### THANKSGIVING PRAYER

King of glory, mighty God, we worship and adore you. Miracle worker, mountain mover, lion of the tribe of Judah, the rock of Israel. The Lord of hosts, the Lord strong and mighty, the Lord mighty in battle, Father we worship you this hour, we praise you, we worship your majesty, we bless your holy name. The God of heaven and earth, God of Abraham, Isaac and Israel, the God of our Lord Jesus Christ. Father we worship your majesty, we bless your holy name, you are the maker of the whole

world, the controller of the whole universe. You are the One who created the earth and all flesh and blood, every living thing and all living things. You are the one that made all things that exist - visible and invisible, without you nothing was made that was made, Father we worship you this hour there is none like you and there is none higher than you.

Lord manifest yourself in this place, let us find you Lord Jesus in this hour of prayer. Lord touch our lives, bless everyone, move among us, solve our problems and terminate them all. Help us Lord Jesus, thank you Father because we know you shall do much more than we need in Jesus' name I have prayed, Amen.

## PRAISE AND WORSHIP

We worship you, Father you are so great, your power is so great, your name and glory is so great, thank you Lord Jesus. Thank you because you are here to reveal the greatness of who you are in our lives, situations, callings and destinies. Thank you Father because darkness shall flee at the sight of your greatness, blessed be your Holy Name.

We welcome you right here Father, come and have your way come and take your place, be glorified forever in Jesus' name, we have worshipped him Amen.

## PRAYER POINTS

(120). Father, I thank you for all that you have been doing, how much your authority, your power has done in my life since we began this series. Father I thank you because I have seen the wonders of your grace, power, authority, greatness, the wonders of your name. I have seen your power in my life, thank you oh blessed redeemer, oh faithful Lord because you answered my prayers, blessed be your Holy Name thank you Lord.

(121). The Lord said to his disciples, you can do the same thing as I did to the fig tree, he cursed it and said may you not produce fruit ever again and immediately the tree dried up. He said you can do much more, we are going to continue looking at the many more things you can do by the kingdom authority.

#. You can create things as a child of God. You can make things happen by the words of the power of God, by the word of the authority of Jesus.

⇒. Raise up the right hand. Father let every utterance that shall proceed out of my mouth this hour carry creative power of your Kingdom that makes things appear in the physical. Lord every word that I will say tonight, let it carry within it the creative power that is in the word, that creates all things.

(122). Hebrews 11:3 By faith we understand the worlds were created by the Word of God, the things we see were not made by visible things. Meaning that this present world was birthed from the realm of the spirit it did not just exist but it was spoken into existence.

⇒. In the name of Jesus according to my shared authority in Christ Jesus, I speak upon my life, calling and destiny, let the greatness of God appear in my life, calling and destiny from this hour henceforth. The greatness of the Almighty God appear right now and collide with everything in my life. Let everything in my life begin to encounter the greatness of God. Let the greatness of God appear and touch every part of my life and situation.

(123). According to your shared authority in Jesus you can create all things. What is not there can suddenly be there.

⇒. In the name of Jesus according to my authority in Jesus Christ, I speak into existence every good thing that is still missing in my life, calling, destiny, ministry, career and business. Every good thing that I need in my existence that is missing, I speak you into existence, appear right now in the name of Jesus. The finances that are missing for me to go into the next level, I command you to appear right now. I am connected to the same power that creates all things I speak into existence: everything that is missing, heaven knows my life needs that good thing right now, therefore I speak it into existence according to my inherited authority in Christ Jesus, appear right now! **\*In the name of Jesus let that good thing appear in your life right now in Jesus' name.**

(124). In Genesis chapter 1, the Bible says ...and God said let there be light and there was light. If you look at the ministry of Jesus Christ he spoke things and they appeared. When it seemed as if he was stranded and was asked to pay the tax, He told Peter to go to the sea and open the first fish he saw and take the money out of the mouth of the fish. It's not like Jesus had put the money in the mouth of the fish, but he spoke it into existence. He spoke both the fish and the money into existence. There are some things that would have happened before in the spiritual realm before they manifest in the physical but then there are some things which happen the moment you say it because the power to make it happen is already there. Some things you don't even need to know how but you just need to speak and they will happen.

⇒. Father, by the authority you have given to me, I speak into existence everything that I need to move forward to the next level. Lord I speak it now let it appear. Everything I need in my life; spiritually, physically, financially, maritally for me to be where the Lord has prepared for me and destined for me to be, I speak them into existence. Lord I have faith, therefore I speak prosperity, breakthrough, healing,

deliverance, favour, mercy and help to appear in my life, begin to appear by the power in the Word of God.

(125). # You can control things by Kingdom authority. For example let's say the devil is frustrating and tiring things in your life, you can command, control and can set things in order by the kingdom authority. Let's say the devil is scattering things, disorganising things and causing trouble, that's what he does but by the kingdom authority, you can control and set things in order because the power is in you. When there was a storm, Jesus controlled that situation, there was peace because he spoke peace to the storm.

⇒. Raise up your right hand. In the name of Jesus, according to my shared authority in Christ Jesus, I command perfect order, perfect peace upon my life, situation and destiny. Everything that has been disorganised by Satan and the forces of darkness, I set them in order right now in the name of Jesus. In the name of Jesus, I set things in order right now, everything that has been disorganised in my life, calling, destiny, career, business, marriage and place of work, I set them in order right now according to the power and authority working in me.

(126). The Lord is showing me that inside of you, that's in your body, soul and spirit, things are out of order

⇒ . Place your right hand on your head. In the name of Jesus, according to my shared authority in Christ Jesus, everything that is out of divine order in my body, soul and spirit, I command you to fall in place right now. Lord everything in me that is out of order, disorganised and out of place, I command you to fall in place right now in the name of Jesus. I have the authority in Jesus, fall in place right now in Jesus' name!!

(127). I have learnt that there are many good things that cannot happen in a life of a man if that man is not in the right place, at the right time, doing the right thing, nothing good will happen. Especially good things that should come from God himself, you know there are some good things which come from different things but most of those that come from God don't happen if you are not at the right place, at the right time doing the right thing. If you are not doing the right thing at the right time nothing good will happen.

⇒. Raise up your right hand. In the name of Jesus everything that the devil is doing in my life right now to displace me to cause me to be in the wrong place and not do the right thing I should be doing at the right time, let the fire of God consume them right now. Everything the devil is doing to displace me from the program of God, to displace me, to take me out of the program of God, let fire consume them right now. Whatever the kingdom of darkness is doing to ensure that I am not properly connected with the program of God for my days, life, destiny, and marriage let fire consume them right now in the name of Jesus. I refuse to be in the wrong place

doing the wrong thing, I refuse to be at the right time doing the wrong thing, I refuse at the right place doing the wrong thing.

(128). Jesus said you have the power and the authority to control, just as Jesus has the same authority. What are the things you control with this authority? We control everything that has a mind, anything that can think, we control them by authority. Everything that can influence your life negatively, you can control it in the place of prayer whether it's human beings, animals or demons.

⇒. Raise up your right hand. In the name of Jesus, I decree from now henceforth, every mind that has proposed to influence my life and destiny negatively, I command you to fall under the will of God. I command you to surrender and to be subjected to the will of God for my life and destiny. Every mind that has determined to influence my life and destiny negatively, to attack my life, to perform evil in my life, in the name of Jesus I command you to bow to the will of God, to the purpose of God. Every mind bow to the will of God in the name of Jesus, for everything in my life to follow the path the Lord wants it to follow.

(129). We control times and seasons. You can make a particular time to work in your favour, even beginning from this present moment of your life.

⇒. Raise up your right hand. In the name of Jesus, according to my shared authority in Christ Jesus, I decree every time that I will live in my lifetime, let it begin to surrender to the performance of the will of God in my life. Let it surrender and agree with the performance of the will of God for my life in the name of Jesus. Every time that I will live in my lifetime, begin to surrender to the performance of God's will and purpose for my life and destiny, agree with the will of God, for the performance of God's will in my life.

(130). The Devil has programs for a lot of people just as God has plans and programs for us, his children. For example, from today, tomorrow and the day after, the devil already has programs for your life, what you will think tomorrow he has already planned for you. You are the one who will determine what you want for you tomorrow, you do not have to live at the mercy of the devil. That is weakness and failure when you will live at the mercy of the devil, following what the devil has already planned for you. Refuse to follow that kind of program.

⇒. In the name of Jesus I come against every program of Satan that has been laid down for me ahead of time. Every program of the devil, darkness and witchcraft that has been set ahead for me, in the name of Jesus let fire fall and consume you all. Fire from heaven fall right now and consume them all. Every demonic program, serpentine program, every evil that has been devised in the dark kingdoms and have been positioned ahead of me in time, I terminate them right now by fire.

(131). There are some decisions that must be made in certain places in the hearts of men for something new to happen in your life. New things do not just happen in the lives of men. New things are products of certain things that are happening in the hearts of people and most things. Of course God can do new things with no one having to agree with him but there are some other new things that some people have to decide before it happens in your life. There are some things that can happen when certain people have decided to help you and favour you. You have the power and authority to control. The dark Kingdom can control things to follow a certain direction, the kingdom of God can also do that to agree with the will of God. What we are doing is not witchcraft because it's scriptural and also you are not praying this prayer because of your own will but because of a particular will of God that must happen in your life and God knows how to make people come to a certain decision where they will favour you.

⇒ . Raise up your right hand. In the name of Jesus, let the power of God begin to work in every heart, soul that must make a decision for my life to move forward to the next level, for something great to begin in my life and destiny, let the power of God go forth right now and begin to compel the hearts to make such decision that my life needs right now. Let the authority of Jesus move right now and begin to compel the minds of kings, of people, men and women that must take a decision that will move my life, calling and destiny forward and higher. Let everybody be broken and let the power of God prevail in their hearts.

(132). Kingdom authority has given us the ability to control things in the will of God. This is a prophetic prayer because some of you, in your lives, are personalities that do not want to let things go the way God wants them to go.

⇒. Every stubborn heart and soul that has refused to let go of my life to release my freedom, my breakthrough, progress and prosperity, let the hand of God come upon such a soul. Let that soul collide with the hand of God and let my life begin to move forward. Every stubborn heart and soul that is standing in my way and is saying that I will not move forward, that is saying that I will not let her or him go forward, let the hand of God collide with such a soul and let my life move forward. Let the hand of God descend upon such a soul and let my life begin to move forward. Every human personality, stubborn soul that is standing against my breakthrough and progress, let the hand of God collide with them and let my life move forward by the hand of God right now in the name of Jesus. Let the hand of God fight every witch and wizard fighting my moving forward.

(133). Witchcraft operates by control and dominion, that is why if they are not gaining dominion over your life, for example if there is a witch in your extended family and it has dominated everyone in your family except you he will not stop because for witches to properly carry out their operations, they must put everyone under their control, they must have dominion over everyone, that is how they operate. If witches

are going to operate in your environment they must put every house and every person in that street under their dominion and they will be able to operate successfully. If you refuse to be dominated you will be their enemy. It's the same thing with the kingdom of God, when the glory of God comes down, it carries a dominating power and it commands dominion over everything and everyone. For you to have control you must dominate by the kingdom authority.

⇒. In the name of Jesus, I take dominion over everything and everyone that is working for the devil in my environment, life, career, business, everything and everyone that is working for the devil, I take dominion over them right now by my shared authority in Christ Jesus. God has given us power to dominate, therefore I take dominion over everything and everyone in my environment partnering with the devil and darkness to fight me, to attack me, I dominate over them, I subdue them under my feet in the name of Jesus. Because I carry within me the power of God that is above every power, I carry within me the kingdom of God that is above every other kingdom, therefore I take dominion over every darkness, over witchcraft, in my environment, my family and marriage, I rule over them.

(134). To control is to have access to places and things that you should have access to. There are realms that you as a Christian should have access to, when God blessed Solomon with wisdom, Solomon had access to some realms, he would communicate with certain invisible realms. He could understand certain things because he was not limited to this physical realm. There are realms that you need to have access to to unlock mysteries because it is part of the kingdom authority that you have inherited in Jesus Christ.

⇒. Raise up your right hand. From today I gain access into every realm in the spiritual realm, every realm that pertains to my calling and destiny, that pertains to the height the Lord is taking me, that pertains to my spiritual advancement, in the name of Jesus I gain access to them right now. By my authority in Jesus I gain access to them. Let every portal that must open up for me to have access to the realms of spirit, I command that portal to open right now in the name of Jesus. Every portal that must open for me to move forward, for me to gain spiritual knowledge of the Lord, to grow in divine understanding of the Lord let them begin to open to me right now. Every realm of power, grace, divine blessings, spiritual gifts, glory of heaven begin to open to me right now, the realm of miracles, signs and wonders, divine understanding open up to me because I want to operate there.

(135). To have control is to move things. Everything you see in his physical realm there's a spiritual version of them, there is something they are connected to in the realm of the spirit. That is why human beings have their human spirit, everything that happens to the human spirit is going to reflect in your human body. Everything that you see physically, there's a spiritual version of it. When you touch the spiritual version of things it will influence and affect the physical version of it.

⇒. In the name of Jesus, I set in motion right now every good thing that has been delayed in my life unto manifestation. Every good thing that has been delayed into my calling, destiny and marriage I set them in motion right now, to manifestation. Everything that has refused to move forward in my life, I move them forward right now according to my authority in Christ Jesus. Every prophecy that is taking so long to manifest, I move it into manifestation right now. I move that prophecy into fulfilment right now in the name of Jesus. Every blessing that has refused to manifest, right now I enter into the spiritual realm and I bring it to manifestation in the name of Jesus. I pull every blessing that has taken too long to appear, I bring them to manifestation right now in the name of Jesus.

(136). You can control demons, (Philippians 2:9 -11). When you speak with authority that is in Jesus, even demons will listen to you. When you command demons and they come out, you are controlling them. Command is part of control

⇒. Raise up your right hand. In the name of Jesus, I command every demon spirit that has been assigned to produce evil in my life and destiny, to move out of my life. Every demon that has flooded the affairs of my life to cause evil to prevail, I command you by the authority I have in Jesus to come out in the name of Jesus!! come out of my life, marriage, business, and finances right now in the name of Jesus!! Every demon, serpent and scorpions that have flooded my life to do evil, I command all of you to move out right now, you don't belong here, you don't work here, move out of my life right now in the name of Jesus.

(137). The Lord is telling me that some of you have been poisoned by the enemy, the common way is through the food that we eat, it can be in this realm or through dreams.

⇒. Place your right hand on your hand. Father let your power arise within me and destroy every poison of darkness in my blood, intestines, body, and spirit, let your power arise in me and destroy them all, consume them all. **\*Right now let the power of God arise from within you and let every poison be destroyed. Let It be neutralized by the power of God right now in Jesus name, Amen.**

(138). Every monitoring spirit that has attached itself to my life, to cause failure let the fire of the Holy Ghost separate them from my life. Every demon following me and everything I do to bring it to failure, let the fire of the Holy Ghost detach them from my life, separate such spirit from my life in the name of Jesus. Every demonic personality, witchcraft spirit, demonic spirit that has combined itself with my life to cause failure, I command fire of the Holy Ghost separate them from my life right now in the name of Jesus, be detached forever. Every standby demon following my life everywhere catch-fire, be separated from my life, marriage, career, and finances forever in Jesus name.

(139). There is somebody very close to you and that is the very person the devil is using to get to you. There is a darkness that is coming from that person to you. Every time you have fellowship with that person the darkness increases, their strength increases, you might not even know that, and that person might not also know that the devil is working through him or her.

⇒. Father let every darkness that is flooding into my life through close contact, close friends, or relatives, let such darkness be terminated forever, let it go back. Everytime it comes, let it go back by fire. In the name of Jesus, let the flow of darkness be terminated. Whenever that darkness sees me let it fall back by fire in the name of Jesus.

(140). Prophetic prayer: Touch the ground with any of your hands. In the name of Jesus according to my shared authority in Jesus Christ, I command every evil that has been perfected inside the ground against my life and destiny to be destroyed by fire right now, to be destroyed by Holy Ghost fire. Every evil that has been perfected under the ground against my life, health, calling, prosperity, and breakthrough, I command Holy Ghost fire to consume them right now. Let the fire of God go into the ground and destroy them. Every witchcraft, every power of darkness, work of the devil that has been done in the ground against my life, right now let the fire of the Holy Ghost destroy them in Jesus' name, Amen.

## CLOSING PRAYER

Raise up your right hand.

Father we bless you, we worship your majesty. We thank you Lord for the greatness of who you are, the greatness of your power, the greatness of your name and authority, even the kingdom authority that we own and possess in you. Lord we thank you for everything, we praise you for everything, blessed be your holy name. Be glorified forever in Jesus' name.

Oh Lord your people have prayed with faith with the whole of their hearts in the session. I am asking, Lord, that according to your mercy and grace let their heart's desires, all they have said in this prayer session be granted right now in Jesus' name.

I am praying for you that you shall be favoured in the season in Jesus name. I don't need to know the powers that are fighting you, whether from your father's house or mother's house, I don't want to know the curses and covenants that are affecting people who were born in your family lineage, but because you are connected to this

anointing and calling, I decree that your life shall be favoured in Jesus' name. Every darkness that is claiming dominion and control over your life, I command that darkness to come out of your life right now in the name of Jesus. As Jesus spoke to them and said they should loose him and let him go, and the man that was dead for 4 days was loosed and was free. Therefore I speak to every power that has held your life captive, every spiritual wickedness, and principality that has held your life and destiny captive, I speak to them right now by the authority of Jesus, let them loose you right now, let them loose their hold over your life right now. I command them to lose their hold over your life and let your life begin to move forward from this hour henceforth in the name of Jesus. Let that stronghold of darkness prevailing over your life and destiny break right now in the name of Jesus. Let that covenant of darkness prevailing over your life and destiny break right now in the name of Jesus. Let that curse of darkness that is causing evil, sorrow, pain, suffering, poverty, reproach, and shame to prevail in your life, let that curse be broken right now in the name of Jesus. I release you to manifestation by my authority in Jesus. Go and manifest, go and fulfill your calling, destiny and become whom the Lord has said you will become. Go and become what the Lord sent you here on earth to become in the name of Jesus.

I am speaking to every stubborn problem that has refused to let go of your life, that keeps on coming, you stubborn problem that has refused to go, leave forever right now. I command it to leave right now in the name of Jesus, hear the voice of the Lord and leave forever.

Thank you Father, blessed be your Holy Name, thank you faithful Lord.

Let the hand of God lift you up right now in the name of Jesus, no more delay in your life. Let be the hand of the Lord lift you up far above everybody, obstacle and limitation in the name of Jesus.

Thank you Father because we know you have answered, blessed be your Holy Name, thank you Lord Jesus, in Jesus' name I have prayed, Amen.

**I know that the Lord has helped you and there shall be new discoveries. Things that you have not discovered about yourself for a very long time, you shall begin to discover them. It is one of those things that the Lord will do in your life, in this season especially what you are here on earth to become and to do for the Lord. As we continue with this prayer journey, I believe the Lord will make your life beautiful, Amen.**

# PRAYER POINTS

## JEREMIAH 1:9-10

WHAT ELSE CAN THE KINGDOM AUTHORITY DO?

It can plant and build-up, it can uproot and it can tear down. Tonight we are going to be planting and building up, tearing down and uprooting.

(141). Father, thank you for choosing me to express the greatness of your power in the face of your enemies. Thank you for counting me amongst those through which you will reveal the greatness of your power in the presence of your enemies. Thank you Lord Jesus, thank you Father. Father I thank you that through me, through my spirit, soul and body, through my voice, declarations and utterances, you shall reveal the greatness of your power and strength in the face of your enemies. Through me you shall show the powers and principalities how weak they are. Thank you for choosing me at this time to reveal your power and authority in me and to put an end to your enemies.

(142). You need to understand that every Christian has received the calling, you don't have to be a pastor, prophet or evangelist before you exercise the power and authority of the Kingdom. Everyone of us here have received authority to exercise and manifest kingdom power and authority on the earth. So you don't have to be a pastor to do that. There are things that need to be uprooted

⇒. Raise up your right hand. In the name of Jesus, I decree that everything evil planted by the enemy, by darkness, planted by demons and witchcraft into my life and destiny, I command you to be uprooted right now by fire in the name of Jesus. Every evil, I don't want to know how you were planted, or who planted it but what I know is that I have received the authority to uproot whatsoever God has not planted. Every evil planted into my destiny, into my life, I command you be uprooted right now in the name of Jesus.

(143). There are evils which were planted before you were born whilst in your mother's womb. Plantations of evil, of darkness.

⇒. Raise up your right hand. In the name of Jesus, I come against every evil that was sown into my life, planted into my life while I was in my mother's womb, while I'm yet to appear in this world, I command you to be uprooted right now by fire in the name of Jesus. In the name of Jesus, I come against you evil that penetrated into my destiny whilst in my mother's womb, be uprooted right now in the name of Jesus, leave my life forever, come out of my life forever in the name of Jesus.

