## 02 JUNE 2022

### THANKSGIVING PRAYER

Father, we thank you for your faithfulness, thank you for your grace and mercy. Thank you Lord for your provisions in our lives, thank you for your protection, thank you for your power that is working in us to do what is right in your sight. Thank you for the great things your mighty hand has done in our favour, thank you for fighting battles we couldn't fight by our strength, you came into those battles and fought for us and gave us great victories. Thank you for how you are turning our lives around for good, thank you for the beginning of great things and new things we are seeing already in our lives and situations. Thank you Lord for changing our lives from what we were before to something glorious and beautiful, thank you Father, be praised forever in Jesus' name.

Lord, we thank you for what you always do during our midnight prayer sessions, thank you for what you have done in the past, thank you for what you have been doing through these prayer sessions and thank you for what you are going to do today as we pray. Thank you Father because those of us who have trusted in you and who still trust in you, you will not put us to shame. Thank you Lord because you

will make your power available unto us for breakthroughs and miracles, thank you Jesus be praised forever in Jesus' name.

Lord we thank you for your presence that is already here, thank you because you are already here among us and that you will help us as we seek you and call upon you in Jesus' name. I ask oh God that you help everyone here to pray, for we don't know how to pray but it's your Spirit that helps us to pray, Lord help us to pray and to prevail through prayers in Jesus' name. Father, we want you to show us your power, mercy and faithfulness, let us pray the right kind of prayers that you want us to pray, let us pray by the leading and inspiration and revelation of your Holy Spirit, let us pray with faith, help us Father. Thank you Lord because we know you shall do beyond our expectations. Blessed be your Holy Name, in Jesus' name we have prayed, Amen.

## **PRAISE AND WORSHIP**

Father we worship you, Jesus we worship you. Mighty God, mighty healer, mighty Saviour, mighty deliverer, Ancient of days, oh God of Israel we praise you. We praise you, oh Lord of hosts, we praise you oh King of glory, we praise you Most High God, we praise you heavenly Father, we praise you our redeemer, our restorer, our healer, our Saviour we praise you.

Jesus we praise you, you are highly exalted far above the heavens and the earth, far above kingdoms, far above thrones, you are highly lifted, you are highly exalted, we worship your majesty. Mighty God we worship you, miracle worker we worship you, Jesus we praise, forever you are exalted. You are exalted over every power, over every throne and kingdom, you are exalted over every nation and government, you are exalted over every darkness, you rule over all, you control everything and everyone, you control the entire universe, you control times and seasons, we bless your Holy Name.

Mighty God we worship you, we praise you Father for your throne is above all, your Kingdom is above all, your dominion is above all, you are no respecter of persons, you judge everything and everyone, you judge in righteousness for only you are righteousness, pure and holy, we worship you Father. In Jesus' name we have given Him worship, praises and thanks. Amen

## **PRAYER POINTS**

⇒ Father, thank you for being my Lord and Father, thank you for being my helper, thank you for being my redeemer, thank you for being my Saviour, thank you for being my strength. Lord thank you for who you are in my life, thank you for being my comforter, thank you for being my light, thank you for being the eyes through which I

see, thank you for being the mind through which I think, thank you for being my righteousness, thank you for being a good friend to me, thank you for being my healer and deliverer, thank you for being my provider, thank you for being my Lord and my King, thank you for being my Father. No one takes care of me like you do, no one loves me like you do, no one cares for me like you do, thank you Father blessed be your Holy Name. Thank you for being my salvation, thank you for being my help, thank you Lord for being so faithful to me, thank you for being my defender, thank you for being the one who fights my battles. Thank you Jesus, blessed be your Holy Name in Jesus' name.

⇒ Father, let your mercy speak for me in this hour of prayer, let me find mercy in your sight. Lord in this session of prayer show me your mercy, visit me by your mercy. I do not come to you with my self righteousness, I do not come to you as someone who deserves anything from you but I come to you because you are a merciful Father, oh God show me mercy. In my life let me find mercy in your sight, in my situation, career, calling and ministry let me find mercy in your sight. Concerning the lives of my family members, concerning my spouse, concerning my marriage and finances Lord let us find mercy in your sight, show me mercy. Lord I come before your throne of grace, let me find mercy in your sight, I do not come to you as though I deserve anything from you but I come to you because you are so kind and merciful. I know I have misbehaved in many ways, I have wronged and failed you in many ways even in my thoughts and thinking, I have committed all sorts of sins but Lord I come before your throne of grace, show me mercy, forgive my sins and pardon my iniquities. Father, show my family mercy, show me mercy for I know only by your mercy can I fulfill my destiny, I know only by your mercy can I have complete victory, only by your mercy can I rise beyond and above limitations, Lord show me mercy in the name of Jesus. **\*In this session of prayer, may you find mercy in God's sight in Jesus' name.**

⇒ Father in your mercy give attention to my case, give attention to what I am going through now, give attention to my needs, give attention to the situation of my life at this time, give attention to the state of my life right now, give attention to my present situation and help me in the name of Jesus. Lord Jesus, give attention to my life, give attention to the battles confronting me that are stronger than I am, give attention to my oppression, give attention oh God to my captivity, give attention oh God to my suffering, give attention to my soul, give attention to my sicknesses and pains and help me for I can't help myself, only you can help me, help me Father in the name of Jesus. **\*I pray for you, today heaven shall give attention to your case. Jesus shall give attention to your situation in the name of Jesus.**

⇒ When God decides to give attention to your life, to help you then the powers of darkness attacking your life gets into serious trouble.

•Father give attention to my life and let the powers of hell and darkness confronting my life and destiny bow before you, let them run at the sight of you in the name of Jesus. Father, look upon my life and give attention to my life, give attention to my

case, give attention to my situation, calling and destiny and let the powers of hell and darkness that have surrounded me to attack me, see you and flee, let them see you and bow in the name of Jesus. **\*Today the forces of darkness that have surrounded your life to swallow up your life, shall see your God and they shall bow and run in the name of Jesus.**

⇒ When God decides to give attention to your life then everything begins to work for your good because everything listens to God because He created all things. Demons and principalities obey and listen to God because our God is the Lord of all; your body system and organs listens to God, God can speak to any part of your body and your body will fix itself. All God needs to do is speak to things and they work for your favour.

•Father, give attention to my life and speak to all things, command all things to begin to work for my favour and good in the name of Jesus. Lord give attention to my life and speak to all things, command all things to begin to work for my good whether visible or invisible. Lord, speak to all systems to begin to work for my favour whether they be in the heavenly realms, on earth or under the earth, speak to all things whether they are humans, spirits or physical beings, Lord begin to speak and let all things begin to work for my good in the name of Jesus.

⇒When God decides to give attention to your life, His plans for your life will take shape and come to pass because everyone on earth is fashioned and created to fulfill God's purposes, no one in this world is existing by mistake.

•Father give attention to my life and cause your plans for my life to begin to happen and prevail in the name of Jesus. Lord, give attention to my case, give attention to my present age, give attention to my status and let your plans for my life begin to form, let your plans for my life before I came into this world begin to take place and appear right now in the name of Jesus. Lord look upon me and cause your plans for my life to prevail in the name of Jesus.

⇒Another thing that happens when God decides to give attention to your life, when God visits you face to face to help you. What happens is that His glory will be revealed in your life, the same glory that God comes with to visit you will penetrate into your life and that glory will glorify God in your life. The glory of God transfers to us every time He visits us and as we receive from that glory, that glory begins to glorify God in our lives.

•Father, visit me in your glory and let your glory invade my life, and let your glory begin to glorify your name in my life in the name of Jesus. Visit me Lord in your glory and let your glory invade every area of my life, Lord cause your glory to invade every fragment of my life and let your glory begin to glorify your name in my life in the name of Jesus.

⇒Another thing that happens when God decides to give attention to your life, when God visits you He will ask you 'what can I do for you' or sometimes you get to make

a request and that request you make will come to pass in as much as it is according to God's will. You are going to make a request, you are going to call upon the name of the Lord and tell Him what you want Him to do for you right now.

•Lord, I know you are here, I know you can hear me, I know you are able to help me, this is what I want you to do for me (begin to tell God what you want Him to do for you. Talk to Him, mention those things that you want Jesus to do for you concerning your spiritual life, concerning your health, concerning your marital and financial life, concerning the urgent situation in your life) in the name of Jesus.

⇒Father open unto me doors of opportunities, give unto me great opportunities that will lead me to the height, place and position you have prepared for me, Lord open unto me great doors of opportunities that will usher my life into the beauty and glory you have prepared for me in the name of Jesus. Let doors of opportunities be opened unto me right now, connect me oh God with platforms where I will experience elevation, platforms from where my life, calling and destiny will be elevated and glorified.

⇒Abominations and pollution hinders believers from receiving God's visitations. When your life is full of what heaven calls abomination and pollution you will hardly receive God's visitations. Abominations might not necessarily be a big sin as some of you think, an abomination could be a mindset, a lifestyle that does not look sinful to you but as long you continue in that attitude or habit, God will keep drawing far from you, He will not be able to come closer to you. An abomination could also be something you are using for beauty because some of those things we use to beautify ourselves contain demons and that alone can shut you out of God's visitations. Apart from sin there are other things people do that are an abomination to receiving divine visitations.

•Place your right hand on your head. Blood of Jesus remove from my life every abomination that is pushing God away from my life and from the affairs of my life, every abomination that is pushing God away from my home and family, every abomination I have embraced that is pushing God's presence and power away from my life, blood of Jesus remove them now in the name of Jesus. Every abomination in the form of thoughts, addiction, mentality, culture and lifestyle; every abomination in the form of an attitude and habit that is pushing God's presence and power away from my life, blood of Jesus uproot them now. Every abomination I am aware and not aware of that is pushing God's presence and God's power away from my life and the affairs of my life, every abomination in the building and environment that I live in that is pushing God's presence and power away, be destroyed by the blood of Jesus.

⇒ Maybe there is something in your life that needs to be uprooted before you can experience God's visitation. It could be a friendship that must end because the presence of such people in your life is an abomination. You need to be very smart by getting rid of those things God is reacting to, those things God does not want to see in your life; you need to cut them off.

•Father open my eyes to see every abomination I have embraced that I need to get rid of, Lord open my eyes to see every abomination I have kept close to myself that is pushing back your presence and power from my life, Lord open my eyes to see those abominations and to cut them off in the name of Jesus. Father, open my eyes to see everything I have embraced knowingly or unknowingly that is pushing back your presence and power from my life, Lord open my eyes to see them because I want to get rid of them.

⇒ You have to be persistent in the place of prayer if you want to experience God's visitation. There is a difference between persistent prayer and vain repetition, like other regions do. Persistent prayer means you believe that God is hearing you and you believe that God will turn to give you attention because you believe that God is so faithful and that He is going to answer your prayer, and that you did not stop praying and making requests, that is persistent prayer. Those people who do vain repetition believe that it's by saying those words repeatedly that their miracle will come. In the christian-dom we repeat prayers not because we believe in the repetition but we believe in the God we are talking to. In Luke 18:1, Jesus gave us a principle, don't stop asking until you receive because the more you continue to pray, the closer you get to your miracles and breakthroughs because God is faithful and He will definitely come to you if you persist in prayer.

•Father give me the grace to pray until you visit me, give me the grace to pray myself into divine encounters, give me the grace to pray until my life is transformed, Lord give me the grace of persistence in the place of prayer, help me to be persistent in the place of prayer in the name of Jesus. **\*God shall put on you the same grace of prayer that He placed on Elijah, the same grace that will enable you to pray until heaven visits the earth, until the power of God begins to produce signs and wonders, receive such grace in the name of Jesus. The grace to pray until you prevail, receive it now in Jesus' name.**

⇒ Father give me the same authority that produces wonders in heaven, fill my voice with the same authority and power that is in your Kingdom such that when I pray miracles happen, so that when I issue a decree, signs and wonders take place. Lord let the authority and power in heaven possess my voice and my words in the name of Jesus. Lord let your authority and power possess my tongue such that when I pray your will is done in the earth as it is in heaven, such that when I decree a thing it comes to pass. Lord, fill my tongue with your authority and power that performs your will in the earth as it is in heaven, fill my body, spirit, soul and voice with your power to perform your will in the earth as it is in heaven in the name of Jesus.

⇒ Luke 18:38. When you are desperate you will cry much more unto God not that you just pray for some few minutes or hours and then go to sleep. Is there something you know that only God can do in your life? Have you cried out so much to God in desperation till you received what you wanted from God? Have you made a determination and said to yourself, I will not stop doing this everyday until God visits

me? Have you made a plan like I won't stop praying for certain numbers of hours until God visits me? If you want things to change in your life then you have to change the way you have been approaching God, you have to be desperate.

•Father I acknowledge that only you can turn my life around, only you can change my life, only you can give me a new beginning, only you can give me a new glory and a new beauty, oh Lord of Israel visit me. Father, I acknowledge that only you can transform my life, only you can lift up my life, only you can beautify my life, only you can make me excel and move forward, Lord visit me now in the name of Jesus. For if you don't visit me nothing will change, I acknowledge nobody in the world can do it but only you can do it, Lord visit me now, touch me now, help me now in the name of Jesus.

⇒ Early this year there was a prophecy that said some people among us must experience some transformation between that time and the end of June. I said if that change does not happen to you as of that time till the end of June, that thing can not happen in your life again though I didn't know what that thing was but that was what the Lord revealed to me during that prayer session. A prophecy that the Lord says a change must happen in the life of someone and if that change does not happen between that time and this month end that change will never happen again.

