### OPENING PRAYER

Father we thank you for your love, we thank you for your faithfulness, thank you for your grace that is sufficient for us, thank you for your power that is working in us, Lord we thank you for making all things work together for our good, we thank you on behalf of our family members and relatives, we thank you because you have kept everyone alive, we thank you Lord for your blessings upon our lives, ministries,

marriages, businesses and careers. Thank you for your blessings that we have enjoyed and received, we thank you Lord for the peace of mind that you have given to us not as the world gives, blessed be your holy name.

Father we thank you for the year 2019, for the wondrous things that you did in our lives, and all the testimonies, blessings, victories and answers to prayers that you gave us last year, Lord we are so grateful because we know only you can do these things, only you did it all for us, thank you faithful father.

Lord we thank you for this ministry, for your power that is so much enthroned in this ministry, we thank you for the healings, deliverances; and those who received revival, repentance, salvation - we thank you for all that you have done in this ministry and all that you are doing, blessed be your holy name. Lord this is the first prayer meeting in the year 2020, Lord we welcome you in this meeting right now.

Lord we welcome you in the fullness of your power, glory, grace, mercy, and strength; Lord we welcome you not just for tonight's meeting but into all the prayer sessions in this new year. Lord come and do wonders, greater works, much more than you did last year, Lord come and do that which only you can do and let your name be glorified and praised all over nations, all over the world through this prayer meeting, thank you father because you shall do more than we have asked.

Today Lord have your way in our midst, let your spirit lead us, let your spirit move amongst us and let your will prevail in this meeting. Thank you faithful Lord, blessed be your holy name, in Jesus' name I have prayed. Amen

## **OPENING REMARKS**

This is the first prayer meeting we will be having in the new year, and I know that something is going to happen to you, something powerful and great. And as many of you are ready to trust God for the manifestation of the impossible, ready to apply your faith and trust God for something man call impossible, I see God doing mighty things in your life. As many of you are ready to believe God for the possibility of the impossible things I see God doing great wonders in your life and family.

## **PRAISE AND WORSHIP**

King of glory we have come to worship and praise you at this hour, be thou exalted father - highly exalted far above powers and principalities, kingdoms, the heavens and the earth, be thou highly exalted, we praise you father, we praise you Lord because all power belongs to you and all glory belongs to you. Blessed be your holy name, thank you faithful father, thank you Lord of hosts in Jesus' name we have worshipped.

## **PRAYER POINTS**

## **THANKSGIVING PRAYER**

⇒Father I thank you for your faithfulness in my life, Jesus I thank you for your faithfulness. I have seen your power, your grace face to face, I have seen your victories, Lord I have seen help; your touch, even the power of your presence, the glory of your presence, thank you for your faithfulness. I have heard and seen your voice, I have heard your directions that you led me throughout last year, thank you for your faithfulness. Your faithfulness towards this ministry, towards my family, finances, health; indeed you have been a gracious God, thank you father.

⇒Father I thank you because the plans of the wicked did not succeed over my life, marriage, family, calling, destiny and business, throughout last year, from January to December, all the enemy's plans you terminated them. I thank you Lord because the enemy had planned to destroy my life, ministry, and calling but you stood as the Almighty, as the rock of defense, you stood as my refuge and you fought my battles and gave me victories over the enemy. When the enemy came like a flood your spirit lifted a standard against them and defeated them. When I was being oppressed in the middle of the night you appeared and fought them, when the enemy wanted to bring me down you upheld me, you did not allow me to fall through sin. Thank you faithful father.

⇒Father I thank you for those prayers I prayed that you answered, a lot of people didn't have answers to their prayers but you answered mine. Lord I thank you, thank you for sudden answers to prayers. Even while we were praying you were answering our prayers. Thank you Jesus.

⇒Thank you father you did not allow the enemy to create problems that could not be solved, thank you for your preservation.

⇒Thank you father because you kept me standing in the faith, you did not allow sin to prevail over me, or for the devil to succeed over my soul but you kept my soul from destruction. Thank you for keeping my soul because the devil wants me to backslide and go back into worldliness and sinfulness but you kept me standing, righteous, faithful, pure and clean; thank you Lord for that grace. Thank you for the grace to have the fear of the Lord, the grace to repent every time I did something wrong, thank you for the grace to remain in Christ, thank you Jesus.

## **PRAYING ACCORDING TO THE WORD OF GOD FOR 2020**

[Luke 1:19-20;35-37](#)

### **GOD IS SAYING IN THIS YEAR 2020, WITH HIM NOTHING SHALL BE IMPOSSIBLE**

⇒Raise up your right hand: Father I believe in this word that says nothing shall be impossible, Lord everything that has been impossible for me in the last year, Lord I

believe in this word let them become possible from this hour. Lord, this year let those things become possible because all power belongs to you, I believe nothing is impossible with you, and that there is a grace in 2020 that makes things possible, Lord I agree with this word. Let every good thing that has been impossible in my life, ministry, calling, business, and career, let them begin to become possible in Jesus' name.

⇒Raise your right hand: Lord take me to the realm where all things are possible at the mention of the name of Jesus. I want to walk into that realm from this hour henceforth, the same realm you walked when you were on this earth, where you moved in the days of old where nothing was impossible. Move me into that realm where the blind see, the lame walk, Lord take me there right now in Jesus' name.

