PRAYER POINTS

⇒. Father remember me tonight and help me, remember me Lord and touch me. Remember me Lord and bring all your promises to pass. Remember me Lord and bless me, bring your words to pass in my life. Remember my case and visit me in the name of Jesus. Lord remember me and favour me, remember me and bless me in Jesus' name.

⇒. Father let the fear of you grip the hearts of my enemies till they lose in their battles against my life. Let your terror come upon my enemies and cause them to lose in their fight against my life. Lord let your terror, your fear grip the hearts of my enemies till they lose in the battles they have raised up against my life, till they lose

in the fight they are fighting me. Let them begin to fall, let them begin to fear and lose in the battles they are fighting against me in the name of Jesus.

⇒. Father by your mighty hand search me out from every hiding place of darkness. Lord by your mighty hand pull me out of every hiding place of darkness, secret prisons of darkness. Lord by your mighty hands look for me and pull me out of those prisons, deliver me from every hiding place of darkness, from every secret prison of darkness, where they have caged my life. Lord search me out and deliver me.

⇒. Most of you do not know where you fit in the plans of God. All you know is God has great plans for you but you don't know where you fit. The way you see yourself is not the way God sees you. It is very essential that you discover where you fit in, in the plans of God.

•Father, reveal to me where I fit in, in your plans. Lord search me out from your plans and let me know where I fit in, in your plans for these last days. Show me where I fit in, in your plans for the church, in your plans for my life and destiny, Lord reveal where I fit in. Reveal to me my own place in your own plans. Search me out of your plans so that I will know where I fit in, in your plans for my life, destiny, in my generation, even in your plans for the body of Christ all over the world. Lord reveal to me my place and what I must do in your plans for these last days. I do not want to be ignorant, reveal to me in Jesus' name.

PSALMS 112:1

⇒. The fear of the Lord brings joy. How is the fear of the Lord connected with the joy of the Lord? When you fear God, you will please God and not offend Him or sin against Him. When your life is pleasing to God then this joy will naturally feel your heart because your life is pleasing unto God. Nowadays the fear of the Lord is missing in the church. When you no longer think twice about sinning, fornicating, stealing, lying; it means you no longer have the fear of God.

•Father let your fear be permanently established in my heart and soul. Lord let the fear of you be permanently established in my heart. I want to live with the fear of God, I want to follow you in fear of you. Give me the Spirit of the fear of the Lord. Father give me that spirit, I want to walk in the fear of you, I want to fellowship in the fear of you, help me Lord Jesus.

⇒. Becoming too familiar with God kills the fear of the Lord. When you begin to see God just like any other human being, you have lost the fear of God because God is not a man but He is a terrible God. There is a spirit that is making Christians dishonor and disrespect God making them see God as their servant or mate.

•Raise up your right hand. Father, every spirit that is causing me to be too familiar with you, to despise you and your ways, to dishonor you and your ways; oh Lord cast out that spirit permanently out of my life. Lord deliver me from every spirit that is causing me to despise you and your standards, righteousness, ways and your

Kingdom. Deliver me from every spirit causing me to dishonor you Lord, in Jesus' name.

⇒. The reason why Christians don't fear God is because they don't know Him. When you know God you will fear Him. In the scriptures, there were people who saw the great moves of God and they lived their lives in fear of Him. Without the experiential knowledge of God, you might not fear Him.

- Father, give me the experiential knowledge of you so that I will forever live in the fear of you, so that I will teach my children to fear you because I have known you and seen you. Lord reveal yourself to me so that I can learn to fear you, reveal your greatness to me so that I can learn to fear you.

⇒. The Spirit of the Lord is saying, they cannot learn the fear of me without humbling themselves. You need to humble yourself if you are going to see the greatness of the Lord that will give you the fear of the Lord. For God to visit you in a way that will change your life forever, you need to be a very humble person. Some people because of pride they see God or the Spirit of God as their servants instead of seeing the Holy Spirit and God as their Lord.

- Father put upon me the Spirit of humility so that I can learn your fear, so that I can see your greatness. Lord put upon me your own kind of humility so that I can learn your fear and witness the greatness of you in my life.

⇒. God wants to speak in the lives of some of you but He cannot because you do not delight in obeying his commands. It's not hard to hear the voice of God if you delight in obeying his commands. God will not speak to people who do not delight in obeying His commands but to those who obeys them. Maybe God is not speaking to you because you no longer find joy in obeying his commands.

- Raise up your right hand. Father put upon me the spirit that will enable me to find joy and happiness in obeying you, put upon me the Spirit of obedience. Lord put upon me the grace of complete obedience to your commands, the grace to find happiness in obeying your voice and your commands. Lord put upon me such a grace and obedience that will make me to have such delight in obeying your will and purposes.

⇒. Grace and mercy might not work for you until you obey the commands of God. They anointing, the angels might not work for you until you come to the place of obedience. Most miracles happen by simple obedience, that is why the devil is ensuring that most Christians are disobedient because he knows the power of being obedient.

- Place your right hand on your head. Father, every spirit working in me, making it difficult for me to obey your voice, your commands, Lord let your fire drive out such spirits right now in the name of Jesus. Every spirit planting rebellion in my heart, establishing rebellion inside my heart, oh God let your fire uproot that spirit, let your fire drive them out. Every oppression of darkness going on in my life, making it

difficult for me to obey simple instructions from the Lord, simple directions and leadings from the Lord, Lord let your fire cast them out of my life. Come out in the name of Jesus.

⇒. Sometimes God's commands do not make sense or they will be against your own will or interest, will you obey the Lord despite? Some people will not do certain things because God didn't tell them but God will not tell you something that He knows you will not obey and most times those are the things you need to obey to fulfill your destiny. Maybe you have a stony heart that is causing God not to reveal His plans to you because He knows you will not yield to his directions because you love your own ways

•Father I surrender to your will, I surrender to your ways. Lord, remove every stony heart from my life and reveal your plans to me because I will now obey them. Lord, I surrender to you, deliver me from every stony heart, reveal to me your plans, speak to me once again and I will follow, lead me and I will obey. I surrender to your will, I surrender to your ways, I surrender Lord Jesus.

⇒. We have prayed this prayer before but the reason why we repeat certain prayers is because they are not yet formed in the spirit, they are not yet established in the spirit realm that's why we keep praying them.

-When God's desires are your desires, it is easy and simple for you to obey God. It can be difficult for you to obey God at some levels but when God's desires are your desires it becomes too easy.

•Father from today henceforth, let your desires be my desires, because I want to obey you till the end. Make your own intentions, my intentions; share your mind with me. Let your own will be my will, your desires, my desires. I want to obey you all the days of my life. Help me Father, help me Lord.

VERSE 2

⇒. Obedience commands success and generational blessings. When you obey God it's not only you who will be blessed but your children, even your grandchildren and great-grandchildren. Obedience is powerful and the devil knows it and has made Christians to be the people who commit sin more than they obey God.

•Father let your grace come upon me and my entire household, let your grace be released upon me and my household, enable us to obey you forever (mention the names of your children or family members). Lord enable us by your grace to obey you forever. Lord I ask that you lay upon me and my entire family the grace to walk in obedience to your will, release upon me the grace to obey you together with my entire household. Lord release your grace upon my spouse, upon my children so that they will live to obey you forever in Jesus' name.

⇒. Father as I continue to walk in obedience, from today let success and blessings from you begin to meet with me, let them begin to follow me and collide with my life in the name of Jesus. In my career, as I walk in obedience, let me see the

manifestations of great success and great blessings in the name of Jesus. Let me begin to see generational blessings, let them begin to happen to me in Jesus' name.

NB: God is saying He sees you and you cannot hide from Him, meaning He sees what you do in secret. You can hide it from everyone but not from God. He's saying you should stop deceiving yourself, repent from what you're doing secretly. When God speaks like this it means He loves you and does not want to judge you and wants you to repent. If you don't repent, judgement will come to you in this life not after you die.

⇒. God wants to bless us and also make us blessings to our generation because we obey Him.

•Raise up your right hand. Father, I ask for a blessing from you that will not only satisfy my life but a blessing that will make me a blessing to my generation, Lord release it upon me now in the name of Jesus. Lord, I ask for a blessing from you that will make me a blessing to souls out there, to lives and destinies out there, I ask for such a blessing. Father, do the impartation right now of spiritual blessings and physical blessings. I ask for a blessing from heaven, release it upon my life today. Father such a blessing that will change me into a blessing to my generation, put it upon me in Jesus' name.

VERSE 3

⇒. It is part of God's plan to make a Christians wealthy; you do not have to disobey God to be wealthy. Real wealth belongs to obedient people and God desires that all people would be obedient so that He would show them all that He is capable of.

•Father from today, connect my life with the streams of the wealth of your Kingdom for the manifestation of my calling and destiny, for the fulfillment of my calling and destiny. Connect my life with the streams of wealth that flows from your Kingdom, that I may use the wealth to fulfill my calling and destiny on earth. Connect my bank account to the streams of wealth that flow from your Kingdom that I may use that wealth to fulfill my calling and destiny.

⇒. The kingdom of God is so wealthy, it is full of excessive wealth that has no figure to measure. Many Christians do not know the vast and greatness of the wealth in the kingdom of God, even the devil knows it. God will release this wealth to those who obey Him. Because riches and wealth can destroy souls forever that is why God will not give some people wealth because it will lead them to destruction. If you obey Him, He will not withhold His hand to bless you. You have to make a covenant with God.

•Father, I will obey you forever, establish with me a covenant of wealth and let me never lack any good thing to become what you put me on earth to be. Lord I will obey you all the days of my life, establish with me the covenant of your wealth permanently. Help me to obey so I can fulfill my destiny, for me to be the person you destined me to be on earth in the name of Jesus.

You may be wondering how God makes people wealthy without them having to commit sin, fraud or compromise with the darkness? He who has control of the hearts of men, kings of nations, hearts of princes, hearts of rulers can make anyone wealthy. The person who can control everyone's hearts, to an extent that even the one who is controlled will not know that they are controlled, all they know is they are not at peace until they do certain things. That personality is God and He can cause the Kings of the earth to bless you and they will not be at peace until they bless you.

⇒. The good deeds of obedient people will last forever. Generations will come and remember what you have done even after you are long gone from this world. God is raising up Christians who will impact their generations positively such that they will not be forgotten. What impact, change have you caused or pioneered in your generation?

•Raise up your right hand. Father, help me to live such a life of impact at this time. Help me to live and do things that will change generations, and generations that will come after I have gone will not forget all that I have done. Lord, I don't want to live like a serpent that goes through a rock without leaving no impact, no mark, Lord help me to leave your mark and make history in my generation. Help me to live a life that people will never forget, such a life that is blessed and changes their lives. Put upon me an anointing to make a difference in my generation throughout my life.

⇒. In the name of Jesus, I decree and I declare that my life shall begin to produce fruits of the presence of God, righteousness and grace. I decree and I declare that my life from today shall bear fruits unto repentance, unto righteousness, greatness and every good work. From today my life shall produce fruit, bear fruit and true holiness, it will produce fruits that God is looking to see in my life in the name of Jesus. I decree and I declare that from my life shall come forth the manifestations of the gifts of the spirit, great light that nations are waiting to see, great light that those in darkness will see and come out of darkness. From today my life will begin to produce great fruits that will bless lives and destinies in the name of Jesus.

⇒. Raise up your right hand. In the name of Jesus, I come against every darkness of confusion that has been sent upon my life, darkness sent to confuse me, and mislead me, Lord let your fire fall and consume them all. Fire of the Holy Ghost consume every darkness that has been sent to cause me to commit mistakes and errors, let your fire arrest and consume them in the name of Jesus.

⇒. Father make yourself great in my life, make your name great in my life so that people will through my life know you. Oh God make your name great in my life so that my generation will know you through my life, they will learn of you through my life. Glorify yourself, your power and name, Lord Jesus magnify your power in my life so that my generation will know you through my life and praise you.

⇒. The Lord is saying there are some of you who are expecting a particular payment that is overdue and you haven't seen anything of it yet.

•Raise up your right hand. Father by angelic intervention, every payment that I am due for, let your angels authorise them right now and let it be paid right now in the name of Jesus. Lord by angelic interventions every payment I am due to have received by now, let such payments be authorised right now from heaven. Release them by your mighty hand Lord, in Jesus name.

⇒. Oh Father give me every help that will move my life forward, give me every help that I need to move forward at this time. Lord every support, assistance, sponsorship, favour and connections that I need to move forward at this time, Lord release them unto me. Every wisdom, revelation, anointing, help and strength that I need to move forward at this time, Father release them unto me. Every victory that I need, Father release it unto me in Jesus' name, Amen.

Lord I stand as your servant and priest over the lives of these ones. I ask oh God that upon everyone hearing my voice, let there be a deposit of grace that will enable them to live the life you want for them at such a time as this. Lord, let deposits from heaven happen in every life right now in Jesus' name.

According to my authority in Christ Jesus, that wickedness devised against your life is forever terminated right now in Jesus' name.

I come against every poison of darkness that you have swallowed or that has entered your life, body and spirit; I command the poison to come out by fire right now in Jesus' name.

The glory of the Lord shall rest upon your life from today henceforth. You shall walk in the glory of God, you shall walk in the favour of God, you shall walk under the presence and open heaven of the Almighty God in the name of Jesus.

