PRAYER POINTS

⇒. Father, I thank you for the wonderful blessings you have packaged to release into my life in this season, even in this month. Thank you for the helps you have packaged to give to me. Thank you for all that you have in mind, the good thoughts you have in mind to do for me in this season. Lord I thank you because you have determined to help, save me, rescue me, change my name, change my life, change my history and story. Thank you Lord because you are here to help me, thank you because you will lift up my life and lift up my head above limitations. Thank you Father, blessed be your Holy Name in Jesus' name.

⇒. God can never be manipulated or forced to do anything. There's nothing in this world you can do to make God help you. Sometimes even when you have faith He will not help you, but there is one thing that will always make Him to help you, that's when He decides to show you mercy. If you think there is something that you can use to draw His attention other than mercy you might be disappointed. There might be more judgement in your life that will disqualify you to receive the blessing, but if you can pray for mercy there's nothing He can't do if He chooses to show you mercy.

•Father, please have mercy on me as I open myself in your presence, you are my Father, my creator, I didn't create myself. Please show me mercy, I know I don't deserve your visitation but by your mercy I know I can have your visitation. Father, have mercy on my soul and my life. Jesus have mercy, Lord I know it is by your mercy that you will do it this time. It is not by my righteousness, or my holiness because I can't even meet up in those areas, but your mercy is enough, Lord show me mercy, let me receive mercy. Lord, beginning from this prayer session, let your mercy flow into my life, visit my life so that I will be qualified to receive all the packages you have for me. Oh Lord have mercy upon my life, calling, destiny, days and visit me.

⇒. Fasting carries the power to humble a man before God, the power to subdue the strength of your flesh, to weaken your flesh so that your spirit can communicate with God. If you fast and you do not come to the place of humility then you have not fasted. If you fast and you still have the desire to sin you have not fasted because fasting is meant to bring you down, to humble you so that God will help you. Fasting is not meant to control God or make Him do what you want, but it is for you to be humble, you open up your spirit so that you can receive and connect with God.

•Father, help me not too fast wrongly let this fasting bring me to the place of humility, dying to my flesh, let it humble my spirit, soul and body and destroy the power of sin in my life, so that I can be able to receive all that you have for me at this time, help me Lord Jesus.

⇒. Raise up your right hand. Father, let the heavens open over my life and let your angels begin to ascend and descend in my life. Father, let your heavens open over my life, spirit, soul and body, over my prayer altar and as I am praying, let your angels begin to come down and go up and bring blessings and miracles; let them take my request upward and bring down miracles. Let the heavens open over my life, my prayer room, my environment and let your angels ascend and descend in my life. Let there be open heavens for the release of unusual miracles, uncommon miracles and breakthroughs. Let there be open heavens over my life, finances, marriage, calling, destiny in Jesus' name.

⇒. Fasting opens your spiritual eyes. It is during fasting that many believers get powerful revelations, visions and heavenly encounters from the Lord.

•Place your right hand on your head. Father, in this fasting season, let my spiritual eyes receive awakening, let them be enlightened and be opened to see into your realms. Open my eyes Lord Jesus that I may see your wonders and your revelations, let me see the depth of your wisdom, the depth of your mysteries, the depth of your knowledge. Let me see into your will for my life and destiny that I may see into the secret operations of darkness, the secret things the kingdom of darkness are doing that I do not know. Open my eyes that I may discover secret things that I must know to ascend to the next level. Let me see revelations that would change my life forever, that will liberate my destiny forever, that will give solutions to my problems,

revelations that will lead to my revival and transformation. Open my eyes to see revelations that will give me breakthroughs and directions, open my eyes to see them.

⇒. When God wants to give you victory over a terrible battle apart from stirring your faith, He will give you power. Without power there cannot be victory in the realm of the spirit. Power is how to win. You can cry and shout from morning to night, if there is no power nothing will happen. It is power that makes the difference in spiritual warfare.

•Raise up your right hand. Lord Jesus, release up on me right now power of victory, it is at this time the power that I will use to have my victory, let it fall upon me right now. Power to breakthrough, power to get solutions and answers, let it come upon me now. Lord Jesus, fill me with power, fill me with power right now. Lord, I want that power right now that will enable me to fight and win even as I am going through this journey of fasting. The power that will enable me to trample upon serpents and scorpions and upon all the powers of the enemy, Lord let that power possess me now. Release your power upon my spirit, soul and body right now let every part of me be filled with your power so that by your power I can be victorious at this time.

⇒. Until power is released from heaven nothing will change. The reason why God speaks and it comes to pass is because of power and strength, because of His power He speaks and it happens because the same person who speaks is the same person that will do it. If God is going to carry out the answers to your prayers, He is going to use power to do it. There are some results that come through God's interventions by just you having faith, but there are some that you are the one who determines whether those results will come or not. It is you that will command or speak it into existence and that is what God will use. If there's no power inside of you, despite the awesome declarations you make, nothing will happen.

•Father, give unto me the power to produce results at this time, power to speak with authority and get instant results, Lord fill me with your power, endue me with your power. Fill me with power I know but it takes power to overcome, to move forwards, break limitations, to unlock doors in the realm of the spirit. It takes power to unlock the enemies' padlocks, Lord give me power right now. Give me the power to decree and it is established, power to bind and it is bound, power to loose and it is loosed, Lord such power and authority I ask for it now, let it possess me, let it possess my tongue. Power for great results, breakthroughs let it possess my spirit, my voice in the name of Jesus.

⇒. We have the power of prayer or the praying strength or praying energy. The way you pray will determine how much exploits you will do through prayers. Yes you have to pray with faith but there is this praying strength or praying anointing, energy that God gives and by this, people will pray for 6 hours, 12 hours and are not tired because there is a fire that has taken over them. The fire that generates the strength.

When they pray and they never get tired, that's the kind of fire that you need during this fasting season.

•Place your right hand on your head. Father, impart in me the fire and strength of prayer. Father, let there be an impartation of fire and strength that I will pray and never get tired, that I will continue to pray until I give birth to the miracles, to great results in the place of prayer. Lord, let there be an impartation of fire and power to pray, Father impart upon me right now, impart upon my soul, my spirit, and body the power of prayer, the strength of prayer that I will not get tired until I receive the discernment in my spirit that there is victory. Lord, give me an impartation of fire and strength, I refuse to be a weak Christian, I want to be strong in the place of prayer. Give me the strength that I pray myself into the glory you have prepared for me, the strength by which I pray and break limitations, strength to pray and doors are open, I pray and destroy all the works of the devil, power to trample upon serpents and scorpions, to uproot and destroy kingdoms of darkness, Lord give me such strength. Give me the strength to reset times and seasons, to align with your will and purposes for my life, by which I control situations, to control the affairs of my life to go in the direction they should go. Lord impart upon me the strength and fire to pray and prevail in the name of Jesus.

⇒. There's a lot of darkness inside of Christians that they can only pray for 20 minutes and then they are tired. If you cannot pray, how will you win battles? Do you think just one hour of prayer will be enough to fight the battles that we are fighting in these last days? I don't know the kind of deposits in your blood system or body that is stopping you to pray. God should remove those deposits for you to pray the way you should.

•Father, uproot from my life from my system every plantation and pollution of darkness that has weakened my prayer life, my ability to pray, let your fire uproot them now. Uproot every plantation that is promoting weakness in my spirit, weakening my spirit from being able to pray as I should, Father uproot such evil right now in the name of Jesus. Lord uproot every pollution of darkness in my blood, body system, naval system, from every part of me. Every pollution and plantation that is weakening my ability to pray, let such pollution, plantation and deposit of darkness come out right now by fire. Every pollution of darkness, deposit of darkness, plantation of darkness in my body, soul and spirit that is weakening my prayer life, come out right now in the name of Jesus.

⇒. The spirit of procrastination is a great enemy of progress

•Father, deliver me from every spirit causing me not to take right actions at the time they should be, deliver me from evil spirits that are manipulating my time and making me not to take right actions in the times they should be taken, let this influence of such spirits over my life be broken. Every spirit that is manipulating my time, every spirit causing me not to take the right action that should be taken in the time it should be taken, Lord let such spirit come out of my life forever in the name of Jesus. Let the influence of such spirit be broken over my mind in the name of Jesus. I bind

every spirit that is fuelling procrastination in my life. I bind you, I cast you out of my life in the name of Jesus, I will not procrastinate in the name of Jesus. I will not shift forward actions that should be done urgently in the name of Jesus.

⇒. Father, stretch forth your mighty hand over the affairs of my life and begin to work out your will in every situation happening to me. Lord stretch forth your right hand of power over the affairs of my life and destiny, over the affairs of my days, over my daily activities, begin to workout your will, begin to command your will to happen in every situation of my life in the name of Jesus. By your mighty hand, begin to control everything that happens in each day of my life to agree with your will, to reveal your will in the name of Jesus.

⇒. There are blessings that God wants to give to you and sometimes these blessings have keys to unlock them. God has stored some blessings and He expects that you have the right key to access those blessings because He already put them in the Word of God, in you by the Holy spirit and the Holy spirit will show you how to access those blessings. Most of the things that we want God to give to us have already been given. It's just that we do not know how to access them. The key may be an idea, direction, instruction or wisdom, even understanding or an expression of faith, a sacrificial giving, it can be anything- there are a lot of things it could be.

- Father, give unto me the keys to unlock your storehouses of blessings that are holding your blessings for me, Lord give them to me to open up those store houses and to get those blessings. Father, give me the key to unlock the blessings you have already provided, the key to access the blessing you have already provided.

⇒. I saw that there is a spirit walking with you to make you take a wrong path, or make a wrong decision.

- Raise up your right hand. In the name of Jesus, let fire fall and arrest every spirit attached to my life to mislead, confuse or deceive me, let fire detach them from my life. Every spirit attached to my journey of life to confuse me, to remove me from the right path and lead to the wrong way, let fire arrest them and detach them from my life in the name of Jesus. ***Every spirit that has joined itself with your life to ensure that you do not stay on the path the Lord has given you to follow, I decree that the fire of God arrest those spirits and that they are removed from your way, from your journey of life right now in Jesus' name.**

⇒. To get results through prayer, you need to pray with divine utterances. There are words which need to come out of your life to get some results that must be obtained. You need the grace and anointing to say the right words in the place of prayer, that could be the key that you need to unlock the blessings.

- Father, place upon me the anointing and the grace for utterances in the place of prayer, give me the grace and anointing to speak with utterances of fire, utterances

of the Holy Ghost, utterances of power so that I gain results that my life and destiny needs at this time. Lord fill me with the anointing that will make me to speak the words that will open doors, that will unlock gates, words that will unlock realms where my blessings are, Lord the anointing to speak with utterances that will begin to create my miracles, Lord give me such and anointing now in the name of Jesus. Lord, even as I pray in this fasting season, the grace to speak with utterances of heaven, tongues of angels, tongues of fire, tongues of the Holy Spirit, not mere words but words of the Holy spirit. Lord let the grace to speak these words come upon me now, let the grace possess me.

⇒. There's always a reaction in the kingdom of darkness when they discover you are about to break out of their bondage, their yokes and chains of slavery and that is what I'm sensing in my spirit right now. They know you have started a spiritual journey that is able to liberate your life and destiny. They have gotten an alert in their kingdom and they want to make sure that you do not have your breakthrough. Spiritual things work like a network, there's a way they connect. If you make a decision today to take a state that will change your life and destiny forever, that very moment they get an alert in the realm of darkness that this person is about to go, instantly they know it. Even by just thinking, they know instantly that you are about to break free from their hold.

•Raise up your right hand. In the name of Jesus, I come against every reaction of darkness that does not want me to finish this fasting journey successfully, every attack from the kingdom of darkness that does not want me to successfully continue and finish this fasting, I come against them in the name of Jesus, let the anger of God destroyed them now. Every reaction of darkness that does not want me to finish successfully this fasting, let the fire of God destroy them. Every personality of darkness that is beginning to get angry because they know I am about to be free, let the anger of God attack them in the name of Jesus. Every agent of darkness that is getting angry because God is about to release me forever from their captivity, let the anger of God fight them now. I refuse to be distracted in this fasting program. I refused to fail, I refused to be discouraged, I refuse to be weak. I receive strength to continue, strength to be encouraged, I receive strength to finish well in the name of Jesus.

⇒. There is a river of life that flows from the throne of God in heaven, a river of living waters. There is one inside of you and another one in heaven. Jesus said, those who believe in Him out of their bellies shall flow rivers of living waters. The manifestation of that Word we see it through prophecy, speaking in tongues, prophetic prayers and prophetic declarations. It is time for you to drink from the living waters because living waters bring revival, it gives life to dead things. If the river of living waters begins to flow in you, everything that is dead comes back to life.

•Father, give me a drink of your living water, let it continue to spring inside of me till eternity, that will give life to everything that is dead in me and around me. Lord let your living waters rise from within me, let them begin to spring as I pray, let there be

an overflowing of your living waters. Lord, I am thirsty for your living waters, give me to drink of your living waters that I would be satisfied, that I would never get tired but will continue to have life in my spirit, soul and body. I need that spring of life that comes through your living waters.

⇒. We are surrounded by different kinds of death. A lot of Christians are dead inside of them that's why it's difficult for them to be spiritual. There are levels of deaths, some people are not completely dead but are living 50% dead and 50% alive to God, some are 70% dead to God. Some are already dead to God and they can't feel God and His presence and there are a lot of things they can't do. There is so much spiritual death in this generation. Most people don't know how dangerous and perilous the times we are living in are because they are dead, they are not sensitive, they don't know what's going on, they think all is well, when it is not.

•Father take me to the depth of your living waters until every spiritual death is taken away from my life, Lord dip me into your living waters and let every spiritual deadness be removed from my life, I want to live, I do not want to die. I want to be full of life and light, take me Lord into the depth of your living waters. I refuse to be dead to the things of the spirit, to the presence of God, to the Holy Ghost, to the realms of heaven, oh God of heaven deliver me from spiritual death. I want to be awakened to my original identity in Christ Jesus, to my inheritance in heaven. I want to be awakened to enjoy my spiritual abilities in God, awakened to hear God, feel God, know God, fellowship with God, Lord deliver me from spiritual death.

⇒. The whole world is full of spiritual death. People are so disconnected from God, disconnected from the truth, righteousness, move of the Spirit, they don't even know the direction God is going. People don't just die spiritually, there is always a cause to it and the common cause is carnal living where you are so worldly and fleshy. When spiritual things no longer excite you then you are dead. There are agents of spiritual death and as much as you embrace them you cannot be alive to God. Having idols in your heart, always thinking about things that don't have to do with the kingdom of God is an idol. Also thinking about yourself never about God that is carnality, you are dead spiritually.

•Father, deliver me from every agent of spiritual death I have embraced, every agent of carnal living I have embraced, Lord, deliver me I want to be alive unto you. I reject death, I want eternal life. I do not want death, deliver me from everything I do that leads to death. I repent of these things, deliver me from everything that connects me with spiritual death in Jesus' name.

⇒. Revival means coming out of spiritual death. Coming out of spiritual death where you will know God, where you can see God, where you can feel and please Him, where you can fellowship with Him and be led by His Spirit, that is the meaning of revival. Nowadays people only care about themselves not about God and there can never be revival when it's all about yourself, forget about revival because revival

means yourself is gone and when people look at you they must see God not you anymore, that is revival.

•Father, deliver me from the love of self, let me be released to love you and not myself, deliver me from the love of self that is keeping me under spiritual death. Lord Jesus, deliver me from loving myself, I want to love you not myself. I want to be dead to myself and alive to you, I don't want to think of myself, all I want to think is about you, deliver me from the love of myself. I pursue revival, I seek revival not death, I want to live forever, deliver me oh God from loving myself.

⇒. There is a level of life that when you are transformed into it, when you walk into a place you are able to literally feel how dead and dark those places are. Jesus is life and He produces living beings or you become sons of life. There's a level of life that you would have become that when you walk into a place that is full of death and darkness you will instantly know that this place is dead, and that God is not there. To pray in those places will be difficult unless and until you enforce the life that you carry. When you defeat the darkness in that atmosphere then you'll be able to do spiritual things that would be effective. You need to be able to discern the deadness in environments because there are some places you cannot eat in because once you eat from that place you will be poisoned and you end up being sick or cause problems to your health. It is being alive to God that you can discern the presence of death in your environment, that you can discern the operations of demons in your environment.

•Father, let your life take over me such that I begin to react to the deadness in my generation, let your life saturate me so that I begin to react to death and darkness in my environment and the places I go to. Lord let your life saturate me, let your life take over me in Jesus' name.

⇒. I am trusting that this fasting will reveal to you what it means to be a Christian. What it means to be born again and how much you have missed in the kingdom of God so that you will make a permanent choice because life and death is before you and you have to choose one. You will discover the difference between life and death and what it means to choose life and to reject death. There is a spirit of judgement, Isaiah 4.

•Place your right hand on your head. Father let your spirit of judgement begin to work in my life and separate light and darkness in my life. Let your spirit of judgement begin to separate what is right from what is wrong so that I will be able to know what you want from me and what you do not want from me, so that I will be able to embrace life in the name of Jesus. Lord let your spirit of judgement begin operation, beginning from my body system, soul and spirit, let there be separation of righteousness from unrighteousness, separation of life from death, light from darkness. Let your spirit begin to work in me so that I will know the difference between light and darkness and be able to choose light and reject darkness. Let your Spirit begin to show me everything that I will be able to see and to know that this is God and this is the devil, this is right wrong and this is wrong, I want such a visitation

that will separate life from death in my life, let your Spirit make me know how to live and not die.

⇒. There are different levels in God. The God you meet in level one is different from the God you will meet at level five, the same God at level 5 is different from the one you will experience at level 50. That is why some people cannot understand some of the things we share with them because of the different levels they are at. The higher you go in God, the quicker you will fulfill destiny.

•Father, begin a working me that will elevate me to higher realms in you, I refuse to remain on a low level, I want to grow higher in you. Lord begin your works in me so that I will attain growth, be elevated into higher realms in you. Everything you have to do in my life so that I will become the kind of a Christian that is so close to you, Lord do it. Whatever you have to do in my spirit, body and life, Lord, begin to do it now so that I will become mature in the knowledge of you. Help me Father lift me up in Jesus' name.

⇒. The level of the voice and revelations that you hear and see at a low level are not the same as what you see and hear at a very high level. God does not deal with us the same way but according to what you deserve. The kingdom of God is not cheap, you pay the price, you have a lot to sacrifice to be elevated in the kingdom of God. Without sacrifices you cannot go anywhere. If there are attitudes, habits, addictions you are not willing to sacrifice then you are not going to grow. The way God will deal with somebody who has paid the sacrifice and that one who has not, is totally different.

•Father, give me a sacrificial heart that is willing to lose everything to gain you because I am ready to grow so that I may gain the kingdom of God. Lord, I'm tired of death, I want to enjoy eternal life in you, give me a sacrificial heart, a heart willing to leave anything and everything so that I can gain God and His righteousness. Father, give me a heart that will not hesitate to kill the desires of the flesh, a heart that will not think twice before killing the desires of worldliness. Lord give me a heart that can do everything to gain heaven and to gain God.

⇒. There's so many deliverances so many things that must be taken away from you that are agents of spiritual death for you to be free from spiritual death. Fear is one of the great agents of death.

•Father, take me through every deliberate process that will permanently destroy spiritual death in my life. Every process that I have to go through to be free from agents of death, to be free from every nature of sin, unrighteousness, uncleanness, impurity that I can go through those deliverance, so that I can be delivered from unbelief, doubt, lack of trust in God, and fear. Take me into every process that will enable me to enter into the realities of eternal life to enter into the realities of heaven. Take me through every process that will deliver me from spiritual death.

⇒. I have seen how God can rupture you from earth to heaven without you dying. It's like you are being translated physically alive and then the glory of God comes upon you and translates you from this earth dimension and you find yourself in the heavenly dimensions. This experience is not meant for pastors, apostles or prophets only but for everybody born of the spirit. This is an example of your inheritance in God, what you are supposed to be enjoying in God.

•Father, remove from my life every stronghold that would not want me to enjoy the glory you have prepared for me. Every stronghold of self, of my flesh, fear that would not want me to enjoy the glory you have already given to me, Lord destroy the strongholds, take them away the strongholds that has glued my life to the world, that has pinned down my spirit to this world and will not let me enjoy heaven but making me be only concerned about the things of this earth, destroy such stronghold. Destroy every stronghold that has destroyed my sensitivity to the realm of the spirit, every stronghold of darkness that has limited how far I can go in the realm of the spirit and how far I can travel in the realm of the spirit, destroy them all in Jesus' name.

⇒. Lord, teach me your ways so that I may be able to align my life and lifestyle to align with your ways. Lord, I know your way is different from my own way, teach me your ways so that I may be able to align my life, my thoughts, decisions, the steps I take to agree with your ways. Teach me 9h Lord your principles, instruct me on how to live my life, how to use my mind, how to talk, and how to do the things I do on a daily basis, instruct me Lord. Teach me your ways so that I will find life as I obey and do them in the name of Jesus, help me Father.

⇒. Raise up your right hand. Father, beginning tonight, let me begin to receive visitations in my sleep to correct things in my life, for you to do your operations in my life, operations that will lead to my deliverance, healing and breakthrough, Lord begin to come in the night to do them. Lord visit me every night throughout this fasting, keep on visiting me every night to remove things you do not want, begin to heal, deliver, give breakthroughs, correct things. Lord begin to visit me every night beginning from tonight, let my spirit be opened to receive your visitations till my life becomes the way you want it.

⇒. In the name of Jesus, I come against every trap the enemy has set for me to make me stumble and fall, every trap the enemy has set to bring me in sin in the name of Jesus, let them be destroyed right now. Every trap set to ensure that I fall, I decree that trap is broken and destroyed now in the name of Jesus. Every trap of temptation, trap to make me start offending people, keeping malice, to cause me to misbehave, let them be broken right now in the name of Jesus. Every trap set to take away my peace and joy, let them be broken now in the name of Jesus.

⇒. Father let your Holy Spirit rest upon me powerfully with power to bring manifestations of victories as I go through this fasting, let me be filled with the Holy Ghost. Father let your Holy Ghost rest upon me powerfully so that I can feel Him, sense Him all the time. Let your Holy Spirit sit up on my mind, head and spirit throughout this fasting, let me carry the visible presence of your Holy Spirit with me.

⇒. Father make my life beautiful so that your name will be glorified in my life, beautify my life so that your name will be glorified so that people will see such beauty you have done and will praise and glorify you. Lord in this season beautify my life, beautify me so that your name will be glorified as man behold your beauty in my life. Lord, you know those things that are not yet perfect as they should be, you know everything that needs to be upgraded in my life, Lord beautify my life so that your name will be praised, in the name of Jesus. Thank you Father in Jesus' name Amen.

CLOSING PRAYER

Place your right hand on your head.

Father, we thank you because you are so faithful. Thank you for your love, mercy and kindness. Thank you for what you have done in our lives in this prayer session, thank you for revealing to us the dangers of embracing spiritual death and showing us how much we would miss in the Kingdom of God and lose if we embrace spiritual death and the life that is in the world. Oh God we say thank you for showing us all that we need to attain in you, oh Lord be glorified forever in Jesus' name.

Lord, as this is the first fasting session we are holding in this fasting season, I ask oh God that the strength that your people need to go through this fasting and finish it victoriously, oh God give it to everyone right now in Jesus' name. The anointing they need to pray in such a way that they would command your attention, even that of your angels, Lord put upon everyone such an anointing and grace in Jesus' name.

I am praying for you that you would not make mistakes that would deprive you of God's blessings during this fasting journey in this season in Jesus' name.

I ask that the Lord will favour you, the Lord will bless you, and the Lord would answer each one of your prayer points as you pray in this season of fasting.

