## **PRAYER POINTS**

(624). Father, thank you for the great things you will do for me tonight, thank you for the great things you will do in my life tonight, thank you for your visitations that I shall receive tonight. Father I thank you because you shall visit me with power, you shall visit me with fire, you shall visit me with mercy and grace, thank you because you shall do great things in my life, you shall do wonders in my life and you shall work miracles in my life. Father, thank you because you have come to help me, favour me, strengthen me, revive me, you have come to heal and deliver me, thank you Father in Jesus' name.

I said before that the Kingdom of heaven manifests sometimes according to mercy, especially when the kingdom of God is going to do mighty miracles that you don't deserve, then God has to be merciful.

### **MATTHEW 14:13**

(625). Thousands of people need Jesus at this time and a lot are running to Jesus for compassion, for him to touch them and help them. I know you are one of these people because you came to this prayer meeting, because you want help from the Lord, you want Jesus to help you. The good news is Jesus wants to help you, just as He had compassion upon these people, He wants to help you. He is more eager to help you more than you are asking for help.

⇒. Lord Jesus count me among those you will have compassion on, Lord enlist me amongst those that will benefit from your mercy and compassion tonight, God put me among them. Lord let my life be considered for your mercy tonight, let me be enlisted among those whom you will have compassion upon, amongst those you will show mercy in this season, oh God look upon me and let my situation attract your mercy. Lord let my present situation attract your compassion, let my family be amongst those families whom you will have mercy upon at this time, let my life, marriage, business, career, calling and ministry be among such that will receive your mercy at this time. Oh God, consider me today for mercy in the name of Jesus.

(626). There is a need to understand the move of the spirit. Jesus was not planning a crusade like how we plan for crusades, He was just going somewhere to be alone but people needed help and began to look for Him. Sometimes it is your hunger for the Lord that is going to draw Him to you, your hunger and thirst for Him that will move Him to show mercy, not that you just sit at home doing no spiritual exercises, you're not praying, you're not fasting and you expect God to come and help you without demonstrating any faith, it doesn't work that way. You need to identify the move of the spirit and connect with that move. The first thing is hunger and desperation, the kingdom of God honours and responds to desperate people, desperate for divine intervention.

⇒. Father I am desperate for your touch tonight, I have come to meet with you, I am desperate for your touch, I'm desperate for your intervention tonight, oh God connect me with the move of your Spirit. Lord, I am desperate, I am determined for your touch, your help, I am determined to receive help from you tonight. Lord, I am here that I may receive your touch and help from you, oh God connect me with the move of your Spirit. In the name of Jesus, let me be connected to the flow of fire, to the flow of miracles, the flow of your power that comes from your Spirit, Lord, connect me right now for I am desperate to receive help from you.

(627). It takes the grace of God to be at the right place, at the right time because there is a right place and a right time for divine help to begin to happen and when you miss that divine position you might miss the help. For instance, there are some people who are supposed to be part of this prayer session tonight but they are not here, it may be that God had already programmed their miracle and help during tonight's meeting, the fact that we are not here, they might not have that blessing.

You need the grace that will help you to be at the right place at the right time doing the right thing that will attract the visitation and intervention of the Most High God.  
⇒. Father, place upon me your grace that will enable me to be in the right place, at the right time, doing the right thing that will attract your mercy, that will connect me with your mercy, with your compassion, for the manifestation of miracles. Lord, the grace to be in the right place at the right time, doing the right thing, that will connect me with your mercy and compassion, that will connect me with your power and mighty miracles, Lord put that grace upon me in the name of Jesus. **\*I decree that grace that will position you correctly in time for the manifestation of God's visitations and wonders, receive that grace right now in Jesus' name.**

(628). You need to be sensitive to the leading of the Holy Spirit, to divine news, what is heaven saying at this time, what is heaven doing at this time. Jesus said I do everything I see my Father do in heaven, so you need to be sensitive to what is going on in the Kingdom of God.

⇒. Father, by your mercy, let me be sensitive to the voice of the Holy Spirit, by your mercy let me be sensitive to the leading and direction of the holy spirit, in every day of my life. Lord let me be sensitive to the voice of your Spirit, to the leading of your Spirit, the direction of your Spirit, so that I will be properly positioned for overflowing miracles, I will be positioned properly to receive help from you. Lord, let me be sensitive, let me be able to hear the voice of the Holy Spirit.

(629). The Lord is showing me a heavy load that was placed on some of you. It's like you are carrying a heavy load, a heavy burden and the Lord is saying He wants to remove that load from you, the load that the devil has placed upon you.

⇒. Raise up your right hand. Father by your mercy let your right hand of power, lift off this load of darkness that has been placed upon me, let your right hand of power lift it off me. **\*I decree let the hand of God locate that load of darkness upon your spirit, that load of darkness upon your soul, upon your body and let the hand of God locate them and remove them right now in the name of Jesus.**

(630). The people of old were willing to walk miles to go an extra mile because they needed Jesus. Christians of today are so lazy that they don't want to do anything to connect with the mercy and help that comes from God. Even having faith, you can't have faith, you cannot even pray let alone fast, you are not doing anything that is going to connect you with mercy and compassion. We need believers that are willing to go an extra mile seeking God until they find Him, not weak and lazy believers, these are not the kind of believers that will receive mighty miracles from the Lord in this season.

⇒. Father, give me enough strength and grace to secure enough in this season, until I find you, give me enough grace to seek you with passion, with seriousness, focus and determination until I find you because I know when I seek you, I will find you. Lord the grace and strength to seek you with the whole of my heart, to seek you for hours, for days until I find you, Lord give me such grace and strength. The grace to

pray until miracles happen, the grace to persist in prayer, to persist in Bible study and fastings until I encounter you, Lord, put that grace upon me, put such strength upon me. I refuse to be a lazy Christian.

(631). Most Christians today think that spiritual growth happens easily, but spiritual growth does not happen easily. Spiritual advancement does not happen easily, you have to labour, pay the price, be disciplined, endure, there's so much that you have to do, you have to fight battles and win. Spiritual growth for the people of old didn't not just happen like a play, these people persisted and kept on walking until they met with Jesus, even when Jesus would have traveled using about. Maybe you just like to be spoon-fed, you wants to remain a baby Christian, you don't want to dig deep into the Word of God, you don't want to know God to the point where He speaks to you and you here from Him, you don't want to know God to the point where you will discover your calling and purpose, you just sit down and go to church on Sunday and you're comfortable with that, that will not take you anyway in life.

⇒. Lord Jesus, I am determined to grow in the knowledge of you, I am determined to grow, to seek you, to grow in the knowledge of you oh God, help me. Lord, help me, I refuse to remain a child in the faith, I refuse to remain a baby in the faith, Lord help me tonight to grow in you and in the knowledge of you, in the revelation of you, Lord help me, I want to go extra miles, till I become who I am meant to be in you, Lord help me. Lord I am willing to grow, I'm willing to become better than this, to become stronger than what I am right now, to become righteous and faithful than I am now, I'm willing to please you more than I have ever done before, Lord help me.

(632). What can you show Jesus, what is it that Jesus will see in your life that will make Him have compassion on you. There are some things that God will see and He will be moved by compassion, these are: (1) Faith. if you do not have faith you cannot receive anything from God. I'm not talking about on and off faith, whereby it's on in one hour and it is off in the next hour, but unwavering faith, faith that does not waver. I'm talking about strong faith, that faith that does not doubt whatever God says, that faith that continues to believe even when everything is falling apart, that's the kind of faith that will move God to show you mercy.

⇒. Father help me to have faith at this time and to stay in faith. Lord help me to be strong in faith, to remain steadfast in faith at this time. Give me faith, faith that does not doubt, faith that does not limit God, faith that does not question the wisdom of God, that does not limit the greatness of God, Lord give me such faith at this time, so that I will receive help from you.

(633). (2). Sacrificial lifestyle. A life of sacrifice means you no longer live for yourself but you begin to live for Jesus and for others, a life whereby you have removed yourself completely out of the way and you're living for Jesus alone and others. Heaven is not happy with a lot of selfish Christians nowadays, that is why heaven is not helping them.

⇒. Lord Jesus I want to live a life of sacrifice, help me that I will not live for myself but I will live for you and others, such a life of sacrifice that is the life I want to live, help me to live such a life. Give me the grace to deny myself and all that is contained in self.

(634). (3) Obedience and faithfulness. Most miracles that I have seen God doing always came because of obedience. If you don't obey God and you're not ready to obey God, then you're not ready to receive miracles from God. If God has called you to do something and you have been so unfaithful in that assignment, you are not serving God and doing the work He has asked you to do, then you are not ready to receive miracles from God. There are things that Jesus must see in you that will move him to mercy and compassion.

⇒. Lord Jesus I want you to obey and I want to be faithful in your sight, Lord grant me the grace for this. Lord the grace for complete obedience and perfect faithfulness, give me that grace Lord Jesus, to obey all your will and to be found faithful in all your will, in all your work, Lord give me such grace.

(635). (4) Discipline and purity. If you're not disciplined and you're not pure in your heart, you cannot see God. If you want to obtain mercy, you have to follow after purity and discipline, many Christians are not disciplined. If you're not focused, not disciplined and not pure in your heart, if your heart is so polluted, full of worldliness, unrighteousness and sin, then you cannot receive a message from the Lord.

⇒. Raise up your right hand. Father, I choose a life of discipline and purity tonight, oh God, help me. Oh God, I choose a life of discipline, focus and purity, help me to be pure, to stand for the truth with all my heart, help me to stand for righteousness with all my heart, with all my life. Help me to discipline myself

(636). (5) Long suffering /endurance. Remember these people who were following Jesus walked many miles, some of them were sick and they were walking despite their conditions, they continued to look for Jesus until they found him. If you're going to receive healing, you must have long suffering and persistence in prayer, not that you pray for one hour and then you say you're tired, that's not persistence. There is a need for persistence and what makes you persistence is endurance, long-suffering and perseverance, even with your pain, you're still calling on the Lord.

⇒. Father put upon me the grace for long suffering, the grace to endure persecutions, to endure tribulations, temptations and trials until I see you, until I meet with you. Lord give me the grace to tarry long in the place of prayer, the grace to continue to seek you until I find you, the grace that doesn't get tired of fasting and praying, Lord give me such a grace for persistence and endurance in seeking you. Lord, give me the grace to continue to seek you even in pain, until I receive help from you until I receive your touch.

(637). (6) A person who has laid down his life to follow Jesus. He wants to use a man or a woman, who has surrendered all to follow Him, who is not a slave to anything, who has surrendered all and is not a slave to anything  
⇒. Father, help me to lay down my life and follow you, help me to surrender all and follow you. Oh Lord Jesus, help me to lay down my all to follow you, help me not to be a slave to anything, Lord, I refuse to be a slave to myself, I refuse to be a slave to sin, I refuse to be a slave to money, my job, marriage or to anything or any pleasure, Lord, help me to lay down everything and follow you, help me Lord Jesus.

(638). (7) Giving. Practical giving. To help those who are in need, to help those who are suffering. You do not have by holding on to what you have, but you have by releasing what you have, that is how you have a lot.  
⇒. Father, give me the grace to empty myself as to satisfy the need of others, the grace to empty myself so as to satisfy the need of others, give me the grace Lord. Lord the grace to lay down all possessions you have given to me so that people can be helped and blessed, Lord give me the grace. Lord give me the grace to give as much as possible to those who are in need.

### **VERSE 15-16**

(639). The Lord wanted people to be fed which means that God wants you to be fed. He knows about your situation, the needs in your life and He wants you to be fed. He knows about your spiritual hunger, physical hunger and He wants you to be fed. You having Jesus is having the source of food, both physical food and spiritual food, that is why He says we should ask the Father to give us daily bread, which means that it is God's responsibility to satisfy your needs in life. What you need at this time for survival, it is in Jesus capacity to provide it for you.

⇒. Lord Jesus look upon me in your mercy and feed my hunger, satisfy my needs, the present needs of my life at this time. Lord look upon me in your mercy, feed my needs, meet my need, Lord feed me spiritually, feed me with revelations, feed me with wisdom, divine knowledge, feed me with physical bread, water and with everything that I need now to fulfill my destiny and to survive forever.

(640). The events that happened here shows that God can make use of your situation to reveal His greatness. It does not matter how bad your situation is, He can turn it into a miracle. In this case, there was nothing for people to eat and He turned that situation into a miracle.

⇒. Lord Jesus by your mercy, step into my present situation and turn it to a miracle, use it to reveal the greatness of your power. Lord, use my present situation to reveal the greatness of your power, the greatness of who you are. Lord step in and do wonders in my life right now in Jesus name.

(641). There is a logical way out in situations. I mean the way out, you try to reason out using your brain, to reason out what the way out would be, but there is also a divine way out of a situation. When you are faced with a hopeless situation and you

don't know how you will come out of that situation, that is the time to seek for the divine way out and not try to limit your life and destiny to the hopelessness of your life and situation. Most Christians limit their destinies and lives by the hopelessness and impossibility of their situation, they are not reasoning as God is reasoning. We are not thinking the way Jesus is thinking, we are not seeing the situation as He sees it.

⇒. Lord Jesus, I connect with your mind for my present situation, I connect with your will and purpose for my present situation, oh God, let your will be done. I do not want to plan my life by my senses or by my own intellectual capacity or ability, Lord let your own will be done, what is in your mind is what I want. Lord, that which you're thinking concerning my life and situation right now, that is what I want you to do not what I am thinking. Father, I connect with that which is in your heart. I connect with your divine purpose with your divine will, oh God let your will be done.

(642). Jesus looked at the disciples and said, feed them but they answered and said we only have five loaves of bread and two fishes. Maybe the Lord is telling you also where you are right now, go and feed them, go and minister to my people, go and be a blessing to my people and you're saying, oh God look at my life, I only have this thing, but God is saying go and be my servant, go and represent me, go and speak for me, be my mouthpiece, and you look at yourself and you say, you do not know anything, or you do not even have the gift or know how to do it. Jesus said, there is something that is in you that you can hand over to God to multiply it, because in the kingdom of God you do not become great by acquiring much, you become great by the little that you have handed over to God to multiply.

⇒. Lord Jesus, I bring to you the little that I have, the little that I am, Lord turn it to greatness so that I become a blessing to my generation. Lord, I bring unto you the little in my bank account, the little that I have, the little that I am, I bring it to you, turn it into greatness. My little business, my little carrier, little faith, little knowledge, I bring it to you Lord, turn it into greatness that I may be a blessing unto my generation. Lord I lay down all unto you, make greatness out of my life, out of my talents, gifts and abilities, turn them into greatness.

(643). I have met a lot of Christians and most of us have limited God, we try to measure what God can do by what we currently see happening in our lives. Instead of trying to believe God according to who God is, we try to limit God by what is happening in our lives. The disciples limited God because they only had five loaves and two fishes meanwhile God is not limited by five loaves of bread and two fishes. God is not limited by the family background, where you came from or your age or by anything. Whether you have money or not, beautiful or not, or whatever your level of qualification is. You can turn your life and destiny into greatness even with that little that you are, you can turn your life into greatness.

⇒. Father, I refuse to limit you by my present situation, I refuse to limit you; Lord Jesus, reveal the greatness of who you are in my life by your greatness, make my life great. According to your greatness, reveal yourself to me, not according to what I

have but according to your own greatness, make me great in life and destiny. According to your own greatness, make me great in my life, calling and destiny, Lord, I refuse to limit you, I refuse to limit you, according to your greatness, turn my life into greatness.

(644). Raise up your right hand. Father let your mercy connect me to the realm of miracles. Let your mercy connect my marriage, finances, body, my soul and spirit to the realm of miracles. Let your mercy connect my spirit to the realm of miracles, to the realm of your miracles right now in the name of Jesus.

(645). There's a kind of fire that, once it is established inside of you, no witchcraft can dare to touch you, no wizard can dare to touch you because that fire is established inside of you

⇒. Father, establish a great fire in my spirit that it destroys all witchcraft operations, witchcraft attacks, witchcraft manipulations. Lord, establish in my spirit a great fire that consumes all the operations of witches and wizards, a great fire that destroys the strength of witchcraft, a great fire that consumes all the operations and manipulations of witchcraft, Lord let that fire be established in my spirit right now in the name of Jesus. Fire that destroys witchcraft powers come upon me, possess me in the name of Jesus. Fire of the Holy Ghost that consumes all appearances of witchcraft, possess me right now in the name of Jesus, possess my spirit, possess my soul, possess my body. Fire of the Holy Ghost, that destroys all witchcraft control, manipulations, operations and attacks, let such a fire possess me right now in the name of Jesus.

(646). Father let your fire penetrate into the depths of me and destroy every work of darkness going on in my life. Lord, let your fire enter into the depth of me and destroy every work of darkness going on in my life. Holy Ghost fire, enter into the depths of me, depth of my body, enter into every cell of my body and begin to destroy every unclean thing, every virus, sickness and disease, let fire begin to penetrate right now in the name of Jesus. Fire, enter into the depth of my body soul and spirit and begin to destroy every unclean thing, every darkness, every pollution of darkness, every plantation of darkness, fire of the Holy Ghost move inside me right now and begin to consume them all in the name of Jesus, let there be healing and deliverance. **\*Everyone of you hearing my voice right now, let fire of the Holy Ghost move inside of you, inside your spirit, body and soul, fire of the Holy Ghost, move in and begin to consume those things, uproot those things that are of the devil in the name of Jesus.**

(647). Father I connect with your throne right now, let everything that is possible with you begin to happen in my life right now. I know all things are possible with you, let all those possible things with you begin to happen right now in my life. Father, I connect my life to the throne room of heaven, I connect my spirit, soul, body, life,

career to the throne of heaven, oh King of glory, let everything that is possible with you begin to happen in my life. Let everything that is possible with you, not possible with my country or myself or my reasoning but with you, let them begin to happen without delay right now in the name of Jesus. Promotion is possible with your Father, prosperity is possible with you, holiness and righteousness is possible with you, Lord strength that does not grow weak or become weak, it is possible with you. Victory is possible with you, deliverance is possible with you, Lord everything that is possible with you, let it begin to happen to me, I connect my life with your throne. Father, begin to do them all in your mercy in Jesus' name.

(648). I saw a wind of change blowing in your life. There's going to be a wind that will blow, that divine wind will begin to change things.

⇒. Raise up your right hand. Father, send your wind of change into my life and let your wind begin to blow into my life right now to set things in order, to change my life forever. The wind of the Holy Ghost that brings about transformation, deliverance and change, Lord let that wind begin to blow right now. The wind of the Holy Ghost that brings about positive change in my life, that will bring change to my life and destiny, let that wind begin to blow right now. In my environment begin to blow until my life becomes what the Lord wants it to be, divine wind, never stop blowing, thank you Father.

(649). Father let me be filled with your spirit like a man drunk with wine. Lord, fill me with your spirit like a man drunk with the fullness of your spirit, till I lose control unto you, till all my life is under the control of your Spirit. Lord fill me with the fullness of your Spirit till I lose control unto you, till you become the controller of my entire life. Lord let me be drunk with the Holy Ghost, let me be drunk in the Holy Ghost, fill me with the fullness of the Holy Ghost, fill me right now. Fill me till I'm drunk with the Holy Ghost, till I lose control, till you take full control of my entire life. **\*As many of you hunger for the Holy Ghost, for this level of drunkenness in the Holy Ghost, right now let the Holy Ghost begin to fill you where you are in the name of Jesus. Receive the fullness of the Spirit in the name of Jesus, the fullness of the Holy Spirit receive it right now, receive the fullness of the Holy Ghost in the name of Jesus.**

## CLOSING PRAYER

Raise up your right hand.

Oh God of Israel, we are so grateful for what you are doing right now in the lives of your people. We are so grateful for those you have touched, those that have been healed and delivered, we are so grateful for the help and grace we have received from you, to seek you correctly till we find you and to live the kind of life you want us to live. Our God be glorified, be praised forever in Jesus' name.

Oh God, I stand as your servant and I bring unto you all of your children in this meeting right now, Father I ask that your blessings rest upon everyone hearing my voice right now and those that will use the publication, Lord let your blessings rest upon everyone. Let every curse of darkness, curse of demons, spell that has been placed upon the lives of these ones, Father, let your blessing fall upon them and destroy those curses in the name of Jesus.

I decree over your life that every limitation of darkness that has brought you sorrow in destiny, that keeps bringing you down or taking you backwards, making you to go so low compared to the level you are supposed to be, I decree, let that limitation break right now in Jesus' name.

