CLOSING PRAYER

Raise up your right hand.

King of the universe, we thank you because you are the Most High, we thank you because you are higher than the highest mountain, higher than the highest kingdom, higher than the strongest of all principalities and powers. And there is nothing impossible with you, we say celebrate your greatest strength and great authority. We celebrate you Lord Jesus, you are our God, you are our rock, our defender, thank you Lord Jesus.

Lord we thank you for this prayer session because we have seen you in all these prayer sessions despite the enemy destruction with the network but still you prevailed, Lord we return all the glory back to you, be glorified forever in Jesus' name.

Lord your people that stayed with me in this session, they stayed here to pray because they believe in you. Lord I am asking that from this hour, you are going to surprise them with miracles that they have not prayed for. Miracles that you have not prayed for - I decree that by the power of the Most High God let them begin to rain upon your life. Let there be a rain of great miracles, even healing for your distant relatives, healing for your son's child, your daughter's child, healing for people that are unaware of this prayer session. Let God open his heaven and pour upon everyone in your family, let there be rain of miracles right now in the name of Jesus.

I decree that God will arrest and destroy every strong man that is tormenting your life. Every strong man of darkness, strong woman of darkness that is controlling the affairs of your life, I pray that the God of Israel arrests that person right now. Let the God of Israel fight for you, let the rock of Israel smash all your enemies to pieces right now in the name of Jesus.

I remove your name from the list of those Satan has marked for destruction this year. I remove your name from that list right now in the name of Jesus. I also remove the names of your spouse, children, grandchildren, and family members from the list of those the devil has marked for destruction and sudden death in the name of Jesus Christ.

I speak divine acceleration upon your life, let your life begin to move forward with speed right now right now. All the wasted years of your life, let God in his mercy restore them. All the fortunes you have lost, all the blessings you have lost, let the hand of God restore them, let them be restored in multiple fold back to you. Whatever it is that you have lost, let the hand of God restore them back to you multiple fold in the name of Jesus.

I am praying for you that you shall not live in darkness, you shall no longer live in darkness, I remove your spirit from the realm of darkness and I put you in the realm of God's light. Let every darkness that surrounds you catch fire right now in the name of Jesus and let the light of God shine upon you.

Let the voice of the Lord begin to lead you, no more confusion in your life. You will be led by the spirit because that is your heritage as the son of God. Just as the Bible says "as many as are led by the spirit of God they are the sons of God" therefore, I prophesy over your life that from today you shall be led by the spirit because it is your heritage as a child of God.

The Holy Ghost shall speak to you, the Holy Ghost shall direct and guide your steps and you shall not make mistakes any longer, you shall connect with the will of God for your life and destiny.

I prophesy over the works of your hands, prosperity shall spread forth, great increase spread forth in the source of your income. You shall make more than enough profit and increase and the Lord shall make you great in the field of your career.

Every plan of the devil to cause you to weep in this year, I terminate that plan for ever. You shall not weep, you shall not sorrow, the strength of the Lord shall uphold you and you shall be the warrior that you have been longing to be in the realm of the spirit and so shall it be.

Thank you Father, thank you Jesus, thank you Father in Jesus' name we have prayed, Amen.

You are going to rejoice. That is what the angels are singing. That's the song that I'm hearing, that you will rejoice. I don't know what the Lord wants to do for some of you shortly but I see you rejoicing, I see you happy and it shall come to pass in Jesus' name Amen.

Because I have been redeemed by the blood of the lamb, I have been saved by Jesus, old things have passed away behold all things are new.

#The Lord is telling me that for some of you, the problems you are facing are as a result of the bad things your parents did and that is why you are suffering right now.

Lord these powers are stronger than me and they have been oppressing me for years, appear and free me from their grip right now in the name of Jesus. Oh God of Israel appear and deliver me.

⇒ Raise up your hands. Before evil reaches me, before it comes to my doorstep, let them die, let your fire kill them instantly. Even if it's prevailing on other people, Lord before it reaches me let it die. Father make a wall of fire appear around me and begin to kill every evil coming toward me. Before they reach me let them die, let your fire kill every flood of evil, flood of sickness and disease, arrows of witchcraft. Lord surround my life, family, business with your fire.

⇒ Father let your hand be mighty upon me for the manifestation of your glory all over the world. God let your mighty hands come upon me for the revelation and

manifestation of your glory all over the world. Even in my body, soul and spirit for the manifestation of your glory in my life. I need your hands on me and do wonders. God lay your hands upon me and do glorious wonders, glorious works in me. ***As you have said those words, I prophesy let it be as you have said in the name of Jesus, Amen.**

PRAYER FOR THE OIL

You have to open the oil and hold it in your hand.

King of the universe, ancient of days, God of heaven and earth. God as you have directed me, and instructed that people should get oil, that you want to bless for healing and for their health security. Oh God of Israel I place all these bottles of oil before you, before the throne of heaven right now. Lord let your power enter the oil right now and let them receive power right now from your throne. In the name of Jesus. Because I stand before you all the days and I continue to stand before you all the days of my life so I am asking, presenting the oils before you, let your power right now from your throne enter into them. Let your fire from your throne, your healing fire, deliverance fire, Lord the kind of fire that destroys every form of darkness, demonic and satanic captivities, every form of pollution and operations, such that fire that Satan himself cannot withstand that the whole Kingdom of darkness cannot withstand. Lord let this fire possess these oils right now in the name of Jesus. Your healing power and anointing, let it possess these oils right now and let these oils become divine instruments right now in the name of Jesus. ESTABLISHING AND EXERCISING KINGDOM AUTHORITY

LUKE 10:18-20

INTRODUCTION

We will be looking at several prayer points that centres on Kingdom authority. Whereby we will be demonstrating, using and witnessing the kingdom authority. It's not like we are asking for this authority to come but it is more of us using the authority that we already have, that has been given to us in Christ Jesus. We are going to be using this authority to such an extent that you will even see it manifest right in your life and also through you.

PRAYER POINTS

There is authority within the body of Christ, it is not only in heaven but it's here on earth.

(1). Lord Jesus I thank you for the kingdom authority that you have given to me to trample upon serpents scorpions authority to demonstrate realities of the kingdom on earth. Lord I Thank you for this authority that I carry within me. Lord thank you for the kingdom authority that I have, that you have given, kingdom authority that you have purchased for us, that you have established for the church.

Verse 18

What made Satan to fall from heaven is because of a greater power and authority than his that had come, causing his own place of dominion to be shaken in the heavens because Jesus had begun to tread upon his territory. (Satan is ruling from the second heaven and has prevailed over many lives, lands, countries, continents and souls). As Jesus was trading upon Satan's territories, Satan's kingdom began to shake and he fell. Satan already lost even before Jesus went to the cross, after the cross he was crushed completely and his Kingdom was completely defeated. Satan is the scorpion, the serpent and is the enemy of God and the enemy of your destiny.

(2). Lord Jesus thank you for subduing Satan under my feet because he has fallen and he has been defeated. Lord Jesus thank you because the kingdom of Satan and his hosts are fallen, thank you because you defeated them and placed them under my feet. Lord Jesus, thank you because I am trampling upon the devil, I am ruling over the devil because of you, thank you for this victory you gave to me.

(3). The forces controlling the earth are not physical according to the scriptures, but are invisible. Jesus has defeated them but you must show them that they have been defeated, otherwise they will still be there where they are, taking dominion over destinies and oppressing lives. As you pray, pray like someone who has authority, imagine them as if they are before you and exercise your authority.

⇒ Raise up your right hand. You forces of darkness, you powers and principalities, you kingdoms of darkness, you have been defeated by the Lord Jesus, lose your hold over my life and destiny. I command you lose your hold over my life and destiny because Jesus has defeated you in the name of Jesus. You have no authority over my life, days and career, you have no authority and power over my destiny, lose your hold right now in the name of Jesus.

(4). Yes Satan is ruling from the second heaven but he has already fallen, his power has been destroyed, he is ruling there on one leg, on a shaky ground.

⇒ Father let every kingdom of darkness troubling the affairs of my life and destiny let them receive destruction from you right now because they are fallen. Lord every kingdom of darkness troubling the affairs of my life and destiny, right now in the name of Jesus, begin to fall, be destroyed, be pulled down in the name of Jesus. According to the authority Jesus has given to me, that Jesus has purchased for me, I command you all to fall in the name of Jesus.

(5). There are blessings (physical and spiritual) that are being trapped in the realm of the spirit because Satan has trapped them you can't get them. He knows once you get them you will move forward and begin to fulfill your destiny. It's possible your prayer has been answered but the answer is being trapped.

Authority is in you as a Christian, you have this power within you, pray with authority.

⇒ In the name of Jesus, every blessing that belongs to me that has been trapped by Satan and his hosts, I command you to be released by fire in the name of Jesus. Release my blessings right now in the name of Jesus. Every blessing of mine, physical and spiritual, that is trapped in the second heaven, under the sea, in the atmosphere, trapped wherever they are in the name of Jesus be released by fire according to the authority I have in Jesus. I possess my blessings and so shall it be in Jesus' name.

(6). You need to know that Kingdom authority is shared authority because Jesus is the Kingdom authority Himself. That is why when he began to move Satan fell. When He began to demonstrate that authority and gave it to his disciples because he is the embodiment of authority. He is now the one who is sharing the authority with us because we are in him. He is our authority, Satan himself cannot withstand Jesus' appearance, let alone his acts and all His operations. Jesus is the power of God,

Jesus is a kingdom authority. *Picture yourself as someone who is in Christ because you are in Christ and pray.

⇒ Lord Jesus let the same authority that you have, the same power that you are, Lord let it possess my spirit, let it possess my soul and body for the demonstration of your power, for the manifestation of wonders. Lord share with me that authority because I belong to you, because I am in you, I am connected to you. Oh God let the same authority that Jesus is possess me right now, let it possess my blood, let my blood, body and every part of me carry kingdom authority, that I will demonstrate the kingdom authority in the face of the enemy, that I will demonstrate the authority that produces miracles.

(7). There is no limit to what the kingdom authority Jesus has given you cannot do. It can do anything and you have to see it in action.

⇒ Raise up your right hand. Lord Jesus let the authority of your Kingdom begin to break limitations, limitation of witchcraft, serpents, inherited limitation, limitations in my environment be broken in my life. Let the authority of your kingdom move in my life, in me, let it move from within me and begin to break every limitation that has kept my life stagnant, that kept me bound under darkness, that has been causing poverty and suffering, let the authority of heaven, the Kingdom move right now and begin to break them in pieces in the name of Jesus

(8). This authority that you have possessed in Jesus speaks to everything and everything listens (Philippians 2:9-11). They listen to the authority that Jesus has given you.

