Thank you Lord for your divine provisions, thank you for your faithfulness, indeed you were faithful throughout last year oh God be praised forever in Jesus' name.

We thank you for your power in this ministry, your glory and the covenant of faithfulness you have established with us in this ministry, thank you because every time we call upon you, you hear and answer us. We thank you because there has never been a problem we brought to you that you have not solved, oh God be glorified forever, be adored forever, be exalted forever in Jesus' name.

Lord I ask that as we will be praying tonight, let your glory come upon us, let your power manifest and let us be helped tonight. I ask oh God that your spirit moves in our midst tonight, by your spirit, give us utterances of prayer. Help us to pray with faith and with the whole of our hearts so that you can help us from heaven. Thank you Father because we know you will answer our prayers tonight, we know that you will favour us, touch and bless us faithful Father, in Jesus' name, we pray Amen.

PRAISE AND WORSHIP

Father, we worship you for you are a great God, we worship you not because of what you have done for us but for who you are in our lives in this new year. We worship you for who you are in heaven even here on earth, we worship you for who you are in every situation, we worship your majesty, we worship your graciousness, faithfulness and greatness. We bless your Father not because of what we want to receive from you or what we have received from you but because of who you are in our lives. We adore you, we ascribe unto you all glory, all praises and adorations, we ascribe unto you all thanks, be glorified forever, be exalted forever, be magnified forever. We shall serve you forever, we shall magnify you forever, we shall bless you forever, for you are the Almighty, thank you Lord, in Jesus' name we have worshipped Him, Amen.

PRAYER POINTS

(1023). Father, I thank you for bringing me into this new year. Thank you for enabling me to see the new year. Thank you God for preserving my life to be among those who are living this year. Lord I thank you because I am still alive, some people died after Christmas, others before Christmas, others even died yesterday. They were not fortunate to be in the year 2021 but I am still alive because you have a plan for me in this year. Thank you Lord Jesus for preserving our lives, thank you for launching us into this new year thank you Lord blessed be your Holy Name.

(1024). Raise up your right hand. Father let the heavens open and let a new grace be released upon my life. A new grace to walk in this year, to succeed, to prevail in

this year, Lord let it be released upon me right now. Oh God the new grace to go through the journey of this year, release it upon my life. The grace to win the battles in this year, for I know this year's battles are different from last year's. oh Lord, I ask for new grace to overcome all the attacks of the enemy, the grace to possess my possessions this year. I ask for a new grace to break barriers, grace to open doors, new grace to break limitations, new grace to prosper in this year. I ask for new grace to fulfill destiny, to fulfill my purpose and calling. I ask for new grace, new strength, new oil, new unction, new anointing to walk through this year successfully, Lord release it up on me right now. Lord, I acknowledge I cannot succeed in this year without you, oh God help me, release the grace for this year in Jesus' name, let it come upon me now. I refuse to fail, to be stagnant. I choose to flourish and excel this year.

(1025). There was great darkness last year but I am here to tell you that there is a greater darkness in this new year. Most people were so afraid last year but in this year the darkness is greater and that is why God must have mercy upon you and help you in this year. You need more of God, you had a measure of God last year but this year you need more than you had last year.

⇒. Father, let me receive more of your power to prevail over the darkness in this year. Lord empower me more, fill me with more of your power, more of your fire, more of your strength to prevail over the darkness of this year. Lord help me to prevail, to be victorious. I need more of you in my life more than I had in last year. I need more and greater revelations, visitations and encounters in this year so that I can encounter you and a win in this year. I need more power, more fire, more grace, strength, depth; I need more of you. Give me you, give me yourself so that I can win the battles of this year. I don't want anything but more of yourself so that I will prevail in this year because with you nothing shall be impossible. When my life is connected to you, all things will be possible, so Lord I need more of you.

(1026). Raise up your right hand. Father, I am asking for a deeper walk with you this year. Lord walk with me in this year and lead me into glory, lead me into greatness. Lord I connect my life, spirit, soul and body with you oh God walk with me like never before, as you walked with Enoch, walk with me also. Walk with me as you walked with Elijah and Elisha, as you walked with the prophets of old. As you are walking with me, lead me into glory and into greatness. Oh God I want to walk with you and enter into glory, greatness, honour, great dominion and authority, Lord connect my life with all that is in you. Connect me with all that you are in the name of Jesus.

(1027). The Lord keeps saying He wants to lift people up in this year to a higher level you have never dreamt of. The secret to this lifting is to walk with Him, if you can walk with him He will lift you up.

⇒. Father, use everything in my life, use everyday of my life to teach me your will, your righteousness and your ways because I am ready to walk with you. Lord I am ready to walk with you, use every circumstance of my life, event of my life, every day

of my life in this year, every problem of my life, whatever will happen to me in this year, Lord use it to teach me your ways, your righteousness divine standards and Kingdom principles. Help me Lord Jesus, I am ready to walk with you, help me to walk with you the way I should, the way the early apostles walked with you, to walk with you as those people in heaven walk with you right now, so that my life can be better. Lord so that I can fulfill destiny, so that I can be elevated, help me Lord.

(1028). And this is the year that we need more spiritual blessings because most of us ask only for certain spiritual blessings, others ask for more physical blessings. Spiritual blessings are more powerful than physical blessings. We will look at some.

1). SPIRIT OF FAITH. Faith sees the invisible. People who will prosper in this year are those that are seeing and believing the invisible. Lots of Christians, pastors included have a problem with faith. Some can fast or pray but they don't have faith and heaven is having problems with the church because we don't have faith.

Because we don't have faith even the angels are having problems with us.

⇒. Father, bless me with the Spirit of faith. I do not want to walk by sight but by faith, Lord bless me with the Spirit of faith. Lord bless me with faith this year, help me to believe the invisible, help me to see the invisible. Help me to believe things that are not possible with human senses, that are not scientifically possible, Lord I want the kind of faith that Abraham had, the kind of faith Enoch had, Elijah had, the men of old had, Lord bless me with such kind of faith, such a spirit of faith so that I will speak things into existence even not knowing how they will happen but speaking by faith. Oh God help me to be strong in faith at this time.

(1029). When the apostles were praying for people, the sick or the blind they were not praying so that God would answer but they prayed because they knew God would answer. So when you pray, don't cry because you want God to answer but pray because you know that God will definitely answer and that's the prayer that will move mountains.

⇒. Lord help me to pray with faith this year, help me to pray without a single doubt in my heart but with complete trust in you and in your power. Lord when everyone is saying it is impossible and there is no way out, help me to say it is possible and help me to see that there is a way out. Oh God help me to pray with faith without a single doubt. Lord help my faith to grow, help me to pray with absolute trust in you, not trusting in a man of God or anyone but to depend only on you. Help me Lord Jesus, give me faith this year and destroy the stronghold of doubt in my life, destroy the power of fear in my life, thank you Father.

(1030).2). PATIENCE. People that became great in the Bible where men and women of patience. If you are not patient and will not wait on God in this year, you are going to lose many things that God wants to do for you and in you.

⇒. Lord bless me with the Spirit of patience so that I will not lose any of your promises in my life this year. Oh God bless my spirit with patience, bless me with patience, help me to be patient enough to obtain the promises. Help me to persevere

enough for me to obtain all the promises you have for me in this year. Help me not to run ahead of you, help me to be patient. Help me to walk patiently with you, to wait patiently on you until I receive the promise because you are faithful to fulfill your promises. Help me to be patient so that everything will happen the way you want it to. Lord Jesus give me patience. I need it, Lord Jesus give it to me.

(1031). There are many things that I know are good but I would want to do them at certain times but the Lord would come and say stop, don't do them now and sometimes I can wait for weeks without doing it even though it is a good thing but the Lord will just say wait, don't do anything now. Most of us in this meeting must hear that kind of voice this year, a voice that will tell you not to do certain things now but that you have to wait first because it's not yet time. If you rush to do something this year, you will fail.

⇒. Father, help me know when to wait for you this year. Help me to be so connected to you so that I will follow each step you tell me, help me to know when to move and when not to, lead me everyday. Lord help me to hear your voice that leads me in everything that I should do, when I should do them, how I should do them, help me Lord Jesus, lead me by your voice this year. Help me to wait on you, help me learn to follow your own timeline, your own divine calendar, I don't want to follow the scientific calendar but I want to follow the divine calendar and divine timeline. Help me know when to wait. I want to move when I should, when to start doing something and when not to, help me Lord Jesus to be connected with your own time and not my own. Lead me by your spirit, oh Lord Jesus.

(1032). 3). SPIRIT OF PERSISTENCY IN THE PLACE OF PRAYER. This is the ability to pray until you prevail. If you cannot pray this year, I don't know what will happen to you because of the greatness of evil and darkness in this year. Many people will be defeated this year because they are not prayerful. You need the Spirit of persistency in the place of prayer where you continue to pray until you prevail, you need the spiritual blessing. There are some people who can pray for 12 hours and are not tired, that is a spiritual blessing.

⇒. Raise up your right hand. Father, bless me with the Spirit of persistency in the place of prayer so that I will win every battle, so that I will prevail every time in this year. Lord bless me with a spirit of persistence in the place of prayer as you gave Elijah that spirit, and he was an exceptional prophet, oh Lord bless me with that spirit. Lord bless me with the spirit that will not stop praying until I prevail, the spirit that will not stop praying for hours, for days until I prevail, bless me with such a spirit that does not get tired in the place of prayer because I am ready to fight this year and to win. I am ready to fight the darkness and prevail, just as you gave Elijah, Ezekiel and Moses the spirit oh Lord, I need that power, unction, and strength, give me that same spirit. Oh God change my life, change my spirit to a spirit of prayer, help me to pray this year, Lord I want to pray.

(1033). God wants to teach people the secret that will make things happen. Not whereby you just ask God to give you the blessing, but He wants to teach you how to generate that blessing, that's what He wants to expose you to people this year. He just does not want to give you the fish but He wants to teach you how to fish. Some might want to be praying for physical blessings but spiritual blessings are the foundation for every other physical blessing.

4). FASTING. You need the grace to fast this year. It has to be easy for you to fast this year, so you need the grace.

⇒. Lord bless me with the supernatural ability, the anointing to fast for many days, Lord give it to me so that I can have breakthroughs in this year. Lord the anointing to fast without stopping, to fast without getting hungry, oh God give me that supernatural strength, supernatural ability to go without food and water for many days. I know you can do it, you did it for Elijah, Moses and the mighty men of old, it is not by human strength, it is not by human power, human strength but Lord I know it is by your strength, Lord I need the grace to go without food and water until I enter into heavenly realms, into the places of power and authority in God, give me that grace to fast until I prevail, help me to fast.

(1034). Demonic agents of darkness also fast because there is power in fasting. Just because you have the anointing does not mean you cannot fast, or you shouldn't fast because, despite having the anointing, the anointing will not work as it should. The fact that you have spiritual gifts, good talent, a good career and you are able to make things happen on your own does not mean you do not have to fast because if you do not fast the devil will stop many things from moving forward in your life this year. Some people's lives changed when they decided to fast for maybe 50 and some for a 100 days, others begin to hear God after such a fasting.

⇒. Father connect my stomach, connect all the organs of my body to the grace of fasting. Let my body system be trained for fasting this year. Lord connect every part of me, my blood, my stomach, intestines connect them to the anointing and power of fasting. Help me to fast Lord Jesus this year.

(1035).5). WEAPONS OF WARFARE. There are times I have found myself in very dangerous spiritual warfare and came to a point whereby I didn't know which weapon to use because I had tried all the weapons that I knew and nothing was working until God revealed the weapon I had to use in that particular battle. You need God to equip you with spiritual weapons so that you will overcome this year.

⇒. Father, bless me with spiritual weapons of war, divine weapons of war, spiritual weapons, angelic weapons, heavenly weapons so that I win all battles this year. Lord bless me with every weapon that I am going to need to fight this year and forever win. Bless and teach me of the weapons, teach my hands to fight and win, teach me the weapons of war, teach me how to use, to wield the spiritual weapons and how to use them against the enemy. Teach me Lord Jesus to use spiritual weapons and gain victory in the spiritual realm.

(1036). There are some chapters and verses in the Bible that are weapons. By revelation God can show you how to use the Bible chapters and verses to have instant miracles.

⇒. Father this year, open my spirit to every revelation that will launch me into victories. Oh God open my spirit to receive every revelation that will launch me into uncommon victory, unusual victories, exceptional victories, mighty breakthroughs in this year. Open me to receive those revelations, open my heart to receive them, open my spirit to receive them, thank you Jesus.

(1037). In the kingdom of God, spiritual gifts, spiritual authority is greater than physical gifts, blessings or breakthroughs. That's why when God means business with you He is going to take you to a realm where you begin to command things to happen in the physical realm. There is a realm in the spirit where you command things to happen in the physical and that realm is real. In that realm you declare things to happen and they will appear just as you declared them to be. The antichrist and his agents are ready to trouble many things, to turn things upside down but we need people who will turn those things back to the way they should be.

⇒. Father, take me into realms of power, realms of authority, where I command miracles, breakthroughs, progress, prosperity from. Take me to the realm where I determine what happens to me not what the devil wants to happen to me. Lord take me to that place in you where I go into the realms of power, where I control times and seasons. Take me to realms of authority where I determine what happens in the physical realm, where I command miracles, where I command great things to appear, Lord take me to that place in you, that place in your Kingdom. Take me there and establish me there in Jesus' name.

(1038). In the realm of the spirit you possess what you see, what you cannot see you cannot possess. What you see is what you become, if you do not see it you cannot become it.

⇒. Place your right hand on your head. Father, let my eyes be opened to see all that you have prepared for me in this year and to lay hold of them, to see them and possess them. Lord put an anointing on me that will open my eyes to see all that you have for me this year and possess them, to receive them, obtain them and lay hold of them. Oh God give me the grace to see everything you have programmed for me in this year, everything you have arranged in this year for me, help me to see them and possess them. Lord everything you have for me in this year, help me see them, help me possess them, help me see it and let me become it, help me to see everything that you have for me in each month of the year so that I will possess them.

(1039). In this year you need God to help you not to make mistakes because some mistakes will lead to irreversible damages, certain things might be permanently damaged. There might not be second chances, though God is a god of second chances, that is why you need the grace not to make mistakes.

⇒. Father give me the grace for perfection, the grace to walk perfectly before you, give me the grace to make no mistakes. Lord Jesus give me the grace to walk upright before you, to walk in perfection. Help me Lord Jesus to do what you have called me perfectly, every assignment you have given to me, help me to do it the way it should be done. Help me to live my life the way I should live it, even when doing business, help me to do it the way it should be done, in my career help me to do things the way they should be done, I do not want to miss my blessings. Lord give me the anointing of perfection, anointing of success and anointing of excellence give it to me Lord and help me to be perfect. I know I cannot be perfect by myself but you can make me perfect, help me Lord Jesus to be perfect in my marriage, calling, ministry, business, career and spiritual walk with you.

ISAIAH 60:19

(1040). You are not going to need natural light, that's what this verse is saying. It does not matter what is going to happen in this year or what the government will say, all that matters is the kind of God that you carry. Whether people are dying, there is famine or there's no money, all that doesn't matter, but what is going to matter is the kind of God that you carry, the kind of God that is with you.

⇒. Father bless me with yourself such that I lack nothing this year. Lord bless me with yourself and let me lack nothing, let me need nothing. Bless me with the fullness of you so that I will live by you and not by the economy of my country. I don't want to be living by the dictates of the government, circumstances and situations or what is happening around me but living by the fullness of you in my life, Lord this is what I want. Lord bless me with yourself and make me not to need anything, make me lack nothing. Make me have everything that I need because I have you in my life, bless me with you, with the fullness of you. Lord bless me with your fullness, Lord I don't want to live according to what is happening around me, I want to live by you.

(1041). Just as plants need sunlight to grow as much as you need it, God is saying that your own life is going to be supernatural such that you will survive supernaturally, you will succeed and and make progress supernaturally, it's not going to be normal. Things will not happen normally anymore because the way things are happening in the world now is not it's no longer normal. The corona virus is not normal, the vaccine is not normal as well, a lot of things are not normal. So the people who will survive in these times are not going to be normal people. Man does not live on bread alone meaning there is going to come a time where we must live by the supernatural not the normal way we know.

⇒. Father I choose to live by the supernatural, I refuse to live a normal life, I choose to survive by you not by myself, my abilities, my wisdom or strength but by the supernatural, Lord connect me to the realms of the supernatural that is in you. Lord connect me to the supernatural realms, I choose to live by the supernatural, I choose to live by heaven, I choose to live from heaven, I choose to operate from heavenly realm. Connect me with the grace that will make me live supernaturally here on

earth, help me Lord Jesus, let me be able to succeed supernaturally. I want to succeed, make progress, be wealthy and rich this year by the supernatural.

(1042). It says your God will be your glory. When God is your glory nothing is impossible anymore. No one can attack you and win because when they attack you they will be attacking God. Glory is something that covers you, God will be your glory meaning He's going to be your covering, your light, your success, He's going to be every good thing that happens to you. This year is going to be full of the manifestations of God, your life will be a God manifested life.

