**NB: Don't be distracted in this prayer session because of what God wants to do in your life, let your mind, soul and faith be focused on Jesus so that you can receive all that the Lord wants to do in your life.**

## **PRAYER POINTS**

⇒ Thank you Lord for your mercy upon my life, thank you for your mercy speaking for me, speaking good concerning my calling and destiny. Thank you Father for your mercy upon my life speaking good concerning my future, success and progress. Thank you for your mercy speaking good things for me, thank you Lord Jesus for your mercy that you have placed upon me.

⇒ Raise up your right hand. Father let your heaven open over my life and environment and let my help be released. Father let your heaven open over my spirit, soul and body and let my help be released. Jesus let your heavens open over me right here, right now and let the help you have packaged for me at this time of my life locate me in the name of Jesus.

⇒ Father change the atmosphere of my life to the atmosphere that makes all things possible, an atmosphere that makes impossible things possible. Father, change the atmosphere of my life, the atmosphere of my family, the atmosphere in my home, environment, calling, ministry and destiny into an atmosphere that makes all things possible, an atmosphere that makes supernatural and miraculous things possible. Lord, change the atmosphere of my marriage, the atmosphere I live in, the atmosphere that surrounds me and follows me into the atmosphere that makes impossible things possible. Lord change the atmosphere of my life into the atmosphere that makes breakthroughs, success, progress, prosperity, victories, healing and deliverances happen so easily in the name of Jesus.

### **PSALMS 36:3**

⇒ The wicked people who have chosen to be enemies of God will never say what is true. All they will always say is to alter the will of God, they promote lies, perversion and things that are contrary to the will of God, they are against righteousness and are full of perversion.

• Father let your anger be kindled upon every power and personality of darkness uttering negative words into my life, every demonic voice that is pronouncing negativity into my life, Lord let your anger fall upon them and destroy them all in the name of Jesus. Lord, let your anger fall upon every voice and utterances of the wicked, negative words that have been spoken to alter your plans for my life and destiny, every negative words that have been pronounced into my life from the realms of darkness and witchcraft, Lord let your anger waste them all in the name of Jesus. Every negative word that has been spoken against my life to alter your plans for my life and destiny, oh God of Israel terminate them now in Jesus' name

⇒ The enemy has plans to put people on a crooked journey, when the enemy puts you on a crooked journey through witchcraft you won't see yourself making progress, moving forward or fulfilling God's purposes for your life.

• Raise up your right hand. Father let your anger fall upon every witchcraft manipulation that has positioned me on a crooked journey, on a twisted journey that

will not lead me to my promised land, Lord let your anger fall upon them and destroy them all in the name of Jesus. Lord let your anger fall upon every witchcraft manipulation that is twisting and confusing the journey of my life, calling and destiny, every witchcraft manipulation that turned the journey of my life into crooked ways so that I don't fulfill God's will and purposes for my life, oh of Israel arise in your anger and waste them all in the name of Jesus. **\*Every witchcraft manipulation that has turned your straight journey into a crooked journey, pushing you into all directions, moving you into direction that will not lead into the fulfillment of your destiny, I decree the anger of God to waste them now in the name of Jesus. Every witchcraft spirit following your life to ensure that the journey of your life is not straight forward, to ensure that your journey into fulfillment of destiny is not straight forward, to ensure that you are always confused and misled, I decree that the fire of God arrest such spirits and destroy them now in the name of Jesus.**

⇒ Everything the enemy says is crooked because they are crooked, the enemy doesn't want you to enter into your promised land, they don't want you to have God's will fulfilled in your life.

• Oh God, arise in your power and strike every personality and creature of darkness standing to stop me from entering into my promised land, standing to stop me from entering into the destination and glory you have prepared for me, every personality of darkness standing to stop me from entering into the fulfillment, realisation and manifestation of your promises, Lord arise in your anger and strike them dead in the name of Jesus. Every personality of darkness that doesn't want to see me enter into my promised land, every personality of darkness standing to stop me from making progress into the place of promise, into the place of greatness, glory and honour, Lord, let your anger strike them dead.

⇒ Your promised land is the realm where your divine purpose, calling and destiny will be fulfilled to the fullness as it is in God's plans. It's the realm where you possess your possession and have the fullness of all that the Lord has promised.

• In the name of Jesus I receive every divine intervention I need to enter into my promised land, every divine help that I need to enter into my promised land, to possess my possession, I receive them now in the name of Jesus. The divine help, divine intervention and angelic intervention that I need to enter into my promised land, I receive them now in the name of Jesus.

⇒ One of Satan's greatest weapons is deception. When you are deceived in any area of your life you will be forever limited in that area.

• In the name of Jesus, I bind every spirit of darkness controlling my mind to make me believe against the truth, to make me believe against the plan of God for my life, to make me settle for less, to make me settle for what is not in the plan of God for my life, to make me believe what is against the plans of God for my life, I bind such spirits in the name of Jesus. Every spirit of darkness controlling my mind to make me believe things that God does not have for my life, to make me believe against

trusting in God, to make me believe against faith, righteousness and the power of God, I bind such spirits of darkness in the name of Jesus. Every spirit working in my mind to make me believe and think in a direction that is against the truth, in a direction that is against faith, against God's righteousness and God's nature, I bind such spirits now in the name of Jesus.

⇒ It will be a great limitation on your calling and destiny if you happen to have believed a prophecy that's not from God.

• I renounce every prophecy I have believed that is not from the Lord for me, I cancel the power and influence of such prophecy upon my life and destiny in the name of Jesus. I renounce every prophetic words, dreams, visions and revelations I have believed and received that were not from the Lord for me, every prophecy I have been following and partnering my life with, let their influence and power over my life be destroyed right now in the name of Jesus.

⇒ If you happen to plan your life based on a certain prophecy that's not from God for your life, you will remain limited until you stop believing and following that prophecy. That is why it is important to have a strong relationship with God because devil will not be able to prophetically deceive you, he will not be able to use dreams and visions to deceive you, if your relationship with God is very strong it will be very difficult for you to be deceived through prophecies or spiritual manifestations.

• Father, open my eyes to discern every negative prophecy, negative dreams, visions and revelations that I have patterned my life with, Lord open my eyes to discover them and to renounce them in the name of Jesus. Every prophecy that is making me to live in a negative identity, every prophecy that is making me to give myself an identity that is not the Lord's identity for my life, everything someone said I am and I believed that which I am not, Lord show me these prophecies that I may cancel them and stop believing them in the name of Jesus.

⇒ No matter how wise and smart the people of the world think they are, in the sight of God they are fools, their highest wisdom before God is foolishness. Anyone that does not follow and obey God can not be wise.

• In the name of Jesus I reject every counsel, idea and advice I have received that is against God's wisdom and will for my life, I reject them now in the name of Jesus. Every counsel, wisdom and idea I received ignorantly, every idea and opinion of men I have opened my heart to, or received that are not inline with the plans and will of God for my life, I reject them now and I cancel them now in the name of Jesus.

⇒ Father let my mind and soul be filled with your presence, power and fire such that I know what to believe and what not to believe, such that I know what is true and what is not true, such that I know what to receive and what not to receive. Lord fill my soul with your fire such that I am able to know what is wise and what is foolishness, such that I am able to know what to do and what not to do, such that I am able to know which counsel to receive and which counsel to reject, such that I am able to know

what to believe and what not to believe. Lord, fill my soul, mind and heart with your fire to be able to discern accurately what is wrong and what is not wrong, to be able to discern what is true and what is false.

⇒ In these last days you must have a very strong discerning spirit if you want to see the plans of God come to pass in your life because if you should mistakenly go in a wrong direction or do something you should not do at that time, you might not see the plans of God come to pass in your life.

• Father, train the senses of my soul and spirit to be able to discern accurately things you want me to do and things you don't want me to do, things I should stop doing and things I should start doing. Lord, train my senses to make right choices, train my senses to discern these things as I walk in my everyday life. Holy Spirit train the senses of my soul and spirit to know people I should walk with and people I should not walk with, to know people I should trust and people I should not trust, to know people I should talk to and people I should not talk to, to know places I should go to and places I should not go, Holy Spirit train the senses of my soul and spirit to accurately discern those things in the name of Jesus.

⇒ The stronger your light is, the more you will be able to detect any appearance of darkness. If you do not seek after having a pure heart always, you can not have an accurate spiritual discernment.

• Father let your fire arise from the depth of me and refine me and make me pure that I may discern accurately in the realm of the spirit. Lord let your fire burn from the depth of my spirit, soul and body till I am refined and pure as gold, Father let your fire refine me from the inside and let every pollution, corruption, uncleanness and impurity begin to burn in the name of Jesus. Let the cells of my body, every part of soul and spirit be refined by your fire till I am completely pure in the name of Jesus. Lord, I want to be completely pure, refine me in your fire for complete purity, let everything you do not want in my life be consumed by your fire, let everything that brings darkness and is giving room for darkness in my life be consumed by your fire in the name of Jesus.

⇒ For you to accurately discern in the realm of the spirit, you must have a pure heart because if the devil has a fragment of him in you, you will not be stronger than him. If you are not stronger than him you will not be able to accurately discern his secret and operations against your life because you are still guilty of things he does and promotes. If the dark kingdom is promoting lies, anger and sexual sins and those things are still found in your life then you can't be stronger than them and you won't be able to discern what they're doing against you, and if you can't discern you will not be able to pray correctly and if you can't pray correctly, your prayers will be weak.

• Place your right hand on your head. Father help me to maintain a pure heart before you always, help me to be disciplined so that I can live a pure life. Lord I want to be victorious in my battles against the enemies, I want to be victorious in spiritual

warfare, I want to be able to accurately discern the realm of darkness without being confused or deceived, I want to be able to rule their operations, I want to be able to overcome their works, Lord help me to live a pure life, help me to maintain a pure heart before you always, help me to be disciplined so that I can be pure in heart.

⇒ There are some directions from God that will not appear to you if you are still enslaved by certain sins. Unless you repent and be delivered from those sins you will not get some divine messages from God.

• Father, deliver me from every realm of sin and addiction that has enslaved my soul, that is not allowing me to see what you are showing me concerning life and destiny. Lord deliver me from every realm of sin that has enslaved my spirit, soul and body, that is not allowing me to see what you are showing me, that is not allowing me to discover your mind and direction for my life, calling and destiny. Oh God of Israel deliver me now (begin to mention the sin that's still ruling over you) from the addiction of my sin so that I may accurately discern your will, directions and plans for my life.

⇒ Wicked people are rebellious and don't like to please God.

• Father let your anger be kindled against every personality of darkness that has vowed to continue attacking me till they see my downfall and destruction, oh God arise in your anger and shut them down forever. Every creature of darkness, spirit of darkness that has determined not to rest until they see my destruction, every enemy of my destiny that will not rest until they see my downfall and destruction, oh God arise and shut them down in your anger.

⇒ If you are a friend to an enemy of God it means you become an enemy of God too, be careful with who you draw closer to yourself because if the judgement of God is upon that person it will be transferred to you too.

• Father, separate me from every rebellion friend I have brought closer to myself, every person I have brought closer to myself that is an enemy of you and your righteousness, oh Lord separate me from them in the name of Jesus. Every person I have drawn closer to my life that has a secret life of rebellion that's unknown to me, people who have no fear of God, people who will not do good, Lord cut them off from my life.

⇒ God has sent us to preach the gospel to sinners and not make friends with their sins.

• Father let your strength replace my weaknesses, that I may be perfect before you, that I may be perfect in all your will, that I may walk uprightly, righteously and perfectly in your will. Lord, let your strength replace my weakness that I may do things right before you.

⇒ Raise up your right hand. Father let the blood of Jesus that was shed on the cross of Calvary flow into my life to heal me from the foundation of my life. Father let the

blood of Jesus that was shed for me on the cross of Calvary flow into my life and begin to heal my spirit, soul and body from its foundation, let it flow into my life to heal my marriage, finances, calling, ministry and destiny from their foundation. "Blood of Jesus(3×)", flow into every part of my life and begin to restore and heal my life from its foundation in the name of Jesus. (Mention the names of your family members, ask God to send the blood of Jesus into their lives for complete healing in every area of their lives).

⇒Your cause is what you do for God, what you stand for, live for and why you were born.

•Raise up your right hand. Arise oh God defend my cause with your great power till I am victorious, successful and great. Arise oh God in your power defend my purpose, defend my marriage, defend my destiny, career, calling and ministry with your great power till I am victorious, successful, great and established in the name of Jesus, Amen.

Every trap of destruction the enemy has set on your path to catch up with you and to destroy good things in your life, to oppress you and to enslave your life, I decree that the fire of God consume such traps in Jesus' name. I curse everything God has not planted in your life that is gaining root and spreading branches, I command them to die now in Jesus' name. Whatever God is not doing in your life that's prospering, right now let them be wasted in the name of Jesus.

The testimony you have been waiting for and looking for, receive it now in the name of Jesus. The help you need at this time to get into your promised land, receive it now in the name of Jesus. You shall no longer be deceived in Jesus' name. You shall be delivered from every deception that has limited your progress in destiny in Jesus' name. Thank you Father because we know you have answered, blessed be your Holy name, in Jesus' name it is done. Amen

**BE BLESSED IN JESUS' NAME**

⇒In the name of Jesus I break in pieces every chain of slavery on my neck, on my hands and legs, I break them in pieces right now in the name of Jesus. Chains of slavery holding me captive break in pieces. Inherited and ancestral chains of slavery, break in pieces in the name of Jesus. Chains of slavery to darkness, slavery to demonic covenants, curses, witchcraft operations and demonic control, break in pieces now in the name of Jesus.

⇒Raise up your right hand. In the name of Jesus I come against every attack of darkness programmed against me in the hours of the night, every attack of darkness that comes against me in the hours of the night, let Fire of the Holy Ghost consume them now in the name of Jesus. #### **PSALMS 36:4**

⇒ Agents of darkness carry out their evil operation in the depth of darkness where no one can detect them.

•Arise oh God and descend upon every realm of darkness where evil is being planned against my life, Lord descend upon those realms and consume them all in the name of Jesus. Every realm of darkness, coven of witches and wizards from

where evil has been devised against my life, oh Lord descend upon them in your anger and consume them all in the name of Jesus. Arise oh God fall upon every realm, environment, gathering and covens of agents of darkness whether visible or invisible devising evil against life, calling and destiny, arise and consume them all without mercy in the name of Jesus.

⇒The wicked have grabbed the hours of the night for their evil works.

- Fire of the Holy Ghost trace every meeting place of agents of Satan devising evil for my life, fire of Holy Ghost trace those places and destroy them all in the name of Jesus. Let the Fire of the Holy Ghost trace every place of gathering of agents of satan devising evil for my life, career, calling and destiny, Fire of the Holy Ghost locate them with destruction and destroy them all in the name of Jesus.

⇒The meeting places of some agents of Satan are inside the houses of some weak Christians. Because there is no fire burning on the altars of such families, that is why agents of Satan can hold their meetings in their houses. The more they hold their meetings inside their houses the more they succeed over the lives of the people in that house.

- Stretch down your right hand, palm facing down. In the name of Jesus let the building where I live be saturated by the Fire of the Holy Ghost such that no agent of Satan and devil can survive in this place. You, my house and the environment I live in, be filled with the Fire of the Holy Ghost. From now onward let no agent and spirit of darkness, witches and wizards be able to function here in the name of Jesus. **\*As you have said, it is done in Jesus' name.**

⇒ Agents of Satan don't want their works to be discovered, that is why they operate in the night.

