OPENING PRAYER

King of kings we thank you, we bless you for who you are, we praise you because you are our God and you have kept us safe since the last time we gathered for prayer, we say be thou glorified. We thank you for your provision - for our physical, spiritual and emotional needs, thank you for providing for our families as well as this ministry, be lifted up o God. Lord as we have gathered tonight to seek your face, will

and kingdom, Lord meet us at the point of our needs and may we be transformed as we leave this place.

PRAISE AND WORSHIP

Almighty God, our father and maker we bless you, we glorify you, we exalt you above all powers and names, we say you are above it all and there's nothing above you. You are great, greater than all the powers and forces of darkness combined together, they are nothing compared to your greatness. You are the one who knows the end of a thing before its beginning, you are all knowing and you know each of us individually, and you love us so greatly, we exalt your love o Lord. Lord we welcome you tonight as we pray; come, take over and take control, we submit to your power and authority, have your way o Lord and be glorified as match out victoriously. ENLARGEMENT

ii) ENLARGEMENT OF DESTINY TERRITORY

PRAYER POINTS

⇒Father I thank you because I am not here by mistake, you have placed me on earth to accomplish a glorious purpose, a divine purpose. You have put me here on earth to do something for you and for your kingdom. I thank you for the destiny you have placed upon my life. I thank you that I am here because you want me to be here, I am here because you have ordained it before the foundations of the earth, before the foundations of the world were laid, you had written it down, you had planned it, that I am going to exist at such a time like this. Thank you for the glorious purpose you have for my life, and my life has been written in your mind before I was conceived in my mother's womb.

ENEMIES OF DESTINY

1. POVERTY

*Poverty is not having what you need at that time when you need it. It is not a friend of your destiny, it's going to limit your destiny fulfilment.

⇒In the name of Jesus, every curse of poverty that has been placed upon my life and destiny, that is working against my life and destiny break into pieces right now in the name of Jesus. Curse of poverty upon my life, destiny, finances, calling, ministry,

family, marriage, career - break in the name of Jesus!! I command you to break!!! break!! in the name of Jesus. Curse of poverty break right now, break right now in Jesus' name

⇒Father let your powerful wind blow away every spirit of poverty tormenting my life and destiny, let them be blown away forever in Jesus' name. Let the strong and mighty wind from heaven right now begin to blow away every spirit of poverty working in my life. Every demon of poverty that is blowing in my life, every spirit of poverty working in my destiny, finances, marriage, career be blown away right now in the name of Jesus. I command the winds of heaven to blow you away right now in Jesus' name. Let every cloud of poverty causing suffering in my life be blown away right now in Jesus' name.

⇒[1Chronicles 4: 9-10](#) ~Almighty God bless me with a great blessing that will end poverty in my life and destiny right now in the name of Jesus. Lord Jesus release a great blessing that will swallow up poverty, that it won't survive anymore in the history of my destiny, that there shall be no more existence of poverty because of your great blessing. Oh Lord release upon me, upon my ministry, bank account -a great blessing, a mighty blessing that will end poverty forever, let it happen suddenly, do it now! Thank you father.

⇒O Lord of hosts let a great blessing appear in my bank account that will end poverty forever, let it appear suddenly in my life, in my bank account. Lord a sudden financial blessing, let it appear in my bank account, let it appear suddenly, do it right now in Jesus' name.

⇒[Philippians 4:19](#). [God has enough riches and wealth and as a child of God it is part of your inheritance is to inherit riches and wealth.](#)

⇒Father I know you are full of riches and wealth, I know there is enough riches and wealth in you. Father let my life and destiny begin to enjoy the fullness of the riches and wealth in your kingdom. Let there be a manifestation of my inheritance, of my inheritance in you because you are my Father and I am your son. Lord let there be a manifestation of my inheritance in you because I am your son, the wealth that you have Lord is mine because I am your son. Lord this is my inheritance, riches and wealth is my inheritance in you. Lord let there be a manifestation of riches and wealth in my life, destiny, calling, ministry, career, let there be a manifestation of riches and wealth.

2. INHERITED CURSES AND COVENANTS OF LIMITATION

[*There must be complete destruction of these, because they limit you. You have to speak out your victory, even though you're blessed in Christ you still need to speak that blessing and victory into manifestation, if you don't speak it the devil will not leave you alone until you speak your victory, and then will your life begin to move forward.](#)

⇒ I come against every inherited curse of limitation, every inherited covenant of limitation upon my life and destiny, I break them in the name of Jesus. I break them, I

break them!! Covenant of limitation break!!!, in the name of Jesus; curse of limitation break!!!, in Jesus' name, break!!, in Jesus' name!!

3. CHAINS OF SLAVERY

*God must break chains of slavery just as He did with the Israelites, when He broke the Egyptians' chains of slavery from them.

If you are not delivered from slavery you can't move forward in destiny, because every attempt you make to move forward, because you are chained, that chain will always draw you backwards. The enemy can use sin or addiction to draw you back, he can use what happened to you in the past, and because of that you will be afraid to do the right thing, but when the Lord of hosts appears the enemy disappears.

I prophesy over your life, any power that is standing upon your life and destiny, any power that says they will not let you go, the God of Israel shall fight that power in the name of Jesus.

⇒In the name of Jesus, every chain of slavery binding my hands, legs, life and destiny I command you to break in the name of Jesus, begin to break in the name of Jesus. I command chains of slavery to break!!, no more slavery in my life, I am not a slave of anything, I am slave to nothing in the name of Jesus. Chains of slavery upon my ministry, career, calling begin to break!!!, chains of slavery on my spirit, soul, and body break!!!, in the name of Jesus.

