Thank you Father for committing your power to helping us. Lord, I am asking as we have come together to pray and seek your presence, oh God breathe upon us from your throne, visit us, touch us and work wonders in our favour and let your name alone be glorified. Have your way in this meeting and take control, thank you Father because I know you have answered, blessed be your Holy Name in Jesus' name we have prayed, Amen.

PRAISE AND WORSHIP

Ancient of days we worship you, mighty healer, mighty saviour, mighty deliverer we worship you Father. We praise you, you are higher than the heavens, you are higher than the earth. You are greater than all, stronger than all, mightier than all, there is none like you Father, blessed be your Holy Name. You determine the end from the beginning, you control times and seasons, thank you Jesus. You are our redeemer, our provider, our comforter, we worship you Lord. You are our teacher, the revealer of secrets. You are our strength, the strength by which we are victorious in battles. Thank you Father, we worship you in Jesus' mighty name, Amen.

PRAYER POINTS

⇒ Father, thank you for your love and faithfulness, thank you for your commitment to my life, your commitment for my life. Thank you for making it your duty to take care of me. Thank you for not making it your responsibility to take care of me, to help me, to save and to deliver me. Thank you for putting it upon yourself carrying my burdens, putting my needs on yourself. Thank you for bearing my burdens, thank you for taking care of me. Thank you for your faithfulness in my life, thank you Jesus.

⇒ Every believer can prophesy. You do not have to be a prophet to prophesy.

Prophecy is not only revealing the mind of God but it also has to do with proclaiming the mind of God, speaking for the mind of God. When you already know the mind of God you now speak it, that is also prophecy. It's not only when the mind of God is revealed to you but after you have known the mind of God you pronounce it, you say it, you decree and declare it, that is prophesying.

• Raise up your right hand and prophesy. In the name of Jesus, I prophesy your glory over my life, career, marriage and destiny. I speak forth the manifestation of a new glory, a new grace, the manifestation of a new dawn over my career, calling, destiny. I prophesy a new glory, I prophesy a new dawn, a new Grace. I prophesy a new beginning over my career, calling, life, marriage, and over my destiny. I prophesy

higher levels in the name of Jesus. I prophesy manifestation of healing in my life, I prophesy healing miracles upon my life, I prophesy deliverance miracles upon my life. I prophesy financial miracles, financial prosperity upon my life. I prophesy a great revival upon my spirit, soul and body. I prophesy manifestations of victories, I prophesy new relationships that will lead me into greatness upon my life and destiny, thank you Father.

⇒ Raise up your right hand. In the name of Jesus, I prophesy the end and cancellation of every operation of demonic spirits in my life. I prophesy the end of the manifestation of sickness and diseases in my life. I prophesy the end of poverty, the end of failure, the end of the receiving and losing blessings at the same time. I prophesy the end of every operation of witchcraft, every affliction of witchcraft, every bondage of witchcraft, I prophesy their end now. I speak forth, let them end in the name of Jesus. (Look at the things the devil is doing in your life and speak their end.) Marital failure your end is now, spiritual weakness your end is now. Laziness and sluggishness your end is now in the name of Jesus, addiction to sin, I declare your end is now. Slavery to darkness, I decree your end is now in the name of Jesus. Barrenness your end is now, spiritual retardation, lack of spiritual growth your end is now. Every generational curse I prophesy your end has come now in the name of Jesus, every ancestral covenant of darkness, I prophesy your end is now in the name of Jesus. Every affliction and torment from marine spirits, I prophesy your end is now in the name of Jesus.

⇒ Raise up your right hand. In the name of Jesus, I prophesy that my future is glorious, it is bright. I prophesy that I shall live long, I shall not die. I prophesy I shall fulfill my calling and destiny. In the name of Jesus, I prophesy that I shall not be barren; all the children I must give birth to shall be born. I prophesy that my business shall flourish in the name of Jesus. I prophesy that every project God has called me in this world to establish and to do for Him, shall all be done in the name of Jesus. I prophesy that I shall not fail God, I prophesy that I shall not serve Satan. I prophesy that on my journey with Christ, I shall not fall in the name of Jesus.

⇒ God wants to reveal blessings that you already have in your life and these blessings can be visible or invisible, spiritual or physical. Some of you are blessed but you do not know what you're looking for, it is right there where you are, inside of you, right in your hands but you can't even see it. You can be blessed and not know that you are blessed.

• Father, reveal your blessings in my life, command your blessings in my life to manifest to me, to manifest before my eyes. Lord reveal the blessings you have placed in my life, reveal what I have that I don't even know I have, what you have given to me but I don't even know I have. Lord, please reveal your blessings in my life, my environment and situations. The devil has blindfolded me, I don't even know that I am blessed and I am crying for something that I already have, Lord, I don't want to be ignorant, open my eyes to discover your blessings that are already

present in my life. Lord reveal the blessings you have already placed in my life by your spirit.

⇒ Do you know that the greatest darkness that has ever afflicted humanity is the flesh. The sinful nature is the greatest darkness attacking, oppressing and enslaving humanity. The greatest darkness is not Satan or demons, powers or principalities but it is our sinful nature. Because of this darkness, we don't know what God is doing in our lives, we don't know when He's answering our prayers because we are in darkness, that is why you think God is not answering prayers. When you are under darkness you only desire your own will to come to pass, you don't care about God's will. When you are in darkness you will not know God or discover Him or even know the miracles He has done. God is doing a lot of things, connecting you with people, doing miracles but you can't see it because you are in the flesh and you always want to see it physically first. Christianity is not science 'until I see it then I believe it', but it is seeing it in the spirit before seeing it physically

• Father, deliver me from the darkness of myself so that I can see your operations and what you're doing in my life. Lord deliver me from the darkness of the flesh and the darkness of my own selfishness that I may discover what you are doing in my life. Lord, deliver me from every self-inflicted darkness, darkness I brought upon my life, deliver me Father. I want to see your glory, I want to see your move and your operations in my life.