⇒. Father, as I journey through this year, Lord be my glory, become the glory upon me, become the glory of my life in this year. Manifest yourself in every day of my life, be the glory of my calling, marriage and life. Oh Lord of hosts be the glory of my life forever, be the glory of my business, destiny, and ministry this year and forever. Lord let me walk in your manifestations, as I pray God is manifesting, as I fast God is manifesting, in everything I do, God is manifesting; in everything I do, you manifest because you are my glory. Lord, become the glory of my life in this year.

(1043). If God is going to be your glory it means you are no longer yourself, you are no longer existing and it is God alone, and that's how God becomes your glory. To experience the glory of God, you must stop living for yourself, be selfless, emptied of yourself, you must die and then God begins to live.

⇒. Father I am ready to walk in your glory, let me die to the flesh so that I can walk in this glory, let me die and let it be you alone. Let it be that I no longer exist, let my will die and let your will alone prevail, let my interests and desires die so that I follow your desires, let my flesh die so that I follow your spirit alone. Father, help me in this year to be emptied of the flesh, to live a sacrificial life, that I live no more and you live my life and I live your life.

VERSE 20

(1044). I declare that this Word of promise shall be your portion this year in Jesus' name.

* It's not talking about the normal sun but the glory of God. What God will be doing for you will continue. The blessing of God will keep on continuing. He will not bless you in a generous way in January and then stop blessing you in March, or you have money then you don't have, then have again, but there is going to be a continual flow of blessings prosperity, non stop for the flow of blessings.

⇒. Father manifest your greatness in my life this year so that there is overflow, continual flow of blessings, victories, greatness, prosperity, riches and wealth, Lord let me experience overflowing blessings. Lord by the virtue of your presence in my life, let me enjoy ever flowing blessings, ever-flowing miracles, victories, grace and anointing, everflowing power and strength. Lord let me experience ever-flowing increase in this year. Lord let me be blessed everyday, in every month, let blessings, victories and miracles be my portion, let my sun never set. Let me continue in

success, it will never be my portion that I am successful in one month and fail in another, Father let me enjoy ever-flowing blessings, ever-flowing honour.

(1045). The Lord is saying your days of mourning will be over because He will manifest Himself in your life and He will terminate shame, weeping and sorrow ⇒. Raise up your right hand. Father manifest your greatness in my life this year and let an end come to shame, disgrace, weakness, poverty, sorrow, rising and falling, sin and struggling; manifest your greatness oh Lord. Manifest yourself and stop the evil flow of evil, demonic attacks, stop witchcraft attacks in my life. Lord manifest in my life and saying no to suffering, no to slavery, no to limitations and stagnation, oh God manifest in my life and look the devil in the eye and say no. Lord stop the flow of evil in my life.

VERSE 21

(1046). Many things God is going to do in this year will be because of Himself. The miracles He will do in the church will be to show forth His name so that His name will no longer be reproached.

⇒. Father bless me, prosper me, establish me, empower me, strengthen me to bring glory to your name in my life. Lord bless me to bring honour to your name, to bring glory to your name, help me Lord Jesus because I have embraced your will, your righteousness. Lord bless me to bring honour to your name, bless me to bring honour glory to your name. Make me great so that I will bring glory to your name not my name. Bless me Lord Jesus to bring glory and honour to your name, bless me because of yourself in my life, bless me because of you in my life, to show the unbelievers your greatness, bless me to show the world that I serve a living God.

VERSE 22

(1047). There is going to be a great increase in your life this year. God is going to change your levels because God wants to glorify Himself in your life. If you have been spending thousands you will start spending millions.

⇒. Father manifest yourself in my life, manifest your greatness in my life and let my level change, let me increase in every area of my life. Let me increase from low-level to high-level, from poverty to riches. Let my life increase in all areas of my life, let me multiply. Let little things multiply, let thousands become millions, let millions become billions, let there be great increase in my life because of you in my life. Because of your power, let there be great increase, Lord command great increase to appear in my life. For every little thing, let there be abundance, excess and surplus.

(1048). The Lord is telling me that the people that will be great this year must partner with Him. If you are going to enjoy supernatural increase as in verse 22 you must partner with Him with everything you have. For example, if you are doing business, you must partner with God in that business; from that business you must bless God. In whatever you are doing, make sure something from that thing goes to God, make sure there is something coming out of your life that is sponsoring,

promoting and supporting the work of God. That is the secret to enjoying this increase that God wants to do in your lives. If there is nothing coming out of you to bless the kingdom of God that increase might not happen. You must bring your five loaves and two fishes for Jesus to multiply it.

⇒. Father lead me by your spirit to partner with you with everything I have. Lord lead me on how to partner with you in this year, lead me on the path of covenant partnership so that I will be great this year. Lord lead me on how to commit myself with your work, how to commit my resources, finances, talent, time, gifts, abilities and skills and all that I have, teach me how I have to commit myself to your business, so that you can multiply my life and make me great.

(1049). The Lord is showing me someone in a high position, who is trying to deprive you of your rights.

⇒. Lord let your power go ahead of me and get for me all that belongs to me in this year. Whoever is holding my blessings and doesn't want to release them, oh God let them see your power and release them. Whoever is standing upon what belongs to me and does not want to release it, oh God let them see your greatness and release it. Father let your power go ahead of me and let all that pertains to my life and destiny be released unto my life in the name of Jesus. Every office, company and institution where my blessings must come from, let them see the power of your glory and let them release my blessing. Let the power of God confront them and let them release what belongs to me. Every place where my blessings must come from, Father let them see your power and let them release that blessing that belongs to me.

CLOSING PRAYER

Raise up your right hand.

Ancient of days, we thank you because you are a faithful God, you are a merciful God, you are a gracious God. Thank you Lord for your power that is real and alive. We thank you for your glory that is real and alive. Thank you because every door that you opened no man can shut, even the devil cannot shut that door. Thank you because when you bless a man, no power or demon can curse that man. Lord thank you, I say be glorified forever in Jesus' name.

Lord I stand before you concerning every life connected to this prayer session right now. I decree and I declare, that your will alone shall prevail in their lives beginning from tonight in Jesus' name. I am praying for you, every agenda, plan of the wicked against you in this year 2021, it shall fail in Jesus' name. The will of God shall prosper in your life this year, the will of God shall come to pass in your life this year in Jesus' name.

Every power that has been sent on assignment, every spirit, demon assigned to make your life difficult this year, to make things impossible for you in this year, I stand as a prophet of the living God and I decree that spirit is arrested by fire right now, I decree that such a spirit is destroyed right now in Jesus' name.

The problem that you have been nursing from last year that has followed you into this year, I come against it and I decree let the angels of the Most High God begin to uproot that problem from your life right now in Jesus' name. Let that problem disappear in the name of Jesus. Because you are connected to this anointing, I decree that the problem that refused to leave you from last year, let the anointing of God in this ministry destroy that problem in Jesus' name.

Failure has ended in your life tonight in Jesus' name. You are now open to success in Jesus' name, you are now connected to success in Jesus' name, you are connected to glorious opportunities in Jesus' name, powerful opportunities and manifestations of God's blessings and visitations from now henceforth in Jesus' name.

I connect your life to the grace of elevation. Let your life receive the grace for elevation in Jesus' name.

I am praying for a woman among you with a problem in her blood. You have a disease that has to do with your blood system. I decree right now by the authority of heaven, that disease in your blood is permanently removed right now in Jesus' name. Every organ in your body system that has been failing to function normally, I decree, that organ is replaced with a new one from heaven right now in Jesus' name.

Every reward that you are supposed to have received from heaven, reward of your sacrifices, sacrificial giving, reward of tithes and offerings that you are supposed to have received by now, I connect with heaven right now and I bring down that due reward upon your life right now in Jesus' name. Receive that due reward in Jesus' name, receive your due blessings and promotions in Jesus' name.

work of the devil that has been completely done against your life and destiny, wherever they have done it, I command the fire of God to uproot them right now in the name of Jesus. Let them be cancelled forever in Jesus' name

(1055) . Father cause your face to shine upon me and let my life look the way you want it to look. Father cause your face to shine upon me and let me transform into what you want, let my life change to the way you want. Let every part of my life, financially, spiritually, marital, every aspect of my life, my calling, ministry, destiny, family; Lord let them begin to look the way you want, beginning from today in the name of Jesus.

(1056). Father let the anointing of greatness, spirit of excellence come upon me right now for the manifestations of great exploits, great success and prosperity this year. Anointing of greatness and excellence come upon me for great victories and breakthroughs this year.

(1057). In the name of Jesus, I come against every power of darkness that is controlling the affairs of my life against the will of God, let the anger of God destroy them right now. Every power that is controlling my life against the purpose of God, will of God, controlling my decisions, controlling my movements, controlling the affairs of my life, my business, and career against the will of God, let the anger of God consume them all in the name of Jesus.

(1058). Father, cause me see into your perfect will for my life at this time. What you want me to do now, what you want me to know about this present moment of my life, Lord make me see into that plan of yours, into that will of yours. Cause me see into your perfect will of my life and destiny so that I can follow it and do it. Lord I want to see it, to see your perfect will for my life at this time, to do what I am supposed to be doing that I'm not doing, to know that which I do not know, to know what you want me to do for you at this time, to know what is hidden for me concerning my destiny; oh God I want to see into those things. Open my eyes, I want to see what I should be doing with my life, what I should do with my days, show me your perfect ways for my life and reveal it to me.

(1059). Raise up your right hand. In the name of Jesus, I come against every battle of the dark kingdom that has risen up against the fulfillment of my calling this year, against the fulfillment of my destiny, let the fire of God consume them, let the angels of the Lord destroy them. Every agent of Satan, powers, principalities that have combined together to stop the fulfilment of my calling and destiny, let fire fall and

consume them all, let fire fall and destroy them right now in the name of Jesus. ***Every battle from the dark kingdom that has risen against your calling and destiny, and they don't want it to be fulfilled, I decree let the anger of God, the fire of God descend upon those battles and consume them all right now in Jesus' name. Let the anger of God, the fire of God descend on the battles confronting your life, let them be consumed.**

(1060). The Lord is telling me that He wants to rain down fire upon your life to set you free, to deliver you, to revive you and heal you. The fire of God heals, there's also deliverance, transformation and revival in the fire of God.

⇒. Raise up your right hand. Father rain fire upon me right now, rain fire upon my spirit, soul and body, rain down fire and let there be deliverance, let there be healing, let the transformation and revival in the name of Jesus. Lord rain down fire upon me, upon my body and upon every part of my body. ***Father I ask that you rain down your fire right now, let your fire move and touch everyone and let there be deliverance and healing in Jesus' name.**

(1061). Raise up your right hand. Father let your fire fall and let it locate every darkness that is hiding in my life and destroy them all. Lord rain fire upon me and let every hiding place of darkness, every hiding place of weakness, every hiding place or demons, let your fire locate them and flash them,; uproot them, remove them and destroy them in the name of Jesus. Wherever the devil is hiding in my life, wherever darkness is hiding, let fire fall and flash them out, uproot them, let your fire fall and trace every hidden darkness and destroy them all. Hidden works of darkness in my life, let fire find them and uproot them and destroy them in Jesus' name.

(1062). Father, change whatever situation the devil has created in my life, turn it around for your glory. Turn it around to glorify you, to glorify your name. Whatever situation the devil has created, let the hand of God turn it around for my favour, let it be turned around to your glory in the name of Jesus.

(1063). There are many things that the devil does on a daily basis to pollute our lives and there are two different channels of demonic pollution, the media is part of it. What you watch on TV, what you listen to on the radio or online. The other channels are through what you eat and drink, another channel is the kind of thoughts you think in your heart. Eating in the dream and sexual intercourse in the dream are also channels of pollution.

⇒. Father let your fire visit my life and block every channel through which pollution is entering my life, block every channel through which demons are entering my life, Lord block them by your fire. Every channel, every portal of darkness through which darkness is entering into me oh God, let your fire terminate those channels, let your fire block them, let your fire close them, let your fire destroy them in the name of Jesus.

(1064). Every disappointment that the enemy has caused, let the Lord turn it around to be an appointment that will lead to greatness, success, goodness and prosperity. Lord let every disappointment that the enemy has caused in my life be turned around to appointments that would lead to success, breakthroughs and prosperity in the name of Jesus. Disappointment, become appointment right now in the name of Jesus.

(1065). Father let failure be permanently uprooted from my life, let failure be permanently terminated from my life. Let every spirit that is sponsoring failure be arrested and destroyed. Every demonic presence in my life that is causing fear to thrive, oh God consume that demonic presence. Lord let failure be permanently terminated from my life, no more failure in my life, no more rising and falling, no more pain in my life in the name of Jesus. Every spirit sponsoring failure, I decree they are arrested by fire. Every kingdom of darkness sponsoring setback, rejection, let the fire of God consume them in the name of Jesus. Every demonic presence in my life that is ensuring failure, let it be consumed by fire in the name of Jesus.

(1066). If God is powerful, the children or sons of God must be powerful as well. I am not talking about you having faith in God's power but I'm talking about you becoming powerful. As much as you keep your phone battery charged up is the same way it should be with Christians, there is a level of power that should always be in you. You are supposed to be always full of power, charged with power. It's not about you having faith in the power of God but about you being loaded with power. There are things that you have to do yourself because you have been given power to do it. If you don't carry power you are not yet a standard Christian and you cannot have victory because the devil will succeed over your life.

⇒. Raise up your right hand. Father, load my spirit, soul and body with enough power to overcome the powers of darkness at this time, enough power to represent the kingdom of God, enough power to do exploits at this time. Power from heaven, begin to fall upon me right now. ***As many of you are crying for power, receive power where you are right now in the name of Jesus. Those of you longing for this power to succeed, power to breakthrough, power to prevail, power to possess your possessions, power for victories; begin to receive it right now in the name of Jesus. Power to rule over your oppressors, power to dominate over your limitations, to dominate every power attacking you; receive the power right now in the name of Jesus. Power to do that which God has called you to do, receive it in the name of Jesus. Power to pray the right kind of prayers, power to pray in the Holy Ghost, to pray with the utterances of fire, to pray with the utterances of the angels; receive that power right now in the name of Jesus.**

(1067). How do we know that someone is powerful? We know them by results. When you have power you produce results. When you have power you will use it, healing the sick is not only by faith but it also comes by power, by the anointing. If you do not have power to heal the sick you cannot heal them even if you have faith for the

healing of the sick. If God is going to use you, you must have the power to heal the sick. Everything that God has called you to do there is power, divine energy for you to do them. It also takes power to be a wealthy person, it's not easy to become rich. ⇒. Father, release upon me the power to carry out all the assignments you have given to me to do on this earth, Lord, release upon me the ability to do them. Lord everything you have called me to do here on earth, give me the power to do them, everything I have to become here on earth, give me the power to become them, empower me Lord Jesus

(1068). There are demonic courtrooms where they sentence and pass judgements upon people. There are courtrooms in the demonic realm, they will call your spirit and whatever evil sentence they put upon you, is what will happen to you in the physical.

⇒. Lord let your Kingdom declare judgement against the demonic courtrooms, let your Kingdom terminate evil judgement and sentence that has been pronounced over my life and destiny. Every evil sentence, every death sentence, prison sentence, poverty sentence, limitation and hardships sentence, anti marital sentence that has been pronounced against my life and destiny from the courtrooms of the devil, oh Lord Let your Kingdom begin to terminate those sentences right now in the name of Jesus. Lord let the authority of your kingdom begin to terminate every evil sentence that has been pronounced against my life from the demonic realms, from the demonic courtrooms. Every evil sentence of sickness, imprisonment, untimely death, suffering, poverty, sorrow, barrenness that has been pronounced against my life from the demonic realms, let the power and authority of God's kingdom destroy those sentences in the name of Jesus. ***In the name of Jesus that evil sentence upon your life is permanently terminated right now in the name of Jesus.**

(1069). Father let my eyes be opened to discover your perfect will for my life. Lord let my eyes be opened, let me see into your perfect will for my life, let me see into your perfect plan for my life in the name of Jesus, let my eyes be opened. Lord open my eyes to see into the perfect will for my life. Open my eyes Lord Jesus, I want to see, I do not want to follow my own desires, I don't want to follow my own decisions but I want your will, show me Lord Jesus. Open my eyes to see into your perfect will in Jesus' name.

(1070). The baptism of the Holy Ghost does not happen to you once in a lifetime but it is supposed to happen to you everyday.

⇒. Father baptize me in the Holy Ghost, fill me with the Holy Ghost. I need more of the Holy Ghost, I need to enter into the depth of the Holy Ghost and I need the fullness of the Holy Ghost. I receive the baptism of the Holy Ghost right now. Baptize me into the Holy Ghost right now, put me into the depth of the Holy Ghost and put into me the fullness of the Holy Ghost. Lord let there be baptism of the Holy Ghost, let the baptism of the Holy Ghost happen to me right now until I am transformed into another man.

(1071). The Lord is showing me that the devil is using someone to stop you. The devil entered that person and that person is determined to stop your life from moving forward and progressing but God is going to stop that person.

