## **PRAYER POINTS**

⇒. Father, thank you because you love me so much. Thank you because you have lavished your love upon me and by your love I will rise to fulfill destiny, I will rise to become who you have sent me into the world to become. Thank you Lord for your love. By your love, I know I will make progress, succeed and become what you want me to become. Thank you Lord for this love you have for my life in Jesus' name.

⇒. In the name of Jesus, I decree that the will of God for my present time prevail with power. Father let your will be done, your will for my life at this time, in this moment, in this season of my life, Lord let your power bring them to pass. I decree the manifestation of the will of the Lord for my present time, for my present age, even for my present situation, let the will of the Lord manifest now. I call forth the will of the Lord for my present hour to manifestation right now. What God has in mind for my present time, let it come to pass now in the name of Jesus.

⇒. The power that divided the red sea has been made available to us. You might be in a situation whereby the Israelites were faced with the red sea and the forces of the

Egyptians were behind them, but as Moses stretched forth his hand, the red sea parted into two and water stood like walls on both sides and they passed through on dry ground.

•Father, reveal your power in every situation like red sea in my life and let there be a way. As you revealed your power in those days, Lord reveal your power in every situation like red sea confronting me now and make a way for me now according to your great power. As you moved and the red sea was parted into two, oh Lord move now, Lord of hosts move now in my life, in my situation and let there be a way for me, a way for my progress and breakthrough. Father let there be a way for me to possess my possession, a way for my lifting, make a way by your mighty hand.

⇒. Oh Father manifest your great power over my present stubborn enemies and let them all be put to shame. Manifest your great power oh God of heaven and earth over my enemies that have vowed not to leave my life alone, Father show them your power, release your power upon them and let them be put to shame in the name of Jesus. Every work and oppression coming from stubborn enemies of my calling, peace, prosperity and success, oh God manifest your great power upon them and put them all to shame and let all their plans fail in the name of Jesus

⇒. Father from tonight onward let my spirit man begin to access and manifest your authority for great victories at this time. Lord let my spirit connect with your great authority, with the authority that you have over the heavens and the earth, over the visible and invisible things, over flesh and blood, over every created thing, let my spirit begin to operate with such authority from this hour henceforth. The authority that you have over powers and principalities, serpents and scorpions, every devil, darkness and their kingdoms, Lord let my spirit begin to yield such authority from this hour henceforth, Father confere the same authority upon me now in Jesus' name.

### **PSALM 33:6**

⇒. God is the beginning of all things, starting from when the heavens were made, He was there. Even at the end of all things He will be there also.

•Father you are the beginning of all things including my life. You spoke the heavens into existence, so did you also speak me into existence, let your will for my life, the reason for my existence begin to be fulfilled now in the name of Jesus. Oh God of heaven and the earth you are the beginning of time, the beginning of all things, the beginning of days, beginning of every creature including my life, oh God I ask that let your plans for me from the beginning of time come to pass now in the name of Jesus. Lord that which you have designed for my life, let it begin to take place, bring them to pass right now with great power.

⇒. Though God created the heavens and the earth, He is still creating a lot of things even now. He is still speaking things into existence.

•Father, speak into existence all the benefits that my life and destiny requires at this time, speak them to appear by your mighty hand in the name of Jesus. Lord all the blessings and things that I need at this time, speak them into existence because you are the only one that can speak and it will come to pass, you are the only one that can make things happen and they happen as you want them to because all power belongs to you. All authority and dominion belongs to you, so Lord I ask that you speak now concerning my life situation. Oh God of heaven and the earth speak creative words and let miracles begin to happen in my life from this hour henceforth. Creative words that would change my life forever, that would give birth to great glory in my life, calling and destiny; Father begin to utter them into my life, Father do it according to your love and mercy for me.

⇒. God created everything that exists, visible or invisible. The heavens, (not where God is), the devil has taken possession of them all. Satan rules from the realm of the second heaven, he rules from outer space, where you have the planets, the stars, and some other principalities rule from there as well. Before Satan took hold of those realms, God already possessed them because He is the one who created them

•Raise up your right hand. In the name of Jesus, I come against every battle that has risen against me from the heavens, let the fire and the greatness of God fall upon them and destroy them. In the name of Jesus, I come against every battle, every arrow, and attack that has been formed against my life and destiny from the second heaven, from the heavenly places of darkness, let fire from the Most High God begin to fall upon them and destroy them all. Every battle of the enemy, war from the second heaven coming against my life and destiny, let the anger of God, the fire of God, and the greatness of God fall upon them and destroy them right now in the name of Jesus. For Jesus is highly exalted far above principalities, thrones and dominions of darkness, therefore I decree by the authority of Jesus that every power darkness, evil coming against my life from the heavenly places of darkness, let the fire of God destroy them in the name of Jesus.

⇒. Much of the evils that are being done on earth are being authorised from the heavens, places of darkness. They control the affairs of nations and businesses, control people's destinies and they determine what will happen to you each day or hour. If there's going to be accidents, wars, killings and bloodshed, they arrange them from the heavens. Most of the powers and principalities rule from the heavenly places others from the sea. If you do not defeat the powers ruling, from the heavens you might not be able to fulfill your destiny.

•Raise up your right hand. In the name of Jesus, let battle of the Lord of hosts, the battle of the God of heaven's armies descend upon every personality of darkness, upon every prince of darkness, power of darkness controlling the affairs of my life for evil from the second heaven and heavenly places fall upon them and crush them to pieces. Let the battle of the King of Israel descend upon every personality of darkness troubling the affairs of my life and destiny, personalities of darkness influencing my life for evil, let them be crushed to pieces. Lord arise in your fire, in

your anger and descend upon the personalities of darkness and princes of darkness, powers, rulers of darkness that are controlling and oppressing my life and destiny, oh Lord of hosts fall upon them, consume them all.

⇒. There are realms invisible to the human eye. There are visible realms that have been made invisible. These realms are so real and physical though you can't see them because most of them are in the heavens realm on this earth. There are physical places on this earth which are invisible to the eyes of men. Those places are here on earth but they are behind the shadows, they are invisible to you. Just as you cannot see the waves of the internet but they are there, that is how these realms are, the kingdoms of darkness.

•Raise up your right hand. In the name of Jesus, I come against every realm of wickedness that is channeling evil, destruction, sickness, disease and weaknesses into my life, let the anger of God fall upon such realms and consume them all. I come against every realm of spiritual wickedness in the heavens, on earth, under the earth that are projecting evil into my life, career, body, soul and spirit, let the anger of God fall upon them and consume them all. Let the anger of God fall upon those realms and destroy all the operations of darkness going on against me now in the name of Jesus. Every invisible realm of spiritual wickedness channeling evil into my destiny, let the anger of God fall upon you all, let the destruction of the Lord come upon you and destroy you all.

⇒. He who is from above, is above all means that forces and kingdoms that operate from heaven are the highest kingdoms because they can easily influence, control and destroy everything under the heavens. If you're going to defeat principalities and powers, you must also go to the realms where they are and fight them from there. We have an advantage because we are seated together in Christ in the heavenly places which means we are also in the heavens and the heaven where Jesus is, is above the heavens where the princes of darkness are.

•Raise up your right hand. Lord Jesus let me be awakened and translated to the realm where you are and operate from that heaven, that I may rule together with you over powers and principalities. Lord Jesus let my spirit, soul and body be awakened to the realm where you are seated in heaven, the realm that is above principalities and powers, above Satan and kingdoms of darkness, Lord let me be translated into that realm that I may have dominion over all the forces of darkness, powers and principalities in the name of Jesus.

⇒. Because God is the one who created the heavens, He can use the heavens against those who are ruling from there. There are powers of darkness which can determine whether it rains or not, because they have taken possession of the realms where rain falls from. These powers can do a lot of things because God has permitted them but God can use those things or places they are occupying against them because He created those places or realms.

•Father you rule over the heavens, therefore turn the heavens over the powers oppressing my life and destiny, turn the heavens against the principalities ruling from the heavens, turn their habitation against them. Lord because you created their habitation, you spoke these realms into existence, therefore because of my life and destiny, because I am your child turn these realms against them now in the name of Jesus. Turn their habitation against them and let them be frustrated, confused and let them be defeated in the name of Jesus.

⇒. As a child of God you have a divine potential or ability to travel in the spirit because by redemption(salvation) you became something higher than human. God changed you into something greater than a human being and you have to believe that because the Bible says that which is born of the flesh is flesh but that which is born of the spirit is spirit. If God is a spirit and He gave birth to you again, then you are spirit. Born again means God gave birth to you again. As a spirit you can move as a spirit and can be in many places within seconds in your mind. By just thinking of those realms, you are there, that's how spirit operates; they move at the speed of thoughts not at the speed of light. By this reality you can move to where they are controlling your destiny from and fight them. But there must be a transformation that must happen to you, you must become spirit. There's a depth that you will go in God whereby there's no longer spirit, soul and body but you will be just spirit. All that you are is now spirit, at this level you can make war and win speedily.

•Father because you have given birth to me again, let my life be transformed to a spirit like you that I may fight and win battles in the heavens. Lord I have been redeemed through Jesus therefore change me to become a spirit like you, let my body become a spirit like you, let all of me be transformed to become like you that I may enter into the realms of heaven and make war and overcome in the name of Jesus. Lord I seek for this transformation, Lord of hosts command this transformation in my life in the name of Jesus.

⇒. There are things that you need to know concerning your eternal destiny not here on earth only but to where we are going from here. There are different compositions of a spiritual being. There are some spirits that do not have bodies, and there are spirits that have bodies. A spirit can have a body and that body can still be invisible. The fact that something is a spirit does not mean it is not physical, the angels in heaven have bodies and they are physical. When something is a spirit doesn't mean it's not physical it's just that the physical part of it is still invisible to the human eye that's a kingdom fact. Just because you cannot see a spirit doesn't mean it does not have its own body, which means you as a Christian have a spiritual body which is greater than your physical body. That is the body by which you will enter heaven, Apostle Paul on rapture said we will put off the mortal body and put on the incorruptible one. Your body can become a spiritual body that is a spirit. When your body is spiritual, your body will react or discern evil around you, some people you won't shake hands with because your body will tell you they are agents of darkness by just looking at them.

•Place your right hand on your head. Father let my spiritual body in Christ Jesus begin to find expression in my physical body from this hour henceforth that I may begin to discern the realm of the spirit even with my body. Lord let my spiritual body in you, begin to manifest in this physical body of mine that I may begin to discern the operations in the spiritual realms physically in the name of Jesus.

⇒. There's a connection between you and the stars in heaven and the enemy can manipulate your destiny from the stars in heaven.

• Father let every demonic programming that has been done to stop my destiny from being fulfilled on earth be terminated right now. Every evil programmed from the heavenly realms against my destiny, calling, ministry, breakthrough, success and progress, let the fire of the Holy Ghost begin to destroy such programming right now in the name of Jesus.

⇒. The Lord is showing me that some of you came into this world with an evil. When you were given birth to, that someday some evil was given birth to as well. For example, when light is given birth to, darkness is also born on that same day. Things are not going as they should or as God planned it from the beginning because of this evil.

•Raise up your right hand. In the name of Jesus, I decree eternal destruction upon every evil that was born on the day I was born to stop my destiny fulfillment, let such evil be destroyed now. I decree eternal destruction over such evils now in the name of Jesus. Let destruction from the Lord consume them, let eternal destruction fall upon the evil which was born on the day I was born to stop my destiny fulfillment in the name of Jesus.

## VERSE 7

⇒. God is so great that He set boundaries for things that by nature break boundaries. Naturally the sea is not stable like a river is, the sea rages and breaks boundaries, so God set boundaries on them. This means that there is no force or rage of darkness that God cannot control including everything the devil is doing from the governments of nations. The fact that the government has declared a policy to be followed by the nation doesn't mean that it has come to stay. No matter how much darkness and stubborn forces have been raging, God can control them whether they like it or not.

•Raise up your right hand. Almighty God, let your mighty hand set eternal limitations upon every raging darkness that is after my life, coming after my life to destroy it, let your mighty hand set eternal limitations upon them. Every raging battle of darkness, every rage of darkness coming like the sea against my calling and destiny, rage that has vowed to destroy my life and destiny, Lord let your mighty hand set eternal boundaries on them and their operations so that my life is delivered. Every rage from the kingdom of darkness that is coming against my life forcefully to destroy, steal and kill, oh God of heaven's armies, oh Lord of hosts let your mighty hand set eternal limitations upon them, let them be caged by your mighty hand in the name of Jesus

so that my life and destiny remains indestructible because nothing is impossible with you.

⇒. This also means that whatever the devil has been doing continuously is not supposed to continue. Whatever is going on in your life and it's confirmed that it's not of God but of the devil, that thing is not supposed to continue forever. Anything that God has not authorised or approved in your life is not supposed to continue forever. If it continues it's because you have allowed it because you have not come to a point where you say enough is enough. When you say enough is enough, heaven will put a stop on it because it is not the will of God for that thing to continue. The enemy will continue to oppress you if you just look at your life and feel sorry for yourself and say this is how things have always been.

•In the name of Jesus, I decree right now, by the authority in the name of Jesus, a permanent stop upon every operation and activity of darkness going on in my life successfully for many years. Every operation and activity of serpents and scorpions, of demons, marine spirits that have been going on successful in my life, I decree right now with the authority of the God of Israel, let an end come upon them. Every operation of darkness going on in my finances, let a permanent stop come upon them now in the name of Jesus. Whatever the devil has been doing and continues to do in my body system, spirit, soul, mind, and brain, I declare right now a permanent end in the name of Jesus. **\*I decree over your life that everything the devil is doing and continues to do in your life for many years and has been succeeding at it, let an end come upon them all right now in Jesus' name. I command that flow of evil to cease right now in the name of Jesus.**

⇒. There are some excesses in the lives of many Christians. Things which are not supposed to be done in excess, even things which are not supposed to be done at all are done in excess. The things which we are supposed to be doing so much, we are not doing them. But things which have nothing to do with heaven or the will of God is what we are so busy with all our lives. Some people talk too much, others think too much of ungodly things, so you need to put a boundary on things.

•Raise up your right hand. Father put a permanent stop upon every ungodly unrighteous excess in my life, put a permanent stop to every incontinence. Lord put a stop upon every ungodly thing that I am always doing, a stop upon every incontinence in my behaviour, talking and thinking, put a permanent stop upon them now in the name of Jesus. Every ungodly spiritual excess, things that I do in the flesh not in the spirit, things which are not Holy Spirit inspired but are self inspired, Lord put a permanent stop on those things. Father, stop every unrighteous excess.

⇒. God has a way of ending things because he created them and also the voice of the Lord (Word of the Lord) is inside everything that is existing. The Bible says everything is held together by the Word of His power and that is how He will put a hold to the sea that is raging. When God judged the world with the flood, He just took off the boundaries from the water bodies and the world was charged. There is God in

everything and He can control those things inside them including demons and Satan because He created them, He knows their codes and how to stop them. God can stop evil from inside evil itself.

•Father I know that you are in the middle of my negative dark situation, oh God manifest your power in the midst of this darkness and let me be delivered. Lord I know you are inside everything you created, everything that exists because you created them, therefore begin to move against every situation that surrounds me and are negative, oh Lord manifest your power in them right now for my deliverance. In the midst of things, sicknesses, diseases, darkness, pain, troubles, weaknesses, addictions, suffering, hardship and poverty you are there. Lord I ask that you manifest yourself from the midst of these things and save me.

⇒. If you are having problems with addictions God can lock it up, He can destroy the strength of your sin addictions. There are things which are good but man has turned it into evil because of addictions. Man has lost self-control and continues doing these things and eventually is unable to stop and that becomes an addiction. When self-control is removed from life, that is when you become addicted to many things.

•Father, you are the one who locked up the oceans in their depth, put a permanent lock on every flow of sinful addictions in my life. King of Israel, lock up everything or pleasure that has become an addiction in my life that I may be pure, sinless and righteous. Father deliver me, God of Israel deliver me from every sin addiction, lock them up forever in Jesus' name.

⇒. Pleasure has killed many believers, because pleasure produces spiritual deadness. Some of these pleasures are bad some are not, even those which are not bad have killed many people because man has given himself over to these pleasures. There is a way both the good and the bad pleasures become evil when you have given yourself over to them and become addicted to them. Pleasures of sex drinking strong drinks, pornography, telling lies, watching TV, playing games, eating etc, when you're dead spiritually it is easy for you to die physically.

•Father, deliver me from every pleasure that I have given myself to, that I have lost control over, that I have allowed to control my life. Lord deliver me from every pleasure that I have allowed to rule over my life that I have allowed to rule over my emotions, you are the one who locked up the oceans, Lord, lock these pleasures up forever and let them not be able to have power over my soul in the name of Jesus, help me Father.

## **VERSE 8**

⇒. This fear of the Lord is missing in the body of Christ today. For some people God has become their servant or their mate, they don't fear God at all. People are willingly sinning against God without any remorse, willingly disobeying God without being sorrowful because we have lost the fear of the Lord in this generation. And there is no more repentance because people see sinning as normal.

•Father put upon me the Spirit of the fear of the Lord that I may fear you, honour you, please you and repent of my wrongdoings. Lord give me the fear of the Lord that I may hate sin, uncleanness and righteousness that I may love you forever, please you in everything I do beginning from my thoughts, my words and actions. Father give me the fear of the Lord for it is the beginning of wisdom. I want to fear you, I want to hold you in reverence and in awe in the name of Jesus.

⇒. The reason why our generation does not fear God anymore is because we live in the flesh not in the spirit. If you live in the spirit you will naturally fear God because the Holy Spirit gives that fear of God naturally. Until you stop living and walking in the flesh, you cannot fear God.

•Father, I choose to live in the spirit, deliver me from the bondage of the flesh, oppression of the flesh. Lord take me out of the flesh for me to overcome the flesh, help me to deny myself, to kill the flesh that I may live and walk in the spirit. Help me Lord Jesus, from today let the flesh begin to fail in my life, let it never succeed over my soul. Every sinful passion that flows through my body and mind, oh God put a permanent lock up on them in the name of Jesus.

