### THANKSGIVING PRAYER

Father, we thank you for your faithfulness, thank you for your grace and power that is sufficient for us, thank you for all you have done in our lives, what you're doing right now and thank you for what you're about to do very shortly. We thank you for the breakthroughs that you have given to us on every side, thank you for revealing the greatness of your power in our situations. Thank you for breaking our chains in pieces, thank you Lord for opening doors for us, thank you for the wonderful promises you have made, to give us a glorious future. Thank you Father for undoing all the evil works the enemy had done against us, thank you for destroying their wicked plans that were against us, blessed be your Holy Name, be glorified forever in Jesus' name.

We thank you Lord for your strength that is working in our spirits, souls and bodies. Thank you because through your strength we have victories, through your strength we have destroyed our weaknesses, through your strength we are able to overcome sin and temptations and are able to live a life that is pleasing in your sight.

Thank you for your faithfulness towards everyone of us in this ministry, thank you for your faithfulness towards each family represented in this ministry, thank you for how much you have helped us. Thank you for the help you have sent into our lives, the blessings you have released into our lives. Thank you for feeding us with spiritual meat that causes us to be strong spiritually.

Thank you for revealing to us revelations of your ways, of yourself and of your kingdom that are able to give us victories, success and a great future. Thank you for what you are teaching us at this time and for helping us to obey your truth, instructions and commandments, thank you Father be praised forever in Jesus' name.

Lord, we are here once again to pray. I pray that you may do wonders as we knock the doors, Father open doors unto us tonight; as we seek for your intervention, Lord in your mercy intervene with speed. Thank you Father because I know you shall do greater than our expectations in Jesus' mighty name.

## **PRAISE AND WORSHIP**

Ancient of days we worship you, we bless your name for there is none like you. Your power is too great to describe, your name is too great to be defeated, Lord we worship you. Who can stand against you and prevail, who can fight you and win? No one, for you are the Lord, you are the highest, you are the strongest, you are the wealthiest, the richest and the wisest. You are the holiest, the most Holy God, there is none like you Father.

You remain the same and you don't change, times and seasons change, governments and systems of this world change but you remain the same, you don't change, we worship you Lord. All power belongs to you, we worship your majesty, we thank you for who you are in our lives, thank you for what you're doing now in our favour. Thank you for what you will do tonight because you're going to touch us, heal us, deliver us, bless us and you will change our lives, you will redesign our destinies and give us a new story and a new history will begin in our lives. Thank you for who you are in our lives and who you will continue to be, blessed be your Holy Name in Jesus' name.

Thank you for your presence that is so full of power and is victorious, thank you because your presence is here as we pray. Thank you because by your presence our lives will not remain the same again, thank you Jesus, thank you Lord, blessed be your Holy Name in Jesus' name, Amen.

## PRAYER POINTS

⇒ Raise up your right hand. Father, let your visible and powerful presence be enthroned right here right now in my room, in my house office (or where ever you are praying in right now), your visible and powerful presence that authorises deliverance, that authorises reception of blessings, that raises the dead, let it be enthroned right here. Let your presence fall right here, let it be established right here right now in my room in the name of Jesus. Your visible, powerful presence that commands great wonders in the earth, that destroys darkness, let it be enthroned here right now in the name of Jesus.

⇒ Father, look at my life and remember mercy and help me by your mercy. Look at my life, my marriage, destiny, calling, and situations, remember mercy and help me. Lord let mercy prevail over judgement in my life, let mercy rule over judgement in my life. I know I have done so many wrong things but Lord look at my life, my situation and remember mercy, look where I am coming from and where I am today and show me mercy and help me by your mercy. Father let mercy prevail in my life and let judgement and condemnation fail. Show me mercy so that I can please you more, so that I can serve you better, so that I can do more for you and your kingdom at this time. Show me, my family, my children, my spouse, my calling mercy, look at my life and be merciful.

⇒ Father, make your will known in my life at every moment where I have to make decisions, let your will be revealed to me so that I may not sin against you or make mistakes. Father make your will known to me at every moment of my life, whether I have to leave my room or not. Lord, I want to be led by your spirit, when to speak and not to speak, when I am to travel and not to, let me always know what your will for my life is for that time. At every moment of choice and making decisions, let your will be revealed to me in Jesus' name.

⇒ Place your right hand on your head. In the name of Jesus, I come against every attack of darkness sent to confuse my life and the journey of my life, let the fire of the Holy Ghost consume them right now. Every attack sent into my mind, my brain to cause confusion in my life and to confuse my journey of life, catch fire in the name of Jesus. Every satanic attack, demonic attack, witchcraft attacks, marine spirit attack, every attack from the second heaven sent into my life to confuse me so that I will fail in my journey of life, so that I will make wrong choices, sent to confuse me so that I will sin against God, let fire consume them now. I refuse to be confused, I am a child of the light, I am a child of God's Kingdom. I refuse to be confused, deceived or misled. I receive light for clear direction in life.

⇒ Father, let every good thing that is dead in my life that has been killed by the enemy receive life and come back to life. Everything good in my body, spirit and soul that the enemy has killed, receive life and come back to life. Every good thing in my

career, marriage, calling, ministry, destiny, in my workplace that has been destroyed by the enemy, I command you to come back to life right now in the name of Jesus, receive life and come alive, receive life and come back to life in the name of Jesus. \*I speak over your life, whatever is dead in your body, any organ in your body that is dead or malfunction, whatever is dead in your spirit and soul, I decree that they come back to life right now in Jesus' name.

⇒ Raise up your right hand. I invoke the anger of God upon the determination of the agents of darkness to destroy my life, to hurt me, oppress me, let the anger of God attack them, waste them and destroy them. Whatever they want to do to me, let the anger of God divert it back to them in the name of Jesus. I invoke the anger of God upon every agent of Satan that is devising evil against my life, devising troubles for my life and destiny, let them carry the evil they're planning, let the evil they're planning against my life and destiny fall back on them in the name of Jesus. By the anger of God, let them receive back the evil they're sending to me right now in the name of Jesus.

⇒ I invoke the anger of God upon every daily ritual and sacrifice going on in the realms of darkness against my life, calling, destiny, career, marriage, let the anger of God waste them all. I call for the anger of God to waste all daily sacrifices and rituals going on in the realm of darkness against my life and all that concerns me, anger of God waste them all right now in Jesus' name.

⇒ Father let your mighty hand release my blessings that have been caged in the realms of darkness, release them right now. Father, command the release, for you are God in the light and God in darkness, you are God in heaven, on earth and under the earth, Lord command the release of my blessings that have been caged by the realms of darkness. Father, command the release of my spiritual blessings that have been caged, physical blessings that have been caged, Father command their release right now, let my blessings come to me. Father release them, release them by your mighty hand.

⇒ Raise up your right hand. Father, by the reason of your redemption power, let every darkness in my life be converted to light, let evil in my life be converted to good, let darkness in my life change into light automatically in the name of Jesus. Let weaknesses change to strength, captivity become freedom in my life in the name of Jesus. Father, by reason of your redemption power, let my darkness change to life light, let my problems become testimonies, let evils in my life turn to good.

⇒ Father by the reason of your mercy, command help to rise for me in places where there is no help. Lord by the reason of your mercy command help to rise for me in places where help cannot be found, where people cannot help. Lord command help to come from those places for you are God who makes a way out of no way, you are God who makes light to shine out of darkness, Lord make help to rise for me in the

midst of places where help cannot be found. Make helpers rise for me in the midst of places where help cannot be found, Lord Jesus command help to rise for me in the name of Jesus.

⇒ Father, let your greatness appear in my present life and situation and let the strength of the devil be crushed in pieces, let the presence of demons in my life be crushed in pieces. Let the greatness of God appear in my life, in my body, in my soul, spirit, environment, in my situations and let the strength of the devil disappear forever, let the strength of the devil be destroyed forever in the name of Jesus.

⇒ Place your right hand on your head. Father in every realm, spiritually or physically, where I have been defeated by darkness, let your greatness appear right there and let me be victorious and free. Father in every realm spiritually or physically where I have been prisoned by darkness, let your greatness appear, as your greatness appeared in the prison where Paul and Silas were caged and chained in, let that greatness appear in every realm where I am chained, enslaved and defeated and let me be victorious, let me break through and be free in the name of Jesus.

⇒ It is one thing to be victorious and another thing to remain in victory or to continue in victory. The strength by which you are victorious is different from the strength that you need to continue in victory. To remain in victory will demand more strength and power than to be victorious. Many people who were victorious have lost the victory and are now in deeper bondage because they didn't have the strength to maintain the victory.

⇒ Raise up your right hand. In the name of Jesus, I receive strength to be victorious and to remain victorious in every battle of life. I receive supernatural strength to be victorious and to remain in victory in my life and destiny in the name of Jesus. I receive supernatural strength, strength to remain victorious in life and destiny, to remain victorious all the days of my life in the name of Jesus. I receive supernatural strength, strength that is above human strength, strength that supersedes human strength. I receive supernatural strength to be victorious in battles of life and to be victorious all the days of my life here on earth.

⇒ I come against every power pulling me backwards as I am struggling to move forward, as God is helping me to move forward, let all those powers catch fire in the name of Jesus. Every power pulling my life backwards as God is pushing me forward, I come against you in the name of the Lord Jesus, be consumed by fire. As God is helping me to grow, every power that is bringing me down, catch fire in the name of Jesus. As God is helping me to grow in His knowledge, to grow spiritually, to grow to love and to fear Him, to grow to obey Him, every power that is drawing me back, catch fire in the name of Jesus. Let fire consume them all, let fire destroy them all in Jesus' name.

⇒ There's a glory of heaven that follows every child of God and your life should reveal such glory. What I mean is where you will see it yourself and also when the people around you see it they will get to know that you are different and they can feel that presence that is always following you because you belong to the kingdom of God. That is the inheritance that we have in Christ Jesus because Christianity is a supernatural lifestyle, it's an extra-ordinary lifestyle. Many of us are not enjoying the supernatural dimension of Christianity because we are too worldly, our minds are always after the things of this world and the glory of God cannot tolerate unclean things. Without this glory in your life you cannot walk in victory or maintain your victory.

• Raise up your right hand. Father, let your glory fall upon my life and enclose me in itself. Let your glory descend upon my life as it did upon the early church that I live in glory all the days of my life. Let your glory fall upon my spirit, soul and body, let your glory fall and enclose me in itself and let me remain in glory forever in the name of Jesus.

⇒ In the name of Jesus, I reject every darkness and uncleanness that is chasing away the glory of God from my life. Every sinful attitude, ungodly lifestyle, deposits of pollution in my life that is pushing back God's glory, I reject them, Father destroy them, uproot and destroy them all. I reject every uncleanness, pollution, every attitude that is pushing away God's glory, Father uproot and destroy them from my life. Lord, I don't want anything that is pushing you and your glory from my life, even the things that I love doing which are wrong, ungodly and unrighteous, Lord I reject them all right now, remove them from my life. Father I don't want them in my life, destroy them all, I want to walk in glory in Jesus' name.

⇒ When the glory of God comes upon your life it wants to have its way. The reason why the glory of God cannot stay in some believers or some churches which used to be so much on fire for God is because those people rejected the way of God. The glory of God does not want you to have your way. For you to keep that glory in your life it is by letting God have His way or else He will depart from your life. Since last year 2020, we have entered into the last days of the last days, we don't have many days left and because of that God wants to reveal His great glory so that many souls will be saved and He will be able to do many miracles because He knows Satan will multiply his attacks because his time is up. We are in the times of God's glory where God will appear physically and people will be seeing signs that this is God.

• Father, my life is open to receive your presence, your glory, come into my life and have your way. Lord my life is open for your glory, come in and have your way. I refuse to have my way, I want you to have your way in my life, come and have your way. Lord Jesus my life is open, come into my life with the fullness of your glory and have your way in my life. Have your way in my home, family, marriage, and community, Lord I am available for this glory, I want to experience your glory come and have your way, I don't want to have my way.

⇒When it comes to the glory of God, you need to be in alignment with heaven. There has to be agreement between you and heaven whereby you are thinking what heaven is thinking, you're reasoning in the same direction heaven is a reasoning, whereby you do things the way God wants them done, just as God showed Moses the pattern of the tabernacle as to how he was to build it. You need to live a life that agrees with the standard that God has set for your life to the point that you do not go beyond the measurements God has set for your life. It is not hard to experience God's glory if you live by the standard of heaven.

•Father, bring up my life to fall in line with your divine standard, divine principles, divine will, divine plans in the name of Jesus. Lord lift up my life to fall in alignment, correct my life so that it agrees with the measurements of heaven. Father let everything I do, everything I think in my mind, everything I say with my mouth begin to fall in alignment with the divine standard for my life, calling and destiny in the name of Jesus. When I am praying or fasting, let it fall in alignment with your standard, every spiritual activity I do, let them agree with your divine standard.

**The Lord is telling me that the reason why the devil has prevailed in many homes or families is because the parents did not train the children according to the standard of God. If you are a parent you must enforce the standard of God; which is everything the Bible teaches. Do not train your child according to the standards of this world but according to the truth in the scriptures, if you fail to do so you will not witness the glory of God.**

⇒Some Christians do not take God seriously more than they do their marriages, spouses or businesses .

•Father, let my heart be delivered from every stronghold of darkness not allowing me to take spiritual things seriously. Every stronghold that is making me not to take you seriously, to joke with spiritual things, to forget spiritual things, to despise spiritual things, Lord destroy those strongholds in my heart. Every stronghold in my heart that is making me not take prayer seriously, fasting or Bible study seriously, not to take meditation of the Word of God seriously, Lord destroy them all. Lord everything the devil is doing in my life that is not making me pursue after spiritual things, to seek after spiritual things, Lord destroy them right now in the name of Jesus. **\*As you have prayed this prayer, may it be so in Jesus' name.**

⇒Raise up your right hand. In the name of Jesus, let fire fall and destroy every creature of darkness attacking me with untimely death, let them die now in the name of Jesus. Creatures of darkness attacking me to kill me untimely, fire of the Holy Ghost consume them. Creatures of darkness physically or spiritually attacking my children, my spouse to kill them spiritually or physically, die in the name of Jesus.

⇒Father fast forward the manifestation of the answers to my prayers according to your mercy in the name of Jesus. Let the manifestation of the answers to my prayers

be fast-forwarded right now. The results of my prayer requests, the miracles that are answers to my prayers, Lord hasten their manifestations, let those miracles begin to happen with speed, let them no longer be delayed.

⇒Father, let your grace be sufficient in my life, let me be able to draw strength from your grace in the moment of weakness. Father, let your grace be so much in my life such that I can draw strength from your grace in the moment of my weaknesses, temptations and trials. Let your grace be so much in moments when I am tempted or when I am too weak to survive, to overcome or win in battles, or succeed over the enemy, Lord let me be able to draw strength from you in those moments. Lord let your Grace be sufficient for me that in my weakness that is when I am the strongest.

