THANKSGIVING PRAYER

Father we worship and bless you, Ancient of days, we adore you, mighty God of Israel, we give you glory, we give you honour and praise. You are God, you are highly exalted; you are God, you are highly lifted, highly enthroned over all principalities and powers. You are enthroned over the heavens and the earth, over governments, over kingdoms and over the affairs of the world. You rule and reign

above all, oh God we worship you, mighty God we bless your name. Be glorified forever in Jesus name.

Father we praise you and worship you for who you are, there is none like you. You control times and seasons of the entire universe and even the souls of men. You control spirits, angels, demons, you control everything and everyone, Father be lifted, be glorified forever in Jesus' name.

Oh Lord we have come together once again to pray, to seek your face, to pour out our hearts unto you, to present our petitions and request unto you. Oh God as you have been doing before, do your work again tonight, meet everyone at the point of their needs. Lord answer us speedily from heaven and give us comfort, help, breakthroughs, healings and deliverances and let your name alone be glorified. Thank you Father because we know you have answered this prayer in Jesus' name.

PRAISE AND WORSHIP

Father we worship you, you are God and you shall remain our God. We have known you and we shall serve you forever. We love you and we shall worship you forever.

Lord we have received blessings from you and we shall submit and surrender unto you forever because you shall be our God from now till the end of age. We worship you, King of glory, we worship you Most High God, we worship you I am that I am. Ancient of days, Alpha and Omega, Jesus Christ, the same yesterday today and the same forever, be glorified oh God of Israel, in Jesus' name we have worshipped and praised him, Amen.

PRAYER POINTS

⇒. Raise up your right hand. Father, thank you for the blessings you have poured upon my life during the fasting and prayer session. Thank you for the blessings you have rained upon my life, family, marriage, calling, ministry, business and career and upon everything that is in my life. Lord, I thank you for the blessings you have released upon my life, the ones that I have seen and those that I will surely see because you have already released them in the realm of the spirit. Thank you for these blessings which I'm to receive, so many blessings from you within a short period of time. Thank you Lord for these blessings and I thank you for answers to prayers, divine encounters, grace, strength, divine visitations, and help we received from you, thank you for the breakthroughs and anointing that you bestowed upon me throughout the fasting session.

ISAIAH 40:23 - 24

(458). Father do not let the enemy complete whatever evil project they have started in my life. Do not let the kingdom of darkness complete the evil assignments they are already doing in my life, calling, ministry; Lord do not let them finish it. Lord, intervene suddenly and terminate their operations, intervene oh God of Israel suddenly from heaven, discontinue and terminate every ongoing operation of darkness in my life. Let the power of God strike them and destroy their works. Lord do not let the enemy finish their enterprises in my life, do not let them complete their evils against me and my destiny. Lord intervene and consume and destroy such agendas oh God of Israel, move and destroy every work of the devil, ongoing operations of witchcraft, demons and evil spirits against my life, soul, body, spirit, family, calling, ministry, spiritual life and prayer life.

(459). Most have been frustrated because of many things that the enemy is doing in your life or that which you have seen him do in your life but God is about to get involved. Once God gets involved they will wither, even if they are billions of evils, immediately God blows upon them, they wither meaning that they will become wasted.

⇒. Father, blow your breath of fire, your consuming fire upon every spirit, work of the devil that is gaining ground in my life, every operation of darkness that is gaining ground, that is gaining possession of my life, oppressing my life, oh God blow your breath of fire upon them and let them be wasted. Every serpent, scorpion, work of the devil, operation of the devil that is gaining ground in my life, taking root into my life, penetrating deep into my life, oh God of Israel blow your breath of fire upon them and let them be wasted. Every demon working evil in my life, career, destiny, business, every principality and power, spiritual wickedness in high places, witchcraft operations, whoever they are, whatever they are that is promoting and causing evil to take root to my life, career, calling, destiny, ministry, and in the source of my income, let the God of Israel blow upon them right now and let them be wasted.

(460). You need to pray against every demonic surveillance system that is making your life visible to the enemy, revealing the secrets of your life to the enemy.

⇒. Every demonic surveillance system, monitoring system that is revealing the secrets of my life, movements, and affairs; making my life so open to them in the kingdom of darkness, let fire fall right now and break the system in pieces. Let the anger of God consume that system, every system in the heavenly places, in the atmosphere, demonic systems anywhere on earth, anywhere under the earth that is making the enemy see into the affairs of my life, within me, making the dark kingdom look deep into to the ways of my life, let the anger of God break them in pieces. Let the fire of God destroy them right now in the name of Jesus.

(461). There is an east wind of God that blows away things that are unwanted, things that God does not want in your life. The Bible tells us of the east wind of God which is a violent and terrible wind. This wind can destroy, blow away things that God does not want.

⇒. Raise up your right hand. Father send your mighty east wind upon my life and let it blow away everything that you do not want in my life, every work of the devil, sickness and disease, scorpions, plantations of darkness, whatever you do not want in my life, let your east wind begin to blow them out of my life right now. Let your mighty east wind begin to blow in my entire life, ministry and calling, let the mighty east wind of the God of Israel blow out everything that is not of God. Whatever is in my life, be it sickness, disease, plantation of darkness, serpents, scorpions, whatever is gaining ground, let the east wind of God uproot them and blow them away. Every darkness that has polluted, corrupted, contaminated my life, I exposed you to the east wind of God, let the east wind of God blow you away right now out of my life, destiny, calling, ministry, marriage. Every operation of witchcraft, work of the devil and of the dark kingdom happening in my life, soul and body, I expose you to the east wind of the God of Israel, be blown away forever out of my life.

(462). The Holy Spirit is saying we should pray the previous prayer for our environment.

⇒. Raise up your right hand. Mighty God send down your east wind and let it blow away everything the devil has done and everything the devil is doing right now in my physical environment, in the environment I am living in, Lord release your eastwind and let it blow them away. Let your east wind blow away every darkness in my environment in the name of Jesus. Let the east wind of the Almighty God of the Most High God begin to blow in this place right now, in my entire environment and let everything that is not of God be blown away forever. Everything the devil is doing, that which the devil has done in my physical environment, let the east wind of the Most High God reign upon this place and blow them away forever in Jesus' name.

VERSE 25

(463). The verse is asking to whom you can compare Him to. There is no one or anything that can be compared to Him because He is too great but we do not even know everything that He is or who He really is in totality. There is so much we do not understand because he is too great that is why we cannot compare Him with anyone or anything. No one is equal to God and no one can ever be equal to Him and no one or anything can ever be compared to him. That person has never and will never be created and can never exist because God is incomparable.

⇒. Father manifest yourself in my life with great power and let whatever is contending with your will and purpose in my life be brought down, let them be destroyed. Oh God manifest yourself with great power and bring down anything and everything that is contending with your will and purpose in my life destiny. Oh God of heaven and earth manifest right now, not tomorrow in your great power, with your great power and bring down, consume, destroy and pull down everything and anything that is contending with your will and purpose in my life and destiny. Anything and everything contending with your will and purpose, my calling and ministry, manifest yourself now and begin to contend with those things, consume those things, end those things right now in the name of Jesus.

(464). God is so sure of Himself. I have once said that God speaks to me as someone who is very sure of Himself. He doesn't speak to me and say maybe I'm going to do it or maybe it will happen or not, He doesn't speak with uncertainty because while He is speaking to me, I can discern in his voice that He speaks as someone who is so sure of Himself and that is exactly what He is saying in this verse. The God that we serve is so sure of Himself that He can do anything, that is why when He says things, He does them. If He's unable to do it He wouldn't say it. I don't know what God has said to you or is saying to you, shown you, or revealed to you that He wants to do, but I want you to know that God is more than enough to do whatever He says to you because He is God.

⇒. Father, I trust in you, in the greatness of you, Lord arise and bring to pass all that you have said concerning me, all that you have revealed concerning my life and destiny, arise God of Israel, bring them to pass without delay. Lord I trust in you and in who you are, I believe in who you are and in your greatness, arise Lord this hour and perform all that you have said to me, all you have said concerning me, all you have revealed concerning me, my calling, and destiny, those that you revealed in the scriptures, those you have revealed to me through your prophets, even through dreams; oh God of Israel arise and do them without delay in the name of Jesus.

(465). Who is my equal? There is none equal to God. God is above all and if there is any power claiming to be above God, then that power must get ready to face the God of Israel, it should get ready to contend with the God of Israel because it is only the God of Israel that is above all, that rules and reigns over all. I don't know the power that is making itself or himself equal with God in your life, that is trying to control your life, dominate your life, oppressing you or sitting on the affairs of your life, God is going to meet with that power tonight and He will consume it.

⇒. Oh God, arise and fight every power and creature that is taking your place in my life, that is claiming dominion in my life, claiming possession of my life, oppressing my life, oh God arise and fight them. Arise oh God of Israel descend upon them, upon every principality, power, demonic creature, dark creature that is claiming possession, dominion, control and ownership over my life and destiny, oh God descend upon them, consume them for our God you are a consuming fire. Arise oh God of Israel descend upon these powers, serpents, scorpions, demons, demonic personalities, creatures that are claiming to be God in my life, claiming to be above all the situations, above all things in my life, let God arise and descend upon them and consume them all in the name of Jesus.

(466). What is equal to God? Satan and the agents of darkness know their place and their place is under the feet of Jesus Christ. They know they are under his feet and they can never rise above his feet and they can never be equal with him. They know that is why they can't even do it or try to compare. (For example, 1 King 18:17-40) I don't know the kind of devil that is operating your life but the devil knows his place, and his place is under the feet of Jesus.

⇒. Raise up your right hand and pray with authority. In the name of Jesus, I decree and I declare, let every darkness demon, operation of darkness in my life be defeated and let it bow before the Lordship of Jesus, let them be moved to their place. I put them under the feet of Jesus where they belong. Lord let them begin to bow, I demoted them to where they belong. I demote every evil prevailing in my life to where you belong right now in the name of Jesus. Every darkness prevailing in the affairs of my life, I demote you, I pull you down to where you belong under the feet of Jesus, bow in the name of Jesus.

(467). Place your right hand on your head. Lord Jesus move in me, in my spirit, my soul and my body and get rid of everything that is not of you right now in the name of Jesus. Move in me Lord Jesus, move everything that is not of you, everything that you do not want in my life, get rid of them right now. Move right now Lord Jesus and get rid of every darkness, everything that is not of you moving in my spirit, soul and in my body. Lord Jesus terminate every work of the devil, destroy every sickness and disease, destroy every chain of darkness, destroy every serpent and scorpion. Destroy every plantation of darkness, move Lord Jesus right now. ***Upon everyone hearing my voice right now, move Lord Jesus by your greatness, by the greatness of your power, fullness of your power, move Lord Jesus in everyone's life now wherever they are and do your work right now. Move in their bodies, in their souls and in their spirits and do your work right now, do your work Holy Spirit in Jesus' name, Amen**

VERSE 26

(468). God created all the stars and He knows each of them by name, He sustains them. He created them, gave them names and sustains them to fulfill their purposes. The same God who created the stars, created you and made you superior to the stars, He made you superior to any other thing that he created. He made you superior over them (Psalms 8), you are more important to God because if God knows the stars by their names and none of them is missing, if He knows the uncountable stars by name and keeps them, how much more you, that is more important than stars? This means that He knows you by name, He knows your destiny, why you are here and why you exist.

⇒. Father, let your mighty hand uphold me, empower me, sustain me for the fulfillment of the purpose of which you have created me for, that which you have placed me on the world for. Oh God if you can uphold, sustain and name the stars, because you created me for a purpose, Lord I trust in your mighty hands, Lord you created me and you considered me more than the stars, Lord I trust in your mighty hands. Uphold me oh God, sustain me at this time, empower me at this time to fulfill my destiny and purpose in life. Lord keep me sustain me, strengthen me to fulfill my destiny, I trust and I surrender to your mighty hand, empower me, sustain me keep me to fulfill the purpose you created me for into this world.

(469). As much as the stars are, God knows and calls them by name. God knows you by your name even before you were born, before you were named in this world, He already knew you by your name and He knows your destiny, purpose and calling. ⇒. Father you knew me even before I was born, before I was named on earth you already knew me by my name, Lord Jesus let your mighty hand bring me into the fulfillment of my destiny. Lord carry me by your mighty hand into the fulfillment of my destiny, calling and destiny, into my purpose, the very reason I was born for, Lord take me to the fulfillment of that purpose. Lord Jesus by your mighty hand, carry me into the fulfillment, the manifestation of that purpose, that destiny that you have sent me to fulfill in this world. Lord Jesus you knew me even before I was conceived in my mother's womb, Lord I was not created by mistake because there is no mistake in God, there is no error in God, nothing is created by mistake, Lord I do not exist by mistake, you know me before I existed. Father, take me now into the manifestation and fulfillment of the very purpose you brought me here to fulfill.

(470). It says because of His great power and strength, He could sustain, He could keep them and would ensure that they shine. God is a God that does not only lift a man, but He lifts them up and keeps them in that height He lifted them to. The Lord was telling me some days ago that He is the one who raises up a man and keeps him in that position. When people rise and fall it's because they have not trusted in the greatness of God but when you trust in His greatness, He will lift you up and keep you there, you won't fall because His power is incomparable, His strength is above all.

⇒. Father, as you raised up the stars and keep them shining, Father, lift me up to the height you have destined for me and keep me shining in that height, keep me prevailing in that height, sustain me even in that height. God, raise me up as you did with the stars to that height, that position, high level you have ordained for my life even before I was born. The height that you ordained and esteemed for my life, calling, and destiny, oh God raise me to that height and keep me there. Father keep me shining, keep me ruling, keep me winning, keep me successful, keep me wealthy, keep me prevailing forever in Jesus' name, do it Father and let your name alone be glorified.

(471). The verse is saying that, because of His great power and strength, none of the stars is missing, meaning that it is God who fights for your destiny. The same one who created your destiny, who wrote your destiny is the same who will fight for it. If stars have their destinies and God ensures that they stay where they are and that they continue to shine, that they do not go missing, the same God can do the same for your destiny.

⇒. Raise up your right hand. Father, descend upon every power darkness, witchcraft that is fighting the fulfillment of my destiny, oh God, descend upon them and destroy them all, waste them all. Every power, principality contending with the fulfillment of my destiny, oh God descend upon them right now and waste them, consume them all in Jesus' name. Oh Lord of hosts descend upon every witchcraft, darkness, every

power, principality, demonic creatures that are fighting my destiny; every government, organisation fighting my destiny; every association or criticism fighting my destiny oh God of Israel descend upon them and waste them, destroy them right now in the name of Jesus. Every kingdom of darkness that is fighting the fulfillment of my destiny, oh God descend upon them, waste them in the name of Jesus. Every witchcraft, ancestral darkness, ancestral wickedness fighting my destiny fulfillment, let God arise, let the fire of heaven, the fire from the throne of God consume them all in the name of Jesus.

VERSE 27

(472). The Spirit is saying, tonight how can you say the Lord does not see your troubles? How can you say that God does not see your troubles, when He sees everything, He knows your parents He knows your sorrow, He understands everything, He is watching your life, He knows what is going on, He knows where it's coming from and He knows how to get rid of them. He sees your troubles, why can't you trust Him who knows how to help you because He created you?

⇒. Father, I acknowledge that you are right here in my situation, I acknowledge that you see all that is happening to me, you see my pains, my troubles and all that is going on in my life right now. Lord, I acknowledge you in my situation right now, oh God take over my situation, be God in my situations, be God in everyday of my life, in the face of my life and destiny. Lord I acknowledge you and I agree that you see everything happening to me right now, I agree that you see every situation I pass through, I agree that you see every trouble that happens to me and that is happening to me, I agree that you are aware of everything that happens to me, before they happen oh God, I proclaim you as God in my life. Oh God be God in these situations, reveal yourself as God, magnify and prove yourself as God, oh God move in my situations and be God, Lord Jesus.

(473). Your situation might be so terrible and you're thinking how can God be here in my situation and let this situation prevail to this point, why would God let my life become so miserable as it is, why would God do that? Sometimes you begin to question the presence of God in your life, if God is here why can't He stop this from happening, sometimes you begin to think like that but what does the Bible say? Look at verse 27. It is wrong for you to think that because things are going a certain way then you conclude that God is not there, God is there, He is very much there as He is in heaven, only that you have allowed the troubles you're passing through to cloud your hearts, such that you have been blindfolded and you are unable to see God in that which you're passing through.

⇒. Father, I refuse to be deceived and confused by the troubles that happen to me and around me. Father, I refuse to be blindfolded, confused by the troubles the enemy is doing in my life, Lord help me to see you in every situation of my life, both the good and bad, help me to see you, help me not to be blindfolded but to see you. Lord, I want to be able to know you and see your presence in everything that happens to me in every day of my life, in every situation and every moment help me

Lord to see you today, oh God of Israel. Help me to discern where you are in the affairs of my life, in the situations of my life, let me be able to see you. I refuse to be confused and deceived, Lord, reveal to me your presence in every situation of my life in the name of Jesus.

(474). God is the one who gives you your rights because He knows your rights, He knows those things that you are supposed to have, even those things you're supposed to have had by now, you are supposed to have possessed by now, He knows your rights, He is the one that authorises and delivers them.

⇒. Raise up your right hand. Father every good gift, every reward I am supposed to have received by now, every blessing I am supposed to have received by now, oh God authorise them for me, God, command them to appear in my life. Oh God of Israel, every good gift, every reward authorise their release right now, every blessing that I am supposed to have received by now, Father authorise them right now in the name of Jesus, authorise them to appear in my life, command them to appear in my life right now in the name of Jesus.

VERSE 28

(475). The reason some of us misbehave and begin to say things we are not supposed to say and begin to think what we are not supposed to think is because we have never understood the God that we serve. When you know him to a certain point, you will not talk anyhow or think anyhow and you will not just behave anyhow because you understand who He is in your life and in the affairs of your life. There is an understanding of God that helps you to relate with Him or rather how you should relate to him. Many Christians do not serve God the way they should, I'm not talking about what you do physically in the church alone but in your heart - how do you serve Him, how do you perceive Him, how do you understand Him? We lack the understanding of who He is, we end up relating with Him in a wrong way, even the way you approach Him in prayer is not proper. There is a proper way to approach God, proper way to stand before God (you do not just to talk to God or stand before God anyhow) there is a proper way you do that and you can never know the proper way if you do not understand Him

⇒. Father, give me the understanding of who you are, that I may be able to serve you properly, that I may be able to walk with you properly, fellowship with you correctly, give me the understanding of who you are Lord Jesus. Oh God of Israel, give me and manifest the knowledge and understanding of who you are to me that I might be able to serve you, see, approach and speak to you the way that I should, serve you the way I should, to think the way I should think in your presence, oh God give me the understanding of you, help me Lord Jesus, thank you Father.

(476). Everlasting God means that He is a God that will continue to be even when everything you presently see ceases to exist, He will continue to be forever. And everything that proceeds from Him is everlasting. When someone is everlasting He does everlasting things, that is why the salvation of your soul is not temporary but

eternal, everlasting. That is why He says whoever believes in Him shall not perish but have eternal life. Because God is everlasting, the life He gives you is everlasting, so you are not supposed to go astray in your Christian journey or lose your salvation, miss heaven because your salvation is meant to last forever. God does things that carry eternal effects, the only thing that He does that doesn't carry eternal effects is our physical blessings and your flesh which will die but everything that God does carries eternal value, eternal influence and eternal success.

⇒. Father, save my soul forever, let me never lose my salvation, let me never miss heaven, let my soul be saved forever. Lord keep my soul in your light forever. Lord you are the everlasting God and whatever you do is forever. Lord I believe the salvation of my soul is forever, help me to walk with you forever, help me to remain in you forever, lord help me to follow you, to please you forever. Lord help me to end with you forever, I refuse to waste away, to lose my salvation. I refuse to be disconnected from you, to be a castaway, to be thrown out of heaven, Lord let my salvation be sustained by you forever.

(477). The strongest battle of the enemy is not the battle against your body, career, marriage, finances or your children but it's against your soul. That is why if you don't care for your soul, you will lose it forever and you regret forever because you are likely to miss heaven. The Bible says what will it profit a man if he gains the whole world and loses his soul? If there is no profit in gaining the whole world and your soul not saved forever then why waste your time on worldly things? For example, you can be the greatest billionaire in the whole world but if your soul is not saved, you have lost everything. It is better for your soul to be saved and have nothing in this world because all that you have will end, the only blessing that continues forever is that one which happens to the soul and spiritual personality.

⇒. Father, whatever is in my life, whatever is in me, in my nature, my attitude and behaviour that is a rising to destroy my soul, rising to kill my soul, oh God destroy them now, God remove them from my life. Lord everything in my life, attitude, nature that is fighting against my soul, fighting to destroy my soul, my eternity with God, my salvation, oh God consume such from my life, uproot such from my life. Lord remove such from my life, I refuse to lose my soul, I refuse to lose my salvation. Oh God help me, what shall it profit me if I gain the whole world and my soul is unsaved and my soul is dead, oh Lord save me, oh Lord help me. Deliver me forever, save me forever, I want to end with you and not with the devil.

(478). If anything is going to last in this world or it's going to be successful, that thing must be established in God. If your career or marriage is going to be successful, God must be glorified, your marriage or career must be established in God, it should please and glorify God, if not it will die.

⇒. Father, I choose to glorify you, to seek you, I choose to follow you. Lord help me to glorify you in everything I do, to glorify you in my body, soul and spirit, in my marriage, career and in everything I do, help me to save you and honour you in them. Oh Lord I want to have an everlasting success I don't want temporary

success, I don't want temporary blessings or greatness, Lord help me to glorify you in all things I do, in everything in my life, help me Lord to glorify you in the name of Jesus.