(144). God has appointed you to stand up against nations, against kingdoms. The devil will not leave your life alone if you do not stand up against him. If you are just

comfortable with what he is doing in your life, your life will never change. But if you begin to stand up against him and say enough is enough, that is when you begin to shake the foundations of his kingdom in your life.

⇒. In the name of Jesus, I come against every kingdom of darkness, every anti God kingdom that is oppressing my life, frustrating my life, I come against you in the name of Jesus, with the authority of the kingdom of God be shattered in pieces in the name of Jesus. Be scattered apart, be torn down in the name of Jesus, be consumed, be destroyed in the name of Jesus. Every antiChrist kingdom, Kingdom of darkness that is oppressing my life, frustrating my life, destiny, ministry, business, that is against the purposes of God for my life, I come against you in the name of Jesus, be destroyed in the name of Jesus.

(145). There's a place where you do the work because of the authority in you and then there's also other places where you ask for God to intervene.

⇒. Raise up your right hand. Father let fire fall and consume the strength of darkness, the foundation and the root of darkness oppressing my life and destiny. The root of darkness polluting my life and destiny, destroying good things in my life, Father let your fire consume the root of every darkness. Every darkness, every power of darkness, frustrating my life oppressing my life, destroying good things in my life, let the fire of God consume them at the roots, I expose them to the fire of God. Father let your fire go forth to the root and strength of every darkness contending with my life, every darkness attacking my life, Lord let your fire locate their roots and consume them. Let the foundation and roots of every kingdom fighting my destiny catch fire, let their strength be consumed and broken in Jesus' name.

(146). You have to deal with the roots of darkness fighting you, destroy the strength and foundation of it.

⇒. Raise up your right hand. Father, let your fire come upon me, let your fire pass through my body, soul and spirit and destroy every root of darkness, every strength of darkness that is making the devil stronger than me, let your fire fall and destroy them all. The strength of evil, the strength of darkness in my life, let your fire fall and consume them all. Lord let your fire locate that hiding place, that stronghold of evil in my life, let your fire locate the strength of evil, the strength of darkness in my life and consume them all in the name of Jesus. Whatever is making that darkness stronger than me let your fire locate and destroy them all in Jesus' name.

(147). Oh Lord Jesus take full possession of my spirit, soul and body and destroy everything that is not of you, consume everything that is not of you. Lord Jesus possess my soul, possess my spirit, possess my body and destroy everything that is not of you. Lord Jesus take full possession of me and destroy everything that is not of you in me.

(148). There are certain things in your life, except they die or they are terminated, good things will not come in your life, good things will not come alive in your life, certain good things will not appear in your life, both physically and spiritually.

⇒. Raise up your right hand. Father everything that must die for good things to appear in my life, everything that must be terminated, that must be wasted and destroyed for your purpose to be fulfilled in my life, for your will to prevail in my life, Lord let them begin to die. Everything that must die physically or spiritually, every living thing, every operation of darkness that must be destroyed, everything that must be terminated, that must be consumed for my life to become what you want it to become, right now judgement fall from heaven and begin to consume them.

(149). The Lord is showing me that there is some divination, enchantment that must be destroyed for your life to move forward. I mean some witchcraft stuff that has been done had to be destroyed.

⇒. Raise up your right hand. In the name of Jesus, by my authority in Christ Jesus, I decree every enchantment, divination, sorcery, every charm, curse, and spell that has been sent against my life, that has been devised against my life, let the fire of God consume them all right now. Every curse, sorcery, spell and incantation that has been devised, spoken out against my life and destiny, I come against you in the name of Jesus, be consumed by fire. Be destroyed by fire in the name of Jesus.

## VERSE 10

(150). These are kingdoms and nations that are troubling the kingdom of God and the will of God. They are there to ensure that the will of God will not prevail. The reason why they are surviving is that this is their mission to ensure that the will of God will not prevail. There are some establishments that have been planted in your life and as long as those things are there the will of God will not prevail in your life except those things are uprooted.

⇒. In the name of Jesus, I come against everything the devil has created and done in my life against the performance of the will of God in my life. Right now I come against you, be uprooted by fire. I uproot them in the name of Jesus. Whatever the devil has established in my life, destiny, business, career, marriage and calling to stop the will of God from prevailing, right now I come against them all and I decree let fire uproot them, let fire destroy them. Everything that has been perfected and enthroned in my lifetime by the kingdom of darkness to stop the will of God, I dethrone them, I dismantle them, I uproot them in the name of Jesus. Let them be destroyed forever in Jesus' name.

(151). When you look at the affairs going on in the world, the activities of man, everything that is going on in this world daily; world systems, organisation and all institutions, all these things are connected to an invisible kingdom. The affairs of men

are being controlled from invisible kingdoms, satanic kingdoms. Most people don't behave the way they want to behave but they behave the way the devil has controlled them to behave. Most people do not live the life they should but live the life the devil is giving them to live to show you that the kingdom of darkness is controlling the affairs of men strongly. Firstly you have to remove yourself from the influence and control of the dark Kingdom.

⇒. Place your right hand on your head. In the name of Jesus, I break in pieces every influence and control of the dark kingdom upon my life and destiny. Every influence, every control of the dark Kingdom upon my life and destiny, let them be broken pieces right now. I belong to the kingdom of God, I belong to the kingdom of Jesus Christ, my life is controlled by the kingdom of Jesus Christ, my life shall not be controlled by the kingdom of darkness. I belong to Jesus therefore every influence, stronghold and control of darkness upon my soul, body and spirit, finances and career I break them in pieces right now in the name of Jesus. My life is under the control of God's Kingdom not the demonic Kingdom or the dark kingdoms. From today no dark kingdom shall have control over my life in the name of Jesus.

(152). In the name of Jesus, I come against whatever is binding my spirit, soul and body with the dark Kingdom, whatever is connecting the dark Kingdom with my life and destiny, I come against them, let the fire of God destroy them in the name of Jesus. Anything visible or invisible, spiritual or physical that is binding me with darkness let fire consume that thing. Let the anger of God destroy such things right now in Jesus' name.

(153). There are some families which are being monitored by certain kingdoms of darkness. It is possible that your entire family lineage has been monitored by a certain kingdom of darkness and is being influenced by certain kingdoms of darkness meaning that they will ensure that nothing good prevails in that family line. They begin to control the destinies of children in that family line.

⇒. Raise up your right hand. Father let your anger descend upon every kingdom that is monitoring and controlling the destinies of people in my family line and bloodline. Everything that is monitoring, afflicting, suppressing and controlling the lives and destinies of people in my bloodline, Lord let your fire fall upon them, let your anger come upon them all and consume them all. Every Kingdom, wherever they're operating from, be it the second heaven, under the sea or in the atmosphere - wherever they are ruling from, mighty God let your anger destroy them.

(154). Sometimes dark kingdoms are strong over the souls of the family members because of certain covenants your ancestors made with these kingdoms, but there is a covenant that destroys covenants, that is the covenant that Jesus established with his blood, that covenant destroys any covenant.

⇒. Father let the blood covenant of Jesus Christ destroy every covenant, ancestral covenant that has put me and everyone in my family under the operation of the devil, under the control of the devil, under the possession of the devil. Every ancestral bondage that has put everyone in my family under the control, influence and operation of the devil, Lord let the blood covenant of Jesus Christ break them in pieces right now in the name of Jesus. Blood covenant of Jesus, begin to break them right now in the name of Jesus. Blood covenant of Jesus Christ, destroy them right now, destroy every ancestral covenant ruling in my bloodline.

(155). Why is it a must to uproot and tear down some kingdoms? It is a must because as long as these kingdoms are prevailing, so many things God wants to do will not be done because light and darkness cannot stay together. Darkness must leave when light appears, if light is going to stand and prevail then darkness must leave completely.

⇒. In the name of Jesus, I come against every darkness prevailing in my environment, every darkness prevailing in my career, in the environment I am living in, in my marriage, home, ministry and calling, I come against them in the name of Jesus. Let the light of God, let the fire of God flush them out. Every darkness prevailing in my prayer life, in my relationship with God, let the light of God appear and let them disappear forever, let the fire of God flush them out in Jesus' name.

(156). You must uproot and tear down meaning that those things have been built up and have been established and have been existing for many years but now you have to tear them down. We have some establishments in the physical realm and invisible realm that you have to tear down for God's establishment to appear in your life.

⇒. In the name of Jesus I come against every establishment of the devil that has been established and planted to limit my life, to limit my rising and progress, let them be destroyed, I tear them down in the name of Jesus. Every building establishment of the devil that is bringing limitations upon my life, bringing in poverty, sorrow, troubles, failure and disappointments upon my life, I tear them down in the name of Jesus. Let the angels in charge of demolition appear right now and begin to tear them into pieces. Every demonic establishment that has been established to limit my life and destiny, be destroyed right now in the name of Jesus according to my authority in Jesus. I declare your complete destruction whether you are in the realm of the waters, in the physical realm, or spiritual realm, wherever they are, let the angels of the Lord begin to break them down, begin to destroy them, let them be demolished forever in Jesus' name.

(157). What are the things that you have to tear down? Sometimes the things you have to tear down are in your mind and your heart. Certain things that have been built up inside of you, for some people, fear has been built up inside of them, some people it's false teachings, false doctrines etc. Until that establishment inside your

mind is destroyed, many good things cannot happen to you in destiny, even in your calling. There are many things that you have believed that are wrong and because you still believe them that is why you're still limited in destiny. There are many things that are being built up in our lives, some of them are hatred, bitterness, unforgiveness and pride, if they're not torn down you might never move forward in destiny, even in your walk with God.

⇒. Raise up your right hand. Father everything that has been built up in my heart and mind that is against your will and purpose, Father tear them down. Every false teaching, false doctrine and hatred and every stronghold of darkness and sin that has been built up in my heart and mind, Father let the fire of the Holy Ghost tear them down right now. Father let your fire tear down every demonic establishment in my heart, let fire tear them down. Holy Ghost fire tear down every establishment of sin, weakness, darkness, fear, arrogance, rebellion and disobedience from my heart and mind be teared down right now.

(158). Some of those things you are the one who built them up by calling them your principles, but your own principles are not as important as God's principles. Every principle that you've set for yourself must bow to God's will. There are things that you said in your own mind and that is your limitation.

⇒. Raise up your right hand. Lord Jesus every principle I have set in my life that is not in line with your will, every standard I made for my life that is not in accordance with your will and purpose for my life for me, Lord Jesus break them. Anything that I have set up in my heart that is not in accordance with your will, Lord Jesus break and destroy them in pieces. Lord Jesus my principles, my standard, whatever is against your principles, Lord Jesus break them, consume them, pull them down in the name of Jesus. My life must serve you, obey and surrender to you in the name of Jesus.

(159). I believe that the devil has no say concerning your life, like he is in no position to determine how your life should flow, only God has the final say in your life. Only God should be the one to determine what happens in your life not the devil. Now you are going to ask God to set your life on the course that it must follow.

⇒. Father from today, set my life on the journey, on the course, on the path that it must follow. I refuse to follow the demonic calendar, the demonic programming for my life. Oh God of Israel, sets my life journey on the path that it must follow from today henceforth. Lord I refused to follow the plans of the devil for my life and destiny, Lord I want to follow your plan and purpose for my life and destiny. Set me on the course I must follow to reach the place of victory, reorganize my life, realign my life to follow the path you have created for me even before I was born. Set me on that course Lord Jesus.

(160). By your kingdom authority in Christ you can have what you want for your life as long as that is in agreement with the will of God for your life. The kingdom authority can ensure that. There are many things that you want for your life. Now what are the things that you want for your life, that you know are in line with the will of God for your life, that is in agreement with the scriptures. You need to speak them into your life.

⇒. In the name of Jesus I speak for this (mention those things and command them to appear, command them to be granted in your life, command them to be established in your life). In the name of Jesus, I want prosperity therefore I speak and let there be establishment for prosperity in my life in the name of Jesus. This is what I want for my life, I want greatness for my life and destiny therefore I speak forth, let an establishment for greatness, success and glory appear right now in my life in the name of Jesus. Blessings, help, helpers appear in the name of Jesus. Promotion, divine favour, faith appear in my life in the name of Jesus. Miracles, signs and wonders begin to appear right now. Everything that my life and destiny needs at this time I speak them to manifestation, begin to appear in the name of Jesus.

(161). Father give unto me an establishment that will make me fulfill my destiny and calling. Lord give me an establishment that will bring forth fulfillment for my destiny. Give to me Lord that establishment that will make me fulfil your purpose for my life and destiny and let your name be glorified.

(162). There are certain things that you want for your life but there are some certain things that God wants to plant in your life and destiny. You are going to ask God for those things.

⇒. Father, my life is open before you, Father build up and plant everything that you want for my life, Lord begin to plant them, begin to build them up. Everything that you want in my life, spiritual growth, divine abilities, spiritual gifts and everything you want for my life, Lord begin to plant them in my life. I surrender my life, my life is open before you, my heart is open, plant them. Lord my heart is open, my spirit is open, Lord plant everything you want for my life. The grace, the anointing, power and every good thing you want, Lord begin to plant them, build them up. The impartation, Lord bring it upon me right now.

(163). The kingdom authority that you and I have in Christ Jesus can make things appear in places they should not appear for the performance of the will of God. It can bring things out of nothing. You may look at your life and see that you have nothing but you have something, you have authority of the kingdom of God and this authority can bring things out of nothing, where you do not expect things to come from, from there they will come. For example, how water springs forth from the dry land.

⇒. In the name of Jesus I decree, let good things, let blessings spring forth from every dry place in my life. Every situation that appears to be so dry I command in

the name of Jesus, let the blessings and good things spring forth from them unto me in the name of Jesus. From my poverty I command it riches, blessings spring forth, even from my poverty in the name of Jesus. Every place that is so dry, I declare let blessings spring forth in the name of Jesus.

## **PRAYER POINTS**

(164). Father, thank you for the great plans that you have for my life and destiny. Father, I thank you for the great future, glorious destiny that you have for me. Oh God of Israel, God of heaven and earth, God my Father, I thank you for the wonderful plans, beautiful, great and successful plans that you have for me, thank you for a great and glorious future that you have created for me. Thank you Lord for the great and glorious destiny that you have created for me, thank you that I shall rejoice, I shall be celebrated.

(165). Father, let your presence in me take a new dimension, let your presence in me transform to a new dimension of power and grace. Lord let the Holy Ghost in me transform into a mighty being, mighty personality, powerful personality for victories. Lord make yourself mighty in me because I know you're a great and mighty God. Lord make yourself powerful, glorious and great in me for manifestations of

victories in my life, for demonstration of miracles and wonders. Glorify yourself in me, magnify yourself in me Lord Jesus.

(166). Place your right hand on your head. Lord Jesus let every part of me from today carry the fullness of your power from my head to every part of my body, every part of my soul and spirit. From today let them carry the fullness of power and fire henceforth. Lord every part of me, every cell of my body, let it carry the fullness of your power and fire, every part of my soul and spirit, let it carry the fullness of your power and fire for the demonstration of victories, for the performance of signs and wonders, for overcoming battles. Lord fill every part of me with your power and fire.

(167). God is not weak, you might be weak but heaven is not weak and the power of God is not weak.

⇒. Place your hand on your head. Lord let your power arise from within me and let it begin to destroy every weakness hidden in me. Let your power arise from within me and flow through me and destroy every weakness, wherever I am weak let your fire within me destroy that weakness. Lord let your fire arise from within me and let every weakness begin to die, let it begin to be consumed by your fire, by your power in the name of Jesus. Let your power arise and let it fill every part of me and let weaknesses be destroyed in my soul and spirit.

(168). The Lord was telling me that there's a difference between walking with God and walking in God. There's a difference between you beside God and you inside God. He was telling me it is more powerful to be inside God than just being besides God. You need God to take you into Himself not that he visits you only, what about God taking you and putting you inside of Him, that is more powerful.

⇒. Raise up your right hand. Father take me and pull me inside of yourself, draw me inside of yourself and let my life be transformed. Let me transform into a powerful creature that can never fail, that can never be defeated, that can never suffer failure, defeat and captivities. Lord take me into yourself and let me transform into a powerful creature that will defeat the darkness of this age. Lord take me into yourself, I don't want you to just visit me and touch me but I want you to dwell in me, I want to be in you. I want to go through a transformation that only happens from the inside of you. Lord change my life and make me into a person you want me to be.

(167). I understood that the secret place of the Most High is inside the Most High, it is within Him and not just ordinary people have access to that place because that place is not even heaven, that place is beyond heaven, it is greater than heaven because it is within God Himself. I don't know how much of God you want but this Kingdom authority is in levels, the deeper you have gone into God, the more authority you can command from God or in God. I don't know how much of God you want. You can't just enter into the secret experientially, not just by faith (because we

say he who dwells in the secret place of the Most High shall abide under the Shadow of the Almighty...) we just declare that by faith, but it is more than that. You cannot just enter there with a sin and polluted life, it is not possible.

⇒. Father I want to enter into your secret place, Lord rid me of everything, of every darkness, every inward darkness. (Some of us, inside us it's too dark though you may look outwardly beautiful) Lord, I desire your secret place, it's my desire to go into the depth of you. Lord remove and destroy every garment of sin I have put upon my life, Lord take them away, I surrender all. Every nature of sin, garment of pollution, every darkness, Lord destroy them all and take me into you. Lord strip away from me every garment of iniquity, every unrighteousness, every nature of wickedness, nature of darkness- strip them off my life and pull me to you. I want to be like you, I want to go deep into you, into the depths of you.

(168). There are so many things that I have discovered, only as I was seeking for a deep relationship, deep intimacy with God. I didn't discover those things about my life even when I was praying and fasting for many years, but when I began seeking for intimacy, that is when I began to know certain things which were hindering my progress and success. There are some secrets to your breakthrough that you will only find them inside God. That is how many people suffered for many years without getting a breakthrough because they were seeking solutions from another way, not knowing that the secrets to the answer they were looking for is in seeking for intimacy with God. The Bible is right when it says.. seek first the kingdom of God then other things will come. There are some secrets that shall be exposed to you when you get deeper in God, not all things are about fasting, you might fast but nothing might happen. When God begins to rub your mind with His mind and you begin to have intimacy fellowship with Him that is when some secrets will begin to be revealed to you.

⇒. Lord take me on a journey to know you, set me on the path to know you that I may fulfill my destiny, that I may become the person you want me to become in this life. Lord set me on the path to know you, set me on a journey to know who you really are not what people say you are but for me to find you, to know you with the experience. Lord set me on a path, on a journey to know you in the depth of you. Set me on that journey set me on that path.

### **MATTHEW 21:21**

(169). He was telling them that you can do more than what I did to the fig tree, because Jesus had cursed the fig tree and it dried up instantly. Jesus began to explain what he could still do by the virtue of the kingdom authority. He said you can say to this mountain be removed and cast into the sea, scientifically it is not possible but Jesus said it is possible.

⇒. Father, let your power uproot every problem, negative situation that has gained ground in my life. Every negative situation that has gained ground through many

years that have gained root in my life, Lord let your power locate them right now and uproot them. Every problem like mountains that have survived for many years in my life, negative situations, troubles and sorrows that have survived for many years in my life and are still here till now, oh God of Israel, let your power uproot them right now in the name of Jesus. The kingdom power that uproots mountains, let it uproot them now.

(170). There are problems that have agreed with the earth. A mountain is established, founded or rooted such that even the earth has created a space to accommodate that mountain. There are some problems in our lives that have agreed with the earth against us. Because, hardly a man will be blessed on earth if the earth is against that man. According to the scriptures the earth can be weaponized by the devil against your life because the earth though is physical, it is also spiritual. The earth has ears and can listen, the earth can react to things meaning the earth is a living creature that the devil can use against you, against your generation.

⇒. Father let your power fall and destroy every covenant established with the earth to make it difficult for me to fulfill my calling and destiny. Lord release your power and fire and let it uproot every covenant that is using the earth against me, every covenant that has been established with the earth to stop me from progressing, from moving forward, fulfilling calling and destiny, let your power and fire destroy such covenants. Lord let your power destroy every covenant: demonic covenants, ancestral covenants working inside of the earth against my calling, destiny, rising, prosperity, and the fulfilment of my calling and destiny, let fire begin to destroy those covenants right now. Every covenant causing evil inside the earth let power and fire go inside the earth and destroy them.

(171). The Lord is showing me that in the ancient times, our forefathers did a lot of human sacrifice which included burying people alive. The blood of innocent souls since that time has been crying for vengeance upon the children's children of those ancestors, even till this present generation. But the blood of Jesus has been shed to silence such voices.

⇒. Raise up your hand. Oh God of Israel, let the blood of Jesus silence and terminate every voice of vengeance crying against my life and destiny, let the blood of the lamb of God silence that voice, let it shut down such voices, let the blood consume such voices. Every voice of vengeance crying against my soul, destiny and calling, crying from under the earth under the ground against my destiny, my calling, promotion, prosperity, greatness and achievements, let the blood of Jesus silence, terminate and consume them right now in the name of Jesus.

