⇒There is a little difference between anointing and power. Sometimes they are the same, in some cases they are not. Power can be like a raw material that has not yet been processed whilst anointing is that power that has been processed to deal with a specific problem. Anointing is also when the power of God has been specifically prepared to deal with a specific problem. You can have a presence of God in you that will be generating solutions for every problem you encounter.

Lord give unto me keys to enter into those positions you have prepared for me, keys to open doors that will take me to a new higher level. Lord give me keys that are needed to lay hold of blessings, honour, elevation and promotion you have already placed in this year for me, Lord give me the keys of power and authority, keys of answers to prayers. ***I decree in the name of Jesus, receive those keys now in the name of Jesus.**

⇒God has prepared a path for you, and you must see that path and go through it for you to get to the higher level God has prepared for you.

•Father let my eyes be opened to discover the path you have set before me in this new year to take me to a next higher level, Lord open my eyes and understanding to see, and help me to follow such a path that will take me to the next higher even if I don't understand, Lord help me to still follow such path. ***In the name of Jesus you shall not be deceived, you shall not be confused, you shall not embrace demonic opportunities, you shall not choose opportunities that did not come from God this year but you shall be sensitive to know the opportunities that come from the Lord and not from the devil in the name of Jesus. The Lord shall help you to make the right choices this year in Jesus' name.**

⇒Place your right hand on your head. In the name of Jesus I close every portal that is meant to connect me to sicknesses and diseases, I shut them down permanently right now in Jesus' name. I shut down every portal and network that is meant to connect me with diseases and sicknesses, every portal and network of darkness that are transmitting sorrow, deadly particles, deadly viruses, sickness and diseases, I shut them down from my life, they shall not work in my life in the name of Jesus.

⇒Father let your grace and mercy produce great prosperity, great riches and wealth unto me from the sources of my income and from any new sources of income you will be giving me this year. Lord, let your grace and mercy give birth unto me great financial prosperity, great financial blessings, riches and wealth from the midst of the sources of my income in the name of Jesus. Let great financial blessings come forth unto me. ***I decree over your financial status, the mercy of God shall speak for you, the grace of God shall work a mighty work inside your finances and you shall receive blessings you have never received and spent before, you shall receive them even in this month in the name of Jesus. In each month of this year, you shall have a record of great financial blessings and so shall it be in the name of Jesus. In your life this year, I prophesy that there shall be miracles of multiplication, just as the five loaves of bread and two fishes multiplied miraculously to feed thousands, I decree in your life there shall be multiplication of miracles in the name of Jesus, Amen.**

Let that connection be established now in Jesus' name. When you are sick or anyone is sick and this oil is applied on them there shall be a manifestation of instant healing in the name of Jesus. Oh, Lord, let money be surplus for me to carry out what you have sent me into the world to do, what you have called me to do in the name of Jesus.

⇒Father, let everything and everyone work together for the performance and demonstration of my divine calling this year. Everything that is created, everything that exists in heaven, on earth, under the earth, Lord, let them begin to work together for the performance, demonstration and manifestation of my divine calling in the name of Jesus. Let everything join together, agree together, work together for my success in calling, ministry, life and destiny. Let everything work together for my success in my career, marriage, and in my job in the name of Jesus.

⇒The Lord is telling me that He wants to deal with your enemies just as He dealt with the enemies of Israel with a strong hand. Just as He dealt with Pharaoh and the Egyptians with a strong hand.

•Raise up your right hand. Father with a strong hand, descend on my enemies and crush them into pieces in the name of Jesus. Descend on the enemies of my progress, destiny, success, breakthrough, calling and ministry by your strong hand; by your higher hand, Lord fall upon my enemies and crush them into pieces, grind them into powder. Execute judgement on the enemies of my destiny, success, promotion, upliftment, perfection and greatness, deal with them Lord with no mercy as you dealt with the enemies of Israel. Father crown me with glory and honour, as I walk through the year, let there be manifestations of glory and honour as I do business, as I manifest my talents and skills. Let there be expressions of glory and honour in everything I do this year. Let people see your glory in my life and let them honour your presence in my life. As I do ministry, as I begin to fulfil my calling, in my

business and career, crown me with glory and honour in the name of Jesus. Let men honour your name, power and presence in my life, let them see your miracles in my life wherever I go this year, let people see me and begin to honour me because of you in my life. Let my life attract honour wherever I go, crown me with glory and honour in Jesus' name.

⇒ There was a time when the Lord was teaching me about faith. He said, "You need to add confidence to your faith. If you believe that I can do something, you need to be confident in that faith, you need to be so sure that that thing you believe I will do, that I am going to do it. You need to also put your trust in me to the point that you don't allow anything to shake you, you don't allow anyone to talk you out of faith. You have to trust God to a point whereby you are willing to die for what you believe, where you are willing to continue to believe as though you already have that which you are believing God for.

•Father, help me to add confidence to my faith, help me to have a faith that does not shake, nor doubt, and does not fail, help me to have a strong faith in you, that is so full of confidence. A faith that is so full of assurance, that will make me speak as though I already have what I am believing God for, Lord, let me walk in such a realm of faith. Lord, fill me with such a kind of faith, a faith that is full of confidence, assurance and trust in God, a faith that does not doubt God's promises, that does not take a no for an answer, and does not have a second option. Fill me with a faith that does not limit God's power. A faith that does not believe in impossibilities, errors, failures, or mistakes; Lord fill me with such a kind of faith in the name of Jesus. Lord fill me with the faith that will boast of the greatness of God even in the face of my enemies, in the presence of negative situations, a faith that will make me speak highly of God in the midst of negative circumstances. Fill me with such a faith that my breakthrough, success and blessings will come, Lord give me such faith, fill me with such a faith that makes plans as if God has already done it.

⇒ Lord fill me with more authority to possess my possessions, fill me with divine authority to claim everything that belongs to me. Fill my spirit with authority to possess my possessions, authority to lay hold of all the blessings you have placed in this year for me, Lord fill with such authority and power in the name of Jesus. Lord, give me the authority to lay hold of every good thing you have placed in each month of this year for me in the name of Jesus. Authority to have, own, take and possess what belongs to me. Power to take over every good thing you have placed in this year for me, power to possess all that you have promised, to receive manifestations of miracles and blessings you promised to release into my life. Power to receive answers to prayers, to experience miracles, to lay hold of your blessings, to become what you want me to be. Lord fill me with such power and authority the name of Jesus.

⇒ Raise up your right hand. In the name of Jesus let heaven open over my life and let the atmosphere of my life change to the atmosphere of heaven. Let heaven open

over my life and let the atmosphere of my career, calling, ministry, destiny, my home, and business change into the same atmosphere of heaven, in the name of Jesus. Lord let heaven open over my life and let the atmosphere of my life become one with the atmosphere of heaven.

⇒ You need to understand that the atmosphere of heaven is an atmosphere of victory, an atmosphere where nothing is impossible, where you see God do everything He says. It is an atmosphere where the will of God happens so easily and victory is always there.

• Lord enthrone and enforce over my life the same atmosphere that is in heaven, the same atmosphere of victory, the same presence of victory that is in Your in your Kingdom, Lord enforce it over my life, enthrone it in my life in the name of Jesus. The same atmosphere of power, victory, success, dominion; the same atmosphere that is in your Kingdom, Lord, enforce it over the affairs of my life and enthrone it in my life in the name of Jesus. Let me live and pray in that atmosphere where there is no fear, impossibility, failure, sickness or disease. Lord let me walk and live in that atmosphere where there is no weakness, poverty; enforce such an atmosphere on my daily activities, such an atmosphere of the presence of heaven, enforce it upon my life, destiny, calling and destiny. When I pray and fast, Lord let me do it in that atmosphere, in that realm of heaven. When I minister to people, Lord let me minister in the atmosphere and presence of heaven. Lord, let the atmosphere of victory, glory, dominion and power in heaven, before your throne, come and stay in my life, let it prevail and be enthroned permanently in my life, thank you Father.

⇒ You need to understand that there is a level you must get to in your life in intimacy with the Spirit of God, to the point that your spirit begins to manifest like the Holy Spirit. There's a place or a point where you will get to in your oneness with God that your Spirit begins to act just like the Holy Spirit, your spirit will begin to do operations just like the Spirit of God. That is the kind of spirit that Elijah had, a kind of spirit that was like the Holy Spirit. Elijah had a kind of spirit that could move and do operations in the realm of the spirit. Imagine you're praying in your room, and your spirit is travelling, moving, going into places to do operations. That is how we are meant to be as Christians.

• Place your right on your head. Father, let my spirit be so bonded with you to the point that I begin to manifest you, to the point that my spirit begins to manifest the same abilities that are in you, so that my spirit begins to move like you, to fight and win battles like you. Let my spirit be so saturated with your spirit such that I begin to perform operations of God on earth, in the name of Jesus.

⇒ There is no weakness in God, He has never been weak and cannot be weak. That is why in many places in the scriptures you will see where it says 'the Lord is my strength'. The Lord is our strength because God cannot be weak, has never been weak and can never be weak. So you need to know how to always access the strength of God in everything you do, you need to always know how to do everything

from the strength of God and not from your human strength. You can do everything with the strength of God, you just need to know how to access it. When you begin to do your career from the strength of God that is when you excel with exception, when you begin to depend on the strength of God that is when you will see the greatness of God and miracles, because miracles happen only by the strength of God.

•Father, teach me to depend on your strength, to live by your strength, to do everything by your strength, to pray by your strength, to do your work by your strength, to rely on your strength in the name of Jesus. Lord teach me to draw from your strength in everything I do, let me operate from your strength. Teach me to rely on your ability, and not my own ability, wisdom or skill. Teach me how to do your divine assignment by your strength. Lord, teach me to pray, fast, work and everything else I do with your strength in the name of Jesus.

⇒Place your right hand on your head. Father let your fire arise from within me and let your fire become too hot in me such that no darkness can stay or survive in my life, that no plantation of darkness, no works of darkness can survive in my life. Let your fire burn mightily in my spirit, soul and body and let every work of the devil, every seed of darkness be permanently destroyed. Let your fire burn so hot such that no devil can survive, so that no work of the enemy can survive in my spirit, soul and body. Let your fire in me become too hot that every work of the devil will die, every presence of darkness dies, everything that is not of you dies, so that every plantation of darkness dies in the name of Jesus. Let the fire of the Holy Ghost burn in my spirit, soul, body with great heat, extreme heat so that no curse, no yoke of darkness or enchantment can survive, in Jesus' name.

⇒ Fire of the Holy Ghost arise from the depth of my body, soul and spirit and give me complete deliverance, set me free completely from every bondage of darkness, set me free forever in the name of Jesus. Fire of the Holy Ghost arise from the depth of me and destroy every yoke of darkness, yoke of witchcraft, yoke slavery, yoke of sicknesses and diseases in my life, destroy them forever in the name of Jesus.

⇒ Place your right hand on your head. In the name of Jesus, I disconnect myself from every influence and network of darkness meant to mislead me and cause me to fail. Every influence of darkness meant to cause me to fail, misbehave, to go in the opposite direction of the will of God, let them be destroyed in the name of Jesus. I disconnect myself from every mind of darkness, I disconnect my mind and brain from every influence of darkness meant to mislead me, cause me to fail, to do contrary to the will of God, and go in a direction that is not of God, Lord disconnect me from such influence right now in the name of Jesus. Lord disconnect my mind from every demonic influence that is meant to make me misbehave, let such influence fail in my life and let it be destroyed forever in Jesus' name.

⇒ Father, send confusion in the midst of all my enemies and agents of darkness that have joined hands together to attack me, Lord send confusion in their midst and

scatter them forever. Every agent of Satan, every personality of darkness that has joined hands together, combined together to attack me, to hurt my life, Lord send confusion into their midst and scatter them forever in the name of Jesus. Every partnership and network of evil doers, of men and women of Satan, of witchcraft agents to frustrate my life, to attack my life, to bring down my life, oh Lord send great confusion into their midst and scatter them forever in the name of Jesus.

⇒ Raise up your right hand. In the name of Jesus, I receive angelic interventions for the performance of God's promises in my life and destiny, for the manifestation and performance of God's prophecies and promises for my life, for the performance of God's will. I receive angelic interventions for the performance and demonstration of God's blessings, miracles, and will for my life in Jesus' name.

⇒ I come against every situation and event that the enemy has programmed into this year to frustrate my life, to take away my peace and joy, let Fire of the Holy Ghost terminate such events and situations right now in the name of Jesus. Every event and situation of the enemy to take away my peace and joy, I terminate them in the name of Jesus, I decree let Fire of the Holy Ghost destroy them all in Jesus' mighty name.

⇒ Raise up your right hand. In the name of Jesus, let every power hanging in the air waiting to strike me, waiting to attack me fall down and die by fire, let fire of the Holy Ghost bring them down, destroy and consume them right now in the name of Jesus. Every power that is hanging in the air, that has taken possession of the air, that is in the air waiting to attack and hurt me, Oh God of Israel, let the Fire of the Holy Ghost bring them down, consume them right now in the name of Jesus. Let them catch Fire of the Holy Ghost and die in Jesus' name.

⇒ Father in your mercy, raise me up above every power that has been oppressing me, every power that has been stronger than me, Lord, lift me up above them, and make me begin to oppress them, make me stronger than them all, in the name of Jesus. Oh Lord, lift me above every power that has been oppressing me successfully, that has been stronger than me and make me oppress, rule and dominate over them all in the name of Jesus. Lord every power that been stronger than me, Lord subdue them under my feet forever in the name of Jesus.

⇒ Lord, look upon me in your mercy and bless me with an everlasting blessing. Bless me with the blessing that cannot be finished, that cannot run dry, a blessing that continues to spring up forever. Lord bless me with a blessing that cannot be exhausted, a blessing that continues to flow forever. Oh God of Israel bless me with such a blessing as you did for Abraham and Solomon, Lord bless me with such an everlasting blessing, an eternal blessing that will continue forever, thank you Father, in the name of Jesus.