⇒. Father by your mighty hand, stop whoever the devil is using to stop me, oh God stop that person right now. Oh God stop whoever Satan is mobilizing to stop me, to stop my progress, to stop my rising, my success and promotion; whoever the devil is using to stop me from making progress, oh God arise and stop him, arise and stop her, arise and stop them. Whoever the devil is using to stop my rising, arise Father and stop that person, stop the devil inside that person in the name of Jesus.

(1072). I saw that some of you are surrounded by so many forces of darkness. Maybe it's because of the location you are staying in or your environment or the people kind of people in your life. You are surrounded by terrible forces of darkness but there is a force greater than these forces, there is a power that is stronger than them.

⇒. Raise up your right hand. Father let your great power and fire come upon every force of darkness that is working against my life, every force of darkness that surrounds me and is working against my life and destiny, Lord let your power descend upon them and consume them forever in the name of Jesus. Forces of darkness that surround my spirit, my soul, my body, calling, my ministry, my career, my business, and my marriage; oh God descend upon them right now in your power and consume them all in the name of Jesus. Lion of the tribe of Judah descend upon them right now, forces of darkness, forces of witchcraft that surround me, powers of darkness and all evil that surrounds my life, destiny, spirit and body let fire come upon you right now, let God descend upon you and let God consume you all in the name of Jesus. ***I am praying for those of you surrounded by terrible forces of darkness, right now let God descend upon those forces, let the power of God come upon them and consume them all in the name of Jesus. In Jesus name we have prayed, Amen.**

CLOSING PRAYER

Say Amen as I pray for you to show that you agree with the prayer.

Father we thank you because you are a faithful God, King of glory, ancient of days, mighty saviour, we thank you for the greatness of your power. We thank you Lord for the greatness of your name, we thank you for what you have done in this prayer session. We thank you for what you are doing already, the operations you have already begun to do right now, we thank you for what you are about to do because we have prayed, oh God be praised forever in Jesus' name.

Lord as your servant and priest, I bring over these people, I bring over your children, Lord, I bring every one of them to you. I ask that you heal all those who are sick in their bodies, minds, souls and spirits Lord, heal everyone right now as I bring them to you. Right there where you are, I connect you with your healing in God, I connect you with the flow of healing which comes from heaven. Receive your healing right now in the name of Jesus.

As many of you that are bound by terrible spirits, stubborn spirit, stubborn serpents, stubborn scorpions, demons; bound by terrible curses of darkness, covenant of darkness, those bound by certain witchcraft sorcery, spells, enchantments, and divinations, I connect you right now to the fire of God that produces deliverance. I connect your spirit, your soul and body to the fire of God that produces deliverance and victories, receive deliverance right now in Jesus' name, receive victories right now in Jesus' name.

Everything that has been termed impossible in your life, God does not call it impossible but people and the devil call it impossible. I therefore decree by my prophetic authority in Jesus Christ, that which has been termed impossible in your life is hereby turned into possible in the name of Jesus. As it is now possible, let that thing now become a miracle in the name of Jesus.

Every spiritual eye that has been blindfolded by darkness, I command fire from heaven to open your eyes right now in Jesus' name. Every spiritual ear that has been blocked and locked, and you cannot hear God, you cannot even hear from the Spirit of wisdom, I decree by the fire of God burning here right now, let your ears be opened in the name of Jesus. The ears of your heart, the ears of your spirit open right now in the name of Jesus.

I am praying that, from today you shall no longer be weak in the name of Jesus. You have been weakened but I terminate that weakness by the fire of the Holy Ghost. You shall no longer be weak in the name of Jesus. I connect you to the flow of strength that comes from Jesus, receive strength right now in the name of Jesus. Everything the devil has been using to oppress you, I decree that thing is destroyed right now in Jesus' name. Whatever the devil has been using to rule over you, I decree that thing is destroyed right now in Jesus' name. No more limitations on your life, no more limitations on your finances in the name of Jesus Christ. Thank you Father because we know you have answered these prayers, blessed be Holy Name, in Jesus' name it is done, Amen.

I have an instruction from the Lord that I want all of you to take heed of and obey. The instruction is that you get yourself soaked in His presence, get your life soaked in the presence of God everyday. Whatever it is that is going to put you in the presence of God continually, you should start doing it. If it is prayers, fasting, praising and

worshiping; you know what makes you soaked up in God's presence and you should start doing those things because none of the prayers we have prayed will come to pass without those activities. May the Lord help you to heed this instruction. Stay away from everything that is taking you away from the presence of God, everything that is making you worldly and carnal in your mind, stay away from them because God wants to help you, get in His presence. May the Lord give you the grace to do this even as you obey in Jesus' name, Amen.

(1075). Lift up any of your hands to heaven. Father let your anger be kindled against every stubborn spirit that has vowed not to leave my life alone, every stubborn spirit that has determined not to let go of my life, not to release me, Lord, let your anger be kindled against them and let your anger consume them all. Every power, every stubborn spirit that has vowed not to let go of my life, let the anger of God come upon them right now, anger of the Lord come upon them right now in the name of Jesus. (1077). The Lord is your shepherd according to the scriptures. For Him to be the shepherd it means He leads and you follow. The Spirit of God is telling me that some of you are not following the leadership of the Spirit of the Lord, meaning that some of you do not even know the direction you are taking, you are confused, you are following another program and plan that is not of God for your life because you have decided to lead yourself.

⇒. In the name of Jesus, I withdraw my life, I withdraw the journey of my life, I withdraw my career, business and calling from following the direction that is not of the Lord and I connect with the leading of the Lord for my life. I connect with the leadership of the Lord Jesus, I withdraw myself, my heart, my life from the direction that is not of God, from today I withdraw all my life and destiny from following directions that are not from the Lord. I connect and surrender to the Lordship and leadership of Jesus, I withdraw my life from every leading that is of the Lord, I connect my life to the leading and direction of the Lord Jesus. From this hour onward, it is the Lord Jesus that will lead me, I will follow no other spirit, I will listen to no other spirit, I will surrender to no other spirit but it is the Lord that I will follow. I will follow the will of the Lord, the direction of Lord, the plan of God, the program of the

Lord for my life is what I will follow. I disconnect my life from every direction that is not of the Lord, I disconnect my spirit, soul and body from every journey that is not from the Lord, it is the Lord that I will follow all the days of my life in the name of Jesus.

(1078). The Lord is telling me that some of you are the ones controlling your own lives and you have not allowed His control to control you. You have been living your life according to what you want not what He wants, that is why you are not successful. All those around you are successful and you are not because you have not surrendered your life to Christ and God is just folding His arms looking at you. He can only help you when you surrender to His leadership.

⇒. Father I refuse to be the one in charge, Lord Jesus be the one in charge of my life. Oh God of Israel, I refuse to be the one in charge of my life, I refuse to be the one in control, I surrender to your control. I refuse to be the one leading and directing my life, Lord come and lead me, come and instruct me, come and show me your will and plans in the name of Jesus.

(1079). Father make my life too strong for the strongest darkness to overcome, for witchcraft to overcome, for the strongest temptation to overcome, for the strongest evil to overcome, the strongest addiction to overcome. Oh God of heaven and earth, make my life, my spirit, soul and body, make my health, career and calling, make them too strong for the strongest darkness to defeat, make me too strong for the strongest evil to overcome. Lord make me too strong for the strongest evil of this age to overcome.

(1080). The Lord is about to give some of your rest, comfort and peace that will end your labours; comfort that will end your pains and sorrows.

⇒. Place your right hand on your head. Father give me comfort, peace and rest in place of my hardship, suffering sorrow and pains in the name of Jesus. I trade my suffering, my pain and sorrows for the peace, comfort and the rest of the Lord. I trade my sorrow for peace, I trade my pains for comfort; Lord give me grace in place of troubles; in place of suffering give me comfort and satisfaction. Give me rest, give me a refreshment in the place of suffering.

(1081). Place your right hand on your head. Father let every covering of darkness that is blocking the manifestation of your grace in my life, blocking the manifestation of your presence and peace in my life, let such darkness be removed by fire. In the name of Jesus, every darkness covering me and preventing the manifestation of God's grace, God's presence, God's gift, God's power, God's strength, God's wisdom, God's visitation, God's encounters in my life; let the fire of God remove such darkness. Every darkness that has mingled with my blood system, mingled with my body system stopping me from experiencing divine visitations, divine touch, divine encounters, divine revelations, to stop me experiencing the wealth of God's grace, let such a darkness be removed permanently from my life by fire in the name of Jesus.

(1082). You are going to speak prophetically upon your life.

⇒. Raise up your right hand. In the name of Jesus, I declare over my life that this year is my year of elevation, year of great prosperity, my year of overflowing abundance. This year is my year of higher levels of power, higher levels of grace, higher levels of anointing, higher levels of honour, higher levels of fame, divine dominion and divine authority. I declare over my life, I prophesy over my life, that this year is a year of overflowing abundance. This year is my year of surprising miracles, this year is my year of great honour in the name of Jesus. This year is the year of discovering my calling, discovering my gifts and purpose in life, discovering my reason for existing. This year is the year of manifestation of my calling and destiny, a year of great turnaround, a year of great deliverance, year of possessing my possessions, year of great exploits, year of great establishments in the name of Jesus. In the name of Jesus, this year is my year, no more limitations in the name of Jesus, no more slavery, no more oppressions, no more witchcraft oppressions in my life. I shall oppress my oppressors, I shall rule over powers and principalities in the name of Jesus.

PSALMS 91:1

(1083). The King James version says those who dwell in the secret place of the Most High shall abide under the Shadow of the Almighty. The reason the King James version uses secret place is because nobody has seen the Most High. God dwells in the secret place and dwells in secret places and you cannot just find God, that is why Jesus says seek and you will find. Meaning that you must seek before you find Him. How can you live in a secret place, a place that is so invisible and how do you live in such a place? How do you find that place? It is by seeking just as Jesus says, seek and you will find Matthew 7:7. The secret place is real to those who have found it. There is a place where God is and when you find that place you would not want to leave it forever.

⇒. Father I want to live in your secret place, I want to do well in your secret place, I want to commune and have fellowship with you in your secret place, oh God reveal to me the depth of you, reveal to me your secret place, reveal to me the place where you dwell, reveal to me, in my life the place where you live, let me see and enter into that place. The place you live in situations, let me see and connect with you. Lord I want to find your secret place, your shelter, show me the place where you dwell that I may go in and commune with you, Lord take me into your secret place. Lord take me to that place where you are, where I will hear from you and you will hear from me, take me to that place where I will see you and you see me, where I will touch you and you will touch me, take me to that place where you will be so real to me just like any physical thing on earth. Lord take me to your secret place where I will have deep communion with you.

(1084). In this generation there are people who know God, then there are those who do not know God, and then there are people who claim to know God while it's not

Him. There are people who are claiming to be hearing from God, but are not hearing God. How do you know that where I am right now is the secret place of the Most High, and the person that I am with is the Most High, the person speaking to me and revealing things to me is the Most High? How can you be so sure at such a time as this, when there is so much deception? How can you find God at this time and be sure you have found Him? The answer is in Matthew chapter 5:8, (blessed are the pure in heart for they shall see God). If you want to dwell in the secret place of the Most High and for you to find it, you must be pure in heart.

⇒. Father wash my heart in your blood and fire until I am pure. Wash my spirit in your blood and fire, wash my soul, sanctify my heart, wash my mind in your blood and fire until I am pure use, until there's no iniquity and unrighteousness. Wash me until there is no place for the flesh anymore and there is no darkness in me, wash me Lord Jesus! Lord I want to be pure in heart, sanctify my heart in your blood, in your fire, purify my heart that I may see you at this time, I want to see you Lord.

(1085). He said those who live in the secret place. Note that He didn't say those who go to church or those who join prayer meetings or those who bear the Christian name but those who live in the shelter of the Most High. This means that we have come to a time where there is going to be a distinction between those who live in God's real presence and those who do not live there. Some of you focus your mind on things that are not Godly, things that God cannot be found in, that is why you cannot live in God's secret place. Some of you, your focus is on people, you trust people so much, you are always thinking about people getting in relationships while God is not there.

⇒. Father remove me from every other place where I am and establish me in your secret place, remove me from every dark place I am in and establish me forever in your secret place. Lord remove my spirit, my mind, my heart from every place that is not of you, remove my focus from everything and place that is not of you and establish me forever in your secret place. Lord remove my heart from everything that is not of you. Lord remove my heart, my attention, my desires and my focus from the things that are not you. Every dark place where I have put my life into, Lord remove my life from those places and let my life be permanently established in your secret place. Lord remove my heart from these things that are not yours and establish me forever inside your secret place.

(1086). There is going to be a very big difference between those who are in God's place and those who are not. What are those differences?

1). **THEY WILL FIND REST IN THE PLACE OF THE ALMIGHTY.** When everyone is confused, in pain or suffering, those in the secret place will be as if they are not in this world because they will experience nothing of what the people around will be experiencing. When others have no food, they will have too much because they are in the secret place of God. They will find peace, joy, happiness and fulfillment, where others will find nothing like that. If you don't seek God and His Kingdom at this time,

you will not find rest, because the devil is going to trouble you and a lot of things will scatter in your life.

⇒. Father, I make up my mind today to seek you and your Kingdom all the days of my life, Lord give me the grace to continually seek you. Lord when others are running for things that have nothing to do with you, Lord I will stay in your presence, I will look for your presence, I will seek for you, Lord give me the grace to do these things. When others are so distracted, misled and deceived, Lord I want to seek you, give me the grace to seek you at this time and to seek your Kingdom, give me that grace Lord.

(1087). In Isaiah 40:31 it says those who wait on the Lord shall renew their strength. This means that everyone who is waiting or trusting in God will receive help to do it better, until they get what they are trusting God for. God will also help you to trust Him. If you decide to use fasting to seek God, He will help you to do the fasting better. At this time God is going to draw closer to people who are ready to wait and trust in Him and help them to do those things better until they begin to have loads of breakthroughs.

⇒. Father, I make up my mind to wait on you at this time, I choose to continue to trust in you, to wait on you through prayers, through fastings, through faith and trusting in you, Lord help me to do these things better. Help me Lord Jesus to do everything in seeking you, help me to do them better so that I will succeed and breakthrough into great exploits, so that I will breakthrough into great results and miracles, help me Lord Jesus.

(1088) (2). SOME PEOPLE WILL DIE OTHERS WON'T. The same disease that is killing some people will not be killing some people. That is what is going to be happening these last days. What is the secret of those who will not be killed? Their secret is that they are living in the secret place, not that they have taken the vaccine or are wearing face masks or doing something special but it's because they are living in the secret place of the Most High, that is why those people will not die in these last days.

⇒. Father, take me into your secret place where diseases, sicknesses, disasters and death cannot find me. Take me into the depth of you, into your secret place where the deadliest disease will not find me, where the most deadly virus cannot find me, take me there Lord Jesus. Lord take me into your secret place where no infection or disaster will find me, where death will not find me, Lord take me into your secret place.

(1089) (3). THEY WILL BE SO CLOSE TO THE ALMIGHTY GOD THAT THEY WILL BE IN THE SHADOW OF THE ALMIGHTY. This means that the will of God will not be far from them and the plans of God will be known to them. They will receive certain information and revelations from God that will take other Christians a long time, even years before they can get that information.

⇒. Father take me into the secret place where none of your revelations are hidden from me, where none of your plans for these last days will be hidden from me, where none of your programs for these last days is unknown to me, Lord take me to that place. Take me to that place where your voice is not far from me, where your will is not far from me, where the secrets of the enemy are open to me, where the secret of darkness are so open to me, Lord take me to that place in you. Lord take me to that place where I am always relevant concerning the things of God, take me to that place where I am always updated concerning the news in heaven, where I am always divinely updated concerning what is happening and going on in the Kingdom and presence of God. Lord take me to that place take me to your secret place.

(1090) (4). YOU ARE ALWAYS CONNECTED TO THE MOVE OF GOD. When you are under the Shadow of someone it means you are following that person. As God is moving so are you. Whatever God is doing, you are included, in all operations of God in your generation you are included, you are not ignorant of them.

⇒. Father, connect my spirit with you, so that I move as you move. Lord bind my spirit with yours, bind my heart with yours, bind my mind with yours, such that I move as you move, so that I am included in everything you are doing at this time. So that I am included in the operations you're doing in these last days. Oh God let me be bound to you, glue me into you, bind your heart with my heart, bind your spirit with my spirit so that I flow together with you, wherever you go I go, whatever you do I do, whatever you say I say. Oh Lord of hosts, I seek for this connection, I desire for this connection, Lord let it be permanently established from this hour henceforth. Bind my heart with your heart, my spirit with your spirit in permanent connection, let there be a permanent bond between my spirit and your spirit.

