PRAYER POINTS

(827). Father, thank you because I can trust in your strength, thank you for sharing your strength with my spirit, thank you Lord because I can have victories by your strength not my strength. Thank you Lord because I can overcome the enemy with your strength not my strength. Father, thank you because I have access to your strength and I can draw from your strength, Lord thank you because I can fight with your strength, thank you for making your strength available for me. Thank you because I can pray with your strength, I can move forward by your strength, I can possess my possessions by your strength, not by my strength, I can now have great victories by your strength. Thank you for giving me your strength, thank you Jesus, I can receive miracles by your strength not by my strength.

DANIEL 11:31- 32

(828). Another kind of fasting is dying to the flesh. Some time ago God showed me Jesus dying on the cross and He said that is fasting. To be nailed to the cross, to be crucified, to nail or kill your flesh, that is fasting and it is a daily sacrifice. Apostle

Paul says I die daily, your flesh is daily sacrifice. When every day you die to the desires of the flesh, carnal interests, your own carnal desires and decisions, that is how fire will continually burn on the altar, when you die to the flesh everyday. The fire of God will not rest upon you if you don't die to the flesh, you have to die for the fire of God to continue burning, you have to die for the glory of God to rest upon you, for the anointing to flow in your life and through you, you have to die to the flesh for the Holy Ghost to move mightily in your life and through you. You have to continue to die to the flesh every second, every moment.

⇒. Father grant me the grace to die to the flesh, to myself, every moment of my life, every second, in every minute of my life, Father give me the grace to continually die to this body of sin. Lord help me to die to the flesh because this is a daily sacrifice that must happen in my body, soul and spirit. Lord help me because this is how I am going to connect with your glory, help me Lord Jesus.

(829). Part of dying to the flesh is to renew your mind. You refuse to be carnally minded and you put on the mind of Christ. You reject the mind of a human being and you put on the mind of Christ, you refuse the mind of the adamic nature because as humans we are naturally under the control of the adamic nature and sinful nature, so you need to reject that mind that is always dominating your heart and then put on the mind of Christ. As you do this things will be going on in the realm of the spirit and that is the daily sacrifices, as you do this, heaven is rejoicing, heaven is happy with your life and heavens are open over your life. The Bible says to be carnally minded is death, to be spiritually minded is life and peace. There are no shortcuts to connecting with the glory of God and the power of God. Everything lies inside of you, so if something is wrong with your soul you will be disconnected from God and that is how it works, that's the Word of God for you. If you don't renew your mind, you will be naturally disconnected from God.

⇒. Father grant me the grace to renew my mind daily, grant me the grace to refuse and reject the carnal mind and to put on the spiritual mind in every hour and moment of my life, Lord grant me this grace because I am ready to be strong and you said I must be strong. Lord grant me the grace to reject the carnal mind, to reject the adamic nature and mind, and to put on the mind of Christ, to put on the spiritual mind and renew my mind, to exchange my mind for your own mind. Lord give me the grace for these things.

(830). The greatest battles from the kingdom of darkness are not from the outside but are from the inside. The greatest battle from the kingdom of darkness is not the attack coming from your mother's house or father's house, or witchcraft attacks, from the shrine or demonic altars, or second heaven, those are not the greatest battles. The greatest battles lie inside the soul, the greatest battles are won in the mind. Most Christians are not willing to fight these battles because we so much love the darkness, we love ourselves more than we love God, that is why we are not always willing to fight the battles in our souls. We are selfish, self-centered and hate God though we claim to love God but with our lips, we hate God in our souls because we

cannot obey Him because we love the things of this world and we love ourselves. There are battles inside you that you must win, they are inside of your soul and you must overcome them because these are the greatest battles.

⇒. Father I surrender my soul to you, Lord change me, transform me to be like you in reasoning, thinking, actions and in everything I do, Lord help me to overcome the battles within the soul, the power of sin in the soul, the power of sin and flesh inside of me. Lord help me to overcome the battles in the mind, that is in my soul, help me Lord Jesus. Lord transform me, begin to deliver me from inside my soul, inside my mind and change me to the man/woman you want me to be. Change me to become like you, give me your nature of righteousness, your nature of purity and love, I know that I cannot love on my own but you can help me to love you, to love my neighbours, help me Lord Jesus.

(831). There was a time I was offended deeply to an extent that I was going to disconnect myself to the person who hurt me but the Lord said I must love that person despite, the Lord commanded me to love that person despite having a lot of reasons why not to love that person because it was a great offence and I was deeply wounded in my soul. The Lord said, I have to love that person because He had loved me when I was a terrible sinner. Maybe the problem with you right now is not that you are not doing enough for God to intervene in your situations. Many of us here have prayed and love to receive the miracles, we have fasted enough, maybe the only thing you haven't done you haven't loved enough, you haven't loved God and your enemies enough. You have to love your enemies, even to forgive those who hurt you. Until you love enough, some miracles will not happen in your life. If God does not forgive your sins, how will your prayers be answered because God does not answer the prayer of a sinner and also the devil will use the sin of unforgiveness to terminate the answers coming from heaven to you.

⇒. Father help me to love enough, to love my enemies, to love those who despise and attack me. Help me to forgive those who have hurt me. Lord Jesus help me to love enough, help me Lord.

(832). Giving is part of daily sacrifices. In the days of the apostles they encouraged people to give, not because they needed money but they encouraged them to give so that they would be free from the spirit of greed, that they could be delivered from the spirit of covetousness. The reason why we give is not because the person we are giving to will not survive or will not find help from elsewhere, or the work of God will not prosper, all these will prosper whether we give or not. The reason we give is God will deliver us from the spirit of covetousness and greediness which is killing a lot of people even men of God. There are some people who keep piling up things whilst there are people out there who need those things and by so doing that promotes greed and because of that you will never be satisfied and you will always want to gather things for yourself by any means and no matter how much you are getting, you cannot give out. Also there are some blessings you will never receive

from God if you don't give. Yes there other blessings you can receive without giving but they are some blessings you will never receive if you don't give.

⇒. Father give me the grace to do well in giving, let me give and know that heaven will be impressed with my giving. Lord let me give enough in such a way that you will be impressed with my giving, help me Lord to give enough.

(833). A sacrilegious object is something which is unclean, profane, unholy; something that is against the righteousness and nature of God, against the standard of God. The Word desecration means to abuse what God set apart for Holy usage, things set up only for holy things. The antichrist will set them up in the temple of God and you are the temple of God. What is it the devil is doing in your life that is making you to appear like an abomination in God's presence? What is happening in your life that has defiled you and God cannot look at you?

⇒. Raise up your right hand. Father take me into the pool of the blood of Jesus and wash me, wash me clean from every uncleanness, every pollution and defilement of darkness. Lord everything in my life making me an abomination in your presence, Lord take me to your blood and wash me. Wash me, wash me, my body, wash my soul, wash my spirit in your blood until I'm clean because my body is your temple and my temple must be holy. Take me into the blood of Jesus and wash me until I am clean, until I am holy and pure. Lord I want to appear holy before you, a living soul, a living sanctuary before you not a dead Christian but as a spiritual Christian, spiritually alive and clean.

(834).The Lord is showing me that the devil has set up a standard that is making God to draw far from you, in the lives of some of you. It could be in your mind that the devil has set up the standard. The strongholds Paul wrote about are strongholds in the mind, he said every high thing that exalts itself against the holiness of God. Maybe the devil has said something in your mind above the knowledge of God and you have embraced that thing, you have believed it and God is not close to you because of that.

⇒. Father whatsoever the devil has set up in my life that is chasing you far away from me, Lord let your fire break them in pieces. Lord everything that has been set up by the kingdom of darkness in my life to reject your presence, everything set up by the kingdom of darkness in my family, marriage and home to reject your presence, Lord let your fire consume them, let them be crushed by your mighty hand. Lord crush them, pull them down by your mighty hand in Jesus' name.

(835). The Lord is showing me something that has been set up in your life which is rejecting God's visitation, God wants to visit you but every time God sees that thing, He cannot touch you. He wants to help you but everytime He comes around and he sees that thing He cannot help you.

⇒. Lord I open up my life unto you, whatever you don't want to see in my life, Lord uproot them now, whatever the devil has set up in my life that is withholding my life from your visitation, preventing my life from your touch Father in your mercy destroy

that thing. Lord let that thing be uprooted right now, whatever it is let it be destroyed. Everything the devil has set up in my life to reject you from touching me or helping me, Lord let them be destroyed, I open up my life and heart to you, let them be uprooted in Jesus name.

(836). Prayer for those of you with children. The Lord is showing me that the devil is trying to penetrate into the lives of your children or one of your children and the devil is trying to stop what God wants to do for your family through the child. When the devil has possessed that child, he's going to be using that child to stop what God wants to do for your family. He is trying to gain entrance into your family through that child (especially if that child is staying with you) so that heaven will be closed over your family because of that child taken over by the devil.

⇒. In the name of Jesus, every devil and demon that wants to take possession over the lives of my children, I bind you in the name of Jesus, I cast you out of my family in the name of Jesus. Every demon that wants to take possession of the lives of my children, I bind you in the name of Jesus, I cast you out of this family in the name of Jesus. ***Any devil or darkness that wants to take possession of any of your children, I bind that devil in the name of Jesus, I bind that demon and darkness, I cast them out of that family, out of that home forever in Jesus' name, so shall it be in Jesus' name.**

VERSE 32

(837). This is talking about christians who have backslid or are already on the way to backsliding, it says they are going to become prey to the antichrist. By backsliding, I mean Christians whose lives are not pleasing to the Lord, Christians who have become lovers of sin and they no longer fight it but they are now practicing it and loving it. These Christians are going to become prey to the antichrist and the antichrist will easily take over them and they will automatically be initiated and eventually sent to hell by the antichrist. You must not be among that category because of the evil that is upon this generation is a great darkness, it has already come upon us and you must not be part of those that have violated the covenant, once you do you become a prey to the antichrist. Do not be a christian that loves sin and loves committing it and you don't feel bad or remorse about it. You need to have the fear of God because when you have the fear of God you will not willingly commit sin.

⇒. Father give me the fear of God, let the fear of God prevail in my heart, let it prevail in my spirit so that I do not enjoy committing sins because that is against christianity. Lord I do not want to be addicted to sin, give me the fear of the Lord. Lord, I don't want to enjoy telling lies or being under hatred, anger or pride, I don't want to enjoy them anymore but I want the fear of God to prevail in my heart. I don't want to enjoy fighting, quarreling and slandering but God give me the fear of God, let the fear of God prevail in my heart. Let your fear preserve my heart because I do not want to violate your covenant.

(838). The antichrist is going to be using the weapon of flattering people. Flattering meaning that he's going to try to make people bigger than they actually are, a way of promoting pride. The antichrist is going to gain some Christians by pumping in the wind of pride and the Christian to start feeling bigger than they are.

⇒. Father get rid from my life every wind of pride the enemy is pumping into me, get rid of them for me, I refuse pride, I reject pride, I reject arrogance. Lord every pride the enemy is pumping into me to destroy me, Lord get rid of them from my life because pride leads to destruction, I refuse it, I reject it in the name of Jesus. Anything the devil is doing to make me so full of myself, oh God let that thing begin to fail in the name of Jesus.

(839). To flatter is to promote self, to promote the flesh. What people are embracing more at this time even in the church are the things that exalts the flesh, it's a shame that's what people are now celebrating and exalting. Especially beauty, there is a great darkness in the realm of beauty, many Christians are so full of themselves they have been taken by the darkness, they are just looking for physical beauty but not looking for the beauty of their souls. By chasing the physical beauty, they have been overtaken by great darkness. I don't know what the devil has done to make you so much aware of yourself or to concentrate so much on yourself and not concentrate or think on Christ or God's Kingdom.

⇒. Father use your fire to destroy everything the devil is doing in my life to promote myself, to promote my flesh, to be too full of myself, Lord release your fire and destroy them all. Lord I come to you, I surrender to you, whatever the devil is doing to raise and exalts the standard of the flesh, to exalt self in my life oh God destroy them by your fire.

(840). Father I remove myself from every trap I have willingly entered into in the process of pleasing my flesh, exalting my flesh, I remove myself right now in the name of Jesus. As I am removing myself, Lord deliver me. Lord I remove myself from every trap I willingly entered in the process of satisfying my flesh, promoting myself, Lord let my deliverance be done right now. As I am removing myself, let me be delivered by your mighty hand forever from that thing in the name of Jesus.

(841). It says the people that know their God will be strong and will resist him. If there is ever any time people will need to know their God, it is now because the antichrist is seriously after your soul. The antichrist is coming full force to weaken and destroy everything that has to do with Christ, so now is the time for you to know your God, not know your pastor or prophet but know God for yourself. You cannot trust in your prophet or pastor at this time because it's now time for a personal relationship with God. It's time to know God for yourself before you know Him for others because now you have to save your own soul.

⇒. Father, I am ready for a very close intimate walk with you, help me to know you. Help me Lord, I am ready now, I'm ready now to know you face-to-face, I'm ready to

know You by your voice, I'm ready to know You by your revelations. Lord I want to know you very close but help me Lord to know you.

(842). For as many are so hungry to know Him, God is coming for you because you are so hungry Him at this time.

⇒. Father, as I am full of hunger for you at this time, Lord visit me and draw me closer to you. Use everything around me to draw me closer to yourself. By many revelations, visitations and encounters, Lord draw me closer to you and let me know you for I want to know you. Draw me closer, I want to know your heart, I want to hear your voice, I want to have personal fellowship with you like a father and son, like a husband and wife, help me Lord.

(843). When the Bible says the people who know their God shall do exploits, this is implying that there will be so much darkness that there will be so much of confusion and deception and the darkness is already upon us. People will start doubting whether they have the Spirit of God or not, whether they are born again or not because the darkness will confuse and deceive them. It also means some people will begin to have revelations of another Jesus, another Jesus will start appearing to people, this demon will be saying I am Jesus and people will be so deceived to believe that. If you do not know God now, you might be part of those who will be deceived and seriously confused.

⇒. Father I do not want to be confused or deceived by the darkness of this age, Lord whatever you will do that will help me to know you closely, Lord do it now. Whatever you will do to me that will take me closer to you, Lord do it now because I do not want to be overtaken by this present darkness. Oh God of Israel whatever you must do to my body, soul and spirit in order for me to know you intimately, Lord do it now because I do not want to belong to the antichrist Kingdom, I don't want to be a slave to that darkness I don't want to be confused, help me Lord Jesus.

(844). The Lord told me to tell you just like last time to be strong now because if you're not strong, the antichrist will stop you. The kingdom of darkness will be able to stop you and if they succeed it means what God wants to do for you will not happen because they would have prevailed over your life. There is a connection between knowing God and being strong.

⇒. Father give me revelations that will enable me to be stronger than the strength of the darkness of this age. Lord give me revelations of you, give me understanding of your nature, understanding of your word, understanding of your will and personality that will enable me to be stronger than the darkness of this age, Lord give me revelation and knowledge of you because knowledge is power. Help me Lord to gain so much knowledge and revelation, to be stronger than the darkness ruling at this time.

(845). The Lord keeps telling me to tell you to be strong, very strong now otherwise you will not win the battle. You need to be strong enough to win the battle and I don't know how strong enough you want to be strong.

⇒. Father let my spirit, soul and body be strengthened by the Holy Ghost and fire for victories in every battle that confronts me. Lord strengthen my spirit, soul and body by your Holy Ghost and fire, strengthen me in the Holy Ghost. Lord use your Holy Ghost to strengthen me, use your fire to strengthen me and let me be strong enough for victory at this time, I refuse to be defeated by darkness, let me be strong enough for victories at this time, strengthen me with the Holy Ghost and fire in the name of Jesus.

(846). The Lord is telling me that the devil is using worry, anxiety to weaken some of you. There's something that happened to you in the past and the devil keeps bringing that thing into your mind and every time it comes up in your mind, you become weak. There's a particular thing that once the devil brings it to your heart, you can't pray, worship God or study the Word of God, that is the weapon the devil is using to succeed over you and the Lord is saying you must resist him.

⇒. Father let everything the devil is using to weaken me, whatever thing the devil is using to successfully weaken me, Father, I receive strength to resist him from today, oh Lord strengthen me to resist him and resist that thing. Anything the devil has been using to successfully weaken me in my mind, in my heart, and spirit, in the name of Jesus, I receive strength to fight, to resist him and resist that thing, I receive strength to defeat him in the name of Jesus. ***I prophesy strength upon you right now, receive strength. I speak strength over you, receive strength in the name of Jesus.**

(847). God wants His people to do great exploits even in a time like this, even when the government says there's a great recession, there is no money. God is saying you can make money, you will be so wealthy even at a time like this. So in a time when it feels as if the devil has defeated thousands and millions, God is saying even in a time like this, miracles do happen, people will fulfill their destiny, people will be great. That means God is about to reveal His great power even at a time like this. If there are people that will believe Him, He's about to reveal such a great power that has never been seen in the history of the earth. He is about to reveal His great power in your life that has never been seen before and has never been experienced or heard before.

⇒. Raise up your right hand. Father as you have promised in your scriptures, Lord reveal your great power in my life at this time and let me do exploits, let me prosper too much at this time according to your great power. Lord reveal your great power in my life at this time, Lord I am available for that, I release my life to you for you to do that in my life. Lord reveal your great power for manifestations of great exploits and great success. Lord reveal your great power in my spirit, in my soul and body, in my ministry reveal great power and let there be manifestations of signs and wonders, mighty miracles, unusual miracles, strange and undeniable miracles, let there be manifestation of such miracles according to your power.

(848) . Raise up your right hand. Lord at this time, reveal your great power in my life and situation and let there be manifestation of signs and wonders, mighty miracles never been heard before in history, Lord I lose my life to you, I surrender my life to you, reveal your great power. Lord do it now I am available for this demonstration of power in this season, I am available for the manifestation of mighty miracles, Lord do it now I will not doubt you in this season, I will not doubt.

(849). The Spirit of God was asking me, how do you pray that God is going to answer? He said you pray that prayer without a single doubt and God will answer. Jesus and the apostles of old when they were doing miracles, they did not doubt God to answer the prayer. They did not have doubt because they knew God would answer their prayer. How have you been praying? Have you been praying as if God might answer or not, or you were praying because you know he was going to answer? Now you have to pray like somebody who knows that God is going to answer your prayer tonight. The reason the Holy Spirit was showing me this is because God has come down on earth to do mighty things for those that will pray with that kind of faith.

⇒. Raise up your right hand. Father, I request a gift from you before the end of this year, a gift that will lead me into great progress, a gift that will give me great establishments, Father give to me that gift because I know you will give it to me. Lord I request a gift that will move me forward beyond every limitation, Lord I request right now a gift from you that is going to give me great elevation and promotion, that will change my name, that will make people call me with an honorable name because of that gift. A gift that will make me to be celebrated, Lord give me that gift before the end of the year in Jesus' name.

(850). Pray this prayer with the same faith as before.

⇒. Raise up your right hand. Father everything in my life that is causing shame and reproach in my life, let that thing be permanently removed from my life. Whatever is in my life causing shame, making the enemy to mock You, making the enemy to mock me, let that thing be permanently uprooted in the name of Jesus. Lord permanently remove that thing, remove every object of shame, reproach and distress from my life, family, business, career, marriage, calling, destiny, and marital destiny, remove the object of shame and reproach, Lord remove it now because I know you have answered this prayer. Remove it permanently Lord, in Jesus name we have prayed, Amen.

