PRAYER POINTS

⇒. Father, thank you for every answer we have received to our prayers during the fasting we just concluded. I thank you for every answer I have received for my prayers. I thank you because you have answered my prayers. Ancient of days I thank you because as I prayed through the fasting season, you heard me because you said we should ask and it shall be given unto us, seek and you shall find, knock and it shall be opened. I thank you Father because I asked and it was given, I sought you and found you, I knocked the doors of heaven and it was opened unto me. Thank you for the strength to go out through fasting and the strength to receive miracles from heaven. Thank you for how you helped me, indeed you helped me and I cannot deny it. Thank you for the great love you showed me, the great mercy I have received, thank you Father.

Thank you Father for your faithfulness in this ministry, we have seen you healing people instantly, delivering the oppressed, casting out our devils. You have given us the Spirit and great blessings. We have seen mighty miracles, undeniable miracles from you oh Lord, thank you Father

⇒. God and heaven have a glorious future for this ministry. I cannot describe what is about to happen but I know without a doubt there's a great and glorious future for every one of us.

•Father, thank you for your great and glorious future you have ordained for this ministry. Ancient of days, we say thank you for a glorious future. We know without a doubt because you've shown us by prophecy and revelations that there is great glory awaiting this ministry and it is so wonderful and powerful, mighty Father we say thank you. Thank you for this great glory about to be revealed in this ministry. Thank you for the glorious and great future that is about to come upon us and overtake us. Thank you for what you are about to do. Eyes have not seen them, ears have not heard neither has it come to the mind of man, but we know with faith, you have planned a great future for us in this ministry, thank you Father.

⇒. We have divine operations of God, and I perceive in my spirit there is a divine operation going on concerning each of us and by the time God will be finished but time he will be through with those operations, you will be shocked by what will manifest in the physical or by how or what your life will become.

•Father, thank you for your works in my life, thank you because you are working tirelessly in my life to make my life glorious. Father, thank you because you are busy working to make my life glorious, you have not stopped and you will continue to do them. Thank you because you have begun to work and very soon I will see the beauty of your wonders in my life. Thank you for the operations you're doing in my life, body system, soul, spirit, family, business, career, and marriage. Thank you because by the time you are done, my life will never remain the same again.

⇒. Heavenly Father, let your grace be multiplied in my life so I can experience more victories and success in my life. Give me more grace so that I can live in holiness and righteousness, so that I will experience and encounter more victories and more success, Lord, I need grace. Give me more grace of God, magnify your grace in my life. Lord, I need more grace so that my life can be good, healthy, successful and victorious. I need grace so that I can enjoy my relationship with you. I need grace so

that I can pray and pray through, so I can pray and prevail. I need grace, Father multiply grace in my life, magnify your grace in my life.

⇒. Heavenly Father, let my shame turn into glory and honour by your mighty hand. Turn my shame, reproach and disgrace into honour and glory. Lord everything in my life bringing dishonour, disgrace, shame, Father let them be taken away and let there be glory and honour to replace everything causing shame and disgrace. Whatever is in my life that is allowing unbelievers to mock your name in my life, Father take away that thing now. Anything in my life, body, marriage that is not allowing the name of the Lord to be glorified, praised and honoured, Father remove them now in the name of Jesus.

⇒. The Lord is telling me there are some people who have forgotten you. They are supposed to do certain things in your life, God brought them into your life to be able to carry out certain things in your life that pertains to helping you to become who God wants you to be. It could be in terms of your career, ministry, or spiritual growth and these people have forgotten you. Some helpers will not come to give you money but they will come to help you fulfill your destiny.

•Father, every person you have ordained to carry out certain assignments in my life but they have forgotten me, oh Lord go and touch them, speak to them and let them remember to do what they are supposed to do in my life. Every individual that you have ordained to help me to perform certain assignments in my life, Lord wherever they are, let them begin to remember me right now in the name of Jesus. Wherever there are all over the world, whoever you have ordained to lift up my life, Lord let your mighty hand begin to move them into my direction, let your mighty hand begin to turn their hearts towards me in them.

⇒. There's an anointing that will appear in your life such that people who matter to your destiny fulfilment will be magnetized to you and attracted to you. It doesn't matter where they are even if they are not in your country, wherever they are in the world they will just be magnetized to your life.

•Raise up your right hand. Father put upon me the anointing that will magnetize destiny helpers into my life, the anointing that would draw them into my life from wherever they are, an anointing that will attract them to my life, Lord let that anointing appear into my life, let it fall upon me. Lord the anointing that would draw my destiny helpers from every corner of the world, the anointing that would magnetize them into my life, let that anointing fall upon me right now. The anointing that would pull their hearts and minds towards my direction, that will draw their attention toward me, Father let that anointing fall upon me. ***I decree over your life tha an anointing that will begin to magnetize all the helpers of your destiny, let that anointing fall upon you right now in the name of Jesus.**

⇒. Father, make my life reveal the purpose of my creation. Let my life begin to fulfill the purpose of my creation. Father let my life begin to manifest the divine purpose

you have placed upon my life, Lord let it begin to be fulfilled, let it begin to find expression in the name of Jesus. Lord the purpose of my existence, I want it to be fulfilled now, I want the purpose of my creation to be fulfilled now. I do not want to come into the world and live a life that is not fulfilled. I do not want to pass through this earth without fulfilling my divine destiny on earth. Father I am asking what my purpose on earth is, why I am a woman, why I am a man, why I am who I am, why I am still breathing? Lord that purpose, let it begin to be fulfilled right now in the name of Jesus.

⇒. Father let your dominion manifest in my life and let an end come to my oppressors. Lord manifest your dominion and let whatever is ruling my life for evil, let your dominion destroy it right now in the name of Jesus. Let your dominion appear and destroy oppressors in my life, in my body system, soul and body, let your dominion appear and destroy them. Let your dominion appear right now in my body and put an end to the rule of darkness in my life. ***I decree over your life, that the dominion of Jesus Christ shall appear in your life right now and every oppressor of darkness in your life shall be destroyed right now in the name of Jesus**

⇒ . Raise up your right hand. Oh God of heaven and earth, let a new beginning happen to me, I want my life to be among those who will experience a new beginning at this time. Let a new beginning happen, a new beginning of goodness, greatness, of a new glory, let it happen to me in the name of Jesus. Oh God of heaven and earth, a new beginning of great honour, great things, double honour, great glory, a new beginning of a new life, of great victories, a new beginning of a new journey of fruitfulness, a new journey of power, success, prosperity, great riches and wealth, of great achievements, let it happen to me oh Lord. Let a new journey of deliverance, healing, and victories, Lord let it begin in my life. Enlist me among those who will experience a new beginning in this season. Enlist me among people you are visiting for new beginnings, Lord let a new beginning happen to me.

⇒. Father let your favour rest upon my life, upon me, let your favour sit upon me, let it be upon me so that I will be favoured everywhere I go. Let your favour sit upon my life, spirit, soul and body, let divine favour come upon my life. I receive divine favour upon my life, my business, career, marriage, and finances from heaven right now in the name of Jesus. I receive favour concerning the works of my hands, I receive favour to be recognised, I receive favour to be patronized in my business, I receive favour to make it in life, to prosper in life, to succeed in life. I receive favour to have progress, I receive favour from the Lord right now. Favour that would attract favour, favour that would make me favoured, let such a favour rest upon my life and sit upon my life from now henceforth. ***I decree over your life, that favour that has never happened before, a kind of favour you have never experienced before, let it come upon your life right now in Jesus' name. Favour that would make you to be favoured in great and high places, receive that favour right now in Jesus' name.**

⇒. Father, train me into a strong soldier of Christ that can never lose in battles. Train me to become a strong powerful soldier, train me to become such a warrior, a soldier that cannot be defeated in the battle of life, a soldier that becomes a terror into the kingdoms of darkness, Lord I want to become such a soldier, train me Father to become a warrior that cannot lose in warfare. Train my spirit into such a warrior spirit, train my body and soul, train my mind and my life to become so strong that the enemy cannot overcome, Lord make me into a strong, mighty, powerful warrior that would shake the kingdoms of darkness and torment them. Make me a warrior that would terrorize the kingdoms of darkness, a warrior that would stand and billions of devil's will not be able to withstand me. I want to become such a warrior, I want to be a warrior that would destroy all the strongholds of the enemy, Lord make me such a warrior.

⇒. Do you know that there is a level of growth you will have as a Christian that would mean no more mistakes, no more errors, failures or defeat in your life? There's a level of advancement that you get to in Christ and you will be so perfect in operations. There are people like that and the world needs such people that have been trained by God so that they make no mistakes or fail anymore so they don't lose in battles. Those kinds of people who fight in battle and never lose, they are what the world is looking for. My prayer is that you would become one of those people.

•Father, take me through a training that would perfect me in dominion over every darkness, dominion over mistakes and errors, over every attack, over every devil and witchcraft. Take me through a process that would perfect me in strength and dominion such that I lose no more, I fail no more, suffer no more, strength that I am not afflicted, oppressed or tormented anymore. Lord take me through the training process that would perfect me in strength and dominion in the battles of life, strength that I fail no more, such that I have dominion over everything you have dominion over, I want to go through such a process, train me till I become indestructible, undefeatable and invincible, train me Father.

⇒. The Bible speaks of elite warriors from the tribe of Benjamin, elite troops of soldiers. These men were so well trained that they could sling a stone from a very far distance and they never missed their target, they would hit the enemy on the head and the enemy would die instantly. The Bible says in all the battles they fought they never missed a single time and those are the kind of warriors God wants to raise at this time, warriors that would never miss their target, lose in any fight.

•Father, train me to become consistent and persistent in victory, train me into such a warrior that is always victorious. Lord, I do not want to be rising and falling but I want to keep rising, to keep growing strong. Lord help me, transform me and train me. Lord, I do not want to be a Christian that is suffering under the oppressions of Satan, a Christian that is always defeated but Lord I want to be a victorious Christian, a Christian of constant victories. Lord, whatever you have to do for me to become such a Christian, Lord do it now. Whatever you have to do in my spirit, soul and body so

that I become persistent in victory, in the battles of Life, Lord do it now in the name of Jesus. If they were warriors in the ancient times who never lost in victory, Lord, I want to be like such warriors, help me Father, train me, strengthen me in the name of Jesus.

⇒. Warriors don't get tired, they have a tireless strength that does not grow weak. A warrior can be fighting for many hours and can continue fighting without getting tired. We need this kind of strength that does not get tired, especially in these last days. Most of us quickly lose interest in the things that pertain to your destiny. If you lose strength in the things that are so important to your destiny it means you are a weak soldier. When you lose interest in long hours of prayers, studying the Bible, praise and worship, that is wrong.

•Father, baptize me into spiritual strength that does not get weary, immerse me, soak me into spiritual strength that does not get weary, a strength that does not give up. Immerse me into such a strength that does not get tired, that keeps praying for many hours and does not get tired, immerse me into such a strength that is ready to trust God for years and not give up. Immerse me into such a strength that does not surrender to the enemy, into a strength that always fights until I prevail. Lord, I need the strength of a warrior in my spirit, I do not want to go in the strength of the weakling but I want to live my life on earth with the strength of a warrior. Baptize me oh God into the strength of a warrior, a strength that does not get weak in the name of Jesus.

PSALM 94:7

⇒. The enemy is saying God does not care about your life but that is a lie because God cares and sees what is happening in your life. Maybe you have been feeling like all these years it's what the devil is doing that keeps succeeding in my life. What is God doing, is God seeing these things happening to me and what does God want to do concerning these things? We know that God is faithful and that He cares.

•Place your right hand on your head. Father intercept the ongoing plans and operations of the enemy going on in my life and let an end come to them all right now in the name of Jesus. Oh God of heaven's armies, intercept suddenly all the plans and operations of the kingdom of darkness going on against me, Lord appear, cut in suddenly and consume all the wickedness of the enemy that has been prevailing in my life for many years. Lord come in quickly right now and destroy them all right now in the name of Jesus. Lord, appear suddenly and stop the flow of wickedness in my life, come in quickly and destroy them all. ***As you have prayed, so shall it be in Jesus' name.**

⇒. Sometimes it might look as if God does not care or He's not there. Sometimes a situation can persist so intensely and keep getting worse and may look as if God is not with you but it's not true because God is always there. Don't be afraid because God is still there. Sometimes God does not show up quickly because He has His

own time He shows up, and also He likes to show up at a time when He would have a greater glory through that situation.

•Father, have mercy upon my life and let not the enemy prevail over me. Let not the schemes of the enemy continue to prevail though it appears as if they have prevailed, do not let them continue to prevail. Lord intervene by your mercy to stop permanently what the enemy has been doing successfully. Do not let the enemy crush me in pieces, do not let them swallow up my life. Lord intervene in your mercy and deliver me.

⇒. There are some situations where people begin to question where the God you believe in is, where the God you have been serving all these years is. In this passage they were asking where the God of Israel was and why He was not helping them and rescuing them from their hands. Maybe they are some stubborn enemies asking the same question to you. The good news is your God is with you, He is right here to help you.

•Raise up your right hand. Father visit me with power, visit my life and situations with power and show your greatness to my enemies, reveal your greatness to my stubborn oppressors, let them know that the God of Israel is my Father. Father, visit my life with power, show the principalities, the dark kingdoms troubling my life, show them your greatness in my life, do it right now. Father visit my finances, marriage, health, career and family with power and show the darkness how weak they are, show them that they are too small to stand against you, show them that you are my Father and let them know you care for me.

⇒. Raise up your right hand. Oh God of Israel, move mightily in my life and situations and let the mountains move. Mountains of limitations, failure, incurable sickness and disease, move away my mountains of Father. Oh God of Israel, move in my situation and life and move away mountains of poverty, reproach and shame; mountains of hardships, suffering, delays. Move right now and let the mountains limiting my rising be moved away from my journey right now in the name of Jesus.

VERSE 8-9

⇒. The Lord cannot be limited and there is no realm hidden to His eyes. Whether it is physical or spiritual realm, He sees into every realm, into every reality, every place at the same time

•Father, let your terror come upon every realm of darkness where the affairs of life are being manipulated for evil, let your terror and anger come upon them and destroy them. Every realm of darkness, visible or invisible, physical or spiritual, Father let your wrath, terror and anger descend upon these realms and let your judgement happen to them. Every realm of darkness where the affairs of my life, calling and destiny are being manipulated for evil, oh God of Israel locate those realms with your terror and destroy them all right now in the name of Jesus.

⇒. The writer calls them fools because they don't know what our God is capable of. If they knew what God is capable of, they wouldn't attack God's children.

•Father, consider how much the enemy has done against my life, career, business, calling and finances and help me, consider and fight for me. Lord, consider how much the enemy has done to stop me, to weaken me, to limit me, to frustrate my life, trouble me, to defile me, to control my life, Father consider their works and intervene quickly. Arise oh God and fight them now in the name of Jesus. ***From tonight the operations of Satan and his agents in your life are forever terminated in the name of Jesus.**

⇒. Place your right hand on your head. In the name of Jesus, I disconnect myself from every realm of darkness that is transferring evil into my life at midnight. Every realm of darkness that always injects evil into my life when I have slept, I remove myself from those realms forever right now in the name of Jesus. I remove myself, I disconnect myself from every realm of darkness that always interacts with my spirit, soul and body when I am sleeping in the night, I remove myself now in the name of Jesus.

⇒. Lift up your right hand. I receive into my life every pending benefit that should have been given to me, that should have landed into my life, I receive them right now in the name of Jesus. I receive every pending blessing that should have landed into my life, that should have been given to me, I received them now in the name of Jesus.

⇒. If you are going to become a prevailing Christian warrior, you have a lot to learn in the Bible. If there is any spirit or thoughts in your mind that are not allowing you to study the Word, that spirit, thought or imagination is from the kingdom of darkness. You need the Bible so much to become a warrior. When we pray, what we pray is the Bible, when we sing what we sing is the Bible, everything we do all is connected to the Scriptures. The Word of God is a strong foundation to becoming a prevailing warrior. If you don't believe the Word, you won't study it, you need to believe the Word of God.

•Place your right hand on your head. Father, help me to love studying the Bible, searching the scriptures help me to love meditating on the Word of God. Lord help me to love the Bible, to love to study the Bible and to meditate on the Word of God. Help me to practice the Word of God, to trust in the Word of God, help me oh Lord to believe the Word of God.

⇒. A warrior in the spirit is someone who knows when he is going down, and when he needs to be charged up spiritually. A warrior knows how to maintain a level of fire in his or her spirit that is necessary to win all manner of battles. It is foolish for a Christian to see himself going down spiritually and do nothing about it. You know you are going down in faith and fellowship with God, when it comes to prayer you don't pray like you used to before, even the knowledge you have now is different from

what you had before. A warrior is someone who cannot afford to depreciate spiritually, a warrior is not foolish and does something about when he/she's going down.

•Father, help me to keep myself at a level of fire and power for persistent victories. Help me Father to maintain such a height of fire and power in my spirit, soul and body. Lord, I refuse to be a foolish soldier, a foolish Christian, help me to keep myself at a high level of fire and power for persistent victories in the battles of life. Help me to know when my spiritual fire is going down and help me to know how to charge up, help me to be sensitive to my spiritual strength level and fire level in the name of Jesus. Help me to maintain a high level of fire, power and strength in my spirit for persistent victories in the name of Jesus, Amen.