⇒ There's nothing in this world that is as true as the Bible. You should forget about science though it has some facts but the truth of the Word of God is greater than the truth of science, that is why there are many problems that science cannot solve but the Word of God solves them all. Why should you forsake the truth of the Word of God and believe lies? We need to stop believing lies. Your miracles and blessings are in the truth of the Word of God not in science.

• Father, deliver me from the lies I have believed, whether I saw it on the internet, on TV shows, movies or in the newspapers that are limiting my progress and destiny. Deliver me from every lie I have believed that is limiting my manifestation in destiny, Lord deliver me. Every lie I have believed that has caged my life for many years, Lord I am ready to stop believing them, deliver me now. Every lie I have been taught on the internet, every lie my body has taught me, every lie that people have said and I believed, oh God, I refute and renounce them or God deliver me, I want to live by the truth, I want to live for the truth, I want to stand on the truth. Deliver me oh God, I want to be controlled by the truth, I want to be filled by the truth of your Word, deliver me now.

⇒ When you believe the truth, that is when faith comes in because the Bible says faith cometh by hearing and hearing by the Word of God. Faith comes by hearing the truth, when people speak the Word of truth and explain to you that is when faith is formed in your heart. These end times are a time of faith; it is a time when we must be strong in faith. It is so important for you to be strong in faith because your faith will

work and produce results. Believe the Words and the promises of God without a single doubt and not doubt, believing and see if it will not produce results. Countless angels have been released to help us but if you do not have faith they will not help us because God has seen we need divine intervention in these times.

•Father, strengthen my faith in the truth in your Word so that I can see the manifestation of your faithfulness, that I can see your faithfulness in actions, that I can see your angels in action, that I can see your mighty hand working miracles. Lord deliver me from doubt, fear, unbelief, deliver me from lies, strengthen my faith in the truth. Strengthened my faith because I want to see results in Jesus' name.

⇒The Lord is saying you should stop believing what you feel in your body but believe in His Word. For example, some people may feel the urge to sing and will already conclude that they are going to fall into sin again, but it is not true, it is a lie because you have power to overcome it. Maybe you are trusting God to heal you and you're feeling the symptoms of that disease and then you start thinking you're going to die which is not true. The Lord is saying believe in my truth, my Word, look away from those things or situations, do not give them attention or give attention to what you're feeling in your body.

•Place your right hand on your head. Father, help me to set my heart and mind on the truth and not on my physical environment. Help me to focus my heart and mind on the truth and not on my feelings, emotions, symptoms or signs in my body. Lord help me to set my heart and mind on heaven, on your throne, on the Word of God and on your truth. God help me not to be distracted by what the devil is doing around me but help me to remain focused and strong, in faith; help me not to be distracted by the enemy, help me Father.

⇒The Holy Spirit is showing me that we have to pray for brain problems. This does not mean that you have been diagnosed or you have a neurological problem. There are many people whose brains are seriously under attack and they cannot think properly. If you cannot think in a healthy, good way and you cannot get rid of negative thoughts, or think in a peaceful way, that is an attack.

•Place your right hand on your head. In the name of Jesus, I connect my head, brain, and mind with the anointing of the Holy Ghost, let every oppression and affliction of darkness disappear right now. I connect my brain with the fire of the Holy Ghost, I connect my mind with the anointing of the Holy Ghost, every attack of the devil, every operation of Satan, every affliction of Satan, be destroyed now in the name of Jesus. Every mind control system of darkness, catch fire in the name of Jesus. I connect my head, brain, and mind with the anointing of the Holy Ghost, I receive deliverance right now from every oppression and affliction of Satan in the name of Jesus.

⇒Raise up your right hand. In the name of Jesus, let fire fall upon every activity of evil spirits in my environment to make life difficult for me, to make peace with missing in my life, to take away joy and comfort from my life, let fire fall and roast them, let

fire fall and consume them. In the name of Jesus, fire of the Holy Ghost roast and consume activities of the devil, activities of witchcraft, activities of agents of Satan, activities of marine spirits to take away my joy, peace and comfort, let the fire of the Holy Ghost consume them now. Every activity of demons going on in my environment to frustrate my life, catch fire in the name of Jesus. ***As you are praying, it is happening now in the name of Jesus.**

⇒ It is not enough to fight and win alone, but it is very important to sustain victory and dominion over the enemy. It is very important to keep the devil where he belongs for years. Christianity is being able to stay in the realm of victory for years not just for a while or to be rising and falling, that is not Christianity. Heaven has to do a lot with victory.

• Place your right hand on your belly. Spirit of the living God, strengthen me with fire to sustain victory and dominion over sin, Satan, sicknesses and disease, over the kingdoms of darkness forever. Spirit of the living God, strengthen my spirit with fire, strengthen my soul with fire, strengthen my body with fire to remain victorious in the battles of life, strengthen me with fire that cannot be defeated in any battles of life. Lord strengthen me to be able to sustain victory over powers and principalities, sickness and diseases, witchcraft, witches and wizards, strengthen me with fire, spirit of the living God against sin. ***Receive fire right now in the name of Jesus, receive fire now to remain victorious forever in Jesus' name.**

⇒ The Lord is showing me that some of you are getting attacked in a way that leaves you confused about life, confused about God, the will of God, your calling and your destiny but God will deliver you.

