THANKSGIVING PRAYER

Father we worship, we bless your name, we thank you Lord for your grace. Thank you Lord for the grace that is enough for us, our God be glorified forever, be praised forever, be exalted forever. We thank you Lord for the blessings upon our lives, the help that we have received, thank you for your presence in us and around us, thank you Lord for guiding us, leading us through your spirit to the right paths. Thank you

for ministering to us the truth that is enough to set us free and move us forward. Thank you for all the good works you have done in our lives, thank you for the victories, miracles, signs and wonders, breakthroughs, open doors, deliverances you have done in our lives, Lord we can't thank you enough, indeed you have done great things.

Oh God I am asking that you meet with us in an extraordinary way tonight, touch us with fire and power and let our lives turn around for greatness, thank you Father because we know you have answered, blessed be your Holy Name. Thank you because you will do greater than our expectations.

PRAISE AND WORSHIP

Father we thank you, we bless your name, you are so faithful, merciful and gracious. You are such a loving Father, a kind Father, thank you for reaching out to us to save us, heal and deliver us and to provide for us. At the very point of shame you stood and saved us, you provided for us, thank you Father, we glorify you forever.

Thank you Father because you are here already to help us, to fight our battles, strengthen us, transform and revive us, to change our lives. Thank you Lord, thank you for your presence in Jesus' name we have given thanks and worshipped Him, Amen.

PRAYER POINTS

(347). Father, thank you for loving me so much, Lord Jesus thank you for loving me enough to help me, to save me, provide for me, honour me and deliver me. Thank you Lord for your love upon my life, thank you for your love upon my marriage, ministry, calling, career and destiny, thank you so much for your lovingkindness. Your love is too much, thank you for this great love, mercies we have seen and received in Jesus' name.

MATTHEW 17:25

(348). Jesus was asking Peter saying, do the kings of earth tax those whom they have conquered or strangers? We are looking at how many believers have been conquered. We must prevail otherwise shame will keep repeating itself in our journey of life. For you to keep shame from happening all the time, you must not be conquered, you must not allow the enemy to defeat you.

⇒. Father, make me stronger than the enemies that happen to be stronger than me. Father, make me stronger than the forces of darkness, powers of darkness that are stronger than me, environmental powers, witchcraft powers that happen to be stronger than me, Lord make me stronger than them. Lord raise me up above these

powers that are oppressing my life, oppressing my body, spirits and soul. Lord Jesus, I refuse to be oppressed by any darkness from today onwards, Lord make me stronger than them all, raise me above them all.

(349). Some of us have agreed in your attitude, behaviour, character. Your way of life shows that you have agreed with defeat, weaknesses and failure. Sometimes the way we talk shows that we have already agreed with defeat. The principle of the kingdom of God is you become what you say, that is why you have to speak out good things always.

⇒. Lord in any way that I have surrendered to the enemy, Lord I refuse to surrender, empower me to overcome. In any way I have agreed defeat, Lord I refused to agree, empower me now for victory in the name of Jesus. People might have surrendered to defeat but not me or my children, I refuse to agree with weakness or failure, I refuse to agree with shame, suffering, reproach, shame, poverty. I refuse to agree with the things which are not of God in my life. Lord, I refuse to agree with what the enemy is doing in my life, empower me for victory and dominion in the name of Jesus.

(350). It says do kings tax their own people or the people they have conquered? There are kingdoms of darkness controlling destinies and situations that we find ourselves in. These kingdoms must bow before you if you are going to defeat them, you must prevail over them so that you will prosper in life. The kingdom of God is greater than any other kingdom.

⇒. Raise up your right hand. In the name of Jesus, let the kingdom of God descend upon the affairs of my life and let it terminate every dark Kingdom contending with my destiny, contending with my progress, promotion, blessings, prosperity and let the kingdom of God descend on them and consume them. Lord let your kingdom come upon my situations, finances, spirit, soul and body and let your Kingdom begin to consume every dark Kingdom contending with my health, success, promotion, progress, destiny, calling and career. Let the kingdom of God begin to waste them and consume them in Jesus' name.

(351). The Holy Spirit is saying we should pray the same prayer we just prayed for our families.

⇒. Raise up your right hand. In the name of Jesus, let the Kingdom of heaven descend upon my family and let it consume every dark kingdom contending with my family, that kingdom fighting my marriage, home, children, finances, parents, spouse, grandchildren, let the Kingdom of heaven descend upon my family and let all other kingdoms be consumed forever in Jesus' name. Lord Jesus let your Kingdom descend upon my entire family and household, descend with power and fire and consume every dark kingdom oppressing, afflicting my family, destroying good things in my family, poisoning my family with sickness, let the Kingdom of heaven descend and consume them all in Jesus' name.

(352). The Lord is telling me that He wants to open new doors for some of you. Doors of greatness, progress, promotion, and celebration even of fame, whereby you will suddenly become famous

⇒. Father let your Kingdom descend upon my life, calling, destiny, carrier and let doors begin to open. Let great doors for great achievements begin to open for me right now in the name of Jesus. Oh God of Israel, let your Kingdom descend upon my life, calling, career, gifts, destiny and let great doors begin to open for me, for my rising, my lifting, and celebration. Let doors open by fire, international doors, ministerial doors, financial doors, every door that must open for my life to become what you want it to become, for my destiny to be fulfilled, let heaven open those doors by fire.

(353). The Lord is showing me that some of you when you are about to progress, something will appear and stop your progress, this is a barrier at every point of breakthrough.

⇒. Raise up your right hand. In the name of Jesus, I decree and I declare by the authority I have in Christ Jesus, every barrier, roadblock at the point of my progress, success, breakthrough; let fire fall and consume them all right now. Every roadblock, attack, limitation that are at the point of my progress, breakthrough, achievements and success, let fire consume them. Fire consume every witchcraft waiting for me at the point of my progress and breakthrough, every magic, sorcery, enchantment waiting for me at the point of my breakthrough, let Holy Ghost fire consume them in the name of Jesus.

(354). The Lord is telling me that some of you are sleeping too much, you sleep more than you should sleep and then you find yourself eating too much in the dream.

⇒. Place your right hand on your head. In the name of Jesus, every attack of the enemy on my soul to initiate me with evil through sleep, to plant evil in my life while asleep, let the fire of God consume that attack. Let such arrows of darkness come out of my soul right now in the name of Jesus. Every darkness upon my soul that has come to initiate evil in my life while I sleep, let the fire of the Holy Ghost destroy such an attack, let such arrows of darkness come out in the name of Jesus.

(355). Taxing people is a form of slavery. People that have been conquered by these kingdoms are the ones which pay tax. Taxing people in those days was a form of slavery, meaning you pay tribute to those kings because you have already been conquered by them and you don't want them to kill you. There's a lot of slavery going on in the spiritual realm, many of us physically appear free but have been enslaved in the demonic world. Most of you are slaves in the kingdom of Satan, I don't know where your soul has been enslaved in the kingdom of darkness but the fire of God will go there and release you. Deliverance is what should happen to you almost everyday as a believer because there are a lot of things you need to be delivered from.

⇒. Place your right hand on your head. Father, let your fire visit every realm of darkness, kingdom of darkness where my soul has been enslaved, where spirit man has been enslaved and let your fire visit that realm and set me free. Lord let fire visit that place right now, wherever it is and let my soul be free. Let fire go to every realm of darkness where my soul and spirit has been enslaved and release me in the name of Jesus.

(356). I have gone through a lot of darkness and I know what it means to be in bondage and what it means to be free. In the realm of darkness they can enslave the cells in your body and if God is going to deliver you, He is going to deliver you cell-by-cell. This shows that the captivity of darkness upon souls is so complicated and so deep and therefore your deliverance must be so deep. The way the kingdom of darkness has prevailed over so many souls it's so deep, if you're going to fulfill destiny you have to be delivered from everything that you have been enslaved of. Deliverance is in stages, until everything that has been captured is free then your destiny cannot be free.

⇒. Raise up her right hand. Father in this hour send your fire into the realm of darkness that has captured my destiny, let everything that has been captured in my life be released by fire. My career, finances, marriage, spirit, soul, body, let your fire release them from every captivity of darkness. Lord send fire to that place, to the marine kingdom that has captured my destiny, to the witchcraft Kingdom that has captured my destiny, Lord send fire to every kingdom of darkness that has captured my life and destiny, and let everything they've captured be released right now in the name of Jesus. Let everything that pertains to my life, calling and destiny be released by fire right now. (You should pray this prayer longer so that you will get victory, you should not stop praying until you feel the victory in you)

VERSE 26

(357). According to the kingdom of God, through adoption through Jesus Christ you are free. How do you know you are free? Because the one who saved you overcame the devil and darkness, that is Jesus Christ. But why is it that we are still in bondage despite the fact that we are free? It's because we haven't shown the devil power. The devil will not leave your life if you don't show him power, the devil understands the language of power, when you show him power he will leave you alone. The Bible says wherever the spirit of the Lord is there is liberty, so if the spirit of the Lord is in you, you are free but why is it that we have the spirit but we are not yet free? It is because we have not carried the fullness of the power yet. When the fullness of power is in you, you will be free.

⇒. Father let your power be sufficient for my victory, let your power be sufficient in me for my victories. Fill me with enough power in my spirit, soul and body. Lord let your power be sufficient in my life and let me carry the fullness of your power for victories at this time in the name of Jesus. Lord, I need enough power, I need the fullness of your power for freedom.

(358). The Bible says a new wine must be put in a new wineskin. If you put new wine in old wineskin, the new wine will destroy the old skin. If you as a Christian are going to receive new power, fresh power then you must not be like the old wineskin. Your vessel must be transformed. If you're going to contain fresh anointing and fresh power, your vessel needs to be able to contain it otherwise that fire will destroy you. ⇒. Lord Jesus, mould me into that vessel that will carry your fire, your new wine. Mould my body, soul and spirit, change me, transform me to that vessel that will carry the new wine, the fresh fire. Lord I am ready to carry this power that is going to give me freedom, also to go out and free others. Lord change me into that person, mould me into that person, transform me into that person that will carry new wine and your fresh fire.

(359). There is a connection between purity, holiness and power. The more pure you are, the more power you can carry from God. Some of you might think you have purity but you don't have it. Until God begins to expose your darkness to you that is when you will know that you don't have it. ⇒. Father let purity prevail in me, let holiness prevail in me, in my heart and soul. Let holiness, obedience and fear of the Lord prevail in my heart, soul and body. Lord let the flesh be destroyed and let purity prevail. Lord my destiny has to be free, therefore let your purity, your holiness prevail in me. Holiness, purity, obedience and fear of the Lord prevail in me.

(360). If the citizens of the kingdom of God are free, why are Christians suffering under sicknesses and demonic attacks? One of the reasons is because of deliberate or willful sins. You know that this is a sin but you go ahead and still do it. We believers of today know what is wrong and yet we still go on and do that kind of sin, that gives birth to strong captivity which will take a long time to be broken. One of the things that can help you to break that captivity is true repentance. ⇒. Lord Jesus repentance prevail in me and let deliberate sin be terminated from my life. Lord let repentance prevail in my heart, spirit and body and let deliberate sins be terminated forever from my life. Lord let repentance begin to prevail in my life and let me forsake sin forever.

(361). Why are we in bondage when the Bible says that we have been delivered from the powers of darkness, and have been translated into the kingdom of Jesus Christ by being born again? Another reason why we are not free is because we are owing God. Some of you are not faithful in fulfilling your vows, you're not faithful in serving God, in preaching the gospel, evangelizing, in things that you know you have to do even in tithes and offerings. You are not faithful in just simple things of the kingdom, helping the poor and needy or serving God in your church. All the little things that you might think do not matter, they matter in the realm of God's Kingdom. Most of us are too self-centered, you don't even think of helping people, serving people or even praying for them, it's all about you.

⇒. Father let the zeal of your kingdom take over my life, the passion for soul winning, passion to please God, passion to serve God, let it take over my life. From today, Lord, I want to live my life for you. Lord let the zeal of your house, the passion to save souls, to intercede for souls, take over me. Lord let your passion, your love consume me and let me be a labourer in your kingdom, let me serve you with everything that I have and everything I am. Lord, I want to serve you.