⇒It is possible for you to have light but that light is not strong enough. The kind of darkness that attacked the world five or many years ago is not the same darkness in this age. The darkness we are dealing with in this present time is so strong that if you are weak you will be defeated. There are Christians who used to be strong but are now so useless. This is not the time for you to be looking for sugar coated sermons but you need sermons that will correct you, mould you into the person you're supposed to be.

•Father, let my light be strong enough to defeat the darkness of this time, let my fire be strong enough to push back and defeat the darkness attacking this generation. Lord let my light be strong enough, let my fire be powerful enough to push back and destroy the darkness attacking this age in the name of Jesus. Father let my light be strong, my fire be strong enough for victory at this time.

⇒Most of us have disappointed God so much that He is planning on changing what He promised us. The Bible says the little that you have if you're disobedient will be taken away from you and will be given to the one that has much, who is obedient.

⇒Father, do not change your mind concerning what you have promised me, remember your promises and bring them to pass in your mercy. Lord, do not change your mind concerning the wonderful plans you have for me, for my life and destiny, I know I have wronged you but Lord show me mercy and give me another chance and let all your promises come to pass. Show me mercy and bring to pass your plans and promises for my life in the name of Jesus, do not change your mind in Jesus' name, Amen

## **CLOSING PRAYER**

Father, we thank you because you are a faithful God. We thank you for your grace that is sufficient for us. Thank you for the power of your presence that you have made available right here tonight. Thank you for your determination to help the lives of many of us, to change our lives for good, thank you Father, be praised forever in Jesus' name.

Oh God, I ask as your servant that you show your people mercy, as many have partook of this prayer session and have cried out to you from the depth of their hearts. Lord beyond what they are expecting you to do, Lord bless them beyond expectations in the name of Jesus. I ask Lord that you give them an obedient heart, a heart that fears you and is willing to come up to alignment with your standard, with your ways, and your will, Lord give them such a heart for this in Jesus' name.

I am praying for you that you will not forget God after you have enjoyed God's miracles and blessings. Just as the Israelites forgot God when they got into the land flowing with milk and honey and excess blessings for them to eat and spend, they forgot God and started serving other gods. I pray for you that you will not be like the Israelites, you will not forget God in the name of Jesus. I pray that you will remember your Creator, you will remember to love Him, please Him, serve Him, honour Him, preach to people about Him all the days of your life in the name of Jesus.

I come against every kingdom of darkness that is claiming possession and ownership of your life, that is saying you belong to them and you don't belong to God, I decree that the anger of God fall upon them and destroy them. I claim you for God's Kingdom, I claim you for light, I claim you for Jesus because you belong to Jesus and so shall it be in the name of Jesus.

Those of you who are sick in your bodies and the doctors have told you this is your problem, I reverse the doctor's report and I decree that you are healed in Jesus' name, you are delivered in Jesus' name. I thank you Lord because you have answered, in Jesus' mighty name I have prayed, Amen.

## **06 NOVEMBER 2021**

### **THANKSGIVING PRAYER**

Thank you for your love, for your blessings, thank you for providing for us in the areas where we needed provisions. Thank you for making all things work together for our good and for giving us peace at those points the enemy had let us down. Thank you for the battles you have conquered for us, thank you for the strength you have given to replace our weaknesses oh God be glorified forever in Jesus' name.

We thank you for the opportunity to know you, to be called by your name, thank you for the privilege to be saved from sin and eternal destruction, thank you Father, be glorified forever in Jesus' name.

## **PRAISE AND WORSHIP**

Father, we worship you. In wisdom you are the highest, in power and authority and greatness you are the highest, in strength, victory, dominion you are the highest. In glory, knowledge and understanding you are the highest, there is none higher than you and no one can ever be. We worship you King of glory, you are the Almighty God. All power belongs to you, blessed be your Holy Name.

Thank you for what you have done, for what you're doing and what you're going to do for us, thank you Jesus. Thank you Jesus for your presence in our lives, thank you for all you have given to us because of your love and mercy. Thank you Lord, in Jesus' name we have given Him thanks, Amen.

## **PRAYER POINTS**

⇒ Father, thank you for your faithfulness in my life since the beginning of this year from January to this very hour of my life. Thank you for your faithfulness towards me, my family, my home, and marriage. Thank you for your faithfulness towards my children and my grandchildren. Thank you, since the beginning of this year you have been taking care of me, providing for me, taking care of my needs, protecting me, you have preserved my life, thank you Jesus. From January till now you have done great and wondrous things, thank you Jesus, no one is missing in my life or suffering incurable diseases.

⇒ Father, thank you for the wonderful promises you have made for my life and I thank you for you shall bring them to pass. Thank you for the wonderful promises you have written in the scriptures concerning me and you shall bring them to pass. Thank you because I can trust your promises and receive their manifestations. Thank you because I can trust your promises, visions and revelations because you will do as you have said, as you have revealed thank you Jesus.

⇒ Father, thank you for the covenant of faithfulness that you have established with us in this ministry. You have established your covenant to answer prayers in this ministry, you have committed yourself to answer our prayers. Thank you Jesus for your everlasting commitment to always hear and answer our prayers in this ministry. Thank you for this covenant of faithfulness that you have established with us in this ministry. Thank you Lord because your presence in this ministry is everlasting, full of power, Grace, signs and wonders; it is full of great results and answers to prayers, thank you for this privilege, Grace and mercy.

⇒ Place your right hand on your head. Father by your mercy, let me not be excluded from what you're doing at this time, include me in what you are doing at this time. Include me in what you're doing for the revival, transformation of lives, include me in the things you are doing to change and revive people's lives and destinies. Lord let me not be excluded from your wonderful plans for the church at this time, for the mighty move going on in the church at this time. Lord, include me in all you're doing in the midst of your people at this time. Include me to be a partaker of what you're doing, the great works of revival, transformation, deliverance, healings, miracles, soul winning on earth at this time. Lord, let me not miss out on what you're doing at this time.

⇒ Father, bless me with a blessing that commands blessings from every corner of the earth. Father, bless me with a blessing that draws blessings from every corner of the earth, a blessing that commands blessings from everywhere on earth. Father, bless me with a blessing that attracts blessings from all corners of the earth into my life, career, ministry, destiny, calling and marriage. Bless me with all the blessings as you blessed Abraham and Jacob.

⇒ One of the categories of blessings that commands blessings are spiritual blessings. Most of the time you are praying for physical blessings but there are blessings which are greater than physical blessings, those are spiritual blessings.

- Raise up your right hand. Father bless me with every spiritual blessing that is in your Kingdom, that is in Christ Jesus, I am available for them. Lord, I open up my heart to receive these kinds of blessings, I open up my soul and spirit to receive these kinds of blessings. Lord, I want spiritual blessings to flow into my life from your throne now in the name of Jesus, release them now.

⇒ If you are a child of God, you should have abilities of God in you, meaning you should be able to do what God does, be able to manifest things that are in God, the nature, character strength etc that is in God. When you got born again, you received an inheritance that is similar to angelic beings in heaven. You received a nature that is a divine nature, that has in it supernatural abilities and as a child of God that nature or ability needs to manifest in life.

• Place your right hand on your head. Father, let your divine abilities in me; your supernatural abilities and nature in me arise and begin to manifest, let them manifest to me and everyone around me. Lord let your abilities in me arise and speak. The supernatural abilities and nature in me, I call them forth in the name of Jesus. That which is born of the spirit is spirit, Lord you gave birth to me, therefore let my divine nature come alive in the name of Jesus. Father I am your child, let my spiritual and divine abilities come alive and begin to manifest from this hour onward in Jesus' name.

⇒ When we talk about spiritual gifts, we talk about what happens when God begins to use you to bless people spiritually. The manifestations of the Holy Spirit through a man, those are spiritual gifts. It is important to talk of transformation of believers into a person that they are in Christ Jesus when we talk about spiritual gifts. The ordinary you is to change to something above ordinary when you become born again. To function powerfully in spiritual gifts, you first must be changed into the person that you are in Christ Jesus. Your spiritual eyes and ears are very important to the Holy spirit.

• Place your right hand on your head. Father, change me into the person that I am in Christ Jesus, I know that person is not a natural man. Father let me transform into the person that I am in you. Lord, change me by your power of resurrection, by the power of the Holy Spirit, change me into the person I am in Christ Jesus, let me begin to live like that person, see, hear and operate like that person that is in Christ Jesus.

⇒ How will you see what God is showing you if the eyes of your spirit or spiritual senses are not yet awakened? Until they awaken, there are many things that will remain a mystery in your life forever, you might not be able to fulfill your destiny.

• Raise up your right hand. Father, release a strong anointing into my life that will make me to be fully awakened to you and heaven and to everything happening in the realm of the spirit, such that nothing happening in the level of the spirit will be hidden from me. Father, release a strong anointing into my life that will not stop working until I am fully awakened to the realms of God and heaven, until all my spiritual senses are fully operational. Lord send that strong anointing into my life such that my mind is awakened to the knowledge and understanding of the Spirit, Lord help me by your anointing.

⇒ The kingdom of darkness has invaded many of the good things that God created good. They have altered and are changing the goodness of the earth into evil. Most of the things you see with your physical eyes are not real, they have lost their

originality. Some of it is now fake including human beings, because all the goodness of God in them has been destroyed by the dark kingdom. The only way you can be connected to the original reality is when your spiritual personality is fully awakened. You cannot afford to be guided by your physical personality. You need to see who people really are and the darkness behind the things happening around you.

•Father, I don't want to be deceived, I want to see things from the spiritual perspective, I want to see things like a spirit not like a human. Father, give me the grace to communicate with my environment from a spiritual perspective and not from the physical perspective, to interact with spiritual wisdom. Lord give me the Grace to relate with things around me as a spiritual being not as an ordinary man. Give me the Grace to be able to understand things around me with the mind of a spirit and not a human mind. Give me the Grace to be able to discern the originality of things in my mind, to be able to discern who the people in my life are, to discern what the things I have seen physically really are.

### **PSALM 68:12**

⇒Father, visit every battle confronting my life and destiny in your anger and let my enemies flee before you, let such battles be destroyed and end. Lord visit every battle confronting my life, calling, career, marriage and destiny, visit them in your anger and crush my enemies, defeat them with a great blow. Lord scare the enemies, appear in every battle fighting my life, career, marriage and let them run for their lives, appear as a terrible God and chase them away. Lord, appear till all my enemies are completely destroyed.

⇒One of the things that makes the enemy to run is when the weapons they are using against your life are no longer working

•Father, manifest yourself in the camp of the enemy and destroy them, let all their weapons stop working. Lord the weapons they have been using to attack me successfully, render their weapons useless and powerless, disarm them of their weapons. Lord, attack and destroy every enemy that has positioned themselves against my life, every enemy that is attacking from afar or at a close-range, attack them now and disarm them, render their weapons useless, let all their weapons stop working against me. Their weapons can work against other people but when it comes to me, let them never work in the name of Jesus. Attack and disarm them, witches and wizards, marine spirits, every form of energy that is against my life, Lord go against them and disarm them such that whenever they try to attack me, their weapons fail in the name of Jesus.

⇒If you fight strongly in spiritual warfare and win, you will have more than you deserve. During ancient battles the winning army always went back with more spoils than they spent to fight.

•Father, equip me with the strength to fight and win battles and go back with many benefits of victories that I will be able to possess and enjoy, to go back with a lot of benefits of victories. Lord, equip me with strength to fight and win and recover more

than I have lost, that I recover more than the enemy has stolen from me, equip me so that I recover more blessings than I can imagine. Lord equip me with strength for such a dimension of victories.

⇒The more victories you get the better your life is. That is why you must always be determined to always be victorious. It's important to win battles, not just to fight alone. As a prayer warrior you must pray a lot and not stop praying on a daily basis until you feel breakthrough or victory. Heaven is looking for Christians who will do all it takes to win battles, putting all efforts to win battles. The more battles you win, the greater and stronger you become.

•Father, teach me to fight and win battles, to fight everything that is dark that is an enemy to my life and destiny, teach me to fight and win them all. Teach me to win all manner of battles in all manner of realms, whether it is in the heavenly realms, on the ground or under the ground. Lord teach me to win battles coming from any realm, Lord teach me to fight and win.

⇒There are many things that God has put in each day for you to enjoy but if you are not a prayer warrior you will not be able to access the goodness of God in each day. To a warrior, everyday is good, he doesn't know any bad day because he knows how to access the goodness of God in each day. If you don't fight the powers that are controlling each day of your life, you will not be able to access the goodness of God that God has placed in each day for you to enjoy.

•Father, ignite in me a great fire that will make me victorious over the forces of darkness controlling each day of my life. Ignite in my spirit, ignite in my soul and in my body fire that is so strong that will enable me to overcome forces of darkness controlling the days of my life, Lord put in me such a fire. Lord let such a fire burn in my spirit that will be able to destroy forces of darkness, let such a fire begin to spread out for victories in the name of Jesus.

⇒When you are always under the presence of God you will never be bored or ever be lonely. The secret of victory is having the presence of God all the time. If you can keep God's presence with you all the time then you are a great warrior and victories are sure despite fighting for a long time.

•Raise up your right hand. Father change everything in my life to always house your presence, change everything in me and around me to always accommodate your presence so that I can live and walk and enjoy victories. Lord change everything in my life to house your presence, to accommodate your presence. Change everything in my environment, the kind of friends I have, change the life that I live, the things I read or study, change the thoughts that I think, the things that I watch, Lord change everything in my life to allow your presence to stay with me forever so that I can walk in victories. Change everything in my life to accommodate your presence forever in Jesus' name.

⇒Father, I refuse to partner with darkness, to partner with the enemy, open my eyes to see whatever I am doing ignorantly that is binding my life with darkness, open my eyes to see them that I may get rid of them. Father I refuse to join hands, to join spirits with darkness, open my eyes to discover whatever I am doing ignorantly that is binding me with darkness or demonic realms, Lord show me that I may get rid of them. Lord show me whatever I'm doing to give access to darkness to rule my life, to pollute and control my life, Lord let me see these things and get rid of them.

## **VERSE 12**

⇒Women usually did not go to battles but there are some here gathering the spoils, what this verse is saying is God wants to fight for you such that you will not have to do anything. Sometimes God does two things, it's either God will give you His strength to fight as if God or He will just tell you to sit down and fight for you.

•Father fight for me and let me celebrate great victories at this time in the name of Jesus. Father fight for me with all that you are, with all your strength that I may celebrate great victories at this time. Fight for me those battles I have fought and have not been able to win, Lord fight for me battles which are yours that are not mine, Lord step in and fight for me that I may celebrate great victories. I know there are battles that are not mine to fight, Lord fight such battles in my life because I want to praise you and celebrate your victory.

## **VERSE 13**

⇒This means that God descended on kingdoms of darkness in such a way that they left many of their things and ran, even as they were running many of their things were falling and the people of God had many treasures to take for themselves. There are so many blessings and spoils after you are delivered.