Difficult things shall no longer be difficult for you in the name of Jesus. Henceforth, difficult things shall become easy for you in the name of Jesus

I am praying for those delayed so much in doing the work God has called you to do. I decree by the mercy of the Lord receive strength, grace and speed to do that work and finish it in the name of Jesus. Thank you Father because we know you have answered these prayers, blessed be your Holy Name in Jesus' name I have prayed, Amen.

⇒. You need steps/stairs to go higher and there are people who only come into your life to be stepping stones for you to be where you are supposed to be. Sometimes

you only meet them for them to connect you to certain people or opportunities just for you to be lifted.

•Father, from today connect me with steps, opportunities, people, events and everything that will act as stepping stones for me to climb to the place of greatness and manifestation, Lord by your mighty hand begin connecting with them.

Everything, everyone and opportunities that will act as stepping stones for me to climb to the place of my manifestation in destiny, place of my greatness and fulfillment, place of glory, honour and elevation, oh God begin to bring those steps to me in the name of Jesus. Begin to arrange such steps for my life in the name of Jesus.

⇒. Oh Lord of hosts, arise and fight for me in every battle I have been defeated in. Fight for me and make me victorious. Oh God of Israel, Lord of hosts, arise, fight for me in every realm of the spirit where I have been defeated, in every battle I have been conquered and lost, arise oh Lord and fight for me now and give me victories of Jesus. ***Let the warriors of God in heaven, the angelic warriors of the Most High God be sent into the battles of your life for the manifestations of victories right now in the name of Jesus.**

⇒. Lord Jesus, let the source of pain and sorrow in my life dry up forever, let the roots of pains and sorrows in my life dry up forever, let them be permanently rooted up in the name of Jesus. Oh God of Israel dry up the source of my difficulties, uproot that source and destroy the roots of my pains right now in the name of Jesus. Destroy the roots, uproot the roots of hardship and pain in my life.

⇒. Father let every ungodly relationship I have entangled myself with that is causing misfortunes and stagnation in my life, causing backwardness in my life, Lord end that relationship, tonight terminate such a friendship. Every ungodly friendship, every friendship sponsoring stagnation, evil in my life, let your mighty hand end them right now in the name of Jesus. Relationships bringing defeats, pollution, slavery, hardship in my life, oh God come against such relationships, terminate it right now Lord Jesus.

⇒. There are some things you have permitted into your life, for example the devil introduced something in your life and you opened the door for it, you allowed it even though you know that is what is making the enemy stronger than you. That thing is weakening your spirit man and you are comfortable with it weakening you.

•Father help me to develop a hatred for everything I have allowed the enemy to introduce into my life, help me to start rejecting them. Everything the enemy has been introducing in my life that I have allowed ignorantly, oh God from today enable my spirit, configure my spirit to start rejecting those things. Everything not of God gaining entrance into my life, I reject them in the name of Jesus. Father, enable my spirit to continually reject that thing in the name of Jesus. Whatever is unclean and of

the kingdom of darkness, oh God enable me to reject them from today henceforth in Jesus' name.

⇒. Father, establish my faith on the paths and activities that lead to the fulfillment of my calling and destiny. Oh God of Israel, establish my interests, desire, passions, love and will on those things that will lead to the establishment of my calling and destiny. Oh Lord establish my desire and passions on the path that leads to the fulfillment of my calling and destiny

⇒. Place your right hand on your head. Father remove from my head whatever the devil has done to my brain, to prevent me from thinking the way you want me to think, reasoning the way you want me to reason, understanding things you want me to understand, from getting inspirations you want me to get, insights you want me to get, oh God remove that thing. Anything stopping me from connecting with the mind of God, Lord let them come out right now in the name of Jesus. Every evil the enemy has done in my brain, in my head to stop me from reasoning the way I was created to reason, stop me from understanding the way I should understand, stop me from receiving revelations, inspirations, ideas, and insights, let the fire of God remove them all. Every work of darkness done in my head to stop me from reasoning alongside God's will and plans for my life, come out in the name of Jesus.

⇒. Father, make it too difficult for my enemies to be able to stop me from rising at this time because you are the all wise God, the Lord full of great wisdom and power. Father, make it too difficult for witches and wizards to be able to stop me at this time, make it too difficult for environmental powers, territorial powers and rulers of darkness, by your mighty hand make it too difficult for them. Let them find it too difficult to stop me, intervene oh God and make me victorious at this time. Let no power, no darkness be able to stop me. Lord intervene and stop them for me in the name of Jesus.

⇒. In the name of Jesus, I come against every demonic cry, demonic voice crying against my rising. Every ancestral voice crying against my rising to the top, Lord let your fire silence them forever, let your anger silence them forever. Oh God silence every demonic cry, every cry going on saying that I will not rise, every voice crying against my rising, let your anger silence them forever. Every voice crying out from a family background, father's house, mother's house against my rising; Lord silence them forever in the name of Jesus. Every ancestral demonic voice crying out from my blood line against my rising to fulfillment, Father silence them forever in the name of Jesus.

fire in the name of Jesus. Influence of darkness upon the source of my income break in the name of Jesus.

⇒. Some people do not know themselves and cannot trust themselves anymore because they don't even know why they are behaving so, they are making wrong decisions and don't even know how they're making them. This is all the influence and control of darkness.

•In the name of Jesus, I come against every influence and control of darkness on my decisions and actions, break by fire in the name of Jesus. Influence and control of darkness upon my actions decisions, break in the name of Jesus, break in the name of Jesus.

⇒. There are spiritual garments or mantles, they carry abilities to make you do works you cannot naturally do. When God puts upon that garment, it will enable you to do what you cannot naturally do because you ride upon the power of that garment or mantle. If you have a mantle for healing the sick, everytime you pray for the sick they are healed. You just know how to pray the prayer that gives healing, or for whatever mantle you will be having on you.

•Raise up your right hand. Father put upon me the divine garment for the manifestation of your glory and power at such a time as this. Lord put upon me heavenly mantles, garments for supernatural manifestations at this time; for power demonstrations at this time in the name of Jesus. For me to perform my calling and destiny at this time in my generation in the name of Jesus. I receive the mantle, the garments to manifest power and the glory of heaven at such a time as this.

⇒. These mantles change you, transform you into another man.

•Father, put upon me the divine mantle that will change and transform me to the person you will use to reveal your greatness to my generation. Lord put upon me the divine garment that will change me to another man, that you will use to reveal your greatness and power. Put upon me a mantle for transformation in the name of Jesus.

⇒. The Lord is showing me that some of you, there is a need for you to sit down and be taught. God wants to teach you, He wants you to learn, just as Mary sat on the feet of Jesus to learn. Many of us are too busy with a lot of things and have no time to sit down and learn.

•Father, give me the grace to sit down and learn of you, give me the grace to humble my heart, sit down and learn of you. Lord help me to stop becoming busy with things that have no Kingdom value, help me to sit down and learn of you. Help me to sit down, humble my heart, search the scriptures; pray, praise and worship and learn of you at this time. Help me Lord Jesus to listen for your voice, to seek you with great hunger at this time in Jesus' name Amen.

Let your anger oh god of Israel descend upon every demonic strongman and personality and destroy them all, let them be permanently killed from operating anymore, let them be disabled from operating anymore in the name of Jesus.

⇒.When a destiny is captured it means your purpose for existence is captured, your destiny is in a cage and you cannot fulfill the reason why you were born. And every effort you try to manifest in destiny always fails.

•Father, arise in the fullness of your power and bring my destiny to the place of manifestation and fulfillment. Father use all the power in you, all the power in your hand to release my destiny to fulfillment. Refine my soul of every impurities, every deposit of darkness in my spirit, fire of the Holy Ghost get rid of them all right now in the name of Jesus.

⇒. It is very easy for your spirit to be initiated, that's why lots of lives are under confusion because their spirit man has been enslaved in many realms. Your spirit can expand such that it is bigger than the whole world that is why it is easy for it to be trapped in many places even without your knowledge because it's different from your body. You need to be sensitive because even a handshake can initiate your spirit instantly.

•Place your right hand on your head. Father let your fire deliver my spirit from every realm of darkness holding my spirit hostage. Lord let your fire go into the realms where my spirit has been initiated and release my spirit. ⇒. Your spiritual personality is not like your physical person, it is more advanced. Because your spirit is larger and bigger it is possible that though you are here you are not fully present here on earth. It's possible that there is a part of you living in another world and you are not aware of it. It is possible that the enemy is using you for evil purposes and you're not aware of it.

•Place your right hand on your head. Lord Jesus, according to your Lordship over my life, harvest my spirit from every realm where I am, that is not the kingdom of God, from every realm where my spirit is living, that is not your Kingdom, harvest my spirit from those realms. Lord You are my Lord, you are the Lord over my life and spirit, stretch forth your hand and harvest my spirit from every kingdom, every realm that is not the kingdom of God, from every realm where my spirit is living, that is not your Kingdom. Lord harvest my spirit back to myself from every realm of evil and darkness where my spirit has been caged and being used against my will. Lord take back my spirit, deliver my spirit from every realm that is not your kingdom. Remove my spirit from every realm that is not your presence, remove my spirit from those realms now in the name of Jesus.

⇒. The Lord was telling me that there are physical buildings that have been shifted to the spiritual world, not physically. You see a physical building is no longer the

physical building as it is because the real building has been moved to the spiritual world. The spiritual world is the one now living in that physical building. This is a mystery whereby another kingdom has become that building and the people living in that building think they are living in a physical house not knowing that everyone they are living inside the kingdom of darkness, living inside a spiritual world though that looks like a physical building. The physical building has been baptized into a demonic world. Lots of places have been taken over this way.

•Raise up your right hand. Father, every physical place that I interact with on a daily basis that has been taken over by the kingdom of darkness, Father right now let your fire restore the originality of those places. Every place I live in, work in, engage in that has been taken over by the demonic world, oh God let your fire restore the originality of those places right now in the name of Jesus. Let the fire of God begin to restore the originality of those places beginning with where I live, where I work and everywhere I interact with. Let the originality of those places be restored right now by the fire of the Holy Ghost.

⇒. Father do not withhold the blessings that you have promised me, release them to manifestation in my life. Lord according to your mercy, release every blessing you have promised me; physical blessings and spiritual blessings, so that my life can move forward. Lord, the blessings you have promised for many years, release them so that I can celebrate, enjoy and use the blessings to glorify you. Lord I ask that you not withhold every blessing you have promised, have mercy upon my life and release those blessings in the name of Jesus. Lord do not stop yourself from blessing me, bless me and let me be blessed.

⇒. Father, every good reward that I have missed from you, restore them back according to your mercy. Lord every good reward from you that I have missed, restore them to me, the reward for my giving, tithing and offerings, sacrificial service unto you, sacrificial lifestyle, every good reward from you for me, oh God of Israel, restore them now according to your mercy. Let me possess my possessions in the name of Jesus, do it Father.

⇒. Father, stop every mouth and tongue that is reporting evil about me, speaking evil about me to people. Father silence every mouth and tongue that is speaking evil about my life, spoiling my image everywhere, oh God of Israel, put a stop to those mouths and tongues in the name of Jesus, silence those voices in the name of Jesus.

⇒. In the name of Jesus, I come against every darkness and blackness that has filled and covered my spirit from seeing divine revelations of God, from receiving divine revelations of God, let the fire of the Holy Ghost destroy that blackness, let the fire of the Holy Ghost remove that darkness. Every blackness and darkness that is blocking my spirit from receiving the revelations that the Lord of hosts wants to reveal to me, that has covered my spirit from seeing into the revelations of God,

seeing into the understanding of God, let the fire of God consume them right now in the name of Jesus. Fire of the Holy Ghost destroy that blackness and let my spirit be opened to receive from the Lord revelations and visions from the kingdom of God.

⇒. Father absorb me into the realities of your kingdom that's here on earth, absorb me, spirit, soul and body into the presence of heaven that is here on earth. The realities of heaven, the realms of angels, the realms of God's glory that are here on earth, Lord absorb my spirit, soul and body into those realms in the name of Jesus. Lord take me into that realm, rapture me into the realities of heaven that is here on earth, Lord bring me into those realms of your glory, power, grace and Kingdom here on earth. The realities of heaven here on earth, the realities of your invisible world here on earth, Lord absorb me into those realities and let me be able to touch your heaven in the name of Jesus. Let me be able to live in heaven on earth in the name of Jesus, help me Lord in Jesus' name, Amen. ***I recommend that you pray this prayer as often as possible until you start experiencing the realities of the kingdom of God here on earth. The kingdom of God is physically here on earth but not to the spiritually blind but to the eyes of Christians that can see.**

We celebrate you Father, we praise you, we honour you, magnify you, we glorify you, we lift you up forever. You are God and you shall forever remain our God and we shall serve you, bless you, give to you praise, surrender unto you, love you and follow you till the end. You shall be our Lord and Savior, blessed be your Holy Name.

Lord, I ask that in this meeting, come and have your way, come and help us. Thank you Father in Jesus' name, Amen.

PRAYER POINTS

⇒. Father deliver me from every poison of darkness blindfolding my spirit, killing my spiritual sight from seeing what you are showing me at this time. Deliver me from every poison of darkness flowing in my blood, spirit, soul killing my spiritual vision, spiritual sight, blindfolding the eyes of my spirit, oh God of Israel, deliver me now in the name of Jesus.

⇒. Father help me to follow you in faith, walk with you in faith. Help me to trust you at this time, I want to walk with you and I know I cannot walk with you except by faith. Help me to walk with you at this time by faith and not by physical sight. Oh God of Israel, help me to follow you in faith, help my faith to be strong, so that I will follow you, I will walk with you. Help me Lord Jesus, help my faith and trust in you to be strong, so that I will walk with you, follow you and not look to the right or to the left but focus on you and follow you all the days of my life. Lord help me because I cannot walk with you except by faith.