(362). Another reason why we are in bondage is because we are not growing spiritually in revelation, in the knowledge of God, in prayer and Bible study. Even in the secular world, if you don't grow you will be oppressed and tortured by people. ⇒. Lord Jesus, I want to grow in the knowledge of you , of divine revelations, divine wisdom , in the place of prayer, place of worship, in the place of love. Oh God I want to grow in every area, help me, give me the grace to grow, give me visitations and encounters that will make me grow. Lord draw me close to you because I want to grow. I want to have an intimate fellowship with you, I want to know your ways, your grace and your power. I refuse to be stagnant, I refuse to be a child in the things of the spirit. ***Let heaven visit you this season for spiritual growth, receive visitations from heaven, encounters from heaven, outpouring of the spirit, receive it now in Jesus' name.**

(363). The other reason is because we are blind. The Bible says you shall know the truth and the truth shall set you free, so if you do not know the truth despite whoever you are, if your eyes are not open you will be in darkness and in bondage. We need Christians with open eyes in these last days.

⇒. Raise up your right hand. Lord Jesus I refuse to be a blind man, I want to be a man of heavenly visions, divine revelations. Lord release your grace upon me to see and understand your truth. Lord let your grace fall upon me, fresh oil, fresh anointing, fresh fire fall upon me for revelations so that blind eyes will be open and see you. As I read scriptures I want to see you, as I pray I want to see you and believe the truth that can set me free, until I know them I won't be free, Lord I want to know the truth now in the name of Jesus.

364). The Lord is telling me that the truths that he wants to show you are not far from you, they are just near you. The reason why you are not seeing them is because you're not looking in the right direction that God has placed them in your life for you to see them.

⇒. Father set my face, my heart in the right direction I must focus on to discover your truths that will set me free. Lord set my face , my heart in the right direction and let me see exactly where and what you want me to see. ***Every wind of darkness that is distracting you to see what God is pointing you to see, let that wind be arrested by fire, let it be destroyed by fire in the name of Jesus.**

(365). I have discovered that there is Jesus in pain. I found out that there's Jesus in pain recently when my health was attacked. Jesus is in your pain. We human beings

do not like pain or hardship, we try as much to avoid them but I have discovered that we need to embrace the pains because Jesus is in the pain and until you find Jesus in your pain that pain will not go. There is Jesus inside that difficult situation you're going through in your life and until you find Jesus in your pain, that pain will not go away even if it goes it will come back. It is more powerful to find Jesus when everything is going wrong unlike when everything is ok. Apostle Paul was able to do great exploits because he found Jesus in sufferings.

⇒. Lord Jesus help me to find you in my pain, in my heartache, suffering and hardship. Lord I want to see you in my suffering so that you will prevail, you will become my victory, so that when I see you, I prevail in that pain or suffering.

(Philippians 3:3)

(366). Another reason why citizens of the kingdom are in bondage is having believed in false gospel, deception, believing false visions false dreams, false prophecy false, false teachings and doctrines- believing in all these things.

⇒. Lord every lie that I have believed that is not of Jesus, let your fire put them from my heart. Everything that I have believed that is not of the standard of the Kingdom let fire remove them from my heart.

(367). Fear is one of the reasons why citizens are in bondage. Many Christians are enslaved by fear, we fear sin too much, that is why we are in bondage of sin. I didn't know the fear of sin can keep you under the bondage of sin but I discovered that when you fear sin too much you end up falling into sin. When you are always afraid of the devil you will always see him as more powerful than God. When that happens you will always be in bondage, fear of the devil, fear of satan and of darkness puts you in bondage. People who were dealing with addictions to masturbation or pornography, the truths that set them free was the fact that they stopped being afraid of that sin and they used to say that sin was too powerful to control but when they stopped seeing that and started to trust in the strength that is in Jesus they overcame that sin. Some people are afraid of success and progress p, that's why they have never progressed or succeeded.

⇒. Lord every fear that has enslaved my heart and my spirit, oh Lord let your fire release me from that fear. Every insecurity of fear that has enslaved my life, let fire release me right now in the name of Jesus. Fire release me from every fear in the name of Jesus, fire of the Holy Ghost set me free from every fear.

(368). Another thing is when you give place to the devil, when you are comfortable with demons and you're not fighting them, you will be enslaved. When demons are so comfortable in your environment and you're not fighting them you will be enslaved. You shouldn't always be on the defensive side but you have to be on the offensive side, you have to fight, be the one who starts the fight.

⇒. Father let your fire possess me for victories in spiritual warfare. Lord from today I will fight, I will not be comfortable with demons in my life, in my church, marriage, family and finances. Lord give me fire for battle, fill me with anointing for victories in

battles in the name of Jesus Christ. ***Receive the fire right now in Jesus' name, receive the anointing for victories in battle right now in Jesus' name. Receive that power in Jesus' name.**

(369). The other reason is you forgot God's promises for you. Some of us are so blindfolded that we forgot that there is a promise of God that speaks of the situation we're going through. When you forget that there is a God that heals when you are in sickness, then how will you be healed? When you forget that God provides, how will He provide for you? Some of us forget testimonies of how God did powerful things before, you forget that the same God who did that can do greater than what you're going through right now. Some of us go in life as if God is powerless and cannot do anything.

⇒. Father, give me the grace to remember your faithfulness, your promises, your word and prophecies concerning my life during terrible and hard situations. Lord give me the grace to always remember your testimonies, visitations and what you have done in my life, Lord give me the grace not to forget your goodness or your benefits in my life in Jesus' name.

NB: The Holy Spirit said we should have communion in this prayer ministry. You need to get unleavened bread and the fruit of the Vine before the next payer session. You might not get the original materials but you should get wine(non alcoholic grape wine) if not, wine get grape juice, bread with no yeast or cracker biscuits.

CLOSING PRAYER

Raise up your right hand.

Oh God of heaven and earth, we thank you because you are a faithful God. Miracle worker, ancient of days, rock of Israel, we bless your name for your grace that has been available for us in this prayer session. Lord, we thank you for the power of your presence, for visiting us in a powerful way. Thank you for opening our eyes to see things we didn't know before, thank you for the beginning of a new dawn, new glory, great deliverances, miracles and testimonies in our lives. Thank you because our lives shall never remain the same again tonight, thank you because curses shall be broken, yokes of darkness and operations of the enemy shall be destroyed. Thank you Father because doors shall open for your people. Thank you because our prayers including those we have been praying for, for a long time shall be answered in this month of September. Thank you for what you are about to do, celebrations are coming upon us. Thank you for the celebration and jubilation that is already coming upon your people right now. Thank you Father, Lord be glorified forever in Jesus' name.

I am praying for all of you under my voice and those who use the publication. Let fire fall from heaven, a fire for deliverance, fire for breakthroughs, healing, let it rain right now upon everyone of you under my voice. I receive that fire right now in the name of Jesus. Fire for empowerment and victories, fire that will break every chain in pieces in your life. That fire that will transform you, deliver you completely, let it fall upon you right now in the name of Jesus. Receive fire right now and let that fire possess your spirit, your soul and body and let everything that is not of God begin to come out by fire. Let your bondage break by fire, let your healing manifest by fire, let that fire move your life forward right now in the name of Jesus, let that fire prosper in your finances, prosper in your career and all your endeavours.

You shall make it in life by the intervention of heaven in the name of Jesus. You will succeed in the name of Jesus, you will multiply in finances this month, your finances will increase in a double portion. In the name of Jesus because you are connected to this anointing in this ministry, the Lord shall manifest Himself to you, the Lord shall call you to a deeper relationship with Him. The Lord shall change your life into what He wants it to be and you shall not be disgraced in Jesus' name. You shall not be put to shame, the favour of God, the hand of God shall rest upon you and it shall raise you up above the storms, limitations and above your attacks. The hand of God shall raise you up and plant you on that height you are supposed to be on.

Thank you Father because we know you have answered these prayers, thank you for the fire that is burning right now, blessed be your Holy Name, thank you Jesus in Jesus' name I have prayed, Amen.

I believe God has given you what you did not pray for even what I didn't pray for, for you.

10 SEPTEMBER 2020

We thank you Lord for making yourself sufficient for us in all areas of our lives. Thank you Lord for divine protection, provision, divine strength that is keeping us above the enemy. Thank you Lord for breaking in pieces the strongholds of darkness in our lives and destinies.

deliver and change our lives. Thank you Lord for who you are in our lives and situations, we worship your Holy Name. Thank you because we can trust in you, we can depend on you and believe in you because you are so faithful. Be glorified, be magnified, be exalted forever in Jesus' name.

PRAYER POINTS

370). Father, I thank you for remembering me tonight, thank you for visiting me with yourself, with your mercy, glory, power and blessings. Ancient of days, Lord of hosts, Almighty God, I say thank you, King of glory, I thank you for being here before me. Thank you for remembering me with good at such a time as this, thank you for visiting me with your glory, power from heaven. Thank you Lord Jesus, blessed be your Holy Name.

MATTHEW 17:26

(371). You as a Christian are not supposed to be in bondage. If you are in bondage it means something is wrong somewhere. As Christians we fight battles but we are not supposed to be defeated by these battles, enslaved or captured.

⇒. Place your right hand on your head. Father, authorise my victory to appear in my body, soul and spirit and let great victories appear in my body, soul and spirit from your throne. (The Bible says whatever is loosed on earth, will be loosed in heaven) Lord Jesus from your throne in heaven, authorise my deliverance in my body, soul

and spirit right now in the name of Jesus. Let there be victories in my soul, body and spirit, Lord authorise them all tonight.

(372). Raise up your right hand. Lord Jesus, everything that belongs to me that has been held captive in the kingdom of darkness, marine kingdom, satanic kingdom, witchcraft kingdom, Lord Jesus let your power locate that place and get my blessings for me. In the name of Jesus, let the power of God go forth right now into the camp of the enemy and get for me everything that belongs to my life and destiny. Let the power of God go right now and harvest every finance, blessing and miracle that is being held captive in the kingdoms of darkness. Let the power of God go there right now and harvest them for me.

(373). In the name of Jesus, I come against every demonic organisation, demonic government that is authorising slavery upon my marriage, upon my life, let the anger of God descended on them and consume them all. Every demonic organisation, demonic authority, government that is authorising slavery, hardship, sorrow and disease in my life, let the anger of God fall upon them right now and consume them.

***In the name of Jesus, every kingdom of darkness authorizing darkness to prevail in your life, let heaven destroy them all right now in Jesus' name.**

VERSE 27

374). This is where the miracle of provision, the miracle of money happened. This is where it is going to happen in your life as well.

⇒. Raise up your right hand. Lord Jesus as you made money to come out of the mouth of the fish, Lord Jesus command blessings to appear in my life right now. Lord, command blessings, physical blessings, spiritual blessings, material blessings to appear right now. Riches and wealth command them to appear as you did in this passage in my life.

375). There is a power that makes miracles happen. Miracles do not happen on their own or naturally but there is a power behind them. Naturally miracles are not supposed to happen but supernaturally, they happen like water, they happen as though it is natural. That is where the power of God comes in and where the power of God is, that's when you should expect miracles.

⇒. Lord Jesus let the power that makes miracles meet with my life tonight. Power that makes miracles, meet with me, touch me right now, descend upon me right now, upon my body, soul, spirit, calling, ministry, calling, marriage, situation and financial life. Power that makes miracles appear, meet with me in this period of my life, let this power move upon me right now.

376). You should know that it is not normal for a large silver coin to be trapped in the mouth of a fish, scientifically research has proven it is not normal. it is not likely that the coun fell in the river and the fish swallowed it. What happened is something opened the mouth of the fish and put the coin there. Meaning that money can be

created when needed, so anything that is needed, God can make it appear supernaturally. It doesn't matter if you have somebody to help you somewhere or not, God can make money for you, he can create what you need, that is why he is the Almighty God. Some of you, your miracles will be created by God himself.

⇒. Raise up your right hand. Lord Jesus as you created money and placed it in the mouth of the fish, oh Lord command your angels to create miracles that I need in my life right now to move forward, prosper and achieve great things. Lord Jesus, command your angels to perform this miracle and deposit the money in my life, authorise the angels to create my miracles that I need now to succeed, to move forward, to make progress, that I need now to become what you want me to be in this world. ***In the name of Jesus by the authority of the Most High let there be angelic intervention for the manifestation of your miracles in your life right now, especially in your finances. Let them happen for you right now.**

377). There are some miracles God wants to glorify Himself with in your life, whereby He wants to honour His name in your life therefore some miracles will happen because of that. He will do it because he wants people to know that He is your God and that people will know that He has called you and not because you asked of the blessings. God does some miracles not only because of you but because of Himself because of His name in your life. The name of God is in your name.

⇒. Raise up your right hand and set your heart on God who is on the throne in heaven. Father, do a new thing in my life tonight that will bring honour to your name in my life. A new thing that will end disgrace and shame and will bring honour to your name. Lord do it not only for me but because it will bring honour to your name.

