PRAYER POINTS

⇒ Think back and consider all that God has done for you since the day you were born up until now.

• Father I am so grateful for you have been so good and merciful to me, you have been so kind to me. Father I am grateful, thank you for everything even while I was still an unbeliever, a sinner, when I didn't know about Christ, you were taking care of me, helping me, saving me, defending me, protecting me, thank you Father. Even from the time I began to know who you are and serve you and please you, you have been so faithful thank you Lord Jesus. Father, I am so grateful, Lord I am so grateful for you have done so many great things in my life.

⇒ Father, thank you for how you came through for me in those moments when I was about to be put to shame, to be publicly humiliated and disgraced, thank you for how you rescued me. Father, thank you for how you rescued me from the point of shame and disgrace, at the point of being humiliated and mocked by people, thank you for how you came through for me. You showed up, rescued me, saved me and delivered

me when it appeared as if I was going to lose the battle, you appeared when the enemy was almost rejoicing over my life, Lord I am so grateful, thank you Father, thank you Jesus, thank you Lord.

⇒ Have you ever been in a situation whereby the devil created situations to crush you but somehow you were not crushed? The enemy wanted you to be emotionally damaged and depressed but somehow they did not succeed.

• Father, I thank you because I was hard pressed on every side but I was not crushed. I thank you that when the enemy threw many storms at me, I was not hurt. The enemy wanted me to be depressed but I was filled with joy. The enemy wanted me to go down straight to hell but I continued to rise, Lord thank you for being the pillar of my life, the strength that upholds my life. Lord despite the attacks that came to me from the dark kingdom, you stood by me and helped me, defended me and did not allow me to be conquered or defeated. There were so many against me but you fought for me and defended me, helped me and rescued me, thank you Lord Jesus. You made me stronger than them all, stronger than the situations that were programmed for my downfall and here I am still standing, thank you Lord Jesus, thank you Father.

⇒ Father let everything I have known of you become real in my life and situation from now henceforth. Father let every truth I have known of you, everything that I have known you are able to do, everything that I have known of your Kingdom, your power and Grace, Lord let them begin to become real in my life, let them become real in me, let them become real through me, let them become real in my environment. Oh God let everything I have known of you become real henceforth, let them become undeniable realities in my life and situations in Jesus' name.

⇒ You need to know that God is not far from the Earth or His creatures for the Bible says in Him we live, move and have our being. God is as close to the Earth and the things He created just as your blood is as close to your blood vessels, but not many are experiencing God like that.

• Place your right hand on your head. Father let my spirit, soul and body be awakened to know your presence as it is in the Earth, my Father let my spirit, soul and body be activated, awakened to know your presence as it is in the Earth, to know your presence as it is in me, Lord let me be awakened to know you, I want to know your presence. I don't want to just believe about your presence but I want to know your presence. I don't want to just agree that you are present but I want to know your presence, let me be awakened, let me come alive to know your presence as it is in me, on me, and in the earth in the name of Jesus.

⇒ How is the presence of God in the earth? The presence of God in the Earth is like a big spherical ball and everything in the world, the universe, planets, stars etc is like a small stone inside that big ball, that is the nature of God's presence in the Earth.

It's not as though God is in the earth, but He has captured the Earth and everything inside of Himself, that is how the presence of God is in the Earth.

•Father, connect my spirit, soul and body with the portals of your presence in the Earth, Lord I want to be launched into the greatness of your presence, the fullness of your presence, connect my spirit, soul and body with the portals of your presence in the Earth. Connect my spirit, soul and body with the portals of your presence in me that would launch me into the depth of your presence. Lord connect my spirit, soul and body with the portals of your presence on the Earth and within me in the name of Jesus.

⇒Have you ever listened to a spirit-filled song that afterwards you felt like something was rising from within you? You felt so overwhelmed as if you were captured into something larger, bigger and greater, -that song is a portal of God's presence. There are some places in the Bible where if you keep on meditating on them you'll get captured into deeper understanding and revelations of God, that is another example of a portal. Just as the world is full of demonic portals so also there are divine portals of God.

•Father, connect my spirit, soul and body with your portals in the Earth. I want to be launched deep into the depth of you, the depth of your glory and presence, connect me now in the name of Jesus. Lord, I want to be connected with portals of your glory, presence, Grace; I want to be connected with portals of who you are, the depth of who you are, connect me now because I want to be launched deeper into you, deeper into your realms in Jesus' name.

⇒There's nothing in this world worth living for because everything in this world are instruments of death and only God can make them give life. All things in this world have been strategically positioned and configured to kill people spiritually and only God can now kill some of those things to give life. If whatever it is in this world that gives you joy is not God's presence then you have lost it. The depth of God's presence is for those who cherish it and values God's presence not for those who need to be begged to pray or to do spiritual activities.

•Father, I refuse to be distracted, I desire to seek your presence everyday of my life, help me Lord. Lord I choose to seek for your presence, to pursue after your presence, to desire strongly your presence, help me Lord. Lord, I refuse to be distracted or deceived that there is something better somewhere, something better than your presence, oh God help me to seek your presence, to desire your presence strongly.

⇒Many Christians nowadays are like the five foolish virgins who cannot understand the vanity of this life and leave the presence of God looking for vanities - things that would perish. The earlier you see that the things of this world are vanity, the better for your soul.

•Father, let my understanding be enlightened that I may consider the pleasures in the world as vanity without you being there for me or with me. Oh Lord help me to be

wise to begin to consider and believe that the world and all the pleasures in the world are vanities and that they are meaningless, Lord help me to be enlightened to that point. Help me to see the vanity in the pleasures of this world, that I may seek you, seek your presence, that I may choose light and reject darkness always, that I may be like the wise virgins.

⇒The love for the vanity things of this world is one of the devil's mighty weapons to snatch people out of God's presence.

•Father, deliver my soul from every lustful desire that is taking me away from your presence in the name of Jesus. Lord deliver me from every lustful desire that is taking me away from your presence, deliver me right now, deliver me right now in the name of Jesus.

⇒ The key to receiving earthly blessings (riches, wealth, cars, lands, marriage etc) from God is by not seeking after these blessings. It is not simple to set aside worldly things and seek heavenly things, it's easy to quote Matthew 6:33 but most people are not living it. This is the only way to enjoy physical gifts from God's Kingdom. The mistake of choosing darkness above light is what has destroyed many souls.

•Father, help me to exalt the desires of your presence and the desires for fellowshiping with you, to exalt righteousness above every other thing. Lord help me to desire spending time with you, to desire for heavenly things, help me to exalt them above every other thing. Lord help me to exalt the desire of your presence above everything in this world.

⇒Raise up your right hand. In the name of Jesus, let the sword of the Lord cut off every demonic entanglement on my soul, every entanglement of darkness on my soul. Every demonic entanglement to snatch my soul out of God's Kingdom, let the sword of the Lord destroy them now in the name of Jesus. Every worldly entanglement on my soul, every worldly influence on my soul to snatch my soul out of God's Kingdom, out of God's presence, let the sword of the Lord cut them in pieces, let the sword of the Lord destroy them now in the name of Jesus.

⇒In the place of prayer, some people's minds are thinking all manner of things that do not line up with God's Kingdom or heavenly things.

•Place your right hand on your head. Fire of the Holy Ghost, arrest and destroy every mind-controlling devil oppressing me, channelling my mind away from God, controlling my mind away from righteousness, away from God's presence, let the fire of the Holy Ghost arrest and destroy them now. Let the fire of the Holy Ghost destroy every mind-controlling devil that is controlling my thoughts from heavenly things in the name of Jesus. Every mind controlling devil that will not allow me to pray with focus, that will not allow me to remain in God's presence and is always distracting my mind and deceiving my mind away from God's presence, fire of the Holy Ghost arrest and destroy them now.

⇒ You may not know the depth of the darkness in this world until you seriously start pursuing the presence of God. It is then you will know how great the darkness that is in this world that does not want you to remain connected to God. The devil is using the weapon of deception to capture many into his kingdom, into deep darkness.

• Place your right hand on your head. Father strengthen my mind with fire, strengthen my heart with fire, do not let the instruments of deception in this world succeed over my soul. Father strengthen my heart and my mind with fire, let me know immediately when I am about to be deceived, let me know how to reject deception, let me be stronger than these forces of deception in the world, help me Lord in the name of Jesus.

⇒ Instruments of deception, forces of deception- these are thoughts that will come into your mind which will begin to speak maybe like this 'what is the value of prayer, all the years of your praying what have you gained from prayer, what is the value of fasting, why must you always read the Bible etc'. Maybe there's something that you have been doing consistently to build up your spiritual life and then these thoughts begin to come. These instruments of deception come mostly as thoughts and words, they come through people around you who will speak with sweet voices to deceive you. The internet, social media, news, movies and videos you watch are all full of deception, also opinions and ideas of men.

• Father, strengthen me to reject every operation of darkness to deceive me out of your presence, out of your Kingdom. Father, strengthen me to resist and overcome, to reject everything the devil is doing to deceive me out of your presence, out of your will, out of your purpose and righteousness, strengthen me oh God of Israel to prevail over them, strengthen me Father.

⇒ There are different ways to look at things in this world. You can look at some things in this world and still remain in the light and God's presence, and there are some things you can look at in another way and be full of darkness. How do you see the things that are in this world? Are you looking at them properly or correctly or are you looking at them in the way of slavery? How do you look at a man or a woman on the street? Do you look at them to be attracted to the darkness they are into or do you look at them to bring them out of the darkness into the light? You need to change how you look at things otherwise you will always have problems with fellowshiping with God.

• Father help me to see things correctly, help me to look at the things on earth correctly, help me to look in a way that your presence will be glorified, help me to see things the way I should see them. Lord help me to see things and situations in this world correctly so that your name is glorified and not to glorify the devil, not to fall into the traps those things carry but to rule over them. Help me to see things correctly in this world from now henceforth in the name of Jesus.

⇒ We are placing so much emphasis on seeking and remaining in the presence of God because that is the only way to survive, the only way you can have a chance to

make heaven. If you will not be in His presence, you might not have a chance to reign with God in heaven.

•Father give me Grace that will make me enjoy your presence, give me the Grace to test the sweetness of your presence. Lord give me Grace to begin to enjoy your presence, to begin to feel the pleasures of your presence. Lord put that Grace in my body, soul and spirits to enjoy the sweetness of your presence, to begin to taste the sweetness of your presence so that I become addicted to your presence, such that I can't afford to miss your presence anymore. Lord, make your presence sweeter in my life than any other thing I have ever tasted. Make your presence so sweet to me than any other pleasure in this world.

⇒There's a depth of God's presence that once you access it, you won't pray for healing or deliverance, you just being in that depth will guarantee healing and deliverance. At that level, certain things will not survive in your life. There are deeper levels of God's presence that once you get to access them, your life can never be the same. The solution to the problems in the world is in God's presence that is why the devil will not allow you to go deeper into His presence because He knows the deeper you go the more difficult it will be for him to succeed over your life. As you go deeper into God's presence certain things will just start disappearing automatically, the more delivered, healed, blessed, glorious and prosperous you get.

•Father, I desire the depth of your presence, take me by the hand into the depth of your presence in the name of Jesus. Father hold me by the hand and walk me into the depth of your presence, I want to know and experience the depth of your presence. I want to be fully immersed into the depth of you, Lord walk me into these realities, hold my hand and walk me into these realities in the name of Jesus. Lord hold my hand, take me on a journey that will launch me into the depths of your presence.

⇒In my quest for the depth of God, I have realised that the deeper I go into God, the more I have to die to self. At whatever point I get to there is always something that has to die in me permanently. Your flesh (human or adamic nature) has a lot of dimensions and as you go deep into God they must keep dying.

•Father, help me to crucify self, help me to crucify all the dimensions of self. Father help me to offer myself to death, to lay down my life for you to crucify self in my life so that I can have access to the depth of your presence and the depth of you. Lord help me to give myself over for death so that I can gain the depth of you, help me to crucify the nature of myself, the nature of sin and disobedience, rebellion, and ungodliness, help me to hand over these nature for destruction so that I can gain access to the depth that are in you. The passion to satisfy my selfish interests and the pleasures of this world, help me to hand them over so that I may gain access to all the depths that are in you. Help me to deliberately and permanently kill these desires through prayers and fastings in Jesus' name.

⇒ In the kingdom of God the more you die to self will determine the more of Him you will get, the more of you you have given up will determine the more of God you will have access to. How much you love God and desire God will determine if you will ever succeed in crucifying the desires of your flesh.

• Father, help me to love you more than my life, more than the things of this world, myself, more than my prayer requests, more than the things I want you to do in my life, help me Lord to love you more. Father help me to love you more than life itself, more than everything about me, help me to be able to put myself aside to seek you, to seek to know you in Jesus' name.

⇒ Spiritual pride is the highest form of pride, it comes after you have gotten a few revelations of God and it makes you feel like you know everything about God and you feel like not a lot of people know what you know and it becomes a limitation from going deeper into God. When you feel like you have every answer to every problem or you have every solution that is spiritual pride. When you feel like you already know how to pray and get results, how to do spiritual things successfully, that is spiritual pride, or when you have calculated God and say this is all that God is then you are in great trouble.

• Father, deliver me from every fragment of spiritual pride that is limiting me from going deeper into your realm, limiting me from knowing you deeper, deliver me from every fragment of spiritual pride.

TIMELINE PRAYERS

• Timeline are the events that happen in your life on a daily or hourly basis.

⇒ Stand up and raise up your right hand. In the name of Jesus I decree that the Lordship of Jesus Christ take over every hour of my life from this moment onwards. I decree that the Lordship of Jesus Christ begin to dominate every hour of my life from today onwards. Let every day of my life fall under the Lordship and dominion of Jesus Christ, let every hour of my life fall under the control and dominion of Jesus Christ, let it be that all that the Lord wants happen in each day and hour of my life from now henceforth begin to happen in Jesus' name.

⇒ Still standing, raise up your right hand. In the name of Jesus I command the manifestation of all of God's blessings in-store for me in each day of my life, all of God's blessings packaged for each day of my life for me, I command their manifestation, I command that they appear now in the name of Jesus. I command the physical manifestation, the experiential manifestations of every blessing God has put in each day of my life for me from now onwards, I call them to manifest. Wherever my blessings have been held bound, I call them to appear right now in the name of Jesus. From today let them begin to appear, next week let them begin to

appear, the week after let them begin to appear. Everyday of my life, I command a physical manifestation of all of God's blessings for me in each day in Jesus' name.

⇒ Remain standing and raise up your right hand. In the name of Jesus, let every witchcraft covering blocking me from possessing my possessions, from getting the things God has already provided for me, let fire of the Holy Ghost destroy them now in the name of Jesus. Let fire fall and destroy every witchcraft covering standing between me and my possessions, blocking me from laying hold of my inheritance, from laying hold of the blessings God has already released and provided for me, let fire of the Holy Ghost consume them now. Let coals of fire from heaven destroy them, let coals of fire from the throne of God destroy every witchcraft covering, environmental witchcraft covering that will not allow me to hold the blessings God has already provided, coals of Fire of the Most High God consume them till I get what is mine in the name of Jesus, Amen.

CLOSING PRAYER

Oh God of Israel we thank you because you are so good, faithful, gracious and merciful. We thank you for your dominion that is over all, thank you for your presence that has prevailed over all and your power that is ruling over all, King of Israel be glorified forever in Jesus' name.

Lord, we have prayed on this platform acknowledging the importance of your presence above every other thing men can think of. I ask oh Lord as many have made up their minds in this prayer session to strongly desire to enter into the depths of you, I pray God that you show them mercy and begin to visit them to bring them in. Lord show them mercy, hold them by the hand and bring them into all the fullness that is in you. King of Israel do this for every life in Jesus' mighty name.

I pray for you that you will no longer be distracted, confused, deceived. Any instrument the devil has been using, whether it's human beings or whatever, imagination or thinking pattern that the devil has always been using to take you out of God's presence I bind such instruments in Jesus' name. From now on such instruments shall no longer have power over your soul, you will be stronger than your enemies, you shall be stronger than the prevailing darkness, stronger than the strongholds of death in the name of Jesus.

You shall no longer be a slave in the name of Jesus, for the Bible says that sin shall no longer have dominion over you for you are not under the law but are now under the grace, therefore in the name of Jesus, sin shall no longer have dominion over

you. The pleasures of sin shall no longer have dominion over you, the pleasures of self shall no longer have dominion over you, the pleasures of this world shall no longer have dominion over you but you shall rule over all darkness in the name of Jesus.

I decree that the Angel of the Lord shall stand against every devil, whether in human form or spirit form. Every demon that is not willing to let go of your life and destiny, every ancestral demon that is not willing to release you to become who God wants you to be, the Angel of the Lord shall strike them now, the Angel of the Lord shall consume them now, they shall be crushed into pieces now and wasted forever in the name of Jesus.

Every sickness that will not leave you, I command that sickness to die right now in the name of Jesus. Thank you Father because we know you have answered, in Jesus' name it is done, Amen.

Father, thank you for your love, your mercy, your grace, thank you for giving me access to receiving all that you have reserved for me. Thank you for giving me access to your power, strength, riches,

wealth, dominion and victory. Thank you for making me have all that is in you, thank you for making me a beneficiary of all that is in you, thank you Lord Jesus for showing me love.

NB: It is very dangerous for you to be sleeping while the prayer session is going on because you are vulnerable to be attacked by the enemy. It makes you lose a lot, when God is distributing blessings, He will not give to people who are sleeping. Do not sleep as we pray. If you know sitting down makes you sleepy then you might have to stand throughout the whole session to avoid sleeping.