⇒ Lord, let every agenda of the devil fail, every plan of the devil, every plan of satanic agents to use any of my children to hurt me, to cause me to mourn, to cause pain, sorrow or make me weep, Lord, let such plan fail, let it crush into pieces and be destroyed now in the name Jesus. Every plot of the devil to cause evil in my family, so that I will mourn, so that I will be filled with sorrow, let such plan fail now in the name of Jesus.

⇒ Father, let a season of great demonstration of your power appear in my life. Let the season of mighty miracles come upon my life and let it remain forever in the name Jesus. Let a season where I will experience mighty miracles, great blessings, uncommon and shocking miracles, Lord let that season appear in my life, let it appear in my timeline beginning from this hour in the name of Jesus. Lord, launch me into a season that has never happened in my family, that has never happened before, never happened even in my country and on earth, Lord take me to a season where mighty miracles happen to me, take me into that season in the name of Jesus. Let such a season stay in my life forever, a season where there shall be excessive miracles, season where I begin to enjoy miracles one after the other, oh, God of Israel, take me into that season, launch me into that season, thank you Lord, in Jesus' mighty name, Amen.

⇒ Father open your heavens over my life and let it rain your power, your peace, your glory, and your fire; let it rain power and glory upon my life in the name of Jesus. Father open your heavens upon me, upon my life, my environment, this location, where I am right now, let it rain power, fire and glory upon me in the name of Jesus. Rain down your grace, presence, your power, your glory, your fire upon me, open the heavens Father. ***As you are praying it is done.**

⇒ Raise up your right hand. Father rain down your fire upon every demonic presence in my life, environment, body soul, spirit and consume them all. I enter into the fulfillment of God's prophecies, God's promises for my life, career, and destiny. No more delays in my life, no more stagnation, I walk into the fulfillment of God's promises for my life and destiny, I walk into the fulfillment of God's prophecies for my life, calling and destiny in the name of Jesus.

⇒ There is going to be a power manifestation right there where you are. I don't know what God wants to do but the Spirit of God is saying He wants to appear in your location, where you are and He wants to do something powerful.

• Raise up your right hand. Father let your power fall upon me, let it fall into this place that I am in and let everything turn around, let everything change for my good. Let your fire fall into this place that I am in, let everything turn around, let everything change for my good in the name of Jesus. Father let your power fall on me and change everything in my life, change everything for my good. Lord let your power fall and change everything around me, change everything within and without for my good, let your power fall.

⇒ In the name of Jesus, let the wind of the Holy Ghost blow mightily in my life until the will of God prevails. Wind of the Holy Ghost blow mightily in my life and begin to set things in position, set things in order to agree with the will of God. Wind of the Holy Ghost blow mightily in my life until the will of God prevails, until the will of God prevails. Wind of God blow mightily in my environment, situations, life, move mightily, blow mightily until the will of God prevails in my life. Wind of the Holy Spirit blow mightily in my finances, move mightily in my career, my marriage, move mightily upon me until the will of God prevails in my life, wind of the Holy Spirit begin to operate, begin to blow.

⇒ Place your right hand on your head. I invoke the blood of Jesus to destroy every curse of darkness upon my life now. I invoke the blood of Jesus to destroy permanently every curse of darkness upon my life, to destroy every inherited curse, every ancestral curse, generational curse upon my life, I invoke the blood of Jesus upon them now. Blood of Jesus destroy them, blood of Jesus destroy them. Oh Blood of Jesus destroy ancestral curses upon my life, calling and destiny right now in the name of Jesus. I invoke the blood of Jesus upon every curse of darkness following my life from childhood, blood of Jesus destroy them now in the name of Jesus. ***As you have said those words so shall it be in Jesus' name.**

⇒ I receive the keys of God's Kingdom to walk, live and operate in that realm where impossible things become possible. I receive the keys of the Kingdom of heaven to enter and operate in the realm where impossible things become possible. I receive the keys to access such realms, I receive the keys to access the realm of God where impossible things become possible, I receive the keys to enter into that realm. (Demonstrate with your hands that you are receiving the keys) . I receive the keys to access and enter the realm of God where impossible things become possible, I receive the keys right now in Jesus' name.

⇒ Raise up your right hand. I command instant blindness to strike every demonic eye watching over the affairs of my life, I command those eyes to go blind right now, go blind forever. I command instant blindness upon every demonic eye watching over

my going out and coming in, watching over my life for evil, go blind now in the name of Jesus. I command every demonic eye, witchcraft eye, satanic eye, every eye of principalities and powers watching over the affairs of my life, I command instant blindness upon those eyes, I command such eyes to go blind forever right now in the name of Jesus.

⇒ Raise up your right hand. In the name of Jesus, I invoke the sword of the Lord to cut off every hand of darkness pulling me down from the heights God has placed me, pulling from the position God has placed me. I invoke the sword of the Lord to cut down, to cut off every evil hand pulling me down from the position, from the height, from the place God has put me in, sword of the Lord cut it off right now. I invoke the sword of the Lord to cut off every demonic hand pulling me down from every position God has placed me.

⇒ It is prophetic to demonstrate a prayer that you are praying, like the one you are going to do right now. You need to demonstrate this prayer point by pulling out plantations of darkness.

• In the name of Jesus, I uproot every demonic plantation in my life. I uproot every demonic plantation growing in my life, growing evil in my life, I uproot them now in the name of Jesus. Everything God has not planted in my life and is growing evil, growing darkness, growing failure, pain, sorrow, sickness, diseases, I uproot them now in the name of Jesus. I uproot every demonic plantation in my life growing evil, producing evil, I uproot you all right now in the name of Jesus. I pull you out of my life, you plantations of darkness producing evil, failures, misfortune, disappointments, sorrow, setback and shame, I pull you out in the name of Jesus. I pull you out, I pull you out, I pull you out in the name of Jesus. I pull you out, I pull you out in Jesus' name.

⇒ Father, let everything the devil has put in place to cause dishonour, reproach, disgrace and shame in my life fall out of place right now in the name of Jesus. Whatever the enemy has put in place to ensure that I experience shame, disgrace and sorrow let them fall out of place. Everything the devil has programmed to cause shame and disgrace in my life, let them fall out of place now in Jesus' name. *I decree over your life that whatsoever the enemy has put in place to destroy God's honour in your life, to disgrace and put you to shame, I decree that they fall out of place now in Jesus' name.

⇒ Place your right hand on your head. I come against every power of darkness hiding me from being discovered by people who are meant to help me fulfill my destiny, let such darkness catch Fire of the Holy Ghost right now. Every power of darkness that is hiding me so that my destiny helpers will not find me, so that every God ordained man and woman will not find me, Fire of the Holy Ghost consume them all right now in the name of Jesus. I come against every power of darkness covering my life, making it difficult for the people God has ordained to help me,

support me to discover me, Fire of the Holy Ghost consume them all now in the name of Jesus.

⇒When God is dealing with a man, He does not need a multitude, He only needs a few people who are serious with Him, who are desperate for Him and for His help. He just needs a few people who will take Him seriously, take the Word of God seriously, the will of God and pleasing God seriously. Though God can do miracles and multitudes will be attracted, He doesn't work with multitudes. God wants to help you seriously and change your life if you would take Him, His Word, will, fellowshiping with Him and obeying Him etc seriously. Many are called but only a few are chosen- the serious ones.

•Father, deliver me from everything contending with my personal walk with you. Deliver me right now from everything that does not want me to take you seriously, that does not want me to draw closer to you, Lord deliver me from those things. Lord, I know you don't work with multitudes but with those who really follow you, Lord deliver me from everything that is fighting my relationship with you. Lord deliver me from everything that is affecting, attacking, fighting my walk with you, my relationship with you, my closeness with you, deliver me Lord from such things. Lord, I know you work with those who love you, who fear you, who say what they mean, who are desperate for you, deliver me from the things that are keeping me away from you.

⇒You need to draw near to God because if you don't draw near to Him, why do you expect Him to draw near to you? Why do you think He should touch you, bless you or help you when you don't draw near to Him?

•Father give me a heart that longs to be with you, that longs to hear you, that longs to drink from you, a heart that longs to fellowship with you, a heart that yearns and hungers for you. Lord give me a heart that desires you more than food or any pleasure in this world, that desires you more than anything in this world, Lord give me such a heart. Lord give me such a heart that longs for you during the day and night, every hour, every day, a heart that always desires you. Lord give me such a heart that desires you more than the pleasure of food, money, sex, or attention, give me such a heart oh Lord.

⇒Until you lose connection with the pleasures of this world you cannot connect with the overwhelming glory of God, the pleasures in God's Kingdom, or with the power of God as it is in heaven. Until you begin to die to the pleasures of this world you will not be able to feel God's presence as it is. Yes, some of you have been feeling some presence of God but there are deeper realms of God's presence, that when you feel it you will know that you feel something, you will feel the life of God Himself deep inside of you. The life that destroys any form of death, sickness, disease, you will literally feel such life in you because you are dead to the pleasures of this world. There are pleasures of heaven once you taste them, you don't want to stop, you want to continue in them. There are some realms that once you enter into them you might not want to come back to this earth realm again because of its sweetness.

•Lord disconnect me from the pleasures of this world, the pleasures of sin, uproot them from my soul, my mind and heart; the pleasures of this world, pleasures of the flesh, pleasures of sin so that I can feel your presence. Lord uproot from my heart, remove from my soul, the pleasures of this world, the pleasures of sin and flesh that I may connect with the pleasures of your presence, pleasures of your glory and heaven. Lord disconnect me from the pleasures of this world and connect me to the pleasures of heaven.

⇒I discovered that what a man craves for is the weapon the devil will use to enslave him. Some people were so desperate to get married they ended up marrying the wrong people, some were so desperate for money they ended up selling their souls for money. You need to come to a point where you die to every pleasure in this world before you can rule over the devil or over those pleasures so that they don't control you anymore.

•Father, kill, uproot and destroy every craving in my soul for the pleasures of the flesh, pleasures of sin, pleasures of this world, Father uproot the cravings. Father uproot the cravings for the pleasures of this world, Lord destroy from my soul every craving for the pleasures of the world, Lord let those cravings die forever in the name of Jesus.

⇒In the kingdom of God you get in excess the things you are dead to. Except you die to those things, they can rule over you, enslave you and destroy you. Until you die to the things of this world, God will not be able to bless you in excess with those things. If you have not died to the love of money, God will not bless you with excess money. What you have not died to, heaven will not give you in excess because they know you have not died to it, and it will destroy you. To be dead to the world means that the pleasures of the world cannot control you, they don't determine your joy or happiness. Satan came and found nothing of his (worldly pleasures) in Jesus that's why Jesus could overcome everything.

•Father I want to rule over the world and everything in the world and every pleasure in the world, Lord help me to be completely dead to the world. Lord I want to overcome the world and all the pleasures of the world, help me to die to the world so that I can overcome the world, that I can overcome the pleasures in the world, Lord help me to die to the world. Help me to die to this world, that I may rule over this world just as Jesus ruled this world, that I may overcome the world just as Jesus overcame the world, Lord help me to die to the world in Jesus' name.

⇒Peter didn't know he had a certain darkness in his soul until Jesus prayed for him and saved him from the destruction meant against him. He didn't know until he denied Jesus three times publicly. That's the same way many people have darkness in their souls and they think they belong to God but with just one temptation they fall.

•Lord let your light shine in my soul and expose every secret darkness that I have embraced, every secret darkness that will destroy my soul, Lord let your light shine in my soul and expose every secret darkness hiding in my soul for destruction. Lord

let your light shine in my soul (x3), let it expose every secret darkness that is going to send me to hell, let your light expose it right now and remove it right now. Lord let your light shine in my soul and expose every secret darkness that will send me to hell, let it expose and terminate them all in Jesus' name.

⇒Father let my interest, desire and passion be withdrawn from everything that does not glorify you and your Kingdom and let my interests, passion and desires be only in those things that will glorify you and your Kingdom. Lord withdraw my interests, passions and desires from everything that does not glorify your name and your Kingdom and set my passion, love, and desires on the things that glorify you. Let my desires be only in those things that glorifies you, only in those things that promote your Kingdom on the earth, let my desire, my passion be only in those things. Lord withdraw my interest, passions and desires from everything that does not glorify your name, your Kingdom and let my desire and passion be only in the things that glorify your name and your Kingdom in Jesus' name.

⇒Place your right hand on your head. Father immerse me into the river of your glory and let my life, spirit, soul, and body change into the same glory. Father immerse me into the same river of your glory till my life changes into the same glory, immerse me into the river of your glory till all my life changes into the same glory. Father immerse me, spirit, soul, and body into the river of your glory, into the pool of your glory till I change into the same glory. Immerse me Father into the same river of your glory until I am changed into another man.

#Every seed of cancer hiding in your body system to produce cancer in your body, I command the fire of the Holy Ghost to destroy that seed of cancer right now in the name of Jesus. You spirit of cancer come out in the name of Jesus, in Jesus' name Amen.

•Father let your love take over my soul, my heart such that I begin to hate everything you hate and love everything you love. Let the love of Jesus Christ take over my soul, let the love of God take over my soul, such that I begin to love what God loves and hate what God hates. Oh God help me, let your love take over my soul, let your love conquer my soul, let your love enslave my soul that I begin to love what you love and begin to hate everything you hate forever in the name of Jesus, help me oh God. Let your love conquer my heart and soul and let me begin to love everything you love and hate everything you hate in Jesus' name, Amen.

Thank you Father for we know you shall do beyond our expectations. Amen

PRAISE AND WORSHIP

Ancient of days we worship you, miracle worker we adore you, King of the universe we praise you. Lord of hosts we exalt you, who is like unto thee? Who can be like

thee? - none. Who can sit on your throne? - none. You are the only God, Almighty God we worship you. King of glory we bless your name, your power rules over all, your dominion prevails over all, your strength destroys all your enemies, Father we worship you, great is your name. By your name we have received answers to prayers; sicknesses run, demons run out of fear. Through your name doors are opened to us, by your name we are helped, strengthened, and revived, Father we worship you, we praise your name.

