### THANKSGIVING PRAYER

Father we worship and bless your name, King of glory, King of kings, Most High God we honour you. We say thank you for your grace we have enjoyed and we have continued to enjoy. Thank you for your presence, your power working mightily in our lives. Thank you for your divine strength giving us help and breakthroughs from every side. Thank you Lord for how you have made us victorious over the powers and demons that have appeared to be stronger than us. Thank you for making ways

out of no way, thank you for divine visitations, divine provisions and fighting our battles blessed be your Holy Name.

Oh God I ask that you help and intervene in our situations more than our expectations. I ask that you do miracles of surprises in each life connected to this prayer session. Thank you Father because I know you will answer, have your way right here and let your name be glorified in Jesus' name we prayed, Amen.

## **PRAISE AND WORSHIP**

Father we worship you, we bless your name, you are wonderful, powerful, gracious, merciful, kind, so loving, you are a caring Father. Your dominion is above all, your strength is above all and there is nothing impossible with you. We bless you Father, you are the one who speaks and it happens because you do whatever you say, blessed be your Holy Name, Amen.

## **PRAYER POINTS**

⇒. Raise up your right hand. Father, I thank you for your faithfulness, thank you because you are a faithful God. Thank you that whatever you say you do it, thank you for your ability and capabilities in my life. I thank you Lord because you are the one who makes promises and does exactly what you say. I thank you because I have access to your abilities and by your abilities I have my breakthroughs, strength and I will fulfill my calling and destiny, not by my ability but yours. Thank you for your faithfulness towards me because believing in you assures me of great victories because you are a faithful God. In my life you are here and I shall see your faithfulness all the days of my life.

⇒. You need to understand that whether you believe the truth or not, the truth always prevails. It is very sad for Christians who do not believe while there are unbelievers who believe and the truth is working for them. The truth is the truth and it will prevail whether we believe or not. Do you believe in the truth that the Word of God teaches? IF YOU BELIEVE that truth will produce results.

•Father I thank you because your truth will produce great results in my life because you are not a man that will lie. Thank you Lord because your truth will work wonders in my life, the truth of your Word, the truth you have revealed in the scriptures will produce greater miracles, success and results in my life. Thank you because your truth always produces freedom, healing, deliverance, breakthroughs and prosperity. Everything you have said is true and I believe it and I know it will work in my life. Thank you Lord because your truth will prevail, I thank you because your truth will win, work and prevail in my life.

⇒. We do not belong to a kingdom that operates by trial and error but to a Kingdom that is real that does not make mistakes. The Kingdom of God is so perfect in

operations that it does not make mistakes, it will start a work and complete it and the work will reveal the greatness of God on the earth. Do you believe in what the kingdom of God is capable of? If you have doubt, unbelief or fear, then there are lots of good things you will not be able to get.

•Father, I believe in the perfection of the operations of your Kingdom, the greatness of your power, the power of your kingdom, of your Word, of your truth. I believe, let me see your glory as I pray tonight. I believe in the greatness of your power, in the authority of your truth, Lord let me see your glory tonight. As I manifest faith in your abilities, let me see your glory, wonders and victories. Lord honour my faith tonight with favour, miracles, blessings, breakthroughs, deliverances because I believe in your Word, your truth and authority.

⇒. You know that which is true in that, the truth always prevails. When the Word of God says you are healed, that means you are healed whether you believe it or not. The problem of our generation is not that heaven has lost its abilities, or the Word of God has lost its potency and efficacy but we are the ones with the problem of faith. God does not have problems with Himself, He is full of strength and power and can do anything because He is God. He has never lowered in strength or power or wisdom but He is always increasing in all these things. Prayer, the Word of God, the kingdom of God is always working for those who will ALLOW the kingdom, the Word and prayer to work in their lives.

•Father, whatever that is wrong with me that is making the Word of God not to produce results in my life, making the kingdom of God not produce great results in my life, oh God I open up my life to you, come and fix my life. Father everything wrong with my faith, with my heart, Lord fix it. I refuse to be moving in circles but I want to reap the benefits of faith, I want to enjoy the benefits of faith and of the kingdom of God here on earth. Lord everything wrong with my life, wrong with my lifestyle, attitude and mentality that is cutting me short from all the good things that comes from you, oh God heal my life, fix my heart.

⇒. Place your right hand on your head. Father from today let my life become a fertile ground that produces great and mighty blessings, great prosperity and great increase. Lord let my life become a fertile ground where great things spring forth, where everything planted yields great results, where the Word of God is producing great increase and results, where my prayers are working. Let my life become a fertile ground where your angels will come and work and there will be instant miracles and blessings, where all the promises and prophecies that have come forth from the Holy Spirit come to pass. Where heaven is revealed with power here on earth.

⇒. There are some fallow or hard grounds that no matter how much you labor nothing comes out. There are some Christians despite your investment in teaching them, they will not understand what you're teaching them and it makes the teachers

and preachers look like they're doing nothing. Hearing the Word of God to them is like watching news it comes in and goes out, nothing stays to produce increase

- Raise up your right hand. Father visit my life and break up my fallow ground, let every hardness, dryness, barrenness in the ground of my life be broken and let my life become a fertile ground. Oh God of Israel, visit me and break up my fallow ground, let your angels begin to break them, let my life become a fertile ground where every good thing spring forth, where everything I lay my hands upon yields success and prosperity, Lord where I grow spiritually, where I understand the realities of heaven.

⇒. When God breaks up fallow ground, He is going to uproot a lot of things. Most of our lives are full of unwanted things that is why the Kingdom of God is not working in our lives. We have embraced so many weeds that have nothing to do with our destinies, with God or the Kingdom of God.

- . Raise up your right hand. Father release your angels into the ground of my life and let them begin to uproot every unwanted plant and weed, let your angels begin to clear them up. Every unwanted plant, demonic plantation, dark plantation, dark establishments and strongholds of darkness that is prevailing in the ground of my life, let the angels begin to uproot them right now in the name of Jesus. Lord by angelic intervention, I reject everything that you have not planted in my life, let your angels begin to pluck them out of my life right now.

⇒. There are some plantations which grew up with you from the time you were born up till now.

- Father, stretch forth your hand and uproot every evil plantation that grew up with me, with my body, soul, and spirit from the day I was born up to now, oh God by your mighty hand uproot them all. Every witchcraft plantation, ancestral darkness plantation, evil plantation that grew up with my life from childhood, from the day I was born up to now, let your hand uproot them.

⇒. Some of the things are residues or remains of the wrong lifestyle you once lived before though you are no longer living that sinful life. There are things that happened when you were living in sin and disobedience which were planted into your life and they're still there.

- Raise up your right hand. Father let your fire uproot and destroy every plantation of darkness that came as a result of my past life of unrighteousness, of disobedience, oh God let your fire uproot them now. Every plantation of darkness growing in my life as a result of the life I lived in the past, oh God let your fire visit me now and uproot and destroy these evils now in the name of Jesus. Destroy those plantations right now, uproot them by fire in the name of Jesus.

⇒. There are certain things we have embraced in ignorance without knowing it is wrong to embrace or believe such things, these are also the unwanted plants stopping the kingdom of God from producing results.

•Father every evil that I have embraced through ignorance, every evil plantation I allowed into my life through ignorance, oh God visit my life and uproot them. Every evil plantation, demonic plantations that I allowed to be planted and grow in my life because of my ignorance, Father let them be uprooted now by your right hand in the name of Jesus, pluck them out of my life forever.

⇒. There are some people in your life who aren't supposed to be in your life and as long as you keep this friendship or them, the kingdom of God cannot work in your life. You need to be very careful with the people you embrace.

•Father every person and people, relationship and friendship that I have embraced and attached myself with that are limiting the operations of your kingdom in my life, that are stopping your Kingdom to produce great increase and great results in my life; oh God separate me from them, let those friendships end tonight. Every group of people I have attached myself with or who have attached themselves to my life that are limiting your Kingdom from producing results in my life, oh Lord let there be separation by fire right now. Every ungodly relationship or friendship that I have embraced that is stopping your Kingdom, the Word of God, the truth from working in my life, oh God, separate them from my life permanently.

⇒. THINGS YOU PLANTED. There are some plantations you planted yourself and you are still planting which are a hindrance for the move of God in your life. Therefore you have to repent. Any ministry that does not call people to repentance is not of God and it has been programmed by the devil to destroy lives and destinies. It is working for the kingdom of hell to draw souls to hell. Without repentance you cannot make heaven or fulfill destiny because the Kingdom of God cannot come into your life.

•Father, I repent of everything I have planted into my life, I repent today, let such plantations cease to grow in my life, let them be uprooted. Father every evil thing I have planted in my life which has become a hindrance to your move and successful operations in my life, oh God I repent of these things and I expose them to you, begin to uproot them now in the name of Jesus. Lord, destroy and end those things from my life.

⇒. Most of us fear the enemy more than we fear God. You're more concerned about how powerful the enemy is than how mighty and great your God is. That alone is a plantation that is making the Kingdom of God not to work in your life.

•Place your right hand on your head. Father, uproot from my life, spirit, soul, every plantation of the enemy uproot them right now by fire. Every plantation of darkness, every spirit causing me to fear the enemy, causing me to be more sensitive to the power of the enemy than the power of God, let that spirit come out of my life in the name of Jesus. Every plantation of darkness promoting the fear of the enemy in my life be uprooted right now by fire in the name of Jesus.

⇒. The Holy Spirit once told me not to follow the signs of physical manifestations which are happening caused by the enemies or the physical manifestations coming to you or life by demons, because signs can be deceptive, symptoms can be confusing. But you must follow after the truth, be moved by the truth and not by what you can see or feel because if you do you won't see the Kingdom of God manifesting in your life.

•Place your right hand on your head. Father let my faith be withdrawn from every physical science and physical manifestations of the enemy happening in my life. Let my faith be grounded, rooted and established in the truth and let my faith be disconnected from physical signs and symptoms I can feel in my body or life. Let my faith be grounded and rooted in the truth because that is where my victory is, not in what I saw in the dream or how the enemy is attacking me. Let me be rooted in what your Word says, what the Bible teaches, let my faith be in you and not in signs and symptoms.

⇒. The truth will always prevail, that is why if we believe the truth we will always prevail. Jesus is the truth whether we believe or not. It is wise for you to believe the truth so that you can prevail. Many people have stopped believing because they feel they have believed a lot but nothing has happened so they have no reason to continue believing. Just because you didn't see results does not invalidate the truth. Believing anything that is against the truth is a licence for failure. If you believe that Jesus cannot heal then you have failed in that realm of healing.

•Father, I reject whatever I have believed that is against the truth of God, I reject them, pluck them out of my life forever. Whatever I've accepted, agreed with, believed and embraced that is against the truth of God's Kingdom, oh God I reject them now in the name of Jesus. Oh God, begin to uproot them out of my life. I surrender to the truth, I surrender to righteousness.

⇒. God wants to reveal some wonders that have never happened before but you have to believe that with God all things are possible.

•Father, establish and enthrone in my heart, unlimited faith in your abilities and capabilities. Establish in my heart such a great faith that believes that nothing is impossible with you, great and unlimited faith in who you are, unlimited faith in your greatness. Lord put such faith in my heart and spirit, enthrone such faith in my mind, my soul.

⇒. EMBRACING DISOBEDIENCE, REBELLION AND SIN. Deliberate sins leads to a closed heaven. Once heaven is closed over your prayers and spirit you will not be able to connect with God, even when you feel the presence of God still there will be a limitation of what that presence will do in your life or produce in your life.

•Father, I repent of every rebellion and disobedience that I have embraced in my life, Lord uproot such a heart of rebellion, heart of disobedience from my life. Lord I repent from deliberate sins, oh God deliver me, remove such a stony heart, a

stubborn heart from my life because I want to see you moving in my life, I want your Kingdom to produce great works in my life

⇒. NOT GIVING GOD TIME. Whereby you dedicate your time to things which are ungodly or unspiritual things which have no connection with divinity or with the presence of God. This is a limitation to seeing the move of God in your life, God cannot be mocked and is not partial, what you sow is what you reap. The way He will manifest to someone who has put aside many hours to see Him is different for someone who puts seconds to seek Him.

•Father, I repent from dedicating my time to things that have nothing to do with you or heaven, to worldly things, things that have nothing to do with you or your kingdom, Lord deliver me from such foolishness, attitude and behaviour. I repent tonight from every act of not giving you enough time, you have given me 24 hours, forgive me for not giving you much of it. Deliver me from the foolishness of time-wasting, from the spirit of time-wasting in the name of Jesus.

⇒. REJECTING ACTIVITIES OR EXERCISES THAT LEADS TO SPIRITUAL GROWTH. This is a limitation to the move of God in your life. Prayer, worship, bible study etc on a personal basis help you to grow. You not doing things that lead to spiritual growth is a limitation. You have to engage more in personal study or worship apart from church or group meetings.

•Father, I repent from not doing things that lead to spiritual growth, I repent from setting other things as higher priorities above the things of your Kingdom, deliver me. Father I repent for setting other things as more important than the things of your Kingdom, I repent for not taking personal prayer seriously, personal worship and bible study seriously, deliver me Lord Jesus.

⇒. ACCURSED THINGS. These carry the presence of evil in themselves. Having these things in your life can automatically make God to be far from you. Some of these things are things which are not legally yours, they can stop the move of God in your life. Until you return those things to the rightful owner, God cannot move in your life. Things sacrificed to idols can stop the move of God, things from false prophets and witch doctors, some cosmetic items are manufactured by demons and transferred through demonic technology into the earth realm. Embracing all these things, using them and having them in your house can close heaven over you.

•Raise up your right hand. Father let your light shine and expose every accursed item I have in my possession so that I can get rid of them. Lord Jesus, shine your light upon my life and expose everything I have brought close to me that was from the dark kingdom, reveal every item that I must return to the rightful owner shine, your light and reveal these things that I may get rid of them as quickly as possible. Do it Father because I want to enjoy your move in my life. I want the Kingdom of God to work in my life.

⇒. TESTIFYING WITH YOUR MOUTH AGAINST THE WORD OF GOD. Some people will say negative things like my life is finished. I am finished, my life is useless. As you say negative things about your life, over your life, you are promoting evil with your mouth and the Kingdom of God cannot work in your life because it works with your confessions. When all appears not working and seems as if the enemy is succeeding, you must never confess negatively or speak badly, be as positive as you can.

•Father, deliver me from negative confessions. I repent from testifying things that are contrary to the truth, from speaking things that are against the truth of your Word, oh God deliver me from the spirit of negative confession, of negative utterances. Deliver me from speaking things that are not true, confessing things which are against your plans and will for my life. Deliver me from such a spirit causing me to speak negatively.

⇒. LAZINESS. There are tasks or actions to be done, you have the strength to do them and you know you are supposed to do them but you are not doing them. Most Christians don't move forward not because of witchcraft attacks but because of laziness.

•Father, I repent from embracing laziness in my life, uproot from my life the spirit of laziness. Uproot from me every lazy spirit. I reject laziness, deliver me oh God, let me be full of zeal to do things that must be done for my life to move forward. Let me be full of zeal, strength and courage to do what I have to do, when I have to do it.