⇒. The reason why we are afraid of the devil, darkness and all that the devil is doing is because we are not afraid of God. When you do not fear the Lord, you will fear the devil automatically and you will be afraid of all that the devil is doing against you. The righteous are as bold as a lion, when the ungodly are running for their lives, the godly will stand and nothing will happen to them because they fear the Lord.

•Father, give me the spirit of the fear of the Lord that I may be as bold as a lion in the battles that confront me, that I may be fearless in the sight of the devil. Lord give me the spirit of the fear of the Lord that will make me a fearless warrior, that would turn me into a fearless soldier. Give me your fear so that I will not have fear of anything else in the name of Jesus. Help me to fear you because I know your fear will destroy the fear of the enemy, give me your fear oh Lord in the name of Jesus.

⇒. God will always command His fear. We should fear Him now so that when a call comes to command His fear we will not be destroyed. God will always be feared whether we believe it or not and when God begins to come to command that fear, that's when He will move in a terrible way and judge the nations that's when He will kill people (some think God doesn't kill but He does, read how He stirs up nation to come up on another nation, it's there in the scriptures).

•Father, help me to honour and obey you with my life so that I will not be consumed in the day of your wrath. Lord help me to obey and honour you now so that I will not be consumed in the day of your wrath and anger when you come to judge the nations. Help me Father to honour you, please you and obey you now before it's too late in the name of Jesus, Amen.

Every human agent of darkness that is standing at the point of your breakthrough to say no to your breakthrough, I decree, let the hand of God be stretched forth against such a human agent and that the hand of God uproot such a person from your way now in Jesus' name.

When the whole world are saying that there is nothing no food, no money, and no solution, the Lord shall visit you and you shall not speak their language but you shall begin to say there is money, there is surplus, there is plenty, there is miracles and blessings, and so shall be your testimonies from now henceforth in Jesus' name.

I come against every power of darkness from the depth of the sea that has vowed to cause your downfall and defeat, I decree right now that the anger of God fall upon them and destroy them all in Jesus' name.

I come against every instrument that is being used in the dark kingdoms to manipulate and control the affairs of your life against the will of God, I decree that right now, let that instrument catch fire and be destroyed forever in Jesus' name.

Every battle that your parents fought and could not win and now they have been transferred over your life for you to fight. I stand as the servant of the Lord and I decree an end over those battles now in the name of Jesus.

I come against every generational disease, sickness that is prevailing in your bloodline. People in your family always have that disease, but because you are connected to this prayer line, I decree right now that the fire of God terminate the flow of that disease in your life right now in Jesus' name. I remove your name from those that must die from that disease. You are removed now in Jesus' name and such disease is dead forever in your life in Jesus' name.

I come against every opening, portal through which the devil comes to poison you at night, let the fire of God close up such a portal right now and forever in the name of Jesus. Thank you Father because we know you have answered, blessed be your Holy Name, in Jesus' mighty name it is done, Amen.

## PRAYER POINTS

⇒. Father, thank you for great benefits, blessings, promises, plans you have in store for me in your mind. Father, I thank you because you have great benefits for me far beyond my understanding, my expectations and my imagination. You have great plans, benefits, miracles, increase and prosperity for me. You have good thoughts for me, thank you Lord for the many things you have in your mind for my life, calling and destiny.

⇒. Father, let an end come to every flow of evil in my life, to all activities of demons and darkness, to everything the devil has been doing in my life for a long time; Lord put an end to them tonight by your mighty hand. Oh God of heaven and the earth, Lord of hosts put an end to the flow of evil, to the success of evil, prosperity of evil in my life. Lord everything the enemy has been doing in my life successfully for years, Lord I ask that you end them tonight and let them never continue again, they have continued enough. I declare that enough is enough in all that the enemy has been doing and has done for many years. Lord terminate all that the enemy has been doing in my career, finances, calling, destiny, ministry, marriage and in every part of my life, Lord let an end come now in the name of Jesus. **\*I decree that all that the enemy has been doing continuously against you, let an end come upon them now in Jesus' name.**

## PSALM 33:9

⇒. God has the final say and authority in every situation and the devil has no final say at all. Which means that there is nothing that can defy the commands of God, no situation, no darkness, principality or devil can disobey the command of God. Except God decided to keep quiet and withdraw Himself, the devil cannot always continue to prevail. As long as God is ready to do something in your life that means things will never remain the same. Do not be deceived by what is happening in your life for years because they are not permanent

•Father, let the authority of your Word produce miracles in my life that will change my situation and turn my life around. Lord because you have spoken concerning my life, let your Word, the authority of your Word produce miracles in my life. There is nothing greater than your Word, your Word is the final authority therefore I ask, let your Word begin to produce miracles in my life from this hour henceforth. Everything you have said and written in the scriptures concerning my life, destiny, present situation oh God, let them begin to produce miracles now and let my life be a living testimony of the wonders of your Word, a testimony of the mighty miracles your Word has done.

⇒. The Word of God carries power to create things that are in the will of God.

•Father, according to the authority in your Word, let all that I need in my life, calling, destiny, ministry, situation and career begin to appear, to take shape from this hour henceforth in the name of Jesus. Everything I need to succeed, prosper and move forward, Lord by the authority in your Word, let them begin to take shape, to appear in the name of Jesus.

⇒. Father let each day of my life be filled with benefits from your throne beginning from today that I will lack nothing in each day of my life. Lord let each day of my life be filled with benefits from your throne so that before I begin to have a need, that need is already supplied; before I think about what I need, you have already provided. Lord I ask for outpouring of daily benefits in the journey of my life from today onwards in the name of Jesus. Father, fill each day of my life with benefits from your throne, divine blessings that I will walk in the manifestation of my inheritance in you, so that all that belongs to me for this journey of my life is provided for.

⇒. When God spoke, life began.

•Father, by your mighty hand activate the beginning of manifestations of your promises for my life, Lord command them to begin. Father let there be a beginning of a new dawn, the beginning of manifestation of glory, greatness, success, prosperity, great increase and great achievements, Lord command their beginning by your power and authority. Let my success, victories, progress, the fulfilment of my calling and destiny begin in the name of Jesus. Lord, authorise that help and favour, let them begin to come, command it from your throne. Activate the beginning and fulfilment of your great plans for my life in the name of Jesus.

⇒. As great and beautiful the whole world is now, it was the Word of God that gave birth to the world. The Word of God is the raw material by which the world is created, everything on earth was formed. He commanded and all appeared, the existence of the world appeared.

•Father by your mighty hand, terminate, uproot and destroy everything that has formed in my life that is not according to your will, everything you have not created or planned for my life, that is taking form in my life but against your will. Father everything that is taking place, taking root in my life that is not according to your original plan for my life and destiny, oh God of Israel by your mighty hand, uproot, destroy and remove them. Everything that has formed in my body, soul, spirit that is against your will oh Lord of hosts, uproot and destroy them now in Jesus' name.

⇒. Father let your fire remove from my life every pollution of darkness that is changing my life into another thing. Every pollution in my body, spirit and soul that is working to change my life into something different from your original plan, Lord let your fire remove such pollution in the name of Jesus. Every mixture of darkness in my life, pollution of darkness in my life that is making me behave differently, trying to change me into something else, Lord let your fire destroy such pollution, let it be flushed out of my life in the name of Jesus.

⇒. One of the missions of the kingdom of darkness is to alter the original creation of God. Everything that God originally created was perfect and good. The kingdom of darkness would flood those things and they will start changing them to become distant from what God created them to be. They are human beings that have been changed into something else by the enemy, that is why you see some humans behaving like animals, that is the pollution of darkness.

•Place your right hand on your head. In the name of Jesus, let the fire of the Holy Ghost manifest upon me to destroy every flood of darkness that has entered into my life, to alter my original nature in God, let fire destroy them. Every flood of darkness that has penetrated into my body, brain, mind, emotions, feelings, spirit, soul to alter the original nature of God in my life, let such darkness catch fire right now. Every darkness that has entered my life to change the originality of God for my life, let fire enter and consume them now in the name of Jesus, let the fire of the Holy Ghost destroy them now.

⇒. To change the destiny of people to something else they use the weapon of demonic possession. They possess the victim and begin to control that person. It's a lie that Christians cannot be demonic possessed, they are the highest number of people suffering from demonic possessions because the devil is against Christians that is why he is attacking Christians more than any other person in the world. Christians get possessed of the devil when they open the door and the devil comes in. Some things which most of us don't take seriously are opening doors for demonic possessions. Watching worldly movies, movies that are not godly or biblical, when you begin to watch them, they open the door for demonic possessions. Some things

look simple but they open doors, and you need to get rid of those things so that the demons won't come in.

•Place your right hand on your head. Father, every door that I have opened for demons to enter into my life and begin to control and manipulate my destiny, oh Lord let them be permanently closed in the name of Jesus. Father, I ask for permanent closure for every door that I have opened for the enemy to work, to sit in my life and begin to control and manipulate my life and destiny, Lord of hosts, let those doors be closed right now by fire. Every door I opened for the devil to enter into my brain, emotions and feelings to manipulate and control my life negatively, let those doors be closed forever in the name of Jesus.

⇒.Conflicting thoughts are a symptom of demonic possession, where your mind is under attack and the devil puts all manner of thoughts into your mind at the same time. When you finish thinking of one thought another enters and you cannot stop thinking and these thoughts have nothing to do with the kingdom of God, righteousness, faith, peace or joy. If your mind is not at rest throughout the day and you have a lot of things to think of, you are depressed, that is a sign of demonic possession and there's no peace in your mind.

•Place your right hand on your head. In the name of Jesus, I come against every darkness that has possessed my mind and is influencing my thoughts pattern with evil, let fire arrests and destroy them. In the name of Jesus, I refuse to be oppressed by the devil, to be controlled by the devil. My body belongs to Jesus, my soul belongs to Jesus, my mind and spirit belongs to Jesus, I will follow only the leading of the Holy Spirit, I will follow only the control of the Holy Spirit. Every darkness possessing my mind to control me against righteousness, peace and joy, against the will of God, let fire arrest and destroy them now in the name of Jesus.

⇒. In the lives of most of us, we should be celebrating a lot of great victories and blessings by now but we haven't seen them because of some strangers which have joined the journey of our lives. You're not the only one in the journey of your life but strange personalities have joined themselves with the journey of your life, though they were not created for such. They merge with you so that you do not fulfill the purpose of your existence.

•Raise up your right hand. Father let your judgement fall upon every strange being, personality, creature that has merged with the journey of my life to stop me from fulfilling destiny. To ensure that good things and victories do not happen, blessings do not come upon my life. Every stranger that has merged with my life to alter your plans and purposes for my life and destiny, let there be separation by fire, according to your anger, wrath and judgement, separate such darkness from my life forever in the name of Jesus.

⇒. There is an operation of the kingdom of darkness that turns light into darkness in the hearts of Christians. When you read the Word of God or hear the Word of God it

does not make sense neither does the Word touch you or move you, that is darkness. Years back people would be changed, convicted, influenced, repent and transformed their lives and actions whenever they heard the Word of God. If you no longer feel convicted when you hear a message that should bring you to conviction, then there's a great problem with you.

•Father let your fire destroy every darkness that is turning righteousness into unrighteousness in my life, turning light into darkness, making me not to receive the Word, believe or obey the Word of God, Lord let your fire destroy such darkness now. Let every darkness that has taken possession of my mind, soul, brain, killing the entrance of the Word and light of God, killed everything that has to do with the Kingdom of God, oh God of Israel, deliver me from such darkness in the name of Jesus. Every darkness that has taken possession of my life causing me to have hatred for things that are true, things that are right, godly and pure; oh God of Israel deliver me from such darkness in Jesus' name.

⇒. When God spoke, everything began. Everything appeared the way He commanded it. Nothing happened differently from what He had commanded. It is possible that your life is below divine expectation. God created you with a divine expectation for your life and even for this present time. There is a level you are supposed to have attained according to the divine expectation for your life but it may be that your life is still below God's expectation.

•Father, I do not want to be below your expectation for my life. You have a divine program for my life, oh Lord help me in your mercy and lift me up to the level I should have attained by now. Lord I refuse to fall below the divine expectation of my life, Lord have mercy upon me and lift me up to the level you want me to be in my spiritual walk with you, let me attain that height in the realm of wisdom, revelation, knowledge, and understanding; Lord according to your mercy, lift me up to that level. What you had in mind before sending me into this world, I want to accomplish it all, help me by your mercy, upgrade my life to align with your divine expectation for my life.

⇒. Many Christians are below the divine expectation of heaven for their lives because what they desire is opposite of what God desires for their lives. They have chosen a different path, opposite the path God chose for their lives. And because of this they can never attain divine expectation. Though you believe that you are following God's desires but the way you are living, or not trusting God makes it impossible to attain that expectation

•Father let your will and desires become my will and desires and let me begin to understand your ways that I may walk therein. Lord let your will and desires rule over my will and desires, help me to understand your ways that I may walk in them, help me find the path that will lead to fulfillment of my destiny. Remove me from the path I have chosen and help me to find the path that I must follow that will lead me to destiny fulfillment, lead me to meet up with divine expectation for my life. Help me Lord Jesus to find the path to greatness and victories.

⇒. Only Him, who has made and created us, can heal us, fix our lives and deliver us. When a product has a fault we take it back to the factory so that it can be fixed.

- Father you are my creator, the maker of my life, the designer of my destiny, I come to you, Lord fix my life to look as you want it, fix my destiny to appear as you designed it. Lord this is my life, you created my days, you designed my life, you have made me, oh God fix, correct, mend and heal my life and let me become the person you created me to be. Every error and fault that must be corrected and mended, Lord do them now so that I can fulfill my calling and destiny. Lord fix my life, body, soul and spirit, fix my way of life and every aspect of life that is out of place, let it fall back in place. Everything that is disorganised let it be reorganized by your mighty hand because only you can fix my life to look the way you want it.

⇒. Raise up your right hand. Father let your anger come upon every power of darkness, creature of darkness that is attacking the fulfillment of my calling and destiny, let your fire consume them all right now. Let your power fall upon every power, principalities, dominion of darkness, ruler of darkness, agent of darkness that is attacking the fulfillment of my calling and destiny, let the anger of God consume them now. Every realm of darkness, that is busy day and night to see my downfall, waiting for my downfall in my life, calling and career, let the hand of God begin to waste them. Every power of darkness attacking the fulfillment of my calling and destiny, let the fire of the Holy Ghost, anger of the Lord destroy them all in the name of Jesus.

⇒. When He spoke, all things began. God is the beginning of all things, nothing began or exists without him. He is the beginning of all things meaning that His spirit follows everything he created; it will watch over them, monitoring all His creation.

- Father, every power that is turning the things you created against my life, every spirit turning the things you created against my life, Lord arrest and destroy them. Every power visible and invisible, living and nonliving, powers manipulating created things against my life and destiny, oh God arrest and destroy them right now in the name of Jesus.

⇒. There are certain things that God will end in your life, by ending meaning that He will take His life out of those things and they will cease to exist.

- Father everything that must die in my life for me to rise to become who you created me to be, Lord right now destroy them, begin to take their lives. Everything invisible and visible, that must cease to exist so that I can fulfill destiny, oh God of Israel by your mighty hand, begin to take their lives. You are the beginning of all things therefore you can end these things so that my life can rise to fulfillment and to beauty, Lord Jesus begin to end their lives in the name of Jesus.

## **VERSE 10**

⇒. Any nation that is against the will of God, whatever they are doing in that nation that is against the will of God, will frustrate their plans. You are going to pray for your nation, your country.

•Oh God arise and frustrate the plans of the wicked going on in this nation, in this country of mine, terminate and destroy their plans. Arise oh God in your anger and begin to destroy every plan of agents of darkness, rulers of darkness, territorial personalities of darkness in this nation that I am in, arise and crush their plans into nothing and let their plans become nothing and fail. Every plan of the devil, of agents of darkness, let them begin to fail, let them be frustrated in Jesus' name.

⇒. Father let the plan of evil men and women against this nation be thwarted, let their plans begin to fail, all that they have completed and they are waiting for it to succeed and come to pass, Lord turn those things upside down. Oh God let the plans of evil men and women against the peace, health, prosperity and greatness of this nation, Lord let their plans begin to fail in the name of Jesus. All the wickedness they have planned and conceived waiting for it to be birthed, oh God before they succeed, let their plans crash into pieces in the name of Jesus. Let their plans be destroyed before they have their way in Jesus' name.

⇒. There are kingdoms of darkness behind the governments of nations. Rulers of darkness mentioned in Ephesians 6, some of them are rulers and governors of nations. There are these personalities in the positions of power, though some are not humans but demons in the flesh. You know that a nation ruled by demons is going down to hell.

•Raise up your right hand. Father let your anger be kindled against every ruler of darkness and every kingdom of darkness that is controlling the government system of my country, let them be destroyed. Every ruler of darkness, prince of darkness, personalities and kingdoms of darkness that are controlling the affairs of the government of my nation, Lord let your anger waste and consume them right now in the name of Jesus. Every demonic personality that is controlling the affairs of other nations against righteousness and the plans of God, oh God let your anger fall upon them and destroy them in the name of Jesus. Every demon in the flesh taking positions of the government in my nation to destroy the plans of God, let the anger of God destroy them now in the name of Jesus.

⇒. There are some nations in the world that are against the Kingdom of God; they don't want the kingdom of God, the gospel of Christ to succeed and prosper. These nations are anti-Christ, anti-gospel and they are enemies of Jesus Christ.

•Father let your judgement arise against every nation attacking the Kingdom of God, and your gospel, let them be confounded and let their plans begin to fail. Every nation that has become anti gospel, anti Jesus, let the judgement of God fall upon them in the name of Jesus. Every nation that is fighting the advancement of the Kingdom of God on earth, fighting the prosperity of the gospel of Jesus Christ on earth, fighting against the will of God from prevailing on earth; let the judgement of

God fall upon such nations now. Let the hand of God humble those nations and let them see God and bow in the name of Jesus.

⇒. Apart from physical nations, there are invisible realms of darkness and kingdoms of darkness that are against God; they are enemies with God.