•Father, every miracle that must happen in my life in this month of June for my life to experience elevation, glory and greatness, Lord let it happen now in the name of Jesus. Every change that must happen to me in this month, miracles that must happen to me in this month, a great positive shift that must happen in my life in this month, Lord let them happen now in the name of Jesus. Miracles that I once missed and might not get them again, every timeline miracle and blessing that must happen to me in this month of June, oh God according to your mercy bring them to pass in the name of Jesus. Before the end of this month, changes that I must experience, miracles, blessings, growth, success, excellence, greatness, elevation and prosperity that I must experience, oh Lord release them now in Jesus' name.

⇒ Luke 18:40 And Jesus stood, and commanded him to be brought unto Him- That was divine attention. **\*I pray for you concerning your case, Jesus will stand for you in the name of Jesus. Concerning the situation you are going through that you want to end, Jesus will stand for you in the name of Jesus.**

⇐There are certain things that you will do and you will get God's attention, God will give you His attention such that He will stand before you, He will draw you closer and be ready to do anything that needs to be done in your life. There are certain things you need to start doing that will make God give you His attention and you need the Holy Spirit to teach you those things.

•Spirit of the living God teach me to do things that will make God and heaven always be attracted to my life, teach me to do things that will make God stand to help me, teach me to do things that will make God stand with me and for me, Holy Spirit teach me in the name of Jesus. Holy Spirit, teach me to begin to do things that will make God and the whole of heaven attracted to my life and destiny, Lord teach me by your

Holy Spirit to do things that will make God and heaven be continually attracted to my life.

⇒ Humility attracts God and heaven. Humility means to be humble. If you are the kind of person that always places yourself above others, you always place your interests, opinions and ideas above those of others, you always want to control people to do what you want, that is pride and God can't be attracted to you because you are proud. If you are among those believers that are proud, you better repent now because only by humility will heaven be attracted to you always.

•Place your right on your head. Father, fill me with the spirit of humbleness, I want to be humble, help me to be humble in the name of Jesus. Lord, give me a heart that is humble, help me to be humble, I want you to be attracted to my life, help me Lord to be humble.

⇒ You must have a repentant heart meaning you must have a heart that is willing to be corrected and can be corrected, if you want God to be attracted to your life. Not that you have set some certain standards for yourself or pattern your life with some traditions/beliefs which are not in line with the Word of God, if you are like that you will hardly get visitations from God. If you are the type that is so rigid and you can't repent or change your view when the Word of God is against your views, opinions and ideas then it means God can not visit you. The kind of man that will always receive God's attention is a man that is willing to be corrected by God, a man that holds to correction, a man that has a repentant heart, whose heart is flexible toward God.

•Father, change my heart into a repentant heart because I want my life to be attracted to you. Lord give me a repentant heart, a heart that is flexible enough to yield to corrections, a heart that is flexible to repent as many times as possible, give me such kind of heart that when it reads the Bible it repents, to agree with the standard of the Word of God, Lord give me such a heart in the name of Jesus. Lord give me such a heart that is repentant because I want my life to always attract your presence and power.

⇒ When you have a repentant heart God will be so close to you because that is the kind of heart God is attracted to.

•Father make my heart the kind of heart that attracts you, make my heart a heart that has been conquered by love, give me a heart that will always attract you. Father give me a heart that always attract your presence, a heart that always attract your glory and power, a heart conquered by love, give me such a heart oh Lord.

⇒ Another thing that attracts God's presence and power to the life of a man always is a grateful heart. Irrespective of where you were born, you must be grateful, whether the government of your country is taking care of everything that you need or not, or you found yourself in a wealthy family and you feel like you deserve everything; that is a lie, you deserve nothing because everything you have was given

to you by God not because you deserve it. In fact you do not even choose the family or country you will be born into so everything was given to you by God so you must be grateful. God is always near to those with a grateful heart.

•Father give me a grateful heart, give me a heart that is grateful. Lord forgive me for being unthankful and give me a heart that is grateful, help me to be grateful, Lord give me a heart that is thankful, a heart that acknowledges that everything I have come from you, Lord give me a heart that is always thankful of everything I enjoy, give me a heart that is grateful, oh Lord in the name of Jesus.

⇒ Another kind of heart God is always attracted to is a heart that always praises God. Praising God does not only mean singing songs of praise, it also means in every situation you find yourself in, you exalt and magnify what the Lord is doing in that situation above what the devil is doing. It's not only in singing that you praise God, you praise God in your attitude to the situations of life. When you are weak you praise God by confessing that you are strong, that is praise.

•Father give me a heart full of your praise, give me a heart that magnifies you always in everything, give me a heart that magnifies you in all situations, whether good or bad, pleasant or unpleasant, Lord give me such a heart of praise in the name of Jesus. Father give me a heart that is full of the praises of you, give me a heart that praises you in all situations, give me a heart that praise you always irrespective of what I am going through, a heart that lifts you up above whatever is happening in my life, a heart that magnifies and exalts your greatness, Lord give me that kind of heart.

⇒ Another thing that God will see in your life and come to you even without you inviting Him is when you serve Him correctly. How much have you done to profit the Kingdom of God, how much of your strength, energy and time have you spent to ensure that the work of God is done victoriously in the earth? God is always attracted to those that are working tirelessly day and night for the gain of His kingdom.

•Father give me a heart that is so committed and dedicated to doing your work in the earth, give me a heart that is so ready and committed to serve you, give me a heart that is so dedicated to do your work, a heart that is so committed to work for you in the earth, Lord give me such kind of heart in the name of Jesus. Father give me a heart that is so dedicated in serving you, a heart that is so dedicated to serving your purpose on earth, give me a heart that is willing to spend for the gain of your Kingdom on earth, Lord give me such a heart.

⇒ Another kind of heart that God is always attracted to is a heart that fears and honours the Lord. When you fear God He will become so close to you such that He will begin to reveal His secrets to you; the secrets about His Kingdom and personality because you honour and fear Him. God does not reveal His secrets to everybody but only to those who honour and fear Him.

•Father give me a heart that always fears and honours you, give me a heart that trembles at your Word, give me a heart that always fears, obeys and honours you. Lord destroy rebellion and arrogance from my heart, destroy hardness from my heart

and give me a heart that reverences and honours you always in the name of Jesus, Amen.

## **CLOSING PRAYER**

Raise up your right hand.

Oh God of Israel, thank you for showing us mercy, thank you for giving us attention, thank you for hearing our cries, thank you Lord for visiting us. Thank you Lord because in this month you will change our lives, in this month you will help us in a way that we can not forget, thank you because you will help us in a memorial way, thank you Father be glorified forever in Jesus' name. Father, thank you for what you have set out to do for everyone hearing my voice right now, thank you because you will do great things in the lives of your people.

I pray for you that the hand of God shall work and do operations in your life and you shall testify to the whole world that God is good and merciful in the name of Jesus.

The help you have not received from the Lord for years, the kind of help you have not received from God before, I receive it for you now in the name of Jesus.

Every abomination in your life that has pushed God far from you, far from your situation, I decree that they shall be uprooted from your life in Jesus' name.

Henceforth your life shall please the Lord, henceforth you shall love the Lord, henceforth you shall please God in everything you do in the name of Jesus. You shall succeed where others could not succeed in the name of Jesus. You shall excel beyond normal in the name of Jesus. The visitation of God that will cause great increase and elevation in your life, receive that visitation in Jesus' name.

The kind of heart God is expecting you to have, you shall receive that kind of heart from God in Jesus' name. As God spoke of David as a man after His heart, I pray for you that the grace of God will help you to the point where God will speak concerning you as a man/woman after His heart in the name of Jesus.

Every gap that has been created between you and God, I pray that gap disappears and henceforth you shall be so close to the Lord and the Lord shall be so close to you in the name of Jesus. Thank you Father because we know you have answered, blessed be your Holy Name, in Jesus' name it is done, Amen

**REMAIN BLESSED IN JESUS' NAME**

## PRAYER POINTS

⇒ Father, thank you for your great plans that you have for my life, thank you because you will perform them all. Thank you Lord because I know and I am sure that your plans for my life are great, I am confident that you have great and good plans for my life, you have glorious and beautiful plans for my life and that you will fulfill and perform them all. Thank you Father because you have great plans for me and you will bring them all to pass, thank you for these great plans, thank you for these wonderful plans. Thank you Jesus for your plans for my life are great and that you will perform them all. Thank you Jesus.

⇒ Place your right hand on your head. Lord Jesus I acknowledge that you live in me and I in you, therefore glorify yourself in my life and through my life in the name of Jesus. Lord Jesus I acknowledge that you live in me and I in you, therefore glorify yourself in me and through me, glorify yourself within me and glorify yourself through me for I belong to you, I live in you, you live in me. Lord Jesus glorify yourself in me and through me in the name of Jesus.

⇒ Place your right hand on your head. Lord Jesus by the reason of your presence in me, make your power flow and move through me in the name of Jesus. Lord make your power flow through my spirit, soul and body by the reason of your presence in me, Lord Jesus make your power manifest through me, make your power move through me, make your power operate through me now in the name of Jesus.

⇒ Place your right hand on your head. Lord Jesus by the reason of your presence in me, make your fire flow through me to destroy every work of the devil, to destroy every work of the flesh and sin in the name of Jesus. Lord Jesus by the reason of

your presence in me, make your fire flow through me to destroy every work of the devil, to destroy every work of sin, to destroy every work of the flesh and darkness in the name of Jesus.

⇒ Jesus lives in you, let it be rooted in you that Jesus lives in you, literally lives in you, physically lives in you, personally He lives in you.

•Place your right hand on your head. Lord Jesus by the reason of your presence in me let every limitation of darkness in my life break in pieces, let every captivity of darkness in my life be destroyed in the name of Jesus. Lord Jesus by the reason of your presence in my life make every captivity and chain of darkness in my life break in pieces right now. Lord by the reason of your presence in me as it is written wherever the Spirit of the Lord is there is liberty, therefore Lord Jesus let the power of your presence in me destroy captivities of darkness in my life, let the power of your presence destroy captivities prevailing in my life in the name of Jesus.

⇒ Raise up your right hand. I come against every attack of the enemy targeting my life, be consumed by fire in Jesus' name. I come against every attack of darkness, every attack of the enemy, every attack of Satan and witchcraft, every attack of marine spirits, devils, demons, serpents and scorpions targeting my life, be consumed and destroyed by fire in the name of Jesus.

⇒ 2 Corinthians 3:17 says "Now the Lord is that Spirit: and where the Spirit of the Lord is, there is liberty." If the Holy Spirit, who is the presence of the Lord, is in you, you should not be in bondage, you should not be suffering under oppressions and limitations, you should not be captured and controlled by the enemy.

•Place your right hand on your head. In the name of Jesus because the Spirit of the Lord is in me, let my freedom appear and manifest, let my deliverance and liberty appear in the name of Jesus. Because the Spirit of the Lord is in me therefore let my liberty manifest now, because the Spirit of the Lord is in my spirit, soul and body let the liberty and freedom of the Lord appear and manifest in my life in the name of Jesus. Let complete deliverance happen to me because of the presence of the Spirit of the Lord in me in the name of Jesus.

⇒ One of the assignments of the Holy Spirit is to reveal God in you and to you. His assignment is to also to manifest God in you and through you, that is what the Holy Spirit does because the Holy Spirit is the same spirit that is in Christ and the Spirit is also the Lord Himself. If you are a child of God the Holy Spirit is in you and He wants to manifest Jesus in you. Mathew 28:20. Jesus told His disciples, "I am with you always, even unto the end of the world" meaning even till the end of age Jesus is in us and is with us and how is Jesus with us? He is with us through His Spirit, He is with us because the Holy Spirit is in us, that is how He is with us. Jesus is a person and can manifest all the dimensions of His personality inside you and through you.

•Place your right hand on your head. Holy Spirit, manifest the fullness of Jesus in me, Holy Spirit manifest the fullness of Jesus in my spirit, in my soul and body in the name of Jesus.

⇒ The fullness of Jesus in you means the absence of darkness in you because there can not be Jesus hundred percent in you and darkness be able to survive. The fullness of Jesus in you means no more limitations in your life and on your life, the fullness of Jesus means no diseases and sicknesses.

•Raise up your right hand. Holy Spirit manifest the fullness of Jesus in me till all darkness in my life is gone in the name of Jesus. Spirit of the living God manifest the fullness of Jesus in my spirit, soul and body till all darkness, spiritual death, limitations, sicknesses and diseases are all gone forever in the name of Jesus.

⇒ One of the pitfalls in the prayer life of many christians is that many of us tend to focus so much on the darkness and what darkness is doing, we tend to focus so much on what the powers and forces of darkness are doing. From experience I realised that focusing more on darkness does not bring victory. When more focus is on the darkness and on the works of darkness than it is on the Lord and on the greatness of God, then there will not be any victory and if there happens to be some victory it will not be a complete victory. Today we are not looking directly at the darkness but we are looking at the Jesus that is inside of us because there is Jesus inside of you that no darkness can overcome. All that you need is for that presence in you to rise and to manifest in its fullness.

•Place your right on your head. Spirit of the living God manifest the fullness of Jesus in me till all chains of slavery binding my life are completely destroyed and broken in pieces in the name of Jesus. Holy Spirit, manifest the fullness of Jesus in me till all chains of slavery binding my life and destiny, binding my spirit, soul and body are completely destroyed.