⇒. You need to understand that God will not lower His standards of His personality, Kingdom, government, Word or scriptures because He loves you so much. But He will bring you to His own standard so that He can help you because He cannot do contrary to Himself, His will and to His purposes. If you are not willing to come up to God standards it means you are not willing for Him to help you because God will not lower Himself for you despite his love for you.

•Father, I am willing to walk with you according to your standard, lift me up to align with your standard of holiness, lift me to align and agree and connect with your standard of purity, righteousness, faith and trust. Father I am willing to abide by your standards even though it's painful to my flesh, interests and selfish ambitions, but I am willing. By your mighty hand lift me up to embrace your standards. Lift me up to embrace your standard of grace, love and holiness, I want to walk with you, raise me up to your own standards. You saved me so you can bring me to your standard, help me to align to your standard.

⇒. There are many things God is supposed to be doing in your life but the reason He is not doing them is because you are not yet at His standard. Some of you the way you dress physically, your thoughts, the way you live, the way you handle money, some of these things are the cause why He's not doing many things because they are not up to his standard.

•Father show me as many things that I need to correct in my lifestyle so that I will not miss all that you have for me. Father open up my heart and show me the things I need to correct in my lifestyle so that I will align to your standards and will. Lord the things I need to address in the way I talk, dress, in my actions, whatever you do not like in my life that I need to correct, show it to me because I want to live perfectly before you. Teach me to correct my thinking, show me what I have to stop thinking, every act of sin, lust, pride, rebellion, disobedience or arrogance, Lord show me so that I can correct these things and receive your blessings.

⇒. Some of us are too high for God to correct, some are too high to be teachable, all that is pride, you need a garment of humility

•Father put upon me the garment of humility because I want to grow in the knowledge of you, want to grow in grace, in my relationship with you, I want to please you and be corrected by you. Father put upon my spirit soul and body the garment, the Spirit of humility. I want to be teachable, I want to grow to know you more, I want to grow in grace and in the knowledge of your will. Take away pride from my life and help me to be teachable in the name of Jesus.

⇒. The Lord is telling me that some of you have not allowed the ministry of the Holy Spirit in your life. You can never see the wonders of the Holy Spirit until you surrender to Him.

•Holy Spirit, I surrender unto you, I surrender my heart unto you, come and take over my life, situations, business, career, marriage. Holy Spirit, I surrender to you, I welcome your ministry, come and rule and lead, come and guide me. Holy Spirit, I surrender to your ministry, I surrender my heart to your guidance, I surrender my life to your leading and I am willing to follow you, to obey you, come and lead me, direct my path, guide me, come and speak to me.

PSALMS 112:4

⇒. Many people in the world can be confused and deceived but you will not because you are a child of God and you are in the light.

•Father manifest your light in every situation I find myself in, let me always see your light because your Word says light shines in the darkness. Let me always see your light in every confusing situation I find myself in. In every misleading situation, deceiving situation, let me always find your light, let your light shine upon me. Lord let your light shine, let me be wise and be led by your Spirit in those moments where it appears there's confusion and deception, let your light manifest unto me and let me be at peace in mind. Let your light shine in the midst of my darkness and let me be strong and be at peace in the name of Jesus.

⇒. Light shines in the darkness also means the godly will always find a way out in every situation, they will always have breakthroughs in all situations.

•Raise up your right hand. Father in every situation of darkness I find myself in, oh God manifest in this situation and make ways for me. Make a way for my rising, my breakthroughs, success, progress, healing, deliverance, victories in every situation of darkness I currently find myself in. Lord I trust and I believe in you, you are a faithful Lord, make a way for me Lord Jesus. Father there is nothing impossible with you. Your power can do everything that I need, make a way for me now in the name of Jesus. ***In that situation that you found yourself in and it appears there's no way out because you are connected to the anointing in this place right now, let there be a way for you in the name of Jesus.**

⇒. Where others have failed, you get to those places and succeed. The same business that couldn't prosper other people in, you will prosper in it because you are in the light and they are in darkness.

•Father because I am your child; Lord let success arise for me in everything I lay my hands upon. In every project I do, upon the works of my hands let success arise for me, in the things that others have done and found no results, Lord because I am your child, let me succeed in everything I lay my hands upon. Let victory, success, abundance arise for me in all the sources of my income.

⇒. In darkness you don't see the road, you do not know where traps or pitfalls are, you cannot see anything but because you are in the light, you don't fall, you don't make mistakes or fail.

•Father as I walk through the life journey let every trap the enemy has set on my path to cause me to fall and fail be destroyed. From today every trap, stumbling block the enemy has set on my paths to make me fall and make mistakes; oh Father let your fire destroy them. Every trap to cause me to fall in my spiritual walk with God, career, ministry, oh God let your fire begin to remove the traps and stumbling blocks now in the name of Jesus.

⇒. Every event and situation that the kingdom of darkness has set in the journey of my life to cause my downfall, oh God of Israel arise and terminate them all, destroy

them all. Situations, events created and planted on my life journey, even in future years to come by the dark kingdom to cause my downfall, I come against them all, fire of the Holy Ghost consume them all now in the name of Jesus. Be terminated by fire, be consumed by fire.

⇒. Lift up your right hand. In the name of Jesus, let the angels of the Lord begin to remove from my life journey every agent of darkness that has been assigned to cause my downfall, human beings that the devil has programmed to use for my downfall right now, let the angels of the Lord begin to remove them from my life journey. Oh God of Israel, send your angels to remove from my path every human being, every personality that the devil has assigned to cause my downfall, bring down my calling, ministry, destiny; let me never meet them in the name of Jesus. Lord let me never meet every man or woman, the kingdom of darkness programmed against me, let the angels remove them from the timeline of my life journey.

VERSE 4

⇒. This means that when you find yourself in darkness and you call for light, light will shine. When the godly calls upon the Lord in his dark situation, God is going to answer, if you are righteous and godly.

•Father let my life from today be continually under an open heaven so that whenever I call upon you, I will see your light, see miracles, I will see blessings, I will receive provisions. Father put my life, my finances, health, marriage, career, business, calling, ministry under open heaven, oh God, let it be whenever I call upon you, regardless of the situation I'm passing through, you will answer me immediately. Let my prayer life, Bible Study life, every aspect of my life be under open heaven in the name of Jesus.

⇒. Father as your heaven is open right now, release financial blessings upon my life, upon my bank account and let all my needs be met. Lord release financial blessings upon me, my bank account and let all my needs, my debt be paid. Let me receive enough financial blessings to execute every project in my life at hand. Let financial blessings be released oh Lord and let me be satisfied.

⇒. We are going to look at types of generosity. Generous is when other people give little out of their abundance but you give so much of it. The godly are generous people, they are not stingy. Are you generous with all that God has given to you? The first one is being generous with time.

TIME: Are you generous with time when it comes to the things of God, prayer, meditation, studying the Word of God, do you check time? If you do, you are not godly because the godly are generous with time, for the things that please God.

•Father help me to be generous in the time I spend with you in your presence. Lord help me to give you time because you need it, you want my time because there's so much you want to teach me, show me and do in my life. Help me to give you hours, days as much time to fellowship with you, commune with you, praise you, worship

you, to seek knowledge of you, to intercede for people, to pray; help me to do these things generously without checking time. ***May the Lord help you to be generous with your time in His presence. May the Lord deliver you from every form of laziness and procrastination in Jesus' name.**

⇒. MERCY AND KINDNESS

The godly are generous because they show kindness and mercy. Are you kind and are you merciful? Read Matthew 5 on the beatitudes to see if you are really merciful or kind. If you see people that need help and you have the capacity to help them and don't help them it means you do not love God.

•Father help me to be generous in showing mercy and kindness. Help me Lord Jesus in showing mercy and kindness. I want to help the people you want me to help, I want to sponsor the people you want me to sponsor, provide food for those you want me to provide for. I want to support the people you want me to support, clothe those you want me to clothe, give shelter to those you want me to give shelter to, help me to be kind. I don't want to be a heartless person.

⇒. Generosity is not easy, it is an act of faith and love. Because to be generous means you give out lavishly.

•Father let faith arise in my heart so that I can be generous in showing kindness and mercy to people. Let strong faith unwavering faith arise in my life so that I can live a generous life to help people.

⇒. TOWARD GOD'S BUSINESS. The church, soul winning, discipleship, teaching and training of people is God's business on earth. We have to be generous to the workers doing the work of God because you cannot separate the work of God from the workers who do the work of God. It is not in the scriptures for the workers to take care of themselves whilst doing the work of God, because some people feel they are not the ones to support the workers of God's work.

•Father help me to give generously to support your business, to support everything and everyone involved in your business on earth. Father help me to give generously even with the little that I have. Put in me the mind to be generous, to support your business on earth, to support generously not grudgingly or being stingy, help me to support generously with everything I have, even with the little I have.

⇒. When God discovers that your heart has been turned into a heart of a giver then God will start blessing you. As He blesses you, you give, He continues to bless you. It is a transaction with heaven. It's all about your heart not about how much you earn or what you have because you cannot give the right way without God helping you to do it the right way. God blesses you so that you can give more not just to make you a millionaire for nothing.

•Lord put in me the heart of a giver such that I will always think to give from whatever I have. Lord I know it's not about what I have in my pocket or account but it is about my heart, Lord give me the heart of a giver so that I give continually all the days of

my life. So that I give for a good cause, for Kingdom purposes, to help lives and destinies, to help ministers and ministries. Give me oh God the heart of a giver.

⇒. Father, bless me lavishly, excessively because you know in my heart that I will use these blessings to support your kingdom purposes on earth. I surrender my life to receive your blessings, I open up my life to receive your blessings, I open up my bank account to receive your blessings because you know I will use them for your kingdom purposes. Bless me so that I can use those blessings to bless lives out there, bless me Lord Jesus to deliver people, bless me with riches and wealth.

VERSE 5-6

⇒. If you do things for the good of people not to oppress them, then evil will not overcome you and your work and name will be long remembered after you are gone.

- Father enthrone your righteousness in the works of my hands, in the source of my income, in business, in what I do for a living; I refuse to use the work of my hands to sponsor unrighteousness, darkness, evil or oppress people. Lord let righteousness reign in what I do for a living, help me to do everything I do rightly, for the good of people in the name of Jesus. Help me oh God to promote righteousness in everything I am doing for a living, help me to do it for the good of people. As I interact with people on a daily basis, Lord let your righteousness flow through me to them.

VERSE 7

⇒. When you hear bad news, how do you react to it? Do you allow the news to start weakening your faith and trust in God? Do you look at the news and say, praise the Lord I have Jesus?

- Father help me to trust you with the whole of my heart and life, help me not to be moved by the events of these last days. Lord help me to put all my trust in you and not in the government of my country, or my salary, or in what the scientists are saying or what people are saying, help me to put all my trust in you and not in the bad news around me. Lord help me not to be moved by what the enemy is doing in my nation and environment.

⇒. If you trust that the Lord will care for you enough, you will not go and borrow money or go into debt. The spirit of borrowing is the same as the spirit of slavery because the person you are owing, you become a slave to.

- Lord help me to trust you enough for my daily needs and remove from my life the spirit of borrowing, deliver me from the spirit of debt. Lord help me to trust you alone for my daily meals and all that I need, take away from my life the spirit of borrowing and debt.

VERSE 8

When you are living right with God you will be fearless and confident to face your enemies because you know your God is with you and will give you victory. There is

no battle meant to defeat you but you are meant to overcome every battle. Holiness is the strongest weapon in warfare, after that is the weapon of praise.

⇒. Father let holiness prevail in my life so that I live triumphantly all the days of my life, so that I am not afraid to face my enemies. Lord let your holiness prevail in my life so that I am not afraid to face my enemies and bring them down, so that I am always victorious in every battle and spiritual warfare. Lord let holiness prevail in my life, my spirit and my soul and lifestyle in the name of Jesus.

VERSE 9-10

⇒. As the righteous, you have influence and honour such that the wicked will envy you and will start reacting but they will not be able to do anything. Influence means you command the hearts of men, your life commands the hearts of men to listen to you, even your presence commands your people to listen to you, obey you, respect you and honour you.

•Father put upon my life, destiny, ministry, career, influence and honour for the manifestation of your greatness in my life. Place upon my life, career, business, calling, ministry, talent influence and honour, let my life command changes in the midst of men. Lord put upon me influence and honour so that I will lead people to you, teach people your ways, glorify you I, lead people to your Kingdom. So that I will do my ministry and calling the way you will be glorified, put influence and honour upon my life, Amen.

That thing the devil is doing in your life that is causing shame, disgrace, reproach, let that thing be removed and terminated forever in Jesus' name.

Every promotion that you are already due for, let the hand of God lift you up to that promotion in the name of Jesus. Every honour you are already due to have received, receive that honour right now in the name of Jesus. Your God, the King of Israel shall arise to fight for you now in the name of Jesus.

The almighty God, the all-sufficient God will arise to defend you now. God will arise and command justice concerning life, your case, your life.

