PRAYER POINTS

⇒ Father, thank you for loving me as I am, thank you for loving me with everlasting love. Thank you because you will always love me, thank you for showing me eternal love, thank you for your everlasting love toward me. Thank you Father, because of your everlasting love for me you have rescued me, delivered me, healed me, you are helping me on every side. Thank you for your great love that you have for my life, my destiny and career. Because of your love for me, you are changing my life, you are healing my sickness and diseases, you are protecting me, you are correcting me. Thank you Jesus, thank you Lord for such great love you have bestowed unto me.

⇒ Raise up your right hand. In the name of Jesus, let the atmosphere of my present environment receive the fire of God, receive the power of God, let the fire of God take over this atmosphere, take over the atmosphere of my environment now in the name of Jesus. Let the fire of God take over the atmosphere of this place where I am now in the name of Jesus.

⇒ Father, let your mighty hand release all that I need at this time, even the things that I need but have no idea of my needing them, let your mighty hand release all that I need this time. All that I need in my ministry, life and destiny, all that I need in my marriage, home, finances, Lord let your mighty hand release them now. "Let your mighty hand release them now x7" in the name of Jesus.

⇒ Raise up your right hand. Let the fire of God destroy every barrier standing between me and the blessings of God. Let the fire of God destroy every barrier blocking me from receiving the blessings of God, standing between me and the blessings of God. Whatever barrier it is, visible or invisible, living thing or nonliving thing, physical or spiritual that is standing between me and the blessings of God, to stop me from receiving and possessing the blessings of God, let the Fire of God destroy them right now in the name of Jesus.

PRAYERS FOR YOUR CAREER

⇒ Father in your mercy open doors for success, greatness, excellence in my career in the name of Jesus. Create opportunities for the success of my career, create opportunities for the greatness and the glory of my career in the name of Jesus. "Oh God of Israel open doors x3", doors that will lead to the greatness of my career, to the fulfillment and success of my career. Doors that will lead to the elevation and progress of my career, oh Lord open those doors unto me now in the name of Jesus.

⇒ Some of you God will open international doors for your career.

•Father, in your mercy open international doors for the fulfillment of my career, for the success, progress, greatness, excellence and fulfillment of my career. "Open international doors x4" for the success and greatness of my career, Father, open the doors of success right now in the name of Jesus.

⇒ Father, you are the hope to the hopeless, the help to the helpless, arise now to help me solve problems in my life, to solve difficult problems in my life. Lord, you are the hope to the hopeless, help to the helpless, arise oh God and help me, arise oh God and help me. Arise now help me Father, only you can solve these problems in my life, arise now and help me in your mercy. "Arise in your mercy and help me 3". *I decree over your life by the authority in the name of Jesus, receive help now in the name of Jesus.

⇒The grace of God is naturally sufficient, able to grant anything and create anything but not many people are enjoying the Lord's Grace, not many are receiving enough of God's Grace. God can help you receive enough of His grace. The Grace of God is not limited but we are the ones who create limits to receiving it.

⇒Father, let your Grace be sufficient for my breakthrough, help me to receive enough of your Grace for the manifestation of my breakthroughs. Father make your Grace sufficient in my life for the manifestation of breakthroughs in my life, "help me to receive enough of your Grace x 3", for the manifestation of breakthroughs in my life.

⇒One of the things that cuts short the Grace of God is when God is angry with you, not happy with you, when you are full of iniquity, sin, darkness, pollution, and abominations or you have embraced the things that God does not want to see in your life. When your life is like that, the Grace of God will be cut short and you will not have access. God will not force you to please Him, so you have to be deliberate about pleasing Him, be intentional, decide to please Him.

•Father, forgive me for whatever I have embraced that has cut short your grace in my life, whatever thing I do on a daily basis, my attitude, Lord forgive me and separate me from them. Lord I am willing to let go of anything that is cutting short your Grace in my life, that is limiting my access to the fullness of your Grace, I am willing to separate from them, Lord help me, help me oh Lord.

⇒If all you are seeing is what the enemy is doing then something is wrong with you. You have to see what God is doing inside what the enemy is doing because there is light in darkness.

⇒Place your right hand on your head. Father, help my mind, brain, soul to begin to see and discern your light that is shining in darkness so that I can follow that light, overcome and prevail, so that I can follow that light and be strong and be revived. Oh Lord, let my eyes be opened to begin to see the light that is in darkness, to see what you are doing in my situation, to see what you are doing around me. Lord open my eyes to be able to discern your light that is shining in the depth of darkness, open my

understanding, awaken my soul and spirit to properly and accurately discern your light that is shining in the midst of the darkness around me, in the midst of the darkness that has filled the world, Lord help me in Jesus' name.

⇒The Bible says, all things work together for good for those who love the Lord and are called according to His purpose because there is light in darkness. It is because in the midst of negative situations which many people try to avoid, in the midst of sorrow, suffering, hardship and pain there is light, God and heaven in those midsts. The light is there in the midst of the most deadly situation or darkness, only if you can see that light. Until you begin to see what God is doing in those situations, you might never have breakthroughs and might never overcome them. When you do not see, believe, operate and agree with what God is doing, you might never experience your miracle.

•Father, let the eyes of my understanding be awakened to see into what you are doing in every situation I am passing through, let the eyes of my understanding be awakened to see what you are doing in the midst of every situation I am passing through. Father let the eyes of my understanding be awakened and enlightened to see into what you are doing in every situation I go through, in every situation that happens to me. Let the eyes of my understanding be enlightened, let the eyes of my understanding be enlightened in the name of Jesus.

ROMANS 8:28

⇒There are two things in this verse. All things work together for good including bad things, unpleasant things, problems, troubles. The Bible says you must love God because all things work together for good for THOSE who love God, good and unpleasant things. When you love God deeply such that you can't do without Him, and you want to please Him, all things will work together for your good. How deep and strong is your love for God? The only remedy to overcoming sin is to love God. If you don't love Him deeply you will continue to sin.

•Father, I want to love you deeply and strongly, help me. I want to love you more than my life, I want to love you more than life itself. I want to love you more than anything in this world, help me Father, help me to love you. I want to love you so that I can't sin against you. Lord I want to love you strongly, help me, I want to love you deeply, help me.

⇒Why would all things work together for those who love the Lord? It is because God would visit them, He would come out of the midst of their situations and visit them, help them just as a mother cannot resist the cry of a child. God will come to rescue them, respond to their needs and will never forsake them. That is why all things will work together for their good.

•Father, destroy every stronghold in my life, mind, spirit, emotions, and feeling that is making it difficult to love you as I should, Lord destroy them right now by the Fire of the Holy Ghost. Father, destroy every stronghold of darkness in my body, soul, emotions, feelings, attitudes, habits that are not allowing me to love you as I should.

Every stronghold of the flesh, carnality, worldliness, sin, addictions in my spirit, soul and body that is making it difficult for me to love you, Lord destroy them right now in the name of Jesus.

⇒ Those that love God, will love God's people. If you do not love God's people, or your fellow brethren, if you are still in conflict with your fellow believer, if you can't forgive your fellow Christian, it means you do not love God. If you see brethren who are in need and you are capable of helping and you don't help, it shows no love for God's people. God will always test our love for Him by seeing how we respond to the needs of others in the church or other believers.

• Father, help me to love your people. Father help me to have selfless love for your people, selfless love for fellow Christians, selfless love for fellow believers, help me to love your people. Lord help me to show love to the brethren, help me to help brethren who are in need, give me a heart full of love for the brethren, a heart full of love. Lord help me to have genuine love, pure love for the brethren in Jesus' name.

⇒ ...'For them that are called according to His purpose'. Another thing that will make all things work for your good including what is happening in your country, what the government is doing, what your enemies are doing happen for your good is when you are fulfilling God's purpose. When you know God's purpose for your life and you are fulfilling it, then all things will work for your good. Even when there is scarcity and famine, you will be blessed.

• Father, help me to be focused in fulfilling your purpose for my life in the name of Jesus. Father help me to be focused in doing what you have called me to do, to focus on the assignment you have called me to do, in fulfilling your purpose for my life, your purpose in my life, your purpose for my existence, oh God of Israel help me to be focused.

⇒ Another thing about fulfilling God's purpose is to do it well, as it should be done.

• Father help me to fulfill your purpose on my life as I should. Lord help me to do the assignments you have given to me and the assignments you have called me to do, help me Lord to do them as they should be done in the name of Jesus. Lord help me to follow the pattern by which my purpose will be fulfilled, by which your purpose on my life will be fulfilled. Lord teach me to do the work you have committed into my hands the way it should be done, according to your perfection and standard.

⇒ When it comes to fulfilling God's purpose, you have to do it with the right mindset, attitude and motive. Some people do God's assignments just for the sake of doing it, they are not doing it with great joy and delight. You have to do it because you love to do it not because you were commanded to do it, but because you want to do it.

• Father give me the right mind and attitude to fulfil your purpose for my life. Father give me the right heart, motive, and mind to do your purpose for my life, to fulfill your purpose for my life. Lord help me to find joy in doing what you called me to do, help me to find peace and satisfaction. Help me to be delighted in doing what you want

me to do for you and your Kingdom. "Help me Father, Lord give me the right heart for your work x3".

⇒Romans 8:28. The reason why all things will work together for good for those who are called according to God's purpose is because God is busy in the Earth doing the same thing you are doing, doing the same thing He has committed into your hands to do. When you are doing the same thing God is doing, all things will work together for your good because nothing can stop God or overcome God. Whenever God is doing something, He succeeds and prevails in it, so will you.

•Father, show me everything you are busy doing on Earth so that I can embrace it, so that I can join your business. Lord reveal to me all that you are doing on Earth in my country, in the church today, that I may join your business in the name of Jesus. Show me all that you are doing, I want to be a part of it all at this time. Lord reveal to me and enlist me into the work in the name of Jesus.

THE WORKS OF THE HOLY SPIRIT

⇒The presence of the Holy Spirit is the fountain of life in every Christian, He fills you with eternal life. Without the Spirit of God you cannot do the business of God because it is not your business but God's business. It takes the Spirit of God helping you to do the business of God. When it comes to the work of God, you are supposed to do it as God would do it. You cannot fulfill God's assignment without His Spirit, everything you do without His spirit will be a failure.

•Father fill me with your Spirit to do your work, your business, to fulfill your purpose on my life. Lord fill me with your Spirit to fulfill your purpose and call upon my life, to do the work you have committed into my hands in the name of Jesus. Fill me with your Spirit Father.

⇒When we are talking about purpose or divine calling we are talking about divine assignments. Some people, the first time they think when it comes to calling is whether they are a prophet or an apostle, a pastor or an evangelist; that is not what calling or divine purpose is about, it is not about titles. It is about an assignment you have received from the Lord, what God wants you to do for Him and why you were born. What you were placed on earth to do for the Lord and God's Kingdom. Some of you have not yet discovered what God placed you on earth for, but if you can get busy with the purpose of God for your life everything will work together for good and all you lay your hands upon will prosper automatically.

•Father, give me assignments, show me your assignments that you want me to do for you, show me why I am here, why I was born. Lord show me my purpose in you, why you have placed me in this world. Give me assignments that are peculiar to my divine purpose. Lord give me assignments to do that have to do with fulfilling my calling. Show me why I was born into this world, give me assignments to do for you, assignments that mean the fulfillment of my purpose and my calling. Lord help me to get busy with the same things you are busy doing on Earth, help me to be busy with

assignments you want me to do for you at this time in the name of Jesus, show me and give me these assignments, show me the purpose I am here on earth to fulfil.

⇒Father let everything you created on earth, in heaven, under the Earth, everything you created- visible and invisible, living and non-living begin to work together for the fulfillment of my purpose, for the fulfillment of my calling, for the fulfillment of my purpose on earth. Father let all those things begin to work together right now for my good. Lord let everything you have created begin to work together for the fulfillment of my calling, purpose and destiny in the name of Jesus.

⇒There are divine provisions that are meant just for your survival. There are divine provisions which are beyond meeting your basic needs but for the fulfillment of your purpose. Mostly, God will tell you to do something that you cannot finance or provide for but which He only can finance, that is why you must ask Him for provisions for the fulfillment of such assignments, visions and purposes. If the purpose is what you can finance then it is not God's purpose, it's most probably just your ambition.

•Father release provisions, finances and supplies that are needed for the fulfillment of my purpose in the name of Jesus. Father release them now by your mighty hand; provisions and supplies that are needed for the fulfillment of your purpose on my life. All that you have in store for the fulfillment of my purpose on earth, Lord release them now in the name of Jesus.

⇒There is a time God has set for the fulfillment of your purpose. There are certain things God is expecting you to be doing right now for Him and there are more things God will expect of you to do. The supplies for the fulfillment of your purpose is connected to the time you are in, in that purpose. Right in this time or moment, there are certain things God is expecting that you should have done for Him in order for Him to give you the supplies or provisions in line with those expectations for now. The provisions God will bring to you is connected to what He wants you to do for Him in the now. Are you functioning in line or below the expectations of God for your life right now? Most are functioning below God's standard despite the fact that they think they are in line with God's standard. When you are doing all that is expected of you, that is when you will receive the full blessing.

•Father, help me to do all that is expected of me to do for you at this time. Father help me to do everything that you are expecting from my life at this time. Father help me to do all that you are expecting for me to do for you at this time, help me to function according to your expectations for my life. Help me to do all that you require of me at this time, help me to be found faithful.

⇒Father let your light shine into the depth of my life and let every hiding place of darkness be exposed. Lord let the brightness of your light shine upon my life, let it enter into the depths of my life and expose every hidden darkness and destroy them. Let your light shine into the depth of me, into the depth of my environment, into the

depth of my spirit, soul and body, and let every secret darkness be exposed and terminated in Jesus' name.

⇒Father let your Fire destroy every attack of the enemy coming against me from my environment, let your Fire destroy every attack of darkness coming from the street I live in and destroy them now in the name of Jesus. Let your Fire destroy every attack of darkness coming from my environment, let your Fire destroy them, let your Fire destroy them, let your Fire utterly destroy them. Every attack rising against my soul, my peace and joy, let your Fire consume them now in Jesus' name.

⇒Place your right hand on your head. Blood of Jesus, flow into every part of me, neutralize poisons of darkness now in the name of Jesus. Blood of Jesus flow x4", into every part of me, into every cell of my body, every part of my soul and spirit, flow and neutralize all poisons of darkness there. Neutralize all the poisons of darkness right now in the name of Jesus.

⇒Fire of the Holy Ghost open the eyes of my spirit and heart to see into every spiritual realm that I must see into now. Fire of the Holy Ghost, open the eyes of my spirit, open the eyes of my inner man to see into every spiritual realm that I must see into that pertains to the Kingdom of God, every realm that pertains to my destiny, that pertains to the fulfillment of the my calling and destiny, Fire of the Holy Ghost open my eyes to see into those realms right now in the name of Jesus. Right now, every invisible realm that pertains to the fulfillment of my calling and my destiny that I must see into, Fire of the Holy Ghost open my eyes to see into them now. Every spiritual realm that pertains to my growth in the knowledge of God and the knowledge of the things of God, Fire of the Holy Ghost open my eyes to see into those realms now in the name of Jesus. Every spiritual realm that pertains to getting victories in spiritual warfare, Lord open the eyes of my spirit to see them all in the name of Jesus.

