THANKSGIVING PRAYER

Father, we thank you for your faithfulness, we thank you for your grace, thank you for your power and love. Thank you for your presence, we thank you for all you have done in our lives and what you are going to still do in our lives, thank you Father, blessed be your holy name. We thank you for the blessings you have poured out upon us, we thank you for the strength you have given to us to replace our weaknesses, oh God be glorified forever in Jesus' name.

We thank you for the mighty miracles you have done in the lives of everyone in this ministry, thank you for moving our lives forward on every side, thank for turning our disgrace into grace, thank you for turning our shame into honour, thank you for turning our hopelessness into hopefulness, thank you for rising to help us and to fight for us. King of Glory, be praised forever in Jesus' name.

Father, we thank you for your mighty hand that is working in our favour. Thank you for becoming an enemy to our enemies, thank you for becoming a terror to the darkness fighting our lives and destinies, thank you faithful Lord, be glorified forever.

Lord, we thank you for how you have shown faithfulness in answering our prayers on this platform, thank you for healing and deliverance miracles you have done, thank you Lord for prospering us and satisfying us with good things. Thank you for terminating our poverty, suffering and hardship, be praised, be glorified forever in Jesus' name.

As we have gathered here once again, Lord have mercy upon us and visit us in this meeting, do wonders in our midst, help and strengthen the weak, revive as many that are dying spiritually or physically and let everyone receive your touch tonight. Release your blessings and anointing upon us and let us find help in the areas of our needs. Thank you Father for we know you shall do greater than our expectations in Jesus' mighty name we prayed, Amen.

PRAISE AND WORSHIP

Ancient of days, I worship you, miracle working God I worship you, merciful God, I worship you, Lion of the tribe of Judah I worship you, most high God I worship you. The mighty healer, might saviour, mighty deliverer, I worship you, the creator of all things I worship you. Oh God of the heavens and earth I worship you for there is none like you in heaven and on earth, and under the earth there's none like you.

Thank you for the greatness of who you are in our lives and situations, blessed be your holy name. Thank you for your power and glory that's above all. Thank you for your strength that destroys weaknesses, thank you for your miraculous power that gives us joy and victories. Blessed be your holy name, in Jesus' name we have given Him worship and praise, Amen.

PRAYER POINTS

⇒ My Father and my Lord, thank you for loving me so much and taking good care of me. Saviour of the world thank you for helping me, thank you for showing your love and compassion in my life, thank you for preserving and protecting my life, thank you for fighting my battles, thank you for feeding me and putting me in perfect peace, I am not disturbed, troubled and confused. Thank you for your peace that is ruling in my life, thank you for preserving the lives of everyone in my family, thank you for no one being hospitalised or dead, thank you Jesus. Blessed be your holy name.

⇒ Raise up your right hand. Father, look upon me in your mercy and make haste to heal and to deliver me. Father in your mercy make haste to rescue and bless me,

make haste to give me victories from your throne. Lord this my life, show me mercy and make haste to help me, help my life.

⇒ Raise up your right hand. Father, send your light of deliverance into my life and let darkness and oppression vanish forever, let every darkness that has covered my life and taken possession of my life vanish forever. ***Let the light of the Lord's deliverance shine forth into your life right now in Jesus' name.**

⇒ Stretch down your right hand. Lord Jesus you are the Lord over the earth, command the earth to begin to yield all its increase unto my life and destiny. You are the king of the earth, Lord authorise the earth to bless me with the fullness of all her increase in Jesus' name.

⇒ Stretch down your right hand. I take authority over every force of darkness on earth that will not let my life move forward, fire of the Holy Ghost consume them all. I take authority over witchcraft, forces of darkness, territorial forces, forces of princes of heavens and powers in the heavens that will not let my life move forward, let the fire of the Holy Ghost crush them in pieces. Every force of hell and darkness that will not let me ascend to the place of victory, dominion, success and greatness, fire of the Holy Ghost destroy them all in the name of Jesus.

⇒ Stretch down your right hand. I come against every evil and demonic ritual that has been done on the ground to stop my rising into the place of greatness, success, glory and victory, catch fire and be destroyed right now in the name of Jesus. I come against every work of the devil that has been done on the ground to cage the manifestation of my destiny and to limit my calling, be consumed by fire now in the name of Jesus.

⇒ Some of us in this ministry are not wise because they think it's possible to pray enough but a man can never pray enough. Because we did a very compacted prayer exercise and fasted for seven days at a stretch, they felt like that's enough but they don't understand how the Kingdom of God operates. So this is not the time to be relaxed, either for you to feel like your prayer is answered or yet to be answered even now you feel you are delivered. Because even what you think you have received you can lose it that is why you can't stop praying. The Bible says pray without ceasing, so it is a sin to feel like you have prayed enough, don't limit God.

- Father, deliver my mind and soul from every deception of darkness that is limiting my advancement in calling and destiny. Lord deliver my mind and soul from every lie of the devil that is limiting my progress and advancement in calling and destiny. Every whispering of the devil to my mind, limiting my spiritual growth and walk with God, be destroyed now in the name of Jesus, I refuse to believe the lies of the devil .

⇒ I see that many things going on in your life are under the control of forces of darkness.

•Father by your mighty hand, let everything going on in my life right now fall under your control, let my life be under your control and withdraw my life from the control of dark forces. Father by your mighty hand, let everything going on in my life, going on in my career, marriage, ministry, business and destiny, going on in every area of my life, let them fall under your control by your mighty hand in the name of Jesus. Every power that is controlling my life negatively, Lord crush them by your mighty hand. Father take full control of my life, take full control of my days and the activities in each day of my life by your mighty hand and let no other power control my life in Jesus' name. ***I decree that your life and the activities of your life are forever released to the Lord's control, henceforth your life is no longer under the control of demons, your life is now under the full control of the most high God in the name of Jesus.**

⇒Father, reveal your greatness and power to me and cause me to learn to depend on you all the days of my life for survival and for every good thing that I need in this world. Lord reveal your greatness to me as I open the scriptures to read, Lord reveal your power to me and make me learn to depend on you for everything I need to survive and to fulfil destiny, help me to depend on you and not on people and not on my own strength and ability.

⇒There's more to life than what you see and there's more to survival than the money in your account. Sometimes God wants to teach us how to survive without money and all these physical things people depend on. God wants us to get to the point where we can totally rest on him and survive just by Him alone.

•Father, teach me the same faith you taught the faithful men of old who walked with you, so that I will be able to walk in the power and glory of heaven on earth. Lord, teach me the same faith you taught the prophets of old who were able to survive without money and see food items multiply and were able to see power produce wealth. Lord teach me such faith because I want to depend on you and not on anything else. Teach me this faith, Lord Jesus.

⇒Father establish me on your divine principles that authorises mighty miracles of heaven on earth. Lord establish my lifestyle on your divine principles that authorises the manifestation of miracles in the earth. Divine principles that commands miracles and victories on earth, Lord teach me and establish me on such kinds of principles so that I don't lack victory, let my life and days be guided by such principles in Jesus' name.

⇒Everything God is doing in our ministry, I have known Him to do them many years ago. The reason why God delays all the things He's revealed to me is because He wants everyone of us including myself to learn divine principles which are more important than miracles. Every miracle shall happen because of these principles - love, holiness, righteousness, obedience, purity, selflessness and trust in God etc.

God wants us to be established on these principles so that we can both enjoy miracles on earth and still make heaven.

•Father establish my life on the lifestyle, nature and principles of your Kingdom. Lord establish my life on the principles of true love and living faith, the principles of revelations and prayers (how to pray and not get tired). Lord teach me the principles and lifestyle upon which your kingdom is established and establish me on them all so that I will not fail in my walk with you and miss your kingdom.

⇒Father, take me through the process that will turn me into a prevailing warrior, that will conquer kingdoms of darkness, powers and thrones of darkness in these last days. Father, take me through the process that will turn me into a prevailing warrior. Lord I want to grow spiritually, in spiritual warfare I want to grow, I want to be a terrible warrior that Satan is scared of.

⇒The power and authority to change the world is in the hands of Christians but we are not using it because we have been deceived and weakened. Christians are now weak people that can be defeated by witchcraft powers and principalities but if we persist in spiritual warfare against darkness, we will fight to a point where we see changes. It is not a matter of 'I believe', it's about you working it out because God has given you the power.

•Father, equip my spirit, soul and body with strength to fight to the point of victory, to fight without looking back, to fight without getting tired, equip me with such strength in the name of Jesus. Lord equip me to fight in such a way that I am not tired, discouraged, deceived and confused. Lord, equip me with strength and wisdom to fight this way in Jesus' name.

⇒Father, give me a revelation of the authority and power you have given me over the enemy, open my eyes to see the authority and power you have already given me over Satan and his operations, realms and dominion. Lord, give me a revelation of power and authority you have given to me to trample over serpents and scorpions, over forces of darkness, witchcraft, witches, wizards and principalities. Father, give me the revelation and power I have over these things and powers as a Christian in the name of Jesus. ***I am praying for you that the power of the Holy Ghost shall come upon you and the anointing of Jesus Christ shall come upon you and you shall be enlightened to see and to understand your divinely given authority in Christ now in Jesus' name.**

⇒Recently the Lord was revealing something to me. He said am I still the Lord and King of all the Earth? Christian will win against the darkness of this age if only they will stand on the ground of truth.

•Father, in whatever way I am not walking inline with your truth, Lord, correct me and deliver me. Whatever I am doing that is not inline with the truth, whatever I have believed that is not in line with the truth, whatever I have done that is not in line with

the truth, any thing in my life that is against your truths, Lord I am open before you, correct and deliver me now in Jesus' name.

⇒Father, position me on the ground of truth that I may fight and win battles confronting me in these last days. Lord position me on the realms, understanding and revelations of truth that I may defeat the strongest battles in these last days.

⇒Truth means divine intelligence, what you must know or must have known before you win battles.

•Father, open my eyes to see and discover the details of my purpose on earth, open my eyes to see and understand what I should do with my life, each hour of my life on earth. Father, give me the details and understanding on how to live my life and what to do with my life at this time, Lord reveal to me, give me such understanding.

PSALMS 68:1

⇒Raise up your right hand. In the name of Jesus let God arise and let the enemies of my destiny be scattered forever. In my life, in my situations, in marriage, career, in ministry and calling, in my blood, spirit, soul and body, oh God arise and let the enemies of my destiny be scattered and wasted forever in the name of Jesus.

⇒Your enemies are also God's enemies. If you are a child of God, He will never watch His enemies destroy us. What does it mean when the enemies are scattered? It means that they lose their hold over your life.

•Raise up your right hand. In the name of Jesus, let God arise in the midst of my life and let the enemies of life and destiny lose their hold permanently. Let the enemies fighting me and attached to my life lose their hold forever and let them be eternally displaced from my life and destiny in Jesus' name.

⇒If God decided to explode, His enemies won't withstand such a fire, for our God is a consuming fire.

•Raise up your right hand: Oh God arise in your consuming and explosive fire and let the enemies of my destiny be scattered forever, let my enemies and their ongoing operations in my life explode forever. Arise oh God in your exploding fire and destroy the dark kingdom and forces of hell attacking my destiny. Arise now Jesus and destroy them all in the name of Jesus.

⇒When God arises in your life every dead thing will come alive immediately.