⇒ Raise up your right hand. Father open your heavens over me right now, let every request I will make in prayer tonight ascend to you. Let your grace be available tonight as I pray, let your heavens be open for victories, for mighty miracles. Lord, let every request I will make, every prayer point I will pray, every prayer I will pray ascend to heaven, let your power fall for the manifestations of victories to come, let your glory fall for the manifestations of victories and miracles. ⇒ In the name of Jesus I receive strength and power to move forward with speed into my success, greatness, blessings and into my next higher level. I receive strength to move forward with speed into the new glory, greatness, into the new height that heaven has prepared for me in the name of Jesus. I receive strength, I receive strength to move forward with speed in all areas of my life, to move forward into success and greatness in Jesus' name.

⇒ In the name of Jesus, I pull down every stronghold and establishment of Satan limiting my rising to the next higher level God has prepared for me. I pull the strongholds down, whether they are visible or spiritual, every stronghold, every establishment, every plantation of satan, plantation of the hosts of darkness to stop

my rising to the next higher level God has prepared for me, I pull them down in the name of Jesus.

⇒ In the name of Jesus I receive the blessings of the Lord that I need now to experience a new beginning, a new glory and new heights. "I receive the blessings of the Lord x 7", I receive the blessings of the Lord that I need at this point in time to experience a new height, new beginning, new glory, I receive them now. I receive the blessings of the Lord now in Jesus' name.

⇒ No one is higher than God, such has never existed and will never exist, which means that no one or nothing can stop God. It also means that whatever God has determined to do in your life no one can stop Him from doing it except YOU! You can stop Him by your foolishness, disobedience and unbelief, apart from you no one can stop Him.

• Raise up your right hand. Father you are the Almighty God, manifest your greatness in my life and let your will be done in my life according to the greatness of you. Let your will be done in my life by the reason of your greatness because no one is higher than you, no one is stronger or greater than you, no one can stop you, therefore all that you have determined to do in my life at this time, oh God of Israel begin to bring them to pass by the reason of your greatness. Let your will for my life begin to appear and happen right now in the name of Jesus Foster. Let your will for my destiny, career, marriage, finances, ministry, your will concerning my purpose in life, Lord begin to fulfill them now by the reason of your greatness and because no one can stop you, do your will in my life now oh Lord.

⇒ Because God is unstoppable, it makes our victory as Christians hundred percent sure because God is Almighty and the only thing God cannot do is what God does not want to do. If God has determined to do something in your life, then no one can stop Him.

• Raise up your right hand. Father by the reason of your greatness, let every barrier, obstacle that the enemy has put in place to stop the manifestation of your will be permanently destroyed now in the name of Jesus. Father, let your greatness smash them in pieces, destroy every barrier and limitation that the enemy has set in place to stop the manifestation of your will for my life, let your greatness destroy them for no one can stop you.

⇒ Place your right hand on your head. In the name of Jesus let the fire of the Holy Ghost uproot every unwanted seeds, roots, plantations of darkness, let them be uprooted right now in the name of Jesus. Let the fire of the Holy Ghost uproot seeds of darkness, roots of darkness planted in me, in my spirit, soul and body, let the fire of the Holy Ghost uproot them right now. Everything dwelling in me that is not of Christ Jesus, let the fire of the Holy Ghost uproot them now in the name of Jesus.

⇒ In the name of Jesus I come out of every prison of slavery holding me captive, I come out right now. "I come out now x5", of every prison that is holding my life, my career, my destiny, and calling captive, I come out by fire of the Holy Ghost in the name of Jesus. I come out by power, I come out by the authority in the name of Jesus, I come out now in the name of Jesus. I come out now in Jesus' name. *I decree you are out of those places now in Jesus' name. It is done in Jesus' name.

⇒ Matthew 6:9-13 Jesus taught us how to pray and part of that prayer is 'thy kingdom come thy will be done on earth as it is in heaven'.

• Father I want to experience the dominion of your Kingdom in my life, I want to experience the power and authority of your kingdom in my life and situations. "Father let your kingdom come upon my life x4". I want to experience the power of your kingdom, the authority of your Kingdom, the dominion of your Kingdom right now in the name of Jesus. I want to experience the power, authority and dominion of your Kingdom in my body, soul and spirit. I want to experience the power and authority of your kingdom in my life, situations, destiny; Father I want to witness the power of your Kingdom. I want to testify of the power, of the authority, and dominion of your Kingdom in my life, Father let your Kingdom come.

⇒ When Jesus was on Earth He was showing people the power, authority and dominion of the Kingdom of heaven. All the work He did was to show the power of the Kingdom. It is in you as a Christian except you don't know who you are in the Kingdom or what it means to be in the Kingdom of God. It is in you to demonstrate, to show that power in all the Earth.

• Raise up your right hand. Father, my life is open, my heart is open, my spirit is open, I want to experience the power of your Kingdom, I want to witness the power of your Kingdom, release your power now, Father, my life is open to experience it now. I want to experience the power of your Kingdom, I want to witness the power and the authority of your Kingdom. I want to experience the Dominion of your Kingdom, release your power now. Lord, release your power now, Lord, I want the power of your Kingdom, I want to testify of your authority, I want to know and witness to that power, release your power into my life, let it work in my life in Jesus' name.

⇒ You need to experience the power of the Kingdom of God on a daily basis not after a month or once a year so as to enjoy your Christian walk.

• Father, I want to see the victories of your power in my life, I want to experience the victories that come by your power in my life, help me, lead me through the path of victory in the name of Jesus. Lord, I want to experience the victory, dominion that comes by your power in everyday life, help me and lead me through the path of victory, teach me to do the things that will make me experience these victories in the name of Jesus. Lead me Lord through the path that leads to victory, help me to experience victory everyday of my life in the name of Jesus.

⇒The Lord Jesus was doing everything by the authority, power and Spirit of the Kingdom of God when He was here on Earth. By asking the Kingdom of God to come we are asking the atmosphere of heaven to continue from where Jesus left off just as He did everything in that atmosphere of heaven.

•Father, let the fire of the Holy Ghost destroy every operation of darkness going on in my life to put me in an atmosphere and environment that is dark, demonic, spiritually dead; an environment that is full of demons and dark, let your fire destroy that environment in the name of Jesus. Father let the fire of the Holy Ghost destroy activities and operations of darkness that has changed the atmosphere of my life into darkness, that has turned the environment of my life to be spiritually dead, to be hostile to the things of God's Kingdom, let the fire of the Holy Ghost destroy such activities and operations in the name of Jesus.

⇒There's a mindset, a lifestyle in the Kingdom of God that is missing on Earth. It will be very easy for you to walk in the power of the Kingdom of God when you walk and live by the mindset and lifestyle that is in God's Kingdom. This is the reason why most people are not experiencing the power of God and those who are experiencing it are viewed as if it's fiction or something that does not exist. This is because you do not have the raw materials, lifestyle and mindset in you that will produce the power of God in you.

•Father, give me the mindset and lifestyle that is in your Kingdom, show me the lifestyle in your Kingdom, show me how the people in your kingdom think and live, teach me the lifestyle that is in your Kingdom that I may begin to live and think as such. Father give me the lifestyle and the mindset in your Kingdom, help me to have a change of mind, a change of lifestyle that I may have a lifestyle that is the same with the lifestyle in the Kingdom, so that I can be able to walk in the power, authority, and dominion of your Kingdom on Earth, help me Father in the name of Jesus.

⇒The early Apostles had a full understanding of the mindset and lifestyle of God's Kingdom. Peter corrected Simon the magician by telling him that you do not buy the power of God's Kingdom by money but you buy it by your soul, by your life. This is a mindset that the church needs to embrace otherwise we will never be able to walk in the power of God. If you have the mindset to buy or pay for the anointing or the power of God then the power of God cannot work in your life. There are a lot of mindsets like this in the church. Maybe there's a certain mindset in you that is stopping you from experiencing God's power because you are thinking in a direction that does not line up with the way they think in heaven.

•Father, deliver me from every wrong mindset that I have embraced that has disconnected me from flowing in your power, from walking in your power. Things I have believed and I practise, things that are now an addiction and a principle that are contrary to the mindset in the Kingdom of God, oh God I surrender deliver me now. Father I surrender, deliver me from every mindset that is contrary to the mindset in your Kingdom, deliver me from every belief system, from everything that I have held so strongly and highly in my mind and heart that is contrary to how they think or

reason in heaven, Lord bring down these standards from my heart, destroy the strongholds in my mind, destroy those mindset and beliefs in my mind right now in the name of Jesus.

⇒The Kingdom of God does not operate by trial and error. People go from one ministry to another, from one pastor to the other because they do not know the Kingdom of God. The Kingdom of God is not by trying so many things, it's just one thing and it works and that is Jesus and that is all that God has made available for us as Christians in God's Kingdom. You do not need to be searching other places for what will work when everything is already revealed to us in the scriptures.

•Father, give me an encounter with you that will strengthen my confidence in the efficacy of your power, visit me in a powerful way that will strengthen my confidence and faith in the efficacy of your power such that no one will be able to deceive me with any theology or distraction. Lord, give me an encounter, a revelation, a visitation of you that will enable me to have strong confidence in the efficacy of your power so that I will not be tossed to and fro by every wind of doctrine but I will know that what I have believed is true and that it works and produces results. Lord, give me such encounters with your Kingdom, with heaven with you, with Jesus that will strengthen my confidence to speak like Apostle Paul that I am fully persuaded in the God that I serve and believe.

⇒There is a lot that the enemy has put in place to deceive, mislead, distract, and confuse many believers and many believers do not believe in God anymore but now believe in so many things and now their faith is so weak and low.

•Father, deliver me from every trap that the kingdom of darkness has set in the world to put me in confusion, deception and deep darkness right now in the name of Jesus. Lord if I have fallen into any of these traps, deliver me from them now in the name of Jesus. Any trap of confusion, deception, darkness, unbelief that has captured me, Lord deliver me and set me free now in Jesus' name.

⇒Jesus was already walking in the dominion power of heaven, so Him asking us to pray 'thy kingdom come' is Him saying let the things I have been doing on earth continue. That the atmosphere and environment of God continues on earth, that they continue to prevail on Earth. Witchcraft stands as a great limitation for you to experience the authority, power and dominion of heaven because the kingdom of darkness has plans, agents, principalities, powers on ground, on earth to continue to enforce and promote evil. Witchcraft is not just witches and wizards but it is THE power that is enforcing evil on the Earth. For you to walk in the power of God, you need to overcome and defeat witchcraft or else you will not be able to experience victory.

•Father, release your power into my life and let it destroy every witchcraft that surrounds me to limit my spiritual destiny, to stop my divine destiny, whether the witchcraft is in the visible or invisible realms, whether they are in heaven, on Earth, in the sea, under the Earth or they are in the environment where I live, let your power

begin to waste them all right now in the name of Jesus. Father release your power into my life and let it destroy every witchcraft that is attacking the fulfillment of my divine destiny, that is stopping me from walking in my divine identity, walking in my spiritual identity in Christ, Father let your power begin to waste them now. Every witchcraft operation causing me to be weak spiritually, to be too weak to be victorious, Father let your power fall and waste them all in Jesus' name. Witchcraft in my house, in my family background, in my workplace, in my school or environment, every form of witchcraft limiting the manifestation of my spiritual destiny, let the power of God waste them all completely in the name of Jesus.

⇒Matthew 11:12, if the kingdom of God is going to operate on earth with power, if you as a Christian are going to walk in the power of the Kingdom of God it will not be easy because the Kingdom of God is forcefully advancing on Earth. It will be by force that you will be able to do this and you will have to do a lot of sacrifices, diligence, hard work, discipline, prayers and fasting to be able to walk in the power of the Kingdom. If you're such a lazy Christian then you will have a problem in walking in the power of God's Kingdom because it doesn't come easily.

•Father help me to be diligent to pay the price to walk in the power of the Kingdom of God on the Earth, help me to do all that is required to be able to walk, demonstrate and experience the power of your Kingdom in the earth every day. Lord help me to do all that it takes for me to walk in the power of your Kingdom, to experience the power, the authority, and dominion of your Kingdom on a daily basis, Lord help me. Lord help me to be a sacrificial Christian, a selfless, diligent believer, a believer of the Word of God, a believer that obeys the Word of God, when it's convenient and when it's not. Help me to be a believer that meditates on the Word of God, that fasts often, help me to be such a believer. Help me to work on my laziness and sluggishness, help me to reject everything that is carnal and worldly, help me to be able to walk in the realities of the power of your kingdom in the Earth. Help me to do what I should do to spend time seeking your face, help me Lord.

⇒There is a need for long-suffering. Many people in the church today do not have this fruit of the Spirit. If you want to begin to walk in the power of God, you must begin to suffer long suffering, meaning you must be able to wait patiently in prayer until the power of God visits you, until you are saturated, filled, and enveloped in the power of God. You must be able to stay on your knees for many hours, whereby you don't leave that place until the power of God comes down. You don't stop praying, fasting and seeking until you find God's power and that is how you will get the breakthrough. The reason many people are not healed or see any miracles is because there is no longer long suffering to continue to pray until the miracle comes true.

•Father, give me the Spirit of long-suffering to be able to tarry in seeking you until I find you, to continue in fasting until I find you, to continue in prayer until I meet with your power, give me the Spirit of long-suffering. Lord, give me the spirit that does not take no for an answer, a spirit that persists in prayer and fastings until there's a

change in the physical realm, give me the Spirit of long-suffering in the name of Jesus.

⇒To be able to walk in the power of God's Kingdom you must hate sin. Because Jesus loved righteousness and hated iniquity He was therefore anointed above His fellows, Psalms 45:7. For you to overcome sin you must hate that particular sin, if you still love sin you can't walk in the power of God's Kingdom. To be a Christian is to be someone who hates sin with a passion, you cannot tolerate sin anyhow.

•Father, help me to love righteousness, to love you to the point where I can no longer tolerate any sin or wickedness, where I can no longer allow any fragments or bit of sin in my life. Lord help me to love you enough not to tolerate any form of sin, addiction, slavery, idolatry, pollution or disobedience, help me to love you so deeply that I will not tolerate any form of wickedness. Lord help me to grow deep in love with you, help me to hate unrighteousness and wickedness, help me Father in Jesus' name, Amen.

CLOSING PRAYER

Raise up your right hand.

King of glory we thank you because there is none like you. We thank you for who you are. You are a great God, great in power, in glory and authority, you are great in victory and dominion. You are so mighty and your name has conquered all, your power and throne has conquered all, Lord we worship you, be praised forever in Jesus' name.

Father, your people have called unto you, they have prayed with the whole of their hearts; King of Israel I ask that you release the answers to the prayers your people have prayed, release the answers unto everyone in Jesus' name. Let the manifestations of the requests we have placed before you tonight begin to happen in every life with speed and accuracy in the name of Jesus.

I pray for you that you will experience God's power. If I can experience His power and it is always so real in my life everyday then you can experience it as well, therefore I decree that the anointing of the Lord that worked in my life be transferred into your life right now. The power of God that worked in my life begin to work in you right now right where you are in the name of Jesus. If the power of God made me righteous, pure, obedient, I pray for you that the same power will make you obedient, pure, righteous, godly, strong, it will make you healed, delivered and victorious. Everything the power of God has done in my life and in the life of Apostle Paul and the early Apostles, in the life of Jesus and all the saints in heaven, I decree that the

same power begin to do the same works in the lives of everyone of you now in the name of Jesus.

I decree you shall not be limited in your destiny, calling, and purpose in life. The power of God will lift you up, the power of God will enable you to fulfill destiny, your calling. The power of God shall enable you to fulfill your purpose in life and so shall it be in the name of Jesus.

Everything in your body, soul and spirit that is unclean and unrighteous, that is against the will of God, let the power of God destroy them now in Jesus' name. I decree that sickness is healed in Jesus' name, your oppression ends now in Jesus' name, your womb is delivered forever in Jesus' name.

May your finances receive divine blessings, riches, and wealth now in Jesus' name. You shall no longer be a slave, you shall now walk in victory. You shall no longer be a failure, you shall no longer be defeated, you shall now begin to walk in victory and so shall it be in the name of Jesus. Thank you Father because we know you have answered in Jesus' name unfailing name I have prayed, Amen.

PRAISE AND WORSHIP

Lord, I worship you because of who you are. Heaven and earth can pass away but who you are remains forever. Father I worship you because of who you are, for I know you are God, you are the greatest, you are the strongest. I know you are the most powerful, the Almighty God. I know you are my Father, my creator, my maker, I know you are the King of kings, the King of glory, the Lord of lords. I know you are the Lords and nothing can change that.

Thank you Father for who you are, we praise you for who you are because nothing changes who you are, no situation changes who you are, no philosophy, ideology of Man, no wisdom of man, no system of man changes who you are, whether they believe or not, who you are remains the same forever. Lord, we worship you because of who you are. We worship you Lord Jesus, in Jesus' mighty name, Amen.

THE FAITHFULNESS OF GOD

PRAYER POINTS

⇒Father, I thank you because of your faithfulness, your faithfulness is sure, your faithfulness is real. Lord, I thank you because you have been faithful in my life, in my days and situations. Father I thank you because your faithfulness is real, it is sure, I

thank you because your faithfulness abides forever, Father I thank you for your faithfulness in my life. I thank you Father because your faithfulness is in my life, I can testify that you are faithful. You have been faithful in my situations, you have been faithful in my life, thank you for your faithfulness. Father I thank you because your faithfulness is forever sure, thank you Father, thank you for your faithfulness.

⇒When we say God is faithful it means God does whatever He says. Have you ever thought about why God makes promises? He makes promises because He has everything in His power to do them. He doesn't make promises because He just wants to say something. Whatever God has spoken upon your life, He is able to do exactly that.

•Raise up your right hand. Father I believe that you are faithful, reveal your faithfulness in my life, manifest your faithfulness in my life. Oh God I believe and I know that you are faithful, reveal and manifest your faithfulness in my life, demonstrate and showcase your faithfulness in my life for I believe you are faithful. Father I believe that you are faithful, reveal your faithfulness in my life right now, demonstrate your faithfulness.

