PRAYER POINTS

⇒ Father, thank you for being so faithful to me, thank you for making me enjoy your faithfulness. Thank you for being so faithful and kind to me, thank you for being so loving to me. Thank you Lord Jesus because I have seen your faithfulness and works in my life, I have seen your help, I have seen your protection, I have seen your preservation, intervention and grace work in my life, I have seen your goodness, I have seen your mighty wonders and miracles. You are the Lord who answers prayers, you are so faithful. Thank you Father.

⇒ Father let your goodness and mercy continually be lavishly poured upon my life from this hour henceforth in the name of Jesus. Let your goodness and mercy continually be multiplied upon my life, career, calling and existence, let your goodness and mercy continually be multiplied upon my personality and in each day of my life. Let my life receive excess of your goodness and mercy right now in the name of Jesus.

⇒ In the name of Jesus I connect my life and destiny to the authority that is in the Kingdom of God, let all the plans of God for my life before I was born begin to come to pass by the authority in the Kingdom of God. Let all the plans of God, promises of God, desires and will of God for my life, career, calling and destiny begin to come to pass and prevail by the authority of God's Kingdom. I connect the journey and affairs of my life to the authority of God's Kingdom, let all the programs of God, determinations and purposes of God for my life begin to come to pass by Kingdom authority. Let the authority in the Kingdom of God begin to bring to pass every promise, plan, purpose and will of God for my life and destiny in the name of Jesus.

⇒ The Kingdom of God already prevailed over this world and over all the kingdoms ruling this world whether they be visible or invisible. By the authority that is in the Kingdom of God, there is nothing impossible unto you as a believer and there's nothing you can not get or become.

• Raise up your right hand. In the name of Jesus I decree by the authority that is in the Kingdom of God, let the earth and everything on earth begin to work together for my good in the name of Jesus. Let the earth and its fullness begin to work together for my good from this hour onwards by the authority in the Kingdom of God. I decree by the authority in the Kingdom of God let the earth and its fullness begin to work together for my greatness, for my success, prosperity, promotions, victory and breakthroughs in the name of Jesus.

⇒Act 10:38 says, How God anointed Jesus Christ of Nazareth with the Holy Ghost and power, who went about doing good, and healing all that were oppressed of the devil, for God was with Him. Jesus was channelling the authority and power that is in the Kingdom of God to heal those who were oppressed by the devil. Believers have all the power and authority to possess their possessions and to become who God has sent them into this world to become because Jesus has already overcome the world.

•In the name of Jesus I channel the authority of the Kingdom of God against every power of darkness stopping me from rising to the place of fulfilling destiny. I channel the power and authority of heaven to destroy every power and kingdom of darkness preventing me from becoming who God says I am, every power, witchcraft and kingdom of darkness stopping me from becoming who God says I am, stopping me from rising to the place of my manifestation and fulfilment in destiny, let the authority and power in the Kingdom of God destroy them now in the name of Jesus.

⇒The Kingdom of God has already defeated the kingdoms, rulers and darkness ruling this world. There are portals of heaven on this earth from where God comes to rescue His own children. John 17:11-16, Jesus said you are in the world but not of this world therefore you belong to the Kingdom of God and the Kingdom of God is here on earth to fight for you, to defend and deliver you.

•Raise up your right hand. Father, mobilize all the forces of heaven to save and deliver me from every captivity of darkness and hell. Father mobilize all your angelic forces of heaven, armies and warriors of heaven to fight for my deliverance and healing, to fight for my salvation, breakthroughs and progress. Lord, mobilize your angelic forces to fight my battles, mobilize them for my deliverance from demonic captivity in the name of Jesus.

⇒Believers are connected to the heavenly angelic military forces. When you are surrounded by enemies, all you need to do is to cry out to God in faith through prayer. Roman 10:13 says, for whosoever shall call upon the name of the Lord shall be saved.

•Father, look upon the situation of my life and destiny, mobilize your angelic forces to defend me, to fight for me, to save me and to deliver me now. Lord, look at the situation of my marriage, finances, family, calling and destiny (begin to mention your situation) and mobilize your angelic forces for my deliverance and victory in the name of Jesus. Mobilize oh God your military force to help me, to save me, to rescue me and deliver me now in the name of Jesus.

⇒There is no situation or problem that is too difficult for the angelic forces of heaven to solve in less than a second if only you can believe and call on God. In the Kingdom of God when you cry out for help it won't take more than a second for the military forces of heaven to intervene because God is already there and because He knows you will need His help and that you will call on Him.

•Father, mobilize your angelic armed forces of heaven to help me now, mobilize your angelic forces of miracles that provide solutions to problems in my life to help me now in the name of Jesus. Lord Jesus mobilize your angelic forces of war to help and rescue me now in the name of Jesus.

⇒ Psalm 18:6. David cried unto the Lord and the Lord helped him.

•Raise up your right hand. Oh God of Israel come to my help, come to my rescue as you did for David and the children of Israel, as you did for the blind men, Jesus hearken unto my voice and come to meet my needs, come to my help in the name of Jesus. Oh God of Israel as you intervened in the situations of believers in the Bible, Lord do the same in my life in Jesus' name.

⇒The solution to your problems is already available, all you need to do is to receive it by faith because God is a great God who Has prevailed ahead of time. God already knew there would be a time you will be in need of help and He already made provision for that help.

•In the name of Jesus I connect to the solutions of my problems, I connect to the answers of my prayers, I connect with the help that I need at this time in the name of Jesus. Father I acknowledge that you have already provided my help before now, I acknowledge that you have already prepared and programmed my miracles before now, therefore Lord connect me with them in the name of Jesus.

⇒There is going to be a problem if you don't accept the fact that there are intervention systems of God's Kingdom here on earth. Unless you see God with the eyes of your soul in every situation you find yourself in and believe that He has already made provision for your escape, you might not receive His interventions. God has positioned His angelic intervention system here on earth to help you in those moments where only He can help you. Maybe you got stranded in a place and there's no help, God can send His angel to help you.

•Father, enlighten my mind and soul to always see and believe your intervention in every situation I find myself in. Lord enlighten my heart, mind and soul to always see where you are and where your Kingdom is in every situation I find myself in, Lord, light up my spirit and soul to be able to see with the eyes of my spirit and believe in the greatness of you in the name of Jesus.

⇒When you see situations as they appear, whether terrible, deadly or stronger than you and you begin to make negative confessions, that which you have said is what will happen to you but when you refuse to see situations as they appear to you, then you will be saved and you will receive God's intervention.

•Father, give me a heart that sees and believes the greatness of you in every situation I find myself in. Lord, give me a heart that believes in the greatness of you, a heart that does not see things as they appear, a heart that does not tremble at negative situations, a heart that does not feel hopeless. Lord give me such a heart, a heart that sees and believes in the greatness of you in every negative situation,

problem and challenges I encounter. Give me such a heart Father that sees and believes in the greatness of you at every point in time I find myself in, for this is how to receive your intervention.

⇒ God takes pleasure in people who are always asking Him to help them, people who believe they are helpless without God. God does not want you to stop crying for help, He wants you to continue even if you haven't seen or gotten the help when you want it. After you have gotten the help, continue asking for more help.

• Father, give me a heart that always cries out for help, a heart that always believes I am helpless without your help, a heart that is always seeking for your help, Father give me such a heart in the name of Jesus. A heart that is always praying for help, a heart that will not stop asking for help, Lord give me such a heart and mind. A heart that always cries out to you for help irrespective of whatever situation I find myself in, irrespective of whatsoever I have achieved and have become in life.

⇒ Act 10:38 How God anointed Jesus Christ of Nazareth with the Holy Ghost and power... Anointing is the power of God and it's also a divine portal that receives the manifestations of God in the physical realm. Anointing is like a door by which a man can bring God out of heaven to manifest physically, a door by which you can go through to pull God out of heaven into this physical dimension, and God will manifest to do instant wonders. When this anointing is upon you, it becomes so easy for God to manifest in your situation, to rescue you and it will be so easy for you to receive the manifestation of the Spirit.

• Raise up your right hand. Father, release into my life anointing that is able to receive physical manifestation and demonstrations of you on earth to solve problems. Father, release upon me an anointing that authorises and produces physical manifestation of your signs and wonders on earth, anointing that is able to bring down heaven into the earth, anointing that is able to draw down forces of heaven in earth to solve problems, anointing that is able to receive physical manifestation of your angels here on earth. Lord let such an anointing fall on me now in the name of Jesus.

⇒ The highest level of walking in the anointing is when you have become a man/vessel through which heaven can touch the earth and manifest. For you to attain such a level of anointing you must have surrendered all your life to God and yielded your life to God's calling whereby you have no will, desire and ambition of your own, all you want is 'let God pass through me and be glorified'.

• Father change me into a man through which your Kingdom can manifest on earth, turn me into the man that can channel the fullness of you into the earth, turn me to a man that is dead to self, dead to the pleasures of sin, dead to the world and everything in the world, Lord change me into that man in the name of Jesus. Lord I want to be a living portal of heaven, I want to be a vessel through which heaven will touch the earth, I want to be a man through which heaven will visit many people and change their lives, Lord I want to be a vessel that is so faultless, blameless and pure,

a vessel that is so humble, I want to be a vessel you can use to reveal the greatness of your glory on earth in the name of Jesus.

⇒ One of the keys to walk in the anointing is to surrender to the leading of the Holy Spirit, by allowing the Holy Spirit to take charge of your life. If you can surrender to the leadership and control of the Holy Spirit you will easily operate in the anointing but if you can't surrender you will be limited in walking in the anointing.

• Raise up your right hand. In the name of Jesus, I receive grace to fully surrender to the leadership and control of the Holy Spirit in the name of Jesus. I receive grace to fully submit to the control and leadership of the Holy Spirit. I receive grace to always yield to the move of the Spirit Holy, to always obey the leading of the Holy Spirit in the name of Jesus.

⇒ If you can understand the will of God for every situation then you will be able to pray until miracles happen. 1 John 5:14 says, when we pray according to the will of God He will answer us. You need grace to be able to understand what is the will of God in every situation you find yourself in.

• Father put upon me the grace to understand your will in every situation, the grace to understand what you are doing in every situation, put upon me the grace to accurately discern what you are doing in every situation so that I may be able pray according to your will in every situation I find myself in, Lord put upon me such a grace in the name of Jesus.

⇒ As a Christian you must be connected to the Holy Spirit to be able to know what to do and what not to do for what God is doing to appear physically on earth. You must be aligned with the Spirit of God to be able to see and know which part of God's work is remaining for you to do, to complete what God Has done for miracles to appear. Though it is not none of your business to make any miracle happen on earth, it is God's operations but you need to know what to do and what not do, when to pray and when to obey all other divine directions because miracles most times happen by divine direction.

• Father help me by your Holy Spirit to be so aligned with you such that I can do things that will produce your miracles on earth, Father help me to be so connected with you such I can see you use me to carry out your miracles on earth, such that I can see you use my prayers to carry out your miracles on earth. Lord Jesus help me, I want to be fully aligned with you such that I do things that will give birth to your miracle on earth, such that I speak and pray in a way miracles are birthed on earth, Lord help me to be fully aligned with your Spirit such that I find myself doing things that will lead to miracles in the name of Jesus.

⇒ Father, at that point where my strength is gone, at that point where I can no longer move forward, oh God let your strength help me. Lord, at that point where my strength has failed me, at that point where my strength is exhausted, where I can no longer proceed further, at that moment where my strength can no longer bring me

success, breakthroughs and victories, oh Lord let your strength manifest and help me in the name of Jesus.

⇒It is possible to find yourself in some situation and forget that God is powerful, faithful and greater than all and begin to panic when you should not.

•Place your right on your head. I come against every spirit of forgetfulness causing me to forget the greatness, powerfulness and faithfulness of God, come out in the name of Jesus. Every spirit of forgetfulness causing me to forget the greatness, powerfulness and faithfulness of God, come out of my mind and soul in the name of Jesus. You spirit of forgetfulness causing me to forget that God is powerful, causing me to forget that God is terrible, great and mighty come out of my life forever in the name of Jesus.

⇒One of the wicked things the devil has done to this present generation is to make people feel at home in darkness and deadness, in the state of carnal mindedness whereby the spirit man is dead and cannot connect with God. If after you leave the presence of God in a prayer session and go back to feel at home with carnality, worldliness and sin and you're expecting to see the results of your prayers, you won't see any results at all. You must continually maintain the same atmosphere of the life that is in heaven which will produce your miracle and answers to prayers.

•Father, put upon me a hatred for darkness, carnality, sin and pleasures of sin, Father put upon me a hatred for every environment and atmosphere that is against you. Lord put upon my soul, body, feelings and emotions a hatred for darkness and worldliness, a hatred for every atmosphere that is against your presence. Let me begin to hate every presence that is against your presence, let me begin to hate everything that will take me out of your presence. Lord, help me to maintain the atmosphere that will birth miracles in my life in the name of Jesus, Amen.

CLOSING PRAYER

Raise up your right hand.

Oh God of Israel, King of the universe, Lord of hosts, Almighty God thank you for being so faithful, thank you for being so merciful and gracious unto us, thank you for all that you have done in the course of this prayer session. Thank you for what you're about to do very shortly in our lives and situations. Thank you Lord because as you have said in your Word if we cry unto you in the days of trouble you will hear us, thank oh Lord because you have heard our cries and you will release instant help, salvation and deliverance into our lives, be glorified, be praised forever in Jesus' name.

I pray for you. You shall be strengthened, you shall be empowered and anointed by the hand of God in the name of Jesus. Every limitation of darkness upon your life and destiny is now destroyed in the name of Jesus. Every limitation of darkness on your health, finances, career, calling and ministry is now destroyed in the name of Jesus. Every operation and activity of darkness and witchcraft going on against your life and destiny, I decree that the fire of the Holy Ghost consume them all in the name of Jesus.

The God of Israel you serve shall publicly defend you, fight for you and honour you as He did for the children of Israel in Jesus' name. The God of Israel shall step in your situation, the God of Israel shall wage war against your enemies and you shall be comfortable and satisfied in the name of Jesus. The God of Israel shall fulfill His promises for your life in the name of Jesus. The God of Israel shall perform His prophecies concerning your life in the name of Jesus.

Everything you have done before and it did not succeed, I speak by the authority of the God of Israel, they shall now succeed in the name of Jesus. You shall now move forward, you shall now be victorious, you shall now be completely free and delivered by the hand of God in the name of Jesus. Greatness and excellence shall be given to you from heaven in the name of Jesus.

