive them now in the name of Jesus.

Whatever has stopped you from growing, prospering, succeeding, making progress for so long, I come against such a thing. I decree a destruction from heaven to come upon it right now in the name of Jesus.

I speak over your life that from today you shall move forward and you shall fulfill your destiny. You shall rise to manifestation in destiny and calling in the name of Jesus.

What has been an impossible thing to you by reason of the anointing of the Lord in this ministry, it shall be no longer impossible anymore in the name of Jesus. Because you are here in this prayer session, what used to be impossible shall no longer be impossible for you.

The realms of God's glory and power you have not been able to attain, by the reason of the anointing in this meeting tonight, you shall be lifted into those realms now in the name of Jesus. The realms of miracles, healing and victory, you are lifted right now into those realms in Jesus' name. Thank you Father because we know you have answered, in Jesus' name it is done, Amen.

Don't forget what I said about desperation. Until you're desperate for change it might never come till your old age. If you are desperate for change you must take a step you have never taken before, you must begin to do what you have never done before to see God, to beg God for a change in your life, the Lord bless you, Amen.

PRAYER POINTS

⇒. Father I thank you because your plans and thoughts for me are good and not evil, according to Jeremiah 29:11. Lord, I thank you because you have great plans for my destiny, you have designed a glorious destiny for me even before I was conceived in my mother's womb. Thank you Lord that despite what the enemy is doing against me, you have designed something glorious, you have good thoughts and plans for my life. Lord, I thank you because you are thinking good, you are thinking about lifting me up, changing my life, rewriting my story and giving me a new beginning. Thank you because you are thinking about fighting my battles and giving me victories. Thank you Jesus for the good thoughts you have for me.

PSALM 80:8

⇒. If the Lord successfully rescued the Israelites from the bondage, from the grip they were in in Egypt, surely He is going to deliver you. The Lord told me that He wants to deliver His people, the same way He delivered the Israelites from Egypt. •Father, as you brought out the Israelites from the captivity of Pharaoh in the land of Egypt, oh Lord this is my life, stretch forth your mighty hand and release me from every captivity that is stopping me from the promised land, stopping me from moving forward, Lord deliver me now. Father reach forth to me by your mighty strong hand, as you did in those days, deliver me from every captivity that is holding me hostage, holding me bound, stopping me from making progress, from entering into the manifestation of calling and destiny oh God deliver me.

***Right there in the midst of the strong bondage of the enemy that you are in, let the hand of God, the shepherd of Israel, the King of glory, reach out to you right now and pull you out in the name of Jesus.**

⇒. God saw something good in the Israelites even when they didn't see anything good in themselves. Even though you might think what is special about me, good or

unique about me, God is seeing something good about you and in your life and He has plans for that good.

•Father, I am your grapevine, your treasure, your plant, I am your seed, oh God pick me up and plant me in that place where I will grow, pick me up and establish me in that place where I will flourish and prosper. Lord I am your plantation, your weapon, your seed; pick me up, establish me, pick me up and invest in my life, pick me up and help me, raise me up so that my life can be prosperous and fulfill destiny. Lord as you plant transplanted the Israelites, you can do the same with my life. Lord plant my life where I will flourish, prosper and ascend into greatness. Lord plant me now as you did to the sons of Jacob, I am your son help me, I am your child, help me oh Lord in Jesus' name.

⇒. There's something good in you that God is looking at. A drunkard, an adulterer or a fornicator can be the best in God's hands, they can be a glorious person in God's hands. God is not looking for good people, He's looking for people who want to be good because He is ready to make their lives better and great. Don't condemn yourself or look down on other people because there's something in you and in those people that heaven wants to use and help flourish.

•Father let every light, every good, every good gift that remains in me, Father help that light shine. Lord every love that remains in me to love you, help that love to grow and to shine. Lord every virtue, beauty and goodness, fruit of the spirit that still remains in me, Lord bless it so that it can be great, help it so that it can grow and bear fruit into your kingdom in the name of Jesus. Lord look at me and make good use of my life according to your plans for me. Lord the treasure that is in me, the treasure you have placed in me, help that treasure to rise and shine, to prosper in the name of Jesus.

⇒. You might be trying to adapt to the situation in your life because you feel like you have prayed and there's no change. The good news is that God has a plan if you can believe. Do not agree with the slavery or defeat and whatever the devil is doing that is not God's doing.

•Father I disagree with every situation the devil has created and established in my life, I disagree with every slavery that the devil is enforcing upon my life and destiny, Lord stretch forth your hand and pull me out so that your plans can be fulfilled in my life. Lord deliver me now from the slavery because this is not your plan for me. Slavery, bondage, captivity, oppression are not your plans for me, therefore Father reach forth your hands and deliver me so that your plans can be fulfilled in my life. Lord as you did for the Israelites, do the same for my life. I disagree with failure, defeat, stagnation, limitation, downfall and backwardness but I am ready to enter into your plans for my life, deliver me now in the name of Jesus. ***Receive your deliverance right now in the name of Jesus.**

⇒. From the place of bondage to the promised land, there are battles to fight, and God was there fighting for the children of Israel. God is also here and He is going to fight for you because it is time for you to be planted in your promised land.

•Raise up your right hand. Oh God of Israel arise and drive away every power, principality, kingdoms of darkness that are standing between where I am right now and my promised land. As the heavens are open right now, let fire begin to rain upon every kingdom of darkness, power, serpent, principality, spirit of darkness standing between me and my promised land in the name of Jesus. Let fire consume and roast every darkness standing between me and my breakthrough, establishment, success, prosperity and greatness. Fire of the Holy Ghost consume them all right now in Jesus name.

⇒. The Lord told me that the same miracles He did to remove the children of Israel from Egypt and plant them in the promised land, He wants to do the same miracles in these last days, to deliver His church and establish it. There is going to be a series of miracles, not just one miracle, just as there were a lot of miracles for the Israelites so will it be now.

•Father let your power fall upon my life and let miracles that will take me into my promised land begin. Lord let the season of miracles begin now because it is time for me to be removed from limitation and slavery and be planted in the place where you want me to be planted. Father let your mighty move that will shake the heavens, shake the earth, shake under the earth so that I will enter into fulfilment of destiny, let that move begin right now. Let those miracles begin now in the name of Jesus.

⇒. God wants to perform miracles in your spirit, soul and body. Most people think miracles only happen physically but there are a lot of miracles that happen in invisible places. Your mind, soul and spirit are invisible and there are a lot of miracles that happen there that we do not know.

•Raise up your right hand. Father move in my spirit in my soul, move in my body and begin to wrought miracles, begin to perform miracles that will make my life look the way you want it, Lord do these miracles now. Oh God of heaven and earth, in my spirit wrought your miracles, in my soul wrought your miracles, in my body wrought your miracles so that I will begin to look exactly the way you want, so that my life will begin to appear exactly the way you want it to. Begin the miracles now Lord Jesus that will prevail in my spirit, soul and body for the perfection of your will. For the manifestation of your plans and purposes oh God let the miracles begin now in the name of Jesus.

⇒. The Lord is telling me that some of you are still far behind from the level you're supposed to be by now. Not what God wants to do in the future but what should have already happened by now. The level where you are is so far behind from the one you're supposed to be at.

•Father, move quickly in my life and do miracles that will speed up my growth, manifestations that would destroy delay in my life, move quickly and let those

miracles begin. Father, move quickly in my life and do miracles that will translate me, miracles that would destroy delays in my life and translate me from where I am now to where I am supposed to be now. Lord let the miracles that will take me from the level I am right now to the level I am supposed to have been by now, let them happen quickly. Lord speed up my growth and manifestation at this time, speed up my success for this time, speed up my progress at this time, speed up my prosperity and blessings meant for me for now.

⇒. Take note of that verse where it says my land. Meaning that the enemies who occupied those lands were in the indigenes of that land. By physical right the land belonged to them but spiritually the land belonged to the Israelites because of the promise made to Abraham. The earth is the Lord's and the fullness thereof; these nations were occupying the land which God had already promised His children. Maybe some people, organisations or companies are occupying the land that God has already prepared for you, and you do not need to have legal documentation for what God says is yours.

•Raise up your right hand. Father as you drove away the pagan nations so that the Israelites can be planted in your land, oh God begin to remove and drive away every occupant of places and positions that belongs to me. Lord by your mighty hand begin to uproot and drive away whoever and whatever is occupying places and positions that belong to my life and destiny. Lord as you did for the children of Israelites, oh God of the everlasting covenant move right now and begin to remove every occupant that is occupying places, positions, properties, resources that you have given to me, Lord begin to remove them now and plant me in your land in the name of Jesus.

⇒. When God began to reveal about His Kingdom to me, I discovered that God and the Kingdom of God are troublemakers. If God is not a troublemaker why would He promise a land to His people that has already been occupied by people who pioneered that land? Why would God promise you a property which is already legally owned by some people? The Kingdom of God is here on earth to make trouble and cause trouble. Matthew 11:12, the Kingdom of God is forcefully advancing. God is ready to fight for you, He's ready for troubles and battles. If God said it He will do it even if He has to cause trouble or destroy things for you to have it, He surely will.

•Father let your Kingdom descend upon every establishment of the enemy that are against the fulfilment of your purposes for my life, destroy them. Let your anger descend upon everything the devil has put in place, in position to ensure that God's will is not done in my life. Let your anger begin to consume everything the devil has put in place, be it people, governments, things, laws, policies to ensure that God's purposes are not fulfilled, oh God arise and begin to judge them, arise and begin to uproot them now in the name of Jesus.

⇒. God has never done any miracle on earth without a reason. God would want to do miracles in your life according to His plans and purposes for your life, not

according to what you want. If you have been looking for a miracle and it has not yet happened maybe you have not yet discovered God's plan for your life, hence you are not walking towards that plan. God did mighty miracles because He wanted to fulfill a promise He made to the ancestors of the Israelites.

•Father, reveal to me the depth of your plans, will, purpose and details of your plans for me so that I may be able to claim the miracles, that I may know these plans to claim the miracles that will ensure the manifestation of those plans. Oh God, expose to me your plans that I may walk in them. Let the reason why I was born be revealed to me so that I can enjoy your power that makes them happen, so that I can encounter the power that makes these purposes happen. Oh God, open my eyes to see into your plans for my life that I may encounter power and anointing that makes these plans come to pass. Open my eyes, open my understanding in the name of Jesus.

VERSE 9

⇒. God gave them a ready-made blessing. You can read from exodus up until they reached the promised land to understand the story. They were eating from vineyards and farms they did not plant, there were ready houses for them and great wealth for them. Many things that took long for these people to establish, the initial occupants of the land to build, but the Israelites just went in and started to enjoy what they did not work for. This is what God wants to do right now, He wants to give you ready-made blessings.

•Raise up your right hand. Father as you gave the Israelites ready-made blessings, blessings they never worked for riches and wealth they never worked for, Lord let the heavens open now and let those blessings begin to fall upon me. As you cleared the ground for them and gave them quick establishments, oh God of Israel, let the heavens open and let the same happen to me. Ready-made blessings so that I can fulfill destiny, so that I can carry out your assignment on earth. Ready-made blessings, beautifully packaged blessings, riches, wealth, resources, and properties that are ready made, Lord let them begin to visit in my life, let them begin to appear in my life not because of myself but because of your covenant to me.

⇒. The way God is going to be doing these things is going to be different from the way He did it in the old testament. For example, maybe a rich person who has 15 companies and this person will come to you and say they like what God is doing in your life and would want to give you 10 companies because so you can fulfill destiny easily or somebody built their own house and they say God has asked them to give you that house. These are blessings which are already made whereby you do not have to start from ground zero to have them, but God would have already done everything for you, all you have to do is take it because He has great plans for your life.