- Father let your fire locate every secret operation going on against my life and let your Fire expose and consume them all in the name of Jesus. Let the Fire of the Holy Ghost locate every secret operation of darkness going on in my life, going on against my calling and destiny, Fire of the Holy Ghost find them, expose and destroy them. Let the light of God that shines in darkness and darkness can not comprehend it, begin to shine and expose every secret operation going on against my life, calling and destiny. As they are exposed let them be destroyed for it is written, for this purpose was the Son of man made manifest that He might destroy the works of the devil. As the Fire of God exposes the secrets of darkness going on against me, let the power of Jesus destroy them in the name of Jesus.

⇒Some of you are struggling because of certain things the enemies have done during the hours of the night against your life and destiny. That is why you are struggling to have a testimony and lasting prosperity or lasting victory.

- Place your right hand on your head. Fire of Holy Ghost enter into the depth of my life and begin to destroy every wickedness the enemy has sown into my life during the hours of the night, fire of Holy Ghost destroy them all in the name of Jesus. **\*I**

decree over your life, let the Fire of the Holy Ghost enter into the depth of your life and consume every evil and wickedness that have been planted and established in your life, let the Fire of the Holy Ghost destroy them now in the name of Jesus.

⇒ During the hours of midnight your destiny can be helped such that you begin to rise and fulfill destiny; your destiny can also be deformed during the hours of the night such that you never get any chances to fulfill your destiny till death. Why should you be sleeping when you have been sleeping for years and you have not experienced any significant changes in your life. Why can't you talk to yourself and say "I will reduce the hours of my sleep in the night because I want things to change for me". The beautiful thing is, if you are making this beautiful decision right now, there are a lot of prayer points available in this ministry that can help you to always pray every midnight. There are a lot of resources in this ministry that can help you to build this spiritual attitude.

- Father, help me to be strong in my spirit to effectively utilize the hours of the night for prayers and spiritual warfare. Father, strengthen my inner man with might to be able utilize the hours of the night and midnight for victorious prayers, Lord strength me for these tasks in the name of Jesus.

⇒ One of the most powerful midnight prayer progress is when you pray till day break. When you pray from midnight till day break it is always powerful and it opens the heavens. During the earthly days of Jesus Christ, He prayed till day break.

- Father let your mighty hand always wake me up in the hours of the night and midnight to pray in the name of Jesus. Lord, as I have made up my mind to embrace this task, let your mighty hand always wake me up to pray and make war at midnight in the name of Jesus.

#### **PSALMS 36:4**

⇒ The wicked are awake at night to devise all manners of ways and strategies to bring you down.

- In the name of Jesus let all the evil plots the enemies have devised for my downfall, fall upon their heads in the name of Jesus. Let all that they have planned in the realms of witchcraft, in the realm of marine spirit, in the realm of deep darkness, antichrist, demons and satanic realms, let all their plans begin to turn against them right now in the name of Jesus. Every trap and evil plot they have devised for my downfall, right now turn and catch up with the senders in the name of Jesus.

⇒ The wicked are people who can not repent, they are not ready to turn from their evil. That is why God will not stop destroying them because they make no attempt to turn from their evil.

- Father let swift destruction fall from heaven upon every enemy that will not stop attacking me, oppressing me and seeking my downfall, let swift destruction from your throne fall upon them right now in the name of Jesus. Swift destruction from heaven

fall upon every enemy, whether they are in the heavenly places, on earth, under the earth, in the realms of the waters, in the atmosphere, every enemy that will not stop attacking and oppressing me, that will not stop seeking for my downfall, let swift destruction from heaven consume them now in the name of Jesus

⇒ Raise up your right hand. In the name of Jesus I decree let every evil arrow that has been fired into my life turn back to its sender in the name of Jesus. Let every wicked and evil arrow of darkness that has been fired into my life turn back and begin to hit and strike their senders now in the name of Jesus.

⇒ The wicked are not ready to stop until they succeed and they can't succeed in your life because only the will of God must happen in your life.

• Arise oh God in your wrath and anger and destroy multitudes of hosts of darkness that have been unleashed against my life, calling and destiny, Lord arise and destroy them now in the name of Jesus. Arise oh God in your anger and wrath and destroy multitudes of the hosts of darkness that have been despatched against my calling, breakthrough, progress, prosperity and success, arise oh God and crush them in pieces in the name of Jesus.

⇒ There are some personalities of darkness (non-human) that must die before you can fulfill your destiny. The only thing God does to these kinds of creatures is to destroy them because they will not stop their evil until they die.

• In the name of Jesus let the sword of the Lord strike dead every personality of darkness whose survival is a limitation to the fulfillment of my destiny. Every creature of darkness whose being alive is a limitation to my progress and success in life, let the sword of the Lord strike them dead in the name of Jesus. Every personality, creature and being of darkness whose survival is a limitation to the fulfillment of my calling and destiny, let them die by the sword of the Lord right now in the name of Jesus.

⇒ I invoke the Fire of God to reverse every wicked work the enemy has perfected against my life, marriage, calling and destiny, let the power of the Lord reverse those works right now in the name of Jesus. I invoke the power of God to reverse and undo every work of wickedness the enemy has perfected in the waters, in the ground, in the atmosphere, in the second heaven, in the air and in the sea, I invoke the power to God to reverse and undo those works right now in the name of Jesus. Every work of wickedness perfected in the graveyards, in the trees, on rocks and mountains, every work of wickedness that has been perfected in any realm against my life, marriage, calling and destiny, let the power of God reverse and undo them now in the name of Jesus.

⇒ Spiritual sleep is when you are not sensitive to the operations of the kingdom of darkness going on around you and against your life. When you are asleep in the spirit, any plan of the enemy can succeed in your life.

•Place your right hand on your head. Fire of the Holy Ghost destroy spiritual sleepiness and insensitivity in my life, awake up my spirit, soul and body to fully discern the operations in the realm of the spirit. Fire of the Holy Ghost destroy spiritual sleepiness and slumber in my life, Fire of the Holy Ghost awake my spirit, soul and body to become sensitive to my spiritual environment, to become sensitive to the operations going on in the realm of spirit. Fire of the Holy Ghost awake my spirit man, awake my spiritual senses to fully discern the activities and operations of darkness going on against me in the realm of the spirit.

⇒You are not supposed to sleep spiritually. There should never be a time that you will not be in the spirit, because a few minutes of spiritual deadness is enough for the enemy to do terrible things in your life.

•I receive grace to be always sensitive in the spirit, to walk in the spirit always, to be alert in the spirit always. I receive grace to be always awake in the spirit, I receive grace to always walk in the spirit and not in the flesh, I receive the grace to be spiritually alive at all times in the name of Jesus.

⇒It is a sign of spiritual weakness when you can not do some spiritual exercises, it is also a sign that your spirit has been poisoned. If you can not be awake in the spirit all the time it means there's pollution in your spirit.

•Place your right hand on your head. Blood of Jesus eliminate from my spirit, soul and body every pollution of darkness killing my spiritual sensitivity, killing my spiritual strength and discernment, blood of Jesus eliminate them in the name of Jesus. Blood of Jesus eliminate every pollution and poison in my spirit, soul and body weakening my spiritual discernment, weakening my spiritual strength, killing my spiritual sensitivity, blood of Jesus flush them out. Every poison and pollution in my spirit, soul and body making it difficult for me to be alive and awake spiritually, making it difficult for me to be sensitive and strong spiritually, blood of Jesus eliminate them from my body system, organs and blood in the name of Jesus.

⇒You need to be offensive and not only defensive in spiritual warfare. If you only pray prayers of protection like "Father let the blood of Jesus cover me, let me be protected from demonic attacks, let my spirit, soul and body be surrounded by your fire, etc" that is a defensive approach to spiritual warfare. It is not enough if your prayers are to always cover yourself from attacks because you are not going to grow in strength with such kind of prayers and soon you will be seriously attacked and the enemy will overcome. But to be offensive means you go to where the enemies are and fight them, you don't wait for them to come and fight you. When you are offensive, heaven will back you up and God will defend you and that is how you become a strong prevailing prayer warrior. Don't wait for problems and attacks to come before you start praying, that is not how to fight as a Christian.

•Father, teach me to clearly identify the enemies arising against my life and to go after them and win against them, teach me to do these things in the name of Jesus. Lord teach me to clearly identify the enemies that have risen against my life and

destiny and teach me how to pursue after them and to conquer them in the name of Jesus. Lord teach me to take the battle to the gates of my enemies and not to wait for the enemies to come.

⇒ Raise up your right hand. In the name of Jesus let the Fire of God freeze permanently every witchcraft activity that goes on in my environment on a daily basis, let the Fire of God freeze them forever right now in the name of Jesus. Fire of the Holy Ghost freeze permanently witchcraft activities going on a daily basis in this environment that I live in, Fire of God freeze them permanently in the name of Jesus.

NB: If you are a woman, always cover your head during our prayer sessions.

Thank you for understanding and revelation that your Holy Spirit brings to me on a daily basis.

⇒ Raise up your right hand. Father release your mighty angels into each day of my life to enforce the manifestation of your will in the name of Jesus. Oh Lord of hosts release your mighty angels into each day, minute, second and hour of my life to enforce the physical manifestation and demonstration of your will and desires for my life, ministry, calling and destiny. Lord, release your angels to begin to enforce them now in the name of Jesus, whether anyone likes it or not, whether the government of my country likes it or not, whether the situation going on in my life agrees or not. Lord by your angelic intervention begin to enforce the manifestation and performance of your will, purposes and desires in my career, marriage, calling and destiny in the name of Jesus.

⇒ Father strengthen me with your strength to stand in the truth and for the truth, strengthen me to stand for righteousness, to stand in righteousness when everyone else is compromising and falling, Lord strengthen me to stand in the name of Jesus. Lord, strengthen me to stand in the truth and for the truth, strengthen me to stand in righteousness, do not allow me to go in the way of destruction, deception and compromise. Oh God of Israel, strength my spirit, soul and body with your strength to stand for righteousness, to stand for the truth and God's kingdom on this earth, to stand for the standard of God, to stand for what heaven stands for. Lord strengthen me with your strength to stand for what you stand for, to stand for holiness, purity, faith and righteousness, when everyone else is embracing worldliness, believing lies and compromising, Lord strengthen my mind, soul and spirit to stand in the truth and for the truth in the name of Jesus.

⇒ Father, I open my heart for correction, oh Lord correct me in whatever thing I am not doing right, correct me by your Spirit, Word and voice. Lord I humble myself for correction, I open my heart and soul for correction, correct me so that I can be aligned with your will, nature and plans for my life. I open up my heart and soul for discipline. I want to be in alignment with your will, plans and divine nature, I want to be in alignment with the Word and truth. Lord, correct me now and I will yield to the correction.

⇒ Father, set on fire every garment of uncleanness, impurity and unrighteousness in my life that I have put on. Every pollution, every corruption, every death, uncleanness, unrighteousness and wickedness in my life, Lord set them on fire in the name of Jesus. Every iniquity, every unwanted thing, everything you do not want to see in my life, spirit, soul and body, attitude, habit and character; Lord destroy them by fire and purge me in your fire. Refine me in your fire, purify me in your fire, sanctify me in your fire till I am pure as gold and let every iniquity and unrighteousness be destroyed in the name of Jesus.

⇒ God will only identify with those things in you that are like Him, and every other thing in you that can not be found in Jesus, He will not encourage or support them.

Maybe that is why God has not been getting involved in some of your plans even when you ask Him to get involved, because you have made those plans all about you and not about Him or His will. God does not get involved with things that are against His righteousness and nature.

•Father, separate me from whatever thing I have embraced that does not align with your will, separate me from whatever system and plan I am involved in that does not line up with your will, Lord disconnect me from them now in the name of Jesus. Whatever thing I am doing that is not inline with your will, whatsoever thing I have embraced that does not look like your will, that is not about you, whatsoever plan I have that is not inline with your will, oh God disconnect me from them now, remove such plans from my life, stop such plans from progressing in the name of Jesus. Any attitude I have embraced, any nature in me that does not line up with your will, oh Lord let them end now. Father help me to live according to your will, ways, plans and standards. Whatever thing I do and embrace that does not line up with your will, standard, ways and plans, oh Lord let them come to an end in the name of Jesus. Lord, I want to identify with your will, ways, nature and righteousness. Anything that does not line up with your nature and righteousness in my life, let them die.

⇒Father give me your desires that I may serve you acceptably, give me your desires that I may do your work the way it should be done. Lord, let me have the same passion that is in your heart, the same passion you have for soul winning, the same desire you have to change lives. Lord, give me your desires, love and passion, fill me with your love and passion that I may serve you acceptably, that I may do your work the way it should be done.

⇒The highest level any man can reach in God is when God can share His personality with him, when He can make you like Himself and make you act like Himself. This height is a level in God where you begin to do miracles as if you are God, you begin to do miracles at your own will, not by faith anymore because you have become faith itself. What qualifies you to receive such grace is when you have the desires that are in the heart of God, when God can trust you to not misuse such power because He knows you share the same desires that are in Him, you reason and love the way He does.

•Father let every fragment of self and flesh in my life die till your desires become my desires and till my desires become your desires. Let every darkness, every flesh and self in my life, spirit, soul and body die, till my desire becomes your desires and till your desires become my desires, till I have the same heart and mind like yours. Lord, begin to cut off from me every thing that does not produce righteousness or glorify you, everything that does not please you, everything that is against your nature in my life, Lord begin to destroy them because I want your desires to become my desires. I want to have the same desires that you have, I want to have the same mind, love and passion that you have, oh Lord, prune me and let everything that must die in my life, die for me attain that level where your desires are my desires and where my desires are your desires.

## PSALMS 36:5

⇒When God decides to show you His unfailing love there's no limit to what He can do in your life. He will help you beyond what you have requested for, He will fight for you beyond what you have prayed for.

•Father, show me your mercy and unfailing love, do unto me beyond my expectations and let me enjoy the fullness of your unfailing love. Lord intervene in my life beyond what I have requested for, help me beyond what I have asked for, bless me beyond what I can contain because your unfailing love is sure, Lord bless and help me according to your unfailing love. Manifest your unfailing love and mercy in my life such that everyone will see and say indeed I have received favour from the Lord, do this oh Lord in Jesus' name.

⇒Not everyone deserves the unfailing love of God because God said in the scripture" I will have mercy on whomever I will have mercy, I will have compassion on whomever I will have compassion.

•Father help me to begin to do things and live my life in such a way that will qualify me to receive your unfailing love. Lord help me to begin to do things that will put me under the coverage and fullness of your unfailing love, help me to begin to do things that will qualify me to partake of your unfailing love, everything I need to stop doing and start doing that will qualify me for the fullness of your unfailing love, Lord help me to do them now in the name of Jesus.

⇒The mercy of God is greater than faith, you can have faith for certain things and nothing will happen, but when God shows you His mercy a lot of miracles will happen even when your faith is small.

•Father change the atmosphere of my life to the atmosphere of your mercy and unfailing love where I no longer struggle to achieve success and enjoy physical and spiritual blessings. Lord change the atmosphere of my finances, marriage, career, calling and destiny to the atmosphere of your mercy in the name of Jesus.

⇒There are things greater than faith, one of them is covenant and other is mercy. Covenant is when God decides to visit you and He tells you as long as I am God, concerning this or that you don't need to worry about it, I will take care of it and I will continue to take care of it. That kind is greater than faith, even if there comes a time when you do not have faith, God will still do what He says He will do, even after you have died, your children will still benefit from that covenant whether they have faith or not.

