WORD OF PROPHECY

For those of you who are living as a family, the Lord is saying that you should set up an altar for him in your house. If you don't have a family but you have your own room, set up an altar for the Lord in your own room. After you set up this place, you put up a Bible, maybe a devotional book or whatever you use to study the Bible, an instrument that you use to praise God with and then everyday you go to that specific place that you have set apart in your house to pray. So that is an altar. You can even put a table there and you know that this is a place that you have set apart for God (to be used solely for that purpose only). But if your room is too small for you to do such, then you can make it a time altar. This is whereby you set apart a specific time where you or your family will be praying. Everyday you have to pray at the specific time, that is a time altar. God wants to appear to you through that altar engagement. He wants to engage with you from the altar. Make sure every day you spend time with God in that place, in that altar or that specific time you have set aside.

I wanted to share my testimony. I still remember asking you to pray for my marriage that was under attach. Along the way I discovered and embraced my new identity with Christ. My spiritual life has been transformed in an amazing way. The prayers you sent on the group changed turned my situation. I'm no longer a church attendant

, I am a born again child of God , who preaches word of God at all times. God gave me direction.

Recently I've started to write a book called " Embracing your new identity with Christ ". That was never my plan at the first place, but I believe God has a great purpose about this. Throughout the prayer session Here , i have seen God's greatness I really thank God for Establishing Apostolic Wonders Ministries. May the great God continue to bless you exceedingly, abundantly and above all your wishes.