•Father in your mercy, hand over to me ready-made blessings so that I can fulfill my calling and destiny quickly at this time. Hand over to me blessings, positions that you have already perfected, that you have already finished so that I can move forward

very quickly at this time. Father, hand over to me the blessings that you have already taken time to build, furnish and complete and bring me into these blessings. I want those blessings, hand them over to me so that I can fulfill my calling quickly at this time.

⇒. Some of you are living in countries where you feel your country only favours a certain type of people. You might feel your country only favours whites more than blacks, others feel your country favours blacks more than whites. That might be true physically but according to the Word of God it's not true because God planted the Israelites in countries where there were strangers and foreigners and they took root and filled the land. If you can trust God to establish you, you do not need a racism mentality mindset for you to be blessed. When God decides to fight for you, you will be established in your own(or that) country despite.

•Raise up your right hand. Father you planted the Israelites in a foreign land and they took root and filled the land, oh God plant me in this country that I am in, let me take root and let me fill the land. Plant me oh God in that country where you want me to be (if you feel you are supposed to be in another country) let me take root and fill the land. Lord as you did for the Israelites, how they were established even in a strange land and took over the governments of those lands, Lord do the same way for me so that I take root and be established in this land. Lord take this land for me, give it to me so that I prosper and succeed in this land in the name of Jesus.

⇒. God gave them so much power and authority such that nothing was impossible for them and they could get whatever they wanted. I believe God is giving power to the Christians to get what they need, things that are so important to their destiny and calling.

•Father as you gave the Israelites, the Kingdom of Israel the power to get everything they need, oh God release upon my life right now the same power. Lord as you gave the Israelites the power to possess, have, and own whatever they needed, oh God let that power be given to me right now in the name of Jesus. Such power that there will be nothing that I need, that I would not be able to get even when the situation of my country does not allow that. Lord the power to command everything that I need, the power to possess everything I need, as you gave to the Kingdom of Israel, Lord give it to me right now for I am in your Kingdom in the name of Jesus.

⇒. Lord, awaken me to the realities of my divine identity in you. Awaken my spirit, soul, understanding; awaken my mind, my brain to comprehend my divine identity in you, Lord I want to know who I am in you not who I think I am, not who people think I am. I don't want to know what my parents say I am, what my friends say I am but I want to know who you say that I am in you. Oh God of Israel, let me be awakened to this fact and reality in the name of Jesus.

⇒. You need to know who you really are because what you think you are is not who you are at all.

•Father, make use of dreams, visions, prophecies and revelations to show me revelations of who I am in you. Father make use of divine revelations, angelic ministrations, divine visitation and angelic interventions to show me who I am in you, to know who I am in your plans for the last days. Lord, I want to know, begin to show me, open my eyes and open my understanding in the name of Jesus.

⇒. Most of us are limited to fulfilling destinies because of the approach we have to the kingdom of God or not having the right mindset towards the kingdom of God. Some of us consider the Kingdom of God as the second on your list. Jesus spoke of a parable of a man who found a pearl in a field and sold everything he had just to buy that field. The Kingdom of God will only further a man who has forsaken everything and considers everything as nothing and useless, and begins to pursue the Kingdom. When you have such a mindset there's nothing God will not give you.

•Father, give me a heart that raises the things of your Kingdom above everything in this world. Give me such a heart that considers you, your kingdom, and righteousness above every other thing in this world, above my own life, my possessions, my breath; give me such a heart. Lord give me such a heart that is ready to sell everything that I have to buy the Kingdom of God, a heart that is ready to forsake and sacrifice, surrender everything so that I can buy the Kingdom of heaven, so that I can win the heart of God. Oh God, give me such a kind of heart.

***You need to pray this prayer a lot in your prayer closet because until you have such a heart you might not receive some of the blessings you have been praying for. And God is going to test you and if you keep failing He will not do what He wants to do.**

⇒. Lord make your will known to me especially what you want me to do for you now, the assignment you want me to do for you now. What is the assignment you have called me to do at this time? What is your program for me in these last days? Lord what is my own place in the body of Christ? Show me my own place so that I know I will be of help in the body of Christ. Oh God, reveal your will to me. What is it that I have to do now? Open my understanding, open my eyes to see and help me to discover in the name of Jesus.

⇒. Some of you are very weak in fasting that is why you have not seen miracles, that is what the Spirit is saying.

•Father, give me the grace and strength to fast so that I will experience all that you have for me in this season. The grace to go without food and water until I receive the promise of God. Lord give me that grace, help me, I am ready now, give me the grace now Father.

⇒. Father take away from my life every garment the enemy has placed upon me, Lord remove the garment and let it catch fire right now in the name of Jesus. Father every garment that you have not placed upon my life, let them be removed from my life, let fire consume such garments right now in the name of Jesus. Every garment of pain and sorrow, shame, reproach, hardship, suffering and poverty, let fire

consume them now. Every garment of slavery, captivity, oppression let fire consume them now in the name of Jesus.

⇒. Place your right hand on your head. Father, fill me with the anointing, pour upon me the oil that will speed up my manifestation in calling and destiny. Lord let your oil begin to flow from my head downward right now in the name of Jesus. The anointing that will help and enhance my manifestation in destiny, let it possess me, let it enter into me in the name of Jesus. ***Receive the anointing in the name of Jesus, it is done in Jesus' name, Amen.**

Every repetition of failure, troubles, hardship, sufferings in your life, I come against them right now in the name of Jesus. I decree they are permanently terminated right now in Jesus' name.

Every name that the devil and the enemy has given to you that is not your name, every negative identity that has been given to you by the enemy and that is not what God calls you, I speak right now with the authority of the most high God and I decree that, that identity is cancelled now from your life in the name of Jesus. They have called you barren but I decree but you are no longer barren but you are now fruitful in the name of Jesus. They called you cripple because you have no good legs, no legs; I by the authority of the Most High I change that and I declare you healed I declare you moving forward.

Every poison of darkness that entered into your body system, I decree with the authority of Jesus, let that poison come out right now in the name of Jesus.

Every power that has determined to frustrate your life and destiny, princes of darkness, strong men and women of darkness that have determined to frustrate your life and destiny, I declare right now, let the angels of the Lord go after them and begin to defeat and persecute them in the name of Jesus.

The Bible says, God will contend with those who contend with you, therefore from tonight, let heaven begin to contend with every kingdom of darkness contending with your rising. Every Kingdom of darkness contending with your success, progress, testimony and blessings, let heaven begin to contend with them now in the name of Jesus.

You shall fulfill destiny, whether the devil likes it or not. You shall be planted into your promise land, whether the devil likes it or not. You shall possess your possessions, whether the devil likes it or not. You shall be strong and victorious, whether the devil likes it or not, you shall testify whether the devil likes it or not because the Kingdom of God has come upon you and the devil has failed and so shall it be in the name of Jesus. Thank you Father because we know you have answered these prayers, in Jesus' name I have prayed, Amen.

⇒. Raise up your right hand. In the name of Jesus, I take authority over every cloud of darkness that has formed over my life and situation to rain evil, let the fire of God

roast them, let them be melted by fire. Let fire begin to melt every cloud of witches and wizards, cloud of evil darkness that has formed over my life to release evil, melt by fire in the name of Jesus. Be rolled off by fire, be removed from my life by fire in the name of Jesus. Clouds of darkness melt by fire in the name of Jesus. ***As you have prayed, it is done in the name of Jesus.**

⇒. Raise up your right hand. In the name of Jesus, I command every arrow of darkness targeted against my life, arrow of darkness on assignment against my life, I command you to backfire right now, turn back to where you are coming from in the name of Jesus. I come against every arrow targeted against my finances, health, marriage, success, progress, career and peace, I command you to backfire in the name of Jesus, turn back to where you're coming from, turn back to your senders in the name of Jesus.

⇒. Father take me into the depth of your fire, spirit, soul and body into the depth of your fire and let me be released from every captivity of darkness, let me be permanently delivered from every captivity of darkness. Father baptize me into the depth of your fire even into your hottest fire, Lord take me deep down into your fire and let every captivity of darkness be destroyed in the name of Jesus. Lion of Judah, manifest and destroy every captivity of darkness prevailing in my body, soul, spirit; Lord let them be destroyed now as I am in the depth of your fire, let them break in pieces in the name of Jesus.

⇒. Father let your mighty hand work in my life, let your mighty hand move in my life and let every stronghold of the enemy be destroyed, let the strength of the enemy over my life be destroyed. By your mighty hand, move in my life and destroy the strongholds of the enemy prevailing in my life. Destroy the strength of the enemy that is over my soul, my destiny, and spirit, let your mighty hand crush them now. Every stronghold the enemy has established in my spirit, soul and body, Lord let your mighty hand crush and destroy them now in the name of Jesus.

⇒. Strongholds are real and they are what makes the enemy prevail over you. The presence of that thing in your mind, soul and spirit is what is making the enemy stronger than you such that when they knock you on the head you bow. Until that stronghold is destroyed you will never be stronger than the enemy

•Place your right hand on your head. In the name of Jesus, I expose every stronghold of the enemy in my life, body, soul, mind, heart and spirit to the fire of God, let them be destroyed now in the name of Jesus. I expose your stronghold of darkness in my spirit to the fire of the Holy Ghost, be destroyed in the name of Jesus. I expose the stronghold of darkness in my life and destiny to the fire of God, be destroyed right now in the name of Jesus. I refuse to be defeated, enslaved and weak in the battles of life. Every stronghold fueling weaknesses in my life, every stronghold sponsoring and promoting suffering, shame, weaknesses, defeat and slavery in my life catch fire in the name of Jesus. ***Every stronghold that has been**

established in your life, making you a slave to the dark kingdom, making you to lose in the battles of life, I command that stronghold to be uprooted permanently from your life right now in Jesus' name.

⇒. The Lord is showing me that some of you are crawling when you are supposed to be flying. Crawling is the worst state you can find yourself in. When you are walking, there is hope that you will reach your destination one day but you're not walking or even running, you are crawling.

•Raise up your right hand to heaven. Father every spirit that has paralyzed me, my life and destiny from reaching the destination you have for me, from reaching the destination where my calling is fulfilled, oh God of Israel, let your fire consume them. Every spirit that has paralyzed me, paralyzed my progress, spiritual growth, spiritual advancement, financial growth and calling, ministry, and destiny, I command fire to roast them up in the name of Jesus, catch fire in the name of Jesus. You spirit that has held me down to a spot for years, I expose you to the fire of the Holy Ghost, be destroyed right now in the name of Jesus. Lord deliver me from every spirit of paralysis that has paralyzed my destiny from rising to fulfillment, oh God of heaven and the earth, let such a spirit be destroyed now in Jesus' name.

⇒. Fulfilling your destiny is as important as the breath in your nostrils. For me, I do not see any reason why I should continue to live if I am not fulfilling destiny because I believe I am here because I have a destiny to fulfill. Do not be comfortable if you are not fulfilling destiny.

•Father have mercy on me and let me not leave a wasted life, help me to rise to fulfill the purpose for my existence. Father, I refuse to pass through the world unfulfilled. Lord have mercy on my life, help me to rise to fulfill destiny, to become who you sent me on earth to become, I don't want to fulfill 5% of my destiny but to fulfill it as it is in your book in heaven, as it is in your plans for me. Lord have mercy on me and help me, I refuse to live below the expectation of heaven for my life, the expectation of your kingdom for my life. Lord I want to live a fulfilled life, help me Lord Jesus I want my life to impact my generation.