(172). Mountains extend, they don't just stay in one place but they extend and end up forming a very big structure such that they will have different appearances of mountains in that environment. They grow up, they come down and extend meaning that it is possible that what the devil has created in your life has extended into so

many parts of your life. For example, the devil can just create a single problem in one aspect of your life, maybe in your finances, and then the problem will start growing, touching your marriage, touching the lives of your children, it is this same devil who is extending the problems. it will keep on growing and end up touching many aspects of your life that you didn't even expect. The way the devil moves is the same way the fire of God moves, it will begin to visit all those places the darkness has spread to.

⇒. Lord Jesus let the Holy Ghost fire spread out into every area of my life that the enemy has captured, that the devil is oppressing, that is under the influence and control of darkness, Lord let the Holy Ghost fire spread out there and destroy them all. Lord every extension of darkness, troubles, sorrows in my life, every problem that has extended into every aspect of my life, let your fire begin to follow them and consume them all. Wherever it has been planted and spread into, fire, go there and destroy them all. Lord visit every part of me that the devil has captured, every part of my family, marriage, career, and business that the devil has spread to and captured, Holy Ghost fire spread there and consume them. Every darkness and witchcraft that is ruling and oppressing my life let fire go after them right now and destroy them all.

(173). Mountains are very hard to the point that if you want to explore that area, you have to break them and it takes a lot of energy and stress to break them to stop them, but there is a power in Jesus that breaks mountains into pieces. Maybe you have a very difficult situation that you don't know how to break out of it, every direction you think of there is no possible way out but there is God who makes ways out of no way, even if he has to break all things or mountains just for your breakthrough, He will make way for you.

⇒. Raise up your right hand. Father you are the power that breaks the hardest mountain. You are the power that levels mountains, Lord every mountain in my life that has refused to give way and refused to let me go, Lord descend upon them, level them, destroy them and break them in pieces. Every mountain of suffering, pain, sickness and disease, hardship and poverty that has refused to leave my life oh God of Israel, descend upon them, destroy them, level them up, let them sink forever, break them in pieces and make a way for me, my family and marriage. Destroy these mountains, uproot this mountain forever in the name of Jesus. God, I expose this mountain to you, descend from heaven and remove it from my life.

(174).The word says, if you have faith and doubt not, you shall not only do this, that is done to the fig tree, but also you shall say to this mountain be ye removed. You have to speak some prophetic declarations, you can say to this mountain be ye removed and it shall be.

⇒. Every problem that was created by the devil to oppress me, I command you be removed from my life, I give you wings- fly out of my life, jump out of my life. Every situation the devil created in my life, I speak to you, be removed from my life. I speak

to you mountain, you situation, created by the devil, I command you, be removed from my life, be thou removed from my body, spirit right now in the name of Jesus. Every situation that was created by the devil not by God, I speak to you right now by faith and by my authority in Jesus, I command you be thou removed from my life and be cast into the sea, in the name of Jesus. You captivity of darkness, captivity of witchcraft, operation of darkness, oppressions of demons, I command you, be cast into the sea forever in Jesus' Name.

(175). Jesus said if you say that with faith, it shall be done. We believe and it is done. If we need to do is to believe and then it is done because God and the Word of God does not lie. If it is done then we have to see it in the physical realm.

⇒. Father, by your power and grace let that which you have done for me appear in my life right now. Let your power and grace bring that which you have done for me in this prayer session and other positions prayer sessions, let it appear right now in my life right now not tomorrow. Let it appear by power, by angelic intervention, by the power of the Most High. God let the blessings you have provided for me let them appear right now. Let them appear in my life, bank account, marriage, body, spirit and soul, let them appear in every part of me from this hour henceforth in the name of Jesus. You blessing that God has already perfected and provided, appear in my life right now.

## **VERSE 22**

(176). All things that you shall ask in prayer, believe and you shall receive, because you asked those things in faith you shall receive them. The problem with many Christians today is that we try to relate with God with a scientific mind, a mind that has questions like- (how will it happen, what will make it happen, when will it happen, which process will it follow before it happens, who are the people that will be involved for it to manifest??) All these questions, cause us to limit God and cause us to suffer. I'm not saying suffering should not happen to Christians, Christians suffer but suffering has an expiry date. The kind of sufferings that happen to Christians are not forever, they have an expiry date even whilst you are in that suffering there's always a provision from God to keep you alive. God is not a taskmaster, He takes care of His children. It is God's responsibility to take care of his children, he will not just watch his children suffer and die, He doesn't do that. Even if there is suffering he takes care of you during that time, but we are the ones who make things difficult because of asking how it will happen. The formula for the kingdom is pray, believe and you shall receive.

⇒. Lord, I am not going to limit you, this is what I want in my life, I believe you can do it. (what is it that you want God to do inside you, talk to God with unlimited faith, this is an open prayer you have to put the words for yourself.) Lord I refuse to limit you, I believe, this is what I want you to do for me. Say it in detail because He is listening to you right now.

(177). Raise up your right hand. In the name of Jesus I come against every demonic creature, demonic animal and insect that has been mobilized from the dark Kingdom into my life, to attack my life I come against you and I command fire to fall right now and consume you all. Every demonic creature, insects mobilized from the kingdom of darkness against my life, I command fire to fall and consume them all. Whatever creatures are hiding in my house, wherever they're hiding, I command fire to fall upon them right now, consume them all Lord Jesus by fire.

(178). Raise up your right hand. In the name of Jesus, I come against every demonic eye, witchcraft eyes monitoring my life, watching over the affairs of my life, I come against them in the name of the Lord of hosts, I command fire to blindfold such eyes. Every eye of the devil, demonic eye, witchcraft eye, serpentine eye, I command fire blindfold them right now in the name of Jesus. Holy Ghost fire blindfold them, destroy such eyes right now in the name of Jesus. Every instrument watching over my life, I command fire, consume them, every demonic mirror, demonic calabash, demonic altar used to watch my life, monitor my life, right now let fire fall and consume them all.

(179). I saw a list of names listed somewhere in demonic places and altars, purposed for evil agendas.

⇒. Raise up your right hand. Whatever my name or the name of my ministry, family name, names of my children, have been written down for evil, wherever they have been written down, let fire locate that place and destroy them all, let fire locate that place and consume them all. Let fire fall right now and let every altar where my name has been submitted, the names of my children, name of ministry have been submitted for evil, let fire visit that place, let fire scatter the whole place, let fire destroy all that they have done in Jesus' name.

(180). During the pandemic we talk about lockdowns, there are also spiritual lockdowns where some people have been locked down somewhere in the realm of the spirit realm of darkness, that is why some physically nothing is happening. Everything has been locked down spiritually that's why nothing is moving.

⇒. Raise up your right hand. In the name of Jesus, I command fire upon every lockdown that has been initiated over my life in the realm of the spirit. Every lockdown that has been initiated over my finances, career and destiny, let fire fall and set me loose, let fire fall and destroy such lockdowns and captivities, such restrictions in the name of Jesus. Lord, let your fire fall and destroy demonic restrictions that have been initiated against my prosperity and my rising, against me for fulfilling my destiny, let fire fall and consume such lockdowns and restrictions right now in the name of Jesus. Fire move right now, roast them into pieces. Everything

about my life that has been locked down in their realm of the spirit against my life, and breakthrough, fire, move right now and release them all. **\*For your life and destiny, I command fire to move right now and release everything that has been locked down concerning your life and destiny in Jesus' name.**

(181). Pray for any member of your family that is sick or possessed by demons, oppressed by demons.

⇒. Raise your right hand and mention the name of the person and pray. Oh God of Israel, visit this person with your power right now, Lord Jesus set her/him free in the name of Jesus. Jesus move right now and let your power touch this person that is sick in my family, move Lord Jesus right now, move in your power, let your fire release them wherever they are right now.

(182). Prayer for this ministry, Apostolic Wonders Ministries International, I believe you have been blessed through this ministry and you have partaken of all the blessings God is using this ministry to minister to you. It is therefore necessary that you pray for this ministry as well.

⇒. Father remember all your wonderful promises and prophecies for Apostolic Wonders Ministries International. Lord, remember what you have said concerning this ministry, concerning this calling, fulfill that which you have said concerning this ministry. Lord Jesus, heavenly Father remember all the promises, prophecies you have pronounced and revealed concerning this calling. Lord remember what you have prophesied, Father bring them to pass without delay, do not hold yourself back. Bless this ministry as you promised; promote, announce and launch out this ministry, this calling as you have promised, with great power, with great glory and let your Name alone be glorified in Jesus' name.

## CLOSING PRAYER

Raise your right hand.

Ancient of days, we thank you for the greatness of your power, grace and authority. Thank you Lord for all that you have done, we know without a single doubt that you have done great things even through this prayer session. And for all the previous provisions, thank you for all the blessings that you have for us and for this great love that you have for us, blessed be your Holy Name, be glorified, be praised forever in Jesus' name.

Father I stand as your servant and prophet and I pronounce blessings over these people wherever they are right now. Wherever you are right now, I speak blessings

over your life, your finances, body, soul and spirit, receive them right now in the name of Jesus. I speak blessings over your marriage, divine blessings, excessive blessings from heaven let it fall over your marriage, your children, your spouse. Let countless blessings from heaven begin to rain right now over your career, the sources of your income right now in the name of Jesus.

Men and women that need to be blessed so that you can be blessed, I decree right now by my prophetic authority, let those people be blessed for your sake right now in the name of Jesus. Men and women that should be blessed so that you would be blessed, let heaven bless them right now for your sake in the name of Jesus.

Every blessing that has been locked down from you, every blessing that has been shut out of your reach, I decree let the hand of God open up that place for you right now in the name of Jesus. Every organisation that has shut you out and no matter how much you tried to apply to get employed and it's not working, I decree let the door open for you right now in the name of Jesus.

I prophesy over your life that from this hour henceforth, everything you lay your hands upon shall begin to flourish, begin to excel and prosper in Jesus' name. You shall not suffer shame, every covenant of shame in your life, because you're connected to this anointing and grace in this ministry, I command that covenant to be broken right now in Jesus' name. Every covenant of pain, every covenant of sorrow, covenant of suffering, hardship and reproach in your life because you're connected to the anointing and grace, I command that covenant to break right now in the name of Jesus. You shall no longer live your life in pain and suffering, the peace of the Lord shall comfort you, the presence and power of the Lord shall destroy your sorrows and pains in Jesus' name.

Rise up and begin to shine, rise up and begin to fulfill your destiny. Rise up right now and begin to flourish, begin to conquer nations for Jesus Christ. Thank you father because we know you have answered.

I speak over those of you that have laboured sacrificially for the Lord. I don't know what you have done for the Lord but those of you who have done sacrificial things for the Lord and you are yet to receive the reward, right now I declare that whatever is stopping your reward, let the fire of God destroy that thing. I receive the reward for you right now because every work that is done sacrificially for the work of God there is always a reward for them. Everything that was done sacrificially for the Kingdom, whatever that is done for the things of God, there's always a reward, I therefore command a release of your reward right now in the name of Jesus.

Thank you Father, blessed be the name of the Lord, in Jesus' name it is done Amen.

## PRAISE AND WORSHIP

Father we worship you, we adore you, you are a great God, even in your presence we tremble. Oh God of Israel, we worship you, we praise you forever, be glorified forever. You're a God of possibilities, you make all things possible, we worship you Father, be praised, be exalted forever in Jesus' name, Amen.

## PRAYER POINTS

(183). Father, thank you because you are here in your fullness with me, you are here in me, you are here upon me in the fullness of your power. Thank you Father because you are here as you are, you are here you are in me as you are in heaven. As you are on your throne, that's how you are in me; in my situation, in my room you are here as the Almighty. I think you because the fullness power is right here, the fullness of your strength is here, you have made yourself available for me, and for my help, thank you Jesus.

### **1 Corinthians 1:24**

(184). Jesus Christ is the power of God. Jesus Christ is in you and he says abide in me and I in you, (John 15:1). Jesus is power in you.

⇒. Raise up your right hand. Lord Jesus, transform into power in my spirit, become power in my soul, become power in my body. Lord, become the power of God according to the scriptures. You are in me, according to the scripture, you are the power of God. I believe in you therefore Lord right now, let power appear in me. Let great power, prevailing power, power that delivers, power appear right now in me. In my spirit, body and soul, let power appear now in the name of Jesus, great power that breaks yokes, that destroys every limitation, great power that drives out demons, let it appear in me right now.

(185). At a point, the Lord was talking to the religious people of Israel, saying that you people do not know the power of God. He said you make mistakes because you do not know the scriptures nor the power of God. The power of God is something that you should know, not just believing that you have it but knowing fully that you have power, that you have power inside of you. It means you should be able to feel it, to touch it, to channel it and use it. The Holy Ghost is saying the power of God is about to become real in your life.

⇒. Father let your power become real in my life from this hour henceforth. Lord, I choose to walk in power because I am the son of God. Lord let your power become real in my soul, spirit and body system from this hour henceforth.

### **ACTS 10:38**

(186). There is an anointing that brings power and there is an anointing that brings holiness. When that power is in you and is on you, that is when you do good. Many of us struggle to do good things, find it difficult to make progress because it's happening by our strength.

⇒. Oh God of Israel, anoint me this day with power to move forward, succeed and overcome. Anoint me right now with power. Anoint me with power for signs and wonders, for great victories, miracles. Power to heal the sick, that sets the captives free, power to prosper, to progress. From this day onwards, anoint me with power.

(187). When the power of God is in your life, you will know it and you will be able to use it, you will command it, you will channel it.

⇒. In the name of Jesus, by the power of God in me, I decree, let every good thing that belongs to me begin to come to me right now. Every good thing that belongs to my life and destiny, I declare by the power of God, begin to come to me right now. I command every good thing pertaining to my calling, good things from heaven, by the power of God begin to come to me. All my good things in the hands of the enemy begin to come to me by the power of God.

(188). You cannot separate the operations of the Holy Ghost from power because if the Holy Ghost said anything it is the power of God that will bring that to pass. The question is, has the Holy Ghost said anything to you, why has it not come to pass?? It can only come to pass by power.

⇒. Raise up your right hand. In the name of Jesus, let power go forth right now and begin to bring to pass all that the Holy Ghost has written, declared concerning me, let the power of God go forth right now and bring them to pass. Every word of God that has gone forth in prophecy, let the power of the Holy Ghost bring them to manifestation in the name of Jesus.

(189). The Holy Ghost wants to give some of you faith because you are lacking in faith. Faith is a spirit that is why it comes from the spirit. When you pray in the spirit and fellowship in the spirit then you grow in faith. Without faith you will not have victory.

⇒. Father I am ready to believe you for great miracles and works, let the spirit of faith come upon me, let it possess me, let the spirit of faith move in me, in my heart. I refuse to doubt or be timid anymore, Lord give me faith right now.

(190). The Lord wants to bestow honour upon some of you, that men will begin to honour you. Honour doesn't come from anywhere except from the Father.

⇒. Lord as you have said, let honour come upon me, in those places I have been rejected, let them see me and honour me. Lord bring this word come to pass, let go honour appear in my life from this day henceforth in Jesus' name.

(191). There is a place that God is, and He's calling you to that place. To some it's a place of fasting or preaching, some it's Bible study. God is already there calling you to come to Him. When you reach that place that is when you will see God manifest.

⇒. Father that place you are calling me to come into, let me receive grace to know and to enter that place. Lord this particular place by your grace and spirit, help me to see it, take me Lord to that place by your Spirit.

(192). Every agenda of the dark kingdom against my life, Lord, terminate them.

Every plan of the witchcraft Kingdom devised against my destiny, progress and the fulfillment of my calling and career, Lord terminate them right now in Jesus' name.

(193). Lord Jesus, let your power begin to manifest in every affair, situation of my life. Let the greatness of your power, the fullness of your power begin to manifest from this hour henceforth in my working place, in every place and everywhere. Let the greatness of your power manifest everywhere I go. When I pray, whatever I do or say, let the greatness of your power manifest in the name of Jesus.

(194). Raise up your right hand. According to the power of God, every darkness that has covered me, darkness surrounding my life, I command you to be consumed by fire right now. Every darkness that covers my heart, mind, body, spirit and this environment that I am living in, darkness that closed the heavens over me, I command you to be consumed by fire. Every darkness that is covering be rolled away by fire.

(195). The power of God carries powers in it, it's what performs miracles, it carries in it the ability to make things in the invisible realm become visible things.

⇒. In the name of Jesus, every miracle that is yet to appear in the physical realm that God has determined to do in my life, marriage, right now I command them by the power of God, appear right now. Every miracle God has determined to do in my body system, finances, situation, family, and the lives of my children, I command them to appear right now by the power of God. **\*Miracle of deliverance, financial breakthrough, healing, and greatness is happening right now.**

(196). There is fire, and then there is Fire. The Bible says our God is a consuming Fire. There is fire with little intensity and then there is another fire that burns with great strength, capacity and force. I don't know the kind of fire that is burning in you as a believer. But there is a Fire that breaks limitations, a Fire that no demon can stand in its presence. Until the fire in you becomes great, some good things might never happen in your life.

⇒. Place your right hand on your head. Lord Jesus, let great fire appear in me and let there be deliverances. Great fire that commands results, victories, blessings, let it happen from within me. Powerful fire, rise. Consuming fire, rise now from within me, begin to break in pieces every yoke, begin to destroy every chain and captivity. Fire that cannot be oppressed by the devil, that witchcraft cannot defeat, fire of the living God appear right now. I don't want little fire, but I want fire that demons and serpents cannot stand, I want fire that commands complete deliverance, let it come upon me.

(197). The Kingdom Power transforms you into what God wants you to be. You might never be happy or have joy, be peaceful or satisfied, it is the power of God that does that.

⇒. Place your right hand on your head. Lord let your power in me begin to change, transform me into the person you want me to be. Change me into the person you want me to be, let me begin to think, see and reason the way you reason, see and think the way you do. Lord let your power begin to change me right now, transform me, my spirit, soul and body by your power in Jesus' name.

(198). Some of you are already due for a glory from heaven. That glory is supposed to have manifested by now, it's supposed to have appeared. There is one of you who

was born on April 17, this is especially for you, there is a glory that should have manifested, but all can pray this prayer.

⇒. Father every glory that is due to manifest in my life, Lord by your power let that glory manifest in my life, calling, and Ministry. Every sign and wonder, miracle, encounter and visitation that is due to have happened in my life, let the power of God bring it to manifestation in Jesus' name.

(199). Let me receive a groundbreaking visitation from you that will break records, that will change my life forever, that will change my situation and the story of my life forever. Lord visit me, change my story, turn my life around. Visit me and cause a supernatural shift. From poverty to prosperity, from nobody to somebody. Visit me Lord Jesus and cause a great change, a supernatural shift, from single to married, from sick to healed, from oppressed to delivered. Visit me and let there be a great shift in my life.

## PSALMS 62

(200). Not many believers are waiting on God. Because we are not waiting on Him, it makes it difficult. Some of us are waiting on people but can not wait on God, it means you are trusting men more than God. If you trust God you will wait on Him. There's a need for waiting in this season. When He says He's coming, you wait! When he says I will do this, you wait for it on God.

⇒. Father I receive the greatness of you, the greatness of your power and glory in my life, to wait for it. Give me the grace to wait on you till you come to visit me with power, to wait till you come. Lord I receive the transformation you have promised, I want to witness the miracle you have promised, therefore Lord Jesus give me the grace to wait for it. Lord give me the grace to wait for what you have promised. **\*The Holy Spirit is saying that you will wait for it, that you will not rush ahead of God, that you will not go looking for the interpretation of men not of God.**

(201). It's not that you are before God when you are praying alone. You are before God every time, the Bible says the eyes of God run to and fro the whole world...(2 Chronicles 16:9). The eyes of God are watching, you're before God everytime not only in prayer. You need to carry that sense of always being under the eyes of the Lord, carry that consciousness.

⇒. Father put upon my heart and spirit the consciousness of your presence, that I am before you all the time. Lord put upon me the consciousness that I am always before you every hour, so that I will behave correctly in your sight and never to misbehave in your sight, and not sin against you.

(202). He says my victory comes from Him, meaning that when God comes victory comes. When God visits you in your waiting, His power comes, when His power comes then victory comes.

⇒. Father, let victory proceed forth out of you in every hour, every day as I believe, in every place of prayer, as I tarry in your presence, every day of my life. Lord in the midst of my work, let victory visit me from your throne in the name of Jesu.

(203). When you set your heart to wait on God because you trust in Him, the Lord will speak to you.

⇒. Lord Jesus, release upon me the grace to hear from you, the grace to receive revelations and understanding of what is happening, the spiritual understanding of what is happening in my life. Lord put upon me the grace that understands the happenings of things in my life. I receive the grace that understands, the grace of revelation. Lord put upon my body, soul and spirit that revelation.