•Raise up your right hand. Father let your anger descend upon every kingdom that is against your Kingdom, against every kingdom working tirelessly against your throne, your will and righteousness, let your anger destroy them all. Every kingdom of darkness in the second heaven, on earth, under the earth; Lord let your anger come upon them and destroy them. Every invisible realm of darkness where they are mobilizing forces against the church of God against your plans and purposes on earth, oh God let your anger fall upon such realms and kingdoms, let them be destroyed forever in the name of Jesus.

⇒. Sometimes God will not stop the enemy while he is cooking up his plans but God will show up suddenly in the midst of the enemy carrying out his plans, and crush their plans.

•Father, do not allow the plans of the enemy to continue to prevail in the nations of the world, oh Lord manifest quickly and destroy their schemes. Lord appear suddenly, manifest suddenly and stop them in the name of Jesus Christ. Oh God of heaven and earth, every ongoing plan, actualization of the plans of the enemy, oh Lord, do not let them succeed, oh God of Israel manifest quickly, appear suddenly and terminate their plans in the name of Jesus. Every project the enemy has started to accomplish, oh God do not allow the enemy to succeed, appear in the midst of this project and begin to destroy their schemes in the name of Jesus.

## **VERSE 11**

⇒. Father by your mighty hand, enforce your plans to be fulfilled in my life by your mighty hand, enforce the fulfillment of your plans and the purposes of my life irrespective of the forces of darkness attacking that fulfillment. Lord lay your hands upon my life and enforce your plans to come to pass. Oh God, enforce your plans to prevail in my life over every other plan. Enforce your plans to come to place in my life in the name of Jesus.

⇒. Father by your mighty hand, remove every limitation that is hindering the fulfillment of your plans in my life. Every limitation blocking the fulfillment of your plans for my life, Lord let such limitation be destroyed by your mighty hand in the name of Jesus. Let such limitations be terminated and broken forever in the name of Jesus.

⇒. God is determined to bring His will to come to pass in your life.

•Father have mercy upon me, upon my life and let your intentions be done, do not change your mind concerning my life, Lord let your intentions be done . In the name of Jesus, oh God of Israel, have mercy upon my life, destiny, calling and let your

intentions happen. What you have in mind before I was born, what you had in mind do unto me Lord, do not change your mind but according to your mercy let your intentions for me, your decisions and determinations for me, Lord do them; do not consider my wrong doings, do not change your mind and let your intentions come to pass in my life in the name of Jesus, Amen.

⇒. Raise up your right hand. Father let heaven rain fire upon every work of the devil that is troubling my life and destiny and let them be consumed, for it is written that the Son of Man is manifested to destroy the works of the devil. them. Every work of the devil going on in the atmosphere, in the sea, in the second heaven, wherever the work is being done against my life, calling, destiny and marriage, let fire rain upon them and begin to destroy them right now. ⇒. I saw that there is a hand confusing your journey of life. Your life is not coordinated or organised. You are like someone who has no bearing, no direction and no focus at all, this is an operation of the devil. When you don't even understand where you are going or how to reach your destination. Some may understand but not know why you are not doing what you're supposed to be doing to get there.

•Father let your flaming sword cut off every evil hand confusing the journey of my life, making me to go in a negative direction contrary to your will for my life. Every hand of darkness confusing the journey of my life, every demonic hand manipulating the journey of my life, making it to go the opposite direction of the will of God, let the sword of the Lord cut them off, let such hand receive destruction from the Lord. Every operation of the devil going on to turn the journey of my life opposite to the will of God for my life, let such operations catch fire right now. Lord let your fire consume every work of darkness going on in the realm of darkness to ensure that I am not organised, coordinated, I do not follow the direction you want for my life, oh God destroy such operations now in the name of Jesus.

⇒. Father let your name be highly glorified in my life, let your name be highly honoured in my life, be highly exalted in my life such that even the unbelievers will come to bow unto you, at the appearance of such glory. Lord let your name be highly honoured, highly celebrated, highly exalted and glorified in my life, career, calling,

ministry, marriage, and destiny such that the nations of the earth will come to serve you, at the sight of your glory, such that nations will see your glory and will come to honour you, people will see your glory and will come to worship you. Father let your name be highly glorified in my body, even in my soul and spirit. Let your name be highly exalted and glorified in my career, marriage and calling, let your name be highly glorified so that the people will see will see and come to worship you, such that people in darkness will see your wonders and will come to honour you in my life, they will come to worship you Lord, let your name be highly glorified in the name of Jesus.

⇒. There is a spiritual gift that God wants to give you, though you think you already have that gift but you do not have it in its full package.

•Raise up your right hand. Father the spiritual gifts you have determined to give me in this season, to pour out upon me in this season, oh Lord I am ready, I open up my life, let it come right now in the name of Jesus. Lord my spirit is open, my soul, body, life and ministry are open to receive the fullness of that gift that is so important to my manifestation in calling and destiny, that is important to my rising in calling and destiny, oh God I open up for that gift, I am open, I am ready for that gift. Lord let the fullness of that gift fall upon me , Lord I receive the fullness because I am ready now, I am ready for it, Lord bless me with the fullness of your gift for my life, for my calling and for my manifestation in destiny, Lord bless me now with its fullness.

### **PSALM 33:11**

⇒. The plan of God for your life stands firm forever, it does not matter what the devil is planning or saying, it does not matter what your body system is saying, what the doctors are saying or what anybody says; the plan of God for your life stands firm forever whether you believe it or not. But when you believe you will be helping yourself because the plans of God will never change. God already planned everything before you were born, what you will become, the family that will give birth to you, everything was already planned before you were born and the plans of God stand firm forever and you have to believe it. It takes the mercy of God for your life to be as it was before you were born.

•Father look upon my life in your mercy and bring me into the fulfillment of your plans for my life, into the manifestation of your plans for my life, into the realisation and accomplishment of your plans for my life. Lord in your mercy help me, lift up my life into those plans because I know you have great plans for my life and I know that only you can bring them to pass, only you can enforce them and make them stand and manifest. God of heaven and earth let me receive mercy tonight and let your plans for my life begin to take shape, let them begin to form and come to pass in the name of Jesus. Lord bring me into the fulfillment of your plans, into the realisation of your plans for my life from this hour henceforth in the name of Jesus.

⇒. The Lord's plans stand forever which means that God is always following His plans to enforce its fulfillment. When God speaks, His Spirit is always following that

Word to ensure that it comes to pass. God is so strong and mighty that He can follow His plans throughout years to ensure that it comes to pass.

•Father visit my present moment and let your plans for this present moment of my life begin to happen, to come to pass even in this month. Lord I know that you follow your plans to ensure that they come to pass, oh Lord I ask that you visit my present time, present situation, even my life in this month and let your plans for this month, the moment that I am in begin to take shape in the name of Jesus. I know all power is in your hands to do anything you choose, oh Lord visit my life and enforce the fulfilment of your plans for my life in this season, in this month. Lord what you want to do in my life, let it manifest now in Jesus' name.

⇒. Just as God has great plans for your life so does the kingdom of darkness, they have evil plans for each hour for every human life in this world that we are in, which is full of wickedness. The life of man on earth is full of wickedness and evil.

•Father manifest your great power in my life and let my life be permanently disconnected from the flow of evil the enemy has programmed into my days, Lord let your power manifest in my life and disconnect my life from the flow of evil the kingdoms of darkness have programmed into my days. Lord manifest your power and disconnect my life from the flow of disappointment, failure, suffering, and poverty the enemy has programmed into my days on earth, Lord cut me off from that flow in the name of Jesus. Separate my life from the evil flow the enemy has programmed for my days and let me begin to live outside of the programs of the enemy in the name of Jesus.

⇒. The Kingdom of darkness hates Christians and they have planned so much evil in each hour, in fact for each minute of your life. If God opens your eyes you will see a lot of evils which were programmed into your life. For you to live above this evil programming you must be a prayer warrior and be able to reset your timeline in the realm of the spirit. There's a way you reset your timeline to go in the direction of God's plan. There's an anointing that resets your timeline for the will of God to prevail for each time.

•Father put upon my prayer life an anointing to reset my days to agree with your will and purpose, an anointing to reprogram each day of my life to agree with your plans and purposes. Lord put an anointing on my prayer life, prayer altar, put an anointing on my spirit that will enable me to reset my timeline to agree with your plans for my life in the name of Jesus. Lord give me such power, bless me with such authority in the name of Jesus. The anointing to control times to agree with your will and purposes for my days, Lord give me such anointing and authority now in the name of Jesus.

⇒. The only way to overcome the plans of the antichrist and the kingdom of darkness is to be able to control the times and seasons. In the kingdom of God, there is a power that controls or sets time, sets certain things to happen and there's nothing that can change it. If the antichrist has plans for this generation, then God

also wants to enforce His own plans into the same time that we are in right now, so that the plans of the devil will not be able to survive. In the lives of most of us, God's plans are not prevailing because you are so weak in prayer and that is why the devil is prevailing in your life.

•Father let revival fire fall upon my life, transform me into a warrior that cannot be defeated by the devil, that cannot be defeated in time. Lord let revival fire come upon my spirit and let me be transformed into a warrior in the spirit, a warrior that cannot be defeated in each day of my life, a warrior that prevails in each day of my life. Lord give me that anointing and let my prayer life receive fire that will transform me into a prevailing warrior in the battles of life. Lord, I refuse to be oppressed, defeated, weak, to be a failure, oh God of Israel, let your fire possess me and let me be transformed into a prevailing warrior in these last days. I want to be a warrior that never loses a fight, inject my spirit with such a fire such that I will never lose any fight in each day of my life.

⇒. I discovered that the principalities in the heavenly places have a strong grip upon every creature on earth, visible or invisible. They control everything on earth, they know how to control that thing to go in the direction they want it to go. If you are a pastor and you're not strong, principalities will control you and you won't even know that they are the ones controlling you, whilst you think it's the Holy Spirit. Only those that are strong will not be controlled from the heavens by principalities.

•Father let the grip of principalities and powers over my life be broken right now in the name of Jesus. Every hold of principalities, of darkness, rulers of darkness, powers of darkness over my life, making them to control me against your will, Lord let that grip break right now by fire. The grip of principalities, of powers over my spirit break now right now in the name of Jesus. The hold of principalities and powers over my spirit, soul, body, marriage, calling, destiny, career, and finances, I command you to break right now in the name of Jesus. I refuse to go in the direction of the enemy, of evil, failure, and downfall, Lord deliver me from the grip of principalities.

⇒. As a Christian, you have been lifted above principalities and powers in Jesus. Because Jesus rose from the dead, ascended into the heavens and is seated far above principalities and powers, so are you as a Christians in Jesus Christ. If Jesus is above principalities, you are also above principalities. If you will believe that and walk in the reality of it, you can control the same things principalities are controlling.

•Raise up your right hand. In the name of Jesus I decree, according to my authority in Jesus, let everything in my life, everything on earth begin to go in the direction that God wants them. Let them begin to go in that direction for my success, breakthrough, fulfillment, prosperity and greatness. Everything that is created by God, everything on earth visible or invisible, I decree over them, according to my authority in Christ Jesus, let them begin to go in the direction for my favour, my blessing, increase, greatness, victories now in the name of Jesus. I command everything on earth, everything in my life to go in that direction for my success, blessings and fulfillment in the name of Jesus.

⇒. The things that God does in His Kingdom are real and sure, meaning the work they do does not have probabilities (maybe it will happen or not). The problem of Christians is we do not trust God or believe God, we lack faith and do not trust in God that is why some things in our lives look as if nothing is happening. The kind of faith that produces results is the faith that is in heaven or operates from heaven not a faith of maybe God will do it or not. No miracle will happen without faith.

•Father let my faith be strong as your faith, as the faith in your Kingdom, in heaven; let my faith receive strength to become like your faith. Lord help my faith, strengthen my faith to become like yours, that it becomes like the faith that heaven operates with. Lord let my faith receive strength and be transformed to become like the faith in your Kingdom, like the faith in you in the name of Jesus help me Father.

⇒. If God's plans for your life are so sure and stand firm, you must stand firm as well, you must be sure and certain. Many Christian's lives are not sure or certain, they are one leg in the light and one leg in the darkness, they are not following God with a true heart or pure heart. When your life is not pure, God's plans for your life will not be sure and certain. To be pure means you only embrace one thing, you focus on one thing, not picking many things at the same time. You believe and embrace one thing and that thing is Jesus. When God sees that you will not compromise with evil and that you will follow Him till the end, come rain come sunshine, there is nothing God will not do for you.

•Lord, I am ready to walk with you in purity, to follow you in purity, oh God of Israel, help me. Separate me from everything that is separating me from you, be it uncleanness, deception or hypocrisy. Lord I seek and desire to live a pure life, a life that is sure and certain, a life that is firm in your righteousness, holiness, in the fear of God. Lord I choose to live such a life, help me to follow after a pure life and stand firm in you.

⇒. Raise up your right hand. Father let your anger be kindled against every witchcraft agenda for my life, calling and destiny, let your anger destroy all their plans. In the name of Jesus, oh God of heaven and earth let your anger be kindled against every witchcraft agenda that has been devised and conspired against my life, calling, and destiny, arise in your anger and terminate them all. Lord whatever plans have been cooked up in each realm of witchcraft, whatever plans they have devised against my life calling and destiny, oh God let your anger fall upon such plans and let them be wasted and never be fulfilled in the name of Jesus.

⇒. God will not change His mind concerning your life except you stop believing Him. If He changes His mind, He is to give you a better offer, that is if you have not stopped believing and trusting in Him .

•Father show me mercy and bring your intentions to pass, your intentions for my life, my career, marriage to pass. Lord show me mercy and let what you are thinking concerning my life begin to happen exactly as you are thinking it. Lord show me

mercy because I know it's your mercy that will make your intentions come to pass. I know you have great plans and thoughts for my life, show me mercy and let these thoughts come to pass. Do not look at my wrongdoings and do not consider my shortcomings, disobedience, sins; Lord show me mercy. Lord please let your intentions for my life happen as you have intended.

⇒. God searches the depth of a human heart to discover our secret desires, hidden intentions. Your hidden intentions can stop God from performing His intentions concerning your life. When you pray to God for something, He will check your intentions, then look at His plans for you and then weigh the two, then He will be able to discover which of the two you qualify for, based on the present condition of your heart; that's how the kingdom of God works. You need to ask God to help you so that your intentions will not stop His intentions.

•Father help me and search deep down my heart and begin to correct my intentions so that I can qualify for your intentions for my life. Lord, I open up my heart for you, search it and begin to correct my intentions, change my intentions to agree and align with your own will and desires, so that I can qualify for what you want to do for me at this time. Help me Lord Jesus in my soul, help me deep down in my heart so that I am not the one stopping your plans from coming to pass.

⇒. Father reveal to me what I need to start doing so that your intentions for my life will happen as you have intended. Reveal to me actions I need to take, practical things I need to do so that your will and intentions for my life will begin to come to pass. Help me Lord Jesus, open my heart, open my understanding and my eyes to comprehend, understand, believe and do that which I must do so that your intentions for my life, calling and destiny will be done. Help me Lord to do those things, to take those actions.

⇒. Some of you have a problem of fear and that is the problem limiting your destiny. The enemy can control you, manipulate your life using the weapon of fear because you have not become stronger than fear and you are still afraid of things. Fear has many realms on its own and there are so many bondages inside of fear. It's possible that you have not conquered all the captivities that go with fear, maybe you are not delivered from all captivities of fear. Until you are delivered from fear you might never see the glory of God because it will be your limitation. Fear of anything, we are supposed to fear God only, every other fear is ungodly and a limitation.

•Father, deliver me from the captivities of fear so that I will be released to enter into the glory you have prepared for me. Lord deliver me from every captivity of fear that I may be released into the manifestation of the glory you have prepared for my life, calling and destiny.

⇒. Raise up your right hand. Father translate me into the realm of divine possibilities where nothing is impossible. Lord take me into that realm where prayers are answered where there are no limitations to any form of results that my life and

destiny require. Oh God translate me, my soul, spirit and body into the realms where miracles happen instantly, where answers follow my prayer instantly. Lord let me begin to live, function and operate in that realm of possibilities

⇒. God is showing me that whenever something new is about to happen, or a miracle is about to happen or change is on its way, the devil will suddenly create trouble and that thing you were almost getting, you will just lose it.

•Father let your anger descend upon every spirit monitoring and following my life, creating troubles that terminates miracles in my life, fall upon them and destroy them all. Every spirit that is following my days, following each hour of my life, aborting miracles, testimonies; causing situations that will abort miracles, oh God descend upon them in your anger and consume them all right now in the name of Jesus. Every spirit that has combined with my life to ensure that miracles do not happen, blessings don't come, that I do not get what God is sending into my life, let your anger follow upon them and consume them all now in the name of Jesus. **\*I decree that a permanent destruction from heaven come upon such a miracle aborting spirit, a testimony destroying spirits, let a permanent destruction from heaven come upon them right now in the name of Jesus.**

⇒. Most of you are spiritually empty. We have shallow Christians and deep Christians. Shallow Christians are those that are empty of revelations, knowledge of God, they do not have spiritual stamp; deep Christians are filled with wisdom, knowledge, revelations of God, understanding of God, they have grown and matured to know God and understand His ways. Most Christians they know nothing about God or angels, about the kingdom of God, even scriptures and that is a serious problem

•Raise up your right hand. Father I refuse to be a shallow and empty Christian, to be a novice in the matters of the things of the Kingdom, I refuse to be ignorant in the issues of God's Kingdom, oh Lord visit me and fill me. Open the heavens and fill me, I refuse to be shallow. I refuse a babe in the spirit, in the things of God. Lord I want to grow, open the heavens and fill me with your depth so that I can be a deep Christian. Father fill me with the depth of your revelations, power and grace, fill me Father, fill me Lord.

⇒. You need God to remove from you weight that is sinking your life into spiritual death. How can a fat person fly or float on water? Because the whole world is like water and in the water, there is full of death and destruction. If there's so much weight in your life, you will keep going down into death and destruction but when that weight is offloaded from your life you can fly into the realm of the spirit. You need to be as light as a feather so that the Spirit will move you in any direction and it's easy for you to flow in the spirit that way. There could be a lot of things you have embraced in your life which have become unnecessary weight, maybe it's wrong relationships, carnal thoughts or carnal mindedness.