⇒. Prayer is not mechanical, whereby it's not according to the flesh, it's not what you do according to the flesh, or what you do because somebody is telling you to do but prayer is a spiritual exercise meaning your heart must be in the prayers you pray. Your heart must be in the words you are speaking and such a prayer will be a heartfelt prayer that is coming from deep in your heart, whereby you are passionate and desperate for your touch. These are the prayers that move the heart of God. Prayer is deeper than words; it is a product of your heart and spirit.

•Lord let my life begin to produce the results that you and heaven are looking for. Father let my life begin to yield the fruits you are looking for, to produce the results you want to see from my life. Father, help me and enable me to begin to produce the results you want to see in my life. Help me to shine the light you want for my life to

produce the impacts you want for my life, the change you want for my life. Lord as you commanded light to shine out of darkness, oh God command light to shine out of my life. Lord irrespective of my situation or how much the devil has done in my life, oh God, command your light to shine from my life, command results to come out of my life. Let me begin to produce the results you want to see in my life.

⇒. Oh God of heaven and earth, from today make it easy for me to become who you have called me to be, who you have sent me here on earth to be, to become what you have sent me here on earth to become. Oh God of heaven and the earth, from today let it be easy for me to fulfill destiny, let it be easy for me to be who you want me to be, let everything around me begin to allow it, begin to support it. Let everything you have created begin to support, agree and permit me to be who you have sent me to the world to become in the name of Jesus. Put upon me an anointing that will make it easy for me to fulfill my destiny.

⇒. In the name of Jesus, I disconnect myself from every direction, from every path that is against the fulfillment of my destiny. I remove myself from everywhere I am walking on that will not lead me to the fulfillment of my destiny. I come out of every way that will not lead me to fulfill destiny, I disconnect myself, spirit, soul and body from every connection, direction that is leading me against the fulfillment of my destiny and calling. I disconnect my life now from such path and direction in the name of Jesus.

⇒. Father let your honour rest upon me so that I will rise to the position you have prepared for me. Oh God of heaven and earth, place honour upon me that I may be lifted from where I am right now to where you want me to be in the name of Jesus. I know that honour brings greatness, oh Lord put your honour upon my life so that I rise to where you want me to be in destiny in the name of Jesus. Put your honour upon my life in the name of Jesus.

⇒. Lord move mountains for my sake that I may move forward at this time. Every mountain that must be moved for me to move forward, oh Lord move them right now. Move that mountain that is standing to stop my progress, to block my moving forward, Father let your mighty hand move it right now. Every mountain on my way, I command you to move away, every mountain of difficulty, trouble, problems, disappointments, and failures, move away now in the name of Jesus. Every mountain standing to stop my progress in destiny, move now in the name of Jesus.

⇒. Father, replace every wrong person with the right people so that I can rise to fulfill destiny. Oh God of Israel begin to replace every wrong person in my life and change them to the right ones by your mighty hand. Remove wrong people and replace them with the right ones so that I can move forward in destiny, so that I will fulfill destiny. Lord replace evil people, hypocrites, deceptive and wrong people with the right ones right now in the name of Jesus.

⇒. Father put upon me an anointing that will speed up the manifestation of the blessings, breakthroughs and success you have for me at this time. An anointing that will speed up the manifestation of miracles in my life, oh Lord put it upon me. Anointing that speeds up answers to prayers, that speeds up progress, breakthroughs, prosperity, miracles, signs and wonders, Lord let it fall upon me in the name of Jesus. Anointing that brings instant miracles, let it come upon me in Jesus' name.

PSALM 80:11

⇒. It says they spread their branches which is representing enlargement. Some people think that they are moving forward because of some results or signs they are seeing and they think that they are moving forward but in actual fact if we should compare the present situation of your life with what God has written in His book in heaven, you will discover that you have not moved forward at all. Though in your own eyes you think you are moving but you are not because when God is expecting you to be at level 100, you are on level 0.1. If you understand the scope of your calling, how wide or vast you are supposed to go, you will not be comfortable with less.

•Father, I am ready for enlargement, I am ready to spread out as far as you have destined for my life, oh God visit me and cause a mighty enlargement to happen to me. Father, I'm ready to go as far as you're destined for me, visit me and cause an enlargement that cannot be limited, an enlargement that will cause my branches to shoot out as far as you have ordained for my life. Lord let such an alignment happen to me that will line up with your plans for me in the book in heaven, enlargement that will agree with your plans and purposes for me in your book in heaven, Father let such enlargement happen right now.

⇒. They spread out their branches because God told them that this was the land He had given to them and he6 told them to go forth and drive away the inhabitants of the lands. How much of what God has for you or your inheritance in God have you claimed or possessed? Most of us are far behind in destiny.

•Father, give unto me the power, wisdom, weapons, strength and strategy to possess all the inheritance that you have given to me for my destiny fulfilment. Lord the fire, strength and authority that I need to begin to claim all that you have already given to me, to claim all the benefits, all the inheritance and possessions, give them to me. Lord give me the anointing to claim them as you helped the children of Israel to claim the lands you promised them, oh God of Israel, give me the strength. Help me Lord Jesus to possess all that you have given to me, to possess my inheritance.

VERSE 12

⇒. God gave them a lot but their walls were broken down and they began to lose many things that they once had because they failed God. Are your walls broken down? The Bible says 'he that breaks the hedge, the serpent will bite'. If your walls are not broken, the enemy will not enter into steal or have legal access to come in.

- Father, by your mercy let every wall that has been broken through sin and unrighteousness in my life, oh God by your mercy let them be healed, restored and raised up again. Father every wall that has been broken, that has allowed the enemy to come and steal in my life, that has allowed the dark kingdom to oppress and pollute me, oh God of Israel, let standards be lifted up again in my heart and mind. Every standard of the fear of God, of purity, of holiness and righteousness that has been broken oh God of Israel, let them be lifted up again in the name of Jesus. Let the enemy not have access to steal from me anymore, heal my walls and amend my walls in Jesus' name.

⇒. God does not do business to fail, neither does he sponsor failure. If God is doing something in your life, investing in your life, sending you revelations, warnings, messages, when He is speaking to you, He is doing that because He wants you to succeed. He wants you to begin to live right, He wants you to begin to please Him. Everything God does is for a purpose, when God is blessing you He's not blessing you for you to waste those blessings. As rich as God is, having excess of everything, yet He is not in support of failure and waste. When He invests things in your life He wants you to make use of those things and produce profit unto his Kingdom from those things. What have you done with the things God has invested in your life? How much fruit have you produced out of them?

- Father, help me to make use of all that you have given to me, to yield profit and fruit unto your Kingdom. Lord help me to make use of all that you have given to me, to produce results, fruit and profit unto your Kingdom, help me Lord Jesus in Jesus' name.

⇒. The Lord told me that the greatest deliverance is not to drive out all the demons operating in the life of a man but the greatest deliverance is to close the door through which darkness is entering into the life of that man. If the door is not closed, no matter how much we drive out the devils, they will keep multiplying because when they go out they will come back with a host of other devils. What are you doing in your life that has opened the doors for the devils. Despite all your prayers and fastings, nothing is changing, nothing will change because you have not closed the door.

- Father, let every everything that is giving way for darkness to enter into my life, let whatever that is allowing and permitting darkness to waste good things in my life, Lord let them be permanently removed, uprooted and destroyed from my life. Lord everything that is in my life, everything I am doing with my life, heart, mind, mouth and body that is allowing darkness to continually oppress me and to steal and destroy good things in my life, oh God of heaven and earth, let an end come to such

things in the name of Jesus. Everything that is opening the doors for darkness, Lord terminate them all in Jesus' name.

VERSE 13

⇒. Father, deliver my life from every waster, wasting spirit, from every spirit that is devouring good things such that I cannot account for good things. I cannot gather good things together because the spirit comes and waste everything, oh God bind such spirits and cast them out of my life. In the name of Jesus, I rebuke every waster, wasting spirit attached to my life and destiny, every spirit that is wasting good things away from my life, catch fire in the name of Jesus. Every spirit devouring blessings, peace, righteousness and good things, I bind you and I cast you out of my life in the name of Jesus. Every spirit assigned to waste the establishment of God in my life, come out in the name of Jesus.

VERSE 14

⇒. There were things the Israelites used to enjoy but they lost those things because of disobedience that's why they were crying to God in this verse asking Him to come back. They knew when He came back, they would be restored. What are those things you used to enjoy that you are no longer in enjoying because of sin and disobedience?

•Father, come back to me in your mercy and let me begin to enjoy once again the things I have lost because of sin and disobedience. Lord have mercy on me and come back to me again, bring back again the blessings I used to enjoy, the presence of heaven that I used to enjoy. Bring back the presence of God, the glory, the fire, the victories that I used to enjoy. Lord all that I lost because of sin and disobedience, Father bring them back to me in the name of Jesus according to your mercy.

⇒. Father in your mercy, look down upon me and consider my struggles, defeats, oppressions, failures and help me, oh God because I am helpless right now, am weak right now. Oh God of heaven's armies, God who is enthroned above the cherubim, look upon me in your mercy and consider the present condition of my spirit, soul, body, career, financial life, spiritual life, marital life and help me in the name of Jesus. Look down from heaven and see how hopeless, helpless, weak and defeated I am and help me now, save me, deliver me in the name of Jesus.

⇒. We need the mercy of God when it comes to Him giving us rescue, when we receive an instant rescue mission, when you are dying or your strength is failing, you can only come by mercy. We are in the times where you need God the most.

•Father, look upon me in your mercy and rescue me before the enemies succeed over my life, consume my life, before they win over my destiny. Oh God come quickly to my rescue in the name of Jesus. Lord before the enemy would finish me,

succeed over me, come now to help me. Lord before the enemy would enslave me permanently, come and deliver me, do not allow the darkness to win, do not allow witchcraft and the enemy to win and succeed over my soul. Do not allow Satan to succeed over my soul, come now Lord Jesus and rescue me now in Jesus' name.

⇒. There is something about you, something in you, a treasure in you that heaven and God are concerned about and proud of. That is why God is leading you to pray these kinds of prayers because He has something in you that He wants to glorify.

•Father, because of the treasure that you have placed in me, the calling you have placed in me, the gifts you have placed in me, oh God arise and fight the battles that are stronger than me so that your investment in me will not be consumed. Lord help the treasure that you have placed in me, Father fight for me now and let not the enemy steal these treasures. Lord, because of the light you have placed in me, arise and fight my strongest battles, battles that I have not been able to win to preserve this grapevine, this treasure, this calling that you have placed in and upon my life. Arise oh God and defend me with power.

⇒. Father, I am desperate to fulfill my divine destiny, Father let no man replace me, help me to fulfill this destiny, do not replace me with another. Lord I am desperate to do that which you have called me to do, Lord I am ready to do all that you have called me to do to shine the light you have given to me, to produce results from the treasures you have given to me, help me and let no man take my place. Do not judge me but help me Lord Jesus, in Jesus' name, Amen.

CLOSING PRAYER

Raise up your right hand.

Ancient of days, we thank you because you are so faithful and always faithful, even in this hour of prayer you have shown your faithfulness. Thank you Lord because you have made yourself available to answer our prayers tonight, you have intervened from your throne in heaven to solve our problems, thank you Father. Be thou glorified forever in Jesus' name.

Lord I stand in the gap as your servant. I am praying for your people and I am asking oh God that you step into every difficult situation in the lives of these ones and begin to perform miracles they need in those situations. Receive those miracles right now in your life in Jesus' name.

Things you need at this time to be able to serve God as you should, I receive them for you now from heaven, receive them now in the name of Jesus. The help you need now so that you begin to please God, so you will begin to fulfill your divine destiny, I decree that you receive that help right now in the name of Jesus.