Your power and authority is enough for us, for all power has been given unto you. Powers of darkness bow and tremble before the manifestation of your power. Kingdoms and thrones of darkness tremble before the presence of your power. Oh God of Israel, we worship you, we praise you for you are a terrible God, a consuming Fire. You destroy your enemies and don't stop until they are utterly destroyed, that is who you are. Who can fight you and win?- no one. You stand to defend us and all our enemies bow, all our enemies are put to shame, Lord we worship you. Who else can help, heal, deliver, defend and save us as you do?

You are self-sufficient who can tell you what to do or give you counsel, no one. You are all sufficient, you lack nothing, for the fullness of all things dwells in you, we worship you oh God of heaven and earth, be glorified forever in Jesus' name, Amen.

PRAYER POINTS

Psalms 100:4 Enter His gates with thanksgiving, and His courts with praise! Give thanks to Him, bless His name.

You should always in your prayer closet approach God first with thanksgiving, even upto to an hour or more before jumping into prayer points or presenting your requests.

⇒Father, thank you for being my Father, thank you for watching over my life, for You are taking good care of me, blessing me, helping me and defending me. Heavenly Father, I thank you for being my Father, thank you for watching over my soul, watching over my life and keeping me in perfect peace and victory. Thank you for giving me strength when weak, feeding me when hungry even when I was hungry spiritually. King of Israel thank you for caring for me, fighting for me, defending me, strengthening me when I was too weak to move on, thank you Father. Thank you King of Israel for being my Father, thank you for giving me fatherly care.

⇒Have you ever found yourself in a state of hopelessness and confusion and you didn't know how to move on, what to do or what's the next thing you will come across? If so, how did you overcome, manage or heal? When you feel depressed or heartbroken, the best way is to go to your Father and talk to your Father. Many

Christians don't know how to run to the Father or talk to the Father when it looks as if the road is too hard.

- Father, help me to remember to turn to you, to run to you when the journey becomes tough, when the issues of life become so hard and not to run away from you. Father, help me not to allow the issues of life to take me away from you or take you away from me, help me to remember that I have a Father who cares, who is faithful, that I have a Father who loves me so much and is too powerful. Father help me to remember I have a Father who knows my end before I existed, oh God help me to remember that you are in the same journey with me, that you are with me in the same darkness and hardship.

⇒Matthew 11:28, Jesus says come unto me all you who are heavy laden and I will give you rest. When you are burdened with so much stuff that you don't understand or can't explain, even in those moments God is saying come I will give you rest and help you. If you don't trust Him, you will not come to Him. Many Christians are suffering today because of not trusting God enough, despite them praying and fasting so much.

- Father help me to trust you enough to bring my troubles, problems, confusions, depression and fears to you because I know you will take them away from my life, help me to come to you with an open and sincere heart. Lord help me to trust you enough to bring all my troubles to you because I know I will not go back the same, help me to believe you enough. Lord help me to bring all my troubles and sorrows to you in prayer and not to think of them to the point that I end up going deep into darkness, help me not to be worried and trust you enough.

⇒Most of you have lost faith in God because you prayed about a certain issue and nothing happened. You trusted God for something some time ago but there were no results, miracles or answers then you lost faith in God on that issue. The Lord is saying you should repent and come back to trust Him again. If you had continued to trust Him, it's possible you would have gotten your miracle already.

- Father, I repent from withdrawing my trust in you because of delayed answers to prayers. I repent from losing faith in you because I did not get what I asked for, Lord visit me and help me. Father I do believe you again, I will depend on you again, I will trust and depend on you again, help me. I repent from withdrawing my faith and trust in you because I did not see the miracle, Father I will believe again.

⇒Divine revelations and divine enlightenment helps you to trust God more. When your eyes are opened it will encourage you to trust God more because you will not be walking by physical sight. What your inner eyes are seeing is what will control your life.

- Place your right hand on your head. Father anoint the eyes of my spirit with fire and let my eyes be opened to see into the realities of your Kingdom, anoint the eyes of heart and soul with fire, open my eyes to see the realities of you, your words and your Kingdom. Lord anoint my eyes, the eyes of my soul, the eyes of my spirit with

fire to see deep into heaven, to see deep into the mysteries of God, to see into the mysteries of the Kingdom of God, to see deep into the mysteries of my own life. Father, anoint the eyes of my soul, eyes of my spirit to see and understand the mysteries that surround my life, my calling, destiny, and spiritual identity. Lord anoint my eyes, the eyes of my spirit to understand the mysteries of my destiny so that I can fulfil destiny. ***The hand of God shall come upon you and the eyes of your spirit man will be opened to see into the realities of God and of His will for your life, to see into the mysteries of God in your life, concerning your life, calling, career and destiny. Let the hand of God open up your spirit to see, know and understand them all now in the name of Jesus.**

⇒What you see will determine how much you will believe and trust God. Some people all they are seeing is what the devil is doing, what people are saying and what is happening around them and they are not seeing what God is doing, what God is saying or seeing into the greatness and powerfulness of God. What have you surrounded your life with? Are you surrounded with people who are always showing you impossibilities and not showing you the mind of God?

•Father help me to be disciplined to remove from my life and eyes everything that does not encourage me to believe. Father help me to remove from my life and eyes everything and everyone that does not encourage me to believe and trust in you. Lord help me to get rid of everything that is not encouraging me to believe you, help me to get rid of them from my eyes.

⇒To hear the voice of God you need to shut your ears from wrong voices. Your eyes and ears are powerful gates to your soul. What you see and hear will determine how far you will go with God.

•Father, help me to shut my ears and eyes against everything and everyone that will turn my soul against you, that will corrupt my soul with fear, doubt, unbelief, unrighteousness and disobedience. Help me to shut my ears and eyes against every information, picture, video, news, personality or words that are meant to corrupt me, to take away my faith and trust in you, Lord help me to shut them down. Whatever that does not glorify you, help me to shut them down from my life. Whatever that does not glorify your Word, your will and your ways, help me to shut my eyes and ears from them. Whatever that does not promote spirituality and divinity in my life, help me to shut my eyes from them. Lord help me to shut every channel that is feeding my ears and eyes with wrong information that does not glorify you God, help me Lord.

⇒If you will continue to depend and trust in God, you must watch what you see and hear. Inside thick darkness there's great light, even in unpleasant situations. When you are in darkness you have to look at the light in the darkness. In the midst of pain, there's healing, in the midst of hunger is surplus etc, only if you can see.

•Place your right hand on your head. Father put upon me an anointing to see your great light inside every darkness in front of me, an anointing that sees light in the

midst of darkness, that sees solutions in the midst of terrible problems. Lord put upon me such an anointing to see what you are doing in the midst of what the devil is doing. Lord put upon me the Grace and the anointing to see your great light inside the darkness that appears to me on a daily basis. Lord help me to see what you are doing in the midst of situations the devil has created around me. When it looks like there is no more hope, help me to see what you are doing in such situations.

⇒ You need to see beyond a situation. In the midst of situations you need to go to God and ask Him what He is saying in the midst of it. Do not look at what the situation looks like or is saying, always go to God because whatever God says will always produce a way out.

• Father, help me to always seek for your voice, your instructions, revelations, and will concerning every situation I find myself in. Lord help me to always come to you for directions, help me to hear your voice and receive answers, inspiration and insights. Help me to always seek what you are saying in every situation I find myself in. Help me to learn to always see what you are saying in whatever situation I find myself in.

⇒ Everything God will tell you in a situation will always produce a way out. It might take some time but there will always be a way out. You need to always believe what God says. The reason why God stopped speaking in other people's lives is they never obeyed what He told them before.

• Father, give me a heart that believes everything you tell me concerning my present situations and situations that will come my way, a heart that believes, follows and obeys your instructions. Give me a heart that believes and does exactly what you say and does not disobey you. ***Every heart of unbelief, carnality, worldliness in your life making it difficult for you to believe and trust what God is telling you, let the Fire of the Holy Ghost remove that heart from you and let the hand of God create in you a heart that believes everything that He tells you. A heart that believes every revelation and instruction God tells you about your present situation, let the hand of God create such a heart in you now.**

⇒ Matthew 11:28. Many Christians do not know how much God loves and cares for them or how much God has great plans for them. Because we are selfish and self-centred we do not seek for God's glory but self glory. When you are always thinking about yourself, you will not know how much God cares for you.

• Father, help me to see and discover how much you love and care for me. Father, help me to die to self, to stop thinking about myself but for me to start thinking about you, pleasing you and doing your will. Father help me to see and discover how much you love and care for me.

⇒ God has seen your troubles and pain and He wants to give you rest.

• Raise up your right hand. Lord Jesus, I come to you with my burdens, I lift up to you my pain, Lord touch me give me perfect rest. Lord, I come to you as I am with my problems, pains, troubles, sorrow, and captivities, Lord touch me and give me rest

from the pain, problems, troubles and sorrows. Lord touch me and give me rest (x 5). Lord you promised me rest in Matthew 11:28, I come to you, give me rest, give me rest from battles, oppressions, rest from every sickness and disease, troubles and sorrows, give me rest oh God of Israel!! Lord touch me and give me rest now.

⇒Some of you have been carrying loads and burdens for so long (years), but this is the moment when you will get your miracle.

•Raise up your right hand. Father touch me and remove from my shoulders every yoke of slavery, pain, failure, suffering, and problems that I have carried on me for years. Father touch me now, destroy that yoke, remove that yoke in the name of Jesus. Father lift up the yoke, destroy the yoke of poverty, scarcity, suffering, Father destroy these yokes that I have carried with me for years, yokes of failure, marital delay, marital failure, yokes of difficulties and hardships, Lord remove them all. Lord touch me and remove all these yokes, touch me now, touch me and destroy yokes I have carried on my body, my soul and spirit for years. Father show me mercy tonight and deliver me in the name of Jesus. ***I can see the yokes breaking.**

⇒Father, hold me by your hand and take me to the realm where miracles happen face-to-face, where I see your glory face to face. Lord visit me by your mercy, take my hand and take me to the realm where I experience real victory, signs and wonders, where I see your power producing results face-to-face. Oh God of Israel take my hand and walk me into that realm where I will see your power produce results face to face. Oh God of Israel hold my hand take me into that realm where I will see your glory face to face.

⇒It will take a lot of sacrifices before you can experience the greatness of God or face-to-face encounters. Unfortunately most Christians do not want to pay the price to be able to see face-to-face miracles. Some cannot live a holy life, they love sin too much, then how will you see miracles? The way into glory is a sacrificial life.

•Father, take away the life I am living right now and give me a sacrificial life, a life that wants to help others, a life that dies to self and the things of this world, a life willing to go through pains so as to win the heart of God, to obey the will of God. Lord, give me a sacrificial life, a life that is selfless not self-centred, a life that does not care about what I want to gain but a life that is always giving out that does not care about gaining, give me such kind of life. Give me a life that is willing to spend hours in the place of prayer, a life that does not look at the hunger in my stomach or seek comfort and pleasures, give me a life that is dead to pleasures, self, selfish interests, give me such a life.

⇒Place your right hand on your head. Father put upon me a strength that does not get weak, give up or get discouraged that I may breakthrough into the realm of victory, signs and wonders in the name of Jesus. Lord put up on me such a strength that does not give up, that does not get weary, put in me such a strength that goes on when everyone else has given up, put in me such a strength oh Lord

⇒When Jesus looks at a situation, He doesn't look at it with a heart of disbelief but with a strong and high faith. A faith that does not believe in impossibilities. When the Spirit of God tells you to go on a fasting, why do you always look at the pain the fasting will cause you or the impossibilities in that fasting?

•Father, create in me a strong and high faith that does not believe in impossibilities. Father, establish in me a living, strong and high faith that does not believe in impossibilities, oh God create such faith in me. Lord create in me a living, strong faith that does not believe in impossibilities, create in me such a faith.

⇒When Jesus was on Earth, He carried so much of the presence of God that solves every situation, every problem that made impossible things possible, a presence that could do anything.

•Raise up your right hand. Father enthrone in my life, within me, around me your mighty presence that solves problems, that produces miracles, that makes all things possible, enthrone such your presence upon, within and around me. A presence of heaven that destroys every darkness, that consumes every witchcraft, principality, and powers, that unlocks every lock, that opens every door, that solves every problem and produces every miracle that is needed in my life, oh God enthrone in my life and around me such a presence in the name of Jesus. Let my whole life, my whole being, be immersed in such a presence in the name of Jesus, Amen.

⇒ Father, let me encounter your power in this moment of prayer, this hour of prayer. Let me encounter your power, fire and presence, as I begin to pray let your power manifest, let your glory fall, let me encounter your fire. Lord, let me encounter your power, let your fire touch me, let your power work in my life, let your glory descend upon my life, let your presence be glorified in my life. Lord let me encounter your fire of deliverance, let me encounter your healing fire, transforming power, and glorious presence as I pray.

⇒ Raise up your right hand. I connect with the power of God, let a great transformation happen in my life now in the name of Jesus. Let the power of God transform my life forever, as I connect with the power of God let a great transformation happen in my life, career, finances and situations. I connect with the power of God for a great glorious change, a great positive change, for a great drastic change, let a great transformation happen in my life by the power of God.

⇒ Raise up your right hand. In the name of Jesus, I connect with the power of God, let every impossibility become possible in my life and destiny right now. I connect my present situation, my body, soul and spirit, my health to the power of God, let everything that has been termed impossible become possible now in the name of Jesus. Everything that has been termed impossible let them become possible right now. ***Everything the doctor said is impossible, let them become possible in your life in the name of Jesus, everything people have called impossible, let them become possible in the name of Jesus. By the power of God, let impossible situations become possible now in the name of Jesus.**

⇒ Raise up your right hand. Fire of the Holy Ghost descend upon every presence of darkness against the presence of God. Every presence of darkness in my life and environment that surrounds me and is contrary to the presence of God, catch fire of the Holy Ghost now. Every presence of darkness contrary to the presence of God in my life, 'catch fire of the Holy Ghost x4'. Fire of the Holy Ghost descend upon every presence of darkness in my marriage, building; presence of darkness that surrounds me, fire of the Holy Ghost consume them all, destroy them all in the name of Jesus.