⇒Every instrument the enemy is using to bind and hold me captive, every instrument of captivity in my life and destiny - in the name of Jesus be destroyed, be broken into pieces!! Every instrument of slavery, of captivity, the devil is using in my life, destiny, calling break in the name of Jesus!! Instrument of fear, anxiety, insecurity, every demonic instrument being used to bind my life, break into pieces right now!!!

⇒Everything that happened in my past that the devil is using to hold my life and destiny captive from moving forward, I come against you in the name of the Lord of hosts, break into pieces, break into pieces!!! in the name of Jesus. Anything that happened in my past that is being used as an instrument to limit my progress, future and destiny; I command you to break into pieces in the name of Jesus!!

The Lord is telling me that the enemy is using your marital experience in the past to limit you, what happened to your marriage in the past is what the enemy is using. I am praying for you now- Whatever happened to your marriage in the past, I decree in the name of Jesus, that limitation is broken into pieces right now in Jesus' name.

⇒Exodus 15:3 ~Oh Lord arise and deliver me from the mighty oppressor that has refused to let me go, to let my life move forward, O Lord, I know you are a mighty warrior, arise now and deliver me, right now in the name of Jesus. Arise O Lord of hosts, arise o God, the mighty warrior, arise now, arise now, arise now o Lord of hosts, right now arise as the mighty warrior and deliver me.

⇒Almighty God, appear in my situation, in my life and let every enemy holding me captive disappear, let them run away, let them run for their lives, appear right now as the warrior, as the mighty God, as the Lord and let the enemies holding me captive,

the demons or whoever they are begin to run away. Lord appear in my marriage, family, finances, and my soul and let all that is not of you disappear forever in Jesus' name. {The Lord is helping some of you and there shall be a great shaking in your life, your body, soul and spirit will shake and anything that is not of God shall be shaken away}

⇒Exodus 15: 6 ~I see the right hand of God working wonders in your life, destiny, career and in your marriage.

⇒Father according to the glorious power of your right hand, o God let my life and destiny begin to move forward into fulfilment from this hour henceforth. Lord by reason of your powerful right hand, let my life move forward, let my destiny and ministry move forward by reason of your glorious power of your mighty hand. Enough of stagnation and limitation in my life. I am moving forward now, my destiny is progressing, in my spirit I am moving forward, in my spiritual life I am moving forward, thank you father.

⇒Almighty God let your powerful right hand rest upon my head right now and transform my life forever, let your powerful right hand change my life for good, change my life for the better, change my life for the best. Lord your right hand, let it rest upon me right now!!!, upon my soul, spirit, and body. Let your right hand rest upon me now, now, now and let it swallow up every pollution in my life, body, soul and spirit, let mighty hand remove them now in the name of Jesus.

⇒O Lord of hosts, by reason of your right mighty hand, let that hand locate me. Wherever my life has been held captive in the realm of the spirit, wherever my spirit, soul, and body has been held captive in the realm of the spirit let your mighty right hand locate me and remove me from them in the name of Jesus. Wherever I have been bound in the realm of darkness o God by your right hand remove me now, wherever my spirit, mind, soul has been bound remove me now Lord Jesus, remove me from them right now, deliver me by your right hand.

⇒Father by reason of your right hand, every power that has risen up to torment my life and destiny, every power that has risen up to oppress my life and destiny let your right hand smash them into pieces, let your right hand destroy them right now. Powers from the second heaven, powers from the dark kingdom, powers from the deep sea, every satanic and demonic power, witchcraft powers, that have risen up against my life, risen up to torment my life and destiny let the right hand of God smash them into pieces right now in the name of Jesus.

4. DEMONIC TASKMASTERS

*You need to command divine judgement on them. These have been assigned to multiply suffering, sorrow, and hardship in the lives of christians, things that you should easily do becomes hard; things, blessings, good job that should come to you or get so you easily they make it difficult for you, before you have it they make sure you have to suffer first.

⇒ In the name of Jesus let divine judgement come upon every demonic taskmaster that is oppressing and tormenting my life, let the divine judgement fall upon them right now. Demonic taskmasters catch fire right now in the name of Jesus. Divine judgement fall upon them now in the name of Jesus.

⇒ Every power that has been assigned to make life difficult, to make my feeding and survival difficult for me o Lord arise in your anger and destroy them. Every power that has been assigned to make the fulfilment of my destiny difficult, to make the manifestation of my blessings difficult o Lord arise and destroy them in the name of Jesus!! Powers that are making my blessings difficult to manifest, making it difficult to appear, whatever is making it difficult for me to achieve things, let the judgement of God fall upon them from heaven in the name of Jesus. Let suffering, sorrow, hardship come to an end in my life in the name of Jesus.

⇒ Every power from the dark kingdom wasting profit, reward and benefits that is meant for my hard labour, wasting the profit and reward that should come back to me after my efforts and hard labour, o God arise in your judgement and destroy them right now in the name of Jesus. Oh Lord of hosts destroy them, all the manipulation of witchcraft that is making me lose the income that I'm supposed to get from my labour, let the fire of the holy ghost consume them, let the power of Jesus destroy them in the name of Jesus, thank you Lord.

~> DESTINY territory is the environment where your destiny is fulfilled and this environment comprises of a lot of things. Your environment can be the location where you are living, if your location is under the influence of certain dark powers, there are some things in your destiny that will not happen until you prevail over the ruling powers of your environment.

TO ENLARGE YOUR DESTINY TERRITORY THERE MUST BE:

1) COMPLETE REMOVAL OF MARKS OF DARKNESS FROM YOUR LIFE(demonic marks of rejection, hatred & anti favour)

*The Lord gave me a revelation, whereby there was accumulation of rubbish, a gathering of things not used or not needed. The enemy has piled up rubbish in your life - pollution, polluted things.