As the heavens are open right now, I decree, rise to the top in the name of Jesus. Let the angels of the living God of Israel, raise you up to the top in the name of Jesus, the height you are supposed to be spiritually, in your career, calling and destiny, let the angels of the living God lift you up to that height in the name of Jesus.

Everything that God has already prepared for you, I declare by the hand of the Lord, let your life move into those things. Every good thing that God has prepared for you, let the hand of God move you into them all. Every place, position and honour that God has prepared for you, every well wishes and blessings, miracles, divine revelations, divine visitations God has prepared for you, let the hand of God move you into them all in the name of Jesus.

Let your faith increase, beginning from today onward, receive all that the Lord has for you at this time. All these blessings shall not be cut short but you shall have the fullness of them all in the name of Jesus. All the blessings that heaven has poured out upon your life, none of them shall be cut short, you shall not have half of them but the fullness of them in the name of Jesus and so shall it be in Jesus' name.

Thank you Lord, blessed be your Holy Name, thank you Jesus in Jesus' name it is done, Amen.

## **PRAYER POINTS**

(650). Father, thank you for loving me, thank you for blessing me, thank you for helping me, thank you for visiting me, thank you for touching me, thank you Lord for

moving in my life to do wonders. Lord thank you for loving me, thank you for showing me mercy, thank you for caring and visiting me, thank you for working miracles and wonders in my life, thank you Lord for turning around my situation into a miracle, thank you Father. Thank you Lord for what you're doing in my life, thank you for what you are about to do in Jesus' name.

(651). Raise up your right hand. Father visit my life tonight, let your glory fall, let your glory manifest right here in my life, upon me, let your glory appear in my life right now. Let the atmosphere of heaven appear in my life right now, in my room right now, right here where I am, let the glory of God, the atmosphere of heaven appear right now. Appear right here in my environment, in this place, in my room, let your glory fall and manifest right here, let the atmosphere of heaven appear. The atmosphere where angels operate from, the atmosphere where the Holy ghost operates without barrier, without delay, let that atmosphere take over where I am right now. The atmosphere of heaven, take over my house, my prayer session, right now in the name of Jesus.

(652). A portal is an invisible opening, an invisible door that connects heaven and earth together. Jacob was sleeping and he saw a ladder, and angels were ascending and descending on that ladder, going up to heaven, coming down to earth - that is a portal.

⇒.Father let divine portals open unto me tonight in this prayer session, let there be opening of divine portals. Let's divine portals appear in my room right now, a portal that will connect my room with heaven, let that portal appear right now, let the connection be established right now. Let there be a connection between my life and heaven, my spirit and heaven, my soul and heaven, my body and heaven. Divine portals, portals of miracles appear right now in my room, let a divine portal appear in my environment, in this place and let there be a connection between here and heaven, let there be a connection between my life and heaven, my spirit and heaven, my soul and heaven. Lord, a portal that will give birth to miracles, signs and wonders, breakthroughs, let that portal appear tonight right now, here on my prayer altar, in this place, let divine portals appear, angelic portals begin to appear right now in the name of Jesus.

(653). Father, the blessings that you have packaged for me tonight, Lord let nothing stop me from getting them tonight. Every blessing that you have packaged for me tonight, that I must receive, let nothing stop me from getting them. Lord help me to pray in such a way that I will get all that you will do for me in tonight's prayer session. Lord, help me to pray and receive all, let me not go from this prayer meeting without receiving all that you have promised, all that you have packaged for me in the name of Jesus. I shall possess my possessions tonight, I will not leave this session empty-handed, but I shall receive the fullness of my divine package.

(654). The Lord is telling me that this is your season of success, but there are powers turning your season of success into a season of failure. They are turning your season of rejoicing into a season of sorrow, your season of happiness is being turned into a season of sadness.

⇒. Raise up your right hand. Father, every power from the dark kingdom, turning my season of success, turning my season of joy into sorrow, happiness into sadness oh God of Israel, let your fire rain and consume them all. Every darkness that has filled up my life, turning my season of breakthrough into hardship, celebration into mourning, season of greatness into captivity, oh God of Israel, let fire fall and destroy them. This is my season of success, this is my season of prosperity, my season of victory, season of miracles, therefore every power that wants to change the season into something else, let the anger of God, the fire of God consume them right now in the name of Jesus. Fire, destroy them all in Jesus' name.

(655). We have been talking about divine attraction but there should be something that attracts the Lord to you and then He will show you mercy when He sees that thing in your life.

⇒. Father whatsoever that is in my life that is chasing away your presence, that is rejecting your mercy away from my life, oh God, separate me from such a thing. Everything in my life, that is pushing you away from me, that has become an abomination in your sight, Lord, take those things away from me, separate me from those things. Everything that is in my life, everything in my attitude, behaviour, in the realm of my thoughts, chasing me away from your presence, Lord, separate me permanently from those things.

### **MATTHEW 14:26-18**

(656). Jesus said bring them to me, because there's a power that multiplies things. This was not the first time the power of God multiplied things, Elijah did that miracle Elisha did the same thing. There's a power in the kingdom of God that multiplies things. The fact that you have just little is not a limitation to the kingdom of God, the fact that you are poor presently and you don't have money is not a limitation to the kingdom of God, the fact that you don't have anything is not a limitation to God. Meaning that God is not looking at what you have for him to make plans for you, He doesn't make plans for you based on what you have but He makes plans for you based on who He is and what He can do.

⇒. Father I bring my life to you, let your power command increase. Lord by your power, command increase to appear into my life. Lord, I bring myself to you, let there be increase, as you made five loaves of bread and two fishes to multiply, Lord let there be increase in my life, I cry for increase from heaven tonight. Lord increase me, I cry for increase because there's a power in heaven that multiplies things, power in God that brings forth supplies, Lord connect to that power, let there be manifestations of increase. In my finances increase, in my spiritual walk with you increase, Lord command increase in my life, in the name of Jesus.

(657). The kingdom of God is not only looking for people that have money or those that have made it, like what some ministers are doing today whereby they're trying to take the gospel only to the rich people because of what they want to get from them but that is not the kingdom of God. The kingdom of God is saying come as you are and I will make your life what it's supposed to be. In the kingdom of God anyone is welcome and God is enough to make your life great, to make you what He created you to become, that is what the kingdom of God does. Don't think that God is only looking for some rich people, He's also looking for the poor people because God wants to reveal His greatness through the people that the world has considered to be a failure or nobody.

⇒. Father I come to you as I am, Lord command greatness to appear in my life, in my destiny. Lord, I come as I am, I don't have to be a millionaire for me to do what you want to do with my life, I come even with my poverty, Lord command greatness to appear in my life tonight. Father, command greatness to manifest in my destiny, in my life, calling, and destiny; increase that leads to greatness, command it to appear right now in the name of Jesus.

(658). Jesus said bring to me the five loaves and the two fishes, the Lord is saying the same thing to you. He is saying come to me with what you have because I am going to multiply it. For God to make you great you must surrender, you must lose everything to Jesus because He wants to make something great out of your life, but if you think your life belongs to you, your possessions belongs to you, and you feel like you're the one in charge of your life, then this prayer is not for you.

⇒. Lord help me to surrender all to you, everything I am, everything I have, help me to lay them down at your feet, because you want to make greatness out of my life, Lord help me to surrender all. Lord help me, I am ready to surrender, help me to lay down everything, my life, my possession, my job, my career, children, marriage and everything I have, and everything I am, help me to lay it down at your feet. Help me Lord Jesus, because only you can bring greatness out of me, Lord I lose everything to you, I surrender all to you, so that you can make greatness out of my life.

(659). Some people are so afraid of surrendering their lives totally to the Lord, the reason why they are afraid is because they think that God wants to dupe them or make their lives miserable. They are thinking that way because of ignorance, because they have been deceived that's why they're thinking that way. There is no life that has been completely surrendered to the Lord that will remain the same way. If you surrender your life to the Lord, your God will make great beauty, great things come out of that life you have surrendered. Your life will not remain the same way, you tell some people surrender your marriage to the Lord, hand over the situation to the Lord, stop trying to make things work, let God take over and they feel like it is wrong or they are being cheated for not fighting for their rights. You must surrender everything, your will, until you surrender all that is when the greatness of God will begin. The greatness of God begins at the point where you have laid down everything and say, 'God I lay down my all, my life, now let your will be done'.

⇒. Father I refuse to struggle with you, Lord tonight I surrender everything, whatever I have, whatever I am, Lord I surrender my will, I surrender my emotions, my feelings, I surrender everything I am to you, so that you will prevail in my life henceforth. Lord I give you my plans, my ambitions, Lord I give my life to you, I surrender all, now let your will prevail. Beautiful my life as you want, thank you Father in Jesus' name.

## VERSE 19

(660). He told the people to sit down. There is a place of sitting down after you have surrendered all that you have and all that you are. There is a place of sitting at the feet of Jesus waiting, there's a place of waiting, a place of sitting. To wait for what God wants to do, you don't run ahead of God. Some Christians have run ahead of God, God is saying to them, wait here because I am about to do something but they stand up, they are no longer able to wait and then they start running whilst God is saying sit down. For you to see the greatness of God you have to listen to His voice when He says sit here, wait here. When God is saying sit down, He's don't go to speak to people, let me speak to people for you, let me command your help, for it to come and find you, when God is saying sit down and you're running, that is how you have failed. Sitting down means trust in God

⇒.Father I choose to sit down at your feet, help me to sit down and wait on you until I see your great visitation, your great help, great intervention, Lord help me to sit down and wait for you. Help me to be patient, to wait patiently for your promise, the fulfillment of your promise, Lord help me to sit at your feet. Lord help me to sit down and trust you, Lord I want to be able to sit down while you are working my miracles, Lord help me to sit down in faith and trust while waiting for you, thank you Lord.

(661). Jesus takes that thing that you bring and he blesses it. There's a blessing from heaven that changes a man's life forever. To be blessed, I am not talking about having some beautiful clothes although it's part of it, it's not about money only or material things, they are diverse categories of blessings. There are spiritual blessings, physical blessings, and spiritual blessings are far greater than physical blessings. There is a blessing that when it comes upon you, your life will never be the same again till you die. Your entire generation, your bloodline, your children, yourself and your children's children and your lineage will never remain the same again because of that blessing. God blessed Abraham and his entire lineage could not finish the blessing, up to today, we are still eating from the blessing of Abraham, that is not just a physical blessing but a spiritual great blessing.

⇒. Raise up your right hand. Father release upon my life an everlasting blessing that will change my life forever, such a blessing that I will not be able to finish spending or using. A blessing that my children's children will inherit from it, Lord place upon me this everlasting blessing, eternal blessing. Lord let everlasting blessings fall upon me, blessings that I will not be able to finish enjoying, such a blessing that will continue that my children's children will continue spending it, Lord let such a blessing fall upon me in the name of Jesus. A blessing that will change my life forever, that

will change my calling and destiny forever, Lord let this blessing come upon me. Lord let your blessings rest upon me. \*Right now as the portals of heavens are open, right now I decree over your life, that single blessing that is going to change your entire life, entire family and generations forever, let it fall upon you right now in Jesus' name.

(662). It says Jesus blessed the five loaves and two fishes. The works of your hands can be blessed in such a way that you become the best in your career. God can bless the works of your hands, it does not matter the level of your business, it doesn't matter whether you have some customers or not, all that matters is, God blesses it. It also doesn't matter what you're selling, all that matters is has God blessed this thing that you're doing because once God blesses that thing that you're doing, that's all you need because that's when greatness begins.

⇒. Oh Lord as the heavens are open, Lord as the portals are opened oh God bless the work of my hands and let greatness, prosperity and wealth spring forth. Lord bless the work of my hands, bless the talent I have, the skill I have, the career I am doing, bless the work of my hands and let there be greatness and let there be prosperity and increase.

(663). I have prayed for many people and some of them what God used my prayers to do for them was so wonderful, especially those who are into business. What my prayers did for them was to start bringing people to patronize their businesses, the blessing of God starts to make people patronize your business. It does not matter the amount of money you used to start that business or how big the business is, whether you have a shop or not or how many people know about it, all that matters is God blesses it.

⇒. Father bless the work of my hands and let this thing I'm doing begin to attract multitudes, let it begin to call for the attention of multitudes all over the environment, this location. Let multitudes be drawn to my business until I become great in my business, Lord bless this thing I'm doing, let it begin to attract crowds, multitudes, let people from all over the world begin to have interest in this that I'm doing, in this talent you have given me, in this skill and gift you have placed upon me, this thing that is in my hands, the thing I'm doing for a living, oh God bless it and let it begin to attract thousands of thousands, multitudes to buy and patronize what I am doing.

(664). Jesus broke the loaves into pieces and gave it to the disciples to distribute to the people. When God begins to do this work in your life, it might look like God is restructuring things, reorganizing things because He's about to make something great out of your life. When something great is going to come out of your life, God comes and says I'm going to do it my own way not your own way. He says I'm the one in charge here and I'm going to do it my way, so when God is going to do things in His own way, He might do things that you don't like, He might stop some things to start something new, He might do a lot of restructuring.

⇒. Father everything you must do in my life, Lord for this greatness to manifest, Lord begin the work right now, everything you must do in my life, every restructuring, every reorganizing, whatever you need to set in place for the greatness you have in mind for my life, begin to do the restructuring and reorganization of things in my life for your greatness to manifest. Lord begin to do it, whether I like it or not so that your greatness will arise and manifest. Lord anything that you have to break, break it; what you have to replace, replace it; whatever you have to do Lord, begin to do it, do it your own way. Lord whatever you have to do for this greatness you have determined to do in my life, for it to happen, Lord please do those things. People that you want to remove from my life, remove them; new people you want to bring into my life, Lord bring them in, places where you want me to put me, Lord put me there; every form of restructuring, reorganization that must happen for me to become that great person, oh Lord do them right now in the name of Jesus.

(665). He gave the bread to the disciples who distributed to the people. There are some people that must work with you for the greatness of God to spring forth, there are some people you must meet, people that when they begin to work with you, your life will start becoming so prosperous and flourishing. That's why when some people want to start working with you everything will start falling apart. People carry different kinds of spirits, that is why you need to be spiritually sensitive to know the kind of people you bring into your life.

⇒. Father, people that will help my talent, my skills to reveal your greatness, to become greatness in all the world, do bring those people into my life, people that will help my business, career to rise into greatness. People that will help my calling, ministry and destiny to rise to greatness, Lord wherever those people are, Lord begin to bring them here. Lord bring them in, wherever they are, Lord bring them in contact with me, men and women, people that when they come into my life, greatness begins, Lord I need those people, send them my way. People that will give meaning to my vision, people that will lift up my vision into manifestation and unto greatness, Lord bring such people my way in the name of Jesus.

## VERSE 20

(666). Once Jesus steps in, the miracle happens. Jesus is about to step into your situation right now, I don't know what you're passing through but He's about to step in

⇒. Raise up your right hand. Lord Jesus, step into my present situation, present moment, in my life at this time and do that which only you can do. Step into my marital situation right now, step into my financial situation right now, Lord step into my health situation right now. Lord step in now and let miracles appear right now. Lord the situation of death, step in and let there be a miracle, the situation of poverty, Lord step in and let there be a miracle, the situation of marital failure, marital delay, step in and let there be a miracle, a situation of my sickness, step in and let there be a healing miracle, in a situation of my captivity, step in and let there be a deliverance.

**\*Lord, I'm asking that you begin to step into the situations of your people right now as**

the heavens are open, as the portals are opened, Lord begin to step in right now and let there be instant miracles. Let your power begin to turn things around right now in the name of Jesus.

(667). There's a place for you in the church, God wants to use you in the church, in His ministry. You are not just a Christian, or just a church goer, you are not just a Christian for you to sit down and fold your hands doing nothing. Every Christian has been called to serve, there is a place for you in the body of Christ, there's a place for you in the kingdom of God, there is a position for you.

⇒. Father let me find my place in the body of Christ, let me find my place in your plan at this time. Lord help me to find my place in the church where you want to use me, help me to find that place. Lord where you want me to be useful, where you want to make use of me in your house, Lord help me to discover that place because I am ready to be useful for you. **\*As you have prayed may the Lord help you find that place in Jesus' name.**

(668). There are some faith actions that God requires some of you to do. When you are going to enter into some miracles, they are actions you have to take in faith, you just don't enter into miracles but you take actions of faith. For example, the woman with the issue of blood, she didn't just sit at home but she took actions of faith and went out and touched the hem of Jesus garment and was healed instantly. There are some faith actions that you must take at this time to enter into your miracles and you must be led by the spirit to take those actions because those actions will be the trigger to your miracles, that is what the Holy spirit is saying. Some of you, there are decisions you have to make that will lead to a miracle.

⇒. Holy Spirit, help me to take faith actions at this time that will lead me into miracles. Lord lead me by your Spirit to take actions of faith, move me to take actions of faith that are going to lead me into miracles. Move me Lord Jesus, to do things I need to do, to actions I need to take.

(669). The Lord is showing me that there is a battle of darkness confronting you and you haven't prevailed up to now in that battle and you must prevail, if you don't, you cannot be that great person God wants you to be. The good news is that God is about to help you in that battle.

⇒. Raise up your right hand. Oh Lord of hosts, step into the battle of darkness that is confronting my destiny, confronting my life at this time, step into this battle and give unto me sudden victory. The battle of darkness from my father's house, the battle of darkness from my mother's house, the battle of darkness from my ancestral lineage, oh God step into that battle right now and command a sudden victory for me right now in the name of Jesus. Oh Lord of hosts step into this matter that has been fighting me since childhood, oh Lord step into this matter and let great victories manifest.

(670). The Lord is telling me, that some of you have been so weak in fasting. You need fasting to enter into the miracles that heaven has brought down in this season. I'm talking about personal fasting you have to do that will take you into this miracle. ⇒. Father I am willing to fast because I am ready for my miracles. Lord help me to fast, give me the grace for fasting. Lord Jesus give me the grace for fasting, I am ready to fast, I am willing to fast, Lord help me to fast for many days, the grace to fast for many days so as to enter into my miracles, give me that grace Lord Jesus.

(671). If there's a time for Christians to walk in the realm of the supernatural, that time is now, if there is time that we MUST, not that we should but we MUST walk in the realm of the supernatural, that time and hour is now because things are getting worse and things are about to get more worse. If you're not going to walk in the realm of the supernatural that means you must get ready to suffer in this last days, I'm talking to Christians not unbelievers, without the supernatural you cannot defeat the antichrist or the darkness that is upon this age ⇒. Father do something in me that will awaken me to the realm of the supernatural, awaken me to the realities of the kingdom of God, do something in me, a transformation in me that will awaken me to the realms of power, the realms of God's glory. Father do something in my spirit, my soul, and body that is going to awaken me unto the realms of your glory, the realms of the realities of heaven, the realms of power, the realms of authority, the prevailing authority of God's Kingdom. Lord do something to me, I want to be a supernatural Christian, a Christian that walks in power not in assumption that I am victorious when I'm not. I want to walk in real victory, real miracles, supernatural and extraordinary lifestyle of God's Kingdom. Lord take me into that supernatural lifestyle of your Kingdom.

(672). There is no limitation to God, with God and in the Kingdom of God, there is no limitation meaning that there is nothing God cannot do for you if you can trust Him. I have met some seriously discouraged Christians, seriously confused Christians who had lost hope and felt like the power of God was no longer working anymore, they felt like the kingdom of God was no longer working. It is possible that you are being discouraged by the issues of life but let me tell you something, whatever has happened to you up to now, doesn't change the fact that there is still God. Despite what has happened, the truth remains that no matter what has happened to you there is no limitation with God and there is no limitation in the Kingdom of God. If there are people who are ready to trust God in this season, they will see the hand of God, that is what the Holy Spirit is saying. God is not limited by your failures, disappointments, unbeliefs, whether you believe or not, God is God and He will forever remain God. Your own belief or doubt does not change who God is and He is waiting for people who will come and trust Him and believe Him. Are you ready to trust Him, are you ready to believe Him for the unusual manifestations of His power? ⇒. Father, I acknowledge that there is no impossibility with you and there is no limitation with you, oh God, I am ready to trust you. Lord visit me and help me in this month, visit me and do a new thing, let me have a record of a miracle in my life this

month. Lord I acknowledge that there is no limitation with you, I acknowledge that there is no impossibility with you, Lord I am trusting you this season. Lord visit me and do something new, let me have a testimony, a powerful testimony this month. Lord let me have records of your miracles in my life this month. Lord I am ready and I am trusting you right now, I am not looking at my situation, I'm not looking at my failures, disappointments or what is going on in my life, but Lord I am trusting you tonight. I am not looking at my background or what has been happening to me for many years but I'm looking at you and I'm trusting you now, Lord visit me and do your wonders. I want to see your wonders because I believe. **\*I decree over your life that as much as you've trusted God, let your miracles appear without delay before the end of this month in the name of Jesus Christ.**

## **CLOSING PRAYER**

I'm praying for that person that has a problem with your teeth I command that problem to disappear right now in Jesus name. Those who have problems in your ears, I declare let that problem come out right now in the name of Jesus.