(479). The verse says God is the creator of all the earth. The whole earth He created, it is His workmanship, He designed it this means that He knows the secrets in creation. There are deep secrets of God in everything He created, spiritual codes in everything He created and He knows how to touch those things. The devil does not know them even though he might think he knows them. God has more authority to make whatever He created to do whatever He wants it to do. He has the dominion to do that, than any other personality or power can ever do.

⇒. Father you are the creator of all the earth oh God, begin to make everything you created to serve the fulfillment of your purpose in my life. Lord move in all the earth and compel everything you created to begin to serve your purpose in my life. God of Israel, move in everything, move in all things that you created, you know the chemistry, the secret in everything you created, you know the real composition, the hidden mystery, you know them in all things you created. Lord begin to move and touch everything you created and compel them to serve your purpose in my life, destiny, calling and ministry. Move in all the earth and begin to compare everything that you created to fulfill and serve your purpose in my calling and destiny and ministry in my life in the name of Jesus.

NB: I believe you prayed those prayers very well because the season that we are in right now is a season of instant miracles, a season that God has placed us in now in this ministry where God answers prayers as you are saying it, as you're praying it- it happens even at that very hour. I hope you prayed these prayers very well because it's going to be happening instantly. You might not be seeing the manifestation of the answers immediately, but it will happen as you would have said it, whether you see it happening or not, that is the season of instant results that we are in.

CLOSING PRAYER

Raise up your right hand

Ancient of days we worship and bless you, you are a great God indeed. You are the Almighty God indeed and all power belongs to you, all glory belongs to you, all greatness belongs to you. Our God we are your people and we have come to worship, to serve you, praise and glorify you, to seek you and make our request known unto you as you said in the scriptures.

God I am asking that as your people have said to your ears in this prayer session, Lord in your mercy and without delay move and answer them all in Jesus' name.

I'm praying that everything that you have said to the ears of the Most High God in this prayer session, let God move right now to do them all for you in Jesus' name.

I speak over your life, let there be an outpouring of the Spirit of God of the Holy Ghost upon your life for the manifestation of the glory of God. Let there be a release, an outpouring for the Spirit of God upon your life right now, receive it now in the name of Jesus. As the heavens are open right now, I decree that your blessings manifest physically without delay, all the blessings that the Lord has released, let there be physical manifestation of them all right now without the delay in Jesus' name.

I command your healing and deliverance to manifest physically right now without delay in the name of Jesus. Whatever power that has held you captive for so long, I break its hold upon your life, let that chain be broken in the name of Jesus. Let that padlock of the dark kingdom be broken in the name of Jesus, let your glory be released to shine in the name of Jesus.

Thank you father blessed be your holy name.

I am praying for those of you who are looking for the fruit of the womb, let the child that God would have you to give birth to at this time, let that child appear in your womb right now in Jesus' name. Thank you Father, blessed be your Holy Name in Jesus' mighty name I have prayed, Amen.

10 OCTOBER 2020

Blessed be your Holy Name in Jesus' name, Amen.

PRAYER POINTS

(480). Father I thank you for who you are in my life, I thank you for being the Lord of my life, I thank you because serving you is freedom, serving you is deliverance, it is breakthroughs, success and greatness. Lord, thank you because you are my Lord, you are my personal Lord and savior. Thank you Lord Jesus for being my God, for being my Lord.

I am serving you and I am free, I am not like those serving the devil or darkness, or sin but I am serving you and free. I am serving you and enjoying, I'm serving you and I am protected and healed, I am serving you and I am delivered and my life is moving forward. I thank you for your presence in my life because it has made me what I am today. Father, I thank you for who you are in my life, without you I will not be who and what I am today. Thank you Father, you made me who I am what I am

today, you gave me the life I have today, thank you for who you are in my life even for the salvation of my soul.

(481). Father, you are alone I will serve with my life, keep me in your will and righteousness. Father I will serve only you, I don't care what is happening around me and what the whole world is serving, some are serving darkness pleasure, sin, money, humans but I choose to serve the Lord. Lord I am going to serve you at this time, keep me in your righteousness, keep me in your will, help me to be faithful to walking with you at this time. Help me to be faithful, pure and holy in my walk with you, help me Lord Jesus.

(482). The Lord loves you so much but you might not know that because you have not been spiritual. If you have been so carnal, you might not be able to appreciate the love of God for your life. God really loves you so much but you might not know it because you are in the flesh, if you are in the spirit you will understand how much He loves you.

⇒. Father, deliver me from every darkness that is deceiving me that you do not love me, that you do not care for me. Every darkness that is deceiving me, that God has forgotten me, God does not love or care for me, God does not look at my situation, Lord, deliver me from every darkness that is whispering to me that God has forgotten you. Lord, I believe that you love me, take away that darkness that is deceiving me. God I believe that you love me, I believe that you care for me, deliver me from every voice that is discouraging me, deliver me from that voice that is saying that God does not love you, does not care for you or see you, from the voice that is saying that God does not see what I'm going through and that God does not want to help you, oh God deliver me from the strong voices and open my eyes to see your love. Open my heart to understand that you love and care for me so much, Lord open my eyes to know that you love me so much and that you love my marriage, my family, my children, my spouse and my business. Lord open my eyes for me to see and acknowledge that you love me so much, deliver me from every darkness that is very misleading, confusing and deceiving me, telling me that you do not love me. I believe that you love me and I believe that you care for me, I believe that you are here with me and right here in my life and that you have great plans for me. ***May the presence of the Holy Ghost descend upon you and may your heart be delivered to see and understand how much God loves and cares for you. May this deliverance happen to you tonight in Jesus' name amen**

ISAIAH 40:28

(483). God is never weak or weary, you can be weak and weary, as long as you are in this body you can be weak but your God can never be weak because He has never been weak and He can never be weak. Do not confuse your weakness to mean God's weakness, He can never be weak, in fact He doesn't sleep. Human beings can sleep but still get tired but God doesn't sleep and never gets tired because he is not a man, He is never tired. When you are tired of trusting God, He is

never tired of helping you, He is not weak. You need to pray for understanding of God's commitment toward you, if you do not understand God's commitments towards you, you might think all his promises are fake, all His prophecies given to you through his servants are just fake, but when you understand that He is committed to his people, you will not doubt every word that comes from Him, neither will you doubt Him. He is committed, even to your finances, most of you think that you have to work for every money that you spend but it is not like that, that is not how the Kingdom of God operates. You do not have to work for every money that you have to spend.

⇒. Father, open my heart to understand your commitment towards my life, commitment to help me at this time, your commitment to strengthen me at this time, to lift me up, prosper me, promote me, move my life forward this time, Lord help me to understand your commitment toward my life. Lord, I want to be able to comprehend your commitment throughout my life so that I will work with you in perfection, walk with you in wisdom. Lord, open my eyes to understand your commitment in my life, even in my finances so that I'll be able to trust you more than this, so that I will have greater faith than the one I have right now.

(484). You might be asking yourself why do I need God to help me to understand His commitment? It is another thing for what you have read to come alive inside of you, you can read things in the Bible and just have head knowledge but the kingdom of God is not in your head but it is in your heart and spirit. There are things that you just don't know by your head but by the spirit and by your heart. If you know something by your heart, that thing is true and it becomes part of your life. I feel in my spirit that most of us are in bondage of ignorance, that is why the devil is so powerful in our lives. We do not know the God that we serve that is why the devil is oppressing us.

⇒. Father, deliver me from every bondage of ignorance, help me to comprehend, help me to know you without a doubt, not with just head knowledge but with spiritual experience. Lord, I want to know you, I want to know your commitment towards my life, I don't want head knowledge. Lord I don't want to speak of God from my head but I want to speak of God from experience, from deep knowledge, such a knowledge that I have felt and encountered, a knowledge that I have proved. I want to walk with you on the level of proven knowledge, proven truth. Help me, give me the urgency for that. Lord help me to walk with you by the spirit not by head knowledge. Help me to walk with you to a point that I never doubt you at all, where I fear no devil, no man or anything. Lord help me to walk with you to another level, the level where I know without a doubt that my God is faithful and I know with experience the greatness of my God.

(485). You need the help of God to know God and to walk with Him. We have been so much enslaved and polluted to an extent that God must help us, for us to know Him. This is the season where the knowledge of God shall increase in the earth, this is the season where the glory and knowledge of God shall fill the earth.

⇒. Raise up your right hand. Father, help me to know you. I want to know you very deeply, help me to know you. Lord the help that I need for me to know you deeply, send it to me. You know my weakness, you know where I am so powerless, that's why Lord I'm asking you to help me now because I can't even know you or understand you, because you are too deep and mysterious. Lord, I'm asking that you help me at this time to comprehend your ways, your will, your nature, your personality. Help me to be able to know you with experience, visitations, divine encounters, this is the kind of help I'm asking for right now. s many of you that have asked for this help you shall find it because we are in a season. ***As many of you have asked for this help, you shall find it because we are in season of instant answers to pray. I speak over your life that every help you need now to know God as he knows you, receive that help right now in Jesus' name.**

(486). We have come to the most dangerous and difficult times in the world. In this year 2020 we entered one of the most difficult, serious and dangerous times, and God understands this that is why He has brought from heaven a lot of help for the church. God has brought down from heaven a lot of grace, resources and help, but it is those that know Him, who are aligned with Him that will be able to lay hold of those things because God is taking the church to a deeper walk. I have said it before that a time is coming when those with money will not be able to eat, it is only those who have Jesus, who have a deep relationship with Jesus that will have food to eat. That time is coming that is why God is preparing the church by calling us to a deeper walk with Him because until you get deeper into Him, there are things that can never happen to you. Many of you are business people, some have jobs, children to care for but please do not be distracted. It is now time to go deeper in your walk with God because in a few years you will regret that you did not accept the call to a deeper walk with God. Everything that is taking your attention far from God at that time they will all fail you and it is only those who depend on God that will be safe, those far from God will perish and many will regret because they will lose a lot of things. Billions of dollars will be wasted when that time comes, even the rich will suffer because they do not know God.

⇒. Father, I am ready for a deeper walk with you at this time, a deeper relationship with you, Lord help me and deliver me from distractions. Lord I am ready for a very deep walk with you, a very deep relationship with you at this time. Take me, enroll me into the school of the spirit, I want you to learn, I want to know you. Lord take me into the depths of you, I want to know you, take me away from distractions, worldly entanglement and pleasures, worldly relationships and ungodly friends, and take me into a deeper personal walk with you.

(487). In my walk with God, there has been this one factor that has separated many from God, that has made many enemies of God. What is that factor? Your flesh! Your flesh is the greatest enemy that has ever existed between a God and mankind. The sinful nature, the flesh that is inside each one of us, it took me years to understand how great the flesh is in the times of darkness and evil. I used to think witchcraft,

powers of darkness, marine kingdoms, marine spirit were the most wicked creatures until God began to teach me the wickedness of the flesh and I discovered that among everything that is so terrible, wicked and dark, the flesh is the greatest of them all. Your flesh, your sinful nature is darker than Satan, than all the kingdoms of darkness. Why do I say that? Because it was so easy for Jesus to conquer all those powers of darkness. Why do we have to continue to kill it? We have to keep killing the flesh all the time because it will not leave you alone. This flesh is more terrible than any powers and principalities. Until the flesh is taken out of the way, the flesh is the one that keeps you out of the kingdom of God, until that flesh is turned down you cannot see the kingdom of God and you cannot enter the kingdom of God. The kingdom that I am talking about is already here, it's not like you will know it when you will die.

⇒. Father, deliver me from the power of myself, from the darkness of my flesh, deliver me Lord Jesus, let me be free to know you. Father, turn down my flesh because I am now ready to enter into a deep walk with you, let my flesh be destroyed. Father, let my flesh be torn into pieces and let me be released into a deep walk with you. Oh Lord, destroy the power of sin in my life, the sinful nature, the adamic nature, let your fire destroy it tonight. I'm ready for a very close walk with you, let the flesh be broken in pieces. ***I ask for you tonight for a special grace from heaven to be free from the flesh forever. Receive the grace now in Jesus name.**

(488). God is always strong and if He's always strong it means that everything He started in your life he will finish it. I have seen God coming through in my life in amazing ways, He always says "son I will help you", in the ministry when I'm going through troubles and trials, always He does help me. The words may seem to be too small but they carry a powerful influence on my heart because I know the situations I was passing through, and He told me, He will help me, and in a short period of time, help came. God is someone who does finish what He started, if He promised you something He will do it because He is strong always and He has the strength to do whatever He said, and nothing or no one, not even you can stop him when He says He will do something for you.

⇒. Raise up your right hand. ***The Lord is going to heal some of you right now. I don't know what sickness is in your body God is telling me right now but you should get ready for instant healing. He wants to do it even without me praying for you.**

-Father, let your strength manifest in my life and let it begin to operate and perfect every good thing in my life, let your strength complete them. Let your strength finish and complete every project. Let the strength of the God of Israel manifest in my life, destiny, finances, marriage, body, soul, and spirit, strength of God manifest right now. The strength of the living God, manifests in my life. ***The strength of the living God of Israel, manifest in the lives of your people, our God, I am asking you to let your strength manifest now. Strength of the Most High manifest, complete every work you have started, perfect every good thing in the lives of your people, bring those good things to perfection in the name of Jesus.**

(489). What does it mean when we say God never grows weak or weary? It means He's a God of complete deliverance. I saw the hand of God, that time I was unable to hold a prayer session and everyone prayed for me, I saw that He is a God who saves you completely, He does not stop until he saves you completely. He is strong enough to deliver you, save you, heal you completely, He does not believe in partial healing or partial deliverance, it does not exist in the kingdom of God, except you don't want to be delivered completely, but God is a God who delivers people completely because He is strong enough to do that. God wants to do exactly as you say to Him, that is the season that we are in, where He will do what you want.
⇒. Father, manifest in my life as the God who delivers completely, as the God who heals me completely, who saves me completely, Lord I want to see you as that God. Lord I want to see you as a God that saves me heals me not partial healing or deliverance, I don't believe you are a God of partial healing or deliverance, Lord I know you are the God of complete healing, I want to see you as that God of complete healing. Lord manifest in my life, career, marriage, business, lives of my children, spouse, parents, (mention the name of those you are believing for healing and deliverance). Lord Jesus manifest in the lives of my life of my children, the God of complete deliverance and healing, the God who does not stop healing or delivering until he has finished it, Lord manifest yourself as the God of complete healing, deliverance and victories in my life and the lives of my family, spouse and parents. Lord it is time for me to be free indeed, the Bible says, when the Son sets you free you are free indeed. God I want to see the Jesus that heals, delivers, saves completely not the one who heals some of the sickness but the one who heals all sicknesses, delivers all, this is the kind of Jesus I want to see, deliver me completely Lord.

(490). God cannot be stranded, poor or void or lack anything He needs. Whatever God needs he will have it when He wants it, and how He wants it. The Bible says, "worthy is the lamb that was slain to receive power, wealth, riches, strength; meaning that everything that God needs, He receives them, He has them, He can never lack anything. That also means that whatever He needs, God can give it to you even when everyone on earth is your enemy and no one wants to help you, but if your destiny or life needs something, God can provide it for you. He is not weak to give you what is needed except you don't need it.
⇒. Father, let your mighty, strong hand begin to produce, create and provide all that I need at this time 1) to survive, 2) to move forward, 3) to fulfill destiny. (these three things are the most important to your life, make sure you mention them). Oh Lord, all that I need to survive, all that I need to move forward, and all that I need to fulfill destiny, let your mighty strong hand begin to create and provide them right now in the name of Jesus. Lord all that my life needs now, destiny needs now, calling needs now, Father let your strong mighty hand provide for them because you are not weak, you cannot be stranded, you are not poor, there is nothing that I need that you do not have, so God let your mighty hand begin to provide it. If they are not available anywhere, let your mighty hand create them and deposit them into my life. Lord, I

trust in who you are, help me Lord. All that I need to survive, move to the next level of my life, all that I need to fulfill my destiny, let your mighty hand provide them because you are not poor and cannot be poor, you have everything. ***All that you need to survive at this time, let the hand of God give it unto your life right now and forever in Jesus' name. All that you need to move forward to the next level that God has prepared for you, let the strong mighty hand of the Most High supply them all right now in Jesus' name. All that you need to fulfill your purpose in life, your calling and destiny, let the strong mighty hand of God release it upon you right now in Jesus' name. And this prayer shall remain and happen to you in Jesus' name.**

VERSE 29

(491). Father, give me power to prevail in my weaknesses, power that will subdue my weaknesses, Lord give it to me. Power that will suppress and eliminate my weaknesses, power that will terminate my weaknesses, Father give me power because that is what you say in the scripture. Lord I'm praying your scriptures back to you, your word says you give power to the weak, oh God give me power. I acknowledge that I am weak in so many things, in so many ways, Lord it is time to have power, it is time that I'm no longer weak, oh God give me the power of God. Give me power to prevail in my weaknesses, give me power now. Power that is going to end weaknesses in my life.

(492). When there's power in your life, you will not be rising and falling.
⇒. Father I am tired of rising and falling, I don't want to be strong today and weak tomorrow, I don't want to be happy today and sad tomorrow I don't want to be joyful today and sorrow for tomorrow. Lord I am tired of being on and off, rising and falling, one step in light and another step in darkness, I am tired of being hot today and tomorrow cold, Lord manifest your power in my life, release your power upon me and let me stop falling, let me continue to rise. Lord I choose to rise, Lord I refuse to rise and fall, let your power come upon me and let this power continue to make me rise and never fall and never come down. Lord let this power come upon me right now in Jesus' name.

(493). This time that we are in, is not for the weak. It would have been better if you were not born at all than that you are born and you are existing in this time we are in right now and you are weak. It is the most dangerous thing that can ever happen to you for you to be in this time and you are weak. I say this because a lot of operations of the dark kingdoms are going on against the church so that you can't afford to be weak not even for a minute.

⇒. Father put your power upon me so that I cannot be defeated by the darkness of this time, so that I will never be defeated by the darkness of this age. Lord, put your power upon me that I may be victorious at this time, that I will not be defeated by the darkness of this age, Lord put your power upon me, empower me Lord Jesus.

(494). I know a lot that is happening out there and you cannot afford to be weak because if you are, then the kingdom of darkness is going to get you and they will destroy you. They will pollute you, corrupt you in fact, the darkness that is out there will kill you, that is why I hate to see Christians who are weak. Because I hate weakness, that is why I am victorious in Jesus' name.

⇒. Lord Jesus, do an operation in my life and remove every source of weakness, every instrument of weakness that is in my life. Lord perform and search deep in my life and begin to uproot every instrument, object of weakness, pull them out Lord right now. Every plantation of witchcraft, satan, and darkness Lord pull them out of my life. Whatever that has been buried into my life, that has been making me weak every time, Lord dig into my life right now and pull them out. In my body pull them out, in my soul and in my spirit, pull them out, I refuse to be weak at this time.

(495). There is a kind of faith that generates strength, that is why when Paul the apostle asked the Lord to take away a messenger from his life that was causing weakness, God said, He will not take it away because the grace was sufficient for him. He said my strength is made perfect in your weaknesses meaning that is a kind of faith that manufactures strength in the midst of your weaknesses. Sometimes it is that faith that gives you strength not that you won't be weak but when you are weak by faith you suddenly become stronger. I remember the time we did the 10 days prayer and fasting, there are times I was so weak, I did not have the strength to lead the prayer sessions but I did not look at the weakness which was in my body or whatever it was, but I trusted in the strength that is in the Lord and then suddenly I was strong such that you never would have known I was not as strong, as I was leading the prayers. You need faith that can manufacture or generate strength in the midst of weaknesses.

⇒. Father give me faith to be strong at all times irrespective of whatever happens to me or whatever situation I face, oh Father, give me faith to be strong at all times. Father give me the faith that creates strength, give me the Spirit of faith, the kind of understanding, a faith that manufactures strength in me when I am weak, Lord give me that faith.

(496). Strength to the powerless means when something is missing in your life and because that thing is missing, people are ready to mock you and despise you because that particular thing is missing. When God gives you that thing you become strong, for instance when God gives you money, you become stronger than poverty because poverty is weakness, lack is weakness, when you are in debt you are always in weakness but when God gives you money you are stronger than poverty, debt and lack.

⇒ . Raise up your right hand. Father every good thing that is missing in my life that has made me weak financially , mentally, spiritually, in my prayer life, career, and business, oh God in your mercy, by your mercy supply them unto me. Lord Jesus supply them, Holy Ghost supply every good thing that is missing in my life at the moment that has made me so weak, so weak in my spiritual walk with you, weak in

revelations, wisdom, understanding, knowledge of you, in my marriage, oh God bless me with that thing, bless me with those things in your mercy. Please have mercy and bless me with those things.

(497). Anointing is real, for example when I am praying and the power of God touches you wherever you are, that means the anointing is real. There's an anointing that helps your life to move forward. There are some people whom nobody taught them anything, they just know it without being taught that skill or ability because when anointing came upon them, they just knew it and began to do things everybody is blessed with and everybody is looking for, because they seem to know how to do that thing more than anyone in the world. There is an anointing for everything that is inside your destiny.

⇒. Raise up your right hand. Father, place an anointing that produces excellence in everything I do and in everything I am supposed to be, in everything you have called me to be. Lord send that anointing upon me, oh God of Israel, that anointing that makes a difference in everything I do, that makes me exceptional for greatness, oh God of Israel release that anointing upon me right now. ***Lord release that anointing upon your people and let them excel in everything you have called them to be and in everything they're currently doing, thank you Father in Jesus' name.**

I am praying for you, that whatsoever you lay your hands upon from today shall begin to prosper and excel and succeed in the name of Jesus. Go and fulfill your destiny, go and succeed forever. Go and possess your possessions.