•Place your right hand on your head. In the name of Jesus let God arise in my life and let every good thing that is dead in me receive life. Let God arise in my life and every good thing that is dead come back to life, every good potential, good gift, spiritual gift, every deadness in my brain, spirit, soul and body come back to life now in the name of Jesus.

⇒The enemies of Jesus Christ during his earthly days thought they already prevailed over Him by putting Him in the grave. They thought that was the end of His ministry, calling and destiny but they never knew they were helping Him to fulfil His destiny. So maybe you have looked at your life and concluded that your enemies have been succeeding for years, probably they have been helping you because when God arises in your life, you will enter into a new glory like you have never been defeated.

- In the name of Jesus, let God arise in my life and let every grave situation disappear forever and let a new glory emerge. Wherever I have been buried, wherever my destiny and glory have been buried, oh God arise and let my dead destiny and glory be released in Jesus' name.

⇒When God rises, angels rise too because He's the Lord of hosts, the Lord of heavenly armies.

- Father release your mighty angels into my life to release me from every captivity that is limiting my manifestation in destiny. Lord release your mighty angels into my life now for complete deliverance so that I may fulfil destiny and rise into glory in Jesus' name.

⇒Immediately God rises, His enemies have no choice than to run or roast, because our God is a consuming fire. If your enemies are still prevailing in your life it's because God has not risen yet.

- Father, arise in the midst of my defeated situation and let there be victory. Oh Lord arise and let there be sudden deliverance, sudden healing and glory, arise oh God in the midst of my defeated condition and let there be sudden victory and glory in Jesus' name.

⇒When God wants to deal with His enemies, that is when He will arise. I saw by the Holy Ghost that we are in a time where God wants to deal with His enemies, He wants to deal with the enemies of the church, enemies of the gospel and I believe He wants to use you to deal with His enemies.

- Raise up your right hand. Father, glorify my faith with great power and authority because of your enemies. Lord, glorify my faith because it's time to bring down your enemies in this world, it's time to bring your enemies in my life and family, it's time to bring down your enemies in all the continents of the world. Lord glorify my faith for this reason, because of your enemies.

NB: If you are a woman please ensure you always cover your head whenever you are praying using this prayer publication or during our prayer session.

because I know you shall do great things more than our expectations in Jesus' mighty name, Amen.

PRAISE AND WORSHIP

Ancient of days we worship you, Rock of Israel. I am that I am, Lion of Judah, we worship you. Father, you are greater than the heavens and the earth, you are greater and stronger than all your enemies, stronger than principalities and powers of darkness, you are the Most High God.

We worship you Elohim, El Shaddai, Elyon, we worship you Father, we praise you. There is none like you in power, wisdom, dominion, strength and victory. There is none like you and there can never be anyone like you, blessed be your Holy Name.

Your Word comes to pass because you are the Almighty God, you are the one who closes doors and no man can open, you're the one who opens doors and no man can close them. You are the one who lifts a man and no one can bring him down, the one who brings down a man and no one can lift him up. You enthrone kings, you bring down kingdoms, Lord we worship you.

We worship your dominion, we worship your authority in Jesus' mighty name, Amen.

PRAYER POINTS

⇒ Father, thank you for you have good thoughts for my life. Thank you Father for thinking thoughts of good, to prosper my life and to bless me. Lord, despite what I am going through, what surrounds me, I thank you because you have good thoughts for me, thoughts to help me, thoughts to change my life, deliver me, heal and lift me up. Thank you for your good thoughts towards me, to bring me to a glorious destination, to beautify my life, thank you Jesus.

⇒ Raise up your right hand. In the name of Jesus, let the glory of heaven come down upon my life, let the power of heaven, the fire of heaven come down and produce great victories in my life at this moment, in this time right now. In the name of Jesus, I receive the glory from heaven, I receive the glory of heaven upon my life and situation. I receive the power of heaven upon my life environment, upon my circumstances. I receive the authority of heaven upon my life, my present situation, present environment in the name of Jesus. I receive authority for the manifestation of breakthroughs, success, greatness and prosperity. I receive the glory of heaven upon my life now in the name of Jesus. I receive the glory of heaven, power and fire of heaven for victories in the place of prayer tonight.

⇒Father, by the reason of your power let there be divine acceleration. Bless my life with divine speed such that I move forward beyond limitations, obstacles, barriers and oppositions. Father, bless my ministry, calling and life with divine speed to move forward with divine speed. Let divine acceleration happen in my life, in my spiritual growth, let me grow spiritually with speed, let me grow financially and in my career with speed, Lord bless my life with divine speed. ***I decree over your life, by the reason of the heavens that are open over this prayer session, let your life, career, calling, destiny, ministry, and spiritual walk with God receive divine speed now in the name of Jesus.**

⇒Place your right hand on your head. I come against every spirit of fear ruling over my life, thoughts, and soul; come out in the name of Jesus. Every spirit of fear that is sitting on my mind, my soul, feelings, emotions; controlling my thoughts and decisions, I come against you in the name of Jesus, come out now, loose your hold over my life. You spirit of fear, loose your hold over my life over my soul in the name of Jesus. I am not a slave to fear and I shall never be a slave to fear. Spirit of fear come out of my life in the name of Jesus.

⇒There are two powerful forces that control the entire universe, which are fear and love. It is inside fear that you find doubt, unbelief and anxiety. These are the forces which stop the manifestation of miracles, they are forces of fear. God will visit you but because of fear there will be no positive change in your life.

•In the name of Jesus, I command fire to destroy every deposit of fear in my life, whether from my past experiences or whatever I have gone through that has deposited fear in my life, let fire of the Holy Ghost destroy all the deposits of fear in Jesus' name. Every deposit of fear in my mind, soul, body, spirit be consumed by fire in the name of Jesus. Whatever deposit of fear that happened to me because of what I have gone through in life, I command fire to destroy all those deposits, my life shall not serve fear, I shall not be enslaved by fear. Every deposit of fear of the unknown, fear of darkness, fear of sickness and disease, fear of falling into sin, every form of fear; come out in the name of Jesus. Every form of fear deposited into my life from childhood, fear of getting married, fear of divorce fear of betrayal, come out in the name of Jesus.

⇒There's also the fear of falling into sin that will stop one from overcoming a particular sin. Whenever one feels anger or bitterness rising from within them, then they start to fear that they are going to fall again and whenever a certain sin or urges rises and you feel like it's going to win and you will fall again. The reason why some Christians cannot overcome sin is because they are afraid of falling into that sin. Your confidence must always be in God, believing that you cannot fall and if you believe you cannot fall then you will be able to overcome and will always be victorious.

•In the name of Jesus, I release myself from the bondage of the fear of falling into sin, addiction and darkness. I choose to be confident in the ability of God, in the

strength of God and faithfulness of God. I release myself from the fear of making mistakes, from the fear of falling into sin and darkness. I choose to believe in the strength of God.

⇒When Jesus was teaching His disciples to command miracles, He told them that if you have faith as small as a mustard seed and not doubt then shall the mountain be moved. It means that in the absence of doubt, unbelief and fear miracles will be certain, all things are possible and you can achieve anything in this world.

•Father, charge my faith with fire, sanctify my faith with fire and let my faith be void of fear, doubt, unbelief, anxiety and insecurity, let my faith be pure enough to produce miracles at this time. It is written that all things are possible to them that believe, Lord let my faith be pure so that I can see miracles happen in my life, charge my faith with fire.

⇒The ability of God is inside every child of God to do wonders. We are mistaken when we think miracles come from the outside because most of the time miracles come from the inside, from within you. Before you see them from the outside it would have started inside you. You need to awaken that divine ability.

•Raise up your right hand. In the name of Jesus, let the ability of God in me be activated by fire to produce signs and wonders in the earth so that God may be glorified. Let the ability of God in me be activated now for Christ, for God, for the Holy Spirit, and for heaven in me, let the ability of God in me rise to produce mighty miracles in the earth to glorify the name of the Lord.

⇒When Jesus was speaking to Nicodemus, He said 'that which is born of the flesh is flesh and that which is born of the spirit is spirit'. He was saying that you are flesh but God is a Spirit. If He's going to give birth, He will give birth to a spiritual being, just as your parents who are humans gave birth to the flesh. The day you became born again means that God gave birth to you as a spirit, a divine personality. God is more interested in your spirit being than in your flesh and blood.

•Father, let my spiritual personality be released to know you, walk with you fellowship with, worship you and love you for it is written that the true worshippers of God shall worship in spirit and in truth. Lord release my spirit to know you, to walk with you, feel you and communicate with you audibly and face-to-face. Let my spirit man be released to walk with you very closely.

⇒ Father, let the strength of flesh be destroyed in my life so that my spiritual being, my spiritual person can be released to know you and enjoy fellowship, communion and intimacy with you. Let the limitation of the flesh be destroyed that my spiritual personality may be released to know you with signs and wonders, to know you with power, that I may know you face-to-face and enjoy intimate fellowship and communion with you. Lord destroy the strength of flesh in my life forever.

⇒When Jesus Christ rose from the dead so he had no physical body, He rose with a spiritual body. He put on a spiritual body which was not flesh and blood because flesh and blood cannot inherit the Kingdom of God. God is after changing people into spirits and that is the essence of the gospel. The way you see yourself is who you will become, if you see yourself as someone who is glorified in Christ then that is what you will be.

•Father, let my spiritual person be glorified with the same glory that you have in heaven that I may see the greatness of your power being demonstrated on earth. Father, glorify my spiritual person with the same glory that you are with, the same glory that is with you in heaven for the manifestation of your great victories and power in the earth.

⇒There is an atmosphere in which miracles happen and that atmosphere of heaven must first appear or be created before miracles appear. That is why you need to be glorified as a spirit by the same atmosphere that is in heaven then with that atmosphere will miracles happen. A crippled person rises up instantly because there is an atmosphere that is charged with the power of God. Miracles only happen in the presence of the atmosphere of heaven which will authorise them. Without the atmosphere of heaven there will be no miracles. You do not have to see the atmosphere of heaven or feel it but there is a way your spiritual personality will know it.

•Raise up your right hand. Father, teach me to generate the atmosphere of glory on earth in which signs and wonders happen without stopping. Father, train me to generate an atmosphere that is in heaven for endless manifestations of victories, signs and wonders. Lord, teach me to generate the atmosphere of heaven on earth on a daily basis and train me Father.

⇒Everything in this world listens to the command of the Spirit including the book on your table, the chair you're sitting on, the atmosphere or the air that is blowing, as well as the non-living things. They listen because they came out of the Spirit, they were produced from the realm of the spirit. If God wants a miracle, for example, for the ground to open all you have to do is speak a Word and it will happen because there is a connection between your spiritual person and every physical thing in the world. Everything you will say by the authority of Jesus will begin to happen because everything in the world is connected to the Spirit.

•Raise up your right hand. Father release unto me the authority of dominion that is with you in heaven on your throne, that I may walk in victory and power here on earth. Lord, impart on me the authority of dominion and control that is where you are, release that authority on my life, on my spiritual person that I may walk in dominion and authority. Lord, release upon me the same authority that is on your throne that I may walk in dominion, victory and power here on earth.

⇒If you want to walk in the glory of heaven here on earth, you must walk in the spirit. From the realm of the spirit you can produce physical results and that is what we do

in the place of prayer, we produce physical changes. Most people are not walking in the spirit but want to experience spiritual results of which that is not possible.