• Raise up your right hand. Fire of the Holy Ghost, arrest and destroy every darkness attacking me to confuse my journey with God, to confuse my journey in my marriage, my journey in my career and calling, fire of the Holy Ghost arrest and destroy them now in the name of Jesus. Fire of the Holy Ghost, arrest and destroy every darkness attacking me to confuse my journey in life and destiny, to confuse my journey in marriage and calling, career and my profession. Fire of the Holy Ghost arrest and destroy such darkness now in the name of Jesus.

⇒ Prayer for someone with a breathing problem. I take authority over whatever is going on in your body making it difficult for you to breathe properly. I command such things to cease right now in the name of Jesus, begin to breathe properly now in Jesus' name.

⇒ Father, help me to live in your presence continually, help me to live and walk in the Spirit continually all the days of my life. Father help me, release upon me the anointing that will help me to keep myself in your presence continually, power to walk in the Spirit, in the power and the Grace, to live in the Spirit, Lord give it to me so that I will not be able to fulfill the lust of the flesh. Give me the grace and the power to live in the Spirit, rest in power that I will not be able to fulfill the demands and desires of

my flesh, Lord give me that anointing, that power because I want to live in your presence continually in the name of Jesus, help me Father.

⇒Stand on your feet and walk around if possible. Oh God of heaven and earth, let your glory touch the earth and let your will for my life prevail with speed. Oh God of heaven and the earth, let your will for my life and destiny prevail with speed, let your glory touch the earth, let your glory fall and bring your will to pass in my life. Let your glory touch the earth and let your will for my life manifest with speed in the name of Jesus.

⇒The glory of God can be likened to a very thick cloud heavy with rain. The end time glory of God is about to rain heavily upon the nations. The rain of power, glory, revival that has never been seen before in all history.

•Still standing. Father let your glory fall upon my life and let your revival begin with me, let your end time revival begin with my life and family. Let the glory of heaven fall upon me in these last days, let revival begin with my life. The global explosion of the power of God, let it begin with my household, my family and my life. Lord, I am ready, let your glory visit me, touch me, descend on me and let revival begin with me. Let a global awakening start with me, let that fire start with me, let it start with my family, let it start with my spouse and my children in Jesus' name.

⇒Luke 10:19, you have been given power to trample on serpents and scorpions and upon the powers of the enemy. As you are trampling upon them, they will not be able to hurt you.

•Still standing, walking prophetically saying. I receive power to tread upon serpents and scorpions, I receive power and I am treading upon serpents and scorpions, I am treading upon powers of darkness. I receive power and I am prevailing right now. I receive power and I am victorious right now over powers of darkness, principalities of darkness, sicknesses and disease, sin, I am ruling over them. I am ruling over marine spirits, I am ruling over them, I am crushing them, I am killing them, I am destroying them because I have received power. I tread upon witchcraft and I defeat them. I tread upon witches and wizards and I defeat them because Jesus is my power.

⇒Still standing, raise up your right hand. In the name of Jesus, I invoke the blood of Jesus upon every curse of darkness that has caged my life, that has limited my life and destiny for years, let those curses be broken in pieces right now. I involve the blood of Jesus over every curse from my parents, grandparents ancestors or from demons or agents of Satan, every curse from my bloodline, every curse upon my country, curse from my hometown, every curse of darkness limiting the manifestation of my destiny, every curse upon the environment I am living in, let the blood of Jesus destroy them. ***Upon the country you're living in, I decree the blood of Jesus to locate those curses and destroy them forever in the name of Jesus. Because of you the curse upon the land you're living in, is destroyed now in the name of Jesus.**

⇒Do you know that it is possible for you to reason with another mind which is not your mind. This is a high-level of demonic possession whereby you are living another person's life not your own life. They remove your mind and put another mind in you and everything you think or do is not you anymore, but somebody else and it will be difficult for you to be you because of that high-level attack from the dark kingdom.

•Still standing, raise up your right hand. Father let your fire destroy every demonic manipulation that is enforcing another mind upon my mind, to make me live another life different from the life you want me to live. In the name of Jesus, I invoke fire from heaven upon every work of the devil enforcing demonic mind upon me, forcing me to live another life that God has not given to me. Every demon, principality enforcing another mind upon me to give me a life that is not my life, let fire consume them now in the name of Jesus. Every operation of darkness going on in the atmosphere to give me another mind that is not the mind of God, let the fire of the Holy Ghost consume them now in the name of Jesus. ***I decree that every connection, every portal of darkness that is enforcing another mind upon your life, enforcing satanic mind and demonic minds to prevail over you, I decree such portals and connections to catch fire now in the name of Jesus.**

⇒Still standing. Father put upon my life the anointing for prosperity, anointing for riches, wealth and greatness. Anointing for great increase in my career, great success in my profession, Lord put upon me such an anointing, for financial prosperity, career prosperity, let such an anointing rest on me. Anointing to discover what would make me excel in life, let it come upon me, anointing to excel in the field of my career, skill and profession, let it come upon me. Anointing to become wiser than my teachers, let it come upon me. Anointing to be a solution to the problems of the world, such that I begin to generate wealth and riches by solving the problems of the earth, let such an anointing fall upon me right now in the name of Jesus.

⇒Still standing. Raise up your right hand. Father put upon me the grace and anointing to speak and it comes to pass, put upon me the authority to speak and it happens, to command and it happens. Father, the anointing to make your will happen on earth physically, Lord put upon me such an anointing. Put upon me such power, such authority, grace and Spirit to speak words of creation. Put upon the words of Spirit that speak and it comes to pass, that I speak and it happens, Lord put upon me such an anointing.

If you want to sit down or kneel, you can or continue standing.