⇒Raise your right hand - Father release your fire upon me right now. Every garbage of darkness, every pollution of darkness, all the rubbish of darkness that has been piled up in my life, let fire consume them all, all demonic loads let fire consume them right now in the name of Jesus. Anything in my life making my life unclean for the presence of God, whatever the devil has tied up in my life that is making me so unrighteous for the presence of God, let fire consume them right now. I command fire from heaven, let it come upon me and destroy every pollution and uncleanness forever in the name of Jesus.

⇒ Lord Jesus whatever that is taking away my purity, whatever the enemy is doing in my mind, spirit, soul to destroy my purity, to take away righteousness and holiness from me, Lord destroy them by your fire. Blood of Jesus flash out every poison of darkness out of my tissues in the name of Jesus!!

***Some of the things the enemy does when you're sleeping spiritually not just physically sleeping, these are not reading the scriptures, not praying enough, not doing the work of God, or want he wants you to do, when you can't live a holy life, can't fast etc. The devil will use it to attack you.**

⇒ Lord Jesus every operation of darkness that has come upon me because of my spiritual weakness o God are let your mercy and destroy it! Every operation of darkness that has come upon my family, marriage, ministry, career because I was sleeping in the spirit, because I was not sensitive to the voice of God, every problem that entered into my life because I was not connected with God, because I was canal and doing things I wasn't to do - oh God arise and destroy them, arise and save me! Lord arise and remove them, save me now, deliver me now.

2) DESTRUCTION OF POWERS AND DEMONIC OPERATIONS CAUSING FAILURE, SUFFERING & HARDSHIP

I'm going to pray for him - (if the child is with you lay hands on him, if not just raise your hand) In the name of Jesus I decree and I declare every suffering, whatever kind of suffering that is going on in the life of your son by the authority in the name of Jesus, let that suffering come to an end right now in the name of Jesus!

3) DEMONIC PROGRAMMING

** This is something they use to determine what will happen each day of your life. It is a network of demons to make sure that nothing good happens to you everyday, even when God is blessing you, they will not stop the blessing coming to you but it will just disappear, because they have programmed that everyday should not prosper for you. You should know that there are blessings in each and every day for believers.

⇒Every programming of darkness into my days to abort my blessings, to abort the manifestation of my blessings, let the fire of God destroy them, let the fire of God destroy that programming in the name of Jesus. Every programming of darkness into my days to terminate and abort the manifestation of my blessings oh God let your fire fall and consume them right now in the name of Jesus, let fire fall and destroy them in Jesus' name!!

All ruling powers of the enemy be destroyed by fire!!

4) WHAT KIND OF PEOPLE ARE SURROUNDING YOU?

*It may not just be those who you spend time with physically but those you follow online, those you chat with on the net.

⇒Father pass through my life and disconnect from my life every person and personality that is not fit for my destiny. Everyone that is not in line with my destiny ,Lord remove them I don't need them anymore. Oh Lord pass through my life and remove all those not connected to my destiny, Lord remove them now in the name of Jesus.

5) BANISHING DEVOURING SPIRITS AND RESOURCE WASTERS FROM YOUR LIFE

*Sometimes the enemy will not stop the blessings from reaching you but once you receive them they create problems that will waste that blessing.

⇒ Almighty God let your strong east wind blow and banish away all resources wasters in my life, all devouring spirits in my life,- let your strong east wind blow them away. All resources wasters in my finances, Lord let your strong east wind blow them out forever in the name of Jesus. Every power that is swallowing up my resources, my finances -in the name of Jesus let the east wind of God blow them away forever in Jesus' name.

6) COMMAND DIVINE JUDGMENT UPON POWERS ATTACKING THE SOURCE OF YOUR INCOME

For you to expand, you have to fight and win over them. Only the violent will take it by force, if you're not violent in the spirit, the devil is going to limit your destiny and calling.

⇒ Almighty God arise in your anger against any power attacking the source of my income, Lord arise in your anger and destroy them. Every power, every serpentine power, marine powers, witchcraft powers, demonic and satanic powers that are attacking the source of my income, in the name of Jesus, let fire consume them now in Jesus' name!!!

⇒ Every power of darkness sitting down in my work place assigned to work against my productivity and profit, oh God destroy them by fire in the name of Jesus.

7) WINDOWS OF HEAVEN OPEN OVER YOUR FINANCES

⇒ Lord from this hour henceforth let the windows of heaven be opened over my finances, business, over the things I do to get money - let the windows of heaven open and let there be showers of blessings upon my finances. Lion of Judah open the windows of heaven over my finances, Lord of hosts open the windows of heaven so that I will have sufficient finances to fulfill my calling and destiny. Mighty God of Israel let the windows of heaven be opened now!!

I prophesy open heavens over the source of your income and over your bank account, over your finances. I prophesy open heavens right now, let the heavens open from now henceforth, let there be enough provision for you, enough for the fulfilment of your destiny, enough provision- receive it now!

The Lord is showing me there is a serpentine spirit following three people among you. You're being attacked by serpents, they are following you and attacking you. You need to know that serpents do things like sickness, make you confused, make you misbehave,- get angry for no reason, they make you tell lies, and are mostly connected to your family background, especially those who worship idols and those who worship the river goddess..

⇒ Every serpentine spirit that is controlling the affairs of my life for evil, every serpentine spirit following me around injecting poison into my body, spirit - let fire consume them, demonic serpentine, - let fire roast them, let them be consumed by

fire!! I come against every serpent of darkness that is following my life around, all demonic serpents causing sickness and disease in my life, that is troubling the affairs of my life and destiny, causing evil oh God let fire destroy them, let fire consume them now in Jesus' name!