You shall not fall in the name of Jesus. Every trap the enemy has set to make you fall, I decree they will not succeed in the name of Jesus. Every poverty that has been established in your life to frustrate you, I decree that the mercy of God would end that poverty in your life in the name of Jesus, and that the mercy of God will connect you to prosperity and great increase in the name of Jesus.

I pray that in the course of this fasting you shall physically see your sicknesses and diseases disappear. In this course of fasting, you shall physically see your captivities, chains of slavery broken in pieces forever in the name of Jesus. In the course of this fasting you shall physically see the end of your problems, troubles, failures, pains and sorrows in the name of Jesus.

The Lord shall fight for you in the name of Jesus and He shall strengthen you in the name of Jesus. Thank you Father because we know you have answered these prayers, blessed be your Holy Name in Jesus' mighty name I have prayed, Amen.

PRAYER POINTS

⇒. Father, I thank you because you will help me, you will bless me, and you will make my life beautiful. Lord, I thank you because you will have mercy on me, you will touch me, support me, anoint me and you will do miracles because of me, of my life and situation. Oh God of Israel, I thank you for what you will do even beyond tonight. Thank you for what you have determined to do, what you will do. Thank you faithful Lord in Jesus' name.

⇒. Holy Spirit, come upon me and make my prayers victorious tonight. Holy Spirit, move upon me, make my prayers powerful, let them be strong and be full of fire so that I will have great victories right now. Father pour out your spirit upon me, Holy Spirit move upon me, make my prayers powerful, I don't want to just speak words but I want to speak powerful words. I am not here to just shout and talk but to prevail and have victory, Holy Spirit, move upon me.

⇒. Holy Spirit, reveal to me the secrets of darkness, the mysteries of darkness affecting my life and destiny so that I can deal with them, so that I can make the right decision. Reveal to me the secrets in darkness, the mysteries in darkness that I must know to move forward in my life, calling and destiny. Holy Spirit open my eyes to see and discover the secrets, mysteries and darkness that I need to know so that I can attain the next higher levels, to fulfill my calling and my destiny.

⇒. There are many things hidden concerning your life and destiny. What you do not know is much more than you know; that's the mystery of life. Some things God will not reveal to you earlier in life because you might be scared and become your own limitation. They are also things God expects you to have known by now about your life calling, destiny, background, beginning, past, present and future, you knowing them is so important to fulfilling your destiny.

•Father, open my eyes, my heart, spirit and understanding; enlighten my understanding to discover things that I must know about my original identity in you, who I am in your plans, in your book in heaven. Open my eyes, heart, spirit and understanding to discover what I should have known by now, I am ready to know

them. Lord, what are those things I should have known by now about my calling, purpose, my life? Father, what are those mysteries about my life? I am ready to learn, I am ready to know, please open my eyes to know because there are many things I do not know about myself, about my divine assignment on earth, make me know them oh Lord. Lord, I want to know why I was born, why I am still alive, what you have had in mind before you sent me into this world, Lord open my understanding to know these things so that I don't live my life the way I want but to live for you.

⇒. Some of you have been given a spiritual gift and upto today you have done nothing with it. Though you might think you have done something with the gift but according to the records in heaven, you have done nothing about that gift.

•Father, the gift you have given me to serve you on earth, to serve your will and purpose on earth and I have done nothing full with it. Father, have mercy on me and enable me to begin to use and manifest this gift. Lord do not take away this gift from me but show me mercy and let me be able to utilise this gift so that you can be glorified. Father the gift that you have given me that I have not used at all, oh God I ask in your mercy, help me, enable me awaken me, revive me, strengthen me, encourage me, Lord stir me up to fulfill your purpose with that gift. Stir up my heart and spirit to begin to make use of the gifts, to fulfill my destiny, to serve and glorify you through it.

⇒. We walk in darkness many times because our focus, goals, what we want to achieve and what we are pursuing are wrong. Even if they are not wrong things, because you are pursuing wrong things at the moment that God has something greater than what you're pursuing, you will walk in darkness. If we begin to pursue after the right things we will not walk in darkness. Many are not pursuing the Kingdom of God, they don't care about soul winning, or the business of God. If our focus is not right we will be in darkness. Some people's focus is on making money, but why are you making money? Is God the focus on making money or in everything you are doing? Does God have benefits in what you are doing in life? What is the focus of your life? Is it about you, your family, children and not God?

•Father, let my focus be removed from everything that does not agree and align with your will and your Kingdom. I want to focus on the right thing because I do not want to walk in darkness. King of Israel, let my focus be right, I do not want to set my heart on things irrelevant to the kingdom of God but I want to focus on the things you want me to focus on. As I am working or doing business, and all I do, let my focus be right. I want to walk in the light therefore Lord change my focus and give me the right focus in life. Let me understand why I got married, why I have children, why I am a Christian, why am I making money, why I exist. Is it because of what I want to gain or is it all about me? Teach me to understand what I should focus my heart and life on, so that I have a good reason for them.

⇒. What is light? God is light and anything that is against light is darkness; everything against God's nature, righteousness or will, is darkness. If your focus is not on God, naturally you will begin to drift into darkness. It doesn't matter who you are, if your focus is not set on God, automatically darkness will be pulling you. God is before you and darkness behind you and when you focus on God, light will begin to draw you closer and vice versa. The reason why some of our prayers are not answered is because our focus is wrong. God knows if He blesses you, you will not glorify Him with that blessing.

•Father, I reject the way of darkness, I desire the way of the light, Father remove my feet from the way of darkness, set them in the way of light. I reject the way of darkness, I deny the way of darkness, Father remove my feet from the path of darkness and set them on the path of light in the name of Jesus. I know only the way of light will lead to victory, breakthrough, success, fulfillment of calling and destiny. Only in the way of light will I possess my possession, in the way of light is true prosperity, there are miracles, signs and wonders. Lord remove my feet from the way of darkness and set them in the way of light because I know it is in the way of light that I will find you. It is in the way of light that there is eternal life.

⇒. As long as you are in God's way, God's promises over your life will happen naturally. Many believers receive prophecies or see dreams that pertain to their calling and they never come to pass because they did not remain in God's ways. You don't need to struggle, all you have to do is just stay in His way, that's all you need to do and you will have everything He has promised.

•Father, show me mercy and help me to walk in your ways, remove from my heart every spirit of rebellion, spirit of disobedience and set my feet on your ways. Lord remove the heart of stone and replace it with a heart of flesh. Remove the bad heart that does not want to listen to your instructions, to your Word, commandments or Voice, put another heart in me that will listen and obey your Word, help me Lord Jesus.

⇒. Place your right hand on your head. In the name of Jesus, I come against every spirit of darkness that is controlling my mind, manipulating my thoughts against righteousness, against the will of God, let fire consume them, let fire destroy them. Spirit of darkness manipulating my thoughts against God and His righteousness, catch fire in the name of Jesus. Spirit of darkness controlling my mind against the will of God for my life and destiny, catch fire in the name of Jesus. ***Every spirit of darkness hovering over your mind, your thoughts, heart, soul and spirit to turn you against the way of the Lord, I decree that the fire of God arrest and destroy them now in Jesus' name.**

⇒. Without the help of the Holy Spirit you cannot walk successfully with God. You need the Holy Spirit at this time, if you don't have a strong relationship with the Holy Spirit you have nothing despite you having every other thing. Everything you have can disappear in a twinkle of an eye because we are in a time of great darkness

therefore you must be led by the Holy Spirit. If not led by the Holy Spirit whatever you start will fail because you lack fellowship with the Holy Spirit because the Holy Spirit is the one who sustains everything.

•Holy Spirit I need you in my life, come and walk with me, come and speak to me, lead me, direct me, fill me, empower me, anoint me. Holy Spirit I need a close relationship with you, reveal yourself to me, visit me and be real to me. Visit me, talk to me, help me, guide me, and teach me. Holy Spirit I want to know you. I need a glorious relationship with you, a relationship with you that will be powerful, a relationship full of revelations. Holy spirit I need a walk with you that will be full of mighty works and miracles. Holy Spirit, I need you, walk with me. Minister to my heart, I want to hear from you Holy Spirit.

⇒. The Spirit of God is not far from you, the only thing that will make Him look like He is far is when you are in the flesh. When you come out and die to the flesh, you will discover that the Holy Spirit is very close to you. It's not easy to walk in the spirit or to come out of the flesh but when fire burns inside of you, you will not stay in the flesh but will live in the spirit and be heavenly minded.

•Father, let your fire begin to burn in my spirit, soul and body to take me out of the flesh, to destroy the power of the flesh. Let your fire begin to burn in my life to enable me to walk in the spirit, live in the spirit and not in the flesh. Father I need the fire that will reposition me, that will remove me from the realm of the flesh and permanently establish me in the realm of your Spirit, oh God give me that kind of fire in the name of Jesus. Father, baptize me in the fire of the Holy Ghost that I may be sensitive to the realm of the Holy Spirit, put me in the fire of the Holy Ghost.

⇒. The solution to lukewarmness, spiritual coldness, and prayerlessness is fire. When God sets you on fire everything changes, you stop becoming carnal or worldly, your thoughts and focus will change, the way you pray and the results that follow your prayer would change. It is fire that makes Christianity sweet, that makes ministry powerful because fire will separate darkness from light, flesh from the spirit, righteousness from unrighteousness, demons from the Holy Ghost.

•Father, set my spirit, soul and body on fire till everything in my life becomes what you want, till I begin to look exactly as you want. Lord set me on fire till there is no more darkness, confusion, sin, worldliness, weakness, impurity and uncleanness. Set me oh God on fire till I become pure like gold, till my life begins to look as you want it. This is my prayer, Father set me on fire.

⇒. The Lord is saying to some of us, your spiritual gift needs to pass through fire. They need to be refined in fire so that they can produce results that God is looking for.

•Father, let your refining fire begin to burn in my life and let every spiritual gift that has been polluted by darkness be refined right now. Every spiritual gift in my life that has been corrupted with darkness, let your fire burn and let them be refined right now. King of glory let your refining fire begin to burn and refine my spiritual gifts.

⇒. The fire of the Holy Ghost will reveal to you everything that you are doing wrong because when He begins to burn He will destroy everything that is not of God. When you allow the fire to burn, He will show you your error so that you can drop them and forsake them.

•Father, let the fire of the Holy Ghost burn so much in my life and begin to reveal to me my errors, unclean behaviour, unclean attitude and everything that I must get rid of, let your fire burn and show them to me in the name of Jesus. Lord, let your fire burn so much in my life, the fire of the Holy Ghost burn so much in my life and let every error begin to appear. Every mistake, self-centeredness, everything I have embraced which is wrong, let your fire expose them so that I can get rid of them. Every unrighteousness, uncleanness that I have embraced, let your fire burn and show them to me. Every attitude, negative emotions and feelings, let your fire burn and expose them to me in the name of Jesus.

⇒. There are some people who have great companies and big businesses who know the importance of the Holy Spirit more than some of us. They understand that if they don't work with the Holy Spirit they can lose everything they have. Most of us think they don't know God or have a relationship with the Holy Spirit because they don't show it but most of them don't joke with prayer and fasting to sustain the victory and success they have.

•Father, put upon the grace to be awakened in knowing your Holy Spirit, to fellowship with the Holy Spirit in a very close manner. Lord put upon me that grace and anointing to walk with the Holy Spirit in reality. Lord give me the grace to walk with the Holy Spirit, to hear His voice, to fellowship with the Holy Spirit like I do with fellow human beings. Let me be able to see, touch, embrace, discern and understand the Holy Spirit, I want to know you more Father, I want to know you more Jesus, help me.

⇒. You need to have revelations of Jesus to enjoy your walk with the Holy Spirit. One of the ways to get revelations of Jesus is to study and meditate on the Word of God because Jesus is revealed in every book of the Bible. The revelations you have of Jesus will make your relationship with the Holy Spirit very powerful.

•Father, reveal unto me revelations of Jesus as I open the scriptures, as I open the pages of the Bible let me see revelations of Jesus Christ so that I will have a powerful walk with you. Let the revelations of Jesus begin to appear to me as I open the scriptures from tonight. As I read the Word, let me begin to see revelations that will help me grow in you, let me begin to see revelations of Jesus from every passage and book I read from the Bible, show me Jesus, Father.

⇒. It is very important to have a renewed mind when you walk with the Holy Spirit. Your mind is the key to hear from God and to receive revelations. What kind of mind do you have, is it spiritual, carnal or fleshly, proud mind, disobedient mind etc? You need God to destroy every mind that is sinful, carnal, and hates God. It's demonic for

you to be irritated when we are talking about things of God, holiness, or the Kingdom of God. You need deliverance because that is another mind not the mind of God and it must die.

•Place your right hand on your head. Father every mind ruling in my mind, every mind contrary to the mind of Christ, mind of God ruling in my mind, Father let it die right now. I reject every mind that is not the mind of Christ, every mind that is against righteousness, holiness, fear of God, will of God oh God let them die right now in the name of Jesus. Every mind promoting doubt, fear, unbelief, every mind against you God and your Kingdom, die in the name of Jesus. Every mind in my mind promoting lusts, love of money, slavery to sin, addiction to sin, I command the fire of the Holy Ghost to kill it right now.

⇒. Anybody can be possessed by the devil, even Christians. Romans 8:6.

Whenever you are carnal your spiritual environment changes automatically, you are separated from the heavenly presence of God. Everytime you manifest the mind of Satan, think thoughts that cannot be found in Jesus, that is demonic possessions.

•Place your right hand on your head. Lord Jesus, manifest your power in my soul and mind and deliver me from every darkness that has taken possession of my soul to use me against your will. Every unclean spirit that has taken possession of my soul, emotions and spirit to use me against God, against righteousness, oh God of Israel, let your fire remove them. Fire of the Holy Ghost uproot every presence of darkness, presence of unclean spirits in my soul, in my mind controlling my thoughts, decisions and actions. Every spirit of darkness, evil spirit, spirit of sin that is working in my soul to enforce unrighteousness, sins, disobedience and rebellion, I command you to come out by fire.

⇒. Deliverance is a daily thing, we get delivered every day. Because we live in a world full of great darkness, infested with demons that is why the power of God has been given to the church for daily deliverance. Your body or flesh is more wicked than Satan.

•Raise up your right hand. Father let your hands touch my hand and deliver me from the grip of darkness, from the grip of the kingdom of darkness that wants to destroy my life, pull me out of their bondage, deliver me oh God. Deliver me oh God from the grip of the kingdom of darkness that wants me to serve them, that wants me to serve Satan and not you. Lord, I want to be delivered so that I can walk with you as I should. I want to be free so that I can please you as I should, deliver me.

⇒.God can stir up people to have the same mind about a certain issue and they will all be confirming the same thing. God is able to do so because we have the mind of Christ. God releases a message from heaven and everyone with the mind of Christ will be able to receive that message and start to think about the same message. It's the same way with the devil, if he wants to carry out an assignment, when he releases a decree and says, let everyone be angry and everyone with the mind of

(Satan) anger in his heart will get angry all over the world. What you are in your mind is what you are, not what you look like.

•Father, in my mind let the mind of Christ prevail continually all the days of my life. Lord Jesus whatever you have to do for your mind to prevail in my mind, do it continually. Lord in my mind let your mind prevail, do not let the mind of the day prevail, do not let the thoughts of the devil prevail in my mind. Let your mind prevail continually in my mind.

⇒. Principalities are the second-in-command after Satan, before we talk about powers, rulers in the heavenly places. Principalities are so strong in operation such that they only need your weakness. Once they discover a single weakness in you as a Christian then they have finished you. You won't know when you have fallen or gone so deep into sin or into many things that are contrary to your calling and destiny.

•Raise up your right hand. Father, deliver me from every weakness that is making me vulnerable to be defeated by the enemy. Lord, I do not want to be defeated, I do not want to lose in the battles of life deliver me from weaknesses in my life, in my spirit, in my flesh and soul. Oh God deliver me, I do not want to be a prey to the devil, I do not want to be destroyed, I do not want my destiny and calling to be destroyed. Deliver me Lord Jesus from every weakness, from everything that the devil has considered as their weapon over me. Deliver me from everything that is making the devil more powerful than me, deliver me from them all.

Romans 8:5

⇒. To be after the flesh means your passion, your desires are always of this world. If you set your mind on the things of this world they will lead you to sin. The way some things appear don't look sinful but whatever leads people to sin, I call it sin despite how it looks. Anything that carries power to draw you into sin you must avoid it, kill it even if it does not look sinful.

•Father, take away my passion from the things of the flesh and from the things of this world, let my passion be in the things of the spirit and things of heaven. Deliver me from seeking after the world, seeking after the pride that is in the world, the lust in the world, the beauty in the world. Deliver me Father, I want to seek the things that are in your Kingdom, the things of the Spirit, help me Father.

⇒. All the things we are looking for: physical benefits, good marriage, success, business, blessing of the womb, money, wealth; excess of these things are in the Kingdom of God. The only way to get them from the Kingdom of God is to stop seeking them and seek God and not those things, Matthew 6:33. What the kingdom of God wants you to have is God first before any other thing. God can withdraw any other thing before you have Him; it's only after you have Him that He will be able to release everything else you want.

•Father, let this truth prevail in my heart, the truth that says seek first the Kingdom of God and the righteousness of God, let it prevail in my heart and let every other lie I

have believed be destroyed from my heart. Father let the truth that says seek first heaven, seek first holiness, the presence of God, the righteousness of God, let it prevail in my heart. Let me stop deceiving myself and begin to seek first heaven, let this truth prevail in my heart. Help me Lord Jesus, only you can help me to live the life that is in your Kingdom.

VERSE 6

⇒. Father let your mighty hand visit my life and remove everything the enemy has planted to take away my peace and joy that I used to enjoy in you, Lord, I want it back. Everything the devil has planted to deprive me of everything I used to enjoy that is in you, Lord destroy them now. Lord restore unto me that peace and joy I used to have in you.

⇒. Some people feel that they can only experience joy and peace when God would have answered their prayers, of which that is a lie. While you are waiting for the answers to your prayers you must have peace and joy. There is a presence of heaven that will make a man to be at perfect peace even when there is chaos all around him.

•Lord, enthrone in my heart, my spirit, and mind your powerful presence that authorises perfect peace and joy continually in all the days of my life, enthrone such a presence in my life right now. I refuse to be controlled by circumstances and events that happen around me but I want to be controlled from heaven. Enthrone such a presence in my life, put me in perfect peace and joy at all times in the name of Jesus.

⇒. I feel the enemy is creating a lot of distractions to distract you from giving your full attention to this prayer and fasting.

•Raise up your right hand. In the name of Jesus, I come against every power, every demon assigned to distract my focus in this fasting program, let the anger of God consume them now. Let the anger of God consume every spirit, darkness, devils that is distracting my attention and focus on this fasting program, keeping my mind away from God. Every distraction the enemy is causing to ensure that I don't get the best of this fasting, let the anger of God destroy such distractions right now in Jesus' name.

⇒. Place your right hand on your head. I connect my spirit, soul and body with the angelic operations of the Most High God for this fasting season. I connect myself with the interventions of angels, with the ministrations of angels. Every business of God's angels going on in this season, I want to be part of it, every operation of the living God, of the Most High God of Israel going on in this month for this fasting season, I want to be included, I connect my body, soul and spirit. I connect my life, calling and destiny with the interventions of the angels of the Most High. ***As you have prayed, I decree that it is established now in the name of Jesus. Thank you Lord in Jesus' mighty name it is done Amen.**

⇒. Raise up your right hand. Every access, legal ground that is giving demons, arrows of darkness to penetrate into my life and destroy good things, let such portals be closed forever by the hand of the almighty God in the name of Jesus. Every portal that has opened in my life to give evil access to agents of darkness, access for evil to overcome me, let them close up forever right now in the name of Jesus.

⇒. Father anoint my eyes to see the wonders of you, to behold your wonders, the wonders of your wisdom, of your glory, of your grace. Anoint my eyes to see how glorious you are, how glorious your will for my life is, anoint my eyes that I may see into your will for my life. I want to see beyond these physical things, I don't want to see what the devil is showing me but I want to see what you are showing me, open my eyes Father.

⇒. Father connect my life and destiny with the royal honour that is in your Kingdom, Lord let my life begin to have that honour in Jesus' name. Lord the same honour that is in heaven that prevails in heaven, let that same honour prevail in my life, let that honour be seen in my life. Let whoever sees me see me as the son of a King, as a son who belongs to a great Kingdom, greater than the kingdoms of this world. I want to live with such honour that is in your Kingdom. I want to do my business, career with such honour in your Kingdom, I want the world to see my life and begin to give honour to you. •Father, reveal a great glory in my life that will attract nations, people all over the world unto you. Lord, reveal a great glory such that when men see me, they will bow to the God that I serve, they will worship the God that I serve. Lord reveal such a glory that presidents, rulers of nations will see and bow to worship you. When they see your glory they will not be able to hold it but will surrender their lives and possessions to you and will worship you. Father, reveal such a glory in my ministry, career and destiny, such a glory that will command souls to surrender, that will make man honour you, reveal such a glory with power in my life.

ISAIAH 43:1

⇒. Father let me see your power, help me in every negative situation that I find myself in, let me see your power helping me in every situation the devil has created to swallow me up, let me see your power helping me for you are my redeemer, my savior, the one that formed me. Father, let me see your power in every situation that is so much stronger than me, let me see your power manifest to save me, for you are my God and you said I should fear not. Let me see you in every situation the enemy has created for my downfall, shame and disgrace, let me see your power save and rescue me.

⇒. God has a responsibility to care for everyone and everything He created, including the animals. If God created you, He is responsible to help you and care for you

•Father you created me, you formed me, let me see you take care of me, feed me, clothe me, establish me, restore me, deliver me because you have committed yourself to care for me, your creature, your son. Oh God of Israel, let me see your faithfulness in my life. Father you are a loving and merciful Father, you know the things that are lacking in my life, Lord let me see you take care of me. Visit my life, meet my needs, fix my life. Only you can fix my life because you created me, let me see your mighty hands fix my life, restore me, heal me, deliver me, and save me.

⇒. In this context God is saying fear not despite what the enemy might want to do to you. Even in the face of death when it looks like there is no way out and the enemy has overcome you, He is saying fear not meaning that you will not die even in the face of death because I have redeemed you.

•Lay your right hand on your head. Father, you are my creator, the one that formed me, let nothing be able to terminate my life untimely, let no creature, being, disease, killer, armed robber, terrorist in this world be able to terminate my life untimely because you are the one that created me and placed me in this world to live my days. Let no power, witch, attack or curse in this world, under the world, under the sea, in the heavenly places, on earth be able to terminate my life untimely in the name of Jesus, for you are my Lor, my Father, my creator.

⇒. Fear not, means that no will of man will prevail in your life, only the will of God will prevail. You shouldn't be afraid of man's will, governments, terrorists or what people are thinking against you because it shall not stand.

•Father you created me, you formed me, let not the will of man prevail in my life, let not the will of demons in the flesh or evil rulers prevail but let only your will prevail. In my life, calling, destiny, and ministry let not the will of man prevail but let only your will prevail. Evil determinations, agendas in the heart of man, let them never prevail over me. Let every evil conspiracy from people never prevail in my life, oh Father in Jesus' name.

⇒. I have redeemed you. To be redeemed means that God paid the price for you out of the bondage of an oppressor, out of the captivity and control of darkness. All that was needed for you to be free, to prosper and be delivered, God did it for you and the enemy cannot stop Him. If God wants to heal you, the devil cannot stop Him because all that must be done for you to be healed has been done, He has paid the price for everything you need now.