(378). He said, so that we would not offend the authorities, go to the lake and cast the line and bring the money out of the first fish you catch. Sometimes you don't need a blessing, what you need is encouragement because the blessing is already there for an appointed time, so what you need is encouragement to wait until it comes.

⇒. Father let me see you at every point of need in my life. Lord let me see you helping me, blessing me and encouraging me. Lord let me identify your presence, let me have fellowship with you at every point when I need you, let me have you, your presence and visitation. Lord let me see you when I need you for revelation and direction in the name of Jesus.

(379). Another thing that you will see in that verse is that there was an urgent miracle for an urgent need. God can perform miracles to meet an urgent need.

⇒. Father, let your mighty hand authorise an urgent miracle for my urgent needs at this time. Let your mighty hand command miracles to appear to meet my urgent need right now. Lord you are the present help in times of need, you make money appear when it has to appear, therefore, this is my life and it needs an urgent miracle right now so that your name will be glorified in my life. Lord do this thing right now, I trust in who you are, in your power, authorize this urgent need right now.

(380). I see some people contacting each other, speaking among themselves because they want to help you.

⇒. Father by your Holy Spirit, let helpers begin to connect with themselves for my good. Father let helpers begin to connect with themselves right now to lift me up, promote me, bless me, establish me in the name of Jesus. Lord let your spirit begin to move right now and let helpers be stirred up, let them begin to connect with themselves to help me now in the name of Jesus.

(381). Raise up your right hand. In the name of Jesus, I come against every witchcraft web and network that is blocking helpers of my destiny from getting me, from meeting with me, let fire fall and consume them. Every web and network of witchcraft blocking helpers of my life and destiny from finding me, fire, destroy them all in Jesus' name.

382). Raise up your right hand. In the name of Jesus, I come against every environmental and territorial darkness that is blowing blessings out of my life, blowing blessings away from my life, let fire fall and consume them all. Every environmental darkness, territorial darkness and wind blowing blessings from my life, calling, marriage and ministry, let fire consume them, let fire destroy them right now in the name of Jesus. Every environmental wind of darkness blowing finances from my life, marriage, business and family let fire fall and consume them.

ISAIAH 40:12

(383). This passage is showing or describing to us the greatness of the God of Israel who is your Father. There are things you don't know about God that if you know them, your faith is going to be greater than what it is right now. The problems of our lives and destiny right now or what you will face in the future is not measured by how much of demons or witchcraft that is fighting you but it is measured by how much of God you know, how much of the greatness of God that you know. When you know the greatness of God, it will produce great faith that no darkness can overcome. Your problem is not the covenant of darkness, devil, witchcraft or what happened in your family but your problem is that you need to produce a great faith that heaven is looking for. There is a need for faith to rise in your heart according to the revelation of the greatness of God you have received or seen.

⇒. Oh God of Israel, give me revelations of the greatness of you. Lord give me revelations of your greatness, I want to know your greatness so that I will be able to overcome the darkness around me. Lord reveal your greatness to me.

(384). There is nothing that is created that God does not know about, because he is God, He knows everything which means, He knows what to move or hold because of you. He knows what to push forward or what to withhold because of your life. He knows how to scatter things, He knows what to do that will make everything to work in your favour.

⇒. Lord, on this earth I'm on right now, oh God of Israel, let your mighty hand begin to move things in my favour, let your mighty hand stop things in my favour. Everything that must move on the earth, Lord move them, everything that must stop moving, stop them, everything that must scatter, Lord scatter them for my favour, for me to move forward, for me to fulfill destiny. Do a terrible work in the earth for the sake of me; your son/ daughter because the whole earth is under your control.

385). We are in the last days, where things that are not found in the will of God shall be shaken away.

⇒. Raise up your right hand. Oh God of Israel, this is my life, let everything that does not agree with your will and purpose in my life, let them begin to shake away, let there be an earthquake that will shake away everything that doesn't agree with your will in my life. Everything that is not founded on the truth, not established on righteousness, not established on the will of God in my life, spirit, soul and body begin to shake away right now in the name of Jesus. By the shaking of the Most High shake off right now, from all areas of my life right now. Let there be a shaking from heaven and let everything that is not of Jesus begin to shake out of my life right now in the name of Jesus. ***By the intervention of heaven let a great earthquake begin to happen right now in the foundation of your life, destiny and let everything that doesn't agree with the will of God in your life begin to shake away right now in Jesus' name.**

(386). Your problems are like mountains and God has weighed them and he knows how to remove them. (The Bible says who art thou o mountain before Zerubbabel, thou shall become plain)

⇒. Father every mountain and hill that is standing on my journey to the next level, to stop me from moving forward to the next level of my life and destiny, let them become plain right now. Lord let the angels level every demonic mountain and hill in my financial life, marital life, spiritual walk with God, let the angels level them right now. Mountain of fire, sorrow, difficulties, suffering and hardship be leveled right now in the name of Jesus, become plain!!

VERSE 13

(387). This shows that God does not take counsel from anyone. It means whatever God has determined to do, no one can change his mind unless he has decided to change it. The Holy Spirit is saying, God has determined to help you, to do something in your life, nothing can change His mind because that thing He wants to do is already in your destiny.

⇒. Father the good thing you have determined in your heart to do for me at this time, oh God do it now. Lord, these good things you have determined to do for me, do it now; let no power and nothing be able to stop you. As you have determined to bless me this season, determined to make me great, help me this time, Lord do it without delay.

(388). I once said this in a post I wrote that anything that God cannot do is a thing that He does not want to do. If God has determined to do something He will do it because He doesn't answer to anyone, He doesn't take counsel from anyone. What is it that the Lord has said He wants to do for you?

⇒. Raise up your right hand. Father everything that is standing between your promise and its fulfillment, let your anger waste them. Right now let your fire consume whatever is standing between your prophecies for my life and its fulfillment, let fire destroy them all and let your promises concerning my life and destiny come to pass.

VERSE 14

(389). This means that even things that people do not agree on happening to you, maybe the government of your country does not agree on something that should happen to you because they think you don't qualify but if God wants something to happen to you, it will happen. Even if it's lawyers who say you don't deserve a certain thing, if God wants it, it will happen no matter what they say, all that will matter is what is in the heart of God. This is the greatness of the God that we serve.

⇒. Father, that every blessing that is in your heart for me, that even when everything around me is saying no to it, oh God, let that blessing come to pass. Lord silence everything that is saying no and enforce this blessing upon me. Lord every other thing resisting the blessing you have in mind for me, Lord subdue them and let this blessing come. Every voice of opposition, condemnation, accusation, Lord subdue them all and let that blessing in your heart for me come to me right now in the name of Jesus. Lord you answer to no one therefore shutdown every contrary voice against me being blessed and bless me indeed.

VERSE 15

(390). I remember once, the angels with me telling me that they are too great for the earth, that realm they are in is too great for the earth. For example, the realm they are in is 100 times bigger than the earth. They were saying they can't come to the earth, they bring the earth to them, this is to show you that the Kingdom of God that we belong to is too greater than the earth. The earth is like a drop in the bucket compared to the greatness of God and His Kingdom. They were showing me that the whole earth is too small to contain them, because where they are is far larger, greater than 1000 times of the earth. The greatness of God is beyond your imagination. You need the greatness of God to manifest in your life because when it does, that problem that you think is great is going to bow before the Lord, they will fade away.

⇒. Father manifest the greatness of you and your Kingdom in my life and let everything that is not of your will in my life fade away, let them be evaporated. Lord let your greatness appear in my spirit, life; let the greatness of you and your Kingdom appear in my soul. Let the greatness of you and your Kingdom appear in my body and let everything that is against the will of God begin to fade away forever in the name of Jesus.

(391). When you see the greatness of God you will fear no devil. You are afraid of witches and wizards because you have not seen the greatness of God.

⇒.Father manifest the greatness of you in my life and let fear, doubt, unbelief and weakness fade away forever. Lord manifest your greatness in my life and let fear disappear forever in Jesus' name.

(392). The fear of God makes us please God, honour God and obey God.

⇒. Lord put your fear in my heart so that I will not fall into a judgement. Lord let your fear prevail in my heart so that I will escape your judgement. Fear of God, prevail in my heart and mind so that I will not be destroyed in God's wrath and anger, because the earth is like a grain of sand in God's hand. Lord let your fear take over my heart so that I will always be in your presence.

(393). Lord let your strength be my strength as the scripture says, the Lord is my strength. Lord let your strength be my strength in these last days where darkness, evil is everywhere, where darkness has defeated many. Lord let the manifestation of your strength appear in my life, in my spirit and let me be stronger than my enemies at this time. Make me stronger than the darkness prevailing in this generation, by your strength make me strong. Lord I need the manifestation of your strength in Jesus' name.

HOLY COMMUNION PRAYER

Open the wine and the bread and place them before you.

⇒.Father we worship and bless your name, you are the Most High God, King of the universe, all power belongs to you. You are everywhere even before everyone, present in this meeting therefore I decree oh God, let your presence be strong in the places where the people are right now and upon the items they've placed before you. Oh God enter into these items and let your presence and power possess these items and transform them into your own body and blood. Lord do it right now in the name of Jesus, for there is no resistance to the Holy Ghost and there is no hindrance or barrier to the Kingdom of God, because the earth is the Lord's and the fullness thereof, the world and they that dwell therein. Because the greatness of God breaks barriers and resistance, I decree by the authority of the Most High God, let heaven prevail in these items you have placed before the Lord. Let the power of God and let the Kingdom of God prevail over them and let them change to the body and the blood of Jesus.

As you eat and drink of them, let there be power manifestations in your body, soul and spirit and let the Lord rise in you as you partake of the Holy Communion and let your life and destiny be transformed. As you partake of them let the greatness of God appear in you, in your destiny, in your life, health and in everything that is in you. Let the greatness of God appear and let your life never remain the same. Let

there be great manifestations of victory through the Holy Communion. Thank you Father because we know you have done it in Jesus' name.

NB: The bread is no longer bread, the wine or juice is no longer that but now they have become heaven's items, as you partake of these items your life shall never remain the same again.

PRAYER: Thank you Father, because of this that you have done, thank you for the healings that will happen through this Holy Communion, thank you for the deliverances that will happen through this Holy Communion, thank you Jesus Christ, in Jesus' name we shall testify, Amen.

CLOSING PRAYER

Father, we bless you once again, we thank you for all that we have asked, said and declared in this prayer session, we thank you because you have approved them and you have done them, blessed be your Holy Name.

Oh Lord, I prophesy blessings upon your people. Lord bless them speedily without delay in the name of Jesus. Blessings that have been delayed by the enemy concerning the lives of those hearing my voice right now, Lord because they are connected to this anointing, let that delay be removed right now, let that barrier be removed right now and let your blessings begin to appear right now.

I speak over your life, in the morning you shall be blessed you shall be blessed, in the afternoon you shall be blessed, in the evening you shall be blessed and at midnight you shall be blessed. Every day of your life you shall be blessed.

Every curse that is blocking God's blessings upon your life, blocking answers to prayers from appearing in your life, I come against that curse and I decree by the reason of the anointing upon my life, let that curse be broken in the name of Jesus. Every resistance against the blessings of God for your life, I break it in Jesus' name. You shall be blessed (that is what the Holy Ghost is saying) no more barriers to your blessings. Not only shall you be blessed because of this divine visitation that happened in your life, but you shall now become a blessing to generations in the name of Jesus. Through you, the people in your country, state or province shall be blessed, through your calling and ministry they shall be blessed as well.

I command prosperity to spring forth from the work of your hands in the name of Jesus. Let prosperity and greatness spring forth from the works of your hands in the name of Jesus.

I speak blessings over your children, I pronounce blessings from heaven upon your children that they shall also be blessed in the name of Jesus.

Thank you Father because we know you have answered these prayers, thank you Lord in Jesus name I have prayed, Amen.

The Lord is saying that He is going to terminate untimely death through the communion that I just prayed for. Make sure you give it to people that you don't want to see dying before the end of the year.

12 SEPTEMBER 2020

PRAISE AND WORSHIP

You are God, you are not a man, man is limited but you not, heavenly Father you are unlimited. Your power is unlimited, your mercy and grace is unlimited, your wisdom is unlimited.

You are God, you're not a man, your authority changes situations, you are the one who declares the end from the very beginning. You are the one who rewrites destinies and history, the one who changes and controls times and seasons. You are the one who enthrones kings and you are also the one who dethrone kings. You are

the one who controls government systems, nations, kingdoms, territories and all powers, even principalities they bow before you.