Thank you Father, for I know you have answered.

I speak upon your life that you shall rise to greatness and success. Enter into great abundance of blessings, riches, wealth and riches in the name of Jesus. Thank you Father because we know you have answered in Jesus' name. It is done, Amen.

Let your fire locate every powerhouse of darkness, witches and wizards, demonic priests and priestesses, every powerhouse of which doctors, agents of Satan principalities and powers of darkness, let the fire of the Holy Ghost locate them now to destroy in the name of Jesus. Every powerhouse of darkness working against my life, attacking my destiny, let fire find them and consume them right now in the name of Jesus. Fire of the Holy Ghost, locate every invisible altar of darkness, visible altars wherever they are established, let fire of the Holy Ghost visit them with destruction right now in the name of Jesus.

⇒. The Lord is showing me there are some strange invisible creatures of darkness and every time God deposits something good into your life these things come to remove them.

•Raise up your right hand. In the name of Jesus, I invoke the fire of the Holy Ghost upon every demonic being, removing God's blessings from my life, removing God's favour from my life, removing good things from my life, let fire fall upon them, consume them and destroy them. I invoke the fire of the Holy Ghost upon every demon, demonic creature of darkness taking God's blessings from my life, taking away good things from my life, let the fire of the Holy Ghost consume them now. You demon, unclean spirit, demonic creature taking away from my life what God deposited in me, catch fire right now in the name of Jesus.

⇒.Father let your Holy fire begin to burn in my spirit, soul and body to destroy the strength of sin, the stronghold of sin. Holy fire of God be in my spirit, soul and body and destroy the power of sin, destroy strongholds of sin right now in the name of Jesus. Holy Ghost fire of God burn and destroy the stronghold of sin in my life, I refuse to serve sin, I refuse to be a slave to sin and unrighteousness. Let the fire of the Holy Ghost destroy the strength of sin in my life forever in the name of Jesus.

⇒. Your blood is more spiritual than physical, yes that very blood that flows through your body system. Inside your blood there are many things that have to die. These are invisible things like ancestral curses, habits, attitudes, sicknesses and diseases.

•Place your right hand on your head. Fire of the Holy Ghost, pass through my blood and destroy ancestral deposits of darkness. Fire of the Holy Ghost pass through my blood system and begin to destroy ancestral curses, diseases, evils in my blood, destroy ancestral habits, sins and attitudes. Every ancestral slavery bondage flowing through my blood, let the fire of the Holy Ghost consume them now in the name of Jesus. Every ancestral bondage locked inside my blood, locked in my spirit, locked inside my body and soul, fire of the Holy Ghost destroy them right now. ***I decree by the authority of the Most High God upon my life and I command fire to pass through your blood right now and deliver you from every ancestral captivity of darkness. Let there be deliverance right now in the name of Jesus, you are free in the name of Jesus.**

⇒. You need to understand that people do not just misbehave. Some of your wrong attitudes have an ancestral background though you might not know of it. You're not just behaving like that but because there is a problem from the origin from the foundation in your family line.

•In the name of Jesus, I come against every ancestral influence of darkness making me to misbehave, to manifest wrong attitudes that are against my destiny, let fire consume such influence right now. I come against every ancestral drive of darkness manipulating my emotions, character and behaviour to go contrary to the will of God, let fire consume them now in the name of Jesus. Every ancestral drive that is

driving me to do contrary to what God wants for my life, catch fire in the name of Jesus. Every ancestral demon driving me to go the opposite direction to my destiny, catch fire in the name of Jesus. Every ancestral demon manipulating my relationship with God, confusing my communication with God, catch fire right now in the name of Jesus.

⇒. In the name of Jesus, I nullify every ancestral ritual that has been done to frustrate and terminate my destiny, I nullify it now. I cancel every ritual done to terminate and frustrate my destiny, wherever the ritual was done, whatever was done in the atmosphere, under the ground, on high mountains and hills, wherever they have done their rituals; I call it undone right now in the name of Jesus, I declare it cancelled right now in the name of Jesus.

THE WEAPON OF THE WIND OF GOD (East wind of God)

⇒. Raise up your right hand. Father let your wind of destruction blow against every activity of demons and dark agents in my life, to destroy them all. Father, let your wind of destruction blow right now against every operation of darkness, agents of darkness in my life, marriage, home, career, family, business and destroy them all. I invoke the wind of destruction of the Most High God against activities of devils in my life, activities of witchcraft serpents, scorpions, unclean spirits, let them be utterly destroyed right now in the name of Jesus.

⇒. Raise up your right hand. I invoke the wind of the Holy Ghost upon every environmental devils, demons and demonic operations, satanic operations, let them be utterly destroyed now in the name of Jesus. Every environmental witchcraft going on in my environment, in my community and in my building, let the wind of the Holy Ghost waste them all right now in the name of Jesus.

⇒. The kingdom of darkness can plant a tree and seal it with covenants that as long as this tree is in this location this evil will continue to prevail and succeed. These kinds of trees may be visible or invisible and there are more invisible things than visible but because most of us do not see into the invisible world we do not know about them.

- In the name of Jesus, let the wind of the Holy Ghost uproot every demonic tree of darkness giving strength to darkness in my life, enforcing evil in my life and destiny. In the name of Jesus, let the wind of the Holy Ghost uproot whatever plant that has been planted to ensure that evil succeeds and prevails in my life, calling, ministry and destiny, let the wind of God pull them out, uproot them now in the name of Jesus. Let the wind of God pull out every tree planted, visible or invisible to enforce evil upon my life, calling and destiny right now, be uprooted by the wind of the Holy Ghost in Jesus' name.

⇒. Whenever the wind blows violently there is a way it clears the ground, it sweeps the ground that is what the wind of God is going to do right now

•Raise up your right hand. In the name of Jesus, I invoke the wind of the Holy Ghost to sweep away everything God does not want in my life and in my situation. Wind of the Holy Ghost begin to blow right now and begin to sweep away every unwanted thing in my life, finances, body, soul and spirit. Wind of the Holy Ghost blow right now and sweep away everything that God does not want in my life, everything that God does not authorise in my life, let the wind of the Holy Ghost sweep them away right now in the name of Jesus.

⇒. Father let your wind blow with great power, strength and force to move forward good things that have been stagnant and delayed in my life. Wind of the Holy Ghost blow right now, it is time for my progress, it is time for me to move forward. Let the window of the Holy Ghost begin to blow everything that has been stagnated and delayed, let them begin to move forward right now by the power of the wind of God in the name of Jesus. Every project that has been stagnant, let the wind of the Holy Ghost blow to move them forward in the name of Jesus.

⇒. The wind of God has power to uncover especially things that the enemy does not want you to discover. There is a way the wind of the Lord can uncover dark secrets when it blows.

•Father, let your wind blow to uncover secrets of darkness concerning my life and destiny, let your wind expose them right now in the name of Jesus. Oh God of Israel, blow your mighty wind and begin to uncover dark secrets, whatever the enemy has done that must be exposed by your violent wind, let them be exposed right now in the name of Jesus.

⇒. There are different kinds of the move of God. There are some which will make people start confessing, witches and wizards, agents of Saturn will start confessing to you or around you all the evil they have done. Have you prayed to the point that demonic people started confessing that they are the ones behind your problems, the ones who have been afflicting you or poisoning you? They will start confessing and cry for mercy because the hand of God hit them so hard. The Holy Spirit wants to do a move that will make human agents of darkness to start confessing the evils they have done.

•Raise up your right hand. Father let there be your move in my life that would make the agents of Satan begin to confess and cry for salvation and repentance. Father move in my life, environment, church, home, place of work such that demonic agents begin to confess all the evils they have done and begin to cry for salvation and repentance, let such a move happen right now in the name of Jesus. I desire a great move of God in my environment, Lord let your great move be in my family, my father's house, mother's house that would make the demonic personalities begin to confess their wickedness and cry for repentance and salvation and begin to repent.

Lord let there be such a move of your power in my church, ministry, environment, family that will expose agents of Satan in the name of Jesus.

THE RIVER OF THE HOLY GHOST

⇒. The Bible says those who believe, out of their bellies shall flow rivers of living waters. The Holy Ghost has a dimension of rivers as much as He has a dimension of wind and fire.

•Father let the river of the Holy Ghost burst forth from within me and let it begin to flow from within me until I am completely immersed in the river, until I am completely saturated with the Holy Ghost, let the river of the Holy Ghost burst forth from within my spirit. Let the river of the Holy Ghost begin to flow until I am immersed in the river, until I am saturated with the Holy Ghost and the river of the Spirit of God begins to flow from within me. River of living waters begin to flow right now from within my soul, from within my spirit, from within my heart. River of living waters, begin to flow from within my spirit, begin to flow out in Jesus' name.

⇒. By rivers of living waters we mean the grace for divine utterance, speaking in tongues, spiritual tongues of the Spirit means rivers of living waters. Praying prophetically is when you open your mouth and God begins to fill your mouth with powerful words and you didn't even know what you were going to say before you begin prayer but you just pray as words begin to flow out of your mouth, that is an expression of the river of the Holy Ghost. This is how prayer becomes powerful and brings forth miracles and victories.

•Place your right hand on your head. Father, put upon me the grace that will pull up rivers of living waters from my spirit every time I pray, so that there will be manifestations of signs and wonders and great victories. Put upon me Lord such a grace that would enable me to pray with divine utterances. Such a grace that would stir up rivers of living waters from within my heart and spirit, let that grace come upon me, let it rest upon me, let the grace remain upon me. The grace that would enable me to speak and pray by divine utterances let such a grace remain upon me right now.

⇒. We can liken the baptism of the Holy Ghost to be like you in a river. There are people who have the Holy Ghost but it's just a little depth of it, they are just a little deep in it maybe ankle-deep, some are knee deep, others the river has risen to the point of their waist, some the river has risen over their shoulders and overtook them. Baptism of the Spirit is when you have lost control and it is now the Spirit in control. This is you going so deep in the river of the Holy Ghost.

•Lord Jesus, take me deep into the river of the Holy Ghost till I lose control to the flow of the Spirit Holy Ghost. Lord Jesus, take me deep into the river of the Holy Ghost, till all my life is controlled by the Spirit. Lord take me into the depth of your Spirit, immerse me into the depth of the river of the Holy Ghost till everything in my life is under the control of the Holy Ghost. Oh God of Israel immerse me deep into

the depths of the Holy Ghost till all my life is controlled by the Holy Spirit, till I have no desire of my own, till I have no will of my own, till I have no life of my own in the name of Jesus.

⇒. Father let my life from now henceforth become a channel of blessing to my generation. Let my life become a channel through which blessings will flow to nations, destinies, souls, and lives, let my body become a vessel through which your blessings flows to the nations, to my generation. Let my life become a vessel through which divine messages flow through, which prophecies flow through, which revelations flow out to my generation. Lord make me a channel that would extend your blessings, that would manifest your blessings to the nations, to my generation.

⇒. Father, let your Spirit of prophecy come upon me that I begin to prophesy your will and mind to my generation. Spirit of prophecy come upon me from the Lord, Spirit of prophecy from the throne of the God of Israel come upon me right now. Spirit of prophecy from the Lord Jesus come upon me that I will begin to prophesy the mind of God and the will of God and to my generation. ***I speak over your life, receive now the Spirit of prophecy, receive it in the name of Jesus. Receive the Spirit of prophecy from the throne of God now in the name of Jesus.**

⇒. Rivers of living waters means that God begins to use you to give life to people. One of the ways He's going to be doing that is through wealth establishment or financial greatness. That is for the people with a heart of giving not for those who are stingy. People with a heart to give, to save lives, God is going to bless them mightily in these last days.

•Father, let my life become a channel through which riches and wealth will flow to bless my generation. Let my life become a channel through which riches and wealth will flow to bless millions of lives and destinies. Lord let my life, my bank account become a channel through which riches and wealth will flow to save life, to save destinies, to change lives and change destinies. Lord let my life become a wealth channel for the sake of revival in my generation. Lord make me a wealth channel for the sake of the transformation of souls, soul winning and revival in my generation, do it Lord Jesus in Jesus' mighty name, Amen.

Be expectant for results, don't just pray and see as if it's a waste of time or it might not happen. That's not how we pray, but be expectant

and as you're expectant you shall see the glory of God in Jesus' name, remain blessed, Amen.

Father, irrespective of what the kingdoms of darkness are doing right now against my life, what they are planning to do, let your will for my life prevail, your will for my destiny and marriage prevail, oh God do not let the will of man prevail. Let your peace reign and prevail in my soul, heart, body, situation and environment, let there be peace now in the name of Jesus. Lord command peace over my life, command your peace over my situation, over my soul and my thinking.

⇒. The Kingdom of God is a kingdom of peace. In God's Kingdom, everyone is at peace and everywhere is at peace that is why we must also be at peace at all times for us to enjoy the benefits of God's Kingdom, even for us to see God working in our lives and situations. We must be at peace even when the situations around us are

against peace, we must always be at peace, that is how we will hear the voice of God and see the power of God work miracles by ensuring that there is peace

- Place your right hand on your chest. Lord Jesus let your fire destroy every spirit troubling my heart, spirit projecting thoughts to trouble my mind. Every spirit projecting negative thoughts, unclean thoughts, evil thoughts into my mind, let your fire arrest and consume that spirit. Let every evil and unclean thought, negative thoughts be destroyed in the name of Jesus.

⇒. Place your right hand on your head. Father let every spirit of confusion on assignment to confuse my life, my mind, and my decisions, let fire arrest and destroy them now in the name of Jesus. Let your fire arrest and destroy every spirit of confusion upon my life assigned to confuse my decisions, my ways, God's plans for my life, to confuse my spiritual journey with God, my visions and dreams, let fire arrest and destroy them right now in the name of Jesus.

⇒. Raise up your right hand. In the name of Jesus, I come against every attack on my spirit to block me from receiving revelations from the Lord, let fire destroy them. I come against every attack of darkness on my spirit to block the flow of divine revelations, to stop the flow of divine visions and dreams from the Lord, let fire consume such attacks in the name of Jesus.

⇒. Raise up your right hand. Father, every spiritual personality feeding me with food in the dreams, projecting evil and poisons into my life, let your destruction come upon them right now in the name of Jesus. Whatever channel they're using to transfer this evil into my life, Lord let your fire block those channels, let your fire destroy those channels. Let every flow of pollution, corruption and darkness into my life be permanently shut down, be permanently terminated right now in the name of Jesus.

⇒. The enemy is using a bait to get you trapped, he's using the things you love, the things you so much desire. For example, some like to be flattered or to be praised, that can be the bait. Anything that satisfies your flesh is the bait through which the devil has trapped you into several kinds of captivities. It could be talking too much, eating too much and some of them might not really be sinful at all, like watching TV too much etc.

- Father, deliver me from every bait that the kingdom of darkness has used to successfully overcome me and oppress me. Lord everything in my life that is making

me vulnerable to the attacks of the enemy, for me to be defeated in spiritual warfare, Father let such things be uprooted from my life, let them be separated from my life. Whatever is in my life that is making Satan and his agents, making the kingdom of darkness to be able to capture my life and oppress me, oh God remove such from my life, let me be delivered from such. Let every bait of the enemy, bait of darkness in my attitude and habits that is allowing the enemy to overcome me, Lord deliver me from them now in the name of Jesus.

⇒. In your mind there are so many things, ideas or decisions you have planned but the Word of God says only the counsel of the Lord, the will of the Lord shall stand. God is waiting for believers that will allow only His will to prevail, He's looking for people that will not struggle with His will.

•Pray sincerely, Father let only your will prevail in my life, let it prevail above my own will, though I have many plans, many thoughts, decisions, and desires but Lord let your own counsel prevail, not my will but your will. Though I have many things I want to do, some I have already planned to do, but Lord I surrender them to your own plans. I surrender my plans to your plans, let only your will prevail in my life, situation, career, marriage, business, family and in everything I do and in my finances. Father let your will prevail not according to my own plans but according to your own plans, let your will prevail.

⇒. I see there's a lot of uneasiness in the lives of some of you. Things are not going as they should go, things that usually go easily are not going easily. It's not normal, it is the work of the enemy.

•Raise up your right hand. Father let your fire fall and destroy every activity of the enemy causing uneasiness in the affairs of my life, every operation of darkness making easy things difficult, let your fire fall and consume them. Every power of darkness that is promoting difficulties and hardships in my life, let your fire roast them all right now in the name of Jesus. Every activity of devil, witchcraft, unclean spirits promoting difficulties in the affairs of my life and in my situation, let the fire of the Holy Ghost consume them all right now in Jesus' name. ***I decree over your life that the fire of God fall right now, arrest and destroy every evil spirit and every operation of darkness going on to make easy things difficult for you, I decree that fire consume them all right now in the name of Jesus.**

⇒ Father, share your mind with my mind so that I may be able to move forward faster, be able to possess my possessions, let your mind be in alignment with my mind so that I will be able to enter into your promises for my life very quickly. Let your mind and my mind become one so that I will be able to enter into the fulfillment of your promises for my life very quickly. Let it be I and you are reasoning at the same level, let it be that what you want is what I want. Father, let it be that what you are saying is what I am saying, how you are thinking is the way I think. Let your mind and my mind align together, your heart and my heart align together, let them be one together that I may be able to lay hold of all your promises for my life, to fulfill my

destiny very quickly. Let there be perfect alignment between my mind and your mind, my heart and your heart, it's not difficult for you to do it, do it right now Lord.