ACTS 10:38

(500). The Holy Spirit was showing me that if Jesus Christ was anointed and he went about doing good, it means we as Christians we are meant to do good too, do the same things Jesus went about doing. Because we are residing inside of Jesus Christ, so if Jesus went about doing good we are also to do that. Jesus said that those who believed in Him will do the same works that he did even greater works than what He did.

⇒. Place your right hand on your head. Father the same anointing that you placed on Jesus Christ, that made him to go about doing good, Father, place the same anointing upon me tonight. Let the same power, the same anointing of the Holy Ghost come upon me right now that I may go out doing good as Jesus was doing good. Lord the anointing that was upon Jesus that enabled Him to do good, to prosper, Lord let the same anointing come upon me right now. The anointing to do

good, the anointing to prosper everywhere I go, everything I touch, anointing to do good come upon me right now in the name of Jesus.

(501). What makes Jesus different is the anointing. If you are going to be different then you must be anointed, if you're going to prosper in a wonderful, unusual and excellent way, if you're going to have a breakthrough in a miraculous way, you need the anointing.

⇒. Raise up your right hand. Father, I want to make a difference in my generation, I want to be different, I want to prosper in an unusual way, I want to make progress in a miraculous way, oh God let the anointing for this come upon me right now. Lord I want to be an extraordinary Christian, a supernatural Christian, I want to achieve success in an unusual way, I want to achieve breakthrough in an uncommon way, Lord the anointing for exceptional victory, let it fall upon me right now in the name of Jesus. The anointing to do great works here on earth, Father release it upon me right now in the name of Jesus.

(502). There's always an anointing to fulfill a requirement the Lord has called you to do in this world, here on this earth. There's an anointing that will enable you to carry out the assignment the Lord has given you successfully.

⇒. Father the anointing to carry out the assignment you have committed into my hands, to fulfill your calling upon my life, Father release that anointing upon my life right now. The anointing to fulfill my destiny, to carry out my divine assignment, for the release that anointing upon me right now, let that anointing come upon me right now, let it possess me right now. Anointing to do the work you have given me to do, anointing to succeed in my ministry, career and business, fall upon me, Lord Jesus put it upon me.

(503). One night the Lord was telling me that without my Spirit you cannot do my works, He said so because I was asking him to give me His works so that I can do his works for him. There's a difference between doing something for God and God giving you His works to do. Some people are just doing everything they can do for God but that is not what God wants them to do. So I was asking Him to give me what He wants me to do for Him because I didn't want to be busy doing many things whilst it was not what He wanted me to do. He then told me that you cannot do my works without my Spirit, I didn't understand what he meant. He then began to tell me, for example, how would a goat do the work that a horse does except that goat becomes like a horse. You cannot do what you cannot do. If you are not in the spirit there are things you cannot do. (it's like I am putting on the Spirit of Jesus and I can do what Jesus can do, He said without His spirit I cannot do His works.) I am here on earth trying to do what only Jesus can do, so for me to do that I have to put on the Spirit of Jesus, because it will not be me doing it but it will be Jesus doing the work. That means I cannot do anything that Jesus can do without the Spirit of Jesus upon me. What can make me do what only Jesus can do is for me to carry the Spirit of Jesus because it is the Spirit that will move me to do His works. The Spirit of God comes

upon us to do what human beings cannot do, what your natural person cannot do but what only God can do. That is what it means to be anointed, when the Spirit of God comes upon you it is God working not you.

⇒. Father let the Spirit of Jesus Christ come upon me to do the works of Jesus Christ on this earth. Father, let the Spirit of Jesus Christ come upon me right now and enable me to do the works that only Jesus Christ can do, let the Spirit of Christ come upon me to move me to do them. Lord put upon me your Spirit that I may be able to do what human beings cannot do, what flesh and blood cannot do but only what Jesus Christ does, that I may begin to walk in the realm of the supernatural, that I will begin to walk in the realm of possibilities. Lord put your spirit upon me. The Spirit of Jesus Christ, come upon me right now. ***I decree that where you are in the name of Jesus, by the mercy of God, let the Spirit of Jesus Christ possess you right now in Jesus' name. The Spirit of Christ, the anointing of Jesus Christ, let it fall upon you right now in Jesus' name for manifestations of great signs and wonders, receive the anointing in Jesus' name.**

(504). What are the things that Jesus went about doing? He went about healing, delivering, and saving souls. I see the Lord raising from among you, great men and women of God that will go about doing the works of Jesus. There is an anointing that destroys every yoke, when it comes upon you it is going to destroy all the yokes in your life and then it will continue from there ministering to other people. The anointing will deliver you and then will turn you to a deliverer. There is an anointing that does that and that anointing is Jesus Christ, it is the Spirit of Jesus Christ.

⇒. Lord Jesus fill me with your Spirit, your anointing to be able to go out and do the same works that you did, the anointing to go out and heal the sick, cast out devils, raise the dead, save souls, oh Lord Jesus let it come upon me, fill me with that anointing. Anointing that breaks the yoke, that heals the sick, that delivers the oppressed, anointing that changes lives and destinies, that destroys barriers and limitations of darkness, anointing that gives people freedom from every captivity, oh God let that anointing come upon me. Lord I receive that anointing in Jesus name.

ISAIAH 61:1

(505). There's an anointing that makes God to manifest. Everywhere you appear, God manifests, when you speak it's not you who manifest but it's God, when you pray, God manifests. There is an anointing that enables manifestations of God in your life, career, calling and ministry. That anointing enables you to manifest God in your generation.

⇒. Raise up your right hand. Father, that anointing that will enable me to manifest you to my generation, Lord let that anointing rest upon me tonight. The anointing that will enable me to manifest God in my generation let that anointing rest upon me forever tonight. Anointing for God manifestation, fall upon me right now in the name of Jesus, anointing for God manifestations in my family or home, marriage, career, calling and ministry, the anointing to manifest God in the face of the world, in the face of principalities and powers, to manifest God before the darkness of this world, to

manifest God before the enemies of my destiny, let's such an anointing fall upon me right now in the name of Jesus.

(506). What makes you do the things mentioned in this verse is the anointing and that implies that it is no longer you doing those things but it's God riding upon you. Just like a horse rider rides upon the horse to carry out missions, that's the same way when you are anointed. God comes upon you and rides upon you to do things, that is why God says touch not my anointed and do my prophet no harm because the anointed is a divine instrument in the hand of God, he is so special to God because God rides upon him to manifest Himself. Some of you God wants to use you to deliver your entire family. You are the one who is supposed to deliver your family, the people in your family that are in bondage. You do not know the reason that you are saved is God wants to use you to deliver every other person in your family but the you that God wants to use is still in bondage. Because you don't understand the place of the anointing in the life of a Christian, not only that it delivers you alone but it also turns you into a deliverer, but you have to be delivered first. ⇒. Father let an anointing that breaks every yoke of darkness come upon me right now, let an anointing that destroys every yoke of the enemy, every captivity of the enemy come upon me and deliver me and turn me into a deliverer. Lord the anointing that once it comes upon me, it destroys every work of the enemy, Lord, let such an anointing come upon me right now. Anointing that destroys every yoke of the enemy, anointing that breaks captivity of years of darkness, let it come upon me right now, let it deliver me and turn me into a deliverer of people that are in bondage. Lord I need that anointing that will make every captivity be broken into pieces in my life and in the people's lives who come in contact with me. ***Receive the anointing in Jesus' name.**

ISAIAH 61:2

(507). God is angry especially with the works of the devil, operations of darkness going on in the world and everywhere. He is angry against those operations and works, so the anointing He is going to manifest upon you is to carry out God's vengeance here on earth. God is angry about so many things, against so many people, so many operations and he wants to anoint you so that you will manifest His anger, you will carry out his vengeance. As you will be praying under that anointing, the judgement of God will begin to happen here on earth against those things and personalities.

⇒. Father my spirit, soul and body is available for your anointing, let an anointing that will enable me to manifest your anger and vengeance against the works of the devil in this earth, let it come upon me. anointing that will enable me to carry out the judgement of God here on earth, let it come upon me right now. Lord the only thing that will enable me to manifest your judgement against spiritual wickedness in high places, to manifest your vengeance against wickedness, evil and darkness prevailing in this generation, let that anointing fall upon me right now. Anointing that will enable me to manifest the anger of God against witchcraft operations, marine spirits, the

antichrist, Satan and all his works, let such an anointing fall upon me right now in the name of Jesus.

ACTS 10:38

(508). To be anointed with the Holy Ghost means to be anointed with the Spirit of direction that leads you. The Holy Ghost directs you, anointing gives you direction. Christians are not people who are to be confused or deceived, because of the anointing. The Holy Ghost leads us, that's why we are not confused or deceived. If the Holy Ghost is not leading you then your Christianity is not complete because the Bible says Romans 8:14 for as many are led by the Spirit of god, they are the sons of God. There is an anointing that enables the Holy Ghost to lead you in everything you do, will lead you everywhere you go, and what you say or how to dress.

⇒. Father place upon me right now, the anointing that enables the Holy Ghost to direct me, that enables me to be led by the Holy Ghost everyday of my life, oh God, let that anointing come upon me right now. Oh God of heaven and earth, the anointing that enables the direction of the Holy Ghost, inspiration of the Holy Ghost, that enables me to be led by the Holy Ghost to hear the voice of the Holy Ghost let that anointing fall upon me. ***Anointing to hear the voice of the Holy Ghost, anointing to walk by the direction of the Holy Ghost, anointing to be moved by The Holy Ghost, let it fall upon everyone right now in the name of Jesus. The anointing is here, receive it.**

(509). To be anointed with the Holy Ghost means to pray in the Holy Ghost. It enables you to pray in the Holy Ghost. Not many Christians are praying in the Holy Ghost that is why we are not seeing many miracles, signs and wonders, that's why we do not record many victories.

⇒. Raise up your right hand. Father put upon me, upon my spirit, body and soul, an anointing that will enable me to pray in the Holy Ghost, let that anointing fall upon me right now, let it rest upon me in the name of Jesus. Anointing that will enable me to pray in the Holy Ghost, oh God of Israel put it upon me. Anointing that will enable me to prophesy, pray in the Holy Ghost, let that anointing fall upon me right now.

(510). To be anointed with the Holy Ghost means to be anointed to see in the Holy Ghost. The Holy Ghost will illuminate your eyes and heart to see and discern spiritual realities that are beyond the human eyes.

⇒.Father place an anointing upon me right now that will enable me to see in the Holy Ghost, to see visions in the Holy Ghost, to see mysteries, to discern accurately, to discern with clarity in the Holy Ghost. Lord place upon me an anointing that will enable me to see in the Holy Ghost, to discern spiritual realities in the Holy Ghost by the Holy Ghost, let that anointing come upon me right now. Anointing to see deep into the mysteries of the spiritual realm, let that anointing fall upon me right now in the name of Jesus.

(511). God anointed Jesus Christ with power. To be anointed with power means that by the anointing you can do powerful things, you can channel the power of God. The power of God flows through you and can work miracles through you because miracles happen by power. There is no miracle that God does that does not happen by power, there's no breakthrough or prosperity that doesn't happen by power except it's not God who does it. The anointing enables you to manifest the power of God and when power manifests, miracles happen. If power does not manifest then the miracles won't happen. The reason why some prayers have not been answered up to now is because there is an absence of power. When there is power there are miracles, deliverances and healings. There's an anointing that comes with power, an anointing that manifests power.

⇒. Raise up your right hand. Father put upon me the anointing that will enable me to manifest your power in this earth at this time. Anointing that will enable me to demonstrate power, to release power, to work miracles by your power, Lord let that anointing fall upon me right now. Anointing that will make my prayer carry power, that will make the utterances of my mouth to carry power, that when I speak there is power, when I pray there is power, when I prophesy there is power, whatever I am doing there will be powerful. Such an anointing that will make me work in power and demonstrate the power of God at this time, let that anointing come upon me in the name of Jesus.

(512). To be anointed with power also means you become a solution to people's problems. God begins to use you to solve problems in people's lives. Problems will not be solved except they are exposed to the power of God. It takes power to change lives, win souls, heal the sick and to solve problems.

⇒. Father by the reason of your anointing, let my life be equipped with power to solve problems in my generation. Oh Lord by reason of your anointing let me be equipped to solve problems in the lives of your people, problems that doctors cannot solve, problems that people cannot solve, Lord equip me to solve that problem right in my generation. Problems prevailing in my generation, problems that have crippled my generation, captivities that have enslaved men in my generation, Lord the anointing to go where these people are, where the sick people are and heal them, the anointing to become a solution to my generation, oh let it come upon me. By the reason of your anointing, enable me to solve problems in the lives of men.

(513). Jesus went about doing good. The Holy Spirit was explaining to me about what doing good means, that you are doing the will of God per time. For instance, everything that happens today according to His will, He begins to use you to make them happen. Every good thing that God wants to happen today in the world, He will use you to make it happen, that is what it means to be doing good. Meaning that you are authorising the manifestation of every word of God on earth, God is using you to authorise the manifestation and appearance and fulfillment of every will of God.

⇒. Father by the reason of your anointing, let me become an instrument that you will use to make your will happen everywhere, everyday of my life. Oh God by reason of

your anointing, make me such an instrument that you will be using to authorise the manifestation, appearance and performance of all your will here on earth, on a daily basis. Oh God of Israel, that I will go about doing good, about what you want to see happening on earth, oh God let me be that man that you will use by your anointing.

(514). He went about healing all that were oppressed by the devil. Apart from the anointing, what made Jesus to do all these things? Answer is in the next statement, for God was with him. There must be a very strong intimacy between you and God at this time, even for the anointing to work in your life as it should, for that power of the Holy Ghost and power to work in your life as it should, there must be a very strong connection, a very strong bond between you and God.

⇒. Father let there be a strong bond between my heart and your heart, take me into a heart fellowship with you, into a deep fellowship with you. Oh God of Israel, draw me close to your heart and let there be a strong bond between my heart and your heart, let there be strong intimacy between my heart and your heart. Lord I want to be very close to you, draw me closer to you, very close to your heart, draw me closer Lord Jesus.

ISAIAH 40:30

(515). Human strength will fail. Usually the young people are the strong ones because they still have energy to do many things that the old ones cannot do. The Bible says that even the strength of the youth will fail. In these last days if you still depend on human strength, you should get ready to fail because in these last days your human strength will take you nowhere. There's a strength that comes from God that will take you far in life.

⇒. Raise up your right hand. Father I do not trust in my own strength, Father establish your strength in my spirit, soul and body and let me be victorious at this time, let me succeed and prosper at this time. Lord I know I can achieve nothing with my strength, there's nothing I can do with my strength, but with your strength I can do all things, oh God establish your own strength in my spirit, establish your strength in my soul and body that I may be victorious in these last days. To overcome the powers of darkness, establish your strength in me oh God of Israel.

(516). The youth too, become weak and tired. This means that no matter how strong a person is, they cannot continue to work at a stretch, you will get tired. You cannot continue to run or jump without getting tired, despite how strong you are because you're not a machine. Even machines need to rest and be serviced but there is a strength in God that never gets tired. In the realm of the spirit, the longer you pray the stronger you become, it's not the longer you pray the weaker you become. When you are praying by the strength of God, you can pray for 10-12 hours and you will still be strong, the reason why you will still be strong is because it is not longer you anymore but it is the strength of God. I don't know if you want the strength that never gets tired?

⇒. Place your right hand on your head. Father breathe upon me your everlasting strength that never gets tired, breathe upon me this kind of strength that never gets tired right now. Strength that does not get tired, that is not exhausted. Lord transfer that strength upon me right now in the name of Jesus, for me to carry out every good thing you have called me to do here on earth, for me to labor and walk without getting tired or weary. Oh God, let there be impartation of an extraordinary strength, everlasting strength, supernatural strength, such a strength that does not get weak, Lord that is the strength I desire at this time, release that strength upon me, thank you Father.

(517). Here's an example, physically operated or demonstrated was this kind of strength by the man Elijah. The Bible says Ahab was riding in his chariot and driving at high speed and Elijah was running on his feet and was able to meet up with Ahab on his chariot and even managed to overtake him. That was not human strength anymore, he was able to meet with Ahab and overtook him. If there is any man or woman that is going to achieve great things in these last days, you cannot do it with your human strength. Whoever wants to go far cannot achieve it with human strength.

⇒. Raise up your right hand. Father, I want the strength that sets me on a divine speed to achieve great things for you and your kingdom at this time. Lord put upon me the strength that will enable me to move with strength and speed to accomplish great things at this time. Lord let the the impartation of such strength that will enable me to move with speed come upon me. When I am prophesying or praying, I want to do it with speed, and my prayers are getting answered with speed, miracles happening with speed, breakthroughs happening with speed. Lord, I want an impartation that will enable me to work with divine speed at this time, that everything I do will succeed with speed everything will prosper with speed. Such a strength that will enable me to function with the divine speed, when I pray to pray with the wind speed, and miracles happening with the divine speed, Lord lead such a strength that makes such things to happen, come upon me in Jesus' name.

VERSE 31

(518). The kingdom of God is not based on trial and error, but it operates with realities and principles that works. The kingdom of God operates with power and strength that works not on assumptions, trial and error. There is a strength that enables you to fly and when you have that strength, you fly like the eagles but when you don't have it you cannot fly. When you have the strength, you know that you have it and you know that by this strength, I can fly. There are things that happen to you in the realm of the spirit and you will know them without anybody telling you, you will know that with this strength, that just happens to me, I can do this or that and you know it without a doubt. I was telling someone that with what is happening to me right now, I know what I can do and I don't need to doubt. I know what God can use me for at this time and it's not about trial or error, it's what I know and it will happen. What I'm trying to say is, this is the strength that you will receive in you and you will

know that you can fly, it's not like you will be doubting but you'll be certain. It's a strength that enables you to soar high in the realms of glory, in the realms of God.
⇒. Father the strength that enables me to fly, let that strength possess me right now. The strength that enables me to operate on a high-level, not on a low level, let that strength possess me right now. I know that the strength is real, Father the strength that enables me to function by the high spiritual level, on a high level of power, grace and authority and glory, Father, let that strength possess me right now. When I prophesy, I prophesy from a high level; when I see visions, I see from a high level; when operating in spiritual gifts, I operate from a high level; when I pray, I pray from a high level. Let's such a strength possess me right now.

(519). When the Lord sets you on a height you don't fall because he keeps you on that height. When He sets you on a height, you don't turn against God, you do not start disobeying Him, when you continue to keep walking with Him, He will keep you at that height. He will make you keep growing high and higher, that is how the strength of God operates. It keeps you growing higher and you are not limited.
⇒. Raise up your right hand. Father let the strength of yours that leaves a man higher and continues to lift him higher, Lord let that strength possess me right now, let it come upon me, my career, business, calling and ministry. Father, that strength of yours that lifts up men, that raises up a man and continues to raise him high and higher, oh God let the strength fall upon me, let it come upon me, let it possess me, my spirit, soul and body. Let it possess my finances, businesses, career and ministry right now in the name of Jesus. The strength that lifts up a man and continues to raise them higher and higher, let it come upon me Lord Jesus, in Jesus name.

You have confirmed by your Spirit that this is the time of God manifestation, where God manifests through human beings.

No one shall be able to stop you anymore, anyone that will appear to stop you, heaven will remove that person. Anything or any personality that will appear to stop you from moving forward, heaven uproot that personal or personality from your way in the name of Jesus.

Promotion and prosperity shall be yours in the name of Jesus. Authority to possess your possessions, receive it right now in the name of Jesus. Anointing to break new grounds for God, to go into new places and take those territories for God, receive the anointing right now in Jesus' name.

Every power that is controlling the affairs of your life negatively, every power trying to confuse the journey of your life, I decree let fire fall from heaven and arrest them, destroy them in the name of Jesus. You shall excel at this time says the Lord, and no one shall stop you, no power shall stop you, no demon shall stop you, but you shall rise and you shall succeed, you shall Excel in the name of Jesus.

Thank you Father, because we know you have answered, blessed be your Holy Name in Jesus' name we have prayed, Amen. In Jesus' name it is done, Amen

Thank you Father because you shall do greater things. ***Thank you Father that you will do great things for everyone on this platform even those who will read of this prayer bulletin, thank you because you shall do great things for us all in Jesus' name.**

ENFORCING THE WILL OF GOD INTO YOUR PRESENT TIME

(521). The will of God for you at this time that you are in right now, we are enforcing it into physical manifestation. Maybe you are 30, 16, 90 and 15 years old; there is a will of God for your age at this present time you are in.

⇒. Father, in this present moment of my life, in this very hour, this very time of my life, let your will for this hour of my life, for this present age of my life, manifest. Lord your will for this present moment and season, age of my life, oh God let it prevail with power, let it happen with power. Lord with divine force, divine fire and power, let your will for my life, destiny, calling for this very hour, for this very day of my life, let it begin to happen to me by fire, by power, by force. The will of God for the present time of my life, begin to happen right now in the name of Jesus, manifest by fire. The will of God for this present moment of my life, manifest by fire in the name of Jesus. The will of God for this present moment of my destiny, manifest by fire in Jesus' name. ***The will of God for this hour of your life, let it manifest right now by fire in your life in Jesus' name.**

(522). Even as this year 2020 is about to finish, there is a will of God for it.

⇒. Raise up your right hand. Father let the will of God for the year 2020, for my life in this year, all that you have in your mind to happen for me in this year, oh God of Israel, let them begin to manifest right now with speed, with fire power. All the will of God for my life and destiny in this year 2020, manifest by fire, by speed in the name of Jesus. Manifest by divine speed, divine fire in the name of Jesus ***All the will of God for your life and destiny in this year 2020, I command them to manifest right now with speed in the name of Jesus. Before the end of this month and next month, let all the will of God for your destiny and life manifest with speed in the name of Jesus. Everything that must happen to you this year, by the will of God, I release them into manifestation for you in the name of Jesus, and so shall it be in Jesus name.**

(523). The Spirit of God is telling me that even the will of God for 2018 has not yet happened in your life. Even though we are praying for the will of God in this year 2020, the Spirit of God is saying in some of you's lives, the will of God has not happened for three years back. This means that they are things that have been delayed or hijacked in the realm of the spirit from happening to you.