Every oppressor that has been taking advantage of you, oppressing your life and destiny, let God arise and judge them right now in Jesus' name. The strength of your oppressors over your life is hereby broken permanently in Jesus' name. The power of your oppressors over your life is hereby destroyed permanently in the name of Jesus. I pull you out of every slavery the enemy has put you into, you are delivered now in Jesus' name. You shall not borrow in the name of Jesus. You shall not lack anything anymore in the name of Jesus. The all sufficient God shall bless you, He shall provide for your every need, your children shall not suffer but will be blessed in the name of Jesus. Thank you Lord because we know you have answered, blessed be your Holy Name, in Jesus' name it is done, Amen.

PRAYER POINTS

⇒. Father I love you with all my heart, with all my life. Bless me with your presence, bless my life with the fullness of your presence. Father, I love you with my whole life, with my whole being, oh God of Israel give me your presence. I want to be able to enjoy your presence all the days of my life. I want to be able to communicate with you and feel your presence at all times. I want to be able to hear from you, to receive from you revelations, strength, grace, victories and interventions because of your presence. God give me your presence for by your presence I will lack nothing and I will be enjoying the fullness of your presence. Lord bless me with your presence because I want to know you, I want to be able to touch you and you will touch me as well. I want to speak to you directly and you speak to me back. I don't want to worship you from afar or through any channel but I want to worship you directly. I want to feel you and I want you to feel me. I want to worship you in spirit, Lord bless me with the fullness of your presence. ***From today onwards, you shall begin to enjoy the glorious presence of the Lord in the name of Jesus.**

⇒. Father as you have blessed me with your presence, connect me with the power of your presence. Connect my spirit, my soul, body, life, career and situations; connect my whole being with the power of your presence. Lord let the power of your presence begin to work mightily in my life and let me begin to experience the

wonders of your power and miracles that come by your power in every day of my life. Connect my prayer life, my fasting life, my Bible reading time and my daily activities with the power of your presence, let me begin to walk in power and miracles all the days of my life in the name of Jesus.

⇒. You need to understand that the Christian life is a supernatural lifestyle. You have not been called to Christianity not to live a natural ordinary life but to live a supernatural and extraordinary life. You are called to a lifestyle of daily miracles, that is what Christianity is, that you live by miracles every day. Miracles have to be a normal thing to a child of God. There's a standard of faith that God is looking for in your life and then He will open up portals for daily miracles for you.

•Father, establish in me, in my heart a standard of faith that will connect me to the flow of unending miracles. Oh God, establish in my heart a standard of faith that will command miracles, signs and wonders in every day of my life, Lord let that faith be established in my spirit soul and mind in the name of Jesus. Such a faith that moves heavens, such a faith that produces mighty miracles here on earth, such a faith that makes my life supernatural not natural, Lord establish such a faith in my heart and life.

⇒. Miracles come from the presence of God that is why it is important for you to seek the presence of God at all times. You abide in His presence at all times, your hunger for His presence at all times. Miracles take form in God's presence and after they are formed then they are birthed from God's presence. I'm not talking about the mental presence but about experiential manifestation of God's presence where you feel it and know it without a doubt that God is here because it will be so real.

•Father, I seek for the visible presence of you, the experiential knowledge of your presence, oh God visit me and enable me to see and to know you, visit me and make me see and know your presence. Lord I seek for an experiential encounter of your presence, a real visible encounter of your presence. Lord visit me and enable me to see and know you as you come. Visit me and let me know you have come, visit me and bring me unto the knowledge of your presence, visit me and initiate me into your presence. Let my spirit, soul and body know that you have come, such a visitation that is as real as myself. Lord I seek for such visitation, for such experiential, visible presence that is real to my senses, Lord visit me.

⇒. There's an anointing that awakens you to the spiritual knowledge of God's presence. Most of you are more sensitive to the physical realm than to the spiritual realm that is why your faith is weak.

•Father, released upon me an anointing that will awaken me, that awakens my spirit, soul, and body to the realities of your presence, let it come up on me right now. ***Receive the anointing for revival, anointing that will destroy and swallow up spiritual deadness, let that anointing and fire come upon you. Anointing for awakening, anointing that sets your spirit free from limitations; receive it right now in the name of Jesus. Let your spirit man be awakened to know the spirit of the living**

God. Receive the anointing to be awakened to know your God with experience, receive it now in Jesus' name.

⇒. The key to enter into the realm of God's presence is in your mind. You do not have to attend a program or prayer meeting for you to feel or experience God's presence. A Christian is supposed to be in His presence all the time, you can always enter God's presence and the key is in your mind. What goes on in your mind on a daily basis? Until you are delivered in your mind, you will always have problems with the issue of God's presence.

•Father, deliver my mind, my soul from carnal mindedness, deliver my mind from the bondage of worldliness and flesh. Deliver my mind from the slavery of the flesh, let my mind be delivered. Deliver my soul from worldliness, deliver me Lord Jesus, let heaven prevail in my mind. Let the knowledge of God prevail in my mind above every other knowledge, let the faith of God prevail in my mind. Deliver me oh God from the slavery of the flesh and of sin in Jesus' name.

⇒. Your mind is the key to enjoying the glorious presence of God, the experiential presence of God. When it comes to your mind, it is a war to circumcise your heart. You have to fight in your mind so that you are always spiritual and this comes with discipline. You deny your flesh, you die to your flesh, you sacrifice because the kingdom of God says to live you must die to the flesh.

•Father, help me to be disciplined in my mind because I want to enjoy your presence. I want to be circumcised in my heart, help me to work this thing out. Father, help me to die to this world, to die to myself, help me to crucify my flesh. Lord, I need your help to die to this world, I need your grace to die to myself, to the passions of sin, passion of moralities, lust of the flesh. I am ready to work out my salvation, help me Lord Jesus.

⇒. Most times we deceive ourselves a lot in that we know that this weakness is what always brings me down spiritually but you willingly welcome your weakness which leads to your downfall spiritually. You know what you did and that thing leads to your downfall and you go to God and say God help me, instead of you stopping that thing because you have the power to stop that thing but you will commit and expect God to help you. You need to separate yourself from it and fight it, rather than walking into that weakness and expect God to help you. When you separate yourself from it that is when God will help you.

•Father, I am willing to detach myself from everything that I have embraced that is causing my spiritual downfall. Lord help me as I detach myself from every source of weakness and slavery, from every source of weakness and slavery, Lord help me to stand strong forever, help me to do my own part in living in purity, help me to do my own part in the name of Jesus.

⇒. The Lord is saying this is not the first time God will be telling you to separate yourself from weakness but you do not listen or follow the way the Lord wants you to follow.

•Place your right hand on your head. I come against every spirit of disobedience and rebellion that is making it difficult for me to do the right things God wants me to do, come out in the name of Jesus. You spirit of rebellion, you spirit of disobedience making it difficult for me to follow the ways of the Lord, come out of my life right now in the name of Jesus. Leave my life you spirit of hard-heartedness, stiffneckedness come out of my life in the name of Jesus.

⇒.It is in God's presence God will change your life. He will change you to the kind of person He wants you to be. You need to spend time with God if you want Him to change your life. You need to do what is expected of you for change to take place.

•Father, I am willing to spend time with you in your presence, as I spend time with you, let transformation take place, let it happen to me. Let me change to another man, and an extraordinary man, a supernatural man. As I give myself to spending time with you in your presence, Lord let transformation begin to happen to me, to my spirit soul and body. Lord begin to change me into that person you want me to be, change my mind, life, my mentality, way of life, and my way of thinking, change everything about me until I become the person you have been looking for. Change me to another person that will fulfill your purpose on earth.

⇒ . Father let your power visit me and deliver me from every limitation of darkness blocking my spiritual growth. Let your power come upon me right now and break in pieces the limitations of darkness on my spiritual growth. ***Let the power of the Holy Ghost come upon you and let limitations of darkness of the flesh, of powers and principalities against your spiritual growth and advancement, be broken right now in Jesus' name. Every limitation, break in pieces right now. It is time for you to grow, to advance in the things of the Lord, to advance in the things of the Spirit. It is the time for you to advance in the knowledge of God and His Kingdom, let limitations break now in the name of Jesus.**

⇒. Spiritual gifts are too expensive and we are supposed to give up everything to look for them. When you start considering the things of the kingdom of God far greater than the things of this world, that is when God God will begin to give you a lot of spiritual gifts.

•Father, help me to develop a hunger for spiritual gifts, grace that comes from your kingdom to hunger for the gifts and treasures of your Kingdom, help me develop such a persistent hunger for these things. Lord help me to give up everything for your Kingdom, help me to develop a strong hunger for the things that are in you, things in your kingdom, spiritual gifts and spiritual treasures. Help me to give up everything to look for these things and possess them, help me Lord Jesus.

⇒. Father let my eyes be opened to all that I am supposed to have attained in you by now, all that I am supposed to be in you so that I can pursue after them. Let my eyes be opened to see all that I am supposed to have become in you, open my understanding so that I can pursue them to attain them. Open my eyes to see and to know these things in Jesus' name.

⇒. Father every spiritual gift, ability and grace that is going to enable me to become the person you want me to become, the person I am to be in destiny, oh God release them upon me now. Lord release upon me divine grace, spiritual abilities to become the person I am in you, the person I am in destin, Lord release unto me the supernatural abilities I need to become that person.

⇒. There are supernatural abilities that every Christian should have. This is not about whether you are called or not but it's about what you should have to fulfill your destiny. For you to be able to fulfill destiny and be successful on earth, you need supernatural abilities, by having them you will be powerful so as to fulfill destiny.

•Father put in my spirit, my soul and my body the powers of the kingdom of God so that I can fulfill destiny at this time. Let the powers of heaven possess my spirit and enable me to fulfill my destiny here on earth. Lord put in me powers, abilities, authorities, and anointings of the kingdom of God, open up my body, put power; open up my spirit, put all the powers and abilities of heaven because it is time for me to fulfill my calling and destiny. Lord equip me with the powers of heaven and I shall fulfill destiny.

⇒. We have been so much deceived when it comes to angels, we talk a lot about demons and less of angels. The devil is trying to shut down your understanding of the realities of God's Kingdom, so that even pastors will not know the angelic realms of the Most High God. If you have a connection with Jesus, you automatically have connections with angels because Jesus is the Lord of hosts. You need angelic relationships. People are afraid to embrace the realm of angels because most feel it's impossible.

•Father put upon me the grace to be connected to the angelic realm of your Kingdom, angelic operations of God's Kingdom that I may receive great victories at this time. Lord put upon me the grace that will connect me to the realm of your angels that will give me great victories in my life, ministry and calling. Give me the grace that will connect my body, soul, spirit to angelic ministrations, angelic intervention, angelic visitations in the name of Jesus. Connect me to the realm of angels so that I'll be able to access all that you have for me in that realm.

⇒. Accessing the realities of God's Kingdom here on earth will not be possible without the ministry of angels because God works through the angels just as He works through men of God. In the invisible world realm He works through angels, in the visible world He works through servants of God.

•Father let your angels be dispatched to communicate unto me all that I need to receive from you at this time, Lord let your angels receive orders from you to deliver all that I need at this time, all that I need to know, to have, and possess; release them, command your angels to deliver them unto me. Divine packages, spiritual packages, physical packages that you have for me at this time, oh Lord, assign angels, order them, command them to come and deliver them unto me in the name of Jesus. Divine revelations that I need to see, everything I need to have, give it to angels and send them to come and deliver them to me in the name of Jesus.

⇒. Place your right hand on your head. Father let the fire of your presence begin to burn right now in my life, spirit, soul, and in my body until everything that is unclean is eradicated. Let the fire of your presence God burn in my body and let sickness and disease disappear forever. Let the fire of your presence begin to burn and destroy every unwanted thing, unclean thing, dark thing now in the name of Jesus, fire of God's presence burn right now in the name of Jesus, Amen.

CLOSING PRAYER

Raise up your line right hand.

King of kings, Lord of lords, Ancient of days we worship and bless you. We give you glory, honour, adoration and praises. Oh God of Israel, we say thank you for all you have done in this prayer session. Thank you for opening our eyes to see the things you want us to see. Thank you for how you have helped us, revived us, delivered us, healed us, blessed us, oh God be glorified forever in Jesus' name. Father, stand as your servant, as your prophet and priest over the lives of these ones because you have told me to bless them, you have raised me up to pray for them. I therefore decree in the name of Jesus, that fire fall from heaven and begin to locate everything the devil has done successfully in your life. Everything the devil has done successfully against you, let fire fall and begin to find those things and consume them, let fire fall and begin to destroy those things one by one in the name of Jesus.

Every wickedness of the kingdom of darkness that has been done against the fulfillment of your calling and destiny, ministry; let the fire of the Holy Ghost consume such wickedness right now in Jesus' name.

By the reason of the anointing of God upon my life and by the reason of the authority of God upon this ministry, I open up your life, spirit, soul and body to the realities of God's Kingdom. All that has been hidden from you, from God for many years, from today they are now open to you in Jesus' name. You shall no longer be ignorant of the things you're supposed to know as a child of God, or the things that belong to you in God's Kingdom as a child of god and so shall it be in the name of Jesus.

Every corruption of darkness that has happened in your spiritual person and physical person, let the fire of God visit that corruption and destroy them all in the name of Jesus. Every error and oppression that has happened to your spirit making your spirit not to function the way God created it to, let the fire of God correct that error in the name of Jesus. Everything that the devil has done successfully against you to limit your rising, your manifestations in destiny, let such a thing begin to fail from now henceforth in Jesus' name.

I cut off every hand of darkness upon your life by the sword of the Lord, the hand of darkness upon your life is cut off right now in the name of Jesus.
You shall excel in the name of Jesus. You shall succeed in the name of Jesus.
Greatness shall be given unto you. All the things people hardly become great in, you will become great in them in the name of Jesus. You will make it, you will succeed, you will fulfill destiny in the name of Jesus.

