## 02 DECEMBER 2021

### THANKSGIVING PRAYER

Heavenly Father we thank you for your faithfulness, we thank you for your grace and mercy, thank you for all you have done in our lives, thank you for blessings we have enjoyed. We thank you for your power that is working in us to do righteousness and all that pleases you, oh God be glorified forever in Jesus' name.

We thank you for making all things work together for our good, thank you for making ways for us where it appears there is no way. Thank you Lord for making impossible things possible, thank you for preserving our lives from destruction, thank you for fighting for us, even in the toughest battles you stood and fought for us and you gave us great victories. Thank you Lord, be thou exalted forever in Jesus' name.

We thank you for the opportunities you have set on our ways so that we can rise to the place of honour, success, blessings and glory. Thank you for answers to prayers, thank you Lord for meeting us at the point of our needs. Thank you Lord, for you

have not allowed us to be put to shame and you have always been taking good care of us. Be praised, be glorified forever in Jesus' name.

Lord, I thank you for the lives of everyone in this ministry, thank you because we have not heard any bad news concerning anyone, thank you Lord because you have protected everyone, protected us in this ministry including our family members. Thank you faithful Lord, be praised forever in Jesus' name.

We thank you for how you have been manifesting your power and visiting us during our midnight prayers. Thank you for always stretching forth your right hand of power to heal, to deliver, to rescue, to save, to revive, to bless and to help us. Thank you Father, for we know even tonight you shall visit us, touch us, help us and we shall be comforted and satisfied, blessed be your Holy Name.

Lord, I hand over this session to you, take control and let your Holy Spirit move among us, lead us to pray correctly by your Holy Spirit to have great victories during the course of this prayer session. Thank you Father because I know you have answered and you will do beyond our expectations, blessed be your Holy name in Jesus' mighty name I pray, Amen.

## **PRAISE AND WORSHIP**

Father we praise you, Lord we worship you, we praise your name, we glorify you, we adore you, we bless you. You are the Lord and beside you there's no other. You control the entire universe, you design and determine the end and the beginning of things, blessed be your Holy name. You are the Most High, you are higher than the heavens and earth, you are higher than all your enemies, you are higher than principalities and powers, you are higher than the realms of darkness, you are higher than everything and everyone, you are higher than everything that exists, we worship you Lord, blessed be your Holy Name.

Father, we thank you for your blessings, love, grace and power doing wonders in our life. Thank you for preserving our lives. Thank you Lord for you are such a loving, faithful and caring Father. Thank you for the help, blessings and revival we have received from you, blessed be your Holy Name.

## **PRAYER POINTS**

⇒Father, I thank you for your mighty hand of preservation upon me and my family members, relatives, parents, siblings, friends and loved ones. Thank you for your mighty hand of preservation. Lord, I thank you for preserving my life since the beginning of this year till now. Thank you Lord Jesus for your faithfulness.

⇒Father, remember me in your mercy and let your divine agenda for my life, calling and destiny in this year be fulfilled in Jesus' name. Lord remember me in your mercy and let not this year end without your plans being fulfilled in my life. Lord remember mercy, visit my life in your mercy and let all the miracles, blessings, helps and every good thing you have planned to accomplish in my life for this year come to pass as it is written in your script in heaven for my life in Jesus' name.

⇒Place your right hand on your head. I come against every spirit of darkness attached to my life delaying the fulfilment and manifestation of God's promises and blessings for my life, fire of the Holy Ghost consume them now. Every spirit of darkness attached to my life, spirit, soul and body delaying the fulfilment of God's promises and the manifestation of God's blessings, fire of the Holy Ghost consume them in the name of Jesus. Every spirit following my life, career, calling, marriage and destiny that is delaying the manifestation of good things and God's promises for my life, catch fire of the Holy Ghost.

⇒Raise up your right hand. In the name of Jesus let fire fall from heaven and destroy every cloud of darkness that has shut the heavens over my life, over my prayers, career, calling and destiny, Fire of the Holy Ghost, fall on them and destroy them all in the name of Jesus. Every cloud of darkness preventing my connection with heaven, preventing the answers to my prayers, every cloud of darkness that has covered my dwelling place, career, business and marriage preventing heaven from intervening, fire of the Holy Ghost, consume them in Jesus' name.

⇒Oh Lord of Hosts step into every battle of darkness fighting my life, career, calling, destiny and destroy all my enemies. Oh God of Hosts enter into every battle attacking my progress, success, prosperity, breakthrough, attacking my rising to the place where God has prepared for me. Oh Lord of Hosts enter into my battle till I am healed, succeed, breakthrough, victorious and free in Jesus' name.

⇒Stretch down your right hand towards the ground. I come against every seat of darkness in my dwelling, place, fire of the Holy Ghost unseat them permanently right now in the name of Jesus. Every seat of darkness inside my house, room, kitchen, toilet and anywhere around this place I am staying, fire of the Holy Ghost uproot them now in the name of Jesus.

⇒Father by your mighty hand, put the love of me in the hearts of my destiny helpers so they can remember to help me. Father put love for me in the heart of everyone you have ordained and raised up to help my life and destiny, Lord put love for me in their hearts that they may remember to help me, that they will not forget to do what you have commanded them to do. Put love for me in their hearts that they will not withhold from helping me.

⇒ In the name of Jesus, I receive weapons of war to defeat undefeated battles. Father, give unto me weapons for victories over the enemies that I have not been able to overcome. I receive weapons to overcome the enemies I have not been able to overcome, I receive weapons of war to overcome battles I have not been able to overcome. Lord, release those weapons into my spirit, equip me with such weapons and authority now in the name of Jesus. I receive weapons to defeat weaknesses I have not been able to defeat for years in the name of Jesus.

⇒ There's no weakness in the Kingdom of God and there is no weakness in Jesus. 2 Corinthians 12:9 says my grace is sufficient for you and my strength is made perfect in your weakness, meaning even when you have a weakness you will still be strong spiritually. God doesn't have to remove some problems and temptations, all He will do is to make you stronger so that you are not affected by that weakness or temptation.

• Father put an end to slavery of weakness, put an end to oppressions of weakness in my life. Lord put an end to spiritual weakness in my life, I refuse to be a slave to weakness, Lord strengthen me, make me strong, I choose to be strong, destroy weakness in my spiritual and prayer life in the name of Jesus.

**\*The Lord says, until some of you stop talking too much, you will not be spiritually strong. Some of you talk too much, that is why you are always weak spiritually. I pray you will heed to this instruction.**

⇒ Father let your fire uproot and destroy every instrument of Satan causing spiritual weakness in my life. Instrument of darkness promoting spiritual weakness in my life and causing me to be weak spiritually, fire of the Holy Ghost uproot and destroy them. Every plantation of darkness in my spirit, soul and body, every seed of darkness in my blood, bones, tissues that is causing spiritual weaknesses, come out by fire of the Holy Ghost in the name of Jesus.

⇒ There's a connection between spiritual weakness and physical weakness, there are some physical weaknesses that are not from the physical but from the spiritual realm. It is possible for the spiritual weakness in you to be causing physical weakness.

• Place your right hand on your head. I command every weakness in my body and health that is coming from the realm of the spirit, I command such weakness to come out right now in the name of Jesus. Every weakness in my body whether I am feeling it now or yet to feel it, hear the Word of the Lord, I command you to come out now in the name of Jesus. Every weakness in my bones, organs, blood and tissues that is from the realms of the spiritual world, realms of darkness, realms of demons and witchcraft, I command you to come out right now in the name of Jesus. **\*I decree over your life, every weakness and sickness that you are feeling or yet to feel inside your body that came from the realms of darkness, I command them to leave now in the name of Jesus. Be free in the name of Jesus.**

⇒Father, in your mercy do great miracles in my life that will bring great honour to your name. Lord in your mercy do wonders, miracles, signs, blessings, helps, breakthroughs, victories and progress that will bring great honour to your name. Lord do them, not because of me but because of you and because I am called by your name. Father, do powerful, miraculous and victorious works that will give honour to your name in my life. Oh God of Israel I do not want your name to be put to shame in my life, do miracles and wonders that will bring honour to your name in my life in Jesus' name.

⇒In the name of Jesus, I remove my name and the names of my life members from the list of those the devil has marked for destruction at this time of the year, (You can mention the names of people you don't want the devil to destroy). I remove the name of my spouse, children, parents and siblings from the list of those the devil has marked for destruction at this time of the year in the name of Jesus.

⇒I saw a light coming forth, just as the sun rises from the east. That is a sign of a new beginning when such is revealed.

•Raise up your right hand. Father, let your mercy fall on me and let your glory rise and shine in the midst of my life and destiny for all men to see in the name of Jesus. Lord, let your mercy fall on me and cause your glory to rise and shine in the midst of my life and destiny, Lord show me mercy.

⇒Weeping may last for the night but joy cometh in the morning. When it is night, it can look as if there is no morning but suddenly darkness begins to fade away and the day starts breaking. That's exactly what God wants to do in your life, does it look as if your problems, suffering and troubles have no end? but suddenly there will be a breaking forth of a solution you have never expected, suddenly the day of your blessings, miracles, promotion, help, healing, deliverance, transformation and glorification will suddenly break forth.

•Father, put an end to prolonged suffering, pain, hardship, defeat and sorrow in my life, let my day of joy, helps, success and deliverance break forth. Lord put an end to prolonged poverty, reproach, hardship and shame, put an end to prolonged seasons of stagnation, delays, hardship, oppression, slavery and captivities and let my day break forth. Let my day of blessings, prosperity, progress, victories and healing break forth in the name of Jesus. My day of great establishment, riches and wealth break forth in the name of Jesus.

⇒There is a covenant between God and the earth that is why nothing can stop the day from breaking forth. There's no power of darkness that can stop the sun from rising no matter how powerful they are because God has made an everlasting covenant with the earth and with all the elementary bodies. In the same way there's an everlasting covenant between God and Jesus to release you to fulfil destiny.

Inasmuch you can believe in Jesus, there is an assurance you will fulfil destiny and your day will break forth.

•I connect with the eternal covenant of the Most High God that is in Christ Jesus and I receive grace to manifest in my calling and destiny in Jesus' name. I receive grace to manifest who I am in Christ Jesus, I receive grace to become who God says I am in Christ Jesus, I receive grace to break forth into manifestation and fulfilment of my destiny, I receive grace to manifest in destiny. I connect to the eternal covenant that is in Christ Jesus and I receive grace to manifest my calling as it is in the plan of God.

⇒Father, hold me by the hand and bring me out of the limitations and captivities of darkness and take me into the place of glory, success, honour, help, progress, beauty and fulfilment in the name of Jesus. Oh God hold me by the hand and walk me out of ancient prison of darkness, limitations and ancestral prison of darkness, Lord hold me by the hand and pull me out of these dungeons and realms of darkness that have limited my life for years and take me into light, glory, victories and freedom in the name of Jesus.

⇒Father, let the greatness of you appear in the state of my limitations, slavery and oppression and let me break forth suddenly into shining, success and victories in the name of Jesus. Oh God of Israel let the greatness of you manifest in the state of my troubles, limitations, oppression, addiction, darkness and dark bondages, Lord let the greatness of you manifest and let me break forth into success and glory in the name of Jesus.

⇒Father, do your mighty works of operation in my life till I discover in detail who I am in you and who I am in your plans for these last days. Lord, do your mighty works in my body, spirit and soul till I discover the fullness of who I am in you and who I am in your end time plans.

⇒Many human beings are not living like human beings anymore. There is a lot of beauty God created with men that is missing, some people don't think or reason like human beings anymore. If you are looking older than your age it is an attack, it is not God but the devil.

•Father let every beauty you created with me from the day I was born that has been covered and hidden by darkness be uncovered by the fire of the Holy Ghost right now. Every beauty created with my spirit, soul, body and brain from birth that the enemy has hidden and covered, let the fire of the Holy Ghost uncover it now in the name of Jesus. Every intelligence, mental function, capacity and capability that God created with me that has been covered and hidden by darkness, let the fire of the Holy Ghost uncover them now in the name of Jesus, Amen.

## CLOSING PRAYER

Raise up your right hand.

King of glory, Ancient of days, thank you for your wonders, miracles, helps and faithfulness. Thank you Lord for victories and all that you have given to us, thank you for the open doors. Thank you Lord for the battles you have fought and won for us, oh God be glorified forever in Jesus' name.

We thank you Lord for the works you have done in this prayer session and what you will still do, Lord be thou exalted forever in Jesus' name. I am asking oh God for everyone who has prayed with the whole of their heart, who prayed with all their strength and faith, I ask that in this moment that you grant the requests of your people in Jesus' name, Father, I ask that you make impossible things possible. From now henceforth in Jesus' name, you shall not lack any good thing that is needful for the fulfilment of your career, calling and destiny in the name of Jesus.

I come against every plantation of darkness in your body, blood, spirit and soul that is promoting spiritual weakness, unrighteousness and slavery, let the fire of the Holy Ghost destroy them now in Jesus' name.

Every tree that has been planted to cause evil to continue to multiply in your life, I decree that the axe of the living Lord attack and visit the roots of those trees and cut them off forever in Jesus' name. I come against every sickness and disease you have inherited from your parents and ancestors, because you are now in Christ Jesus, I curse that sickness and disease, and I command the disease to come out in Jesus' name.