(1091) (5). THIS PRESENT WORLD IS A SHADOW OF ANOTHER WORLD GOD CREATED FOR HIMSELF. In the book revelation, apostle John says I saw the new heaven and a new earth and that the one we are living in is no more. By revelation, I discovered this world that we are in is not real anymore, this world is fake. The real reality is the invisible realm because most of the things you are seeing right now are not appearing to be what they are, even the people that you are seeing on earth, those whom you call human beings and animals are not as they appear. What many of us are seeing is not what really is, we are living in a pirated, corrupt world, the world has been deformed. The people who abide within the Most High will be living in the real world not in this fake world. (You will understand with time what I'm talking about)

⇒. Father take me into your secret place where everything in this world appears as they are, where I see things as they are not in their polluted state. I want to see people the way you see them, I want to see the realities of God in this world. I want to see things differently not as they appear to me but as they really are, take me to a place where I see the way you see. Take me to that place in you where I see the realities of God in people, the realities of God on earth. Lord take me to the place where I see things as they really are in the sight of God, as things really are in the

sight of the angels, not as they are in the sight of men but as they are in the sight of God and heaven. Lord take me to the place where I see things from your perspective, from your own eyes, not from my own eyes; take me to that place in you where the real earth is revealed to me even in this deformed earth. Where I see the beauty of God in the world that others are not seeing, take me to that place in you.

(1092). Father let your mighty hand be stretched out against every power that is promoting failure in my life, promoting setbacks, disappointments and loss, let your mighty hand destroy it. Stretch out your mighty hand against every spirit of darkness, covenant of darkness which is causing pain, promoting failure, every curse of darkness causing me to fail anytime I should succeed, oh God begin to destroy them by your mighty hand. Every power that is causing failure to continue in my life, ministry, business, in my walk with God; Lord let your mighty hand destroy them right now in the name of Jesus. Every power blocking prosperity in my life, blocking increase in my career, in the work of my hands, Lord let your right hand of power consume them all.

(1093). Just as it is written in the scriptures, come out among them and be separate, that's what I heard the voice of the Lord saying. I don't know the people, groups, associations, ministry or a church that you have joined yourself with that is not of God, but you need to come out from them.

⇒. Father, move me from among any company, groups or friends that you do not want me with, remove me from among them by your mighty hand. Oh God remove me from among them, from every ungodly relationship, peer pressure, every ungodly connections and associations, every church or ministry I am not supposed to be in, oh Lord remove me from among them.

(1094). When we say come out from among them, we also mean that when you have been initiated, you must also come out from among them. Some people have been initiated into demonic societies, demonic organisations, demonic invisible groups and they do not know. Every time you sleep, your spirit is taken to a place that you do not know, that is initiation. Though others do about the initiation, some do not know, I'm now talking to those who do not know, this means something or someone initiated you.

⇒. Raise up your right hand. Father by your fire remove me from every demonic society, demonic organisation or group that have claimed my spirit, claimed my soul, Lord by your fire right now, remove me from among them. Lord by fire remove me from every secret society that has claimed my soul and spirit to be among them, oh God of Israel, enter into that place right now and remove me from them. Oh God of Israel, enter into those realms and remove me from among them, remove my spirit from among them, remove my life, destiny, soul from among them because I do not belong to them but I belong to the kingdom of God, I belong to the kingdom of Jesus Christ, I belong to the God of Israel. I come out from among them right now in the name of Jesus, I come out by fire, I come out from among them by the intervention

of the angels of the living God. I am removed from among them by the intervention of the Lord of hosts.

(1095). In this month of January, there are people who God is going to lift up. There's a blessing in this month waiting for you. I'm not speaking to excite you but I'm speaking by prophecy. There's a promotion, elevation, increase, and breakthrough, open door and a turn around waiting for you this month.

⇒. Father, the help, the blessing, the favour that you have programmed for me in this month, Father help me to meet with them, help me to collide with them, help me to find that help even in this month of January. Lord make me meet that thing that you have already placed in January for me, that blessing you have already placed in January for me, make me meet with it, let that thing meet me in the name of Jesus. Let the blessing meet me and let me meet that blessing. Let this month never pass until I possess that thing in this month in Jesus' name.

(1096). I saw a river flowing and as the river was flowing something appeared, a blockage to stop the river from flowing.

⇒. Every limitation that has been established to stop the flow of goodness in my life, established against the flow of blessings in my life, the flow of finances in my life, oh God let your fire destroy that limitation. Every limitation established to stop good things in my life, business, and marriage be destroyed by fire. Every limitation that has stopped the flow of spiritual gifts in my life, stopped the flow of anointing and power in my life, let the fire of God destroy that blockage and that limitation in the name of Jesus.

(1097). Father every darkness that is not allowing me to see the things you are showing me, that is not allowing me to read the things you're showing me, Lord let your fire destroy that darkness. Every darkness that is blocking all the things, revelations, and encounters that God is showing and sending to me, every darkness that is not allowing me to see, let fire consume that darkness right now in the name of Jesus. I refuse to be a blind Christian, let fire destroy every darkness that is not allowing me to see all that God is showing me. Let the fire of God destroy such darkness, let the fire of God consume such darkness in the name of Jesus.

(1098). Most Christians who are not fulfilling their calling and destinies are the ones who are actually limiting themselves. This is because most Christians have the hardness of heart these days. Despite God telling them not to do certain things, they do not heed to God's instructions. If you have a stony heart it will be difficult for you to obey simple instructions from the Lord. If you don't obey the simple instructions God gives you, you will end up having a lot of wasted years because God will not do what you want to do but you should do what He wants.

⇒. Place your right hand on your chest. Father lift up your hammer against every hardness in my heart and break that hardness in pieces. Every stony heart in me, by your hammer, break them in pieces. Lord, every hardness of heart that has piled up

inside my heart, different levels and layers of hardness that have piled up inside my heart against righteousness, against the fear of God, against the purity of God, against the holiness and will of God, oh God break that hardness into pieces. Lord help me and break my stony heart and give me a soft heart. Give me a humble heart that will tremble at your word and that will obey you continually. Give me a heart that fears you, a heart that honours your word, a heart that obeys your word in Jesus' name, Amen.

Every demonic hand that is controlling the affairs of your life negatively, every demonic hand that is drawing backwards things that should be going forward in your life, I decree let the flaming sword of the Lord cut off those hands right now in Jesus' name. Every power that has merged itself with the activities and affairs of your life, to make life difficult for you, I decree divine judgement to come upon such powers right now in Jesus' name.

Every attack of the enemy that has been mobilized against you, against your spouse, children, family members, because you are connected to the anointing in this ministry, I declare an end from heaven come upon that attack in the name of Jesus. Whether you like it or not, you will move forward in Jesus' name. Whether people around you like it or not, you will move forward in the name of Jesus. Whether the devil likes it or not, you will move forward in Jesus' name. Thank you Father because we know you have answered these prayers, in Jesus' name it is done, Amen.

PRAYER POINTS

(1099). Father, thank you for being my father. Thank you for being my shepherd. Thank you for presiding over my life, over my soul, thank you Lord for your covering over me. Thank you Lord because I'm in you and under you I find safety, under you I find strength and grace. Lord, thank you for being my Father, my Lord and my shepherd. Thank you for being the one who leads my life. Thank you Lord for your place in my life. I am not worthy to be called your son but you saved me and made me your own. You redeemed me and you made me your own and you became my Father. Thank you Lord Jesus for being my helper, provider and savior. Thank you Lord for adopting me; I had been sold under death, sin and destruction. I had already

been taken over by the enemy but you came and brought me out of darkness into your light. You brought me into your kingdom, blessed be your Holy Name.

(1100). Father I thank you because you have great plans for my life and destiny and you will bring them to pass. You have great plans for my life, I thank you Lord for that, you have great plans for my destiny, I thank you Lord for that. I thank you because I am not here as a spectator to watch others live, or to watch events and situations going on in the world but I am here to fulfill your purpose. I am not existing by error or by mistake but I am existing for your purpose. Thank you because you have placed me here to reveal your greatness through my life. Thank you Father because I am here to be a blessing to my generation. I am here to be a change agent in my generation, thank you Father.

(1101). Father every darkness that is corrupting my understanding of you, corrupting my understanding of the word of God, my understanding of Jesus Christ and the Holy Spirit, let your fire destroy such darkness. Every darkness corrupting my understanding of righteousness, father let your fire destroy such darkness. In the name of Jesus, you darkness corrupting my spiritual understanding, my understanding of who God is, corrupting my understanding of what God is capable of doing, catch fire right now. I command the fire of the Holy Ghost to consume you all in the name of Jesus. You darkness that is blocking my mind from descending the will of God, catch fire right now in the name of Jesus. Every darkness that is blocking my wisdom and my understanding from discerning the mind of God, let fire consume you right now in the name of Jesus.

(1102). The Lord is showing me that some of you are not getting what God is saying or what He is showing you despite its clarity before you. The voice of God is so clear yet you do not understand, the picture is so clear before you but you do not understand, it is the work of the devil. You must understand the will of God before you can align with it. There is no way that you can connect with something that you do not understand. The devil is one busy corrupting the understanding of Christians at this time. If the devil is going to do something in your life, he is going to mix with your blood because the life of a man or creature is in its blood. Your blood is more spiritual than physical so the devil, darkness or demons can mix with your blood. ⇒. Father let your fire fall and consume every darkness that has mingled with my blood to corrupt my spiritual understanding of you and your ways, Father let your fire consume them. The darkness that has combined itself with my blood, body system to stop me from understanding the will of God, to stop me from growing spiritually, let fire consume them. Every darkness that has mingled itself with my blood system, with my body system to stop my mind from understanding the will of God, understanding the Word of God, let fire consume that darkness right now in the name of Jesus.

(1103). The Spirit of God is telling me that we should pray on issues of love because some of us do not really have love though you think you have love. There are two greatest commandments, which are love the Lord your God with all your heart, with all your mind, with all your soul, strength and with everything you have; the other says love your neighbour as you love yourself. If you love God, you will obey His commandments just as the Word says. You will not intentionally hurt Him just as you will not intentionally hurt your spouse that you will love, this is the same way you will not do such to God if you really love Him.

⇒. Father, help me to love you more than I have ever loved you. Help me, Lord Jesus I want to love you with all of my heart. I want to love you more than my life, more than my breath. Help me Father to love you more than this world, the things of this world, more than money, more than my possessions and achievements that I have, more than whatever I have become, Lord help me to love you deeply. God of Israel help, me to love you with all of my heart. I want to love you with all of my heart, body, strength, soul and spirit. I want to love you more than my husband, more than my wife, more are my children, more than everything and everyone. Lord I want to love you more than my own life, Lord help me to love you.

(1104). God is asking us to love our neighbours and the brethren. Jesus always told his disciples to love one another and that was the only way people would you know that they were His disciples. If we don't love one another as Christians then we are not disciples of Christ and who do not belong to the kingdom of God. If you don't love the brethren or care for them or lay down your life for them, then you do not belong to the Kingdom of heaven. Loving one another is a commandment of Christ to us.

⇒. Father, help me to have love for the brethren and for my neighbours that are unbelievers. Lord help me to love people around me, help me to love sinners so that I can pray for their salvation and show them the light. Help me to love the brethren to the point that I give. Help me to love to the point that I preach the gospel, help me to love to the point where I lay down my life, my possessions and qualifications to save souls. Lord help me to love.

(1105). The Lord once told me that you cannot save the souls of man if you do not love them. He was telling me that I should love the worst sinner if I am going to save them and that I should love even people that hate me, that hate God and the kingdom of God and its righteousness, if I want to save their souls. Love is the greatest weapon that can defeat the greatest darkness in our generation. If you have been asking God to give you victory and you haven't received it, until you love your enemies, even the person that offended you the most, you might not have that victory. You have to come to the point where you love them so much then you can win battles because love is the greatest weapon in the kingdom of God. That is how Jesus defeated Satan because He loved us and died so His death defeated Satan forever. If you can love, you can win the greatest darkness ever. Those who have refused to forgive people who hurt or offended them cannot overcome the kingdom

of darkness because of not forgiving people. You need to forgive to be able to overcome the enemy.

⇒. Father have mercy on me, forgive me for not forgiving others, help me to forgive now. Immediately after this prayer session I will call that person and tell them that I have forgiven them. I will send a text message and tell them I have forgiven them. Lord help me to forgive because I am ready to do it. Lord forgive me for not forgiving. God of Israel, let your mercy bring me forgiveness because I know I have sinned by not forgiving those who offended me. Lord help me by your mercy. I am ready to forgive many that offended me, even those who offended me the most.

(1106). The problem of holiness churches (these are those who preach holiness to the extent that they end up taking it to the place of self-righteousness). There are some Christians who have taken holiness to the point of self-righteousness. These feel like they are too different from others and they do not want to do anything with people who are not living 'holy'. Maybe you are like that, you don't want anything to do with sinners, or people that don't dress properly, people who are living in sin but that is not how Jesus taught us. You must love people to the point where you reach out for their souls, where you start praying for their salvation, not for you to be judging and condemning them. If Jesus had condemned you when you were a sinner, how would salvation find you. Why do you judge that other people's lives are too bad for God to save them? The reason why we are not preaching the gospel is because we have condemned people so much that we think they cannot be saved anymore which shows that you don't love people anymore. When you love people you will preach to them and pray for their salvation.

⇒. Father work in my heart, let your love be rooted in my heart because I want to reach out for the salvation of the souls of others. Lord let your love gain root in my heart. I want love to rule in my heart, I want your love to be rooted in my heart, I want to love to be grounded in my heart because I want to reach out for the salvation of the souls of others. Lord, I want to love people to the point I pray and fast for their salvation, to the point where I will preach the gospel to them. Lord, work in my heart, let me have deep love for people. Work in my heart, Lord Jesus give me deep love for people, for souls out there.

(1107). There was a time I asked God to help me to think and reason the way He does, to see things the way He sees, then my perspective of life began to change and my understanding of life changed as well. God is saying love the people to the point whereby you are willing to lay down your life for them and this is the secret walking in the glory and the power of God, this is how you become powerful.

⇒. Lord share with me the same love that you have for the world. Put that same love in me for souls all over the world. Lord I want to have the love that is in Christ, the love that is in your heart, share that love with me because I want to love like you love. Lord give me that agape love, sacrificial love, and selfless love; share that love with my heart. I want to love like you love, Lord put that love in my heart and establish it forever.

PSALM 91:2

(1108). This is coming from somebody that has experienced the Lord, someone who has enjoyed the Lord. The Lord is sweet, you only need to taste Him, you need to enjoy God, you need to experience God. Most people know God theoretically, they don't know God by the spirit or by experience, they only know Him by their head or mind. God is looking for Christians who will know Him by the spirit not just by the head, not because somebody told you or you have read somewhere about Him. He is looking for experiential fellowship in the spirit.

⇒. Raise up your right hand. Father, I refuse to know you by the head alone. I want to know you by the spirit, I want to feel you, I want to experience you and taste you. I want to enjoy you, to enjoy fellowship with you, I want to enjoy your presence. Oh God I want to go deeper in you, deeper to the place of spiritual experience. I want to experience you, Lord Jesus help me, connect me with your presence, connect me with your power, connect me with your glory, I want to experience you. Help me Father, take me deeper into you in Jesus' name.

(1109). God is looking for those who are going to worship Him in spirit and in truth just as Jesus said in John 4:23 downwards. God is looking for some people here to worship in truth not just mechanical worship whereby you worship from the realm of your mind. You are limited to your brain, God is not looking for that. God is looking for spiritual worship, spiritual fellowship. If there is a limitation that is cutting you short in experiencing God, God will destroy that limitation tonight.

⇒. Father every limitation of darkness on my spirit to stop me from worshipping in the spirit, from worshipping you with experience, Lord let such limitation of darkness be consumed by fire. Every limitation of darkness on my spirit stopping me from having a spiritual worship with God, to stop me from connecting with God by the spirit, let that darkness be broken right now, let such limitation of darkness be destroyed right now in the name of Jesus. Every darkness that is stopping my spirit man from communicating with God, let the fire of the Holy Ghost destroy that darkness right now in the name of Jesus.

VERSE 2

(1110). Take note that it says God ALONE is my refuge, meaning that there are certain things, beings or personalities that want to become a refuge of people. You are not supposed to make any person your refuge, some people believe in doctors more than they believe in God, by believing doctors so much more than God it means you have made doctors your refuge. Whether it is the government, your parents, relatives, siblings or other human beings that you believe so much in, means you have made them your refuge. You must come to the point where by you say God alone is my refuge, he is my place of safety, when you do so then you will see the glory of God

⇒. Father I make up my mind this day to make you alone my refuge, to make you my place of safety, Lord help me to do this. I withdraw my trust from people, doctors,

scientists, and the government; I withdraw from anything, anyone, my bank account and I put my trust in you alone. I withdraw my trust from my parents, help me Lord Jesus to trust in you alone.

(1111). Some things are going to be happening very shortly. I hope when those things start happening you and I will be able to say He is my God and I trust Him. Most things that people have put their trust in are going to start failing all over the world. The systems that people thought will never fail will fail, the government will fail people, the things that have never failed that have always been working and helpful for many years, those things will eventually fail and won't help anyone. It is in those days and times that those who really know God will say He is my God and I trust Him. When the systems of men fail, the kingdom of God that I trust in will not fail. ⇒. Father, I seek for a deeper relationship with you at this time so that I will not fall from the faith during the time of tribulations and great trials. Lord I seek for a deeper walk with you, take me into a deeper relationship with you, into a closer walk with you, closer communion and fellowship with you. Take me deeper and let me be able to say you are my God and I trust in you. Let me walk with you to an extent where I will say you are my God and I trust in you even when everything else fails. When people, system and government fail, I want to be able to say I have you and I trust you, help me Lord Jesus.