⇒. Father, in this very month that I am in, every miracle that should have happened to me before now, every miracle that has been delayed in my life and destiny, oh God by your mercy let them manifest in my life in this month, every miracle that has been delayed, every blessing that has been hijacked and destroyed by the enemy, oh God, let them manifest in my life in this month, release them on to me. Lord restore them, let them manifest to me. Every good thing, good opportunity, good gifts and blessings that have passed me by in the years past, Lord, let them come back to me right now, Lord channel them unto me, restore them right now in the name of Jesus. ***Every blessing that was stolen, withdrawn, not allowed by the enemy to get to you, wherever they are; I decree and I declare, let the hand of God command them to be released unto you right now in Jesus name. Let the hand of God move them**

unto your dwelling place. Let the hand of God channel those blessings to come upon you in the name of Jesus.

(524). In the name of Jesus, I come against every darkness that is limiting the manifestation of the will of God for this present time in my life. Every darkness that is stopping them from appearing or manifesting, let fire consume them. Every darkness, demon witchcraft, power, divination, sorcery, spell, curse, and covenant of darkness that is stopping the manifestation and appearance of the will of God in my life for this time that I am in, let the fire of God destroy them all. Whatsoever is blocking and limiting the manifestation of the will of God for me at this time of my life, let fire consume that thing. Whatever creature, system, power, darkness, or evil; whatever is standing to stop the manifestation of the will of God in my life for this moment I am in, let fire consume them right now, let the Holy Ghost fire destroy them right now in the name of Jesus.

MATTHEW 6:10

(525). The will of God is first of all established in heaven before it begins to appear here on earth. Your destiny, calling, ministry, career and everything you will become in this world has been established in heaven even before you were born, though they were established in heaven, they have to appear on earth, that is how you will live a fulfilled life. Everything that has been established in heaven for you must appear on earth, it must come to pass.

⇒. Father, every good thing that has been established in heaven for me, for my career, calling and destiny, oh God, let them begin to appear in my life right now. In the name of Jesus, every good thing, good blessing, great thing that has been established in heaven for me even before I was born, oh God, let them happen to me right now, let them appear in my life right now, let them manifest in my life right now by fire. Great things that have been established in heaven for me for this hour of my life, for my destiny right now, in the name of Jesus let them begin to appear, happen to me in the name of Jesus.

(526). The angels attached to your life and destiny, their mission is to ensure that what has been established for you in heaven should happen as it is in heaven here on earth. We want to connect to those angelic realms by raising up your right hand.

⇒. Raise up your right hand. Father let every angel attached to my destiny be mobilized right now to carry out all that must happen to me at this time. All that should have happened to me by now, all that must happen to me at this time, oh God mobilize your angels to carry those things out. Ancient of days, mobilize all the angels attached to my destiny and calling to carry out all that should happen to me by now. All the good things that should have happened to me by now, mobilize the angels. Every angel attached to my destiny, receive the divine mandate right now to carry out everything that has been established in heaven for me, receive the mandate of God to do them all right now in the name of Jesus.

(527). Place your right hand on your head. In the name of Jesus, whatever evil has been done to alter the divine destiny, to contradict, to stop or manipulate my divine destiny in God, let fire destroy that evil right now. Every evil done to alter, destroy, manipulate and cancel my divine destiny in God, let fire consume them right now in the name of Jesus. Every evil that has been done to contaminate and pollute my divine destiny in God, to corrupt my divine destiny in God, let fire consume them right now in the name of Jesus. Every evil that was done on the day I was born or before I was born to stop my divine destiny in God, to limit my divine destiny in God, let fire consume them right now. Every witchcraft, initiation, divination which was carried out from the day I was born or whilst I was in the womb to alter and destroy my divine destiny in God, let the fire of the Holy Ghost destroy them right now in Jesus' name.

(528). In the name of Jesus, I receive the fulfillment of all the promises of God for my life. I declare the fulfillment, I pronounce the fulfillment of all the promises of God, the prophecies of God concerning my life and destiny. I receive the fulfillment, I declare the fulfillment, I pronounce the fulfillment in the name of Jesus. All the blessings, all the promised blessings, all the promises, the prophecies of the Lord concerning my life and destiny, I receive their fulfillment right now, I decree the fulfillment right now, I pronounce it, I claim it in the name of Jesus. All the promises of God written in the scriptures, all the promises revealed in the dreams, all the prophecies spoken by servants of God, I receive their manifestation right now in the name of Jesus.

(529). Thy will be done on earth as it is in heaven also implies that there is a plan of God for every Christian, it's a plan, a design of God. Everything has been perfected inside that plan, everything that will happen to you, the places you will go, people you will meet, have all been perfected in the divine plan for your life before you were born. That is the will of God for your life and it is supposed to be the same as God has planned it in heaven before you were born, it is meant to be that same will that would happen to you here on earth. If there is an alteration there might be serious problems to the fulfillment of your divine purpose. For example, if you are supposed to meet somebody and you didn't meet that person, there will be a lot of things that will never happen to you because they would only happen when you meet that person. There's something in the plan of God for you for this moment of your life.
⇒. Father, have mercy upon me, look upon me by mercy and let nothing in your plan for my life go without happening to me, let nothing in your original plan for my life before I was born go unfulfilled. Lord have mercy upon me and let none of them go unfulfilled. Lord all that you have planned, let none of these things go unfulfilled, Lord by your mercy let everything you have planned to happen to me before I was born by your mercy. I know I have misbehaved, I know I have wronged you in many ways and I have done things I shouldn't have done but Lord, I am asking that you have mercy upon me and ensure that everything happens as you have planned. Oh God of Israel, have mercy, look upon me in your mercy and make sure none of your plans for me go unfulfilled. Lord help me by your mercy.

(530). There is a realm where prayers are answered and if God is going to be using you in the realm of miracles you will surely be exposed to that realm. When God exposed me to that realm, I discovered that there is a power that enforces God's will to appear on earth. If that power is absent in your life, everything that God wants to do, you will be hearing of it but it will not manifest. Prophets will keep telling you what God wants to do and you will keep hearing it for many years and nothing will happen because the power that will make them happen is missing. The Word of God cannot be done except by power, what makes the will of God is power and you need that power in your life. You need that power to manifest in your life, for the will of God to appear and become a reality.

⇒. Raise up your right hand. Father let the power that releases miracles into manifestation, let it manifest in my life right now. Lord let this power manifest in my life right now. Lord the power that gives birth to miracles, the power that enforces miracles into manifestation, oh God, let It be explode in my life, let it manifest in my life, in my spirit, soul and body; in my career, calling, ministry, marriage and finances. The power that makes miracles happen, explode, manifest, happen in my life right now in the name of Jesus. The power that makes signs and wonders happen, visit my life right now in the name of Jesus. Lord let this power arise and manifest in my life in Jesus' name.

(531). Time is more spiritual than it is physical. Some days ago I was rushing to do some things and the spirit of God was telling me that in the kingdom of God you don't rush, to do things. That in the kingdom of God you are always on time, there is no haste, you don't rush things, you are just always on time whether you are fast or slow, you are always on time. He said that God is never in a haste because He is the one who created time and He manipulates time, He makes it to go the way it should go, in other words He makes things to happen in time the way they should happen. This is a mystery and it is a fact, He does not rush to do things. What I'm trying to say is that your time is more spiritual than physical, meaning time listens to the spirit realm than the physical realm. It also means your success is not determined by how smart you are, or how you do things in a rush because even with that, nothing will happen despite your haste and smartness. Your success is going to come from the realm of the spirit and will manifest at the right time and at that right time nothing will stop it.

⇒. Raise up your right hands. Father, let your power prevail in my days, in my present time and let my blessings begin to manifest in time. Because you ordained these blessings for a certain time, oh God, let these blessings begin to manifest in time by the reason of your power. Lord, let your power prevail in my days, in everyday of my life and let your blessings for me, begin to manifest in time, in the name of Jesus. Don't oh God and let every hour of my life begin to produce the blessings you have programmed for me in them. Let every day of my life begin to produce the blessings you have programmed in them unto me by your power.

(532). There is a strong connection between the Spirit of wisdom and time. To be wise is to be in the right place at the right time and to make the right thing. To be wise is to think the right thoughts at the right time, to say the right words at the time you should say it, that is wisdom.

⇒. Father, fill me with the Spirit of wisdom that I will be found doing the right thing at the right time, saying the right words at the time I should say them. Lord fill me with the wisdom that I will be at the right place at the time I should be there so that I will not miss every blessing you have programmed and prepared for me. Lord fill me with the Spirit of wisdom that I will be led into all the blessings you have prepared for me, that I will be led into all the blessings you have provided for me. Fill me with the Spirit of wisdom that I will know the right thing to do at every time, the right prayer to pray per time, the right words to say and the right places I should go to. Fill me with wisdom to correctly discern every action to take per time.

(533). There are some witchcraft, ancestral curses which follow you in time. If any good thing is coming they know. Curses are spirits and they follow people in time when a good thing is coming and they know it first before you know it and they block it. When you are under a curse it will terminate good things before they come to you. Many people have been cursed in time, that is why they cannot prosper in time. When I say prosper in time, I mean they could not prosper at all, not that they will prosper a bit but they never prosper in their lifetime because they have been cursed. That curse follows them everywhere they go that's why there's no achievements in their lives. I don't know what curses are upon yourself, whether they are inherited or somebody pronounced them upon you or you pronounced them upon yourself, but you need to pray.

⇒. Father let your fire destroy every curse following me to destroy good things from coming to me, let your fire consume them, let the blood of Jesus destroy them. Every curse following me around, every curse that is terminating good things from coming to me, terminating the appearances of my blessings, let the fire of the Holy Ghost and let the blood of Jesus destroy them right now in the name of Jesus. You curses following my life about, stopping good things from coming to me, stopping blessings from reaching me, I come against you in the name of Jesus, be destroyed by the blood of Jesus, be destroyed by fire in the name of Jesus Christ. ***I pray for everyone under any form of curse, I declare right now let the fire of God and the blood of Jesus terminate that curse upon your life in Jesus' name. Every curse that is stopping good things, blessings from happening to you right now, let the fire of the Holy Ghost together with the blood of Jesus consume that curse forever in Jesus' name.**

(534). If the will of God is going to begin to happen to you, there is what we call divine connections, God will now begin to connect you with people, places and opportunities so that what He has planned for you before you were born will be done as He planned it. In this season there shall be divine connections, I am seeing it already right now for you.

⇒. Father, by angelic intervention, let there be divine connections, let connection begin to happen to me right now for the manifestation of your will for my life in this season. Lord, let your angels begin to establish these connections right now in the name of Jesus. Lord let your angels begin to establish connections for me, connections with people, right places, right opportunities, right organisations and right connections coupled with favour, Lord let your angels begin to authorise them right now. Let your angels begin to create and establish those connections right now for me, for the manifestation of your will in this very hour of my life, do it Father and let your name be glorified in Jesus' name.

(535). The realm of your dreams has a lot to do with what will happen to you, it has a lot to do with the manifestation of the will of God for this present time. It means that in your dreams good things can be aborted before you wake up. There are people who have woken up to a new day and they had a new employment already waiting for them but because they had a certain dream in the night that proceeds that day, that employment was terminated because something happened in the realm of dreams. Things that happen in the realm of dreams they stop the manifestation of the will of God for your life and in your life.

⇒. Raise up your right hand. Father from today onwards let your fire begin to follow me in the realm of my dreams, let your fire begin to burn in the realm of my dreams to destroy every darkness that has been assigned to stop good things from happening in my life. Let your fire begin to burn in the realm of my dreams and let evil powers begin to fail in the name of Jesus. Oh God, let your fire begin to follow my spirit in the realm of my dreams, let it begin to destroy every operation of darkness waiting in the realm of my dreams to terminate good things in my life, let your fire begin to follow my spirit to destroy such operations of darkness right now and from today onwards, let my dreams be baptized with fire. Father let the realm of my dreams be baptised with fire, oh God of Israel let the realm of my dreams be baptized with the Holy Ghost fire against every power that terminates good things in the name of Jesus.

(536). The Lord is showing me some things that have been written or documented in the realm of the spirit against you. It's not good things, it's evil. It's not what God has written but what the devil has written and it's a file that has been documented to carry out evil agendas in your life and destiny.

⇒. Raise up your right hand. Father let fire fall and burn into ashes, consume every demonic file, every demonic documentation that has been written against my destiny my life, against your plans and purposes for my life, let your fire fall and consume them all right now in the name of Jesus. Fire fall right now, oh God of Israel, let fire fall right now and consume every demonic file, every documentation of darkness in the second heaven, every documentation of darkness in the covens of witches and wizards, every handwriting, file and document that have been written against my calling and destiny, let your fire fall and consume them all right now in the name of

Jesus. Whatever they have written, let it never come to pass and it shall not stand in the name of Jesus.

(537). There is what we called demonic programming. Demons program people's days to happen the way they want it. There are powers that control times and seasons, they program people's destinies to happen the way they want it not to the way God wants it.

⇒. In the name of Jesus, I come against every evil programming that is prevailing in my days, in my hours, let them be terminated by the fire of the Holy Ghost, let them be reversed by the fire of the Holy Ghost. Every evil that has been programmed into my days and hours and destiny, in the name of Jesus, let the fire of the Holy Ghost begin to terminate them. Every demonic programming that has been initiated to prevail in my days and times, let the fire of the Holy Ghost terminate them right now in the name of Jesus. ***I am praying for all of you that the enemies controlling your days and time for evil, it is what they want for you not what God wants for you, I come against such operations right now and I decree let the fire of the Holy Ghost terminate such programming of darkness going on in your life. Let the fire of the Most High God terminate it right now in Jesus' name.**

(538). In the name of Jesus, I curse every wickedness of darkness that is feeding me with food in the dream, every personality of darkness, agent of darkness feeding me with food in the dream, I curse them in the name of Jesus. Let them be destroyed forever in the name of Jesus, I curse every demonic personality, every wickedness of the enemy putting food in my mouth in my dreams, let them be cursed in the name of Jesus. Every operation of darkness, plantation of darkness, be cursed forever in the name of Jesus. Every plantation of the enemy feeding me with food in the dreams, be cursed forever, be destroyed forever in the name of Jesus.

(539). You have the authority to curse whatever the Lord has not planted in Christ Jesus. Just as Jesus looked at the fig tree and cursed it and so it was. You have the authority to curse whatsoever God is not doing in your life, what God has not planted. Every darkness working in your body, in your blood and tissues is not of God

⇒. Place your right hand on your head. In the name of Jesus, I curse every sickness, every disease that is living and growing in my body, blood and organs, I curse you in the name of Jesus, be cursed forever and never rise again. Whatever disease moving and living in my body, I curse you in the name of Jesus, be destroyed forever, you are cursed in the name of Jesus. You sickness, you are cursed forever; you disease, you are cursed forever; you weakness, you are cursed forever in the name of Jesus because you are not from the Lord and because you cannot be found in the Lord, I curse you forever in the name of Jesus Christ.

(540). In the name of Jesus, every operation of witchcraft in my finances I curse you in the name of Jesus. Every operation of the spirit of poverty in my finances, spirit of

debt, I curse you in the name of Jesus. Every operation of darkness going on in my finances to block my riches and wealth, I curse you right now in the name of Jesus, be destroyed forever and never to rise again in the name of Jesus. Every darkness prevailing in my finances, business, source of my income, I curse you in the name of Jesus, you are cursed from tonight and you are destroyed forever in the name of Jesus Christ.

(541). There is a hand of the enemy that is creating evil against every good thing that is happening in your life. For example if something good happens right now, there's an operation of the devil creating evil to kill that good thing that has just happened. ⇒. In the name of Jesus, I curse every evil that was created by the enemy to terminate the good things that God is doing in my life, I curse such evil and I decree be destroyed forever in the name of Jesus. I pronounce curses upon every evil that is being created by the enemy to follow up good things in my life, good things that the Lord has done, good things that the Lord is doing. Every evil that is being created by the enemy in the realm of the spirit to swallow up good things, I decree that you are cursed in the name of Jesus. Let every hand that is causing these evils be cursed and be destroyed forever in the name of Jesus. Every evil hand creating evil to terminate good things in my life, you are cursed forever in Jesus' name.

The glory that produces honour and greatness, I prophesy let that glory appear in your life henceforth in Jesus' name.

you shall not beg for bread in the name of Jesus, you shall not beg for bread. I prophesy divine provision of everything you need, let them begin to appear in your life where you are right now in Jesus name. Surplus, plenty, excess of blessings, excess of food and of everything you need to survive and move forward at this time, I prophesy that they appear in your life as I am speaking right now in Jesus name. I remove it right now, I call it undone, I undo it in the name of Jesus and it shall not happen anymore, it shall not continue anymore in the name of Jesus.

Thank you Father, blessed be the name of the Lord, in Jesus name it is done and you shall testify without a doubt, Amen.

22 OCTOBER 2020

Thank you Father, blessed be your Holy Name in Jesus' name we have worshipped Him, Amen.

PRAYER POINTS

I trust the Lord to visit you in an unusual way, to touch you in an uncommon way and so shall it be in Jesus' name.

(542). Father, thank you for your faithfulness. I thank you for choosing me, thank you for your faithfulness, your love and mercy upon my life. Lord, thank you for loving me, for your faithfulness toward me, thank you Lord for choosing me as your own, for calling me by name, for choosing me as your own. You died for me even before I was born, while I was a sinner you died for me, thank you Lord Jesus. Thank you Jesus for this unfailing love steadfast love.

(543). The Lord was asking me a question. He said, why is God too concerned about kingdoms? He asked me to look at the scriptures, why he is concerned about kings, kingdoms, governments, people and nations and I looked at the scriptures and I discovered that God has been dealing with kings, kingdoms and people. For instance, God dealt with the king of Egypt, Pharaoh until he let the Israelites go and from there God took the Israelites through the wilderness and began to use them to conquer nations. He began to use them to destroy kingdoms and take over. The Holy

Spirit was telling me why God was doing that, why God was interested in kingdoms, governments, people and even unbelievers, kings which are unbelievers. As I was trying to answer the question, He said 1) He is the King of kings 2) His Kingdom is in the midst of man. That is why He is interested in governments. God is interested in every affair of the nation, everything that happens to you and around you, He is interested because He says "my kingdom is among men and I rule among men." The kingdom of God is among men and God is ruling the world invisibly. They can't see Him but He is ruling among man and He has been doing this for thousands of years. He has been doing it for long, controlling times and seasons, uprooting kingdoms and planting new ones. He has been destroying kings, enthroning kings, he has been doing all this though we can't see it and even now He is still doing that. The kingdom of God is among men, setting things the way it should be.

⇒. Father, help me to understand the reality of your kingdom that is here on earth, to see the reality of your kingdom that is among men. Lord help me to see, to know, to comprehend and understand your kingdom that is ruling among men. You say in your word that you're the one who rules in the affairs of men, help me to know your kingdom that is among men, your kingdom in my country, in my family, in my marriage, in the hospitals. Help me to see your kingdom that is among men, in my place of work and everywhere I go because you rule among men. Lord I want to see the way you rule, I want to identify your kingdom that is among men. Lord help me to identify, understand, see and know your kingdom that is working among men for thousands of years, help me Father in Jesus' name.

DANIEL 4:17

(544). Many of you believe that Satan is the God of this world, though it is true, there is someone who rules over Satan himself, over this kingdom of satan, kingdoms of man and that person is the Most High.

⇒. Raise up your right hand. Father I acknowledge tonight that your Kingdom rules over the kingdoms of this world. Father, let your Kingdom rule over my life, let it come into my life with power. Lord I acknowledge that your Kingdom is here, let it come into my life and prevail over my life. I surrender into your Kingdom, I surrender to your Kingdom, I surrender to your rule, I surrender to your reign, Lord I surrender to your kingdom that is here on earth, come and reign in my life, my marriage, my career, business and destiny, come and take over my life in the name of Jesus.

(545). In this passage God declared judgement against King Nebuchadnezzar because he did not acknowledge God. He woke up one morning and said that he had conquered all nations by his strength, he was so proud, took the glory that was to be given to God upon himself. He did not acknowledge God and did not give glory to God and God decreed a judgement against him. If you fail to acknowledge God in whatever thing you have achieved in this world, in the success you have attained or accomplished, and not give him glory, you should get ready to be judged. The same angels that decreed the judgement upon king Nebuchadnezzar, they are there watching what we do here on earth. Another example is of King Herod whom people

praised and saw him as a god and because he didn't return the glory to God, he was struck by the angel of God and maggots began to come out of his body. God is watching us, the way we live, the way we talk, He's watching what we do and He is judging us, though we might not know, He is watching and judging at the same time ⇒. Father I repent from whatever thing I have done that is not in line with the Kingdom, I repent, forgive me in your mercy. Lord I repent for everything I've done, every unrighteous thing, imagination, wrong intention in my heart, wrong sinful actions that I have done, Lord because you're watching me I repent from all these things. In your mercy forgive me of everything I have sinned against you and your Kingdom lord forgive me by your mercy forgive me by your mercy.

(546). The kingdom of God is a kingdom of angels because it's full of angels and it messengers. The angels which have been stationed over every country, nation, stationed over every place and everywhere so they watch what is going on. They watch over the affairs of nations, even what happens in each family. In the kingdom of God that is among men they can also execute judgement against the enemies of the people of God.