You are the God of Israel, you are our God, you are worthy. We worship you Father, we are so glad to have you in our lives, in our midst right now. Thank you for loving and caring for us in Jesus' name, we have worshiped Him, Amen.

PRAYER POINTS

When we raise up our hands in prayer, we are trying to connect to heaven and sometimes you do that to receive from heaven, sometimes you do it to authorise things from heaven or to decree things to happen by the authority of heaven. It's something that you should learn to do whenever you are praying in your closet. Learn to lift up your hands, it means many things: total surrender to God, you are agreeing with the angelic forces in heaven for a spiritual operation to happen e.t.c.

394). Father, I thank you because you are here to fix my life, you created me, formed me and I thank you because you are here in this meeting to make me look the way I should look. Lord Jesus, I thank you because you are here to change my life, to transform and fix my life. You are the one who created me and it's only you who can save me, fix me, deliver me, heal me, only you Lord Jesus. I thank you that you are here, and I am here to let you do that, blessed be your Holy Name.

ISAIAH 40:15

395). This verse is talking about the greatness of God and the smallness of the earth. God is great and the earth is like a grain of sand before Him. He is telling us that the greatness of God is beyond whatever you can see, whatever is going on in the earth, beyond the earth and everything in the earth. Whether you have faith or not, God is great and forever He will be great. He does not assume greatness but He is great and that is who He is.

⇒. Father let your greatness appear in my life, let it appear round about me. Lord, according to the scriptures, you are great and nothing can withstand your greatness. Lord in my life, let your greatness manifest right now, let the greatness of who you are manifest now in my life and all around me in Jesus' name.

396). The earth is nothing before God. I don't know what is happening in your life that you consider to be something, but before the God of Israel, that thing you consider to be a burden is actually nothing before the God of Israel.

⇒. Oh God of Israel, let your greatness manifest in my life and let every mountain and burden be melted by your greatness. Lord let them melt, let them disappear and become nothing by reason of your greatness. ***Right now Lord, let your greatness appear in the lives of your people. Let the greatness of God appear in your life right now, let every yoke, every burden begin to melt by fire. Let the greatness of God locate your house right now and melt the mountains in your life in Jesus' name.**

397). Most of the things that you consider to be something, when you weigh it compared to the greatness of God in your life, it is nothing. It may be cancer but when we weigh it before the greatness of God, it is nothing. Maybe it is captivity of darkness, when weighed on the scales of the greatness of God it is nothing. You need to speak with the greatness of God into the nothingness of your problem or situation.

⇒. In the name of Jesus, I declare the greatness of God upon my life and situation, right now let every negative situation become nothing and fade away. I speak with the greatness of God upon my life and destiny, everything that is against my life, let them be consumed by the greatness of God. (Mention those things that are not of God in your life and speak forth the greatness of God). E.g, I proclaim, I declare the greatness of God upon my body let sickness melt before the greatness of God.

398). The angel told Zachariah that, for with God nothing shall be impossible because the greatness of God can make anything and everything possible. When God looks at your life, He is not thinking impossible but He is always thinking possibilities. I don't know how you think of your life but if you're always thinking of negativity and impossibilities then you are not an original child of God because your Father does not think impossible. Jesus has never thought of impossible things but of possibilities. The Lord is telling me He wants to make things, miracles possible in your life even though you don't believe. Many people say they believe but they don't believe because most of the things you say or think, shows that you don't believe.

⇒. Raise up your right hand, speak with faith. Father, let your greatness visit me right now and let my miracle become possible, let prosperity, breakthrough, healing, deliverance, righteousness and every good thing you have for me, begin to appear in my life because I believe. Lord, I believe because with you nothing is impossible. I believe in the greatness of your power, the greatness of your strength, I believe you are the one who makes impossible things possible. Lord let your greatness visit my life and let good things become possible. Let progress, marital success, deliverance in my spirit, soul and body become possible right now in the name of Jesus.

399). Some of you limit yourself a lot, that is what the Lord is telling me. There are things in you that you can do but you don't do them because you limit yourself. There is God in you (the Bible says, greater is He that is in you than He that is in the world, 1 John 4:4). There is power in you, there is the greatness of God in you but you are limiting yourself, and God is not happy with that.

⇒. Father, I refuse to limit myself, let your greatness arise from within me right now. Lord I refuse to limit you, I refuse to limit myself, let your greatness arise from within me and let my destiny be fulfilled. Lord I refuse to limit you in my life and I refuse to myself in you, oh God, I release my faith, myself, and spirit right now. Let the greatness of God arise from within me and begin to change my life and situation and let my calling, calling and destiny begin to manifest the greatness of God.

400). One thing you need to know is that nothing can stop God or stop His move. No virus, no sickness can stop the move of God, no one can stop the move of God, that person is not born. If there is anyone that can stop God, that person is not born and can never be born because no one can ever stop the move of God because there's none greater than Him. There is God in his greatness, such that He cannot be stopped, there is God in your life that cannot be stopped by any power or witchcraft. ⇒. Father, move mightily in my life right now and let nobody be able to stop you, let no power be able to stop you, let no government, situation demon, darkness be able to stop you. Lord move mightily in my life, move to set me free, transform me, to bless me. Greatness of God move in my ministry, let nothing be able to stop you. No doubt, no fear or darkness can stop the greatness of God, no witchcraft, no demon, no principality, no kingdom can stop the move of God. Lord, let your move begin in my life, move mightily to rescue me, to save me, to change my life and make me great. Move right now to turn and transform my situations for good.

401). You need to know that the greatness of God cannot be moved by time and space. This means God is always on time because His greatness cannot be moved by time. This means that your life is not too late for God to help you. If there have been delays in your life, when the greatness of God appears that delay will be gone. It does not matter how long you have been trusting God for a miracle or how difficult your situation has been, that cannot stop the greatness of God. ⇒. Father descend into my time right now and let your will prevail. Lord appear right now in my life and let your will prevail without delay in the name of Jesus. Lord appear in my life right now and let your greatness prevail in the situations of my life.

402). Another thing about the greatness of God is it humbles people, no matter how hardened that person is or how wicked the person is, when the greatness of God appears, that person will be humbled. When the greatness of God moves, people will bow.

⇒. Father let your greatness move in my life and let every person that is in opposition to you, be humbled by your greatness. Move right now Lord Jesus in my life and situations and let everybody be humbled by your greatness. Move in my place of work, marriage and let everything bow before you right now in the name of Jesus. Move Lord Jesus in your greatness and let everything and everyone bow before you.

403). The greatness of God prevails in the hearts of people, which means the greatness of God can control people. (Jesus said if I am lifted up, I will draw all men unto myself John 12:32). The greatness of God moves people, it draws people, it makes people do what they don't want to do, that is what the greatness of God is. There are some people who need to be compelled by the greatness of God for your favour.

⇒. Raise up your right hand. Father let your greatness move in the heart of every person that must make a decision for my favour. Let them begin to do what you want

them to do for me. Lord let your greatness prevail in every heart of man and let them begin to do what you want them to do for my favour. What you want them to do for my help, progress and lifting, let your greatness prevail right now.

404). When the Bible says all the nations are like a drop in the bucket before God, it means all the rulers of nations, the powers, principalities of nations are also like a drop in the bucket.

⇒. Raise up your right hand. In the name of Jesus let the greatness of the God of Israel, begin to oppress, subdue, dominate, control and bring down every principality, power, controlling the affairs of my life evil. Lord let your greatness descend upon powers, rulers, principalities of darkness that are manipulating my destiny, let your greatness descend upon them and subdue them, oppress and prevail over them for my sake. For the sake of my calling and destiny, let every power, principality in the heavenly places be subdued right now.

405). The affairs of the nations are nothing before God. God controls the times and seasons, He is the one who enthrones kings and the one that dethrones them.

⇒. In the name of Jesus, by reason of the greatness of God, let the glory of my life and destiny arise and prevail in all the nations. By reason of the greatness of God let the glory of my calling, ministry, destiny, arise and prevail in all the nations of the world. I speak to you, the glory of my destiny, by reason of the greatness of God, arise right now. I speak to the glory of my calling and ministry, by reason of the greatness of God, arise right now. The glory of God that was made for my life before I was born, I speak to you, by reason of the greatness of God arise right now and begin to prevail in all the nations of the world, right now in the name of Jesus.

406). There are principalities of darkness in your country and for you to fulfill calling and destiny, you must defeat those territorial powers and principalities ruling your country. If your ministry is going to prevail in a country, it should prevail over the principalities ruling that land first.

⇒. Father let your greatness descend upon every power and principality of darkness that are enslaving destinies in my country, in my state and province, Lord let your greatness consume them. I call upon the greatness of God right now, every principality, power, territorial wickedness of darkness that is enslaving destinies, let the greatness of God appear in my country and consume them. I refuse to be enslaved by principalities, my destiny shall not be enslaved by the rulers of the land, Lord release my destiny from their hold in the name of Jesus.

407). Personally I don't pray like normal Christians pray, because I am a world intercessor, I intercede for different nations so when I am praying I am not praying like somebody that doesn't know his place in God. When I pray, I pray from God, from within God. I stand in God and I begin to pray and prevail over nations. I ride on the greatness of God, I move in the greatness of God to prevail in the realm of the spirit. When I pray, I don't see myself in the realm of the earth but up there inside of

God in heaven and I pray and control things from there. So if anything is greater than God then this is the thing that I cannot prevail over. But since there is nothing greater than God, it means there's nothing that I cannot prevail over in prayer because I'm not praying from here but I'm praying from inside God in heaven. Some of you need to advance in the way you pray because you have limited yourself a lot. It's not something you imagine but when you are there you know for sure that you are there. The realm of God's greatness is the realm where the entire universe is controlled from.

⇒. Father, translate me into the realm of your greatness where victories manifest easily. Lord lift me up into the realm of your greatness where all things are possible, where victories manifest without hindrance or delay. Lord translate my spirit, soul, essence, and my body, translate me into the realm of your greatness from today. I want to operate from the realm of heaven not the realm of earth. Lord, I want to rule, operate from heaven, I want to prevail, worship, pray from heaven. Lord translate me to the realm of your greatness where victories flow like water, where impossible things become possible without delay.

408). How is it possible to pray from heaven? It is possible by faith. When you pray from today, don't pray like someone who's under something or a power or dominion but from above because your God is above all, because your God and the kingdom of God is above all. It is possible to pray from heaven by the Holy Ghost, by the anointing.

⇒. Father, anoint me with power, with the spirit of prayer to pray from the dimensions of you, of your Kingdom, to pray from your presence in heaven, to pray from your secret place in heaven. Lord baptize me in the spirit of prayer that prays from heaven (as Elijah was able to control the weather of an entire country because he prayed from heaven) Lord anoint me to pray from heaven, empower me to pray from the realm of your greatness in Jesus' name.

409). You might ask how to enter into the manifestations of God's greatness, how does the manifestation of God's greatness become a reality in my life? The secret is that you must become nothing. For Him to make you something or for Him to become something (John the Baptist said, He must increase and I must decrease, John 3:30). If you want to see the greatness of God in your life, calling, ministry then you must decrease and become nothing. Jesus said without me you are nothing so you must be nothing. Without him you must be humbled, emptied of yourself that is when the greatness of God will appear. That is the secret and it will work in any one. If you're full of yourself you cannot manifest the greatness of God.

⇒. Father, I choose to be nothing. Father empty me of myself, I surrender all to you, Lord rid me of the flesh and myself for your greatness to appear in my life. Lord, I surrender, empty me of myself and fill me with your greatness. Oh God of Israel, let me be taken away and let you manifest and become all that I am. Lord I surrender myself right now, empty me of me and fill me with your greatness. Manifest your greatness in my life and through me.

VERSE 16

410). Looking at the greatness of who He is and the greatness of what He deserves, how precious He is, it says all the wood in a country (Lebanon) including all the animals in that country is not enough to sacrifice to the Lord. Some of you count the money you give to God as if God is a baby. Some people though they have much, they give the least, they measure what they give to God, that means you belittle the greatness of God. When you begin to measure what you give to God even when it comes to your tithes, then you cannot see the greatness of God in your life. You must give God everything because even everything is not enough to lay down before the Lord. Everything that you think you have right now is not enough. If you're going to experience the greatness of God, you must learn not to measure what you give to God you must learn to give everything because even everything is not enough. You need to ask God for an understanding to worship him correctly with your possessions. Burnt offering means you give all to God and burn them on the altar and say bye-bye, I give to God. The most powerful offering is an offering that you give and you don't look back, you forget because you have given it to God. Some people give and they still look at it thinking of how they were going to spend or use it, but it is not how to worship God with offerings.