•Father, I surrender to you, offload from my life every weight that it's taking me down into spiritual deadness, every spirit not allowing me to see in the spirit, operate in the spirit, Lord offload them from my life. Every weight I have embraced in my life and destiny sinking me down into destruction, oh God I refuse them now, Lord keep them away from me, cut them from my life. Every friendship, relationship or whatever I have embraced that has become a weight, sinking me into spiritual death, oh God remove such weight from my life. I repent, offload them from my life because I want to fly, to grow and to be victorious, help me Father in the mighty name of Jesus Christ, I have prayed, Amen.

⇒. Father I thank you because you shall listen to my prayers and you shall answer me tonight because you are a faithful God. Ancient of days, my Father and my Lord; my savior and my creator, I thank you because I will talk to you tonight and you will answer me because you are too faithful. Thank you Father because you will reveal your faithfulness in my life through tonight's prayers. You will prove your faithfulness, you will show your faithfulness because you have answered my prayers. Thank you Lord because I will speak to you and you will hear me, you have made yourself available. You have given unto me your faithfulness and presence and I will have answers to my prayers tonight.

⇒. Raise up your right hand. Oh God of Israel, let your power shake the heavens, the earth and under the earth until your will is done in my life. Oh God of Israel, shake the heavens for the sake of my life, calling, marriage; for the sake of the life of my children, until your will is done in my life, until your plans are fulfilled in my life in the name of Jesus.

⇒. Place your right hand on your head. Father let my life become a mystery to all the kingdoms of darkness seeking my downfall, seeking my defeat. Lord let them never be able to understand my life, for as light shines in darkness and darkness cannot comprehend it, Lord let my life be the mystery to the whole of the kingdoms of darkness attacking me. Lord Jesus turn my life into a mystery, the situation of my life into a mystery to the enemy, let them look at my life and never be able to understand, let them attack and never succeed because I have become a mystery to them. Let my life become too difficult to understand for all the powers and princes of darkness that have risen against my life and destiny. Let them be confused and frustrated in Jesus' name.

⇒. Father create a pit of destruction for all the forces of darkness, creatures of darkness, powers of darkness, Lord let them be drowned into the pit. Lord let a pit of destruction be created for all the battles of darkness attacking my life and let them be dragged into this pit of destruction of the Lord now in the name of Jesus. I declare let serpents, powers of darkness, personalities, and scorpions that are attacking my life, I decree let them be drowned now into the pit of destruction of the Lord. Let them be drowned as I'm praying right now, swallowed up by the pit of the destruction of the Lord. Every creature of darkness that has surrounded my life to oppress me and overcome me, let them be swallowed up by the pit of destruction of the Lord.

⇒. Raise up your right hand. In the name of Jesus, I come against every evil arrow that has been targeted at me, let them catch fire right now in the name of Jesus. Every evil arrow that has been fired directly into my life, health, finances, home, and marriage, let such an arrow go back to senders right now in the name of Jesus. In the name of Jesus, I come against every arrow of darkness fired from the heavenly realms, pit of darkness, from any coven of darkness; let them go back to their senders. I command you arrow of darkness that has been shot at me, go back to your senders now in the name of Jesus. Every arrow targeted at my prayer life to weaken and destroy my prayer life, every arrow fired into my life, my brain and soul, let the fire of the Holy Ghost turn them back to their senders now in the name of Jesus.

⇒. Lift up your hands. Father let confusion fall upon every gathering of evil men and women, agents of darkness against my life and destiny, let confusion fall upon them and let their tongues be scattered and let them never be able to understand themselves anymore, until they are all dismissed right now; let heaven confuse them. Every gathering of witches and wizards, agents of Satan against my life, destiny, calling; let great confusion from heaven fall upon them. Let great confusion as in the days of Babylon fall upon them and let their language be confused, let their language be turned upside down and against them in the name of Jesus.

⇒. Father let your glory be revealed in every negative situation the enemy has created in my life, let me have a testimony in my sorrow, pain, suffering and failure; Lord reveal your great glory and let me have a testimony. Lord reveal your great glory in the midst of my darkness, weakness, sorrow, poverty and troubles, Lord reveal your great glory and let me be able to testify and celebrate in the name of Jesus. Reveal your great glory and great power and let there be a testimony in my life, in my situation and in the negative situation, reveal your glory and let them be transformed in the name of Jesus.

⇒. When someone promises you something without you asking them, that is God's doing; and suddenly the same person changes their mind, that is the work of the devil.

•Father let every operation of darkness that is turning the hearts of my destiny helpers against me, from helping me, Lord let such operations catch fire right now in the name of Jesus. I come against every oppression of darkness that is turning the heart of my destiny helpers, destiny partners not to help me, to turn their hearts not to support me, from fulfilling their promises as they have said, oh God, let such operations be destroyed by fire in the name of Jesus. Every evil hand controlling the minds of my destiny helpers from doing what God sent them to do for me, let such hands wither by fire and let it be consumed by fire in the name of Jesus. Every evil manipulation that is causing my helpers and destiny helpers to turn their backs on me, let the fire of God destroy them in the name of Jesus.

⇒. The Lord is showing me that some of you have a tendency of skipping or not doing important things that are so important to your destiny and end up spending time on irrelevant things, that is the work of the devil.

•Place your right hand on your head. In the name of Jesus, I come against every darkness that is causing me to ignore important things and embrace irrelevant things, Lord let your fire destroy them. Every darkness that is causing me to skip, to leave, abandon, forsake, ignore important things that are so crucial to my destiny, to my purpose on earth and cause me to embrace irrelevant things, oh God of Israel deliver me now from that darkness, let your fire remove such darkness from my life. I command the fire of God to discard such darkness from my spirit, soul and body in the name of Jesus. Fire of the Holy Ghost detach every spirit that is following me, causing me to set aside things which are so important to my destiny and calling, let the anger of God destroy the spirit in the name of Jesus.

⇒. The Lord is showing me you are supposed to have abundance, excess but you're only having it in bits instead of it coming as a flood. When you are supposed to be enjoying excess you are enjoying just little.

•Father visit me and bless me with your fullness and let my life be taken from the realm of little into the realm of excess. Visit me oh God let an end come to little and scarcity, and let there be excessive manifestation of your blessings, take me to the realm of excess, fullness of blessings. Oh God of Israel, visit my life and take me into the realm of fullness of blessings, power, grace, strength, dominion, victories, miracles, riches and wealth. Let an end come to little, bit by bit in my life. Take me to the place of excess, abundance and fullness in the name of Jesus, remove me from the realm of little and place me in the realm of surplus and abundance.

### **PSALMS 33:12**

⇒. We have been chosen by the Lord. Jesus said you have not chosen me but I have chosen you. We are a chosen people, a holy nation, a godly nation. If this is true then God must be our Lord and we must not have any other god beside Him and we must serve Him.

•Father, let my heart be full of love for you, let the love for you take over my heart and mind, let my heart be so full of deep love for you, I want to love you so much that I obey your every instruction, that I serve you without seeking a reward, Lord let your love fill my heart. Lord, I want to love you more than ever before. Let your love take full possession of my heart, let your love become the force that compels me, the reason why I serve you. Help me to love you enough to obey everything you tell me, to please you with my life, even with my body, to love you enough to live a sanctified life, a pure and holy life. Help me to love you so much to love the poor, to live a sacrificial life, let your love take over my heart, let your love take full possession of me until all areas of my life are driven by your love.

⇒. There were things that the apostles of old could not stop doing because they were so full of love and that love was always driving them. We need a baptism of love so that everything we do is because of love. A kind of relationship with God, a kind of ministry and calling that is driven by a love for God and a love for God's people.

•Father, take me to the depth of your love, baptize me with your love until your love becomes the force that leads my life, until my life is compelled by love, until all I do is driven by love. Lord take me to the depth of your love. I want to fall deep in love with you, I want to love you more than my life, more than everything in this world, more than life itself. Lord baptize me into your love and let your love lead me. Let me be driven by your love, that I will preach the gospel because of love and teach people because of love. Let your love become the reason for my existence, take me into the depth of your love.

⇒. Jesus said you shall love the Lord your God with all your heart, all your mind, all your soul and all your might and that you should love your neighbour as yourself. If God is going to be our Lord, it will be by love because we love Him, with fear included. These two are the foundation of serving God. If you're going to love the Lord indeed, there are things you have to live, the love of God will take away a lot of things from you. When you love the Lord, there are certain things you will never do again. The people that are sinning against God, it's because they don't love God, if you love Him you will not sin against Him.

•Father, let your love gain deep ground in my heart and take away everything that is contending with your love in my life, everything that is taking your position in my life, your place in my heart, Lord take them away. Lord let me love you too much that I cannot replace you with anything, that nothing in this world can take your place in my heart. Let your love be so strong in my life that it will take away everything from my life that you hate so that I begin to hate what you hate and love what you love. Oh God of Israel let your love gain deep root in my heart so that I cease to do the things that you hate.

#### **VERSE 13-14**

⇒. God is watching every step you take and every thought you think. When you think no one is seeing you, no one is aware or even your thoughts, God is seeing and is aware of them all.

•Father, I know that I have offended you in so many ways. I have fallen short of your grace, glory, will; Lord have mercy upon me and forgive me. Lord I know my life, the thoughts of my heart are not hidden from you, you see everything that I do, Lord have mercy upon me because I have offended you, dishonored you, acted wickedly against your covenant, your will, commandments and ways, I know I have offended you because I have disregarded you, you are watching me always, Lord I ask that you forgive me in the name of Jesus. Forgive all my sins and wash me in your blood, let me receive forgiveness oh Lord Jesus. Cleanse me from all my iniquities, show mercy and forgive my unrighteousness.

⇒. God is not limited by the systems of this world. If a system of the country or nation is difficult, it will be difficult to prosper because of that system because God has not stepped in . When God steps into a system despite its difficulty, everything will bow down.

•Raise up your right hand. Father, step into every system that is so difficult, working against my progress, success, prosperity and make a way for me. Every system of men, systems from the government, organisations, my workplace, systems ruling in my country that have been created to ensure that I don't move forward, systems fighting against my progress and prosperity, Lord step into those systems right now and begin to make ways for me in the name of Jesus. I refuse to agree with the system in my country or workplace, that will not allow me to be great, oh Lord step into this system and make ways for me in the name of Jesus. Every system the enemy has structured against my life, calling, ministry, oh God of Israel, turn the system around to favour me in the name of Jesus.

### **VERSE 15**

⇒. Human beings cannot limit God. Despite the covid 19 restrictions going on in the world, that cannot stop God because even before they covid 19, God knew about it. What God has planned to do in the lives of people even at this time, there is no system or human being that will stop God. He knows how to move the hearts of people to allow His will to be done.

•Father, move in every heart of man and ensure that your will is done in my life, move in every heart and let your will be done in my life. Move in every heart and let them begin to agree together to ensure your will is done in my life. Move in the minds of people that I know and those I don't, begin to work in their hearts until your will is done in my life. People that need to make decisions for your will to be done in my life, Lord move in their hearts for them to make those decisions. People that need to take steps for my life to move forward and progress to the next level, Lord move in their hearts and let them take those steps. People that need to give me a call so that my life can move forward, move in their hearts and let them start to think about me and contact me in the name of Jesus. Lord, every person that must make a decision, do an operation, take an action that will lead me into my next level, begin to move in their hearts so that I move forward because I acknowledge that nothing and nobody can limit you.

### **VERSE 16**

⇒. Unless God helps you and shows you mercy, many good things might never happen to you till you die. As Christians we need to come to our real senses and stop trusting in things that cannot help us, things that cannot take us to where God has destined us to be, stop putting your hope and trust in these things and people.

•Father, I sincerely withdraw my trust from everything and everyone that is not you, Lord I have chosen to trust you at this time, I choose to trust in your power, strength

and ability, Lord help me to continually trust you. I withdraw my trust from everything and everyone who is not you and I choose to trust in your grace and power. Lord help me to trust you always, I withdraw my trust from my own strength, from my husband, wife, money, salary, jobs, parents and friends; help me to trust you always. Even though there are people that can help, Lord I will not trust in man but I will trust in you because only you can take me to where you have destined me to be. Men can promise a lot of things but I will trust only in you. I will not trust in my own strength, my wisdom or experience but I will choose to trust you at this time.

⇒. God must be involved before you to have victories. You may be a brilliant person but if God is not involved, you can write exams and will fail. Unless God is involved you will be limited, even though you have talent, but without God your talent will not be great.

•Father, I invite you into every area of my life. I want you to be involved in my strength, in my weakness. I want you to be involved in all areas of my life so that I can manifest your greatness, so that you can command my greatness. Lord let me continue to be humble so that I will not forget to involve you and seek you in all my affairs. I want you to be involved in everything I do all the days of my life. In my career, business, marriage, in my thoughts; I invite you to be involved so that you can perform your will, reveal your greatness, reveal your power and make my life beautiful. Lord be involved now

⇒. Father I want you to become the weapon by which I fight in the battles of my life with because having you as a weapon, I will always have victories. Oh God of Israel become the weapon by which I make war against the enemy, Lord Jesus become the power by which I will fight with, the strength by which I fight in the battles of life in the name of Jesus. Lord I know that nothing shall be impossible with you, victories are sure, therefore Lord become my weapon in the name of Jesus. I don't want any other weapon but I want you to be my weapon, become my weapon through which I fight in the battles of life.

⇒. As a King, when you have an army, you must seek the Lord. When God steps in to direct you, no matter how strong your enemies are, when you follow the divine direction you will always win. The kingdom of darkness does not know God's plans; they might have an idea but they do not know exactly what God is planning and how God will achieve those plans. Most times what the enemies are doing against us, is part of God's plan to help God's plans to come to pass. The enemy does not know that, also most of us as well because we have not allowed the Lord to lead us. Divine direction is very powerful for you to have victories in life.

•Father put upon me the grace to be led by the Spirit so that I will not lose in the battles of life, so that you will direct me in such a way that I will be victorious. Lord give unto me the grace to be led by you that irrespective of the number and forces of darkness attacking me, when I follow your direction I will always win. Lord, give me the grace to battle through to the path of victory, to be led by your spirit so that I will

not be defeated in the battles of life. Help me Lord Jesus, give me the grace to listen for your voice, to seek for your voice. Lord help me to remember to seek for divine direction, to seek for your voice so that I will not lose in the battles of life. I know when I'm led by you, I will always win because you are not a failure.

## VERSE 17

⇒. Some believers limit God through the present success they have at the moment and they feel like that is all that God can give and that every other thing that God wants to do has to be through that thing. They have limited God, that even when God is telling them about something higher and greater, they feel like God has to bless that which He has already given them to take them to that greater heights. They can't believe God for something greater apart from that first blessing. Just like Abraham asked God to bless Ishmael while God is saying it's not Ishmael that will take the inheritance but Isaac. Most Christians are satisfied with their Ishmael and they have lost their Isaac. Do not allow the first blessing to deprive you from getting a greater blessing, you need to be wise when walking with God. When He says let go of that Ishmael, you need to let go.

•Father, in whatever way I have limited you, Lord forgive me and help me to press forward in faith so that I can receive more of your promises. Lord forgive me for every deception I created for myself, forgive me for limiting what you can do, forgive me for settling for less, help me to press on in faith so that I can lay hold of all your promises, of more of your promises. Help me to take steps of faith, to move forward by faith, to believe you so that I do not limit you.

⇒. To receive Isaac you must stop believing that God will bless you through Ishmael. When God is saying He has something greater for you, stop putting your hope on the first blessing and trust Him for something greater. Sometimes you have to show God a sign that you really trust Him, even Abraham had to send Haggai and Ishmael away. There are some things you have to let go even though they are good things so that you can be able to trust God for something great.

•Father, whatever I have held so dear to myself that is depriving me of greater blessings that you have for me oh Lord let such be separated from my life. Lord let me cut it off consciously or unconsciously so that I can receive greater blessings. Everything that I have embraced so dearly to myself that is depriving me of greater blessings to come from you, Lord I ask that you take such away from my life in the name of Jesus. I ask for the strength to get rid of them permanently out of my life, the strength to terminate such things for me to receive greater things. Even if it was a great blessing before, help me to drop it now that I may receive a greater blessing, help me to get rid of it.

⇒. Father, make your will known to me, make your assignments for my life known to me, what I should be doing now, what I should have been doing now, make it known unto me. Lord, I am ready to know it, reveal it to me. Ancient of days, I ask for

revelation of what you want me to do now, revelation of your assignment for me now, Lord, what I should have been doing by now, opening my eyes to see and to know it. Open my understanding and my discernment in the name of Jesus, help me to understand and know it. Father help me to know what I should be doing for your Kingdom now in Jesus' name.

⇒. In the name of Jesus, I come against every chain of failure the enemy has created to ensure that good things do not prosper, Lord let such chain be destroyed, be broken. Every chain of failure, network of failure that everywhere, I go fail, let those chains be broken. I decree that those chains are broken and destroyed now in the name of Jesus. Every network of failure, every establishment of failure, every plantation of failure in my life, in the journey of my life, let them be destroyed in the name of Jesus.

⇒. Father, use the same situation that the enemy has created for my downfall, use it to lift me up, as you did for Mordecai in the days of Esther. Lord the same situation the devil has created for my downfall, oh God use the same to lift me up in the name of Jesus. The same event, situation and problem the enemy created to swallow me up in defeat, the same problem created to bring me down, oh God use the same to lift me up in the name of Jesus, to promote me, celebrate me, to make me great, to shoot me up into greatness in the name of Jesus. Every situation the enemy created for my downfall, Father, use it to lift me up because you have done it in the past and you know how to do it, turn it for my exaltation.

⇒. Father in your mercy, qualify me for blessings, honour and propositions that I naturally do not qualify for. I know you can do it Lord because you have done it before, qualify me Lord. The Ancient of days, according to your endless mercies, Father qualify me for blessings wonders that I have no qualifications for, I have you that means I can have those things. Qualify me for those blessings, honour, for that grace for those higher levels, for such promotions, though I do not have qualifications for them but I have you and because I have you, I can have them because there is nothing you cannot give or do. Lord in your mercy qualify me for everything I need to move forward to the next level.