⇒. The Lord is telling me that if you are going to arise very fast to the place of fulfillment you must put off the garment or spirit of pride.

•Father, let every cloak of pride, every garment of pride I have dressed myself with, let it be destroyed by your fire, I want to be humble, Lord help me to be humble because I want to rise to fulfill destiny. Every spirit of pride I have invited into my life, let them be destroyed right now, let me be clothed with the Spirit of humility, put upon me the garment of humility so that I can rise to where you want to take me. Lord help me to be humble, help me to empty self out of my life, help me to decrease in myself so that you can increase in my life. Help me to empty pride out of myself and be filled with humility

⇒. One of the signs of pride is when you consider certain things to be your right. Sometimes fighting for your rights could be a sign of pride, sometimes it is wrong though it's right sometimes; because God wants us to seek nothing but His glory in all situations. Sometimes to glorify God is to deny your rights in some situations, not to keep claiming your rights but to humble yourself and say God just has your way.

•Father, teach me to seek for your glory in all situations, not my glory but your glory. Teach me how to seek for how you will be glorified in all situations, teach me how to glorify you in every situation of my life, in everything I do, in every place I find myself, teach me to speak for your glory, to look for your glory and do things that glorify you and not glorify myself.

⇒. It is pride if you cannot forgive. Some people cannot forgive because of pride. If you're finding it difficult to forgive sometimes it's pride, though other times it can be pain the person caused you.

•Father, help me to forgive as many as have wronged me, help me to forgive and forget every hurt that has come from people into my life. Help me to humble myself, to forgive anyone that has hurt me, even those that will hurt me Lord in the future, put upon me the Spirit of humility that will enable me to forgive people and not consider whatever level I am or who I am. Father, give me the spirit to forgive as many as possible.

(If you have no one to forgive) Lord help me to forgive as many as will hurt me in the future

⇒. I see the Lord wants to give some of you keys and these keys are for breakthroughs, for you to have access to things you did not have access to. It could be spiritual in nature or for you to move to some level of grace, anointing and power or it could be physical in nature for you to have access to things you were not having access to, they are breakthrough keys.

•Raise up your right hand. Lord as you have revealed it, give to me keys that would ensure my breakthroughs, that would authorize my breakthroughs. Lord release

those keys of breakthroughs, keys for financial breakthroughs, spiritual breakthroughs, keys to have breakthroughs in spiritual gifts and divine revelations, breakthroughs to possess my possession, breakthroughs to enter into places I couldn't enter before, breakthroughs to have opportunities I couldn't have before. Father, release these keys into my hand so that I can possess my possessions and be able to move forward with speed. Lord release these keys of power, authority, uncommon grace, let it be released unto my hand right now in the name of Jesus.

***Receive those keys right now. I speak over your life, as many of you that are expectant, eager and passionate for breakthrough, receive the keys for breakthrough right now in the name of Jesus.**

NB: Some of you those keys are for ministry, to open doors for ministry meaning you will be called to preach or teach on certain platforms .

⇒. Father, do a quick work and let every heart and mind planning evil for my life be greatly disappointed, do a quick work that would frustrate their plans. Every personality, human, demonic, devil or whatever is planning evil for my life, Father, move and let them be disappointed, let them be frustrated and let their plans fail in the name of Jesus. Every personality devising evil plans for my life, Father, move against them and let them be disappointed. Lord do a quick work and turn their counsel against them, turn their plans upside down and frustrate their agendas in the name of Jesus. Let them be utterly disappointed and let their plans fail in the name of Jesus.

⇒. In the name of Jesus, I come against every demonic hand setting limits to my progress and success, let such a hand receive divine destruction. Lord, I come against every evil hand that is setting limits to my rising, progress, prosperity, breakthroughs, and success; setting limits to how much blessings I should receive, Lord let your destruction come up on such hands right now in the name of Jesus. Every evil hand setting limits on my bank account, putting a limit to how much I should receive, how far I can go in life, every hand setting limits to my life and destiny, Father, let your destruction come upon them now in the name of Jesus.

⇒. In the name of Jesus, I come against every influence the enemy has over my life, I come against every influence of the enemy, control of the enemy over the affairs of my life, Father let such influence be destroyed right now in the name of Jesus. I come against every influence of the kingdom of darkness over my life and over the affairs of my life, let that influence be destroyed right now in the name of Jesus. Influence of darkness be consumed right now by fire, be destroyed right now in the name of Jesus.

⇒. In your life, the devil and witchcraft should not have their way, they can start something but they should not complete it, they can attack you but they should not successfully attack. They should not be able to fulfil their agendas in your life.

•Father, let your mighty hand come upon me, upon my life, and situation and let not the enemy have his way; they might have been having their way before but let them not have their way anymore. Let your mighty hand come upon my body, soul, spirit, career and marriage and let not the enemy have his way and let not Satan have his way in my life from now henceforth. Father lay your mighty hand upon me and let no devil have their way in my life, let no witchcraft have their way, let no enemy have his way in my life. Lay your mighty hand upon my body, spirit, situation, mind, and soul and let not the enemy be able to prevail in my life in the name of Jesus. Let them never be able to have their way.

⇒. Who is he that speaks and it comes to pass when the Lord God has not commanded it? Meaning that no one can speak and it will happen whether it's a false prophet, witchdoctor, priests or priestess of whatever religion, whoever they are, they have no authority to make anything happen if God has not commanded it. They have no authority to speak, do incantation, magic, sorcery or anything if the Lord has not commanded it. They can do those things for people who are not Christian and have it happen but not to you who as a Christian, to you as a child of God, it should not be.

•Raise up your right hand. In the name of Jesus, I come against every evil utterance, words declarations that God has not commanded that have been pronounced against my life, I decree that the fire of God terminate them all. I come against every evil word, evil prophecy, evil pronouncement, every curse, incantation, magic, sorcery and judgement that has been done against my life, I decree that the fire of God terminate them all. Lord I come against them in the name of Jesus, let fire fall and destroy all the evil words, every prophecies, declarations and pronouncement, curses and enchantments, divinations that have been spoken and projected against my life, let fire consume them all right now in the name of Jesus.

⇒. Raise up your right hand. In the name of Jesus, I come against every ritual of darkness that has been done to make life difficult for me, to make success difficult in my life, to make my life suffer, let fire consume them all, let fire reverse such rituals, let fire cancel and nullify such rituals. Every ritual of darkness that has been done to make great achievements difficult, progress difficult, my spiritual walk with God difficult, let fire descend and destroy their effects right now and let them be cursed forever. Wherever they have done those rituals, be it in the atmosphere, in the second heavens, on earth or mountaintops, between the rivers or under the sea, whether on road junctions, let the fire of God render them useless and ineffective from this hour henceforth. Every witchcraft ritual, ritual of witchdoctors, demonic agents, false religion, idol worshippers that has been done to make my life difficult and suffer, to make me groan in pain and hardship, oh God of Israel, let your fire begin to terminate the effects of those rituals right now in the name of Jesus. Lord, let your power consume their powers and effects in Jesus' name.

⇒. Father, let my heart receive grace to hunger and thirst for you without giving up. Let me receive grace to seek for you until I find you, to seek for you with fasting, prayers and everything. Let my spirit receive grace to seek for you, hunger just for you, to hunger for your power, anointing, spiritual growth and advancement. Lord, let my heart receive fire, strength, power, and grace to search for you until I find you. Give me the grace not to stop praying or fasting until I find you, until I receive power, until I receive growth and advancement, until I receive authority.

⇒. I see that there's someone among you, God wants to give you something greater than your level or something you should not have. And the angel of the Lord was asking a question, would she be able to handle this that you wanted to give her (it's for a sister here). This might be for one person, at the same time it might be for all

- Father help me to live the lifestyle that would be able to contain what you want to give me at this time, that would enable me to carry the weight of glory you want to place upon my life, give me the grace, the lifestyle to carry the honour you want to put upon my life. Lord, give me the attitude that would qualify me for what you want to give me at this time and be able to sustain the blessing, honour, glory, promotion and growth you want to give to me. Give me the lifestyle to live so that I will be able to receive such benefits and be able to continue to have it and walk-in it

⇒. Father, combine with the journey of my life and let me have a glorious future, a future in fulfillment not a future in failure, a future in fulfilment of destiny and calling. Lord, combine with the journey of my life, let us walk together so that I will have a glorious fulfilled future, a future where my destiny and calling is fulfilled, a future where there are no failures but success and greatness only. Lord help me to fulfill this, let heaven merge with the journey of my life to achieve a fullfield and glorious future in the name of Jesus.

⇒. Our faith is the victory that overcomes the world, not the anointing, power or fire but faith. It's not by running from one Church to another or running after all kinds of prophets and apostles, you overcome by faith. It is faith that gets to connect you with power, anointing, grace, angels, fires, all the forces of God in heaven. Faith is how you overcome the world. Some have lost their miracles because they have lost faith.

- Father, strengthen my faith and trust in you so that I cannot fail, that I will not miss it or fall. Lord let my faith in you be strong because I do not want to fall, fail or miss the mark but I want to succeed in my Christian walk with you. Give me strong faith, strengthen my faith, I don't want the situations of life to bring me down, strengthen my faith in you.

⇒. One of the scenes that is bringing many people down apart from the love of money, is sexual sins, the devil is using sexual sins to bring down millions of Christians. More of sexual sins happen in the mind more than in the body

- Place your right hand on your head. Father, strengthen me with fire to overcome every sexual temptation and sin. Lord strengthen my mind to overcome all manner of

sexual sins and temptations, strengthen my body, emotions and feelings to overcome all manner of sexual sin and temptation. Father strengthen my spirit to overcome every sexual lust and sexual attack from the enemy, be it visible or invisible, in the dream or in the physical, strengthen my spirit in the name of Jesus, Amen.

PRAYER POINTS

⇒. Heavenly Father, thank you for loving me despite my unfaithfulness, shortcomings, mistakes and failures. King of glory, thank you oh God of Israel, Lord of hosts, thank you for your love you have lavishly poured out upon me. Despite my unfaithfulness you still love me, despite my iniquity you still love me so that I can come back to you, so that I can be who you want me to be, Father I thank you for your love. Thank you for your kindness, thank you Jesus for loving me, for forgiving my sins, for washing me clean from all sin. Thank you for loving me and blessing me with all your presence. You love me so much you gave me authority, thank you for loving me so much to answer my prayers, thank you for this great love.

⇒. The Spirit impressed upon my heart that we pray against stony or hardened hearts, whereby you know the will of God, the mind of God or the truth but you cannot just do what is right, that is as an expression of a stony heart.

•Place your right hand on your head. Father, deliver me from the hardness of heart and give me a soft heart and a humble heart to do what you want. Lord let my heart be soft, give me a heart full of righteousness, a heart of love, a heart to please you all the days of my life. Oh Lord let my heart be humble, let my heart be humble in the name of Jesus.

⇒.Father, let Your love take deep root in my heart, soul and spirit and let me love you more than I have ever loved you. Lord let love be rooted in my heart, let it be firmly and deeply rooted and grounded in my heart from this hour henceforth. I choose to love you above myself, to love you more than everything in this world, more than my life, my ambitions, career. I choose to love you Lord more than every blessing you have given me, to love you more than everyone. Lord help me to walk with you in love, to love you, serve you in love, please you, love you Father that I will not sin against you. Help me to love you so much that I hate iniquity with great passion, that I will go out and win souls into your Kingdom. Help me to love you so much that I will not withhold anything, that I will not be far from the fellowship of the

brethren, and to be able to love the widow and the poor. Help me to love you so much that I will begin to train people and to make the gospel of Christ known to everyone. Help me to love you so much that I will be able to discover my purpose and my calling and begin to work towards fulfilling it.

⇒. Father, baptize me in the Spirit of wisdom such that I do all things correctly; when I speak, I speak correctly; when I think, I think correctly, baptize me oh Lord in the Spirit of wisdom. Lord let me be fully immersed in the Spirit of wisdom, let my life be directed and led by the Spirit of wisdom that when I am speaking I speak correctly. When I pray, when I am moving, the steps I take are correct, the decisions I make are correct, Father let me have such a spirit of wisdom from you, for where can I go without you, what can I be without you, what can I have without you? If you do not lead, my life I will not succeed. If you don't guide my steps, how will I ascend into greatness? Lord, I need wisdom, baptize me in the Spirit of wisdom, baptize my body, soul and spirit in the Spirit of wisdom in Jesus' name.

⇒. The Lord is showing me that some of you are misusing opportunities, though He has given you several opportunities you keep on misusing them because you don't have wisdom. You keep misusing them and you cannot produce the results that heaven is looking for.

•Father, give me the wisdom to make use of every opportunity you're sending into my life so that I will move forward. Father, give me the wisdom, supernatural ability, and divine understanding to make good use of the opportunities you're bringing to me. Lord, let me not be so blind that I don't see the opportunities you're sending to me. I refuse to be blind, Lord help me to be able to know every opportunity of greatness, progress, wealth, great riches, great prosperity and success you have sent into my life. Help me to be sensitive to know them and use them wisely and correctly. Lord give me wisdom, I need wisdom so that I will make the best use of every opportunity you are sending into my life.

⇒. When God baptizes you in the Spirit of wisdom, there is a way God will be using your body system to guide you. The Spirit of God can work mightily even in your body, He can use your body to guide you, put you in the right path and move you in the right direction. Using myself as an example, sometimes I can feel withdrawn to some things, I can feel my body withdrawn from some things or people because God does not want that connection or for me to enter into a certain action He's withdrawing me from. When the Spirit of God is upon you He will use your body system to speak to you.

•Place your right hand on your hand. Father, baptize me in the Spirit of wisdom such that even my body system will begin to connect me with your will, direction, and purpose, Lord let my body carry the Spirit of wisdom. Lord in my body, let your wisdom begin to operate inside my body, inside my mind, inside my emotions and feelings, let your wisdom begin to operate right there. Let me know when to speak or not to speak. Let me know when to leave my house to go out and when not to go

out. Let me be able to discern people to associate with and people I should avoid. Lord let your Spirit of wisdom begin to operate in my body mightily so that I become so aligned in your will and purposes for my destiny in the name of Jesus. Let me know when to pray and continue to pray and not stop along the way.

⇒. In the name of Jesus, I come against every personality of darkness monitoring my life and destiny, personality from my hometown, let the anger of God's judgement find them, locate them right now. Every personality, principality of darkness, every ruler and agent of darkness that is standing in the altars and covens of darkness monitoring the affairs of my life and destiny, oh God of Israel, let your anger and wrath fall upon them, let your judgement fall upon them wherever they are, whatever they are doing, whatever sacrifices and rituals they're doing, Lord as they do whatever, let your anger fall upon them, let destruction from you hit them suddenly in the name of Jesus. Whoever is standing in my hometown upon altars of darkness, stirring darkness against my life, calling and destiny, Lord let your anger visit them now. Whoever in my mother's house, father's house that is ministering to the devil and demons, consulting Satan, devil, and with kingdoms of darkness to afflict me, to destroy good things in my life, to attack me, Lord let them see your anger right now.

⇒. In the name of Jesus, I receive back all that has been stolen from me, all that the enemy has hijacked from me. I received back my glory, every good thing that the enemy has taken away from me, I possess them, I claim them in the name of Jesus. Riches, prosperity that have been taken away from my life, I receive them back in the name of Jesus. Every good opportunity and wealth the enemy has withdrawn from my life, I receive them back right now in the name of Jesus. Helpers of destiny, I receive them back. I receive life, grace, revival in the name of Jesus. I decree restoration upon my life and destiny, restoration of all that I have lost. Let there be restoration now of everything I have lost in battles of life, everything I have lost to the enemy, I receive them back in the name of Jesus.

⇒. Father, let your Spirit correct me at whatever I am doing wrong to you. Everything I need to change and amend in my life, Lord by your Spirit correct me. I humble myself and I desire your correction so that I can walk in perfection before you. Lord, correct me by your Spirit, in my business, career, my walk with you, spiritual life, and character, Lord everything that must be changed, speak correction because I want to please you and fulfill destiny. I want to ascend to the place of honour, greater grace, and glory. Lord let me receive corrections speedily, I am willing to be corrected, I am ready to be corrected. Correct me Father by your Spirit in every action, way of life, habits, attitude, and behaviour, let me be corrected by your spirit.

⇒. Fire of the Holy Ghost, let my tongue continually speak the truth. Fire of the Holy Ghost, anoint my tongue, purge my tongue to continually speak the truth, deliver my tongue from lies and speaking deception. Holy Spirit, use your fire to refine my tongue, to sanctify my tongue, cleanse my tongue, to purge my tongue, let my

tongue be delivered from lying and deception and let my tongue only speak the truth. Let my tongue continually speak the truth and say what is right from now onwards. Baptize my tongue with fire and deliver my tongue oh Holy Spirit.