⇒Every negative voice that is speaking against the manifestation of my destiny, voices of darkness speaking against the manifestation of my destiny, let them be silenced forever. All voices, be it from the physical or spiritual realm that is speaking negativity into my destiny, negativity into my life - Lord silence them forever in the name of Jesus! Whatever evil they have spoken against my life let it be cancelled in the name of Jesus!

⇒Every hand of darkness that is moving my life on a contrary direction that is not in line with the will of God, every hand that is moving my journey in life in a negative direction, to go against the will of God for my destiny, oh God let that hand be cut off in the name of Jesus. Every evil hand that is controlling my life, moving my life opposite the direction you have for my life oh Lord let your sword cut it off forever in Jesus' name, Lord cut off such a hand by your sword!

8) WARRING AGAINST POWERS THAT RULE AT MIDNIGHT

*The dark kingdom does most of their operations at midnight, everything that will happen the following day they would have determined it at midnight. Most of what will happen during the day they would have manipulated it, that's why we have to pray and prevail over those powers at midnight.

⇒Oh Lord all powers that are using the midnight hours to oppress my life and destiny oh Lord visit them with destruction! Every power using the midnight hour to influence my life negatively, to cause evil in my life, to cause evil in my days - God visit them with destruction right now in the name of Jesus!!

CLOSING PRAYER

Mighty God we bless you, we adore you, we worship you, we praise you because all power belongs to you. We give you glory because you alone are worthy and besides you there's no other God, there's no other king, Father be thou exalted, be thou glorified forever in Jesus' name.

Mighty God I place everyone hearing the sound of my voice right now, I placed them before you this hour, Lord let the heavens be opened over your people and let there be showers of grace, showers of mercies, showers of blessings, showers of favour, showers of financial blessings, blessings of the womb, blessings of the spirit - spiritual blessings. Lord let the fullness of your blessings begin to fall upon them right now. Everyone hearing the sound of my voice, Lord let the heavens open and let there be rain of blessings upon them.

I am praying for you that in your body you shall be blessed in Jesus' name. In your soul you shall be blessed, in your spirit you shall be blessed because the heavens are open over your life and the heavens shall remain open. Anything that you will do that will make God to withdraw his grace, I pray for you that you shall not do it, anything that you will do that will close the heavens over your life, I am praying that the Lord shall cause you not to do it, in the name of Jesus.

I am praying for you that the source of your income from now henceforth shall begin to flourish with great prosperity, in the name of Jesus. The blessings of God shall enter into the source of your income, and it shall begin to yield unto you great blessings, great prosperity, that is beyond your expectations. You shall reap greater harvest, much more than what you have sown, and so shall it be in the name of Jesus!!

I come against that demonic strong man in your life standing in your way that no good thing shall manifest in your life. I decree that by the authority in the name of Jesus, let the sword of the Lord destroy such strong man right now in the name of Jesus.

Wherever your spirit has been tied down in the realm of the spirit, I speak deliverance for you, let there be deliverance for you in the name of Jesus. Wherever your spirit has been bound in the spiritual realm, let there be deliverance for you right now in the name of Jesus.

As the heavens are opened right now let there be rain of the gifts of the Spirit, rain of spiritual gifts upon your life, your spiritual eyes and ears shall be opened, all that God wants to reveal to you shall become clear to you from this hour henceforth. In divine wisdom you shall prosper, in divine knowledge you shall flourish, in divine understanding you shall increase in the name of Jesus.

Thank you father, blessed be your name, in Jesus' name I have prayed and it is done in Jesus' name...Amen

PRAYER POINTS

9. BREAKING THE STRONGHOLD OF HOUSEHOLD WITCHCRAFT IN YOUR FAMILY

*Household witchcraft is the operation of witchcraft within your bloodline, it is usually inherited, and is actively going on, and whoever is practising witchcraft in a family doesn't want anyone in that family to prosper. Even if there's no one practising it in your family, but if any of your ancestors practised it it's possible that anyone can inherit it through your bloodline.

⇒ Lord Jesus visit my household, visit my family line, and my bloodline and destroy every stronghold of witchcraft that is limiting us in this family. Every stronghold of witchcraft in my family that is causing limitation, Lord break it into pieces right now. Household witchcraft in my bloodline that i have inherited, in my family background, in my father's and mother's house, every witchcraft that has limited my destiny, Lord break them into pieces right now in the name of Jesus! Be broken in pieces, be destroyed, in Jesus' name!!

⇒ O Lord of hosts, let your judgement be kindled against anyone practising witchcraft in my family line, let your judgement be kindled against them and let them be silenced forever, let their operations cease from now henceforth in Jesus' name. Whoever is practising witchcraft to oppress everyone born into my family, Lord let

your judgement face that person and stop that person. Lord in your judgement visit that person and stop that person, whoever the person- man, woman, girl or boy practising witchcraft in my family and is putting everyone under bondage by witchcraft oh Lord arrest them now, arrest them by your anger and stop them forever in the name of Jesus, stop them father in Jesus' name!!

⇒Every witchcraft that I inherited through my bloodline, Lord of hosts destroy them, let them be consumed by fire. Every inherited witchcraft operation in my bloodline be consumed by fire right now in the name of Jesus. Every witchcraft I have inherited from my father's house, from my mother's house, whatever witchcraft that I have inherited oh Lord let your fire pass through my bloodline and consume them all. Every witchcraft I inherited from my ancestors and is inside my blood, father let your fire pass through my blood and consume them right now in the name of Jesus.

10. DEAL WITH WITCHCRAFT POLLUTIONS, MANIPULATIONS, ENCHANTMENTS, CURSES AND ATTACKS

*There are different ways witchcraft operates, there's witchcraft in the streets, some are online and they don't need your permission to attack you, they attack anyone as the demon inside them controls them.