Confusion and deception shall be far away from your life; slavery, affliction suffering, poverty, shame, shall end in your life in the name of Jesus and so shall it be.

I pronounce every sickness and disease, come out of your life in the name of Jesus. I declare that they are gone from your life and I pronounce you healed now in Jesus' name, according to your faith, you are healed in Jesus' name. Thank you Father, blessed be your Holy Name, in Jesus' mighty name it is done, Amen.

Thank you because you will lift me up to the place of honour and great glory, thank you because you will do this by yourself.

DELIVERANCE PRAYERS

⇒. The Lord has revealed to me that there is a need for separation in our lives whereby light is separated from darkness. The things that are God's must be separated from the things that are not God's in your life. God wants to do separation from whatever that has mixed with your life which is not supposed to be there.

•Father release your fire to work mightily in my life, oh God let the heavens open and let your fire fall to do a mighty work in my life right now. Oh God of Israel, let the heavens open as in the days of Elijah and let fire fall right here, right now to do mighty works in my life. Holy Ghost release your fire, Ancient of days send down fire right now in the name of Jesus. Fire for deliverance fall right now, fire from heaven come down now.

⇒. There is a fire that burns inside of you as a Christian. Jesus came to baptize you with the Holy Ghost and with fire. There is also a fire that burns in you and then there is also an intervention of fire from heaven for victories and deliverances.

•Lift up your right hand. Father let your fire fall and begin to consume every property of darkness in my life, everything not of your Kingdom. Fire from heaven, come down

right now and begin to destroy every property of Satan now, everything not of God, fire of the Holy Ghost consume them right now in the name of Jesus. Whatever is alive in my life that is not of God, let fire fall and consume them all in the name of Jesus. Whatever is moving and operating in my life that is not of God, let fire fall right now and consume them all in the name of Jesus Christ.

⇒. Raise up your right hand. Father let your fire fall upon every darkness, dark operations prevailing in my environment, let your fire consume them all. Lord let your fire descend upon every darkness and operation of darkness in my environment, let them catch fire. In the building I am living in, in the community, in the streets and environment of my dwelling place, in every room in my house, let your fire begin to consume such darknesses.

⇒. Place your right hand on your head. Lord Jesus let your fire disconnect my life and destiny from every communication and interaction with evil. Lord Jesus disconnect my life, my calling, destiny, ministry from every connection interaction with evil right now. Every connection that my life has with evil, let fire break that connection right now in the name of Jesus. Every connection my destiny, my life and calling has with evil, let fire break that connection; let there be separation by fire. Let my life and destiny be disconnected from every flow of evil. I disconnect my life and destiny from every interaction with evil now in the name of Jesus.

⇒. Place your right hand on your head. Father let every plantation of darkness that has been growing in my life for many years and causing evil to prevail in my life, let your fire uproot them now in the name of Jesus. You demonic plant that has been growing and prevailing in my life, spirit, soul and body for many years, right now the fire of the Lord is here, let fire uproot you right now. You demonic plants that have been growing and spreading roots in my life, today is your end. Let the fire of the Holy Ghost uproot you forever right now in the name of Jesus.

⇒. Place your right hand on your head. Father let your fire manifest upon me right now and roll off every demonic covering upon my life that has been blocking me from success, breakthroughs, prosperity and possessing my possessions for many years. You demonic covering upon my head, spirit, soul that has been blocking me from success, progress, from receiving favour, from receiving blessings for many years, tonight is your end, let fire remove that covering right now in the name of Jesus, let fire consume that covering right now in the name of Jesus.

⇒. There's an evil that has been poured upon your life and it has penetrated deep into your life. This same way this evil came upon you is the same way the fire of God will penetrate inside of you to destroy all those evils.

•Raise up your right hand. Father let your fire fall upon me right now and trace every evil that has sunk deep into my life and begin to destroy them from their roots right now. Let fire fall right now, fire of the Holy Ghost fall upon me, my body, soul and

spirit and let every evil that is entered into the depth of me be destroyed from their depth right now in the name of Jesus. Every evil that came upon me and entered into the depth of my life, of my being, let the fire of God fall upon me, trace them and destroy them all right now in the name of Jesus.

DELIVERANCE OF THE BODY

⇒. Place your right hand on your head. Father let your fire manifest upon me right now and begin to destroy every darkness that has combined itself with the cells of my body, let your fire destroy them. Every darkness that has mixed itself with each cell of my body, let the fire of the Holy Ghost begin to consume them all now in the name of Jesus. Let fire begin to flow in each cell of my body system, each cell of every organ of my body and let fire flow and consume every darkness that has possessed the cells of my body, let fire consume them all in the name of Jesus. ***Let the fire of the Holy Ghost manifest upon your body right now and let every darkness that has mixed up with your body, your cells, let them be consumed by fire right now. Every unclean thing, unholy thing, that thing that has merged with your body system for evil, let them be consumed by fire in the name of Jesus.**

⇒. There are operations of darkness that makes the body malfunction. Not all diseases have natural origin, some have spiritual origin because the devil attacked you to cause your body to start malfunctioning.

• Raise up your right hand. In the name of Jesus, I come against every darkness attacking my health to cause my body to malfunction, let fire arrest and consume them right now in the name of Jesus. ***Every darkness attacking your health to cause your body to start malfunctioning, let the fire of the Holy Ghost arrest them now and destroy them now in the name of Jesus. Every darkness from the second heaven, under the sea, marine kingdom, hellfire, from the grave that has been sent against your life to cause you to be sick and your body system to malfunction and misbehave, let the fire of the Holy Ghost arrest and consume them now in the name of Jesus.**

⇒. In the name of Jesus I come against every opening and portals of darkness through which evil is entering into my life body system, flowing into my body system, let fire manifest and close them up right now forever. Every opening, every portal of evil through which evil is flowing into my body system, let fire manifest and close them up forever now in the name of Jesus. Every portal causing evil to enter into my body through my dreams, let fire close them off forever in the name of Jesus. ***Every portal of darkness, witches and wizards, marine spirit, spirit spouses, demons, witch doctors, witchcraft; through which evil is flowing into your body system and life, let fire manifest and close them up forever right now in the name of Jesus.**

⇒. You need to understand that some of the weaknesses you feel in your body are not normal weaknesses or tiredness but are demonic. Because you are not sensitive, you feel it's not normal, let me just rest. It's not about rest because there is

a demon behind it especially when you have to do something very important to your spiritual growth and destiny and you all of a sudden become very weak.

•Raise up your right hand. In the name of Jesus I come against every demon and demonic personalities that are fueling weaknesses in my body system, let fire manifest and consume them all. Every demon and demonic creatures sponsoring weaknesses in my body system, causing me to be weak when I need to be strong, let fire consume them all now in the name of Jesus. ***Every dark creature that are fueling weaknesses in your life, promoting weaknesses in your body system, let fire manifest and destroy them all right now in the name of Jesus.**

⇒. Your body is the temple of the Lord which means God has a lot to do with your body as much as he has to do in your soul and spirit. God manifests Himself in physical form in your body, that is why the devil makes sure that God does not find a place in your life because of sin. Jesus Christ died young so that he will continue to live His life through us Christians. Jesus came upon us in the Holy Ghost, Jesus is in the Holy Ghost and wants to live through us, that is why your body must be spiritual enough to manifest Jesus to the world. Your body is the point of manifestation of Jesus on earth for the world to see Him though He also manifests in the spirit and soul. The devil attacks our bodies to limit the manifestation of God through our bodies. That is why you have to be mindful of how you dress, how will Jesus manifest Himself through a half naked body?

•Lord Jesus arrest and destroy every demon that is trying to use my body to manifest. Arrest and destroy every unclean spirit, negative spirit that is trying to use my body to manifest, my body belongs to you. Every power, spirit, darkness, devil trying to use my body system, emotion to manifest, to carry out its evil purposes; Lord arrest them now and destroy them. Every devil trying to possess my body and use my body to manifest, let fire fall and consume them all in the name of Jesus. Every marine spirit trying to manifest through my body, every power trying to use my body to carry out demonic manifestations, let fire consume them all in the name of Jesus. My body is not a home serpents and scorpions, my body belongs to you Lord Jesus and not to devils, my body is the temple of the Lord, I give my body to Jesus. My body does not belong to any other spirit, sin, demons, or to the kingdom of darkness, my body belongs to the kingdom of God, it only belongs to Jesus.

⇒. Jesus wants to manifest in your eyes. How do you use your eyes, your hands, your feet or how do you dress? Your body has to be an instrument of righteousness not an instrument of unrighteousness. Your body is so important to the glory of God that wants to manifest in and through your life. Whoever tells you your body is not important to God, that person, pastor or preacher is an agent of hellfire and not an agent of heaven.

•In the name of Jesus, I give my body over as instruments of God's instrument of righteousness on earth. Every part of my body, I give you over as instruments of God's righteousness. My body shall become a slave to righteousness, my body shall surrender to righteousness, holiness, to the fear of God in the name of Jesus. My

body, I give you over to the Lord Jesus, I give you over to serve Jesus, to serve God and the righteousness of God. My body shall not seduce people, I withdraw my body from seduction. I give my body for holiness and righteousness, I give my body to attract people to Jesus, to manifest the glory of the Lord, to win souls unto the kingdom of God. I give my body for use, to God and His angels.

⇒. The reason why servants of God lay hands on you when praying for you is because your body can communicate with your spirit and destiny. Anything that touches your body can directly touch your spirit instantly and instantly can have an effect on your destiny. Your body is more spiritual than physical, it is only because men fell in the garden that now the body rules and now men are more conscious of the body than of your soul and spirit. It is the fall of man that made the body seem like it does not have anything to do with righteousness or know God. Talk to your body, it can hear; it is spiritual by origin.

•Father let everything in my body begin to surrender to the dictates of the Holy Spirit. Everything in my body, every part of my body, my stomach, desires begin to surrender to the Lordship of the Holy Spirit from today onwards. Let my body fall under the leadership of the Holy Spirit, let it fall under the rule of the Holy Spirit from today onward in the name of Jesus. You my body, from today you shall be ruled and controlled by the Holy Spirit. Everything in my body; my feelings, emotions, mentality, mindset, psychology, you shall from today be ruled by the Holy Spirit. All the passions of my body, desires of my body shall from today be ruled by the Holy Spirit in the name of Jesus.

⇒. Raise up your right hand. Lord Jesus put a divine mark on my body from today that will make me untouchable to every attack of the enemy, that will make me inaccessible to any darkness whatsoever. Oh God of Israel put a mark on my body that will make me untouchable to every arrow attack, a mark of protection, a mark that will keep saying "touch not this one, touch not my child" a mark that will make me untouchable to the kingdom of darkness, put that mark upon my body now in the name of Jesus. A mark that will make no darkness, no pollution, no corruption or evil be able to enter or penetrate into my body. Let that mark appear upon me in the name of Jesus.

SOUL

⇒. Raise up your right hand. Father let your fire manifest in the control rooms of principalities where my soul is being manipulated for evil, where my heart and mind is being controlled for evil and let your fire deliver me, let your fire authorise my deliverance right there in their control rooms. In the name of Jesus, let fire manifest in the control rooms of principalities where my soul and mind is being controlled for evil unrighteousness and ungodliness, every control room that principalities are using to control my soul against righteousness, let fire manifest right there for my deliverance in Jesus' name.

⇒. Principalities are very much advanced, if they are going to attack you, they will attack you directly which is different from the way other personalities in the kingdom of darkness attack. Principalities use your weakness against you, they will look deep in you and if there is anything that belongs to them in you (which are your weaknesses or sinfulness) once they find a weakness in you then they have won. That is why when the devil discovers you are becoming a threat to his kingdom, you're becoming strong in the spirit, he will start attacking you from the realm of principalities that is why there must not be a weakness in your soul. That is why you see powerful ministers fall by just committing fornication, anger; all principalities needed to pull them down was just something so small (weakness) and once he is defeated in that area, he is gone and can never rise again.

•Father every weakness in my soul that the principalities are using against my relationship with you, against spiritual purity, spiritual growth and advancement, oh God let your fire uproot that weakness from my soul, let your fire deliver me from that weakness. Every weakness deep down in my soul, every weakness that the princes of darkness are using for my downfall, oh God of Israel let your fire uproot them (anger bitterness pride, lust love of money hatred). Lord let your fire destroy them now in the name of Jesus. Deliver me Lord Jesus by fire from every weakness deep down my soul.

⇒. The soul is the central point of salvation because the soul controls your life and destiny, your body and spirit. Your soul determines what happens to your body and spirit. You can be born again but if you die in sin you cannot make it to heaven, so you need God to continually save your soul.

•Lord save my soul, let me end with you till the end. Lord I do not come to you because I want to only enjoy my life here physically but because I want to make heaven, I want you to save my soul. Oh God save my soul from eternal destruction, from eternal damnation. Lord, I don't want to lose my soul to the devil, I do not want to lose my soul to eternal destruction, please save my soul and let me make it to heaven at the end. Help me Lord Jesus, save my soul till the end, save me Lord Jesus I want to make it home. Enrich me with enough grace that will make me reach home.