•In the name of Jesus, I invoke the power that is in the death of Jesus on the cross of Calvary for my deliverance and breakthrough. I connect with that power, I call on that power to deliver me right now. The power that is in what Jesus did on the cross of Calvary, let that power manifest in my life right now for my healing and deliverance. I invoked the power that the cross of Jesus has commanded, I invoke that power right now for my deliverance, breakthrough, healing. Let the power in the shedding of the blood of Jesus manifest in my life for deliverance right now in the name of Jesus. Let the power in the pain, wounds and agony of Jesus on the cross of Calvary manifest in my life right now for my deliverance. Let the power that is in the death of Jesus Christ on the cross of Calvary, manifest in my situation and deliver, restore and prosper me right now in the name of Jesus

⇒. If there is a demonic personality that is claiming that you are under them, that they own your life and destiny, that they are in charge; it is a lie, they do not own your life or your destiny because there's only One person who owns your life, who is in charge and that is Jesus, who has paid the price. He has taken you out of their kingdom possession, He owns you forever.

•Father let your anger and destruction come upon every demonic personality, principality, kingdom of darkness that is claiming dominion, possession and control over my life and destiny, let your anger and destruction fall upon them for you have redeemed me from darkness. Remember Lord you have redeemed me from darkness therefore they have no rule over my life. Principalities and demons have no authority over my life, oh God of Israel stretch forth your hand against them and destroy them in the name of Jesus. Lord let your anger, your wrath, and destruction come upon every kingdom of darkness that is claiming dominion, possession and control over my life, calling and destiny. Every demonic kingdom claiming they are in charge of my life, that they are the ones who determine what happens in my life, oh God of Israel you have redeemed me, I do not belong to them, Lord appear and destroy them all in the name of Jesus, consume them all, rain fire upon them.

⇒. Redemption is not only to save you from sinning but also to save you from poverty. There is a connection between money and survival, which means poverty can kill. Absence of money can end someone's life untimely. If God has redeemed you, it means He will not allow you to be poor because you must live, you must survive. Your survival is part of what Jesus died for, so that you have everything you need and that you don't lack anything to fulfill your assignment, to take care of your family. The problem is people neglect the giver of all things and seek those things

and have left God behind, that's why most are in lack. Poverty means you lack what you need to survive and fulfill destiny.

•Father, you are my creator, you formed me; deliver me from the strength and power of poverty. Deliver me from the strength and curse of poverty, from every ancestral covenant of poverty I have inherited, deliver me from every curse of poverty prevailing in my bloodline, deliver me oh Lord Jesus because you have redeemed me. Deliver me from the curse of poverty prevailing in my country, from the power of poverty prevailing in my nation, deliver me Lord Jesus and let me be released into abundance in the name of Jesus. You have redeemed me from poverty, why should I be poor, Lord deliver me.

⇒. There are wasting spirits or devouring spirits which are connected to a lot of people's finances. These do not just appear in your bank account and start eating your money but they create situations around you which would just waste your money and before you know it all your money is gone for nothing. They can even use you to waste your own money by putting in your heart all manner of things, addiction and greed and you just want to buy unnecessary things or invest in things that will lead you to loss.

•Raise up your right hand. I come against every wasting spirit, devouring spirit that has been mobilized into my finances to waste every blessing of the Lord, let fire arrest and consume them. Lord every wasting spirit, devouring spirit that is following my finances to ensure that I achieve nothing, arrest and destroy them in the name of Jesus. Let every devouring spirit be destroyed by fire, let every devourer, the enemy has sent into my financial life to consume riches and wealth, to destroy God's blessings, and prosperity in my life, oh God of Israel let fire destroy such devourers in the name of Jesus.

⇒. The Lord has redeemed us from the power of sin. Sin shall no longer have dominion over you because you are under grace, you have been redeemed so sin should not rule over your life. If sin still has power over you it means you are in great bondage.

•Father you have redeemed me, let sin never have power over my life, let it never have dominion over my life from this hour henceforth, break the power of sin over my life, break the power of darkness, pollutions, corruption, lust, greed, pride over my life, spirit and body. Let the love of sin be destroyed in my life, let the strength of sin be destroyed in my life, for you have redeemed me from the power of sin. Oh God of Israel, let sin never have dominion over my thoughts, actions, feelings, emotions and over everything I do, break the power of sin over my life in the name of Jesus. Let the power of sin be broken because you have redeemed me. Every disobedience in me, proud heart in me, proud spirit, lustful spirit in me be destroyed because you have redeemed me from sin, I am no longer a slave to sin, unrighteousness, pollution, and darkness.

⇒. One of the ways to overcome the devouring spirit is to imbibe the spirit of giving. Giving helps the giver more than the receiver even Jesus said, it is more blessed to give than to receive. Giving will deliver you from devourers. If you don't give, God will still bless you but THAT WOULD STOP God from stopping devourers and wasters from attacking your finances.

•Father let the spirit of giving take over my life and let me become a sacrificial giver because this is a way to stop devourers. Destroy greed in my life, destroy covetousness, worldliness and make me a sacrificial giver. Lord put upon me a giving spirit, fill me with a giving spirit. Let me be more of a giving spirit than a receiving spirit. Help me Father, make me a sacrificial giver, a selfless giver, that I will always think about what I will give, not about what to receive or about me.

⇒. I have called you thy name, thou art mine. This means He has known you before you were born and claimed you before you were born. He knows that so many forces/kingdoms would try to own you but He says I have called you by name and you are mine. Meaning that He has owned you, claimed you and has known you before you were born.

•Father, you have known me before I was born, you have claimed me even before I gave my life to you, let your plans for my life begin to be fulfilled from this hour henceforth. Father what you had in mind before I was born, before I was formed in my mother's womb, before I existed on earth, Lord let your power begin to enforce them to manifestation. Your plans for my life and destiny before I was born, let them begin to be fulfilled now, for you have known me by name even before I was named by my parents. Lord, begin to fulfill your plans for my life, do not delay your desires for my life, calling and destiny, bring them all to pass in the name of Jesus.

⇒. To be called by name also means that He has set some things and people in place before you were born. All that you will ever need or become in this lifetime was provided by God before you were born. The enemy will influence people to make wrong decisions and choices or be driven by selfish interests just to divert them from that divine provision God had allocated for them. Despite all that the enemy has done, God has a way of helping you after you have repented and surrendered all to him.

•Raise up your right hand. Father, from today onward, begin to connect me with my divine allocated blessings, provisions, opportunities, helpers that you have already provided before I was born, Father you alone can do it, begin the operation now in Jesus' name. Lord every divinely allocated blessing that is mine, Lord wherever they are all over the world, connect me to them. The blessings, provisions, helps, helpers, opportunities and positions you have already provided for me before I was born, Lord begin to connect me with them, bring them into my life, bring me into them in the name of Jesus.

⇒. God has called you by name also implies that God has business with your name, He has something to do with your name. He wants to glorify Himself through your

name. There are some places where your name must be known, where your name must be mentioned if the level of God's glory will be seen in your life calling and destiny.

•Father, every announcement, recognition that must happen to my name for your glory to be seen in my life and through my life, Father let them begin right now. Lord glorify yourself in my name such that the whole world gets to know you through my name, nations get to serve you and worship you through my names and identity. The global recognition that has to happen to my name for me to fulfill the calling you have called me to do on earth, Lord, let such recognition, announcement and fame be placed upon my life, business, career and ministry. Lord glorify yourself in the name of my business, products, career and ministry, glorify yourself in every good thing in my life, Lord glorify yourself in those names. Announce those names for the sake of your glory in the name of Jesus.

⇒. God said you are His because He knows that the dark kingdoms, your flesh and many things of this world would want to take you from Him. This means that you are not yourself, you are not your own, you are not your parents', but you are His, just as your parents are His property, so are you God's property.

•Father, deliver me from every force that is pulling me away from you, that wants to claim me, that is drawing me away from you. Every force of darkness, sins of the flesh that is drawing me away from God, in the name of Jesus be destroyed right now. Every force of ungodliness that is pulling me away from God, catch fire right now in the name of Jesus. I belong to Jesus, I belong to God, I belong to the Kingdom of God. I do not belong to anyone or anything but I belong to God. I belong to the Lord, my Savior, therefore I come against every force of darkness that wants to take me away from God, that wants to pull me away from God, let fire destroy them, let such force die right now in the name of Jesus.

⇒. Gates of hell are a realm that carries a dark pull, to draw people out of God's presence, righteousness, the light, purity, and holiness into deception, slavery, addictions and pollutions. We are all surrounded by diverse kinds of gates of hell at this time. Your phone, internet, what you watch, what you listen to are gates of hell, even people can be gates of hell. Anything that pulls people out of righteousness, the light and spiritual mindless into carnal mindedness is a gate of hell.

•Father, deliver me from every gate of hell that has surrounded my life so heavily to draw me out of you forever, to take me away from you forever. Father, deliver me from every gate of hell that has surrounded my body, soul, spirit, life, business, marriage, career, environment to take me away from you forever, Father, deliver me now and disconnect me from them all, destroy their powers over my life in the name of Jesus.

⇒. The spirit of the Lord God is saying if we are to walk out of the gates of hell we must work on our choices, decisions and mindset. The kingdom of God has a lot to do with choices, the Bible says life and death I have placed before you, choose one.

You cannot be in between you have to choose one. What do you really want? Do you want God or you want the devil? Do you want to please God or do we want to please ourselves? Most people have been deceived such that they don't even know what they want and because of that we are being pulled on every side, tossed to and fro, we don't even know the direction we want for our lives but God can help and deliver you.

•Father, deliver me from wrong choices and let me choose life, righteousness, the fear of God, to please you. Lord it is life, light, you and your Kingdom that I want, help me to choose life, help me to choose your truth, your light and your ways. Help me oh Lord to choose your standards, your principles, to choose to love you, to please you, lord help me to make right choices and decisions. Help me to have the right mindset, help me Father in the name of Jesus.

⇒. If you are God's property, it means you have to do what God has called you to do. What has God called you to do? Why have you not begun to do it? Why have you procrastinated to do that assignment He gave you? By doing so, it means you have rejected His Lordship over your life, you are saying you do not belong to Him because you are failing to do what He has assigned to you. There is a divine demand upon your life, a divine order that God wants you to fulfill. You are not here for yourself but for God. There is something God wants from your life, that He wants you to do for Him.

•Father, help me to do what you have called me to do. I am yours and I will serve you forever, I will please you forever, help me to do everything you have called me to do. Lord help me to do exactly what you want me to do for you with all my life, I am ready, help me Lord Jesus. Help me Lord Jesus to do everything you have called me to do, everything you have commanded me to do. I want to do all the assignments you have commanded me to do. I do not want to miss any of them. Help me Father, I am willing and I am ready.

⇒. There is something in you, a light, a glory that nations are waiting for.

• Father let my light and saltiness be revived, let it wake up that I may be a blessing to my generation. You have sent me here as a light and salt, Lord, let my light and saltiness arise and begin to bless the nations, lives and destinies. Lord let my light begin to shine to draw people out of darkness.

⇒. There are limitations that have been set in place to stop you from fulfilling your purpose and calling. The devil is more angry about people's callings than any other thing. He might not attack you if you have not begun to do anything about your calling, he will leave you to prosper and enjoy yourself and life because you haven't started to take action regarding why you are here on earth. The moment you begin to be so passionate about the reason why you are here, he will become angry. So he will set limitations in place to ensure that you do not fulfill your calling.

•In the name of Jesus, I come against every limitation of darkness that has been set in place to stop me from fulfilling my calling and destiny, let them break right now by

the hand of God. Every limitation that the enemy has set to ensure that I do not grow beyond a certain level, that I do not fulfill my divine call, let the hand of God break them now. Every limitation the enemy has planted to ensure that I am limited in manifesting my calling, let your hand oh God to destroy them now in the name of Jesus. Every limitation of darkness in my spirit, soul, body to ensure that I do not fulfill my calling as it is in the plan of God, let them break now in the name of Jesus.

DEALING WITH BLOODLINE ISSUES

⇒. Lord Jesus, visit my bloodline, visit my ancestral lineage and give me complete freedom, deliver me from everything that the enemy has introduced into my life through my bloodline, give me a complete deliverance. Lord deliver me completely from every evil that entered into my life through my bloodline, that entered from my father's bloodline, from my mother's bloodline, oh Lord visit my bloodline and redeem me out of them all in the name of Jesus. Lord deliver me from every evil that has been absorbed in my life from my bloodline, deliver me Lord Jesus in the name of Jesus.

⇒. Some of you are suffering from covenants your parents established for you because when they established the demonic covenants they included you in the covenant they established with the devil though you may not be aware.

•Raise up your right hand. Lord Jesus, deliver me from every covenant that my parents established for my life and destiny. Every demonic covenant, evil covenant, satanic covenant, marine spirit covenant that my parents established for me knowingly or unknowingly, Lord deliver me right now in the name of Jesus. Every covenant my parents established for my life and destiny with the devil, Lord, deliver me because you are my redeemer. Every covenant my parents established, every idols, river goddess and gods, covenants established with forces of darkness in the second heaven, established with demons, false prophets, altars of darkness, witch doctors, ancestral spirits, Lord deliver me now from them all in the name of Jesus. ***I decree over your life by the authority that I have received from the Lord Jesus, every covenant of evil, darkness, wickedness that your parents knowingly or unknowingly have established for your calling and destiny, I decree, that covenant is destroyed in the name of Jesus. Concerning your life, the strength of that covenant is now broken in Jesus' name.**

⇒. Place your right hand on your head. In the name of Jesus, I come against every connection binding me to the idols in my father's house, to the demons in my mother's house, the idols that my ancestors worshipped, every evil bond existing between me and those idols, let the flaming sword of the Lord cut off those connections right now in the name of Jesus. Every connection binding me, my spirit, soul and body with the idols my parents, grandparents, ancestors worshipped; every bond established between me and those idols, let the flame of fire of the Almighty God disconnect them now, let the fire of the Holy Ghost destroy that bond now in the

name of Jesus. Every covenant bond connecting me with the gods of the land where I was born, to the gods of the land where my parents were born, let the fire of God destroy them now in the name of Jesus.

⇒. Usually for a covenant established with the devil to continue or remain strong, there must be persistent rituals and sacrifices going on. You and your parents may not be the ones doing (renewing) those rituals but if there's someone in the family that is still faithful to those gods and idols, the covenant will be still very strong over every member of that family.

•In the name of Jesus, I come against every sacrifice and ritual going on, on a daily basis or weekly basis, yearly basis to strengthen evil covenants over my life, let an end come to those sacrifices and rituals right now in the name of Jesus. Every ritual and sacrifice going on to strengthen the demons over my life, let an end come to them all, let them be completely destroyed in the name of Jesus.

⇒. In the name of Jesus, I come against every altar of darkness on which my names have been submitted for evil where my names are being mentioned for evil, let fire appear and destroy them all. I come against every altar of darkness where my name is mentioned for evil, as they mention my name, let fire appear and destroy them all in the name of Jesus. As they continually mentioned my name, let them continually see the anger of God, let the fire of God respond to them and let destruction happen to such altars in the name of Jesus.

⇒. Raise up your right hand. Father release a divine order from your throne, a decree for my life to be restored, for my life to be elevated. Lord, I refuse my life to be shaped by what my ancestors have said, laid down, I refuse to follow that pattern. I refuse to follow the demonic pattern that is prevailing in my father's house, in my family line, Lord I want to be different. Lord issue a command from your throne for my restoration and elevation, that my life may be different from the way the enemy has programmed it in the name of Jesus. Lord command my restoration and elevation from your throne in the name of Jesus.

DIVINE IMPARTATION

⇒. There are certain things that God will do to you and as He does that to you, every other thing that the devil has been doing for years automatically ends. There's only one thing that God will do in you and your life will be changed forever

•Father, visit me and do a work in me that will enable my life to go the direction you want it, that will enable my life to begin to reveal the glory you have destined for me. Lord visit me and do something in me, do something to me that will change my life forever, that will set me on the path that would lead me to glory, that will set me on a direction that leads to fulfilment and greatness. Lord visit me and do something in me that will set my life on a course that leads to glory, that leads to success and

greatness. Lord do it now that I will look as I should look, and my life to look as it should look, do your work in me Father, in my spirit soul and body.

⇒. Some of you God needs to come and remove something in your life and once that thing is removed, everything changes. It could be a habit, addiction, attitude or anything or many things.

•Father, visit me and remove that thing that must be removed for everything in my life to change into your glory visit me now Lord Jesus, remove it, remove them. Father remove anything and everything that needs to be removed from my life and everything in my life to turn into your glory for my life to be what you want it to be, Lord take them away. I am desperate for a change and a new beginning in your glory, visit me Lord and take such thing(s) away.

⇒. You cannot separate a deep hunger in your soul, in your heart for God from spiritual growth advancement and engaging with the realms of God's glory. You can't have the advancements in God without the hunger that will lead you to that realm or realms. There is a hunger or desperation to enter into those realms in glory in God

• Father, give me the hunger that will lead me into the realms of your glory. Father the hunger that I must have in my heart, in my soul for me to enter into the realms of your glory, your grace, your revelations and power, Lord put that deep desire in me. Father the deep endless hunger that will enable me to enter into the realms of your glory, put it in my heart, establish it in my spirit now in the name of Jesus. Such a deep hunger and desperation to grow, to know you let it fall in my soul thank you Father.

⇒. Divine impartation happens by angelic ministrations. If God is going to put something in your life He is going to use angels to do it.

•Raise up your right hand. Father open up my life to receive ministrations from your angels at this time. Let my life, spirit be opened, my soul be opened, my body and environment be opened to receive ministrations from your angels, ministrations that will change my life forever. Lord let my life be opened, my spirit man be revived to receive angelic ministrations from your throne, Lord let me be opened to receive them all in the name of Jesus. Open up my heart, soul, spirit, body, days, time, timeline to receive angelic interventions from your throne to receive angelic ministrations from you. Lord let me be awakened to these encounters, to receive such encounters from you. Thank you Father in Jesus' name, Amen.

PRAYER POINTS

⇒. Father, thank you for showing me mercy and for helping me. I cannot deny that you are helping me except that I want to lie. Thank you Father for helping me according to your mercy and loving-kindness. I can see that you are helping me because I was helpless and here you are helping me. Thank you Father, what can I do without you? What could I have achieved without you? What would I have become without you? Where would I be without you Father? If you had not helped me, I would have failed, suffered and could have been defeated; the enemy would have succeeded over me. Thank you Lord for helping me, you saw how weak I am and came to help me. You saw how foolish I am and came to help me.

ISAIAH 43:2

⇒. To pass through the waters is going through circumstances, events or situations that have the power to swallow you up, to end your life or kill you.

•Place your right hand on your head. Father, you have promised that you would be with me when I pass through the waters, Father, manifest your presence in my life to deliver me from every situation the enemy has created to destroy my life. Oh God of heaven and earth, manifests upon me and deliver me right now from the enemy and deadly situations the enemy created to destroy me, to end my life. Oh God manifest right now and rescue me from the devourer, let not the enemy prevail, save me right now.

⇒. God has a mighty hand that can locate anyone anywhere, despite how deep in darkness you are in or where you have been captured or and caged, the mighty hand of God is a weapon of war

•Raise up your right hand. Father locate me now by your mighty hand and rescue me from every slavery of the enemy. Mighty hand of God locate me, rescue me, deliver me from every enslavement of the enemy, captivity of the enemy. You know where I have been captured because there is no realm hidden before your eyes, Father you know where they have captured and enslaved me, Lord locate me and deliver me now.

⇒. Place your right hand on your head. In the name of Jesus, mighty hand of God come upon me, heal me (even if you think you have no sickness you need to pray this prayer). Mighty hand of God come upon me, heal my soul, my heart, my body right now in the name of Jesus. Mighty hand of God come upon me, heal my spirit, heal me now, nothing is impossible with God therefore I call on the mighty hand of God to come upon me now and heal me. ***I decree right now over your life as you have prayed, let the hand of God come upon you now and remove every sickness and disease prevailing in your life and destiny, let there be termination right now of those things in Jesus' name.**

⇒. Place your right hand on your head. In the name of Jesus, Father let your mighty hand turn my weaknesses into great strengths. Father by your mighty hand, let all my weaknesses be transformed into great strengths, all the weaknesses in my body be changed into strengths. All the weaknesses in my spirit and soul let them be changed and transformed by your mighty hand into great strength. Oh mighty hand of God, turn my weaknesses into great strength right now in the name of Jesus.

⇒. When you pass through the waters I will be with you, meaning that God is aware of the waters. God knows there will be waters and that you will have to pass through them. He is aware and it is part of His plan that you must pass through terrible moments, troubles and tribulations because He wants to show you that in the midst of those situations He is right there with you. He wants to show you that I am your God, your redeemer, Lord and Savior.

•Father, use every negative situation in my life to reveal to me the greatness of you. Every frustrating and unpleasant situation, use it to communicate yourself to me, to show me who you are, to show me your ways, will, truth and standards. Lord, begin to use every situation I am passing through right now, the ones I am still to pass through in the future, use them to show me who you are, the greatness of your power, your righteousness, to show me your glory. I want you to use these situations to show me your Kingdom, to reveal your power to me in the name of Jesus.

⇒. The Lord is saying you have to embrace the waters that you are going through. Stop rejecting the situation that God wants to use to lift you up. Human beings naturally do not like it when things are not going well, and they start asking God to take the situation or troubles away. The Holy Spirit is saying stop saying you are tired of the negative situation, embrace the waters and look for Him in the waters. He wants to use that trouble or situation to show you something, to make you stronger, elevate you to a higher level.

•Father, give me the grace to embrace the waters that will lead me to the next higher level. Give me the grace to embrace the negative situations that you want to use to lift me up to the next higher level. Give me the grace to walk in them with confidence that you will make me a better person.

⇒. Father, help me to be sensitive to your presence in the midst of everything I go through in life, help me to find you in the midst of every negative thing I go through, every downfall, failure, mistake and defeat I go through, help me to find you right there. Father, help me to be sensitive to your presence in the midst of all that is happening in my life because I know you are right there in the midst of the deep waters, in the midst of my failures, troubles, weakness, sickness. Lord help me to be sensitive to where you are in the midst of my situations, trials and depression.

⇒. One thing is certain, when you seek the Lord in the midst of your darkness, you will find Him because He is there. Most people do not seek the Lord in those tough moments, they forget to seek the Lord whilst the Lord is waiting in that moment for you to seek Him. That forgetfulness is an attack of the devil.

•Place your right hand on your head. Father, deliver me from every spirit that is causing me to forget to seek you when I pass through deep waters and challenging situations. Deliver me from every spirit that is not allowing me to seek you, making me forget to seek you in the midst of my troubles, failures, darkness, demonic attacks. Every spirit making me forget to seek the Lord, I command you to come out of my life in the name of Jesus.

⇒. It takes faith in God to seek God. For without faith it is impossible to please God. Because those who seek God must believe that He is. If there's a problem in your faith life, for you to remember to seek and trust God will be difficult. Sometimes the way the devil creates a situation will be so strong and difficult to an extent that it will look as if there is no God and you will never come out of that situation. It will make you feel like God is weak because the devil will magnify the darkness or problems in your life and make you feel like God cannot do anything to rescue you. No problem, darkness or captivity is greater than God.

•Father I refuse to allow the situations of darkness to destroy my faith, I refuse to allow the challenges of life to weaken my faith, Father strengthen me, let my strength be strong. Father let not the situations around me weaken my faith in you, let my faith be strong. In this time, let it be powerful so that I can seek and find you. Let not the situation in my life destroy my faith, Father I love you and I believe in you, let not the situation the enemy has created destroy my faith in you. Do not let my poverty, sickness and troubles destroy my faith in you.

⇒. You must never doubt the greatness and power of God, even when it looks like your prayers are not being answered or your prayers are not working, you must still not doubt the power and greatness of God. Continue to believe, that is how your miracle will come, do not allow what is happening around you to determine your faith. Believe what the Word of God says, hold fast to it, do not be moved.