Every arrow of darkness that has successfully entered into your life and is troubling you right now, I decree with the authority of the Most High God, with the authority of the King of Israel, let that arrow come out of your life right now in the name of Jesus. You are free in the name of Jesus.

Every negative situation that demons created in your life, because it is not God who put you in that situation, I therefore decree that as I am speaking right now, let that situation come to an end now in the name of Jesus.

Every attack of the enemy on your mind to cause depression, pollution; to defile you and turn you into an enemy of God, I decree right now by the authority of Jesus Christ, let that attack be terminated forever by fire right now in Jesus' name.

Whatever you have eaten in the dream that is causing trouble and misfortunes in your life but because you are connected to the anointing in this prayer session right now, let that which you have eaten come out of your life right now in Jesus' name.

I remove your name from the list of those that have been marked for destruction in this year, I decree that your name is deleted from that list right now in Jesus' name.

No more confusion in your life in Jesus' name. No more deception in your life in Jesus' name. You shall not be misled but you shall be properly guided by the Spirit of the Lord and you shall please the Lord in all that you do henceforth in the name of Jesus.

The will of God shall prevail in all decisions that you shall make. Everything that is not in line with the will of God shall not prosper in your life henceforth in the name of Jesus. Thank you Father because we know you have answered these prayers, in Jesus' mighty name, I have prayed Amen.

This is a reminder whenever we are having prayer sessions on this platform, all the sisters are supposed to have their heads covered.

PRAYER POINTS

⇒. Father, I thank you for counting me worthy to be among the living at this time. Thank you for sparing me, sparing my life; you have not allowed the enemy to destroy my life. Father, thank you for the breath of life, thank you that I am still alive, you have preserved and kept me from destruction and deadly attacks from the enemy. You have not allowed me to sleep the sleep of death, I slept and I woke up whilst many couldn't wake up. You have defended me when I was too weak to defend myself, blessed be your Holy Name. You have been my Savior, my healer, and helper thank you Father.

PSALM 80:15

⇒. Your life can be likened to a precious grapevine that God saw in darkness or captivity and then He went after your soul, took you out of darkness and planted you in His Kingdom, in His light so that you might fulfill your destiny. The reason why God saved our souls and why we are born again is because God has a purpose for our lives, a destiny for our lives. There's a reason why you were taken out of darkness into light, why you are called into the Kingdom of God.

•Father let the purpose of my salvation begin to find expression in my life from this hour henceforth, Lord let that purpose begin to speak forth, let it begin to manifest. Lord the purpose for calling me out of darkness and captivity into your kingdom, let it begin to be fully expressed from within my spirit, soul and body. Let the purpose of my salvation begin to live out, to manifest from this hour henceforth.

⇒. Everything that was created, was created for Jesus. Nothing was created for itself, even you were created not to live for yourself but you are existing to live for Jesus. Until you agree with this truth, you will continually live in darkness and you will not be able to fulfill destiny.

•Father, help me to stop living for myself and begin living for you from this day onward because you raised me for yourself not for myself. Lord help me to stop living for my own ambitions, desires, lusts and will but to start living for you. Father teach me how to live for you, guide me on how to do this. Reorganize my life, rearrange my life, reposition my life, coordinate my life to begin to agree with this truth that you have raised me for yourself, you have called me to live for you. I refuse to live for myself but I choose to live for you, help me Lord Jesus. ***The grace that will enable you to begin to live for Him, for Jesus and not for yourself, receive it now in the name of Jesus.**

VERSE 16

⇒. This person was saying you have raised up Israel for yourself but look at what the enemy is doing. I don't know what the enemy is doing in your life.

•Raise up your right hand. In the name of Jesus, I come against every operation of darkness going on to destroy the purpose of my existence, going on to terminate my destiny fulfillment, let the anger of God consume them all. I come against every activity of demons, every operation of Satan and his agents, every operation of the kingdoms of darkness going on to ensure that I do not fulfill my purpose and destiny, let the anger of God destroy them all in the name of Jesus. Every activity of darkness going on in the daytime, noon, evening or midnight to ensure that I do not fulfill my calling and destiny, let the anger of God consume them all in the name of Jesus. Fire of the Holy Ghost, destroy them all now in Jesus' name.

⇒. God hates to see your life being the opposite of what He created you to be for. If your life is opposite to what God had in mind when He created you then God is not going to be happy.

•Father, let your anger fall upon every power of darkness turning my life against the purpose of my creation, every power of darkness assigned to recreate my life so that I look opposite to the purpose of my existence, oh God let your anger fall upon such powers and let your anger destroy them all. Right now in the name of Jesus, every power of darkness that has been assigned to manipulate my destiny, to recreate my life so that I begin to behave opposite to who I am in God, such that I begin to look differently to whom I am in Christ, let the anger of God consume such powers now in the name of Jesus. Every power of darkness working tirelessly to recreate me into another creature different from what God created, let the anger of God destroy them now. ***Every work of the devil that has been done in your life, that is currently going on in your life to change your personality into another creature that is not of God, I decree that let such catch fire right now in Jesus' name. I decree that such work that has been done, such work that is being done, receive destruction now in the name of Jesus.**

⇒. Place your right hand on your head. In the name of Jesus, I come against every spirit visiting me in the dream to feed me with food, let fire arrest and destroy them in the name of Jesus. Every spirit coming when I am fast asleep to feed me, I decree let fire arrest and destroy them in the name of Jesus. Every spirit bringing demonic meals in the midst of my sleep, right now receive destruction from heaven in the name of Jesus.

⇒. These enemies do not want anything good to survive in your life, they don't want any good thing to come into your life. Any appearance of good things, they attack immediately. There are darknesses which swallow up testimonies and blessings before they appear, they stop them.

•Raise up your right hand. Father let your fire manifest now in my life to destroy every darkness following up good things in my life. Father let your fire manifest now and consume every darkness that is swallowing up good things in my life, swallowing up spiritual growth and strength, let your fire consume them all now in Jesus' name.

⇒. Father let everything you do not want to see in my life, let them disappear right now. Everything that is taking root in my life, moving and operating in my life that you hate to see, oh God of Israel, let them permanently disappear right now. I am before your presence, before your throne right now, everything you don't want in my life, command them to disappear right now, remove them now in the name of Jesus. Everything you hate to see in my body, soul and spirit, oh Lord remove them all in the name of Jesus. Lord look at me and everything that is growing in my life, taking root in my life, everything that has happened to me, everything that is against your will, everything that you do not want to see in my life anymore, Father remove them now, command them to come out of my life and let them disappear at your sight.

VERSE 17

⇒. God is interested in strengthening you so you can fulfill your divine destiny. Just as he strengthened Jesus when He was fasting in the wilderness for 40 days, the angels came to minister to Him to strengthen Him. He was strengthened and also when He was in the garden of Gethsemane.

•Father, strengthen me in every area I am weak, oh Lord touch me and strengthen me so that I can move forward, so that I can fulfill my purpose in life. Lord strengthen me in my body, spirit, heart and mind so that I will be strong enough to succeed at this time, strong enough to rise to the level you want me to attain. In the midst of my weakness let your strength appear right away there and let your strength replace my weakness. Strengthen me to become successful in my prayer life, to become successful in the things of the of your Spirit, to become successful in my career and calling, successful in my ministry and destiny, strengthen me Father in Jesus' name.

⇒. It takes strength to win battles. If you are going to fulfill destiny, you must win battles because between you and the place of your destiny fulfillment are many battles, thousands of battles to fight. It takes supernatural strength to win supernatural spiritual battles

•Raise up your right hand. Father, strengthen me for victories in battles I must fight to fulfill destiny, to win battles that are inevitable in my life, battles that I must fight to fulfill my calling and destiny, strengthen me to fight these battles and win. Strengthen me Lord Jesus to win the battles I must win to attain the height of my destiny, strengthen me Lord in Jesus' name.

⇒. God is my strength or God is your strength is very prophetic because when God is your strength it means you can never be weak because God is not weak and has never been for once weak. If you cannot be weak because God is your strength it means you cannot lose any battle because God is not a loser and has never lost any battle.

•Father, strengthen me with yourself so that I win all battles. As long as you cannot be defeated, let me not be defeated, strengthen me with your strength. As long as no power can defeat you, let no power defeat me as well, therefore I ask that you strengthen me with yourself. As long as no kingdom of darkness can defeat you, let it be from today that no kingdom of darkness defeats me, strengthen me with yourself from now henceforth. While I fight the enemies, be my strength in the name of Jesus. Father while I wrestle with principalities, terrible powers of darkness, Lord strengthen me with yourself that I may be victorious always in the name of Jesus.

⇒. God does not leave His beloved alone in battle. He will not leave the child that He loves to face the enemy alone in battle, but He will stand with you, to face the enemy as He did with David to defeat Goliath. David defeated Goliath not by human strength but by the supernatural strength, the mighty strength of the Most High.

•Father, stand with me to fight in the battles of life and let me be victorious. Lord stand beside me as I face the enemy, God let us face the enemies together. As I face temptation and trials, tribulations, persecutions; as I face the darkness, Lord let

us face it together. Stand by me and fight together with me in the battles of life that I may be victorious continually in the name of Jesus. Stand with me, Lord Jesus, be my weapon with which I fight, be the power with which I fight. Stand with me Lord Jesus, be the authority with which I fight in the battles of life that I may be victorious continually over the enemy in the name of Jesus.

VERSE 18

⇒. When God sees that you are unable to lift up your hand in the midst of your captivity, He comes swiftly to rescue you, to give you a second chance. Much of the captivities of darkness that most people are suffering from today are self caused captivities. Apart from inherited or captivities from the bloodline, much of the captivities our generation are facing are self-inflicted captivities because we love darkness more than the light. We embrace the lifestyle of sin and the flesh and these things put us in deep darkness and addiction such that we cannot come out of it.

•Father, come quickly and rescue me from the deep darkness that has swallowed up my life, come quickly to deliver me out of the depth of darkness that has swallowed me to destroy me. Come quickly and pull me out, rescue me now from the midst of the depth of darkness that has swallowed up my life to destroy me. Come and rescue me so that I may serve and live for you, rescue me Father.

⇒. When God revealed to me the depth of the darkness we are facing in our generation I was scared because I saw how weak our generation is to this darkness. This darkness is a possessive and controlling darkness. When it's operating in your life you will not know when you will start flowing in the direction of that darkness. What the kingdom of darkness wants you to do, you will do and you won't know when you started doing it, even what they want you to think or say is what you will start saying and thinking. They make people start living another life with another mind that is not your real mind, as if someone is living through you. Also that thing you had determined not to do again, you won't know when you started doing it because you will find yourself doing it. This is a controlling and possessive darkness, no matter how determined you are, you cannot overcome by yourself, only the mercy of God can deliver you

•Place your right hand on your head. Lord Jesus according to your mercy, deliver me from every controlling darkness channeling my life opposite your will. Deliver me from every possessive and controlling darkness that is moving my life in an opposite direction to your will. Lord deliver me from every controlling and possessive darkness, from every darkness that is channeling my thoughts, my mind, actions, attitude to go opposite the direction of your will.

⇒. Most of our youth are living a fake life. They are trying to live like other people and not trying to live their own life that God has called them to have. It is this darkness that is causing people to start living a fake life. Some of you already know that this is not the life God wants me to live but you just want to live the fake life. These are the symptoms of this darkness. There are so many hypocrites in the

church who say something and do something, who are somebody in the public and another person in the private. What you are thinking in your mind, is different from what you are saying.