⇒ Fire of the Holy Ghost, uproot and destroy everything God has not planted in my life, uproot everything God is not doing in my life and destroy them now. Fire of the Holy Ghost uproot and destroy everything God has not planted in my life, everything that God is not doing in my life but is the work of the devil, for it is written that the Son of Man is made manifest to destroy the works of the devil, therefore Fire of the Holy Ghost begin to uproot and destroy them now in the name of Jesus. Everything God has not planted in my finances, marriage, career, spirit, soul and body, fire of the Holy Ghost uproot and destroy them now.

⇒ There is a river flowing and it is a river of God. As we were praying I saw the river of the Lord flowing and God wants to fill you. There's a river flowing from the throne of God right now that wants to fill you.

• Raise up your right hand. River of God fill me till I am drunk, till there is no more space in my life, river of the Holy Ghost fill me now. River of the Holy Ghost fill my soul and body till I am completely immersed in you. ⇒ When the river flows from the throne of God, it means God wants to change you into a new man that is not weak, that is not a slave or is defeated but to a new man that is very powerful, supernatural, one that conquers battles, defeats powers of darkness and witchcraft. When God wants to change a man, He begins to fill that man with the fullness of Him. When He begins to magnify Himself in you, you will begin to change to become like Him.

• Father, fill me with the fullness of you till I am transformed to another man that is supernatural, that is not weak but always strong. Father, fill me with the fullness of you till I change into another man that is fearless, bold, extraordinary, supernatural, another man that conquers every battle. Fill me Father with all the fullness that is in you, fill me now. ***I decree over your life that the power of God shall come upon you and open you up to be filled from above now in the name of Jesus.**

⇒ Father, take away from my life every garment of depression, heaviness, sorrow and put upon me a garment of joy, praise, rejoicing, honour in the name of Jesus. Father, remove from me every garment of sorrow, heaviness, sadness and put upon me a garment of joy, praise, greatness and honour. Remove from me and my life every garment of slavery, sorrow, pain, darkness and Lord put upon me your own garments of joy, victory, praises, rejoicing, the garment of your praises, your power, Lord put them upon me.

⇒ Father by your mighty hand put a mark upon my life that will make all men favour me in the name of Jesus. Father put upon me a mark that will make my life attract the favour of men, put upon me a divine stamp, a divine authenticity that will attract all peoples into my life, favour of men from every corner of the world in the name of Jesus.

⇒ In the name of Jesus, let the sword of the Lord cut off every demonic hand controlling the affairs of my life. Sword of the Lord cut off every demonic hand, every

witchcraft hand manipulating and controlling the affairs of my life for evil. Sword of the Lord cut them all into pieces in the name of Jesus.

⇒ Fire of the Holy Ghost expose and eliminate every agent of darkness hiding secretly in my life to hurt and destroy my life, destroy them now. Fire of the Holy Ghost expose and eliminate every agent of darkness hiding secretly to hurt me, to destroy my life. 'Fire of the Holy Ghost expose and eliminate them x5'.

⇒ Raise up your right hand. I decree in the name of Jesus let every weapon of darkness fashioned against my life, calling and destiny shut down in the name of Jesus. Let every weapon of darkness being used to attack me begin to shut down. Every gadget, instrument, equipment and weapons of darkness being used to attack me, being used against my life, calling and destiny, shut down forever in the name of Jesus. I decree let every weapon of darkness that is being used to attack me, to attack my life, calling and destiny shut down permanently right now. Every demonic equipment, gadget, computer, demonic weapons to attack, afflict, torment me, shut down forever in Jesus' name.

⇒ In the name of Jesus, I decree let the power of God remove permanently every building of the enemy, invisible structures of the enemy, invisible buildings, plantations and establishments of the enemy that are frustrating my life and destiny, let the power of God remove and displace them forever. I decree by the power of God, let every demonic structure, building, establishment and plantations in my life be removed by the power of God forever, be permanently displaced forever from my life in the name of Jesus. Every invisible building, invisible structure of the enemy that has been built in my life to cause frustration, failure, stagnation, slavery, oppression be removed now forever in the name of Jesus.

⇒ The kingdom of darkness has advanced to the point that they can have invisible buildings inside your room or buildings. As small as your room is, the kingdom of darkness can bring in their own building inside your room and they will be operating in your house without you knowing. In your toilet alone can be great demonic mansions, spiritual structures where hundreds and thousands of demons will be transacting and operating on a daily basis. They can set up their structures there and be having their meetings, discussions and executing their operations without your knowledge. As long as they are doing their operations, you will not receive your answers because the power of God cannot manifest in such a demonic infested place.

• Raise up your right hand. Fire of the Holy Ghost rain judgement, rain destruction upon every activity of demons and witchcraft going on in my life, environment, building, home, and where I am living and working. Fire of the Holy Ghost rain destruction and judgement upon every activity of devils, witchcraft going on in my life, environment, home and around me. Rain of destruction, rain of judgement, rain upon them right now and destroy them.

⇒ Stretch your hands toward the ground. Fire of the Holy Ghost shut down every portal of darkness binding my life with hell, linking up with the activities of my life with forces of hell, Fire of the Holy Ghost shut down those portals forever in the name of Jesus. Every portal, opening of darkness binding my life and the affairs of my life with hell, fire of the Holy Ghost shut them down now in the name of Jesus.

⇒ Place your right hand on your head. I come against every power of darkness making it difficult for me to do what is right, what is the will of God for my life, Fire of the Holy Ghost arrest and destroy them now in the name of Jesus. Fire of the Holy Ghost arrest and destroy every power of darkness making it difficult for me to please God, difficult for me to follow the plans of God for my life and destiny. ***Every power of darkness, presence of darkness upon your life, making it difficult for you to do what is the will of God for your life, fire of the Holy Ghost destroy them all in the name of Jesus.**

⇒ When God is about to change your life for good, the devil will make you lose interest in the same things God wants to use to change your life forever with. Those are the things you will begin to hate and will begin to procrastinate doing them, that is an attack from the devil to make sure that you do not move forward.

• Place your right hand on your head. I bind every power of darkness making me lose interest in the same things God wants to use to lift up my life, to move my life and change my life, I bind them all now in the name of Jesus. I bind every power making me lose passion, desire in the things God wants to use to lift me up, I bind them now, I bind them in Jesus' name.

⇒ The devil will also make you follow people's opinions and ideas and start ignoring the instructions, Word and direction of the Lord and start going after people's opinions, suggestions and distractions, he will just do this to get you out of the will of God

• In the name of Jesus, I disconnect my mind and ears from receiving and following ideas and opinions of men meant to lead me against the will of God, to lead me out of the will of God, I block my ears against them, I disconnect my mind from them all in the name of Jesus. I disconnect my mind and ears from listening and following people's opinions and ideas which are contrary to the will of God for my life and destiny, which are against the standard of God for my life. I disconnect my ears, I shall not listen to them in the name of Jesus. I shall not believe them or follow their opinions. I shall not do what people want but I will do what God wants for my life in the name of Jesus. I shall not follow people's will or choices but I shall follow the will of the Lord, the mind of the Lord, the desires of the Lord, and the ways of the Lord.

⇒ Now is not the time to struggle with God but to surrender all to the Lord. To struggle with God is whereby God is saying turn to the right but you decide to turn to the left. When God asks you to stop something but you continue with it. Now is not

the time to struggle with God but to surrender even when it is not convenient for you or not what you want. If you can surrender to the will of God, you will see your life becoming glorious and beautiful.

•Raise up your right hand. Father I choose to surrender to your will, help me, Lord I refuse and I don't want to struggle with you, I don't want to struggle with your Holy Spirit, I choose to surrender to your will, help me. I choose obedience, I choose humility, I choose commitment, I choose devotion, I choose to be faithful, help me Lord in Jesus' name.

⇒A question for you from the Holy Spirit. Who is the driver of your life, who is the leader and controller of your life? Is it yourself, Satan or the Lord?

•Raise up your right hand. Father, I surrender my life to you for you to lead it, control it, drive it where you want, for you to use it for whatever you want. I surrender my life unto you Father, drive my life the way you want it to go, take me where you want me to go, lead me where you want me to go, make me what you want me to be. Father I surrender the journey of my life to you, drive it, lead it, control it as you wish in the name of Jesus. Lord drive my life into any direction you want, control my life to go where you want, lead my life into all your purposes and desires, in the name of Jesus I surrender my life.

⇒Place your right hand on your head. Fire of the Holy Ghost destroy every stronghold of darkness in my mind, destroy the strongholds of the kingdom of darkness they are using to control me. Fire of the Holy Ghost destroy every stronghold in my imagination, thoughts, emotions, and feelings that the enemy is using to control me, let them catch fire of the Holy Ghost right now. Every stronghold in me, in my mind that the enemy is using to control me, Fire of the Holy Ghost destroy it. Every stronghold of pride, anger, bitterness, lust, love of money, Lord destroy the strongholds in my life, mind, body right now in the name of Jesus.

⇒Fire of the Holy Ghost destroy every deposit of darkness in me, every pollution of darkness in me making me to fall into temptations and traps of the enemy, destroy them now in the name of Jesus. Fire of the Holy Ghost destroy every pollution in my spirit, soul and body making me too weak to resist temptation, making me too weak to control myself, my mind and life, fire of the Holy Ghost destroy them now. Every deposit of darkness, pollution of darkness making me too weak to fall into temptations, catch fire of the Holy Ghost now in the name of Jesus.

⇒ Your brain/ head is the seat of your mind, the Bible says you have the mind of Christ and Jesus wants to manifest in your brain.

•Father, let my mind begin to follow after your mind, let my reasoning follow after your mind, let me begin to think and reason like the way you think and reason, Father give me your mind. Father from today let my mind follow after your mind, let me begin to think the way you think, to reason the way you reason, to see things the

way you see them. Lord let the mind of Christ manifest in my brain, in my mind, and soul and prevail forever in the name of Jesus.

⇒Stretch forth your hands with your palms facing upwards.

•In the name of Jesus, let the blood of Jesus destroy every mark of failure in my hands, Blood of Jesus mingled with the Fire of the Holy Ghost destroy them now. Father let the blood of Jesus and the fire of the Holy Ghost touch my hands and destroy every failure in my hands. Every mark of failure in my hands, come out in the name of Jesus, come out by Fire of the Holy Ghost, come out by the blood of Jesus, come out in the name of Jesus. ***It is done in Jesus' name.**

⇒Place your right hand on your head. You my head, hear the words of the Lord, from today you shall not fall victim to demonic attacks and satanic attacks, receive power to be defended against attacks of the enemy. You my head, you shall not fall victim to satanic and demonic attacks, from today onwards you shall be defended by the power of God, you shall be covered by the power of God, you shall be secured by the power of God in the name of Jesus. You my head shall not fall victim to demonic and satanic attacks, you are defended, secured, and covered in the name of Jesus.

⇒I come against every negative identity that was placed on my life by the enemy, let the blood of Jesus destroy them. Every name the enemy has given me that is not my name or what God calls me, every identity contrary to my identity in Christ Jesus, I come against you, be removed by the blood of Jesus, be terminated by the blood of Jesus. I come against every identity the enemy has given to me that is contrary to the identity of my personality in Christ Jesus, blood of Jesus destroy them now in the name of Jesus. I invoke the blood of Jesus to terminate every negative identity and demonic identity that the enemy has given me, let the blood of Jesus terminate them now in the name of Jesus. I am who God says I am. I am not what the devil says or what anyone says, I am who God says I am.

⇒Raise up your hands and speak up. I receive the manifestation of every breakthrough the Lord has placed in this year for me in the name of Jesus. I receive financial breakthroughs, I receive marital breakthroughs, I receive breakthroughs in my career, calling, ministry, and destiny. I receive the manifestation of every breakthrough God has placed in this year for me, I receive them now. I receive every manifestation God and heaven has placed in this year for me. I receive the manifestations, I receive financial and success breakthroughs.

⇒I invoke the anger of God upon every rage of the enemy rising up to destroy my life, let the anger of God consume them all. I invoke the anger of God to destroy every rage of demons, marine spirits, every rage of kingdoms of darkness, principalities and powers rising to destroy my life, I invoke the anger of God upon them all, let the anger of God waste them all in the name of Jesus.

⇒Place your right hand on your head. In the name of Jesus I reject sicknesses and diseases, I shall not fall sick, I shall not be enslaved by sickness. I reject sicknesses, I reject diseases, my body is not for sickness and disease or infections, my body is the temple of God. I reject sicknesses, I shall not fall sick, I shall not be hospitalized or paralyzed by sickness, I shall not be enslaved by sickness or weakened by sickness in the name of Jesus. My blood is not for sickness, every organ in my body shall not fall sick in the name of Jesus. I am defended, protected, and covered by the blood of Jesus, my life is not for sickness or diseases in the name of Jesus, I reject sicknesses in the name of Jesus, Amen.

20 JANUARY 2022

PRAYER POINTS

⇒ Father, I thank you for everything I need to fulfil destiny is in you, everything I need to become who you sent me into the world to be is all inside of you. Father, thank you for making all things available to me in you, in the name of Jesus. Thank you for having in yourself the fullness of all things that I need in life and destiny. Thank you because the fullness of my help, the strength I need is inside of you. The fullness of all the riches and wealth, benefits, assistance, miracles, wonders, signs and healings that I need are inside of you, thank you for being so sufficient for me and having all that I need.

⇒Father, reveal to me the wonders of your love and faithfulness. Show me how much you love me and how much you care for me in the name of Jesus. Lord show me how faithful you are, show me how faithful you are. Reveal to me the wonders of your faithfulness, the wonders of your love. Father, use everything in my life and around me to show me how much you love me and show your faithfulness. Lord, show me how faithful you are in all situations I find myself in, show me your faithfulness.

⇒It is true that God loves you so much and that He is faithful. There are some things that prove to you that He loves you and that He is faithful.

•Place your right hand on your head. Father by visions and dreams reveal yourself to me, to prove to me that you are faithful, confirm to me that you are faithful. Father, I know that you are faithful, I have seen you in the scriptures, but Lord, use scriptures and dreams to show me the wonders of your faithfulness. Use visions and dreams to prove to me that I can trust you, I can depend on you because I want to trust you more, love you more, serve you more. Lord use visions and dreams to prove to me the power of your faithfulness, the wonders of your faithfulness, to show me that you are so faithful.