•Father, teach me to put my faith in your power, strength and in your greatness, to trust you with the whole of my life even if I see no sign or miracle, let me be able to continue to trust you and believe you, Lord help me. Lord, let me be able to trust you, to put my faith in your power even when I see no signs that you are working my

miracles. This is how the fathers of old walked with you, not by signs but by faith, Lord teach me to put my faith in your power, in your Word, in your greatness and not in physical signs. Let my faith be in your faithfulness, in your truth, in your Word teach me to trust you Father in the name of Jesus.

⇒. We need to continue to believe in God whether we see any change in our situations or not. God is looking for such Christians who will not stop believing, not for people who when they don't see a change in two weeks or two months they give up. He wants Christians who even after five years of not seeing any change or no answered prayers, they keep holding on to Him.

•Father, teach me to continually trust you and let me not be deceived by what is happening in my life or by everything the devil is showing me, let me not be deceived to stop trusting you. Father, deliver me from every deception that says God is not real, God is not faithful, God is weak, God is wicked, every deception that is telling me that God cannot do certain things, deliver me from such deception for they are lies, they are not the truth. Deliver me from the deception that says what the doctor says is final. I refuse to believe that, I refuse to believe that what the government says is final, that is a lie and I refuse to believe it. Lord teach me to be strong in faith and trust you continually even when there are no signs to show me that you are busy working my miracle.

ISAIAH 43:2

⇒. To move forward you must pass through waters and Christianity is full of waters that you must pass through. You must encounter limitations and then you must break them, you must break those limitations. Some waters are specifically established to stop you from breaking through to the next level. These are deep and deadly waters the enemy has positioned to make sure you don't move forward to the next level.

•Raise up your right hand. Father, let your power fall upon me and destroy and terminate every hindrance and limitation that have been created, established by the enemy to keep me from moving forward, let your power fall and destroy them, for it is time for me to move forward, it is time for me to break through. Every limitation and hindrance that surrounds me and doesn't want me to move forward, let your power fall and destroy them in the name of Jesus. Whatever situation, establishments, and darkness that the devil has created around me to stop me, Father let your power fall and destroy them now in the name of Jesus.

⇒. Sometimes God will not dry up all the waters but all He will do is create ways for you in the waters and make it easy for you to go through the waters. Where you think there is no way there is actually a way right there only that God has not uncovered it.

•Father in the midst of the waters of limitations, stagnation and delay that I am going through right now, by your mighty hand make a way for me as you did for the children of Israelites. Lord in the midst of my waters of limitation, make a way for me, Father just as you made a way in Jordan, make your way for me.

⇒. When going through the waters, you can be under the waters or above the waters. Jesus walked above the water; He was not limited and Peter was sinking in the water. The waters have the power to sink people, but there is a power that can lift you out of the deep waters from being under to being above. From being ruled over to the place where you are the one who is ruling.

•Father, by your mighty hand, deliver me from the deep waters of darkness that have covered my life, destiny, marriage, calling to destroy, delay and cause failure, Father pull me out of the deep waters and let me rule over them, let me rise above them. Father, reach out to me and let me rise above the waters, take me out of the depth of the deep waters, release my glory from the depth of deep waters of darkness. Release my marriage, wealth, treasures and prosperity from the depth of deep waters of darkness. Let my glory, life, calling and destiny be released to manifestation from the depth of darkness.

⇒. Sometimes when God gives you victory, the enemy will send a storm to cause you to drown or be defeated again.

•Raise up your right hand. In the name of Jesus, I come against every evil storm that is blowing to drown me in defeat, to bring me down into defeat, into failure, let the fire of the Holy Ghost arrest and destroy them. I come against every evil wind of darkness that is blowing to drown me into slavery and debt, let the fire of God arise and destroy them. Every evil storm blowing to cause me to lose my miracles, promotion, elevation, progress and breakthrough, let the fire of God arrest and destroy them in the name of Jesus. Let the fire of the Holy Ghost arrest those storms right now and destroy them.

⇒. There's a difference between passing through the waters and passing on the waters. God is saying you find yourself in the midst of the waters not on the waters. Him delivering you could mean Him lifting you up from the midst of the waters for you to start walking on the waters. When you are on the waters you have defeated them, they cannot win. Even if it rages they cannot win because you are above them, you are no longer inside the waters.

•Father, whatever that is in my life that is making the kingdom of darkness stronger than me, rule over me, Father, eliminate it now because I want to rule over them, that is my position in Christ to rule over them. Father, I am ready to rule, I refuse to be enslaved, I want to dominate the powers that have been ruling over me. I want to rise above the powers that have been ruling over my life and destiny. Whatever is in my life that has been making the kingdom of darkness rule over me successfully, Father, take it away from my life.

⇒. When the disciples saw Jesus walking on water, they were scared because they thought it was a ghost because no man had ever walked on water. All that Jesus did on earth as a man, He has the power to make you do the same. He said the people

who believe in me, the works that I do, they will do the same even greater works. Walking on water means walking in victory. The things that would naturally sink you down, you are now working on top of them, what could enslave you or capture you, can no longer enslave or capture you anymore.

•Raise up your right hand. Lord Jesus, release upon me the power to walk on the water as you did to Peter and he was able to walk on water. The power to walk in victory in whatever situation I find myself in, the power to always be above not below, Lord Jesus, release it upon me. I receive power to walk on water, power to walk in victory, to walk in dominion, to walk in dominion over principalities, powers of darkness, demons witches and wizards walk in dominion over all kinds of witchcraft, dominion over all kingdoms of darkness, sickness and disease, over troubles and fears; I receive power to walk on the waters. I receive power to trample over serpents and scorpions. I receive power to dominate sin and rule over sin, worldliness, temptations and over every darkness.

⇒. God is not with you in the waters to do nothing, but to do something and when He does that, that is when you see His power. One of the things that God does is to train you to the point where you defeat the waters (Christianity is a training ground). There's a place where God does the miracle and then there is also a place where God empowers you to do the miracle yourself and these things happen when you pass through the waters. Some battles you don't fight, God does all the fighting but other battles you have to be the one to fight. God will give you the power to fight and prevail.

•Father, empower me to put an end to the problems the enemy has caused in my life, give me the power, the authority to end the problems the enemy has caused my generation, so that all glory will go back to you. Give me oh God the power to end the problems the enemy has caused in my life and in other people's lives, give me the power to end them. The apostles tarried in the upper room and you gave them power to end the problems in their generation. They turned the world upside down because you gave them the power, Lord, I want that same power. Give me that power oh Lord to end the problems the enemy has created in my life and in the lives of people, give me that power oh God, I need that power of God.

⇒. When you pass through the waters (challenges) you must not be afraid. When Peter was walking on the waters he forgot that the Lord was with him and he welcomed fear and that very moment he began to sink. So it's possible for you to have victory and still lose it because of fear. If you fear the enemy, it means you consider the enemy more powerful than God.

•Place your right hand on your head. Lord Jesus, deliver me from the spirit of fear that is causing me to lose miracles and victories. Lord deliver me from the fear of my enemies, deliver me from every form of fear, fear of sickness, fear of the unknown, deliver me from the fear of anything that is making me to lose miracles and victories in the name of Jesus.

PRAYER OF IMPARTATION

⇒. It does not matter that you cannot see me physically or I am not there with you but what I have to do is just declare, pronounce, authorise and release power upon you as the Lord commanded and the moment I do so God will release power upon you, right where you are.

•Raise up your right hand. Oh God of heaven and earth, as you have commanded me, I decree over everyone reading this publication. Right there where you are, let the heavens open over you right now. I take authority over every environmental power and darkness in your location where you are right now. I bind them right now in the name of Jesus. I decree, let the heavens open over you right now, and release upon your life power, receive power right now in the name of Jesus. Receive power to rule over your oppressors, power to dominate over the powers that have been dominating you, receive power now in the name of Jesus. Receive the power to pray and prevail, power to rule principalities and kingdoms of darkness, receive the power now in the name of Jesus. Power to walk on waters, power of the Most High God, power to pray in tongues. Receive power in the name of Jesus, thank you Father for the power, thank you Lord Jesus for the power, in Jesus' name it is done, Amen

⇒. God has a way of ensuring that your victory is permanent. That's why He said the waters shall not overflow you, meaning the waters shall not rise to overflow you, but that as the waters are rising, you rise with them. You need the covenant of persistent victory, persistent dominion over everything that comes against you.

•Father, make with me today a covenant of persistent victory, covenant of continual dominion over everything that is against me. Lord, establish with my life, calling, ministry, marriage, and destiny, a covenant of persistent victory that I will walk through the rivers and they shall not overflow me troubles will not rise above me but I will always be above them. Establish with me a covenant that makes me to always be above sin, darkness, principalities, operations of darkness, activities of demons, above my weaknesses. Establish covenants that will always raise me above every lust of the flesh, pride, anger. A covenant that will make me victorious above everything that is of the devil always, Lord make that covenant with me right now.

⇒. Father, make with me a covenant that will always make me find a way out of every negative situation that I will encounter in life, a covenant that will always make me victorious in every problem and battle I encounter no matter how terrible the enemy or battle is. Father, make with me a covenant that will always make me victorious in every problem, trouble, failure, situation or whatever situation the enemy brings my way, make a covenant with me today that will always make me overcome and prevail and be victorious.

⇒. This is one of the most wonderful promises of the Lord in the scripture: 'when you walk through the fire you shall not be burned'. With man it is not possible but with God it is possible, that you will walk through fire and it will not burn you. What are the things that can be likened to fire: 1) these are things that can destroy people instantly

just as fire destroys instantly. Battles, attacks of the enemy or situations are some of the things that when they touch people they are defeated instantly but God is saying they shall touch you but they will not burn you.

•Father, reveal your powerful presence in my life such that I walk through the fire and come out not hurt. Reveal your powerful presence in my life such that the fire the enemy has ignited in my life will not be able to hurt me. Let your powerful presence be revealed in my emotions and in my situations. The situation or things that bring down people will not be able to bring me down. The same troubles that led to the downfall of others, to the defeat of some people will not be able to bring me down, reveal your powerful presence in my life.

⇒. There are things the enemy has been using for ages to bring down giants and if he does those same things to today's Christians, he would successfully bring them down. God is saying through the scripture, when you walk through the fire, you will not be burned. Pride, anger, love of money and many other things have brought down many people.

•Father, manifest your powerful presence in my life, let not the same situation that led to the downfall of many be able to bring me down. Let me never be burnt by this fire that has consumed thousands. Let me never be brought down by the same fire that brought down many, have mercy upon my life, reveal your power in my life, manifest your power in my life. Lord, let the same tools and attacks that brought down many never bring me down because you are with me, reveal your powerful presence in my life.

⇒. Sometimes the enemy comes in a way to get you emotionally. He gets you in an emotional attack, may cause a heartbreak, causes depression or addiction. Emotional attacks happens mainly in marriage, through anger, bitterness or quarreling

•Father, manifest your powerful presence in my life and let not the emotional attacks that have brought down many be able to bring me down. Lord let not the emotional attacks that have brought down people be able to prevail in my life, manifest your powerful presence in me in the name of Jesus.

⇒. Walking through the fire is a risk. Meaning you are about to pass through a risk that could end your life, properties, resources or finances but God is saying you should not be afraid because you will not be defeated or be burned. Some people are afraid of taking risks because they don't want to lose anything but if God is telling you to take a step, He's telling you to take that step because He is going to ensure that you are safe and secured, including all that you are or have.

•Father, give me the boldness and courage to obey you without fear of losing, to obey you even if it means to go through fire, when it means taking a risk. Lord give me the courage to be fearless in obedience, give me a heart that is fearless in obeying your Word and not care about my life or resources and possessions. Lord

give me the grace to obey you and take risks for you, give me the grace and boldness to do that, give me the courage to do that, thank you faithful Lord.

⇒. Walking through the fire means you are walking through dangerous grounds. These are places which are highly demonized, highly infested with demons, places which are full of all manner of demonic powers and strongholds. When you know who you are in Christ Jesus you begin to operate in the realm of where you are in Christ and who you are in Christ Jesus, you will begin to trade on dangerous grounds and nothing will happen to you. Those witches and wizards, principalities are too weak if you begin to walk in the identity of who you are in Christ, from the realm of dominion and victory which you are in, in Jesus. Something must happen to you for you to be able to tread on dangerous ground, as you become stronger and stronger the darkness will begin to be afraid of you because all their attacks would not defeat you or do anything to you

•Father, translate me to the place of dominion and victory in Christ Jesus, to sit in that place of dominion, to begin to operate in that place of dominion and victory in Christ Jesus so that I may begin to tread on dangerous ground. Lord lift me up to that place of unending power, endless dominion, endless victory in Christ Jesus in the heavenly places. Lord translate me into that place that I may begin to trade up on dangerous grounds, to rule over terrible serpents, powers, forces and begin to prevail over them. Lord take me to that place of victory and dominion in Christ Jesus, translate me into that place, thank you Father, thank you Lord in Jesus' mighty name, Amen.

PRAYER POINTS

⇒. Father, thank you for loving me as I am, thank you for receiving me as I am. Thank you because through your love, I know you will forgive my sins and help me. Father, thank you for loving me as I am despite my imperfections and my unrighteousness. Thank you Lord because by your love I will find mercy tonight by your love I will find forgiveness of sins, help in times of need, thank you for your love upon my life.

ISAIAH 43:2

⇒. Fire can listen to God. That fire the enemy has created for your destruction can listen to God. God can control those flames such that you will not be burned by them. There's a way God controls situations that the enemy created for destruction, He knows how to control them to work for your good.

•Father let every fire the enemy has ignited for my destruction hear your voice and let them lose their destructive power and never be able to destroy my life. As I walk through those fires, let me walk without getting hurt, let me not feel the heat of them. Lord let your mighty hand turn this fire into coldness, let them become weak against my life. Every situation of destruction and downfall, situations created to make life difficult for me, Lord let your power manifest in those situations and let them work for my good in the name of Jesus. Let those flames turn into coldness, let those flames lose their power over my life and begin to work for my favour.

⇒. Sometimes we want God to take away problems in our lives instantly and completely whereas God is not going to do that. God wants to make you strong enough such that you will walk through those problems and come out victorious. God wants to use those problems to train you to become a mature believer, to expose many secrets of darkness to you, to reveal himself to you more than you have ever known Him. Stop asking God to take away the problems that He wants to use to make you a better and wiser person.

•Father, let every fiery situation that I am going through right now become the tools that you will use to train me into a better Christian. Lord make use of every difficult situation, negative situation, situation of rejection, of temptation, trials and tribulations, Lord let them become tools in your hand to make me into a warrior that would be a terror to the kingdom of darkness. Lord teach me your love, your ways,

teach me your mind and will through these situations, use these situations to train me till I become a mature believer.

⇒. What God wants to do is beyond sense knowledge, do not believe it hurts because it has hurt so many people. God wants to do a miracle such that what usually hurts people will not be able to hurt you, even if it once hurt you before but this time it won't hurt you. It's difficult for many believers to reject or surrender their sense knowledge for the knowledge of God and the will of God to prevail. Sense knowledge is a great limitation when it comes to spiritual breakthrough and divine interventions. The reason we don't believe God is sense knowledge because we are always trying to reason how it will come to pass when He speaks and that's how we lose miracles.

•Place your right hand on your head. Father let the power of sense knowledge in my life be broken, let the dominion, rule, control of sense knowledge in my life be destroyed. I want to be controlled by the knowledge of God not by sense knowledge. Lord deliver me from the control of human senses, from the dominion and rule of my sense knowledge, Lord I want to follow your own senses, your own knowledge, I want to live according to your own will not my will. I want to live according to your wisdom, not my own wisdom, deliver me from the power of sense knowledge. I want to be able to believe you even when it doesn't make sense, help me Lord, I want to be able to trust you against my human knowledge and senses. I want to follow you, serve you and go the extra mile for you against my human wisdom and senses, help me Father.

⇒. God wants to bring you out of your fiery, painful, negative and dark situations like gold coming out of fire, shining. There's an operation of God that has to happen to you during this fasting, when in the fire such that when you come out you do not come out defeated but victorious.

•Raise up your right hand. Father visit me in the midst of my fiery situation and do your work in my life so that I come out victorious, so I come out with great glory and honour. Father the situations I've been going through for many years, Father, do your work in me so that I come out better, glorious and victorious. Father let me come out shining as gold, do that something in my life so that I come out victorious.

⇒. You might be asking yourself, how will God use this fiery situation to bring glory honour, He is God and He is able to do beyond what you can think.

•Father, I acknowledge that you are the one that brings things out of nothing, nothing is impossible with you Father, visit me in my fiery situation, consuming situation and do that which only you can do to reveal a great glory in my life and destiny. Lord, I acknowledge that you are the one who does impossible things, visit my fiery situation and let your great glory break forth in my life and destiny, let your great honour and beauty break forth in my life in the name of Jesus. Father, it is only you who can make something appear out of nothing, you reverse the irreversible, cure the incurable, you can make darkness turn into light, you are the only one who can do

miracles of great glory, oh Lord visit my life and do your miracles and let your glory be revealed in my life.

⇒. Between you and the fire, God is there, that's why those problems cannot destroy you the way the devil wanted them to. Some people feel God does not love them because He hasn't answered their prayers for many years for a miracle or a breakthrough. It is wrong and a lie for you to believe such because even in your suffering God is answering your prayers, only that you are not sensitive enough to see that God is still there with you in the sufferings. God does not leave his own children. The problem is that all the idols in our hearts are not enabling us to see the little things God is doing or His faithfulness.

•Father help me to be sensitive enough to see your presence in the midst of my terrible situation, help me to be spiritual enough to know your presence, to discern your presence so that I will find shelter, comfort and peace in your presence. Lord help me to see your presence, help me not to be distracted by the negative situation that is around me, help me not to be confused, carried away, misled and deceived, but help me to see you in the midst of this darkness and be able to embrace you, help me Father in Jesus' name.

VERSE 3

⇒. This verse is revealing the greatness of God in authority, power and dominion over your enemies and the nations that are against you. This means God will go ahead of you to do some judgmental operations to your enemies. Your enemies are God's enemies and He knows how to cripple and destroy them.

•Raise up your right hand. Oh Lord my God arise, execute judgement operations against my enemies till I am able to move forward, to fulfill destiny, till I am able to break limits and fulfill my calling in the name of Jesus. Arise oh Lord my God, oh God of Israel, arise carry out judgement operations against my enemies so that I can move forward.

⇒. When God is with you billions are with you, it doesn't matter the number of forces coming against you, but because God is with you you will overcome.

•Oh Lord, my God arise and trouble every personality, power, darkness that is troubling my life, arise and frustrate them, destroy them, consume them. Oh Lord my God show them that you are my God, show them I am yours, I am your daughter your son. Show them Lord Jesus your greatness oh God.

⇒. Deliverance, freedom and breakthrough come by power and signs and wonders.

• Father stretch forth your mighty hand over my life and begin to wrought mighty miracles till I am free. Don't stop the miracles till I am delivered, till I am out of bondage in captivity. Stretch forth your mighty hand oh God of Israel and do not stop your miracles until I'm released from my captivities. Lord, do not stop to perform the wonders, continue to do the wonders in my body, soul, spirit, marriage, finances, and

career, do your wonders in the life of my children, in my environment and do not stop until I have complete deliverance and freedom.

⇒. In the land of Egypt there was a high level of witchcraft. They were different kinds of altars: demon worshippers, Satan worshippers, idolatry, just to tell you the kind of captivity that held the children of Israel. This captive was not a small one but a strong one. It was not just Pharaoh, Pharaoh was just a principality or a ruler of darkness that the enemy was working through. He was just representing Satan but the real enemy was beyond Pharaoh; it was Satan himself that held the Israelites bound because he knew about God's promises concerning them.

•Place your right hand on your head. Oh Lord my God, arise and descend upon every witchcraft that is standing against my breakthrough, that is working against my progress and breakthrough, oh Lord destroy them. Oh God of Israel destroy every witchcraft that is opposing my moving forward, success, rising into greatness; oh Lord my God, descend upon them and consume them. In your anger destroy them, in your wrath destroy them.

⇒. The witchcraft in the land of Egypt was very strong against the liberty of the children of Israel and God was ready to help them deal with it. God is also ready for every witchcraft that has bound you for years; He is ready to devour and consume them because our God is a consuming fire.

•Raise up your right hand. Oh Lord my God, you are the Lion of Judah, arise and tear to pieces, appear and devour every witchcraft that has held my life, calling and destiny bound for years. Every witchcraft standing before my progress, standing between me and my success, promotion, greatness and elevation right now. Oh Lion of Judah, appear and devour them, tear them into pieces. Tear to pieces both the witchcraft and the diviners, the witchcraft and the magician, the witchcraft and sorcerers, the witchcraft and the agents behind them, oh Lion of the tribe of Judah, devour them until I move forward.

⇒. God giving something for your ransom means He destroyed the Egyptians because of the Israelites, because the Egyptians wouldn't allow Him to do what He wanted to do for the Israelites, so He decided to kill them. Instead of you dying, Egyptians died, instead of you dying, the witches and wizards died. That is what it means when God gives some people or someone for your ransom. It means He took the lives of some people to preserve your own life. He brought down some people to lift you up to the positions they were occupying. He is still doing the same now.

•Oh Lord my God, arise and give the lives of my enemies as a ransom for me to enter into my promised land. Every enemy that is saying I cannot enter into promised land, give their lives for my ransom as you did in the days of old, do the same now. Lord give the lives of my enemies for my ransom because it is time for me to move forward. Father, you know that it is time for me to rise in my destiny, calling and destiny therefore let the lives of my attackers, my enemies, the lives of those who

have captured my life, calling and destiny, let the lives of my oppressors and captors, be given for my ransom so that I may enter my promised land.

⇒. God subdued many other countries for the Israelites to enter the promised land. The kind of battles that you will win are the battles that God is leading. When you are the one leading the battle you might not win. I believe in the weapon of praise, when you are praising God it means you're putting God in front of your battles, you're invoking God to lead your battles.

•Father, I hand over my life to you, as you led the battles of the Israelites, Lord come and lead my battles because I know that is the only way I can have victories, come and lead the battles of my life and give me victory. Lord arise and lead my battles, I hand over the battles of my life to you, come and lead me into my promised land, come and lead these battles of my life till I break through into my promised land in the name of Jesus. Father lead my battles with your power, strength; with your glory, with your greatness till I gain victory over my oppressors and enemies, lead my battles Lord Jesus.

⇒. For God to lead your battles it means that you have little or nothing to do in that battle because He is the one doing everything. All you do is to continue to trust Him, dancing, worshiping and praising Him, when you are declaring words of faith, He will do the fighting. It's not like you are not praying but your prayer is not like you are the one fighting. There are some prayers whereby God has given you the power and you exercise the authority in the name of Jesus; and that is different from when all you are doing is just praising God and thanking God whilst He is doing everything. That battle that God leads is the only kind of battle that can give you major breakthroughs, that can open doors for you.

•Father, I do not want to be the one fighting in my battles of life, I want you to be the one to lead. Teach me to be able to lift you up in my battles, I want you to be the one fighting in my battles, teach me to pray and praise in a way that you will come down to fight my battles. Teach me to praise, to dance in such a way that you come down and begin to fight for me because I know only the battles that you fight lead to great victories, teach me Father, teach me Lord. Lead me by your Spirit, guide me by your Spirit to pray, praise and worship in a way that you come down and fight my battles.

⇒. Instant miracles take place because the Kingdom of God has taken over the future before the future comes. God has gone ahead of time and has prevailed ahead of time. So before you pray for blind eyes to open, God has already opened those eyes, maybe two weeks before you started praying for them. Instant miracles are possible because God has already done them ahead of time, that is why when you pray a short prayer it happens instantly. The way God fought for the Israelites is, He went far ahead of them and defeated their enemies, that is why other nations were afraid of the Israelites.