•Father by the reason of your unfailing love visit my life now and establish with me a covenant of unending blessings, a covenant of persistent flow of blessings, Lord established with me such a covenant in the name of Jesus.

⇒The unfailing love of God is constant and sure. Despite the level of darkness increasing, God does not stop the sun, moon and stars from shining. That's how constant and sure the unfailing love of God is. If God shows you His mercy concerning a particular aspect of your life, that aspect is going to be perfectly taken care of by God, it will be perfect, sure, and constant. It will not fail no matter what happens. That's why it's called unfailing love.

•Father help me with the help that can not fail, bless me with the blessings that can not fail, connect me with the flow of your mercy that can not fail. Lord by the reason of your unfailing love bless me with the blessings that cannot fail, blessings that are forever, blessings that do not lose value or diminish, help me with the help that cannot fail. By your unfailing love, manifest in my life your unfailing love.

⇒God knows the weaknesses of man, He knows why you keep rising and falling, He knows why you can't grow spiritually, He knows why you are finding it difficult to make progress and success, He knows why you can't lay hold of His blessings and fulfillment of His promises. He knows the weakness that is stopping you from having things He has always wanted you to have and He can by his mercy and unfailing love help your weaknesses. If you are still finding it difficult to pray and fast, finding it difficult to trust and depend on God that's a weakness. And God knows you need to do all these things so that you can lay hold of His blessings.

•Raise up your right hand. Father by the reason of your unfailing love, help my weaknesses that I may lay hold of the blessings you already prepared for me. Lord by your mercy help my weaknesses, heal my weaknesses, make me stronger than my weaknesses in the name of Jesus.

⇒God is faithful and powerful, certain things just need to be fixed in you for you to start enjoying God to the fullness of who He is. God is everything the Bible says He is and He has never diminished in value, strength and power. So the problem has been with us, not with God.

•Father, begin to fix everything that needs to be fixed in my life for me to begin to enjoy the fullness of the benefits that are in you for me. Father you are the one who created me, fix everything in me that must be fixed so that I can begin to enjoy the fullness of the benefits that are in you for me. Lord heal and restore everything that needs to be fixed in my spirit, soul and body for me to begin to enjoy the fullness of the benefits that are in you for me, for me to begin to enjoy the fullness of the benefits that are in your Kingdom for me. Lord you are the creator of my life, you can make me perfect, powerful and strong, Lord, fix my life.

⇒God has in His power more than enough of the help you need and there's no limit to what He can do to help you.

•Father, by the reason of your unfailing love, help me in unlimited ways, help me and bless me excessively. Lord by the reason of your mercy help me in unlimited ways, bless me in unlimited ways because your help is unlimited, manifest in my life unlimited help in the name of Jesus.

⇒ Unlimited ways means that God can come through in any means to help you, it also means He can bless you more than you have asked for. God is not limited to whatever thing that is going on in your life.

• Father by the reason of your unfailing love, let your help arise for me from the midst of everything around me, from the midst of everything in my life, within and around me, let your help arise for me now for you can not be limited. Lord, in the midst of everything and everyone that surrounds me, let your help arise and locate me for your help is unlimited, you are the one who commands fruitfulness to come out of a barren land, you are the one who commands things out of nothing, Lord by the reason of your unfailing love, let your help arise and find me from the midst of nothing, from the midst of everything and everyone that surrounds me, whether they be physical or spiritual, whether they be human or spirit, let your help arise to find me in the name of Jesus.

⇒ God is forever faithful and His faithfulness is real, sure and constant if only you can trust Him.

• Father I trust in you, I believe in you let me reap the rewards of faithfulness. Lord I believe and trust in you with all my heart, let me reap the rewards of your faithfulness, release into my life the rewards of your faithfulness because I believe in you. Father I believe in you, I trust in you, send into my life the rewards of your faithfulness, let me reap the rewards of your faithfulness because you said in your Word that you are a rewarder of those who diligently seek you.

⇒ God's faithfulness brings encouragement for you to continue to believe and trust in Him. God is eager to do some miracles in your life because He wants to encourage you to continue to trust and believe in Him.

• Raise up your right hand. Father by the reason of your faithfulness, perform and work miracles in my life, demonstrate your power in my life that would encourage my faith and trust in you. Father by the reason of your faithfulness, work miracles in my life, work miracles in my situations, work miracles in my family, marriage, career, ministry, calling and destiny to encourage my faith and trust in you for I know that your faithfulness brings encouragement. Lord do miracles to encourage my faith and trust in you in the name of Jesus.

⇒ The reason why some of you have not yet seen God's faithfulness being physically manifested in your life is because you think God is a human like you, you try to perceive God with your human mind and that is why you have been limited. You should think of God from God's mind not from your mind. For you to see God in action you must perceive Him the way He perceives Himself.

• Father upgrade my mind to the level of your mind that I may see your faithfulness, upgrade my mind to the level of your mind that I may think from your mind. Help me to perceive you as you are not as I think as you are, help me to understand and know you as you are. Lord, upgrade my mind to line up with your mind so that I may

see your faithfulness. I want to think from your mind, I want to react to situations from your mind not from the human mind.

⇒ If you are going to see the faithfulness of God in your life, you must cooperate with the Holy Ghost and walk close with Him otherwise you will lose a lot of blessings. For God's faithfulness to manifest in your life, you must fellowship with the Holy Spirit, allow Him to guide you and believe whatever He says for it is by the Holy Spirit, God's faithfulness will be manifested in your life

• In the name of Jesus, from today onward I agree with the mind and operations of the Holy Ghost, I connect with the ministry of the Holy Spirit, I connect with the guidance of the Holy Spirit. In the name of Jesus, I connect with the leadership and leading of the Holy Spirit, I embrace the ministry, direction and guidance of the Holy Spirit. I connect with the voice of the Holy Spirit, I agree with the works, operations, leadings and promptings of the Holy Spirit in my life from now henceforth in the name of Jesus. I agree with everything the Holy Spirit is doing in me and around me. I connect with the mind, voice, visions and utterances of the Holy Spirit, I connect with the revelations, grace, strength, fire and operations of the Holy Spirit from this hour onward in the name of Jesus.

⇒ If you have ever seen God's faithfulness before, that's just a foretaste because there's no end to His faithfulness.

• Father I believe in the unending nature of your faithfulness, let my life receive more of your help. Lord I believe your faithfulness does not end, let me receive more of your help, deliverance, victories, healing and provisions, let me receive more of your strength, supply and miracles. I believe your faithfulness does not end, you did it before and you can still do it, Lord let my life and situations receive more of your help in the name of Jesus.

⇒ God does not answer every prayer that is why we are to pray according to His will and by the leading of His Spirit.

• Father teach me to pray prayers you will hear and answer, teach me to pray such prayers in the name of Jesus. Father, teach me to pray in a way that is acceptable in your sight, teach me to pray with a heart and mind that will make my prayers and requests acceptable and granted. Lord teach me to pray prayers that will produce results, teach me to pray prayers that you will answer, teach me to pray prayers that will align with your will. Teach me to pray prayers that are filled with fire, power and grace, teach me Father, in the name of Jesus, Amen.

## **CLOSING PRAYER**

Raise up your right hand.

Father, we thank you because you are so faithful, thank you for your grace, thank you for your unfailing love and faithfulness. Thank you for your signs and wonders, thank you for the help you have released into our lives, thank you for more help you will release. Thank you because you will physically demonstrate your power in our lives to accomplish your purposes for our lives, thank you Lord, be glorified forever in Jesus' name. Thank you for mighty works you will do very shortly, thank you for the mighty miracles you will perform in our lives very shortly, be glorified forever in Jesus' name.

I pray for you, the mighty hand of God shall help you far beyond your imaginations and expectations in Jesus' name. Every arrow the enemy has fired into your life, I decree they come out in Jesus' name. I decree that the Fire of the Holy Ghost pass through your spirit, soul and body for cleansing, deliverance, healing and sanctification in the name of Jesus.

I come against every battle of darkness, battle of principalities and powers, battle of witches and wizards against your life, calling, soul and destiny, I come against them now in the name of the Lord Jesus and I decree that the anger of God wastes them all right now in Jesus' name. I pull you out from any demonic dungeon, cage and prison that has held you limited for so long, I pull you out now in the name of Jesus.

The brightest of the light of God in you shall shine and prevail everywhere in the name of Jesus. You shall not lack any good thing henceforth in the name of Jesus. You shall possess your possession, you shall no longer fail but you shall now make progress in the name of Jesus. Every abandoned project in your life shall now be completed because of the unfailing love of the Lord in Jesus' name. The Lord will show you His faithfulness and mercy in the name of Jesus. Thank you Father because we know you have answered, in Jesus' name we have prayed. Amen.

## PRAYER POINTS

⇒Father, thank you for the good thoughts you have toward me, thank you for the good thoughts you are thinking concerning my life. Oh God, thank you for the great thoughts you have for me, thoughts of goodness and not of evil, thank you because you are thinking about giving me breakthroughs, prosperity, strength and victory. Thank you because you are thinking about giving me your righteousness, you are thinking about reviving me, helping me and setting me free. Thank you Lord because you have good thoughts for my life, thank you because all that you are thinking concerning me is for my good and not for evil, to give me a beautiful and glorious future. Thank you Lord.

### PSALMS 36:6

⇒God's righteousness prevails forever irrespective of what the enemies of God are doing, irrespective of the strength of darkness and the wickedness of men, His righteousness stands forever just as the mountains do not have an expiring date.

- Father visit me and do your works in my life, visit me and perform your will and desires in my life. Lord, visit me to do your righteous works and operations in my spirit, soul and body, visit me to do your righteous works in my situation, environment, marriage, family, career, calling and destiny. Father visit me and carry out your desires and plans for my life and let your will prevail in my life in the name of Jesus. I acknowledge that your righteousness prevails forever, Lord visit me and fulfill your will and desires for my life in the name of Jesus.

⇒God has been working from the beginning of creation and sometimes He will decide to include people in His works or show His works to certain people so that they can follow the way He did it and see the results that always follow such operations.

- Father, let the works you do in the lives of people on a daily basis find expression in my life, Lord include me in the works you do on a daily basis and let me partake of those works, let such works and operations happen in my life. Lord, perform your works in my life, do your works of transformation, do your works of healing, do your works of deliverance, breakthroughs, prosperity, progress, greatness and success in my life. I acknowledge that you do works on earth everyday, oh Lord let such work find expression in my life, include my life and situation in the works you do on earth everyday.

⇒God's work is equal to the manifestation of His glory, when God finishes certain works in your life then His glory will be revealed through your life. Maybe the

unpleasant situation you are passing through now is happening so that God can reveal His works and the greatness of who He is in your life.

•Father, use the present situation of my life to reveal the greatness of your works on earth. Lord use the situations of my life both pleasant and unpleasant, negative or positive to reveal the greatness of your works on earth, to show the world that you are the Almighty God, to show everyone that it is you who determines what happens and what not should happen, Lord use the present situation, problem, challenges and difficulties of my life to reveal your greatness and mighty works.

⇒There is nowhere God can not enter to help you, whether in heavens, on earth or under the earth, He's there and will carry out His operations. Just as small as the cells of your body are, God can enter into those cells of your body to work inside. He can enter into the spirit, soul and body, organs of men to work inside and perform His operations.

•Father let your presence and power manifest in every realm to help me, to deliver me and to heal me in the name of Jesus. Lord let your presence and power appear in every realm that exist, whether visible or invisible, whether in my spirit, soul and body, whether in the depth of darkness and hell, whether in the heights of heavens, oh Lord let your presence and power manifest in those realms to heal me, to help me, to rescue me and to save me now in the name of Jesus. Every realm that has to do with my deliverance, healing, breakthroughs, victory and progress, oh Lord manifest there right now in the fullness of your power and begin to deliver me in the name of Jesus. Father, manifest in the midst of everything that exists for my sake and for the sake of my deliverance to liberate my destiny and to deliver my life in the name of Jesus.

⇒Place your right hand on your head. Lord Jesus, manifest your presence and power in the depth of my spirit, soul and body to deliver me from the captivity of darkness. Lord, manifest your presence and power in the depth of my body, soul and spirit to deliver me from the slavery of darkness. **\*I decree over your life that the power and might of the Almighty God manifest in the depth of you right now for your deliverance in the name of Jesus. I decree, let the power and might of Jesus appear and manifest, let it explode in your spirit, soul and body for complete deliverance in Jesus' name.**

⇒God's works are part of His righteousness, it's the righteousness of God to see His will done in the earth and in the lives of everyone on earth. You will be able to give solutions to difficult problems on earth if God decides to show you the mysteries behind His works on earth.

•Father reveal to me by your Holy Spirit the mysteries behind your righteous works in the earth, the mysteries that govern your righteous works in the earth, the mysteries that produce your righteous works in the earth, Lord show me these mysteries by your Holy Spirit in the name of Jesus. Lord by your Holy Ghost reveal to me the mysteries behind your operations and powerful works in the earth. Lord, open my

eyes to see and discover your operations and works, I want to understand the mysteries behind your works on earth in the name of Jesus.

⇒ It is important you know the mysteries of God's works on earth and see into that dimension where His works are being done on earth so that you can connect with the realm where nothing is impossible. Some people have gone to doctors and several prayer meetings seeking healing and they never got the healing until God revealed out of a billion mysteries, the mystery by which He does His own healing, and after that revelation they got their solution and healing. There are mysteries of God's works that can make you become rich and solve every problem on earth, only if God can show you those mysteries that have been locked up to be discovered since the beginning.

• Holy Spirit, connect me with the realms of God where the mysteries behind the operations of God's works on earth will be unfolded to me so that I may be a solution provider to my generation, that I may see the glory of God. Spirit of God, connect me with the realms of God that holds the mysteries behind the divine operations of God on earth, show me the mysteries that will lead to my breakthroughs. Lord connect me with the realms where I will be shown the mysteries behind the works you do in the earth, connect me with the realms where I will be shown the mysteries that govern and produce your operations and miracles in the earth.

⇒ God is in the earth doing and performing His will, that is why Jesus told us to pray that His will be done on earth as it is in heaven. God has been working in the earth to ensure that all His creatures fulfill their purpose and destiny, He has been working from the beginning to ensure that you fulfill your purpose and destiny even before you were born. There is an operation of God going on in the earth for the fulfillment of your destiny and your spirit, soul and body needs to connect with those operations to ensure that you fulfill your destiny.

• Father connect my life and days with your operations going on on the earth for the fulfillment of my purpose and destiny. Lord connect my spirit, soul and body, connect my brain and thoughts with your operations that have been going on on earth before I was born, for the fulfillment of my destiny. Lord connect my time and each hour of my life with your operations going on the earth for the fulfillment of my calling and destiny in the name of Jesus.

⇒ Part of the operations God has been doing in the earth before you exist is to ensure that you are in the right place at the right time, working together with the right people and doing the right thing so that His will can happen in your life. It is part of God's operations before you were born that you will hear about this ministry and that you will be in a prayer session like this. It is also part of God's operations to ensure that everything going on in your life is organised and arranged according to His will so that your purposes and destiny will be fulfilled.