⇒ Lord Jesus let your authority arise from within me and begin to command everything that is created, everything that exists. Your authority in me, let it arise and begin to command everything that is created to work in my favour, let it arise right now and begin to speak to everything and everyone and begin to work, corporate and function for my favour. Authority of the kingdom arise within me and begin to command the visible and invisible wherever they are. Powers of principalities or created things, let them hear the voice of the Lord and begin to work in my favour from this hour henceforth in the name of Jesus.

(9). According to my shared authority in Christ, I speak to every soul that must make a decision for my rising, let them begin to make this decision. Every soul and heart of man that must make a decision for me to rise, to move forward, to make progress and succeed, according to my shared authority in Christ I speak right now let them hear the voice of the Lord and take that decision. If you must dream or hear a voice, dream and hear the voice speak and let this decision be made in the name of Jesus.

(10) . The Bible made us to understand that we have to redeem the times because the days are evil. Everyday of your life is evil until you claim it for Jesus, it will not want to work for the will of God until you bring it under the will of God.

⇒According to my shared authority in Christ Jesus, I speak upon every day of my life. Let every day surrender to the manifestation of the will of God for my life and destiny. In the name of Jesus, I speak over everyday of my life, beginning from this day till the last day I will spend on earth, hear the voice of the Lord Jesus, you shall surrender to the manifestation of God's will for my life and destiny. I put you under subjection to Jesus only the will of Jesus shall prevail in all the days of my life and so shall it be in Jesus' name.

(11). You are going to pray for your phone(s). Hold your phone or phones in your hand. Every call and message that you will receive through your phone should be only those that the Lord wants you to receive. Your phone can be a gate of hell.

⇒According to my shared authority in Christ Jesus, every call and message that will come through this phone shall surrender to the will of God. I decree and I declare every phone call that I will receive and every message that will appear shall be according to the will of God, there shall be those that the Lord wants me to receive and read. You phone, you shall serve the purpose of God, the will of God for my life and destiny, you shall work in line with the will of God for my life and destiny from today onwards in the name of Jesus. I disconnect this phone from every darkness that is penetrating into my life. By my authority in Christ Jesus, you phone, you shall now work in line with the will and purpose of God for my life.

(12). According to my authority in Christ Jesus, I decree every phone call and phone connection that must be initiated for me to rise to the next level that the Lord has prepared for me, let them begin to call me. People that matter to my destiny fulfillment, destiny realisation, let them begin to connect me by this phone in the name of Jesus. My phone begin to attract calls and messages from people the Lord has ordained to work with me, to help me, to the helpers of my destiny, calling and ministry. Phone calls, phone conversations begin to happen right now in the name of Jesus.

(13). The authority that we have in Christ is Jesus Himself, He is the kingdom authority and his name authorizes the manifestations of miracles on earth. This authority that we have can speak to things, to mountains and they can be leveled just like that.

-Stand on your feet and visualise that thing that is standing between you and your rising.

⇒According to my authority in Christ Jesus I speak to you mountain of poverty, captivity, suffering, pain standing between me and my breakthrough, sink right now. I speak to you mountain, be swallowed up forever because it is time for me to move forward.

PRAYERS ON THE ESSENCE OF YOU (SPIRIT, SOUL AND BODY)

(14). Place your right hand on your head. In the name of Jesus according to my authority in Christ Jesus, let everything that is against Jesus living and operating in my body, soul and spirit be arrested and destroyed right now by fire. Anything and everything dwelling and moving in my body, soul and spirit that is against the will of God, I command you to be arrested right now by fire and be consumed by fire in the name of Jesus.

(15). Do you know that it is possible that you are not fully here. There are people who have been eaten in the realm of witchcraft, just as Jesus gave his body to be eaten by the disciples by doing so he already killed himself before he went to the cross. He gave his body and blood at the last supper and that is the day that he died spiritually. If he had not done that, when he was praying in the garden of gethsemane for the cup to pass his desire might have been granted and he would not have died but because he had already died in the spirit it could not be reversed. In the realm of witchcraft they eat people before they die, they can transform the life of a person into an animal, cook that animal and eat but it is human beings and human blood they're eating and drinking.

⇒ Raise up your right hand. According to my shared authority in Christ Jesus, I decree and I declare wherever my flesh and blood has been distributed and destroyed in the realm of darkness, right now I command reversal and restoration. I claim back myself, I claim back my flesh and blood in the name of Jesus. I command restoration, let the power of God go and harvest myself back to me, wherever my body, soul and spirit has been distributed among the dark agents for destruction.

(16). There are people whose spirit has been claimed before they were born by the kingdom of darkness. After they are born the devil owns them because of certain covenants, some because they were born into a certain family it legalized demonic ownership and possession of their spirits.

⇒ Raise up your right hand. In the name of Jesus according to my authority in Christ Jesus, I decree the release of my spirit, I command the release of my spirit.

Wherever my spirit has been held down and hostage in the realm of darkness, right now I command the release of my spirit in the name of Jesus. I don't want to know the covenant you are standing on to claim ownership over me, I command the release of my spirit in the name of Jesus according to the authority that Jesus is.

(17). In the name of Jesus I come against every demonic wind controlling my mind and feelings, every demonic wind blowing, causing me to make wrong choices and decisions, causing me to manifest the wrong attitude and misbehave, controlling my actions and mood against the will of God, fire arrest and consume them.

(18). The Lord is showing me that some of you are trapped somewhere. It was through a dream whereby someone was taking you on a journey and you find yourself in a place you don't know and you didn't know how to come back home and you were just roaming about looking for a way out and that is how you were trapped and you woke up without finding your way back. Spiritually you are still in that place trapped.

⇒Father wherever my spiritual man has been held, has been trapped and there is no way out of that realm, Lord let your mighty hand remove me from that realm because you are the way. Lord appear in that realm and get me back, bring me out in the name of Jesus. Wherever my spiritual personality has been trapped in a demonic realm, demonic community or village, oh God of Israel, appear right there and bring me out, set me free in the name of Jesus.

(19). Your essence is your spirit, soul and body, that is what makes you what you are and there are a lot of mysteries surrounding those things. If something is wrong with you (your essence) many things will be wrong as well in your destiny and life.

⇒Every demonic witchcraft and satanic covenant that was initiated against my life, career, marriage and destiny through eating in the dream and sexual intercourse in the dream, right now in the name of Jesus, according to the authority that I have in Christ Jesus, be broken in Jesus' name. You demonic covenant be broken in the name of Jesus, I break you, I destroy you in the name of Jesus.

(20). Those of you who have something drawn on your skin that is not as a result of an accident but it is something which was drawn on your skin intentionally maybe a tattoo or marks of incision, not tribal marks. If you don't have them pray for someone that you know has the tattoos or demonic incisions.

⇒ In the name of Jesus every covenant of darkness that is binding me, binding my life and destiny because of this thing drawn on my skin, I command you to break right now, be destroyed in the name of Jesus. Every covenant oppressing my life because of these tattoos, incisions on my body be broken in the name of Jesus right now. I release myself from that covenant according to the authority I have in Christ Jesus and so shall it be in Jesus' name.

(21). Your name draws you to wherever it is being called or mentioned or written. There are many altars were names of people are being called or mentioned for evil. Especially Christians, men or women of God who are doing the will of God, or those that bring their kingdom down or make them fall.

⇒Raise up your right hand. In the name of Jesus I come against every realm of darkness where my name(s) is/ are being pronounced negatively for evil. I come against those realms right now and I decree let the fire of the Holy Ghost visit that realm and scatter them, let them be destroyed. Let the entire Kingdom be destroyed in the name of Jesus, let that realm catch fire.

(22). Fear, doubt and insecurity are enemies to Kingdom authority, when Jesus was speaking on how to demonstrate faith, he said when you look at this mountain and not doubt... So doubt, fear and insecurities are enemies to this Kingdom authority, if you don't defeat them you cannot fully exercise the kingdom authority.

⇒ Holy Ghost fire get rid of doubt and fear in my life and let faith prevail in my spirit, soul and in my actions and words. Let faith prevail in my prayers let doubt and fear disappear forever by the Holy Ghost fire. Let them be eliminated completely from my life and let the Spirit of faith fill me in the name of Jesus. Let faith control my reasoning, actions, imaginations and words from today.

(23). The kingdom authority has to do with how much of Jesus you know because the more of Jesus you know, the more of his authority you will command. So if you have been dealing with a problem for many years and you have never prevailed despite all kinds of prayers, you need revelations because by revelation something will happen.

⇒ Lord Jesus give me the revelation of you that will work in great authority of your Kingdom, that will cause me to walk and operate in great authority of your Kingdom. Lord give me revelations of your power, grace of who you are, so that I will be able to exercise and demonstrate great authority of your Kingdom. Open my eyes, wisdom, understanding and inspire me speak to me Lord Jesus to walk in the greater authority of your Kingdom.

CLOSING PRAYER

Raise up your right hand.

Father we thank you for this victory you have given to us your children through Jesus Christ. We thank you for the victory that we have gotten by the death and resurrection of Jesus. Lord we thank you for this shared authority we have in Christ Jesus. Father be glorified, be praised forever in Jesus' name.

Oh God you have shown us that the entire dark Kingdom combined they are too weak in the face of your authority, therefore Lord Jesus as we have decreed and declared in this prayer meeting, Lord let it be so forever in the name of Jesus. Oh God whatever error, sin, disobedience that we have committed that appears to be contending with all that we have said in prayer tonight, Lord according to your blood and mercy, forgive and wash such guilt and sin away in Jesus' name.

Lord I am praying for your people that are hearing my voice right now, that from today let your power and authority begin to make all things work together for their good in the name of Jesus. Let demons bow before these ones as they stand to pray, praise and worship you. As they stand and sit to commit themselves in fellowship with you, Lord let your power and authority appear and let darkness be subdued before these ones in the name of Jesus.

I prophesy over your life that from today whatever you say or pronounce in prayer according to your faith shall come to pass in Jesus' name. When you lay hands on the sick they shall be healed in Jesus' name. Everything that you speak and declare heaven shall approve them and perform them before your eyes in Jesus' name.