⇒Sometimes you do not need any sign to believe God, but other times you need to see signs and sometimes God reveals them to us through dreams and visions, miracles and certain events that happen in our lives. God can strengthen your faith by giving you signs which sometimes can come through prophecy, through someone who doesn't even know what you are going through. When you are confused or manipulated and you don't know which way to take then you can ask for a sign.

•Father I know you are so faithful, you care for me, Father release signs and wonders into my life to strengthen my faith and trust in you in the name of Jesus. Father I know that you care, release signs and wonders into my life, spiritual signs and wonders, physical signs and wonders, divine dreams, divine visions and revelations, physical miracles, Lord every sign and wonder that I need to grow stronger in my faith and trust in you, oh Lord please release them into my life. I don't want to be weak in the spirit, help me to grow stronger in faith by your signs and wonders. Lord indeed the attacks of the enemy are so much, he is waging war against my soul, Father reveal to me in very clear ways, simple and tangible ways so that my faith and trust in you will be strong. Lord see how the enemy is trying to weaken my faith and trust in you, help me to be strong by revealing yourself to me in clear physical ways, as you did for the Israelites in the wilderness.

⇒The fact that the Bible says God is invisible and a Spirit does not mean He cannot reveal Himself physically. He is a Spirit but a physical Spirit, (like Jesus was after Jesus was resurrected from the dead, He was seen and people could touch him). There are spirits which can never be physical. Though God cannot appear to you as He is, He can appear to you physically in a way that you can relate with Him, in a way you can understand.

•Raise up your right hand. Father let heaven open over my life for physical manifestations and demonstrations of your presence. Father, open the heavens over my life, situation, environment, let me be able to engage, relate, connect with your physical demonstrations. Oh God open the heavens now so that I can receive encounters, engage the physical manifestations of you. Let the heavens open over my life for physical manifestations of the God of Israel in my life, situation, career, calling, and destiny, for physical demonstrations of the Almighty God in my life.

⇒The Lord wants to show many Christians that He is physically involved in their lives and situations, He will do that to show you that He loves you and that He cares for you and He's faithful.

•Father, teach me to do spiritual exercises that will bring down your physical glory, power and presence into my life. Father teach me to do things that will bring down your physical power, tangible power, your raw power, teach me to do spiritual exercises that will bring down these dimensions of heaven into my life, into my environment. Teach me to pray in such a way that heaven will come down physically into my environment. Teach me to fast in such a way that heaven and the angels of God will come physically into my house, into my room. Teach me to do Bible study, meditation that will bring down the whole of heaven into my life and situations, teach me Lord to do these things because I want to see you.

⇒God wants to show people great wonders this year, so they can be able to stand firm.

•Father, show me realities of you, of your Kingdom in visible ways such that I remain strong, immovable, bold, in faith forever, that I remain strong in love and truth forever. Lord show me realities of your will, I want to see realities of you physically so that my faith will be so firm and unshaken, immovable till the end. 'Reveal yourself to me x3'. Show me the realities of you in very tangible and visible ways so that my faith and trust in you, my love will remain firm and strong till the end.

⇒The Holy Spirit is saying most of you do not have time for Him, that is why you have not been able to see and experience the realities of His power, presence and Glory. He is saying most of you have time for friends, time to visit people, cook and for all sorts of things but don't have time for Him. When God speaks, it's a physical reality, if He gives you visions those are physical and realities. What else is worth doing if not spending time with God?

•Father, I repent for occupying myself with things that have nothing to do with you and your Kingdom, forgive me and help me to use my time wisely. Lord, I repent for misusing my time on things that have no divine benefits, divine profit, heavenly or eternal value, forgive me and help me to use my time wisely. Help me to use my time to seek you, fellowship with you, study about you, meditate on your Word, Lord help me to use my time wisely. Help me to use my time to serve you, to pray, to fast, to worship you, help me to be wise in the use of my time, forgive me for misusing my

time. Forgive me for using my time on things that have no divine benefits, forgive me Lord.

⇒When God begins to engage with a man to draw him closer to Himself. God will start from testing that man to see if such a man loves Him or cares for Him. He will begin to test you to see if there are some things you love more than Him, to see how much you are willing to put aside or lay down your life because of Him. The more you pass those tests the more He comes closer and the more of Himself He will be showing you. To be profane is to disregard spiritual things just as Esau did and God will not appear to you physically.

•Father, help me to live a life that is fully surrendered unto you so that when you test me I will not fail you, when you prove me I will not fail. Oh God of Israel, help me to live a life that is fully submissive unto you, a life that has surrendered all to you, that has laid down all unto you so that when you test me I will not fail you. Lord help me to live a life that is fully surrendered to you, help me Father in Jesus' mighty name.

⇒ Most people like singing the song 'Abraham's blessings are mine' but do not understand the kind of man Abraham was for him to gain such everlasting blessings from God. Most want Abrahamic blessings but they do not want the kind of life he lived. Abraham was a man who truly feared and loved God to the point of giving his only son just to please God. Some of you must get to the point where you sacrifice what you love the most, what you desire and crave for the most to be able to receive a glorious visitation from heaven that will change your life forever. What is that one thing you have not given up that you love so much that God demands you to give up? Some people love their lives so much, others love their children, their spouses or their jobs too much.

•Father, I hand over to you everything I desire so much, everything I love so much that has been a limitation from experiencing the wonders of your glory, power and presence, oh God I hand it over to you now. Lord, I hand over to you that which I love, cherish, and desire so much which is a limitation to my divine encounters and visitations, all that is a limitation for me to experience physical dimensions of your Kingdom on earth, oh God I hand them over to you now, receive them. Lord I lay down at your feet all these that are a limitation to knowing you physically and experientially.

⇒Raise up your right hand. In the name of Jesus I come against every darkness of fear, pollution that surrounds my life, blocking me from having encounters with God, from knowing God experientially, fire of the Holy Ghost consume them. I come against every darkness of doubt, unbelief, deception, lust and pollution that have surrounded my life to block me from experiencing God physically, to block me from having divine encounters from God, Fire of the Holy Ghost destroy them now. Every darkness standing between me and the visible glory of God, the visible presence of God, the visible power of God, catch Fire of the Holy Ghost now in the name of Jesus. Fire of the Holy Ghost consume every darkness of pollution, deception,

doubt, fear that has surrounded me from receiving divine encounters from heaven, from relating with God face to face, relating with the Kingdom of God face-to-face, Fire of the Holy Ghost destroy them, I want to relate with God face-to-face just as Moses did.

⇒God wants to reveal Himself more in these last days. He wants to do more than He did in the Old testament because the kingdom of darkness has advanced in their plans, they are coming more physically, revealing their ways so God wants to also come out that way. You have to be among those people who will experience God face to face, also face to face with His angels on earth.

•Place your right hand on your abdomen. Father ignite in me a great fire that will begin to launch me into all the realms of your Kingdom, of your glory, presence. Lord stir up within me an everlasting fire, your Holy Fire that will carry me and launch me into realms of your glory and your presence, Lord ignite in me your Holy Fire in the name of Jesus. Oh God stir in me your everlasting fire, a fire that will prepare me and launch me into the realms of your glory, wisdom and revelation, realms of your angels and their operations. Lord stir up within me, create in me a strength of fire that will launch me into heavenly realms.

⇒There are realms of heaven that are available to each and everyone and God wants to take most of you into His realms.

•Raise up your right hand. Father take me away from every realm that is not your realm, from every realm my life is in that is not allowing me to encounter your realms. Every realm I am locked up in, that my soul, my spirit is locked up in that is not allowing me to encounter you or the realities of you and your Kingdom oh Lord remove me now. Lord remove me from every realm that has encapsulated my life preventing me from encountering the realms of God, of heaven, encounters with the realities of heaven, oh God of Israel remove me, deliver me from those realms in the name of Jesus. Every realm of fear, pride prevailing over my soul, break by fire, every realm of unbelief, doubt, pollution, lust of the flesh and eyes, be destroyed by fire. Lord deliver me right now.

⇒God is the one who will choose the channel through which He will visit your life face to face. He can decide to make you see Him with your physical eyes or not, He can decide another means which will be so real to you that you will not be able to deny it. If God chooses to use dreams, He will be giving you dreams to do with heaven, angels and prophetic messages not nightmares.

•Father strengthen my spirit to be able to correctly discern and understand your presence and visions in my life. Father empower my spirit to be able to discern your ministrations in my life. Lord strengthen my spirit to be able to easily communicate with you, relate with you, discern your presence, to discern where you are and when you are speaking to me. Lord let my spirit be so strong that I will be able to discern your presence and visitations, that I will be able to communicate with you from your presence, Lord strengthen my spirit for this.

⇒The spirit of a man has a capacity that is as large as seven times of the earth, your spirit can stretch very far. When God is engaging with you, He is engaging with your spirit, He will come into the realm of your spirit and minister to you that way. Your spirit has a very large capacity to welcome angels, God, heaven, to receive all manner of spiritual operations and divine encounters. Some of you have a very low spiritual capacity because you have not trained it. Your spirit can stretch to an extent that it will bring down the whole of heaven to earth as you are praying.

•Place your right hand on your head. Father release your fire into my spirit to expand my spiritual capacity for dangerous, victorious, divine operations on earth. Father release fire into my spirit and extend my spiritual capacity to be able to carry out dangerous, divine operations on earth, to be able to bring down your Kingdom on earth, to be able to pray and see great results on earth, Lord release fire into my spirit to achieve this. Launch and enlarge my spiritual capacity in the name of Jesus. ***You must write down this prayer and pray it as much as you can until your spiritual capacity has been enlarged.**

⇒Because you have a weak spiritual capacity you have not been effectively using the spiritual gifts God has given you. Sometimes you receive impartation or a powerful anointing and are not making good use of them because your spirit is too weak.

•Raise up your right hand. Father let your strength be magnified in me, let your presence be magnified in me to enlarge my spiritual strength and capacity so that I can function the way you want me to function, so that I can enjoy spiritual benefits that are mine in Christ. Lord magnify your presence and strength in me so that my spiritual strength and capacity can be enlarged and grow. Lord let my spiritual capacity be enlarged so that I can enjoy my relationship with you, so I can get to know you more. Lord magnify yourself in me and as you do that let my spirit enlarge, let my spiritual strength enlarge, let my spiritual capacity enlarge so that I can enjoy my relationship with you, that I can function spiritually as you want me to, so that my spiritual gifts can function as they should function in the name of Jesus.

⇒Laziness can limit your spiritual advancement and maturity. Some people are so lazy but can be diligent in circular work or things but when it comes to spiritual things they are so lazy. If you're lazy and not diligent spiritually you cannot experience all these things we have been talking about. You must kill the spirit of laziness and be able to press on, continue to knock and seek God until you see God, you must not stop, be a man like Elijah that will pray until you see the results.

•Place your right hand on your head. I come against every spirit making me lazy, every spirit injecting laziness into my soul to be lazy in the place of prayer, lazy to pray and fast or do spiritual exercises that will change my life, I come against you, die in the name of Jesus. Every spirit of laziness preventing me from doing spiritual exercises that will elevate me spiritually die in the name of Jesus. I command Fire of the Holy Ghost to destroy every spirit that has possessed my mind, body, and soul

and is causing me to be lazy in spiritual exercises, to be lazy for spiritual exploits, die now. Fire of the Holy Ghost separate from me every spirit of weariness, discouragement, laziness, every spirit pulling me backwards from growing spiritually.

⇒ You have to come to a place of permanent resolution where you hate certain things for you to begin to enjoy your relationship with God. There are things you have to permanently cut off from your life because they will not allow you to have a spiritual breakthrough.

• Father, help me to permanently cut off everything that prevents my spiritual breakthrough or knowing God experientially and face to face. Lord help me to make permanent decisions to hate sin, unrighteousness, worldliness, darkness, and carnality, help me to make such choices that I may breakthrough into knowing you closer in the name of Jesus.

⇒ Whatever talents, gifts, or ministry, you can excel in that place, in that field, gift or career. Whatever you do in life, you can do it with a spirit of excellence in a unique way.

• Father, let me begin to enjoy the presence of you that produces excellence in everything I do. In my calling, career and all areas of my life, let me be excellent. Father let me begin to enjoy your presence that produces excellence in everything I do in Jesus' name.

⇒ Place your right hand on your head. In the name of Jesus I bind every spirit of darkness injecting thoughts that are contrary to God's thoughts; satanic and demonic thoughts in my mind. I bind every spirit of darkness injecting thoughts of Satan, of demons in my life to pollute me, make me misbehave and disobey God, I bind them now in the name of Jesus, I bind them forever in Jesus' name.

⇒ The dimensions of relationship with God happen through angelic interventions. You need angelic interventions if you are going to grow spiritually. There are some things the angels have to do in your brain, mind and spirit to help you have more encounters.

• Raise up your right hand. Father release your angels to help me grow in my walk with you, assign your angels to minister unto me so that I can grow in my relationship with you, so that I can have face-to-face encounters with you, Lord let your angels visit me and minister to me in the name of Jesus. Lord by angelic interventions, help me to begin to have face-to-face relationships with you, to have face-to-face encounters with your glory and operations. Lord use angelic interventions to prepare me for divine encounters, Father use angelic ministrations to prepare my life for encounters, use angelic interventions to prepare me to grow spiritually, to help me grow spiritually, to strengthen me to be victorious in my life. Lord send your angels to strengthen me, to help me so that I can advance in my walk with you, thank you Father in Jesus' name, Amen.

The same power of God that changed the lives of men of old who are God's favourites, Daniel Ezekiel etc, you shall encounter the same power of God that changed their lives in the name of Jesus.

Every limitation of darkness on your spirit not allowing you to understand spiritual things as they should be, every darkness on your soul that is not allowing you to comprehend divine things as they are, I decree that such darkness catch fire of the Holy Ghost now in the name of Jesus. From now henceforth you will see the glory of God, you will behold your God and you will begin to know Him with experiences in the name of Jesus.

