## **PRAYING FROM SCRIPTURES**

### **PRAYER POINTS**

**JOHN 12:12-16,19**

⇒(Psalms 24:7-10) ~ Father every gate of hindrance, gate of limitations, wall of barrier that is stopping your visitation in my life, let them fall down flat, let them be destroyed, let them be broken into pieces. Almighty God every gate of hindrance, wall of limitations that is blocking you from entering into my life, blocking your glory from coming into my life, let them begin to break right now in the name of Jesus. Wall of limitations, ancient doors, gates of darkness stopping the visitation of the glory of God in my life, ministry, marriage, career, finances - let them be destroyed right now in the name of Jesus. I command fire, lightning and thunder of God to remove them in the name of Jesus.

⇒Father prepare my life for the visitation of your glory and power. Lord prepare my body, soul and spirit for divine visitation of your glory and power, prepare me to receive you, to receive your glory. Lord prepare my family, prepare everything about me that I may be open to receive your visitation, let me be prepared in the name of Jesus. Lord prepare me, disconnect me from the things of this world, set me apart from the things of this world, let me be set apart for this visitation that is coming upon me from heaven. **(Some of you are not prepared and that's why you have not seen the visitation of Jesus)**

⇒Verse12 **The Holy Spirit is telling me that some of you do not have patience, that is why you miss divine visitations, you are always in a hurry to do things your own way and not waiting for God and his ways.** ~Father give me the grace to be patient enough for your visitation and help, Lord give it to me. The grace to wait until you come, until you manifest, until you visit me in my situation, give it to me. Put it in me Lord - the patience, perseverance, and long suffering that I need in Jesus' name.

⇒Verse 13~ Father please help me not to be found wanting at the hour of my visitation, help me to be at the right place at the right time. Lord I refuse to be found wanting at the day of my divine encounter, at the day of my divine visitation I refuse to be missing on that day, help me to be available, help me to be at the right place and time, doing the right thing with the right people, oh God help me to be there.  
⇒Lord Jesus, give me a revelation of who you are that I may be able to apply my faith correctly, so that I will praise you as I should, worship you as I should, and to call on you as I should. Lord may you open my eyes to see who you really are, so that I may know how to receive what is mine in you. I want to see and understand the height and depth of your glory, the breadth and length of your understanding, and wisdom and knowledge, Lord open my eyes right now in the name of Jesus.

⇒Verse 14~ I pray right there where you are the that the Lord Jesus shall appear to you, that He manifest to you in the name of Jesus~ Lord my faith is ready, my heart is ready - Lord Jesus manifest yourself right here where I am. Manifest and end my pain, sorrow, weaknesses, Lord manifest and put an end to my reproach, shame, manifest and do that which only you can do.

⇒Lord Jesus, visit me with a gift, visit me with healing, visit me with your power and change my life, only you can change and transform my life. Lord make me into that person you want me to be. (Whatever you want Jesus to do for you, tell him or whatever you believe that he's the only one who can do it ask him to do it for you) Lord visit me with a gift that will change my life and situation forever, touch my body, soul and spirit.

⇒Lord Jesus I am ready for your use, I am making my life available for your use, I am ready to take you to nations, to take you to countries, cities and villages so that your name will be glorified. Lord I am ready, find me useful, make me useful. Lord I am ready to carry you to the nations, ready to do all that you will command me to do, use me Lord Jesus.

⇒God is not going to use people who are not ready to lay down all they are or all that they have. ~Father everything in my life that is contending with my love for you, that is competing with my love for you, that is making me so worldly or carnal, making me self centered or selfish - Lord break it down, destroy such a thing. Lord whatever is in me that is contending with your love in my heart, that is taking your place in my life - Lord bring them down. Help me to surrender and lay down everything at your feet and take my cross and follow you, help me Lord Jesus.

⇒Lord it is no longer I that lives, but just you alone, just have your way, do anything you want to do, just do your will. (If your highest priority in life is not Jesus or the kingdom of God, then your priority is nothing, and you are miserable because there's something more glorious in JesusJesus, than in earthly things earthly things) Lord I want more, all that you have - the depth of your grace, wisdom, power, knowledge of your mysteries, divine revelations. I want more, I am not looking for the physical things alone but for something much more glorious that's in you, that's what I want - let me be able to get it. Lord I am not comfortable with anything in this world, I want

the depths of you, I want you, the fullness of you not what you will give me but you Lord. You're all I want, deliver unto me, and take me into the depth of you.