⇒. PROCRASTINATION is a spirit of limitation.

•Father, I repent from procrastination. Lord uproot that spirit from me. Every spirit causing me to procrastinate things which are so vital to my destiny and growth at this time, oh God let your fire banish such spirit from my life permanently and deliver me from influences of procrastination in the name of Jesus. Deliver me from the spirit causing me to procrastinate things which are important to my destiny fulfillment.

⇒. God is so merciful, He can visit your life and help you and not leave you alone until His will prevails in your life.

•Father according to your mercy, visit me and do not leave my life alone until all your will prevails in my life, do not leave me alone until you have done all you have in mind for me at this time. Father according to your mercy, visit me and stay with me until all that you have for my life and destiny is accomplished. Lord do not look at my mistakes and shortcomings but visit me and help me till the end. I know I make mistakes and behave like a child but Lord, if you are with me and help me, I will be perfect therefore, visit me, hold my hands and help me until I become the person you want me to be and all your desires for my life are accomplished. Stay with me, walk with me in the name of Jesus, Amen.

## CLOSING PRAYER

Raise up your right hand.

Oh God of Israel we bless you, we thank you for your love, your kindness and mercy. Thank you for your grace that you've made available for all of us in this prayer session. Thank you for showing us your light, your righteousness, your ways be thou exalted forever in Jesus' name.

Father, I ask for everyone listening to my voice right now, as they have all trusted in you and expressed faith in you in the place of prayer tonight. I ask oh God that you intervene speedily to help everyone under my voice now right now in Jesus name. I decree over your life that beyond what you have asked the Lord for, the hand of God shall do great things in your life beyond your expectations. The hand of God shall satisfy you beyond your expectations in the name of Jesus. I decree that from today the kingdom of God shall begin to produce greater miracles and results and blessings in your life in Jesus' name. Things that have never prospered in your hands before because you have embraced the truth, I decree that they shall now begin to prosper in your hands, henceforth in Jesus' name. Good things you haven't been able to possess or to attain before because you have embraced the truth of the kingdom of God, I decree let your hand begin to lay hold of those things now in Jesus' name. Let your hands begin to attain those things you haven't been able to for many years.

I speak over your life, from today there shall not be anything termed impossible in the name of Jesus. Nothing shall be termed impossible in your life henceforth in Jesus' name. I decree while you are thinking about the possibilities of life, about how your marriage, business, will prosper; how your marriage will become possible, how your greatness will happen, they shall begin to happen to you instantly even before you open your mouth to pray for God to do good things in your life. While you're meditating all those good things shall begin to appear in your life in the name of Jesus.

I remove from your life this day every barrier that has been put up by the kingdom of darkness against your rising and progress. I remove those barriers from your life right now in Jesus' name. Receive help to rise in the name of Jesus, help to attain your place of honour and greatness and victories in the name of Jesus Christ. You shall be celebrated in the name of Jesus.

Doors shall open for you, doors that have refused to open for many others but because you are connected to this anointing in this meeting, those doors will begin to open before your eyes in the name of Jesus and so shall it be in the name of Jesus.

Thank you Father because we know you have answered these prayers, blessed be your Holy Name. It is done in Jesus' name, in Jesus' mighty name I have prayed, Amen.

**Don't forget the things that I have mentioned in this prayer session, do not allow the enemy to steal them from your heart especially those things that you have to uproot personally out of your life. Do not forget and the Lord shall bless you in Jesus' name Amen.**

## 06 MARCH 2021

Lord I hand over the session to you, come and have your way, come and take your place, let your Spirit lead us as we pray and let your strength give us victories and breakthroughs. Thank you Father because we know you shall do beyond our expectations blessed be your Holy Name in Jesus' name, Amen.

### PRAISE AND WORSHIP

Father we worship and bless your name, you have been so good and gracious to us. Surely I will love you forever, I will praise you forever, I will worship you forever. You are such a loving and caring Father, such a merciful Father, you have shown me great mercy, and kindness and I cannot return everything but all I can do is praise you and thank you. Blessed be your Holy Name Father. In Jesus' name, Amen.

### PRAYER POINTS

⇒. Lord Jesus, thank you for saving my soul, thank you for coming to die for such a wretched person like mine. I was blind but now I can see, I was lost but now I am found, I was in darkness but now I am in light, thank you for this great deliverance

you purchased for me, that you bought for me. Lord thank you for your immeasurable love, precious love you had for me and still have for me. Thank you for coming to save such a person as me even when I don't deserve it and now I am free, delivered, I am in the light no longer in the dark. Lord, I am grateful for what you came to do and what you are here to do in my life. Thank you Lord Jesus for saving my soul, for it is more than gold, more than anything on earth, that you came to save me.

⇒. There are a lot of things that happened on the cross of Calvary when Jesus Christ died that authorised a lot of things for us. The moment Jesus died, He put an end to spiritual death, and now man can be alive to his God, and have access to God and is able to relate to God personally.

•Oh Father, I acknowledge that Jesus destroyed spiritual death on the cross of Calvary therefore let your power come upon me and revive me, let my spirit be delivered from spiritual death. Let me come alive to know my God, feel my God, connect with my God, and relate with my God. I want to have access to heaven, I want to know you Father, deliver me from spiritual death because Jesus destroyed death on the cross of Calvary therefore let my spirit man come alive by fire. Let my spirit catch fire from heaven and let me be revived to know God. My spirit wake up to know God, to know your God, to connect with your heart and hear from your God.

**\*Every death that is ruling over your spirit, let it be destroyed right now in the name of Jesus and let your spirit come alive by fire in the name of Jesus.**

⇒. Spiritual death is the greatest enemy of mankind to your soul. Spiritual death is whereby you are disconnected from God and you cannot connect with God with your spirit. If you're dead spiritually, your prayers will never touch God because it takes spirit to relate with spirit.

•Place your right hand on your head. Father deliver me from every darkness that has killed or is killing my spirit, let your fire fall upon me and deliver me. Fire of the Holy Ghost fall upon me right now, deliver me from every darkness that has killed my spirit. Every darkness killing my spirit, catch fire right now. I refuse to be dead in my spirit, I am not agreeing with spiritual death. Let every darkness killing my spirits catch fire right now in the name of Jesus. Holy Ghost fire come upon me and consume every darkness killing and weakening my spirit man, let the fire of the Holy Ghost consume such darkness.

⇒. The beauty of Christianity is a real relationship with your Father, where you can relate with God by your spirit. Any Christianity void of relating with your Father in the spirit, it's a fake Christianity. When last have you felt God inside your spirit or heard from God?

•Father reach for me by your hand and pull me out of every death that is stopping me from having fellowship with you by my spirit. Pull me out from every pool of death that is destroying my spiritual relationship with you, stopping me from receiving revelations from you, let it be terminated. Let me enjoy a sound and real relationship

with you. Let me be able to speak to you and hear from you, to receive revelations from you. Destroy the stronghold of death on my spirit in the name of Jesus.

⇒. Jesus destroyed the kingdom of darkness, powers and principalities on the cross of Calvary. They had been so strong over mankind but Jesus disarmed them, took away all their power and dominion over mankind. It is wrong for your life to be under the rule of Satan and his agents anymore because Jesus already terminated all their rule, reign and authority on the cross of Calvary.

•Raise up your right hand. I acknowledge that Jesus destroyed the rule, reign and power of Satan and his Kingdom on the cross of Calvary therefore I come against every power of darkness that is claiming possession, lordship and control over my life, let the anger of God consume them all. My life is not for demonic operations or demonic attacks in the name of Jesus, let the anger of God waste them all. Every power that is claiming dominion over my spirit, soul and body, in the name of Jesus be consumed by fire. I acknowledge that Jesus terminated all the powers of Satan and his agents on the cross of Calvary therefore I come against whatever Satan and his agents are doing against my life, let the anger of God waste to them all.

⇒. Jesus publicly disgraced them. God put an enmity between the seed of a woman and the seed of the serpent(devil). The serpent bruised the heel of Jesus when he nailed him on the cross of Calvary but immediately when Jesus died, Jesus bruised the head of Satan, He crashed his head and principalities, powers serpents and scorpions. They are now so weak, they have no power so do not be afraid of the kingdom of darkness.

•Raise up your right hand. In the name of Jesus, I acknowledge that Jesus crushed the head of Satan and principalities and powers on the cross of Calvary, therefore every devil tormenting my life and destiny, let the hammer of heaven crush their heads in the name of Jesus. Every devil, every serpent, agent of the satan tormenting my life and destiny, let the hand of God crush their hands. I acknowledge Jesus crushed the head of Satan and the antichrist, of principalities and powers, therefore I come against every agent of Satan, satan, demons, powers troubling my life and destiny, calling and ministry, marriage and business, let the hand of Jesus begin to crush their heads in the name of Jesus. Let the hammer of God break their heads in pieces.

⇒. Jesus destroyed the influence control, power and dominion of the kingdom of darkness on mankind on the cross.

•Place your right hand on your head. In the name of Jesus, I belong to the kingdom of God, I belong to the kingdom of Jesus Christ, I surrender and I submit to the kingdom of Jesus Christ. Every other kingdom that is attacking my life and destiny, let the anger of God fall upon them and consume them. Every kingdom in the second heaven, under the sea, in the atmosphere that is claiming control and possession, ownership over my life and destiny, let the anger of God begin to waste them, let the

anger of God consume them all because I belong to the Kingdom of Jesus. I withdraw my spirit, soul and body from the dominion of the kingdoms of darkness.

⇒. The moment Jesus died, the devil and the kingdom of darkness lost the battle, he lost everything to Jesus. Everything they had in their control was lost to Jesus. Jesus is now the one in charge. The reason why Satan is still in charge is because you have not prayed the way you should pray, because through your prayer, that which looks as if Satan is controlling, your prayers can remove Satan from that position.

• I withdraw all the affairs of my life from the dominion and control of Satan and his agents, my life belongs to the Lord. My destiny, marriage, career, business; everything I am, everything belongs to the Lord Jesus, therefore I withdraw all my life from the dominion and control of Satan and his Kingdom right now, I withdraw all that is in my life from the control of darkness. Let fire fall and consume all influence and control the kingdom of darkness has over my life. I withdraw all the hours of my life, the minutes, hours, the seconds, my body, soul and spirit, all of my life from the influence and dominion and control of Satan and his kingdom.

⇒. Everything that Satan has in his possession doesn't belong to him, we are the ones who gave it to him because we came out of God's Kingdom. Whenever you sin you are giving the devil what he has because you are rejecting the kingdom of God.

• Raise up your right hand. In the name of Jesus, I command the release of all that belongs to me that is in the possession of the kingdom of darkness, let fire get them for me. In the name of Jesus, I command the release of all that belongs to me, to my destiny, calling, ministry that is currently in possession of Satan and his demons, let them be released by fire, I get them back right now in the name of Jesus.

⇒. The victory that happened on the cross of Calvary is so strong that it prevailed in everything that exists.

• In the name of Jesus, I acknowledge that Jesus prevailed in every realm, therefore I declare wherever my destiny has been caged in the realm of darkness, let the power of Jesus release my destiny unto manifestation right now. Let the power of Jesus release my destiny to manifestation. Every realm of darkness that has captured my destiny, begin to release it now in the name of Jesus. Jesus prevailed in all the realms in the earth and in the heavens therefore let my destiny come out to manifestation in the name of Jesus.

⇒. Jesus prevailed over every government, over every nation and every country. Where Jesus is, there is no god of the land.

• Raise up your right hand. In the name of Jesus, I acknowledge that Jesus prevailed in every land and nation, therefore I command the release of my destiny from the control of the powers ruling the country, I command the release of my destiny from the control of gods ruling my land, my hometown from their control. I command the release of my glory, my destiny from the dominion and control of the gods of the land. Let my destiny be released into manifestation. My destiny manifest now,

because Jesus prevailed over every land and nation. I withdraw my life and destiny from the slavery and control, dominion oppression of the rulers of darkness in charge of my country, village, city. My destiny, my glory is released to manifestation right now in the name of Jesus.

⇒. A lot of injustice happened in some nations. There are countries that are filled with people who are not the people who discovered and pioneered that land. When foreigners were going to steal the land from the people, there was a lot of bloodshed and wickedness. In many nations there is innocent blood crying for vengeance against the inhibition of those nations including the unborn child, crying out to God for vengeance. Jesus prevailed over those cries, the judgement which was supposed to happen to the people in those countries because of how they took over the land, was weighed by Jesus.

•In the name of Jesus, I connect my life and destiny with the victory that happened on the cross of Calvary, I decree that every evil that is coming upon my life because of the error of my ancestors, I decree the. cancelled forever in the name of Jesus. Every evil that is rising over my life and destiny because of the errors of my ancestors, I decree by the reason of the cross of Calvary, let them be cancelled permanently right now in the name of Jesus. Every blood that is crying for vengeance against my life and destiny, because of the victory that happened on the cross of Calvary, let them be terminated forever.

⇒. Many governments of nations have partnered with the devil such that they have baptised the entire land and everyone on it to Satan, because they are the rulers they have handed over the nation to the devil but Jesus prevailed over governments of nations on the cross of Calvary.

•Place your right hand on your head. Lord Jesus remove my name from among those the government of my nation have baptized to the devil. Lord Jesus remove my life and destiny from among thousands that the rulers of my country and governors have handed over to Satan, remove my own life and destiny from among them.

⇒. Lord Jesus, let your Kingdom descend upon the governments of my nation and let my nation be henceforth ruled by you and not by Satan or demonic rulers. Let the kingdom of darkness lose their control over this nation. Let your Kingdom begin to rule this nation. Lord I hand over this nation to your reign and control in the name of Jesus. Let my nation be ruled by you Lord Jesus.

⇒. Many nations or systems are ruled and controlled by the devil. The hospital sector, banking sector, academic sector, the devil appears to be the one in charge but Jesus prevailed in the systems. Every place where there are human beings, Jesus prevailed in those places.

•Lord Jesus, I decree and I declare your dominion over every system in my country, let every system begin to work in my favour because I belong to you. I declare your

dominion over every system in my country and let them begin to work to favour my life, ministry, work, career, marriage, destiny right now in the name of Jesus. I decree and I declare the dominion of Jesus, the victory of Jesus, the Lordship of Jesus, rulership of Jesus over every system in my country. I declare the Lordship of Jesus over the banking system and the financial system, from today, let everything that works in that system begin to work in my favour.

⇒. There are portals in this earth that are connecting to the kingdom of darkness. These portals are in the rivers, sea, air connecting the earth with the kingdom of darkness. We are not alone on this earth, it's full of many strange people who are not supposed to be here, aliens, strangers, foreigners who are not human beings. Jesus prevailed over the earth such that he can close all the portals. You should pray this prayer as much as possible time and again.

•Raise up your right hand. In the name of Jesus, I decree every portal giving access to demons, devils and agents of Satan into my life, calling, destiny, let them be closed up forever right now in the name of Jesus. I close them forever, by the reason of the victory that happened on the cross of Calvary. Every portal of darkness, Satan, principalities and powers, witches and wizards, demonic agents giving access to darkness and evil to enter my life, I declare they are closed forever in the name of Jesus. Every portal giving access to demons and aliens, scorpions, serpents to manipulate, pollute my life, I stand on the victory that happened on the cross of Calvary and I command every portal to be closed right now.