Every impossibility in your life, I come against them right now in the name of Jesus. Let the hand of God begin to make them possible unto you from now henceforth in Jesus' name. Let God open your eyes for you to begin to see all that he has already made available for you to possess and obtain in Christ Jesus. Let your eyes be open for you to begin to see all that you already have access to possess in Christ and through Christ. May your eyes be opened tonight and forever in Jesus' name. Thank you Father, blessed be your Holy Name. Thank you Jesus, in Jesus' name I have prayed, Amen.

There are some prayers you have prayed before and you never got the results, the Lord is saying you should go back and pray them and you will receive your answers because we are in the season of Kingdom authority. Remember no fear, no doubt, even if the enemy you are facing is a principality, decree and declare. Use the authority that Jesus has given you. The Lord is saying you shall pray that prayer again and you shall see results, and so shall it be, Amen.

18 JULY 2020

PRAYER POINTS

(24). Raise up your right hand. Father let heaven open over my prayers tonight, over my requests and every word that I will say tonight, for instant victory, breakthrough, instant manifestation of your power, let the heavens open. Oh God of heaven, of all the earth, Lord of hosts let the heavens open over this prayer meeting right now. Let the heavens of miracles, of signs and wonders, instant healings, deliverances, breakthroughs, prosperity, great blessings, riches and wealth, of favour, promotion, increase, and success- the heaven of all these blessings let them open for me, my family, my spouse.

(25). In the name of Jesus I come against every power of darkness that is hiding in my life to oppress me. Hiding somewhere In my life, environment, marriage, in my dwelling place to attack me, oppress me and cause me pain and sorrow, I come against that power. I decree let the Holy Ghost fire locate that power with destruction right now in the name of Jesus. ***I am praying for you, whenever the darkness, demonic presence, powers of darkness are hiding in your life, to attack and enslave you, right now let fire fall from heaven and consume them in the name of Jesus.**

LUKE 10:19

(26). Jesus was showing them that, now I have given you power, look at it. The authority we are talking about is real, it's something that you can touch, hold and feel. It's something that when you have it you know that you have it because you know it is real. It is so real that is why he gave it to the disciples. If it wasn't real, it could not be given.

⇒. Raise up your right hand. Lord Jesus let your power and authority come upon me and move upon me, let it possess me, carry me and move me. Lord the same power you gave to the disciples to tread upon serpents and scorpions, let that same power be real in my life, let that power fall upon my life. I received the power in my body, soul and spirit. I receive the power of Jesus, the authority of Jesus I receive it right now.

(27). We are all connected to Jesus according to John chapter 15. This power and authority is real, you can draw this power from Jesus and it is a working power.

⇒. Lord Jesus let your power and authority enter into me right now, let it come and manifest into me because I am connected to you therefore I draw from you power and authority right now. Let the power flow because I am connected to you, you are the vine and I am the branch. Lord let the kingdom power and Kingdom authority flow from you to me right now into my spirit. I receive the power, I draw the power, I draw the kingdom power and authority into my soul spirit and body.

(28). Lord Jesus from today let my life be a channel through which you will reveal the greatness of your power in the earth. Let my body, soul and spirit become the channel through which you will reveal your greatness of power to nations and even to the devil. Make me that instrument through which your power and fire will flow through me for great wonders and to destroy forces of darkness.

(29). When you have this power even the devil knows because he knows the people who carry power and those that are powerless. When you talk power flows because you are filled with that power. There is an anointing that can translate you into heaven right now as we are praying, you can be translated to heaven right now. Pray with understanding and faith.

⇒Father take me into the powerhouse and let my spirit, soul and body be charged up with kingdom power. Let my body, soul and spirit be saturated with your kingdom power, let kingdom authority fill me up. Lord I am in your power house, let there be saturation and baptism of power right now. As I am in your power house in heaven, let power saturate me until everything I am is power. Power of God, take over me.

(30). Acts 1:8. Jesus told his disciples to stay in Jerusalem and wait because there was a higher dose that was coming. If you say you have the Holy Ghost, where is the evidence that you have the Holy Ghost?

⇒. Raise up your right hand. Lord Jesus where is the power that you promised me, the power that is connected to the Holy Ghost? Lord the power that belongs to me let it fall upon me right now, Lord endow me with power. I don't want to be an ordinary Christian but I want to be a supernatural Christian that commands results in the physical realm. God I need this power right now, let it fall upon me.

(31). The Holy God is a spirit of power, when he comes he doesn't come alone but with power. Do you need a dimension of the Holy Ghost that comes from heaven with power, not just the one that makes you speak in tongues alone?

⇒. Raise your right hand. Father let the Holy Ghost come upon me with power, let him fall upon me. The Spirit of the Most High the spirit of the Holy God, Holy Spirit come upon me now with power and let me receive power right now. Holy Ghost and power, Holy Ghost and power fall upon me. ***Holy Ghost power rain right now, let it fall to wherever you are, right there let it fall upon you, your body, soul and spirit. Receive it right now, receive the power of the kingdom of God, the same power that raised Jesus from the dead, the power that rises the dead. The same power that makes ways where there is no way, power that made a way in the red sea, let it come upon you right now. Receive it now.**

(32). There is a baptism of fire that when it happens to you there will be no more captivities. What the dark kingdom respects is power, if you don't have power you can't fight and win.

⇒. Lord Jesus baptize me with your power and with fire until every captivity of darkness in my life is completely destroyed. Lord Jesus take me into the depths of your power and fire until every captivity, limitation, operation, possession, suffering, pain problem, and sorrow of darkness is no more. I know in the depths of your power there is no captivity, that is where freedom and deliverance is. Take my body, soul and spirit into the depth of your power and fire until there is no more captivity in my life.

(33). Raise up your right hand. Oh heavens hear me, oh earth hear me, it is time for the manifestation and fulfillment of my calling and destiny. By the power of Jesus Christ, I walk into the fulfillment of my destiny. Or heaven or earth hear my voice, it is time for me to become the person God sent me here to become. I walk into manifestation from today onwards. I enter into the fulfillment of my calling and destiny, no more delay, no more limitations in the name of Jesus. I am fulfilling my destiny, oh earth give way for my fulfillment and manifestation.

(34). Luke 10:19. Serpents and scorpions are agents and hosts of darkness that makes life difficult for the people of God. They afflict and oppress the people of God. Pray with authority.

⇒. According to the power of Jesus working in me, I decree every serpent, demonic scorpion, every host of darkness that has been assigned to make life difficult for me, my progress difficult, breakthrough, and success difficult, right now let fire consume you. Every serpent, scorpion, host of darkness, agent of darkness assigned to stop me from moving forward, I come against you in the name of Jesus, let fire fall and consume you all. Every serpent, catch fire, every spiritual spouse and scorpion, catch fire in the name of Jesus, every demon and power troubling my destiny, catch fire in the name of Jesus.

(35). Place your right hand on your head. In the name of Jesus every activity and operation of darkness going on within me and without, catch fire. Every demonic transaction, demonic activity, demonic networking, demonic manipulation and pollution going on in my life, going on within and without, let fire consume them. Holy Ghost fire consume every activity of demons, darkness and powers right now in the name of Jesus. Let fire consume them right now in Jesus' name.

(36). These are not physical serpents but Jesus was talking about demons, demonic creatures, demonic things. I have seen that demonic serpents operate in the intestines.

⇒. Place your right hand on your abdomen. In the name of Jesus, every serpent from the dark Kingdom locked up in my abdomen, in my belly I command you come out by fire. Every serpent that is hiding somewhere inside of me, let Holy Ghost fire flush them out. Let them be flushed out by fire. Serpents, I command you to catch fire, catch fire right now. Every serpent locked inside of me come out by fire. ***I take the kingdom authority of Jesus and I command every serpent that is locked up inside of you, wherever it is - I command them to come out by fire in the name of Jesus. Wherever you are hiding, I pull you out by fire, come out in the name of Jesus. Let fire flush you out, that is not your dwelling place, that is the temple of the Holy Ghost. You serpent you cannot stay in the temple of God, come out in the name of Jesus, Amen.**

(37). These serpents are invisible, you can go to the hospital and doctors cannot see them, they can run a lot of tests but they won't see them. Some of the things that these serpents do is to cause spiritual weakness and you won't be able to pray or fast as you should.

⇒. Place your right hand on your head. Holy Ghost fire flush out every serpent that is weakening my spirit man, that is causing weakness in my spirits and my spiritual life. Holy Ghost fire flush them out, consume them. Every serpent causing spiritual weakness, lukewarmness, laziness, polluting my revelation, disturbing my Bible study time, catch fire right now.

(38). These serpents can possess, pollute and manipulate spiritual gifts. Your spiritual gifts will not be able to function the way they should because they would have been corrupted by demonic serpents.

⇒. Raise up your right hand. Father let your fire fall and consume every darkness possessing, manipulating and polluting my spiritual gifts and spiritual abilities. Every darkness that has merged itself with my spiritual gifts and abilities, corrupting and polluting them let fire consume them right now.

(39). These serpents facilitate sin addictions, especially sexual sins. Anyone who is addicted to sexual sins, needs to be delivered from demonic serpents because they are also sexual demons . Serpents of darkness can be the reason why you have not been able to live a holy life or not being able to please God as you should.

⇒. Raise up your right hand. Father let your fire fall and consume every serpent and demon that is promoting sin in my life. Every serpent, demon and darkness that is promoting sin addiction, promoting pollution and causing me to fall and sin against God, catch fire in the name of Jesus.

(40). Scorpions: If you are bitten by scorpions it is not possible for you to have peace. These are demons of affliction, are there to cause pain, to disorganise your life and make everything go negatively in your life. Pray with authority.

⇒. In the name of Jesus, I come against every scorpion, every demon that is causing affliction, failure, suffering and hardship in my life and family, I command fire from heaven to destroy them all right now. Every scorpion and demon assigned to promote affliction, cause problems in my life, by the authority I have in Jesus, catch fire in the name of Jesus. Every witchcraft scorpion, power from the dark kingdom, attack from the kingdom of darkness causing suffering, failure, poverty and set back in my life, by reason of my authority in the name of Jesus, I command fire to consume them. Demonic scorpions catch fire!! ***Every scorpion making life difficult for you, causing you to cry, suffer and have sorrow, right now in the name of Jesus by the authority given to me in Jesus, I command them to die in the name of Jesus. Visible and invisible scorpions, die in the name of Jesus, Amen.**

MATTHEW 18:18

(41). This verse is saying that you have authority that heaven listens to, heaven is waiting for you to bind because the moment you bind heaven authorises. It means you can command things to stop moving and they can stop because heaven is backing you up. Even when you release something to start moving it will start moving because heaven is backing you up. Whatever the trouble going on in your life that you want to stop you actually can do it.