- In the name of Jesus, I come against every attack of the devil that is promoting carnality in my life, making me carnal and not spiritual, let fire consume them all. I come against every attack of demons, of the dark kingdom that is promoting carnal mindedness, worldliness, materialism in my life, catch fire in the name of Jesus. I choose to walk in the spirit not in the flesh, I choose to live in the spirit and not in the flesh in Jesus' name.

⇒Your heart is always connected to where your treasures are. If you are a real spiritual person, your heart is going to be where your spiritual treasures are, that is in heaven. Your heart is going to be after heaven and not the things of this world. The key to the realm of God's glory is to set your heart on the things above, then you will begin to walk in glory, in the atmosphere when nothing is impossible. We are pilgrims passing by to where we came from. We are not of this world therefore we should not be mindful of the things of this world for where your treasure is, there your heart will be.

- Father, help me to be wise enough to choose heaven, to choose you and the things of heaven as my treasure, my desire, and my focus in life. Lord help me to set my heart, my mind on the things in heaven and not on the things in this world. Help me to make you my treasure, help me to make pleasing you my treasure, to make loving you my treasure, obeying your instructions and commands my treasure. Help me to make heaven my treasure and to focus on you and your Kingdom and not on the things of this world, help me Father in the name of Jesus. Lord help me to be wise enough to choose correctly and make right choices in this life. Help me not to be foolish by setting my heart on the things that will perish, things of this world, help me to be wise.

PSALM 68:1

⇒Whenever God is going to do His will on earth, that is when His enemies will scatter because there are thousands of God's enemies on the earth as well as in your life who do not want God's will to prevail. These enemies are not humans but spiritual enemies - demons. If the enemies of God are not scattered, judged or destroyed; the will of God will not be done because those enemies will not let the will of God prevail.

- Raise up your right hand. In the name of Jesus, let God arise in my life and let every enemy that is fighting the will of God be scattered forever. Let God arise in my life, calling, ministry, marriage and let every enemy attacking the will of God be scattered and destroyed forever. Let God arise now and let all the enemies be scattered in pieces right now.

⇒The statement in Matthew 6 from verse 9, 'thy will be done on earth as it is in heaven' is a war statement. It is a call for war because there are forces on the earth

that hate God, hate the will of God, hate Christ. There are forces on earth that are against the will of God. Most Christians feel there is no spiritual warfare in the Bible but even in that verse, you can see war because it means that God wants to wage war with His enemies on earth for His will to prevail.

•Father, arise in your anger and destroy everything that must be destroyed for your will to come to pass in my life. Destroy everything that must be destroyed, every system that must be destroyed for your will to be done in my life and destiny. Destroy everything, everyone, every system, every establishment that must be destroyed for your will to be done in my life. Oh God of Israel, arise in your anger, arise in your power, arise in your wrath, arise in your fire and destroy everything that must perish, everything that must fall and die, Lord destroy them now so that your will will be done in my life as it is in heaven, thank you Father.

⇒When Jesus said let the will of God be done on earth as it is in heaven, He meant that the will of God for your life, for nations and every man on earth has already been decided and established in heaven waiting to manifest on earth. Your destiny has already been decided and established, what you will become on earth, the kind of person you will marry, the kind of children you will birth, what you will do for a living, all that concerns you has already been decided even before the foundation of this world was laid. The warfare is on how that which heaven has decided and established concerning your life is going to manifest for real in your life. That is where spiritual warfare, prayers, fastings, sacrifices and every other thing comes in for you to do, for the manifestation of that establishment of heaven. Most of us are living below and behind the standard of heaven for our lives.

•Raise up your right hand. Father by your mighty hand enforce the physical manifestation of all that you have decided about my life in heaven before I was born. Father, enforce all that you have written about me, all that you decided in heaven before I came on earth, enforce their physical manifestation right now in the name of Jesus. Lord, I refuse to live below your expectation for my life, Lord, enforce all you decided for me before I was born, enforce them to take place in my life, enforce them to appear and happen to me.

⇒Your entire life has been designed by God, it has been arranged and determined in heaven, ordained in heaven and God is waiting for it to happen on earth as it is in heaven.

•Raise up your right hand. Father, arise and fight for me according to your mercy, arise and fight for me till my life looks exactly as it is in heaven, till the pattern of my life looks exactly as it is in heaven. Lord arise in your mercy and fight for me, Lord I want my life to follow the same pattern as that of heaven, to follow the same beauty as it is in heaven. I want my marriage, my family, my business and destiny to follow the pattern as it is in heaven. Lord, arise and fight for me till I look like who I am in your plan and arrangements in heaven.

⇒ It is not hard for God to change your entire life, in just a minute God can change your life. The problem with many Christians is our inconsistency with the truth, He wants your soul saved. We are lukewarm, neither cold nor hot; one leg in the light, the other in the darkness, you have not made a permanent choice for what is right, that is why God is not in a haste to do certain things for you. If God blesses you whilst you are in darkness, He is creating more trouble for Himself because all the blessings God will give you, you will use them against Him. That is why God will raise preachers and people who will lead you in the way you are supposed to follow to reach or receive from God. You need to stop being inconsistent, whereby today you are in faith, tomorrow in doubt; cold today, hot tomorrow.

• Lord Jesus, help my soul to be consistent with the light, righteousness and with the will of God. Father, help my soul to be consistent with the truth, holiness, and obedience. Father help my soul to please you in Jesus' name.

⇒ Father, according to your mercy give unto me the keys to the Kingdom of heaven that I may bind on earth and is bound in heaven, that I may loose on earth and it will be loosed in heaven. Father give unto me the keys of your Kingdom that I may bind on earth and it is bound instantly in heaven, to loose on earth and it is loosed in heaven instantly. Lord give unto me such keys of power and authority in the name of Jesus.

PSALMS 68:1

⇒ The kind of revival God is doing at this time is a revival of separation; separating light from darkness. A revival that is exposing darkness because God is against darkness.

• In the name of Jesus, let God arise in my life and let every darkness hiding in my life be exposed to the light. Let God arise and let sickness and darkness be exposed for complete judgement. Arise oh God and expose every hiding place of darkness, expose every darkness hiding anywhere, expose them for termination, expose them for destruction and instant judgement right now in the name of Jesus. Expose them for instant judgement, arise oh God in my life and expose every secret darkness for instant judgement in Jesus name.

⇒ Place your right hand on your head. I come against every witchcraft spell, curse and enchantment attached to my life to frustrate and to destroy good things in my life, let the fire of God destroy them. I come against every witchcraft spell and enchantment following my life causing evil to prosper, be destroyed by fire right now in the name of Jesus. Witchcraft enchantments, witchcraft spells, witchcraft curses, upon my life be destroyed by fire in the name of Jesus. ***In the name of Jesus, let fire locate every witchcraft spell and enchantments, sorcery and curse that are following you to cause evil to prosper in your life, let the fire of God locate them with destruction right now in the name of Jesus. In Jesus' name it is done, Amen.**

⇒ In the name of Jesus, I decree a reversal of every demonic program that has been done against my life. Whatever evil that has been programmed into my destiny, into my present time and future by the kingdom of darkness, I decree that they are reversed right now. Such evil is reversed, such programs are reversed right now in the name of Jesus.

⇒ You need divine boldness because the Bible says the righteous are as bold as a lion. When you walk in boldness, when you are fearless, there are a lot of breakthroughs that will happen to you. When you do not fear the enemy that is when the enemy will run away from you.

• Father, fill me with the spirit of boldness as I fight spiritual warfare. Let me be fearless in the sight of my enemies. Lord fill me with boldness such that I stand and my enemies flee before my life, such a boldness that is not afraid of the billions of the enemy, boldness that is not afraid of the strength of the enemy. Lord, make me fearless in the battles of life, make me fearless in the face of trials, temptations and tribulations, make me fearless in the place of strong issues of life. Lord, fill me with the spirit of boldness in the name of Jesus, Amen.

PSALMS 68:2

⇒ Raise up your right hand. Father, manifest the greatness of you in my life and let my enemies flee at your presence. Oh God manifest the greatness of your power in my life and situation and let the thick darkness that surrounds me flee at the sight of you, as it is written, smoke is driven away, so drive them away. Every serpent, scorpion, demon and unclean spirit that is operating in my life, Lord, manifests the greatness of you and drive them away.

⇒ As smoke is driven away, so drive them away, meaning everything the enemy is doing in your life is not permanent and can not be permanent. The reason why it looks as if the enemies are strong is because God has not attacked them.

• Father, reveal the greatness of you against the root and operations of darkness going on in my life and let them be permanently driven away. Oh God of Israel reveal your power against the operation of spiritual wickedness and witchcraft, operations going on in my life and drive them away permanently and cut off their roots. Every root that is giving the devil and agents of Satan a foothold in my life, let the axe of the Lord cut them right now in the name of Jesus. Let the foundation of evil in my life be permanently displaced, every root of demons, root of satanic agents and demons in my life, days and destiny, let the axe of the Holy Ghost cut them off now in the name of Jesus.

⇒ As smoke is driven away, so drive them away. During the earthly days of Jesus when He was doing His ministry, He drove them away, Jesus cast out demons, if He was never comfortable with the presence of devils, then why should you be comfortable with the presence of darkness.

• Raise up your right hand. I invoke the fire of the Holy Ghost upon every dark presence in my life, let them be driven away by fire now in Jesus name. ⇒ How is smoke driven away? It is driven away by the wind.

• Raise up your right hand. I invoke the violent wind of the Lord upon every establishment and plantation of darkness in my life, let them be uprooted and driven away in Jesus' name. Every establishment of darkness in my environment, career

and days, I invoke the violent wind of the Lord upon them all, I invoke the violent wind of the Lord upon every work of the devil going on against my life, success, promotion, achievement, progress and my rising, let them be uprooted and be permanently driven away.

PRAYERS AGAINST TERRITORIAL DEMONS

⇒ Environmental demons are demons in charge of environment, communities, towns, villages, cities etc.

• Raise up your right hand. In the name of Jesus, I invoke the violent wind of the Lord upon every territorial demon frustrating the manifestation of good things in my life and days, let them be permanently uprooted and driven away in the name of Jesus. ⇒ I take back that which the kingdom of darkness has stolen from me, by the power of the Holy Spirit I take them back. I take back that which the enemy has stolen from my life and destiny, I take them back now in the name of Jesus. ***I decree whatever has been stolen from you by the enemy is released now by the power of the Holy Spirit in the name of Jesus.**

VERSE 2

⇒ There's a level of fire that is going to be burning in your life that darkness will not be able to stay or come near you because they are going to melt away by that fire.

• Father establish in my life your hottest fire to melt away every darkness that comes near me and every darkness I come near to, for it is written wax shall melt before the fire, so let the wicked perish at the presence of God. Oh God of Israel immerse me into your hottest fire that melts any kind of darkness, let such fire begin to burn in my life, spirit, soul and body now in the name of Jesus. Such a fire that can not be touched, oppressed or enslaved by darkness, Lord put it within and around me right now.

⇒ Are you really desperate for change or are you just comfortable with failure, stagnation, limitation and oppression? If you are not comfortable and you are desperate for change, congratulations because you are in the right place because there's an anointing in this ministry that changes people's lives significantly. If you follow all that God is doing in this ministry, you will see yourself change.