⇒ Sometime ago God gave me a revelation on how the kingdom of darkness has damaged many lives on earth, over ninety percent of human beings on earth have been damaged by the dark kingdom. I saw how the kingdom of darkness has damaged a lot of lives permanently to the point that except God begins to heal and repair their lives they can never have the plans of God fulfilled in their lives again. The kind of damages they did was a permanent damage just like when you buy a phone from the manufacturer and then somehow somebody took the phone and began to smash it on the ground to point that there was permanent damage and the phone could not repair itself again. That is exactly what the kingdom of darkness has done to human beings. I saw how the brains of some people have been damaged and exchanged with brains of that of an animal even though they don't know, that's why the grace of God is not working for them because the grace is meant for humans and not for other creatures. I saw how the souls and spirits of people have been damaged to the point that they no longer can please God and control themselves and if you can't control and discipline yourself there is no way you can

please God because every sin will look good to you. Who knows the damages the kingdom of darkness have done in your life, maybe some years ago there were some spiritual exploits you could do that you can't do now, you tried but you still can't do them. It means something has been damaged in your spirit, you keep repenting and repenting because you no longer can overcome sins because something has been done to you, though the grace of God is there but you still can't overcome sins because there's a damage in your soul and spirit and until that damage is fixed, it will be too difficult for you to move forward in life, calling and destiny.

•Place your right hand on your head and shout. Holy Spirit manifest the fullness of Jesus in me to repair and restore every part of me that has been damaged by darkness in the name of Jesus. Holy Spirit manifest the greatness of God in me to repair and restore every part of me that has been damaged by darkness, Lord I want all damages in my life to be repaired now in the name of Jesus.

⇒ If you notice that everytime you make up your mind to do something good, for you or for your relationship with God and you end up not doing that good thing that means there is a damage in you. You notice that everytime you want to do that which is right in the sight of God but at the end you realise it becomes impossible even though you made up your mind to do it, it means there is a damage in your soul and spirit. Because everytime you obey the will of God or do what is right in the sight of God the devil is threatened. That is why they do those damages because the more righteousness increases on earth the more they can't operate on earth anymore.

•Place your right hand on your head. Holy Spirit manifest the fullness of Jesus in me to repair and restore my spiritual ability to do good, my spiritual ability to do what is right in the sight of God in the name of Jesus. Holy Spirit manifest the fullness of Jesus in me to repair and restore my divine ability to do what is right in the sight of God, to restore and repair my divine ability to do good. Let the divine ability to do good and what is right in the sight of God be restored in me now by the fullness of Jesus.

⇒ 2 Corinthians 3:17." The Lord is that Spirit and where the spirit of the Lord is there is liberty" You are not going to only experience liberty in you but you are also going to experience liberty around you by the Spirit of the Lord in you, that liberty will extend to your entire environment, it will extend to the environment of your marriage, home and place of work. That presence of the Spirit in you is meant to produce liberty on the outside as well such that wherever you go or find yourself you will see that freedom manifest there.

•Raise up your right hand. Holy Spirit manifest the fullness of Jesus through me to ensure liberty in my environment, to produce and execute liberty in my environment in the name of Jesus. Holy Spirit manifest the fullness of Jesus through me for the performance and execution of liberty in my environment. Holy Spirit make the fullness of Jesus flow through me into my environment for the performance of liberty and victory in the name of Jesus.

⇒ If the Spirit of the Lord is in you and you entered an environment covered with darkness, because you entered into that environment Jesus Has also entered into that environment. When we say Jesus is in you He is not just limited to the space and capacity of you, that's not how Jesus is in you, Jesus is in you and at the same time with you everywhere you go. As He is in you His presence covers everywhere at the same time because He is bigger than you. Jesus lives in you and you are in Jesus and you carry Him everywhere you go because Jesus cannot be limited by your own size and capacity.

•In the name of Jesus from today onward let the fullness of Jesus in me begin to manifest and prevail everywhere I step the soles of my feet in the name of Jesus. Let the fullness of Jesus in me be seen everywhere I go, let the fullness of Jesus in me begin to manifest and prevail everywhere I go. Let the fullness of Jesus in me appear and prevail everywhere I go from today onward in the name of Jesus

⇒ The way the kingdom of darkness, especially witchcraft operates is by putting their environment under their control such that all the people and buildings in the place and hour under them when they are operating are controlled by them, so the presence of Jesus in you also wants to do that. That is why every time you pray in the spirit, the presence of God begins to have very strong environmental influence and control, the presence of God with you and in you begins to prevail everywhere. If the presence of Jesus is in you, that presence wants to control and take over your environment. The kingdom of darkness understood this principle that is why they must have the environment under their control meaning that if there are witches and wizards in your environment, at the time they are operating they will make sure that you and everyone in that environment are under their control that is why when some Christians who are supposed to be awake in the middle of the night praying will be sleeping. They will be sleeping because there is a higher power in the atmosphere that has put them to sleep and some of them when they wake up to pray they just pray for a few minutes and fall asleep again because there's higher power in the environment that doesn't want them to interfere in what they are doing. You should have control over your environment because the presence of Jesus in you wants to do that.

•Raise up your right hand.

Holy Spirit magnify the presence of Jesus in me for complete dominion and control over my entire environment in the name of Jesus. Holy Spirit magnify the fullness of Jesus in me for complete dominion and control over environmental witchcraft, over environment darkness and devils in my environment for greater is He that is in me than He that is in the world.

⇒ 2 Corinthians 3:17, the liberty this Bible verse is talking about is not only for you to be free inside of you, it's also for you to operate freely on the outside meaning that if God has called you to do certain things for Him, the Spirit of God in you is able to make it easy for you, He will help you to operate freely without any restrictions or opposition because wherever the Spirit of the Lord is there is liberty. So when you are praying with freedom you don't feel any restriction, opposition or limitation even

when people around you say it is not easy to do what you want in that environment but because God has approved it, it will be done with liberty.

•In the name of Jesus let the presence of Jesus in me manifest for easy and free performance of all that the Lord has called me to do in the earth in the name of Jesus. Let the presence of Christ in me manifest with power for easy performance of all that is approved in the will of God, for easy performance of all the will of God in the earth in the name of Jesus. Let the Spirit of Christ in me manifest with power for free and unlimited performance of all the will of God in the earth.

⇒ The fact that you live in an environment where everyone embraces darkness and doesn't want to be free doesn't mean you should also feel comfortable with the same darkness and feel like that is how everyone does here and nothing can change it and I can't make any difference. That is an error, if you are like that, if the people in your environment don't want to be free by listening to your message of freedom which is for them to receive Jesus into their lives then that doesn't mean you should also fall under the captivity of the same darkness they have fallen under. You don't say because everyone in my environment has been conquered by a certain darkness, committing that sin and evil or everyone suffers from affliction and oppression, how can my case be different? Yours must be different because the Spirit of the Lord is in you and it is written wherever the Spirit of the Lord is there is liberty. So if the people don't receive that liberty, that liberty will be there because you have to be in liberty. Even if the whole world doesn't want that freedom, in as much as the Spirit of the Lord is in you, that Spirit will keep you in freedom.

•In the name of Jesus let the Spirit of the Lord in me manifest with great power to keep my life, to keep the affairs of my life and every activity of my life in liberty forever in the name of Jesus. Let the Spirit of the Lord in me manifest with great power to keep me and my entire life in continual freedom, to keep my family and everyone in my life and everything I do in my entire life and every activity and affairs of life in continual freedom forever in the name of Jesus.

⇒ The fullness of Jesus in you also means the absence of yourself, the absence of your will, the absence of your carnal desires, sins and works of the flesh. If you want to walk in the fullness of Jesus you must lose the fullness of yourself for you can not manifest the fullness of Jesus if there is still some fragment of you alive because the Kingdom of God is so strongly founded on God and the mystery of the nature of God is in the fact that God does not exist for Himself. So everyone that will live or enter into that Kingdom can not live for themselves. When we preach the Kingdom of God we are preaching a life that can not be lived until people lose themselves for only one personality to live and that is God. If you want Jesus to manifest the fullness of Himself in your life then you must no longer be found, you must be lost forever so that it is Him that will always be seen not you anymore. You don't pamper the desires of the flesh, you must kill them if indeed you want to inherit the kingdom of God.

•Lord Jesus I want my life to manifest the fullness of you, let the fullness of me die, let the fullness of my desires and passions die in the name of Jesus. Lord Jesus I

want to manifest the fullness of you, I want my life to reveal and manifest the fullness of you, therefore let the fullness of me die, let the fullness of my passion, ego, pride and lust die in the name of Jesus. Dying to self is the only way to manifest the fullness of you in the earth, therefore let the fullness of myself die in the name of Jesus.

⇒ The mystery of the nature of God is in the fact that God doesn't exist for Himself and anyone that will know Him must not live for themselves, that is the standard of God because the God you want to know is not selfish and He is not existing for Himself. You can go through the scriptures and look at everything God has ever asked people to do, every instruction, law and commandment, you will see that everything is for the good of those people. God doesn't exist for Himself, He exist for righteousness and for the truth that is why up till now God has not revealed much of who He really is. If you look at everything the Bible said about God and Jesus you will see that it's all about God is Holy, pure, Jesus is the Word e.t.c none of those names of God sound selfish. And everything God is saying to you through His word is for your own good because every disobedience will give birth to darkness and darkness will do nothing but destroy you. If God says I am the Lord, He is the Lord because He wants to make all things right, so His Lordship is to make all things right and to align with His righteousness.

•Father I want my entire life to reveal and manifest the fullness of you, Lord change my nature into the same nature that is in you because I want my entire life to reveal to the whole world the greatness and fullness of you in the name of Jesus. Father I want my life to manifest the fullness of you, change my nature into your nature, into a nature where self is dead.

⇒ Just a single wrong attitude is enough for Satan to limit your destiny for the next thirty years if you don't repent of that attitude. When you are fearful, faithless and doubtful it is a wrong attitude and it magnifies darkness.

•I repent of every attitude that magnifies darkness in my life, Father deliver me from them all. I repent from every attitude that is multiplying and magnifying darkness in me and in my life, oh God deliver me now from such darkness and attitude in the name of Jesus.

⇒ Father, teach me how to magnify you in the presence of battles, teach me how to praise you, teach me how to exalt you and glorify you in the midst of the battles of life, in the midst of the battles that confronts me. Lord teach me how to magnify you in the midst challenges, troubles and problems of life, teach me how to praise you and exalt you above all in the midst of darkness, in the midst of attacks of darkness, in the midst of deadly battles of darkness, Lord teach me to magnify, exalt and praise you in the name of Jesus. Father, teach me to glorify you above all in the presence of the battles of darkness, when the enemy surrounds me and is ready to destroy and kill me, Lord teach how to magnify you above them all in the name of Jesus, Amen.

Spirit of God help me as I pray this hour. **\*In this hour of prayer you shall be filled with the Holy Spirit and you shall pray by the Holy Spirit in Jesus' name.**

⇒Place your right hand on your head. In the name of Jesus I receive the passion, I receive the desire and zeal to love the Lord, to seek the Lord and to please the Lord all the days of my life in the name of Jesus. In the name of Jesus I receive passion, I receive zeal and strong desire to love the Lord, to seek the Lord and to please the Lord all the days of my life in the name of Jesus. I receive passion, I receive zeal and strong desire to love the Lord, to serve the Lord, to please the Lord and to seek the Lord in all the days of my life.

⇒If people can divert the seriousness, zeal and attention they give to marital relationships and sexual relationships, to seeking God and to seeking a close relationship with God then their lives would be transformed. The passion people put

in trying to get a husband/wife or trying to be with a girlfriend/boyfriend, if they can divert that passion into trying to know God and trying to have a strong relationship with God then the lives of many people would have been transformed. In the church today there is a misappropriation of zeal and passion. Everyone has zeal but not everyone has it towards God and righteousness.

- I withdraw my zeal, passion and interests from every thing that does not edify my spirit man, I withdraw my focus and desire from everything that does not edify my spirit man. I withdraw my zeal from everything that does not profit my spiritual life in the name of Jesus. I withdraw my focus, I withdraw my zeal, attention and interests from everything that does not glorify God, from everything that does not edify my spiritual personality, I withdraw my zeal, focus, attention and interest from them all in the name of Jesus. I withdraw zeal, passion and focus from everything that does not have anything to do with God's Kingdom, from everything that has nothing to do with pleasing God, from everything that has nothing to do with fulfilling my divine purpose on earth. I withdraw my zeal, I withdraw my attention, focus and interest from everything that does not edify my spirit man in the name of Jesus.

⇒ Ecclesiastes 1:2. "Vanity of vanities, saith the Preacher, vanity of vanities; all is vanity." meaning everything in the world is meaningless and full of emptiness, there is no eternal substance in the things the majority of people are seeking after today. There is nothing in those things that will not endure forever, they are things that will perish as those seeking them will perish if they fail to repent. When you follow after things that perish it also means you are on the path of perishing but when you follow after things that will abide forever it means you will eventually also live forever with God in eternity. What have you been pursuing in life? Is it vanity? Can we find eternal substance in those things you are seeking everyday of your life?

- Father help me to be wise in these last days, help me to be wise enough to seek after the things that will endure forever, help me to be wise enough to pursue after things of eternal value, to pursue after the things of your Kingdom, the things in your Kingdom, Lord help to be wise in the name of Jesus. Father help me to be wise enough to seek things that have eternal substance in them, help me to be wise enough to follow after things that would live forever. Lord, help me, I don't want to live a wasted life, I don't want to perish with the world, I don't want to perish with things of the world for they will all perish. "Lord help me to be wise x3", in the name of Jesus.