⇒. Jesus also terminated physical death. In Isaiah chapter 53 it says He shall prolong His days... Jesus died young so that those who believe in Him and follow Him will not die young. They will live long because they will not be living in their own lives but living the life of Christ Jesus. The reason for long life is because He terminated the agents of death which are sickness and disease.

•Place your right hand on your head. I stand on the victory that happened on the cross of Calvary and I command every covenant of untimely death upon my life to break right now in the name of Jesus. I connect with the victory that happened on the cross of Calvary and I decree that every covenant of untimely death upon my life is broken right now in Jesus' name. I command every covenant and influence of death upon my life, break in the name of Jesus. Every spirit of death upon my life be destroyed now in the name of Jesus. Jesus died so that I may live to fulfill my days. **\*According to the victory that Jesus won on the cross of Calvary, I decree the covenant of untimely death, the influence and curse of untimely death upon your life is hereby destroyed forever in the name of Jesus.**

⇒. Jesus ended sickness and disease on the cross of Calvary. By ending I mean He took away their power meaning that sickness and disease are not supposed to prevail or finish their course in your body system, they are not supposed to live in your body system at all.

•Place your right hand on your head. In the name of Jesus, according to the victory that happened on the cross of Calvary, let the strength of sickness and diseases in my life, body, blood, and bones be destroyed right now. Let the strength, dominion, influence of sickness and disease in my life be destroyed, be broken in pieces right now in Jesus' name. I decree let the strength of sickness and diseases be broken, be destroyed forever in the name of Jesus.

⇒. Because Jesus defeated sickness and disease on the cross of Calvary, with just a single command, sickness and disease will come out of your body instantly because they have no place to stay in your life.

•Raise up your right hand. I connect with the victory that happened on the cross of Calvary and I decree every sickness, disease, pain, wound, injury hiding in my body, I command them to come out right now in the name of Jesus. I connect with the victory of the cross of Calvary, I decree every disease ruling or moving in my body system, operating in my body system, I command them to come out right now in the name of Jesus. I command diabetes, hypertension, cancer, come out in the name of Jesus.

⇒. In the name of Jesus, I come against every curse of darkness that has followed me from childhood up to now, according to the victory that Jesus died on the cross of Calvary for, let the curse break right now in the name of Jesus. Every curse placed by my ancestors, that I inherited, any curse from anywhere that has been following my life for many years, I decree that curse is broken right now in the name of Jesus. Every curse I inherited from my father's lineage, mother's lineage I decree they are broken in pieces right now in the name of Jesus.

⇒. Jesus terminated sin and its power. The power of sin is the flesh, so Jesus destroyed sin and its power. That is how holiness, righteousness is possible because the power that makes people sin, Jesus destroyed it on the cross of Calvary. He destroyed the strength of sin, so as a Christian when you say this sin is stronger than you, you cannot stop it, it's because you love that sin. It's not because the sin is stronger than you because the power has been destroyed. If you're struggling with sin it means you love it and you have not allowed the grace to prevail in your life.

•In the name of Jesus, I connect to the victory that happened on the cross of Calvary and I decree an end to come to the rule and the reign of sin in my life. Let an end come to the dominion of sin in my life because Jesus destroyed the power of sin. I decree an end to the lifestyle of sin, I decree an end to a lifestyle of disobedience and righteousness, immorality, pollution, corruption in my life, by the reason of the victory that happened on the cross of Calvary.

⇒. Jesus destroyed the adamic nature, the human nature, the flesh, me, you self, Jesus destroyed it on the cross of Calvary. If you will embrace the grace that was birthed on the cross, you will see God destroying the power of you, the power of

yourself, He will destroy everything before your eyes. So many people don't want the flesh destroyed.

•In the name of Jesus, according to the victory that Jesus died on the cross of Calvary, I decree that the nature of sin, the root of sin in my life is destroyed, permanently uprooted right now in the name of Jesus. I command complete destruction of the sinful nature in my life according to the victory on the cross of Calvary. I decree complete destruction on the nature of sin, the flesh, and the adamic nature in my life. This nature is not of God, adamic nature, human nature is not of God but of the devil, an agent of darkness, therefore I command that it's destroyed right now in the name of Jesus.

⇒. In the name of Jesus, let the fire of the Holy Ghost destroy every sin addiction in my life, in my blood, body, soul and spirit. Let fire of the Holy Ghost uproot and destroy every sin addiction in my motions, feelings, organs, hormones; every sin addiction catch fire right now in the name of Jesus, be destroyed by fire. My life is not to serve sin, I refuse to be a slave to sin, therefore every sin addiction in my life, I command you to be destroyed forever in the name of Jesus.

⇒. The influence of the flesh is very strong and very diverse, it has branches. There is a way it affects your spiritual gifts, pollutes spiritual gifts and abilities. Some people's spiritual abilities or visions have been polluted by this flesh.

•In the name of Jesus, I command every influence of the flesh, sinful nature over in my spiritual gifts and abilities be broken forever, let them be destroyed forever. The influence of the flesh upon my spiritual gifts, I command you to break in pieces. The influence of the adamic nature, the carnal nature, sinful nature upon my spiritual abilities, spiritual relationship with God, I command you to break right now in the name of Jesus. Every pollution and corruption that the flesh has brought upon my spiritual gifts and abilities, I decree they are destroyed right now in the name of Jesus. I refuse to be deceived by my flesh when I am hearing from God. Lord the influence of the flesh on my spiritual walk with you, spiritual growth, abilities, and relationship with you let them be broken in pieces forever in the name of Jesus, Amen.

## **PRAYER POINTS**

⇒. Father, I thank you for your faithfulness. Thank you for being so faithful, when I needed you, you showed up and you met my needs. When I needed light in the midst of my confusion, you showed up and shined your light. When I needed comfort and encouragement, you showed up and comforted me, you encouraged me. When I needed peace, you showed up and gave me peace of mind. When I needed help and helpers, you showed up and gave me help and helpers. Thank you Father, I cannot thank you enough, no one can be as faithful as you are in my life.

⇒. Father, thank you for making your abilities available for my help, my lifting, success, career ministry, calling and family. Thank you for making yourself available and your abilities available for me. You made all your powers available to help me, save me, heal me, deliver me, liberate me, give me breakthrough, success and victories. You have made all of yourself and all that is in you available to me. Who am I to have such a great privilege, thank you Father. Thank you Lord for making yourself available for me.

⇒. God is too high and ever-growing higher in wealth, riches, in glory, you can never catch up with Him that's why we need to humble ourselves to have deep fellowship with Him. When you start taking Him for granted and seeing Him as a common person, that is when you don't see Him. As High as God is, He has brought Himself so low that He is now living in us. Do you know the greatness of the God that is inside of you?

•Father help me to humble myself so that I can enjoy a real deep fellowship with you, help me to know you as you really are. Lord help me to be humble that I may see your glory because only the humble shall see your glory, shall know you, shall have intimate relationship with you. Help me to walk in the Spirit of humility so that I will be awakened to know you as you are, so that I will receive revival to know you as you are.

⇒. As a Christian, what is in you is greater than what you can imagine. The God that is in you is so great than the things that you think are greater than you. The God inside of you is greater than the witchcraft you are afraid of, than the poverty you are suffering. Whatever things on the outside that are scaring you or tormenting you, remember there is someone inside of you who is greater than them all. Faith is how we overcome, those with faith will fulfill destiny, become prosperous, rich and wealthy. We enter into the glory of heaven by faith.

•In the name of Jesus, let faith arise in my heart to birth the greatness of God in my life. Father, let faith wake up in my heart, let it rise in my heart and let it give birth to the greatness of God in my life. Let faith begin to produce the greatness of God in my life. Let living faith rise in my heart and not scientific faith or not faith that is corrupt, let living faith in the power of God arise in my heart. I choose to have faith.

⇒. Faith is a choice. You can decide not to have faith and you will be on your own but when you choose to have faith then God will come to your rescue. If you feel God cannot handle your situation then He won't come to your aid. Without faith there will not be victories because that is what brings victory.

•In the name of Jesus, I choose to believe God, let the greatness of God be revealed in my life, let it be awakened in my life, spirit, soul, calling, ministry, marriage and destiny. I choose to believe God therefore let the greatness of God be birthed in my life. Lord, I make a determination tonight to believe you forever, whether I have an idea of how you will help me or not, whether it makes sense or not, I choose to believe you. I choose to believe you whether people agree with me or not, let my faith begin to produce great results and let the greatness of you be awakened in my life.

⇒. Greater is He that is in you than he that is in the world or than what you see as a greatest limitation in your life. If you can believe in the greatness of God that is in you, you will see the end of what looks like limitations before you.

•In the name of Jesus, I call forth the greatness of God in my life, arise the God in me, manifest right now and let every limitation of darkness in my life and calling be

broken in pieces. I connect with the greatness of God that is in me, I call forth the manifestation of the greatness of God upon my life right now, let the God in me arise and let limitations break in pieces right now. Limitations on my finances, spiritual growth, spiritual sight, ministerial assignment, calling, career, business marital destiny, marital life, I call upon the greatness of God within my life, let God arise now and let all these limitations be broken forever in the name of Jesus.

⇒. When the angel came to announce to Mary how she would give birth, Mary asked how it would happen. The angel said the power of the highest shall come upon you and that's how it will come to pass. How do we prosper or be delivered? By the power of the highest coming upon us because the power of the highest can do anything on earth if there are people who believe. The power of the Most high is the ingredient that will perform all the miracles you have been looking for.

•Raise up your right hand. Father let your power come upon me and make possible all that has been termed impossible in my life, career, calling, and destiny. Lord let your power fall upon me, my destiny, career and let all things termed impossible begin to come possible right now in the name of Jesus. Let the power of the highest come upon me and begin to give birth to all the miracles my destiny needs at this time, do it Father in the name of Jesus.

⇒. Place your right hand on your head. In the name of Jesus, let the power of the highest manifest upon me right now and let my life be delivered from every bondage of death, darkness and disease. Lord you are the power of the Most High, manifest yourself upon me and let me be delivered from death and weaknesses. Manifest upon my body my soul, my spirit and let them be delivered right now, be delivered from sickness, disease, death, darkness and demons in the name of Jesus.

⇒. There is a connection between the power of God in heaven and the presence of God inside of you. The anointing inside of you is connected to the anointing that will come upon you. Miracles happen instantly when the power inside of you comes into contact with the power upon you, that is what happens to people who experience instant healing. Miracles do not happen outside of what is inside of you; what's inside of you authorises what will happen outside of you.

•Father, let your anointing come upon me and let that anointing stir up the anointing that is in me for the manifestation of miracles, signs and wonders in my life. Father let the Holy Ghost come upon me and let him stir up the Holy Ghost that is inside of me for the manifestation of signs and wonders in my life. Let your power come upon me and draw out the anointing inside of me for the manifestation of the great miracles in my life. Let there be agreement, collision from the anointing coming from your throne and the anointing that is already inside my spirit. I want to see the explosion of power in my life, when the power in me collides with the power and fire coming from heaven.

⇒. For everything that is prevailing in the world, there is something in you that is higher than them all. Sin, sickness, disease, witchcraft, demons, poverty they are prevailing but there is something in you greater than them all. All you have to do is believe in the greater one in you.

•Father, let your power come upon me and lift me higher than everything that is ruling over my life and destiny, that is claiming dominion over my life and destiny, raise me above them all. I believe in your Word which says greater is He that is in me than he that is in the world, Father let your power come upon me and lift me higher than everything that is prevailing in my life and over my life in this world. Let your power lift me up above the influence and dominion of poverty, witchcraft, sin, sickness, disease, slavery, oppressions of darkness because I am above them, because the Kingdom in me is above them.

⇒. In everything you can name, God is the highest which means He already prevailed in everything and everyone. Which means He is higher than earth. If there is wisdom, powers, riches, influences that are higher in this world, know that God is higher than them all and no one is higher than God.

•Father I acknowledge your position in my life, in my destiny and calling, oh god of Israel, reveal your greatness and subdue darkness under my feet, subdue my enemy weakness under my feet. Lord I acknowledge your position in my life as the highest level, manifest yourself and subdue the enemy under me. Subdue Satan, poverty, witchcraft and everything that is under you, subdue them all under my feet. Lord make me higher than everything that you are higher than, systems you are higher than, principalities and powers; make me higher than them all. Lord exalt power, glory, greatness, dominion and authority in my life and subdue darkneses under my feet forever.

⇒. All the revivals that took place did not just happen but something happened. Some people began to see that God is greater than the evil prevailing in their times. They refused to agree with what the devil was doing upon their generation and because they refused to agree and believed God for a great move, transformation and revival then God responded to their faith and there was mighty revival. Only when you put your faith and trust in God, will God show up, otherwise He will never help you if you put your faith elsewhere.

•Father, I am passionate for a great transformation in my life, I am desperate for a great transformation in my life and I know only you can do it, oh God honour my faith, visit me and honour my faith with miracles. Father, I am desperate for a great change, a great turnaround in my life and I acknowledge that only you can do it, no man can do it but you alone. Lord I acknowledge that you alone can change my life therefore visit my life and honour my faith. Only You Lord can change my life, enable me to fulfill my destiny, visit me, honour faith and change my life.

⇒. When you don't fear or give into unbelief without wavering in your mind, change will come. If you want to see change in your life then you have to believe and trust

God and forget about your human senses, what doctors are saying or what people are telling you.

•Father, I trust in the greatness of you, in the greatness of your abilities and I will not stop trusting you. Lord command change to happen in my life, authorise a positive change to happen in my life right now. Lord I trust in the greatness of your Kingdom, in the strength of you, oh God authorise a shift in my life, let my life shift from backwardness to forwardness, from low-level to high-level. Lord I trust you (for this. . .) Authorise them to happen in my life. I trust you for the fruit of the womb, for a major breakthrough in my finances, for complete deliverance and healing, Lord authorise them tonight in Jesus name.

⇒. Father let your greatness manifest in my weaknesses and let my weaknesses be permanently uprooted, permanently eradicated from my life. Let your greatness manifest in my weaknesses and let my weaknesses be permanently terminated in the name of Jesus. I refuse to be weak because I have God in me.

⇒. There are some people who are strong spiritually and then there are some who are weak spiritually. We preach a lot to people who are weaker spiritually than the strong ones. You did not need to preach so much to somebody who is strong spiritually because they are already in line with what God is doing per time. Most are failing today because of weakness.

•Holy Spirit impart in me a Holy fire that destroys every spiritual weakness. Lord Jesus impart in me a Holy fire that consumes spiritual weakness, impart a fire that can never be weak, impart it upon my spirit, soul, spirit and body. Fire that can never be quenched, fire that nothing in this world can quench, Lord let that fire start burning in me. Lord put upon me a fire that cannot be weakened by anything, a fire that cannot be stopped to burn, let that fire begin to burn in my life, fire that no sin, temptation, demons, witchcraft cannot overcome. I want to be strong believer, make me a strong Christian that does not rise and fall all the time

⇒. There's a measure in faith that you must attain by yourself in God before God starts glorifying Himself in you. The Lord once told me that there are some assignments you cannot use some people to do because they don't have what it takes to do those things because they are not grown enough to be used. There's a measure of growth you must obtain by yourself through faith and many exercises and sacrifices before God will not start glorifying Himself in your life.