Thank you Lord because we know you have answered these prayers, blessed be your Holy Name, in Jesus' name I have prayed. Amen

REMAIN VICTORIOUS

05 FEBRUARY 2022

PRAYER POINTS

⇒ Father, thank you for all the good works, miracles, signs and wonders, and blessings you have sent into my life. Father, thank you for everything you have done for my favour, everything you have done to give me peace and joy, to give me comfort, to lift up my life, to strengthen my life, and to help my situations. Oh Lord, thank you for every good work you have done in my life, thank you for healing me, delivering me, empowering me, pouring out your grace upon my life. Thank you for provision, for giving me victories, thank you for your operations upon my life, thank you for your touch upon my life, the progress and breakthrough you have given to me, the spiritual growth you have given to me. I thank you for everything you have given to me, those that I know of and those that I don't know of, the ones I can see and those that I can't see. Thank you Lord for all that I have received from you and for all you are doing in my life, blessed be your holy name.

⇒ Father, in your mercy visit me, visit my life, my situations and help me by your mercy. Visit me, touch me and help me, visit me, touch me and restore me. Visit me, touch me, move my life forward right now and change my life into your glory, into your greatness. Change the situations of my life into greater glory oh Lord, in your mercy visit my life and do me good, help me. Lord visit my family, finances, marriage, career, spouse, children and my grandchildren, visit my home and help us. Help me Father, visit me, help me now in your mercy.

⇒ Father, include my life among those you are visiting at this time to change their lives, to transform them, to glorify their lives, Lord let me be enlisted among them. Lord enlist me among people around the world that you are visiting to help and support. Ancient of days let me be part of everyone you are visiting at this time all over the world, qualify me to be part of them by your mercy in the name of Jesus. Lord include my life, ministry, career, destiny, calling and marriage, visit my life oh God, let me be part of those you are visiting at this time, let me be part of those who are experiencing your miracles, who are receiving life changing encounters from you at this time, Lord let me be part of those people in Jesus' name.

⇒ Place your right hand on your head. Let every darkness attached to my life, following my life destroying God's divine honour in my life, let fire of the Holy Ghost destroy them now. Every darkness upon me making the honour of God to be ridiculed, shamed, reproached and disgraced, causing the honour of God to be covered and not manifest, let fire of the Holy Ghost destroy them now. From now henceforth let the honour God has placed upon my life, calling, career, ministry, life and destiny begin to speak, manifest and prevail, let it begin to shine in the name of Jesus.

⇒ Father, let your mercy speak for me, let it work in my life, I want to experience a great turnaround, a glorious shift and an elevation. Lord, I don't want things to continue the same way they have been for years in my life, I don't want things to continue to look bad and negative in my life, oh God let your mercy speak for me, let

your mercy work in my life. Lord, I want to experience a shift into glory, greatness, great prosperity, elevation, goodness oh Lord let your mercy work in my life and speak for me and let there be a glorious shift, let things change for good in my life. Let stagnation, suffering, hardship, slavery and oppression end in my life, Lord let your mercy speak for me. Oh God I want to see my life ascend into a place of glory, honour, elevation, great achievements, prosperity, abundance of riches and wealth, I want to see my life ascend into a place of manifestation, of fulfillment of destiny, I want to ascend to the place you have prepared for me, oh Lord show me mercy, let your mercy speak and work for me.

⇒Father help me by your Holy Spirit to begin to do things that will put me under your mercy, to do things that will remove me from judgement and anger and put me under your mercy, help me to do what is right in your sight. Father, by your Holy Spirit in me lead me to do things that will qualify me for your mercy, that will put me under the atmosphere of mercy, guide me to do things that will provoke mercy to speak for me and work for me. Lord lead me to behave in a way that your mercy will work for me, lead me to do what is right in your sight so that I can be under your mercy and not under your judgement and anger.

⇒When the Lord visits you by His mercy it will look like you are dreaming because there will be a drastic change and some things you never thought will work out will begin to work out in your life.

- Father, show me mercy and let my life move forward, let me experience all-round progress, speedy progress. Father by the reason of your mercy move my life forward on every side, projects that have been suspended for years, projects that should have been completed years ago, Lord by your mercy let these projects be completed. The good things that have been hard to achieve, the success I should have attained by now, by your mercy let me attain that success. Physical and spiritual blessings that should have and reached me by now, let them reach me now by your mercy, spiritual realms I should have attained by now, by your mercy oh God take me there.

PSALM 126:1

⇒They were like those who dream because they did not expect God to fight for them the way He fought for them. They had lost all hope and felt they were beyond redemption and restoration.

- Oh God, arise and fight for me, by your mercy turn everything in my life around for good. Oh Lord arise and fight for me, I am surrounded by deadly enemies, enemies that are stronger than me, enemies like lions, vipers and pythons and they are ready to destroy my life, arise and fight for me and let things change in my life, let my life turn around for good, let my life be delivered. Deliver my destiny and my life from the hands of destroyers, from the hands of those who have enslaved it, deliver my life and calling from the hands of those who are manipulating it, oh Lord fight for me. Oh

Lord arise and fight for me, for my enemies are ready to control my life against your will and purposes, oh God of Israel, oh Lord of hosts arise and fight for me and as you do let everything in my life, environment, career, marriage, calling, ministry, destiny and business begin to change for good.

⇒ God suddenly visited those people and changed the way they were, to something completely different. I don't know how your life is right now but just a visitation from the Lord will change your life to something completely different as if you never had a problem, as if you have never been poor or enslaved before.

• Oh God visit me by your mercy and change the face, look and appearance of my life to something completely different, glorious, great, beautiful and wonderful. Change my life completely oh God as you did for Zion, Lord I am in Zion, I am your child, Lord you can change my life again as you said 'upon Mount Zion there shall be deliverance, holiness, the people shall possess their possessions', Lord I am part of the people in Zion because I am in Christ Jesus, therefore visit my life and change my life, let my life be transformed to something completely different from what I am right now, something powerful, wonderful and victorious, Lord let my life change. Change the appearance of my life to something that will be glorious, rich, great and powerful, oh Lord of hosts visit my life and let my life reveal your beauty, your glory, Grace and power.

⇒ Sometimes God will make changes in a progressive manner and at other times in a sudden manner. In the verse above, the change happened suddenly and I can see the same happening in your lives. This is a change that will happen very quickly and sudden, even in less than 24 hours.

• Father, visit my life by your mercy and cause a sudden change that will glorify your name forever in my life. Change my life suddenly to reveal your greatness to the world, to demonstrate your glory to the nations. Lord visit my life and cause a positive sudden change that will glorify your name forever in my life, ministry, calling, business, career, marriage, finances, and family, cause a sudden, powerful and glorious change that will glorify your name forever, Father let it happen in Jesus' name.

VERSE 2

⇒ Lord do a miracle that will cause me to rejoice, dance, be filled with laughter, sing praises with laughter, and celebrate, oh Lord visit my life and do sudden miracles as you did for these people. Lord do a sudden miracle that will fill my life with laughter, that will fill my tongue with singing, that will make me rejoice and praise your name forever, that will make me celebrate your faithfulness wherever I find myself, Lord do this work, these wonders in my life that me and my entire family and everyone around me will sing praises unto your name, that we will be filled with joy and laughter, Lord do sudden miracles in my life that will cause this to happen in the name of Jesus.

⇒Father move, work, operate and do great things in my life that will surprise everyone, that will surprise and shock unbelievers because they never expected such for me and it is way beyond their reasoning and their human wisdom and senses. Father move, work in my life and do great things that will surprise nations and my generation, that will surprise all eyes that will see these great things, oh Lord move in my life and do great things.

⇒The Lord is telling me He wants to give promotion and awareness to what you are doing, awareness that is beyond what the media can do, a promotion of what He has placed inside of you.

•Father, by your mighty hand promote that which you have put into my hand so that more people all over the world can be blessed. Lord send promotion into the work of my hands so that more people across the world can receive what you have placed in me for the nations and the world. Father, promote the gift, skills, potential, and talents that you have given to me that they may bless people all over the world. Lord let the assignments you have given to me be heavenly promoted beyond what the media can do, let the work you have placed in my hand be promoted supernaturally that many across the world and nations can be blessed.

⇒Father, help me to be committed to things that will positively change the lives of man, help me to do things in a way that man will be blessed and transformed in the name of Jesus. Lord help me to be committed to doing things that will influence the lives of man positively, help me to be faithful to be committed to doing things that have potential to change the lives of man and destinies of man. Lord help me to be committed and devoted to doing things that will liberate lives and destinies from captivities of the devil, help me Father in Jesus' name.

⇒ Father, whatever I am doing with my life, my time, days that is contrary to what you want me to do, Father take them away from me in the name of Jesus. Father, I don't want to live a wasted life, a life that has no impact on my generation, whatever I am doing with my life, timeline, days that are contrary to what you want me to do, Lord take them away from me in the name of Jesus. Anything I am doing with the hours you have given to me that is not in line with what you want me to do, Lord take them away from my life in the name of Jesus.

VERSE 3-4

⇒Father let the anointing that solves difficult problems be released into my life right now in the name of Jesus. Anointing that solves difficult problems, that solves problems beyond medical intervention, that solves problems which are beyond human reasoning, anointing that solves problems that no one on earth can solve, Lord let such an anointing be released into my life right now. Lord let such an anointing work with me now, let such anointing begin to work for me, let it work in me in the name of Jesus.

⇒ Just as it is not difficult for rivers to flow, it shouldn't be difficult for you to rise to possess your possessions, for you to become who God says you are.

• Place your right hand on your head. Father, connect my life with the power and Grace that will move me from where I am now to where I am supposed to be in destiny by now. Lord let my life be connected with grace and power that will move me from where I am to where I am supposed to be, let the journey of my life be connected to such power and Grace right now. Oh God of Israel, Lord of hosts connect me with the power, the anointing that will move me from where I am now to where I'm supposed to be in destiny right now in Jesus' name.

⇒ In the name of Jesus, let fire of the Holy Ghost uproot every seed of frustration, hardship, pain, poverty, suffering that the devil has planted in my life, fire of the Holy Ghost uproot them now. Every seed of frustration, hardship, backwardness, slavery, sorrow, and setbacks the enemy has planted in my life, fire of the Holy Ghost uproot them now. ***Every seed of slavery, I command fire of the Holy Ghost to uproot them now from your life in the name of Jesus. Every seed that is making you serve people that should serve you, fire of the Holy Ghost uproot them now from your life in Jesus' name.**

⇒ Raise up your right hand. I invoke the anger of God to destroy every strange personality of darkness that has combined themselves with my journey of life to make my life difficult, I invoke the anger of God right now to destroy them. Anger of God destroy them, strange things whether physical or spiritual, visible or invisible, every strange being, strange personality that are walking with me in my journey of life to make my life journey difficult, to make my destiny journey difficult oh anger of God waste them now.

⇒ Father, send confusion that will never end into every gathering of my enemies, upon every network of my enemies so that they will continue to fail, so that their operations continue to fail in the name of Jesus. Father send an eternal confusion upon the gathering of my enemies that they may not be able to carry out their operations against me and that they may not be able to succeed in attacking me. Lord send upon every satanic gathering, every gathering of demonic agents, marine agents, witchcraft agents, Lord send your confusion upon everyone of them that they may never be able to carry out their evil works against me. Send a confusion that will not end, let it fall upon them one by one, let them be confused, let them become mad that they may never be able to continue their attacks against my life.

⇒ Raise up your right hand. Oh Lord of hosts, release your angels of destruction to destroy every prison, cage and building that has imprisoned my life and destiny for years. Every prison, building, every demonic prison or cage that has imprisoned my life for years, let the angels of destruction of the Most High God destroy them now, let the Angels of destruction from heaven destroy them now in the name of Jesus.

Oh Lord of hosts, release your Angels of destruction to destroy prisons and gates that have imprisoned my life and destiny for years.

⇒ Father, let your mighty hand destroy every work the enemy has done, every work the enemy is doing to give me a bitter future, a future that is worse and terrible, Lord let your mighty hand destroy such works now in the name of Jesus. Father destroy every work the enemy is doing and has done to influence my life negatively, to give me a future that is bitter, a failed future, let your mighty hand destroy such works now. Every work that has been done by the enemy, every work that is being currently done by the enemy to ensure that I don't have a successful future, bright future, glorious and a great future, Lord let them be destroyed by your mighty hand in the name of Jesus.

VERSE 5

⇒ It means that God rewards sacrifices. To sow in tears or pain means you are doing things that you would not actually want to do, things that your flesh do not want to do. But the Lord is saying if you sow in tears you will reap in joy. How much have you sown into the Kingdom of God? How much of your life, your skills, potential, time and resources have you sown in God? Most have not left the level they are in currently because they have not been sacrificial.

• Lord, give me a heart that is sacrificial, give me a heart to live a sacrificial Christian life not a comfortable Christian life, not a convenient Christian life, give me a heart that lives a sacrificial Christian life. Lord give me a heart that is sacrificial, that lives a sacrificial Christian life.

⇒ What do I have to sow? You have a lot to sow into God's Kingdom. You have a life to sow, God needs your life. Before God can be interested in any physical thing you have, He wants you first, He wants a life that is not carnal, ambiguous, a life that is dead to self. You cannot sow if you care a lot about yourself or life, because if you sow with that mindset you cannot reap anything. The first thing you should sow into God's Kingdom is your very life. You must give all of your life, lay down all of your life and it is not easy but very painful to do so. If you think it's easy it's because you have not done it properly. To lay down your life is one of the most painful things to do because almost everything you like is not what God likes and you have to give them up and deny yourself of them.

• Father, I want to sow my life completely into you, your Kingdom, and your ways, Lord I want to lay down my life, help me. Lord, I want to sow my life to you, into your Kingdom, into your spirit, I want to hand over my life to you, I want to give you all of my life, Lord help me. Lord I want to die to myself, flesh, human nature and I want you to take my life and give me your own life to live, Lord help me in the name of Jesus.

⇒ It's not easy to sow your life because you are revoking your own decisions and desires, you are saying from now onwards my feelings and desires do not matter

anymore. You are saying that you are nobody, you are only what God makes of your life. There is a Grace that will help you if you are willing to sow your life to the Lord. Most people who think they have done this, have not truly done it though they say they have surrendered their lives but when God tests them to prove it, they always fail.

•Father, give me the grace to completely sow my life to you without any reserve, give me the Grace to hand over my life completely to you. Lord give me the Grace to completely sow my life without holding anything back.

⇒One thing that I know about a life completely given to God is that what you will get will be far more glorious than what you have laid down. When you surrender all to the Lord, what you will get back from the Lord, the life you will get back is always far glorious and better than what you have sown or laid down. Those who say laying down all your life means trouble and suffering don't really know God or the ways of His Kingdom.