\*The Lord showed me something like a covering, like a tent- you know when you're under a tent you are covered. The Lord was telling me that the reason why some of you are not experiencing his visitation of glory is because there's a problem with the covering over your life. I'm talking about the kind of church or ministry you belong to, or the church leadership you are under - that is your problem that is stopping the glory of God to manifest. God will have to change your covering or you will have to break out of that covering, because that's where the hindrance is coming from. I believe this message is for some of you. Don't let the covering of a church, ministry or leadership stop what God wants to do in your life.

⇒ Lord Jesus rain down your fire right now over every atmosphere of darkness that has covered my life, home, ministry, family, house and consume them all in the name of Jesus. ## **WITHIN THY POWER** Part 3

### **STILL THE STORM**

Whatever the enemy has been doing in your life till this moment, tonight shall be the end of those things, tonight shall end all that they have been doing all these years because the power of Christ shall still your storms in Jesus' name.

### **TO STILL THE STORM YOU NEED**

#### **1) TO RECOGNIZE JESUS IS IN YOU AND WITH YOU**

⇒ Lord Jesus I thank you because you are here, right in me and with me, I thank you because I have access to all that is in you, I have access to the fullness of your power. Thank you for your presence right now, I know that you are right here in my life, in my situation and in my family, in this thing/ situation I'm passing through. Lord, I know that you are with me, thank you because I have access to your power, I have a connection with the fullness of your power, thank you father for being here with me, and you will always hear me.

#### **→ THE POWER OF HIS PRESENCE**

⇒ Lord Jesus show us the power of your presence, Lord, I know that you are here, let me see the power of your presence in my life, my spirit, body, soul. Reveal the power of your presence to me. I want to see the fullness of your power, strength, glory- show me your power. Let there be a sign that you are here.

#### **2) TO FACE THE STORM WITH FAITH, IN THE GREATNESS OF GOD 1 John 4:4**

⇒ In the name of Jesus let every storm blowing in my life right now, let it be silenced forever, let it be still forever according to the fullness of the power of Christ, to the greatness of who God is in my life. I command every storm blowing in my life be stilled right now forever. In the name of Jesus I take authority over every storm of darkness blowing in my life, spirit, my dwelling, upon my mind- to confuse my mind, every storm that the enemy has sent into my life I command you to be still, be silenced forever, be arrested right now in the name of Jesus.

→ You face the storm with the greatness of God, you show the devil how great your God is greater than what he's doing.

⇒ Almighty God, reveal your greatness to the power of darkness troubling my life and destiny, show my enemies who you are, Lord reveal the greatness of who you are to the powers of darkness confronting my life and destiny. Show the greatness of your strength and power to the powers assigned against me. Witchcraft attacks, manipulations, and arrows - Lord arise and show them the greatness of you, let the greatness of you swallow them forever in the name of Jesus. Let your greatness confront my enemies.

→ Face that storm with the picture of faith in your heart, the picture you will create in your mind right now is that you're going to look at the end of that problem. You will have to see the end of that problem, face that storm with that kind of mind. Stand up, with your right hand up to heaven and decree - In the name of Jesus, you (storm-mention it) I command you to end right now, I declare your end right now in the name of Jesus. In the name of Jesus let an end come to this pain, sorrow, hardship, sickness in my life, I decree an end to you right now! End of difficulties, rising and falling, reproach etc, I decree your end right now in the name of Jesus.

### **3) TO ATTACK THE POWER BEHIND THE STORM**

There are some powers which are angry with you because of your calling, destiny, family and are causing trouble in your life. If you don't deal with those powers they will continue to cause trouble.

⇒ Every power creating storms in my life, storms of confusion, sorrow, failure, hardship - in the name of Jesus let fire fall and consume them. Powers creating evil, creating storms, creating problems in my life family, business, calling let fire fall and consume them. Every power creating evil in my days, in my journey of life, let fire fall and consume them.

⇒ Every power of darkness in my environment creating evil, every spirit, marine spirit, witchcraft spirit, demonic spirit that is causing evil in my life let fire destroy them right now, my life is not a room for demons. Every power troubling my life let fire consume them right now in the name of Jesus.

→ Terminating the ongoing operations of darkness

⇒ Every evil the enemy is creating right now against my life, every destruction they are planning right now in the realm of darkness, whatever the kingdom of darkness is doing in their coven, in their kingdom against my life and destiny I terminate them

right now. I decree fire to terminate all the works of darkness against my life and destiny, I discontinue them right now, I stop them right now in the name of Jesus.