⇒. Father, command your angels to execute judgement against every kingdom that is against my life oppressing my life, ruling my life. Every negative kingdom ruling my life, Lord let your Kingdom execute judgement upon them. Father, command the angels, command the heavenly host to execute judgement over every kingdom that is against my life. Every kingdom in the second heaven, kingdoms of powers and principalities, upon every kingdom of demons, upon every kingdom that is against my calling, my life, my destiny, oh God of Israel, let your angels execute judgement upon them right now in the name of Jesus.

DANIEL 4:27-31

(547). Daniel was advising king Nebuchadnezzar to stop sinning and break from his pride and be merciful for the poor perhaps then he will continue to prosper because God had already declared his judgement upon him (He said you'll be driven from human society and you will live with wild animals, eating grass like a cow drenched with the dew of heaven: v25). Daniel was advising him that if he stopped sinning, God will be able to lift off the judgement from him but the king would not listen. Because he failed to return the glory of God to God that is how the judgement came upon him. What I'm trying to say is whatsoever you have become today is not by your power, it's not because you are wise or you know some people or your parents are rich or you're in a good country but it is God in His mercy that has put you in that position and if you fail to acknowledge Him, that it's His Kingdom working in your favour, it will work against you.

⇒. Father, teach me to trust in your strength, in your faithfulness and not in my own strength, wisdom or abilities, so that I will always return the glory unto you. Lord, teach me to live by your own strength, by your wisdom teach me to depend on your wisdom, on your strength and faithfulness and not on my own power or whatever I have, teach me Lord Jesus, help me in Jesus' name.

DANIEL 4:17

(548). God does terrible things to show who He is among men. He can kill and whoever says that God does not kill a person is a liar and a false prophet. God can kill and He can do anything to show that He is the one who rules among men. In this dispensation that we are in God is about to move among men and is about to show all the nations even principalities, powers, all the kingdoms of darkness, satanic agents, demonic agents that they are not in charge but He is the one in charge and He is the ruler.

⇒. Father, move in my life so that everyone will know that you are the one who is ruling in my life, you are the Lord of my life. Oh God of Israel, move right now in the affairs of my life, marriage, finances and show the devil and the wicked people, everyone, visible and invisible that you are the one who is ruling in my life. Lord you're mighty, work in my life to show heaven and earth that you are the one in charge in my life, do it Father.

(549). There are many things going on in your life which are against the kingdom of God that is not the will of God and the Lord Jesus said we should pray thy kingdom come thy will be done on earth. So when the Kingdom comes then the will of God is done. If the kingdom is here then the will of God must be done because the kingdom ensures that the will of God is done. That sickness is not the will of God, that shame is not found in the kingdom of God. In the kingdom of God there is glory and honour, there is no shame. In the kingdom of God there's no suffering or poverty. He says we should ask Him for daily bread, in the kingdom of God there is bread to eat, there is no suffering or poverty even if you will suffer it is not going to be without the daily bread.

⇒. Raise up your right hand. Father, I acknowledge that your Kingdom rules over the kingdoms of this world, therefore let your kingdom terminate everything that is not your will in my life, let it terminate everything that is existing in my life that is not your will, let your Kingdom manifest and terminate them right now. Father, everything happening in my life that is not your will, let your Kingdom manifest and terminate and destroy them. Let your Kingdom manifest and end them right now in the name of Jesus. ***Whatever that is happening in your life, marriage, business, health and finances that is not in the will of God, I command the kingdom of God to appear right there and terminate them right now forever in Jesus' name.**

(550). The Spirit of God was ministering to me and was telling me that there are many reasons why God does miracles. One of the reasons is God performs miracles to show who He is in your life, to show you that this is who I am in your life not because you are asking for a miracle but because He wants to show you who He is. Then He does a miracle to show you that this is Me, I am the healer, the provider, the lifter of your life. He does that to prove and show who He is. Whenever I'm worshiping or praising God, I don't praise Him because of what I want Him to do, but

I praise Him because of who He is and then He will do mighty things to show me that this is who I am.

⇒. Raise up your right hand. Father, manifest yourself and your kingdom in my life to reveal the greatness of who you are, to show the world, to show me and the world your greatness. Lord manifest yourself in my life, manifest your kingdom to your enemies in my life to show me your greatness, to show the darkness that you are my helper, my healer, provider, savior and strength that you are my defender, Lord manifest yourself. Lord manifest yourself in this dimension not because of what I want but to show who you are in my life, to show the Lord that you are, the mighty God you are. Lord, prove yourself in my life because I am your son and you are my Father. Lord show the world who you are in my life through my life, use my life to show the world who you are, to show everyone who you are.

(551). The kingdom of God is so much among us but we don't know that it has already prevailed (Philippians 2:9 -11). The kingdom already prevailed among us but we don't know. There are things that need to shift in your life so that everyone may know that the kingdom is here.

⇒. Father, use my present situation to reveal the power and the greatness of your Kingdom to this generation. Father, use my present situation, my life to reveal the greatness and power of your kingdom to this generation. Demonstrations of the Kingdom, mighty operations of the kingdom of God, let them begin from this present moment of my life in this present situation I am in, use it to reveal your power to the world. Lord, use what I'm passing through right now to reveal your greatness to the world, let there be a shift in my life that will show the world the greatness of you and your kingdom. Do it Father to the glory of your name.

(552). God gives the kingdoms of this world to anyone He chooses. I don't know whether you are looking for employment or a good job and you feel the company you want to apply to doesn't employ Christians or you feel like in a certain place they can't receive you, who said that? That verse is saying that God gives the kingdoms to anyone He chooses, meaning that God can create a position for you in any company or organisation and he will put you there. God is in all the places that you applied for jobs from, and He can just pick you up and put you there, that is why this verse is talking about. There are places among men, positions that God has prepared for his servants, his children and He wants to put you there because He rules over the kingdoms of this world.

⇒. Father, every position of greatness and honour that you have prepared for me among men in organisations and places, oh God pick me up and put me there. Every position of wealth, influence, prosperity, riches that you have prepared for me in this world, in places of this world, take me there oh God and put me there. Lord, open the door for the position and put me there.

(553). Positions or places are not just physical, positions can be spiritual meaning there are places in people's hearts that God can put you in. When we say God can

put you in a position does not really mean a physical place but it can be in an invisible place -people's hearts. For example, if you have a business, God can put your business in people's hearts and they will just come looking for your business to promote what you are selling or your service is. As for me, I also have a position that I have in people's hearts including the hearts of some of you, there's a way you have positioned me in your heart. There's a position of honour and of love, people coming will just love you and care for you. When God puts you in the hearts of people, that is when you become well-known and end up being famous and what you are doing or selling will begin to attract many visitors and customers.

⇒. Father, put my life, calling, career, ministry in a place of honour, dignity and love in the hearts of man. Put me in a place of honour, respect and love in the hearts of men so that whatever I do will prosper. Lord put me in places of honour in the hearts of men, places of interest so that what I do, my purpose in life will prosper, my calling and destiny and life will prosper. Lord put what I am doing in the hearts of men so that what I do will prosper, do it Father to the glory of your name.

(554). Some of you might be feeling like how will God take somebody like me and put me in a high position without the qualification, no connections and not knowing anyone, how will this happen? Maybe you're in ministry, you say, how will God manifest to me in a very powerful way that He does to some men of God, how would God speak to me very clearly or how will God be so close to me and use me for mighty miracles? I don't think I deserve those levels. Who said that you don't deserve those highest levels? The verse is saying, He gives to anyone He chooses even to the lowliest of people meaning, people that don't qualify, that do not have the certificates for that position, God will pick them up and put them there. I see the Lord giving you positions that you do not qualify for, even for those who want to get married, God will give you someone that you don't even qualify to marry because that person is too advanced or greater than you.

⇒. Father in your mercy, take me and put me in places too high for me. Lord, I acknowledge that there is nothing you cannot do, nothing your kingdom cannot do, I acknowledge that you love me so much, oh God by your mercy, take me and place me to that position that is too high for me. Take me Lord Jesus to that position that everyone considers to be too high for me, take me and put me there Lord by your mercy. Lord Jesus, qualify me by mercy not because I know anyone or I have some qualifications but because I have you. Oh God of Israel qualify me by mercy and put me there.

(555). The kingdom of God fights physically and spiritually. When I say physically I mean there are some people that God must trouble their hearts for them to do what He wants to be done for you. For instance, Mordecai- when it was time for him to be honoured, God troubled the heart of the king and the king could not sleep or rest and he began to search the records and rewarded him accordingly. The kingdom of God does physical things and most of us limit God because you feel the kingdom of God is spiritual and it takes time before it can do physical things. It's not in the scripture

that the kingdom of God takes time before it can do visible things. The kingdom of God can do visible things on time so that the will of God can be done.

⇒. Father let your Kingdom begin to prevail in every heart and soul that must fulfill your desire for my life. Every heart and soul that must carry out your plan for my life, oh God begin to work in them until they begin to do what you want them to do. Lord Let your kingdom begin to operate in the heart of men and let it compel them to do what you want them to do for my life. Beginning from tonight, let the kingdom of God begin to work in the hearts of men, souls of men and women, boys and girls, every human that must do something for me you have ordained for my life and destiny, Lord compel them to do it now in the name of Jesus.

(556). Just as the kingdom of God can compel people to do what they should do for you, it can also do the opposite. For example if there's someone somewhere troubling your life and destiny with their position or that person has some special powers. The kingdom of God can trouble that person to stop what they are doing against you. Nobody can hurt you when the kingdom of God is on your side, even the most powerful witch can do nothing because the Kingdom of God will trouble them until they leave your life alone.

⇒. Father, every human, demonic personality that is causing evil into my life, projecting evil into my life, Father, let your Kingdom locate them, trouble them and begin to contend with them until they leave my life alone. Let the kingdom of God go forth right now and trouble every demonic personality, human being or demons, Satan that is projecting evil into my life and destiny, family, marriage and ministry, let the Kingdom of God contend with them until they leave my life alone, they shall never have peace. They shall be under the wrath of God's Kingdom, they shall be under the anger of God's Kingdom. Every personality of evil and darkness that has vowed to continue to send evil in my life, trouble my life and destiny, let heaven begin to travel them right now in the name of Jesus. Whoever they are, whatever they are, let the kingdom of God go where they are and begin to trouble and contend with them until they leave my life alone. Let them begin to encounter the wrath and the judgement of God until they leave my life and destiny alone. Let peace be withdrawn from them until they leave my life alone.

(557). An example of the battles that the kingdom of God fights physically and spiritually is in Daniel chapter 10:13. That was a very terrible war going on in the second heaven, the second heaven is where we have principalities. The prince of the kingdom of Persia is a principality in the second heaven. There are wars that the kingdom of God fights in the physical and invisible realm. There are some battles that the kingdom of God has to fight for you before you can have a breakthrough in the physical realm

⇒. Raise up your right hand. Father let the army of your kingdom rise and descend upon every prince of darkness, principality and powers of darkness in the second heaven contending with my life and destiny, let the armies of God, armies of heaven descend upon them right now and waste and defeat them in the name of Jesus. In

the name of Jesus, let the armies of the living God descend upon every principality, power, kingdom of darkness in the second heaven contending with my calling, destiny, prosperity, riches and wealth, progress and success and consume them all in the name of Jesus. ***Let the angels of the living God arise into your battles and let them command your victory, let them execute victory for you tonight in Jesus' name.**

(558). There are different realms of invisibility, some are not spiritual but are electronic. Some people use some kind of negative energy (this form of attack is not common in Africa but in Europe USA etc). You cannot see the energy they are sending, it's a form of witchcraft. The energy is so real that you can feel it if you are spiritual. These people use the human spirit to project negative energy to where you are.

⇒. Father every demonic energy being projected into my life from the realm of the human spirit, let your kingdom appear and terminate them, let your kingdom appear and destroy that energy. Every witchcraft energy, witchcraft projection that is being sent into my life to cause evil in my life, let the kingdom of God appear and terminate them all right now the name of Jesus. ***I decree, let the kingdom of God appear against those negative energies and terminate all the attacks against you henceforth.**

(559). There are some electronic waves which can be projected to where you are and they can do evil. The 5G network is part of it. Though it can be good but it can be used to carry out evil. Physically it has so many benefits but in the hands of evil people it can be used to do so many evil because it can penetrate deeper in a single exposure to do something evil.

⇒. Every invisible network that the devil has created and initiated against my health, peace, joy, happiness, let the kingdom of God appear and break them in pieces. Right now oh God of Israel, let your Kingdom appear and destroy every invisible network system that has been stabilized, established, created to attack me, my peace, my health, my joy and happiness. Let your kingdom terminate them all, let your Kingdom destroy them all right now in the name of Jesus.

(560). Another realm of invisibility is the realm of imagination and thoughts. This realm can be very demonic and destructive because thoughts and imaginations in the realm of the spirit they are living things. They are like creatures, they are visible in the realm of the spirit though they are not visible physically. If your thoughts are not pure or right, there are many things you can never receive from God because your thoughts will continue to defile you in the presence of God.

⇒. Father, every power of darkness that is manipulating and controlling my thoughts and imaginations for evil, controlling my thoughts, making me to think what I am not supposed to think, to imagine what I'm not supposed to, let your Kingdom appear and consume them all. Every power of darkness, spirit, demon that is controlling my thoughts, manipulating my thoughts and imagination for evil, let the anger of God destroy them all right now in the name of Jesus. Every power, principality, demonic operations going on to control my thinking and imagination for evil, to pollute me and

defile me in God's presence, let the fire of God destroy them, let the kingdom of God manifest and destroy them all in Jesus' name.

(561). There's also the realm of disease causing organisms. Bacteria, viruses, parasites and fungi, all these things that you cannot see with your physical eyes but can only be seen in the laboratory through a microscope. Psalms 91, says pestilence or plague shall not come to our dwelling places. No virus whatsoever it is, is not stronger than the kingdom of God. If you feel like there are diseases causing organisms in your body, command the kingdom of God to manifest and consume them. If you feel like you are in a place whereby everyone is catching any disease or Corona, ask the kingdom of God to shield you.

⇒. Raise up your right hand. Father let your Kingdom manifest in my body system, blood, tissues and bones and destroy every disease, virus, bacteria and fungi, let your Kingdom manifest and destroy them. Father, let your Kingdom shield me from every disease-causing organism, from now henceforth they shall not touch me. Father let the kingdom of God shield me from every plague and virus that is spreading in my environment. Lord, shield my family, spouse, children and me against every plague, invisible agent of destruction that is causing sickness in people's lives, shield me with your kingdom against these agents. Every disease-causing organism in my body system, let the kingdom of God manifest right now and consume them all. ***As you have prayed, so shall it be in Jesus' name. You are protected henceforth and you are healed in Jesus' name**

I remember a woman that was affected by the Corona virus and was almost dying of it in South Africa. She called me and I prayed for her just a simple prayer but with authority and she got delivered instantly and the spirit of death left her and she was healed. I believe that as you prayed that prayer, whatever virus, sickness or disease that wants to kill you, the kingdom of God has destroyed them and so shall it be in Jesus' name.

LUKE 18:-22

(563). Jesus said there is one thing that you have not done and that one thing is missing in the church today. He said lay down everything you have and then you will have treasure in heaven. Here Jesus is talking about sacrificial Christianity. I'm not saying that Jesus is saying you should sell all that you have and give money to the poor, though that is what he was telling this man but the application of this verse to our life means that we must live a sacrificial Christianity life. Meaning you have to walk with God to such an extent that, what you have, no longer belongs to you, that is how the kingdom of God operates. The kingdom of heaven operates through sacrifices, you must lay down your life, together with your possessions and follow him. You must not be enslaved by your possessions, your life must not be in what you have or what you are. Your life must only be in Jesus, whether you have money or you don't have does not move you or steal away your joy and happiness because what you have, you have laid it down at the feet of Jesus. I discovered that many Christians today are not sacrificial, that is why the kingdom of God is not working in our lives. Most people are so selfish, it's all about you, your family and your children; and you have not laid down anything for Jesus, if that is all you have I can assure

you that the kingdom of God will not work for you, the power of God will not work for you.

⇒. Father, give me the grace to begin to live a sacrificial Christian life, the grace to handle money as though I have nothing, the grace to hold money in my hands as though it belongs to you, Lord such a sacrificial heart, give it to me. Lord I want to live a sacrificial life because you lived such a sacrificial life when you came to this world, Lord I want to live the same life, you did not live for yourself but you lived for your Father and you laid down your life for the brethren, Lord I want to be the same give me the grace to live a sacrificial life.

(564). Why would Jesus tell him to call and sell all his possessions when he knows that he suffered to attain all that he had attained? Was it that the poor were so hungry that he had to sell and give to them? The reason Jesus asked him to sell all those things was because the man was enslaved by those things, the god of money (mamon), that spirit had captured the soul of that man and Jesus discovered that this man if he doesn't break from the bondage of mamon and materialism, his soul will not make heaven, that is why he told him to sell all those things. It was a way to deliver his soul because his soul meant a lot to Jesus than that man selling those things. We are asked to live a sacrificial life because you must be free from the power of your possessions, the power that your possessions over your soul has to be broken because what you have will take your soul to hell if not surrendered. Whether it's your finances, possessions or job it can take you to hell. When we preach sacrificial giving we are trying to save your soul that's why Jesus demonstrated such a lifestyle himself and taught it. Some people their are jobs, career, business have become their god because money is coming in, the business is now controlling that person and taking the time that they should have for God and giving it to their job or business, that is slavery.

⇒. Father, every power that money has over my soul, every power that everything you have given to me has over my soul, let that power be broken tonight. I refused to be enslaved by my possessions, job or business. Lord the power that my possessions have over my soul, let the power break tonight in the name of Jesus. The power of materialism has over my soul, let it break right now. I refuse to be enslaved by money, I refuse to be enslaved by material things of this world. I break the power in the name of Jesus.

(565). Jesus said there is still one thing that you haven't done. When I read this verse that it is hard for a rich man to make heaven, I was asking God, does it mean Christians are not supposed to be rich? He said, a Christian is such a person that has lost everything to him, meaning a Christian does not have anything of his own. Therefore a Christian is naturally poor even when he has a billion dollars, he is poor because he has nothing of his own. God is looking for Christians that will bring everything they have to him and ask God what he wants to do with the million dollars they have, or the money God has blessed them with, what are 'we' going to do with it, not Christians who will just sit on the money God has blessed them with and

consider the blessing as their own. The Lord was saying that everything you have as a Christian is not yours because you are supposed to have lost everything to him. When you have given your life to Jesus, everything you have is Jesus', it is now Jesus property, it doesn't belong to you. He said everything Christians have does not belong to them but to God that is why a Christian is naturally poor even though he has billions of dollars, and that person can make heaven because his life is not governed by wealth. Your mind needs to change the way it sees things otherwise the way the kingdom of God will not work in your life, these are the things that set the foundation for the kingdom of God to work with power and glory in your life, even in your marriage.

⇒. Father, let there be a transformation in my mind that will lead me in the path of a sacrificial lifestyle, to live my life so closely as one who has lost everything to you. Lord change my mind, work in my mind, transform my mind. Lord, do a work of transformation in my heart and let me begin to see things the way I should. Let me begin to live a sacrificial lifestyle and consider what I have as not mine but yours, Lord do this work of transformation in my heart. ***May the Lord transform the inside of your heart and set you on a path of sacrificial living from tonight henceforth in Jesus' name.**

VERSE 23-24

(566). Everything you have, you must lay it down to enter the kingdom of God. It does not mean that you have to sell it like Jesus told this man but you must consider them as not yours. If you don't have that mindset you cannot enter the kingdom of God, that's the Bible.

⇒. Father put upon me the Spirit of humility that surrenders all that I am, all that I have to embrace Jesus. Put upon me the Spirit of humility and sacrifice that surrenders all for Jesus, that lays down all to embrace Jesus. Lord Jesus, put upon me the Spirit of humility, the nature of humility and sacrifice to lay down everything that I have, what I am, the positions I have, my possessions and anything I have, to lay it down, to embrace Jesus. Lord, I know this is the key to enter into the kingdom of God, Lord, help me to consider myself as nothing, whatever I am as nothing, so that I can gain you Lord Jesus.

VERSE 25

(567). Your life must not be in whatever you have, including the blessings of God. The blessings of God can take you to hell though it came from God if you're not careful. That is why your life must not be in that blessing, but it must remain in Christ. The Bible says, the life of a man does not consist in the things he possesses, let your life be in Christ not in the things he has given you. When your life is not in those things, you should be able to give it out, it does not bother when you give, you won't have pain when you are giving those things away. Some people if they give 50 or \$100 they will let everyone know about it, this shows that these people's lives were in that money. Your life must not be in your possessions, so that if God takes it away

from you, it does not move you. If God keeps it with you, you are not moved because you are not in those riches or wealth but your life is in Jesus.

⇒. Father, remove my life from everything that is not in Jesus, Father, take away my life from everything that is not in Jesus because I want to make heaven, I want to enter into the kingdom of God, I want the kingdom of God to work in my life. Lord take away my life from things that are not in Jesus, take away my life from them, I want my life to be in the Lord alone. Take away my life from materialism, beauty, things of this world and let my life remain in you Lord Jesus, forever irrespective of whatever I have, let my life never be in what I am or what I have, but let it continue to bring you glory even when I become a billionaire.

(568). The Lord was also telling me that the reason why He doesn't bless some people with the riches is because the riches will corrupt and pollute them because they have not overcome the power that is in power, money and riches. When the riches and wealth come, they will fail God, disappoint God and go to hell, that is why He withholds wealth from many Christians, because He wants to save their souls and does not want them to go to hell. If you have a spouse and you discover that your spouse has a problem with money, they cannot release money easily, pray this prayer for your spouse as well. God knows you more than you know yourself, He knows that if the blessings come He's going to lose you. You've got to remove that idol from your heart.

⇒. Lord, uproot the love of money from my heart; from today, let money never rule my life anymore. Lord take away, uproot the idol of money over my life, the stronghold that money has over my life, uproot it right now, destroy the love of money from my life, uproot the idol in the name of Jesus. Let the power of money be destroyed from my heart, help me to love you more than money and my possessions.