⇒We say God is faithful because He is alive, real and He is right here and He is able to fix anything even as we are praying now. We also mean that we are serving a living God who is not dwelling somewhere very far but who is here right now.

•Father, I believe that you are here with me, right here with me, right here inside of me, right here beside me, oh God of Israel fix my life, fix every problem in my life. Every situation that needs fixing, oh Lord fix them by your mighty hand. Lord as you are here with me, here in my life, in my environment, right here in my room, begin to fix my situation, fix my life, solve my problems, fix my life and make my life look the way it should look. Lord, I believe that you are here, I am not speaking as though you are far away, I believe you are here, touch my life, fix me, fix my life, fix my situations and solve the problems in my life. Lord I believe you can heal me, deliver me; I believe you can change my life, you can change my situation, oh Lord fix my life in Jesus' name.

⇒God's faithfulness means that He is a present help in times of need and He is able to provide present help, solve problems instantly in that moment in time when you need the help.

•Father, I believe that you are a present help in times of need, I believe you solve problems at the time they appear, I believe you can solve problems very fast and quickly, Lord look at me and begin to solve problems in my life, begin to solve my problems instantly, Lord begin to break my present limitations instantly. Oh Lord you are a strong tower, the righteous run to you and they are safe, oh Lord I run to you, I run to your name, let me be delivered, let me be safe, let me be healed. I run to your name, let me be blessed, let me be victorious for your name is a strong tower. Oh Lord I run into your name, let me find healing, and deliverance let me find instant help. (Mention the names of your children or those who are close to you) Lord in the

lives of..., let the name of the Lord begin to produce instant help, let the name of the Lord begin to produce instant solutions, instant deliverances and healings in their lives in Jesus' name.

⇒Acts 2:21. Whenever the Bible says it shall happen it means it shall come to pass. It means that a time will come when people will call upon the name of the Lord and immediately they shall be saved not tomorrow or next week but instantly. This verse is talking about immediate salvation, for example when you are in great trouble and you call upon the name of the Lord, you shall be saved and delivered. When you call upon the name of the Lord, when there is no solution, breakthrough or way out in the midst of problems, critical situations it means you shall be saved when you call upon the name of the Lord. When God saves you it means you have experienced salvation from whatever it is that you are facing.

•Father, from the midst of my present situation I cry out to you, let me see your salvation, save me now. Oh Lord, from the midst of my darkness, limitation, troubles, sorrow, and problems, I cry out to you, oh God send me your salvation, let me experience your salvation, save me now. Oh God I cry unto you in the midst of my problems, limitations and oppression, in the midst of demonic, witchcraft, satanic attacks, from the midst of my poverty and lack, I know you are faithful, save me now oh Lord.

⇒The Lord is showing me how He is going to fight for you with a strong hand. Because you have cried unto Him, He will fight for you and those people who do not want to see you succeed, happy or move forward, you will see God dealing with them physically.

•Oh Lord, by your strong hand you brought the Israelites out of captivity in Egypt, by the same strong hand bring me out of every captivity into freedom, bring me out of every slavery into perfect liberty. Lord by the same strong hand bring my life out of captivity, bring my marriage out of demonic captivity, bring my finances out of satanic and witchcraft captivity; bring my career, calling, ministry, and spiritual gifts out of every captivity of darkness by your strong mighty hand. Oh God of Israel, as you did for the Israelites do it in my life right now. By your mighty hand smash my enemies into pieces, crush my enemies into pieces in Jesus' name.

⇒By the same mighty hand, God parted the Red Sea. The Red Sea was never created to become a roadway but a situation that had come upon God's people meant God had to part the Red Sea to show the whole world that nothing can stop Him. It is the same way God wants to show the world through your life and situations that nothing can stop Him.

•Father, by your strong hand, make a way for me in impossible places, make a way for my career and calling in impossible places of the world now in the name of Jesus. Lord by your strong hand make a way for me, let me cross into the next level that you have prepared for me, to the next level that you have ordained for my life and destiny. Oh Lord, by your mighty hand make a way for me, make a way for my gifts,

skills, talents, and career, make a way for my life to proceed to the next level of success. Make a way for my spouse, my children, my siblings and my family, for us to move forward, Lord make a way in Jesus' name.

⇒When we say God is faithful we mean He's a warrior that fights and wins battles. He enters into situations, operates and finishes the work, meaning that He knows how to step into battles and fight and get victory by Himself. Just as when David had to fight with Goliath, He stood in that battle not alone, God was with him and the faithfulness of God was revealed because David won through God.

•Father I believe that you are faithful, step into the battles of my life and fight and get the victory by your mighty hand. Father I believe you are faithful, step into the battles confronting my life, my calling, ministries, destiny, fight and get the victory. Lord I believe you are faithful, I believe you are a warrior and I believe that you win battles and you never lose a fight, Lord right now look at my battles, look at the battles that are confronting my life, destiny, calling, and ministry, Lord step into these battles and fight now. Lord of hosts step into the battles fighting my marriage, career, finances and fight and get the victories for me.

⇒Place your right hand on your head. By the reason of God's faithfulness, I command every damage the kingdom of darkness has done to my body, soul and spirit be healed right now in the name of Jesus. By the reason of God's faithfulness, I command every damage Satan has done to my body, the kingdom of darkness has done to my spirit and my soul, be healed now in the name of Jesus. Every damage be corrected right now, every damage done to my spirit, soul and body I command you to be healed now in the name of Jesus, every damage I command you to heal in the name of Jesus. ***I pray for you right now by the reason of the faithfulness of the Most High God, every damage the enemy has done to your body, soul and spirit, I decree that they heal now in the name of Jesus.**

⇒We say God is faithful because He reveals secrets about our problems. He can expose the secrets behind the difficulties in your life, behind your stagnation, captivity, behind why His promises are not coming to pass in your life. He can show you the why behind your problems, unanswered prayers etc. The Holy Ghost is the revealer of the secrets of darkness.

•Father, I believe that you are faithful, open my eyes to see the mysteries behind my present difficulties, troubles, limitations, unanswered prayers in my life, open my eyes and show me Lord. Lord by the reason of your faithfulness, let my eyes be opened, let my understanding be opened to see the mysteries behind my present difficulties, sufferings, unfulfilled promises in my life, oh God show me the mysteries and secrets behind the troubles that have failed to end in my life, show me why they have continued for years, show me the why behind long-lasting problems in my life and family.

⇒God's faithfulness means when you call on Him, He will answer, He will speak. Every time we seek solutions, guidance, direction, knowledge and revelations, God speaks even in that very moment when you would have sought him. Or He can send someone to you to give you the message, He can speak to you from the scriptures when you don't know what to do, when you seek Him wholeheartedly.

•Father, I believe that you are faithful, send your voice to me, make me hear your voice, make me hear a voice from you that will solve my problems, that will direct me on the right path, that will guide me through the way I must go, Lord, send your Word to me. Lord I need your voice of direction, your voice of guidance that I may walk out successfully from every negative situation, that I may walk in line with your will for my destiny, that I may move in line with my destiny, Lord send me your voice, send me a word that will put me in the right position to experience your Word and your voice, to experience great deliverance, send such a voice, send such a word in my life.

⇒Sometimes it is not enough to pray and ask God for what you need but it is also important to hear a word of instruction that will say do this, do it that way and as you do exactly what you are told then you will see a miracle happen instantly. You don't have to be a prophet to receive directions or instructions like this from God. They can come to you through dreams or a knowing in your heart, you may not be able to understand how you suddenly know but you know what to do and as you do that the change will happen.

•Father, by the reason of your faithfulness send me an instruction from the throne, direction from your throne that will give birth to my breakthrough, that will terminate my confusion, troubles, pain, suffering, slavery, and poverty, Lord send it now. Lord send unto me your voice of direction, supernatural visions of direction, prophetic dreams of directions, prophetic dreams of instructions, prophetic visions of direction that will shoot me into the next glorious level of my life and destiny, Lord send them into my life now. Send unto me instructions and directions that I must follow here on Earth to be launched into victory, success, breakthroughs and glory, Lord I want to receive them, send them into my life. ***I pray for you that the direction and instructions from heaven that is able to make you breakthrough in a glorious way, that will give you a breakthrough that will lead you into your glorious level in your life and destiny, I decree that they come to you right now. I decree that those instructions and directions by the hands of the angels, by the voices of the angels come to you now in Jesus' name. By divine interventions, I pray that you receive prophetic dreams, prophetic visions that will guide you into your breakthroughs, deliverances and solutions now in the name of Jesus.**

⇒God's faithfulness means the presence of God in your life is real and you can access the fullness of God here on earth, you don't need to go to heaven to access it. The same God in heaven is the same God here on earth as well as in you. The presence of God in heaven is not different from the presence of God in you that has always been with you. You don't need a man of God to lay hands on you for that presence to produce power. If you know who He is, you won't need anyone to lay

hands on you or do some spiritual exercises with you before you begin to see and experience the power of God's presence.

•Father, I believe that you are faithful, let your presence in my life begin to produce the fullness of your power, dominion and authority as it is in heaven. Let your presence in my life, your presence around me, in my home, in my family begin to produce the fullness of power or authority and dominion as it is in heaven. Lord, I believe you are faithful, let me begin to experience the fullness of your power, authority and the dominion of your presence in my life, let me experience it as it is in heaven. Let your presence in my life be as powerful, as strong and victorious as it is in heaven.

⇒God spoke to Reinhard Bonke and said I am going to make the words of your mouth as powerful as the words in my mouth, whatever you speak shall be. That was when he was at a certain crusade and as he began to speak, whatever he declared was happening. There is a need for such authority in our last days.

•Place your right hand on your head. Father from this moment onward, let the words that come out of my mouth in prayer be as powerful as the words that come out of your mouth because I have your presence and spirit in me. Lord, I ask from this moment onwards, let the words of my mouth in prayer be as powerful as the word from your mouth on the throne, that you may prove to the nations that you are powerful and alive. I want you to prove through my life that you are real and alive, let this experience and transformation happen to me in the name of Jesus.

⇒God's faithfulness means God can make provisions in miraculous ways. He can feed you, wire money into your account or give everything you need by miracles.

•Raise up your right hand. Father, I believe in your faithfulness, intervene in my present financial need and let the money I need to solve my present need appear, I don't know how you will do it but Father let it appear. Lord you made the Israelites eat food from heaven, you made money appear in the mouth of the fish, you multiplied 5 loaves of bread and 2 fishes and fed 5000 men, Lord I believe you are faithful, Lord let the amount that I need to solve my present financials needs appear, let that amount appear right now in the name of Jesus. ***I pray for you, that your urgent financial needs are met miraculously by the hand of God. I don't need to know how but I speak them into manifestation right now. Your urgent financial needs are met right now in Jesus' name.**

⇒When we say God is faithful it means we are not afraid to trust or depend on Him, we are not afraid to take the risks of His assignments. Some Christians are so afraid to trust God that they will survive tomorrow, they feel like they have to try as much as possible to gather as much money that will sustain them for this week and sometimes end up borrowing. People borrow because they are afraid to trust God. You don't need to be so anxious about fixing your future when you trust in God. You need to make plans in line with what God is planning for you if at all you have to make plans for the future. You should not have any ambitions as a Christian but God

should be your ambition and you follow Him wherever He wants you to go, whatever He wants you to become you become not for you to be something outside of Him.

•Father, I believe that you are faithful, I am ready to trust you with my life, I am ready to let you lead my life. I am ready to let you give me the future you have for me, help me, lead me and direct me. Lord give me the boldness to do what you want me to do, boldness to do the assignments you have given to me, Lord I am ready to trust you in my life, I am not going to be planning my life or my future but I am ready to trust you for the great future, for that great future you have for me, Lord lead me now. Lord if trusting you means risk I am ready to trust you for it, if trusting you means risking my life, Lord I want to do it because you are faithful. Help me to trust you with my life existence. ***I pray for you that your faith grows and that you may trust Him fully with all your life and future in the name of Jesus.**

⇒We say God is faithful because He is in the midst of people doing what He wants. Meaning God is everywhere where you see people - believers or unbelievers. He is secretly controlling the affairs of men and making them do what He wants, though they may not be aware of it. That is why it is not hard for God to change or lift up your life because He's in the midst of people making them do what He wants. For your life to rise God will use people to lift it up.

•Father, I believe that you are faithful, by the reason of your faithfulness, let your presence in the midst of the world begin to stir up help and helpers for my life, calling and destiny in the name of Jesus. Lord, I believe you are in the midst of people, let your presence in the world begin to stir up people, help, helpers for my life and destiny to rise into success and greatness. Begin to set up help and helpers for my life for my calling and purpose in Jesus' name.

⇒We say God is faithful because He has been here before the world began. God has been in this year before the Earth was formed, that is how powerful God is, He has been in this moment before it began. Whatever He wants to do in your life will happen easily because God has already been in this timeline before, before this time came to be, he has already done it before time existed.

•Place your right hand on your head. Father let all the goodness and blessings you have set in this timeline for me even before I existed or was born begin to come to me right now in the name of Jesus. Let the goodness, the favour that you have programmed for me before this time, oh Lord make them begin to come to me. All that you have programmed into this present calendar before I came into this world, Lord right now let them begin to come to me in Jesus' name. ***I decree over your life, I stand in the realm of God and I decree all that the Lord has programmed into this present timeline of your life, calling and destiny that they begin to appear in your life. I decree, let them flow in your life in Jesus' name.**

⇒I have an understanding by the Holy Ghost that some of you must experience a major breakthrough before the end of this year. It is a must because so many things, so many lives in your generations are connected to that breakthrough. It means a

shift, a change of status, a change of situations must happen to you. It is a great shift that will change how people see you. It can be physical as well as spiritual, I don't know what kind of breakthrough it is.

•Raise up your right hand. Father, by the reason of your mercy, let the great turnaround that I must experience before the end of this year for the sake of the fulfillment of my destiny, Lord let it happen, let that breakthrough happen, let that turnaround, that glorious shift happen in my life before the end of this year. Lord the breakthrough that must happen to me in this year so that my destiny will be fulfilled, so that my destiny will be fulfilled as it is in your book in heaven, let it happen. Lord that breakthrough that must happen to me so that every other year of my life will make sense in your sight, Lord let it happen in the name of Jesus. Let it happen in the name of Jesus, let it happen in the name of Jesus. Lord let that glorious shift happen to me in the name of Jesus, Amen.

I decree that it shall happen right now in the name of Jesus.

you need to activate the faithfulness of God in your life in practical ways, receive the faith now in Jesus' name.

Every situation that the devil has programmed to cause you to weep, to cause you sorrow in this year I terminate them now in the name of Jesus.

Every evil hand that is drawing you backwards at every point you make attempts to move forward, I decree that the sword of the Lord cut off that hand right now in the name of Jesus. Thank you Father because we know you have answered in Jesus' powerful name, we have prayed Amen.

PRAYER POINTS

⇒ Father, thank you for being my Father, my lover, my helper, my Saviour, my Lord, thank you Lord for being my all in all. Thank you Jesus for being there for me, you are there for me as a Father, as a partner, as my Saviour, my healer, my deliverer, my helper, my closest friend, and my provider, Lord thank you for being there for me. You are there for me as my comforter, as the one who encourages me, who strengthens me, as the one who wipes away my tears and gives me joy and satisfaction, Lord thank you. You are my helper, my strength, my help, you are my sponsor, my promoter and supporter, Lord I thank you. You are the one who makes ways for me, the one who works miracles in my life, you are the one who revives me, the one who makes me stronger than my weaknesses, the one who makes me victorious in the battles of life. You are my weapon, you are my eyes by which I see, you are my wisdom, you are everything to me. You are my foundation, on you I stand, you are the pillar that holds my life. Everyone else can fail but you are the surest and faithful friend and you have never failed me.

⇒ Raise up your right hand. Father defend me using all your armed forces in heaven, defend my cause till I am victorious in life and destiny. Lord arise and defend me with all your heavenly hosts, with all the armed forces of heaven. Ancient of days defend me so that I may have everlasting victories, that I may have breakthroughs, that I may move forward in all areas of my life. Oh Lord defend me for I need your defence and only you can give me everlasting success and breakthrough. Lord arise and defend me with the fullness of your power, fullness of your strength, fullness of your grace, defend me with all the angelic forces in heaven till I get healed, till I am completely delivered, victorious, till I rise to the next higher level of my life. You say in your Word the battle is not mine but yours, Lord make the battles of my life yours, defend me and give me victory. Lord defend me till I begin to possess my possession, till I experience great revival in my life, my ministry, great revival in my calling and destiny. Lord defend me till all your promises and prophecies in my life come to pass, Lord defend me now in the name of Jesus.

⇒ The Lord wants to fight for you so that what is rightfully yours will be given to you. There are certain things that are yours that have been withheld from you.

• Raise up your right hand. Father arise in the fullness of your power, in your anger defend me now, get for me everything that is rightfully mine in the name of Jesus. Oh Lord defend me in those places where my rights are being held captive, where my rights are being withheld from me, oh Lord arise and defend me in those places until that which is mine is given to me, until it is released to me. Oh Lord arise in every realm where my rights are being withheld from me, whether visible or invisible realms, physical or spiritual realms. Oh Lord arise in every realm where my rights are being withheld from reaching me, arise oh God and get for me what is mine in the name of Jesus. Defend me oh God in those places, in the systems, environments,

and realms where my rights are being withheld from me, get for me that which is mine, thank you Father in Jesus' name.

⇒Father, intervene swiftly and quickly in my hopeless situations and make a way for me and make me successful and make me receive help. Intervene in my hopeless situation and give me hope, bless me and move me forward. Intervene now, intervene swiftly, intervene quickly, intervene now in my hopeless situation and help me. Intervene now, give me success, breakthrough, victory, dominion and progress. In my hopeless situation, let me see you help me, defend me, let me see you changing my life and helping me. Situations that even the wisest of men have lost hope in, Lord intervene and help me in my own.

