ENGAGING WITH HIS STRENGTH AND GLORY

PRAYER POINTS

⇒ Father I thank you because the fullness of strength is in you, father I thank you because the strength I need is in you, I thank you because there is provision of strength in you. Lord I thank you because I have strength in you, there is provision for my strength in you, fullness of strength is in you. Lord I thank you because I can always find strength in you, you are not a weak God, I thank you because you are never weak.

⇒ Father I have come as I am tonight, I have come with my weaknesses, Lord let my weaknesses be exchanged for the fullness of your strength. All my weaknesses I trade for your strength tonight. I have come as I am before the throne of grace, I trade my weaknesses for your strength. Let all that is weak in me be replaced by your strength in Jesus' name.

***Proverbs 24:10**

⇒Father empower me with your strength to succeed in the day of adversity, empower me in the day when the enemy comes in like a flood against me; in the day when temptation seems so strong, when darkness seems to be taking over me, Lord empower me in that day. Lord I refuse to fail in the day of adversity, I refuse to fall when I am being tempted - I refuse!, Lord empower me with your strength!

⇒Father in those places in my life, where the enemy has succeeded over me, where the enemy has defeated me; Lord arise and fight for me. Arise father, arise Lord, save me now, help me now. In the places I have been defeated by darkness, arise Lord and touch me, save me, help me, and fight for me, raise me up and give me victory in those places. Oh Lord of hosts I call upon you this hour, visit me in those places I have been defeated, where I have been oppressed by darkness, visit me Lord and save me. Save me Lord.

⇒Father let an end come to this state of defeat in my life, Lord let this year not go without me not having victory. I refuse to continue as a defeated Christian, enough is enough, intervene in my present state of defeat; intervene Lord in your power, in your strength. Raise me above the enemy, above the limitations, break the chains that have tied me down. Lord I refuse to continue in this situation into the next year. Let this situation of oppression and defeat end this year in Jesus' name.

⇒Every witchcraft instrument the witches have been using against me, that has been prevailing against me all this while, oh Lord let your fire destroy them all. Every weapon used by witchcraft people against my life and destiny, marriage, career, finances and have been succeeding, Lord let fire destroy them, let that weapon begin to fail from now henceforth. All weapons of witchcraft against my destiny, calling, ministry, life, begin to fail in the name of Jesus, from now henceforth in Jesus' name.

⇒Father release upon me the grace to rise again in my bible study life, the grace to rise again and spend hours studying the Word, hours meditating upon the Word- give me that grace right now. The grace to rise again in my bible study, give it to me, thank you father.

Verse 30

⇒Father I repent for trusting in my own strength, Lord I trust in your strength from today. Lord the spiritual exercises that I must do, the kind of prayers I must pray, oh God empower me to do them, give me the grace to do them.

⇒Father help me to be stronger than the darkness of this age, this darkness that has covered my generation, help me to rise stronger than this thick darkness. Lord I refuse to be defeated by the darkness of this age, strengthen me to be stronger than the darkness of my time.

⇒Father let the holy spirit lead me through the path I must follow to enter into the glory, to see the glory you have ordained for my destiny. By your spirit lead me through the path I must follow, the things I must do by your spirit. ***Let the light of God shine upon you and let there be a revelation of the path you must follow, the things you must do to enter into the glory God has prepared for your life, calling and destiny; let it be so right now in Jesus' name.**

2) YOU NEED A GROUND BREAKING STRENGTH

⇒Father establish in me a great strength to break up fallow grounds, a strength that breaks up fallow grounds. A great strength that starts new things and succeeds in them, Lord give me strength that breaks up fallow grounds.

⇒Father help me to break my fallow grounds, break my fallow grounds so that I can begin to achieve great things in life. Break up my fallow grounds so that great things can be produced out of my life, great achievements, great success. My fallow grounds be broken, all fallow grounds in my life, oh Lord of hosts let them be broken right now; for your power to be revealed, for your glory to be revealed, oh Lord let all my fallow grounds begin to break up, break up my fallow grounds Lord.

⇒Father let my spirit be broken and prepared for the manifestation of your glory, let my spirit be prepared to manifest the glory you have ordained for my life and destiny, let my spirit be prepared to operate in the realms of your glory, my spirit to be prepared to operate in the realms of the spirit. Break up the fallow grounds in my spirit, help me be sensitive to your Spirit, help me to understand the move of your Spirit, Lord let my spirit be on fire to be connected to the flow of your Spirit, help me Lord to be groomed enough in my spirit for the manifestation of your glory.