PSALMS 24:4

⇒Vanity has to do with everything in this world. It means, meaningless, something that has no future, something that is dead while it's living. Those who will ascend to

the hill of the Lord are those who are not worldly, whose hearts are not after the things of this world, those who are not looking for what unbelievers are looking for, those not passionate to gain the world but are passionate to gain the Kingdom of God. Maybe the reason why God has not begun to bless you is because your heart is after the things of this world because He knows all He will give you, you will spend it or waste it on the vanity and not use it to glorify Him.

•Father, every desire for vanity in my heart, let it die right now, Father kill those desires right now in the name of Jesus. Lord, every desire for worldly things, materialism, desire to gain the world, desire to be famous, desire to be better than others, Lord kill those desires in my heart and deliver me. Let my desires be for your Kingdom, let my desires be to gain Christ, to gain heaven, let that be my desire. Take away my desires for the things of this world, take them all away in Jesus' name.

⇒Some people think that the church is poor but the church that heaven identifies with is not poor. In the spiritual reality, the body of Christ is too wealthy, the kingdom of God is too rich but God will not give a waster His riches and wealth, not give to someone who will waste His riches on vanities so He will decide to keep them. The devil can give that person but God cannot give to a person who wastes on vanities. Vanities are things that will give God no profit, things that men get involved in just to satisfy themselves, their lustful desires, to enjoy pride in the things of this world, things that perish. You can use your money to save lives because some people if you don't serve their lives now, will die and go to hell, but if you can feed them before they die, they won't have an encounter with Jesus. Let your resources make Jesus famous, otherwise He will be limited to bless you as much as He should. Some people cannot do anything for God unless you promise them money, or come to church if there's no free food, that is idolatry, vanity of vanities.

•Father, deliver my soul from vanities so that I can walk with you. Lord deliver my soul from vanity so that I can enjoy your presence, so that I can enjoy the riches and wealth of the Kingdom.

⇒Vanities are things that cannot continue forever, there are things which will perish. Beauty is vanity, the only beauty that cannot perish is the beauty in the glory of God. If your heart is after artificial beauty, that is vanity, because they are not real and that's not you, you look differently from the way God created you naturally. Those people after artificial beauty cannot work with God as God would want to work with them; they will be limited in their walk with God. To be in the Kingdom of God means you lose things that are not found in the Kingdom of God, things in your life that are not found in the Kingdom of God, you let all of them go. The best beauty is the beauty that God gives you, not the one you seek for yourself.

•Father, remove my passion from seeking beauty that is not real. Lord take my heart away from every form of beauty that is not real. I want the beauty that comes from you, the beauty that only you give us, the divine beauty. The beauty of your glory that is what I want, not man-made beauty.

⇒Vanity is everything in this world, clothes we are wearing, phones we are using, houses we built, money in the bank account. It is vanity because it will all perish, it cannot last forever that is why God does not want us to put our mind in those things, He doesn't want us to fill our minds with those things because it would mean that we want to perish with those things as they perish. Bible says all things in this world shall pass away, only the people who do the will of God will live forever, 1 John 2:15-17. You must not be bound by physical possessions, if you are labouring let it be you are labouring for God not for physical things. Many Christians are falling into sin because we are after vanity and the devil is using those things to control us, to bring us down.

•Father, deliver my soul from seeking vanities, from the activities of vanity, from the captivity of the things of this world and let my heart be after your Kingdom not after the things of this world. Lord let my heart from today seek after the things of heaven not the things of this world. Let me not put my heart on the blessings you have given me and let me not fill my heart with those things but help me to fill my heart with you and the Word. Help me to focus my heart on you and the Kingdom, help me Father, deliver my soul from vanity. Help me not to perish with this world, for this world has no future, it shall be melted with fire. Lord I don't want to perish, therefore Lord, help me to put my heart away from the things of this world, help me to set my heart on you forever.

⇒The reason why the devil can control the joy of many Christians is because they have put their lives on the things they have. If God gave you marriage, He didn't give you marriage so that you put your heart in it and turn the marriage into an idol. Same with children. The life of a man should not be in anything in this world but in God. You are not to serve or be controlled by anything because now the devil is able to control many of us because we have put our lives into those physical things.

•Father, help me to set my heart on heaven and the things of heaven all the days of my life irrespective of the things you give to me. Let me set my heart on heaven continually all the days of my life, help me Father. I do not want the devil to be able to control my life, help me Father to set my heart on things in heaven.

⇒Worldly pleasures are vanities. Wanting to enjoy the world and because of the things you are doing presently they are affecting your spiritual growth. Some can watch movies and videos for long hours in a day. It may not look like it's not sin but it will drain your spiritual energy. Some like to talk too much, and gossip but if your talking is not on spiritual things, it will drain and weaken your spirit and you will start going down spiritually. What do you derive pleasure from that has no benefit to your spiritual life? Whatever it is, it is vanity.

•Father, deliver me from every worldly pleasure that is killing my spirit, soul and body, that is killing my spiritual life. Deliver me, deliver my spirit, deliver my soul, deliver my body from the captivity of worldly pleasures in the name of Jesus. Deliver my spirit, soul and body from the captivity of eating too much, talking too much, sleeping too much, partying too much, watching too much TV and movies and all manner of

worldly things. Deliver me from all manner of sin, deliver me Father in Jesus' name.

***In Jesus name you are free.**

⇒Vanity also involves ungodly company. When you mingle with people that have no Kingdom values, people with no mind of God, people who cannot glorify God that do not value spiritual things. When you make these kinds of people your friends, it's vanity and it will affect your relationship with God. People like Esau who do not care anything about God or spiritual things.

•Father remove me from every ungodly, unrighteous, unholy company and friendship, remove me from their midst and set me apart unto yourself. Lord remove me from the midst of ungodly, unholy friends, set me apart unto yourself. Take me away from people that profane you, people that profane spiritual things, people that does not value the things of God, Lord separate me from those people because I am ready to walk away from them, thank you Father, in Jesus' mighty name, Amen.