•Raise up your right hand. Father, release your fire and destroy every captivity of darkness that has kept me far away from my blessings, it is time for me to possess my possessions, it is time for me to lay hold of my blessings. Lord release fire, release fire, destroy captivities and limitations that have kept me far away from my blessings for many years. It is time for me to possess my possessions and lay hold of my blessings, Lord release your fire and destroy those captivities.

⇒Those in sheepfolds, means that there are some places where you would not expect to find blessings or treasures but because God fought for Israel and He got them great deliverances. When there is great deliverance you will enjoy many blessings.

•Father let your fiery angels invade every kingdom of darkness that is holding my treasures and blessings captive, and destroy them. Father let your angels of fire invade every kingdom of darkness holding my blessings and treasures, holding my progress, marriage, wealth, breakthroughs and answers to my prayers captive, let your angels of fire invade those realms, those kingdoms of darkness and let my blessings be released to me in the name of Jesus.

⇒The Lord is telling me there's something that must happen to you before you lay hold of these blessings or rip these benefits. Something victorious and significant  
•Place your right hand on your head. Father everything that needs to happen to me before I begin to lay hold of my treasures and blessings, Lord let them happen to me. Lord miracles, transformation, visitations, encounters, empowerment that must happen to me for me to lay hold of the blessings and treasures that are mine in the realms of the spirit, in the realm of the physical, Lord let these things happen right now. Every enlightenment, deliverance that must happen to me before I lay hold of blessings and treasures that are mine in the visible and invisible realms, Lord let them happen now in the name of Jesus. Miracles that must first happen before others will follow, Lord let them happen now in Jesus name.

#### VERSE 14

⇒Father release your lightning and thunder into the camps of the enemy that have joined together to fight my life. Father, release your lightning and thunder into camps of darkness, camps of enemies, webs of darkness, networks of darkness, networks of enemies that have conspired together to attack me, release lightning and thunder from your throne, let them explode into ashes, let them blow into ashes. Lord rain fire upon them, rain lightning and thunder on them and scatter them forever in the name of Jesus. Every network of darkness, every web of darkness, every network of demonic creatures, demonic beings, every witchcraft network that have conspired together to fight my life, calling, marriage, ministry, destiny oh Lord release your lightning and thunder and let them scatter forever, let them explode into ashes. Every network of agents of Satan, creatures of Satan - human or animals that have joined hands together to fight me and my destiny, Lord release lightning and thunder upon them and explode them into ashes.

⇒Father by your mighty hand, set me on a platform from where I will continue to rise and never go down, where I continue to increase and never decrease, where I continue to go up and never come down. \*Lord set everyone on platforms where they will go up and never come down, where they will begin to rise and never go down in the name of Jesus. Lord set your people on platforms where they will begin to rise, increase and never decrease all the days of their lives in the name of Jesus.

⇒I am born for greatness and success therefore I walk into greatness and success right now. I am born for greatness, I am born for success therefore I walk into success, I walk into greatness in the name of Jesus. I am born for great achievements, I am born for great prosperity, I am born for great success therefore I walk through them all. I am born to fulfill destiny, I am born to do what God has called me to do, I am going to break limitations, I am born for victories, I am born to have dominion therefore I work in victory, success, goodness, and prosperity. I walk into my greatness, I walk into my success in the name of Jesus.

⇒Every evil plantation that is causing evil and failure to prevail in my life, causing wrong things to happen in my life, Lord, cause your angels to uproot them now. Wherever they were planted, however they were planted, Lord release your angels to begin to uproot them. Every plantation of darkness troubling the affairs of my life, my destiny, troubling my days and is not allowing me to enjoy the good days of my life, Lord assign your angels to uproot them all in Jesus name, Amen.

Thank you for the great success you have authorised for everyone, our God be glorified forever in Jesus' name.

Lord these are your people and they have faith in your power, I ask oh God that you touch them with your power and change their lives for good in the name of Jesus. I am praying for you that the power of God may touch your body right now in the name of Jesus. Everything that must die in your body, let the power of God touch them and kill them right now. Let the power of God touch your body and spirit and let there be an explosion of the Holy Ghost and let every dark thing die, every unclean thing die, every sickness and disease die in your body, soul and spirit. Everything that is ungodly and unholy, everything that is against God, against peace and the light, I command that they die by the power of God in the name of Jesus.

I come against you, you spirit of darkness that will not allow God to touch His people, catch fire in the name of Jesus. Every darkness that is covering your head and it does not want God to touch you, fire of the Holy Ghost consume them all now in the name of Jesus.

Every demonic hand claiming possession of your life, claiming control over your life, let the fire of the Holy Ghost consume that hand in the name of Jesus. Let such a hand melt by the fire of the Holy ghost.

You shall excel in the name of the Lord Jesus, you shall prosper in the name of Jesus. It is written that it is not for Jacob to seek God in vain, you have sought the Lord and you shall see God in the name of Jesus. In those areas where you have searched for God and cried for His help, let God appear to help you in the name of Jesus. Thank you Father, blessed be your Holy Name.

Every spirit that is poisoning your mind against the truth and against God's presence, let fire of the Holy Ghost arrest them now and consume them all in the name of Jesus, thank you Lord in Jesus mighty name, Amen.

**You have to be careful against spirits that attack minds. I saw that a spirit has been sent from hell to turn your mind against the truth, especially the truth that God is sending into your life through this ministry, the teachings God is using this ministry to reveal to you. A darkness has been sent to turn your mind against the truth so that you don't follow it, believe it and you don't obey God's will. Make sure you guard your mind.**

## **PRAYER POINTS**

⇒Father, I thank you for a great future you have designed for me. Thank you Lord for a great and glorious future that you have designed for me, my career, calling, for my destiny, for my life, and for my marriage. I am confident in this truth that there lies a great future ahead of me, Father I am confident that you have designed a glorious future for my life, thank you Father, thank you Lord.

⇒Raise up your right hand. In the name of Jesus let the heavens open over my life and let the angels of the Lord begin to ascend and descend in this place that I am right now. As the heavens opened at Bethel where Jacob rested and as the heavens opened when Jesus came out of the waters, let the heavens open right here now, let angels begin to ascend and descend in this place. Let there be open heavens over my life, over this prayer session right now. **\*I decree right where you are, there shall be open heavens in the name of Jesus and heaven shall bless you in the name of Jesus.**

⇒Father, let the expectations of my heart, the desires of my heart move you to action, let them move you to bless me, honour the desires of my heart with mighty miracles. Lord, let the desires and expectations of my heart move you to honour me and bless me, honour the expectations and desires of my heart with mighty miracles. Father, in you I put my trust, not in man not in my wisdom but only in you, Lord honour the desires of my heart and let my desires move you to action, to bless me. I trust in no god beside you. You are my Father, my helper, satisfy my heart with your miracles in the name of Jesus, honour the desires of my heart with your miracles. **\*The expectations of your heart shall move the hand of God to action at this time to help and bless you.**

⇒Raise up your right hand. Fire of the Holy Ghost, frustrate and destroy the plans of the enemy devised to ruin my life, designed to bring down my life and to destroy my life. Fire of the Holy Ghost frustrate and destroy demonic agendas, evil plans devised against me, my destiny, calling, frustrate and destroy them now in the name of Jesus. Fire of the Holy Ghost frustrate and destroy the plans of the wicked, witches and wizards, agents of Satan, plans of principalities and powers of darkness against my destiny, frustrate and destroy them all now in the name of Jesus.

⇒Place your right hand on your head. Fire of the Holy Ghost separate from my life every darkness that is bringing evil into my life, separate every darkness attached to my life causing evil to increase and prevail, fire of the Holy Ghost separate such darkness. Every darkness glued to my life, causing failures, misfortunes, setbacks, delays, troubles, destroying peace, joy, and happiness in my life, fire of the Holy Ghost detach them from my life. Fire of the Holy Ghost detach every darkness that is so glued with my spirit, soul and body, glued with my environment, promoting evil to multiply, fire of the Holy Ghost separate them from my life right now in the name of Jesus. **\*I decree that the fire of the Holy Ghost remove from your life every darkness that has covered your life, every darkness that surrounds your life, every darkness that is closely attached with your life to cause evil to prevail, I decree that the fire of the Holy Ghost detach them from your life right now in the name of Jesus.**

⇒Father let your Spirit of holiness prevail in my life, let me be stronger than sin, let sin never have dominion over my life anymore. Father let the Spirit of holiness prevail in my body, my soul and spirit, let me be stronger than sin, stronger than

temptations by the Spirit of holiness. \*The Spirit of Grace, the Spirit of holiness come upon you and destroy the strength of sin and you shall be stronger than any sin and temptation, you shall be stronger than any lust of the flesh, lust of the eyes, pride of life in the name of Jesus. Sin shall not have dominion over your life anymore in the name of Jesus.

⇒Father let only your will prevail in my life in the name of Jesus, not my will, not the will of the devil, not the will of humans, not the will of anyone but only your will.

Father in my life, in my marriage, career, business and calling, let your will and not my will prevail. Let your will prevail in all areas of my life, Lord not my will but your will, not the will of devils or people but your will alone, let it be done.

⇒God wants to remove some of you from a system that is making you do contrary to His will. As long as you are in that system or among the group of people, church or organisation, you cannot do the will of God because they are influencing your life negatively and that is why He wants to remove you from such.

•Father, every system that I have been entangled with that is not allowing your will to prevail in my life, remove me from such systems, association or group. Every group, association, meetings or system that I am entangled with that are stopping your will from prevailing in my life, making me to do contrary to your will, Lord separate me from such people, disconnect me from such connections, groups and systems in the name of Jesus. Lord disconnect me from every system that I am part of that is influencing my life against the will of God, I remove myself now in the name of Jesus.

⇒One of the spirits that is not always easy to detect is the spirit of pride and it is the spirit that easily destroys the life of a man. It is possible that you have pride and you do not know it. Most people who have pride do not even know it; they even think they are very humble.

•Place your right hand on your head. Father, remove from my life every proud spirit that is influencing my actions, attitudes, actions. Lord wherever the proud spirit is hiding somewhere in me, Lord remove it by the fire of the Holy Ghost. Father, separate from my life permanently from every proud spirit that is secretly influencing my thoughts, words, actions and decisions, every proud spirit come out of my life by the fire of the Holy Ghost in the name of Jesus. I receive the spirit of humility, I reject the spirit of pride in the name of Jesus. I receive the spirit of humbleness, I reject every proud spirit.

⇒The things which are valuable and important in heaven are things that are so irrelevant on earth. The things that God is looking for in our lives are those things we do not care about. The fruit of the Spirit in Galatians 5, heaven values it so much whilst we do not value it.

•Father, put on me each fruit of the Spirit so that I can please you with my life, so that I can know you more. Father, make me a follower of peace, make me someone who looks for peace, someone who looks for joy all the days of my life, makes me

someone that longs for joy always and not for sorrow or sadness. Lord make me someone who can endure, someone that can persevere, make me someone that is gentle and patient, make me someone that is meek, perfect in faith and in doing good. Lord make me someone that has self control, that can control anger, be able to control myself from committing sin and doing what is wrong, make me perfect in self control and temperance. Make me perfect in forgiving people that have wronged me. Make me perfect in love, peace, joy, endurance because I want to know you and I want to please you with my life.

⇒Father, let my life be full of light that is so strong such that my light destroys the darkness that has enslaved people, that has caged people in darkness for years. Let my life be full of light that is so great to destroy the darkness that has enslaved this generation. Lord, let my life be full of the light of heaven, the light of your presence such that my light begins to deliver people that have been enslaved by darkness for many years, let my life carry such a measure of light that would deliver people from darkness.

⇒If God is going to use you as a solution in the lives of people, you must have been delivered from the darkness enslaving them. Before you can be used to deliver people from a certain bondage, you must not have the same bondage that is enslaving them in your life. You must be free to free others or else you cannot help them despite how much you try especially if you are not free from what is troubling them. When God saves you He's saving you to save others, it's not all about you. We are helped to help others, delivered to deliver others.

•Place your right hand on your head. Father, make me victorious in every area of my life so that I can be used by you to set people free. Lord give me deliverance from every form of captivity so that I can be used by you to set people free. Lord, set me free from every captivity of darkness, give me complete deliverance, give me complete victory over every darkness that I may be used by you to set others free at this time. Lord deliver me from every form of captivity of darkness that will not allow me to be delivered to be a blessing to my generation. Give me victory in every area of my life that I may be a solution to my generation.

⇒If God is going to use you to be a solution to the problems of the world, you must know what they don't know. You must know God very deeply despite your field of career because there are people suffering everywhere. Wherever you are in your community, in your family, in your in-laws, God and heaven are counting on you to set them free, you don't have to be a pastor or a prophet to do that.

•Father, I want to know you very deeply, enroll me in your divine school and begin to teach me to know you deeply. Lord, enrol me into the school of the Holy Spirit and teach me to know you. I want to know you deeply, not shallow or superficially, Lord teach me to know you very deeply. **\*The presence of God shall come in your life and the presence of God shall appear in your life and you shall be taught to know God very deeply in the name of Jesus.**

⇒We are praying these kinds of prayers because the world is getting darker day after day. Things are getting worse day after day and this is a time when God is raising a mighty army and everyone who WANTS to be part of the army is very useful at this time.

•Father, I refuse to be a weak Christian, teach me to be strong enough to fight the darkness of this present age and prevail. Father, make me strong, I refuse to be a weak Christian, a baby Christian, teach me to be strong enough to fight and win the darkness that has covered this generation. Lord, make me a strong believer, I refuse to be weak.

⇒To be strong means that you can bear burdens and weights which are very heavy. Things that can crush people you can bear them and can sustain them for years. It means that the things that can crush people or frustrate people you are not affected by them, you are not also easily controlled by the devil. Most Christians, just a little trouble from the devil, they are depressed, cannot fast or pray; that means you are weak.

•Father, I refuse to be a childish, weak Christian, teach me to be strong, I want to be strong. I don't want to break down at the little things that the devil throws at me and am not able to pray, Lord I hate such a Christianity, I want to be strong. Lord, strengthen me to be a victorious warrior, to walk in victory, to be able to bear burdens for a long time, to be able to tolerate things so that I can move forward in life and destiny.

⇒How do you feel when you look at someone who is suffering or in a hopeless situation, someone who has no hope of recovering from a certain sickness? As a Christian, when you see people in problems and troubles, you should be concerned, that is how Jesus was full of compassion. To be used by God at this time you have to be someone full of compassion.

•Father give me a heart that is so full of compassion toward my generation, give me a heart driven by compassion towards people who are suffering, who are in darkness, slavery and captivity of the enemy. Lord, give me a heart that is driven by love and compassion to save these people, to help and deliver them. Lord, give me a heart full of compassion, a heart that cares for those who are in pain, dying, in sickness and those who are suffering.