• Raise up your right hand. Father, enforce your operations in my life to arrange and organize the affairs of my life for the fulfillment of my destiny, Lord enforce your

operations upon my life to arrange and organize everything and everyone on earth to begin to work together for the fulfillment of my destiny. Lord, by the reason of your operations going on the earth everyday, let the affairs of my life be arranged and organised for the fulfillment of my destiny, let the events of my life begin to work together for the fulfillment of my destiny in the name of Jesus.

### **PSALMS 36:6**

⇒ You need to know from this scripture that the earth is governed by certain laws of righteousness and as many people that work according to these laws they shall naturally prosper, succeed and excel. You need God to show you and teach you these laws so that you can naturally prosper, excel and move forward.

• Father show me and teach me the laws of your righteousness that govern the affairs of the earth, teach me the laws of your righteousness that govern and determine what happens on earth on a daily basis. Father show me and teach the laws of your righteousness that rules over everything in the earth both living and nonliving, visible or invisible that I may fulfill them, Lord teach me how to live my life in the earth, teach me how to succeed and prosper naturally without struggles, teach me how to excel beyond limit.

⇒ Just as there is a law of gravity, there are divine laws on earth also such that anyone who obeys those laws will naturally see the hand of God do mighty works in their lives. These laws that rule the earth are laws of God's righteousness, they include every teaching about God, righteousness and every nature of God's righteousness. We have the law of faith, law of trusting in God, law of believing in the invisible, law of believing in what God says He will do and many other laws inside God's righteousness. God's righteousness means that everything God does is right. If this law of God's righteousness prevails in your life, miracles will happen easily in your life, and you will always pray and do everything right.

• Father let the laws of your righteousness prevail in my life. Lord let the laws of righteousness rule over my life, prevail in my thoughts, spirit and soul now in the name Jesus. Let the laws of your righteousness prevail in my life in the name of Jesus.

⇒ Roman 7:23. Apostle Paul calls the nature of sin a law, the law that was making him do things he didn't want to do. There's a law inside people that is against the laws of God's righteousness.

• Father destroy every law of sin ruling my spirit, soul and body, destroy the law and forces of sin ruling in my emotions, attitude, feelings and desires, ruling over my thoughts and mind, Lord destroy those laws right now in the name of Jesus. Father destroy every law working in my body, bringing me against the law of your righteousness, making me do contrary to the laws of your righteousness, making me to manifest another nature that is against the nature of your righteousness, Lord destroy such laws now in the name of Jesus.

⇒ There is this law working in every human being making us to do contrary to the laws of God's righteousness and that is why many people find it difficult to trust and believe in God, find it difficult to please God and do what is right in His sight. There's a force inside of people compelling them to hate God, compelling them to doubt and sin against God.

• Place your right hand on your head. Fire of the Holy Ghost destroy the law of sin and unrighteousness working in me to block me and to disconnect me from God's righteousness, making it difficult for me to live according to God's righteousness. Fire of the Holy Ghost destroy the law and power of sin, the law of spiritual death and unrighteousness working in me to bring me against the law of Christ, turning me against God's righteousness, controlling me against the laws of God's righteousness, Fire of Holy Ghost destroy those laws in the name of Jesus.

⇒ The law of sin is also called the power of sin. You cannot know the power of God that performs God's work in the earth if you have not defeated the power of sin because it is going to cut you off from the power of God that works miracles in the earth. If you don't overcome the power of sin you will only see limited miracles and might eventually lose those miracles. The first miracle that must happen in your life is that the power of sin is destroyed in your life.

• Father, manifest your power in me and destroy the power of sin working in my life making me a slave to the nature of sin, making sin rule over me. Lord manifest your power in me to destroy the power of sin working in me in the name of Jesus. Father, manifest your power in me to destroy the power of sin working in my spirit, soul and body.

⇒ Whenever we are praying prayers like this, you have to put away pride and self righteousness, you have to be sincere with yourself because this is between you and God, not you and the pastor leading. If you know there is a weakness in you then you have to be sincere and humble in the place of prayer so that God can help you. Stop starting to find ways to justify yourself and feel like you are not doing anything wrong, you must be very careful that you are not giving yourself another righteousness that is not in God. Let God be the one to call you righteous.

• Father, let your anger fall upon every power of darkness enforcing the nature of sin over my life, over my thoughts and mind, Lord let your anger destroy them in the name of Jesus. Oh God of Israel, let your anger be kindled against every power of darkness enforcing sin, unrighteousness and misfortune over my spirit, soul, body and emotions, Lord let your anger destroy them now in the name of Jesus.

⇒ The power of sin does most of its operations in your mind. Victory over darkness in your mind means victory over the powers ruling this world.

• Place your right hand on your head. I baptize my mind into the fire of God to become stronger and victorious over every power of darkness in the name of Jesus. I immerse my mind into the fire and power of God for strength and victory over every power of darkness in my mind.

⇒ God showed me how Christians are following the demonic calendar for their lives, meaning everything happening in their lives is what the devil and his hosts want, not what God wants and God's will hardly happens in their lives. There are divine calendars and also demonic calendars that everyone on earth lives under. This is how we can disconnect ourselves from the demonic timeline and begin to live by the divine timeline, the secret is in your mind. To disconnect from the demonic calendar and live under the divine calendar is in your mind, if the choices, decisions and actions you take are coming from your carnal mind and fleshly desires automatically you are following the demonic calendar. But if your mind is always spiritual, pure and controlled by the Word of God, you will forever follow the heavenly calendar and only the will of God will happen in your life.

• Father, strengthen me in my mind to make choices and decisions that agree with your will, strengthen me in my mind to always yield to righteousness that I may function and live according to your divine timeline for my life. Lord strengthen me in my mind to be pure and holy always, strengthen me in my mind to always please you and do what is right in your sight, strengthen me in my mind to always make decisions and choices that agree with your will. Lord, strengthen me in my mind to live my life in such a way that I follow your divine calendar, in such a way that I flow with your divine timeline for my life and destiny.

⇒ The Lord also showed me how people can have their lives changed by His power if only people can begin to think in another direction, different from the direction Satan has programmed everyone on earth to think. There is a certain pattern which Satan and all his agents have programmed the whole world to think and everyone is thinking and acting according to that pattern known as the world system. You will see the power of God change your life and the whole world the moment you start to do contrary to what the devil has programmed you to do through the adamic nature in you. This transformation starts from your mind, so you must resist the power of darkness that is making you think in a pattern that is against the Kingdom of God.

• Place your right hand on your head. In the name of Jesus I refuse to follow the system of sin, unrighteousness, wickedness, pollution and evil that is prevailing in the world, Lord empower my mind and spirit to resist this system in the name of Jesus. In the name of Jesus I refuse to yield to the demonic system and pattern of darkness that has prevailed over souls and destinies. I receive strength in my spirit to refuse the system of sin and unrighteousness ruling over mankind, I receive strength in my mind, spirit, soul and body to stand against the system of sin and darkness ruling over the nations of the earth.

⇒ Some of us have a wrong perception of who God is and that is why you have not experienced the greatness of God.

• In the name of Jesus let every wrong perception I have about God, die in the name of Jesus. Every wrong teaching I have about the nature and personality of God, every wrong knowledge, every wrong perception, wrong view and understanding I

have about the nature and personality of God in my mind, die right now in the name of Jesus. Let the light of God shine on my mind, let the revelations of who God is begin to manifest in my mind right now in the name of Jesus.

⇒The laws that govern the operations of God on the earth are so constant just as the law of gravity is constant. If you are perfected in the righteousness of God you would come to a point where you would speak and it will come to pass, you will be able to create things with your words because you are speaking by the same laws that created the heavens and the earth. That is why our focus should be that we are perfected in His righteousness and not that we are seeking to have our lusts and selfish interests satisfied.

•Father perfect me in the height and depth of your righteousness that I may experience the fullness of your power in my life, that I may wield, carry and function in the fullness of your power. Lord, let me be perfected in the depth and height of your righteousness, let me be perfected in all your righteousness so that I can wield and demonstrate the fullness of your power in the name of Jesus, Amen.

**NB: If you notice that you are addicted to a certain sinful habit or attitude, meaning you see yourself committing the same sin over and over again. Then you must take it seriously to be delivered from that sin. What God is showing me is that you are falling into the same sin over and over again because you don't see it as a problem, you see it as a normal thing. God is saying that you should see it as a problem and that you begin to pray and fast for deliverance because except you are delivered from that addiction, a lot of things God wants to do in your life at this time will not happen. So don't feel like you can't stop it, you can if only you mark it as an enemy and ready to fight it with prayers and fastings. May you be wise to do this in Jesus' name.**

## **CLOSING PRAYER**

Raise up your right hand.

Father, we thank you because you are faithful and merciful, we thank you for your power that is forever sure, thank you for your power that always wins and prevails, oh God be praised forever in Jesus' name. Lord we thank you for what you have done among us during the course of these prayers, thank you for mighty things you will still do because of these prayers we have prayed, be thou glorified forever in Jesus' name.

I pray for you, that the works of God that don't fail, the works of God that always prevail and produce signs, wonders, miracles and victories shall begin to happen in your life in the name of Jesus. The works of God that destroys the powers of sin, the works of God that destroys the works of the devil, the works of principalities, powers,

demons and rulers of darkness, I decree that those works begin to operate in your life now in the name of Jesus.

By the operations of the Almighty God, your life shall move forward, limitations shall be destroyed in your life and you shall rise and shine in the name of Jesus. You shall be strong to fulfill your destiny, you shall be strong to please God, you shall be strong to succeed and excel, you shall be strong to possess your possessions, you shall be strong to have victories in the place of prayer and so shall it be in the name of Jesus.

The Fire of the Holy Spirit shall rise from within you to make you victorious in every battle you find yourself in and so shall it be in the name of Jesus. There shall not be any impossible situation in your life, everything shall now be possible unto you in the name of Jesus. By the power of God your breakthroughs, deliverance, healing and greatness shall be possible in the name of Jesus. Thank you Father because we know you have answered in Jesus' name we have prayed. Amen

**REMAIN STRONG AND VICTORIOUS.**

## PSALMS 36:6

⇒ Righteousness and justice are the foundation of God's throne. God's justice means that God executes judgement and He rewards people according to what they have done. You can receive justice from the courtroom of heaven concerning whatever the enemy has done to your life or concerning whatever you have lost to the enemy, or concerning your right that someone has withdrawn from you unjustly.

• Father I acknowledge that you are a God of Justice, enforce your justice for my life and destiny and let your will prevail in the name of Jesus. Lord, enforce your justice in my career, marriage, calling and destiny in the name of Jesus. Lord carry out your justice and righteous judgement in all areas of my life and let your will, decisions and desires prevail. Enforce justice oh God and let your justice prevail and let your will be done in my life in the name of Jesus.

⇒ The justice of God is to ensure that what happens in your life is what is in God's will for you.

• Father by the reason of your justice let every thing happening in my life that is against your will, everything happening in my life that does not agree with my identity and inheritance as a Christian, Lord let them be permanently terminated and uprooted in the name of Jesus. Lord by the reason of your justice let every activity and event going on in my life that does not agree with my right, identity and

inheritance in Christ Jesus, that does not agree with your will and purposes for my life, let them all be terminated and wasted. Whatever the devil and his agent are enforcing upon my life, oh God of justice manifest now and terminate them all. Whatever hardship I am going through, whatever suffering, limitation, pains and wrong things going on in my life, oh Lord by the reason of your justice let them all come to an end in the name of Jesus. Father, righteousness and justice are the foundation of your throne therefore oh Lord by the reason of your justice let all the activities the devil is doing in my life, calling and destiny come to an end, let all the activities that does not line up with what I deserve as a christian come to an end in the name of Jesus.

⇒The justice of God also means that whatever has been stolen from you by the enemy whether known or unknown to you, must be returned and restored.

•Father by the reason of your justice let everything the enemy has stolen from me be restored now in the name of Jesus. Every good thing the enemy has stolen and taken from me, let them be restored now in the name of Jesus. My health, wealth, riches, spiritual gifts and every good thing I have lost to the enemy, every virtue, blessings, opportunities and favour that have been stolen from me, that I have lost to the kingdom of darkness, by the reason of the justice of the Almighty God, I get them back in the name of Jesus

⇒John 10:10 says, "The thief cometh not, but for to steal, and to kill, and to destroy". The spiritual growth, financial status and everything about our lives is not as it should be according to the plans of God, and it is because the thief came in at a time and stole many things, he destroyed and killed many things and that is why our lives don't look exactly as the Lord wants them to look.

•Father by the reason of your justice let your anger fall upon every thief and devourer that has spoiled and destroyed good things in my life, that is stealing and killing good things in my life, Lord let your anger fall upon them and crush them in pieces in the name of Jesus. Father by the reason of your justice, let your anger fall upon every thief and devourer that has wasted great things in my life, that has made my life what it is now, that has made my life so limited, oppressed, depressed, captured and weak, Lord let your anger fall upon them all and destroy them in the name of Jesus. Every devourer that has entered into my life through my dreams, through the food I ate, through the people around me to destroy good things, let your anger locate and destroy them in the name of Jesus.

⇒Jesus said, "I came that they might have life, and that they might have it more abundantly". Jesus is in the business of changing people's lives, of making your life better than you can imagine and you will have that life in a beautiful and glorious way.

•Lord Jesus let the life and destiny you have for my life become abundant, glorious, beautiful and great in the name of Jesus. Lord Jesus let your plans for my life begin

to happen as it is in your mind, make my life glorious, beautiful and great as it is in your mind. Lord Jesus, let the beauty you have for my life appear now for you said in your Word you have come to give me abundant life. Let my life become rich, wealthy, fulfilled and successful as it is in your plans for my life. Lord Jesus do this in my career and marriage, let my life begin to have all that you have destined for me to have, let my life begin to enjoy all the benefits you have destined for me to enjoy, let my life begin to receive all the blessings you have destined for me to have. Let my life begin to receive all the help, promotion, growth, strength, victory and dominion you have destined for me to have and enjoy in the name of Jesus.

⇒God's justice remains forever and nothing can over power it.

•Father, I acknowledge that your justice is forever sure and remains forever, let all the rewards that I am due to receive that have been stopped from getting to me be released now into my life in the name of Jesus. Lord by the reason of justice, let all the rewards you have released into my life that have been blocked by the enemy be mobilised into my life, every limitation that is blocking my rewards from locating me, let them be destroyed in the name of Jesus. Lord I acknowledge that your justice prevails forever therefore let my rewards begin to relocate me, the rewards of all that I have done for you, the rewards of my sacrifices, the reward of the seeds I have sown, Lord let them begin to find me by the reason of your justice.

⇒PSALM 97:2. Wherever God is, His throne is there, if God is everywhere then His throne is everywhere, if His throne is everywhere then His justice can happen anywhere.

•Lord Jesus by the reason of your justice manifest your power in my life and destroy every work of the devil going on in my life, going on against my life and destiny in the name of Jesus. Father, because of your justice destroy every work of the devil going on in the heavens, going on in the earth and under the earth, going on against my life, marriage, career, calling and ministry, Lord let your power destroy them all in the name of Jesus. By the reason of your justice let every work of darkness, every work of witchcraft, every work of evil, serpents, scorpions and demons going on in my life, going on against my life and destiny, be wasted by the justice of God in the name of Jesus. My life is no place for the devil, my life is no place for demonic operations and infestation, my life is no ground for demonic control and manipulations, my life is no ground demonic oppressions and deception, my life is no ground for demonic captivities and affliction therefore let every activity of devils going on in my life and against my life, be wasted by the justice of God.