CLOSING PRAYER

Raise up your hand.

Oh God of heaven and the earth, you are the King of glory, the Lord of hosts. You are omnipotent, omniscient and omnipresent. You are everywhere even where I am, you are right there with your people in different places of the world. Lord, I say be glorified, be magnified forever in Jesus' name.

Father, I stand as your servant to proclaim your blessings and to prophesy your blessings over everyone connected to this prayer. I therefore speak over your life that you are blessed in the name of Jesus. Because you believe in the power of God and you have applied your faith in the truth of God's Word, on the truth of God's promises, therefore I speak that the blessings of God begin to manifest and fall in your life right now in the name of Jesus. I command the manifestation and formation of God's blessings in your life right now in the name of Jesus. Those blessings that are already with you that you didn't know, I command those blessings to arise, manifest and fall in your life right now in the name of Jesus. Even the blessings you are yet to receive from heaven, receive them now in Jesus' name.

Every connection you have with the covenant of darkness, I decree that such connections break right now in the name of Jesus. Every covenant you knew nothing about but you glued to, you became captured by them, you grew to become enslaved by them. I decree that the fire of God release you from those captivities right now in the name of Jesus.

God has formed you for a great purpose and great assignment on earth, therefore I decree your release to fulfill your calling now in the name of Jesus. I decree that you are released to fulfill God's calling upon your life in the name of Jesus.

I decree an end to every witchcraft curses, spells, enchantments, divinations and sorcery that has been working and engineering evil in your life. I decree an end upon them all right now in Jesus' name.

Every sickness that has refused to leave you, because of the anointing of the Lord of hosts in this meeting, let that sickness disappear now in the name of Jesus. You shall look for it and you shall find it no more and so shall it be in the name of Jesus. Thank you Father because we know you have answered these prayers in Jesus' mighty name. It is done, Amen.

The Lord has blessed you and has released your blessings to manifestation, remain victorious in Jesus' name, Amen.

THANKSGIVING PRAYER

Father, we thank you for your faithfulness, thank you for your love, your kindness, and thank you for your presence in our lives. We thank you for how you have been helping us, thank you for the victories you have given to us on every side. Thank you for turning our lives around to reveal your greatness, thank you faithful Lord. We thank you for how you have turned our negativity into positivity, thank you for turning our darkness into light. Thank you Lord for making all things work together for our good and for frustrating the agenda of the enemy that was against us. Thank you Lord for making ways for us where it seemed there was no way. Thank you for replacing our weakness with your strength, thank you for your anointing upon us that is making good things easy to achieve in our lives, oh God be glorified, be highly exalted forever in Jesus' name.

Lord, thank you for the blessings we have been receiving from you, even the ones we received through the last prayer sessions, thank you because you have made these blessings permanent in our lives. Thank you for divine favour, divine prosperity, thank you for open doors you have opened in our lives, be glorified forever in Jesus' name.

Lord, your people have come to you once again, to pray, to make their request known unto you and to seek for your intervention, Lord I ask that you meet everyone

at the point of their needs in this prayer session. I ask oh God that you turn our lives around for good, that you would give us victories and graces, anointing to excel at such a time as this. Thank you Father for you shall do beyond our expectations, thank you Father, in Jesus' mighty name we have prayed, Amen.

PRAISE AND WORSHIP

Father, we worship you, King of glory we worship you, indeed you have been so faithful, you have been so kind, loving and good to us. You have been taking care of us, fighting our battles and you have been fulfilling your promises and prophecies. You have been changing our lives, helping us on every side, you have been reviving us and transforming us into the persons you want us to be. You shall henceforth begin to hate that attitude and habit that God does not like in your life, so shall it be in the name of Jesus.

Receive angelic intervention for the performance of this increase now in the name of Jesus.**

⇒ Father, make my spirit too strong and too hot for demonic dreams to penetrate into my life. Father, make my spirit too hot for demons to come in the form of dreams, make my spirit too strong and hot to welcome demonic dreams. Lord from tonight make my spirit too hot and too strong to receive demonic dreams. ***By the reason of the hand of God upon your life, your spirit man shall henceforth become too strong and too hot for demonic dreams to come in, in the name of Jesus.**

⇒ Father do a new thing in my life that would call for unusual celebration, that would glorify your name. Let me be celebrated so that you will be glorified, let me be honoured for your sake. ***As you have said those words and so shall it be in Jesus' name.**

⇒ Oh God of Israel, let your will prevail in my life, let all the will of the enemy that has been prevailing cease and let only your will prevail in my life. Lord let your will prevail in my life with power and terminate the will of the enemy in my life. Let your will prevail in my life with power and end the agenda of the dark kingdom in my life, calling and destiny. As your will is prevailing, let it end the will and agenda of the enemy that has been prevailing in my life up to now. Lord let your will for my present time, for my life in this year, your will for my life in this month, prevail with power. Your will for my life this month, this year and this week, let it prevail with power irrespective of what is happening in the economy of my country, irrespective of whatever pandemic is going on, let your will prevail in my life with power in the name of Jesus.

Every sickness hiding in my spirit, mind, body, brain waiting for the right time to show up, I command you to come out right now, my body is the temple of the living God, my body is not a house for sickness and diseases, for there is no sickness in heaven, therefore every sickness, disease and organism hiding in my body to show up later in life, come out in the name of Jesus. ***You are released from such diseases in Jesus name.**

PSALM 24:4

⇒ To lift up your soul to vanity is to exalt something in your life above God. Anything you have exalted in your life above God, whether it's yourself, money, your job, your spouse, children, whatever you exalt above God is an idol.