⇒. Raise up your right hand. In the name of Jesus I bind every trouble and sorrow the devil has been doing in my life. Every evil the devil has been causing to prevail in my life, I stop it now in the name of Jesus. Right now I decree by my authority in

Jesus, every evil, every sorrow and trouble the devil has been doing successfully in my life for many years, I terminate you now in the name of Jesus. I bind you now in the name of Jesus. I stop every flow of evil, flow of sorrow, sickness, disease and poverty I bind you, I stop you now in Jesus' name.

(42). In the name of Jesus every battle that was transferred upon me from my parents because they couldn't fight and win them, I declare tonight is the end of those battles. Lord I command this battle to end tonight in the name of Jesus. Every battle that was transferred upon me from my parents and ancestors, I declare tonight is your end, I terminate you in the name of Jesus.

(43). Whatever you loose shall be loosed. Many Christians are not free indeed, Jesus does not believe in partial deliverance but in complete deliverance. If you're not completely delivered there are too many good things that cannot happen to you. ⇒. Raise up your right hand. In the name of Jesus, I set my life loose from every captivity of darkness. I set my finances, my business, my career, marriage, calling and destiny, I set my body, soul and spirit loose from every ongoing captivity of darkness in my life. I set my life loose from every ongoing witchcraft activity and demons, my life be loosed from every bondage. My life, health and finances be loosed forever in the name of Jesus, be loosed forever in Jesus' name.

(44). The Lord is telling me that some of you there's a gift of God in you that needs to be loosed or activated to manifest. The gift is already inside of you but it is bound, you have been asking God for it, but you already have it. ⇒. Raise your right hand. In the name of Jesus every gift of God in me that is bound, I command you to be loosed right now and to manifest in the name of Jesus. Every gift of God that has been in me from childhood, that I came with into this world, be released in the name of Jesus.

(45). This is what I am seeing. You have something that belongs to you, but you are not in the place where you have it. Maybe you haven't left the place or you are yet to go to that place and until you are in that place you cannot have it though it is yours. ⇒. Father take me to the place where my blessings are, where you have already provided my blessings. Lord by your mighty hand take me there, that place where the blessings are, taking me there for me to possess my blessings.

(46). You are going to loose the work of your hands because your work has been tied down by the enemy and you are going to set it loose. ⇒. Raise up your right hand. Father in the name of Jesus, this work of my hands let it be loosed and let it begin to move forward to the destination you have ordained for me. Let my career, calling and business be released and begin to succeed in greatness, begin to move forward, let it be released to progress and fulfillment in the

name of Jesus. Lord release the works of my hands to prosperity and victory, to success and greatness.

(47). When we speak of certain things that you have to loose, we also speak of strongman because when the devil initiates a captivity, he doesn't leave that captivity but he stays with it. The kingdom of darkness does not do something and go off but they stay and monitor what they have done. They are strongmen, demonic personalities that must be defeated if your life is going to be loosed to move forward. Pray with authority.

⇒. In the name of Jesus, let the flaming sword of the Lord appear right now and destroy every demonic strongman that is standing against my prosperity, progress and breakthrough. Let them be slaughtered and consumed by the flaming sword of the Lord right now in the name of Jesus. Let the flaming sword of the Lord come upon every demonic strongman that is standing against my prosperity, success, promotion and marriage, let the sword of the Lord slaughter them right now.

⇒. In the name of Jesus every institution, organisation and company that must help me to rise to the next level of my life and destiny, I decree and I declare let the power of God move upon them to help me to call me. Let every company or organisation that must call me for me to move higher to the place of honour , place of fulfillment , place of greatness, oh God let your power control them, control the board of directors, the managers and let them reach out to me by calling me for my life to be changed. Father put things together in the realm of the spirit and let the phone contact be initiated right now.

(56). Whatever you bind on earth will be bound in heaven. Whatever you stop on earth that which you say you don't want again heaven will confirm it and approve it mediately. Are there things you don't want?, you can stop them even in your life, the lives of your family members, whatever you don't want in their lives you can stop them from happening. For example you can even close a false church in your environment because it is not serving Jesus.

⇒. FINANCES: In the name of Jesus I come against every activity of Satan in my financial life, I terminate them right now. Every activity of demons and witchcraft going against my financial prosperity and increase, I terminate you right now in the name of Jesus Christ. You have no power over my finances and my prosperity, I terminate you right now in the name of Jesus.

(58). The Lord is telling me that some of you have already agreed with what the devil is doing in your life. Maybe you are sick and you have concluded in your mind that there is no cure for the sickness or you have believed it's only doctors who can fix it or you have believed the doctor's report to be true. The Lord is saying you must disagree with that belief because that is not the will of God.

Whatever the kingdom of darkness is doing against the source of my income, my career and my job, let fire consume them all fire, destroy them all right now.

(60). MARRIAGE. Most people will get married, some have the destiny to have marriage but some are not. Most of you that will marry should have a good marriage. I have seen that some already have married but they don't have a good marriage. There are a lot of demonic operations going on against the lives of Christians and against Christian marriages. In your life these operations must die and never succeed.

(61). Marital destiny is for you to have children and for you your children to succeed. This is a divine package that God already determined before you were born. It's already determined the kind of children, destiny and marriage you are going to have. It is a divine package to have children and for them to succeed and to fulfill their purpose.

⇒. (If you don't have a child) by kingdom authority you can have a child. In the name of Jesus I command the manifestation of the fruit of the womb in my life, let my child appear in my womb. Let me conceive and bear the child, let it be so in the name of Jesus.

-(If you have children) . Let the destinies of my children begin to rise to fulfillment. None of my children shall live a wasted life, none of my children shall self serve satan or be defeated by darkness.

-(If you are yet to be married) In the name of Jesus, I receive my child, I receive the fruit of the womb, I shall conceive and bear my own children in the name of Jesus. I shall not adopt, I will have my own children because it is in my destiny to have my own children. I therefore speak it into existence right now, my child appear in the name of Jesus. I receive every child that God has predestined that I will have and give birth to, I receive them right now and I speak them into manifestation.

(62). It is in your marital destiny for you to have a good home and good marriage, for you to enjoy your marriage, to have joy. God didn't create marriage for sorrow or for people to cry.

⇒. (Married or single) Raise up your right hand. In the name of Jesus I speak with the authority I have in Christ Jesus, let joy, happiness prevail in my marriage. Between me and my spouse we shall have joy and happiness. This marriage the Lord has given to me there shall be happiness, joy, and fulfillment, there shall be unity in this marriage, I shall be united with my spouse. In this marriage the Lord has given to me, I shall have joy and fulfillment in the name of Jesus. I speak my

marriage into existence, I declare there shall be joy, there shall be no sorrow or conflict in the name of Jesus.

(63). Prayer for spouse and (for those engaged). Every activity of darkness going on against the life of my spouse, going on in their life, let fire arrest and consume them, let fire arrest and destroy them. Every demon manipulation, witchcraft working against his/her life, let fire consume them right now in the name of Jesus. The plans of the devil, demonic agents shall fail against my spouse and only the will of God shall prevail over the life of my spouse.

(64). CALLING. The reason why you are here on earth is what Satan attacks the most. He can give you a well-paying job to distract you from your calling, he can give you something that you love and enjoy just to make sure that you don't fulfill your calling. Fulfilling your calling is more than your job or business because there is a purpose God blesses you on earth, that will profit his Kingdom.

⇒. Raise up your right hand. In the name of Jesus, I come against every operation of darkness attacking the fulfilment of my calling, begin to fail right now. (65). Prayers regarding your calling are honoured by heaven a lot. The fulfilment of your calling has a lot to do with your relationship with God because He is the one that designed the calling before you were born, He knows what He wants to use you for. If there is a problem with your divine relationship with God, there will be a problem with the fulfilment of your calling.

⇒. In the name of Jesus I come against every witchcraft and darkness attacking my prayer life, divine fellowship with God, connection with God, and my relationship with God, let the anger of God fall upon them and destroy them, let them be consumed by the anger of God. Let the anger of God consume them all, anger of God destroy them all. Oh wrath of God destroy all the powers which are working against the fulfilment of my destiny. I have come to fulfill my calling and destiny in Jesus name.

(66). The glory of God is contained in your relationship with God. The manifestation of God's glory in your life is more spiritual than physical. When some people become millionaires or famous they think that is the glory of God but the glory of God is more than that. It is first of all spiritual before it is physical. If there is going to be a manifestation of God's glory in your calling, that glory has to first be birthed spiritually in your communion with God.

⇒. Raise up your right hand. Oh God of Israel, let the glory of my calling be activated for manifestation. Oh God of heaven command your glory to arise to my defence, command the glory of my calling to arise and manifest. Oh God, command the glory of my calling to arise and speak all over the world. Lord let my glory be released to manifestation, to speak, to be a blessing to my generation all over the world.

(67). The Lord is telling me there are things that should have happened in you and through you regarding your calling but has not yet happened. Maybe it's spiritual gifts, prophetic abilities, divine abilities that should have already happened.

⇒. Raise up your right hand. Father let your power and fire come upon me and let everyday ability and gift come to life. Let every dead ability, dead spiritual gift, let them come back to life, let them arise to manifestation. ***Let the fire of the Holy Ghost come upon you right now, I speak upon you who are connected to the activation anointing. I speak the power of God to enter your spirit man and let that ability come back to life in the name of Jesus. Let there be activation of every good gift and ability you have lost, let the fire of God bring back them back to life. All the gifts that you came with into this life, receive the activation of them all and let them come back to life.**

MATTHEW 18:19

(68). Because you are connected to the prophetic grace in this ministry and upon my life, we are going to pray a prayer of agreement.

⇒. Lord Jesus I connect my life with the grace and power in this ministry. Lord let there be manifestation of signs and wonders in my life according to the grace you have given this calling, the grace upon this prayer ministry. I decree let there be manifestations of signs and wonders in my life, spouse, marriage, business, children and grandchildren, let there be breakthrough, success, greatness, progress by reason of the grace of God, by reason of the anointing of the Lord upon this ministry.

69). By reason of the grace of God in this ministry I am connected to, let everything that man has termed impossible in my life begin to become possible in my life.