(852). In the name of Jesus I bind every spirit assigned from the dark Kingdom to turn my mind against God's mind, to turn my mind against righteousness, against wisdom and truth, I bind you spirit and I cast you out of my life in the name of Jesus. Every spirit assigned to turn my heart against the mind of God, against the truth, against righteousness, against purity, against the Holy Spirit, I bind you right now in the name of Jesus, I cast you out of my life forever in the name of Jesus. Every spirit working in my environment trying to turn my life against the Spirit of God, trying to turn my mind against the move of the Holy Spirit, trying to channel destruction from the flow of the Spirit of God, let them be driven away from my life right now by fire in the name of Jesus. ***Every spirit that has clouded your mind, assigned to turn your mind against the move of the Holy Spirit, against the mind of God, against the truth, I bind that spirit right now and I cast that spirit out from your life forever in the name of Jesus.**

ISAIAH 60:1

(853). You have to rise because the glory of the Lord is shining upon you, because there's a light on you that the glory of God will illuminate. The Bible says we are the light of the world, every Christian is a light because the presence of God is in You, the source of that light is God and He's inside of you. So you shine because you are light because God is in you and you have to rise, which is the first commandment. Which means if you do not rise you might not shine, it takes strength to shine the light that you are.

⇒. In the name of Jesus, I come against every power of darkness that has crippled my spiritual life from rising, let the fire of God consume them right now in the name of Jesus. Every power of darkness that has crippled me in the spirit, crippled my life in the spirit, crippled my destiny in the spirit, to stop me from rising and fulfilling my calling and destiny, let the fire of God consume them right now. I come against every power, every witchcraft that has crippled me in the realm of the spirit from rising, be destroyed by fire in Jesus' name, be destroyed by the anger of God in Jesus' name, be destroyed right now in the name of Jesus. Every power that has crippled me

spiritually, crippled my spirit from rising to where God has assigned for me to be, let that power be destroyed by fire in the name of Jesus.

(854). This verse is talking about you and me because we are the Israel of God according to the bloodline of Jesus Christ. Jesus redeemed us, we have been grafted into that bloodline through Him, so we are the Israel of God in this generation that's what the scripture is talking about. God is saying you have stayed long sitting down being oppressed, being crippled, He is saying this is the time to arise. Why are you rising? because it is time for your light to shine. Everything is possible in tonight's prayer session unless you turn it impossible for yourself through doubt, you have to pray with faith.

⇒. Father I receive strength from you this hour to rise to manifestation. I receive strength to arise and overcome all battles against me, I receive strength to possess my possessions. Father I receive strength to rise. Lord, it is my time to rise, my time to break barriers, to break limitations, to possess my possessions, my time to become who I am in you, it is my time to rule over my oppressors. Oh God, it is my time to be victorious in every battle, strengthen me right now as I am standing before your throne. Lord strengthen me, for it is my time to rise, strengthen me for my rising.

(855). Why does shining have to do with rising? If you study the sun, it is known that the sun rises and it sets. For the sun to shine it has to rise, for example, you cannot light a candle and put it under the table but the candle has to rise, has to be put on a candlestick so that it will illuminate the room, so it's the same with your life, if you do not rise you cannot shine. If you do not rise, the glory that God has placed inside of you will not shine. There is a great need that you rise at this time.

⇒. Raise up your right hand. Father, I refuse to be limited at this time, Father make provision for my rising, make every provision available for me to arise and shine, for the glory you have placed in my life to rise and shine, for my calling to rise and shine. Lord every provision that is going to break the limitation of darkness from my rising, Lord make that provision now. Every grace, every help that I need to rise, send it now, every opportunity for me to rise, to become whom you have placed me in this world to become, let it be supplied from heaven right now in Jesus' name.

(856). If you are going to shine the light, you need to understand what that light you have is, for it to shine. How am I a light? What is the light that you have?

The righteousness of God in you is the first light that you have to shine for everyone to see. Every Christian has the righteousness of God in them because the presence of God is in you though we have not allowed the righteousness of God to spring forth. The righteousness of God is the life that is in Christ Jesus, so when you give your life to Christ, it is an exchange of life. You gave Him your life and He gives you His life, that is what happens at salvation. You give God your life and He gives you his own life, because your own life is nothing, it's useless and worthless, sinful and everything about your life is weak, defeated, polluted, dark and corrupt. That is why we have to lay our life down, give it over to be crucified, then He will give you the life

you are supposed to live. So now you have to live the life God gives you, not for you to live your own life anymore.

⇒. Raise up your right hand. Father, I surrender my life to you, give me your own life to live. Father I give up my life for you to give me your own life to live, from today I don't want to live my own life but I want to live your life, the life that is in you. God of Israel, Lord Jesus I give my life unto you, I surrender my life to you, from today onward give me your own life to live. I want to live the life that is in you, Lord take my life and give me your life.

(857). The reason why every soul on earth that doesn't have Jesus have failed and their destinies have failed is because the only person that would give meaning and fulfillment to their destiny is Jesus. No matter how great your destiny or talent is, the only person that can give meaning and fulfillment to it is Jesus. Everyone comes with a destiny, no one is just existing for nothing here on earth. There is a destiny you have in God there is a purpose for your existence and that purpose will never come to pass if you continue to live your own life. There is a need for you to live the kind of life that will fulfill your destiny, if you don't have that kind of life you will never fulfill destiny.

⇒. Father give me the life that I must live to fulfill the destiny you have placed upon my life, Lord show me the life that I must live to become the person you want me to be. Lord the kind of life that I have to live to fulfill the calling and destiny you have placed upon me, Lord show me that life, give the new kind of life that I must live, Lord give it to me.

(858). Operating, flowing or operating in the realms of God's glory is like fish in a river. For fish to dive deep into the deep waters, that fish has to have an ability to survive in the deep waters, to breathe despite the depth of waters. Any other creature that wants to become like a fish must be able to dive into the depths of water, that creature must have the same ability or life that is in the fish. There are some levels of glory you can never attain, until you possess the kind of life, to reach that kind of glory. Many people want God to use them. They want to walk in the dimensions of the miracles, where creative miracles happen, the dead rise to life but they do not have the kind of life that can work in that realm of glory. If that life is missing, when you are in that glory you will not know it and if you know don't it, you can die. Anything that is inside water, if it cannot swim will drown and die. There is a life that will qualify you and enable you to enter into the glory of God.

⇒. Father the life that I must possess to enter and operate in your glory, Father give me that light. Transform me into that nature and personality, that can walk in your glory, operate in your glory. Lord give me that light, transform me into that person that can carry your glory, that can enter into your glory, function in your glory, manifest in your glory, and operate in your glory, Lord give me that life, that will qualify me for your glory.

(859). The righteousness of God is the first light that you must shine. Many of us are addicted to things that do not allow the righteousness of God to rise and shine. We are entangled with many things that pertain to the flesh, with things of this world and it's making it difficult for the righteousness of God in us to rise and manifest. There is a great need for the righteousness of God to rise from within you and I don't know what is keeping you from letting the righteousness rise.

⇒. Father, I surrender unto you everything that has glued itself with my life that is preventing your righteousness from rising in me and spreading and shining out, Lord let your fire remove that thing from my life. Everything I have attached myself to, Lord detach them from my life by fire, I surrender into you. Whatever or whoever I have brought myself to, that I have attached my life to, be it material things, money or sins, whatever thing within me, oh God separate me from them by fire, remove them from my Life by fire. ***I decree that you are released tonight from all the entanglements stopping the righteousness of God to rise. As you have surrendered and are willing to be freed from ungodly relationships, pornography and everything that defiles, I decree that tonight you are released forever in the name of Jesus.**

(860). Why is righteousness the first light you must shine? It is the first light because heaven is going to be attracted to you according to what is coming out of you. The Bible says what goes into a man is not what defiles him but what comes out of him, of his heart is what defiles him. If righteousness is not coming from within you, heaven is not going to be attracted to your life. The secret of a man of God who prays a simple prayer and there is an instant manifestation of answers, the secret is the righteousness of God coming out of that man. When heaven sees the righteousness of God in you, your prayers will be answered quickly. When the righteousness of God is coming from within you, the angels of God are quicker to help you than they are to help anyone else. The righteousness of God is so important to miracles and to seeing prayers answered.

⇒. Father from today, let your righteousness continually Spring forth from my life to attract heaven upon my life, let your righteousness continually spring forth from me to attract heaven, to command and to authorise open heavens. Lord let your righteousness continually flow through my life so that there will be open heavens. I understand that righteousness is what exalts a man. Lord from today, I surrender my life, let your righteousness continue to flow, continually spring forth from my heart.

(861).The righteousness of God is connected to the Word of God, that is why every Christian must be full of the Word of God, that is how you will shine your light. I don't know how much of the Word of God is inside of you? You can read many books, motivational books etc, but if you're not reading the Word of God, you are not going to be able to shine your light.

⇒.Father put in my heart a very strong hunger for your Word, that I will not be satisfied until I study and meditate on the Word of God. Lord put this hunger in my heart that I will not be comfortable, I will not be satisfied until I study and meditate on

your Word, Lord put that hunger upon me that I will not be able to talk to anyone until I studied the Word, help me Father in Jesus' name.

(862). The other thing is the presence and leadership of the Holy Spirit in you, this has a lot to do with the righteousness of God springing out of your life. The presence of the Holy Spirit comes before the leading of the Holy Spirit. The Holy Spirit cannot lead you when you are in the flesh, but it will be easy for the Holy Spirit to lead you when you are in the spirit. When you are in the spirit, you are under the network system of heaven and you will be properly led than when you are in the flesh, which will be difficult.

⇒. Father give me the grace to continually abide in your presence, continually live in the spirit, walk in the spirit so that you can lead, direct and guide me. Lord the grace to always be in your presence 24/7, even when I am at work, I'm in your presence; when I am cooking, I'm in your presence, let every hour of the day and every moment for me to be in your presence. I don't need a prophet to be led by the spirit, all I need is to be in your presence and I know you will lead me. Give me the grace to abide and continually walk in your presence.

(863). To walk in the spirit you must deny the flesh, there's a part for you to do and then there is God part too, which has to do with grace. You have to reject the flesh, you have to hate the flesh. In some of us there is not much force rising from within against the flesh that is why there is not much grace helping you to walk in the spirit, because there's not much energy coming from within you against the flesh. You must hate the flesh in order to overcome and walk in the spirit

⇒. Father, strengthen my desires to hate the flesh, to deny the flesh, passion to hate sin, to deny the flesh so that I can connect with you. Lord strengthen my desire to hate the flesh, unrighteousness and sin, to hate pride, telling lies; strengthen me to hate all the works of the flesh with a passion, for me to be able to connect with your grace. Strengthen my desire Lord, to hate these things in Jesus' name.

(864). Now we will look at the leadership of the Holy Spirit. You need the leadership of the Holy Spirit. There's an anointing in this ministry that is so strong, anointing of divine guidance and leadership because there are so many angelic ministrations and interventions in this ministry. I want you to connect with the grace in this ministry to lead, guide and direct you.

⇒. Raise up your right hand. Father put upon me tonight your grace for divine direction, grace to be led by the Spirit, anointing to be led by the Spirit, to know what to do per time, to know what to say per time. Lord, the grace to be led by the Spirit, to hear your voice, the grace to have a strong discerning spirit, to correctly discern what is wrong from what is right, Lord give me that grace right now. Lord, the grace to be accurately led by the Spirit without mistake or error. The grace for angelic ministration, angelic dreams from heaven, Lord give me that grace.

(865). Lord withdraw everything that I am involved in that is not in line with your plan and purpose for me, lord withdraw me from those things now. I do not want to be in things and places that are not your will for my life. Lord withdraw me from those things right now in Jesus' name.

(866). The second thing to the light that you must shine is, your assignment or calling, or your divine purpose in destiny. Why are you here on earth? There are so many Christians who do not know why they are Christians, or why they are born again, why they are part of the church or the body of Christ. They are trying to do a lot of things and see which one would work for them but that is not Christianity and that is not the kingdom of God. There's an assignment you have in destiny: something God is expecting from your life, a call of God you have to fulfill.

⇒. Father open my eyes and understanding to see and know and understand my assignment in destiny. Lord I want to know why I was born in the particular year I was born, why I was born in the country I was born in and why I was born by the parents who bore me, why I am still alive today, open my eyes to see why you have placed me here on earth. Open my eyes and understanding to comprehend my assignment in destiny.

(867). It is very important for you to know and understand your assignment in destiny because everything that heaven has ordained and arranged for you before you were born is all connected to that assignment you have in destiny. Everything that God and the angels will do for you is according to the reason why you were placed here on earth, that means if you are not walking in that purpose, all that God provided before you were born will not happen to you. Many Christians don't care because they already have what they want to become and they don't care about God's purpose for their lives and that's why many Christians are suffering because we are not living according to His purpose for our lives. You need desperation to know why you are here, include fasting and prayer in your desperation to know why.

⇒. Lord use everything possible, visible and invisible to show me my divine purpose, to explain to me in detail why you placed me here, my assignment in destiny, Lord use everything around me to show me my divine purpose. Oh God of heaven and earth, I want to know why I am here, use things around you to show me why I am here.

(868). Your assignment in destiny is connected to your talents, your skills and abilities. Some of you were not taught the skills that you are good in, so your assignment in destiny is connected to things that you just love to do and you are happy and enjoy doing those things. Those things are connected to your assignment and destiny. Maybe you like business and there might be your assignment in that business, you might not know until God begins to show you.

⇒. Father, reveal to me your assignment in those things that I am passionate about, in the things that I love to do naturally. Lord reveal to me your assignment for me in everything that I am passionate to do, in every skill and talent that I am good at,

show me your assignment in those things so that I may use my skills to do them so that I may fulfill that assignment. Lord, show me your assignment in every ability and skill that I'm good at and naturally love to do, show me how to use this thing to serve your purpose on earth.

(869). It says for the glory of the Lord has risen to shine on you. You can see there are two kinds of shining in this passage. There's one that you shine, let your light shine and the other that God shines upon you. There's a divine glory that brings your light into greatness, divine glory that lifts up your life to greatness, that makes that thing in you become great, in that thing that you know how to do there is a glory that announces it all over the world. You might have a business, ministry, calling or career and you know that this is where my assignment is, there is a glory from God that is going to raise that thing up for greatness.

⇒. Raise up your right hand. Father as you have said in your Word, release upon me your glory that will lift up my light into greatness. Lord shine upon me your glory, put upon me your glory that will raise up my light, my calling into greatness. Lord let the glory come upon me right now that will lift me up to greatness, lift my divine purpose into greatness, that will elevate my career into greatness, elevate me into greatness. Lord let this glory rest upon me that will lift up my talents into greatness, that will announce me all over the world, announce my divine purpose all over the world, Lord let that glory come upon me right now in the name of Jesus.

(870). The third thing that God wants you to shine is spiritual abilities, supernatural abilities or spiritual gifts.

⇒. Father by your power, by your fire, let every spiritual ability, spiritual gift, supernatural ability that I am destined to operate in arise from within me to manifestation, let them rise and shine right now. Every supernatural anointing, supernatural gifts that I am destined to operate and function in, Lord by your power, let them rise from within me unto manifestation. Let them be awakened unto manifestation by the reason of the anointing upon this prayer session. Let the supernatural abilities that I am destined to function in, be awakened right now to manifestation. Lord awaken them to manifestation in Jesus' name.

(871). There are so many things that are going to be impossible for you until you have this supernatural ability that makes things happen. As Christians we do not have the same abilities, God shares or distributes them according to our callings and destinies, according to His purpose in life. There are some abilities you must operate in for your life and for the life of others, if you cannot operate in them you will be limited. There are many spiritual abilities, when it comes to spiritual warfare, that is fighting and winning spiritual battles. There are many abilities that come to solving different kinds of problems and you must walk in these abilities.

⇒. Father let your glory come upon me that will transform me into that person that can manifest supernatural abilities that I am destined to walk in. Lord let there be transformation in my spirit, that will enable me to walk in supernatural abilities. Lord

let there be such supernatural transformation in my spirit, soul and body that will enable me to walk in supernatural abilities, spiritual gifts, Lord enable me by your spirit, transform me to be able to do these things. Lord let something happen that will enable the eyes of my spirit to be permanently opened and my spiritual ears to be permanently open and activated. Lord do something to me that will enable my spirit man to be fully awakened.

(872). When you draw closer to God, many things that you have inward, your inheritance in God will begin to be revealed to you and awakened you as you draw closer to God. You have an ability in God that you were born with, and everyone has that special ability but you will never know if you are not close to God. When that life begins to shine in you, when it begins to make you what you were in God before you were born, that person you were in God will start becoming that person. There is a you that is in God that is different from the you that I'm talking to right now. This you that I am talking to must change to the you that is in God.

⇒. Father visit me with power, with glory and let me change into that person that I am in you. Visit me Lord with glory and power and let my spirit soul and body change into that person that I am in you. Lord let there be a visitation from heaven, visit me with power and glory, until I change into that person I am in you, until my spirit changes into that person that I am inside of you.

(873). The reason why the devil is attacking your relationship with God more than he is attacking your finances, health or other areas of your life is because he knows of what you will become when you are so close to God. He also knows that when you become that person you will destroy his works and overcome him, that is why he attacks our relationship with God more than anything.

⇒. Father, let your fire fall and consume every limitation the devil has placed to stop my intimacy with you, to stop me from knowing you deeper. Every limitation that the kingdom of darkness and satan has placed to ensure that I do not know you deeper or know you very closely oh God let your fire destroy them all. Every limitation that the kingdom of darkness has set to make sure that I do not know you closely, that I do not go into deep intimacy with you, Lord let your fire begin to consume those limitations right now. ***I decree that the limitations that have been placed or set against your divine fellowship with the Lord, are broken in pieces forever right now in Jesus' name.**

(874). There is what we call impartation. There's an anointing that when it comes upon you, all the supernatural abilities you are destined to operate in will begin to come into your life, that is impartation. Impartation is not really like the transfer of spiritual gifts, some people think that if I have a gift of healing, I can put that gift upon them but it doesn't work that way. Impartation means that there's an anointing that comes upon you and will awaken the gifts that you already have. In the kingdom of God, you cannot have more than what you already have. Everything that you will have here on earth, was already given to you before you were born, that is what is

called predestination. All that you will have here on earth has already been wired or programmed into your destiny before you were born, so impartation is like calling them to life.

⇒. Raise up your right hand. Father let an anointing come upon me right now that will stir up the supernatural gifts that are in my calling, let an anointing come upon me that will stir up those gifts right now. Lord let there be an anointing that will stir up all the supernatural abilities and gifts that are in me, Lord let that anointing fall upon me right now. "Right now let there be an activation, receive now the activation of gifts. Every gift that God has ordained for you to walk in, I call them to life right now. From within your spirit, I call those abilities to life, let them come to life in the name of Jesus.

CLOSING PRAYER

Raise up your hand.

Thank you for all the blessings you have showered upon us, thank you for the breakthroughs we have received, thank you for the limitations that have been broken, thank you Father, be glorified forever in Jesus' name.

Oh Lord I am asking that everything the devil is doing in the lives of your people to cause them pain, sorrow and discomfort, Lord I ask that you put an end to such things right now in Jesus' name. Whatever the devil has established and initiated to stop the plans and purposes of God from coming to pass in your life, I decree that, that thing is destroyed forever in Jesus' name, those things are uprooted forever in Jesus' name.