## **VERSE 2**

(204). Lord Jesus, let your presence in me become a great fortress where victories happen, where answers to prayers happen. Let Your presence in me be a great fortress that commands signs and wonders in the name of Jesus.

## **VERSE 3**

(205). May be it looks like so many enemies are surrounding you, but there is a great fortress where great victories come from

⇒. Raise up your right hand. In the name of Jesus, let victories arise, let power arise and destroy every enemy that surrounds me to destroy and oppress. Let fire proceed forth from me and destroy all the enemies of my soul and calling. Let the power of God begin to waste them. Every demon that surrounds my soul, let the fortress of God within me arise and destroy my enemies.

(206). Oh God of Israel, arise from within me and show my enemies how weak they are. Fight them from within me and show them your greatness. Lord arise from within me and show the powers of darkness how weak and defeated they are.

(207). The Lord is telling me that he wants to make you what you are, in his record. There is an identity you have with God. What you are in those records is what he wants to be, not what your parents or what yourself wants to be .

⇒. Father let your right hand of power make my life into the person I am before you, into the person you have sent me here to be. Lord let your right hand of power make me into that person that I am in your records. I don't want to be someone else but who you ordained me to be. Make me into that person Lord Jesus.

## CLOSING PRAYER

Father, we thank you because you are the Most High. We thank you Lord because you do not change, you are the ancient of days, your power can never change. It is the same power that is in us as believers, it is the same that the Israelites saw and trembled before you. Lord we come to you in this hour because we trust in you and we believe in you. Lord be glorified in our lives, in all situations forever in Jesus' name.

Lord I'm praying for those who are here under the sound of my voice in this prayer session. I decree over these ones let every impossibility, impossible situation that the devil created in their lives, Lord let your power perform a miracle right now.

I am praying for you that God shall arise in the midst of the darkness, in the midst of your poverty, pain, suffering and reproach, let God arise right now and let there be a miracle in the name of Jesus. In your body system, I declare let God arise upon your soul and spirit that is under demonic possession, affliction, and captivity, I decree let God arise from within you and let those demons be scattered. Let every stronghold of darkness oppressing your life be destroyed forever. Let the chains of darkness binding you, binding the destiny, your life, career, and calling let them break in the name of Jesus.

You shall rejoice, no more sorrow in your life in the name of Jesus. No more shame in your life, now is the time to rejoice. I prophesy a season of rejoicing, let it come to pass in Jesus' name. The season of dancing, thanking God, praising God, celebrating God- enter into the season right now in the name of Jesus.

Every mark that the devil has put on your forehead, let fire locate you where you are right now and let that mark be destroyed by fire and you're free in the name of Jesus. I decree you are free forever from every captivity in Jesus' name.

You shall not beg for bread, that is what the Lord is saying - you shall not lack. I speak over your life and spirit, over your bank account, house; let abundance of blessings, food begin to flow in your life right now. I don't want to know where it will come from but I speak, come into existence. Money that you need, food that you need, let it appear right now in your life in the name of Jesus. Blessed be the name of the Lord in Jesus' name I have prayed, Amen.

## PRAYER POINTS

(218). Father I thank you because you are my rock, because you are my provider, you are the answer to my prayers, the answer to my needs. I thank you because I have you in my life, I have you as my rock, my defender, you are my provider and helper. I have you as the answer to every question and problem. Lord, I thank you because I have you as my warrior, you are my warrior, the one that fights my battles. I have you Lord as my provider, my strength, I have you as my comforter counselor and helper. I have you as my light, you are my prevailing strength, you are the strength that I use to prevail. Thank you I have you as my provider, you meet me at the point of my needs. You are my teacher, you teach me great things. I have you as my Father, my Lord and my shepherd, my healer and deliverer, thank you for who you are in my life.

## PSALMS 62:2

(219). It means that there is a power that sustains you. It is a power that keeps you together when the enemy comes to tear you apart. It keeps you in strength, in victory, it keeps you from being oppressed. A Christian is not supposed to be oppressed because there is a power in you that cannot be oppressed.

⇒. Father let your power that is in me arise and begin to destroy the works and operations of the devil that have been assigned to tear me apart, tear my life apart, and to confuse me. Every work and oppression of the devil confronting my life, Lord arise from within me, fight and destroy them. Lord you are my defender, my rock, let the power that is in me arise against every work of the devil going on to tear me apart, to frustrate my life and destiny, to steal my joy, to weaken my mind, spirit and soul. Let your power that is in me, fire that is in me, arise and contend with them, arise and consume them oh Lord.

(220). This power is what terminates the agenda of the wicked. The power that is in you is the one that destroys the traps of the wicked in your journey. Everyday is full of evil, wickedness and destruction, demonic traps according to the scriptures.

⇒. Father let your power that is in me, your fire in me arise against every trap of the devil, every agenda of the devil and destroy them. Whatever the devil has placed in the journey of my life to destroy me, to destroy my life and bring me down, whatever the devil has set before the journey of my life, let the power within me arise and destroy them all. The fire, power and authority that is in me, the power of God that is in me, let it arise and it destroy traps of darkness, arrows of darkness and demonic operations. Let the fire in me arise and consume them all right now in the name of Jesus. Everything the devil has programmed in the journey of my life, as I walk in the journey in each day of my life, let the fire in me, the power in me arise and begin to destroy all the works of the devil.

(221). We are now in a very dangerous time, perilous times, so as a Christian you have to be spiritually sensitive, spiritually connected with heaven everyday, because the time that we are in is more dangerous than any other time that we have ever lived before. It is more dangerous than the times our ancestors lived before that is why it is important now as a believer that you're always connected to heaven, being sensitive to the realm of the spirit because that is where the physical realm is being controlled from. Heaven is very close to us as a Christians, closer than we think.

⇒. Father let your grace come upon me, my spirit and soul and let me become sensitive to the realm of heaven everyday of my life. Lord let me be sensitive to heaven as I walk in the days of my life, let my spirit be alive. Let me be spiritually connected with you and with heaven everyday of my life, that I may draw strength from you at every point in time, so that I may draw wisdom, revelation from you. Let me be spiritually connected with heaven from today. Today I want to be spiritually connected with heaven every moment and onwards. I don't want to be carnal but to be a Christian that is heavenly connected. Lord I don't want to be far from you, I want to be connected with the kingdom everyday of my life.

(222). If there is any other time that we need to be full of the discerning spirit or for your spirit to become a discerning spirit, this is the time. There are millions of

demons everywhere you go and they are looking for a vessel to possess, someone to kill, devour and destroy. The Devil has assigned into the world millions of demons everywhere, so you have to be very sensitive. They are in families, marriages, hospitals, banks and everywhere. You need the grace to discern the realm of the spirit and to be able to fight when you should fight, because if you don't you might be defeated, by the time you want to fight it will be too late

⇒. Father let your grace for discernment come upon me, perfect discernment, perfect spiritual discernment, let it come upon me for me to discern the realm of the spirit, to discern accurately the operations of the devil and to overcome, Lord let that grace come upon me right now in the name of Jesus. Let the grace for perfect discernment come upon my spirit right now, let it come upon my soul and body in the name of Jesus. The grace to discern the darkness that is in this world, operations of demons and overcome them, the grace to know the kind of spirit in operation, to know the kind of spirit that is attacking me, trying to oppress me, control and pollute me, Lord the grace to discern the spirits and overcome them, oh Lord out it upon me right now.

(223). He says he is my rock, you need to ask yourself questions like, who is my rock, is it God or someone else? Many of us say God is all I have, I trust in my God, I believe in God but you have something else that you believe in, you have someone else that you believe. God needs all your faith and not part of it, He demands absolute trust from you. If you think of something or someone else as your helper then you have failed. There is a faith that brings miracles and that faith demands that you trust God absolutely not partially. If you begin to trust God partially you will not see the hand of God in your life. You need to come to a point in your life where it is only God who helps you, it's either God or no one else delivers you and no one else. When you come to that point that is when miracles happen but when you still have other options, forget about the miracle. When you say God can do it but I need to try this then you are missing it.

⇒. Father help me to see you alone as my rock and no one else, help me to see you alone and not my parents, friends, relatives, spouse or children but you are alone. Lord help me to have you alone as my rock, my salvation, just you alone as my defender and provider. I need that help, help me Lord to trust in you alone, in Jesus' name, Amen.

(224). If You are here and you are ready to see God as your only rock, the only salvation you have, then I can assure you that God is going to help you. If you are going to see him as the only one, right now in this prayer session, I can assure you that God is going to help you.

⇒. Raise up your right hand. Father you alone is my rock and my salvation, my help. Father, stretch forth your hand and help me in this hour. Touch me, save me, deliver

me. Lord right now and forever, you alone is my help, my salvation, my defender. Lord help me, save me, heal me, deliver me, Jesus help me.

(225). The Lord is telling me that some of you have a sin habit that you do and whenever you do it God is not happy with you because when you do it you lose the presence of God, you lose strength, grace because that habit is sinful. God wants to help you, he wants to take away that habit.

⇒. Raise up your right hand. Father touch me right now and take away every sin habit in me, every sinful attitude, character, behaviour, every sin action that I do, Lord touch me, take them away right now. Lord remove that habit right now in the name of Jesus. **\*In the name of Jesus, let the hand of God touch you right now and let the habit disappear forever. Let that habit be uprooted and removed in Jesus' name.**

(226). In the name of Jesus, I come against every demonic strongman that appears in my dreams, oppressing me in my dreams, polluting me and fighting me in the dreams. You demonic strongman that comes to me in the dream to pollute, oppress and attack me, I come against you in the name of Jesus right now, let fire from heaven fall upon you and destroy you right now in the name of Jesus. You demonic strongman that comes to feed me in the dream, I release fire upon you, catch fire in the name of Jesus. You demonic personality that comes into my dreams, let fire consume you right now in Jesus' name. **\*I decree upon your life right now, every demonic personality, evil, satanic personality that comes to you in the dream to attack, oppress and feed, I decree let the arrows of God strike them right now and consume them in the name of Jesus.**

(227). When your trust is in God alone you cannot be moved. This means you cannot be put to shame, you can not be depressed because the Lord will come to you. Those who trust in God will always see God in every situation. I don't need to know the kind of situation you are passing through but what I know is that if you trust in God alone and you don't trust any other thing you will see God manifest in that situation.

⇒. Raise up your right hand. Father every situation the devil has created in my life and set around me to cause me to be depressed, sad and frustrated, oh God of Israel, arise and help me. Arise in the midst of this situation and help me. Oh God arise in me and help me in all the situations that you didn't create but were created by the devil, Lord because I trust in you alone, arise and help me. Stop the devil, stop the darkness, arise and stop what the devil is doing in my life right now, arise and destroy him oh God of Israel. Arise and terminate every evil prevailing in my present situation.

(228). What does it mean when the Bible says I shall not be greatly moved? It means when it comes to the point where it looks like you are going to be put to shame,

where everything is falling and it seems as if there's no way out, no solution, when it seems as if you are going to fail and suffer then God will suddenly show up. That is the God I serve, He is the same God that you serve. This God will manifest even when things seem to be too late.

⇒. Father let your power manifest in every place where I am about to be put to shame, where I am about to fail, Lord let your power manifest and help me. Let your power manifest and rescue me, let your power manifest, save me and deliver me. Oh God of Israel God of heaven and earth let your grace appear at that point and place and let your power sustain me. Let your power defend me, let your grace hold me, let your power save me at that point when it looks as if the enemy is prevailing. Lord let me see you appear and save me. **\*The spirit is saying the Lord will appear and save you and so shall it be that at the point you need him, He will appear.**

### VERSE 3

(229). I don't know how much you have suffered from the devil but tonight there is God that will fight for you despite how much they have oppressed you.

⇒. Raise up your right hand. Oh God of Israel, I look up to you, arise and descend upon the darkness that has covered my life, the powers of darkness that have surrounded my life arise and waste them all. Oh God of Israel, descend and consume them all because you are the consuming fire. Descend upon every power, every darkness, ancestral evil, ancestral covenant, and ancestral curse that surrounds my life, that covers my life, oh God of Israel descend right now and consume them all. Every witchcraft that has covered my life, controlling and oppressing my life, oh God of Israel descend upon them and consume them right now.

(230). In the month of August there are a lot of sacrifices going on in the realm of darkness and there will be a lot of people who will die in this month and more will die as we approach the end of the year. Human sacrifices will start going on from now in the realm of darkness.

. Oh God of Israel, consume every altar of witchcraft that is seeking my life, seeking to kill me, seeking to attack me with diseases and sicknesses, fire from heaven consume them.

(231). Every aspect of your life that is a weak point, that's the weakness the enemy is targeting, because they know that when they attack you at the weak point you are going to fall but there is a God who keeps us from falling, that upholds us. We are therefore focusing on that aspect right now. Those places in your life that are weak points, the enemies target those points because he knows that when he strikes you at the weak point that is when you will fall.

⇒. Raise up your right hand. Father every arrow of darkness coming against me at the weak points of my life, weak areas and places of my life, oh God of Israel, let

your strength appear and consume them, let your strength appear and destroy them. Every arrow of darkness that is coming at me at the weak points and places of my life, Lord let your strength appear suddenly and consume them all. let the strength of God, the power of God appear and destroy them in the name of Jesus. Every attack coming against the weak places of my life, let the power of God appear in those places and consume them all in Jesus' name.

#### VERSE 4

(232). Christians who were once strong are falling away at a very high rate. Maybe the enemy has marked you to bring you down. If you fall at this time you might never rise again because the devil will ensure you don't rise at all. That is why you must not fall because if you fall, the darkness that is working right now ensures that people don't rise again.

⇒. Father, I refuse to fall from the place I am in right now, oh God of Israel, let your power uphold me, sustain me, keep me standing victoriously. Lord let your power uphold me, I refuse to fall. A lot of people are falling away, I don't want to be part of them, a lot of people are being defeated and I refuse to suffer under darkness. I refuse to fall into temptation, uphold me Lord Jesus by your strength.

(234). In the name of Jesus, I come against every power and principality that is working to bring me down from the position that God has placed me in my marriage, finances, career, calling, prayer life, spiritual growth, let anger of God consume them. Anger of God consume every power in the second heaven, principality in the second heaven, power in the sea, power in the atmosphere, power in my flesh and body assigned to bring me down from the place and position God has placed me in my marriage, ministry, and career, let the anger of God consume them. Fire of God consume whatever is going on in the second heaven assigned to pull me down.

(235). There are some people that you know and they are very close to you or around you and they're planning to bring you down but the Lord says they will fail seriously.

⇒. In the name of Jesus, every gathering of people, every agreement of people to pull me down from the position God has placed me. I decree let confusion, frustration come upon them and let them scatter in the name of Jesus. Let God scatter their language, every conspiracy, demonic agenda, evil agenda going on among people to pull my life down, bring me down to failure, to destruction let the hand of God scatter them. Let heaven scatter them and let their plans fail in Jesus' name.

(236). There are powers that won't stop you when you are about to get to a high position, they let you get to the position and then they come to visit you and bring you down. There are some demons which don't stop people from getting to the high position but they will come to visit you at that level of greatness to make that place is

frustrating and difficult such that you will even be tired of the blessing that God has given you. They attack you at the place of breakthrough to make sure that nothing works and succeeds.

⇒. Raise your right hand. Oh God of heaven and earth, Let your power begin to destroy every power, every demon that is coming to attack me, frustrate me in this new position you have placed me in, in this level you have placed me, Lord let your fire consume them. Every power coming to me anytime I am celebrating, when I'm getting stronger and moving forward, every power coming to destroy my joy and happiness, Lord let your power consume them. Every power waiting to frustrate my life, at the point of celebration and at the point of breakthrough I have attained, right now oh fire of God, consume them.

(237). There is a spirit called the spirit of forgetfulness. There are things that you are supposed to do every day of your life to produce the fruit that heaven is looking for, the progress and success that heaven is looking for. There are things relevant to your destiny, this spirit makes sure that you forget them.

⇒. Father every spirit of forgetfulness that is following and monitoring my life to make sure that I forget to do important things that pertain to my calling and destiny, oh God let your fire consume that spirit. Every spirit following my brain and mind, and causing me to forget to do important things, Lord arrest and consume them.

(238). There's a spirit that is working in people especially those you call friends, relatives and partners. There is a spirit that possesses them and they begin to speak wrong about you to kill your image and destroy your character. You are going to bind that spirit.

⇒. In the name of Jesus, I bind every spirit that is telling lies about me, destroying my image and reputation everywhere in the sight of man, I curse that spirit, I stop that spirit in the name of Jesus. Every spirit going about telling lies about me, I bind you in the name of Jesus, cease to exist, cease to operate.

(239). There are people who are anti destiny, you think you need them but their presence in your life is a problem.

⇒. Father disconnect me , separate me from every soul that is against my destiny, calling, fulfillment of your purpose in my life. Father remove them from my life and journey, every woman, man, boy, girl, every soul that I do not need in my fulfilling destiny, Lord remove them from my life in Jesus' name.

(240). Raise up your right hand. In the name of Jesus, I decree and I declare, let heaven lay ambush against every battle that has risen to stop my miracle. Let heaven appear suddenly and attack them. Every battle that has risen up to stop the manifestation of my rising, celebration, joy, blessings; let heaven lay an ambush

upon them right now in the name of Jesus. Let heaven attack and destroy them suddenly in Jesus' name.

(241). There are hordes of darkness attacking your spirit that you don't see spiritually, so that you don't see into the realm of the spirit, so you don't see into the heart of God.

⇒. Raise up your right hand. Father right now in this hour let fire fall and consume every horde of darkness that is fighting my spiritual eyes, blinding my spiritual sight from seeing into your will, into your divine purpose for my life and destiny. Let fire oh God of Israel come upon every darkness, horde of darkness, horde of principalities that is fighting my divine revelations, blocking my spiritual sight from seeing into your will and purpose. Fire, fire, fire from heaven consume them right now.

(242). Stretch forth your right hand forward. In the name of Jesus, I decree every barrier, wall of limitation, wall of opposition, wall of rejection that has been built to stop me from moving forward, from achieving great things in life and destiny, break in pieces by fire!! Every barrier, limitation that has been created to stop my ministry, career, destiny, calling, progress, prosperity and blessings, I command you to break in the name of Jesus. Every witchcraft barrier, witchcraft limitation, antichrist barrier, antichrist limitation against my progress, spiritual advancement, against me possessing my possessions I command you to break in the name of Jesus!!! **\*As you have decreed and declared, they are broken in Jesus' name.**

(243). Place your right hand on your head. Decree and pray with authority.

⇒. In the name of Jesus, let every hidden glory of God in me arise to shine, arise and shine. Every hidden grace, hidden abilities of God- arise right now and shine by fire. Every hidden glory in my spirit, hidden strength, hidden gifts of God, hidden anointing, hidden glory, I command you to arise and shine by fire, right now by fire. Hidden glory inside me, arise and shine; hidden grace within me -arise! Arise, shine, arise and manifest, arise and prevail in Jesus' name.

(244). In the name of Jesus, I curse every plantation of darkness growing in my life, I command them to die in the name of Jesus. Every plantation of evil, arthritis, diabetes, hypertension, of HIV, plantation of any evil, I curse you, I command you to die, die in the name of Jesus. Plantation of evil, of disease in my body system, in my soul, and spirit, I curse you in the name of Jesus, I command you die in the name of Jesus. I command you to die from the roots in Jesus' name.

them in the name of Jesus! Thank you Father, thank you Lord blessed be your Holy Name, in Jesus' name I have prayed, Amen.

**You are blessed in Jesus' name, you are moving forward, no more going back in Jesus' name, Amen.**

## **20 AUGUST 2020**

Thank you oh God of Israel, for being my God for being in my life, for visiting me this hour, thank you for being sufficient for me. We do not have any witchcraft or any other power but we trust in the God of Israel because He is a faithful God. I am satisfied

that I have you, all that I can ever want is in you. All I need to fulfill my destiny and calling is in you.

Come and have your way, come and manifest your greatness in our lives in Jesus' name we have worshipped, Amen.

## PRAYER POINTS

The Holy Spirit is telling me that you should not be hearers of these prayers alone but that you should participate. Don't just listen, and confirm by saying Amen, I receive it, but that you should participate and pray with the whole of your heart because He wants to do something.

(245). Father, thank you for preserving my life from destruction. Thank you for preserving the life of my spouse, of my children, relatives, parents and friends, thank you Lord for preserving our lives. Thank you Lord because you preserved my soul from destruction, my body, my health, the life of my children and friends from destruction, thank you for preserving us. You did not allow us to die untimely but you preserved us from the arrows of death and destruction, thank you Jesus.