Everything God has been trying to show you for many years but because of your spiritual insensitivity, blindness and deafness you couldn't see or understand them, I decree that the fire of the Holy Ghost will activate your spiritual eyes and begin to see all that God wants you to know in the name of Jesus.

Secret things that God wants you to know, you shall see them in the name of Jesus. Physically you shall see them, in your dreams you shall see them, visions you shall

see them in face-to-face encounters, you shall see them all in your life in the name of Jesus.

I release upon you an anointing that will make you a conqueror, a victorious warrior, receive it now in the name of Jesus. Anointing that will make you conquer every battle fighting your life, calling and destiny, receive it now in the name of Jesus. You shall not be oppressed, you shall be able to stand as a child of God, as a servant of God and be able to oppress your enemies and rule over every force of darkness and so shall it be in the name of Jesus.

You shall not beg for bread, food or money but you shall spend from surplus, you shall be a blessing for many souls, you shall bless and feed many, you will sponsor many from now henceforth in the name of Jesus. In Jesus' mighty name it is done, Amen.

You should pray again the prayer point that I said you should write down, the one God should put His fire upon you and give you a large spiritual capacity. Continue to pray that prayer point until you see changes in your spiritual life.

Let the sword of the Lord cut off every hand of darkness turning good things into evil, comfort into discomfort, joy into sorrow, peace into trouble. Every hand of darkness turning my light into darkness, sword of the Lord cut them off right now in the name of Jesus. Every hand

of witchcraft causing good things to turn into bad, turning good things into wrong things, let the sword of the Lord cut them into pieces. Every hand of darkness pushing away good things from reaching me, stopping goodness from reaching me, stopping good things from reaching me, let the sword of the Lord cut them into pieces now.

⇒ In the name of Jesus, let fire fall and destroy every covering of darkness upon my life causing prayers not to be answered, covering of darkness that has put me under a closed heaven and is not allowing my prayers to get answered or produce signs and wonders. Fire of the Holy Ghost destroy every covering of darkness over my life, making my prayers and fasting produce no results, making me pray and fast under a closed heaven. Fire of the Holy Ghost destroy every cloud of darkness blocking answers to my prayers. Every environmental darkness, territorial darkness covering my life, making it difficult for my prayers to be answered, making it difficult for my answers to reach me or for my prayers to reach the presence of God, catch fire right now. Territorial darkness upon my life, calling, marriage, destiny, business and finances catch fire of the Holy Ghost. Environmental darkness upon my health, body, soul and spirit making it difficult for me to walk in victory, fire of the Holy Ghost consume them all now. ***I decree over your life that the territorial darkness, environmental darkness that is making it difficult for you to experience victory in your life, let the fire of the Holy Ghost consume them now in Jesus' name.**

Every presence of darkness injecting weakness into my spirit, soul, and body, catch Fire of the Holy Ghost. Every work of the devil going on to make me weak spiritually, to grow cold, to be lukewarm, to make me weak in prayer or fasting, catch Fire of the Holy Ghost now in the name of Jesus. Every oppression of darkness going on to make me weak in faith, in Grace, in trusting God, catch Fire of the Holy Ghost now.

⇒ Some of you have to end some relationships or friendships in this year if you want to see a change in your life.

• Father, I reject every friendship and relationship that will not allow your desires to come to pass in my life in this year, that will not allow you to bless me this year, that will not allow my life to be transformed for good this year, I reject them, I cut them off in the name of Jesus, let them be permanently separated from my life. Every friendship, relationship, and connection that will not allow God to lift me up, to promote my life this year, let them end now in the name of Jesus. Every friendship that will not allow me to grow in my career, calling, business, financial life, spiritually or in my prayer life, let them end now in the name of Jesus. Every relationship that is bringing misfortunes, failures, setbacks, delay, stagnation into my life; every relationship and friendship that God has not approved for my life, calling and destiny,

I reject them, let them end now in the name of Jesus. Every relationship devised by the devil to bring me down, let it end now.

⇒Place your right hand on your head. Father connect me with your anointing that makes impossibilities possible, I want to live and walk under that anointing. Father, connect my spirit, soul, life, business, marriage, destiny, and calling with an anointing that makes impossibilities possible, the anointing that reverses irreversible things, the anointing that corrects uncorrectable things, that heals irreversible damages, that makes all things possible. Anointing that moves and levels mountains, anointing that makes ways appear where there is no way, Lord I want to live and walk under that anointing, connect me with such an anointing. Anointing that turns darkness into light, problems into testimonies, difficult situations into miracles, that changes sickness to become healing, Lord let such an anointing come upon me and remain upon my life.

⇒The Lord is showing me that some of you lost a certain gift to witchcraft. Witchcraft agents were able to steal that gift (physical or spiritual), but there shall be restoration, God will make you recover it back.

•In the name of Jesus, every gift I lost to witchcraft, that the witchcraft realm stole from my life, Fire of the Holy Ghost bring them back to me. I take back every gift the witchcraft realm took away from me. Physical gifts which were taken away from me through witchcraft, I take them back by the authority of the living God. Spiritual gifts taken away from me through witchcraft I claim them back, let them be restored by the authority of the Almighty God in the name of Jesus.

⇒God has put in some of you the ability to pray for sick people and they will be healed immediately but that gift is dormant and God wants to reactivate it.

•Father let the gift of healing you have placed in me, placed upon me be activated right now to produce great signs and wonders on earth. Father, the gift of healing you have placed in my hands, in my spirit to glorify your Kingdom on earth, let them be activated now and begin to function now in the name of Jesus. ***The gift of healing upon your hands, that God has placed inside of you, I call them forth to begin to manifest and begin to produce signs and wonders, healing miracles from this hour henceforth in Jesus' name.**

⇒Raise up your right hand. In the name of Jesus, I come against every force of darkness that wants my life destabilized, frustrated, confused and depressed at all times, let the anger of God waste them all. Every force of witchcraft, principalities and powers, every force of hell, darkness that wants my life destabilized, unstable, confused, depressed and frustrated, let the anger of God waste them all, let the anger of God consume them all in Jesus' name.

⇒The Lord is showing me that some of you are bound by a marine covenant in the deep sea through which they are ruling, enslaving, controlling and manipulating your life.

•Place your right hand on your head. Fire of the Holy Ghost break and destroy every covenant the marine kingdom is having over my life, every covenant binding me to marine spirits, binding me to the realm of darkness under the sea, Fire of the Holy Ghost break and destroy them now in the name of Jesus. Every covenant, every legal ground the marine kingdom has over my life, let the Fire of the Holy Ghost and the Blood of Jesus destroy them now. Every covenant by which the demons under the waters, by which the witches under the waters are ruling over my life, let the Blood of Jesus destroy that covenant now in the name of Jesus. Every covenant of darkness making marine witches and wizards, marine spirits, marine witchcraft rule over my life, ministry, calling and destiny be destroyed by the Fire of the Holy Ghost. I have no part with the devil, I have nothing I owe the devil, I belong to the covenant in Christ Jesus, I belong to no other covenant therefore let the Blood of Jesus and the Fire of the Holy Ghost destroy every covenant of darkness through which they are manipulating, polluting and regulating my life.

⇒Whatever I did in the past in ignorance that is making the kingdom of darkness stronger than me, Father let your mercy nullify them, cancel and neutralize them. Father, every error I did in the past when I did not know you, every error I made because of deception and unbelief that is making the enemy to be stronger than me, making the kingdom of darkness rule over my life, Father in your mercy cancel them all in the name of Jesus. Every error I committed knowingly or unknowingly in the past that created a legal ground for the enemy to rule over my life and oppress me, Lord in your mercy forgive me and cancel them all, 'let that legal ground be destroyed x3' in the name of Jesus. Every error I committed in the past that the enemy is using to stop me from crossing to the next higher level, to stop me breaking through, in your mercy Lord forgive and terminate them all.

⇒Lord Jesus by the reason of your lordship over my soul, life and destiny, let every power and personality claiming lordship over my life be utterly destroyed by your anger in the name of Jesus. Lord destroy every power that is claiming lordship over my life for I am yours and you are my Lord. Every personality that is saying they are in charge of my life, that is claiming possession and control over my life, calling, career and destiny, Lord let your anger destroy them. You are my Lord and there is no one else beside you, no one can take your place, therefore destroy every other personality that is claiming ownership, possession, control and rule over my life. You are a jealous God and I am your son, in your anger destroy every personality standing as lord over my life.

⇒I prophesy over my life, from now henceforth the earth shall produce goodness, greatness, riches, wealth unto me. I prophesy as I walk on this earth, the earth shall give birth to me; it shall produce to me goodness, success, health, blessings, great

opportunities, and wealth. I prophesy over my life, days, career, calling and destiny, as I walk on this earth, the ground shall produce unto me greatness, health, solutions to problems, promotion; the Earth shall produce to me riches, wealth, favour and all the treasures that God has put my name on. All the treasures that have my name on them, the earth shall give them to me in the name of Jesus. I speak to you oh earth, as I walk on you, I shall enjoy the fullness of blessings, wealth, peace, health, joy. I speak to the earth, from now onwards you shall produce to me great riches, great honour, great opportunities, great breakthroughs, prosperity, and progress in the name of Jesus.

⇒ In the name of Jesus let the Fire of God locate every agent of darkness hiding secretly to attack me suddenly and unaware, let the fire of God fish them out and destroy them. Let the fire of God locate every enemy, every agent of Satan hiding secretly in my life, hiding secretly somewhere around me to attack me unaware, to attack me with destruction, with untimely death, incurable diseases, let the Fire of God fish them out and destroy them in the name of Jesus. Let the Fire of the Holy Ghost trace them to their hiding place and destroy them completely.

⇒ In the name of Jesus, I come against every power that appears to cause failure, problems, delays, stagnation at the edge of my breakthrough, let the anger of God destroy them. Every power that appears and manifests to cause misfortunes at the edge of my breakthrough, miracle, and testimonies, let the anger of God destroy them. Every power that shows up at the point when I am about to be glorified, to experience a miracle, about to receive a testimony, when I am about to get blessed and succeed and it shows up to cause failure, oh God let your anger destroy them. Every strange power that shows up when I'm about to be blessed, that shows up to cause confusion when I'm about to move forward, to be elevated and experience great increase, let the Fire of the Holy Ghost destroy them, let the anger of God destroy them now in Jesus' name.

⇒ Father, separate from me every demon, trouble and affliction that followed me from last year into this year to cause stagnation, delay, to slow down my progress in this year, Lord let your Fire separate them from my life. Every power, every demon that has been following my life to ensure that there is no success, progress, or breakthrough, let the fire of the Holy Ghost separate them from my life. Fire of the Holy Ghost separate them from me, separate them from the journey of my life. Every presence of darkness and devils that has glued to my life to put me under stagnation, Fire of the Holy Ghost separate them from my life. I refuse to be limited and stagnant, I refuse to continue the way I was last year, I refuse to continue with the same problems I had last year, Lord separate from my life such presence, devils and darkness that has been prolonging stagnation.

⇒ Father let the fear of the Lord grip the hearts of my enemies, enemies of my life, destiny, career, let the fear of you, the terror of you grip the hearts of my enemies

and let them live permanently scattered. Let the terror of the Lord fall upon all the enemies of my destiny, calling, life and career, let your terror oh God fall upon them, let it grip their souls and hearts and let them not be able to carry out their assignments or enterprises against my life and destiny. Every enemy of my progress, success, greatness and breakthrough, Lord let your great terror fall upon them and let them never be able to carry out their plans against my life, calling and destiny.

⇒ I enter into the day, into the timeline where all the promises and prophecies of the Lord upon my life are fulfilled. I enter into that moment where all that the Lord has spoken over my life comes to pass. I walk into that moment, day and time where the promises of the Lord for my life, calling and destiny are fulfilled in the name of Jesus. I enter into that hour where the blessings, miracles of my life, the miracles God promised are released, I enter into that time and day where all the promises and prophecies for my life are fulfilled, I enter into that day now. I enter right now into that moment, timeline, calendar where all that the Lord has written concerning my life are fulfilled, where they all come to pass, where I receive the promotion, favour and breakthrough, where my life is changed forever. I enter into that moment where the blessings of the Lord reached me, appeared in my life, are made manifest, I walk into that hour, day and moment in the name of Jesus.

⇒ Everyone on earth is living under a timeline that is opposite the timeline God ordained when He created the earth and placed man on it. That is why when God gives a prophecy sometimes it does not come to pass for many years if the people do not pray, because there are powers which are changing days and times to look differently from what God wants it to be therefore you need to redeem the time because the enemy has taken each day for evil and has polluted and corrupted it. That is why you have to pray to enter into that particular day or season that God will fulfill all His promises for your life and the devil is fighting so that you will not enter into those days God has chosen to bless you. God can say He will change your life tomorrow and nothing happens. The problem is that there are forces that are resetting the time, programming what is not in time into time so that your life will not be changed.

• Raise up your right hand. In the name of Jesus, I come against every operation of darkness going on to turn each day of my life into evil, to lock out God's blessings out of my days, let the anger of God destroy them. Every power of darkness that has hijacked my days for evil, operations of darkness going on to turn my life for evil, to block God's blessings from reaching me each day of my life, let the Fire of God waste them now. Every operation of darkness going on in the second heaven, on the ground, under the ground to ensure that the days of my life will not look the same with what God has promised, let the Fire of God destroy them. Every power programming evil to happen in each day of my life, aborting God's blessings, visitations, and miracles, let the Fire of God destroy them. Let fire of God destroy every power, principality from the second heaven, on the ground and under the

ground causing the days of my life to be under a cursed timeline, let them be destroyed forever.

⇒ These forces of darkness claim each day for evil, for good to prevail in those days that have been configured, resetted, and programmed by darkness, there must be war, a manifestation of God's power. There is a power of God that resets time, that reverses all that the devil has programmed into your days.