NB: Your soul is so precious to God that He had to send Jesus to die such a shameful death to save your soul. Do not joke with your soul. The Lord ministered to me saying that there are some souls which cannot be saved anymore because they have already gone too deep into darkness. They have been so deep in darkness such that they cannot repent because they have been damaged and their souls are beyond salvation. These people have known God, enjoyed the presence and pleasures of God's Kingdom but they turned their back on God, the Bible says it is impossible for them to come back. The deeper you go in darkness, the more impossible it comes for you to come out. Some people have had so many warnings

and corrections from the Lord but they ignored Him and continued following their selfish sinful lifestyles and got to a point where they cannot come back anymore to the Lord. The soul can be so damaged that it cannot be saved anymore, because your soul is very fragile you shouldn't joke with it. When your soul becomes so dark beyond redemption it means you will be lost forever and it will be sad not to find you in heaven because it shows you did not listen to all that I have taught you.

CLOSING PRAYER

Raise up your right hand.

Father we thank you because you are a faithful God. We thank you for all that you have done for us in this session of prayer. We thank you for the deliverances, for breaking in pieces chains of slavery, chains of captivities. We thank you for how you have visited us, thank you for this surgery you did in our body systems, souls and spirits. Oh God be praised forever in Jesus' name.

Lord I present before you everyone under the sound of my voice. Lord I ask that you cause your face to shine upon them. I decree upon everyone of you that the Lord shall cause his face to shine upon you in the name of Jesus. As the brightness and countenance of the Lord manifest upon your life, every limitation, ancient limitation, long-standing limitation upon your life shall break in pieces forever in the name of Jesus.

You shall not fall but you shall rise and continue to rise in the name of Jesus. Every stumbling block and trap that the devil has set on your way to bring you down from places God has already blessed you in, I decree those stumbling blocks and traps are uprooted and destroyed right now in Jesus' name.

The Lord shall become your light in the name of Jesus and you shall no longer live in darkness in the name of Jesus. Everything that has been hidden to you for a long time and that thing is so important for you to see and know them, as the Lord manifests Himself upon you, your eyes shall be opened and you shall begin to see them in the name of Jesus. You shall no longer be ignorant of what God is saying concerning your life in the name of Jesus. You shall no longer be ignorant of what God wants you to do for Him at this time in the name of Jesus.

The blessings of the Lord shall catch upon you in the name of Jesus. The blessings of the Lord shall become realities in your life henceforth in the name of Jesus.

The Lord shall turn around your negatives into positives in the name of Jesus. The Lord shall turn around all that the enemy is doing against you and He will give you

great success and prosperity, and victories in the name of Jesus. Thank you Father because we know you have answered these prayers.

I ask oh God that the deliverances you have done in the lives of your people tonight, Lord let it remain permanent in the name of Jesus. Every power of darkness that wants to draw you back into captivity shall fail in the name of Jesus. Thank you Lord Jesus, in Jesus' mighty name we have prayed, in Jesus mighty name it is done, Amen.

25 FEBRUARY 2021

PRAYER POINTS

⇒. Father, thank you for caring so much for me, thank you for your love. Thank you for providing for me, for meeting me at the point of all my needs. Thank you Lord for taking good care of me, for preserving me. Lord I thank you for being a caring Father, thank you for caring for my soul, body and spirit. Thank you for feeding me with each food everyday of my life, thank you for daily bread, for preserving me from destruction, for stopping sicknesses or diseases and viruses from catching up with my life. Thank you for preserving me from the arrows of destruction, for defending me against forces of darkness which are stronger than I.

⇒. Place your right hand on your head. In the name of Jesus, I bind every spirit injecting negative thoughts, unclean thoughts, ungodly thoughts, unrighteous thoughts into my life, I bind you and cast you out of my life. You spirits projecting demonic and satanic thoughts, negative and evil thoughts into my heart, thoughts of fear, thoughts of unbelief into my mind, I bind you right now and I cast you out of my life forever in the name of Jesus, be bound right now in the name of Jesus because it is written that whatever I bind on earth shall be bound in heaven, therefore every spirit and demon projecting unrighteous, ungodly thoughts into my heart and mind, I bind you in the name of Jesus and I cast you out of my life forever in Jesus' name.

⇒. Place your right hand on your head. In the name of Jesus, I come against every darkness controlling my decisions against the will of God, making me to take decisions contrary to the will of God for my life, let fire arrest and destroy them right now. Let fire arrest and destroy every darkness influencing my decisions to go contrary with the mind of God for my life. ***Every darkness that has attached itself with you, your life, your soul to ensure that you do not make the right decisions, let the fire of God permanently detach such darkness from your life right now in Jesus' name.**

⇒. It is in the realm of the soul that you can know God and hear from Him, though God speaks from your spirit but it is in the soul that you hear from Him. Every transformation or good thing that will happen to your spiritual life will happen in the

soul. Usually when the knowledge of God comes into your mind you are supposed to believe or embrace it but somehow there are things that the devil has done in people's souls such that they do not want to know God and reject the knowledge of God. They consider the knowledge of God to be foolishness, when God is trying to share His mind with their minds.

•Raise up your right hand. In the name of Jesus, I come against every power of darkness that is turning the knowledge of God into foolishness in my soul, let the fire of God arrest and destroy them. Every power of darkness that is making my soul to reject the knowledge of God, let fire consume such spirits, let fire destroy such power. Lord, deliver my soul from every darkness that is turning the knowledge of God into foolishness in my life. Every darkness that is making me consider the things of God as valueless, let such darkness catch fire right now in the name of Jesus, deliver my soul from such darkness.

⇒. Most of the battles coming from the kingdom of darkness are stronger in the soul than other aspects of our lives. Although the devil attacks marriages, finances, health, career, calling and ministry but his attacks are more stronger in your soul. You need the help of God to win the battles in the soul.

•Lord Jesus, reveal the greatness of your power in my soul and deliver me from every battle going on in my soul. Reveal the greatness of your power in my soul and defeat every battle going on in my soul and give me victories over them all. Every battle contending with my soul from the kingdom of darkness that wants to enslave my soul, oppress my soul, possess my soul, oh God arise from within my soul and defeat them all right now in the name of Jesus. Reveal your greatness in my soul and deliver me.

⇒. Hebrew 4:12, the Word of God is like a sword and it wants to prevail inside your soul. Many of us only read the Word of God, the Bible and the Bible has not prevailed in your soul. It has not changed you. The Word of God is meant to transform you and change you to another man.

•Place your right hand on your chest. Lord Jesus let your Word pierce through my soul and prevail in my soul from today onward. Let your Word change me. Lord your Word is fire, it is power, your Word is like a sword, oh God let your Word pierce through my soul and begin to change me, deliver me right now in the name of Jesus. Lord let your living Word begin to work in my heart right now and transform me and change me.

⇒. The word of God is a discerner of both the thoughts and intentions of the heart, this means the Word of God carries a judgement power to divide the soul from the spirit. Most of us who we are in our spirits are not who we are in our souls, the real you (that is Christ like). Who God wants you to look like is in your spirit; your personality, identity in Jesus is in your spirit. Your soul is always against your spirit, because your soul is always carnal. So the Word of God judges those things which disagree with the Word of God in you.

•Place your hand on your chest. Father let your Word prevail in my soul and judge my soul, let your Word begin to reveal to me how much I need to let go, to separate from my life. Let your Word begin to reveal the wickedness in me, the darkness in my soul, expose and reveal them so that I can deal with them. Lord let your Word begin to work in my heart, within my heart and reveal every unrighteousness, uncleanness, false teachings, lies that I have embraced and everything I have held so close to me that is against your will, let your Word begin to expose and reveal them all right now. Let your Word begin to judge and expose every darkness until I get rid of them all.

⇒. There are wicked and dark things which are deep inside your soul that you don't even know and that is what the devil is banking on to bring you down. Those things are waiting for the right time to come out and disgrace you.

•Father search deep down in my soul and heart and permanently uproot every hidden darkness, wickedness, unrighteousness, lust, pride, anger and rebellion inside my soul. Oh God of Israel, by your fire search deep down in my soul of every wickedness, pollution, corruption unknown to me and begin to uproot them now in the name of Jesus. Search deep down my soul and deliver me Lord Jesus.

SPIRIT

⇒. FOR THIS SET OF PRAYERS FOR THE SPIRIT, YOU NEED TO BE STANDING UP RIGHT THROUGH, IF POSSIBLE. Raise up your right hand. Father let your wind blow upon my life, my spirit and eradicate everything that you do not want in my life, let your wind blow them away. Let your wind blow away every uncleanness, pollution and whatever you do not want in my life. The wind of deliverance, blow right now in the name of Jesus and let everything not of God be blown away. Everything in my life, my spirit, inside and outside of me that is not of God, not found in Jesus, the wind of the Holy Ghost, blow them away right now in the name of Jesus. ***Let the wind of God begin to blow right there where you are and let everything that is sitting, crawling, and walking in your life not of God, let the wind of God clear them all away from your life right now in the name of Jesus.**

⇒. The realm of your spirit is where demonic transactions take place. This is where the devil introduces things into your life, whereby they take good things out of your life and plant bad things into your life.

•Raise up your right hand. In the name of Jesus, I come against every demonic presence that is initiating demonic transactions in my spirit. Every influence of darkness causing me to lose good things, taking away good things from my spirit and introducing evil things in my spirit, let the fire of God consume such presence of darkness, let the fire of God destroy such influence of darkness in the name of Jesus. I come against every influence of darkness on my spirit causing virtues, good things to leave my spirit, my life and evil things to enter my life, let that influence be consumed by fire. Let the fire of God consume them.

⇒. In the name of Jesus, let the fire of God create a standard to stop the flow of evil from entering into my spirit. Let the fire of God become a standard to stop permanently every evil assigned to enter my spirit. Let the Holy Ghost become a pillar of fire to stop every darkness that is trying to enter into my spirit, let the fire stop every evil flow trying to penetrate into my spirit from today onwards. Let the flow of evil be permanently terminated by the fire of the Holy Ghost in the name of Jesus.

⇒. There are some evils registered in the realm of the human spirit to manifest in the future. Your human spirit can carry a sickness that has not yet appeared in your body but meant to appear sometime in the future.

•Raise up your right hand. In the name of Jesus, I come against every evil that has been registered into my spirit, every sickness, disease, untimely death registered in my spirit to manifest in future, right now let the fire of God remove them from my spirit. Every evil registration, evil programming done on my spirit to appear at a future time, be permanently uprooted by fire right now in the name of Jesus.

⇒. Your human spirit is that part of you that connects you with heaven, with divinity that is why we are supposed to live in the spirit all the time. To live in the spirit is whereby you allow your spiritual person to lead or be in charge and not your carnal person.

•Father, disconnect my spirit from any partnership, involvement and agreement with the world and connect my spirit with heaven, connect me to your presence always. Lord detach my spirit from the world system, from the realm of the world and let my spirit be practically connected with the realm of heaven. In the name of Jesus, I disconnect my spirit from partnership with the world, partnership with carnality and I connect my spirit with the kingdom of God with heaven, with the presence of God in the name of Jesus.

⇒. Your human spirit is highly connected with your destiny; it is where the fulfillment of your destiny will be determined. From the day you were born everything you are going to become is in your human spirit. Everything has been registered by God in your spirit, the people you are going to meet, your helpers, those who will lift up your life; it is in your star, it is all in your spirit. If anything goes wrong with your spirit it will automatically affect your destiny, that is why you should take your spiritual life seriously. Whatever you become in your spirit is what you will become in your destiny.

•Raise up your right hand. In the name of Jesus, oh God arise and correct every error that has happened in my spirit, every damage that happened to my spirit that is affecting the fulfillment of my destiny, oh God arise and heal me, arise and restore me. Every error, damage, and wound in my spirit that is affecting the fulfillment of my calling and destiny, oh Lord of hosts arise and heal my spirit, arise and correct, arise and restore me now in the name of Jesus.

⇒. In the name of Jesus, I receive deliverance from every spiritual prison holding my spirit captive. I receive deliverance from every spiritual prison holding my spirit man captive, I receive deliverance by fire. I receive deliverance right now by fire, I receive deliverance from every prison of darkness, every prison of witchcraft holding my spirit captive. I receive deliverance now in the name of Jesus!! I receive deliverance, let my spirit man be released now from every spiritual prison it has been caged in, let my spirit be freed in Jesus' name!

⇒. Your human spirit can be dead

When it is dead, it means you are not alive to God, you can't feel the Holy Ghost or the presence of the Holy Ghost, you can't hear and receive from God. You will be disconnected from God's presence or God's Spirit. Maybe that is why you have been having demonic dreams because demons are in the realm of death and in the realm of life you have a light, because that's where God is. Maybe your spirit needs to come alive; it needs to be revived for you to stop having demonic dreams.

•Place your right hand on your head. Father let your fire enter into my spirit and set my spirit on fire, set my spirit man on fire and let spiritual death catch fire, let spiritual death disappear and let my spirit man come alive right now in the name of Jesus. Let the fire of the Holy Ghost enter into my spirit right now, let fire enter into my spirit and begin to destroy every deadness now, let my spirit come alive in the name of Jesus.

***Let the fire of the Holy Ghost enter into your spirit right now and set your spirit on fire, let your spirit man receive revival in the name of Jesus, let your spirit man receive awakening to know the Lord in the name of Jesus.**

⇒. It is in your spirit man that your spiritual abilities are. Spiritual abilities are found in your spirit man and there are spiritual abilities that should be manifested in the life of every Christian. The ability to hear the voice of God, to be sensitive to the realm of the spirit, the ability to discern what is going on in the realm of the spirit. Most of us are more conscious of what is going on in the physical realm than in the spiritual realm and that is a limitation in your life because there is more in the realm of the spirit than in the physical realm. You need the abilities to see into the spiritual realm, to hear what the Lord is saying, ability to know things without anyone teaching you or telling you, to discern the kind of operations going on in your spiritual environment, these abilities should come alive.

