Thank you Lord for putting to shame the kingdoms. Thank you Lord because you have blessed us

with physical and spiritual blessings. Thank you for turning the situations around for our good and for commanding help for us from places we least expected.

Lord, I'm asking as we will be praying with one spirit and one mind in faith, Lord in your mercy hear us from heaven and intervene in our cases. Let us not seek you or trust you in vain but Lord give us miracles, breakthroughs, revival, wonderful and shocking miracles, thank you Father because I know you shall do greater than our expectations. Blessed your Holy Name in Jesus' name, Amen.

## **PRAYER POINTS**

⇒.Father, thank you for your visitation in my life, thank you for visiting me at this time. Thank you for visiting me to help and change my life. Thank you Father because you have visited me, you are going to bless me, heal me, deliver me and change my life forever. Thank you for your visitation at such a time as this in Jesus' name.

### **PSALMS 94:19**

⇒. Many times the devil fills our minds with doubt and we begin to wonder how God will do this thing, you begin to doubt the power and the strength of God. This is wrong because the Bible says if we have faith as small as a mustard seed, we will

speak to a mountain and the mountain will move into the sea, if you will have faith and not doubt. Doubt is an enemy of progress, doubting the power of God, the wisdom of God, the ability of God is an enemy to progress.

•Father let your faith fill my heart such that doubt has no place in me anymore, let faith fill my heart, my mind and soul. Let faith in you, in your power, in your ability, in your greatness, faith in your victory and dominion fill my mind such that doubt will have no place anymore. Lord let living faith not dead faith, let strong faith not weak faith fill my heart and mind. Oh Lord, I want to see progress in my life, I want to see deliverance, healing, prosperity happening in my life, I know it will happen by faith therefore Lord, let faith fill my mind. Let great faith, unwavering faith fill my mind.

⇒. In heaven they do not believe in conditional faith, that says maybe this will happen or maybe it might not happen. That is why the angels God assigned to minister to us, help us, perform miracles get disappointed because we do not believe or trust in God, because they don't have problems believing in God. We must stop entertaining doubt because it will weaken the angels which God has sent to work for us, sent to work with us

•Place your right hand on your head. Father, impart on me the same faith that rules in heaven, put on me the same spirit of faith that rules in heaven, the same spirit of faith by which angels and heaven operate with. Lord impart on my spirit, soul and body the same faith that rules in heaven, the same faith by which you operate with, angels operate with, Lord let that faith be on me continually, let it be in me. Let me be able to pray according to the heavenly kind of faith, to be able to praise, worship, fellowship with you according to the faith in heaven. Let me be able to do spiritual warfare according to the faith in heaven, put upon me the same faith that is in your Kingdom, that rules in your Kingdom, that produces results, thank you Father.

⇒. The Word of God is not to be tried or tested to see whether it will work or not. That is not how we should receive the Word of God. The Word of God is to be enforced upon our lives, calling, destiny and situations because it will always work. There is no maybe because the Word of God will always work. Everytime we enforce the Word of God something will happen, whether we see it physically or not. We need to change our approach to the scriptures because the Word always works. This generation is looking for fast food manifestations of God and that is not how heaven operates. Miracles don't always happen instantly and if it doesn't happen instantly, it does not mean nothing happened in the spirit because something would have happened in the spirit.

•Father, help me and let my approach to your Word be right. Help me to trust every Word you have said with all my life. Help me to have a perfect approach to your Word, not with doubt unbelief, fear or insecurity but help me to hold on to your Word with pure faith, strong faith, help me to have a right approach to the scriptures.

⇒. The Holy Spirit has a way of helping our faith. When it looks like our faith is going down, He helps it to rise up. When darkness starts attacking you and then instantly

you start losing everything that makes you a strong man, you are not strong enough in that time or prayerful to resist the devil, everything starts getting weak in your spirit, doubt starts filling your mind. Whenever you start experiencing that, do not think it is normal, when you start having doubt, fear, insecurity and you start getting worried about the future, whether you will ever receive any miracle or not, or whether you will ever prosper at all; that is an attack. The mind of a Christian should always be a mind of faith, when you start having doubt, fear and anxiety, it is an attack from the enemy and the Holy Spirit is with you to help you in that moment.

•Place your right hand on your head. Spirit of The living God, manifest your power and anointing in my mind and destroy every presence of darkness, every attack of the enemy on my mind. Spirit of The living God, manifest your power, your anointing in my mind and soul and destroy the influence of darkness on my mind, destroy the position of darkness in my mind, destroy the strength of darkness and the stronghold of darkness in my mind. Spirit Of The living God manifest your anointing right now in my mind in the name of Jesus.

⇒. The reason why the enemy attacks the mind more than any other visible thing in the world is because the enemy knows that your mind is the key to your victory. It is in your mind that victory is decided, whether you will receive a miracle or not, it will be confirmed in your mind, that is why the enemy attacks your mind. It is through our mind that we manifest faith. The real binding and loosing is in your mind, it starts in your mind. What you bind on earth is bound in heaven, what you loose on earth is loosed in heaven. God wants you to have a mind that would not permit the devil to operate in your life and succeed. You must have a mind that would lock the devil out of your life and have a mind that would open your life to heaven. Your mind is like a key and a door, you can lock the devil out of your life right inside your mind because binding means that you lock someone or something out of a realm, to lose means you allow or permit someone to enter into your life or a realm. Many of the failures and hardships we experience in life is because we permitted it in our minds, if we had not permitted it, it wouldn't come to pass

•Father, merge my mind with your mind such that I begin to resist the devil, that I will be able to bind on earth and it will be bound in heaven, to lose on earth and it be loosed in heaven. Father let there be a strong bond between my mind and your mind, give me your mind, I choose to operate by your mind not by my own mindset. I choose to live, to think, pray according to your mind. Give me your own mind Father, let my mind be under subjection to your mind, let your mind control my mind, let me live by your mind, Lord give me your mind. Merge my heart with yours and let me be able to understand the path of victories, let me be able to walk in the path of your victory by the impartation of your mind. Give me your mind and let your mind be in charge of my life. When I am speaking, I'm speaking your mind, when I am going about my daily affairs, let it be according to your mind, give me your mind Father.

⇒. Some are thinking how it will be possible to shut out the devil, marine spirits, witchcraft out of my life such that they cannot even operate using my mind. It is

possible because there shall be faith in your mind and when there is faith in your mind there shall be victory in your life. The Bible says this is the victory that overcomes the world, even OUR FAITH. When the devil is doing a lot of things and he wants you to be worried and fearful and you decide not to look at what the devil is doing and set your mind on the power of God's strength, on the power of God and believe greater is He that is in me than the devil doing these things in my mind, it is at that point you start seeing victory happening in your life. There is no shortcut to victory, you will determine your victories before you will see the victory. You have to initiate it in your mind, when your mind is set on the greatness of God that is when strongholds of the enemy begin to break.

•My Father, let my faith continually be in your greatness and let me not be moved by the activities of the enemy in my life, help me to stop considering the power of the enemy or looking at how powerful the enemy is, but let me continually believe in your greatness. Father help me to set my mind, my imaginations on the greatness of you, on the power of you. Give me such a mind that will never consider that the devil is powerful, that the devil can overcome me, that will never consider the power of the enemy or witchcraft but give me such a mind that will always be set on your greatness. I want to always be focused on your greatness, give me such a mind, a mind so full of faith and revelations.

⇒. Victory in spiritual warfare is not only in fasting, waking up in the midnight to pray or in the words you say but it is in the mind. Once you are firmly established in your mind there is no battle that can overcome you. A mind that cannot doubt God even when in suffering, a mind that will continue to trust God when you pray for the sick and nothing happens, a mind that will take no for an answer, a mind that is so persistent and steadfast is what the devil is afraid of. The devil is so afraid of a mind that will never give up, a mind that would never give in to unbelief or doubt, a mind that will never stop believing that some things are possible, mind that would not stop praying even if they have to pray for 10 years because they know that God will do what He says. The kingdom of darkness is seriously afraid of such people with such a mind and that's the kind of mind that God wants us to have in these last days.

•Place your right hand on your head. Father, strengthen my mind to manifest faith, power and victory that no darkness can overcome, that no devil or kingdom of darkness can overcome. Lord strengthen my mind to manifest faith and power that Satan and principalities cannot withstand; faith, power and victory that the kingdoms of darkness attacking me, attacking my life, success and destiny will not succeed. Lord, strengthen my mind to do that. **\*As you are connected with the anointing in this prayer session right now, I decree you will receive strength right now in your mind. Receive strength to be victorious, receive strength right now in the name of Jesus.**

⇒. You also need to know that the truth is a weapon of deliverance. If there's any place in our lives that needs so much deliverance, it is our soul and mind and it needs to happen daily. Do not believe the people who say Christians do not need

deliverance, who say once you are born again demons cannot possess or control you, that is a lie. Anytime the devil can have his way in your mind that is demonic possession. Whenever the devil makes you think in a certain direction and you flow in that direction, and when he makes you do something and you do exactly what he wants you to, that is possession and possession means control. It does not have to go to the extent of having a demon cast out of you and then you're screaming and shouting and rolling on the ground for the devil to possess you, he can just start with your mind. We need deliverance in our minds hour-by-hour, second-by-second, we must always be delivered. If you will make heaven you must always experience deliverance in your mind and soul, meaning that your mind has to keep on rejecting every influence coming from the kingdom of darkness. The truth carries a great power to deliver for the Lord said you shall know the truth and the truth shall set you free.

•Father, reveal to me the truths that will deliver my mind from the grip of the enemy, the grip of fear, from the control of darkness. Everyday, let me see the truth and revelations that will deliver me. Lord teach me as I open the scripture, let me come across the truth that will deliver me until my mind is perfect. Until I have a perfect mind, Lord, do not stop delivering me, setting me free with your truth and by your truth. Do not stop delivering me until I have a mind like yours, let me have deliverance by truth. Lord teach me, show me the truth that I must believe that once I believe them I get delivered in my soul and in my mind everyday. Use everything around me to communicate this truth to me so that I can be free in my mind, once I'm free in my mind, I'll be free in the physical.

### **VERSE 20-21**

⇒. God is never in support of any governmental system that does not promote righteousness, that does not lead the people in the path of justice, whether it is an invisible government or a visible one. We are all under governments, in the church there is leadership, in your country there is leadership, in your place of work there is leadership above you. God wants us to pray for His will to prevail over and within every governmental system. The Kingdom of God wants to reign and rule in your church, workplace, family and country

•Raise up your right hand. Father, let your mighty hand come upon every government and leadership system over my life and bring them in subjection to your will. Mighty hand of God, descend upon every governmental system that is over my life, destiny be it in my workplace, home, family, Church or in my country, let them be brought in subjection to do your will in the name of Jesus. Let them be humbled to obey you and your will in the name of Jesus. Lord let your mighty hand come upon every government and leadership system over me and let your will prevail in all of them now in the name of Jesus.

⇒. There are also invisible governments and most of the nations are controlled by invisible governments. We have a government system in the spiritual world that is

ruling whoever is ruling us here in the physical world. These are powers, principalities, thrones and kingdoms of darkness.

•Raise up your right hand. Father let your mighty hand come up on every invisible, demonic government system that is influencing and controlling my life for evil, let your mighty hand come upon them and crush them. Let your mighty hand come upon every invisible controlling system influencing my life negatively, channeling the affairs of my life against your will, let your mighty hand crush them. Any realm invisible controlling the affairs of my life against the will of God, against righteousness, let them catch fire, let them be destroyed now in the name of Jesus. Every realm invisible, kingdom and personality invisible, controlling the affairs of my life against the direction of God for my life, Father let your mighty hand crush them in pieces and destroy them right now in the name of Jesus. Every demonic influence and control over my life, calling and destiny, let your mighty hand crush them in pieces in the name of Jesus.

⇒. Father let every covenant of darkness in my life authorising the kingdoms of darkness to prevail over me, every covenant of darkness binding my life, legalising the kingdom of darkness to overcome me, let that covenant be broken right now. Every covenant of darkness established in my life, planted in my life, working in my life, making the enemy to overcome me, making the kingdoms of darkness to overcome or defeat me, Lord let that covenant be broken now. Every covenant that was initiated, every covenant happening and working in my life, giving strength to the enemy, giving power to the enemy to oppress me, Lord break that covenant right now. Covenants initiated by my ancestors, covenants initiated before I was born, covenants initiated whilst I was in the womb that are making the kingdoms of darkness stronger than me, Lord let your blood destroy those covenants right now in the name of Jesus.

⇒. God can never be on the side of wicked governments, He is always against them.

•Father, let your government descend upon every government that is against you and destroy them. Every government in the physical or spiritual that is against you, let your government descend upon them and destroy them all. Lord, we want your own government, let it rise and prevail in every area of my life. Let your Kingdom arise and prevail in every area of my life, let every other government be taken down. In my country, my nation let your governance prevail and let every government that is against you be brought down right now in the name of Jesus

## **VERSE 22**

⇒. We cannot be defeated because God is our fortress, our rock where we hide. He is the rock that keeps us safe from the enemy. Any power that wants to touch you, will first touch God, when they want to attack you it's like they're attacking God. No one has ever fought with God and prevailed and we are being hidden inside of God.

•Father take my spirit, soul and body deep inside of you for protection, safety and defence. Lord, you are my fortress, take me deep in you, take my spirit soul and body into the depth of you and let me be untouchable to the enemy. Let me be invincible, indestructible, unconquerable, take me deep into you Father, for I see you as my fortress, for you are my fortress.

⇒. There are places or realms inside of God and we as Christians we are not in the same place in God because some people are deep, some are shallow, others are very deep, some in the deepest places. There's a place in God that when you find yourself in, automatically certain problems or challenges in your life will disappear because being in that realm in God, those problems, challenges and captivities do not exist in that realm of God, they are automatically terminated the moment you enter that realm.

•Father, take me into the deeper realms in you where I will be empowered to fulfill my destiny and calling, as who you created me to be. Take me into the deeper realms in you where I will be empowered to become a terror to the enemy, take me into deeper places in you where no sickness or disease can touch me anymore. Take me into the deeper places in you where I remain forever unconquerable, take me deeper into you.

⇒. Our main aim or business in life is to go deeper into God. That is how we will fulfill destiny, and every other thing will start becoming beautiful and glorious. Without a strong hunger for God, you will consider some 'time' too much to spend in God's presence. But when there is a hunger for God in you, time flies by quickly in His presence.

•Father, I know you love me and you want a deeper relationship with me, put in me a great hunger to search for you, seek for you, to keep looking for you, to keep searching the scriptures looking for you, create in me a deep hunger for you. Lord, put in me a great hunger to know you, to seek you, to keep looking for you till I find you. A great hunger that would take away my focus from things of this world, that will take away my focus from self-centeredness, from seeking pleasures and being able to seek you without stopping. Lord give me such a deep hunger to be in your presence for many hours because I want to know you.

⇒. Most of us are polluted because of the things we eat, the things we watch, the things we hear and the purpose of that pollution is to make you lose your originality and change you into something, that is why we are having a lot of fake people right now. What God created us with, the devil has destroyed or polluted those things through pollution, through darkness. The pollution from the kingdom of darkness is killing all the virtues God put in us. It is destroying so many things in our lives and making people addicted to sin, it's making it difficult for us to have self control. That is why some people cannot think straight, others cannot make a decision to do something. This is the time we as Christians have to search for God, to get deep in God otherwise we may not make heaven because we are so polluted. We are no

longer ourselves anymore and that is the main agenda of the enemy, for us to be like Satan in speech, thought and action. They are controlling us through that pollution, if you can get deep into God, the pollution will die and the life in God will bring us back to life.

•Father, fill me with a deep hunger for you so that nothing gets my attention except you, a deep hunger for you that nothing interests me other than you. Father this is how I will make heaven, fill me with a deep hunger for heaven such that nothing makes sense if it is not you, such that nothing gets my attention if it's not connected to you. Father give me a deep hunger for you, fill me with deep hunger for you Lord.