•Father give me the grace to measure up to the standards you have set for me, the grace to rise up to the standard of spiritual growth, spiritual understanding, wisdom, power, spiritual strength and dominion you have set for me. Give me the grace to rise up to the measure that heaven has set for me, help me Lord Jesus, help me Father.

⇒. Raise up your right hand. I connect with the power of the highest and I decree, let an end come to all operations of darkness which are oppressed in my life. I connect

with the power of God and I decree that an end comes to all activities of witchcraft going on to oppress my life and destiny. Let an end come to the operations of witches and wizards, serpents and scorpions, operations of demonic beings, demonic creatures to cause evil in my life, I decree an end come to their works right now. **\*I decree over your life, let an end come to that influence of darkness in your life. Every activity of darkness going on in your life for your downfall, I decree an end to come upon them right now in Jesus' name.**

⇒. I connect to the power of the highest. Because heaven is higher than lack and poverty, I decree an end over manifestations of poverty, lack and suffering right now. I decree an end to debt, suffering, hardship, pain and setbacks right now in Jesus' name.

⇒. The Lord wants to bring you into His fullness. In everything you think of that is good, God is the highest and you have access to them.

•Father lift me up into your fullness until I am satisfied, until I want no more. Lord take me into your fullness, until I am satisfied, until all the requirements of my destiny are satisfied, until all the demands of my calling, marriage are satisfied. Oh God of Israel, lift me up body, soul and spirit into all your fullness until all that I need is met, till I want no more. Take me into the fullness of you in strength, and grace, riches, wealth, honour and blessings until I have enough of you. Take me into the fullness of everything that is in you so that I have more than enough of everything. Lord take me to the fullness of you in power until all that my destiny requires to be fulfilled is satisfied and I want to know more.

⇒. Most of us are satisfied with little while there is so much available for you in God's Kingdom. You are thinking just little because of your unbelief. Do not settle for less because there is so much in God, do not be comfortable with few.

•Father deliver me from spiritual short-sightedness, from limiting all that I can attain, from limiting myself from attaining the fullness that is in you. Lord I know there is more in you, deliver me from the limitation of unbelief, of my little faith, help me to see far so that I can go far with you, help me to see far so that I can believe you for great things.

⇒. There are some things that will look like you are taking a risk and God wants you to take it because you will be trusting in His ability and not in your own ability. Some of us cannot obey on some level because you cannot trust God because you feel God will fail you. You don't trust Him because you don't know the fullness that is in Him.

•Father I repent of things I refused to do because I did not trust you enough, Father I am now going to do them, help me to do them. I repent from actions I did not take because I was afraid or I did not trust you enough, I am ready to do those things, help me Father.

⇒. The Lord is requiring a big sacrifice from some of you. Something that in your right sense you will not give to God. He is saying, He is requiring a big sacrifice from you because He wants it to be an open door for what He is about to do in your life. If you will do it you will see His glory, this will be the foundation for great things to come.

•Lord teach me your ways and operations that I may walk with you, partner with you and see great results. Teach me how you operate and how your kingdom operates on earth. Teach me as you taught Moses and the patriots of old. I want to walk with you, I want to partner and do your business with you, teach me Lord. Teach me your operations and I will surrender to them, I will align my life to them.

⇒. There are ways to find God. When you are praising, there is a way you praise and find God. There are networks or codes, angelic operations, and God's networks on earth and if you can follow those ways, you will always meet with God, that is meeting miracles and victory.

•Raise up your right hand. Father show me your ways, your networks here on earth that I may walk with you perfectly, that I may find you, embrace you and walk with you. Lord reveal to me your ways in prayer, your ways in singing, worshiping you, reveal to me how these things are done so that I can find you every time I do those things. Reveal to me how to pray to find you in whatever I do in everyday life, help me to walk in your ways, to be connected with your own network here on earth, help me Lord Jesus. Amen.

## CLOSING PRAYER

Raise up your right hand.

Oh God of Israel we thank you for this hour of prayer. We thank you Lord for the privilege to be called by your name, to be saved, delivered from darkness and translated into your life. Thank you Lord for the grace to know you, to pray and receive answers to prayers, Father be glorified forever in Jesus' name.

Father, thank you for how you helped everyone in this prayer session and to pray the prayers we prayed at this time and enabled us by your spirit for victory. Thank you Father for these things you have done, be glorified forever God of Israel.

Lord I stand as your servant and I decree over the lives of everyone. God let your great glory from your throne descend upon everyone's life and let there be manifestations of mighty miracles on everyone under my voice in Jesus' name. As the power of the highest came upon Mary and a miracle appeared in her life, I decree over your life that the power of the Most High shall come upon you right now

and there shall be a sudden appearance of an unusual, strange miracle in your life right now.

As God turned the life of Jabez around, I decree that the power of the highest shall visit your life and turn your life around and your life shall become more honorable than the people in your family and those around you in Jesus' name.

In those places that you have been ridiculed, cast down and disgraced, I decree, the hand of God begin to command honour for you in those places right now in the name of Jesus.

Battles that you could not win for many years but because of the power available in this prayer meeting tonight, I decree that you will begin to win those battles right now in Jesus' name. By the provision of the power of the Most High, I decree victories for you over battles that have been too strong for you to overcome. You shall now be victorious in the same battles in Jesus' name.

What have been your fears for many years, I decree there shall be a manifestation of the greatness of God in your life that will swallow up all your fears, that manifestation is happening right now in Jesus' name. A manifestation that will terminate all your fears permanently, let it happen right now in Jesus' name.

You shall have a new language. The power of God shall work in your life and change your language. ## **PRAYER POINTS**

⇒. Father, I thank you for loving me with great love. Thank you Father for your love that is so deep and great upon my life. Thank you for loving me so much that you did not look at my unfaithfulness and unrighteousness before reaching out to me. Thank you for seeing the best in me, for seeing the great things you can do with my life. Thank you for loving me so much that you did not destroy me first before showing me your mercy. By your love you have chosen me, you have forgiven me and are helping me to become a better person, a righteous believer because of your love. Thank you for this great love.

### **PSALM 7:6**

⇒. When God is about to end something permanently that is when He rises in anger because His anger causes permanent destruction.

• Arise oh Lord in anger and permanently destroy all the operations, activities, agendas, plans of the kingdom of darkness in my life. Arise oh Lord in your anger and begin to destroy, to uproot all the appearances, operations, activities of demons, darkness, agents of darkness, operations of serpents and scorpions in my life, career, business, and marriage, consume them all, destroy them all. Lord, I know your anger causes permanent destruction, I ask that you arise and permanently destroy and waste them all. Consume them all and their operations and all their works, destroy them and their instruments, waste them all in your anger.

⇒. Whenever demons saw Jesus they were afraid because when Jesus showed up, He showed them their end. He judges them, that's why they would beg not to be sent to the bottomless pit because Jesus standing before them meant He was going to

uproot them from the person they're possessing and cast them out completely. Jesus did permanent deliverance on people.

•Lord Jesus appear in my life as the terrible God, appear as the Lord of hosts and let every appearance of darkness in my life disappear. Let every appearance of demonic appearance disappear forever. Lord Jesus, as you appeared during your earthly days and demons trembled and ran away because they couldn't withstand your sight or your presence, Lord Jesus appear in my life right now and let every appearance of evil addictions, pollutions, darkness, captivity, bondages, and oppressions, let them permanently disappear from my life in the name of Jesus. Lord Jesus, appear in my body, my soul, my spirit and finances in your anger and terror and let darkness permanently disappear from my life.

⇒. Jesus is the beginning. He is the Alpha and the Omega. If there is something in your life that Jesus is not the one who started it, He can end it because He is the beginning and the ending. Anything happening in your life that is not Jesus' doing, He can appear and end it because He is the Omega, the end of things.

•Raise up your right hand. Lord Jesus step into my life and situations and put an end to those things you have not started, those things which are not your doing, oh Lord Jesus terminate them, uproot them, cut them off. Everything in my life that is not your doing, manifest in my life Lord Jesus and end them. Lord Jesus end every shame, disgrace, weakness, slavery, oppressions of darkness, torments of darkness, afflictions of darkness, pains, disease and sickness that you know are not your doing, oh God appear and begin to end them all, uproot them. Whatever the devil is doing in the life of my children, spouse, business, marriage, and career, oh Lord step in right now and end them all. **\*Everything that is moving, happening, operating in your life; everything going on and prevailing in your life and situations that are not the Lord's doing, I decree by the authority that is in the name of Jesus, let them end right now. I command that the end now in the name of Jesus.**

⇒. The principalities, witchcraft kingdom, rulers, powers of darkness, their days are numbered because the Kingdom of God is coming speedily to end them all. They are so furious that is why they want to destroy as many lives as possible, to capture as many souls to their kingdom.

•Place your right hand on your head. Father let your anger arise against the rage of my enemies, let your anger swallow them up in destruction. Oh God of Israel, let your anger arise in my life as it arose in the face of the red sea, let it swallow up the rage of my enemies, the rage of witchcraft, serpents, and scorpions, marine kingdom, marine spirits, against my life, Lord let your anger arise against them and consume them all.

⇒. It is injustice for some people or spiritual beings to be the ones who determine when you are blessed and when you are not; when you will be happy and when you will not, when you will succeed or when you will not, that is oppression of darkness.

•Oh God arise and let an end come to oppressions of darkness in my life, end dominion and operation of darkness in my life, arise and end them all. End operations of witches and wizards, of witchcraft in my life, arise now and end them. Lord put an end to operations of darkness, control of darkness, dominion of darkness in my life. My life is not for oppressions, end oppression in my life Lord Jesus.

### **VERSE 7**

⇒. God has prevailed over kingdoms and governments; He rules them all. Sometimes you do not need to go out of your country to prosper, God can make you prosper in the very country you are in.

•Father let your government prevail over the government system of my nation so that I can succeed in this very nation. Father let your government begin to command prosperity for me in this country I am in. Lord let your Kingdom and government authorise for my life and destiny, prosperity, increase, blessings, and greatness right in this nation. Let your will prevail in this nation and let my life rise to success, progress, greatness in the name of Jesus. Father let your government prevail in my place of work, in every sector in my nation and let my life rise to greatness and prosperity.

### **VERSE 8**

⇒. The judgement of God is upon the nations of the world because God wants the best for His own children. He wants the rights or the benefits that have been withdrawn from the righteous to be given to them.

•Father let your judgements arise and let all that belongs to me be released unto me. Let all that belongs to me in the possession of anyone, be it in the government, organisations, or companies, let your judgement arise and let them be released to me. Father let your judgement arise now and let all that belongs to me that is in possession of the government, of agencies, of people; let them begin to release them. Every person that is owing me, or withholding good things, oh Lord arise in judgement and let them begin to release what they are owing now in the name of Jesus.

### **VERSE 9**

⇒. High levels of wickedness are going on in the visible realm and invisible realms against mankind.

•Raise up your right hand. In the name of Jesus, I come against every realm where wickedness is being done against my life and destiny, let the fire of the Holy Ghost fall right now and consume them all. Let the fire of the Holy Ghost appear in every realm of darkness, wherever wickedness is being carried out against the manifestation of my destiny, against the fulfilment of my calling and destiny, let them be consumed. In every realm where wickedness is being done against my life, health, success, peace, joy, strength and victory let fire appear in those realms and let those wickedness be consumed right now. Every wickedness of witchcraft, marine

agents, marine spirits, sexual demons, spiritual spouses going on against my life and destiny, catch fire.

⇒. There are some people who have vowed to remain wicked and are not going to repent from being wicked. There are lots of human beings like that everywhere but God will end the evil of the wicked concerning your life.

•Raise up your right hand. Oh God arise, terminate all the evil conceived and expressed against my life and destiny. Arise oh God and destroy every evil conceived by evil men and women, every evil demonstrated and performed against my destiny, calling, life, and progress, arise and terminate them all in the name of Jesus. Every evil conceived and performed by demonic creatures, human beings, by whoever, arise and terminate them all. Every evil device against my life, destiny, calling, ministry, rising, progress, breaking forth in glory, moving forward; arise oh God and end them all in the name of Jesus.

⇒. God defends the righteous and the righteous do not defend themselves because it is grace that makes us righteous and it is grace that defends the righteous person.

•Father, I call upon you to move in my life, move in the battles off my life and authorise great victories for me, perform great victories for me, defend me according to the greatness of who you are. Father, I call upon you because you are the God who defends the righteous, move now concerning my health, spiritual condition, present situation, move and defend me with victories in the name of Jesus. I know when you move nothing can stand on your way, move right now Lord Jesus and help me.

⇒. We have missed God's intervention because of our unbelief. In most church gatherings the angels of the Lord are present but we will do nothing. Just a single action of an angel will end your problems but they will do nothing because we do not acknowledge God or let God have His way. Whenever you let God have His way and you stop trying to have your way, that is when God will do strange things and unusual miracles in your life. When you surrender the battle then He will surprise you but when you feel like you know how to pray and fast and not hand over the situation, then God will not intervene.

•Father I acknowledge that only you can help me and that it is not by my human power or strength but by your spirit, oh God have your way in my life. Take your place in my life and do that which only you can do. I ask oh Lord that you move because only you can save me, heal me, deliver me, rescue me, defend me; arise now, take your place in my life and you do that which only you can do. Do it now Lord Jesus.

⇒. God searches the hearts and sees beyond human appearance. When God is doing wonders in a ministry or church program, He can move mightily and skip some people and be helping others because He searches deep into people's hearts and

minds. He knows hypocrites, those who are not pure and their intentions, motives and desires.

•Father, I do not want to be the hindrance to the answers of my prayers, help me to maintain a right heart before you always. Father help me to maintain a pure and right heart before you always, I don't want to hinder the answers of my prayers. Lord help me, give me a heart of righteousness, a heart that thinks right, a heart of good conscience, a heart of love, a heart of holiness. Give me a heart that pleases you, a heart that receives all blessings from you, a heart that will make me qualified for all you want to do at this time, give me such a heart that you're looking for Lord, a heart that you will always be attracted to because I want to receive answers to my prayers.

⇒. Father, I thank you for what you want to do in my life this season. I know you want to do something great in my life this season, beginning this month. Thank you that between now and May, you want to do great things in my life, thank you oh God for wanting to do something wonderful in this season. Thank you because you have come to bless me with wonderful blessings and great blessings that I have never received before.