•Raise up your right hand. Father because I want deliverance and revival in my life, deliver me from every darkness promoting hypocrisy in my life, promoting deception and making me to deceive myself, from every darkness that is making me to live another life that is not the life you have called me to live, oh God deliver me now. Father deliver me from every darkness that is causing me to live a life that is contrary to the life you have given me to live, deliver me from every darkness causing me to live a hypocrite life, making me deceive myself and others. I refuse to live a fake life, I refuse to live a double life.

⇒. The reason many of us are weak in prayer and cannot pray one hour alone, not whereby you are praying with other people, is because there is a darkness that has prevailed over your spirit. It's holding down your spirit so you cannot rise up. This kind of darkness has killed people's prayer lives and people cannot pray, others can't fast any more.

•Lord Jesus, deliver me from every darkness that has weakened and killed my prayer life. Lord deliver me from every darkness that is oppressing my spirit and will not allow me to pray, seek you in prayer, spend hours in your presence, praying, worshipping; oh God deliver me from such darkness now in Jesus' name.

⇒. There's a revival that must happen inside of you that will enable you to see clearly again. I say we don't see clearly because our understanding has been darkened, our souls have been darkened. So your perspective of life is wrong, most of us are not seeing properly not with physical eyes but with the eyes of your heart. Most of us have wrong perspectives of life. The way we see people is different from the way we should, the way you see money, the way you relate with things on earth, the way you relate with your time, that wrong perception is a product of darkness.

•Father let your revival fire appear in my life, let it manifest in my spirit, soul and body and let the darkness in my soul disappear. Let the darkness that has blindfolded my heart and spirit be destroyed. Let revival fire manifest in me now and let darkness that has covered my brain, my mind, soul, and heart, be destroyed now in the name of Jesus. The darkness that is making me see differently from the way you see, Lord let such darkness catch fire right now in the name of Jesus. ***Let fire from heaven fall and touch your spirit, soul and body right now and let every darkness deceiving you, causing you to see things differently from the way heaven sees them, let that darkness come out of your life right now in the name of Jesus.**

⇒. There is a divine understanding attached to everything in this world and you are supposed to interact with everything in this world according to that divine understanding not according to your human understanding, wisdom or knowledge. This human wisdom and senses is so weak and foolish, it is inferior compared to divine understanding. When it comes to issues of life, there is an understanding by

which you must interact with the issues of life, not with the understanding of science or some people in the government or from TV people.

•Father, cause a great revival to happen to me so that I will be awakened to interact with everything in this world according to divine understanding. Lord, cause a divine understanding to happen to me in my spirit, body, soul that I begin to relate and interact with everything and everyone in this world according to divine understanding. Lord, cause that great revival to happen to me now, by which I will relate with things on earth according to the understanding of heaven, to the understanding of the Spirit not according to human understanding. Lord revive me for this to happen, revive me to this effect.

⇒. Revival is in two phases and they work together. The first phase means there is a death of you and the second one, there is a resurrection of another you. Revival kills the power of the flesh to awaken our spirits such that our spirits are awakened to God to know God, to see God, touch God, feel God, relate with God; that is revival. For you to live in the spirit you must die in the flesh. Revival kills the flesh and liberates the spirit to know God.

•Father let the fire of revival begin to burn in my life right now for the destruction and permanent death of the flesh and for the awakening of my spirit to know you. Lord let the fire of revival burn in my life spirit, soul and body to kill the flesh and to awaken my spiritual person to know you, that I will be awakened in the spirit to know you, to love you, serve you, obey you, and please you, Lord let that revival happen to me .

VERSE 19

⇒. Father let the greatness of your power descend against every wickedness of the enemy that would not let me please you or serve you, that will not let me do your will, that is promoting and sponsoring disobedience and rebellion in my life, let the greatness of your power manifest and destroy them. Lord let the greatness of your power manifest in my life and destroy the wickedness of the enemy that will not let me serve you the way I should, every wickedness of the enemy that will not let me do your will, obey your voice and instructions oh God, let the greatness of your power consume them now in the name of Jesus.

⇒. Idols are more spiritual than physical. The reality of idolatry is more invisible. For a man to go and carve an image and begin to bow to that image and say this is the god that saved my life, that man already had an idol in his heart or mind. The physical carving of an image is just a reflection of what is already in his mind. This man is looking for a spirit being to possess that idol or image, he is trying to invite a demon spirit by carving an image. Idols are products of the lust in the hearts of men. Principalities powers of darkness feed on the lust of man, it is the lust in your heart or mind that is giving power to the principalities. There's no power in images or shrines; it is us who are giving them power because of the lust in our hearts. The moment you destroy lust in your heart then principalities will fail/lose immediately concerning you. So principalities and powers ensure that people serve the lust of the flesh, lust

of the eyes. As people are serving their lust it makes them to be more powerful but the moment you stop lusting then you become more powerful than them. There's something that happens, when you stop doing it, it will automatically make the devil weak over your life.

•Father, uproot from my heart every lust that is giving power to the devil, every lust that is giving food, fuel to the devil to rule over me. Every lust of the eyes, lust of the flesh, pride of life that is giving Satan power to rule over my life, Lord destroy that lust in my heart. I refuse to buy what the devil is selling to me. I refuse to be a slave to lust, I refuse to serve my lust. Lord destroy every lust in my heart, lust for money, pleasures of sin, lust for anything that is giving power to the devil, Lord destroy that lust in my life in the name of Jesus.

⇒. The devil has a walk by which he traps people and we are the ones who provide the hook for the devil, all he has to do is just put the rope and draw us then trap us. The hook that makes you so vulnerable to be trapped by the enemy are those things that you love. The devil uses what you love so much that you are not willing to let go or surrender; that is what he uses to enslave people. Revival is missing in the church, so revival will happen today and tomorrow the people are dead. This is because there are people who love what the devil is using to draw them out of the light.

•Father, I surrender all to you. I lay down everything I love and cherish that has become the hook by which the devil traps me, Lord I surrender, help me to permanently deny all that I love so much that is not according to your will. Lord I refuse to be trapped by the devil, I refuse to be trapped by the kingdoms of darkness. Whatever I cherish too much that is making me vulnerable to be trapped, oh God deliver me. As I lay them down, Lord help me to lay them down permanently, I refuse to be trapped by the enemy.

⇒. Some might think they are not lusting over anything but there is a secret desire in people that they do not know about that is contrary to the will of God. They do not even think they have such a desire, whilst that desire is deep down inside their hearts hidden to them and that is what the devil will use to trap and destroy them. Just as Jesus told Peter he was going to deny Him three times and Peter denied and said he will never do that. As Peter said he will never deny Christ, he was actually sincere but deep down in him he could deny Christ though he didn't know. Most of you do not know your secret darkness that is inside of you until a situation happens that is when that darkness will come to light. When Jesus was arrested and Peter was asked if he knew Him he denied Christ three times before he could realise he had denied Him.

•Father, let your fire search deep into my heart and destroy every secret darkness that will make me vulnerable to the attack of the enemy, make me be defeated by the enemies, deliver me and destroy such darkness. Lord search deep down into my heart, spirit, mind, brain and expose and destroy every secret lust, secret darkness

that would lead to my defeat and downfall. Lord deliver me now, uproot such darkness right now in the name of Jesus.

⇒. Another thing that makes Christian to fall back despite God reviving them and moving them forward is lack of purity. Blessed are the pure in heart for they shall see God that's what Jesus said. People like to dwell in the flesh rather than in the spirit. There are two versions of your mind: a carnal mind and a spiritual mind, so people love the carnal mind more than the spiritual mind and that is where we fall. Revival begins inside your mind

•Father deep down in my heart and mind, let your revival fire begin to burn and let the fire never stop burning to keep me in a spiritual mind, keep heavenly minded, spiritually minded. Such a revival fire that will keep me heavenly minded always, spiritually minded always, let that fire begin to burn and let it not stop burning so that I will hate the garment spotted with the flesh, that I will begin to hate everything that is according to the flesh, everything that is carnal. Lord let such a fire begin to burn that will make me hate every carnal thing and begin to love every spiritual thing from this hour henceforth. Lord I want to be pure in my mind and my heart continually, give me the fire for purity, purity in my spirit, purity in my soul, purity in my body in the name of Jesus, Amen.

Raise up your right hand.

I decree over your life in the name of Jesus that every darkness interacting with your spirit to keep you carnal, worldly, underdarkness operation; right now in the name of Jesus, let fire arrest and destroy that darkness in Jesus' name. Every demonic poison that is causing you to be so weak and lazy concerning the things of the spirit, let that poison come out now in the name of Jesus.

I pray for you that your desires may be aligned with the desires of the Lord in the name of Jesus. I ask that the Lord give you the grace to begin to love the things that He loves, the grace to think the way He thinks, the grace to see things the way Jesus sees, receive that grace now in the name of Jesus.

Every spirit of confusion, depression and deception that has been sent into your life to keep you out of God's will and plans for your life, I bind that spirit right now in the name of Jesus and I cast it out from your life forever. Let the spirit come out of your life right now in the name of Jesus.

You shall not fall in the name of Jesus, as the Lord has revived you tonight, you shall not fall in the name of Jesus. Receive fire right now, fire to remain victorious, holy, righteous, and pure in the sight of the Lord, receive that fire now in the name of Jesus.

I am praying that whatever that has killed your spiritual senses and spiritual sight from seeing revelations the Lord is showing you at this time, I decree that such things be removed from your life permanently right now in the name of Jesus. I decree that your spiritual senses receive awakening now in the name of Jesus. I decree that your spiritual eyes receive healing right now in the name of Jesus. Thank you Father because we know you have heard our prayers and you have answered, thank you Lord in Jesus' mighty name we have prayed Amen.

PRAYER POINTS

⇒. Father, I thank you for your grace that is sufficient to help me. Father, I thank you for you have provided enough grace to solve my problems, to give solutions to my problems. Father, I thank you for sufficient grace you have released for me to have breakthroughs,
and good success, for me to move forward, prevail over my enemies, thank you for enough grace you have given to me. You have released enough grace for the performance of signs and wonders, mighty miracles in my life, released enough grace for my revival and restoration, thank you
Father in Jesus' name.

I saw a pool of dark thick water and it was boiling. This pool was like a big wide hole surrounded by land and. I asked the Lord what it means and He said that this is a pool of sin, a pool of iniquity that drowns people into sin addiction such that they cannot come out with it. Anyone in this pool cannot come out by himself no matter how much they try to come out they will fall back because there is no way out of it. The only way out is, Him, the way out is the truth, John chapter 8:32 ..and you shall know the truth and the truth shall make you free. It's only the truth that can remove

people out of this pool. Up until men believe the truths and obey it, then supernaturally they will come out of this pit. So tonight we would be praying based on this revelation.

⇒. Based on the above revelation, it is clear that you cannot be free from sin until you let God free you, until you believe the truth that talks about that sin, until you accept the truth concerning what you are struggling with, that God has already revealed concerning that sin.

•Father, have mercy on me and draw me out from every pool of sin that wants to destroy my life and my soul. Lord visit me by your mercy, have mercy upon me and pull me out of every pool of iniquity, of addiction that wants to destroy my life, release me, deliver me right now in the name of Jesus. Let not sin prevail over me, let not the flesh prevail over me, let not the lust of the flesh, the lust of the eyes, let not the things of this world prevail over my soul. Oh God, in your mercy draw me out of every pool of sin that wants to swallow up and destroy my destiny, to swallow up my calling and destroy it, to swallow up my calling and my soul and destroy them, oh God draw me out now in the name of Jesus.

⇒. The truth has power to deliver you especially from sin addiction. We will look at some of these truths that you must believe, that the Word of God has revealed.