•Father, I am ready to trade my life for a better life that is in you, Lord take this life, give me that better glorious life that is in you for me in the name of Jesus. Lord, I am ready to trade my life for a better life in you, give me the best life and victorious life that is in you. Give me the glorious prevailing life that is in you, that life that is full of strength, victory, wisdom, success, Grace and prosperity, give me that life oh Lord. I want that life, I lay down this life to receive that life right now in the name of Jesus.

⇒The reason why in some services some people receive blessings and miracles while others don't is because some have sown and others have not, some have qualified for those miracles while others have not because they have not done what heaven expects of them. It is possible that you have not done enough to qualify for a miracle that you have been praying for for years and God is not being wicked by not giving it to you because He has a divine principle of sowing and reaping, and you must have sown enough to reap.

•Father, help me to do sacrifices that are important for me to receive the blessings I am already due for in the name of Jesus. Lord help me to do the sacrifices that are very important to receive the blessings that I am due to receive in Jesus' name.

⇒Some people have been deceived to think that they have done enough of sowing where else they have not done anything. They are looking for rewards but have not done enough sacrifices. They are looking for rewards that do not match their sacrificial level. You have to make sure you do enough in what you have to do for God, do it with the whole of your mind and heart and do it the way it should be done, for you to get the reward attached to it.

•Father, give me a heart of understanding and wisdom that will sow properly that I will reap bountifully. Lord give me a heart that is willing to sow enough, give me a heart that is wise enough to sow properly into your Kingdom so that I can reap bountifully in the name of Jesus.

⇒ Those who sow in tears shall reap in joy; it also means that you must be willing to do things that you don't enjoy to do beyond normal.

• Father give me a heart that is willing to sow in tears, to serve you even when it is not convenient or comfortable for me, a heart that is willing to do things that are not convenient so that your name can be glorified, so that souls can be saved, help me to do things that are beyond normal, human sense knowledge oh God give me such a heart and mind that is willing to do so. Lord give me the Grace, heart and mind that is willing to please you when it is not comfortable, a heart that is willing to sow in tears, oh Lord give me such a heart.

⇒ You always have something to sow, you don't have to be a millionaire but you can sow from the little that you have into the Kingdom of God - this is where most people get it wrong. Except the poor sow, they would not reap. It is a lie that the poor cannot sow because if they don't sow they will not be blessed. God is testing us to see if we love Him, it's not like God needs anything from us but He just wants to know if we love Him enough to give out of the little that we have.

• Father, teach me how to sow even from the little that I have, teach me to look at my life and know what I can offer to the Kingdom of God so that I can reap great rewards. Father teach me how to sow from what you have given me, from everything you have given to me that I may receive great rewards from you.

⇒ 2 Corinthians 9: 6, if you want bountiful rewards you must so bountifully, if you sow small you also reap small. Just as there's a Grace to give from the little that you have, there is also the Grace to give beyond normal. Most of the servants of God you celebrate today have given more than they can tell you, that is why they have reaped so much, they got so much more than what they gave because God saw that they really loved Him to sow that much. Sowing much requires you to sit and decide as to how you will give because you want much from God, if you are manipulated into giving, you will not get to the results.

• Father, give me the Grace to sow bountifully into your Kingdom, to give beyond normal, help me to give in a manner that is strange, give me the Grace. Lord give me the grace to sow bountifully so that I can reap bountifully in the name of Jesus, Amen.

PRAYER POINTS

⇒ Father, thank you for your outstretched arm that is working in my life, situations, career, calling, destiny, marriage, home and family. Thank you for your mighty hand working in my life, in my body, soul, spirit and finances. Thank you Lord for your hand that is operating in my life, working for my good. "Thank you for your mighty hand (x3)". Lord, thank you for your hand is working in my life, your mighty hand is working in my life, your outstretched arm is working in my life, thank you Jesus.

⇒ Father let your glory fall upon my life and let me be satisfied by your glory in the name of Jesus. Father let your glory descend upon my life, let the fullness of your glory descend on my life and let me be satisfied by the same glory, let my hunger be satisfied and let my thirst and desires be satisfied by the same glory in the name of Jesus. "Oh God let your glory fall x2" oh God you are the King of glory, let your glory fall on my life, career, calling, environment, and situation, Let your glory fall and let me be satisfied by your glory, let me be filled by your glory, let me be satisfied by your glory, let me be filled by your glory in the name of Jesus.

⇒ What you need in your life is the glory of God. When the glory of God comes in your life, you will lack nothing and you will be satisfied.

•Raise up your right hand. Father let your glory fall upon me, let your glory come with healing, deliverance, breakthroughs, revival, supernatural strength, anointing, and transformation, let it fall upon me and come with every benefit that my life needs at this time. Lord, let your glory fall upon me and as it is coming let it come with healing, power, Grace, blessings, anointings, breakthroughs, sanctification, holiness, let it come with the fear of the Lord, righteousness and purity in the name of Jesus, let it come with the riches and wealth, let your Glory fall Lord. Father release your glory, release your glory upon me right now and let it come with power, Grace, deliverance right now in the name of Jesus.

⇒Place your right hand on your head. Holy Spirit, lift me up to be caught up with the glory of the Lord, let me be fully immersed in the glory of the Lord till all my life is transformed into the same glory, till I become one with the glory of the Lord. Holy Spirit, lift me up to be immersed in the glory of the Lord till I am transformed into the same glory, Holy Spirit lift me up, lift me up spirit, soul and body and let me be caught up with the glory of the Lord. Oh God, let me merge with the glory of the Lord, let me be fully immersed in the glory of the Lord till I become one with the glory of the Lord in the name of Jesus.

⇒The glory of the Lord has a supernatural magnetic ability to draw you into itself just as Jesus was drawn into heaven and was caught up into the cloud which is the glory of God.

•Father, let your glory descend upon me and let my spirit, soul and body be completely magnetised, be completely drawn into your glory in the name of Jesus. Father let your glory come upon me now and magnetise all of me into itself, let my spirit, soul and body be received into your glory in the name of Jesus. Let your glory come upon me and draw my whole being into itself in the name of Jesus.

⇒You may not know how important it is to be immersed in the glory of God. Some of the things that happen when you are immersed in the glory of God is that you will have COMPLETE DELIVERANCE. Because in the glory of God there is no captivity; no darkness and no demon can survive in His glory. This is why every Christian must seek for the glory of God.

•Raise up your right hand. Father, I am hungry for your glory, I am thirsty for your glory, let your glory receive me that I may be completely delivered, let your glory receive me into itself that I may be completely free. Father I am desperate for your glory, thirsty and passionate for your glory, let your Glory receive me now that I may be completely delivered. Let your glory receive my body, soul and spirit right now in the name of Jesus that I may be completely delivered from every captivity of darkness, from the power of sin, from every devil and darkness, Lord receive me into your glory.

⇒When the Holy Spirit begins to lift you up into the glory of God, it will be as though you are flying; that is how you will feel in your spirit. You suddenly become very light like a feather and there is nothing as beautiful as being in the glory of the Lord.

•Place your right hand on your head. In the name of Jesus, I come against every weight of sin, pollution, darkness that is not allowing me to be caught up into the glory of God, fire of the Holy Cross remove them from my life, detach them from my life and destroy them. Every weight of worldliness, darkness, pollution that is making me too heavy to fly in the spirit, every weight of addiction, corruption and righteousness, unbelief and fear that is not allowing the Holy Spirit to carry me into the glory of God, catch fire of the Holy Ghost and die, be destroyed in the name of Jesus. Every weight of darkness that is not allowing me to be caught up into God's

glory, be destroyed by the fire of the Holy Ghost, be detached from my life by the fire of the Holy Ghost right now in the name of Jesus.

⇒The realm of God's glory is the most beautiful place where every believer should desire to be. Not just once in a while but for you to live all your life in it. Once you test the realm of God's glory you will never desire to leave it because it is too sweet to deny.

•Father, let everything I have entangled my life with that is disqualifying me to have access to the realm of your glory, let them be cut off right now from my life in the name of Jesus. Father let whatever thing I have bonded my life with that is not allowing me to be caught up into the realm of the Lord, Lord deliver me right now, cut them off from my life. Everything I have attached to, everything that has attached to myself that is disqualifying me from living, dwelling, and operating from the realm of God's glory, let them be cut off right now from my life in the name of Jesus.

COLOSSIANS 3:1

⇒The knowledge or truth of the gospel is the fact that when Jesus died on the cross we died in Him, when He was buried we were buried in Him and when He rose up, we were in Him rising up from the grave, when He ascended into heaven, we were in Him ascending in heaven and when He sat at the right hand of God, we are also in Jesus seated in heaven right now. You must experience each of these dimensions of God's grace, each of these victories that happened when Jesus died, was buried, rose and ascended as a Christian, if you don't experience them, then you are missing a lot.

•Father, I want to be free from every limitation that is blocking me from experiencing all the realities of your glory and Grace, Lord deliver me from those limitations right now. I want to experience the realities of your glory, the powers of your glory, the powers of your grace, I want to experience each of them, deliver me from every limitation that has not allowed me to experience these things. Father, deliver me from every limitation of sin, unrighteousness, unholiness, limitation of the flesh, darkness, demons, witchcraft, every limitation of curses, every limitation that is not allowing me to experience all the realities in your grace and Glory, Lord deliver me now in Jesus' name.

⇒The moment Jesus died on the cross of Calvary is power. The moment He died, a divine power, a dimension of God's grace appeared on earth instantly and that Grace is still here on Earth. What is that power? 1. it is the power that has defeated sin, 2. it is the power that has defeated Satan (principalities, powers of darkness, demons, witchcraft - everything called darkness), 3. it defeated all manner of sickness and diseases. And this power was given to men to benefit from it free of charge. If sin is still ruling over your life it means you have not gone to the Cross to meet the power on the cross that has defeated sin, if you are still bound by Satan, witchcraft, marine spirits it's because you have not gone to meet that power that has already defeated

them all. If you're still bound by sickness and diseases, why not go to meet with that power? That power is still on earth at this very moment.

•Place your right hand on your head. I come to you Lord Jesus, let the power in the death you died on the cross operate in my life and give me complete victory over sin, Satan, demons, darkness and sicknesses. I come to you Jesus, I want that power that appeared the moment you died on the cross of Calvary to deliver me, heal me, set me free, I want to be free, I want that power to work in my life. I want the power that appeared the moment you gave up the ghost on the cross of Calvary to work in my life, Lord let it work now in my spirit, soul, body, let it work, let it work. I believe in the power of Jesus on the cross of Calvary, I believe in the power of Jesus, let this power work for complete healing in my life, complete deliverance, complete victory in my life. I refuse to be a slave to sin, a slave to demons, slave to Satan, slave to sickness and diseases, let the power of Jesus work in my life right now in the name of Jesus.

⇒The other dimension of the Grace that appeared was when Jesus was buried. This power is to kill your sinful nature, the flesh. Every human being was born sinful and wicked, though some may appear to be good but because they have not given their lives to Christ, God is not happy with the good they do because they are not doing it from the nature of Christ but they are doing it from the Adamic nature. Something inside of them is still not pleasing to God because the nature of Adam in them has not died. Until the nature of sin is dead in your life, you can never please God despite how much you can try.

•Place your right hand on your head. I come to you Jesus, let the power in your burial destroy the strength of sin in my life, destroy the Adamic nature in my life. Lord, let the power in your burial destroy the pleasure of sin in my life, I don't want to serve sin, I want to have power over sin, I want to be able to control myself from sin, I want to have power to stop myself from sinning against you, Lord give me that power. Lord, I come to you, let the power in your burial destroy the Adamic nature in me, the human nature in me, Lord just as you died and was buried, let this human nature in me die right now in the name of Jesus.

⇒Another dimension is when He rose from the dead/the grave and it is the power of transformation that changes you into a new creature, another man that has a divine nature, full of the Spirit of God, full of the presence of God, another man that cannot sin against God, this is what this power has to do in your life. It will change you into somebody different from what your parents and friends knew. Has this power changed your life? Are you still the same person that your parents knew when they gave birth to you and watch you grow? Has anything changed in your life?

•Place your right hand on your head. Lord Jesus I come to you, let the power in your resurrection work in my life, let it change me completely to a new creature that is like you. Let the power in your resurrection change my spirit, soul and body into another creature; a divine being, into a new creature that is like you Lord, let this power work

in my life. The power that is in your Resurrection, let it change my life, transform my life, Lord I want to become the person you want me to be, thank you Father.

⇒The reason why we preach the gospel is so that you will have the opportunity to fulfill your destiny as it is in God before you were born. If the gospel of Jesus does not change your life into a new creature, you can't fulfill the destiny you have in God as you should. That is why you must become somebody new that is not a slave to sin, not a slave to your sinful nature, someone that is free so that you will become that person God wants you to be before you were born.

•Place your right hand on your head. Father let the power in the resurrection of Jesus transform my life into the person that will fulfill the destiny you have for me in you, the destiny you have set for me in you, Lord let me change to the person that can fulfill that destiny. Lord let the power in the resurrection of Jesus change me into the man/woman that will fulfill the destiny you have set for me before I was born, change me into that person, destroy my human nature and let me put on my divine nature, let me put on the nature of Christ, let me become the man that will fulfill the destiny you have set for me before I came into this world, change me into this man.

⇒You may not understand how dark, evil and wicked this human nature is until God begins to transform you. How you allow Him to change you will also determine how long it will take before you are ready to fulfill your destiny. How much you have surrendered to Him will determine how long it will take before you will be ready to fulfill your destiny. As He is changing you, He will be using you, as He will be changing you, He will be putting you in places where you will fulfill destiny, as He is changing you He will be blessing you to fulfill destiny. The more you are transformed, the more you will be able to fulfill that destiny as it is. He will not keep you somewhere and wait until you are fully transformed but as He is changing you He will be using you. Many people have not fulfilled 5% of their destinies yet we consider them as very successful people who have achieved great things in their lives but in the sight of God they have not fulfilled 2% of their destinies because they have not surrendered much to God to be changed to fulfill more percentages of their destinies. The more transformed you are, the more of your destiny you will fulfill. God will not give you access to a realm you don't deserve, you have to be transformed to a creature/ nature that can dwell in that realm. If you need God to give you access to riches and wealth of His Kingdom, you must be transformed to the kind of person that can receive that honour and privilege because it's not everyone who will receive that privilege and honour.

•Father, let the power in the resurrection of Jesus change me and prepare me to fulfill all that is in my destiny in you. Lord change me into a man that will fulfill all that is in my destiny in you, change me now oh God. Lord change me spirit, soul and body. Lord prepare me right now that I may be that person, that I may be able to fulfill all that is in my destiny in you.

⇒ Some believers get angry and frustrated when certain things are not going well in their lives and they start questioning God, why me? You might never know that those things happening in your life are meant to change you even though they are unpleasant. He allows those things so that you can be changed to qualify for the height He wants to take you. God took David through a very long wilderness journey before He set him on the throne. If he was not prepared the way he was prepared, he would have misbehaved and failed just as Solomon failed. You need to have wisdom to make good use of the situations that God is subjecting you to at this time.