⇒. Father by your mighty hand unlock every demonic lock, demonic padlocks that are holding my blessings captive. Lord by your mighty hand unlock every evil lock, demonic padlocks, demonic codes that are holding my blessings and testimonies captive, unlock them now Lord. Every lock in the realm of the spirit, every lock in time, in days, in the days of my life, every lock that keeps locking my blessings from reaching me, let them be unlocked right now in the name of Jesus. **\*I decree that every evil lock that has locked up your blessings, wherever they have locked them up, let the hand of God unlock them now in the name of Jesus.**

⇒. Place your right hand on your head. Father let your fire destroy every covering of darkness upon my life, let my life be opened up to receive all that you have for me in this season. Lord let your fire destroy and remove every evil covering that is upon me, let my spirit soul and body be opened for all that you want to do in my life in this season. Let my life be opened up to receive all that heaven has for me in this season. **\*Let the fire of God manifest upon you right now and remove demonic coverings that are blocking blessings from entering your life. I remove them now, let fire consume them in Jesus' name.**

⇒. Father, make your name to be glorified in my life. Lord do wonders so that your name will be praised in my life. Oh God move in my life and do wonders that will make your name glorified, that will give honour to your name. Unusual wonders, uncommon and great miracles, shocking miracles, miracles that cannot be explained that are so great, oh God let them happen in my life so that your name will be honoured in my life. Do miracles that when men see them, they will testify that it is only God who can do such do such miracles in my life.

⇒. In the name of Jesus I receive weapons of war to overcome battles in my life, I receive divine authority to overcome all battles that confront my life this hour henceforth. I receive authority, power to overcome battles, I face in my life. I receive angelic weapons, divine weapons, weapons of mass destruction to destroy and end, to overcome all battles that once overcame me. From now henceforth, I receive fire to destroy my enemies and overcome all the battles of my life in the name of Jesus.

⇒. Father, I want you to become the step by which I arise to the place you have prepared for my life and destiny, to the place of honour, the place of greatness and the success, progress, wealth and victories. Oh God of Israel, you have never failed anyone, you are the one who lifts a man from a dunghill and sits him among kings, oh God you have never failed, oh God become the stepping stone by which I rise to the top, that place you prepared for my life and destiny. Lord become the step by which I arrive at the top, Father become that step, the lifter of my head. I will not trust in man but I will trust in your abilities, oh God of Israel, become the lifter of my life and destiny in the name of Jesus Amen.

Reveal your greatness in my life because I want to praise you.

⇒. The name of God also means the presence of God. Jesus said in my name you will cast out devils, what He meant was you shall cast out devils as if you are Him and as if He is you. That's why we pray in the name of Jesus.

•Raise up your right hand. me. Lord, the help that you know I need now for your promises and prophecies to come to pass in my life, send them to me tonight right now in the name of Jesus.

⇒. Whenever God sends help, it also means He sends His angels to perform that help.

Father far beyond what my strength can achieve, what my wisdom and skill can I achieve, Lord send your angels to help me achieve great things in life, great things that are beyond what my human strength, human qualifications and abilities, human wisdom and skill can achieve, send your angels to achieve them for me. Lord Send your angels to come into my life right now and perform those helps that are beyond my salary and my wisdom, that are beyond what my people, family members can do for me, send helps that will lift me up, that will lift me up to greatness, send your angels to achieve this greatness for me.

⇒. This kind of help comes to the people who have made up their minds to trust absolutely God alone.

Help me Lord Jesus to have such a faith that is pure, faith centred on you alone, help me to trust you completely so that I will not miss the kind of help that comes from your sanctuary. **\*The grace for you to trust God alone so that you can have this kind of help that is written in verse 2, receive that grace now. Father from the midst of your presence, right here right now, empower me for victories, success, greatness, signs and wonders, breakthroughs, anointing, demonstrations of the Holy Ghost, empower me Lord Jesus. Fill me with your fire, fill me with your power because I am in your presence. I am before your throne, fill me with power, fill me with fire, strengthen me from your throne right now.

⇒. Father, place upon my spirit, soul, body a special anointing, special grace, uncommon grace, uncommon strength to win battles. Uncommon strength to slay

giants, to slaughter giants of darkness, uncommon anointing to slaughter principalities, powers to destroy strong enemies, put upon me Lord such an anointing, power, fire, strength and grace in the name of Jesus. I want to bring down giants just like the man David trained brought down giants and how David brought down Goliath. Lord, I want to begin to slaughter giants, put upon me the anointing to slaughter the strongest enemies

⇒. God strengthening you from Jerusalem means you are no longer enslaved by your weaknesses.

•Raise up your right hand. Father, I trust in the ability of the strength that comes from you, Lord deliver me from every weakness that has enslaved my life. Release your strength into my life and let captivities of weakness be broken now in my life. Let discouragement break in my life. Every spirit is making me agree with weaknesses, Lord destroy those spirits right now. Lord I disagree with weaknesses, I embrace your strength, I embrace your own abilities, oh God deliver me from every captivity of weaknesses in the name of Jesus foster. Lord I believe I can do all things through your strength, I can live a righteous life, holy life by your strength. I believe I can fulfill destiny, possess my possessions, become the person you said I am by your strength, release your strength into my life and destroy the captivity of weaknesses.

⇒. God strengthening you out of Zion also means God establishes certain things permanently in your life, calling, and destiny that makes you permanently strong. If God wants you to be financially strong, He will establish something that will always bring you money everyday and you will never lack money the rest of your life.

•Father, establish in my life, ministry and calling great structures, great achievements, success, goodness and good things that will enable me to remain strong forever. God this is my heart cry, that you establish in me, in my spirit, soul and body powerful establishments that will enable me to remain strong forever till I die. Lord, establish in my finances great establishments, great structures such that I will never become weak financially anymore. Lord establish in my calling great power, establish them so that I remain strong in all areas.

### **VERSE 3**

⇒. Father, I acknowledge that you are a faithful God, open upon my life, rain of blessings of rewards, rain upon my life rewards for the gifts I have given to you, rewards for my sacrifices, rewards for my offerings and tithes. Lord open the windows of heaven and rain down rewards of all that I have done for you sacrificially and for your Kingdom. Lord, I know you are faithful, open the windows of heaven and let rains of rewards come upon my life, rewards of all that I have committed my life to do. Lord rain down rewards upon my life, marriage, family, children and spouse.

⇒. God will grant your desires when your desires begin to align with His desires, when the things you want are in line with what He wants. Why you want those things

is also the way He wants them. When there is that alignment, God will be granting your desires quickly and people will think you are using magic.

•Lord Jesus, I choose to abide in you, draw me closer to your heart and teach me your ways. Lord I choose to abide in you and to have you abide in me, I desire a partnership between us, I desire a connection of friendship between us, Lord draw me closer to yourself and teach me your ways. I want to walk in alignment with you, in agreement with you, I want us to walk together. Draw me closer, show me your ways and teach me your ways.

⇒. In the kingdom of God, God will not release your blessing until your motive is right. Maybe the reason why your blessings have not come is because your heart is not right before God. The reason why you want the blessing, if not pure and what you will use the blessing for is not the will of God, He won't release the blessing.

•Father let my heart be right with you, let my heart be right before you that I may receive the blessings I am already due for this season. Lord judge my heart with your righteousness and make my heart become the kind of heart you want so that I can enjoy the blessings you want to release to my life in the name of Jesus.

⇒. Father, establish in my life the grace for success and grace that makes all my plans succeed, such grace that makes all the works of my hand succeed, all my endeavours succeed, Lord establish that grace permanently in my life. Establish in my business a grace that makes all my plans succeed. Establish in my life, ministry, calling, destiny grace that makes all programs, endeavours, projects succeed. Lord let such grace sit permanently on my life.

⇒. Place your right hand on your head. In the name of Jesus, I come against every anti-progress spirit, anti promotional spirits, every spirit that is following me and stopping progress from happening in my life, stopping blessings from coming into my life, oh God let fire consume them now, let fire separate such spirit from my life. In the name of Jesus, I command every anti-progress spirit, anti success spirit, anti prosperity spirit, every spirit following me, causing setbacks, causing failure, sufferings, hardships, pains, poverty, fire of the Holy Ghost consume them right now. Fire separate such spirit, personalities of darkness, presence of demons from my life in the name of Jesus Christ.

⇒. Sometimes there are battles which will require more angels to come into that battle, for instance in Daniel's case.

•Raise up your right hand. Father, I call for angelic reinforcement for speedy manifestations of breakthroughs in my life. I call for reinforcement of mighty angels from heaven so that my breakthrough will happen speedily, so that my shift to the next level will happen easily, release more angels into my battles. Father release into my battles mighty angels for speedy manifestations of my breakthroughs and miracles as you did for Daniel. Release angelic reinforcements so that my miracle will appear faster and easy in the name of Jesus.

⇒. The Spirit of the Lord wants to open your eyes to realms of the spirit. Your eyes may be opened to a certain realm of the spirit but not to another realm of the spirit. The realms of the spirit have codes, they are locked up with codes and there are a lot of realms in the spiritual realm. There are some realms that God has to open you up to see into.

•Place your right hand on your head. Father, open the eyes of my spirit to the realms where you want me to see, in which you want to reveal things to me. Lord open the eyes of my spirit into those realms which you want to show me things. Open my eyes to see into the realms of your glory, realms of your greatness, realms of your power, of victories, of your names, the realms of your angels, realms of your wisdom, realms of your throne. Open the eyes of my spirit to see into the realms in which you are already waiting to reveal deep things to me, do it now Lord Jesus, Amen.

## CLOSING PRAYER

Place your right hand on your head.

King of glory, Ancient of days, thank you for all you have done in this prayer session. Thank you for your presence, your dominion and how much you have done to give us blessings at this time in this place. Oh God be glorified forever in Jesus' name. Lord I stand as your servant and I decree over the lives of your people. I call for the physical manifestation of all the blessings that belong to each of them. Blessings that they are supposed to have by now, I call those blessings to manifestation right now in the name of Jesus. The healing miracle that you are supposed to have had now, I call it to manifest in your body system right now in the name of Jesus Christ. The financial prosperity increase, breakthrough and blessings you are supposed to have had by now, I call them forth into manifestation right now because I have received authority to do this. I command them to begin to appear in your life in Jesus' name.

Every word of accusation and condemnation that is rising against your life in the realm of the spirit. I declare, according to the mercies of God, let those voices be silenced forever in Jesus' name.

It is time for you to rise and I speak into your life, I speak with command that you rise now in the name of Jesus, rise into greatness, abundance, fulfillment of your calling and destiny and let it happen now in the name of Jesus.

I speak upon your life that the Holy Ghost will come upon you and the power of the highest shall overshadow you. The greatness that followed you from birth shall appear suddenly in your life in the name of Jesus.

As many of you that need the Holy Ghost in a higher dose, receive the Holy Ghost now. Anointing of the Holy Ghost, empowerment of the Holy Ghost, fire of the Holy Ghost, tongues of the fire of the Holy Ghost, received them now in the name of Jesus. Thank you Father because we know you have answered, blessed be your Holy Name in Jesus' name I have prayed, Amen.

## **20 MARCH 2021**

You shall forever be above all and greater and highly exalted than the heavens and the earth, for you are our God. You are our maker, Lord our deliverer and helper, we worship you Lord. ### **PRAYER POINTS**

⇒. Raise up your right hand. I come against every spirit, every demon spirit that has been assigned to work against my prayers in this hour, let the fire of the Holy Ghost arrest them and banish them out of my life, out of this environment. Every spirit that has been placed on a watch to stop my breakthrough and victory in the place of prayer tonight, let fire arrest them right now and let fire cast them out of my life right now. Right now in the name of Jesus, I cast them out. Every spirit that is contrary to the presence of the Lord in this place right now, let fire arrest and cast them out of this place.

⇒. The children of Israel had a lot of enemies along the way to the promised land and whenever they were faced with their enemies, Moses would shout, 'arise oh God let your enemies scatter' and the moment he said that, God would take position among them.

•Oh God, arise against every enemy working against my breakthrough into my promise land, working against my journey into success, fulfillment, breakthroughs, victories; every power attacking these, let your fire consume them. Arise oh God against every darkness, every power working to stop me from entering into my promise land and breakthroughs, into the place of fulfillment, the place of manifestation in my destiny, destroy those powers oh Lord. Every power, kingdom of darkness, enemy that has risen against me from entering into my promise land, Lord as you fought for the Israelites, arise and fight for me. It is time for me to move forward, defend me till I enter the promised land.

⇒. When we say arise oh God, we are saying move oh God. The reason the enemies will scatter is because they cannot withstand His move, they cannot stand in His way when He is moving. Nothing and no one can stand in the way or against the move of God.

•Father move now in my life so that my life can move forward as you move. Oh God of Israel move in my life right now and as you move, move me forward. I know once you move nothing can stop you, no power can stop you, no witchcraft or kingdom can stop you, so Father arise and move in my life and let me move forward as you move.

⇒. To say God arise also means He should destroy things that are occupying His place, things which are not supposed to be there or in control because when the Lord is in control nothing else can claim control over that thing. Your life is a property of the Lord, He is the Lord over your life and it is injustice for something else or powers to take the position of God in your life.

•Place your right hand on your head. Oh God arise in my life and destroy every power claiming ownership, possession and control over my life. Every power that is taking your place in my life, claiming control over my destiny and my life, arise and consume them all. Oh God arise in my life and let every other personality power, principality, opposition that are against your Lordship in my life be destroyed now in the name of Jesus. Arise and take your place in my life, arise and have your way in

my life, let no other have their way in my life but only you to have your way. Let no sickness, disease, satan, demon have their way in my life, take over my life Lord Jesus because it is your property and possession.

⇒. Father every plantation of darkness that is occupying the place you wanted to plant yourself, your Kingdom, blessings and good things in my life, let the fire of God uproot those plantations. Lord by your mighty hand uproot whatever is taking the place where you have already planned to take in my life, the place where good things from you are to stay in my life, oh God arise destroy those plantations, uproot them. Let the fire of the Holy Ghost uproot them. **\*I declare over your life right now, every evil plant, evil seed, evil plantations dwelling in places that God already has plans for, let the hand of God uproot them now in the name of Jesus.**

⇒. Father arise and go ahead into the days before me, into the future before me, into the times before me and let your will prevail in all the times, days, months, and years before me and begin to authorise your will to prevail for me. Lord I call upon you, go forth into the days ahead of me beginning from the next hour, next minute, next month, next week, next year and begin to authorise favour and blessing and helps for me in the name of Jesus. Authorise the performance of your will for me in the future that is ahead in the name of Jesus.

⇒. When the enemy wants to ensure that you fail, they will bring confusion to mislead you. Once you're following a direction which is not God's direction for your life then you won't fulfill destiny.

•Raise up your right hand. Father, I refuse to be confused in the journey of my life, I refuse to be misled and deceived. According to your grace and mercy, deliver me from every confusion and misleading the enemy has planned for my life. Lord help me not to be misled or confused. Every confusion that the enemy is sending into my life to mislead me, oh God of Israel, attack them and deliver me. Lord attack every wind of confusion, arrest such wind and destroy it. Lord attack and arrest every wind of confusion sent against me.

⇒. The enemy will cause you to misbehave so that you can miss your destiny at the time when you are about to breakthrough or succeed.

•Place your right hand on your head. Father deliver me from every spirit assigned to cause me to misbehave at the edge of my breakthrough, assigned to make me make wrong choices, to sin at the edge of breakthrough. Every spirit assigned to ensure that I misbehave at the point of my rising and fulfillment, oh God of Israel, deliver me right now from the spirit of confusion. I refuse to misbehave at the point of elevation.