Everything that people have said is not possible with me, let those things begin to become possible because of the grace I am connected to in this ministry from this hour in Jesus' name.

(70). There are angels of the Lord working in this ministry

⇒. Father let there be intervention for great results in my life this week. Father because of my connection with your grace in this ministry, let there be intervention for great results, great progress, great miracles in my life this week. Lord by intervention of heavenly hosts, let there be a great turnaround in my life this week

not next week. Let there be a great positive change, Lord let it happen this week in the name of Jesus. Do it Lord Jesus by the intervention of your angels.

(71). Whatever we agree together in prayer, we shall have it.

⇒. Father by this collective agreement right now, Lord we speak that a new beginning shall begin for everyone in this place. A new beginning for a new glory shall arise for everyone in this ministry. Lord of hosts by this anointing of agreement, we prophesy that a new season of greater glory shall begin for everyone. A new story for greatness shall begin for everyone, every family and every life. A new beginning of great honour, greatness, riches and wealth shall begin for everyone. A new dawn, season, power and greater anointing shall begin for everyone, so shall it be in Jesus' name.

(72). In the name of Jesus, wherever my provided blessings are being held captive, I commanded them to be loosed right now and let them begin to come to me in the name of Jesus. Every blessing the Lord has already released that has been held captive somewhere visible or invisible, I command them to be released right now and I command you to come to me. Every blessing be loose right now and come to me speedily.

(73). We know that the Lord is present with His people, even present in you. The presence of the Lord is with you and in you if you're born again but there is another version of God's presence that carries power. There is a presence of God and a powerful presence of God

⇒. Raise up your right hand. Father enable me with grace to begin to walk in the power of your presence from today onward. Lord lavish such grace upon me right now to begin to walk within the power of your presence where things are being made even before they happen physically. Lord give me a transformation and an impartation to begin to walk and operate in the power of your presence from today onward. When I speak, let me speak in power, when I move, prophesy or declare let me I do it in power. Baptize me into the power of your presence from today onwards.

CLOSING PRAYER

Raise up your hand.

Father we thank you for your faithfulness, Lord we thank you for the greatness of who you are in our lives and situations. We thank you Lord for all the blessings we have received even in this prayer session because they are so great. We thank you Lord for the favour you have bestowed upon our lives, we thank you Father for a new

beginning of greater glory, of greatness and success, of prosperity and glorious achievements. Lord we thank you for everything you have done in this prayer session, blessed be your Holy Name. Be glorified, be praised forever in Jesus' name.

Lord I stand as your servant and I speak over the lives of these ones. Father let your presence never depart from them from today onwards in Jesus' name. Lord let the power of your presence be available to everyone under my voice. From within them, let power manifest, let them raise the dead and let them command the dead to rise, let the dead hear and come back to life. Let them command sicknesses and diseases to disappear and let sickness and disease hear their voice and come out. Lord let your power begin to work from these ones within these ones. Whatever they say let heaven authorise from this hour henceforth in the name of Jesus.

Lord I am asking that you take from my anointing and put upon these ones. From the anointing you have placed upon me, Lord I am asking that you take from it and place it upon them and let everything they do begin to prosper by the impartation that you are placing upon them right now. Lord let them begin to walk in great honour in the name of Jesus. Let them begin to walk in great favour.

Whatever demon that is troubling them from tonight Lord let it run away. Even in their dreams, these ones shall roar like a lion and they shall rise against the enemy like billions of armies and the enemies will run for their lives. Lord these ones shall be transformed into great and mighty warriors that the dark kingdom shall fear from today, let it be so Father in the name of Jesus.

I am praying that the Lord shall use you to solve problems in the lives of people. Difficult situations where people are already confused and not knowing what to do, the Lord shall use you to solve those problems. I don't know how the Lord will do it but because you are connected to this anointing the Lord of hosts shall make use of your life to solve people's problems. You shall get inspiration, insight, revelation and wisdom on how to solve their problems. You shall begin to hear the voice of the Lord on how to be a solution in your environment.

Begin to walk in that power, in that authority that the Lord has given to you and let the name of the Lord be glorified forever in your life, calling, business and career. The name of the Lord God of Israel shall be glorified and praised in your life forever in Jesus' name. It is done in Jesus' name, Amen.

The Lord is saying He wants all of you to be serious with your relationship with him. Take God seriously, don't play with your prayer life, Bible study, meditation on the word of God because He wants to appear to some of you. The problem is that some of you don't take your spiritual life seriously. He is calling everyone to rededicate your life to the Lord and devotion to Him. If you have been praying for 30 minutes let it become 3 hours. Take God serious in

your fellowship with Him because He has a good plan for you and you can only know that plan through fellowship.

PRAYER POINTS

Matthew 17:14-17

(74). Jesus expected the disciples to be able to handle the situation because he had already authorised the healing of the child in the realm of the spirit. He had already authorised in the realm of the spirit all the miracles that will ever happen, even those that the disciples were going to do, had already been authorised all over the land of Israel. He expected the disciples to have enough wisdom, knowledge and faith to just pray in His name and make things happen but they couldn't. He called them faithless and corrupt meaning that something was wrong with them because in the entire land of Israel the authority of Jesus was already there. Because the disciples reported that there were other people who were using the name of Jesus and miracles were happening.

⇒. Father let me find grace and mercy in tonight's prayer session. Let your grace and mercy work for me and let everything that I will be asking and declaring in tonight's prayer session, Lord let it produce great results according to your grace and mercy. Lord let your grace be sufficient for this prayer session.

(75). When Jesus was saying you faithless and corrupt people, he was rebuking the disciples for not being able to handle the case successfully. Maybe something is actually wrong with you, not that something is wrong with the authority of Jesus in this meeting, or in your life or maybe something is wrong with your faith, or spiritual walk with God.

⇒. Father, whatever is wrong with me that is making me not to exercise the fullness of my divine authority in you, that is limiting the success and the results of my prayers. Lord heal me tonight. Lord whatever is wrong with my heart, soul, spirit, body and life that is making my prayers not to work and my authority in you to be so weak against the enemy, whatever is wrong with me in a realm of the spirit, Lord correct it now according to your grace and mercy. Let there be healing and correction.

(76). Faith is the currency that we use to purchase things from the Kingdom, it is the power that authorises things from the Kingdom, it is what brings out what I need from heaven. If something is wrong with your faith then something is wrong with your divine authority.

⇒. Father forgive my unbelief, pardon whatever I have said in unbelief and doubt. Lord according to your mercy pardon, me forgive me. Everything that I have said in unbelief, doubt, lack of trust, lack of faith in you, Lord forgive me. Every imagination and thought that is not done in line with faith, Lord everything that I have done that is not in line with faith, Lord forgive me, forgive my unbelief.

(77). I believe that in this prayer session there are people who are full of faith in God, who are ready to believe anything. I believe you have faith right now.

⇒. Lord Jesus, I am going to exercise my faith right now, Lord honour my faith as I begin to exercise it in this hour of faith prayer. Lord give my faith great results, Lord

let my faith produce great results. I am determined not to be a faithless generation or Christian, I am going to use my faith tonight. Lord let heaven honour my faith with the great results and wonders. I will not give into fear and doubt and unbelief, but I will exercise my faith.

(78). I believe no one here is going to doubt because we want to be praying some prayers of faith right now.

⇒. Raise up your right hand. In the name of Jesus, I decree and I declare, whatsoever blessings of God I have been limited from receiving, let those limitations be broken right now. Every limitation limiting me and the blessings of God, making me not to get enough of what God is releasing and sending to me, let that limiting factor be broken right now in the name of Jesus. Let there be an overflow of blessings in my life, finances, career, calling and ministry.

(79). When the limitation is broken that is when you will really know what it means to be a Christian. Most of us are the ones limiting ourselves despite other things limiting you. There are secrets that when you walk in line with them you will always have surplus of everything God has prepared for you. God and his Kingdom are not poor, everything the kingdom of God has to give is in surplus. Whether it's power, strength, and wealth there's nothing like little in what God has to offer but it's only excess.

⇒. Father let your light shine upon me and let everything that I must do to enter into the fullness of your blessing, Lord let it be revealed to me. Lord let your light shine upon my life and let me discover what I should do to enter into the surplus of your divine blessings. Lord whatever is limiting me from enjoying the fullness of my blessings in you, reveal it to me. Whatever I have to do to enjoy my divine inheritance, seeing visions, Lord open my eyes to know that thing.

(80). In the passage the disciples had enough power not only to heal this demon possessed boy but as many people as possible because the presence of Jesus in that land was enough authority for anything to happen but they were limited even though there was excessive power everywhere. The Lord is showing me that it is not God that is the problem or not doing anything but it is something that is wrong with you or your bloodline.

⇒. Cry out with the whole of your heart. Father all the blessings that you have already supplied unto me and I have not gotten the fullness of them, Lord take me to the fullness of them. All the blessings that you have already established and supplied to me, physical blessing, spiritual blessings and yet I am starving of them, even when they are all surrounding me, Lord break that limitation and take me into the fullness of these blessings. Lord I refuse to starve in the midst of surplus, in the midst of great blessings. Whatever is stopping me, destroy it so that I can enjoy the fullness of you and blessings and glory that already surrounds me.

(81). Jesus looked at them and he was not happy and called them faithless and corrupt people... there are certain things happening in your life that God is not happy with because he has already prepared and handled that thing. It is not his responsibility because he has already done his part but you are yet to do your own that is why he is not happy that "Why would you be unhappy when I have supplied everything"?. Jesus spoke of the things of the Kingdom. We already have many things that we are asking for but it's just that we don't know how to unlock them in the realm of the spirit.

⇒. Father let me find the key to unlock all the treasures, all the blessings, all the wealth that you have already provided for me. Father let me find the secrets to unlock all these great blessings, treasures, wealth, and glory that you have already bestowed upon me. Lord give me this divine secret to unlock and possess all that you have already supplied and blessed me with. Lord give me the key, open my understanding, lead me Lord in Jesus' name.

(82). In proverbs, it says the spirit of a man is a candle of the Lord and it enlightens the part inward part. Your human spirit is like a candle. When God sets your spirit on fire there are many things that will start falling in place in your life because you will now begin to have understanding and revelation of things that you should have done right now.