⇒ God of Israel, make ways for me in the midst of my wilderness now in the name of Jesus. God of Israel, make ways for me x 5, in the midst of my wilderness in Jesus' name.

⇒I receive grace to rule over my oppressors. I receive authority, power and strength to rule over my oppressors, to oppress my oppressors in the name of Jesus. I receive grace, I receive fire, I receive power to rule, to dominate my oppressors, to rule over my oppressors, to oppress my oppressors now in the name of Jesus. I receive grace now, I receive authority now, I receive power now to forever rule over my oppressors in the name of Jesus, Amen.

• Place your right hand on your head. Pray as if Jesus is standing beside you and you can see Him pouring that anointing on you. **Lord Jesus**, place on my life anointing that makes impossible things possible now. It is written that with God nothing is impossible, Lord according to your Word, place your anointing upon me that would turn impossible things to possible things, that would make impossible things possible, do it now in Jesus' name. Anointing that makes impossible things possible, I receive it right now in the name of Jesus. I receive anointing that makes impossible things possible. What is impossible for human strength to achieve, I receive the anointing to achieve them all in the name of Jesus. ***Right where you are, receive the anointing in the name of Jesus.**

Lord Jesus let an end come to every operation of darkness on my life, career, calling, marriage, business and family. ⇒ The spirit of anger destroys things, it destroys God's favour, God's blessings in your life.

• Father, deliver me from every spirit of anger that has enslaved my soul right now in the name of Jesus. Deliver me Lord from the spirit of anger, deliver me now from every spirit of anger that has captured my soul, my attitude, behaviour and emotions, Father deliver me now by fire.

⇒ Place your right hand on your head. Fire of the Holy Ghost destroy every seed of sickness and disease hiding inside my blood to appear at a future time. Father destroy by your fire every disease and sickness hiding in my blood to manifest at a future time, Lord destroy them now, Fire of the Holy Ghost destroy them now. Father, let every sickness and disease hiding in my blood to appear at a time in the future, die right now in the name of Jesus. ***I decree over your life, every disease and sickness hiding inside your blood to manifest later in time, let the Fire of the Holy Ghost kill them now, let the Fire of the Holy Ghost destroy them now in the name of Jesus.**

⇒ I believe God wants to open doors for some of you because I heard 'open doors' in my spirit. These are the doors that will move you forward

• Raise up your right hand. Father let your mighty hand open doors for progress in my life at this time in the name of Jesus. Lord let your mighty hands open for me doors for my progress in the name of Jesus. ***I decree that doors will open for you beyond your imagination. Doors shall open for you in the name of Jesus. The angels that are in charge of opening doors for the manifestation of progress, let them be released into your life right now in the name of Jesus.**

⇒ Father, let your honour terminate shame and dishonour in my life x7. Father, let your honour destroy shame and dishonour in my life in the name of Jesus.

⇒ Father, speak for me in places where I need to be approved and recommended for greatness, success, promotion and elevation. Oh God of Israel speak for me, speak for me in places where I need to be approved and recommended for greatness in the name of Jesus.

⇒ God wants to give recognition to certain skills and values that you have that could help a lot of people out there, though those abilities are not known that you have them to offer. Once those abilities are recognised, great doors will open for you.

•Father by your mighty hand, give recognition to skills, abilities and values in me so that I can be a blessing to my generation. Father give recognition to skills and abilities in me so that I can be a blessing to my generation and that I can be a solution to those around me. Give recognition to my gifts, talents, skills, values in me that I may become a blessing to my generation in the name of Jesus.

⇒ Father, let your mercy open the flow of great blessings into my life, blessings greater than I deserve. In the name of Jesus oh God of Israel, let your mercy open for me a great flow of blessings, a great inflow of blessings far beyond what I can contain, what I can imagine, far beyond my expectations or what I deserve, let your mighty hand open them for me right now.

⇒There are battles many of you must win before things can change in your life. You have become weak against these battles but you must prevail over them because without winning, you can't experience a turnaround in your life. There are some things that God cannot do for us that we have to do for ourselves because He has already provided the power and authority, now you have to stand and use those weapons to get victory. When you are weak God will not do anything even when He is besides you because He's waiting for you to fight and win.

•Lord Jesus, let your strength appear in me for victories over battles of darkness in my life. Lord Jesus let your strength appear in my spirit, soul, body and mind to overcome battles of darkness confronting me. In the name of Jesus, let the strength of Jesus appear in me, appear in my soul, in my body, in my spirit for victories over powers of darkness, over rulers of darkness, principalities of darkness; for victory over sin, addictions, darkness, corruption, pollutions, oppressions right now in the name of Jesus.

⇒It is one thing to have strength and it is another thing to draw from that strength. Many times the strength of God is with you and in you but you don't know how to draw it out because you are looking at the strength of your weakness and your mind becomes clouded and overwhelmed by the greatness of your weakness that you can't see the strength of the Lord that is with you and that is in you. The strength of God is in the midst of human weakness to help you overcome that weakness. It takes revelation to find God's strength in the midst of weakness because some people all they see is just weakness and are unable to see God's strength.

•Father, let my eyes be opened to see your strength and be able to draw from your strength in the midst of my weakness. Father let my eyes be opened to see your strength in the midst of my weakness and be able to lay hold of it. Father, let my eyes be opened to discover your strength in the midst of my weakness so that I can be strong and be able to lay hold of your strength and be strong.

⇒In Romans chapter 4, we are told of how Abraham and Sarah believed God beyond what they were feeling in their bodies. They believed God against their weaknesses and that is how they found strength. For you to be strong as a Christian

you must be able to believe God against your weaknesses. Don't think God's strength will just come to you and start rising from inside of you. It is by faith you access God's strength. It is faith that will allow you to plug in your spirit to the strength of God.

•Father, fill my heart with faith that would make me believe against my weaknesses. Father, fill my soul and my heart with faith to be able to believe you against my weaknesses, that I may enter into the realm of your strength. Father fill my heart with faith to be able to believe you against my weaknesses, to believe you against the weaknesses in my body, the weaknesses in my soul, spirit, finances, against the weaknesses in my marriage, career, and business. Fill me with faith to believe you against my weaknesses so that I can enter into the realm of your strength where victory is sure. Fill my heart with faith oh Lord in the name of Jesus.

⇒Outside of God's strength you are nothing, you have to learn how to connect with God's strength. You must learn how to turn your weaknesses into strengths.

•Father, teach me to depend on your strength and not on my strength. Teach me Lord to depend on your strength and not on my own strength. Teach me to depend on your Holy Spirit, teach me to depend on the strength of your Spirit and on the presence of your Holy Spirit, teach me to depend on the power of the Holy Spirit and not my own strength.

⇒How do I depend on God's strength? Take actions of faith to activate God's strength in you because He is in you. For example, knowing that as a man you cannot run 500 miles but taking actions of faith means you start to run even when you know that by your strength you cannot run those miles knowing that God will help you finish them. Many Christians are afraid to take actions of faith. If you trust God, you will take actions of faith and that is how the strength of God will be activated. Don't listen or follow your weakness but follow faith.

•Father, teach me to take actions of faith that will help me to activate your strength in my life and situations. Lord help me to take actions of faith that will activate your strength in my life and situations, help me Father, help me Lord.

⇒To also connect with the realm of God's strength, you must do away with sin. When there is the presence of sin in your life you will remain weak but when you repent and forsake that sin, then you can be strong. God is pure and holy, when you try to connect to God with sin in your life it will multiply your weaknesses and you won't have strength of victory.

•In the name of Jesus, I repent of every sin going on in my life, I receive mercy to enter into the realm of strength, I receive Grace to enter into the realm of God's strength. In the name of Jesus I repent of every sin in my life, I receive forgiveness of sins, I receive mercy and Grace to enter into the realm of God's strength with victory, dominion, and breakthrough into the manifestation of glory. I repent now (make sure your mind is really repenting), I repent of every sin going on in my life, in my body, spirit, soul; I receive forgiveness, I receive mercy, I receive Grace to enter into the

realm of God's strength in the name of Jesus. ***Receive the Grace to genuinely repent right now in the name of Jesus. The Grace to repent and never touch the sin again, receive that Grace now in the name of Jesus.**

⇒ You need to renew your mind with the Word of God to access God's strength. In the realm of God there is a mindset that functions there and without having that mindset, you cannot function or even access that realm. You can only access that realm when you think the way they think in that realm. You need to believe the truth of God's Word and allow that truth to change you and then you pattern your life according to that truth. When people are saying there is a casting down, you say there's a lifting up because you are now speaking from the realm of God's truth. When you allow the Word of God to change your mind, that is when you will be victorious and strong.

• Place your right hand on your head. In the name of Jesus I receive Grace to use the Word of God for the renewing of my mind. I receive Grace to meditate on the Word of God until it changes my mind. I receive Grace to believe the Word of God until it renews my mind. I use the Word of God to change my mind. I receive the Grace to follow the Word of God until it changes my mind. I receive the Grace to study the Word of God until it changes my mind. I receive the Grace to trust the Word of God until it changes my mindset in the name of Jesus. I receive the Grace to use the Word of God to correct my wrong attitude and motives, and my wrong lifestyle. I receive Grace to use the Word of God to correct my mindset, in the name of Jesus, I receive Grace now.

⇒ When you follow the principles of the Word of God, it will change and transform your life; it will make you wealthy, successful and great. Some people read the Bible but do not believe it, some believe it but they do not obey it, they do not apply it or pattern their lives according to the truth in the scriptures. The Bible is a weapon that God has given to us but many are not reading it. If you love God you will want to learn of Him, you would want to come close to Him and you would do that by reading the Bible. There are deep secrets of strengths and victories inside the Bible.

• Father, give me a heart that longs for the knowledge of your Word, that longs to know your Word, to study the scriptures, to live by the scriptures, to obey the scriptures, give me such a heart oh God. Lord give me a heart that craves for the application of the knowledge of your scriptures in my daily lifestyle, give me a heart that obeys the scriptures, believes the scriptures, a heart that practises the scriptures, give me a heart that follows the principles in the Bible in the name of Jesus.

⇒ You must stop being carnally minded and be spiritually minded all the time, that is a great secret to enter into the realm of God's strength. Whenever you are carnally minded you will be weak spiritually. You have to be disciplined, it has to start with you, you are the one to press the switch, when you start then the grace of God will step in and stabilize you in the realm of spiritual mindedness which is the realm of

God's strength. When the devil wants you to be carnally minded and negative you switch out of that realm and say no I am going to think about heaven, I'm not going to think about things that are not of God. You are the one who decides, not God deciding for you. You can be the most anointed person but if you are not disciplined to be spiritually minded the anointing will fail you.

•Father, help me to be disciplined to always be spiritually minded in the name of Jesus. Father, help me to be disciplined to maintain spiritual mindedness. Lord Jesus, help me to be spiritually minded always.

⇒To access God's strength you must be able to tarry in the place of prayer for long hours. It's unfortunate we now have lazy Christians who always want to be prayed for. They don't want to pray but they want to see miracles.

•Raise up your right hand. In the name of Jesus I receive impartation of the Holy Spirit to tarry for long hours in the place of prayer. I receive, I receive the impartation of the Holy Ghost to stay with God, to stay in God's presence, to stay in the place of prayer for hours till God's strength changes my life in Jesus name.

⇒Father, let your grace that I have connected to in this ministry produce great victories in my life. Father let your grace, your anointing and power in this ministry produce great victories in my life, destiny and calling. Let your grace in this ministry produce great victories in my life, let your grace in this calling produce great victories in my life in the name of Jesus. Let your grace in this ministry produce great victories in my spirit, soul, body, in my life and finances in the name of Jesus.

⇒Father let this month produce the fullness of all the miracles I am believing you for. Father let this month release the fullness of all the miracles I am believing you for in the name of Jesus. Let it this month produce them in my life in the name of Jesus.

⇒As a Christian your mind always has to be sound. Some people now can't think straight, their minds are always confused, they cannot process things wisely and correctly according to the will of God.

•In the name of Jesus, I bind every attack of darkness that is coming against me, coming against the soundness of my mind and the purity of my mind, I bind them now in the name of Jesus. I bind every attack of darkness coming against the soundness of my mind, I bind them now, I bind them now in the name of Jesus.

⇒The Bible says that you have to use the weapon of the shield of faith to quench the fiery darts of the enemy. In these last days there are all kinds of fiery arrows everywhere flying from all kinds of darkness to attack you, your spirit and soul. Once you lift up the shield of faith you will be secure. When God is expecting you to be full of faith but you are in doubt, you will lose your miracle. When you are full of doubt and unbelief in your heart, the angels will not be able to carry out your miracle.

•Father, help me to always cover my heart with your shield of faith. Help me to always defend my soul and heart with the shield of faith so that I will overcome the fiery darts of the enemy.

Lord help me to always defend my heart with your shield of faith, help me. Help me Father in Jesus' name.

⇒The kingdom of darkness already knows how to defeat a lot of Christians. They can allow a Christian to grow spiritually to a certain extent without disturbance because they know at a later stage how to bring you down to the point where you forget that you were once spiritually strong. What is it that the enemy always throws at you and you are always left weak? Have you built strength against that arrow, be it the arrow of anger, lust, pride, greed. You can maintain spiritual growth for 20 years but as long as you have not defeated that particular weapon they always throw at you, then you can never have a sustainable spiritual growth.

•Father, strengthen me with your strength such that the weapons of darkness that have been prevailing over me will begin to fail. Equip me with your strength, empower me with your strength so that the weapons of darkness that have been prevailing over my life will no longer work. Lord, strengthen me with your strength such that no weapon of the enemy will be able to succeed, so that all the weapons of the enemy that have been prevailing in my life will no longer work and prevail in the name of Jesus, strengthen me Father, Amen.

PRAYER POINTS

⇒ Father, thank you for the battles you have fought and won for me. Thank you Jesus for the victories you have given to me. Thank you Jesus for the battles you fought and won for me, even battles that I was not aware of, thank you Father, thank you Lord. "Thank you Jesus for fighting my battles x 5". Thank you for how you fought and won battles that were unknown to me, thank you Lord.

⇒ In the name of Jesus, I bind every spirit of distraction that is making me lose focus in the place of prayer. I bind you spirit of distraction making me lose focus in the place of prayer in Jesus' name.

⇒ Raise up your right hand. I connect my life and every situation in my life to the flow of the grace of God, to the flow of the power of God, to the flow of the strength of God and to the flow of the authority of God. I connect my life, I connect everything going on in my life, I connect my present situation to the flow of God's power, to the flow of God's authority to the flow of God's strength right now in the name of Jesus.