⇒Everything God created has its own glory, the sun has its glory, the moon has its glory, the trees have their own glory and human beings have their own glory.
•Father, lay your hands on my life, lay your hands on me and glorify me with the glory that you created with me with, the glory you put in me before I was born. Father, glorify me with the glory I had with you before I existed, Lord glorify me now. Lord glorify me with the glory that you created with me, even before I was conceived in my mother's womb. Lord glorify me now by your mercy with the glory I had with you before the world began, glorify me now that the whole world may see the glory and glorify you. Lord glorify me with the glory I had from the beginning of creation, oh God glorify my life in Jesus' name, thank you Father.

⇒God wants to passionately use some of you but you are not as passionate as He is. If you're too much concerned about yourself, looking out for yourself, being more concerned about yourself and wanting to enjoy your life, you will never be passionate for God to use you.

•Father, help me to always make myself available for you to use me, I want to be used by you. Lord, I know that you want to use me, I also want to be used by you, help me Lord to make myself available, help me to be sacrificial enough for your use, help me to be obedient for your use, help me to be humble, full of love, have enough love for your use. Help me Father to make myself available for your use, to be qualified for your use, Lord I want you to use me, help me Father. Help me Father to surrender for your use, to lay down my life for your use, help me to repent so that you can use me. Help me to love so that you can use me, help me to be faithful and obedient so you can use me.

⇒When the anointed are not available, the available will be anointed. In these last days God is not looking for some big pastors or some apostles, but He is looking for those who are humble and obedient, those who make themselves available for His use and He will anoint those. When you are anointed and you choose when God should use you, then God will just leave you and go for the available.

•Father, don't replace me with another, I want to be used by you, help me to make myself available, do not replace me with another. Father help me to make myself

available, I don't want to be replaced by another, I want to be used by you. "Help me Lord x 7"

EPHESIANS 4:11

⇒ The reason God has placed people in the church is to help people grow and mature so that they can be used by God. There is no room for lazy people in the body of Christ; everyone must work. Everything we do in the church is to build up people to be mature and begin to do the work of God properly. The church is not a place where you just come and sit down and do nothing for the kingdom of God. If that is your mentality you have to repent because everyone is assigned to build the body of Christ.

•Father, give me revelation of my place, of my purpose, my own assignments in the body of Christ, Lord open my eyes to see it that I may begin to serve you in that capacity. Lord open my eyes and understanding to discover my place of assignment in the body of Christ, to discover where I belong, where I should function in the house of God, where I am to function in your assignments. Open my eyes to know these things that I may begin to know your works, that I may begin to serve you and to please you, that I may begin to fulfill my purpose and calling. Lord open my eyes, teach me to discover where to function in your house, in your kingdom on Earth in Jesus' name.

⇒ Father, help me to be strong enough for what you want to use me for in the church and on Earth. In the name of Jesus, Lord help me, Lord give me strength to be able to do what you have called me to do perfectly, what you want to use me to do perfectly, Lord give me strength, oh God give me strength to be able to do the work you want me to do perfectly, to be able to do the work you have given to me perfectly, to be able to do the assignments you have given to me correctly and perfectly. Lord strengthen me, strengthen my spirit, my soul and my body, strengthen me oh God that I may be able to do the work and assignments you have given me successfully.

⇒When we speak of divine assignments some of you think too far. You think it's about being a pastor or a prophet or evangelist. It does not have to be all of that; it can even be inside your home, there is an assignment for you there. If you're a wife you have an assignment to do for your husband, if you're a husband an assignment to your wife; if you are a parent you have an assignment to your kids and grandkids, and if you are a child you have an assignment in your family. If you work you have an assignment in your place of work. All you need is for God to show you what your assignment is wherever you are.

•Lord open my eyes to discover the assignment in every place I find myself, open my understanding to discover the assignment you have for me in every place I find myself. Lord, I want to know your assignment for my life in this marriage, in this business, in my career, in my workplace, in my family or wherever I find myself in.

Lord, I want to know the assignment you have for me in my community and in my environment, open my eyes and teach me to discover them so that I may make myself available to do this assignment, thank you Lord in Jesus' name.

⇒ Father let your angels in my present location begin to reveal to me your assignment, show me the things that I can do for you in this location, what I can do for your Kingdom, let your angels begin to show me. Lord, let your angels begin to show me what I can do for you in this location that I am in, let them show me the assignments I can do for you at this time. Lord, let your angels reveal them to me because I want to serve you, I want to work for you.

⇒ One of the ways to become great or successful quickly is by connecting with the assignments of the Kingdom of God because when you are committed to do the assignments of God, God will begin to bless you because of those assignments. He will begin to strengthen you and sometimes heal you of a disease you have been asking for healing for years. Sometimes when you give yourself to God's assignments, it is when sicknesses and diseases will disappear instantly because God is passionate to see that His will is done on earth as it is in heaven and He won't want anything to disturb you fulfilling it.

• Father, connect me with everything your Kingdom is doing on Earth at this time, I want to be involved in everything you are doing, in what you are doing. Lord connect me with every operation, activity, and assignment that is going on on Earth at this time, be it your operations or that of your angels, Lord I want to be involved in your assignments, enlist me oh God among those you are using at this time. I want to be part of your workforce, I want to be included in your end time army, Lord do not leave me out, help me Father. I want to be among those whom you are using mightily in these last days.

⇒ One of the things that disqualifies people from God's assignments is when you are not mindful of glorifying God in the assignments assigned to you. When you make it all about you and not about God, so that you can boast about God using you. When your motive for being involved in God's assignments is all about self-praise or selfie glory then you will be disqualified. A servant will seek for the glory of His master not of their own glory.

• Father, help me to have the right attitude that will qualify me for your use at this time. Lord help me to have the right motive that will qualify me to be used greatly by you in these last days. Help me Father to have the right mindset and right attitude, help me Lord Jesus so that I can be qualified in Jesus' name.

⇒ As a parent you have assignments in the life of your children. As a person if you have friends, you have an assignment to do in their lives.

• Father, reveal to me the assignments you have for me in the lives of the people you have connected with me, in the lives of the people in my life, in my family, in my workplace, show me Lord what I have to do in their lives. Lord, show me the

assignments you have for me in the lives of the people around me, show me how you want me to help them, to bless them, pray for them, how you want me to encourage them, show me how you want me to shine the light of God's Kingdom on them. Lord open my eyes to see the assignments you have for me in the lives of everyone in my life and around me, show me Father.

⇒ There are many people who are doing God's assignments below God's standard. You should always ask yourself whenever you're doing an assignment for God if you're doing it in line with God's expectation or if it's below God's standards. There are some trainings that God will take you through for you to do His work perfectly and according to His expectations.

•Father, train and equip me by your Holy Spirit to do your work the way you want it done. Lord, equip me by your Holy Spirit to be able to do the assignments you have given to me according to your expectations, to be able to do the assignments you have called me to do according to the way you want them done. Lord, train me now by your Holy Spirit, equip me by your Holy Spirit, prepare me by your Holy Spirit. Teach me to do the assignments you have given to me correctly and perfectly.

GOD'S ASSIGNMENTS IN THE WORKPLACE

⇒ Christians are released into their careers for divine assignments. If your motive in becoming a career person is to make money and acquire material possessions, or if your motive is all about yourself then you have failed as a Christian. God releases Christians into their careers so that they can fulfill His assignments. That is the reason why you are working where you are working now or where you are studying. That is the reason why God sent you to that place right now to fulfill His assignment there.

•Father, I want to fulfill your assignment, I want to do your assignment in my field of career, in my field of study, Lord help me, teach me. Lord, I want to fulfill my assignments in my field of career, help me. Lord, I am ready for you to use me in my profession, in my field of career, Lord teach me and help me to do your assignments. Lord teach me, show me what to do for you in this place you have positioned me.

⇒ It is becoming very difficult for many Christians to experience significant progress in their lives because of self-centeredness. You are not giving God reasons to move you forward. The Kingdom of God is established on selflessness and sacrifices, it has never been established on self gratification. If you have not been experiencing progress, ask yourself if you have been living for yourself all these years. What have I been doing to help others? Have I done enough to be a blessing, to preach the gospel, to bring people out of darkness into the light etc? That may be the reason why you have not been experiencing progress.

•Father, I want to be a blessing to my generation, deliver me from self service, from self-centeredness, deliver me from serving my pride and ego, I want to be a blessing to my generation. Oh God I want to make a positive impact on my generation for you, I want to make an impact that will not be forgotten in history, help me to be

delivered from myself, deliver me from self-glorification, self-gratification, self-promotion, help me to lay down my life so that I can be a blessing to my generation, help me Lord Jesus.

GOD'S ASSIGNMENTS ON EARTH

⇒ God blesses people in order for them to be a blessing. As long as the people whom God blesses keep blessing others, He will not stop blessing them. Maybe you are poor because you do not have the mindset that when God blesses you it's for you to bless others. You not blessing anyone affects you. The people you say you will not bless will still be blessed somehow.

• Father, put in my mind the mindset of living to bless others, put in me such a mindset. Take away from my mind the mindset of receiving and receiving and never blessing others, destroy that mindset and give me a mindset to be a blessing. Let it register in my head that I am here on earth to be a blessing to my generation, that I am here on earth to give out and not just to receive for that is how I will receive more. Give me a mindset to live to be a blessing.

JOHN 11:42

⇒ If God is going to reveal His glory in the most powerful way on earth, He will do it on the basis of His assignment. Jesus said that is why I am praying like this and bringing Lazarus from the dead so that they will know that you sent to me. There are some victories and breakthroughs that you might never attain in your life until you begin God's assignment, for it will become a foundation on which the greatness of God's glory will be revealed in the Earth.

• Father for the sake of glorifying yourself on Earth, Lord, let your assignments for my life be made known to me, I want to do them. Lord, for the sake of you glorifying yourself show me your assignments for through these assignments you will glorify yourself. I want to do the assignments to prove to the world that you are a mighty God, that you may glorify yourself as the mighty God, Lord I want to do your assignments that witch doctors may know that you are the Almighty God, that sickness and diseases will flee before you, so that your enemies will bow before you. Lord send me, use me so that your glory can be greatly glorified on Earth and the whole world will see the greatness of your glory, oh Lord send me, use me oh God.

⇒ God has always wanted to glorify His power on earth to show people that they should serve Him. God is looking for lives through which He can glorify Himself on Earth. The next thing that should come in your mind as a Christian when you have seen the wickedness that is prevailing in your environment or community is oh God, glorify yourself here and bring down the darkness, that is the kind of people God is looking for. People who only care for themselves and their family and don't do anything about the darkness in their environments, the same darkness will put them and their family under and prevail over them. How do you react when you see evil prevailing around you?

•Father, I want to stand as your representative in my environment. I want to stand as someone who will bring down your glory, who will bring down your Kingdom and victory upon the darkness in my environment, Lord make me that man, that woman. Lord, I want to be that man that will bring down your glory, power, dominion and victory, that will bring down the darkness prevailing in my environment. I want your glory to swallow up the evil, darkness, immorality and slavery that is prevailing in my environment. Lord, I want to be that man who will bring down heaven to take over my environment, make me that man.

⇒Jesus was not going to do that miracle to show off, as many people are doing today but He was praying for that miracle to show the people that God is real. It was not about Himself but about God. That mindset is very important for you to see miracles happen in your life or through you. You pray for revival to happen in your environment so that people will know that there is God, not for them to know that you're a pastor or a servant of God.

•Father help me to be strong such that I terminate the darkness in my environment around into your glory, give me the power and the strength to transform the darkness in my environment into your great glory, give me that Grace, power, strength to change the darkness in my country, environment, in my city, give me the power to change them into the glory of God. Lord, give me the power and anointing to change the darkness around me, the darkness that has covered the people around me, the people in my neighbourhood, family, hometown, nation and in the world, give me the anointing that can change this darkness into your glory, Lord give me that power. Give me the anointing, the power and the authority for this oh God.

⇒The greater the darkness in your environment the greater the glory of God that wants to be revealed. Most people feel like because we are living in the last days, the devil is doing what he wants and there's nothing that can be done about it and they just keep looking because everywhere and everyone is filled with wickedness and are corrupt. Some have the mentality that there's nothing that can happen to change the people, of which it is a lie. For you to think that no one can ever be righteous in a wicked generation makes you a failed Christian. As long as Christians are around you must never believe darkness to have prevailed, you must challenge the darkness, pray and cry out for revival and change.

•Father, help me to see where your glory is in the midst of the thick darkness that has covered the Earth, covered my generation that I may position myself for your glory to be revealed. Father, show me where your glory is so that I may position myself for the manifestation of your glory, for the explosion of your glory, show me oh Lord, help me to see where your glory is. In my environment help me to see your glory, in the midst of the people in my family, in the midst of the darkness in my environment so that I may properly position myself for your glory to prevail and prosper in my environment in the name of Jesus.

⇒ The Church of God is apostolic and evangelical, which means to go out and preach the gospel. If you are not doing that you have failed as a Christian. Every assignment points towards soul winning, so if you do not have that passion God will not give you the souls so you need to pray for God to give you that passion for soul. To win souls is not to invite people to church or to a certain program but it is to preach to them, to take them out of darkness.

•Father, create in me a strong passion for soul winning, Father create in me a strong passion for soul winning, to win souls in your kingdom, a strong passion to bring souls out of darkness into your light, your presence, into your kingdom, Lord put in me that passion. Lord put in me a strong passion to win souls in your kingdom that I will not be comfortable until I have laboured to bring souls into your kingdom. Lord give me this passion

⇒Raise up your right hand. Father let fire fall and destroy every limitation the kingdoms of darkness has set in my life to stop me from being used effectively by you, to stop me from being committed to your assignments, Lord let your fire destroy those limitations now in the name of Jesus. Lord let your fire fall and begin to destroy every limitation of darkness in my life and environment stopping me from successfully doing your assignments, stopping me from being effectively used by you, from being fully committed to your work, Lord let your fire consume such limitations right now. Let your fire destroy every limitation of darkness the kingdom of darkness has set in my life to prevent me from being useful in the Kingdom of God, to prevent me from satisfying the demand of heaven for my life, Lord destroy those limitations right now by your fire in the name of Jesus, Amen.

CLOSING PRAYER

Raise up your right hand.

Oh God of heaven and the earth we thank you for you are a great God. We thank you for your greatness. Your strength, your glory and your throne, your dominion is above all. We praise you God for you are the Most High God. Blessed be your holy name, be glorified forever in Jesus' name.

Lord, I ask concerning the lives of everyone who participated in this prayer session, that you begin to work in their lives and begin to destroy everything that is standing against your will in their lives. Lord begin to work and operate in their lives and destroy everything that does not want your will to prevail in their lives, Lord destroy them now in Jesus' name.

I pray for you that you shall see the glory of God, I repeat you shall see the glory of God. Because God has determined to show you the greatness of His power, throne and dominion, I decree right now that in the midst of your life and situation, you shall

see the glory of God in the name of Jesus. Everything that the scriptures has confirmed as possible, I decree that in your life they shall be possible. Every Word of God that confirms all the greatness of God, that confirms the possibilities of God, I decree that those words shall work in your life henceforth in the name of Jesus.

I pray that the strength of self be destroyed. Everything that your self has deprived you from receiving from God, I decree that the Lord would destroy the power of self from your life and that the Lord will give you those things now in the name of Jesus.

The realities of God's Kingdom that you have not yet experienced, because you are willing to do the will of God, to serve the Lord, to please the Lord, begin to experience those realities right now in the name of Jesus.

Everything you have made more important than God in your life and the matters of God's Kingdom, I decree that those things shall surrender to the Kingdom of God in the name of Jesus. Any principle in your life or culture in your life that you have magnified above the Kingdom of God and above God, I decree that the Lord would dethrone those things from your life, the Lord will make those things surrender unto Himself in your life right now in the name of Jesus.

Henceforth you shall be found busy with God's assignments and you shall become a blessing to your generation. Thank you Father because we know you have answered, in Jesus' name we have prayed, Amen.

The Holy Spirit inspired me to tell you that every time after a prayer session, you have to pray that particular prayer session at least two times before the next prayer meeting. For example, today being a Thursday, it means you have to pray with this prayer session that we just finished twice before we meet for the Saturday prayer session. You have to maintain that routine, it's not a once off practice. This means that the Lord was to do something powerful in your life, that is if you obey.

PRAYER POINTS

⇒ Lord, thank you for your presence, your favour, mercy, Grace, help in my life. I am grateful for what you are doing in my life even in my unpleasant situations, Lord I thank you because you allowed this for a purpose, to show forth your praise. Thank you for the good things in my life, thank you for the bad things in my life. Lord, I thank you for everything happening in my life for you have allowed them to happen to reveal your glory, your greatness and faithfulness. Thank you for who you are in my life, thank you for the help, blessings, favour, Grace, wisdom, direction, understanding, revelations, knowledge and instructions that I have received. Thank you for all that you have given to me, thank you for what you are doing in me, what you are doing with me and through me, Lord I am so grateful. Lord, I'm grateful for everything happening in my life, I'm grateful for your presence, your works and what you are about to reveal in my life shortly, thank you Father.

⇒ The Lord wants to help many of you but you are not eager to receive His help. You are not showing practical effort that you want Him to help you. If you are not showing signs that you need His help He won't help you because the Kingdom of God operates by principles, He will not force Himself on you.

• Father let your mighty hand destroy every weakness in me that is not making me passionate about things you are passionate about, that is making me to be not in love with the things that you are concerned about. Lord let every weakness in my spirit, soul and body that is not making me put effort to the things that matters to your will for my life, calling and destiny Lord destroy those weaknesses now. Lord, destroy in me every weakness making me to be so sluggish about matters of your Kingdom. Lord destroy every weakness in my body, spirit and soul making me so unresponsive and uninterested about things that matters, your kingdom, your will for my life, spiritual growth and spiritual advancement, Lord destroy them by your mighty hand. Lord destroy every weakness that is making me unresponsive to respond urgently to divine matters, deliver me from such things and weaknesses.