VERSE 3

(1112). Raise up your right hand. Father rescue me from every trap the enemy has set on my path to bring me down, to destroy me. Oh God of Israel rescue me from every trap of destruction, from every trap of death, trap for downfall, failure and destruction that has been set against me, Lord rescue me now.

(1113). The Word of God does not lie, even when sickness and disease are killing people, the Word of God remains true. Nothing can make the word of God invalid. The Bible says, let God be true and all men liars. If coronavirus is killing people including pastors and Christians, that doesn't invalidate the Word of God and it doesn't mean that God is a liar. The Word of God is forever true for those who will believe it and it will work for them.

⇒. Father I believe your Word, protect me, protect my family from every deadly disease that is prevailing at this time, prevailing in my generation. Lord protect us because we believe in your word. Keep my family, my children, siblings, spouse and parents; Lord protect us from deadly diseases because we believe and trust in your Word.

VERSE 4

(1114). This verse means that God is going to bring you under his covering such that nothing happens to you. Anything that would want to happen to you which is evil would have to first of all reach God before it reaches you.

⇒. Father bring my entire life, entire business, career ministry and calling under you, under your wings, under your feathers, and keep me preserved. Oh God of Israel, bring my entire life and entire destiny under your feathers, under your covering, under your dominion, under your power, under the influence of your strength and keep me protected, keep me preserved in the name of Jesus. Lord bring my finances under you, bring my health, marriage and home under you, keep me protected, keep us preserved under you

VERSE 5

(1115). There are terrors in the night but God is saying do not be afraid because you are under me. They are arrows that fly during the day and God says because you are under my covering, don't be afraid of them. What is Corona virus or witchcraft attacks when you are under the covering of the most high. Fear is what is killing most of us, not even the attacks of the devil.

⇒. Father I believe in your Word, uproot from my heart the fear of the terrors of the night and the fears of the arrows of the day. Lord deliver me from fear, I believe in your Word, deliver me from the fear of what the devil can do to me. Deliver me from the fear of the terrors of the night, from the fear of the deadly arrows of the day, deliver me Lord Jesus. Let me be conscious that I am under the covering of your wings, let me be conscious of that truth and reality. I believe in your word Lord.

(1116). I saw lightning, and this means that there is going to be sudden intervention from heaven in the lives of some of you here. Right now as we are praying God is going to intervene suddenly!

⇒. Raise up your right hand. Father intervene suddenly and destroy every power of darkness that surrounds me to destroy me, consume them right now, by lightning and thundering, let God descend upon that darkness. Lord intervene suddenly and deliver me. Father send lightning from heaven, send fire from heaven and deliver me right now from the darkness that is looking for my destruction. ***That darkness that surrounds you to destroy you, to confuse you, to mislead you, to deceive you and prevail over you; let heaven descend upon them and consume them right now in the name of Jesus.**

(1117). The reason why many people are afraid is because they do not believe in the greatness of God, also because they did not know God. When you know God and you know His greatness, how powerful He is, you will believe in Him. The reason why you are afraid is because you do not know God at all, when you know God enough you will not be afraid but fear will be the one afraid of you. The devil himself will be afraid of you when you have known God enough.

⇒. Father help my faith to be in your greatness, help my faith to be established in your greatness and let fear run away from my life, let fear be permanently separated from my life. Lord let my faith be in your power, let it be in the greatness of who you are and let fear be banished from my life forever. Let my faith be in your greatness not in what I see with my eyes.

VERSE 6-7

(1118). When people are dying all around you, the Word of God is saying you will not be touched you will only see it happening around you but it won't come near you.

⇒. Father, arise from the midst of my life, the midst of my spirit, soul and body and let every darkness see you and flee. Arise from the midst of my life from the midst of everything in my life and let darkness see you and run in the name of Jesus.

(1119). Verse 6 talking of a disease waiting for you in hiding. God is saying even that disease that is hiding in darkness waiting for you, He is saying do not be afraid of it. Everything or everyone who passes through it gets it but you will not get it because you are under the divine covering of God

⇒. Father, strengthen your defence in my life such that I become divinely immune against every form of disease. Father, make me divinely immune against every form of sickness and disease in the name of Jesus. Strengthen your covering over my life, strengthen your divine defence in my life.

(1120). The Lord is telling me that in some of you there is a particular disease that is hiding that you have not discovered and the doctors haven't detected it yet. Diseases are more spiritual, so it's possible for you to have a disease which no one can see that is waiting to manifest at a certain time in the future.

⇒. Raise up your right hand. Father release your fire and destroy every disease that is hiding deep down in my body waiting to appear in the future, waiting to manifest sometime in the future, Lord locate that disease right now by your fire. Let your fire visit that disease that is hiding in my spirit, waiting to appear at a particular time in the future, let your fire find it and destroy it. Let your fire locate such a disease and destroy it completely. ***I am praying for you, let the fire of the Holy Ghost enter deep within you and locate every disease hiding somewhere waiting to show itself in the future, let the fire of God enter deep into you right now and consume that disease in the name of Jesus. Let that disease be uprooted and destroyed forever.**

VERSE 8

(1121). In this year God will open your eyes and see how God will punish the wicked. That is why you must not be wicked because if you join the wicked you are going to be punished by God because God is going to deal with the wicked this year.

⇒. Father let your fiery judgement follow up on principalities, powers and kingdoms of darkness troubling the nations of the earth, and consume them. Let the anger of God come upon principalities, powers, kingdoms, the governments, organisations, associations, secret cults, every occultism that is troubling the nations of the earth at this time, troubling the will of God for the nations of the earth, let the anger of God consume them. Let the anger of God destroy them, let fiery judgement of God fall upon them in the name of Jesus Christ.

(1122). Place your right hand on your head. Father let your fiery judgement fall upon all the forces of darkness that have been mobilized to stop the fulfillment of my divine destiny, let your fiery judgement come upon them. Fiery judgement from heaven, from the throne room of the God of Israel, fall upon all the forces of darkness, upon all the witchcraft that has been mobilized to stop my destiny fulfillment, to stop my calling from being fulfilled, let them be wasted, let them be eternally consumed in the name of Jesus.

(1123). The Lord is telling me that He wants to publicly defend you. Meaning God wants to defend you openly, I may not know what it means but when God does it you will know what it means or understand then.

⇒. Father according to your mercy, let me see you defend me in places where I can no longer defend myself. Let me see you manifest and defend me in situations where I can no longer defend myself. Let me see your power manifested in those places where I could no longer defend myself. Lord let me see your kingdom appear with power to defend me when I can no longer defend myself. When no one else can defend me, Lord let me see you let me see the manifestations of your greatness in those times in the name of Jesus Amen.

⇒. Lift up your right hand. Father let your mighty fire begin to burn in my life and let whatsoever you have not planted jump out of my life, whatever you have not put in me, let your fire begin to burn and let them begin to fall out, let them begin to run out. Every darkness wherever it is hiding, let it begin to fall out, let it begin to jump out by the heat of your fire. Lord set my life on fire so that no darkness can survive anymore, no sickness can survive, no disease, captivity of darkness can survive anymore, no curse, no evil or spell can survive anymore; let my life and spirit become too hot for the devil. Set me on fire, set my business, my home, marriage, set everything on fire, let not darkness be able to thrive, let no darkness or demonic agents be able to survive.

(1131). The devil caused some people who are supposed to help you to forget you so that your life will not move forward

⇒. Father let your fire destroy every work that has been done to cause my helpers to forget me. Destroy wrong relationships and put me among the right people, bring the right people in my life, make my life to meet the right people that I will move forward together with in the name of Jesus.

(1135). There is a weapon that you must receive from God for you to win specific battles in your life, not all weapons are applicable for all battles.

⇒. Father, give unto me the weapon that I will use to defeat my present darkness, give to me the right weapons, the particular weapon that I will use to overcome the battles I am fighting at this time. Lord equip me with the right weapon, equip me with the sword of the spirit, equip me with every weapon in heaven to overcome battles to destroy my present limitations, Lord given to me weapons of war. Angelic weapons of mass destruction, Lord release them upon me those weapons that I will use to defeat my strongest enemy, Lord deliver them all to me in the name of Jesus.

(1136). God can assign his angels to fight for you because angels are also divine weapons.

⇒. Father, mobilize your angels into the battles of my life for great victories at this time. Father mobilize all your angels of war into my present battles for great victories. Oh God of Israel, mobilize angels of war into the battles from my father's house, into the battles coming from my mother's house, battles coming from the demonic Kingdom, battles coming from the witchcraft Kingdom, mobilize your angels of war and let them begin to give me victories right now in the name of Jesus. **Let the angels of war of the Most High God, the angels of heaven be mobilized into all the battles of your life for the manifestation of great victories, let it happen to you right now in Jesus' name.**

PSALMS 91:9 -10

(1137). The word 'if' is a conditional word, meaning God demands your trust at this time. If you can trust in Him, if you can hide in Him, rely on him alone, He is going to shield your life.

⇒. Father, I have made you my refuge and shelter, let no evil conquer me, let no attack of the enemy succeed in my life, let no witchcraft succeed over my life

because I have made you my shelter. Father I have made you my refuge and shelter, let no evil prevail in my life. Let no arrow of darkness, arrow of sickness prevail over me. Let no plague come here my home, let nothing evil touch me because I have made you my refuge.

(1138). No matter the level of wickedness and evil, Lord let my life, my family members be secured in the name of Jesus. I connect everyone that is connected to me, I connect them to your protection. I put them us, under you Lord, let us find security in you because you are God that faileth not, you do not fail or make mistakes, therefore Lord I take me and my family into your protection. Lord show us your defence, your security, protection and keep on preserving us in this year in Jesus' name.

VERSE 11

(1139). The angels of the Lord will monitor each step you take; they will monitor all your actions and activities to ensure that you are safe.

⇒. Father mobilize your angels into every affair of my life, every activity of my life, my going out and coming in; lord let angels begin to partner with my life for my security, protection, success progress and safety. Let angels combine themselves with my life, combine with every journey of my life from now henceforth, let your angels oh God attach themselves with all aspects of my life, with all moments of my life, whether I am standing, sitting, eating, walking, and in everything; let them be involved for perfection, safety, victories, success and progress, let your angels get involved in all areas of my life.

VERSE 13

(1140). The lions of powers and principalities which are forces of darkness are already here and it is the God in you that will crush them not just your human strength but by divine strength.

⇒. Father let your greatness arise from within me to crush lions, serpents and cobras attacking my life and destiny. Lord arise from within me and enable me to defeat terrible powers and principalities, to crush lions, to crash cobras and serpents, enable me by your Spirit, empower me by your Spirit to defeat the most terrible darkness that is confronting my life and those that will be confronting my life. According to the greatness of your mercy, enable me Lord Jesus to defeat them.

(1141). When we talk about fierce lions and serpents, all these are destroyers and devourers and God is saying you will trample upon them because they are wasters of lives and destiny. We are talking about spiritual cobras and pythons which are destroyers from the kingdom of darkness.

⇒. Father let me become a terror against every kingdom of darkness attacking my life and destiny, Lord raise me up above them and make me a terror against them, make me a destroyer of kingdoms of darkness. Every kingdom of darkness, every destroyer of darkness that is attacking my destiny, calling, career, progress and

success, oh God make me stronger than them. Lord raise me above them, make me a terror to them henceforth in the name of Jesus. Make me rule over them, make me subdue them, make me oppress them, oh God of Israel, according to your power, make me, raise me against these kingdoms of darkness that appear as strong against my life, my calling and ministry, oh God of Israel, raise me above them and make me stronger than them, make me at terror to them.

(1142). There is impartation of power when God pays you a visit. Once God visited me and He began to give me so much power and I asked him why He was giving me so much power and He said, "You are going to be dealing with a great darkness because there is great evil in these end times and I am empowering you for that purpose". This was the first time the Lord spoke so highly of the greatness of the darkness in these days to me. Though God is omnipotent, all powerful; that was the first time He told me that the devil is powerful. He was not saying that this darkness was undefeatable, He was saying that the darkness is too great and you need to be more powerful than them. This darkness the Lord was showing me has defeated many anointed Christians and ministers too, it succeeded over them because they were not stronger than that darkness. In these last days we need to be strong because we are dealing with a very deep and stronger darkness. If you're not stronger than them they will defeat you.

⇒. Father, empower me with the fullness of your power and make me stronger than the present darkness of this age, stronger than the darkness prevailing in this age. Lord empower me with all the power in you, with the fullness of your power, with all that is in you, with all that you are, Lord make me stronger, makes me higher and greater than the darkness of this age. Empower me oh God of Israel, raise me above them, above the terrible principalities, above the powers which are ruling this age, above the authorities which are ruling this time, Lord make me stronger than them. I refuse to be defeated by the present darkness of this age. I refuse to be oppressed and demoted by the present darkness of this age. Lord help me, strengthen me above them.

(1143). There are secrets of strength and victories in God's Kingdom. Until your eyes are opened to discover these secrets you might not be stronger. There are revelations you must catch that will automatically make you stronger, if you don't catch the revelation you will continue to be oppressed. Divine secrets are personal because we do not have the same destinies, God will show us different secrets because we have different ways of getting victories.

⇒. Father expose to me divine secrets and revelations that will enable me to be stronger than the present darkness of this age. Lord, reveal to me secrets that will make me stronger than the demons ruling this time, that will make me stronger than the present evil prevailing in my generation, show me the secrets.

VERSE 14

(1144). The question is do you love Him? This is a great question to those who understand what it means to love God.

⇒. Father, help me to be rooted and grounded in your love. Lord I want to love you much more than ever before, help me to be grounded and rooted in your love. Help me to walk in your love, to operate in your love, speak by love, to do ministry by love not because I have to do ministry but because I love you Lord. I don't want to do ministry because somebody is asking me but because I love the Lord. Lord help me to love you to the point that your love moves me to action, that your love will restrict me from doing things which are against love. Lord help me to love you than ever before.

(1145). God is going to be establishing a covenant with those that love Him. The covenant says I will always come to rescue you and help you. That is what that covenant will say in your life if you will let love prevail in your life. There are some people, Christians whom God will not rescue because they are not walking in love.

⇒. Father I enter into a love covenant with you today, let me always find your rescue at every point that I need you. Let there be rescue missions from heaven at every point in time when I need you. Lord, I enter into a love covenant with you tonight. Let my life always find rescue from you, let me always receive rescue and help from you at every point in time in the name of Jesus. When I need help, let me always find help from you.

VERSE 14&15

(1146). Very soon though I don't know how soon, many things are going to be happening which will look like mini rapture. It will look like rapture but it's not really rapture but it is God's intervention to rescue people whereby the only way to rescue them is to rapture them into another realm or location. For example, if you are in a place that is about to be bombed or already bombed, the angel of the Lord will come and rescue His people from that location because if the angels don't come to rescue them they will be destroyed. There will be so much evil in this time that God will be removing people from one location and relocating them to another because He has established a covenant of safety. I pray the Lord will establish this covenant with you, and your family will be preserved from every disaster that the enemy has planned to reveal in these last days in Jesus' name, Amen.

⇒. Father let in anointing of instant answers to prayers begin to work with me from today onwards. Anointing to instant answers to prayers begin to work with me from today onwards. Anointing to instant answers to prayers such that whilst I am praying or speaking the miracles are already happening, Lord let it be that whenever I call, you answer. Anointing for instant results from heaven, anointing for instant answers and miracles from heaven combine with my life, let it combine with the journey of my life , with my prayer life, ministry and calling.

(1147). Father let your protection be upon my finances, rebuke wasters and devourers concerning my finances and make your protection be upon my finances

henceforth. Father do not allow the enemy to steal from me, do not allow the enemy to waste my resources, my benefits, do not allow them in the name of Jesus Christ. Lord establish your protection upon my finances in the name of Jesus.

(1148). There are many ways the enemy steals from you; it does not necessarily mean you will be robbed by thieves. The Spirit of lust and addiction always wastes finances and resources. Some Christians spend money on things they don't need and will never need, that is the enemy wasting your resources. The resources would have been used for something resourceful but they are wasted. If you're dealing with addictions and lust for material things, you will always buy things to impress others and later realise you don't really need them.

⇒. Father uproot from me every addiction and lust that the devil is using to waste my resources. Lord uproot them permanently in Jesus' name. Lord deliver me from addictions and lusts that the enemy is using to waste my savings, using to waste my resources in the name of Jesus.

VERSE 15

(1149). Father establish in my life your presence that will lead and guide me in all situations and in all moments I find myself in, in troubled times and confusing times. Lord, establish such a presence in my life so that I will not be confused and depressed, so that I will not be manipulated by the devil, deceived. Such a presence that will guide me and lead me, I know that you are with me but I need a presence that will lead and guide me in all things that I do, give me such a presence. I don't want to be misled and confused, do it Lord in Jesus' name.

(1150). When the Lord says I will be with you in trouble it means that He is going to rescue you in that trouble that you find yourself in. God's not saying there will not be trouble, He is indirectly saying that you will experience trouble but I will be with you even in trouble because He knows you will need to be rescued.