•In the name of Jesus, I decree that whatsoever in my life that is contending with the position of God in my life, let such things fall under God, let it come in subjection to the Lord, let such thing bow before God, let such thing exalt the Lord. Anything whatsoever that is taking the place of God in my life, I dethrone you now, fall under the feet of God right now in the name of Jesus.

⇒ The reason why people that are bound to idols cannot ascend to the hill of the Lord is because God is a jealous God, He will not share His place with anyone or anything. God wants to have His way, so if another thing wants to complete with His way, He will just leave you to that thing. If there's something in your life that God is demanding you drop or stop the covenant of slavery with that thing and you don't want to drop it because you love it too much, God will leave you because He does not struggle with man.

•Lord Jesus, I surrender my life to you once again, take away everything that is limiting my closeness to you, that is limiting my deep intimacy with you. Lord, you know that I love you and I want to serve you, take away everything in my life that is standing in the way of knowing you closely, everything standing in the way of getting so deep in fellowship with you, take away everything that I have bound myself with that is affecting my spiritual growth. Lord take it away from my life, I surrender all to you.

⇒ There's a kind of idolatry going on among Christians at this time that some may not consider to be idolatry. There are some people Christians because God has not done the things they asked Him to do at that particular time they wanted, they feel like God does not want to do it or hasn't answered their prayers when they desperately wanted so they end up finding their own way, that is idolatry. It means you are rejecting the place or the position of God in your life. God gave a message of judgement against king Ahaziah who when he was sick decided to go and seek the god of Ekron if he was going to recover from the sickness he was having because he had lost hope and trust in God and ended up looking for help from other sources, (2 Kings 1:2-4). It is idolatry when you stop depending on God who is your Father and you start looking for help from another source, even if that help you look up to is a man.

•Father, help me not to lose faith, hope and trust in you, help me not to put my faith in anything or anyone except you, let there never be a time that I will stop believing in you. Lord, let that time never come that I will stop believing, hoping and trusting in you, help me to continually have faith in you, to trust you and continually hope in you irrespective of what I'm going through, whether I see a visible sign or not, whether my miracle is delayed or not. Lord, let there not be a time that I will stop trusting or depending on you, help me to stop looking for second options or other alternatives beside you, help me Father.

⇒ To lift up your soul to vanity means that you are disobedient. Most Christians have lived wasted lives because of disobedience, they keep postponing what God asked

them to do or asked them to stop doing. God's prophecies and promises are connected to obedience. You will only see the manifestation of your promises and prophecies when you obey God. When you disobey God, you are saying you don't want the will of God to manifest in your life. Is there anything that God is saying you should stop doing or He is saying change your business and maybe God is telling you to do something that is foolish and you are asking yourself why you would do something that doesn't make sense? That thing that doesn't make sense is what God will use to lift you up. Disobedience is also idolatry; it is vanity. Whatever you do in disobedience is liable to be wasted; for example, when you make a lot of money in disobedience, that money is likely to be wasted, you are vulnerable to lose it all because you did not listen to God.

•Father, help me to be perfect in obedience so that I can become the person you want me to be in life, so that I can get to where you want me to get to in life and destiny. Father, give me a heart that obeys whatever you say whether it makes sense or not, a heart that is so obedient to the instruction that comes from you so as to get to where you are taking me and not live a wasted life. Father, give me a heart that does not doubt what you say, a heart that is not rebellious, take away stiff nakedness and give me a humble and obedient heart. ***Every disobedience that has been programmed to stop you from becoming who God wants you to be, I decree that disobedience shall not get you. Every arrow of disobedience that has been fired into your life so that you don't get to walk where God is taking you to, I decree that the fire of God remove that arrow out of you right now in the name of Jesus.**

⇒To swear deceitfully is to claim what you are not, to live a hypocritical life and saying that you will do things that you will not do. Your yes is no and your no is yes, this kind of people cannot walk with God in deeper levels. If you lack integrity and your yes is not yes and your no is not no, God can't trust you with many things, you need integrity as a believer

•Father, I want to live a life of integrity. I want my yes to be yes and my no to be no, help me. Father I want to live a life of integrity, a life without guile, a life without deceit. I want to live a life that is pure and true, Lord help me in the name of Jesus. I don't want to live a fake life, I don't want to appear as something I'm not, I don't want to be a man pleaser, I refuse to do eye service, I want to live a life of integrity whether people are there or not, Lord help me.

⇒Most of us have been influenced by the culture in our environment and because the culture suggests you can live different lives; another life in the public and a different one in private, that is why so many of us in prayer are not sincere. What is in your mind does not agree with what you're saying, that is how our generation has become wicked, we are not sincere anymore, it's because we have been wrongly influenced by our society and culture.

•Raise up your right hand. Father, let every demonic influence that is preventing me from living a life of sincerity and integrity, let such demonic influence break now in the name of Jesus. Father let your fire destroy every influence of darkness causing

me to live a life that is different from the life you want me to live. Oh God of Israel, let your mighty hand crush those demonic influence from my family, where I grew up, the environment I grew up in, every influence from my society, from my community, every demonic influence that comes through the internet to stop me from living the life you want me to live; a life of integrity and sincerity, let that spirit die right now in the name of Jesus. Every influence that is making the words of my mouth contradict the state of my heart, making me say things that I do not mean, making me do things that I do not agree with, Lord let that influence die right now in the name of Jesus.

⇒To swear deceitfully means you're not living a real life. It means whatever you tell God, you don't do it, you repent with your mouth but still go back to your sins, you do not honour with your words, you are not committed to God and God cannot trust you. If you maintain a lifestyle of integrity it means God will deal with you the same way without living any stone unturned.