⇒. God wants to stop abuse. Maybe you are suffering from abuse, there are different forms of abuse I don't know what yours is like but the Spirit of God is saying He wants to put a stop to that abuse.

•Father let your mighty hand come upon me and let abuse end in my life. Every form of mockery, attack, oppression coming from people, oh God put an end to them in my life. Every form of manipulation and abuse coming from people, Lord let it end in my life by your mighty hand in the name of Jesus. Every form of false accusation from people, Lord by your mighty hand put them to an end. Everything the devil is doing through people to mock my life, label me wrongly

oh God of Israel, end them all in the name of Jesus. Thank you Father, in Jesus' mighty name, Amen.

## CLOSING PRAYER

Raise up your right hand.

King of glory we thank you for your love. We thank you for your mercy, your grace, and your presence. Thank you for what you have done among us in this prayer session. Thank you for how you have removed things you do not want in our lives and how you have given unto us things that you want in our lives, oh God be praised forever in Jesus' name.

Father I speak over the lives of your people, as many hearing the sound of my voice now; I speak over your life that you will no longer be limited in your journey to greatness, journey to fulfillment of calling and destiny. You will no longer be limited in Jesus' name, you will no longer be oppressed in Jesus' name. Many things that the devil has done that have limited many people when it comes to your turn, such things shall not be able to stop you from moving forward in Jesus' name. Things the enemy has put in place to make progress difficult for you, to make success and prosperity difficult in your life, I decree that the hand of God remove them right now in Jesus' name. I decree that the fire of God destroy such hindrances right now in Jesus' name.

I speak over your life that there shall be a new season of glory, a new season of wealth, great blessings, great honour, great grace in the name of Jesus. I decree that heaven will visit your life, ministry, calling and heaven will change the atmosphere of your life to begin to allow breakthroughs and miracles to spring forth in your life henceforth in the name of Jesus.

Every dark atmosphere that has surrounded your life and has been blocking manifestations of testimonies and miracles, because you are connected to this anointing, I decree that such a dark atmosphere is roasted and destroyed by fire right now in Jesus' name. Let your life be saturated with a divine atmosphere right now that would permit, allow and authorise manifestations of miracles and testimonies. Let such an atmosphere gain ground in your life right now in Jesus' name.

I take authority over every devil that is mingling with your soul, spirit and body when you sleep in the night. I bind such spirit and right now I cast it out of your life forever in Jesus' name.

You shall not be defeated in the name of Jesus. No matter how strong the battles confronting you are, no matter how terrible they are, because you are connected to this anointing, to this ministry, I decree you shall not be defeated. When it remains a little for the enemy to overcome you, the power of God shall appear and victory shall be yours in the name of Jesus. When it remains very little for the enemy to overcome you, the strength of God shall appear in you and you shall rise and overcome such battles in Jesus' name.

I declare that the angels of the Lord begin to enter into every activity of your life from today, and that the angels of the Lord begin to control the atmosphere of your life for the fulfillment of God's plans for your life in Jesus' name.

Every stamp of authority that the enemy has authorised against you, I decree that stamp be reversed now in Jesus' name.

In those places they have called you rejected, I decree that you shall be accepted now in Jesus' name.

Documents that have not been approved, that have been disapproved, I decree they are now approved in Jesus' name. Thank you Father because we know that you have answered, blessed be your Holy Name, in Jesus' mighty name it is done, Amen.

## **15 MAY 2021**

## PRAYER POINTS

⇒. Father, I thank you because you will pull out from your treasure house and deliver unto me great blessings, you will reach forth your hand and release from your treasure house in heaven upon my life great blessings that I need at this time. Lord, I thank you because from your treasure rooms in heaven you will pour out upon my life, ministry, marriage, home, calling, and destiny great blessings, great grace, great honour in the name of Jesus. Thank you Lord because you will not withhold yourself from blessing me tonight, you will not withhold from helping me, from setting me free, you will not withhold yourself from giving me victories and breakthroughs.

⇒. Raise up your right hand. Father let the heavens open over my prayers in this hour, let me receive swift interventions from your throne, angelic interventions from your throne. Lord open your heavens over me right now over my head, my spirit, over my room and let there be swift intervention from your throne concerning my case and situation. **\*In the name of Jesus, I decree let the heavens open over this prayer meeting over everyone, let there be an instant manifestation of miracles now in the name of Jesus. Let there be an instant manifestation of breakthroughs, deliverances and victories in Jesus' mighty name.**

⇒. Father, as the heavens are open over me right now, let there be rain of abundant rain of great increase, great blessings, rain of fire to destroy my enemies, rain of power, rain of grace, let it rain right now. Lord Jesus, from the throne let it rain upon my body, from your throne, let it rain upon my soul and spirit. Let it rain fresh anointing upon me, fresh fire fall upon me, let grace fall upon me, let strength come

upon me, victories be authorised right now. Lord let it rain upon me favour, abundance of riches and wealth; let it rain great increase, let it rain from the throne. Let the Holy ghost rain upon me, let the power of the Holy ghost fall upon me. Let grace, spiritual gifts fall upon me, let uncommon grace come upon me.

⇒. When the heavens are opened there will be instant miracles especially when God is ready to visit you. God wants to do instant miracles in the lives of some people tonight.

•Raise up your right hand. Father let heaven intervene in my life, let me receive a touch from you and let there be instant miracles in my life and finances, instant miracles in my finances, let money suddenly appear in my bank account as you did when you made money to appear in the mouth of a fish. Lord let there be instant miracles in my finances and body system right now because I know the heavens are open over me. Let there be instant miracles in my body and soul; instant miracles of great blessings let them begin to happen. Let miracles of healing and deliverance, miracles that will lead to my promotion, greatness, open doors; miracles that will connect me with the fulfillment of my destiny, that will connect me with my destiny helpers, Lord let them begin to happen very quickly now in the name of Jesus. Miracles that will terminate shame and reproach, that will put an end to my troubles and captivity, oppressions of darkness and witchcraft in my life.

⇒. Acts chapter 16 is an example of open heaven, when Paul and Silas began to sing songs to the Lord at midnight in the prison and suddenly there was an earthquake when the heavens opened. Their chains were loosed, all the prison doors were opened because heaven came down. When heaven comes down, there will be instant deliverance. It doesn't matter what kind of power and principalities have put you under captivity.

•Father, let heaven come upon me and let my captivity be loosed, my chains be broken, every closed door open right now in the name of Jesus. Let heaven come down upon my body, soul and spirit with power, with fire and let there be instant deliverance in the name of Jesus. Every ancestral chain of bondage and limitation, oh God let heavens come down and let those chains be broken in pieces right now. Every chain of darkness that has caged my financial breakthroughs, let heaven fall upon them and let them be broken in pieces right now in the name of Jesus. Every chain of darkness that has caged the glory of my destiny, caged my calling and ministry, let heaven come down and break them in pieces.

⇒. If you are going to rise to fulfill destiny, there must be an earthquake in the foundations of the prisons that are holding you captive. There are a lot of prisons in the spiritual realms, though a lot of people are walking freely physically but are bound in prisons in the realm of the spirit.

•Father let heaven come down upon every ground where my life has been imprisoned and let there be a great earthquake until I am loosed, until my destiny and calling is loosed to fulfillment. Lord, let heaven touch the ground that is holding

my destiny captive, every ground that has imprisoned me, every realm where I have been imprisoned in, let heaven touch those realms and let there be a great earthquake and let my life be released in the name of Jesus. Lord let heaven touch every realm of darkness where I have been imprisoned and caged, where my glory and greatness has been caged, let heaven touch those realms and let me be released to manifestation, let me be released to fulfill destiny in the name of Jesus.

⇒. Father let your mighty wind blow in my life and situation and cause a great turnaround. Let the wind of the Holy Ghost blow in my life and finances, in my health, upon me and let there be a shift unto greatness, success, signs and wonders; a shift into a new glory, a new beginning. Lord, let there be a great turn around such that people will ask how it happened. People will see me and ask me how I managed to get there, Lord let there be a great wind that will blow in my life and take me to where you want me to be. Lord blow your wind upon my life and cause a great shift into greatness to happen to me.

⇒. It was not only Paul and Silas who were loosed, but the chains of all the prisoners. There are some people who must be loosed for you to go forward. It's not only you who have to be free but there are a lot of destinies connected to your own destiny. Some people have to be loosed for you to move forward. Sometimes when God visits you He will not only deliver you alone but He might have to deliver every other person in your family or your children, spouse or siblings.

•Father let heaven descend upon my family, life and let everyone connected to me, my destiny receive deliverance. Father let everyone that must be freed for me to also move forward, let heaven visit all of us and let there be victories and deliverance. Oh God of Israel, let heaven visit me now in the name of Jesus, let heaven visit my home, my marriage, ministry, calling and let everyone of us be released to manifestation. Let everyone be released to move forward in Jesus' name.

⇒. Paul and Silas were prisoned unjustly; they did not deserve to be imprisoned or be humiliated or be beaten. When God came down He defended them and they were released. When God visits you He will put upon you honour, the honour that has been withdrawn from you. There's a visitation of God that will come upon you such that your enemies will celebrate you.

•Father, let heaven visit my life and let me be defended publicly such that I receive honour and be celebrated and greatly honoured. Lord defend me publicly so that I will be honoured in those places I've been disgraced, oh God visit and defend me publicly so that my enemies begin to bow and surrender. Lord Jesus visit me now in this situation and let me be celebrated, visit me and let me be honoured. Let those that are mocking and ridiculing me see your glory and begin to praise you oh God of Israel.

⇒. For every miracle, signs and wonders, there is faith to connect with such and wonders or miracles

•Father help me to have faith that will authorise my miracle, faith that will enable me to partake of your blessings. Lord help me to be strong in faith, to grow in faith, to develop great faith so that I will easily access all the blessings you have for me in this season, so that I will connect easily with the miracles you have for me at this time. Lord let my faith come alive, let my faith receive strength, let my faith become a living faith, let my faith become powerful enough for me to possess my possession, help my faith Lord Jesus. Take away doubt from my heart and spirit, help me to be strong in faith so that I may receive the blessings you have for me at this time.

⇒. In the name of Jesus, I come against every darkness that is promoting failure and disappointment, every darkness causing failure to multiply in my life, oh God let your fire consume them. I come against every darkness that has merged with my life to promote failure, to multiply failure, to cause disappointments, let the fire of the Holy ghost destroy them. In the name of Jesus, every darkness working in my life, business, career to ensure failure and disappointment, to ensure that I do not have prosperity or move forward, let fire consume such darkness right now in the name of Jesus.

⇒. Father, let every evil the enemy has projected into my future, evil programs by the enemy to happen in the future, let your mighty hand terminate them, let your mighty hand destroy them. Oh God of Israel, I come against every evil the enemy has planted, projected and programmed to happen in my future, oh God of all flesh, oh God of times and seasons, let your mighty hand destroy such evil. Let such evil be reversed now in the name of Jesus, let it be terminated right now. Let everything the enemy has programmed again is my future never come to pass in the name of Jesus.

⇒. Raise up your right hand. I come against every personality of darkness that is following me closely in the journey of my life to promote and cause evil, oh God let your anger, your fire remove them from my life, uproot such a personality from my life. I come against every demonic personality, personality of darkness following me closely to cause me trouble, pain, sorrow, failure, evil and destruction; oh God of Israel remove them from my life, whoever they are, spirits or physical beings, Lord remove them permanently from my life in the name of Jesus.

### **PSALM 33:17**

⇒. Don't depend on your strength, investments or anything that you feel is your achievement, but depend on God alone. Don't rely on human beings or any weapon because when you depend on those things they will fail you because God is a jealous God, He wants no rival in your life. If He sees that you put your trust in something else, someone else apart from Him, He will disappoint you publicly.

•Father, whatever I have set up in my life that is standing as a rival to you, to your love, to your faithfulness, your presence and grace, oh God, destroy them. Whatever I have set up in my heart, every idol I have set up in my mind that has now become a

rival to you, that is contending with your place in my life, oh God of Israel destroy them now, uproot them now in the name of Jesus. Anything that I have made my stronghold apart from you, whoever I have made my stronghold that I am now depending on and trusting more than you, oh God, I surrender, remove those things from my life, uproot these things from my life because I know you do not want any rivals.

### **VERSE 18**

⇒. When you fear God, you are going to attract His presence, protection power.

•Father, give me the spirit of the fear of the Lord so that I may fear and please you all the days of my life. Lord I want the Spirit of the fear of the Lord, I want the spirit that fears God, give me a heart that fears you, a heart that honours and loves you, Lord give me such a heart because I want to please you. Lord give me the Spirit of your fear so that I may honour you with my life, body, soul and spirit, that I will obey you, obey every instruction, that I will obey every leading of you, give me the Spirit of your fear.

⇒. God is drawn to people who rely on His mercy. Do you rely on God or you feel like whatever you have or what you will have you will deserve them. How do you depend on God, is it fully or partially? You depend by trusting in His unfailing love, trusting in His mercy. When you have the understanding and mindset that what you received from God was because He had chosen to show you mercy, God will be drawn to help you more quickly than He will others. Miracles happen by mercy

•Father help me to trust in your mercy and not in my own strength, self-righteousness, knowledge, wisdom, and experience. Lord help me to rely on your mercy, not on my gifts and talents, Lord help me to have a mindset that trusts in your mind and your mercy always. I do not want to trust in what I do, be it paying tithes or because I am faithful in giving, but I trust in your mercy continually. Lord help me to always trust in your mercy.

### **VERSE 19**

⇒. There are different kinds of deaths. We have spiritual death and physical death. They are different agents of physical death; sickness, accidents, diseases (especially the incurable ones), all these are agents of death. The whole world is surrounded by death(situations that can kill or terminate life) but God rescues those that trust in His mercy. If you die untimely it means you have lived a wasted life because you cannot fulfill destiny in the grave

•Father, I trust in your mercy, rescue me from untimely death. Lord, I trust in your mercy, rescue me, my children, grandchildren, parents, spouse, siblings from untimely death, let no situation be able to take my life in the name of Jesus. Let no dark situation anyway be able to take my life, rescue me oh God according to your mercies, rescue me from death in Jesus' name.

⇒. Father rescue me from every attack, poison coming from the agents of death that surrounds me, Lord rescue me, let me never be defeated by these agents of death in Jesus' name. Rescue my body, my soul, my spirit from every attack coming from the agents of death. Every attack, every infection, whatever has surrounded my life that is an agent of death, oh god rescue me from them all in the name of Jesus.

⇒. It is possible that you have been successfully attacked and they have prevailed over you. Some attacks come at you but because you are contending they wouldn't prevail, but others come and have already prevailed, we will focus on these.

•Place your right hand on your head. Father let the fire of the Holy ghost pass through my body to destroy every agent of death in my body, spirit and soul, let them be consumed by the fire of the Holy ghost. Right now let the fire of the Holy ghost pass through my blood, body system, tissues, bones, upon every organ of my body and let every agent of death that has prevailed in my body system come out by fire. Every agent of death oppressing me in my body, come out by fire in the name of Jesus, fire of the Holy ghost consume them. Sickness, disease die by fire; sickness in my bones, blood and tissues, die by fire in the name of Jesus. **\*Fire of the Holy Ghost begin to destroy all the sicknesses and diseases, poisons of the agents of death oppressing you, afflicting you; let fire of the Holy Ghost destroy them. Let fire of the Holy Ghost consume them for our God is a consuming fire. Agents of death in your life are now dead in Jesus' name.**

⇒. Death does not just come, it has instruments or agents. There are witchcraft powers that are specifically assigned to kill people untimely.

•Raise up your right hand. In the name of Jesus, I come against every witchcraft power, witchcraft force, witchcraft energy that has been assigned to kill me untimely, let the fire of God kill them in the name of Jesus. I decree, let the fire of the Holy Ghost destroy and consume every witchcraft power assigned to terminate my life untimely. Every witchcraft, astral projection, witchcraft divination, sorcery, incantations that have been assigned to kill and destroy my life, to terminate my life untimely let the fire of the Holy Ghost kill them.

⇒. In the realm of witchcraft, they can do witchcraft burial. Someone who is alive physically, they can bury them in the witchcraft realm. They can get an animal and they will invoke the spirit of a person they want to kill into the animal and they will kill and bury that animal and after that they wait for the person to die physically. The person might die after a few days, maybe after a short sickness or die instantly.

•Raise up your right hand. In the name of Jesus, I come against every witchcraft burial that has been done to end my life untimely, right now let the power of God destroy that ritual. Every witchcraft burial that has been done to end my life untimely let them be cancelled right now in the name of Jesus. Let the angel of the God go to that realm and destroy such rituals, let them be terminated by fire in the name of Jesus. **\*Those of you whom the enemy has performed rituals to reduce your lifespan,**

to kill you untimely, I decree by the reason of the authority I received from Jesus, such a ritual is rendered impotent, useless and a failure in the name of Jesus.

⇒. Those who rely on the Lord, God will keep them alive in times of famine. There are some people who live by miracles. God has to perform miracles for them to survive because these people have no source of income but they have all they need because God provides for them.

•Father I trust in your mercy, let your power begin to perform miracles that will enable me to enjoy surplus in times of feminine, miracles that will enable me to spend money in times of scarcity, Lord let your power begin to work such miracles in my life. Lord, I trust in your mercy let your power begin to work miracles in my life that will enable me to enjoy surplus in times of scarcity and famine, that I will spend beyond my income.

### VERSE 20

⇒. Father I acknowledge that you are my help and shield, let me never be put to shame. Let me not be disgraced. Oh God of Israel, God of our fathers in the faith, God of Abraham, God of Isaac, God of Jacob, Father I acknowledge that you are my help and shield, do not allow me to be put to shame, do not let me be disgraced, help me Father in Jesus' name.

### VERSE 21

⇒. When God does miracles, you will have testimonies and when you have testimonies and victories, you will rejoice.