Every evil that has been initiated in the realm of witchcraft against your life against the life of your spouse, your children, I terminate that evil forever

right now in the name of Jesus. I command with the authority of heaven, let your life rise to the place of glory and honour, let your destiny rise to the place of fulfillment and honour in the name of Jesus.

Whatever you lay your hands upon henceforth shall begin to do well in the name of Jesus and you shall no longer lack any good thing. Because of the covenant of wealth that God has established with this ministry, the covenant of riches and wealth that God has established with this calling, I connect you with the same covenant right now in the name of Jesus.

Beginning from tonight, you shall no longer lack anything, before money finishes in your hand some money will have come; before you finished spending, some money would have come, you will never have a time in your life that you will lack any good thing and so shall it be in the name of Jesus.

All the beautiful projects that God has started in your life, I decree that the resources you need to finish them, let heaven transfer them unto you right now. Let there be a divine transfer of resources, a divine transfer of resources, let it happen right now in the name of Jesus. Thank you Father because we know you have answered these prayers.

I am praying for someone among you that has been desiring to hear the voice of God, you have always wanted to hear the voice of God, right now by the reason of the anointing upon this meeting, right now let your spiritual ears be unlocked and activated to hear the voice of God, the voice of the Holy Ghost. Let your spiritual ears be unlocked right now in the name of Jesus. In Jesus name thank you Father, thank you Holy Spirit, in Jesus' name it is done in Jesus' name, all my prayers for you are answered, Amen

**Remain blessed, don't think negative because miracles happen from the realm of your mind. In this month as we are expecting many mighty miracles from the Lord, don't think negatively and don't doubt and you shall be blessed. Remain victorious in Jesus' name, Amen.**

## **PRAYER POINTS**

(673).Father I thank you because all my blessings are in you, all my blessings shall come from you, all my blessings are secure in you, my blessings are inside you, inside your hands and they shall come from you. As they come from you, they shall not be hindered or fail but they shall come to pass. Lord thank you because my blessings are in you, I thank you because my blessings shall come from you, I thank you because you should authorise my blessings. Thank you because I will receive blessings from you, because my blessings are in you. Thank you because having you in my life means that I am blessed, having you as my Father and trusting in you

means I am blessed, believing in you means I am blessed, Lord I thank You because looking to you, means that I am blessed because you are a faithful God.

(674). Raise up your right hand. In the name of Jesus, I come against every agenda of the wicked that has been initiated against me receiving my blessings tonight. Every plan of the wicked that has been established to stop me from receiving my blessings tonight, let fire fall from heaven and consume them all. Let fire fall and destroy them every agenda of witchcraft, territorial demons, agenda of principalities and powers that have been initiated to ensure that I am not blessed tonight or I will not get my breakthrough tonight, let fire consume that agenda, let that work of the devil be destroyed, let that plan of the enemy catch fire right now

## **THEME: JESUS THE LORD OF HOSTS**

Jesus Himself is the Kingdom Authority because it is in his name that things happen, anything outside His name will not happen, even if it's going to come from the Kingdom of heaven it should come in Jesus' name, that shows you that Jesus Himself is the Kingdom Authority.

### **MATTHEW 8:5-8**

(675). This man got the understanding, though we don't know how he knew it or got the revelation that Jesus is the Lord of hosts, but he saw Jesus as someone that does not work alone. The Lord of hosts is the Lord of heaven's armies, so it means that He does not work alone, He doesn't go into battle alone. Meaning that if He's standing, the billions of heavenly hosts are standing with him. He can send them on an errand to carry out His will since He is the Lord.

⇒. Lord Jesus, manifest yourself tonight as the Lord of hosts in my life, in my situation. Lord Jesus, tonight I want to see you as the Lord of hosts, the Lord that commands the entire armies of heaven, Lord I want to see you tonight. Lord, manifest in my life, my situation, marriage, career, calling, ministry and destiny as the Lord of hosts. Let me see you tonight as the Lord that commands things in my favour. Lord visit me tonight as the Lord of hosts, let your greatness be revealed in my life, the greatness of your authority and power, reveal it in my life, be revealed concerning my case tonight in the name of Jesus. I want to see you as the Lord of hosts, the God of heaven's armies, the One who commands the armies of heaven as the commander of the armies of heaven, Lord I want to see you in that dimension tonight.

(676). Father release the order, release the commands for the sake of my rising, of my success and healing, Lord speak the word from your throne. Command the hosts of heaven for the sake of my life tonight, Lord speak the word. Lord speak the word from the midst of your throne for the sake of my prosperity, spiritual advancement,

my breakthroughs and deliverance, Lord speak the word from heaven. Lord decree a thing from heaven, decree a command, a decree from heaven, for the sake of my breakthrough, blessing and miracle, Lord issue a command tonight not tomorrow tonight. A command and a decree that will change my life forever and turn things around in my life forever, Lord of heaven and earth, command as the commander of the armies of heaven, oh God speak the command, issue the command tonight for the sake of my rising, success; breakthroughs in my marriage and finances, breakthrough in my business and career, Lord speak a word tonight, command the angels of the hosts of heaven for my sake, the sake of my family, children and spouse, command the armies of heaven.

(677). Place your right hand on your head. Oh Lord of hosts, authorise my deliverance tonight. Every captivity that I have inherited from my father's house, from my mother's house oh Lord of hosts authorise my deliverance tonight. Every captivity of darkness that I inherited from my bloodline, ancestors oh Lord of hosts authorise my deliverance tonight. Oh God of Israel, command my complete deliverance, command it tonight, deliverance from every ancient captivity, ancestral captivity, every captivity coming from my bloodline oh God of Israel, oh Lord of hosts authorise my release right now in the name of Jesus, command to my deliverance right now in Jesus name.

(678). The Lord is showing me that some of you there is something that is taking away God's blessings in your life. I saw a hand handing over something to you and almost immediately another hand came and took it from you. That means there is something, a hand or power that is wasting God's blessings and investments in your life.

⇒. Oh Lord of hosts authorise the destruction of every evil hand, every hand of darkness that is wasting your blessings in my life, your investments in my life, Lord authorise their destruction tonight. Every power that is wasting good things in my life, every power emptying grace and strength, removing good things and virtues out of my life, let the fire of God, the hosts of heaven begin to waste them all, consume them all. Let all the armies of the Most High begin to destroy such power right now in the name of Jesus. Every demonic hand stealing good things from my life, drawing out good things, treasures, wealth, blessings, grace, strength, and all the blessings of the Lord let the destruction of heaven consume them all, Lord of hosts authorised the destruction tonight in Jesus' name.

(679). What does it mean to engage the Lord of hosts in your battle? It means that where you cannot reach, the Lord of hosts can you reach there. Are there places that you cannot reach, all you need to do is send the Lord of hosts, to send the armies. There are places where God must send the angels to go and carry out his operations concerning your life.

⇒. Oh Lord of hosts, authorise your angels to go into every realm of darkness where my destiny has been caged, calling has been caged, glory of my life and destiny has

been captured, oh Lord of hosts authorise your armies, let them go there and set me free, let them go there and release my glory. Oh God of Israel, authorise your angels to go forth right now into every realm in the heavenly places, on the ground, under the ground, in the waters, wherever they are, in the atmosphere into wherever they are devising evil against my life and destiny from where they are controlling the fate of my life from, let the hosts of heaven go there right now and begin to destroy them all. Let my glory be released to manifestation from those realms. Let the glory of my calling and destiny be released with speed to manifestation in the name of Jesus.

(680). Among the messengers of the Lord of hosts is fire. The Bible says He made his angels, spirits and His ministers, flames of fire. What this means is, flames of fire are God's ministers meaning that there are some angels which are just fire. So when we pray and say let fire fall or we are invoking the fire of God, we are actually invoking some special hosts of God. Flames of fire a part of heavenly hosts, they are God's messengers, God does some things through fire.

⇒. Raise up your right hand. Oh Lord of hosts let fire go forth before you right now and begin to consume every witchcraft, wickedness that has been devised against my life and destiny, let fire go forth from you right now and consume them all. Oh Lord of hosts, release fire, flames of fire upon every witchcraft wickedness, witchcraft divination, witchcraft enchantment, witchcraft spell, witchcraft manipulations and control that have been devised against my life, calling and destiny, oh Lord of hosts let fire go forth right now and begin to waste and consume them in the name of Jesus.

(681). The Lord is showing me that there are some good things that have been covered by darkness in your life. Even when you're looking at that thing, you do not see the goodness and when people look at that thing they don't see the goodness because there is a darkness that has covered the goodness of it.

⇒. Oh Lord of hosts release fire upon every darkness that has covered good things in my life, making good things turn into evil. Every darkness that is turning good things into evil, making people see it as evil, oh Lord of hosts, let fire go forth from you and let it destroy such darkness, destroy that darkness. Every darkness that has covered my spiritual gifts, calling spiritual abilities, spiritual sight, talents and good things in my life, oh God let fire fall and release the flames of fire, let them be consumed forever.

(682). There are some things inside of you that God wants to use to lift you up. But you can't even see them or know of them. They are treasures inside of you and God wants to use those things inside you to lift you up and fire is going to reveal those things.

⇒. Raise up your right hand. Father every honour and treasure that is inside of me that you want to use to lift me up, let fire reveal them to me and the world. Every treasure you have placed inside of me that I do not know of, oh God let fire reveal them by fire. Reveal them to me, reveal them to the world, manifest them to me and

manifest them to the world. Every spiritual ability, prophetic ability, divine ability that has been caged inside of me, hidden inside of me, Lord let them be revealed by fire, let them manifest by fire. \*Let fire from heaven go inside of you right now, let fire from heaven enter in you right now and reveal that treasure to the world in the name of Jesus. Let that treasure that is inside of you from birth let it be revealed now by fire to you and to the world in the name of Jesus. And so shall it be in Jesus name it is done Amen.

## VERSE 8

(683). Oh Lord of hosts remember the promises you have made to me tonight, all the promises and prophecies you declared concerning my life hasten them to fulfillment by angelic interventions. Beginning from tonight all the promises, prophecies you have said concerning my life, marriage, calling, destiny and career, oh God by angelic intervention let them begin to come to pass with speed in the name of Jesus. Lord by the intervention of your angels, every word that you've spoken before now concerning my rising, promotion and greatness, Lord release your angels to perform them right now. Lord release your angels to hasten the manifestation of those words, assign them right now in Jesus' name.

(684). There is no realm that the heavenly hosts cannot enter including the realm of your dreams. You need the intervention of the heavenly host even in your dreams. ⇒. Oh Lord of hosts, let your heavenly hosts begin to manifest in the realm of my dreams beginning from tonight to deliver me, defend me and engage every attack of the enemy. Oh Lord of hosts, let your heavenly hosts begin to appear in my dreams to defend me against dark powers, release your angels to fight for me to fight my battles, to destroy the spiritual spouses, marine spirits, serpents that comes against me in the dreams, Lord I receive interventions of your angels in the realm of my dreams beginning from tonight.

(685). Some of you have been eating in the dream, the enemy has been bringing food to you whilst you sleep to feed you. ⇒. Father by the intervention of the heavenly hosts, let every evil hand feeding me in the dreams, be permanently destroyed, let them be consumed by fire. Every hand of darkness, demonic spirits, unclean spirits, witchcraft spirits, marine spirits feeding me with food in the dreams, right now Father let your heavenly hosts appear beginning from tonight and begin to consume those hands, consume those agents. Every hand that is bringing food in my dreams, let the angels of the living God appear and consume them in the name of Jesus, let them meet with fire and be destroyed in the name of Jesus.

## VERSE 9

(686). Another thing you need to know about the Lord of hosts is that He commands his enemies. He does not only commands His angels but also His enemies and when He does they listen to Him. He can command Satan or demons and say leave

them and they dare not disobey. I don't know what the devil is doing in your life or the kind of demons you are dealing with but you are going to pray.

⇒. Oh Lord of hosts, command every operation of darkness going on in my life, command them to stop forever. Every demon that is working evil in my life, Lord command them out of my life, out of my business and finances. Every operation of demons, of the devil, Lord command them out of my life because they cannot reject your command, they cannot disobey your commands. Every work of darkness, every serpent, every scorpion and demon that is working in my life, career, finances, calling and ministry, Lord command them out of my life in the name of Jesus, authorise them out of my life and destiny.

(687). Place your right hand on your head. Oh Lord of hosts, every darkness that is claiming ownership, possession and control over my spirit, soul and body, oh Lord of hosts authorise their destruction right now. Authorise permanent removal right now in the name of Jesus, of every darkness, demon and spirit claiming control and possession of my life, possession of my soul and spirit. From my body, remove them; from my soul, remove them, every serpent, every demon spirit claiming ownership, claiming control over my body, soul and spirit, oh Lord of hosts, authorise their permanent removal from my life right now in the name of Jesus. Every darkness resting upon my life oppressing my life, my spirit, oh Lord of hosts, authorise their removal right now, remove them permanently from my life.

(688). Father by the intervention of your angels, of the heavenly hosts let my life ascend to the glorious heights you have prepared for me. Lord let there be promotion in my life and career, authorise my promotion, authorise my lifting to that place of glory and honour, authorise my lifting tonight, authorise my promotion tonight by the intervention of heavenly hosts.

(689). You are going to pray with your authority in Christ Jesus and visualise the things that you believe the devil is doing them and it's so evident that it's not the Lord's doing.

⇒. Every work of the devil going on in my life, I command them to catch fire right now, I command them to come out with my life by fire. Every demonic oppression, demonic presence going on in my life, marriage, career, calling and destiny, I command you in the name of Jesus, come out by fire. Anywhere the devil is living, anywhere demons are dwelling and working in my life, business and career, I command fire to flush them out right now in the name of Jesus. Whatever is of the devil going on inside me, I command you to come out by fire, in the name of Jesus move out by fire from my life, you do not belong here you belong to hell.

## **VERSE 10**

(690). The Kingdom of heaven operates here on earth by faith and there's no other shortcut to that. It is either by faith or nothing. There are different kinds of faith, I know some people have been deceived to think that all that God needs from them is

a little faith. God needs great faith from you, not just little faith, there are some things little faith can do and some things little faith cannot do and some things only great faith can do them. Without great faith you might not receive the intervention of the heavenly hosts because your angels feed on your faith, they will help you according to your faith. If something is wrong with your faith then something is going to be wrong with your angelic operations going on in your favour.

⇒. Lord Jesus help me to manifest great faith, help my faith to grow, help my faith to be strong, to increase, beginning from tonight. In the midst of my situations, help me to show heaven great faith, Lord help me by the Holy Spirit, help me by the Word of God, help me by the scriptures to show the angels great faith, to show heaven great faith, to show you God great faith, Lord help my faith to grow. Lord help my faith to grow so that my faith can command outstanding results, great results in the realm of the spirit. Lord help my faith to abound so that my faith can command great results from heaven, my faith can command great help from your throne.

(691). In Ephesians 6, Paul mentions the shield of faith that will quench the fiery darts of the enemy. Your faith can set limits for the devil and say you cannot go beyond here but it happens by faith.

⇒. Lord Jesus let my faith be strong enough at this time to quench every dart of the enemy, Lord empower my faith to be strong enough, to stop all the attacks coming from the enemy unto me at this time. Lord empower my faith, let my faith be strong enough to stop the arrows of darkness, the arrows of the wicked, the plans of the devil coming against my life, to stop the traps of the devil coming against my life and destiny. Let my faith be empowered to stop the activities of the devil to stop the flow of evil that is prevailing in these last days, oh God let my faith be strong enough to put a stop to the works of the devil, Lord let my faith be empowered to set limits for the devil.

(692). There are different kinds of faith. There's a kind of faith that impresses God and makes Him happy that someone can have such faith at this time. Jesus said concerning these last days, "if I come, will I still find faith on earth?". He didn't say if I come will I still find pastors or churches but will I still find faith. Meaning that there is a war in the dark kingdom against our faith because our faith is our power, it is our victory.

⇒. Lord release fire against every darkness, demon that is fighting my faith, every demon that is wrestling with my faith, every darkness that is attacking my faith to quench my faith, to kill my faith, to bring down my faith in you, Lord release fire and consume them all. Every war coming from the dark kingdoms to stop my faith, to bring down my faith, weaken my faith, destroy my faith, let your fire consume them all. Every agent of darkness, power of darkness mobilized from the kingdom of darkness to kill and destroy my faith in you, oh God, let your fire begin to waste them right now in the name of Jesus.

(693). By faith you can put a stop to the works of the devil, you can put a limit to the devil and say devil you stop here you cannot go behind here and then he will stop there whether he likes it or not, that is the authority faith commands, the kind of authority your faith can command. There was once a man who had so much great faith that when he came to your house despite the fact that you were ill or sick with whatever sickness, as long as he was in your house, you were not sick at all. His faith was so powerful that it stopped whatever sickness you had but after he left your house your sickness would come back. His faith was so strong that it stopped the flow of disease, that is what your faith can also do, he didn't even need you to pray but him just being in that house, his faith commanded great authority which stopped sickness from flowing. His faith stopped the activities of sickness, disease and demons. You are going to need such a great faith if you are going to stop the activities of darkness which are going on in this present age.

⇒. Father give me the grace that will command great faith, that will stop the flow of every kind of evil prevailing in these last days, to stop the flow of darkness prevailing in these last days, Lord give me such a grace that will stop the manifestation of this great evil. In the name of Jesus, Lord such a great faith that will stop great wickedness, that will stop the flow of evil, the flow of sin, the flow of darkness everywhere I go, Lord let such faith begin to arise in my life, in my spirit and heart. Help me Lord Jesus to have such great faith.

(694). The Lord is showing me that the enemy is planning false accusations, not only planning but he is already doing that. You are being falsely accused, falsely represented, they are spreading false news and information about you but the heavenly hosts can stop that.

⇒. Father by the intervention of your heavenly hosts, let a stop come upon every false accusation going on against me, every false news that is being spread out against me, let your angels appear and put a stop to it. Let your angels issue a restriction order upon every false news, false accusation that people are spreading against my life, my calling, and ministry. Let heaven put a stop to that in the name of Jesus.

(695). The Lord is telling me about spiritual sight, God wants to open your eyes. Up until He does that, there are things that will not be revealed to you and those things are so crucial that they need to be revealed to you.

⇒. Father by the intervention of your heavenly hosts, let every darkness that is blocking my spiritual sight be roasted by fire, let it be removed by fire. Let every darkness that has blindfolded the eyes of my spirit be rolled away right now in the name of Jesus. Let the realms that you want me to see in, open for me by the interventions of your angels, Father open the realms unto me. Every realm that you want me to see into, let your angels open my eyes into that realm, let them open that realm unto me right now in the name of Jesus. Lord let your angels visit me tonight and destroy the darkness that is limiting my spiritual sight right now in the name of Jesus.

(696). Raise up your right hand. Oh Lord of hosts by the intervention of the heavenly hosts, let my financial prosperity spring forth with speed, authorise my financial increase. Oh Lord of hosts, authorise my financial increase, authorise my wealth, authorise my riches to happen to me beginning from tonight. Let there be increase, riches begin to spring forth right now by the intervention of your angels, let my wealth spring forth right now in the name of Jesus. Financial increase, financial multiplication, happen to me by the intervention of your angels, oh God, do it Father to the glory of your name.

(697). The Lord is saying that we must be careful of what we say because words are spirit. What you say is a spirit. Jesus was telling His disciples that these words that I speak to you, they are spirit and they are life meaning they are living things and they are spirit. Words are spirits, there are some negative words that were spoken against your life and they are still working because they are spirits and they need to be destroyed.

⇒. Father authorise your heavenly hosts to destroy every negative utterance that has been released against my life and destiny. Every negative utterance that has been spoken against my life and destiny, let the angels attack and destroy them right now. In the name of Jesus, every negative utterance, negative pronouncement, released against my life, calling, ministry, destiny, my rising, and greatness, oh God of Israel, release your heavenly hosts right now and let them begin to catch fire, let them begin to consume those negative utterance. Every incantation, curse, negative word that has been released against my destiny, career, life, progress and rising, oh Lord of hosts, command your heavenly angels to consume them all right now in the name of Jesus.