⇒. Lord give me understanding and wisdom to worship you with my possessions. I want to be worshipping you with excess not with little because you deserve more than all I could ever give.

(411). If you have David or Solomon heart, who worshiped God with thousand burnt offerings and God came to him in the night and said ask me of anything and I'll give it to you. You are going to ask God to bless you because you want to start blessing God, worshipping God with excess and it means that with every blessing, you set aside something big to worship God with.

⇒. God I am willing to worship you with excess, oh God bless me. Lord I want to worship God like David, Solomon and the prophets did, God bless me so that I can worship you with excess. Lord bless me because I am willing to do this and I am not deceiving myself or anyone.

(412). God I want to serve you with excess, bless me with enough to be able to do this. I want to be able to give money, that many people are afraid to give. Lord bless me enough to do this, to serve you with excess offerings and gifts in the name of Jesus.

VERSE 17

(413). What is it that is worth something to God but His righteousness (righteousness exalts a nation but sin is a reproach to the people, Proverbs 14:34) . Nations are nothing, as beautiful as they are, if God is angry He can destroy everything because they are worth nothing. But what is going to make these nations worth something is

righteousness. When righteousness is coming up from a country, that country will be safe.

⇒. Father from today, let your righteousness arise from my life unto you. Lord let righteousness rise from my spirit, heart, body, marriage and family lives of my children and spouse, let righteousness rise unto you. Let me, my family give you righteousness, let us walk in your righteousness. Help me, my children and spouse to walk in your righteousness, let righteousness rise from within me and to you Lord Jesus.

(414). This also means that the authority of God prevails in nations, and God's Kingdom prevails in God's nations. Mention the name of your country and pray. The authority of God prevailed over Pharaoh, Moses appeared with God by his side and Pharaoh surrendered.

⇒. Father in my country, let the authority of your kingdom prevail in our country, in the government of my nation, let the will of God prevail. Lord let your will prevail in the authorities of my nation. Lord let the authority of heaven prevail in the governments of my nation, let the will of God prevail right now and let all the rulers of my country see your greatness in the name of Jesus.

(415). Why are these nations worth nothing? Because you created them. They are not going to stop what you can do with them. When you create something, you can do anything you want with it.

⇒. Father intervene in the affairs of my nation, Lord step into the situation of my nation, my country and let everything begin to agree with your will and purpose. In my country South Africa, Nigeria, USA, Canada or Australia, Lord I am asking that right now you step into the affairs of Zimbabwe, step in it and let them begin to agree with your will and purpose right now in the name of Jesus. Step into every sector and begin to make them bow to your will and authority in Jesus' name.

CLOSING PRAYER

Raise up your right hand.

Father we thank you because you are a faithful God, we thank you for the greatness of your power, of your strength, we thank you Lord because there is nothing impossible with you. Lord, we thank you for many things you have done in our lives in tonight's prayer session. Thank you for making us what you want us to be, we have seen your mighty hand in this session transforming and changing our lives, Lord be glorified, be praised, be exalted forever in Jesus' name.

I am praying for all of you connected to this prayer right now. Right where you are, let the power of God locate you as you hear me, for manifestations of deliverance,

breakthrough, healing, grace and help from heaven. Let the power of God locate you right now and let the power of God fill you. (The Bible says you shall receive power when the Holy Ghost comes upon you) I decree right now by the authority of heaven, let power, by the Holy Ghost come upon you right now in Jesus' name. I don't know what the power will do in your life, but God knows what He's going to do and when the power comes upon you everything will become possible because miracles happen by power.) I decree once again over your life, let power from heaven, from the throne of God come upon you right now, for manifestation of victories, breakthroughs, deliverance and everything you need, let power bring them upon you right now from heaven. Receive power.

I am praying that the Lord shall put his honour over your life and I decree by the authority of the Lord in my voice, that shame and disgrace is terminated from your life forever in the name of Jesus. The greatness of God shall swallow up your shame, the greatness of God shall appear in your life and swallow up your suffering and poverty in the name of Jesus.

You shall not fail (that is what the Lord is saying), you shall not fail in the name of Jesus. Every covenant of failure that has been prevailing in your life and destiny from childhood up to where you are right now, I decree in the name of Jesus, let that covenant of failure be destroyed right now by the greatness of God in Jesus' name. From today you shall fail no more in the name of Jesus. Success shall begin to spring forth from everything you do. I prophesy success over the works of your hands, I prophesy increase over the works of your hands. Thank you Father because I know you have done this, blessed be your Holy Name. In Jesus' name it is done, Amen.

You are blessed and you are lifted in Jesus' Name.

The Lord impressed something on my heart that I should let you know. The Lord wants you to press further in prayer. For example, if you prayed for 20 minutes, then 30 minutes and then 40 minutes and God was going to visit you at one hour but because you stopped praying at 40 minutes, God could not visit you because of that. If you have been praying for 2 hours increase it, because you are close to your breakthrough. When you stop praying when you should keep on praying, God is annoyed because He is not able to help you because you stopped. Press further in prayer, in fasting, studying the Word because your breakthrough is close.

PRAYER POINTS

(416). Father I thank you because I have you in my life, I thank you that you are my only helper and hope. You cannot fail me or let me down because you are a faithful God. Lord, I thank you because I have you in my life, in my situations. I have you here and I have you here with me. Lord, I thank you because I can trust in you and depend on you, thank you Lord Jesus. Thank you Lord that you're my only hope and savior and no one can save me as you do Lord Jesus, thank you Lord, Amen.

ISAIAH 40:18

417).The verse shows that there is only one God and there is none like him. He is unique, mighty and glorious in his ways, He is powerful in His ways and none can share the same nature with him.

⇒. Oh God of Israel, move in my life and show the heavens and the earth that you are alone are my God. Oh God of Israel, move in my life, work in my life, do wonders in my life, change things in my life, restore things in my life and let every eye see, let

everything created, visible and invisible see that surely I serve the living God of Israel. Oh God of Israel, move in my life and situations.

418). I have known God for some time and I have discovered that God is God. I also discovered that God will also prove Himself to be God. I mean when God does His wonders He is always different from when the devil does his wonders. God's wonders are always greater than any manifestation of any other god.

⇒. Father let your glory be revealed in my life in such a way that all the forces of darkness fighting me will be swallowed up completely and will fade away completely. Lord manifest such a glory in my life and let every darkness fade away, let them be consumed by the greatness of your glory. Lord, reveal such a great glory in my life, calling, ministry, career, marriage, finances, and business a glory that will swallow up every darkness that surrounds me, that covers my life, and every darkness contending with my life. Oh God of Israel reveal such a glory that will end such darkness. Reveal the greatness of your glory and let every darkness contending with my life surrender to your greatness.

419). The move of God and His manifestations are beyond human comprehension, definition and explanation because the wisdom of the wisest man on earth cannot be compared to 1% of the wisdom of God. It cannot even be compared to 0.00001% of the wisdom of God. The move and manifestations of God is far beyond the understanding and wisdom of man. He turns the wisdom and understanding of men into foolishness. The Bible says God uses the foolish things of the world to confound the wise, He uses the weak things to confound the strong (1 Corinthians 1:27).

⇒. Father, manifest yourself in my life and bring to nothing all the wisdom of man, manifest yourself in my life in such a way that everyone, including myself will be surprised. In such a way that everyone will feel you or know you, reverence you, bow before you. Lord manifest yourself in this manner in my life and situations. Lord I need a manifestation of you that will put the wisdom of men to shame, that will put the understanding of men to shame, that will make men fear you, that will make all men surrender to you, honour you and bow before you. Lord, this kind of manifestation, I need it in my ministry and calling, such a manifestation that people will see and will open their mouth and won't be able to close it, a manifestation that will surprise the nations. Lord such a manifestation that men and women will shake and tremble at the sight of such a manifestation, Lord let this happen in my life, let it happen to me right now.

420). God uses the foolish things of the earth to confound the wise so, do not underrate yourself, do not belittle yourself or belittle what God can make out of your life or what God can change you into. I have seen God change people from a nobody to something great that the whole world is celebrating. Don't underrate yourself because God can make a glorious person out of your life.

⇒. Raise up your right hand. Oh God of Israel, God of heaven and earth, look at my life, look at my humble self, look at me right now and make greatness out of my life.

Make something glorious out of my life and destiny. Oh God of Israel, look at my life right now, my life is not too difficult or impossible for you to help, look at me and make something great out of my life, make something powerful out of my life, make something glorious out of my life. Let greatness arise out of my life that the whole world will celebrate, let such greatness arise from a life. Let such a glorious personality rise from within me.

421). You may be thinking how will God make a great person out of my life. But how, is not for you to think about. How, is for God to do or perform, you don't need to know how God will make greatness out of your life, you just need to believe. I know some people think that nothing good will come out of their lives because you feel you do not have anything that can produce greatness out of your life, but the Lord is saying leave that to Him He knows what to do, all that you have to do is believe in Him.
⇒. Lord I surrender everything to you, I surrender my life, sickness, suffering, pain, poverty, hardship, failures and difficulties, Lord move in my life and let your will prevail. Mould me, beautify my life, mould me into the person you want me to be and let your will prevail in my life.

422). There's no comparison to God because He is too great. My question is why do you lose hope in God, why do you feel God has forgotten you, why do you think God has forsaken you, why do you think there is someone or something else somewhere that can help you out of your situation besides God, why do you think your own wisdom can you help you, why do you think your own calculations will get you out of your terrible situations, why? The problem with many Christians is they think that God does not want to help them, because they have lost faith and trust in God, that is why many Christians are still suffering till now. Some people believe in Men of God more than in God. If nothing is happening to them they blame men of God, because they have put their trust in them. But you need to know that men of God are not God and there's nothing they can do for you because they don't have power to do things for you, all they can do for you is to connect you to God or bring God to you. But even if they bring God to you and if you don't believe, nothing will still happen.
⇒. Father, I repent from my unbelief, Lord let great faith arise in my heart. Lord help me to trust you at this time completely in these last days, perilous times. Lord I want to see the greatness of you, therefore I want to trust in you completely, help me Lord Jesus. I refuse to have another option besides you, I refuse to have another alternative besides you, I want you to be my only help, I want you to be my only helper, help me to trust you fully at this time, help me Lord Jesus. I refuse to trust a man, I want to trust only in you at this time, help me to trust you.

423). God is invisible and He does invisible things, He does terrible and mighty things. The Bible made a testimony of Moses, it said Moses was a man who believed and took actions as though he was seeing the invisible, he took some steps that shows that he saw some invisible. This present time is a time when we must start seeing the invisible otherwise you can't fulfill destiny, you have to start seeing the

invisible. The problem of the church is that we believe so much in the visible things, we believe in seeing instead of believing before seeing. Jesus said blessed are those that believe before seeing than those who see before they believe, (John 20:29). The present church is looking for things they can see before they believe but that is against the Kingdom operations of God's Kingdom. Any miracle God is going to do, you have to see it first in the invisible before it manifests in the physical. At this time we need Christians that think the way God thinks, believers who will see the way Jesus sees. You need to stop seeing like a human being because you're not a human being, you are a son of God. A son of God is above human being (the Bible says he who comes from above, is above all, John 3:31)

⇒. Lord transform my heart, soul, spirit, and eyes to begin to see the invisible that I may be able to trust you for great things at this time. Lord let a transformation happen to me that will enable me to see the invisible before I see it happen in the physical realm. I want to see the invisible so that I can have faith and I can trust you for great things at such a time as this. Lord change my eyes and heart to see as you see, to think as you think. Lord give me the grace to start seeing the invisible, I refuse to think like human beings, I refuse to continue to see like human beings, Lord I want you to see like you, think like you in Jesus' name.

(424). I discovered that there is Jesus in everything that happens to you. There is always something in everything that God wants you to see. The solution to your problem is inside your problem, only if you can see then you will know and sometimes it takes grace to see. For example, when you are in pain, the solution to your healing is inside your pain only if you can see it. You need the grace to endure to the point where you see Jesus in your darkness. There is Jesus in your poverty and suffering, you need to persevere until you see Jesus there.

⇒. Lord, I need grace to endure and persevere until I see you in my situation, darkness, sorrow and pain, Lord give me the grace for long suffering. Lord give me grace to see you until I encounter you in my situation because I know you are there in my darkness, sorrow, suffering, weakness, pain and sickness, give me the grace to endure till I meet with you in these situations in Jesus' name.