I decree that you are moving forward, in the name of Jesus, I connect your life to the anointing that is working in this ministry, I connect your marriage, finances, business, destiny, and calling to the anointing working in this ministry and I decree that everything that has been stagnant for many years, I decree by the anointing of Jesus Christ in this ministry, let them begin to forward right now in the name of Jesus. I connect your life and destiny to the ministry of angels in this ministry, I connect you to the operation of God's angels in this ministry and I decree that every miracle that you need at this time for your life to shine and prevail all over the world, by reason of God's angels working in this ministry, let those miracles begin to happen to you and

in your life right now in Jesus' name. Let those miracles happen with speed right now in Jesus' name.

If you are sick, as you are hearing my voice or reading this publication be healed in Jesus' name. If there is any pain in your body, I command that pain to come out in Jesus' name. Thank you Father, blessed be your Holy Name, in Jesus name we have prayed, in Jesus' name it is done, Amen.

The Lord bless you and elevate you, this is the season of elevation. As we enter into the new year, there's going to be a lot of elevation. I will not say the New year is the year of elevation yet but as we enter into the new year from now till February, there will be a lot of elevation happening to God's people especially those who are connected to God in righteousness, of which you are one of them in Jesus' name, Amen.

10 DECEMBER 2020

PRAYER POINTS

(875). Father, I thank you for the glory you have prepared for me at this time. I thank you for the great glory that you have prepared for my life and destiny, I thank you because I shall arise in glory, I shall shine in glory and that my light shall prevail in my generation. Lord thank you for this great glory you have prepared for me even before I was born and established it, you have ordained it to shine at such a time as this. I know that this is my time to shine. Thank you for this great glory that you have determined to reveal at this time. Thank you for the great honour you have determined to reveal in my calling and destiny, thank you Lord Jesus.

ISAIAH 60: 1

(876). We are God's Jerusalem, God's Israel according to the scriptures, we Christians are the Israelites of God. The Lord was showing me that this chapter of Isaiah 60 is a prophecy, it's not just an ordinary chapter but it's very prophetic because it has a lot to do with time. The Lord gave us this chapter because it is time for many of us to rise. Not only are we using this chapter to pray but because it has a lot to do with your present time. As I have said before, this is a time of elevation. God wants to lift many of us here and He was saying this chapter is speaking in respect to divine timing. I believe that you are in your time of elevation, promotion and lifting, I don't know if you believe it but I expect you to believe it as well.

⇒. Father I believe that it is my time to rise, this is my time of elevation, Lord release that glory that is going to lift me up to the place I am supposed to be, oh God of Israel, let that glory fall upon me right now. Lord let that glory fall upon me right now and lift me up to where I am supposed to be in marriage, ministry, calling, destiny and career, let the glory fall, the glory of elevation come upon me right now and pick me up to the level that I am supposed to be. Do it Father in Jesus' name.

(877). You need to understand that this glory that lifts us up has diverse ways of operation. Depending on how God wants to lift you up. God knows how to lift you up and He has too many options to do that and He is going to do it according to His own operations. Many times it is not according to your calculations and time, we don't understand how He is going to do it, all we know is that the glory will come and then

we will be elevated. You need to understand God's ways so that you won't be the one to stop the elevation

⇒. Father help me to understand your ways at this time so that I will not miss my divine elevation. Help me to be in alignment with your ways, to think the same thing that you are thinking for me, let me be able to connect with the flow of your mind, flow of your thoughts. Lord help me not to be misled at this time, not to be deceived at this time but help me to be connected with you so that when this lifting begins, I will be there and I'll be the one you will be lifting up not somebody else. Lord help me to walk in wisdom and understanding that is needed for the elevation at this time.

(878). The glory of God is similar to elevation. For example when an army is invading a land, the manifestation of God's glory is similar to this. When I have encounters in the spiritual realm, I have seen these kinds of encounters of the invasion of God. When the glory of God rises to shine on you, it is like heaven has come to fight your battles, it won't be you fighting but it will be God and the whole of heaven, they come to invite all the forces troubling your life. That is when there will be a supernatural shift and suddenly your life will just change overnight and most people will wonder what would have happened to you because the glory would have come and taken over you.

⇒. Raise up your right hand. Oh King of glory, arise and descend upon all the forces of darkness troubling my rising in destiny, descend upon them and consume them, descend upon them and waste them. Oh king of glory, let your glory fall with fire, let your glory descend upon every darkness troubling my rising, every power that doesn't want me to rise, oh God attack them right now. Oh Lord of hosts, attack them, fight them, consume them, destroy them, dethrone them right now in the name of Jesus. Lord descend upon every darkness that surrounds my life, surrounds my finances to limit my rising in destiny, descend upon them oh King of glory, Lord of hosts descend upon them, waste them in Jesus' name.

(879). When heaven is fighting you have to know that 1) it doesn't lose in that battle, 2) all the forces of God in heaven, like a bulldozer clears up everything on its way. As God is moving everything that is against God, they will be disappearing and you can't find them, as He is moving they are fading away. Maybe there's something that you have been praying for that has refused to go for many years, maybe God has not come to deal with your problem because when God comes that thing will not stay, in fact it will be the one running away even before God reaches it.

⇒. Father, whatever the enemy has established in my life to stop my rising at this time, Lord let your glory come and clear them off my life, let your glory appear and let those things disappear forever in Jesus' name. Whatever the devil has planted and established in my life to stop my rising, oh God appear right now in my life and let these things fade away instantly in the name of Jesus. Everything in my body, soul and spirit that have been established against me by the kingdom of darkness, Lord let your glory confront them, let your glory collide with them and let them not be found forever, let them be missing forever in the name of Jesus. Anything that is

against my rising, let you glory collide with it right now and let them go missing forever in Jesus' name.

(880). When the glory of God rises to shine on a man, it means that the original beauty that God had ordained for your life will be uncovered. Many of us our lives are not beautiful, they are not radiating the beauty God is expecting from us. Even in your physical appearance, you have to understand that the devil can make people look bad, make people look ugly or older than their age. There are many terrible things that the devil does but there's a beauty that has been ordained for your life, it is there hidden in you, though you and others are not seeing it. So when the glory of God comes, that beauty will be uncovered and once it is uncovered you will realise how beautiful you are and you'll be so surprised that it is you. There is a power that will reveal the beauty that is in you.

⇒. Father let your power fall upon me and let the original beauty you have ordained for my life come to manifestation. Let the original beauty you have ordained for my Life and destiny be uncovered, be revealed, let it manifest for the world to see. Lord let your mighty hand uncover the beauty that darkness has covered in my life m, the beauty that witches and wizards, agents of darkness have covered, Lord let your power fall upon me and uncover that beauty. The beauty of my calling, career, destiny, marriage, financial life and business that has been covered by darkness, let the power of God fall right now and begin to uncover the beauty. ***I decree by the authority given to me in Christ Jesus, let the power of God visit you right there where you are, right now let every darkness that has covered your beauty, be uncovered right now in the name of Jesus. Every wickedness of witchcraft that has been initiated in the realm of the spirit to cage your divine beauty, to stop your divine beauty from rising naturally, I decree let such wickedness catch fire right now in Jesus' name. It is your time to shine, I decree your beauty rise and shine right now in Jesus' name.**

(881). The Lord is telling me that there are things happening in your life that are not radiating the beauty of God but they are showing evil. For example, there might be something in your life which has the potential to be good though it will also have the potential to be bad. So the devil will make that thing to be bad instead of it producing good, he will make it to produce evil. God is not going to bring something good to come into your life but that same thing that is in your life, He will bring up and make it produce good. These things are already in your life and what you are seeing currently coming out of these things are negative but they have the same potential to be positive. Maybe it's people in your life who are supposed to be good to you but instead they are always evil and negative. God put them in your life and wants them to do good but instead they are just being evil towards you.

⇒. Father breathe upon everything and everyone in my life to begin to function and happen the way you want them to happen. Lord breathe upon everything and everyone in my life, for them to begin to produce good, for them to manifest good unto me. Breathe upon everything and everyone in my career, business, family,

community, environment, among my friends, let them begin to do good unto me and never negative. Let good things start coming out of the things that surround me.

VERSE 2

(882). That is very true for our present generation because darkness has already covered the earth and everyone.

⇒. Father rescue my life from the operations of darkness, let my life be free from every operation of darkness permanently. Father rescue my spirit, soul and body, rescue my spouse, my children from the operations of darkness. Lord I do not want to be under any oppression of darkness, I refuse to be ruled over, I refuse to be a slave or to be dominated by the enemy, Lord let me be free, deliver me from every oppression of darkness, oppression of witchcraft, Lord deliver me right now.

NB. Make sure to pray with all your heart because God will answer. Prayer is not about calculations or about how many words you say in the place of prayer but it is about power. That is why, someone can pray for 2/3 hours and nothing will happen, and another person will pray for just 10 minutes and there will be a shift in the realm of the spirit. The difference is power, because when there is power prayer is answered immediately and there is victory. There won't be power or victory if you pray without faith.

(883). There's darkness that has covered the earth, it has come to take over everything and it's just the same way the glory of God comes to take over everything in the world. When the devil is attacking people or a person, he does not come to attack a certain part of your life but he goes after every part. That is why it is wrong to allow any part of your life to be under the devil's control and oppression.

⇒. Father I refuse to be enslaved by the darkness of this age, Father lift me above the darkness prevailing in this time and age, lift me up above the darkness. Let me not be enslaved by the darkness but let me be the one ruling over the darkness, Father raise me higher. Lord raise me far above powers, principalities and witchcraft, lift me above every darkness that is ruling this age, let me be high above them because I am seated in heavenly places in Christ Jesus. If Jesus is above principalities, darkness and powers, Lord I want to be above them. Oh God raise me above the darkness that has enslaved destinies, that has limited many lives and destinies, raise me up above them right now.

(884). I know prayer is answered because I am placed and ruling in Christ in the heavenly realms, that is why I know when prayer has been answered or not. You need to get to your place in glory where you control things, times and seasons, where you determine what happens each day of your life, you should be the one to determine it, not the devil because you are in charge, you are ruling with Jesus in heaven.

⇒. Lord Jesus raise me up to your seat of power in the heavenly realms, raise me up to sit with you in power in their heavenly realms. Raise me Lord to that height

where nothing is impossible to me, where even demons will run at the sounds of my voice, demons will bow at the sound of my voice, Lord raise me to that height of authority. Lord take me to that realm where I will be ruling power and great authority. Lord put that grace upon me, give me that grace to command the same authority you command, the grace to have dominion over all kingdoms of darkness, give me that grace Lord Jesus.

(885). This elevation we are talking about must happen to you spiritually before it manifests in the physical. I am so sure about certain things going to happen and the reason is because I have seen them already happening in the spiritual realm. The realm in which I saw them happen in, I know that when things happen in this realm, they will definitely happen in the physical realm. So what I'm saying is that you don't joke with your relationship with God, prayer and fasting, bible reading, and midnight prayers because that is where greatness is conceived, miracles are conceived, before they appear physically they are birthed in the spiritual realm.

⇒. Father help me by your spirit to attain victories in the place of prayer and fasting so that every time I pray I am victorious. Lord show me the weapons to use that will give me victory. Lord help me in every way by revelation, help me to win every battle that I fight in the spirit, help me and show me the weapons of war to use for victory. Lord Jesus help me to be spiritually advanced in you so that I command victories all the days of my life. Lord lift me up spiritually in the knowledge of you, in power through grace, help me Lord.

(886.). God is showing in this verse that it doesn't matter how far the devil has gone in spoiling your life because all that matters is that the glory of God is about to rise, and once the glory of God rises all the things the devil has been doing will be permanently eliminated and that's all that matters. Maybe you see your life as being through so much that there's no good that will come out of it, but that is a lie because all that matters is the glory of God rising upon you. Once the glory happens to rise upon you, all the things the devil did will be permanently forgotten and all his powers destroyed.

⇒.Father manifest in my life with great power and let every darkness that has been prevailing in my life be exposed and destroyed. Every work of darkness, operation of darkness, everything of the devil that has been succeeding over me over the years, Lord expose and destroy them all. Lord, manifest with great power, manifest oh God of Israel with great power in my spirit, soul and body and let every darkness that has been prevailing over me for years be exposed and destroyed, right now in the name of Jesus. ***In your life there shall be a glorious manifestation of God such that every darkness which has prevailed over you, even from your childhood, the power of God shall expose them and the power of God shall destroy them permanently in the name of Jesus.**

(887). God is interested in revealing his glory in your darkness and hopelessness. God said to me once, where there's too much darkness there is also too much light.

He said there's too much darkness because there's too much light there. The devil is making too much evil to prosper in your life because he knows that God is in your life, he is attacking you because he knows there's a great glory of God in your life that he does not want to rise and shine. Even in your deep darkness and helpless situation, God is there and is interested in revealing His great glory.

⇒. Raise up your right hand. Father let your great glory arise in the midst of my hopeless situation, midst of my deep darkness and let there be a miracle. Lord let great fire, great power arise in the midst of deep darkness, deep suffering and let your great glory arise and let there be victory. Oh Lord let your great glory arise from the midst of my greatest darkness, midst of my limitation, weakness and oppression and let there be victory, let there be miracles in Jesus' name.

(888). The Lord is showing me something that belongs to you which someone is taking away from you and there is a struggle between you and that person. You are saying it's mine, that person is saying it's not yours, but that thing is rightfully yours. Maybe it's invisible powers, but somebody is dragging what is yours from you but there is a power that gives us what belongs to us, for the Bible says, upon mount Zion we shall possess our possessions and no power can claim what heaven has already put your name on.

⇒. Father according to your great power, let every good thing that belongs to me that is the enemy is dragging with me, Lord let them be released unto me. Whatever is mine that the devil is planning to take away from me, Father get them for me by your great power. Lord I receive every blessing that is mine, every blessing that has my name on it. I claim them, by the power of God I possess my possessions. Oh Lord of hosts, begin to get them for me by your mighty power. Father grant them unto me in the name of Jesus. I receive them in the name of Jesus, they are mine in the name of Jesus. Everything that is mine, I claim it right now, everything that you have already given to me but the enemy is trying to take from me, Lord let your power harvest them for me right now in the name of Jesus

(889). I also saw that some of you need a helping hand. What God has called you to do, you cannot do it on your own, what He wants to do in your life, there is someone who must be an instrument for it to happen. You need helping hands.

⇒. Father every hand that needs to help me for my elevation to happen in this season, oh God bring them, oh God command them to help me. Lord every hand that must help me for this elevation you have determined to do in my life at this time, Father make them help me, bring them over. Every hand that must help me to the place of fulfillment and greatness, Father make those hands to help me in the name of Jesus.

(890). Some of you need some establishments, for example your own land, company, or you being self-employed. Some of you are not supposed to be working under someone, you are supposed to be self-employed, you need provisions for

establishments. Some of you are musicians and you need instrument provisions for you to do well in your field of career.

⇒. Raise up your right hand. Father, according to your great power, let every provision that I need be established for greatness in my field of career and calling, Father let them be supplied. Father let them be supplied from everywhere all over the world. Let all the provisions I need to be established for greatness in my field of career, Lord supply them. Father, command the release of them, authorise their release from heaven. Every good thing that I need to be self-employed, to be my own boss, Father authorise their release right now in the name of Jesus.

(891). I used to think that when an angel is working with you, the angel is always by your side walking with you but the Lord told me that is not how the angels work with you. He said angels are not actually walking beside you but they work over you, like they are working on your head. If you are walking on the street angels are on top of you, they are not beside you but are over you and that's how they work. That is what the glory of God does; it appears over you on your head. When the glory of God is over you, favour becomes a daily thing in your life and everybody will be giving you your benefits that are in them.

⇒. Father from today let your great glory appear over me and let favour begin to manifest in my life. Let everyone begin to come with benefits, giving me blessings because of your glory in my life. Lord let your glory appear over me so that my life will attract forever wherever I will be. Let whoever sees me, see your glory and will be happy to bless me, Lord let flavour be lavishly poured upon my life. Favour with you, favour with angels, favour with man, favour with every creature, Lord let your glory command favour for me from today onwards. Let your glory appear over me.

***From today, the glory of God shall appear over you continually and every eye that sees you will begin to give you your benefits in them from today and so shall it be in Jesus' name.**

VERSE 3

(892). God will reveal something in your life that will make you become a centre of attraction to kings, to people of great honour, meaning that God will establish something in your life that great people will suddenly be attracted to in your life. Important people that even your friends or family members and relatives do not have access to such people and these are the kind of people that will be coming to look for you, that is glory.

⇒. Father, do something in my life, calling, and destiny that will make me an attraction to kings, people in great positions, great places of honour, Lord do something to me. Father let something happen to me that will change my life. Lord let my life become an attraction to great people, people in greater authority, great places, Lord do something in my life in Jesus' name.

(893). If you do not have what kings are looking for you might never have access to them. So when you are praying that the Lord should take you to a place where you

will sit with kings and great people, sometimes God is thinking how you will produce something that kings are looking for. The way God answers prayers is not the way that you want Him to. Maybe, you are thinking that somebody will meet you on the road and ask you what you are doing, and want to help you in that moment, but that might never happen. How God will help you is to make something come out of you such that when those people see you they will marvel that there is someone who can do such a thing and would want to be a part of it because they saw the glory of God and that is how you get connected to great people. Until you start producing the food that kings eat, kings might never look for you or think of you.

⇒. Father let my life begin to produce the food for kings, to produce what the world is looking for, for solutions that my generation are looking for, let those solutions begin to rise from within me. The answer that my generation is looking for, Lord let those answers spring forth from me henceforth. Lord what I will do that will change my generation, Lord let me do it, give me the anointing to do it. You anointed Daniels to the extent of kings bowing before him because of what came out of him, Lord let such an anointing come out of me to produce answers and results that kings are looking for, Lord help me, anoint me, do it Lord in my life.

(894). You might not have an idea what you have to do that will attract kings to come into your life but you just have to continue praying and seeking the Lord because God is going to show you.

⇒. Father, teach me the secret of wealth that I will need to make wealth because your Word says you are the one who gives us power to make wealth. Lord teach me and show me the secret of wealth, how I will do it and what to do, teach me Lord in Jesus' name.

(895). Some of you might have heard preachers saying you are not supposed to be wealthy, you are just supposed to have enough and make heaven, that is a lie. I am not saying that you should start running after money and having the love of wealth. In this passage, the glory of God that will come upon you will so much enable you to produce priceless commodities products such that kings will come and will give everything they have because they see what is coming out of you is too precious. So in doing so, the people of God will become so wealthy because even unbelievers will come with everything they have and because your life is blessing them they can even pay for what you are giving them. Christianity is a Kingdom of wealth, not of poverty that is why those who have must share with those who do not have, because in the Kingdom of God, no one should lack anything because it is a Kingdom of great wealth.

⇒. Raise up your right hand. Father, by the reason of your great glory, let the strength of poverty over my life be broken. Let the strength of hardship and suffering be broken and let me be released into abundance, great abundance of riches and wealth. Lord, according to your great glory and power, let the strength of poverty in my life be broken, the strength of lack and poverty over my finances be broken right now, let me be delivered into riches and wealth. Lord let me be released into

abundance to enjoy abundance, I refuse to live by borrowing and begging, Lord release me into a place of excessive wealth, excessive supply, too much for me to use, thank you Father, blessed be your Holy Name, in Jesus' name, Amen.

Thank you for all that you have done in this session of prayer, thank you for making your presence and power and angels available for us tonight for victories, oh God be glorified forever in Jesus' name. Father, I thank you for everyone that is with me in this session and those who will use the publication, Lord I thank you because you have great plans for everyone and you are going to elevate everyone. I thank you Lord because you have already made provision for their lifting, oh God be glorified forever in Jesus' name.