### PSALMS 62:4

(246). These are people, evil men, agents of Satan, people filled with demons. There are some people who will pronounce curses, they don't bless people. There they are human beings like you but everything they say is curses, they just hate people for no reason and they keep issuing curses after curses. It is possible that people like that are in your life, all around you maybe in your workplace, home or even your in laws. ⇒. In the name of Jesus, I come against every curse that has been spoken, uttered against my life and destiny, I decree, Lord let your fire consume them, the power in the blood of Jesus, consume them all and let that curse be nullified. Let that curse be broken, let it be destroyed right now in the name of Jesus. Every curse that has been uttered from the mouth of witch doctors, wizards against my life, Lord let your fire come upon them and consume them, let the power in the blood of Jesus come upon them and destroy them. I decree, let fire move right now and swallow every negative utterance, incantation, every witchcraft sorcery that has been spoken against my destiny, career, calling, prosperity, progress, fire consume them all. I decree this curse shall not come to pass, it is cancelled in the name of Jesus, you are swallowed up in the name of Jesus. **\*I decree every curse that has been spoken over your life by evil men and women, from wherever they are saying it from, I decree that curse is broken and it is nullified forever in Jesus' name.**

(247). There are curses that are in the blood. They are in your blood because you were born into a family that is cursed or a bloodline that is cursed. Curses do not

only prevail in the physical though they say it in the physical, it prevails in the realm of the spirit. It prevails in the spirit realm and it even prevails in the blood of the children that are not even yet born. Some of you, the curse is in the blood and it is the root of the sickness that you are passing through.

⇒. Place your right hand on your head. Lord Jesus, let your fire pass through my blood and let every curse in my blood right now be destroyed, every curse that I have inherited, every curse inherited in me, in my body, destiny; every curse inherited from my mother's house, and father's house, let the fire of the Holy Ghost move through me right now and begin to consume them in the name of Jesus. Every curse working in my bones, my blood, body, in my soul and spirit, calling and destiny right now I decree let Holy Ghost fire consume them all.

(248). There are curses that you are the one who said it to yourself. You may not see it as a curse but any negative utterances that you would have pronounced on your life are curses. When some people are passing through their situations, they say oh I'm finished or I have lost it, they begin to pronounce negative things upon their lives of which those are curses. When you say what the word of God is not saying concerning you, that is a curse especially when it is negative.

⇒. Father according to the multitude of your mercy, every self-inflicted curse working in my life, working against my life, calling, destiny, against your plans and purposes for me, working against me getting blessed, Lord let your fire consume them all right now. Every negative utterance that I have said, pronounced upon my life, consciously and unconsciously oh God of Israel, according to your multitude of mercy, according to your power, let them be broken and destroyed. Whatever I have said in my life that is not in line with your will, Lord destroy them by your mercy. Let your blood cancel them, let your power destroy them. I release myself, my destiny, finances, family, career, and ministry from the bondage of self-inflicted curses. From today onwards I am free forever in Jesus' name.

(249). The blessings of God for Christians, that is available for us in Jesus Christ is so great that if you have understanding of the multitude of these blessings you will stop thinking about what you're passing through because those blessings are far too great than any curse, than every problem or hardship in your life. When it comes to destroying curses, blessings are a great weapon. One of the ways to destroy the curse of poverty is for you to be blessed, once you are blessed poverty is destroyed. We want to connect to the blessings that are available for us in Christ Jesus.

⇒. Raise up your right hand. Lord Jesus, I connect to the flow of the abundance of blessings that is already provided for me in you, I connect right now and I draw them into my life, my career, marriage, ministry, business and destiny. I connect to my inheritance in Jesus, to my possessions in Jesus, to my blessings in Jesus. I connect to that flow right now and I receive all that belongs to me. All that belongs to me in Jesus, I draw them into my life, career, bank account, the abundance of the

blessings that are already available for me in Christ Jesus.\*I decree let the blessings begin to flow right now into your life. Receive them right now, the abundance of great blessings, physical blessings, spiritual blessings that is inside Christ Jesus, is already available for you. I decree right now let the angels begin to harvest them for you right now in Jesus' name.

(250). There are some battles that only rise when it is time for you to be blessed. When God is already arranging your blessings, speaking to a lot of people and they are already planning to look for you and bless you, that is when these powers rise because it is time for you to be blessed. I can perceive strongly in my spirit that it is already time for you to be blessed, for that prayer you have been praying for a long time to be answered, but there are some battles that do not want that miracle to appear.

⇒. In the name of Jesus, I come against every battle that has risen up to terminate the appearance of God's blessings in my life, let fire rain from heaven and begin to consume them all. Every battle like Pharaoh's battle that has risen to stop me from entering into my promise land, to stop me entering the abundance of my inheritance of God's provision for my life, right now let fire from heaven fall and consume them all. Every battle that is stopping the appearances of my miracles in my life, standing against the appearances of my blessings, let fire consume them, let fire rain right now. Every battle rising from my environment, within my family background, rising from anywhere under the sea, to stop the manifestation of God's blessings, miracles and signs and wonders in my life let fire rain and consume them in the name of Jesus.

(251). The Lord is showing me that some of you, your blessing is already provided, it's not even far from you. Somebody needs to make a decision before you can be blessed. Something must happen to somebody and once that thing happens to that person then suddenly you are blessed.

⇒. Almighty God, every person that must make a decision, that must take a first step for me to be blessed, oh God move upon that person right now and let them make the decision that must be made, step be taken. Every organisation, institution that has to take a step for my blessing to appear in my hands, oh God let the angels go forth and begin to mobilize them to take that decision. May the angels begin to move upon their heart, steps be taken, decisions being made by the power of God in the name of Jesus. Every decision that must be made, step to be taken for my life to be blessed, for my calling, career, and Ministry to be blessed, oh God by angelic intervention let the decision be taken right now by the intervention of the power of God.

(252). The blessings of God can also hide in what you do for a living, for example if I'm praying for you and I say your career is blessed, you may not see it. How do you

know that God has answered the prayer I have said for you? By the time you begin to work and experience the things that I have spoken. The blessings of God will manifest inside your career such that there will be a sudden increase, when you're supposed to make a profit of 1000 you start making a profit of 100 000 that is the blessing for you.

⇒. Oh God of Israel, arise and bless the source of my income, the work of my hands and my career. Bless my career with a great increase, bless my business and the source of my income with great increase. Lord bless the works of my hands, Lord this thing I am doing, this work in my hands Lord let it be blessed with increase today. Let me begin to make a great profit, let my business begin to attract customers from all over the world.

## VERSE 5

(253). This verse is talking about you being patient, we have a problem of impatience within the body of Christ today. People have not learnt how to wait patiently for miracles that is why some miracles have not yet happened up until now. How do we know that people are not waiting? It's because they begin to make foolish decisions, take steps that should not be taken because they couldn't be patient. Maybe maybe you are not blessed because you are not patient enough. By patient enough I mean you did what should not be done, some of you, your blessings are being delayed because you are doing the wrong thing when you should just be waiting. You are the one who is delaying the blessings by contacting wrong people when you should not be contacting anyone.

⇒. Lord Jesus fill me with the Spirit of patience, Spirit of perseverance, spirit of endurance, spirit of long-suffering to wait for my blessings, to wait for the time that you will bless me. Fill me Lord with this spirit in the name of Jesus, to wait for my blessings, to wait patiently for you. Lord grant me the grace to wait patiently and not be the one to delay my blessings or to make foolish decisions when I should wait.

(254). It is when we wait quietly before God, that God will speak direction not when you are busy looking for solutions to your problems. Even after this prayer session, some will go about looking for direction without proper waiting, they will fail because though we have prayed and we trusted God to answer. You now want to help God to answer the prayer, it doesn't work like that but you have to wait. If ever you have to take a decision it has to be by the leading of the Holy Spirit. Sometimes there will be no direction, the only direction will be to keep waiting, for the answers will come.

⇒. Lord I am determined to wait quietly and patiently for you, oh God lead me by your spirit in everything I need to do for your blessings to appear in my life, steps I need to take, Lord speak to me to direct me. Lord for the manifestation of your glory and power in my life, release direction upon me. Lord lead my life and let me enter into those blessings you have promised, send direction to me in Jesus' name.

## VERSE 6

(255). When we say God is my salvation, it means you are no longer in bondage. Why should you be in bondage when God is your salvation? You have to pray with the whole of your heart the following prayers that we are going to make because God is in you and with you right there to deliver you.

⇒. Almighty God let your power bring me out of every bondage of darkness that has held me bound, Lord let your power go forth and pull me out from every bondage wherever it is and whatever it is, let your power go forth and pull me out right now. Every bondage initiated against my destiny and life in the realm of the spirit, let your power go forth and bring me out, let your power forth and deliver me, release me by your power. Whatever bondage initiated against my body, soul and spirit, Lord deliver me out of it. Every bondage that my soul and spirit is into, Lord go forth and deliver me right now. Lord break every chain.

(256). There is what we call a time prison. This is a captivity that happens against the manifestation of your appointed time. Some people, God's appointed time for them or their lives was last year, now we are in a new year and nothing has happened. Time prison is what the enemy does to make sure you don't meet with your miracle on that time God sent it. They lock you up in time, at that time your blessers will be looking for you and they won't find you. Some people the day they decided not to go to church was the day God sent an angel with their miracle or the day they refused to pray or refused to join prayer meeting, was their day of remembrance.

⇒. Lord Jesus by your angelic intervention, let Every time prison that has held my life and destiny bound for years be broken right now by angelic interventions. Every time prison that has held my life and destiny, blessings and glory captive and nothing has happened, let the angels of the Lord go forth and release me. Every miracle that is supposed to have happened by now, I receive them into manifestation by angelic intervention. I bring them into manifestation. I pull them into manifestation right now in the name of Jesus. **\*I decree Every time prison that has helped your destiny, glory, blessings captive, I decree by angelic interventions let them be released right now in Jesus' name. Let the prison be broken right now in Jesus' name and let that which should have happened, happen to you before the end of this week.**

(257). Father take me into the depth of you where all yokes are broken, chains are broken and there's no longer any captivity. Lord I am not comfortable with captivity, chains and limitations in my life, oh Lord take me to the depth of your fire, your power, where there is no longer any captivity, no more bondage or yokes of darkness, oh God carry me right now and take me into that depth. Lord take my spirit, soul and body into the depths of you where all yokes are broken, demons destroyed, captivities destroyed, even the leviathan and stubborn spirits cannot survive, take me to the heat of that fire and set me free, that heat of fire where there

is no more oppression of darkness, pollution of darkness, no captivity, no more spiritual spouses, no more serpents and scorpions, take me there right now.

(258). When you are in that fortress - the depth of God. The fortress of God is God Himself, that is what I'm talking about. That is where there is no darkness, that is where the will of God is so perfect, vision so clear, voice of God so clear, everything is clear, no oppression and that is where every Christian should be at all times. When everyone else is complaining, depressed and sorrowful but when you are in the fortress it doesn't happen to you, it's where all things are possible, in the fortress of God there is no miracle that cannot happen.

⇒. Father, translate me into your fortress where I will not be shaken. Lord translate me, my spirit soul and body into your fortress, take me into your fortress where I cannot be shaken, deceived or depressed, confused or defeated, where I have all that I need, where all things are possible, Lord take me to your fortress. Take me there where all things are possible, where I can hear your voice clearly, see visions clearly and prayers are answered instantly, take me there Lord Jesus right now.

(259). When Jesus said the kingdom of God is within you, he was talking about the fortress of God. How powerful heaven is, heaven can be the same inside you.

⇒. Father, I refuse to be a weak defeated Christian, Lord let your Kingdom in me arise with power because I know your kingdom is in me. Lord let your Kingdom in me begin to manifest with power as it is with power in heaven, let it begin to manifest with power. Lord I want to walk in power, in the power of the kingdom, in the authority of the kingdom, let the Holy Ghost in me begin to manifest with power from this hour henceforth, let's the presence of God in me begin to move with power, let it begin to move with power, in the name of Jesus. I want to be a Christian that demonstrates power.

(260). If the seed of God's power is inside your spirit there are some manifestations that should be happening to you normally as a Christian on a daily basis. They should be happening in your body, that you yourself can feel that this is power in my body. There are some manifestations that will be happening to you because there is a seed of power in your spirit. If you say you carry the fullness of God and these manifestations are not happening, it means there's something wrong somewhere. Maybe something is wrong with you or you have not actually received real power yet. The Kingdom and the power of God is real, I'm not talking fiction here.

⇒. Lord Jesus let your Kingdom arise with power from within me and let it manifest even in my body and soul. Let my body and soul testify to the power. Lord let your Kingdom arise from within me with fire, with power and let my body testify to it, let my body carry the fullness of you and let it penetrate into my body, let it appear in my body and soul. Let the power of God appear in every part of my body, from the top of my head to the soles of my feet, let the power of God, the fire of God begin to appear

right now. Lord let your Kingdom arise and saturate all of me right now. Let there be hundred percent saturation of your power and fire in my spirit, soul and body right now in the name of Jesus.

(261). When it happens to you, you will know for sure that something has happened, when the power arises in you and it begins to appear in your body and every part of you, you will know, you won't just say I believe because you will know it because you will feel it. That is what we call baptism. When you are baptised into something, you feel it, every part of you is full of it. Do you have that hunger to say that God I am not satisfied until this baptism happens to me? I don't know if there are any limitations that are stopping the manifestation of the fullness of God in your life.

⇒.In the name of Jesus, I come against every limitation of darkness that is stopping the manifestation of the fullness of God in my life, calling, and destiny, I come against them in the name of Jesus, I decree let that limitation break in pieces. Every limitation of darkness, sin, flesh, weakness, strongholds that is blocking the manifestation of the fullness of God, of the baptism of power and fire in my life, I command that limitation to break right now! Break right now! Limitation of witchcraft covenants, of darkness, curses blocking the fullness of God appearing in my life, calling and destiny, begin to break right now by fire. **\*Right now where you are, I decree every limitation that is blocking the manifestation and appearance of the fullness of God in your life, calling and destiny, let the fire of God break them in pieces in Jesus' name. That stronghold that is standing so strong in your life and is limiting all that God wants to do in you and through you, I come against that stronghold in the name of the Lord of hosts. I decree let the stronghold be pulled down forever in Jesus' name.**

(262). Raise up your right hand. Father in this hour, let a special grace from heaven fall upon me, a grace that will enable me to operate in the dimensions of the power of heaven, to begin to walk in the power and realities of heaven, let that mantle fall upon me right now, a mantle from heaven that will enable me to walk in the power of the Kingdom, in the demonstrations of power of God's Kingdom, let that mantle come upon me right now in the name of Jesus. The mantle to hear from God, to work miracles, the mantle to pray until things begin to happen in the physical realm, the mantle to fast, to receive revelations from God and the angels, let that grace come right now. Father the grace that will enable me to do exploits for the Kingdom, let it come upon me. **\*I decree in the name of Jesus, let that mantle fall upon you all right now. Let that grace come upon you right now in the name of Jesus. The grace for special encounters with God, special visitations with God, grace for special encounters with angels, receive that grace right now in the name of Jesus. Amen**

## **VERSE 7**

(263). There are victories that you must have before the glory of God appears in your life. Before you enter into the glory of God, they are battles that you must win, there are no shortcuts to it. If you don't win those battles you won't enter into the glory. You win the battles, you enter the glory, that is how it is in the realm of the spirit. Until these victories manifest, even in your calling nothing will move forward.

⇒. Father descend upon every battle that is standing between me and your glory. Every battle that I must win to enter into your glory, Lord descend upon such battle and let there be instant victory right now. Lord by angelic interventions, descend upon the battles and destroy them, consume them and grant me instant victory right now. Lord let victories appear, every battle that I must win to enter into my promise land, every battle that I must win to possess my possessions, to enter into the fulfillment of my destiny, oh God descend upon them and give me victory. Let my victory appear suddenly.

(264). The Lord is showing me that some of you, there is a cloud of darkness that is controlling the affairs of your life. Everything that is happening or used to happen in your life is being controlled from an invisible realm, it's like remote control. If they want you to be angry, they then press something and you start misbehaving and start getting angry. If they want anything to happen to you, they are controlling you from that realm.

⇒. Raise up your right hand. Almighty God let fire fall upon every realm in the dark kingdom where the affairs of my life and emotions are being controlled and manipulated. Every realm of darkness where the affairs of my life is being controlled and manipulated, Father let fire fall right now and consume them all. Fire fall, fire locate that realm and consume them all. Every realm of darkness where the affairs of my life are remotely controlled, my emotions, mind are being remotely controlled, right now let fire locate that realm and consume them all. Wherever it is, in second heaven, in the atmosphere, under the earth, in the sea, in visible or invisible realms, where my life is being controlled for evil, let fire fall, locate them and consume them all in the name of Jesus.

(265). Raise up your right hand. Every power that is using the realm of dreams to attack, initiate, oppress and manipulate my destiny, let the Holy Ghost fire arrest and consume them right now. Every power using the realm of dreams to enslave my life, pollute my life, initiate my life, control my life, manipulate my destiny, right now let Holy Ghost fire consume them. Every witchcraft using the realm of dreams to attack, poison, corrupt, pollute and poison my destiny, let fire consume them. Fire of the Holy Ghost, consume them right now. Every power hiding anywhere in my house, my room, anywhere in my environment, every power following me around using the realm of dreams to oppress me, attack me sexually, attack me and initiate me let fire consume them right now.

(266). Speak with command, as if you have been held down somewhere, more of being paralyzed, (that's what I'm seeing). You are going to command your life, speaking as if you're looking at your life, your destiny or your spirit man.

⇒. I command in the name of Jesus, my life, my destiny, my calling rise up and begin to move forward!! My spirit, my finances wherever you have been paralyzed, I command you in the name of Jesus, rise up and move forward, rise up and make progress, rise up and prosper, rise up and succeed, rise up and shine in the name of Jesus. My destiny, my glory, wherever you have been paralyzed, my life where you have been oppressed, I command you to rise up right now and begin to flourish, rise up and begin to shine, rise up and begin to fulfill your destiny. I command you, you my spirit, you my destiny, you my glory, where you have been paralyzed, you my finances, I command you rise to prosperity, rise to fulfilment, rise to flourishing, arise and to greatness, arise to progress. My life, I command you arise and move forward. My destiny, I speak to you in the name of Jesus, rise and begin to be fulfilled, in the name of Jesus rise right now and prosper!! My health, rise and be healed in Jesus' name.

(267). Honour comes from God, it does not come from man. It does not come because you are rich or you are prosperous but it comes from God. Honour is a grace from God and you need that honour for certain things to happen in your life. There are certain things that cannot happen except God begins to honour you, and for God to honour you, there are things that you must do or put in place, then honour will start manifesting in your life. When there is honour, shame disappears, reproach disappears, disappointment disappears when honour is there.

⇒. Father, everything you must do in my life for your honour to appear in my life, oh God, visit me and do it. Lord everything you must do in me, in my life, in my destiny for your honour to remain upon me continually, oh God visit me now and do it, visit me now and do it in the name of Jesus. God the honour you have said in this place, in your word that you will place upon me, Lord let everything that you have to do for this honour to appear and remain in my life, oh God begin to do it now. In my business, marriage, career, help, ministry - everything you must do for this honour you have promised to appear in my life, God begin to do it now in the name of Jesus. If you have to bless me, bless me now; if you have to make me wealthy, make me wealthy now, for this honour to appear now. If I have to get married, let me get married now, if it's to have children, let me have them now, everything you must do for this honour to stay in my life, do it Lord Jesus and let your name be glorified.

(268). The Lord is telling me that some of you have to speak in tongues. All the prayers we prayed about the fortress of God, about you walking in power, are connected to you speaking in tongues and being able to pray in the Holy Ghost.

⇒. Raise up your right hand. Father fill me with the anointing to be able to pray in tongues, to pray in the Holy Ghost. The fire of tongues, the power of tongues, the

grace of tongues, the anointing of supernatural tongues, of angelic tongues let it fall upon me right now. Anointing of tongues, power of fire, angelic tongues, the fire of angelic tongues the fire of tongues of heaven let it fall upon me.\* That anointing for supernatural language, angelic language, where you will speak in tongues, where you pray in tongues, I release it upon you right now, let it fall upon you wherever you are. The fire for tongues, receive it now and the anointing for tongues let it fall upon you. Let the fire begin to saturate you right now, let the tongue begin to change right now when you open your mouth to pray, begin to speak with other tongues, begin to receive the power to speak in tongues, receive the fire, let it change your utterances right now in the name of Jesus. Everything about you, everything in you begin to agree with this flow right now in the name of Jesus.

(269). Some people are afraid of sleeping because every time they sleep an attack comes from the enemy but in this verse it says, you can be in the rock where no enemy can reach you, no darkness can touch you.

⇒. Lord Jesus, hide me in you. Lord Jesus you are my rock, let my life be hidden in you from today, when an attack of darkness will touch me, where no power of darkness can touch me even in the dream. Whatever the enemy will do against me will do me nothing. Lord hide me in the rock that you are, hide my spirit, soul and body, hide me right now. (extend the prayer to your family members, relatives and friends). Lord let me be hidden in the rock that you are you are. Hide me in the rock that you are against every attack, against eating in the dream, against every marine attack, against every attack from serpents and demons, Lord let me be hidden in that rock that you are right now.