⇒. Place your right hand on your head. Father my spirit man is your candle according to the scriptures. Lord set my spirit on fire, lighten up my spirit and reveal the things that you have already placed in me that I have not discovered. The mysteries that you already locked up in me, in my destiny, that I have not discovered, lighten up my spirit to begin to see into them all. Lord my spirit is your candle, set it on fire, I want to see until nothing is hidden to me anymore, until I begin to understand secrets to my breakthroughs and understand everything that I have to do and you know.

(83). They had Jesus with them physically but they still did not know him. As you read the gospels, you realise that when they were asking him funny questions he was amazed that all the time he was with them they didn't know them. They didn't even know the greatness of him. That is why revelation is so important in Christianity, if you don't have revelation then your Christianity is dead. As you grow, you must grow in the knowledge of him because revelation is the key to victory and until your eyes are opened, you might not come out of that situation.

⇒. Raise up your right hand. Lord Jesus I know that you are here in my life and situation, even in my darkness. Lord reveal your greatness to me and show me the path to victory. Lord I want to see your greatness, I don't want to be like the disciples who didn't even know what they had with them. Lord I want to know you and your greatness, reveal yourself and set me on the path to victory. let me not be limited in what I should have known.

(84). He said how long must I be with you and you are not able to handle this simple matter. Jesus expected them to know more of certain things of the kingdom since the time he was walking with them.

⇒. Lord Jesus I surrender to you, take me into every grace that is still missing in my life as a Christian. Every grace I am supposed to have obtained, Lord take me to the realm of this grace. Lord I want more than what I have right now in you, take me to the realm of power and authority that I am supposed to have attained by now as a child of God. The grace to see visions, to hear the voice of God, for prophesying, grace for winning battles, grace for praying correctly, grace for fasting and seeing divine revelations. Lord take me to the realm of all the things that I'm missing in my life.

(85). Jesus said firstly how long shall I be you and then how long must I put up with you. He was sad because he had been teaching and showing them with practical evidence of what the kingdom of God entails. There is an investment of God in you but what are you doing with it. What have you done with everything he has told you or he has exposed to you or that you have read and heard about the Kingdom? You are just receiving and receiving but you're not giving out that which God has placed in you.

⇒. Lord Jesus I refuse to be a parasite in your Kingdom, I refuse to keep feeding and feeding. Lord take me to a place of manifestation, the place where I'll become a blessing to people my generation. Lord do not let your investment in me be in vain. Lord you have blessed me with good teachers, several information about the Kingdom, Lord all this that I know take me to that place where I will use them for your Kingdom. Lord enable me, strengthen and empower me to manifest all that is in me so that I'll be a blessing to my generation.

(86). I refuse to be a leader over people that wastes God's investments in their lives, that is why I will not stop to tell you to go out there and be a blessing because there is something in you, there's that the world has been waiting for. What will you do for the Lord right now with all the Investments that you have. When will you start using them to bless people to change lives? Are you desperate to bring results or you are just keeping the receiving. Everything you receive will die if you are not dishing it out, it's not about financial giving but about that which is in you. You have been taught but you're not teaching your children or people around you. Are you desperate to be a blessing?

⇒. Lord Jesus I am desperate to be a changed agent in my generation. I don't have to be a pastor, apostle or evangelist because Lord there is something you can use me to do to change my generation. Lord, I want to make a positive impact in my generation, my spirit and heart is desperate to see you. Lord I want to be an

instrument of change in my generation, there is something that I can do, Lord use me to change lives and destinies.

(87). The Lord was revealing to me the mystery of wealth to me the other day. He said wealth is not in bank accounts or paper money. He said wealth is in people and not in the physical, but if it is physical it is because it is in people. Wealth is first in people even before it becomes physical. The Lord is saying that if you can have people on your side you will automatically have wealth. If there's something in you that is drawing people to you that they need and they are seriously coming to get it naturally, they will be drawn to you because people are the wealth not the paper, or currencies or bank account. There is something in you that the Lord is looking for, you might never be as rich or have the breakthrough you need until you discover that thing that will bless the nations.

⇒. Lord let your blessing in me arise and speak. Your glory blessing in me that the world and nations need, Lord let it arise and speak in my lifetime. I refused to die with the glory and treasures you placed in me from the day I was born. Lord I want to die empty, to such an extent that people will say I was indeed a blessing. Lord, I want to be able to pour out all that you have placed in me to bless my generation.

(88). Apostolic prayers, why apostolic because it has to do with mission or rather why you are here on earth. An apostle is someone that is sent to fulfill a mission: sent by God. Every Christian is apostolic even though you might not be an apostle, but we are all apostolic because we are here to fulfill a purpose.

Jesus asked them to bring the boy to him.

⇒. You will need to raise up your right hand till the last prayer point. Lord let your power move upon me and let every curse of darkness be broken in my life forever. Witchcraft curse, generational curse, self-inflicted curse, Lord let your power move upon me and break them right now. Lord let your power move upon me right now and break every curse that is troubling my destiny.

(89). Yokes shall be broken because of the anointing that is what the Bible says

⇒. Lord let your power move upon me and let every yoke of darkness hanging on my neck, hanging on my shoulders and life, let your power move upon me and break them into pieces. *Lord begin to touch everyone under my voice and let every yoke of darkness, burden of darkness upon your body, soul and spirit. Let Jesus begin to consume them, let Jesus begin to destroy them and offload them. Every load of darkness, demonic burdens, yoke of darkness, yokes of witchcraft, yokes of demons- by reason of anointing let them be broken in Jesus' name.

(90). Jesus rebuked the demon from the boy and from that moment the boy was well.

⇒. Lord Jesus right now, rebuke every problem, captivity, and activity of darkness in my life, Lord rebuke and remove them from my life. Whatever the devil is doing in my life, reveal them and put an end to them right now. Lord Jesus appear and deliver me, heal me and give me complete deliverance. Lord Jesus touch me right now and let me be well forever Let me be delivered forever not partial deliverance, Lord I want complete deliverance. Lord Jesus a touch from you that will break captivities and suffering from my life.

(91). Father let me find help in the midst of rejection, places where I have been rejected. Lord put your favour upon my life and let me find help in places where nobody is qualified. Where I am not qualified, Lord qualify me. Lord in places where there is rejection, let me go there and be accepted even without qualification, let your favour qualify me for acceptance. Where they are not accepting and always rejecting people let your favour give me acceptance in Jesus' name.

(92). The Lord is telling me that some of you do not have peace in your life. You are troubled because, (for some of you) your spouse is committing adultery but God wants to give you peace. Some of you cannot hear God very well because your mind is all over the place because you do not have peace. With your right hand lifted, declare:

⇒. Lord Jesus command peace in my life and situation right now and let peace reign right now. In my life, soul, body, marriage, business, career and organisation let there be peace right now. Lord every storm of the enemy disturbing my life, let the power of your peace prevail over them.

(93). The Lord is showing me that some of you have been receiving attacks in dreams. You will place your right hand on your hand because your spirit is the one which connects you to the spirit world.

⇒. Lord Jesus shield my spirit with fire from every attack coming against me in dreams, surround my spirit with fire against every attack, initiation coming from the enemy in my dream. Let your fire shield my spirit, let your fire protect my spirit against every attack coming from the enemy in my dreams right now in the name of Jesus. Every attack of spiritual spies, demons serpents, marine Kingdom, demonic altars, let my spirit be shielded from this hour henceforth in Jesus' name.

(94). Oh God of Israel, let the words of my mouth be as powerful as the words of your mouth. Let the words of my mouth be as powerful as the words that come out of your mouth. Let the utterances of my mouth be as powerful as that which comes out of your mouth in the place of prayer. Let the words of my mouth carry the same power and authority as that proceeds out of your mouth from today onwards.

CLOSING PRAYER

Raise up your hand.

Father we thank you for the greatness of who you are, we thank you Lord Jesus for your power that has never failed. We thank you for the authority that is embedded in your name because through your name we have great victories, authority, results and wonders. Lord be glorified, be exalted, be magnified forever in Jesus name.

Oh God of Israel, as your people have prayed in your presence, Lord I am asking according to your grace and mercy, shower upon their lives answers to their prayers in the name of Jesus. I am praying for you that from this hour henceforth, nothing shall be difficult for God to do in your life anymore. Everything that is making God's help and blessings difficult to locate you, I decree let that thing be destroyed right now in Jesus' name.

I prophesy upon your life increase in Jesus' name. Everything you lay hands upon, there shall be an increase in Jesus name. The Lord shall increase you, He shall increase your wisdom, knowledge and divine understanding. The Lord shall increase your strength for victory and He shall increase everything that concerns you for the performance of His will and purpose for your life and destiny and so shall it be in the name of Jesus.

I come against every voice that is crying against your life whether it's visible or invisible coming from the physical or spiritual realm. Every voice that is uttering negativities over your life, I come against it and I decree that from now henceforth let that voice be silenced forever in the name of Jesus. Let every evil action the voice has spoken into your life let them be cancelled forever and they shall never come to pass in your life in the name of Jesus. Only the will of God shall prevail in your life henceforth in Jesus' name, Amen.

I am praying for that which you have been trusting God for, that money to buy that thing that is important to you, (I see that you want to buy something important but you don't have enough money). I prophesy according to the grace of God upon this ministry, receive the fullness of the amount that you need to purchase that thing, receive it now in the name of Jesus.

Everything that you once had and you lost it, I stand as the prophet of the Lord and I decree let that thing be restored to you because that thing is still available for restoration. I decree let that good thing that you once had and lost come back to you, let the hand of God return them back to you in the name of Jesus.

I speak over your family, your marriage, let heaven rain down blessings over your family, over your home, children and spouse. Let blessings from heaven fall. Every darkness oppressing your family and home, let the fire of God arrest and consume them all right now in the name of Jesus.

You are breaking limitations right now, from today begin to break limits in the name of Jesus. You shall work at places nobody has ever has ever worked before. Great honorable places and glorious places and as you begin to work limitations shall begin to break before you and you shall begin to rise in the name of Jesus Christ. Thank you Lord Jesus because you have answered. Blessed be your Holy Name in Jesus' name it is done. In Jesus name we have prayed. Amen.

I trust the Lord to hasten manifestations of all that we have prayed and all that I prayed for you because we are in the season of great results and I want all of you to testify and I know that you will testify in Jesus' name.

We raise you far above powers, far above thrones, kingdoms and dominions because you are the Most High. You are the Lord of hosts, you are the Ancient of days, you are the King of glory, blessed be your name Lord Jesus.

Thank you Father because we know you shall do great things, blessed be your Holy Name in Jesus' name we have worshipped Him, Amen.