⇒ The Holy Spirit is so busy with a lot of things at this time but many of us are not seeing it because we have not made Him a priority in our lives.

•Lord destroy everything in my life that is commanding for my worship, that I should serve it, oh Lord destroy such a thing from my life because I want to serve you alone, I want to worship you alone. Anything that is contending with you in my life, Lord destroy it now. Lord whatever is in my life that is calling for my service, forcing me to serve it, Lord destroy it now, I choose to serve you alone. I refuse to serve any other thing. Everything that is becoming an idol in my life, Lord destroy it now because I want to worship you alone, I want to serve you alone. Anything or anyone that is becoming an idol in my life, taking your place in my life, contending with your love in my life, making me to draw away from you, to shift focus from you, oh Lord destroy such a thing, pull them down from my life in Jesus' name.

⇒How do you know that something has become an idol in your life? You will know it by your attitude towards God and towards the things of God. Anything that is not allowing you to be close to God or to be persistent in prayer, fasting, bible study or in seeking revelations of God,- whatever that is causing that in your life is an idol. Anything that comes into your mind when you are about to do what is right to stop you, that is an idol. Whatever or whoever you have chosen to obey above God is your master.

•Father, whatever thing I have raised higher than you, Lord I surrender to you, bring them down forever. Anything I have lifted higher than you, raised higher than you, that I have considered more valuable or more important than you, Lord bring them down, I surrender to you now. Lord whatever I have raised higher than you consciously or unconsciously, whatever I have secretly exalted above you, oh God bring them down forever, I surrender to you, Lord bring them down. Anything that I have lifted higher than you, than your word, your will, whatever I have considered more important than your presence, than seeking you, oh Lord bring them down forever in the name of Jesus.

⇒ One of the reasons why we don't want to let go of certain things so we can focus on God is because we feel God will not give us those things, which is a lie of the devil. God will give you everything that pertains to life, to your satisfaction, comfort, prosperity, all that pertains to you enjoying the good things of the Earth. Whatever that concerns goodness and godliness, God wants to give you those things. It is a lie that says that if you focus on God and spiritual things too much God will not give you all those good things of this world. God wants you to enjoy a lot of things in this world but He does not want you to serve them. Anything that is able to control your joy and happiness is your idol, meaning if you don't have that thing you become sad.

•Father, deliver my soul from every slavery to the elements of this world, to the pleasures of this world, Lord deliver me from such deception. Lord deliver me from every deception, every wrong thing that I have believed that has made me a slave to the things of this world, to be a slave to idols, Lord deliver me now from such deception. Every deception in my heart and soul that has made me become a slave to sin, elements of this world, pleasures of this world, oh Lord deliver me from such deception. Whatever I have believed, that is the reason why I cannot stop serving

idols, that is the reason why I remain a slave to the things of this world, Lord deliver me from such deception. Any wrong thing, lie or system I have believed that has put me in slavery to the forces of this world and darkness in this world, forces of sin, pleasures of the world, Lord deliver me from such mindsets and deception in the name of Jesus.

⇒ There are some things God is expecting you to do, maybe it's spiritual exercises you have not been doing or it's an assignment that He has given you before or you have to repent or kill an idol for Him to release certain help in your life, you have to do whatever it is He wants you to do.

• Father, whatever you want me to do now that will connect me to the help that you are about to send into my life, move me to do it. Lord lead me to do that which you are waiting for me to do for you to release your help into my life, oh God move me to do it now. Lord whatever thing I have to do that will connect me with the help that you are about to release into my life at this time, Lord make me do it, lead me to do it, help me to do it, inspire me to do it, teach me to do it in the name of Jesus.

⇒ If you want things to change then you must change the way you have been doing things. Maybe you need to change the way you have been thinking or your approach to things must change for you to see certain changes in your life. The reason why some people's lives have not changed for years is because they have not done any new thing that could change their lives.

• Father, teach me to embrace new things that you want me to start doing now, new activities, mentality, perception of life or actions. Lord, teach me to change the way I have been doing things, the way I have been thinking and help me to embrace new things that you want me to start doing. Help me to embrace the new things that will move my life forward, the new things that will change the atmosphere of my life, of my finances, calling, career and ministry. Lord help me to embrace the things that will change the appearance of my life, that will bring about a new beginning, help me to embrace those new things.

⇒ Sometimes we cannot find these new things if we don't search the Word of God or if we do not allow the Word of God to change our thinking. The Word of God is a weapon of transformation, you have to search it and allow it to change your mind and renew your mind. If you do not allow it to renew your mind then your actions and behaviour will not change.

• Father, fill my heart with hunger for your Word, hunger to study your Word to meditate on your words, and to let your Word change my life, fill me with a hunger to obey and do your Word. Lord fill my soul with a strong hunger to study the scriptures, to search the scriptures, to love the scriptures and obey the scriptures. Lord help me to believe your Word, act on your Word, help me to let your Word renew my heart, to allow the scriptures to change me and change my mindset. Help me to believe the scriptures, help me to allow the words to give me a new way of thinking, help me to allow your words to minister to my soul, guide my actions. Help me oh Lord to

surrender to your words, to surrender to the truth of your words, help me to act on the scriptures. Help me to let the Word of God change my mentality and influence my actions.

⇒ Another thing that makes people unresponsive to divine promptings or spiritual matters is when one's heart is filled with so much care for the things of this world - you will be spiritually dead, insensitive, you won't be sensitive to the things of the Spirit.

• Father empty my heart and my mind of the cares of this world, empty my mind of anxiety, help me to care about the things of your Kingdom, to care about you and the things you care about. "Lord empty my soul of the cares of this world x5", let me be filled with the cares of your Kingdom, let me be filled with the desires of your Kingdom, let me be filled with love for you and your work. Let me be filled with passion for the things of your Kingdom, passion for spiritual things, passion for spiritual growth and spiritual advancement. Oh God empty my soul of the cares of this world, empty my soul of worries, anxiety, doubt, fear, unbelief and everything that does not edify or connect me with your presence, Lord fill me with you. Empty me of myself, fill me with strong desires for your will, to obey your will, to serve you, to go all out for you, empty my soul of self-centeredness.

⇒ People have become too dead to live and they are liking it, that's the condition of this generation. You need to start hating the things that you love so much that are killing you spiritually.

• Father put in me a hatred of the things that I love to do, whether consciously or unconsciously that are killing my spirit man, that are bringing me down spiritually. Lord everything I enjoy doing that is the foundation, the root of spiritual death in my life, that is the cause of spiritual death in my life oh Lord help me to hate them. Give me a hatred for everything that I have embraced that is killing my spirit, my spiritual life, my relationship with God, oh God give me a hatred for those things, habits, attitudes, fear and every lifestyle that is bringing me down spiritually. Lord let every lifestyle that is making me insensitive to your Holy Spirit, let it begin to die right now. Ungodly habits, anxiety, wrong behaviour, die, I want to be sensitive to your presence, your voice, your leading and direction all the time, help me Lord Jesus.

⇒ I come against every darkness, influencing my mind to think in the opposite direction of God's mind, to always think things that are negative to what is in the mind of God, let fire consume them now, let fire destroy such darkness. Lord every darkness that is always controlling my mind to think negatively to the mind of God, to think in the opposite direction to the mind of God, Lord destroy such darkness, let such darkness catch fire. Every darkness influencing my thoughts, my thinking pattern to always go opposite to what is in the mind of Christ, let such darkness be consumed by fire right now, let the fire of God destroy such darkness. Every darkness making me to think contrary to the way God thinks, contrary to the way

Jesus thinks, Lord let your fire consume such darkness right now in the name of Jesus

⇒ Your body must be trained to submit to God. The human body naturally does not want to submit to God, it does not want to do what is right. Sometimes your mind and soul wants to do what is right but your body does not want to do it, that is why after a while you will lose interest in whatever spiritual thing you had wanted to do. You will find whenever it's time to do spiritual activities you will be tired but when it's non spiritual activities you have all the energy, it is an attack because you have not trained your body. Your body can hear, God spoke it into existence, He created your body and God is a Spirit, therefore your body can listen to spiritual messages, spiritual powers and forces.

• You my body, I command you to submit to God forever, I command you to submit to the will of God forever, I command you to submit to the desires of God forever in the name of Jesus. In the name of Jesus, hear my body, I command you to submit to God forever, I command you in the name of Jesus to submit to the will of God, to the mind of Christ and to the desires of God forever. I command you to submit to the righteousness of God forever, I command you to submit to the plans of God forever, whether you like it or not, you must serve the Lord. You, my body system must serve the Lord, you my body I command you to surrender to God, surrender to the will of God, surrender to the righteousness and ways of God, surrender to the plans of God, surrender to the desires and assignments of God. You my body surrender to the instructions and leadings of the Spirit.

⇒ Your body can be trained to the point that God will start using your body to lead you and to guide you. When God begins to use your body to guide you, that is the highest way or highest dimension of spiritual alignment and direction. This is the highest level by which the Holy Ghost can use you on Earth. The Holy Spirit wants to use your body to lead you. Many breakthroughs I have gotten is because God has power over my body.

• Father, I surrender my body to you, let my body become your instrument by which you guide my life, lead my life, control my life and destiny. Lord, I surrender my body to you, let my body become a mighty instrument by which you guide me, lead me, by which you control my life and my decisions, by which you control my actions and activities, Lord let my body become a strong instrument in your hand, I surrender my body to you.

⇒ One of the examples to show that the Holy Spirit has more work for your body on earth more than any part of you, is how we pray in the spirit. We pray as the Holy Spirit puts the utterances in our mouth, the Holy Spirit will not put the utterances in your soul but in your body showing you how much the Holy Spirit wants your body to surrender to Him. When we pray in the spirit, it is the spirit and our body that is working, our soul is not involved. The Holy Spirit has a great mission for your body, so does the devil. When your body is sensitive to the Holy Spirit you will believe God

quickly but when your body is not sensitive to the Spirit, you will not quickly know that God is here because your body can feel it when He is around.

•I disconnect my body from every flow of darkness in the Earth, from every flow of darkness controlling it in the Earth, I connect my body to the flow of the Holy Ghost. Let my body be sensitive to the Holy Ghost, let my body stop becoming sensitive to darkness, let my body stop loving darkness and begin to be sensitive to the Holy Spirit right now in the name of Jesus. Lord, I disconnect my body from the flow of darkness in the earth that is controlling it, Lord let my body be connected to your Spirit. I want to be controlled by your Spirit, let my body be connected to the flow of your Spirit. I connect my body to the flow of the Spirit, I connect my body to the flow of the Holy Ghost, let the Holy Ghost manifest through my body, let the Holy Ghost manifest in my body, I connect my body to the Holy Ghost. I disconnect my body from the flow of darkness, flow of spiritual death in the Earth, I connect my body to the flow of the Holy Ghost that is in the earth in the name of Jesus.

⇒Many of the powerful words that Jesus spoke was because His body responded to the Holy Ghost. Many of the powerful words of wisdom the Apostle Paul spoke especially during the trials when people wanted to trap him were because the Holy Spirit could easily flow through his body. How quick or fast will the Holy Ghost easily flow, manifest or operate through your body? The more the Holy Ghost can work through your body, the more victories you will see, the more of God's glory you will experience.

•Father, from this hour henceforth, let everything that comes out of my body, every word and every action be under the control of your Spirit, let them be according to the control of the Holy Ghost, let them be by the influence of the Holy Ghost. My actions, words, thoughts, emotions and feelings let them be by your influence, let them be according to your influence. Let me say only the things you want me to say, let me feel only the way you want me to feel not the way any demon wants me to feel, let me think only the way you want me to think from now henceforth. Lord from now onwards, let the words that come out of my body be according to the control and influence of your Holy Spirit not according to me.

⇒Demons get stronger by working through the feelings of your body, through the thoughts in your brain, through your emotions and feelings, and all these things are functions of your body. Your feelings, mind, emotions etc, all these flow through the blood, your thoughts flow through your brain. If you can surrender your body to God, you will grow faster spiritually than when you don't.

•Father, let every pollution in my body that is giving strength to demons and darkness to control my life, let them be destroyed by fire, let them come out by fire right now in the name of Jesus. Every pollution in my blood, in my body, every corruption in my blood, in my brain that is making demons to be stronger than me, making demons to control me, oh God of Israel let your fire flush out such pollutions. Every pollution of darkness in my body system, in my blood, in my mind, brain, emotions and feelings

making demons to have control over me and is stopping the Holy Ghost from having control over me, Lord let your fire flush out such pollution now in the name of Jesus.

⇒ Another thing about your body is, what you use it to do persistently will determine how spiritual it can be, if it will serve God or Satan. If your body is always obeying God, busy with spiritual things it will hardly surrender to darkness.

•Father, every action that I have been doing with my body that is making my body spiritually dead, oh God end them now. Whatever action that I have been doing with my body that is promoting spiritual death, that is killing revival, that is not allowing revival in my life, spiritual growth, spiritual sensitivity, oh God, let such actions come to an end now in the name of Jesus. Every form of addiction in my body that is promoting spiritual death, slavery to darkness, let your fire kill such addictions now in the name of Jesus. Every form of sin addiction in my body that is promoting spiritual death, spiritual slavery, killing revival, killing spiritual growth in my life, Lord let your fire terminate them now. Whatever I have been doing with my body persistently that is promoting spiritual death, let it end now in the name of Jesus. ***I decree over your life that whatever you have been doing with your body that is killing God's presence in your life, spiritual growth, spiritual sensitivity, killing the power and presence of God, right now let it die forever in the name of Jesus, let such thing end forever in the name of Jesus. Let the fire of the Holy Ghost end everything that your body does that is affecting your spiritual destiny, let the fire of the Holy Ghost terminate them right now forever in Jesus' name.**

⇒ There is power in your spirit to make your body do what God wants because from the beginning the body was under the control of the Spirit. He made the body to listen to the Spirit. There is power in your spirit to make the body do supernatural things, to do what is beyond the normal strength of the body or the usual measure of the human body. God by His spirit can make your body do supernatural things. There's power in your spirit to recreate, to reconfigure your body, to make your body do things that human bodies don't naturally do.

•Father, let your power rise from within my spirit and give instruction to my body to do what you want it to, let your power rise from my spirit and begin to control my body to do what you want, to feel what you want me to feel, to do what you want me to do in the name of Jesus. Lord let your power rise from within my spirit and begin to control my body to do what you want in the name of Jesus, let your power begin to make my body submit to your will forever. Let your power rise from within my spirit and make my body surrender to your will forever, make my body listen to you forever, make my body obey you forever and make my body please you forever, let your power rise from within me to do this in the name of Jesus.

⇒ Your body is a gateway for the enemies to temper with your destiny. If the enemy can successfully enter through your body, it's easy for them to temper with your destiny, your future and the answers to your prayers.

•Father, let your fire destroy every arrow of darkness that has been fired into my body to destroy my destiny, to alter my destiny, to destroy the plans of God for my life, let such arrows be consumed by fire. Lord every arrow that has been fired into my body system to alter my destiny, to destroy my destiny, Lord destroy them now in the name of Jesus. Every arrow that has been fired into my body to destroy God's plans for my life, to make the plans of the enemy succeed, to make my life go in the opposite direction to the will of God, every attack of darkness on my body, Lord let them be destroyed now. Any work of the devil in my body meant to stop me from fulfilling my destiny, Lord let that work be destroyed now. Anything that the enemy has kept in my body, that the enemy has secretly injected into my body to alter the fulfillment of my destiny, Lord let your fire consume them now in the name of Jesus.

⇒I discovered that a spirit of the devil can come upon your life and begin to control everything in your life in order to frustrate you and destroy good things. That spirit can stay there for as long as there is a stronghold making it to stay. If there is a stronghold in your life it will be easy for any spirit of darkness to come and stay in your life because there's something that has magnetized them into your life.

•Father, every stronghold of darkness that is giving the kingdom of darkness power over my life, control over my life, dominion over my life, Lord let such strongholds be destroyed now, let them be broken in pieces now in the name of Jesus. Lord every stronghold of darkness making the kingdom of darkness stronger in my life, making them be able to manipulate and control my life, to influence my life negatively, making them able to control and deceive me, every stronghold in me giving power to the dark kingdom over my life, Lord let your fire consume them now, let such strongholds be broken right now in the name of Jesus. ***Every stronghold in your life that is making the kingdoms of darkness be able to operate freely and easily despite your fastings and prayers, that is making the kingdoms of darkness to be able to confuse you, frustrate and deceive you, I decree that they break in pieces now in the name of Jesus. I decree that they be uprooted forever now in the name of Jesus.**

⇒Your body only understands the language of discipline. You must make deliberate efforts to discipline your body. You must begin to do things that your body does not want you to do. Deprive your body of its cravings, desires and lust, that is how your body can please God. If you don't do that you will keep losing in the battles of life. You may win some battles but you won't be able to win others. Your body can make you miss heaven, make you fail your generation, misbehave before God, disappoint God, make you to lose blessings that God wants to send in your life, be like the Apostle Paul who said I keep my body under subjection.

•Place your right hand on your head. In the name of Jesus, I receive strength to discipline my body to serve God, to love God, to please God, to pray for long hours. I receive strength to discipline my body to fast, to study the word of God, to meditate on the Word of God. I receive strength to discipline my body so that I can fulfill my destiny on Earth. Lord strengthen me to discipline my body to serve you, to please you, to obey you. Lord strengthen me to obey you and discipline my body,

strengthen me to reject the comfort the body is looking for, teach me oh Lord to do this. Strengthen me to train my body to reject the pleasures and comfort it is craving for, the pleasures that are not going to help my spiritual growth, Lord teach me to train my body to reject those things in the name of Jesus. Amen.

CLOSING PRAYER

Raise up your right hand.