Manipulation is a change the enemy caused to make sure things don't go well in your life and destiny. They make things go the opposite direction, even when you think all is going well but you might not know what the enemy has manipulated.

⇒Oh Lord arise and fight against every arrow of witchcraft fired into my life. Oh Lord arise and fight every weapon of witchcraft fired into my life. Arise in your power, in your anger, in your fire and let every arrow of witchcraft fired into my life, marriage, calling, ministry, career and business- every arrow of witchcraft, every attack, every curse of witchcraft that has been sent into my life let them be destroyed, Lord arise and stop them, arise and fight them.

⇒Father whoever is conjuring evil to manifest in my life, Lord let your judgement visit them, turn your face against them. Any man or woman that is conjuring evil into my life, that is sending curses and enchantment into my life, let your face come against them, let your anger come against them, oh Lord visit them with judgement, oh Lord stop whatever they are doing. Every person that is sending evil into my marriage, business, career, calling- Lord let your anger arise against them, Lord face them with your anger and wrath in the name of Jesus, arise and fight them, let your angels persecute them in Jesus' name.

⇒In the name of Jesus, I come against every manipulation of witchcraft that has been done against my life, calling, destiny. Every manipulation of witchcraft that has been carried out against my life, calling and destiny oh Lord let your fire come upon them and consume them, let your fire turn it all around for my good. Every manipulation of witchcraft, fire of the holy ghost turn them around right now, let them be reversed by fire right now, whatever the enemy has changed, the enemy has turned upside down in my life and destiny, oh God by your power turn it around for

my good. Lord visit my life and remove every manipulation, cancel, and destroy every manipulation of darkness and let only your will prevail in my life and destiny.

11. MAKE SURE YOU ARE NOT CONFUSED AND MISLED TO MAKE WRONG CHOICES

*Most of Christians fail a lot in making the right choices, and the more one fails to make the right choices the more difficult it will be to fulfil their destiny. Because fulfilment of destiny is connected to the right choices you make in life.

⇒ Every power that is leading and confusing the journey of my life, every power making me to make wrong decisions and wrong choices oh Lord arrest and destroy them by fire in the name of Jesus. Whatever the enemy is using to control my life in a negative direction oh Lord let your fire consume them. Every instrument the enemy is using to confuse the journey of my life Lord of hosts let your fire consume them right now, I shall not be confused in my life and destiny, I shall not be misled in Jesus' name.

12. NEED GOD'S MERCY

*Because of the consequences of our sins and disobedience. The things God told you to do and you didn't do them, though the Lord would have forgiven you there is always a reward for whatever you do, you reap what you sow.

⇒ Father, according to the multitude of your mercy, deliver me from the consequences of my sins and disobedience, deliver me now oh Lord. Deliver me from the consequences of the wrong things I have done in the past, that has kept my life in bondage, that has kept my life under limitation - Lord in your mercy deliver me now, visit me now in your tender mercy. I can't move forward except by your mercy, deliver me in your mercy.

iii) ENGAGING WITH OPEN DOORS, OPPORTUNITIES, DESTINY HELPERS AND DESTINY ENVIRONMENT

Revelation 3:7-8

*It is because there are doors that people have shut or can shut, that is why He says when I open no man can shut it. It is possible that some doors of good things, doors of promotion, upliftment, blessing have been shut against you and your destiny.

-There are time doors- these are doors that need to open because it is time for you to be blessed, for you to move to the next level, because it is your time to rise and shine, to manifest your destiny. If those doors don't open at that time or if I open and you don't go through it that time it would have opened you might never go through it ever till you die. Some doors are connected to your present times.

- These time doors are connected to your time, for example doors meant to open this year, if they don't open this year they might not open again, even if they open again it will be useless because the opportunity would have passed.

-It is possible for God to open the door and not see it and sometimes the blessing you are looking for might just be in front of you.

-You need to meet people who know the door you that you need to pass through, and they're the ones who know how to open it.

⇒Lord Jesus you are the one that opens doors and no man can shut them, you are the one who has the keys of David in your hands. Lord Jesus manifest yourself in my life, calling, business, ministry and let a great door be opened to me, a great door that will lead to my enlargement - let it open unto me. Lord Jesus only you open can open a door and no person, or government can shut it, no authority can shut it. The door you open no man can shut, Lord manifest and open a great door for me, set a great door before me Lord, that will lead me to fulfilment of my destiny, to my divine assignment, Lord let that open right now, because you have the keys, let it open now.

⇒Lord Jesus every door that the enemy has shut against me, doors of favour, blessing, health, promotion, success, and prosperity. Every door of prosperity the enemy has shut against my life, career, calling and destiny oh Lord by the key of David let them be open right now for me. Every door that has been shut against my finances, prosperity, and fame Lord of hosts by the key of David open them now, right now in the name of Jesus. Whatever has been used to close the door, whoever has closed the door. Father open them now for me, for my family, open the closed doors.

⇒Father every door that must open for me at this time, to move me to the next level, Lord by your mighty hand let them begin to open right now. All the doors that must open for me now, so that I can move forward to the next level of my life and destiny, Lord by reason of your mighty right hand of power, let them begin to open now, all of them. Oh Lord of hosts, every door meant for this hour, every door to open for me to be blessed, doors of help, favour, blessings that need to open for my ministry to prosper, for my family to move forward, for my career yo prosper Lord open them now!!! Let your mighty hand open them now in Jesus' name.