- Father give me wisdom to make good use of every situation I pass through at this time, give me wisdom to allow you to use these situations to change me, give me wisdom to be humble enough so that you can use the situations, both pleasant and unpleasant happening in my life to change me into a new person, oh Lord give me wisdom to make use of them. God give me wisdom to allow you to use the situations of my life to change into the person that will fulfill my destiny in you, help me to allow you to change me to the person that can ascend to the throne you have prepared for me, to change me to be the person that can rule from that throne, to change me to the person that can fulfill the destiny you have set for me in you. God give me wisdom to make good use of the situations you have placed in my life both pleasant and unpleasant situations, thank you Father.

⇒ The power in the Resurrection of Jesus is going to be much needed in these last days. Some of the healing miracles God will be doing will be by the power in the Resurrection of Jesus because those miracles will be creative miracles. Though there is power in the death of Jesus for healing, the power in the Resurrection is greater than the power in the death of Jesus because this one will be doing a lot of creative miracles. If there's something that is dead in your life the power of the Resurrection of Jesus is able to bring them back to life as if nothing ever died and this power is the power that raises dead people.

- Place your right hand on your head. Father let the power in the Resurrection of Jesus bring back to life every good thing that has died in my spirit, soul and body let them come back to life now. Every good thing that died in my life, let the power in the Resurrection of Jesus bring them back to life right now in the name of Jesus. Every good thing in my spirit that died, every virtue I used to have, every passion I used to have for the Kingdom of God, let the Resurrection power of Jesus bring them all back to life right now. Lord whatsoever in my life that has stopped functioning properly, every good thing in my life that is dead, that has stopped working, Lord connect me with the power of Resurrection of Jesus and let these things come back to life right now in the name of Jesus.

⇒ This power of Resurrection can operate in your finances, career, marriage, calling, ministry and in all areas of your life and in each day of your life - some people are living in a dead timeline.

- Father, connect every affair of my life with the power of the Resurrection of Jesus and let everything that is dead in my life come back to life. Father connect every area

of my life, every facet of my life, every affair of my life with the power in the Resurrection of Jesus and let every good thing that is dead come back to life, (You can mention any part of your life that you know needs to come back to life). Lord connect my marriage, finances, career, business, calling, destiny; connect every part of my life with the power in the Resurrection of Jesus and let them be revived, let them come back to life in the name of Jesus. Every good, great and beautiful thing that was once alive in my life but now is dead, oh God let the power in the Resurrection of Jesus bring them back to life right now in the name of Jesus.

⇒ Some people are living in a dead timeline, the Bible talks of redeeming the times because the days are evil Ephesians 5:16. A timeline that is dead is a timeline that has been hijacked by the kingdom of darkness. It is possible that the calendar of your life has been hijacked by the kingdom of darkness and everything that is happening to you everyday is what they want to happen to you. They even influence how you think, what you say, what you do. They are the ones who control everything and this means your timeline is completely disconnected from God and heaven and God has no place in your time. The power in the Resurrection has the ability to redeem your time and take over your time from the hands and control of the dark kingdom

•Raise up your right hand. I invoke the power in the Resurrection of Jesus to fall upon my time and timeline and let there be complete redemption of my timeline from this hour henceforth. I call on the power of the Resurrection of Jesus to fall on my timeline, on my time, on my days, let my time and days be redeemed in the name of Jesus. Let my days be redeemed from the powers of darkness, let my timeline be redeemed from the power and control of darkness, let my days be taken back from the control of demons and forces of hell in the name of Jesus. I invoke the power in the Resurrection of Jesus to redeem my timeline, to redeem my time, my days from the hands of evil kingdoms of darkness, from the hand of the control of darkness, from the hand of the enemy, from the hand of Satan, and of witchcraft, oh Lord let the power in the Resurrection of Jesus redeem my time, my timeline and days right now in the name of Jesus.

⇒Another dimension of the resurrection power is that it **CORRECT ERRORS AND MISTAKES THAT HAPPENED IN THE PAST**. These are usually errors that happened before you were born or after you were born when you were not able to differentiate between right or wrong. If your parents did what was wrong before they gave birth to you not only will they reap from the consequences they did but you and everyone born out of them. Some of our ancestors committed terrible sins before God especially with idol worshipping and human sacrifices and some went into terrible covenant with the devil. The power in the Resurrection of Jesus is able to disconnect you from the consequences of these things that you were born into.

•Raise up your right hand. I invoke the power in the Resurrection of Jesus to disconnect my life from every consequence, mistakes, sins and errors my ancestors and parents committed, let the power in the Resurrection of Christ disconnect me

from them. Let the power in the Resurrection of Jesus disconnect my life, calling, destiny, career, marriage, home, and ministry from every consequence of the sins my ancestors and my parents committed, let my life be completely disconnected from the consequences, sins and errors my parents and ancestors committed right now by the reason of the power of the Resurrection.

⇒ The power that appeared when Jesus died on the cross and the grace that was released when He was buried were activated because Jesus rose from the dead. If Jesus had not resurrected, the power and the grace would have been useless. The power in the Resurrection of Jesus is working together with the power in the cross of Jesus, the power in the shedding of His blood, the power in His death and the power in His burial. When God wants to fast-forward your deliverance He will combine all these powers together and visit you and in a twinkle of an eye your life will be greatly transformed.

• Raise up your right hand. Lord Jesus, visit my life with all the powers of redemption and give me a fast forward deliverance and breakthrough, a fast forward victory and healing right now. Lord Jesus visit my life right now with all the powers of redemption and let me experience a fast forward, quick deliverance, a quick transformation, breakthrough and victory. Lord visit my life with the full package of the power of redemption and let me receive a fast-forward deliverance, breakthrough and victory in the name of Jesus.

⇒ It also DELIVERS YOU FROM POVERTY. Some people think that God did not deal with poverty but He dealt with poverty on the cross, in the grave and at the Resurrection of Jesus. Poverty is as a result of sin, both of your sins and the sins of your ancestors. People who have been redeemed by God should not lack any good thing, even Jesus said Father give us this day our daily bread. Jesus dealt with poverty on the cross. Even though Jesus was not rich, He was not poor, Christians may not be rich in the context of the world but they are not poor people because God is committed to take care of them.

• Raise up your right hand. In the name of Jesus I invoke the power in the Resurrection of Jesus to destroy the strength of poverty in my life. Let the power in the Resurrection of Jesus destroy the strength of poverty in my marriage, home, family, career and calling in the name of Jesus.

⇒ Christians are not poor people because by the reason of the Resurrection of Christ they are connected to the creative power of God. Even if what you need is not available God can create it just as Jesus did the miracle of multiplication and more than 5000 He fed. The power in the Resurrection of Jesus is a creative power that can create anything. When you encounter that power nothing will be impossible to you. Anything that has defeated death has defeated poverty because poverty is an agent of death. Anything that has defeated death can make food items come out of nowhere.

•Father, let the power in the Resurrection of Jesus begin to create in my life every good thing that is missing, every good thing that I need to fulfill destiny, let them begin to appear right now by the power of the Resurrection. Lord let the power in the Resurrection of Jesus begin to create every good thing that I need in my life, every good thing that is missing in my life to fulfill my calling and my destiny, let the power of the Resurrection of Jesus begin to produce them now because that power has defeated death, the Earth and everything and that power can do anything. Lord let the power of Jesus produce in my life everything that I need to fulfill destiny, thank you Father in Jesus' name, Amen.

Everything that is dead in your life, because you are connected to the presence and power of God in this meeting, I command them to come back to life in Jesus' name. ⇒Father, thank you for your faithfulness, thank you for being so kind to me, gracious to me, thank you for taking great care of me as a father does to a child. THE ASCENSION OF JESUS

⇒The Ascension of Jesus gives us hope that Jesus is coming again with a physical Kingdom that is going to rule over the whole world. Many Christians have forgotten that Jesus is coming, they have lost hope and are not prepared. To be full of the hope of Glory is to be mindful of heaven, to be mindful of who you are in Christ, to where you are, and where you belong.

•Father let the hope of Glory that the early Christians had in them appear in my heart, let the same hope come alive in me. Let me be mindful of heaven, let the hope of Glory that was there when you were ascending to heaven fill my heart. Lord, let the hope of Glory that filled the hearts of the early church as you ascended to heaven, let the same glory fill my heart. Help me to be mindful of who I am in you, help me to be mindful of where I belong, of where I am, who I am in you, Lord help me to keep this in mind always. Oh Lord help me to keep eternity in mind always, help me to keep meditating about where I belong, help me Father.

⇒The moment Jesus ascended in the realm of the spirit we also ascended in him. As He was ascending we were ascending in Him, as He is seated you are also seated in Him. How will you be awakened to this reality if you do not have a mindset of Christ? If you do not have the same mind that is in Christ, this reality will not be awakened in you. According to the scriptures, we are heavenly people and not earthly people and God is looking for people who have the same mind as the mind of Christ. Stop seeing yourself as earthly people, that is how you will start to walk in the reality of this truth of ascending and living in the glory of God.

•Place your right hand on your head. Father, from today let my mind change into the mind of Christ. Let my mind be transformed, be renewed and become like the mind of Christ. Father from now onwards let my mind change into the mind of Christ.

⇒ Father destroy every form of conformity binding my soul to the world system, every form of similarity that is between me and the people of the world, let them be destroyed now. In whatever area I have been conformed to the standards of this world, systems, dictates and control of this world, Lord deliver me now. In whatever area I have been conformed to the system of darkness, in whatever way I have surrendered to the laws of this world, Lord deliver me now. Break in pieces every conformity with the world in my soul, destroy them now in the name of Jesus. Every stronghold in my soul binding me to the world, binding me to the darkness in the world, let them be destroyed now in the name of Jesus.

⇒If you are to fly in glory, you must seek those things which are above. What are you seeking, whether earthly or heavenly things, whatever it is will determine the realm you will operate from.

•Father I choose to see those things which are above, I choose to live for the things which are above, I choose to always desire the things which are above, Father help me. I choose to seek only after things which are above, help me Father not to be distracted. I refuse to be distracted to be a hypocrite, a lukewarm Christian, I refuse

to be a failed Christian, a defeated Christian, I refuse to be a polluted and corrupted Christian, I refuse to be a Christian who is living below the standard of God, Lord help me to seek the things which are above.

⇒ If you must become anything in this world, it must be because of the Kingdom of God, Matthew 6:33. It means while you are doing anything on earth you must always lift up your hearts to the Kingdom. The Kingdom must always be supreme, the one ruling and in-charge of anything you do on earth.

• Father, help me to surrender everything in my life to the authority and dominion of your Kingdom. Help me to surrender everything I do and have to the Lordship, authority and dominion of your Kingdom. Lord help me to give up everything in my life to your control. Help me to lay them down to you, to hand them all over to you including my life, career, marriage, abilities, talents, and qualifications, help me Lord to hand them all over to you.

⇒ All other things will be added unto you because the Kingdom of God has a plan, a purpose and mission here on earth. When you surrender to the Kingdom of God, the Kingdom of God will give you everything that you need to fulfill your purpose on Earth, everything you need to serve the Kingdom. The kingdom of God will not give you the resources if you have not handed over your life to the Kingdom so that you can produce profits for God.

• Father, help me to be awakened to my divine purpose on earth, awakened to the reason why I am still here on earth and help me to fulfill them. Help me Father to be awakened to the reason why I am still breathing, the reason why I am still alive, why I am still existing, why I am here. Help me to be awakened to that purpose and help me to fulfill it, help me Father in the name of Jesus.

⇒ When it comes to sacrifices, a lot of Christians are found wanting but when it comes to self-centred things many Christians are so excited. Selfless people are the people who operate in the realm of Glory, not self-centred people who only focus on themselves, their families, jobs or careers.

• Father, help me to join the selfless people who are operating in God's glory, a generation of people who have forgotten about themselves, who don't think about what will profit them but what will profit others and heaven. Father, help me to be qualified to operate in the realms of Glory, help me to live a selfless life, Lord help me to be sacrificial.

⇒ Philippians 2: 5-7. How many Christians have come to a point whereby they can turn themselves to nothing? The highest level of humility is when the Creator came to save those whom He created, there's no other humility higher than this and the Bible says have the same mind in you, the mind of someone making themselves as nothing.

• Father, fill me with the same mind that is in Jesus, the mind of nothingness, the same mind that made Him to take the form of a servant, the mind that made Him to

be obedient to the point of death, Lord let that same mind be in me. The same mind that made Him to reduce Himself to a lamb ready for the slaughter, the mind that made Him to think Himself as nothing and ready to die, Lord give me that same mind. A mind that is willing to give up everything for the Kingdom of God, Lord give me the same kind of mind.

⇒ Love made Him give up everything. How many are willing to love God enough to give up everything to the point of being obedient to death. It doesn't mean because you love God you have to be killed physically, though sometimes it can be that especially in countries where they are persecuting Christians. But this death is to dying to everything in this world, everything you desire to have or to be, the death whereby all of you is no more.

• Father, help me to love unto death, help me to love you unto death, to love your people unto death, help me to love the people that you love unto death. Lord help me to have the level of love that will make me willingly give up all to you, that will make me willingly give up all for your people, help me to have such love in the name of Jesus.

PHILIPPIANS 2:9

⇒ This exaltation was as a result of His level of love, humility and obedience unto death. In the Kingdom of God you do not attain a height that you do not deserve. There are some things that God will do for you just because He wants to draw you closer to Himself that you don't deserve, but when we talk of being exalted or being given places of power, authority and dominion, places where God placed people like Elijah, Moses etc, the realms of authority and dominion that He placed them, you must qualify for those places. It just doesn't come because God is merciful and kind and "He can just give me anything", it doesn't work like that in the kingdom of God. How much have you lost or given up for the Kingdom of God? Some heights are not attained by confession of scriptures, but you have to live the life that will make you attain those heights.

• Father, help me to qualify, to attain that position you have reserved for me in glory, help me to live a life that will qualify me for that place, that height you have prepared for me in glory. Lord help me to live a life that will qualify me to reach that height you have prepared for me in glory, help me Lord.

⇒ Jesus was already exalted before He came into this world (verse 6), but the redemption plan to redeem people who were enslaved by the adamic nature meant a high level of sacrifice because, for there to be redemption without love it meant total destruction of all mankind and starting afresh but to avoid that, Jesus had to come in level of sacrifice by dying in place of all men. Every person that will fully enjoy the benefits of redemption must follow the steps of Jesus, live the life He lived, be sacrificial as He was, sacrificial love unto death as He did, this is the divine standard for everyone.