(698). There are battles that you alone as a Christian with the authority you have as a Christian cannot fight but you need the intervention of God's angels to win those battles because you are alone you cannot. That is why in these last days the Holy Spirit is bringing the church to the awareness of the ministry of angels because angelic destinies are included in our destiny. The destiny of angels is needed in our destiny, we are going to need them in battles of our lives.

⇒. Father release your mighty angels into every battle of my life that has become too difficult for me to overcome and let there be sudden victory for me, my households and my family. Oh God of Israel release mighty angels, terrible angels, release them now into every battle of my life that has become too difficult for me to overcome, and let there be victory for me. Lord release them into the battles coming from my father's house, coming from my mother's house, battles coming from the marine kingdom, every battle that has become too difficult for me to win, and let them give me great victories at this time in the name of Jesus.

(699). I don't know who's prophetic word this is for, but all of you can pray. I saw inside your abdomen, the devil has created something to strengthen his dominion over you, to strengthen his operation over you and until that stronghold is destroyed, the devil will continue to oppress you. Some of you that thing was created through what you eat because some food carries demons, if you didn't know. Especially food that you buy and even that which you don't prepare yourself, some even from the marketplace, they are polluted and that is how they created the stronghold and it makes that stronghold stronger than you and every time they attack you they are always stronger than you.

⇒. Place your right hand on your belly. In the name of Jesus, every stronghold created by darkness, demons inside of me to strengthen their operations over me, let fire enter into my belly right now and destroy their strongholds. Father, every stronghold that the kingdom of darkness has created inside my stomach and intestines, in my belly to strengthen their dominion over my life, Lord let your fire consume them right now in the name of Jesus. **\*I decree right now by the authority of heaven upon my life, every stronghold of darkness that is making the devil stronger than you every time and day, I decree let fire locate that stronghold and let fire destroy it in the name of Jesus.**

(700). The Bible shows us how David prayed to the Lord, saying oh God turn the counsel of Ahithophel into foolishness and God did it, Ahithophel went and hanged himself because that wickedness that he wanted to happen to David could not eventually happen. The heavenly hosts can turn the counsel of your enemies into foolishness.

⇒. Oh Lord of hosts, turn the counsel of the enemy against me into foolishness, oh Lord of hosts turn the counsel of the enemies against my life, the agendas of my enemies against my life, the agenda of darkness against my life, family, calling and destiny, Lord turn them all into foolishness, let them never be accomplished. Let them never come to pass in the name of Jesus. Every plan of the wicked, every agenda of the dark kingdom against my life, calling and destiny, Lord by the intervention of your angels let them all be turned into nothing, let them all be turned into foolishness. Every counsel of witches and wizards turn them into foolishness, let them never come to pass in the name of Jesus.

(701). Stand on your feet (if possible) . Father by the intervention of your heavenly hosts, let terror come upon every enemy of my progress, enemy of my breakthrough, enemy of my success, let your terror come upon them and let them be afraid and run away for their lives, let them be afraid and leave my life alone, let them be afraid and leave my destiny alone. Father let your terror, your mighty terror fall upon my adversaries, let your terror manifest upon them. Lord let your terror locate them and let them run away and leave my life.

(702). Still standing, raise up your right hand. Father let there be intervention of your heavenly hosts, let every demonic wind, cloud of darkness, wind of darkness, that is

sitting over the affairs of my life, let them melt by fire, let them be removed by fire. Lord release your mighty angels against every cloud of darkness, wind of darkness that is resting upon the affairs of my life, every demonic cloud, demonic covering over the affairs of my life, let your angels consume them all. Let the storm of darkness be rolled away from my life by the interventions of your angels. Let every storm of darkness be rolled away, be lifted away from my life by the interventions of your angels. Oh Lord, let that wind of darkness that is blowing in my life be arrested by the interventions of your angels, do it right now oh God.

(703). The Bible says He made flames of fire His ministers, His ministers are flames of fire.

⇒. Still standing, raise up your right hand. Father release flames of fire to get for me all blessings that belong to me, release flames of fire to harvest them for me wherever my blessings have been held, let your flames of fire go forth and get them for me. Lord release fire upon those places where my blessings are being held captive, held bound, let your fire go out there and release my blessings for me. Oh Lord of hosts, release your flames of fire to go to every hand that is holding my blessings and get my blessings for me in the name of Jesus.

(708). Father, you alone are the helper of my destiny, Father help me and let me fulfill my destiny. Lord you are alone are my helper, you are the helper of my life and destiny, oh God help me, there is no one else that can help me like you, no one else can give me the help that comes from you. Oh God help me and let me fulfill destiny, let me fulfill my purpose, help me Lord Jesus, help me Father. **\* I decree, that tonight help from the Lord shall find you in the name of Jesus.**

(709). Fathers teach me to love the same way that you love. Father, oh God of Israel, I want to have the same spirit of love that is in you. Lord teach me to love my neighbours, to love others, teach me to love my husband, my wife, children, my friends. Teach me to love sinners and unbelievers so that I can win them for you. Teach me to love you, teach me to love oh God.

(710). Father let your healing hands locate me tonight, let your healing hands take away my infirmities, sicknesses in my body, soul, spirit and in my life, let your healing hands touch me and take away my diseases. Let your healing hands find me right now, let them touch me and take away my diseases, my sicknesses in the name of Jesus. **\*Right there where you are, let the healing hands of Jesus find you and remove your sickness and diseases forever in the name of Jesus.**

## **2 CHRONICLES 20:1- 4**

(711). Why would multitudes come from all over to gather at Jerusalem? They realised that the enemy they were dealing with was greater than them and that they had no power or strength to face that vast army that was coming their way. The king, instead of writing to other countries to hire soldiers or for help, they ran to the Lord. God is looking for the people that will run to Him and seek help, not people that will be running about seeking help from other people but people that will come to God and say "God only you can help", that is when the Lord of hosts will arise to help.  
⇒. Father teach me to seek you in the midst of my circumstances and situation, let it be you that I will seek first in whatever that comes my way in life. Lord let it be you that I will seek first in every situation, give me the wisdom to seek you always, Lord give me that heart, give me that spirit, give me that passion to seek you all the time.

## **VERSE 5-6**

(712). This man knew God enough to trust Him. When you know God enough, you will be able to trust Him enough. Jehoshaphat knew God and he was not afraid or ashamed to trust Him, but there are some Christians today that are afraid to trust God and are ashamed to trust God because they feel like God will fail them, that's why they are afraid to trust him. When some people are sick they are afraid to trust God for healing because they feel healing will not come and that they will eventually die in that sickness, so they are afraid to trust God. If you are afraid to trust God, it means that you do not know God because if you know God you will trust Him with your life, even when it looks like you are risking your life, you really trust Him.  
⇒. Father, I want to be like a man like Jehoshaphat, who knew you enough to trust you enough. Lord help me to know you so that I can trust you with all my heart and with all my life. Lord help me to know you deeply so that I will not be afraid or ashamed to trust you fully, help me Lord in the knowledge of you.

(713). Jehoshaphat knew God to an extent that his prayers touched heaven. When you know God very closely, your prayers will reach heaven because you will pray from the depth of the knowledge of God that you know. As Jehoshaphat was praying, God responded immediately because Jehoshaphat knew God. When prayers are coming from a heart full of the knowledge of God there is going to be intervention from heaven, quick and sudden intervention.

⇒. Father help me to know you so that I can pray from the depth of my knowledge of you, so that I will not be praying from head knowledge but from experiential knowledge of you, from revelational knowledge of you, Lord help me to know you this way. Father help me to know you deeply so that I will be able to pray from the depth of the knowledge of you in my heart because I know this is the kind of prayer that moves heaven to action.

(714). What does it mean to be called the God of heaven? It is similar to say the god of gods because they are gods in heavens, there are principalities, princess of darkness, rulers of darkness, powers ruling in the heavenly realms, we call that realm second heaven. The God of heaven is God over all these other gods.

⇒. Raise up your right hand. Father you are the God of gods, arise and descend upon every Kingdom in the second heaven troubling the affairs of my life, arise, descend upon them and consume them. Oh God of heaven, arise and descend upon every kingdom of darkness that is in the second heaven controlling the affairs of my life, oppressing my life and my destiny, oh Lord of hosts descend upon them and consume them right now in the name of Jesus. Every kingdom of principalities, rulers of darkness, powers in the second heaven tormenting my life, afflicting my life, oppressing my life, controlling the affairs of my life, let the God of Israel, the God of heaven descend upon them and destroy them in the name of Jesus.

(715). He is not only the ruler in heaven, but He is also the ruler of all the kingdoms of the earth

⇒. Father, I acknowledge you as the ruler of all the kingdoms on earth, let your government begin to destroy every government that is frustrating my life, every government and dominion that is afflicting and oppressing my life, oh God let your government destroy them all. In the name of Jesus, let the government of the God of Israel descend upon every government and kingdom that is afflicting, tormenting my life and oppressing my life, wherever they are, let the government of the God of Israel destroy them all right now in the name of Jesus.

(716). There are kingdoms in this earth, visible and invisible and they rule, they have their platforms through which they run and they have people and places whom they are ruling. Kingdoms, governments, visible and invisible tormenting lives and enslaving destinies, a lot of them are here on earth.

⇒. Place your right hand on your head. Father, let your government come upon me and destroy every kingdom enslaving and oppressing my life and destiny, let your government descend upon my life and destroy every kingdom of satan, kingdoms of this world oppressing and enslaving my life and destiny. Lord let your Kingdom descend and consume them, let your kingdom come upon me and destroy them. Every government, kingdom oppressing my life and enslaving my destiny, let the government of heaven, the government of the Most High God, the government of the God of Israel, come upon me right now and destroy their strongholds, destroy their controls, destroy their powers over me in the name of Jesus. Lord let your Kingdom

come upon me, let your government come upon me and let every government, kingdom and power the devil is having over my life, let your government destroy them. \*I am praying for you, let the government of heaven, the government of the kingdom of God, the government of the God of Israel descend upon you right now and let every other kingdom oppressing your life and enslaving your destiny, oppressing your destiny, let the governments of the Kingdom of God destroy them, right now let their power over you be destroyed and broken to pieces in Jesus' name.

(717). He is God because no one can stand against Him, no one can stop Him, He is too powerful, He is too mighty to be stopped, meaning that if He's moving no one can stop Him or oppose Him. All God needs to do is to move in your life because once he moves it is done.

⇒. Raise up your right hand. Father, move mightily in my life, situation and spirit and let no one stop you, move right now and perform your will and let no one and nothing stop you, let no sickness or disease stop you. Lord move in my life, situation and days, move Lord and do your will and let no god, idol, demon, witchcraft be able to stop you. Move in my life, in my spirit with your might, with your power, move mightily and do your work and will in my life.

(718). The Lord is telling me he wants to do something within 3 days, unusual, uncommon, powerful, extraordinary, supernatural, miraculous and strange in your life. I don't know what He wants to do but it's going to be something unusual and impossible, naturally impossible or scientifically impossible. It is not medically possible, that is what He wants to do.

⇒. Raise up your right hand. Father, move in my life, move in my body, in my soul and spirit, move in my circumstances and do something unusual, something naturally impossible, Lord, within three days from now, move and do that thing you want to do. Lord move now, my life is open, my spirit is open, move Lord Jesus and do that thing, something economically impossible, medically impossible, scientifically impossible, move Lord Jesus and do it.

(719). I don't know what is standing before you, as you want to move forward, that thing is saying you have to pass through me, if you don't pass through me you will not go anywhere. The good news is that you are actually going to pass through that thing because it is going to be destroyed. That thing is going to melt by fire as you pray.

⇒. Oh Lord of hosts move in my life, let everything, every barrier standing on the path to my progress, to stop my progress, let them see you and melt. Every hindrance, obstacle, mountain that is blocking my progress, oh God move right now and let them see you and melt. Every barrier the enemy has stationed before me to stop me from breaking through to the next level, move right now oh Lord of Israel and let that barrier see you and melt like wax. Every limitation, hindrance standing on my path to promotion, progress and glory, oh God of Israel, move against them and let them melt before you.

## VERSE 7

(720). Jehoshaphat began to remind God of his faithfulness, the things He had done in the past. Sometimes when you need the intervention of the Lord of hosts, you need to speak of His faithfulness, you need to proclaim and declare His faithfulness, all the things He has done for you before, you need to proclaim them in that present situation you're going through. Most of us, all we know to do is to complain and not proclaim the faithfulness of God. Learn to proclaim the faithfulness of God in the midst of your trouble. Even if you don't remember anything God has done for you, open the Bible and begin to proclaim God's faithfulness, begin to mention what God did in the past, how he parted the red sea, defeated all the enemies of Israel and how he healed the sick, cast out devils, raise the dead; by the time you finish proclaiming 20 of his miraculous faithfulness, your problem will already be gone. You need to learn how to proclaim the faithfulness of God before your battles in the presence of your battles, learn to proclaim the faithfulness of God.

⇒. Father help me to remember your faithfulness in the midst of my battles, in the presence of my battles let me proclaim your faithfulness. Lord help me to remember the miracles of your mercies, grace. Lord the ones that I have enjoyed and read in the scriptures, those that I have seen in this ministry, Lord help me to remember and to proclaim your faithfulness in the midst of my battles. Help me Lord to remember your faithfulness because indeed you are faithful. Oh God, I know you are a faithful God, last year I called upon you, this is what you did (mention that thing); a few days ago I called upon you and this is what you did.

## VERSE 8

(721). He was reminding God that the land they were dwelling in, God had given it to them and now the enemy was coming to uproot them from that land. He began to proclaim all that God had done. I do not know what God gave you that the enemy is threatening to take away from you. It can be your children, husband, wife, grandchildren or business.

⇒. Oh Lord of hosts move against every enemy that is coming, threatening to take away that which you have given to me. Father move right now against every enemy threatening to take away all that you have given to me, move against them and destroy them all. Lord everything you have given to me, every power, kingdom that is coming to take them away from me oh Lord move against them and destroy them all. The establishments, advancements, strength, victory and blessings that you have given to me, oh God any power, Kingdom, principality rising to come and take them, Father rise against them, move against them and destroy them all right now in the name of Jesus.

(722). The enemy does not only threaten and fight God's establishment and blessings in your life but he also fights your place in God, your stronghold in God which is your prayer life. The enemy fights your prayer life, he fights your secret place in God because once your prayer life is defeated it's easy for the enemy to destroy

you. Once the enemy can stop you from praying, fasting, and seeking God then you are gone, you are already defeated. Once your prayer altar is defeated how will you connect to God?

⇒. Raise up your right hand. Oh God of Israel, arise and destroy every battle of darkness mobilized against my prayer life, my relationship with you, oh God of Israel, arise and destroy them. Every battle mobilized against my prayer life, against my prayer altar, my relationship with you, oh God let your fire fall and consume them all.

(723). Father, destroy everything in my life that is promoting weakness, spiritual weakness in my Life. Everything in me that is bringing spiritual weakness, draining my spiritual strength, causing spiritual weakness, Lord destroy those things, uproot those things from my life in the name of Jesus. Oh God of Israel, uproot whatever is in me that is causing weaknesses in my spirit, prayer life, meditation, Bible studying, in my spiritual walk with you, Lord uproot them. Whatever is draining away my spiritual strength let them be terminated forever in the name of Jesus.

(724). The Lord is showing me that there is a demonic personality that is walking very close with you. Every step you take, the demon follows you everywhere you go, and in everything you do because it's assigned to stop you from prospering (physically, spiritually, and material blessings) and succeeding.

⇒. Raise up your right hand. Father, use your flaming sword to permanently separate me from every demonic personality walking closely with my life and destiny, let your flaming sword move right now and separate my life permanently from such spirit. **\*Every unclean spirit, marine spirit, demonic spirit, demonic personality that is following your people everywhere they go to stop prosperity and success, let your fire separate such spirit from this hour henceforth. Let there be separation by fire right now and so shall it be in Jesus' name.**

(725). Father let the door that will take me to the next level, let it open for me. That particular door that you want to use to take me from this level unto the next higher level, Lord let that door open right now. The door that you want to use to move me from this level to the level that I must be on, let that door open right now. **\*That door that will move you to the next higher-level, let that door open for you right now in the name of Jesus.**

(726). Father let your anger and destruction fall upon every personality cooking food for me to eat in the dreams, everything demonic personality preparing food for me to eat in the dreams, Father let your anger and destruction descend upon them and waste them. In the name of Jesus, let your anger and destruction full upon every witchcraft kingdom preparing food for me to eat in the dream and consume them. Every realm of darkness where food is being prepared to feed me in the dreams, let the anger and the destruction of God descend upon them and consume them all in the name of Jesus Christ.

(727). Father, every agenda of the wicked against my life, let it be impossible for them to be done, let it be impossible for them to succeed, to prosper or to be actualized. Every plan of the enemy against my life, family, spouse, children, business, calling, ministry and health, Lord let it become impossible for them to carry them out successfully, let it become impossible for them to succeed in their plans against me.

(728). Place your right hand on your head. Father, place upon me an anointing to speak with the right utterance in the place of prayer. Lord let that anointing come upon me. Father put upon me an anointing that will enable me, empower and inspire me to speak with the right utterance in the place of prayer for the manifestation of my miracles. The anointing that will enable me to speak with the utterances of heaven, the utterance of Jesus, utterance of the Holy Ghost, to speak as if God spoke. The anointing that will enable me to speak as if it is God and Jesus speaking in the place of prayer for the manifestation of my miracle. **\*Let the anointing fall upon you right now in the name of Jesus, receive that anointing in Jesus' name.**

(729). The Lord is telling me that there is a need for you to manifest to the right attitude that is going to open doors for you. You need to manifest the right character or behave the right way because someone, somewhere is waiting for you to manifest that right attitude, character and behaviour so that they can help you when you manifest that right attitude. There is someone out there who will be impressed by your character or attitude to the point of helping and lifting you up.

⇒. Holy Ghost help me to manifest the right attitude and character every day of my life, the way I should live or relate with people, help me to manifest the right attitude, behaviour and character that will make way for me. Lord give me that Grace to manifest the right character, the right attitude, right behaviour everywhere I go, every place I find myself in every day of my life so that I will not limit my progress through wrong attitude. Lord, I refuse to be the one stopping my progress through my attitude and behaviour, help me Father in the name of Jesus.

From today, when you stand to pray, mighty miracles shall begin to happen, even miracles you won't be able to explain, so shall it be in the name of Jesus.

Thank you Father in Jesus name it is done, Amen.

**The Lord is telling me to correct some of you. That you should watch what you say, watch how you speak because the devil is going to be using that**

**against you. You have to speak correctly this time around, do not speak through fear or through doubt or out of doubt and unbelief or insecurity, but speak out of faith. Mind what you say, for example when God has given you success and you are saying, I have failed, once you say I have failed the devil will use it against you. Be very careful of what you say. Speak positively because that is how the Kingdom operates, do not speak out of fear or doubt. You have to change how you speak and I trust God to give you grace to do that. The Lord keep you in victory, Amen.**

(730). Father I thank you because all that you have in mind concerning my life you shall bring them to pass. I thank you Father because all that you have in your heart for me in this season, in the months of November and December you shall bring them to pass, thank you because you shall do these things. Father, I thank you because what you are thinking for me in these few months left of the year, all that is in your heart for me, you shall do them. Thank you because all that is in your heart for me, you shall do it.

(731). Raise up your right hand. Father let your right hand of power touch my hand right now and let me breakthrough from every bondage and addiction. Let your hand touch my hand and let there be deliverance, healing, breakthrough, let me breakthrough, let my glory breakthrough, let me break through into manifestation, let me break forth into manifestation. Touch me right now and destroy such activities, touch me Lord Jesus, touch my hand and deliver me. Lord let your hands touch me and let there be breakthrough, let there be deliverance. Pull me out of every captivity of darkness, pull me out of limitations, pull me out of stagnations, pull me out of delays, touch me Lord Jesus.

(732). Place your right hand on your head. Lord Jesus, let your fire flow into the depths of me, let your fire enter into the depths of me and begin to deliver me from the depth of me. Let your fire enter into me, into the depth of my body, depth of every cell of my body, depth of my soul and spirit, and let every captivity of darkness be broken, let it be destroyed. Let your fire enter into me right now, let the fire of the Holy Ghost flow into every part of me, every organ in my body, every cell in my body, depth of my soul and spirit and let there be deliverance right now. Lord let there be deliverance, let my captivities be destroyed right now in the name of Jesus. **\*I decree let fire penetrate into your body right now. I decree let the fire of the Holy Ghost flow into every part of you and let the fire begin to consume everything that is not of God,**

let every captivity begin to break in the name of Jesus every demon begin to come out in the name of Jesus let every unclean thing be flushed out to be consumed by fire in the name of Jesus Christ.