#### **4) TO UPROOT, DESTROY AND REVERSE**

...the finished work of the enemy. There's an ongoing work in the kingdom of darkness, but some of their works have been completed and perfected against your life, only waiting for them to be manifested in the physical realm.

⇒I come against every finished work of darkness against my life and destiny, every finished work of witchcraft against my life and destiny let them be reversed and destroyed by fire. Whatever they have perfected in the kingdom of darkness, whatever they have put together against my life and destiny let fire scatter them in the name of Jesus. Every finished work of the enemy, let it be consumed by fire, I reverse it in the name of Jesus. It shall not come to pass in my life, it shall not manifest and stand in my life, ministry, marriage in Jesus' name.

**\*There's someone here, everytime you dream, you're always defeated. You even know it yourself that I have been defeated, the enemy always defeats you. But the Lord will put an end to it and you shall now begin to defeat the enemy from tonight.**

⇒I decree and I declare from now henceforth, every power prevailing over my life in my dreams I shall rule over them from tonight. I refuse to be defeated in my dreams, I shall no longer be defeated. Lord I rule over the powers, over the forces. According to the power in the fullness of Jesus, I take authority and dominion over all the powers which used to prevail over me in my dreams, I take dominion over them I shall begin to prevail over them, in Jesus' name.

#### **5) TO BREAK THE STRENGTH OF THE STORM**

When that strength is destroyed that is when the storm is over. E.g the strength of HIV is the HIV virus, when the strength is destroyed that is when the HIV is over.

⇒In the name of Jesus, I come against the backbone of the problem in my life, the backbone of my suffering, the strength of the storm in my life - I come against you in the name of Jesus and I command you to break right now, break right now!!! The strength of this storm, I command you to break, every storm causing confusing in the journey of my life, causing pain, suffering break in the name of Jesus!!! Every storm wasting my resources I break your strength right now in the name of Jesus, every storm of sickness and disease in my life I command you to break right now!!!

#### **6) WIND VERSUS WIND**

⇒Raise your hand to heaven- in the name of Jesus let the wind of God come down upon the storm of darkness blowing in my life right now, let the wind of God come down and swallow them up forever in Jesus' name, let the wind of the Holy Ghost swallow them up right now. In the name of Jesus I come against you storm and I decree let the wind of the holy ghost destroy you forever, let the wind of the holy ghost put an end to the storm right now in the name of Jesus.

**\*Some of you in your village, where you're living there are a lot of satanic sacrifices, demonic worship, ancestral worship going on there in your environment, dark activities going on there and that is what is affecting you, your life, family, ministry.**

⇒ Raise your hand up - In the name of Jesus, I come against every satanic wind blowing against the environment I am living in, every satanic wind blowing in this village, in this environment, in this community let the wind of the holy ghost destroy them right now, wind of God destroy them right now. Clouds of darkness blowing in this environment, let the wind of the holy ghost destroy them right, I command the wind of the holy ghost to destroy them in the name of Jesus.

## **7) FIRE OF GOD**

⇒ I release fire into the roots of the storm blowing in my life, into the problem the devil has created in my life, I release fire into the roots of that problem, let fire destroy it all from the roots. I destroy you from the roots by the fire of the holy ghost. You storm, you trouble of darkness, you confusion I destroy you from the roots by the fire of the holy ghost. All created problems from the dark kingdom in my life, let fire end them right now from the roots in Jesus' name.

⇒ Raise up your hand - every inherited problem in my life that I got from my ancestral lineage, let the fire of the holy ghost end them right now. Every ancestral bondage, disease in my life, every inherited problem in my life and destiny, fire of the holy ghost put an end to them right now in the name of Jesus.

⇒ Every demonic personality that is renewing ancestral covenants of darkness in my family, let fire destroy them all, let the fire of God strike them in the name of Jesus. Every power and demon that is renewing demonic covenants in my family lineage let the fire of God arrest and destroy them in the name of Jesus.

⇒ Every covenant my ancestors have made with Satan, and that covenant is speaking evil in my life, let that covenant be destroyed right now, I decree let fire fall and consume them all right now in the name of Jesus, let fire destroy them all in Jesus' name

⇒ Every ancestral altar of darkness working against my destiny, calling, ministry and life, I decree as fire fell down in the days of Elijah, let fire fall and destroy all those altars right now. Every demonic altar, witchcraft altar that is working against my destiny, life and calling let fire descend upon them and destroy them all. Every altar of darkness working against my life, catch fire right now. Every altar in the realm of the spirit catch fire right now, in the name of Jesus.