⇒. Father let your power begin to confront every power of darkness that is after me, let fire begin to fight every power of darkness that is after my life, let your power attack them. You are my Father, you are my fortress, let every power of darkness see you as they are coming to attack me, let every witchcraft coming after me encounter you and face your power and die. Let them collide with you and die. Every serpent, scorpion, witchcraft, demon, marine spirit, devil, principalities, powers, rulers of darkness that are coming after me, Lord as they're coming after me, let them collide with you and die. Every python spirit, as they're coming after me, let them meet you and die suddenly, let them meet with you and roast with fire for you are a consuming fire.

⇒. Place your right hand on your head. Father, set traps of destruction for every personality of darkness attacking me, let them fall into your traps and die. Oh God of Israel, set traps for every power of darkness, personality of darkness, creature of darkness, entities of darkness attacking me, Lord set traps of destruction for them and let them begin to fall into them, let them fall into those traps and die in the name of Jesus.

⇒. When God is your fortress, it doesn't mean you are on the defensive side alone, but you're also on the offensive side in the battle. Defensive side means you're not fighting, you are just hiding somewhere and no power or arrow can touch you. When you are fighting from the offensive side you are still inside of God doing the fight. When God is your fortress it means whenever you rise to fight, it is God fighting, it means every time you are fighting spiritual battles, it is not you fighting alone but God fighting in and through you.

•Father, equip me with strength, wisdom and faith to fight every battle in the fullness of you and with the fullness of you. Father fill me with wisdom and strength to be able to fight with the fullness of you, give me that wisdom and strength and faith to be able to wage war as though I am God, to be able to fight in the fullness of the power of God, to be able to fight the enemy with the fullness of you. Lord give me the strength and ability to fight with such power, such that when the enemy sees me they see you. Give me the ability to do warfare with the fullness of you and in the fullness of you.

⇒. Pray with heaven in mind, fight from heaven. I believe Christians are supposed to fight from the heavenly dimension not from the earthly dimension. It is not only you fighting the battles in your life. God loves you so much and He will not leave you alone to fight alone in battles. You need to agree with the fact that Jesus is fighting with you and when you are fighting you must see yourself doing it from heaven and you must see yourself fighting with all the forces of God in heaven on your side. Always remember that whenever you're doing spiritual warfare, you're not doing it alone but you are doing it from heaven and all the forces of heaven are with you that very moment

•Father, fill me with a divine conscience of who I am in you and where I am in you so that I can see great victories in the battles of life. Lord, fill me with the consciousness of a son of God, of a divine personality that I am, more than a human being, fill me with the consciousness of what is available in me, of the level of power that is available unto me, the level of authority available unto me. Fill me with the consciousness of what I am in you, that I am in heaven, seated in heavenly places with you, let me live my life with that consciousness, let me pray with that consciousness, let me do all with that consciousness.

⇒. Some Christians money has captured and enslaved them, some have been enslaved by sex, others by pride. All these entities of darkness carry the power to capture people. It is possible when you look at yourself, you can feel like you are ok physically or spiritually though you could be trapped in many realms by many things, even physical things. You can be trapped by anger, pride, bitterness or money. When you are trapped by certain things, it means the devil can always use whatever has enslaved you to do his will in your life. The devil can use that thing to carry you out of the will of God, to lead you out of God, so that you become an enemy of God. A Christian should not be enslaved by anything, either by sex, emotions, pleasure, money or the love of anything, because that thing will make you vulnerable and no breakthroughs will happen despite your many prayers because you're trapped.

•Father, deliver me from every realm of darkness where I have been trapped, deliver me from every element of darkness that has trapped me so that I can live a life of victory. Lord deliver me from whatever has trapped me, be it physically or spiritually, visible or invisible, from every realm that has trapped me, making my victory and deliverance so impossible, Lord deliver me now by your mighty hands. Deliver me from myself, deliver me from everything that has trapped me, from every realm of darkness that has enslaved me, release me right now by your power because I want to live a life of victory. Deliver me from whatever has trapped me, release me Father that I may live and walk in victory, thank you Father, Amen.

## **CLOSING PRAYER**

Raise up your right hand.

Father, we thank you for who you are in our lives and we thank you for where we are in you, thank you for where we can be in you. We thank you for all that you have made accessible for us in you, all the signs and wonders, mighty miracles, increase, strength and glory that you have made accessible unto us. Victory, healing and deliverance are all inside of you and you have made them all available to us. Thank you for this great privilege and provision I, God be glorified forever in Jesus' name.

Lord, I stand as your servant to pray for your people and I ask that whatsoever you have not planted in their lives, whether it came into their lives through eating and drinking, sexual intercourse, ungodly relationships and friendships, whether it came true through their errors, mistakes or sins, Lord I ask that anything you have not planted in their lives, let them come out right now in the name of Jesus. Whatever God has not planted in your body, soul and spirit, let the fire of the Holy Ghost uproot them now in the name of Jesus.

Right now, I decree that the power of God come upon you and release you from every captivity of darkness. I decree that the power of Jesus, the power of the Holy Ghost touch you right now, let the power of the Holy Ghost hit you right now and release you from every realm of darkness where you have been trapped, visible or invisible. I decree that you are released now in the name of Jesus.

I prophesy over your life and I say rise into greatness, rise to success, glory, victory, prosperity, abundance of riches and wealth, rise now into the place God has prepared for you, rise now in the name of Jesus.

As many of you that need healing, receive your healing now in the name of Jesus. Receive healing in every organ that is affected in your body, every organ that is not working well in your body, receive divine healing now in the name of Jesus. Thank you Father because we know you have answered, blessed be your Holy Name. In Jesus' powerful name we have prayed, Amen.

#### **PSALMS 24**

⇒. God has full ownership and legal possession of the whole earth, He owns everything that is in the earth whether it is humans, animals, invisible or visible, everything that exists on the earth, God owns them and rules over them all.  
•Father, according to your power and authority over the earth and all that is in the earth, let my life move forward. Use the authority you have over the earth and everything in it to move me forward in all areas of my life. According to your authority, move my life, my career, business, marriage, and calling forward. By the reason of your dominion, authority and Lordship and all that you are over the earth, Lord let me begin to experience progress in all areas of my life. Lord, according to the power by which your rule over everything on earth, Lord move my life forward on every side.

⇒. The earth and everything in the earth belongs to the Lord, it does not belong to Satan or the kingdom of darkness. If Satan happens to be in charge or in control over certain things in the earth, God also controls everything that the devil controls. If the devil is controlling money, God also controls money, if the devil controls people, God also controls them. God is above everything and rules over everything.  
•Father by the reason of your authority, ownership and Lordship in the earth, let me never lack any good thing that I need to become who you have set me to become in this earth. Let my life be full of blessings in everything I need to fulfil destiny. Fill my life with everything I need, abundance of riches and wealth, help, helpers because you own everything, you know everything that I need for me to become the person you want me to become, Lord let my life lack nothing good in the name of Jesus.

⇒. Lord teach us to accept that you are the one in charge of the whole earth, you are in charge and you are the one who controls everything going on among men.

Help me to recognise your presence, to welcome your governance over this world and be able to hand over the affairs of this world unto you. Help me Lord to be able to bring down your glory and power in the midst of the people. Help me Father be able to turn the people of the world to you, to lead the people in the world to you and your Kingdom. Help me to accept and agree that the world does not belong to the devil. Help me to accept and believe that the world belongs to you and that you are the one in charge and in control not satan. Help me to live with this mind, to walk on earth with this mind, help me to live by this truth.

⇒. There is nothing going on among man, organisations, governments, families that God is not aware of; He sees everything. All the systems of the world are before the eyes of the Lord and God has something to do with it, He has His will to perform. In every situation there's a will of God, even for everything going on in your country.

- Father, make my life an instrument by which your will will be done, make my voice, my mind an instrument by which your will will prevail in the world and every system in all places and everywhere in the world, in every organisation and sector. Lord, let me be your messenger, your ambassador, your weapon, the one you will use to carry out your will on earth. Lord, my life is available, I want to be a vessel and instrument that will be used to carry out your will in the world, in the systems of the world.

⇒. The Bible says Satan is the god of this world. This title is not a title for legal ownership or control of the world. He is the god of the world because he is the god people have chosen to serve. That's how he became their god. That title is according to people's choice not according to spiritual ordination or divine authority. He is never the ruler of the world but he will always be the god of the world because people have chosen to serve him. Satan is not the one in control or in charge

- Lord Jesus, I acknowledge that you are the owner and the ruler of the earth, let your will prevail and let not the will of the enemy prevail in my life. Lord, I acknowledge that you are the ruler, you are the Lord of all the earth, you are the ruler of all the systems of the world, I acknowledge that you are above all and no one is above you, I acknowledge that the earth is yours, the world is yours, Lord let your will prevail over my life and let not the will of the enemy prevail. Lord, let not the will of the kingdoms of the darkness prevail, let not the agendas of the kingdoms of the world prevail concerning my life and destiny but let only your will prevail, for my life is yours, my destiny is yours, it is not the devil's, therefore let only your will prevail in my life from this hour henceforth. I acknowledge that you own the earth, you own the whole world.

⇒. Everything that the devil has today, he stole it despite him having them for centuries and many years. When you give yourself to sin, you become vulnerable for the devil to come in and steal and destroy and kill. I believe the devil has stolen a lot of things from you that way.

•Father, I surrender to your Lordship, I submit to your Lordship, let everything that the devil has stolen from my life come back to me, let them be restored in the name of Jesus. Every good thing, every virtue, strength, knowledge, whatever the enemy has taken away from me, Lord by your power restore them to me. Father whatever I have lost through a lifestyle of sin, while I am in darkness, whatever I have lost to the kingdom of darkness while I embraced darkness or when I was weak and full of the flesh, through unrighteousness and disobedience, Father in your mercy restore them to me. Everything the enemy has stolen from me and they are claiming ownership over those things, Father arise and fight for me, arise and defend me and bring them back to me in the name of Jesus. Father, restore to me everything the enemy has stolen because they belong to me not to them, everything belongs to you, Father let them be recovered and let there be restoration of them all. My strength, my help, my faith that the enemy has stolen, the fire that I have lost, the grace I have lost, Father let there be restoration according to your mercy.

⇒. If the whole world today decided to serve the Lord Jesus, the devil will be completely taken out of the systems of this world and no devil can do anything about it and God will come down and take over because initially He is the One in charge. If we choose to serve Him, we will see His power, His glory, victory, dominion and greatness.

•Father in whatever I am doing ignorantly that means that I'm serving satan and not you Father, deliver me from such things. Father, anything I am doing with my body, wearing on my body that shows that I am serving satan and not the God of Israel, Lord let such things stop in my life. Everything I am doing with my mouth, with my mind, doing in my relationships with people, that means that I am serving the devil and not God, Lord, let it stop in my life. I repent of such things because I want to serve you and not the god of this world. Deliver me from whatever I am doing that has made me a worshipper of the devil, whether I know it or I do not know it, Lord deliver me now in the name of Jesus.

⇒. There's a great battle going on in this world. The Kingdom of God wants to rule because the world belongs to the Lord, and the kingdom of darkness wants to rule because they feel like they are the people's choice. The Kingdom of God wants to rule because legally God is the ruler and owner of all the world. We are in the midst of a very tough battle. The soul is in the middle of two forces that want to claim it for themselves. You are in the midst of a very strong and powerful warfare, so this is not a time to be weak but it is a time to be strong, it's a time to choose life and remain in life.

•Father, strengthen me to be victorious in this end time battle for my soul, strengthen me to overcome the battles of the enemy over my soul, let me not be defeated by the darkness of these kingdoms. Lord I refuse to be defeated by the darkness of this age, strengthen my soul, my spirit and mind to be victorious now in the name of Jesus. Lord, I know that I am in the midst of a strong battle and the enemy wants my soul, Father, strengthen me to stand in truth, in righteousness and in faith.

Strengthen me to embrace life eternal, strengthen me oh Lord to stand and win in this battle. Lord do not allow me to be defeated, strengthen my soul for victory, strengthen my spirit, make me victorious in the name of Jesus.

⇒. Father, give me the eyes that see your glory in the earth, eyes that see what you're doing, that see the operation of your Kingdom on earth so that I can turn the world back to you. Give me the eyes that see where you are in the world, in the ways of man, that see your glory in the affairs of men so that I can represent you in the midst of the people. Father give me the mind that sees that the world is filled with your glory, give me the eyes that sees the glory that has filled the earth, give me such eyes. Give me such a mind that sees and acknowledges your place in the world, that acknowledges your dominion in the world, the eyes that sees and acknowledges your dominion and operations going on in the earth, operations going in the lives of the people I see on a daily basis. I don't want to see what the devil is doing but what you are doing so that I can turn people back to you.

⇒. God is not trying to overcome the world because He already overcame the world. The way we relate with things on this earth must be right. We need to see the world as a system that is under God's dominion because He has already prevailed over all systems of the world. Whether it is the hospital system, financial system or political sector, God has already overcome and overthrown them. God gave Jesus the name above all names and has already overcome the world because every knee shall bow to Jesus. We already have this victory on earth and we have to operate from this realm of victory. We need to change the way we pray and start praying according to the victory that God already has over this world, not trying to tell God to have victory that He already has. We have to enforce that victory that He already has. In that realm there is no defeat because the devil, sickness and disease; witchcraft, principalities and powers are all dead because they cannot operate in that realm. That realm controls everything on earth.

•Father, expose me to the realm of your victory, launch me into the realm of your victory where you have overcome the world. It may look in the physical as if the devil has overcome but in that realm of victory, it is sure that the devil has lost in that realm and he is not the one who won but you are the one who prevailed in that realm. Lord, I want to live in that realm, I want to operate in that realm, where everything in this world has been defeated, take me Lord into the realm of your victory that is in this world. Lord take me into the realm of your victory that is in the world, let me begin to function in that realm. When I pray, let me pray in the realm of victory. Let me see the wonders of your victory on the earth. Lord merge my spirit, soul and body into the realm of your victory in the earth.

⇒. Thy Kingdom come, this does not mean that the Kingdom of God falls from heaven into the earth. The Kingdom of God comes on earth by enveloping and subduing the earth. See the Kingdom of God as a great bucket and see the earth as a grain of sand inside the big bucket (Isaiah 40). That is how the Kingdom of God

has overthrown the world. So when we say the Kingdom of God comes, it's not like we are expecting God to come into a grain of sand, the whole world is too small for God to come inside it. We need to begin to operate in the reality of the Kingdom of God in the earth and stop seeing this world as it is appearing to us.

•Father, let my spirit, soul and body receive revival that will awaken me to the realities of your Kingdom in this world. Revive me now oh Lord Jesus and let me begin to operate in the realities of your Kingdom on earth, let me begin to operate face-to-face with the realities of your Kingdom and dominion on earth, with your victory over the earth, to operate with your rulership and control over the earth. Lord, I want to operate in that realm, let me be revived and I will walk into the presence of heaven on earth.

⇒. The higher your faith, the higher the power you will command in the place of prayer. How will your faith command great power if your mind is deceived? Your faith will not be able to command great power if your mind does not line up with the reality of the Kingdom of God. Until something happens with our minds, we might not be able to engage with certain realms in God's Kingdom. And it is important that we begin to pray from these realms so that we can have real victory. You are not supposed to pray from the earth realm but from heaven.

•Father, let the understanding that is in you take root in me, take root in my mind and let it control my life. The understanding in you, let it become my understanding and let it control my lifestyle, let it control how I see things, how I speak and let me be filled with divine understanding. Lord let the same understanding that is in you be rooted in me and let it control how I think, how I see things, how I pray. Let the understanding that is in your Kingdom become my understanding let me have the understanding of who I am in your Kingdom and the understanding of who you are in the earth. Let such an understanding be revealed to me and let me be able to operate with this understanding, let me live and pray with this understanding in the name of Jesus.