⇒. This spirit will give you another mind, such that when you are about to breakthrough, you start behaving differently from who you are talking and thinking differently - so it is a mad spirit. Its mission is to make sure that when God is about to lift you up, you start doing something contrary to the plans and purpose of God.

•Place your right hand on your head. Father deliver me from every darkness that has combined itself with my mind and soul to cause me to take actions contrary to your plans and purpose for my life. Lord deliver me from every spirit that has merged itself with my emotions, feelings, mind, soul to cause me to make wrong decisions, speak wrongly, think wrongly, so that I do not fulfill my destiny, Lord deliver me right now. Every darkness that has merged itself with my life, soul and emotions to cause me to take a negative direction that is contrary to the purposes and plans you got for my life, let the fire of God detach them right now from my life. **\*I decree over your life that every darkness that has merged with your blood, cells, mind, brain, emotions to stop you from following the right direction of the Lord for your life, let fire detach such darkness from your life right now in Jesus' name.**

⇒. The children of Israel were sensitive to divine timing, they knew when to move and went to camp. The problem with our generation is we do not know when to sit, when to move, when to lock yourself up and go nowhere or when you rise to go out and this has caused us to be stagnant because we are not sensitive to know what to do per time

•Raise up your right hand. Father put upon my spirit, soul and body a grace that will enable me to be sensitive to divine timing, to the timing of heaven, that will enable me to move when it is time to move, that will enable me to take the right action at the time to take them. Oh God put upon my spirit, soul and body a grace that will enable me to be connected to divine timing, let such grace possess me now, let such spirit possess me now, I want to follow the divine timeline of heaven. I do not want to follow the timeline and timetable of the earth and human beings but I want to follow your own timetable, oh God put upon me such grace to move when you are moving, to know what to do per time.

⇒. This grace of sensitivity to divine timing is not going to work for a Christian that would believe so much in his own wisdom and intelligence. Because when God is telling you to sit down, it will be that time when it is foolish to sit down because you know a lot of things that you're supposed to be doing that very moment but it's at these times that you must learn to trust in God and do what He says despite.

•Father help me to begin to consider your wisdom and intelligence above my own, help me to put aside my own calculations, intelligence, wisdom so that I can embrace your wisdom and intelligence. Lord help me to forsake my own intelligence when it is useless to move me forward in life. Lord help me to abandon and deny my own wisdom and calculations when they are useless for me to move forward. Help me Lord to be wise enough to embrace your wisdom and your own intelligence. Help me not to raise myself above your wisdom and intelligence. Help me to surrender to your wisdom and intelligence for my life.

⇒. Romans chapter 8:14. For all who are led by the spirit of God are sons of God. This is not saying, what makes you a child of God is when you are led by the Spirit of God. It's saying you are a child of God because you are ALWAYS being led by the

Spirit of God. It is your inheritance in the kingdom of God that He is always leading you.

•Father I acknowledge that it is my inheritance in you to be led always by your Spirit, oh God, I surrender my life, let my life from today be led by the Spirit, let me not do anything that is not according to the Spirit. Oh God let the lifestyle of being led by the Spirit be activated right now in my life, let the life that leads me into all goodness and fruitfulness be activated in me because I am a child of God and I have to be led always by you. May I not do anything without you leading me.

⇒. One of the signs of revival is that there are people who are always led by the Spirit. It's possible there are people working miracles yet there is not a revival there, but there is revival when people are being led by the Holy Spirit. It is possible to manifest spiritual gifts yet your manifestations are not coordinated from heaven. Some people, God is not the one in charge of their anointings, they have entered into the realm of witchcraft and they are the ones in charge of their anointing in their lives.

•Father let a fire of revival be ignited in my spirit right now such that my life from today is being led by you, such that your Spirit leads me into your glory. Fire of revival begin to burn from within my spirit and let my life be coordinated from heaven, let my decisions be coordinated from heaven so that I begin to enjoy the glory of heaven. From today onwards my ministry, ministrations, preaching, teaching and everything I do be led from heaven, let them be controlled from heaven so that I can enjoy the glory of God. Let my life be so unpredictable because I am being led by the Spirit. Do such a revival in my life that will lead to this.

⇒. When the enemy cannot stop you from moving forward or rising, there are things that he will do to limit you. Praying, fasting, living a holy life, after you have done these, he can set limitations on your way to try and stop you from moving forward. Though he says that he can't stop you he tries and creates things that will stop you. A time prison or a time cage is an establishment of the kingdom of darkness to ensure that your life goes in a circle and you do not exceed the limits in your life. It's also called the spirit of delay.

•Raise up your right hand. In the name of Jesus, I call for angelic interventions to destroy every time prison holding my life and destiny, keeping me from moving forward to destroy them now and break those prisons in pieces right now. I call upon the God of Israel for angelic intervention to break every cage that is holding my life calling, ministry and destiny from entering into the next level, let the angels begin to break them in pieces right now. Every time cage holding my life in captivity, causing my life to go in circles, let the fire of the Holy Ghost break them in pieces, let the angels of the Lord break them in pieces right now in Jesus' name.

⇒. Some of these time prisons are a product of what happened in the past, in your past life, that is now the source of the limitation you are facing. There is time travel,

God can go into your past to solve some problems which were initiated in the past, some years ago which are the reason why you are not moving forward.

•In the name of Jesus, I call for angelic interventions to go into my past and begin to undo every evil that was established to stop my present success. Whatever evil that happened in the past that is stopping my breakthrough, let the angels of the Lord go into my past and undo them. Every demonic covenant that was established that is delaying my progress, let the angels of the Lord go back in time and begin to undo them, to destroy them. Lord assign your angels to go back in time to correct all the errors in the name of Jesus.

⇒. Parental or guardian curses can put you in a time prison. A time prison is a situation whereby you cannot achieve certain things in any time of your life. No matter how much you try, you will always fall back to the way you were.

•Father according to your mercy, break in pieces every parental curse and ancestral curse that has put my life in a time prison. Every parental evil pronouncement, evil utterances, ancestral utterances of evil, ancestral curses pronounced upon my life, oh God of Israel, arise in your mercy and then break them in pieces because it is time for me to rise, it time for me to succeed in destiny. Deliver me oh Lord from this curse causing delays in my life.

⇒. Witchcraft limitation, this limitation is so strong that you might not succeed or prosper for years, because witchcraft powers can influence nature, created things, animals, the atmosphere, human beings, government systems even your bank account. You need to break this limitation.

•Place your right hand on your head. In the name of Jesus, I come against every influence of witchcraft upon my spirit, soul and body to stop my breakthrough in destiny, to stop my success, fulfillment in destiny, let fire fall and consume them. Let fire manifest upon me and destroy them right now. Holy Ghost fire manifest upon me and destroy every influence of bondage, of witchcraft limitation, of witchcraft upon my spirit, soul and body let it be broken by fire in the name of Jesus.

⇒. Raise up your right hand. In the name of Jesus, I come against every influence of witchcraft on my time and days to stop my manifestation in destiny, my progress in destiny, my success in destiny, let fire fall and consume them all. In the name of Jesus, I come against every influence of witchcraft, witches and wizards over the events and affairs of my life, over my situations, over my life, I command fire to consume them right now. Influences of witchcraft upon my days to stop my fulfillment and my success in destiny, catch fire right now in the name of Jesus. **\*I speak over your lives by the authority of Jesus upon my life, I decree let fire fall now and destroy the influences that darkness has limited you in for many years, let fire fall and consume them now in the name of Jesus.**

⇒. The witchcraft kingdom works with the moon. They connect it with the forces in the second heaven to influence lives and cage destinies. They work by networks

•Raise up your right hand. In the name of Jesus, I come against every network system of witchcraft that is limiting the manifestation of my calling and destiny, let fire fall and consume all. I come against every network system combining the witchcraft on earth with the witchcraft in the second heaven, with the witchcraft in the marine kingdom, under the sea to enslave my destiny, let fire fall and consume them all. Let fire destroy them all right now in the name of Jesus. Every network system that has connected with other witchcraft networks to enslave my destiny, let the fire of God never stop until they are permanently destroyed.

⇒. The witchcraft realm believes so much in rituals. They do a lot of blood rituals. They do these rituals to weaponize the earth against your destiny, to make the earth your enemy and everything on the earth against you. In the kingdom of God, we also have rituals though we don't kill animals because Jesus has already shed His blood. Praying, sacrificial giving, worshiping, intercession and praising God are rituals that will destroy the rituals the kingdom of darkness have done. A ritual is like a spiritual exercise or spiritual sacrifice.

•Raise up your right hand. In the name of Jesus, I come against every witchcraft ritual that has been done to turn the earth and the things on earth against my life and destiny, let the fire of God manifest and destroy the effects of those rituals. Let the fire of God manifest and consume the effects of the rituals. I come against every witchcraft ritual that has happened in the second heaven, on earth, in the air, under the earth in the sea to turn the earth against my life, calling, ministry; to enslave the manifestation of my destiny, to stop and limit the fulfillment of my destiny. I decree let fire fall and consume them all, let the rituals be rendered useless right now in the name of Jesus.

⇒. Demonic programming. It's not as if they're stopping you, though the mission is to stop you. They program something into your time to keep happening again and again so as to delay you. They can program that in a certain time on a particular day you are going to commit fornication and adultery and once you commit that sin it will be difficult for you to move on and it will happen exactly the way they programmed it to. They can program accidents, diseases etc.

•Raise up your right hand. In the name of Jesus, I come against every evil that has been programmed in the realms of darkness to stop my progress in destiny, my success in destiny, let the fire of God terminate them right now. Every evil that has been programmed from the realms of darkness to stop my fulfillment in destiny, let the fire of God manifest right now and terminate them. Fire consume every sickness and disease, accident, failure, loss, lack and poverty programmed for me, fire terminate them all right now.

⇒. The devil can use the church to limit your manifestation in destiny, your progress in destiny. He can use the so-called man of God, believers, preachers, and prophets.

•Father deliver me from every set up of darkness to use the church brethren to stop me from fulfilling destiny, from moving forwards in destiny. Every demonic setup to

use the church I am attending to stop me from fulfilling destiny, every demonic setup to use a Christian believer, men of God, prophets to stop me from fulfilling destiny, oh God deliver me right now and destroy such setups and agendas now in the name of Jesus.

⇒. The devil is strongest inside the church not outside in the shrines. A lot of destinies have been enslaved inside the church. Prophecies have destroyed the church because some of the spirits manifesting are not the Holy Spirit, the people manifesting the spirit do not even know it's the devil using them to give you prophecies. Once you follow those prophecies, they will lead you outside of the path of your destiny fulfillment.

•Father deliver me from the web of deception and darkness that is inside the church that the enemy has assigned to use to mislead me, destroy my life and destiny, Lord deliver me. Deliver me from the web of darkness the devil has determined to use to confuse me and destroy my life, let such web catch fire right now. Oh God deliver me now from every web of deception and darkness that the devil is using now to make my life go in a negative direction. Lord deliver me now in the name of Jesus, in Jesus name thank you Father, Amen.

## CLOSING PRAYER

Raise up your right hand.

Father, we thank you because you are a faithful God. We thank you for the light you have shown upon our hearts and lives. You have exposed darkness, you have uprooted plantations of darkness and have undone the works of darkness but were against us. You have removed establishments of darkness in places that were meant to limit us, oh God we thank you for great things you have done for us at this time. Thank you Lord Jesus, be thou glorified, be thou exalted forever in Jesus' name.

Lord I stand as your servant and I speak over the lives of these ones that they will see mercy at this time. Lord, I ask that you forgive all their sins that the enemy is using and has been using to stop them from entering into the fulfillment of their destinies. Lord I ask that according to your mercy let their sins be forgiven now in Jesus' name.

I speak over your life that according to the mercy of God, what has been missing in your life for so long, what should be in your life by now but is still missing, I decree that let heaven deposit such things into your life right now in Jesus' name.

Every barrier that has been created to stop you from fulfilling destiny, including the barriers you inherited from the day you were born to stop you from fulfilling destiny. I decree that by the fire of the Holy Ghost those barriers are broken permanently right

now in Jesus name. What has been said against your life, whenever they have said it, whoever has said it. Every utterance and pronouncement that has risen against your life; voices, spells, curses, incantations, divinations, and sorcery that have been spoken against your life, I decree right now by the strength of the anointing of the Lord upon this meeting, let all the utterances that are contrary to your life and destiny be permanently destroyed now in Jesus' name.

You are released from a long time delay, right now be released in Jesus' name. Every power that has crippled you for years from rising to the place the Lord has prepared for you, ordained for you, I decree let that power receive divine destruction right now in Jesus' name.

Your paralysis is healed right now in the name of Jesus. Whether it is physical paralysis, spiritual paralysis, financial paralysis, marital paralysis, every form paralysis and delay in your life, be healed right now in Jesus' name.

I come against every demonic strongman, every demonic prince that is standing on a watch over your life and are saying no good thing will come out of your life, I call forth intervention from the mighty angels of the kingdom of God, let the angels of the Lord descend upon such strongman and princess of darkness and let them consume them all right now in the name of Jesus.

The Bible says if the Son shall make you free you shall be free indeed. Because you are connected to Jesus right now, receive permanent freedom right now in Jesus' name. Thank you Lord, blessed be your Holy Name in Jesus' mighty name it is done, Amen.

## **25 MARCH 2021**

Father, we worship and bless your name. King of glory, Lord of lords we praise you. Thank you for your faithfulness, your grace that is enough for us. Thank you for helping us whenever we needed help. Thank you for your caring hand that we have seen on a daily basis in our lives and situations, thank you Lord for making all things work together for our good. Thank you for your light shining in our lives exposing the hiding places of darkness, even the secrets of darkness are exposed, you have exposed and you have destroyed all the works of darkness in our lives by your fire.

Father come and help us again tonight. We are asking that we have seen your wonders around us before, come now again and do it tonight, come show us your

greatness, your miracles, deliverances, breakthroughs, victories, prosperities and healings. Come and show us your greatness in our meeting in Jesus' name, Amen.

## **PRAISE AND WORSHIP**

King of glory we have come to worship you, to praise you, to honour you, to bow down at your feet, for you are a great God, greater than all. You are a mighty God, mightier than all, you are the most powerful, most gracious, most merciful, Father we worship your majesty.

Great is your faithfulness and your love towards us. We are so happy, so glad to be part of your Kingdom, we are so glad to be part of your children, those you have adopted as sons into your Kingdom. Thank you Lord for counting as worthy of your presence and your voice, to be led by your Spirit and to be called by your Name is a privilege. Blessed be your Holy Name, we shall not leave here as we came but we shall see you and we shall be blessed. Thank you Father in Jesus' name, Amen

## **PRAYER POINTS**

⇒. Father let your will be done in my life as it is in heaven, as it is in your mind, your plans, in your calendar. Let your will be done in my life oh God as it in your book in heaven, let your will prevail in the name of Jesus. Lord I am your child, I am your own, I am your inheritance. Lord let your will be done in my life in my career, days and in every hour of my life, in the works of my hands. That which you have in mind for my life at this time, Father bring them all to pass as it is in your mind. Let my life serve and please you all the days of my life.

⇒. There's always a will of God and a will of man and the will of God is always against the will of man.