⇒ Raise up your right hand. In the name of Jesus I connect my life and everything going on in my life to the intervention of God's mercy right now. I connect my life, I connect my situation, I connect everything in my environment, I connect everything in my timeline, I connect everything in my daily activities, I connect them now with the intervention of God's mercy. "In the name of Jesus let the mercy of God be upon my life and situations x3". I connect my life and everything going on in my life to the intervention of God's mercy in Jesus' name.

PSALMS 36:9

⇒ Place your right hand on your head. Father be the light by which I see. Be the light by which I see everything, in the invisible realms, everything in the visible realms. Father be the light of my sight, be the light of my spiritual sight. When I see things, Lord be the eyes by which I see them, be the light by which I see them. Lord be the light by which I see things, whether visible or invisible, physical or spiritual, be the light by which I see, be the eyes by which I see in the name of Jesus.

⇒ The Scriptures are very powerful but many times we misinterpret things and brag about our foolishness. When you misinterpret things you will be foolish not wise. You always feel like you are correct and right. It is important that God be the light by which you see.

• Father be the light by which I see everything going on in my life, be the light by which I see everyone in my life, the light by which I see every situation happening in my life, I don't want to interpret things by my human senses but I want to interpret things by your senses, oh Lord be the light by which I see things. Lord, I want to interpret things by your senses not by my senses, I want to interpret situations, events happening in my life, environment, family, marriage, career, business by your senses and understanding, by your light; Lord be the light by which I see.

⇒ Usually when you see things, the brain picks up the message and tells you the meaning of what you see and immediately you know how to relate or interact with that thing because you have gotten the interpretation or the meaning of the message that the eyes sent to your brain about the thing that you have seen. Do you not think sometimes we get wrong messages from our brain? Maybe the devil has been lying to you and you have been believing the lies he told you. For instance your brain tells you I don't trust this person because of the way they looked at you and you just believe that is what the expression on their face meant. What if that is a wrong message, what if it is not exactly what it means?

•Father, let your light penetrate into the depths of my soul, neutralise, dissolve and remove every wrong thing I have believed to be true. Every wrong thing I have believed to be true, every misinterpretation of things in my mind, Father let them be dissolved by your light, let them be destroyed by your light. Every wrong message my brain has given me to believe as the truth, oh God let your light destroy them, let your light penetrate into the depth of my soul and begin to destroy them. Whatever I have believed to be the correct thing and is not, Lord let the power of your light destroy them now in the name of Jesus. Lord let your light shine deep into my soul and mind and destroy every wrong thing I have believed as the truth, let your light destroy them now in Jesus' name.

⇒ Just as God is the light by which we Christians see, darkness can be the light by which some people see. That is why they are always complaining because they are seeing things the way the devil wants them to see. So they will keep complaining and murmuring against God, how God is unfaithful to them and they start finding issues to speak negatively against God and His word. They will complain of how things are getting hard, how they are not enjoying life because they are seeing things by darkness and not by the light of God, darkness became the light by which they see. They are not physically blind but they are spiritually blind because they are not seeing through the light of God.

•Fire of the Holy Ghost, destroy every darkness ruling over my physical and spiritual sight now in the name of Jesus. Every darkness making me see things wrongly, making me see things the way Satan wants me to see them, let Fire of the Holy Ghost consume them now in the name of Jesus. I choose to see by the light of God and not by darkness. I choose to see invisible and visible things by the light of God and not by darkness in the name of Jesus.

⇒ True reality is not what your physical eyes can see but it's in God. There are some things that we can see and touch and they appear so real but they are not real to the realm of God because some of them are not according to the will of God. Only the things that are according to the will of God and line up to the will of God are true realities. Anything that does not agree with the will of God even when it appears real, even when they appear to be physical is not real. You have to let your focus be on seeing God's own realities happen in the physical. Do not consider the things happening around you as real if they don't agree with God's will because He can take them away, for His own realities to appear. Some of these things are there because the enemy wants them, they are not there because God wants them there, so God considers them as not real because they do not have a foundation, they have no roots in Him, so He is able to cut them off and destroy them. Some of these things can be in your body, the doctors can diagnose you with whatever but if it does not agree with the will of God, it is not real, as far as heaven is concerned it is not real.

•Father let everything appearing real in my life and situations, that does not agree with your will, that cannot be found in your realm, let them disappear. Everything

appearing real in my life that does not line up with your will, that does not agree with your will in my life, let them disappear, let them vanish now in the name of Jesus. Everything appearing real in my mind, in my body, in my soul, in my emotions, appearing real in my feelings and spirit that is not a reality in heaven, Lord let them disappear now. Any form of reality in my life that is not a reality in heaven and in God, let them be uprooted forever now in the name of Jesus. Any form of reality in my body, family, environment, or village that is not a reality in the presence of God, let them die, let them disappear in the name of Jesus.

⇒ Christians are supposed to enforce the realities of God's realm over the realities in this earth, that is why we pray, "Father let your will be done on earth as it is in heaven". We are to enforce the realities in heaven over the realities on Earth, when that enforcement is going on, a lot of things people consider to be facts or real will start dissolving.

• Raise up your right hand. Father release your power into my life to enforce your will to prevail in my life and situations. Father I want your realities to be the realities in my life, I want the realities in your realm, realities in heaven to be the realities in my life, Father release your power to enforce the manifestation of your will in my life and situations in the name of Jesus. Lord release your power into my life to enforce the manifestation, the fulfillment of your will in my life. I want your will to prevail in my life, situations, career, calling, destiny and ministry in the name of Jesus.

⇒ Father, mobilize your angels into every area of my life to establish your will and your realities for my life. Father, mobilise your angels into every area of my life, into my financial life, marriage, prayer life, calling, career, business, skills, and job, let them begin to establish and perform your will and realities for my life. Let them begin to uproot every negative reality and begin to establish your own realities in my life in the name of Jesus. Let your angels move into every area of my life, my body, soul, spirit, and environment, let them begin to uproot negative realities and begin to establish your own realities and your will in the name of Jesus.

⇒ The Lord is saying the reason why some of your prayers are not answered is because your requests are not according to His will for your life. You are asking God to do something that is not a reality in His realm, that does not line up with His will for your life and destiny that is why prayers have been going up for years and have not been answered. When your prayer requests agree with the will of God then they will be answered.

• Father, give me wisdom to pray, to make requests according to your will for that is the only prayer that you will answer. Father give me wisdom to pray according to your will and realities for my life, give me wisdom to pray prayers that you will answer, give me wisdom to make requests that you will answer in the name of Jesus. Give me wisdom not to be controlled by my selfish desires, selfish ambitions, selfish interest in the place of prayer. Give me wisdom to make requests according to your will in Jesus' name.

⇒The measure of the light of God in your spirit will determine what kind of dreams you will have. When the light of God saturates your spirit that is when we can say the light of God has prevailed in your spirit and we cannot find darkness any more. When there is no darkness in your spirit, you will not have dreams from the devil, you will only see dreams from God. The reason why some people in a certain environment see good visions and some see bad visions is dependent on the level of light in their lives. Yes there are times when God would want to show you what is happening in the demonic world but when you are always dreaming demonic dreams and having demonic attacks when God is not showing you anything concerning the dark kingdom then it shows how much darkness is in you. You are seeing all those kinds of dreams because the light of God has not filled your spirit.

•Place your right hand on your head. Father, saturate my spirit man with your light, fill up my spirit man with your light and shut down every portal of darkness feeding me, channelling negative dreams into my life. Father, saturate my spirit man with your light and baptise my spirit man with your light, shut down every darkness channelling demonic dreams into my life, into my soul and spirit right now in the name of Jesus. Shut down every portal of darkness transmitting demonic dreams into my life, into my sleep in the name of Jesus.

⇒I receive the fullness of the light of God for perfect understanding of the Word of God. I receive the fullness of the light of God into my mind, my spirit, my soul for perfect understanding of the Word of God, for perfect understanding of scriptures, for perfect understanding of the Bible. I receive the fullness of the light of God in the name of Jesus.

⇒The light of God brings visions of Heaven. It communicates visions of God

•Raise up your right hand. Father, shine into my life light that brings visions and revelations of Heaven, visions and revelations of your will and of your truth. Father project into my life your light that brings visions and revelations of your will, of your Kingdom, of your mind and truth, Lord shine into my life such light in the name of Jesus. Father shine into my life your light that brings visions and revelations of your will, mind, Word, Kingdom; visions and revelations of the future and of time, shine upon me such light or Lord.

⇒God is the light by which we see. When you see things that pertain to your life and destiny wrongly you will not fulfill destiny.

•Father let every issue that pertains to my calling and destiny that I have been seeing wrongly begin to appear to me as you want them to appear to me. Every issue of my destiny and calling that has been appearing to me wrongly, Lord let them begin to appear to me as they should. Lord let every issue that pertains to my life and destiny that I have been seeing wrongly begin to appear to me as you want them to appear to me, let me begin to see them as you want me to see them. Every issue and matter

that pertains to my calling and destiny that I have been seeing wrongly, Father let them begin to appear to me the way I should see them in the name of Jesus.

⇒ There is a divine configuration that has to happen to your spirit, soul and body for you to accurately interpret everything going on in your life. In heaven they don't do much talking because when they see something, instantly they will download everything about what they have seen, they will just know immediately without anyone teaching them. That's the kind of configuration that needs to happen to you as a Christian to be able to accurately interpret everything going on in your life.

• Place your right hand on your head. Father, every spiritual transformation, every configuration that must happen to me so that I can correctly interpret everything going on in my life and everything you are doing in my life, Lord let them happen now. Every programming that must happen in my spirit for me to accurately and properly understand what is going on in my life and environment, and what you are doing in my life, Lord let them happen right now in the name of Jesus. Every transformation that must take place in my spirit, soul and body for me to begin to see everything as you want me to see them, to be able to see and understand your purpose in them all, for me to begin to see everything you are doing in my life and understand what they mean, Lord let such transformation happen now in the name of Jesus. The spiritual transformation that will enable me to understand your purpose behind everything I see, behind everything going on in my life, Lord let it happen to me now in the name of Jesus.

⇒ If new things are to start happening in your life it will depend on how you see them because until you see those new things they may not form in the physical realm. When you look at your life what are you seeing? Are you seeing a poor person, have you concluded in your mind that because you don't have money that you are poor? If you see your life and you conclude this is what I am and you believe that way then that is how it will be. If you see your life the way others are seeing it, how your human senses are seeing it then that is how it will be. But when you look at your life and you start to see things differently then things will be different. It's so simple because your transformation begins on how you see things. The Bible says let the weak say I am strong and the poor say I am rich, so if you are identifying yourself and life with the way it is to your physical eyes then that is what it will be. When you identify your life with the way it is in the mind and heart of God then that is what it will be.

• Place your right hand on your head. From today I choose to see things differently. In the name of Jesus I receive strength to see things differently, to see things as God sees them, to see things as heaven sees them, I receive strength. From today I receive strength to see people and situations the way heaven sees them. I receive strength to see my life the way God sees it. In the name of Jesus I receive strength to see my life the way it is in the heart of God, as it is in the mind of God, as it is in the plans of God, as it is in the program of God. I receive strength to see my life differently from the way it is appearing in the physical senses. I receive strength to

interpret the situations of my life according to the mind of God in the name of Jesus. *The strength and anointing to see things differently, to see the things in your life and around you as God sees them, as heaven sees them, receive it now in the name of Jesus. The strength and the anointing to do this, receive it now in the name of Jesus.

⇒ Sometimes those that don't have eyes see better than us who have eyes because the eyes that we have are a great limitation to our lives. The lust of the eyes, the lust of the flesh, the pride of life have a lot to do with our physical eyes and other senses in our bodies. The human senses are a great limitation to fulfilling destiny because we tend to be first of all physical before being spiritual. We have elevated the physical realm above the spiritual whilst the spiritual realm is above the physical. The people of the dark kingdom understand this better that the spiritual realm is always ruling the physical realm that is why they are able to control the entire world because they live from the spiritual and Christians are living from the physical by following their human senses. The way you see life can limit the fulfilment of your destiny, that is, when your thinking and your reasoning pattern is not right.

- In the name of Jesus let the Fire of God destroy every limitation that my human senses have brought upon my life and destiny. Let the fire of God destroy them right now in the name of Jesus and I choose to follow God's senses and not my human senses, I choose to live by God's senses and not by human senses. Let every limitation that my human senses have brought on my calling and destiny be destroyed by the Fire of God. Every limitation my human senses have brought upon my life, my calling, career, and destiny, let them be destroyed now because I choose to think and reason by God's senses in the name of Jesus

⇒ The kind of deliverance that will change your senses to God's senses is not a small or a mere deliverance, it is a great one because it will change and transform your life forever. It shouldn't take you years to be delivered because these prayers we are praying deliverance prayers.

- Father let your Holy Spirit in me destroy the influence and strength of my human senses on my choices and decisions. Father let your Holy Ghost in me begin to destroy the influence the strength of my human senses has on the decisions and the choices I make, let your Fire destroy them now in the name of Jesus. "Let your Holy Ghost destroy them right now x3".

⇒ There are things you must know in God for your life to be transformed in the physical. Unless you know those things you might never experience a change in the physical.

- Father, give me revelation knowledge of you that is instrumental for transformation in my life, that would lead to a glorious transformation in every area of my life. Lord, give me revelation knowledge of you that would lead to a glorious transformation of my life, my destiny, calling. Lord give me revelation knowledge of you for my life to

change, reveal the things I must know. Lord give me revelation knowledge of you that will change my life forever in the name of Jesus.

⇒Confusion comes first before a man is misled. There is a level of knowing God and knowing His will for your life and you must attain that level for there you will no longer be confused, you will be so focused on what God wants you to be doing here on Earth, then you will not be tossed to and fro.

•Father help me to grow in the knowledge of you and in the knowledge of your will such that I will not be confused or deceived by anything or anyone, such that no devil, no human being, wise woman or man, prophet, pastor or preacher can confuse me. Lord help me to grow in the knowledge of you and in the knowledge of your will, such that nothing in this world and nothing in the spiritual world will be able to confuse and deceive me in the name of Jesus. Lord help me to be rooted and grounded in the knowledge of your will such that nothing in this time and in the time to come will be able to confuse me, mislead me, deceive me, or be able to take me out of your will and plans for my life in the name of Jesus, help me Father.

PSALMS 36:10

⇒Are you part of those who love God, are you one of those doing the will of God? If yes, then God will pour out His unfailing love on you, He will lavish kindness, goodness, mercy on you.

•Father, pour out your unfailing love on me, show me your kindness, show me your mercy. Father, pour out your unfailing love on me in my situation, career, marriage, family, ministry, calling, destiny, let the world know that you love me practically, show the world how much you love me, how much you care for me. Show me and everyone how much you care for me, oh God of Israel. Pour out your unfailing love for me on my head, my body, my soul, and spirit; pour out your unfailing love for me on every area of my life. Lord pour out your unfailing love for me in the name of Jesus. Let everyone and the unbelievers see how much you love me by visible signs and wonders, by great victories, let everyone know how much you care for me in Jesus' name.

