TESTIMONY

[06/06, 10:56] Elina: Good morning brethren. Today after our midnight prayers God delivered me in my sleep. I thank God. Prophet AA said as a prayer point-word of prophecy that some of you ,you were given something that has been used as a point of contact by the devil (given clothes,money,food,a gift) anything from someone you know and that was how the enemy got to track and trace all your life. We prayed as he led us. Soon after the prayers I slept and dreamt I was saying bye to a lady I don't know, and went away. As I was going I reached a certain place and I started vomiting batteries- small AAA rechargeable batteries. This shocked me even in the dream how I could vomit 4 batteries. When I woke up i understood that the point of contact is broken. I thank God for his servant He is using to deliver us from the devil's clutches. Thank you Jesus am free.Amen.

Then on June 14, she called me to say she had gotten a job. And on the same day, my brother was called back to his first job with the same benefits as before.