Oh God of heaven and the earth, we thank you because you are so faithful. Thank you Lord for your determination to help us, to change our lives, to bless us, to lift us up and to visit us. Thank you for all the things that you are willing to do in our lives. Thank you Lord for such great love, be praised forever in Jesus' name.

Father, we have talked and poured out our hearts to you, asking you to help us do the things that we must do before we see great changes in our lives at this time. Lord, I ask that everything that we have to do, everything your people have to do with their spirits, souls and bodies so that the help you want to release to them at this point in time will locate them, oh God make it easy for everyone to do these things in Jesus' name.

I pray for you, that particular thing that you have made an idol that you must get rid of, all that you must stop serving; receive wisdom, strength and Grace to stop yielding to such idols in Jesus' name. I pray that only the Lord shall be your Lord in Jesus' name. Only the Lord shall be in control over your life, career, destiny in Jesus' name. Any other thing whatsoever that is claiming lordship and control over your life and spirit, whatsoever that wants to rule and control your life, I bind them now in the name of Jesus.

I speak into your destiny that you will no longer be caged in the name of Jesus. Your destiny is released to be fulfilled now in Jesus' name. Wherever they are manipulating your destiny for evil in the realms of darkness, I decree that the fire of God locate such places and consume them all in Jesus' name. Wherever they are manipulating the events, situations and affairs of your life for evil in the realms of darkness, I decree that the fire of God locate those places and destroy them all right now in Jesus' name.

I pray for you that your mind shall agree with the mind of God, your mind shall agree with the mind of Christ, your mind shall agree with the mind of the Holy Spirit in the name of Jesus. Every mind that is in your brain that is contrary to the mind of Christ, I command that mind to die right now in Jesus' name. From now henceforth you will

think from the mind of Christ, you will reason from the mind of Christ in the name of Jesus.

I pray for you that everything you lay your hands upon shall prosper in the name of Jesus. Everything you have been praying for, for a long time and is yet to be released, because you are part of this prayer session tonight, I receive them for you in Jesus' name. I receive the answers to those requests from heaven for you in Jesus' name.

You are blessed in Jesus' name. Thank you Father because we know you have answered, in Jesus' mighty name we have prayed, Amen.

24 MARCH 2022

PRAISE AND WORSHIP

Oh God of heaven and the earth we worship you, oh God of Israel we worship you. You are the Lord and there is none like you. PSALMS 36: 1

⇒What is sin? Sin is popularly known as disobedience to the Word of God and to the ways of God, but there's more to sin.

•Raise up your right hand. Father have mercy on me, forgive me of my sins, wash me clean in the blood of Jesus. Lord have mercy on me, wash me in the blood of Jesus till I am whiter than snow, till I am clean and holy. Lord have mercy on me. Father I repent of my wickedness, I repent of every evil intention that fills my heart. I repent of not forgiving those that hurt me. I repent for disobeying your leadings and directions. Father I repent of making you angry, hurting your feelings, Lord I repent, forgive me. Lord I repent of all my sins, my pride, my wickedness, of all my iniquities, I repent of all the unclean thoughts I think, I repent now, forgive me of my sins, wash me clean in your blood till I am whiter than snow. ***(If you sincerely prayed this prayer) Your sin shall be forgiven in the name of Jesus, even the sins you committed ignorantly shall be forgiven now in the name of Jesus.**

⇒Sin is more than breaking God's law or disobeying God's commandments or being carnally minded. Sin is a spirit, it is a nature. The Adamic nature, sinful nature: everyone has been born with a nature to naturally sin, born with a nature that wants to naturally offend God, to do what is evil and unrighteous. We have all been born with a nature to love darkness. That nature that is making you reject the truth and embrace lies, that is not allowing you to do what is right, is a nature of sin. Read the book of Romans to understand more. Unless the nature of sin dies in you, you will never stop offending God or be able to stop sinning.

•Place your right hand on your head. Father let the nature of sin in me die because I want to please you. Let the nature of sin in me die, the nature of sin in my body, in my soul, in my spirit die right now. Lord, I want to please you with my life, my thoughts, my ways, words and actions. I want to please you, honour you, glorify you with my life, Lord let the nature of sin in me die right now.

⇒Until the nature of sin in you dies, your righteousness is fake before God; it is as filthy rags. It is after this nature of sin has died that we can all live in the righteousness of God. The only righteousness that is accepted in heaven is the righteousness of God Himself, not your own righteousness or you trying to use human wisdom to please God. You trusting in God to help you to please Him is the only righteousness accepted before God. Righteousness that comes through faith is you believing that He is going to help you to please Him and to do what is right, that is when your righteousness will be accepted in heaven. As long as you tell yourself that if I do this or that then I'm right with God, you have only deceived yourself; that is self-righteousness.

•Father, deliver me from every righteousness I gave to myself to justify myself before you, Lord deliver me now and give me your own righteousness. Lord deliver me from every righteousness I gave myself thinking that it will approve me in your presence, that I will be acceptable before you, deliver me from self-righteousness and give me your own righteousness. "Lord give me your own righteousness x 4"

⇒How will you manifest God's righteousness if not by the Spirit of God? The Spirit of God is the Spirit of righteousness who always does everything right. The

righteousness of God means actions of God by which God is always right, the nature of God by which He is always right. You need the Spirit of God to control your life for you to be able to manifest the righteousness that heaven can accept. Romans 8:14, as many are led by the Spirit of God are the sons of God.

•Raise up your right hand. Father I want my life from this hour on to be fully controlled and led by your Spirit, Lord release your Spirit to do this, send your Spirit now, activate your Spirit in me to do this now in the name of Jesus. Lord, I want my entire life to be fully controlled by your Spirit, to be fully directed and led by your Spirit, Lord release your Spirit into my life to begin to do this now. ***Receive the Holy Spirit right now, receive the Holy Ghost in the dimension of leading you, in the dimension of directing your life henceforth. Receive the Holy Spirit in the dimension of controlling your life, leading you through the right ways everyday, receive that dimension of Holy Ghost operations now in the name of Jesus.**

⇒Being led by the Holy Spirit is not only about speaking in tongues because speaking tongues is a gift of the Holy Ghost. The Spirit of God is a person, as long as you have repented and given your life to Christ, the Holy Spirit can speak to you, lead you and direct your life. This is not about speaking in tongues or the gifts of the Holy Spirit but about the presence of God in your life and the works of the Holy Spirit in you.

•Raise up your right hand. Holy Spirit I desire to have a personal relationship with you, a strong intimacy with you, manifest yourself in me, manifest yourself to me. Holy Spirit I desire a strong fellowship and relationship with you, a strong intimacy with you, manifest yourself in me, manifest yourself to me. I want to hear from you, I want to receive from you, I want to be led by you. I want you to control my life, Holy Spirit, manifest yourself to me and in me in the name of Jesus.

⇒As you yield to the Holy Spirit, that is how you will be righteous. We kill the deeds of the body by the power of the Holy Spirit. If you don't have a reason for needing the Holy Spirit, it is for you to live righteously before God. What is the use of having the Holy Spirit and He's not correcting you, or telling you to stop lying and committing sin, what kind of Holy Ghost is that?

•Father, activate the presence of your Holy Spirit in me to help me to live righteously in your sight. Father activate the presence of your Holy Ghost in me to enable me to live a holy life, to do what is right in your sight. ***As many of you desire to live righteously before God, let the dimension of the Holy Spirit that produces God's righteousness in a man be fully activated in you right now in Jesus' name. That operation of the Holy Ghost that will make you live holy unto the Lord, let it begin from within you now in the name of Jesus.**

⇒Romans 8:13, except by the Spirit, you cannot kill the sinful nature in your body, the sinful desires and passion that flows through your body. If you think you can do what is right or kill the sinful nature without the Holy Spirit then that is self righteousness and it will not be acceptable before God. If you want to please God

you need the help of the Holy Spirit. The Holy Spirit will help you but you have a role to play.

•Father help me to be strong enough to kill the sinful desires of my body, help me to be strong enough to kill the sinful desires in me by your Spirit, help me to be disciplined enough to kill the passions of sin in me. Lord help me to kill the sinful desires in my body, the sinful nature in my life through the help of the Holy Spirit. Help me to be determined enough, to be strong enough, to be wise and disciplined enough to kill the desires of my body by the Holy Spirit so that I can please you with my life.

⇒ Christians have been given the power to choose whether to live or die, unbelievers do not have that power. This dying is speaking of spiritual death. People die physically because they have died spiritually. Adam n Eve died because they had begun to die spiritually though they were not created to die. The longer you stay in the realm of spiritual death, the easier it becomes for you to die physically. God can use you as a spiritual covering for your family but when you as the covering for the family is spiritually dead, then your family can no longer be saved because they can easily die physically anytime. Spiritual death is the foundation of physical death which includes sicknesses and diseases. Real obedience to God or living in the spirit for real means you cannot fall sick and die untimely. How much do you live in the spirit, how much do you live in the flesh?

•Father, I don't want to live in the realm of spiritual death, help me I want to live in the realm of life. Lord help me I don't want to die spiritually I want to live. Lord, I want to live in the realm of your life, deliver me from spiritual death in Jesus' name.

⇒ The Holy Spirit wants to revive many of you. He wants to use His fire to remove you from the realm of death and plant you into the realm of life.

•Raise up your right hand. Fire of the Holy Ghost, uproot my spirit, soul and body from the realm of spiritual death and establish me permanently in the realm of eternal life. Lord let the fire of the Holy Ghost uproot me right now from the realm of spiritual death and plant me into the realm of eternal life, into the realm of your presence forever. Lord let the Holy Ghost Fire deliver me, Holy Ghost fire revive me. Fire of the Holy Ghost uproot my spirit, soul and body from the realm of spiritual death, plant me into the realm of eternal life, into the realm of your presence, in the realm of God, thank you Lord.

⇒ The reason why you need the fire dimension of the Holy Ghost in your life is because there is a lot in your life on earth that is against the Spirit. Anything that is against the Spirit, God wants to use His fire to destroy it. Whatever in your life that is standing as a limitation to the fulfillment of God's purpose and desires for your life, the Holy Spirit will become fire to destroy them. The Holy Ghost in you can transform into fire. When I personally pray I can literally feel fire burning in my bones and body as if I touched natural fire, it's possible for you too.

•Place your right hand on your head. In the name of Jesus let the Holy Ghost in me become fire to destroy everything that does not agree with Jesus, the light and the truth. Let the Holy Ghost in me transform into fire for complete deliverance. Let the Holy Ghost in me become fire and begin to destroy everything that does not agree with God's righteousness, God's presence, that doesn't agree with the light and the truth of God, let them be destroyed now in the name of Jesus. Holy Ghost in me change to fire, become fire, give me revival; become fire, give me deliverance. Let the Holy Ghost in me become fire till I am completely delivered, revived and healed, let everything that cannot be found in Jesus die by fire.

PSALM 36:1

⇒Every spirit has a nature and sin has a nature. Every human was born into the world with that spirit and nature of sin. The only thing that God said to that nature is to kill it and that is what Jesus did on the cross of Calvary. The moment He died on the cross, the nature of sin died. Jesus died so that the sin in us can die; He became sin for us. Jesus became that personality of sin and when He died it died forever. When the nature of sin is still alive in you it's because you want it to live. Jesus already gave us the Grace that kills the nature of sin. Believe what Jesus did on the cross and activate the deliverance through prayers of faith and then you will practically see that nature die, if you truly want it to die.

•In the name of Jesus I refuse to be controlled by the sin nature, by the spirit of sin, I destroy the nature of sin in my life now. Every nature of sin in my life be destroyed now in Jesus' name. I connect with the grace that was produced on the cross of Calvary by the death of Jesus, I decree that the nature of sin in me, die now. I decree that the spirit of sin in my life, die now. Fire of the Holy Ghost destroy the nature of sin ruling my body, ruling in my soul, ruling in my spirit now in the name of Jesus.

⇒This nature of sin can speak to you, advise you, control you. Why is it that whenever you want to do what is right you start having all manner of negative thoughts in your mind? It is the nature of sin in you that is speaking and you must not yield to the voice of sin or those thoughts.

•My soul hear the voice of the Lord, you shall no longer yield to the voice of sin, you shall no longer yield to the thoughts of sin, to the imaginations of sin. My soul hear the voice of the Lord, you shall no longer yield to the whispers of sin. My soul I command you from today onwards you shall not yield to the voice of sin, you shall not yield to the intentions and imaginations of sin, you shall not obey or surrender to the thoughts of sin in the name of Jesus. My soul I command you, you shall not yield to the feelings of sin, you shall not yield to the emotions of sin in the name of Jesus.

⇒More than 90% of what you feel is from the sin nature and not from the Holy Spirit. The feelings of pride, anger, bitterness, lust, desire for pleasure are all from the nature of sin. You need the fire of the Holy Ghost to destroy every feeling that has no root in Him, even if that feeling feels good. There is a way sin will make you feel

more important than God, than other people or the Word of God and you start serving yourself instead of worshipping God.

•Raise up your right hand. Fire of the Holy Ghost sanctify my feelings and emotions, destroy every feeling and emotion that has no root in God or in Christ, destroy them now. Fire of the Holy Ghost pass through my feelings and emotions, destroy every feeling and emotion that has no root in Christ, that has no root in the Word of God. Lord let every fragment of emotion and feeling that has no root in you die in the name of Jesus.

⇒Why is the Kingdom of God concerned about the death of the nature of sin in our lives? It is because God has known this nature for a long time even before He created human beings, for it was in Satan that's why he couldn't be with God in heaven. If God says it should die then you should kill it because if it does not die you will die, it will kill you just as it killed Satan (he is spiritually dead because he's separated from God). Yes God wants you to prosper, be blessed, have physical blessings etc but the first thing He wants is to kill the nature of sin from you, if you will allow Him. If He has not helped you to destroy the sin nature then He hasn't helped you. You need to be careful or scared, if God is blessing you physically and He is not concerned if you're living unrighteously, if He's no longer correcting you or showing you the light then you should start crying because it could mean that God has already handed you over to sin.

•Father in your mercy stretch forth your hand and pull me out of the depth of darkness that the sin nature has brought me into. Father by your mercy pull me out of the depth of darkness that the nature of sin has brought me into. Oh God pull me out right now by your mighty hand out of the depth of darkness that the nature of sin has put me into.

⇒The same power that removes sin is the same power that heals. It is the same death of Jesus on the cross of Calvary that terminated sin, it is the same power that terminated sickness and disease that is why if you want to enjoy divine health then you should stop living and yielding to your sin nature. There's another dimension of healing that does not come through the healing anointing but it starts from the inside of you and that healing is being done by the same power that terminates sin. The inward healing is greater than the outside healing that comes through the anointing. The healing that comes from the inside of you as you overcome sin is different from the healing that comes from the outside through the mercies of God, it is the same healing but different operations.

•Place your right hand on your head. Father let the grace of Jesus that destroys sin also destroy every deposit, root and seed of sickness and disease in me, let that grace manifest in me and destroy them all. Lord let your grace that destroys sin manifest in me to destroy sickness and diseases, as that Grace is destroying sin in me, let it destroy sicknesses and diseases as well, let it destroy every fragment of sickness, every deposit of sickness in me in the name of Jesus. ***The same Grace that produces holiness and righteousness manifest in you to eradicate every**

sickness and disease in Jesus' name. As that Grace begins to help you overcome sin, let it destroy sicknesses and diseases in the same moment in Jesus' name.

⇒ God is attracted to those who are pure and righteous than to those who are polluted. Sometimes the pure in heart do not get visited by God because of doubt, fear and unbelief. There is some help you cannot get from God or heaven if sin is still in you.

•Father, destroy the presence of fear, doubt and unbelief in my soul, in my mind because I want to encounter the fullness of your power and Grace. Destroy the presence of fear, doubt and unbelief in my heart right now. Lord destroy the roots and strongholds of fear in me, destroy the stronghold of doubt, destroy the strongholds of unbelief in my soul and heart, Lord destroy them now in the name of Jesus. I want to experience the fullness of your grace, presence, the fullness of your power. Destroy the presence of fear, doubt and unbelief in my life right now in the name of Jesus. I don't want to be limited in experiencing your power and greatness, destroy every presence of doubt, fear and unbelief in me in the name of Jesus.

⇒The Spirit of God has in Himself the fullness of all that we need. Being in the spirit means having the fullness of all that is in the Holy Spirit. If healing is in the Holy Ghost, every time you are in the Holy Ghost there's nothing that says you should not experience healing. If wisdom, breakthrough, victory, fire, power, deliverance is in the Holy Ghost there's nothing that says you should not have any of them when you are in the Holy Ghost. Some are always in the spirit but cannot experience the fullness of the Holy Ghost because of lack of faith.

•Raise up your right hand. In the name of Jesus I break into pieces every limitation on me that is not allowing me to access the fullness of all that God has given to me in the spirit, I break these limitations now in the name of Jesus. I break in pieces every limitation on my mind, on my soul, spirit, on my body that is blocking me from laying hold of all the benefits, the blessings God has placed in the spirit realm for me, I break such limitations in pieces right now in the name of Jesus.

⇒ One of the things that makes people not to lay hold of the fullness of the spirit is lack of patience. Most of the time we are in so much of a hurry that we want to see physical signs in order to believe that the Holy Spirit is working. When you do not see any physical sign of healing in your body you conclude that the Holy Spirit is not working, that is a lie. When the Holy Spirit has programmed your healing to happen after two months of daily intensive prayers and you only prayed for one week and stopped because you were not seeing any physical signs of the breakthrough, you have limited your breakthrough. That is how many people lose their breakthroughs that God would have put in the realm of the spirit for them. This is an example of impatience, you have to pray through, no shortcuts.