•Place your right hand on your head. Father every spiritual ability of my spirit that is dead, Father let them come alive right now by fire. Every ability of my spirit man that is dead, come alive by fire, come alive now in the name of Jesus. Ability to see in the spirit that is dead, come alive and begin to function with full functionality. The ability to discern the realm of the spirit, the operation going on in the spirit realm, let that ability be awakened now in the name of Jesus. The ability to speak utterances of the spirit, languages of the spirits come alive in me right now in the name of Jesus. The ability to hear what is coming from the mind of God, to hear the voice of God, to hear conversations in the realm of the spirit, come alive now in the name of Jesus. ***From**

now henceforth, I command all your spiritual abilities to come alive now in the name of Jesus.

⇒. It is by the spirit that you have fellowship with God because fellowship with God is beyond a physical thing. Fellowship with God is a spiritual thing. There are some churches whereby everything is up to standard but spiritually something is wrong in the spiritual atmosphere of that church. When we fellowship with God we do it by the spirit, when we fellowship with other members in church we do it also by the spirit.

•Father put upon me the grace to fellowship with you by the Spirit, the grace to communicate with you by the Spirit not just by my physical voice or words and mind but by my spiritual person. Lord give me the grace to walk with you with my spirit, by my spirit; the grace to be able to touch you in the spirit and know that I have touched you in the spirit. The grace to be able to connect with you by my spirit, to be able to draw from you by my spirit, to worship you by my spirit, Lord put that grace upon me.

***Receive the grace right now in Jesus' name.**

⇒. We serve God by our spirit not just by our physical body alone. Though we use the body, it is our spirit that does the service. When you serve God in the spirit you will know when you have served correctly or not because the spirit does not lie, your soul can lie but never the spirit.

•Father, help me to walk with you and serve you correctly, help me to do everything you've called me to do the way it should be done. Help me to serve you in the spirit, to serve you with purity of heart, mind and spirit. Help me to do the things you want me to do, the way you want them done, program my spirit to do the work you've called me to do correctly, help me to serve you correctly by my spirit.

⇒. Raise up your right hand. Father, raise me up to the place of dominion and authority and power that you are in heaven. Raise me up to that level of dominion and power and let me begin to operate from the heavens. Lord raise me up to sit with you in power, authority and dominion, put me at that level, raise me above principalities and powers, lift me oh God in the spirit and raise me over every witchcraft, dominion and forces, over powers, spiritual wickedness, in the name of Jesus. Lord put me in that level where you rule from, let me share in your authority, enable me to rule, operate and pray from the third heaven. Let me be above all the witchcraft forces fighting my life and destiny, over every power oppressing my spirit, raise me above them all in the name of Jesus.

GENERAL PRAYERS

⇒. When you operate from heaven and not from this earth, you are above all systems of the world, above rulers, powers, principalities, governments, thrones, and witchcraft. As a Christian you are not supposed to pray from the earthly realm but from the heavenly realm.

•Father put up on me the grace to operate, live, pray, rule, to dominate from heaven; I refuse to live as a human being, I choose to live as a son of God, I refuse to live like an ordinary man but I choose to live like a divine being. Oh God put upon me the grace to live from heaven, operate from heaven; sing, pray, fight, and dominate from heaven. Lord put upon me that grace because He that is above is above all. If Jesus is the risen, I am risen with Him, if Jesus is sitting at the right hand of God, I am seated with Him, therefore I win from heaven in the name of Jesus, I dominate from heaven, I fight from heaven and I prevail in the name of Jesus. Lord give me the grace to ascend where I belong in the kingdom of God, to rule from your heavenly presence.

⇒. Father, empower my light to shine with great strength, to prevail over the darkness dominating this age. In the name of Jesus, my light receive power to shine and prevail over the darkness that has filled the earth at this time, to prevail over the evil that is dominating the world at this time. Father empower, strengthen my light, give my light great fuel to rise above limitations and prevail against all forces of darkness. Oh God of Israel, let my light become so great that no darkness can stop it, let my light receive fire, power and anointing to shine so great that no darkness will be able to stop me, Lord help my light to shine.

⇒. Father let your hand be stretched forth to terminate curses and covenants promoting and sponsoring failure in my life, let your mighty hand go forth right now and terminate them all. Every curse, covenant of darkness causing failure to prevail, blocking success, swallowing up success and breakthroughs, good things, favour, promotion in my life; let the hand of God be stretched forth right now and let the hand of God terminate them all in the name of Jesus.

⇒. In the name of Jesus, I pull down every building and establishment that is existing in the realm of the spirit to stop my establishment in the physical realm, I dismantle them right now in the name of Jesus. Every demonic structure, building and establishment that is stopping my physical establishment, stopping my establishment in destiny, ministry, and calling; I pull them down in the name of Jesus. Every establishment in the realm of the spirit stopping my financial establishment, career establishment, I pull them down right now in the name of Jesus.

⇒. Every agent of Satan that has been sent out on assignment to cause the downfall of my life and destiny, let the judgement of God catch up with them, let the judgement of God stop them and permanently terminate their missions. I come against every agent of satan, demonic creatures, satanic agents that has been sent on assignment to cause the downfall on my ministry, life, and career, let the judgement of God catch up with them right now in the name of Jesus and let the hand of God terminate such demonic mission in the name of Jesus. Such a mission is permanently terminated right now in the name of Jesus.

⇒. Place your right hand on your abdomen. Fire of the Holy Ghost, pass through my abdomen, pass through my intestines and destroy every hidden poison of darkness, flush out every hidden poison of darkness. In the name of Jesus, let the fire of the Holy Ghost begin to move through my belly, through my abdomen and begin to destroy, consume, flush out, and terminate every poison of darkness. Poison of witchcraft in my belly, let the fire of the Holy Ghost flush them out right now in the name of Jesus. ***I decree over your life, wherever evil is hiding or locked up inside of your belly, let the fire of the Holy Ghost remove such evil now in the name of Jesus.**

⇒. In the name of Jesus, I received the weapon to conquer the stubborn enemies of my destiny, I receive the strength, the power, weapons of war to conquer stubborn enemies of my life calling and destiny. In the name of Jesus, I receive authority, fire, powers to conquer and dominate stubborn enemies of my life, calling, and ministry right now in this hour. I receive the power, I receive the fire, I receive the weapons of war, I receive angelic weapons of war, I receive weapons of mass destruction from heaven, I receive weapons to defeat and conquer every enemy of my life, calling and destiny. I receive the power to defeat them all in the name of Jesus!

⇒. Lift up your right hand to heaven. In the name of Jesus, I come against every kingdom of darkness in the heavenly realms controlling the affairs of my life and destiny for evil, let the anger of God descend upon them right now and destroy them all. In the name of Jesus, let fire fall, let the anger of God descend upon every kingdom of darkness in the second heaven, heavenly places, kingdom of principalities, kingdom of witches and wizards, rulers of darkness, kingdoms in the demonic world controlling the affairs of my life for evil, let fire with anger of the Most High God descend upon them and begin to waste them, begin to consume them. I come against you forces of darkness in the second heaven, I come against you territorial powers and rulers of darkness in the heavenly realms, in the firmament I declare right now, let the anger of God and the fire of God descend upon you and begin to waste your kingdom, your powers and operations in the name of Jesus. Anger of God, fire of God consume them all now in the name of Jesus. ***Let the anger of God be kindled now against the forces of darkness in the heavenly places controlling the affairs of your life and destiny for evil and let destruction come upon them right now in the name of Jesus and so shall it be in Jesus' name, Amen.**

King of Israel, I love you, Lord of hosts I worship you, King of the whole universe I love you, Ancient of days I love you, I worship you, I praise you. I give you thanks and I will do this forever for you deserve more than this. Father I bless you, I praise you, I honour you, worship you and I shall do this forever. Father I will love you forever because you are so good to me, so gracious, merciful and kind. You have shown me so much love that I can never return, thank you Father, blessed be your Holy Name.

⇒. I saw a man in a dark room and a light from heaven shone upon him and suddenly he began to see many things that were in the room he was in that he couldn't see before.

•Father let the light of your presence shine upon me and let me be awakened to the realities of you. Oh God of Israel let the light of your presence shine upon me, shine upon me and let my spirit be awakened. Let the eyes of my spirit be awakened, let my spiritual personality be awakened to see the realities of you, to see you as you are. Lord brighten up your light and let me be awakened to see you as you are, let me be awakened to see the realities of your glory, greatness, presence, personality, of your Kingdom. Lord shine your light upon me and let my eyes be opened to see these realities.

⇒. Most of us are in a place or a kingdom that you do not even know, until the light shines upon you, you will be ignorant of a thousand realities of God and his Kingdom.

•Raise up your right hand. Father shine your light upon me and let me be revived. A great revival that will enable me to see all that is in you, in your Kingdom and all that is mine. Lord shine your light upon me, I want to see all that you have for me in your Kingdom, my inheritance in your Kingdom that I may lay hold of them and get them. Lord let there be a revival in my spirit, soul and let me begin to see to know all that you have already provided for me in your Kingdom, to see all that is mine in your presence and in you.

⇒. Father, I am willing to unlearn, reject every knowledge I have embraced that is blocking me from receiving the knowledge of you, Lord, expose and remove such knowledge from my heart. Lord every knowledge I have believed, accepted that is stopping me from entering into the realities of God, stopping me from knowing you the way I should, Lord let that knowledge be exposed and removed from my heart. Lord, I reject every knowledge, teaching, philosophy I believed that is against your knowledge, delete it from a life, uproot it from my life, delete it from my life in the name of Jesus.

⇒. Unless you unlearn every wrong knowledge that you have embraced about God, you will never be able to know Him as you should.

•Raise up your right hand. Father, I surrender only to the knowledge that comes from you, oh God disconnect me from every source of knowledge that is against your knowledge and teachings that are against you. I disconnect my spirit, my body, soul, life from every source of knowledge, teaching, and information that is against God. Oh God I surrender only to the truth that comes from you, every other source that is giving me knowledge that is against your Word and your scriptures, against your own person, I disconnect myself from them right now; disconnect me from them Father in Jesus' name.

⇒. What we mean by being born again is whereby God gives birth to you again, and this one(new you) that God gives birth to, is not the one (you) that your parents gave birth to. This one(birthed) of God is completely different from that one of your parents but most people do not really believe it because they are taking it theoretically not practically. If you are born again, everyone has to see that you are really born again and even yourself will also see that you are not the same person that you used to be.

- Place your right hand on your head. Father take me into your womb and give birth to me again, I want to walk in the realities of the new birth. I believe I am saved but I want to walk in the realities of the new birth. Lord let me become that new creature, that spiritual being, that the Bible talks about. Oh God take me into the womb of your spirit, for that which is born of flesh is flesh but that which is born of the spirit is spirit. Lord I refuse to remain of the flesh, I want to be of the spirit. Lord let the transformation of the new birth happen to me, take me into the womb of your spirit and let me be born again.

⇒. There's a difference between you believing you are born again and you being born again as it is. It is not about believing alone but it is about it happening to you experientially. Christianity is about experiences, things that happened to you practically, realities you cannot deny, it's not theory. Everything in you knows that you are different and this is not a natural person but a supernatural person because if God gives birth to you, you are a spirit, no longer flesh so you are supernatural. Realities of a new birth are realities of spiritual beings, manifesting spiritual abilities, spiritual strength.

- Father let me begin to enjoy all the divine benefits of salvation of the kingdom of God, spiritual benefits of the kingdom of God, the abilities of people that are in the Kingdom of God. Lord let me begin to enjoy from today the abilities of your Kingdom, the abilities of speaking spiritual languages, the abilities to see into your realms, realms of your glory, realms of your Kingdom. The ability to hear from you, to move as you move, to move in your spirit. All the supernatural abilities that are mine in your kingdom, let me begin to enjoy and walk in them from today onward.

⇒. Deliverance is beyond casting out devils, it's deeper than you think. There are diverse kinds of deliverances there is more, apart from that of demons and devils. You need to go through deliverance for you to enjoy the supernatural abilities, all the supernatural aspects of salvation.

- Lift up your right hand. Father take me through the deliverance process that will lead me into the glory of your Kingdom, that will launch me into the realities, avenues in your Kingdom. Lord every darkness that is standing between me and the glory of your presence, between me and your Kingdom, let them be destroyed and deliver me. Deliver me from every darkness and captivity that is limiting me from getting hold of all that is mine in the kingdom of God.

⇒. The Kingdom of God is so real here on earth, so real just as you can touch the walls of your room. When God is appearing to you so close, just as your friend standing before you, that is the realities of the Kingdom

•Father deliver me from the grip of the spirit of this world and let me be released to experience heavenly encounters. Oh God of Israel, let me be delivered now from the captivity, the bondage of the spirit of this world and let me be released to the realities of heaven, to experience heavenly encounters, to fellowship with you and enjoy your presence.

⇒. We will look at the limitations that you need to be delivered from.

SPIRIT OF THIS WORLD. These are forces controlling the affairs of the world.

These forces are making people believe in a certain direction, think in a certain path, follow a certain pattern. For people to think in a direction of sexual, immorality and greediness, love of money, this spirit controls people to think in a direction that is against the kingdom of God and you need to be delivered from it for you to experience the realities of God's Kingdom here on earth.