3) UNVEILING THE GLORY OF GOD IN THE THINGS HE CREATED

Romans 8:21

⇒Father the glory you have ordained to be revealed in my life, and destiny, oh Lord let your power bring that glory to manifestation, and as it manifests let every creature agree with it, let there be confirmation and agreement in all the creatures on earth. Lord let that glory you ordained for my life, arise and shine and let every creature in the world agree with that glory, let them connect with that glory. That glory that you shall reveal in my life, calling, ministry, career, marriage, business, let every other thing agree with the glory you have ordained to reveal in my life.

⇒Father I refuse to be a failure to my generation, I refuse to make a terrible mistake that will terminate my manifestation, oh Lord help me Lord to fulfill my glorious destiny, help me not to fail my generation. I refuse to make a mistake that will lead to my failure that will terminate the manifestation of my glory, help me not to make such a mistake. Help me not to disappoint my generation because so many destinies are attached to my life. So many lives are waiting for my manifestation and glorification- help me to be wise and make the right decisions and always say the right thing, to think the right way, help me Lord, help me father.

⇒Father let your victory appear in the battles of my life so that I will manifest that glory that you have ordained, so that I will not fail my generation. Lord every battle that I'm fighting at this time, Lord command your victory to appear in that battle. Oh Lord of hosts command your victory to manifest right now, in these very battles of my life, these battles of my destiny; give me victory Lord, complete victory so that I will

also help others to come out of their captivities, so that you will use me to set other people free, let victory appear right now in my situation, in Jesus' name.

⇒Father manifest your glory in my life in such a way that every creature in the world will be attracted to the brightness of my glory, let your glory manifest in my life, spirit, soul, body, career, ministry, and calling; let it manifest in such a way that every creature of the world would be attracted to that glory. Lord let everything that is created be attracted, let them begin to draw near to the brightness of my glory for the success of my destiny. Let that glory that you will manifest in my life draw all men unto yourself, let it attract the nations, let it command people to worship you, let that glory command people to support my life and destiny, to help my calling, to patronise my business, to agree with your plan and purpose for my life.

⇒Father the glory that you created with me from birth let it command a powerful force in my generation and let that glory command a divine and irresistible force, let that glory begin to command such a transforming force. Father the glory that you created with me from birth, let it command a great influence in my world, time and days; a great force of attraction such that souls will be attracted to the brightness of my rising; so that kingdoms and nations will come to the brightness of my glory, they will come and glorify, celebrate you in my life.

The Lord is saying to some of you, where you are living has limited the brightness of your glory. Some of you will have to change the location where you are staying for that glory to breakthrough and shine the way it is supposed to shine because that environment is limiting the glory that heaven wants to reveal in your life.

⇒Every creature shall begin to agree with the manifestation and brightness of the glory of the Lord in my life. Father let every man and woman; everything created, every system and organization, plants and animals, the sun, moon and stars,; the heavens, the earth- Lord all over the nation, all over the whole world, let them begin to agree with the manifestation and brightness of your glory in my life. Lord let the water agree, the moon and all the stars shall agree; even the firmament and air shall agree; all living things and non living things- everything that exists in this world they shall begin to agree together for the manifestation of your glory in my life. Lord let them surrender to the manifestation of your glory in my life.

Verse 20, John 9 :2-3

⇒Father every negative situation that is appearing in my life right now, Lord let your glory be revealed in this situation, Lord turn this negative situation around to the glory of your name. This negative situation in my spirit, soul, body, career, marriage, ministry and calling; father let your power turn it around to reveal your glory. Let your right hand of power turn the situation around to the glory of your name. Lord I am not complaining or blaming anyone but I'm asking (because I know all power belongs to you), even in this negative situation, let your power turn this situation around so that your glory will be revealed right now and the whole world will see and celebrate with me.