• Place your right hand on your head. Father immerse my spirit, soul and body into the depth of your hottest fire till I am completely delivered from every limitation of darkness that is on my destiny in the name of Jesus. Lord immerse me into the depth of your hottest fire till all my chains, oppressions and limitations are broken forever.

⇒Place your right hand on your abdomen. Father establish within me your great fire that will make me an agent of change in my generation, that will make me an instrument that you will use to change lives, to save and transform lives and destinies in the name of Jesus.

⇒Just as wax melts in the presence of God, so God wants to melt your problems, sickness, diseases and everything He hates in your life, everything that is contrary to His will in your life.

•Raise up your right hand. In the name of Jesus as wax melts before the fire so let my problems, oppression, sickness, disease and weakness melt right now at the presence of God in the name of Jesus. As wax melt before the fire so let my chains of slavery, difficulties, poverty, suffering and hardships melt at the presence of God. Let every curse, generational curse, witchcraft curse and every problem in my life, everything contrary to the will of God melt at the presence of God just as wax melts before the fire in the name of Jesus.

⇒The Lord is telling me that some problems in the life of some of you have solidified like a rock, they are not even showing signs of leaving, but the good news is that tonight that problem will melt.

•In the name of Jesus, as wax melts before the fire, let every problem that has solidified and grounded as a rock in my life, destiny, carrier, calling and ministry be melted away. Every problem that has refused to leave, melt now at the presence of God in the name of Jesus. As wax melts before the fire so let every problem in my life appearing like an everlasting rock be melted forever in Jesus' name. ***I decree concerning your life and destiny those problems that have grounded, stabilised and solidified themselves and are not ready to go, because of the presence of God right here right now, I decree let them melt now in the name of Jesus.**

⇒There's a presence of God that carries within it a judgmental power. If such a presence of God is present in your life, serpent, scorpion and every works of the devil will die. Whenever you appear in an environment, all the demons in that environment will start shaking because of the presence of God. There should be a presence of God that is supposed to be with you such that demons will be scared to operate where you are.

•Father, bring upon my life, spirit, soul and body your presence that carries judgmental power against forces of darkness, works of the devil, oppression of darkness, against witchcraft, principalities, forces of hell and spiritual wickedness in high places, bring upon my life such a presence. Lord, let me begin to walk in your judgmental presence such that everything that is against you dies wherever I appear.

⇒Raise up your hand. Father manifest your judgmental presence in my spirit, soul and body and let every arrow of darkness in my life jump out now. Every arrow of darkness that has been fired into my life, jump out now in the name of Jesus. Father

manifest your judgmental presence in my blood and upon every organ of my body such that every arrow jumps out in Jesus' name.

VERSE 3

•Father by your mercy add to my life every good thing that is missing so that my joy may be full. Lord, add to my life every good piece that is missing so that my joy may be full. ***Every bit of goodness that needs to be added to your life to perfect your joy and gladness, by the mercy of God receive them now in Jesus' name.**

⇒The state of mind of sorrow and sadness is against the presence of God and the Kingdom of God. In the Kingdom of God there's no sadness, sorrow or depression, except godly sorrow whereby you are corrected for your wrongdoing and you feel sorrowful which leads to repentance.

•Father remove from my life every spirit and garment of sorrow, worry, anxiety, sadness and depression. Lord remove from my life such spirit and garment permanently, I refuse to be partakers of such spirit and garment in Jesus' name. Father remove from my mind and soul the influence of the spirit of sadness, worries, bitterness, anxiety, sorrow and depression that the enemy has placed upon me or that I have placed upon myself, let them be removed now by the power of God.

⇒In the God of Kingdom, love is not according to feeling, neither is joy. We choose to love to be happy and joyfully in the Kingdom of God. In the Kingdom of God we enforce the will of God upon our situations, we are not victims of the negative oppression of the enemy, so if anything is happening in your environment that is against joy, you must choose to be joyful.

•In the name of Jesus I choose to live in joy, gladness and happiness all the days of life and so shall it be forever in Jesus' name. I refuse to allow circumstances and situations of life determine my joy and happiness in all the days of my life forever.

⇒Father equip me with the supernatural ability to fast very often so that my life can move forward, give me the ability to go a long time without food and water so that I can pray prevailing prayers.

⇒Father show me and teach me your ways that I may walk in them and not fail you beginning from my thoughts, Lord show me the way to think in such a way that pleases you. In my thoughts, words, actions and speech, Lord, help me to please you. Show me your ways regarding my attitude, manner of speech and thinking that I may walk therein and not fail you, but to please you all the days of my life in Jesus' name, Amen.

The gift of the Holy Spirit shall begin to find expression in your life and the anointing of the Holy Spirit shall begin to rest upon your life for great exploits at this time in Jesus' name. You shall fulfil destiny whether your enemies agree with it or not and so shall it be in Jesus' name. PRAYER POINTS

⇒ Father, let your mercy speak for me in this hour of prayer. As I will call upon you in faith, Lord hear my cry and answer my prayers, by your mercy solve my problems. Father let me find mercy in your sight as you showed mercy to the blind man who cried unto you. Lord as I will call upon you tonight, let me receive mercy, show me mercy and hearken to my voice. Hear my prayer and show me mercy, release my blessings, my miracles, show me mercy. Lift me up, touch me, visit me tonight because of your mercy, let your mercy speak for me tonight in Jesus' name.

⇒ Father, let your name be glorified in my life, in my present situation, calling and destiny and in everything happening to me right now, Lord let them glorify your name in my life. Lord everything I am experiencing right now, every situation I'm going through right now, use them to glorify your name in the name of Jesus. Lord let your name be glorified in my life, situations and in my days by your mercy.

⇒ The disciples asked Jesus who had sinned concerning the man who was born blind. They asked if it was his parents or his own sin, but Jesus said no one had sinned but what happened to this man was to glorify the name of the Lord. John chapter 9:1-3. The same thing can happen in our lives and many may be asking whether your parents made some mistakes before you were born or not. Most of what you are going through is not caused by anyone but they are happening because God allowed them so that His works may be made perfect.

• Father, reveal your wondrous works in my life, in my situations so that all men may praise you through my life. Oh God of heaven and earth reveal your wonderful works in my life, business, career, calling, and ministry for I know you have allowed certain things in my life because you want to reveal your goodness through them. Reveal your greatness through my negative and positive situations so that all men may know that you are a wonderful God, that all men may glorify and praise your name through my life in Jesus' name.

⇒ Place your right hand on your head. Father let your works be made manifest in me because of your enemies so that your enemies may be put to shame and be silenced forever, so that your enemies will suffer disgrace forever. Lord let your

works be made manifest so that your enemies can be publicly defeated, put to shame and frustrated in the name of Jesus.

⇒ Father, let my voice be heard in places where the enemy has silenced my voice, let my voice command great influence where I have no influence anymore. Lord let my voice and name command influence in places where I have no influence, in places where the enemy has shut it down. Let my voice and name command great influence in places where they are needed in the name of Jesus.

⇒ Father set on fire all the works of the devil that are being done to frustrate my life, to cause shame and disgrace in my life, Lord set them on fire. All the works of the devil that have been done or are being done to cause shame, disgrace, and frustration, let them be consumed and destroyed by your fire. Set them on fire till they are completely destroyed in Jesus' name.

⇒ Father by your mighty hand perform miracles that will bring forth my glory, and my light into shining. Lord perform miracles that will release my light to shine forth, that will make my light shine to save lives, for the liberation of destinies, to deliver many lives from the captivities of darkness. Lord perform miracles that would make my glory rise and shine. Lord by your mighty hand do miracles that will release my glory to shine forth all over the world, do the miracles oh Father.

⇒ Father, empower me to fulfill my divine calling, divine purpose as it is in your plan in heaven. Lord, empower me with everything that I need to carry out your divine assignment on earth as it is in your book in heaven, as it is in your plans, as you would want it done. Lord empower me to fulfill my divine assignment, my divine calling on earth as it is in heaven, in Jesus' name.

PSALM 68:3

⇒ Another thing that will make you rejoice is when you have testimonies, when God answers your prayers.

•Father, in your mercy let the prayers I have prayed for a long time receive divine interventions from you for manifestation of testimonies. Father visit the prayer requests I have placed before you for a long time, my long time prayer points, visit them with interventions that I may have testimonies, that I may experience signs and wonders and mighty miracles. Lord visit the prayers I have prayed a long time ago and let there be testimonies that I may rejoice exceedingly. **"I decree over your life that the hand of God shall visit those long time prayer points and requests and give you miracles. Testimonies that you have never shared before, miracles you have never experienced before, the hand of God shall wrought them into your life beginning from tonight in Jesus' name.**

VERSE 4

⇒ Most of us are not experiencing victories and breakthroughs because we are not the type that praises God everyday for hours, that is why we have not been seeing victory happen in our lives.

• In the name of Jesus, I receive the spirit of Grace, I receive the garment of praise, I receive the anointing and spirit to praise God throughout the day. I receive that Spirit now, I receive that Grace now. I receive the Spirit of praise, I receive the anointing of praise that I may praise the Lord my God every moment of my life, everyday. I receive the power of praise, the anointing of praise, I receive it now in Jesus' name.

⇒ Whenever we praise God, He moves and He moves by the name Jah and that name reveals His nature as God, as a warrior. When a personality is called God it means it can do anything it wants to do any day, any time.

• Father, from today onward, let my praises of you enthrone your victory power and dominion over the earth, over your enemies. Let every time I praise you, let your victory and power appear instantly. Let my praises of you enthrone your dominion, victories, and power over the earth and over your enemies in the name of Jesus.

⇒ Father, reveal your greatness in my life so that your enemies may know that they are weak and powerless, that my enemies may know that they are weak and very small. Father, reveal your greatness in my body, soul, spirit, in my environment and situations so that your enemies may know they are too weak to confront you, that they are too small to stand against you. Reveal your greatness in my life that the enemies of my life, family and destiny may know that they are nothing, that they may know that they are nothing but nothing and too small to stand against you, Father reveal your greatness now in Jesus' name.

⇒ The name Jah also means that He is the Lord, that Jehovah is the Lord, Yahweh is God.

• Oh God of Israel manifest yourself as the Lord in my life that all the forces of darkness, witchcraft and hell attacking me may surrender forever, that they may bow and surrender forever. God of Israel, manifest yourself as the Lord for you are the Lord and there's no one else like you, there is no other like you and there can never be another like you. Let every power fighting me see you and bow, let them see you surrender and give up their weapons, give up their attacks in the name of Jesus, show yourself as the Lord. Oh God of Israel, show yourself as the Lord in my life to humble my enemies. Manifest as the Lord so that my enemies may be humbled forever before you in Jesus' name.

⇒ To be the Lord means that God gives His enemies no choice but to obey Him. The enemies will have no choice but to do what God wants whether they like it or not, they must bow, He gives the enemy no choice but to fail. It also means that He gives the enemy no choice but to give up and lose, they have no hope for success, victory or breakthrough.

•Raise up your right hand. Lord Jesus manifest yourself as the Lord and let your will prevail in my life whether the enemy likes it or not, whether the kingdom of darkness likes it or not, let your will prevail in my life. Lord Jesus, appear in my life as the Lord and let your will be done whether anyone likes it or not, whether the dark kingdom, the government likes it or not, let your will be done. Lord Jesus, appear in my life with power and let your will be done, have your way whether the darkness or anyone likes it or not, show yourself as the Lord and make your will prevail in the name of Jesus.