•Place your right hand on your head. I disconnect my soul from every spirit of impatience that is not allowing me to trust God, to depend or wait on God for a long time. I disconnect my soul from every spirit that is not allowing me to trust God for a

long time, every spirit of impatience ruling over my soul, catch fire in the name of Jesus. Every spirit of impatience ruling over my mind catch fire in the name of Jesus

⇒Most of us do not yet take the things of the Spirit seriously, including our prayer sessions. Most people use them as a warm-up because they have not been able to pray on their own so they just join to warm up spiritually. They are not passionate concerning the issues that we deal with in these prayer sessions. In each prayer point there are specific issues that you should sit down and meditate on. Your mind needs to be serious with God and spiritual things. Christianity is not a game but about life, it is real and God will reward you according to how you have placed Him in your life.

•Father, deliver me from every attitude in me that does not honour the things that give you joy, those things that glorify you, the things that pertain to your Kingdom. Every attitude in me that is making me not serious for the things that pertain to your Kingdom, oh Lord deliver me from them. Every attitude that is making me not to honour the things that give you joy, not to desire or love the things that makes you happy, Lord destroy such an attitude in me in the name of Jesus, Amen.

CLOSING PRAYER

Fill them with a strong desire to hate sin and to love righteousness. Fill everyone with a strong desire to discard self righteousness and embrace your own righteousness. Lord, fill everyone with such desires in Jesus' name.

I pray for you that you will no longer live in spiritual death. The power of God shall locate you in the depths of darkness sin has dragged you into, let the power of God locate you right there and deliver you in Jesus' name. Let the fire of the Holy Ghost locate you in your state of spiritual death and revive you and make you become alive unto God henceforth in the name of Jesus.

All the spiritual gifts and abilities of God that have died in your life because you embraced the sin nature, I decree that they shall come back to life in the name of Jesus, they are coming back to life in the name of Jesus.

Every blessing you have lost because you didn't know how to access them in the spirit, I decree that you will get them back in the name of Jesus. Every blessing that the angels of the Lord have withdrawn from your life because you did not wait enough, pray enough or fast enough, I pray for you that by God's mercy receive them again in Jesus' name.

The benefits of walking in the truth, in the light and righteousness shall begin to find you in the name of Jesus. You shall be bold to call all men unto repentance. You shall be bold to preach the gospel of salvation to bring all men to repentance from now henceforth in Jesus' name. Thank you Lord because we know you have answered, in Jesus' name I have prayed, Amen.

PRAYER POINTS

⇒Father, thank you for the blessings you have released into my life that I cannot see. Lord thank you for the blessings you have sent into my life that I cannot yet see, that you have provided and supplied. Thank you Father for the blessings that I cannot yet see that you have authorised for me, blessings that you have sent into my life. Thank you for the blessings that I cannot see physically that are already in my life, thank you Lord for these blessings. Thank you Jesus for the blessings you have released into my life that I cannot yet see.

PSALMS 36:1

⇒In the name of Jesus, let the anger of God be kindled against every personality, visible or invisible devising evil in their hearts against my life, calling and destiny, let the wrath of God fall upon them, let the anger of God fall upon them, let the judgement of God fall upon them in the name of Jesus. Let the anger of God be kindled against every personality devising evil against me, let them encounter the wrath of God, the anger of God, let the wrath of God fall upon them and destroy them in Jesus' name.

⇒There are some demonic personalities that have creative powers in their minds. As they are thinking evil concerning you that evil begins to happen instantly. This is a high level of witchcraft when they use their minds to recreate people's lives or to

destroy people's lives. They have the demonic creative abilities in their mind to make evil appear, once they imagine it, it appears.

- Father let your wrath and destruction fall upon every demonic mind creating evil in my life and situations. Let your wrath and destruction fall upon every demonic and satanic mind that is imagining evil for my life, that is creating evil for my calling, destiny and situations, let your wrath and destruction locate them right now in the name of Jesus.

⇒Witchcraft has network systems on earth. Their network is like cobwebs and they can trace anyone anywhere in the world, you cannot hide from them and they ensure that their imaginations happen in the lives of those they targeted.

- Raise up your right hand. Father let your fire fall upon every network of witchcraft that is after my life for evil, every network of witchcraft searching for my life to execute evil, to perform evil, let your fire fall and scatter them, let your fire fall and destroy them. Right now in the name of Jesus, let the fire of the Holy Ghost locate every network of witchcraft, every web of witchcraft that is after my life, searching my life, attacking my life for evil, let fire fall on them and destroy them, let fire fall on them and consume them. Every web of witchcraft looking for my life, attacking my life, tracing my life, following my life to perform evil, let fire fall on those networks and scatter them forever in the name of Jesus. Every witchcraft ley lines that are searching after my life, connecting with my life, fire of the Holy Ghost consume them now. No weapon fashioned against me shall prosper, therefore let the fire of the Holy Ghost arrest these webs and destroy them and consume them all right now in Jesus' name.

⇒The whole earth is a product of a mind. The mind of God gave birth to everything in the whole world. The kingdom of darkness also understands the power of the mind that's why they try to alter God's creation by ensuring that everyone is defeated in the realm of the mind. If you have been defeated by Satan in your mind that is all they need to alter God's plans for your life. God spoke everything into existence from His mind, He had the picture of everything in His mind before He spoke them out. If you are a product of the mind of God, the devil makes sure that his own mind prevails over your mind for him to be able to turn God's plans for your life upside down. God's plan for your life will be fulfilled when your mind agrees with God's mind. The devil enforces his mind on people's minds, making them to think the way he thinks, making one to think in a negative way that is opposite to what is in God's mind.

- Father let your fire destroy every operation of darkness attacking my mind, enforcing evil upon my mind, enforcing demonic mind upon my mind. Lord let your fire destroy every attack of Satan upon my mind to destroy my mind, pollute my mind, enslave my mind, corrupt my mind, to turn my mind against you and your will; to turn my mind against your ways and your truth, Lord locate such attacks and destroy them. Every battle of darkness that is after my mind so that your plans will not prevail, every battle of darkness after my mind to stop me from believing and

trusting you, to weaken my mind to believe in your words, oh God let your fire destroy such battles. Every demonic thought injected into my mind to alter God's plans, to disconnect me from God's presence, to disconnect me from God's mind, let those demonic thoughts catch fire right now in Jesus' name.

⇒The moment your mind aligns with God's mind then the manifestations of God's promises for your life will definitely be sure. The devil is happy when you are doubting God's Word or His will, when you are full of fear and insecurity, he's happy when you are polluted, when you don't have love and you are imagining negativity. The devil is happy because when he knows when your mind is like that it will be difficult for the promises of God for your life to come to pass.

•Place your right hand on your head. My soul and mind receive strength to align with God's mind, receive power to agree with God's mind so that the promises of the Lord will manifest. My soul and my mind align with God's mind, begin to agree with God's mind whether you like it or not, align with God's mind, agree with God's mind. You my soul, you my mind agree with God's mind in the name of Jesus so that the promises of the Lord will come to pass in my life. My soul, my mind whether you like it or not, agree with God's mind in Jesus' name.

⇒Sometimes the unbelievers seem to be wiser than the believers. Even science discovered that the mind of man has the power of creation. Our minds carry a recreational energy that can determine what can happen in the course of time and what should not. Whenever you wake up and your mindset is bad, always thinking and imagining things which are not pure or right, when you don't have faith or you can't trust God's Word, then it is evil and negativity that will happen in your day. But when your mind is positive, full of faith, always saying good things then it is good things that will happen in your life. The devil understands this, that is why he's always attacking the mind and giving people wrong minds to see life in a negative direction.

•Place your right hand on your head. In the name of Jesus, I receive strength in my mind to think in a direction of God's will and desires for my life. Lord, strengthen my mind to always think in the direction of your plans, to begin to think in the direction of the Word of God, to begin to think in the direction of your truth, in the direction of your ways and the direction of eternal life. Lord strengthen my mind right now in the name of Jesus so that your plans can happen to me, strengthen my mind.

⇒Your mind is connected to time and events that happen in time. There is Grace for you to be connected to what God is doing on earth such that you are able to be at the right place at the right time, for what God has programmed for your life to happen. To be able to speak the right words, think the right thoughts at a particular time when something has to happen to you. Certain events in time which are connected to you are in your mind at that time. If God has placed a blessing for you tomorrow, receiving that blessing is connected to how you will think tomorrow, if you think in a negative way that blessing might not come to you. You need the grace of

God that will enable you to connect with everything that God has put in time for you. You need the Grace to be at the right place at the right time, to know when to leave a particular place and go to another place, to know what to say and what not to say so that the blessing of God in time can happen to you

•Father, give me the Grace to channel my thoughts and actions in the direction of what you are doing on Earth, to what you have positioned in time for me. Lord give me the Grace to channel my thoughts, words and actions in the direction of every good thing you have placed in time for me. Give me the Grace, oh God to think the right stuff that will enable the manifestation of the blessings you have placed in time for me. Give me the Grace to be at the right place at the right time so that everything you have positioned in time for me can catch up with me. Lord, give me the Grace to have the right thoughts, the right words, right actions that will enable the blessings you have positioned in time for me to happen in my life, that will enable your plans for my life to come to pass in the name of Jesus. Help my mind to be connected with what you are doing in time, to be connected with all the blessings you have connected with me in time. ***By the help of the Holy Spirit, receive Grace to be so sensitive such that you are doing the right thing at the right time, you are thinking the right thing at the right time, you are in the right place at the right time and you are having the right purpose at the right time. I pray that you receive Grace for this so that the blessings of God in time will catch up with you, so that the miracles of God for your life in time will happen to you, receive the Grace now in Jesus' name.**

⇒There are some wicked people who do not know what they are doing though they think they know what they're doing. Those who take upon themselves to seek witch doctors for your downfall. What they don't know is that in the process they are also destroying themselves.

•Raise up your right hand. In the name of Jesus let the anger of God locate and destroy every wickedness of wicked people fashioned against my life, health, prosperity, success, progress, calling, promotion, marriage, victory and breakthroughs. Let the fire of God locate and destroy every wickedness of wicked people fashioned against my marriage, family, destiny and health. Let the anger of God fall upon the wickedness and the wicked people, those who devise the wickedness, let the anger of God fall upon them now. Let the anger of God fall upon the wickedness of wicked people that are after my life, and my destiny, let those wicked people receive the judgement of God right now. Let the wicked people devising wickedness upon my life, channelling wickedness into my life, let the judgement of God fall upon them in the name of Jesus.

⇒Some of these wicked people are not human beings, but some are humans. There are demons who put on human flesh to look as if they are human. So when we call on the judgement of God, God knows how to judge those who are human and those who are not human He would kill them. We have to ask God to destroy them because the more they will live, the more evil will continue to hinder the fulfilment of the destinies of many.

•Father let your anger and wrath fall upon every demonic creature appearing as human devising evil for my life, destiny, marriage, and calling, let your anger and wrath fall upon them, kill and destroy them all. Lord let your anger fall upon wicked people who are creatures of darkness devising evil for my life, wicked people who are not humans but demons in the flesh, wicked people who are demonic creatures fighting my life, calling, and destiny, Lord let your anger and wrath fall upon them and let them die, let your anger and wrath consume them from existence. Whether they are a boy or a girl, man or woman, whoever they are, however they appear, God of vengeance, attack them and destroy them all. Let your anger and wrath fall upon every demonic creature appearing as human beings, tormenting and oppressing my life, attacking my life and devising evil for my life, oh God let your anger kill them oh Lord remove them from existence, uproot them from existence in the name of Jesus.

⇒All the wicked people, witchcraft, divination, sorcery fall under spiritual wickedness in high places, Ephesians 6:12. Sometimes these witchcraft are forces who work through vulnerable people, people who are not strong spiritually, unbelievers or sinners. Which means these forces of darkness can be using your very close friend or relative and these people might not even know that demons are using them against you. If you have a friend or your children are not strong spiritually, the devil can use them against your life and destiny, career and marriage.

•In the name of Jesus, I disconnect my life, spirit, soul, body and destiny from every spiritual wickedness flowing through people around me into my life, I disconnect myself from such a flow right now, I bind such flow right now in the name of Jesus. Every flow of spiritual wickedness taking advantage of the people around me to attack me, evil flow coming through the people in my life, people in my family, among my relatives, friends or loved ones, I bind that flow of spiritual wickedness right now in the name of Jesus. Right now in the name of Jesus, I disconnect my life, environment, spirit, soul and body from such a flow. Every spiritual wickedness coming through the people in my workplace, environment, people around me, let the fire of the Holy Ghost stop such flow, let the fire of the Holy Ghost terminate such a flow right now in the name of Jesus. ***I decree that every flow of spiritual wickedness entering your life through the people around you, through the people you have drawn so close to your life, I decree that flow is forever terminated right now in Jesus' name.**

⇒This category of spiritual wickedness in high places can also use animals or insects to attack; they use insects to gain access to your life. Some of the tiny insects in your house might not be real insects, some animals are not real as well, they are working for spiritual wickedness in high places. I'm not saying you should start searching in your house for such insects and all, but the fire of God can locate them wherever they may be and destroy them

•In the name of Jesus, let fire fall and consume every creature of darkness in the form of animals, visible creatures channelling evil into my life, career, destiny, and environment, let the fire of God destroy them now. Let fire fall upon demonic

creatures appearing as animals, insects, visible creatures that are channelling evil into my life, Lord let your fire find them wherever they are and destroy them, let your fire become visible and destroy them wherever they are in the name of Jesus. Wherever they are in my house, be it in the kitchen, bedroom, bathroom, wherever they are hiding in the form of any visible creature, Lord let your fire become invisible and find them and kill them now in the name of Jesus.

⇒ During ancient times, demonic places were usually set up in high places; they looked for hills or mountaintops to set up the altars for their gods or idols. There are altars in the high places that are sponsoring spiritual wickedness, and sacrifices are being done on those altars on a daily basis. Many of these altars receive human blood on a daily basis so that spiritual wickedness will continue to prosper on earth, so that many people will continue to be afflicted or oppressed. In every country there are a lot of these altars, because most politicians, scientists and billionaires worship at these high places and they donate human blood on these high places.

• Raise up your right hand. In the name of Jesus, let fire fall on every altar of darkness channelling spiritual wickedness, wickedness and evil into my life, calling and destiny, let fire fall and waste them all right now in the name of Jesus. Let fire fall on every altar of darkness, visible or invisible, wherever they are positioned in the heavenly realms, on earth or under the earth or in the sea or rivers, every altar of darkness sponsoring wickedness against my life, sponsoring and promoting evil, channelling evil and authorising evil influence in my life and the affairs of my life, let fire of the Holy Ghost find them and destroy them now, let fire fall upon them now. Let the fire of God rain on those altars, waste them, uproot them all, destroy them all wherever they are. Every altar of darkness channelling evil, channelling wickedness of affliction, sorrow, troubles, pain, suffering and poverty into my life, let the fire of the Holy Ghost fall upon them and consume them. Let fire fall from the throne of God for it is written fire goes before the Lord and consumes His foes on every side; let fire fall upon them and waste them all in the name of Jesus.

PSALMS 36:1

⇒ Evil people do not give up easily in doing evil. Agents of Satan do not easily give up on carrying out their evil because they do not have the fear of the Lord, the spirit in them is 100% evil, they are merciless, full of evil and not willing to repent.

• Father let your anger be kindled against every enemy that is following after my life to destroy my life, attacking my life, fighting my life without stopping, every enemy that will not leave my life alone, Lord let your anger be kindled against them and destroy them without mercy, Lord attack them without mercy in the name of Jesus. Lord every enemy that is so bent on seeing my downfall, let your anger go after them and let them be utterly destroyed without mercy. As they are not showing mercy in attacking me, Lord do not show mercy in judging them, don't show mercy in destroying them. Lord as they are not showing mercy in attacking me, do not withdraw your anger until you have wasted them all, until you have destroyed them all. Every enemy that will not let go of my life, destiny, career, calling, ministry and

marriage, Lord go after them in your anger and don't stop until you have destroyed them completely. Lord don't show mercy, destroy them completely as you destroyed the enemies of Israel, Lord attack them and utterly destroy them. In as much as they will not stop or repent or give up against my life, Lord go after them and do not stop until you destroy them completely.

⇒ There's a level in darkness where a man will reach and the fear of God will be missing and forever lost in the heart of such a man. Sometimes when we pray against the enemy and the operations of the enemy, we need to check our own lives because we are our own enemies unknown to us. More than 90% of the problems in the world are self-inflicted problems. May you never find yourself in such a darkness where you will no longer have the fear of the Lord. If you can willingly commit sin without sorrow it means the fear of God in your heart is dead.

• Father, remove me from every depth of darkness that is killing the fear of God in my soul. Father, deliver me from every depth of darkness that is killing your fear in my soul, that is making me to love sin and unrighteousness, deliver me from every depth of darkness that is making me feel uncomfortable with the truth. Lord, I don't want to reach the level of darkness where I no longer fear and honour you. Oh Lord do not allow me to cross the line into the realm of darkness where I no longer fear you again, do not allow me to cross the line to that point in darkness where I no longer obey you or love righteousness again, where I no longer desire to please you again, Lord do not let me cross the line into that level of darkness, help me Father. Lord, if I have reached that place, deliver me right now, pull me out of such darkness, I want to hear your voice, I want to honour you and obey you always in Jesus' name.

⇒ Place your right hand on your head. I receive deliverance from every darkness that is making false appear as truth to me, that is making what is wrong appear as right to me, Lord deliver me from search darkness. Every darkness that is making righteousness appear as unrighteousness to me, let them be destroyed by fire of the Holy Ghost. Every darkness that is exalting wrong things in my heart, exalting falsehood and wrong things in my heart and demoting right things and what is true, Lord destroy such darkness now. Every darkness making me fall in love with what is wrong, unclean, ungodly and impure, that is making me fall in love with evil and unrighteousness, Lord let your fire consume them now. Every darkness making me not embrace what is right, Lord destroy them right now from my life.