⇒Those who love God will not be put to shame except if you don't love God, or don't trust Him or if you have not been faithful to God that is when you might be disappointed or be put to shame.

•Father my love is for you, my trust is in you, let me not be put to shame, honour me according to your unfailing love, reward me according to your unfailing love, help me according to your unfailing love. My love is in you my trust is in you and not in any man, not in anything, not in any system of this world, Lord do not let me be put to shame. Let those who are waiting for my shame be disappointed, Father let those who are waiting for my disgrace be disappointed, let me not be put to shame Father, in Jesus' name.

⇒Father let everything happening in my life right now surrender to your unfailing love for my life, let my present situation surrender and bow to your unfailing love for my life right now in the name of Jesus. Father let everything going on in my life, everything I am experiencing, let them surrender to your love for me, let them listen to your love for me and let them fall under your love for my life and let them be conquered by your love for my life in the name of Jesus. Let them obey your love for my life, let them bow to your love for my life in the name of Jesus.

⇒Father, establish with me and my family a covenant of greatness, a covenant of success, a covenant of abundance in the name of Jesus. Father establish with me, with my life, with my family, covenant of honour, covenant of success, covenant of greatness in the name of Jesus.

⇒In the name of Jesus let every staff of the wicked controlling the affairs of my life for evil be broken in pieces in the name of Jesus. Every staff of the wicked controlling the affairs of my life and destiny break in pieces, break in pieces now in the name of Jesus.

⇒There are what are called burdens especially when it comes to prayer. A burden is a kind of a presence of God that comes upon your spirit, soul and body with a strong influence on your mind to begin to pray in a certain direction. For example God will bring an issue on His mind and enforce it upon your mind and it becomes so strong that you cannot control it and you won't be able to do any other thing except what that burden has brought upon you. You will not be comfortable until you go in the direction of that burden, unless you have prayed it off, the burden will remain upon your soul and spirit.

•Father put upon me burdens of prayer that would give birth to a great revival in my generation. Put upon me burdens that will drive me to pray for long hours, to cry out for long until changes begin to happen in my country, in the whole world and in my generation. Lord put upon me burdens of prayer that will birth great revival, great moves of God in my generations, that will birth miracles in people's lives, families; burdens that will birth great signs and wonders in the earth, Lord put upon me such burdens of prayer in the name of Jesus.

⇒Another thing that makes prayers go unanswered is when you pray with wrong motives, when the motive does not agree with the will and the standard of God, the prayer will not produce results.

•Father help me by the Holy Spirit to be motivated by your righteousness in the place of prayer, help me to be motivated by your truth, your Word in the place of prayer. Help me by the Holy Spirit to be rightly motivated in the place of prayer, to have the right mind in the place of prayer, help me by the Holy Spirit to have the right mind and motive in prayer. Help me Lord in the name of Jesus, Amen.

CLOSING PRAYER

Raise up your right hand.

King of glory we thank you because you are so good, gracious, loving, compassionate, so kind and merciful. Thank you Lord for what you have done in this prayer session. Thank you for what you are doing already and thank you for what you are about to do. Thank you for the great miracles we shall begin to experience. Thank you for the great transformation that will happen to our spirits, souls and bodies. Thank you Lord because you will flood our lives with your life and there shall not be any darkness in our lives anymore, thank you Father, be glorified forever in Jesus' name.

I stand as your servant to pray for your people, I ask oh God that you will intervene in every situation they are going through. Every situation in their lives that needs your touch and intervention, Father in your mercy, intervene now in Jesus' name. In your life, only the will of God will prevail.

In the name of Jesus in your life from today, only the mind of God will prevail in the name of Jesus. Any other mind (it doesn't matter whose mind it is) spirits or humans that are attacking the mind of God for your life shall fail in the name of Jesus, and if they prove stubborn, that mind shall go mad in the name of Jesus.

Every plan of darkness to frustrate your life, to stop your progress, to stop your elevation shall fail in the name of Jesus. The hand of God shall fight for you, the hand of God shall crush your enemies in the name of Jesus.

As God stood to defend the children of Israel in those days, I prophesy over your life that the Lord of hosts will stand and He will defend you in the name of Jesus. He will defend you so much that your enemies will run away from you in the name of Jesus.

You shall be strengthened by the hand of the Lord, you shall be helped by the hand of the Lord. You shall be honoured by the hand of the Lord, you shall be promoted and you shall be blessed by the hand of the Lord in the name of Jesus. Your story will change, thank you Lord because we know you have answered, in Jesus' name I have prayed, Amen.

PSALMS 36:10

⇒ Father, let your justice be enforced in my life and destiny, let all that is rightfully mine begin to look for me. Let your justice be enforced in my life and destiny; as it is written that righteousness and justice are the foundation of your throne, Father let your justice be enforced in my life and destiny, let everything that is rightfully mine begin to find me. Whenever they are, whether they are in the invisible realms or visible realms, wherever they are Lord, let all things that are rightfully mine begin to look for me right now in the name of Jesus. Let all things that are rightfully mine begin to find me in the name of Jesus.

⇒That verse also means that the enemy cannot steal from you as a child of God. The justice of God also means preservation of what God has put in your life and the blessings God He has given to you. It means that those blessings shall be preserved and the enemy will not be able to steal from you.

•Father, by the reason of justice, let no devil and agent of darkness be able to steal from my life in the name of Jesus. Let no darkness be able to steal my joy, my

peace, my health, my finances, my prosperity, your blessings in my life. Lord by the reason of your justice, make it impossible for the enemy to steal from me from this hour henceforth. By the reason of your justice oh God make it impossible for devourers to steal from me from this hour henceforth. In the name of Jesus .

⇒ God gives justice to those with pure hearts. God has a way of helping you to survive, flourish and prosper even when you are under a system that does not want you to prosper.

•Father, let your power trouble every system of human beings, the system of governments that is against me until I have my appointed blessings, until I receive my blessings and my help. Father, let your power trouble every system that is working against me in the Earth, let your power trouble them for the release of my help, blessings and breakthroughs. Lord trouble them with your power for the release of my breakthroughs and prosperity. Every system in the earth that is against me, against my prosperity and progress, Lord trouble them until my progress, favour, help and blessings are released. Every system in my academics, in the banking sector, in whatever platform that is not working in my favour, Lord trouble the systems now by your power for my help to come in the name of Jesus.

⇒The Lord wants to assign some Angels to work with you, meaning that God wants to do some operations and He wants to do them very quickly. So He will assign His Angels for the performance of His agenda for your life at this time.

•Raise up your right hand. In the name of Jesus, I connect my life and days with the interventions of God's Angels for the performance of the will of God in my life and destiny. I connect my life and my days to the intervention of God's Angels for the performance of the will of God in my life. ***As you have said these words, so shall it be in Jesus' name.**

⇒This also means that God will connect you with people like you. The question is, do you have an honest and pure heart? If so, then God wants to connect you with people with an honest heart. Maybe you have suffered in the hands of people who are not trustworthy but this time around God wants to connect you with the right kind of people that you need in your life and destiny.

•Father, by your mighty hand, connect me with people that are trustworthy, pure and honest. As many of these people are needed for my life to succeed and prosper, Lord begin to connect me right now. People who have the same mind as me, people who have clean, pure and honest hearts, Lord begin to connect me with them. Men and women who matter to my life and destiny and calling; men with honest, clean and pure hearts, men who can be trusted and fear the Lord, people who love you, who are righteous, Lord wherever they are, connect them with my life.

PSALMS 36:11

⇒Father let the strength of the enemy on the affairs of my life be broken in the name of Jesus. Father let the strength of the enemy on my life, on the affairs of my life be

broken right now, let the power the enemy has over my life be broken now in the name of Jesus. Strength of darkness, strength of witchcraft, strength of demons, strength of principalities over my life, over the affairs of my life be broken, be broken in the name of Jesus. Strength of the enemy, strength of darkness over my life and the affairs of my life break in the name of Jesus.

⇒ Fire of the Holy Ghost arrest and destroy every wind of darkness blowing in my life to cause trouble, confusion, failure and evil. Fire of the Holy Ghost arrest them, arrest the wind of darkness, storms of darkness blowing in my life to cause confusion, troubles, problems, sorrows, loss, failures, arrest and destroy them now in the name of Jesus.

⇒ In the name of Jesus let the anger of God fall upon every satanic strongman, demonic personality, standing to rule over my life and destiny, standing to control my life and the affairs of my life, the affairs of my destiny, let the anger of God fall upon them and consume them all. Let the anger of God fall and consume every satanic strongman, demonic strongman standing to cause evil in the affairs of my life, let the anger of God consume them now in the name of Jesus. Demonic strongman, satanic strongman standing to rule the affairs of my life be consumed forever by the anger of God right now in the name of Jesus. Demonic strongman, satanic strongman, witchcraft strongman or strongwoman standing to rule over the affairs of my life, receive the anger of God now in the name of Jesus.

⇒ I come against every battle from my father's house and mother's house contending with the fulfillment of my calling and destiny, let the anger of God waste them all. Battles from my mother's house, from my father's house contending with the fulfillment of my calling and destiny be wasted by the anger of God now in the name of Jesus. Be wasted by the anger of God right now in Jesus' name.

⇒ Most Christians are suffering under the oppression of darkness. Oppression of darkness is where something is troubling you, like you are completely captured, completely subdued; whereby you are being dominated by a demonic force or a demonic power and you cannot lift up your head or do anything you want except what that power wants you to do; you cannot leave the position that power wants you to be in. No matter how hard you try, you are unable to do anything different from what those powers want you to do and you cannot have any breakthrough as long as those powers are in control. Things that were easy for you to do before, be it prayer and fasting which are now difficult for you to do, that is oppression.

• Place your right hand on your head. Blood of Jesus, destroy every stronghold of darkness oppressing my life and destiny. Blood of Jesus destroy every stronghold of darkness oppressing my life and destiny, destroy them right now in the name of Jesus. Every stronghold of darkness oppressing my spirit, my body, my soul be destroyed by the blood of Jesus. Every environmental darkness, environmental

demons oppressing my life and destiny, die by the blood of Jesus, be wasted by the blood of Jesus right now in the name of Jesus.

⇒ One of the ways the kingdom of darkness oppresses Christians is by making them slaves to sin. He knows that as long as you are a slave to sin, he will always be stronger than you. He knows that the grace of God will be cut short from your life, the mercy of God will be cut short from your life as long as you are a slave to sin. That is why he ensures or keeps people under the control and power of sin because that is how he will be able to rule their lives because God's help for their lives will be limited, sometimes it would be unavailable. There is power in the blood of Jesus to deliver you from the captivity and stronghold of sin.

•Place your right hand on your head. Blood of Jesus deliver me from powers that want me to remain a slave to sin, deliver me right now. Blood of Jesus deliver me from powers that want me to continue to serve sin all the days of my life, deliver me now, deliver me now in the name of Jesus. Blood of Jesus release me right now from powers of darkness that wants me to continue to serve sin, that wants me to continue to be enslaved by sin, blood of Jesus deliver me, deliver me. "Blood of Jesus deliver me x5". Blood of Jesus deliver me from every power that wants me to remain enslaved to sin, deliver me now in Jesus' name.

⇒The power in the resurrection of Jesus changes people to become righteous, new creatures with a divine nature that cannot sin. If you are born of God you cannot sin because the seed of God is in you. It means that you will not deliberately sin against God. Millions of Christians today are deliberately committing sin against God; they know that this is sin and they are doing it despite, that is oppression. The early Christians did not do that because they were not under oppression, they were changed into the divine nature that cannot sin. The resurrection power of Jesus changes people to a nature that cannot sin, that is what being born again means; that you are changed into someone that can no longer sin deliberately.

•Raise up your right hand. Power of the resurrection of Jesus, change my life, change me into a person that cannot sin. Power of resurrection of Jesus change me, change me now into a divine nature, a divine person that cannot sin, a divine personality that cannot sin, change me right now in Jesus' name.

⇒If you can overcome sin, 70% of the spiritual battles you are meant to fight in your life would already have been taken care of. The powers of darkness don't want people to be stronger than sin because they know once you are stronger than sin it will be difficult for many of their operations to take place in your life or succeed in your life. One of the secrets to living a holy life is by walking in the spirit, being in a very close relationship with the Holy Spirit, living a life controlled by the Holy Spirit that is what makes it easy to live a pure and holy life. Walk in the spirit and it will be difficult to fulfill the lust of the flesh or to sin.

•In the name of Jesus, I receive Grace to walk in the spirit, to walk-in close fellowship with the Holy Spirit, to live a life that is under the full control of the Holy Spirit. I

receive Grace to walk in the spirit, I receive Grace to live a life that is under the total control of the Holy Spirit, I receive the Grace now. I receive Grace to always obey the Spirit of God. I receive Grace to hate the desires of my flesh. I receive grace to love the desires of the Spirit in the name of Jesus.

⇒ Another way through which darkness oppresses people is by attacking people in their dreams. The more attacks you get in your dreams the more you will be oppressed by the kingdoms of darkness. The more successfully attacked you get in your dreams the more your entire life will be under the oppression of darkness. Sex in the dream, eating in the dream, etc there are thousands of ways they attack you in the dreams.

- Place your right hand on your head. I invoke the anger of God upon every presence of darkness in my life sponsoring attacks on my dreams, let the anger of God waste them all in the name of Jesus. I invoke the anger of God upon every presence of darkness in my life causing demonic attacks in my dreams. Every presence of darkness in my life, every monitoring spirit, every standby demon in my life, sponsoring and promoting attacks in my dreams, let the anger of God waste them now, let the anger of God waste them now in the name of Jesus. Every demonic presence in my house, in my bedroom, in my environment sponsoring and projecting demonic attacks in my dreams, let the anger of God waste them now in the name of Jesus.

⇒It is important that you have weapons with which to overcome in the realm of dreams. Some Christians are not strong in the realm of dreams because when the enemy comes against them, they are not able to fight back, they don't know how to fight back. If the enemy can come to you in the realm of dreams it means you can also visit the enemy in the realm of dreams. The realm of your dreams is a world where you and whatever spirit can fight. It is a world where there are some battles that you complete in the dream; you do some battles in the physical and then in the dreams you finish it. That is why you must be strong to fight the enemy in your dreams. You are not supposed to be weak in the realm of your dreams but you have to be powerful. When the enemy comes, you stand and fight. If in your dreams you are always running and you don't stand to face the enemy then it means that you are weak.

- Raise up your right hand. In the name of Jesus I receive weapons from God, I receive weapons from heaven to fight and win every darkness that appears in my dreams, to fight and win every creature of darkness, every personality of darkness that appears in my dreams. I receive weapons, I receive weapons, I receive weapons from God to fight and win every darkness that appears in my dreams to attack me, I receive weapons to fight and win every agent of darkness, every personality of darkness, every creature of darkness that appears in my dreams to attack me. I receive weapons now, I receive angelic weapons, I receive weapons of mass destruction from heaven to defeat them all, to destroy them all right now in Jesus' name. I receive weapons of war to fight and win every creature and

personality of darkness that appears in my dreams to attack me, I receive the weapons now in Jesus' name.