•Father, give me a heart full of zeal and passion to be true to my decisions, a heart that does everything that I have determined to do, a heart that does not go back to do something else. Lord give me such a heart that is determined to do everything I have decided to do for you. Lord give me a heart that is full of compassion to do the things that I have made up my mind to do for you and for righteousness sake. Give me a heart that is so determined, a heart that does not compromise with sin, a heart that does not go back from what it has said, from its promises. ***As you have said this prayer, receive the grace to remain true to your word, receive it now in the name of Jesus.**

VERSE 5

⇒If you are a man that is always in God's presence it means there are some prayers you do not have to pray anymore because in God's presence there are so many blessings. Some of these blessings will just come without you asking for them

•Father, let your presence begin to authorise overflowing blessings in my life because your Word says in your presence are blessings. Let your presence in my life begin to authorise overflowing of spiritual blessings and physical blessings from now onwards. Lord, by the reason of your presence in my life, let there be manifestations, overflowing of your blessings, let your presence in my life authorise my reception of the great blessings in my life from you.

⇒There are spiritual storehouses of God where God has kept blessings and it's not every believer who has access to this storehouse. There are people who have access to the store houses and it looks as if their lives are always flourishing and getting beautiful. It is because they have been granted access into the storehouse by God and because of that, we begin to see their lives changing for good and full of miracles.

•Father, give me the keys to have access to your store houses so that I can be blessed and also be a blessing to my generation. Lord give me keys to access spiritual store houses where you have packaged innumerable blessings. Give me the

keys to access the storehouses of spiritual blessings, riches and wealth, divine wisdom, knowledge, understanding; storehouses of divine revelations, power, angelic weapons, divine favour, honour, greatness, and fame. Lord the access to your storehouses that will make me blessed and make me a blessing, give me access to them.

⇒ Before you receive anything on earth, you must first of all have received it in the realm of the spirit or the realm of God. Before you prosper on earth, your prosperity would have received it first spiritually . Nothing happens that is not of the spirit including what the devil is doing. The devil and his agents are prospering on earth because they have prospered in the invisible spiritual dimension. No man can receive a thing if God has not given it to him. Whatever you are or you will become must be first released from the realm of the spirit.

•Father, command a release of all the blessings that are essential to the fulfillment of my calling and destiny. Lord, command the release of all that must be released in the realm of the spirit for me to fulfill my destiny in this earthly realm in the name of Jesus. Command the release of all that must be released from the spiritual realm for me to become who you want me to be on Earth for it is written no man can receive a thing except it is given him from above. Lord let my greatness be released from above, let my success healing, deliverance, victory be released, be released from above. Let my helpers be released from above. ***As you have said those words, it is done in Jesus' name.**

⇒ Being blessed means that everything that God created will honour you. You need to understand that there is a God code in everything that God created including the chair you're sitting on. It means that there is a divine software that binds everything together that is created, whether it's living or not including the devil.

•Father by the reason of your blessing upon my life, let everything you created begin to honour me, work in my favour from this hour henceforth. Because I am blessed, let everything that has the God code in them begin to work for my favour from this hour henceforth. ***As you have said those words, so shall it be in Jesus' name**

⇒ The Lord is telling me you have tried doing some things and they have failed in the past but He is saying if you try to do those things again they will succeed this time because of the season we are in now.

•Father, establish in my life a covenant of success and excellence such that everything I do from now will succeed. Establish oh Lord a covenant of prosperity and excellence in my hands a covenant of success, prosperity and excellence from now henceforth. Let all that I lay my hands on succeed in the name of Jesus. ***Thank you Jesus and so shall it be for you and me in the name of Jesus, Amen.**

Lord give me such a heart that can learn from you, a heart that can be taught by you. Lord, give me such a heart that can receive your truth as it is.

⇒ When we talk about the knowledge of God, it is something that you know of, not head knowledge but spiritual knowledge, that you know deep within you. Knowing God is beyond science, head knowledge, beyond the letters. Many Christians today do not know God, that is why we are deceived, tossed to and fro by so many doctrines and false teachers.

• Father, I want to know you beyond head knowledge, beyond the letters and beyond what people say of you. I want to know intimately, I want to know you by real experience. Lord visit me and reveal yourself to me, in an experiential way. Lord, I want to know you by my heart, by my spirit, I want to know you spirit to spirit, heart-to-heart, for you are a spirit, I want to know you by my spirit. Lord reveal yourself to me, speak to me in the name of Jesus.

⇒ We are living in a time where it's easy to be deceived even by some pastors or teachers. In these last days many of the people who are close to God are going to

mislead millions of people, so this is the time whereby we should know God for ourselves. Daniel 11:32, we are in the era of the antichrist where he will attack and kill many people. This is the time that only people who know God truly, not with the head or science knowledge but who know God by the spirit, by their hearts will survive. If you put your trust in your pastor, your pastor might fail or deceive you. This is not the time to be weak spiritually or for you to be cold spiritually.

•Father, I understand without a strong intimate relationship with you I cannot survive these last days, in your mercy draw me closer to you, help me to know you. Lord, I acknowledge that I cannot win the battles of these last days, without a strong connection with you, Lord please help me to know you. Lord draw me closer to yourself for I know I cannot make it without you, I cannot survive without you, I cannot win the battles without you. Lord I am ignorant of many things even of the times I'm living in, Lord please draw me closer to you, help me to know you closely in Jesus' name.

DANIEL 11:32

⇒When the Bible says the people that know God shall be strong it means there shall be many people who claim to know God whilst they don't know Him and God does not know them. It is beyond, 'I belong to the God of this church' but it is a personal relationship with God not on a collective level because many will even be serving other gods whilst you think you are serving the same God. This is the time to personalize your God because many shall be deceived and many people shall fall away from Christ at this time. You need the Spirit of God to bear witness with your spirit or else you can't begin a journey of knowing God personally.