⇒ In the name of Jesus I hand over the affairs of my life to the Lord's control, I hand over the activities and issues of my life to the Lord's control right now. I hand over the issues of my life to the control of the Lord, I withdraw my control, I hand over everything in my life, everything happening in my life, the daily activities of my life. I hand over the events of my life and the situations of my life to the control of the Lord from now henceforth in the name of Jesus. From now onwards, let God have control and let God have his way in the affairs of my life. I withdraw my own wisdom, opinion concerning the issues of my life. I hand over all the affairs of my life to the Lord's

control, let God have control from now onwards in the name of Jesus. I withdraw my own control, wisdom, desires pertaining to the affairs of my life, I now hand over all the affairs of my life to the Lord's control. Let the Lord be my Lord, let the Lord have His way in my life.

⇒ Spirit of the living God, block my ears and heart against every teaching, counsel, idea, opinion, philosophy of men that contradicts the will of God for my life. I ask oh God that you block my ears, heart, mind against every doctrine, initiative, advice of man that contradicts God's will, righteousness, the mind of God; Spirit of the living God block my mind and my ears against them now in the name of Jesus.

⇒ It is possible that in your family background there is an altar of darkness that is controlling the destinies of everyone born into your family or bloodline, that is controlling the destinies of everyone born in your father's house or mother's house that you have no idea about, maybe you know about it.

• Oh God arise in your anger and destroy every high place of darkness, altar of darkness in my father's house, in my mother's house controlling the destinies of every child born into the family, Lord let your anger locate that high place and bring it down, crash it into pieces, grind it into powder in the name of Jesus. Oh God descend upon those altars in your wrath and let every high place, every shrine, every altar of darkness, every idol of darkness in my father's house, in my mother's house, in my father's lineage, in my mother's lineage controlling my destiny for evil, controlling the destiny of every child born into family, oh God of Israel let your anger crush them in pieces, let your anger grind them into powder, destroy them and consume such altars forever. Every altar in my father's hometown, in my mother's hometown, every altar of darkness controlling the destinies of every child in my family including mine, let the anger of God locate that altar right now, locate that place right now and destroy it and grind it into pieces forever in the name of Jesus, Amen.

⇒ Raise up your right hand. I come against everything that God has not planted in my life, let them be uprooted by the fire of the Holy Ghost. I come against everything God has not established in my life, that God has not approved in my life, everything God is not doing in my life, everything that God has not planted, let the fire of the Holy Ghost uproot them right now in the name of Jesus. Everything happening to me that is not of God, that is against the will of God, that does not agree with the mind of God for my life, fire of the Holy Ghost uproot them now in the name of Jesus. I come against whatever is happening to me, my finances, health, marriage, career, calling, destiny, and ministry that is not of God, let the fire of God uproot them. Whatever is happening to my family that is not of God let the fire of the Holy Ghost uproot them now in the name of Jesus.

⇒ I disconnect my life and days from every demonic calendar and I connect my life and days to the divine calendar, to the heavenly calendar. I disconnect my life and every day of my life from now till I leave the earth from every demonic timeline, demonic calendar and I connect my life to the heavenly calendar, to the calendar of God for my life. I connect my life to the program of God for my life, to the program of God for my days, I connect my life with it now in the name of Jesus. I connect my life and days with the calendar of heaven, I disconnect my life and days from the calendar of darkness, from the demonic timeline, from the satanic timeline, I disconnect my life and days the affairs of my days, activities of my days from the calendar of demons, calendar of Satan. I connect my life to the calendar of God. My life will fulfill the purposes of God, my life and days shall fulfill the divine program of God for my life and not Satan's program for my life in the name of Jesus.

⇒ I command the manifestation of the promises of God that were meant to happen to me now, I command them to happen now. I command the manifestation of the promises of God that are meant to happen to me at this point in time, I command their physical manifestation, let them appear now. I command the fulfillment of the promises of God for my present time, for my life, for this very moment, age, time, date, month, year and week that I am in now. I command a physical manifestation of the promises of God for my life for this present hour, present age of my life, let them begin to appear right now. I command the physical manifestation, physical fulfillment of the promises of God for my life to appear right now in the name of Jesus.

In whatever way I have been following my own way and plans, in your mercy Lord reposition me to walk in your own ways where your plans and purposes for my life will be fulfilled.

PSALMS 36:2

⇒ The most dangerous place to be in is darkness, to have your life covered with darkness. The more you are in darkness, the more you will be cut off from God because God has no friendship with darkness. You have to be careful to ensure that your life is covered with the light of God for this is where real life is.

•Place your right hand on your head. Blood of Jesus fall upon me and terminate every darkness covering my life, environment, mind, thoughts, spirit in the name of Jesus. Blood of Jesus fall upon me and destroy every darkness upon my mind, spirit, soul, and body, blood of Jesus fall upon me and destroy them all. Blood of Jesus fall upon me and destroy every darkness covering me, my spirit, soul, body and mind, blood of Jesus fall upon me and terminate them, cut them off, and destroy them now in the name of Jesus. ***I decree by the authority of the Lord in my mouth that every darkness covering your life, mind and spirit come out now in Jesus' name. Every darkness that has swallowed up your entire being, that has filled your entire soul, spirit, body and mind, I command that darkness to lose its hold over your life by the blood of Jesus in Jesus' name.**

⇒ The kind of darkness you are dealing with at this time is a darkness that transforms people to become wicked, ungodly, unrighteous, and enemies of God. That is why you are not supposed to stay long in darkness. I don't know why many Christians when they know they are not doing well spiritually they continue in darkness. You being comforted in that state of weakness in your spiritual life is a failed and fake Christianity. The longer you stay in darkness the more you might not come out of it and the more you will be changed into the enemy of God.

•Place your right hand on your head. In the name of Jesus, I receive fire that cannot be trapped by darkness. I receive fire in my spirit, in my soul, in my body that cannot be trapped by darkness, fire that will make me untouchable by darkness, let such a fire possess me right now. Fire that will make me not to be defeated by darkness, but

for me to be victorious over darkness, I receive it now in the name of Jesus. I receive fire in my spirit to rule over darkness, I receive fire in my spirit to oppress and rule over darkness. I receive fire in my soul and body to rule over darkness, to dominate darkness. I receive fire that will not allow me to be trapped by darkness, fire that darkness cannot touch, quench, trap, I receive such fire into my spirit, soul, and body right now. "I receive fire x 7" that will make me invincible, that will make me too difficult to be defeated, that will make it impossible for darkness to overcome me. Lord, let such fire possess my soul, body, spirit, heart and mind.

⇒The present darkness is transforming people it trapped into something sinful and wicked. It makes it difficult for people to live right and to stop sinning. It changes people to something that cannot please God, but begins to hate God, the will of God, and righteousness.

•Father, strengthen me with your might to prevail and overcome the strength of the darkness of this age. Lord strengthen me with your strength, strengthen me with your might to defeat, crush, destroy the strength of the darkness of this world. Lord strengthen me with your strength for that is the only way I can overcome, prevail and be victorious. Strengthen me with your strength, Lord to overcome the strength of darkness of this present age in Jesus' name.

⇒Darkness has a way of blindfolding people from seeing they are wrong. It can make you feel like how you are living your life is right, how you dress and think, what you do with your body is right. It keeps giving you reasons and suggesting to you that you're not wicked and that you are righteous and pure before God. This darkness makes people feel at home with sin; it makes people feel happy with what is wrong, even that which God hates.

•Father, let every darkness that is making me feel at home with the wrong things, with sin, every darkness that is making me feel comfortable with a sinful and wrong lifestyle, let them be consumed by your fire in the name of Jesus. Every darkness that is painting unrighteousness as righteousness, what is wrong as right, making what is evil good to me, Lord let your fire destroy them now in the name of Jesus. Every darkness that has covered my life, making me comfortable with what is wrong, evil, ungodly, unholy, unrighteous, spiritually death, oh God of Israel let your fire destroy them right now.

⇒Christiana of long ago had a zero tolerance for sin, uncleanness and darkness. But today's Christians are comfortable with sin and find it to be normal and they are not sorrowful or ashamed about it. Whenever you do something that is not right before God you will feel it in your spirit and in your soul that you have offended God, but if you can no longer feel that godly sorrow when you do that is wrong then you are under the possession and influence of darkness.

•Place your right hand on your head. Father, let fire fall and destroy every darkness in my life that is making me feel comfortable with what makes you uncomfortable, with things that offend you, things that you hate, Lord let that darkness catch fire

right now. Every darkness on me that is making me comfortable with things that make you angry and uncomfortable, Lord let your fire destroy them now. Every darkness that is making my body, soul and spirit comfortable with sin, pollution, unrighteousness, Lord destroy them now. Father I want to always feel in me, in my soul your hatred for sin, evil, unrighteousness and darkness, Lord I always want to feel it in my soul, help me God in the name of Jesus.

⇒Darkness blindfolds people. The more you are in darkness the more you will be spiritually dead, the more the eyes of your spirit, eyes of your inner man will be blind. Many are complaining of always seeing the enemy attack or oppress them in their dreams. It is because your spirit is in the realm where the enemy is more powerful. When your spirit is in the realm of God, it will be difficult for you to be attacked in your dreams. The higher your spirit goes in the light, the more difficult it will be for the enemy to attack you in your dreams. If your spirit is in between light and darkness you will be attacked often. The best position your spirit should be is in the fullness of the light of God. That is how it will be difficult for you to be deceived or pressed by the enemy and not to be blind spiritually.

•Place your right hand on your head. Fire of the Holy Ghost, lift up my spirit and soul from the depth of darkness into the depth of God's light in the name of Jesus. Fire of the Holy Ghost raise up my spirit from the depth of darkness into the depth of God's light. It is written that I have been raised up with Christ and that I am seated in the heavenly places in Christ, therefore, Fire of the Holy Ghost lift up my spirit from the depth of darkness into the depth of God's light. Let my spirit and soul be removed from the depth of darkness into the depth of God's light right now in the name of Jesus.

⇒The activities of your soul and mind will determine the condition of your spirit. What happens inside your soul, mind, brain, emotions and feelings will determine the spiritual condition and state of your spirit. The Bible says whenever you are carnally minded you will die spiritually, it also means you will be in darkness because darkness is connected to spiritual death. When you are not carnally minded you will be in God's light or life.

•Place your right hand on your head. In the name of Jesus, I declare an end to every activity in my soul that is multiplying darkness in my life, that is making darkness much stronger than I am, I decree that they end right now. I bind every activity going on in my soul, heart and mind making darkness stronger than me, I decree that they end now, I bind such activities now in Jesus' name. Every activity of darkness in my soul and mind that is making darkness multiply in me, let the fire of the Holy Ghost terminate them now. Whatever my soul does on a daily basis that is making my life sink deep into darkness, let an end come to them now in the name of Jesus.

⇒The more you are in darkness the more you are blind spiritually and insensitive to your spiritual environment. Never think that your environment is what you see with your physical eyes. There's a lot going on in your environment that you cannot see

with your physical eyes. What you cannot see physically is far much more than what you can see. That is why you must be in the light. To be in the light is to have your spiritual eyes open, to be in darkness is to have your spiritual eyes blind.

•Father, let your light come upon my life, let it lighten up the spiritual environment of my life and destiny that I may see what you want me to see, that I may know what you want me to know. Lord let your light fall upon me, shine your light upon me, let it lighten up my spiritual environment, the spiritual environment of my life, lighten up the spiritual environment of my environment, the house where I am living in, where I work, my career, marriage, destiny and calling. Lord let your light fall upon me, let all the spiritual environments of my life, calling and destiny be lightened up by your light right now in the name of Jesus. Lord visit the spiritual environment that surrounds me with your light, lighten them up now in Jesus' name.

⇒ It is possible to have light but it being weak. It is enough when you have the light of God shining in its full strength. It is important that the light that you have is strong because if it is not strong it can be quenched when it encounters stronger darkness. That is why there are some people who have been Christians for a long time, who fast and pray and do a lot of spiritual exercises yet the enemy still possesses them because their light is not strong.

•Father, let your light that is in me begin to shine in the fullness of its strength till I dominate darkness, till there's no darkness left in me. Lord let your light in me begin to shine in its full strength as the sun shines in the fullness of its strength, let your light in me shine in the fullness of its strength now in the name of Jesus till I dominate all darkness, till no darkness is found in my life, or can come near my life. Lord let the light you have placed in me begin to shine forth in the fullness of its strength till it rules over every darkness and dominates every darkness. Let the light of God in me arise and shine in the fullness of strength.

⇒The light of God won't shine in its full strength if you are always in the flesh. It's the flesh in you that limits the strength of God's light. If the flesh in you that is dead is 40%, the strength of the light of God that will manifest in you will be 40%.

•Father I hand over my flesh unto you for destruction, I hand over my flesh, its works, its desires to you for destruction, let me live in the spirit. Lord I hand over my flesh, its desires, works and passions unto you for destruction, and I receive Grace to walk and live in the spirit. Lord give me the Grace to live and walk in the spirit in every day of my life. Lord give me the Grace to walk and live in the spirit all the days of my life. I hand over my flesh, my carnal nature, sinful nature, adamic nature unto you for destruction and I want you to give me the Grace to live and walk in the spirit all the days of my life, so that your light can shine through me in the fullness of its strength to rule over my life and days.

⇒If you are not humble you cannot grow spiritually or in Grace or light, you cannot even see in the spirit. The Bible says God resists the proud but gives Grace to the humble, so to be humble is to help yourself.

•Father, clothe me with the Spirit of humility that I may please you with my life. "Lord clothe me with the Spirit of humility x3". Clothe me oh Lord right now with the Spirit of humility for I want to please you all the days of my life.

⇒God has great plans for your life and so does the devil. Which of these two's plans do you desire to prevail in your life? If the Spirit of God is the one controlling your life then all the plans of God will be fulfilled, but if it is the spirit of darkness then all the plans of the devil will be fulfilled. What will happen to you is according to the spirit that is connected to you, leading you and controlling your life.

•Father, from today onwards let my entire life be controlled by your Spirit, let it be led, guided by your Holy Spirit so that all your plans can be fulfilled in my life in the name of Jesus. Lord, I surrender my entire life to the control of your Spirit, not to the control of anger, hatred, bitterness, unforgiveness, pride and lust. I surrender my life to the control of your Holy Spirit so that all your plans can be done in my life, so that your plans can come to pass. Lord, I surrender my life to the control of your Spirit, I disconnect my life from the control of evil spirits. I surrender to the control of your Holy Spirit, let your Holy Spirit control, direct me, guide me, instruct me, lead me in all the days of my life from this hour henceforth in the name of Jesus.

⇒In verse 2, they didn't know how deceived they were because of the darkness that surrounded them. A lot of Christians have been caught in the web of deception that is why their faith is not working. When you are deceived or in deception, your faith won't produce results, therefore you need to be very careful what you listen to, who you listen to, or what you watch because these are gates of deception. If you get to listen to anything by chance or mistake, do not let it get into your mind, do not easily believe what you have not heard in the Word of God or in the Holy Ghost. It is deception when you don't know that this is deception. Deception means you have believed a lie in place of the truth, whether you heard it somewhere or you spoke it to yourself. It will never come to you as a lie, if it comes to you as a lie and you believe it, even when you knew it was a lie that's an illusion. If you are deceived you will not know except God opens your eyes.

•In the name of Jesus I disconnect my life, my mind, spirit, soul from every darkness that has been deceiving me unknowingly, from every darkness that has been deceiving me that I thought was the truth, I disconnect from them now. Lord deliver me from every darkness that has been deceiving me, deliver my soul from everything that has been deceiving me. Every deception in my life that has not been allowing my faith to produce the results, not allowing my prayers and fasting to work, Lord deliver me from such deception right now in the name of Jesus. Lord deliver me from every darkness that has been deceiving me unknown to me, deliver me now in the name of Jesus.

⇒If the enemy wants to deceive you, he will use a weakness that is in you to deceive you and keep you under deception.

•Father, every weakness in me that is making it difficult to know the truth, that is making deception prosper in my soul, Lord, heal that weakness. Lord, heal every weakness in my soul and in my spirit that is making it difficult for me to accept the truth, believe the truth, that is making it difficult for me to see that the truth is the truth, oh God heal my weaknesses so that deception fails in my life.

⇒ You need to know that God loves you so much and He desires a closer walk with you more than you desire.

•Raise up your right hand. Father, reach out for my hands draw me closer unto yourself, use everything in your power to separate me from darkness, worldliness and draw me closer unto yourself, draw me closer to your heart. Oh God, I believe that you love me, reach for my hand right now, do everything in your power to draw me closer to yourself. I believe in your love, I connect with your love, reach out for my hand and draw me closer to your heart in the name of Jesus. "Oh God of Israel, draw me closer to your heart x 5". I believe that you love me, I believe that you want to walk with me very closely, reach for my hand and pull me closer to yourself, use everything in your power to pull me closer to yourself, to separate me from those things that you do not like and draw me closer to you.

⇒ Father, give me a heart that yields to correction, a heart that obeys when corrected, a heart that surrenders to correction, a heart that follows correction, Lord give me such a heart in the name of Jesus. A heart that stops what you say I must stop, a heart that continues to do what you say I should continue doing. Lord give me a heart that yields to correction, help me to obey when you correct me, help me to obey when I am corrected in Jesus' name, Amen.

What God has said concerning your life, what God has ordained for your life, what He has written and planned for your life, I call it forth into manifestation right now in Jesus' name.

Every arrow of darkness hiding inside your body system that is poisoning your life, every seed of darkness, power of darkness hiding within you, within your spirit, soul and body to kill you gradually, weaken you gradually, to destroy your life, calling and destiny, I command that arrow to jump out by the Fire of the Holy Ghost in Jesus' name. The Lord shall make you better than unbelievers, the Lord shall make you greater than those who don't know Him in the name of Jesus.

Henceforth there shall be a difference between you and those who do not follow the light that you are following because the God of Israel shall glorify Himself in your life and everyone around you shall know that you serve the Lord because the Almighty God shall comfort you, help you and defend you in the name of Jesus. Thank you Father because we know you have answered, in Jesus' name it is done, Amen.