⇒ . Place your right hand on your head. In the name of Jesus, I command every spirit attached to my life to frustrate my life, I command fire to separate them from my life right now. Every spirit attached to my life to frustrate my life and the affairs of my life, let fire separate them. Every spirit merged with my life and days to cause frustration, to cause things not to flourish or succeed, let fire separate such spirit from my life in the name of Jesus. I rebuke you spirits of failure, disappointment, frustration, pain, sorrow, and hardship, come out of my life by fire in the name of Jesus. ***I decree over your life that every spirit merged with your life, merged with your daily life and activities of your life to cause frustration, hardship, sorrow, oppressions, let fire from heaven remove such a spirit from your life right now. You are released from such connection.**

⇒ . I see the enemy is planning evil for those of you who still have parents.
•Lord, arise and frustrate, cancel and destroy every demonic agenda against my parents, stop every plan against my parents, Lord let your anger terminate them right now in the name of Jesus. Every evil agenda, demonic agenda against my parents, let them be terminated. Oh God, arise and frustrate them, arise and remove every evil plan, witchcraft plans, witchcraft attacks projected against my life and destiny, let the fire of the Holy Ghost cancel them right now, let them be totally destroyed in the name of Jesus.

PSALMS 94:7-9

⇒ . Father do not withhold your judgement against the enemies of my destiny and my life, Lord do not delay in your judgement, arise and judge every enemy of my life and destiny. Arise upon every enemy of my life, destiny, of my marriage, career, calling, Lord do not delay, execute judgement. Execute judgement upon every enemy of my destiny, of my life, at any enemy of your will for my marriage, career, calling, oh God execute your judgement, do not delay fighting my battles, arise and attack them. Arise and punish them, attack every enemy of my destiny and purpose for my life, execute judgement.

⇒ . Father, let everything happening in my country begin to work together, let the affairs of my nation begin to go in the direction that will favour me in the name of Jesus. Lord everything happening in my country, in the government of my country, oh God by your mighty hand, make them work for my favour, safety, let the economy of my nation begin to work together for my good from now henceforth in the name of Jesus. Let decision making in the government of my country begin to work together for my good from now henceforth. Let all the blessings you have placed in my country that I'm currently staying begin to come to me, channel them unto me in the name of Jesus.

⇒. In the name of Jesus, Father, attack every hiding place of the enemy, attack them with your fiery arrows until your will prevails. Every hiding place of the enemy, Lord attack them with your fiery arrows, rain down your fiery arrows upon them until your will prevails. Lord, let it rain your fiery arrows, let it fall upon every realm of darkness working against your will for my life, Lord let your arrows of fire rain upon them, until your will is done in my life do not stop attacking them. Every kingdom of darkness that is attacking the fulfillment of your will for my life, Lord let them begin to receive arrows of fire from you right now in the name of Jesus. Attack them with your arrows of fire. Every realm of witchcraft, realm of marine spirits, serpentine spirits, realms of ancestral devils, realm of principalities, demonic agents, working against your will for my life, Lord attack them now with your arrows of fire and destroy them all in the name of Jesus.

⇒. Father, turn back the works the enemy is doing against me against them, the evil they planned for me, let them fall upon them. Every evil work the enemy is doing secretly or openly against my life, let it bounce back on them as it happened in the days of Mordecai, let it happen concerning my life and destiny. Every work of evil the enemy is doing secretly or publicly against my life, let it fall back upon them in the name of Jesus. Lord turn their evil works against them, their rituals against them, every demonic work, satanic work, demonic ritual the enemy is doing against my life, let them begin to turn against them now in the name of Jesus. Whatever they are doing to attack my mind and health, Father let it fall back upon them in Jesus' name.

⇒. If God watches every step of the wicked, that means He already has in store mighty weapons to deal with everything they do in the realm of darkness.

•Father, release weapons of war against the attacks of the enemy on my life and completely destroy them. Lord every weapon of warfare in heaven, utilise them, against every attack that is coming from the enemy upon my life. Mobilize all your weapons of war now against every attack coming from the dark kingdom against my life, ministry, health. Oh God of Israel, let your weapons of warfare be released against them right now and utterly destroy them in the name of Jesus. Angelic. Father, mobilize every angelic weapon of war against every attack the enemy is doing upon my life in the name of Jesus.

⇒. God will punish the wicked and one other way that He can punish them is to make you untouchable or invincible. To be invincible means you are too difficult to be destroyed or defeated.

•Father, make me invincible to every attack, make my body invincible, my soul invincible, spirit invincible to every attack coming from the enemy against my life. Lord, make me indestructible, undefeatable, make me someone they cannot destroy or touch, Father make my life invisible to every attack of the enemy. Make my life invincible to the enemy, let none of their weapons be able to work in my life, let them

never be able to succeed or prosper in my life. Lord make my life, my body invincible to the dark kingdom from this hour henceforth in the name of Jesus.

⇒. Another thing God does is to give the enemy a surprise attack, especially when they think they are winning. All that God has to do is just one thing and all that the enemy has been doing for years will fail.

•Raise up your right hand. Father, move in my life, give my enemies, adversaries, attackers a surprise attack and render all their operations useless. Give the enemies a surprise attack and let them lose their hold upon my life, let their hold upon my life be permanently broken. Lord move in my life, attack the enemy suddenly and let all they have been doing against me be turned to failure in the name of Jesus. Move mightily oh God in my life, finances, ministry, health, and marriage and turn all the attacks and efforts of the enemy into failure in Jesus' name.

PSALM 94:10

⇒. God is aware of all that the enemy is doing, don't think He does not know. Even before the enemy begins to do what they are doing against your life, He knows and if He allows the enemy to prosper it's because He is using the enemy or He's going to use them. Usually when the enemy prospers despite all your prayers and your fasting, it means God is making use of the enemy for His own purpose though the enemy will not know. We might not know what He will be doing until when He moves against the enemy to accomplish what He wanted to accomplish.

•Father, let your presence manifest in my life to stop the success of the enemy, you know what they are doing, how far they've done it, where they are doing it. Lord, you know everything about the enemy, all they have done, what they are doing, where they're doing it, manifest your presence right there and stop their success in the name of Jesus. Stop the success of their works in the name of Jesus, manifest your presence in my life and stop the prosperity of the enemy in my life, the dominion of the enemy and the control of the enemy in my life for you know every step they take, manifest and stop them.

⇒. There are revelations that God will give you when is ready to stop the reign of the enemy over your life. We are in a time where God wants to put a stop to what the enemy has been doing in our lives for years. When He wants to put an end to what the enemy is doing, He will show you what the enemy is doing and He will show you what you have to do so that you can do your own part while He will do his own part.

•Father, give me a revelation of what part I have to do for the oppression of the enemy to end in my life, show me what they are doing and what I should do. Father, let my eyes be opened to see how far the enemy has gone in oppressing me and destroying good things in my life, to see what my own part to do is to end the oppression of the enemy. Lord give me a revelation that will bring an end to the dominion of darkness over my life, marriage, career, business, ministry, and calling, a revelation that will end the reign in my life, show me their secrets.

⇒. The secrets of the enemy are whatever is making them stronger than you. Once you know what they are using against you, you will know how to break their hold over your life.

•Father, show me by your Spirit, the secrets of darkness that are making them stronger than me, that is making them stronger than my calling, ministry, and my spirit man, Lord reveal the secrets to me. In my dreams reveal them, in my heart reveal them, that I may win over them. Lord reveal their secret of strength to me, their secret of victory to me, the secret of victory of the dark kingdom, the strength of the dark kingdom, the strength of the witchcraft realm, the strength of the marine realm, Lord reveal the secret of their lives, expose them that I may win and rule over them, that I may defeat, destroy and dominate them in Jesus' name.

⇒. It is a sad and painful thing when God reveals their secrets and you don't do your own part. Sometimes your own part is to repent, or to pray for long hours toward what God has shown you, failure to do your own part means the enemy will continue to win over you.

•Father, give me the grace to do my own part to ensure permanent victory over the dark kingdom. Lord, when I need to repent, give me the grace to repent, when I need to fast and pray, give me the grace to fast and pray. Give me the grace to do these things so that I can be permanently victorious over the enemy. As you will reveal the secrets of the enemy to me, help me to do what I must do to prevail.

⇒. Lord make a way for me in my wilderness, let there be a way, I know you're the only one who can make a way out of me when all else has failed. Lord in my present poverty, Father let there be a way for me in my present wilderness, make a way by your mighty hand. Lord make a way out for me, there is nothing you cannot do, you know everything, visible and invisible physical and spiritual, make a way for me Lord. By your mighty hand, let there be a way suddenly in the name of Jesus.

⇒. Father, by your mighty hand command a sudden breakthrough in my present hard and difficult situation, Lord let there be a sudden break right now. Lord make a way now supernaturally by your mighty hand, a way miraculously by your mighty hand, make a way for me in the name of Jesus, Father make a way by your mighty hand. Father bless me by your mighty hand, open doors for me and change my life forever. In my present wilderness and desert, let there be a sudden deliverance, let there be sudden salvation, let there be a sudden breakthrough, make a way now in the name of Jesus.

⇒. Father, by your mighty hand create the path by which I will enter into greatness, success and honour and glory. The path, the way, the ladder that will lead me to greatness, to fulfillment of destiny, to manifestation of your glory, to the revelation of your glory. God, create the path that would take me to the height you have ordained for me, Lord let that path appear right now in the name of Jesus. The way, the path by which I will ascend into the positions you have prepared for me, Lord the path and

the way that I will ascend with to that position, Lord let it appear now in the name of Jesus. ***As you have prayed so shall it be in Jesus name.**

⇒. Father, what has never happened before in the history of my family lineage, the kind of glory that has never been revealed before, Lord in my life let it begin to happen; great things, miracles, signs and wonders that have never happened. Father, let my life become the starting point of great things. The glory that has never been revealed before in my family life, in the history of my family lineage, Father let it begin right now. Give me a pioneering breakthrough, pioneering glory in the history of my family background, in the history of my family bloodline, let this greatness begin with me. Let this unique greatness, unique glory, unique signs and wonders, undeniable signs and wonders start with me and my life. Such miracles that have never been witnessed in my life, such a glory no one has ever seen before, let it begin with my life.

⇒. Oh Lord of hosts, let the greatness you have placed in my name arise to manifestation, the greatness you have placed in my name before I was bombing, let it arise to manifestation in the name of Jesus. Let the greatness embedded in my name, destiny, the greatness that you have hidden in my life and destiny, let it arise to manifestation by power, with fire let it rise. The greatness you have placed in my life, my calling and destiny before I was born into this world, Father let that greatness come in my life, let greatness arise in my life in its fullness. Let the greatness you have placed in my life, in my name before I was born, let it come to manifestation now in fullness in the name of Jesus, Amen.

What is not your portion that the enemy has placed upon you, I decree, that burden is lifted from your life right now in the name of Jesus. Whatever you brought into your life by yourself but it is not for you, I command that such burden be lifted from your life right now in the name of Jesus. As the Lord said in His word, His yoke is easy, therefore I pray, in your life only the yoke of the Lord shall stand, only the burden of the Lord shall stand, only the will of the Lord shall stand in the name of Jesus.

Every other thing that God is not the author of in your life, I decree that they shall not be able to continue anymore in the name of Jesus. Everything that is not the Lord doing them, I decree a permanent destruction and termination of them right now in the name of Jesus.

You shall be honoured by the hand of the Lord, you shall be helped by the hand of the Lord, you shall be celebrated by the hand of the Lord in the name of Jesus. The Almighty God shall visit you, by His visitation, your life will be transformed and restored and your life shall take a glorious dimension and so shall it be in the name of Jesus. Thank you Father, thank you Lord.

Blessings you shall receive from the Lord, abundant blessings that would terminate shame in the name of Jesus. Abundant blessings that will terminate poverty, you shall receive them henceforth in the name of Jesus. Thank you Father because we know you have answered, blessed be your Holy Name, in Jesus' name it is done Amen.

PRAYER POINTS

**As long as the Lord is on your side, no one else can have a contrary opinion.
As long as the Lord is for you no one can stop His purposes and plans for your life. No one else can stand against you.**

⇒Father, thank you for your light shining in my life, your light prevailing in my life. Thank you because I am not in darkness, your light is in me, your light is with me. Thank you because your light is in me, your light is with me, your light is prevailing in my life. I am not in darkness, I am not depressed, confused, deceived, I am not

misled. I know the way, I am on the right path and I am following the way that would lead me into fulfilment of destiny. Thank you Father because your light is shining in my life, my darkness is dead and terminated because of your light. Your light has shone greatly and has consumed my darkness, troubles and attacks of the enemy, thank you for your light Father.

⇒Place your right hand on your head. My Father let not any attack of the enemy prevail against me from now henceforth. My Father and my God, let no arrow or evil of the enemy prevail against me, let them never prevail against my body, let them never prevail in my soul and my spirit. Oh God of heaven and earth, hide me in yourself, hide me in you, shield me against every attack of the enemy, shield my head, my mind, body, soul, and spirit against every attack of the enemy. Lord Jesus hide me in yourself, Father let me become untouchable to every attack of the enemy from this hour henceforth in the name of Jesus. ***I decree over your life that from this hour onwards, you are shielded in the Lord, you are shielded in fire, you are shielded in power. You are shielded against every attack of the enemy and so shall it be in Jesus' name, Amen.**

⇒In the name of Jesus, let fire fall and consume every wicked spirit on assignment to destroy good things in my life. Let fire fall and consume every wicked spirit, evil spirit, marine spirit, witchcraft spirit, serpentine spirits that are on assignment to destroy good things in my life. Right now, fire of the Holy Ghost fall and consume every unclean spirit, foul spirit, every spirit from anywhere on assignment to frustrate my life, to cause confusion, to poison my heart, to poison my spirit. Let fire fall right now and roast every spirit on assignment to destroy good things in my life, fire consume them all.

⇒Raise up your right hand. In the name of Jesus, I come against every attack coming from the heavenly realms, let lightning and thundering of God consume them right now in the name of Jesus. Lightning and thundering of God consume every attack coming from the second heaven, destroy them right now. Every attack coming against my destiny, calling, career, marriage, finances; every attack from the heavenly realms against each area of my life, let lightning and thundering of the Holy Ghost consume them now in Jesus' name.

⇒Raise up your hand. In the name of Jesus, I come against every armed force of darkness, every arrangement, networks and groupings of forces of darkness over the affairs of my life, let fire plus brimstone of the Lord strike and destroy them all. I come against every network, grouping and arrangement of battles over my life, let thundering, lightning, fire and brimstone from the Lord consume them. Every gathering together of the angels of Satan in the realms of darkness to frustrate my life, to limit my life, oppress my life, destroy good things and pollute my life, let the fire of the Holy Ghost consume them now. Network of demonic warriors gathered together, network of satanic soldiers, satanic armed forces to frustrate my life,

terminate my destiny, let the anger of God, the fire of God, brimstone of God, consume them all right now. Let the forces of heaven fall upon them, let the warrior angels of the Lord of hosts fall upon them and crush them. Every gathering, network and grouping of demonic agents, soldiers, satanic armed forces against the affairs of my life, career, calling and destiny, let the anger of God fall upon them and consume them.

⇒ Fire for fire, offensive warfare. You attack them as they come to attack, you can defeat them because greater is He in us than those coming against us. We have received authority to bind; to bind means to stop on going activities, to lose means to allow something to continue

•In the name of Jesus, I decree that an end upon every activity of darkness upon the affairs of my life, let their operations, exercises, activities cease right now. I decree an end to every oppression of darkness and witchcraft, enough is enough, let an end come to them. Because I have received authority from the Lord, what I bind on earth shall be bound in heaven, I've received authority from God to lose on earth and it shall be loosed in heaven, therefore I decree an end upon every activity of darkness going on in the affairs of my life. Every activity of demon spirits going on in my life, career, family, house, home, and finances, I decree an end right now, let their operations end. Not in my life, destiny, family, marriage, finances would demons operate successfully!

⇒ It's no retreat, no surrender. You don't give up to failure and defeat. Don't agree with what the enemy is doing, don't agree with weaknesses, failure and defeat.

•In the name of Jesus, I come against every stronghold of darkness in my life making the enemy to succeed over me and over the affairs of my life, let that stronghold crush in pieces right now in the name of Jesus. In the name of Jesus, every stronghold, legal ground of the enemy in my life making them to have dominion over my life, making them to succeed over my life, let the hand of God crush them, let the hand of God eliminate and destroy such a stronghold. Every stronghold the enemy has established so as to always overcome me, let heaven descend upon those strongholds and crush them in pieces. I pull down every stronghold of darkness in my life, making me lose in the battles of life. Wherever the strongholds are, visible or invisible, in my mind or wherever they are, I pull them down right now in the name of Jesus. ***I decree over your life according to my shared authority in Christ Jesus, every stronghold of darkness that have been in your life for years and are making the enemy succeed in attacking you, I decree that they are crushed in pieces right now in Jesus' name. You shall no longer lose to the enemy but the enemy will lose to you in the name of Jesus.**

⇒ Just as God is so present in the life of His children, the devil can also make himself so present in your life. Sometimes God will not chase the devil away from coming to you. The devil always has access to come around every time and we are the ones who must continually resist him because he even came to Jesus. Whether

you invite him or not, he will always come to tempt you, pollute, deceive, confuse you and do all manner of wickedness.