⇒There is something in you that the world needs that is able to solve problems in this generation, whether you believe it or not. If only you can know it or God can show you that gift or ability that you have that can change the world.

•Father what is the gift you have put in me to set this generation free from the bondage and captivity of Satan, Lord let me find it now, to let it appear to me, let it be revealed to me. Father, what is it that you have placed in me that can change generations, that can liberate people's lives, that can set people free from the bondage of witchcraft, evil and darkness? Lord let such a gift come alive, let it

appear to me in the name of Jesus. Lord, what is the gift that you have placed in me that is able to deliver my generation from slavery and oppression, Lord reveal it to me in the name of Jesus.

⇒ You cannot discover who you are in Christ if you are still living for yourself because the Kingdom of God can only accommodate selfless people. God is not living for Himself but living for us all.

• Father, I want to discover my divine purpose on earth, teach me to live for you, guide me to live for you and not for myself. Lord, I want to know who I am in you, teach me to live for you, teach me to work for you and not to work for me because that is the only way I can find my purpose on earth. Teach me to live for you and for those you have sent me for, teach me to live for those you have sent me to be a blessing to and not for myself.

⇒ It is when you have determined to live for God and not yourself, when you can now live for God's people and serve God's people that God will now send you on assignments where you will be a blessing to people. The beginning of the manifestation of God's glory in your life is when He begins to give you assignments.

• Lord, I want to serve you with my life, give me specific assignments, give me work to do for you, I will no longer serve myself, I want to serve you now with my life and with everything you have given me, give me assignments. Lord, I want to serve you, give me assignments to do right here where I am in this community, in this country and in my workplace. I want to serve you, give me work to do, give me divine assignments. **\*As you have made up your mind to live for God, for Jesus and for His Kingdom, I pray that the Spirit of God will visit you and show you assignments, the work that God wants you to do for Him at this time and so shall it be in the name of Jesus.**

⇒ If you are going to be a solution to the problems in your generation, you need to be equipped with spiritual weapons of war.

• Raise up your right hand. Father, equip me with divine weapons of war that will bring me victories in the battles of these last days, equip me with spiritual weapons of war that will give me assurance in the battles of life. Lord, equip me with the anointing, fire, with weapons for victories in the battles of this life, equip me with mighty weapons, powerful weapons of war. Lord, equip me with warfare weapons, weapons that would lead to mass destruction on the enemy, Lord fill me with these weapons, equip me with these weapons, anoint me with these weapons. Lord equip me with weapons of war that cannot fail in battle, that crushes the enemy instantly, Lord equip me with such weapons of war.

⇒ Father, give unto me Grace to rise above limitations that have been there even before I was born, limitations that have been prevailing even before I came into this world, limitations in my country, the country I live in, limitations in my family, and environment, give me the Grace to rise above ancient limitations in the name of

Jesus. Lord, I want to rise above ancient limitations that have been there, that have stopped thousands and millions of lives, Lord give me the Grace to rise above these limitations. The Grace to overcome limitations people have not overcome, I believe Lord that with you I can overcome, I can break those limits, Lord, lift me above those limitations, lift me up above such limitations. Limitations that have limited souls and destinies in my family, country, Lord, empower me to rise above them all in the name of Jesus. **\*I don't want to know what the limitation is called but because God and the authority of the living God is here, I decree that you shall rise above the limitations that have stopped millions of people, you shall rise above them in the name of Jesus.**

⇒ Fire of the Holy Ghost, destroy every limitation of darkness on my finances in the name of Jesus. Fire of the Holy Ghost destroy every limitation that has set my finances on a certain level, that has set my riches on a certain level and I can't rise beyond that level, fire of the Holy Ghost destroy them now in the name of Jesus. **\*It is destroyed in Jesus' name.**

⇒ There are things that God is looking for in the lives of Christians and it's unfortunate that He can't find those things. One of the things that God is looking for is faith, most of the miracles that happened in the Bible were because the people had faith. Most of the people in the Bible times did not receive their miracles because they didn't have faith.

• Father, let strong faith rise from within me to be able to receive all that you want to give me at this time. Lord, let strong faith, great faith arise within me that I may receive all that you want to release in my life at this time, so that I can partake of all that you are doing in my favour at this time, let great faith rise in me in the name of Jesus.

⇒ Jesus, when He was talking about prayer, said that to receive from God you must be persistent and continue to ask until you receive. Ask and you shall receive means that you have to keep on asking until you receive; seek and you shall find means keep on seeking don't stop until you find; knock means keep on knocking until the door is opened. Persistent prayer is lacking in the church today that is why we have not seen the great moves of God. Don't take a no for an answer, even if somebody tells you to stop or when your body is tired, don't stop until you get your answer. That is how God will help you, that's the secret of getting things from heaven.

• Lord, put upon me the spirit of persistence in the place of prayer, help me to never stop praying until I receive the answers to my prayers. Lord put upon the spirit of persistence to seek till I find, to knock until it is opened, Lord put upon me such a spirit.

## **CLOSING PRAYER**

Raise up your right hand.

The Lord shall beautify your life, your home and marriage. Thank you Father because we know you have answered, in Jesus' name I have prayed, Amen.

## PRAYER POINTS

⇒ Father, I thank you for your presence in my life, for your presence is enough for me, thank you for your glory in my life, thank you for your grace and for your love in my life. Lord, thank you that I am not alone in this world, my family is not alone, my life is not alone, you are with me, you are here for me and you are here in me. You are here inside of me, beside me, in front of me, and behind me you are there, you are in my life and that is enough for me. Thank you Lord for your presence; I have you, I have everything. I have you, I have victories; I have you, I have blessings, breakthroughs and progress. Your presence is enough for me, thank you Lord for your presence, thank you Jesus for your presence, Ancient of days thank you for your presence in my life, days, environment and situations.

⇒ Father, let your grace appear in my life and let my weakness be turned into great strength in the name of Jesus. Grace of Jesus Christ appear in my life, my body, soul and spirit and let weaknesses disappear. Let my weakness become great strength by the reason of the Grace of God. Grace of God appear in my life, Grace of God appear in my situations, career, life and calling and let my weaknesses become great strength in the name of Jesus.

⇒ Grace is what makes the difference. When the Grace of God appears in your life that is when you will have real success. Where the strength of men fails, that is where Grace begins, when your own efforts fail, that is when Grace begins.

• Father, I need your grace in my life; my strength has failed me, my efforts have failed me, I want you to help me, let your grace appear in my life and situations because my strength, efforts and wisdom have failed me, Lord let your Grace appear right now and rescue me. Grace of God appear now, Lord manifest your Grace in my life and reveal your Grace in my life. I want to succeed, prevail, have breakthroughs and testimonies; I want things to change, my strength has failed but let your grace appear. Oh Grace of the God of Israel appear, my strength cannot move me forward, my intelligence and smartness cannot move me forward, I need your grace, let your grace locate me now Lord. Father, once your grace manifests, there will be a difference, let the grace of Jesus Christ work in my life, finances, marriage, calling, spirit, soul and body, Lord help me. **\*I am praying for you at that particular point or place in your life where all your efforts have ended, where your wisdom, intelligence and strength has failed. I decree that the grace of God shall appear in that place and you shall be helped very quickly in the name of Jesus.**

⇒ Titus 2:11-12, when the grace of God appears in your life, it will teach you the will of God, righteousness, holiness and a godly lifestyle if you allow it.

• Father, I surrender to the ministry of your Grace, let your grace teach me righteousness, teach me to live godly, teach me to fear you. I surrender to your grace, let your Grace teach me your will, to live a righteous life, to deny worldly lusts, to deny ungodliness. I surrender to the ministry of your grace, Lord let your Grace teach me how to talk in public, how to live and communicate among people, what to do with my eyes, how to use my mind, how to think the right thoughts. Let your Grace teach me, I surrender to the ministry of Grace.

### PSALMS 32:1

⇒ You need to pray for the forgiveness of the sins you commit intentionally, which are willful sins. These are the sins that you know are wrong but you go ahead and do them anyway and they are a great offence to the Kingdom of God and can stop one to enter heaven. You need to repent of every willful sin and pray this prayer if you know you are repenting totally and are not going back to the same sin and God being merciful, will forgive you.

• Father, I repent of every sin I willfully committed against you, Lord forgive me. Lord forgive me, wash my sins away with the blood of Jesus, wash my disobedience away with the blood of Jesus. I repent of everything I sinned against you willfully and intentionally, Lord I repent, forgive me, wash my sins away with the blood of Jesus.

**\*Inasmuch as you have humbled yourself and have repented, I pray that you receive mercy from the throne of God right now in Jesus' name. I ask that the blood of Jesus cleanse you of your sins in Jesus' name. Receive forgiveness of your sins in Jesus' name.**

⇒ There are consequences of sin. The same mercy that forgives sins is the same mercy that takes away the consequences of sin. Consequences of sin are the fruits of your evil deeds, the reward of your wrongdoing (whatever you sow you shall reap), consequences are the wages of your sins, what you reap after you sin. Many illnesses are a result of sins, not living a right lifestyle or eating well are also consequences, poverty is a consequence of sin.

• Father, let your grace and mercy speak for me at this time and let them destroy the consequences of sins. Because you have forgiven me, let the consequences of my sins die. Father let your grace and mercy locate my life and let the consequences of my disobedience die by reason of your mercy. Lord let the consequences of my sins and iniquities be destroyed by your grace and mercy in the name of Jesus. Let poverty, hardship, suffering, pain, sickness, diseases and marital failures be destroyed, let every consequence of my disobedience be destroyed by your grace and mercy in the name of Jesus. **\*I decree over your life that the mercy of God shall find you because you are connected to this anointing right here right now and all the consequences of your disobedience and willful sin shall die forever in Jesus' name.**

⇒ Jesus said to that man whose friends broke the roof to bring him down to Him, your sins are forgiven. He said so because the sins of that man had brought him to that condition of paralysis, so before the miracle would happen, his sins needed to be forgiven first. Some of you before the blessings of the Lord locate your life, your sins must first be forgiven. If you have vowed not to forgive someone, all the prayers you are praying now will never be answered because if you don't forgive others, your sins will not be forgiven just as the Bible says.

• Father let every door of success, progress, greatness and blessings that my sins have closed against my life, let your mercy open those doors now. Every door of prosperity, promotion, greatness; every door of advancement, growth, every door of development, spiritual blessings that my sins and disobedience have closed against my life, oh God of Israel in your mercy open those doors unto me now in the name of Jesus. Father let your mercy open them, every door of victory open by the mercy of God in Jesus' name.

⇒ God has deposited many good gifts inside of you but sin has destroyed them, that is what the Spirit of God is showing me.

• Place your right hand on your head. Father every good gift you have given me that sin has destroyed, Father by your mercy restore them back to me. Father every good gift you gave me that sin destroyed, that disobedience destroyed in my life, oh God let them be restored unto me again in the name of Jesus. Lord let them come back to me again, let me get them again in Jesus' name.

## VERSE 2

⇒ The enemy has a way of accusing believers in the presence of God and in the presence of angels to discredit them so that what God wants to do for them will not happen. The good news is that God has forgiven you in as much as you have repented and you remain in that repentance. In moments where the devil used to remind me of my sins and say 'God cannot do this for you because you are a sinner', it is then I would say I have been forgiven and I am no longer bound by those sins that he would keep quiet.

• In the name of Jesus, I decree that the fire of God consume every record of accusation Satan has penned down to stop my life and destiny from moving forward, fire of God destroy every record of my sins that the devil is using to accuse me in the realm of the spirit, let the fire of God to destroy such documentation because I have been forgiven. Every record of accusation in the witchcraft kingdom, satanic kingdom, antichrist kingdom that is being weaponized to stop me from receiving the blessings of the Lord, let fire consume them now. Every record of my sins the devil is using against me, to testify against me in the presence of God, let fire consume those records now in the name of Jesus because I have been forgiven. Let such records and documents catch fire right now in the name of Jesus.

⇒ Your life must be lived in complete honesty for you to enjoy the full forgiveness of God. Honesty means that you are not black and white, you do not have a double life.

Black and white as in, in the public they see you as white but in the private you are black. Honesty is you're black in public as well as in private, your yes is yes publicly and in private. You must say what you mean and mean what you say. God was so close to David despite his faults and everything because David was an honest man, he lived a pure life that is why he enjoyed goodness and mercy from God. Whenever he was corrected of a certain mistake he would yield to that correction and will not repeat the same mistake again. You can deceive yourself and others but you can never deceive God.

- Father help me to live a life of complete honesty not partial honesty, help me to live a life of integrity because I want to enjoy your forgiveness and mercy. Help me Lord Jesus, whether people see me or not, in public or in private, help me to live a life that pleases you. Inside my thoughts or inside my soul, whether people are aware of what I am thinking or not, Lord help me to live a life that pleases you both within me and outside of me, help me to live an honest life.

⇒When you fear the Lord, you will be honest not because you fear people. Whatever you do, be it for people or for God, should be because you fear the Lord because it's not about the people but about God, to please Him all the days of our lives.

- Lord let the fear of God prevail in my heart so that I can live my life in complete honesty. Father let the fear of God prevail in my emotions, mind, thoughts, spirit, soul and body in the name of Jesus. Oh God let the fear of God prevail in my life that I may live in complete honesty all the days of my life, to live in integrity like Joseph feared God, I want to fear you Lord.

### **VERSE 3**

⇒It is wrong for a man to struggle with God, it will not affect God but it will affect you as a person. Struggling with God is whereby God is saying get rid of this thing or attitude, or sacrifice a certain thing to me and you are not willing to let go or stop doing such a thing. By not obeying, it will slow down many things in your life.

- Father give me a heart of total surrenderness to your will, I don't want to struggle with you, help me to totally surrender to your will, ways, standards, truths, instructions, directions and commandments, help me Father to totally surrender all to you in the name of Jesus. Help me to yield to your will, obey your will without thinking twice, help me Father to obey your instructions so that my life can move forward quickly.

⇒It's possible that there are great treasures in your life that you do not know about. Treasures are not money, treasures command money, treasures are too expensive sometimes to be purchased by money.

- Father let your mercy unlock hidden treasures in my life that are yet to be discovered, reveal them to me. Father, every treasure hiding in my life that I have not discovered yet, oh God of Israel, by your mercy unlock them unto me, reveal them

unto me in the name of Jesus. Unlock them, reveal them unto me in the name of Jesus.

### VERSE 5-6

⇒ You need the Grace to acknowledge God because many times people forget God because of excitement. You forget to ask God what you are supposed to do with the blessing, how to glorify Him through that blessing. Some people lose their blessings or much more than the blessings because they forget to acknowledge God.

• Father give me the Grace to always acknowledge you, to always remember to glorify you in whatever situation I find myself in, in whatever moment I find myself. In every moment of happiness or sadness, give me the Grace to always remember to glorify you, to always acknowledge that you are there and you're watching. Give me the Grace to acknowledge you in whatever situation I find myself in, to always remember to honour you in whatever moment I find myself, help me Father, give me the Grace.