PRAYER POINTS

(95). Father I thank you because you shall help me because you will strengthen me and supply my needs according to your riches in glory. Lord Jesus I thank you because you will help me, you will answer my prayer tonight, you will intervene in my situation, you will save me, you will touch me, you will heal me, you will empower and strengthen me. You will open my understanding, you will open my eyes and draw me closer to you. I thank you because you will shine your light upon my life and do signs and wonders, thank you Lord because you will help me.

MATTHEW 21:18-20

(96). I believe there are some things in your life that are not producing fruit that heaven wants to see. The things that are not producing results should not be there. Jesus with the authority of the Kingdom to the fig tree, said, may you never bear fruit anymore and immediately it withered. It shows that Kingdom authority can produce instant results on things.

⇒. Raise up your right hand. In the name of Jesus, I curse every plantation of darkness growing in my life, career and business, I curse you in the name of Jesus. All the plantations of darkness in my life, every evil, witchcraft plants and is growing, I curse you in the name of Jesus. I kill you, be terminated in the name of Jesus, be destroyed in the name of Jesus. In my body, any plantation of darkness you're cursed, be terminated forever in the name of Jesus. In my soul, every plantation of darkness, be cursed and terminated forever in Jesus name. In my spirit every plantation of darkness, be cursed forever and never live anymore in Jesus' name.

(97). Just a few words from Jesus and there were instant results because he destroyed that tree in the realm of the spirit. When he looked at it, He had already judged it and then spoke the word to finalize its end.

⇒. Father declare your judgement upon everything you do not want to see in my life, everything that is not of you, judge them. Whatever is against the will of God, the

righteousness of God, the plan and purpose of God for my life and destiny, whatever is not of Jesus in my life, Lord judge them right now. oh Lord of hosts to declare your judgements upon them.

VERSE 20

(98). I believe many believers have asked themselves why this happened so quickly, especially when they see instant miracles, and some end up criticizing the miracles saying this person might be using another power because God does not work as quick as that. But that is a lie because God can work so quickly and He's going to work quickly in your life. Whatever you need him to do quickly in your life tonight, I trust the Lord to do it for you.

⇒. Father, I need you to move so quickly in my present situation, let your power move quickly to perform the miracles that I need right now in my marriage, blessing, promotion and breakthrough. ***Lord let your power move so quickly for the healing and deliverance of your people right now in the name of Jesus. For the prosperity of your people, let your power move right now in Jesus' name.**

(99). If the kingdom authority works so quickly here on earth, it does not work alone. For example, the words we decree and declare, they do not work alone, there are angelic forces that carry out every utterance made with the kingdom authority.

⇒. Lord Jesus let the angels in charge of instant miracles visit and intervene in the present situation of my life and perform the miracle that I need now. Let the angels in charge of instant miracles work so quickly for my healing, deliverance and progress in Jesus' name.

(100). The Lord is telling me that some of you have been hearing a particular prophecy from man of God or you have been seeing particular visions and dreams for a very long time, but you're getting older and they're not coming to pass. It is already time for you to have those things that God has been saying and showing you, but there is something stopping its manifestation, though you have been thinking that maybe it is not God's time.

⇒. Raise up your right hand. Father, it is time for the manifestation of your blessings that are due for manifestation. By angelic intervention Father, let those miracles, prophecies you have spoken and promised begin to happen right now. Lord let your power begin to move so quickly to bring them to pass. ***I am praying for those who have been delayed in the program of God for your life and destiny. I speak with authority right now, that whatsoever is delaying the manifestation of that purpose and promise of the Lord, let the fire of God destroy it right now in Jesus' name. By intervention of heaven and angels, I declare, let that prophecy begin to come to pass in your life in Jesus' name.**

(101). They were asking why it happened so quickly, another answer is that the creator of heaven and of everything is the one who was talking to the tree. Jesus, the maker of everything, what is impossible to him? What will it cost him to fast forward a miracle if he wants to fast forward one? Who says that your healing, prosperity can't happen? It doesn't have to take time for you to become a millionaire or to be great or healed. Jesus can make it happen so quickly because he created everything.

⇒. Lord Jesus, I commit my life, destiny, and calling into your hands. Father let your will begin to prevail speedily in my life, all that you have declared, Lord by speed, make them appear in my life. All that you have promised let it appear speedily. Lord Jesus, you created everything and there is nothing impossible with you. Lord let everything in your mind for my life begin to come to pass speedily. Lord let your speed combine with the journey of my life and let every promise begin to manifest with speed.

(102). Jesus is the destroyer of curses, if there be any curse that is limiting your life, Jesus destroyed them on the cross of Calvary. Any curse that is limiting your life, he has already broken it.

⇒. Jesus, move in my life with power and let every limitation against my prosperity, breakthrough, progress and manifestation of my calling and destiny move Lord Jesus and break them. Lord move in the foundation of my life and begin to break every ancestral curse, inherited curse, curse from my parents, move and begin to break them. ***Every curse that is speaking in your life against your breakthrough, success, fulfilment in calling and destiny, I decree with the authority of Jesus, let them be broken in pieces forever in Jesus name. I set your life in motion, limitations are broken right now, begin to move right now.**

(103). I sense in my spirit that God wants to fast forward things in your life, that's why we are staying so long on this scripture. Because these things have been long delayed. Your life will not be great because of hard labour, it doesn't have to be hard labour and suffering for you to rise.

⇒. Lord Jesus let my life find mercy in your sight this hour and let me possess my possessions by divine speed. Take me from the place of hard labour, suffering and hardship and move me to my promise land, to the place of fulfilment. Lord let me find mercy in your sight and let suffering end in my life, let hard labour end, let me move forward by divine speed. Put an end to poverty, suffering and borrowing from my life.

(104). The Lord wants to give some of your spiritual growth and spiritual advancement. He wants to move you so high in the realm of spiritual operation and spiritual gifts which is also connected to your calling.

⇒. Raise your hand high. In the name of Jesus, I receive grace for divine speed in my spiritual life. I receive grace for spiritual advancement, grace to grow speedily in my spiritual life and calling. Grace to grow speedily in the knowledge of God, wisdom

of God, I received the grace right now. I receive the grace to grow with speed in intimacy with God, in hearing the voice of God, in seeing visions and getting divine revelations.

(105). If Jesus can multiply physical items, there's nothing physical that Jesus cannot multiply. Even your finances can be multiplied. You don't have to understand how the increase will come, all that you need to know is that it can happen by the authority of Jesus.

⇒. Lord Jesus, let your Kingdom authority begin to produce multiplication and great increase in my finances and business. In the name of Jesus I prophesy upon my finances, let great increase come upon my finances from heaven. Oh Lord of hosts by your kingdom authority let great increase and multiplication begin to happen in my finances. I shall always have more than enough, I shall not be limited in my finances or in riches and wealth in Jesus' name.

(106). Your financial life has a lot to do with your fulfillment in life. Money is the weapon for destiny fulfillment, even for your calling fulfillment. If the devil wants to limit you in your destiny and calling fulfillment, what he will do mostly is to limit your finances. Once your finances are limited, every other thing will be limited.

⇒. Raise up your right hand and decree. In the name of Jesus, by my authority in Christ, I decree, every limitation of darkness that has been sent over my finances, over my financial prosperity, be broken right now in the name of Jesus. By my authority I break you limitation of darkness upon my finances, be broken right now in the name of Jesus. Limitation of witchcraft, demonic covenants, every limitation of darkness upon my finances be broken forever in Jesus' name.

(107). When we talk about limitations in your finances, we are talking about your finances not rising beyond a certain level. Even if you might not lack anything but that doesn't mean your finances are not limited. For example, if it is in your destiny to count billions by the age of 35 and you are still counting thousands it means you are limited in finances because you should be having more than what you have. (I am not saying you should be covetous but we are talking about calling and destiny).

⇒. In the name of Jesus, I come against every darkness and demon attached to my life, to set a limit on my financial prosperity, let the lightning and thunder of God crush them. Let that darkness be destroyed, let those demons be consumed by the fire of God. Every darkness attached to the journey of my life, every power, every demon attached to my life limiting my financial growth, financial greatness and financial prosperity, in the name of Jesus let the lightning from heaven fall, let the thundering of heaven thunder, let the fire of God fall right now and consume them all in Jesus' name, Amen.

(108). Finances do not just come except there is a cause. It is not according to the operation of God's kingdom for some money to just appear in your bank account without any cause, it might happen that way if God chooses and it has happened to some people but mostly God doesn't work that way. There's always a cause for you to be blessed financially, we are talking about mercy, favour and helpers. When God has mercy on you, when people have mercy on you, when you receive favour in the sight of men, when you receive support and sponsorship then that is the cause.
⇒. Father let your mercy and favour be lavished upon me. Father lavish upon me your mercy, favour, and grace for financial greatness, financial prosperity, financial breakthrough and financial growth. Lord let your grace mercy, favour be upon me continually for manifestation of great financial breakthrough from now henceforth, Lord Jesus do it.

VERSE 21

(109). When Jesus speaks you should not underweigh His words because they are true. He says if you have faith you can do things like this and much more. It means you can speak to things and those things will listen to you and whatever you say will happen to that thing.

⇒. Visualise something that you do not like that has been going on in your life for a long time and speak to it.. By my authority in Jesus, evil that has been prevailing in my life for so long I command you to get out, disappear forever. In the name of Jesus, you set back, disappointment, failure and poverty I command you come out in Jesus' name. You weakness in my spirit, soul and body, my body is not for you, my life is not for you, I command you to disappear in the name of Jesus.

(110). Visualise spiritual projection. Visualise spirit of rejection. People promise to help you but they never help you.

⇒. I come against you spirit of rejection working in my life, limiting my life, I command you to come out in the name of Jesus. You spirit of rejection stopping my progress, breakthrough I command you come out in Jesus' name, you shall not limit me anymore in the name of Jesus

(111). What is it that has been prevailing in your family or home or house that you do not want?

⇒. In the name of Jesus, by my authority in Jesus Christ I come against every work of the devil going on in my family, in my father's house, mother's house, I come against you in the name of Jesus, be destroyed in Jesus' name. Every household spiritual wickedness I command you, be consumed by fire. Every operation of darkness in my house, in my family, I command fire to consume them all right now in the name of Jesus.

(112). The Lord is telling me that there is this thing in your life that is causing you pain. Because that thing is there, it is causing you pain. Pain is in different categories, it can be pain in your body or in your heart. You're in pain because of this thing the devil is doing and it's breaking your heart.