⇒The Lord is saying that some of you need to have a certain dream where you will win in that dream. You need to have that dream because that is going to be the beginning of breakthroughs, greatness and success. You have been in that dream or realm though you cannot see it when you sleep because the enemy has been oppressing you but now God will open up your spirit and soul to be aware of that place so that when the enemy now comes you will now fight and win.

•Place your right hand on your head. Father let your power uncover to me every realm of darkness where I am being oppressed and let your power enable me to fight and win in those realms. Let your mighty hand expose to me every realm of darkness where I am being oppressed, let your mighty hand enable me to fight and win in those realms right now in the name of Jesus. Father, let your mighty hand expose to me every realm of darkness where I am constantly and continually being oppressed, let your mighty hand enable me to fight and win in those realms, let me see myself in those realms and let me fight and win the enemy in the name of Jesus.

⇒It is possible that a large part of you is no longer in you. It is not much of a mystery but it is something that happens in the spirit world whereby a portion of you or maybe 60% of you is no longer functioning here on earth; it's no longer in your body but has been sucked out and has been captured somewhere in the spiritual world. It is possible that part of your personality is no longer alive and active; it has been caged somewhere.

•Raise up your right hand. Fire of the Holy Ghost, deliver me from every realm of darkness where I have been kept bound, release me from every realm of darkness where my life and my spirit has been enslaved, has been held bound, release me now in the name of Jesus. Fire of the Holy Ghost release me from every realm of darkness where I have been captured, where I have been caged, enslaved and held bound. Fire of the Holy Ghost go into those realms and release me. In every realm of darkness where I have been killed, captured, Fire of the Holy Ghost go there and release me, go there and deliver me right now in the name of Jesus. Every part of me that is no longer functioning as God has ordained, Fire of the Holy Ghost release me now to function. Every part of my spirit, my soul and body that is no longer functioning as God created and ordained it to function, Fire of the Holy Ghost release me right now in the name of Jesus.

⇒Your finances can be caged under the realms of darkness, they can be limited such that you cannot have beyond a certain amount of money in your bank account. Whenever you try to have beyond that amount it will not work. That is oppression and slavery, that is limitation.

•Raise up your right hand. Fire of the Holy Ghost release my finances from every slavery of darkness, from every limitation of darkness, from every oppression of darkness right now in the name of Jesus. Fire of the Holy Ghost, Fire of the Holy

Ghost release the flow of my income, release my riches and wealth from the limitations of darkness, from every slavery of darkness, from every oppression of darkness, Fire of the Holy Ghost release my finances in the name of Jesus. Right now in the name of Jesus, set my finances free, Fire of the Holy Ghost set my finances free. Fire of the Holy Ghost set my financial life free in the name of Jesus, Amen.

You shall become who God says you are, you shall become the person God has sent you into the world to be and it shall be so in Jesus' name.

I pray for you that the covenant of increase, the covenant of excess, the covenant of success in this ministry shall work in your life in the name of Jesus. The covenant that multiplies things, the covenant and the power of God that turns a poor man to a wealthy person, that covenant shall begin to work in your life henceforth in Jesus' name.

As many of you have been destined to spend millions and billions of currencies, you shall see it come to pass in the name of Jesus. Whether the enemy likes it or not, that destiny to spend wealth shall come to pass in your life in the name of Jesus.

I decree that a new dawn has come upon your life, a new season has come upon your life. Before the end of this month you shall have a great testimony and the Lord shall be glorified in your life and situations. Thank you Father because we know you have answered in Jesus' name it is done, Amen.

NB: Remember to go over each prayer session twice before joining the next prayer session. Just make sure that each and every prayer session you pray it twice, you can do it anytime but make sure you pray the session twice. When God gives instructions He stands by it. That is why you will see God will visit some people and not visit others because God is very strict when He gives instructions. He does not reward everyone equally. He makes sure what you sow is what you reap.

PRAYER POINTS

⇒ Father, thank you for your mercy that is speaking for me. Thank you because you have not listened to the accusations the enemy is bringing to you but you are listening to your mercy. Thank you Lord for your mercy that is prevailing in my life. Thank you for you have not judged me according to my sins or sinfulness. Thank you Lord for your mercy that is speaking for me, thank you Jesus for your mercy speaking for me, thank you for your mercy covering me. Thank you Lord for your mercy. Thank you Lord because concerning my life you have remembered to show mercy, you are not judging me according to my iniquities or according to the punishment I deserve but you are showing me mercy, trusting that I will be a better Christian. Thank you Lord for your mercy upon my life, my family, upon my children, my spouse, my grandchildren, thank you Lord for your mercy. Thank you Jesus for being merciful and for the battles you have fought for me that I am not even aware

of. Thank you for the prayers that you have answered that I am not even aware of. Thank you for the blessings you have released in the realm of the spirit that I am not even aware of. Thank you for your mercy that is speaking for me, thank you Jesus.

⇒ Raise up your right hand. Father let your fire fall into every realm of darkness, every secret place of darkness, powerhouses of darkness where my life and destiny is being controlled for evil. Father let your fire fall upon every realm, every coven of darkness where my life and destiny is being manipulated and controlled for evil. Father release your fire into every realm visible or invisible, every place where evil is being projected into my life from, where evil is being released into my life, into my days, let your fire fall and consume them. Fire of the Holy Ghost locate hidden places, realms of darkness from where the affairs of my life are being controlled for evil, from where my daily activities are being controlled for evil, Fire of God locate such realms and destroy them, waste them, consume them in the name of Jesus.

⇒ Pray with all your heart and mind. Don't let your mind wander to all places, it will weaken the effectiveness of the prayer. To worship in truth means that you put your mind in that worship, in this case it's prayer, you put all your mind in prayer.

• Raise up your right hand. In the name of Jesus, let Fire fall and destroy every wickedness that has been done against my life. Let fire fall, let fire fall right now in the name of Jesus and destroy every wickedness that has been done against my life, every wickedness the witchcraft kingdom has done against my life. Every wickedness the Satanic kingdom has done against my life, every wickedness the antichrist kingdom has done against my life, let fire fall from heaven and destroy them now. Let fire fall from heaven and destroy every wickedness of the wicked that was done against my life. Every wickedness that has been done in the atmosphere, in the waters, done under the ground, on the rocks, in the trees against my life, let fire fall now and destroy them in Jesus' name.

⇒ Place your right hand on your head. In the name of Jesus I refuse to be controlled by forces of darkness. Every hold of darkness on my life break in the name of Jesus. I refuse to be controlled by forces of darkness, I refuse to be influenced, manipulated, controlled and deceived by forces of darkness. Every stronghold of darkness upon my life break in the name of Jesus, break in the name of Jesus. Strongholds of darkness on my spirit, soul and body break in the name of Jesus. Strongholds of darkness that are meant to mislead me out of the will of God, strongholds of darkness that are meant to deceive me, confuse me, pollute me, corrupt me, enslave me, I command you in the name of Jesus break in pieces, break now. Let the hammer of the Lord break them in pieces. Let the hammer of the Lord break them in pieces in the name of Jesus. Every stronghold of darkness prevailing in my life, my soul, spirit, decisions, and choices; prevailing on my daily activities and let the hammer of God break them in pieces now in the name of Jesus.

⇒It is possible that the enemy is degrading your life to the point where your life looks like it has lost its saltiness and is good for nothing. There are a lot of things that the devil is doing in Christians' lives to get rid of the saltiness in them to the point that even God and heaven finds them useless.

•Place your right hand on your head. In the name of Jesus I decree an end upon every operation of darkness going on in my life to make me lose my saltiness, to take away my saltiness, to destroy my saltiness, to make me useless to my generation, to make me unprofitable to the Kingdom of God, let an end come to such operations right now in the name of Jesus. Every operation of darkness going on in my life to destroy my divine saltiness, to destroy my divine usefulness, my godly virtues, my godly values, my divine values, let an end come to them now in the name of Jesus. Every operation of Satan and his host going on in my life to make me useless to God and to the Earth, to make my life unprofitable to God's Kingdom and God's purposes, let an end come to those operations right now in the name of Jesus. Whatever the devil, marine spirits, serpentine spirits, witchcraft spirits are doing in my life to destroy my divine saltiness, to make my life of no impact to my generation, I command you to end now, die in the name of Jesus.

⇒Some people think that God is like Santa Claus who is going about giving gifts, spreading out blessings on people without any purpose, that is not who God is. God does not do things for no reason, He does not work miracles for no reason, He doesn't release blessings with no reasons, everything He does is for a purpose. If God has blessed you before, what did you do with those blessings? How was He glorified through those blessings? God releases His blessings for His purposes to be achieved. If you want to always enjoy blessings from the Lord, you have to learn how to use the blessings of God for their purposes, to satisfy God's purposes or else the flow of the blessings will stop. Whether it's spiritual blessings, spiritual gifts, physical blessings, or your gifts or talents; if they are not being used to satisfy God's purposes, the flow will stop.

•Father teach me by your Holy Spirit to use your blessings and gifts in my life to satisfy your purposes in the Earth. "Teach me Father by your Spirit, teach me Lord by your Spirit x5", to use the blessings you have sent into my life, the blessings you are sending into my life to satisfy your purposes, your will in the Earth, teach me Lord Jesus.

⇒It is possible that you are wasting the time God has given to you. One of the ways to know whether you are possessed by a wasting spirit or not is in the usage of your time. If you can be on a phone call for one or two hours talking about things that do not have a connection with the things of God's Kingdom, things that are not edifying anyone, then you are a time waster. If you just spend time doing things that do not glorify God, you are wasting time. It's not only time people waste but all manner of different things. In some people's lives, God's Kingdom, God's work or purposes have no place in their finances; they just waste it on selfish things.

•Father, deliver me from the influence and control of wasting spirits. Deliver me from being controlled by wasting spirit, deliver me from being influenced by wasting spirits. Let the hold of wasting spirits on my life be destroyed. Let the hold of wasting spirits upon my soul, spirit and time be destroyed now. Father deliver me from the influence and control of wasting spirits right now in the name of Jesus. Father deliver me from the control and influence of wasting spirit.

⇒The spirit of pride is also connected to the wasting spirit. Some people can give you all the money in their bank accounts when they are being flattered or praised than when they are not. They do it to show off and want to be above everyone and such a spirit has led to all kinds of wasting in the lives of many believers. Some have a competitive spirit and get into things that they know, that they are not financially stable just to impress the next person, some go as far as getting loans just because they want to belong to a certain class of people all because of pride. And these are the same people who run to pastors for prayer saying there's a devouring spirit wasting their money whilst it's the spirit of pride. Whatever God gives you is to fulfill the purpose for which it is given. If it is used for something else, it means it has been wasted and you don't deserve another.

•Father, deliver me from every spirit of pride in my life that is causing your blessings to be wasted in my life, that is causing your resources in my life to be wasted, break in pieces the hold of pride on my soul in the name of Jesus. Every spirit of pride, flattery, competition working in my life, wasting your resources, your blessings in my life, Lord deliver me from them all, break the hold of those spirits on my soul. Spirit of pride loose your hold on my soul; spirit of competition loose your hold on my soul; spirit of worldliness loose your hold on my soul in the name of Jesus. Spirit of greed loose your hold on my soul in the name of Jesus. From now henceforth the blessings of God in my life shall glorify God, they shall fulfill God's purposes in the name of Jesus.

⇒Every hour you live in the flesh, that hour is a wasted hour. People who pray asking God to restore wasted years are praying such prayers because they lived those years in the flesh. Every time you live in the flesh is a waste of time because in the flesh you cannot fulfill the will of God, you cannot please God and if you cannot please God it means that the purpose you were placed in this world for cannot be fulfilled. You cannot fulfill destiny by living in the flesh. You can have records of great achievements in the secular or other areas of your life but in the eyes of God you lived a wasted life. To live in the flesh is where you are being controlled by your flesh, to live in the spirit is where you are being controlled by the Spirit. When your fleshly desires are the motivations by which you do everything that means you are in the flesh. When the will of the Holy Spirit is the motivation behind all you do then you are in the spirit.

•Father give me the grace to live my life and days in the spirit, I don't want to pass through this world like I never existed, I don't want to pass through this world without making any positive impact on my generation, Lord give me the Grace to live all my

life in the spirit, to walk in the spirit. Father give me the Grace to live in the spirit, to walk in spirit, to get it right every hour, every minute and every second. Give me Grace to function in the spirit, to dwell in the spirit, Grace to be rooted in the spirit, Grace to be established in the spirit, Lord give me the Grace. Give me the Grace oh Father not to be controlled by the flesh but to live in the spirit to be controlled by your Holy Spirit.

⇒ Most elderly believers always wish and desire that they had known God earlier in their lives because they realise that if they had been walking in the spirit, where they are now is not where they would have been. They recognise that their lives would have been more beautiful and successful than it is presently. The early you step into the journey of the spirit, the faster you enter into the glorious future God has destined for you.

•Father, I want to walk perfectly before you, I want to work in perfect righteousness and holiness before you, help me Father. I want to walk righteously before you, I want to walk in the truth, help me Father, I don't want to miss the glorious future you have prepared for me. Father I want to walk perfectly before you in perfect righteousness and perfect holiness and perfect purity, I want to walk righteously before you, Lord help me. I don't want to miss the glorious future you have set ahead of me. I don't want to miss that future, help me Father, help me Lord.

⇒ Sometimes to have the story of your life change is about you making that one choice you have not yet made. To experience the great turnaround and shift in your life has to do with you making that one choice. Some of you God has been calling you to make that choice for the past ten years and till today you have not made that choice. You must make that choice for your timeline to shift to the timeline God has prepared for you. Destiny is about choices.

•Father, help me to make the right choices that will allow you to change my life, to relocate my life into greatness. Lord help me to make the right choices that will lead to the transformation of my life. Father, the choice that I need to make now that will change my life forever, Lord help me to make it now. The one choice, the single choice that I need to make now that will shift my life to that one level you have assigned for me, Lord help me to make that choice now. ***I pray for you that the Spirit of God will help you, the grace of God will help you, the hand of God will help you to make every choice you need to make at this point in time, at this particular age of your life that will change your life forever, that will shift you into success and greatness; you shall make those choices now in the name of Jesus.**

⇒ There are some people that you have to cut off from your life, that you have to stop talking or chatting with forever because they are a virus to your destiny, they will never help you to fulfill destiny.

•Father cut off from my life, friends, people, relatives that are not influencing my life positively, that are not helping my journey in destiny successfully. Father cut off from my life people whose presence around me is a limitation to my destiny, to my

success in life, Lord I don't need them in my life, cut them off oh Lord. People whose presence is a limitation to my greatness and success, Lord let them be cut off from my life, remove them from my life right now in the name of Jesus. I don't want to listen to them in Jesus name.

⇒It is possible that you visited a place and darkness entered into your life and that darkness is still in your life operating and causing great limitations in your life.