• Raise up your right hand. Father in my life, let not the will of man prevail, let your will overcome, overthrow the will of men in my life. Oh God in my life, let not the will of men succeed, let not the agenda of men prevail but let your will overthrow the will of men in my life. Let your will prevail over my own will, let your will overthrow my will. Let your will prevail over the will of my situations in my timeline, each day of my life here on earth.

⇒. When the will of God is going to be performed in your life, a lot of things have to be set in motion. Many things have to work together for the will of God to come to pass.

• Father let everything that must happen, every action that must be taken for your will to come to pass in my life as it is in heaven, Father let them begin to happen right now. Oh God, for your perfect will to be done in my life as it is in heaven, begin to move everything into manifestation. Everything that must move, let them move now, every action that must be taken, every decision that must be made for your will to

happen in my life as it is in your plans for me in heaven, Lord let them begin to take place and happen right now in the name of Jesus. Every event, nationally or globally that must take place for the will of God to happen in my life as it is in heaven, let them begin to happen now in the name of Jesus.

⇒. Until the will of God starts happening in your life, you might not be able to fulfill destiny, therefore you end up living a wasted life. Your destiny is connected to the will of God

•Father, whatever is my life cutting short my life from meeting up with the standard by which my destiny will be fulfilled, whatever is causing my life from meeting up with the standard by which my destiny will be fulfilled on earth, oh God remove such from my life, terminate such from my life. Oh God whatever is causing me to depreciate, to go down the standard by which my destiny should be fulfilled, let that thing die in my life. Anything that is making me to fall short of the standards by which my destiny will be fulfilled, by which my calling will be fulfilled, let that thing be uprooted from my life now in the name of Jesus.

⇒. It's possible that you are addicted to telling lies but until you stop telling lies you cannot fulfill your destiny. It is in your destiny that until you stop telling lies, you will not fulfill destiny. That greatness that has been planned for you even before you were born will never happen. By not wanting to stop lying or you wanting to live below the standard by which you are to fulfill destiny, you are saying you are not ready to fulfill destiny.

•Father whatever I am doing with my life now that is putting me or making me below the standard by which my calling and destiny will be fulfilled, oh God deliver me from such things. Lord whatever I am doing with my life, mind, body, spirit, that has made me to fall below the standard by which heaven will elevate me, oh God of Israel deliver me from such things. Every sinful action I'm doing in my life, every unrighteousness I'm doing with my life that has made me fall below the standard of your will, oh God deliver me from that action and lifestyle.

⇒. God is not a respecter of persons which means you cannot bribe your way out or in. If God has not seen the things He wants to see in your life before He promotes you, He will not promote you. Even if you're good at paying tithes, offerings, evangelism; if the particular thing He is expecting is not there, He will not promote you at all.

•Raise up your right hand. Father I ask that in your mercy let me discover, let my understanding be opened and enlightened to know that which I am expected to be doing now, that I am to be doing. Let my spirit be awakened to know it and let me begin to do it. Lord let my understanding be opened to see and to know things that I am supposed to be doing with my life, time, 24 hours that I am not yet doing, so that you will lift me up. Lord open my understanding to discover this, open my heart to understand and enable me to begin to do the things you want to see; the attitude and virtues that you want to see.

⇒. There are some errors that God cannot forgive. By committing that error, you will be judged instantly and they will not be mercy and God will not reverse that judgement. Moses is a good example of such an error. Moses tried but he could not enter the promised land, his destiny was cut short because of unforgivable sins

- Father help me not to commit errors that will lead to irreversible judgement. Lord help me not to commit sins that cannot be forgiven because I want to fulfill destiny. Father help me not to commit errors that will lead to irreversible damage, errors that will lead to permanent judgement, oh God help me. Oh Lord help me because I want to fulfill destiny.

⇒. Yes there are unforgivable sins. If you read through the scriptures you will see how those people who committed such errors suffered, even their generations because of such sins. Even under grace (New Testament), Jesus said if you speak against me as a man you will be forgiven but if you speak against the Holy Spirit it will not be forgiven. Apostle John said they are sins unto death and others not to death. Some sins attract instant judgement and will not be forgiven.

- Father help me to walk with you so closely that I may please you all the days of my life. Lord help me to live by your standards and your ways. Help me to be so aligned with your will in my life always, help me to be serious with my walk with you because I do not want to be cut short in fulfilling my destiny. Help me to please you always, to cherish your presence, to cherish the things of your kingdom. Help me to love the things you love and hate the things you hate. Help me oh God to be so close to you, that I will not offend you in my words, in my thoughts, and in actions. I want to please you forever, help me Lord Jesus. **\*The Lord God of Israel shall put upon you His grace to walk very closely with him as Enoch walked with him. I decree over your life that you receive grace to walk with God that way so that you do not fail Him, receive the grace right now in Jesus' name.**

⇒. Father let your grace lift me up to a place of fulfillment in destiny, to the level by which my destiny will be fulfilled as it is in heaven. Lord lift me up by grace because by your grace nothing is impossible. Lift me to the level and height where my destiny shall be fulfilled. Take me to that height from where my destiny and calling shall be fulfilled, where my light shall shine across the world, from where the glory of my life and destiny shall prevail all over the world.

⇒. Father by your mighty hand, begin to separate and remove from my life every association, relationship that is contrary to the fulfillment of my destiny. Lord remove from my life connections, attachments that are going to stop me from fulfilling destiny, oh God separate such from my life. Lord detach from my life, remove from my life, associations, friendships, connections, relationships that are not going to allow me to fulfill destiny, that will not allow me to become the person I am in destiny. Lord remove them from my life by your mighty hand. I reject such associations, friendships, relationships, connections and opportunities in the name of Jesus.

⇒. Raise up your right hand. In the name of Jesus, I come against every barrier that people have created with their words, actions to stop me from rising to fulfill destiny, I decree that they fail right now, I decree that they break in pieces right now. Every barrier that men, women, youth, old (wo)men have created with their mouth, thinking, whatever barrier human beings have created to stop me from rising to fulfillment of destiny, let the hand of God break them in pieces in the name of Jesus. Let the fire of God break such barriers in pieces.

⇒. Raise up your right hand. In the name of Jesus, I come against every darkness and dark operations that have turned my destiny helpers against my life, Jesus let fire arrest and destroy them. Every witchcraft that has been done, every operation of darkness that has been done and has successfully turned my destiny helpers against my life, I decree in the name of Jesus, let fire fall and consume them all in the name of Jesus. That which has been done in the second heaven, in the waters, on the grounds, in the atmosphere to turn my destiny helpers against my life, calling, destiny and ministry, let fire fall and consume them right now in the name of Jesus.

⇒. There are certain help or miracles that must happen to you. Though there have been miracles happening in your life but there is one major miracle that is important to your destiny fulfillment. That miracle, when it happens, will be marked in the book of God in heaven that now your destiny is now on track to be fulfilled.

•Father look upon my life in your mercy and command the manifestation of that miracle that must happen to me for my destiny to rise to fulfillment, oh God command it to happen in my life. Oh God, I know it will take your mercy for this major miracle that will begin the fulfillment of my calling and destiny, by which I am to start fulfilling destiny; in your mercy oh God, look upon me and do it by your mighty hand in the name of Jesus.

⇒. It is possible that you are the one hindering your own destiny fulfillment and you are the same person who will do prayers and fasting, attend church meetings at the same time destroying the answers to your prayers and helps that God sends to you. People can be manipulated to be the enemies of their own destinies.

•Place your right hand on your hand. In the name of Jesus, I refuse to be manipulated to become the enemy of my destiny oh God help me, deliver me. Lord, I refuse to become the enemy to the fulfillment of my destiny. Every power trying to control my mind so that I am the one stopping myself, oh God of Israel destroy them all right now in the name of Jesus. Every power working tirelessly to control my mind so that I am the same person limiting myself, Lord let your fire consume those powers right now in the name of Jesus.

⇒. Place your right hand on your head. Father, I refused to say words that are going to work against me and my destiny, words that will be used against the fulfillment of my destiny, oh God help me, deliver me. I refuse oh God to speak words that will be

used against me in destiny. Deliver me Lord Jesus from speaking negative words, from the spirit of negativity, help me stop speaking negatively. I refuse to use my mouth to destroy my destiny, in the name of Jesus

⇒. There are things that have been formed against you and the presence of that thing in your life means your destiny fulfillment will still be pending.

•Father every deformity, damage and malformation that the enemy has caused in my life to ensure that my destiny is not fulfilled, oh God descend upon my life right now, visit my life and reverse them. Everything that has been deformed in my life, malformed and damaged in my life to ensure my destiny does not find fulfillment, oh God of Israel intervene now and deliver me. Lord touch me now and heal me, deliver me so that my destiny will be fulfilled. Reverse this damage so that my destiny will be fulfilled. Every damage that happened to my career, marital life, health, finances to stop my destiny from being fulfilled, oh God visit me and reverse this damage is now in the name of Jesus.

⇒. There is a kind of divine presence that needs to combine with your life for the fulfillment of your destiny to happen correctly and speedily.

•Raise up your right hand. Father establish in my life a divine presence that will hasten the fulfillment of my destiny, that will quicken the fulfillment of my destiny, establish that presence in my life. Establish in my life such divine presence, angelic presence, powerful presence that will hasten the fulfillment of my destiny on earth, Lord let it be established permanently in my life right now. From today onwards, enable me to walk, move in such divine presence that will attract the fulfillment of my destiny. **\*I decree over your life that the heaven of the Most High God, of the God of Israel put upon your life such a divine presence that will ensure your destiny is fulfilled in the earth at this time. Let such a presence come upon you right now in the name of Jesus.**

⇒. The Lord is showing me that wherever you went to dress, make or cut your hair, something evil was introduced into your hair and that thing is an attack to your destiny.

•Touch your hair or place your hand on your head. In the name of Jesus, every evil that has been introduced into the hair on my head to stop my destiny from rising to fulfillment, let the fire of God remove such evil right now. In the name of Jesus, let the fire of the Holy Ghost flush out every evil that was introduced into my hair, I command such evil to come out in the name of Jesus. Every evil that was introduced into my life through my hair, let fire remove them now in the name of Jesus.

⇒. There are powers that are assigned cut short your blessings that God has prepared for you at this time. If you're meant to receive five million and you get five hundred thousand, though you will be blessed but that is a limited blessing.

•Father the blessings you have provided and authorised for me at this time, let nothing cut them short in the name of Jesus. Let no power be able to cut short all the

blessings you have provided for me at this time. \*The blessings that God has provided for you at this time, nothing shall be able to cut them short in Jesus' name. You shall have the full package of your blessings in the name of Jesus.

⇒. Father make your will known to me that I may do all you will have me do at this time, use everything in my life, everything around me to communicate your will to me, especially such a will or assignments that I should do now. Lord use everything in your power to make sure that I find that assignment, that I discover that will of yours. Lord make sure I discover your will for this time, moment, and hour of my life, the assignment I must do, the instructions I must follow, the direction I must walk in, Lord let me find it and let me be able to do it in the name of Jesus.

⇒. Father let your Holy Spirit in my Life be glorified so that I begin to enjoy your presence like I have never before. Lord let the Holy Ghost in my life be glorified, glorify your Spirit in my life so that I can enjoy you more than I have ever enjoyed you. So that I can have fellowship with you at a higher level than I have ever. Glorify your presence in your life, glorify your spirit in my life in the name of Jesus and enable me to fellowship with your spirit in a higher dimension than before.

⇒. Reach forth with your hands as if you want to pull something to yourself. In the name of Jesus, I take for myself by force that which is mine, that the enemy has stolen, that which is mine that another person is sitting on, I take them now by force,(be reaching and grabbing it to yourself). I take for myself now that which is mine the enemy has stolen, every blessing that is mine, every position, opportunity and possessions that are mine that the enemy is sitting upon, I claim them by force, I take them by force in the name of Jesus. I have received authority in the name of Jesus to possess my possessions. I pull all that is mine, all that is in custody of the enemy, I pull them to me in the name of Jesus, I claim all that belongs to my destiny and greatness in the name of Jesus.

⇒. In the name of Jesus, I come against every demonic inscriptions, demonic handwritings, demonic documentations that are against the manifestation and fulfilment of my destiny, let the blood of Jesus and wipe them away, let the blood of Jesus render them useless, let them begin to fail by the blood of Jesus. Every demonic inscription, write ups, documentations, handwritings which are meant for my downfall, meant to stop me from fulfilling destiny, let the blood of Jesus wipe them off, let the blood of Jesus destroy their effects in the name of Jesus and let them die. Every handwriting written to stop me from moving forward in destiny, let them be cancelled, consumed, destroyed, terminated and fail in the name of Jesus.

⇒. In the name of Jesus, I receive the wings to fly into the place of the fulfillment of my destiny. I receive wings to fly to the place where my calling and destiny is going to prevail in time. I receive wings to fly and ascend to that position in the name of Jesus. I received the wings of eagles and spiritual authority. I receive right now wings

that makes me unstoppable, that make me break limits, wings that no witchcraft can stop, wings that make me ascend above all limitations and oppositions, troubles, weaknesses and wings that will put me in the place of manifestation in destiny, I receive those wings now and I decree I am flying now in the name of Jesus.

⇒. You need to be fed spiritually with the right foods for you to fulfill destiny. It's not every one that has the food you have to eat at this time, so you need to be mindful of the people you listen to. The same way the Holy Spirit will help you in a certain way, that particular food that you need at this time is what He will be bringing to you and that is what you will eat and grow.

•Father, fill me with the right spiritual meal that I need right now for me to attain real maturity, fill me with the right meal because I know that my spiritual maturity is important to the fulfillment of my destiny. Oh God fill me with that meal that will lead to my spiritual maturity in you, connect me with those platforms, places from where I will feed and grow spiritually. Connect me with books, with revelations from scriptures by which I will grow spiritually. Lord feed me with the meal that I need right now to attain real maturity in you, help me Lord Jesus, in Jesus' name thank you Father, Amen

Everything the devil is doing into your life that you do not even know of, I decree the light of God shine in your life and let the hidden works of the devil be exposed to you

now in the name of Jesus. As they are exposed to you, the power of God shall manifest to destroy those works of the devil in Jesus' name.

I speak upon your life that you shall rise to fulfillment in destiny. You might have been limited till today but from today onwards, limitations have ended in your life in Jesus' name. You shall no longer be limited in the name of Jesus. The grace of God shall help you in destiny. For those of you who have not yet started to do things which are important to the fulfillment of your destiny, I speak over your life that the Lord help you to begin such moves and such works and operations that will take you into the place of destiny fulfillment. ## PRAYER POINTS

⇒. Raise up your right hand. Spirit of The living God take your place, have your way in this prayer session. As I pray, the Holy Spirit pray through me, lead me, fill me with utterances, as I pray let victories be mine. I welcome you Holy Spirit, Holy Spirit come and have your way right now in this hour, take your place. As I pray, move; as I pray, fill me with the Spirit of prayer, Holy Spirit pray through me, fill my tongue with utterances of power. Fill my tongue with utterances of fire, Holy Spirit fill my tongue with right utterances that will bring unto me great victories and deliverances. Holy Spirit move through me for victories in this hour of prayer.