VERSE 26-27

(569). The people marvelled, that rich people cannot enter heaven. Of course, every one of us wants to be rich and we have to have riches to enjoy life as well and enhance the kingdom of God, fulfill our calling and destiny, you always need money to do these. *Definition of the love of money, is it impossible for some people not to love money, the money that you're working for, why would I not love it? But it is possible for God to help you in this matter. Salvation is impossible with men but possible with God. Your transformation, sanctification is impossible with your own power but possible with God, all you need to do is surrender your heart to God and just say, all I want is you oh God and your Kingdom; do what you want with my life, if you can pray that prayer sincerely, God is going to change your life and you will see things are going to change and until this transformation happens to you, you cannot actually witness the power and the glory that is in the kingdom of God.

⇒. Father, I surrender my heart to you, change me into the man/woman you want me to be. Lord, I lay down my life before you, change me to the person you want me to be. It is not possible for me to change myself on any level but it is possible for you

to transform me and make me the person you want me to be. Lord, let my life be transformed, let my soul be saved, I lay down my life before you, save my soul from everything that wants to enslave me. Save my soul from everything that wants to enslave me, I surrender my life to you, I cannot save myself but you can save me, change me and make me the person you want me to be, the person that will enter into your Kingdom, a person that will enjoy your presence and your fellowship.

VERSE 28-30

(570). To have more you will lose more that is the principle of the Kingdom. To have everything you have to lose everything, to have greater than what you have, you have to lose to gain. You can't give up everything you have and still be poor, it's not possible that heaven will not pay you if you have given up everything, heaven does not owe people. If you sell your possessions and give up everything genuinely not grudgingly but with a pure heart, according to the righteousness of God you will be paid many times over, not in heaven but in this life. God will repay you many times over here on this earth not only in heaven. God cannot owe any man anything, if you have given God something and you have not been rewarded, it maybe you didn't give it to fully and felt you were being forced to do it, God will not accept that kind of offering.

⇒. Father help me to be wise at this time, to transact my life and my possessions for the kingdom of God. Lord give me the wisdom to transact my life, my possessions for your Kingdom, to give my life and possessions in exchange for your Kingdom and all that is in the Kingdom, Lord give me wisdom to do this in the name of Jesus.

(571). When we say transact in your life and possessions in exchange for God's kingdom and all that is in God's Kingdom, we mean that you should take practical steps. For example, some people are consumed with a burden for souls, they begin to have strong passion for souls in darkness, for them to know God. Some of them left their jobs, that is a spiritual transaction, some they reduced the time they worked and the rest of the hours they were evangelizing or interceding in their rooms for the salvation of souls. When we talk about transactions, we mean you leave some things which are very important to you because you wanted to satisfy God and his righteousness. You cannot leave your job for soul winning and expect God not to repay you many times over, than your job. I am not telling you to leave your job but you have to seek God to an extent that you will make a decision, to leave certain things that are important to you because you want the kingdom of God to prevail on earth. Seek the Lord to the point He begins to speak to you to lose certain things so that the kingdom of God will be happy. I feel it in my spirit that some of you have to lose certain things to transact those things with the kingdom of God. The kingdom of God is demanding that you leave certain things that you're still holding onto and because you haven't given up those things that is why God is not God has not given you the things that you want because you haven't given Him. You can't enter the kingdom without losing things, you have to lose some things.

⇒. Father give me the grace to lose things that I must lose to satisfy your will at this time and the demands of your kingdom at this time, give me the grace to lose these things because I know that is how to enter your Kingdom and enjoy the benefits of your Kingdom. Lord give me the grace to lose the things that I must, to satisfy your will at this time, give me the grace to lose them.

(572). This is a kingdom principle, that you will be repaid many times over than whatever you gave up for the kingdom of God. Some of us have to give up even marriage, not that you will not marry but for some time you just have to forget about marriage. You have to forget about many things and focus on the kingdom of God and that is how God will repay you.

⇒. Father everything in my life that is robbing me of my kingdom benefits, Lord take it away from me. Everything I hold so dear to myself, so important to me and it is robbing me of my kingdom's benefits, not to take away that thing from me. Everything I hold so dear to my heart and I'm not willing to let go off and it's robbing me of my kingdom benefits, Lord take them away from me in the name of Jesus.

(573). Some of you there are things you have sacrificed and you're wondering when God will repay you for them. I want to correct that. . . Before I used to give because of the rewards that would come afterward and rewards used to come for sure. But later the Lord corrected me, He said it is true to give and expect a reward but the highest level of giving is when you are not giving because of what you will get but when you give because of love not because of what will come back to you. It is natural in the Kingdom that when you give, it will come back to you though it may not come back as money but it can be healing, protection, provision, or spiritual gifts, whatever you given, the kingdom of God will always come back to you in many folds but it is more honoured in the Kingdom when you give because of love.

⇒. Father help me to love you enough to give you enough. Lord help me to give up material things in my service to you, to do things because of love not because of the reward but because of love, because that is how you gave Jesus. Because you loved us, you gave out of love, help me Lord to give in that way, help me to serve you because of love.

PROPHETIC PRAYERS

(574). There are darkneses which block good things that God is sending to your life, this darkness hides you and God's things will not find you, even when God sends helpers, when they can't find you, it is darkness that has hidden you.

⇒. Place your right hand on your head. Father let your fire manifest upon me right now and consume every darkness that surrounds my life, every darkness that surrounds my spirit, that is hiding me from the helpers you've sent to me, the blessings you've sent to me, darkness keeping my life hidden, Lord let fire manifest and destroy that darkness. Catch fire in the name of Jesus, every darkness keeping me hidden from the blessings, favour and helpers, opportunities, from help coming from the Lord, catch fire in the name of Jesus, I command fire upon such darkness

(575). Keep your right hand on your head. In the name of Jesus, every spiritual blindness that has blindfolded the eyes of my spirit from seeing the things that the Lord wants me to see at this time, let the fire of God consume them. Right now, fire of the Holy Ghost, destroy them, fire of the Holy Ghost consume every darkness that has blindfolded my spiritual eyes, that has blindfolded my heart from seeing all that the Lord wants me to see at this time, let fire destroy such darkness in the name of Jesus.

(576). Do you know that the kingdom of God is for those who are seeking it, it is not for those who are not seeking it. That's why Jesus said seek first always, seek the kingdom of God. If you are not seeking the kingdom of God then it's not for you. How we know that you belong to the kingdom of God is by what you seek after, every day of your life.

⇒. Father, create a strong hunger in my heart and a thirst for your Kingdom, for your righteousness, for the lifestyle of your Kingdom. Lord create an everlasting hunger and thirst for your Kingdom and for your righteousness. Lord create that hunger, that cannot be quenched, that I will continually seek after the kingdom of God all the days of my life. Help me Lord Jesus, that I will stop seeking this world and all that it has to offer and that I will seek the Kingdom and all that it has to give to me, Lord, this is my desire. Create in me such a heart that seeks you continually.

(577). God is looking for people that He's going to give spiritual gifts, abilities and talents to at this time, even though many are not seeking them. Many are seeking physical gifts but God wants to give spiritual gifts. Spiritual gifts will automatically bring to you physical gifts, they command physical gifts. Those that God used in spiritual gifts lack nothing because when you become a blessing to people, the people bless you in return even without you asking for the blessing.

⇒. Father, I ask for spiritual gifts and abilities to demonstrate the power and the glory of the kingdom of God on earth at this time. Lord I ask for that ability, Lord lavish them upon me, pour them upon me. Lord, I ask for spiritual gifts, I ask for spiritual abilities to demonstrate the kingdom's power, Kingdom glory at this time, Lord lavish them upon me, put them upon me tonight.

(578). To see the manifestation of God's Kingdom on earth, is when you have genuine love for God and for God's people. I don't know how much love you have for God and for his people.

⇒. Father, help me to love you, to love people and the brethren. Help me to love my fellow brothers and sisters in the Christian faith, help me to love them from a pure heart, to love them deeply with sacrificial love, help me to love the body of Christ and help me to love you more than I am doing now. Let your love gain ground. Let your love, for you gained ground in my heart, let your love for the brethren, gain ground in my heart.

(579). Another thing that is important at this time is prayer partnership. You need to look for somebody (prophetic instruction from the Lord to you), if you don't have a prayer partner try to do that. You need to look for a person or people that are born again, that you know have the Spirit of God, they have the heart of God and you need to be praying with that person or people physically or even online, it can even be a group of you. God is emphasizing on prayer partnership.

⇒. Father lead me to believers that I can pray with at this time, to bring down the results from heaven, to bring down revival from heaven, to bring down signs and wonders, miracles from heaven. Lord lead me by your spirit to men and women of like passion, that I will begin to pray with at this time. Lord lead me by your spirit to brethren, believers that I should partner with in prayer for the manifestation of your will on earth, Lord help me and lead me by your spirit in Jesus name.

CLOSING PRAYER

Raise up your right hand.

Oh God of heaven and earth, we say thank you for how much you have opened our eyes and hearts to see and conceive at this time. Lord, we say thank you for teaching us your ways and the kingdom's ways. Lord, we thank you for showing us how we can receive from you unlimited blessings. Thank you for showing us that to receive unlimited blessings we must lose everything, Lord thank you for this understanding. Father be glorified forever in Jesus' name.

Father I am asking for as many that have determined and purpose in their hearts to follow you in this path of righteousness you are showing us, to follow the lifestyle that is in your Kingdom. Lord, I ask for these ones, that you bless them with enough grace at this time to appropriate their life in this way you have shown us. Lord give to everyone grace to do what is needful so that you can reveal the greatness of your kingdom in their lives. Father, do so, in Jesus' name.

I am praying for those of you who are passing through situations that look like you are about to be put to shame, that looks like if God does not do something urgently, you will be put to shame. I decree that because you have God with the whole of your heart, let heaven intervene right now in your situation and let that thing that is needed urgently in your life appear right now in the name of Jesus.

Whatever problem the devil has caused in your life, to bring shame upon your life, I decree by the authority that I process in Christ Jesus, let that problem be corrected right now in Jesus' name. Every evil that the devil has done to ensure that shame remains upon your life, I undo it now in Jesus' name, I reverse it now in Jesus' name.

To those of you who are weak, I speak strength upon you, receive strength in the name of Jesus. Receive strength in the name of Jesus and let your weakness

disappear. Receive that strength that you need to fulfill the assignment the Lord has called you to at this time.

I am praying for those of you who are having issues in your place of work, I decree in the name of Jesus, the kingdom of God shall manifest suddenly in your place of work and that issue or trouble that the devil has created for you, shall be terminated in the name of Jesus and so shall it be.

I am praying for those of you whose children are sick. I decree in the name of Jesus, let the healing of the Lord locate that child right now in Jesus' name.

Thank you Father, blessed be your Holy Name, in Jesus' Holy Name I have prayed, Amen.

The Lord is saying, there's someone among you who has been having problems with understanding the Bible and interpreting the Bible, the Lord is saying He has helped you in that aspect. Whenever you used to read the Bible you never understood it and there was so much confusion but now whenever you will get to read, the presence of God will manifest and you will be understanding it as if someone is teaching you.

29 OCTOBER 2020

THANKSGIVING PRAYER

Father, we thank you for your faithfulness, thank you Lord for your grace that is enough for us. We thank you for your blessings upon our lives, we thank you for your help, your presence, divine provisions and divine protection, oh God be glorified, be exalted forever in Jesus' name. We thank you Lord for your divine security upon our families and loved ones, we thank you because all that the enemy has planned you terminated them all. Our God be glorified forever, in Jesus' name.

Lord we thank you for what you have been doing in this ministry and through our prayers on this platform, we thank you for the prayers you have answered, mighty miracles you have done, those you have opened doors for, you have provided for those who need jobs, thank you for marital breakthroughs, financial breakthroughs, healings and deliverances, for turning our situations around to glorify you, we thank you for the revival that you have ignited in our spirits, souls and bodies, Lord we cannot thank you enough.

Father, as we gather together tonight to seek you and pray, I'm asking that you visit us with power, visit us with fire from heaven, visit us with your glory, with a great

anointing and let there be nothing that will be impossible for you to do in our lives tonight. Oh God, I ask that you bring down your presence, heaven upon us tonight and let nothing be impossible unto us tonight, Father, do it and let us praise you much more than ever before. Thank you Lord Jesus, in Jesus' name we have prayed, Amen.

PRAISE AND WORSHIP

Father we exalt you tonight, we welcome you right here, be enthroned in this place, be God in our midst, break the barriers, break the limitations, break and destroy demonic activities, destroy yokes of darkness. Lord let there be transformation, let there be revival, let there be impartation, let there be power, promotion and let there be greatness, ascension to greatness. Lord, do wonders in our midst tonight and put our enemies to shame. Blessed be your Holy Name because we know you have answered and you have heard us once again and we know you will do beyond our expectations, thank you Father in Jesus' name we have worshipped, Amen.

PRAYER POINTS

I heard in my spirit, God is saying I will move and everyone will be blessed.

(580). Father, I thank you because you are here and you will show me mercy, you will show my family mercy, you will show my children and my spouse mercy. Thank you Lord because you are here and I will receive mercy from you. Lord thank you because you are here to have mercy upon me, you are here to deliver me by mercy, save me by mercy, heal me by mercy, thank you Lord because you are here to do that. You are here to deliver me from death by mercy, from Shane by mercy, thank you because you are here to do that in Jesus' name.

LUKE 18:35-38

(581). The blind man shouted when he heard that Jesus was passing by, the reason he shouted was he knew that day was the end of his blindness. Before he received his sight he knew that his eyes were going to be opened, all that he needed was an encounter with Jesus and he would receive his sight. He had an understanding and revelation of who Jesus is and what he is capable of. Sometimes you don't get miracles because we lack the understanding of who Jesus is and what He can do. Jesus is here, right here in this meeting and moving, the spirit of the Lord is moving all over the world but you cannot see it or feel it, if there is no awakening.

⇒. Father let my spirit man be awakened to your presence, to recognise your presence, to identify and know your move because I know you are moving and let my spirit man connect with your move at this time. Lord awaken my spirit to be able to connect with you, awaken my understanding, my heart to recognise your move

and connect with it. Lord, let my spirit connect with your move, with heaven, with your power tonight because I know you are here. Lord, I acknowledge that you are here but let my spirit know it, let the connection charge my spirit and let there be a connection between my spirit and your Spirit, thank you Father.

(582). This man shouted, Jesus son of David have mercy on me! He knew and had an understanding of Jesus, that He came from the lineage of David. there is a revelation of Jesus that is needed for you to receive mercy and your miracle. Without the revelation of Jesus, there are many manifestations of Jesus that will never happen to you.

⇒. Lord Jesus give me the revelation of you so that I will be able to receive blessings that must come from you and to me in this season. Lord a deep revelation of you by faith that I might have everything that you have for me, give it to me Lord. Oh Lord God, let my heart begin to conceive revelations of Jesus, let my mind begin to conceive revelations of Jesus and see the greatness of Jesus in my situations. Let me begin to see what Jesus can do, in the darkness that surrounds me, in my poverty, suffering, pain and situation, let me begin to see Jesus in these situations. Lord give me revelations of Jesus that I may see and experience the manifestations and wonders of Jesus, revelations of Jesus begin to flow into my spirit. ***From tonight onward, heaven shall flood your heart and spirit with revelation of Jesus, the kingdom of God shall begin to flood your heart and spirit with great revelations of Jesus Christ in this season and so shall it be in Jesus' name Amen.**

(583). He began to shout because he wanted Jesus to hear him. He knew that Jesus was in that environment and he shouted to gain Jesus attention. There are things that we do to gain the attention of God and if we don't do those things, God might not hear us, or come closer or visit you. There are people who know how to get the attention of God and get God closer to them while others all they do is chase God away. Complaining, murmuring and whenever you talk negatively about your situation, you chase God away, have you taken time to begin to praise him? Have you given God shouts of praises even when things appear to be falling apart, have you given him a shout of worship, shout of thanksgiving? Do you forget everything around you and begin to give him a shout of praise? The reason why it looks as if God is not answering and nothing is moving in your life is because of too much complaining and murmuring.

⇒. Father I receive the spirit of praise, spirit of worship, the spirit to open my mouth and praise you, the spirit to open my mouth to worship you everyday of my life, every moment of my life irrespective of whatever is happening around me or in my life, Lord give me the garment of praise. Lord put upon me the spirit of praise, the garment of praise, to praise you and give you a shout of praise. Lord give me the understanding to praise you in every situation.

(584). There is a need for you to understand that God is not far from you. All you need to do is do things that will draw Him out of hiding, and one of those things is

praise and worship. Real praise and worship whereby you worship Him with all your heart, not where you worship with your mouth and your heart and mind is somewhere else that is not true praise. Real praise comes from the depths of your heart and you praise with understanding, this kind of praise brings Him out of hiding into manifestation.

⇒. Father, baptize me into the Spirit of praise and worship that I may praise and worship you till your glory falls upon me, that I may connect with heaven through praise and worship. Lord let me be able to connect with angels as they worship you day and night without stopping, let me be able to give you quality worship and praise in every moment I find myself. Lord put the Spirit of praise and worship upon me as you did to David, I want to be able to praise you till your glory comes down into the physical realm, give me this grace oh God.

(585). It is not only shouts of praise and worship that gets His attention, but there's also a shout of faith. The blind man gave a shout of faith, he believed that all he needed was Jesus' attention and once Jesus comes he will get his eyes opened. I don't know if there is still faith in your heart tonight, I am a man of faith and I believe nothing can come from God without faith, I would like to believe that you also have faith in your heart. According to the faith that you have in your heart you are going to shout unto Jesus. You are going to call upon Him with a shout, shouting carries victorious abilities, divine ability for victory. Jesus did not speak with the small voice when He was calling out Lazarus to come out of the grave, He cried out, shouted and Lazarus came forth. There are some things in the realm of the spirit that can not happen without shouting, you cannot get it with the small voice but it has to come with a shout.

⇒. Jesus have mercy on me tonight! Have mercy on my body, have mercy on my soul, have mercy on my spirit, touch me tonight Jesus, have mercy on me!!! Jesus have mercy, I know you are here and you can hear me right now in this moment of my life, Lord Jesus have mercy on me, on my soul, on my spirit, on my body, on my life, my finances, career, calling; Jesus have mercy on me! Jesus touch me by your mercy! Jesus have mercy on me tonight, visit me as you have been visiting a lot of people, visit my life tonight, visit my kids tonight, visit my own situation and let there be a miracle, touch me Lord Jesus!

(586). Place your right hand on your head and shout in faith. Jesus! Manifest your power in me and deliver me tonight from every captivity of darkness, captivity of the kingdom of darkness! Jesus! By mercy deliver me!, manifest your power in my body, in my bones, in my blood, in my soul and in my spirit, Jesus! Manifest your power, reveal your power in me and deliver me! Jesus reveal your power in me and set me free, break the chains of slavery, break the chains of darkness, set me free forever, permanently, completely deliver me Lord Jesus.

(587). The Lord is telling me that part of the captivity going on in your life right now is because they have shut down your spiritual side site. I know we have been praying a

lot about spiritual sight but tonight there's going to be a complete deliverance upon your spiritual sight, concerning the eyes of your spirit that have been blind folded so that they can keep you under slavery that's why they blindfolded you. Most times when you see that you are in bondage, it won't take you long for you to get out of that bondage but when you cannot see you are in bondage and you can't understand the bondage you are in, you are likely to remain in that bondage for years.

⇒. Place your right hand on your head and shout. Jesus! Manifest your power in my spirit and open the eyes of my spirit, destroy the darkness on my spirit that has shut my vision, destroy that darkness. Lord Jesus, manifest your power in my spirit, let the blindness upon my spirit be destroyed, let my spiritual eyes open right now!!

***Lord manifest your power upon the spirits of everyone connected to this prayer, let spiritual blindness be broken in the name of Jesus, let the blindness, the darkness that has shut your spiritual sight be destroyed in the name of Jesus.**

(589). What are the things that are bound to happen when God has mercy on you?

(1) Delay is destroyed. Then your miracle happens instantly. When the mercy of God is available there will be instant miracles.

⇒. Raise up your right hand. Jesus! Let your mercy come upon me tonight and let delay be broken. Let delay of good things, delay of my blessings be broken, delay of my prosperity be broken, delay of my progress be broken. Jesus! Let your mercy come upon me right now! Let delay of progress be broken, delay of breakthroughs be broken, let delay of my healing and deliverance be broken! ***Jesus break delays!! delays break, in the lives of your people. Jesus! Destroy delays by mercy, destroy delays by mercy and fast forward the miracles! Hasten the miracles! Jesus, break in pieces delays tonight in the lives of everyone connected to this meeting, in Jesus' name.**

(590). (2) You break forth instantly. Breakforth likened to a woman giving birth, it's when the head of the baby comes out and that child's comes out, that is when that child breaks forth into the world. I can hear the Spirit of God saying they are people here that will break forth and the people here that must break forth because this is your season to break forth. This is your season to break forth into that which you came into this world for. It's time that you break forth or you'll be limited for ever.

⇒. Jesus! Let your mercy come upon me tonight and let me break forth into greatness, prosperity, miracles, signs and wonders, glory, manifestations. Jesus! Let your mercy come upon me, let my destiny break forth into manifestation, let my spiritual gifts break forth into demonstration, let my calling break forth into manifestation. Lord this is my time to break forth, take me out by mercy, break me forth by mercy

(591). There are some things that can never be possible until you have entered into the realm where it is possible. Where things happen effortlessly without strength. Until you enter into surplus you will always be lacking. There is a realm that when

you break into it, you will always have surplus no matter how much you spend, you will continue to have surplus that is a realm.