•Raise up your right hand. Or Lord my God, go ahead of my days and defeat all my enemies. Oh Lord my God, go ahead of me in time and begin to open doors for me

to prosper me, to give me victory. All Lord my God go ahead of my days, prevail for me, defeat my enemies, make ways for me in the name of Jesus.

⇒. Father, arise and let my progress, my success be easy for me. Lord, appear, go ahead of me, arise and go ahead of me so that my progress is easy to achieve, so that success would be easy to achieve because I have you as my Lord and my God. Father by your mighty hand begin to make success easy in my life, make excellence easy, my life progress easy, my life greatness easy in my life. Make growth, advancement and establishments easy in my life in the name of Jesus.

⇒. God is the one who gave them the map to the promised land though there were other routes they could have followed that were easier, but God said they had to go through the wilderness and the red sea. There's also a divine map for your life. Some of you have spent lots of years on one point because you have not seen the divine map to your promised land. Some God already showed you the way but you feel why it has to be through the wilderness and not through another way, but God is saying follow the map and because you are saying you want to follow the easy way that is how you spent years achieving nothing.

•Father, I want to follow your map to my greatness, success and fulfillment in life, not my own map, not the map or direction people try to show me but your own direction. Father, reveal to me the route that I must follow to enter into the promised land. Lord show me the map to follow, the direction, the route to follow, show me Lord Jesus, I want to follow your divine map. Show me the pattern to follow to enter into the promised land, show me Father.

⇒. The Lord is saying some of you have to go back to the beginning and follow my direction because some of you followed your own way. If you don't start properly you will not reach your destination.

•Raise up your right hand. Father, I am willing to follow your map into my promised land. Father, set my feet on the path to follow, I am willing to go back to your own direction, Lord take me to the truth you want me to follow, set my feet on the right path that you want me to follow. Lord, I'm willing to follow your own way and direction so that I can enter into my promised land. Lord take me and set my feet on that path, road and direction in the name of Jesus. I am willing to go back and start again, take me on the right path to follow.

⇒. Sometimes what it means when God says go back is, what God told you some many years ago to do and you refused to do, it means you have to go back to that thing and do it, go back to obeying what God had said after you have obeyed then He will start speaking to you again, that's if He has not replaced you or given the assignment to another person.

•Father, in your mercy, take me back to those instructions and assignments that I have failed to fulfill, help me to do them now. Lord in your mercy reveal those assignments again because I am ready to do them, teach me how to do them now.

VERSE 4

⇒. You may be wondering, am I precious in the sight of God? Am I God's favourite? How can I be sure that I am precious in God's sight. The fact that you are in this prayer session is a sign that you're precious in God's sight. The fact that Jesus searched out your soul and saved you, and now you share the inheritance with Jesus and that which Jesus owns you own is enough to show how precious you are.

•Father, let shame and disgrace be permanently eliminated from my life and put your honour upon me. Let reproach and disgrace be uprooted, be terminated in my business, finances, calling and let shame be destroyed permanently, let disgrace be destroyed permanently in the name of Jesus, put your honour upon me or Lord.

⇒. Why would God wait for people to mock and disgrace you before He would now reveal His power that would now make them change their attitudes towards you? It could be that a lot of people are speaking bad about you, they despise you, you are ridiculed or abused, but because of God's honour upon your life, God wants to do miracles to honour you.

•Raise up your right hand. Father, because of your honour in my life, let your mighty hand begin to wrought miracles that would make the same people that have mocked me, abused me, ridiculed me, make them see your glory and begin to glorify you Lord, let such miracles begin because of your honour in my life. Let the miracles that would turn my mockery into honour, that would turn disgrace into glory, miracles that would turn shame into honour and glory, begin to happen right now. The same eyes that disgraced me, let them see your glory and begin to honour you in my life.

Miracles that would make my mockers remain silent forever, that would make those that have despised me become shocked and begin to praise you in my life, Father do those miracles now in the name of Jesus.

⇒. God will do things, even those that you do not ask Him to do because He just wants that honour that He has placed upon your life to be honoured and celebrated. Go would go ahead to give you things you do not ask for because of that honour. If you see a man who carries God's honour, even presidents and kings will bow and respect him, not because of him but because of that honour God has placed upon him. That honour is so powerful that it commands things to happen not because you need them but because that honour must be continually honoured.

•Father, because of your honour in my life, let people, kings, rulers all over the world be instructed to favour me, to serve your purpose in my life, to do what you have commanded them to do in my life. Father, because of your honour, let kings, presidents, rich people and influential people all over the world be commanded and instructed to serve your purpose in my life, to serve your calling and glory in my life. Lord let them be instructed as they see me, let them get that message that I am called to do this for this person. As they see me I let them be instructed immediately to serve your divine purpose in my life. Father, because of your honour, let this

operation begin in the name of Jesus. Let everybody, rich or poor, be instructed to serve your purpose in my life, to serve your glory and calling in my life.

⇒. When you belong to a royal family there is a certain beauty, privilege or honour that must be upon you whether you like it or not. There are certain riches, wealths, properties; there are certain environments you should live in. You just don't live anywhere as long as you are connected to the royal family, if you happen to choose otherwise they will come pick you up and bring you to where they believe you have to be. This is also the same with the Kingdom of God. We are a chosen generation, royal priesthood, a holy nation, a peculiar people. We are not just ordinary people, we belong to a very wealthy, honourable, great and glorious Kingdom, just that most people don't really know their identity in Christ Jesus.

•Father, I identify with my royal inheritance calling in you, I acknowledge my royal connection with you, Father, let all the beauty that goes with this inheritance begin to manifest in my life, all the beauty that goes with my royal inheritance let them begin to appear in my life from this hour henceforth. Lord, I identify with my royal calling in you, I identify with my royal connection with you, Lord let all the beauty that goes with this inheritance, honour, beauty, wealth, riches, benefits, and glory appear, because of my royal identity in you, let them begin to appear now in my life for I am a son of a king. I share the same inheritance in Jesus therefore all that is mine in Christ Jesus begin to appear in my life right now in Jesus' name.

⇒. Some years back Christianity has been labelled with a group of some poor or suffering people, (don't get me wrong, Christianity is not all about riches and wealth of this world, bread and butter. There is also suffering and persecution and poverty in Christianity especially that which God wants to use to train you). The truth is that Christianity is a royal calling, inheritance, meaning that you can be poor yet you're not poor. You can be poor yet you can command anything you want. You are not rich but you always have everything you want. That is the kind of life that Jesus lived. Jesus was not rich in wealth but He did not lack anything. He had everything He wanted. For every life in Christianity and calling there is a provision from heaven, that is what Jesus is trying to show us. Christianity is not a calling into scarcity but into abundance even when it looks like you don't have anything, you have everything you need FOR THAT TIME TO SURVIVE AND PLEASE GOD, only that you don't know how to access it.

•Father, let the storehouses in your Kingdom be opened and let the blessings that I need for this time be released unto me, let your storehouses in heaven open on to me right now and let the blessings I need for this time in my life be released now in the name of Jesus. Let the blessings I need for survival, blessings to take care of my family, to serve God, to carry out your calling and assignment in my life, Lord, all that I need for this time in my life, let it be released now from your storehouses in heaven.

⇒. There are principles and patterns in the Kingdom of God and until we satisfy the demands of those principles we might never enjoy the benefits of God's Kingdom. In simple terms, there are laws that must be fulfilled and satisfied, these laws must be met for such benefits to come in your life. There are principles and laws binding prosperity and so many things in the Kingdom of God, if we do not meet the demands of those principles it would be like you are fasting or praying in vain. You need to be aligned with these divine standards because without being aligned, you will remain poor and in suffering and will not be able to move forward. We have the standard of righteousness, fear of God, holiness, sacrificial giving, love, loving God wholeheartedly, standard of faith and trust etc, these are the things that will lead you into the abundance and benefits in the Kingdom of God.

•Father, I want to align with your standards and principles, I want to be able to practice your kingdom standards, principles and patterns, I want to be able to practice the standard of love, holiness, righteousness, dying to self, purity of heart and mind, humility, sacrificial giving, Lord help me in the name of Jesus. Lord, I want to be able to walk in the standards of your Kingdom so that I will be able to enjoy the full benefits of your Kingdom. Father, I know you love me and you have been showing me these things, you have been telling me about these things, Lord I want to walk in these standards, the standard of sanctification, of genuine love for God and his people, Lord help me to attain these standards. Father, help me to practice them in my business, in my house, anywhere I find myself in, help me Father.

⇒. The people who are not living for themselves are the ones that God will never hesitate to bless; He will not hesitate to glorify and elevate them. Who are you living for? Is it your pride, self ambition, is it for Jesus, or your husband, wife or children?

•Father, I want to live for you all of my life, help me. Father I want to live all my days, my entire life, I want to live for you, help me Lord Jesus. Take me through the process that will stop me living for any other thing in this world but for you alone, help me Father in Jesus' name.

⇒. Do you know that God does not have a say in some people's wealth and riches, though He's the one who gave it to them? That is why God does not bless other people because He knows they will consume it on their lusts, they will not listen to Him on how to spend those riches. Does God have a say in your resources and possession, can He place a demand on your money and you will willingly lay it down? If God cannot do that in your life then He might not be able to bless you as you want- that is a secret for life. If God cannot place a demand on your possessions or money, He might not give you the kind of blessings you are looking for, the devil can give you but God might not.

•Father, I surrender to you my possession, wealth, riches, the ones that I have and the ones I will have in the future, Lord I want you to be in charge of everything I have and everything I am. Lord, I want you to have control and authority over everything that I have and all that I am. I hand over my riches, wealth, possessions, resources both the little I have, the much I have and the much I will have in the future, I hand

them over to you. I want you to be in charge of them all. I want you to be able to place a demand on my riches, money and whatever I have, even if it is little, I want you to be able to give command on them. Anything and everything I have, anything I am, I hand them over to you, I hand over to your control and leadership in the name of Jesus, Amen.

PRAYER POINTS

ISAIAH 43:3

⇒. Father let your glory arise and shine in my life such that men will be attracted from all over the world to glorify you, to please you and serve you. Let the glory shine so that people will be attracted to the gospel, to the truth, to you. Lord let Your glory rise from within my life, calling, ministry, destiny, business, career and begin to shine so that many people from nations will run to that glory and yourself and worship you Father. Lord, I want you to reveal this glory, let it manifest in my life, my body, soul, spirit. Lord, I lay down my life so that you can reveal your glory through me to the world. Lord, I surrender my life so that you will reveal your great glory through me to the world, such that the glory will rise and shine and souls from everywhere will come to receive salvation, to know you, to love you and to serve you.

⇒. There's a connection between the presence of God and the glory of God. The more of the presence of God in your life, the more of the glory of God that will be revealed. The deeper you have entered into God the more of the glory of God that will be revealed in your life and there are no shortcuts to it.

•Father, I surrender my life, my spirit, soul, body, I surrender my whole being for you to fill me with your presence, fill my life with your presence, fill my days and everything in my life with your presence. Lord I surrender my whole being to you, my spirit, soul, and body; fill me with all of you, I want to carry all of you. I want to carry on with the fullness of your presence, Lord fill me, you said in your Word, "blessed are those who hunger and thirst for righteousness for they shall be filled", Lord I am thirsty for your presence, fill me with all your presence, for I know this is the foundation upon and through which your glory shall be revealed. I know it is your presence that will give birth to your glory. Lord, fill my life with your presence, fill each day and hour of my life with your presence, I want to be able to walk, think and do all things in your presence. Invade my life with your presence in Jesus' name.

⇒. When God gives man for you, it means that He will prefer you above others. He makes your life more valuable than that of others who do not know Him. He will elevate your life above them, since you know Him and you're in the light not in darkness. This implies that people who do not know God are not supposed to be better than you (I'm not trying to promote pride, envy or jealousy in you).

•Father, the place of honour, glory and greatness that you have prepared for me, lift me up and establish me there that I may be better than those who do not know you, that I excel, Lord lift me up and put me there. Lord, the place of great honour, great influence, great glory, great favour, great influence and excellence, that place of prosperity, Lord, lift me up and place me there in the name of Jesus. I do not want to be the tail but I want to be the head that you have made me. I do not want to serve those that are meant to serve me. I do not want to be oppressed by unbelievers. Oh God of Israel, the place of honour, glory and excellence, success and prosperity that you have prepared for me prior to this time, Lord lift me up and position me there.

⇒. God has chosen you to show the world that He is God, just as He used Israel to make His name famous. In those days everyone knew the God of Israel because they saw the greatness, terror, power and glory in the God of Israel. He wants to show powers, principalities, witchdoctors, wizards, Satan, that He is God, He wants to reveal His greatness through your life, that is why He says He will give man for thee.

•Raise up your right hand. Father, because you have chosen me, therefore use my life, ministry, calling, marriage to show the world your greatness, to show the world that there is God and you are God. Use everything in my life, my past, present, future, strengths and weaknesses to show the whole world your greatness. Oh God of Israel because you have chosen me, therefore I ask in my life and through my life, reveal your greatness to the world, use my life to show your greatness, to show the

world that only you are the Lord and beside you there's no other. Use everything in my life, my weaknesses, my strengths to reveal your greatness to the whole world.

⇒. Where many are losing their lives, your own life will be spared because God has loved you.

•Father, because you have loved me, let my life be preserved, let killers never be able to take my life, let devourers never be able to succeed over my life. Incurable diseases and terrible diseases, let them never be able to take my life, oh God by reason of your mercy for my life, let my life be preserved. You say you will give people for my life, let whatever is killing other people never be able to kill me. Let the places which are killing people never be able to kill me, oh God do everything in your power and let my life be preserved. Oh God, do everything in your power to preserve the life of my spouse, children, grandchildren, siblings, relatives and parents; oh God do everything in your power to ensure that we will live and not die.

VERSE 5

⇒. It means that, if you fear, you will not know that God is with you. When you are full of fear, you will not be able to recognise and see that the Lord is with you. But when you are full of faith and trust in the Lord, then you will be able to know that He is with you and you can literally feel His presence.

•Place your right hand on your head. In the name of Jesus, I come against every spirit of fear that is disconnecting me from God's presence, that is taking away my awareness of God's presence, let fire destroy them right now. I bind you spirit of fear, I cast you out of my life in the name of Jesus. Every spirit of fear that is making me to lose consciousness that God is with me, causing me to lose awareness that the presence, power of God, that the angels of the Lord are with me, every spirit of fear that is making me not to see this, I bind you spirit of fear and I cast you out of my life forever in the name of Jesus. I come against every spirit of fear that has taken possession of my mind, body, soul, spirit and is not allowing me to see how powerful the Lord is with me, I bind you now in the name of Jesus and I cast you out of my life forever in Jesus' name. ***I decree over your life that the hand of God shall henceforth take away the spirit of fear from your life permanently. The hand of God shall remove the spirit of fear from your life, from your heart and mind in the name of Jesus.**

⇒. When you fear, you fall. Peter walked on water but the moment he saw the waves of the sea, he was scared and fearful and that very moment he began to sink. Fear is an agent to downfall, fear of anything as long as it is not of God, that fear will be used by the enemy for your downfall.

•Raise up your right hand. Father, separate from my life every spirit of fear that is meant to cause my downfall, every spirit of fear following me to cause my downfall. Every spirit of fear following my journey of life to cause my downfall, every spirit of fear promoting insecurity in my life, spirit of fear destroying my faith and trust in God, causing me to believe the lies of the enemy and doubt the truth of God's Word,

Father remove such a fear from my life by your mighty hand. Every fear following my life, to destroy my faith, to steal my joy, to cause depression, cause confusion, to take away my happiness, to promote sorrow and pains, to destroy my relationship, my love and trust in God, let such fears be destroyed right now by your mighty hand of God. Separate such fear from the life right now in the name of Jesus.

⇒. The spirit of the Lord is telling me that most people died of sicknesses and diseases not because of the sickness but because of fear. The fear that says oh but I'm feeling so much pain, is this how I'm going to die, this sickness is going to kill me, that fear has killed so many people not the disease itself. That fear of the disease is a hindrance to the healing anointing, when you are afraid of a disease, that fear becomes stronger than you.

•Father, let your fire eliminate every fear in my life that has given strength to sickness and disease, let your fire uproot such fear forever in the name of Jesus. Every fear in my life that is giving strength to sickness and disease over my life Lord, let your fire and terminate them right now, let your fire uproot such fear that has made sickness and disease stronger than me.

⇒ . Fear makes the kingdom of darkness stronger than you. Some of you are more afraid of witch doctors than you are afraid of God. That fear that somebody can do enchantment and you'll be hurt, afraid that somebody can cast a spell and then you will be hurt or the spell will affect you, that fear is wrong. You are not supposed to be afraid of the enemy. The fear of the enemy makes him stronger than you. Fear brings defeat but when you are fearless you are victorious.

•Raise up your right hand. Father, deliver me from the fear of the enemy, from the fear that says the enemy can hurt me, from the fear that says there are powers which are stronger than me, powers that can destroy my life, deliver me from being afraid of them in the name of Jesus. Lord deliver me from the fear of witchcraft, demons, marine spirits, spiritual spouses and spirits husbands, Lord deliver me from the fear of the enemy. Father, deliver me from the fear that has magnified the power of the enemy over the power of God, for there is no power above the power of God, there is no name greater than the name of Jesus, deliver me Lord from that fear of the enemy. Father, deliver me from the fear that has magnified the powers of darkness above your power in my life.

⇒.Fear is a great limitation to experiencing the power of God. There is nothing greater than God despite how strong that thing appears to you. There is no darkness greater than God or the power of God.

•Father, let your mighty hand begin to crush every stronghold of fear that has been prevailing in my life for years, since my childhood, Lord, let your mighty hand crush them. Every stronghold of fear that has been prevailing over me for many years, crush in pieces. Father, I am ready to believe you as you are, I am ready to become a fearless warrior, a fearless Christian. Lord, I am ready to demonstrate the greatest faith ever, crush in pieces strongholds of fear in my life. I do not want to serve fear

any longer, crush strongholds of fear in my life, crush them in pieces in the name of Jesus.

⇒. If you will overcome fear, you must learn to trust God even when it appears as if it's not going to work, when you don't understand how He will rescue you, you still have to trust Him when His promises and whatever He is showing you doesn't make sense to the human sense.

•Father, teach me to trust you in my journey of life, teach me to depend on you so that I may see your wonders, that I may receive your miracles. Lord Jesus, teach me to trust you, to rely on you, to trust you beyond every scientific claim, to trust you beyond my human wisdom, beyond physical things that I'm seeing with my physical eyes, teach me to trust you. Teach me Father to trust you beyond what people are saying, beyond what the government is saying, to trust you beyond my wisdom and strength or what I can do or my abilities, teach me to depend on you so that I can see your wonders in my life.

⇒. For I am with you means as long as I am here you are safe, victorious and you will prosper. God is saying as long as I'm in your life you will be healed, delivered, you will testify, you will prosper. Do you believe in the God that is in your life? Do you believe in the Jesus that is in you? Most times we forget that God is with us because we are so carnal and faithless.

•Father, I acknowledge that you are with me, that you are in me; Father make yourself real to me, appear to me and destroy my fears. Lord reveal yourself to me with many realities and let my fears disappear, reveal yourself to me by many undeniable revelations, visible encounters, appear to me and destroy my fears. Lord, I agree that you are with me, you are in me, therefore Lord, appear in my life with many signs, appear in the journey of my life, in my career and situations with many signs and wonders that will destroy all my fears in the name of Jesus.

⇒. The Lord will restore that which the enemy has plundered, whatever was taken, God will bring it back.

•Father, by your mighty hand command and authorise my restoration, all that the enemy has taken away bring them back, all that I have lost to the enemy, Father, restore. Oh God of Israel let there be restoration now of all the virtues that have been stolen, the gifts I have lost, the strength I have lost; Father, command my restoration, the restoration of those things now in the name of Jesus. The glory I have lost to the enemy, the wealth, the riches I lost, let there be restoration now in the name of Jesus. Lord, by your mighty hand, command my restoration in the name of Jesus. Every good thing I have lost to witchcraft, the dark Kingdom, to the enemy, to devours, oh God of Israel, command their restoration now in the name of Jesus.

⇒. It is part of restoration for God to give you something brand-new in place of what the enemy has taken away. Sometimes you can't get back what the enemy has taken away but you can get a replacement and new glory from God which could

even be better than what the enemy has taken away, that which the enemy had taken would be diluted or has lost its value.

•Raise up your right hand. Father, release upon my life, calling and destiny a brand new glory to replace that which the enemy has taken away from my life, a brand new glory, bring new honour, favour, opportunities, helps to replace that which the enemy has stolen from my life. Father I ask for a brand new glory, release it upon me right now. Lord for every good thing the enemy has taken away from me, give me a brand new replacement of them all, even greater than what was stolen from me, Father let this restoration happen now in the name of Jesus.

VERSE 6

⇒. Just as there are opportunities you have missed, there are places or people you missed who are crucial to your destination, but there's a way God can take you back to those places.

•Father, by your mighty hand, authorise my connection with the opportunities that I have missed that matter a lot to my destiny. Lord, authorise people that I should have met, that I missed; places I should have been to, opportunities that I should have had that I missed, Lord by your mighty hand bring them back to me. Lord let there be reconnection to those people, places and opportunities in the name of Jesus. Connect me with those places, people and opportunities according to your mercy by your mighty hand, authorise those connections.

VERSE 7

⇒. Place your right hand on your head. Father you have created me for your glory, let your name be glorified in my life henceforth, let your power glory be revealed in my life. Lord, I believe it is time for this glory to manifest, the glory you created me for, reveal it now, the glory you formed me for, reveal it now. Lord Jesus, you said you created me for your glory, let that glory manifest in the name of Jesus. Oh God of Israel let the glory arise and manifest, Father you know the glory you created me for, reveal it now in the name of Jesus in my body, spirit, soul, marriage, business, ministry, calling, career and every part of my life, reveal that glory.

⇒. He says, I have created him, I have formed him, I have made him for my glory. God is speaking emphatically because when He was forming you, creating you, He had something in mind. In you there are ingredients of glory and they are waiting to come forth and shine forth.

•Raise up your right hand. Father, let every ingredient of your glory, the raw material of your glory in my life, let them receive power and begin to shine forth your glory. Ingredients of glory in me, receive power and shine forth the glory of God. Raw materials of glory in me, receive power and shine forth the glory of God. Ingredients of glory in my spirit, body, soul, receive power right now to shine, for the glory of the Lord in the name of Jesus. Raw materials of glory in my blood, bones, body, spirit, and soul receive power and begin to shine forth the glory of the Lord from now henceforth in the name of Jesus.

⇒. One thing you need to understand about God's creation is that there are God's abilities present in His creation. As you are right now there are abilities of God in you. In the eagle there is an ability to fly, a horse has an ability to run and in Christians are special divine abilities that you have not known or discovered. These are not spiritual gifts, though they work hand-in-hand but I'm talking about something beyond spiritual gifts. Spiritual gifts have a lot to do with ministering to people and not yourself but spiritual abilities go beyond that, they manifest in prayer.

intercession, signs, visions and many kinds of spiritual operations. There are people who can fly in the spirit and they know they can fly, some can move in the spirit and they know they can. You can pray for people in a certain location and them being in another location and those people can experience exactly what you are praying for them as if you were in the room with them. Some of these abilities are for personal consumption so that you can enjoy God better, enjoy the Kingdom of heaven better, most of this for self alone. Elijah could enter into the spirit realms and begin to fight and win battles alone, that is the ability.

•Father, let your abilities in me be awakened to manifestation, I want to begin to walk in these divine abilities. Lord the spiritual abilities you placed in me for the manifestation of your glory here on earth, Father let them come alive right now in the name of Jesus. Lord the abilities you have placed in me from the day I was born to reveal your glory to the world, let them come alive right now. I want to demonstrate them, exercise them, work and operate in them. The ability to see in the spirit, to discern in the spirit, to hear in the spirit, fly in the spirit, Lord let them be awakened now in Jesus' name.