•Father I trust in your mercy, let me have testimonies of your great power in my life, let there be victories in my life that will cause me to have testimonies. Lord I trust in your mercy, let there be victories in my life that will make me share testimonies, testimonies of your faithfulness. I also want to share testimonies of your power, grace and of your love; Lord move in my life, do your works in my life because I want to testify, I want to tell everyone how great you are. I want to tell the whole world how wonderful and powerful you are, Lord Jesus move mightily in my life, that I may testify also of your wondrous works, of your faithfulness. I want to testify that you are the one who does what you say, to testify how you visited my life and changed my life, to testify that you visited my family, my home and things turned around.

### VERSE 22

⇒. There is a presence of God that naturally and automatically authorises miracles, breakthroughs, blessings, increase, abundance prosperity and riches. It is annoying to see Christians ignoring God's presence looking for things that have nothing to do with God. Every miracle proceeds from the presence of God.

•Father, surround my life with your powerful presence so that I can begin to have encounters with the wonders of your power. Lord, let there be a saturation of your powerful presence in my life, such a presence that authorises victories instantly, let such a presence be enthroned in my life, room prayer life, and altar. I want a

presence of you that opens doors, that authorises miracles, that destroys weaknesses, darkness and captivities. I want to walk in such a presence of you, I want to fellowship in your presence. Oh Lord let my life be surrounded with such a heavenly presence that commands mighty victories, great breakthroughs and great signs and wonders.

⇒. There are many enemies of God's presence in your life and until those enemies are eradicated you will not see the presence of God as you should. These enemies could be environmental powers or environmental darkness prevailing in your environment, it can also be your own mind. The state and condition of your mind can be an enemy to God's presence. Whenever God comes to you and looks at your hearts and sees your wrong state of your heart, He will just leave.

•Raise up your right hand. Father, let your fire fall, destroy, uproot and terminate every enemy of your presence in my life, every abomination that is pushing back your presence in my life, let your fire consume them. Every darkness, territorial or environmental power that is pushing back your presence, Lord let fire roast them, let fire destroy and consume them. Whatever I have enthroned in my heart and mind that is chasing away your presence; every bitterness, hatred, anger, pride, unrighteousness, ungodliness, faithlessness, doubt and whatever I have surrounded my mind with, Lord let your fire consume them all. I want your presence to prevail in my life, in my environment do it Lord Jesus, to the glory of your name.

⇒. A certain man of God saw a revelation of the river of the living waters and the water in that river was so little. He asked the angel who was with him why the water was so little and he was told that people do not have a hunger for this water. The water in the river was going to increase as long as the hearts of men hungers and thirsts for that water. The more hunger and thirst for the water, the more the water would increase and overflow. The reason why your life is void of God's presence is because there is no hunger and thirst in your heart for God and for God's presence. How can you be filled when you do not have hunger and thirst?

•Father establish in my heart a strong hunger and thirst for your presence, establish an unending hunger for your presence. Father create a deep and strong hunger for you and your presence, a hunger for the Holy Spirit, your power that I will not be satisfied until I enter your presence, that there will be no day that I will be comfortable and satisfied until I have found and enjoyed your presence, oh God of heaven and earth, give me that hunger.

⇒. If it is possible, touch the ground, if not, stretch your hand towards the ground. In the name of Jesus, I command the earth, the ground to give birth unto me the blessings breakthroughs, greatness that I need at this time, the riches, the wealth that my life needs to fulfill destiny at this time, I command to the ground to bring them forth right now. Right now, I speak to the ground because the Bible confirms that the earth can hear, therefore, right now let the earth bring forth, let the earth release and give birth to all the help that I need, the blessings, riches that I need to fulfill my

calling and destiny. Oh you ground, oh you earth, release unto me all that the Lord has ordained for me, all that the Lord has promised, begin to give birth to them for me now in the name of Jesus. Hear the Word of God oh earth and produce to me all the blessings, riches, wealth, favour and all the help that I need at this time. Begin to release divine connections that I need because it is time for me to fulfill destiny, it is time for me to rise to the position God has prepared for me before the foundation of the world. Now is the time to rise to greatness, time to sit on my throne, time to fulfill destiny, therefore oh earth begin to release all that I need, begin to birth them forth in Jesus' name, Amen.

Let a way appear so that you enter into the fulfilment of divine promises and prophecies now. I decree and it is done in the name of Jesus Christ.

⇒. Father let the chains of darkness that have limited my progress for years be broken right now by your fire. Chains of slavery that have held me bound me for years without making progress, I decree in the name of Jesus break by fire. Chains of slavery, chains of poverty, chains of limitation, chains of delay, I break them now in the name of Jesus. I break every chain of darkness on my neck, legs and hands that have held me and enslaved me for years, break by fire, break by fire in the name of Jesus.

⇒. Rise up on your feet and raise up your right hand. In the name of Jesus, let every prince and principality, powers of darkness that are behind my stagnation, let the anger of God descend on them right now and consume them all. Principalities, powers of darkness that are behind my stagnation in life and destiny, let the anger of God descend upon them and consume them. In the name of Jesus, I come against principalities, powers of darkness, rulers of darkness, wickedness in high places, demons that are sponsoring my stagnation, causing stagnation in my ministry, destiny and in my career and marriage, let the anger of God fall upon them and consume them all. Let the anger of God fall upon them and destroy them all in the name of Jesus. Every kingdom of darkness sponsoring and causing delay in my life, let the anger of God consume them in the name of Jesus.

⇒. Still standing. Oh Lord of hosts descend upon every battle confronting me to stop my destiny for tonight fulfilled, destroy them all, overcome them all in the name of Jesus. Let every battle stopping me from fulfilling destiny, let the Lord of hosts descend upon them and destroy them all in the name of Jesus. Lord of hosts descend upon every battle that will not allow me to enter into my promise land, that will not allow me to possess my possessions, that will not allow me to fulfill my calling and destiny, that will not allow me to enjoy the benefits God is sending into my life, that will not allow me to partake of my divine inheritance in Christ Jesus our Lord, descend upon them and consume them all. Every battle that will not allow me to grow spiritually, Father, descend upon them and consume them all in Jesus' name.

⇒. Still standing. Father, make my life an example of your greatness on earth. Let the greatness of you be revealed in my life, let it manifest in my life and career and business. Through my life let the whole world see how great you are. God of heaven and the earth, make my life, ministry and calling an example of your greatness in the earth in the name of Jesus. Through my life my situations let the nations be able to

see how great you are. In my calling reveal your greatness so that the whole world will know how great you are. Reveal your greatness in my life that the whole world will see and glorify you in the name of Jesus.

⇒. You can sit but if you feel like continuing standing, do so. Father, give me an establishment that will facilitate the fulfillment of my destiny. Put in my hands that which will enable me to fulfill destiny in the name of Jesus. Lord give me the tools, the weapons, the blessings, properties, equipment, and things that I need to have so that I can fulfill destiny, Lord give them to me in the name of Jesus. Physical establishments that will enable me to carry out the assignment you have called me to do on earth, Lord give me those establishments. Lord everything that I need release them unto me, supply them in Jesus' name.

⇒. Place your right hand on your head. Father let my spirit, soul and body be fully awakened to discover your perfect will for my life, for my destiny, your perfect will for my present time, let all of me be awakened to know it and to discover it. Let all of me be awakened to discover that which you have purposed for me even before the foundation of the world. Let me be awakened to know your perfect will for my life and destiny.

⇒. In the name of Jesus, I come against every ancestral evil, every darkness that is blocking my manifestation in destiny, my manifestation in the glory of the Lord, let your fire destroy such evil. Ancestral darkness, ancestral evil blocking my manifestation; ancestral covenant and curses stopping my manifestation in destiny, I come against you in the name of Jesus, I decree that you catch fire right now in the name of Jesus. Every inherited evil, inherited darkness, every fear that I have inherited, bondages I have inherited from my ancestors that are blocking my manifestation in calling, in destiny, in glory, let fire consume them now. Every poverty, sickness, limitation that I inherited that is now stopping my manifestation in calling and destiny, stopping me manifesting in the glory of the Lord, let the fire of the Holy Ghost consume them all right now in Jesus' name.

⇒. Raise up your right hand. Father let the hold of darkness upon my life and the affairs of my life be broken in pieces. The stronghold of darkness upon my life, my spirit, my soul, my body and the affairs of my life, let that stronghold be broken right now in the name of Jesus. Stronghold of witchcraft upon the affairs of my life stronghold of darkness, of marine spirits, of serpents, stronghold of demons upon my life and the affairs of my life, I command you to break now in the name of Jesus.

⇒. Strongholds are what is stopping the will of God to manifest and permitting the will of the devil to be done. Wherever the stronghold of darkness is, it's only the will of the devil that will be happening not the will of God. Stronghold is a licence to permit the devil to continue to oppress you; it's a licence that makes him stronger

than you. There are different kinds of strongholds and the most powerful ones are in the human mind.

•Raise up your right hand. In the name of Jesus, I come against every stronghold of darkness prevailing in my environment, I decree that the fire of God destroy you all right now in the name of Jesus. Every stronghold of darkness prevailing in the air, atmosphere, in my environment, I declare in the name of Jesus, fire of the Holy Ghost consume you all now in the name of Jesus, be broken in pieces. Strongholds of darkness, of witchcraft, territorial demons prevailing in my environment, I come against you in the name of the Lord of hosts, I come against you in the name of Jesus and I decree that you are broken in pieces right now in Jesus' name. You are destroyed in pieces in Jesus' name.

⇒. Fear is one of the most powerful strongholds of darkness. It is a spirit that can possess your body, your soul and your spirit. Fear is a spirit that can possess even the physical things around you. Fear is a very strong force controlling the universe, that's how powerful fear is. It is a negative energy that has the power to control the entire universe. That is why you must not give into fear. If you have overcome fear, it means you have overcome the whole world. You have overcome every living thing because all living things have been possessed by fear. Whatever you are afraid of is going to be more powerful than you. If you are a slave to fear you will not be able to enter heaven because you cannot be able to please God. The Bible says the fearful, liars, whoremongers cannot enter heaven.

•Place your right hand on your head. Father, let the stronghold of fear be destroyed in my life. Every fear that has possessed my body, soul and spirit, I decree in the name of Jesus, be destroyed. Right now I come against every fear that has taken possession of my body, soul and spirit, I decree in the name of Jesus, catch fire right now, be uprooted by fire, be destroyed by fire in the name of Jesus. My life shall not be a slave to fear in the name of Jesus. Stronghold of fear upon my life, my mind and soul is broken right now in the name of Jesus. I refuse to be enslaved by fear, I refuse to be a slave to fear, I shall not fear anymore in the name of Jesus.

⇒. Fear has so much power to control the universe that is why the antichrist has chosen to use it because he knows the power fear commands over souls. The antichrist agents created the coronavirus, the virus on its own is so weak but what gives power to that virus is fear. It's so weak that the human system can deal with it without you taking any medication, only if you have defeated the fear that was injected into that virus. If you embrace the fear then the virus becomes powerful over you. Not only the virus alone, but everything in this world, whatever you are afraid of, naturally becomes stronger than you and will rule over you.

•Father, every limitation I created for myself through fear, I created against my life and destiny through fear, oh God let them be destroyed right now because I have renounced fear. I have rejected fear therefore Lord let your power destroy those limitations. Every limitation I have created in my body, over my body, over my soul, over my spirit, to stop me from receiving my breakthrough, healing and deliverance,

to stop my spiritual transformation, to stop my spiritual growth and advancement, to stop my prosperity, to stop me from enjoying the glory of the Lord, oh God of Israel, I repent, let your power destroy those limitations right now in the name of Jesus. Every limitation I created to stop me from receiving my healing, oh God of Israel, let them be broken right now in the name of Jesus.

⇒. There are two forces controlling the universe: fear and love. The Bible says, perfect love casts out fear, when the love of God is perfected in your life you will not fear. When you know that God cares so much for you and how He will never hand you over to destruction, at that point, fear would disappear despite what you face.

- Place your right hand on your head. Father let me be perfected in your love and let your love be perfected in me that I may be free from fear all the days of my life. Lord let your love be rooted and grounded in my heart, let me be full of your love such that no fear will survive in my life anymore. Help me to love you more than anything and everything in the world, help me to love you enough to trust you, to believe you, and please you so that I will be fearless. Lord help me to be rooted in your love and your love rooted in me.

⇒. The strongholds are strongest in your mind. Another stronghold apart from fear that has led to the downfall of many Christians at this time is the stronghold of lust. Strong desire for what is not the will of God for you. It could be a good thing but if it is not the will of God for you at that time, it is lust. Most Christians are falling because of this stronghold.

- Place your right hand on your head. In the name of Jesus, let the fire of God destroy every stronghold of lust prevailing over my soul, spirit, and body, let fire destroy them. Let the fire of the Holy Ghost destroy every stronghold of lust, lust of the flesh, lust of the eyes, lust for things that are not for me, things that God does not want for me. Every lust that is making me desire things that the Lord does not want for my life, things that the Lord does not desire, I decree let the fire of God destroy such lust now. Every spirit of lust moving me to crave for things that I should not crave for, things that have nothing to do with the kingdom of God, let the fire of God destroy such lust now in the name of Jesus.

⇒. The devil will always use what people love and desire so much to get them into captivity. How do you defeat such an attack from the devil? By changing or renewing your mind concerning that lust and stop craving for that thing, then the devil will become weak against you. What makes him stronger than you is because you have this secret desire for something that is not in line with the will of God for you or the will of God for that time. Because he knows you are strongly desiring that thing, then he begins to set traps for you along the coast of that desire. You can be craving for marriage which is not a bad thing but because you are craving for it, that could be where the devil will swallow up your life and destiny forever. It is in the path of your craving that the devil will set a trap to capture you forever and you won't be able to come out.

⇒. In the name of Jesus, I receive strength to renew my mind from the direction of lust, I receive strength to reposition my mind, to renew my heart from the direction of lust. I receive strength in my heart and spirit to stop craving for the things that do not align with God's will for my life and destiny at this time. I receive strength to stop seeking after things that do not align with the standard and principle of the Kingdom of God. I receive strength to renew my heart from craving things of this world.

⇒. You may be asking, if I don't desire a child, money or marriage, then how am I going to get them? The Kingdom of God is enthroned in your heart when you stop desiring the things of this world, that is when the Kingdom of God is established in your heart and that is how the Kingdom of God operates. Matthew 6:33, to have good things in this world is by not seeking them, that's the formula the Kingdom of God operates with. By not seeking the things of this world that is how you destroy the stronghold of lust. This stronghold of lust is very powerful, it could be sexual lust, lust for money, lust for fame, power, recognition. That lust is so strong that it's affecting ministers, ministries, rulers of this world. When you are asking God for power, what's your motive behind it? Is it for you to be seen or is for the glory of God?

•Father, help me to begin to seek after your Kingdom and your righteousness, help me to seek nothing else except your Kingdom and your righteousness. Help me Father to seek nothing else in this world except your Kingdom and your righteousness, that is all I want to seek. Help me that I seek nothing else except the Kingdom of God and God's righteousness. Lord, this is my desire, help me to have this desire because I know it is the only way to fulfill destiny, it is the only way I can be delivered from lust.

⇒. The stronghold of pride. This stronghold can make the devil easily control you though most people do not know this about pride. It will be very easy for the devil to control you if you have given yourself to pride. He will flatter you and you will be so excited; for example when someone says you are so powerful, anointed, talented and beautiful and when you get so excited that is pride. This stronghold quickly brings upon your life divine judgement. This is an enemy to spiritual growth because God resists the proud and gives grace to the humble. When you are humble you will grow and will be lifted but when you are proud you will not grow, you will fall and keep going down.

•Father, destroy every stronghold of pride prevailing over my soul, let them be destroyed right now. Father, destroy the strongholds of pride from my life. I don't want to exalt and promote myself, I don't want to speak so much more of myself than of Jesus. Lord deliver me from every stronghold of pride in Jesus' name.

⇒. Strongholds of negative emotions or unclean feelings. When you feel anger or bitterness or you feel like being with the opposite sex or being in a relationship. Some people always want to have someone they are dating, they don't want to be alone, that is a stronghold. When you yield to the negative feelings, impure emotions

flowing in your blood, that is a stronghold. When you allow them to rule over you it's a stronghold.

•Place your right hand on your head. Father, deliver me from every stronghold of unclean emotions and unclean feelings that are prevailing over my soul, Lord deliver me. Anger, ungodly lust, bitterness, sexual urge, pride; Lord destroy these strongholds over me. Lord destroy every stronghold of negative emotions, negative feelings, unclean feelings, impure emotions, Lord destroy such flow of emotions that are against your will against, your Word, against your righteousness, Father destroy that flow in my life.

⇒. One of the things that God will do in the life of a man He loves is to align your life to His will. If God is going to use you mightily, you must be aligned, you must agree with His will, be repositioned to follow his will.

•Father in your mercy, let my life fall in alignment with your will, purpose and desire. Oh God of Israel, let my life, spirit, soul and body, heart and mind fall in alignment with your will, desires and purpose in the name of Jesus. Let me begin to see things as you see them, let me begin to go in the direction you want my life and destiny to go, let me begin to have the same thoughts you have, to love the way you love. Lord let my life fall in perfect alignment with your mind, help me Father in Jesus' mighty name.

⇒. Father, make it too difficult for the enemy to have his way in my life, let it be too difficult for the kingdom of darkness to succeed over my life. Everything the kingdom of darkness has been doing, Lord let them never be able to succeed or prevail over me. Lord let it be too difficult for them to cause my downfall and failure, to prevail over my life in the name of Jesus. Make me invisible to the kingdoms of darkness that they will try and try but will not be able to bring me down in the name of Jesus.

⇒. Raise up your right hand. Father right now begin to confuse every gathering of agents of darkness, every network of agents of darkness, gathered to cause evil in my life, let confusion fall upon them and let them never be able to carry out their enterprise. Right now in the name of Jesus, let great confusion fall upon every gathering of kingdoms of darkness, gatherings of devils, gathering of agents of Satan, evil spirits, marine spirits, kingdoms and principalities and powers of darkness to cause sorrow, pain and troubles, Lord let great confusion fall upon them now. Lord let great confusion fall upon their meetings and gatherings and let them never be able to succeed in their evil agenda, concerning my life and destiny, let their plans begin to fail in the name of Jesus.