⇒ The things that will abide forever are the things that the Bible teaches us to do, the works of righteousness, love and faith, and their rewards will abide forever. Love will abide forever, the Bible teaches us to love. Faith will abide forever, its rewards will abide forever. The money you spend and everything you do here on earth to ensure the works of God prosper on earth, their rewards abide forever, every good thing you do on earth it's reward for doing those good things shall abide forever. The knowledge of God you have now will abide with you forever. What are you doing with

your life, what are you doing with your days, time and resources and how do those things please and glorify God?

•Father help me to be wise enough to please you with all my life, help me to be wise enough to please you with my time, help me to be wise enough to please you with my life, to please you with my money and resources, Lord help me to be wise enough in the name of Jesus. Lord help me to live my life to please you, help me to use my time to please you, help me to use everything you have given me to please you, to honour you, to glorify you on earth in the name of Jesus. Father help me, I want to please you, I want to labour and reap great rewards that will abide forever, Lord help me to use my life to please you.

⇒ If you are comfortable with talking ungodly things with people for hours without talking with God for hours or you can't spend hours with God then you have missed it. How much of God's presence do you seek every day, how much time do you spend with God personally?

•Father help me to be wise enough to desire your presence above every other thing in this world, help me to desire fellowshiping with you above everything else in this world, above fellowshiping with people. Lord, help me to desire your presence above every other presence in this world, above every other thing in this world, help me to desire your presence above conversations and communications with people. Lord help me to be wise enough to desire your presence above everything else and above the things in this world in the name of Jesus.

⇒ If you think that your passion or pursuit for the things of this world will give you satisfaction then you are missing it. If you think that your passion to make money will satisfy your soul then you are missing it because nothing in this world can satisfy your soul. Ask the billionaires what they are looking for and what they are working for and if they are ever satisfied? Ask the sex addicts running after sexual pleasure if they are ever satisfied? I doubt the answer will be yes because nothing in this world can satisfy your soul; not even marriage, money or any blessings can satisfy your soul. The only thing that satisfies is Jesus, His presence and your relationship with Him is only what can satisfy your soul. That is why you are still looking for more things and why you are not grateful to God, you just want more and more because none of those things can satisfy you even if you become the richest person in the world.

•Father, I desire a strong and intimate walk with you, visit me and draw me closer. Lord, I desire a strong and intimate fellowship with you, visit me and draw me closer to yourself in the name of Jesus. Father I am ready for a strong and intimate fellowship with you, Lord visit me and draw me closer to yourself, visit me and draw me closer to your heart.

⇒ Father let the things that give you joy begin to give me joy from this hour henceforth. The same things that gives you joy, pleasure and happiness, Lord let those things begin to give me joy from this hour henceforth in the name of Jesus.

Father from today onward let those things that give you joy, pleasure and happiness become the same things that gives me joy, pleasure, happiness and satisfaction from now henceforth in the name of Jesus.

⇒The Lord is showing me how some of you are hiding from what you know God wants you to start doing. You are not giving yourself to those things, and for how long are you going to hide, do you want God to replace you with another?

•In the name of Jesus I give myself, I surrender myself to all that God and heaven demands from my life at this time in the name of Jesus. I give myself, I give my heart, I give my body, spirit, soul and mind to do all that God and His Kingdom demands from me at this time in the name of Jesus. I give my life to please the Lord, I lay down my life to please my Father, to please my Maker, to please my Creator, to please my Saviour, to please my Redeemer, I give over my life to do all that God and His Kingdom demands from my life at this time, I lay down my life in Jesus' name.

⇒The Holy Spirit is saying, some of you are allowing yourself to be controlled by the opinions of people, you are more concerned about what people say about you than what God is saying, you are more concerned about how people will feel than how God feels about your life and this has limited your life and destiny for a long time. It is time you stop considering the opinions of men and what people will say. You have to stop doing that and take a bold step and go out there and do what God demands from your life, don't allow what people will say or are saying to control your destiny.

•In the name of Jesus I receive the spirit of boldness and courage to stand for all that God has called me to do, I receive the spirit of boldness and courage to defend the truth of God's Kingdom in the earth, to represent the lifestyle of God's Kingdom in the earth, I receive boldness and courage to do these in the name of Jesus. I receive boldness and courage to take steps that God wants me to take, I receive boldness and courage to stand for what is right in the earth, to stand for the truth of God's Kingdom in the earth, to defend the message and teachings of Jesus in the earth. I receive courage and boldness to represent the lifestyle and culture of the Kingdom of God here on earth in the name of Jesus. I refuse to be controlled by people's opinions, interest and ideas in the name of Jesus.

⇒In the heart of every man is this curiosity to know something new and sometimes it is a desire for God or a desire for supernatural things and sometimes it is not. How are you using that part of your soul that wants to learn something new? Are you channelling it towards knowing God or towards something else that has nothing to do with God and His Kingdom?

•You my soul, hear me, from today onward your desire shall be for the Lord, your desire shall be for the revelation of Jesus Christ, your desire shall be to know the Lord, your desire shall be to follow the Lord, to obey the Lord, to please the Lord in the name of Jesus. You my soul hear me from this hour henceforth, your desires shall be for your Maker, your desire shall be for your Creator, your desire shall be to know the Lord, your desire shall be to love the Lord and to please the Lord in the

name of Jesus. (As you are speaking those words your soul will begin to take a new turn towards God because what you are doing is very real). You my soul hear me, from today your hunger and thirst shall be for the Lord, your desire shall be for Lord, your your desire shall be to obey the Lord, to honour the Lord, to praise the Lord, to please the Lord. You my soul, your desire shall be to serve your God in the name of Jesus.

⇒The preacher in the book of Ecclesiastes said everything in the world is vanity, and those who chase after vanity are like those who chase after the wind. Meaning that there is no eternal substance in the things of this world so people should not chase after them. People should chase after God and if God gives you the good things in this world use it to still chase after God, spend it on God's purpose for that's how Christians should relate with the things of this world. You should not chase after the things of this world but you should chase after God, after fulfilling His purposes and pleasing Him for that is the business of man on earth. This truth might be difficult for some of you to do but that is the message of the Kingdom of God and that is how you will end up with God in His kingdom. Anything different from chasing and seeking after God means you can't reign with God. Some of you need to turn away from certain things you are doing with your life, time and resources because the path you are following is just to satisfy yourself and unless you turn away there is going to be disaster.

•In the name of Jesus I turn away from everything that is against God's will and purposes for my life in the name of Jesus. I turn away from everything I am doing now that does not align with God's will and God's purposes for my life, I turn away from them in the name of Jesus. Everything I have set my heart upon that is outside of God's purposes for my life, everything I am always thinking about that does not align with God's purposes for my life, everything I have made a priority that does not agree with God's will and God's purposes from my life, I turn away from them in the name of Jesus. Everything that does not honour and glorify the name of the Lord that I always do with my time, I turn away from them now in the name of Jesus.

⇒The love of God for your life is to be paid back with your love, God loves us so that we can love Him back. God is showing us great love so that we can love Him back but many of us in the church today don't reciprocate that love despite all that He has done and keeps doing for us everyday, we still don't love Him back and that brings judgement upon us. When God loves you and you don't return that love what will happen at the end is judgement and condemnation.

•Father forgive me for not loving you back, forgive me for many things I have done that shows that I do not love you, many things that I have done that shows that I do not care about how you feel, many things that I have done that hurt you, Lord I ask in your mercy please forgive me in the name of Jesus. Lord forgive me for everything I have done that is not according to loving you, forgive me for everything I have done that shows I did not love you, Lord forgive me in your mercy because I repent today, I will return your love and I will love you back. Lord please forgive me for everything I

have done that shows I did not love you or I did not love you enough, everything that I have done that shows I did not care about your will and desires, Lord forgive me in your mercy, I repent today and I will always love you.

⇒John 3:17-19. The condemnation is in the fact that God showed you love and you did not love Him back because to love Him back means that you receive Him, believe Him, obey Him and do His will because Jesus said if you love me keep my commandments. If you don't love Jesus back despite all He has done for you on the cross it means you are already judged even though He did not condemn you because God has the hope that you will believe and receive Him but if you don't, the end is judgement. The love of God is for us to reciprocate, so we have to love Him back, that is the eternal law, that is the law in His Kingdom that we have to believe in His only begotten Son and you believe in His only begotten Son by obeying what He says.

•Father give me a heart that loves you, give me a heart that believes you, give me a heart that obeys you, give me a heart that honours you, Lord give me a heart that pleases you in the name of Jesus. Lord give me a heart that obeys you, that pleases you, that believes you, that honours you. I want to please you with my life, give me the heart that will enable me to please you, give me the heart that believes you, that trusts you, that obeys you, Lord give me such a heart in Jesus' name.

⇒I want you to begin to pay very close attention to your life and to your actions, begin to watch those things that excite you and gives you joy, those things that when you hear about you get excited, begin to pay very close attention to those things to see if they have to do with God, His will, His mind, His purposes or His kingdom. If those things don't have to do with God then they are traps Satan will use to get your soul out of God's Kingdom forever.

•In the name of Jesus I receive wisdom to make good and righteous judgements, righteous decisions and choices in my life and destiny in the name of Jesus. I receive wisdom to make right and righteous judgements, to make right decisions and choices in my life and destiny. "I receive wisdom x3, in the name of Jesus". **\*The Spirit of wisdom shall possess you now in the name of Jesus. You shall begin to make right choices, decisions and judgements henceforth in the name of Jesus.**

⇒God wants you to grow, He wants to teach you and train you so that you grow. God is so passionate to do this and He wants to use all kinds of methods, situations and circumstances to train you.

•Father I desire to grow and mature in the things of your Kingdom, I desire to grow and mature in the knowledge of you, I desire to mature in spiritual warfare, Lord train me in the name of Jesus. Train me as you did with David. Lord, I desire to grow stronger than I am now, train me Lord, build me Lord, teach me Lord, equip me Lord in the name of Jesus. Father, I desire to grow in all the things of your Kingdom, in all the details of your Kingdom, in all the details of righteousness, I desire to grow in all the details of your stature and fullness, Lord train me. I desire to grow and mature in

the knowledge of you, I desire to grow in your wisdom, in your understanding, in your strength, power, victory and dominion, Lord train me. I desire to grow and mature in fighting and winning battles, Lord train me in the name of Jesus. Lord, I want to be trained by you, train me Lord because I want to be strong.

⇒ If you are the type of a person that, when the devil throws some things at you to provoke and offend you and you immediately lose your joy, peace and happiness it means you are too weak for the battles of these last days. The battles that will confront Christians in the last days are not for the weak but for the strong, so you have a duty to get stronger otherwise you will fall and be defeated.

•Father I desire to be too strong for the enemy to crush, I desire to be too strong to be defeated by darkness, I desire to be too strong to be defeated by temptations, trials and weaknesses, Lord train me, build me, teach me and strengthen me in the name of Jesus. I want to be stronger than I am now, Lord train me, teach me, build me, strengthen me, show me the path of strength so that I may get stronger. Lord, I want to be too strong for sin to overcome me, I want to be strong for temptations, trials and the works of the flesh to overcome me, Lord I want to be too strong for the thickest and strongest darkness to overcome me, Lord strengthen me and train me in the name of Jesus.

⇒ If you have hatred for those God loves, it means you have hatred for God. When God says love your enemy He also means that He still has some among those you call enemies that will still be part of His kingdom. That is why He says love your enemy, don't take revenge because in the process of you taking revenge you might hurt someone that God has great plans for even though that person looks like an enemy but before God that person is a potential citizen of His kingdom. Even though that person looks unrighteous, polluted or appears to be a sinner, you should follow the scripture that says love your enemy.

•Father help me to love those you love even if they are my enemies, help me to love them, help me to love my enemies as you commended in the scriptures. Lord, I want to love even the people that continually hurt me just as you have loved the world and you want men to repent, I want to have the same love that wants people to come to repentance. I want to have the same love that sees the best in people even the best in the worst sinner, Lord give me your kind of love for your people in the name of Jesus. Father I want to be able to look at people and begin to see the best they can become and begin to see the plans you have for them and how they can fulfil those plans and how they can be transformed into the persons you want them to be, Lord give me your kind of love in the name of Jesus, your kind of love that tolerates even those that continually hurt me.

⇒ The greatest weapon of God that conquers all darkness is love. That is why Jesus and His Apostles emphasised so much on love. It was through love that Jesus conquered principalities and powers forever because it was love that pushed Him to the cross, it was love that made Him shed His blood when He didn't have to, it was

love that made Him conquer all darkness such that through His name every knee shall bow, it was by love that He got that power by loving those that didn't deserve it. If you can show love to those people that don't deserve it you will eventually conquer their souls for God or you will eventually win them whether they are witches or whatever they may be.

•Father help me to use the weapon of love to bring souls into your Kingdom, to winning souls into your Kingdom. Lord help me to use the weapon of love to conquer principalities and powers, help me Father to use the weapon of love to win large numbers of souls into your kingdom, help me to show love to those that don't deserve my love, help me to show love to those that naturally should not be loved. Lord help me to be able to use the weapon of love to win souls into your Kingdom. Help me to be able to use the weapon of love to conquer battles with principalities, witchcrafts and powers of darkness, help me to be able to use the weapon of love to gain victory at this time in the name of Jesus.