VERSE 19

(425). He cannot be compared with idols or things that He created. The devil is deceiving Christians to the point that we now give the glory due to God to the things that God created. Everytime you begin to put or give the glory that is meant for God, when you begin to confer the glory of God upon things God created, at that time you are now worshipping idols.

⇒. Lord forgive me of anything I have done to give the glory that is meant to you to the things that you created. Whatever I have done that shows that I gave your glory to something else that you created, Lord forgive me. Every action, behaviour, speech, attitude and conversation that came out of me that shows that I put the glory that is meant for you to things you created, Lord forgive me for these things, I repent of them in Jesus' name.

(426). What are the things we do that show that we are worshipping idols? Some Christians they come to God to use God, there is something always in their hearts that they want God to do for them. They do not even care about what God cares about, all they want is God to do this for them. So that is the idol in their heart, because they don't even care about the will of God or God Himself, His Kingdom, they don't care about loving God, pleasing God, all they care about is "Lord this thing you just have to do it for me". That is their prayer all the time they pray, even when they go to church meetings, they always have this idol in their heart, that is idolatry. As good as what you want God to do for you, if you're always going before God in prayer and want God to always do that thing for you, you are worshipping idols you're not worshipping God. If you're not able to put that thing aside for the will of God, but you insist only on that thing, you're worshipping an idol.

⇒. Everything in my heart that I have made into an idol that pollutes my worship in your presence, oh God, I surrender, remove that thing from my heart, destroy such an idol from my heart. Lord I surrender my life, heart and every idol that I have exalted more than you, everything that I love and desire more than your love or your Kingdom, oh God destroy those things. I don't want them right now the name of Jesus, remove every idol from my heart.

(427). This kind of prayer is one of the secrets to see God manifest on earth because God will not share his glory with any idol. So if you take the idol out of the way that is when you will see the glory of God manifest. Why did God say we should seek first the kingdom of God and His righteousness? Why did he do that? It is to help us not to have idols in his presence because He knows what you need (marriage, money, food, shelter, healing, deliverance and prosperity etc), even those things that you need that you don't know you need yet, He knows. That's why he says take all these things away from your heart and just seek my righteousness, seek my kingdom. God gave us this instruction so that we could be delivered from idols. What you are looking for, you do not get it by looking for it many times, the blessing you are looking for, you won't get it when looking for it. You will get that blessing by looking for something else, like the kingdom of God, the righteousness of God and His Kingdom, that is how you will get the things you look for.

⇒. Father I refuse to be deceived at this time, I refuse to be distracted at this time, give me the grace to seek for the right thing, the grace to seek the kingdom at this time, to seek your righteousness, to seek you and not idols. Lord give me the grace, I refuse to be deceived by the things of this world, cares of this world, Lord enable me by grace to begin to seek the right things of your Kingdom, enable me to seek what I should be seeking, to seek you and your righteousness all the time.

(428). You need to understand that even you as yourself can be an idol. Some people care so much about themselves, think so much about themselves, some Christians they serve themselves, they serve their beauty, they are ready to do anything to please themselves. They're even ready to oppress others to satisfy their lust, that is

idolatry and witchcraft. We need selfless Christians at this time. God is looking for sacrificial believers that do not think about themselves but those that think about others before themselves, believers that have laid down their lives at the altar. These are the Christians God is looking for now.

⇒. Father, I want to live a sacrificial life, a selfless life. I refuse to be a slave to myself, deliver me from myself. Lord I want to live a selfless life, a sacrificial life, Lord deliver me, I want to live for you and not for myself. I want to live for others, to consider others more than myself because that is what you did, you considered the world more than yourself. Lord, I want to begin to consider others more than myself, I want to live a sacrificial life, help me, deliver me from the power of self in the name of Jesus.

(429). Do you know that your calling and destiny will start appearing to you and manifesting to the world when you consider others more than yourself. For example, this ministry which is a blessing to you and others out there, was born out of love for others not out of selfishness. I was not thinking of myself but how others will be fulfilling callings and destinies. I was so passionate to see what God has destined people to be, manifest. That is why this ministry is standing and is flourishing because it was born out of sacrifice not selfishness or self-centeredness. The call of God and destiny of God upon your life will never manifest, if you're always thinking about yourself and never about others or the body of Christ. If you're not sacrificial or if you can't please God, win souls to the Kingdom, you can't manifest destiny. Being sacrificial is not easy but it is possible

⇒. Father, help me. I want to fulfill my calling and destiny and I know that I have to live a sacrificial life that you lived when you walked on earth. Lord, I know this is the secret to fulfilling my calling and destiny, help me to live a sacrificial life that you need. Lord help me to live this sacrificial life that is in you, I want to live for you and other people, I want to live for your Kingdom, give me a sacrificial spirit, the spirit of a lamb, the spirit of sacrifice, give me such a spirit Lord.

VERSE 20

(430). Do you know that the love of money is idolatry? Do you know that one of the reasons why God has refused to bless some Christians today is because of the love of money? The reason why God is not blessing some Christian is because they love money so much, He knows if He blesses them they are going to miss heaven, He knows the money will take their souls away from Him, that's why He refuses to bless them. I'm talking by revelation, I don't say things I don't know but that which I have experienced.

⇒. Lord move from my heart the love of money. Lord remove from my heart the idolatry of money that I will please you as I should at this time. Remove from my heart the love of money, the idolatry of money from my heart that I may serve you the way that I should, I want to serve you and not mammon. Lord take away the love of money from my heart. Take away the love of money from my heart, I want to serve you with the right heart, with a pure heart in Jesus' name.

(431). If the Bible says, the love of money is the root of all evil, how should we then interact with money? Money is for use and not to be loved. Who is to be loved? Righteousness is to be loved, God is to be loved and everyone God has given to you to love, your children, spouse and other believers but money should never be loved because it carries in itself the power to enslave. There's a power inside money that enslaves people and destinies. I have seen Christians, even pastors who are doing ministries for money, that is how they lost God's glory from their ministries because God withdrew it because they began to do ministry for money. They no longer had time for God or fellowship, worship God, no time to grow in the things of God because of money. All they did was look for money day in day out, some even working 5 jobs just to look for money and they have no time for God. If you keep looking for money to the point that you have no time for God, you are worshipping idols. It does not matter how much they pay you but if it stops you from fellowshiping or knowing, growing in the knowledge of God, then you are worshipping money and you won't have money. Any Christian that worships money, God will not let them have it and that is a curse because the glory they should be giving it to God, they're giving it to money and material things.

⇒. Father deliver me from the slavery of money and material things, wealth and riches of this world, Lord I want to serve you and you are alone. Lord I refuse to serve money, money is not to be loved or served. I refused to serve money, Lord deliver me from the power of slavery that money has conferred upon me, Lord deliver me right now.

(432). Jesus had compassion on people that was how he did many miracles. The Holy Spirit is asking do you have compassion for people, for souls? When you look at people, what do you think of them? Do you have compassion or you are just thinking of yourself through them? This is another secret of fulfilling your calling in destiny. How do you see people? Do you see them as outcasts, when you see them do you care for them, do you have compassion? You shouldn't have a heart that when you see people, you are thinking how you are going to benefit from them or how to use them for your benefit but you should have a heart to help them compassionately.

⇒. Father, give me a compassionate heart, such a heart that has compassion for people, such a heart that wants to help people, that wants to see souls saved that wants to see people become what you want them to become. A heart that sees the best in people. Lord give me a heart full of compassion, mercy and love, I want to see people the way you see them. I want to see people and care for them, I want to see people and pray for them not because I want them to bless me but because I love them and want the best for them. Give me a heart that looks for the best in people, Lord I want to love and care for people, I want to help people in Jesus' name.

PROPHETIC PRAYERS

(433). The Lord is showing me that we should pray for the favour that will speak for you in the midst of men, that will bring them in the place of decision to help you.
⇒. Raise up your right hand. Father let your favour speak for me in the midst of men and women and let it move them to make a decision for my help. Lord let your favour move men and women to be compelled to make a decision to support me, to help me, let your favour speak for me. Let favour speak for me in the midst of organisations, companies, destiny helpers and let your people move to make a decision that will favour me.

(434). This prayer is for those whose blessings have been delayed for a long time, whose answers to prayers are delayed. There are some things that should have happened to you but they have not yet happened. There's a power in God that speeds up the manifestation of miracles.
⇒. Father let your power appear in my life and let it destroy every stronghold of delay and let my blessings come speedily, let my blessings appear now in Jesus' name. Lord break the power of delay in my life, let my miracles appear now in the name of Jesus. ***Raise your right hand as I pray for you. In the name of Jesus, I come against every spirit demon that is prolonging the manifestation of your miracles and blessings, I decree let the anger of God destroy them all right now in Jesus' name. I move your miracle from the realm of waiting, from the realm of delay to this present hour, receive your miracle right now in the name of Jesus Christ.**

(435). Place your right hand on your head. I command that garment to catch fire right now in the name of Jesus. *** Every garment of witchcraft upon your spirit, soul and body, I command fire to destroy them in the name of Jesus. Every garment of slavery, oppression, every garment that is not of God, catch fire right now in Jesus' name.**

(436). There are some things that should come out of your life, come out of your body, that is what the Lord is showing me because they're not supposed to be inside you or your body, they were placed in your body by the devil.
⇒. Place your right hand on your head. In the name of Jesus I come against every evil thing that is hiding inside my body, I command you to come out in the name of Jesus. Everything hiding in my body, in my tissues, in my veins, in my organs, I command you to come out right now in the name of Jesus. ***Everything hiding somewhere in your body, as you are hearing my voice right now by the authority of the Most High God, let the thing come out in the name of Jesus. Wherever it is hiding, everything that is unclean, unrighteous, that is against the will of God inside of your body, not of God, I command them to come out in the name of Jesus. You are free forever in Jesus' name.**

(437). The Lord is showing me a parent, specifically a woman, you are unable to pay your children's school fees. To show how poor you are looking for money, you are unable to pay your children's school fees at all.

⇒. (Everyone can pray this prayer). Every spirit of poverty that has crippled my finances, I come against you in the name of Jesus Christ, I command you come out in the name of Jesus. Every spirit that has crippled my finances, poverty spirit I command you to come out in the name of Jesus.

(438). The strength of the enemy is the power that the enemy has over you. What makes them able to oppress you and continue to oppress you for so many years, that is the strength of the enemy. When that strength fails that is when you will make progress and succeed.

⇒. In the name of Jesus, I decree and I declare from today, let the strength of darkness begin to fail in my life, let the strength of the enemy be broken in my life by the power that is in the name of Jesus. Let the strength of darkness break in pieces concerning my health, let the strength of darkness be broken right now in my marriage, my career, let the strength of darkness be broken in my business break in the name of Jesus. Concerning my spiritual life, spiritual growth, let the strength of Satan be broken in the name of Jesus, concerning my calling and destiny, ministry, strength of the devil break in the name of Jesus. It is time for me to move forward, it is time for my glory to shine. Let the strength limiting the manifestation of my glory be broken right now in the name of Jesus. Let the strength of demons, of witchcraft limiting the manifestation of my glory be broken in the name of Jesus.

(439). The Lord is telling me that he is ready to give grace to those who are willing to sit in His presence for hours, those who are ready to seek Him. He wants to give you grace to seek Him because you want to see Him. He's going to give you grace for prayer, fasting, long prayer time, grace for divine revelations, grace to work miracles. He wants to give grace specifically for those who want to seek Him at this time.

⇒. Father, I am willing to give my time to seek you at this time. I am willing to dedicate myself to seek you, to fast and pray, Lord I'm willing, give me the grace right now. Lord, I am willing to spend long hours in your presence, I'm willing to seek you with fasting, Bible reading, Lord give me the grace I am ready and I'm willing to sacrifice my time, to surrender myself before you. Give me the grace Lord in Jesus' name.

CLOSING PRAYER

Raise up your right hand.

Father we thank you because you are so faithful, we thank you for your presence in this prayer session. Thank you for opening our eyes to see things that matter to our

destinies. We thank you Lord for speaking to us, Lord be glorified forever in Jesus' name.

Oh God these are your people, these are your children they are not my children but yours and they're here not for me but for you. Lord I present these people unto you right now, oh God of Israel attend to their cases right now in Jesus' name. Lord you know them more than anyone in this world knows them, even more than they know themselves, you know what they need and you know what you can do to solve their problems and sufferings, to ease their pains. Oh God I am asking as your servant that everything they need now so that they can serve you better, Lord give it to them right now in Jesus' name. Everything that you need in your life right now, so that by having them you can be able to serve God better than this and that you will be able to please and honour God better than this, I ask that let them be released unto you right now from heaven in Jesus' name.