⇒. You cannot pray the prayers that the apostles prayed back in the day that shook the ground and changed nations if you are not changed or transformed. A change must happen to the way you think, the way you see things and the way you live your life, that is when you will start seeing yourself praying prayers that will shake the heavens and the earth.

•Father, every lie I have believed that is affecting my manifestation in glory, power and authority, whatever lie I have believed that is limiting how much of God's Kingdom and power I have seen and witnessed, Father, deliver me from such lies and belief and let your truth prevail. Whatever lie and teaching that I have embraced that is affecting my manifestation in destiny, my manifesting in power and authority, Lord, deliver me from those lies in the name of Jesus. Let me be perfectly enlightened so that I can begin to operate in the realms of heaven on earth, help me Father so that I can begin to be enlightened to operate in the realms of your Kingdom on earth. Deliver me by your truth from every lie.

⇒. The whole world belongs to God and if the whole world is bad and evil it is because we have allowed it. When the world is good and peaceful, it is the people in the world that have allowed it. Anything in the world is not constant, nothing in this world is permanent or constant even if the doctor says it's constant, that is not true for nothing in this world is permanent. We Christians are the ones who will determine what the world will look like by handing over the system of the world to the owner not by serving the devil. We are the ones who gave the world to the devil and we are the ones who can take it back and hand it over to God. God is here on earth waiting for people to welcome Him, to call Him into situations so that He can take over. Christians have the power to change the world because the world belongs to our God.

•Father, place upon me an anointing that would enforce what you're doing, your glory and authority in the earth, an anointing that will command your dominion, that would enforce and enthrone your dominion in all the earth. Let the anointing that executes divine authority on earth fall upon me, anointing to establish the dominion of heaven on earth, anointing to enforce the dominion of God's Kingdom on earth, Father put upon me the grace and anointing right now in the name of Jesus. Father the anointing to enforce dominion, power and authority over every situation on earth, Lord let that anointing possess me, let it rest upon me. Anointing to enforce your dominion over sickness and disease, witchcraft, over powers of darkness, over every sector of the world, over principalities; anointing to enforce your dominion over them all.

⇒. Nothing in this world is constant except it is the will of God, anything can be changed. If you think the Coronavirus, world rulers have come to stay, you have believed a lie because it is not true. The only thing that is constant and will remain is what we allow because whatever we bind on earth shall be bound in heaven, whatever we loose in heaven shall be loosed in heaven, so if we allow it then it shall stay. If we disallow it because it is not the will of God then it cannot stay.

•Father, I refuse and reject the operations of darkness going on in my life and environment. Let the power of your kingdom destroy them all right now. Lord every operation and activity of the devil, activity of the devil, operation of the devil going on in my life, environment, country or nation, I reject them, I refuse them, Lord let your power consume them now. Every activity of demons, evil rulers, of darkness, evil rulers, Satan; every operation, agenda and plan of the enemy going on in my life and in the world system, I reject them, Father let your power consume them now in the name of Jesus. I refuse them, I disagree with them, I refuse whatever the enemy is doing, I reject them in the name of Jesus, let the power of God destroy them all.

⇒. The Lord told me earlier that anything that is not in His mind or His will even if it is physical on earth and it is prospering, is not real because He can end it, that thing has not come to stay because it is not in His mind therefore it cannot stay. Whatever is not in the mind of God that He does not agree with, that which He's not the one

who has approved it or done it, is not real because it can be put to an end. As far as God is concerned that thing exists because of the devil who is busy doing those things. He said he's not real because He will end it if we ask Him to.

•Father whatsoever is happening in my life that is not your mind that you have not approved, you are not the one behind it, Lord end it now in the name of Jesus.

Anything going on in my life and situation that is not in your mind, Father let it end just as you said they are not real because they are not according to your will, you did not create them therefore let them die right now. Whatever is happening to me in my finances, spiritual life, prayer life, marriage, career, business, whatever is happening in every area of my life that is not in your mind, oh God Father, let it end now.

⇒. I have learnt that the mind of God is the creator of all things, the creator of all realities. Everything that you can see visible or invisible, it's the mind of God that set them in motion. Before God spoke the world in existence, it already existed in His mind. How things will look like, was like a blueprint was already living in His mind before it came into existence. Before anything was created, it was first of all conceived in the mind of God and everything that was created is still being monitored and controlled by the mind of God. So this means that in the mind of God is where things are shifted. If God is going to change something or reform something, that transformation will start from His mind. As we connect with His mind, that is when we will see our lives transformed because our lives came out of His mind. Before you were born, you existed in God's mind for billions of years, we all came out of his mind. As we connect with His mind, that is when our lives begin to look like the picture He has in His mind. God is still doing creative operations even now because He knows that the kingdom of darkness has damaged a lot of things and lives.

•Place your right hand on your head. Father, change my life, transform my life, recreate my life to become as it is in your mind, to become what you want me to be, what I am in your mind. Change your mind and recreate my life to what you want it to. Lord, I welcome your mind for me, for my life. I connect to your mind for my life, let my life begin to transform now according to what is in your mind, Lord let it be in the name of Jesus. Let there be recreation, transformation; everything that is dead, deformed and destroyed oh God begin to recreate them now. Everything that is dead, let it come back to life, whatever is sick let it be healed.

⇒. If you want to see the transformation in the lives of people or in our lives, we should have the same mind as God's. The mind of God is the womb before creation, that is why He spoke them out and they began to form. We need to have the same mind as God and be able to speak the way God speaks but it is impossible if the Spirit of God does not help you because it is the Spirit of God that will communicate the mind of God to our minds, that will connect our mind to the database of God's mind. Naturally we cannot think like God but the Holy Spirit can connect us to the mind of God.

•Father, let your Spirit work in me to upgrade my mind to the realms of your mind, to align my mind to the realm of your mind so that I can be able to embrace your

creative power, to wield your creative power. Father, let my mind be keyed to your mind and let me begin to speak as you speak, think as you think, let there be an upgrade in my mind. Everything that is in your mind for me, let me be able to speak them into existence. Everything that is in your mind for the people, everything in your mind for the nations, let me be able to speak them into existence. Lord let my mind be upgraded to align with your mind, to merge with your mind, to agree and flow with your mind in the name of Jesus.

⇒. Everything, everyone, every system in the world belongs to God and God wants to have control and rule over them all, He wants to have His place in everything. He wants to be God on the earth and have His way. So many people have taken Him out of that position, we are going to summon Him or call Him to take His place in the earth.

•Raise up your right hand. Oh God of Israel, I acknowledge that your presence and Kingdom is in the earth, arise oh God to take your position, arise to take your place, to take your position whether the people like it or not, whether nations agree or not, Lord arise and take your place and take your position in all the earth. Oh God of Israel, I acknowledge your place in the Kingdom in the earth, the world belongs to you, therefore take your place. Arise, take your position and your place, whether the rulers of the world allow you or not, whether the nations permit you or not, whether they agree or not, Lord arise and show the world and nations that you are the God of all the earth. Arise and subdue darkness and all your enemies, arise and manifest your glory, arise and let everyone know that the world is under your feet in the name of Jesus, arise glorify yourself in the earth.

⇒. Heaven has prevailed so much in this earth and everything that is going on in this earth such that there's nothing that has not been taken over by the Kingdom of God. Are we as Christians seeing that this world is already defeated by God and that we are not supposed to be oppressed anymore, or to be slaves to sin, demons, slaves to sickness or the dark kingdom. You need to pray with the understanding that the world is defeated and all the ruling powers of the world are defeated. You will see your environment changing. Whenever I pray with such an understanding, I always find myself in such a glory that is so strong because there's nothing impossible in that glory. The problem is not God but we are the ones without faith. We are our own limitations because God already solved our problems; our problems remain because we have not embraced the Kingdom of God as it is.

•Father, help me to live my life by the laws of your Kingdom so that I can witness the glory of your Kingdom, so that I can witness the victory of your Kingdom. Father help me to obey the laws that govern your Kingdom, help me to live by those laws for I know that is how to witness the glory of God on earth. Help me to live a repentant life, a humble life, help me to be obedient, help me to have the kind of heart that will please you. Help me to live according to the laws that God defines your Kingdom so that I will be going to enjoy victory on earth in the name of Jesus.

⇒. Father, let your strength replace my strength, let your strength take over my strength so that I can see your glory and walk in victory. Lord let me begin to operate in the realm of your strength, Lord destroy my weaknesses and take over my strength in the name of Jesus. Let my strength become like your strength, from now on let me do things by your strength not by my strength, for your strength cannot be weak, tired or discouraged. Lord I want to walk in your strength so that I can walk in victories, let your strength take over my strength.

⇒. The reason why we have not seen much of the wonders of God is because we are people who give up easily on God. You need a strength that can not give up, that is persistent, a strength that cannot take a no for an answer until there is a victory.

•Father, baptise me with supernatural strength that does not give up, supernatural strength that does not take no for an answer, strength that is persistent in faith and in prayer until there is a way, until there are results, Lord baptise me with such a strength. Lord help me to be fervent, persistent, consistent in prayer, fasting, faith, in seeking you till I see great results in my life, career, marriage and destiny. Lord help me to be persistent, give me a kind of strength that does not give up or get tired, give me such a strength because I want to see your glory, strength and power at work in my life.

⇒. It now appears as if there's no place for good in the world and there is a great place for evil in the world. It is because the children of light or the sons of God have not risen to take their position. This has led to the success of the devil, we are at fault because we have allowed it. If we refuse evil, even as individuals in our environment, evil will not prevail. Behind every sin, there is a demon and a principality, so if there is a particular sin prevailing in your environment it's because you are not fighting the powers behind that sin.

•I come against every power, princes and darkness sponsoring evil things in my environment, in my life, let the anger of God consume them right now. I come against every power and territorial demon sponsoring evil, captivity, oppressions, slavery in my environment and in my community, let the fire of the Holy Ghost consume them now. I come against every power, princes of darkness sponsoring witchcraft, sponsoring evils, sponsoring false religion and false churches, let fire consume them now, let the anger of God consume them right now in the name of Jesus.

⇒. Place your right hand on your head. Father, ignite a great fire in my spirit, stir up a great fire in my spirit such a fire that would bring down powers of darkness, such a fire that would destroy the works of darkness, such a fire that would put an end to the operations of Satan and his host. Father, such a fire that will destroy the darkness of this world, let it begin to burn in my spirit. Fire that destroys every yoke of darkness, fire that puts a stop to the flow of evil, fire that controls the times and seasons to agree with the will of God, fire that silences the voices of the enemy. Fire that destroys witchcraft operations, fire that makes the will of God to prevail on earth, Father let such a fire begin to burn in my life. Lord put such a fire in me that can

never be defeated, fire that witch doctors cannot defeat, witchcraft cannot defeat. Put a fire in me that no devil can overcome, fire that breaks in pieces chains of captivity of the enemy. Lord put such a fire in my spirit, Lord I need fire that cannot be defeated, fire that cannot be oppressed, fire that would authorise the performance of the will of God on earth, put such a fire in me oh Lord, thank you Lord in Jesus' mighty name, Amen.

NB:Remember I said the earth and its fullness belongs to the Lord, the world and they that dwell therein. Never forget that, let it always be in your mind from today that the world is God's property and that God is in charge not the devil. Let it always be in your mind and pray with that understanding always, pray with the understanding that the Kingdom of God has already defeated the whole world.

## CLOSING PRAYER

Father, we thank you because you are a faithful God. We thank you Lord because you love us so much and you want us to be perfected all the way. You desire perfection in every area of our lives, how we think and speak, how we live our lives, our dressing and behaviour, even if in our ministries you want perfection. Thank you for showing us the possibility of walking in this perfection and for showing us how to represent you and your Kingdom on earth, thank you Father be glorified forever in Jesus' name.

Father these are your people and they have believed with me that your Kingdom has already prevailed over the kingdoms of this world. They have agreed with me that your Kingdom has taken over everything in this world, therefore Lord I ask that what ever looks like oppressions, sicknesses, slavery, diseases, suffering that is from the enemy in their lives, whatever looks like defeat in their lives, Lord I ask that you manifest your victories in everyone's life, everyone under my voice and reading this publication right now. Let everything that is troubling their lives disappear forever in the name of Jesus.

I pray that everything that cannot be found in the mind of God, everything that contradicts the will of God for your life and they seem to be taking root and gaining ground in your life, I decree by the authority of heaven, let an end come to those things right now in the name of Jesus.

I decree that you are victorious over powers, devils, serpents, scorpions and curses. I decree that you are victorious right now over curses, spells, enchantments, you are victorious over them all right now in the name of Jesus because you are connected to this anointing. Every yoke of slavery the enemy has placed upon your life, the enemy has hung up on your life, I decree that they are broken right now in the name

of Jesus. Every cage that the enemy has placed upon your life, calling, destiny and they don't want you to manifest, I decree with the authority of the Most High, let that cage break by fire and let your life, calling and destiny be released by fire to manifestation right now in the name of Jesus.

Your understanding shall be enlightened from this hour henceforth with the light of the Lord, with the light of the glory of God, with the light in the Kingdom of God. Your understanding shall be enlightened and you shall no longer become a slave to the enemy but you shall now rule over your oppressors, you shall rule over Satan and his host from now henceforth in the name of Jesus. Thank you father because we know you have answered.

In those realms that the Lord has already given you victory, you shall not be defeated anymore, even if it appears as if you are not seeing the victory of God in those situations you're passing through, let the hand of God show you the victory of the Lord and as you see the victory of the Lord, receive strength to attain that victory right now in the name of Jesus. Thank you Father because we know you have answered, blessed be your Holy Name. In Jesus' mighty name we have prayed Amen.

## **PRAYER POINTS**

⇒. Father, I thank you for your love, grace and mercy that is so much upon my life. Ancient of days, I say thank you for your love that is so much upon me, your mercy

so much upon me and your grace so much upon me Lord. Lord thank you because I have everything I need because of your presence, because of your love and your mercy and grace. Thank you Father, I am not confused, deceived or a slave because you have blessed me with your glory and your presence. You have given me your light, your truth, your Word and revelations. Thank you for all you have lavishly poured out upon me.

⇒. Father, let the fear of you prevail in my heart and mind, in my decisions, in my thoughts and imagination. In all the days of my life let your fear rule. Lord let your fear prevail in my life, I know a lot of things are battling with your fear in my life but Lord I surrender to you, let your fear prevail in my thoughts, my decisions, actions, imaginations and in everything I do and say. In my conversations, my relationship with people and in everything I do, let your fear prevail in them all, for I acknowledge as it is written in the scriptures that the fear of the Lord is the beginning of wisdom. Lord, I have knowledge but the fear of you is the beginning of knowing you, it is the beginning of loving you, the beginning of having eternal life. I know that your fear is the key to all that is in you, Lord I want to live with the fear of you, I want to have the fear of you. Lord give me the fear of you, let your fear prevail in my spirit, soul and body. **\*Every spirit fighting the fear of God in your heart, I decree right now that the fire of God arrest and destroy them in the name of Jesus. Every demon, spirit that is killing the fear of God in your mind and heart, let such a spirit catch fire now in the name of Jesus.**

⇒. Father, make my heart humble and obedient to all your instructions and commandments. You say in the scriptures you will give us the heart of flesh, you will take away the stony hearts and give us a new heart and a new spirit, Lord I want to be a partaker of a new heart and a new spirit. I want to be a partaker of the fulfilment of that promise you made in the scriptures, Lord let my heart be humble and obedient to serve you, to please you, honour you and do all your will. Make my heart soft and flexible enough to yield to your will, leading and direction.

⇒. The Lord is telling me that some of you whenever the devil brings situations and challenges in your life, you suddenly forget that God loves you and that He's present with you. You forget that the power of God is above that situation.