•I come against every presence of darkness that is so glued to the affairs of my life and activities of my life to cause wickedness, let the fire of God destroy such presence. I come against every presence of darkness that is always following me to ensure that nothing good happens, that good things do not succeed, oh God of Israel let your anger and your fire destroy such presence. Every presence of kingdoms of darkness, presence of spirits of darkness, oh God let your anger, your fire destroy them now in the name of Jesus, let them be permanently separated from my life. Lord let your fire separate such presence from my life.

⇒When the presence of darkness with you is so strong, many things will not succeed, prayers will not be answered and it will be like you are under a closed heaven. Even your spirit will become so dry that you can't hear from God, you can't connect with God in your spirit because the weight of darkness upon your life is so heavy and strong. That is also when you will make a lot of mistakes and misbehave a lot because there is a heavy presence upon your life because you are not fighting it.

•Raise up your right hand. I come against every weight of darkness upon my life and situation to make life difficult for me, to put an end to success, progress, and prosperity, let the fire of God consume them. Let fire fall and destroy them as it were in the days of darkness of Elijah, fire of God fall and destroy the weight of darkness, presence of darkness, thick darkness that has covered my life and situation, that is promoting hardship, suffering, dryness, and poverty, let fire consume them. Every darkness promoting evil addictions, stopping my progress, success, and prosperity, let fire fall now and consume them now, let such weight be lifted from my life in Jesus' name. ***I decree over your life that fire fall right now and destroy every presence of darkness, weight of darkness, presence of thick darkness over your life, let fire fall and consume them all right now in the name of Jesus.**

⇒There are things you are not permitted to say as a believer. They might pass through your mind or come into your mind but you are not allowed to say those things. Saying those things might mean you have terminated your miracle. Words carry creative power and if you speak negatively, you might have just destroyed your miracle or testimony.

•Place your right hand on your head. In the name of Jesus, I bind every spirit working in my tongue to speak negatively, to speak contrary to the Word of God, to speak contrary to faith, righteousness, to the glory and grace of God. Right now I bind every spirit assigned to work in my tongue, work in my speech so that I speak negatively, I bind you right now, I cast you out of my life forever in the name of Jesus.

⇒ I see the enemy is attacking some of you with discouragement but you should know that it is not normal. That discouragement is not normal, do not see it as a

normal thing, to feel discouraged, lose hope, to lose trust in God or feeling like giving up, all is a work of the enemy.

•Place your right hand on your head. In the name of Jesus, I bind every spirit working in my heart and mind to discourage me. I bind the spirit of discouragement and I cut them out of my life forever. You spirit of discouragement, poisoning my mind against the Word of God, from believing and trusting in God, you spirit of discouragement weakening my love and passion for God, I bind you in the name of Jesus and I cast you out of my life forever. You spirit discouraging me from doing the things the Lord wants me to do at this time, I bind you and I cast you out of my life forever in the name of Jesus.

⇒The enemy is using the spirit of lust to destroy the lives of many Christians. People spend thousands and millions of dollars just to satisfy their lust and after they are satisfied, did they gain anything? They then start looking for more because when you're in the realm of lust you are never satisfied and a lot of things get wasted money, time and peace. You must not feed your lust because that lust is a spirit. Lust is a persistent craving or desire that doesn't end, craving for unrighteousness, unholiness, sin and self-satisfaction. Lust of the eyes is when your eyes cannot be removed from some things, everything you see you want to have. Lust of the flesh is everything your body desires, you don't care whether God likes it or not, whether He's pleased with it or not, but as long as your body desires it, you just want to have it. You don't care if God or heaven is offended or not, all you just want is to have it. Whether it is emotional or feeling or whatever, you just want to satisfy your body, that is lust.

•In the name of Jesus, I come against every spirit of lust that has been sent into my life to turn me into an enemy of God, to draw me into sin and disobedience, I bind you in the name of Jesus and I cast you out of my life forever. Every spirit of lust sent into my life to turn me into an enemy of God, to drive me into disobedience, I bind you and I cast you out of my life right now in the name of Jesus.

⇒ Father help me to put my faith in your promises without having a single doubt, that I may lay hold of those promises. Lord help me to believe in your Words and not believe what people are saying or the news on the TV or internet but to only believe what your promises have said. Help me to put my faith in your promises not in the situation in my country but in your promises without a single doubt. Help me Father for I know this is the only way to obtain your promises, the only way to receive the miracles is by faith, help me Father.

⇒This is a message of correction to the body of Christ. People have stopped believing the Word of God, in the promises of God, in the covenant of God. God was telling me that the Bible is a covenant book. It is the evidence that I made men in My image, he fell from My glory but I came to redeem and save them and give them many things. He said all the things I said in the Scripture are available, all ready for the people to obtain, but My people have stopped believing My Word. God has

bound Himself by covenant towards mankind, He has determined not to do contrary to what He has promised. He has determined to be committed to that covenant but we are not believing Him or fulfilling the terms of the covenant, we are not doing our own part of the covenant that is why it looks as if God is not working or He's not real anymore. We have been deceived. Many pastors and preachers are turning people from believing in the Bible and are telling them to believe in science and in themselves instead of telling people to believe in the Word. The evidence that God is among mankind is the covenant book (The Bible).

•Father, help me to trust in your Word with all my life, help me to believe everything you have said and promised with all my heart and not to believe contrary or to welcome any contrary news or fact. Lord help me to live by your Word, to believe your promises, to fulfill the terms of your covenant you have revealed in the scriptures. You have revealed your covenant towards mankind, help me to fulfill my own part of that covenant, help me to trust your Word with all my life, with all my heart. Help me to believe your Word irrespective of what I am seeing physically, for you said blessed are those who believe before they see not those who see before they believe. h

Help me to believe your Word even when everything around me does not encourage me to. Help me to trust your Word with all my life.

PSALMS 94:11

⇒ This means that God is very sensitive to the thoughts of men. God knows how to control the affairs of men and He does it from within the realm of their thoughts, that is how He rules in the affairs of men, He prevails in the hearts of men.

•Father, let your mighty hand begin to work in every heart of people that you have placed in my life to help me, work in their hearts to make decisions for my progress in the name of Jesus. Let your mighty hand work in the hearts of people you have placed around me, that you have placed in my life or wherever they are so that they begin to make decisions that will favour me, decisions for my glory. Lord let your mighty hand move through the hearts of everyone that you have ordained, and chosen to help and support me, let them begin to make decisions for my good, for my rising and lifting, decisions for my progress and success in the name of Jesus.

⇒ There are some people who have wicked thoughts, satanic imaginations, satanic intentions towards you and God knows those people as well.

•Raise up your right hand. Father move in your judgement to stop every evil intention conceived in the hearts of men against my life, calling and destiny, terminate their evil agenda and let them never be able to succeed in the name of Jesus. Right now in the name of Jesus, Lord in your judgement move in the hearts of men and begin to stop, destroy, terminate, and frustrate every evil intentions conceived in the hearts of men against my life, every evil determination conceived in the hearts of people against my life, move in your judgement to stop and frustrate those intentions and plans now in the name of Jesus.

⇒ God knows the thoughts of people are worthless, meaning that their thoughts are not godly, they are against God and His purposes. It's possible that many things are going on against you. Some people have gone to witch doctors to do witchcraft against you, some have consulted the devil, demonic altars, satanic altars because they want to hurt you. It is possible that human beings like you have done terrible things against you but God said vengeance is mine, He is the one who will take vengeance for you against such attacks coming from human beings like you.

• Raise up your right hand. Oh God arise in your vengeance and destroy every witchcraft, divination, sorcery, magic and evil that has been devised against me by evil men, arise and destroy them all. Every wickedness, attacks, manipulations devised against my life by wicked men, Lord in your vengeance consume them, in your vengeance consume both the altars, and the evil works they have done, consume them in your wrath now in the name of Jesus. Every evil attack of darkness, every curse, every devil, witchcraft, hand of darkness that has been sent against my life, oh God of vengeance, intervene quickly and destroy them all right now. Father, let not evil men prevail over my life, let them not succeed over my destiny, let no demonic, satanic man prevail over my destiny and career. Oh Lord arise and attack them, arise and persecute them, arise and frustrate them in the name of Jesus. Let all the attacks begin to be wasted right now.

⇒ These evil people believe themselves to be powerful because of the worthless idols they believe in, worthless gods, powerless powers, they trust in some vain deities.

• Father, let the altars evil men and women have consulted and those they are consulting begin to turn against them, let the gods they are consulting, the deities they are consulting because of my life, destiny, calling, and marriage to attack me, let them begin to turn those gods and altars, let them turn against them. You are the God of gods, you control heavens, the earth and all creation, oh God let your mighty hands begin to turn their powers against them, turn their altars, what they are worshiping and consulting, turn those demons against them right now in the name of Jesus.

⇒ Father let my name become fire upon the altar on which they have submitted my name for evil, let my name begin to produce fire, whenever they call my name let fire fall and destroy those altars in the name of Jesus. Lord let my name answer by fire upon every altar of darkness it has been submitted to. As they call upon my name, as they chant my name, let fire respond in the name of Jesus. Every time they call my name for evil, Father let there be fire explosion, everytime they chant my name for evil in the coven of witches and wizards, in the coven of witchcraft kingdoms, on altars of darkness and demonic kingdoms, Lord every time they rise to call my name, let fire respond instantly to destroy in the name of Jesus.

VERSE 12

⇒ How does discipline lead to joy? Usually when you are going through discipline it's painful because discipline goes with pain but the Word is saying when God disciplines or chastises us it gives us victory, makes us strong and better people, it makes us fulfilled people and victorious people. Some Christians are not disciplined, but when we are disciplined by the Lord that is when our lives can be better and we will enjoy our lives better. The Lord corrects, chastises, disciplines those He loves and cares about because He wants their lives to be great.

•Father, I welcome your discipline, your correction in my life. I want you to correct my life, to execute your discipline in my life so that I will live a better life, that my life will improve and I will grow and be successful, victorious, and prosperous. Lord, correct me that I will look and begin to behave the way you want me to look and behave, so that I will become the strong Christian you're looking for, Lord do your discipline and correct me in my life. Let my life go through your discipline process, take me through the training process so that I will come out as pure as gold, as strong and beautiful as a diamond. Lord take me through the discipline process, correction process so that my life will become beautiful, successful and prosperous in Jesus' name.

⇒ Many of us like comfort zones and things that are pleasing. We don't want to stress ourselves or to go an extra mile to serve or worship God. Unless you come out of these comfort zones and pursue God with discipline then certain developments won't start to happen in your life. If you are not disciplined you will not enter into the future that God wants you to.

•Father, put upon me the Spirit of discipline for me to deal with myself, rebuke myself, deny myself so that I can be a better person. Lord put upon me the Spirit of discipline, that I can become a better person, that I can improve in my life, I can improve my character, attitude, behaviour; that I can become the person you sent me into this world to become. Lord put upon me the Spirit of discipline to correct myself, to deny myself, rebuke myself, discipline myself, to embrace pain and difficulties, to come out of my comfort zone so that I can become the person you want me to be, put upon me that spirit now in the name of Jesus.

⇒No pain, no gain. Jesus went through so much pain so that He could gain more, He went through sacrifices so that He could possess all. Jesus had many things but He had more after His death on the cross. He had more dominion, authority and God highly exalted Him and gave Him a name that is above every name. Without sacrifices forget elevation. If you can't embrace a life of sacrifice and pain (doing things that your flesh does not want, things which are painful to your flesh), if you can't embrace such a lifestyle, you should forget about elevation.

•Father, help me to embrace a lifestyle of sacrifices, a lifestyle of selflessness so that I can ascend the heights you have ordained for my destiny and calling, help me to embrace a lifestyle of sacrifice, a life of dying to the flesh, dying to world pleasures, to sin, dying to many things I must die to. Lord help me to embrace a life of sacrifice so that I can become the best in my calling, the best in your plans for my life. Lord, help me to go through the pain that is necessary for me to be elevated in my life and

destiny, help me to go through that pain patiently so that I can ascend to fulfill my destiny. Lord help me not to be weak but to live sacrificially and to be strong in Jesus' name.

⇒ Great things come with a price to pay. To have greatness, especially things that come from God, there's always something to give up, crucify your life, lay down your life. What is that thing that God wants you to give up that is difficult for you to give up and God is saying, until you give up this thing you cannot reach where you're going.

• Lord, I am willing and I am ready to give up everything, I am ready to pay the price, I am ready to give up everything, to give up the life that you don't want me to live, the attitude you do not want in my life, the habit and character you do not want, I am willing to give them up. As many things that must die, I am willing to crucify them, I'm willing to give them up, help me Father because I want to walk into the fulfillment of my destiny. Lord help me to give up all that must be given up, help me to give up pride, lust of the flesh, lust of the eyes, help me to give up every hardness of heart, stiffneckedness, disobedience and everything I must give up, help me Father in Jesus' name, Amen.

CLOSING PRAYER

Lord, these are your people, they have called upon your name, they have cried out to you for help and I ask that in your mercy, let help find everyone that has prayed with me on this platform. Let help find them quickly in the area they urgently need help. Oh God appear very quickly in the midst of those battles and fight for each and everyone on this platform and let there be manifestations of great victories now in the name of Jesus.

I decree that every curse upon your financial life is now broken in Jesus' name. Every limitation upon your financial life is now destroyed in Jesus' name.

Every food of affliction, hardship and suffering the enemy is feeding you with to ensure that you continue to suffer, I decree that such food is removed from your life permanently in Jesus' name.

Every darkness or demon that has been sent into your life to frustrate your life, to make life difficult for you, to confuse you, to draw you into depression, I decree that the fire of the Holy Ghost flush out those demons and spirits now in the name of Jesus.

I decree henceforth that your life shall be under your heaven and whatsoever you ask in prayer, what you decree in prayer shall happen instantly in the name of Jesus.

Henceforth, the Lord shall continually uphold you in righteousness. The Lord shall uphold you in holiness and purity and you shall not fail God but you shall be able to please God. It shall become easy for you to please God and to be faithful to God in the name of Jesus.

The presence of the Lord shall become so great in your life such that the demonic presence and the presence of darkness shall vanish away instantly in the name of Jesus.

I pray for you that everything pending, prayer requests that you have been trusting God to answer for many years, tonight before the breaking of a new day, heaven shall grant that request in Jesus' name. Heaven shall grant that pending request tonight and so shall it be in Jesus' name. Thank you Father because we know you have answered in Jesus' name, blessed be your Holy Name. In Jesus' mighty name you are blessed, Amen.

PRAYER POINTS

⇒. Father, thank you for the great plans you have for my life, a glorious future you have planned for me, destined and ordained for me even before I was conceived in my mother's womb. Lord I thank you because you are taking me into greatness into great glory, great future. You are taking me into the fulfillment of my destiny, into great success, victories and achievements. Thank you because I am not going to live a wasted life. I thank you, I came into this world to become who you sent me to

become. Thank you because you will help me to rise to the place of greatness, the place of fulfillment. Thank you Father because you will take me to the place of my promised land, you will fight for me, defend me till I become the best in my career and calling. Thank you because you will hold me by your hand and take me into the glory and greatness you have ordained for me.

⇒. You need to understand that Christianity is a journey of many days, months and years from the day you became born again till you leave this earth. God is ready to walk with you in that journey that is why we cannot stop praying because we are on a journey that we do not know but that journey has been arranged and planned before we were born and God will lead us through this journey

•Father, I need all of you in my journey in this world. I need all of your presence to work with me in my journey on earth till I enter into the place of fulfillment, till I begin to fulfill my destiny, till I become who you want me to be. Father do not depart from me, do not stop speaking to me, do not stop leading me, revealing your will and purposes to me. Lord, I want all of you, all of your presence, your grace, your power, all of your strength and wisdom. I want you to walk with me in the fullness of who you are. I don't want to walk alone, for this is a journey I do not know. Lord, you have put me on this journey because you will lead me through. I invite you into my journey, walk with me in the fullness of who you are. Lord give me all you are, blessing me with yourself, walk with me, let all that you are be available to me. When I need wisdom let me find wisdom, when I need clear direction let me find it, when I need resources let me find them, when I need finances, wealth, support, destiny helpers let me find them. Oh God I invite you to partner with me in this journey I am in right now. I welcome all of you, all of your grace, strength and power in my journey.

⇒. We are on a journey that God designed a billion years ago. You need strength because many Christians at this time are getting weak in faith, weak in trusting and depending on God, they are getting so discouraged and that is why many are not moving forward. When they are supposed to be praying, they are not praying because they feel like God is not answering prayers anymore.

•Father, let me not be weak in this journey, let me not be discouraged. Father, deliver me from weakness and discouragement, give me strength, courage, faith, and boldness to walk through this journey you have set before me, to go through the journey of destiny, the journey of my calling and career successfully. Lord let me not agree with weakness and discouragement. When weakness is rising in my body, soul, spirit and in my heart, Father let me not be weak. Oh God strengthen me in the journey of life, the journey of destiny.

⇒. I discovered that people always lose faith and hope when they are already close to their breakthroughs. Angels work with faith, your faith is what will give strength to your angels and if you start losing faith and trust in God the angels assigned to

perform your miracles will become weak to operate. This is not the time for you to be discouraged or hopeless but for you to be strong in faith.