⇒. Every operation of the devil, of darkness causing pain and trouble in my life, I command you to be uprooted right now and be removed from my life from this hour henceforth in the name of Jesus. Let the fire of God uproot everything the devil is doing to trouble my life and trouble my heart. You plantation of sorrow, pain and trouble in my life, be uprooted right now and be removed from my life forever in the name of Jesus.

(113). Jesus said you can do things like this, whereby you can speak and it happens that is Kingdom authority. It's not only things if you do not want in your life and situation, but you can also speak the things you want into existence and it will appear. What are the things that you want that you know that God has them in store for you?

⇒. In the name of Jesus, this is what I want in my life, progress appear, success appear, promotion appear, divine and physical blessings from heaven appear right now in my life. Happiness, celebration, and joy appear from this hour henceforth, breakthrough, great wealth, privileges, in the name of Jesus I command you to appear right now. Divine helpers appear in my life, calling and destiny right now. Destiny helpers appear right now in my life in the name of Jesus, goodness, mercy, favour and grace appear. Power, anointing from heaven appear in my life, my calling and ministry from this hour henceforth in the name of Jesus Christ. Marital breakthrough appear in the name of Jesus.

(114). Jesus said if you have faith and don't doubt you can do things like this and much more. This much more you will need divine revelation to understand what are the other things that I can do with the kingdom authority as a child of God, as a disciple and a son of the Kingdom. There are many things we can do that we do not know yet by this Kingdom authority.

⇒. Father show me what I can do with my shared authority in you. Lord show me and give me revelation of them so that I can stop evil and enforce righteousness in the earth. Lord that which I can do by the kingdom authority, show it to me, teach me and reveal them to me Lord Jesus. The wonders of your authority in my life, reveal them to me in Jesus' name.

(115). Five things you can do with Kingdom authority. #1. By Kingdom authority you can claim things for God. Things that presently look like they are under the devil's control and possession, you can claim it for God because the earth and the fullness thereof belongs to God. The things that appear as if the devil is sitting upon them, you can go to that place, take it from the devil and take it for God.

⇒. Raise up your right hand. In the name of Jesus, I claim for Jesus every soul of my family members that is in possession of the devil. Every soul of my siblings and relatives that the devil is controlling, in the name of Jesus I claim them for Jesus Christ. (You can mention their names) you... I claim you for Jesus because you belong to Jesus. Jesus created you, I claim you for Jesus. Every soul in my mother's house, father's house that do not know the Lord right now, I claim them for Jesus, I claim them for the kingdom of God in Jesus' name.

(116). Every blessing and position that is made for me but is being occupied by someone else, by my authority in Christ Jesus I claim them now because they belong to me. In the name of Jesus, every position and blessing that belongs to me, I claim them right now in the name of Jesus. Whoever is sitting upon my blessings, I remove them in the name of Jesus. Whoever is holding my blessing, I take it from their hands in the name of Jesus Christ. Every power, principality, ruler of darkness sitting on my blessing I remove them right now and I possess my blessings in the name of Jesus Christ.

(117). #2. You can control the affairs of men. The Bible says redeeming the times because the times are evil. And God rules and reigns in the affairs of men. You can control where decisions will be made. From your room you can control what is happening outside in the marketplace, organisations, and political sectors by your kingdom authority. You can control the affairs of men to agree with the will of God. ⇒. Raise up your right hand, in the name of Jesus by my authority in Christ Jesus, I decree and I declare that every activity of men and women begin to surrender, submit to the performance of the will of God in my life. Every evil activity, discussion, action and thought of men and people let them begin to surrender and submit to the performance of the will and purpose of God for my life and destiny. By my authority in Jesus Christ I speak right now that from this hour henceforth the affairs of men, meetings all over the world begin to submit and surrender to the performance of the purpose of God for my life to the performance of the will of God in my life, from this hour henceforth in Jesus' name.

(118). #3. Kingdom authority can overrule protocols. It came from the loss of men under subjection. It can bring the laws of men under subjection for the law of God to prevail, for the will of God to prevail.

⇒. Raise your right hand. In the name of Jesus by my kingdom authority I decree in Christ Jesus, I decree let every law of man, policies of men, principles of men, decisions of men that are working against my rising, let them surrender for the will of God to prosper in my life, to prevail in my life and happen in my life. Every law protocol, principal, policy of men, begin to surrender and bow for the will of God to prevail in my life and destiny. From this hour henceforth they shall bow and the will of God shall happen to me in the name of Jesus Christ.

(119). #4. It can reveal secrets. For example Daniel could understand dark sentences, even the antichrist said he will be able to understand dark sentences. Dark sayings or sentences are secrets, hidden things which are real but not visible. It's there but no one can see it. Kingdom authority can bring what is in darkness into light, it exposes secrets. Once the secret is exposed you can defeat them.
⇒.Raise up your right hand. In the name of Jesus, according to my authority in Jesus every secret of darkness that has been prevailing successfully in my life from childhood let the light of God expose them right now. Every secret of darkness that has been prevailing in my life from childhood I come against you in the name of Jesus, let the light of God expose you. Let every secret of darkness that has prolonged my captivity up to now be exposed by fire in the name of Jesus.

NB:I don't know if I have said this before, but whenever we are praying on this platform, sisters should have their heads covered, this just came into my spirit right now. Just as the Bible says a woman shouldn't prophesy or pray without her head covered

CLOSING PRAYER

Father we thank you for your help that we have received, thank you for your presence that has been so real in this prayer meeting. We thank you for your power that is working among us right now, to do wonders that eyes have not seen. Thank you Lord that by your angelic interventions we shall see great results and breakthroughs, that have never happened in our family's history. We thank you Lord because you shall move in our situations and you shall give us great victories. Thank you Lord Jesus, be glorified, be exalted forever in Jesus' name.

Father your people have prayed and have exercised their Kingdom authority. I am asking Lord, let the blessings for the answers to their prayers be released from heaven right now in the name of Jesus. Even more blessings that they did not ask for, let them be released from your throne upon their lives right now in Jesus' name. Lord I am praying for people that should have joined this meeting but their angels were here, Lord wherever they are right now, let the blessings locate them in Jesus' name.

I am praying for you that the Lord shall change your name. There shall be a manifestation of new things, new wonders, new miracles, new blessings that will change your story and name forever. When they talk about you they will talk about another you that is different and blessed. You shall be celebrated in the midst of

multitudes. The favour of God shall lift you up for celebration and so shall it be in Jesus' name.

As you write that exam, you shall pass excellently, you shall pass with high scores in Jesus' name. Thank you Lord, we bless your holy name.

I am praying that the Holy Spirit In You will arise and begin to manifest to you with power from this hour henceforth. You shall not have a dormant Holy Ghost but the Holy Ghost In you shall arise with power and fire, He shall arise with great authority and He shall begin to work mightily in you. He shall begin to manifest Jesus to you and to speak to you. He shall begin to help you in every area of your life until the glory of God begins to radiate all over your life, calling and destiny. Let it be so in the name of Jesus Christ.

You shall not borrow in the name of Jesus. You might have been borrowing before now, but I speak with authority that the Lord has given to me, from today you shall not borrow any more in the name of Jesus. You shall always have enough in Jesus' name. Thank you Father, blessed be your Holy Name, in Jesus' name I have prayed, Amen.

Can you please teach me i don't know what to say to you God. Then a friend told me about Apostle who she met him on Facebook. After a while she said there is a watsup group and they are praying midnight. I asked her to add me. Then I joined the midnight prayer. The first prayer it was about phillipians 2 8-10 (you see I still remember chapter and the verse is because of this ministry) I was hard for me to read the bible and to remember.

After a prayer I was like I am a new person. The following day I went to my friend. You know what it was me who was preaching to her and coting he way AAA does. Today as we speak I have 6 3quire book with all prayers. Now i know how to worship God. I have a relevant words to say and I enjoy.

[07/25, 06:57] Sister Vongai: This God continues to amaze me everyday. I can now see where i am going. I had a lot of confusion about everything in my life but it's becoming clear now. In this season of kingdom authority i have seen the Lord's hand at work.

Yesterday i was confronting a situation whereby a couple had given up on each other, i know the guy to be tough but i gathered courage to go there since the wife had ran to me. I am a shy person and so timid, it's so difficult for me to confront someone. The wife wanted to sleep over but i said no, we will sleep when i see your husband 🙋, this God 🙌🙌🙌🙌. We went there and at first there was resistance but the holy spirit leveled the mountain for me to walk over. They all opened up and we discussed everything until the man now could accept back his wife 😊. This God 🙌. Thank you Apostle, you even once said the Lord said "the fact that you have never done something doesn't mean you can't do it". I am so happy that the Lord healed a marriage. Blessed be his holy name hallelujah.

[8/6, 8:10 PM] Weston Chabuka: The prayers last night were too powerful. I thank God

[8/6, 8:19 PM] Weston Chabuka: I followed through over WhatsApp and i earnestly prayed along with you.

And today in the Morning i left Mzuzu city in the northern Part of Malawi, about 400 kilometers for Lilongwe the capital city where i stay. Just about 8 kilometers before we entered the city, a car front tyre burst after hitting a pot hole on the road. We were two in the car but by grace of God, the car stopped perfectly without causing any injuries or damages except for the tyre. So we replaced the damaged tyre with a spare one and continued. This time a rear tyre burst again.we thank God we survived again no injuries or damages except for the tyre again. *last night during the prayers, plans against me and my destiny from the kingdom of darkness were cancelled. If i did not joining the prayer, i dont know what could have happened. I thank God becoz he answers our prayer!!! May God expand the boundaries of this ministry

But I began praying and praying and praying. Then, while I was praying, the fire of 🔥 God came upon my left hands. I was laying hands on my right hands and I quickly switched hands. And after about 15mins I took my hands off, she said to me no mummy don't take your hands it hurts wen your hands are off. TESTIMONY

Blessed afternoon, I have a Wonderful testimony. At my work place we have been retrenching over half the work force due the impact covid-19 has had on the economy. I started with the company last year so by natural laws I should be retrenched as last in is first out. Today I had a meeting where they offered me a new position and those who have been there before me with even better qualifications have been retrenched. Pls help me glorify the Him, he suspends all natural laws for his people and makes a way where there is no way. He is a covenant keeping God.

8:55 PM

Hallelujah!! I give Glory to the God of Israel, I'm happy for you