⇒Father this evil trend(mention the evil in your life and family) that is running in my family background Lord let your glory terminate them from my life. This evil trend that runs through my bloodline, I am not my bloodline, I am not of the family of my bloodline, I am not bound by this bloodline, I belong to the kingdom of the most high, I now belong to the bloodline of Jesus, to the bloodline of David and not my natural bloodline. Oh Lord let your glory appear right now and let this evil be terminated right now forever by the power of your glory. ***Every evil that you have inherited from your bloodline, that is flowing through your family line and is affecting all the people in your family, I decree by the authority in the name of Jesus, let the glory of the Lord appear right now and terminate that evil forever in the name of Jesus, thank you father in Jesus' name.**

⇒Every chain of darkness that is limiting the breakthrough of my glory, limiting the explosion of my glory Lord let your fire break those chains into pieces. Lord let every chain of darkness limiting the rising and shining of my glory, let fire break them in pieces, chains of darkness break into pieces by fire, right now in the name of Jesus. Whatever is binding my glory under captivity break right now, witchcraft captivity break into pieces right now in the name of Jesus.

Verse 21

⇒Lord let your glory set free everything that is connected to my life and destiny, Lord deliver them all. Everything, everyone that is connected to my life and destiny, Lord let your glory visit them all and deliver them all from corruption, slavery, and bondage right now in the name of Jesus.

⇒Father everyone that must rise for me to rise, in your mercy let them begin to rise, let them rise to the top, rise to glory; so that I will also rise. Father let those people begin to rise, so that they will lift me up as well, Lord make them rise now, right now let your right hand of power lift them up. Lord raise for me destiny helpers up, as many people that must rise for me to rise in glory Lord, raise them up right now in the name of Jesus.

4) ENTERING INTO THE DEPTH OF HIS GLORY

Ephesians 3:18-19

⇒Father I surrender my life, body, soul and spirit unto you Lord, everything that will hinder me from entering the fullness of your glory Lord get rid of them, father get rid of them from my life. Anything in my body, mind, soul, and spirit that will hinder me from getting deep into your glory, Lord get rid of them. I surrender all, I let go of them all in the name of Jesus. I lay them down at the altar, I lay everything in the name of Jesus.

#The Lord is telling me that some of you have gone into the depth of darkness that is why it you cannot get into the depth of his glory. Light and darkness do not agree! If there's something that you are doing that is taking you into the depths of darkness, it

will be impossible for you to go into the depth of God. You must be delivered from the depth of darkness before you can go into the depth of his glory.

⇒Father stretch forth your hand and pull me out of the depth of darkness, for the sake of your glory, Lord deliver me. The depth of darkness that my life has been placed in, the depth of darkness that has swallowed up my life, swallowed up my spirit oh Lord pull me out right now, deliver me right now. By your right hand of power deliver me from depth of sin, pollution, corruption, and bondage of darkness, Lord remove me now in the name of Jesus.

⇒Father let a serious hunger and thirst be planted in my heart for your glory. Lord let it be planted in my spirit, let it be established in my heart from this hour henceforth, let me not rest until I see your glory. Give me oh Lord a very serious and desperate hunger and thirst for your glory, power, revelations, encounters, visitations and visions- let that hunger be established in my soul from this hour henceforth Lord.

⇒Lord help my heart to focus on your kingdom continually, help me to seek your kingdom at all times, help me to focus on the things above, on the treasures of heaven, treasures of your kingdom- help me to set my mind on them from this hour henceforth. Help me oh Lord to set my mind on the things above where your glory and power is, I refuse to be a carnal Christian in the name of Jesus.

⇒Father give me a special grace to generate an atmosphere that will connect me with your glory, Lord give me such a grace. Give me that grace to create an atmosphere where your glory will visit me, where your glory will come upon me, give it to me oh Lord this moment and this time, give me such a grace in Jesus' name.

#The Lord is telling me that some of you have the gift of prophecy but the reason why have not been prophesying is because you have not put yourself under the atmosphere that will stir up that gift in you. You need to start putting yourself in that atmosphere, so that you will be able to prophesy.

⇒Father take me into the depth of your glory until my life becomes united with your glory, until my life become one with your glory. Lord take me to the very depth of your glory and let me go deep until I become one in glory with you, until I breathe in your glory. Lord until I begin to see nothing but your glory, when I look at myself I should see your glory, when I look at people and things I should see nothing but your glory. Take me to that depth of glory, to that baptism of glory, that is where I want to be.

⇒My father, the King of glory, take me into the depth of your glory and let my life and situation be transformed into your glory. Lord of hosts take my life, spirit, body and soul into the depth of your glory, take my situation into the depth of your glory and let

everything about me change into your glory. Let there be transformation of glory in everything. I want the baptism of glory.