•Father, every strength of pride in my soul that is not allowing me to partake and experience all of the benefits in your redemption plan, destroy that strength now. Destroy the strength of pride, disobedience, self-centeredness and arrogance that will not allow me to enjoy the full package of redemption. Let the strength of anger, self, the flesh that is not allowing me to enjoy and receive the full package of redemption, Lord let them be destroyed right now, let that strength be broken in Jesus' name.

⇒There is this rebellious nature in every man that came out of Adam that always wants to test God if He is able to do this or that, wanting God to prove Himself as true. The nature of resisting the will and mind of God, not wanting to do what pleases God but only wanting to do what pleases oneself, this nature is in every man. You need to be delivered from this nature or else you will end up where Satan ended up because that's the same thing that brought him down, questioning God's authority. Sometimes you will not know that you have this nature until God gives you assignments and you find out that you never want to do anything about it or when He challenges you to do what is right, then you realise you never really loved God.

•Father, let every rebellious nature that I have secretly embraced in my life, die right now. Lord deliver me from every rebellious nature I have secretly embraced deep down in my soul and heart, let it die. Whether I am aware of it or not, let it die right now. I want to please you Lord.

⇒The ascension of Jesus authorises that while we are physically here on earth, we can operate in glory and become like spiritual beings.

•Raise up your right hand. Father let your glory that has covered the whole earth touch me where I am here right now and receive me up into itself. Lord, I know according to Isaiah 60 that your glory has covered the whole earth, I want to be caught up into this glory, I want to be received into this glory, let it this glory touch me and receive me into itself. I want to be received into the glory of the Lord, I want to be caught up into the glory of the Lord, I want to operate, live, move, and walk in the glory of the Lord. Lord let your Glory that has covered the earth touch me and receive me into itself in the name of Jesus. ***I decree over your life right where you are, let the glory of God touch you now in Jesus' name. Let the glory of the Lord come upon you right now and let it receive you into itself. Let your body, soul, spirit be caught up into the glory of the Lord in Jesus' name.**

⇒The glory of the Lord has filled the whole earth and God wants all the Christians to be awakened unto this glory, to live and be caught up into this glory. God does not want you to be a natural or ordinary man but He wants you to be a supernatural, extraordinary person, someone who is in heaven while on Earth. The first thing that must happen to you is for you to be awakened to the glory of God that has filled the whole earth

•Father, help me to be awakened to see, know and feel the glory that has covered the whole earth, let my spirit, soul, body be awakened to the reality of the presence

of your glory in the earth at this time in the name of Jesus. Lord let all my spiritual senses be activated to see, to know, touch, feel your glory that is in the Earth. Lord, if the people of old could see your glory, I want to see your glory as well in Jesus' name.

⇒The Kingdom of God is not trying to defeat the kingdoms of darkness because it has already defeated them. What we are doing now as Christians is enforcing the victory that the Kingdom of God has over the kingdoms of this world. We are not trying to win, we are enforcing we are showing the demons, and Satan that they are defeated already, and telling them to go to where they belong. When a kingdom captures another kingdom, it holds it bound or captive, and that is exactly what the Kingdom of God has done to the kingdoms of darkness, the kingdoms of Satan and the kingdoms of this world. It is in the glory of God that you will practically see how much the Kingdom of God has defeated all the dark kingdoms. Until you enter into this glory realm, you will still be trying to fight and win battles.

•Father my soul is hungry for the realms of glory, for that realm where there is no more captivity, no more slavery, weakness, sickness, and curses; my soul is hungry for the realm where there is complete victory over everything, Lord take me into that realm. My soul is hungry for that realm in your glory where there is no weakness, slavery, defeat, failure, darkness, oppression of darkness, sickness or disease, Lord take me there, Lord I want to be there.

⇒You need to fight from the realm of Glory, the realm of heaven and no matter how terrible the battle is, you will never be defeated because this is the realm where they are defeated. In this realm no power can defeat you. You can face millions of hosts of darkness and you will bring them down whether they're humans, demonic or whatever powers.

•Father, translate me into the realms of your glory where real victory is certain, for every battle that confronts me. Lord translate me spirit, soul and body into the realms where I can never be defeated, where I can never lose a fight, where victory is sure for me for every battle that confronts me. Lord translate me now spirit, soul and body, I want to fight from the realm of Glory, the realm of victory, the realms of heaven not the physical, I want to fight from the realms where I cannot fail, lose or be defeated, where I can always win, I want to fight from this realm, Lord translate me now.

⇒Even Satan knows that he who is from above is above all. As Jesus is seated in the heavenly places so we are also seated with Him, above powers and principalities but these things are beyond confession. You have to press forward to experience those realities. Yes, you are seated in Christ but you have to be activated, where you have to encounter it for you to be there practically and operate from there practically. One of the purposes of the Holy Spirit in your life is to activate you in the realms of heaven.

•Holy Spirit of God, activate me to see, know, experience and operate in the realms of heaven where Jesus is seated. Holy Spirit, activate me to the realms where Jesus

is seated for it is written that I am seated in Him, Holy Spirit of God activate me in that realm. I want to walk from that realm, see, operate and flow from that realm, Holy Spirit activate me now, activate my spirit, soul and body.

⇒What makes this realm above every other realm is that it is the realm that gave birth to everything and to every other realm. The realm where Jesus is is the realm that gave birth to every other realm, every living thing, visible or invisible. To operate from that realm is above all, everything listens to you and does what you say when you speak from this realm. When a man speaks and it comes to pass, it means that man spoke from this realm. If God does not approve anything from that realm it will never happen on earth.

•Place your right hand on your head. In the name of Jesus, I position myself in the heavenly realms where Jesus is seated and I speak to manifestation every will of God for my life, calling and destiny now in the name of Jesus. I speak to manifestation every will of God for my life, calling and destiny. I speak to manifestation every mind of God for my life, calling, career, and destiny for this moment of my life. I speak them to manifestation right now because I am in the heavenly realms where Jesus is seated, I am speaking them forth now, let them come to pass, let them appear on earth now in the name of Jesus. I speak the physical manifestation, the visible manifestation of all the will of God for my life, calling and destiny , I speak them now to appear, I speak from the realms where Jesus is seated in Jesus' name.

⇒Colossians 1:16, everything was created for Him including Satan.

•Raise up your right hand. In the name of Jesus, from the heavenly realms where Jesus is seated, I speak to manifestation all the resources, help, blessings, riches, and wealth that I need to fulfill my divine calling and divine destiny in the earth, I speak them to physical appearance and manifestation now in the name of Jesus. I speak from the heavenly realms where Jesus is seated the manifestation of the resources, materials, wealth that I need to fulfill my calling and destiny on earth, I command them to appear now, I command them to locate me now, I command them to manifest now in the name of Jesus.

⇒From that realm of Glory you have the power to control powers and principalities. Principalities are one of the highest dark powers that are ruling the universe but as powerful as they are, you can control them from these realms where Jesus is seated.

•Raise up your right hand. From the realm where Jesus is seated, I channel destruction, the wrath of God, the anger of God upon every principality of darkness that is working against the fulfillment of my calling and destiny. From the midst of Jesus where He is seated far above powers and principalities, I channel destruction against the queen of heaven, from the midst of Jesus where He is seated in the heavenly places, I channel destruction against the queen of the sea, the queen of the coast, the queens of darkness under the earth, the princes of darkness in the heavenly places, in the second heaven, I channel destruction against them, let the

anger of God visit them now. Every goddess, god, ruler of darkness, princes of darkness, personality of darkness ruling from the sky, from the planets, ruling from the stars, I channel destruction upon them now in the name of Jesus. Every principality and sources of hell fighting my destiny, I channel destruction upon them from the midst of Jesus far above heavens. Anger of God destroy them now, wrath of God destroy them now in the name of Jesus.

⇒All things were created by Him and for Him means that when a man is living for Jesus, everything Jesus created will work in the favour of that man because everything was created for Jesus. Governments, kings, presidents will work for your favour just as it did for Daniel and the three Hebrews, whether they like it or not they have to work in your favour because you are living for Jesus. You see how powerful it is to live for Christ? If your life can align with the life of Jesus and you live for Jesus, everything in the world will serve you and work for you.

- In the name of Jesus, let everything Jesus created begin to serve the fulfillment of God's purpose in my life, the fulfillment of God's calling in my life in the name of Jesus. In the name of Jesus I decree because I am in that realm where Jesus is seated, I decree that everything Jesus created both in heaven and on earth, under the Earth, visible and invisible, both in darkness and in the light, that they begin to serve God's purposes in my life, begin to serve the fulfillment of God's vision, God's story for my life now.

⇒If any of the things that Jesus created do not want to serve Him, He will get rid of them because they must, whether they like it or not bow before Him, they must agree and serve His will, and support His plans. Whether it's governments, systems, organisations, personalities that will not be for Him must be uprooted, taken down. It's either they bow to Him or they are wasted.

- Raise up your right hand. In the name of Jesus, by the authority of Jesus let everything that is refusing to agree, surrender to the will of God for my life and destiny, I decree that they bow, I decree that they surrender in the name of Jesus. Every system (be it demonic, government or human), personality that is refusing to agree to the will and performance of the will of God for my life and destiny, in the name of Jesus let them be brought to subjection whether they like it or not. Every system, organisation, kingdom that is contending with the fulfillment of God's will for my life, by the authority of Jesus let them be brought into subjection by force. If they will not agree, let them be uprooted by the hand of God, if they will not surrender, let them be eliminated by the hand of God for it is written all things were created for Him by Him, therefore anything created by Jesus that is refusing to submit and surrender for the fulfillment and performance of the will of God for my life, calling and destiny, let them be subjected by force, by the hand of God and if they don't want to agree, let them be uprooted forever in the name of Jesus, Amen.

There is so much in these realms that we have been praying about, it is my desire that you would take these prayers seriously and continue to pray them until you find yourself in these realms.

CLOSING PRAYER

Raise up your right hand.

King of glory we thank you for there is none like you, thank you Lord for the greatness of who you are, thank you for your power that does not fail, thank you for your mighty hand that makes impossible things possible. Thank you Lord for your ability to take us from this earthly realm into the realm of your glory, into the realms of heaven, thank you Lord Jesus be glorified forever in Jesus' name.

Lord your people have presented themselves before you, they have prayed with the whole of their hearts wanting to operate in the realms of your glory where true victory is, where true deliverance is, where there is no failure. Oh Lord I ask that in your mercy lead them all into these realms and keep them there forever in Jesus' name. The realms of Glory that you have so much desired, let the hand of God pick you up and keep you there forever in Jesus' name.

I pray that the Spirit of the living God that is living in you will begin to activate you to become awakened to the realities of God's glory, let the Holy Spirit inside of you begin to do these operations now in the name of Jesus. Whether it's daytime or noon, it's night time or at midnight, whatever time let the operations of the Spirit of Christ, the operations of the Holy Ghost never stop until you are fully awakened and activated into the realities of the glory of the Lord, let it be so concerning you in Jesus' name.

I pray for you that as heaven is busy bringing many all over the world into glory, you will not be disqualified in Jesus' name. Anything you are holding in your hands, minds or hearts at this time that is going to disqualify you from being part of the glory revival that is to take over the whole world in these last days, may you begin to get rid of them now in Jesus' name, let Jesus help you to get rid of all those things in Jesus' name.

I pray for you that you will not fail in the name of Jesus. Thank you Father because we know you have answered, in Jesus' mighty name I have prayed, Amen.

PRAYER POINTS

⇒Father, thank you for what you are going to do in my life tonight, thank you for how you are going to touch me, thank you for how you are going to help me, for indeed you are going to bless me. Thank you Father because you are going to visit me tonight, you are going to revive me, you are going to restore me, thank you because you are going to prosper my life in Jesus' name.

⇒Father, send your power into my life and let it work wonders in my life in Jesus' name. From your throne Lord release your power into my life, from your throne Father release your fire into my life and let it work wonders in my life right here, right now in the name of Jesus.

⇒Father, let your mighty hand open for me a great door of glory, let your mighty hand open a great door that will lead me into glory, a great door that will lead me into prosperity, a great door that will lead me into overflowing blessings. Lord let your mighty hand open such a great door unto me and let the door remain open forever in Jesus' name

⇒Raise up your right hand. Almighty God, from today onwards connect me with opportunities that will lift me up to the place of great glory and honour, into a place of

great success, prosperity, into a place of overflowing blessings, Lord let your mighty hand begin to connect me with such opportunities in Jesus' name.

⇒Father, step into the journey of my life and control everything and everyone to work together for my good. Lord step into the journey of my life and begin to control everything and everyone to work together for my good in the name of Jesus.

⇒The Lord is showing me that there is a presence of darkness in your life that is making you weak spiritually. When it comes to spiritual things you are always too weak to do them effectively. Even when you end up doing those spiritual things, you don't do them effectively because there's a presence of darkness in your life that is against your spiritual growth and spiritual advancement in God, against your spiritual knowledge of God.

•Father release your fire upon every demonic presence following my life to weaken my spiritual connection with you, every demonic presence attacking my soul, attacking my spirit, body, mind, emotions and my feelings to weaken my spiritual connection with you, Lord release your fire to consume them now in Jesus' name. Let them catch fire of the Holy Ghost in the name of Jesus.

⇒Some of you are thinking thoughts that are not your thoughts, some are having imaginations that are not your imaginations, do you think they are your thoughts or imaginations? No, they are not your thoughts, they are coming from another mind and have been enforced on your mind.

•Place your right hand on your head. I bind every darkness that is enforcing the mind of Satan, enforcing another mind to rule over my mind, I bind any power enforcing the mind of evil upon my mind, enforcing a demonic mind over my mind, enforcing demonic thoughts upon my mind, I bind you now in the name of Jesus.

⇒Raise up your right hand. In the name of Jesus, let fire fall and arrest every wind of confusion the enemy has sent into my life, let fire arrest and destroy them right now in the name of Jesus. Every wind of confusion that has been sent into my life, fire of the Holy Ghost, arrest and destroy them in the name Jesus, arrest and melt them forever in the name of Jesus.

⇒Place your right hand on your head. Fire of the Holy Ghost remove from my eyes every satanic scale blocking my spiritual vision, remove from my eyes demonic scales blocking divine revelations in my spirit, blocking divine revelations in my soul, let those scales catch fire now in the name of Jesus.

⇒Father let your power work mightily in my life to give me great testimonies, to give me a multitude of testimonies. Lord, I want to share more testimony, I want to have more testimonies, I know you have given me testimonies in the past but I want to share more testimonies of your wonders. Lord let your power work greatly in my life and let it lead to a multitude of testimonies in my life in the name of Jesus.