You shall rise to fulfil destiny and no witchcraft, enchantment, magic, sorcery, spells and divination shall be able to stop you from fulfilling destiny, and so shall it be in the name of Jesus. Thank you Lord for we know you have answered these prayers, in Jesus' name I have prayed. Amen.

**REMAIN VICTORIOUS IN JESUS' NAME**

## 04 DECEMBER 2021

Lord I ask, that you hear us from heaven, harken unto us and answer us, give us breakthroughs, help and let your name be glorified. Thank you Father because I know you shall do beyond our requests, thank you Father, in Jesus' name, Amen.

## **PRAISE AND WORSHIP**

Father we are so grateful for your love, mercy and compassion, we are so grateful for your power, strength, dominion, authority, victory and faithfulness. Thank you Lord for your grace, thank you for everything you are doing, thank you for everything you have done and that which you are still planning to do, thank you Lord for what you will do in our favour, blessed be your Holy Name.

Father, we give you glory and blessings. We are so thankful and joyful for what you're doing and for what you have done, blessed be your Holy Name. We worship you Father, we praise you Father, you are so good, so merciful, so caring and kind to us. Thank you for your provisions, thank you for your protection and preservation. Thank you for fighting our battles, thank you Lord Jesus, blessed be your Holy Name.

## **PRAYER POINTS**

⇒Father, I thank you for answering my prayers, thank you for answers to prayers, thank you because I have seen you answer my prayers. Thank you Lord for showing

me your faithfulness, thank you for caring for me, thank you for fighting for me, thank you for helping and blessing me, blessed be your Holy Name.

⇒Place your right hand on your head. Father, from the depth of me, let your power manifest to deliver me from every bondage and captivity of darkness. Let your power arise from the depth of my body, soul and spirit to set me free from every pollution, corruption, captivity, bondage and plantation of darkness. Let your power rise from the depth of me for deliverance from every demonic captivity. Let your power arise from within each cell of my body, from within each fragment of my soul, from within the depth of my spirit to set me free. Let the fire of the Holy Ghost arise from the depth of my bones, blood cells and body tissues, fire of the Holy Ghost arise and set me free from every captivity of sin, corruption, iniquity; arise and deliver me from captivity of disobedience, uncleanness and pollution in the name of Jesus.

⇒Place your right hand on your head. From the depth of me, fire of the Holy Ghost arise and deliver me from spiritual blindness and soul blindness in the name of Jesus. Fire of the Holy Ghost arise from within my spirit, soul and body and deliver me from every darkness that has blindfolded my spiritual eyes and understanding. Fire of the Holy Ghost open up my eyes, I want to see beyond the physical and natural. Let the eyes of my spirit be opened and enlightened in the name of Jesus.

⇒In the name of Jesus, let fire fall from the throne of God and destroy every evil root and plantations of darkness growing and producing evil in my life, fire of God fall and destroy them all in the name of Jesus. Let fire fall from the throne room of God and destroy every evil root producing evil continuously in my life in the name of Jesus.

⇒Place your right hand on your forehead. In the name of Jesus, I connect with the anointing to pray, speak and prophesy with divine utterances from now henceforth in the name of Jesus. I connect with the heavenly network that will enable me to speak, pray and prophesy with divine utterances from this hour henceforth in the name of Jesus.

⇒Anointing is more than olive oil; it is supernatural. Sometimes God can use the anointing oil to put His anointing upon your life and sometimes He might not, to show that anointing is beyond physical. The anointing of God upon a man is a divine stamp such that as long as the anointing is on you, certain things will have to be possible in your life and through your life.

•Father put your anointing upon my life that will attract help and favour from difficult places of the earth. Lord, put upon my life, soul, body and spirit an anointing that will draw favour, help and support from the impossible places of the world where people hardly find help in the name of Jesus.

⇒The anointing of God upon the life of a man authorises divine intervention. When such a man cries to heaven, heaven will respond because that man's cry carries the

anointing. The anointing is like a key, some people struggle to see miracles happen through them; they forget that no one receives a thing unless it is given to them, they forget to pray for the anointing to do such miracles. You cannot do what you were not anointed to do.

- Father put upon my life an anointing that receives interventions from heaven, an anointing that will open the heavens, that will bring down miracles and divine interventions. Lord put upon me an anointing that will draw down from heaven visible manifestations of God, put upon me an anointing that will command from heaven divine and angelic interventions such that whatever I decree manifests instantly.

⇒You need the anointing because God has called every Christian to represent His kingdom on earth, God has called every Christian to preach the gospel of Christ with power and to manifest His glory in the earth irrespective of where you find yourself because God wants to use you to reveal the greatness of His glory. So you need the anointing to reveal, manifest and unlock the glory of God in the earth. The whole world and all creation is waiting for you to manifest your power. People want to see victory and that you succeed. They want to see the evidence that God is real in your life. The gospel is not in eloquence of words but in demonstration of power, until you begin to show the world the power of God, then you have not fully represented the Kingdom of God.

- Father, baptise me into the fullness of your power until I begin to demonstrate your power physically on earth in a glorious way. Father, fill my spirit, soul and body with the fullness of your power that I may demonstrate your power against demons, principalities, witchcraft, impossibility and captivity of darkness in the name of Jesus. Lord, fill me with your power that I may demonstrate your power against sickness and diseases.

⇒There are portals of heaven on earth, these portals are the network of angels. Angels follow this network and that's how they perform operations on earth. These portals are invisible, even to demons.

- Father let the portals of heaven open over my life and in the place where I am right now for the transmission of power, grace and anointing in the name of Jesus. Oh God of Israel let the portals of heaven open in my room, in this place where I am now, as it were in the scripture when Jacob saw a ladder connecting heaven and earth together. Oh God in the same way, let portals of heaven open over my life for transmission of glory, grace, power, authority, dominion, fire and anointing in the name of Jesus. Portals of heaven open over the atmosphere where I am living, upon the ground where I am standing and my environment in the name of Jesus.

⇒Father, according to your mercy let the operations of your Kingdom produce miraculous results in my life in the name of Jesus. Father, I want to see your Kingdom produce results in my life. Lord, my life is not different from those who have received your power, it's not different from others who have experienced

breakthroughs. Lord, according to your mercy let the operations of your Kingdom produce great and powerful results in my life in the name of Jesus.

⇒Place your right hand on your head. Father, in my body, soul and spirit let the operations of your Kingdom produce great and mighty results of deliverances, great results of healing, transformation, breakthrough, sanctification and glorification in the name of Jesus. Let the operations of your Kingdom manifest to change my life.

⇒Raise up your right hand. I connect my life and destiny with heaven, let the will of God prevail in my life from this hour henceforth in the name of Jesus. I connect my marriage, calling and ministry to the Kingdom of heaven, let the will of God prevail. In each day of my life, let the will of God prevail in the name of Jesus.

⇒Father, I present myself and my present situation before the throne of grace, let the countenance of your face, the countenance of your presence shine upon me in the name of Jesus. Let the brightness of God's face, the brightness of the Lord shine on me in the name of Jesus.

⇒When the countenance of God's face shines on you it means the Lord pities you, He shows you His mercy and gives you His attention. When the countenance of God's face shines on you, instantly you will receive help and all your problems will vanish away.

•Father, I present my life and situation before you, shine on me the countenance of your presence and help me in the name of Jesus. Let the brightness of your face shine upon me. Lord, I come to you as I am, I come to you with all the problems, impossibilities, sorrows, hardship of my life, oh God of Israel, let the countenance of your glory, the countenance of your face shine on me in the name of Jesus.

⇒Father, lay your mighty hand of power upon me and change my life to become what you want. Lord, lay your mighty hand upon my spirit, soul and body and change my life to become what you want. I want to look exactly as you have written, as you said and revealed, ordained and planned concerning me in the name of Jesus.

⇒Father let the desire of your heart for this current phase of my life and situation be fulfilled with haste in the name of Jesus. Father, what you are thinking concerning me for this period of my life, for this stage and season of my life, let the desires of your heart come to pass with speed in the name of Jesus.

⇒Many people in this ministry are not getting the best of what God is doing among us even during prayer sessions because many are praying with their mouths while their hearts are in another direction. How can such prayers produce results? For you to hear with your ears and not with your heart is an attack and this is how the devil stops Christians from receiving anything from God.

•Father, let everything the devil is doing in my life to cut short your blessings in my life, let your fire destroy them. Every operation of darkness going on to ensure that I don't get the blessings from the Lord, let such operations be destroyed. Every activity of Satan, operations demons going in my life to cut short God's blessings and limit God's blessings from flowing in my life, making me to not understand what God is showing me or divine revelations, making not to understand what God is saying and not to understand how to receive blessings from God, let the fire of the Holy Ghost destroy them now in the name of Jesus. Father, I refuse to be disconnected from the flow of your blessings, help me oh Lord.

⇒Prayer or prayer sessions are like battle grounds, also like surgical rooms where God touches your life and begin to do His work. A place of prayer should not be a place where you are distracted, where your mind keeps travelling everywhere while praying because you might miss the greatest blessings if you lose focus for one minute. A place of prayer is a place of all manner of divine operations and you must never be distracted. A place of prayer is also a place of receiving not just of presenting requests. Some people have demonic minds that do not believe or trust in God as they are praying, they are never positive or full of faith. How can you receive with such a mind?

•Father, give me a heart and mind that is able to receive from you, a heart and mind that is able to receive answers, understanding and revelations from you in the place of prayer. Lord, give me a mind that is not deceived, polluted, distracted, corrupted and demonic so that I can receive from you in the place of prayer. Lord, give me a heart that does not fear and doubt in the name of Jesus.

⇒Father, strengthen my spirit, soul and body to make war and win, to fight and win spiritual battles in the name of Jesus. Let my spirit, soul and body be strong to fight and overcome forces of darkness, demonic attacks and witchcraft attacks in the name of Jesus.

⇒Father by your mighty hand, lift up my life to the next height you have prepared for me at this time, to the next height I am to attain at this time. Oh God of Israel according to your mercy, lift up my life by your mighty hand to the next height of greatness, glory, great dominion, signs and wonders in the name of Jesus.

⇒Father, send great confusion upon people and persons that are planning for my downfall and shame, Lord, send great confusion upon them and scatter them forever in the name of Jesus. Father, send great confusion upon people and persons planning for my disgrace and defeat, whether they are spirits, physical or spiritual beings or whatever they are, Lord send great confusion upon them all and scatter them forever in the name of Jesus.

⇒In the name of Jesus I enter into the timeline where my destiny and calling is fulfilled as it is in God's plan in the name of Jesus. I enter into the hour where my

destiny and divine calling is expressed and fulfilled, where my divine calling begins to manifest in fulfillment in the name of Jesus. I enter into that season, into that hour, I enter into that timeline, into those days where my destiny is fulfilled in the name of Jesus.

⇒ There are forces of darkness working to pull whatever you are standing on to make sure that you fall and not stand anymore. It could be temptations or demonic attacks trying to make sure you don't continue to stand in victory, trying to make you lose what you have always had.

• Father, hold firm my life and let no force of darkness be able to pull me down, let no force of darkness be able to break my strength, conviction and faith, Lord hold me firm by your mighty hand. Lord hold firm my life by your mighty hand and let no force of hell and darkness be able to bring down or pull my life apart, let them not be able to destabilise my life, let no force of darkness be able to break my strength in the name of Jesus. Lord hold me firm in victory, dominion and strength and let me not fall in the name of Jesus.

⇒ Father, let your will replace and destroy the will of man for my life, let the evil utterances, evil predictions, evil intentions in the heart of man for my life be destroyed by your will in the name of Jesus. The evil imaginations, intentions and demonic agendas of men for my life, let your will oh God destroy them all in Jesus' name. Whatever you have not said or decided that people are deciding for my life, Lord bring them to nothing, for it is written 'who is he that speaks and it comes to pass when the Lord commanded it not? So therefore, let every decision, determination, intention, imagination and prediction of men that are contrary to the will of God, die and come to nothing forever in the name of Jesus, Amen.

## CLOSING PRAYER

Raise up your right hand.

Oh God of the heavens and the earth, King of Israel, Ancient of days, Mighty Saviour, we worship and bless your name for there is none like you. You are a great and terrible God, Almighty God, that is your name. We give you glory, we praise you for there is none like you. You are the Almighty God and you do wonders that science can not explain. Be glorified, be praised forever in Jesus' name.

Oh Lord, I commit your children into your hands, they have prayed, asked, sought, knocked the doors and gates of heaven, I ask oh God in your mercy that you visit everyone and bless them in Jesus' name. The hand of God shall lift you up; beyond limitations you shall be lifted, beyond troubles, oppositions and rejections you shall be lifted, beyond impossibilities, captivities, troubles, barriers and mountains you shall be lifted into the place where your destiny is fulfilled in the name of Jesus.

Whether the devil likes it or not you shall receive help, strength, deliverance and healing from above in Jesus' name. The hand of God shall change your life forever. Every error in your heart and mind that is not allowing you to receive from God in the place of prayer, let the power of God correct them now in Jesus' name. Thank you Father for we know you have answered, in Jesus' name we have prayed. Amen

### **THANKSGIVING PRAYER**

Father we thank you for your love, we thank you Lord for your faithfulness, we thank you for your presence, we thank you for your grace that is keeping and working for us, we thank you for your grace that is giving us victories, blessed be your name.