(733). Father, every prison of darkness that is holding my blessings captive, holding my glory captive, let Holy Ghost fire locate these prisons right now and break them in pieces and release my blessings and glory. Every demonic prison visible or invisible that is holding my blessings captive, holding the glory of my calling and destiny captive, right now let fire of the Holy Ghost enter into that prison and bring out my blessings in the name of Jesus.

(734). Father, let my miracle locate me right here where I am, in this very hour because you said this month is the month of overflowing miracles. Oh Lord let my miracle appear in my life right now, Lord the miracles you have for me in this month, Lord let them appear, let them find me in the name of Jesus. The miracles you have for my family, marriage, business and career, Lord let them find me right now in the name of Jesus. **\*The Lord is showing me that some of you, your miracles are going to find you in your careers, you are about to see the miracle of the Lord in your career. It could be in your place of work, profession or business. God is saying He's about to release a miracle in your career, He's about to command a miracle to appear in your career and it shall come to pass.**

(735). Lord move me forward by your strength, by your power from my present state to where you want me to be. Lord visit me and move me forward on every side and move my life forward, move in my life and let me move forward as you move. Lord move in my life and as you are moving forward, destroy stagnation in my life, destroy limitations in my life, destroy failures, delays, poverty, suffering and hardship in my life and move in my life and as you are moving, let my life move forward. In my ministry, career, move forward and move me forward as you move.

(736). Oh God of Israel, you are the covenant keeping God, establish your covenant of prosperity and abundance with me and my entire family. Father you are the one who establishes a covenant and keeps it, Lord my life is available, my family and my marriage, I bring to you, God establish a covenant of prosperity and abundance, a covenant of surplus with me, my family and my children, with my life, career and destiny. Lord I refuse to continue in borrowing, suffering, hardship, lack and hunger, Lord establish a covenant of surplus with me such that before I finish spending, another blessing has come, establish such a kind of covenant with me Lord Jesus.

(737). Father let my name be mentioned in places where they are looking for recommendations, great positions, help and promotion, and let me be selected for such a favour. Lord in every place where they are looking for men to honour, men to promote, men to appoint in great positions, Lord let my name be mentioned there, let my name be recommended in those places in the name of Jesus.

## 2 CHRONICLES 20:8-9

(738). That was the covenant and that was the prayer they prayed when the ancestors were dedicating the temple. Now Jehoshaphat was calling God to remembrance of this covenant. I don't know what situation you are faced with, the same God who established this covenant with the Israelites, also did the same with us. Jesus said whatever we ask the Father in His name as we believe, we shall have it.

⇒. Raise up your right hand. Father, I call upon you, manifest in every calamity confronting me at this time, every impossible situation confronting me at this time, oh God of Israel, manifest now and do a miracle. Lord manifest in every negative situation that is confronting my life (mention that situation), appear and do a miracle in the midst of my lack, poverty and troubles, I call upon you Lord Jesus, visit me, locate me now and do a miracle. I acknowledge that only your miracle can help me and save me at this time. Lord, I acknowledge that only a miracle can feed me at this time, a miracle that can fix the situation at this time, Lord, come now, I call upon you, visit me now and let there be a miracle. Visit my family, marriage, lives of my children, the lives of my children's children, my finances and let there be a miracle right now.

(739). King Jehoshaphat knew that only a miracle could deliver them from the attack coming from three powerful nations against them, just one small group of nation, the land of Judah. I don't know the kind of battle you are going through and you feel like it is too much or it is beyond your strength and you feel you cannot fight and win it, but you need to know that there is a God in heaven who is strong and mighty and mighty in battle.

⇒. Lord Jesus you are the Lord strong and mighty, you are the Lord mighty in battles, let Jesus appear in my life and confront every battle. Lord appear and fight every battle that is stronger than I am, mightier than me, stronger than me, Lord fight for me. Lord Jesus Christ appear right now and confront every battle from my father's house, from my mother's house, every battle from the environment I am living in, battles from the kingdom of darkness, against my destiny, my soul, body, spirit, and calling, oh Lord Jesus arise and fight them. Lord arise and fight for me, this battle which is stronger than I am, fight for me. Lord I cannot win on my own, I cannot win by my strength, but I trust in the strength of the great God of Israel, I trust in the strength of the Almighty God, in the strength of the lion of the tribe of Judah.

(740). I don't know if you have ever faced any battle that is stronger than you, in this passage, the king knew that they did not have enough soldiers to fight the battle that is why they went to the temple to cry to the Lord, because they couldn't fight this battle, they didn't have strength and they knew they wouldn't win. This is how we see the greatness of God and His Kingdom when we acknowledge that by our own strength we cannot win the war, that by our own strength we cannot have victories.

That is how the Lord of host will step into your situation, but if you think you can fix the situation by yourself, you won't get help from God

⇒. Raise up your right hand. Father release all the armies of heaven into every battle that has risen up against my life and destiny at this time, Lord release all the armies of heaven into these battles and give me a victory oh Lord right now. Lord release the heavenly armies, send them into my battle, all the armies of heaven, let them come into the battles confronting my life and destiny at this time. Every battle confronting my ministry calling destiny let the hosts of heaven release mighty angels into those battles and give me victories in them all in the name of Jesus. Every battle fighting my spiritual growth, progress, prosperity, financial prosperity, let the armies of heaven, enter into them right now and begin to give me victories right now in the name of Jesus. Lord I depend on you alone, I rely on the victories that come from you, Lord release your angels into these battles and give me victories in Jesus name.

## **VERSE 9**

(741). You need to note that victory comes from the presence of God. Now you may be wondering why miracles are happening in this ministry, it's because of the presence of God in this ministry. Miracles are happening even as we pray on this conference call platform because the real, visible presence of God is available. The presence of God is where miracles are manufactured, miracles come from the presence of God. If you don't have the presence of God in your life you might never have any victory. Some of you here, your lives are not pure enough to accommodate God's presence, He wants to do something in your lives but you cannot stay because your life is full of uncleanness. Before there are miracles and victories, there has to be the presence of God, and that means you have to be pure for Him to stay.

⇒. Father I cannot afford to lose your presence, to miss your presence, Lord whatever is in my life that is driving out your presence, oh God separate such a thing for my life, I surrender. Lord whatever I am holding onto so strongly that is pushing away your presence, Lord I surrender, I drop them, I leave them alone, separate such from my life forever, let your fire begin to separate. Lord I cannot afford to live on this earth without your presence, I need your presence in my life. Lord I need your presence in my life, whatever is in me that is chasing you away from my life, Lord remove them all, uproot them all from my life

(742). The Lord is telling me that the way you think is what is driving his presence out of your life. To be carnally minded is death, that is talking about spiritual death, not physical death and spiritual death will lead to physical death. Spiritual death means when you're completely separated from God. Your mind can kill God's presence so quickly because to be carnally minded is death. If your mind is not pure you cannot have God's presence. As for me, if I allow anything that is against peace, joy, happiness, holiness and righteousness, everything will start falling apart. I am such a man who pays very close attention to what happens in my mind because if

everything goes wrong in my mind then it means everything will go wrong completely, including the prayers I have been playing for people.

⇒. Father, I surrender my mind to you, I surrender my heart to you, come and rule in my heart, my mind, emotions, feelings. Lord Jesus come and rule, come and have your way. Lord Jesus come and prevail, take over my heart, come and rule my mind and emotions, oh Lord I surrender my heart, mind, soul unto you, let my mind be spiritual all the time. I want to be a spiritual Christian not a carnal Christian, I want to be a Christian with heaven in mind, not with worldliness in mind. I want to be a Christian with eternity, holiness, love, peace, faith and joy in my mind, this is the kind of a Christian I want to be, Lord make me such a Christian. I surrender my heart, my mind unto you come and have your way.

(743). I have established that there will not be miracles and victories without the presence of God. What are those things that drive God's presence away from your life. Another thing is distraction. I discovered the church of God, Christians are so much distracted at this time. I don't know what is distracting us so much at this time, is it the internet, is it your phone or television, entertainment -the films or the movies you watch? Is it being talkative, some people can talk even for 5 hours non stop, taking you from spending time with God in prayer.

⇒. Father, everything I have accommodated in my life that is distracting me from seeking your presence, staying in your presence, dwelling in your presence, Lord remove such things from my life, I surrender. Lord I surrender, I lay them down. Every distraction that I have welcomed into my life, these are the things keeping me away from your presence, things which are polluting my spiritual garment, defiling me, disqualifying me from your presence, Lord I surrender them right now, I lay them down, take them away from my life in the name of Jesus.

(744). There are lots of things that are distracting us but I want to talk of ungodly relationships. They keep God's presence away from your life. This includes emotional relationships, for instance courting or dating, if it is unclean it will permanently remove God's presence from your life, if you're not careful.

⇒. Father every ungodly relationship that I have entangled myself into, killing your presence in my life, driving away your presence from my life, Lord I surrender the relationship, let it be broken right now, separate me from such people or such a person. Lord I remove myself, destroy that relationship, every relationship that is glorifying sin, glorifying the flesh, every relationship that is pulling down my spiritual growth, polluting in my spirit, Lord let that relationship die tonight, let it end tonight in the name of Jesus.

(745). The Lord is telling me that He has so much that he wants to do in your life but you have to allow him to do them. You have to give him room, you have to give him your life and let him do what He wants to do.

⇒. Father I welcome all that you want to do in my life, I welcome all that you have come to do in my life, Father help me not to be the one stopping you from doing what

you have come to do in my life. Lord help me not to be the one stopping you, I refuse to be the one stopping and limiting you in my life. I welcome all that you have come to do my life. I open my heart, my soul, and spirit, Lord come and do whatever you want to do.

(746). Tonight as you'll be crying out to reach Him, I see him rescuing you because He is hearing you already.

⇒. Father let the heavens open over my life and let blessings fall upon me, blessings that will terminate shame and disgrace, let those blessings fall upon me. Blessings that will not allow the enemy to mock your name in my life, that will not allow the enemy to speak ill of your name, Lord release the blessings. Father let the heavens open over my life, release blessings that will terminate shame, disgrace, and mockery in my life, release these blessings. Blessings that will not allow the enemy to ask where my God is. Blessings that will forever remove shame and reproach in my life, I ask for those blessings right now, Lord let them fall.

(747). God wants to rescue some of you from something that is about to prevail against your life. Some sort of attack that is about to happen to you and the Lord wants to rescue you before they overcome you.

⇒. Raise up your right hand. Father have mercy upon me tonight, rescue me from the hands of the enemy that are almost prevailing over me, rescue me from their attacks that are almost prevailing over my soul, destiny and life. Lord rescue me from the hands of those that are almost enslaving me, almost destroying my life, prevailing over my life, rescue me from the hands of the enemy, rescue me tonight Lord Jesus, rescue me now before they finish my life. Lord intervene quickly and rescue me before they destroy me.

(748). Father every covenant of darkness that is projecting failure into the works of my hands, covenant of darkness authorising failures into the works of my hands, let your fire manifest and destroy them right now. Every covenant of darkness, covenant of witchcraft, covenant of marine spirits, covenant of demons that is causing failure in the works of my hands, in my career and ministry, in every thing that I do oh God let your fire fall and destroy those covenants right now in the name of Jesus. Fire of the Holy Ghost fall and consume the covenants right now in the name of Jesus.

(749). Father let your glory fall and rest upon me and let the earth begin to bring forth all the blessings that pertain to my life and destiny. Let your glory fall and let it begin to draw from the ground all the blessings that belong to my life and destiny. Lord let your glory fall and the rest upon me and let it command blessings from all the earth to come to me, let the glory begin to draw blessings from everywhere to come to me. Lord let your glory fall upon me and let your blessings from every nation of the earth, every people, every creature. Let the glory begin to command blessings to come to me from all over the world. Let the whole world begin to come with blessings by the reason of this glory.

(750). I heard the word fertile in my spirit. When a ground is fertile that is when it will produce great fruits.

⇒. Father authorise fertility to appear in my life, let my life be fertile, to yield great increase, to produce great increase at this time. Lord let my life become fertile to produce great increase of riches, wealth, children, ministerial increase. Lord make my life fertile for the increase you want for me in this season, Lord let my business, my finances be made fertile for the great increase of wealth, riches and fruits. Make my ministry produce great wealth of souls. Lord authorise great fertility and let my life produce great fruits and increase, great results at this time

(751). Raise up your right hand. Father give me a gift that is going to make sure that I fulfill my calling and destiny. Lord give me spiritual gifts that will enable me to fulfill my destiny, the instrument(spiritual gift) that will help me to fulfill my calling and destiny. Lord I need spiritual gifts that will enable me to fulfill my calling and destiny at this time, Lord I need that gift. Lord I need gifts that will empower me to carry out the assignment you have given me at this time, that will enable me to fulfill the calling you have called me to, give me the gifts Lord Jesus.

(752). Father, I ask for a turnaround, Lord use my present situation to lift me higher to the next level of greatness. I don't know how you will do it but use my present darkness, difficulty and problems to elevate me to the next higher-level. **Lord, that situation that looks so hard in their lives, I ask that you use it to lift them up. I don't know how you will do it but I know that you are a God of a great turn around, I know you turn things around to become testimonies, Lord I ask for this kind of miracle for them, do it Lord Jesus, in Jesus name.**

NB: The Lord is saying to someone among you that until you overcome anger (because you have the Spirit of anger) He won't be able to give you the spiritual gifts that He wants to give to you.

(753). Father make me the man, the woman that I am in you, make me the person that I am in you, the picture of me that is in you, Lord transform me into that person because I know the person I am in you is not what I am now. Lord that person I am in you change me, turn me into that person. Lord I know the person I am in you is not a weak person, not a failure or a defeated person, Lord change me to that person that I am in you in your heart, in your divine agenda, Lord change me into that person in the name of Jesus.

NB: I know some of you still see yourself eating in the dream, and some are being attacked while you're sleeping. I want you to read Psalms 71 into a cup of water before you, read that scripture loud into the water before you sleep.

(754). Father let your anger descend upon every witchcraft personality that is troubling the affairs of my life and destiny, that is oppressing my life and destiny, Lord let your anger descend upon them and destroy them all in the name of Jesus. Every witchcraft personality, creature, entity that are causing troubles, failures in my life, oppressing my life, oppressing my career and business, let the anger of God fall upon them, let God scatter them, let God trouble them, let God fight them, let God destroy them right now in the name of Jesus. witchcraft personalities, witchcraft creatures, animals and beings, let the anger of God consume them all.

(755). Father empower me with the kingdom authority that makes things happen, empower me with the same authority that rules in your Kingdom authority, that commands and it appears instantly. Lord empower me with authority that commands speedy results, authority that makes me pray and as I am praying miracles are happening. Lord empower me with this authority that opens doors at the sounds of my commands, that closes doors at the sound of my voice, authority that binds demons, authority that casts out demons. Lord empower me with such kind of authority that commands breakthroughs, progress and prosperity.

## **CLOSING PRAYER**

Raise up your right hand.

King of kings, Lord of lords, Ancient of days we give you praise and adoration, we give you thanks, praises and adoration. Lord we thank you because you are here right now and you have answered our prayers, we thank you Lord because very shortly we shall begin to see your great visitations, great blessings and great miracles, oh God be thou exalted forever in Jesus' name.

Lord your people have come before you to seek help and intervention, they have poured out their hearts unto you and Lord I ask that you visit everyone by mercy and begin to do everything they have asked you to do. Father move in your mercy and grant the request of your peoples unto them in Jesus' name.

I am praying for you as you have raised up your hand to connect with heaven, I decree let fire from heaven penetrate into spirit, soul and body right now. Let fire enter into your body, soul and spirit right now and let fire begin to release you from every bondage working inside of you, every bondage of darkness that is prevailing inside of you, every darkness that this prevailing inside of you, let fire go inside of you and begin to consume and destroy them all right now in Jesus' name.

I speak over your life that from today, you shall begin to seek the Lord with the whole of your heart. I prophesy that from today you shall love the Lord more than yourself, you shall love the Lord more than everything in this world, you shall love the Lord

more than finances or the blessings that come from the Lord. I prophesy that God shall give you a new heart of love in the name of Jesus

I am praying that every good and great door that the devil has closed against you this year, because you are in this meeting tonight, connected to this anointing, I decree let those doors begin to open right now in Jesus name. Every good and great door that is meant to lead you into your greatness that the enemy has closed against you, I command them to open right now in Jesus' name.

I come against every spirit of poverty prevailing in your finances, I bind that spirit right now and I cast out that spirit from your finances forever in Jesus' name.

I come against every negative utterance, negative prophecy that has been released into your life, every word that was spoken into your life that is not of God, I decree that those words are reversed right now in the name of Jesus. I terminate negative utterances that have been released about you, I terminate them all right now in the name of Jesus.

The Lord is telling me that some of you have exposed yourself to a demonic anointing, meaning that you have joined a ministry that is not of God or have attended a church or connected with a man or woman of God that is not of God, so now you are under the influence of a negative and demonic anointing. I therefore decree and declare by the authority of heaven, let demonic and negative anointing prevailing over your life and the affairs of your life, I decree that anointing is lifted from you right now in Jesus' name, you are free in the name of Jesus.

Thank you Lord blessed be the name of the Lord, receive strength to sin no more. Receive strength to praise the Lord, receive strength to do the will of God in the name of Jesus.

Everything that God hates in your life, receive strength to separate yourself from them all in the name of Jesus. Thank you Father because we know you've answered these prayers, blessed be your Holy Name, in Jesus' name it is done. In Jesus' name, the Lord has answered, Amen.

## **21 NOVEMBER 2020**

You preserved our lives, our children, our properties and our finances, you provided all our needs we are so grateful Father.

We thank you for what you are doing in this ministry, it is not by human power, human strength but by your spirit. Thank you for what you're doing in our lives, blessed be your Holy Name, we cannot thank you enough, thank you Jesus. We know that even tonight you shall do greater things, blessed be your Holy Name in Jesus' name we have worshipped and blessed Him.

## **PRAYER POINTS**

(756). Father let my life receive your visitation tonight, what you have come here to do tonight let me partake of it. Lord include me in what you want to do tonight because I know you are here already, Lord let me be a partaker of your visitation and blessing, help me to partake tonight. Oh God, I do not want to connect to this prayer

session and leave the same, Lord help me to have a special encounter, to receive a special touch from you tonight. Lord I refuse to be distracted, disconnected from this flow of miracles and help of God, connect me with the flow of heaven, the flow of strength, the flow of fire, the flow of revival, connect me with the flow tonight. Connect me Lord Jesus to that flow of your presence and power, I wanted to receive your touch tonight, I don't want to leave the same way I came, visit me Lord.

(757). There is a spirit that when it comes upon you and everyone that sees you, will just like you, they will just feel so good being around you, doing nice things with you, that is favour. They will be blessing you and will be so happy blessing you, even when they are helping you, they feel so good helping you, that is favour.

⇒. Raise up your right hand. Father let your presence that brings favour come upon me, let it rest upon me from tonight. Oh Lord your divine presence that commands favour to come to me, your divine presence that brings favour into my life, Lord let that presence come upon me right now. The divine presence of the Lord that brings me in favour with God and with men, that brings me in favour with everything that is created, Lord let this presence rest upon me, let it come upon me, let it remain in my life, let it rest upon my business

(758). You need God to establish a fountain of wealth in your life so that you will not wait for money to come but you will be making money, you are the one manufacturing it. It's the Lord who gives us power to make wealth, there is a power that possesses you and you begin to make wealth. You are not waiting for a salary but you are now the one manufacturing wealth, you need that establishment.

⇒. Father, establish in my life, calling, business, career a fountain of wealth. Fountain of wealth that springs forever, such that even my children's children will continue to reap from that fountain, will continue to drink from the fountain, Lord establish in my life a fountain of wealth. Lord build and establish a fountain of wealth, give me the power to make wealth, I do not want to depend on salary I don't want to depend on people for money but Lord, I will want you to begin making wealth spring-forth in my life, career and business, do with Lord Jesus.

(759). Christians are supposed to be better than unbelievers because we have a Spirit that makes us better. The Holy Spirit is the Spirit of excellence

⇒. Place your right hand on your head. Father fill me with the anointing of excellence, anointing to succeed in everything I do, anointing to excel in everything I do, fill me with that anointing right now. Lord fill me with the Spirit of excellence, to excel in everything I do, to be the best in everything I do, the best in my calling, career, business, the best in my gifts and talents, Lord fill me with the Spirit of excellence.

