WORD FROM THE LORD

1) Some of you, should stop feeding a lot on fast foods. That food you didn't cook yourself, you don't know who cooked it, how it is packaged or the kind of spirits in this food. The Lord is saying, that food is polluting you so you need to stop if possible eating that kind of food and start cooking your own food.

2) The Lord is saying some of you need to come to the school of the spirit. It's the place of Bible study, because you're not studying the scriptures God is calling you to the place of studying the Bible for hours.

3) Some of you are watching some things that are not godly on social media, online, TV, etc and these are polluting your eyes that is why you are not seeing visions like God wants you to. A lot of stuff that you are watching is polluting your spiritual eyes because your spiritual eyes are connected to your physical eyes(a lot of what you watch is polluted- dirty movies/films, polluted programs, sexually polluted things) and it's going to affect your spiritual vision. The Lord is saying you should stop that.

TESTIMONIES

TESTIMONY 1

[11/11, 21:02] +27 62 946 8***: I want to glorify the name of Jesus Christ for what he has done in my life. Since 2015 I was staying in one location at one compound until this year August. Where I was staying we were paying R750 for the room. To be honest, things were not well at all at home especially month end when we were supposed to pay rentals I could be totally out of cash. In December I decided that we have to take the kids for they were staying at home with my Mom, we couldn't send them all necessities so it was better to stay with them. When the kids came the situation became worse, sometimes I couldn't afford to buy bread for them or even what to carry to school, I have also a toddler and I could be stressed like if he messes this last diaper I don't know where I can find another one to put on. This situation took some time and end of July I shifted and went to a room that we were paying R1400, here I started seeing the hand of the Lord, our lives changed, we paid rentals double but we never reached the dry situation, we shifted again in October and where we are staying we are paying R1750 but we are happy, we are sustained, the Lord is providing for us in an amazing way. Mind you " the same payslip is the one which we were depending on all along as well as now " but the Lord is an Awesome Father, I want to glorify his holy name for he has done so much for me and I cannot tell it all, I surrender all my life to him, let him receive my thanksgiving forever. He is worthy of all the praise hallelujah. Hosanna in the highest.

But they let him go after driving for something like 2 hrs. They dumped him in another town, unhurt and during the ordeal they kept saying there's something unusual about this guy. All he needs to do is comply we will spare his life.

[12/07, 12:50] +27 73 785 ***: I am sure the " something unusual " they meant and saw, was the covering of God upon his life.

[12/12, 10:27 AM] +27 73 169 ****: Yesterday after midnight prayers, I logged into facebook and I found my former schoolmate online and there was something pushing me to apologize for something I did to her back in high school. I asked her contact numbers from inbox, she gave me.

I went to WhatsApp and told her how sorry I am about what I did, she said she remembers everything but eventually she accepted my apology. I slept, then a few minutes after when I was asleep I had a strange feeling that I can't explain, its like something was entering or leaving me, really I don't know what that was, or how to explain it. I prayed just when it happened, it wasn't a bad feeling but it wasn't strange. Have u ever experienced something like that my brother? If you have someone you have wronged and haven't apologized to, does it hinder your prayers?

[12/12, 12:01 PM] Aanuoluwapo Alebiosu: Yes, I believe it was the Spirit of God that moved you to go and make peace with that your former school mate and what