⇒God is the same, as He is in heaven so He is inside of you, so is He in your home, environment and in every realm that exists.

•Father by the reason of your justice let the load and burden of darkness upon my life be wasted, let every cloud and covering of darkness upon my life be wasted by the reason of your justice. Lord by the reason of your justice let every load and

burden of darkness upon my spirit, soul, body and health, be wasted right now in the name of Jesus. Let every web of darkness, network of darkness, presence of darkness, loads, yokes and chains of darkness upon my life, career, marriage, calling and destiny, be wasted by the reason of God's justice in the name of Jesus.

⇒From revelation I discovered that darkness operates like cancer, what they do first is to spread deep into every area of people's lives, and the next thing they do is to start controlling and damaging every other part of their lives, deforming the good God has created into evil. Darkness can spread into everything and the reason why they can control things is because they have penetrated deep into those things. Darkness can enter into every part of your life, they can enter into your finances, emotions, feelings and love life making you hate people you used to love.

•Father by the reason of justice let your fire manifest in the depth of my life to destroy infiltrations and presence darkness in the name of Jesus. Oh God of Israel let your Fire arise from the depth of my life, spirit, soul, blood and body to destroy every demonic infiltration and infiltration of darkness. Lord let your Fire rise from the depth of everything in my life, from the depth of my career, finances, calling, marriage and emotions and let your Fire destroy demonic infiltrations, infiltrations of darkness and witchcraft infiltrations right now in the name of Jesus.

⇒Most times when darkness wants to cause you to make wrong decisions, the first thing they do is to come upon you and confuse you. And you begin to feel like you don't know what else to do with your life, whatever you have done right before is not right, you will begin to have regrets, becoming guilty of things you are not guilty of because they have sent confusion into your life.

•Lord Jesus by the reason of justice let every confusion the enemy has sent into my mind, every confusion the kingdom of darkness has sent into my life to mislead and to deceive me, be wasted now by the Fire of God in the name of Jesus. Lord Jesus by the reason of your justice, destroy every confusion the enemy has sent into my life, career, calling and destiny. Every darkness of confusion that has clouded my thoughts, mind, choices and decision making, let the fire of God waste them all in the name of Jesus.

⇒Roman 8:14. God wants to lead you correctly, not that you will be feeling like; 'I don't know, maybe God wants me to do this or not to do it'. That is confusion, the devil knows how to put confusion upon your mind and spirit when you are to make some decisions that are vital to the fulfilment of your destiny on earth.

•Raise up your right hand. In the name of Jesus, let fire upon every darkness of confusion that wants me to go in a direction that is against the direction of the Lord, that wants to put me in a path that is against the path God wants me to follow, let the fire of God fall and waste them all in the name of Jesus. Let fire fall and destroy every darkness of confusion that wants me to be misled, that wants me to do contrary to the will and plans of God for my life. Every darkness of confusion that is causing me not to hear the voice of the Lord clearly, that is causing me not to discern

accurately what the Lord is saying and what the Lord wants me to do in all situations, let the Fire of the Holy Ghost consume them now in the name of Jesus. Every darkness of confusion that is clouding my connection with God, my revelations and directions from God, every darkness of confusion that is making me make wrong choices and decisions, making me to go in a wrong direction, let the Fire of God waste them all in the name of Jesus. Every darkness of confusion that has weakened my spiritual sensitivity to the voice of God, that has weakened my spiritual sensitivity to divine direction, Fire of the Holy Ghost destroy them now in the name of Jesus.

⇒ God is in the business of executing judgement against the judgement of the enemy. The enemy has a way of passing their judgement on you based on what your ancestors have done in the past, they feel if your ancestors did this you also must reap from what they did. Those are demonic judgments but God's judgement is greater than the judgements the enemy has passed on your life, God judges by His own standards.

• Lord by the reason of your justice let every demonic judgement that has been passed on my life and destiny be permanently terminated right now in the name of Jesus. By the reason of God's justice let every witchcraft judgement, ancestral and demonic judgement that has been passed unto my life, be permanently terminated. Every judgement the kingdom of darkness and agents of Satan have passed on my life, Lord by the reason of your justice destroy them all forever and permanently in the name Jesus.

⇒ The justice of God also means that God can reset the evil program and plans of the enemy that have been set to happen in your life. So if the enemy has programmed evil to always happen in your life or to happen in a time in the future, the judgement of God can change it.

• Father by the reason of justice let every evil that has been programmed and set to happen in my life, every evil that has been set to prevail in my life, Lord let them be reversed and reset in the name of Jesus. Father by the reason of your judgement let every evil that has been set into time by the enemy to happen to me, every evil that has been set to happen in my future, to happen to the people in my life, to happen to my children, spouse and grandchildren, let your judgement and justice oh God reverse them now. Every evil satan and his agent has set to happen in my days, to happen in my calling, ministry and destiny, every evil that has been set into time to happen in my marriage, career and finances, let the justice of the Most High God reset and reverse them all in the name of Jesus.

⇒ Father, visit my life and remove my life from the direction that leads to failure, limitation and stagnation; remove me from the path where limitation, evil, poverty, suffering and hardship prevails. Lord set me on a new path, set my life on a new journey, in a new direction, shift me from the path that leads to destruction, failure and evil. Lord, set me on a path that leads to the fulfilment of your plans for my life,

set me on a new path where my destiny will be fulfilled, where your plans for my life will prevail, remove me from the direction that leads to downfall. Lord set me on that new journey where I will fulfill destiny, where the glory you have destined for my life will manifest and prevail, take me away from every direction that leads to death, sorrow, setback, failure, limitation and hardship. Lord remove me from every direction that leads to misfortune, evil and darkness in the name of Jesus. Oh Lord, relocate me into a new journey that will lead me into glory, greatness, success and great achievement, Lord reposition me into a new path where all your will will be done in my life, where I will ascend into the place of fulfillment and manifestation of destiny.

⇒When God visited Jacob He changed his name so that he could begin to fulfill a destiny he was not aware of before the encounter. Your name has a lot to do with everything that happens in your life, it has a lot to do with the fulfillment of God's plans and desires for your life. You need to have an encounter with God that will bring your divine identity into enforcement on earth, an encounter that will give you a name that everything on earth will obey and honour. You have an identity in Christ and God will deal with you according to who you are in Him.

•Father visit my life and glorify the identity I have in you on earth, Lord visit my identity in you, visit my life and glorify my identity in you, give power to my identity such that everything on earth begins to work in the favour of who I am in you, in favour of that identity, such that everything and every creature in the earth and outside the earth begins to obey and honour that identity. Lord glorify my identity in you, glorify who I am in you in the earth, glorify my identity in you in the name of Jesus.

⇒Genesis 32:28. Jacob was spiritually translated to the position of a god/ principality, whereby many things God created began to obey him, and men began to favour that identity God had placed on him.

•Father let my spirit, soul and body be translated into the realm in you where all things begin to obey the fulfillment of my destiny, let my spirit, soul and body be translated into the realm in you where all things that you created begin to obey and fulfill your destiny and purpose for my life. Lord translate me into the realm in you where everything that exists begins to obey and agree to fulfill the purpose you have for my life, where everything that is created in the heavens, on earth and under the earth begins to agree and obey and fulfill your purpose for my life and destiny. Oh God translate and position me in the realm in you whether physically or spiritually where everything you created begins to work together for the fulfillment of your purposes for my life in the name of Jesus.

⇒God needs to help you if you are going to fulfill your destiny as it is in His plans.

•Father, visit me, give the transformation that my life needs so that I will fulfill my destiny in you as it is in your plans in the name of Jesus. Father, visit me and give me the transformation that I need to be able to fulfill my destiny as it is in your mind

and as it is in heaven. Everything that needs to change in me and in each aspect of my life, everything that needs to change in my attitude, lifestyle and character so that I will not be limited in the fulfillment of my destiny, Lord visit me and change them in the name of Jesus. As you visited Jacob and his life changed from that moment, Lord visit me and change my life and give me the transformation that I need in you as it is in your book in heaven.

⇒ No one has ever encountered God and their life remained the same. The place of encounter with God is always a place of transformation, grace and mercy. If God visits you He will help you in such a way that you will supernaturally be formed and changed, you will begin to do things you could not do before. You must by many encounters fulfill destiny, not few encounters because you can't fulfill destiny without God visiting you. If you have never had any encounter with God then you have not started fulfilling destiny. Encounter means God visits you physically whether through dreams or visions.

• Father, give me numerous encounters that will change me into the person that will fulfill your calling and destiny for my life. Lord give me life changing encounters: in my dreams give me encounters, in visions give me encounters, in the place of meditation give me encounters with you, give me face to face encounters of you that will change my life forever in the name of Jesus. Lord visit me physically and spiritually, visit me in every dimension until my life is totally transformed, Lord I don't want a partial transformation, visit me by every dimension until my life is totally transformed into the man/woman that can fulfill my calling and destiny as it is in your plans.

⇒ God is in everything He created and God wants to show you who He is in everything. God has diverse manifestations of Himself, He is not limited to just one description or nature. Of course God is light and there's no darkness in Him even as He is light there are different dimensions of Him that people don't know yet and He wants to show you all kinds of manifestations of Himself. If God manifests Himself to you by encounters you will begin to transform because everything you see in the realm of the spirit you become. When God manifests to you in a certain way that manifestation will change your life, diverse revelations of God's personality changes your life step by step.

• Father, manifest to me who you are in everything, who you are in every situation and circumstance, I want revelations that will show me who you are in everything around me and in everything that you have created. Lord manifest your personality to me, show me the manifestation of you in every thing so that I can be changed by those revelations for you are in everything and you work through everything. Lord show me the manifestations of you in everything that exists, the revelation of you in everything I see, in everything I have been taught, in everything I read and in everything I know, Lord show me manifestations of you in these things in the name of Jesus.

## PSALMS 36:6

⇒ There's a justice of God in the earth that gives humans and animals what they need for survival including the birds of the sky, there is a law of God in the earth that is able to give everyone what they need to fulfill destiny.

• Father by the reason of your justice in the earth let there be inflow of everything that I need to survive and to fulfill destiny in the earth, Lord let them begin to flow into my life in the name of Jesus. Let the inflow of blessings that I need to fulfill destiny on earth, Lord let them begin to flow into my life by the reason of God's justice and judgement in the earth. Lord by the reason of your justice, begin to command the inflow of blessings that I need to survive and to fulfill my purpose and the reason why I was born into this world in the name of Jesus. Authority of the Almighty God, begin to authorize the inflow of blessings that I need to survive and to fulfill my calling and destiny.

⇒ The justice of God is so strong that it destroys, overpowers and overrules the injustice of men. If you have ever suffered any injustice you can invoke the justice of God to fight and to win for you, including the injustice of the government leaders and officials in your country, you can invoke the justice of God to fight for you.

• In the name of Jesus I invoke the justice of God on earth to fight and win every injustice of men oppressing my life. In the name of I invoke the justice of God on earth to overrule and defeat the injustice of men oppressing and afflicting my life. I invoke the justice of the Most High God to defeat and destroy the injustice of men that is ruling over my destiny. Every injustice of men going on on earth against my life, health, survival, calling and destiny, I invoke the justice of God upon them now, let the justice of God dethrone and judge them all in the name of Jesus.

⇒ One of the things that will hasten the manifestation of God's justice in your life is when you are perfected in God's righteousness. Righteousness and justices are glued together such that if you are perfected in God's righteousness, the justice of God will easily work in your favour. If holiness and purity are very strong in your life, the justice of God will be very quick in your life such that God can kill your enemies for your sake, He will defend you like a wildfire.

• Father give me grace to be perfect in righteousness, purity and holiness so that I will enjoy the fullness of your justice, so that I can see the full manifestation of your justice. Oh Lord I want to have complete holiness and purity, Lord help me. I want to be perfect in purity and righteousness, I want to be perfect in obedience to your Word, obedient to your will, oh Lord help me, help to be strong in holiness, purity and righteousness.

⇒ There are two forces that control the universe, the first is the force of fear and the second is the force of love. If you look at everything written in the scriptures including the commandments of our Lord Jesus Christ, you will see how all of it is so centred on love. If you are so full of fear, God will hardly fight your battles and if He does He will not do much. If your life is under the control of fear, those forces will determine

what happens in your life, they determine whether you will have a miracle or not.

•Place your right hand on your head. In the name of Jesus I disconnect myself from every force of fear controlling my mind, controlling my decisions and choices, I disconnect my life now from the spiritual network and force of fear that is controlling my mind, thoughts and faith, I disconnect from them now in the name of Jesus. I disconnect my spirit, soul and body from every force of fear controlling and manipulating my life, controlling my decision making, I disconnect from them now in the name of Jesus. I disconnect my spirit, soul and body from the influence of fear, from the control of fear, from the oppression of fear, from dominion of fear, from the captivity and power of fear in the name of Jesus.

⇒I saw how everything on earth is so wrapped up by the forces of fear, including the chair you are sitting on, the water you drink, the ground you walk on, they all communicate fear. You might be taking a shower and the ground will just communicate fear by saying what if you just slip off and fall; maybe you are about to cross the road, the vehicle moving can communicate fear by saying what if this vehicle suddenly turn its direction towards your side and hit you and you die; these are forces of fear. Your relationship with people will start getting you afraid, what if this person is not real, what if this person is my enemy. Those are forces of fear that speak to everyone and many people obey these forces of fear and that is why they hardly move forward in life.

•In the name of Jesus I receive the anointing and power to silence the voices of fear that come through the elements of this world into my soul. I receive power and anointing to silence every voice of fear, every energy of fear that speaks through the elements of this world whether spiritual or physical, whether visible or invisible, I receive power and anointing to silence them all in the name of Jesus. I receive power and anointing to silence every force and voice of fear that is coming from the elements of this world against my soul, career, calling and destiny, I receive anointing, power, grace and boldness to shut them down in the name of Jesus.

⇒There's so much in the realm of fear, how it connects to addiction and sin. But if you embrace the force of love and you walk according to the laws of love, you will quickly fulfill destiny and rise to the top. There's so much in love such that you have to be completely dead to self to obey the laws of love.

•Lord teach me to embrace love in its totality, teach me to walk in love in its totality, teach me to submit to your law of love, teach me to obey the laws of love in the name of Jesus. Father, teach me to love to the fullest, teach me to embrace all the laws of love, teach me to love people with everything I have and with everything I am. Lord teach me to love you with everything I have, teach me to be perfect in love in Jesus' name. Teach me to embrace the path of love and not the path of vengeance, teach me to embrace the path of love and not the path of retaliation, hatred, competition and pride.

⇒The kind of spirit we have received is a spirit of love. He is so gentle, meek and full of love. The Holy Spirit is a Spirit that fixes the downfall of others not a spirit that seeks the destruction of others, He is a Spirit that has high level of forbearance and tolerance, He is a Spirit that is so sacrificial, that goes an extra mile just for others to be happy, that is the kind of Spirit we have received from Christ, if you are a Christian.

•Father strengthen me to do all that your love teaches and commands, let me be strong to obey everything your love commands. Strengthen me to do everything your love commands. Strengthen me to obey the commandments of love, Lord teach me to embrace the laws of love in the name of Jesus, Amen.

## CLOSING PRAYER

Raise up your right hand.

Father, we thank you for you are so faithful, you are so kind and gracious, you are so merciful and wonderful. Thank you for how you have helped us to pray in this place of prayer. Thank you for the mighty things you have done during the course of these prayers, thank you for the help and blessings you have released from your throne into our lives, King of glory be praised forever in Jesus' name.