Those of you that have international assignments to do for God, I prophesy international breakthrough upon your life right now. Receive it right now in the name of Jesus, because you have an international assignment calling to do for God. (440). In the name of Jesus I decree and I declare my prayers in this place tonight shall be under an open heaven. Let the heavens open over my place right now. Lord let heaven open over my prayers tonight in this hour of prayer, let the heavens open over me here where I am right now in my room, in my car. My prayers shall draw down miracles and breakthroughs from heaven.

ISAIAH 40:21

(441). The prophecy in this chapter is trying to proclaim the greatness of God. The Holy Spirit is saying, haven't you heard, don't you understand? There are times whereby you should hear God's voice. I don't know if you have heard Him before but this moment, this hour of the last days is the time you have to hear God.

⇒. Father, let your voice manifest to me, the voice that reveals your mind, your greatness; that reveals the mysteries of you and your kingdom, Lord manifest this voice to me. Oh God of Israel, I want to hear your voice, you say in your words my sheep hear my voice, Lord I am your sheep and I want to hear that voice that leads me to the right direction, that encourages me, that opens my understanding, that voice that reveals the will of God to me everytime, the voice that guides my decisions and steps. Lord such a voice that comes from the midst of your throne, I want to hear that voice in my dreams and visions. I want to hear your voice as I meditate, I want to hear your voice as I'm studying the Word, I want to hear your voice in the middle of prayer, I want to hear your voice. Lord I am willing, I am ready, speak your voice. I

want to know you by your voice, speak to me Lord Jesus because I am your child. Let your voice be real to me, in my mind and spirit.

(442). There was a time, I was asking the Lord how to help people to hear His voice, He said to tell them to stop listening to the wrong voices. He said shut down the wrong voices. I don't know if you have been listening to wrong voices through the radio and TV and everything is not of God. I'm not saying you shouldn't listen to the news but most of us will listen to more than the news and we are watching things we are not supposed to watch. You are always following channels that communicate information that does not agree with the will of God, so that is how we destroy the ministry of the Holy Spirit in our hearts because we have opened our hearts to wrong voices, messages and information.

⇒. Raise up your right hand. Father shut down my heart, my spirit against wrong voices, against false information, information that does not agree with you and your will. Lord shut down my ears from listening to voices that are against your will. Lord I choose to hear from you not from the devil or his agents and channels but Lord I want to hear you at all times. Lord even if the information appears to be true to others but if it is not in line with your will, Lord I refuse to hear them, shut them out of my life. Every channel communicating wrong information, demonic information and demonic voices, Lord shut them down, I refuse to hear them.

(443). It says don't you understand, haven't you heard? The spirit of understanding is the Spirit of God and except we understand certain truths about God, His will and His Kingdom we might never see manifestations of God in our lives. We might never be able to believe God for certain things we believe for without the spirit of understanding. If your relationship with God is going to be powerful, you need the Spirit of understanding.

⇒. Father, fill me with the spirit of understanding, I want to be able to understand your mind, what you do, what you are doing in my life, Lord fill me with the spirit of understanding. Lord, I want to be able to understand what your will is per time, even when I am praying I want to know your will, I want to know what to pray for. When I am praying for people, I want to know your will for the people I'm praying for, Lord fill me with the Spirit of understanding. When I am studying the scriptures, I want to understand what you are saying to me through them so that my faith will grow in you, that I will be able to comprehend the length, breadth, and height of your glory and of your greatness. Oh God fill me with the Spirit of understanding.

(444). Your level of understanding of God is proportional to how much you will understand what you are in God. Knowing God is connected to knowing who you are in you. If you are to know your calling and understand it deeply, then you must know God because God deals with us according to destiny. All of God's dealings with you are going to be based on your destiny with Him, that is why you can't even understand your destiny if you don't know and understand God.

⇒. Father, manifest yourself to me in such a way that my knowledge and understanding of you will be rich and will grow. Manifest yourself to me Lord Jesus so that my understanding of you will increase, my knowledge of you will increase. Lord appear to me, reveal yourself to me, manifest yourself to me that I will be able to fulfill my destiny, I want to know you more than this. I want to be able to comprehend what the will of God is for my destiny, I want to be able to comprehend your personality, your nature and your greatness.

(445). The Holy Spirit is still asking the question, why are my people so ignorant, deaf to the Words of God? A lot is happening in the realm of the spirit and you don't even know, you can't even perceive. A lot of God's operations and that of darkness happening and you can't even discern and the Spirit keeps saying, why, what is wrong with the people, He is saying why can't they even smell it?

⇒. Place your right hand on your head. Lord Jesus set my spirit on fire to be able to discern correctly all the operations of God going on within and around me. Lord set my heart on fire, set my spirit on fire and enable me to discern accurately all that you are doing in me around me in and outside of me. Oh God awaken me to discern correctly what you are doing in my work, in my heart and my spirit. Open my eyes by fire, open my ears by fire to discern all your operations going on in my life, ministry, calling right now. I want to know, awaken me Lord Jesus

(446). The Holy Spirit is angry with so many of us because He is trying to call our attention to things but we keep on going the opposite direction, that is why God is angry with the church because He is putting so much effort to show us certain things, He wants us to see but we are going the opposite direction, going into things that is killing us. We have begun to focus on things that are destroying our relationship with God, we have begun to die spiritually.

⇒. Father, pluck my feet out of every path I am walking in that is killing my spiritual life. Lord remove my feet, my heart from every path, every direction that I am following that is killing my relationship, spirit man, spiritual life and prayer life. Lord draw me out, pluck out my feet from every path I am following, every way, every direction I am walking on right now killing my spiritual connection with you, Lord take me from there, I do not belong there, I don't want to die spiritually but I want to live for you and being awakened to you, help me Lord Jesus.

(447). You have a terrible enemy that is very close to you and that happens to be you, your flesh, your body, yourself. That is a terrible enemy that many Christians don't seem to know yet. You are the most terrible enemy to your life and destiny because the devil, Satan and witchcraft are not as terrible as myself, as you-yourself. The fulfillment of your destiny has much to do with how much of yourself has died.

⇒ . Raise up your right hand. Father, by reason of what Jesus did on the cross of Calvary, deliver me from my flesh, deliver me from this agent of darkness which is my flesh, destroy the power of the flesh upon my life. Lord this is an enemy to my

destiny in you, Lord deliver me from this flesh. My flesh is a source of darkness to my spiritual eyes, deliver me from this flesh. My flesh is a limitation to my manifestation in destiny, Lord I understand that my flesh is a limitation to spiritual growth, seeing divine revelations, to knowing you, oh God deliver me from this flesh by the power that is in your cross, by the power of your death on the cross, by the power that is in the shedding of your blood, the power that is in your resurrection, deliver me from this flesh. Lord, I want to be free deliver me right now.

(448). It took me years to understand that I could not fulfill my calling and destiny the way God had ordained me to do except my flesh died. I discovered that the strength of sin is your flesh, the strength of the devil over your life is your flesh. You may not know that yet until you have fought many battles to that level. You have to hate your flesh for you to prevail, you have to hate everything that has to do with the flesh, that is how we will breakthrough into knowing God. The flesh is the veil between God and you (the you that has been saved) unless that veil is torn down you can not prevail. Until the flesh is taken away you can never know God you can have head knowledge of Him but you can't have experiential knowledge of Him.

⇒. Father I want to hate the flesh because I know this is my real enemy, Lord put in my heart a perpetual hatred of my flesh. Lord, I want to eliminate this nature of sin, let there be hatred between me and the flesh, create hatred oh Lord Jesus. I refuse to love my flesh, help me Holy Spirit, to hate this flesh. Lord let there be hatred between me and the fles, I refuse to embrace the flesh, I don't want the flesh, I want Jesus, I want the Holy Ghost, not the flesh. Lord create hatred between me and the flesh that I may please you at this time.

(449). The Lord is telling me that there is the call of God upon your life and what you are doing now is directly opposite to that call.

⇒. Raise up your right hand. Father awaken me, my spirit, soul, body and mind to the realities of your call upon my life and help me to fulfill this call. Awaken me Lord to the reality of this calling and let me be able to know and understand that which you have called me to do at this time. Help me to know and understand what is the demand of God and heaven upon my life, let me know and understand the assignment you want me to do for you at this time. Lord, I don't want to live a wasted life and leave this earth without making an impact, I don't want to live in vain. Lord reveal the purpose of my creation, why you saved me and why I am still alive this hour, open my eyes to discover it Father. ***Let the fire of God expose your divine calling to you tonight as you sleep, let the angels of the Lord expose your divine calling to you in Jesus' name.**

(450). Many Christians are so ignorant of the devices of the devil. Some of us don't even know about the kind of food you are eating, you think it's food you're eating but it's something else. If you understand the devices of the devil, there are some things you will stop doing, eating or using because they are coming directly from the altar of the antichrist but you're using those things and they are affecting your life. they

produce them in the demonic world and they transport them in the physical world for you to use, but if you're not ignorant you will not be using those things.

⇒. Lord Jesus open my eyes to discover the devices of the devil starting from my house, place of work, on the streets, kitchen, in my room; every item I use on my body. Holy Spirit open my eyes, I want to be able to understand the devices of the enemy, of the devil going on in everything and everywhere, I want to be able to comprehend, to discern the operations of demons going on around me, my house, my home and workplace. Let the fire of the holy ghost expose the devices of the devil to me within and around me, wherever they are hiding.

(451). This prayer is for parents. Father, reveal to me all the devices of the devil going on in the lives of my children, in the career of my children, in the heart of my children. Holy Spirit reveal that to me so that I can call them to order. Lord reveal to me all the operations of satan going on in my children's lives so that I can correct them, so I can minister to them, reveal to me Lord Jesus in Jesus' name.

VERSE 22

(452). This prophecy continues to proclaim the greatness of our God. God prevailed and He continues to prevail, it means that God's dominion is above all the earth and everything that is in the earth. Everything bows to Him, bows to the dominion of God whether they want to or not, they have to bow because God prevailed and continues to prevail.

⇒. Raise up your right hand. Father, let your dominion appear in my life, prevail in my life and let your will prevail, let your will prevail in my life and let everything surrender. Lord, you are the God who dominates the entire universe, in my life let your dominion appear, in my life right now and let everything surrender to you and let your will prevail in the name of Jesus. Lord, let your dominion appear in the affairs of my life, finances, marriage, calling, destiny, home, ministry and family because your dominion is forever and there's no limit to your dominion, let your dominion appear right now and let every power, principality surrender to your dominion in my life. Let every darkness, demon surrender to your dominion in my life, business, finances, career and let your will begin to prevail right now.

(453). The Lord is telling me that He wants to heal some of you, divine healing.

⇒ . Raise up your right hand. Almighty God let your dominion prevail in my body and let there be healing right now in the name of Jesus. Let your dominion prevail in my body system right now and let there be healing right now. Let all my sicknesses and diseases disappear right now. ***Let dominion prevail in your life, in your body system in Jesus' name. #You must teach others this prayer or you can pray the same for anyone that is around you that is sick, I can assure you the same angel of the Lord will manifest right there and there will be healing.**

(454). It says God sits above the circle of the world meaning that He controls the entire human system, government system, He controls everyone that is in control. If

there's a president in control, God controls him, whether he likes it or not, He controls everything and everyone and that is who He is. The greatness of God is full of fear (we need to fear God) .

⇒. Father, I proclaim your dominion over my present situation, Lord let your mighty hand begin to control everything and everyone for my favour, progress promotion, prosperity. Lord Jesus let your mighty hand begin to control everyone and everything for my lifting, greatness to appear, for prosperity to appear, blessings to appear, breakthroughs to appear, Lord let your power begin to control them because you are the God that sits above the circle of the earth, therefore let your power begin to control everything and everyone that is created and exists.

(455). It says that the people were like grasshoppers to Him, that is showing God's greatness. In the teaching I once did on the angels, I was telling you of the revelation I had of God's throne, how it began to grow bigger and higher to the point that I was so little. He began to magnify Himself and became greater and greater and higher and higher that I couldn't see myself anymore, to an extent I became nothing, that is just to show you God's greatness. Those people that do not fear God, it's because they do not know Him or His greatness because once you know His greatness, you will fear Him and you will never dishonor Him. Your enemies, kingdoms of darkness combined together are nothing before God.