VERSE 5

⇒This verse means that God is a helper to the helpless and a hope to the hopeless. He is willing to fight for you when you cannot fight, He is willing to defend you when you cannot defend yourself.

•Father, you are my hope and my help, arise for me and defend me in places I cannot defend myself. Father you are my helper, arise for me and defend me, without you I cannot do anything, I am hopeless without you, I am defenceless without you. Father, arise and fight for me, you are my help, my defender, my hope, and my helper; arise, fight for me, defend me in places I cannot fight for myself. As a Father of the fatherless, a hope for the hopeless, a helper for the helpless, Father, defend, help and fight for me now in the name of Jesus.

⇒God cares a lot for us but most of us do not know it because we have not trusted Him enough. If you can trust Him, you will know that He is a caring Father. Trusting God is whereby you are not trusting in any man or what anyone can do for you. You are not trusting in your own wisdom, ability or strength; you are not trusting in a second option or another god but you are trusting solely on Him. Most of us cannot trust God because we are too scientific and not full of faith because we believe as we see, that is science.

•Father, I acknowledge that you are a caring God, help me to trust in you, follow you with the whole of my heart, help me not to be deceived by science so that I can live by faith. Father help me to trust in you because you are a faithful God, help me to trust you with my life and with everything in me. Help me to trust you when things are falling apart, when I have no hope anymore, when it appears as if no help is coming from anywhere, help me to trust you beyond science, beyond what my physical eyes can see. Help me to trust you beyond human wisdom, sense knowledge so that I can see your faithfulness and experience your faithfulness as a caring Father.

⇒When you learn to depend on God on every issue of life, there will never be a time where you will lack His help because He Himself knows that this child of mine cannot survive if I cannot help him. God wants us to believe and live with the mentality that we cannot survive without Him.

•Father, help me to depend on you in everything, help me to rely on you for everything. Help me to depend on you to the point where I cannot survive without

you, where I cannot do anything successful without You, Lord teach me to depend on you. Lord teach me to depend on you for everything and in everything, to depend on you for my survival. Teach me not to rely on myself, my wisdom, strength or ability but to depend on you for without you I cannot do anything.

⇒ Father, strengthen me with yourself that I may succeed in life and in the things I do for a living, that I might succeed beyond human understanding and wisdom. Strengthen me with yourself that I may succeed in life, in the works I do for a living and on a daily basis. Strengthen me for greatness, victory, prosperity, and success; strengthen me Lord Jesus.

⇒ God has a way of getting people's rights for them, what belongs to you from wherever it is captured or has been hijacked in the spirit world or in the physical.
• Father, by your mighty hand move for my sake and get for me all that belongs to me that is in the hands of the enemy, all that is mine in the possession of the enemy. Father, move for my sake and get for me all that is mine, all that belongs to me from the camp of the enemy and in possession of the enemy. Oh God of Israel, claim my rights for me because you are the defender of the defenceless, the helper of the helpless, oh God arise for me and get my rights for me. Get what is right for me that is in the hands and possession of the enemy in the name of Jesus. Let those sitting in my position, receive your judgement right now and let me have my position.

⇒ Because the Father cares, Jesus asked us to ask Him for daily bread. God knows that some of us have jobs and work for money but that we should ask Him for daily bread, which means that He does not expect your survival to come from your hands. He knows your salary and income will not be enough to give you survival and there will always be a time that He will be the one to take care of you. A time is coming where people will have money but there will be no food to buy.

• Father, let me see you as a caring Father, let me see you take care of me as a caring Father, let me see you meet my needs and satisfy me with everything that I need for survival, success and victory in the name of Jesus. Father let me experience your care and Grace, let me see you clothe me, feed me, give me shelter, let me see you care for me. Lord, I depend on you for survival, let me see you care for me as a caring Father and give me all the benefits I need to move forward, succeed and make progress in life. Let me see you care for me beyond my income and salary.

⇒ Father, help me to love you more than myself, more than everything in this world, more than everyone in this world, to love you more than my life. Father, help me to love you so much to please you, serve you, follow you. Oh Lord, may you help me to love you more than myself and my desires. Help me to love you to give up so much for you in my life, help me Father in Jesus' mighty name.

⇒ Raise up your right hand. In the name of Jesus, let the glory of heaven fall upon my life and let the atmosphere of my life become the atmosphere for miracles, signs and wonders. Oh God of Israel, let the glory of your Kingdom, the glory of heaven fall upon my life now, come upon my life and let the atmosphere of my life become an atmosphere where miracles happen easily for the manifestations of signs and wonders.

⇒ Raise up your right hand. Oh God of Israel, mobilize your angelic forces of war into every battle the enemy has stirred up against my life, my survival, calling, destiny and let there be victory for me in the name of Jesus. Oh God of heaven's armies, mobilize your heavenly forces into every battle the kingdom of darkness have stirred up against my career, calling, marriage, business, and ministry, mobilize your angels of terror, your angels of war into those battles and let there be instant victories for me right now. ***As you have prayed this prayer, I decree it is done for you in Jesus' name, Amen.**

⇒Father, send help into my life for my rising to the great place I am supposed to be now. As it is written in Psalms 20: 2 that you will send help from your sanctuary into my life. Lord, by your mighty hand, break them in pieces right now in the name of Jesus. PSALMS 68:6

⇒We are in a season where God wants to connect us with families that matter to our destiny.

•Father set me among people and families that matters to my calling and destiny, for me to become who you have sent me into this world to become. Lord, set me among families that you have ordained to help my life rise to the place of greatness, glory and honour, Lord miraculously connect my life with such people and let me find favour in the sight of such people. Lord set me among people you have chosen to walk together with me to fulfill the calling and destiny upon my life.

⇒If you don't have the right attitude, live a certain lifestyle you might never meet some people that matter to fulfill your destiny. In the realm of the spirit, light things attract each other. If you have a certain virtue you are likely to attract another person with similar virtues.

•Father, impart into my life the right character and attitude, right lifestyle and right behaviour that will enable me to be attracted to the right people and families that matters to my destiny fulfilment. Lord, set in me the right spirit, right heart, right nature and right character that will attract me to the right kind of people you want me to walk with in life and destiny, Lord put those attributes in me.

⇒God setteth the solitary in family means, when God suddenly makes you accepted in places you have been rejected.

•Father put upon my life a strong spirit of favour that will make me accepted in places I have been rejected and disapproved in . In places you want me to be accepted, Lord put upon me your favour that I may have a home in such places, for me to be established in such places.

⇒God setteth the solitary in family also means God gives you assistance or support from many people to achieve your goals.

•Father, by angelic interventions mobilize people that will support me, assist and sponsor me to achieve great success you have given to me. Lord, by angelic interventions, mobilize people and families that will back me up with everything they have to support my vision, progress, projects and assignments that you have given to me, Lord mobilize such people and families into my life in the name of Jesus.

⇒God setteth the solitary in family means brethren coming together to fellowship together. We are in a season where God is initiating fellowship among believers. Believers coming together to pray, fast and study the Word of God.

•Father, connect me with Christians believers that will help me grow in the knowledge of you and strengthen my spiritual life, Christian believers that will add virtues, wisdom and understanding to my life, Lord, connect me with such believers. Christian believers that love God, that are on fire for God and have the power and presence of God in them. Lord, connect me with such believers that I may be sharpened and grow through them in divine wisdom, understanding and revelation of

Jesus Christ. Lord connect my life with men that will transfer fire into me, men that while I am with them I am strong, empowered and edified, Lord connect me with such people in the name of Jesus.

⇒ God setteth the solitary in family also means that God will make you to be welcomed, honoured and favoured among men. You might feel you are all alone or are not qualified but God has a way to lift you up to a position you never thought of being.

• Father by your mercy let me receive a call unto honour in places I don't deserve to be honoured in the name of Jesus. Father you said in your word you will set the lowly among people that welcomes him, Lord let them call me. Lord show me mercy and let me be called in those places to be honoured.

⇒ He bringeth out those which are bound with chains means God set the prisoners free because of His greatness in power and might.

• Place your right hand on your head. Father, by your mighty hand bring me out of every captivity of darkness that has prevailed over me for years in the name of Jesus. By your mighty hand bring me out, spirit, soul and body from every ancient captivity of darkness that has prevailed in my life for years, Lord bring me out of those captivities in the name of Jesus.

⇒ Place your hand upon your head. Father, use your rod of iron to break in pieces every chain of darkness that has tied down my life from progressing in destiny. Lord Jesus use your rod of iron to break in pieces every chain of slavery that has tied me down for many years, Lord use your rod of iron to break in pieces every chain of slavery on my hands, neck and legs in the name of Jesus. Use your rod of iron to smash in pieces every chain of slavery that has tied me to one position for years.

⇒ When God is highly exalted in the midst of your captivity; breakthrough, victories and deliverance is certain. You need to have a nature of praise because there are some victories you will never have until you praise God. Be someone that praises God irrespective of the situation you find yourself in. For example you can pick up a song of praise then sing and dance unto God with thanksgiving even you alone in your room. There are some victories you will never have despite how much you fight those battles if you don't praise God.

• Father, impart into me the same nature of praise that the angels have in heaven, the same nature of praise that is inside the four living creatures and the twenty-four elders in heaven, Father, impart in me such a kind of nature that I may praise you till I experience victories. Lord put upon me the divine nature of praise to be able to praise and magnify you irrespective of my downfall, defeat, hardship pain, setbacks, disappointments or whatever I am going through, put in me the nature that will always enable me to remember to praise you even if the whole world is falling apart, give me such nature at such a time like this.

⇒Father, let your fire locate every demonic bank holding my finances, riches and wealth captive, let your fire locate them now and break them in pieces and release my finances in the name of Jesus. Every demonic bank wherever it is located that is holding my riches, wealth and treasures captive, Lord, let your fire locate such banks and let your fire release my wealth and finances in the name of Jesus.

⇒Speak prophetically into your life. In the name of Jesus, I prophesy opening of doors that would lead me, take me into the place of success, victory and breakthroughs. I prophesy opening of doors that will lead me into the place of dominion, let those doors open now. I prophesy doors that would lead me into success and greatness, open now in the name of Jesus. I prophesy the opening of doors in my life, career, ministry and calling that would lead me to greatness, success, dominion and victory right now in the name of Jesus.

⇒Father, let your mind merge with my mind till my life is perfected in your will and purpose in the name of Jesus. Lord, merge your heart with my heart for perfection that I may be perfect in your will, plans and purpose in Jesus' name.

⇒Father, by your mighty hand let your will be enforced above my own will such that I do whatever you want me to do whether I like it or not. Father use your mighty hand to enforce your will over my will that I may fulfill destiny and become who you want me to become. Lord, enforce your will over my will, enforce your mind over my mind that I may please you at this time, that I may walk in the path of destiny fulfillment, and that I may do things that will take me to where you want to take me in life.

⇒It is possible for you to be deceived and not know, it is possible for you to believe a lie, or be doing something which you think is right but it is very wrong. There's nothing that wastes the destiny of a man, as that man being deceived.

•Place your right hand on your head. Father by your mighty hand deliver me from every web of deception I have been entangled in, that has entangled my life. Father, deliver my soul from the web of deception that I have believed to be true but is a lie, what I think I'm doing right but is wrong, Lord deliver me and let me not waste my life and destiny in deception in the name of Jesus. ⇒He bringeth out those that are bound with chains - People who are bound with chains can't free themselves, it's going to take another person to free them. There

are some bondages that you can come out of yourself but there are some that you cannot come out of yourself no matter how you try, except God intervenes.