⇒ Father help me to be sensitive in my spirit to know what you are saying to me per time, to be sensitive to discern your divine direction, to discern what you are showing me per time, help me Father. Help me to be spiritually sensitive to know your ways and what you are saying in every situation I find myself in, help me to be spiritually sensitive to discern your will, your mind, your intentions in whatever situation of life I find myself in. Help me to be sensitive in my spirit that I may be led by the Holy Spirit. Help me to be sensitive, let my spiritual ears be opened to hear your voice, let my spiritual eyes be opened to see what you're showing me per time. Help me to be sensitive that I may not lose in the battles of life, help me Father.

⇒ The spirit of procrastination has limited the progress of many Christians. When you are supposed to do something at that time and you begin to postpone it for later, instead of you doing it in that moment the Holy Spirit puts it in your mind. That is the reason why many Christians are walking in circles and not moving forward because of the failure to promptly take the steps that are so important in life.

• Father deliver me from the spirit of procrastination, every spirit that is not allowing me to take right steps, right decisions at the right place, at the right time, Lord let such a spirit be removed from my life, let it be destroyed in the name of Jesus. Every spirit of procrastination that is not allowing me to make right decisions at the time they should be made, not allowing me to take the right steps at the time they should be taken, making me to postpone what God is telling me to do at the time it should be done, Father banish such a spirit from my life forever, let your fire separate such a spirit from my life right now in the name of Jesus.

⇒ Raise up your right hand. Father visit me, visit my life in your mercy and turn my shame into great honour, what the devil has programmed for my shame let them be terminated and let great honour spring forth in my life. Oh God of Israel, visit my life in your mercy, turn my life into great celebrations. Everything the devil and his agents

have programmed to cause great shame, oh God of Israel turn them around for me to be greatly honoured for your namesake. Every work of the devil and his agents to publicly put me to shame, oh God of Israel, terminate and destroy those works now and let me be greatly honoured for your namesake in the name of Jesus. **\*I decree over your life that the mercy of God shall speak for you and your shame shall be changed into great honour and glory in the name of Jesus.**

⇒Father by your mercy, let my divine calling receive help for fulfilment, for actualizations in the name of Jesus. Oh Lord Jesus because of your mercy, let my divine calling, divine purpose receive help from your throne to fulfil my destiny on earth in the name of Jesus.

⇒Raise up your right hand. In the name of Jesus, I come against every demonic rage charged against my life, let the anger of God destroy them. Anger of God destroy every demonic rage, witchcraft rage that is charged against my life to destroy my life, calling and destiny, let the anger of God waste them all right now in the name of Jesus. Let the anger of God destroy them right now in the name of Jesus.

⇒Raise up your right hand. I decree divine destruction upon every instrument, visible or invisible that the devil is using to afflict and oppress me, let them be destroyed now in the name of Jesus. Let divine destruction fall upon every physical or spiritual instrument the devil is using to oppress my life, whatever weapon they are using, fire of destruction from heaven consume them all right now in the name of Jesus.

⇒Raise up your right hand. I disconnect myself from every curse, covenant of darkness that is prolonging my progress and success in life. I disconnect my life, my body, my soul and my spirit from every covenant and curse of darkness blocking my success, prosperity, breakthroughs, I disconnect my life from them all right now in the name of Jesus.

⇒Raise up your right hand. I receive every help that I need to move forward at this time in the name of Jesus. I receive every help that I need to have breakthroughs, testimonies and victories at this time. I receive every help that I need at this time, even in this month to move forward, to have great breakthroughs, great success, great victories, I receive all these helps right now in the name of Jesus. I received help to breakthrough at this time. I receive help to possess my possessions, I receive help to move forward, I receive help to succeed, to be victorious, to achieve great things, to begin new things, to begin new establishments and businesses, I receive help right now in the name of Jesus. **\*I decree over your life that the help you need at this time, in this month to have a unique testimony and breakthrough, receive them now in Jesus' name, Amen.**

## **CLOSING PRAYER**

Raise up your right hand.

King of glory, Ancient of days, God of heaven and the earth, we thank you for who you are in our lives, in this place and in our situations. Thank you for your power that cannot fail, thank you for your great Grace that is available at this time. Thank you for your mercy that you have placed upon our lives, oh God be praised forever in Jesus' name.

Lord these are your people, they have called unto you, they have poured out their hearts to you, Lord I ask for that you would grant all their requests and hearts' desires according to your mercy in Jesus' name. I ask oh God that you frustrate the plans of the enemy that are against them. Oh God by your mighty hand frustrate all the plans of the enemy and destroy those plans right now in Jesus' name.

I pray that you will no longer miss any of God's blessings for your life. Every blessing that God is sending into your life shall find you, it shall locate you and it shall stay in your life in the name of Jesus.

Every spirit that usually comes upon you when you are about to be blessed to stop you from getting your blessings, I bind that spirit now in the name of Jesus and I separate such a spirit from your life in the name of Jesus.

The hand of God shall raise help and helpers for you. You shall not fail at the verge of success, when you are at the verge of success you shall not fail in Jesus' name. The Lord shall hold you by the hand and the Lord shall take you into success, victories, prosperity and honour in the name of Jesus.

I speak over your life that the anointing of the Lord shall come upon you and you shall begin to have dominion over the powers of darkness that have been ruling over your life. From now henceforth you shall rule over them, you shall trample upon them by your feet in the name of Jesus. Thank you Father because we know you have answered in Jesus' name it is done, Amen.

## **18 NOVEMBER 2021**

## PRAYER POINTS

⇒Father, thank you for the great promises that you have written in the scriptures for me, for my life. Thank you because you have included me among the partakers of your wonderful promises in the scriptures. Ancient of days thank you for the great promises written in the scriptures for me, my calling and destiny. Thank you because I can believe these promises and my life can change for good. I can hold on to these promises and I will receive blessings, helps, transformation and progress. Thank you because I can trust in these promises and I will be blessed. Thank you for the covenant promises in the scriptures for my life, thank you for the promises for my life in the Old and the New testament. Thank you for you have penned down great promises that I can benefit from even now, thank you Jesus blessed be your name.

⇒You need to understand that your life is not standing alone but it has been programmed into plans and promises of God, you are here to fulfil a purpose. God has a plan or a great purpose and He created people to fulfil that plan. There is no human being who is outside of God's plan that is why you are never standing alone and you are not able to fulfil that plan of God on your own. Your life is existing because of God's plans, promises and will. Everyone is connected into this plan despite what race you are, whether you agree or not, we are wired together and we need each other and must work together because the plan of God cannot be fulfilled by separate individuals because it is a universal plan.

•Father, activate my life to begin to fulfil your divine purpose in my life. I acknowledge that I'm not existing because I have a plan but I am existing because you have a plan for my life, Father release my life for me to fulfil these plans and purposes you have for me. Father I want to fulfil your divine plans and agendas, I want to be actively involved in your divine plans, release my life to fulfil your plans.

⇒God created you because He had a plan for you. Are your plans in line with God's plans? Most of us are only concerned about what we want and we do not care if our plans are in line with God's or not. Your plans must agree with God's plans for your life and that is how you will fulfil destiny.

•Father help me to be wise enough to surrender my plans for your own plans to succeed. Lord help me to make decisions that agree with your plans, to make plans that agree with your plans. Lord help me to have wisdom that will make me not fall

out of your plans for my life. Help me to have wisdom by which I will do things that agree with your plans, help me to have wisdom to give up my own plans for your own plans to come to pass. Lord help me to be wise enough to surrender to your plans and will for my life in the name of Jesus.

⇒ God's plans will always appear unreasonable and foolish to the human mind, that is why many people on earth are not following God's plans because they do not make sense. True greatness is hiding in God's plans. Adam and Eve questioned God's intelligence and that is how they fell out of God's plans. Many times God will give a simple instruction but because you don't know the reason why God would say such a thing, we end up making mistakes that lead to irreversible damages because we didn't heed the instructions.

• Father I surrender to your wisdom, will and plans, give me an obedient heart to my walk with you, a heart that obeys every instruction and commandment that comes from you, a heart that believes your every Word and obey it. Father give me a heart that obeys whether I understand or not every command and leadership of your Spirit, give me a heart that will always say yes sir I will do it not a heart that will question your intelligence or wisdom. Lord give me a heart that obeys your instructions every day of my life.

⇒ True greatness is in following the plans of God, getting involved in the plans of God, and obeying the will of God. There are innumerable angels right here on earth to carry out the will of God but they will have no business with you if you are not in the plans of God or in His will. Most of you have been prayed for many times but nothing has happened - you need to ask yourself if you are in the will and plan of God. It is in the plan of God that angels will show up to help you.

• Father disconnect me from everything I am doing that does not line up with your divine plan for my life and destiny, put me in the centre of your plan for my life, calling and destiny and disconnect me from whatever I am entangled with. Whatever I am doing with my life, days and hours that do not agree and line up with your divine plans for my life calling and destiny disconnect me from those things and connect me with your plans. Father pull me out from anything and everything I have and tangled myself with that is not in line with your plans for my life, disconnect me from those things and plant me in the centre of your plans for my life, calling and destiny. Establish me in the centre of your plans, Lord, in the name of Jesus.

⇒ The Lord is showing me that most of you are not obeying His will because you feel it doesn't matter and that you can always do another thing and succeed. The Lord is warning you to stop being rebellious, obey Him, leave your own things and ways and surrender to His ways because your life doesn't belong to you but to Him. If you want God to answer your prayers, obey Him in all things. God is saying it matters that you obey His will, so you need to change and follow His ways. You cannot walk in the plans of God if you are not disciplined because your flesh does not like God's plans. Your life has to be a life of sacrifice because that is how the Kingdom of God is

established, it is established on sacrifices. Whatever God tells you He knows you can do it, He won't ask you to do what you are unable to do. The grace is always in the command, the moment you obey, you are able to carry out the command.

•Father, help me to live a life that is disciplined, a life that does not yield to the desires of my body and flesh because I want to live and walk into your plans. Father help me to be disciplined in my mind, my body, in my attitude, character, and behaviour. Help me to have self control, help me to be able to put my body under subjection to your will and standards, help me to be disciplined because I want to walk in your standards.

⇒Except there's revival in your soul, you will be doing what is wrong and be thinking it's right and be even boasting about it whilst it is so wrong. Many people are deceived by themselves, some by their beauty. When they look at themselves they are so blinded they cannot see God or the light because they have become slaves to themselves and are serving and worshipping themselves.

•Father, let there be fire revival in my soul, let my spiritual blindness, spiritual death, pollution, and darkness in my soul disappear and let me be awakened to what is right and let my deception disappear. Father let there be fire revival in my soul, let me be awakened to know righteousness, to know the truth. Let there be Holy Ghost fire revival in my soul and deliver me from deception spiritual blindness slavery to sin corruption pollution deliver me from worshipping serving myself. Lord revive me, let me be awakened to know you see you in the name of Jesus. Lord do your mighty work of revival in my soul.

⇒A lot of Christians are sleeping, they do not know what is happening in the realm of the spirit, the works of darkness that are upon their lives. They're so asleep that they do not know what is happening in the realm of darkness, even in the realm of God; they cannot see or know anything.

•Father let your mighty hand come upon me and wake me up from every spiritual sleep, I want to be sensitive, I want to be awakened to the activities in the realms of the spirit, in the realms of darkness and in the realms of light, let your mighty hand come upon me and wake me up. Mighty hand of God wake me up from every spiritual sleep, from every form of sleepiness wake me up Father. Wake me up from every sleep that has made me so ignorant, so insensitive, wake me up from every spiritual sleep that I am in that is not allowing me to know what is going on in the realm of darkness around me, Lord let your mighty hand wake me up right now. Every spiritual slumber that has closed up my spiritual eyes, ears and sensitivity, Lord wake me out of that slumber in Jesus' name.

⇒There's a need for serious consecration and commitment to God at this time. Many believers today are not committed or devoted to God or to His work, or in their walk with Him. Consecration means you are set apart from multitudes that are going in the direction of destruction and you set yourself apart and say I want God and that is all I want. A life of consecration is a life that will agree with the plan of God. God is

everywhere but is not for everyone but for those who have set apart their lives from the world and every uncleanness.

•Father help me to live a consecrated, devoted and committed life unto you. Father help me to live a consecrated life, a life that is set apart from worldly systems, from uncleanness, pollution, and corruption, oh Lord help me to live such a life. Help me to live a life that takes your Word seriously, a life that is so committed to obtain you, to learning of you, Lord help me learn to live such a life, help me to separate myself from people that are on their way to destruction, from people that are pulling me to the ways of darkness, help me to separate from such people.

⇒ Father, give me strength to make you the highest priority in my life, to make your plans the highest priority in my life. Give me strength to make you the most important thing in my life, give me strength to make you the highest priority in my life, help me to love you more than anything in this world, help me to love you more than my whole life, to love you more than my own will and desires. Help me to love you more than anything and anyone in this world, help me to make you my highest priority in life, Lord give me strength to do this in the name of Jesus.

⇒To walk in God's plans, you must be set apart, consecrated from the ways of this world. Holiness begins from consecration, when you set your life apart. When everyone sees you as different, that is how the name Christians began, they were named Christians because of their life which was different from the rest of the life the rest of the people were living. How many Christians today are actually living a life different from the people of the world? It's the work of the Holy Spirit to separate people unto God and remove unwanted things in your life, He prunes you, and everything about you will change.

•Father, I want to be different. I want to be separated for you, help me by your Holy Spirit. Father help me, I want to be different, I want to be separated from the system of the world, help me by your Holy Spirit to live a life that is similar to the life in your Kingdom, similar to the life that is the same as the life in the Kingdom of God, help me to live such life.

⇒Devotion to God is a daily affair. How much time do you spend with God on a daily basis? How many hours do you pray on a daily basis personally? This is how your life will fit into the plan of God and it is in the plan of God where the glory of God and greatness is. It is in the plan of God where your riches, wealth, healing, deliverance and all manner of blessings are. In each day there is something God wants you to do and there's something He wants to do.

•Father help me to be devoted to you every day of my life, to be doing spiritual exercises that will make me know you more and fit into your plans. Lord help me to be committed to you on a daily basis, help me to be able to pray, study and meditate on your Word on a daily basis. Help me to spend quality time with you on a daily basis, help me to be devoted to prayers, fastings, praise and worship and other

spiritual exercises on a daily basis. Help me to be devoted to seeking you, your will and your face.

⇒ To defeat deep and thick darkness you must be planted in God, you must have great depth in God. The only people who will be able to defeat this darkness are the ones who are deeply rooted in God, not those who just pray and fast . It takes more than that. The solution is not in fighting the darkness on your own because you feel you will use the name of Jesus to fight and prevail, yes you will have some victories but not completely. The victory that we need at this time is more than fasting and prayers, praying prayer points but it has a lot to do with how much revelation of Jesus you have, how deep you are in God.