• In the name of Jesus let the power of God manifest into each day of my life to reverse every evil that the enemy has already programmed into my timeline, let the power of God manifest in each hour of my life to redeem those times, to reverse those evils right now. Let the greatness of the power of God begin to appear in each hour of my life to reverse every negativity into positivity, let the power of the God of Israel begin to manifest in each hour of my life, each day of my life as I journey through this year to reverse every evil the enemy has programmed for me, let them be reversed into good. Let there be redemption of my timeline, my days, and time by the power of God throughout this year, let my time begin to allow the manifestations of all that the Lord has promised from now henceforth in the name of Jesus.

⇒ In the name of Jesus let the works of my hands begin to flourish with great success, increase, excellence and prosperity from now henceforth in the name of Jesus. Lord let the works of my hands from now forward begin to flourish with great success, great excellence, great prosperity in the name of Jesus. Lord let the works of my hands even in my ministry flourish with great success and prosperity in the name of Jesus.

⇒ Place your right hand on your head. Every seed of sickness hiding in my spirit, soul and body waiting for a future time to manifest, every seed of incurable disease in my body waiting for a future time to manifest, I expose them to the Blood of Jesus for complete destruction in the name of Jesus. I expose every sickness and disease hiding inside my body, my blood, bones, organs of my body, tissues of my body to appear at a future time, let the Blood of Jesus destroy them right now. I expose every secret disease somewhere in my body, every secret sickness somewhere in my body waiting for a time in the future to appear, I expose them to the Blood of Jesus for permanent destruction in the name of Jesus.

⇒ Father put upon me a garment of honour in place of reproach, shame and disgrace. "Put up on me a garment of honour x5", destroy shame in my life, destroy disgrace and reproach. In the places where I have been ridiculed and dishonoured, let me be able to walk in those places and be honoured. In those places I have been disgraced and have experienced reproach and shame, in those same places let me be able to walk in and be honoured and celebrated in the name of Jesus.

⇒ Raise up your right hand. Father lift me up to that position you have created for me in glory, the position you have prepared for me in glory, victory, success, greatness,

honour, Lord lift me up to that place in the name of Jesus. Lord the particular position, that very place you have set aside for me, that you have prepared for me to glorify yourself and honour yourself in my life, Lord by your mighty hand, lift me up to that place, lift me up right now. Lift me up by your mighty hand to that place you have prepared for me to glorify your name in my life, to honour your name in my life, to glorify your power in my life, the place you have prepared for me to celebrate victories, Lord Jesus lift me up to that place, to that position, to that height in the name of Jesus. No one, no barrier can stop you Lord, lift me up to that position that will glorify your name in Jesus' name.

⇒ In the name of Jesus let the secret of darkness, the mystery of darkness that has kept my life in bondage for years, be unveiled. The mystery of darkness that I need to know to prevail to the next level of my life and destiny, the secrets of darkness that need to be exposed for me to be able to rise beyond the level I am right now, Lord let them be unveiled now by your mighty hand. Let the mystery of darkness that has kept my life in limitation for years, let the secret of darkness in my life, in my family background, in my father's house, in my mother's house, in my home, marriage and my environments that must be exposed for me to move forward in life and destiny, Father let your mighty hand expose them now in the name of Jesus. Every mystery of darkness concerning my life, destiny and calling that must be exposed for me to move forward, Lord let your mighty hand unveil and uncover them right now in Jesus' name.

⇒ Place your right hand on your head. Father separate from my life every evil that merged with my life at the very moment I was born, Lord let your mighty hand separate that evil from my life. Every evil that glued to me the moment I came out of my mother's womb, let the mighty hand of God separate them from my life and destiny in the name of Jesus. Every evil that merged with me and my destiny the moment I came out of my mother's womb, let the mighty hand of God remove them out of my life right now, let the mighty hand of God separate such evil from my life right now. Father, let your mighty hand separate them from my life and destiny, from my spirit forever in the name of Jesus, Amen.

CLOSING PRAYER

Raise up your right hand.

King of Israel, Ancient of days we are so grateful for your mercies tonight. Lord we thank you for the battles you have won for us, we thank you Lord for declarations and authority that you have crowned with miracles. Thank you that as we declared and said those words with authority, you crowned them with signs and wonders. You crowned them with mighty miracles, oh Lord be praised forever in Jesus' name. Lord your people have appeared before you, they have cried unto you and prayed with

faith in your name, power and strength. I ask oh God that you intervene swiftly concerning their lives in Jesus' name.

I decree concerning your life that you shall rise above limitations in the name of Jesus. Limitations that no one in your family has broken for years, that your ancestors could not break till they died, I decree that you will rise and those limitations shall give way for you in the name of Jesus. The honour and celebration you have never received before, in this year from this month you shall receive such honour in the name of Jesus.

Every situation that the devil has created and prepared to put you to shame and dishonour you publicly, I decree that the hand of God terminate the situation in Jesus' name.

The progress you did not experience last year, the beauty that you did not receive last year, the blessings that you did not get last year, I decree that even now in this month of January you shall receive them in Jesus' name. All your blessings that have been delayed in time, that you could not lay hold of even when you showed up, I receive them for you now in Jesus' name.

The mercy of God shall speak for you. Judgement is averted concerning your life in the name of Jesus. Judgement from the devil, witchcraft covenants, every judgement upon your life, I cancel them in the name of Jesus.

Let your grace in my life produce great victory, let the grace of Jesus Christ in my life begin to work and produce physical realities of God, physical manifestations of God, undeniable, powerful manifestations of God in my life in the name of Jesus.

⇒ Raise up your right hand. In the name of Jesus I receive fire to walk and operate into supernatural dimensions of the Grace of Jesus. I receive fire to begin to walk and operate in supernatural dimensions of the Grace of Jesus Christ right now in the name of Jesus. (Pray this prayer as much as you can)

⇒ Father take me into the realms where I will enjoy all the benefits in your grace, the benefits of the grace of Jesus Christ. Lord launch me and lift me up into those realms where I begin to enjoy the grace of Jesus. Take me Father into those realms right now in the name of Jesus.

⇒ In the name of Jesus, let fire fall and destroy every limitation of darkness blocking my spiritual connection with God, attacking my spiritual relationship with God, attacking spiritual fellowship with God, let the Fire of God destroy those limitations right now. Let fire consume and destroy limitations of darkness, witchcraft, the flesh, limitations of worldliness, corruption, pollution, and darkness blocking my spiritual connection, my spiritual sensitivity to God, blocking my spiritual discernment of the realms of God. ⇒ Raise up your right hand. I decree in the name of Jesus, let every storm blowing in my life and situation to scatter good things, to frustrate my peace, let them be still now. In the name of Jesus I command every storm of darkness blowing in my life to cause troubles, failure, and destruction, be still now in the name of Jesus. I command you to stop blowing in my life, environment and situation to cause failure, to scatter good things, to cause troubles, problems and misfortunes, I command you to be still now, be still in the name of Jesus.

MATTHEW 21:22

⇒ This means that as we are praying we are receiving at the same time, whether your physical eyes or human senses perceive it or not, as you are praying you are receiving it instantly. As you are asking you are receiving because you are asking believing the name of Jesus is able to give you what you're asking by faith instantly. There are some prayers that you know instantly they are answered and you just have to wait for their manifestation, yet they are some whereby you have to continue praying like intercessory and deliverance prayers

• Father I believe in the greatness of your name and power, let your power turn around my life and situation for good in the name of Jesus. Let your power turn

around my marital situation, financial situation, situations in my calling, career and ministry turn them around for good in the name of Jesus. I receive the turn around because I believe. I receive a great turnaround in the name of Jesus, a great turn around for good in my life, calling, destiny, finances, marriage, health and career, I receive it now in the name of Jesus.

⇒ Prayers that you prayed without enough faith to see what you asked for immediately, you will have to continue to pray them because you have to pray with an expectation of instant answers.

• Father, I believe in your power to receive all the blessings and help I couldn't receive because of weakness of faith, let them come to me now because I believe. Father let them come to me now, I receive them now in the name of Jesus.

⇒ Every time the Kingdom of God works on earth to bring miracles, signs and wonders, there is always a shaking and explosion because there are forces of darkness on earth that do not want the forces of heaven to break through and carry out the will of God on earth.

• In the name of Jesus, let fire fall and destroy every force of darkness resisting the physical manifestation of my miracles. Let fire fall and destroy every force of darkness, operation of darkness, presence of darkness, activity of demons, works of devils, resisting, preventing and stopping the physical manifestation of my miracles, let fire fall and consume them right now in the name of Jesus. Let fire fall and destroy every work of the devil resisting and preventing the manifestation of my miracles, let fire fall and consume them all in the name of Jesus.

⇒ The Holy Spirit is saying some of you missed your blessings, either you were not in the right place at the right time or you were not careful or the powers of darkness hijacked them

• Raise up your right hand. In the name of Jesus I receive every blessing that is mine that missed me, I command them to come back to me. I command the reversal, I command the delivery of every blessing that was meant for me but missed me, I command their delivery now in the name of Jesus. What is mine that missed me, wherever you are, come right now to me in the name of Jesus, come now, come now in Jesus' name.

⇒ The Spirit of God wants to release an unction to some of you. When God releases an unction it's usually for an assignment that He wants you to do or something He wants you to do for Him.

• Raise up your right hand with faith to receive that unction. In the name of Jesus I receive the unction from heaven to carry out divine assignments at this time, "I receive the unction x 3". I receive the unction to be used mightily by God, to carry out divine assignments, to do the will of God at such a time as this, I receive the unction right now. Unction to be used mightily for the glory of God on earth, I receive it right now. ***I decree that the unction heaven has prepared for you at this time, that the**

Ancient of days has determined to place on you at this time for the sake of His Kingdom assignment and His glory, receive it now in the name of Jesus.

⇒Place your right hand on your head. I receive the Grace to be spiritually sensitive enough to discern the operations of darkness going on against me, my life, destiny, marriage, family, children, grandchildren, career, business and finances. I receive Grace to know every operation of darkness going on against my life so as to avoid them, so as to attack them before they attack me. Lord release upon me the Grace to accurately discern all the operations of darkness going on against my life, help me to discern their mission, their strength, what they are using against me, how strong they are against me, what it is that is making them stronger than me, how to attack and overcome them, Lord give me Grace to be able to achieve this in the name of Jesus.

⇒Raise up your right hand. I decree the manifestation of opportunities that will move me into the fulfillment of my destiny and calling. I decree the manifestation of opportunities that will move me to the place of honour, dominion, success, victory and glory, I decree the manifestation of those opportunities right now in the name of Jesus.

⇒Some of you, your life is full of weights, you cannot grow spiritually because there are so many things that are weighing you down and as long as those things are in your life, you will still not grow spiritually even 10 years later. If you want to grow or fly spiritually, you should not accommodate weights in your life through which the devil will use to slow you, bring you down and you will remain stagnant in your spiritual walk with God. Those weights needs to be eliminated, destroyed, and off-loaded. Birds of the air fly because they carry no weight, those that cannot fly have so much weight on them.

•In the name of Jesus, let every weight that I have brought upon myself that is limiting my spiritual growth and advancement let them fall out of my life right now. Every weight that I have embraced, weight of the things of this world, weight of the cares of this world, weights of addictions, sin, every weight of carnality that is not allowing me to grow spiritually, fall out in the name of Jesus! "Fall out now x 7". Every weight that is wasting my time, wasting my years doing things that do not glorify God or move me forward spiritually, things that do not strengthen me or edify me spiritually, fall out right now in the name of Jesus.

⇒Some people are connected to wrong churches or ministries and the problems in their lives are getting worse not because of any other thing but because of the people that are praying for them. If you're connected to a man of God whose anointing is demonic or satanic, your problems will keep multiplying.

•I disconnect my life from everything and everyone I am connected to bringing set back to my spiritual walk with God, bringing set up to my life, career, and calling; whatever or whoever, whatever church or ministry I am connected to that is bringing

set back into my life and spiritual walk, I disconnect life from them. I disconnect from whoever I am connected to, wherever I am connected to, whatever I am connected to that is a reason for setbacks, misfortunes and failures in my life, calling, ministry and marriage, Lord I disconnect from them now in the name of Jesus.

⇒I block my mind and soul against every opinion and idea that is not the will of God for my life, I block them now. I block my mind, I block my soul from every opinion and ideas that are contrary to the will of God for my life, I block them now in the name of Jesus. I block my spirit, my heart, soul against every opinion and idea that is contrary to the will of God, I block my mind from believing them, I block my soul from following such ideas and opinions, I block them now in the name of Jesus.

⇒Raise up your right hand, pray prophetically. In the name of Jesus I connect with the platform that heaven has prepared to lift up my life to the place of glory, success, greatness and honour. I connect with the platform that God and His angels have prepared to lift me up to the place of great honour, I connect with that platform. I ascend into the platform, I move up into that platform that God and His angels have prepared to use to lift up my life into the place of greatness, success, honour, and glory in the name of Jesus.

⇒The Lord wants to do healing miracles, if you are sick you will be healed, if you have somebody who is sick mention their names and wherever they are, they will be healed.

•Raise up your right hand. In the name of Jesus, I receive healing miracles by the hand of God, I receive healing miracles from the hand of God right now. In the name of Jesus, I receive healing miracles from the hand of God. In the name of Jesus, I receive healing miracles from the hand of God right now.

If praying for someone, say; you (mention their name) receive your healing miracle from the hand of God now in the name of Jesus.

⇒The reason why there are not a lot of miracles happening is because there is a lack of genuine love in the church. There are some people who claim to love God but their lifestyle is the opposite of God's standard. The reason why several prophecies do not come to pass is because love is missing in our midst. There is no genuine love in our hearts that's why some blessings will not reach us. Jesus commanded us to love sacrificially and that is the love the Bible teaches. If you don't love God or His people enough, it means you have sinned. If you don't love them enough to love them to bless them with your substance or money, there are some prayers God will not answer because you have failed to love.

•Father, help me to be strong in love, help me to grow in love; in love for you, in love for the brethren. Help me to grow in love for your Kingdom, with the works of your Kingdom, in love for your will, help me to grow in love. Lord help me to grow in love, help me to be strong in love, to lay down my life for others, to honour others more than I am honoured, teach me oh Lord. Lord help me to be full of love.