⇒ Father connect my spirit, soul and body to the healing streams that flow from your throne and let whatever that has been damaged in my life be supernaturally healed in Jesus' name.

⇒ Raise up your right hand. Father you control time, you have complete authority over time, hasten the manifestation of your promises for my life, hasten the manifestation of your will for my life and destiny. Lord you have power over the calendar, you have power over days, you have powers over the hours, minutes and seconds, Lord hasten the manifestation of your will for my life in the name Jesus.

⇒ Father, let every ugliness in my life be swallowed up by your beauty, let everything in my life that does not match up with your beauty disappear and let your beauty be revealed in my life in Jesus' name.

⇒ The Bible told us how Jacob so loved Joseph and because of that love he sewed a coat of many colours to show how much he loved him among all his sons. He sewed that coat and clothed him with it, the same way God does when He wants to show how much He loves His children, He beautifies their lives, He decorates them with His glory and I believe God is about to do similar things to your life at this time.

• Father decorate my life with your beauty and glory to show the world how much you love me, to show your enemies how much you love me, to show the witches and wizards how you love me in the name of Jesus.

⇒ In the earthly days of Jesus Christ the Bible told us how a voice came from heaven saying "This my beloved son in whom I am well pleased". God confirmed from heaven that Jesus is from Him, therefore there are some miracles that will be very public in your life because God will be trying to show everyone you are His.

• Father, reveal great signs and wonders from heaven to confirm publicly that I belong to you, to confirm publicly that I am your son and that I am your daughter in Jesus' name.

⇒ Father, let the root of my hardship, sorrow and suffering be utterly destroyed by your fire, let your angels utterly destroy the root of my sorrow, suffering, slavery, problems, captivity, poverty and hardship, Lord let your angels utterly destroy their roots now in the name of Jesus.

⇒ Some of these roots of darkness can be inside of you. Some people when God is about to perform their miracles, they will begin to manifest one foolish or ungodly attitude and their miracle will be aborted, why? because the angel on assignment does not want to see that attitude or mindset in their lives.

• Place your right hand on your head. Fire of the Holy Ghost destroy every root of darkness in me that is making me manifest attitudes that are against God, that are

making me manifest behaviours that are against God and righteousness, Fire of the Holy Ghost destroy them now in Jesus' name.

⇒ In the name of Jesus I refuse to serve another purpose different from the purpose of God for my life, I refuse to serve another will different from the will of God for my life. Lord guide me by your Holy Spirit into serving only your purpose, guide me by your Holy Spirit into doing only your will in the name of Jesus.

⇒ Father, authorise the manifestation of my blessings in dry impossible places. Father by your mighty hand command the manifestation of my blessings from dry and impossible places right now in the name of Jesus.

⇒ Father, let the people you have ordained to help me to lift up my life be willing to do it. Let the people you have ordained to help me be willing to hear my vision and proposal and let them be willing to help me, let them be willing to support me, let them be willing to do what you have commanded them to do in the name of Jesus.

⇒ It is possible for God to connect you with people who are ready to do more than you need to succeed. For instance, when you ask for a million, they are willing to even give you hundreds of millions - yes it's possible! God can connect you with people who will see helping you as their calling, them not helping you will seem like they are not fulfilling their calling. So you need those kinds of helpers in your life, not helpers that you will beg and plead with before they do what God has commanded them.

• Father, send into my life destiny helpers that will see my life and destiny as a project they must fulfil. Destiny helpers that will see my life, calling and destiny as a project they are living for, Lord send into my life such kind of helpers in Jesus' name.

⇒ Raise up your right hand. In the name of Jesus I come against every hold of witchcraft upon my life and destiny, every hold of witchcraft upon my life and destiny, Fire of the Holy Ghost consume them now in the name of Jesus.

⇒ If you have been finding it difficult to do what is pleasing, what is right in the sight of God, finding it difficult to overcome sin and temptations, worldly pleasures and sinful desires then you need to check for the fear of God in your heart.

• Father, fill me with the Spirit of the fear of God that I may fear you enough to obey you. Lord fill me with the Spirit of the fear of the Lord so that I may walk righteously before you, so that I may do what is right, that I may please you with my life, please you with my money. Fill me with the Spirit of the fear of the Lord so that I may please you with my career, to please you in every area of my life continually. Holy Spirit let the fear of the Lord fill my heart that I may please God always in Jesus' name, Amen.

CLOSING PRAYER

Raise up your right hand.

King of Glory thank you for your presence in our midst, thank you for your power in our midst, thank you for the signs and wonders you have done as we prayed. Lord thank you for miracles you have done, even miracles we would wake up in the morning to see, miracles we will discover this week. Lord thank you for the mighty miracles that you have already released and thank you because they are already in the atmosphere, oh God be praised forever in Jesus' name.

I pray for you that henceforth you shall not lack any good thing you need in life and destiny in Jesus' name. Before you exhaust a blessing much more blessings will have come to you in Jesus' name. There will never be a time that you will lack any good thing that you need to fulfil God's purpose for your life in Jesus' name.

I speak over your life that you shall be blessed in Jesus' name. In the day time you shall be blessed, in the noon, in the morning, you shall be blessed, in the night and at midnight you shall be blessed in the name of Jesus.

Every negative utterance that men have spoken into your life, that evil men, demons, agents of Satan, demonic personalities have spoken into your life, I cancel them all now in Jesus' name.

Every word that is meant to terminate the manifestation of your promises from the Lord, every word, every utterance that is meant to stop the fulfillment of God's promises for your life, whoever says those words, wherever they come from, I decree those words are cancelled now in Jesus' name. Whatever God has not said concerning your life shall not come to pass in Jesus' name. As it is written 'who is he that speaks and it comes to pass when the Lord God has not commanded it?', everything men have spoken, everything devil have spoken that is contrary to what God has said concerning your life, I decree they are turned to nothing in Jesus' name.

You will live to fulfill your destiny in the name of Jesus and you will fulfill your destiny at the right time in the name of Jesus. You will not spend additional years before you fulfill your destiny in Jesus' name. The fulfillment of God's promises shall come to pass now in this every age you are, you will see the fulfillment of God's promises and prophecies come to pass in Jesus' name. Thank you Father because we know it is done, in Jesus' name, Amen.

⇒When we fight spiritual battles we fight with the Word of God but it's possible that when reading the Word of God you don't see the light that is there. If you don't use the Word of God according to the revelation it will not work for you. If you don't believe the Word of God according to revelation it will not work for you.

•Father, let the light of your Word appear to me that I may be victorious than the works of darkness, that I may stand and walk in victory, Lord let the light of your Word appear to me. ⇒The Lord is showing me that some of you, in the place you are living there is a physical demonic presence. You may not see them but they are always there and they are affecting your life. Sometimes demons can be present in a place and not affect you but these ones are affecting you.

•Raise up your right hand. In the name of Jesus, I invoke the fire of God upon every demonic presence in my environment causing limitations in my life, promoting limitations and delay in my life, let fire of God destroy them now. I invoke the fire of God upon every demonic presence in my room, in the bathroom, kitchen, living room, my compound and my environment, let every demonic presence catch fire now in the name of Jesus. Every witchcraft presence, every presence of witchcraft animals, demonic creatures in my house and environment, in every apartment of my building, fire of the Holy Ghost destroy them now in the name of Jesus.

⇒ Spirit of the living God lift up a permanent standard against the flood of darkness that comes to attack while I am sleeping in the night, lift up a permanent standard against spirits of darkness that comes to attack me in the middle of the night as I sleep. Spirit of the living God raise up a permanent standard, raise pillars of fire to push back floods of darkness coming at me in the middle of the night and stop them forever. Pillars of fire appear to stop them forever in the name of Jesus.

⇒ Father, let your mercy produce uncommon, unusual miracles in my life and situations. Father let your mercy produce unusual miracles and uncommon miracles in my life at this time in my situations in the name of Jesus. Oh God, perform unusual miracles in my life, in my finances, and in my career. Lord in my present situation, let your mercy perform unusual miracles so that your name may be glorified, so that your name may be praised in my life in Jesus' name.

⇒ When darkness is strong in your life, anything they want to happen to you will happen. Sometimes the devil will not block your blessings, he will not stop you from receiving your blessings or hijack those blessings from getting to you but what he will do is continue to do his own work in your life to the point that those blessings will mean nothing. He will frustrate everything in your life such that the things God is doing in your life will not prosper, succeed and this happens when darkness is strong in your life. Because their presence and network is strong in your life, whatever they want to happen at any particular day or time will definitely happen.

⇒ Father weaken and destroy every strength of darkness in my life, let not the will of the enemy be able to prevail, be able to succeed or happen in my life in the name of Jesus. Father weaken and destroy every strength of the enemy, every strength of darkness that has been prevailing in my life, my situations, career, marriage, over my spiritual life, spiritual growth, spiritual advancement, in my calling; every spirit of darkness that has been prevailing in my life, limiting my life, oppressing my life, oh God by your fire weaken and destroy them now in the name of Jesus. Every strength of darkness seated in my environment, life, in my situation to ensure that evil continues to prosper and happen to me, oh God by your fire weaken and destroy them.

⇒ Raise up your right hand. Father open your heavens over my life and let heavy rain of abundant blessings, rain of all that I need in my calling and destiny, let it begin to fall upon my life. Oh Lord open your heavens, open your heavens, Father open your heavens (x4), upon my life and let heavy rain of abundant blessings, riches, supplies, spiritual and physical blessings, resources, Lord let it begin to fall upon me, upon my life in the name of Jesus. Heavy rain of blessings, heavy rain of excessive blessings, excessive riches, excessive Grace, dominion, power, prosperity, glory and greatness, let them begin to rain now heavily upon my life, calling, destiny, career, ministry, and marriage in Jesus' name.

⇒ In the name of Jesus let the keys of heaven begin to open every spiritual padlock, demonic padlocks that are behind limitations in my life, calling and destiny. Every satanic padlock, witchcraft padlock, demonic padlock behind my limitations, limitations in my finances, destiny, calling, career, ministry, let the keys of the Kingdom of heaven begin to open them now in the name of Jesus. ***I decree over your life that the keys of the Kingdom of heaven open every padlock that witches and wizards have used to limit your progress, success, and prosperity. I declare that they are open now in Jesus' name.**

⇒ Place your right hand on your head. In the name of Jesus I disconnect my life from the control system of the kingdom of darkness, I disconnect my mind, my body, spirit, my soul, I disconnect my daily activities, I disconnect my life from the control systems of darkness right now in the name of Jesus. I disconnect my life, destiny, calling, finances, mind, family, spirit, ministry, marriage, and thoughts from the control systems of darkness. No darkness shall control my life, no darkness shall rule over my life from now henceforth in the name of Jesus.

⇒ If you are not spiritually strong at this time you will not go far. Once when listening to healing testimonies in a particular church, the Spirit of the Lord said to me if those people are not strong spiritually something worse will come up on them in 4/5 years and then it will be as though God did not do anything in their lives. You need to be a very strong believer who will stand, fight and win spiritual battles. Even after God has blessed you, you might encounter even more terrible things that will make those blessings meaningless.

• Raise up your right hand. Father, make me spiritually strong enough to face the weight of darkness upon this age and overcome them all. Father train me, build me and make me strong enough spiritually just as you did with David so that I can be able to face the weight of darkness in this present age and overcome them. Make my spirit, soul, mind, body strong enough to face the darkness upon this generation and win in Jesus' name.

⇒ PRAYER FOR THOSE ATTACKED IN THE DREAM (be it eating in the dream, sexual attacks or being injected e t c).

• In the name of Jesus, I receive fire to fight back in the realms of my dreams and overcome. I receive fire in the name of Jesus (x5), I receive fire in my spirit to fight back when I am being attacked in my dream and overcome. I receive fire to fight back in the realm of dreams and overcome in the name of Jesus. I receive fire to fight back witchcraft attacks in the realms of my dreams and overcome them right now in the name of Jesus. I receive boldness, strength, fire to fight back in the realms of my dreams and overcome in the name of Jesus. ***I decree over your life, receive the impartation of fire of victory in the realms of dreams right now in the name of Jesus.**

⇒I receive the garment of honour and celebration the Lord has prepared for me, I put it on now in the name of Jesus. I receive the garment of honour and celebration heaven has prepared for me, I receive it and I put it on in the name of Jesus. I receive the garment of honour and celebration that heaven has prepared for me, I receive it right now in Jesus' name. ***I declare, receive it now in Jesus' name.**

⇒PRAYER FOR THOSE WITH EYE PROBLEMS

•Every problem in your eye, come out right now in the name of Jesus. Every problem with your sight, come out in the name of Jesus. Begin to see properly. I don't want to know the name of what they call it, receive your healing right now in the name of Jesus.

⇒Fire of the Holy Ghost destroy every curse of poverty, suffering and scarcity prevailing in my life, house, home and kitchen. Fire of the Holy Ghost destroy them now, break the curse of scarcity, curse of poverty following my life, let them be broken now by the fire of the Holy Ghost. Curse of poverty, curses of scarcity following my life, be broken forever from my life, family and home now in the name of Jesus.

⇒In the name of Jesus, I receive appointments that are meant to lift up my life. I receive the manifestations of appointments that are meant to lift up my life, I receive them now in the name of Jesus. Job appointments that are meant to lift up my life, I receive them in the name of Jesus. Invitations, phone calls, text messages, contacts that are meant to lift up my life, I receive them now in the name of Jesus.

⇒Father, destroy every trap of destruction secretly waiting for me, every trap set on my journey of life to destroy my life. Every angel of destruction, spirit of destruction secretly waiting somewhere in my days on my timeline to destroy my life, oh God of Israel destroy them now, slaughter them now in the name of Jesus. Father destroy every angel of untimely death, every destruction, plot of destruction that has been set ahead of me, set in my journey of life to destroy me, let the sword of the Lord destroy them, let the fire of God destroy them, let the angel of the Lord destroy them now in the name of Jesus. Every trap of destruction secretly set on my journey of life to cut short my life, fire of God destroy them now in the name of Jesus. Angel of the Lord, destroy them right now in the name of Jesus.

⇒In the name of Jesus I cancel and nullify every negative utterance, negative spoken word that has been uttered against my life, calling and destiny. Every spoken word of evil, utterances of evil that has been uttered against my life, uttered against my career, my destiny, progress, ministry; uttered against my rising to the place of success and greatness, I cancel them in the name of Jesus, I nullify them right now. Every negative utterance of darkness, witchcraft, evil utterance, evil incantations, witchcraft spells that have been released against my life, calling and destiny I cancel

them now in the name of Jesus. There is nothing greater than the name of Jesus, there's nothing stronger than the name of Jesus, there's nothing higher than the name of Jesus, so I cancel them now in the name of Jesus. Whether the words were spoken when I was born or when I was young, whatever utterance that was sent in the atmosphere to hinder the manifestation of my calling and destiny, I cancel them now in the name of the Lord Jesus, in Jesus' mighty name, Amen.