•Place your right hand on your head. In the name of Jesus, I come against every attack of the enemy blocking my mind and senses from acknowledging the faithfulness of God in the midst of my situations, let the fire of the Holy Ghost consume such attacks and let them be destroyed. I come against every demonic attack that is blocking my mind from acknowledging the faithfulness of God in the midst of my situation, let the fire of God consume them now. Every darkness in my brain, in my mind causing me to forget God in the midst of situations of life, let fire consume such darkness. Every darkness causing me to reject God's presence in the midst of situations, let fire consume them now in the name of Jesus.

⇒. The kingdom of darkness wants to turn the world into a generation of mad people. People who do not have control over their minds, senses, decisions and choices. That is what the kingdom of darkness is doing, what the kingdom of the antiChrist is after, to turn everyone into robots, people who cannot live the lives they want.

•Raise up your right hand. I come against every influence of darkness from the second heaven, from the earth and under the earth controlling the affairs of my life against the will of God, let the fire of God destroy them. Every influence of darkness, power of darkness, witchcraft, evil from the second heaven, from the earth and under the earth, from under the sea that is coming into my life to take control over the affairs of my life, let the anger of God to destroy them right now in the name of Jesus. Every demonic influence attacking me to take full control over my body, soul and spirit, catch fire in the name of Jesus. Every witchcraft influence, witch, marine spirit influence, demonic influence from the second heaven working to take full control over my life and destiny, let fire consume them now in the name of Jesus.

⇒. This is not the time for Christians to joke with prayers because the level of darkness attacking us is greater than the one which was attacking 10 or 20 years ago or in the days of the apostles. The darkness in our times is very great, it is so thick contending with our souls and fighting us.

•Father, let my love for you be revived, let my love never wax cold at this time, anything that is putting coldness in my love for you, let it die. Anything that is taking my love for you, let it die. Father let my love for you receive revival in the name of Jesus. Let me love you like I used to before, even to love you more than I have ever loved you. Anything and everything that is making my love to grow cold, Father kill it now, let the fire of the Holy Ghost destroy them. Whatever is bringing coldness into my love for the Lord, die by fire in the name of Jesus. Whatever is making my love for God grow weak and cold, die by fire in the name of Jesus, let my love for God receive revival in Jesus' name.

⇒. We are dealing with a greater darkness that didn't suffice some 20 years ago but is sure attacking us now. Some years ago, a Christian would decide they would want to live for God, make certain decisions and in those days, they would be committed and faithful to those decisions but nowadays it is very difficult for Christians to make good decisions and stick to them. It's not like we don't want to please God, it's just that we can't despite knowing what is right. This is because we are under a very heavy attack from the kingdom of darkness. Most are trying but are not prevailing, some have given up and feel they can't do it. It is possible to do what you have decided by the grace of God, all you have to do is ask God. Even though we are under great attacks from the kingdom of darkness, God is greater than that darkness and all the forces of darkness, so we need to put our faith in the greatness of God.

•Father, help me to put my faith in the greatness of you and not be controlled by the strength of darkness attacking me. Help me to believe in the greatness of you and not in the greatness of darkness. Father, help me to put my faith continually in your

greatness, help me not to be controlled by the strength of sin, or strength of darkness. Help me to trust in your greatness, help me Father.

⇒. Some of us have been afflicted by the enemy and some are thinking or asking where God is, whilst the devil's do all this. But God is saying do not consider the strength of the enemy, believe in the greatness of who I am. Even when it appears as if you're defeated, you are not defeated because I am with you, that is what God is saying.

•Father, let your power manifest in the midst of my darkness and weakness and let me be lifted above them all. Father let your power manifest in the midst of my weakness, afflictions, poverty, sorrow and let me be raised above them all in the name of Jesus. Lord, I know you are the most powerful and I believe in the greatness of you. I believe you are greater than the enemy, you are stronger than darkness, therefore manifest your power in the midst of my darkness, pain, disease, and negative situations, in the midst of my failures. Manifest your power and raise me up above the darkness, above all that is going on in my life for you are above them all and you can raise me above them all. Put me above sicknesses, weakness, pain, addictions, suffering and affliction, Lord raise me above them all because you are above them.

#### **PSALMS 24:1**

⇒. Lord Jesus,, let your strength break in pieces every stronghold of kingdoms of darkness oppressing my life. Stronghold of princes of darkness, rulers of darkness, strongholds of powers of darkness, let them be broken in my life. Every stronghold of the kingdom of darkness ruling over my life, oppressing my destiny, marriage, career, business, Father let your strength consume them, let your strength break them in pieces.

⇒. Establishments of darkness that make them prevail over you, those are the strongholds. Some of these strongholds could be in your attitude, habit, nature, mind or in the people you are surrounded with.

•Father, let your fire destroy every negative influence, the system this world has over my life, the influence the world system has over my soul, life, calling and destiny, let your fire destroy them right now. Every influence the systems of this world have over my soul, break by fire. Every hold the things of this world has over my soul, every controlling influence prevailing, strength the systems of this world has over my soul, calling and destiny, break by fire. Father break them by fire in Jesus' name.

⇒. There's a great pull drawing billions out of the light and righteousness into the kingdom of darkness. That pull is the same as the gate of hell Jesus mentioned in the scriptures. Gates of hell are systems going on that are pulling out everyone out of the truth and light.

•Place your right hand on your head. Father, empower me with yourself, with the fullness of you, and let not the gates of hell prevail over my soul, let me not be pulled out of your love, out of your in real presence. Lord, empower me with the fullness of who you are and let me not be pulled by the gates of hell, let me not be pulled out of you, let me not be pulled out of your kingdom, your presence, light, ways and righteousness. Empower me with yourself, empower my spirit, my soul, and body and let not the gates of hell prevail over my soul.

⇒. Raise up your right hand. In the name of Jesus, I release fire into every coven of darkness where evil is being projected into my spirit, soul and body, I release fire into every witchcraft coven, marine kingdom coven where evil is being transferred into my spirit, soul and body, let fire consume them. I release fire of the Holy Ghost into every demonic coven, demonic hideout, demonic realm where evil is being projected, transmitted and transferred into my life, spirit, soul and body, I release fire, let fire consume them right now in the name of Jesus.

⇒. The Lord is showing me that there are covens, kingdoms of darkness that have been interacting with your spirit. Whether you are sleeping or awake, they're always sending something into your life, into you. God wants to shut down that transmission or connection.

•In the name of Jesus, I call upon the blood of Jesus to destroy and permanently shut down every connection, portal or channel through which evil is flowing into my life from demonic realms, demonic connections, let such connections be shut down by fire, let search portals be shut down by fire, let the blood of Jesus shut them down. Every channel, portal, connection through which evils are being transmitted, transferred from realms of darkness into my life, let them be permanently shut down by the blood of Jesus. **\*Every channel, connection, portal, open door through which the realms of darkness are interacting with your life, spirit, soul and body; through which the realms of witchcraft, marine spirit, kingdoms of darkness are interacting, projecting and transferring evil into your life, I declare that the fire of God and the blood of Jesus shut down such connections and channels and portals forever right now in the name of Jesus.**

⇒. Place your right hand on your head. Fire of the Holy Ghost, refine my spirit, refine my soul, refine my body and let not any property of the dark kingdom survive, let them not survive the fire. Fire of the Holy Ghost, refine my spirit, my soul and my body and destroy every property of Satan, everything that pertains to uncleanness, to the kingdom of darkness and unrighteousness, let them not survive. Everything that pertains to weakness, sickness and disease, let them not survive. Fire of the Holy Ghost, refine my spirit, wash my spirit, purify my spirit, soul and body and let no property of Satan survive, let them never survive your fire. Oh God of Israel, let them never survive this fire, let them never survive the fire.

⇒. The world we are living under right now is under the influence of many kingdoms of darkness. It's being controlled from several invisible realms, that is why God is leading us through prayers of victory and deliverance. Even though we are in the world we must not be defeated even as you're in the world, see it as if you are in the midst of a great ocean and this ocean is moving everyone in a certain direction which leads to destruction and only a few people can see they are in a great sea, a force moving everyone against their lives, callings and destiny, moving us in a direction against God and his Kingdom. Everyone who is better minded to reject such a force will be attacked by the kingdom of darkness because the devil does not want anyone to resist him but we will resist him because the Bible says we should resist him and he will flee because we are stronger than him because our God is greater than him.

•Father, lay your hands upon me and make me stronger than the forces of darkness controlling this world, ruling this generation. Oh God of Israel, lay your right hand upon me and make me stronger than the forces of darkness, let your right hand of power rest upon me, make me stronger than the dark forces controlling my generation, strengthen me above them for indeed I am above them but I need strength. Let me be stronger, Lord raise me up and make me stronger in Jesus' name.

⇒. If you're willing to be strong, you will not embrace weaknesses, you will be desperate, you will not agree with failure or defeat, you will not take no for an answer. People who want to be stronger than world powers are people who do not give up or take a no for an answer, people who do not feel at home with weaknesses. These are the people who will rule over Satan and Satan will be scared of them.

•Father, help me to be desperate for all that is mine in you, help me to be desperate to receive all that is mine in you, help me Father. Father, help me not to settle for less, not to agree with weaknesses, with failure or defeat, Lord help me to be desperate. I want to have all that is mine in you, I want to attain levels that are mine in you, I want to become all that I am in you, Lord help me to pursue strength with desperation. Help me to pursue after power, divine authority and dominion with desperation, help me not to agree with weaknesses, help me Father not to be weak.

⇒. The Lord wants to deliver some of you from entanglements in the midst of the web of darkness in this world and you can't move forward nor can you go backward. It could be a long relationship, something you crave for that you're not willing to let go of. It can be anything. As long as you're entangled in those things, you can't move forward or fulfil destiny.

•Raise up your right hand. Lord Jesus, deliver me from every entanglement of darkness that has entangled me, deliver me from every entanglement that I have hooked myself into, deliver me and let me move forward. Deliver me from every entanglement that I've entered into and I cannot move forward or go backwards and I am stuck in the midst of the web of darkness. Lord by your fire and by your mighty

hand, deliver me right now in the name of Jesus. Deliver me Lord from every entanglement I entered ignorantly, willingly or unknowingly that is affecting my progress in life, calling, in marriage and in destiny, Lord deliver me right now in Jesus' name.

⇒... AND THE FULLNESS THEREOF. God wants everything in the world including what his enemies hold because God owns them. God channels each of these things to go wherever He wants them to. It's possible that what God wants to give you (your blessings) are presently in the hand of the enemy or people who don't love you but God knows how to channel them to you.

•Father, every good thing, every good gift that pertains to my life, calling and destiny anywhere in the world, let your right hand of power channel them into my life. Let your right hand of power channel every good gift, good thing, every blessing into my life wherever they are, in whatever hands they are in, whatever reserve they are in, whatever bank accounts they might be currently, Lord channel them into my life, channel them by your right hand of power. **\*I decree over your life by the authority of the Most High God that every good gift, good thing that belongs to your life, calling and destiny wherever it is in the world, I decree let those things pick themselves up and begin to look for you right now. Let the angels pick them up and channel them into your life. Every good gift, blessing, riches and wealth that belongs to you, let them rise and begin to look for you, let them be channelled to you.**

⇒. All the fullness of the world belongs to the Lord, also means that God can get rid of certain things He doesn't want in the world, be it anything or anyone. The Lord was telling me that there is a great glory that will be revealed in these last days and when it manifests so many things will be destroyed, so many people will die and that they have to die because the glory has to prevail. Because the glory of God has to prevail in all the earth, certain people and certain things have to be eliminated because unless they're taken out of the way, the glory of God will not prevail. It could be people, organisations or systems or even some things that you love so much.

•Father, whatever is in the world that must be eliminated, that must die for your glory to prevail, for your purpose to prevail in my life, Father end them now, destroy them now. Father, whatever it is, whether it's a living thing or nonliving thing, visible or invisible that must die or be eliminated for your glory to prevail in my life and destiny, Lord begin to kill them now begin to destroy them, take life out of them, end them in the name of Jesus.

⇒. God can use anything to glorify Himself because He is in everything. He can use unbelievers or believers or any system. God is in every system, in animals, He can use anything even the things we least expect Him to use.

•Raise up your right hand. Father, I acknowledge that you are in the midst of everything in this world and you can use them for your glory. Lord begin to use everything in the world to glorify yourself in my life, to glorify your purpose and will in

my life. Lord, I acknowledge you are in the midst of everything in the world, that you can move them and make them glorify you. You are in the midst of every system in this world, you are everywhere and in everything in this world and you can use them to glorify you, Lord begin to use them now to glorify yourself in my life. Everything in this world, everything created by man, even things created by the devil, everything that exists in this world, Lord move in them and use them to glorify your purpose in my life, to glorify yourself and your kingdom in my life.

⇒. You have to understand that we are in a presently mixed world. There are people who look like human beings but are not humans. There are demonic creatures, things that God did not create which were created by demons. There are demonic inventions, technologies, products, animals and insects in this world we are living in. These things are physical even though they were not created by God.

•Father, let your fire move in my life, manifest in each of my days and let everything that is not going to glorify you, that is not after your glory be destroyed, everything that is not for your glory, let them be destroyed in the name of Jesus. Let your fire move in my life and in each day of my life and destroy everything that is not for your glory. Anything attached to my life, daily activities, daily affairs; attached to each day of my life that will not glorify you that is not after your glory, Father destroy them now in the name of Jesus. Any creature of darkness, anything the devil created and has projected it into my life that is not for your glory, that is not after your glory, not to glorify you, Lord let your fire destroy them now and let them never be able to survive in the name of Jesus.

⇒. It also implies that we must be very careful not to embrace things that God has already marked for destruction; we must not get attached to things, people or places that God has already marked for destruction. You have to make sure those things are not in your life, around you or in partnership with those things because when God begins to judge, those that have embraced things to be judged will also be judged and might die in the process. For instance, if God is going to destroy a city and you refuse to leave that city, it means you will be destroyed with that city.

•Father, help me to be sensitive to withdraw from things, people and places you have already marked for destruction. Father help me to be sensitive in the spirit that I will not get attached to things, people and places that you have marked for destruction in these last days, help me not to join them, help me not to join those places and people.

⇒. You need to understand that anything that is dwelling in this world God has power over them and that this world was not created for darkness. This earth was not created for Satan, darkness or demons but it was created for men and God and for God's glory. So, it means that if we have strangers (demons and principalities) in the midst of the earth it means they are in a strange place and they are weak here because the earth is not for them. It's the same thing, your body is not for darkness but it's for God and His glory. Your life, spirit, soul is for God, it's not for any devil or

darkness. The devil and demons are here because man gave himself over to the devil by giving himself over to sin because the Bible says he who sins is of the devil.

•Raise up your right hand. Father, I acknowledge that you have full control over everything dwelling and living in this earth, therefore let every stranger from the kingdoms of darkness in my life be chased out forever by fire. Every stranger from the dark kingdom operating in my life, let your fire flush them out Lord. Lord, I acknowledge everything dwelling in the earth belongs to you therefore let every unwanted, demonic entity, demonic creatures, operating in my life and environment, let your mighty hand chase them out completely. Strangers afflicting my destiny, strangers attacking my health, strangers oppressing my soul, be flushed out of my life by the fire of the Holy Ghost in the name of Jesus.

⇒. Just as Jesus drove out the people who were trading in the church, it's the same thing He will do to the strangers on this earth and in people because we are temples of God. There's so many things going on in our lives that Jesus wants to drive out, so many things in your life, body, marriage that Jesus wants to chase out.

•Lord Jesus, visit my life, marriage and home and chase away everything that is against your presence and Glory. Everything that is not of you, everything that is against your presence and glory in my life, calling, destiny, ministry and business chase them out of my life. My body is your temple, everything that is against your presence and glory in my body, Lord Jesus chase them out, what is not of you in my spirit, in my soul, chase them out in Jesus' name.