⇒. Father let the greatness of who you are collide with every power troubling my life, let your greatness strike every principality, witchcraft that is troubling my life and destiny, let them collide with your greatness and let them be consumed forever. Lord let your greatness begin to fight every power, demon, darkness, witchcraft, curse, covenant of darkness, every spell of darkness that is troubling the affairs of my life and destiny, let your greatness meet with them and consume them. Let your greatness meet with the demon from my father's house, principality from my mother's house, serpent, spiritual spouse let your greatness meet with them and consume them all right now.

(456). God is here on the earth, He has always been here but we never know, before anything was created He was here. Even after everything was created He's here and He is still here but we don't know his presence. When you know his presence you will be able to bring down mighty miracles and glory from His presence. The problem of this generation is because we do not know His presence in everything, God is in every situation, He is everywhere and in everything, you can know His presence and might not be able to see His manifestations and His glory.

⇒. Father help me to know your presence in the earth because you are here, give me the grace to be able to discern your presence in all situations. Lord Jesus help me, I want to be able to know your presence at all times.

VERSE 23

(457). He brings all the great people of the world to nothing, he judges them including the president of your nation.

⇒. Raise up your right hand. Father let everyone in high positions that must reach out to me to lift me up, Lord let your power begin to move them, everybody in high position, wherever they are that must reach out to lift me, Lord by your power begin to move them to do that because you judge the great people. Lord every person in high position that must see me and help me, oh Lord of hosts, right now begin to do it, move them to do it in the name of Jesus, let your power move them because there's nothing impossible for you to move. Lord, you can move anyone, let your power move them to lift me up in my destiny, my calling, to bless me and help me.

(458). PRAYER FOR YOUR NATION OR COUNTRY

⇒. Raise your right hand. Oh Lord of hosts, let your mighty hand begin to judge every powerful person troubling your will and purpose in my country and let only your will prevail in this nation. Lord of hosts, let your mighty hand begin to move right now and let it begin to judge the governors, ministers, president and everyone in high positions, high authority that is troubling the affairs of this nation against your will, oh God begin to judge them right now. Lord you know them and you know their names, that is troubling the affairs of this nation that I am in right now, against your will, let your mighty hand judge them and stop them, let your mighty hand command justice upon their lives and let only your will prevail in this nation. *In South Africa, Lord let your will prevail, in the United States of America, let your will prevail, in all southern African countries, west African countries. In all the nations of the world in Europe, in Asia let only your will prevail in Jesus' name.*

(459). PRAYER FOR THE BODY OF CHRIST.

⇒. Raise up your right hand. In the name of Jesus, every powerful organisation that is controlling the church of God against the will of God, let the hand of God move and judge them, let the hand of God move and bring them to their knees. Right now, we command that the power of God subdue every powerful people, organisation, kingdom of darkness that is controlling the affairs of the church of God all over the world against the will of God, let the hand of God bring them down, let the hand of God judge them right now, let the hand of God strike them in the name of Jesus. Let them be brought to their knees and let the will of God prevail in the church of God in Jesus' name.

(460). PRAYER FOR EVERY CHRISTIAN FAMILY AND HOME

⇒. Raise up your right hand. Oh Lord of hosts let your mighty hand move and begin to judge every power and principality of darkness controlling the affairs of Christian families against the will of God, against your will. Let your mighty hand move right now and begin to judge these powers, these kingdoms. Oh God of Israel, let your powerful hand begin to move destroy, consume every territorial spirits, witchcraft organisation, principalities and powers that is controlling the affairs of Christian families and homes against righteousness, let your fire consume them, let your mighty hand destroy them and let the will of God begin to prevail in Christian homes,

Christian marriages, Christian families, from this hour henceforth in the name of Jesus.

God has finally done it. For years I have been surrounded by Gospel opposers who belong to the traditional denominations of Roman Catholic, Anglican and others. I never gave up on praying for repentance for my neighbors. I always dream of them attacking but last night I had a different dream about one of the neighbors. In the dream I saw her late grandfather who was a preacher, telling me that the field in which his granddaughter is living was given to me but ever since that time I never

cultivated the field. The granddaughter was also there looking at me as if she is loosing hope in me. This morning I prayed about it and then I went to see her. To my amazement this woman accepted Jesus and explained how she has been silently suffering not knowing how to approach me for prayers. She also told me how she saw her grandfather in the dream telling her that he was going to take her name to the village headman for recommendations that she is a good crop farmer. She told me a lot of things and she cried her heart out. It is indeed a miracle because these were the kind of people who were always mocking the work of God. I glorify God for what He has started doing in my neighborhood for will complete it in Jesus name. Amen.

[10/03, 14:12] Apostle Alebiosu: *My testimony:*

My own testimony is quite a spiritual one but it will soon begin to manifest in real life without a doubt. During the fasting, there was one night that an angel came into my room and he picked me up and began to take me very high into the heaven, we passed through many places that looked like roadblocks or stopovers, whenever we reached a place of limitation, the Power of God will manifest and those principalities will give way, then we got to a place that is so very high above the earth, and then another angel came, and I knew that the Name of God is in that angel (when the name of God is in an angel, it means that angel has come as though he is God Himself), and the angel said to me saying "you have to ask just one thing and I will grant it to you", and I said "I ask for the wealth of nations" and immediately, he held my hand and as he did this, immediately, many angels began to come from all over the nations of the world, as these angels were coming, I understood in my spirit that these angels are the angels in charge of each nation on earth, and they brought unto me certain percentage of the wealths of each nation, and they keep coming like that until the last of them drop his wealth. And I returned back from that realm.

I know without a doubt that a great shift happened to my life, calling and destiny that night.

Hallelujah!!

TESTIMONY

[10/03, 19:02] Brother Rodrick: Amen the fast was not a waste of time but a time of lifting and great deliverance

[10/03, 19:02] Brother Rodrick: *My testimony*

During the fast i had an encounter with Jesus as the Lion of Judah. In the ten days the Lord would not let me sleep after the prayers or i would sleep for a few hours or an hour then He would wake me up for fellowship through the word or meditation. On this particular night i was in bed and i began to trace my life from where the Lord took me from worldly things that i will not mention for the sake of time. As i was taking my time going through how the Lord did calculated steps to draw me out of that lifestyle and i was saying to myself that Lord you are so caring and you know how to love us beyond what we expect.

I was just in the mood of remorse and gratefulness at the same time because i was seeing the road i was in physically and still He cared, little did i know He was on His way to show me how he actually rescued me spiritually.

I then fell into a trance and He then revealed to me how spiritually i was being consumed by darkness in my previous life and was going down in a steep deep darkness with no return(i can describe it as a gateway to hell) As i fell into that deep my spirit was saying, i am done but however if the Lord wills its fine and i was giving up my spirit but i looked up and saw the Lion of Judah and said, "Lion of Judah the Great Shepherd."

Saints He came in His full strength to rescue me and picked me by my collar as a lion carries its cub in the mouth and He had not regard of the hurt and destruction that surrounded that environment(if you have ever listened to the song reckless love, that is exactly what happened that moment).

He took me in his arms and began to speak to me of His love and my destiny in Him i will not speak of now. He then gave me an instruction that i will tell people of His love(i am now forever a messenger of His love). To hug the Lion of Judah was the most peaceful and renewing encounter i have ever had in my life.

[10/03, 23:05] +254 738 844****: *Greetings Everyone,*

My Experience,

On Tuesday, a lady friend, married to a pastor reached out to me and confessed ho canw she was having feelings for another Man, her husband Loves her deeply (however she felt a gap in receiving attention from him, precisely Women glow in this 700, the husband seemed busier and wasn't spending much time with her), at the time of confession she was feeling guilty, she was asking me to pray for her to get over it, I also encouraged her from God's word and what she needed to do, and I assured her I will pray with her which I genuinely did. She was also to speak with the husband about her feelings(the minimal attention) the same day, which she did, the following day she shared how it was easy, and the husband took it positively and agreed to make adjustments in his schedules... At the same time I felt instructed to tell her that she also needed to confess to the husband she had feelings for another Man,, a nudge in me said it wasn't time to tell her that, instead I decided to pray for her on the same, Now today she reached out again sharing that she has

disconnected conversations with the Man but now she felt she needed to confess to her husband, (Wow, I was like; God, you've done it), exactly what she needed to do. I quickly told her to proceed, the Lord has already done it for her.

(I couldn't understand this, since am not yet married myself, But God... He can't be limited), as I was thinking through it, I heard the word shifting.... Truly a shifting is Happening brethren, Pay attention, Please pay attention. As Apostle shared, We shouldn't limit God on what he can do through us if we stay obedient. He wants to do great things in our lives (this was clear from this angle).

On the same day, (Tuesday) still a long time colleague, we hadn't spoke for sometime, reached out when we were almost having the joint prayers, he shared that I should really say prayers for Him and his family(that really sounded urgent), I promised to do that which I did.. the following day (Wednesday morning) he wrote to me and he appreciated for the prayers, that he was now at peace 🙌 Again God did it..... Just to mention a few.

God truly released much grace in that 10days, we haven't yet seen it, Time will tell. Apostle AA, You're Blessed for Life, Thank you for your obedience. More Grace to you!

TESTIMONY

[09/26, 03:28] Brother Rodrick: I have just had a face to face and the Lord wants me to tell you(people) of His love. Thank you Apostle for setting us up for encounters through your diligent work led by the Holy Spirit.

TESTIMONY

[10/03, 22:22] Pastor Petros: Glory to the name of Jesus Christ.

I do not what I going to say here is a testimony or a word of thanksgiving. Today as usual as what I do every saturday I went out for my door to door exercise and when I first saw my neighbour I approached him. The man had a bottle of beer in his hand. When I spoke to him about my purpose he all of a sudden became very very angry and furious. He started to make allegations that I was out to get his wife and he said I will kill you. At that point he showed me his gun and said to me that he would not hesitate the community to call the police because he would have done something terrible.

But somehow at that point I felt a strong urge of love for the man. His threats did not bother me neither was I afraid of his weapon. But for the sake of peace I left him and went about my business. Later I met a group of young boys playing soccer. I spoke to them about church and I handed out flyers to them. I continued to do my work then I returned home.

Only to find the guy who had threatened me at my place saying to me that he was waiting for my landlord so that he tells him of my misbehaviour. Then that strong urge again rose up in my spirit to talk to him about Christ. (I have never felt such love for another man calling him to salvation).. But when I mentioned Christ again to him he breathed fire and was like wanting to fight. Then I felt that I should just let him be. Few moments later a small boy comes to him. It is his son. The boy asks his father to help him read a small piece of paper. Some how I am caught up in their conversation only to hear that the father is now reading my church flyer to his son... The rest I could not fully understand because of language barrier...

TESTIMONY

[10/05, 11:29] +27 73 723 ****: Just wanted to share with you family what I experienced yesterday during church service.

Yesterday I saw the feet of the Lord Jesus Christ. He said to me, remain at my feet and He asked me to give my life to him. And I said Lord take my life it's yours to have and do as you please. He kept asking me to give my life to him and I said Lord my Life is yours. And he said kneel down before me at remain at my feet. Which I did. I saw my head literally on his feet, while He was sitting on His throne.

TESTIMONY

[10/13, 7:07 PM] +27 76 103 ****: Greetings Apostle, I would like to thank God for His Greatness in my family. My daughter who is been in out of hospital, I told her about the 10 days fasting, she joined, and finished all the days. She uses to complain on when is she going to have a job. Some one she knows, called her to partner with her on this catering company, they have now registered the company, and they both take 50/50 in the business. She also started the business of selling chips and Russians.

[10/13, 7:12 PM] +27 76 103 ***: During fasting, she started developing this thing of, when she sees eggs on the box, maybe she wants to take them and fry them she would get a scary feeling, feel coldness in her whole body, and she said when it is like that, she feels like screaming loud, even vegetables, cut and become many, same thing happens, I prayed for her, and I told her whenever this feeling start, she must declare the blood of Jesus, she must refuse to be tormented in that way, daily until it does not happen anymore. We kept on praying for together as a family. She is fine now.

[10/13, 7:18 PM] +27 76 103 ****: I thank God now she supports the ministry at our home she will be the one waking up early to clean the church, tidy things up, she even sings together with at time of Praise and Worship. She reads the Word, I would see her go to the Place of Worship, where we hold our services, close the door during the day, and pray. This can only be God. I really Bless the Lord and for all that He has placed upon you and This Ministry of Apostolic Wonders.

[10/13, 7:33 PM] Aanuoluwapo Alebiosu: Glory to God!! Yes, it must really be God doing those things

[10/13, 7:34 PM] Aanuoluwapo Alebiosu: I'm happy to hear of His graciousness toward your family.