Lord, we thank you for the open doors of blessings, doors of great opportunities, of glory and power, doors of greatness, of divine promotion, and elevation, open doors of divine enthronement. We thank you Lord for open doors for new jobs, new marriages, Lord we thank you for everything you have done, we thank you for answers to prayers, we thank you for divine guidance, and defence. We thank you because the plans of the enemy failed concerning us and our families, we thank you because you have torn down the agendas of the enemy. Thank you for all you are doing in this ministry, we are grateful, Lord.

Lord we have gathered together to pray, Lord shower down your power, grace and glory; help us to find you as we seek you tonight. Let our miracles and solutions be released, let us find help from you tonight. Thank you Father because we know you shall do much more than we have asked.

### **PRAISE AND WORSHIP**

## PRAYER POINTS

⇒ Thank you Father for the great blessings, great honour, great victories and miracles you have reserved for me even before the end of this year. Thank you Lord for mighty miracles you have reserved for my life and family, thank you for mighty miracles you have reserved for my marriage and career. Thank you for the mighty miracles you have reserved to do for me even before the end of this year. Thank you Father because I am going to end this year with great happiness, great joy and celebrations because you are going to help me. Thank you Lord for the great things you have in store for me, because you shall satisfy me with great signs and wonders, and you shall fill my bank with great resources, abundant riches and wealth, thank you Lord.

⇒ It is possible to be limited in mercy, it is very possible that in some areas of your life God will show you mercy and in some areas He would not.

• Father let your mercy be sufficient for me, I do not want to be limited in your mercy, I want to receive the fullness of your mercy, Lord make your mercy sufficient for my life and destiny and let me not be cut short in mercy. Lord, forgive my wrong doings, forgive my unrighteousness, forgive my disobedience and wickedness and let your mercy be sufficient for me in the name of Jesus. Let your mercy be sufficient in my life for the manifestation of my destiny, calling and gift. Let your mercy be sufficient for the performance of all your promises for my life in Jesus' name.

⇒ The higher the mercy of God in your life, the greater the number of miracles you will receive from God. Apart from faith, miracles are products of God's mercy.

• Father remember me by your mercy, remember your promises, plans and purposes for my life by your mercy and bring them all to pass in the name of Jesus. Lord remember my names in your mercy for you knew my name before I existed. Lord, remember your divine master plan for my life and destiny and bring them all to pass.

⇒ The reason we need a lot of God's mercy to be able receive a lot from Him is because many of us are not living upright and righteous in His sight so because of that what we deserve judgement, but He is a merciful God that is why He must show you mercy for you to actually receive these blessings and miracles.

•Place your right hand on your head. Father there's no one else I will run to for I have no other God or helper, I have no other deliverer, I will run only to you my God, for only you is my deliverer. Lord, I come to you as I am, please show me mercy and help me. I come to you oh God please be merciful unto me, show my destiny mercy. I want to fulfill destiny, I want to move forward, prosper and succeed. Lord, I want to be strong, I want to be victorious, I want to be healed, I want to be blessed, I want to be delivered and rule over my enemies, show mercy unto me Lord.

⇒Place your right hand on your head. Father, lay your mighty hand upon me and bless me with an everlasting blessing, bless me with a blessing that can never be exhausted, bless me with a blessing that can not run dry, a blessing that will continue to spring unto eternity. Lord Jesus, lay your mighty hand on me and bless me with a forever blessing.

⇒Raise up your right hand. In the name of Jesus I come against every presence of darkness causing affliction to multiply in my life, fire of the Holy Ghost consume them now in Jesus' name. Every demonic presence, witchcraft presence, dark and evil presence that surrounds my life to cause affliction, pain, weakness, sickness and oppression, fire of the Holy Ghost consume them now.

⇒Raise up your right hand. Fire of the Holy Ghost uproot every evil that witchcraft has injected into my life, every arrow of witchcraft in my life, fire of the Holy Ghost uproot them now in the name of Jesus. Every evil the kingdom of darkness has injected into my blood, spirit, soul and body, fire of the Holy Ghost uproot them all in Jesus' name.

⇒Raise up your right hand. I come against every devouring spirit that has attached itself with my life to waste good things, fire of the Holy Ghost, arrest and destroy them in the name of Jesus. I come against every wasting spirit that has glued itself with life to waste good things, to waste my resources, to waste my finances, to waste God's blessings in my life, fire of the Holy Ghost, arrest and destroy them in the name of Jesus. Every spirit of the devourer, every spirit of waste following my life, following my finances to waste good things, fire of the Holy Ghost arrest destroy them all.

⇒Father release your angelic forces to set loose the glory of my destiny into manifestation. Release your mighty angels to invade every realm holding the glory of my destiny captive and release the glory of my destiny to manifestation right now in the name of Jesus. Father release your angels of war into every realm that is holding the glory of my destiny and calling captive and let them break it loose unto manifestation in the name of Jesus.

⇒Place your right hand on your head. Fire of the Holy Ghost consume and remove every mark of failure and misfortune the enemy has imprinted on my head. Every evil

mark that has been imprinted on my head to cause failure, misfortune, set backs; to promote slavery, afflictions and hardship, fire of the Holy Ghost blot them out. Mark of the enemy imprinted on my head, come out by the fire of the Holy Ghost.

⇒Place your hand on your head. I invoke the anger of God upon every controlling spirit, controlling my life against the will and direction of God. I invoke the anger of God upon every spirit controlling my life against righteousness, holiness; controlling my life against the fear of God, against the will of God, anger of God waste them in the name Jesus. Every spirit of darkness, prince of darkness and powers of darkness controlling my life against the direction of the spirit of God, against the direction of heaven, anger of God waste them all in the name of Jesus. **\*I pray for you right now, the anger of God shall fall upon every controlling darkness, controlling your life to go contrary against the will and mind of God, let the anger of God waste them in the name of Jesus.**

⇒Holy Spirit, draw me closer unto yourself, I desire a deep walk with you, I desire to know your voice, I desire to know your mind, I desire to know your heart. Holy Spirit, draw me closer in the name of Jesus.

⇒It takes miracles to know God very closely. It will take God Himself to help you know Him. To walk with God very closely, you will need a lot of miracles and a lot of miracles must happen in your life before you can know God and you can only know God after He has helped you.

•Raise up your right hand. Father do miracles in my life that will enable me to know you very closely. Father, do miracles in my life and soul, do miracles in me that will release me to know you very closely, Father do miracles of deliverance, miracles of transformation, miracles of encounters, visitations, help and revelations from you. Miracles of enlightenment, miracles that will open the eyes of my heart to see things as they really are, miracles that will make me sensitive to the dimension of heaven on earth, miracles that will make my ears open to hear your voice and to discern the intent of your heart. Lord, I desire these kinds of miracles.

⇒Without the hunger for God, hunger for change and spiritual growth, nothing will change in your life. What always precedes transformation is spiritual hunger and desperation.

•Father impart on my soul a deep hunger for you, a deep hunger for spiritual and heavenly things. Father impart on my soul deep hunger to know you and to see you, deep hunger to grow in the knowledge of you. Lord, I need that hunger and drive that will be pushing me to know you very closely, the drive that will push me to the place of prayer, drive that always pushes me to the place of prayer, Bible study and fasting. Lord let that drive appear in me.

⇒ God does not force Himself on people. That is why He does a lot of tests on people before He gets closer to them. If you don't have a strong desire to know God, you can never know Him.

• Father, let your desire replace my desires, let your desires become my desires, let your will become my will, let what you love become what I love. Lord, let your interests replace my interests, let your mind take over my mind.

⇒ What is it that interests you most in this life? We are now in a time where people have no interest for spiritual things and those who still have the interest for spiritual things have it because of their selfish and carnal desires not because they want to know God or do His will.

• Father take away my interests and desires from everything that does not glorify you, take away my desires and interests from everything that does not please you, Lord take away my desire from anything that does not honour and satisfy you. Father take away my interest and desires from worldly things and let my interest be on the things that glorify and honour you, let my love and passion be in things that promote truth and righteousness in the earth, let my passion be on things that magnify your Kingdom. Lord remove in me every carnal and worldly mindedness, fleshly desires and interests in Jesus' name.

⇒ Jesus Christ came into the world preaching the gospel of God's Kingdom. He did a lot of miracles and solved the problems of people despite having a lot of enemies. People hated Him because He did not conform with their worldly and carnal ways. It is not enough to receive physical blessings because they will perish with this world. Your soul needs to be saved.

• Father I want my soul to be saved, I want my soul to be fully surrendered to your will and to your Kingdom, I want to make heaven, Father help me, do miracles in my soul that will save my soul, do operations in my heart that will save my heart. Lord, save my soul, make sure that I make it to heaven, let not sin and disobedience destroy my life. Lord, I want to make it to your Kingdom, I don't want to be cast away, Help me oh God.

⇒ The reason why many will not be saved is because of pride and arrogance.

• Father destroy the strength of pride in my soul, let me be humble because I want to be saved. Lord destroy the power of pride on my soul, mind and emotions and let me live in humility. Father give me a humble spirit and a humble heart in the name of Jesus.

⇒ If you are pure on the inside, it would be so easy for you to win spiritual battles. The strongest battle of all is the battle in your soul which is the battle against self, worldliness, carnality and the flesh. If you can win this battle, no witchcraft can overcome you and you will move forward in life and destiny very fast.

•Father strengthen my spirit man with fire to fight and win against the forces of darkness coming for my soul. Lord, strengthen my spirit with fire for victories, to fight and win against forces of darkness coming to enslave my soul in the name of Jesus.

⇒Raise up your right hand. Father by the reason of your mercy, let doors that have been closed against me for years begin to open unto me now. Let the doors of help, doors of blessings, doors of miracles and favour that have been closed against me for many years, be open unto me now by the reason of your mercy. Lord, by the reason of your mercy upon this prayer session, let every door of progress, door of prosperity, greatness, dominion, victory, doors of new beginnings and fulfillment of destiny that have been closed against my life for years, be opened unto me now because of your mercy.

⇒Father let the fear of God prevail in my heart and soul so that I can please you all the days of my life. Let your fear take over my heart and mind. Father let your fear prevail in my soul that I may be able to please you in each day of my life, that I may be under your mercy, that I may receive your love. Lord, let your fear prevail in me that I may love righteousness and hate sin, Amen.

NB: The gospel of God's Kingdom is not divided, it is a full gospel. It is a gospel that touches all areas of your life; your finances, health, marriage, business and career. Every part of the gospel is important such that if you fail in obedience to the truth of God's Kingdom, (meaning if you love and obey some part of God's Kingdom and dislike the other), you will run into serious trouble. That is why we pray according to all that is the Kingdom of God. The fact that we talk about the fear of God, repentance and holiness doesn't mean success, miracles, healing and deliverance will not happen to you, they will happen because everything is connected. The devil has deceived so many Christians in this generation such that they separate the gospel into two; they leave one part aside and focus on the other side that has no eternal relevance. Every part of the gospel is important but that which is very important is the part that has to do with the salvation of your soul and the next is the one that has to do with your physical life here on earth. So you must be comfortable with everything that is in the Kingdom of God for you, you must not choose one part and reject the other part if you want to reign with Christ.

## CLOSING PRAYER

Raise up your right hand.

Heavenly Father we thank you because you are a faithful God, thank you for how you have helped us to pray according to your will. Thank you for the leading of your Holy Spirit, thank you for the windows, doors and the gates of heaven you have opened over this prayer session. Thank you for your mercy that you have made

available, thank you Lord because you have made your help available unto us in its fullness, oh God be praised forever in Jesus' name.

Lord, I present your people before you, they have cried and called upon you in faith, oh God I ask that you show them mercy even now in Jesus' name. In this month you shall receive mercy and uncommon help from the Lord in Jesus' name.

Difficult things that have refused to be solved in your life for a very long time, I decree, by the mercy of God they shall be solved in the name of Jesus. Difficult things that you have termed impossible, because you are connected to the mercy of God in this prayer session, I decree, may those difficult things receive intervention and solution from heaven right now in the name of Jesus.

I prophesy over your life, there shall be a great divine visitation, great divine encounter and your life shall turn around to become great, glorious, victorious and successful in the name of Jesus. Where many people could not find help, because you are part of Apostolic Wonders Ministries, you shall find help in the name of Jesus. Thank you Father for we know you have answered, in Jesus' name it is done, Amen.

## **PRAYER POINTS**

⇒ Father, thank you for being so good, so gracious and merciful to me, thank you for blessing and helping me. Ancient of days thank you for your faithfulness, thank you for your graciousness, thank you for your love and mercy, thank you for everything you have done. Thank you for frustrating the plans of my enemies, thank you for doing signs and wonders to rescue me from shame and disgrace. Thank you Lord for opening doors, thank you for moving my life forward. Thank you for progress, victories, divine health and security. Thank you for preserving my life and that of my family, siblings, relatives, parents and loved ones from destruction. Thank you Lord Jesus for making sure that the enemies fail concerning my life, thank you for making

sure that the enemies lost their battles, thank you for making sure that I win in all battles of life, thank you Father.

⇒Father, do in my life signs and wonders that will reveal the depth of your love for my life. Lord, let me receive from you signs and wonders of your love, blessings of your love that will show how much you love and care for me. You have revealed in the scripture that you love me so much, therefore Lord, begin to do signs and wonders that will show me and everyone how much you love me. Father, do wonders that will prove to the world how much you love and care for me.