⇒You might be asking how do I use the weapon of love to conquer principalities and powers and spiritual wickedness in high places? How you use the weapon of love is that you love those people that principalities and witchcrafts have captured, you love those people that have been demon possessed and controlled by darkness, you love them and you begin to pray for them, that is what it means. It means you separate the souls of men from the darkness controlling them, you don't assume that men are your enemies but you see your enemies as principalities and rulers of darkness and then you begin to pray to God to deliver their souls from the captivities of darkness, principalities and powers. As you begin to pray with such great love you will begin to receive one of the highest measures of God's power from heaven because God is love. When you walk in love you will become too powerful for darkness to overcome.

•Father fill me with your spirit of love such that I am able to isolate the darkness controlling the souls of men in the world and be able to destroy that darkness in the name of Jesus. Lord fill me with the spirit of love that I will be able to isolate the darkness controlling this generation and be able to destroy that darkness in the name of Jesus. Fill me oh God with the spirit of love to be able to do this in Jesus' name. Lord, I want to see people for who you can transform them to be and not for who they appear to be.

⇒Raise up your right hand. Father, this week, surprise me and my household with an uncommon miracles in the name of Jesus. Lord in this very week surprise me with a miracle, surprise my family with a miracle, surprise my marriage and household with a miracle in the name of Jesus, Amen.

## PRAYER POINTS

⇒ Father, thank you because you are so faithful in my life, thank you because I can believe in you, I can trust in you, I can depend on you because you are faithful. Lord, I thank you because I can trust you, I can believe in you, I can depend on you, thank Lord because you cannot let me down, you cannot forsake me, you cannot disappoint me because you are so faithful. Thank you Father for you are faithful, thank you for being faithful.

⇒ Many times we are the reason why God is not helping us, not even Satan or demons but we are the reasons God is not helping us because of the level of our sinfulness, corruption, pollution and disobedience. It is a sin to not believe God, not trust God, and to doubt God's faithfulness. So if you think you don't have sin then think very deeply because it is possible that you have a lot of sin in you and that is why you are not receiving any help from God. If you have anger, hatred, bitterness, pride and lust in your heart it is a sin. If you are carnal, if you are not doing evangelism, if you are not doing intercession, if you are unmerciful, if you are a parent and you can't train your children in the ways of the Lord and to please God, these are all a sin. There are a lot of sins we commit that we think are not sins but are an abomination to God.

•Father have mercy on me and forgive my sins in the name of Jesus. Father I ask in your mercy that you forgive my sins for I know that my sins are the reason you have not helped me, Lord please in your mercy forgive my sins, every sin of unbelief, every sin in my life that is making you to not visit me and help me, Lord in your mercy forgive me, pardon my iniquity. Forgive me oh Lord of all I have done against you.

⇒ This prayer is for those with a repentant heart, those who are willing to change and repent when God corrects them. If you are not willing to change, God will not show you what you are doing wrong but if you are willing to be corrected, He will show you those things.

•Father, show me whatever I have been doing wrong for many years thinking it is the right thing, show me those things because I am going to stop doing them, I am ready to stop doing them. Father, show me everything I have been doing wrong in my thinking, in the words I speak, the actions I perform and do, even the way I dress my

body, the way I appear in public. Lord, everything I have been doing wrong all these years thinking it is the right thing to do before you, Father, open my eyes to see them in the name of Jesus. Lord open my eyes to see them because if you show me those things now I am going to stop doing them. Whatsoever I have been doing for years thinking it is right but it is wrong, Lord open my eyes to see them for I want to stop doing them, I am willing to stop doing them, I am willing to teach my children to stop doing them, open my eyes Lord to see those things because I want to stop doing them.

⇒ Father, by your Holy Spirit in me fill me with hunger for the knowledge of your Word, fill me with hunger for the knowledge of your Word, hunger to study the scriptures, the desire to meditate on the Word of God, Lord fill me with such desire and hunger in the name of Jesus. Father fill me with hunger and desire to know your Word, fill me with hunger for your Word in the name of Jesus.

⇒ Father, as I study your Word from today henceforth let me receive new revelations from your Holy Spirit in the name of Jesus. Father from today, make your Holy Spirit feed me with new revelations as I study the Scriptures. Lord make your Holy Spirit feed me with new revelations of your Word, new revelations of your personality, of your powers, of your ways, of your Kingdom, of your glory, victory and dominion. Lord make your Holy Spirit feed me with new revelations of my calling and destiny in the name of Jesus. Father, make your Holy Spirit reveal to me new revelations I have not seen and known before, make your Holy Spirit reveal them to me as I study the Scriptures in the name of Jesus.

⇒ It is the revelational knowledge of the Word of God that will give you faith that can conquer the enemy. Faith is the key to victory and only the Word of God can give you faith.

- Father, as I study your Word let great faith rise in me that will produce great victories in the name of Jesus. Lord, as I study your Word let great faith arise in me, great faith that will produce great victories in the earth, great faith that will produce great victories in spiritual warfare, that will produce great victories in every situation I find myself in. Lord give me such great faith as I study your Word, as I meditate on your Word in the name of Jesus. Lord, let your Word inspire in me great faith that is able to fight and win battles, let your Word create in me great faith that will produce great victories as I fight in the name of Jesus.

⇒ Father let your power enforce justice in my life, calling and destiny in the name of Jesus. Father let your power enforce justice in my situations, in my family, in my career, marriage, ministry and calling, Lord let your power enforce justice in my life and destiny right now in the name of Jesus.

⇒ Father, cover me with a divine atmosphere that will make me aware of your presence and operations going on the earth and in my environment in the name of Jesus. King of glory cover me with your divine atmosphere that will make me aware

and sensitive to your presence and operations in the earth and in my environment in the name of Jesus. Lord cover me with your divine atmosphere, surround me with your divine atmosphere that will make me aware of what you are doing in my life, that will make aware of what you are doing in the earth, that will make me aware of what you are doing in my environment, your divine atmosphere that will make me aware and sensitive to your presence, Lord let such atmosphere rule in my life in the name of Jesus

⇒ Raise up your right hand. I come against every limitation of darkness on my spirit making it difficult for me to connect with God and with the realm of God, let the Fire of the Holy Ghost destroy such limitations right now in the name of Jesus. I come against every limitation of darkness on my spirit making it difficult for my spirit to connect with God and with the realms of God, let Fire of the Holy Ghost destroy them in the name of Jesus. I come against every load and weight of darkness on my spirit making it difficult for my spirit to connect with God and with the realm of God, let the Fire of the Holy Ghost destroy and consume them right now in Jesus' name.

⇒ God is so real that you can touch Him and He touches you, you can embrace Him and He can embrace you that how real He is. But many Christians are not walking with God in the reality of Him, we just assume God is with us yet we don't know Him. You don't just assume or feel that God is with you but you have to know Him, you have to see Him and touch Him.

•In the name of Jesus let Fire of the Holy Ghost destroy every darkness preventing me from having experiential knowledge of God, Fire of the Holy Ghost destroy them in the name of Jesus. Oh Lord, let your Fire consume them every darkness that has surrounded my life preventing me from touching God and preventing me from receiving a touch from God, preventing me from embracing God and preventing God from embracing me, let the Fire of the Holy Ghost consume them, Fire of the Holy Ghost destroy them right now in the name of Jesus.

⇒ The early Apostles said they couldn't stop speaking about what they had seen and heard because it was so real to them. They couldn't just stop teaching and preaching about it because they had touched God, they had embraced and seen God and it was so real to them and that is why they couldn't stop talking about it. That should also be your testimony, that you have seen Him, that you know Him and that no one can deceive you and tell you that what you have seen is not as it is because you have seen Him and you know Him.

•Lord Jesus I want to see you, I want to know you, I want to have experiential knowledge of you not just head knowledge, Lord Jesus visit me and manifest yourself to me in the name of Jesus. Lord Jesus I want to see you, I want to know you, I want to have experiential knowledge of you, a knowledge of you that is so real that it can't be denied and that no one will be able to deceive me because of such knowledge of you. Lord I want that kind of knowledge of you, a knowledge of you that destroys doubt and unbelief, a knowledge of you that destroys fears and

deception, I want to have that kind of knowledge of you, Lord visit me and manifest yourself to me, make me know you, I want to know you in the name of Jesus.

⇒ If you know Jesus, you will not be ashamed to testify of Him, you will not be ashamed to speak about Him, you will not be ashamed to preach and teach about Him because you know Him. Those who are ashamed and afraid to speak about Him, it's because they don't know Him. When you know Him you will not be ashamed to stand for the truth in public, you will not be ashamed to defend righteousness, you will not be ashamed to enforce righteousness because you know Him. When you know Him no one will talk you out of the truth.

•Father, manifest yourself to me deeply so that I remain established forever in your truth, in your ways, in your light and in your righteousness in the name of Jesus. Lord, manifest yourself to me so much that I remain firm in your truth, that I remain established, rooted and grounded in your truth, in your ways, in your light and righteousness irrespective of what is going on around me, irrespective of whatever confronts me or whatever I go through. Lord I need you to manifest yourself to me so much that I can not be moved anymore, manifest yourself to me oh God in the name of Jesus. I want to experience you personally, give me encounters of you, let me encounter you in such a great way that I remain firm and established in your truth, in your light, in your ways and righteousness forever such that nothing can make me fall away, help me Father in the name of Jesus.

⇒ Father, help me to grow in the knowledge of you in the name of Jesus. Lord, I acknowledge that there is much more that I don't yet know, help me oh Lord by your Holy Spirit in my life to grow in the knowledge of you in the name of Jesus. Help me Lord to grow in the knowledge of you, help me Father in the name of Jesus.

⇒ The Bible says we should grow in grace meaning you can grow to know more of what God has put in His grace that you have, you can grow to have more knowledge, more power, more strength and victories, and many more things that God has put in His grace that is in your life. You can grow to possess more of those things, you can grow to have more of those things work in your life. If there is grace that God has given to you, you can have more from that grace.

•Father I want to grow in your grace that is in my life, I want to grow in the grace you have placed upon my life, help me Father to grow in your grace that is in my life in the name of Jesus.

⇒John 14:21. Jesus said if you have His commandments and keep them which also means you keep obeying that commandment, He said that means you love Him and you if love Him, His Father will also love you and will manifest Himself to you. Do you keep His commandments, do you obey all His commandments and teachings in the Bible?

•I choose to keep the Lord's commandments, let every barrier against me doing these be destroyed now in the name of Jesus. I choose to keep the commandments

of Jesus, I choose to obey the teachings of Jesus, I choose to do the commandments and instructions of Jesus, let every barrier against me doing these be destroyed right now in the name of Jesus.

⇒ You also need to understand how much Jesus loves you. You might not know how much He loves you if you are always concerned about yourself. If your entire life is all about yourself you will not know how much God loves you and you will not even appreciate His love for you because you will always feel like He has done nothing for you.

•Father I want to love you, I want to please you, I want to do all your will, I want to live for you and not for myself, help me Father in the name of Jesus. Lord help me, I want to know you, I want to love you, I want to please you, I want to do your will, I want to live for you and not for myself, help me Father in the name of Jesus.

⇒ Many of you are always looking for what God has not yet done and fail to look at what you have not yet done for Him. What if God is waiting for you to do what you have not been doing or what you have stopped doing, what if He is waiting for you to do what you have refused to do before He does what you want Him to do?

•Father help to do those things you want me to do, help me to do those things I have not been doing for you, those things I have stopped doing for you, Lord help me to do them now in the name of Jesus. Lord, I am ready and willing to do them all, the things that I need to do to prove my love for you, things that I need to do with my life, things that I need to do with time, with my mind, with my body and with my resources, things that I have to do to show that I really love you and not myself, Lord help me to do them now in the name of Jesus. I want to do them, help me Father.

⇒ Jesus can manifest Himself to you but you have to deserve it by loving Him and that is how God the Father will love you. If you want to see Jesus then you have to love Jesus. If you want to see the power of Jesus and His glory, if you want to walk in the glory, dominion and authority of Jesus then you have to love Jesus. Loving Jesus comes with a great prize, it comes with sacrifices, pains and sufferings, it comes with a lot that is not convenient to your flesh.

•Lord Jesus, I choose to love you, let every weakness in me stopping me from loving you, die right now in the name of Jesus. "I choose to love Jesus x3", I choose to please Jesus, I choose to obey Jesus, I choose to serve Jesus, I choose to believe Jesus, I choose to trust Jesus, let every weakness in me stopping this from happening, die right now in the name of Jesus.

⇒ We have some Christians who have made themselves more important than the will of God, they only do the will of God if it suits them and if it doesn't suit them they won't care about doing it. Have you made yourself more important than the will of God? Have you made your marriage more important than the will of God? Have you made your appearance, your beauty, your pleasures, cravings and lusts more

important than the will of God? If yes, then you need to repent because it means you don't love God.

•Father, I choose to do your will when it is convenient and when it is not convenient, I choose to do your will Father, help me in the name of Jesus. I choose to do the will of God both when it is convenient and when it is not convenient. I choose to do the will of God always even when it does not agree with my will, I choose to do your will; oh God, help me Lord in the name of Jesus.

⇒ Place your right hand on your head. Father, fill me with fire that will make me do all that you have commanded me to do in the name of Jesus. Fill me oh God with fire that will make me go out and preach the gospel, fill me with fire that will push me to do what you want me to do, fire that will make me uncomfortable until I do what you want me to do, fill me with fire oh God in the name of Jesus. **\*I pray for as many of you who have asked for this fire, receive it now in Jesus' name.**

⇒ There are many ways through which Jesus can manifest Himself to you, He can manifest Himself to you in the form of miracles, He can manifest Himself to you through people, all He will do is just stir up people to help you, to favour you and to bless you. So it is not those people doing it, it is Jesus blessing and helping you through them. There are many more dimensions through which Jesus can manifest Himself to you.