(760). When the Lord called me into full-time ministry, I responded fully with all my life, I left my job and went into full-time ministry. From that day I made a determination in my heart that if this is the only thing I will do with my life, I will do it

in such a way that I will be the best in it. I determined in the heart and the Lord put upon me the Spirit of excellence, so whatever I do now, God is magnified and glorified. When I teach or preach, God is magnified and people are surprised that they have never had someone teaching or preaching the way I do, but that is the Spirit of excellence. You are just good or best in what you do and it's not like you are competing with other people but you are just doing what you are doing the best way God wants it done.

⇒. Place your right hand on your head. Father fill me now with the Spirit of excellence that will make me the best in what you have placed me here on earth to do, that you have placed me here to become, Lord fill me with the Spirit of excellence. Lord, I receive the Spirit of excellency, I receive it. I received it, I received the spirit to excel, to succeed in my talents, career, calling and gifts and in everything I do for a living. Lord I receive the Spirit of excellence right now in Jesus' name. I decree with the authority of heaven, receive the Spirit of excellence right now from the Lord as it came up on Daniel receive it now in the name of Jesus. **\*I decree with the authority of heaven, receive the Spirit of excellence right now from the Lord, as it came upon Daniel, receive it right now in the name of Jesus.**

(761). Father connect my spirit with your Spirit and let your authority begin to flow, everything that proceeds out of my mouth, everything I say from my mouth, let your authority begin to flow in them. Let me speak with the same authority that is in you Lord, let my spirit be so full of your spirit such that I speak with the same authority that is in you, with the same authority that you command from your throne in heaven, let that same authority begin to flow in every word I say in prayer. Lord let my spirit merge with your spirit and let me have the same authority that you command, let me begin to command the same authority in my prayers and commands in Jesus' name.

(762). When you pray for the sick, the sick get healed, it's the Word that heals the sick, it's the same Word that raises the dead. When your words become the divine instrument, then miracles become too easy. Everything is by the Word, everything was created by the Word, everything will be transformed by the Word.

⇒. Father let the words of my mouth from today become divine keys that open doors. Every door the enemy has closed, let the words that come out of my mouth, whether I'm praying in tongues or using the scriptures, or praying with my understanding, let those words become keys that work miracles. Lord let the words that come out of my mouth become instruments of miracles. Lord make every Word that proceedeth out of my life become instruments that commands miracles to happen in people's lives, let it become miracles that changes lives in situations, let it become keys that opens doors, instruments that breaks limitations and divine instruments that levels mountains. Lord make the words in my mouth as powerful as they are in your mouth, I know you can do it, do it in me right now.

(763). I saw a picture of a man who had a wrist watch but that wrist watch is not of this world. It's like a heaven made wrist watch and the Lord was saying this is divine

timing. You need to be connected to divine timing and also to know when God is moving so that you get to move the same way He moves or stops. When you understand divine timing you will do the right thing at the right time, speak the right thing at the right time, go to the right place at the right time.

⇒. Father connect me with your divine timing, from today let all the activities of my life be regulated by your divine timing. Oh Lord, let the actions I take, the decisions I make, the activities I do with my life be regulated by your divine timeline, Lord connect me with your divine time, let me know what to do per time, what to say and when to say it. Lord connect me with your divine timing in the name of Jesus. \*I decree over your life that from today everything you will do on a daily basis shall be regulated by the time of heaven. I decree over your life that you will not be at the right place at the wrong time, I decree over your life that your actions and your move shall be regulated by the Spirit of God, it shall be controlled by the Spirit of God in the name of Jesus.

(764). Place your right hand on your head. Father left every manipulation of darkness, everything that the devil has done to change your glory in my life into something else, Father let your fire destroy such a thing. Lord every operation of darkness that is going on to change my life, change me into something different, going on to change my glory into something different, let the fire of God destroy such works of the devil, let such manipulation of witchcraft be destroyed in the name of Jesus.

(765). There are some people who are not living the life they are supposed to live but are living another life, a fake life. Some human beings have been manipulated in the realm of darkness and are now behaving like dogs, human beings have been changed in the realm of the spirit into something else. So physically we are seeing a human being but spiritually that person is an animal, that is why that person will keep on behaving and thinking differently. Even that person will know that this is not me because of what has been done in the realm of the spirit. If you are not living the life you are supposed to live, the glory of God will not rest upon you, if you were manipulated in the realm of the spirit, the glory which was created for you will be absent because you are not the person God wants you to be.

⇒. Place your hand on your head. Father, whatever the kingdom of darkness has done to change me into another man, to make me live another life that is not the life of Christ, to make me start behaving like another person I am not, Lord let such work be destroyed right now. Lord whatever has been done in the realm of the spirit that is making me to live another life, that is changing me into another person, Lord let that thing be destroyed right now. Every operation of darkness that has been done or is going on to change me into something or somebody else, let such operation be destroyed right now in Jesus' name.

(766). Father take me into the fullness of your power and let me become too powerful for the enemy to defeat. Lord translate me into the fullness of your power

and let me become too powerful for the enemy to overcome. Lord take me to that place in you where there is no defeat, where I am always victorious take me there Lord Jesus. **\*Lord I am asking that you take everyone into the fullness of your power, take them right now spirit, soul and body. I decree enter into the fullness of the power of God, where your life becomes too difficult to destroy, where you become too powerful for the enemy to overcome, let such happen to you right now.**

(767). The Lord is telling me that there is someone whom He wants to send in the lives of some of you, there is someone that must come into your life. Not two or three people but just one person and then what God wants to do will begin to happen. ⇒. Raise up your right hand. Father the person that will bring fulfillment of your promises for me at this time, the person that will connect me to the fulfillment of your prophecies, Lord connect me with that person, bring that person into my life. Lord that person that must be in my life for all that you have promised to begin to happen in my life, bring that person into my life. Lord, that individual that you must bring into my life for all that you want to do in this season, bring that person, connect me with that person. **\*The connection with that person that is going to bring to pass all the promises of God for you, let it happen right now in Jesus' name.**

(768). Lord the greatness of you, let it spring forth in my life and let it birth my miracles in this season. Lord let your greatness manifest in my life and let it give birth to my miracles. Lord let your greatness appear in me, my spirit, soul, body and situation, Lord before the end of this month, let it manifest in my life and let it release my miracle, let it bring to pass your promises in the name of Jesus.

## **2 CHRONICLES 20:10**

(769). The presence of God is what makes miracles happen. As a Christian the first inheritance that you receive from the Lord is His presence, the Bible says your body is the temple of God and God dwells in you. Anything that can successfully take away God's presence from you, that thing can destroy your life. If the presence of God can be taken away from you, then you are finished, but many Christians do not know this and that is why they cannot feel the presence of God or hear from God anymore. They don't see themselves connected to the Lord and they are just comfortable with that, which is wrong.

⇒. In the name of Jesus, I come against every power attacking my prayer life and spiritual growth, every power that is waging war against my connection with God, against my spiritual growth, spiritual walk with God, let the fire of God destroy them right now. Every power and principality in my life against my connection with God's presence, against my fellowship and relationship with God, waging war against my prayer altar, oh God, release your fire upon them, let your fire consume them all right now in Jesus' name.

(770). Another inheritance in God is your purpose, your calling. It is so important to know why you are here on earth because that is your purpose, that is your

inheritance. Every time God looks at you, what God is seeing is the purpose of why He placed you here. For those who don't know why you are here, pray like this.  
⇒. Father help me to understand the purpose why I am here on earth. Father make me understand the purpose of my existence, why I am still alive, why I'm still here on earth because this is my inheritance. To serve you is my inheritance, to live for you is my inheritance, Lord reveal to me this inheritance, why you made me a man/ woman, why I am still breathing, why I'm still alive, why I am here in this country, in this family that you have placed me in, Lord reveal to me the purpose. Reveal to me my divine purpose, explain it to me, show me the assignment you want me to do now.

(771). Divine purpose can only be revealed by God meaning that you cannot just assume or think it in your head, or maybe you feel like you studied something in school and you think that is what God wants you to do. Divine purpose is not according to your own wisdom. This purpose I'm talking about is not according to your human knowledge and interpretation of life but it is according to God's plan even before you were conceived in your mother's womb. God already determined what you will become or what you will be here on earth and it is important that you find out and understand what it is God created you for.

⇒. Father take me into the centre of your will for my life at this time not my will but your will, take me into the fulfillment of it. Lord I am not here on earth to do my will but I am to do your will. I am not here to serve myself or my own ambitions and interests, but I am here to serve you, to serve your will and purpose. Lord take me into the fulfillment of your will for my life at this time, not what I think is the right thing to do but what you want me to do, take me into those things in the name of Jesus.

(772). The blessing of the Lord is your inheritance. In the scriptures there are places which say 'blessed is a man..' anyone that is in Christ is blessed. I'm not talking about money because the first thing that comes into the mind of people when talking of blessings is material things but blessings are deeper than that. There's a blessing that rests upon you because you are in Christ, you are just blessed because you are in God through Christ. There are some things that will happen in your life because you are blessed.

⇒. Father let your blessing become visible in my life from today onward let me begin to see the wonders of your blessings, the realities of your blessing and let everyone see that surely I am blessed. Lord let your blessings become so visible in my life, let them become so real in everything I do, let them become so visible in my life. Things that blessings do, let me begin to see them all, the operations of your blessings let me begin to see them, the wonders of your blessings, let them begin to happen. Lord everything that your blessings commands, let those things begin to happen in my life because of your blessing that is upon my life.

## **VERSE 12**

(773). Jehoshaphat was so sincere and was praying with an open heart when he was asking God to stop the enemy because they were so powerless. Tonight the God of Israel will help you as you ask Him to help you because He is here.

⇒. Oh God of Israel, arise for my help at this time, arise for my help and let me be comforted. Oh God of Israel, arise for my help and let peace arise from my heart, let peace reign in my life, arise for my help and let me be delivered, arise for my help and let me be healed, arise for my help and let me have breakthrough, arise for my help and let me be promoted. Lord I look to you for help, arise for my help, arise oh God and help me because only you can help me now.

(774). Father help me and let me succeed, help me and terminate failure in my life, help me and end failure in my life. Let failure, disappointment and financial loss end, help me Lord Jesus and let me succeed.

(775). Father help me and let me not be put to shame, help me Lord Jesus and let shame end in my life. Help me Lord Jesus and let me not be disgraced, let me not be put to shame, help me Lord Jesus! Lord I know if you help me I will be comforted, I know I will not be put to shame, Lord help me now, help my ministry, career, life, family, destiny, and finances, help me in all areas of my life and never let me be put to shame.

### **VERSE 13**

(776). It says as they gathered there, the spirit of the Lord came upon one of them. In this season God wants to release His Spirit upon as many as many will seek him, seek His presence, tarry in His presence, there is an anointing for those kinds of people. There is an outpouring from heaven for those kind of people. I said in January, that the people who will wait for God this year, those who seek God in fastings, that a lot of things will happen to them, there will be a lot of transformation, empowerment, encounters and visitations from heaven. This year is almost over and I don't know if you have had your share of the fresh fire, fresh anointing, encounters and visitations? This will not happen if you do not seek God passionately.

⇒. Father as I give myself to seek you, before the end of this year, as I give myself to seek you in fastings and prayers, let your Spirit be poured out upon me. Lord let your spirit be poured out upon me, let your spirit fall upon me and let me be transformed, let your Spirit fall upon me and let me be endowed with power, and let me become an agent of revival to my generation, let me become a blessing to my generation. Lord let your Spirit come upon me this season like it has never before. A new dimension of your Spirit, let it fall upon me as I will give myself to seek you in this season, Lord let me receive visitations and encounters from you, visit me and change my life.

(777). The spirit came upon that man to reveal the mind of God. That man began to prophesy what was in the mind of God to the people. When the Spirit comes down it

comes to reveal the mind of God, it comes with revelations and without revelation there is no possibility for victory.

⇒. Father as I will give time to seek you in this season, let your spirit come down upon me with revelations, divine messages; revelations that will lead me to victories, let your Spirit bring them down. Let your spirit bring down the revelations to me as I give myself to seek you, even with the few weeks that remain in this year, let your Spirit bring revelations that I will follow to have victories, let your Spirit bring them down to me in the name of Jesus.

## **VERSE 15**

(778). I have had similar experiences with God and in most of those experiences especially those which led into divine encounters, those experiences came in moments where my own strength had failed, whereby it looked as if I was already defeated but I encourage myself with faith, that there is God in heaven, and in those moments when I began to look at the greatness of God, that is greater than what the devil was doing in my life, in those moments God showed up and darkness ran away. When it appears as if your own strength has failed, that is when the battle becomes God's battle. When it appears you are stuck, God has failed, all that you know how to do no longer works or not succeed, at that very moment that is when that battle becomes the Lord's.

⇒. Father let this battle that I have failed to win, that I have been failing to win, Lord let it become your battle tonight and let me see you appear in this battle for my victory. Lord this battle that I couldn't win up to now, Lord let it be your battle because where my strength fails that is where you come in. Lord my strength has failed, let this battle become yours right now, let this battle become your battle, let me see you manifest now and give me victory in the name of Jesus.

(779). The prophecy in this verse implies that your failure is not the end, the fact that you failed or were defeated is not the end, it means God is there in your poverty, sickness, troubles and pain, God is there. You need to start looking at your situation in a different way, don't see yourself as if you are wrong in that situation because as a child of God you are never alone. See it as God being there with you in that situation.

⇒.Father I acknowledge that you are with me and right here in my life and situations. Lord manifest yourself and let your light shine and let this darkness be lifted forever. Lord let your power manifest and let this problem be terminated. Lord I acknowledge that you are here, manifest now Lord Jesus. I acknowledge you are in my pains, difficulties, confusion, poverty, troubles, storms, failures and defeats, Lord arise now and let there be deliverance, let there be healing and miracles right now in the name of Jesus.

## **VERSE 16**

(780). This prophecy came with a direction. You need direction in the place of prayer, you need to know when to use the weapon of praise, when to pray in tongues

because it's not all the time you have to pray in tongues in prayer. You need to know when to do certain things you do in prayer because it's not all the times you pray the same way you have been praying or do certain things in a place of prayer because there is a way to do them because it takes the Spirit of God to give you directions ⇒. Father let your Spirit always be available to give me directions that will lead me into victories. Lord make your spirit always available to give me prophetic directions, divine directions that will lead me on how I should pray or what to do in prayer that will give me victory. **\*Beginning from today onward, you shall not lack divine direction. The grace of God shall rest upon you continually for divine direction in the place of prayer in the name of Jesus Christ and so shall it be in Jesus' name it is done.**

### **VERSE 17**

(781). Right there where you are, the Lord is with you and is saying you do not need to fight, I will fight, all you need to do is follow my lead. There are different levels of relationships with the Lord, that is so because Christians are not in the same level inside God. For you to go into the depths of God, there are a lot of things one must have overcome or sacrificed even laboured for, it is a process. I am saying this because the kind of God that will manifest in your situation is according to the kind of relationship you have with God. God will not manifest beyond the level you are in Him, your depth with your relationship with God will determine how He will help you when you need help.

⇒. Lord everything that I need to know to take a special place in your heart for me to become very close to you Lord teach me. Everything that I need to know and do to become your very close friend, teach me those things because I am willing to be close to you. Lord everything that I need to know about you in order for me to be very close to you, teach me Lord Jesus because I want to find a deep place in your heart.

(782). You need the Spirit of boldness, courage and faith because the spirit is very important to fight the kind of darkness that is upon this generation at this time. The devil would want to make you fear him but he is already defeated on the cross of Calvary. You are not supposed to be afraid of the devil because he is defeated, despite all that he does he is defeated. But you cannot just face him if you are not full of faith, boldness and courage that comes from the Holy Spirit.

⇒. Lord by your Spirit fill me with courage, faith and boldness for victories at this time, let me start seeing the greatness of heaven, the greatness of you in my situation. Lord fill me with faith, boldness and courage to go after the enemy and bring down the enemy, to destroy them all and consume them all. Fill me with such faith and boldness not to see and magnify the greatness of the devil but to see and glorify the greatness of God in the face of the devil, fill me with such faith and boldness at this time, thank you Father in Jesus' name.

## CLOSING PRAYER

Raise up your right hand.

Oh God of Israel, you are so faithful, we thank you for your visitation upon us tonight. We thank you Lord because this battle is no longer ours, this battle we have been fighting from January till this present time is no longer our battle, it is no longer the battle for your people, we thank you because you have made this battle your own battle tonight, oh God be praised forever in Jesus' name. Father as you have made this battle your battle, I ask oh God that right now, let your victory manifest in the battles your people are fighting. Lord the battles of the people under my voice right now, Father let your victory appear suddenly right now in the name of Jesus. Lord because we have handed over our battles to you tonight, oh God let your victory manifest and let the battle end right now in Jesus name.

I come against every battle of darkness that you're fighting in your body system, in the organs in your body, let the Lord God of Israel appear in your body, manifest in your body and terminate that battle right now in Jesus' name. Every battle you are fighting in your soul in your spirit, let the victory of the Lord appear and swallow it up right now in Jesus' name. I uproot every plantation of darkness inside your life, everything the devil has planted and is giving the devil victory over you, let that plantation be uprooted right now once and for all in the name of Jesus.

Every door that has refused to open since the beginning of this year for you, because you're connected to this anointing to this prayer session right now, I decree let that door open right now, by the hand of God let that door open right now for you in Jesus name.

I unlock whatever the devil used to lock up financial blessings from flowing into your life I unlock that flow right now, let financial blessings begin to come into your life excessively from tonight in Jesus' name. Your finances are hereby unlocked in the name of Jesus. I come against every waster and devourer that have been injected into your finances, let the fire of God find them and destroy them all right now in Jesus' name.

I come against every blindness that has been placed upon your physical and spiritual sight, I decree let the fire of God consume that blindness right now in the name of Jesus.

I command every demonic hand of the enemy that is working and carrying out operations in your life, I command, let the flaming sword of the Lord to cut off and consume that hand right now in Jesus' name. Every hand that is stealing from you let it wither by the fire right now in the name of Jesus.

Thank you Lord, blessed be your Holy Name, thank you Jesus, in Jesus name it is done. In Jesus name you have been helped, Amen.

(783). Father I thank you for your presence that is with me right now right here, I thank you because you will help me tonight. Thank you Father.

### 2 CHRONICLES 20: 18

(784). They got the prophecy from the Lord that they were not going to fight in that battle and He told them that He was with them, that all they needed to do was to go out in the morning in praises and He was going to fight for them. King Jehoshaphat feared God and revered Him a lot and he bowed down with his face to the ground. In Isaiah chapter 66 verse 1 you will see that the Bible was talking about a man that God looks at, the kind of man that gets God's attention and the Bible is saying to this man will I look, even to the one that trembles at my Word. The Word of God worked for King Jehoshaphat and his people because they honoured the Word of God. If in your life you don't honour the Word of God or you don't tremble at the Word of God or you don't fear God, the Word of God will not work in your life. Other people will be having testimonies but you will not have any because you do not honour God, honouring God's Word means honouring God. If you don't believe the Word of God it means you don't honour the Word of God.

⇒. Father in whatsoever way that I have dishonored the Word, despised your words, Lord have mercy upon me and forgive me. Lord I ask that you have mercy and forgive me for everything I have done, in my thinking, actions, speech; everything that I have done that means that I dishonored your Word, everything that I have done that means to have despised your words or not to tremble at your Word, Lord forgive me tonight because I want your words to work for me. Lord I want your words to come to pass in my life, forgive me for everything I did to dishonor, despise, disobey or downgrade the power of your Word, oh Lord have mercy upon me and forgive me.

(785). When king Jehoshaphat heard the Word of God, he received it with an open heart without a doubt. I wish God could take some of you into the event that happened in this passage, then you will know the situation that King Jehoshaphat

and his nation found themselves in, it was a terrible situation and it was difficult to believe prophecy in that situation. There were too many that came against Judah and Judah couldn't win over them but Jehoshaphat believed the prophecy, he received it with an open heart. If a prophecy is going to work for you, you must receive it with an open heart. Maybe the prophecies and promises of God have not been working in your life because you have not received them with an open heart or you have been doubtful.