⇒Raise up your right hand. Father, let your presence in my life be glorified till I begin to see you and know you as you are in Jesus' name. King of Glory, glorify your presence that I may be able to see, understand and discern you as you are. Father, magnify your presence in my life till I begin to know you as you are in Jesus' name.

⇒In these last days, Christians have a terrible sickness and that sickness is this - ever learning, and never able to come to the knowledge of the truth, 2 Timothy 3:7. These are people who have always been listening to all manner of teachings and sermons but till now they haven't been able to come to knowledge of the truth.

•Father, deliver me from every spiritual disease that is blocking my soul from knowing, believing and receiving the truth. Father, heal me from every spiritual disease making me listen to teachings, reading the Bible and not be able to come to the knowledge of the truth, and not be able to believe and obey the truth. Lord, deliver me from every oppression, slavery and deception of darkness that is blocking my soul from knowing, believing and surrendering to the truth.

⇒John 8:3 says, and you shall know the truth, and the truth shall make you free. Brethren until you know the truth you can not have a true and lasting freedom. You can fast and pray for many days but if your life is not according to the truth, you can not have a lasting freedom. The knowledge of truth you know is going to determine your freedom.

•Father, deliver me from every darkness that has surrounded my life, attacking my mind, to stop me from knowing the truth, from receiving and believing the truth, Lord, deliver me in the name of Jesus. Every darkness attacking my mind, heart and brain to make sure that I don't believe the truth, to make sure I remain in deception, to ensure I don't know the truth or believe and receive the truth, Lord let your fire destroy such darkness in my life in the name of Jesus.

⇒What the Lord told me some time ago about the spiritual significance and implication of the truth is that, the truth will always prevail, it doesn't matter how long it takes. The reason why faith produces results is because faith is based on the truth. The foundation of faith is truth, so if your faith is based on lies and deception, such faith will not produce results. The major operation of the kingdom of darkness is to block the souls of men from the truth because they know that if you know the truth

and you hold on to it, you will prevail. Much of the work Satan is doing is to block this generation from knowing, receiving and believing the truth.

•Father, help me to know the truth so that I can prevail, let your truth appear to me. As I study the Bible, let it appear to me; as I listen to people, as I walk on the street, let your truth begin to appear to me as it is, not what the devil is showing me, Lord help me to see your own truth. Lord, let me begin to see the truth in everything, as I look at things on a daily basis, let me begin to see the truth in those things. Help me Lord to discover and see beyond the way those things appear, as I go through situations in life, let your truth appear to me in Jesus' name.

⇒(John 8:31-32) Jesus talked about knowing the truth. He wasn't referring to head knowledge but a heart knowledge of the truth. There's a difference between head knowledge and heart knowledge. Head knowledge is very weak whilst heart knowledge is very strong. What you know most of the time by your head, you are likely to forget but what you know by your heart you can not forget because it has become part of you. The difference is in how you respond and mediate to the knowledge which is by believing and by receiving it. Because this knowledge is truth, you will then begin to experience the power of heaven because wherever the truth is, the power of God is there.

•Father, deliver me from every power of darkness causing me to believe lies and magnify lies above your truth. Lord deliver me from every influence of darkness that is making me believe lies above the truth, making me magnify lies above the truth, making me defend lies and reject the truth, oh God deliver me from such powers of darkness in Jesus' name.

⇒The Word of God is true and it's forever true, whether people believe it or not. The problems in your life do not make the Word of God a lie, the negativity in your life is not the problem of the Word of God but a problem of your faith in the Word of God. When the Word of God says that prayer in the name of Jesus will produce healing, it's true it doesn't change. That is why you must continue to believe, and you must continue to apply the Word of God because it's the truth and it will surely work and produce results.

•Father, help me to believe your Word with the whole of my heart, help me to trust in your Word and voice with the whole of heart irrespective of what I am feeling, irrespective of what I am seeing physically, help me to never doubt your Word. Lord help me to never doubt your Word, help me continue to believe irrespective of whatever happens, help me to hold on firmly unto your Word, help me to depend and trust in your Word, help me to never doubt your Word for your Word is true, it does not lie.

⇒A heart knowledge of the truth is what will change your life, not head knowledge, until you promote and exalt the truth to the point whereby you are willing to die for it, that is when the truth will change your life. Maybe the reason why you haven't moved forward is because you have not been following God with a true heart, you have read

about the truth, you have been taught about the truth but you have not received the truth and followed after the truth. If you don't stand for one thing you will fall for everything.

•Father, I want to live for the truth and I want to die for the truth, help me. Lord, I want your truth, I want your light, I want your ways, I want your Kingdom, I don't want any other thing. I don't want darkness, I don't want lies and deception, I want to live for the truth, I want to stand for the truth, I want to defend the truth even if it will cost me my life, Lord help me in Jesus' name.

⇒The truth is so real and it produces reality, it's not a probability, it's not man made but heaven made.

•Father, help me by your Holy Spirit to begin to experience and encounter the realities of your truth. Lord help me to begin to experience the realities of your Word, help me to begin to touch them.

⇒The Lord has reserved a lot of grace in the place of prayer, and it is only people who can pray to a certain level that will be able to encounter such grace or power. God is expecting that you must pray to a certain level before you begin to find yourself in certain realms of glory, revelations and power. If you are expected to pray for four hours daily and God has reserved a grace for you on the seventh or eighth day during your four hours of daily prayer, and then you decide to pray a few days and stop, you can't have that grace. If you don't persist in prayer, there are some grace and supernatural abilities that will not be imparted in your life.

•Father, give unto me strength to pray and breakthrough into the realms of your truth, power and glory in the name of Jesus. Lord help me to persist in prayer and fasting so that I may enter into the realms of your revelations, realms of your powers and glory in Jesus' name.

⇒The Lord wants to guide you because that's what the truth does, the truth guides you.

•Lord Jesus, you are the truth, guide me by your truth, instruct me and lead me by your truth, show me the truth even in the midst of my thoughts and thinking. Lord Jesus, let my life and feelings be controlled according to your truth, I do not want to be controlled by my carnal reactions. I want to be controlled by the truth, guide me, instruct me and lead me by your truth in the name of Jesus.

⇒The truth is meant to control your actions, words and thoughts including your physical dressing and how you treat people. This is not about 'I know God in my heart, I am a Christian so it doesn't matter how I live or dress'. There's nothing like that in the Kingdom of God, if truly you have surrendered to the truth you will do whatever pleases God because the truth wants to control all areas of your life. Christianity is not only about your heart, it is about all your life.

•Father I surrender to the truth, let my physical appearance, speech and ways of life glorify your truth. Let my lifestyle, actions, attitude and behaviour begin to glorify the

truth. Lord let your truth prevail in all areas of my life, let my entire life glorify the truth in the name of Jesus.

⇒We have Christians who have blocked Jesus out of some areas of their lives, they set apart certain areas of their lives and say Jesus you are in charge, and the other part they are the ones in charge. They have not fully surrendered to the Lordship of Jesus; they still have their own ways and standards.

•Lord Jesus, I open all areas of my life, come and have your way. Any area of my life that I have put myself in charge of, I stop being in charge, come and have your way and take charge of it. Lord, I welcome you into every part of me. I open unto you the door of my entire life, Lord Jesus, come and have your way, come and take charge, prevail and be the one ruling my life, not myself.

⇒Lord Jesus, break away from my life whoever or whatever I have entangled with that is causing me to act against the truth, to speak against the truth, to behave and live against the truth, Lord break such away from my life in the name of Jesus.

⇒When the Lord Jesus was giving me the revelation about the truth, He said, He is everywhere. The truth is, any church that preaches and teaches the truth, that glorifies and prays according to the truth He is there and there's no limit to what He can do in such a place. Revival is always available if we preach the truth, teach the truth, obey the truth and practise the truth.

•Father, let your truth and your will find a resting place in my life so that I can experience your revival, so that my family, community and country can experience your revival. Lord let your truth and will find a resting place in my life, I choose your truth, I choose your will not my will, I choose your ways and not my own ways. Lord help me, let your truth prevail in my life, I will not struggle with the truth, I surrender to the truth. Let your truth stay with me forever, help me to hold on firmly to your truth till I leave this world in the name of Jesus.

⇒The fact that the truth is not widely accepted in your city or community does not nullify the truth, but whoever embraces the truth will live forever, whoever believes it will prosper and be free forever.

•Father, give unto me the grace to stand for the truth that my generation has rejected. Father, give me a heart that will stand to defend and practise every truth this generation has rejected in the name of Jesus. Every truth the church leaders, pastors, young and old women/men have rejected in this generation, Lord give me the grace to stand for this truth, to practise it and defend this truth in the name of Jesus.

⇒One of the ways of connecting with power in the truth is by changing the way you pray. Your mind and heart must be properly positioned before God when you are praying. If your mind is not properly positioned you can pray for hours and nothing

will happen. You need to pray, worship and praise God according to the truth so that it can produce results.

•Father guide me by your Holy Spirit to pray, fast, worship and praise you according to the truth. Lord, guide my prayer, worship and praise by your Holy Spirit to line up with your truth in the name of Jesus, Amen.

Lord, I pray concerning everyone hearing the sound of my voice that you guide and lead them by the Spirit of your truth in the name of Jesus. Everyone who has been making mistakes and has made a lot of mistakes before now, I ask oh God that you put an end to mistakes in their lives in Jesus' name. From today you shall no longer make mistakes, the Spirit of God shall guide your every step and whatever that is not according to the truth, you shall not be able to do them from this hour onward in Jesus' name.

I pray for you, in every area of your life, the truth of the Lord shall be prevailing, it shall be promoted, exalted, and glorified in the name of Jesus.

I take authority over whatever sin, flesh, demons and darkness are doing in your life that is against the truth, I decree that the fire of the Holy Ghost consume them all right now in Jesus' name.

Rise and move forward, rise and succeed, rise and win battles in the name of Jesus. The greatness of He who is in you shall rise to give you great victories in the battles of life in the name of Jesus.

You shall excel and you shall possess your possessions by the power that is in Christ Jesus and so shall it be, in Jesus' mighty name. Amen.

## **18 DECEMBER 2021**

### **THANKSGIVING PRAYER**

Father, we thank you for your Grace, your mercy and loving kindness. We thank you for watching over our lives, each and every moment, in our going out as well as our coming in. The enemy came in our dreams but you did not allow them to succeed, you stood and fought for us in the realm of dreams and we overcame. Thank you Lord for fighting on our behalf, every secret and hidden witchcraft battle in our lives, thank you for destroying the curses of darkness, covenants of darkness, enchantments of darkness, demonic spells and demonic attacks of darkness, thank you for destroying them all. Thank you for the sources of our income, thank you for how you have been helping us to do well in our jobs and workplaces, we also thank you because you have blessed the works of our hands and you have given us prosperity and multiplication of blessings in our careers, oh God be praised forever in Jesus' name.

Thank you Father for what you have done and what you are still doing in this ministry through our teachings and prayer sessions. Thank you for the testimonies you have given to many people across the world through this ministry, thank you for the great things you have in store for individuals, our groups and families in this ministry, oh God be glorified forever in Jesus' name.

Thank you for fighting battles that were too strong for us and you gave us great victories. Thank you for the joy that fills our hearts at this moment, thank you for a new glory, new beginning, new step and opportunity that will take us to the place of glory, honour and manifestation in destiny, oh God be praised forever in Jesus' name.

Thank you Lord for the Grace to know you and to be called by your name, thank you for the Grace to be led by your Holy Spirit, thank you for the Grace to be able to pray and prevail, thank you Jesus for your light that shines in our hearts, for we are not deceived and confused. We know the truth and the truth has made us free, thank you for this wonderful Grace, be glorified forever in Jesus' name.

Thank you Father for making it possible to have this prayer session at this time, thank you Lord for what you have set to do among us, and it shall be done for no

power can stop you. Lord I hand over this prayer session to you, Lord let your name be glorified, let us receive help from you and let us not pray in vain in Jesus' name.  
Amen

## **PRAISE AND WORSHIP**

Father we worship you, Lion of Judah we worship you, Rock of Israel we praise you. Your power and strength is above all, your dominion is above all, we worship you for who you are. You are the one who has designed the end from the beginning, you command things to come out from places they can not come out naturally, you make things beautiful in your own time, blessed be your Holy Name.

You are one who speaks and it comes to pass, you open doors and they remain open forever, you close doors and they remain closed forever, what a great God you are. Who is he that speaks when the Lord God has not commanded it? You are a great light that can not be quenched by the thickest darkness, oh God we praise you.

Father, we thank you for all that you have done in our lives, thank you for what you are doing and for that which you are going to do very shortly, blessed be your Holy name. Thank you for your presence, thank you for your mighty hand, thank you for your power, thank you Lord for your grace, thank you for divine revelations, thank you for divine guidance. Thank you for your power that has made impossible things possible in our lives, thank you for doors you have opened unto us, thank you for greater heights you are taking us, blessed be your Holy Name.

## **PRAYER POINTS**

⇒Father, thank you for the great blessings you have in store for me, thank you for your wonderful plans and promises that will come to pass in my life for you don't make promises and not bring them to pass. Thank you for the blessings you have packaged for me, for you will do these things, thank you for you will bring to pass that which you have said. Thank you because all that you have in store for my career, business, calling, destiny and marriage shall come to pass, for it is written; faithful He who has called you, who also will do it. Thank you Lord because you are faithful enough to bring to pass all that you have said, you are faithful enough to do all that you have written, planned and promised concerning me, thank you Lord for your faithfulness. The unbelief of men, the situation of my country and the operations of Satan and his agents can not change your faithfulness, for whatever you say is what you will do.