## **8) PULLING DOWN OF STRONGHOLDS**

**Stronghold is anything standing against the performance of the will of God in your life, it is anything designed to hinder the manifestation of the will of God in your life.**

⇒ In the name of Jesus, I pull down every stronghold of darkness standing against my progress, success, promotion, achievements. All demonic strongholds, in the second heaven, in the atmosphere, of the land, in the sea, all strongholds of darkness wherever they have been established I pull them down, let them catch fire right now. Every stronghold stopping my progress, prosperity, healing, testimony, joy I pull them down in the name of Jesus. Every stronghold established against me fulfilling my destiny I pull them down right now!

Sometimes strongholds are in people, right inside you and you're your own enemy, not just from outside, you can have a stronghold of fear - when your life is full of fear you will suffer a lot of defeat, because you're your own stronghold.

⇒Every stronghold of darkness that the enemy has established in my spirit and mind I pull them down by fire. Every stronghold the enemy has established in my life, spirit, soul and body against my calling and destiny I pull you down by fire right now. Stronghold of fear, anxiety, spiritual weakness, sin and pollution, pride, anger, envy and bitterness in my life catch fire right now in the name of Jesus, I pull you down in the name of Jesus!

\*Sometimes the storm the enemy will create will not be in your environment alone, but he can create a storm to turn the hearts of people against you, from accepting you. He works on people's mind to reject you, turn against you and not help you.

⇒Every power that is turning the hearts of people against my life and destiny, turning the hearts of many not to accept and help me let that power be destroyed, let it be roasted by fire. Every power turning the hearts of men against my ministry, business, calling, career, Lord let your fire consume them in the name of Jesus. Fire of the holy ghost destroy all powers turning the hearts of the people I meet on a daily basis not to favour or help me - catch fire right now in the name of Jesus.

#I don't know how to explain how God is showing me, but the thing is that you shall be celebrated. So if it appears as if your life is meaningless, nothing is working or moving...God is saying that your story will change and you shall be celebrated and clothed with a new glory- that's what I saw - you were being clothed with a new glory. So shall it be for you in Jesus' name..Amen

## **CLOSING PRAYER**

Father we thank you because with you nothing shall be impossible, we thank you for the manifestation of your victory on our prayers tonight, we thank you for the things your power has settled for us in the realm of the spirit. We thank you for the limitations that you have broken, we thank you Lord for the strength that you have given to us to pray and prevail tonight, Lord we say be thou glorified forever in Jesus' name.

Lord I present everyone present in this meeting, I present their lives before you, and Lord I am asking, let your greatness manifest in their situations, let the greatness of your power, of your might, of who you are Lord let it manifest in the midst of their situation and let whatever the enemy is doing, let it cease forever in the name of Jesus.

I am praying for you, no more sorrow in your life, no more weeping, struggling, hardship, poverty in your life. A new dawn shall begin for you, the bible says -

"though weeping may endure in the night but joy comes in the morning", your joy shall come for you, your joy shall come in the name of Jesus.

I am praying for you that all your expectations from God, as we break into the new month, as you enter the new month- all your expectations shall begin to receive manifestation, you shall begin to have approval of your expectations in the name of Jesus, and the name of the Lord shall be celebrated in your lives and families and so shall it be, in Jesus' mighty name we have prayed. Amen

Go and start singing and celebrating because a new story has begun in your life and destiny, a new story has begun from this very hour in Jesus' name.. Amen

Then you said again, that there is someone here there is a spirit that is attacking you and causing you to become weak and you explained what kind of weakness you are talking about me , man of God I am not working I'm currently, not doing anything but I would feel being weak out of the blue and yesterday I was feeling very weak strangely because I didn't do anything that I would say it's because of fatigue. Life was not easy but we knew God was speaking and doing it behind the scenes.

[09/07, 06:29] +1 (815) 517-\*\*\*\*: Prayers went up for my son this week, he was diagnosed with drop foot, urine in blood, bulging disc in his back. Not to mention he almost overdosed on drugs. The Lord had mercy and saved his life. And he was unable to walk for almost 2 weeks. But my God is so good, today he began to walk again with no crutches. All signs of his health are turning good. And he has accepted Christ Jesus as his Lord and Savior. After being in the world for over 15yrs. To God be the glory Hallelujah Hallelujah.  
MIRACLES are happening!! GLORY BE TO GOD

But the Lord changed her report. After prayers - her blood pressure is now from diabetic level to normal and she is being released from the hospital. To God be the glory hallelujah!!!indeed