I am praying for you that according to the will of God for you at this time, for God to lift you up at this time, let doors begin to open for you, doors that will cause this elevation to happen, let it begin to happen to you henceforth in Jesus' name.

Those of you who need to get employed in another company or another place of work for you to have the elevation the Lord has promised, I decree, let heaven begin to authorize that employment that you need right now in Jesus' name.

The garment of pain, suffering, reproach and hardship that the devil has placed upon you, I command the fire of God to consume that garment right now in Jesus' name. Because you are connected to this ministry, no more suffering in your life, in Jesus' name. No more sorrow in your life, no more operations of darkness in your life in Jesus' name.

Whatever you shall lay your hands upon, from tonight it shall prosper in the name of Jesus.

I do not need to know who has placed a curse upon your life, by the reason of the anointing of the Most High God in this ministry, that curse is broken tonight in the name of Jesus.

The limitation of darkness upon your life and destiny is hereby broken forever in the name of Jesus.

Thank you Father because we know you have answered these prayers, blessed be your Holy Name in Jesus' name I have prayed, Amen.

Something came into my spirit, make sure that you do not give your duty to another. For example, if God has placed something into your hands like an assignment or work to do, do not give it to another to help you. Whatever you have been doing, make sure you continue to do it, do not give your duty to another, don't transfer your duty because you are tired and you need help. If you have been doing that you have to stop because you are the one that knows how to do it best. Don't give it to another because it is time for your elevation and your elevation . I may not understand but the Lord will give you understanding.

PRAYER POINTS

(896). Father, thank you for loving me, thank you for visiting me by your mercy. Thank you Lord for touching my life, thank you for helping me, thank you for turning my life around. Thank you for what you're doing in my life, I thank you for showing me mercy, thank you for visiting and touching me. Thank you Lord for doing great things in my life and turning my situation around to glorify your name. Thank you Father for blessing me, for healing my sickness and disease, thank you for setting me free. Thank you for honouring your name in my life.

ISAIAH 43:15-19

(897). The Lord is saying at this time He is about to change your story for ever. I am speaking to those who believe not those who try to calculate the Word of God or who try to question the Word of God. I believe there are people here who believe this Word that the Lord is saying. He says I am about to do something new.

⇒. Father you are my king and creator, Father let a new thing spring forth in my life as you have said, let a new thing spring forth from my life. A new thing that has never been seen before in my life, career and destiny, Lord let it spring forth a new thing that will glorify and honour your name let it Spring forth in my life. Lord let something new spring forth from my life, something new that has never happened, something powerful, wonderful, great glorious and beautiful, Lord let it spring forth right now in Jesus' name.

***Father let a new thing spring forth in the lives of everyone connected to this prayer session, connected to this ministry. Father I ask let a new thing spring forth, something new that is going to glorify your name, honour your name in their lives,**

career, calling and destiny. Father let that new thing spring forth right now in the name of Jesus.

(898). Garments are like mantles in the realm of the spirit. What you put on determines what you will be attracted to and what you will be able to command in the realm of the spirit.

⇒. Raise up your right hand. Father put upon me your garment of honour, glory, greatness, beauty, celebration and joy. Lord put upon me such a garment right now in the name of Jesus. Lord put upon me your garment of praise to replace shame, a garment of honour to replace reproach, a garment of beauty, a garment of greatness of glory, Lord put upon me such garments. Garments of wealth, power and authority, put upon me garments that will begin to attract favour upon my life, let that garment come upon me from heaven.

Lord put upon the garment of power, authority, and spiritual gifts; put upon garments of glory, honour, celebration, and elevation, clothe me with such garments. I receive garments of greatness, elevation, success; garments of riches and prosperity I receive, garments of authority, creative power, anointing that create miracles, I receive such garments in the name of Jesus.

(899). God is going to do something new and He's going to do it according to divine operations. Just like a doctor performs a surgical operation to remove unwanted things from the body system, that's the same way God will initiate a divine operation and by the time He completes it, suddenly the new thing will appear in your life.

⇒. Raise up your right hand. Father, from tonight begin an operation, initiate a powerful operation in my life and complete it. Initiate an operation that will change my life forever, Lord starts that operation tonight and finish it. Lord begin the operation now, the operation that will lead my life to greatness, Father by your angels, let that operation begin now. Lord by angelic intervention, begin to do the operation that will raise me up to the place you want me to be, that will move me forward, Lord let it begin now and let it be completed. As it begins let it never stop until it is completed, do it Lord Jesus to the glory of your name.

VERSE 15

(900). This means that God cannot be limited by the waters or anything or situation. He has proven it in many places in scripture. I don't know what you're going through in your life and you feel like it is a hopeless situation and you feel like your success is impossible but I have come to announce to you that there is God who can open a way through the waters. It has never happened before that a way will appear in the red sea but God knows how to do those things.

⇒. Father, let your greatness manifest in the midst of my situations and let there be a way for me, let your greatness manifest in the midst of my situation and let there be a way out. Lord in this situation that looks like there is no solution, let a way appear and let me have my testimony. Father let your greatness appear in the midst of my situation. Let solutions come out of this situation, let there be a way out, let

there be success and victory. Lord make a way for me right now, a way for greatness, success, prosperity and promotion, make a way Lord for my celebration and testimony. Though it appears as if there is no hope, oh God I ask that you make a way for my testimony, Lord Jesus. ***Every situation you have found yourself in that appears as if there's no solution, way out or success, I decree let the hand of God make a way out for you in the name of Jesus. Let a way be made now and let your victory come, let your success come in the name of Jesus Christ.**

VERSE 16

(901). When God makes a way, He does it perfectly without a mistake. He makes the way in such a way that there are no errors but it will be perfect.

⇒. Father help me according to all that is available in your power, according to all that you have in your power, help me until my shame is completely removed. Help me Lord until I lack nothing according to the fullness of your power. Help me Lord Jesus till I need no other, help help me with all the power that is in your might, till I need nothing anymore.

VERSE 17

(902). This verse is showing how God can set a trap for his enemy. God can use your present situation to trap your enemy such that when the enemy thinks they are succeeding that is when they will fall into the trap God had set and that's how God drowns them. With this understanding, you shouldn't be a Christian who is always sad because things are not going the way you want them to. God may allow certain things to happen in your life because He wants to trap the devil and permanently destroy him.

⇒. Father, use my present situation to set a trap for the darkness, for the forces of darkness that are after my life. Lord drown them as you drowned the armies of Egypt and let me be completely victorious. Lord, use my present situation to drown my enemies, use my present challenges to trap down powers and principalities. Lord use my present situation to organise their permanent failure, use it to break them down and to destroy them completely.

(903). When the Egyptian army saw the Israelites passing through dry ground they were not afraid to pursue them even in the midst of the waters. This shows that there are some terrible spirits and demons, or forces of darkness that are so determined to bring you down and defeat you such that they will not stop attacking you. Maybe you have been asking yourself why you are always under attack and the enemy never seems to rest. The reason why God is allowing them to attack you is because He wants to give you a permanent victory over them, which means they have to continue attacking you until God gives you your permanent victory. There is a place where God will drive your enemies into.

⇒. Raise up your right hand. Father, create a permanent pit of destruction for every force, demon and darkness that do not relent from attacking me, a pit that will permanently end them. Oh God of Israel, by your mighty hand set up a trap for

permanent destruction for every power, principality and witchcraft that is after my life and destiny. Lord set a trap for permanent destruction for them in the name of Jesus.

(904). If God is going to give you a permanent victory, most times God will translate you to a place where the devil will not reach you in the realm of the spirit. For example, every night that you sleep, the devil comes to feed you with food, attack you sexually or oppress you. One thing that God knows to do is to relocate you in the realm of the spirit where demons can no longer mess with your spirit, He will put you in a place where they can no longer reach you no matter how much they try, be it marine spirits or spiritual spouses. They will try, all that they have been doing to you successfully before but then they will not succeed anymore because your spirit has been shifted, translated to a place where they can no longer reach you. This is how God gives permanent victory.

⇒. Raise up your right hand. Father translate my spirit, relocate my spirit to a place in you where no darkness can reach me. Translate me to a place in you no power of darkness nor witchcraft can touch me no matter how much they try, Lord take me to that realm. Lord, that place in your power, glory, and strength where no demon one can mess with me, where no power can touch me, Lord lift me up to that place permanently in the name of Jesus.

(905). What happened in this passage symbolises shame to the enemy. When the enemy was expecting you to be shamed he in turn was the one shamed.

⇒. Father let the shame the enemy has been planning for me be transferred to them, let the shame the kingdom of darkness has been organising and arranging for me, let it be rolled over unto them. The shame the enemy is cooking up for me, for my family, marriage, career and destiny, Father let that shame come over to their own heads, let them carry that shame, let the shame fall upon them in the name of Jesus.

(906). This verse symbolises a new history, new beginning, a new story for the children of Israel. They had been suffering under the captivity of Pharaoh, under the slavery of Egypt for many years and they were going to be free but the forces of Egypt would not let them go and God did something that permanently erased that history of slavery. I see the Lord doing the same in the lives of you. He's going to permanently terminate something that has been going on in your life for years.

⇒. Raise up your right hand. Father visit me and terminate completely every history and story of slavery, hardship, begging, borrowing, suffering and captivity in my life. Oh God of Israel, visit me as you did on that day when the Israelites were faced with the red sea, oh God do the same in my life. Oh God visit my body, my soul, my spirit, my life and destiny, and permanently remove suffering, shame, captivities of darkness. Lord visit me and terminate this dark history of my life. Lord visit me and terminate the story of shame, failure, disappointment, rejection and barrenness, Lord terminate the story right now.

(907). Raise up your right hand. Father do something new in my life tonight that will permanently end the history and story of shame, disgrace and slavery. Do something right now Lord Jesus. Lord visit me now, do a new thing that will end the story of shame, setbacks, failure and sin, story weakness and disease. Lord do something that will end them tonight.

(908). I know the devil is putting a thought in your mind that you have been praying for a long time, what is going to make a difference with tonight's prayer? If you entertain that thought in your mind, you are going to miss out on what God wants to do. Tonight is going to make a difference if you believe as you pray. God wants to permanently stop a history in your life.

⇒. Raise up your right hand. Father visit me visit my bloodline and foundation with your power and let the history of slavery, captivity of darkness be permanently destroyed. Lord let that history be completely erased tonight. Lord visit my life, visit the foundation of my life, visit my foundation, my bloodline, visit my genealogy, visit my generational lineage; Lord change my history and let my life be singled out for greatness among the children born to my mother and father. Let my life be singled out for greatness and honour. Lord visit my life, visit me into the depth of where I came from, single out my life for greatness, oh Lord as you did for Joseph with excellence and success.

(909). When God comes to fight your battles, He will not stop until he has finished your enemies.

⇒. Father let your anger be kindled against every enemy of my life, calling and destiny and let them be drowned into permanent destruction. Every enemy that has vowed not to leave my life alone, let your anger be kindled against them right now and drown them into permanent destruction. Every enemy of my health, prosperity, deliverance, breakthrough, progress and rising, Father let your anger be kindled against them and drive them into permanent destruction right now in the name of Jesus. Let the ground open and let them be received into destruction.

(910). God deceived the Egyptian army to follow the children into the red sea and He destroyed them completely.

⇒. Father, let every power that has risen against me, every force of darkness that has risen against me, Lord, let them be trapped into their doom, let them be brought into the doom according to your wisdom. Father let them make a mistake that will lead them to their eternal be doom. Every power, every witchcraft that has determined to follow up my life, every demon following after me, Lord let them begin to make mistakes that will destroy all their ways and works.

(911). You need to approach the enemy with a kind of presence of God that will defeat the enemy. Many of us have the presence of God but there is a presence of God that you go into battle with and while you are in the presence of God, no battle can defeat you because it is the presence of God that always gives you victory over

the enemy. When you are in that realm, you are not afraid of battles because you know that as they come, they are coming to lose they are coming to meet their defeat.

⇒. Raise up your right hand. Father, today establish in my life your powerful presence that will always give me victory over the enemy, victory over the battles of darkness. Lord establish in my life, in my spirit, upon me your powerful presence that will always let me be victorious irrespective of the kind of battles that I face, Lord establish such a presence in my life. Lord, establish that presence in me that always defeats my enemies, that always swallows up enemies, Lord take me into such presence where every battle that confronts me is defeated, thank Father.

VERSE 18

(912). When God is erasing the history of your life it's because He wants to start something new with your life that is why He is terminating the history of your life. He has to terminate that story because while the history is still there He won't be able to start a new story that He wants to. Many of you, where you are right now is not where you are supposed to be.

⇒. Father I lift my life to you, I surrender my life to you, Lord do that new thing you want to do in my life, I surrender my life, start a new thing now. Lord, what you want for me, begin the work now. Lord I give myself to you, even when I think I have already reached the place but Lord I give myself to you to do what you want to do with my life right now. Do what you want to do with my life right now, Lord I give myself to you right now, do it Lord in Jesus' name.

VERSE 19

(913). God said He wants to elevate people between now and February, He wants to lift up people from where they are to where they have never thought they would be, they will be great things happening because He wants to change lives. When God says things with a specific timing, it means He has already started even before He spoke it though we can't see it physically.

⇒. Father, align me, connect me with everything you are doing at this time in my favour. I don't know how you will connect me with those things but Father, use everything around me to connect me with that thing you are doing. Every new thing that you are doing at this time, Father let me be connected to it, let me be aligned with those things. Use everything around me to plug me into this thing that you are doing. Use everything to link me up with what you are doing.

(914). Many people have failed in the times of their rising, elevation and divine visitation because of sin. The devil knows that he can't stop what God wants to do for you, so the devil makes people stop God. What he will do is that he will make you stop God by making you go into sin and once you have gone into sin without repentance you will be the one stopping God from lifting you up. I have learnt that every moment spent in darkness or in sin is a moment where you stand to lose forever and start to fall forever. This means that there are things that you lose the

moment you begin to sin that you will never get back again till you die, even if it's just one minute in sin, or one hour in darkness. God has shown me a lot of people who came to me for prayers, the things that they have lost through sin and how they will never get them forever. Sinful life and darkness is what will stop you from rising at this time.

⇒. Father by your strength, by your grace, help me to live above sin and darkness. Lord help me to live above anger, lust of the flesh, lust of the eyes, pride of life, help me to live above every darkness that the devil has planned to use to bring me down. Lord make me stronger than my enemies, help me Father in Jesus' name.

(915). If there's anything that can make you fall or stop rising at this time it is disobedience. Disobedience to the voice of the Holy Spirit, to the leading of the Holy Spirit, instructions of the Holy Spirit. Many times when you want to make a decision and the Holy Spirit tries to correct you by telling you not to do something, but because of your disobedience you if refuse to heed to the leading of the Holy Spirit, that is how you fall from rising

⇒. Father, help me to be obedient to the voice of your Spirit, to your divine instructions at this time, help me to be obedient to the leadership of the Holy Spirit. Help me Father to be obedient to the voice of the Holy Spirit, help me to be obedient to your leadings at this time so that I will not fall in Jesus' name.

(916). A wilderness can be likened to a state of confusion and you don't know which direction to take because you do not know your bearings. In Jesus there's no confusion or deception.

⇒. Father, I want you to lead me at this time, direct my path. Lord lead my path by your Spirit and let me never be confused or deceived. Lord, lead me to paths that lead to greatness, lead me through the path that leads to success even if no one is walking in that path. At this time Lord, lead me and I will follow, let confusion be permanently destroyed from my life. Lead me Lord Jesus to the paths that will lead to my success and elevations.

(917). If you need something and that thing is not accessible within your reach, God can create it and put it within your reach for you because He is God who creates rivers in the dry wastelands.

⇒. Father every good thing that I need this time that is missing in my life, I have looked everywhere and I can't find it. I have looked in my body, soul, spirit, and bank account; I have looked everywhere and I can't find it, Father let your mighty hand create it. Let your mighty hand bring it into my life. Father everything I need now, the resources, people, power, authority, strength that I need now to move forward and rise but I cannot find them, Lord let your mighty hand begin to create them. Lord let your mighty hand bring them into my life, let them begin to appear into my life by your mighty hand, let all of them begin to appear.

(918). The Lord is telling me that there is honour waiting for you. The honour that I'm talking about is where you enter a race and you come out 1st and then you are rewarded or awarded. I don't know if you have qualified for that honour yet or maybe you are about to qualify for it. As I have said before, whatever God has put in your hands, do it with all your heart; do not give your duty to another because that is where your honour is coming from.

⇒. Raise up your right hand. Father every honour, celebration and rejoicing that you have prepared for me at this time, Lord by your mercy take me into them, take me into that honour. Take me into that honour and celebration that you have prepared for me at this time, oh God bring me into them all by your mercy and by your mighty hand.

(919). The Lord is telling me that the failures of your past shall not repeat themselves again. Maybe you have failed a lot in your life, the Lord is saying it shall not happen again.

⇒. Father, open up the spring of riches, wealth, blessing, abundance and success and let there be an overflow all the days of my life, beginning from tonight. Lord open up in my life the spring of goodness, grace, blessings, prosperity, joy, rejoicing, success and happiness. Open up in my life, the spring of eternal life, spring of strength and good health.

***Beginning from today, I declare the hand of the Lord shall command all these things to begin to spring out from your life till they overflow in your life, in the name of Jesus.**

(920). The Lord is putting it in my heart that some of you have left the place of your assignment, where He wants you to function from, where He has placed you.

⇒. Father, take me back to the place of my assignment because I am ready to function. Lord take me back to that place where I shall be useful to your kingdom, where I shall fulfill my destiny and calling. The place where I shall win souls for your Kingdom, where I shall yield profits to heaven, take me to that place where I will serve you, Lord take me back to that place.

Your hands are loosed right now, your feet are loosed right now and I command you to rise right now in the name of Jesus. Rise and move forward, rise and grow, rise and be successful, rise and be healed in the name of Jesus. Rise and be great in the name of Jesus, no more going down. You have been going down but I speak by the authority the Lord has given to me that no more going down, let your life begin to go up right now into glory in the name of Jesus. Thank you Father because we know you have done these things, blessed be your name Father, in Jesus' name it is done, Amen.

17 DECEMBER 2020

PRAYER POINTS

(921). Raise up your right hand. Father I thank you because I have complete deliverance and victory in you. Father I thank you because your presence in my life signifies and authorises my complete deliverance and victory. Father I thank you because in you and through you I have completed deliverance and victories over my enemies. Lord I know and I believe that I have complete victory in you, I have complete victory over every darkness, the flesh, sin and demons, I have complete victory over them in you and through you. Thank you Lord for this victory I have in you, for this deliverance I have because I am in you and you are in me. Thank you Lord Jesus, no battle is stronger than me because of your presence in my life. No attack of the enemy will prevail because of your presence in my life. Thank you because I am going to win battles tonight, thank you because I am going to prevail

tonight in the place of prayer. Thank you for this victory you have purchased for my life, thank you Lord Jesus. Thank you Lord because you have made me victorious over my strongest enemies.

PSALM 7:1

(922). When you are praying spiritual warfare prayers, you need to open your mouth and speak out.

⇒. Father let your presence in my life authorise great victories because I know you are in my life, my spirit, my soul and my body, you are in my situation and in everything. You are the God of everything, God over everything. Lord let your presence in my life authorise great victories for me in this hour of prayer. Oh God of all flesh, oh God of Abraham, Isaac and Israel, by the reason of your presence in my life, let great victories happen to me right now, happen in my life right now and let me have victories tonight in this hour of prayer. Let me have breakthroughs, deliverance, miracles from you because of your presence. My body is the temple of the Lord, my spirit is the habitation of God, by the reason of your presence in me, let there be great victories tonight.