⇒. Lord, I acknowledge that all the people living in this world belong to you therefore I ask you to connect my life with people I need to fulfil destiny. Lord, begin to connect them with my life by your mighty hand. Connect them with my life, connect good people, people who matter to my destiny fulfilment, bring them into my life Father, in the name of Jesus.

⇒. Real wealth and riches is not in bank accounts but it is in people. If it is in a bank account it is because it is in people, it was first in people not in bank accounts. If God is going to make a man great, He is going to send people to give to that man. Inside those people are the wealth you need for that greatness. Sometimes God will put something in you that will attract those people into your life. As the people are attracted to you, you will automatically attract the wealth in them. It is illegal or a crime for you to receive money that no one authorised except maybe in a crisis and it is angelic intervention. Angels could channel money to you but that is mainly for situations that may need urgent interventions. It's not all the time that God will do that but God will use people to lift you up into greatness.

•Father, let the gift and talent you have placed in my life be glorified such that it begins to attract wealth riches from all over the world that is necessary for the fulfilment of my destiny. Lord let the gifts, skills and abilities you have placed inside of me be glorified to begin to attract riches and wealth from all over the world into my

life. Father glorify the gift you have placed within me, the abilities you have placed in me such that I attract the wealth of nations to fulfil my destiny.

⇒. The Lord is telling me that some of you the key to your greatness is loving other people, by showing love to others. This is not the time to be self-centred but to show love and as you do that you will be great.

•Father, help me to be rich in love for others, both believers and unbelievers. Father, help me to be rich in genuine love, sacrificial love, selfless love, help me to be full of love for others and to look away from myself and for me to go an extra mile to help others. Help me Father to show love to my neighbours, to those who are suffering, to those who are dying, to show love to servants and ministers of God, to show love to my fellow brethren, help me to show love.

⇒. I saw a flying serpent (dragon), a giant serpent with wings.

•Raise up your right hand. In the name of Jesus, I come against every dragon spirit flying in the atmosphere of my life, in the environment of my life to cause evil, let the lightning and thundering of God destroy them. I come against every dragon spirit flying in my atmosphere to enforce evil, flying to carry out evil, let the anger of God consume them all, let the lightning and thundering of heaven consume them. Let lightning from the throne of God, thundering from the throne of God strike them dead. Every dragon spirit flying over the affairs of my life to enforce evil, promote evil, initiate evil, afflict me, let the anger of God destroy them all. Every dragon spirit operating in the atmosphere of my life, my home, the atmosphere of my workplace, to initiate evil and enforce evil, perform evil, let the anger of God consume them all right now in the name of Jesus. Let the lightning of the Most High God consume them all now in the name of Jesus, Amen.

Every demonic exchange that happened when I was given birth to, that happened while I was still in my mother's womb, Father let there be reversal by fire right now in the name of Jesus. Let the fake go away and let the original come back to me, let the fake go out of my life, let the original come back. I receive my originality that was taken away from me in the name of Jesus. If you want to sit you can or if you want, you can continue standing.

### PSALMS 24:2

⇒. It means the earth is standing on the foundation of water and the earth is not sinking at all, which shows the wonder of God. This shows that everything on earth is being held together by the power of God. It's not something science can explain because it is the hand of God holding everything together.

•Father every realm, visible or invisible that is holding what belongs to me, let them vomit them out in the name of Jesus for no one holds things together but you, you are the only one who holds things together. Father every realm of darkness, visible or invisible holding captive what belongs to me, let them release them now by fire, Lord command the release now in the name of Jesus. Every place of darkness, physical or spiritual, invisible or visible that is holding bound what is mine, oh God of Israel, let your fire bring them out now from their hands. Father, authorise them to vomit out my blessings, command them to release my possessions right now in the name of Jesus. Father let your fire get my blessings out of those realms for me, every realm that is holding my blessing, my riches and wealth, let your mighty hand get them for me now out of those realms.

⇒. In Genesis chapter 1, the earth had no form and it was void and the Spirit of the Lord was moving upon the waters. Meaning that there was no land or ground, In the beginning God started by separating the waters and said let the waters move to one side, so that the ground may appear. The waters were the raw material to creation because it is the first thing that existed before anything was created. This means that inside the water there was ground and when He said to the water to go to the side, that is when land was revealed. The land came out of the waters and then the Word of God began to form every other thing. The enemy can use the waters to alter the originality of humanity

•Place your right hand on your hand. Father, let whatever the devil has done in my life to deform me against my original creation, Father let them be reversed right now. Every operation of the dark kingdom to change me into something different from my original creation, let such an operation be destroyed, let it be undone. Whatever the enemy has done to change my original nature, original creation into a fake one, Father let it be undone right now in the name of Jesus. Father, everything that has been done on my spirit, evil the enemy has done on my soul to change me into somebody else, to change me against my original personality, Father let such work be undone right now. Let there be a reversal of what the enemy has done to alter my divine originality; let such work be undone now in the name of Jesus.

⇒.God established the waters on the depth, this means that the earth is standing on the depth of water. When you go deep into the ocean you will see the ground and when you dig that ground you will still find some water and beneath that water is

ground and on and on it goes. We can see or learn that our lives are connected in depth with God. Our lives and destinies are being controlled from deep places and it can be the places in the kingdom of darkness or the Kingdom of God. The kingdom of darkness has deep places and lives and destinies are being controlled from the sea depth.

•Father, let your fire locate every depth of darkness where my destiny is being controlled for evil, every place of darkness, deep places in the seas or wherever my destiny is being controlled for evil, Lord visit those places with fire and deliver me. Father, whatever deep places where my destiny, my calling is being controlled for evil, Lord visit those places and deliver me. Deliver me from the depths of darkness, deliver my destiny from the depth of darkness, release my destiny to fulfilment from the depth of darkness. Every deep place from the sea where my destiny is being controlled for evil, let your fire locate those places and let my life be released. Everyday place in the kingdom of darkness, under the sea, in the deep sea, deep places in the heavens where my destiny and calling is being controlled for evil, let your fire locate that place and let me be released now in the name of Jesus.

⇒. You can fight some battles in the superficial realm but until you begin to deal with the depth of those battles, the roots of those battles, you will keep on praying the same prayers over and over with no results. But when you deal with the battle from its roots, you are able to end that battle forever in your life. Every attack from the devil, every depth from wherever they come from - the roots, this is the time for us to take battles from their depth, from their origin, from where they come from, not from the superficial.

•Raise up your right hand. Father, mobilise your angelic forces into the roots of the battles fighting my life and destiny until there is victory, until I overcome. Lord mobilise the armed forces of heaven against every depth of battles, roots of battles confronting my calling and destiny, Lord let your angels go into the roots of these battles and begin to destroy them from the roots. Every battle confronting my destiny, Lord, mobilise your angels into the roots of those battles until they are no more in the name of Jesus. Let there be deliverance from the roots in my life and destiny, let there be victories from the roots of battles.

⇒. In the name of Jesus, I prophesy divine increase upon my career, business, finances, calling and destiny. Let uncommon increase, unusual increase, shocking increase, great increase, overwhelming increase appear now from heaven now from heaven in my Life. I prophesy a great increase from heaven upon my spiritual gifts, my ministry, my calling, my marriage. Let great increase appear in my life right now, great increase in wisdom, in finances, health and in all areas of my life, I declare uncommon increase now in the name of Jesus.

⇒. The Lord is showing me that there is an operation of your enemy going on in your life, repeating mistakes and failures and it's making your life go in circles.

•Raise up your right hand. In the name of Jesus, I decree an end upon every oppression of the enemy, multiplying failures in my life, multiplying errors and downfalls, I decree an end upon such oppressions now in the name of Jesus right now, let them be permanently terminated. Every activity of witchcraft, of darkness, of demons going on in my life to multiply failure, to cause repetition of failures, repetition of evil of problems, let such activity be permanently shut down by fire in the name of Jesus. I decree an end upon every action of the enemy going on in my life to multiply failures, to make my life go in circles, let an end come to such activities right now in the name of Jesus.

## VERSE 22

⇒. Everything you see going on in the world was just a thought in the mind before it became an action or event. If you are going to overcome the enemy from the root, then you must overcome him in your mind because the mind is the beginning of everything, of every word and action.

•Place your right hand on your head. Father, strengthen me for victory in the realm of my mind, empower me for victory in the realm of my thoughts and imaginations. Strengthen my mind for victory, empower me to overcome the enemy from the realm of my mind, empower me to defeat the enemy from the realm of my mind and imagination, strengthen me Father in the realm of my thoughts. Give me weapons to fight and win in the realm of my thoughts, my imaginations, empower me for victory in the realm of my mind.

⇒. This verse is telling us not to undermine the spiritual because out of the spiritual God brought out the earth out of the waters. We should never undermine spiritual operations because they can birth physical things, they can create physical things, even demonic spiritual operations. There are physical things in this world which were created by demons, that God did not create (though God created the demons), so these demons created these creatures or things so that their evil agendas could be accomplished through those creatures. Spiritual operations not only create the physical, they also control the physical; they determine everything going on in the realm of the spirit. As soft as water is, out of it came the land. The lesson in this verse is, never to undermine spiritual operations.

•Father, impart on me the creative anointing, creative power that is in you to make things happen on earth. Lord, put upon me the creative power, creative grace, creative anointing because I am a son of God therefore I have the same ability that is in God. I am born of God, therefore I carry the same nature and ability that is in God. Father let there be an impartation of the creative power, ability to make things happen in this physical dimension. Impartation of creative anointing, release it upon me, impart upon me the anointing to make things happen in the earth, let it come upon me now in the name of Jesus. Lord, put upon me the same creative power that is in you, the same creative anointing, grace and ability that is in you, put it upon me so that I can make visible things happen in the earth right now in the name of Jesus.

⇒. If demons can create things and put them in the physical realm, this shows that when God is doing something, some certain physical things will disappear because God did not put them there. There are some sicknesses that have no natural origin but are from demons, from the spirit world though they are physical.

•Father, let your fire manifest in my life and destroy everything that came from the realm of the spirit into my life, every evil thing that came into my life whether visible or invisible, Lord let them disappear right now, let fire remove them from my life. Lord remove them by fire, be it sickness or disease that came from the spiritual realm of darkness, remove them from my life by your mighty hand. Sickness and diseases that originated from demons, Father let them disappear because they have no roots in you. Every evil thing, visible or invisible that entered my life from the realm of darkness, Lord let your fire destroy them, let your fire remove them from my life in the name of Jesus.

⇒. Father by your mighty hand do something new in my life that will give birth to rejoicing and celebration. Lord do something new in my life that will call for rejoicing and celebration, something new in the name of Jesus. Something new in my life that will call for rejoicing, let it happen now. Lord, let it happen, something you that will birth rejoicing.

⇒. In the name of Jesus, let the anger of God destroy every power of darkness fueling sin addictions in my life, giving strength to sin addictions, let the anger of God destroy them now. Every power, every spirit fuelling sin addiction in my life, in my body, in my blood, in my organs, in my nerves, in my emotions and feelings, in my soul and spirit let the anger of God consume them right now in the name of Jesus. Every power giving strength to sin in my life, making it difficult for me to overcome sin, let the anger of God destroy it right now. Every power making it difficult for me to defeat sin, pollution, unrighteousness and disobedience, let such power be consumed by the fire of God.

⇒. Raise up your right hand. In the name of Jesus, I come against every attack of darkness on my spiritual eyes, my spiritual visions to block me from seeing divine revelations from the Lord, let fire consume them, let fire destroy them in the name of Jesus. Every attack of darkness on the eyes of my spirit, eyes of my heart to block me from receiving revelations from the Lord, let fire consume them now. As they come against me, let fire appear and destroy them in the name of Jesus. As forces of darkness come to attack my spiritual sensitivity, my spiritual vision, let fire of the Holy Ghost destroy them in the name of Jesus. Every demonic creature, demonic entity that has been mobilised to block my spiritual sensitivity, to block me from receiving divine revelations, let the fire of God consume them all right now in the name of Jesus.

⇒. It is possible that there is a spirit attached to your life that is making everything in the physical realm not go the way they should go. Verse 2 confirms that the earth is

weak to stand alone and that the earth is being influenced by the waters (from the spirit realm, water represents spirit) water is one of the nature of a spirit. Everything going on in this world has a spiritual origin and they will continue to have influence from the spirit realm

•Raise up your right hand. In the name of Jesus, let the flaming sword of the Lord separate from my life every demonic personality glued to my life to cause evil and failure, every demonic spirit and personality following my life to cause failure and evil, let the flaming sword of the Lord separate them from my life right now in the name of Jesus. Every demonic attachment that has attached itself with my life to make sure that no good thing happens, to make sure that there is no breakthrough, let the flaming sword of the Lord separate them from my life. Every demonic presence always following me to make sure that nothing prospers, nothing succeeds, right now let the flaming sword of the Lord separate them from my life, let there be permanent separation in the name of Jesus.

⇒. You need to understand that spirit beings can hold physical things captive such that that thing cannot move forward. They can hold your bank account such that no money can enter and when people want to transfer money into your account the money will not enter it will just hang. They can disrupt physical systems, make even a computer to stop working

•In the name of Jesus, I come against every hold of demon spirits in my life, on the affairs of my life, my bank account and my business. Every hold of them on everything that concerns my life, I command that they break in pieces right now. Every hold of darkness on the physical things in my life, let them break right now in the name of Jesus, I decree that they break right now in the name of Jesus. Every hold of Satan on my finances, on my bank account, my career, my business, every hold of Satan on the blessings God has sent into my life, I command it to break in the name of Jesus. Every hold of Satan on my body and mind, I command them to break in the name of Jesus. Every hold of Satan on my physical possessions, on my properties, I command it to break in the name of Jesus, Amen.

### **PSALM 24:2**

⇒. The whole world lies in the midst of great waters and the easiest way to introduce anything into the world is from the realm of waters because human beings cannot do without water. We drink water to survive, bathe, cook with water etc. One of the easiest ways the enemy can attack us is through the realm of waters, even 70% of

our body system is water. Therefore operations of darkness are going on in the realm of waters because they know it's one of the easiest ways through which men can be oppressed, controlled or polluted and attacked from. Every person in this world is a target from the marine kingdom and they are attacking everyone in this world and they are involved in everything we do on a daily basis

•In the name of Jesus I decree that the anger of God frustrate and destroy every agenda of the marine kingdom, agenda of darkness, against my life, calling, destiny and marriage. Every agenda from the realm of darkness in the waters against my life, calling and destiny, let the anger of God frustrate and destroy them all now in the name of Jesus. In the name of Jesus, let the anger of God frustrate and destroy every agenda coming from the marine kingdom against my calling, health and marriage, let the anger of God frustrate and destroy them all now in the name of Jesus.

⇒. In the name of Jesus I set on fire everything in my life that is authorising marine spirits to penetrate and carry out evil operations in my life. I set on fire anything in my life that is making marine spirits to operate freely, catch fire in the name of Jesus. Anything in my environment giving access, giving legal ground to the operation of marine spirits, catch fire in the name of Jesus. Whatever is in my life and house, visible or invisible that is giving access to the marine spirits, marine kingdom to operate successfully in my life, I set such things on fire in the name of Jesus.

⇒. In the name of Jesus, I come against every marine serpent that has been sent on evil assignments into my life, career, calling, and destiny, let the flaming sword of the Lord cut them in pieces. Every marine python, serpentine spirit sent on assignment to destroy my life, marriage, career; flaming sword of the Lord cut them in pieces. **\*In the name of Jesus, every marine serpent from the dark kingdom, serpentine spirit, serpentine creature of darkness, serpentine powers that have been sent on assignment to carry out evil missions in your life, I decree that the flaming sword of the Lord cut them in pieces now in the name of Jesus.**

⇒. Apart from destruction and afflictions, marine serpents can swallow up fortunes, treasures, gold, precious materials, your riches and wealth.