•I come against every spirit of discouragement, weakness, weariness that is keeping me in unbelief, let fire arrest and destroy them. Every spirit of unbelief that is keeping me from trusting God, let fire destroy them right now. Every darkness that is promoting unbelief in my life, lack of faith in my life, making me to be weak in faith and trusting the Word of God, I bind such spirits right now in the name of Jesus, let fire destroy them in the name of Jesus. Every activity of the devil to weaken my trust and faith in God, to weaken my prayer life, my meditation life, fasting life, to make sure that I do not flow in the spirit, let fire arrest and destroy such spirit right now in the name of Jesus. Every spirit that has combined with my life to weaken my ability to depend on God, trust in God, let such a spirit, darkness, activity of devils be consumed by fire right now in the name of Jesus. I refuse to be weak, to embrace unbelief or to stop trusting in God.

⇒. Some of you might feel like you have been praying for a long time, attending prayer sessions, doing prayers and fasting and you have not seen positive results. Those kinds of thoughts are from the devil because every time you pray with faith, pure faith in the Word of God something will always happen whether you have seen it physically or not.

•Father, baptize me with the Spirit of prayer that will enable me to pray and never stop praying until I see my miracles in the physical realm. Lord the spiritual you placed upon Elijah, let such a Spirit come upon me right now, the spirit to pray and not stop praying until I see results, the Spirit to pray and be victorious, the Spirit to pray and enter into my testimonies and miracles, Lord let that Spirit come upon me right now in the name of Jesus. The Spirit to pray with persistence, with zeal and passion, such a zeal that cannot be tired, such a zeal to continue until I see results, Lord, put such a Spirit upon my life and baptize me into such a Spirit in the name of Jesus. Father, the anointing of prayer, unction of prayer, grace of prayer, such a strength and spirit that will never let me get tired of prayer, let it come upon me so that I will pray for hours and days and not get tired. Such an anointing to pray myself into victory, let it come upon me that I will not be tired until I see your glory Lord.

⇒. The Lord has a lot of graces that He was to release upon Christians but He can only release it in the place of prayer. A lot of supernatural abilities, anointings that God wants to put on believers but He said He will not do it until we begin to pray for many hours, not just a few hours or like we're doing in our corporate prayers now but prayers you pray on your own altar in your house or room. It is in those kinds of prayers where you pray alone, on your own altar that He will visit Christians and will start depositing unusual grace and unusual abilities in their lives. You need an anointing to pray on your own and start experiencing strange successes and miracles.

•Father, make me uncomfortable with my comfort zones. Let me begin to be uncomfortable in my comfort zone, let fire arise in me that will empower me to pray

for hours, let a great fire arise in my spirit that would energize me to begin to pray for long hours so that I can have encounters with you. Lord stir up the fire in me that will make me uncomfortable with comforts until I breakthrough into great victories, great encounters with heaven, Lord let such a fire rise in me. Such a fire that will make me uncomfortable with comfort zones, entertainment, food, sleep, let such a fire arrest me. Such a fire that will revive my prayer altar, that will enable me to pray for long hours until I have encounters with you, until I'm having encounters with your glory and power and grace, Lord let such a fire rise in me.

⇒. The reason we are praying in this direction is because many of us are behind in destiny. Where you are right now is not where you are supposed to be though you might feel you are doing well at the level you are at right now. God is saying you could see better results if you have done your own assignment and the assignment is this: persistence in prayer and seeking the Lord.

•Father, help me to be able to catch up with the levels I am supposed to have attained. Help me to catch up with the speed of many levels of advancement, success, grace that I am yet to have attained. Lord help me by your mercy to move forward with speed to attain these levels. Lord let me receive mercy and grace to be able to catch up with everything I have missed in this journey of destiny, to catch up with every revelations, divine encounters, divine interventions, opportunities, and spiritual growth that I have missed; every level of advancement I have missed, oh Lord by your mercy help me to catch up with these levels. Lord help me, let me receive grace and speed to catch up with every level of advancement I have missed.

⇒. If God is going to help you to attain levels of advancements, greatness, and honour that you should have obtained by now, there are some habits that you must kill. The devil uses all manner of habits in our life to slow us down in our journey of life. Maybe you are distracted by doing things that are not relevant to your destiny or you talk too much.

•Father, every habit and attitude in me that is slowing me down in the journey of destiny, Lord let them die right now. Every behaviour and habit that has become part of my lifestyle and is slowing my journey to destiny, Lord let them die right now in the name of Jesus, let the fire of the Holy Ghost destroy such habits in my life. Every habit that is weakening my prayer life, weakening my faith and trust in God, every attitude that I have embraced that is weakening my focus on God, let fire consume them now. Every attitude that is slowing me down, keeping me far away from growth, far away from progress and success, oh God destroy such habits and attitudes right now in the name of Jesus.

⇒. When it comes to fulfilling destiny, it has a lot to do with commitment and being consistent. Whether it is convenient or not, whether it is encouraging or discouraging, you keep on doing what you have to do. You need grace to be consistent in doing what is right and doing the things that will take you into destiny fulfillment.

•Father, help me to be consistent and committed in doing the things that would take me into the fulfillment of my calling and destiny. Everything I have to do on a daily basis, prayers I have to pray on a daily basis, activities I have to do; studies, research, and meditation I have to do on a daily basis, Lord help me to be consistent in doing them for me to fulfill destiny. Lord give me the grace for commitment and consistency, give me such a grace Father.

⇒. When it comes to the journey of destiny and calling, there are relationships, connections, and friendships that you are not supposed to have because keeping them in your life will mean that you will not attain destiny fulfillment. Some relationships need to be ended if you're going to fulfill destiny.

•Father every relationship and friendship that I have embraced that would not allow me to enter into destiny fulfillment, oh God let those relationships break right now. Lord let there be separation between me, people and friends that would lead me out of destiny fulfillment; people, friends, relatives that would slow me down in the journey of destiny calling, people that would lead me astray, Father separate me from them. Lord uproot such people from my life, what separates me from the people who are going to be a problem in me fulfilling destiny, take out everyone who will slow down my journey to destiny.

⇒. If you're going to fulfill destiny with speed, there are some people you must not receive gifts from or that you have to stop asking them for help or depending on them because the devil is using that channel to slow you down in destiny. There's some people whose gifts will slow you down or paralyze you in the journey of destiny.

•Father, let me be sensitive in the spirit to gifts I must not receive, to assistance I must not receive in this journey of life. Lord help me to avoid help and gifts that are against me, help me by your Spirit to be sensitive to help and gifts that will be poison to my journey in destiny. Lord help me be sensitive enough to reject gifts, help and support from people that should not bless me. Help me not to accept gifts that would be a problem to the fulfillment of my destiny, help me Lord.

⇒. There is an anointing that produces excellence in the life of a man. A lot of people can be doing the same thing you are doing but your own thing will be so unique and special because of that anointing. You need the anointing for excellence for you to grow and enter into the greatness and glory God has placed upon your life and destiny, or to enter into the glory that God wants to reveal in your life and destiny.

•Father, put upon me an anointing for excellence, an anointing to excel in everything I do, to be the best in everything I do so that I will move forward with speed, so that I will succeed with speed and enter into greatness with speed. Lord put upon me, my career, my calling, gifts, abilities, and talents an anointing for excellence, help me to be the best in the things you have called me to, in what I am doing for a living, in the assignments you have given me to do. Lord put upon me the Spirit of excellence that

I will do everything you have called me to do perfectly as you want them done. Put upon me the Spirit of excellence such that my products and whatever is coming out of me will be able to attract kings, governors, and presidents of the world. Lord let me be baptized in the Spirit of excellence such that everything I do commands honour, greatness, fame and wealth all over the world in the name of Jesus. Spirit of excellence from the Most High God, baptize me right now in the name of Jesus.

⇒. Some of the limitations in the journey of destiny usually come from ancestral problems, curses, and covenants. These are origins of limitations, problems which have been there before you were born, problems, curses or covenants of darkness (spiritual problem) which have limited your ancestors and are now limiting you as well.

•Place your right hand on your head. Father, break in pieces every ancestral curse and covenant that is limiting me in the journey of destiny, limiting my rising in destiny, limiting my success and progress in destiny, destroy them right now. Ancestral curses and darkness; ancestral limitations, covenants that are stopping my rising, paralyzing my growth, progress in destiny, let fire consume them in the name of Jesus. Let the hand of God break them in pieces right now, let the angels of the Lord crush them in pieces, let the angels of the Lord destroy them now. Ancestral captivities, bondages, witchcraft, ancestral demons, evils, curses limiting my growth in destiny, limiting my fulfillment in destiny, my manifestation in destiny, my rising in greatness in destiny, let the fire of the Lord, the anger of the Lord consume them, let the hand of the Lord destroy them in the name of Jesus. Oh God of Israel, let me never be limited by the same limitations my father, mother and ancestors suffered, oh God of Israel deliver me from ancestral limitations. Lord let me never be affected by the same curses that affected my parents, let me never be captured by the same covenant that captured my parents and grandparents, oh God of Israel, deliver me from ancestral curses, darkness and limitations now in Jesus' name.

⇒. For you to fulfill destiny or enter into the glory of your destiny, you must discover everything about your destiny.

•Father, everything I am here to do and become, let them be revealed to me, let them never be hidden from me. Lord by your Spirit expose to me all my assignments in destiny, all that I am exposed to do in destiny, all that I am here to do, all that I am yet to be doing with my time and days, Lord expose them to me. Lord, reveal to me the full package of my divine calling, divine purpose, divine destiny, open my eyes to see and know, enlighten my heart to understand the full package of my divine call and destiny. Reveal to me things that I have not yet started to do that I am yet to do. Lord open my eyes to know them, teach me to do them in the name of Jesus.

⇒. Raise up your right hand. In the name of Jesus, I invoke the anger of God upon every power assigned to frustrate my life, my divine assignment, divine calling so that it will not be fulfilled, let the anger and the wrath of God destroy them now. Every power, every presence of darkness, every environmental darkness, territorial devils

and demons, territorial principality in charge of the place and country I am living in, that is meant to frustrate my life, to frustrate my divine assignment and my purpose in life, to frustrate my calling and destiny, oh God let your anger consume them now. I invoke the anger of God upon every principality, power of darkness, witchcraft, upon every devil, serpent, every witchcraft in my father's house, mother's house that is troubling my life and destiny, troubling my fulfillment in destiny, troubling the fulfillment of my divine assignment, troubling the success of my divine assignment, let the anger of God consume them now. Every witchcraft appearing in my dreams to terminate my divine assignment in destiny, let fire consume them now in the name of Jesus.

PSALM 94:12

⇒. There is a kind of knowledge that goes along with divine truth, divine knowledge or the Word of God. When the Word of God is established in your heart, there is a kind of joy that you have. That is when you also discover that your life is in perfect alignment with everything the Word of God teaches. Initially it is difficult to embrace what the Word of God says you should do but when you embrace God's discipline and you deny your own will and desires, that is when you start discovering the joy and peace, satisfaction and fulfillment, success and prosperity that is inside doing or living the Word of God. Nowadays the devil is making Christians to be uncomfortable with the truth or what is right and is making them comfortable with what is wrong. This is an operation of the kingdom of darkness going on at this time.

•In the name of Jesus, I come against every spirit working in my life to make me feel uncomfortable with God's instructions, the truth of God's word, truth God's Kingdom, let fire consume such spirit. I come against every spirit working in my life, every darkness working in my life, making me feel good with evil, sin and with what God hates, let fire consume such darkness right now. Every power, principality of darkness that is working to ensure that I hate what is right and love what is wrong, oh God consume them now, destroy them now in the name of Jesus. Lord it is your will, your ways, instructions that I want, oh God let me begin to love your words and ways, help me to begin to love to do your Word, obey your Word, to love to walk in your ways and obey your instructions, help me Father.

⇒. There is eternal life, healing, deliverance in obeying the Word of God. When you determine to obey the Word of God as it is, there is a surety of divine health, prosperity, greatness, and you are likely to become a billionaire and you will have everything you have ever dreamt of even beyond your dreams only if you obey the Word of God fully.

•Father help me to walk with you in obedience such that I begin to find life, healing and deliverance that is in obeying your Word, so that I can find all the benefits that are contained in obeying your Word, Father let me walk into them all, let me enter into all the benefits. Lord help me to walk with you such that I begin to enjoy all the benefits that come from obeying your Word as it is in the name of Jesus. Lord help

me to walk with you, to follow you, believe you, trust you, obey you such that I begin to experience, enjoy and receive all benefits that are inside obeying Word or doing your Word, Father let me begin to enjoy them all from this hour henceforth.

VERSE 13

⇒. Those that embrace God's discipline, that obey God's instructions, God will give them relief in troubled times. When others are suffering or experiencing hardship you will not suffer because of your devotion to please the Lord.

•Father, help me to partake of the safety, deliverance and salvation you are giving to your people in these perilous times. The prosperity, the riches you have made available for Christians in this perilous times, Lord let me partake of them. Include me in the relief, blessing, safety, salvation that you have prepared for believers in these last days, help me to enjoy the same in the name of Jesus. When the world is suffering, help me to be among those you will give comfort, safety, joy, blessings, health and healing.

VERSE 14

⇒. Father, remember every Word of promise, you have spoken to me, every Word of prophecy you have released into my life, remember them and begin to fulfill them, visit those words and perform them. Your Word says, you will not abandon or reject your own people, I am among your people, among the special possession, Lord every word you have released concerning my life and destiny, visit them and let them begin to come to pass right now in the name of Jesus. Lord remember what you have said concerning my life, career, calling, destiny, health; remember what you have said, Lord let your words begin to come to pass now in the name of Jesus.

⇒. The Lord will not reject His own people because they will be under attack. I am sure we are in that time where the people of God will suffer if not the highest form of attack and this is when at this time, those who call upon the Lord will be saved. The Lord is aware of the kind of attacks that are coming at us at this time.

•Father, look upon me, visit me and rescue me from deadly attacks coming against my life from the kingdom of darkness. Look upon me in your mercy, visit me and rescue me from the deadly jackals, deadly dogs, terrible lions of darkness, from the powerful enemy that is about to destroy my life. Lord rescue me, my life, destiny, career, marriage right now in the name of Jesus. Let not the enemy succeed over my life, let not the enemy prevail, rescue me from the powers stronger than me.

VERSE 15

⇒. God is going to invade government sectors or places where they make rules and laws and ensure that justice prevails. God will be doing these terrible operations in these last days.

•Father, let your kingdom invade the government of my country and let your justice rule over the injustice prevailing in this nation. Oh Lord of hosts, invade the

government system of my country and let justice prevail over injustice, let your will prevail over injustice, over every policy of the devil, every policy of Satan, let your justice swallow them up right now in the name of Jesus. Invade the decision makers, invade the places where decisions are being made for the public to follow and let your own justice and will prevail in the name of Jesus.

⇒. God is going to be setting standards and He is going to be using the church because sometimes government people are confused, they don't know what is right and the church will show the government what is right. The church is supposed to have so much authority and influence such that the governments of nations should learn from the church, they should come to the church and learn wisdom and justice and how to rule the nations. Unfortunately the church of God has lost its influence and position in the world.

•Father, restore the Church, the body of Christ to the place of influence such that nations will come to learn justice from the church, Father restore us back to where we belong. Lord, take us back to that position of influence and authority over the nations of the earth, let the church be restored to her position of glory, honour, influence, and authority such that presidents, governors of nations will come to learn how to rule the land and the people from you, from the church.

⇒. There are so many realms in God and it is possible for you to be alive in one realm and be dead in another realm. Some of you are dead in some of God realms though you are alive in other realms.

•Lord, in whatever realm in you that I am dead, Lord revive me and let me be awakened to all that is mined in you, let me be reviled to experience all that is mine, all my inheritance in you, let me be awakened to them all. Every realm in you that I am yet to attain or experience, Father, take me to those realms, awaken me to those realms. The realms of glory, realms of power, realms of miracles, every realm that I am not yet perfected in, Lord, let me be awakened to those realms and be perfect to those realms. Realms of holiness, realms of God, realms of victories, every realm in you that I am not yet perfected in, every realm in you that I am not alive in, Lord let me become alive in those realms right now in the name of Jesus. Every realm of grace that I am yet to attain, yet to access, yet to enjoy and partake, oh God let me be awakened to them, let me be taken into those realms in the name of Jesus, Amen.

⇒. Father, let your anger be kindled against every force of darkness, oppression of darkness that is slowing down my progress in destiny. Every activity of the enemy, works of the devil, manipulation of darkness, everything the enemy is doing to slow me down from moving forward, let your anger be kindled against them and destroy them. Let your anger be kindled against every activity of witchcraft, against every operation of darkness and demons, against every operation of hell, against the kingdoms of darkness to slow me down in my destination, to limit my progress. Father let this delay be terminated concerning my life and journey, destroy delay right now in the name of Jesus. Father, the number of years you have set aside for me to achieve success, Lord let nothing extend those years. Lord every covenant of delay in my life and destiny be broken by your anger, let me move forward according to divine timing. Let me not be delayed in my manifestation, let nothing delay me in manifesting my calling and destiny. Lord speed up my fulfillment in destiny, my manifestation in destiny, speed up my greatness, exaltation and calling and destiny in Jesus' name.