⇒ Let the grace of God uncover mysteries of God to me, mysteries of heaven, mysteries of the angels, mysteries of the Kingdom of God, let the grace of God begin to expose them to me. Let the grace of God begin to uncover, reveal and expose mysteries of God on earth, mysteries of God in heaven and under the earth, mysteries of the Kingdom of heaven and Angels to me from now henceforth, let the grace of God begin to uncover them all to me in the name of Jesus.

⇒ Let everything in my life that does not reveal or promote God's glory disappear right now, let them be blotted out right now. Everything that does not agree with the beauty of God's glory in my life, that does not reveal the beauty of God's glory in my life, let them disappear right now, let them be blotted out of my life forever. Everything that does not reflect, radiate, and does not align with the beauty of God's glory, let them disappear from my life right now in the name of Jesus

⇒ Raise up your right hand. Father, do a work in me that will make me to never be defeated by darkness, a work that will make me invincible to the attacks of the enemy. Lord do a work in me that will make my spirit, soul and body invincible to attacks of darkness, to every attack of the enemy in the name of Jesus. Father do an operation, a creative work inside me, an operation in my spirit, soul and body that will make me too difficult to be oppressed by the devil, too difficult to be defeated by darkness, too difficult to be enslaved, corrupted, polluted or be controlled by the enemy, Lord do such a work in me right now in the name of Jesus. Lord do a work in me that will make me invisible to witchcraft attacks, demonic attacks and every attack of the enemy permanently in the name of Jesus.

⇒ Raise up your right hand. I come against every evil perfected into time to strike me at a certain, in the future or present. I come against every evil that has been programmed into time to strike me, let the Fire of the Holy Ghost terminate them now in the name of Jesus. Every evil perfected into time, programmed into time to strike my life at a certain future, oh God let the Fire of the Holy Ghost terminate them now, Fire of the Holy Ghost destroy them now in the name of Jesus.

⇒ I receive Grace to do everything right in the sight of God. I receive strength to speak right in the sight of God, Lord help me, strengthen me to do everything right in your sight. I receive Grace, power, wisdom, strength to do everything right in the sight of God, I receive strength to think right, to talk right in the sight of God. I receive strength to be at the right place at the right time in the sight of God, I receive strength to do all things right in the sight of God in the name of Jesus, Amen.

CLOSING PRAYER

Raise up your right hand.

Oh God of Israel, King of glory, King of kings, King of the universe we praise you, we bless your name for there is none like you. We glorify you for who you are, for you are a great God, the Almighty God. Ancient of days be praised forever in Jesus' name. We glorify your power and your name, we honour your name, we honour your throne and your presence. We magnify your name, we magnify your presence, be thou exalted forever in Jesus' name.

Lord we thank you for what you have done as we have prayed on this platform. We thank you Lord as you said in Matthew 21:22 that whatever you ask in prayer believing, you shall receive them, we thank you because we have received the answers to our prayers already. We thank you because the miracles have fallen in our lives, and signs and wonders fell upon us, oh God be praised forever in Jesus' name.

Father I ask concerning the lives of everyone who joined to pray that you show them mercy. Lord as they repent of their sinful ways and disobedience and turn to you, I ask oh God that you receive them, cleanse them from every unrighteousness, filthiness, and sin; forgive all their iniquities now in the name of Jesus. I pray for you that the God of Israel will lay his hand on you and will help you, bless you, strengthen you, empower you, that He illuminates your soul and heart with revelations and that He will equip you to do everything right in His sight in the name of Jesus.

I pray for you that the hand of God shall rest upon you, heal you and deliver you. The hand of God shall come upon you and teach you, it shall take away your foolishness and bless you with wisdom, take away your ignorance and bless you with perfect knowledge and understanding of His will in the name of Jesus.

I pray for you that the hand of the Most High God shall come upon your present situation and there shall be explosions of miracles, signs and wonders in the name of Jesus. Thank you Father, in Jesus' mighty name I have prayed, Amen.

29 JANUARY 2022

PRAYER POINTS

⇒ Lord Jesus thank you for saving my soul and calling me out of darkness into your light, thank you for showing me the path that leads to life, the path that leads to victory, to your presence, your Kingdom and to your heart, thank you for saving my soul and setting me free from darkness. Thank you Jesus for saving my soul, thank you for pulling me out of darkness into your light and for not allowing sin, deception, and falsehood to destroy me and my soul, thank you for reaching out to save my soul. Thank you for showing me the way that will set me free, thank you for showing me the light that will lead me to life, thank you for creating a way for me to come out of my bondages thank you Lord Jesus in Jesus' name.

⇒ Father let your mighty hand work in my soul, to circumcise my heart that I may be willing to surrender to your will, follow your ways, obey your Word. Father work in my soul, I don't want to end up in destruction or hellfire, circumcise my heart and make my heart willing to do your will, make my heart willing to follow your ways, to obey your commandments and instructions, to be able to do what is right in your sight. Lord, do your operations on my soul, circumcise my heart, remove the heart of rebellion, unrighteousness, sin and disobedience from my soul, let me be willing to do your will.

⇒ The truth is always difficult to accept and it is that truth that will set you free and take you to eternal life.

• Father help me to be humble enough to accept your correction, to embrace your correction, discipline, rebuke; to embrace the truth when you are correcting me. Father help me to yield to your correction and standard, whenever you speak to me the truth or correct me, Lord I want to be corrected, help me. Whenever you send messages through your servants or through the Word that is meant for me to change my ways and lifestyle, Lord help me to humble myself and be corrected, help me to humble myself and embrace your corrections.

⇒ If you are always hearing the truth and there is no change in your life, there is no repentance, then there is a problem with your spirit and soul, you are sick spiritually.

• Place your right hand on your head. In the name of Jesus, I bind every spirit of darkness on my life making me hear the truth but not obey, to see and read the truth and not practise it, I bind such spirit, get out of my life. I bind every spirit of darkness on my life, soul, heart; spirit causing me to hear the truth, read the truth and not do it, believe it, apply it, follow it or obey it, I bind you, get out of my life forever, lose your hold over my life in the name of Jesus.

⇒ It is possible for you to be in a church for more than 20 years and not understand what the pastor has been preaching to you all these years or even understand what you have been reading for years, not seeing the revelations inside the scriptures. It is an attack of the enemy on your soul because the devil knows the moment you begin to understand the scriptures or know the Word of God as it is, your life will change forever, so he tries to keep you in as much darkness as possible concerning what you are hearing or reading.

•Raise up your right hand. In the name of Jesus, let fire fall upon every darkness that has covered my spirit and heart to block me from understanding the Word of God, the messages of the Kingdom of God, from understanding the truth of God, let fire fall and consume them all now. Let fire fall and destroy every darkness, spirit of darkness and demon blocking me from understanding the scriptures, the truth of the gospel as it is, let fire fall and destroy them. Every power that does not want me to understand the truth God is revealing to me, let fire fall and destroy them now.

⇒ You need eyes full of the spirit of revelation to be able to see beyond the letters when reading the Bible.

•Place your right hand on your head. Father bless me with spiritual eyes that are able to uncover mysteries, deep things of heaven, mysteries of the spiritual realm, such eyes that see beyond letters, that see beyond what's physical, bless me oh God with such eyes, bless me with the Spirit of Revelation. Lord bless me with eyes that can uncover mysteries, even mysteries in the Bible, that uncovers deep things of the Kingdom, eyes that see deep into the realms of heaven that uncovers mysteries which are locked up in the Bible, locked up on earth, oh Lord bless me with eyes of understanding.

⇒ The easiest and fastest way to see God change your life forever is to first of all be changed inside of you. It is the transformation within you that will give birth to the transformation outside. Most people ignore inward transformation and keep on praying all sorts of prayers in vain for the outside to be changed. Situations and events of life should not determine your identity but only God should.

•Place your right hand on your head. Father, send your great light into my soul that will change my life to the personality and identity you want me to be. Lord, I want to become that person you have destined me to be, send your light into my soul. ***Just as the light of Jesus visited Saul of Tarsus and his life was never the same again from that moment, I decree that the light of Jesus will penetrate into your soul now in the name of Jesus. The light of Jesus that changes the life of a man completely, let that light visit you now and change you forever in Jesus' name.**

⇒ Raise up your right hand. In the name of Jesus I come against every resistance the enemy has created around me to hinder my transformation into my divine identity, Fire of the Holy Ghost break them in pieces, destroy them now. Every resistance, barrier and hindrance the enemy has set in place around me and within me to stop my transformation into my divine personality, divine identity, Fire of the

Holy Ghost consume them now, fire of the Holy Ghost destroy them now in the name of Jesus.

⇒ Most people think that the Kingdom of God which Jesus was talking about with Nicodemus is a kingdom you enter after you die, but he was referring to a present entrance into the kingdom of God. He was saying if at all you will operate in power and anointing of the Holy Ghost and other things you must be born again. He was saying you must change into a spiritual being for only a spirit can receive of His Kingdom, know it and understand it. Christianity is about always changing into a spiritual being and not being carnal.

•Father, change me into a spiritual being that can access all the realms of your Kingdom, that can access deep revelations, deep understanding of your Kingdom. Oh Lord change me into a spiritual being that can access undeniable, transforming realities of your Kingdom, change me into such a being that can lay hold of all that is mine in Christ Jesus, change me oh Lord into such a being. Change my spirit, soul, and body into a spiritual being that can access the realms of your Kingdom, the realms of your truth, wisdom and Grace.

⇒As a human being, you can touch the realms of God but only as a spirit not as a man. As a man you relate to this physical world but if you are going to relate with the realms of God you will do so as a spirit.

•Raise up your right hand. Father, send fire of revival, awakening and transformation into my life till I become a spirit that can access the fullness of you. Father, send fire of revival into my spirit, soul and body until I change into a spiritual personality that can access the fullness of you. Release fire into me now, let my spirit become that spirit, let my soul become that spirit, let my body become that spirit that can access the fullness of God now in the name of Jesus.

⇒Your transformation as your spirit means that your spirit becomes a spirit, your soul becomes a spirit and your body becomes a spirit; so you become a spirit completely just as Jesus was after He resurrected from the dead. For example my body is now a spirit, once I shake hands with a person my body immediately begins to discern the kind of demons that are following that person.

•Father take me into your womb of transformation and let me change, spirit, soul and body into a spiritual being like you in the name of Jesus. Take me Father into your womb, change me to become like you, change all of me to become like you, spirit, soul and body. Lord take me into your womb, change me till I transform into a being like you in power, Grace, authority, wisdom, nature, love and faith.

⇒The spiritual controls the physical and in these last days you have to be a Christian that is able to determine how your days will be like in the place of prayer. When in the place of prayer, you begin to control the affairs of your life, you control everything that happens to you daily.

•Raise up your right hand. Father take me to the realm of power and dominion where I begin to enforce your will over each hour and day of my life, Lord take me into that realm in the name of Jesus. Take me into the realm where I set things in place to happen in my life in the physical realm, where I begin to control things to manifest in my life in the physical realm, take me into that place of dominion, power, authority and control in you where I begin to control times and season in the place of prayer and begin to set in place what should happen in each day of my life, Lord take me into that place in the name of Jesus.

⇒You need to get to a place in God that is deep, strange and powerful in order to be able to solve your problems in life and not run after money for money cannot solve your problems.

•Father, I want the fullness of you, take me into the depth of you, I want all that is in you. Lord I want all of you, I want all the fullness that is in you, take me deeper into you. Take me deeper into the fullness of wisdom, strength, faith, Grace and love, I want all that is in you.

⇒Some people do not really fully understand why Jesus died apart from the washing away of our sins, to give us victory over sicknesses, the Adamic nature, demons and Satan. There is one thing great and powerful that Jesus did for us, that is the veil of the temple was torn giving each and everyone of us access to know God deeply personally. Jesus opened the door for us to know God deeply, hear from God, connect with God etc.

•Lord Jesus do works of deliverance in me till I am fully awakened to know my God, to know the Lord, to know the Father. Oh Lord do operations of deliverance in my soul, spirit, body, brain, and mind till I am fully awakened to know God intimately, experientially and deeply. Lord deliver me and set me on fire till I am fully awakened to know the Lord's voice, the Lord's mind, the Lord's will, to have real fellowship with the Lord, and with the Father in the name of Jesus.

⇒Transformation comes by beholding God. The more of Him you behold, the more you will be changed into the same glory and personality that He is. Whatever you set your mind upon is what you will be changed into, be it physically or heavenly things.

•Place your right hand on your head. Father help me by your Holy Spirit to continually set my heart on things above and not on things of this world. Father help me by your Holy Spirit to set my mind, love, passion and focus on things above not on the things on the earth, help me Father.

⇒Colossians 3:1-2 You were raised from death with Christ. So live for what is in heaven, where Christ is sitting at the right hand of God. Think only about what is up there, not what is here on earth.

•Father from now henceforth let me be continually motivated by spiritual things, let my interest, desire and passion be in the things above. Father help me to begin to desire the things of your Kingdom, the things of the spirit and not the things of this

world. Let me be motivated by the things in heaven, let me be driven by divine things, heavenly things and not by earthly things.

⇒ Father, let your mighty hand remove from my heart and mind everything that does not glorify you, let my focus be shifted from everything that has nothing to do with your Kingdom, your will, let those things be removed from my focus, heart and mind. Lord, I want to live for you, I want to behold your presence, glory and the things in your Kingdom always, Lord take away from me what I am focusing on that does not glorify you. Whatever I give so much attention to that has nothing to do with your Kingdom, that has nothing to do with your will and purposes, Lord take them away from me in the name of Jesus, remove my focus from these things in the name of Jesus.

⇒ Father help me to love the things of your Kingdom as you love them, help me to love righteousness, holiness as you love them, to love soul winning as your love soul winning. Help me to love as you love, to show mercy as you show mercy, help me to love the things of your Kingdom the same way you love them, help me to love the same way you love. Help me to love people the way you love them. Give me a heart that loves passionately the things of your Kingdom, the things that pleases you, that gives you joy and makes you happy, Lord give me a heart that loves those things passionately in Jesus' name, Amen.