⇒. God has surely defeated powers, principalities, Satan, sickness and diseases and He's not trying to defeat them anymore.

•Father let your victory be unleashed in my life, let those things that you have already defeated be defeated in my life. Reveal your victory and dominion with power and let it manifest in my life, let your victory and dominion as it is in heaven, rain in my life, let it happen in my life. Father let your victory be uncovered in my life, let your dominion appear in my life and let me be victorious as you are victorious. Let me be that I am victorious as you are victorious over all things that have you defeated. Let your victory appear in my life and situations as it is in heaven, let the things which are under your feet be under my feet as well because I share the same inheritance with you.

⇒. The kingdom of God already prevailed over the earth, and in the earth. When the Kingdom of God manifests on earth there will be miracles because the Kingdom of God already defeated the earth. So we need to start walking in victory always.

•Raise up your right hand. Holy Spirit reveal in my body, soul and spirit the victory of the Kingdom of God. Let everything that heaven has defeated, be defeated in my life. Let everything Jesus has defeated be defeated right now in my life and body. In my body system, Jesus has already defeated sickness and disease, therefore I declare they are defeated right now in the name of Jesus. In my soul Jesus has defeated every darkness, therefore I declare they are defeated right now in the name of Jesus. In my spirit Jesus has defeated every appearance of evil, therefore I decree they are defeated right now in the name of Jesus. No darkness shall rule over me or my destiny because I belong to the Kingdom of God, because I am connected to the victory, that is in the Kingdom of God therefore I am victorious. I walk in victory from now henceforth in Jesus' name.

⇒. We pray deliverance prayers because we have to show the devil where he belongs. He is already defeated, by praying deliverance prayers, we are telling him to go back where he belongs.

•In the name of Jesus, I connect with the victory of heaven and I decree that every power of darkness ruling over my life, destiny, finances, spirit, prayer life, go back to where you belong in the name of Jesus. I dethrone you in my life. I decree fall down right now in the name of Jesus. I command you to go where you belong, which is under my feet in the name of Jesus. I command every power ruling over my life, calling and destiny, I command you to fall under my feet, I command you to fall under the feet of Jesus.

⇒. We are seated in Christ Jesus, as He is ruling over powers and principalities, we are ruling in Him in the heavenly places and that is our victory, the victory of the Kingdom of God.

•In the name of Jesus, I decree that from now henceforth, I begin to walk in the realities of the victories that I have in Christ Jesus, I begin to operate from the realm I am in Christ Jesus. I decree that I begin to walk, my life begin to walk right now in the victories that are mine in Christ Jesus, let them appear in my life. Let all the victories I have in Christ Jesus begin to speak now in my life and for my life. Let me begin to operate in them by the Spirit of the Lord, I am operating now from the victories that I have in Christ Jesus. I am walking right now in the victories that I have in Christ Jesus, I am walking in the realities of the victories I have in my Jesus.

⇒. If Jesus is above all that implies that everyone in Jesus is above all because the Bible says He that is from above is above all. You who is in Jesus is above all, you are above sickness, diseases, captivities of darkness poverty and slavery. The Holy Spirit can lift you up and He can translate us into realms beyond this realm.

•Place your right hand on your head. Spirit of the living God, lift me up to begin to walk in the realities of the victories that I have in Christ Jesus. Spirit of the living God, lift me up right now and set me above everything that Jesus is above. Spirit of the living God, lift me up and set me in the realm that is above all, in the realm where Jesus is seated, into that realm that is above all powers, sicknesses, limitations and weaknesses; set me in those realms, Holy Spirit right now. If Jesus is above Satan, sickness, disease, principalities, powers, governments, kingdoms, territories, and witchcraft - I am above them all because I am seated in Christ Jesus. Holy Spirit take me to the realm where Jesus rules and reigns from.

⇒. Some of you need to renew your minds to agree with these kinds of prayers we are praying because the devil has deceived us to believe that he is more powerful than the God we serve. Even the devil himself and all his agents know the truth that he is weak in the face of God's power, so we need to walk in that understanding.

•In the name of Jesus, I speak with authority from the realm of a victory that I am in right now, in Christ Jesus and I decree that failure has ended now in my life. I decree marital failure come to an end in my life right now in the name of Jesus. I decree

financial failures come to an end right now in my life in the name of Jesus. Failures in my career, I decree come to an end now in the name of Jesus.

⇒. Matthew 6:10. All that we need is for the Kingdom of God to come because when the Kingdom

of God comes then the will of God happens on the earth.

•Father let your Kingdom appear and prevail with power in my life as it is in heaven. Let your Kingdom appear now in my life let it prevail with strength and dominion because your Kingdom is above all. Let your Kingdom appear and prevail in my calling, destiny and situations in the name of Jesus. As your Kingdom appears, let every kingdom that is against you in my life be destroyed and crushed in pieces. Let your Kingdom appear now and let it crush in pieces all other kingdoms ruling over my life in Jesus' name.

⇒. The Holy Spirit was given to us so that the will of God will be done on earth as it is in heaven. The Holy Spirit is the one who enforces the Kingdom of God over all the kingdoms of this world. How much have you allowed the Holy Spirit to enforce God's kingdom in your life? Some are so behind with the plan of God because we have not embraced the Holy Spirit.

•Father, I am ready for a serious walk with you, glorify the Holy Ghost who is in me and let me be awakened to know you, to see you, to feel you and enjoy your presence. Father I am ready to walk with the Holy Ghost, I am ready to walk in the Holy Ghost, Lord let me be awakened to this relationship to know you face-to-face, to relate with you face-to-face. Lord revive me, let the Holy Ghost in me manifest and let me be revived. Let the Holy Ghost in me arise and revive me.

⇒. Majority of Christians are far behind with the program of God for our lives. The reason is we have been deceived by the enemy. The veil of deception needs to be removed so you begin to see light as God sees, to see things as people in heaven see not as the people on earth see. You need to first of all see the kingdom of God before you can experience it, that's why your eyes have to be opened because you cannot enter what you cannot see.

•Father every veil of deception, veil of darkness, veil of ignorance that has covered my eyes, oh God of Israel deliver me, take away the veil I want to see the Kingdom of heaven as it is and I want to enter. Every veil of deception that is prevailing over my soul, let them be rolled away by fire, Father deliver me. Let the eyes of my understanding be opened, let the eyes of my heart be opened in the name of Jesus. Lord deliver me out of this darkness that is confusing me, deceiving me from seeing and entering your glory.

⇒. Jesus was telling Nicodemus that what he was seeing (miracles), for him to partake of it he needed to be born again. When the eyes of the blind are open and the lame are walking, that is the Kingdom of God, so for Nicodemus to be able to see all this, he was supposed to be born again.

•Father deliver me from every darkness that has killed my spirit from being awakened to the realms of your Kingdom, realms of your glory and realms of your power. Deliver me from every darkness that has killed my spirit man from being awakened from the realms of heaven, from the realms of your Kingdom, I want to walk in the realities of your kingdom, the realities of heaven. Lord release me to operate in the realities of heaven, deliver me to begin to walk in the realms of your glory, into realms of your power in the name of Jesus. I want to enjoy what it means to be a child of Go, to be born of the spirit, to be in Christ Jesus. Deliver me from the bondage of darkness, let me be a release to enjoy my inheritance in Christ Jesus.

⇒. Though being born again has to do with salvation but it has a lot to do with deliverance. Salvation is also deliverance, it means you are being saved from something that has held you captive. It takes deliverance to enter into the kingdom of God because there's a great darkness between you and the Kingdom of God. The greatest of the many things that we have to be delivered from is you (self). You are your own greatest darkness that will stop you from entering the kingdom of God.

•Raise up your right hand. Father deliver me from the limitation of myself, from the stronghold of myself and let me be released to enter into your Kingdom. Father deliver me from the bondage of the flesh, the bondage of myself and let me be released into your Kingdom, into your glory. Lord the greatest darkness is me, deliver me that I may see and enter into your Kingdom. Deliver me from the darkness that is my flesh and let me be released to walk in your glory.

⇒. Being born again has a lot to do with transformation as well as deliverance. Being born again is becoming a new creature that is not human, a new creature that is a spirit whose life is above this world. You have to be transformed to see and enter the kingdom of God.

•Father, change me into a new creature that will see and enter into your Kingdom, a new creature that will live and walk in the spirit, that will operate in the heavenly realms, Lord let me be transformed into such a being. Lord let me be changed into a divine being that can see, enter and walk into the realms of your Kingdom. Lord change me, transform me into such a person, I refuse to be an ordinary man, a natural man. Change me to be like those in heaven so that I can operate in the same glory and in the same realms that are in the Kingdom of God.

⇒. It is now that I understand why the Holy Spirit is always emphasizing on eyes to be opened during our prayer sessions. It is difficult to enter into a glory that you cannot see, it is also difficult for you to command a power that you have not seen. Jesus said 'I do what I see my Father doing, I do nothing that I have not seen my Father doing'

•Father let my eyes receive revival to see what your Kingdom is doing on earth at this time, so that I can receive of what you are doing on earth, so that I can also connect with what you are doing, so that I can embrace, walk and enjoy the things

you're doing on earth at this time. Lord deliver me, revive my eyes, change my eyes, let me see what you are doing, let me see you.

⇒. The Holy Spirit was just telling me that, with this human mind you cannot see what God is doing. Something has to happen to your human mind before something will happen to your eyes. It will take the mind of God to see with the eyes of God, to see into the things of God

•Father do a work in my life and heart and let my mind be transformed to become like your mind, let my heart be transformed to become like your heart. For this is when I will see like you see, and this is when I will see with the eyes by which you see, Lord let my mind be transformed in the name of Jesus.

⇒. Some battles have not been defeated for a long time in your life because you have not been awakened to who you really are in Christ Jesus. Just that consciousness that 'I am not of this world, I am not here, I am there in heaven' not like you are assuming it but that it is so real that you can feel it and you can see it working in your life. There is a heavenly atmosphere that should follow you everywhere you go and the people who see you will know that there's something different about you.

•Father, help me to begin to walk, live and operate in the atmosphere of heaven on earth. Help me to walk in the consciousness of who I am in you and where I am in you. Father, help me to walk in the atmosphere of heaven, let the atmosphere of my life change to the atmosphere of heaven in the name of Jesus. Help me Father, Lord change the atmosphere of my life to be the atmosphere of heaven, help me to walk in that glory of heaven, to live in that glory of heaven.

⇒. You being birthed into the kingdom of God has a lot to do with truth, the knowledge of truth. Jesus said 'and you shall know the truth and the truth shall make you free'. There are truths that you must know and transforming revelations that you must see. Transforming revelations will launch you into the realms of the Kingdom; these revelations will deliver you from the flesh and the power of this world and launch you into the realms of God's Kingdom.

•Father by the Holy Ghost you have given to me, let the truth of you and your Kingdom begin to appear to me. Lord let the truth that will set me free begin to appear to me, let your Spirit begin to show me the truth that will transform me, change me, the truth that will enable me to change in my thinking, change my world view, change my lifestyle and the way I reason and talk. Use your Holy Ghost that is in me to begin to teach me this truth to me, let Him begin to unfold these truths to me that I may be transformed and changed into the person you want me to be.

⇒. There's a place of being told or taught the truth and then there's another place of believing the truth agreeing with the truth and allowing the truth to set you free. The Bible said of these last days that there will be people who will be forever learning but will never come to the knowledge of the truth.

•Place your right hand on your chest. Father deliver my heart from every darkness that is turning me, my heart against the truth, every darkness that is making my heart reject the truth, making my heart disobey the truth, making my heart to deny the truth, deliver me from such darkness. Father deliver my heart from every darkness that is fighting the truth, that is making me turn against the truth, making it difficult for me to practice and believe the truth. **\*In the name of Jesus, every darkness that has filled your heart, turning your heart against the truth of the Word of God, turning your heart against the truth about God and the Kingdom of God. I decree let the fire of God trace that darkness right now and consume them all right now in the name of Jesus.**

⇒. Father reveal the greatness of you in my weaknesses, for me to be victorious. Let your greatness destroy my weaknesses, swallow up my weaknesses. Reveal your greatness Lord Jesus in the midst of my weaknesses until they're all gone, until I begin to work in victories. Father, reveal your greatness in my weaknesses in Jesus' name.

⇒. The way God sees you is not the way you have been seeing yourself. God sees you according to who you are in Him, according to His programs for your life before you were conceived in your mother's womb.

•Father reveal the truth about me as it is in your mind. Lord reveal it to me so that I can begin to see myself as you see me. Father reveal the realities about me, the truth about my essence, the truth about my existence, the truth about who I am in you, Lord reveal them to me. Lord reveal the truth about my divine personality, calling and destiny that I can begin to see myself henceforth as you see me. Reveal this truth to me in the name of Jesus.

⇒. This awakening into God's Kingdom has a lot to do with power. That's why Jesus told the apostles that you shall receive power after the Holy Ghost comes upon you. He knew, that was the power that will birth them into the Kingdom as it is.

•Father let your power fall upon me now as it fell on the apostles on the day of Pentecost, and let your power begin to unleash the realities of your kingdom in my life. The realities of heaven in my life, ministry, calling and destiny. Lord let your power fall upon my spirit, my body, soul and spirit as it were on the apostles on the day of Pentecost, let your power awaken me to your Kingdom, to reveal your greatness in my life, to change my life and change things in my life, to fix things in my life. Lord visit my life with power and by your power change me, deliver me, heal me, transform me, revive me, use me, launch me into your glory, launch me into miracles by your power.

⇒. What makes the difference in the life of a Christian or of a minister of God is power. Until the power of God is released into your life, until it begins to work in your life, you cannot see miracles and living a holy life will be impossible.

•Raise up your right hand and pray passionately. Father I am tired of impossibilities, I am tired of weaknesses, limitations, stagnation, and poverty, let your power fall upon me upon my life and make my life better. Father let your power visit me and change my life to the way you want it to be. Lord I reject stagnation, slavery to sin, slavery to demons, slavery to darkness, slavery to curses and covenants of darkness. I reject poverty, shame, rejection and sorrow from the enemy. Oh God visit my life with power and change my life forever. I reject failure in my destiny, career, calling and ministry, visit my life with power and change my life forever in the name of Jesus.

⇒. There's a level of fire that will burn in you that no darkness can breathe or survive, they will be afraid of you. There's a level of fire that changes you into such a personality

•Father let my life become fire. Father let my life become too hot for darkness to hold captive, let my life become so full of your fire so that no captivity of darkness can survive in my life. Father let my life become fire, let my spirit, soul and body become fire and let me be too hot for darkness to hold captive. Oh God let your fire be so great in my life such that no darkness will prevail, no darkness will live and breathe. Let my life, spirit, soul and body become flames of fire, so that no witchcraft can touch me, no darkness can cage me and no evil can come near me. Lord change me into fire, living fire, living coals of fire that no darkness can touch, do it Lord Jesus by your mighty hand, in Jesus name, thank you Jesus, Amen.

## CLOSING PRAYER

Raise up your right hand.

King of Israel, Ancient of days, mighty redeemer we bless you. We adore we praise you, we worship your majesty. We say thank you for your faithfulness, your mercy, love and grace.