•Father take me into the depth of you that I may be able to overcome the deep and thick darkness attacking my life. Lord take me to the depth of you, bring me closer to yourself, teach me of yourself. Lord take me into the depth of you that I may be able to quench and overcome the depth of Satan, the strength of evil, that I may be able to destroy them all. Take me spirit soul and body into the depth of you to know you very deeply that I may be equipped for great victories at this time, take me oh God into the depth of you in Jesus' name.

⇒Raise up your right hand. In the name of Jesus I come against every operation of darkness going on to frustrate and alter God's plans for my life, calling and destiny, I take authority over them, let fire of the Holy Ghost consume them all right now. Every operation of darkness to alter and frustrate God's plans for my life, ministry, career, let fire of the Holy Ghost consume them right now, fire of the Holy Ghost destroy them now in the name of Jesus. I come against every oppression of darkness, activities of demons, activities of creatures of darkness, activities of creatures of Satan going on to frustrate and alter the plans of God for my calling and destiny, fire of the Holy Ghost destroy them in the name of Jesus.

⇒Raise up your right hand. I bind every voice of deception speaking confusion into my heart and mind to mislead me out of God's plans for my life, calling and destiny. I bind such a voice in the name of Jesus. Every voice of deception speaking lies into my heart and mind to lead me out of God's plans for my life and destiny, I bind you in the name of Jesus.

⇒Place your right hand on your head. Fire of the Holy Ghost flush out of my life every poison of darkness that is making me too weak to fulfil my divine purpose, making me too weak to become who God wants me to be. Fire of the Holy Ghost flush out every poison of darkness in my spirit, soul and body making me too weak to fulfil my divine assignment, making me too weak to possess my possessions, too weak to move forward in life and destiny. Fire of the Holy Ghost flush out every poison of darkness in me that is making me too weak to hear the voice of God, to see divine visions, divine dreams, that is making me too weak to know what God is saying per time, come out by fire of the Holy Ghost right now.

⇒ God having a plan for your life means that He has already set things in place to happen to you on the earth before you were born, the people you will meet, places you will be, how you will do ministry; He already set it in your timeline before you were born. Everything that will happen to you has been set in time

• Raise up your right hand. Father please show me mercy and let every plan you have set in time to happen to me, let them begin to happen. Lord have mercy on me and let every event that you have set in time begin to happen, every event that is meant to change my life; revelations, visions connections, encounters, helps, all manner of events that you have set in time to happen to my life, Lord let them happen, let me not miss any of them. Oh God of Israel, show me mercy, Ancient of days show me mercy, let everything you have programmed into time to happen begin to happen, let none of them elude me, let me not miss any of them in the name of Jesus. Events that will lead to my success, greatness, breakthrough, fulfilment, Lord let them begin to happen.

⇒ In the name of Jesus, let the fire of the Holy Ghost locate every witchcraft ritual, enchantment, spell, divination, sorcery, magic that has been done to ensure that my life does not line up with the plans of God, the fire of the Holy Ghost destroy them. I come against every ritual of witchcraft, blood sacrifices of witchcraft, every divination sorcery and enchantment of witchcraft that has been done to ensure that I don't fulfil God's plan for my life, that I don't see the manifestations of God's plans for my life, fire of the Holy Ghost destroy them now in the name of Jesus. Wherever the ritual has been done, whether in the atmosphere, on the ground, under the ground, fire of the Holy Ghost destroy them all in the name of Jesus. Satanic rituals, demonic rituals, witchcraft rituals, marine rituals that have been done in the midnight, in the noon time or anywhere, any time to stop God's plan for my life, fire of the Holy Ghost destroy them all. My life shall fulfil God's plans whether the devil likes it or not. God's plans will be fulfilled in my life, God's plans will manifest in my life in the name of Jesus.

⇒ In the name of Jesus, I come against every evil word, evil utterances that have been spoken by men into my life, let the fire of God scatter them, let the fire of God altar and cancel them right now in the name of Jesus. Every evil word, demonic utterance that has been spoken against my life, calling and destiny, fire of the Holy Ghost alter them, reverse those words, destroy those words, cancel such utterances in the name of Jesus. Fire of the Holy Ghost cancel such utterances, cancel every utterance of curse, every utterance of negativity that were uttered into my life, calling and destiny, reverse them right now, fire of the Holy Ghost.

⇒ In the name of Jesus, I receive the manifestation of the promises of God for this hour of my life, for this age of my life, for this moment of my life. In the name of Jesus I receive the manifestation of God's promises for this season of my life, this time of my life, I receive them all right now in the name of Jesus.

⇒ Father, let the angels in charge of executing your plans in my life begin to open doors for me, begin to open doors of success, breakthroughs, greatness and promotion for my life right now. Father, let the angels in charge of fulfilling your plans for my life go forth right now and begin to open doors of financial blessings, favour, progress, success, prosperity; doors of greatness, victory; doors of mighty miracles, let those doors open right now in the name of Jesus. As they open I walk into all these doors, I walk into all these benefits in the name of Jesus. Doors that will make impossible things possible, let your angels open those doors now, doors that will lead to testimonies, let your angels open those doors now.

⇒ Place your right hand on your head. I receive the blessings of obedience to the will of God, I receive the blessing of obedience to the instruction of God. As I walk in the will of God, I receive the blessings of obedience as I obey the voice of God, as I obey the commandments of God, as I obey the teachings of God, the teachings of the truth of God's Kingdom, I receive the blessings that follows obedience in the name of Jesus. I receive the blessings of obedience, blessings of faithfulness to God, I receive those blessings now in the name of Jesus. I receive the blessings of obedience to the voice of God, to the will of God, I receive the blessings that follow obeying God, His teachings, His ways, I receive the blessings right now in the name of Jesus, Amen.

**NB: As we were praying the Lord was ministering to me that there are some people in this ministry that are ungrateful to God. He said you don't know how to thank God after He has answered your prayers or blessed you. When you're supposed to commit your finances to God, you are not grateful enough to give to God out of what He has given you. Such kinds of attitudes have to change, says the Lord. One of the ways to show your gratitude is to bless God out of the finances and blessings God has blessed you with. If this word is directed to you, you need to correct that part of your life.**

## **CLOSING PRAYER**

Raise up your right hand.

Father, we thank you because you are so faithful, we thank you because we can trust you, we can believe in you. You are so faithful, so merciful, thank you Father. We thank you for your presence in our lives, your presence on this platform for you were with us throughout the session, even now and you have answered our prayers, oh God be glorified, be praised forever in Jesus' name.

Lord your people have called unto you regarding your plans for their lives. Lord, I ask that every other thing we did not mention in the course of this prayer session that is so important to see your plans come to pass in our lives, oh God move and begin to fix them in each life in this place.

I pray that in your life God will move quickly and will fix things that will allow His plans to be fulfilled and to be performed in the name of Jesus.

Whatever that has been so difficult for you before now by the reason of the anointing of the Lord in this meeting it shall no longer be difficult. The Lord shall make your progress easy, the Lord shall make your success easy, the Lord shall make your breakthroughs and victories easy in the name of Jesus. And everything you lay your hands on from this hour henceforth shall prosper in the name of Jesus.

Places where your light will shine, where the glory of the Lord will rise and manifest in your life, you shall begin to tread on those places in the name of Jesus.

People that will work and partner with your life and bring out the greatness of God's glory in your life, begin to meet, work with them and connect with them in the name of Jesus.

I come against every demonic attack fashioned against your life in the name of Jesus, let fire consume them now.

Whether they have set a time for those attacks to be coming in repeatedly against your life, I decree that the fire of the Holy Ghost shall manifest in that time and destroy those arrows and attacks of the enemy coming against you in the name of Jesus. Thank you Father because we know you have answered, in Jesus' mighty name we have prayed, Amen.

**Remember to not be ungrateful; appreciate God, give to God and to God's work.**

## PRAYER POINTS

**You need to be focused and not be distracted during this prayer session. Let nothing distract your attention, when you are seeking God you seek Him with full attention, full focus, your mind set on Him. When you are seeking God you set all your heart on Him and that is how you will find him, don't let anything distract you.**

⇒ Father, thank you for your love, grace, mercy and kindness toward my life. Thank you for your compassion, thank you Lord because you will show me mercy, you will give me grace. Thank you because you are so kind towards me and that you will show your love toward my life, thank you Father. Thank you Father for you will give me gifts because of your love, you will help me because of your love, you will rescue me because you love me and because you are merciful toward me, thank you Father.

⇒ Father, let hidden things, hidden abilities, gifts and talents be uncovered by your Holy Spirit. What you have given me that I have not yet discovered, let it be revealed. Father let hidden virtues that you have placed in my life that I have not discovered, let me discover them. Father hidden abilities, talents in my spirit, in my soul, and in my body; spiritual gifts, spiritual abilities, divine abilities and virtues in me that I don't know of, Lord uncover them to me and let me discover great things you have placed in me. Let the greatness in me be uncovered, the uniqueness in me be uncovered. Lord let the treasures in me, the glory in me be uncovered in the name of Jesus.

⇒ Father, teach me what to do that will quicken the manifestation of your spiritual gifts in my life. Father, lead me to do things that will stir up the manifestation of your spiritual gifts in my life. Lord lead me to do those things, things I will do that the things and the gifts you have put in me will receive life and fire to manifest, lead me to do those things. Lord, teach me how to pray that will make me begin to manifest the spiritual gifts. The spiritual exercises that I need to do that would quicken my spiritual gifts to manifest, lead me into those spiritual exercises.

⇒ Raise up your right hand. Father, connect my life with the divine atmosphere that will enable my spiritual gifts to manifest. Lord connect me with a divine atmosphere, angelic atmosphere that will enable the manifestations of your spiritual gifts in my life. Lord connect my spirit, soul and body with a divine atmosphere that will enable

your spiritual gifts in my life to manifest with power, with great results, with great accuracy, great perfection, great success, and great victories. Connect me with divine atmospheres, angelic atmospheres that will enable my spiritual gift to manifest with power. Divine networks, spiritual atmosphere, heavenly atmosphere that will enable me to flow with accuracy in my spiritual gifts, that will enable me to function with accuracy, perfection, success and victory in my spiritual gifts.

⇒ Father, let everything you have created with me from childbirth, from my mother's womb, Lord breathe on them and let them begin to speak, begin to manifest and shine forth. Lord, all the gifts that you have created with me, spiritual abilities within me, spiritual nature and attitudes that you have created with me, Lord let them begin to shine forth, let them begin to manifest, to speak in the name of Jesus. Lord, things that are very important to my destiny, to my purpose in life that you have created with me, let them speak forth, let them manifest, let them shine forth in the name of Jesus. Things that are beyond my appearance, let them begin to speak, shine forth, appear and manifest. Abilities, Grace, nature, attitude, power, strength, creativity, and virtues that you have created with me from my mother's womb, Lord breathe on them that they may begin to manifest, breathe on them now. I want to live my life in its fullness. I want to live and fulfill all that you have placed in my life. **\*The power of God shall come upon your life and everything that you have received from God from your mother's womb shall begin to manifest now in the name of Jesus. Every ability, nature, gift that was given to you from your mother's womb shall begin to shine forth now in the name of Jesus.**

⇒ The abilities of God are in the creatures of God. There are things that you just know how to do without anyone teaching you, they can be physical or secular things, or spiritual things, you are just good without being taught. These abilities are in everyone, as a matter of fact your destiny is connected to the manifestations of these abilities, the fulfilment and greatness of your destiny is connected to these abilities. God expects that you use the things that He has placed inside of you to make you great whilst you are expecting God to make you great from the outside. What will make you great is what is already inside of you. Study to do things that will stir up the gifts or read books regarding what God has given to you. You begin to do all things possible so that what is in you will come out into manifestation.

• In the name of Jesus, I receive the spirit of diligence and discipline to study and explore divine abilities that God has placed in me. Lord, I receive the spirit of diligence, the spirit of discipline to explore, to study the manifestations of divine abilities in my life, to explore the understanding of divine abilities in my life, to explore and study the nature of divine abilities in my life. I receive the spirit of diligence and discipline to grow in the abilities that God has given to me.

⇒ Most Christians do not know the value of spiritual growth, spiritual gifts, spiritual abilities. In the kingdom of darkness they value spiritual gifts, spiritual growth and spiritual abilities so much more than any physical things, they are always pursuing

more power. In the kingdom of darkness they are always competing with themselves because he who has more power rules and they are willing to do anything and they fast and pray more than us Christians. They do all manner of study, research and spiritual exercises so that they can gain more power, more authority unlike most Christians who give more energy to acquiring physical things. What are you doing to get more power, more faith, dominion, authority, strength and fire in the realm of the spirit? Most people in the church don't like to pray for anointing, power, authority or to do spiritual exercises but have more energy to pray for financial breakthroughs, miracles, marriages, businesses and physical achievements. Whereas in the kingdom of darkness they are willing to lose everything they have to gain more power because they know once they have more power they can gain everything they have lost or given up.

- I rebuke the spirit of laziness, spirit of weakness limiting my spiritual growth and advancement, I cast out the spirit of laziness from my life in the name of Jesus. I rebuke every spirit of laziness and weakness limiting the manifestation of my spiritual abilities, I rebuke them now and I cast them out of my life in the name of Jesus. I refuse to be lazy in prayer, I refuse to be lazy and fasting and studying the Word of God, lazy in meditating on the Word of God, I refuse to be lazy in doing spiritual exercises that will enable my spiritual growth to rise. I refuse to be lazy, I cast out every spirit of laziness, procrastination, weakness, I cast them out of my life in the name of Jesus.

⇒ How much have you invested in spiritual growth and advancement? You invest in spiritual growth, meaning YOU SPEND! To grow spiritually you spend energy, time, money, energy and resources. To grow spiritually is not cheap; it goes with investments. How many Christian books, spiritual books have you bought with your money, how many have you read to grow spiritually? How much time have you invested in your 24 hours to grow spiritually? How many teachings have you been following and listening to and how many of them have you obeyed? If there's no discipline you can't grow spiritually, if you are not willing to give all into gaining spiritually you will just be stagnant. You will gain more than you have sacrificed, you have to do all that is required so that God will show you mercy and help you to grow spiritually. It's not easy to grow spiritually; it's like breaking a rock to get what is inside the rock. Most leaders do not teach people to pursue spiritual growth because they want people to depend on them which is wrong but it's very important that you grow for yourself.

- Father, give me a heart that is willing to invest all that I am into knowing you, into growing spiritually. Give me a heart and mind that is willing to invest all my time, my focus and attention and all my resources. Give me a heart that is willing to invest all it requires to grow spiritually. Lord, give me such a heart, mind, determination and willingness to invest all into growing spiritually, into knowing you deeply, give me the heart and mind for this.

⇒ If you have God, you have everything. If you stop to look for things of this world and pursue after God, then you can get everything be it physically or spiritually. Most Christians leave God aside whereas whatever they are looking for is inside God, even the excess of it. The reason most people do not seek after God is because we are not willing to sacrifice or die to the things of this world, die to this world, or to die to self.