(923). I believe we have come to such a time where the dark kingdom has become so powerful such that some of us, if we don't run to God we will be defeated and destroyed.

⇒. Father, I and my entire family, career, business, marriage run to you right now, save us from the darkness that destroys, save us from the arrows of the wicked. Lord I take my entire family into you, let us find protection in you at such a time like this. Lord I run to you, me and my children, spouse, career, business, ministry, calling and destiny, let me find protection from the arrows that fly by day, from the destruction that comes in the midnight. Lord let me find protection in you from the darkness that is prevailing in these last days. Lord let me find protection in you because I know in you I am secure, you are my refuge, you are my rock, Lord I run to you let our lives be preserved.

(924). The devil is such a determined evil personality that will not stop until he has achieved his mission.

⇒. Raise up your right hand. Oh God of Israel, arise and rescue me from every evil personality that has determined to ruin my life. Every evil, satanic, demonic personality that has determined to destroy my life, oh God arise and fight with them. Oh God of Israel arise now, save me, fight for me, rescue me from the hand of demonic personalities that have determined to destroy my life and destiny. Arise oh God and fight for me, you are my rock, you are my shelter, you are my rock and my refuge, you are my rock and great defence. Oh God of Israel arise and fight for me. Oh God fight for me against every spirit that is causing addiction in my life. Oh God arise and fight every principality that is destroying good things in my life. Arise and fight spiritual spouses, every marine spirit, marine serpent, arise oh God and fight them, fight for me Lord Jesus.

(925). If you think there is protection in anyone besides God, you are already a failure, you have been defeated already, even by thinking that way because no one can actually protect you except God. If God decides to withdraw his protection from your life you are instantly gone and dead.

⇒. Father, I trust in you for protection. Let your presence in my life be too strong for witchcraft agents to succeed over me. Lord I trust in you for protection, let your presence in my life, your anointing become too strong for witchcraft persons to succeed over my life. Lord let your presence become too strong for evil and darkness to prevail. Lord Jesus your presence in my life, let it be too strong for the enemy to succeed over. Lord let your presence become too strong, increase your fire in my life, increase your grace in my life, increase your strength in my life, increase your anointing in my life and let me be continually victorious.

(926). Once the Lord asked me what He is to me. I mentioned a lot of things though He agreed He told me there was one thing I had not mentioned. He said I am the Lord and beside me there is no other. I wondered why it was so, for the Lord to tell me that. I have come to understand that He is God because no one can take his position or overcome Him despite their strength. He is the Lord and no one else is Lord because He is Lord, that is what it means to be God. Is there something in your life that is trying to take the place of God in your life or someone who is trying to rule your life and that person is not the Lord? Tonight God is going to uproot such a person, personality or control over your life.

⇒. Raise up your right hand. Father whatsoever, whoever, whatever is taking the place that belongs to you in my life, Father let your mighty hand uproot them forever. Let your mighty hand dethrone them forever and let that strength over my life be completely destroyed right now. Lord you are the Lord and there is no one besides you, no one can take your place. As long as you are the Lord no one else can be Lord, Father you are the Lord of my life, the controller of my life. Anything and anyone trying to rule and dominate my life, calling and destiny that is not you oh God of Israel, by your mighty hand uproot, dethrone and destroy I them in the name of Jesus.

(927). Satan fell from heaven because he was trying to be like God, he fell because of rebellion not only pride, the pride stirred up that rebellion. He wanted to be in charge of similar things that God is in charge of. He is doing the same thing right now on earth, he wants to be in control. If Satan is not attacking certain things in your life, it might be as long as he is the one in control of your life he's ok with it, he won't need to attack you. Satan allows some people to have certain good things in their lives as long as they are serving him and not God. Satan cannot be in control of your life because you have already surrendered your life to Jesus, meaning your life is under the lordship of Jesus not the lordship of Satan that is why he cannot rule over your life, it's impossible. He cannot do that because he is too weak to do that.

Whatever he is doing in your life, you have to dethrone him because that is not his place but the Lord's.

⇒. Raise up your right hand. Oh God of Israel, oh Lord of hosts, arise oh God and destroy every influence and dominion that Satan is having over my life and destiny, situation and affairs of my life. Let every influence and dominion Satan is having over the life of my children, my spouse, my life calling and destiny, oh God arise and destroy them. Influences of Satan and his agents, dominion and control of Satan and his agents over my life, calling, ministry, spirit, soul, mind and body be broken right now in the name of Jesus. Satanic influences break in the name of Jesus, satanic control, satanic dominion, satanic manipulation over my life, calling, ministry, marriage, destiny, and career break right now in the name of Jesus, be consumed by fire right now in the name of Jesus.

(928). The devil is sitting over the affairs of this world. There is nothing that is going on in this world that the devil is not having influence over and he is not going to withdraw his influence and control if Christians do not fight. If Christians do not decree and declare the devil will not stop controlling our lives. That is the thing about the kingdom of darkness they will not stop. And some people are in a error because they say once they are born again and since Jesus defeated the devil on the cross, they don't need to pray or command deliverance or victory over the devil, but it is a lie because if you do not take authority over the devil, challenge him and fight him he will not stop ruling over your life.

⇒. In the name of Jesus, I come against every power and principality of darkness sitting over the affairs of my life and destiny, I come against them in the name of Jesus Christ, let heaven destroy them. Let heaven descend upon the powers and principalities and destroy them, let the angels of the living God descend upon them and destroy them. I come against every power and principalities sitting upon the affairs of my life, career and destiny, right now in the name of Jesus, let heaven come upon them and destroy them. ***I come against every power, principality of darkness sitting up on the affairs of your life and destiny. I decree let the fire of God dethrone them right now in the name of Jesus. Every power and principality sitting upon your finances, I command them to be destroyed in the name of Jesus.**

VERSE 2

(929). David is telling God that if He doesn't intervene now, the people who tear him to pieces, the kingdom of darkness will eat up and devour his life like lions and no one will be able to rescue him. I don't know if you are in a situation that looks like the enemy is tearing your life apart as if they are going to eat up your body and life to finish you. But tonight God is saying no to the enemy, no to the plans of the enemy, and you will join the Lord and say no to them. You are going to also face them and tell them no way!, you cannot succeed.

⇒. Raise up your right hand. You devil that has come against my life like a lion to devour, I come against you in the name of the Lord of hosts, receive distraction right now from heaven. You powers principalities that have come against me like a lion to

devour my life, I command fire to destroy you all. (Pray as if you are looking at them and speak with authority) I come against you devils, powers of darkness, witchcraft, wizards, demonic personalities, I come against you in the name of the Lord of hosts, receive judgement destruction from heaven right now in the name of Jesus. Because the Lord is in me, the Lord is with me, the Lord is on my side, I come against you devils, demons, kingdoms of darkness attacking my life and destiny, right now receive destruction from heaven and be destroyed forever.

(930). Father intervene quickly in my present situation and terminate all the activities of the enemy assigned to destroy me, all the activities of the enemy assigned to put me to shame. Lord intervene quickly and terminate every activity going on right now to put me to shame, to destroy me. Father intervene quickly and destroy them, terminate such operations. Intervene Lord and stop the wicked, stop them oh Lord.

(931). Place your right hand on your head. Father let your fire consume every darkness upon me trying to pull me against you, trying to turn my life against you, to turn my life from you, Lord let those powers catch fire. Lord every darkness upon my spirit, soul, mind and body assigned to make me into an enemy of God, turning me against my creator and maker, let that darkness catch fire right now in the name of Jesus.

VERSE 3-5

(932). This man was pleading with God and was telling him how much he has been walking upright with God and how he didn't deserve what was about to happen to him. You need to understand that sometimes what God makes arise and rescue us, to stop the enemy is because of the kind of life we are living, it's because God is pleased with our lives. If He is not pleased with your life, He will hand over your life to the devil, that is why some people can never be delivered despite a lot of praying and fasting they do, they can never be delivered because their lives are not pleasing to God and they deserve what the devil is doing to them. They have been living an unholy and unrighteous lifestyle. You need to surrender to God and live for Christ. ⇒. Lord deliver me from every lifestyle that is giving the enemy legal plans to oppress me, afflict me and torment me. Father deliver me from every lifestyle that is giving the devil authority, legal grounds to rule over my life, enslave my life, pollute or oppress my life, Lord deliver me from such an ungodly lifestyle. Lord deliver me from every ungodly, unholy lifestyle that is giving the devil dominion and strength over my life and destiny. Every life that I'm living that is making the devil stronger than me, every life of uncleanness that is making the devil to rule over me, to dominate, enslave, and torment my life, Lord deliver me from such lifestyles, from such habits, attitudes and behaviours, deliver me Lord Jesus.

(933). There are some people whom God loves so much and is so much jealous for them and He can't joke with them because they are His beloved. There are some miracles that God does not because you prayed for them but because He wants to

show the people that you are His beloved, His best friend. He wants to show everyone that you are His best friend. There are some miracles that God does for people not because of those people but because of His servant. He does that because of the person who prayed for them, because that person has a special relationship, a deep intimate relationship with God and God cannot deny his request. There's a place you get to in your fellowship with God whereby God cannot deny your request because your request will be too precious for God to deny.

⇒. Father I want to be your best friend, I want to be your beloved, help me to find a special place in your heart, help me Lord to please you to the point where I am your beloved. Lord help me to walk with you in such a way that I become your best friend, just as Abraham, Daniel was and some servants in the scriptures. Lord help me to become the man after your heart, Lord help me to walk with you till I become your best friend. Give me the same life, nature and heart that is in you, the mind that is in you, help me Father.

(934). Anything that you may consider to be precious and valuable (maybe marriage, money, houses, cars, fancy clothes) you will discover these are nothing. When you would have had an encounter with God that is when you discover that everything is rubbish in this world. When you get so close to God you will discover that all the glory in this world is nothing but just rubbish because they will all pass away. You shouldn't allow the things of this world to separate you from your creator. In God you will discover something greater and glorious, something that you cannot let go of and when you find that in God, you are just at peace because you have found everything.

⇒. Father, every hindrance, passion and desires, my heart desires for things of this world, Father take them away. Every secret interest or passion, lust for the things of this world in my heart, Father take them away, I surrender them all because I know these are the things that will separate me from you. Lord Jesus take away everything deep down in my heart that is drawing me into worldliness, drawing me into the things of this world, making me to be entangled with the things of this world, Father destroy those things right now, uproot them from my life. Lord Let your love prevail in my heart.

(935). The way to get the good things of this world is not by seeking for them. How to get the things of this world be it money, good marriage, business, children, promotion. As Christian you don't get them by seeking for them, but you get them by seeking God and his Kingdom. The kingdom of God does not operate the world does, you get the things you want by seeking the kingdom of God. Many people have sought it the world's way, even after getting them it's temporary and not fulfilling and most of the time they don't last. These are the principles that many Christians of old followed and it worked for them and they got what they wanted.

⇒. Father, let my perspective change, Lord change the way I see things in this world, the way I see life and people in this world. Lord let my view of life be transformed, Lord let me seek you and your righteousness in everything I do and wherever I find myself, help me to seek you and your Kingdom. Lord teach me to see

things differently, to see the things of this world differently, I do not want to live like unbelievers. Lord help me to seek you, your righteousness and your kingdom always, irrespective of what is happening in my life. Teach me to focus on you and not to be distracted but to keep on seeking after you, to keep on running after you, teach me to do these things. ***Raise up your right hand. Oh God of Israel, I am praying for those making up their hearts to continually seek you and your Kingdom, to seek you and your righteousness. Lord, I ask that you give them grace right now, give them wisdom to do these things because it is the only way to success. Give everyone grace and strength to do these things right now, in Jesus' name.**

VERSE 6

(936). There is justice and judgement in God, the judgement of God says this is right, this is wrong. If there are things going on in your life that are not of God or according to the will of God, there must be justice. You need to proclaim justice upon that thing even if it's sicknesses and disease because as a Christian you are not meant to live with sickness and disease, it is not your inheritance in Christ. So there is justice in God against everything that is not in line with the will of God, so we proclaim justice against them. The Bible says righteousness and justice are the foundation of God's throne (Psalms 89:14). If there is anything going on in your life that is not in line with the will of God, we are going to proclaim justice against them.

⇒. Father let your judgement fall upon everything in my life that is not in line with your will for my life, let your divine judgement fall upon them and consume them. Everything going on in my body system right now that is not of God, receive divine judgement right now in the name of Jesus. Everything going on in my soul not aligned with God's will and purpose for my life, receive divine judgement. Everything happening to my spirit man that is not in accordance with the will of God, receive divine judgement right now in the name of Jesus. Everything going on in my situation, marriage and family that is not in line with the will of God, receive divine judgement right now in Jesus name.

(937). The anger of God is a divine weapon. It is a weapon because it has a special feature or characteristic. This is so because when God is angry about something His anger will not go down until that thing is entirely destroyed. If God is angry with a family, his anger will not stop until that entire family and generation is destroyed. That is why it is a dangerous thing to fall under the anger of God because it is very terrible.

⇒. Raise up your right hand. In the name of Jesus, let the anger of God arise against every demonic attack coming from the marine Kingdom against my life and destiny, let the anger of God arise and consume them. Every attack, every arrow of darkness coming against my life from the marine Kingdom, let the anger of God consume them, anger of God consume them right now. Satanic attacks, demonic attacks, antichrist attacks coming from the marine Kingdom against my life, calling and destiny, anger of God destroy them in Jesus' name.

(938). When you are praying spiritual warfare prayers, you don't pray with a small voice but you pray with anger, aggressively, you pray like you are fighting for real. The marine Kingdom is the kingdom of darkness under the waters, under the sea, whether you believe it or not, the antichrist is using them a lot in these last days. The antichrist is ruling from that kingdom at this time that's why there is a lot happening from the marine kingdom against the church and Christians.

⇒. In the name of Jesus, let the anger of God come against every serpent, every scorpion from the marine Kingdom against my life, let the anger of God consume them all. Every serpent and scorpion that has been assigned against my life from the marine kingdom, be consumed by the anger of God right now. Every demonic personality, demonic creature assigned from the marine kingdom against my life and destiny, let the anger of God roast and destroy them right now in the name of Jesus. Every demonic entity, demonic personality, demonic beings that have been assigned from the kingdom of darkness against my life and destiny, let the anger of God consume them all right now in the name of Jesus.

(939). When the enemy is angry with you such that they don't want to let go of your life, what you have to do is invoke the anger of God against them, bring the anger of God upon them.

⇒. Father let your anger be eternally kindled against the fury of my enemies, against every enemy of my calling and destiny, progress, and success; Father let your anger be forever kindled against them. Let the anger of God be eternally kindled against the enemies of my success, breakthrough, progress, rising, promotion and greatness, let the anger of God be kindled against them without stopping right now in the name of Jesus.

(940). Psalms 68: 1, Arise oh God and let your enemies be scattered. Once God arises in your life or situation, He arises with power, and when the enemy sees God arising in a furious way, they will run because they cannot stand Him. Maybe all you need is for God to arise in your situation in his anger and then your miracle will happen. When God just roars like a lion, your enemies will run into hiding.

⇒. Oh God arise now in the midst of my darkness, captivity, troubles, slavery, oppression and torment and let my enemies scatter. Oh God arise and let all my enemies scatter, let the darkness see you and fade away, let the powers of darkness see you and run for their lives. Arise oh God in your terror, arise in your fury, arise in your fire.

(941). The Lord is telling me that He wants to manifest in the lives of some of you. He says once He rises, your chains will be broken instantly, all the captivities in your life will be broken. God needs to arise from inside of you and the moment He rises, all your chains will be broken.

⇒. Place your right hand on your head. All God of Israel, arise from within me and let every chain of darkness binding me break right now. Oh God arise from within my spirit, from within my soul, within my body, within the cells of my body, arise oh God,

let every chain of darkness binding me break right now, let them break at your rising. Arise oh God and let sickness disappear, let disease disappear, arise oh God, let my darkness see you and fade away in Jesus' name.

VERSE 7-8

(942). Everything going on in your country, community, place of work, everything going on around you, God judges them meaning that the Lord rules over them. The Lord rules over your boss, over your clients, He rules over everything and everyone. ⇒. Lord Jesus according to your lordship over everything and everyone, let my life be helped, command help for my life according to your lordship over everything and everyone, in my country and all over the world let help arise for me. Lord, according to your lordship over the entire world, let help arise for me, you just need to command help and it will come because you rule over everything and everyone. According to your rulership and lordship over the whole world, command helpers to come to me.

VERSE 9

(943). God knows how to terminate evil, that's why Christians are not supposed to fight physically against the evil going on in the country. All we need to do is pray because our God can end every evil no matter how great the evil is or how great the people planning evil are.

⇒. Oh God of Israel, arise and terminate every evil that the kingdom of darkness is executing over the nations of the world, let an end come to them. Arise oh God and terminate every evil coming out of darkness against this generation, every evil coming out from the antichrist Kingdom against our generation, oh God arise and terminate them all, let them never be able to carry out their enterprises.

(944). The Lord is showing me that there is a wickedness or darkness prevailing in your life because a false prophet or false minister laid hands on you. Since the day the person laid hands on you, a spiritual wickedness has possessed your life.

⇒. Father let the blood of Jesus uproot every spiritual wickedness that has taken possession of my life through the laying on of hands through demonic anointing, that was passed upon my life, Lord let the blood of Jesus uproot that wickedness. Let the blood of Jesus uproot every darkness that is prevailing in my life through my exposure to demonic anointing, demonic man of God, Lord let the blood of Jesus uproot that darkness right now. ***Those of you who have been exposed to demonic anointing and your life has been oppressed by that darkness, I declare let the blood of Jesus enter into you right now and uproot that darkness forever in Jesus' name.**

(945). The Lord is showing me that there is a need for new relationships in the lives of some of you because of what He wants to do in your life. I am not saying that you should go out there and look for new friends or people, but God himself will initiate that for you, He will make it happen for you.

⇒. Raise up your right hand. Father by your mighty hand, every new friendship and relationship that is needed in my life at this time for me to rise to the position you want for my life, Lord begin to do them, begin to cause them to happen. Lord new relationships and friendships that I need for my life to rise to higher levels, for me to move forward, Father let them happen. Father you said it and you can do it, do it oh Lord Jesus, thank you Jesus in Jesus' name, Amen.

CLOSING PRAYER

I heard in my spirit, God is saying He wants to breathe a new breath on you. When God is breathing on you it means He wants to fill you with the Holy Ghost. Just as Jesus breathed on the apostles and said be filled with the Holy Ghost, so when God breathes on you, it means he wants to put something in your life, an impartation from heaven.

Raise up your right hand.

Father, we thank you because you are a faithful God. King of glory we worship you, thank you for the greatness of your power, thank you for the greatness of your name. Thank you Lord for the greatness of your strength, thank you for the victories you have given to us, thank you for the blessings you have brought upon us even in the hour of prayer tonight, oh God, be glorified forever in Jesus' name.

Father as you have said to my ears that you want to breathe up on your people. I ask that right now as the heavens open, Father breathe upon everyone hearing my voice right now. Receive the breath of the Lord right now in the name of Jesus, receive the breath of the Lord Jesus wherever you are in Jesus' name. As God breathed upon Adam and Adam became a living soul, right now let the breath of God begin to wake up everything that is dead in your life, in your body system. Everything that is dead in your spirit, in your soul, calling, career, ministry and destiny, let the breath of God bring them back to life right now in Jesus' name, receive the breath of God in the name of Jesus. In your finances let God breath upon your back account and let there be instant multiplication from heaven, instant blessings from heaven in the name of Jesus. Thank you Lord because we know you have answered blessed be your Holy Name.