•Raise up your right hand. I come against every marine serpent that has swallowed up my riches and wealth, let the flaming sword of the Lord cut them in pieces and let me recover all that has been stolen from me. Let the fire of the Holy Ghost slaughter such serpents, let the flaming sword of the Lord slaughter every serpent of darkness, python of darkness that has swallowed up my treasures, my gold, my precious materials, riches and wealth in the name of Jesus. Let my riches, fortunes, treasures be recovered by the flaming sword of the Lord. Every serpent of darkness that has swallowed up the glory of the Lord I came into this world with, every serpent that has swallowed up my wealth and riches, let the fire of the Holy Ghost slaughter them and let my fortunes be recovered in the name of Jesus. **\*Let your fortunes be recovered**

right now in the name of Jesus by the hand of the Lord. Your fortunes are restored in Jesus' name.

⇒. Fire of the Holy Ghost, destroy every unclean habit in my life that is giving strength to spirits to oppress and afflict me. Every habit and attitude giving strength to the operation of marine spirit in my life, giving strength to the activities of marine spirits in my life, catch fire in the name of Jesus. Lord deliver me from every unclean habit that I'm doing with my body, soul and heart that is giving legal ground to marine spirits to attack me, oppress and destroy my life, oh God let that habit be destroyed now in the name of Jesus.

⇒. Seductive dressing is one of the gateways through which marine spirits enter into people's lives and it is also one of the attitudes that keeps them in your life. If you dress in such a way that makes others lust after you sexually, that is seductive dressing. This attracts marine spirits, if you want to be free from marine demons you have to be free from such clothing or dressings. Fornication, masturbation, pornography are other ways that opens doors for the operation of marine spirits.

•Father, deliver me from every attitude that is giving legal ground to marine spirits to operate freely and successfully in my life. Deliver me from any lifestyle that is giving access to marine spirits, sexual demons to operate freely in my life, Lord deliver me. Lord deliver my spouse, children, siblings and those around from such attitudes and dressings. Lord help me to stop these things in Jesus' name.

⇒. The Lord is telling me that there is an ancient serpent from some of your backgrounds, especially those of you who do a lot of idolatry linked to water.

•Raise up your right hand. In the name of Jesus, let the anger of God destroy every ancient serpent of darkness troubling the fulfilment of my calling and destiny. Every ancient serpent of darkness from my father's house, mother's lineage troubling the fulfilment of my career, calling and destiny, catch fire in the name of Jesus, be destroyed, be roasted by the anger of God. Let the wrath of God come upon every ancient serpent from my father's compound, my mother's compound and background, my father's family background, my father's bloodline, from my mother's bloodline. Every ancient serpent of darkness troubling the fulfilment of my calling and destiny, die in the name of Jesus, be consumed by the anger of God right now in the name of Jesus. Ancient serpent of darkness, die now in the name of Jesus. **\*It is dead in the name of Jesus.**

⇒. The Lord is telling me that there is an entitlement that is being withdrawn from you, that should have been given to you. That entitlement has to do with money; it is your portion and right because you worked for it.

•Father, let your mighty hand release my entitlement to me, the payment that should have been paid to me for it is mine, let your mighty hand release it to me in the name of Jesus. Lord, release every payment that is mine, that has not been paid. Wherever it is, Father release it by your mighty hands. Who can stop you oh God of

Israel, or can wrestle with you and win, Lord in your mighty move in your mighty way and release my entitlements now in the name of Jesus. **\*It is released unto you right now in the name of Jesus.**

## VERSE 2

⇒. The life of a man can be heavily surrounded with opposition attacks just like the world is surrounded by the sea. God had to do a miracle to part the sea for the Israelites to pass. It's the same thing for most of you, God has to do miracles or else you might not make progress in life. What is happening in your life right now is beyond human wisdom, so you need to trust God for miracles otherwise your life will not change.

•Raise up your right hand. Father, descend upon every limitation, force of darkness that has surrounded my life like a sea and give me a breakthrough. Lord, give me a breakthrough, a success and progress. Lord of hosts descend upon every limitation of darkness, the opposition battles of darkness that will not let me move forward, descend upon them and give me a breakthrough. Every kingdom of darkness that has surrounded my life like a sea and will not let me move forward oh Lord of hosts descend upon them and make me break through, give me breakthrough, success and progress in the name of Jesus.

⇒. It takes the power of God for the earth to continue to be because everything is being held together by the Word of His power. There's a personality holding the world together and if that person decides to release His hold, the whole world will crumble in the twinkling of an eye and everything will drown. Jesus is that power that is holding everything together, which means that our lives can only be better when Jesus is holding it together. Without Jesus your life will not be good. If you have not surrendered your life to Jesus, do not expect things to go well. For you to have surrendered your life to Jesus, (not just making the sinner's prayer) means that Jesus is the one always in charge of your life; He's the one in control, the one leading your life, the one you serve and please. Until you give Jesus His place in your life, things will not work, prayers and fastings might not work.

•Lord Jesus, I acknowledge that you are the one that holds life together, the one that holds everything in this world together. Lord Jesus I surrender all my life to you, come and have your way in my life, come and rule in my life, come and lead my life in any direction you want. Lord Jesus, I acknowledge that it is you who holds my life together, who holds the whole world together. I surrender all my life to you, come and live my life, come and live through my life, come and control my life, come and lead my life in the direction you want. Let not my will prevail but let only your will prevail. I offer my life to you to do with it whatever you please in the name of Jesus.

⇒. It is so important that the Lord leads your life otherwise you will just walk through this earth without fulfilling 1% of your life.

•Father, redirect my steps from every path I am following that does not align with your perfect will for my life, every path that is not aligned with your perfect will for my

life, calling and destiny. Oh God of Israel, direct me out of those paths I am currently trading on that do not align with your will, purpose and desires. Lord set me on the path you want me to follow, put me on the lane you want me to work on and redirect my path, redirect my footsteps from every wrong direction. **\*By the mercy of God, you will be taken out of every wrong path you have been trading on and the angel of the Lord will set you on the right path that you should follow and so shall it be in the name of Jesus. The right path, right job, right lane you must be on, the right way you must trade on, the right life you must live for you to fulfil your divine destiny and calling, let the angel of the Lord pick you up and put you in them all in the name of Jesus.**

⇒. Lord Jesus, by the reason of the Word of your power, liberate my destiny to fulfilment. Lord Jesus according to the Word of your power that holds everything together, let my life, calling and destiny be liberated to fulfilment now in the name of Jesus. You hold everything by your Word, by yourself, liberate my life, calling and destiny to fulfilment. Release me to become who you created me to become, release me to manifest the destiny you have sent me into this world to manifest, release me to manifest the glory you created with me from heaven, release me to manifest this glory in Jesus' name.

⇒. The Lord is showing me how He wants to do impossible things in your lives, even things you have called impossible.

•Place your right hand on your head. Lord Jesus by the reason of your position in my life, let my impossibilities become possible now in the name of Jesus. Lord Jesus by the position of where you are in my life, let my impossibilities become possible, by the reason of where you are in this world, where you are in the financial system of the world, by the reason of your position within and above the financial system of the world, let my impossible situation become possible. By the reason of your position in all the systems of the world, let all my impossibilities become possible now in Jesus' name. **\*Let your impossibilities become possible by the power of Jesus, by the authority of Jesus, by the position of Jesus in your life, by the position of Jesus in the cells of your body, by the position of Jesus in your blood, by the position of Jesus in every part of your body, by the position of Jesus in your soul and spirit, let your impossibilities become possible now in the name of Jesus.**

⇒. Father help me to live according to your standard, laws and principles so that I can see your glory. Lord help me to live my life according to your ways, your will, precepts, commandments, nature, holiness, and purity help me to rise and agree with your standard, help me to live to please you that I won't miss your glory, for that is what will qualify me to see your glory. To live by your standard is what will qualify me to see your glory, help me to live according to your standard in my thoughts and imaginations, in my actions, conversations and daily activities, help me to live by your standards in the name of Jesus.

⇒. Place your right hand on your head. In the name of Jesus, I curse every spirit of barrenness in my life and I command such a spirit to come out in the name of Jesus. You spirit of barrenness in my life, I curse you in the name of Jesus, come out in the name of Jesus. You spirit of barrenness in my body, soul and spirit, in my life and destiny, I curse you, come out in the name of Jesus. Every spirit of barrenness that has caged my womb from conceiving and receiving a child, I curse you spirit, come out of my life in the name of Jesus. **\*I curse every spirit of barrenness from your life. I command such a spirit to come out now in the name of Jesus. You are fruitful from now onwards in the name of Jesus Christ, in Jesus name thank you Father, Amen.**

## CLOSING PRAYER

Raise up your right hand.

Oh God of heaven and the earth, oh King of Israel, Lion of the tribe of Judah, Rock of ages, Rock of Israel, Father, we worship and adore you this hour, for you are a great God. You are a terrible God, you are the Most High God and there is nothing impossible with you. You are the one who has declared the end of a thing before its beginning. You have known us even before we were born, blessed be your Holy Name. Father be glorified, be praised forever in Jesus' name.

Oh Lord, these are your people and they have presented themselves before your throne at this hour. They have come before your presence and Lord I ask that your mercy speak for everyone under the sound of my voice. Let your mercy speak in such a way that curses lose their power in their lives, let your mercy speak in such a way that sickness and diseases lose their hold in their lives of these ones, let your mercy speak such that poverty, hardship, suffering, pain, oppression and torment from the enemy lose their grip over these lives from now henceforth in the name of Jesus.

By reason of God's mercy I decree over your life that you shall be fruitful in the name of Jesus. I declare healing, deliverance, prosperity and greatness is done in the name of Jesus.

Every season of failure, reproach and shame has ended in your life right now. As I talk, the season of shame, hardship, reproach, pain, sorrow, troubles are hereby ended in the name of Jesus. From now henceforth enter into a new season of victories, mighty miracles, divine visitation, divine strength, divine honour in the name of Jesus. I release you into a new season of greatness and fame, into the season of new glory, signs and wonders right now in the name of Jesus. I release

you into a season of abundance, surplus, riches and wealth, unending flourishing. I establish you in that season right now in the name of Jesus.

Every power that has vowed that nothing will be good in your life, that nothing good will happen in your life, I command fire to consume such power right now in the name of Jesus. I speak to that power right now that it's time is done in your life in the name of Jesus, let such power lose its hold over your life now in the name of Jesus.

The oppression of the enemy over your life is hereby broken in pieces forever in the name of Jesus. Though they have been working tirelessly for many years in your life but because of the anointing you are connected with right now, their oppressions cease right now. The oppression of your oppressors has come to an end now in the name of Jesus. Thank you Father, thank you Lord, in Jesus' mighty name I have prayed, Amen.

Father, change the atmosphere in the environment that I work in, that I live in, change the atmosphere of my environment, change it into the atmosphere of heaven. Let my life become a divine portal where angels ascend and descend. Let my spirit become a divine portal that opens up heaven all the time. Let my

environment become a divine portal where angels ascend and descend. Lord change the atmosphere of my life to the atmosphere of heaven in the name of Jesus.

⇒. The Lord wants to bless each one of us individually with an uncommon ministry of angels because of certain things He wants to do that have never been seen before.

•Raise up your right hand. Father bless me with the ministry of angels for the performance of your miracles in my life at this time, bless me with uncommon and strange miracles. Father, bless me with the ministry of angels, with the manifestation of unusual breakthroughs, uncommon financial blessings, uncommon open doors and unusual elevation, Lord bless my life right now with special ministrations of angels.

⇒. Father, make me discover the divine mysteries that surround my life, that surrounds my identity, that surrounds who I am in you because I know I am not an ordinary person. Father, open my eyes to discover the divine mysteries that surround who I am in you, Lord help me to discover them now in the name of Jesus.

⇒ I saw the Lord stretching forth His hands calling some of you to Him. It can be that some of you are distracted by the issues of life and you have left the place of personal fellowship and intimacy with the Lord, left the place of reading the Bible etc.

•Lord Jesus, deliver me from every spirit of destruction that has taken my attention from the secret place. Deliver me from unnecessary activities that I have gotten entangled with that have separated me from the place of fellowship, from the place of intimacy with you, Lord deliver me from such things now in the name of Jesus. Lord remove me from every entanglement that has separated me from you, separated me from your revelations and your voice, deliver me Lord Jesus in Jesus' name.

⇒. Also it can be that you are insensitive, God is showing you things but you cannot see, you may not be sensitive to the presence of the Lord, the voice of God or the visitations of the Lord that's why He's calling you to Him.

•Place your right hand on your head. Fire of the Holy Ghost, destroy every darkness in my life that has killed my spiritual sensitivity, that has quenched my spiritual discernment, that has weakened and killed my spiritual sensitivity. ⇒. I discovered that we must go through several deliverances to grow spiritually. At every point of spiritual development or advancements, there are demons, darkness, sin, the flesh, pollution to destroy. At every stage of your spiritual growth, there is darkness to fight and destroy, that is why we have to go through several deliverances, battles and warfare to know God. It is a battle to know God, it's spiritual warfare even to hear deep things from God.

⇒There has to be separation between you and every idol that is taking the Lord's place in your life. The reason why many Christians do not know God or are not close to God, those who are always rising and falling is because of idols. These idols are not the images or carvings you bow before in shrines, but idols in your heart, in your mind, the things you value so much but have no Kingdom relevance. You derive so much pleasure from those things and they add nothing to you spiritually. Your spouse, children, pleasures of the flesh, food, and sex can be idols. Anything that is taking the place of the Lord or struggling with the Lord in your life is an idol. Love of money, godly relationships and ungodly friendships are idols.

•Fire of the Holy Ghost, destroy every idol I have embraced that has limited my knowledge of God, my closeness to God, my intimacy with the Lord, fire of the Holy Ghost destroy them. Everything that is sharing the place Jesus is in my life, that is struggling with the Lord in my life, Holy Ghost fire consume them now in the name of Jesus. The cares of this world, materialism, anything that has become idols in my life, oh God let your fire consume them now in the name of Jesus. I surrender my idols to you, destroy them by fire oh God of Israel, I release my idols, destroy them.

⇒The Lord told me that the greatest deliverance a man can have is to shut the door through which darkness and demons are entering into the life of that person. That is the greatest deliverance any man can have. It's not casting out devils though it's part of it but it's not the greatest. We can pray for deliverance for a long time and you will never be delivered if the doors bringing demons or captivities into your life are not shut down, there will never be permanent deliverance

•Raise up your right hand. Lord Jesus, you hold in your hand the power to close doors and no one can open them, Lord Jesus shut down every door that is bringing darkness, devils access to flood into my life, Lord Jesus shut them down now. Lord

Jesus shut down every door that is giving access to devils, witchcraft, pollution and corruption, shut them down for you hold down the keys to shut them down and they can never open again. If the doors are in my body, Lord shut them down; if they're in my mind, soul, spirit or environment, Lord shut them down. Every door giving access to darkness to flood my life, Lord shut them down in the name of Jesus.

⇒. The Lord was saying come and if you come, it means some doors will open. Doors of revelation, doors of divine encounters, divine visitations must open and then you start seeing yourself engaging face to face with heaven, angels and the Lord Jesus Himself.