⇒Father take me into the depth of your glory and everything in my life, situations that are contrary to your glory, let your glory destroy them. Let my life, finances, health, and ministry, look exactly the way you want, let perfect beauty manifest in Jesus' name.

⇒Father by your mercy and favour, Lord promote, elevate and lift me up to that position of glory and authority where all things are possible. That position of glory and dominion, of authority, take me there. Let my life be promoted to higher level of promotion, victory, glory, success, anointing, and grace, in spiritual gifts in fulfilment of destiny. Let my life be promoted to a higher level of control and dominion; authority and power Lord take me there by your mercy, lift me up father in Jesus' name.

The Lord is telling me that some of you are in a position where you are supposed to be the boss but you're still the one under a boss. God is saying that you have spent too long being under when you should be the one above, be the one in charge.

⇒Father every chain of slavery that has held my life and destiny captive ,Lord let your power break that chain in pieces right now! Every chain that has enslaved my destiny, life, calling, and career till this point let the power of God break them now, let fire locate them and break them into pieces, break by fire, chain of slavery break!!!

***That chain of slavery that has been tied around your neck, waist, and legs, I speak**

to that chain of slavery with the authority of heaven, let that chain break right now, you are no more a slave, you are released in the name of Jesus.

⇒ Father let the lift that will take me to the position of glory and honor, let it appear right now and lift me in the name of Jesus. Whoever is the lift that will take me to the height of glory, let that person appear right now and lift me up right now. There is a place higher than where I am right now, a place with the fullness of God's glory and grace, where my destiny will be fulfilled, where my glory will shine to nations Lord let that lift appear, oh Lord and take me to that place in the name of Jesus. Lord send that lift to me, I need that lift, send me that help to get where I will become better than what I am now, send me that lift Lord.

Verse 19

LOVE OF CHRIST

⇒ Lord Jesus I want to know the depth of your love, take me into the depth of your love. I want to have the depth of your love, take me Lord into the depth of your love.

FULLNESS OF GOD

⇒ Father I seek for all the fullness of you, father I am calling for the fullness that is in you, for the performance of my destiny, for the fulfilment of my calling and destiny, let all the fullness that is in you enter into my life right now, I seek them and I want them- Lord let me be filled now. The fullness of power, strength, riches, wealth, grace; the fullness that is in God, the fullness of anointing, strength and grace I receive right now. I receive the fullness of power, blessings, wealth, unlimited power, unlimited grace and anointing I receive that fullness right now in the name of Jesus, to fulfill my destiny. For my ministry and calling, the fullness of signs and wonders, the fullness of the gifts of the spirit I receive it all.

⇒ Father this thing, (mention that thing) that I am lacking in my life, this thing that I need so much right now, father release the fullness of that thing. Lord this is what I need right now, Lord bless me with the fullness of this thing.

5) STRENGTH TO SEE THE VISIONS OF GLORY AND TO UNDERSTAND THEM

⇒ Spirit of the living God strengthen me to see the visions of God's glory. Strengthen my spiritual sight, my inner man, to see visions of glory. I need strength oh Lord to see the visions of God and visions of heaven. I need strength in my spiritual eyes, strengthen me to see the visions that will change my life forever.

Daniel 10:8

⇒ Father let my spirit, soul, and body receive extraordinary strength, supernatural strength to see visions of glory, visions that will change my life forever, that will transform my life forever, Lord strengthen me with supernatural strength to see such visions. Lord I want to be strong enough to see into your will for the last days, I want to be strong enough to see into your mind for these last days, strengthen me father in Jesus' name.

⇒Father I need a higher dose of glory that will consume the gross darkness that has covered my generation, that has covered my ministry, marriage, business, and career, this very thick darkness that has covered my life and generation - Lord send your glory upon me that will destroy them all. Lord I want to be stronger than the darkness of my time. I want to ride on a higher glory above the darkness of my time, help me Lord, empower me Lord. Send a higher dose of your glory upon my life.

#The Lord is telling me that He is going to open the eyes of some of you to see something and you have to position yourself correctly to see that thing. These are powerful things, He's going to expose a secret to you. If you're not properly positioned you won't be able to see that thing. To be positioned make sure you seek God more, make sure your mind is always spiritual, it's not polluted and carnal. That's how you get positioned to see that vision God wants to show you, that will expose a secret.