Failure is no more in your life, poverty is no more in your life, disappointment, limitations and delay are no more in your life because you have been exposed to this anointing, you shall henceforth begin to succeed and prosper all the days of your life. Thank you Father because we know you have answered this prayer, in Jesus' name we have prayed, Amen.

Make sure that you do not disappoint God in your lifestyle, attitude or behaviour as we have prayed earlier. Make sure you are living a life that pleases God, so that God will be able to do what He wants to do in your life, the Lord bless you, Amen.

PSALMS 7:9

(947). When God is going to fight for you, when He arises to fight for you, He will look at your life, at your heart or mind because He is a righteous God. The kingdom of God rules in our hearts, it is established in our hearts. If your heart is going to determine how much God will fight for you, then it means that you need the kind of heart that will move God to fight your battles, so your mind must be pure, your heart must be righteous.

⇒. Father let my heart and mind begin to please you from this hour henceforth. Father give me the grace that will enable me to please you with all my heart and mind so that when I call upon you, you will answer. Lord enable me to please you with all my heart, enable me to serve you with all my heart from a pure heart, so that you can fight for me. Enable me Lord Jesus, to serve you from a pure, clean and righteous heart.

(948). Within the soul and spirit, the Lord looks very deep. There are things inside your heart that are making the kingdom of darkness stronger than you. There are some things established in your heart, it could be sin or wrong ideas, wrong mindsets, false teachings, even some kind of weakness that has already been established inside your heart and that is what is making the kingdom of darkness

stronger than you, because the devil feeds on people's minds. If your mind is sanctified, there are many battles that you will naturally win. As long as your mind is sanctified, your mind is pure, you naturally win some battles.

⇒. Father sanctify my heart and let me be pure in my heart, let me be pure in my mind. Sanctify my heart, purify my heart, remove whatever is making the devil stronger than me. Whatever is rooted in my mind or heart, whatever evil desire, demonic pleasures, laziness, procrastination, unbelief, fear or doubt, Father remove it right now. Anything in my mind and life giving strength to the devil, making the devil stronger than I am, whether it's pride, love of money, lust, covetousness, or greed, Lord uproot them right now, let them be permanently removed right now in Jesus' name.

(949). The other thing God is looking for, is to ensure that He is not promoting evil in the earth. Most people's prayer points are not for righteous purposes, some are asking God to satisfy their lustful desires, that's why God will not just answer any prayer, He will look at the motive behind your prayer. When you ask God for money, He will look for the motive why you want the money and what you will do with the money. This is why God looks at the heart before he will even answer your prayer, He searches deep in your heart because He is a righteous and just God. He will not be defending evil and unrighteousness, if you have embraced evil and unrighteousness, God is not likely to answer your prayer, especially if answering that prayer will help you carry out your lustful desires. God also knows that even if He gives you spiritual gifts, because of the condition of your heart, you will use those gifts to satisfy your selfish desires.

⇒. Father whatsoever evil and darkness I have embraced that is not allowing you to answer my prayers, not allowing you to fight for me, to defend me, oh God, detach me from such evil, separate me from such darkness. Father every unrighteousness I have welcomed into my life, every evil I have entangled with, that is making you not to answer my prayers, oh God detach my life from this evil, separate my life from such darkness. Lord I know you are a righteous God and you do not promote evil, you do not sponsor sin, every unrighteousness I have embraced that is making you not to perform certain miracles, oh God detach me from such evils, Lord separate me from that darkness now.

(950). Some of us might think we are good and perfect and just like Simon Peter who thought he was perfect and when Jesus looked at him told him that he would deny him three times before the cock crows but Peter said never. He was so confident of himself that he thought he would never deny Him, but God knew his heart. God knows your heart more than you do.

⇒. Father search deep into my heart and expose, uproot every deep darkness hidden in me, expose and uproot them. Lord search inside my heart of every wickedness that is inside me that I have not seen, Lord bring it out. Lord every deep wickedness, sin inside of me, bring it out and uproot them. Lord dip your hand into my heart and uproot every wickedness inside me, every darkness that the devil is

going to use to bring me down, every darkness hiding in my heart the devil is already planning to use to bring me down to destruction, oh God visit that darkness and uproot them now in Jesus name.

VERSE 10

(951). Father I want you to be my shield from this hour henceforth, shield me from arrows of darkness, shield me from every attack coming from the dark kingdom. Lord every attack that comes to me while I'm sleeping, or during the day or nighttime, oh God shield me from tonight onward. Shield me Lord Jesus, shield my children, family, spouse from every darkness, attack of the enemy, flood of evil, shield me oh God of Israel from every attack of the wicked in the name of Jesus. Be my shield Father

(952). When God is your shield, it means that anything coming at you can meet with God first. And there is no darkness or power that can break through God to come to you. There is no sickness or disease that can break through God to reach you, it's not possible.

⇒. Father, I hide myself in you, I hide my soul and spirit in you, oh God from today let's no sickness, disease, evil, enchantment of the wicked, curse, sorcery or divination be able to touch me in the name of Jesus. Lord I hide all the organs in my body in you, all the parts in my body, my spirit and soul, Let nothing be able to destroy my life, let nothing be able to touch me in the name of Jesus. Lord I hide my life, my soul in you, let o evil be able to succeed over me, let no darkness be able to oppress me from this hour henceforth in the name of Jesus.

(953). Sickness and disease are spiritual thieves, they make you spend money when you should not.

⇒. I hide my finances in you, from today let no power be able to steal from me, let no sickness be able to steal from me. I hide my finances in you, let no power be able to steal from me, let no sickness or disease be able to waste my resources in the name of Jesus. Lord I hide my finances in you, every darkness that has targeted my finances, every demon that has targeted my finances, let them begin to meet with you and be destroyed, let them begin to meet with you and be roasted in pieces. Let them begin to collide with you and be destroyed to pieces. I hide my prosperity and blessings, resources in you, let nothing be able to steal from me henceforth in Jesus' name.

VERSE 11

(954). Father let your anger be kindled against every stubborn darkness, stubborn spirit, captivity of darkness that has refused to let go of my life and destiny, Lord let your anger be kindled and descend upon them. Every stubborn serpent, stubborn demon, stubborn principalities, stubborn princess of darkness, stubborn power of darkness, marine spirit, devil that has refused to let go of my life, calling and destiny, Lord of hosts, let your anger be kindled against them, let your anger fall upon them

and consume them all right now. Every stubborn spirit that has vowed not to leave my life alone, oh God let your anger collide with them, let your anger consume them right now in the name of Jesus.

(955). The Lord is telling me that there are serpents around you that must be dealt with, they have vowed not to let go of your life and destiny.

⇒. Father let your anger fall upon every demonic serpent, every serpent of darkness, that is attacking my calling and destiny, health, spirit, soul and body, oh God of Israel, let your anger consume them all. Every python spirit from the kingdom of darkness fighting my calling and destiny, every python principality, python-daemon, prince of darkness fighting my life and destiny, let the anger of God destroy them right now in the name of Jesus. Anger of God consume them. ***Right now let the anger of God fall upon every serpent of darkness that is following your life, let the anger of God descend on them and consume them all in Jesus' name.**

(956). Father every determination of evil men to cause my downfall, Lord let your anger frustrate them, let your anger destroy such determination, their plans. Every determination of evil men and women, demonic agents to cause my downfall, oh God of Israel, by your anger frustrate their plans, destroy such determinations, let the evil plans fail in the name of Jesus. Let your anger consume such determination.

(957). Father make your power too great and strong in my life and let no agenda of the enemy succeed. Let your power be too strong for the enemy to succeed over my life, to overcome me. Let your power be strong in my life for me not to fail at this time, Lord make your power great in my life. Lord make your power great in my body, soul, spirit and life, make it too difficult for the enemy to succeed over me. Make it too difficult for the plan of the devil to come to pass in my life. Oh God, make your power be so great in the name of Jesus

(958). There are depths in God that you must reach, that you must enter into. In the depths that is in God that is where you will be able to command so much great power for the enemy to defeat.

⇒. Lord take me into the depth of you, where I shall command power and authority over the dark kingdom. Take me into your depth where I will generate great power and authority, where I will generate great strength that darkness cannot overcome. Take me Lord into the depths of you, to generate great power, fire and authority; take me in you Jesus.

(959). God is angry with the wicked everyday meaning that He fights for you everyday, He gives you victory on a daily basis. That is why you don't stop fighting because spiritual warfare is a daily affair, it's not something that you do once in a while but on a daily basis because darkness does not retire and will fight you continually.

⇒. Father establish in me a great fire that will never stop burning, to give me victory, establish in me great fire that will always burn in my life for manifestations of victories on a daily basis. Great fire for great victories, Lord establish that fire in me, in my prayer life. Great fire that produces daily victory, Lord put that fire inside of me, establish that fire on my altar, establish it in my spirit. Fire for victories everyday, fire for daily victories over the kingdoms of darkness, put such fire in me, in Jesus' name.

VERSE 12

(960). If the enemy will not stop God will multiply His anger upon the enemy. Maybe you have been fighting the battle for so long and it looks like the enemy will not stop, it's like the more you are fighting it the more it's coming back, the more you overcome the more they are fighting you.

⇒. Father multiply your destruction upon every battle that keeps coming after me, every battle of darkness that keeps troubling my life and destiny, oh God arise and multiply your destruction upon them, multiply your arms against them, multiply your anger against them. Oh God of Israel multiply your anger against every battle that keeps coming back, as I am fighting it keeps coming back, Lord multiply your destruction upon them, multiply your anger upon them, Lord do not stop until they are completely eradicated. Lord do not stop until you completely waste them. Lord multiply your weapons and angels against them, multiply your anger upon every battle of darkness that keeps coming back to me, that keeps coming back against me, my calling and destiny, oh God arise, multiply your anger, consume them all, waste them all right now in the name of Jesus.

(961). You need to know that there are different kinds of weapons in heaven for war. There is a particular weapon of war for a particular battle you fight, there are specific weapons for specific battles.

⇒. Father mobilize the particular weapon that is going to end the present battles of my life, Lord release it into my specific battles, into my present battles. The specific weapons that will terminate my present battles, Lord mobilize that weapon, use it now. I know that there is a particular weapon in heaven that is going to end my present battles, Lord let that weapon be used right now. Lord make use of that mighty weapon that will put an end to my present battles, Lord let their weapon be released, let the weapon be used right now and let my battles be defeated. ***The particular weapon in heaven for your present battles in life, I decree let that particular weapon be released into the battles you're fighting right now in Jesus' name.**

(962). God has flaming arrows that he shoots. Arrows are weapons of target because once they hit the target, they bring down the enemy.

⇒. Father let your flaming arrows be released upon every satanic personality, demonic personality that has been assigned over my life, calling, destiny, finances and marriage. Every personality of darkness sitting over the affairs of my life, calling and destiny, Lord shoot your arrows right now and let your flaming arrows bring them down. Every personality of darkness standing over the affairs of my life and destiny,

against my promotion, elevation, fulfillment, walk with God, affairs of my family, in my life and destiny, Lord let your flaming arrows begin to hit them in the name of Jesus. Hit them with your flaming arrows right now in the name of Jesus.

(963). Raise up your right hand. Father shoot your flaming arrows upon every witchcraft network, witchcraft place, witchcraft coven, witchcraft where the matters of my life are being controlled from, every witchcraft realm, places where the matters of my life and destiny are being controlled for evil, Lord shoot your arrows upon them in the name of Jesus, shoot your arrows of fire upon these places, consume these places, consume those realms and kingdoms, send fire upon them, release of fire about those places. Every hiding place of witches and wizards, hideouts of wizards, Lord sets those places on fire right now in the name of Jesus. Every demonic hiding place, visible or invisible, demonic realms where the matters of my life, finances, and destiny are being manipulated for evil, Father release arrows of fire from heaven, the arrows of the living God locate those places and let those places receive the wind destruction right now.

(964). One thing about this weapon is that it goes directly to the exact thing the enemy has done; whatever they have done, the arrows will find it and destroy it. ⇒. Raise up your right hand. Father let your arrows locate every work of the devil that has been done in my life and destiny, let your arrows of fire locate that work and destroy it. Let your arrows of fire find the work where they have done it from, what they have done, where they have done it; let the arrows of fire find it and destroy them. Every evil work that has been done, Lord, locate them by your flaming arrows and let them be undone right now in the name of Jesus. Every evil work the enemy has done against my life and destiny, Father let you flaming arrows locate and destroy that work right now.

(965). There are demonic canopies or coverings, these shut the heavens. Once created it will be difficult for you to receive help, divine relations, divine visitations from heaven because the demonic coverings have been established against you. ⇒. Raise up your right hand. Father mobilize flaming arrows against every demonic canopy and covering that has been created over my life, that has been stretched over my life, spirit, over the affairs of my life, Lord let your flaming arrows come upon them and consume them. Every demonic covering that has been established over my life to keep my prayers from being answered, to stop me from receiving divine revelations, divine support, divine help, let the flaming arrows of the living God of Israel consume them right now. Demonic canopies catch fire, demonic coverings, be roasted by fire. ***Every demonic canopy that has been stretched over your life, career, marriage, finances; I decree let the flaming arrows of the Lord come upon them and destroy them all in the name of Jesus Christ.**

(966). Father let your flaming arrows locate every demonic surveillance instrument that the enemy is using to monitor my life, every demonic surveillance camera, eye

that are being used to monitor my life, let the flaming arrows of the God of Israel locate those instruments and consume them. Every demonic, satanic, surveillance system, demonic surveillance cameras and instruments systems used to monitor the affairs of my life, every demonic surveillance weapon used to monitor the affairs of my life, let the flaming arrows of God find them and destroy them. Let the flaming arrows of the God of Israel locate and consume them right now. Every demon, eye of darkness, monitoring the affairs of my life, let the arrows of fire, begin to blindfold with those eyes in the name of Jesus.

(967). The Lord is showing me that in the lives of some of you, the kind of powers which are fighting you are moving at a very high speed. I saw the enemy moving faster than how you are moving. What these powers are doing is affecting you strongly. They are spoiling many good things at the speed of light.

⇒. Father, mobilize flaming arrows and cripple every power that is moving against my life to destroy my life, to cause failure, Lord let your arrows cripple them. Every agent of darkness moving very fast to execute my destruction, failure, setback in my life, Lord let your arrows cripple them. Lord mobilize your arrows to stop every spirit that is moving fast to execute destruction in my life, every spirit that has been sent in my life and is moving so fast to carry out that evil assignment, Lord cripple that spirit, stop them by your arrows right now in the name of Jesus.

(968). Father whatever has been done, created in the realm of the spirit to permanently limit my rising, to stop my breakthrough, success; Father let that thing be consumed by your flaming arrows. Whatever has been established in the realm of the spirit to stop me from moving forward, Lord, let your arrows find them and let your flaming arrows destroy them. Let your flaming arrows destroy them right now in Jesus' name.

VERSE 14

(969). Father every soul or heart thinking and devising evil against my life, Father let that evil remain there and never come to pass. Every heart of men, souls of men that are conceiving evil against my life, destiny; Lord let the evil remain there forever and never to be established, let the evil remain there and never come to pass in the name of Jesus. Every heart of man that has conceived evil against my life, oh God of Israel, let the evil remain forever with them, let the evil never be able to touch me, let it never be performed in the name of Jesus.

VERSE 15

(970). Raise up your right hand. Father let the same trap the enemy has set for me, let it become a snare to the enemy. Let the same trap lead to their downfall and let them be caught by their own trap. Father, every trap the kingdom of darkness has set for me, let it become a snare upon their lives. Everything the enemy has set up against my life, Lord let it turn it to become a snare to them, let them be destroyed by

their own traps, let them be consumed by their own traps, destroyed by their own evil in the name of Jesus. Let them be taken and overcome by their own evil.

VERSE 16

(971). Father let an anointing of vengeance from you begin to work in my life from today, Lord let the anointing that commands vengeance begin to work in my life so that everything the enemy throws at me goes back automatically. Anointing of vengeance begin to work in my life, anointing of divine vengeance begin to work in my ministry, calling, life from today onwards, let every evil thrown at me backfire instantly. Every evil arrow of darkness thrown at me, let them backfire immediately, anointing of divine vengeance begin to work in my life from tonight.

(972). The Lord is showing me that there is a demonic transaction that has been initiated in the realm of the spirit. For example, the enemy gives you something so as to take something away from you. And what the enemy takes is more valuable than what he has given you.

⇒. Father, everyday money transaction that has been initiated, that happened to me; Father, command a reversal right now, let there be a reversal right now, let that which has been taken from me be restored by fire in the name of Jesus. Every demonic transaction that has taken treasures out of my life, that has taken glory and blessings out of my life, oh God let there be a reversal. Oh God, command a reversal of all that has been taken away from me, command by the authority of the Lord God of Israel, let there be a reversal right now. ***I command, by the authority of the God of Israel, let there be a reversal by fire of everything that has been taken away from your life through demonic transaction.**

(973). The Lord is showing me that there is a spirit working with you causing trouble everywhere you go. It is a kind of spirit that is against peace, such that there is no peace, there's only trouble, conflicts and all that.

⇒. Father every spirit attached to my life causing trouble, every spirit attached to my family that is destroying peace, every spirit attached to my life that is promoting troubles, destroying peace; oh God of Israel, let your fire consume them, let your fire destroy such spirits. Every darkness that is attached to my life, making trouble to keep happening, making people fight me, quarrel with me, people hating me; Lord let your fire consume such spirit right now. Every spirit following me, destroying peace, fire of the Holy Ghost, destroy them in Jesus' name.

VERSE 17.. I decree over your life that the Lord shall produce a new thing that will move you into special thanksgiving and praises unto God in Jesus' name. The Lord shall perform a miracle in your life that will move you to begin to thank God in such ways you have never done before. I decree let such happen to you right now in Jesus' name. Amen.

Every incantation, divination, enchantment and curses that have been pronounced out of the mouths of evil men and women against your life, I decree that because you are connected to this anointing, all those things are cancelled right now in Jesus' name.

I prophesy over you, your greatness has come, your success has come, your blessings have come, your promotion has come, your upliftment and elevation has come in Jesus' name. I prophesy over your career, business, talent, the works of your hands, what you are doing for a living, the glory of God shall manifest upon them in Jesus' name. The greatness of God shall arise from that thing you are doing for a living, in that which God has called you to do, I decree let the greatness of God arise from that thing to announce you all over the world in Jesus' name. Every limitation that your ancestral background, family background has brought upon your life, calling and destiny; that limitation from your father's house and mother's house is broken off your life and destiny. Thank you Father because we know you have answered these prayers, blessed be your Holy Name in Jesus' name we have prayed, Amen

WORD OF PROPHECY: I see the Lord has renewed your divine authority. The kind of authority that will be manifested when you pray from now on is different from the kind of authority that used to follow your prayers and declarations. I saw a new sceptre being given to someone and sceptre means authority. I believe you will understand it as it comes to pass. The Lord bless you.

26 DECEMBER 2020

PRAYER POINTS

(974). You need to be grateful to have received many things from God. You don't need to think that you deserve all that God is doing because there are many miracles we do not deserve but God is doing it because of his mercy.