⇒. Lift up your right hand. Father in all my troubles with humans weakness, moments of suffering, and lack, Lord appear to rescue me. In all my trials and tribulations, Lord appear to my rescue. When I pass through fire, when I pass through the waters, appear to rescue me. When I pass through terrible attacks, terrible oppressions, Lord appear to rescue me. When the enemy comes to me like a flood, Lord appear and rescue me. I trust in you oh God, my trust is in you. When I am passing through serious hardships and sorrows and conflicts, appeal oh God to rescue me. When the enemy is about to succeed over me, Lord appear to stop the enemy in the name of Jesus.

VERSE 16

(1151). It is eternal life that gives us a long life though you will not live forever, you will die someday but you have to die at the right time. Eternal life is real, that is immortality. When you start looking older than your age that is death not eternal life

⇒. Lift up your right hand. Father connect me with your eternal life, connect my life with your eternal life and rebuke untimely death for my sake. I shall not die but live because my life is connected with the eternal life that is in Christ Jesus. I shall not look older than my age but I shall look younger than my age. I connect myself with the eternal life that is in Christ Jesus, death is destroyed from my life, death has failed in my life, death is uprooted from my life in the name of Jesus, Amen.

Raise up your right hand

21 JANUARY 2021

PRAYER POINTS

⇒. Oh Lord I thank you because you are here for me. You are here to help me, to bless me and fight for me. Thank you because you are here to move my life forward, thank you Father.

⇒. Father make your perfect will known to me, show me your perfect will because I want to follow and obtain your will, I want to please you at this time. Show me your will in my situations, I want to follow your will. Lord I don't want to be doing my own thing, I don't want to be busy doing what pleases me or satisfies my interest or my desires, Lord I want to be doing what pleases you in everyday of my life. Lord, I want to do things that satisfy your desires and your will, that is why I am asking that you show me your will at this time. Show me what to do at this time, that will be pleasing in your sight. Lead me and let your will be established in my life, I don't want to be following my own desires, reveal your ways to me in the name of Jesus.

⇒. There is breakthrough, victory, promotion, healing and deliverance for those who are in the will of God. It is so important for you to find the will of God and do it at this time because that is how God will help you quickly.

#. Father I refuse to be misled, to be misguided or deceived, oh God reveal your perfect will unto me in every situation and area of my life, show me your perfect will and guide me, show me your perfect will and lead me. Lord I want to follow you, serve you and please you, show me your perfect will and guide me, show me your perfect ways and guide me, show me the way. I want to experience everything that you have for me in this season, all the blessings and benefits you have for me in this season, that is why I ask you to guide me to walk in your ways and commandments. Lord show me your will and establish me in that path that leads to life, the ways of righteousness, holiness, fear of the Lord, purity, ways that lead to life because I want to please you and I don't want to miss your blessings in this season. ***Unusual grace from heaven shall rest upon you, unusual grace to be in alignment with the perfect will of God, that grace shall be upon you in the name of Jesus Christ.**

⇒. There is a will of God for each hour, because there is something God will be doing in each hour of your days on earth and He wants you to join Him in that which He is doing for that hour. You need to come to a point where you understand what God is doing per hour, per minute, per second and you align yourself to that, without doing that you might never fulfill your destiny.

#. Father align me with each of your will in each hour of my life, connect me and align me let me be found in agreement with each of your will and purpose in each hour of my life. Lord let the alignment begin from my mind, let my mind fall in alignment with each of your will per time, per hour of my life on earth. Lord, I want to be aware of what you are doing in each hour just as Jesus was aware of what you were doing, I want to live like that. I want to be sensitive to what you are doing in each hour of the day, Lord I want to live that kind of life, let it begin from my mind. Let me begin to think the same thoughts you are thinking in each hour of the day. Let me begin to reason the way you are reasoning in each hour of the days of my life.

⇒. When your spirit is aligned to God you will suddenly see yourself doing things that you don't know and as you do those things you start seeing results instantly. Sometimes you won't even know how or when you started doing that thing and you might not even understand what you are doing in the place of prayer. Some of the miracles that will happen in your life will happen because your spirit is so connected to God and God manifested upon your personality and suddenly there will be victory not because you know how to pray.

#. Father let my spirit sink deep into you until I begin to do exactly the things you do, until I begin to see exactly the way you see things, exactly the way you think, speak the way you would have spoken in situations. Lord take me deeper into you, take my spirit deeper into you such that I will begin to do exactly as you do in each situation, to do exactly as you will do in each moment of my life. I want to begin to think as you think, move as you move, Lord take me into the depth of you until I begin to manifest

you in every day of my life. I want to be so deep in you so that when I speak, pray, and walk, it is no longer me but you.

⇒. Most of you find it so difficult to walk with God because you have believed a lie. There's so much false doctrines, teachings, things on the internet, what our friends have told us which are not true, we have even believed the doctor's lies that the sickness cannot be cured that is why it is now difficult for you to walk with God.

. Place your right hand on your head. Father empty from me everything I have believed that is against the truth, everything that I have agreed with that is against your truth and righteousness, oh God, uproot them from my life, from my head and mind. Oh God, every lie that I have believed that is contrary to the kingdom of God that I have welcomed into my mind and life, Lord begins to uproot to them right now. Lord empty my mind, my head of every lie I have believed, every wrong teaching, wrong doctrine and everything that I have agreed with that is contrary to your mind, contrary to your will and purpose for my life, oh God uproot them all in the name of Jesus.

⇒. When the Bible says the weapons of our warfare are not carnal but mighty through God to the pulling down strongholds... These strongholds are in the mind, the knowledge of God is in the mind. So every high thing that exalts itself above the knowledge of God is in your mind and the Bible says, pull them down. Those are the strongholds, many of us do not have victories because of the strongholds in our mind, the things that have exalted above the knowledge of God in your mind. It could be doubt, fear and insecurity, it can be lust pride or it can be anything that exalts itself above the knowledge of God and that is your greatest enemy. So you need to fight and break down that stronghold for you to see miracles in the physical realm. Miracles, victory and breakthroughs start from your heart/mind.

#. Father manifest your power and light in my heart and destroy every stronghold that is exalting itself above you in my life. Every stronghold of darkness in my mind and heart that is exalting itself above the knowledge of God, above the truth and the righteousness of God, let your fire destroy them, let your light destroy them. Lord anything that is in my heart exalting itself above your kingdom, your knowledge, righteousness, divine standard, divine principles; oh God let your fire destroy them right now. Lord work in my heart and destroy all the strongholds in the name of Jesus. Lord move in my heart, work in my heart and destroy every stronghold.

⇒. The way you reason must change in these last days and you need God to help you for this to happen because God will have to give you the right understanding, the right mindset. The reason why God must give you what to think is because most of us do not know what to think anymore because we have been deceived and polluted so much.

#. Lord give me divine understanding to guide my reasoning and thinking at this time, to enable me to think and reason the right way. Lord give unto me divine understanding, fill my heart with your understanding, wisdom, knowledge and enable

me to think the right way, not the way the world thinks but the way the people in heaven are thinking, I want to be thinking like that. Give me your own understanding, your own knowledge, your own wisdom, your own thoughts and enable me to think the right way, guide my thinking to align with your own thoughts in the name of Jesus.

⇒. Nowadays we have Christians who are controlled by what they see with their physical eyes. It is a sin if you start walking by sight not by faith. It is a sin if you start allowing what you are seeing with your physical eyes to determine how you'll believe God because Jesus said, blessed are those who believe before they see. The error in the body of Christ right now is we want to see before we believe, which is not how Jesus taught us. Most of us want to see something, a sign so we can believe it is God, that is an error in these last days.

#. Father deliver me from the spirit of walking by sight, deliver me from the mindset making me to walk by sight and not by faith, Lord deliver me from that kind of life, I refuse to live like that. Lord deliver me from every spirit making me move by sight, talk by sight, operate by sight, think by what I am seeing and not by faith. Every spirit that is making me not to live by faith, oh God, destroy that spirit, cast that spirit out of my life. Every power that is making me to walk by what I see, destroy that power Lord, I want to walk by faith.

⇒. This error is the reason why we are deceived by false prophets, it is why witch doctors are dressing up and calling themselves pastors and prophets whilst they are agents of Satan and millions of people are following these false people. They are coming into the public as ministers of God and have deceived millions of people, because we are walking by sight not by faith. We are deceived because they show us signs and wonders and we begin to follow them. If you do not repent or if God will not deliver you from this error you will be deceived in these last days.

#. Father establish your powerful and glorious presence in my life that will enable me to walk with you in faith all the days of my life. Establish in me your powerful presence, your glorious presence that will enable me to fellowship with you by faith and in faith all the days of my life. Lord I want to walk with you with the eyes of the spirit, I want to walk with you in the realities of who you are, Lord establish in me your powerful and glorious presence and let my relationship with you be strong; let my fellowship with you be stronger. Help me Lord Jesus to walk in your presence, to abide in your presence and to know your presence. Help me to know your presence and walk with you in faith at this time.

⇒. We command miracles from the secret place of God, the depth of God. If one speaks and it comes to pass it means they have spoken from the depth of God, just as God spoke things into existence from inside of him. The only way you can speak anything and it produces miracles is when you speak from the inside of the depth of God, that is where victory comes from. Inside of God is where the secret place is,

that's where you command great results from. The deeper you go in God, the greater authority and great results you will command.

#. Father take me into the depth of you and enable me to command great results and victories from your depth. Lord take me into your depth and let me command great results from inside of you.

⇒. Everyone and everything is inside God. God controls things from inside Him, all things on the earth and that which is to come is controlled from God. Miracles happen because God authorised it already in his heart. Anyone who has prevailed in the heart of God will start commanding great miracles and power.

#. Lord let my heart be circumcised to agree with your heart. So that I can relate with you from the heart. Lord circumcise my heart so that I can communicate with you heart to heart. Let my heart be delivered so that I can fellowship with you with my heart. Renew my heart, change my heart to agree with the heart in you. Lord circumcise my heart so that I have the same mind with you, so that we can communicate heart to heart.

⇒. There is a relationship between the glory you see physically and the transformation that happens inside of you. Transformation precedes glorification, if something has not happened in your heart, you might never enter into the glory God prepared for you. Something must change inside of you before something will change on the outside.

#. Father, every transformation that needs to happen in my life for me to enter into the glory you have prepared for me, my calling, ministry and destiny, let that transformation begin right now. Every transformation that must happen within me, my spirit soul, and heart, Lord let it begin right now. Lord begin to change me from the inside, deliver me from the inside, renew me, transform me from the inside so that I can walk and manifest in glory, so that I can operate in glory and power.

⇒. Miracles start first from the inside and then manifest physically. Something will first of all shift in your heart before the healing appear suddenly in your body. Maybe God wants your healing, deliverance to start from the inside and not from the outside, maybe the Lord wants to do something inside of you before He perfects it on the outside.

#. Raise up your right hand. Father let my healing and deliverance begin from the inside of me. Let them begin from within me, my heart, from within my spirit, let them begin right now; authorise them from the inside. Oh God, let my deliverance, victory, healing start from within me in the name of Jesus. Let them begin from the inside of me, let your fire begin to deliver me from my inside in Jesus' name.

⇒. Pray by faith, visualising what you want God to do in your life, pray as if you are seeing God doing what you want in your life. You pray as if it is there already.

#. In the name of Jesus, I walk in abundance (mention the things you want God to do in your life). Right now I walk into prosperity, I walk into my healing, I walk into my

future, I walk into my deliverance. Right now I possess my possessions, I have what I need, the breakthrough that I want, I have it in the name of Jesus. I have my healing in the name of Jesus. I have my joy, I have my happiness in the name of Jesus. I have my prosperity in the name of Jesus, I walk into the glory of the Lord for my life. I walk into the greatness the Lord has ordained for my life in the name of Jesus. I will walk it to all the blessings God has for me, I have fruitfulness, promotion in the name of Jesus. I have strength, power, anointing, victories, revival and all the resources I need to fulfill my calling and destiny.

⇒. Father, let there be open doors by your mighty hand, command doors to open for me that will take me to the place of manifestation in destiny, doors that will bring out all the potential into fulfillment, Lord let those doors open for me right now. Doors that will give me the job for my qualifications, doors that will give me platforms for manifestations, God let them open for me. Lord open doors for me that will make me shine the light that is inside of me, to shine the light that I am. Open doors for me to shine, to be a blessing to my generation, for me to breakthrough and make progress at this time in the name of Jesus.

⇒. Some of us have been so busy with the things that we want to do and we are not concerned about what God wants. We want to do things our own way and do not want to involve God or His opinions and because of that He decided to stay back and do nothing for you, you need His mercy at this time.

#. Father have mercy upon me and bring to pass your plans for my life, bring to fulfillment all your plans for my life. Have mercy oh God and bring to pass your own plans for my life, let your own plans be fulfilled in my life. Let things begin to happen according to your plans and ways, not according to the way I have planned them, let things begin to go your way right now in the name of Jesus. ***I pray the Lord will have mercy on you at this time. I pray that He will cause His own plans to be fulfilled in your life in Jesus' name so that you will not be limited in greatness. May the Lord cause His own plans and not yours to be fulfilled henceforth in Jesus' name.**

⇒. Father destroy every covenant that is authorising, legalizing the activities of demons, darkness and witchcraft in my life, oh God let that covenant be broken right now in the name of Jesus. Every covenant that is giving place to the devil, making the devil have legal ground in my life, Lord let that covenant break right now. Every covenant legalising demonic operations, every covenant that is opening doors for demons to work and do evil in my life, let the fire of God destroy that covenant right now in the name of Jesus. Every covenant, whether I inherited it or however way it came, oh God let those covenants be broken in pieces right now in Jesus' name. Every covenant of darkness making evil to prosper in my life, let the fire of God destroy it right now in the name of Jesus.

⇒. Father let your mighty hand break every stronghold, every standard of unrighteousness, stronghold of sin, strongholds of the flesh in my life, Lord let your

mighty hand break them all to pieces right now in the name of Jesus. Every standard of evil, standard of wickedness, unrighteousness, sin, darkness, the flesh, works of the flesh in my life, oh God let them be forever broken, let them be forever destroyed in the name of Jesus. Standard of poverty be broken right now in the name of Jesus.

⇒. There are powers which turn very beautiful things into a wasteland. When God makes your life beautiful and then something comes to mess everything around to an extent as if your life was never beautiful. These kinds of powers turn a beautiful garden into a wasteland.

#. Raise up your right hand. Pray with the whole of your heart. In the name of Jesus, I come against every power that is turning beauty into ashes in my life, every power that is turning the beauty of the Lord into waste, every power turning the blessings of the Lord into ashes, let the fire of God destroy those powers right now. Every kingdom of darkness that is turning the beauty in my life into a wasteland, turning the beauty of God in my life into ashes, let the fire of God consume them. Every power, every kingdom of darkness, dominion of darkness that is turning the garden of the Lord in my life into a wasteland, let the anger of God consume them right now in the name of Jesus. Every power turning success into failure, turning abundance into scarcity, turning prosperity into poverty, promotion into demotion; let the anger of God consume them right now in the name of Jesus, Amen.

CLOSING PRAYER

Raise up your right hand.

PSALMS 81:1-4

VERSE

⇒.Just as these verses are saying, we should sing aloud to the Lord. The first thing you're going to do is to find one song of praise and sing aloud to the Lord.

⇒. There is renewing of strength in the place of praise and worship. When it appears your strength is failing or weak, your strength becomes renewed when you praise and worship the Lord in the spirit.

•Lord teach me to remember to worship you in every moment of my life, in every moment situation of my life. Teach me or Lord to always remember to praise you when I am strong or when I am weak, to praise you when I feel good, or I feel bad; when I'm happy or not, teach me Lord to always praise you. Teach me Lord to remember to praise you in spirit and in truth.

VERSE 2

⇒. You must always have the attitude of using songs to worship the Lord. Look for songs that carry the presence of God in them and use them to praise God because this is the law He gave that we should use songs to praise and worship Him.

•Father, lead me to songs that I need to use to worship and praise you at this time. Lord teach me songs that I will use to worship and praise you at this time. Breathe upon my heart inspirational songs to use to connect with the realms of heaven in the place of worship at this time, teach me Lord Jesus.

VERSE 3

⇒. God commanded Israel to set up certain times and days as festivals where the Lord is worshipped, where the name of the Lord is glorified. In these times we are not following festivals but God wants to be glorified in each day of our lives, He wants to be celebrated in each day of our lives. Your praises, worship and thanksgiving need to be more than your prayer points or requests, they should be more than the prayers you pray each day.

•Father, teach me to dedicate each day of my life to worship you, praise you, magnify you, celebrate you, adore you. Teach me Lord Jesus to worship you, honour you, bless you each hour of my life, teach me to use each day of my life to praise and honour you forever. Let praises go out of my altar unto you in heaven, unto you on your throne everyday. Let praises and worship go out from my spirit unto you continually, all the days of my life.

VERSE 5

⇒.God has delivered us from many things including the salvation of our souls. Prayer is not about what God has not done but more of worship and praises and thanksgiving than prayer requests or prayer points.