•Raise up your right hand. Lord Jesus manifest yourself to me in such a great way that will change my life forever in the name of Jesus. "Manifest yourself to me Lord Jesus in such a great way that changes my life forever ×3", in the name of Jesus.

⇒ When Jesus shows up for you there will be victory, there will be solutions, grace, strength and help.

•Lord Jesus, manifest yourself to me and give solutions to problems that have persisted for so long in my life. Lord, manifest yourself to me and give me solutions to problems that have persisted for such a long time in my life, manifest yourself to me Lord Jesus.

⇒ When Jesus shows up you will rejoice because there will be restoration.

•Manifest yourself to me Lord Jesus and restore all that has been wasted by the enemy in my life, all that the enemy has wasted in my life, Lord manifest yourself to me and restore them, let there be restoration in the name of Jesus. Let all that the enemy has wasted in my life be restored back to me in the name of Jesus.

⇒ Another thing that happens when Jesus manifests Himself to you is that there will be healing and deliverances because He is the healer.

I saw that some of you will begin to run at a very high speed, meaning you will begin to experience success, victories, breakthroughs, progress and great achievements at a very high speed. I refuse to be defeated by fear, I refuse to be defeated by lust, I refuse to be defeated by doubt, by unbelief, by pride and disobedience, I refuse to be defeated in my mind, I refuse to be defeated by darkness in my mind, Lord strengthen me in my mind for victory in the name of Jesus.

⇒ Some of you don't know how to be consistent with God's presence. You don't know how to keep God's presence with you all the time and this is why the devil conquers you most times. You don't know how to walk in the spirit always and that is why you are losing to darkness. When you are not in God's presence that is when they strike and conquer you. The devil will hardly fight you when you are ready for him but he fights you when you are not ready for him because he knows he is likely to win but when you are always ready for him he will have to buckle up to attack you because he knows he will likely lose. You will always be ready for the devil by remaining in God's presence and walking in the spirit always. So until you learn how to do this you will keep rising and falling and you will keep losing to the dark kingdoms even to witchcraft but if you can always keep God's presence, witchcraft powers will not prevail over you no matter how strong they are.

•Place your right hand on your head. In the name of Jesus I bind every negative attitude and habit that is not allowing me to be consistent with the Lord's presence, get out of my life now in the name of Jesus. I bind every negative attitude and habit that is not making me to be consistent with the Lord's presence, get out of my life, get out of my soul, get out of spirit, get out in the name of Jesus. I bind every negative attitude and habit that is not allowing me to be consistent with the Spirit of the Lord, that is not allowing me to remain in the Lord's presence, that is not allowing me to walk in the spirit, I command you to come out of my life, come out of my spirit, come out of my soul now in the name of Jesus.

⇒The whole world is full of distractions and those distractions' purpose is to remove you from the spirit and put you in the flesh, to take you out of God's presence and put you in the realm of the flesh which is the realm of darkness. Everything the devil is doing is to distract you from God's presence, even poverty is a distraction. Whatever the devil is doing in your life is to make you focus on those distractions because the more you focus on what the devil is doing the more you will be out of God's presence and your problem will persist for a very long time. The more you remove your attention and focus from what the devil is doing the quicker it will fade away. Are you yielding to distractions, when Satan is causing troubles do you follow those distractions?

•Place your right hand on your head. In the name of Jesus I bind every spirit in my mind, I bind every spirit in my brain and in my soul that is making me to give attention and focus to the distractions going on in my life, making me to give attention to what the devil is doing in my life such that I lose God's presence, I bind that spirit, I command such spirit to come out of my life in the name of Jesus. I bind every spirit of darkness working in my mind, working in my brain, making me to embrace distractions, making me follow after the distractions Satan is creating in my life, I bind you now, come out of my life in the name of Jesus. Every spirit working in my mind, working in my brain making me embrace distractions, I bind you now, get out of life, come out of my life in the name of Jesus. From today nothing shall take me out of the Lord's presence, nothing shall take me out of the realm of the Spirit of the Lord, "I bind you spirit of distractions x4", in the name of Jesus. You spirit of distraction working in my brain, I bind you, you spirit of distraction working in my soul to take me out of the Lord's presence, I bind you now.

⇒ In the name of Jesus let the authority of the Lord be exalted in my life so that every power of darkness and agent of darkness attacking me, bow, such that every force of darkness attacking me bows in the name of Jesus. Let the authority of the Lord be exalted in my life and let every agent of satan, every agent of darkness attacking me begin to bow, let every force of darkness attacking me begin to bow. Let the authority of Jesus be exalted in my life and let every force of darkness see this authority and begin to bow, let witches and wizards see the authority of the Lord and bow, let agents of Satan, agent of darkness see the authority of the Lord and bow, let the authority of Lord be exalted in my life, let the authority of Jesus be exalted in my marriage, family, ministry, calling and destiny. Let every power of darkness attacking me bow before the authority of the Lord in the name of Jesus.

⇒ I don't know the kind of mountains you are dealing with right now that look like problem which has come to stay forever, it looks like it's unsolvable but there is a way because the Bible says the mountains melt like wax before the Lord, so the Lord is the way to get rid of that mountain, the presence of the Lord is the solution.

•Raise up your right hand. Lord Jesus magnify your presence in my life and let every mountain in my life begin to melt before you, every mountain of problems, captivity, sorrow, hardship, troubles, sicknesses and diseases, let them begin to melt before you now in the name of Jesus. Let the presence of the Lord be magnified in my situation, let the presence of the Lord be magnified in my spirit and soul and body, let every mountain of problems, darkness, shame and disgrace begin to melt at the presence of the Lord, let them begin to melt at the presence of the Lord in the name of Jesus. Every mountain of limitation, sorrow, pains, poverty, let them begin to melt at the presence of the Lord. Let every mountain of captivity, mountain of slavery, mountain of suffering, mountain of poverty, mountain of shame and weakness, mountain of sicknesses and diseases, mountain of addiction to sin, begin to melt now in the presence of the Lord in the name of Jesus. Let the presence of the Lord be magnified in my life, (extend the prayers to your children, spouse and siblings) let

the presence of the Lord be magnified in their lives, let every mountain of sorrow, limitations, sufferings and shame melt forever at the presence of the Lord.

⇒ Psalm 18:13-14. God has a weapon that is called the arrows of God. God has arrows of fire and these arrows carry fire and they don't miss their target, when God fires these arrows the enemy perishes instantly.

•Raise up your right hand. Let the arrows of God from the presence of God locate the realms of darkness that are against me, that are working against me, my life, my health, my success and career. Let the arrows of God from the presence of the Lord begin to locate every realm of darkness, camps of darkness that are against me, against my life, against my calling and destiny; every coven of witches and wizards working against me, let the arrows of God begin to locate and destroy them all in the name of Jesus. Let the arrows of God locate every realm of darkness working against my life and destiny and consume them all in the name of Jesus. Let the arrows of God from the Lord's presence locate every of realm darkness, every realm of the marine spirit, every realm of marine serpents, every realm of witchcraft, every realm of darkness and devils attacking my life and destiny, let the arrows of God locate them with destruction, let the arrows of God locate them and consume them all in the name of Jesus. Arrows of fire from the Lord's presence locate every realm of darkness attacking my life and destiny and destroy them all. Arrows of fire from the Lord's presence locate realms and camps of darkness, gatherings of darkness working against my life, my marriage, my calling, ministry and destiny; arrows of fire from the Lord's presence find them, locate them and consume them now in the name of Jesus.

⇒ The Spirit of the God is telling me that we have to channel the same weapon to the realm of the underworld. There is a world of darkness beneath the ground.

•Stretch down your right hand, palm facing the ground. In the name of Jesus let arrows of fire from the Lord's presence locate every realm of darkness under the earth working against my life, calling and destiny, and consume them all in the name of Jesus. Arrows of fire from the Lord's presence locate every realm of darkness in the underworld, every realm of darkness beneath the ground attacking my life and destiny and destroy them all, consume them all, destroy them. Every realm of darkness under the earth be destroyed in the name of Jesus.

⇒ The Lord is telling me that some of you have members of your family or extended family that are working for the devil and you need to avoid those people, in fact you should not even talk to them or eat the food they cook. You need the Lord to open your eyes to know them so that you can avoid those kinds of people.

•In the name of Jesus let the light of God shine to expose every agent of Satan in my family and extended family that I need to avoid, let the light of God shine, let the light of God shine in the name of Jesus. Every personality in my family that I need to avoid, oh Lord expose them by your light, expose their real identity to me by your light. Oh Lord shine your light and expose their original personality to me not who

they appear to be in the physical realm but who they really are in the spirit. Lord expose them to me so that I may avoid them in the name of Jesus.

⇒ If you can be consistent with the Lord's presence in your life it will be easy for you to conquer a lot of battles. Being a Bible student is one of the keys to always having the Lord's presence in your life, you have to be full of the Word of the Lord, you have to be full of the knowledge of the Lord, you have to be full of the understanding of the scriptures. You have to be so filled that it controls your life, your thoughts, the way you perceive the world. You have to always think and meditate on the Word of God for this is the key to victory.

•Place your right hand on your head. In the name of Jesus I receive grace to walk in the knowledge and understanding of the Word of God every day of my life in the name of Jesus. I receive grace to desire the knowledge and understanding of the Word of God everyday of my life, I receive grace to seek for the knowledge and understanding of the Word of God in every day of my life. I receive grace to think according to the knowledge and understanding of the Word of God in every day of my life in the name of Jesus. **\*Receive that grace right now in Jesus' name.**

⇒ From now henceforth everything that is not in agreement with the will of God for my life shall have no root in my life, shall have no root in my heart, shall have no root in my body and spirit, everything that is not in agreement with the will of God for my life shall have no place to stay in my life in the name of Jesus. From now henceforth whatever that does not agree with the will of God for my life shall have no root in my life, whatever that does not agree with the will of God for my career, calling and destiny shall have no root in my life, it shall have no root in my mind, shall have no root in my soul and spirit in the name of Jesus.

⇒ Hold your phone/phones in your hand as you pray this prayer point. In the name of Jesus I disconnect my phone(s) from every web of darkness, from every portal of darkness working with it, working through it, I disconnect my phone(s) now. From today onward darkness shall not be able to pass through my phone(s), darkness shall not be able to operate through my phone, I remove my phone from the demonic web of darkness ruling the earth, I disconnect my phone and computer from the demonic web of darkness prevailing in the world. I disconnect my phone ×2, I disconnect my computer from every web of darkness working with it, I disconnect my phone now from that web. I disconnect my phone from the demonic web that is ruling and controlling the earth, I disconnect my phone and computers from that web of darkness right now in the name of Jesus. From now henceforth darkness shall not be able to work through my phone, darkness shall not be able to pass through my phone in the name of Jesus. I remove my phone from the demonic web ruling the earth, from the web of darkness controlling the world, I remove my phone from that web. I remove my phone from the electric network of darkness ruling the earth, controlling this universe, I remove my phone and computer from that network right

now in the name of Jesus. **\*As you have said those words, I decree it is done in Jesus' name.**

⇒ I receive every opportunity the Lord has created for me to rise to the place of honour in the name of Jesus. I receive into my life every opportunity the Lord has created for me to rise to the place of honour in my life and destiny, I receive those opportunities now, I receive them into my timeline, I receive them into my days, I receive them into my life, I receive them in Jesus' name.

⇒ Place your right hand on your head. Father let your covenant of miracles, signs and wonders in this ministry begin to work in my life and in my family, let your covenant with this ministry that is making miracles happen everyday, Lord let that covenant work for me, let it work for my life, let it work for my family members in the name of Jesus. Lord let your covenant of power, your covenant of great and mighty miracles you have with this ministry, "let it work in my life ×3", let it work in my family, let it work in my ministry and calling, let it work in my spirit, soul and body. Let me begin to experience your power everyday of my life, let me begin to receive revelations and divine encounters everyday of my life, let me begin to experience miracles in my everyday life, let your covenant in this ministry produce great results and wonders in my life henceforth in the name of Jesus. **\*It is done in Jesus' name, Amen.**

⇒ My father thank you for being my Lord, my Saviour, my deliverer, my Redeemer. Thank you for being my great physician, the one who heals me. Everlasting Father, thank you for being my Lord and my Saviour, thank you for being my helper for being the one who restores my life and my soul, the one who revives me. I am confident in who you are in my life. Thank you for you cannot fail me, you cannot let me down, thank you Lord Jesus for being my Lord and Saviour. Because I believe in you I depend on you. Because I depend on you I peg my life on you, I peg my days, decisions and choices on you, thank you for who you are in my life in Jesus' name.

⇒ Some of you are being attacked by the enemy through confusion though you are doing what is right. The enemy is making you feel like you are not doing what is right because he wants you to do contrary to the will of God.

•Place your right hand on your head. In the name of Jesus I bind every spirit of confusion assigned to take me out of the right choices and decisions I have made, assigned to take me out of the right path that I am trading on right now. I bind every spirit of confusion assigned to make me do contrary to the will of God, I bind you now in the name of Jesus.

⇒ The Lord is interested in you as His child. As long as you are born again you are very important to Him and He is interested in every part of your life and in everything you do. He wants to be part of everything you do including your thoughts, your everyday things even in those things that you may think are not spiritual.