1) YOU MUST STOP TRYING TO COME OUT OF THE POOL OF SIN BY YOUR STRENGTH, stop leaning on your own strength alone but you must let the strength of God help you. You believe that by my own strength I cannot come out of this, but by the strength of God I can come out.

•Father, help me to depend on your strength right now for my deliverance and not depend on my own strength, wisdom, smartness and calculations but on your strength, help me Lord Jesus. Father, help me to depend on your strength and to stop relying on my own that I may be free from sin and addictions. I refuse to rely on my own strength, understanding and wisdom, oh God I am connecting with your strength right now, I am connecting with your power and wisdom right now. Lord let me be released from every pool of iniquity in the name of Jesus.

⇒. For every sin there are powers of darkness behind. There are powers of darkness behind each sin that is here on earth among men. There are powers and demons that are fueling that sin. These sins do not just stand alone, there are principalities, powers of darkness that are pumping fuel, promoting and strengthening those sins.

•Place your right hand on your head. Oh God with Israel, let your fire arrest and destroy every power of darkness enforcing sin in my life, let your fire arrest and destroy them right now in the name of Jesus. Every power, marine spirit, mermaid spirit, demons, and devils that are sponsoring, promoting and enforcing sin over my body, mind, spirit and soul, let fire arrest and consume them. Every sexual demon, enforcing sexual sins over my soul, spirit and body, Holy Ghost fire arrest them and consume them all right now in the name of Jesus. ***May the fire of the Holy Ghost fall**

upon those powers that have attached themselves with your life, mind, brain, body to enforce sin over your life and destiny, I decree that fire of the Holy Ghost arrest and consume them now in Jesus name.

⇒. I said the water was boiling; this also shows how sin renews itself. Sin is deeper than most of us think, maybe that is why only a few Christians are living a holy life because we do not even understand sin. When you understand sin, you will know that sin is very deeper than the actions you take, physical actions that are sinful. Before you take a simple action, sin has already happened but you do not know. Even while you are thinking in your mind, sin already has happened. There are powers that renew, that give meaning to sin. What is sin, they start giving meaning to it, they try to make you like it, they beautify it. There are powers that do that, to make it look nice and you end up feeling you can do it and it's not bad because people are doing it. There are activities of demons which go on on a daily basis to make sure sin looks sweet to people. There are demonic activities, even in things you least expect could house demons even in your house, there are places in your house or around you, they're working in, to ensure that sin becomes a good thing to you.

•Raise up your right hand. In the name of Jesus, I come against every devil and powers of darkness but are renewing sin in my environment and mind, every power of darkness giving beauty, giving life to sin, catch fire right now in the name of Jesus. In the name of Jesus, I come against every spirit and power that is beautifying sin in my life, every power that is making sin look nice and attractive to me, making sin to become my friends and desire, let fire of the Holy Ghost arrest and consume them now in the name of Jesus.

⇒. Your body and mind will not naturally hate sin until it is disciplined. You must train the body to begin to hate sin otherwise it will not because your body is the closest agent to the devil. Your body will never suggest anything godly, righteous and pure until you train it or discipline it.

•Place your right hand on your head. Holy ghost fire manifest in my body right now and begin to destroy all the sinful passions, sinful desires that have taken root inside my body. Fire of the holy ghost manifest now in my body, blood, nerves, every organ of my body, pass through them right now and destroy every evil passion, sinful desire for sin and lust that has been locked up inside of my body, emotions, feelings; fire of the Holy Ghost destroy them now in the name of Jesus. Fire of the Holy Ghost go through my blood, my hormones, my nerves, upon every part of me that is agreeing with sin, serving sin, Lord manifest there and deliver me in the name of Jesus.

⇒. Only the truth can deliver you from the pool of sin, that is if you believe the truth and obey it.

2) YOU MUST NOT FEAR SIN. Do not be afraid of sinful addictions. When the urge of sin arises in your body, you must not be afraid but believe that Jesus has conquered this sin on the cross of Calvary. No matter how I'm feeling in my body it is

weak because Jesus has conquered it. When you are afraid of sin, you will be defeated by it. For example, you do not want to commit a sin and then the urge or temptation becomes strong and then you say I am going to fall again. When you begin to be fearful because you feel the sin has power over you, once you are afraid you will be defeated by that sin. The fear of sinning is what has made many people to serve sin or to continue in the bondage of sin.

•Father let the fear of sin in my heart and mind be destroyed so that I will know the power of your grace. Let the fear of falling into sin be destroyed now in the name of Jesus so that I can have an encounter with your grace and victory that keeps people holy, that makes people holy. Lord deliver me from sin in Jesus name.

⇒. You might be saying, shouldn't we hate sin? There's a difference between being afraid of sin and hating sin. When you are afraid of sin, it means you consider that thing to be more powerful than the grace of God available unto you in Christ Jesus. Even when the temptation appears strong over you, you must still not be afraid of it.

•Father, manifest the greatness of your power in my body, soul and spirit for complete deliverance from the grip of sin. Lord deliver me completely from the the grip of addiction, grip of slavery to sin. According to your power, I believe in your power, I connect with your power, let slavery to sin be destroyed in my life in the name of Jesus.

⇒. The truth has power to set you free. 3) YOU MUST BREAK AWAY FROM EVERYTHING THAT BINDS YOU WITH SIN. Any channel that brings you temptation, you must break away from them. Break away from everything and everyone that stirs up the urge to sin. If you don't break from those things or people, you may never come out of sin and sin addiction.

•Father, I am determined to cut off everything that is making sin more powerful than I am, making sin rule over me. Lord, I am determined to cut off everyone that is binding me with sin, Lord help me to do this, strengthen me to do this. Lord everything that is binding me with sin, making sin to rule over me oh God, I cut them off now let it be forever. Every person, friendship, and relationships that is drawing sin into my life, that is making me to serve sin, Lord I cut them off right now and let it remain forever in the name of Jesus. Every thought, mentality and ideology that is making sin to be stronger than me, I cut them off right now in the name of Jesus. Whatever thing I have believed that is making sin to be stronger than me, I cut them off right now in the name of Jesus.

⇒. 4) TRANSFORMATION. The Bible says that we become new creatures by being in Christ Jesus and all things are passed away. When you allow the Word of God, teachings of the Bible to change you then you will be delivered from sin. You do not read your Bible so that you can tell someone you have read the Bible or put a mark on the calendar that I finished the Bible in a year, but we read the Bible to be changed and transformed as we believe what we have read in the scriptures.

•Father, every spirit that has possessed my mind to read the Bible like a novel and not to allow the Bible to change me, oh God, remove that spirit from my life by fire. In the name of Jesus, every spirit that is making me read the Bible casually, carnally let fire destroy them. Every spirit that has possessed my mind so that the Word of God does not work in my life, the Word of God will not renew or transform my life, I command you to come out of my life now in the name of Jesus. Every spirit that has possessed my soul to ensure that the Bible makes no sense anymore or it doesn't give inspirational, revelational knowledge anymore, to ensure the Bible does not work in my life anymore, let that spirit be exposed to the fire of the Holy Ghost right now. Let that spirit come out of my heart, soul and mind in the name of Jesus. ***Every spirit that is sitting on your mind to ensure that the Word of God does not change you, let the fire of the Holy Ghost arrest the spirit right now and let the fire of the Holy Ghost banish such a spirit from your life forever in Jesus' name.**

⇒. There are many truths that destroy the power of sin, you can read Romans and 1st Corinthians to discover these truths. (5) The devil has a way of using deception to put people under sin, under the bondage, influence and control of sin. Deception is an operation of the devil trying to make something that is a lie to be the truth. When a lie is presented to you as the truth and you believe it. Most of us have believed lies that is why we cannot be free from sin. The devil has presented something in your mind and whenever that thing comes your way you welcome it, because you have already believed it whilst that thing is wrong according to the scriptures and the Kingdom of God. When you believe something that is not the truth, you can never overcome sin.

•Place your right hand on your head. Father every deception I have believed embraced that is making sin stronger than me, oh Lord deliver me, I reject them, I refuse them in the name of Jesus. Every deception I have welcomed into my life and mind, deception I have allowed into my life, oh God deliver me right now. Every deception that is making the devil stronger than me, making sin stronger than me, oh God of Israel, I reject them now Lord, deliver me from them, remove such deception from my life now in the name of Jesus. Every lie that I have believed to be true, oh God of Israel, I rejected them now, uproot them from my life in the name of Jesus. Every wrong ideology I have believed to be true and is making sin rule over me, I reject that ideology, let the fire of God uproot such ideas from my mind in the name of Jesus.

⇒. 6) DON'T LIVE FOR YOURSELF but live a selfless and sacrificial life. You have to make a determination, a permanent choice not to live for yourself. When you put on clothes or take care of your body, you are not doing it for yourself but for the one who created the body. Everything you do for your life, with your life, you are not doing it for yourself but for the one who placed you in this world. When you have made this determination and choice, then it will be easy for you to overcome sin because the strength of sin is flesh/ self.

•Father, I determine tonight, I make a permanent choice tonight that I will live for you forever and will not live for myself anymore. In my body, soul and spirit, I will not live for myself, Lord give me the grace to do this. Lord I make this permanent choice that from today, I will no longer live for myself but I will live for you who took my place on the cross of Calvary, you who redeemed me, I will live for you who has saved me. Lord give me the grace to live in my body for you, to live my spirit for you, to live my soul and my life for you. As I dress up my body it won't be for myself but for you, let everything I do and have, be for you not for me, give me the grace to ensure this.

PSALMS 33:4

⇒. Do you believe in the power of the Word of God? Do you believe that the Word of God is true? Do you believe that whatever God says means what He says and that we can hold Him by His Word?

•Father, I believe in every Word you have said, every Word that is written concerning my feelings, deliverance, healing, blessings, breakthroughs, favour and progress. Lord let your Word begin to produce great results in my life from this hour henceforth. As I declare your Word, let there be manifestations of great results. Lord let your Word begin to work wonders in my life because I believe. I believe all that you have said concerning my healing, deliverance, freedom from curses, freedom from covenant of darkness. I believe for you said that there is no divination against Jacob and there is no enchantment against Israel. You said that with your stripes I am healed, I believe. You said I shall not lack because you are my shepherd, Lord I believe everything you have said concerning me. Let your Word produce miracles in my life that would work for me in the name of Jesus.

⇒. The Word of the Lord holds true means that God does not just speak, He speaks because He wants to do what He says. When God speaks He's not just speaking so that you can feel excited, if He speaks it's because He wants to do what He says. If He does not want to do anything, He will not say anything.

• Father visit my life and let your faithfulness be real, let your faithfulness manifest and let me begin to enjoy your faithfulness as the patriarchs in the scriptures saw your faithfulness and enjoyed it. Lord visit me and let me see your faithfulness, let me see your Word come to pass. Let me experience the realities of your Word, let me be able to see that I believed the Word of God and it worked in my life, Lord visit me and let this happen in the name of Jesus. Launch me into the realm of your faithfulness where I see your Word being fulfilled as it is, where your Word comes to pass as you have said it. Lord take me into this realm where I will enjoy your faithfulness in the name of Jesus. Visit me Lord Jesus, let me see the wonders of your faithfulness.

⇒. The Word of God must be believed for it to work, it also needs to be obeyed, you must do the Word. It is as you do the Word of God that it will work. It works by you

being a doer of it not just by believing. What has the Word of God said, that should be done in your life, have you done it, are you doing it?

- Father by your Holy Spirit, enable me to do all that your Word teaches, says commands and instructs. Strengthen me, help me Father by your Spirit to do all that your Word teaches, all that you Word commands, help me Father in Jesus' mighty name.

⇒. Everything God does is righteous, true and it stands forever; it remains forever.