⇒. Father thank you for all that you have done for me since the beginning of this year till this moment of my life. Lord I thank you because for all that I know you have done and those that I do not know but you have done for me. Lord I thank you for all that you have done for me, those that I know and those that I do not know. Thank you for being so faithful to my life, to my family, business and career. Thank you for being so faithful since January till now. Thank you Lord Jesus for what you have done, indeed you have blessed me, indeed you have preserved my life and you have fought for me. Indeed you have kept me in good health, there are many who spent millions of dollars on their health this year but I spend less than \$100, even nothing on my health, Lord I thank you. Thank you for preserving my parents, children, and spouse. Thank you for the grace to sleep and wake up. Thank you Lord because I have seen great things you have done for me, I cannot thank you enough because you have been so faithful, so loving, thank you Father.

ISAIAH 60:4

(975). This prophecy in Isaiah 60 is the future glory of Jerusalem, it's the restoration of Jerusalem. I believe there are so many things that have left your life at certain points in time as you were growing up from childhood. Many things left your life when you were still a sinner, even when you backslid and went into sin.

⇒. Father let your mercy bring back to my life every good thing that has left me, that has left my life; every good thing the enemy has taken away, Lord according to your mercy, bring them back, restore them back to me. Lord now I am in your light, I am in your presence I am your child, I have repented, I now belong to you, Lord everything that was taken away from me restore it to me. Everything that I have lost through disobedience, through the lifestyle of sin and carnality, through carelessness and ignorance, everything I have lost to the devil, everything I have lost in time, oh god visit me in your mercy and let there be a restoration. Lord restore all the virtues that have left me, the fear of God that has left me, the spiritual seriousness that has left me, the spiritual understanding, wisdom and knowledge that has left me. Every good thing that has left my life, Father bring them back by your mercy in the name of Jesus.

(976). There is a beauty that must manifest when God pays you a visit, there's a beauty that comes out of my life, just as verse one says arise and shine. Some of you might think your lives are beautiful but when God visits you, you will discover that life has not been beautiful because the way He will beautify your life will be beyond words.

⇒. Raise up your right hand. Father visit me and make my life beautiful, make my life look exactly as it is in your mind. Make me exactly as I am in your mind, exactly as you are thinking for me, Lord let my life look that way. Father, I look up to you at this time, I know that only you can make my life beautiful because only you know what you want for my life even before I was born. Only you have the destiny script in your hands, Lord I ask that you beautify my life. Everything that must appear in my life for me to show forth the perfect beauty that you have for me, Lord, let those things begin to appear. Everything that I must have to show forth your perfect beauty, begin to send those things to me. Lord make my life beautiful at this time, let me have everything that you have in mind for me, make me to possess them, make me to own them, make me have everything that I must have to show forth the beauty of my destiny, the beauty of my calling, Lord let me begin to have them. Visit me and make my life beautiful.

(977). There is a beauty that can come upon a man, a beauty that man cannot give to you but that comes only from God. It is God who can give that kind of beauty. There are some people who have trusted a man or one family member who is rich or wealthy and they believe that a rich uncle will make their life beautiful but that is not true, that kind of beauty only comes from God. Until you seek the Lord for it, that

beauty might not come, only when you look to God and stop looking at men then will you have that beauty.

⇒. Father forgive me for trusting in men, trusting in the flesh, trusting people, Lord teach me to trust in you at this time because only you can make my life beautiful. I acknowledge that only you can bless me, lift my life up and promote me. I acknowledge that only you can prosper me, you only can make me great and successful, Lord teach me to withdraw my trust from people and to put all my trust in you. Lord teach me to depend on you and not even depend on my spouse or parents, but only on you because I know only you can make my life, calling, career, ministry beautiful, teach me to trust only in you.

VERSE 5

(978). When your eyes shine it means surprises, God will be surprising you. When God surprises you, you will open your mouth and your eyes at the same time in wonder. God still has something in his hands to do just to surprise you, that's the good news only if you can believe.

⇒. Father move mightily in my life and let my life thrill with joy. Move mightily in my situation and let me see your wonders, mighty miracles, surprise miracles from you that will make my heart thrill with joy, Lord move and do them right now. Oh God of Israel, my life is open to you, I open up my situation for your visitation, Lord come and move in my life, come and work in my life and perform surprise miracles. Miracles that will surprise me, miracles that will make my heart thrill with joy, miracles that will make me celebrate. Lord I know you can do it because this is my season, this is my time. Visit me Lord Jesus, move in my life, surprise me with miracles.

(979). I have seen many mighty miracles and they carry certain characteristics that has taught me some things. I have learnt that only God can do these miracles because there's nothing that I did apart from just believing and having faith, and God began to move by himself. All I did was to have faith and God decided to show that He can be trusted. When God does miracles He is trying to show us that He is faithful and we can trust him. He wants to do miracles at this time, to show you His faithfulness.

⇒. Father I believe in you, I believe in your power, in your greatness; Lord do miracles at this time to show me your faithfulness because I believe and I will not stop believing in you. Lord prove your faithfulness in my life with miracles. Lord I believe and I will continue to believe in your mercy, to believe in your grace, in your power and in your strength. Lord, I will continue to believe in your blood, in the efficacy of the blood of Jesus, I will continue to believe in the power of the Holy Ghost, I will continue to believe in the authority of your Kingdom. Lord I will not stop believing in the authority of your name, Father, show me your faithfulness, prove your faithfulness in my life because I will continue to believe in you. Reveal your faithfulness in my life and situation by many miracles and wonders.

(980). I have also learnt that God's miracles happen His way, not in your own way. Not in the way you imagined it to happen meaning that it is God who will decide how it will happen, when it will happen, and He is the one who will design exactly what will happen.

⇒. Father bring me into perfect alignment with your own will, perfect connection, into your own ways when miracles happen. Lord align me with your own ways because you do miracles your own way. Teach me to follow your ways, teach me to believe according to your ways. Lord teach me to understand your own ways, to pray in your own ways, to do things your own way so that I can see the miracles that you have packaged for me and receive them. Align my life with your own ways, organise my life to agree with your own ways.

(981). Sometimes when I am praying for people or praying with people, God usually tells me that until these people do my will, I will not answer your prayer for them. Until they obey my will, my commandments, until they please me, I will not answer your prayer for them. This is the standard of God's Kingdom. God wants to bless people who love Him, He wants to help people who have surrendered their lives to Him not people who love Satan, who are following Satan and serving sin. God loves to bless the righteous not the sinners. If you have embraced unrighteousness, God might not do miracles in your life because God does not like to partner with the devil. If God blesses a sinner, it will be like He is partnering with the devil because that sinner is the servant of the devil. That is why some anointings will not work in your life because you are not pleasing God.

⇒. Father I repent from every unrighteousness, disobedience and uncleanness, Lord let your will prevail in my life, let your will rule my life. I repent from every sin and disobedience, let your will prevail in my life, Lord help me to do your will, help me to serve your will and purpose not my own selfish interests. In my marriage, business, ministry, calling, and career, help me to serve your purpose not my own selfish interests. Lord help me, I want to do your will.

(982). Merchants from around the world will come to you and bring you wealth from many lands.

⇒. Raise up your right hand. Father, release upon my life an anointing that commands wealth from all over the world. Place upon my life an anointing that commands wealth from every corner of the world. Place upon my business, career an anointing and authority that commands wealth from every corner of the world. Place upon my spirit, my soul, my body, calling and ministry an anointing and authority that draws wealth from every corner of the world in the name of Jesus. Because I belong to the kingdom of God, I am the Jerusalem of God, I am an Israelite of God, I belong to this prophecy in Isaiah 60, God of Israel I ask that you put upon my life an anointing that will draw wealth and riches from every corner of the world. I don't care what the economic system of the world says or what is happening in the nations of the world but what I know is there's a power that

commands wealth, there is an anointing that brings wealth. Father let that anointing manifest upon my life right now in the name of Jesus.

VERSE 6

(983). Father let your glory arise from within my life and shine, and let everyone that sees the glory be attracted unto you. Let your glory arise so brightly in my life so that everyone who sees it will come to know you, will come to serve you, they will come to give their lives to you, Father, let such glory begin to shine upon me. Oh God I need that glory that draws people unto you, Lord let it manifest into my life right now in the name of Jesus. Such a glory that unbelievers will see and they will come and serve you, they will come to worship you, they will come to trust and seek you because they have seen the glory, Father I need that glory, let it rise and shine In my life, ministry and calling.

(984). A time is coming that God will reveal the greatness of who He is in the church, such that everyone will be coming to Him from all over the world. They will be coming to meet and seek the God of Christians, even to give gifts and offerings.
⇒. Father, my life is available, reveal your greatness in my life. Reveal the greatness of your glory, your power, your Kingdom, of your name, Lord reveal it in my life, so that the whole world will be attracted to you. Nations will see your greatness and will come to you. Lord from within my spirit, begin to reveal the greatness of your power. Lord from within my soul, my body, life, and destiny, reveal your greatness so that everyone will be attracted to you as they see that greatness. They will come and ask me what secrets I have and what kind of God I am serving. Lord such greatness, let it be revealed in my life so that the whole world will come and ask questions of your greatness. Lord do something great, begin to show forth such greatness in my life, family, marriage and business.

(985). The Bible says our bodies are the temple of God, you are the temple of God. God is saying He is going to make you glorious because He wants to use you, to use your life to draw souls unto hHimself. He wants to make you glorious because through you He will draw souls unto his Kingdom.
⇒. Raise up your right hand. Father make my life glorious, make everything that I am doing glorious, makes my career glorious, calling and ministry glorious such that souls will be won into your kingdom through my life. Let my life become a blessing to my generation, I want to be a light that will prevail over the darkness of this age. Make my life glorious Lord, because I want to preach the gospel and thousands of souls are won unto your Kingdom. Lord make my life glorious because I want to be a channel through which many lives will have a relationship with you. Make my life glorious because I want to glorify you.

(986). During the early days of Jesus Christ, Jesus said Father glorify yourself so that your son also may glorify you. I believe some of the things you have been doing for God are things that glorify Him. Most of you want to glorify God with your

finances, resources and positions and that is the reason why God will glorify you. He knows that when He glorifies you, you will glorify Him, you will honour Him. So you are going to make a covenant with God that you will fulfill.

⇒. Father I determine in my heart to glorify you. Lord I make a determination in my heart and spirit to glorify you, to glorify you with my life, Lord glorify me so that I can glorify you. Lord make my life great so that I can glorify you, so that I can bless your work on earth. Lord I have determined in my heart to glorify you on earth, to glorify your kingdom on earth, to glorify your name, work, business and purposes on earth. I have determined in my heart to be a blessing to the works of your Kingdom here on earth, therefore Lord glorify me with riches and wealth, with prosperity, power anointing, special grace so that I will glorify you.

VERSE 8

(987). We have come to a time when God is going to glorify the people that trust in Him. We are in the time where God is going to bless people with great riches, great wealth, great splendor because they have trusted in Him, such that everyone would want to serve your God. Everyone would want to identify with your God, even nations, governments of Nations would want to identify with the God of Christians.

⇒. Father, by reason of your visitation in my life let nations governments of nations, people from all over the world begin to come to celebrate you in my life. Let people from all over the world come to celebrate You in my life by the virtue of your visitation in my life. Let people, the government of nations, presidents and kings begin to come to celebrate you in my life. By the reason of your visitation let all men and women from all over the world begin to come and celebrate you in my life, to celebrate your glory and Kingdom in my life. Lord let them come to honour you in my life, visit me and let all this happen.

VERSE 10

(988). One thing I have discovered in the way God dealt with the Israelites is the fact that God used people like foreigners (people who were not there when God was making covenant with Israel). God will go and speak to them and command them to come and favour Israel, bless Israel or even rebuild the towns of Israel. These things have happened many times in scriptures where by foreign kings will come and build the temple of God in Jerusalem and these are the people that never knew God. The type of people that God will use to change your life, you will not know them and you don't need to know them at all. You don't need to know your helpers for them to help you, all that God has to do is stir up their hearts. You do not even need to be connected to them anyhow because God can use anyone to bless you.

⇒. Father, according to your great power, mobilize and stir up the hearts of strangers, foreigners to arise for my help. Lord begin to mention my name before them, to rise for my help at this time, to rise and favour me at this time.

Lord according to your greatness, according to your great power and strength, Father stir up the hearts of foreigners and strangers to come and favour me, to come

and bless me, to come and lift me up to greatness. Lord they do not have to be a part of me or my family, neither should I know them. All they have to know is to hear from you, all you have to do is to speak to them, command them, mention my name to them. Oh God, mobilize strangers, speak to strangers concerning me, speak to foreigners concerning my case and situation, speak to them to help me.

(989). I have said it before, the only thing God cannot do is that which He does not want to do. If God has determined in his heart to lift you up at this time, he will do it and He can use strangers to do it. I feel strongly in my heart that the people who will help you are people that you don't even know at all.

⇒. Raise up your right hand. Father, I refuse to limit you at this time, Lord arise and do that which only you can do. Lord, I refuse to limit you, I don't want to know how you will do it but Lord lift me up, do something to lift me up. Use anyone, use anything to lift me up because there is nothing Impossible with you. Arise oh God and lift me up, lift me up to where you want me to be in my life and destiny. I am not going to limit you. I do not have to know them or how you will do it but Lord I trust in you and in your power. That which you want to do to lift me up, Father do it now in Jesus' name.

VERSE 11

(990). It says the nations that refuse to serve you will be destroyed; this means that God is going to make you a god to those nations, to rulers such that they will fear the kind of authority that you command and they will have to do what you want because failure to do so is to see the wrath of God.

⇒. Father, strengthen your power, glorify your power and authority in my life, such that every kingdom that is against you begins to serve me, such that every power that is against you will begin to serve you. Father, glorify your power in my life, glorify your authority and your name in my life such that every other kingdom that is against you begins to serve me. Raise me above them all. Magnify your power in my life such that every nation that will not listen to you will forcefully serve you; they will see your power and bow. Every Kingdom that does not want to serve you, will serve you by force when they see your power in my life, when they see your glory and greatness in my life. Or God glorify yourself in my life so that nations will serve me, money will serve me, everything in the world will serve me because of your greatness in my life.

(991). A time is soon coming when you have to be powerful, where you have to really walk in great power to fulfill your calling and destiny. A time is coming that when you are not a Christian walking in power, there are many things that will be impossible in your life because the kingdom of darkness does not respect your beauty or qualification, what they respect is power. If you are not powerful they will trode you under their feet.

⇒. Father make me command the same authority that you command from heaven so that all the enemies of my calling and destiny shall bow before me. Lord enable

me from today to command the same power and authority that you command in heaven so that all the enemies of my calling and destiny will begin to bow before me, they will begin to lose battles. Let me command such power that I take captive of my enemies not them taking captives of me, empower me oh Lord for this.

(992). In God there's a power that makes things go in a direction God wants them to go, whether they like it or not, consciously or unconsciously they will take that direction He wants. That is why everything that the devil is doing is also, (you need to know that the devil is also part of God's messengers; he is also fulfilling God's plans). Many things that the devil is doing, is exactly what God wants him to do. If God wants him to do exactly the opposite of what he is doing now, God knows how to make the devil do that. There is a power in God that makes everything to go the direction that He wants it to go. Even the antichrist is going in God's direction, everything is going the way God wants it because everything is going that way so that God will do what He wants also to do. There is power that when it comes upon you everything will begin to go all the way God wants it to.

⇒. Father let your power come upon my life and situation right now, let your power fall upon me right now, let everything from this moment begin to move in the direction you want them, so that my greatness will appear without delay, so that my victory and blessings will come without delay. Father let your power fall upon me right now and let my life begin to follow the direction you want is to follow. Let everything and everyone in my life begin to follow the direction that you want them to follow, from this hour henceforth. Everything in my life including my thoughts and my thinking let them go the direction you want them to.

VERSE 13

(993). He is saying that those who despised you will kiss your feet.

⇒. Father let my shame become glory and honour. Every shame the enemy has created into my life, Lord turn it into great glory and honour. Lord, my present situation into greater glory and honour. Everything that is causing shame in my life, oh God uproot them and reveal your honour in my life. In place of shame reveal your glory, in place of shame reveal your honour in my life, do it Father, do it Lord in the name of Jesus.

(994). There are people who have despised you for what they see now in your life. They cannot see the future glory that is coming; they are focusing on your present situation, that is why they are mocking you. But the Lord is saying the same people are about to see your glory, something they have not seen before and because they will see that, the same people will call you the Zion of the Lord, they will call you beautiful names because of what they will see.

⇒. Father, according to your mercy, take me into the glory that you have prepared for me before I was born again, before I was a Christian, before I came into this world. Lord take me into that glory, into that future destination, take me into such glory. Take me into the glory of my destiny for it is time, for a new beginning in my

life. Lord, I understand by revelation that it is time for a new dawn, a new beginning in my life, Lord take me by your mighty hand into that glory you have prepared for me.

(995). Father make my life a mystery to the kingdom of darkness from today onwards. Make my life difficult for them to understand, make your plans for me a mystery for the kingdom of darkness to understand. A mystery such that the kingdom of darkness cannot understand my life, cannot understand what you want to do for me, oh God do this by your mighty hand. Lord make my life and ministry, business a mystery to the kingdom of darkness so that they will not understand my life, so that they will not understand your will for my life.

(996). Father let every friend who is an agent of Satan in my life be exposed. Every friend, partner or person that is close to me who is an agent of darkness and instrument of the devil, being used against me, Lord let them be exposed by your mighty hand. Oh God expose every person that I am so close to, Father expose them in the name of Jesus. Expose who they really are to me so that I can get rid of them, so that I can separate myself from them. Before I enter into the new year, every friend who is an agent of darkness that I am close to, Father expose them now in the name of Jesus.

(997). Father let my heart be pure enough to receive instructions from you at this time. Let my heart be spiritual enough to receive from you your voice, to receive directions and instructions. Let my heart be sanctified enough, be pure enough, let it be purified in the blood of Jesus so that I will hear your voice, receive instructions from you, directions from you, so that I will know your will at this time. Sanctify my heart for your will to happen in the name of Jesus.

(998). Father let the Holy Spirit be more visible to me, let the Holy Spirit manifest to me so closely at this time. Lord make the Holy Spirit appear to me, manifest to me in more visible ways, in signs and in wonders, make the Holy Spirit minister to me in more tangible ways, real ways, in testimonies, in reality, in encounters. Make the Holy Spirit manifest to me, make the Holy Spirit visible to me. Lord strengthen my relationship with the Holy Spirit, strengthen my devotion with the Holy Spirit and the name of Jesus, Amen

CLOSING PRAYER

Raise up your right hand.

Father, we thank you because you are a faithful God. We thank you for a great visitation that we shall receive, even the visitation we are receiving already. Thank you Lord because you have determined in your heart to beautify our lives at such a

time like this. Thank you because you shall make all things possible unto us, oh God be praised forever in Jesus' name. Lord I thank you because your will shall prevail in the lives of your people. I thank you because the agenda of the enemy shall be destroyed and cancelled and frustrated. Thank you Lord because you will turn around their negative situations into great testimonies of your faithfulness, oh Lord be praised for ever in Jesus' name.

I am praying for as many of you that prayed with faith in your heart tonight, I decree over your life that in this season you shall not be defeated in Jesus' name. I decree between now and the end of February 2021, you shall not fail in the name of Jesus. I decree that the Lord shall cause riches and wealth to visit your life in the name of Jesus. I decree that prosperity shall spring forth from your life henceforth in the name of Jesus. I decree that the trap the enemy has set forth to bring you down, such a trap shall not get you; it will not prevail over you in the name of Jesus. I decree that the hand of God shall lift you up and position you in that place that you are meant to be in the name of Jesus. I decree that everything that you lay your hands upon, beginning from today shall be prosperous in the name of Jesus.