•Fire of the Holy Ghost flush out of my life deposits of darkness that entered into my life from the wrong places I visited, wrong environments I visited, Fire of the Holy Ghost get rid of them now in the name of Jesus. Every deposit of darkness that entered into my life through wrong places I visited, wrong environments or churches, Fire of the Holy Ghost flush them out right now. "Flush them out right now x 5", Fire of the Holy Ghost flush them out right now in the name of Jesus. **"I pray for you that every deposit of darkness that entered your life from places that were infested with darkness, places you visited that were altars and portals of darkness, I decree that the Fire of God deliver you in Jesus' name. I decree that those deposits are flushed out of your life right now by Fire of the Holy Ghost in the name of Jesus.**

⇒Fire of the Holy Ghost stand against every persistent attack of darkness coming against me on a daily basis. Fire of God stand against them for it is written that when the enemy shall come like a flood, the Spirit of the Lord shall raise a standard against them, Fire of God stand against every persistent attack of darkness flooding into my life from the dark kingdom, Fire of God stand against them now, stand against them now in the name of Jesus. Fire of God stand against them, stand against every flood of darkness, every persistent attack of darkness flooding into my life from the dark realms, Fire of God stand against them in the name of Jesus.

PSALMS 36:11

⇒This verse is talking about slavery, being chained or captured to the point where you cannot do what you want anymore or what God wants, and you are always doing what the enemy wants. It is where they want you to go that you will go, what they want you to think that you will think and what they want you to say that you will say. Your body is like a vessel, the Spirit of God can use it and demons can use it as well; just like Peter was used by the devil to discourage Jesus from going to the cross.

•Raise up your right hand. In the name of Jesus I reject every slavery system of darkness prevailing in my spirit, soul and body, Fire of the Holy Ghost break them in pieces. Fire of the Holy Ghost break in pieces every slavery system prevailing over my tongue, over my words and over my thoughts. I reject slavery to darkness, I reject being a slave to darkness, Fire of the Holy Ghost destroy every slavery system of darkness prevailing over my spirit, my soul, and over my body in Jesus' name.

⇒Some of these people do not know that they are captives of darkness. They think it is just a normal way to express feelings and emotions anyhow but it is not normal.

Maybe much of the life you have been living is not your life, maybe it is another spirit trying to use your body to live their lives. It is possible that a person can live their lives for the first 15 years and from there it is a spirit that is living its life through that person and those people will be thinking they are living their life not knowing it is the spirit within them living its life through their bodies. Sometimes you need to think back far as to how you used to live before and see where the change came from, but the devil would not want you to regain your consciousness and will keep you in darkness, to believe that this is your life you are living. What if all these years it is not you who has been living your life but spirits of darkness living their lives through you?

•Place your right hand on your head. Pray fervently with the whole of your heart, shout if possible. Fire of the Holy Ghost deliver me from the bondage of powers of darkness, from the bondage of darkness and demons living their lives through me, from the bondage of personalities of darkness living their lives through me. Fire of the Holy Ghost release me from the captivity of spirits of darkness living their lives through my body, through my soul, through my spirit, Fire of the Holy Ghost release me now in the name of Jesus. Fire of the Holy Ghost release me from the bondage of spirits of darkness living their lives through me, release me now in Jesus' name.

***In Jesus' mighty name you are released.**

⇒ Another thing that happens in captivity is how you could have been enlisted among the army of the devil, agents of Satan and it would be unknown to you though in their kingdom your name is already written that you are one of them. So whenever you sleep the kingdom of darkness will come to engage your spirit to do all sorts of evil in the spirit world because they have already enlisted you in their realms that you are one of them. Just as it happens in the movies that is how it happens in real life. You might have been initiated even from birth and not know, it happens a lot.

•In the name of Jesus, let every initiation of darkness on my spirit that has enlisted me among agents in the kingdom of darkness, enlisted me among the creatures in the realms of darkness, let the blood of Jesus destroy such initiations right now. Let every initiation of darkness on my spirit that has enlisted me among agents in the kingdom of darkness, that has enlisted me among creatures in the kingdom of darkness, let the blood of Jesus destroy the initiation now. Let the blood of Jesus destroy every initiation of darkness unknown to me that has been sealed on my spirit to enlist me among agents in the dark world, blood of Jesus destroy them now. Every initiation, covenant on my spirit that has enlisted me among agents in the dark world, blood of Jesus destroy them now. Blood of Jesus destroy them, blood of Jesus destroy those initiations and covenants right now in Jesus' name. ***In Jesus' name you are delivered.**

⇒In the name of Jesus, let every hand of darkness holding captive blessings that belong to me, positions that belong to me, treasures that belong to me, fortunes that belong to me, let them release it now by fire, let them be release now by fire, let such hand release my blessings by fire in the name of Jesus. Every hand of darkness

holding captive favour that belongs to me, opportunities, breakthroughs, treasures that belong to me, I command you to release them right now by fire. Every hand of witchcraft, every hand of darkness, demons, principalities, powers holding captive blessings, treasures that pertain to my life and destiny, I command you to release them in the name of Jesus, release them now in Jesus' name.

⇒ Most people think Satan operates from hell or under the ground but he operates from the second heaven, he operates from the realm of the stars, the space, the realm where we have the planets and the moon. Satan operates by controlling people's minds, he doesn't do like the marine spirits or the witchcraft kingdom or the gods or goddesses. Satan uses his mind to control people's minds. He will be thinking something in his mind and he will want you to be thinking the same thing. That is mind projection and that thought is meant to control your thoughts, he will project a thought to you and will make you think that thought and he is usually over 90% successful. Most people in the world, their minds are following Satan's mind, thinking in the direction of Satan. If you are suffering from sexual addiction, pray this prayer point very well.

• Place your right hand on your head. Fire of the Holy Ghost deliver my mind from the influence and control of Satan's mind, disconnect my mind from the control of Satan's mind, I refuse to think in the direction of the mind of Satan, I choose to think in the direction of God's mind in the name of Jesus. Fire of the Holy Ghost deliver my mind from the influence and control of Satan's mind in the name of Jesus. "I disconnect my mind from the Satanic mind, I connect my mind to God's mind, to the mind of Christ in the name of Jesus x 2"

⇒ There are times when you find yourself in unpleasant situations and God will not rescue you until you renew your mind and get victory over that situation. The reason why God does nothing is because you would have not connected with the realm of God where He operates. Most of you sit in the realm of darkness waiting for God to come to you in the realm of darkness and help you, it doesn't work like that. It might work if there is an intercessor interceding on your behalf. Before God will do something to help you, you have to leave that realm of darkness and connect to His realm by renewing your mind with the Word of God. It is by fighting the fear, dealing with the negative thoughts and imaginations in your mind; that is how you leave that realm of darkness into the realm where God will now start fighting for you.

• Father, give me power to renew my mind in those moments when I need your help, when I need your intervention, when I need your salvation. Give me power to renew my mind, give me the Grace to renew my mind. Father, give me power to be able to renew my mind in the hours of temptation, in the hours of tribulations, in the hours of deadly attacks of the enemy, give me Grace oh God to renew my mind and connect with your realm and connect with your help. Give me the Grace to renew my mind in the hours when I am in tribulation, when I am in the midst of deadly attacks, in the midst of confusion and deception depression, in the hours when I am in the midst of fear and doubt, Lord give me Grace to renew my mind and connect with your realm,

and connect with your power, connect with your victory. In the name of Jesus give me Grace oh God to renew my mind for the manifestation of your victories in my life in Jesus' name.

⇒ Father, strengthen me with your strength, let your strength destroy my weaknesses. Father strengthen me with your strength, destroy my weaknesses with your strength, destroy my infirmities with your strength in the name of Jesus. Strengthen me oh God, I trust in your strength, I trust in your strength. "Destroy my weaknesses with your strength in the name of Jesus x 2"

⇒ Blood of Jesus saturate my spirit, soul and body for perfect healing and health in the name of Jesus. Blood of Jesus saturate my spirit, my soul; fill up my spirit, soul and body for perfect healing and health in the name of Jesus. Blood of Jesus fill up every part of me, fill up the cells in my body for perfect healing and health in the name of Jesus, for perfect healing and good health in the name of Jesus. ***I pray for you that the blood of Jesus fill you up now for the manifestation of healing and health in Jesus' name.**

⇒ There is a level of growth you must have where the enemy will no longer be able to oppress you. Just like a plant grows to become a giant tree and there are some levels of storms, floods and harsh conditions that can no longer affect it. Spiritual growth is key to complete deliverance and permanent deliverance such that the enemy can no longer oppress you, trample you or rule over you. It is the mercy of God that will give you that growth where Satan no longer has control over your life •Father, have mercy on me, help me to grow spiritually beyond oppression, have mercy on me, forgive my mistakes and my errors, help me to grow beyond oppression. Father show me mercy, help me to grow beyond demonic oppressions, beyond witchcraft oppressions, beyond satanic oppression, show me mercy Father, show me mercy Lord. Father show me mercy, help me grow beyond oppression, help me grow beyond captivity, beyond slavery, beyond being vulnerable to attacks, help me grow Father, please Lord help me grow in the name of Jesus, Amen.

PRAYER POINTS

⇒ Father, thank you for your love toward me, thank you for your love for my life. Father, thank you for your love for my life, for my soul, and my destiny. Thank you for your love for my spirit, my soul and my body. Thank you for loving me so much that you gave your only Son as a ransom for my deliverance, salvation and redemption. Thank you Father for loving me so much.

⇒ Father, I come to you this hour, do not forsake me. I come to you Father, help me, bless me, Lord touch me, do not cast me away, receive me and help me. Father, I come to you today, show me mercy, do not forsake me, receive me, help me, touch me in the name of Jesus. Father I come to you, Lord harken to my voice, harken to my cry, show me your mercy, touch me from my bones, save me, heal me, deliver me, revive me, transform my life. I come to you, God of Israel help me.

⇒ Raise up your right hand. In the name of Jesus I come against every power causing my life to roam about in a circle without any significant progress, die in the name of Jesus. Every power of darkness causing my life to roam about in a circle without any significant progress, die in the name of Jesus.

⇒ When we are praying for powers of darkness to die, we are saying that they should have no life in your life. Demons don't die literally but when you command them to die - in the realm of the spirit, death means that you are separated from a feeding ground, for example when you are separated from God who is giving you life, that is spiritual death. If there are powers of darkness operating in your life, they die when they can no longer work in your life, when their roots are cut off from your life. This is a spiritual warfare language.

• Raise up your right hand. Powers of darkness causing my life to roam about in a circle without any significant progress, without success, without fulfillment of destiny, die in the name of Jesus. Every power of darkness operating in my life, operating in the environment of my life, career, ministry; powers of darkness causing stagnation die in the name of Jesus.

⇒ Father, let your glory fall on my life and let it terminate every work of the devil, let it terminate and destroy every operation and presence of darkness in my life. Father let your glory fall on my life, let it fall on my life and let it terminate works of darkness, operations of darkness right now in the name of Jesus. Oh Lord let your glory fall on my life and let the works of the devil be swallowed up, let forces of hell operating in my life be swallowed up by your glory right now in the name of Jesus. ***I pray for you that the glory of the Lord shall come upon your life in the name of Jesus. The glory of the Lord shall fall upon your life and every work of the devil, persistent operations of darkness shall be swallowed up in victory in the name of Jesus.**

PSALM 36:12

⇒ Raise up your right hand. In the name of Jesus, let every demonic strongman assigned over my life to cause evil be brought down, be slaughtered by the sword of the Lord. Every demonic strongman assigned over my life, calling and destiny to cause evil, be slaughtered by the sword of the Lord in the name of Jesus. I come against every demonic strongman assigned over my life to cause evil, be slaughtered now by the sword of the Lord in the name of Jesus.

⇒ "Look, those who do evil are fallen", this means that God shall fight for you, He shall fight your enemies.

• Arise oh God concerning my life and scatter your enemies that are persecuting me. Arise oh God and let my enemies be scattered at the sight of you, let them be scattered forever at your rising. Arise oh God concerning my life, my destiny, career, marriage and future, scatter the enemies of my life forever. Scatter the enemies that

surround me, that surround my life; arise in the midst of my life and let them be forever scattered. Oh God of heaven and the Earth arise and let your enemies be scattered as it is written, "look those who do evil are fallen-" arise now oh God let the enemies of my destiny, calling, career, ministry, marriage scatter forever in the name of Jesus.

⇒ This verse also means that God will defend you when you cannot defend yourself. He defends you because you are too weak to defend yourself.

• Father, arise for my sake, defend me until I am victorious, defend me that I may be victorious, that I may be secured. Father arise for my sake, defend me oh God that I may have complete victory, that I may have complete freedom, that I may be completely secured, defend me oh God, defend me oh God. Arise King of Israel, arise King of glory, arise Lord of hosts, defend me.

⇒ When God defends you the enemy will be afraid of you; weakness, sin, sickness, demons even Satan will be afraid of you.

• Raise up your right hand. Father arise for my sake against my enemies and let your terror forever chase them away in the name of Jesus. God of Abraham, God of Isaac, God of Israel, God of our Lord Jesus Christ arise for my sake, arise against my enemies, let your terror forever chase them away in the name of Jesus.

⇒ When the children of Israel were moving from Egypt, the land of captivity through the wilderness, to the promised land, there were some battles they did not fight. The Bible says that when the nations ahead of them heard they were coming, God filled their hearts with terror and they were scared because they had heard what God had done mightily for the Israelites. There are some battles that you won't fight when God defends you because the terror of God will chase them away.

• Father, arise for my sake and let your terror scatter witchcraft forces that are against me, let your terror scatter every witchcraft entity, witchcraft creature that are against me. Arise for my sake oh God of heaven and earth and let your terror scatter forever witchcraft forces, witchcraft powers, witchcraft covens, witchcraft kingdoms and witchcraft people that are against me.

⇒ When God defends you, He will give you secrets that will lead you to victory. Sometimes battles are not won according to strength but sometimes you just need God to tell you specifically what to do and as you do it there will be victory.

• Father, show me the secrets that will lead me to victory, show me how to fight, show me instructions to follow that will lead to my victory, that will give birth to the victory I need at this point in my life, that will give me the victory that I need at this time to move forward and fulfill my destiny, Lord show me the secrets now in the name of Jesus. Father, show me the secrets that will bring me into victory, the secrets that will enable me to defeat the enemy, Lord reveal to me those secrets in the name of Jesus.

⇒ There are deep mysteries that many Christians do not know about their lives, mysteries about the plans of God for their lives, mysteries about what has been perfected in the kingdoms of darkness against their lives. There are mysteries that you are not aware of, and you not being aware of them will make you not able to fulfill your destiny or you will be limited to fulfill your destiny. These are mysteries about who you are, why you are here, what to do with your life, what has been happening in the realm of darkness that has made your life the way it is now. Mysteries about the day you were born, mysteries about what has already been perfected in the realms of darkness against your life and except a higher power undo those things, your life might not succeed. Your deliverance and spiritual growth will begin when you discover the mysteries about your life.