NB//: If the devil does not have anything or his property in your life that is when he won't have access to you, because we are talking about God hiding you in the rock that He is. But that is if the devil does not have his properties in you, when he has his property in you even if it's just anger or an unforgiving spirit, just because of that only, he will be able to break any barrier and reach you. Jesus said the prince of this world came and he has nothing in me. So If you want the prayer that we just prayed to work then you must make sure there's no property of the devil in you or sin, that is when the last player will be able to work for you.

## CLOSING PRAYER

Raise up your hand

Heavenly Father we thank you because you are a faithful God, you are merciful God and you are a prevailing God. Whenever you appear you prevail and you don't lose

in battle. Lord we return all glory back to you, be glorified, be praised forever in Jesus' name.

Oh God of Israel, your people have tarried in the face of prayer to receive your divine intervention, Lord I'm asking that you're harken to every prayer your people have prayed right here today. Lord harken to every prayer and visit them suddenly, to answer their prayers in Jesus' name.

I'm praying for you that the blessings God has released into your life shall not be stolen in Jesus' name. Nothing shall stop you from entering into these blessings in Jesus' name. I come against every attack of the enemy that has been programmed against you continually. Any programmed attack of the enemy, programmed to keep happening to you all the time, I declare right now, let the fire of God terminate that attack, let that attack be forever discontinued in Jesus' name. The Bible says when the enemy comes in like a flood, the spirit of the Lord shall raise a standard against him, therefore as the enemy will be coming against you, as they come they will meet with fire in Jesus' name. The fire of God will suddenly appear and consume them all in pieces in Jesus' name.

Every arrow of darkness that has been fired in your life and you still in you, I declare by angelic intervention, let that arrow that is in your body, soul and spirit, let that arrow jump out by angelic intervention in Jesus' name.

Whatever is limiting your manifestation in glory, prosperity, riches, wealth and greatness, as a prophet of the Lord I decree let thing, let that limitation be broken in pieces by the intervention of the warring angels of the Lord in Jesus' name.

Every limitation of darkness upon your financial prosperity, I decree by the authority of heaven, let that limitation break in pieces right now in Jesus' name.

Every curse of darkness that is chasing destiny helpers from you, let it break now because of the reason of the anointing upon this meeting, let that curse break now in Jesus' name. You shall be great even in this time in your generation in Jesus' name. Any voice that says you shall not be great, I silence it forever in Jesus' name. Any negative prophecies, utterances, that says your life will not become what God says it would become, I come against them, I cancel them and they shall not stand in your life anymore in Jesus' name. You shall excel in Jesus' name.

For those of you that will be writing exams, that will be doing a lot of studying, I prophesy upon your career, academics in Jesus' name. You will come out with flying colours in Jesus' name. The Lord shall make His name great in your life right now. It shall begin right now, when people say God is powerful they will start talking about your God because that name of God shall be glorified in Jesus' name. When people

say God is a healer, they will talk about you because the name of God as a healer shall be glorified in your life from now henceforth in Jesus' name. In your body, soul and spirit let the name of the Lord be glorified forever in Jesus' name.

Thank you Father because we know you have answered this prayer, and because your people shall begin to testify, and that miracles shall begin to flow in the lives of your people like river. Thank you Father, be glorified forever in Jesus' name, in Jesus' name I have prayed.

**I believe the Lord has answered my prayers for you, don't forget to share your testimonies with us.**

## PRAYER POINTS

(271). Father, I thank you for loving me, for being so kind and merciful to me, for being so gracious to me. I thank you because you have every reason not to help me but you have chosen to help me even in this moment, hour and season. God I thank you because you have mercy on me, because you love me and care so much for me. Lord you're so good to me, I don't deserve it but you have made me deserve it. Thank you for this goodness you have shown to me, thank you for this love.

(272). Father, I repent of all my shortcomings, of every evil, wickedness I have done even in my thinking or imagination, Lord I repent, forgive me tonight. Lord I repent from every anger, lustful thinking, prideful thinking, from disobedience, hatred and bitterness in my heart, I repent Lord Jesus, forgive me this moment. Wash me in your blood and make me white as snow, thank you Lord Jesus.

### PSALMS 62:7

(273). Raise up your right hand. Father as the heavens are opened over me right now, Father let every blessing that I am due to receive come to me right now. Lord every help, favour, honour, miracle that I am already due to receive, that I'm supposed to have received by now, oh God authorize it from heaven and let it fall right now. Oh God, command every victory I am supposed to have had by now, let them be released right now from your throne, from heaven; from the court of heaven command it to appear. Lord from your sit in heaven command progress, help and breakthrough to appear right now.

(274). For certain things to happen in your life, God must influence them or he must enforce those things to happen into your time, for example if something good is supposed to happen to you today or in this hour, before we move to the next hour

God must enforce it into that hour. There's a power that enforces it and everything will just bow to ensure that thing happens. God can release it from heaven but he still has to enforce so that it will appear in the physical.

⇒. Raise up your right hand. Oh God, my Father by your mighty hand enforce every good thing that you have promised me. Every good thing that you have for me in this season oh God enforce them to appear in my life. Oh God, my Father, by your mighty hand enforce every good thing you have for me in this season, in this hour, in this day, enforce it oh God by your mighty hand and let them appear by force. Lord let every good thing, gifts you have for me in this season for my life, for my destiny, my calling and ministry, let your angels enforce them to appear today not tomorrow but right now.

(275). God is enough for us, there is nothing that we need that is not in God. The least thing that you need, God is saying He is here to provide it. Even if you need spoons, shoes or new clothes, He is saying even that he can provide them. It is time for Christians to pray about everything they need, not just about some things because God is enough to supply them, He is enough to supply everything.

⇒. Father, I choose not to limit you in my life. Lord, look at my life and supply all my needs, even those things that I don't know I need now that you know that I need. Lord look at my life right now and supply all my needs now. Lord, I choose not to limit you in my life, look at me and bless me in every need of my life. Lord supply all my needs according to your own riches and your own wealth not according to how rich I am because I'm not rich or wealthy but you are very rich and wealthy.

(276). Raise up your right hand. Father envelope me and my entire household in your great refuge. Envelope my family, spouse, children in your great glory in your great rock in your refuge and do not allow the enemy to reach us. Do not allow sickness and disease, any virus to reach us, do not allow curses or attacks to reach us. Lord let me and my household be wrapped up in you, in your glory, in your power and in your strength. Let us be wrapped up in your life and let no enemy or arrow of darkness, disaster reach or touch me and my family.

(277). You need to be led by the spirit in your going out and your coming in. The Holy Spirit is saying we need the grace in your going in and going out. You need to know when to go out and when not to go out. Even if someone is telling you to come and meet me, you need to know whether you should go out or not because disasters are going to increase at this time that we are in. But those of us who have learnt to follow the leadership of the Holy Spirit shall be safe.

⇒. Father put upon my spirit and my heart the grace to be led by your spirit in my going out and coming in. Lord put upon me the grace to know when to go out and to know when to stay inside. The Grace to know which step to take, the time, the

people to meet and people not to meet, Lord the grace to be led by your spirit put it upon me. Let me be led by your spirit every day in my going out and coming in.

## VERSE 8

(278). David was a man who had seen the benefits of trusting God upon his life that is why he was writing to us that oh people of God, trust in Him at all times because your God is faithful. Many times after we have prayed, just as we are praying now, the enemy will begin to whisper to your heart like "do you think God will do the miracle that you are believing for or do you think you will find help as you have asked?", but you have to rebuke the enemy and choose to trust him at all times. You are going to be tempted, your faith is going to be tested and tried at this time, so you need the grace to trust in Him.

⇒. Father, grant me the grace to trust in you at all times, not in people not even myself or my strength or what I can do but in you. Oh God of heaven and earth, my Father, Lord I am asking this hour that you grant me the grace to always trust in you even when things are falling apart and it appears as if my prayers are not working or not help is coming, even when it appears as if my blessings and miracles are delaying, Lord I am asking today give me the grace to trust in you at all times. In these dark times I am asking for this grace oh Lord to set my heart on you at all times, to put my faith in you and trust in your power at all times without losing hold of you but that I will hold onto your Word without shaking at all times. **\*I decree over your life that it is grace that you need now to trust in the Lord at all times, receive it right now in Jesus' name.**

(279). If you are going to trust in him at all times, you will have to discipline yourself seriously. Some of you the reason why you are not seeing the help of God is because you are too dependent on people or your salary. Do you think God cannot help you beyond your salary? Who said God cannot help you beyond your salary or beyond what your parents or spouse can you give you? Who said that? No one says that. The reason why many of us have not been helped is because we depend so much on people than on God.

⇒. Father forgive me for trusting in man, forgive me for trusting in people, trusting in my own wisdom and strength, oh God help me to remove my trust in everything that is not you. Father, help me to withdraw my trust in everything that is not you, forgive me for trusting in other things that are not you. Lord help me to withdraw my trust from everything that is not you.

(280). To trust in Him is to be full of faith. We trust Him by faith, we can't see Him and we don't even know how He operates but we trust in Him. Faith comes by revelation, you just do not have faith. If you are going to have faith that produces results, that faith must be based on the revelation of Jesus and revelations of God and God's power.

⇒. Lord Jesus give me revelations of your power, revelations of you so that my faith can increase and grow at this time. This is the time I have to live by faith, Father give me revelations of yourself, of your power, your strength of who you are, Father give me those revelations.

(281). You cannot fully understand the kingdom authority if you do not understand the kingdom of God. You cannot fully understand how the kingdom operates in power and authority if you do not understand the kingdom of God itself. Christianity is a life of the kingdom of God, the church system is a type of the kingdom of God. All that Jesus came to declare when he came physically is not just a church system but the kingdom of God. It is so important for us to know the kingdom of God, it's principles and laws. Not the laws or policies of your country but those of the kingdom of God. There's some things that God has been showing me and as I started to apply those things I have begun to see great results, so we need to know his ways. We need to know how the kingdom of God operates, the laws of heaven etc.

⇒. Father by your spirit in me, teach me your ways, teach me the ways of your kingdom, the principles that guide your Kingdom. Lord I want to be established in your ways and standards not my own standards but yours, teach me Lord Jesus. Lord your ways are real and they are full of great victories, great success, great achievements, if I can know your ways then I can succeed in life. Lord teach me your ways then I can know how to please you more than I am doing right now, by your spirit in me, teach me your ways, standards and principles.

(282). Prayer points like the one we just prayed are not common in churches today because people do not really want to know God or the Kingdom. We are so carnal to such an extent we do not want to know more of the spiritual realm, that is why many people in the church will not pray such prayers. People do not know that if God can answer such a prayer as we have prayed, it will be a foundation for a greater glory in your life. If you begin to know the ways of God and begin to be planted and established in his ways, there will be manifestations of great glory in your life because these divine principles are real and they work and produce results. Much of these standards are very painful to follow because the ways of God are different from our ways. The kingdom of God is opposite of everything you see in this physical realm. That is why if you want to learn the ways of the kingdom you must be willing to surrender all and lay down your life for Jesus to crucify your flesh and everything.

⇒. Lord, I am ready to learn your will and ways. Every load of the flesh, of carnality, of darkness that I have placed upon my life, myself oh God, I am ready, rid me of them, Lord pull them out of my life. Lord, I am ready to learn your ways, break everything away from my life that is going to hinder me from learning your ways Lord take them away from my ways. Lord, I want to learn your ways, do a surgery in my heart, in my life and get rid of everything that is not according to your standards.

(283). The Lord was speaking to me a few hours ago and I heard Him clearly saying that "the more of God's standards we embrace, the more of God's plans that will be fulfilled in our life". God has many plans for many of us but the reason why he cannot do the things he wants to do is because you have not fully embraced his own standard. There are things he does not want you to do that you are still doing, so until you begin to embrace the standards of God and the ways of God, then his plans will start coming to pass. Many of the things that are happening to us are not the plan of God, the plan of God has not even started to happen. When the plan of God starts to happen, a lot of things that are happening to you right now will stop happening, some of those things, though they are good things are not in the plan of God for you.

⇒. Raise up your right hand. Lord, I refuse to have another plan for my life, I refuse to be in another plan but I want to be in your own plan for my life. Father, I refuse to be in another plan, Lord whatever you have to do, get me into your own plans because that's where I want to be. Lord get me into your own plan now and let every other plan that is not yours go. Lord get me out of it because this is for my destiny. Destiny is your own plan and purpose for me not what I have brought into my life but Lord get me into what you have for me. From today I want to save your own purpose and will, not my own, do it Father and let your name be glorified.

(284). The previous prayer is one that can set you on a right course to follow. When God begins to answer this prayer in your life you will come back and say thank you for showing me this prayer.

Another essential is that God creates situations or events in your life that will connect you to His purpose for your life. God needs to create situations and events in your life and when you get to engage with those events or situations, you will automatically enter into His purpose for your life which are very great. The plans God has for you are greater than yours.

⇒. Father by your mighty hand, begin to create situations and events in the journey of my life that will connect me with your own purpose for my life, your own plans for my life. Lord do something, create situations /events that will connect me with destiny. Lord create those situations and bring me to those situations and events in Jesus' name.

(285). The Lord was telling me that your human spirit is so great. When you allow God to work in your spirit your spirit can do great things, in fact can spread out because it is an environment where the kingdom is manifested to the world. Your spirit is bigger than the world, wider, larger and bigger than your body, in fact by revelation I discovered your spirit can be 7 times bigger than the whole world. Because in the realm of the spirit there is no limit, your human spirit can spread all over the world. Something powerful must begin to happen in your spirit if you're going to begin to walk in the realities of the powers of the kingdom of God.

⇒. Raise up your right hand. Lord Jesus touch my spirit and do a work in my spirit to enable me to work in the power of the kingdom of God. Lord, enlarge my spiritual capacity, do a work in my spirit that will enable me to begin to manifest the realities of your Kingdom. Lord Jesus touch my spirit right now, move in my spirit right now and let my spirit spread out, let my spirit be stretched out to accommodate the greatness of God. Let my spirit stretch out to be able to manifest the greatness of God, let my spirit be enlarged. Lord do a work in my spirit so that I can manifest the greatness of you in this earth, that my generation will see your greatness through me.

(286). Father I need you to begin to manifest in my spirit in ways that you have never done before. Everything you are, Lord manifest them in me from this hour henceforth. In my spirit man begin to manifest all that you are all that your Kingdom is, Lord let them begin to manifest within me, in my spirit. Lord all that the kingdom of God is and all that you are let them begin to manifest in my spirit right now. All that you are in power, in wisdom, glory, in strength and victory, let them begin to manifest in my spirit from this hour henceforth.

(287). The kingdom of darkness so much values spiritual advancement, spiritual authority and power, they don't value what we are looking for right here. In the dark Kingdom the more powerful you are the more the rank you will be placed. In the church today, people do not seek for spiritual enlargement and advancement, people are looking for how rich and wealthy one can be, they believe that's the glory. The glory of God is not in the riches or wealth but the glory of God commands riches and wealth. The glory of God is not riches and wealth because unbelievers also have it but there is something that we have that no one else (outside Jesus) has, that is what I'm talking about right now, the kingdom of God in you.

⇒. Raise up your right hand. Father let the fullness of you and your Kingdom begin to find expression in me, in my spirit from today onwards. Lord, I want to see the fullness of you moving in my spirit, the fullness of your Kingdom, let it find expression in me, in my spirit, in my heart, in my soul from today onward.

(288). The kingdom authority commands results from the depth of things. Everything has its roots, everything is being controlled from its roots so if you are going to manifest Kingdom authority, you must be able to control things from the root of them. Everything you see in the physical realm has a spiritual version of it. You can control that physical thing from the spiritual

⇒. Raise up your right hand. In the name of Jesus, from today I receive power to command results from the root of all things, from the spirit realm. I receive power to command physical results from the spiritual realm. Lord from today, I receive power to command physical results from the spiritual realm. I receive that authority, I receive that grace right now to command healing, miracles and blessings, grace to

command repentance and revival from the spiritual realm, I receive that power right now. I receive that fire right now in Jesus' name.

(289). In the name of Jesus, I come against every strategized limitation of darkness that has been set against my manifestation, to stop my manifestation in destiny, let the fire of God break that limitation in pieces. Every limitation planted in strategic places to stop my manifestation and destiny, let the fire of God break them right now in the name of Jesus. Fire of the Holy Ghost, break them in pieces right now in Jesus' name.

(290). The Lord is showing me fire burning inside of water. You know what that means, that is a mighty revival in impossible places. How do you expect fire to burn in the midst of an ocean and it continues to burn like that? Meaning that God wants to use some of you to ignite revival in impossible places, places which no one could think revival can break out from. God wants to use some of you, not all of you to ignite such revival.

⇒. Raise up your right hand. Father, I receive fire to ignite heavenly revival in impossible places, I receive that fire right now. The fire to set souls and people on fire for God, Lord I receive that fire right now in the name of Jesus. The fire to ignite revival in places that are naturally against revival, against Jesus, places that sin is already prevailing in, Lord let that fire come upon me right now, I receive fire right now. I receive fire to ignite fire in impossible cold hearted people.

(291). God let your mighty hand erase everything the demonic handwriting, demonic documentation, demonic authorisation, whatever the demonic world has written and ordained to happen in my life. Every handwriting of darkness, handwriting of demons, of Satan against my calling my destiny let the hand of God erase them all right now in the name of Jesus.

(292). Some of you there is a call of God upon your life and everything you are doing right now is not in alignment with the call of God upon your life. Everything you're doing right now has nothing to do with the call of God upon your life, you have not started to do what the call of God upon your life demands. That is what the Lord is telling me, meaning that you have not embraced the call of God upon your life.

⇒. Raise up your right hand. Father, I am ready to embrace your calling upon my life. Lord, disconnect me from every distraction and set me on the path to fulfill this call. Father I am willing to embrace this call, this divine assignment you have placed upon my life, Lord I am willing and ready to embrace it, disconnect me from every activity that is wasting my time, that is not letting me fulfill this calling, Lord disconnect me from those distractions and set to me on the path to fulfilling this call.

(293). The Holy Ghost is telling me that He wants to activate the healing gift in some of you, you have the gift of healing that is not working. He wants to set that gift in motion. He wants to set that gift on fire in you.

⇒. Father your gift of healing that is in me, Lord set it on fire to begin to produce healing miracles. Lord, the gift of healing that is inside of me, activate it and set it in motion to begin to produce results, miracles and healings in the lives of people. Lord set this gift on fire and let it produce great healings that the world has not yet seen.

(294). It's not every person that God can use at this time, I know there are some teachings that say God can use anybody, yes He does but it's not for all the time or everyone. The person God is going to use all the time, must be a person whom He can use always, not somebody he can use for a few minutes and then dump him. If you are going to be someone that He will use all the time, you must be the person he can use. So it's not everybody God can use.

⇒. Lord Jesus make me a vessel of honor in your kingdom, in your house, not a vessel unto dishonor. Prepare me for the move of God in this season, prepare me for your move in this season. Make me a vessel that can carry your glory in this time, make me this man/woman you can use mightily at this time. Make me a vessel unto honour, make me worthy of you. Make me be able to carry the fullness of your glory, to be useful in your move at this time. Make me, my spirit, soul and body; mould me into that person that you can use at this time. Lord I want to be a person that you can use, not an angry, hatred, and fearful vessel, make me that person Lord.

Every contamination, pollution of darkness upon your life, let fire locate your life, spirit and destroy them all in Jesus' name. Let the hand of God remove them all from roots away from your life, from today onward in Jesus' name. You shall excel in Jesus' name. You shall prosper, succeed in Jesus' name. I don't want to know what is standing against your success, be it your family background, curses or covenants fighting you, I decree by the authority of heaven that you shall break forth in success right now in the name of Jesus. Everything that is standing against you succeeding in your career and endeavours, I break such in pieces right now in Jesus' name. Thank you Father because we know you have answered in Jesus' name. Blessed be your Holy Name.

I rebuke the spirit of struggling and suffering in your life, and I command that spirit to come out in Jesus' name. Every spirit that is ensuring that you struggle and suffer before you achieve anything good, I rebuke that spirit, from today you shall achieve good things easily without struggle in the name of Jesus. The anointing that makes things easy shall fall upon your life today from his hour henceforth in the name of Jesus, thank you Father. Blessed be your Holy Name.

The Lord is saying that some of you do not have a car presently but you are supposed to have one already. Therefore by my prophetic authority and anointing, I decree that this new car that I am seeing before you, let it appear right now in your life in the name of Jesus.

Limitations are broken, you shall rejoice because the Lord is sufficient for you.