⇒Father every door that needs to open for me before this year comes to an end, Lord of hosts I trust in your power, I trust in your greatness, let them begin to open now. In the name of Jesus all the doors that need to open for my marriage, ministry, career, finances before this year comes to an end, Lord cause them to open noe. Let this year pass me not by without them opening, I trust in your power, thank you father.

⇒Father open my eyes to see the doors that you have opened for me already, Lord cause me to see them, let my eyes be enlightened to see the doors that you have opened. I refuse to be ignorant of the doors you have opened for my marriage,

ministry, career, calling, business, family, success, prosperity and promotion - Lord help me to see them so that I can walk through them, help me to see them.

⇒Father whatever the enemy has used to blindfold me from seeing the doors you have opened for me, whatever has been used to keep me blindfolded, Lord by your power remove the blindness, destroy the blindness, and open my eyes. Anything used to blindfold me, to stop me from seeing the help God has already provided, the doors he has already opened - Lord, tonight remove that blindness.

⇒Father from this hour henceforth, cause my life to begin to meet with people who know the doors I have to pass through, Lord begin to send them my way, people of influence, people who know the way to my greatness, oh God bring them to me.

Thank you Lord.

#The Lord is telling me that some of you your help is going to come from overseas, from someone who is in a foreign country. The person is not in your country.

⇒Father the person that will open the door for me, wherever the person is, the person who will open the door for my greatness, fulfilment, establishment - that person that will open the door for me, let that person begin to find me, even where I am. Let that person see and know this is the person I have to help, Lord do something that will make the person to see me and open the door for me. Lord do something now.

2) HAVE EYES OF FAITH

Hebrews 11: 27

Sometimes you can't move forward if you don't take a step of faith. This is a problem most of us have, because we do not know what lies behind that closed door we are afraid to move on faith.

⇒Father let my eyes become the eyes of faith, so that I can move through the door you have opened for me, so that I can trust you and pass through the door you have opened for my elevation. Lord Jesus let me be full of faith, let me move as someone full of faith, as someone seeing the invisible to the next level you have prepared for me, by faith.

⇒Every spirit of fear, spirit of doubt, that is limiting me from moving forward to the next level of my destiny, oh Lord destroy them, consume them by your fire, let your fire destroy them. Every spirit of fear limiting me from taking advantage of the door you have opened for me, Lord destroy it forever, every spirit of fear and of unbelief Lord destroy them, let them be banished away from my life.

#The Lord is showing me that there's a devourer spirit in some of you's lives, that is destroying good things. It's like the thing doesn't want good things to survive in your life. Whenever any good thing happens in your life it will come and destroy it immediately.

⇒Every devourer spirit living in my life, working in my life, moving in my life, finances, business, destiny - every devourer spirit catch fire right now in the name of Jesus, be roasted by fire. Every spirit swallowing up my good things in my life, every

spirit killing and destroying good things in my life ,catch fire, catch fire right now. Every devourer spirit in my life, in my marriage be consumed by fire.

⇒Father every power that is destroying good things before they reach completion in my life, any power stopping good things from their fulfilment, stopping good things to materialize - Lord let your fire arrest and destroy them. Every power aborting my testimonies, aborting my success, blessings, before it manifest oh God arrest and destroy them, thank you father.

⇒Every operation of darkness, of witchcraft to keep my life stagnant, keeping my life on one spot, whatever the kingdom of darkness have done, whatever they are doing to keep my life stagnant, to keep me from moving forward oh Lord let your fire destroy. Any works of darkness, that have been done to make sure my life remains stagnant and not move forward, oh God destroy them, destroy them by fire, consume them by fire. All they have done in the atmosphere, on satanic altars, in the secret places of darkness to make sure my life doesn't progress, that I don't move forward, oh Lord in your anger destroy them in the name of Jesus. Every manipulation, divination, curse, power that has been conjured to make sure my life doesn't move forward, oh God destroy them all by fire!!

Every power that kept your life at one spot for years, and you keep telling the same story, you keep giving the same story for years - by the authority in the name of Jesus let judgement come upon those powers right now in the name of Jesus, your story is changing now in the name of Jesus. The Lord is rewriting your story, a new version of your life shall emerge, a new glorious version of your life shall emerge in the name of Jesus.

Thank you father because we know you have answered in Jesus' name we have prayed.. Amen.

The Lord showed me something while I was praying and I want you to believe it, I don't know how it's going to happen but I want you to believe it because once it is revealed it will happen. The Lord showed me someone who has been wearing an old garment and the garment was removed and a new garment appeared on that person. It means God is going to change your story suddenly, for example ...suddenly you will just get married, suddenly you just get favour and everybody will see it and celebrate with you, and so shall it be in Jesus' name!!!

OPPORTUNITIES

PRAYER POINTS

HOW TO PREPARE FOR OPPORTUNITIES

⇒ Father prepare me for the destiny opportunities that are coming my way very soon. Lord prepare my heart, spirit, soul, prepare my body and my strength, and my emotions for the opportunities that are coming my way very shortly, prepare me Lord Jesus.

1) ARE YOU PREPARED?

⇒ Hebrews 11:24 ~ Father whatsoever I am doing right now that will cut me off from the destiny opportunity that you are about to send my way, Lord take it away. Whatever I am doing that will make me miss the opportunity you're sending my way, opportunity of greatness, whatever I am doing right now that will make me lose that opportunity, father take that away from me. Lord anything I am doing, take it away because I know you are taking me to a higher level and I don't want to lose that opportunity.

⇒ Father from now henceforth I receive the grace to hate sin with a passion, to hate iniquity, to refuse to sin, Lord give me that grace. Lord from this hour henceforth baptize me with the spirit of holiness, with the spirit of righteousness, with the spirit of the fear of the Lord, Lord help me to hate sin with all of my heart, just as Joseph refused to commit the sin of adultery and fornication. Help me to refuse every sin that comes my way, when I'm tempted help me to refuse to sin, help me to have a pure heart and a pure spirit, help me to please you with my lifestyle.