⇒Raise your right hand: Father I come before the throne right now, Lord everything that has been termed impossible in my life, Lord let that thing become a miracle right now. Lord I stand before the throne of heaven, all that the doctors, my family and friends said is impossible, let those things be turned into a miracle because I believe it is possible, I believe in the power, anointing, glory that makes things possible, Lord let it happen right now in the name of Jesus. **\*The Lord is telling me that someone will receive an instant healing, suddenly you will not find the sickness anymore because it will vanish suddenly.**

#### Verse 35

⇒Raise up your right hand: Father let the heavens open right now and let the anointing of the Holy Ghost that make all things possible, that makes impossible things possible- Lord let that anointing from your throne come upon me right now. Let the anointing that makes signs and wonders happen, that makes things happen let it come upon me. I receive the anointing right now in the name of Jesus.

⇒Raise up your right hand: Father release the fullness of the power of the holy ghost upon me and let my life become a blessing to my generation, let supernatural operations of God begin to flow out of my life and ministry. Lord release the fullness of the power of the holy ghost upon my life, body, soul and spirit right now. I receive it right as the heavens are open right now, I receive the fullness right now in Jesus' name.

⇒Lord let your power overshadow my spirit, soul, body until I am no more and all that people will see is you not me anymore. Let your presence overshadow me until I become enclosed in you and no one sees me anymore but sees you in me.

Overshadowing power, overshadowing anointing fall upon me right now.

⇒Father by reason of the power of the Holy Ghost, let my eyes become your eyes, let my voice become your voice, my mind your mind so that I can be a blessing to my generation, so that impossible things will start becoming possible; Lord, let all that I am become yours for the manifestation of impossible things. Let your power overshadow me and let all my senses, eyes, voice become yours, and everything I do let it be you doing it in the name of Jesus name.

⇒ Lord grant me the grace to stand continually in your presence and never leave your presence from this January to the last month of the year. Grant me the grace to always be in your presence every minute, every hour so that I can see the impossibilities of you, most high. I receive the grace to stand continually in your presence, the grace to abide and grace not be distracted, the grace not to leave your presence or to be canal grant it to me oh Lord, thank you father.

## **PROPHETIC PRAYERS**

**ONLY THOSE THAT ARE STRONG ARE THE ONES WHO WILL ACCOMPLISH GREAT THINGS, BECAUSE THERE IS GOING TO BE HIGH LEVELS OF DARKNESS GREATER THAN LAST YEAR'S. THE DEVIL AND HIS AGENTS ARE GOING TO DO MUCH MORE, SO IF YOU ARE NOT STRONG IN FAITH YOU WILL FAIL AND LEAVE GOD.**

⇒ Father, all my weaknesses turn them into your strength, all weaknesses in my body, soul and spirit, let them be transformed to become your strength because I must prevail in this year oh Lord. I choose to prevail, to be victorious, to win, succeed and fulfill my destiny and calling, let all my weaknesses become your strength in the name of Jesus. Take me to a place where I shall no longer be weary or weak because I want to succeed, Lord I want to be victorious, I want to be strong and fulfill my divine destiny. Let my weaknesses fade away and let your strength arise.

⇒ Father let your mercy preserve me in the midst of chaos, confusion, and disasters going to happen this year, Lord, let me and my family be preserved by your mercy. When everywhere is going to be turned upside down, when disaster will prevail over people let me and my family be safe by your mercy in the name of Jesus.

**\*Some of you will have divine visitations but you have to be properly positioned for that visitation, you have to be at the right place, doing the right thing at the right time for that visitation to locate you.**

⇒ Father help me to be in the right place, at the right time doing the right thing for your divine visitation to locate me. Lord, I don't want to miss my own divine visitation from heaven, help me to be properly positioned for that visitation. Help me to always be saying the right thing, thinking the right thoughts for me to encounter that visitation.

**\*The Lord is telling me that He wants to awaken a gift that is dead.**

⇒ Place your right hand on your head: Father every spiritual gift that is dead in me, that is no more functional let your fire awake them right now, every gift of the Holy Spirit that is dead let fire wake it up right now, fire of the Holy Ghost wake up the gift!! Every gift of the spirit that is no more functional, let it be activated right now, let it wake up now in Jesus' name.

\*The Lord is showing me that whatever you are looking for is always there with you but you are not seeing it. You think you will get it elsewhere whilst the blessing is already with you, but because you are spiritually blind you can't see it.

⇒Father, open my eyes to see those things that you have already given to me to use for your glory, that are already with me in excess but I can't see them, open my eyes to see them so I can obtain them. Lord all that you have given me or blessed me with has always been with me but I can't see them, open my eyes to see them, to lay hold of them and use them for your glory in Jesus' name.

Thank you father because we know you have answered, thank you for the realm of possibilities, thank you for what is now possible for us, in Jesus' name I have prayed. Amen

### **WARNING**

**The judgement of God is going to be very real this year. There are some mistakes that God is not going to overlook, God is going to visit some errors or mistakes with judgement, some sins He will visit with instant judgement. You need to watch the way you live your life, watch the kind of thoughts you think, watch the words you say, the kind of friends you keep, the kind of places you go to, watch the things you watch on TV and on your devices. Be very careful on how you live your life because the anger of God is going to be very real this year, so make sure you live a life that is pure because the things you did last year and God didn't punish you for them but this year it's going to be very dangerous, you will be punished for them. Make sure you don't fall under the anger of God! Amen**