I command every door that has been closed against you to begin to open unto your henceforth in the name of Jesus. Every garment of suffering, hardship, shame that has been placed upon you, I command that garment to be pulled off from you from your life henceforth in Jesus name.

Every disappointment, failure, setback that you keep experiencing, but because you have prayed from a heart full of faith and trust in God at this time, I decree an end to come to those disappointments and failures, rejection and setbacks in Jesus' name.

I prophesy over your life that you shall find the will of God for your life in the name of Jesus. You shall no longer be confused about what to do with your life but you shall find the will of God for your life and you will do it in the name of Jesus.

The battles you have fought again and again and you could not have victory over them, but because of God's visitation upon your life at this time, you shall begin to have victories without stress in the name of Jesus. Thank you Father because we know you have answered these prayers, blessed be your Holy Name, in Jesus' name it is done, Amen.

I want to remind the sisters to cover their heads while praying. According to scriptures women are supposed to cover their heads when they pray or prophesy. I want to correct that, every time we pray on this platform, I encourage all women to ensure your heads are covered because of angels.

ISAIAH 60:15

(1000). He didn't say He will make you beautiful alone but He said He would make you beautiful forever, that's a beautiful promise. Secret to beauty, is the power and presence of God

⇒. Father, establish in my life your great power and presence that will make my life beautiful forever. Father, establish in my life your great power and presence for the manifestations of beauty for continual beauty. ***I ask oh God for everyone in this ministry, connected to this prayer session that you establish in their lives your great power, great beauty, great grace such that there is continual presence for the manifestations of beauty in their lives. Lord let your presence and power be so strong in the lives of everyone, such that blessings will continually flow, so that victories and breakthroughs will happen continually.**

(1001). The Lord said I will make you beautiful forever, this means that God will make you look exactly as He destined for your life before you were born.

⇒. Raise up your right hand. In the name of Jesus, I come against every darkness that is stopping the manifestation of the beauty of my destiny. Every darkness stopping the manifestation of the beauty of my life and destiny, let fire consume them right now. Every darkness that is blocking the manifestation of the appearance of the beauty of God in my life, calling and destiny, let fire consume that darkness. Every darkness that is stopping the manifestation of the appearance of the beauty of God for my life and destiny, let such darkness catch fire right now in the name of Jesus. Every kingdom of darkness that is blocking, stopping the manifestation of God's beauty for my calling, destiny, ministry and career, let the fire of God destroy those kingdoms of darkness right now in the name of Jesus.

***Every evil spirit serpent, demon that is blocking or stopping the manifestation of God's glory and beauty in your life, let fire consume them right now in the name of Jesus Christ, Amen.**

(1002). He says I will make you a joy to generations. Show me a man that is a joy and a blessing to his generation and I must tell you that such a man is a man that is fulfilling his divine calling and destiny. A man who is fulfilling the purpose which God placed him in this world for. Until you fulfill your divine purpose, you cannot be a joy to generations

⇒. Raise up your right hand. Father take me from where I am right now into the manifestations, fulfillment of my calling and destiny. Take me Lord Jesus by the hand, from where I am right now to the place of the manifestation of my calling, to the place of the fulfillment of my calling. Oh God of Israel, take me to the place of divine fulfillment of my calling and destiny in Jesus name.

(1003). He is not only going to make you beautiful for this generation but for generations to come as well. You will become a generational celebrity. There is a gift in you that is going to make you a blessing to your generation, that gift must speak.

⇒. Father the talent, the ability gift you have placed in me, Father let it be awakened in me and let it begin to bless my generation. The talents, the gifts and abilities that you have placed inside of me, Father let them rise and let begin to manifest and bless my generations and even generations to come. Oh God, speak and command the gift within me to rise, command the light in me to shine, Father command the abilities in me to rise and shine, commands them to rise and shine to bless my generation. I believe you placed gifts, abilities and treasures in me not for me, but for my generation, Lord command this gift to rise and minister life to my generation. Command the calling in me to rise and minister hope and revival to my generation. Oh God of Israel, let your glory in me arise and prevail in my generation so that I will become joy to many lives, homes and families.

(1004). Most times when you're asking God to make you rich and wealthy or to make you prosperous, He is not going to put money in your pocket or bank accounts and sometimes He is not going to speak to people to come and bless you. What does God do when you pray such a prayer? He will look at what is inside of you, what the world needs and He will stir up that gift. He will raise and breathe upon that gift, and when you start becoming a blessing to your generation, then your generation will start blessing you and that is how God operates most times. So many Christians don't take it seriously. God will always use what is in you to make you great because greatness starts from within you not from outside. If God is blessing me today, it is not something that is coming from the outside but because of something that came out from within me. Until that thing in your life is to be a blessing to the nations, you might not have some of your prayers answered. So you need to maximize your potential so that you can fulfill your calling and destiny.

⇒. Father from today, oh connect me with opportunities that will bring out all the potentials in me out to manifestation and fulfillment. Lord, begin to connect my life with opportunities that will bring all the potentials you have placed in me into manifestation and fulfillment. Opportunities that will lead me into the manifestation of

my calling and purpose in life, opportunities that will make my life the way you want it to be, Lord bring unto me such opportunities. Opportunities that will help me to discover who I really am, that will enable me to discover what I am capable of, Lord connect me with such opportunities.

(1005). God is telling me that some of you need to be in an environment where the things He has placed inside of you since the day you were born will naturally come out into manifestation.

⇒. Father take me into the environment where my gifts will find expression and manifestation. Lord take me into that spiritual environment that I need to be in, connect me to people that I need to be among for my calling to be fulfilled, for my gifts to be fully expressed and manifested. Lord take me into this environment, whether it's physical or spiritual, whether it's a church, ministry, a company- wherever it is, such an environment that is going to make me great in the aspect of my calling, put me there Lord Jesus.

VERSE 16

(1006). God is saying, powerful kings and mighty nations will satisfy your every need. Some of you might be wondering how such a promise will come true in your life. If God said it then God is going to do it.

⇒. Father, glorify yourself in my life, magnify yourself in my life such that powerful kings of nations, governments will come to satisfy my needs. Lord magnify yourself in my life, glorify yourself in my life such that presidents, great people will come to satisfy my every need. Lord let such promise manifest in my life, glorify yourself, magnify yourself Lord Jesus in my life.

(1007). How will these kings satisfy your every need? They will come to help you according to the divine command of Jesus. Jesus as the King of kings is a king that commands kings to do his bidding. You do not need to know anyone amongst the government officials because God is among them.

⇒. Lord Jesus, you are the King of kings, Lord Jesus command kings, governors, government officials to rise to satisfy my needs, to satisfy the need of my life, ministry, destiny and calling. Lord you are the King of kings, command them just as you commanded Cyrus to go and build the temple of God in Jerusalem, Lord you can do it again now. Father command kings of nations, presidents of nations, governors, governments of nations to rise and satisfy my needs at this time. Command them because when you command no one will reject your command. Let presidents of nations arise to help me.

(1008). God is saying you will know at last that I the Lord am your savior and redeemer. I don't know what has been happening to you from the beginning of this year and you feel like your life has been troubled so much and you have experienced the worst. God is saying it does not matter where you are coming from or what has happened. He is saying right now, that it will not at last because He is the Lord and

there is a great plan He has for you that you are about to enter into. There is a plan of God ahead waiting for you in the future. Even for your tomorrow, there is a plan of God for you.

⇒. Raise up your right hand. Father the plans that you have for me to give me victories, breakthroughs, prosperity; oh God take me into their fulfillment now. Take me into that prosperity, into that success that you have for me. Lord take me into your plan for me, the plan to make me great, successful and prosperous, Lord take me into that plan in Jesus' name.

(1009). To be mighty is to be able to do anything you decide to do. When we say God is the Almighty, we are saying that He can do anything He determines in His heart to do and nothing can stop Him. Whatever God has determined to do in your life, as He is the mighty one, He will do it and nothing will stop him. If He has to create that thing from nowhere, He will do it because of what he wants to do in your life. Do you have a great faith for what God wants to do? If you have faith there is no limit to what God can do for you.

⇒. Raise up your right hand. Father you are the mighty one of Israel, according to your great power, let that which you have in mind for me at this time appear suddenly. Let your thoughts for me appear suddenly, let your will for me at this time that I am in appear right now. God according to your great power and might, that which you have determined for me at this time, that which you have for me in mind, Lord let it appear right now suddenly without delay. The marriage, prosperity, healing, deliverance, newborn child, that you have for me at this time, Father let it appear suddenly in the name of Jesus. ***Because the mighty one of Israel is here in this meeting, I decree over your life that which is in the heart of God for you at this time, let it appear in your life right now without delay. That which is in the mind of God for your family, let it appear right now in the name of Jesus.**

VERSE 17

(1010). God is going to make your life better than it is right now. The new year that you are about to enter is going to be better than this year. That's why I've been saying we are in the season of elevation till the end of February. God wants to lift up people all over the world, He is going to make people's lives better.

⇒. Father reveal your power and glory in my life and situations such that I become better than what I am now, so that I will become better than who I am now spiritually and physically. Reveal your glory in me and let my life become better than who I am now, better than where I am now. Lord make my life better, make my prayer life, ministry and business better than where I am right now. Lord make me better by your power and glory.

(1011). He is saying here that your life will be under the rulership of peace and dominion of peace. It does not matter what is happening in your environment or what is prevailing around you, whether people are getting the virus or not but God is saying He is going to put you under peace such that you will always have peace in

all circumstances. There is a peace that comes from God alone, from God's kingdom and those who are not in God's Kingdom will not have that peace.

⇒. Raise up your right hand. Father put me and my entire family under the influence and dominion of your peace from now till forever. Lord Jesus put my body, my soul and spirit under the influence and dominion of your divine peace irrespective of what I'm passing through or what I will pass through or what is happening in my country, marriage, whether it is physically, spiritually or invisibly. Oh God from now henceforth, let my life and that of my siblings be under your peace continually. Establish with me and my household an everlasting covenant of peace.

(1012). The Lord said that there are some things going on in the lives of some of you that are against His peace. Those things are not allowing you to be under the Lord's peace, their presence is not allowing you to be at peace.

⇒. Raise up your right hand. Father visit my life with fire and let everything in my life that is against your peace come out right now and be consumed. Everything in my body system that is against the peace of Jesus, come out in the name of Jesus. Everything in my heart, my mind and spirit that is against the peace of Jesus, come out in the name of Jesus. Everything happening in my business, family, career, and academics that is against that peace of Jesus, I command you to come out in the name of Jesus. ***I command every pain, leave in the name of Jesus. Every sorrow, depression, leave in the name of Jesus, every pollution and addiction leave in the name of Jesus. Every oppression, slavery, captivities of darkness, leave right now in the name of Jesus. Every sickness, disease, coronavirus, leave in the name of Jesus. Everything that the Lord has not planted, I command it to come out right now in the name of Jesus.**

(1013). Righteousness is a spirit, it is the nature of Christ in us, not the carnal nature but the divine nature in you. Many Christians are always under the carnal nature that's why they are able to embrace the lifestyle of sin and darkness but the Lord wants us to be under the divine nature to be ruled by divine nature and that's what the kingdom of God wants. You're not supposed to be controlled by the dictates or desires of the flesh. When you are in the flesh, the promises of God will not come in your life but when you are in the spirit that is when the promises of God come to pass. You are not likely to be blessed when you are under the flesh.

⇒. Father let your righteousness in me arise and dominate my life, rule over my life days, imaginations, thinking, decisions and determinations. Your righteousness Lord Jesus, let your divine nature rise and rule from within me, I surrender to your nature. I surrender to the Holy Ghost, I surrender to be led by the Holy Spirit, I surrender to the will of God, I surrender to the leadership of the Lord in my life. Lord I refuse the lifestyle of unrighteousness, darkness, seduction, uncleanness, pollution, I refuse a lifestyle of sin and I embrace the lifestyle of holiness, of righteousness, the fear of God, purity and truth in the name of Jesus. Help me Lord Jesus, I refuse to live a life under the dominion of sin, I refuse such a life. Put me, my spouse, and children under the dominion of righteousness.

(1014). You need to understand that there is a judgement of God that has been activated for these last days. Meaning that God is about to judge millions of people, so now is not time that you should be embracing a lifestyle of sin. Though you might have lived a lifestyle of sin before, not now because those who embrace an unrighteous lifestyle, 2021 is going to be a very terrible year for them because they will suffer and a lot of people will die untimely (you can write it down). Some of these deaths, the doctors will not be able to find or explain the cause of the death.

⇒. Father, I do not want to fall under your judgement, help me to live in the spirit and not in the flesh because I do not want to suffer your judgement all the days of my life. Lord help me to live in the spirit, to walk in the spirit. Lord help me, I refuse to live in the flesh, help me to please you, to love you more than the flesh, to love you more than this world or money, to love you more than anything.

VERSE 18

(1015). This is talking about divine security, divine intervention that will terminate war physically and spiritually. Even if there is going to be war, your life will not be part of the destruction

⇒. Father put me and my entire family under your divine security and protection. Lord put me and my entire household under your divine security from this hour henceforth. Lord let violence disappear from my life, from my entire household, even in my marriage; let trouble disappear forever.

(1016). The Lord is saying we should pray the same prayer for the nation that you are staying in right now.

⇒. Father let violence and war disappear from this nation. Lord Let your glory fall upon my country and let the destruction be permanently eliminated, even in the new year we are entering. Violence disappear from (mention your country), bloodshed disappear forever, untimely death disappear forever, let the glory of God fall and let every soul in my country be saved in the name of Jesus Christ.

(1017). God is very much interested in the salvation of souls at this time despite what the kingdom of darkness has already programmed for this generation. God is interested in using what the devil is doing right now in so many nations for the salvation of souls. He is going to do it because He is raising up an army, ministries at this time to use it these times. If you want to be a part of the army, pray this prayer.

⇒. Raise up your right hand. Father enlist me among your salvation army of these last days, enlist me among men and women you will use for the salvation of souls in these last days. Lord make me part of this move at this time to win souls from every corner of the world unto your Kingdom. Lord put me among the soldiers of your salvation army, let my life be useful for soul winning at this time.

(1018). Someone once asked what I meant when I said but God knows what the devil will do and whatever devil does is part of God's plans. The person was asking

how true that was. God is the one that set the time for everything that is happening right at this particular time, to be like this. If He didn't want it to be like this He would have programmed it differently. Everything happening in your country, nations, family, personally, in your marriage or business; good or bad, God knows about it because He set the time to allow it to happen so that He will reveal His glory through what is happening now. The salvation of the Lord that is about to be revealed in our generation beginning from your own life and family, He wants to reveal a great salvation.

⇒. Place your right hand on your head. Father beginning from my own life and family reveal your great salvation in my life. In my present situation, Lord save me from these things that the enemy is doing in my life, because you already programmed salvation through what I'm passing through. Lord reveal your great salvation beginning with my own life and extend it to the lives of my own family.

(1019). Salvation will surround you like city walls and thy gates praise. This means that the presence of the Lord will be so great that you will continually have victory because when there is victory there is praise. It is the presence of God which commands such victory, protection and intervention. There is a presence of God that people will experience in the year 2021, a presence so different, so supernatural, strange and unique from what people have experienced before. The reason why God is establishing such a presence here on earth is because of mighty miracles He wants to do, I can say it has already begun, some have been experiencing them from November.

⇒. Father let your presence be so powerful in my life for the manifestations of victory, protection and success in the name of Jesus. Lord from today, let your presence be so powerful in my spirit, body, soul and around me for continual manifestations of victories, success, prosperity, breakthroughs, deliverance, healings, miracles, blessings, help, and favour; Lord do it now. I need that unusual presence of you.

(1020). The Lord is showing me something like a man who cannot see clearly and the doctor gave him eye glasses so that he can see clearly. It means that God is about to put on some of you a special grace that will enable you to see clearly spiritual things. Some of you cannot see spiritual things clearly, even when you read the Bible you cannot see what God wants you to see, when we are teaching you can't see because the God of this world has blindfolded the hearts of men so that they will not be able to believe and receive the gospel. If you cannot see the things of the spirit clearly you cannot go far with God or with your calling and destiny. Even in your teachings you start teaching in error.

⇒. Father place upon me the grace to see the things of the spirit, the things of your kingdom clearly, to see spiritual things clearly. Lord give me that grace to see clearly what you are showing me, to understand clearly what you are telling me, Lord give me the grace for clarity.

(1021). The Lord is also showing me an anointing of surplus. God wants to put upon you an anointing of surplus where by you have things in abundance not in fragments. ⇒. Raise up your right hand. Father let an anointing for great increase fall upon me. Anointing for surplus of provision, surplus miracles, surplus of blessings, surplus of every good thing, Lord put upon me that anointing. Lord let the anointing of surplus rest upon my business, life, and ministry; an anointing for great increase put it upon the work of my hands.

(1022). I heard the word justice. The Lord wants to command justice for you. I don't know where you have been cheated. Maybe somebody is trying to cheat you, taking advantage of you, trying to take what belongs to you or trying to bring injustice against you.

⇒. Father, command justice for me by your mighty hand in the physical realm and spiritual realm, Lord command justice for me. Discard your angels to fight for me and get for me what belongs to me. Lord give me justice over my enemies, over those who are claiming what belongs to me, Lord command justice for me. ***I decree over your life that which is your portion, receive it right now in the name of Jesus. Any personality, anything or anyone that wants to get from you what is yours, I decree, the Lord to command justice at such and release what belongs to you right now in Jesus name.**

Thank you for your love and mercy over everyone, Father be glorified forever in Jesus' name.

Your people have spoken to you tonight, they have great faith oh God, I ask that you arise for their help right now in Jesus' name.

I am praying for you, that where you have been despised, ridiculed, oppressed and put to shame, I decree that the God of Israel shall provide great honour to you in that place in Jesus' name.

I decree that from tonight onwards, nothing shall be impossible unto you henceforth. Nothing shall be termed impossible in your life in the name of Jesus. The grace of God that lifts up a man from nobody into somebody, let it come upon you right now in the name of Jesus. The grace of God that repositions a man and makes him great and glorious, let that grace fall upon you right now in Jesus' name.

I speak against every voice of negativity speaking into your life and destiny, I come against those voices. I decree that they are silenced forever in Jesus' name. I come against every covenant of darkness, curses of darkness and judgement of darkness, spells of darkness, spells of the enemy, divination and sorcery of darkness that has been initiated into your life, calling and destiny, because you are connected to this anointing and grace, I command that all of them are destroyed right now in Jesus' name.

Failure is hereby terminated in your life in Jesus' name. From today, anything you lay your hands upon shall prosper in the name of Jesus. From today man shall rise to favour you, man shall rise to help you. Before you call, thousands shall call to help you in the name of Jesus.

I am praying for as many of you that have the calling of God upon your life. God has called you to do something specific in the church, in the body of Christ; I'm praying for you that the grace to fulfill that call as it should be, receive the grace right now in Jesus' name. The revelation of Jesus, revelations of God, divine revelations of God that you need to be able to carry out your divine assignment, God has brought you for, I decree let the heavens open doors, revelations begin to come to you henceforth in Jesus' name.

You shall not die in Jesus' name, you shall not die in Jesus name but you shall live to fulfill your days in the land of the living.

I am praying for those of you that are planning to travel out of the country in the coming New year. I decree that you shall breakthrough in the name of Jesus. Your plan to travel out of the country shall be successful in the name of Jesus, your visa shall be approved in the name of Jesus.

Thank you Father because we know you have answered this prayer session, thank you Lord, blessed be your Holy Name in Jesus' name mighty name I have prayed. Amen.