⇒Place your right hand on your head. Father remove from my spirit, soul and body every darkness that has been assigned to deform and damage my life, every

darkness that has been enchanted and sent on assignment to deform, damage and pollute my life so that I will not become the person you want me to be, fire of the Holy Ghost uproot such darkness in the name of Jesus. Let the fire of the Holy Ghost uproot every darkness that was born with me, darkness that I inherited, darkness that was conjured into my life to deform and damage my life so that I will not fulfill my calling and destiny, fire of the Holy Ghost uproot them now in the name of Jesus.

⇒ Raise up your right hand. In the name of Jesus I connect my spirit, soul and body with the Fire of God, let every oppression of darkness in my life, health, career and destiny be destroyed in the name of Jesus. I connect my spirit, soul and body with the fire of God(3×), let every load of darkness, yoke of witchcraft and demons upon my life be destroyed. Every yoke of divination, every yoke of sorcery, enchantment and slavery that is upon my life and destiny, Fire of God destroy them now in the name of Jesus. Every burden God has not put on me, that was put by the enemy, Fire of God destroy them.

⇒ Raise up your right hand. I connect my spirit, soul and body with the Fire of God, let every pollution, corruption and manipulation of darkness in me die in the name of Jesus. Every corruption of darkness, plantation of darkness, seed and pollution of darkness in my body, blood and bones, die by Fire in the name of Jesus. Everything that has been planted in my body system, spirit and soul that is against God, Fire of God destroy them. Every serpent of darkness, every scorpion of darkness, poisons of darkness in my bones, blood, tissues, soul and spirit, die by the Fire of God, in the name of Jesus.

⇒ Demonic operation is highly advanced, there's more to demonic operation than the manifestation of demons you see during deliverance. Many of us are ignorant of the advancement of the kingdom of darkness. Do you believe and agree that there are demons in the food we eat, even in the water you drink? Do you also believe that demons can be transferred by watching a video or shaking someone's hand? Demons can also be in your body, they operate in so many ways without being noticed and you will think you are ok but spiritually you're not because you have been captured.

• I set on fire every demonic presence in my life that is sent to destroy my life, sent to reduce my lifespan, every demonic presence in my life that was sent to kill my spiritual connection with God, I set them on fire right now in the name of Jesus. I set on fire every demonic presence and demonic operation going on in my life, wherever they are, I set them on fire (3×) in the name of Jesus. Demonic presence, demonic operations going on in my life, going on in my spirit, soul and body system, be destroyed by the Fire of the Holy Ghost.

⇒ Demons operate based on legal grounds which are also known as strongholds. If you have fear, because of that fear, demons will be in your life. If you're a disobedient Christian (everything God tells you to do and you do the opposite), that

disobedience is the legal ground. The legal ground is what is keeping demons in your life to operate as they will, and as long as there is a legal ground in your life, there will be demons in your life whether you believe or not. But when the legal ground is destroyed, demons will not be able to stay.

- I set on fire every legal ground for demons, darkness, slavery and demonic oppression in my life, be destroyed forever in the name of Jesus. Legal grounds for demons, catch Fire of the Holy Ghost in the name of Jesus. Every stronghold of demons in my mind, strongholds of addiction, strongholds of lust, disobedience, fear and pride, (mention every stronghold that is still in your life) strongholds of uncleanness and sin, catch Fire of the Holy Ghost in the name of Jesus. Every stronghold of evil and wickedness that is allowing demons to stay and to operate in my life and environment, catch fire of the Holy Ghost in the name of Jesus.

⇒ Strongholds and legal grounds also refer to something physical that is giving demons access to your life. Everything you see in the physical is powered by a spirit, the devil can put something physical in your life so that his spirits can stay in your life, to destroy and to frustrate your life. Examples are sicknesses and diseases because they are powered by demons.

- I come against every infirmity, sickness and diseases in my body that has become a stronghold for demons, anything in my body that God did not create, Fire of the Holy Ghost destroy them in the name of Jesus. Every sickness, infirmity, weakness and pain in my body that comes from demons and is giving access to demons to oppress and enslave me, Fire of the Holy Ghost destroy them. Every presence of sickness and diseases drawing demons into my life and connecting my life to demonic spirits, Fire of the Holy Ghost destroy them in the name of Jesus.

⇒ For every infirmity there is a spirit, it's either there is a spirit that caused it or there is a spirit that is following it or it is giving access to a spirit. It's either that disease was caused by a spirit or it has opened a door to a spirit or it's there to bring in spirits. If there's any error in your body, that error can be a legal ground or a stronghold for demons. Whether you can see the error or disease, you need to pray.

- Every sickness and disease in my body that was projected by the enemy to enslave my life and destiny, Fire of the Holy Ghost destroy them now, every sickness and disease planted in me to enslave my health forever, projected by demons so that I will be a slave to them forever, Fire of the Holy Ghost destroy them now in the name of Jesus. Every sickness that was transferred from my ancestors into my life, every sickness and disease I have inherited from my parents to keep me enslaved forever, Fire of the Holy Ghost destroy them in the name of Jesus. Every sickness and disease transferred from my bloodline, transferred from my ancestral lineage be destroyed by the Fire of the Holy Ghost.

⇒ Many people who look older than their age need deliverance because it is demonic operations that would make people look very older than their age, it is captivity, a work of demons. When demons are eating up your life that is when you

will look older than your age, because you are not in the realm of eternal life but in the realm of death that demons have brought you into.

•Father, destroy every activity of demons in my life, in my body system assigned to destroy the life in my body, eating up your life in me. Lord, let your Fire destroy every activity of demons in my body, eating up the life of God in me, destroying the life of God in me, making me look older than my age, oh God destroy them by fire. Every activity of demons in my body that is destroying the life of God in my spirit soul and body, Fire of the Holy Ghost destroy them now in the name of Jesus. Activities of demons wasting my life, cutting short my life, destroying my life, reducing my lifespan, reducing my survival rate, Fire of the Holy Ghost destroy them right now.

**\*Every spirit attached to your body that is making you lose your life, making you grow older than your age, making you lose the life of God in your body, let the Fire of the Holy Ghost destroy them now in the name of Jesus. I remove you from the realm of death and I connect you to the realm of eternal life in the name of Jesus.**

⇒Most people don't die the day they die, most people have died six months, one year or two years earlier before they finally died. Most have been killed in the realm of the spirit before they die physically. If God does not save them they will eventually die. Once a person has been killed in the realm of the spirit that person has a very short time to live on earth because they have already died in the spirit. John 10:10, Satan comes to kill, steal and destroy. You must not allow him to stay in your life. The more demons stay and operate in your life, the more they will continue to kill and destroy. If you allow demons to stay and operate; the people in your life, your family including yourself will eventually die.

•Raise up your right hand. In the name of Jesus, I come against every presence and activity of demons to waste, kill, steal and to destroy my life, let the Fire of the Holy Ghost consume them now in the name of Jesus. Fire of the Holy Ghost, destroy activities of demons, operations of demons, presence of demons in my life that are sent to kill, steal and destroy. Every presence of demons, activities of demons to cut short my life, to drain out my life, catch fire of the Holy Ghost in the name of Jesus.

⇒Many people are being controlled by demons, they think they are just enjoying their lives whilst they don't know that they are actually working for demons, they are serving demons in the name of having fun. Almost everything and everyone in the world is being controlled by demons except the few that are Christians who are led and guided by the Holy Spirit. Many activities are being controlled by demons including the thoughts of men, their words and actions. Demons are the ones channelling them into this physical dimension. When you are connected to the realm of demons you will do whatever they want you to do, and you won't be able to control it.

•I disconnect my life from the realm where demons are in control, I disconnect my mind from the realm where demons are rulers, I disconnect my life from the realm where demons are lords and gods and I connect my life to the realm of God and to

the realm heaven henceforth in the name of Jesus. I disconnect my life from the realms of demons, I connect my life to the realm where the Lord Jesus is in charge, I connect my life, mind and soul to the realm where the Holy Spirit is in charge, to the realm where the Lord is Lord, to the realm where Jesus is God, to the realm where my life is to please God.

⇒When you are full of pride, lust, seduction and fear, you will be disconnected from the realm of God, for in the realm of God there's no such. It is an insult to God when you know the realm of darkness and you still embrace it and refuse to come out of that realm. Most of you think adultery, pride, telling lies and fornication is sweet; it is not - it destroys. It is only after you are delivered from them that you get to really know how much they have destroyed or when God opens your eyes.

•Father help me by your Holy Spirit to refuse to stay in any realm of darkness that is not yours. Every realm of darkness that I have embraced, Lord help me to come out and never go in. Any realm of darkness that I have embraced with my habits, behaviour and attitude, Lord, deliver me, help me to come out and never go back again in the name of Jesus.

⇒Ninety percent of people in this world are living in the realm of darkness. The realm you are in will determine if you will fulfill destiny or not.

•Raise up your right hand. Father remove my spirit, soul and body from every realm that is against your Kingdom and set me in the realm of your Spirit. Lord, remove me from the realm of darkness and set me in your realm forever, such that whatever I do, I do it from your realm in the name of Jesus.

⇒It takes spiritual energy to live in the spirit and to continue in the spirit forever. 1 Thessalonians 5:17 says pray without ceasing, that is how you remain in the realm of God.

•Raise up your right hand. Father set in me a fire that will continually keep me in the realm of the spirit, a fire that will help me to walk and live in the spirit all the days of my life, let such a fire begin to burn within me in the name of Jesus. Fire that will keep me in the realm of God forever, fire that will sustain me in the spirit forever, Lord set that fire in me. Lord set my spirit on fire to walk in the spirit, to live in the spirit, to speak from the realm of the spirit, to think and to do all things from the realm of spirit in the name of Jesus.

⇒If you walk in the spirit, any moment you open your mouth to pray, worship and praise, the power of God will come down instantly because in the spirit that is where there is power, victory and glory. If you are not in the spirit you will probably pray for hours before you can channel the power of God into this physical dimension.

•Father, help me to embrace a life of discipline, self denial and self control that I may be able to live and walk in the spirit always. Lord, help me to embrace a lifestyle of discipline and of obedience, a lifestyle of love and compassion, Lord help me to

embrace a lifestyle of prayer, a lifestyle of fasting and meditation on the Word of God in the name of Jesus.

⇒Father, fill my heart with a strong desire for your presence, remove my desire from fleshy things and the things of this world and let my desire be for you, let my desire be for your glory and presence, let my desire be for the realm of the spirit. Lord remove my desire from worldly things, remove my desire from the things on earth and let my desire be for the things in heaven, Lord, take away my desire from things that perish forever and let my desire be for eternal things.

⇒Father, uphold me with your strength, make me unbreakable, indestructible and invincible by your strength in the name of Jesus. Ancient of day, King of Glory, uphold me with your strength, with your fire and presence, make me too strong to break, make me too strong to be defeated.

⇒Father, teach me your ways, the ancient ways that believers of old followed and they succeeded, the ancient paths they followed and they were victorious, Lord, teach me those same ways that I may walk in them because I also want to prosper and be victorious. The path that David followed, the path Daniel followed, the path the early Apostles and believers of old followed, Lord teach me to follow that same path so that I can encounter the glory and victory they encountered. Lord, teach me that ancient path that the believers of old walked in and they prevailed and fulfilled destiny.

⇒The Lord is showing me that some of you believe people more than you believe God. You are moved by what people say, you are easily moved by what you see or what is happening in this physical dimension, and it affects you more than what is happening in the invisible realm.

•Place your right hand on your head. Father, I choose to believe your words, I choose to follow your will and not the will and opinions of people. Lord help me, I choose to believe your words not what science is saying, not what the people of the world are saying, not what is happening in the world. Lord I want to be sensitive to you alone, I want to be controlled by only you and your Kingdom. Lord, I don't want to be controlled by situations that happen in my life on a daily basis, I don't want to be controlled by whatever happens to people around me or whatever happens to me through the people around me, I don't want my physical environment to control my happiness and joy. Lord help me, I choose to be controlled only by you and your Spirit not by this earthly realm, in Jesus' name Amen.

## **CLOSING PRAYER**

Raise up your hand.

Heavenly Father, we thank you for your power, thank you for your grace and glory. Thank you for your presence, thank you for your strength and victories, thank you for your angelic interventions, thank you for the mighty operations that you have done and you are still doing, oh God be glorified forever in Jesus' name.

Thank you Lord for making it possible to have this prayer session, thank you for what you have done, thank you for how you have helped us, thank you Lord for giving us deliverances, blessed be your Holy Name, be glorified, be praised forever in Jesus' name.

Thank you Lord for showing us that we can be victorious Christians through you and through your realm in a world full of evil. Lord, I ask that you launch everyone hearing the sound of voice into the realm they can not be defeated, weakened or depressed anymore; into the realm where they can not be fearful, sorrowful or sad anymore, Father do it in Jesus' name.

I come against every sickness and disease that has been injected into your body to keep you enslaved under darkness forever, I decree Fire of the Holy Ghost uproot them now in the name of Jesus. Every way through which you have been polluted and infested with demons, whatever way demons have been attacking you and oppressing you, I decree that the Fire of God trace their path from where they are hiding and destroy them now in Jesus' name.