⇒. Raise up your right hand. Lord Jesus, every limitation of darkness that is stopping me from breaking forth into the fulfillment of my destiny, limitation of darkness that is holding me from breaking forth into the manifestation of honour and greatness, by your mercy Father, break such limitations. Limitation of darkness stopping my breaking fourth into glory and honour, prosperity, greatness, let the fire of God destroy them. Oh God destroy every limitation that is keeping me at one point for many years, by the mercy oh God, let them be broken in pieces. ***Every limitation that has held you to a spot for many years, by the intervention of the mercy of God tonight, let that limitation be removed in Jesus' name.**

(592). There's darkness that has shut out many people out of where they are supposed to be. For example, you are in a very big mansion and you are in a certain room and there are 30 doors or gates that you have to pass through before you come out of that building, that is the picture of some Christians that I have seen. They have been limited by a lot of limitations, not just one limitation, after you break another comes up. This is a deep bondage that the kingdom of darkness has done upon many people and coming out is difficult because you have been limited but tonight you are going to break forth with power, with fire.

⇒. (Pray with desperation) Jesus break in pieces, destroy every darkness that has shut me out of the places you want me to be in life and destiny. Every darkness, ancestral limitation, generational limitation, limitation of darkness, whatever it is that has shut me out of places I am supposed to be by now, oh Lord of hosts, destroy them, break those darkneses and limitations into pieces. Lord Jesus, it is my time to break forth, I must break forth. Lord Jesus I must break forth, it is my time, break me out by fire. Lord Jesus break me out by fire!! Take me out of every captivity, take me out of every bondage and take me to the places I should be right now! Lord break me out of every closed door, that has shut down my destiny and calling for years, break me out by fire Lord Jesus, thank you Lord Jesus.

(593). I am so concerned about you breaking forth. It means many of you are not where you're supposed to be by now. I know there are some things that will happen to you in the future but now I am talking about things that should have happened by now, and yet you're not there or in those things or in those places.

⇒. Raise up your right hand. Father by angelic interventions, let my life and destiny break forth into manifestation, let me ascend into those realms you have prepared for me, into those heights and places you have prepared for me, the places I should be in right now. Oh God of Israel, I call for angelic intervention in this matter of breaking forth, Lord release your angels. Lord break me forth into places, I should have been right now, it is my time. Places of honour, places of greatness I should be in right now, break me forth right now. Lord Jesus take me there by your mighty hand, by the interventions of your angels. ***By the mercy of God, let the angels of the living God go into those places that you have been held bound, behind closed doors of**

darkness, let the angels of the living God find you in those places and break you forth right now in Jesus' name. I decree that you will break forth with power right now in the name of Jesus, into financial breakthrough, marital breakthrough, job breakthrough, into greatness, into fulfillment of your calling, break forth right now in the name of Jesus!

(594). What happens when Jesus has mercy on you?

(3) You find help and favour easily. Some people come to me when they're looking for jobs, I ask them if they have applied and they say yes. I will tell them to go and apply again. Sometimes they feel like why am I so sure they will be taken for that job. I know what the mercy of God can do, some obey and reapply and they tell me they applied and I tell them God is going to do it and the next thing they tell me they have gotten the job. Most feel like there are thousands of people not getting jobs, so they ask themselves why is their case going to be different from those of others. Your own case will be different because of mercy not because of anything. If the mercy of God is upon you, favour will find you easily and help you find you easily.

⇒. Raise up your right hand. Lord let your mercy come upon me and let favour and help begin to find me from today onward. Let help and favour begin to look for me not me looking for help and favour. Lord let your mercy come upon me, put your mercy upon me, such a mercy that begins to draw help and favour into my life, that when people see me they begin to help me, when people see me they begin to favour me and everyone begins to ask me what they can do for me or what they can do to help me, Lord I ask for such mercy. Such mercy that brings and draws help and favour into my dwelling place, from all over the world; mercy that will bring help and favour into my marriage or home, into my business, ministry, career, calling, such mercy that attracts help from all around the world, let that mercy descend upon me Lord Jesus.

(595). (4) Shame and reproach will be broken and terminated.

There were times when I was in tertiary school, whereby I didn't have anything, money or food, at times we would be told about some project or fees that needed to be paid and I didn't have the money or any expectations where I would get those from. But there was this joy in my heart, I just believed that God would have mercy upon me and somehow mercy would find me, I would have food to eat and the money required at school. When we talk about debt, you need mercy to settle debt, you need mercy to come out of shame and disgrace.

⇒. Jesus let your mercy come upon me right now and let it remove shame, reproach and disgrace permanently from my life. Lord let your mercy come upon me right now, let mercy come, let mercy come Lord Jesus, let my shame be terminated, let my disgrace, my reproach be terminated. Let my debt be terminated forever, Lord let your mercy come upon me.

VERSE 38

(596). (5) There will be a touch from the Lord. You need a physical touch from the Lord. When the Lord touches you, you will know He has touched you and that touch will do something to you. Anyone that is touched by the Lord, something supernatural will happen to that person. It is mercy that makes God touch you and something supernatural happens.

⇒. Raise up your right hand. Jesus! By your mercy, touch me tonight, touch me right now and let's there be a miracle. Lord Jesus, by your mercy touch my body, touch my soul, touch my spirit and let there be a supernatural shift right now, let there be a miracle right now. Touch me, remove everything that you do not want in my life and let there be instant healing, revival and transformation, touch me! Lord Jesus touch me, touch me by your mercy, touch me Lord Jesus, touch me right now, remove darkness, remove demons, remove yokes, captivities. Touch me, set me free, touch me, deliver me

(597). (6) The heavens open over your life and over whatsoever you do in your life, spiritually or secular. Whether it is in the ministry or in your career or business, heaven will be open over your life and over what you are doing.

⇒. Lord Jesus, let your mercy rest upon me and let my life be under open heaven continually, let the heavens be open over my life, let the angels begin to ascend and descend, descend and ascend in my life, career, business, calling and marriage. Open heaven by mercy, let it happen to me Lord Jesus, open heavens over my spirit, spiritual gifts, talents, my brain, over my body, my life, and career; let there be open heaven and let the glory of God come down. Let the grace of God be multiplied by your mercy oh God in Jesus' name.

(598). When heaven is open over your life, it means that before you finish praying you already see the answers to your prayers. Even when you are thinking of what you are needing, while you're still thinking they are happening already, that is the implication of open heavens. Open heaven implies that all the plans of the enemy are exposed to you, there is an exposition of all the secrets of darkness, what they are planning against you, so that you can destroy their plans. Open heaven also implies that you're always led by the Spirit of God, you are not confused, you know where you should be, what you should do per time.

⇒. Lord Jesus by the reason of your mercy, let my life continually be under your open heavens, where nothing is impossible to my prayers, where my prayers will always command results, where my spiritual warfare always ends in victory. Lord let the heavens open continually over my life by the reason of your mercy. Let the heavens open over my prayers continually, over my mind, my mind, spirit continually, let me always be led by the spirit, let me always have divine visitations and revelations. Lord, I receive open heavens by your mercy, I receive open heavens for divine visitations, divine revelations, divine interventions, divine impartation, I receive open heavens continually in my life henceforth in the name of Jesus.

(599). (7) You will always find a way out, always having solutions or answers. Which means that there will be no situation in your life that will not lead to breakthrough or into a testimony. And the mercy of God enables solutions to come to you for every problem that happens to you or for every problem you encounter. It's the mercy of God that makes ways where it appears there is no way, it was the mercy of God which parted the red sea for the Israelites to escape.

⇒. Father, by the reason of your mercy, let me always find a way out, a breakthrough, solutions to every negative situation that comes my way, including the ones in my life, situations in the present moment and those that will come to me later. Lord by your mercy let it be that from now henceforth, I will always overcome in every battle, in every situation I will always have victories and breakthroughs in the name of Jesus. Lord establish this covenant of mercy with me tonight in the name of Jesus.

(600). (8) Exaltation. God takes you to places where you do not qualify to be in or a position not worthy you. That is divine exaltation, God takes people from a dunghill and sets them on thrones, to sit among kings, only mercy can do that. Mercy can do that, there's a high place for you and mercy will take you there

⇒. Raise up your right hand. Father by reason of your mercy, authorise exaltation, command exaltation for my life and destiny, by reason of your mercy, let me become promoted to that height you have prepared for me in the name of Jesus. Oh God by reason of your mercy, raise me to that level spiritually, that height, let me attain spiritual advancement, spiritual growth, that you God has prepared for me, let me attain realms in you, high realms of power and authority and grace in you. Lord raise me up spiritually, in my career, finances and in all areas of my life, command exaltation to happen to me in the name of Jesus, take me to the height you have ordained for my destiny and calling.

(601). The Lord is telling me that some of you have been blacklisted, meaning your name has been put among the list of people who can never rise to a position. There is physical blacklisting and also spiritual blacklisting. I don't know which one they have done to you, but God is about to enlist you in places that you belong. Don't doubt the voice of God because He is about to do it.

⇒. Father, every blacklisting that has been done in my life against my life, to keep me from the height you have prepared for me, you have ordained for my life and destiny, Lord break such blacklisting in pieces, terminate such blacklisting right now in the name of Jesus. Lord every blacklisting that has been done against me, break it in pieces in the name of Jesus. Every demonic blacklisting, witchcraft blacklisting, physical blacklisting, blacklisting by some organisations and companies, let the hand of God begin to break them in pieces right now and let the hand of God begin to enlist me for greatness. ***Let the hand of God begin to enlist you right now and let your name begin to appear in those places you belong to right now in the name of Jesus. I don't want to know how it will be done but let your name begin to appear in those places in Jesus' name, it is done.**

(602). The Lord is also showing me that some of you, there's an internal darkness, (anything that the devil does is a darkness), that is hiding so deep inside of you and that darkness must be destroyed. I saw someone among you, there is darkness inside your womb.

⇒. Place your right hand on your belly. Lord Jesus, locate every darkness hiding deep down in me to limit, oppress, pollute my life, locate them by fire and uproot them forever right now. Lord, every darkness that is fighting deep inside of me, let your fire locate that darkness and uproot them right now. Every darkness hiding deep in my body, my soul and spirit, let the fire of Jesus Christ locate you and uproot you forever in the name of Jesus. Let fire visit that darkness right now in the name of Jesus, let the fire of the Holy Ghost locate that place right now and let it be destroyed completely in Jesus' name.

(603). Father by your mercy let your right hand of power command honour for me in those places I have already been disgraced, put to shame, that I have been downgraded and ridiculed, oh God, let your right hand of power begin to command great honour for me in those places. Let your right hand of power begin to command great honour for me in those places where I have already been put to shame, dishonored, disgraced, ridiculed and greatly despised, Lord let your right hand of power command great honour for me in the name of Jesus.

CLOSING PRAYER

Raise up your right hand.

Father, I thank you because there is none like you, we thank you for your strength that produces miracles, we thank you for your power that changes situations, we thank you for your power that commands victories in every real, the visible and in the invisible realms. Oh God be praised, be glorified forever in Jesus' name.

Father, your people have spoken to your ears, they have shouted shouts of faith, shouted in faith so that you will intervene and rescue them. Lord, I ask but for everyone that has cried out unto you tonight, Lord let there be a response from heaven that will lead to testimonies, that will lead into breakthroughs, great riches and wealth, healing, miracles, deliverance and miracles. Father, bless your people with enough blessings from your throne and let everyone rejoice, celebrate you this season because of great things that your right hand will do for them. Father do it and let your name be glorified.

I'm praying for as many of you that the enemy has attacked your health and the arrow of sickness they have sent into your life is failing to come out. I command every arrow of sickness and disease that has been fired into your life to come out right now in the name of Jesus.

I'm praying for those of you suffering from several kinds of oppressions in the midnight, in your dreams, witchcraft, demons and marine spirits. I'm praying for you that beginning from tonight, the fire of God shall surround you, it shall envelope you and every time your oppressors come at night they shall collide with the fire of the Holy Ghost and they shall be roasted in pieces and so shall it be in the name of Jesus.

I rebuke stagnation in your life, tonight stagnation has ended in your life, spiritual stagnation I break it in pieces right now in Jesus' name. You shall begin to grow in the knowledge of God, in divine revelations, in faith and in victory henceforth in Jesus' name. Thank you faithful Lord.

I'm praying for those of you who applied for jobs, I decree with the authority of the Most High that is available here, right now by his mercy, I decree let your application begin to produce approvals for you right now in Jesus name. The next thing you will hear is that you have been selected for the job and so shall it be in the name of Jesus.

Everyone that is owing you money and has refused to pay you back, by the reason of the authority of heaven in this meeting, that person shall pay you in the name of Jesus.

Thank you Father in Jesus' name it is done, thank you Father, thank you Lord, Amen

31 OCTOBER 2020

THANKSGIVING PRAYER

Father we thank you for your love, for your presence in our lives, we thank you for your mercies and for all the wonderful works you have done for us, the victories you've given to us, we thank you for the battles you have fought for us, we thank you Lord even for those victories we are yet to see that you have already fought and won for us. Oh God be glorified forever in Jesus' name.

Lord I thank you for every soul connected to this ministry, this prayer platform, thank you for your love and mercy upon their souls and families. Thank you Lord for great things you have determined to do for everyone, thank you Lord for a greater glory you have determined to place upon every life, thank you for how much you have determined to bless us in this season, the wealth you have determined to channel into our lives, careers, destinies and businesses.

Father, let your spirit take over this prayer session, the prayer points that you would have us to pray at this time, let your Holy Spirit bring those prayer points to us. Let there be inspiration from the Holy Spirit and let there be grace from the Holy Spirit for me and everyone that will be praying together with me tonight. Lord have your way and take your place, let your glory fall and let your name be glorified, blessed be your holy name, in Jesus' name we prayed, Amen.

PRAISE AND WORSHIP

Father we worship you here tonight, we ascribe unto you all glory, all honour, all praises. You are God indeed and you shall remain our God forever and we shall serve you forever, we shall love you forever and we shall please you forever, blessed be your Holy Name, in Jesus' name we have worshipped, Amen.

PRAYER POINTS

(604). Father, by your mercy that is available to me right now, let my voice be heard in heaven tonight as I will be calling you, Lord let my cry reach where you are, let my prayers touch you, where you are and Lord intervene speedily, intervene quickly as my voice reaches where you are. Oh God let my voice, my cry touch you, let my situation move you where you are, and let tonight, as I will be calling upon you, let my voice ascend to your throne in heaven, let my voice reach you and let me receive help tonight, let me receive your intervention, your touch tonight, let my voice reach you Lord Jesus.

LUKE 18:38-39

(605). That man was shouting but many were against him. When mercy comes there will be oppositions because the devil knows when mercy would have come. That is why some people at the point where God is about to make them great and make their lives glorious that is when they begin to misbehave and they even start to offend the people God wanted to use to help them. The devil knows when mercy has come to you and he will try as much as possible to shut that door of mercy against you.

⇒. Father every activity of the dark kingdom, demons to shut the door of mercy against my life and destiny, Lord destroy them right now, let the fire of the Holy Ghost destroy such operations in the name of Jesus. Every operation of darkness, operation of sin, spirit of disobedience, every operation of the flesh in my life that wants to shut the door of the mercy of God against me, let the fire of the Holy Ghost destroy that operation. Every operation of darkness that wants me to misbehave at

the point of mercy, every satanic agenda, satanic inspiration, satanic manipulation and influence that wants me to misbehave at the point of mercy, so that I will not obtain mercy, Lord let fire from heaven terminate such agendas of the devil. Let the fire of the Holy Ghost destroy such operations. Oh God, I refuse to lose mercy, I refuse to miss the day of my mercy, I refused to miss the day of my visitation, I refuse to misbehave on the day of my visitation. I refused to do the wrong things, things that I should not do on the day of my visitation, Lord help me.

(606). On the day of this man's visitation, a lot of people would not let him enter into that breakthrough. There are some people in your life that the reason why the devil placed them in your life is to stop your breakthrough, that he (devil) himself has seen, and then he strategically puts people in your life to make sure that what God wants to do in your life is not done. Maybe those people are there in your life, they might be your close friends, some maybe in your place of work or in your family.
⇒. Father every person in my life that has been strategically positioned by the devil to stop me from breaking through, obtaining mercy, oh God disconnect me from such people, let such relationships be destroyed. Every connection that I have with whoever is promoting stagnation in my life, promoting setbacks, promoting limitations and suffering, whatever relationship I have that is bringing evil into my life oh God, disconnect me from that person right now in the name of Jesus. Every wrong relationship that I have in my life that has shut the door of mercy against me, that has shut heavens against me and kept me from breaking through, oh God, disconnect me from such a person, even if it is my closest friend, Lord let there be separation tonight. I refused to follow wrong people, I refuse to fellowship with wrong people, Lord let there be separation.

(607). The Lord was telling me that He will have mercy but according to His terms. So mercy has rules, If God is going to have mercy on you, you have to abide by the rules, by the laws of Christ. If you do not align with those rules, mercy will not come upon you. There are certain things that you have to stop doing in your life(... he that covereth his sin shall not prosper but he that confesses and forsakes sin shall find mercy). You look at other people's lives, they are experiencing miracles and when you look at your own life nothing is happening, have you forsaken those things that those people were experiencing miracles have forsaken, have you sacrificed what they have sacrificed? The reason why mercy is working for those people and not working for you is because you did not abide with the rules of mercy.
⇒. Father everything that I am doing with my body, mind, soul and spirit that is against the rule of mercy, against the standard of God's mercy, oh God help me to forsake them. Lord I choose to forsake them, begin to instruct me from tonight to forsake those things. Lord I refuse to continue living on this earth without your mercy, Lord whatever I am doing with my life, my body, whatever I am doing with my spirit everyday that is against the standard of your mercy, Lord separate me from those things. Lord begin to instruct me to drop those things, I want to forsake them, help me Lord Jesus.

(608). Some people do not know how to humble themselves. There is a connection between humility and mercy, if you are going to obtain mercy, you must be humble. Some of us are so full of ourselves as if we are something, whatever thing you are, you are nothing before God, despite your level of greatness you have attained or how beautiful you are, or how rich you are, you are nothing before God. If God is going to have mercy on you, you must be humble, if you are not humble He will just leave you because he resists the proud, He is against the proud. If you are in the presence of God and you are proud, despite the fact that you need his mercy, He is not going to have mercy on you.

⇒. Father, every standard of pride, whether I know it or not, whether I have discovered it or not, every spirit and standard of pride in my heart, my mind and life, Lord bring them down, Lord destroy them, I choose to be humble. Oh God, I choose this day to be humble, I choose this day to be humble. I choose from now henceforth to be humble, put upon me the Spirit of humility, put upon me the garment of humility and let every standard of pride, spirit of pride that is ruling my life, let your fire destroy it, let it be pulled down forever. I choose to be humble, Lord, help me to be humble, so that your mercy will continually rest upon me.

(609). There is one woman, our pastor's wife who had a leg problem, as I was praying for her one day, the Lord told me He was going to where she was that very moment and as the Lord reached that place, He said to me, 'she is not ready because she has stopped asking me to heal her, so she's not ready'. I then asked the Lord what I should do, He told me to text her and tell her that she should not stop asking God for healing. When I sent her the message, she was happy and encouraged. My point is that, discouragement can make you to lose God's mercy, because if you feel you have been praying for a particular thing for many years and nothing has happened, you end up feeling like you will never have a child or get married or prosper, that discouragement can shut the door of mercy from your life. I feel most of you have lost hope on the things that the mercy of God is willing to give to you.

⇒. Father every discouragement that has prevailed in my soul, in my heart, to shut the door of mercy, to shut the door of your mercy against my life, oh God, let that discouragement disappear right now, let that discouragement come out of my life right now. I choose to trust God, whether I can see the answers now or not, I choose to trust God. You spirit of discouragement, come out of my heart, come out of my life, I refuse to be discouraged in my journey and in destiny. In my journey in ministry, calling and business, I refuse to be discouraged, every discouragement that has been prevailing in my heart and life, every spirit of hopelessness, spirit of discouragement whispering into my heart, I command you to come out in the name of Jesus. ***Let the fire of God begin to arrest and destroy every spirit of discouragement and hopelessness that has prevailed in your life for so long, let it happen right now in Jesus' name.**

VERSE 39

(610). The people told the blind man to be quiet and do you know that quietness can put you in a state whereby your suffering may continue. Quietness can shut the door of mercy against you. You must not listen to people when you want mercy from God, it does not matter what people say, but you listen to what the Word of God says, you listen to what you know. This blind man knew Jesus, the Word of God, he even knew that Jesus was the son of David. If you keep listening to what people are saying about you or what they are saying to you, you will not go far in destiny.

⇒. In the name of Jesus, Lord give me the grace to shut my ears, shut my heart against what people are saying and the grace to listen to what only you have said concerning my life, to listen only to the things you have said concerning my life. Lord give me the grace to listen to what you have to say only and the grace to stop listening to what people are saying, help me to listen, to believe you and to live only by the things you say and those you have said. Lord give me the grace to shut my ears against what people are saying that is not in line with what you have said concerning my life. Give me this grace oh God, I refuse to be distracted by the voices of man, I choose to be focused on your voice, on your Word alone, help me Lord Jesus.

(611). The people asked him to be quiet but in this verse it's saying he shouted louder, he increased his voice even when people were telling him to be quiet. Some of you have reduced the hours of your prayers because you feel like the situation happening in your life is too much, you feel like you are so much under attack then you stopped praying. Why did you stop praying? You need to ask for revival in your prayer life. The men of old that saw the glory of God were of persistent prayers, the early Christians that saw the power of God were Christians who were full of the Spirit of grace and prayer.