- Father works in my life and give me a permanent victory, breakthrough, success and testimony. Lord work in my life because your works remain forever, your works prevail through time. Lord, I trust in your work and ability, therefore I ask that you work in my life and do a work in my life that will lead to a permanent breakthrough. Do a work in my life that will lead to a permanent restoration, revival, healing, deliverance and blessings, Lord do that work, I don't want temporary healing or blessing but permanent ones. Lord, do a work that will lead to a permanent establishment of good things in my life.

⇒. The Word of the Lord holds true also means that the Word of the Lord will prove to be true irrespective of opposition and attacks. It will always come to pass even if it is going to take 50 years but because the Lord opened His mouth to say that Word, it will happen as He said so stop it. If God has said something about your life that is true, not what a false prophet said but what came from the mouth of God Himself, then it will come to pass. It doesn't matter how long it takes it will come to pass, if you do not turn away from God or stop believing.

- Father let every Word you have spoken concerning my life receive power and strength to come to pass. Let every Word you have released concerning my destiny and my calling receive power right now, let it receive fire and strength to come to pass now in the name of Jesus. Every Word you have said to me, you have revealed to me concerning my life, calling and destiny, oh God of Israel let those words receive power and strength to prevail, to come to pass in the name of Jesus. Lord, bring all that you have spoken concerning my life to pass in Jesus' name.

⇒. We must wait on God because everything He spoke will come to pass and we must not rush ahead of God. There are many things you can do trying to solve your problems but they will not remain and will fail because you refused to wait on God, only what God does will remain. When you allow God to do His works, you will see the difference in what you are trying to do and in what God would do.

- Father, give me the spirit of patience to wait on you till you do your works in my life because only your works can be trusted and remain forever. Lord give me that grace to wait patiently on you, the grace to lean on you and not on my own understanding, to wait patiently till you start and finish your work, till you do your work your own way. Lord give me such grace now because I do not want a temporary breakthrough but I want a permanent breakthrough. I want and I am ready to wait for you, I do not

want a temporary blessing but an everlasting, eternal establishment. Lord give me the grace to wait for you, to do your work the way you always do it.

⇒. The Lord is saying there are some people who did some things which were not God's instructions for a breakthrough. You followed that instruction, you thought it was from God but it wasn't from God. By following that instruction, is the reason why you are still suffering because that instruction was not from God and that is why you haven't received your miracle or breakthrough. And this thing is connected to false prophets and false prophecies and is the reason why you're still suffering.

•Father, whatever thing I have done in ignorance that is delaying the manifestation of my blessings and miracles, oh God of Israel have mercy on me and let such works be destroyed in the name of Jesus. Lord, everything, anything I have done because I was looking for solutions to my problems, any instruction I followed that has led to my captivity, Lord in your mercy forgive me and deliver me in the name of Jesus. Whatever I did in ignorance thinking it was the spirit of God, that has led to my suffering, hardship, sorrow, and slavery, oh God forgive me and let such works be destroyed. Deliver me from such captivity of ignorance in the name of Jesus.

⇒. Raise up your right hand. Father let my eyes see your glory, even in this year. The glory you have ordained for my life, ministry, destiny and calling, Lord I want to see the glory. Lord the glory you have ordained for me as a child of God, the glory you ordained for me to enjoy, Lord I want to see it, show me your glory. Lord the glory you determined to reveal in my life, I want to see it now, not when I get old but I would like to see your glory even in this month. The glory you want to reveal in my marriage and career, I want to see it, show me your glory in the name of Jesus. Lord, do not allow me to leave this world without seeing that glory. The glory of your presence, that you want to reveal, show it to me. Lord do not wait until I am older, I am ready now, show it to me in Jesus' name.

⇒. When we talk about the glory of God we mean God manifesting in your life to do visible things. That God appears in your life and does visible things, wonders and signs which cannot be denied that were done by God, even the atheist who sees those things will agree that this is supernatural.

•Raise up your right hand. Father, I am desperate for your glory, move in my life and begin to wrought signs and wonders that will proclaim your name, that will make your name famous in my life and career. Lord wrought signs and miracles that will make your name famous, perform wonders that will make your name great that when people see the wonders, they will bow and worship you. Let the world see your glory and let them bow and honour you.

⇒. There are realms of God's glory, just as the Bible says from glory to glory, there are levels of glory. The glory of God has levels in those realms. What God is doing now, is it happening in your life? Yes God did something last year, what about today?

We need believers who believe in God such that they are relevant to what God is doing now.

•Father, help me to walk with you such that I ascend in your glory, help me to move with you so that I go from glory to glory and not remain in one spot. God of heaven and earth, you are the King of glory, help me to walk with you side by side such that I ascend in glory, such that I move from glory to glory, help me to walk with you that way. I want to experience you afresh on a daily basis. I want to be able to have encounters, new revelations of you on a daily basis. Lord I want to ascend in glory, help me Lord Jesus to walk with you in this way.

⇒. I heard in my spirit the Lord saying I will honour those who honour me. Is God honoured in your life? Are you honouring God in your life with your body, mind and soul? God wants to do some things in this season, many people that disrespect God will be left out because in the lives of some Christians, God is being taken for granted and they see God as their mate.

•Father, I want you to be honoured in my life, forgive me for everything I have done that did not give honour to you. Lord forgive me for whatever I have done that has not brought honour to your name, that which I did with my life, Lord I ask for forgiveness now. The words I said with my mouth, the thoughts I thought in my mind, the way I dress, the things I do with my body that have not honoured you, Lord forgive me now in the name of Jesus and let your name be honoured in my life in the name of Jesus.

⇒. If God says, He is going to honour those who honour Him, it means there is an action that you are going to take that will move God so much to bless you. There's a decision you will make, something you will do that God will be so touched in heaven and will come to honour you.

•Father let your spirit move me to begin to do things that will make me worthy of your honour. Lord help me to do things that will make me deserve the honour you want to give to me. Lord help me, let your spirit move me this way, to say things that make me deserve your honour, to do things that will make me deserve your honour. Lord move me by your spirit to do things that honour you, inspire me by your spirit to do them in Jesus' mighty name amen. Thank you Jesus.

Lord let the glory that is mine, the glory that I have inherited from heaven appear now in the name of Jesus. You glory that belongs to me, I command you to appear now, you glory that was born with me, you glory that has been ordained for my body, soul and spirit from the Lord, I command you to appear now in the name of Jesus. ***Let the Spirit of the Lord come upon you and let the glory that was created for you, created with you from God arise to manifest now in the name of Jesus. As I am praying right now, the glory of the Lord that is inside of your creation, I command that glory to rise to manifestation now in the name of Jesus.**

⇒. Father, use every situation the devil has created in my life to glorify yourself and to lift me up. Lord make use of every situation the kingdom of darkness has created in my life for my downfall, use them to glorify yourself. Glorify your name and power and lift me up in the name of Jesus.

PSALM 33:1

⇒. Sometimes it takes joy in your heart or spirit to be able to sing praise and worship songs. Without a joyful heart you will not have the strength to praise or thank God. That is why one of the things that must not be missing in your life as a christian is your joy because when you lose your joy, you have lost your strength because the joy of the Lord is your strength. Most people went after false prophets because they found no joy in serving God anymore. Maybe your joy is under attack and that is why you began to question the wisdom of God, the faithfulness of God, the integrity of God, the power of God. If you start doing that it means the joy of the Lord is missing in your heart.

•Raise up your right hand. I come against every flood of darkness that has been mobilized to steal and to kill the joy of the Lord in my life, let fire consume them. In the name of Jesus, every host of darkness that has been mobilized to kill the joy that I have inherited from the Lord, the joy of my salvation, the joy of the Lord in my life, let fire consume them right now in the name of Jesus. Every operation of darkness that has been mobilized; every attack, every invasion of darkness that has been mobilized to kill the joy of the Lord in my life let fire consume them now in the name of Jesus. Every arrow that has been mobilized to destroy the joy of the Kingdom of God, the joy of the presence of God in my life, let fire destroy them all right now in the name of Jesus.

⇒. These godly people were so joyful, out of the depth of that joy they began to sing to the Lord. Out of the rivers of joy they sang to the Lord, that is how Christianity is and how it was and will always be. Christianity is not a seasonal thing. When things are ok, I am happy; when things are not ok tomorrow then I am sad, that is not how the apostles did Christianity. In those days they were killing Christians but these people were so happy to be killed like animals because of this joy they had in them. They were not being controlled by circumstances or what was happening around them. Their feelings and emotions were being controlled from heaven and they did not react to how the situation came at them because they had joy and never lost it. If your happiness or joyfulness is determined by circumstances around you then your Christianity is yet to be original.

•Father let the fire of the Holy Ghost arise from within me and let the joy of Christianity come back to life in my life, let the true joy of Christianity be revived in my life. Lord let the fire of the Holy Ghost arise from within me right now, let the joy of my salvation come back to life in the name of Jesus. The joy that makes me a Christian, let it appear now in my spirit and soul. The joy of heaven, the same joy that is in the angels, the same joy that comes with my salvation, let it be revived, let it be awakened again now in the name of Jesus. Let your fire revive my joy. ***As many of you that have lost your joy, receive it now in the name of Jesus.**

⇒. It is the right thing for those that are pure and righteous to praise God. If you are righteous, it is a duty to praise God continually meaning that people who are not

praising God, something is wrong with their righteousness, holiness or purity. You have to praise God irrespective of anything.

•Father put up on me the spirit of praise that I will continually praise you even in the face of thick darkness, midst of deadly attacks from the enemy, when it appears I am failing or losing in battles, that I will still praise you. Lord Jesus put upon me the garment of praise, the spirit of praise that I may continually praise you in each day of my life, praising you for hours. Lord put upon me such a spirit of praise for it is fitting for the godly, fitting for the righteous to praise you. Help me to praise you above my problems, above my shame and suffering.

⇒. There is no spiritual weapon as powerful in bringing victory as the weapon of praise. It's funny that this is the weapon most Christians hardly use to fight battles with. Most do not always remember to use this weapon because the devil knows how powerful it is, that is why the devil is blocking your mind from praising God because he knows what can happen when you open your mouth and begin to praise God genuinely.

•Father let every power blocking my mind from remembering to praise you, every power clouding my mind to stop me from praising you, oh God of Israel let your fire consume them now. Every power, darkness, force of hell, force of darkness that is clouding my mind to stop me from praising God, weakening my mind to stop me from praising God, let the fire of the Holy Ghost consume them now in the name of Jesus. Every power attacking my mind and soul to stop me from praising God, catch fire right now in the name of Jesus, Father destroy them all.

VERSE 2

⇒. The Lord was telling me that there is heavenly music and music that comes from the earth. He said the music that comes from heaven comes with the presence of God but the one from the earth does not bring the presence of God. Concerning melody, He said heaven's music might not have the melody that is sweet like the melody of the earthly music but the power it carries is so great. Most songs including gospel ones did not come from heaven, meaning they were not inspired from heaven but were inspired (composed) through human talent. There are songs that you can write because you have the gift and talent but there are songs that are inspired from the throne of God and when you praise God with those kinds of songs, something will happen to you. May the Lord lead you to heaven inspired music.

•Father, lead me to come in contact with music that comes from heaven, music you have released from your throne so that I can connect with your presence through them. Lord lead me to encounter these songs, to know these songs, lead me to hear these songs of heaven, songs from heaven. Lord let me find them, send those songs to me, Father send me those songs.