•In the name of Jesus, I come against every power manipulating my mind, feelings and emotions to think in the direction of the world, to behave and speak in the direction of the world, let the fire of God destroy them right now. Let the strongholds over my soul be broken now. I come against every power, force of darkness, prince of darkness that is controlling my mind, emotions and feelings to follow the pattern of the world, to behave in the direction of the world, let fire consume them right now. Let their hold over my life be broken, let their grip over my soul be broken right now in the name of Jesus.

⇒. WRONG MENTALITY. You cannot experience heaven on earth until your mentality changes. Even Jesus had to change the mentality of the apostles so that they can walk in the realities of the Kingdom, He came to show them how. Jesus not only came to die but to show us a Kingdom and become the door through which we would enter that Kingdom. The Kingdom that Jesus brought is not a future Kingdom that you have to first of all die to get into, but He brought a present and a future Kingdom.

•Father give me the same mind that is in you, change my mindset to the mind in you so that I can walk in the realities of your Kingdom. Lord let my mind be renewed, give me the mind of Christ, the same mind that is in you that I may walk in the victories, realities, beauties and grace of your kingdom practically. Give me the mind that can access and receive these things. Take away the human mind and give me the mind of Christ. Take away the scientific, carnal mind and give me your own mind.

⇒. Romans 12:2. This new birth is the same as transformation whereby you are becoming something else that is different from who you knew about yourself, or what people knew about you. Being transformed into something totally different, a divine personality for you to engage with the realities of heaven. Unless you're transformed,

a lot of things will be hidden from you about God or His Kingdom, you will not know about them.

•Father by your own hand, begin to restructure my mind, remould me, renew me and let the way that I see things change, let my perspective of life begin to change to the way it should be, to the way you want it. Father let me see your hands working in my soul and heart, reshaping my mind, changing me to another person and let my view of things change so that I begin to enjoy the realities of your Kingdom. Lord change my heart, renew my mind with your Word and use everything you can use to change my mind and heart. Give me another mind that I can use to access the realities of your Kingdom.

⇒. Just as Jesus was transfigured on the mountain it is also possible for you to be transfigured or transformed. Being born again is more than just believing.

AGREEING WITH WEAKNESSES. There is a way your body feels, tired or weak and you feel you have done all you can. But sometimes the Lord will tell you not to agree with that weakness by saying that you are not tired or weak and that you need to continue because you have not done enough. If it's fasting or prayer you can do more than where you feel your strength can reach because there is a grace to do more than but you must first disagree with weakness for that grace to manifest. Weakness is from the devil, it comes to stop you from going an extra mile so you don't fulfill or delay destiny.

•Father deliver me from every spirit that is making me agree with weakness, making me to think like a man to agree with weaknesses that come from the flesh, help me to press on further even when I think I am weak. Lord deliver me and help me with strong faith to press further even when I think I am weak until I breakthrough into the supernatural. Lord deliver me from every spirit making me to settle for less, making me to agree with weaknesses or tiredness. There is no weakness in the kingdom of God or tiredness, therefore I refuse to agree with weaknesses. Lord every spirit making me to agree that I cannot serve you more than I serve you or pray and fast more than I can, or I cannot do spiritual exercises more than I can, let that spirit catch fire right now in the name of Jesus.

⇒. HUMAN SIGHT. Jesus said blessed are those who believe before they see, in the kingdom of God you do not see before you believe but you believe before you see. God believed and then He spoke, that's how the kingdom of God operates. There is an evil flow, demonic power in science. Science is proving and testing before you agree. So you need to be delivered from the spirit of science which is sight.

•Place your right hand on your head. Father deliver me from the spirit of science because I am ready to walk into the realities of your Kingdom here on earth. I refuse to walk by sight, I want to believe before I see, not to see before I believe. ***Lord, I am asking that you deliver your people. As you delivered me, deliver them. As you set me free, set them free. You delivered me from the spirit of science, deliver them also so that they can enter into the realities of your Kingdom in the name of Jesus.**

⇒. The power of science against our faith is what causes a lot of sickness not to be healed, the lame are not walking and the dead are not rising to life. The influence of science upon our faith is causing us not to walk by faith.

•Father, I repent from wanting to see signs before I believe, let my faith be stronger than the influence of science. Let my faith be lifted higher than the influence and knowledge of science and technology, human reasoning. Lord I repent from following human sight, I choose to follow the faith of your Kingdom, help me Lord Jesus, lift up my faith above science.

⇒. There are so many things that God wants to teach you but you must let your faith rise above science. Science can be true but the Word of God and God's truth is higher and superior than that of science. Some people believe doctors more than the power of God and still expect the power of God to work for them, it might never happen.

•Father let the standard of your truth be lifted above every other truth in my life and heart. Let the standard of your truth rise above every standard of truth in my life, let me be able to believe your own truth in the name of Jesus that I may see the results that your truth brings.

⇒. SELF. The greatest limitation on your life is not Satan or demons, curses, witchcraft or principalities but you are your greatest limitation in your destiny.

•Father, deliver me from the power of myself that I may enter into the realities of who I really am in Christ. Deliver me oh God from the power of myself, from the stronghold and dominion of myself, I refuse to be a slave to myself, I refuse to serve the will of myself, passions, desires of myself. I want to begin to enjoy the glory of God's Kingdom.

⇒. There is a you in Jesus that is completely different from the you that you always know. The you in Jesus is the new creature and the you that you are must die for the you in Jesus to come alive.

•Raise up your right hand. Father, I give over myself for death and destruction that the you in me would come alive and manifest. Lord I give over my flesh for destruction for the spiritual me to live and to manifest. Lord, I surrender myself, I lay myself down on the altar for you to destroy, so that a new life might spring forth in me in the name of Jesus. Let my carnal life, my adamic nature be destroyed so that the spiritual life will come forth from within me. Lord I give up this selfish life, greedy life, sinful life, polluted life, worldly life, destroy them all and let the real me that is in you come alive right now.

⇒. This human life is a great limitation, that is why the Bible says it must die and unless it dies you can not really enjoy Christianity or really know God. The power of sin also flows through your blood. Your human blood carries a lot of things that cannot be seen even by lab technologies.

•Place your right hand on your head. Lord Jesus let your fire pass through my blood and begin to destroy every power of sin inside my blood, let the fire of the Holy Ghost consume them all. Power of the Holy Ghost destroy every power of sin, power of darkness in my blood, let fire flow in my blood and begin to sanctify it.

⇒. Inside the human blood is power that causes people to sin and do unrighteous things. Because we are saved through Jesus, we have been disconnected from the adamic bloodline, we now belong to the bloodline of Jesus Christ. You are not connected to your mother or father's bloodline according to the reality of God's Kingdom that you belong to, you belong to the bloodline of Jesus Christ because you have been redeemed.

•In the name of Jesus, I disconnect myself from the adamic bloodline and I connect myself to the bloodline of Jesus Christ because Jesus redeemed me, I disconnect myself from the cursed and demonic bloodline, I disconnect myself from my father's bloodline, my mother's bloodline and I connect myself to the bloodline of Jesus. I belong to the family of heaven, I belong to the family of God, to the bloodline of Jesus. The blood of Jesus flows through my body, I am no longer enslaved or polluted anymore in the name of Jesus.

⇒. Father let the heavens open over my life and let me receive a visitation from you that will liberate my destiny that will release my destiny to manifestation. Lord let me receive an encounter from you, let my divine purpose be released to fulfillment in the name of Jesus. Let the heavens open now and let me receive a touch from you, Lord release my destiny unto fulfillment and manifestation.

⇒. Father let your grace begin to enable me to do things I have never done before, things that I should do that I've never done before, things that I have always thought I can never do, Lord let your grace begin to enable me from today to do beyond my unknown abilities. Let your grace begin to enable my spirit, soul, and body to do things which are beyond its natural, things which are beyond ordinary, things beyond normal. To do things that are important to my destiny, things that have never been done before, let your grace begin to enable me to do them.

⇒. Raise up your right hand. Father, deliver me from every identity and label that the enemy has placed upon me, that is not who I am in you, that is contrary to who I am in you, let it catch fire right now and be destroyed. Deliver me from every satanic identity, demonic identity, from every identity that the Lord has not placed upon my life, identity that the enemy and people placed upon me, oh God deliver me right now in the name of Jesus. Every identity that I put upon myself, that people and the enemy placed upon me, that is contrary to my identity in Jesus, let them be consumed and destroyed right now in the name of Jesus.

⇒. There are spiritual languages in the Kingdom of God. You speak the language of the spirit, a spirit speaks to a spirit using a spiritual language. When you are

communicating with God you speak with spiritual languages that is why Jesus said that these signs will follow those who believe, He said they shall speak with new tongues. Part of why we speak in tongues is there are some things that we can only communicate with God in spiritual languages not in earthly languages.

•Father put upon me the fire and the grace to communicate with you using spiritual languages. Lord put upon me the power, fire, oil to communicate with you in spiritual languages. Lord set my spirit on fire to this effect in the name of Jesus. I want to speak the languages of heaven, the tongues of heaven, tongues of angels; put upon me the fire, the power to enable me, for this to happen in my life. I want to communicate with spiritual languages.

⇒. Raise up your right hand. Father let my life from today be soaked with the same love that is in you, let it be saturated with the same love that is in you. Let my entire being be filled with the same love that is in you, for this is the standard by which your Kingdom operates. Your kingdom operates by love, help me to operate by your love not the love of the world. Let my life be filled with the love that is in you, fill all of me with the love that is in you until there is no place left in me not full of your love, in Jesus' name. Amen.

CLOSING PRAYER

Raise up your right hand.

Heavenly Father we thank you for your grace, for your mercy, your love and help we have received tonight. Thank you Lord because you will not stop helping us but you will continue to help us, that is the covenant you have made with us. Thank you Lord for the privilege to enjoy endless grace, mercy, love and help from you, Father we say be exalted, be praised forever in Jesus' name.

Lord I am praying for as many that are hearing the sound of my voice right now. Father I ask that for each and every one of them, let your will begin to come to pass in their lives. All that is in the mind of God for your life that has not yet happened, I receive the manifestation of them for you right now in Jesus' name. The great things that has been written in your destiny script in heaven, what God has written concerning you in His book in heaven but has not manifested, I decree by the intervention of angels, let all that has been written in the book of God concerning your life begin to come to pass right now without delay in the name of Jesus.

I come against every limitation you have inherited from your father's lineage, mother's lineage, every limitation of darkness that you have inherited that is stopping the manifestation of your destiny on earth, I decree let the fire of God consume and destroy all the limitations right now in Jesus' name.

Every possibility of God that is still missing in your life, because the God you serve is a God that makes anything and everything possible, therefore every possibility of God that is still missing in your life that is supposed to have happened by now, by the reason of the anointing in this ministry and meeting tonight, I receive for you the manifestation of those possibilities right now in the name of Jesus.

Whatever you have done to delay your life from moving forward, let the mercy of God come upon you right now and visit you and break that delay in the name of Jesus. You are the one who caused the delay but by the mercy of God, I decree that you will move forward right now in Jesus' name. By the mercy of God, begin to break limitations right now in Jesus' name.

The hand of God shall work miracles for you. Every miracle that must happen in your spirit, soul, body and life for you to become that person God has been waiting for, the person your generations has been waiting for; I decree right now by the anointing of the Lord upon my life, let the miracles begin to happen now in the name of Jesus. In your soul, body, spirit, life, let them happen in the name of Jesus.

You shall no longer make mistakes in the name of Jesus. Every spirit that is following your life, causing you to make mistakes, fail or err, I bind that spirit and I cast that spirit out of your life. From today you shall begin to think correctly, you shall act correctly, every decision you take shall be the right decision and you shall succeed in the name of Jesus.

I speak upon your life, the outpouring of the Spirit of excellence. Let the Spirit of excellence from the throne of the God of Israel descend upon your life and all that you do in Jesus' name. Excellence shall be your portion in the name of Jesus, greatness shall be your portion in the name of Jesus. Great success, great favour, great glory, great establishments shall be your portion henceforth in the name of Jesus. Thank you Father in Jesus' mighty name I have prayed, Amen.

him he will send him money so that he can come and work with him and stay with him. Glory to God, I just want to tell people that prayer works.

[02/22, 21:28] +254 723 80****: Shalom brethren ,I want to testify about the 21days fasting we did last year . It's very special to me because it really shaped me spiritually to the place I am now .So on February of last year on 15 I lost my younger brother and it was a big blow to me ,I literally thought I couldn't recovery from that ,by 28th we had rested him .Back in my mind I knew that we had the fast but I was drained emotionally , physically and spiritually too and I thought I was done ,but God had other plans for me and I fasted thou my faith was weak coz it was shaken to

core and to make matters worse during the burial we discovered that we we're dealing with household witchcraft which aggravated matters more because the first week of the fast it was an attack after attack but thanks God I managed to pull through .I thank God because my spiritual life changed for the better . God comforted me and took away that pain of death.Now the interesting part was that ,the covid thing blew up and everything shut down including the churches in our country but God made sure that we held our fellowships daily at the church and I thank God because he confirmed His word with Apostle here during one of prayer meetings and true to His word we never closed our church doors and we never saw any government officials.Am really grateful to God and this platform because I know it about soul and the impact it's having on families and I couldn't be more grateful .Thank you alot Apostle for the sacrifice and the energy you put into this ministry it's not in vain .Am holding to Philippians 3:13-14 .God bless you 🙏