2) YOU SHOULD HATE THE PLEASURES OF SIN

⇒ Verse 26 Lord I want to be identified with your glory and greatness, help me to identify now with your suffering, shame, and reproach so that I will be qualified to identify with your glory and greatness. Lord I want to identify with you in suffering and shame so that I can be qualified to carry your glory and greatness. I want to go out there and show an example of Christ even if the people will attack me, I want to go out there and share the gospel, preach to sinners, and become a light in this thick

darkness, to go out there to speak and stand for the truth. Lord I am ready to identify with you anywhere even if I will be mocked or hated, help me Lord to go out there and identify with you in shame, mockery and shame.

3) THERE ARE SOME THINGS YOU MUST LEARN

(Pray for your

husband, children, spouse) Lord the helpers of my husband, wife, children that have failed to do their assignment, Lord replace them with new ones and better ones in Jesus' name!

PRAYER POINTS

⇒Father i thank you for the throne you have prepared for me, the throne you have prepared for my talent, gift, and life; the throne you have prepared to announce me to my generation, thank you for that throne because that throne is right before me. Thank you for the throne you have prepared for my destiny, Lord I thank you because I can see a glorious and powerful throne before me, a throne of power and authority. Thank you for this throne you have prepared to announce my destiny, to glorify my calling, thank you for the throne, I can see it just before me, blessed be your name.

Genesis 41:9

1) YOU NEED TO BE REMEMBERED BY YOUR HELPERS

⇒Father every helper of my destiny that has forgotten that they need to help me to rise, Lord let them remember me. Wherever my helpers are, who have forgotten to help me, in the north, south, east and west of the whole world- let them remember to help me. Wherever the helper of my destiny is, Lord by your mighty hand, let them remember me tonight. Let your holy spirit go to them right now and put my name in their hearts in Jesus' name.

⇒Father that person that is to help me rise to the throne, let your might hand come upon him/her and let them have no rest until they remember me. Let that person have no peace, not be able to sleep until they remember me to favour me. Oh God of Israel wherever my helper is and has forgotten what they need to do to make me rise to the throne, oh Lord let them have no rest, as you made the king not to sleep in the days of Mordecai, Lord it is my time to rise, my season of enthronement, so Lord I am asking that you trouble the hearts of my helpers until they make the move to help me.

⇒Every power assigned from the dark kingdom to turn the hearts of my helpers against me, against me rising up, oh Lord let your fire consume those powers right now, right now in the name of Jesus!! Fire of the holy ghost consume them, every demonic personality, every power of darkness that is turning the hearts of my helpers against me, against my rising, against me getting help and support, every power that is saying no in the mind of my helpers let fire consume them right now, let them be roasted by fire in the name of Jesus!

#The Lord is telling me that some of you, your helpers are among your family members, or a blood relative. I am praying for you - in the name of Jesus that person in your family, in your bloodline that is to help you rise to the top, I decree by the authority of heaven, let the hand of God come upon that person right now and let God command him/ her to help you rise in Jesus' name, and so shall it be. Amen

2) THERE IS A THRONE FOR THE GIFT OR TALENT INSIDE YOU

⇒Lord I agree that there is a throne for the gift you have given me, there is a throne for the calling you have called for. Lord by your mighty hand take me to that place, where my calling will find full manifestation, where my gift will manifest at its best, at its highest level, Lord move me to that place. Lord by your power I understand and I agree that there is a place for the fulfilment of my calling and destiny, there is a throne for my calling to be manifested fully to my generation, Lord move me there by your power, set me on my throne by your power.

Proverbs 18:16

⇒Lord that room that is going to announce my gift, that place that is going to make my name great Lord take me there in the name of Jesus. That place that my gift will speak to my generation, that environment, location where my gift is going to speak, where I will be a blessing to my generation - Lord take me there. That place of glory and honour, take me there Lord.

⇒Father create an atmosphere, an environment, a situation where I will meet important people that are relevant for me rising to the throne, create that environment by your power, by your strength. Oh Lord of hosts, by your mighty hand create that environment and situation that I will have access to important people that are relevant to my rising, to my being enthroned, Lord create that environment in Jesus' name.

3) GOD WILL USE THAT (LITTLE) IN YOUR HAND

⇒Lord use that little thing in my hand, let me receive grace that will make me rise even with this little I have, Lord pour upon me a grace that will make me rise even through this gift you have given to me. Lord this thing that is in my hand, bless it and let it multiply. By this gift, grace, skill, talent you have given to me, Lord lift me up to that throne because I know you have given it to me for a purpose, use it to raise me up, that which is in my hand in Jesus' name.

4) THERE IS A PLACE OF DILIGENCE AND TRAINING

⇒Every sickness that came into my life through the things I ate, through the things I drank let fire flash them out right now in the name of Jesus. ***Every sickness that**

entered into your life through the things you ate, let fire flash them out in Jesus' name, as you go to the toilet it is gone in the name of Jesus.

⇒Whatever evil the enemy has programmed to happen into my life, to manifest into my future, let your fire terminate them, let them be destroyed by fire. Lord destroy that evil in Jesus' name. *Whatever the enemy has programmed ahead of you in the future, let the fire of God consume that program in Jesus' name.