Father, I ask for everyone hearing my voice right now. I ask oh God that you enforce your justice in their lives, in the events going on in their lives, in the situations and circumstances going on in their lives, Lord enforce your justice now and let your people be satisfied with benefits in the name of Jesus. I decree that in your life, the justice of heaven shall manifest and what is yours shall be released unto you in the name of Jesus. What is yours in the womb of the earth, what is yours in secret places of the earth, by the reason of the justice of God it shall be released into your life in the name of Jesus. What is yours in the midst of darkness, what is yours in the treasure houses of darkness, what is yours in the treasure banks and kingdoms of darkness shall be mobilised into your life right now by the reason of the justice of God in the name of Jesus.

Because no one can question, overrule and win over God's justice, I therefore decree that the manifestation of God's help for your life shall appear speedily in the name of Jesus. Because no one can stop God therefore one shall be able to stop the manifestation of God's help for your life in this season, at this time, and so shall it be in Jesus' name.

I pray for you that you shall be strong in the name of Jesus. Every weakness that has limited your life for years, every weakness you inherited, every weakness lying deep down within you that has limited you for a long time, I decree that the hand of

God destroy them in the name of Jesus. I decree that the hand of God terminate the weaknesses of limitation in your life now in Jesus' name.

I pray for you, fear shall no longer rule over you in the name of Jesus. Limitations that fear has caused in your life, I decree that they are broken in Jesus' name. Now you shall move forward whether the devil agrees or not, whether witchcraft agrees or not, you will move forward in the name of Jesus. By the authority of the Most High God in my voice, I decree you shall move forward, whether the devil agrees or not, irrespective of forces that don't want you to move forward, I decree that you shall move forward in the name of Jesus.

I pray for you, everything that you need to be perfected in, every fruit of the spirit and righteousness of God that you need to be perfected in for you to enter into the glory of the Lord, for you to see and enjoy the glory of the Lord, receive grace to have such perfection in Jesus' name. Receive grace to be perfect in obedience, receive grace to be perfect in love, holiness and purity in Jesus' name.

Because the throne of God is in every presence of God, therefore I decree that in your home, marriage and family the throne of God shall appear and prevail in the name of Jesus. In your career, business and finances the throne of God shall appear and prevail in the name of Jesus. Thank you Father because we know you have answered, in Jesus' name it is done. Amen

⇒Father, thank you for keeping me in perfect peace, perfect health and safety. Thank you for preserving my life, thank you for protecting me, thank you for keeping

me secure. Thank you Lord for protecting me when the enemy came like a flood against me, thank you for your protection and preservation. Thank you for your safety that I have enjoyed and that I will continue to enjoy, thank you Lord Jesus.

⇒Father, I come to you, visit me tonight and let my life never remain the same again in the name of Jesus. Lord, I come to you with all the faith I have, I come to you with complete trust in your name and power, I come to you with complete trust in your help for my help and hope is in you alone, oh Lord visit me and change my life.

### **PSALMS 36:7**

⇒God has in Himself the fullness of all that humanity needs.

- Father let the fullness of all that I need to fulfill my calling, destiny and divine purpose in life, be released unto me in the name of Jesus. I receive the fullness of all that I need to fulfill God's purpose, calling and will for my life in the name of Jesus.

⇒It is in the love of God for you to have shelter. If you have found shelter in the shadow of God's wings then there is no arrow of darkness that can touch you because they will have to touch God first before they touch you and it's impossible for them to touch God.

- Raise up your right hand. Father let my life, my spirit, soul and body find shelter in the shadow of your wings in the name Jesus. Father let my entire life, marriage, finances, career and every part of my life find shelter in the shadow of your wings. Oh God of Israel hide me in the shadow of your wings, hide my children, spouse and grandchildren in the shadow of your wings in the name of Jesus.

⇒The kind of shelter that you get in the shadow of God's wings is the place of complete rest, you won't struggle to succeed or to get good things done. It is a complete state of rest where everything you need happens naturally and effortlessly just as a plant draws nutrients from the ground naturally.

- Father let my life and everything in my life find complete rest in the shelter of your wings in the name of Jesus. Lord, let me find complete rest in the shadow of your wings, such a rest that will end struggling in my life, such a rest that will end hardship and every form of trouble in my life, oh Lord let my life find such rest in your shelter in the name of Jesus.

⇒There's a place of rest in God whereby you don't have to do what other people are doing to prosper and succeed, you don't have to work so hard and seek for money like the people of the world do before you can experience certain prosperity in your life. All you have to do is be in Jesus, be in His rest, do His will and then He will take care of you, that is the life in the Kingdom of God. Whatever you do for a living make sure it's serving God because that is how God wants you to live on earth, He doesn't want you to live for money but for Him.

- Father help me to trust in all the benefits that come with abiding in your rest, help me to seek after the benefits that comes with your rest, Lord help me to agree with

your rest, help me to remain in your rest. Help me oh God to stay in your rest so that I can enjoy the benefits that are in your rest, help me to desire the benefits that comes with staying in your rest in the name of Jesus.

⇒Mathew 11:38."Come unto me, all ye that labour and are heavy laden, and I will give you rest" This is what Jesus is saying to you right now. Some of you are burdened with the issues of life, you are so worried about the same things unbelievers are worried about; how to make money, wear good clothes, achieve this and become that and you keep calculating all kinds of things in your mind, that is a heavy load and you are hurting yourself. Jesus does not want you to be worried, He wants to take care of all those things you are worried about, all He wants you to do is to stay in His rest, follow Him, trust Him, serve Him and please Him and then He will carry all your burdens and give you rest.

•In the name of Jesus I offload every burden I have placed on myself, every burden I have placed on my spirit and mind because of unbelief and doubt, I offload them now in the name of Jesus. I offload from my mind and head, every burden God Has not placed on me that I have placed on myself through worry and anxiety, fear, unbelief and doubt, I offload them now in the name Jesus. Lord I desire to stay in your rest, I embrace your rest, I choose your rest, oh God let every burden I have placed on my life be offloaded in the name of Jesus.

⇒People who are so bound with heavy loads that God has not placed on them don't get less of those heavy loads. It keeps on multiplying because there's only one person that can eliminate those burdens and that person is Jesus. It is only Jesus who can make you have peace and rest even while those problems are still there and you would live as though there are no problems in your life because Jesus will help you carry those burdens while you continue to rest.

•In the name of Jesus I transfer every burden in my life, whether the ones I placed on my life or the ones the enemy placed on my life, I transfer them to Jesus, I choose the rest in Jesus, I embrace the rest in Jesus. I transfer every load and burden I have placed on my life or the enemy has placed on my life, I transfer them to Jesus. I embrace the rest, the peace and comfort that is in Jesus, therefore let Jesus carry my burden, terminate and destroy them in the name of Jesus. I embrace the rest that is in Jesus, let every load and burden of the cares of this world, every load and burden of darkness upon my life be terminated in the name of Jesus.

⇒Until you surrender to the rest that is in Jesus, those problems will keep on multiplying. The more you focus on your problems the more the problems will continue, but the more you focus on God the quicker the problems will be solved. Even while you are still waiting on God for your problems to be solved, God will still be sustaining you because you are focused on Him. It is a mistake if you take your focus from the Lord and focus on your problems because focusing on those problems will never stop them. If you allow certain problems or issues to now reduce your commitment and devotion to the Lord, you are doing yourself great harm.

•In the name of Jesus I receive the grace to remain connected and focused on the Lord, I receive grace to not be distracted by anything in this world in the name of Jesus. I receive grace to remain focused and connected to the Lord, I receive grace to remain in the rest of the Lord, I receive grace to not be distracted, oh Lord help me, help me to stay and trust in your rest in the name of Jesus.

⇒The reason why many people find it difficult to stay in God's rest is because they feel like they have to do something before they can enjoy certain benefits. You don't have to do anything outside the rest of God, as long as you are in His rest. While you are in His rest you will have every good thing including comfort, money and food. For those of you who feel like if I don't struggle and do this job I can't have food on my table, is that what God wants you to do, is God saying that you have to do that time consuming job or struggle hard before you can have blessings?, especially if the work will not allow you to have time for God and grow spiritually. You need faith to remain in God's rest and function in His rest and not run about seeking for money and trying to solve the problems you can't solve.

•Father, give me faith to stay and trust in your rest in the name of Jesus. Father, give me faith to remain in your rest, give me faith to withdraw from activities that are taking me far away from you, give me grace to withdraw from activities that are taking too much of my time. Lord, give me faith to abide in your rest in the name of Jesus.

⇒Those who run after money don't always have it, and if at all they will have it, many of them have to become slaves to money just to have it. Those who run after God, money will run after them but those who run after money will not have God and eventually won't have the money.

•Father destroy every craving in my soul for things that can not be found in your rest, for things that do not agree with your rest, Lord destroy that craving right now in the name of Jesus. Father destroy, every craving in my soul for the things that do not agree with your rest, for things outside your rest, Lord destroy them now in the name of Jesus.

⇒Mathew 11:28. Jesus said I will give you rest. You have to trust in Jesus for you to remain in His rest, you must withdraw your trust from man and everything in this world. You must not trust in your own ability, wisdom, business and employer because they can fail. The moment you begin to lose trust in God then you begin to see yourself losing your place in His rest.

•Father teach me to trust you completely with all my heart, teach me to trust in you for all my needs, teach me to withdraw my trust from men, teach me to withdraw my trust from the system of this world in the name of Jesus. Oh God, teach me to trust in you only so that I can always remain in your rest, help me to trust you completely so that I may withdraw my trust from anything and everyone.

⇒ Jesus said bring all the issues troubling your mind and I will give you rest. One of the ways through which Jesus can give you rest is when you surrender fully to His will. God's will is not always what we want because His will is always against our will. So you must make up your mind to surrender fully to His will so that you can enjoy His rest. Because what brought all those problems and issues in your life were because you were following your own will. There are some miracles God has not yet done in your life because He is waiting for the day you will fully surrender to His will. So instead of complaining, ask yourself, have I completely surrendered to the will of God?

• Father help me to surrender fully to all your will so that I can enjoy your rest and all the benefits in your rest. Lord help me to surrender fully to your rest and will so that I can enjoy your rest and see these burdens, problems and sicknesses in my life disappear. Lord help me to surrender fully to your will in the name of Jesus.

### **PSALMS 36:7**

⇒ There's a place for you in the shadow of God's wings and God has been waiting for you to seek and ascend to that place.

• Father take me to the place you have created for me in you, the place where I have all that I need, the place where I have complete rest, victory, authority, power and dominion, Lord take me to that place in you in the name of Jesus. Father, take me to that place you have set aside for me in you, that place of complete understanding, perfect wisdom, knowledge, peace and rest, that place of fullness of power, grace, strength, glory and victory, oh Lord take me to that place in the name of Jesus. Lord take me to that place where I will be so conscious of who I am and why I am in this world, take me to that place where I will be so conscious of the duty, assignment and responsibility you have put me in the world to fulfill, that place where I will be so filled with the understanding of why I was born into this world and what you will have me do for you here on earth, that place of complete dominion, Lord, take me to that place in the name of God.

⇒ There is a lot in God that many of us have not yet attained and the beautiful thing is that we can attain them because we have the access. Many of you don't want to grow deeper in the knowledge of God, you have embraced shallow christianity and spirituality while God already gave us unlimited access to all that is in Him, but you don't want Him, you don't long for Him, you are not passionate to know Him.

• Place your right hand on your head. I bind every darkness stopping me from seeking after God, stopping me from seeking for the depths that are in God, I bind every darkness stopping me from longing for the depths that are in God, stopping me from tasting and having a hunger for the depths that are in God, I bind such darkness right now in the name of Jesus. I bind every darkness working in my soul, oppressing my soul and spirit to stop me from seeking the depths in God, to hinder me from seeking for the depth in God, I bind such darkness in the name of Jesus. Father, deliver me from every darkness that is stopping me from seeking for the depths that are in you.

⇒ Growing spiritually has nothing to do with titles. Spiritual growth is for every child of God not for only pastors, ministers, prophet etc as some of you think. Your life survival depends on it, for you not to die spiritually depends on your spiritual growth, that you will not go to hell depends on your spiritual growth. Any plant that is not growing will eventually die after some time, the same is applicable to your spiritual growth. If you are not growing spiritually you might not make heaven. It is your heritage to know God, it is mandatory to know God not whether you have a title or a ministry.

• Holy Spirit, fill my soul with strong desires to seek and to know God, to seek to grow in the knowledge of God, to seek for the depths in God. Holy Spirit fill me with a strong passion, a strong hunger for the depth in God, fill my soul with strong desires to seek to know the Lord in the name of Jesus.

⇒ Raise up your right hand. Father manifest the power of your presence in the present situations of my life and make ways for me in the name of Jesus. Oh God manifest the power of your presence in the present situations of my life and make ways for me in the name of Jesus.

⇒ Father, honour your name in my life for I am your child, I represent you in this world, honour your name in my life in the name of Jesus. Father give praise, honour and glory to your name in my life. Honour your name in my career, marriage, ministry, calling and destiny in the name of Jesus.

⇒ Father let your mighty hand make everything the enemy has termed impossible in my life possible in the name of Jesus. Oh God, by your mighty hand let everything in my life that appears impossible become possible, as it is written for with God nothing shall be impossible therefore Lord make everything the enemy called impossible in my marriage, calling, destiny and my spiritual walk with you possible in the name of Jesus.

⇒ Raise up your hand. Arise oh God in the fullness of your power and might, fight my battles and win them all in the name of Jesus. God of Israel arise and fight my battles.

⇒ Father command justice for me in every realm where my rights have been withdrawn from me, Lord enforce your justice in every realm that exists whether visible or invisible, whether in the depths of darkness or hell, whether in the heights of the heaven where my rights have been withdrawn from me, Lord command your justice for me in those realms in the name of Jesus, Amen.

## **PRAYER POINTS**

⇒ Raise up your right hand. Father, thank you for being there for me, thank you because you are always there for me, you have never forsaken me, you have never failed me. Thank you Father for always being there for me, every time I need you, anytime I need you, you are always there, you always give me comfort, joy and peace. You are always there to help me, you are always there to strengthen me and

to meet my needs, you are always there to surprise me with miracles, you are always there to change my situation and to work in my favour. Thank you Lord for taking good care of me, you defend me and preserve my life, you protect me because you are a loving Father. Thank you for your faithfulness, thank you Jesus for you have not allowed the enemy to succeed over my soul, spirit and health, you have not allowed darkness to succeed over my career, calling and ministry, you have been there for me even when everyone else failed, thank you Jesus for your faithfulness. Most High God thank you, miracle worker thank you, great provider thank you, great healer thank you, thank you because you always heal my sicknesses, weaknesses and diseases.

⇒As we behold God as though we are looking in a mirror, we are being changed into the same glory that we behold. As we look at His face we are being changed into the same glory we behold. You are going to position your mind as though you are standing before God and as though you are beholding the glory of his face. That is how you are going to pray the following five prayer points with this mindset of faith as though you are standing before God.

- Father I stand to behold your face and glory, let my life and everything in my life begin to change into your glory, let all my life, spirit, soul and body be changed into your glory in the name of Jesus. Lord, I stand before your throne to behold your glory, let my life transform to become one with your glory, let my spirit, soul and body transform to merge and become one with your glory right now in the name of Jesus. Let all that is in my life and environment become one with your glory, let everything going on in my life begin to change into your glory. I stand to behold your glory, I look intently into the glory of your face, Lord let my life change into the same glory, let the glory of your face change my life and situation in the name of Jesus.