I decree that an end shall come to your sorrows, pain, sufferings, hardship now in the name of Jesus. I decree that you shall no longer be oppressed. Powers and forces of darkness that have been stronger than you, I decree from now onwards you shall be stronger than them. I don't want to know how powerful they are but God shall raise you above them all, you shall oppress them and they shall not be able to oppress you anymore in the name of Jesus.

You shall lay hands on the sick and they shall recover instantly in the name of Jesus. You shall cast out demons and demons shall run in the name of Jesus. The power of God shall fall upon you, with the anointing of the Lord upon you, you shall no longer be defeated in battles but you shall begin to walk in victories, you shall begin to possess your possessions. You shall begin to walk in dominion that is for you in Christ Jesus and so shall it be in the name of Jesus.

I speak over the government of your country; the policies and the activities of the government of your country shall favour you henceforth in the name of Jesus and the Lord shall make a place for you in the marketplaces of the world where you shall

earn great profits in the name of Jesus. Thank you Father because we know you have answered in Jesus' mighty name we have prayed, Amen.

PRAYER POINTS

⇒Father, thank you for choosing me, thank you for calling me out of darkness into your light, thank you for making me your own. Thank you for adopting me and making me your son. Father, thank you for choosing me, thank you for setting me free, thank you for showing me the truth, thank you for setting me free by the power of your truth, your Word. Thank you Jesus for making me your own, thank you for enlisting me among those you have redeemed, among those who are saved and delivered, among those whom you have called out of darkness into your light. Thank you for counting me among such a generation, thank you Jesus.

⇒Place your right hand on your head. In the name of Jesus, I disconnect my life from every flow of darkness that is bringing evil into my life. I disconnect my spirit, soul and body from every flow of darkness channelling evil into my life, bringing addictions, slavery, pollution, wrong things into my life, I disconnect from that flow in the name of Jesus.

⇒ Raise up your right hand. In the name of Jesus, I receive divine weapons of war to fight and win battles of darkness confronting my life and destiny. I receive weapons of war from heaven to fight and win battles confronting my life. I receive great weapons of war, great weapons of mass destruction, weapons to defeat territorial devils, weapons to smash in pieces territorial witchcraft, environmental darkness, to crash in pieces powers and forces of hell, I receive them now in the name of Jesus. Weapons that defeat principalities in the heavenly realms, that defeat ancestral demons, ancestral covenants of darkness, I receive those weapons right now in the name of Jesus.

⇒ Raise up your right hand. It is my season of promotion, elevation, greatness, therefore I enter into promotion now, I enter into greatness now, I enter into the realm of exaltation now in Jesus' name. I enter into that place where I am promoted and honoured, I enter into that realm right now. I enter into that timeline where I am honoured and promoted. It is my season of promotion, of greatness and elevation therefore I walk into that season, I walk into the manifestation of the promotion, greatness and elevation right now in the name of Jesus.

⇒ Raise up your right hand. In the name of Jesus, let the heavens be shaken by the power of God till all the promises of God for my life are fulfilled, until the promises of God for my life manifest, let the heavens be shaken. Let all the forces of heaven begin to shake, let all the powers of heaven begin to shake, let thrones, kingdoms in the heavens begin to shake, let principalities and powers begin to shake until the promises of God for my life are done. "Let the hand of God begin to trouble the heavens, let the power of God shake the heavens x4" until the promises of the Lord upon my life come to pass in Jesus' name.

⇒ Father every change that must first happen to me for me to experience the greatness, honour, glory, miracles and success you have promised me, let that change begin to happen in my life. Every change that must happen in my relationships with the people, in my attitude before your glory is magnified in my life, before I begin to see greatness happen to me, Lord let those changes happen right now so that I may be prepared for the work that you want to do in my life. The changes that must happen in my environment and situations so that I can walk into the greatness, success, glory you have already ordained for me, let those changes happen right now. The miracles that must first happen before the greater miracles begin, Lord let them happen now in the name of Jesus.

⇒ It's possible for you to be trapped in one hundred thousand realms in the spirit. There are billions of realms in the spirit world and they are holding many people captive and those people might never know that they are captured because everything seems to be going well in their lives. Except you are delivered from those realms, things will never change in the physical dimension, things will continue going

the same way they have been going and there will not be any change. The same limitations you were facing will continue to be the same limitations that plague you.

•Raise up your right hand. In the name of Jesus I come out of every realm of darkness that is promoting confusion, slavery, oppression and evil in my life. By the fire of the Holy Ghost I come out, I come out of every realm of darkness that has trapped me in the spiritual world. I come out of them all, realms of darkness that have trapped my soul, that have trapped my spirit, that have trapped my body, my finances, calling, destiny and marriage in the name of Jesus, I break out of them all.

⇒Father let the strength of your glory destroy the strength of darkness in my life. Let the strength of the presence of God destroy the strength of darkness in my life right now. Let the strength of God's glory, the strength of God's presence destroy the strength of darkness in my life now in the name of Jesus. Let the strength of God's presence and the strength of God's glory destroy the strength of darkness prevailing in my life right now in the name of Jesus.

⇒The glory of God is not always the same as the presence of God. There is a slight difference right here on Earth. The glory of God is that presence of God that is powerful and full of victory. It makes impossible things happen, it is the presence of God that is almost the same as the one in heaven, the presence of God that commands the same authority and dominion that is in heaven. There is a presence of God that is hidden from people, it cannot be felt - whereby God is there but He chose not to glorify Himself. People cannot see or feel Him but He is there, not operating or doing anything. Christians should carry the glory of the Lord not just the common presence of God but a presence of God full of power, dominion, victory and authority. Such a presence is where you should be, walk in and live always.

•Father let your presence in me and around me transform into your glory. Father your presence in me, around me and within me, let it change into your glory, let it change into fire and power now in the name of Jesus. Let your presence in me and around me change right now into your glory.

⇒The more of the truth of God's Kingdom you know, the more deliverance, transformation and victory you will experience. In the realm of the spirit truth is like a sword, so when you fight based on the truth of God's Word, you will receive victory very quickly because the truth is naturally victorious and it always prevails.

•Father let all the truth in you be revealed to me that I may walk in victory and be free completely, that I may overcome in the battles of life. Lord, expose to me the truth in you, reveal to me the truth in you, I want to live by the truth, speak by the truth, walk in the truth, show me the truth of your Kingdom. I want to fight with the truth, show me the truth in Jesus' name.

⇒In the realm of the spirit there is no deception or confusion. All the principalities and powers know the weight of your words when they look at you, they know how many truths of God's Kingdom you have and how much of God's light is in you. In

the physical realm you can speak as if you have something that you do not have but you can't deceive personalities in the realms of the spirit because when they are looking at you they're looking at everything that you are and everything you stand for. They know if you are a liar or not, I'm not talking of the angels but your enemies (demons and principalities) they know if you are a liar, a fornicator or a deceiver because everything in the realm of the spirit is open. They know those standing for the truth and they are scared of those people. They know those whom they can attack, they know your words and how heavy you are in the realm of the spirit. That is why you need to know the truth and begin to live by it.

•Father help me to embrace your truth, help me to live by your truth, help me to live all my life based on the truth not on deception or lies but on your truth. Lord I want to live and walk in the truth, I want to follow the truth, I want to practise and live by the truth, help me Lord Jesus because you are the truth. All the truth that is in you expose it to me and help me to live by it, help me Father, help me Father in Jesus' name.

⇒Many people claim to know the truth and teach it or preach it but the truth has not prevailed in them. Their attitude towards the truth is wrong but outwardly they look like they are okay but inwardly they have not surrendered to the truth. There are people who teach or preach about realities they have never experienced. It is not enough to know the truth by the head, the truth must prevail in you.

•Father let your truth prevail in me, let me become one with your truth, let your truth prevail inside of me not for it to be just in my head but for the truth to become my life and my life become the truth. Lord, I want such an experience, let it happen to me. Father let your truth prevail in me, let your truth become me and let me become your truth, let each of your truth become one with me and let me become one with the truth. Lord help me to fully surrender to your truth.

⇒It is not enough to read the Bible or meditate on the Bible, it is important that you read the Bible and let everything in the scripture become alive in you. You live out the scriptures, you live the life of God and of Jesus on earth. The truth must conquer your life and everything about you must become one with the truth.

•Father let my life and lifestyle begin to reveal your truth to the world from this moment onwards. Lord let my life begin to reveal your truth, when people see me they see the truth. When they hear me speak they hear the truth, when they look at my dressing they see the truth, when they look at what I do and the way I live my life they see the truth. Lord let the truth become my life and my life become the truth, let me live out the truth in the name of Jesus.

⇒There are people who teach the truth but the truth has not prevailed in them, their hearts are not true to the truth. For example you can say God is faithful or He's a great healer but your heart is not true to what you said, you just keep it in your head but your heart is not true to it and you still look for ways to solve problems or your health problems. You don't seek divine intervention first concerning your problem or

health but you seek physical means, that means that your heart is not true to the word that you said.

•Father help my heart to be true to the truth so that I will witness the power, victory and the miracles of the truth. Help me to do the things I believe in, things in your Word, help me to live by them and let my heart be true to the truth, help me Father.

⇒Some people wonder why when the devil attacks them and they shout the name of Jesus nothing happens. Usually when you are under attack and you shout the name of Jesus, thundering, lightning and earthquake should respond instantly and your enemies should be consumed instantly. You quote scriptures and shout the name of Jesus in the middle of an attack and nothing happens because your heart is not true to the truth, that is why the Word of God seems not to be working. The problem is not with the Word of God but with our hearts. If the Word of God is not producing results in your life, it's because there's a problem with your heart. The Word of God is very fast to produce results, faster than any medication you can ever take or wherever you run to for help.

•Lord Jesus, work in my heart, do your surgery in my heart until my heart is pure, true, sanctified, righteous. Lord work in my heart and in my soul. Lord, I want to see your Word work in my life, I want to see it produce results, victories in my life, Lord perform surgery in my heart, till my heart is right before you, till my heart is righteous, faithful and true to your truth.

⇒Christians find it difficult to believe God because they love themselves more than they love God. Why would a Christian not want to believe God if they have surrendered all their lives to God? Why would a Christian be asking God, why God is asking them to do a certain thing? It's because self has not died and you love yourself more and that there is another solution besides God. If there is no other person or option that we would serve, we would serve God truly, that is what the Holy Spirit was telling me. Our faith is weak because our hearts are not believing correctly also that we have second options. It is easy to be lured out of the truth because you have not believed the truth, and that is why when a false prophet comes you easily follow and are deceived because you rejected the truth in the first place.

•Father, help my heart to believe you correctly without a second option, without thinking of having another opinion so that I can witness the wonders of faith. Father help me to believe your Word correctly and to see you as all that I have and all that I need, help me to see and acknowledge that there is no other helper anywhere but you, that there is no other way but you, help me to acknowledge that all my help shall come from you and no other. Father, help my faith to be pure, help me to believe correctly so that I can experience the miracles of faith and the wonders of faith, help me to believe you correctly in Jesus' name.

⇒Ask yourself and think deeply on why am I finding it difficult to believe or trust God? Maybe when you think deeply about this question the Lord will open your eyes

and that is maybe where your breakthrough lies. Are you finding it difficult to believe God because there is another option or solution? If so then you should stop following God because God will not work in your life because your faith is corrupt. When your faith is corrupt in the realm of the spirit you will not be able to produce any results and God will keep disappointing you because He wants you to trust Him completely.

- Father, every corruption of self, flesh, doubt in my faith let it die, I want to manifest a pure faith, I want to be able to hear the voice of God and believe and obey instantly without asking a question. I want to be able to read the Bible, believe it and act instantly without any questions, Lord let every corruption in my faith die. Let every corruption of science, the world's system, corruption of what my ancestors or people say, every corruption of human tradition, everything I have believed that has weakened my faith and made my faith impotent in the realm of the spirit, Lord let them all die.

⇒ Another thing that has limited the victorious manifestations of the truth in the lives of Christians is because we have exalted certain standards above the Word of God and above Christ in our minds. Some people have exalted certain things in their minds than Jesus, if you touch those things in their lives they get mad at you and ask you why you are invading in that particular area of their lives or they will ask you why would you tell them not to do what they are doing despite the fact that the Bible says that such should not be done. And if you continue touching those things in their lives, some will even stop coming to church or talking to you because they have exalted such things above Christ. Are there some standards in your mind that you have exalted above the truth?

- Father let the fire of the Holy Ghost destroy every standard that I have exalted above your will and truth in my mind, fire of the Holy Ghost bring them down right now in the name of Jesus. Father let the fire of the Holy Ghost destroy standards of unrighteousness, pride, worldliness, self-centeredness, sin, lust, worldly pleasure, love of the world, every standard I have exalted in my life above your truth, Lord bring them down by fire in Jesus' name.

⇒The Holy Spirit is the Spirit of truth and He is the best person to guide you into all truth. The Holy Spirit wants to guide many of you at this time. Most miracles I have seen were not because I can pray or fast but because I was guided by the spirit of Truth. Maybe that is how your own breakthrough and miracles will come.

- Lord, I want to be guided by the Spirit of truth into all truth, I want to be guided in the way I speak, think and the way I do things. Lord guide me by your Spirit of truth for by the truth will I be free, victorious, and succeed; by the truth will I move forward. Lord, I don't know the journey of my life, I don't know how to speak, think or live, oh Lord guide me by your Spirit of truth, guide me to do all things right in your sight.

⇒Simple instructions can lead you into great victories. Be sensitive to the guidance of the Holy Spirit and your life will never be the same. It can be a simple instruction not to go out and continue in prayer. A journey of 10 years will become a journey of

50 years if you do not follow simple instructions. Some of the instructions do not make sense at all but you have to obey.

•Father, help me to be obedient enough to obey your instructions and guidance even when they don't make sense, even when I don't understand. Lord help me to be obedient enough to obey and follow instructions even when I can't understand what they mean, help me Lord to always obey despite.

⇒Ezekiel was a man of God, such a man that the Spirit of God would come upon him and carry him and he would travel in the spirit. These kinds of manifestations are going to be common in these last days.

•Place your right hand on your head. Father release upon me the anointing of Ezekiel, anointing to be lifted up in the spirit, anointing to travel in the spirit, to see the deep revelations that would liberate souls and destinies, to see deeper revelations that will liberate territories, nations, homes, and families. Release upon me oh God of Israel the anointing of Ezekiel, the anointing to be lifted by the spirit, anointing to travel through the realms of the spirit, to see and know mysteries of God that will be able to change my life and the lives of others. Mysteries of God that are able to set nations on fire for God, mysteries of God that are able to give everlasting revivals, oh God release such an anointing upon me in the name of Jesus.