•Father, I open up my life for your operations, instructions, and directions, Father I want you to get involved in every area of my life. I want to do everything under your supervision, under your direction, I open up my life to you, get involved practically in the name of Jesus. Father I want you to get involved in every area of my life therefore I open up my life, oh Lord come in, I welcome your instructions and directions. I want to do all things under your control, your Lordship and leadership. I want to do all things under your supervision, oh Lord get involved in every part of my life in Jesus' name. Father, I want you to be part of every fragment of my life, I want you to be involved in Jesus' name.

⇒ God is interested in every part of your life because He wants to make it better. He wants to showcase His glory in every part of your life for all to see including powers and principalities.

•Raise up your right hand. Father, I want you involved in every part of my life so that you may demonstrate the greatness of your glory through my life before the eyes of everyone. Father I welcome you into every part of my life, Lord I invite you into every part of my life, I want you to get involved in my family, marriage, calling, ministry, physical and spiritual gifts and in my health, be involved. Lord, be involved in my business and in my career, I want you to guide me, lead me and control every part of my life so the greatness of your glory may be revealed through my life all over the Earth.

⇒ Raise up your right hand. Father I want to see your authority practically and visibly demonstrated in my life to the shame of Satan, princes of darkness, Lord demonstrate your authority in every area of my life to put to shame powers of darkness. Oh Lord demonstrate your authority to bring all my enemies to shame, demonstrate your authority in my spirit, in my soul and in my body to put all your enemies to shame. Lord demonstrate your authority in every area of my life, in my body system, my financial life in Jesus' name.

⇒ Authority is greater than power. The authority in God's Kingdom is greater than the power of God's Kingdom. Authority follows after power, after authority has been established then power flows. Authority is a kind of control that sets things in place or in order. When the authority of God is demonstrated in your life, Satan will willingly

leave your life, you will see judgement happen to your enemies, you will see great victories happen and power function without restrictions. Authority sets boundaries to your enemies; it shows them how far they can go. It destroys everything Satan is doing in your life.

•Father enthrone the authority of your Kingdom in every part of my life to put the devil and his agents where they are supposed to be. Father enthrone your authority in my life to put sickness and diseases where they belong, to put poverty, oppression, pollution, captivities of darkness where they belong. Oh God enthrone your Kingdom authority in every part of my life. Father enthrone your Kingdom authority in every part of my life to put darkness, the devil and his hosts, the operations of darkness where they belong. Enthroned the authority of your Kingdom in my body to put sicknesses, weakness and diseases where they belong. Enthroned your Kingdom authority in my soul to put negative thoughts, feelings and emotions where they belong. Enthroned your Kingdom authority in my spirit and in my environment to put darkness and the forces of darkness where they belong.

⇒ Everything God created obeys the authority of God. God created darkness, light, physical and invisible things, He created all things; the weather, plants, animals they all listen and respond to God's authority, they don't have a choice but to obey.

•Raise up your right hand. Father glorify your Kingdom authority in every area of my life and make everything you created work in line with the fulfilment of my destiny, to work with the fulfilment of your will and purposes for my life. Oh God of heaven and the Earth, God of all flesh, God of Angels glorify your Kingdom authority upon my life, magnify your Kingdom authority upon my life and begin to make everything you created to serve your purposes in my life in the name of Jesus. Lord, whether they are living or nonliving, humans or animals compel them to serve your purposes in my life, to obey your Kingdom authority in the name of Jesus. Lord whether they agree or not, compel everything you created to serve your purposes in my life in Jesus' name.

⇒ According to the name Yahweh (the Lord), God can enforce the fulfilment of His will on Earth and in the life of His children whether anyone agrees or not. When God wants to bless you He will not consider the restrictions on ground against that help. He will not consider the economy of your country or whether you were born in a family that is highly infested with demons or witchcraft. He doesn't look at that, all He does is look at Himself as the Lord. Once God makes the move, all the things that you think are limitations or barriers will have no choice but to give in; that is what it means to be Lord and that is authority. The Lord does these things by His authority as Lord. So you need to stop looking at the limitations around you because before God they don't exist.

•Father, manifest the authority of your Lordship in my life and days and enforce your will to happen irrespective of the forces that do not want your will to prevail. Lord you are greater than them all, manifest the authority of your Lordship and dominion in my life and enforce your will to prevail. Oh God of Israel manifest the authority of your

Lordship in my life, marriage, career, calling, destiny, ministry and in every area of my life and begin to enforce your will to prevail. Manifest the authority of your Lordship now until your will is done.

⇒ Being conscious of what the devil is doing brings limitations in your life. You should be concerned or conscious of what God is doing because it is what God is doing that matters because the enemy cannot stop God. Learn to focus on what God is doing in your life and not at what the enemy is doing. Though you will see what the enemy is doing, do not focus on it, focus on what the ability of God is able to do in your life and not at the strengths of the devil. Some people pray out of fear of the enemy that is why their prayers do not prevail. Pray with faith in the ability of God in your life and that prayer will work.

•Father, I acknowledge your abilities in my life, let impossible things begin to become possible by the reason of your abilities in my life, in my body, soul, spirit and environment. Oh Lord begin to make impossible things possible for it is written with you nothing is impossible, make impossible things possible. Lord, what the doctors say is impossible make it possible now, what everyone is saying is impossible, Lord make it possible by the reason of your abilities in my life. Lord even what the devil has been deceiving me to be impossible, I believe by your abilities in me you can make it possible. Lord make impossible things possible in my life, calling and destiny in Jesus' name.

⇒ When Pharaoh refused to let the Israelites go, God began to terrorise the entire land; He did the things their gods and idols could not do until they released them. That is what God will do to your enemies, oppressors and those who are saying we will not let you go beyond this level.

•Raise up your right hand. Oh God of Israel begin to afflict the oppressors of my life and destiny with great terrors until I am released to fulfill destiny, until they step out of my way, until I am liberated to fulfill calling and destiny. As you afflicted the Egyptians to release the Israelites, oh God arise and begin to afflict the oppressors of my life, the oppressors of my marriage, my family, calling and destiny, wherever they are, whatever they are, arise oh God of Israel begin to afflict them with terrors they cannot bear, unbearable pains until my life is released to fulfill destiny, until I become who you said I should be in the Earth. **\*As you have said, so shall it be in the name of Jesus.**

⇒ The magicians and sorcerers began to search for the force behind the terrors which were happening and they found out that it was the finger of God and advised Pharaoh to release the Israelites. How did they know it was the finger of God? When God manifests His authority, the enemy will know that this is God and they know that they cannot face Him or prevail against Him.

•Father magnify your Kingdom authority in my life and begin to show my enemies that my life is a no-go area, that I am untouchable, invincible, and indestructible. Father magnify your Kingdom authority in my life and begin to show the forces of

darkness, the agents of darkness that my life is untouchable, that I am indestructible, that my life is a no-go area, Lord magnify your authority in my life in Jesus' name.

⇒ Once the finger of God is against something it remains pointed until that thing God is against is utterly destroyed. I see the finger of God pointed against everything that God does not want to see in your life.

•Raise up your right hand. In the name of Jesus let the finger of God be stretched forth against everything God does not want to see in my life, until they all perish. In the name of Jesus let the finger of God be pointed against everything that is against God in my life, that is against everything God does not want in my life until they all fade away, until they are utterly destroyed, until they are uprooted. Let the finger of God be pointed against everything the enemy and the kingdom of darkness is doing in my life until they are utterly wasted.

⇒ Raise up your right hand. Father magnify your greatness in my life, move me forward and let no one be able to stop me, let every barrier see your greatness and run. Lord magnify your greatness through the journey of my life and make no power or darkness be able to stop me. Lord, manifest yourself and greatness against every power that is standing in my way to stop me from fulfilling destiny. Lord magnify your greatness against every agent of darkness, against every power of darkness, against every force of hell that is standing in my way to stop me, let them see your greatness and fade away.

⇒ It is very important for you to be sensitive to God's timing in your life. You need to know what to do in the particular season God has chosen to visit and help you. Some people do not know what to do in the season God would have chosen to help them that is why they missed God's help and visitations. Some begin to misbehave and hate God and do contrary to the will of God during that season.

•Oh Holy Spirit, help me to be sensitive to God's timing for my life, help me to be sensitive to God's seasons, to the time of my divine visitations and help me to know what to do so that I will not miss God's blessings. Holy Spirit, help me to be sensitive to the times and seasons God chose to help me, help me know what to do in those times so that I will not miss God's help, blessings and visitations. Lord teach me to be sensitive to the times and seasons you have chosen to help me. Spirit of God teach me to be sensitive to the times and seasons God has chosen to visit me and help me to do what must be done to partake of God's visitations. Help me not to be foolish and not to do contrary to God's visitations, help me Spirit of God.

⇒I see the Lord giving some of you blessings, promotions, and taking you to heights that you do not deserve.

•Father, by the multitude of your mercy, lift me up to great heights that I do not deserve, release into my life great blessings that I do not deserve, let this prophecy come to pass in my life. Father, by the multitude of your mercy lift up my life to heights I do not deserve, heights I have no right to attain, heights that I do not qualify

for. By the multitude of your mercies, oh Lord give me blessings that I do not deserve in the name of Jesus.

⇒ Place your right hand on your head. In the name of Jesus I bind every power of darkness turning my body system, feelings and emotions against me. Every spirit of darkness, agent of darkness, powers of darkness turning my body system against me, turning the organs of my body against me, turning my health against me, I bind you right now in the name of Jesus. "I bind you in Jesus' name x 5"

⇒ Fire of the Holy Ghost arrest and destroy every cloud of darkness, arrest and melt away every cloud of darkness controlling the affairs of my life against my life, controlling the affairs of my life against the purposes of God for my life, Fire of God arrest and destroy them. Fire of the Holy Ghost arrest and destroy clouds of darkness controlling the affairs of my life against the will of God for my life, Fire of the Holy Ghost destroy them right now. Every network of darkness, clouds of darkness, webs of darkness that are turning the affairs of my life against the will of God for my life, be destroyed by the Fire of the Holy Ghost right now in the name of Jesus. **\*Every cloud of darkness that has formed upon your life, over your environment, over your head to ensure that the activities and affairs of your life do not go in line with the will of God, I decree that rain of fire from heaven begin to melt them now in the name of Jesus.**

⇒ Blood of Jesus shield me against every death attack from the realm of darkness. Shield me Blood of Jesus, shield my mind, shield my brain, shield my body system, shield my life against every death attack from the kingdom of darkness. Blood of Jesus shield me, shield my family, my spouse, my children, my siblings against every death attack from the kingdom of darkness right now in Jesus' name.

⇒ It is important to stop seeing things as they appear to you physically but you need to begin to see things as they really are, the original identity of those things. You need your spiritual eyes to be opened, some human beings are not human beings but animals, some are reptile creatures, some demons; some human beings are products of experiments in the underworld sent into the world as humans. Unless you begin to see things as they really are, there are a lot of battles you will not be able to win, there are some heights you will not be able to attain. Maybe there is someone you are talking to that is not human or is a representative of the kingdom of darkness and every time you talk to that person you are not talking to that person alone but to the whole kingdom of darkness, that is why your things are not moving forward. Some foods are not foods at all but demons.

•Place your right hand on your head. Spirit of God open my eyes to begin to see everything in this world as they really are. Spirit of God open up the eyes of my heart, open the eyes of my spirit to accurately see the original identity of everything I see in this world. Oh God open up my eyes to see people as they really are. Oh God

of heaven and the Earth, God of all flesh, open up my eyes, open up the eyes of my heart, open up the eyes of my spirit that I may see.

⇒ Father let every good thing that I have lost to the realm of darkness be recovered right now by your mighty power. Every good thing I have lost to witchcraft, to the enemy, Lord let them be restored now by your mighty power in the name of Jesus. My health that has been lost, every good thing that has been lost in my body, soul and spirit, in my life and destiny that I lost to the darkness and enemy, oh Lord let them be recovered and restored right now by your mighty power in Jesus' name. Everything I have lost to the realm of darkness, Father let them be restored now in Jesus' name.

⇒The Kingdom of Heaven is raising up warriors who will go to the gates of the enemy to fight, who will go and meet the enemy. These are offensive Warriors not people who pray when problems come (defensive warriors), but these are people who charge the enemy and fight against the enemy.

•In the name of Jesus I receive strength to take battles to the gates of the enemy. I receive strength to take warfare to the gates of the enemy, I receive strength to take the battle to the gates of the enemy. I receive strength now. I receive strength to be bold, I receive strength to be fearless, I receive strength to take the battles, to take the war, and the fight to the gates of the enemy. I receive strength to pursue and kill the enemy, to waste them all, I receive strength right now in Jesus' name.

⇒Jesus said the gates of hell shall not prevail against the Church. The Church is supposed to take the battle to the gates of hell. God trained me to take the battle to the gates of the enemy and even to enter into the camp of the enemy and make war because He is with me, I always win. In the realm of the mind there are so many gates of the enemy. The enemy is not only the witches and the wizards or flesh and blood, the enemy is more than that. Have you ever considered the lust of the flesh, the anger, pride, fornication, masturbation, love of money, greed or covetousness as a gate of hell? Are you fighting these gates of hell? A gate of hell is anything that is able to pull you into the depths of darkness, if that thing overcomes you, you become swallowed by the depth of darkness. These things are the hooks to pull you into the depth of darkness. It is better for you to prevail against these gates of hell than you winning against witches and wizards because if you can prevail against such darkness that is really close to you (darkness within) then you can prevail over any other darkness coming from anywhere outside be it the occult or witchcraft people. If you don't defeat some gates of hell you will never marry the right person and you might never get it right in your marriage till you die. Some gates if you don't defeat them you will never do well in ministry even in business. Some blessings will never last in your life if you have not defeated greed and covetousness.