•Raise up your right hand. Father by your mercy release your power and anointing into my life and let every chain of darkness and slavery that has refused prayers and fasting, Lord, let your fire break them in pieces right in the name of Jesus. In the midst of my sickness and disease, let the greatness of you appear right now and let there be instant miracles in the name of Jesus.

⇒There are diverse kinds of God's presence. There's a presence of God that automatically ends slavery, suffering, bondages, captivities, sickness or diseases. Once that presence appears in your life or you happen to find yourself in that presence of God which is the glory of God, your problems end immediately and you can't be sick anymore. There's a presence of God that is missing in your life. Christians should be people that seek God for encounters because every one of those encounters will change your life.

•Father, enthrone in my life a powerful dimension of your presence that ends all matters of captivities in my life and destiny. Enthroned in my spirit, in my life within me and around me a powerful dimension of your presence that will permanently end all manners of captivity, witchcraft, oppression, slavery and weakness In the name of Jesus.

⇒Act 10:38, "For God Was With Him", these last five words in this verse were the secret behind all the miracles Jesus and the Apostles performed during their earthly days. There's one God who is the God of Israel, but the way He is with us is not the same with other people. What you sow is what you reap, the way God is to someone who always seeks Him is different from someone who hardly seeks Him. You can not have a powerful presence of God if you are not a seeker of God.

•Father, help me to have a heart that seeks your presence all the time, every hour of every day, a heart that is never satisfied without your presence, a heart that is not comfortable until I'm in your presence, or have entered the depths of your presence. Give me a heart that seeks to be with you always and not to be with people. Lord give me such a heart that desires to be with you, talk to you, hear from and learn from you always, Lord give me such a heart that is so full of thirst and hunger for you, a heart that is always beholding your face and glory, give me such a heart in Jesus' name.

⇒ There will not be a complete deliverance if your life is not rooted in God's presence. If you are delivered not being fully in God's presence, it might just be for a few months after that the captivity will come back. Anything or anyone taking you out of God's presence is your greatest enemy even if it is yourself.

• Father, deliver me from anything and everyone distracting me from seeking and focusing on your presence in the name of Jesus. Whatever is in my life distracting and shifting my focus from your presence to other things in the world, Lord let that thing be taken away permanently from my life in the name of Jesus.

⇒ You cannot talk of God's presence without talking of holiness, purity of heart and spiritual mindedness, they are all connected with God's presence. God cannot stay in a place that is stinking, dirty, polluted or carnal. God cannot stay with you if your mind is not spiritual, full of lust, pride, bitterness, anger and unforgiveness.

• Raise up your right hand. Father, let holiness and purity prevail in me and let the sinful nature die, let Adamic nature die, let self die, let flesh and worldly nature die in the name of Jesus. Let holiness and purity prevail in my feelings, emotions, character, attitude, behaviour, words and physical dressing, let holiness and purity prevail in the name of Jesus.

⇒ Father, let the plans of the wicked one concerning the members in my family fail (you can mention their names) in the name of Jesus. Let the plans of the enemy of destruction, incurable diseases and untimely death fail in the name of Jesus, every evil plan the enemy has for anyone in my family, let all those plans fail right now.

⇒ In the name of Jesus, I receive divine authority to command great results, victorious results in the place of prayers in the name of Jesus. I receive divine authority to command great results of progress, healing, deliverance, victories and breakthroughs. I receive the authority to command such results in my life through prayer and fasting in the name of Jesus.

⇒ Father, forgive and deliver me from every habit and behaviour that I manifest that is not pleasing in your sight, Lord forgive me and deliver me from such attitude and behaviour in the name of Jesus. Every unclean attitude, unholy attitude, ungodly lifestyle that I have that is chasing away your presence from me, every lifestyle that is disapproving me from your presence, Lord deliver me from them all.

I decree that every paralysis that the kingdom of darkness has injected into your life to keep you at one point to stop you from rising and progressing, be healed right now in the name of Jesus. Every paralysis in your business be healed in the name of Jesus. Every paralysis in your spiritual life, marital life, in your calling and destiny, let all of them be healed now in Jesus name.

The Lord shall rise to fight your battles and the Lord shall put an end to every oppression of darkness that has limited you for years, they shall come to an end in Jesus' name. The hand of the Lord shall break in pieces every strong door, strong gates that would not let you move forward, let the hand of God break them now in pieces in Jesus' name. No weapon formed against you shall prosper, from tonight every weapon that is formed against you and your children shall not prosper in Jesus' name. The anger of the Lord shall be kindled against every darkness and agents of darkness that do not want good for your life, business and career, let the anger of God be kindled against them and waste them all in Jesus' name. Thank you Father because we know you have answered in Jesus' mighty name, it is done Amen.

Thank you for the authority you have wrought in our voices even upon our tongues such that when we make a decree it comes to pass. We thank you Father for the doors you have opened for us. Thank you for the blessings you have released into our lives, thank you Father for impossible things you have made to become possible. Thank you Lord for the grace you have given to us to overcome our weaknesses and to become stronger than the things that we were stronger than us, thank you Lord. Thank you Lord for the entrance of your Word that is giving us breakthroughs, freedom, deliverance, transformation, healing, righteousness and purity. Thank you because you are using your Word to change our lives into the kind of people you want us to be.

PRAYER POINTS

⇒Father, I thank you for who you are in my life. I thank you because I can trust in you, I can depend on you for you are a faithful God, you are a good God. Thank you for who you are in our lives in our situations. Thank you for who you are in my body,

in my soul, in my spirit. Thank you for who you are Father, in the midst of the darkness you remain the almighty God. I thank you for you can never be limited by anything or any circumstance, your will prevails whether the devil likes it or not, thank you for who you are.

PSALM 68:7-8

⇒ God walked with the children of Israel from the wilderness into the promised land physically with the presence that is so terrible. God is also doing the same in these last days because the same miracles He did to bring the Israelites out of the land of captivity into the promised land are the same miracles He will do in these last days to bring the church out of captivity into glory. I believe God wants to do terrible things because He has chosen you.

• Raise up your right hand. Father I open up my life to you, visit me with the same presence you visited the Israelites with when they were in bondage to give them complete freedom, Lord visit my life with that same presence and do the same in my life. Take me to the place you have ordained for me before I was born, Lord visit me with the similar presence that brought the Israelites out of bondage into the land you prepared for them, a land full of wealth and establishments they did not work for. Lord visit me and translate me now into that promised land you have prepared for me.

⇒ The writer is calling God to remembrance because of what He did before with visible signs and wonders.

• Place your right hand on your head. Oh God arise, fight for me, defend me the way you defended the children of Israel against Pharaoh, against the taskmasters, Lord fight for my complete liberty. Oh God arise and fight for me that I may be released from the bondage of many years, that I may be set free from the captivity of many years, as you did for the Israelites you can do the same for me in my life. Defend me now, fight for me now.

⇒ Raise up to your right hand. Father, visit my life, my destiny and begin to do visible miracles, visible signs and wonders because it is time for my complete freedom. Lord visit me now, perform miracles and work wonders that means I will not remain in any captivity again. Do miracles that means that my captivity is over, my slavery is over, my suffering, shame, reproach, sorrow, pain, hardship are over. Lord, if you did such miracles in those days, you can do them right now for it is written that Jesus Christ is the same yesterday, the same today and the same forever, if you did it then you can do it now. Lord do miracles that means my captivity, slavery and poverty are over instantly.

⇒ God was physically leading the Israelites by the cloud of smoke by day, pillar of fire by night and as He did for the Israelites He wants to do the same for you.

• Father, hold me by your hand and move me from where I am now into the place you have prepared for me, the place of honour, victory, power, dominion, authority and

success, Lord hold my hand and walk me into that place. Father as you did for the Israelites physically, walk with me physically into the place you have prepared for my life and destiny, into the place you want me to be in that I am not in now, Lord visit me, hold me by the hand and walk me into this place. The realms where I am not in right now, hold me by your hand and move me into those realms right now.

⇒When God comes visibly as He did for the Israelites, it's because He wants to do something that no one can stop. Just as no one was able to stop the Israelites, from Pharaoh, even the nations they encountered along the way, it's the same thing He wants to do when He wants to do a significant change in your life that will be visible. It's possible that God is doing certain things in your life that you are not aware of but if He wants to show you mercy He will come to you in a very physical way. Most of us are polluted such that when God speaks or shows us something we cannot hear or understand Him because of such darkness that has covered this generation.

•Raise up your right hand. Father show me mercy and lead me with your presence that is so visible physically that I will not be able to doubt or ignore so that I can follow you quickly to where you are taking me. Lord as you did for the Israelites, visit me in a physical way and move me to where you want me to be with such a physical presence that I cannot deny it is you, such that my dreams will be encouraged, my faith will come alive and that I will know that the God of Israel is the one with me. Lord in your mercy visit me in this dimension.

⇒Father, visit me in a visible presence of you that is so powerful such that no authority, no principality can stop you. Lord, visit me in a powerful way that no government, no authority on earth, no principality on earth, no kingdom on earth, no throne in any realm or power in any realm would be able to stop you and your operations in my life. Visit me Father in a visible and powerful way and do operations in my life: operations of greatness, glory, deliverance, operations of empowerment, transformation, healing, mighty miracles, visit my life and do all these operations that no one can stop you. Lord as you did for the Israelites when they were in Egypt, the same way by which you took them from Egypt into the promised land, Lord visit me in such a powerful and visible way such that no system on earth or governments can stop and hinder.

⇒The Israelites were are under a very strong wicked system, a very strong bondage which was coming from the rulers of nations (where they set the law to say you shall remain slaves forever), God knew that they will not reverse such a law, so He decided to intervene. When the governments make laws which are so mandatory that there's no choice but to do what they want or die, this is the same situation the Israelites were under. A lot is going on right now in the physical and spiritual realm to keep the church and many souls and destinies under slavery and they are ready to continue to hold people under slavery and are not willing to give up. The forces of darkness you're dealing with are not willing to give up, they will not repent and they

are not willing to change and that is what God wants them so that He can show them who He is.

•Father descend upon ruling authorities, visible or invisible that have determined that my life will remain in slavery, descend upon them and show them who you are, how terrible you are, how deadly and dangerous you are for me to be free. Oh God of Israel descend right now upon every ruling authority that have wowed and determined that my life will remain in slavery, descend upon them and shake them, destroy their strongholds over my life right now, destroy their authorities, smash in pieces their strength of control over my life and destiny right now in the name of Jesus. As you wasted Pharaoh and his forces in the sea, Lord descend upon them and waste them all because of my deliverance and freedom, waste them all and show them who you are.

⇒When you study the story of the exodus you will see how people survived without money, how people ate the food of angels, how God did miracles that were physically impossible because He was against the system of slavery. God is bringing some of you out of the system of slavery and because you are not trusting Him to provide, you're always thinking of when you were in that job or when you had so much money but God is taking you out of the system your job got you into to get you into a better place and He expects you to trust Him. Some because of a few moments of hunger you begin to lose faith and trust in God and you think of going back to where He has taken you from which is very wrong. The Israelites were under a system that was giving them food to eat while being enslaved and God decided to take them out of that system but they could not trust God to keep feeding them, that's why they began to complain, murmur and sinning against God.