⇒. In the name of Jesus, I come against every attack of untimely death that has been fired into my life, fired against me, I decree let such an arrow come out in the name of Jesus. Every attack of untimely death that has been sent into my life, I command them to come out in the name of Jesus. Every enchantment, sorcery, divination, curse that has been sent, pronounced channeled, projected into my life to

cause untimely death, I decree in the name of Jesus, let them begin to come out of my life. Right now in the name of Jesus, let it fire destroy them all.

⇒. In the name of Jesus, let the glory of my calling, life, destiny receive power to rise and shine, let the glory of my creation receive power right now to rise and begin to shine and be a blessing to the world, to be a blessing to my generation. The glory of my life, calling, creation, destiny, I speak to you, receive power to rise and begin to shine, begin to prevail and begin to be a blessing to my generation.

⇒. Father let your will be done in my life, let your will for my life at this time, for this time even for the things that are supposed to happen to me that have not yet happened, Lord let them begin to happen, let your will be done. Let your present will and your will that should have happened by now, let them be done. Lord your will for my life, both for this hour and those that should have happened before now, oh God in your mercy, let them begin to come to pass in the name of Jesus. Let your will be done Father, thank you Lord in Jesus' mighty name, Amen.

## CLOSING PRAYER

Raise up your right hand

Father, we thank you because you are so faithful. Thank you for your mercies, your grace, your power, your glory and your greatness. Thank you Lord for the divine visitation, divine touch, thank you for how you have designed our destinies to reveal the greatness of you all over the nations. Thank you oh faithful Father, be thou praised, be thou exalted, be thou magnified forever in Jesus' name.

Lord, your people have cried out unto you, they have prayed, they have requested of you many things tonight. I ask oh God that in your mercy, visit everyone and satisfy them to the fullest with great blessings and miracles in Jesus' name.

I pray for you that in this season, even in this month, heaven will satisfy you with too many blessings in the name of Jesus. You will be so blessed that you will begin to bless others out of the multitude of the blessings you will receive from the Lord and so shall it be in the name of Jesus.

I decree that in this season, even in this month, you will have more than you have asked of the Lord. Heaven shall open for you and you shall have more than you have asked from the Lord, far beyond your expectations, the Lord shall surprise you in the name of Jesus.

I speak over your life, as the Lord spoke to the Israelites and told them to go forward. Therefore I speak over your life; that, begin to go forward right now in the name of Jesus.

Every power that has stagnated your life to a spot for so long, I come against that power and I decree that let the anger of God consume that power right now in Jesus' name. Go forward in Jesus name and begin to break limitations. As you are going forward, begin to break limitations in the name of Jesus. Begin to fulfill your calling and destiny in the name of Jesus. Begin to possess your possessions in the name of Jesus, begin to rise and begin to fly in the name of Jesus. As you are going forward, begin to manifest in your spiritual gifts in the name of Jesus. As you are going forward, begin to meet with your destiny helpers in the name of Jesus. Thank you Lord because we know you have answered these prayers, in Jesus' mighty name I have prayed for you, Amen.

⇒. There are powers that turn days into evil, each day on earth they turn it to become evil for everyone. These powers control day and night; the Kingdom of God also controls times and seasons. That is why the Bible says we should redeem the time for the days are evil.

Every pollution of darkness I have eaten in the dream, every poison of darkness that entered into my body, soul, and spirit in the dreams, right now let the fire of the Holy Ghost flush them out in the name of Jesus.

⇒. It is wrong for any form of evil to stay in your life. The reason why some Christians are having persistent problems is because when they are supposed to have dealt with the problem spiritually, they didn't do it. When they should have prayed, they didn't pray. Now when the problem reaches a point whereby it's affecting them physically that's when they start praying, which is wrong. You have to pray for something before it becomes a problem physically, you have to deal with it first spiritually. That way it will be difficult for it to manifest physically but if it appears, it won't last a long time. There are certain things that have been deposited in your life, though you can see them, you are not doing anything about them now, when they begin to grow and produce physical problems, it will be too late for you to be concerned, you should pray the moment you see them. If you want to enjoy a joyful and fruitful life, you have to deal with things beforehand.

•I expose every work of darkness in my life that is destroying good things, every attack of darkness in my life, every influence of darkness in my life destroying good things, I expose them to the fire of the Holy Ghost, let them be destroyed right now in the name of Jesus. Everything the devil has thrown and hanged in my life to cause troubles to multiply, I expose them to the fire of the Holy Ghost, let them be destroyed now in the name of Jesus.

⇒. It is possible that you don't do the right thing at the right time but that you are doing the right thing at the wrong time. Success is not always proportional to hard work. You don't get successful by how much you work hard, most times you are successful by doing the right thing at the right time, but by working at the right time and the right way, wisdom is very necessary to be successful. Wisdom is when you are at the right place at the right time, doing the right thing at the right time. If you're not in perfect alignment with the right timing that produces your success, you will continue working hard and nothing good will happen. It is possible there is a spirit working with you to ensure you don't do what you're supposed to do at the right time

you should do it. Sometimes you need to think the right thoughts at that time, say the right words at that right time, move in the direction you are to, at the right time.

•I take authority over every spirit that has combined with my body, with my life making me lose connection with divine timing. Every spirit that has connected with my journey to disconnect me with divine timing, let fire arrest them. Every spirit that is making me do the wrong thing at the right time, let the fire of God banish them from my life, let them be disconnected from my life. Every spirit working with my life disconnecting me from the divine timing of the Lord, the divine timing that God has ordained to make me great and successful, I bind them and I cast them out of my life forever in the name of Jesus. I receive wisdom to be in the right place at the right time, I receive the anointing to be at the right place and the right time, I receive the anointing to speak the right words at the right time. I receive the wisdom to go in the right direction at the right time that I should go in that direction. I receive wisdom to do the right thing at the right time in the name of Jesus.

•Raise up your right hand. In the name of Jesus, I come against every covenant of darkness that has bound my life with demonic altars, spiritual spoiled, that has connected me with devils, principalities of darkness, let the sword of the Lord, the fire of the Lord destroy such bonds and covenants right now. Every chain of darkness break in pieces now in the name of Jesus.

⇒. God has special weapons to deal with all manner of curses, troubles, of problems the devil has caused in people's lives. One of the weapons is the coals of fire.

Whenever God deals with problems that have ancestral backgrounds or inherited problems, ancient problems transferred through the bloodline, He uses coals of fire. Let your love take deep root in my heart and let me love you more, I want to love you more than life itself, I want to love you more than myself.

⇒. The reason why you are committing sin is because you have not loved God enough. There's a level of the love of God that when it's in your heart and life, it will not allow you to sin against him. There's a level of the love of God in your heart that will destroy sin forever in you. Love is the greatest weapon against sin and the kingdoms of darkness. The remedy for sin is the love of God

⇒. There are things that we have loved that are killing, destroying and weakening the love of God in our hearts. Some have loved your marriages, jobs, your beauty, money, friendships, your children or your spouse so much and you have allowed that love to destroy the love of God.

•Father, disconnect me from everything that I have loved that has destroyed my love for you, Lord take away my love from those things. Lord remove my love from those things that have made me to lose my love for you, things that have killed my love for you, Lord take my love from them, separate me from loving those things. I reject every love in my life that has destroyed my love for God.

⇒. Satan will not rest until he has completely taken or completely destroyed your love for God. The Bible says the love of many will wax cold in the last days because Satan has taken lordship over them and they can't love God anymore. We don't love God that is why we are ever serving ourselves and Satan and not God.

•Lord Jesus, I surrender my heart, my soul and life to you, come and take your place in my life and heart, sit in your place in my heart for you are my Lord. You are my Lord, come and take your place. Lord I surrender my soul to you, I surrender my heart, spirit, body, and mind, come and take your place, come and have your way in my heart and life, have your way and take your place. •Lord Jesus, destroy the love of money in my heart, in my soul that has destroyed my love for you. Father, destroy from my heart every love of money that has taken my love for you. •Father, strengthen my love for you and your Kingdom that I may serve you with all I am and with all I have now till forever. Father deepen that love for you so that it will not be destroyed by poverty. Let my love for you be so strong that temptations, trials, tribulations, persecutions, failures, disappointment, sorrow and nothing in the world will be able to destroy my love for you. Lord I want the kind of love that nothing can

take away, be it world problems, fears, disappointments, limitations won't be able to take away. Lord, I seek for that kind of love, strengthen my love for you.

⇒. As human beings, one of the temptations is our emotions or feelings. Human emotion and feelings can be so demonic to destroy our love for God. There are some people you have become emotionally attached to and if they are not on good terms with you, you get frustrated. If some people offend you then every other thing in your life falls apart, you are not able to pray, fast, worship or have fellowship with God, that is a demonic bondage. If someone does not respond to your text or to your greeting and you are unable to pray and you are miserable, then w that is demonic bondage.

•Father, deliver me from every demonic emotional bondage that is separating me from you, that is destroying my love for you and your Kingdom, Lord deliver me from such bondage. Deliver me Lord Jesus from every emotional bondage of my feelings that is depriving me from loving you as I should, deliver me from this kind of emotions and feelings. Every emotional connection I have with people that the devil is using to stop me from loving you as I should, Lord I reject such emotion. Let such emotion be destroyed now in the name of Jesus. Every negative emotional connection I have with my husband, wife, my children, grandchildren, parents, siblings, friends and neighbours that is allowing the devil to stop me from loving you as I should, Father destroy those connections right now in the name of Jesus.

⇒. The reason why the love of many will wax cold is because of the series of unpleasant events that will happen in the last days that are targeted at separating people from God. The devil is causing several situations, currently they have separated many Christians from God, situations of temptation, sicknesses, disease, famine, war and poverty. When there is no food people tend to forget God and look for ways on how to survive.

•Raise up your right hand. Father, arise and terminate every situation and events the devil has created to separate me from you, put an end to everything happening in my life, environment, community, country to separate me from you, to destroy my love for you. Oh God of Israel, I call on you right now, begin to end such situations of sorrow, trouble, suffering, poverty, hardship, reproach, sickness, disease and war the devil has created and is creating to end my love for you, to terminate my relationship with you, arise and destroy such situations right now in the name of Jesus. Every negative situation that the devil has risen up to make sure my love for you is weakened, every situation assigned to take away my peace in my life, marriage and environment, oh God of Israel, let your anger terminate such situations right now.

⇒. Most people do not know the love of God. There are mysteries inside the love of God, there is so much deeper understanding inside the love of God that many Christians do not know.

•Father, reveal to me the mysteries of your love, the depth of the understanding of your love, reveal to me how much you love me. If I know how much you love me, I might have loved you better. Father, reveal to me how much you love me, reveal the depth of your love, the mysteries of your love, the grace that is in your love, the mercy in your love, the kindness in your love, the power in your love, I want to know your love, that I may be able to love you with all that is in me.

⇒ . There are steps, actions or decisions that God is waiting for you to take so that He can pour out his love for you because the Kingdom of God works by principles and standards. If God is expecting you to take a second step and you have not taken it, you might not see the wonders of His love or depth of His love for you. God wants people that will take Him seriously. He expects you to drop valuable things of this world so that you can pursue Him because you want Him, because you want to lay hold of Him, that will provoke God to pour out His love on you, He will show you His love. What have you laid down to find God? Some of you have no hatred for sin and you want to see the wonders of God's love, that's impossible.

•Father, help me to take actions, steps or make decisions that will provoke you to lavish your love on me, that will make you pour out your love on me, help me to take those decisions and steps. Father, help me to take steps that will make you pour out your love on me, help me to make sacrifices to lay down everything that will make you visit me and pour out your love on me. Lord, I am willing to take such actions that will make you leave your throne, come and visit me; actions that will provoke you to show me the wonders of your love, help me Lord to take such actions in the name of Jesus.

⇒. There's always a test to check your love for God. God has a way to test people to see if they love Him at all or how much they love Him. Unfortunately most Christians including servants of God have failed the tests. You must not love anything more than God because when you love anything more than God, you cannot pass that test.

•Father I repent from sharing my love for you with other things, help me to love you more than everything in my life, more than everything in this world. Lord, I want to have pure love for you, love that has no rival, Father, separate me from everything that is contending with my love for you. Everything in my life, everything in my body, soul and spirit, in myself flash that is contending with my love for you, Lord separate me from such things, separate such things from my life in the name of Jesus. Lord help me to live a consecrated and sanctified life, a life that is separated from this world, a life separated from the things of this world, a life separated from the works and ways of the flesh, help me to live such a life in the name of Jesus.

⇒. Without dying to the flesh, you cannot love God because yourself or the flesh naturally hates God, it hates righteousness, the will of God and the Kingdom of God. Until your flesh dies, you cannot love God, it will be impossible.

•Father put to death flesh in my life because I want to love you, I know with my flesh still alive I cannot see you. Put to death the power of flesh, the sinful nature in my life because I want to love you. Lord put to death my flesh, the power of sin in my body, spirit, soul because I want to love you. Let my flesh die because I know that is the only thing that will stop me from loving you. Let the Adamic nature in my life die, let the carnal nature in my life die because I want to love you Jesus.

⇒. Father, reveal your love to me even in dark situations, in those moments when it appears as if I am defeated, as if I have lost it or have failed, Lord reveal how much you love and care for me in the midst of those moments. Father in the midst of my poverty, pain, oppression, failure, disappointment, show me how much you love and care for me. Father in the midst of unanswered prayers, struggles and delay, show me how much you love me. I know that you love me, show me your love and caring in those moments, show me your love and caring in the midst of my negative moments in Jesus' name.

⇒. Loving God has a lot to do with giving though a lot of people have not been taught rightly. Loving God and giving is so interconnected that you cannot do the other without the other. Just as God loved the world and He showed His love by giving His only son to die for the world. You cannot say you love God and not give to God, it's not possible. If your loving God does not have anything to do with giving them that love is fake. If you cannot give, you are under bondage or in captivity.

•Father, deliver me from every bondage of darkness that will not allow me to give to you even with the little that I have. Father, deliver me from every bondage that will make me consider that something is too big to give to you. Deliver me Lord Jesus from the bondage of money, that will make me feel as if that's something too big to give to you, that will make me feel like it is wrong to give sacrificially, Lord deliver me from such bondage because I really want to love you. Set me free to give so that I can prove my love for you.

### **PSALM 94:1**

⇒. Raise up your right hand. Oh God of vengeance, arise and revenge for me concerning my enemies, concerning those that are oppressing me, arise oh God take revenge for me now. Arise oh God of vengeance in your fire, in your power and take revenge for me concerning my enemies, visible and invisible, spiritual and physical that have stolen from me, concerning enemies that have oppressed and are oppressing me, concerning forces of darkness that are attacking me, arise and take revenge for me now. Arise oh God of vengeance take revenge for me now, fight for me now in the name of Jesus concerning the enemies of my destiny, life, calling, and finances, concerning the enemies that will not let me have peace and joy, who will not cause me have my possessions, move forward into my promised land, enemies that are ready to kill and destroy my life, arise oh God and fight them for me. Take revenge for me, for you are the God of vengeance take revenge and rescue me.

⇒. Righteousness and justice are the foundation of God's throne meaning that God is the one that enforces justice in all the nations and in all situations. He knows how to give justice to the poor and needy, to those that have been oppressed.

•Raise up your right hand. Arise oh God of Israel, or God of vengeance command justice and let my benefits and possessions be given to me in the name of Jesus. Arise oh God of Israel, arise oh God of vengeance and justice for me, command justice for me and let my possessions be given to me, let my blessings, benefits, miracles and promotion be given to me in the name of Jesus. Arise oh God of justice, arise oh God of Israel, oh God of vengeance arise and command justice for me, enforce justice for me, let what is rightfully mine be given to me now in the name of Jesus. What belongs to me, what is my possession, let them be given to me now in the name of Jesus. What is mine for me to rise and fulfill destiny, let them be given to me now in the name of Jesus.

⇒. No government system of the world can stop God from enforcing His justice. The reason why it looks as if God is silent and there is so much injustice going on is because Christians are not crying out to God to command justice. If we begin to cry out to God, justice will be done because God is a God of vengeance; h6e is the one that defends the poor and the oppressed.

•Oh God arise and command justice for me in the midst of governments systems of the worlds, organisations and institutional systems, in the midst of every realm on earth, Lord arise and command justice for me in the name of Jesus. In the government system of my country, in every financial system, health system and in every system in my country and in any system of the world, arise oh God and command justice for me in the name of Jesus. Arise now oh God of vengeance, arise oh God of Israel, arise and command justice for me, my family, my house, place of work, and in every system that is oppressing me, depriving me of what belongs to me, Lord visit those systems and command justice for me now. In every place where my benefits are being held down, my rights are being taken away from me, oh God visit those places and command justice for me right now, for you are the God of vengeance, command justice in the name of Jesus.

⇒. God does not only command justice in the physical realm but also in the spiritual realm. In the realms of witchcraft realm and in invisible realms, He commands justice there as well.

•Oh God of heaven and the earth, you are the God of vengeance, visit every invisible realm, every realm in the spirit that is holding what belongs to me and let my possessions be given to me. Oh God of heaven and the earth, or God of Israel, you are the God of vengeance, visit every spiritual realm, invisible realm, where what is mine has been caged, visit those realms and let my blessings be released to me, let my benefits, my possessions be released unto me right now in the name of Jesus. Every realm in the heavenly places, on earth, in the atmosphere, under the earth, in the sea, under the oceans that has held what belongs to me captive, Lord visit those realms and let my blessings be released, let be withdrawn unto me. You are the God

of vengeance, the one that commands justice in every realm and Kingdom, Lord visit those kingdoms of darkness that have held bound my benefits, visit them in your anger and take what is mine for me right now..

## VERSE 2

⇒. The proud are people who try to put themselves in God's position. They have a controlling spirit, they feel like they are above everyone else and they feel they can use their positions to oppress others and they use others for their selfish interests. God is always against the proud, if you are among the proud God will be against you.