⇒As you behold the glory of God, the brightness of the light of God will penetrate into you and as that light is entering into your life, it will expose and destroy darkness for that light is greater and stronger than darkness.

- Father let the brightness of the light of your glory penetrate into the depth of my life and begin to expose and destroy every darkness in the name of Jesus. Let the light of the glory of God enter into the depth of me, enter into the depth of my soul and spirit to expose and destroy darkness.

⇒As the light of the glory of the Lord enters into you, there is going to be an exchange of things that should not be in your life, God will remove them and put into you things that should be in your life.

- Father, by the brightness of the light of your glory, let everything that should not be in my life be exchanged for the things that you want in my life, let everything that should not be found in my life be exchanged for the things you want in my life in the name of Jesus. Lord, by the brightness of the light of your glory, let those things you do not want in life be exchanged for things you want in my life, let everything you did not create with me be exchanged for those things you want to see in my life. Lord, by

the brightness of the light of your glory, let there be an exchange for everything happening in my life that is not your will, let there be an exchange for everything you do not want in my body, soul and spirit, Lord begin to exchange and replace them by those things you want for my life and destiny, let your power and the brightness of the light of your glory begin to cause that exchange right now in the name of Jesus. I trade all the things that should not be in my life for the things that should be in my life, I trade my poverty for riches and wealth, I trade my sicknesses and diseases for divine healing and health, I trade my shame for honour, I trade sorrow for joy, I trade discomfort for comfort and peace, I trade darkness for light, I trade my weaknesses for strength, I trade my foolishness for wisdom in the name of Jesus.

⇒When the brightness of the glory of God enters into you there is going to be a revival in your life such that whatever thing that is dead or weak in your life will suddenly come alive and be strong.

•Father by the reason of the brightness of your glory let there be revival in me in the name of Jesus. Let there be prophetic and apostolic revival in my spirit, soul and body, let there be revival of all the prophetic gifts you have placed in me, by the brightness of the light of your glory let them come to life. Every skill, gift, talent, virtue and ability that has died in me begin to come back to life by the brightness of the glory of God in the name of Jesus. Let there be apostolic revival in my life, spirit, soul and body, let me receive strength to do what the Lord wants me to do practically, let me receive strength, boldness and courage to begin to do all that the Lord has called me to do, let me receive understanding, wisdom, strength and grace to begin to function in my divine assignment as I should by the brightness of the light of your glory. Lord let there be complete revival in my spirit, soul and body in the name of Jesus.

⇒When the brightness of the light of the glory of God enters into your life, there will be a translation. God is going to remove you from this earthly realm and position you in the heavenly realm, you will be living on earth from heaven, that is what the brightness of the glory of God does.

•Raise up your right hand. Father by the brightness of the light of your glory, let my life be translated from the earthly realm into the heavenly realm, let me begin to function from the heavenly realm and not from this earthly realm in the name of Jesus. Let there be a translation into glory, let the brightness of the light of your glory translate me into glory such that I begin to function and operate from the realm of glory in the name of Jesus. By the brightness of the light of your glory, let my spirit, soul and body be translated from this earthly realm that is full of limitation, deception, darkness, confusion and death into the heavenly realm that is full of victory, unending peace, joy, power and dominion. Lord, let the brightness of the light of your glory translate me into your heavenly realm.

⇒When the brightness of the light of the glory of God enters into the depth of you, you will be changed to be like God in nature. Being godly means you behave like

God in nature. That is why you need encounters with God because everytime God visits you, there will always be a transformation into His nature. The more God visits you the more you will be changed to be like Him in nature.

•Father by the brightness of the light of your glory let me be changed into your nature, let the Adamic nature in me die and let me be possessed by your nature in the name of Jesus. Father by the brightness of the light of your glory let there be transformation in me, let me change into your nature, let your divine nature take over me, let your divine nature become my nature. By the brightness of the light of your glory let my nature become your divine nature, let the Adamic and sinful nature in my life die. Let me love the way you love, let me love the things you love and hate the things you hate, let there be change in my life by the reason of the brightness of your glory.

### **PSALMS 36:8**

⇒God is so committed to taking care of His creatures, God has with Him the fullness of all that you need to survive and to fulfill your destiny.

•Father, let every spirit of lack and poverty controlling my life, influencing my life, sitting upon my life, let them die and loose their hold upon my life, let them be permanently displaced from my life in the name of Jesus. Every darkness in me that is promoting lack and poverty, every darkness in my life, environment, career, calling and ministry, every darkness following me that is promoting lack, shortages and poverty, fire of God displace them forever, let them be permanently uprooted from my life in the name of Jesus.

⇒God is able to give you more than enough of what you need, if you don't have enough for what is needed in your life and destiny, you can trust God for it.

•Father take me from the realm of little to the realm of abundance and surplus. Lord, reposition my life from the realm of little into the realm of excess, reposition me Lord for the sake and glory of your name, for the sake of your praise and glory in the name of Jesus. Lord reposition my life, calling and destiny from the realm of shortage and little into the realm of excess and abundance, where I have more than enough to carry all that matters to my life, calling and destiny.

⇒Whenever we pray prayers like this, some people will start questioning- how will it happen? I am not from a rich family, I don't have any source of income that will suddenly put me in the realm of abundance and surplus. But it's not for you to question how it will happen. All you need to do is to trust God and to love Him, and leave it for Him to do it for you.

•Father, let the windows of heaven open over my life, let the storehouses of heaven open upon my life and let my life be filled with abundance of resources, abundance of provisions, riches and wealth that I need to become who you want me to be at this time. Lord open up the windows of heaven, open up the storehouses of heaven over my life. Just as the clouds form in the sky and rain heavily on earth, so let it rain upon my life abundance of riches, abundance of resources, wealth, provisions and

supplies in the name of Jesus. Father I trust you for there is no limit to your operations and power, therefore Lord let it rain upon my life abundant blessings that matter to the fulfillment of my calling and destiny.

⇒ Anyone that has a wasting spirit will not be selected to enjoy the excess flow of divine supplies from heaven. If there is a wasting spirit upon your life, that might be the reason why you have not been enjoying divine supply from God excessively. A wasting spirit involves the misuse of God's blessings. If God blessed you with blessings and you spend those blessings on your lust and fleshly cravings, God is going to reduce or cut short the flow of divine supply from your life. But when you spend those blessings wisely on the things that pertains to life, godliness and God's will, then there will be no limit to how you will enjoy the divine flow from heaven.

• I disconnect my life from the influence and control of wasting spirits in the name of Jesus. I destroy every covenant or agreement I have with wasting spirits, I destroy every connection, partnership and relationship I have with wasting spirits, let them be destroyed right now in the name of Jesus. I destroy every agreement, every connection and covenant between my life and the spirit of devourer, I break every agreement and covenant binding my life to wasting spirit, I disconnect my life, finances and spending from the influence and control of wasting spirits in the name of Jesus.

⇒ A lot of Christians have failed God in their finances and that is why God has shut the flow of His blessings into their lives because they became selfish and did not remember God in their finances, they did not remember the work of God and God's servants in their finances. Money has this spirit that when you have it, the next thing you start thinking about is yourself and probably your family and then you hardly think about God and helping others. That is the spirit in money that controls people but when God puts this readiness in your heart to please Him with your finances, you will not only think about your family but you will think about Jesus and the Kingdom of God.

• Father fill my heart with the readiness to use my finances to serve you, to honour you and please you. Lord fill my heart with the readiness to use my finances and resources to serve you and your purpose in the earth. Lord fill my heart with the readiness to use my finances to glorify you in the earth, to serve your will and work in the earth. Lord fill my soul with the readiness to use whatever you give me to serve you.

⇒ For every evil prevailing in the world, there is financial sponsorship behind it. That is why God is careful to give His wealth to people because if God gives someone His Kingdom wealth whose mind is full darkness, eventually that person will become an enemy of God. If there's an attitude in your life that is going to affect God's will in your life then God will not release His kingdom wealth into your life, it could be an attitude you think is right but in heaven it is not right.

•Father destroy every attitude in me that is not allowing me to receive my share of your Kingdom wealth, destroy every attitude in my life that is hindering me from receiving my share of your Kingdom wealth even if it's that attitude that I think is not bad, oh Lord destroy them now in the name of Jesus. Every attitude, character, habit and behaviour in me that is not allowing you to release the flow of your Kingdom wealth into my life, oh Lord let such an attitude die right now in the name of Jesus.

⇒There is a system of heaven on earth that works naturally to feed and satisfy God's creations with all that they need every day. Kingdom wealth does not necessarily mean you will have huge money in your account though sometimes it means so, but it means that you will have what you need at the time you need it and everything you need will come to you from unexpected sources.

•Father connect my life to your system in heaven that meets daily needs, Father connect my life to your divine system on earth that meets my daily needs in the name of Jesus. Lord connect my life and finances, connect the daily affairs and the activities in my life with your divine system on earth that meets my daily needs. Let your heavenly system on earth begin to operate in my life, let your heavenly system on earth that satisfies with daily benefits begin to work in my life in the name of Jesus. I connect my life and bank account, I connect the daily activities and the affairs of my life, I connect my calling and destiny to the system of heaven on earth that supplies daily needs.

⇒Sometimes, God subjects Christians to lack and suffering so that He can teach them faith, that would make this system of heaven on earth work in their lives practically.

•Father, teach me the faith that will enable your divine system of supply in the earth to work for me, to work for my career, ministry, calling and destiny. Father teach me faith that will enable me to enjoy your system of daily supplies on earth, Lord teach me faith that will enable me to enjoy this system in the name of Jesus. Teach me faith that will activate your system of supply on earth to function in my life, teach me the faith oh God that I will apply to connect to the flow of your divine supplies on earth.

⇒One of the things you do by faith is by letting God take over your finances. By surrendering your finances to God, by believing and agreeing that whatever you have is not yours but that it belongs to Him and that He decides what you do with whatever you have. Once you hand over your finances to God, it will keep multiplying but when you feel it's my money, I worked so hard for it and then you try to control its spending, it will not multiply.

•Father, teach me to hand over my resources to you, teach me to hand over my finances, possessions and all that I have to you, teach me to consider myself as not the owner of whatever I have. Lord teach me to live this way in the name of Jesus. Father, teach me to hand over my wealth, riches and possessions to you for only you can make them more than enough.

⇒ Another thing that makes the system of heaven on earth to work in your life is when you learn to depend on God and not on your salary or human strength. If you are going to enter into the realm of the wealth system of God, you must stop planning on your strength and salary to spend money. Your faith must always be in God alone for that is how you connect with the Kingdom's wealth.

• Father teach me to depend on you alone for all that my life, calling and destiny needs. Lord, teach me to depend on your wealth and resources alone, teach me to withdraw my dependence from people, teach not to depend on people for help or any kind of supply, teach me not to depend on government, not to depend on my strength, business and smartness. Lord teach me to depend on you alone for all that my life, marriage, calling and destiny needs.

### **PSALMS 36:8**

⇒ The treasures in the house of God in heaven are connected to things that God takes pleasures in. If you begin to delight in the things God delights in, God will make you drink from His river of wealth and blessings. One of the reasons people are not having access to the riches and wealth in God's Kingdom is because they do not take delight in things God delights in.

• Father give me a heart that finds delight in the things you delight in, give me a heart that finds joy and happiness in the things that gives you joy and happiness. Give me a heart that finds delight in the things that gives you pleasure, Lord give me such a heart in the name of Jesus.

⇒ Everything you do on a daily basis must please God if you want to enjoy the wealth in the Kingdom of God. What you do for a living must please God, the source of your income must be pure and whatever you do for a living must not become an idol. It must not take the place of God in your life such that it takes all your time and you no longer have time for God, you no longer have time to spend with God in Bible Study, prayer, fasting and meditation on the Word of God.

• Father help me to please you with all that I do everyday, help me to please you with all that I do in my business, job and career. Lord, let me do the business in a way that will please you, help me to please you in my daily activities, help me to please you with what I do for a living, help me to please you in all that I do on a daily basis including the sources of income, help me to please you in them.

### **PSALMS 36:9**

⇒ There's a difference between the life of God and human life but everyone who is connected to God shall have abundance of life.

• Father by the reason of my connection with you, let your life fill my life, let my life be filled with your life in the name of Jesus. Oh God of Israel by the reason of my connection with you, let your life fill up all my entire life. Because I am connected with you in my body and with my soul and spirit, therefore Lord let my entire being be

filled with your life. I want your life oh God, let your life fill up all of me in the name of Jesus.

⇒John 3:36 talks about eternal life. That life is the life of God and that life is the fountain that does not dry. Eternal life does not only entail you making heaven after you leave this world but eternal life is the life of the Holy Spirit, it is a life that the presence of the Holy Spirit gives because the presence of God is that life itself. Eternal life is real and can be felt and everyone who is genuinely saved has this eternal life in them. If that life is in you, then how much of it has filled you? Can we find this life in your spirit and body system?

- Place your right hand on your head. Holy Spirit, fill up my entire being with the life of God, let the life of God swallow me up, let the life of God take over me and fill me up in the name of Jesus. Holy Spirit, fill up my entire being with eternal life, fill up my body, soul and spirit with the life of God in the name of Jesus.

⇒God is the fountain of life. The life of God is like a fountain and life is forever oozing out of that fountain and the Bible confirms that this fountain is in you if you are a christian. There is a fountain in you, it doesn't dry up, have you accessed the fountain of life that is in you, do you drink from that fountain?

- Father let every limitation of darkness on my life blocking my access to your fountain of life, catch fire in the name of Jesus. Every limitation of darkness blocking the fountain of life that is within me, catch fire of the Holy Ghost in the name of Jesus.

⇒The flesh is one of the most powerful limitations that blocks christians from accessing the fountain of life that is in them. If you are genuinely saved you have a fountain of life in you that gives you immortality and if you can access that fountain of life in you to a very high extent, you might not die a physical death and you might be translated like Enoch and Elijah.

- Place your right hand on your head. In the name of Jesus, let the fire of the Holy Ghost destroy the limitation of self and flesh in my life that is blocking me from accessing the fullness of the fountain of life in me, limitation of self, limitation of the flesh and adamic nature in my life, die by fire of the Holy Ghost in the name of Jesus. Limitation of flesh, limitation of self and adamic nature prevailing in my spirit, soul and body blocking my access to the fountain of life that is in me, die in the name of Jesus.

⇒It's painful to die to the flesh, that is why people don't want to die to self. The pain you feel when someone shoots you with a gun is familiar to the pain you feel when dying to the desires of your body. That is why you must be intentional, passionate and deliberate when it comes to denying your flesh of its desires. It is a war you must fight as a christian if indeed you want to make heaven. You must kill the carnal desires of your body so that God can give you access to this fountain of life that is in you. Roman 8:6, "To be carnally minded is death. But to be spiritually minded is life

and peace" The life mentioned in this verse is equal to the fountain of life. By your own will you can not kill your carnal desires but God can help you when you are deliberate about it, when you make up your mind to kill them He will strengthen you to do it because He loves you and He wants eternal life for you.

- Father give me the strength to mortify the carnal desires of my body, to mortify the carnal desires in my mind and soul, give me strength to kill and destroy the carnal desires that is blocking my access to the fountain of life, Lord give me strength to mortify and kill the carnal and selfish passions, to kill the carnal and selfish desires in me, Lord give me strength to kill them all in Jesus' name.