**You don't need to worry about things. Pray, that is what the Holy Spirit is saying. Stop thinking too much about things that are happening around you. Pray about them and not think about them.**

location and environment let your presence appear to me right now, let it appear here right now. Lord your tangible presence as it were in the days of old, in the days of Moses were they could see you face-to-face, they saw your glory, Lord such a presence let it appear now. Visible glory and presence, tangible power appear right now in the name of Jesus. **\*In that location, house, environment or room where you are, let a visible presence of God and of heaven appear right now in the name of Jesus.**

### **PSALMS 62:8**

(297). Father it is time for my manifestation. Father I have understood by your spirit that now is the time for my manifestation, the time for the fulfillment of your promises for me, for my life, therefore Lord do not delay. Let all these promises appear now because it is time let my manifestation begin now in the name of Jesus. Lord I have understood by the spirit that it is time for the fulfillment of your promises for my life, therefore Lord, let the manifestation begin right now, let the fulfillment of these promises begin. The manifestation of your Word and promises, the promises of your Word, Lord let it begin now without delay. Oh God of Israel, you are here with me, your power, your strength and your angels are here oh got all the promises you have declared for my life let them begin to be fulfilled now in the name of Jesus.

### **HABAKKUK 2:1-3**

(298). Father touch me right now and destroy every stronghold of delay upon my life and destiny. Oh God of heaven and earth, touch me right now, destroy, pull down every stronghold of delay, every case of delay, every spirit of delay upon my life, my destiny, destroy them oh God. Lord Jesus destroy strongholds of delay, curses of delay, covenant of delay, spirit of delay upon my life right now. It is written that at the appointed time it(promises) will not be delayed. Therefore every spirit of delay that is blocking the manifestation of God's promises in my life, I command you to be destroyed in the name of Jesus. I command you be destroyed by fire. Every spirit of delay standing against my manifestation in destiny and calling let the fire of the Holy Ghost destroy them right now.

(299). Many of you here have been delayed, such that the things that are supposed to be happening now are not even approaching. You know when something is happening now, at least it should be approaching but in this case they are not even approaching at all. There is an anointing that speeds up the manifestation of God's blessings, especially due blessings.

⇒. Raise up your right hand. Father let an anointing fall upon me and let it speed up the manifestation, the reception of every blessing that is due to appear in my life. Every blessing that is due to appear in my life, let the anointing come upon it and speed up its manifestation. Lord release the anointing upon me that will speed up the manifestation of your promises, purpose and plans for my life, let that anointing

come right now. **\*Let that anointing come upon you right now wherever you are. I receive that anointing for you right now.**

(300). Place your right hand on your hand and pray with the authority you have in Christ Jesus.

In the name of Jesus, every darkness upon me that is rejecting help and helpers of destiny, let fire consume that darkness right now in the name of Jesus. Every darkness upon my life, body, soul and spirit that is chasing away help and helpers, favour from my life in the name of Jesus, I command fire to consume you. I command fire consume them right now in the name of Jesus, catch-fire you darkness in Jesus' name.

(301). The Lord is telling me that some of the darkness that is following you is still one ensuring that you borrow, that you keep getting into debt, they ensure that you don't have enough to survive. That darkness ensures that you don't have enough but that darkness is going to die, it's going to be destroyed.

⇒. Raise up your right hand. In the name of Jesus, I come against every darkness attached to my life, that is promoting debt and poverty to prevail in my life, let fire fall and consume them all right now. Catch fire in the name of Jesus, you darkness following my life, my calling, ministry, destiny, marriage, business and family and you're causing debt and poverty to prevail, I command fire from heaven to destroy you.

### VERSE 3

(302). This vision describes a future time and we are in the end right now and it will be fulfilled. We are now in the time of fulfillment of prophecy because this is the beginning of the end. These are the last days of the last days, we are much closer to the end than before. This is when a lot of prophecies shall be fulfilled, a lot of promises will be fulfilled and you are part of this prophecy.

⇒. Father take me into the fulfillment of every prophecy you have released concerning my life and destiny. Lord I am tired of delay, take me now into the fulfillment of every prophecy that concerns my life and destiny. Lord take me to the fulfillment of every prophecy you have released into my life and destiny. Lord no more delay, let the fulfillment begin in my life, I want to see the fulfillment of every prophecy you have released and pronounced upon my life.

(303). Some of you, before you were born there was a prophecy about who you were meant to be, what you are here to become on earth and everything that will happen in your life. Some of you, the prophecy came before even your mum gave birth to you. If you are one of them you pray this prayer.

Others there are prophecies that have been repeated about you, even the dreams you keep having about your life, calling and destiny and up to now none of them has come to pass.

⇒. Lord let your fire visit the foundation of my life and destiny, calling and break them in pieces, destroy every limitation of darkness that is stopping my manifestation in destiny. Lord visit the roots of my life and calling, foundation of my destiny, Lord visit them with fire and destroy every limitation, every ancestral limitation, witchcraft limitation, demonic limitation and satanic limitation that is stopping my manifestation in destiny. Lord destroy them with fire right now.

(304). Some of you there's a particular prayer you have been praying for many years and up to now that prayer has not been answered, it is because there is a limitation of darkness that surrounds that prayer. You have prayed some other prayers and they have been answered but this particular one has not been answered for many years. But it's going to be answered as you pray.

⇒. Raise up your right hand. Father let fire fall upon every limitation of darkness that is stopping my prayers from being answered for so many years. Every limitation of darkness that has stopped answers of my prayers for many years let fire fall and destroy that limitation. Right now in your presence, let fire fall and destroy those limitations. Witchcraft limitations, I command fire come upon you and destroy you all in the name of Jesus. Every satanic limitation, serpentine limitation, marine spirit limitation, limitation of demons that is stopping the answers to my prayers for many years, I command fire consume them all right now in the name of Jesus. **\*Every limitation of darkness that has stopped answers to your prayers for so many years, I decree by the authority of heaven, let them be broken in pieces right now in Jesus' name.**

(305). God is very sure of Himself concerning what He has spoken concerning your life concerning the vision, He is very sure of that promise He said concerning you. He says it will not delay because the strength of God is what brings visions to pass not human strength. Prophecies come to pass by the strength of God and by the wisdom of God not by your own strength and wisdom.

⇒. Lord let your strength and power appear in my life right now and begin to bring all your promises to pass in my life and destiny. Lord let your power appear in my life, marriage, career, destiny, calling and ministry; let your power appear now and begin to bring to pass and fulfill all your promises, prophecies and visions right now in the name of Jesus. Let them begin to come to pass.

(306). The Lord is showing me that there shall be harvest of blessings even within the few days that remain and this month, He's telling me they shall be harvest of blessings. Blessings you have never dreamt that you will receive in your life they will

come to you in life. I don't know if you believe but the Lord is saying that there will be a harvest of such blessings.

⇒. Lord I believe, let the blessings fall upon me. Blessings no one has ever received in my family, blessings no one in my bloodline and genealogy has ever received from heaven, oh God I believe, let them fall upon me in Jesus' name. Blessings beyond my imagination and dreams, Lord I believe, release them now in the name of Jesus. I believe and I receive them, blessings which are beyond my budget, my dreams, my plans; blessings that are too great, Lord I receive them now. Blessings greater than my own aspiration and dreams, let them fall upon me from heaven right now.

### **PSALMS 62:9**

(307). This verse is saying that without God in your life, you are nothing and you will amount to nothing. What makes us something or useful is God in us. I don't know how much of God you have, how much of God you know, I don't know how much of what you have experienced. Right now I'm talking to people who want God and are willing to pray.

⇒. Father take me into visible manifestations, visible encounters of you, visible experiences with you and of you; I want to know you more than ever before. I want to serve you with my whole life, I want to follow you to the end, Lord take me there into the visible powerful and personal experiences of you. Lord take me to the realities of your wisdom, the realities of knowledge, to the visible presence of you. Take me Lord into the depth of your visions and revelations. Take me to the places of encounters with you, Lord I want you in every part of my life. I want to see you and I want to serve you. Have your way in my life, take your place in my life, rule and reign in my life and be God in my life forever in Jesus' name.

(308). Your value in life is determined by how close you are to God, that is when people start finding you valuable, even in your calling and career.

⇒. Father let your Kingdom come upon my life, marriage, career and prevail. Lord I am nothing without you, I want to serve your Kingdom, I want to serve the purposes of your Kingdom, I don't want to sell myself, my husband, my parents or family and my children but I want to serve the purposes of the Kingdom, therefore Lord, let your kingdom come and prevail in my life, let it rain in my life so that I will serve you and your purpose, use me all the days of my life. Let your will be done not my will, Lord come and prevail in my life.

(309). There is a divine visitation that will happen to you and your life will no longer be worthless and useless. There are some people whom God visited in the scriptures and from that time, their lives were never the same. Even the people whom Jesus Christ visited in the scriptures, from that day they were no longer worthless or useless. I'm trusting that God will visit you in this season because I know what it means to have a visitation.

⇒. Raise up your right hand. Oh God of heaven and earth, my life is open for your visitation. Oh God visit me, my life is available, it is open - visit me and use me visit me and change me. Oh God of Israel, in this season give me such a visitation that will change my life forever, that will take me from nobody to somebody, that will take me from being worthless to being so valuable and useful to my generation, Lord give me such a visitation. You visited Abram and he became Abraham, you visited Saul of Tarsus and he became Paul the apostle of power and revelations, oh God visit me. Lord Jesus visit me now, this season and let there be radical change in my life. Let me be transformed completely for your use in the season

(310). I'm speaking from experience when I say I know what it means to be visited, it's because I have experienced God's visitation. It changes your life, it changes everything that you are. When you have an encounter with God, you can never be the same, it's impossible. I don't know how hungry you are for a visitation? (Matthew 5:6). If you pray sincerely there is going to be visitations. Some of you, you need a visitation for your life to change, without a visitation your life will remain the same.

⇒. Father I am hungry for a visitation in this season, Lord by your mercy visit me and change my life, change my situation forever. Lord I am hungry, desperate and passionate for your visitation in this season, visit me and change me. Visit me God, change my story, my situation. Lord visit me and let my name and life change forever.

(311). When pride is prevailing in your life, the glory of God is going to diminish, the glory of God will leave you. When you are full of pride on the scale of heaven, you will fall and amount to nothing. Pride destroys, it is the root of failure.

⇒. Raise up your hand. Father I repent of every prideful attitude or behaviour, Lord deliver me from pride and keep me humble everyday of my life. Lord I repent from every prideful thinking, prideful behaviour and attitude, I repent today. Lord destroy the stronghold of pride in my heart, in my mind. Lord by your spirit keep me humble forever in the name of Jesus. **\*Let the grace that keeps a Christian humble come upon you right now, from today you shall be humble and you shall defeat pride in the name of Jesus by the grace of God.**

## **VERSE 10**

(312). There are some opportunities that the devil brings to people, opportunities that look good but what you will be doing in that place is more or less like stealing or doing something wrong for money. There are some opportunities that come that you know that yes you will make money but it is a sin, it is a job that will not glorify God.

⇒. I disconnect my life from every opportunity that is not of God, every job offer or opportunity that looks like a blessing but is not of God, Lord let them be taken away from me, Lord block them from coming to me. God help me to identify such opportunities that are meant to lead me to sin though they appear good. Lord

disconnect from my life every opportunity that is demonic, sinful, satanic, that is not of you. Lord disconnect them from my journey in the name of Jesus.

(313). Some people when God blesses them they stop coming to prayer meetings, they don't fast, pray nor draw close to God or study the Word anymore because they are now rich, but that is foolishness and it is wrong. When your wealth increases that is when you should draw closer to God more. God is going to make people great here but don't let it come between you and God.

⇒. God let nothing in this world take away your love in my heart. Lord let nothing visible or invisible never be able to take away your love from my heart. Lord not even my spouse, my children, or my job, let nothing take me away from your love.

### VERSE 11

(314). I don't know how much power of God you have or you have access to, because the more of the power of God in your life is the more the possibilities you will see, the more miracles you will see. You will even be able to command miracles and possibilities.

⇒. Father connect to my spirit, soul, my body to the flow of your unending power. Lord let my spirit be connected to the flow of power that comes from you, let my body and soul be connected to that flow of unending power, that comes from the depth of you. Connect me to that heavenly pipeline of power, where power flows without interruption, without stopping, without ceasing. Lord let that kind of flow connect with me right now.

(315). Most of these prayer points we can't pray them effectively on the platform, so I am urging you to pray them longer in your personal time.

⇒. Raise up your right hand. Father let your power fall upon me and destroy every weakness the enemy has established in my life, spirit, soul, body; in my prayer life, fasting life, Bible study life, let your fire fall and destroy those witnesses. Lord let your power fall and touch me right now and destroy every weakness established by the devil in my spirit, soul body. Every weakness established by marine spirits, scorpions, serpents; by pollutions of darkness, poisons of darkness, let your power fall and consume them right now in the name of Jesus.

(316). God hates lukewarmness, He hates rising and falling, you are weak today, you are strong tomorrow. God hates that because heaven is not like that, heaven is always strong. If you happen to enter into heaven, you will know that there is no weakness in heaven and every being in heaven is not weak. There's no weakness in heaven, they don't rise and fall, they are always strong, powerful and joyful. Every good thing is constantly there, there is a power that ensures the same lifestyle in heaven in your life.

⇒. Raise up your right hand. Father let your power fall upon me and set me on a height where I fall no more. Lord let your power fall upon me and set me on a platform, a height where I fall no more, where I am weak no more. Lord let your power fall, let your fire fall and set me on the height where I fall no more, where I sin no more, where I am weak no more, where I am no longer defeated, let your power take me to that height in the name of Jesus.

## VERSE 12

(317). Unfailing love means God's tender mercies, God can be merciful to you. I don't know what you're passing through right now but God can be merciful to you. He can be merciful when He does things He should not do, things you don't deserve - that's when he is merciful. It's not about whether you deserve a miracle or not, but this is about his mercy. Healing, deliverance, breakthroughs and progress all happens by mercy.

⇒. Father let your mercy come upon me, upon my situation and let a miracle be birthed, let your miracle appear. Lord in this moment of my life, in this situation I'm passing through right now, let mercy fall upon me. Lord look up on me with mercy and let miracles appear in my life. Lord let your mercy fall upon me now, Lord Jesus be merciful oh god and help me in this situation. Have mercy upon me and help me, deliver, save me in this hour and moment

(318). When people fail, the love of God does not fail. There are some people who knew about my situation, I thought they would try to help and assist me, but they did not and then the Lord manifested in his own way and began to talk to people about me and how to help me. These people that didn't even know what I was passing through, the Lord began to talk to them to help me, that is unfailing love. When every other thing fails, the love of God does not fail. When people reject you, the love of God does not.

⇒. Father you are full of unfailing love towards me, let your hand be stretched forth and save me from my reproach and shame. Lord according to your multitude of unfailing love, let your hand be stretched forth to save me from disgrace, suffering and hardship. Lord let your mighty hand deliver me from shame, disgrace, hardship, sorrow and lack. Oh God of Israel, you're full of unfailing love, full of mercy, let your mighty hand visit me and deliver me now in the name of Jesus. You are the living God and you are the present help in times of need, you can help me now in this time of need because you can.

(319). What is it that you have done that heaven has not yet repaid? Some of you have done good things for the kingdom of God physically, spiritually and financially that you should be rewarded for by God.

⇒. Raise up your right hand. Father in this moment of my life, let heaven begin to repay and reward every good work I have done in giving, tithes, offering, every good

work I have done in your house, every labour I have laboured for you and for your kingdom, let heaven begin to repay them all. Let my reward be released, let my reward come now in the name of Jesus. My reward for everything I have done for the Kingdom, everything I've done in your house, Lord let the reward for these things begin to fall upon me in the name of Jesus. \*I decree upon your life every good work you have done for heaven, for God, for the kingdom of God - receive the reward right now in Jesus name. I receive the reward for you right now, let the rewards appear in your life from now henceforth, let them begin to appear suddenly in Jesus' name.

## CLOSING PRAYER

We say thank you again for the manifestation of your power in this prayer meeting even in the rooms where your people are, thank you because your power is out there manifesting. Thank you for the miracles that you have already done and thank you for the ones you are going to do shortly. Oh God, be glorified, be magnified forever in Jesus' name.

Lord, I connect everyone to your throne in heaven right now, everyone hearing my voice right now, following this prayer session, I connect everyone to the throne of heaven. Lord everything that is yet to be done in the lives of your people by your power and authority, let them begin to appear right now in the name of Jesus. All of your will, plans and purposes that are yet to appear and fulfill in the lives of these ones, oh God by the power, fire and authority in your throne, in your presence, in heaven, Lord let these things begin to happen right now in the lives of your people in Jesus' name.

I come against every arrow of darkness that is targeted against your life. (The Bible says no weapon fashioned against you shall prosper) therefore I come against every arrow of darkness that is being fired at you right now. I decree in the name of Jesus, let that arrow catch fire right now in Jesus' name. Let that arrow be destroyed right now in Jesus' name. Every arrow that has penetrated into your life, every arrow of sickness, arrow of death, arrow of destruction that has already entered into your life. Every arrow of failure that has already entered into your life, I command that arrow by the authority of heaven, the authority I have in Jesus I command that arrow to come out of your life right now.

Every demon assigned into your life to cause evil, to cause problems, failure, suffering, hardship and poverty, I command the fire of God to locate such demons and consume them all in Jesus' name.

I come against every darkness that is troubling the manifestation of your peace and progress, every darkness contending with the manifestation of peace and progress in your life and destiny, I come against it in the name of the Lord of hosts, let fire fall and consume them all right now in Jesus' name.

The world is about to hear your voice, that is what the Holy Spirit is saying. Many of you, the world is about to hear of you, I therefore prophesy over your life that is the anointing of greatness, honour and fame, let it come up on you right now in Jesus' name. Let that anointing come upon your calling, ministry, career right now in Jesus' name.

You shall not die untimely in Jesus' name. As it is written, I declare upon your life, you shall not die you shall live in Jesus' name! Thank you Lord blessed be your Holy Name.

Every gift that you must receive at this time for other gifts to come (because that gift is going to pull other gifts, glory and blessings towards you) receive that gift right now in the name of Jesus. Receive help from heaven, helpers let them begin to flood toward you for the fulfilment of your destiny, let them flood toward your career and calling.

Thank you Father because we know you have answered this prayer, thank you Lord Jesus in Jesus' name I have prayed, Amen.

**God really cares about you and he really wants to help you. I don't know how much you care about God but God really cares about you.**

**The Lord is saying many of you have to be very careful not to misbehave at the point of your divine visitation. Watch the way you live, talk, and behave from today because if you misbehave at that point of breakthrough you will miss the blessing, the favour, the visitation. The Holy Spirit is saying be careful not to misbehave at the point of your breakthrough. May God give you understanding Amen.**

## PRAYER POINTS

I want you to pray with faith because every hour of prayer is a workshop, prayer is work. Every hour you spend in the place of prayer you're settling things in the realm of the spirit. It doesn't matter whether what you're praying for at that time happens or not. But what is constant is that when you pray things happen in the realm of the spirit. We set things in order, in place and in motion through prayer. Prayer is like a workshop, like an operation; you can compare it to surgical operation. It's like we are doing works in the realm of the spirit. Always take these prayer sessions seriously and always pray with faith and don't look at how you feel or the situations around you but look at Jesus who is going to help and intervene in your situation.

(320). Father thank you for every blessing I have received from you. Spiritual blessings, physical blessings I have received from you in this season. Lord thank you for every blessing I have received from you, Lord this hour I come before you and say thank you for the blessings you blessed me with and those that I am yet to see but I know you already have them for me. All the blessings I receive them, I say thank you; for spiritual gifts, revelations you have given me, for good health and protection I say thank you, for healing I say thank you. Thank you father because your blessings are real and I have received them.

## **MATTHEW 17:24-27**

### **MIRACLE THAT TERMINATES SHAME**

(321). This is a miracle that happened when they wanted to mock Jesus, they wanted to dishonor him publicly but he showed them that the kind of authority that he had and that He is that authority. He was saying that with this authority that I am, I can have anything that I want. Through that authority He was able to make money appear in the mouth of a fish. I perceive in my spirit that God wants to do miracles that will terminate shame in your life. I want you to key into this revelation that there will be sudden miracles in your life. God will suddenly do it because he wants to bring honour to Himself and wants to terminate shame and disgrace in your life.  
⇒. Father Grant me the grace to always recognise your presence and power in the midst of situations I find myself in. Grant me the grace not to be distracted by the negative situations that surround me, but let me recognise your power in the midst of it, the grace to recognise that you are present and your power is there in my situation and that you can do anything. Lord give me the grace to recognise you, your power, your presence and to remember your Word, to remember your power through the situation I will be facing. Lord help me to be wise enough to remember you and recognise your presence in every situation that I face.

(322). Raise up your right hand. Father, let the heavens open over this particular situation I am facing right now. (Mention that situation), Lord let heaven open for angelic intervention, divine intervention, for miracle intervention over my life, my situation, over this present moment of my life for great manifestations of your power.

(323). When the heavens are opened, it means you are sensitive to what heaven is doing in your favour or what heaven is about to do. You will be sensitive enough to make the right decision and right choices in that situation. Not that you start crying when you should go into your secret place and start praying. You don't start looking for solutions, you are not supposed to look for some alternatives, you shouldn't look for. It takes spiritual sensitivity to be able to align with what heaven is doing per time.