Greatness shall be given to you because you love God and because you have determined to obey Him, so shall greatness, success and prosperity be given to you in Jesus' name. Whether the devil likes it or not, the Lord shall keep you in good health in Jesus' name, Amen.

## **23 DECEMBER 2021**

### **THANKSGIVING PRAYER**

Heavenly Father we thank You for your faithfulness, Your steadfast love, thank You for your protection and divine guidance. Thank You for fighting for us and giving us victory even now, thank you for the Grace to be in Your presence right now. Thank You for your promises over our lives and that You will bring them to pass. Thank You for answering us whenever we call upon You. We give You all the glory, be Thou exalted forever.

As we have come to seek You, let your power locate us, let Your anointing do wonders in our lives. Let the heavens be opened unto us. Thank You for hearing us and answering our prayers, in Jesus' name we pray, Amen.

## **PRAISE AND WORSHIP**

Ancient of days we praise you, you are great, you are wonderful, you are powerful, you are mighty. There's none like you Father, in power there's none like you, in dominion, authority, and in greatness there's none like you. You are higher than every one, mightier than all. Your strength destroys every other strength, your power swallows every other power. You are the Almighty God, you are the Most High God. We worship you Father, to have you is to have everything, to have your fullness is to lack nothing, Lord we worship you, blessed be your Holy Name.

You are so great, you are so merciful, you are so kind, you are so gracious, you are so beautiful, you are so wealthy, you are so great, so rich, and so mighty. We worship you Father, you hold in your hands the keys of all the heavens, you hold in your hands the keys of hell and grave. You control the heavens, the earth and underneath the earth, you shut doors and no one can open them, you close doors and no one can open them, you approve and no one can disapprove, you disapprove and no one can approve. Lord, you are so wonderful.

We can not thank you enough, we can not praise you or magnify you enough. You are so wonderful more than what we think, you are more than what we know of you, you are more than what the Bible reveals about you, you are more than the miracles you do, you are more than everything, you are more than what people say about you. Oh God receive our thanks in Jesus' name, you have done wonderful and marvellous things, blessed be your Holy Name, Amen.

## **PRAYER POINTS**

⇒Father thank you for the new things you have done in my life, thank you for good things you have done in this ministry, thank you for many you have blessed, thank you for the souls you have saved, thank you for prayers you have answered, thank you for more miracles you will do, thank you for more blessings you will give unto me. Thank you Lord for great things you have done in my life and in the lives of everyone in this ministry, thank you for blessings, healings, deliverances, transformation and revival you have done among us, they are so great. Thank you for moving among us, thank you for giving me opportunities that will lift me higher in life and destiny, thank you for the witchcraft powers and oppressions that you have destroyed. Thank you for your power that has helped us in this ministry, thank you

for opening our eyes in this ministry. Thank you for the privilege to receive blessings, help and Grace from you so freely, thank you Lord for everything.

⇒Place your right hand on your head. Father, let your anointing fall upon me and let there be deliverance from yokes and bondages of the enemy in the name of Jesus. Father let your anointing flow from your throne upon my head and let yokes, bondages and captivities be broken by your anointing in the name of Jesus. Oh God I open up my heart and spirit, let your anointing flow into my body, soul and spirit and let yokes break now; every yoke of darkness, yoke of demons, yoke of sickness and diseases, yoke of pollution, yoke of evil and oppression, break now in Jesus' name.

**\*In the name of Jesus, let the anointing touch your head. Anointing for breaking yokes, let it fall upon your head now in Jesus' name. Let there be deliverance right now in the name of Jesus.**

⇒Every problem has a spirit behind it, be it sickness, there is a spirit behind it, giving it power. To overcome that problem is to overcome the spirit behind it. I can see some of you carrying a lot of these spirits, they make good things draw far from you even though you have done many things that should make you enjoy blessings and answers to prayers. If these spirits don't leave you, good things will not stay or appear in your life.

•Raise up your right hand. Fire of the Holy Ghost destroy every spirit authorising and enforcing negativity in my life, every spirit upon and around me authorising evil and failure into my life, every spirit covering my life, operating in my life, enforcing negativity and problems to happen in my life, Fire of the Holy Ghost destroy them in the name of Jesus. Every spirit that has covered my life like a cloth stopping the manifestation of good things, catch Fire of the Holy Ghost.

⇒It might not be the spirit causing the problem but it is the spirit which is causing good things not to happen. When the answers to your prayers or progress are coming, the spirit destroys it, so you might pray and overcome witchcraft and generational problems but if you have not prevailed over these spirits that follow people to ensure good things don't happen, then good things might not happen in your life.

•In the name of Jesus, let the anger of God descend upon every monitoring spirit, upon every spirit following the affairs of my life so closely to abort miracles, blessings, progress, promotion and prosperity, anger of God destroy them. Every spirit assigned to monitor each of my movements, each of my actions and affairs to destroy the manifestation of good things, anger of God destroy and waste them now in the name of Jesus.

⇒The devil can stay inside someone very close to you to monitor the affairs of your life and he can through that person destroy the manifestation of good things in your life.

•Father, separate me from anyone that the enemy is using to monitor my life, to control the affairs of my life and to stop my miracles. Lord, separate me by your mighty hand, let us lose connection and never meet again. Any personality housing the devil inside of them to monitor the affairs of my life and to stop my progress in life, oh God of Israel, begin to remove them permanently from my life.

⇒Another thing these standby demons do is to strengthen their network. Some time ago the Spirit of God was talking to me about ley lines. Ley lines are a network system of witchcraft and demons, it is a wiring system that connects everywhere together. We have them everywhere, in the atmosphere, inside the waters, on the ground and under the ground. Just as network companies mount big poles and wires in strategic places to connect a whole nation together so that there can be phone calls and internet access, so it is with these network systems of darkness. That is how demonic ley lines are and these ley lines have been built for many years. When this connection is destroyed from your life, there are things the enemies will not be able to know about your life again and the manifestation of your blessings will speed up.

•Father, by your mighty hand destroy every network system of demons, witchcraft and satanic agents that has surrounded and swallowed up my life. Every network system that has infiltrated my life, every network system that has bound my life, fire of God destroy them all in the name of Jesus. Every demonic ley lines of demons, witches and wizards in any area of my building and environment, Fire of God destroy them now. Every connection system that is giving them access to know the affairs of my life and to stop good things in my life, oh God destroy such network connections in the name of Jesus. Every demonic network system in the atmosphere, on the ground of my building and environment, demonic network connection, witchcraft network connection that is giving my enemies access and influence over my life, Fire of the Holy Ghost destroy them all in the name of Jesus.

⇒The operations of demonic ley lines are very swift like a remote control system such that whatever they want to happen in the life of a person will happen no matter where the person is in the world. As long as they have a connection with such a person and their network connection is active in that environment, all they need to do is to press something in their realm and it will appear in the life of such a person. Maybe there are some things in your house or something you use that is allowing them to enter into your life to oppress and frustrate your life.

•Father, expose by your Fire everything in my life and around me that is giving strength and power to the network system of darkness, whatever is in my life and around me that is allowing the network system of darkness to prevail and succeed in my life, oh God expose them all in the name of Jesus. Whatever I am using on my body that is giving the devil access to monitor and to influence my life negatively, oh God expose them to me in Jesus' name. **\*The Fire of the Holy Ghost shall locate your life and your dwelling place and begin to screen out everyone and everything, and whatever is of the devil shall be exposed by the Fire of the Holy Ghost.**

Whatever is giving strength to the demonic surveillance system in your life shall be exposed by the Fire of the Holy Ghost in the name of Jesus. Every object that is demonic in your house channelling demons to enter into your life and environment, shall be exposed by the Fire of the Holy Ghost. As you sleep, the Lord shall expose them to you in Jesus' name.

⇒Father, let your voice speak for me in places and platforms where my voice has been silenced. Lord, let your voice speak for me in places where I have been disapproved, in places where I have been denied my rights and rejected, oh God let your voice speak for me in Jesus' name.

⇒God has not called you to shine a temporary light, He has not called you to rise for some time and stop rising or to grow for some time and stop growing. If you are going to shine a light that will never go dim, then you must be firmly rooted into God and into His victory. That is how you can have everlasting success, greatness and growth. If you have not won the battle on a deep level, your greatness will be limited because there's a level of victory you must have if you will have everlasting progress, prosperity and success.

•Father, strengthen me with fire to be victorious in every area of my life so that I may have everlasting success and growth. Lord strengthen me with fire to be victorious in all areas of my life, career, calling and destiny, Lord, I want to be victorious in all areas of my life, strengthen me with your fire, strengthen me for everlasting manifestation, growth and greatness in Jesus' name.

⇒Roots grow in darkness, if a root is exposed to the light it will die. The road to establishment and permanent victory is not an easy road, when God is building your life for a glorious future, never expect the process to be easy. It takes pain to be firmly established.

•Father, give me the Grace to endure every process I must go through to be prepared for the establishment you have for my life. Lord, give me the Grace to go through the sacrifices, pains, rejection, disappointments and everything you will be taking me through to prepare me for what you want to do with my life. Father, give me the Grace to endure, give me the Grace to be obedient, faithful and committed as you take me through the process of preparing me. Lord give me the Grace to endure everything it takes to be rooted as you want me to be rooted.

⇒You need to be deeply rooted in God, the deeper your roots in God, the more you will have everlasting success, greatness and prosperity.

•Father, help me by your Spirit to take my roots deeper into you that I may have everlasting success and greatness in life. Lord help me to go deeper in the knowledge and wisdom of you that I may produce powerful results that will change the whole world and transform lives.

⇒Father, help me by your Spirit to rise and not fall anymore, help me by your Spirit to walk perfectly in your sight, help me by your Spirit to never fail anymore. Help me by your Spirit oh God to take my roots deep into you such that I rise and not fall, such that I live and walk in perfection, such that I become stronger and not weak anymore, so that I succeed and not fail anymore. Lord help me by your Spirit to be perfect.

⇒Anyone who God raises up to train, must let God train them in any situation God has put them into. You must let God use that situation to train you. Many of you have special assignments from God and until you are selfless, you can't understand your calling. You must go through a training process to fulfil your divine assignment as it should be fulfilled, and this process is always painful and unpleasant.

•Father I choose your training process, train me, use everything in my life to train me for what you have called me for. Lord prepare me for what you want to use me for in the name of Jesus.

⇒It is our responsibility to be strong and to reject weaknesses. In the midst of your weaknesses there is strength right there, you just need to believe that there is strength in your weakness and begin to reach out for that strength. Your spiritual life is not strong enough because you still believe in weakness.

•Father, help me to see your strength in the midst of my weaknesses, help me to reject weakness, help me to always reach out for your strength in the midst of my weaknesses. Lord, help me to believe in your strength in the midst of my weakness, help me to disagree with any weakness. When my body is speaking weakness, Lord help me to see strength in weakness and to lay hold of that strength and move on that strength in the name of Jesus.

⇒It is not a sin to be weak but it is a sin to believe in weakness and to remain in weakness, that is why many are not growing spiritually. As a Christian you must have divine abilities that will make you stronger than the devil and situations, you must have spiritual exercises that you do that will make you a winner.

•I rebuke every spirit of laziness stopping me from doing spiritual exercises that are essential for my spiritual growth and maturity in the things of God, I cast them out of my life in the name of Jesus. I cast out every spirit of spiritual sluggishness, spirit of tiredness and laziness, I rebuke you in the name of Jesus name.

⇒Father send your revival into my spirit and strengthen me for every good work you have called me to do in the name of Jesus. Lord send your fire of revival, and let it burn in my spirit, let it burn in my soul.

Because the Lord has chosen you for greatness, He has chosen you for a beautiful and glorious future, therefore I decree that you shall not be deceived in Jesus' name. ## **PRAYER POINTS**

⇒ Father, thank you for keeping my life in perfect peace, thank you for rebuking troubles and chaos, for rebuking every oppression of darkness assigned to destabilise, trouble and frustrate me. Thank you for rebuking and stopping troubles in my life, thank you for stopping frustration, depression and chaos from my life. Thank you for frustrating the forces of darkness that want to frustrate me, thank you for

destroying the powers of darkness that want to trouble my life. Thank you for keeping me and my family in perfect peace. Thank you for the plans of the enemy to cause sorrow in my life that did not work, the plans of the enemy to steal my joy and happiness, to take away my peace did not work.

⇒Some people have forgotten to present themselves before God because it is the Christmas season, they absent themselves from the presence of God. Is there any season where one should be absent from the presence of God? That season has never existed and it's not in the Bible, where men should absent themselves from the presence of God.

•Father, thank you for helping me to remember to present myself before your presence at this time. Thank you for helping me to remember to be here in the place of prayer even at this time. Father, thank you for helping me to remember to come to the place of prayer, the place of worship even at this time when others are busy with the Christmas season. Thank you for helping me to be in the place of prayer at this time.

⇒Father let your strength bring to pass all the promises that are meant to happen to me before the end of this year. Father let your strength perform all your promises as you did in the scriptures where you performed all the promises you had said. You made promises in the Old Testament and your strength fulfilled them in the New testament, Lord if your strength can bring to pass promises that were made years ago, you can do the same in my life. The promises you have made concerning my life, what you have revealed concerning my life, Lord let your strength bring them to pass, especially those promises that are supposed to take place in this year, Father let your strength perform these promises, Ancient of days let your strength perform them. Lord, I believe in your strength, your strength can do anything, your strength works miracles, it brought the dead to life, it parted the Red Sea, your strength brought things out of nothing. I believe in your strength and abilities, I believe in your capabilities, let your promises in my life for this year come to pass by your strength.