⇒. Raise up your right hand. Father set my prayer life on fire, set my spirit man on fire to continue to tarry in your presence until you visit me. Lord, the Spirit of persistent prayer, persistent fasting, not to leave your presence, not to stop praying, not to stop trusting, the Spirit that will make me not to stop crying unto you until you visit me, Lord give me such a spirit, revive my prayer life. God revive me, set my prayer life on fire, set my spirit man on fire, help me to pray until I enter into my miracle, help me to pray myself into my miracle, to pray myself into glory, to pray myself into greatness. Lord help me to pray in such a way that I cannot stop praying until you visit me from heaven. Lord give me this power of prayer, the power to continue to shout, to continue to storm heaven with prayers until there is a divine intervention from heaven. Give me the power that will make me never get tired of prayer, such a power to pray until miracles happen. The Spirit of power and prayer fall upon my life, the grace of prayer, fall upon my life, the grace that produces results in the place of prayer, fall upon my life right now in the name of Jesus.

VERSE 40

(612). Jesus was moved by the cry of the blind man. When he had the shouts of the blind man he stopped and ordered that the man be brought to him. When your cry moves Jesus, not when your crying moves the man of God, some people cry to men of God as if men of God are the ones who can help them. Men of God can pray for you, but if your cry has not moved God, even the prayer of a man of God might not work sometimes. Your cry has to move God, wherever He is unless it moves God, certain things will not happen. The cry that moves God is not an emotional cry but it is a cry of faith, the cry of trust, that I believe God and I'm crying unto Him because I believe He will hear me and visit me.

⇒. Lord Jesus by your mercy, let my present situation move you to action, the present situation of my finances, spiritual life, health, career, marriage, calling and destiny, let it move heaven to action. Lord I cry for your mercy, let my situation move you, I trust in what you have for me Lord Jesus I trust in what you can do at this time, I know once you step into my situation, there will be miracles. The situation of my destiny, of my calling, finances, and captivity, let it move you right now, oh God arise and visit me. Arise where you are and touch me, arise and bless me, arise and help me, arise and deliver me, arise and save me. Arise oh God, prosper me, make me great right there where you are, I know you are watching me, Lord Jesus let my situation move you to instant action, lift me to the place of greatness and honour.

(613). When mercy is at work, God is going to be ordering and commanding people concerning your case. I was asking God, if it meant that the people who didn't want to help me, that by the virtue of His power they can change their minds and help me? He said yes, that is the kingdom of God. The Kingdom of God can make people do what God wants them to do even when they don't want to do it. This shows that God can command people and they will do exactly that because the creator has full power over his creation. The creator can make His creatures do exactly what He wants, even if they have to do it for that one time and never to be used again. God can use anybody, He can command anyone to do anything and they will do exactly as He wants.

⇒. Raise up your right hand. Lord from today, command man, women, people to carry out your will and purpose for my life. Lord begin to order them, command the angels, command people, men to arise for my life, for my case, for my rising; command angels to arise and help me. Wherever they are, let them hear the voice of the Lord and let them be compelled by the Lord, let the God of Israel begin to order them, as many that must help me to become what I am destined to be, Lord begin to order them right now. Nobody can stand against your divine order, Lord issue out a divine order for the sake of my rising, Lord release your divine order for the sake of my greatness, Lord release your divine order for the sake of my progress and success. Lord for the sake of miracles in my life, release the divine order, command men and let them carry out your purpose in my life, calling and ministry.

(614). The Lord was telling me that the devil has a way of making people do what they don't want to do and that in the same way, God has ways of prevailing in the

hearts of men. Our problem is that we do not know how to trust and depend on God completely but we depend a lot on people. There is a God in heaven that rules the hearts of people and can make people do what he wants and they will not be able to resist Him because He is God but we leave that God and begin to look for people. Except God helps you, people cannot help you because He is the one who will make them help you whether they like it or not.

⇒. Father every activity of the devil that is turning the helpers of my destiny into the enemies of my destiny, oh God let fire fall and terminate such activities, let fire fall and consume such operations. Every satanic activity, demonic operations that are turning the helpers of my life and destiny into enemies, let fire begin to destroy them all right now in the name of Jesus. Every activity of darkness that is going on in the second heaven, under the sea, in the atmosphere, under the ground, and is turning the helpers of my life and destiny into my enemies, oh God of Israel, arise and begin to destroy them, let such activities begin to fail. Every utterance, spell, divination, sorcery, curses that have gone out to turn my helpers into my enemies, oh God let fire go forth right now from your throne and begin to consume them all right now in the name of Jesus.

(615). I once said this before, that sometimes God does not need to interfere with what the devil is doing, the fact that the devil is busy doing something somewhere, against you, and everyone including you can see that it is the devil doing whatever. At times God does not need to interfere with the devil's doings, all that He needs is to also do His own. Sometimes we do not need to be waiting to see God stop the devil but we need God to come and do His own thing and once He does his own thing, all that the devil has been doing will be just a waste. There's one thing that God can do in your life and all that the devil has been doing and has done against you for years will be disgraced.

⇒. Father according to your mercy, step into my life tonight and do just one thing but will raise me into glory, that will raise me forever above shame, disgrace and dishonor, just step right now into my life and do that work of glory, work of mercy, the work that will shoot me up into greatness, Lord come and do that work right now in the name of Jesus. Oh God, you're the maker of my life, the designer of my destiny, the maker of my body, soul and spirit; my body, life and destiny belongs to you, oh God step into my life right now and do just one thing that will lift me up, just one thing that will end my shame, suffering and captivity. Lord just a single operation that will turn the works of the devil into nothing in my life, that will turn all the witchcraft activities in my life into disgrace, just a single intervention, single operation that is going to shoot me high in destiny, shoot me high into greatness, into glory; you are the one who created me and my destiny, come and do that work and have your way.

VERSE 41

(616). When mercy is at work, God will ask you specifically what you want Him to do for you. I have had many encounters with God on a high level, that the question He once asked me, what do you want? The first time I heard that question, I was

surprised that it was God asking me what I wanted. It is similar to the people in the dark kingdom when they go to the devil for powers, he will ask them what they want, when you meet a powerful creature that has ability to do what you want them to do, that's the question they will ask. So I was shocked and surprised that God will put me on a level to an extent that He would ask me what I wanted. I see the Lord asking you the same question tonight. You are going to mention to God the things you want him to do for you before the end of this year, because He is saying He's here to help you. Mention what you want and do not limit God.

⇒. Oh God of Israel, you say in your Word that 'I will work and no man can stop me', oh Lord I know that only you have the ability to make me great, Lord I ask that you begin the work that will lead me to greatness, do it Lord before the end of this year. A great work that will shoot me up in glory, up in greatness, in riches and wealth, a great work that will shoot my ministry up, my calling up, destiny up to where I am supposed to be, Lord begin to do that work in my life right now. Lord I want you to raise me up, I want you to terminate my shame, I want you to bless me, I want you to help me, I want you to fill me with all that you are, fill me till I want no more. ***Lord I am asking that you will begin to do all that your people are asking you right now, what they are telling you to do for them, I ask that you do them in your mercy. Lord, according to the multitude of your mercy, begin to respond to them right now.**

(617). The blind man said Lord, I want to see, he was specific. You are going to pray that God should give you revelations that will lead you into your destiny fulfillment, the fulfillment of your calling.

⇒. Father give me revelation, just as the blind man said he wanted to see and you opened his eyes Lord I also want to see the divine revelations, I want to see into your mind for my life, I want to see into your will and purpose for my life, Lord I want to see into the mysteries of God's Kingdom, I want to see into the realm of of your power, into the realm of your grace, realm of your glory, realm of your wisdom, realm of your knowledge and understanding, I want to see into the realms of heaven. Oh God of Israel, I want to see all that I have to see so that I can obtain what I see. I know once I can see it, I can receive it, once I can see it I can become it, Lord I ask for the grace to see, the anointing to see, the special anointing, the special ability to see the deep things of God, I refuse to be a shallow Christian, I want the special ability to see into the depth of God so that I can believe for the depth of God, Lord give me that ability to see.

(618). You need to know that divine revelations have a lot to do with angelic ministrations that is why there are several instances in the scripture, where people that saw deep things of God and wrote them down into scriptures, they had angelic encounters, angels lead them into those revelations. There are some revelations that you cannot see, unless God sends special angels or angels in charge of what He wants you to see, you can't see those things.

⇒. Raise up your right hand. Father, assign your angels to come and show me deep things of your Kingdom that I must know at this time for me to fulfill destiny, oh God

send you angels to come and show them to me. Lord as you sent your angels to John the beloved, Zechariah, Daniel and the prophets, Lord send your angels to show me the things of your kingdom, the things of your mind, deep things in your heart for me, for my generation, for my destiny, my calling. Lord Jesus assign your angels to come and show me these things, send them, Lord Jesus. Lord the things that I must see at such a time as this, assign your angels to show them to me. I am hungry and thirsty for them, I am willing to see them, send you angels to show me these things.

VERSE 42

(619). When mercy finds you, there will be instant miracles. I have said this before, that this is the season of instant miracles. I don't know if you have gotten yours or not but you are going to ask God to do instant miracles for you.

⇒. Lord, I receive instant miracles right now because you are here, and your mercy is here, let my miracles happen to me instantly. Let instant miracles begin to spring forth right now, let them begin to spring forth even while I am praying, let them be happening. Even as I am praying right now, they should be happening. Lord such a visitation that is going to produce instant miracles, let that visitation come to me, let that power come upon me for instant miracles. Even before the end of today, let me experience instant blessings, instant miracles in my body system, in my soul, my spirit, life, career and finances. In my finances, let there be instant blessings, instant prosperity, instant wealth, instant riches before the end of today. I receive it now because I believe in your power, I believe in your greatness, I believe in the authority of your Kingdom.

VERSE 43

(620). I believe the people who were trying to stop the blind man when he was shouting for Jesus were part of those who saw his eyes open, and the same thing is going to happen to you.

⇒. Father, let there be overflowing of miracles in my life such that all men will see and praise you. Let there be an overflow of miracles in my life so that all men will see and praise you including those that have mocked me, that ridiculed me, that downgraded me, and despised me. Let there be overflow in my ministry, calling and in my family. Let there be signs and wonders in my career, let there be overflow of mighty miracles such that every eye will see and praise you even those that despised me. Lord let every eye see these miracles and begin to praise you, let them begin to marvel and say only God can do this. Father let that overflow begin as I enter the month of November. Let It be my month of overflowing miracles, overflow of signs and wonders, excessive miracles such that the world will see and will be amazed and glorify you, do it Lord Jesus to the glory of your name.

(621). Some of you have the call of God upon you and you're not fulfilling that call as heaven wants it fulfilled. I am not saying that you have not yet started doing something about the calling but the glory that heaven wants to see in your calling or

ministry is not there yet. Heaven has destined a glory for your calling but that glory is not there yet. If you know that God has called you to do something on this earth, for this generation, you have to pray this prayer point.

⇒. Father, the glory that you and heaven has been waiting to see in my calling and ministry, let that glory appear right now. The great glory that you want to reveal in my calling at this time, Lord let it appear now with power, reveal your glory with power in my calling, let that glory appear right now with great power. The glory that you want to see in my calling and ministry, Lord command that glory to appear right now in the name of Jesus. Lord Jesus, command that glory to appear right now in my calling and ministry. The glory you have ordained for my calling before I was born, let that glory arise now in the name of Jesus.

(622). You need to pray for reversal of every evil work the enemy has successfully done against you. God wants to reverse every work that the enemy has successfully done against you. God wants to reverse it as if it was not done at all, God wants to change things, what they have done, God wants to undo them, that's the kind of reversal He was to do.

⇒. Father by your mighty hand, let there be a reversal of every evil work the kingdom of darkness has successfully done against my life and destiny, let your mighty hand reverse that will work, let there be a reversal right now. You are the one that reverses the irreversible, Lord let your mighty hand reverse that thing right now, let it be undone by your mighty hand. Every wickedness that the enemy has done successfully against my calling and destiny, let the hand of God reverse that wickedness to become a blessing, to become a miracle right now in the name of Jesus. Every completed evil work of witchcraft, witches and wizards, witch doctors against my life, calling, ministry, marriage and destiny, let the hand of God appear right now and begin to reverse them in the name of Jesus, let the hand of God begin to undo them right now.

(623). I saw that there are some things that you have lost and God wants to find them for you. I do not know how you lost those things, the beautiful gifts, beautiful virtues and abilities or whatever thing you lost, maybe you lost them when you went into sin.

⇒. Father, by the reason of your mercy, every good thing I have lost, every good virtue, good gift and ability you have given to me that I have lost, by your mercy find them for me, Lord restore them unto me. The good things, blessings, grace, spiritual gifts that I lost to the devil, all that I lost during the time of disobedience, sin, and ignorance, Lord by your mercy restore them. Lord please restore tonight, restore the blessings I lost tonight. Everything that I lost during the time of sinning and disobedience, let your mercy Lord Jesus restore them unto me, please restore them unto me, take me back to where I used to be, restore me Lord Jesus in the name of Jesus.

NB: Some of you are going to receive a phone call and you're going to be told to come and receive something, maybe it might be a contract. It's not going to be a

small package but it's going to be something that is going to be very important to your destiny, they will just call you and say come and have or collect this thing, maybe it's employment but it's a package that you have never expected before.

CLOSING PRAYER

Raise up your right hand.

King of the universe, we bless you because you are God, you are not a man. You are the One that speaks, and you are the one that blesses a man and no man can curse that blessed man because your blessing is upon him.

Lord, I thank you because you have placed your blessings upon your people in this meeting tonight. Thank you because your favour that is upon everyone, thank you because your grace is upon everyone, your mercy is upon everyone. Father be glorified forever in Jesus' name.

I am praying for you that from this day onward, you shall be marked specifically for signs and wonders in the name of Jesus. You and your family, you and your children, your entire household from today onward shall be for signs and wonders and there you shall be manifestations and demonstrations of mighty miracles. Miracles that you have never dreamt, that God can use you to perform. In this season as we are entering the month of November, God will begin to use you to work mighty miracles and as you pray there shall be instant results from heaven. As you open your mouth to decree anything, even before you finish praying those things shall be established and so shall it be henceforth in Jesus' name.

I pray for you that every curse of darkness, witchcraft over your finances, I decree that curse is lifted forever in Jesus' name. Let the doors of heaven open over your finances henceforth. As I'm speaking right now, let the doors of heaven, windows of heaven open over your finances and let there be financial rain of abundance right now in Jesus' name.

I decree that the Lord shall turn his face against every determined, hardened enemy of your life, destiny and calling. I pronounce and declare let the face of God be set against them in the name of Jesus, and let God begin to fight them henceforth in Jesus' name. Whoever is contending with your life, survival, whatever is contending with your destiny, health, call of God upon your life, prosperity and promotion, let heaven begin to contend with them right now in Jesus' name.

I decree that the blessings of God over your life shall be permanent in Jesus' name and nothing shall steal them away from you and so shall it be in Jesus' name. Thank you Father because we know you have answered, blessed be the name of the Lord in Jesus' name, it is done Amen.

I know that God is already doing all that has been said, and surely you will testify in Jesus' name. Remain blessed, Amen.

[10/25, 20:25] +234 806 032 ****: Greetings Apostolic Family

I would like to share with you my testimonies to the Greatness of God

I dedicate my testimonies to God Almighty for His Grace and mercy and Faithfulness in my life..

I left the shores of Nigeria(2018) in search of greener pastures in Oman... at the initial stage the family appeared so good and friendly to me for the first year and few months... towards the time I'll complete my 2years contract devil struck and those who I thought were good turned out to be demons in human flesh... early this year they started seeing fault in me.... they've asked me before that after my contract when I return home will I still come and work with them? I said yes to avoid any trouble from them....because once you told them u're not coming back again..it's going to be serious problem for that person(some had been killed, sent to prisons by implications or poisoned) so I told them that I would be coming back... when my contract was about to finish I called my boss to ask her when will she buy my ticket so that I'll go for holiday to visit my family before the completion of my contract and return for renewal of another contract but all my pleas were turned down..they started maltreating me by starving me for days... I wasn't allowed to bathe let alone eat for days...I cried many times to God of Israel in prayer for help, mercy and divine protection.... to cap it all, I was arrested just bcoz I demanded for my right(my ticket) after finishing 2years my contract(I endured till I finished)... they called police and got me arrested but I never stop believing in God for mercy and favour...I had great faith and confidence in my spirit that since I did nothing wrong my God(the God of this ministry apostolic wonders) shall fight for me and give me victory... they lied against me that I wanted to kill my sponsor all because I asked them for my ticket...their plan was to send me to prison and spend the rest of my years there so that I won't return to my country...but God sent an angel in human form to bail me out unexpectedly the following day..it was a great surprised indeed...

In summary the woman took me out of my boss house and accommodate me till God perfected all my traveling documents back home.. .. while staying with this woman those people never relent in their evil plans but God disappointed them and gave me victory... I returned home yesterday to the glory of God victoriously and gloriously to the shame of devil....

Brethren please am sharing this testimony briefly(though I can't narrate everything in details) to encourage us to never stop trusting and believing in God even when all hope of living and surviving seems to be lost... every prayers we prayed here is already answered by God... God will ever be faithful and True to His Word and promises... even in the midst of GREAT turbulence and tribulations He knows how to deliver His own... I saw God in a great dimension I had never seen in my life... let's keep believing in God and His prophet...it's more deeper than I narrated... my life is a great testimony... am back to my country hale and hearty... If not for God where will I be today?

God of Israel I worship you, The Lord Strong and Mighty is His name, The Lord mighty in battle I GLORIFY you.. who am I that u're mindful of me LORD JESUS? Thank you Jesus 🙏🙏🙏🙏🙏🙏🙏🙏 I cannot tell it all what He did and still doing in my life... God still answers prayers... what is that particular thing u're trusting God for? Take it to God Almighty in prayer and Believe it's settled already..... Remain victorious in Jesus Mighty name..Amen

Doro wsmith:

Greetings Apostle AA, in the Lovely name of Jesus. I trust and pray you're well kept of the Lord. This is Dorothy again, Just to say thank you for the Midnight's prayers yesterday...

I want to share an experience I had and I will appreciate your insights on the same: I didn't manage to join the live conference call, but I did pray later when I woke up during my morning Prayers. Actually those are the prayers I made at 4am our local time: Immediately after I was done, I went in to sleep, this was some minutes to morning here: During that brief sleep, I had a dream: Here it is, 🙏🙏

I saw myself being taken away from my place of sleep, in the night, my eyes were blind folded by a piece of cloth, I was walked a long distance All alone, so scaring it was, I couldn't see anything, I tried along the way to remove the cloth I was defeated, for quite sometime I tried and tried, nothing happening, weuh 🙏...I became more scared, imagine you can't see, it is in the night, you can't actually do anything for yourself, that's how terrific it was: along the way I reached an Highway of a road, I didn't proceed beyond that point, that which was controlling me turned be back just

the way I had come, like now am going back from where I was taken from, Now in the midst of the walk, I heard noises of people talking, I tried to raise my voice asking for their Help, to remove the cloth from my eyes, no one seemed to bother, somehow I got stuck their... Now, all over sudden, I began praying, I saw myself destroying shackles of darkness, bondages, calling upon the light of God to manifest speedly, since at this time, I was feeling so exhausted and tired from the Experience, I really prayed so strongly for sometime, then in the midst of it, I started seeing the cloth being lifted slowly from my eyes, I now started seeing, and by the time this was happening I was nearing back to the house...

I immediately woke from that trance, Wow... I was like, what a Deliverance that was.... My goodness, I was even scared: But my joy came after knowing I overcame that Experience..

In view of this Experience, 🙌, I remember part of the prayers you led and we prayed was: The slavery of the enemy in our lives is that: they have Shut down our/my spiritual sight, my/our spiritual eyes have been blindfolded..so that we remain in the slavery....." This came up so clear now after that Experience, I believe mine was part of the Deliverance... God is Faithful 🙏. Truly Faithful!

Aanuoluwapo Alebiosu:

Glory to God, that was a powerful encounter from the Lord that confirms your deliverance, it means God has delivered your spirit man from the blindness it has been walking in for years

The LORD has done a new thing again! Who else remembers when Apostle AA prophesied during one of the prayer sessions that God wants to use some of us for the healing of others? Well, God has made me one of the partakers of His Grace. Today, I was at my mom's shop when two little brothers who stayed close to her shop came to play when I noticed one of them was feverish then the Holy spirit told me to pray for him which I did and immediately he got well! Also, i felt the urge to pray for his other brother who couldn't speak well neither could he understand simple things when spoken to which I did and immediately he started speaking well, and he also answered the questions I asked him easily!! I'm shocked! Our God is Faithful! Halleluyah!

[11/04, 07:48] Sister Vongai: I can testify concerning this kind of God too. I found myself drawn into debts due to financial instability so now that the money is needed he is filling the gaps so gradually and i am so amazed at how he is doing it🙌. A person can tell me today that they want me to send them their money and i may tell them that by sunset i will let you know, before sunset the Lord provides and i have realised that this is how he is whipping shame and disgrace from my life. He is doing wonders indeed, glory be unto his Majesty🙌🙌🙌🙌🙌. I am so amazed everyday.

[11/13, 12:15 PM] Rodericka Seaman: I also have a testimony: This morning I was praying along with the prayer line recordings. There was a prayer point you raised about Jesus breaking every limitation of darkness that is limiting me from breaking forth into fulfilment, into pieces, by His mercy. I was praying it over my children as well. As I was praying it 4AM in the morning, one of my children woke up from sleep and suddenly began saying: "Mum, I feel different today. I feel much happier today" The darkness that he had been experiencing was gone to the glory of God!

Now pliz help me glorify God because yesterday someone bought me a new phone ... A bigger better one... To be honest the term don't like is not the proper one to define how I felt about my phone ,I wouldn't say i didn't like it but rather I hated it.. I never answered calls on public or even place it out on the open coz I was ashamed of it but now I thank God first he was true to fulfil his word