•I receive strength to defeat every gate of hell that surrounds me to enslave me, to swallow up my life, to swallow up my soul, I receive strength to defeat them all. I receive strength to defeat and overcome every gate of hell that has surrounded me

to swallow up my life. I receive strength to defeat the gates of hell that have surrounded my soul, surrounded my life to swallow up my life, to enslave my life. I receive strength now in Jesus' name, Amen.

Let every corruption of darkness, filthiness of darkness, uncleanness of darkness be destroyed by the Blood of Jesus right now. Let abominations of darkness that are disqualifying me, that are preventing God from touching me, abominations of darkness that are standing against my divine visitations, let the Blood of Jesus destroy them now in the name of Jesus.

⇒ One of the reasons why God would visit some people and will not be able to do anything, be it to bless, touch or deliver them is because of condemnation. God is visiting some of you but He's seeing some things in your life which are pushing Him back from doing what He would have come to do.

•Blood of Jesus destroy every curse of darkness on my life causing condemnation, bringing condemnation on me, preventing me from receiving blessings from the Lord. Blood of Jesus destroy every curse of darkness on my life that is bringing condemnation on my destiny, that is pushing back God's blessings from reaching me, Blood of Jesus destroy them now in Jesus' name. Blood of Jesus destroy ancestral curses, inherited curses of darkness that are bringing condemnation in my life, curses that were passed from my parents into my life, Blood of Jesus destroy them right now. Every curse of darkness bringing condemnation on me, my destiny, career, calling, pushing back God's blessings away from my life, Blood of Jesus destroy these curses now in the name of Jesus.

⇒ The enemy is using unfaithfulness as a legal ground to stop God from blessing some of you. Unfaithfulness - we look at disobedience to instructions on what God wants you to do, or failure to do certain commitments you have committed to God, being disobedient to the voice of the Lord, of the Holy Spirit, also to the leading of the Holy Spirit. It also includes disobedience to biblical principles, instructions and commandments. The things that you used to do that you have stopped doing and God still expects you to be doing them and that is what the devil is using against you to stop God from blessing you. Repentance comes before forgiveness, as you ask God to forgive you, it means you are going back to doing what you are supposed to do.

•Father, forgive me of my unfaithfulness and silence satanic accusations stopping my blessings from reaching me. Father, forgive me for my unfaithfulness, shut down every satanic accusation stopping my blessings from reaching me. God I am sorry for being unfaithful, forgive me for my unfaithfulness, stop every satanic accusation, destroy every satanic accusation that is pushing back my blessings, not allowing my blessings to reach me. God I repent of my unfaithfulness, stop the accusations of Satan, shut down every satanic accusation that is pushing back my blessings in the name of Jesus. Lord forgive me of my unfaithfulness.

⇒ Father, search my life, my heart, my soul and reveal to me everything that you do not want to see me do, expose to me the things I do that you do not want me to do, reveal to me the things you want me to do that I am not doing. Lord, I open my life and my heart to you, search me, search me with your light and show me things I do that I should not do, and the things I must do that I am not doing. Father I open my life, my spirit, my soul to you, you see all things and nothing is hidden from you, my life is not hidden from you, you know all things, Lord search me, search my heart, search my soul, search my spirit and expose to me things I do that I should stop doing and the things I must be doing that I am not doing, oh Lord begin to expose them to me now, let your light expose them to me now. Father I open my mind, my body, Lord search me, expose to me things I do that I must stop doing and things I must do that I'm not doing, expose to me oh Lord in the name of Jesus.

⇒ You need God to bless you with the spirit of excellence, be it secular work or spiritual assignments. Excellence has nothing to do with competition but it is about you doing what you are doing the best way it needs to be done.

•Raise up your right hand. Father bless me with excellence as you did to Daniel, Shadrach, Meshach and Abednego. Father bless the work of my hands with excellence, bless your gifts in my life with excellence, bless your calling on my life with excellence, bless your ministry in my hands with excellence, bless the career I do with excellence, Lord I want to excel. In spiritual things, physical things I want to excel, bless me with excellence, make me the best in my field of career, make me the best oh Lord in Jesus' name.

⇒ Those people who compare or measure themselves to others will forever be limited. As a wise Christian you do not compare yourself with others, you do not use others' success and achievements to measure your own success and achievements, you don't use others' progress to measure your own progress, that is competition. You wanting to attain the same level as the next person or to be better than the next person is not wisdom. You are meant to discover the scope of your calling; pray and let God show you how much He has called you to do, what He wants you to become, the level He wants you to attain and begin to trust God to uplift you to that level. You measure your life according to the purpose of God for your life and with how far God wants you to reach.

•Father, show me by your Holy Spirit in my life the length, the breadth, the height, the depth of your calling and purpose for my life and destiny. Father by your Holy Spirit in me show me the scope of my life and calling, show me how wide it is, show me how high, how long and how deep it is so that I will know how far to run, so that I will know how to make use of my time, so that I will know how to pray and how to live my life, show me Father. Father show me the scope of your purpose and calling for my life in Jesus' name.

⇒ Most Christians are not burdened about why they are here, why they exist, why they were born and because of this the angels ordained to work with them for the fulfillment of their destinies cannot do any work. Have you ever thought about why you are here, are you concerned about it? God is looking for people who are burdened and concerned about their lives. To be apostolic means you are walking in the reason why you were sent into this world. The reason why you were born is your Cross.

•Father, I want to be a wise Christian help me to carry the cross of my purpose in you, help me to carry my cross daily. Father, help me to always carry the cross of my purpose, fill me with the burden of my purpose in this world, fill me with the burden of my divine purpose in this earth. Lord, I want to be a wise Christian, fill my heart, my soul, my mind with burdens of my purpose in you, of my divine purpose in this earth, help me to carry the cross of my purpose everyday. Help me to be found doing things that pertain to the purpose of my existence everyday in the name of Jesus. Lord, I want to be wise, fill my soul with burdens of fulfilling my purpose, help me to

not stop thinking about my divine purpose, help me to not stop talking about it or walking in it in the name of Jesus.

⇒ There is a lot that God will take you through when it comes to fulfilling your purpose in life. God will take you through some processes to prepare you for the fulfillment of His purposes. Some run away from the process, the more you run away the more your process continues, the more your afflictions or sufferings will continue because all the blessings and help God wants to release in your life are inside the process that you have to go through.

•Father, help me to be wise and help me to embrace every process you are taking me through that pertains to the fulfillment of your divine purpose for my life. Father help me to be wise and to embrace every process you are taking me through to prepare me for the fulfillment of my divine purpose in the Earth. Father, help me to embrace the process whether it is painful, convenient or not convenient, Lord help me to go through the process. Lord help me to embrace every process you are taking me through to prepare me for the assignment you have for my life and destiny, the process to prepare me so that I can fulfill your divine purpose for my life, Lord help me to go through that process in the name of Jesus.

⇒ Most Christians hate the will of God including ministers of God because the will of God is not always in line with our desires. The will of God is always opposite to the direction of what we want. Some people, for five years, are still denying the will of God despite knowing what they are supposed to do because they don't want the kind of life they are supposed to live by being in the will of God. Do you love only the will of God that agrees with your desires? There is a will of God concerning everything in your life, for the way you talk, the way you dress, the way you think, how you should do business and in your career, etc.

•In the name of Jesus I receive a heart of obedience that loves the will of God, that always wants to do the will of God. I receive a heart of obedience that loves the will of God in the name of Jesus. I receive a heart of obedience to always desire the will of God, to always love to do the will of God, I receive a heart of obedience in the name of Jesus.

⇒ Whatever you are asking God to do, be it good marriage, wealth, good health or riches, they are all inside doing the will of God. As you do the will of God you will catch up with those things. The will of God is a highway and everyone that is following that highway will be sure to meet those things they have been asking God for, even more than their requests. The devil is turning many against the will of God because he knows by doing so their prayers will not be answered because they will be out of the highway of God.

•Father, however way I have stepped outside your will for my life, oh Lord bring me back, be it in my dressing, the way, I talk in my attitude, in my emotions and feelings, in whatever way I have stepped out, Lord bring me back. Lord I want to be in your will, I want to do your will, however way I have stepped out of your will, Lord bring

me back in the name of Jesus. Lord, bring me back into your will, please bring me back for that is the only place I can fulfill my destiny, that is the only place that I can find all eternal blessings you have been ordained for my life. Oh Lord please bring me back for that is the only place I can fulfill my calling as it is in you, oh Lord please bring me back in Jesus' name.

⇒ Lord Jesus, give me strength to do your will, strength to live for you and not for myself, make it easy for me to do your will. Lord Jesus make it easy for me to do your will, Lord I know my flesh don't want to do the right thing, I know my flesh hates your will but Lord give me the strength to rule over the flesh, give me the strength to overcome my flesh, give me strength to kill the desires and passions of my flesh, give me strength to do your will. Lord Jesus give me strength to live for you and not for myself, help me Jesus to live for you in Jesus' name.

⇒ Some of you have been deceived by another spirit that is why you are not in the will of God. Maybe the spirit is giving your dreams or has been speaking to you thereby deceiving you or the spirit has been speaking through other people to confuse and mislead you.

•Raise up your right hand. In the name of Jesus I invoke the Fire of the Holy Ghost upon every spirit of darkness deceiving me to go out of the will of God, to do contrary to the will of God, let the Fire of the Holy Ghost destroy them. However the spirit has been deceiving me through my thoughts or through people around me, through my dreams or visions, let the Fire of the Holy Ghost fall and consume them now in the name of Jesus. I come against every spirit of darkness deceiving me to take me out of the will of God, Fire of the Holy Ghost consume them now in the name of Jesus. Fire of the Holy Ghost destroy them now in Jesus' name.

⇒ After you have done the will of God, there's an aspect of performance of the will of God. There's an aspect in the will of God you are responsible for where God will empower you to live a holy life, to evangelise, do assignments given to you, giving, tithing, etc and then there is an aspect of the will of God which God is responsible for.

•Father, stretch forth your mighty hand and perform your will for my life for this hour, for this moment, for this day, for this age of my life and time of my life. Father stretch forth your mighty hand and perform your will for my life for this time of my life, stretch forth your hand oh God. Perform your will for this time of my life, for this hour of my life, for this age of my life. **\*I decree over your life that the mighty hand of God shall work in your life for the performance of every will of God that is already due to be done in your life, the mighty hand of God shall work now and perform them all in Jesus' name.**

**HEBREWS 10:36-37**

⇒ You receive the promise by doing the will of God. That promise is also the will of God. There are some personal lessons God wants to teach you, until you learn those lessons you might not experience breakthroughs. The earlier you learn these principles and lessons the better. Do not lengthen your process by running away from the lessons.

•Father, teach me your kingdom principles that cause breakthroughs in the Earth, teach me to do your kingdom principles that open doors in the Earth, teach me to follow the principles of heaven here on Earth that will liberate my life to become who you want me to be. Father, teach me to follow and do the principles of your kingdom on Earth that will cause me breakthroughs, progress, and success in my life. Biblical principles and divine principles, teach them to me oh Lord. Principles that I must follow to be able to walk in the supernatural, to enjoy endless miracles, to be able to see and walk in your glory, Lord teach me those principles I want to learn, teach me Father in Jesus' name.

⇒ Father, let the good things I have lost through being impatient, Lord in your mercy direct them back to my life, push them back to my life in the name of Jesus because I am now ready to trust you, to wait on you, to do the will of God. Father every good thing I have lost through being impatient, through unbelief and doubt, everything I have lost to darkness through impatience, Lord send them back into my life, channel them back into my life in the name of Jesus, restore them back into my life in the name of Jesus, restore them back oh God in Jesus' name.

⇒I see that there is a great journey before some of you. God has an intention of taking you very far- there is a lot you are yet to do for God. Whatever you are doing now is just a fragment of what you are meant to do for God

•In the name of Jesus, I receive strength to walk in the path of destiny, I receive strength to be committed, devoted, and dedicated to the things that pertains to my destiny, to the things that pertains to God's plans for my life. I receive strength to be committed, strength to walk that path of destiny, the path of the fulfillment of God's purpose for my life, I receive strength to walk that path. I receive strength to be devoted, to be committed, to be dedicated to doing that thing God has called me to do in the name of Jesus. I receive strength to walk through the path of destiny, I receive strength to be committed and devoted and dedicated to everything God wants me to do for Him in the name of Jesus. I receive strength to be committed to do God's purposes and plans for my life in the name of Jesus.

⇒You have to be serious with the things of God more than you take secular things seriously. This is how you will go far in accomplishing God's plans for your life.

•In the name of Jesus I receive strength to do spiritual exercises that will move me forward in the journey of fulfilling destiny. I receive strength, I receive strength to be doing spiritual exercises, to do spiritual tasks, spiritual assignments that will move me forward in the journey of fulfilling destiny, I receive strength now. I receive

courage, I receive strength, I receive courage, I receive strength in the name of Jesus.

⇒ The spirit of the Lord is saying that your tears shall end, God will comfort you. God comforts you by dealing with the situation that is causing you discomfort.

•Father, comfort me by your mighty hand, let your mighty hand wrought mighty miracles to comfort me, to wipe away my tears. Father let your mighty hand wrought mighty miracles, signs and wonders to comfort me even now in the name of Jesus. Lord let your mighty hand perform signs and wonders to comfort me, to end my pains and sorrows. Move in a mighty way in my situations to end my suffering, pains and discomfort in the name of Jesus, Amen.