•Father I refuse to be an enemy of the progress you're doing in my life at this time, Lord help me to follow you with all my heart and soul as you are taking me out of your system of slavery into a better place. Lord help me to follow you in obedience with a heart full of trust so that I will not hinder the process and lengthen my time in the wilderness. Lord, help me not to be an enemy of the progress you're making in my life at this time, help me not to be the one to stop you from taking me to a better place, help me not to stop you because of unbelief or lack of faith. Help me not to be like the Israelites in the wilderness, help me to trust you.

⇒ God brought the Israelites into a situation where the only way they could move forward was miracles just as most of us have been brought into situations that it's only miracles that can take us into a better place and help us survive. God wants us to be in alignment, that it is only miracles not for you to depend on some rich relative somewhere but He wants you to come to a place where you agree that it is only miracles that will take you to that better place.

•Father, I agree that only your miracles will take me from where I am now to where I am going, where you are taking me, Lord in your mercy rain those miracles. Lord I agree that you are the only one who can take me to that promised land, rain the miracles, I don't want to know how you will do it, I don't want to know how water will

come out of the rock but all I know is that only these miracles shall take me to that place you have promised me, therefore Lord I agree, begin the miracles.

⇒ There are many things that should be shaken for your success, miracles and breakthroughs to happen. There are so many realms which have to release you for you to move forward.

• Raise up your right hand. Father reveal your powerful presence in every realm where my life, spirit, soul, body and destiny has been captured for many years. Lord visit those realms right now with your power whether it's in the waters, under the waters, in the sea, under the rocks, under the ground or within the ground where my life, destiny, calling has been captured for many years, oh God of Israel visit those realms with your power and authorise my deliverance, my freedom, release me to move forward. Let the earth shake because it is time for me to move forward. Lord, manifest yourself in every realm of darkness, let there be an earthquake for my life to move forward, let those realms continue to shake until I am released to move forward.

⇒ The Lord is telling me that some of you have been poisoned in your spirits, your spirit man has been poisoned that is why you cannot function as it is in your destiny script.

• Place your right hand on your head. Father release the blood of Jesus into my spirit and let every poison of darkness that has limited my manifestation in calling and destiny be neutralized right now. Father, release the blood of Jesus into my spirit and let every poison that is limiting my divine abilities, every poison of darkness that has caged me from manifesting as I should, assigned to stop me from functioning as I should, Lord let the blood of Jesus neutralise them now.

VERSE 8

⇒ God wants to shake the earth such that all the blessings that God has placed on the earth will be released unto you. He wants to shake many realms just as a farmer shakes a tree and all the ripe fruits fall to the ground.

• Raise up your right hand. Father manifest your powerful presence in the earth and let the foundations of the earth be shaken violently until all my blessings that you have placed in the earth are released into my life. Lord, manifest your powerful presence in the midst of the earth, shake the foundations of the earth to the core until the earth begins to release into my life all the blessings that you have programmed into the earth into my life. Blessings you have placed in the earth for me before I was born, blessings that have my name and address on them, Lord let the foundations of the earth be shaken and let these blessings begin to fall into my life right now. By the reason of your powerful and mighty presence, let the foundations of the earth begin to shake until all the blessings that are mine in the earth are released unto me in the name of Jesus. ***I decree over your life that the powerful presence of the Most High God as it were in the days when God dropped on mount Sinai, shall visit the earth concerning your life. Because of your life, there**

shall be a manifestation of God's presence that has never been felt before and by reason of that presence, your blessings shall come looking for you in the name of Jesus. There shall be a great shaking in the earth because of you, your calling, ministry and destiny. I decree there shall be a great shaking in the earth until all the blessings that are yours are released and so shall it be in the name of Jesus.

⇒ The reason why there were vibrations when God descended on Mount Sinai physically was because on the earth there are many enemies of God. The presence of God in heaven does not vibrate like that because there are no enemies of God in heaven. On earth there are a lot of enemies of God including your body, that is why during deliverance some people shake and vibrate.

•Father, visit my life in a strong and powerful way and destroy all your enemies operating in my life and let all your enemies in my body, spirit and soul. Lord visit my life in a very strong and powerful way and destroy all your enemies, the enemies of righteousness, of progress, success, testimonies, signs and wonders, victories in my life. Lord, begin to destroy them including sickness and diseases, every form of infection, destroy the enemies of stagnation, Lord visit my life destroy them all, let them die in your presence.

⇒Raise up your right hand. Oh God of Israel visit my ancestral lineage with fire and power and destroy all your enemies till none of them are left so that my life can move forward. Lord visit my ancestral lineage, my father's house, mother's house with your fire and power begin to move in the village where my ancestors rose from, move in every place where I am connected with my blood and destroy all my enemies that will not allow me to move forward, destroy them until none of them are left. Let there be a permanent destruction of every enemy of my destiny that is rooted in my bloodline.

⇒Father, descend in your anger upon every witchcraft system and altars that are limiting my progress in destiny, stopping my manifestation in calling and destiny, descend in your anger and you destroy them. Descend in your anger upon every witchcraft system, witchcraft sources and networks that are limiting my progress in destiny, let the foundation of witchcraft in my father's house receive the anger of God, let the foundation of witchcraft in my mother's house, my mother's lineage receive the anger of God and let them be wasted right now in the name of Jesus. The roots of witchcraft in my family line and background limiting my progress in manifestation in destiny, receive the anger of God and be wasted now in Jesus' name.

⇒The same things and mistakes your ancestors made, the devil is trying to transfer them into your life. The same errors they made whether in ministry or in whatever they were doing he wants you to commit the same.

⇒Father, uproot from my life every sinful nature that has been transferred from my ancestral lineage, every error and mistake my ancestors made and is now coming

for me to rule over me, oh God deliver me now. The sins my parents and grandparents made that are coming for me to enslave me, to rule over my life, oh God have mercy and deliver me, uproot such sins from my life and destroy such nature from my life right now in the name of Jesus. The same errors and mistakes my ancestors made and they could not fulfill their callings and destinies because of such errors, Lord let not my life fall under the same, deliver me Lord Jesus.

⇒I heard the word fortress in my spirit.

Some of you are suffering because you're not strong, you are weak spiritually and you are not doing anything about it. When the enemy prevails over you then you start running to the pastors but what will the pastor do? because you have not been doing anything about it, you were just comfortable in your weakness.

•Place your right hand on your head. Father let my life, spirit, soul house you as a fortress that no darkness can defeat, a strong fortress that no weakness can defeat. Lord turn my spiritual man to a seat of you as a fortress, to a seat of power, to a seat of great fire that cannot be erased by devils, that cannot be defeated by darkness or any force of darkness. Lord let my house become a house of you as a great fortress, Lord magnify yourself in my life till all my weaknesses are gone, become big and mighty in me till all my failures are gone, till I am indestructible, untouchable and invincible.

⇒Father, teach me ways to function under your grace and not under my human efforts, not with my human strength. Teach me Lord to function with your divine abilities, teach me to function under your grace and not with human strength. Teach me Father to do everything in my life by grace not by human strength, teach me how to connect with the realm of Grace and not with the realm of human efforts, wisdom and strength.

⇒Father, make me into the person that can fulfill the destiny you have given you, change me and transform me into the person who will fulfill the calling you have given me. Lord, change me into that person for I know only with that life and identity can my calling be fulfilled. Change me Lord into the person that can fulfill the destiny you gave me to live on earth, change me into that man, into that woman, Amen.

#The Lord is saying He is going to put honour in the lives of some of you, meaning you shall be honoured in places you have not been honoured in before and you shall see it very soon.

CLOSING PRAYER

Raise up your right hand.

Heavenly Father we thank you because you are a faithful God, we thank you for your love and mercy. We thank you for taking us through many truths in Psalm 68:7-8 and for us to know how much you have committed for our future and destinies even the same way you did for the Israelites. Thank you for such a grace you have given to us and shown to us at this time that we can believe you for terrible miracles, that will take us to the place of fulfillment of destinies and callings. Thank you for such a grace, oh God be praised forever in Jesus' name.

Father, I ask for everyone that has prayed with me in this prayer session that in your mercy visit each life and begin to correct things that have been deformed, malformed, damaged, go into each life and begin to heal their lives. Begin to correct everything that is out of place in their lives, everything in their bodies, souls and spirits. Lord, begin the work of healing and correction right now in the name of Jesus.

I ask oh God that you become an enemy to their enemies, that you smash kingdoms of darkness, agents of darkness, realms of darkness that are attacking these ones, Lord smash in pieces these kingdoms and agents until the lives of your people begin to move forward. Father, do not stop fighting until your children have moved into their promised lands.

I pray for you that you shall not fail anymore, you shall not offend God anymore, you shall not be discouraged anymore, you shall not be delayed anymore in the name of Jesus Christ. Thank you Father because we know you have answered, blessed be your Holy Name in Jesus' mighty name I have prayed, Amen.

PRAYER POINTS

⇒Father, I thank you for every benefit I have received from you, the benefits of divine healing, divine health and provisions, benefits of prosperity, victories and every benefit I am enjoying in you. Thank you Lord for every benefit I will still receive from you, thank you for the benefits of good health, divine protection and guidance. Thank you Father for the benefits of hearing your voice and receiving divine revelations from you, thank you for the benefit of being used by you, thank you for everything you are doing in my life. Blessed be your Holy Name in Jesus' name.

NB: I encourage those of you who might be thinking I have been praying and praying but I have not been seeing what I am expecting to see. Note that prayers are divine operations especially when you're praying prayers that are inspired by the Spirit of God which are the prayers we pray on this platform.

They are divine operations that will always produce results, if you don't stop praying. It is called divine operation because some of these prayers are like investments that you invest into your future because they will be answered at a future time while others are to come to pass very shortly if you continue to pray. This is why we repeat some prayers or similar prayer points because it is an ongoing operation. So don't just pray now and then stop walking with God or being carnal and start committing sin. You might lose the result of your prayers because prayer is a journey. If you are not in right standing with God, you might lose the result. The Spirit of God will always lead us to pray in a certain direction, until He has seen the changes He is looking for. There is need for much prayer so that you can get many results because when God changes your life, He is not doing it only because of you but He is doing it because there are many lives/destinies connected to you, so don't get tired of prayer, it must continue.

⇒Father, give me spiritual strength to be able to tarry for long hours in the place of prayer until I experience a great turn around in my life. Lord, give me a spiritual strength that can never get tired and lazy in the place of prayer, a spiritual strength that loves and enjoys praying, Lord give me such strength at such a time like this in the name of Jesus. Let my spirit receive fire to spend long hours in the place of prayers till I begin to see change in my life and destiny.

#This is the time we need long hours of prayer because of the high level of slavery and demonic captivities in this generation. People are getting enslaved into deeper bondages, the whole world is covered with darkness and almost a large percentage of people are enslaved in the depths of darkness and the reason why this darkness is growing is because people are not praying, they are not watching their thoughts and living a holy life. Before some of you came in contact with this ministry you have been exposed, enslaved and attached to all manners of darkness and covenants which you don't know, so there will be need for fastings and long hour prayers. All these spiritual exercises will hasten the manifestation of your deliverance. For you to be experiencing results, you have to pray more so that you can go deeper with God and your freedom will be hastened.