VERSE 8

⇒. It is possible to have eyes and be blind and to have ears and be deaf. God was trying to show the people of Israel that your eyes are blind, come and let me show you something that you have not been seeing. He is saying come here, you have ears but you're deaf, let me tell you something. Even in this dispensation there are many Christian who have eyes but are blind, they have ears but are deaf. They can see or hear physically but spiritually they can't see or hear.

•Father, I am ready to be included in the new thing you have begun to do, I'm ready to partake in what your Kingdom has begun to do in these last days, open my eyes to see, open my ears to hear. Lord, I'm ready to be involved in the operations of heaven in these last days. I want to be part of the move of God in these last days, I want to be included in your plans and programs for these last days. I want to be part of the new thing you and your angels are doing in these last days. Lord open my eyes that I may see, my ears that I may hear. Let me see into your works in these times, let me hear of what you are doing in Jesus' name.

⇒. It's a great limitation if you are a Christian and you cannot see or hear, because so many things will pass you by, blessings, honour, grace, anointing and power will pass you by, assignments from God will pass you by because you can't see or hear.

Because you cannot see or hear in these last days, you will be easily deceived and misled by the enemy.

•Father, do everything in your power to cause me to see and hear of your works, your revelations and mysteries. You are the one that formed me, you know what to do, you you are the one that made me, you know how to make me aware of the spiritual realms, you know how to make me discern the realms of the spirit, you know how to make me discern the realms of heaven, you know what to do to revive my eyes and ears, Lord do everything in your power, I want to see and I want to hear. Lord, I want to hear and see things that pertain to your nature, ways, law, works, truths, revelations, your glory, your kingdom, and your mysteries. I want to see and hear things that pertain to you to the depths that are in you.

⇒. Lord, start a work in my life and finish, such a work that will reveal a great glory, great miracles that everyone will see and celebrate. Lord from tonight right this hour, start a work in my life, finish it; a work that will reveal your glory, that everyone cannot deny, a glory that no one will say they did not hear, such a work that would ensure a miracle that no one will deny. Lord begin and finish that work in the name of Jesus.

⇒. Father let your search light begin to search deep into my life and begin to uncover every mystery of darkness that I must know and see, every mystery or secret of darkness that has been troubling my life and destiny. Let your light expose where the kingdom of darkness is hiding to carry out their operations, where the kingdom of darkness is hiding in my marriage, business, career, ministry, and finances; let your light expose them. I want to see into the mysteries of darkness that are troubling my life and destiny.

⇒. Arise oh God and frustrate the powers and personalities of darkness troubling the affairs of my life, arise, frustrate and stop them. Arise oh God frustrate them, stop them, attack them, persecute them, fight them in the name of Jesus. Every personality of darkness troubling the affairs of my life and destiny, arise oh God and frustrate them frustrate their plans and operations in the name of Jesus.

⇒. Father let every voice mocking me, end them. Every voice mocking your name in my life, oh God bring them to an end in the name of Jesus. Voice of mockery come to an end, voice of mockery in my life, place of work, career, ministry and business, come to an end right now in the name of Jesus

⇒. In the name of Jesus, I come against every witchcraft creature that has been projected into my life to carry out evil assignments, I command such creatures to die right now in the name of Jesus. Every witchcraft creature projected into my life, my room, my kitchen, bedroom, and sitting room to carry out evil missions, die in the name of Jesus.

⇒. Raise up your right hand. In the name of Jesus, I come against every operation of darkness going on to turn my joy into sorrow, peace into war happiness to sadness, let fire from heaven consume them all. I come against every operation of darkness, operation of the devil going on to make my environment a hostile environment, making my environment an environment of pain, suffering and sorrow, let fire destroy their operations, let fire consume such operations now in the name of Jesus.

⇒. Father let your anger be kindled against every kingdom of darkness feeding me with demonic food in the dream, let your anger destroy them right now. Every demonic spirit, kingdom of darkness putting demonic food into my life, feeding my spirit, body and soul with demonic concussions, demonic deposits, Father let your fire destroy them. Every poison they are introducing into my spirit and life when I sleep at night, Lord let your fire flush them out from my system now in the name of Jesus.

⇒. Father let every blessing that is due for me to have received by now, Father let them be released now. Every blessing; physical blessing, spiritual blessing that I am due to have received by now, Lord release them unto me in the name of Jesus. Blessers that are hanging in the second heaven, blessings which have been hijacked in the realm of the spirit, Father release them unto me now in the name of Jesus. Blessings that have my name on it that the enemy is holding back from reaching me, Lord release them now in the name of Jesus. ***I decree over your life that those blessings that the enemy has held from reaching you for a long time are released unto you right now in the name of Jesus.**

⇒. Father let your mighty hand come upon me and let your will become possible in my life. Father let your will become possible in my spirit, let your will happen in my soul, let your will happen in my body system, let your will prevail in the name of Jesus. Father lay your hand upon me and make your will to be possible in my life, my finances, career; make your will prevail, command your will to prevail in the name of Jesus.

⇒. Father, establish on my tongue, in my mouth, on my voice a divine authority that works miracles instantly, that opens doors instantly. Establish in my mouth, on my tongue and my voice a divine authority that authorises instant miracles, a divine authority that produces miracles instantly, as I am talking it happens, let such an authority sit on my mouth, on my voice and on my tongue in Jesus' mighty name.

⇒. There's a plan going on in the kingdom of darkness to execute your downfall but that plan shall not prevail. As you pray heaven will terminate their plans.

•Raise up your right hand. In the name of Jesus, I come against every plan that is going on in the kingdom of darkness, in the realm of darkness, going on among agents of darkness for my downfall and defeat, I decree in the name of Jesus, let

them be terminated, let those plans fail in Jesus' name. I come against every ongoing plan that is going on in the midst of agents of Satan, in the realms of darkness to cause evil in my life, let them begin to fall apart right now in the name of Jesus, let those plans be wasted and destroyed, let them fail in the name of Jesus.

***Those demonic plans are now frustrated, cancelled, destroyed and reversed in Jesus' name**

⇒. The Lord wants to give you a very important revelation, though you have been seeing quite a number of revelations, this one is very important to your life and destiny. The Lord is saying you must see that revelation.

•Place your right hand on your head. In the name of Jesus, I receive the revelation God is sending into my life, I receive the revelation heaven is showing me at this time in my life, I receive it now in the name of Jesus. I received the divine revelation that is so important to my destiny fulfilment, that is so important to my moving to the next level, I receive it now. My spirit man, receive it in the name of Jesus; my soul receive it, my mind receive it. I receive that revelation that is so crucial to my breakthrough to the next level, I receive it now in the name of Jesus.

⇒. Raise up your right hand. In the name of Jesus, let whoever that must be removed from a position that belongs to me be removed now because it is my time to be elevated and celebrated. Whoever is occupying the place that is mine according to God's plans for my life, according to God's intentions for my life, according to God's will for my life, let such a person be removed from my place right now in the name of Jesus. It is time for me to be celebrated and elevated, whoever is sitting on the place God set aside for me, the place God has set in place for me, let that person be removed now for me to take my position in the name of Jesus, Amen.

CLOSING PRAYER

Raise up your right hand.

Holy Father, the most High God, we say thank you for your love, grace and mercy. We thank you for your presence in this prayer session, thank you for your power that you have released to work wonders in our favour, oh God be praised, be exalted forever in Jesus' name.

Father I am asking as you said in your Word (Hebrews 11:6), that those who come to you must believe that you are and that you are the rewarder of those that diligently seek you, Father in this meeting, on this platform are people that are diligently seeking you, they have deprived themselves of food, water and sleep, they have given themselves to intensive prayers. Lord, I ask as your servant that you open the heavens over the lives of these ones and begin to release the rewards for their

diligence, miracles that will satisfy their hunger and thirst, miracles that will satisfy their heart desires, that will satisfy their present needs.

Lord, open the heavens over their lives, rain down these miracles right now in Jesus' name. Oh God for the sake of your own glory and name, that you will forever be true and justified, Father show us mercy right now in Jesus' name. Father, let everyone on this platform receive your mercy right now. Oh God touch everyone right now in Jesus' name. The miracle that everyone is due to have because of their seeking you, the miracles they are due to have, mighty God release unto them now in the name of Jesus.

Those that have been giving to you and your Kingdom, even to this ministry, Lord I ask that you reward them far beyond their expectations in the name of Jesus.

I am praying for those of you that are sick in your bodies or in your minds or spirits. I come against that sickness, you sickness and disease you are cursed in the name of Jesus. Because Jesus took your sickness and diseases, your pains and sufferings upon the cross of Calvary, I pronounce and decree that your sickness and disease is now cursed in the name of Jesus. As God has cursed it, right now I command it to come out of your life, be healed right now in Jesus' name.

Concerning your prosperity, let helpers arise for you in Jesus' name. Concerning your elevation and lifting, let helps locate you speedily in Jesus' name.

Concerning your relocation to another environment or job, let help arise for you in the name of Jesus.

The kind of grace that initiates helpers, that connects you with helpers of your destiny, the grace that will draw destiny helpers into your life, I command that grace to appear in your life right now in Jesus' name.

You shall not continue to lose anymore. Losing shall end in your life, wasting shall end in your life from today, you shall begin to gain even more than you have invested and so shall it be in the name of Jesus Christ. Thank you Father, in Jesus' mighty name, it is done, Amen.

23 JUNE 2021

PRAYER POINTS

⇒. Father, thank you for answering my prayers, thank you because I cried out to you and you heard me. Thank you Father for the blessings you have released upon me, even blessings that I cannot see at the moment but you have already released them, the greatness and helps that I cannot see but you have already authorised them, thank you for answering my prayers. Thank you Father for you have not allowed me to pray, trust or fast in vain, you have answered my prayers.

⇒. Father my trust is in you, let me not be put to shame, your Word says those who trust in you shall not be put to shame. Lord, I trust in you, in your mercy, your power, your love, your ability. I trust that you are a miracle worker, I trust that you are a deliverer, a great deliverer, a great savior. I trust that you are the one who fights and

wins battles, my family trusts you, my spouse and children trust you. Oh Lord we trust in you, let us not be put to shame. Lord I trust in you with all of my heart, with the whole of my faith, without a doubt, let me not be put to shame, come to my rescue, save me Lord Jesus, fight my battles for I trust in you, let not the enemy prevail over me.

⇒. God is a compassionate God, another word for compassion is pity. God wants to do some miracles because of His compassion because He says He will have mercy upon whom He will have mercy on, will pity whom He will pity.

•Father, have compassion upon me, upon my life, my situation, my destiny and help me. Lord, look upon me with mercy and compassion and do your miracle in my life. Lord, I know that you are full of compassion, look upon me in your mercy and compassion and help me. Lord pity my situation and help me, look at my life, life struggles, suffering, my needs, look at how I'm lacking good things, look at the things I have been asking you to take away from my life for many years, Lord look at me and be compassionate towards me. Lord have mercy upon me and help me, bless me, Lord rescue me and help me. Give me victories over my battles, give me breakthroughs by your mercy and compassion, help me.

⇒. We need to humble ourselves because there are things that we think we deserve and it causes us to look at God and say God it is time, I want this thing and God I want this thing now because I deserve it. That's a wrong way of approaching God in prayer because everything we are enjoying from God we don't deserve, even those the things He promised in the scriptures. If you don't humble yourself you may not receive anything from God.

•Father, I know that I do not deserve anything, I come to you oh Lord for mercy. I know I don't deserve any miracle but by your mercy I know you will qualify me. Lord, qualify me for the blessings you have reserved for me in this season, do not consider how I have been living my life but qualify me for these blessings according to your mercy. Lord I come to you not arrogantly and I plead for mercy, I come that you show compassion on me, show mercy and qualify me for the blessings I needed at this time. Qualify me for the helps and the benefits that are mine.

⇒. There's a way that seems as if it's the right way but leads to destruction. Sometimes we think we are on the right way or path whilst we are not.

•Father in whatever way I have been misled, deceived or gone astray from your will and standard, Lord draw me unto yourself. Lord in your mercy, take me out of every way that will lead to my downfall and destruction, in your mercy do not allow me to continue in my darkness, in deception, in the wrong direction. In your mercy call me out of every way that leads to death and destruction. In your mercy, in whatever way I am going astray, God restore me back to your way. Stretch forth your hand and pull me out of those ways, pull me out of my darkness, of my unrighteousness, do it Father in Jesus' mighty name.

⇒. Father whatever wrong attitude I have embraced that is making you to be distant from my life, that is chasing away your presence from my life, oh God deliver me from that attitude, I repent and I surrender. Lord I open myself, I surrender, deliver me from every attitude I am manifesting, from every attitude I have embraced that is chasing away your presence from my life, deliver me Lord Jesus. Deliver me from every wrong attitude that I have embraced, attitude that is not allowing you to speak to me or to relate with me, Lord deliver me from them all in the name of Jesus.

⇒. The Lord is saying there are some things you used to do that He loved a lot, but you stopped doing them.

•Father, everything I have been doing that you appreciated, that you are so pleased with, that I have stopped doing, Father forgive me and take me back to those things, to those assignments and to those walks and exercises. Father, every good thing that I have been doing before and you were so pleased and happy with that I stopped doing, Lord I am sorry, I repent, Lord, take me back to those works again in the name of Jesus. Lead me by your spirit to go back to doing them.

⇒. This fasting has to produce the results God wants it to produce in your life and until those results are produced you should not be satisfied, until you get the results that you want, do not be satisfied.

• Father, before the end of this month, let me have a powerful encounter with you. Father let me receive a mighty encounter, a glorious life-changing encounter, a life-transforming encounter, oh God of Israel visit me with power. Oh God I want such an encounter from you, a visitation that I can never forget, a visitation that will transform my entire life, oh God visit me that way, I need such an encounter in the name of Jesus. Oh God I need such an encounter from you, do not let this fasting end until I get such a visitation from you.

⇒. God gave this fasting for a purpose in your life. Most of the things that God wants to use through this fasting have not happened though some have happened but a lot have not yet happened. Cry to the Lord again because there's something God wants to use this fasting season to achieve in your life.

•Father, the new beginning, the new glory that you have determined to use this fasting to do in my life, Father let it happen now. Lord the new beginning, the transformation, the new glory that you have determined to do in my life, to reveal in my life in this season, God of Israel let it happen now in the name of Jesus. Lord, I do not want to seek you in vain, Lord help me.

⇒. I have discovered that when God wants to do a new thing that is when people become weak. There is a weakness that comes from the enemy when God is about to do something great, by making you become too weak to pray, too weak to fast or study the Bible and these are the things you always do very well. Because the enemy knows that God is about to change your life forever, he will now multiply your weakness and you become very weak. This is not the time to be weak because if

you faint in the day of adversity your strength is weak, this is a time to be strong because God wants to do something new.

•Father let your fire fall and destroy every power fueling weaknesses in my spirit, soul and body, oh God of Israel, let your fire consume such powers. Oh God of heaven and earth, let your fire destroy every power causing me to be weak in the place of prayer, midnight prayers, in doing the right thing oh God of Israel, destroy them by fire. I refuse to be weak, every power that is injecting weaknesses into my spirit, body, and soul, fire of the Holy Ghost consume them now in the name of Jesus. I refuse to be weak, I shall not be weak in Jesus' name.

⇒. God has standards or principles by which He does miracles or helps people, one of those principles is that God would wait until you are strong before He can give you some victories. God will not do certain things until you are doing certain things, for example, God can be waiting for you to wake up at midnight to pray before He will release a miracle. He already has the miracle in His hands and standing beside you but He will only release that miracle when you are in the realm of strength by which that miracle can be obtained. If you do not come to the realm where that miracle is obtained, you may never receive it. Where God is waiting for you, you have to enter into that realm before you will find Him, and before He will release the miracle. When your body feels tired, do not agree with the tiredness because you can actually do all things through Christ, you can wake up at midnight despite being tired.

•Father, I am determined to be strong. I want to be strong, strengthen me, help me. Lord I am determined to be strong, strengthen me Lord Jesus, I want to operate in the realm of strength, I want to be full of strength, I want to do what you have said I can do, Lord strengthen me. Strengthen me by your Spirit, by your power, your grace, by your angels, strengthen me Father because I know I can do it. If you want me to pray for hours, seek you, worship, be in Your presence or meditating, I know I can do it, Lord strengthen me.

⇒. When God was training a certain Prophet who was praying in the mountains, He asked him to cut a big leaf from the bush and place it upon the rock and He asked him to pray until his sweat moved that leaf from where it was to another place. Though it takes flowing water to move such a big leaf, this man prayed until his sweat moved the leaf and after the leaf had moved, that is when God told him to stop praying. There are no shortcuts to miracles, to seeing revival happening, to seeing restoration or the glory of God coming down. Miracles are birthed in the place of prayer not in just short small prayers but in fervent prayers

•Father, I want to be strong, train me to be strong, train my spirit, my soul, and my body so that I can be strong. Lord I am ready and willing to be strong, train me, take me through a training process that will make me a very strong soldier, that would make me a powerful warrior, a man that wrought miracles. Take me through this training process oh Lord.

⇒. The Lord is saying He cannot train many of you until you come out of your comfort zones. You must disagree with your comfort zones, come out of your shell because we are in the last days and a time has come that if you're not strong in the spirit, you will be defeated easily. I said when the fasting was beginning that God wants to do something that will carry us through to the next 20 years, we can run with this strength from this fasting, overcoming battles for even up to 20 years. The Lord said why we are doing this fasting and needing this strength is because a lot of terrible things are about to begin to happen that is why He wants to give us great strength that will take us up to 20 years victoriously.

•Father, I want to be strong and I want you to train me to be strong. Let me begin to become uncomfortable with everything that has nothing to do with strength, everything that is not encouraging me to be a strong Christian, strong prayer warrior, strong believer, let me become uncomfortable with those things. Whatever is not allowing spiritual strength in my life Lord let me be uncomfortable with them. Whatever comfort it is, be it watching TV, browsing the internet, food or sleep, help me Lord not to sleep so that I receive more of you, make me uncomfortable with them.

ISAIAH 43:9-10

⇒. God is boasting of Himself, He made the Israelites to witness the wonders of God, great and mighty miracles. God intentionally did the mighty works so that He could reveal Himself to other nations through the Israelites so that these nations would come to Israel to learn of God. That is why He is called the God of Israel, because He worked with the Israelites many signs and wonders. God wants to glorify Himself in our lives, in our ministries if we allow Him to.

•Father just as you did in Israel with Israel, Lord glorify yourself in my life that I may witness and testify of your power, speak of your glory to the world. Glorify yourself in my situation, my career, calling, destiny, ministry that I may be able to speak of you, preach, teach of you, testify of you all over the world. Lord, I want to see you manifest yourself with great power, move mightily in my life, manifest great power, Lord move in my life, in my situation and demonstrate your power that I may be a witness of your mighty works and testify of your mighty works to nations.

⇒. God is not ashamed to defend His Word. We as humans are the ones who make a promise and not fulfill it but God is not like that. When He speaks He will stand by it and when you go back to God and say God you said this, He will still speak to you and say I said it, and if He has not done it, He will tell you why He has not done it.

•Father, you demonstrated your faithfulness to Israel, Lord in my life prove that you are faithful and true, that you're not a man that would lie. Lord, I want to see you demonstrate your faithfulness in my life because I believe you. I believe you are the only true God, there is no other God beside you. I believe if you did it to Israel you can do it to me, if you demonstrated your faithfulness to Israel you can do the same to me because I am your child, your chosen one, Lord demonstrate your faithfulness

in my life. Lord perform your promises in my life, do as you have said and promised in Jesus' name.

⇒. There are things that God has said that only God can say those things, no one else has said the words that God spoke. He didn't just say them but He stood by those words and brought them to pass, that is what it means to be God. May God be God in your life.

•Father, arise in my life and be God, manifest in my life and be God. Lord, manifest yourself in my life and be God, in my life do exactly as you have said, defend your will in my life, defend your purpose in my life, defend your words in my life. God I know that you are God, in my life I want to see a manifestation of God that would terminate my shame and reproach forever. I want to see a manifestation of God in my life that would end disgrace forever, that would lift me up into greatness. Lord, appear in my life and be God, let me witness your power, your glory, great grace Father, be my God in my life.

⇒. What it means to be God is when God is God in the life of a sick man that is when God shows Himself as God because in your sickness you become healed. When He shows Himself as God in your poverty, you become rich. When He shows Himself in your weakness you become extraordinarily strong, that you can break rocks in pieces, that is what it means to be God.

•Father, arise in my life, situation, spirit, soul and body and be God until my life begins to succeed and prosper. Lord I want to witness your manifestation that will lead into prosperity, holiness, righteousness, greatness, oh Lord I need a manifestation of you. Lord arise in my life, poverty, weaknesses and be God, reveal your greatness and be God. Destroy your enemies in my life, destroy all powers of darkness troubling my life, arise and be God until my life is changed completely. Let me continually witness the manifestation of you as God.

⇒. When something keeps increasing and increasing and never decreases, when it expands and expands and there's no end to the expansion that is how God manifests. When God is in manifestation, there is no end to His operations, to what He can do, He keeps becoming bigger and bigger. The problem with Christians is we are running away from God instead of getting closer to Him. When you go deeper into God, you'll be able to testify to the unending things God can do. When He appears there's no limit to what He can do.

•Father, manifest in my life and don't stop working until you have destroyed all my captivities, until my troubles have been swallowed up forever. Lord, don't stop your operations in my life, until an end comes to my weaknesses, captivity, operations, failures and sickness; manifest in my life, don't stop until I see the end of my problems. Lord, don't stop your operations until I am completely delivered from every bondage of the enemy, until I am completely healed, until my life is completely transformed, changed and elevated into greatness, Lord manifest in my life.

⇒. Some people have experienced manifestations of God and because it was strange to them they were asking God to stop because they felt something bad might happen to them if God continued what He was doing. For example, God appeared to some people and said He wanted to take them on a journey and they became afraid, they thought they were going to die and they missed that encounter with God because of fear. One of the limitations of witnessing the greatness of God is fear, where you feel God is doing too much inside of you and you can't bear it. You need a kind of faith and boldness that can receive the manifestations of God and sustain it, and you're not afraid and are able to follow Him and join in His operations

•Father, give me the faith and boldness to receive your manifestations in my life so that when you're doing those wonders, I will not doubt you or become fearful, give me faith to sustain your manifestations. Give me faith to receive your touch, manifestations and operations, and to continue in them, give me the faith, give me the boldness in Jesus' name.

⇒. There are some people when God visits them, it looks as if their spirits are coming out of their body and they become afraid. It's not like God has come to end your life but it's how God visits people, that's why you must not be afraid. God will visit some of you in a way that would be strong but do not be afraid because if you are afraid, you will miss that encounter from God.

•Father, program my spirit, soul and body to receive visitations and encounters from you without fear. Lord let my spirit, soul and body be divinely configured to withstand your manifestations, visitations and encounters without being afraid. Let my spirit, soul and body be transformed into such a man that can receive divine encounters and visitations without being afraid, Lord do that work in me.

⇒. God says, before me there was no God formed and there will never be another God after me; this means that He was the beginning of all things, all things and people come from Him, even Satan came from God.

•Father I acknowledge that everything came out from you, it proceeded forth from you, oh God beautify and glorify my life by everything you have at your command. Lord you are before all things and all things consist of you. You have authority over everything, so I'm asking that you beautify my life by all these things that came out of you, I believe and I know you can do it. Lord, beautify and glorify my life, I know you can command people and everything you created to beautify me, you can use everything you created to glorify my life, oh God beautify my life by everything that came out of you, use them to beautify, honour and glorify me.