•Father, I thank you for the salvation of my soul, thank you because I am not in darkness but I am in your light. Thank you for stretching forth your hands to deliver me from the captivity of darkness and bringing me into the kingdom of light. Thank you for rescuing my soul from destruction, thank you for searching for me in the midst of darkness, when sin was going to destroy my life, when darkness was going

to take over me but you went forth and sought for me and brought me out of captivity into your light. Thank you Lord for revealing yourself to me, for revealing your righteousness, Word and ways to me. Thank you for calling me out of darkness and sin into your light, thank you Lord Jesus.

⇒. There's nothing that you can receive from God that is powerful, glorious and great than eternal life. Jesus gave you eternal life for free, He gave you eternal life so you can live forever

•Father, thank you for giving me eternal life that is in you so that I will reign with you forever. Thank you Lord Jesus for giving me eternal life for giving me the same life that is in me so that I will live forever with you. Thank you for putting your own life in me that destroys sin and darkness, that destroys sickness and disease spiritual death. Thank you for the life you have put inside of me, thank you Lord Jesus for eternal life.

⇒. It is the mercy of God that He did a lot of work to make sure that you are who you are or what you are today.

•Father, I thank you for all the things you did to put me in the position I am today. Lord I know where I am now, is not by chance but because you have done great things for me to be where I am right now. Thank you Lord because you did a great work for me to be where I am today. I am a product of your grace, a product of mighty work, a product of signs and wonders, of what you have done of your mercy and love for me. I don't deserve all these things that you have freely given to me, thank you for all you went through for my life to be what it is today. Thank you God Almighty.

VERSE 6

⇒. God removes burdens from our lives though most of the time we focus on what God has not yet done and we end up being deceived because our thinking is focused on what is not yet done, forgetting the things He has done.

•Father I thank you because you destroyed the burden the enemy put upon my life, you destroyed the stronghold of slavery in my life. Thank you Jesus for destroying the burdens of shame and addiction, slavery, poverty, suffering, and hardship upon my destiny and life, oh God of Israel thank you for this deliverance. Thank you Lord, you saved my life, you delivered me from the oppressions of witchcraft, you delivered me from terrible powers and principalities, you saved me from bondages of the dark kingdoms, thank you Lord Jesus.

VERSE 7

⇒. Father, deliver me from every spirit that is causing me to forget your faithfulness in my life, to forget the good things you have done for me; let that spirit be permanently cast out of my life. Lord deliver me from every spirit that is making me to forget your kindness, goodness, love, mercy and graciousness in my life oh God, let that spirit be cast out of my life right now in the name of Jesus. Every spirit that is

making me to forget your presence your love, let that spirit been taken out of my life forever in Jesus' name.

⇒. Anytime you begin to complain or murmur because of something that God has not done, you are under the influence of an evil spirit. Just as the Israelites couldn't see what God was doing they began to murmur and rebel against God.

•Father, teach me to love you with an everlasting love, to love you beyond whatever circumstance and situation I found myself in, whether it's good or bad. Lord teach me to love you deeper than what my eyes can see, to love you beyond whatever I'm passing through or whatever happens to me, to love you beyond my needs, poverty or abundance; teach me Lord to love you and praise you and worship you. Teach me Lord to love you in every circumstance of my life. Teach me to please you in my thinking, teach me Lord Jesus, to love you in season and out of season, when I have what I want and when I don't have. Teach me to love you continually without any condition.

VERSE 8-9

⇒. Anything that is demanding your worship, service, commitment and dedication, the same way God demands it, that is a strange god. If you're giving your time to a particular thing and your time for God is spent there, that is a strange god.

•Father, deliver me from any strange god that is taking your place in my life and heart, deliver me from them all. Lord deliver me from everything that is taking your place in my life, everything that is demanding lordship over my life, Lord deliver me from it.

⇒. Money has become a god to many Christians and we are now serving it instead of money serving Christians. Money is meant to serve the kingdom of God, the kingdom of God does not serve money but the kingdom of God commands riches and wealth, it doesn't beg for it. Has money become your God? If you do not have money but have the presence of God, you will be happy, you are not supposed to be made happy by money. When you serve money you won't have it, though there are some people who are billionaires who are having money, but actually they don't have money, it is money that has them; money has enslaved them.

•Father, deliver me from every idolatry of money, wherever it is hiding in my life in my heart, Lord uproot that god from my life. Every god of money that is ruling my life, Lord deliver me from such a god right now. Deliver me from the power of money over my soul, Lord destroy the power of money over my soul, every power that money has over my heart, spirit and soul let that power be broken right now in the name of Jesus. I refuse to be enslaved by money, I shall rule over money, money shall not determine my joy or happiness but I will determine my joy and happiness in the Lord. I will be satisfied in the Lord, I will find joy and happiness in the Lord not in money.

⇒. Believers who are serving money, believers with greed, and materialistic believers are the kinds that the antichrist will get so quickly at this time. Check your heart, where is your heart, is it in money?

•Father deliver me from every secret covetousness is in my heart that the enemy is planning to use for my downfall, Lord deliver me right now from that covetousness. Every secret greed in my heart, love for money in my heart, Lord deliver me from them all right now in the name of Jesus. I want to set my mind on things above, on things in your Kingdom not on what is in my bank account or on the things of the world. Lord deliver me from secret greed, covetousness in my heart.

⇒. For us to enter into the kingdom of God, a lot of transformation should have happened to our souls and our hearts. A lot of things must change or shift inside of us otherwise there are a lot of things that the kingdom of God will not do outside of you. There has to be a shift or change inside of your heart for you to see the glory of God. If it doesn't happen in your heart, it won't happen in the physical.

•Father, every transformation that must happen in my soul, in my heart for me to enjoy all the benefits of your kingdom, let them happen now. Every renewal that must happen in my heart, every change that must happen in my heart for me to enjoy all the benefits of heaven, the benefits of your Kingdom let them begin to happen now. Lord, I want to have the same heart that you have, I want to be a man after your heart, Lord give me the same heart that you have, because I want to enjoy all the benefits of your Kingdom.

⇒. Look for God in whatever situation you find yourself in because God wants to reveal Himself even in that situation. Stop looking for the reason why the sickness would not go and start to look at Jesus that will be when the sickness will go. When you stop focusing on your situation and begin to focus on God in praise and worship, that's when the problem will disappear even without you realising it.

•Father help me to live and walk in your Kingdom while I am here on earth help me. Father help me to live and walk in your Kingdom, to practice the lifestyle of your Kingdom for me to live in the nature of your kingdom even right here whilst on earth. Lord help me to live the life that is in your Kingdom. Help me to live as one that is not of this world but as one who is in you and your Kingdom, help me to live and operate this way. Help me to do ministry in this ways, to operate from heaven.

⇒. The riches and wealth in the kingdom of God are not the same as the ones we have here in this world though the manifestation is the same. It's different, the way God blesses you with money, that same money is different from the one that the devil blesses his people with, or money gotten through unrighteous ways.

•Father give me the faith and the anointing to unlock the riches and wealth of God's Kingdom here on earth. Lord give me the grace and anointing to possess the riches and wealth of God's Kingdom here on earth. Father give me the keys, the anointing to unlock and possess the wealth of the kingdom that is in the earth, the riches of

your Kingdom. Give me the keys, give me the faith, give me the anointing in Jesus' name.

⇒. Father give me the boldness to declare your Word, your righteousness and your truth in the face of the world, people, my friends and relatives. The boldness to speak of all that you have taught me, your ways, your precepts, your commandments in the name of Jesus. Give me the boldness to preach the Word to people, to tell them of all that I have learnt from you, the boldness to defend the interest of God's kingdom on earth, the interests of God's commandments on earth. Give me the boldness to proclaim the gospel, the good news to the world; to speak what is the truth of God's Kingdom, to speak the will of God before people at this time and not to be ashamed of you. Give me the boldness to declare what is right and what is wrong before the face of the world in Jesus' name.

⇒. Lord uncover every secret of darkness, mysteries of darkness prevailing in my life, my career, marriage, ministry and calling; oh God uncover them and let me see them and defeat them. Father uncover the secrets of witchcraft, evil kingdoms of darkness that are prevailing in my life, destiny, and health, all secrets and mysteries of darkness, Lord uncover them, let me discover them and overcome them in the name of Jesus.

⇒. Place your right hand on your head. Father use the present situation of my life to glorify the greatness of you, to reveal your greatness and manifest your greatness, to reveal your power. Use the present state of my body, soul and spirit; the present state of what is happening in my life and environment, use it to reveal the greatness of your power to me and to the world in the name of Jesus. Use my present life to reveal how great, powerful and mighty you are to the world.

⇒. Father get involved in the battles of my life, the battles I am fighting at this time, get involved and fight for me. Lord get involved in the battles I am fighting right now, fight this battle for me because I know when you fight, you will win, you never lose in a fight. Fight and give me victory in the name of Jesus. Oh God I call on you to come and give me victories, fight for me and give me victories in the name of Jesus.

⇒. Father break every yoke of darkness, every burden of darkness hanging on my shoulders, hanging on my mind, my soul, body and spirit, oh God of Israel, break them in pieces right now in the name of Jesus. Every load of darkness that is weakening me, weakening my spirit, my soul and my body; let fire break them right now and let that load be offloaded by fire. Every burden that is sinking me into destruction, darkness, captivity and hell let that burden be lifted by fire right now in the name of Jesus. Every burden that is promoting evil and darkness in my life, let the fire of God roll them off my life, let them be uprooted from my life in the name of Jesus.

⇒. Father let your fire fall and destroy every demonic atmosphere that surrounds my life and let my life be surrounded by divine atmosphere and not demonic atmosphere. In the name of Jesus, let your fire fall oh God of Israel and let every every sin atmosphere, demonic atmosphere, atmosphere of temptation, darkness, sickness, and disease that surrounds my life, let the fire of God fall and consume them all and let my life henceforth be surrounded by the atmosphere of heaven in the name of Jesus. Let my life henceforth be surrounded by the atmosphere of the Holy Ghost in the name of Jesus, Amen.

Let all my actions be regulated by your righteousness oh God of Israel. Let your righteousness manifest continually through all the days of my life.

⇒. Lift up your right hand. In the name of Jesus, I come against every darkness that is working tirelessly to turn me into an enemy of God, let fire fall and consume them. Every darkness and demon assigned to turn me into God's enemy, to put me under the anger of God and not under the mercy of God, let such darkness catch fire right now in the name of Jesus. You darkness that has been assigned to turn my life against the will of God, the kingdom of God, catch fire right now. I shall not be an

enemy of the Lord but I will be a friend of God. My life shall not be under the anger of God but it shall be under the mercy of God in the name of Jesus.

⇒. The Lord wants to displace some things which are in your life which are not in the place where they should be. He wants to shift things or you out of where you are not supposed to be.

•Raise up your right hand. Father let your power fall upon me and let my life and everything in my life be shifted to where you want it to be. Let my life be permanently shifted to where you want it to be by your power. Let your power visit my life right now, send your power upon my life Lord Jesus and let things begin to shift to where they are supposed to be in the name of Jesus. My life and everything in my life, begin to shift right now to where you want it to be. Everything that is not supposed to be in my life, let the power of God begin to remove them in the name of Jesus. ***Let the power of the Holy Ghost come upon you and let everything that is not supposed to be in your life come out and may you be relocated from places you are not supposed to be, to where you are meant to be in the name of Jesus. Wherever you have been mispositioned in the realm of the spirit, let the power of God shift you from there in the name of Jesus.**

PSALMS 81:9

⇒. Anything in your life that is claiming lordship that belongs to God, that thing is a strange god.

•Father search my heart if there's any strange god in me, if there is anything I have exalted above you, above your will, your knowledge, righteousness; oh God expose them and remove them permanently from my life. Lord search my heart, search my mind, my spirit, the depths of my heart, search my desires and intentions, Lord search me deeply, expose and remove every strange god I have embraced. Whatever I have considered more important than you in my life, Lord expose them and eliminate them in the name of Jesus.

⇒. Some people among you are not afraid to tell lies to cover up something or defend something just in order to preserve that thing in your life, that is a strange god.

•Father deliver me from everything that is claiming control and lordship over my life to the point that it has taken holiness from me, purity from me, Lord, deliver me from such a thing. Everything that I have become a slave unto that has taken away righteousness and the fear of God from me, deliver me from such a thing. Deliver me from anything that is claiming lordship over my soul, separating holiness from my life, taking fear of the Lord from my life, righteousness from my life, withdrawing purity from my life, oh God deliver me from the grip of such thing in the name of Jesus.

⇒. Some people, their own foreign god is their own will, they are so rigid to do their own will than do the will of God. When you're so rigid to do your own will than the will of God then you are serving as foreign god. Your will has become your own god

because you do not care what God or the Bible says and God will just stand far away and watch you and you will be on your own.

•Father I surrender my will to your will, I surrender my own will for your own will to prevail. Lord, I surrender my desires to your desires, I surrender my interests to your interests, I surrender my own ideas to your own will. Lord I lay down everything, let your will prevail in my life in the name of Jesus. I refuse to serve my own will and desires, passions, benefits and stomach, I want to serve your own will and purpose, oh God of Israel help me, I surrender.

⇒. It is a command for you to never have a foreign god. Other people's foreign gods are their principles or plans in life. If you have set your own principles on how you will live your life and God has His own for your life and you choose your own over the principle of God, that is a foreign god. What if your principles and plans are not God's principles and plans?

•Father I surrender my life, principles, attitude, behaviour and habits, I surrender them unto you let your own will rule my life. Lord, I surrender my plans, wisdom, ideas, philosophies, and principles of life to you. Everything that I think I know that I am using to govern my life, I lay them down to you, let your own will and desires succeed in my life from now henceforth in the name of Jesus.

⇒. Some people have refused to tell the truth because of some benefits or things they will gain, if you are like that, you are serving a foreign god. If you are afraid of people and you cannot look them in the eye and tell them the truth it means you're serving a false god. It means you are serving fear or the profits or benefits you're trying to gain. This is the time Christians need to rise up and speak the truth, even if you're going to lose benefits or members if you are a pastor.

•Father, I repent from withholding myself from telling the truth at all times, Lord help me to tell the truth irrespective of whatever I will lose. I repent for not telling the truth where I was supposed to, Lord help me to defend righteousness all the days of my life. Lord help me to say the truth every time and everywhere, whether it is convenient for me or not, help me not to be afraid to defend the gospel in the public place. Help me not to be afraid to defend righteousness in the public place, help me to say the truth, preach the truth at all times even if I will lose things, help me to stand for the truth and righteousness.

⇒. If there is a demonic system in your environment or workplace and you surrender to that system that means you are bowing down to strange gods. In your church if they are practicing false doctrines or false religion and you agree with them and surrender to a demonic system, then you are bowing down to a false god.

•Father I withdraw my life from every system, organisation, doctrine or practice that is not of you, Lord I withdraw my life from them all. Let every system that is not of you in my life be broken forever. I withdraw my life and heart from every system that is not of you, weather in my place of work, church or environment; every demonic system that is detecting how I should live my life, making me to do what is not the

will of God, I withdraw my life from that system and I decree that system is broken into pieces right now in the name of Jesus. Every system of bribery, corruption, demonic worship, doctrinal system not of God, I withdraw myself from the system and I decree that system is broken over my life in the name of Jesus.

⇒. If you're seeking the praises of men, approval of people than the approval of God, doing things to impress people then you are serving another god not the God of Israel.

•Father, every secret and hidden desire in my heart, seeking for the approval of men, for the praise of men, seeking to please men and not you, let that desire die right now. Every desire in me that is always looking to please men, looking for the appraisal of men, oh God let that desire die right now because I refuse to serve a foreign god, I refused to serve another god in my life.

⇒. If there is someone or some people whom you consider too important than God that's serving a strange god. Some people love their children more than God. They can do anything for their children, spouse, parents even if they have to sin against God that means serving you're serving your children, spouse, parents than God. In the kingdom of God, you are not permitted to love any human being more than God.

•Father whoever I have raised higher than your will, your presence and your place in my life, oh God, I repent today. Lord take your place in my life, I put that person under you now and I put you in your place. Oh God, whoever or whatever that I have raised higher than you and your will, your place in this life, oh God of Israel, I surrender and I put you back in your place and I put that person or thing under you. My children, spouse, family members and work; Lord I put them under you, take your place in the name of Jesus.

⇒. When you do not seek the will of God in a situation and always move or do things the way you want, it means you have bowed down to another god. The will of God is meant to govern everything you do in your life. If you do not care about God's opinion in whatever you are planning to do or going through, then you are serving another god. If you are not bothered about God's will or mind concerning your plans then you are serving another god. God loved David so much because David always sought the will and opinion of God in everything.

•Father put upon me a heart that seeks your will in all situations and circumstances, put in me such a heart Lord. Oh God, put in my heart the desire to always look for your will in everything I do. To always consider your desires and opinions in the journey of my life. Lord put upon me that desire that I will not forget to ask you, to acknowledge you in my ways. Help me never to forget to acknowledge you in everything I do, put upon me that desire Lord in Jesus' name.

VERSE 10

⇒. You must acknowledge that it is God who delivered you and always acknowledge that He is the only one who will always deliver you.