• Father, in your mercy open my eyes to see mysteries about my life that I need to see to be able to fulfill destiny. Open my eyes Lord Jesus to see mysteries about my life that are crucial to the fulfillment of my destiny, mysteries about my life that I must know to fulfill destiny, Lord open my eyes to see them, let my mind know them in the name of Jesus. Every mystery that surrounds my creation, mystery that surrounds my birth, mystery that surrounds my growing up, mystery that surrounds my being here on earth, Lord open my eyes to see them so that I may fulfill my destiny in the name of Jesus.

⇒ Most of you have not yet started to do something that will release you to fulfill your calling and destiny though you might be thinking you are fulfilling it. There is something that you must begin to do that will release you to fulfill your calling.

• Father, let my eyes be opened to understand what to do with my life now, that will release me to fulfill my calling and destiny. Lord help me to understand what I need to do with my life, what I need to do with everything in my life, with my time, with my spirit soul and body that will release me to fulfill my calling and my destiny. Lord, help me to understand what I need to do at this time of my life, at this age of my life to fulfill the purpose of why I am here on Earth.

⇒ Apart from God showing you secrets of victory, what God does to defend you is by taking possession of you. There are some battles that you should not fight as a human being but they should be fought as God. In the book of Zechariah, the prophet was revealing the covenant God had with David, regarding having victories in warfare. He was showing how the soldiers David trained fought like God in battles, they did extraordinary things- one person fought 800 men alone. It was because God possessed them, that is why they could do those strange things in battle. There is a dimension in spiritual warfare where you fight like God not as a son of God, but as though you are God.

• Father, possess me with the fullness of yourself and enable me to fight the battles of darkness confronting my life and destiny as you in the name of Jesus. Possess me Father, possess me oh God of Israel, possess my spirit, my soul and my body with your fullness that I may fight these battles as you and not as a man in the name of Jesus.

⇒The other thing we see in this verse is that the anger and judgement of God was kindled against the enemy and they fell; so will the giants and enemies of your life fall, just as Goliath fell from the slingshot.

•Raise up your right hand. In the name of Jesus let the anger of God fall upon every personality of darkness oppressing me and my life and let them fall down in defeat, let them fall down for my victory. Let the anger of God fall upon every personality of darkness, spirits of darkness oppressing me, let them fall down for my victory, let them fall down in defeat in the name of Jesus.

⇒Father, let the power of your covenant in the blood of Jesus execute judgement on the enemies of my life and destiny in the name of Jesus. Let the power of your covenant in the blood of Jesus execute judgement on the enemies of my life and destiny. The power of God's covenant in the blood of Jesus, execute judgement against the enemies of my destiny right now in the name of Jesus.

⇒The anger of God will bring down your enemies.

•In the name of Jesus, I invoke the anger of God upon the stubborn enemies of my life and destiny. I invoke God's anger, I invoke God's wrath upon stubborn enemies of my life and destiny, enemies that have refused to stop attacking me, enemies that have refused to give up on my life, let the anger of God fall upon them now in the name of Jesus.

⇒There is a way what you do now determines what happens to your future. If you make any mistake now, the future God promised might never come to pass. Whatever mistake you make determines the future you will see or encounter. There are some attitudes that if you don't stop them from your life now, the future ahead of you will not allow the fulfillment of God's promises in your life.

•Help me Father, help me to live my life in the way you want me to live so that I can enter the future you have prepared for me. Father help me to live my life the way you want me to live so that I will enter and experience the future you have prepared for me.

⇒There are some words you have to stop speaking for you to enter into the glorious future God has prepared for you.

•Father shut my mouth from speaking and saying negative words that are against the future that you have prepared for me. Father, close my mouth from speaking and saying words that are against the glorious future ahead of me in the name of Jesus. Lord, let my mouth be closed from saying words that will affect the fulfillment of your promises in the future ahead of me, let my mouth be shut against such words. Whenever such negative words want to come out from my mouth, Lord close my mouth and stop me from saying words that will affect the fulfillment of your promises in the future ahead of me in the name of Jesus.

⇒Your actions must be guided by the Spirit of God if you want to enter the glorious future God has for you. They have to line up with the will of God. As many that are led by the Spirit of God are sons of God. Sometimes the Holy Spirit will take you through some things which might take many years but will produce greater glory. Be patient with whatever the Holy Spirit shows you or tells you to do.

•Place your right hand on your head. Father let your Holy Spirit lead me through the path that will make the future you have planned for me come to pass. Let your Holy Spirit guide me through the path that will make the future you have prepared for me come to pass. Father let your Holy Spirit lead my life, guide my life through the path that will make your future for my life come to pass. Let your Holy Spirit lead me, oh Lord let your Holy Spirit guide me in the name of Jesus.

⇒"Those who do evil are thrown down never to rise again", this is what God is about to do to your oppressors, to the enemies of your destiny, to the forces of darkness contending with your breakthroughs and success.

•Power of the Holy Ghost bring down the forces of darkness contending with my breakthroughs, success and victory, bring them down and let them never rise again in the name of Jesus. Power of the Holy Ghost bring down forces of darkness contending with my prosperity, progress and rising, bring them down forever. Powers of darkness contending with my breakthroughs, success, progress come down, be brought down by the power of the Holy Ghost, be brought down and never rise again. Every witchcraft contending with my rising to the place of fulfillment of destiny be brought down and never rise again in the name of Jesus by the Holy Ghost.

⇒They are thrown down never to rise again. Failure will be thrown down and will never rise again, that is what is coming in my spirit.

•In the name of Jesus, let every failure prevailing in my life be thrown down and never rise again. In the name of Jesus let the forces of failure prevailing in my life be thrown down and never rise again. In the name of Jesus let forces of failure prevailing in my life be thrown down, let them be thrown down and never rise again, never to rise again in the name of Jesus. Spirits of failure, forces of failure that have been prevailing in my life be thrown down and never rise again in the name of Jesus.

⇒I receive strength to rise above every darkness pulling me down, drawing me down in the name of Jesus. I receive strength, I receive strength to rise above every darkness promoting weakness in my life, I receive strength to rise above them in the name of Jesus. I receive strength now, "I receive strength now x5" in the name of Jesus.

⇒There are some spirits that should not follow your life. This earth is infested with billions of those entities or spirits of darkness though you cannot see them with your physical eyes. They should not be part of your life, they should not follow your life because of the energy that they carry and that energy will keep causing trouble in your life. There are some spirits when they join the activities of your life in a day, that

day you might keep having accidents, be it in the house or in the streets or wherever you find yourself. Some can be that throughout the day you can be angry or be losing things, some will cause you to be thinking suicidal thoughts etc. There are a lot of spirits on the Earth looking for people to enter, to trouble, or possess.

•Raise up your right hand. Fire of the Holy Ghost arrest and destroy spirits of darkness that have flooded my life to carry out demonic agendas, evil agendas, Fire of the Holy Ghost arrest them now, remove them from my life in the name of Jesus. Fire of the Holy Ghost uproot spirits of darkness that have flooded my life to carry out their evil agenda, arrest and remove them from my life right now in the name of Jesus.

⇒Father, in your mercy cause your face to shine upon me and help me in the name of Jesus. Cause your face to shine upon me oh Lord and help me in the name of Jesus. Cause your face to shine on me oh God and help me, in your mercy oh Lord cause your face to shine on me and help me in the name of Jesus.

⇒If there are problems in your life that are always on and off, you pray they go and show up later. After this prayer point those troubles and negative situations shall go forever and will not repeat themselves again in the name of Jesus!

•In the name of Jesus let a permanent end come upon every problem and negative situation that has been repeating themselves in my life. Let a permanent end come upon every repetitive trouble, repetitive problem, repetitive darkness and captivity going on in my life in the name of Jesus. Let a permanent end come upon them, let it come to them forever in the name of Jesus. Every repetitive disease, pain that is going on in my life, come to an end forever in Jesus' name, come to an end right now forever and never rise again in the name of Jesus. ***In Jesus' name it is done.**

⇒Father let my entire life be upheld by your everlasting power so that only your will prevails in my life and my days in the name of Jesus. Lord let your right hand uphold my entire life such that only your will prevails in my life, let your right hand of power uphold my entire life such that only your will prevails in my days in the name of Jesus. Uphold my life, uphold my entire life oh Father by your right hand of power in the name of Jesus.

⇒They are thrown down and never rise again; that is permanent destruction, eternal destruction, eternal downfall.

•In the name of Jesus let everything going on in my life that is contrary to the will of God be eternally removed, be eternally destroyed, be eternally deleted. Let everything going on in my life that does not agree with the will of God for my life, let them be eternally uprooted, eternally wasted, eternally destroyed and deleted from my life now in the name of Jesus. Everything that God does not want you to see in my life because God did not plant them and are not according to His plan, let them be eternally drowned in the name of Jesus.

⇒They are thrown down and never to rise again also means death. When a person is buried they will never rise again. It is possible that some people need to die before the glory of your life, calling and destiny will be released to shine and manifest. These people have to die, not because God is wicked but that the judgement of God has come upon them because they have refused to repent and most probably they are not even human beings. Some witches use their lives or souls to enslave people, so as long as they are still alive the people whom they have enslaved will never be free because the power of their souls have enslaved those people, so those witches must die. Maybe there is somebody around you that needs to die for your glory to be released.

•Father strike dead every personality that must die for my life, calling and destiny to be released to fulfillment and into greatness, Lord strike them dead now in the name of Jesus. Father let every personality that needs to die for my life, calling and destiny to rise, shine, be fulfilled and be successful, Lord let them die in the name of Jesus. Lord strike them dead right now in the name of Jesus. Every creature of darkness, personality of darkness, being of darkness that must go to the grave for my glory to rise and shine, Lord let them go down right now in the name of Jesus, Lord send them to the grave in the name of Jesus.

⇒Fire of the Holy Ghost destroy limitations of darkness against my financial prosperity in the name of Jesus. Fire of the Holy Ghost destroy limitations of darkness against my financial prosperity, destroy them right now, destroy them right now in the name of Jesus.

⇒In the name of Jesus, I decree total destruction upon operations of darkness going on to mislead me and confuse me in my journey in life. I decree total destruction upon every operation of darkness going on to deceive me from the way of the Lord, to confuse me from the way of the Lord. Works of the devil going on to deceive me, going on to confuse me, going on in my life to cause me to make wrong choices and decisions, let destruction from heaven come upon them in the name of Jesus. Operations of hell going on to confuse my life, deceive me, make me do contrary to the will of God, let total destruction come upon them in Jesus' name.

⇒In the name of Jesus, let the anger of God destroy powers of darkness assigned to waste my life, my time and my years right now. Let the anger of God destroy powers of darkness assigned to waste my years, my time, and my life, let them be destroyed right now by the anger of God in the name of Jesus, Amen.

PRAYER POINTS

⇒ Father, thank you for the great things, great blessings, great benefits, great Grace, great and greater miracles, great and greater honour, great and greater glory that you have in store for me. Thank you Father for the great things you have in store for me, great strength, great victories, great miracles, great honour, great blessings, great heights that you have in store for me. Thank you Father for the great wisdom and great understanding that you have in store for me, thank you for many things that you have in store for me that I don't even know yet, thank you Father, be thou glorified and exalted forever in Jesus' name.

⇒ Father, remember my life, remember me from right there on your throne, remember me now and favour me, help me, rescue me and fight for me. Father right there on your throne remember my name, remember my life, remember my destiny, remember me to favour me, to help me, to support me, to encourage me, to strengthen me, remember me oh God to comfort me, to satisfy my needs. Oh God of Israel right there on your throne remember me, you created me, you placed me on this earth, you know me by name, my name is written on the palms of your hands, oh God remember me. Remember me to help me, to favour me, to bless me, remember me to assist me, remember me to release my breakthroughs and my miracles, remember me now.

⇒ Some of you need to stop looking down - to what people can do for you and start looking up to God where your help will come from. Your help will not come from the earth but from heaven. The Spirit of God is saying stop looking down but start looking up to heaven for your help. As much as you continue looking down you will not find help. Look not up to your job, your boss, your salary or family members but only unto the Lord, the King of glory.

• Father, I look up to you, release my help that I need at this time. Father, I look up to your throne, Lord release my help, Father release the help that my life needs at this time, release the help my destiny needs at this time, oh God of heaven and earth. Oh merciful God, oh merciful King I look up to your throne, release my help. Father I look up to you and not to men, release my help now in the name of Jesus.

⇒ There is a time where you were helped and only God knows what time or date it was.

• Almighty God put me into the time where your help found me; put me into that timeline, into that day where your help found me. Ancient of days put me into that time, into that hour, into that day where your help found me, where your mercy found me, where favour found me, where progress found me, where breakthrough found

me. Oh God of Israel put me into that time and hour where your help found me in Jesus' name.

⇒ In John chapter 4 when Jesus was talking to the Samaritan woman, He said 'and the hour is coming and now is THAT HOUR where the worshipers of God will worship Him from anywhere in the world and will worship in spirit and in truth'. Jesus did not say a year is coming but that an hour is coming. In the realm of the spirit an hour is a timeline where the promises of God came to pass and that hour can happen at any time. It can catch up with you in 10 years to come if you want it that far, but if you want that hour now it can appear now. There is no time in heaven, they can control or manipulate time. Time is not real in heaven, what is real is what God wants to happen to you. The fact that you have waited long doesn't mean anything because God can create an hour and put you in that hour and what He wants to happen in your life will happen instantly. It's not about you reasoning how it will happen, it is about God doing His works. I believe the hour when God helped you has come now.

• Father, create an hour and put me in that hour and let your promises come to pass in my life. Father create an hour for there is no time where you are. You control times and seasons, you determine what happens and you make it happen anytime you want it to happen. Lord create an hour, put my life into that hour and let your promises come to pass in my life in the name of Jesus. Lord let that hour come where I was helped by you, where I was favoured by you, when I got my miracle, Lord let that hour come to me now, let that hour catch up with me now. That hour when I was blessed, helped, healed, delivered, let that hour come now. That hour in which you helped me, let it appear now, put me in that hour and let your promises happen to me now in the name of Jesus.

⇒ The Bible says the promises of God are yes and amen. It means that anything God says He will do for you, it is already done. The moment God says I will do this for you it means it has already happened in a time that is not visible to you at that time. What you are saying is, God that time where your promises came to pass, let that time appear now. Pray this prayer point over and over again.

• Father, in your mercy bring me into that time where your prophecies and promises come to pass in my life. Father, you control times and seasons, you are not limited by anything, Lord in your mercy bring me into that time when your promises and prophecies came to pass in my life. Lord in your mercy take me into that hour where your prophecies and promises come to pass. Lord take my calling into that time, take me, my ministry, destiny; take my spirit, soul and body into that hour, take my finances into that time, take my days into that time in the name of Jesus.