⇒. Father let my spirit be sensitive to what you are doing already in my favour. Let my heart be able to discern what you are doing already, to discern how to position myself, to perceive what you are doing for me, and what you have done already in my favour. Lord give me the grace to be sensitive, the grace to properly align to your move, the grace to connect with heaven, to partner, the grace to position myself in such a way that I will not make mistakes, that I shouldn't do what I shouldn't do. Give me the grace to be properly aligned with what you're doing in my life.

(324). The Holy Spirit is telling me that some of you are not making use of your time effectively that is why it looks like the devil has an upper hand over you. This is because what you are supposed to be doing with your time is not what you are using it for. When you should be praying, you are crying or thinking. It is not time that is going to self solve your problem but it is praise. When you stand up and begin to pray, worship, prophesy the Word of God upon your life- that can solve the problem. You are doing the wrong things with your time that's why there's no change. Some of you when you should be meditating you are busy talking.

⇒. Father by your spirit, help me from this day to use my time wisely, to use everyday of my life wisely, to do the right thing at the right time. Lord enable me by your grace to be able to discern what is right to do every day of my life. Help me to make good use of my times and days. Lord help me to properly utilise the days you have given to me, to manage the time you have given me and to do what is right at every point in time.

(325). There are powers of darkness that manipulate the mind that is why we don't even think correctly. What we should be thinking is not what we are thinking and the way we should be thinking is not the way we should be thinking. That is what is happening to most Christians today. The way God wants us to think is not the way we are thinking, that itself is a problem because miracles start from the mind.

⇒. Father let your fire fall and destroy every power of darkness manipulating the realm of my mind for evil, manipulating me for evil, controlling my mind for evil, let your fire fall and destroy them. In this hour of my life, let your fire arrest every power, every darkness, every demon and principality that is controlling my mind for evil, every power injecting evil thoughts into my heart, let them be arrested and destroyed by fire in the name of Jesus. Every power that is putting demonic inspirations, imaginations, every demonic thought pollution into my mind, let fire arrest and destroy them.

(326). The tax collectors didn't go to ask but to really mock Jesus because they felt like he had something against the collectors or that He didn't agree with it. They wanted to see if he was going to disapprove. The enemy of your destiny as was with Jesus, they are waiting for your disgrace. There are certain people who are waiting

to see that you're publicly disgraced, they are around you but God is going to surprise them.

⇒. Father, intervene speedily from heaven to stop every person, every crowd that is waiting for my disgrace, shame and mockery. Lord concerning my situation, intervene speedily to disappoint them. Every heart, every soul waiting secretly for my downfall, for my shame and disgrace oh Lord, intervene to silence them as you intervened with Jesus, Lord intervene speedily from heaven. Lord silence them, disappoint them and let them fail and let them never see what they are expecting to happen because I have you in my life.

(327). I have seen God manifest peace just to rescue me in situations that seemed as if I will never get help. What made Him to help me was His mercy.

⇒. Father let your mercy come upon me in this present situation of my life, marriage, business and destiny. Let your mercy come and swallow up this shame, Lord I may not deserve this miracle but by your mercy visit me now and terminate this shame that is about to happen, this disgrace that is about to happen to me, Lord visit me by mercy. Rescue me from this shame, from this reproach, this mockery of the enemy, rescue me Lord Jesus.

(328). The Lord is telling me specifically that some of you need financial miracles and if God does it, it will terminate the shame that is already happening or about to happen in your life.

⇒. Raise up your right hand. Father by your kingdom authority, let this financial need in my life be met now, Lord authorise my financial blessings now, to terminate this shame in my life. Authorise financial blessings into my account according to your authority, according to your power. The same amount that I need to escape the shame and even beyond what I need, Lord let it land in my bank account right now, far beyond what I need to terminate the shame and disgrace the enemy has created in my life. Lord Jesus, authorise these blessings by your mighty hand.

(329). According to scripture, Christians are not supposed to secure debts because the person you are owing, has power over you in the realm of the spirit. If you are owing someone, you are in slavery to that person's spirit. It is wrong to be in debt as a Christian, it is not a sin but it is wrong. It is wrong for you to go into debt and for debt to remain in your life. Anointing in this prayer session, I believe can terminate debt, do you believe?

⇒. Father let your blessings fall upon me. Let there be a financial rain that will be too much that all my debts will be settled. Lord let it rain finances upon my life, business, career, marriage, and business far beyond what I expect and what I have been asking for. Lord let it rain abundance of riches and wealth such that debt will not exist anymore in my life.

(330). The scenario in this place is that Jesus was already in the temple and Peter was coming from outside and these people approached Peter asking him for temple tax and Peter was coming to tell Jesus about it which was obvious they didn't have money at that time. As they were asking Peter, Jesus already knew in the spirit that something was going on. It means that Jesus is our way for many things that we are facing, though we think he's not aware of them. He is very much aware of every need that you're going through on a daily basis and he already has a plan, the problem is that we don't see the plan of God to terminate shame. Though you may not see it now, but it's there.

⇒. Father, every plan you have for me that is going to put an end to my poverty and suffering and need, Lord let this plan be revealed to me, let this plan begin to come to pass in my life. Lord every plan you have for me, for my destiny, calling, career that is going to end shame and disgrace, Lord let this plan be revealed to me. Every plan you have for me to put an end to my poverty, to destroy poverty right now, Lord let that plan begin to manifest in the earth. **\*The plan of heaven, the plan of God, the plan of the kingdom of God to end your poverty, suffering and shame, let that plan begin to find fulfillment in your life right now in Jesus' name.**

## VERSE 25

(331). Jesus began to ask questions to challenge the authority that was demanding him. The powers and authorities are also demanding for shame in your life. Shame is when you cannot have any necessity, or something that is very important that you need but you cannot have it. This thing you are unable to have though every other person can have it. Even God knows you need to have it at that time but you could not have it or deliver that thing- that is shame. There are authorities which are looking for shame in your life. Jesus began to contend with those authorities that is why he was asking those questions because they wanted shame to prevail against him at that moment. If you so much need healing and the healing is not coming, it is a shame even though God knows you should be healed. When you need something for a survival and you can't have it, it is shame

⇒. Raise up your right hand. In the name of Jesus, I decree and I declare every power of darkness that is demanding shame to appear in my life, let fire consume them all right now in the name of Jesus. Every witchcraft authority, witchcraft power, powers in heaven demanding shame to happen in my life, Lord let your fire fall and consume them. Every power and principality demanding for shame to happen in my life, marriage, calling, help, finance and ministry, let fire fall and consume them all, let judgement fall From heaven upon them all.

(332). There are territorial authorities, Jesus was challenging territorial authorities. Territorial authorities are authorities in the realm of the spirit, that is ruling the affairs and the environment you live. If you don't prevail over these territorial authorities of darkness, shame is what will happen to you.

⇒. In the name of Jesus, I come against every territorial authority of darkness that is demanding for shame and disgrace in my life, destiny and calling. Let fire fall and waste them, let the anger of God consume them all. Right now let fire, with the anger of God descended on them and waste them. Every witchcraft authority, demonic authority, territorial authority of darkness that is demanding for shame and disgrace to happen in my life, destiny, and present situation let fire plus the anger of God consume them all right now in the name of Jesus. Let fire mingled with the anger of God consume every territorial authority of darkness in my city, my environment, in this town I'm living in let them be wasted in the name of Jesus, they shall not prevail over my life in Jesus' name.

(333). Jesus asked the question, do kings tax their people or the people they have conquered? It is normal for kings not to tax their own people but for them to tax strangers or people they have enslaved, or nations they have conquered. If you have not been conquered by these authorities, they cannot successfully put you to shame. If they have not conquered you or overcome you, you cannot be put to shame. Meaning these are some shame that happens to us, not because God is not available to help us but because we have been conquered by these ruling authorities. Some people have already been conquered in the realm of their health, that is why they feel at home with diabetes and cancer, they just accept all the sicknesses and diseases. Why should you accept what the devil is doing? That means you have been conquered. For you to accept it, it means you have been conquered because you are not supposed to accept what is wrong or what is not the will of God.

⇒. Father let your fire locate every realm of darkness where I have been conquered. Let your fire visit every realm of darkness where my spirit, soul and body has been conquered and let your fire liberate me. Lord let your fire visit every realm of darkness where I have been enslaved and let me be liberated, let my soul be liberated, let my spirit and my health be liberated. Wherever my help has been conquered in the realm of the spirit, fire locate that place and release me. Wherever my finances, destiny, my glory, my ministry and spiritual gifts have been conquered in the realm of darkness, let fire locate them and release them to manifestation.

(334). When we talk about you being conquered, I'm talking about you being oppressed by the enemy, being under the enemy. By the standard of the scripture you are supposed to be above the enemy above darkness as a Christian. So when you are under darkness then it means you have been conquered and you know that is not good. For example, being sick is not good, who's making you sick, you are suffering or you are poor to a point where you have no food and you have prayed and God did not do anything, that is darkness. It is true that not everyone is going to be very rich but according to the scriptures, every Christian believer should have their daily bread, their basic needs. You must be at peace, you must have

food, clothes and shelter as a Christian, when that is not happening, that is the devil not God.

⇒. Oh God of Israel, intervene from heaven with fire and release my destiny from the bondage of demonic authorities. Release my destiny from the slavery of demonic authorities, witchcraft authorities, territorial authorities of darkness. Oh God intervene with fire from heaven, release my life and destiny now. God intervene with fire from heaven for my life and destiny, from the oppression of territorial authorities of darkness, oh Lord release me, set me free. I refuse to be oppressed, you say that if the Son shall set you free, you shall be free indeed! Oh God let me be free indeed.

(335). The authorities that have conquered some of you even before you were born. You might be surprised to hear that, there is darkness that conquered people whilst in the womb, that is why these people, their lives have been miserable since childhood, up to now their lives are still miserable because they have been conquered in the realm of the spirit before they were born. You can see that kind of captivity is very serious but there is a power in this meeting, there is power in God to destroy such captivities.

⇒. Raise up your hand. Father let your fire fall, let your fire move into every realm of darkness that has conquered my life and destiny before I was born. Let your fire move into every realm of darkness that has conquered my life, ministry, destiny even before I was born into this world, and let your fire liberate me completely. Right now oh God of Israel, by your fire release me from their hold. Every authority of darkness, principality, kingdoms of darkness that have conquered my destiny before I was born, Lord move right now and release me completely, let my destiny be liberated. Let my life, calling be liberated completely by fire in Jesus' name.

(336). There are some prevailing ruling authorities of darkness that exist in family backgrounds, be it your father's or mother's lineage. In fact, in some places in Africa, we have idol worshipping, satanic worship going on. On those altars of demons they control destinies. You might not know where the altars are, you might not even be aware of them and you can be a victim of what they are doing there.

⇒. Raise your right hand. In the name of Jesus, I come against every altar of darkness in my family background, every altar of darkness visible or invisible in my father's house, in my mother's house that is controlling my life and destiny, that has enslaved my destiny, I come against them in the name of Jesus. I decree let fire fall and consume them all. Every altar, marine altars, witchcraft altar, every altar of the devil, every altar where the affairs of my life and destiny is being controlled and manipulated from, right now as I speak let fire fall and consume them all. Let fire fall upon them and let them scatter in pieces in Jesus name.

(337). I don't know if your spiritual life has been conquered as well, maybe you used to hear the voice of God but now you can't, you used to pray very well and now you

can't, you used to fast but now you can't, you used to do some spiritual exercises but now you cannot do them anymore, it means your spirit man has been conquered.

⇒. Father let your fire fall and consume every darkness that has conquered my spiritual man, my prayer life, fasting life, my spiritual connection with you, let your fire consume and waste them all. Let your fire fall, Lord Jesus, and consume every darkness that has conquered my spirit, my prayer life, my connection with God, my relationship with God, let fire consume the darkness right now in the name of Jesus. Lord let fire fall and consume this darkness that has consumed my spiritual walk with you.

(338). You need to understand that there is glory from God for you, for your destiny, your calling, career. Everyone created by God is created with a special glory, the sun and the moon have their own glory from God. If darkness is prevailing in your life that glory will not appear, it will never manifest.

⇒. Place your right hand on your head, pray with authority. In the name of Jesus, I come against every prevailing darkness limiting the manifestation of the glory of God in my life, every darkness that is limiting the manifestation of the appearance of the glory of God in my life, my calling, my destiny, catch fire in the name of Jesus. Every darkness limiting the manifestation of the glory of God in my life, I command you to catch fire right now in the name of Jesus. Every prevailing darkness that is upon my life, limiting the manifestation of God's power and glory in my life and destiny, in the name of Jesus let fire consume you right now in the name of Jesus.

(339). If you have not prevailed in certain realms of captivity that has held you down, there are things that can never happen to you no matter how much you pray for them. In my life before certain things started happening there are certain battles I had to fight and win, before those things manifested. There's some darkness which is so close to you, it's like it's in the blood and you must prevail over it. Sometimes your flesh can be the darkness that is limiting your calling.

⇒. Place your right hand on your head. Father let your fire come upon me and let it release me from every darkness that is limiting the manifestation of your glory in my life, Lord let your fire fall upon me and release me from every darkness that is limiting the manifestation of your glory in my life. Lord let your fire continue to burn until I am free, let it not stop burning until I am free. Fire, fall upon my life, fire fall upon my body, my soul and spirit and deliver me from every darkness that is limiting me, Lord deliver me now, release me, free me. **\*In the name of Jesus, let fire fall right now from heaven to where you are and let it fall upon you and release you from this darkness that is limited in the glory of God in your life for many years. Let fire fall and release you to manifestation in the name of Jesus. Let the glory of God in your life arise with power to manifest, let the glory of God in your calling arise right now with power and fire to manifest, and let the limitation of darkness be destroyed forever in Jesus' name.**

(340). There's something the Lord is showing me. What I can call financial glory, meaning that some of you are supposed to be walking in a kind of financial glory that is greater than your present level of finances. You are supposed to be helping a lot of people, spending lots of money, helping people because you are supposed to be richer, that is what the Lord is showing me. The kind of glory He wants you to be walking in, in your finances is not the kind of glory you are walking in right now. I don't know how rich you are, but the Lord is saying you are not yet rich enough, because in your destiny you are meant to be richer than this. But glory has not yet appeared in your life.

⇒. Raise up your right hand. Father let the financial glory you have destined for my life and destiny before I was born, Lord take me into that glory, let that glory appear in my life, business, finances in Jesus' name. Lord this financial glory you have created for me, take me into it, Lord take me into the glory. Lord let this financial greatness appear in my life right now, I don't have to know how you will do it but all I know is that I must fulfill my destiny, Lord let this glory appear right now in the name of Jesus. Financial glory that heaven reserved for me, appear in my life by fire, appear now by fire. You financial glory that has been set aside for my life and destiny in heaven appear in the name of Jesus.

(341). There are crises and disasters that the devil has planned and they're going to happen, some are going to happen this year, others next year. This strategy is to disrupt the church so that Christians will be affected by this crisis and resources. Some are already happening.

⇒. Father by your mighty hand remove my life and destiny from the list of those that have been marked to suffer crisis and disasters. Lord remove me from the list, remove my family from the list of those the enemy has already planned disasters and crises for, Lord let me be exempted from them. Let me and my family be excluded, by your mighty hand remove us from the crisis plan of the enemy, from the disaster and agenda of the enemy. Take me out of those that have been marked for destruction in the name of Jesus, thank you, Amen.

(342). You have to pray for the seed of God in you to rise. There is a seed of God in you and everything you are going to become in this world is within that seed. Your calling, abilities, spiritual abilities, physical abilities, is in that seed, there is a lot in you that you do not know that you are yet to discover.

⇒. Lord Jesus, let the seed of God in me begin to produce fruit to impact on my generation, and let the seed of God in me begin to grow and yield fruit and begin to produce impact and greatness in my generation. The fear of God in me, hear the voice of God rise right now and begin to manifest, begin to produce fruit, begin to produce results. Everything God has placed in me I speak to you right now, rise now and begin to speak to the world, manifest to the world.

(343). There's a divine seed in you, there are some things you can do that you didn't even know you can. The right things that you can do that are inside of you that you do not know, the seed of God inside of you that you don't know, until God begins to open your eyes because your originality is in that seed of God in you and that is where the real you is. Not this you that you think you are, you are still to discover the real you.

⇒. Father by your spirit that is in me, let everything that I am, that I have not discovered yet, Lord let them come out into manifestation. Lord by the intervention of your Holy Spirit in me, let everything that I am yet to find and discover, let them come out to manifestation, let them be revealed and come out to light. Everything that I am that I don't know that I am, Lord let it come out right now. The abilities in me that I have not discovered, the virtues inside of me that I have not found, the greatness, the potential, skills, strength, and warrior that I have not found, Lord by your Holy Ghost, bring them out to manifestation. Lord I want to be what I am in you in this world, I don't want to discover late that I could have been better than this, release my seed to full manifestation.

(344). You need God to do a work in your heart that will enable you to see things the way they are in the spirit. The problem with spiritual vision, most times is it's not in your eyes but in your heart. When your heart is transformed then your eyes will be transformed as well, there is a connection between your eyes and your heart and what is happening in your heart will determine what your eyes will see.

⇒. Lord Jesus, do a mighty work in my heart that will enable me to see as you see, that will enable me to see people the way you see them, to see things the way you see them. Do this work in my heart oh God in my spirit and soul, Lord do a transforming work in my heart and spirit that will enable me to see as you see, to discern as you discern, to perceive as you perceive, to understand as you God understands, do this work in my heart Lord Jesus. I refuse to be an ordinary Christian.

(345). One of the things that God uses to defend you against your enemies is to cause madness and confusion to happen in the camp of the enemy. I see God causing madness and confusion in the camp of the enemy so that they can let you move forward, they will be just too confused and you just move out.

⇒. Father, send confusion and madness upon every camp of the enemies of my progress, enemies of my success that my life will move forward. Lord let madness from heaven fall as you did in the days of old, let it fall upon the camp of my enemies so that my life will move forward while they're busy fighting themselves, while they are confused. Lord release confusion upon every enemy working against my soul, destiny, calling let my life begin to move forward.

(346). I perceive in my spirit that this season is not only a season of miracles and wonders, divine encounters - where people will have unusual encounters with God but is also a season of divine lifting, where people will be lifted to higher levels where they have never been before in their lives.

⇒. Father let your grace and special favour come upon me at this time for a great lifting and let me be lifted to a place of honour, place of greatness, place of glory, place of celebration, oh Lord do it now. Lord a special grace, favour and anointing, special help from heaven that is going to lead me to a high level of honour, flourishing, wealth, riches and power, Lord let it fall upon me. Higher levels in you, in the calling you have called me, Lord let that anointing fall upon me. Anointing that will lift me higher beyond where I am to a higher position, to a higher glory, let it fall upon me right now the name of Jesus. *\*As you have prayed so shall it be for you in Jesus' name. That promotion is going to happen in your life in Jesus' name, whether the devil likes it or not, the employer likes it or not, that promotion you need now is going to happen to you in Jesus' name. That lifting shall happen in Jesus' name Amen.*

## CLOSING PRAYER

Father we worship and bless your name, King of the universe we thank you for the greatness of who you are. Everything about you is great, your presence is great, your name is great, your power is great, your glory and strength is great because you are the Most High. Lord we celebrate you for who you are, be glorified and be exalted forever in Jesus' name.

Oh Lord, I present your people before you, they have come to seek you, not me, they have come to worship, praise and pray. Oh God I am asking that with speed without delay, right now, begin to connect them to their miracles. Every one of you hearing my voice, I decree by divine and angelic interventions, begin to connect with your miracle right now in Jesus' name. By the help of God, begin to connect with your destiny helpers, with your breakthroughs right now in the name of Jesus. Begin to connect with open doors, opportunities, favour, riches and wealth. From this hour henceforth, let them begin to collide with your life and let your life never remain the same again in the name of Jesus. Thank you Father, thank you Lord.

The Lord Himself shall visit you, and the Lord shall help you in the name of Jesus. You have been looking for people to help you and it looks as if no one wants to help you. I prophesy, the Lord Himself shall visit you and help you and when He helps you, your life shall not remain the same again in the name of Jesus.

You shall break limits, limits that no one in your family has ever broken. Because you are connected to this anointing, you shall arise to break that limit in the name of Jesus and you shall enter into the glory God has created for your life and destiny before you were born. You shall enter into that glory by the intervention of heaven and so shall it be in the name of Jesus. Places that no one in your family has ever reached, I decree by the intervention of the Most High God, you shall reach those places, you will make great exploits for the kingdom of God and you will change lives and destinies because the Lord shall use you greatly and so shall it be in Jesus' name .

Thank you Father because we know that you have answered these prayers, thank you Father, in Jesus' name I have prayed, Amen.

**I thank God because He has helped you and He has blessed you. Continue to trust and praise Him because indeed He has helped you.**