• Father, I am desperate for all that is in you, to get all the fullness of strength, the fullness of Grace, fullness of your presence, Lord I am ready and desperate to get all that is you, help me to pay the price for this, help me to achieve this by your Holy Spirit. Father, I am desperate, eager, passionate to lay hold of all that is in you. I want to be at the centre of your heart, so close to you, so deep in you, so full of you, Lord help me to pay the price for this. Help me to live for this in the name of Jesus, help me to die to self, to die to the things of this world, help me to cut off the lust of the flesh and the lust of the eyes, to cut off the pride of life, help me to cut them off and embrace the divine nature that will make me know you deeply, to discover all that is in you, help me Father in Jesus' name.

⇒ Christians are not supposed to be seeking physical things more than spiritual things, as a matter of fact you are supposed to carry power and authority that money cannot buy. You command money by what money cannot buy, you cannot have money if you don't have something that is more precious than money. When you have what money cannot buy, that is when you have money and riches from anywhere in the world and it takes time to build that thing that money cannot buy. It takes time to come to such a level of growth and advancement, of authority and power.

• Father, open my eyes to see the treasures of your Kingdom that I need to possess, that I need to seek after. Lord open my eyes to see the treasures of your Kingdom available for me to lay hold of and show me how to get them, teach me how to get them in the name of Jesus. Lord open my eyes to see treasures in your Kingdom that are available for me to pursue, for me to possess, open my eyes to see them so that I will not rest until I get to them.

⇒ When Elijah was about to be taken to heaven he looked at Elisha and asked him what he wanted him to do for him. Elijah was such a man of authority, power and dominion that he could do things for people by himself, God entrusted some kind of power into his hands that he could do things by himself without him having to pray to God to give a person a certain thing but he had the power to give that thing instead. Elisha knew that Elijah can do a lot of miracles but he was wise enough not to ask for something physical but asked for a double portion of his spirit meaning he wanted to take after Elijah. Elijah said it was a difficult request and not his to grant, but said if he could see him leave then he could have it. Elisha was desperate to have it and did not stop pursuing Elijah. If you are not desperate for what you want and say you have fasted for five months and you stop fasting, then you won't get it.

•Father, give me a heart full of hunger for spiritual growth, a heart that is never satisfied until I see myself in the knowledge of you, in the wisdom of you and the realities of heaven. Lord give me such a heart that is full of desperation for you, for me to be a better Christian, to become a wiser Christian. Give me a heart that is full of desperation and never satisfied till I lay hold of the powerful, priceless and the great things in your Kingdom. Lord give me a heart full of hunger and desperation, a heart that is willing to keep knocking on the doors of heaven until I find. Give me a heart that will not stop asking, a heart that will not stop seeking until the windows and the doors of heaven are opened, Lord give me such a heart to seek you, a heart full of desperation for you.

⇒For me to be where I am today is because of the level of sacrifices I have made, lots of days of prayers and fasting especially when I got to realise that heaven can be as real as the next person before me. When God revealed that to me, I began to pursue it for days, months of prayers and fasting. Limit watching too much TV, talking to people, eating, limit your presence on the internet and social media and say I want God and continue seeking until you find Him. If I did that and got what God said I can get, then you can also get it because you do not have to be a pastor to get it; it's for everyone.

•Father, give me a heart that is full of great desire, great hunger to deny myself to get you. Give me a desire, a great passion to give up pleasures of this world, give me a heart that is so determined to give up pleasures of this world to get you, to get your Kingdom and your power. Give me a heart that is so determined to let go of everything to get you, a heart willing to give up everything just to know you, just to get you. Give me such a heart Father that is willing to give up pleasures of self and pleasures of this world, give me such a heart Father.

⇒Many of the things that I share with you are so real. The Kingdom of God, the reality of heaven; heaven is real, the power of God is real, the realities of heaven are real. I can say they are real because I have touched, seen and experienced them. These things are so real, you can have power and you will know you have power and you will see that power work, you will see it raise the dead, heal the sick, open doors, make you prosper, that power will produce results. There are things in the Kingdom of God that you can have forever, you do not have to believe for them because you already have them.

•Father, endow me with power to perform your will and desires in the earth, entrust me with the powers of heaven to carry out your will in the earth. Lord as you did to Elijah and I am greater than them because they existed in the old testament, I am greater than them because of the new covenant of Jesus Christ, therefore entrust into my hands powers of heaven to carry out your will in the earth. Entrust into my hands, release into my life, power; release into my life power, release into my spirit, soul and body power to carry out your will in the earth at this time in the name of Jesus.

⇒God can do a surgery on you and you will be activated to the dimensions of heaven on earth because there are dimensions of heaven on earth that are also real. It will be so real as if you're watching TV or a friend is before you, as you can touch your friend, you can also touch the realities of heaven on earth.

•Father, visit me in your mercy and make the realms of heaven so real to me as the earth is real to me, as human beings are real to me, visit me and do the work in me that will make the realms of heaven so real to me, the presence of heaven so real to me, just as animals and people are real. Father in your mercy do operations in me that will enable me to physically relate with the realms of heaven on earth in the name of Jesus. Visit me and make the realms of heaven so real to me as they are. Lord visit me, do something in me, operations in me that will activate and awaken me to the realms of heaven on earth in the name of Jesus.

⇒Christianity is all about power, revelations, and the realities of heaven. It's not just some kind of religion whereby you are told this is how you do it like a dogmatic system, it's not like that, it is an adventure where you get to see and learn new things everyday.

•Father, I want to live in the glory of heaven all the days of my life, let me be translated into that glory. Lord, I want to walk, live in that glory of your presence, I want my life to be surrounded by that glory, let me be translated into your glory that is in the earth in Jesus' name.

⇒Jesus said I have overcome the world so you need to see every problem, every battle on earth as already defeated and you need to connect with that victory and that is how you will have real and true victory, by connecting with all that heaven has already done here on earth.

•Father, connect my life, spirit, soul and body with the realm of your victory that has overcome the world, that has overcome every realm. Connect my body with the realm that has overcome everything, everyone and every realm, connect my life, spirit, soul and body with your realm of victory, let me live in this realm of victory, let me walk in this realm of victory, let me operate in this realm of victory that has conquered every problem, sickness, demon, diseases, witchcraft and curses. I want to walk in this realm where I can never be defeated, the realm where I can never be oppressed, Lord take my life into this realm.

⇒To connect with heaven, your perception of life must change, you have to stop thinking and reasoning like humans, you have to stop talking like human beings, everything about you must change to connect with the realm of heaven. You must change into the lifestyle of those that are in heaven and live the life of those that are in heaven which is completely opposite of the life that is here on earth. Life in heaven is completely opposite, so for you to live the life that is of heaven, it's like you being a madman, just as a madman lives in another world that others do not live in.

• Father, by your Holy Spirit release inspirations and revelations into my life that will change my perception of life, that will change how I see things, how I think, how I

talk, how I behave, send it into my life. Lord, send revelations and inspirations into my life that will give me another mind, that will change the way I see things, send truth into my life, reveal something to me, send revelations and inspirations into my life.

⇒ One of the deceptions that has happened in the church is how Satan has been magnified more than God. We are so quick to think about how powerful Satan, witchcraft demons are and we are not quick to think about how powerful God is. God is powerful, you just need to know Him and you will acknowledge that He is too powerful. Any power that Satan has is too small before God, all that they have and all that they are in the kingdom of darkness is too small before the God of Israel. Just an angel in heaven can destroy Satan, all his agents and all kingdoms under him, just an angel is enough to destroy the kingdoms of darkness completely if God allows it. We are quick to talk about how powerful demons and witches are because we do not know the power of God; we have been deceived.

• Father, deliver me from every deception that is making me magnify darkness and their operations. Lord deliver my brain, my mind from every deception that is quick to magnify Satan and his operations above you and your operations. Lord deliver me from every deception that has made me magnify what witches and wizards are doing above your power and operations, deliver me from every deception. Deliver me from every deception that is making me undermine your greatness in the earth, deliver me from every mindset that has made me underestimate how powerful you are, Lord, deliver me now in Jesus' name.

⇒ With every thick darkness there is thicker glory and the more the darkness the more the glory. The mistake that we make is that we do not press forward because of the thick darkness, but inside that thick darkness is great glory. Darkness will always come first and if you persist and don't give up, and you continue to seek the Lord and continue to exercise faith you will break through into that glory which is victory. When you break through into that glory that is when you overcome.

• Father, give me the wisdom and strength to always seek for your glory, to always press on for your glory in the midst of the darkness that has confronted my life, that has surrounded my life. Father, give me the wisdom and strength to seek and look for your glory, your victory in the midst of troubles, problems, afflictions, attacks, sufferings, operations that are oppressing and surrounding my life. Lord give me strength and wisdom to press on for glory despite what the enemy is throwing at me, despite what the enemy is doing in my life and around me, give me the strength, give me the wisdom to press on, the strength and wisdom to never take no for an answer, to never be discouraged, give me the strength and the wisdom to never lose faith and trust in you. Give me the strength to press on till I lay hold of glory, till I break through into victory. Give me the strength Father to see beyond the darkness that has confronted me, give me the strength to see beyond the thick darkness that surrounds my life now and to press on into your glory, thank you Father in Jesus' name, Amen.

## **PROPHECY TO SOME**

Christianity or Heaven is not for multitudes. Crowds or multitudes shall be invited but many of them shall not stay in the Kingdom because they will not choose the Kingdom or light but they will choose darkness. Therefore, make a determination to stand for God even if it's going to be only you among millions, make a determination to stand for righteousness and the truth. Don't see Christianity as something whereby you have to walk in agreement with some other people irrespective of who they are or the kind of life they are living even though they don't believe the Bible in totality and you say they are Christians so we can just blend together or still work together and you begin to compromise with falsehood because you feel Christianity is about a crowd. You might feel- 'if Christians are doing it then I can also do it' even though the Bible does not teach that. The Lord is saying that do not see the Kingdom as what crowds will embrace or what multitudes will embrace. If it has to be only you living for God, make that choice now and don't follow the crowd. If you see that Christians or the crowd are dressing like this or doing this, then you think 'why can't I also dress or do like that?', be careful not to do that. May the Lord help you in Jesus' name.

## **CLOSING PRAYER**

Heavenly Father, we thank you because you are so faithful. Thank you for all that you have given to us, for you have given to us much more than we deserve. Thank you for your love, your help and your mercy, thank you for your blessings, be glorified forever in Jesus' name.

Father, we thank you for what you have revealed to us in the course of tonight's prayers. Thank you for the many things that you shall do in us because of tonight's prayers, oh God be glorified forever in Jesus' name.

Lord, I ask that as your people begin to pursue after the priceless treasures of heaven, as they begin to pursue after spiritual growth, I ask oh God that make things easy for them in the name of Jesus. I am praying for you that as you determine in your heart to seek for all that is in God, to seek and to grow in the realities of His Kingdom, the Lord shall give you Grace and make it easy for you and as you seek the Lord, you shall find Him, it shall not be impossible. To hear the voice of God shall not be impossible to you, to receive angelic visitations and interventions shall not be impossible to you in the name of Jesus.

I pray for you that the Lord shall bless the sources of your income and you shall have more than enough to serve the Lord, you shall have more than enough to fulfill your calling and destiny, enough to invest in the things of God's Kingdom and so shall it be. Thank you Father because we know you have answered these prayers, in Jesus' name we have prayed, Amen.

Thank you because of this love you care for me, because of this love you wipe away my tears, because of this love you comfort me, fight my battles, you move my life forward, thank you Lord for this love commitment. Because of your great love, you are working mighty miracles in my life. You are going to help me fulfill my destiny, thank you for your great love. Because of your great love you have changed my life, forgave me of my sins, you have helped me, delivered me; because of this love you have empowered me, thank you Lord for this great love.

### **PSALMS 32:7**

⇒. The only place to hide and find protection is in the Lord; it is not in any other but in the Lord. You will not hide and think you will find protection, cure or healing in drugs. You cannot hide in your house and think there's protection in your house. A time is coming where there will be no place in the world that is secure but only those who have made the Lord their hiding place will be safe and secure.

•Father, you are my hiding place, let my life be eternally protected, secure in you and let no power be able to defeat me or hurt me for you are my hiding place. Father I acknowledge and agree that you are my hiding place, Lord I have chosen you as my hiding place, let me find eternal protection in you, let me find eternal security in you. Let my life, my body system, my blood, tissues, bones, brain and every part of me be eternally secure in you. Father, you are my hiding place, let me find security and protection in you forever. Let no power of darkness be able to touch me, let no power of darkness be able to defeat me, overcome me or hurt me because I have made you my hiding place, let me find eternal safety in you.

⇒This verse also means that everytime you look at yourself, you should not see yourself as insecure or alone because you are highly and greatly secured because the Lord is your hiding place. You should not be afraid of any man, devil or any attack from the enemy. You should not be afraid of any witchcraft because the Lord is your hiding place. If they cannot defeat the Lord, then they cannot defeat you.

•Father, you are my hiding place, let every attack of the enemy that has been projected to kill me before my time, to kill me before the end of my days, Father let the brightness of your presence destroy such attacks, let your fiery countenance destroy such attacks because you are my hiding place. Oh God of Israel you are my hiding place, Jesus Christ you are my hiding place, let no attack of darkness, no attack of the enemy be able to touch me, let your fire destroy them, let the brightness of your presence destroy every projected attack of the enemy against my life. Every arrow of darkness fired against me, fired into my life, let the brightness of your presence destroy them right now in the name of Jesus. As the arrows are coming, let the brightness of your presence consume them. Every projected demonic attack, witchcraft attack, antichrist attack, attack of principalities of powers in the heavenly places against my life, calling and destiny, let the brightness of the presence of the

Lord consume them, let it crush them, let it destroy them now in the name of Jesus, for the Lord is my hiding place.

⇒ This verse means you are not just hiding and not moving, but that you are always in that place even when you are doing your daily activities, driving or walking in the streets, wherever you are, you are in that hiding place. Your spirit, soul and body is in that hiding place and you must agree that that hiding place is everywhere you go.

• Place your right hand on your head. Father, surround my life from now henceforth with your strong presence that cannot be defeated by any darkness. As I move around, a presence that no power can break through or defeat, Lord let that presence surround my life, my spirit, soul and body. A presence of you that cannot be penetrated by any darkness, that cannot be defeated, overpowered, or oppressed by any powers of darkness, let such a presence take over my life in Jesus' name.

⇒ Sickesses and diseases cannot break through the covering of God's presence. If they happen to enter, it's because you are not strong enough because the stronger you are spiritually, the stronger the presence of the Lord that will manifest in your life and the stronger the presence of God you will carry.