⇒. There will never be any God after Him, meaning that any god or kingdom that is claiming to be god of a people it's a fake kingdom or a fake god because He says there will never be anyone like me. Whatever name it is, be it Satan, antichrist, witchcraft, powers of darkness, marine kingdoms, God already judged them and He said they cannot have the same authority that He has and there will never be like

Him or no one can take His position. Whoever it is, whatever it is that is trying to be god over your life, the Almighty God is against such personality or power.

•Raise up your right hand. Father, descend upon every god, personality, kingdom and power that is taking the position that belongs to you in my life, descend upon them and destroy them. Lord, descend upon every personality of darkness, power or kingdom that is claiming to be God over my life, descend upon them and crush them in pieces, destroy them all for there is no other God beside you. Whatever they are, they are fake, they are scams for there shall be no other God besides you. Anybody that is taking a place that belongs to you in my life, Father, descend upon them and crush them to pieces in the name of Jesus. Whatever they are, powers of principalities, kingdoms and whatever they are, occupying the place that is yours, Father descend upon them and crush them in pieces in the name of Jesus.

⇒. God spoke confidently because He is so sure of Himself while many of us are not sure of Him, we don't trust Him but whether we believe or not, He is so sure of Himself and He knows His ability.

•Father I hand over to you every stubborn enemy of my life and destiny, every stubborn battle confronting my life and destiny, I hand them over to you for there is no one greater than you, no one stronger than you, therefore I hand over every stubborn enemy that I have been fighting for years and was never able to overcome them, I hand them over to you Father, deal with them. Stubborn enemies that would not allow my life to go in peace, would not allow me to have rest of mind, that would not allow me to enjoy the blessings of God, that would not allow me to have progress and prosperity, that would not allow me to sleep in peace, or to reap the fruits of my labour, powers that are spoiling good things in my life, I hand them over to you Lord, deal with them,, fight them and destroy them all.

⇒. Satan knows his place; he knows he's under the feet of Jesus, that he is defeated; all these powers and demons know their place; they are just bragging for nothing. The only God that can boast and is right is the Almighty God. All those powers attacking you know their place, they know they are weak. The reason why they succeed in attacking us is because you did not show them their place, and many of us are not consistent, we rise and fall, that is why we don't have the authority to send them to where they belong.

•Raise up your right hand. In the name of Jesus, I come against every power and personality of darkness. I declare that God crush them in the name of Jesus. I declare that the kingdom of God manifest to them and destroy them in the name of Jesus. I come against every power of darkness, personality of darkness, I pray that God will descend upon them and crush them now. Let the Kingdom of God descend upon them and crush them in pieces till they are no more in the name of Jesus.

⇒. Father magnify yourself in my life such that the enemy will be forced to go to where he belongs, for they belong under my feet. Father magnify yourself so much in my life, let your light shine so much in my life that darkness would be forced to go to

where it belongs. In my spirit, soul, body and life; environment, career, magnify yourself so much that darkness is forced to where it belongs, so much that darkness can no longer come near me. Lord, I want a manifestation of you in my life that would push away darkness, principalities to where they belong, which is under my feet. Lord, I want a manifestation of you in my life that will make me rule over my oppressors and attackers in the name of Jesus.

VERSE 11

⇒. Whoever does not serve the Lord is in trouble because no one will be able to save him from God. You may not be in trouble now but after you leave this dimension of life you will be in trouble with Him, that is why every tongue shall confess that Jesus is Lord whether they like it or not. They might not confess now but after death they will confess whether they like it or not because besides Him there is no other Savior. If He is the Lord then we must serve Him, because to be Lord means master, ruler, the one who is in command, whose authority is final, the one who is in charge and in control. Is God your Lord in your life or you are the lord of your life?

•Father, I acknowledge you as my Lord and I will serve you forever, help me to serve you. I will obey you forever, help me to obey you. Father help me to serve you forever, love you forever, obey you forever for I acknowledge only you are the Lord not me, I am not the Lord. I acknowledge that only you are in control, not me or anyone else. I acknowledge that you are the ruler of my life and no one else, I will serve you forever and I want you to help me to serve you. I will love you, worship and praise you forever, help me oh Lord to do this.

⇒. Being Lord means that God can do or get anything done whether anyone likes it or not, He can achieve anything whether anyone likes it or not. If God reveals Himself as Lord in your situation it means you will be helped, delivered, blessed, or saved. You'll be helped by people you least expect.

•Father, manifest yourself as the Lord and authorise help for me in my helpless situation, command help from places and people that I do not know, from every place all over the world, oh God of Israel, you are my Lord. Reveal yourself as Lord in my situation and authorise great help for me, even in places where I don't know the language, even in foreign lands, in places where I have no friends or relatives or anybody, authorise great help for me in those places. Once you give the order, no one can go against the order. Lord authorise help for me, authorise favour, success, and prosperity for me in Jesus' name.

⇒. Another thing the Lord does is He stands for you in the way you can not defend yourself.

•Oh Lord, my God, stand to defend me in places I can't defend myself, stand to defend me, stand to help me, and command help for me in places I cannot speak for myself. In places where they need to make a decision concerning my breakthrough and success, stand to defend me in those places. In places where my voice cannot reach, where they are contemplating whether to give me a contract or not, whether

to help me or not, to sponsor me or not, appear in those places and speak for me, stand to defend me and to honour me in the name of Jesus.

⇒. The other thing the Lord does is, He causes confusion in the camps of the enemy and the enemy begins to fight themselves, especially when the enemies would have joined together earlier against your life, and when God sees that if they continue with their plans they will succeed over your life, so He confuses them. He turns them against themselves and they start fighting each other to the point that all their plans and agendas fail concerning you

•Father, send confusion into the camp of the enemies that have partnered together for my downfall, failure, and defeat and begin to turn them against themselves, let them begin to fight each other till they are no more, let them wrestle with each other till they destroy themselves. All the enemies that have partners together against my life, those who have combined forces together, combined powers together to fight me, oh Lord attack them in such a way that they begin to fight themselves. Oh Lord arise and fight them, turn them against themselves until they destroy themselves. The enemies that have conspired together, joined forces together, looking for my downfall, failure and defeat, Father move in your mighty power and turn them against themselves until they are completely destroyed.

⇒. To be the Lord means that God can take power from powerful people; He can disarm His enemies; He takes strength from strong people.

•Lord Jesus, take away power and strength from the enemies oppressing my life, from the kingdoms of darkness oppressing my life and destiny, let them become powerless and useless. Take away power from the serpent that is troubling my life, take away power from demons and scorpions attacking my life and destiny, take away power from witches and wizards attacking my life, let them become powerless and useless in the name of Jesus. As they approach me, my family, my life, marriage, let them become powerless and too weak to operate. As they come closer, let them become too weak to operate in the name of Jesus. Every agent of darkness sent on assignment against my life and destiny, against me; take away their powers and let them be powerless.

⇒. To be the Lord means God can use His enemies to carry out His will. God has the devil in His plans; everything that the devil is doing right now is in the plan of God. God is aware of what the devil is doing. Before the coronavirus came, God was aware, before they authorised lockdowns God was aware and it was part of His plans. God is using it to carry out His will or plans. Some of the negative things that you and I are going through are part of God's plans so that He can show you and the enemy that He is lord. He uses those things to reveal Himself as Lord. There's nothing the devil is doing successfully now that is not in God's plans. Except the devil does what He does God is not able to do what He wants to do.

•Father, reveal the miracle that you have in mind by allowing the enemy to operate in my life, Lord manifest your power now to put your enemies to shame. Lord the

miracle you had in mind to do when the enemies began to attack me, the miracle you had in mind to do when you allowed them to succeed over me, Father, reveal that miracle now so that your enemies can be put to shame. Lord the plan you had in mind by allowing the enemy to succeed in my life, Lord bring that plan to pass now. The mighty work you have determined to do in my life by allowing the devil to succeed, my Father, it is time for that mighty miracle, reveal and perform that miracle right now. The great miracle you have determined to do in my life, career, marriage and ministry by allowing the devil to succeed, Lord it is time for that miracle, do it now by your mighty hand in the name of Jesus, Amen.

Thank you Father in Jesus' mighty name it is done, Amen.

Whatever you have not approved that is tormenting me, afflicting me, troubling me, Father, destroy it. Whatever you have not approved that is succeeding, prospering and is afflicting me and tormenting me, oh God of heaven and earth destroy it now in the name of Jesus. Everything you have not approved of in my spirit, soul, body, blood system, bones, organs of my body, whatever is living in me and is growing their operations, that you did not approve of, right now Lord Jesus uproot them, destroy them in the name of Jesus. Whatever that has been tormenting me for many years, let it end tonight, let it die tonight in the name of Jesus. ***Whatever heaven and God has not approved of in your life, career, finances, spirit, soul, body, spiritual life, prayer life and mind; I decree that it die right now in the name of Jesus. Let the mighty hand of God that is stretched out right now uproot those things right now in Jesus' name. As I speak, whatever it is, is destroyed in Jesus' name.**

⇒. Father, make a way for me, break barriers and limitations and make a way for me, that I may have progress, success, breakthrough, prosperity, greatness, honour,

Father, make a way for me in the name of Jesus. Oh God of heaven's armies, arise and break limitations, doors, barriers, gates and hindrances; destroy limitations, break every wall of limitation and let there be a way for me. In every realm where limitation has been established against my life, Father, break those limitations right now in the name of Jesus. In every place, physical or spiritual, visible or invisible, where barriers have been created to confuse my life and destiny, Father break those barriers now by your mighty hand.

⇒.(Raise up your right hand and sing this song).. Let the fire of the Lord come down.. right now, let the fire of the Lord from heaven come down. Let the power of the Lord come down right now, let the power of the Lord come down into this place. Let the power of the Lord, from heaven come down. Let the glory of the Lord come down, let the glory of the Lord come down upon us, let the glory of the Lord, from heaven come down, let the glory of the Lord come down.

*We sang this song to charge the atmosphere for what God is about to do right now.

•Father, touch me with your mighty hand and do what only you can do in my life, in my body system, spirit, life, heart, soul; do what only you can do. Father touch me touch me, Jesus touch me right now, there are things only you can do that no one else can do in my life. Touch me and begin your works in my life, touch me Lord Jesus. Touch me and rescue me, touch me and revive me, touch me and transform me, touch me and heal me, touch me and deliver me, touch me Lord Jesus. Touch me Jesus, there's something only you can do in my life, touch me and do it now.

***Receive the touch right now in the name of Jesus.**

⇒. Raise up your right hand. Father I connect with the power that is on your throne, I connect with the authority, the fire that is on your throne right now, let my victory come, let my deliverance come. Lord I connect with the power, authority, anointing on your throne right now, let my miracle, deliverance, healing, breakthrough, prosperity happen right now by the authority that is on your throne. I connect with the power in your throne, Father right now let my miracle happen. I connect with the fire that is on the throne of God, I connect with the power on the throne of God, with the authority on the throne of God, let my breakthrough appear, let my deliverance happen right now.

•Raise up your right hand. In the name of Jesus, I connect right now with the power of the Most High, let my transformation happen now, let my new beginning, new glory happen now. I acknowledge that only the power of the Most High can change the life of men, can cure the incurable, reverse the irreversible, make impossible things possible, therefore I connect with that power right now, let my life be transformed in the name of Jesus. I connect right now with the power of the Most

High, let my life be transformed, my life be glorified, let my life begin to be elevated into greatness in the name of Jesus. I connect my spirit, soul and body with the power of the Most High for deliverance and miracles in the name of Jesus.

⇒ . The power of the Most High God; He is the king of kings, Lord of lords, only His power can change the life of a man drastically.

•Raise up your right hand. I connect my weakness, problems, sickness, oppression, failure and troubles with the power of the Most High God, let my help come right now by the power of the Most High. I decree for my poverty let there be prosperity in the name of Jesus. I decree for my sickness let there be healing, for my shame let there be honour, for my disgrace let there be grace and glory in the name of Jesus.

⇒. Father let your great light shine upon my life and let my darkness disappear forever. Let your great light shine upon my heart, soul, spirit, environment, situation and let my darkness disappear. I refuse to walk in darkness, I refuse to be covered in darkness, I refuse to groan in darkness, I refuse, to suffer in darkness, I refuse to be oppressed by darkness. Right now Lord Jesus, let your great light shine upon me and let my darkness disappear. Let your great light shine upon my days; I reject darkness, I embrace your light.

⇒. For some of you, there's a darkness that surrounds you that is allowing Satan to continually oppress you.

•Raise up your right hand. Father, let your fire fall and destroy every darkness legalizing demonic oppression, satanic oppression in my life, my family, marriage; let your fire fall and destroy that darkness. Ancient of days, God of heaven and earth, God of Israel rain down fire fall down and consume every darkness that is legalizing marine oppressions, witchcraft oppressions, demonic oppressions. Every darkness in my place of work, around me, in my sitting room, my house that is giving legal ground to demonic operations, let fire destroy them now in the name of Jesus. ***I decree over your life that the fire of the Holy Ghost trace every darkness that is following you everywhere you go, legalising demonic operations to succeed over you, let the fire of God consume them all now in the name of Jesus.**

⇒. There is something the fire of God wants to expose that is hiding somewhere, that is not of God but is of the devil.

•Place your right hand on your head . In the name of Jesus, whatever is hiding in my life that is not of God, let them be exposed by fire. Whatever that is hiding and is secretly tormenting me, destroying me, draining my strength, whatever it is and wherever it is hiding, be exposed by fire. Fire of the Holy Ghost expose every messenger and agent of Satan hiding somewhere in my life, secretly oppressing me, secretly tormenting me, secretly depositing evil in me, be exposed now by fire. You cannot hide in my life, my body is the temple of the Lord, my life belongs to the Lord. Every messenger of Satan hiding anywhere in my life, be exposed right now by fire in the name of Jesus. ***Wherever things from the enemy are hiding in your life to**

torment, oppress, trouble, pollute, and deceive you, I decree that the fire of the Holy Ghost expose them now in the name of Jesus. Wherever it is hiding in your body, soul and spirit or wherever it is hiding, I command it to come out into the light right now in the name of Jesus, be exposed now in the name of Jesus.

⇒. Place your right hand on your head. Lord Jesus, release your anger upon every oppressor ruling over my life, ruling over the affairs of my life. Lord let your anger fall upon satanic oppressors, demonic oppressors, witchcraft oppressors, let your anger fall upon them and destroy them. Lord release your anger upon every oppressor controlling my life for evil, every oppressor of darkness ruling over the affairs of my life for evil, oh Lord let your anger fall upon them and destroy them right now in the name of Jesus.

ISAIAH 43:12

⇒. Some of us, it is our sins which makes us think that God is always far away whilst God is always faithful and near. When you begin to serve other gods and worship idols (nowadays you don't need to bow to an image or curved object to worship idols even inside your heart there are idols), it will draw you away from God. What are those things you have raised above God in your life, that you have considered more important to God?

•Father, forgive me of every idol I have embraced that has chased your presence away from me, Lord I repent, come back to me Father. Every idol in my mind and heart, whatever I have considered so important that I have left the place of fellowship with you, everything I have considered more important than obeying you or your Word, forgive me of those things, come back to my father. Every strange god I am worshipping or serving, be it love of myself, love of money, forgive me of these things, I repent, come back to me. I repent of every idol I have embraced in my heart, every idolatry of self, lust, pride, greed, covetousness, idol worshipping, that I am doing secretly in my heart, Lord I repent tonight, forgive me and come back to me in the name of Jesus.

⇒. We would not know the presence of God and the love of God if we have not forsaken our secret sins, we won't be able to know His presence and love. If you don't know His love you won't be able to trust Him, you will consider him a bad person and an unfaithful God. You would think He's not powerful and that He's not with you, that is when you don't know or understand His love.

•Father, deliver me from every sinful nature I have embraced that has blindfolded me from seeing how caring you are, that disconnected me from enjoying your presence, Lord deliver me from every sinful nature and secret sins, though no one sees what I am doing but you see everything. Lord, deliver me for my sinful nature that has blindfolded me to know you as you are. Lord deliver me from every sinful nature I have embraced because I want to know your love, I want to know your presence, I want to feel your heart, deliver me from the sinful nature and secret sins.

⇒. When you are in the darkness that is created by sin, you will easily forget God and what He has done for you in the past. Some of you God has really helped you, if not for God's help you wouldn't be where you are now, and your life could be even worse than how it is now. When we forget the faithfulness of God in our lives, God becomes angry because you have not considered all He has done for you. Some of us are only concerned about what God has not yet done. You cannot think back to remember what He has done for you and thank Him for that. If He did that then, He can do better now.

•Father, I am sorry for being unthankful and ungrateful for the things you have done in the years past, Father forgive me. Father, I am sorry for forgetting the wonders you have done in my life in the past, how you saved me and rescued me, the wonders that you have done in my life in the past. I am sorry for being so unthankful and ungrateful. oh Lord forgive me, I ask that you give me a spirit of thanksgiving, a heart of thanksgiving. Lord give me a heart of gratefulness, forgive me for forgetting the benefits I have received from you in the past.

⇒. Father deliver me from every pit of sin addiction that the enemy threw me in, Lord reach forth your hand and deliver me. Lord deliver me from every sin addiction that is killing me, killing my spirit, my anointing, spiritual gifts, my connection with you, and my prayer life. Deliver me from every sin full addiction that is polluting me, making me so unclean in your sight, Lord deliver me from this addiction of sin. Pull me out of every pit of sin addictions, make me pure again, make me righteous again, make me holy again.

VERSE 13

⇒. From eternity to eternity, He is God. He was before time began and He shall continue to be even after time ends.

•Father, reveal the depth of you to me, reveal to me more of you that I may believe in you, that I may grow in faith and trust in you. Father, reveal to me the depth of you so that my faith becomes strong, my trust in you becomes strong. Reveal to me your depth to me, more of you I want to know, I want to discern, I want to know more of your wisdom, nature, grace. Reveal more of yourself Father, so that my walk with you will become glorious and powerful, reveal more of yourself to me such that I will be able to believe you beyond human wisdom in Jesus' name.

⇒. It is so important that we know God this time because this is a time of a great falling away from faith including people we have considered to be of great faith. There will be such a great deception such as has never been since time began and there will never be another after, all this is from the kingdom of darkness. Only those who know God deeply will be able to make it in these last days. This is the time where you must know Him deeply because if you do not know Him you might not make it to heaven because you will be deceived.

•Father, I do not want to be deceived, I do not want to fall from the faith, reveal yourself to me, reveal your mind to me, your Kingdom to me, I want to know you

beyond the Bible. I want to know you deeper than ever before, Lord, I do not want to fail you, I do not want to miss heaven. I do not want to be deceived, I do not want to fall away from the faith, Father, reveal yourself to me. Draw me closer to yourself, I want to know you enough that I cannot sin against you and that I cannot make mistakes anymore. I want to know you so deep that no one can deceive me anymore, Lord reveal yourself to me.

⇒. Sin is deceptive in itself. There is a way the devil makes what is wrong seem right to you because of the lust inside of you. The devil will use your lust to make what is wrong right to you. Deep down you know it is wrong but you just like it, it gets you excited and interested in it, that is deception. Deception is when what is wrong is presented to you as right and it becomes so beautiful that you just want to have it and enjoy it. The devil uses lustful desires in us to program how we will fall into deception

•Father, deliver me from every lust that is giving the devil power to deceive me, Lord deliver me from that lustful desire. Lord deliver me from every sinful lust, worldliness, worldly pleasures, secret sin, lust of the flesh, lust of the eyes, every lust in me that is giving the devil the power to deceive me, Lord deliver me from that lust. Uproot such lust from my heart and mind forever in the name of Jesus.

⇒. A man that is full of himself cannot be full of God. To carry the fullness of the Spirit of God is to be emptied of yourself. One of the things that makes people to be so full of themselves is pride such that God cannot fill any place in him or her.

•Father, I want to be full of your Spirit, deliver me from pride, I want to carry the fullness of your Spirit. Deliver me from pride, I want to carry the fullness of the Holy Ghost, the fullness of your power and your grace, fullness of your power, strength and wisdom. Deliver me of myself, empty me of myself, I surrender myself, let me be free from self that I may carry the fullness of you. Deliver me from pride.

⇒. Another dimension of pride is whereby you are seeking to please man. What is usually called eye service. Eye service is where you are so concerned about what people will say or what they are saying. When your life is being controlled by what people will say, you cannot please God. When it's people's opinion that is controlling your life, you cannot please God. You have to come to a point whereby you are not living to please man, where you don't care how they feel or what they will say but what you care about is if God is pleased with you and if your life is pleasing to God. You have to come to a point where all that matters is pleasing God.

•Father, deliver me from every spirit making me desire pleasing men rather than pleasing you, deliver me from every spirit making me to be controlled by the opinions of men, deliver me from such a spirit. Deliver me from every spirit that makes me follow after what people are saying or fear what people will say, deliver me from every spirit that seeks to please man, deliver me from the spirit of eye service, I want to please only you Lord. Deliver me from the spirit that is compelling me to live my

life from the dictates and opinions of man, deliver me from such a spirit in the name of Jesus.

⇒. Father hide me deep in you and let nothing be able to take me away from you. Hide me in you, let no sin, no temptation, nothing be able to snatch me away from you. Father let my soul, my life be hidden so deep in you such that nothing, no one, no power, no temptation, no gate of hell shall be able to snatch me out of you; so that nothing in this world will be able to separate me from you. Hide me deeply so that no kingdom of darkness will be able to take me out of you, let my foundation in you be so strong, Father let my roots in you go deeper and stronger in the name of Jesus. I do not want to be separated from you. I do not want to die spiritually, Lord hide me deep in you.

⇒. Father, do a permanent work in my life that can never be undone, that even I cannot undo. Do a permanent work of transformation and glorification in my life that no one can undo such a work, do it now in my life Lord. Lord do a permanent work of correction, transformation, renewal, glorification that would change my life forever, a permanent work of deliverance and victory. Lord, do in my life a work that can never be undone, do it now oh Lord.

⇒. There is a realm in heaven where anything done in that realm can never be undone. God does not want us to pray from the earth's dimension but from the heavenly dimension because prayer has to do with realms. As a child of God, you carry the same ability as God because you carry the Spirit of God. This means what God can do, you can do, that is what it means to be a son of God and God will trust you with certain abilities of Himself. You have to receive grace for such operations as it is not child's play in that realm.

•Father, I am your child, your son, transfer unto me the divine ability to do irreversible works of power and glory in the realm of the spirit, transfer to me the supernatural ability to do irreversible works. Lord Jesus, share with me because the Bible says I am a joint heir with you, Father let there be a transfer of ability and grace power to do invisible works of power, irreversible works of glory in the realm of the spirit. The grace to do works in the spiritual realm that can never be undone, Father give me that grace, take me into that realm in your Kingdom where whatever is done remains done, when there is healing, that healing is forever, where there's breakthrough, that breakthrough is forever

⇒. Father, I am desperate for your power, endue me with power. I am desperate to walk in power, fill me with your power, connect me with your power. Lord, I am desperate to operate in your power, to wield your power, to carry the fullness of your power, oh Lord fill me with your power right now. Lord Jesus fill me with your power, the power to work miracles, the power to destroy the works of the devil, the power to command and it will be established, the power to undo what the devil has done. Lord, fill me with the power to do what has not been done, to heal the sick, raise the

dead, prevail, to have irreversible victories, to command signs and wonders, fill me with power. Power to rule principalities and powers of darkness, kingdoms of darkness, power to command miracles, Lord give me such power, fill me with your power.

⇒. One of the reasons why God has not exposed many of us in the realm of His power is because He cannot trust us because we will misbehave and misuse it. The power of God is so real, when you have it, you know you have it and when you don't have it you know you don't have it.