⇒The calendar of God is not the same as ours. The month that we call the last month of the year might not be the last month in the calendar of God. It is wrong for Christians to try to look for ungodly means to solve some problems because they feel the year is coming to an end without achieving certain things they were expecting. Some people feel it's over for them if the year ends without them achieving certain expectations. Because the year is ending does not mean it's the end of hope. For some of you, this end of the year, December will open great doors that you will continue to enjoy for many years; so don't write off your life.

•Father, let this month of December open doors that will lead to great things that I will enjoy the rest of my life. Let this month open the door for these things. Lord, let this last month of the year open doors that will launch me into a great glory, great favour, great things that I will enjoy for the rest of my life, that I would enjoy for many years to come. Lord let this month open that door that would lead me to great honour, that

would lead me to great Grace, great glory, great greatness, Lord let such doors open unto me in this month.

⇒Father, let not my faith fail in the days of temptation, in the days of trials, adversity, persecution and days of troubles. Lord let not my faith and strength fail in the days of my testing, oh God let not my faith fail. When the journey gets tough, Lord let my faith remain strong, when the battle gets tough, Lord let my faith remain strong. When I go through the fire, let my faith remain strong, let my trust in you remain strong. When I pass through the waters let my faith and trust in you be strong.

⇒We prayed the previous prayer because many of us do not know the year we are entering, but I can tell you the new year is going to be very challenging but if your faith will not fail, you will be comforted. There is patience inside faith, you need to be patient.

•Father, put upon me the spirit of patience, the spirit to wait on you, to wait for you, to wait in faith, put upon me such a spirit that I may be able to receive help from you. Lord as I walk into the new year, put upon me the spirit of patience. Lord, let me be patient in my faith to wait for you, to wait for the promises, to wait for elevation, promotion and greatness, give me the spirit of patience, I want to wait on you.

⇒If you know how to encourage people, you are going to do that in the coming year and if you do not know how to, you need to ask for the Grace to be able to encourage others because God would want to use you to encourage people. God wants to use each of you as counsellors or encouragers because a lot of people would need to be encouraged as we enter the new year. If you have been someone that has been discouraging people, you have to stop that and get into the ministry of encouragement. Many people do not need your money, they just need your encouragement which would take them very far.

•Father, bless me with wisdom to be a source of encouragement to people, I want to encourage others. Lord, bless me with wisdom, give me the spirit of wisdom to encourage people, to encourage people to believe in God, to encourage people to trust in God, to encourage people to pray, fast and draw closer to God, give me the wisdom to encourage people to be strong.

⇒The reason most people would need to be encouraged is because a lot of events would happen that would discourage them and make them lose hope. God wants to use us to encourage people because a lot of systems will fail, many relief systems and many terrible things will happen. You must first of all be courageous before you encourage others.

•Father, help me to be strong and courageous in my journey through next year irrespective of whatever happens to me, despite what happens in my country, my church and Pastor, Lord help me to be strong and courageous. Lord help me to be courageous irrespective of whatever I pass through in the coming year. Help me to

be strong and courageous so that I can see victory, so that I can face battles and win. Help me to be courageous.

⇒Place your right hand on your head. Father let the anointing of the Holy Ghost fall upon me for personal revival, for connection with you, for personal awakening, let the anointing of the Holy Ghost fall upon me. Let the anointing of the Holy Ghost fall upon me for a strong connection with you. Anointing of the Holy Ghost fall on me, fall on me, fall on me in the name of Jesus. Anointing of the Holy Ghost fall on me for personal revival, for a strong connection with you, Father for awakening in my spirit, soul and body. Lord, I want to be awakened to the realities of your Kingdom, to the realities of your Grace, power, presence, wonders and signs, let the anointing of the Holy Ghost fall upon me. I want my spirit to be awakened to know you closely, I want my spiritual personality to be awakened to know you with experiences, revelations and encounters in the name of Jesus. Lord release on me the anointing of the Holy Ghost. **\*I decree anointing of the Holy Ghost fall on you now in Jesus' name. Anointing of the Holy Ghost, revival fire fall on you now in Jesus' name.**

⇒Raise up your right hand. Father let the blessings I have missed through disobedience be released unto me according to your mercy, let them be channelled and directed into my life by your mercy. Lord the blessings I missed through failure to do your will, failure to do your work and that which is right, every blessing I lost through my unrighteousness and shortcomings, Lord let your mercy draw them into my life. Blessings that I missed, favour and help that I missed because of my disabilities, Lord in your mercy let them be channelled into my life, let them be sent into my life in the name of Jesus.

⇒Prayer for someone having problems in the chest, touch that place where the pain is.

•I take authority over every problem in your chest region, by the reason of the anointing of Jesus in this place right now, let that problem come out in Jesus' name. By the reason of the power of Jesus to heal that is here right now, let such problems come out in Jesus' name. You are healed in Jesus' name.

⇒In the name of Jesus, I curse every plantation of darkness in my life, everything that is not planted by God growing in my life, I curse you, die in the name of Jesus. I curse every plantation of darkness growing evil into my life, I curse you, die in the name of Jesus. I curse every growth of darkness in my life, spirit, soul and body, every growth of darkness, I curse you in the name of Jesus, die in the name of Jesus. Everything that God has not planted in me that is growing evil, growing darkness and troubles, I curse you, die in the name of Jesus. Die from your roots (x 5) in Jesus' mighty name.

⇒Raise up your right hand. Arrows of frustration fired into my life and destiny, come out by fire in the name of Jesus. Arrows of frustration fired into my life, career,

calling, home, marriage come out in the name of Jesus, arrows of frustration come out by Fire of the Holy Ghost.

⇒ Raise up your right hand. Fire of the Holy Ghost destroy every combined attack of witchcraft on my destiny in the name of Jesus. Fire of the Holy Ghost destroy every witchcraft force that has combined together to attack my destiny, Fire of the Holy Ghost fall upon them and destroy them. Witchcraft attacks that have combined together attacking my destiny and calling, catch Fire of the Holy Ghost in the name of Jesus. Fire of the Holy Ghost destroy combined attacks of witchcraft, combined attacks of witchcraft agents, combined attacks of witch doctors, of witches and wizards, Fire of the Holy Ghost consume them all now in the name of Jesus.

In my life let there be everlasting honour, Father put on my life everlasting honour for the glory of your name, put on me honour to glorify yourself, put honour in my life in the name of Jesus.

⇒ Father, help me to discover hidden things pertaining to my calling and purpose in life, things about my calling and divine purpose that are still hidden, Father help me to find and discover them. Lord help me to discover everything pertaining to my destiny and calling that I have not yet discovered, Lord reveal them to me, show them to me. Hidden things pertaining to my calling and destiny, Lord let them be revealed to me, help me to discover and find them.

⇒ Father, let your power appear in my strongest battles for swift, great and quick victory in the name of Jesus. Let your power, let your fire appear in my strongest battles for quick victories, for powerful victories, uncommon victories, let me be victorious Father, in the name of Jesus.

⇒ Father, do your works in my life and let the works of the devil be permanently terminated from my life. Father do works in my life that would eliminate every work of the devil, let every work of the devil die by the reason of your works in my life. Lord, do your works in my life that would end every work of the devil in the name of Jesus. Father, enthrone your works, establish your works, plant your works in my life such that the works of the devil will be permanently destroyed in the name of Jesus.

⇒ In the name of Jesus, I take authority over powers possessing my possessions, I decree lose your hold now over my possessions in Jesus' name. I take authority over

powers and principalities, over satanic agents, I take authority over you now, lose your hold over my possessions and blessings in Jesus' name. I take authority over powers of darkness, principalities, agents of darkness possessing my possessions, lose your hold over my belongings and blessings in Jesus' name.

Billions of forces of hell rising against my calling, career and destiny, receive arrows of the Most High God in Jesus' name.

⇒ Father, let my life and the situations of my life begin to experience an encounter of your power, possibilities of your power, possibilities of your greatness and Grace. Father, let your power produce results in my life, let me be able to testify to the world that your power is alive and real. Let me be able to testify to nations that your power is working and that your power is producing great results. Lord I want to see the possibilities of your power in my life, Lord I want to be able to testify that your power is real, to testify of the greatness of your power, let my life begin to encounter and experience the possibilities of your power.

⇒ When there is hardness or deadness in your spirit.

- Place your right hand on your head. Father lay your hands on me and destroy every hardness that is in my spirit, that is in my soul that is not allowing me to know God. Every hardness in my spirit and soul blocking me from knowing you, oh God let your mighty hand break such hardness. Let me be open to know you, Father let me be enlightened to know you in Jesus' name.

## PRAYER POINTS

⇒Father, I thank you for your help that I have received from the time I was conceived from my mother's womb till the time I was born into this world, from the time I was born till now. Ancient of days, mighty saviour, mountain mover, miracle worker, thank you. Jesus thank you, Holy Spirit thank you, God of Israel thank you. Thank you Father for I have received all manner of help from you, even in those moments I was helpless, defenceless, confused, troubled and weak, Lord I saw your mighty hand as you helped me. Thank you for your help that I have received, when it appeared as if I was forsaken and forgotten and it seemed all hope was lost, Father I saw you and you helped me.

⇒There are residues of blessings that a lot of you need to pick up tonight. Residues are what is left out of a large amount of substance, there are certain things left and are still available for you to pick up at this time

•Raise up your right hand. Father, whatever those blessings that are still left for me and my life to own and possess in this year, Father channel them into my life by your mighty hand. Residues of blessings remaining in this year that are still available for me to possess, Lord please channel them into my life. Favour, help, honour, Grace, blessings, divine visitations, divine encounters that are still remaining in this year for me to have and to experience, Lord channel them into my life. I receive the remnants of blessings that are meant for me this year that are available for me, I receive them, I claim them, I pick them up, I possess them, I lay hold of them in the name of Jesus.

⇒Father, let your judgement fall upon every power assigned to frustrate my life, Lord let your judgement fall upon every power assigned to trouble my peace, to take away my joy, to steal my happiness and comfort, let your wrath fall upon them. Let the wrath of God, the anger of God, the judgement of God fall upon every power that has been assigned to frustrate my peace, my life, to steal away my joy, happiness and comfort, let the Rock of God consume them, let the anger of God waste them. Every demonic presence, demonic personality that has determined to withdraw peace, joy, comfort, happiness from my life and from my destiny, let the anger of God consume them, let the wrath of God destroy them right now in the name of Jesus. **\*I decree over your life that every power that has vowed, every demonic creature and personality that has vowed that peace, joy, happiness will be far from your life, I decree that the anger of God destroy them now in the name of Jesus.**

⇒The Lord is showing me that some of you have not pressed forward enough. For example, people running a race, who during the race decided to give up because they felt they were tired and the race was too hard and that they had tried enough

and decided to stop. The Lord is saying most of you stopped along the way, you did not press on or persist enough when you should have persisted and because of that you have lost a lot of things.

•Father, put upon me a spirit that will pursue, that will enable me to run after the blessings you have prepared for me. Lord give me a spirit that does not give up, a spirit that runs and gets the prize, give me a spirit that continues to strive until I succeed. Lord give me a spirit that will keep pushing me forward, that will keep enabling me to press on, put upon me such a spirit. Lord help me to run after the price, help me to run till I lay hold and possess my possessions, until I get what you have prepared for me, Lord give me that spirit of persistence in prayer. Give me such a spirit of consistency that is committed to doing what is right till I succeed. Lord give me such a spirit, I want to possess my possessions.

⇒Some of you tried but because things didn't work out the way you wanted you stopped along the way. You were not supposed to stop but were to continue trying because God was going to help you to break through. You are going to need such strength, virtue and persistence in the new year.

•Father, give me such a heart that does not believe in failure, give me a heart that believes in success even if I fail, give me a heart that will continue to strive, that will continue to pursue and work diligently until I succeed. Lord give me a heart that is so determined to succeed, determined to make progress, give me a mind that is so determined to prosper. Give me a heart that does not believe in failure or impossibilities, a heart that is not willing to give up until I succeed, give me such a heart.

⇒Most of you believe in what people say more than in what God says. You believe the opinions, ideas and words of man more than you believe what God says concerning your life. Why should people be able to advise you against the Word of God or be able to control you to come out of the will of God? Why should you listen to them?

•Father give me an ear that does not listen to what people say but that listens to your voice, give me an ear that does not believe what people say but believes what you say, give me such an ear and heart in the name of Jesus. Give me an ear that does not listen to opinions, ideas and words of what people say but that only listens to what you say, give me such an ear. Lord give me an ear and a heart that listens to and obeys only what you say, give me that kind of ear.

⇒Father let your perfect will be made known unto me that I may not make mistakes in my life, calling and destiny. Lord, let your perfect will for my life, career, calling and destiny be made known unto me, let it be revealed to me. Lord reveal your perfect will concerning all areas of my life, I want to be in your will, I want to walk in your will, I want to do your will and be in the centre of your will all the days of my life. Lord let your perfect will be revealed to me, I want to walk in your will, I want to live and do your will. I want to know all your will for me, I don't want to make irreversible

mistakes and errors, I don't want to make regrettable mistakes, Lord let your will be revealed to me.