⇒ Place your right hand on your head. In the name of Jesus, from today my head reject failure, reject misfortunes in the name of Jesus. My head reject failure, my head reject failures in the name of Jesus, reject misfortunes. My head reject shame, my head reject disgrace in the name of Jesus. "My head reject failure x 5". *I decree

from now henceforth, the anointing of the Lord shall appear on your head and there shall be no more failure, shame disgrace and misfortunes in the name of Jesus

⇒ In the name of Jesus I receive Grace to overcome everything stealing the love of God from my heart. I receive Grace to overcome whatever that is stealing the love of God from my soul, whatever is stealing the love of God from my heart, I receive Grace to destroy them, I receive Grace to cut them off, I receive Grace to defeat them. Anything the devil is using, any instrument the devil is using to steal the love of God from my soul, to withdraw the love of God from my heart, I receive power to overcome it, I receive Grace to overcome them in the name of Jesus.

⇒ Raise up your right hand. Healing rain from heaven!! fall upon me, fall upon me, fall upon my family, fall upon my family members, fall upon my home. Healing rain from heaven, healing rain from heaven; fall, fall in the name of Jesus. Healing rain from heaven fall upon my life, fall upon my entire household, fall upon my entire family, fall upon my children, fall upon my grandchildren, fall upon my marriage, fall upon my spouse. Healing rain from heaven, healing rain from the throne of God in heaven, healing rain from the throne of the God of Israel, fall upon my body, upon my mind, upon my spirit, upon my soul, fall right now in the name of Jesus.

⇒ In the name of Jesus I hand over every battle that I could not defeat to the forces of Heaven to conquer them for me. I hand over the battles I have fought but could not conquer or defeat, I hand them over to the warring forces of Heaven, let heaven conquer them now, let the Angels of the living God conquer them now, let the hosts of the Most High God conquer them now in the name of Jesus. I handover battles I have fought for years and could not win to the forces of the Most High God for instant victory now in the name of Jesus. I hand over right now battles I could not win to the forces of Heaven, to the warring Angels of heaven for instant victory right now in the name of Jesus. Let heaven come down into the battles that I have fought for years and could not win, let heaven and all the forces of Heaven come down and give me victory now in Jesus' name.

⇒ Raise up your right hand. I decree let the anger of God destroy every spirit of darkness controlling my life, controlling the affairs of my life. Monitoring spirits controlling the affairs of my life be destroyed by the anger of God in the name of Jesus. Standby demons, spirits of darkness controlling the affairs of my life for evil be destroyed by the anger of God. Every spirit hanging in the air, hanging in the atmosphere, every spirit roaming about controlling the affairs of my life be roasted and destroyed by the anger of God in the name of Jesus.

⇒ Father, let your fire manifest in the midst of the thick darkness that surrounds me till it is melted away forever. Father let your fire manifest in the midst of the thick darkness that surrounds my body, my soul, spirit; darkness that surrounds my situation and my mind, let your fire manifest in the midst of the darkness and melt

them away forever right now in the name of Jesus. Let your fire melt them, let your fire manifest now and let them be swallowed up forever by your flames in the name of Jesus.

⇒ The fortress of God is inside of God and is too powerful for any power of darkness to infiltrate, it is too hot for any captivity or bondage. In the fortress of God, no darkness, limitation, oppression or captivity can survive.

• Father, take me into your fortress, let your power work in me till every captivity in my life is gone. 'Father take me into your fortress x4', in the name of Jesus, let your power work in me. Let your fire work in me in your fortress till all oppressions are gone, till all captivities are gone, till all limitations are gone, till all infirmities are gone. "Father take me into your fortress x3".

⇒ Father, take my spirit, soul and body into your fortress and let your power work in me, let your fire work in me till everything you have not planted in my life is destroyed, till everything you don't want in me is destroyed. My spirit, my soul, my body enter into the fortress of God till all that God does not want in me is gone, and is completely destroyed in the name of Jesus. "Take me Lord into your fortress x3", take my spirit, take my body, take my soul into your fortress, let your fire work in me, let your power work in me till all that you did not plant in me is completely uprooted and destroyed right now. I enter into the fortress of God for complete deliverance, I enter into the fortress of God for complete freedom in Jesus' name.

⇒ In the name of Jesus, let every voice uttering negativity and evil into my life be permanently silenced, let it be permanently shut down. Every voice speaking negativities, speaking evil into my life, be permanently shut down now in the name of Jesus. "Be permanently shut down x7, in the name of Jesus". ***It is so concerning your life in Jesus' name.**

⇒ I invoke the Fire of God to destroy, to reverse, to cancel, to deactivate every negative word that has been uttered into my life now in the name of Jesus. Right now in the name of Jesus, let the Fire of God cancel, reverse, deactivate, destroy every negative statement, negative pronouncement, negative utterance, negative prophecies, negative curses and incantations that have been released into my life. Every spell, enchantment released into my life in form of words, let the Fire of God cancel them now in the name of Jesus, let them be permanently destroyed in the name of Jesus.

⇒ Father, let my life receive a divine visitation for enlargement. Father, visit my life and cause a great enlargement, as you enlarged Jabez's territory. Lord visit my life and cause a great enlargement to happen, let me experience enlargement in my calling, career, ministry, destiny, business right now in the name of Jesus. Lord visit me and cause a great enlargement to happen in my life, cause a great enlargement in my family and in my home in the name of Jesus.

⇒Place your right hand on your head. My spirit man, receive spiritual enlargement to know God, to serve God, to do exploits and to conquer nations for God in the Earth in the name of Jesus. My spirit man receive spiritual enlargement x3" to love God, to serve God and to conquer nations for God in the name of Jesus.

⇒In the realm of the spirit, the capacity of a human spirit is more than seven times the size of the world, that's for just one human being. There is no limit to what God can do with the spirit of a Christian that has completely surrendered to the Holy spirit. You can pray right where you are and the results will be manifested in a far country even to the extent of those people in that far country to see you physically do the miracles there and then you disappear. This is just to let you know how much God can use your spirit to do great works and mighty miracles on Earth. If you are still struggling to pray for 2 hours by yourself, not corporate prayers- it means your spirit is not enlarged. When your spirit is enlarged and strong you can do spiritual exercises for a very long time without getting tired. If your spirit man cannot bring down the presence of God wherever you find yourself, there is a limitation. Your spirit has the capacity to bring down the presence of God anywhere.

•Place your right hand on your head. Fire of the Holy Ghost destroy every limitation of darkness blocking my spiritual enlargement, limiting my spiritual enlightenment. Fire of the Holy Ghost to destroy limitations of darkness on my spirit limiting my spiritual enlargement, limiting the enlargement of my spiritual capacity and spiritual strength. Fire of the Holy Ghost destroy limitations of darkness on my spirit man limiting the enlargement of my spiritual strength, destroy them right now. Lord destroy every limitation of darkness on my spirit limiting the enlargement of my spiritual capacity, Fire of the Holy Ghost destroy them right now in the name of Jesus.

⇒Blood of Jesus, flush out every demonic poison that I have eaten that has brought limitations on my spiritual enlargement. Blood of Jesus neutralize every demonic poison I have eaten that has brought limitations on my spiritual growth right now in the name of Jesus. Blood of Jesus destroy, flush out every demonic poison that I have eaten physically or in the dreams, flush them out right now. Poison of darkness in my life causing spiritual limitation, stopping my enlargement and spiritual growth, blood of Jesus destroy them right now in the name of Jesus, blood of Jesus neutralize them in the name of Jesus.

⇒If sin has dominion over you at this time then there's a problem. When you are not able to overcome sin and you are always falling into temptation there is a problem. Until you know that it is a great problem to your destiny you cannot go far in the spirit. If you do not know and acknowledge that sin is ruling you, it's a great limitation to your destiny then you are not going anywhere in life and destiny. If you are still struggling with what God has asked you to do for years, that is a sin. If sin still has dominion over you, you cannot go far in destiny, you cannot make heaven. The

moment you start seeing the matter of sin as a great issue or great problem and that we need God's help to deliver us, that is when we will start fulfilling destiny. This generation considers sin as a normal thing and are at home with it. The fact that sin is ruling you means that you are already weak to fulfill God's purposes so God cannot bless you because you will use those blessings against God. Your spirit man needs to be strong to resist the forces that come with sin or else you will fall easily.

- Place your right hand on your head. Father empower my spirit with your might to resist and destroy the forces of sin in the name of Jesus. "Father, empower my spirit x7" with your might to resist and destroy the forces of sin in the name of Jesus. Father empower my spirit to resist, overcome and destroy forces of sin in the name of Jesus.

⇒Being strong in spirit is having dominion whereby you enter a place full of witches without saying a word and all the witchcraft in that environment will automatically fall under your feet. That is how strong, authoritative and domineering your spirit man can be. You control spiritual atmospheres and they listen to you; they literally feel that you are around. Even demons will know that someone higher than them is around and they can even sense you from far because you are entering with the dominion presence of God. Whatever you are doing with your time (at work or school), have you built a strong domineering spirit? If your spirit is not healthy, your entire body and life will not be healthy.

- Place your right hand on your head. In the name of Jesus I hand over my mind to the control of the mind of Christ for a healthy and strong spirit always. I hand over my mind, my imagination, my thoughts, emotions and feelings to the control of the mind of Christ so that I may have a healthy spirit and a strong spirit all the time in the name of Jesus. I hand over my mind to the control of the mind of Christ in the name of Jesus.

⇒Your spirit is what commands divine dominion on Earth. For example there are certain things someone cannot think when with me that they usually think without me. It means that the atmosphere around me was programming things including anyone who comes around me and it makes me understand what happened when King Saul sent men to arrest Samuel. As those men came to where Samuel was they were arrested by the Spirit of God and began to prophesy and their mission was aborted. Even when king Saul came along, he was arrested and began to prophesy. Your spirit is the key to manifesting divine dominion on earth if you can train it. If you can grow spiritually no battle can overcome you no matter how strong it is. There is a difference between being anointed and having a strong spiritual capacity. Some people are anointed but they can't keep the anointing because they are not strong in the spirit.

- Father let my attention and focus from today be redirected to building a strong spirit in you. Father let my desire and my determination be channelled towards building a strong spirit in you, to building a strong spiritual capacity. Lord let my focus, my desire and my attention be channelled from today towards developing and building a

strong spiritual capacity, let me find pleasure in doing things that will build up my spiritual life. Lord help me, let me find pleasure in doing those things that will build up my spiritual life and build up my spirit man to take dominion on earth in Jesus' name.

⇒ Raise up your right hand. In the name of Jesus I bind every attack of the enemy that has been programmed to fight me in my dreams, I bind them now. I bind every demon that has been assigned to attack me in my dreams, I bind you in the name of Jesus. Every agent of Satan and environmental darkness, environmental serpents, territorial devils, ancestral devils that have been assigned to attack me in my dreams I bind you now in Jesus' name.

⇒ Father, mobilize your mighty angels to begin operations for the manifestation and fulfillment of my calling and destiny in the name of Jesus. Right now in the name of Jesus Father, mobilize your mighty angels to begin operations for the manifestation and demonstration and fulfillment of my calling and destiny in the name of Jesus.

⇒ The Lord is telling me He wants to give some of you a marital breakthrough. You are not going to look for it, He will give it to you by Himself. You are not supposed to help God to fulfill the prophecy. All you have to do is just believe and wait for God to do it. You don't help God when it comes to receiving His prophecies, you just wait and continue to pray.

• Father by your mighty hand reorganize the affairs of my life to align with your perfect design for my life in heaven. Father reorganize things in my life, reshape things in my life, reconstruct things in my life to begin to align, to begin to look exactly as your perfect design for my life in heaven in the name of Jesus. Lord by your mighty hand reorganize my life, reset my life, rearrange things in my life, reposition things in my life, reposition my life, reconstruct things in my life to begin to align and look exactly like your perfect design for my life as it is in heaven, Lord do it now. I want my life to look exactly like the design you have for it in heaven before I was born in Jesus' name. Thank you Father.

⇒ The devil is planning to poison some of you physically. It has been planned. For example, maybe you will enter a restaurant, or visiting a friend or you just buy some food somewhere to eat but what you eat will be poisoned. Satan has already programmed that you will go somewhere and eat what is poisoned. I don't know what the poison is going to do in your body.

• Father, do not allow me to enter into places where the enemy has planned or programmed to poison my spirit, soul and body, oh Lord do not allow me to enter into those places or to purchase whatever food that the enemy has prepared to poison me. Lord do not allow me to go where the kingdom of darkness has planned to poison my life, my spirit, soul and body. Do not allow me to buy anything that has been poisoned against me, do not allow me to buy them, lead me by your Holy Spirit, protect me by your Holy Spirit. ***I pray for you that the presence of the Lord, the Grace of the Lord shall be upon you and every poison that has been programmed by**

the enemy anywhere and in any form shall not succeed over your life. It is written that no weapon formed against you shall prosper, I decree that no poison programmed against you shall prosper in the name of Jesus. You will know where to eat and where not to eat. You will know what to buy and what not to buy by the Holy Spirit in the name of Jesus.

NB: It is possible for you to avoid that which is poisoned by the help of the Holy Ghost. To those who are wondering how it is possible especially those who buy or eat outside of their homes. Some of you need to be very sensitive to reject food that is killing you, food that is reducing your lifespan and you think it's tasty food. Once a sister used to eat with a certain family but after 7 days of fasting her eyes were opened to see that she had been eating human flesh all along. Since that day she stopped visiting that family or eating there, you need to be sensitive to the leadings and promptings of the Holy Spirit.

⇒ It is possible that you are not doing the assignment God has assigned to you well, when you are not aligned properly in the realm of the spirit, you will not do that assignment well.

• My Father, reposition me for the success and fulfillment of the assignments you have called me to do for you at this time. Lord position my mindset and my spirit, put me in the realm where I will do the assignment correctly not just to please the pastor or any man but for me to do it in such a way that it will please you. Lord reposition my life to do your work successfully, to do your work correctly, to fulfill the mission you have called me to successfully. Reposition me oh Lord, reposition me oh Lord, transform me in Jesus' name, change me, change my mindset, change my perspective of life so that I can do the work you have called me to do correctly and perfectly in Jesus' name.

⇒ God is saying He will help those of you who have responsibilities, who feel you are not meeting your responsibilities. For example a parent's responsibility to the children, children to parents, siblings to siblings etc.

• Father, help me to accurately fulfill the responsibility in my life, help me oh God. Father help me financially, spiritually, psychologically; help me oh Lord to be able to carry out the responsibilities I have, help me Father, help me oh Lord in Jesus' name. ***In Jesus' name you are helped.**

⇒ In the name of Jesus, I rise into the heights the Lord has prepared for me, I rise to the heights heaven has prepared for me. I rise to the heights the Lord has prepared for me in the name of Jesus. I rise into the heights God has prepared for me. I rise into those heights, I break limitations in the name of Jesus. I rise in the name of Jesus, I am translated in the name of Jesus into the realm the Lord has prepared for me, into the heights of honour, the height of success, the height of promotion, the height of fulfillment, the height of dominion, the height of strength, the height of victory, the height of surplus, abundance and excess of resources. I rise into the

height of riches and wealth, I rise now in the name of Jesus. I rise into the height of power in the name of Jesus, Amen.