•Father, make me into such a believer that would be worthy to carry and demonstrate your power. Make me into a Christian that is qualified to carry your power and demonstrate it, to carry your power, and use it, make me such a believer or Lord. Change me into such a believer that is worthy to carry and demonstrate your power in the end at this time.

⇒. God has employed great power in this ministry but it will not work for some people because this power is connected to God's standards. If anyone does not live according to God's standards, the power in this ministry cannot work for them. In the past, God anointed some men of God to perform miraculous things even though they were not in agreement to God's standards, but God has now stopped doing that. His power is now only going to work for people that have surrendered to His will and His standards, those who are willing to follow and obey Him. Though you can work miracles but for some people it won't be long because He is requiring His standards to be followed.

•Father, I want to witness your power in my life, I want your power to produce great results in my life, help me to please you, to meet up with your standard. Lord help me to come up to your standard and please you, to do what you want, to do your will because I want to see your power working my life. Help me to have faith the way you want me to have faith, help me to pray the way you want me you want me to pray. When it comes to dying to myself, help me to do it the way you want me to do it; giving the way you want me to. Everything I must do to see your power at work in my life, I want to do it, help me to do it, help me to come to your standard and live the way that pleases you.

⇒. Father, strengthen me for victory to win all the battles I must win in the few days that remain before this fasting comes to an end. I'm not trusting in my strength but in your strength, give me the strength oh Lord. Strengthen me to win all battles that must be won before this fasting ends, every battle that I must win that I haven't won, oh God give me the strength to win them. Take my own strength and give me your own strength because I want to be victorious, strengthen me Lord Jesus, strengthen me, I want to win, I don't want to be defeated. Empower me for victory, I don't want to lose in any battle.

⇒. In the name of Jesus, I receive angelic weapons for victory in my battles, weapons of instant results, instant victories, angelic weapons for mass destruction in my battles. I receive angelic weapons for my battles that will produce instant breakthroughs, instant deliverance, instantly victory, instant miracles. I receive angelic weapons for massive destruction, I receive them in my spirit, in my body and soul. I receive angelic weapons that will enable me to conquer kingdoms of darkness in just one shout, and kingdoms of darkness will crumble. Angelic weapons that will allow me to bring down kingdoms and powers of darkness in one hour, in one minute, such weapons, Father give them to me.

⇒. Father, do a miracle in my life that will glorify your name, that would bring glory to your name and shame to the devil. Lord, do a miracle in my life that would bring glory and honour in my life, that would make men know that it pays to serve Jesus, that would make men acknowledge that it is rewarding to serve the Lord and to walk with the Lord. Do a miracle in my life to make your name great in the name of Jesus, do it in my life Father, in Jesus' name, Amen.

In my family background, family house, father's house, mother's house, father's village, mother's village, wherever they have caged me oh Lord deliver me. Every yoke that makes me hear good news but that good news never reaches me, let that yoke be broken. Every yoke that makes me see good things but good things never come to me, let that yoke be broken. I connect myself with the anointing of the Lord, let every yoke of darkness break in pieces now. I connect my spirit, soul and body with the anointing of the Lord, let every yoke of darkness, yoke of witchcraft, yoke of slavery and affliction, yoke of sickness, disease, generational curses, generational covenants of darkness be broken by the anointing of the Lord right now. ***Every burden of the devil upon your life I decree that they break right now in the name of Jesus, every burden of witches and wizards upon your life, I command that they break right now in the name of Jesus.**

⇒. Place your right hand on your head. In the name of Jesus, I remove my life destiny from the covenant of slavery prevailing in my bloodline, in my father's bloodline, mother's bloodline, I disconnect myself from that covenant in the name of Jesus. I disconnect my life, my ministry, my calling, and destiny from every covenant of slavery, ancestral covenant of slavery that is prevailing in my bloodline, I disconnect my life from them all right now in the name of Jesus. Every covenant of slavery prevailing in my mother's house, father's house, father's bloodline, mother's bloodline, I decree that they are destroyed concerning my life and destiny.

⇒. Father let an anointing that will cause my promotion come upon me right now, an anointing that will change my level that will put me on a higher level than where I am, let that anointing fall upon me right now. Anointing for promotion, rest upon me, let it remain upon me. Anointing that will change my level to a higher level than I am right

now, Lord let it fall upon me now. In terms of my ministry, spiritual growth, divine revelations, prosperity and wealth and riches, fame and success; in terms of greatness, let an anointing for you higher levels fall upon me right now, let it come up on me and remain.

⇒. In the name of Jesus, let phone calls that would change my life positively, phone calls that would lead me into greatness, let them begin to come through my phone. Let all those who have forgotten me, begin to remember me and call me so that I can move forward in life and destiny. Lord everyone that must call me, everyone that needs to get my number, let them get it so that I will rise to the place of honour and glory, let them begin to call me now in the name of Jesus.

⇒ . Raise up your right hand. Father, because of the fulfillment of your will in my life, let the heavens be shaken, let them be troubled right now so that your will will prevail in my life. The powers of principalities, kingdoms of darkness, let them be shaken and troubled and frustrated so that your will will be done in my life. Lord shake the heavens, shake the forces of heaven, shake the demonic personalities in the heavens so that your will will begin to prevail in my life. Lord begin to trouble the kingdoms of darkness in the heavenly places so that your will will prevail in my life. Lord let your fire begin to trouble the heavens for the release of my glory, for the manifestation of your glory. Lord begin to fight and attack the forces of heaven so that my life will begin to shine in Jesus' name.

⇒. There are powers in the second heaven which determine what happens on each day. Bad things do not just happen, there are forces of darkness which enforce these evils to prevail each day. It's possible that your timeline has been or is being controlled from the heavens. Maybe all that is happening in your life has been set in the heavenly realms to happen.

•Raise up your right hand. I come against every demonic program of darkness enforcing evils to prevail in each day of my life, let the anger of God destroy them, let the fire of God consume them. I come against every demonic programming, system of darkness going on in the second heaven to enforce evil upon each day of my life, let the fire of the Holy Ghost destroy them. Every demonic programming going on in the second heaven enforcing evil in each day of my life, let the anger of God destroy them in the name of Jesus. Every programming, system of darkness to ensure that I lose and I'm not gaining in each day of my life, to ensure that I do not have success, let those programs be cancelled and destroyed right now in the name of Jesus.

⇒. Demonic time setting is whereby they can set your time against good things. It's possible someone called you for a contract, to give you something or bless you but the kingdom of darkness can set your time in such a way that person cannot even remember that they made any promise to do anything. They set the time of your life to reject good things. You can wake up in the morning and nothing good happens

that day, all the good things which were supposed to happen won't happen because the time has been set against good things.

•Place your right hand on your head. In the name of Jesus, I come against every power setting my time and timeline against good things, against favour, health, prosperity, and progress, let the fire of God arrest and destroy such powers. Every power setting my time and days to reject helpers of destiny, to reject favour, divine visitation, restoration, miracles, or testimonies, every power setting my days against the will of God, let the fire of God arrest and consume them right now. Every power resetting my days against righteousness, goodness, helps, favour, and blessings; against the fulfillment of God's will and purposes, let the fire of God arrest and destroy them right now in the name of Jesus.

⇒. Place your right hand on your head. In the name of Jesus, let fire fall upon every altar of darkness where my name(s) are being mentioned for evil, let fire fall and destroy them. As my names are being mentioned, let fire respond. Every altar of darkness, coven of darkness where they keep mentioning my name for evil, let fire attack them, let fire fall and consume them all in the name of Jesus. As they call my name, let fire respond; whenever they call my name for evil from this hour henceforth, let the Holy Ghost fire respond and consume them all. In whatever realm of darkness where my name, name of my ministry, career, name of my company is being mention for evil, let fire fall and consume them all.

⇒. I come against every power of darkness assigned to frustrate my life, to make easy things difficult for me, let them catch fire right now. Every power of darkness assigned to trouble my life, to frustrate me, afflict me, to promote sorrow, is assigned to take my peace and joy away, let fire consume them right now in the name of Jesus. Every power of darkness trying to frustrate me, to trouble my life, to make easy things difficult, let fire consume them now, Holy Ghost fire consume them in the name of Jesus.

⇒. I see that there are some things or blessings that you should have received from last year but it's like they're still on a waiting list and they have not come.

•Father by your mighty hand, let all pending blessings in my life be released to manifestation. Blessings that I am already due to receive but are still pending up to now, let your mighty hand release them to manifestation. Lord let your mighty hand release my blessings from the realm of waiting and come to the realm of now, let them be removed from the realm of delay and let them appear now in my life. All the blessings that have been pending in my life and career, let them come to physical manifestation right now in the name of Jesus. I receive the manifestation of every pending blessing in my life, I receive their fulfillment right now, I receive their manifestation now, let them happen now, let them locate me now. Blessings that I should have had since last year, Lord let them come now in the name of Jesus. ***I decree over your life by the reason of the anointing upon this meeting, every pending blessing that you should have received by now, I decree they are released unto you**

now in the name of Jesus. I don't want to know the powers or hands that have held them captive or hijacked them but I declare they are released unto you right now by the power of the Most High God in the name of Jesus.

ISAIAH 43:14

⇒. Because of God's love for you, He decides to deal with His enemies.

•Father, let your anger be kindled against stubborn enemies of my life and destiny, let permanent destruction from your throne happen to them. Oh God of Israel begin to rule against every Kingdom of darkness, every stubborn enemy that has refused to let go of my riches and wealth, that has refused to let me progress in destiny, let your mighty hand be stretched forth against them and let them be utterly destroyed in the name of Jesus. Every stubborn enemy that would not let me go, that will not let me have peace and joy, will not let me move forward to my next level, that does not want any new thing to happen in my life, oh God of Israel let your anger begin to fall upon them, to waste them right now in the name of Jesus.

⇒. There are a lot of enemies which hate to see a new beginning in your life. When they discover you have begun to take actions, to come out of their bondage that is when they will begin to attack you and they multiply their attacks, they react negatively to your new beginning.

•Father arise and fight stubborn enemies that have held my life bound since childhood, that have held my life captive since the day I was born into this world, arise and destroy them. I've tried but my strength could not win over them but I know only you can rescue me, defend me, release and deliver me. Stubborn enemies that have been attacking me from childhood, that have been limiting my life since childhood, oppressing my life since the day I was born into this world, oh God of Israel, let your mighty hand strike them, let your anger consume them right now in the name of Jesus.

VERSE 15-18

⇒. Most of you need faith for what God wants to do now because it is so unique, so different, so new from everything He has done before or from everything you have ever experienced before. It takes faith to believe and receive them.

•Father, give me the faith to believe and receive the new things you have determined to do at this time in my life, give me the faith to believe and to receive them, give me the faith not to doubt or to question you. Give me the faith to believe and receive the manifestation of the new things you have determined to do in my life, give me the faith father. Give me the faith to receive these things, help my faith to be strong, deliver me from unbelief or doubting the things you have revealed or promised to give me. Give me the faith to believe and receive them into physical manifestation

⇒. When the Bible says remember not the former things it means do not remember how much you have failed, been defeated or weakened. Forget them because now your story is about to change.

•Father help me to put my faith in your greatness, help me to stop considering the greatness of Satan or looking at the strength of my enemies, but to begin to put my faith in your greatness. Lord help me to set my heart, my faith in your greatness. Help me to stop considering how strong my enemies are, how strong the darkness is and help me to stop believing in the strength of the enemy or in the greatness of darkness. Help me to put my faith in your greatness, to trust in the greatness of your power. Help me to stop believing the enemy is powerful, sin is stronger than me, help me to stop thinking that the enemy is stronger than me, help me Lord to take away my focus from the strength of darkness but to set my heart on your greatness.

VERSE 19

⇒. Father mobilise your mighty angels to carry out the new things you have promised to do in my life, release your angels to begin to perform them right now in the name of Jesus. Father mobilize your heavenly host, angelic army to begin to carry out, to perform the miracles you have determined to do now, let them begin the work, let them complete the work now in the name of Jesus. The new things you have proposed to do, let them begin to happen, release your angels into my time, into my days, into my ministry, calling, financial life and let that new thing begin. Lord I'm ready for the new glory, new beginning, let your mighty angels, your mighty hosts begin the work now.

⇒. Behold I am doing a new thing means that it is already here it's not coming or that is going to happen soon. What God wants to do is already there with you right now. Can you see it? That's why God says "behold" can you see it, it's already here with you. Sometimes it takes wisdom to get hold of that new thing that is standing beside you. Without wisdom you might not see it happen.

•Father give me the wisdom to enter into the new glory you have brought down upon my life, calling, and destiny, I know it's here. I know the new beginning is here, the great visitation from heaven is ready with me, give me the wisdom to enter into it to lay hold of it, give me the wisdom Father in the name of Jesus.

⇒. Wisdom means that you are in the right place at the right time doing the right thing at the right time.

•Lord, according to your mercy, help me to be at the right place at the right time doing the right thing and saying the right words so that this new glory will be revealed in my life and a new thing will happen in my life. Lord help me to the right place at the right time to be found doing the right thing at the right time, so that what you have proposed to do in my life will happen, that it will come to pass. Oh God of Israel, let the anointing the Spirit of wisdom come upon me that I will be doing the right thing that will give birth to the glory you have released, that I will do the right thing that will lead me into the glory you have released in the name of Jesus.

⇒. Deliverance is one of those things that God does to put you in that new glory or to make that new thing appear in your life. If your life is covered with so much

darkness, slavery to darkness, operations of darkness, it will be very difficult for this new glory or new thing to happen or appear in your life.

• Lord Jesus, let me be delivered from every darkness that will not allow the new glory you have released to appear in my life, the glory to be revealed in my life, deliver me now. Every slavery going on in my life, be it slavery to the flesh, sin addictions, pollution, darkness, witchcraft, weaknesses, every slavery going on in my life, deliver me right now because I want to experience a new thing, I want to enjoy the new glory. Deliver me from slavery to self, slavery to the world, to every pollution of darkness, deliver me Lord in Jesus' name

⇒. Sometimes God wants you to do something before He will do His own thing. New things do not come without responsibility or faithfulness. It's possible that you have not started to do what God wants you to do that will open the heavens for the new things He wants to do.

• Father, help me to do the things that I must do to experience the new things you want to do, to experience the things that you are already waiting for me, help me to do them because if I don't do them you will not do what you want to do, Lord help me to begin to do them from now henceforth. Lord help me to do what I have to do that I may experience the new thing you want to do. Show me those things, teach me those things, open my eyes to those things and strengthen me to do those things. The commitment, sacrifices you are looking for in my life before you will begin to do the new things, help me to attain those commitments and sacrifices in the name of Jesus.

⇒. Whenever God wants to change the life of a man forever, one of the things He will do is to meet with you in a powerful way (an encounter). There is an encounter that you will have with the Lord that will be the beginning of great things in your life and until you have that encounter, all the things you had been hoping for might not happen.

• Lord Jesus, I seek for an encounter with you, an encounter that would mark the beginning of new things, new glory in my life, mark the beginning of a new day in my life, beginning of a new life, Lord let that encounter happen to me. Lord I seek for a life-changing encounter, an encounter that will lead me into that glory that you have brought here already, an encounter that would change me into the person you want me to be, Lord I need such an encounter, visit me and change my life.

⇒. A new thing also means there's going to be an end to some things. That is what God calls former things. If those things do not end, the new things will not begin.

• Father, everything that must end in my life, even if it is those things that I like the most, things that I do not want to end, Father let those things end so that the new thing will begin, put an end to them oh God. Everything that must end, even if I don't want them to end, Father end them by force, by your mighty hand end them. Every habit, attitude, addictions, ungodly relationship and friendships that must end for me

to experience the glorious things you want to reveal at this time, Lord begin to end them now and let them be terminated forever.

⇒. You may be owing a lot of people money and you feel how will this debt end since it's a lot. The anointing of the Lord in this meeting is able to end it.

•Father let an end come to debt in my life (if you are not in debt pray for someone in debt). Father put an end to debt, every debt I have to pay, let them be settled by your mighty hand. Father put an end to debt in my life, let debt end right now according to your mercy, to your anointing over this prayer session, Lord put an end to debt in my life.

⇒. There are things that you have been admiring in other people. You have been telling God how you wish you had that and God wants to bless you with those things, not because of you but because of His glory that He wants to reveal in your life and He needs those things to reveal His glory.

•Father, all the resources, equipment, and positions that must appear in my life for your glory to be revealed, Lord right now let them appear in the name of Jesus. Every property, land, everything that I must have so that your glory and beauty will be seen in my life through those things, let them begin to appear now. Every physical structure or establishment that I must have: landed property, vehicles, equipment, instruments so that your beauty and glory will be revealed in my life, Father begin to do them now, release them now.

⇒. What God wants to do is for now, not soon. Now is the moment, soon is later. Do you believe that it can happen now, that the prayers you have been praying will happen now?

•Lord, let the answers to my prayers, let the miracles you have determined to do prevail, happen now in my life, let them prevail into this time I am in now, in my present time. Father the miracles you have reserved for me, authorise then for me, let them appear now in the name of Jesus. The glory you have showered upon me, let it appear now in the name of Jesus. Lord let the manifestation of these things appear right now in the name of Jesus. I receive the manifestation of my miracles now, I receive the physical appearance of my breakthroughs now, I receive the physical manifestation of my victories and deliverance now in the name of Jesus.

⇒. Instant miracles have a lot to do with strength, power and authority. It's a battle of the strongest when it comes to producing instant miracles. For miracles to happen instantly there are many contrary forces of darkness resisting the appearance of that miracle. If God has exposed you to the realm of miracles you will discover that there are many corporate forces that do not want miracles to happen in the physical realm. There is a way that you pray that would produce miracles but if you don't pray with a certain kind of strength, power, fire or energy your prayer won't produce any new thing.

•Father, connect me with the strength, anointing, energy, power and authority that would produce the physical manifestation of my miracles. Lord, connect my spirit, soul and body with the strength, power and authority that would produce my miracles in the physical realm so that when I am praying miracles are happening, when I am worshiping miracles are happening and when praising God, miracles are happening. Lord let me be connected now with the power, strength and authority for instant miracles

⇒. Divine direction is one of the easiest ways to see miracles happening.

•Father, let your Holy Spirit begin to lead me in such a way that I see my miracles happening easily, I see miracles happening quickly and easily in my life. Lord, let me begin to be led by your Spirit so that I will see the physical manifestations of your miracles in my life. Let me be connected with the anointing for divine direction, let me operate under the anointing of divine direction, that I will be coordinated, guided and led by the Holy Spirit into the manifestation of my miracles. Lord put upon me the anointing for divine direction, Grace for divine direction, put upon me your Holy Spirit who will lead me into the manifestation of miracles in my life.

⇒. Many instant miracles are connected to simple instructions, that's obedience to simple instructions, eg: do this, do that, don't do that, do this. Just a little disobedience to divine direction can make you lose a great miracle forever.

•Father, give me a heart of obedience that would follow your directions, that would listen to instruction, that would listen to the restrictions of the Holy Spirit, that when the Spirit says don't do this I don't do it, when the Spirit is withdrawing me from things, I will yield to that leading. Give me the heart that will yield to the Holy Spirit, a heart that would obey the direction of your Holy Spirit, a heart that would follow your divine guidance. Give me such a heart Father, for I do not want to lose the miracles you have for me now, I don't want to miss them, Lord give me a heart of obedience to divine direction.

⇒. Divine alignment will lead to instant manifestation. Alignment is where you are connected to the move of God. Do you know that there is a version of you in heaven (your spiritual person)? Your spiritual personality is in Jesus, so whenever God wants to do something in your life He will start doing it from the YOU that is in Him (that spiritual man). He starts communicating with the spiritual you, that is why you cannot afford to be carnal and want to experience new things, that might not work.

Alignment means that as God is dealing with the spiritual you, you are feeling it here on earth, you are experiencing the same. What is happening in heaven with God it's happening right here on earth, you are connected. It means you are connected to the very move of God, as the Spirit is moving, you are moving; as the Spirit is speaking you are hearing, you are so connected with the divine connections of God, that is what alignment means.

•Father, put upon me an anointing for divine alignment, the grace for divine alignment that will enable me to align with all that you are doing concerning my life

and destiny, the grace that will enable me to be connected with all that you are doing concerning my life and destiny, Lord put upon that grace right now. The spirit to be aligned with all that heaven is doing concerning my life, calling, destiny; the spirit to be aligned with all that God is doing inside of me and what you want to start doing through me, Lord, help me to be aligned. Father the grace to move as you move, speak as you speak, to think as you think, live as you live, to reason as you reason, to see things as you see them, Lord give me that grace.

⇒. To use myself as an example, I always know what to do in the place of prayer to see the results that God wants to perform or the results that are meant to follow that prayer. There is a way even my body will easily position itself because God is moving me in that direction. Alignment is where you are able to flow as the Spirit is flowing. For example when I am praying for a sick person, I don't need to look for faith, I only need to be aligned with the Spirit in charge of healing.

•Father, let my spirit soul and body begin to follow the move of your Spirit from now henceforth to produce great wonders in my life. As your Spirit is moving to perform wonders, let my spirit follow as well, until the miracles happen, let me be able to move by the move of your Spirit. Let me be able to pray by the move of your Spirit, to take action by the move of your Spirit. Lord put upon me a strong alignment with your Spirit such that my body, soul and spirit move as your Spirit moves, so that I am following every direction that would produce my miracles, help me Father in Jesus' name.

VERSE 19

⇒. Another thing that is important to seeing manifestations of miracles is to have a strong discerning spirit. When you have a strong discerning spirit, you'll be able to discern by the ability of the Holy Spirit why your prayer has not been answered. Having a strong discerning spirit will enable you to know what must be dealt with for your miracle to appear.

•Father, let my spirit become a strong discerning spirit by which miracles will be produced in my life. Let my spirit become a strong discerning spirit that will make miracles happen, that will lead me into the spiritual exercises that would produce miracles. Give me a strong discerning spirit that would expose the kind of demons behind my negative situations, a discerning spirit that would expose the powers and principalities behind the failures of my life, a discerning spirit that would show me the spiritual mathematics that would produce my miracles. Let my spirit become such a spirit of discernment, Lord I need this discerning spirit.

⇒. Raise up your right hand. Father, according to your covenant with this ministry, let the heaven of mighty miracles open over my life right now. Let there be a rain of miracles upon my life, miracles that have never been heard before, miracles that have never been known before, Lord let them begin to rain upon me. Lord let heaven open and rain mighty miracles; you say you will make rivers come out of deserts, Lord you have committed yourself to do miracles in my life, therefore let them begin

now in the name of Jesus. Heaven of mighty miracles, open over my life right now in the name of Jesus. Oh God of Israel, according to your faithfulness in this ministry, your commitment to this ministry, your covenant with this ministry, let the heavens open over my life and let there be a rain of mighty miracles. ***I decree over your life that heaven open now and let it begin to rain mighty miracles upon your life. Miracles that have never been heard before or known among many, shocking miracles, undeniable miracles, let them begin to rain over your life right now. Upon your body, soul and spirit, let heaven open and rain very great miracles.**

⇒. Father let a great fire be kindled in me, let it begin to burn in me such that my life remains victorious forever, such that there will never be a day I am not victorious. A great fire that would ensure a permanent victory in my life from this hour henceforth, that there will never be a time I will be defeated or the enemy will win over me or succeed over me, Lord ignite that fire now. Ignite such a fire in my spirit, soul and body that would ensure continuous victories in my life, calling, marriage, career, family and home. Lord such a great unquenchable fire that will ensure that I am always victorious in each day of my life from now till I am done in this world, let such a fire continue to burn in me. ***I decree over your life that fire from the throne of heaven will enter into you, a great fire and a mighty fire shall be ignited inside of you. Such a fire that will lift you above the enemy, that would ensure that you are victorious all the days of your life. I decree, receive the fire right now in Jesus' name. Let the fire penetrate deep in you until you become the same fire in Jesus' mighty name, Amen.**
