TESTIMONY 4

[2/16, 9:56 PM] Sister Loretta: Man of God I just saw that people gave testimonies, I didn't give mine and only shared it with my local spiritual family, what these powerful midnight prayers have done. There is a cat opposite my house and it is black, it started to come only at night as from 8h and lie on a specific place and made crying sounds non stop till morning hours before dawn breaks. I thought it was only for that first night and assumed it to be normal, but then it started to be a daily thing, until you started to send me these prayers. Before I officially started off with this prayer, I told the Lord in prayer how uneasy this cat made me feel, how it keeps me from sleeping. I prayed the midnight prayers three consecutive nights, and I told the Lord that if this cat is a normal cat let it stay, but if it's from an occultic source let the cat go back to where it came from. You won't believe from the 4th evening after these prayers till this date, the cat disappears, which gives me the assurance that it was not a normal cat. I praise the living God because now I can sleep peacefully, that is what the Lord has done. Amen

[2/19, 4:32 PM] Aanuoluwapo Alebiosu: Hallelujah!! Glory to God in the highest!!!

TESTIMONY 7

[02/26, 22:06] +263 77 547 ****: I want to give glory to God for what He did for me. A few days ago I was busy cooking fat cooks, when I was just about to finish I don't know what happened, I was just lost in my thoughts and I mistakenly taped on the pot and it fell on my hand, the hot oil spilled on my hand and on my leg too, I felt so much pain and confused as to what had happened for I only remembered that I was cooking. I then took salt and massaged the burnt hand and leg so that there won't accumulate water inside. I then waited for a day to monitor the extent of the burns but to my surprise the following day I woke up with not even a scar or pain. Today I saw a small scar on my leg and was reminded of the incident. The Lord insulated me and I sustained no burns on the hands yet that's where the oil directly spilled while extremely hot.

Glory be unto his holy name, it could have been worse but the Lord shielded me. Hosanna in the highest.

Guess what, before the wilderness place I have to cross a river and they rocks to step on surrounded by water, I fell in the middle of the river and carrying my Bible in a bag and other useful material for prayers, after the incident I prayed and proceeded with my journey, without going nowhere I fell on mountain step. In both instances my Bible and my bag never got wet in the river and myself I was never hurt. My prayers were wonderful, praying without stopping and I was not even bothered about what happened. Amen God is a good protection in all crucial times.

TESTIMONY 13

[3/14, 10:08 PM] +234 802 896 ****: Good evening Pastor. Trust you are doing great. I thank you for your prayers and encouragement. May God increase your anointing in Jesus Name.

I want to share my testimony. God has answered my prayer.

I have been searching for a job since June last year, when I resigned from my previous job, it was not easy but God never left my side. At some point things got so discouraging and difficult. But I kept on praying and believing..oh!! I prayed, I prayed and prayed, and God heard and answered.

You used to check on me from time to time to know how things were going.

What encouraged me during those periods was the fact that in all my life, I have never been invited for interviews or attended some, the way I did during those months .

From August last year till date, I have attended up to 20 interviews. Sometimes, I'd have 2 -3 interviews in a day.

I still kept applying, going for interviews and believing God.

I started getting some job offers from September last year. But the pay and designation was not what I wanted. So I didn't take them.

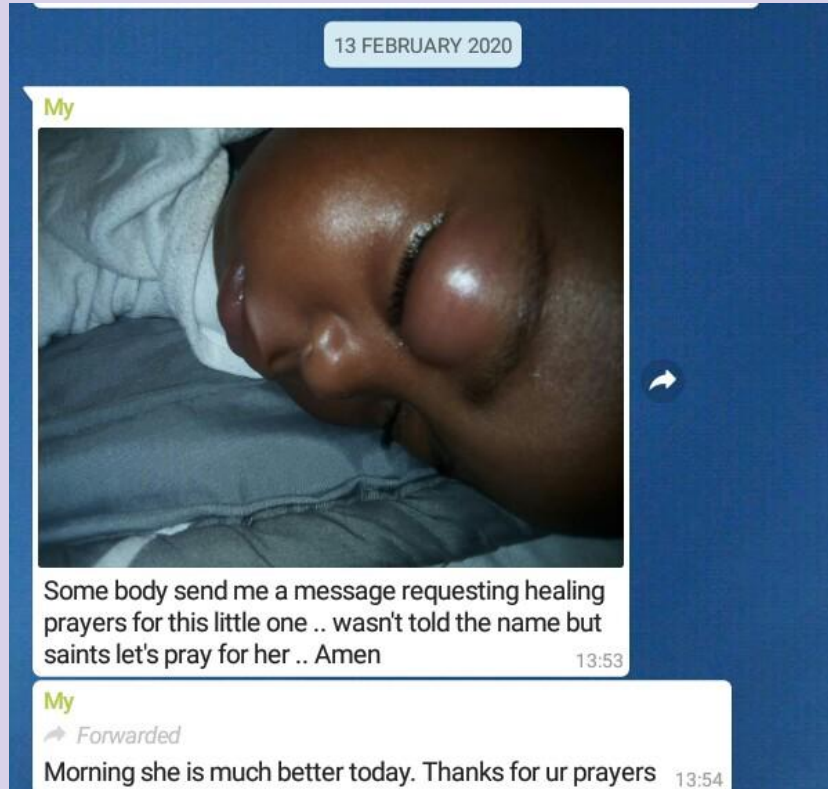

Lo' and behold, from Feb this year, more offers started rolling in. In the space of 1 week, I had 3 good job offers at once, and more opportunities are still coming in. In short, I had to reject some and picked the best fit for me.

I will be resuming the new job on Monday, and I am still receiving more opportunities/offers.

PRAISE THE LORD!!! HE NEVER FAILS!!! HE HAS SHOWN HIMSELF GREAT AND MIGHTY IN MY LIFE!!!! I BLESS HIS HOLY NAME.

[3/14, 11:13 PM] Aanuoluwapo Alebiosu: Hallelujah!! I am so happy for you, yes it was a long journey of searching for a job but God blessed you with the best one eventually!! Glory to God in the highest!!!.