• Raise up your right hand. Father, surround my life, spirit, soul and body with your powerful presence that cannot be defeated by sickness, diseases, viruses and microorganisms. Oh God of Israel, surround my life from every form of attack, electromagnetic attack, virus, sickness, bio-weapon that is fashioned against me, Lord let them never be able to reach me, let your powerful presence destroy them. Surround my life with such a powerful presence that cannot be destroyed, that can never be overcome or ever allow sickness to go through to touch me, Lord let such presence surround me, surround my life from this hour henceforth in the name of Jesus.

⇒ A lot is happening at this time and staying around certain people is no longer safe because the Antichrist is attacking the world with sickness and viruses that are easily transmitted. Lots of people are shedding the virus wherever they go, they are housing viruses such that wherever they go they are dropping and shedding the virus. You need the presence of God that will kill any virus or disease they will shed.

• Raise up your right hand. Father, surround my life with your powerful presence that will give me super natural immunity against every form of the viruses that have been shed at this time, make me untouchable. Lord, let my life be surrounded by your powerful presence that kills all manner of viruses that have filled the atmosphere and the wind at this time; powerful presence that will give me supernatural immunity against any virus, plague or whatever the enemy will release in the air. **\*I decree over your life that a powerful presence from heaven shall descend upon you, envelop you, shield you against all manner of viruses that are circulating and hovering around this time. I declare you are protected by the hand of God in Jesus' name.**

⇒The stronger your spirit man, the stronger the dimension or the current of the presence of God you carry. If your spirit man is weak the presence of God you carry will be weak, if your spirit is strong the presence of God that will surround you will be very strong. That is why the Apostle Paul says be strong in the Lord and in the power of the Lord. To be strong means that it is you that needs to be strong. Some people sit down in weakness and say God come and strengthen me. You don't sit down in weakness but you must make an effort to be strong because it is your responsibility to be strong in the spirit, to be strong in the Lord. If it is possible to be strong in the Lord it also means it is possible to be weak in the Lord though the Lord is not weak. If you choose to be strong you will be strong, if you choose to be weak you will be weak.

•Father, I reject spiritual weakness, help me to take responsibility to be strong spiritually, teach me to do things that will help me to be strong spiritually. Lord, help me to take responsibility to be strong in the spirit. Lord, I reject weakness, I choose strength to be strong, lead me to do exercises that will lead me to be strong spiritually, I want to be strong, teach me to be strong. I want to be strong, lead me into things that will lead me to be strong.

⇒Most of you already know what you need to do to be strong but you are ignoring those things. You know that if you cannot live a holy life, if you allow unforgiveness in your heart or anger you cannot be strong spiritually or if you don't stop being carnal, worldly, fleshly you can't be strong spiritually. If you don't disconnect from sinful, ungodly, worldly friends you know that you will not be strong spiritually but you are not willing to stop those things.

•Father, I choose to be strong, I repent from everything I have embraced that is causing weakness in my life, I repent from every lifestyle I have embraced that is causing me to be weak in the spirit, oh Lord raise me above them all, raise me above such lifestyles in the name of Jesus. Lord, I repent of every wrong way I have chosen that is promoting spiritual weakness in my life, oh Lord lift me up above this lifestyle, raise me above sin, darkness, worldliness, and carnality, raise me above the works of the flesh and those things which are causing weakness in my spiritual life, help me Lord.

⇒ Another thing that weakens the presence of God in your life is fear. It makes it look as if the Lord is weak and not powerful whilst God is never weak and there is no weakness in God and there can never be any weakness in God. The presence of the Lord will be weak when you are afraid and the enemy will win when you are full of fear. Whatever you are afraid of will be stronger than you.

•Place your right hand on your head. I command you spirit of fear reigning over my mind, soul, emotions, feelings to come out of my life and mind in the name of Jesus. I command you spirit of fear ruling and controlling my soul, my mind, emotions and feelings to come out of my life, come out now. I have not received the spirit of fear, I shall not be enslaved by fear, come out of my life in Jesus' name. **\*I declare over your life, every spirit of fear that is sitting upon your mind, making you to be so fearful**

of many things and everything, I bind that spirit of fear now in Jesus' name, come out in the name of Jesus.

⇒ God is as beautiful and glorious as you can believe and conceive in your heart meaning that the greater you magnify God in your heart that would become the God that you see. The God you magnify is the God you will see. The appearance of heaven changes, it's not constant because if you as a person have a special revelation of the Lord or heaven and you decide to see God or heaven according to that revelation then that is how God will appear to you. If you decide to see God with that understanding that is how God will appear to you in heaven even here on earth. The more you can see, believe and conceive with your heart that is the kind of glory you will see, it is proportional to your understanding, revelation and faith that you have in your heart about God. Christians must learn to magnify their God, stop magnifying your problems over God.

• Father, give me a mind that magnifies you, a heart that believes your greatness, a heart that sees your greatness all the time, a heart that believes and magnifies you all the time irrespective of what confronts me, give me such a heart Father. Lord, give me a heart, a mind that magnifies you even in the presence of my enemies. Give me a heart that sees the goodness of you in all situations even when it appears as if the devil is winning over me. Give me a heart that always sees and believes in your greatness at all times. Give me such a mind that magnifies light over darkness, that magnifies truth above lies, that magnifies God's healing power above sickness and diseases. Give me such a mind that magnifies God's power above witchcraft, give me such a mind that magnifies you.

⇒ The stronger your spirit is, the stronger the presence of the Lord that will surround and follow your life. One of the things that makes a man strong spiritually is absolute trust in God. You believe everything God says even if you were not there when the promises were written in the Bible but you just believe what the Lord says and you trust in the Word of the Lord and you run with it and speak it. When you live by the absolute trust of the Word of God it will be difficult for you to be weak spiritually.

• Father, I want to be able to trust you fully, help me. I want to be able to trust you absolutely, Lord help me. Lord I want to be able to trust you absolutely with the whole of my life, give me such help, I want to be able to trust your Word, your promises, Lord help me for I do not want to take steps which are not in line with your Word or to make choices that are against your plans for my life. Lord, help me I want to be able to trust you and not to trust in man but to trust in you absolutely without any doubt. Help me Father to trust you absolutely.

⇒ It is when you trust God fully that you will not be able to stop praying. There is a strong inseparable connection between faith and prayer. People who stopped praying or attending prayer sessions lost faith and trust in God. The higher your faith the stronger your prayer life. When you have faith it will move you to pray, it will move you to never stop praying until you see results.

•Father, strengthen my faith and trust in you such that I will not be able to stop praying until I see results, that I will not stop fasting until I see results, strengthen my faith and trust in you. Deepen my faith and trust in you that I do not stop praying until I see the results I need to see. Strengthen my faith to pray until I see miracles, deliverances, breakthroughs; strengthen my faith and trust in you to be able to pray until I see doors open, until I see changes and transformation in my life, Lord strengthen my faith.

⇒One of the golden rules of faith is believe before you see and you will see. Jesus did not teach magical faith, where you do not want to exercise faith, you just want to see results instantly or see miracles so fast. He said blessed are those that believe before they see, not those that see before they believe. Christians are called believers; a believer is someone that believes before he sees. Do not look for signs before you believe, if you can believe God without any physical signs that is faith.

•Father, teach me to believe before I see, teach me to live and walk by faith, teach me to stop looking for signs before I believe, teach me Father. I want to be able to believe before I see, I want to be able to believe that my future is bright and that I will rise to fulfill destiny. I want to be able to believe that doors will open for me, that I will prosper and succeed and become great without seeing any signs. I want to be able to believe that I will be healed and delivered without seeing any signs, without feeling anything, I want to be able to believe you, teach me to believe you. I want to be able to believe that I will move forward without knowing how it would happen, without having any understanding of how, I want to be able to believe you Lord, teach me to believe you, to believe your words, to believe your promises, teach me to believe before I see.

⇒When you allow the faith kind of lifestyle to prevail in your life, heart and soul, that is when the eyes of your spirit will open and you will now begin to see before you see. You will begin to see things in the spiritual realm before they happen in the physical realm. If that faith is grounded, God will begin to show you things that will happen in the future. When you see what is happening before it happens it will give you a boldness in your faith.

•Father, open the eyes of my heart to be able to see success, victory, breakthrough spiritually before I lay hold of it physically. Open the eyes of my heart to be able to see victory before it happens. When I look at situations, open the eyes of my heart to be able to see victory in those situations before they happen. Open the eyes of my heart to begin to see victory in the midst of the battles of my life even in the midst of defeats, open my eyes to see victory. Open my eyes to see surplus and greatness even when it appears as if I am poor. Open the eyes of my heart to see what you are doing in the earth, to see what you are doing in my favour, open the eyes of my heart Lord.

⇒In the presence of God are many weapons of war. The presence of God is a fortress not just a hiding place you run to from troubles for you to be secure. A

fortress is where you have all manner of weapons of war. There are different weapons of war for different kinds of battles and until you use the right kind of weapon you will not win certain battles.

•Father, from your fortress where I am in, equip me with weapons of war to fight and win every battle I face in life, to fight and win every battle from the dark kingdom. Equip my spirit with weapons of war, equip my soul with weapons of war, equip my body with weapons of war to defeat every attack coming from kingdoms of darkness against my life; equip me to destroy every battle that confronts my life on a daily basis. Equip me Father with weapons of war, for in your fortress are great weapons of war against your enemies, equip me oh Lord with weapons that I will always use to win in battles, fill me with such weapons in Jesus' name.

⇒ For you to be preserved at this time, God must expose what you need to get rid of in your life that is connecting your life to darkness.

•Father, let your fire expose to me every channel through which demons are able to successfully attack me. Lord let your fire expose them so that I may be able to get rid of them in the name of Jesus. Expose to me channels through which demons and darkness are able to attack my life successfully, Lord expose such channels and enable me to destroy them, to get rid of them, to cut them off forever in the name of Jesus, expose those channels oh Lord.

⇒Songs of deliverance means that God will do deliverances in your life that will make you see that He has done deliverance to you.

•Place your right hand on your head. Father do deliverances on me, deliverances in me that would give me perfect victory, that would make me victorious forever over the kingdoms of darkness. Lord do deliverances in my body, in my soul that would make me sing songs of victory, that would make me testify of victory, that would make me have perfect victory over the dark kingdoms. Lord begin to do deliverances in my blood, in my body, in the organs of my body and my soul, in my mind, in my spirit deliver me from captivity, deliver me from oppressions and attacks, deliver me from satanic and demonic control, deliver me from witchcraft. Lord, begin to do deliverances in my life that I may be able to testify of your victory in the name of Jesus.

⇒Your blood is more spiritual than physical though science makes you believe that blood is just a physical thing. According to the Bible, blood is more spiritual than physical. It says the life of an animal is in its blood so your spirit or your life is in your blood. If the enemy wants to destroy you very quickly he will go after your blood and that is what the Antichrist is doing. The vaccine or the virus is after the blood. Many people's blood has been demonized and they cannot think or reason like a man anymore, they think all is well when all is not well because when you easily forget things that you used to remember before it shows there's a problem in your blood, it is an attack.

•Raise up your right hand. In the name of Jesus, let the fire of the Holy Ghost separate from me every darkness that has mingled with my blood system to destroy me, fire of the Holy Ghost separate them from me, separate them from my blood, from my body in the name of Jesus. Every darkness that has combined with my blood system to destroy me, come out by fire of the Holy Ghost. Lord separate from my blood system every darkness that has mingled with it to destroy my life, to limit my life, to oppress my life, Lord let the fire of the Holy Ghost separate them in the name of Jesus.

⇒ Father, let destruction from heaven locate every demonic creature visible or invisible that has been sent after my life to destroy it, let your destruction consume them. Destruction from heaven, catch up with all demonic creatures, visible or invisible, sent to destroy my life, let the destruction from heaven fall upon them now in the name of Jesus.

⇒Some of the demonic creatures look like human beings but they are not humans. There are demonic creatures in the form of animals, insects and in the form of humans. God and the angels know they are not humans but when they appear to you, you call them humans whilst they are not. There are a lot of experiments going on in the kingdom of darkness to create beings that look like humans, just as science and technology is creating robots. In the depth of darkness they have a lot of abilities and capabilities to create demonic creatures that will look like humans, think like humans, get married and have children and do all things humans do. We have demonic creatures who look like humans amongst us.

•In the name of Jesus I invoke the fire and anger of God upon every demonic creature that has moved so close to me to waste my life and destiny, let the fire and anger of God waste them now. Let the fire and anger of God waste every demonic creature that has drawn so close to my life, destiny, marriage, family, calling, and ministry to destroy things, to destroy my life; anger of God waste them. Whether they are in the form of humans, animals, insects or whatever they are, let the anger of God waste them in the name of Jesus.

⇒ Father, let your fire release my blessings that should have arrived into my life by now, Father release those blessings that should have arrived into my hands right now, wherever they are, let your fire release them unto me with speed in the name of Jesus. Ancient of days, with your fire release blessings that should have reached me by now, blessings that should have arrived into my hands by now, Lord wherever these blessings are, let your fire bring forth God's blessings and begin to release them unto me in the name of Jesus. Let fire of the Most High God, let fire of the Lord of hosts release to me right now blessings that should have reached me by now in the name of Jesus.

⇒The Lord is showing me that there is a serpent in your life that should die. This serpent is a demonic creature sent on assignment against your life.

•Raise up your right hand. In the name of Jesus let the flaming sword of the Lord slaughter every serpent that has been sent on assignment into my life to destroy my life, to destroy good things in my life, flaming sword of the Lord, slaughter them now. Every serpent of darkness, python of darkness that has been sent on assignment to destroy my life, to destroy good things in my life, let the flaming sword of the Lord slaughter them now. Flaming sword of the Lord, slaughter them in pieces right now in the name of Jesus, Amen.

## **CLOSING PRAYER**

Raise up your right hand.

King of Israel, Ancient of days we thank you for your faithfulness, thank you for your power that you have revealed in this prayer session to deliver and to give us victories, oh God be glorified, be praised forever in Jesus' name.

I am praying for as many of you who prayed with me, Lord let your fire locate their lives and begin to destroy everything that should not be in their lives. Oh God let your fire begin to burn those things into ashes, let your fire never stop burning until everything that should not be in their lives are completely wasted, let it be so in Jesus' name.

I pray for you that favour from the throne of heaven shall rest upon your life, blessings of the Lord shall come upon your life. Helps from the Lord shall locate your life. You shall not fail in the name of Jesus, you shall not lack any good thing in the name of Jesus, the Lord shall give beauty to your life, the Lord shall give honour to your life, and everything you lay your hands upon from now henceforth shall begin to prosper in Jesus' name.

I command sicknesses and diseases that have locked up themselves in your body system to break loose and come out now in the name of Jesus.

Possibilities of God shall henceforth begin to manifest excessively in your life in the name of Jesus. You shall witness the miracles of the Lord. When God is helping others, He shall not leave you behind, He shall help you as well and you shall have testimonies. Thank you Father because we know you have answered this prayer, in Jesus' name, it is done, Amen.