⇒Father release upon me anointing that solves problems in the Earth, anointing that gives solutions to the problems of mankind, release such anointing upon me now. Anointing that will make me a solution provider, Lord release upon me such an anointing. Anointing that will make me a solution giver to the problems troubling the world at this time, Lord release upon me such an anointing. Anointing as it were on Joseph, Daniel and the Apostles, anointing to offer solutions to the problems in my generation, Lord release it upon me now in the name of Jesus, Amen.

Father as we have said to your ears, oh Lord let our lives become one with all your truth that we may naturally live and walk in victory, let our lives become one with your truth in Jesus' name.

I pray for everyone of you, everything the devil is doing to confuse, deceive and mislead you, they shall not prosper in the name of Jesus. Everything the kingdom of darkness is doing to confuse, deceive and mislead you shall fail in the name of Jesus.

The grace of God shall uphold you in the name of Jesus. The power of God shall visit you and perfect you in the righteousness of God in the name of Jesus. Henceforth there shall be victories, henceforth you shall possess your possessions, you shall live above limitations, sin and oppression in the name of Jesus.

I pray for you that there shall be an impartation of the anointing of Ezekiel upon your spirit, soul and body, receive that dimension of anointing in Jesus' name. The anointing to solve problems in your generation, receive it now in Jesus' name.

Every truth you are yet to know, not just to know it in your head but know it in your heart that is meant to set you free, I decree, begin to know them now in Jesus' name. Let the Spirit of God begin to reveal life-changing revelations to you now in the name of Jesus.

Every dimension in God you have not yet reached, I decree that the Spirit of God shall take you in them in the name of Jesus. You shall be filled with the fullness of God in Jesus' name. Thank you Father because we know you have answered, in Jesus' name we have prayed, Amen.

KNOWING GOD

PRAYER POINTS

⇒ Father, thank you for who you are in my life, thank you because having you is having all that I need. Father, I thank you for your presence in my life, thank you for your grace, blessings, and power in my life. I thank you because having you is having all that I need to survive, to move forward, to fulfil my calling and destiny, thank you Lord because all these are all inside of you. Father, thank you for having you in my life. You are more than enough, you are alone is more than enough for me.

⇒ Father, open the eyes of my heart, I want to see you, I want to know you, I want to touch you, I want to feel you. Father, open the eyes of my heart I want to see you as you are, open the eyes of my heart, open the eyes of my spirit, I want to see you, open the eyes of my heart, I want to see you.

⇒ It takes mercy to know God as He is. We have Bible scholars who know the Bible from Genesis to Revelation but do not really know God Himself. You can brag about knowing God whilst you do not know Him at all. Anything you do or any prayer you pray by faith in the personal revelation you have of God will always move great mountains and great victories.

•Father, let me find mercy to know you, let me find mercy that I may know you for I want to know you. Father, show me the mercy that I need to know you, send me the help that I need to know you. Lord I need mercy to know you, show me mercy, give me the help that I need to know you. Send into my life all the help that I need to know you for who you are, to know you as you are in Jesus' name.

⇒It also takes a high level of humility to really know God. The level of humility that makes you to consider yourself as nothing and make you honour everyone including

the youngest child or person you can ever come across despite your old age; you need to respect the will of God for their lives and the place of God for those people otherwise you will never know God the way you supposed to.

•Father, help me to be humble enough to know you. Help me to destroy and kill pride in my life, help me to humble myself that I may know you. I want to know you Father, I want to be humble so that I can know you. Help me Lord Jesus take away from me the pride of life because I want to know you.

⇒ Why is it so important to know God? Knowing Him is equal to eternal life John 17:3, which means that those who do not know God cannot have eternal life. They can't make heaven, see God or reign with Him. If you don't know God you will be self-righteous because you will think you are righteous whilst you're not, you will think God is pleased with your life when He is not. Many people are full of self righteousness and that is one of the enemies of God's Kingdom and it is what made the religious leaders kill Jesus and they felt as if they were doing something which was right in the sight of God. Knowing God is not about head knowledge, being able to quote scriptures off head but it's about knowing God experientially and by revelations and visitations. You have to know God by encounters and victories because when you are victorious that is God and He brings victory.

•Father, I want to know you that I may have eternal life, that I may be like you, that I may know your ways and please you with my life. Father, I want to know you, help me so that I can have the life that is in you so that I can love you more and serve you much more. Lord help me to know you, I want to know you so that I can be transformed to become like you, help me oh Lord I want to know you.

⇒Self-righteousness is a very great stumbling block to knowing God. You may have been praying for God to do certain things and when He sends them or sends help, you don't see it and even when He visits you do not know it because of self-righteousness. Self righteousness is whereby you give yourself that righteousness, you see yourself as right before God when you are not. It is when you give yourself credit, you praise yourself, you are counting the good works that you have done. If good works were going to save people, Jesus would not have come. A lot of people including ministers are full of self-righteousness that is why they cannot know God deeply.

•Father, deliver me from self righteousness because I want to know you. Lord deliver me from self righteousness, let self righteousness die in my life. Deliver me from the righteousness that I gave myself, the righteousness that didn't come from you, Lord deliver me from such a spirit of self-righteousness.

⇒It is possible for a Christian to be in bondage of self-righteousness. It is a sin to question God or complain before Him. Many Christians never had a chance to move forward in life because of self-righteousness because they thought they were doing right or were in right standing with God while they were not.

•Father, deliver me from self righteousness, I want to know and please you. Lord deliver me from every self righteousness that is making me to be so conscious of myself, so full of myself, that is making me to praise myself and see myself as something when I am not. Lord deliver me right now from such demonic righteousness. Lord deliver me from such righteousness.

⇒ Another thing that is important when following God is to be a follower of peace. God reigns in the midst of peace, only in the atmosphere of peace can you know God. If you're angry or bitter with someone, you won't know God in that moment because God can only be found in the atmosphere of peace. When you can't forgive, how will you have peace in the atmosphere of anger?

•Father, help me to be a follower of peace, a seeker of peace because I want to know you. When I know you I will be able to please you. Lord help me to embrace peace and reject anger, bitterness, conflict, fights and quarrelling because I want to know you and I can only find you in the atmosphere of peace, help me Father in Jesus' name.

⇒ You cannot know God if you do not love Him because He is love, He made Himself love. One of the fastest ways to know God is through love.

•Father, help me to love you enough to know you. Help me Father to choose the path of love, help me Father to love you enough to love you because you are love, you are love personified in Jesus' name.

⇒ How do we love God? The only kind of love that is recognised in heaven, that heaven identifies with is sacrificial love. Whereby you are out of the way, you forget about yourself, what you have you, you put yourself aside. You are not to have the fullness of yourself or of your desires, that is not the kind of love heaven identifies with.

•Father, I want to love you, give me the Grace to love you correctly, give me Grace to love you selflessly and sacrificially. Lord help me to love without considering myself, without thinking of any benefits that would be mine, help me to love you this way. Help me to love you without considering my desires, ambitions or who I am, help me to love you this way, give me the Grace to love you selflessly. Give me the Grace to put aside my passions, desires, and will, give me the Grace to put aside everything I am to love you for this is how to love you.

⇒ You need an encounter with God to know how much darkness is in you. You need a visitation from God to expose to you how much darkness is in you and unless that darkness leaves, you will not be able to know Him or love Him. You may think you are not wicked until God reveals to you, that's when you will really know how wicked you are.

•Father, give me an encounter with yourself, with your light and Glory that I may be delivered from the darkness in me. Father give me an encounter with yourself, an encounter with your light, an encounter with your glory that will reveal the darkness

in me, that will expose the wickedness in me, an encounter of you that will deliver me from such darkness.

⇒When people see how much God is using a certain person they wish that God would use them the same way. What they don't know is how much that person has crucified his flesh, how much of the darkness in him he has rejected, how much darkness that was deep in his heart he has to let go. Until God exposes certain darkness in you- some can even be habits, then you can't really know God enough.

- Father, deliver me from every secret darkness that I love so much in my heart that is a limitation to knowing you. Lord deliver me from every secret darkness that is locked up deep down in my soul that will not let me know you, oh Lord deliver me now. Deliver me Lord Jesus, you know me more than I know myself, you know me deeply because you made me. You know my spirit, soul, body, feelings and emotions deeply and you know where darkness is hiding in all these places, oh Lord I want you to deliver me. Lord every secret darkness that I care about that has taken deep root in me and will not let me to know you, Lord deliver me from such.

⇒You will know God by delighting in the things God delights in. By being happy doing the things that make God happy, the same things God finds joy in, that is how to love God. Some of you have not begun to do things God has been expecting you to do for a long time because you do not love God. You don't find joy in the things that God finds joy in.

- Father, help me to begin to find happiness and joy in the same things that gives you joy and happiness. Lord help me to derive joy and happiness in the things that you find joy and happiness in, help me Father because this is how I prove my love for you.

⇒We love God by obeying His Word and instruction and following everything He says in the scriptures. When God says love your enemies you have to love them, when He says don't retaliate then you shouldn't, etc.

- Father, help me to obey all the instructions your Bible teaches for this is how I prove my love for you. Father help me for when I have completed all that you will, all that you have commanded for that is when I can prove that I love you completely. Help me to do all the standards of your will that is revealed in the Bible, help me Father.

⇒You love God by giving. Some people are so against giving and they will never make heaven because through giving that is how they are delivered from greed. If you do not give sacrificially there is no how you will be delivered from the god of money. Prove your love for God by giving because God proved His love by giving His only Son. Except you prove it, you don't love God. Almost everyone is enslaved by the spirit of mammon and that is what makes it hard for them to give sacrificially, including ministers of God. To be delivered from the spirit of mammon you have to give sacrificially. It's not about the amount you give, it's about how much the resources have on your soul - the captivity, control and dominion they have on your

soul. It's not about the money but about saving your soul from the captivity of the spirit behind money.

•Father, help me to prove how much I love you through sacrificial giving. Help me to prove my love for you by giving to support your work, your servants, widows, orphans, the poor and the needy, help me Father for I can't do it on my own.

⇒You prove that you love God by loving the people God loves sacrificially. The Bible says Jesus laid down His life for us, you also have to lay down your life for others.

•Father, help me to prove my love for you by loving your people selflessly in the name of Jesus for it is how I will know you. Lord help me to prove I love you by helping the people you love, by taking care of your servants, praying for your servants, by soul winning, Lord help me. Lord help me to begin to love the people that you love and to care about those that you care about.

⇒We will know God by the spirit because He is a Spirit. You will know Him by walking in the spirit and not in being carnal. The reason God gave the Holy Ghost to the church is that we can know Him by the Holy Ghost. If you have the Holy Ghost in you, how much of God do you know by the Holy Ghost?

•Father, help me to walk in the spirit in every hour of my life, help me to be spiritual and not carnal in the name of Jesus. Lord help me to walk in the spirit, to live in the spirit for you can only be found in the spirit, for you are Spirit. Lord help me to set my mind on the things of your Kingdom and not on the things of this world, help me to walk in the spirit. Help me to love to walk in the spirit everyday of my life, every hour of the day, I want to be spiritually minded and not worldly for this is how I can know you, help me Father.

⇒For you to manifest a faith that will work in these last days, you have to know God. You must have a faith that produces results because those who know their God shall be strong and will do exploits. You will know God by His voice, divine messages He sends to you because Jesus says my sheep hear my voice.

•Father, I need your voice, Lord Jesus I need your voice, I need your messages and direction, I need to hear from you, speak to me because I want to know you. Lord, I need your voice that will lead me to knowing you because your voice can reveal you to me. I can know you by your voice, Lord speak to me, send messages and directions into my life that will make me know you. Lord speak to me I want to know you, I can know you by your voice, send instructions that will make me know you. Father minister to me using your voice for then I can know you.

⇒ Another way to know God is through deliverance. It can be personal deliverance without anyone praying for you, casting out devils. Between you and God there's a great darkness and this is the greatest darkness ever; it's not Satan or hell as some think but the darkness between you and knowing God is the greatest of all. The things that are binding you to the realms of darkness, God will have to break those

darkness, yokes, strongholds then you will discover that it is so easy to hear from God, to know God, receive prophetic dreams and divine revelations etc.

•Father, deliver me from every stronghold of darkness that is limiting my knowing you, blocking me from knowing you. Every slavery of darkness that will not let me know you Lord deliver me right now. Every yoke of darkness, slavery of darkness, strongholds of darkness that is stopping me from loving you as you are, Lord deliver me now in the name of Jesus. Lord give me deliverances that will release me to know you experientially, give me deliverances in my body, soul, spirit that will make me to know you very closely and as you are not as I was told. I want to see you and know you for myself as you are, not what I have been told, Lord deliver me to know you.

⇒Another way to know God is by having fellowship with those people who know Him. When you read their books, listen to their sermons or fellowship with them, there is an impartation that happens and there is a hunger that would be transferred to you and you will begin to seek to know Him as well. You need God to connect you to those that have met Him and have had experiences with Him.

•Father, connect me with the fellowship of people that have known you, seen you, people that have had encounters and undeniable visitations with you, Lord connect me with those people and resources that I may have similar experiences in the name of Jesus. Lord help me, connect me with people, places, resources, books, messages, fellowships and brethren that I may be filled with the knowledge of you through those who are filled with the experiential knowledge of you so that I can receive impartation to have similar experiences they had. Lord connect me with messages and sermons that comes from people who are with you, people who really know you in Jesus' name, Amen.

CLOSING PRAYER

Place your right hand on your head.

From this hour onwards you shall rise to know the Lord in the name of Jesus. You shall begin to live above sin to know the Lord in the name of Jesus. You shall begin to overcome witchcraft attacks, demonic operations and every environmental darkness that is not allowing you to know the Lord and flow in His Spirit. From now onwards you shall overcome them all, you shall defeat them, you shall rise above them all and you shall begin to know the Lord your God in the name of Jesus.

I pray for you that self-righteousness shall not prevail in your life, self righteousness shall die in your life for the righteousness of God to take over your life. Self righteousness shall die in Jesus' name.

Receive strength to become who you are in God before you were born, receive strength to change into that man, to change into that person right now in Jesus' name.

The Grace to begin to love God as it is required in heaven, as it is required in God's Kingdom, receive the Grace now in Jesus' name.

The things that want you to serve them, from now on they shall fail, you shall not serve any man or thing but you shall serve only the Lord. The idols in your life that are claiming your service, claiming you to worship them shall be destroyed in the name of Jesus. You shall serve the Lord and only Him shall you serve and not man or money or anything in this world and so shall it be in the name of Jesus. Thank you Father because we know you have answered in Jesus' mighty name, we have prayed, Amen