⇒. Father, let your mighty hand release every resource that is mine that has been withdrawn by the enemy from reaching me. Father let your mighty hand release every resource that has been hijacked in the realm of the spirit from locating me, let them be released unto me. Every blessing that I need to fulfill my divine destiny, Lord let your mighty hand release them right now in the name of Jesus. All the finances, provision, blessing and everything that I need to carry out the vision you have given to me, all the resources that I need to carry out the assignment you have given to me that have been hijacked in the realm of the spirit, Lord let your mighty hand authorise their release right now, let them be released by fire. ***Every good gift, resources, wealth and riches that the enemy has hijacked and locked somewhere from getting to you, I decree that the hand of God release them unto you in Jesus' name.**

⇒. Father by your mighty hand connect me with favours, opportunity and helps that are necessary for the fulfillment of my calling and destiny. Lord by your mighty hand, connect my life and my days, connect every activity I do on a daily basis, the situations of my life with favour, opportunities and helpers that is needed for me to fulfill my divine destiny. Lord begin to initiate those connections, wherever those blessings are, the helpers, favours, opportunities are, Lord begin to merge them with my life. Whether they are in my country or outside my country, whatever those helps, service and opportunities are, Lord connect them with my life right now in the name of Jesus.

⇒. The Lord is showing me that some of you are burdened by loads of darkness upon your heart. It's so serious because you are confused, you do not know what to do, you cannot make right decisions because that burden is so heavy on your mind

and you are starting to get discouraged and lose hope. It's an attack and you have to be delivered.

•In the name of Jesus, I come against every load of darkness the enemy has placed upon my heart and mind to confuse me, deceive me, destroy my life, calling, and destiny, let the fire of the Holy Ghost consume such, Lord let such burden be consumed by fire. I come against every load the kingdom of darkness has placed upon me, every weight of darkness placed upon my heart, my mind, to confuse, mislead, deceive and destroy me, let fire remove such. My life is not to carry the load of the enemy, my life is not to be a slave to darkness, its not for oppressions of darkness, therefore I decree let fire consume every load of darkness upon my life, spirit, mind; fire of the Holy Ghost remove them now in the name of Jesus. ***I decree that loads of darkness upon your heart and mind are lifted now by fire in the name of Jesus.**

⇒. Father, let your judgement visit every demonic judgement that has been passed upon my life and terminate them. Every demonic judgement and sentences that have been passed upon my life and destiny in the courtrooms of darkness, let your judgement terminate them now. Father let your judgement terminate demonic judgements and sentences that have been passed on my life, calling and destiny, oh Lord arise and terminate their judgements. Every judgement decree or sentence that the kingdom of darkness has passed on my life and are waiting for the execution, Father move very quickly and terminate their judgements, let not their plans and agendas succeed over my life. Every witchcraft judgement passed on my life, marriage, career, calling, ministry and destiny, let the judgement of God destroy those judgements right now in the name of Jesus.

⇒. God is going to ensure that all other utterances, sentences, prophecies that are not of Him do not come to pass, He will make sure that no demonic agenda will prevail in your life. Whether they are spoken curses and judgements or divination, whatever they have spoken, He will ensure that none of them comes to pass in your life. Isaiah 54:17, the enemy knows how to bring up judgement upon God's children because the devil is the accuser of the brethren but he will not prosper.

•In the name of Jesus, I come against every tongue that has risen against me, speaking condemnation, speaking judgement, evil and curses, whatever tongue it is, I come against it in the name of Jesus, let such a tongue cease to speak. Whether it is the tongue of devils or humans, whatever tongue that is speaking evils, condemnation, judgments, abominations, let such tongue cease to speak forever. Every tongue speaking against good things in my life, speaking enchantments and divinations upon my life, let them be silenced forever in the name of Jesus. Every tongue that is speaking against what God has spoken in my life, what God said concerning me, every tongue speaking sorrow, hardship, evil into my life, I command such a tongue to cease right now in the name of Jesus, let them never be able to speak in the name of Jesus.

⇒. I don't know how you have partnered with the enemy because I am hearing in my spirit partnership with the enemy. I don't know whether you partnered aware or not aware, or you made friends with someone who is an agent of the devil or you partnered with sin, you joined with something that would affect the fulfillment of your calling and destiny. And if you can't end your partnership with that thing it will be difficult for you to see the will of God for your life come to pass.

•Father put an end to every demonic partnership going on in my life, every ungodly partnership, ungodly friendship or relationship, every relationship or partnership that is not known or approved in heaven, Father let it end in my life now in the name of Jesus. Lord every partnership that is not of you, that you do not recognise or approve in my life, every person I have joined with, connected with, whatever thing I have connected with that would affect my rising in destiny, Lord let it end now in the name of Jesus. Let such partnership be cut off in the name of Jesus.

⇒. Father put an end to every partnership in my life or business that is affecting my financial prosperity and breakthrough. Anyone I am connected with or who is connected with me in business that is making my finances not to prosper and grow, Lord let such a connection break now in the name of Jesus. Whatever partnership that is affecting my financial success, prosperity and greatness, Lord let an end come to such partnership in the name of Jesus.

FINANCIAL PARTNERSHIPS

⇒. There are some people you should not give to or help financially. Some may be thinking what if the person is dying and needing so much urgent help. There are some people, the kind of darkness that is following them is so strong and there are some people who God is against and if you give to either of these people it is going to affect your finances. It also applies if you give to a church or ministry that God does not approve of or God is not happy with, or God's judgement is upon that church, it will affect your finances.

There is a part of you in your money, it is connected with your life. Any money that comes out of you, there is a part of you in it, it carries your spirit in it. It is better not to give at all, than to give in a place infested with so much darkness and demons because when you do, your spirit connects with that darkness and demons, and things start going bad in your finances. Some organisations have demonic founders, there are spirits and demons in such organisations and when you partner or invest with such organisations you might go bankrupt.

•Father, open my eyes to be sensitive to where I send my money to, the lives I give money to, so that I can grow in my financial life. Lord teach and lead me to channel my finances in the right direction, teach me to give in to the right places, teach me to partner with the right organisations. Lord, teach and lead me to channel my money in the right direction so that my finances can grow and prosper in the name of Jesus. Lord open my eyes to know where to stop giving so that my finances will grow and prosper.

PRAYER PARTNERSHIPS

⇒. If you join prayer sessions of churches or ministries or you pray with people that are under darkness, those people are not in victory and darkness is ruling over them, though they might think they are prevailing though not at all, if you pray with those people whom the devil is over their lives (underdarkness) it means you could get part of the darkness that is upon them. You must pray with people or ministries that the Lord wants you to play with, you cannot just pray with anyone because now it is not safe. You have to be very careful who you pray with and where you pray. Prayer is a spiritual transaction; things go out of you and things come in.

•Father open my eyes to see places and people you do not want me to pray with, open my eyes to know the people I should not partner with, places I should not go to for prayer, ministries I should not join in prayer, ministers of God I should not connect with in prayer, open my eyes to know and withdraw my heart from those places and people. Lord withdraw my spirit, my heart from whatever platform where I must not join to pray, people I must not join with to pray. Every place that is infested with darkness and demons that I am going to or connected with in prayer, Lord remove me from those places in the name of Jesus. Every prayer partnership in my life that is promoting my suffering and problems, and not solving them, every prayer partnership that is complicating my captivity, Father put an end to such partnerships now in the name of Jesus.

⇒. Father, help me to believe your Word above the words of men, help me to believe what you say above what people say, help me to believe your own Word and message for my life. Lord, give me such boldness and confidence to hold on to your Word and not to what people say or what they're saying on the news, but to what you say concerning my life. Lord help me to hold firm unto your will for my life, your Word, promises for my life, I. What you are saying is what I want to believe, not what people, the government or the scientist are saying. I want to live by what you are saying. Lord help me to live by what you say, let it be a standard for my living.

⇒. It is possible that you have agreed with failure or weaknesses, because when you look at the government in your country you feel like it cannot change, when you look at your body system, you feel like the sickness will never go away or when you look at your weakness, you feel like you can never overcome it; that is a wrong agreement, a wrong partnership. It means you are agreeing with failure and weakness because God does not agree with that. God has a plan for your life and He wants you to believe that and trust in His abilities. Do not agree with what the enemy is doing in your life. If God has not said it can not change, do not believe that it cannot change.

•In the name of Jesus, I refuse to agree with weaknesses and failures, I refuse to agree with everything going on in my life that is not the will of God, I refuse to agree and they shall not continue in my life. I reject weaknesses, I reject failures in the name of Jesus, I reject everything going on in my body, in my life, family, and career that is not according to the Word of God, that does not align with the will of God I, I

refuse them, I reject them, I refuse to agree with them and I decree that they come to an end in Jesus' name. Father, break every agreement that I have made with failure, weaknesses, sickness, poverty and fear or what the enemy is doing in my life, let such agreement be broken now in the name of Jesus.

⇒. Sometimes we tend to believe our dreams more than the Word of God. We tend to believe what the devil is showing us when we're sleeping, the devil's revelations more than what God has said and revealed to us.

•In the name of Jesus, I refuse to believe any dream, prophecy and revelation that is not of God, that is not what the Lord is saying or what the Lord has for my life, I refuse to believe them in the name of Jesus. In any way I have agreed with such dreams, let such agreements break right now. In any way I connect with these things I break such connections in the name of Jesus. Any word of prophecy, dream, vision and revelation that comes from the enemy that is not from the Lord, that does not line up with what God has for my life and destiny that I have believed and embraced, I decree that such agreements are broken now in the name of Jesus, I refuse to believe them in the name of Jesus.

⇒. Sometimes the mistakes of the past are the reasons why you are not having certain breakthroughs at the moment.

•Father, according to your mercy, let whatever error I committed in the past that is now affecting my present progress be corrected, let such error be healed because I want to move forward. Whatever mistake I have made in the past that has left a mark through which my present progress is hindered, oh Lord let such error be corrected right now in the name of Jesus. Every mistake and error that I have committed that is the reason why I am not moving forward at the moment, Lord let there be correction according to your mercy. Whatever legal ground such a mistake and error has created, Father by your mercy let such legal grounds be eliminated in the name of Jesus, in your mercy heal such mistakes, correct such errors in Jesus' name.

⇒. The errors of your parents can affect your journey and they will determine if you will succeed or not but God's mercy can heal any error your parents or grandparents committed.

•Father in your mercy, move quickly to heal and correct any mistake my parents and grandparents committed that is now affecting my present breakthrough, progress and prosperity. Whatever mistake my parents made, Lord intervene quickly and let such errors be healed and corrected by your mighty hand. Any error my mother did, error my father did and my ancestors did that is now affecting my present progress and success, oh God of Israel move, correct and heal them. ***I decree over your life by the reason of God's mercy that is in this prayer session right now, every error your parents and ancestors committed that is now affecting your present progress in calling and destiny, I decree according to God's mercy they are healed and corrected supernaturally in Jesus' name.**

⇒. It is very important for you to see what God is doing in your life because God is always doing something, He is always working. The angels are always doing something concerning your destiny, they are always busy 24 hours and in most instances our problem is many Christians cannot see into these divine activities going on. If we can see those operations we will be able to follow what God is doing because that is what God wants because He wants you to follow what He's doing and do the same. Where you need to do your own part, you do your own part. When you can see God's operations in your life you will not have problems in waiting for God's promises.

•Father, according to your mercy, enlighten me to be aware of what you are doing in my life and destiny. Let me be aware and sensitive to every action you are doing in the journey of my life and destiny. Lord you created me, you can let me know everything you want me to know, I don't have to be a prophet or an apostle to know everything you're doing in my life because you have more than a thousand ways to let me know everything you are doing in my life. Lord enlighten me to be aware of all your operations in my life so that I will not make mistakes, so that I will not make wrong choices and that I will be full of faith and be able to trust and depend on you more.

⇒. There are divine operations going on in your life and there's your own parts then God's part, that is why you must know what God is doing so that you will know your own part. It is very important to know every bit of what God is doing in your life in each hour of your life.

•Father, help me to be spiritually revived, awakened and sensitive enough to do my own part in your operations going on in my life. Lord teach me to know what to do, when I need to keep quiet, help me to keep quiet; when I need to sit down and do nothing, let me know when I need to speak up, let me know when I need to discipline myself or do a lot of sacrifices, Lord teach me to know what to do. Teach me Lord to do my own part in the operations you're doing in my calling and in my life because I know you are working every hour in my life. Teach me to know my own role in the divine business, show me what I must do.

⇒. Prophecies come to pass when you know what to do or what you have to do because you are aware of what heaven is doing concerning your life. Sometimes God brings special programs or events to bring you into what He is doing for His promises to come to pass. So some of you need to find yourself in certain events or church meetings or programs, when you engage in such events that is when you will discover what it is you have not been doing concerning your life, calling and destiny.

•Father, create situations, programs and events that would enable me to discover my own role to play in destiny, that would help me discover what I have to do to see your promises come to pass, to see my own assignment in destiny. Lord bring me in contact with events situations that would open my eyes to see my assignments in destiny, to discover what I have to do in the Kingdom of God, what I have to do to

make all you want for my life and destiny come to pass, Lord bring me in contact with those programs, situations and events in Jesus' name.

⇒. Father, let your mighty hand shut down every opening, portal through which darkness is flooding my life, through which darkness is gaining entrance into my life. In the name of Jesus, every demonic portal, demonic opening through which darkness, demons, evils, pollution, and poisons are entering into my life, Lord let such openings and portals be shut down forever now in the name of Jesus. Every demonic portal in the atmosphere and environment I live in that is giving the dark kingdom access to enter into my life and carry out their evil operations, let such portals shut down forever right now in the name of Jesus. Every demonic portal in the environment I live in, that is making the agents of Satan begin to feed me with food in the dreams or enter into my life to carry out demonic operations, let such portals be closed forever in the name of Jesus.

PSALM 94:16

⇒. My Father and my God, arise to protect me from the wicked, from evil doers. Let not the enemy succeed in attacking me. Lord let not the enemy of my soul, enemy of my destiny be able to succeed in attacking me, arise to defend me, arise to fight for me, arise Father.

⇒. We cannot do without God's help because He knows the kind of enemy that is against us, He knows the kind of forces we are dealing with.

•Father in my helpless and hopeless situation, let me see your right hand help me, uphold me, strengthen me in the name of Jesus. Father you know I cannot do without your help, I cannot succeed without your help, I cannot prevail or prosper, therefore I ask that in my helpless and hopeless situation, let your right hand of power manifest to strengthen me, help me, promote me, bless me, revive me, fight for me in the name of Jesus. Let me see your help Father, even when other help has failed, let your help never fail me.

VERSE 18

⇒. I don't know if you're going through a situation that looks like your faith is slipping and you're going to fall, it looks like you're going to lose but tonight heaven will help you.

•Raise up your right hand. Father, you are my helper, help me, let me not fall or fail, let me not be defeated. Father, my feet are slipping and I'm on the verge of failing, of being defeated, Lord help me. If you helped the writer of this psalms, you can help me too. I am surrounded with temptations, tribulations, trials, terrible attacks and my feet are slippery, Lord let me not be defeated, let me not fall, help me Father.

⇒. The place of prayer is a place of battles, spiritual surgical operations, divine interventions, divine encounters, divine revelations, divine transformation. This is a place of engagement with heaven, connection with heaven. God wants prayer altars

built and whatever He wants to do He wants to do it on your prayer altar. There are things He can do when you come to this place of prayer or in your church but there are things He wants to do in your own house or room by your altar.

•Father let fresh fire, fresh anointing fresh grace from your throne descend on my prayer altar for supernatural victories, great exploits, divine interventions, for great encounters with heaven. Lord let fresh fire from heaven come upon my prayer altar, upon my spirit for divine visitation, divine revelations, divine interventions, divine encounters, for explosion of power and victories. Let fresh fire fall upon my life and upon my prayer altar in the name of Jesus.

⇒. Father strengthen my spirit, soul and body to begin to engage in midnight prayers and worship and praises. Lord, empower my spirit to be able to wake up at midnight to pray, to seek your face, to worship, and praise you, strengthen me Father. I know you want to visit me through midnight prayers, give me that grace oh Lord in Jesus' name.

⇒. It is so important that your faith is always high, that is the secret to seeing many victories

•Father, work in my heart and let me be full of faith continually and not doubt or fear, help me to be high in faith. Lord move in my heart and enable me to be full of faith and enable me to be very high in faith and not in doubt or fear or unbelief but in faith, help me not to follow my sense knowledge. Lord work in my heart, in my mind to establish a strong faith in me, let me be high in faith in the name of Jesus, Amen.

As many the enemy has marked for destruction in the season, you shall not be part of them in the name of Jesus. For as many the enemy has marked for untimely death, you shall not be part of them in the name of Jesus.

Only the will of God for your life shall stand in the name of Jesus. I do not want to know what the enemy is doing, what the kingdom of darkness have said or what they're saying but because you are connected to this grace and anointing, I decree that only the will of the Lord shall prevail in your life, your marriage, career and calling in the name of Jesus. Thank you Father because we know you have answered, thank you Lord for healing our sicknesses, thank you for deliverances, breakthroughs and testimonies you will give us. Blessed be your Holy Name, in Jesus' name, it is done, Amen.

