Lord begin take me there, if I have to relocate then take me there. Whatever you must do, I am ready, build me up, train up my soul, body and spirit - build me up Lord.

→Most people in the church are not growing spiritually even though they think they are. In a year a person grows only 5% and they are happy, but God wants you to grow spiritually 100%. Most Christians are not matured in the Lord, and in the spirit realm they are just babies though professing to have grown.

⇒Lord I want to grow in the knowledge of you, i want to be mature in the things of the kingdom, I want to grow and become just like you. Lord whatever you have to do for me to become this, begin to do it from this hour. ## PRAYER POINTS

#The Holy Spirit was telling me earlier that it is a problem when you don't know Him enough or when you don't know Him at all. Some of the problems in your life are because you do not know the Lord enough or not knowing him at all. If you don't know the Lord it is not his fault but your own fault! For not drawing closer to him, not spending time to hear his voice, not separating yourself from the crowd to seek his face etc...if you're not doing all these things your life will suffer some problems. If you had been close to the Lord, some things would never have happened, and you wouldn't be in some of the problems you're facing right now.

⇒ Father forgive me for not spending enough time to get to know you, for not seeking you. I am sorry for not seeking you enough, for not spending time with you as I should have, for not seeking your wisdom, your voice, your knowledge and plans, - Lord forgive me that I am not close to you. Lord I want to know you, forgive me for not seeking to know you more.

Lord of hosts, every good gift I missed because I was too busy with other things and I neglected the place of prayer, the place of study and meditation, place of fellowship; I neglected the place of drawing closer to you, knowing you, your voice and your mind. Lord everything I missed, in your mercy restore! Restore them to me, let those visitations I have missed let them be restored.

**\*WHAT KIND OF ANOINTINGS YOU OPENED UP YOUR SPIRIT TO?**

### **PRAYERS FOR ENLARGEMENT OF SPIRITUAL CAPACITY**

⇒ Lord I surrender my life to you this hour, every distraction that the enemy has created in my life, Lord take them away. Lord I lay down my life, I give you my time, I give you my days, Lord deliver me from every distraction that is keeping me away from you. Lord I am ready to grow, to be matured in you, to know you more, to know your heart - Lord deliver me from every distraction in my days, Lord take away those distractions.

⇒ Father every distraction that I love, I repent today. Help me to get rid of them, everything that I am doing that is keeping me far from you, far from your wisdom, knowledge, divine revelations, help me get rid of them, even the ones I crave and love so much, help me so that I can grow in you.

⇒ Lord Jesus give unto me revelations of you, open my eyes to see revelations of you, as I study the scriptures, as I pray in the spirit, as I meditate on your word, Lord open my heart to get revelations of you. Lord open my heart, open my spiritual eyes to see revelations of you, help me to see you, help me to find you.

⇒Father give me a revelation that will change my life into something glorious, that will transform me into the fullness of your glory, that will change my ministry, calling, that will transform my life forever, that will launch me into a higher realm of your glory - Lord give me such a revelation. That revelation of your will, of your mind, of your kingdom that will change my life, Lord give it to me.

⇒Father from today, let my spiritual senses be activated, let them be awakened by fire! Activation of my spiritual eyes to see in the realm of the spirit, let my spiritual ears be opened, let all my senses be activated to discern in the realm of the spirit, Lord let them be activated.

⇒Lord Jesus, I refuse to be in darkness, I refuse to remain in darkness. Lord let my spirit be awakened into full manifestation of who I am, let my spirit be awakened into full manifestation of who I am in you. ⇒Lord Jesus I refuse to be sensitive to the dark realms, I want to see into the heavenly realms, to be sensitive to the heavenly realms and not the dark realms. Lord let there be a shift in my spirit, let my spirit be shifted into the heavenly realms. Lord, enough of dreams of darkness, I want to start seeing heavenly dreams, revelations, visions right now. Let there be a shift in my spirit right now!! I want to be caught up in the heavenly realms, let there be a shift right now.

#The Lord is telling me that the reason some of you have been limited in your spiritual growth, and not expanding to full capacity is because of some covenants of darkness that are attached to your spirit, because of sinful things done before, especially sexual sins that initiated you into covenants of darkness which are limiting your spiritual enlargement.

⇒Almighty God, every covenant of darkness that is limiting my spiritual enlargement, growth, breakthroughs, and deliverance Lord let the power in the blood of Jesus destroy those covenants right now. Every demonic covenant, marine covenant, every covenant that is binding my spirit, stopping me from enlarging spiritually oh God let them be broken right now, let the power in the blood of Jesus destroy them right in the name of Jesus.

⇒Lord Jesus, revive my prayer life, I refuse to be weak in my prayer life, Lord strengthen my prayer life, set my prayer life on fire, set my spirit man on fire to pray for long hours, to pray and prevail, to pray until I see miracles, and answers to my prayers. God give me the strength of prayer, let that strength of prayer come into my spirit right now, that strength that will make me pray and not get tired, baptize me into that spirit, baptize me into that fire, into the power of prayer, I want to become another man in the place of prayer, I want to become a supernatural man in the place of prayer.

⇒Lord Jesus establish your power and authority on my prayer altar, in my prayer room let there be power. Everytime I kneel to pray let there be power, let there be manifestation of grace, glory and authority. Oh God do a supernatural work in my spirit, that will make me see into your mind, Lord do that work in me right now, do that work in my spirit to see deep things in the spirit.

⇒Lord, I refuse to have an ordinary Christian life, I refuse to have a common Christian life, Lord take me to the realm of the supernatural, to the realm where I can feel your power, where I can see your glory, where I can carry your fire, where I can feel the fullness of your power, where I can interact with you face to face, Lord take me into that realm.

⇒Lord make me into a horse that will carry you and manifest you to nations, let me be like a horse that you will ride into the fullness of your glory and manifest to the nations. Lord I choose to be that person that will carry the fullness your glory, power,

strength and demonstrate to my generation. Lord make me that person that will carry you and manifest you to nations, so that people will see you when they see me.