⇒. Father forgive me for not receiving your Word with a heart of faith, forgive me for not receiving your Word with a right heart, but Lord I am ready to believe, I will believe you Lord. Lord forgive me for not receiving your Word as it is, forgive me for doubting your Word, Lord I am ready to believe and I will believe every Word. Lord I am ready to believe, I will believe and I believe tonight, every Word you have spoken to me through your servants, every Word you have said concerning my life in the scriptures, Lord with an open heart I receive it tonight, with an open heart I believe them, I receive them. Every Word you have released through your servants in my life, that which you have said concerning my life in the Bible, I receive them, I believe them in the name of Jesus, forgive my unbelief, I believe them.

(786). They were worshipping the Lord in a terrible situation, whereby many people would run away to other countries for a solution, but these people sought the face of God and will, they were worshipping Him in the midst of a great crisis, that was a great action of faith. I don't know why most Christians of today neglect God and we begin to run everywhere looking for solutions. When we should look for God and worship the Lord, we are running everywhere looking at how to fix your situation, when God is saying just come and worship me. That spirit that is always making you to always forget to worship God in situations, when God is already available, the fire of God will punish that spirit.

⇒. Raise up your right hand. Father let your fire destroy and remove from my life every spirit that makes me forget to worship you in the midst of my situations. Every spirit that makes me to forget you when I should seek after you, Lord let your fire banish that spirit from my life. Lord whatever spirit, darkness that is causing me to forget God when I should remember God, causing me to lose hope in God when God is waiting for me to run to Him, Lord let that darkness catch fire, Lord destroy that spirit. Every spirit that is bringing confusion upon me when I should worship God, every spirit bringing distraction when I should be worshipping the Lord, every spirit that is deceiving me when I should believe and worship the Lord, oh God let your fire arrest and destroy such spirit in the name of Jesus. Fire arrest and consume that spirit in the name of Jesus.

(787). There is a difference between worshipping God and worshipping Him in spirit and in truth. The Lord is saying that if you will worship me, you have to worship me correctly. When you worship Him correctly that is when the glory comes down, that is when power and victory comes down. When you do it in the spirit not in the flesh, or with negative emotions but in spirit and in truth. In truth means worshipping God with

a right heart and whatever you say in the place of worship it's coming from your heart, you mean everything you say in the place of worship.

⇒. Father give me the grace to worship you correctly in spirit and in truth. Lord give me the grace to worship you correctly, to worship you in the spirit and truth. Lord give me the grace to worship you correctly so that I will bring down your glory through worship, that I will bring down power and glory from heaven through worship. Empower me, help me, strengthen me, teach me to worship in spirit and in truth. Holy Spirit empower me, help me to worship in spirit and in truth. **\*From today, the anointing to worship the Lord in such a way that everytime you worship, the presence of the Lord comes down, the glory and power of God comes down. The anointing to worship correctly, let it come upon you right now in Jesus' name, receive that anointing in Jesus' name.**

### VERSE 19

(788). The prophecy came from verse 16 and from in verse 20 they obeyed. They marched out knowing that the enemy is more than them but they obeyed the instruction from the Lord and they took a step of faith. Some of you need to take a step of faith, rather than sitting down and believe the Word of God and let God do what He has said. Most times you have to take a practical step and you have to take the step connected to the prophecy or Word of God, not a step that is directly opposite. You need wisdom to take steps of faith that will give birth to your victory. These steps of faith are triggers of victory, until you take those steps your victory might never come for even up to 10 years.

⇒. Father, give me the wisdom, teach me to take steps of faith, practical steps of faith that will lead me to my victory. Lord teach me and lead me by your Spirit to take steps that will bring me victories. Oh God of Israel teach me steps of faith, teach me to take steps of faith and not sit down but to stand up, to take steps of faith that will trigger the manifestation of my victories, lead me by your spirit in Jesus' name.

(789). God is also saying the same thing as He said, that you should believe in the Lord God and you shall be established, and believe in His prophets and you will succeed. The Lord was telling me before the prayer session that I should tell you all to believe in him. He said the kingdom of God operates on earth by faith, God will not do anything except by faith. He says if they can believe I will help them. God is going to help you if you can believe Him against every doubt and impossible situation because He is not limited by anything but by your unbelief.

⇒. Father I believe, tonight arise and help me. Father I believe in you and I believe in your prophets, I believe in what your servant has said, Lord I believe in you, arise oh Lord and help me. Arise oh Lord, help my life, destiny, health, situation, finances and marriage. Arise and help me, arise and strengthen me, arise and make me prosperous, arise and provide for my needs. God I believe, Lord Jesus I believe, arise and help me, arise and deliver me.

(790). When the storm is raging, all you need is a strong anchor to be able to stand firm, that is what the Word of God does. Believing in the Word of God helps you to stand firm, when everyone around you is saying things are going down, you will be confessing differently because you're standing on the Word of God in the midst of storms and circumstances.

⇒. Father I stand on your Word, keep me victorious, keep me in victory, keep me strong. Lord I hold on to your Word, that which you have said in the scriptures, I hold onto your Word. Lord keep me standing in your words, keep me strong, I believe in your words, Lord let your Word work for me now. Let your word heal me, let your Word deliver me, let your Word give me victory, I hold onto your words right now, I hold on to what you have said. Let your word give me victory, strength, establishment and bring me victory tonight in Jesus' name.

(791). The Lord is telling me that some of you are currently confused. There is a wind of confusion blowing in your life and you don't know what to do, you are just confused. You don't know whether to go forward, backwards or sideways, you don't even know what to do.

⇒. Raise up your right hand. In the name of Jesus, I come against every wind of confusion that is blowing in my life currently, let the fire of God fall and destroy them, let the light of God descend upon me and swallow up that confusion. Lord let your fire fall and swallow up my confusion, every darkness of confusion that has covered my mind, heart; every darkness of confusion upon my situation, let fire fall and consume that confusion. I refuse to be confused, let the fire of God come upon me and let me find the right direction. Lord let your light shine upon me and let me find the way to follow.

(792). The Lord is telling me also that some of you have lost your strength to the enemy. You used to be stronger than the enemy but now the enemy is stronger than you.

⇒. Father I receive your strength, your word says the Lord is my strength. Lord, I receive you as my strength right now, make me stronger than my enemies. In the name of Jesus, I receive strength, the strength of God, the strength that makes God God, I receive that strength right now in my spirit, I receive it in my soul, I receive it in my body. The strength that makes God God, let it possess me right now. From today, I become the oppressor of my enemies, I rule over my enemies, from today I have complete dominion over my enemies, I am victorious in the name of Jesus. I rule over the forces that have been ruling over my life, I rule over them all now and forever in the name of Jesus.

(793). There are things which are going on secretly against your life and destiny. Secret operations of darkness you cannot see but they are going on, they are there and God sees them.

⇒. Raise up your right hand. Father let your fire locate every secret operation of darkness going on against my life and destiny, Lord you know where they are, let

your fire locate them and destroy them. Every secret demonic operation, secret satanic sacrifices, satanic rituals going on against my life and destiny, every secret witchcraft meeting, witchcraft agenda going on against my life, calling and destiny, let the fire of God find them where they are and consume them all in the name of Jesus. Secret wickedness of darkness, secrets demonic manipulations going on against my calling and destiny, catch fire in the name of Jesus. Secret operations of darkness going on against my health, finances, financial prosperity, catch fire in the name of Jesus.

(794). The Lord is saying is going to touch you right there where you are.

⇒. Place your right hand on your head. Father touch me by your mighty hand. Let your mighty hand come upon me right here right now and let your will prevail in my life. In the name of Jesus, let your mighty hand come upon me and let your will prevail in my body, spirit and soul right now in the name of Jesus. Touch me now Lord.

(795). Hand on your head. Father let your fire pass through me and let the yoke of darkness be destroyed. Fire of the Holy Ghost move right now and let every yoke of darkness be destroyed, chains of darkness be broken right now in the name of Jesus, let captivities of darkness be destroyed in the name of Jesus.

(796). When something great is going to rise from your life, the Holy Spirit comes upon you and gives birth to that thing in your life. No one becomes great except by the Holy Ghost, except by divine visitation.

⇒. Place your right hand on your head. Father right now let your Holy Ghost come upon me and overshadow me and let greatness be birthed from my life, let greatness be born in my life. Let the Holy Ghost come right now and overshadow me; spirit, soul and body. Holy Ghost spirit come upon me let victory be born, let strength and power be born in the name of Jesus. Let my destiny arise to fulfillment in the name of Jesus.

## **VERSE 21**

(797). In a normal battle you don't put singers in front of soldiers but King Jehoshaphat was a very wise man, he placed people who know how to praise God in front of the soldiers. This means that you should put God in front of your battles, you don't go ahead and say you know how to fight, you have the skill or you have the talent, King Jehoshaphat put God before the battle. Praise is the greatest weapon of spiritual warfare, that is why I will never skip to lead you to praise God on this platform. This is because I know the battle is not ours but the Lord's, so we must first put God before the battle. You must put God before you when you're fighting the enemy, you don't put God behind but you put God before you. Some of you need a special anointing to praise God because you haven't been praising God enough, that's why you haven't been victorious. Victorious men are men who know how to praise God. The principle of spiritual warfare is to praise God more than praying.

⇒. Father put upon me the anointing of praise, the anointing to praise you even more than praying. Father give me the anointing to put you before me in battles, the anointing to praise you in the midst of battles, to praise you even in front of my enemies, Lord give me that spirit of praise.

(798). Do you know how David killed Goliath? Some thought it was the skill that he had, but the skill was not enough though he knew how to use the sling and the stones to kill things or to have victory before. But when he was faced with Goliath, he knew that his skill was not enough and he began to magnify God in the presence of Goliath. By so doing, David killed Goliath before he slung out the stone. He killed Goliath in his praise because he praised God before Goliath. He confessed that he was coming against him in the name of the Lord God of Israel, he placed God before Goliath and that is how David won. And that is how King Jehoshaphat won in this battle, you should not let your situation take you out from God but learn to magnify God in the midst of that situation because God is greater than that situation. This is a biblical principle, for example, when you are faced with a cancer patient, if you magnify God before that sickness, cancer will disappear, you should not praise the devil above God in a situation, but you praise God above the devil and that is how you will win battles.

⇒. Father, help me to remember your greatness in every battle of life, help me to remember your greatness in every battle that confronts me, help me to remember that you are greater and mightier than all. Lord help me to remember that you are the great God of Israel, the rock of Israel, the Lord strong and mighty and that you are the Lord mighty in battle, you are the one who parted the red sea and that you are the greatest physician, you bring things out of nothing. Lord help me to remember your greatness in the battles that confront me in life, help me not to forget that you brought money out of the mouth of the fish, you fed the Israelites in the wilderness with angelic food when there was no supply for food. Lord help me to remember the greatness of your power in the midst of my battles, even in my dreams, help me Lord Jesus.

(799). The singers were giving thanks to the Lord in the midst of a deadly situation. I have seen Christians misbehave a lot when they are facing some negative situations, they talk anyhow to God as if he was their mate, that is very wrong. When you should be thanking God, you are murmuring instead.

⇒. Father I thank you and I will continue to thank you because you have been so faithful to me and my family. Father I am making a covenant with you that I will continually praise you no matter what happens in my life or what I will face, I am making a covenant with you that I will not stop thanking you. Lord I thank you because you have been so faithful, your love has been faithful, you have been so full of mercy, you have been gracious to me, I am making a covenant today that I will continually thank you irrespective of the situation that I will find myself in, or the calamities that will come my way, I will continually thank you Lord Jesus.

(800). On a particular day, I realised that I had not been thanking God enough and I started to look back at all that God had done in my life and I realised that I have been so much concerned about what I wanted Him to do than thanking Him for the things He had done. Most of us will make the same mistake of wanting God to do something for you now and not being grateful for all he has done before. All that God has done for you is far greater than that which you want Him to do for you now.  
⇒. Lord fill me with the Spirit of thanksgiving, to know how to thank you naturally in situations without being compelled to do so. Fill me with the Spirit of thanksgiving and praises, fill me Lord Jesus. Fill me Lord with the Spirit of thanksgiving, to thank you willingly because I know you have been faithful, to thank you from the depth of my heart, fill me with such a spirit.

## **VERSE 22**

(801). It says at that very moment they begin to praise God, it was as if God was waiting for them to begin to say sing, because breakthrough came immediately. That is what praise does, it works faster, it is one of the fastest spiritual weapons that brings victories. Victory came instantly against the enemy and they began to kill themselves.

⇒. Father I proclaim your greatness in the present battles of my Life, Lord let all my enemies begin to fight themselves. Father glorify yourself in my battles and let all my enemies begin to fight themselves until they destroy themselves completely. I Let all my enemies begin to fight themselves as I stand and proclaim your greatness in the present battles of my life and destiny. Lord let your greatness appear right now and let all my enemies begin to fight themselves as you did in this passage. Do the same tonight Lord against my enemies, in the name of Jesus.

## **VERSE 23 -24**

(802). They killed themselves to such an extent that no man escaped. If God could do this in those days, He can do the same again. God can move in your battles such that you will have complete victory and all your enemies will be crushed in pieces and there will be none left. Do you believe God for such a kind of victory?

⇒. Raise up your right hand. Father, move upon every battle of darkness confronting my life, marriage, calling, destiny, career, business and destroy all the enemies until none is left. Father move now against every battle of darkness that is confronting me, battles from my father's house, battles from my mother's house, battles from my family background, battles from principalities and powers, witchcraft realms, kingdom of darkness, battles from under the ground and sea, Lord move right now and destroy them all. Move and consume them all and leave no one alive, let them all be consumed.

(803). When I'm talking about battles and enemies, I'm not talking about human beings as your enemies, although human beings can make themselves your enemies, but according to the Bible we are not fighting flesh and blood, but we are fighting spiritual entities, demonic beings, that are not flesh and blood and they are

more terrible than flesh and blood. When you have dealt with the devil, you will know that flesh and blood is nothing, the devil is your real enemy. We are not fighting against flesh and blood but against entities who are more terrible than flesh and blood. You also need to know that your flesh (the power of sin in your life) is the most dangerous enemy of your soul and destiny. This nature of sin, adamic nature is the greatest enemy of your destiny and soul and if God will not destroy this one, then principalities powers and demons you will never be able to overcome them if you have not overcome the flesh.

⇒. Father, destroy completely the power of sin in my life, destroy the strength of the flesh in my life which is the root of sin in my life. Lord destroy this body of sin completely and let me be released into fulfilling my destiny, let me be released to please you forever. Lord destroy this body of sin, destroy my adamic nature, kill this flesh forever, Lord help me, release me to serve you in purity and in holiness in Jesus' name.

### **VERSE 25-26**

(804). Do you know that it is possible that God will turn your battles around, that when the devil plans to put you to shame it's turned around to favour you and will end up becoming a blessing to you. God can decide to use the same thing the enemy had planned to bring you down as the instrument for your lifting. Just as it happened in the book of Esther, the same person who planned the downfall of Mordecai was the same person whom the king asked to go and announce Mordecai and give him honour.

⇒. Father every negative situation that the enemy has created to bring me down to nothing, Lord use the same situation to lift me up into honour ,glory victory. Lord every situation the devil has created, every trouble, every evil the devil has created and is using to bring me down, Lord intervene speedily with your power, intervene by your angels and let the same situation be my stepping stone into greatness in the name of Jesus. Intervene Lord Jesus, use that situation to lift me up and announce my glory all over the world.

### **VERSE 27-29**

(805).\* I prophesy over the life of everyone hearing my voice now, that great victory from the Lord shall manifest in your life and everyone will hear of how God fought for you and they shall fear God in the name of Jesus. A great victory from heaven shall come upon your life, great intervention from heaven shall come upon your life and every shall see how God has fought for you and they shall fear God and so shall it be in the name of Jesus.

⇒. Father, use my present difficulties, darkness, suffering and struggles to announce the greatness of your power all over the world, to announce the greatness of your power in the face of my enemies. Lord use my present difficulties, challenges, pain, rejection, oppression, poverty and suffering and lack to announce your greatness in the face of my enemies, use it to announce your greatness in my life. Lord use my poverty to announce your riches, to show the world that a poor man can become

rich. Use my sickness to show the world that a person can suddenly be healed. Lord use my failures to show the world that a failure can suddenly become a successful person, Lord use my present situation to announce who you are to the world, in the name of Jesus. Thank you Jesus, in Jesus' Name.

## CLOSING PRAYER

Raise up your right hand.

King of glory, mighty God, we thank you for your faithfulness, we thank you for your love, we thank you for your interventions in this prayer session. We thank you because you so much love us that you heard us at this time and you intervened in our situations. Oh God be praised forever in Jesus' name. Lord, I thank you for showing the darkness in our lives, how great you are, thank you for showing the terrible witchcraft, how great you are, thank you for showing the devil and all his agents and hosts the greatness of your power and dominion, thank you Lord Jesus, oh Lord be glorified forever in Jesus' name.

Father I stand as your servant and I decree over the lives of your people, that every need they are trusting you for at this time, Lord I decree that let it appear in their lives right now in the name of Jesus. Every need that you and your family are trusting God for at this time, by the intervention of the God of Israel, let that need be supplied from heaven right now in Jesus' name.

I come against every agenda of the kingdom of darkness to cause you to cry in this season, to be sorrowful and weep at this time, I decree that that agenda is terminated right now in Jesus' name, that demonic plan is frustrated and cancelled right now in Jesus' name.

I come against every battle that has become too strong for you to win, but because you are connected to the anointing that flows in this ministry, let that battle be completely terminated and destroyed by the intervention of heaven right now in Jesus' name.

You are victorious in the name of Jesus, you shall succeed in the name of Jesus, you shall overcome in the name of Jesus, you shall move forward in the name of Jesus, you shall prosper in the name of Jesus, and you shall no longer be oppressed in the name of Jesus and you shall now be the one oppressing all your enemies henceforth in Jesus' name.

The mercy of God shall speak for you in the name of Jesus and the miracles that will terminate your shame and disgrace let them begin to happen in your life henceforth

in the name of Jesus Christ. Thank you Father because we know you have answered, blessed be your Holy Name.

I am praying for those of you who are sick in your bodies, right now, be healed in the name of Jesus. I command that sickness and disease to come out in the name of Jesus. Thank you Father because your people have been healed, blessed be your Holy Name in Jesus' name we have prayed, Amen.

**I am giving you a challenge that you should go to people that are sick in your environment and begin to proclaim the greatness of God before their sicknesses and begin to command the sicknesses to come out. I can assure you that as you take this challenge you are going to have testimonies of healing miracles, with God using you, because the anointing of this ministry will manifest right there and there will be healing. Begin to find those who are sick and proclaim the greatness of God before that sickness in their bodies and command the sickness to come out. By proclaiming the greatness of God, it is whereby you tell them that the power of God is greater than the sickness and disease they are facing and God is going to remove it and then pray for them and see what is going to happen. Believe His prophets and you shall prosper.**

## **PRAYER POINTS**

(806). Father, thank you for your mercy that has prevailed in my life, thank you because you did not consider my unrighteousness but you considered your love and mercy and you determined to help me at this time. Thank you Lord for your mercy prevailed in my life, I know I am not qualified for your help, I'm not qualified to receive your grace, your touch and blessings from you but your mercy has prevailed in my life, thank you Father for qualifying me by mercy. Thank you Father because by your mercy, I am qualified for what you want to do in my life in this season, thank you Father, thank you for your mercy that has prevailed in my life. Thank you for not judging me according to my wrongdoings but I thank you for remembering me by your mercy, thank you Lord Jesus.

NB: The Lord told me that He wants everyone of you to be strong and we are going to pray prayers centred on that message. He says we must be strong because if we are not strong we are not going to be able to stop the devil and darkness coming

against us and the devil will overcome us. If you are not strong you won't be able to stop the antichrist, the darkness of this age and He said if you can't stop the darkness, it will not only stop you but will definitely kill you. If we are not strong enough, the antichrist will successfully kill Christians, he will not only stop you but destroy your life. If you are not strong you will lose in this battle, because it is a very intense battle that we are fighting these last days.

(807). You need to confess your sins, not only confess your sin but you depart and repent from it because if you will not depart from that sin you will not find God's mercy and if God is going to help you to be strong He will help you by His mercy. For God to be able to help you, you must be able to confess and turn away from that sin. ⇒. Father I acknowledge that I have wronged you, I have sinned against you (mention all the sins you remember to have committed) Lord have mercy and forgive me, I am making a decision that I will forsake the sins, have mercy upon me, help me turn away from these sins and visit me. For that knowledge that I have sinned, I have lied, I have done wrong things I have spoken in anger, spoken negatively against people, Lord have mercy upon me. I have stolen things which are not mine, I have committed fornication and adultery (even through looking at the opposite sex through lusting after them is a sin). Lord please have mercy on me and forgive me, I am making a determination tonight that I will not go back into these sins anymore, I'm making a determination to turn away from these wicked ways and unrighteousness in Jesus' name. \*I decree that because you have confessed your sins and are determined to forsake them, let the blood which was shed on the cross of Calvary come upon your life right now and wssh you, heal you in the name of Jesus. Let the blood of the lamb of God that was slain flow into your life, flow upon you and wash you clean right now in the name of Jesus, and let all your sins be forgiven. Let mercy locate you tonight in Jesus' name.