⇒. Raise up your right hand. Lord Jesus, come into my life, into my time, into my days, come into everything I do and take control and let not the enemy be in control. Come and be in control and take away control from the enemy in Jesus' name. Lord Jesus come and take control, let not the enemy be in control, let no one else be in control but Lord be the one in control over my life, my destiny and calling; over my days and times. Lord Jesus come and take control for you are the Lord of all, the Lord of my life, Satan is not my lord, darkness, witchcraft, failed governments are not my lord, you are alone are my Lord. Lord, come and take control, withdraw control from the enemy, I want you to be the one in control. Take over my environment, take over each activity in my life and take full control.

⇒. Raise up your right hand. Oh Lord of hosts, come upon my environment and take full control, come upon my environment and destroy every force of darkness controlling my days, my times, the affairs of my life, Lord Jesus descend and destroy their control. Descend upon the environment of my workplace, of my house, marriage, community, home, and family, Lord Jesus take full control now. Lord descend in the environment I am living in, take over principalities and powers, take over from environmental witchcraft and demons. Lord Jesus descend upon my present environment, take over, have your way, take your place right now in the name of Jesus.

⇒. Father let your violent east wind blow in my environment and destroy every establishment of the kingdom of darkness. East winds of the Most High God destroy establishments, buildings and every captivity and structure that the enemy has put in place in my environment. Whatever the enemy has established, started, whatever they have built, let the east wind of God blow and destroy them. Let the east wind of Jesus, the east wind of the Lord of hosts, blow and destroy them now in the name of Jesus. Father, release your east wind against every establishment, every structure, and building of the kingdoms of darkness in my environment, descend upon every visible and invisible altar, demonic structures in my environment, Lord let your violent east wind blow and destroy them now in the name of Jesus. ***In the environment you are staying in, in the streets, building, compound, in your bedroom and house, let the east wind of the Lord blow right there upon every establishment of the devil. Upon every hiding place of the devil, let the violent wind of the Lord consume them. Let the swift destruction from heaven consume them all in the name of Jesus.**

⇒. Father, let every wicked agenda of the enemy against my destiny fail in the name of Jesus. Wicked agenda in the heart of the enemy, in the minds of the enemy against my destiny, career and ministry let them fail, Father let their plans fail now. Everything they have put in place to destroy the will of God for my life, everything the kingdom of darkness has put in place to terminate the fulfillment of my destiny, Father let them be destroyed now in the name of Jesus. Wicked agenda for the princes of darkness, of goddesses, of demonic, principalities, demonic hosts, demonic realms, demonic kingdoms, every wicked agenda from the dark kingdom against my life, career, calling and destiny, let them fail right now. Wicked agenda in the minds of witches and wizards, every operation they are doing right now to terminate the fulfillment of my calling and destiny, let the anger of the Lord consume them all right now in the name of Jesus.

⇒. The enemy is planning to use your words against you. He is going to twist your words to say you said something else.

•Father, let your mighty hand terminate every conspiracy, plan and agenda of evil men and women, to use my words and actions against me. Every agenda of the enemy to blackmail, terminate my reputation, destroy my name, every agenda of the enemy to use my words against me, to falsely accuse me, Father let your mighty hand destroy such agendas and let not their plans prevail.

⇒. Father, make me the light that you said I am in the scriptures. You said that I am a light to represent your Kingdom in my generation, Father make me that light. Oh God of Israel, make me the light that you said I am, a light that will draw people unto you, a light that would expose deception, darkness and lies, a light that would destroy the works of darkness. Make me that light that would bring hope to the hopeless, that would take people out of their captivity and confusion, make me a light that would reveal God to people, reveal Jesus to people, Lord make me that light. Father, make me such a light that cannot be hidden, a light that would draw nations unto you, that would draw unbelievers, gentiles and people under captivity of darkness unto you. ***May you be the light that God said you are.**

⇒. You cannot be the light if you do not know God because light has to do with knowledge, the truth and revelation. Many people who are in darkness now, what they need is the truth; the truth, knowledge and revelations of Jesus is light in the realm of the Kingdom. You shall know the truth and the truth will set you free, when you know Him that is when you become that light. Without knowing Him you cannot be that light. It's not about you knowing Him through head knowledge but it's about experiential knowledge, revelations of Him of who He is, it's about encounters with Him.

•Lord Jesus, I want to know you beyond the Bible, not just what the Bible says, but I want to know you personally by revelation, divine understanding, reveal yourself to me. Lord Jesus, I want to know you with experience not just head knowledge, not because I read what somebody wrote about you or of the realm of the spirit but

because I know it with experience, because it happened to me, because I am there and I saw it as it is. Lord reveal yourself to me with experience, I want to know you by many experiences, revelations, encounters, visitations, with many understanding and inspirations. I want to know you Lord so that I can draw men to you and shine the light that I am to the world.

⇒. Many people are hungry for the revelation of Jesus and they are waiting for people to teach them, not people that would teach them from their heads but from their hearts. People who know what they are teaching, those who have experienced what they are teaching, people who are not in darkness, those who know what is going on in the spirit, what is happening in the kingdom of God as it is. The world is looking for such people not just people with theories but those with practical knowledge, who can show the world the realities of heaven practically.

•Father, I refuse to be in a kingdom I do not know, I refuse to be part of a realm I am not aware of. Father, take away the veil of ignorance from my heart and let me be opened up to the realm of realities of heaven, open up my heart to see into the realities of your Kingdom. Lord, I want to know you, open up my heart, my mind to know the realities of your kingdom, open up my understanding and my spirit to become aware of what is going on in the realms of heaven and what is going on in the Kingdom of heaven right here on earth. Lord help me, take away the veil of ignorance, of deception, of darkness from my heart, let me see you as you are, let me see heaven as it is, let me see your mysteries, open my eyes to see.

⇒. There is a tiny veil separating the physical world from the spiritual world. Heaven is so close to this physical dimension but we don't know. Just as your blood is close to the veins, that is how the spirit world is close to this physical dimension. Many of us cannot see because we are so carnal and worldly, we care about this world so much. There are certain things that you have to do to experience the visible presence of God that is here on earth.

•Father, enroll me into the school of the spirit so that I will be able to break through into the realms of heaven. Take me into the school of the Holy Spirit that I may be enrolled, empowered, trained to break through the realms of heaven on earth. Lord, take me through the training process, a learning process that I will breakthrough into the realms of your glory here on earth, that I may not be under the veil anymore but that I may see your glory face to face, that I may see you face-to-face, know your presence face-to-face. Lord take me through the process that I may experience this, enroll me Father into the school of the Holy Spirit.

⇒. The Lord is saying there must be a change of heart. Something must happen into your heart for you to begin to have encounters with the realms of heaven that are with us here on earth because there is a heaven here on earth. The way you perceive certain things, the way you believe and understand has to change. The way you see life, people, money and other things on earth has to change.

•Father, I desire a change of heart, a transformation of heart and mind, a renewal of heart so that I may encounter your heavenly presence here on earth. I desire a breaking down in my heart and a moulding of a new heart so that I will be able to see what you are showing me at this time. I desire a right heart for me to have this breakthrough into the realm of heaven on earth. I desire a kind of heart that would authorise this breakthrough, Lord give me such a heart. Please Lord change my heart, heal my heart, revive and sanctify my heart, Lord transform my heart. Help me Lord Jesus to have that heart you are looking for.

⇒. True spiritual sight is in your heart, in your spirit; your heart is the deepest part of your mind. Your heart is the root upon which your soul is established. So the deepest part of your soul is your heart, your spirit. Your heart has eyes, it can see and whatever it sees is forever true. Hearing from this physical realm- it's possible to be deceived but anything you can hear with your heart is true and can never be falsified. Anything your heart can see, that thing is as it is, it cannot be fake. That is why the devil is attacking Christians so that they do not grow because when you grow, you will be able to see that this is light and this is darkness. When you grow, you will be able to discover his lies, you will be able to know miracles which are from God and which are not, you will be able to discern light from darkness, that is why he is attacking people's spiritual growth. Your heart has got eyes and those eyes have to come alive.

•Father, let the eyes of my heart open right now, I want to see into the dimensions of heaven here on earth, I want to learn of you, I want to know you experientially and by revelation. I want to know God as he is, I want to know heaven as it is, let the eyes of my heart open now by fire. I want to know my divine destiny, I want to know why I am here, I want to know who I am in Christ Jesus, let the eyes of my heart open. The eyes of my spirit, open to see the glory of God.

⇒. Romans 12:2, means your heart can prove things. Inside of you there is an anointing that can prove things that can know what is right or wrong without anyone telling you anything. Your heart can prove what the will of God is, if you get trained you wont need prophets to confirm the will of God for you because your heart can do it. Your heart or spirit is an oracle of God, your spirit is an oracle of heaven because your spirit can prove what is right from what is wrong, but you cannot reach that level if you do not fulfill what this verse says. You need to be transformed by the renewing of your mind, something must happen to you. You can know the will of God without anyone telling you, you will know what to do and what not to do because the senses of your heart have been activated. You are able to know which prophet is real and which one is fake, which message is from God and which is not from God.

•Father, let your fire destroy every conformity of worldliness in my heart and mind, every connection between my heart and the things of this world, the pollutions of this world, darkness of this world, let fire destroy such a bond and connection between my heart and mind with the connection of this world because I want to see in the spirit. Lord every conformity of worldliness in my heart, soul and mind, let the fire of

the Holy Spirit destroy them. Every idol in my heart and mind, let your fire destroy them right now. Every pollution of worldliness, corruption of worldliness, every darkness of this world that has flooded my mind, filled up my thinking, filled up my thoughts, let your fire destroy them.

⇒. Jesus said in Matthew 5, blessed are the pure in heart for they shall see God. Seeing God does not mean you dying, going to heaven and seeing God but God cannot be seen by a heart that is impure, He cannot be known or revealed to a heart that is impure. You do not see into the realm of the Spirit by praying, God I want to sleep now, show me something; though God might answer such a prayer but not always. If you just see, it might be because He pities you and shows you a fragment. If we discipline ourselves and maintain a pure heart before God continually, we will see God, we will get revelations- deep and many revelations and you won't have to sleep to get these revelations. There must be purity of heart, if there will be revelations from God, if God is going to show you something powerful in the dream, it means you maintained the lifestyle of purity throughout the day. If your mind is so polluted and filled with the things of this world, when you sleep you will see nothing from heaven.

•Father, give me the spirit of discipline to guard my heart against every pollution and corruption that is in this world, the discipline to maintain a pure heart. (This is a battle inside your mind, you fight negative thoughts, impure thoughts- it's a battle in your mind). Lord, give me such a spirit of self-denial, such a spirit of dying to myself, emotions, feelings and desires; give me a spirit to discipline my heart and mind against pollution and corruption that is in this world, give me such a spirit. Give me such a spirit to train my heart, to train my mind.

⇒. Nothing in this world is as important as spiritual growth. Your body it's feelings and emotions can affect the eyes of your spirit, your spiritual awakening and sensitivity. Your body, feelings and emotions must be subjected to the will of God. All manner of anger, bitterness, lust must bow to the will of God, for you to see the will of God. If you're full of negative emotions, you cannot see in the spirit as you should or you might not see anything at all.

•Father, let your fire fall upon me and destroy the flow of negative feelings and emotions that is affecting my spiritual sight. Every flow of negative emotions and feelings die by fire, every flow of hatred, bitterness, anger, malice and unforgiveness die by fire in the name of Jesus. Every negative emotion in my blood, in my system, die by fire because I want to see in the spirit. I want to see your glory, Lord deliver me from impure feelings and emotions, blind folding my spiritual eyes. ***I am praying for you that deliverance from negative emotions and feelings will happen to you right now by fire. Receive deliverance from every negative flow of emotions and feelings in your life, you are delivered now in Jesus' name**

⇒. There are battles in the realm between you and the kingdom of God. There is a realm between the physical dimension and the dimension of heaven here on earth

and if you don't overcome that realm you cannot be able to see in the spirit, you won't be prophetic.

•Raise up your right hand. Oh Lord of hosts, rain down fire upon every darkness blocking my spiritual breakthrough into your heaven realms, let fire destroy them. Every darkness standing to block my breakthrough into the realm of God's glory, God's Kingdom, realms of God's presence, realms of divine revelations, realms of divine visitation and encounters, realms of divine touch and power, let such darkness catch fire right now. Every darkness, every witchcraft, every battle of the one standing to block me from knowing God with experiences, from knowing God deeply, let fire consume such darkness now, let fire destroy such networks of darkness.

⇒. If you want to know God, you must agree to be foolish because God will reveal Himself to you when you become a baby, when you have the heart of a child or baby. When you feel like you know many things and you approach God with such a heart, you will not know Him. You must consider everything you know to be foolish including what you were taught in the school or anywhere else, whether you are a scientist or a medical doctor, or whatever qualification you have, you have to consider it as foolish. You must consider you know nothing and be like a child, that is when God will reveal Himself to you.

•Father help me to approach you with the heart of a child, help me to approach you without depending on my own knowledge, without regarding sense knowledge or common sense, help me to approach you with a childlike heart. Father, help me to agree that I know nothing and to consider what I know as rubbish and foolishness so that I can know real knowledge through the knowledge that comes from you. Help me Father, to approach you with such a childlike heart that is ready to believe anything you say without doubting, such a heart that would receive anything you say without questioning it, give me that kind of heart in the name of Jesus.

⇒. God is going to release a lot of gifts upon everyone who is passionate to receive gifts. All manner of gifts: spiritual gifts, physical gifts when necessary. The gifts of cars, visas, children, healing, spiritual healings, gift of prophecy, speaking in tongues, interpretation of tongues etc.

•Raise up your right hand. Father my life is open, my spirit is open for your blessing at this time, Lord I am open to receive gifts you are distributing right now, I am open to receive mine, drop them into my life. My heart is open, my spirit is open to receive, I receive, I receive mine that you have for me. I receive spiritual gifts, marital gifts, physical gifts, material gifts, financial blessings, I receive in the name of Jesus. ***I decree over your life that you shall have yours in the name of Jesus. I decree that you are included among those that are receiving theirs right now in the name of Jesus.**

⇒. The Lord is telling me that He wants to forcefully approve something that has been delayed and He wants it to happen forcefully or with power.

•Raise up your right hand. Father let your power fall and let your will prevail in my life by force, let miracles happen in my life by force, let the stronghold of delay break in pieces. Lord let your fire fall upon me now, upon my life, my situations, let your power fall and let your will manifest by force, let your will prevail by force upon my situation, my life, ministry, upon the affairs of my life, upon the affairs in my country and leaders, let your will prevail with force in the name of Jesus. Let the stronghold of delay be broken now in the name of Jesus. ***In your life, I decree it happening now, your healing shall happen by force, your deliverance shall happen by force, your financial breakthrough shall happen by force, your ministry shall rise to manifestation by force.**

⇒. Father, let your name be glorified in my life, my business, career, in my darkness and weakness, reveal the power of your names, reveal the greatness of your name in my life. Your name is Jehovah Rapha, the God that heals, reveal that name in my life. Your name is deliverer, reveal that name in my life and let your name be glorified henceforth in my life. Glorify yourself in my life in Jesus' name.

⇒. In the name of Jesus, I decree that the works of my hands shall be fruitful, the works of my hands shall produce success, prosperity and great increase. I declare that the works of my hands from today shall produce great riches, great wealth, great increase, souls into the Kingdom of heaven, I declare the works of my hands will be fruitful. Every power attacking fruitfulness in my life, let fire consume them. Every power of darkness attacking divine increase in my life, let fire destroy them right now in the name of Jesus.

⇒. Father, create stepping stones for my rising and shining in the name of Jesus. Father, create the stepping stones that will lift me up to shine and fulfill destiny, create them right now. Command the stepping stones to appear, command them to come and let me rise and shine. Let me rise to shine the light that I am in destiny, in the name of Jesus.

⇒. Greatness is when God gives meaning to your life, when life starts becoming a blessing. Greatness is when God gives expression to your gifts, when He makes your gifts and talents and career begin to speak to those people who must receive your products. Greatness is what when God helps you to become what has been in His agenda for you to become. You cannot become more than what is in your destiny script in heaven before you were born, except your partner with the devil. Some people think that greatness is about being famous, they are wrong.

•Father, whether consciously or unconsciously, let me begin to do things that will fast forward my rising into greatness. Whether knowingly or unknowingly, let me begin to do things that will fast forward my life into greatness, actions that will speed up my manifestation in destiny, speed up my rising to fulfill destiny, my rising to be great in life, Lord let me begin to do those actions whether I like it or not. Lord, let your Spirit

move me to begin to take such actions knowingly or unknowingly, to take the steps that are required for me to rise to greatness.

⇒. I saw the hand of God coming up on our heads.

•Father, lay your mighty hand upon me and fix me, fix my life , fix my destiny. Lord, lay your hand upon me and fix me, fix my life, spirit, soul and body. Lord fix me, fix my life, fix my destiny, fix my future, fix my present life, thank you Lord in Jesus' name Amen.

I would like to thank you my family for your prayers, my sister and friend has been discharged. It wasn't an easy journey, she ended up in the ICU, couldn't talk, walk, was confused and was on oxygen. Her sugar was said to have risen to triple h, but God has been faithful and intervened. She now can talk, walk, breathe on her on, sugar stabilized and now she's home. May the God of Apostolic Wonders be glorified and praised forever. Thank you saints very much, once again.