•Father, I do not want to be counted with the proud and listed with the proud, Lord take away from my life every proud spirit and put upon me the spirit of humility in the name of Jesus. Lord, I do not want to be numbered with the proud, take away from my life every proud spirit and clothe me with the spirit of humbleness in the name of Jesus, so that I will not be judged, so that I will not fall under your judgement. Take away from me every proud spirit and let it never find a dwelling place in my life. Clothe me oh Lord with a humble heart, with a humble spirit in the name of Jesus

⇒. God brings down the proud from their positions. As long as those proud are in their positions a lot of people will not be able to forward. Proud people do not want other people to rise

•Raise up your right hand. Father, arise and bring down, demote every person that must be demoted for my life to move forward; every person that must be removed from their positions so that my life and destiny can move forward, so that I can fulfill my calling and destiny. Right now oh Lord, I asked that the proud lose their positions so that I can move forward into my destiny fulfillment, I prosperity. I don't want to know who they are or where they are, anyone, anywhere that must be demoted for my life, calling, destiny to flourish, to make progress, Lord demote them, bring them down right now in the name of Jesus. **\*Right now I ask oh God that the proud lose their positions so that your people can move forward. Lord let the people that have taken high positions and are not allowing your own people to move forward into their destiny fulfilments, Lord arise and begin to demote those people, whoever they are, whatever they are and wherever they are, arise oh g6od remove them, demote them, bring them down now in the name of Jesus.**

⇒. Wherever proud people are, it will be difficult for righteousness or for the Spirit of God to move, even if it is in a church setting.

•Father visit your church and remove the proud from their positions so that your church can move forward, so that the Holy Spirit can move in the midst of your church. Visit the church and take away the pride from the leadership so that your people can move forward and the Holy spirit can flow and operate in the midst of your church. We are your church, this is your body, the body of Christ, arise and visit your church, begin to remove proud people that are stopping your will, who are stopping your people from progressing. Remove proud people that will not allow the

church to move to the next level. Lord visit the church and demote those people in the name of Jesus. Humble them by your mighty hand.

⇒. The proud deserve judgement. The pride cannot serve or glorify God; they take the glory of God for themselves; they do not return the glory back to God; those are the proud. Do you give glory to God for all that He's doing in your life and for all that He has done? Do you appreciate God? Are you grateful to God? Or you think that everything you have you deserve them or because you worked for them? God hates boasters, the proud, people that do not give glory to God and try to take praises that should go to God.

•Father, help me to always give you glory and not take the glory that belongs to you. Help me to always be grateful and thankful for everything you have given to me and done in my life. Father help me to be thankful, to be grateful for everything you're doing in my life, help me to be grateful and thankful for everything you have done in my life.

⇒. Pride goes along with rebellion and arrogance. When you prefer your own will more than the will of God, and you're willing to do whatever it takes to get your will, that is pride.

•Father, take away from my life every spirit of Rebellion and arrogance, every spirit that wants my own will done and not your will for my life. Father take away from my life every spirit of rebellion, every spirit that wants my own will done instead of your will, take it away. Give me the spirit of obedience, the spirit of the fear of the Lord, the spirit of humility, surrenderness, take away from my life every spirit that is making me to struggle with you and your will, to struggle with obeying your will, give me the spirit that will enable me to surrender to your will in the name of Jesus.

⇒. It is possible that some people are owing you money and God as the judge of the earth knows how to get that money for you.

•Father, you are the judge of the earth, arise and get for me my benefits, possessions from the hand of those who are holding them, get for me my blessings, my entitlements from the hands of those who are holding them, arise and judge them and get my blessings for me. Oh Judge of the earth, get for me that which is mine, my benefits, my blessings, my entitlements, my positions that are in the hands of people all over the world, arise oh God and get them for me in the name of Jesus. Or Judge of the earth arise and get it for me from the hands of people, get my rights, possessions, benefits; oh Judge of the earth arise and get them for me now in the name of Jesus.

⇒. In some families there are demonic strongmen, certain personalities of darkness that say there's no one in this family that will fulfill destiny. It is possible that there is somebody in your family line or background, or bloodline that is a representative of Satan, and they are standing strong saying nobody born into this family line can fulfill destinys.

•Raise up your right hand. Arise oh God of Israel, you are the judge of the earth, arise and declare your judgement, arise and execute your judgement upon every personality in my family line, family house, family background that will not allow me to fulfill destiny. Every demonic or satanic representative in my family, in my father's house, mother's house that will not allow me to fill destiny, arise and execute their judgements tonight right now. Right now in the name of Jesus arise oh King of Israel, arise or judge of the earth and execute judgement on every man, every woman, personality of darkness, representative of darkness and satan and kingdoms of darkness in my family house, in my bloodline that will not want my life to make progress or for me to move forward in calling and destiny, who do not want me to fulfill my divine destiny, ancient of days arise and execute judgements right now. Whoever they are, wherever they are, physically or in the spirit realm, every personality of darkness that has risen up in my family background and will not allow me to fulfill destiny, oh God of Israel arrest and execute their judgement now in the name of Jesus. **\*I decree over your life that whoever has lifted up himself or herself and has called themselves controller over your destiny and they are saying you will not fulfill destiny, as long as they are still there. I decree right now that the God of heaven and earth, the judge of the earth, will descend upon them with fierce judgement right now in the name of Jesus. Concerning your life and destiny, I decree they receive divine judgement right now in the name of Jesus. In Jesus' mighty name, Amen.**

Let my destiny and glory be released to manifestation in Jesus' name.

⇒. I saw that the enemy is causing disturbance, to make you lose focus and concentration. When the devil sees how you are focused on God and God's things, on the call of God or on spiritual growth, what he does is that he will create disturbances to shift your attention off course from God.

•Raise up your right hand. In the name of Jesus, I take authority over every spirit assigned to cause disturbances in my life, to cause frustrations in my life, I decree fire to arrest them and banish them out of my life, let fire of the Holy Ghost arrest such spirits and darkness and let them be cast out of my life forever in the name of Jesus. Holy Spirit that is my desire for you to take full possession of me, take full possession of my heart, my mind, my spirit, body and change me to be like you in the name of Jesus.

### **Psalms 94 3**

⇒. It is possible that there is something the enemy has done over 30 years ago and he is monitoring that thing, just like a farmer monitors the seedlings he planted so is the enemy. The enemy did what he did and he is staying with that thing to ensure that it continues. That is one of the operations of the dark kingdoms, they do evil and they monitor it to ensure that it doesn't end until the victim enters the grave. Whatever that evil God shall end it tonight.

•Raise up your right hand. Oh God arise and permanently destroy every evil that has stayed so long in my life, that has prolonged in my life for years. Arise oh God of heaven and earth and permanently destroy every evil I inherited from my bloodline, every evil that has prolonged itself for years in my life, finances, marriage, career and is refusing to end oh Lord arise and end them now in the name of Jesus. Arise

and end them right now in this very hour, let such evil end in the name of Jesus, you are the alpha and the omega, the one that begins things and the one that ends things, Lord let it end now in the name of Jesus.

⇒. Father, use my life as a wonder and a special surprise to the enemy and to all the plans of the enemy that are against me. Father, use my life, both my past present and future as a wonder to all the kingdoms of darkness and all the plans that are against me in the name of Jesus. Let my life be a mystery that they will never be able to understand, and let my life excell so much that they will continually be in shock in the name of Jesus.

⇒. To gloat means that the wicked become delighted and start rejoicing for the success of their evils. Some of the attacks of the enemy are unsuccessful while others are successful. I don't know if there are any successful attacks of the enemy against your life and destiny. You have to attack the sources, the roots of those powers of the enemy.

•Raise up your right hand. In the name of Jesus, I come against every power and sources of power mobilizing successful attacks against my life and destiny, let the anger of God consume them all right now. I come against every power, every source of power mobilising attacks against my life, calling, destiny, let the anger of God consume them now in the name of Jesus. I come against every root of power that is sponsoring successful attacks in my life, career, help, destiny, let the anger of God destroy them all, let the fire of God consume them all right now in the name of Jesus.

⇒. It's not only in the physical realms where we have explosives, we also have explosives in the spiritual realm. When God is dealing with some spiritual wickedness that has been done inside the ground, what God will use is explosives that operate just like bombs but that's in the realm of the spirit not physically.

•Father, rain down your explosives upon every work of the devil that has been perfected under the earth against my life, calling and destiny, let them explode right now with fire in the name of Jesus. Oh God of heaven and earth shower down your explosives, your fire explosives, let them enter into every part of the earth, under the ground where the works of the devil have been done against my life, career, destiny and calling, Lord let your explosives go up on them and consume them all. Father let your explosives go under the ground, into every realm wherever works have been done against my life and destiny, let your explosives consume them and let them begin to explode now in the name of Jesus stop. **\*I decree angelic explosions.**

#### **VERSE4**

⇒. Father let the strength by which the enemy has been continually oppressing me be broken in pieces right now. Father it's the strength by which the enemy has been oppressing me for many years, makes their powers break in the name of Jesus. What they have been using to oppress me, let them be destroyed in the name of Jesus. Let their sceptres break in pieces in the name of Jesus, the strength by which

the dark kingdoms have been oppressing me with, for a long time, Father let it break tonight in the name of Jesus.

⇒. The Lord is showing me that there's a limitation of darkness on your financial transactions. It's like a payment is not going through. Maybe it's money you are supposed to receive or there's something you are applying for that is not going through, that is connected with money, there is a limitation on it and it's not normal but demonic, that is why there is a delay in that aspect.

•Raise up your right hand. In the name of Jesus, I come against every limitation of darkness upon my finances to stop, cause unsuccessful transactions, to stop, affect the inflow of God's blessings in my life, let the fire of God destroy such limitations right now in the name of Jesus. Father let your fire destroy limitations of darkness on my bank account to cause unsuccessful transactions, let your fire consume such limitations right now in the name of Jesus. Let all the blessings you want for my life begin to come in now without interruption or delay from now henceforth in the name of Jesus. Father let the financial blessings you have for me begin to enter into my life without a delay or interruptions in the name of Jesus.

⇒. Father look and consider how much the enemy has done against my life, career, calling and destiny and declare your judgement now in the name of Jesus. Lord look and consider how much the enemy has oppressed, is fighting me, has caused a delay in my life, see how much the enemy has stopped the manifestation of good things in my life, oh God consider what they have done, you are the one who sees into all realms at a time, consider what the enemies of my destiny has done and authorise their judgement now in the name of Jesus.

⇒. The Lord is showing me how the enemies set a trap to cause your downfall. Just as he did concerning Mordecai and Herman. The trap the enemy has set to bring you down is the same trap the enemy will go down by, that will bring the enemy down, that is exactly what the Lord will do.

•Father as you did for Mordecai, let every trap that the enemy has set to cause my downfall turn back to cause the downfall of the enemy, let the same trap they have set to bring me down by, let the same trap bring them down to destruction. Father, let the same stumbling block the enemy has set to cause me to stumble and fall, let the same stumbling block turn against them and bring them back to destruction in the name of Jesus.

### **VERSE 5-6**

⇒. The enemy is doing a lot against the body of Christ, against Christians but the sad thing is that the Christians are watching the enemy continue to do those things and succeed and are doing nothing to stop him.

•Place your right hand on your head. Father I reject every yoke of bondage, yoke of slavery the enemy has upon my life, let your fire destroy them now. Yoke of slavery, yoke of bondage, yoke of oppression, yoke of rising and falling, yoke of stagnation,

sickness and bondage, yoke of sin, weaknesses, addictions, diseases; I reject you now in the name of Jesus. Let the fire of the Holy Ghost destroy them now, you are not for me. Yoke of infirmity, darkness, failure, pain, shame, disgrace, troubles, suffering, and hardships you are not for me, I reject you now in the name of Jesus. Father let your fire destroy them now. Yoke of debt, borrowing, yoke of poverty break by fire in the name of Jesus.

⇒. A yoke is like a chain of control by which the enemy can pull you in a certain direction and you will definitely go in that direction. It's still similar to a stronghold but this one will be hanging on you, like hanging on your body or soul and the enemy can always have his way because of that yoke

•Place your right hand on your head. Father, I reject every yoke of bondage yoke of addiction and sin that evil demons put upon my life, spirit, soul. I reject them, enough is enough, let your fire break them in pieces right now in the name of Jesus. Right now, let fire from heaven begin to destroy every yoke hanging on my shoulders, every yoke of darkness hanging on my neck, on my soul and spirit, hanging to cause delays, sorrow, pain, failure, suffering, poverty, Father let your fire destroy them now in the name of Jesus. **\*By the prophetic authority the Lord has given to me, I decree that those yokes troubling your life and destiny are broken in pieces now in the name of Jesus. The yokes hanging on your neck, head, soul, and spirit from the kingdoms of darkness, I decree they are breaking right now. As I am talking I command them to break right now in the name of Jesus.**

⇒. The kingdoms of darkness have done a lot of work in the body of Christ and they are not stopping it.

•In the name of Jesus, I release myself now from every realm of darkness where I have been held captive. Right now I free my body, my soul, my spirit for it is written that if the Son therefore shall make you free, you shall be free indeed, Jesus has made me free therefore I free myself from every realm that is holding me captive, from every realm of darkness, realm of witchcraft, realm of sickness and disease, realm of sin, pollution, realm of the marine kingdom holding me captive. I free myself now in the name of Jesus, I release myself now in the name of Jesus.

⇒. The channel or portal through which the devil always has free access into your life has to be closed. If not closed, all the prayers we have been praying since the beginning of this meeting will be ineffective. Whether you are the one opening the door for the enemy or it's something else, that door or portal of entry must be permanently shut down.

•I come against every portal of entry giving access to the enemy to come into my life and carry out their operations, I decree that they are permanently shut down in the name of Jesus. Every portal of entry through which the enemy keeps having legal access, free access into my body, soul, spirit, life and destiny, I decree they are shut down forever in the name of Jesus. I decree those portals are shutting down right

now not tomorrow, they're shutting down forever. Wherever they are and whoever opened them, I decree that they are shut down forever in the name of Jesus.

⇒. To crush someone is to finish a person to such an extent they cannot rise again, to permanently end something or the life of a person. If the enemy has crushed some good things in your life there is a God that can pick up the pieces again and make something great out of your life. God can raise you up to become greater than you were before you were crushed.

•Raise up your right hand. Father visit my life in your mercy and pick up every good thing the enemy has crushed in my life, mend, heal, restore every good thing the enemy has crushed in my life and make my life glorious again. Father visit me in your mercy, pick up my life from its crushed state, heal, restore and amend my life, make my life far more glorious than I was before. Lord there is nothing impossible with you, I trust in your mercy, visit my life, pick up every good thing the enemy crushed, reorganize my life again, put together my life again, lift up my life up life again, restore my life again and glorify my life again in the name of Jesus.

⇒. Terrorism is not of God but of the devil. The Lord said there's a difference between persecution, terrorism and divine judgement. Every form of terrorism is from the devil and there's nothing good about terrorism and that terrorism is not His will. Whatever group involved in terrorism is not from God but are agents of the devil. Persecution is when there is a revival and if that revival is going to grow, some people start to attack it to stop it because they don't want the gospel and the truth to spread. And persecutions are not happening all the time, they are for certain times and most times those who persecute the truth are the same people who claim to be part of it or who claim to be Christians. And the judgement of God is totally different. What terrorist groups are doing is beyond persecution; they want to create a kingdom for themselves and take over lives and God is against them.

•Raise up your right hand. Oh God of Israel arise against every form of terrorism prevailing in the nations of the earth beginning from my location, arise against them and terminate them forever. Oh God of Israel, I call on you to arise in Nigeria, Mali, DRC, India against every form of terrorism destroying lives and destinies, destroying innocent blood, arise oh God of heaven's armies and begin to terminate them all. Let all their plans be destroyed, let all their agendas begin to fail, their sponsors begin to receive your judgement right now. Arise oh God and terminate every sponsorship of terrorism, every terrorism going on in my nation in the name of Jesus.

⇒. Antichrist is a terrorist and their kingdom is going to come by terrorism. It's not going to come in a way where people will have their free will. They will force people to do what they want or they kill you, that's terrorism

•Father let every organisation, establishment, and institution sponsoring terrorism in the nations of the earth, let them receive your instant judgement right now. Father let instant judgement come upon every association, establishments that is sponsoring terrorism in my country and nations of the earth, let such establishments be crushed

in pieces in the name of Jesus. Let such organisations be crushed in pieces in the name of Jesus.

⇒. The church of God is divinely protected only that we are so blind to discover God's protection over our lives as Christian. Every believer is divinely protected; the church is divinely and heavenly protected from heaven. There are angels protecting the church and there are a lot of them because God knows that the church will be heavily attacked though most of us are blind and we can't see how much heaven is here to protect us. The angels receive more power when the faith of people grows. The higher the faith of people, the stronger the angelic security system.

•Father, let your angelic security system that you have established for the church receive power to protect the church at this time. Father give more power to the angelic security system you have established to protect your people at this time, the angelic security system you have planted to preserve the church, Father let them receive more strength and power in the name of Jesus. Let the faith of your people grow, let the prayer lives of your people grow, let the understanding of your people be enlightened in Jesus' name.

⇒. Father, I repent from everything I am doing that offends you and your presence, remould my life to look as you want it. Father, I repent from everything I am doing with my life, body, soul and spirit, thoughts that offend you and your presence, Father mould me to be like you. Mould me to be a Christian that pleases you at all times. I do not want to continue to offend you again, mould me and reshape my life, mould me and change my life in Jesus' name.

⇒. There are some people who will not be forced to surrender to the antichrist because as it is, they have already surrendered to the antichrist, and these are even Christians and ministers of God. They have surrendered through the love of money. The antichrist has a lot to do with money and a lot of souls have been taken by the antichrist because those people prefer money to the salvation of their souls. That's why the Bible says without the mark you won't be able to buy and sell, thus to show you how much the antichrist has to do with money. You need to correct the way you relate with money now or else you will surrender to the antichrist.

•Father, deliver my soul from the power money has over me, deliver my soul from the power of mammon that I will not be enslaved by the spirit of money, deliver my soul now in the name of Jesus. Father deliver my soul from the strength of mammon, from the power of mammon, let the love of money be far away from my heart, let the slavery to money be far away from my soul. Deliver me from the strength that money has over me now in the name of Jesus, that I will not serve mammon but serve Jesus. Deliver my soul oh God of Israel now, I do not want to surrender to the antichrist, I don't want to lose my soul forever, deliver me Lord Jesus in Jesus' mighty name, Amen.