⇒There are some thoughts you must not think at all if you want to remain connected to this fountain of eternal life. These are thoughts you think on a daily basis and some of these thoughts are not bad but you must not think them at all because people in heaven don't think like that.

- Place your right hand on your head. Father, strengthen and empower my mind with fire to block and terminate every thought that is against my connection with your fountain of life. Lord, empower me in my mind to reject and bind thoughts that are going to disconnect me from the fountain of life you have placed in me, empower me to reject and destroy such thoughts in the name of Jesus. Thoughts that will not allow me to have access to your fountain of life, Lord empower my mind with fire to block them all.

⇒When Jesus was about to be lifted up to heaven, He made a promise saying "I will send you a comforter" which is the Holy Spirit. The Holy Spirit is the one that will help you to always drink from this fountain of life, but many Christians don't allow Him because they are so consumed with their lustful desires and that is why the fountain of life is not flowing in them. By default the fountain of life should flow in your body to the point whereby if you eat poison Jesus said it will not hurt you, "Mark 16:18" confirms that. You need to agree with the Holy Spirit to be changed by this life.

- Raise up your right hand. In the name of Jesus I surrender to walk in agreement and alignment daily with the Holy Spirit, I surrender to you Holy Spirit. I surrender to you Holy Spirit to walk daily in alignment, agreement and obedience to you, I surrender to your direction, I surrender to your instructions, guidance, leadership, and ministry in the name of Jesus.

⇒To surrender to the Holy Spirit means that you make Him the ruler and controller of your life, you let Him lead you and if He doesn't lead you, you do nothing until He leads you. The Holy Spirit knows how to lead your life. If you want your life to be led by the Holy Spirit just pray sincerely asking Him to lead you, He will lead and you might not even have to hear a voice but you will be led because He knows all the chemistry that governs your body, soul, emotion and feelings.

- Raise up your right hand. Holy Spirit lead my life, guide my life, take over my life, control and direct my life every day. Holy Spirit I want you to lead my life, I want you to control my life, I want you to guide my life for I don't know how to lead my life, take

over my life Holy Spirit. **\*The anointing of the Lord Jesus shall come upon you and that anointing shall enable you to be accurately and perfectly led by the Holy Ghost on a daily basis in the name of Jesus.**

⇒ You need to be filled with the consciousness of wanting to be led by the Holy Spirit, you need to always open up a gap for the Holy Spirit to come in and say pray this way, it is enough, sit there, don't touch that, don't call that person, keep quiet etc. The Holy Spirit leads with simple instruction and those instructions are very gentle and strong such that you will know that God is saying something to you. You can create a gap for the Holy Spirit to come in and lead you by putting yourself in a consciousness of what the Lord is saying. You can always ask, Holy Spirit what I am about to do or say, is it right?

• In the name of Jesus I put myself in the consciousness that will always allow the guidance, direction and instruction of the Holy Spirit to reach me on a daily basis in the name of Jesus. I immerse my spirit, soul and body into a divine consciousness where the Holy Spirit can freely guide and lead me on daily basis, I immerse my spirit, soul and body into the consciousness that will permit the Holy Ghost to speak to me, to guide me, to interrupt my affairs, to correct me, to instruct and direct me on a daily basis, I put myself now into that divine consciousness that is always ready to be led by the Holy Spirit in the name of Jesus, Amen.

⇒ Place your right hand on your head. I come against every power of darkness attacking my faith and trust in God, catch fire of the Holy Ghost now in the name of Jesus. I come against every power of darkness attacking my faith and trust in God, catch fire of the Holy Ghost, catch fire of the Holy Ghost now in the name of Jesus. Every power of darkness attacking my faith and trust in God, catch fire of the Holy Ghost in Jesus' name.

⇒ Father, let the garment of shame the enemy has put on me be changed into a garment of honour, let the garment the enemy has put on me transform into a garment of honour. In the name of Jesus let the garment of shame the enemy has put on me change now into a garment of honour in the name of Jesus. "Let it change now, let it change now x4", in the name of Jesus.

⇒ Place your right hand on your abdomen or belly. In the name of Jesus let every grace of God in me arise into physical expression. Let the graces of God in me arise and begin to physically manifest, begin to prevail physically, begin to prosper physically right now in the name of Jesus. Let the grace of God in me arise into physical expression. Let the grace of God in me arise and begin to physically express itself. Let the graces of God in my spirit, in my soul, the grace of God in my body, in my life begin to physically express themselves in the name of Jesus.

⇒ Place your right hand on your head. In the name of Jesus, I disconnect my mind from every web of darkness controlling it. I disconnect my mind, I disconnect my brain from every web of darkness controlling it. I disconnect my emotions, my feelings, and my brain from every web of darkness controlling it. I disconnect my mind and my brain from every web of darkness controlling it. I disconnect my mind from such webs now in the name of Jesus. **\*I decree over your life that every web of darkness that has captured your mind and is manipulating your mind, controlling your mind, influencing your mind negatively, let fire fall from heaven and consume them all right now in the name of Jesus. Every satanic web, witchcraft web that is**

seated on your mind to control it, to manipulate it, let fire fall and consume them all now in the name of Jesus.

⇒ Raise up your right hand. Lord Jesus, release upon me the anointing to succeed and excel beyond limits in my field of career and calling now. Lord Jesus, release the anointing upon me to succeed and excel beyond limits in my business, ministry, spiritual gifts, release that anointing upon me right now. Lord Jesus, release upon me the anointing to excel and succeed beyond limits in my field of career, calling, destiny and business right now in the name of Jesus.

⇒ The Lord is showing me some things will forcefully come out of you. Things inside of you which are not of God will be placed under pressure for them to come out.

• Place your right hand on your head. Power of the Holy Ghost arise from within me and push out everything God has not planted in me. Power of the Holy Ghost arise from within me and push out everything Jesus has not planted in me, everything God has not planted in me, push them out, push them out, push them out. Power of the Holy Ghost push out everything God has not planted in my spirit, in my soul, in my body, in my blood, in my bones, in my tissues and in the cells of my body, power of the Holy Ghost push them out right now in the name of Jesus.

⇒ Place your right hand on your head. Every demonic initiation that has happened to my soul, spirit and blood be destroyed in the name of Jesus, be destroyed now in the name of Jesus. Every demonic initiation that has happened to my spirit, soul, and body be destroyed in the name of Jesus, be destroyed right now in the name of Jesus, be destroyed right now in the name of Jesus.

⇒ To be initiated is to be claimed into something or to be placed under something and you are being held there by covenant. You will be placed under a curse and a covenant is keeping you under that curse. It also means to be put under the influence and control of certain spirits, powers, kingdoms of darkness and there is a covenant that is holding you there. Anything can be initiated by darkness and they can use many things to initiate people. They can use food: the moment you eat that food your spirit, soul and body will be claimed by the kingdom of darkness and they will have access to do whatever they want with your spirit, soul and body. They can even use your spirit to do evil missions, wicked things unknown to you in the spiritual world. Some of you are being exposed to objects and elements of initiations. As long as you are close to those objects or elements, be it things you eat, things you put on your body, places you go to or friends you interact with, you will forever remain under that covenant of initiation.

⇒ In the name of Jesus, let everything in my life that is giving the enemy legal ground to influence and control my life be removed now, be cut off now from my life. Whatever is in my life that is giving the enemy legal ground to influence and control my life, let them be destroyed, let them be cut off right now in the name of Jesus.

Every object of initiation, every element of initiation into darkness, every object of initiation to darkness around my life, in my environment, let them be exposed and cut off from my life right now in the name of Jesus. Every object and element of initiation in my life, in my environment, anything very close to me, let them be cut off right now, let them be permanently separated from my life in the name of Jesus.

⇒ Raise up your right hand. In the name of Jesus let fire fall and destroy every presence of darkness in my dwelling place, in the building I am living in that is controlling the affairs of my life, let fire fall and destroy them now in the name of Jesus. Let fire fall upon every presence of darkness that has taken possession of my dwelling place to control and manipulate the affairs of my life for evil, let fire fall and destroy them. Let fire fall and consume them, let fire fall and destroy them in the name of Jesus.

⇒ It is possible that there are some invisible beings or creatures from the kingdom of darkness that are dwelling with you in your house that you are unaware of. And they ensure that nothing good happens to you on a daily basis.

• Stretch down your right hand, palm facing the ground. In the name of Jesus, let the anger of God fall upon every invisible creature of darkness that is dwelling together with me in this building, let the anger of God fall upon them and waste them. Let the anger of God fall upon every invisible creature of darkness taking possession of my environment, taking claim of the same place I am living in, let the anger of God waste them now, let them be wasted now in the name of Jesus.

⇒ By the strength of the Lord, I ascend to the height the Lord has prepared for me in the name of Jesus. By the strength of the Lord x3, I ascend to the spiritual heights, physical heights the Lord has prepared for me, I ascend into them now. Heights concerning spiritual maturity, heights concerning success and greatness, I ascend into them now in Jesus' name.

⇒ I come against every power of darkness attacking me through the water, let them die in the name of Jesus. Every power of darkness attacking me through the water, let them die, let them die, let them die in the name of Jesus. **\*I decree every power of darkness attacking you through the water let them die now in Jesus' name.**

⇒ Place your right hand on your head. Blood of Jesus, destroy every seed of darkness planted in my blood, let them be destroyed now in the name of Jesus. Blood of Jesus destroy every seed of darkness in my blood, destroy them now. Every seed of darkness inside my blood be destroyed by the blood of Jesus, every seed of darkness inside my blood, die by the blood of Jesus, die by the blood of Jesus. Every seed of darkness in me, die right now in Jesus' name.

**PSALM 36:9**

⇒ During the last session I told you how the Holy Spirit is very instrumental in giving you enough of this fountain of life, to drink enough, to saturate you in this life because He is the Spirit of life. The Bible says you should not be drunk with wine but be filled with the Holy Spirit meaning you should not be full of the flesh. Do you want to be filled with the Holy Spirit?

• Father, let everything I am filled with that is not allowing the Holy Spirit to fill me, die right now. Everything that I am filled with that is not allowing the Holy Spirit to fill me up, Father destroy them. Everything I have filled my mind with that is not allowing the Spirit of God to fill me up let them die, let them be emptied by Fire. Everything the enemy has filled me with that is not allowing the Spirit of God to fill me let the Fire of the Holy Ghost empty them out of my life in the name of Jesus.

⇒ When we speak of being filled of the Holy Spirit, we are not only talking about speaking in tongues as most people think. Before the early church could speak in tongues they were filled by the Holy Spirit and most people are filled with the Holy Spirit though they speak not yet in tongues. When you are filled with the Holy Spirit you prophesy, you overcome temptations, you get revelations from God, you hear the voice of God and a lot more. Some people speak in tongues yet they are not filled with the Holy Spirit because whatever they are speaking is not coming from the Holy Spirit but it's coming from their heads. Being filled with the Holy Spirit is very powerful; you should always desire to remain filled.

• Father, I want to carry the fullness of your Spirit, fill me to the fullness till there is no more space. Father, I want to be filled with the fullness of your Spirit till there is no space left in me, fill me to overflowing. Father I want to be filled with the fullness of your Spirit, fill me now, fill me now to overflowing. Fill me with the fullness of you, fill me with the fullness of your Spirit, fill me Lord.

⇒ The fullness of the Spirit is not a one-time experience, it is something that you must experience every hour or every minute because there is so much to be done on earth. There is so much more, to fight and win, so many victories to be attained, there is so much that God is expecting from you to do for Him. The fullness of the Spirit is something that you must continue to experience

• Father, open up the portals of Heaven over my life to be filled and refilled with your Spirit everyday. Father open up the portals of Heaven over my spirit, soul and body to be filled and refilled with your Spirit on a daily basis, on an hourly basis in the name of Jesus. Open up the portals of Heaven over me, open up the portals of Heaven upon me, over my spirit, soul and body so that I may remain filled always by your Spirit in the name of Jesus.

⇒ Just as you put fuel in your car and drive it around and refill it again, so also you must use that which the Holy Spirit has filled you with and be filled again. The reason why some believers have not experienced powerful demonstrations of the Holy Ghost in their lives and ministries is because they are useless to Heaven. The filling of the Spirit that God gave them yesterday they did not use, that is why a new one

did not come. And these are the same people who are saying they want to be used by God for mighty miracles and yet they are not using the resources God gave them. The little things God has committed into their hands they are not faithful with them, more will not be given if you have not used the one that you have been given before. To really enjoy the fullness of the Spirit of God you must be useful to Heaven. Have you used the Grace that God gave you yesterday?

• I cast out every spirit of laziness that is making me profit heaven with nothing. Every spiritual laziness that is making me profit heaven with nothing, come out of my life now in the name of Jesus. I cast out every spirit of laziness causing me to be unfruitful to Heaven causing me not to yield profits to Heaven, I cast out that spirit. Every spirit of procrastination, sluggishness, spirit of timidity, laziness I cast you out of my life right now in the name of Jesus. Every spirit making me yield no profit to Heaven, I cast you out of my life forever in the name of Jesus.

⇒ Another thing that is not allowing many Christians to be filled with the Spirit of God is prayerlessness. The spirit of darkness (principalities, powers, demons), their aim is to take full possession and control because they know that they cannot fully manifest themselves through you if they don't take full possession and control of you. Demons and all the spirits of darkness want to do evil and they want to do it through you. They want evil and wickedness to happen on Earth. They want all kinds of sins to be committed and practised, so what they are doing is to take full possession of people and make them do those things. The same thing applies to the Spirit of God, He is also looking forward to taking full possession and control of Christians so that goodness, righteousness, holiness, victories, signs and miracles will multiply on Earth. If you are a Christian and you are not praying yourself into the fullness of the Holy Spirit, you are still joking. In Ezekiel 47:5, that is the symbol of the fullness of the Holy Spirit when that man loses full control. You are not yet filled until you have lost control, until all of you has been taken over by the Holy Spirit. It is in the place of prayer that you attain that fullness, pray yourself into that fullness.

• In the name of Jesus I receive the Spirit, anointing and fire to always pray myself into the fullness of the Spirit, to pray until I enter into the fullness, full point of the Spirit. I receive the anointing and fire to pray until I am immersed into the fullness of the river of the Spirit, until I am fully deep into the river of the Spirit, until I am completely deep into the river of the Spirit, I receive anointing and fire to pray to always, I receive the anointing and fire to always pray to the point of the fullness of the Spirit where I am totally lost in the spirit, where I am completely deep in the spirit. I receive Grace to always pray to this point.

⇒ The other thing that is not allowing Christians to carry and function in the fullness of the Spirit is that Christians are not denying themselves. The Christians of this generation want to be full of themselves and of the Spirit at the same time, which is impossible. The spirit and the flesh do not agree, they are enemies. To be full of the flesh is to be an enemy of the spirit and to be full of the spirit is to be an enemy to the

flesh. The more we get busy denying our flesh, the more we will be opened to be filled with the Spirit.

•Father, create in me a new heart, a new spirit and a new nature that always denies the works and manifestation of the flesh so that I may carry the fullness of the Spirit. Lord, create in me a new heart that always denies, always mortifies and kills the manifestations of the flesh, the expressions and desires of the flesh. Lord create in me a new heart that hates the flesh, that has zero tolerance for the flesh, create in me such a heart that I may carry the fullness of the Spirit, in Jesus' name, Amen.