•Raise up your right hand. Lord Jesus, you hold the power to open doors and no man can shut them, no devil or witchcraft can shut those doors. Lord Jesus, open unto me those revelations, divine encounters, doors that would connect me with realms of your glory, realms of your power and victory, doors of divine visions, heavenly visions, divine encounters, divine visitations. Open portals of divine empowerment open eternal angelic ministrations and visitations, doors of face-to-face encounters with you Lord, open them now in the name of Jesus. **\*I decree over your life doors that will make your relationship with God so real just as you can talk with a friend, those portals of heaven that could make your relationship with God be so interesting on earth, let such portals open unto you now. Portals of heaven that would make you enjoy unlimited revelations, visions, dreams from the throne room of God, let those portals open unto you now in the name of Jesus.**

⇒. Place your right hand on your head. In the name of Jesus, I come against every load of witchcraft upon my life, let them be lifted by fire right now. I come against every yoke of witchcraft upon my body, soul and spirit, upon my calling and destiny, break by fire, be lifted by fire. Every burden of witchcraft, load of witchcraft upon my life be lifted by fire in the name of Jesus. **\*I command by my authority in God, let every yoke of witchcraft upon your life, every load and burden of witchcraft upon your life be lifted now by fire in the name of Jesus.**

⇒. Fire of the Holy Ghost, frustrate and destroy every plan of the wicked going on to bring me down from where the Lord has placed me. Fire of the Holy Ghost, frustrate and destroy, frustrate and cancel every plan of the wicked, agenda of the wicked going on to bring me down from where God has placed me, to bring me down from my position in success, to bring me down from rising in destiny. Fire of the Holy Ghost destroy their plans and operations right now in the name of Jesus.

⇒. Insert your right index hand finger in your ear.

•Fire of the Holy Ghost, pass through the ears of my spirit and open up my ears to the endless flow of the voice of God, to the streams of the voice of God. Fire of the Holy Ghost, pass through my ears and open my ears to connect with the unending flow of the voice of God, let my spiritual ears be opened to the streams of the voice of God in the name of Jesus. **\*I decree let the fire of the Holy Ghost destroy every**

demonic works that has blocked your spiritual ears from perceiving and discerning the voice of God, let this wax of darkness melt now. I open up your ears to the flow of the voice of the Lord, let it happen now in Jesus' name amen

⇒. In the name of Jesus, I receive strength to flow in the direction that will lead me to my miracles, I receive the grace to follow the direction that will lead to the manifestation of my miracles, for breakthrough and progress in the name of Jesus. I receive strength and grace to move in the direction of miracles, in the direction through which miracles do happen in my life. I receive grace and strength to be led by the Holy Spirit in the direction that would lead to my breakthrough, success and progress. I received grace to be led by the Spirit in the direction through which my miracles shall be revealed and performed. I receive the grace now to go through that direction, to walk in that direction, to walk in that path.

⇒. It takes the mercy of God to receive and partake, to receive and experience the blessing that has been released from heaven. Some people's blessings are already around them but they cannot lay hold of them. It is possible that God has already blessed you but you can't receive or access the blessing that is already very close to you because wisdom is missing. Wisdom is how we access the blessings that have already been provided and released. Wisdom will make a man to be at the right place at the right time to receive what heaven has released. Wisdom is what will make a man say the right words at the right time in the right place so that what heaven has released will be received. You need wisdom otherwise you will pray amiss.

•Father, bless me with the Spirit of wisdom that I may be able to access the blessings you have released in my life. Father give me the Spirit of wisdom to be able to lay hold of the blessings you have already provided, put upon me the anointing of wisdom to be able to possess my possessions, that I may be able to know how to lay hold and to get the things you have already released into my life. Give me the wisdom to be at the right place at the right time, to speak the right words at the right time at the right place to the right people. Lord bless me with wisdom to know when to shut up and when to talk.

⇒. Raise up your right hand. Oh Lord of hosts, release confusion into the midst of the enemies of my life that are looking for my destruction, the enemies of the church, my country. Oh Lord of hosts send confusion upon the enemies that are looking for my destruction, looking for my downfall, send confusion and scatter them, send confusion upon the antichrist organisation, upon the antichrist institution and agents that are looking for my destruction. Lord send confusion upon the enemies of my career and destiny, enemies of my soul, send confusion upon them, scatter them and their plans, let them be scattered forever in Jesus' name.

⇒. Father, release your anger upon the battles of darkness upon my life and waste them all till they are no more. Father, release upon the battles confronting my life, my

soul, calling, marriage, career, finances, destiny and let them be permanently wasted. Let your anger be released and let them be permanently destroyed. Every battle confronting my manifestation and destiny, let your anger waste them all. Every battle fighting my help, every demonic battle, spiritual battle fighting my help, let the anger of the Lord come upon them and waste them all in the name of Jesus. **\*As you have said it, so shall it be in Jesus' name, Amen.**

•Father, help me not to be deceived, misled by the enemy. Lord, I do not want to miss the glorious future that you have for my life, I don't want to miss the future you have planned for my marital life, for my calling, ministry, career, Lord help me to stay on the track that would lead me into that future. Help me Father to remain on track, help me not to be misled, misguided or deceived.

⇒You block the answers to your prayers by the actions you do with your body, thoughts in your mind, words you say and your lifestyle.

You are free to please your God in the name of Jesus.**

## **PSALM 24:2**

⇒Before the kingdom of darkness took over the realm of the waters, God already claimed it for Himself to reveal His power through it. John the Baptist and Jesus baptised people in the same waters that the kingdom of darkness is claiming to be theirs.

•Father reveal your mighty presence in the realm of the waters and destroy the stronghold of marine spirits over my life, calling and destiny. Reveal your powerful presence in the deep seas, in the midst of the realm of the waters and let the strength of marine spirits, marines kingdoms over my life, calling and destiny be broken in pieces right now. Father reveal your powerful presence in the realm of the waters and release my destiny that has been caged in the water kingdom, caged by water spirits to manifestation. Lord you are in the waters, your power, your strength, your fire is right there in the waters, reveal your mighty presence and let your my destiny be released to manifestations in the name of Jesus.

⇒The Lord just revealed to me that some of you, your womb has been caged in the realm of the waters by the marine spirits that is why it's difficult for you to conceive in the physical realm.

•Raise up your right hand. (If not a woman you can pray for anyone you know needs a child). Oh Lord of hosts, reveal your mighty presence in the realm of the waters and let my womb be released to conceive and give birth. Lord let your power manifest in the realm of the waters and let my womb be released to conceive and give birth in the name of Jesus.

⇒Financial prosperity can also be caged in the realm of the waters because within the realm of the waters there are great banks. There are big pythons which house in them banks which store people's treasures, inside those big serpents are people's treasures and finances. So sometimes when God wants to change your life, He has to destroy those serpents and get your wealth for you. These are angelic operations, there's a way the angels do that.

•Raise up your right hand. Father manifest your powerful presence in the realm of the waters and let my stolen blessings, riches and wealth be released unto me in the name of Jesus. Let your flaming sword release my riches and wealth that have been stolen, swallowed and caged in the realm of the waters. Every demonic bank, demonic vessels holding my riches and wealth hostage, Lord, Let your fire release them unto me. Let those vessels catch fire, let those banks catch fire, let them break by fire and let my blessings and treasures locate me in the name of Jesus.

### VERSE 3

⇒There is a requirement that you must attain if you are going to have a real fellowship with God, if you are going to receive divine visitation and without that requirement, God will always be far from you. In this generation most people have embraced abominations that are chasing the presence of God away and they are so comfortable with lifestyles that God hates.

•Father, give me the heart that loves righteousness, a heart that wants to please you, a heart that hates sin. Give me a heart that wants to please you, a heart full of hunger to please you and desires righteousness, a heart that hates sins and iniquity. Give me a heart that loves you, loves the things you love, that loves the people that you love, a heart that hates the things you hate, Lord give me such a heart.

⇒I once taught about angels, how they operate etc and people were excited but as I progressed they lost interest because heaven doesn't just come to a man. There are qualifications, a way your heart needs to look for heaven to be attracted to you. There's a price to pay to have such a presence of heaven with you and most people are not willing to pay that price. What kind of heart will command divine attention? It is a heart that fears God, a heart that trembles at the Word of God, not a heart that sees God as his mate.

•Father, give me a heart that fears and honours you, a heart that fears you enough to obey every instruction. Give me a heart that honours you publicly, that honours you in my blessings, that honours you in my speech and conversations with people. Give me a heart that always honour you in my daily activities, in my relationships with people, give me a heart that always follow you, oh Lord give me such a heart.

⇒What kind of a heart can ascend to God without a barrier? It is a heart that is void of worldliness, a heart that doesn't long after the things of this world, a heart that isn't busy looking for how to satisfy itself.

•Father, give me a heart that is void of worldliness, a heart void of pollution and corruption of this world, a heart that is pure. Lord give me a heart that hates this world, a heart that longs after you and not after the things of this world or the pleasures of the world nor after the pleasures of the flesh and self, give me a heart that is not after this world, Lord give me such a heart.

⇒God is hungry for a relationship with His children but in this generation most people don't care about developing a strong relationship with God. How can you cope with God not speaking to you in a day? How do you survive when you have not heard a Word that proceedeth out of the mouth of God in a day, for men shall not live by bread alone but by every Word that proceeds out of the mouth of God. You must have a strong desire in your heart for God and that is when God will come to you.

•Father, give me a heart that hungers and thirsts for you continually without stopping, a heart that always hunger and thirst for you. Lord, give me a heart that cannot be satisfied with food and water alone, a heart that is always desperate for you, always looking for you Father, give me such a heart. Oh God give me such a heart that is desperate for you, a heart that is always full of hunger and thirst for you. Give me a heart that is not satisfied with food or with anything in this world, a heart not satisfied by any pleasure in this world but a heart that always hungers for you, Lord I want such a kind of heart, give it to me.

⇒We must, through many deliverances, know God. You must be delivered to know the truth, as you are delivered you get to know God because the truth is God himself. When God reveals certain truths about Himself, it is by those truths that you begin to have a quality relationship with Him and as you remain in those truths that He showed you that is how you will have powerful experiences or encounters with Him. Some need to be delivered from confusion, deception, darkness that has covered your eyes because you are seeing the truth and you don't know it's the truth because you have not been delivered. That darkness will not let you see and know the truth.

•Father, deliver me by fire from every darkness blocking me from knowing the truth, deliver me to know your truth, to see your truth, believe your truth. Deliver me Lord from every darkness stopping me from seeing the truth, knowing the truth, believing the truth. Lord, deliver my mind, my spirit, deliver me to know the truth. Every stronghold of darkness upon my life stopping me from seeing revelations of Jesus,

from receiving revelations of Jesus, from believing the truth of Jesus, Father let the strongholds of darkness crash now and let me be released to know the truth.

⇒The Lord revealed to me in one of my encounters that He is in the midst of the truth and whoever has the truth has God because wherever the truth is preached, He is there with all His power. The truth is a vessel of power and glory of God because when you see His truth, you see His power, you will see His glory. Healing, deliverance, prosperity is in the truth. As you receive the truth, believe the truth, embrace the truth, obey the truth, that is how we will have encounters with His power, glory and greatness. As you read your Bible, do you believe the truth and have you obeyed it? In this generation it is becoming very difficult to believe the truth of God. Are you one of those people who have become so scientific to believe the scientist more than the Word of God or you believe what you feel in your body or what you are seeing more than the truth?

•Father, help me to believe the truth that you have revealed, help me to receive it, obey it even when it doesn't make sense. Lord help me, I refuse to be scientific, I refuse to believe according to what I see, I refuse to believe according to my common sense or physical senses. Lord help me to believe the truth you have revealed, help me to embrace it, help me to obey your truth.

⇒A heart that is always set on the greatness of God can ascend the hill of the Lord. Caleb and Joshua were not seeing giants but they were seeing themselves as the giants because their hearts were set on the greatness of God and God was pleased with them and God granted only these two to enter the promised land. When you're passing through tough times, is your heart set on the greatness of God or you're focused on what is happening to you or you are looking at the strength of your suffering and are not seeing the greatness of God? In the midst of every situation there is a prevailing presence of God right there but it's only those whose hearts are set on the greatness of God who will see it.

•Father, give me a heart that is always set on your greatness, always focused on your greatness irrespective of what I'm passing through or what is going on in my life and body, despite how many forces of darkness are attacking me. Lord give me a heart that is always set on your greatness and doesn't consider the greatness of my situation being greater than you, a heart that does not consider that my present failures or addictions are greater than you. Give me a heart that does not consider that my weakness is greater than your greatness, Lord give me a heart that sees you as greater than all things all the time. Give me a heart that prays with faith in your greatness.

⇒A man that has not embraced darkness will ascend the hill of the Lord. It is a man that has not gone after false prophets or churches desperately looking for solutions. Some while searching for solutions have embraced satanic anointings, because some men of God carry satanic anointing; it is not God's presence they operate with but demonic presence.

•Father, deliver me from every darkness I have embraced that is not allowing me to know you, not allowing me to have fellowship with you, not allowing me to have your real presence, deliver me from such darkness. Every darkness I have embraced knowingly and unknowingly, through handkerchiefs, anointing oil or water, Lord deliver me. **\*Every darkness that surrounds your life, your spirit, home and environment blocking you from connecting with God's presence, let the fire of the Holy Ghost consume them now in the name of Jesus.**

#### VERSE 4

⇒Do you have clean hands? To have clean hands means that God is glorified in everything you do. It means you put God first in everything you do and you're not doing anything because of people but because of God. Before you do anything or take an action you think, is God pleased with this I'm about to do or say. What is the motive for you to do what you do?

•Father, help me to have clean hands, help me to glorify you with my lifestyle, my speech and actions. Father, help me to glorify you in my daily activities. Help me to do everything because of you not because of people, not to please people but to please you. Help me Father to do everything with the right mind.

⇒To have clean hands means also you do not join the people that are unclean to do unclean things. It means you separate yourself from people who are sinning, you come out from among them even if it means only you standing out, you don't join them.

•Father, help me to be sensitive to the pollution that is in this world so that I will not be entangled with them, so that I will reject them. Help me Father to be sensitive to the pollution and uncleanness that is in this world so that I will not be stained by them. The pollution that is in the lives of people, to help me to be sensitive to them so that I will not embrace their uncleanness. Help me Father to decide who to walk and talk with you in Jesus' name.

⇒To have clean hands means you do not collect bribes or give bribes. It means you do not get stained by money. Some money, you don't have to receive and some you don't give because money is one of those things that pollute us before God's presence. When it comes to money, we must be clean because the way you handle money can shut you out of God's presence and it can send you to hell.

•Father let me be sensitive not to be stained by money because I do not want to lose your presence. Lord whatever stain that is currently in my life because of money, Lord cleanse me with your blood, wash me with your blood. Lord help me not to get stained by money and whatever stain that is in my life because of money let your blood wash me, I repent, wash me with your blood. Lord help me not to get stained with money, help me not to give bribes, help me not to collect bribes, help me not to do wicked things to get money, help me not to join evil because of money, help me Lord.

⇒Father enthrone upon my prayer life a divine authority that cannot be defeated by darkness, that kingdoms of darkness cannot defeat. Lord enthrone on my prayer altar a strong spiritual authority that cannot be defeated, that cannot be embarrassed by the enemy. A strong spiritual authority that the enemy cannot overcome, let it come upon my prayer life, let it begin to follow my prayer life from this hour henceforth that whatsoever I decree, shall come to pass and whatever I do in spiritual warfare, shall grant victories. Lord put a strong spiritual authority on my spirit, my voice, my prayer altar for great manifestations of thee at this time, thank you Father in Jesus' name, Amen.

⇒. Father give unto me Grace to live holy and righteous at a time like this where everything around is against holiness, where the whole world is so full of darkness, Lord give me the Grace to live holy and in purity. Father at such a time as this, give me the Grace to live a pure life, righteous life, give me the Grace to please you, to obey your will and commandments. Father give me the Grace to please you at such a time as this where the systems of the world are against righteousness and the fear of God. Lord, I need the Grace to stand in righteousness at such a time as this where trials and temptations have gotten so strong, Lord give me the Grace to live a holy life. Give me the Grace to please you with my life, actions, thoughts and imaginations, give me the Grace Father in Jesus' mighty name.