⇒Father before the year comes to an end, help me to be at the right place at the right time. Within the few days left for the year to end, help me to be where I am supposed to be. I refuse to go on a journey that you will not go with me. Help me to always be where you want me to be

⇒Father whatsoever the enemy has stolen from my life, family, destiny, marriage, Lord I claim them back. I receive them back right now in the name of Jesus. Any good thing that the enemy has stolen from me, in the name of Jesus I get them back right now, right now in Jesus' name. *Receive them back in the name of Jesus. Your help, finances, opportunities that were stolen from you receive them back, the person you're supposed to marry that was stolen from you receive that person back in the name of Jesus!

⇒Lord Jesus let the power of your peace arrest and destroy every storm of darkness blowing in my life, career, marriage, and family, let the power of your peace arrest and destroy them. Every demonic storm, let the power of the peace of Lord, let it arrest them all in the name of Jesus. Every demonic storm blowing in my finances, family, marriage, life, ministry, calling, business, - let the peace of the Lord arrest them all right now and remove them forever in Jesus' name!!

CLOSING PRAYER

Heavenly Father we thank you for your faithfulness, we thank you because there is none beside you, there is none as great as you, there is none as powerful as you. Lord I thank you for the greatness of your name, Lord I thank you for the greatness of your power and glory, thank you father, thank you Lord.

Father I am praying for your people right now, everyone hearing the sound of my voice right now, Lord I present them before you and I decree that whatever the enemy is doing against the rising of your people, whatever the enemy is doing against your rising, I speak by the authority in the name of Jesus let it catch fire right now in the name of Jesus. Every manipulation of darkness, every activity of darkness against your rising to the throne, against your rising to the top let the fire of the holy ghost consume them all right now in the name of Jesus. Every witchcraft operation going on in your family background, every witchcraft enchantment, witchcraft curses, spells, and divinations going on against your rising to the throne, let the fire of God come upon them now and consume them all in the name of Jesus.

I speak favour upon your life; in those places you have been rejected, the favour of God shall speak for you again and you shall be favoured again in the name of Jesus. I speak open doors for you, let doors begin to open for you from this hour henceforth, let doors open for your business, let doors of prosperity, doors of greatness open for your career, ministry, and calling in the name of Jesus.

Whatever thing that has been limiting you all this while, let the hand of God break it into pieces in the name of Jesus. You shall rise, in the name of Jesus. You shall rise above your limitations, the power of God shall come upon you, the fire of God shall come upon you, the strength of God shall come upon you, the anointing of the Lord, the glory of the Lord shall come upon you and shall lift you up to that place of your manifestation, to that place of fulfilment and so shall it be in the name of Jesus.

I am praying for your son (the Lord is showing me that some of you have a son and the enemy is attacking him) I am praying for that son wherever he is, let the fire of God go to him right now and let that attack the enemy is shooting against your son, let that attack fall back to the sender in the name of Jesus. Whoever is attacking your son let that person receive a bounce back of the attack in the name of Jesus. The Bible says no weapon formed against you shall prosper, every weapon of darkness formed against your child/children shall not prosper in the name of Jesus, thank you father.

Your finances are blessed in the name of Jesus, thank you Lord. It is done in Jesus' name.

I am praying for those of you that are sick, because you are here tonight- receive your healing in Jesus' name, because the Lord is in this place to heal, because the power of God is here to heal, therefore receive your healing right now in the name of Jesus. Let that sickness end tonight, let that disease in your life end tonight, right now in the name of Jesus! Thank you father!. By the time you go and check your body with the doctors, you shall find that the disease is no more, in the name of Jesus.

Thank you father, in Jesus' name we have prayed. Amen

Congratulations because the Lord has helped you. Reman victorious in Jesus' name!

TESTIMONIES

[10/07, 15:15] +27 62 946 8***: Shalom Saints

I want to give God Almighty all the glory and honor because of who He is and what he has done in my life.

I want to testify to the goodness of the Lord, I can still remember there was a declaration about somebody who will relocate but I didn't take heed because I had just shifted end of July from where I was staying with my family.

My testimony goes like this, I was given a notice where I used to stay since 2015 because of our different beliefs. I then stayed at my new place from August and early July my toddler boy couldn't sleep well so I prayed for him and he slept, when I slept I dreamt myself and my husband on a certain journey and he was holding the boy, my husband then said to me that a certain woman asked her why his son's feet were bitter yet others were sweet, I then laughed within my heart in the dream knowing they had seen something.

On Sunday 15 September my son started crying during bed time and this time he was running away like he is seeing something, I then held him and prayed for him but he was resisting me even running away more, I then asked him what was the problem and he was pointing showing me something that I couldn't see, I then continued praying for him holding his feet, ears and eyes for he was seeming to be irritated on these areas. Around 11pm he then calmed down and slept, Monday morning I met my landlady and she asked me why the baby was crying and I told her everything, she then gave me a notice to go because she said she couldn't sleep when my baby is crying. She said we had to shift month end. I want to thank God for fighting for us and preserving my son from the evil one's plans, I also want to thank Him for we have found another place and we have relocated after such a short notice. Glory hallelujah unto the Most High God, He is an Awesome Father, He is so Faithful, wonderful, marvelous, He deserves all the glory, riches, blessings and honor, Hosanna In The Highest.

[10/16, 18:28] +27 71 039 3***: Greetings children of the almighty God...I just want to thank God for his faithfulness in my life...

I've been following the prayer points that we have received on the platform and I started to pray at midnight and I did my fasting as well yesterday...

I do have a financial stagnation that I have to budget for everything that I do.

I had run out of butter and I decided today to go to the shops and see what I really needed even if I didn't have much to spend...My God I took what I needed and I was standing in line to pay for my goods and this white lady came and asked if she can pay for me so I say Yes no problem...

As she was paying for her goods she asked if it was all that I needed and I said yes because I work with a budget..she told the teller she will pay for my goods....and I was speechless and I remember my prayer points....

I have seen God today...