⇒. Music commands great power in the realm of the spirit especially those ones inspired from heaven. Music is like living beings in the realm of the spirit, they are more than songs, they are spirits in the realm of the spirit. It is possible to fight

battles with songs alone and prevail and win. With songs you can be lifted from the earth's dimension into heavenly dimensions. Spiritual songs can become your wings in the realm of the spirit, in the realm of prayer, your wings by which you fly and ascend into heaven.

•Father minister unto my heart spiritual songs that will lift me up and empower me for victories. Oh God of Israel, minister unto my soul, my heart spiritual songs, songs of the angels, songs of the Holy Ghost. Minister unto my heart songs that will lift me up into the realms of victories, songs that will empower me to win battles, let those songs come to me Father in Jesus' name.

⇒. Lift up your right hand. In the name of Jesus, let every weapon the devil has been using to prevail over me, let those weapons begin to fail from this hour henceforth. Every weapon that the devil enemy has been using successfully over my life and destiny from this hour henceforth, let that weapon begin to fail. It is written that no weapon formed against me shall prosper, therefore I decree every weapon that has been mobilized, that the enemy has always been using to overcome me, I command that you begin to fail right now in the name of Jesus. Every weapon that the devil is using, the devil has been using to attack me and overcome me, from this hour henceforth I decree that you begin to fail, I decree you shall not prosper in the name of Jesus.

VERSE 3

⇒. Father let there be excess victories in my life that will make me burst into praises from today. Lord let there be too many victories in my life and in the battles of my life in my finances, career, ministry and calling such that I burst into praise to you, so that I can not stop praising you. Lord let me enter into a season of great victories and excess victories in the name of Jesus. Take me into that season.

VERSE 4

⇒. Father speak a word concerning my life, a word from your throne into my life and do as you have said. Speak a word concerning my health and breakthrough, release a word, command a word, release a decree, command an order from your throne, speak a word that will lead to my success, to my victory; that will lead to manifestations of miracles in my life. Lord send your word into my life and do as you have said in the name of Jesus. Speak a word Father because whatsoever you speak will happen, everything you say, you will do them in the name of Jesus, thank you Father.

⇒. Father let your Spirit of truth, begin to reveal to me every truth hidden in your Word. Father let the Holy Spirit begin to expose to me as I open the scriptures. As I open the Bible let every truth that is hidden in your Word, because your Word is full of truth and righteousness, therefore let the truth in your Word begin to appear to me. As I hear your Word, as I read your Word, let the Holy Spirit begin to unveil to

me, to reveal to me the truth of you in your Word. I do not want to read the Bible like a storybook but I want to read the Bible and see revelations. I do not want to read the Bible like a natural man but to read and see revelations of you and have encounters with the wisdom of God. I want to read the Bible and see you, as I read, let me begin to connect with every truth of yours in the scriptures henceforth in the name of Jesus.

⇒. The Word of God or the scriptures are powerful weapons to win battles. Did you know that reciting or quoting the scriptures in spiritual warfare will bring you great victories. There are some scriptures that when you recite them, for example seven times in the midst of a very dark situation almost instantly you will receive your miracle. But if the Lord did not lead you to that scripture, nothing will happen. So you need the Lord to give you scriptures that will become your weapons.

•Father, reveal to me scriptures that will become weapons that will bring victory to me in the place of spiritual warfare. Lord give me scriptures, chapters of the Bible, books of the Bible to fight the enemy with and win. Scriptures to use against temptation, scriptures that I will use to silence the voice of the enemy and the whispering of the enemy. Give me scriptures that I will use to receive my deliverance and healing. Lord show me those scriptures in my dreams, show me as I am praying, show them to me in the name of Jesus. Speak to me the scriptures that I will use to bring great victories in the battles of life in Jesus mighty name.

VERSE 5

⇒. Father let my life from today be governed by your righteousness and let me be found doing what is right. When I am talking, let me be right; in whatever I am doing, let me be right; in my thinking, let my thoughts be right. Father let your righteousness, the righteousness of Jesus govern my life, my actions, decisions and attitudes. Right now oh God of Israel, let your righteousness rule over my life, thoughts, words of my mouth, my decisions and over every action I take from this hour henceforth in the name of Jesus. Let your righteousness rule over my life so that when I am teaching, preaching and in whatever I am doing, I am always right. Lord let me be controlled by your righteousness all the days of my life in the name of Jesus.

⇒. If you do good, you will earn His love. There's universal love, unconditional love for everyone, for every soul but there is conditional love as well. God has His favorites; it's not everyone who is in the same place in the heart of God. He loves some people so much more than others, that is why He said I will have mercy on whom I will have mercy, and I will have compassion on whom I will have compassion. This means that He will not show some people mercy because they are not in that place in His heart to receive mercy. Even in the days of Jesus, He had three people He always walked with, differently from the rest. God has some special favorites, that is why I said there is a conditional love of God that you will earn by how you live your life. God is not a respecter of persons and you can never bribe

Him and He gives to you as you deserve. You will reap whatever you sow. There are some things when you start doing, you will gain His attention and He will love you more and choose to answer your prayer first before answering other people's prayers.

•Father, help me to do things that will enable me to earn your love and your special interest. Lord help me to do good such that I earn your love, I receive your mercy, I receive your grace. Help me to be established in goodness that will qualify me to earn a special place in your heart, help me Father, I want to be your closest friend. I want to be so close to your heart, help me Father in Jesus' name.

⇒. Unfailing love is the love connected to a covenant. Unfailing love or mercy, mercy is something that comes out of covenant. When God begins to deal with you by covenant such that whenever you do certain things God is mandated to also do certain things, that is a covenant. Whenever you do something, God is committed to do something almost immediately meaning that it is a love that can never fail irrespective of the situations you find yourself in or whatever is happening in your country or the economy of your country. God's love does not fail because it is backed up with covenant or God's commitment. He has committed to always do something as long as you will do 'that' something.

•Father, I want to enjoy a covenant fellowship, a covenant relationship with you, help me to please you with my life so that I can enter into a covenant relationship with you, help me to feel you, honour you and please you. Oh God of Israel, I want to enter into a covenant fellowship with you, help me to fear you because the secrets of the Lord belong to those that fear Him and He will show them His covenant. Lord help me to fear you, to obey you, to honour you and to do your will so that I will begin to enjoy your unfailing love that comes with being in covenant with you.

⇒. There is a faith relationship and then there is a covenant relationship. Faith relationship is where you trust God for something and you begin to pray for that thing and wait trustingly and then receive. In a covenant relationship, God will come to you and commit Himself to you by covenant and He will tell you something like this 'as long as I am God, there will never be a day you will lack money to spend', that is a covenant commitment of God to you. And whenever God does that it means that even if you do not believe or find it hard to believe for that huge lump sum of money, God will always do what He said. Covenant relationship is greater than faith relationship, as long as you are doing your own part of the covenant God will automatically do His own part. People like Enoch and Abraham were tested and tried and God saw that they will never fail Him and when they passed the tests, He made a covenant with them. He will test you, prove you, subject you to many trials, persecutions and other things; if you still please God despite, that is when you enter into this covenant relationship with God. Are you desperate for such a relationship whereby when you speak it happens almost instantly? Only being in a covenant relationship can do this.

•Father, I am desperate to relate with you by covenant, Lord help me, draw me closer unto you, destroy weaknesses and darkness in my life. Help me to walk in you deeper than I am right now. Lord help me to defeat this flesh, lust of the flesh, pride, help me defeat my secret darkness, secret sins. Help me Lord to love you so that I may enter into a covenant walk with you. Help me to please you, to overcome fear and every weakness in my Life. ***As you have prayed, may the Lord help you in Jesus' mighty name, Amen.**

CLOSING PRAYER

Raise up your right hand.

Oh God of heaven and earth, mighty Savior, mighty healer, mighty deliverer, mighty God, I lift you up, I honour you, I praise and celebrate you. Thank you Lord for your grace, great glory you have released upon our lives. Thank you Lord for your visitation upon every life. Thank you for your determination to change our lives. Thank you Father, be exalted, be praised forever in Jesus' name. I am praying for you, right now as I am talking, let every difficult situation in your life come easy now in the name of Jesus. Those things you have been finding difficult to achieve and obtain, to possess and accomplish, I decree that from now they become easy for you in the name of Jesus. Whatever thing, as long as it is good and agrees with the will of God that you have been trying to accomplish, by the reason of the anointing of the Lord upon me, let them begin to become easy for you to accomplish now in Jesus' name.

Failures, end in your life in the name of Jesus. Sicknesses, diseases and pains, I decree shall end in your life right now in Jesus' name. Oppressions, hardships, suffering, poverty, sorrow, and sadness shall end in your life right now according to my decree in the name of Jesus, and so shall it be.

I declare that the plan of the enemy, determination of the enemy to ruin your life, to destroy good things in your life and waste your life untimely, I decree that plan, determination and agenda is hereby destroyed right now in Jesus' name. From today, because you're connected to this ministry, when people are saying casting down, there is nothing or there's no progress or success, you shall be saying I have succeeded, I have accomplished great things and such shall be your testimony in Jesus name. Thank you Father because we know you have answered these prayers, blessed be your Holy Name in Jesus' mighty name, it is done, Amen.

[04/07, 23:11] +254 768 88****: Hallelujah!!! Hallelujah!!! Glory to Jesus in the Highest, Now lemme testify Prophet AA, I remember there was a day I asked for prayers for Financial breakthrough, and so the Lord did it, ok I had a debt to pay, but I had no money to pay, so I trusted in the Lord for this, then I asked you to trust the Lord with me for prayers, I tell you Haaa!!! The Lord did it, it seemed slow and sluggish but the Lord has done it, so just Yesterday, My brother just paid all the debt in which I did not believe he would, and last month God just made a woman to pay a quarter of the debt, then on another day, the Lord just bought for my phone credit in which I searched all through my phone who could have bought it but I saw no contact then I concluded that the credit for bundles that I browsed with in the internet came from God Hallelujah!!!!

Then also just last month as we were still studying at our college, there is day that I myself I was so broke to the extent that I would starve and sleep on an empty stomach, but my friends and roommates were not ready to give out money fully although they gave little, so one day our gas cylinder was empty, and there was no enough food in the house, so one of my friend went to cook but the gas was over, so both of my roommates had to go and borrow a gas cylinder from a friend that was full, so as they left, by faith, I went carried the gas cylinder and prophesied to it and the next day, I don't know where money came from but my roommates came in the evening and filled it up and bought foodstuffs in the house that I didn't contribute to. To me I praise the Lord for this was great wonder from the Lord, Hallelujah to Jesus!!!!

God is this place help me celebrate Him Hallelujah 🙌🙌🙌🙌🙌!!!!!!

[04/12, 17:08] Vongai: Greetings Saints

Yesterday when I posted this prayer I was in need and I was trusting God for provision. I was supposed to go to school today but I didn't have even a cent for transport so I just said the Lord will take care of it, I am not my provider, yesterday passed and today the morning passed, during the afternoon I was advised to borrow money by my husband so that I will go to school and sort out my coursework but I had opted not to borrow from anyone believing God for a miracle.

As hubby persisted I talked to someone who said they will give me the money and as I was studying I thought of my new shoes that were a bit small so I thought of selling them, when I went to my fellow tenants the first person who touched them took them and paid me cash, I was so amazed on how the Lord works, I now have busfare to go to school 🙏🙏🙏🙏🙏, I then went back inside the house and thought of a java material I had bought for myself and some hair pieces, I showed them and all were taken though on debts but I believe they will be paid off soonest. M so happy, I was in such a trying situation but the Lord amazed me with things that I have long stayed with in the house.

As if this wasn't enough, I received a call and it was hubby's old friend, he asked for my ID and within minutes he sent me money. I give glory to God, I believed him to do wonders and today I have witnessed them in Jesus name. 🙏