⇒ Father, let your mighty hand be stretched forth against every demonic organisation, demonic establishment that is turning the hearts of your children against you, turning my heart against you, let them be utterly destroyed as you destroyed heathen nations before the face of Israelites. Lord destroy these organisations, every satanic organisation, demonic establishment, occultic establishment, Antichrist organisation, antiChrist establishments that is turning the hearts of people, the hearts of believers against God and the kingdom of God, turning many against the gospel, let your mighty hand uproot them, let your right hand of power utterly destroy them.

⇒ The kingdom of darkness has made unclean and unrighteous things the norms of society. The things that God hates so much, the devil has made them a normal thing in the society, they have transformed abominations into right things, normal things.

Every evil hand physically feeding me with poison, spiritually feeding me with poisons for my destruction, catch fire right now in the name of Jesus. Every evil hand feeding my kids with poisons, catch fire in the name of Jesus.

⇒ Oh God of Israel, locate for me my virtues of glory that have been enslaved and captured in the realm of darkness, search them out for me in the name of Jesus. My virtues of glory that have been held bound under darkness, in witchcraft covens, my virtues of glory that have been held under darkness in the marine world, my virtues of glory that have been held bound by demons, oh God of Israel search them out for me in the name of Jesus.

⇒ Place your hand on your belly. Fire of the Holy Ghost, flush out poisons of darkness that I have eaten, that I have taken into my body, spirit man and soul, fire of the Holy Ghost flush them out right now. Fire of the Holy Ghost flush out every poison of darkness I ingested into my body, soul and spirit. Fire of the Holy Ghost eliminate them right now, neutralize them right now in the mighty name of Jesus.

⇒ I saw somebody that couldn't walk but now is able to walk. It's not just physical paralysis alone, it can also be spiritual. Something that has been not working in your life for a very long time and suddenly starts to work. Because that thing is not working you are not moving forward but that thing is going to start working says the Holy Ghost

• Place your right hand on your head. Spirit of the living God, come upon my life, destroy every spirit of paralysis in the name of Jesus. Spirit of the living God, come upon my body, soul spirit, destroy every spirit of paralysis that has limited my progress for years, that has placed me in failure and delays for years, destroy them now. Financial paralysis, catch fire in the name of Jesus, marital paralysis, catch fire in the name of Jesus. Physical paralysis in my life, catch fire right now in the name of Jesus. Spiritual paralysis concerning my spiritual growth, concerning the fulfilment of my calling and destiny, catch fire right now in the name of Jesus. Every demonic paralysis in my life, be destroyed by fire right now in the name of Jesus.

⇒ In the name of Jesus, I rise into fulfillment, I rise into glory, I rise into greatness, I rise into victory, I rise into revelations of God, I rise into dominion. In the name of Jesus I rise into healing, into health, into deliverance, I rise to fulfillment of destiny. I rise into destiny, I rise into success, I rise into prosperity, I rise into breakthroughs and establishments, I rise into promotion in the name of Jesus. I rise out of the place of captivity, I rise into victory and glory, I rise from the pool of delay and stagnation, I rise into great progress and success in the name of Jesus. I rise out of the pool of poverty, debt and suffering. I rise into prosperity and greatness now in the name of Jesus. **\*Those of you who are finding it difficult to conceive a child I see you rising into the breakthrough of conception and childbirth in the name of Jesus and so shall it be in Jesus' name.**

⇒ Raise up your right hand. Father I acknowledge that I am hopeless without you and that I cannot succeed without you. I acknowledge that I cannot move forward without you, God visit my life in your mercy. Look at me, visit my life in your mercy, visit my situation in your mercy and help me. Father I agree that I cannot achieve any good thing without you, I acknowledge that I cannot move forward without you, Lord look at my situation, look at my case and come quickly to rescue me, come quickly to save me not by merit but by mercy, Father not because I deserve this but because of your mercy, come quickly. Lord I know without you I am nothing, Father help me for I am a failure without you, I cannot succeed or make progress without you. Lord come quickly to my help and save me. **\*By the reason of the anointing of the Lord upon my life, receive help now in the name of Jesus, receive help from heaven right now in the name of Jesus.**

⇒ The Lord wants to give some of you the Grace for fasting. When you have received that Grace you will not be hungry and instead of getting lean you'll be getting fat or bigger in stature and no one will even know that you're fasting and you won't even feel the hunger because you will be lost in the spiritual atmosphere where hunger does not exist. It's important you receive this Grace because of the miracles God wants to do in your life

• Place your right hand on your head. Father, give me the Grace for long days fasting, give me the Grace so that it will be so easy for me. For the sake of the miracles you want to release through fasting, Lord because of the miracles you want to do in my life, give me the special ability to fast for days at this time. Make fasting an easy thing for me, put upon me that Grace that will make me go for many days without food, give me the grace Father in the name of Jesus.

⇒ The Lord wants to put honour upon you so that those who mocked you before will come to honour, respect and celebrate you.

• Raise up your right hand. Father put your honour upon my life such that the people who have mocked and downgraded me will come to celebrate me for your namesake, Lord put your honour upon my life. Lord put your honour upon me, my spirit, soul, ministry, my physical appearance, upon my body, calling, career,

business, my marriage, let those that have ridiculed me, downgraded me see your manifestations and celebrate me, let your honour rest upon my life, let it remain upon me in Jesus' name.

⇒The Lord is showing me a witchcraft spirit that is following some of you, monitoring you. People in witchcraft can put their spirit upon you and use that eye they have placed upon you to monitor everything you do. They will use that spiritual monitor to see how far you have gone in life, what you have achieved, how successful you are or not.

•Raise up your right hand. In the name of Jesus I come against every witchcraft spirit closely attached to my life and situation, every witchcraft spirit following my life, let the anger of God waste them right now. Witchcraft spirit following my life around, monitoring the affairs of my life, let the anger of God waste them. You witchcraft spirits closely glued to my life, be wasted by the anger of God right now. **\*I decree over your life that every witchcraft spirit that has attached itself to your life to enforce sin, hardship, sorrow and all forms of predicaments, I decree let the anger of God fall upon them and waste them now in the name of Jesus.**

#### **PSALM 24 :4**

⇒To have clean hands also means to be obedient to every instruction that comes from the Lord. The more obedient we are to the instructions of the Lord, the more we become pure and clean. You're going to ask for forgiveness for not obeying a certain instruction the Lord gave you. If you vividly remember that God gave you an instruction at a particular time and you refused to follow that instruction.

•Father in your mercy forgive me for every deliberate disobedience, Lord forgive me I repent, forgive me right now. Lord in your mercy I repent of every deliberate disobedience I have committed, I repent. Father, I knew you were speaking to me and I did not listen, I knew you were leading me to the right path but I did not listen. I knew you wanted me to do something for you but I did not obey, Lord I am sorry, Lord I repent, Lord forgive me. Lord forgive me because I deliberately disobeyed you. I repent now, I am sorry thank you Father.

⇒It is a lie of the devil that says God only looks at the heart and not at the outward appearance. God also looks at how you look physically, only that in the context of the scripture that people use to justify their unrighteous living - means that God does not qualify us only by how we look, but we must have a pure heart, it does not determine who we are by how we look but it does not mean God disregards how we appear or look. If your appearance does not glorify God you can't tell me you are pure in your heart, it's not possible because the two are connected. It says he that has clean hands, meaning that physical appearance and a pure heart - pure hands comes before a pure heart. It means without clean hands there cannot be a pure heart, so if your physical appearance does not glorify God, you cannot be pure in your heart.

Everything we do with our body affects our spirits, it has an implication on your heart and spirit before God.

•Father, deliver me from every outward appearance and actions that are polluting my heart, making my heart impure before you. Lord deliver me from every outward behaviour, outward attitudes and habits, deliver me from every form of lifestyle, sinful dressing, sinful appearances that is polluting my spiritual garment before you. Whatever I am doing with my body that is polluting my spiritual appearance before you, Lord deliver me now. Lord deliver me from whatever action that I'm doing with my body that is polluting my spiritual appearance, polluting my spiritual garment before you, Father deliver me right now.

⇒The Lord is telling me that some of you believe your friends more than His Word. You believe more in what your friend says more than what the Word of God says. Who is your friend when God is speaking? You believe lies that are not scriptural than what the scripture says

•Father, help me to put my faith and trust in your Words and not in what people say. Father, help me to put my faith in your Word and will, and not in what people are saying or what my friends or parents are saying that are not scriptural. Lord help me to raise your Word above every other word in the name of Jesus, help me to raise your standard above every ideology of man, above every philosophy of man, help me Father in Jesus' name.

⇒This prayer point is for those who get angry so quickly. This is a demonic control, if you get angry quickly and you just react instantly and you don't even think twice.

•Place your right hand on your head. In the name of Jesus, I receive deliverance from every spirit of anger destroying my spiritual growth, destroying my relationship with God, my peace with God. I receive deliverance from every spirit of anger destroying my spiritual peace, that is destroying my relationship with people that God has placed in my life. I receive deliverance from an anger spirit that is promoting unforgiveness in my life. I receive deliverance right now. **\*I decree that the spirit of anger is removed from your life right now by fire in the name of Jesus, Amen.**

⇒To have a pure heart means to be baptized in the fire of the Holy Ghost. Fire is a spiritual element of purification; it is one of the instruments God uses to purify. If you're not baptized in the fire of the Holy Ghost, it will be difficult for you to have a pure heart and for you to live a holy life. Holiness is a product of divine power not just willpower alone. By willpower alone you cannot be pure but by the fire of God (fire is a dimension of God's power) you will be pure.

•Raise up your right hand. Father, baptize me now in the fire of the Holy Spirit for the possibility of purity in my life and heart, for the manifestation of purity in my heart and mind. Baptize me now in the fire of the Holy Ghost for the manifestation of purity, Lord I want to live a pure life because I know that is how to enter into your presence, that is how to attract heaven. Father baptize me now in fire because I want to please

you, because I want to live in purity, baptize me in fire now in the name of Jesus. **\*As many are desperate for this baptism of fire, receive it now in the name of Jesus. Let your spirit man receive fire, your soul receive fire, your body and mind receive fire now in the name of Jesus.**

⇒ To have a pure heart is to fear God to the point of hating sin with a passion, to be on the resistance against sin and pollution such that any unclean thing that comes into your mind you just block it instantly, you don't give it a second to linger. Only the holy ghost can do that because by willpower alone it is impossible.

• Place your right hand on your head. Father, place upon my spirit, soul and body an anointing of divine presence that will make me highly resistant to sin and worldly pollution. Lord put an anointing upon my spirit that will make me hate sin with a passion, put upon me a divine presence that will make me hate sin, unrighteousness, darkness with passion. Lord put upon me right now that anointing, that Grace and ability to resist pollution instantly as it is coming near to me, to resist corruption, sin and darkness and devils as they're coming close to me, put upon me such an anointing, do it now Lord Jesus.

⇒ The reason why the message of holiness doesn't sometimes sound interesting or powerful is because it is being preached by people who have not encountered the holiness of God. The people who've had real encounters with the holiness of God, when they preach that message of holiness, you will love holiness except you're not a child of God and you are not born again. In the book of Revelations, according to the revelation God gave me, the holiness of God is highly powerful, holy means to be powerful, to be holy is the same as highly powerful because it means that you have defeated every darkness, you have defeated Satan, demons, sicknesses, diseases, poverty, slavery and everything that darkness is doing. To be holy means that you have defeated every level of darkness. It's not only that you have defeated sin alone, but you have defeated everything that is dark being produced by the dark Kingdom. That is why the angels celebrate the holiness of God, and can't stop saying holy, holy holy, because that holiness is only possible by power. Holiness is the high level of power in heaven. The people who have received holiness impartation from God are highly powerful and the devil is afraid of them. These are people who can command things to appear physically and they will appear because they have attained that level of holiness of God. It is for your own good to pursue holiness because it does not do anything to God but it's for your benefit.

• Raise up your right hand. Father, I desire to be holy as you are, impart upon me your Spirit and power of holiness. Lord your Word says we should be holy as you are holy. I desire to be holy, impart upon me now the Spirit and power of holiness. Father impart upon my mind, heart, soul, and body the Spirit and power of holiness.

⇒ Purity means to conform to just one thing. It means you focus on one thing, you seek after one thing. Your passion and desire is just after one thing. Purity is not only about removal of impurities and pollution, it's all about sticking to one thing. When

you are removing pollution and sin, you are sticking to one thing which is Jesus. The reason why you pass the gold through fire it's because you're looking for pure gold so until you get pure gold you keep on destroying impurities in that gold to conform with that one thing, to one standard that is gold, that is Jesus. To be pure hearted you must not be distracted or entangled with the world, you need to be focused

•Father, I need to live in purity, keep me focused on you, keep me conformed to you always, Lord keep me conformed to your standard, to be focused on you irrespective of temptations around me, irrespective of distractions or of people's opinion, keep me focused on your standard. Let me not be distracted by the news, social media, entertainment, world, movies, or gossip. Lord help me to be focused on you and you are alone because I want to leave for you. Lord help me to focus on your will, your ways, your standards, help me to seek for you always, to seek for your Kingdom and righteousness always.

⇒To have a pure heart means you have been delivered from self-induced witchcraft. Witchcraft does not only have to do with demons, divinations, enchantments, there is more to witchcraft than that. It is very easy for you to become a witch or operate in the realm of witchcraft if you have not been delivered from self-induced witchcraft. Self-induced witchcraft is a witchcraft that has to deal with a controlling spirit. It's about being crazy getting your will done not caring whether it agrees with the will of God. You don't care what you are planning or what you want to achieve glorifies God or not, you don't care whether the way you are ministering is how the Holy Spirit wants you to minister. You don't care whether you are in alignment with the flow of the Holy Spirit, all you care is having your way whether God supports it or not. Self-induced witchcraft is a system of control whereby you deliberately reject God's control to have your own way.

•Father, deliver me from every controlling spirit that is making me reject your control, deliver me from the controlling spirit that is driving me to have my own way even when it means I am going against your will Lord, deliver me from such a spirit. Lord deliver me from the controlling spirit that is making me to reject your control over my life, calling and destiny, that is driving me to have my own will done and not regard you will or permit your will, Lord deliver me from such a spirit. **\*You are free from such a controlling spirit.**

⇒To have a pure heart means you are flexible, controllable, you yield to the Spirit of God

•Father, give me a heart that you can easily control and lead and use at any time. Give me a heart that is humble and meek, a heart easily controlled by your Spirit. Give me a heart that is so humble and meek such that it bows to your direction, operation and laws, a heart that always surrenders and yields to what you are doing and to what you want per time. Give me such a heart, give me such a nature.

⇒I hear the song in my spirit that says "I am going higher, yes I am. I'm going higher above the mountains, higher above the shadows". This song has to do with you

being lifted high above limitations and impossibilities. You have been lifted high above powers, principalities, darkness and obstacles.

•Raise up your right hand. Spirit of the living God, lift me up higher above every impossibility, limitation, above every darkness. Spirit of the living God, lift me higher to where God dwells, lift me higher to the place where you are. Spirit of the living God, lift me higher to where the Lord is, far above powers and principalities, far above poverty, reproach, weaknesses, far above corruption and sin, far above defeat. Spirit of the living God, lift me higher to sit in the place where the Lord is, to be in the place where Jesus is, lift me higher, thank you Father in Jesus mighty name, Amen.

Your desire to give to the work of God, to sponsor the things of God's Kingdom on earth, I decree that heaven shall honour that desire with great abundance, riches and wealth in the name of Jesus. Heaven shall make you so wealthy because of your desire to sponsor the things of God on earth and so shall it be in the name of Jesus.

All the angels of the Lord in your life that have been inactive, I decree that by the reason of the presence of God in this ministry, let those angels begin to work now for your favour. All the angels of the Lord connected with your calling, destiny and career, I decree that heaven set them in motion right now to begin operations for your success, progress and greatness and so shall it be in the name of Jesus.

I curse that spirit husband that has been tormenting you. I curse that spirit wife that has been tormenting you and I decree that the anger of God waste them all right now in the name of Jesus.