⇒ In the name of Jesus, I come against every activity of darkness going on to put my life, calling, career in confusion and deception, let the fire of the Holy Ghost consume them now. I come against every activity of witchcraft, satanic agents, ancestral spirits, ancestral darkness, ancestral curses that are meant to put my life in confusion and deception, let the fire of the Holy Ghost consume them now. Every demonic activity, satanic operation, marine spirit operation going on to put my life, calling, destiny under confusion and deception, let the fire of the Holy Ghost consume them now. Everything the devil is doing to make sure that I am confused, deceived and demonically controlled, let the fire of the Holy Ghost destroy them now in the name of Jesus.

⇒ When the devil wants to put you in confusion and deception, he will start to control your mind and the way you think, he will start putting his thoughts in your mind.

• Place your right hand on your head. In the name of Jesus, I reject the control of Satan in my mind, I bind every control of Satan going on in my mind, in my brain, I bind such control and I cast it out of my life in the name of Jesus. I bind demonic control in my life, soul, mind, I bind such control. I bind satanic control on my mind and brain. Every darkness that is injecting satanic thoughts into my mind, catch fire of the Holy Ghost in the name of Jesus. Every demonic hand that is controlling my thinking, putting wrong thoughts, let the fire of the Holy Ghost consume such a hand. Every witchcraft projection giving me other thoughts that are not my thoughts, witchcraft manipulations giving me imaginations that are against God and the will of God, let the fire of the Holy Ghost consume them now in the name of Jesus. My head reject witchcraft control, my mind reject satanic manipulation, satanic thoughts, satanic control in the name of Jesus. Only the Spirit of God shall control my mind, no power shall control my mind from now henceforth in the name of Jesus.

⇒ The devil will start whispering lies to you, he will start making what is right appear wrong to you and what is wrong right to you so as to deceive you and he will be giving you reasons why you should believe what is wrong to be right and why you should believe what is right to be wrong. Maybe you have been believing the lies of the devil, if you have done so, you will never get to the place God is taking you to and you cannot fulfill destiny or attain the height God wants to take you.

• Place your right hand on your head. In the name of Jesus, my mind and heart rejects the lies of the devil. I reject every lie the enemy is whispering into my heart and soul. My head, brain, soul, mind reject the lies of the devil. I choose to believe the truth, I choose to live by the truth, I choose to obey the truth, I choose to follow the truth. My life reject the lies of the devil. Every satanic voice, demonic voice whispering lies, deception into my soul, into my heart, I silence you in the name of Jesus, I shut you down. Every voice of the devil, voice of my flesh or any person whispering lies, I silence you right now in the name of Jesus, I shut you up forever in

the name of Jesus. I choose to believe and to follow the voice of God, I choose to obey and be led by the voice of God, I reject the lies of the devil and demons, I reject every voice speaking lies to my heart, I shut you up forever in the name of Jesus. I block that voice forever in the name of Jesus.

### **PRAYERS AGAINST STRONGHOLDS IN THE HEART AND MIND**

⇒It is possible that you have been believing something for many years and that thing has become a stronghold in your mind. Maybe it was a book you read, a sermon you heard or a voice that whispered into you, maybe your parents or somebody taught you something that you have believed and your life has been stagnant for years. It is possible that that mentality you have had because of what you heard has caged your life and destiny for years, that is a stronghold.

•Place your right hand on your head. In the name of Jesus, every stronghold in my mind that has caged my destiny for years, that has limited my progress, breakthrough and success, I pull you down in the name of Jesus. Every mentality and mindset in my brain that has limited my spiritual growth, limited my level of wisdom, level of prosperity, limited my achievements in life, limited my success and progress in life, I pull you down in the name of Jesus. Every demonic mindset, satanic mentality, worldly mentality, every understanding against God that I have believed, everything that I have believed and have followed that I should not have, I pull them down in the name of Jesus, I reject them right now in the name of Jesus. I reject demonic mentality, satanic inspiration, I reject satanic wisdom, satanic knowledge, satanic understanding. Every teaching and understanding that does not glorify God that I have embraced, I reject them now.

⇒Matthew 6:22 "The eye is the lamp of the body. So, if your eye is sound, your whole body will be full of light; 23 but if your eye is not sound, your whole body will be full of darkness. If then the light in you is darkness, how great is the darkness". What a lot of people have believed as the truth for many years is not true at all. That is why their lives are in darkness.

•Father, let every darkness that has surrounded my life because of the wrong things I have believed, Lord let your mighty hand uproot such darkness. Every darkness that I have invited into my life because I believed wrongly, Lord deliver me from such darkness. Every darkness that entered into my life through the wrong things I believed, Lord let your mighty hand uproot them from my life. Every darkness that surrounds my life today because of what I have believed for years, Lord let your mighty hand remove such darkness from my life in the name of Jesus.

⇒If the gospel you have believed for years is darkness, Jesus is saying how great is your darkness which means you can never be free because what you think is the light is darkness, what you think is true is false. Jesus is saying if that is your situation it is the worst situation ever. Some people are not deceived by the devil but they are the ones deceiving themselves.

•Pray with desperation. Father, in whatever way I have been deceived when I thought I am believing and doing the right thing, Lord deliver me in your mercy. Lord in whatever way I have been deceived and I don't know, Lord deliver me, show me the light, open my eyes, show me the truth, show me the way. Lord deliver me from every deception that I brought myself into, deception that some people brought me into (false prophets or teachers), and let me be filled with your light in the name of Jesus.

⇒A majority of people in this world are living a fake life. Most have not yet begun to live the life God wants them to live including servants of God because they have been deceived. They are so happy living another life that is not their real life, that is not the life God wants them to live. Have you also been deceived by the things of this world such that you are living a fake life and you have not been walking in your divine purpose? Because you have been deceived, have you been following the lifestyle of certain people who look very successful but are contrary to the will of God?

•Father I reject every lifestyle you have not given to me, every lifestyle that cannot be found in your Kingdom, I choose to live the life you want me to live, Lord help me. I reject every lifestyle that I have embraced that is contrary to the lifestyle of the Kingdom of God, that cannot be found in Christ Jesus, Lord, I want to live the life you want for my life, not another person's life. Lord I reject every fake lifestyle that is not found in my destiny in you, that cannot be found in Christ Jesus, I reject the lifestyle that cannot be found in the Kingdom of God, Lord help me to live the lifestyle you want me to live, and not the lifestyle that people- my parents, friend wants me to live, I refuse to live the life I want to live, I want to only live the life you want me to live.

⇒The angels God has assigned to help you to fulfill destiny will not help, bless or support anything that is contrary to the will of God. That is why many people are praying and haven't gotten answers because they have not fully embraced the will of God for their lives. They expect the angels of God to perform miracles in their lives. Why should angels perform miracles when your life is outside the will of God for your life? If they do it means they are working against God because you will use those blessings against God.

•Father help me to fully embrace your will for my life so that I can receive your interventions for my life, Lord help me to fully surrender to your will for my life. Father, help me to fully embrace and surrender to your will for my life so that your power can flow and work through my life.

⇒What is the will of God? How do I embrace the will of God, how do I discover the will of God? The will of God is very close to you, it is in your house, even inside your mobile phone. The will of God is in the Word of God, the Bible- that is where the will of God is. And this is what you have with you all the time, so you do not need any prophet to tell you, for the scriptures already reveal the will of God. If you want to do the will of God, you will study the Bible, if you want to obey God you will read the

Bible. If you have to be preached to for you to obey God, it means you do not love God, for how can you love God or know the will of God if you don't read your Bible.

- Father put in my heart a hunger for your Word, a desire to open the Bible, to study the scriptures and search for your will, for your ways and commandments, Lord put that desire in my heart. Lord give me the desire to search the scriptures so that I can understand your will. Give me the desire to read the Bible so that I can understand your plans for my life, so that I can understand what to do with my life, money, every gift and talent. Lord give me the desire to study the scriptures to discover your will, your mind and to discover what pleases you and makes you happy, give me that desire Lord.

⇒The Bible has power to change people's lives and it is the same Bible that people choose not to read, some of those who read it, choose not to obey it.

- Father, help me not only to read the Bible but to obey and apply the truth of the Word of God to my daily lifestyle. Lord help me to follow your Word, to apply your Word in each area of my life. Lord help me to follow your Word, believe your Word, obey your Word, help me to apply it in every area of my life on a daily basis.

## **PRAYERS FOR THE NEW YEAR**

⇒Father, reposition me in the new year so that I can experience your greatness, reposition my life, rearrange my life, redirect my life so that I can experience your greatness in the new year. Lord reposition me, put me in the right place, help me to do the right thing, help me to be in the right place and to get busy with right things so that I can experience your greatness in the coming new year. Lord reposition my life for the manifestation of your greatness, for the greatness of your glory and power. Lord put me in the right things, connect me with right people, put me in the right situations so that I can experience your greatness in the new year. Reposition me spiritually, in my career and in my calling so that I can experience your greatness and all that you have promised to do in my life. Lord reposition me to lay hold of these things, put me in the right place, put me in the midst of right activities and actions so that I can lay hold of everything you have prepared for me in the new year.

⇒You have to ask God to teach you how to do things correctly because some of you have to change how you have been doing things. The way you have been doing things is not the way you should do things in the new year. If you do not change the way you do things, you will not see the glory of God in the new year.

- Father, teach me to do things correctly as I enter into the new year so that I can witness and experience your glory and greatness. Most of the things I have not done properly in this year, help me to do them properly in the new year. The things I did not do well in this year, help me to do them correctly so that I can see great, powerful, glorious and victorious results, so that I will experience profitable results, Lord help me to begin to do these things, let me begin to do things correctly, teach

me to do things correctly. Lord teach me to pray, fast correctly, do ministry correctly, teach me to do business correctly, teach me to live correctly so that I can have all that you want me to have in the new year.

⇒Father let heaven partner with me next year, let heaven walk face-to-face with me, let the angels walk face-to-face with me, let your power walk with me and let my life be under an open heaven in the new year. Let everything I do receive backing from heaven, intervention from heaven in the name of Jesus. Lord Let your Kingdom work with me, let your presence walk with me, let your power work with me in the new year, Lord let everything I do receive divine backing from heaven, divine unction and anointing from heaven. Let everything I will be doing throughout next year be done under an open heaven. When I pray, when I work, when I do business, let heaven back me up, let heaven back up everything that I will do with great results in the name of Jesus. Let your Kingdom partner with me, let your power and angels work with me, let everything I do receive intervention, power and anointing from heaven.

⇒Part of repositioning is where you are not carnal but you are now spiritual, whereby you don't walk in the flesh but begin to walk in the spirit. This is very important for you to really experience the glory of God.

•Father, help me to walk in the spirit, live in the spirit. Give me the Grace to be full of the Holy Spirit every day, every hour in my journey in the new year. Lord, I want to walk in the spirit and not in the flesh so that I can experience your blessings, so that I can receive all that you have packaged for me for the new year, so that I can walk in the manifestations of glory and power of your Kingdom in the name of Jesus.

⇒To be repositioned spiritually is to repent and say Father I am sorry for the way I lived my life and choosing to live a different life. If you can repent genuinely, 2022 will be a glorious and powerful year for you. If you don't repent, next year might be the same as this year or even worse than this year.

•Father, I repent from everything I did wrong this year, for I want to be able to walk in your glory in the new year. Lord I repent, help me to remain in righteousness, in the truth. Lord I repent of the way I lived my life in this year, I repent of the way I talked, I repent of my thoughts and how I used my mind, I repent of how I used my money, my body and my life and time, Lord help me to remain in your will and in your righteousness, help me to live for you in the new year. Beginning from now, help me to please you and to do your will and I choose repentance. I am taking a new turn and a new leaf. I want to do things differently now, Lord help me to think differently, help me to live a life that pleases you.

⇒To be repositioned is to obey instructions you did not do this year, all the instructions you disobeyed this year.

•Father I choose to obey every instruction you gave me that I disobeyed, I choose to obey them now, help me to go back to them. Every instruction you gave me this year and I have not obeyed any of them up to this time, oh God, I choose to obey them

now. Please in your mercy qualify me and help me to do them because I want to do them now, help me to obey those instructions. I want to be properly positioned now, I want to do what is right, right now. Lord, I want to obey every instruction you gave me that I did not obey, strengthen me in the name of Jesus.

⇒Father let your presence in my life be glorified with your power, let me enjoy the power of your presence as I walk into the new year, let the presence in my life become powerful in the name of Jesus. Lord let me have another dimension of your presence that I have not had before, that I have not walked in before, Lord let me walk in such a dimension. Lord I want to enjoy a dimension of your presence that I have never tasted before, that I have never experienced before, Lord launch my life into such a dimension of your presence, launch my life into such a powerful presence, let me encounter the glory and power of your presence I have never encountered before throughout next year, let your presence be glorified in my life, let my life be glorified with power and Grace in the name of Jesus.

⇒There's going to be an increase of wickedness in the new year because the devil is in a haste to finish his evil projects. You will need to be full of the Spirit of discernment so that you will not fall victim of the devices of the devil.

•Father, fill me with a strong discerning spirit as I enter into the new year, let me walk in a strong discerning spirit so that I don't fall victim to all the wickedness of the enemy. Fill me with a strong discerning anointing, fill me with Grace that can discern all the operations of the devil, fill me with your powerful presence, your discerning spirit that is sensitive to all the operations of the devil, in the name of Jesus I pray, Amen.