### **DANIEL 11:31-32**

(808). It says that the army of the antichrist will take over the temple fortress. The Lord was showing me how much they have taken over the world and I saw that there is not a single thing that has not been taken over by the dark kingdom. Everything that you can see, even those that you cannot see have been taken over by the kingdom of darkness including the church, people's bodies, souls and spirits. They are making it difficult for the light to prevail but the good news is that the light will prevail.

⇒. Raise up your right hand. Father I refuse to be ruled, controlled and dominated by the dark kingdom, Lord let every strength the kingdom of darkness have over me be destroyed right now. Lord I refuse to be controlled by the kingdom of darkness, I refuse to be dominated, ruled and oppressed by the satanic Kingdom, oh God let every power they have over me be destroyed right now. Every power, strength the kingdom of darkness has over my life let it be destroyed right now in the name of Jesus. (Mention the names of your children and loved ones and pray). Every power and strength the kingdom of darkness has over my children, spouse, family

members let it break right now, let it be destroyed right now in the name of Jesus. All the power and authority the dark kingdom has over my life, finances, career and calling, let them be destroyed right now in the name of Jesus.

(809). The temple fortress is the place where God is or where God visits or meets with His people. Right now the temple of God is not a physical altar in a church but your body is the temple of God according to the scriptures. You are the temple of God, spirit, soul and body you are the temple of God. Back then it was the physical building but now we are the temple of God. Everything the antichrist is doing, the mark of the beast including the vaccine and the things they are doing to control people is to take over the temple of God.

⇒. Father everything the kingdom of darkness is doing to take over me, my body, my soul and spirit oh God let your anger strike them down, let your anger consume them. Every operation and activity of the antichrist, of the satanic Kingdom, marine Kingdom, demonic Kingdom that is meant to take over me, take over my spirit, body and soul, Lord let your fire and anger destroy those operations. **\*As you are praying God will be answering your prayers, there is going to be instant answers that's why you have to pray very well.**

(810). The antichrist is interested in your body, soul and spirit which is the temple of God, they are interested in you. They want to control Christians, they want to enslave people. Once they can control you it means they can enslave you and this means you won't be able to fulfill your destiny.

⇒. Lord my body is your temple, my soul is your temple, my spirit is your temple, let your fire and light arise within me and let every darkness be destroyed. Lord I release myself to you because I belong to you, I don't belong to the antichrist or any Kingdom or power and principality but I belong to you, Lord I yield my spirit, soul and body to you, let your fire and light manifest in me right now and let darkness be destroyed. Whatever darkness is in me, let your fire consume them all in the name of Jesus. Father let your fire destroy whatever is darkness is in me, everything that is not right, everything that is not of God, let fire consume it now in Jesus: name. Anything that is not of the light let it die right now.

(811). How do they plan to take over the temple of God? Through pollution. The kingdom of darkness has invested billions of dollars into polluting. To pollute something is to mix it with something that is not part of that thing to alter the originality of a thing. Once you are polluted, the goodness in you will die, the real you will begin to die because God didn't create you for pollution or for something else to be mixed with you. What you're watching on TV or seeing on the internet, the food you eat, what you are buying on the street is being used to pollute people, they have actually taken over everything.

⇒. Raise up your right hand. Father let your fire move through my spirit, soul and body and let every unclean thing be destroyed. Let everything that is not your will be destroyed right now. Father let your fire pass through me right now and purify me, let

me be purified by fire. Everything you do not want in me, let it catch fire right now, everything that is of the devil, every unclean thing, let fire pass through my spirit, through my body and soul and begin to consume them. Let there be refining right now as the gold is refined by fire, let me be refined right now in your fire, let me be purified and sanctified right now in the name of Jesus. Fire of the Holy Ghost, begin to move right now and let every unclean thing, however way it came into my life, let fire consume them right now. **\*Let fire do the work of refining, the work of purifying right now in the name of Jesus.**

(812).When God created us and every other thing He said it is good. There are good things in your life that have been killed by this pollution. Some people don't even know themselves anymore, they feel like this is not me or who I am? The things they find themselves doing in situations is not what they would normally do and they are asking themselves why they are doing things differently from the way they would have done. That shows how much goodness has been killed by the devil causing them to behave differently from who they originally are. The kingdom of darkness is killing the goodness of God in humanity and we do not know it because we are blind.The Lord is saying He wants to revive you again.

⇒. Father your goodness in me that has been killed by the pollution of darkness, oh God let it be revived again, let me be revived again. Father let me be revived again, let the real me come alive because this is not the me that you know. Lord let your goodness in me that has been killed by the pollution of darkness come back to life, let your goodness in me come back to life. Every good thing in me that has been destroyed by the kingdom of darkness, Lord bring them back to life and let me be revived again.

(813).The Lord is saying He wants to revive you again meaning that there are many good parts of your life that have been killed, some of which you know. You know the way you were before and you're no longer that anymore, even spiritually. It means something happened, you have been killed but the Lord is saying He's going to revive you.

⇒. Raise up your right hand. Father, revive me again, every goodness in my spirit, let it come back to life. Every deadness in my soul let it come back to life, every deadness in my body come back to life in the name of Jesus. Lord revive me again in Jesus' name. **Right now let revival by fire happen to you, revival in your body, revival in your soul, revival in your spirit, receive revival in the name of Jesus. Let every deadness be removed right now, let it be destroyed right now, let there be revival right now.**

(814). What I know about this pollution of darkness is until you disconnect yourself from the sources of these pollution, you might not actually be free from the dominion of darkness. The channel through which this pollution is flowing through into your life, it has to be cut off otherwise you will still remain under the control of the kingdom of darkness. Some of you know these channels very well and some you don't know

them. Even after prayer you need to go and cut off the sources of darkness that you know. You know the things which are opening the doors for the devil and you need to cut them off or else all the prayers we are praying will be wasted because the pollution will come back and it will be stronger than before.

⇒. Father, terminate and destroy every channel through which darkness is entering into my life, destroy them all especially the ones that I do not know, terminate and destroy them all. Every channel, every source through which the pollutions are entering into my spirit, soul and body, Lord let there be permanent termination, permanent destruction of these sources of pollutions, channels of pollutions right now in the name of Jesus.

(815). There are two important things that Christians must have in these last days. The first one is to have a discerning spirit, the second one is to have the Spirit of holiness. Holiness is a spirit, it is more than what you practice, though we practice it, it is more of a spirit more than what you become, what you are or do, holiness is first of all a spirit. You need the Lord to make your spirit a strong discerning spirit and a holiness spirit so that you will be able to know everything that is not of God. You need to be able to discern what is good and what is evil.

⇒. Raise up your right hand. Father I yield my spirit unto you, Lord make my spirit a strong discerning spirit and a holiness spirit, make my spirit too holy for darkness to enter. Make my spirit so strong in discernment to discern all the operations of the devil. Lord let my spirit become a strong discerning spirit, let my spirit become a spirit of holiness, let my spirit be able to identify darkness and reject it. Let my spirit begin to react to everything that is not right, to everything that is dark, everything that is unrighteous, ungodly and impure, let my spirit begin to react against them. Lord do something in my spirit that will be able to identify and reject everything that is dark, ungodly and unrighteous.

(816). When God was training me in the prophetic, one of the things He did was to build my spirit into a strong discerning spirit. He changed my spirit to a very strong spirit to an extent that I didn't need to see you but by just speaking with you on the phone or texting you, I will know if you were pure or not. Even by shaking people's hands, I will know if they are pure or not because there always is a reaction in my spirit against the spirit which was in them. Some of you there are people who you are not supposed to be talking to because the devil's entering into your life through those people, so you need a discerning spirit. Talking to some people is actually a problem, even listening to some pastors. That is why now you have to know which pastor to listen to or which one to say amen to because by just you saying amen it means you are agreeing with the prayer they have prayed.

⇒. Father give me the grace to accurately discern the right people to walk with at this time, the right people to have around me, the right people to talk to. Father give me the grace to accurately discern the kind of people I should keep around me at this time, the grace to discern the right people to embrace, the right people to partner with, the right people to mingle with, Lord give me the grace to know the people who

are agents of darkness and those who are puppets of darkness, people who are being used of the devil, whether they know it or not, Lord give me the grace to know these people. Lord give me the light of discernment, to discern the right church to fellowship at, Lord give me the grace to discern these things because I do not want to be controlled by the devil, I do not want to be defeated at this time. **\*I decree over your life, let an unusual grace, an uncommon grace, a mighty grace from the Lord come upon you now, receive the grace to accurately discern the right people to move with and to follow in the name of Jesus. In the name of Jesus, it is done, Amen.**

(817). Another thing which is important is the presence of God. The way out of this pollution is to walk in the highest level of God's presence. The kingdom of darkness has penetrated into everything, everything we eat or drink, even the air we breathe. You may ask how do we survive then? The Lord said if my people will come into a high level of His presence, there is a level in God's presence where all pollutions are destroyed, whatever it is that has been injected into your life, at that level they are destroyed automatically. This is the time we need the presence of the Lord the most and the funny thing is most of us are running away from the presence of God, we don't seek God's presence anymore which is our only hope at this time. I am not talking about the usual presence of God like we have in this meeting right now, but of a high level of God's presence where you can't feel yourself anymore, whereby you are completely out of this realm out of this physical dimension, that's the kind of presence I'm talking of. To defeat the antichrist you must know how to ascend into the high level of God's presence.

⇒. Father put upon me an uncommon grace, unusual grace, supernatural grace that will enable me to attain into the high level of your presence, into higher realms of your presence. Lord put upon me the anointing, the unction that will enable me to relate with you at a higher level, a deeper level than where I am right now, where I can't feel myself anymore. Lord take me to that higher level where I will fellowship with you, take me to a higher level in your presence, take me Lord Jesus through your grace. Take me into the depth of your presence in Jesus' name. **\*That place that is going to launch you higher and deeper into the deep depth of God's presence, let that grace come upon you right now in Jesus' name.**

(818). There must be a sacrifice on the altar for the fire to continue to burn, sacrifices might be going on. That is why God commanded and established daily sacrifices in the old testament. He told them that burnt offerings must be done everyday on the altar in the temple. As sacrifices are going on, the fire will keep burning and heaven will be opened and there will be connection between heaven and earth. The antichrist's agenda is to stop daily sacrifices. What are these daily sacrifices in the New testament? Romans 12:1-2, the daily sacrifices happen in your body, in your soul and spirit. How much you die to the flesh, that is daily sacrifice. You kill the flesh, the more you die to the flesh, the more the fire of the Holy Spirit keeps burning in your life and the more there will be open heavens over your life and the more the presence of God will manifest in your life. There's no other rule, way or law to having

the visible, glorious presence of God without daily sacrifice. If you stop dying to the flesh you cannot walk into the glory of God, it is not possible, even for open heavens. The antichrist has deceived a lot of people, they feel like you can always have God's presence even while you are still fornicating or committing adultery or doing sinful things, but this is deception, it is not possible.

⇒. Father, give me the grace to continually die to my flesh, die to this body of sin, give me the grace to present my body a living sacrifice. Lord give me the grace to continually crucify this flesh, to crucify my flesh, to always die to the flesh when I like it and also when I don't like it. Lord give me the grace to subdue the flesh, the grace to rule over my flesh and not the flesh ruling over me, the grace to overcome this flesh and have dominion over my flesh. Lord the grace to die every day to die to my will, sinful passions, carnal desires and lustful desires, Lord give me the grace because I want to walk in your presence and this is the only way to walk in your presence. This is the only way to walk in the spirit, there's no other way, this is the only way to live and walk under open heaven, there is no other way, Lord give me the grace for daily sacrifice, to deny my flesh, myself and please you.

(819). The second thing is a life of prayer, your prayer life is a daily sacrifice. The Bible says pray without stopping, if there is anything that is stopping you from praying, that thing is of the devil. Anything that can stop you from praying without ceasing, that thing is of the antichrist because that is what the antichrist came to do, to stop people from praying. I'm not talking about the prayers we always have in this session but I am talking about your personal prayer life. Anything that can stop you praying can destroy your entire life, calling and destiny because your life hangs on this daily sacrifice.

⇒. Father I refuse to be defeated in my prayer life, oh God deliver me from every captivity of darkness, from every captivity that has captured my prayer life, deliver me right now and let my prayer life receive fire. Let my prayer altar receive fire in the name of Jesus, let my prayer life receive the fire revival, whatever has captured my prayer life, Lord destroy that thing. Every captivity of darkness that has captured my prayer life, Lord, destroy that thing. Lord I refuse to be defeated in my prayer life, I refuse to stop praying and I refuse to be limited in my prayer life, I refuse to be stopped by the antichrist, now let there be deliverance in my prayer life, let me receive revival in my prayer life right now in the name of Jesus. Every darkness looming over my prayer life, let your fire consume that darkness, let every operation of darkness on my prayer life catch fire, every cloud of darkness over my prayer altar (your spirit man is a prayer altar), let fire consume that cloud of darkness right now with the name of Jesus.

(820). God and heaven demands more of your time, more than anyone in your life. Anything that is affecting your personal time with God, that thing is of the devil. Even if it is your job, if it has begun to affect the normal time you should spend with God, then your job is now an instrument of the anti-Christ.

⇒. Father, every activity I have embraced that has put a stop to my prayer life, placed a limitation on my prayer life, remove me from such activity. Every activity that does not glorify God, every time waster that I have embraced, Lord remove them from my life, remove me from them. Everything I have really embraced that is taking time from the Lord and me spending time with God in prayer, Lord remove such from my life, remove me from such a thing in Jesus' name.

(821). Another thing is fasting, though fasting is part of prayer it is more operational, meaning it carries a strong effect in the realm of the spirit. It makes you touch the realm of the spirit faster than normal prayer alone, it makes you have an influence on the realm of the spirit than just praying alone. There are different ways or kinds of fastings, so fasting is also part of the daily sacrifice. Christians are supposed to be people of fasting. I don't know if there is anything that has stopped fasting in your life, some people have medical challenges or health problems and they cannot fast but you need to ask God to remove that health problem so that you can fast because there are some breakthroughs that will never happen without fasting. If there's anything that is not allowing you to fast, that thing must be destroyed so that you can fast.

⇒. Father whatever is in my life that is stopping me from fasting, Lord destroy it, uproot that thing for my life. Everything that is stopping me from fasting as often as possible, Lord let that thing be destroyed from my life in the name of Jesus. God I want to fast, help me to fast, help me to add fasting to my prayer life. Lord give me the grace to fast because I know there are things which might never happen to me without fasting, some things might not shift in the realm of the spirit without me fasting. Lord help me, enable me to fast in the name of Jesus.

(822). Fasting is not only in you not eating and drinking but it also includes you not doing things that are not necessarily sinful, but you intentionally don't do them because you want to go deeper into God. When you choose to do those things because you want to go deeper in God, that is fasting. For instance, going out to greet a friend is not a sin especially if it's a friend who's not going to seduce you or draw you into sin, watching TV is not that sinful (depending on what you watch), spending time with your husband or family is not sinful but when you choose not to do these things because you want to go deeper into God's that is fasting.

⇒. Father help me to get rid of as many things as possible, so that I can get hold of you, so that I can get hold of all the fullness that is in you. Help me Lord to get rid of as many things as possible so that I'll be able to enter into the fullness of you, into the depth of you, to enable me to go deeper in walking with you and knowing you, help me Father in Jesus' name.

(823). Stand on your feet if it's possible and begin to move to and fro. In the name of Jesus, I walk into fulfillment of my destiny. In the name of Jesus, I break barriers, I break limitations, I walk into the fulfillment of my destiny, I walk into my success, I walk into my breakthroughs, I walk into abundance, and prosperity in the name of

Jesus. In the name of Jesus, I break barriers, I break limitations, I walk into abundance, I walk into plenty, I walk into prosperity, I walk into the riches and wealth, I walk into greatness in the name of Jesus. As I am walking right now, I am walking in grace, in power, glory, strength, victory, dominion, I am walking and I am prevailing. As I am walking I am trampling upon serpents and scorpions, I'm walking and I am I am succeeding, I am successful. I am walking into the fulfilment of my glory, I am walking into my glory.

(824). Still standing. Father, let my hand begin to receive everything you have for me this season, Lord make it easy for me to lay hold of them. Bring my blessings closer to me, for it to be easy for me to receive them. Lord without stress make it easy for me to lay hold of everything you have for me in this season. Lord without stress, without struggling or extra effort, make it easy for me to lay hold of every good thing you have for me in this season. Lord bring those things to my reach so that I will reach out my hand and receive them. Lord every blessing, every good thing you have for me, bring them close to my reach so that I can reach out to them and possess them and obtain them in the name of Jesus.

(825). Still standing. In the name of Jesus, let the fire of God descend and consume every power that is turning my efforts into fruitlessness. Every power, every demon turning my efforts into fruitlessness, let the fire of God descend and consume them all. Every power of darkness, turning my efforts into failures, blazing fire fall from heaven and consume them all right now in the name of Jesus. Every witchcraft manipulations, witchcraft activities turning my efforts into fruitlessness, let fire consume them all right now in the name of Jesus. Every environmental power, territorial power, environmental demon turning my efforts into fruitlessness, let fire fall and consume them all right now in the name of Jesus.

(826). (I want you to pray for someone that is very important to you. You have to mention the name of that person)

⇒.The present agenda of the kingdom of darkness against (name), whatever the kingdom of darkness is doing to destroy..., let that thing fail and let it never come to pass. [20/11, 09:41] Siphon D Masilela: The family, Apostle AA and all citizens of heavens in this group. Halleluya praise to God for allowing the establishment of this platform otherwise many of us especially me I would have been in a big pitfall leading into the kingdom of darkness but thinking full that I am doing it right. Like Apostle Paul and in his teaching and John in his revelation book in short it is the power of the holy spirit leading the writer or the leader that makes the whole book understandable and where the power is coming from. Sir AA what you are doing is quite good awesome excellent in the eyes of God and those who are willing to make it into heavens. Am extremely proud of you a man in earth who can teach, prophecy edit spend his time night day focusing on the word of God. I have spent so many months on the sideline spending quality time without saying Amen or commenting but consuming all the teaching in silent. Sir AA you have proven to be chosen by Him not the world. Administrators, dream interpreters, discipleship and other leaders you are building a good working force in the kingdom of God. I have seen the open light of heaven whilst I am here on earth. Thy kingdom come. Praise him halleluya continuously rewards are for us. As we work here on earth for God according to his teachings heaven is guaranteed. Amen.

[11/27, 12:36] Sister Morleen: I would like to testify that when an apostle said some of you have exposed yourselves to a demonic anointing, I heard clearly a name of one apostle that I was following. I was shocked and almost dismissed it, though I couldn't totally believe that she wasn't from the Lord, I had begun getting uneasy but was not certain. So when I heard this I thought maybe I should get into fasting about it. Then a certain sister told me the same thing about her, and then on Sunday all hell broke loose and people began to expose her on the group. I thank God for speaking here and later confirming it.

[12/15, 16:51] Apostle Alebiosu: There's a particular tooth in my mouth that has been shaking and it bleeds whenever I brush my teeth, I know that the line of action is for me to get it removed, I tried to forcefully remove it myself but it was painful and of course impossible, but I remembered I told God one day to help me remove the tooth.

As time goes by, I was planning to visit a dentist to get it removed but a voice told me saying "the tooth is meant to come out naturally by itself", So I believed and trusted God, the miracle is that, as I was brushing my teeth this afternoon, this tooth just fell off painlessly and naturally on its own, I was so amazed! It's indeed a miracle.

Before Christmas when people were buying christmas food I didnt have anything to buy for my family. We did a 3 days revival with the money that was in our hands(me and my husband). After that a Samaritan paid everything for us to go on a holiday in high places that even working black people cant afford,its the places that only white people afford. But the grace of God made me to experience that life for 5 days. After that they brought us a grocery of R4000 which is way much than our normal grocery,its a 2 to 3 months grocery. After that i receieved a new phone. Glory to God.

What was impossible for me and my family became possible in this festive season