⇒Father put upon me the spirit and power of prayer that gives birth to victories anytime I pray such that there will never be a time I will not experience victories in the name of Jesus. Lord put upon me an anointing that will always produce victories in the place of prayer.

⇒Place your right hand on your head. Father, deliver and stop me from doing things that are prolonging demonic and satanic captivities in my life, Lord deliver me from such things in the name of Jesus. Whatever I think with my mind, whatever I say with my mouth that is prolonging my deliverance from captivity, whatever I do that is the

reason why I have not experienced some victories. Lord Jesus set me free, I want to experience complete freedom in Jesus' name.

⇒Father, make me a powerful shining light that chases away darkness from my environment, my place of work and from everywhere I go in the name of Jesus. In my family, marriage and home, Lord, make me a shining light in the name of Jesus.

⇒Father, let everything you have called me to do for you at this time receive fire and power to prevail and bear fruits on earth in the name of Jesus. Lord, let all the assignments you have given to me receive divine intervention from heaven to prevail and succeed in the earth. Let my career and business receive divine intervention to succeed and prosper in the earth at this time in the name of Jesus.

PSALMS 68:9

⇒In this scripture, God sends rain to prove His love for Israel and to show the world they are His. In the same way, God will like to do certain things in your life in this season to show the world He has chosen you and you're His son/ daughter.

•Raise up your right hand. Father, shower rain of signs and wonders upon my life to show the world and unbelievers and my family that I am different and I belong to you. Lord send rain of excessive blessings, miracles, breakthroughs, signs and wonders into my life between now and the end of this year to confirm to everyone that you have chosen me in the name of Jesus. ***I pray for you, heaven shall open over your life and there shall be abundant rain of signs and wonders, rains of uncommon blessings and unusual breakthroughs from now henceforth in the name of Jesus.**

⇒God loves to hear people who will continue to seek Him and will not stop trusting in His mercy, people who believe it is only the mercy of God that can set them free not by what they have done or can do. So If you acknowledge your weakness despite all that you have done then God will show up.

•Father, I acknowledge that by my own strength, discipline and exercises I can't win these battles confronting my life and destiny, Lord step into these battles and make me victorious in the name of Jesus. Lord, in your mercy step into the battles that surround my calling, career and marriage and make me victorious.

⇒You must not stop praying and seeking God, you must not stop doing your own part so that God can do His, you have to live a life that is pleasing in the sight of God. When you live a life that is pleasing in God's sight it means you live a life that is worthy of His mercy. You don't just get God's mercy because you are begging for it, you can only obtain God mercy by living a life that attracts His mercy.

•Father help me to live a life that will attract your mercy, help me to live a life that is pure so that my prayers and fastings will not be wasted, Lord help me to live a Christ lifestyle, help me to live a life that is pleasing in your sight in the name of Jesus. Let the thoughts of my heart, imaginations in my mind, words and actions be pleasing in

your sight. Lord, I want to be a man/woman whose life attracts your mercy in Jesus' name.

⇒Your lifestyle will determine if you will see God when you are weak. God is not wicked He is a loving Father, a rewarder and a God of justice.

•Father, teach and guide me what I should do, how I should live my life, things I have not been doing that I should start doing so that my life can enjoy your mercy. Lord teach me those things and guide me in doing them in Jesus' name. Teach me oh Lord to do things that will please you that I have not started doing or have stopped doing in the name of Jesus.

⇒Father by your mighty hand give unto me multiple sources of income such that there will be nothing pertaining to my calling and destiny that I won't be able to achieve with money. Lord bless me with multiple sources of income that I may be a blessing to many lives and to have enough to do all that is required in my career, calling and destiny in the name of Jesus.

⇒We Christians need the rain from heaven because until it rains upon us, we might not experience many breakthroughs, success, prosperity or revival. Therefore there should be need for people that will always seek God just as we are doing now.

•Raise up your right hand. Father, let the river of my life receive your great rain in the name of Jesus so that I can enter into a season of prosperity, flourishing, breakthroughs and abundance. Lord, let the river of my life receive your rain so that I can move forward in my calling, career and all areas of my life. Lord let it rain upon my life such that every part of my life begins to bear fruit and excel physically and spiritually in the name of Jesus. Let my life receive a great rain from heaven such that my spiritual gifts will be empowered to function greatly. Lord, let it rain upon my life and destiny and let it not stop raining until my entire life is glorious. Let every part of me, spirit, soul and body receive a divine touch and change into your glory in the name of Jesus.

⇒In Matthew 5:3, Jesus said "blessed are the poor in spirit". You must always be poor when you are standing before God because there's always something in God for the poor. To be poor in the spirit means to be thirsty and have a need for God.

•Father give me the grace to be poor in spirit, give me the grace to always hunger and thirst for you, give me the grace to surrender all to you in the name of Jesus. Lord, give me the grace to consider my life and everything I have not as my own so that I may always enjoy your blessings, glory, presence, power, authority and dominion in Jesus' name.

⇒While I was praying some time ago I got a revelation that God has reserved great prosperity, riches and wealth for the church in the world. But because the church is not seeking God anymore that is why God has not released these prosperity He has reserved in the earth for the church.

•Father, in your mercy release the prosperity, riches and wealth of the church. Lord in your mercy release the prosperity of your people in every nation of the world so that your people can use these resources to serve and glorify you in the earth. Lord, in your mercy release the prosperity of the church so that your people can enjoy in time of scarcity and live in abundance in time of economic meltdown, so that the riches can be used for the advancement of the church in the name of Jesus. Lord in your mercy open the storehouses of riches and wealth that belong to the church and let your people begin to enjoy what you have reserved for them before the foundation of the world was laid.

⇒Father in your mercy send quick and urgent financial help into my life that will end and terminate shame, disgrace, reproach, debt and borrowing in the name of Jesus. As it is written that you are a present help in times of need, Lord, send help, release your help in Jesus' name. ***I decree by the authority of the Most High God, let your help be released now in the name of Jesus. Receive that timely help now in the name of Jesus.**

VERSE 11

⇒The Lord gave the Word, great was the company of those that publish it, it means God spoke words that must come to pass, and they did come to pass - so people began to announce and publish abs sing it because they knew that whatever God says will come to pass. You need to believe when God speaks to you.

•Father let my faith in your Word be strengthened that I may reap the benefit of faith in the name of Jesus. Let my faith in your words and promises become strong that I may reap the results of faith in the name of Jesus.

⇒Father in your mercy let every word you have spoken into my life by prophecy, dreams and visions begin to come to pass now in Jesus' name. Let every word that has been said into my life by prophecy, dreams and visions concerning my career, health, marriage, calling and destiny begin to be fulfilled and let none of those prophecies and revelations go unfulfilled.

⇒Father, let everything in heaven on earth and under the earth whether visible or invisible begin to move to actualize the performance of your Word, promises and prophecies for my life. Let everything in heaven on earth and under the earth move for the release and manifestation and performance of what you have said concerning my life, calling and destiny in the name of Jesus.

⇒God is not a dead God, He is speaking now and He will continue to speak forever. God can still speak concerning your life, He can speak directly to you or through His servants, you shouldn't beg God's servants to speak to you but when you pray well God will send a word to you.

•Father send your Word into my life that will change my life forever, whether you will send it through a dream, through your voice, vision or through your servants, Lord

send your life changing Word into my life in the name of Jesus. Father, send your word into my life that will change my life forever to become who you want me to be. When I am sleeping and meditating send your word, in anything I am doing send your Word, through people around me, as I open my Bible to study, Lord send your Word.

⇒If God sends His Word are you going to believe and obey it? Sometimes God sends his word to us, but you don't obey and believe it is God because you don't love what God loves and your love for God is weak. When you love what God loves, you will know when He is speaking to you and you will obey whatever he says. God wants to speak to some of you.

- Father help me to believe and to obey your word that you are going to send into my life, Lord when you send instructions and revelations help me to recognise it is you who is speaking and to take action that's required in the name of Jesus. Lord help me to know what to do when you speak to me and obey whatever you say.

⇒When God speaks concerning His plans for your life, it is not only you that will hear, sometimes some people will hear the same, especially those He wants to use to carry out His will for your life.

- Father, as you have spoken concerning your plans for my life and destiny, let everyone that you are going to use to carry out these plans also hear your voice and begin to take quick action in the name of Jesus. As you have spoken to me concerning your great plans for my life and destiny, Lord go ahead and speak to everyone that you will use to carry out these plans. Lord speak to them even if they are unbelievers go and speak to them, instruct them.

⇒When God speaks, people who have not been working will begin working, meaning that the Word of God has a way of giving people businesses to do. Maybe God has a business for you. When I say business I'm not talking about your secular business but about you working for God practically. Maybe there are some things God needs you to be doing for Him which every Christian must be involved in doing God's business. If any Christian wants to amount to anything in life, it is a MUST for them to be involved in God's business.

- Father speak to me and direct me on every business of you that I need to do at this time. Speak to me Father on how to serve in your kingdom and how to be part of your work. Lord lead me by your Spirit to join the workforce of people that are busy with your business on earth, teach me how to do your Kingdom business in a way that is pleasing in your sight, Amen.

Oh God, I pray for as many that are trusting you for timely help at this time, Lord in your mercy release that help now in the name of Jesus.

I come against every evil hand that is controlling and manipulating the affairs of your life against the will, plans and purpose of God for your life, let the flaming sword of the Lord cut them off now in the name of Jesus.

Every negative word uttered and spoken into your life, I reverse such words in the name of Jesus.

In your life only the counsel and the will of God shall stand, every other thing that is coming from the kingdoms of darkness shall not take place in the name of Jesus.

Every system of human beings, demons or whatever creature that is depriving you of what is rightfully yours, I decree that the judgement and the wrath of God fall upon them now in the name of Jesus. Until they release what is yours, they shall not be at peace and shall eternally be disturbed and injured by the hand of God and shall continue to suffer and be pained until they release what is rightfully yours in the name of Jesus.

I pray for those of you who are sick in your body, be healed in Jesus' name. Thank you Father for we know you have answered, in Jesus' Name we have prayed, Amen.

[10/9, 00:29] +254 714 39****: I want to thank the Lord so much for the prayer n fasting period last month . I have received a lot of breakthroughs. I have seen the hand of God in my life. Those prayers were really for me because I have been fighting strong evil powers. But since the prayers I have dominion and power over all those wicked powers. In my workplace I have received more favor and good accounts to handle. A number of people who were using wicked powers to succeed at the workplace have surprisingly been fired, shocking to everyone because they even had very close links to the managers. I have seen God fight for me. I thank God for His power working in my life.

TESTIMONY

[10/30, 15:46] Apostle Alebiosu: Good day apostle. I couldn't pray properly last night. I woke up very ill at the time of prayer. I however decided to pray in bed. I was on and off during prayer time. The devil attacked when I dozed off but could hear you praying while sleeping and I later saw you praying for a multitude of people. The enemy then came on accusing you in your presence and telling me that you're not a true man of God. You laughed it off and simply continued to pray for everyone and finally for me in particular. I finally woke up completely healed when you were saying the final prayer. Will repeat the prayers tonight. I thank Jesus for the healing. Amen

[10/30, 17:37] Vongai: These prayers are what they mean indeed. During the last part of the prayers I was so overwhelmed by the power of God, I couldn't contain it and I was so assured that IT IS DONE!!! The Lord is in this place indeed, when we pray he answers us.