•Father, I acknowledge your work of deliverance in your life, oh God move in my life one more time to deliver me and continue to do this. Lord I acknowledge your work of deliverance in my spirit, soul, body and life; I surrender unto your move and deliver me. Lord Jesus deliver me, Holy Ghost deliver me, God of Israel move in my life and deliver me one more time. Until I am free completely, do not stop the work of deliverance in my life.

⇒. If God rescued the children of Israel, He can rescue anyone again because the power of God has never changed and it will never change. The authority of God has never changed and it will never change because He is the same yesterday, today and forever more.

•Raise up your right hand. Father, I acknowledge that your power has never changed, your mighty hand has never changed, oh God move in my life, heal me, deliver me, help me and restore me. Lord I acknowledge your power that does not change, your authority, your name, the power in your name that does not change, Lord move now in my life. You are the same today, the same yesterday, the same forever, if you healed people yesterday, you can heal me today. Lord move in my life, deliver me, revive me. God of Israel; move, deliver and restore me in the name of Jesus. ***I come against every demon spirit hiding anywhere in your life, I decree let fire fall right now and let them come out in the name of Jesus. Anywhere, where demons and serpents are hiding in your life, I take authority over the serpent and demon, come out in the name of Jesus by the power of the living God.**

⇒. Whatever Jesus did yesterday, He can do the same again today. If He moved people's lives forward, why are you limiting God? He can do it for you today.

•Raise up your right hand. Lord Jesus, I believe in the greatness of your power, move in my life and change my life forever, change my story forever. In the name of Jesus oh God of Israel, I believe in the greatness of your power, in the greatness of your mighty hand in my life, Lord Jesus change my life forever. Lord change my story, give me a new name, do something new in my life. Restore my life, bless and help my life in Jesus' name.

⇒. The Lord is telling me some of you are holding something dearly in your hands and because of that thing you are holding onto, He cannot bless you. He wants you to drop that thing so that He can bless you because He does not want to see that thing.

•Father, open my eyes to see, to know and drop down everything I am holding so dear in my heart that is not allowing me to receive blessings from you, oh God, open my eyes to see it, understand it and drop it. God help me to drop everything that is not allowing you to bless me, I surrender. Reveal them to me and help me to drop them. Anger, bitterness, hatred, unforgiveness and pride; I dropped them.

⇒. Place your right hand on your head. In the name of Jesus, I command every sickness and disease that is hiding deep down in my body to manifest itself in the

future, come out right now in the name of Jesus. Disease and sickness hiding in the cells, every cancer hiding somewhere, to show up in the future; come out in the name of Jesus. Every sickness hiding in my blood tissues and bones to disturb my life in the future, to cripple my life at old age, I command you to come out in the name of Jesus. ***Whatever sickness or disease hiding anywhere in your body, I command it to come out right now in the name of Jesus.**

⇒. Part of that verse says "open your mouth wide and I will fill it". To open your mouth wide means to trust God, even before you see food before you because people open their mouth when there is food before them. So God is saying, open your mouth and believe me for what you have not yet seen.

- Father I believe in you, I trust in you; visit my life and satisfy me with good things, blessings and miracles. Lord, I trust in you, visit my life and satisfy me with prosperity, greatness and with every good thing that I need to fulfill my destiny on earth, that I need to fulfill my calling on earth. Lord visit me and satisfy me with riches and wealth.

⇒. God wants to reveal the power of His presence in your life such that when you say something, it comes to pass. That's when you find yourself praying the right prayers, you should pray at a time that will produce results.

- Lord Jesus reveal in my life the power of your presence, let me pray in the power of your presence. Let me function in the power of your presence for the manifestation of your presence in my life. Reveal the power of your presence in my spirit, in my soul and body; manifest the power of your presence. Help me to pray with utterances of the Holy Ghost, with tongues of Holy Ghost, with the tongues of angels. Help me to operate in the power of your presence, help me Lord Jesus for the demonstration of miracles, help me to begin to operate from today, from the power of your presence.

⇒. To open your mouth wide also means prophetic grace, anointing or ability. To speak when you don't know what you're going to say is prophetic and you begin to say things not coming from your mind but from the mind of God. In this year, you have to be prophetic to succeed.

- Raise up your right hand. Father put upon me, my spirit, soul and body prophetic fire, your prophetic grace and prophetic anointing for me to succeed this year. Lord let your prophetic anointing, prophetic grace and prophetic fire fall upon me for me to operate in the realm of the prophetic, to operate from the heavenly realm, to prophesy from your heart, for me to speak from your heart, so that whenever I speak, it is no longer me anymore. Let that grace come upon me right now in the name of Jesus. Lord fill me with the prophetic anointing and prophetic fire. I need this prophetic fire, oh Lord; prophetic gifts, prophetic ability to hear the voice of God, the anointing to prophesy from the heart of God to my generation, let it come upon me in the name of Jesus, Amen.

I come against every power that has limited your destiny's progress for many years. I command you power that has limited the people of God for many years, catch fire in the name of Jesus. You power of darkness that has stopped them from progressing in destiny and calling, I command you with the authority I have in Jesus, let the anger of God consume you all in the name of Jesus.

The strength and the grace that you need for the journey that God has sent ahead of you, receive that strength in the name of Jesus.

I am praying for you to discover who you are in God. I decree that your eyes will be opened and you shall discover who you really are in God in the name of Jesus. The gifts of God in you that you have not yet discovered, I declare let an anointing come upon you right now and let it begin to pull up those gifts into manifestation right now in the name of Jesus. Prophetic abilities to overcome terrible enemies in the realm of the spirit, receive right now in the enemy of Jesus. PRAYER POINTS

PSALMS 81:11

⇒. There are many things that we do or that we fill our minds with that make God stand far away from us just looking at us.

•Father, deliver me from whatever I am doing that is keeping your presence far from me. Deliver me from whatever I am doing with my life, what I have embraced in my life that has kept your presence far from me, oh Lord deliver me from such things in the name of Jesus. Lord set me free from anything I have embraced that is keeping you far from me, Lord I surrender, come and set me free, deliver me Lord Jesus. Lord I surrender this thing (mention that thing, if you know it) because I know this is what is keeping your presence away from me. Everything that is keeping your presence away from me that I have embraced, that is making you to look at me from afar, oh God deliver me, I surrender in the name of Jesus.

⇒. The problem with the church is that we don't want to listen to the truth and if we don't listen, it means we don't want God in our lives because Jesus is the truth, the Holy Spirit is the Spirit of truth. By rejecting His truth means rejecting God and His kingdom.

•Father, deliver me from itching ears that does not want to hear the truth, Lord, deliver me. I want the truth, I don't want deception or lies. Lord help me, deliver me from the ears that do not want to listen to the truth. Deliver me from the ears that do not want to listen to the truth, from the heart that does not want to obey the truth. Make me listen to you even when my flesh doesn't want to listen, Lord make me to listen because I want the truth. I do not want lies or to be deceived, Lord I want the truth. Deliver me from every disobedient heart, rebellious heart, deliver me Lord Jesus in Jesus' name.

⇒. Sometimes you reject something that God wants for you. Is there something that you are rejecting and hate and you don't want that thing at all? That is the irony of life. Some Christians reject the call of God upon their lives. What is it that God wants for you that you are rejecting?

•Father, stop me from rejecting everything that you want for my life, from rejecting the good things that you want for my life. Whatever you want for my life that I am rejecting, Lord stopping me from rejecting it. Every spirit that is making me to reject that which God wants for my life, I bind you right now, I cast you out of my life in the name of Jesus. Every spirit that is making me reject what God has for my life, I cast you out of my life. Lord every spirit making me to reject what you want for me, what you have for me, oh God let that spirit come out right now in the name of Jesus. I take authority over you spirit that is making me to reject the things God has for my life, calling and destiny, I command you, come out of my life in the name of Jesus. Every spirit making me hate the things God wants for me, making me reject people God wants me to embrace, I command you now in the name of Jesus, come out in Jesus name!

⇒. If you do not listen to what God is saying, it means you want God to do something that will please you, so this means you do not want God in your life. Lots of Christians do not want the will of God over their life, they want only their will. The will of God is never convenient for the flesh or human nature but if God helps you, you will begin to like what you hate.

•Father from today, help me to embrace your will in all situations in every day of my life, help me to seek for your will everyday. Lord help me to continually embrace your will in all situations, help me to seek your will and to do it all the days of my life.

⇒. God wants you to always want Him around. Therefore you must always hunger and thirst for Him. How much of His presence do you seek? Do you really want God around you or do you want another person around you all the time? There is no shortcut to a transformed life, God is the one who transforms life.

•Father, help me to have a heart and mind that loves you, that longs for you continually, a hunger that is not addressed until you show up, such a H hunger that is not at peace until you come around, visit me, and speak to me; Lord, give you such a heart. Lord give me such a heart that longs for you, that longs for your presence, a heart that is not satisfied until you show up, a heart that hungers and thirsts for you. Lord give me a heart that is not satisfied until you show up, you visit, you speak and reveal yourself. Such a heart that will not stop knocking on the gates of heaven until heaven visits, Lord give me such a heart.

⇒. God can only really help you when you start to seek for Him and His Kingdom. Some of us receive help from God just because He is merciful but we don't deserve it because when God looks at our hearts, what we're seeking is something else. What do you seek, who are you seeking at this time?

•Raise up your right hand. Father I seek for a deeper intimate walk with you, draw me closer unto yourself. Lord, I am seeking for a closer walk with you, oh God draw me closer to you, I want to know you, to know your heart Lord Jesus. I want to walk with you, Lord draw me closer, draw me closer. I don't only want the blessings you give, the miracles that your hands perform but you Lord. I want you not the blessings you give, the miracles you do, I know I need those ones but I want you because you are more than these things, more than life and more than everything. Lord, it is you that I want, give me yourself.

⇒. The place of prayer is not a place where you pray according to your own will. A genuine prayer ministry is where you go and pray according to the will of God not whereby you pray according to what you want.

•Father, every addiction to things that is keeping you far away from me, oh Lord, destroy that addiction right now in the name of Jesus. Every addiction in my life, mind and heart that is causing you to leave me alone, causing you to be far from me, God destroy that addiction now. Every addiction causing me to worry too much, fear too much, seek worldly things, Lord deliver me from that addiction. Every addiction of gossiping, backbiting; Lord destroy them from my life in Jesus' name.

VERSE 12

⇒. Because they would not listen to God, He let them follow their stubborn desires and live according to their own ideas. Following your own desires leads to wasted years.

•Father let your mercy fall upon me and do not allow me to follow my own desires, let me always follow your own desires. Lord do not allow me to follow my own intentions, ways, ideas always; do not allow me, always stop me. When I want to manifest anger, oh lord do not allow me. Lord when I want to take a wrong step, do not allow me or when I want to speak things I should not say, do not allow me Lord.

⇒. Father from today set upon me the life you want me to live. I do not want to live my own life but I want to live the life that you give me. Lord set before the lifestyle that you want me to live and I will live that life in the name of Jesus. With the whole of my life, I will live that life. Lord teach me to live the life you want me to live in Jesus' name.

⇒. When you start living the life God wants you to live, that is when you live and walk in the glory of God and that is the secret.

•Father, I refused to live another life that is not in you, a life that cannot be found in a life that you do not want for me. Lord, I seek to walk in your glory, help me Lord Jesus. Separate me from every lifestyle that is contrary to your own life, separate me from such lifestyles. The lifestyle that is negative, contrary to the life you want me to live, Lord separate me from such a lifestyle, I desire to walk in glory.

VERSE 13

⇒. Father put upon me the grace to be led by you and not be led by my senses. Put upon my spirit the grace to be led by you all the days of my life, put upon my soul and body the grace to be led by you all the days of my life. I do not want to be led by my own senses and calculations, wisdom and interpretations but I want to be led by you, by your Spirit.

⇒. The Spirit of God is asking if you have faith for what you are asking? There is nothing you will receive from God if you do not believe. If you receive something without believing, it means somebody believed God for you. There's nothing that will come down from heaven without faith.

•Father I believe in you, help me to follow your leadership, to be led by you all the days of my life. I believe you can help me, lead and direct me; speak to me, guide my ways; Lord help me. Help me oh God to follow your directions all the days of my life, help me Lord Jesus. Help me to be led by you Lord Jesus in everything I do, in Jesus' name.

⇒. The Lord wants to visit some of you in your dreams, that is how He wants to lead you now. If you allow Him He will lead you.

•Raise up your right hand. Father I open up my spirit unto you, I open up my heart unto you, Lord come and visit me in my dreams, come and lead me, reveal your will and mind to me in my dreams. Lord I open up my spirit, my heart to you, come and minister to me in my dreams in the name of Jesus. Come and help me, direct my life through dreams. Put upon me the anointing to receive your visitations in the dreams, put it upon me in the name of Jesus.

VERSE 14

⇒. The secret for instant miracles is not for the servant of God that prayed for you as most believers think. The secret is by being obedient to the voice of God, walking in His ways; that is how you see Him moving quickly on your behalf.

•Raise up your right hand. Father visit my life quickly without delay and subdue my enemies. Lord visit me quickly right now, consume my enemies. Every enemy of my life, destiny and of my soul, visit me Lord and consume them all. Every enemy stopping my success, progress, and prosperity, Lord visit my life and consume them all in the name of Jesus. Lord visit my body and destroy the enemies of my body. Visit my soul and destroy all my enemies; visit my spirit and destroy all my enemies. Visit me today, visit my finances and destroy all the enemies against my finances. Lord Jesus move my life forward.

⇒. The enemies talked about here are not human beings but invisible forces.

•Father according to your mercies, hasten the manifestation of your promises for my life and destiny. Lord hasten the fulfillment of your will concerning my marital life, calling and ministry. Hasten the fulfillment of all your promises for my life in your mercy, do this in your mercy Lord Jesus.

⇒. Because your ways are pleasing to the Lord, it is now the Lord who will stand up and fight your battles, He will make your battles His own.

•Father lay your hands upon every enemy troubling my destiny and life and fight them. Oh God of Israel, according to your Word lay your hands upon every enemy that is attacking me, upon every demon, powers, principalities, kingdom of darkness attacking me; begin to deal with them, waste them, squeeze and break them in the name of Jesus. Do not stop until they are completely wasted. Every enemy that has resolved to continually oppress me, spoil good things in my life; lay your hands upon them and deal with them, fight with them in the name of Jesus.

⇒. God will also look at the things in your life which are not supposed to be there and uproot them by His hand.

•Father set your mighty hands upon my life and begin to pluck out everything you do not want in my life. Set your hands upon my life and begin to uproot everything you do not want in my life. Bitterness, anger, lust, pride and everything you do not want to see in my life, uproot them. Sicknesses, diseases, unforgiving spirit, Lord set your hands upon me and pluck them out in the name of Jesus. Lord uproot every work of the flesh, work of the devil right now in the name of Jesus.

⇒. The Lord is showing me the devil has put a siege upon the lives of some of some of you.

•Raise up your right hand. Father let your fire fall and break in pieces every demonic siege upon my life. Every siege of darkness that has been erected upon my life, let fire fall and break them in pieces. Demonic siege upon my life, finances, possessions, marriage, career, business and the sources of my income be destroyed by fire right now in the name of Jesus. Demonic siege, break by fire. ***Every siege of darkness that has been laid over your life to carry out a destructive mission, I decree by the authority of the Most High God upon my life, let that siege be destroyed forever in Jesus' name. Let that siege catch fire in the name of Jesus Christ.**

VERSE 15

⇒. Raise up your right hand. Father let your anger fall upon every power of darkness that has refused to submit to your Lordship in my life, that has refused to let go of my life; let them be consumed. Every power of darkness that has refused to let go of my life, let your anger fall upon them right now and consume them. Anger of your Lord fall upon every enemy that has refused to retreat and surrender, let the anger of God consume them now in Jesus' name.

VERSE 16

⇒. God has reserved the best for you. The fact that you didn't get what you wanted when you desperately need it doesn't mean you will never have it. Maybe you don't have the things that your friends are having, it doesn't mean you will never have them. It is possible that God is reserving the best for you of those things

•Lord satisfy me with the best at this time. The best of blessings, promotions, grace and good things, Lord I have waited and trusted in you, Lord satisfy me with the best. The best of progress, the best of glory, riches and wealth, the best of establishments and achievements, the best of good things, satisfy me Lord Jesus. Satisfy me with the best of marriage, with the best of children.

⇒. To bring honey out of the rock means that God is going to do the impossible.

•Father visit me and do the impossible, the miraculous in my life. Lord I believe you for the miraculous, the supernatural, I know I need a miracle at this time, I do not need something natural but I need something supernatural because I cannot progress naturally but supernaturally. Naturally I cannot succeed but supernaturally I can, medically they say there is no cure but supernaturally there is a cure. Lord visit me and do the impossible, do the miraculous, do the extraordinary, do the supernatural until my life becomes what you want it to be.

⇒. Place your right hand on your head. Father delete my name from the list of those the enemy has marked for disasters in this year, marked for destruction and untimely death in this year. Lord remove my name from those that have been marked for

failure, setbacks, to suffer accidents in this year. Lord remove my name from every list of those marked for destruction and disasters in the name of Jesus, Amen.