•Father, reveal yourself to me in such a way that my spirit will confirm that I am your child. Manifest yourself in me so that my spirit confirms and testifies that I am a child of God. Lord, manifest yourself inside of me to the point where it is confirmed inside of me, to the point where my spirit testifies immediately that I am your child, Lord I want such an awakening. I want to be awakened to know you by my spirit not by my head. I want to know you by my spirit, I want to be able to rejoice that I am your child. Lord, manifest your presence in me to the point where my spirit confirms and testify that I am a son of God. ***I pray for you that the Grace that would make this intimacy with God possible, the Grace that would put you in a spiritual journey to know God, receive that Grace now in the name of Jesus.**

⇒ One of the things that blocks or prevents us from knowing God is wrong ideologies or mindsets. Our heads are full of junk, we have believed so many things, embraced and agreed with so many lies that are blocking us from knowing God. It is impossible to know God through your human senses though you can receive Him through your human senses, it is impossible to know a spiritual being through carnal knowledge.

•Place your right hand on your head. Father, every junk of human philosophy, ideologies and lies that I have believed and embraced, let your fire empty them from my head. Lord, every lie of this world, every philosophy, science that I have believed,

remove them from my head, empty them from my head. Every enemy of your knowledge; the science and technology I have believed, every lie I have believed, deception I've believed, whatever I have put in this head that is attacking my knowledge of you that is attacking your knowledge in my life, Lord empty them by fire in the name of Jesus.

⇒ There's a connection between knowing God and becoming strong, between the knowledge of God and your spiritual strength. If you're not close to God and you don't know Him by your spirit you will always be weak and will always have moments of rising and falling, joy and sadness, joy and sorrow. You will not have a consistent strength level in your spirit which will cause you to be weak today and strong tomorrow.

• Father, by your Holy Spirit show me the path of strength and victory that I may walk in them, that I will walk through them. Show me how to be strong, how to remain strong, how to continue in strength and never be weak. Lord show me the path of strength and victory for it is in strength that there is victory, show me the path of strength and victory.

⇒ How will the people who know their God be strong? They shall be strong because God shall be their strength. He will be their strength in such a way that they will not deal with situations as humans but as God. They will be using the strength of God to live, they will win battles by the strength of God because by their own strength they will not survive especially in this time we are in. We are in the time where we have to fight, pray and fast with the strength of God, everything you do has to be with the strength of God.

• Raise up your right hand. Father, walk with me in such a way that I draw from the wealth of your strength in each day of my life. Lord, bind yourself with me in such a way that I draw from your strength, I drink from your strength each day of my life in this world, Lord I need such a connection that will ensure this. Lord, bind yourself with my spirit, bind yourself with my body, bind yourself with my soul so that I draw strength from you every hour every day. Lord bind yourself with me such that you become the source of my strength for every activity and everything I do, be the source of my strength Lord.

⇒ Knowing God is very deep and complex because it has to do with bonding and oneness. It is beyond revelations, seeing visions or even seeing the Lord Jesus Christ speaking to you. Knowing God is beyond hearing the voice of God and the sweet dreams that God gives you. Knowing God has to do with becoming one with the Lord in spirit. To have access to the strength of God which is the foundation of great victories, the strength of God is what gives us victories in battles.

• Lord Jesus let there be a strong bond connection between you and me until all of me is gone and all of you is left. Let my spirit be so bound to your spirit such that I become one with you. Father, let a strong bond happen between you and me until I

become one with you, until all of myself, my carnal nature is dead. Father let there be a strong bond with you until I become perfect in you, until you take over all of my life. Lord initiate in me a strong bond with your spirit, a strong bond with your heart, strong bond with your presence, your power, your strength, Lord initiate with me a strong bond till all of my weaknesses and darkness are gone, until all that is left is you.

⇒The Lord is saying that many times you are the one who breaks away from him despite Him trying many times to initiate a strong bond with you.

•Father, I repent of every unfaithfulness that I have done before you, help me to be consistent in my walk with you, to be consistent in my fellowship with you. Lord, I repent from every disobedience I've done against you. I repent from breaking up with you every time you invite me closer, every time you come to bring me closer, Lord please in your mercy help me to be consistent in my walk with you. Lord, I know you are desperate to have a relationship with me, help me to be consistent in my walk with you, help me not to take your grace for granted. Help me to be consistent in obedience, prayer, in the fear of God, in holiness and in righteous living, help me Lord to be consistent.

⇒If you are not bonded with God, all the teachings you hear will not benefit you or change it, they will not produce any results or bear any fruit in your life. You must remain in God, stay connected, you are the branch, He is the Vine, bond with Him and remain.

•Father, help me to remain in you, help me to remain connected in you and never be too distracted, help me to remain bonded in you and never be distracted by the cares of this world and the desires of the flesh. Father help me not to separate myself from you, help me not to be distracted by what is happening in this world, help me not to be distracted by the news, worldly affections, fleshly lusts or by the activities of devils and demons, help me not to be distracted by everything the devil is doing to destroy my relationship with you. Keep me in you forever.

⇒Many Christians have become prostitutes even pastors that is why the Lord could not go on with them or continue with them. Many pastors have lost their relationship with God though they still have spiritual gifts working in their lives but Jesus left them a long time. One of the reason Jesus would leave the people He was once close with, is this spiritual prostitution.

•Lord Jesus, disengage me from every wrong spirit that I have bound myself with, disconnect me from every unclean and unrighteous spirit I have joined myself with, disconnect me Lord because I want to know you and walk with you. Lord, disconnect me from every negative spirit, every spirit that is not of you, that I have walked with in my life, that I have joined myself with, Lord disconnect me from such a spirit right now. Father whatever evil, whatever idol I have gotten married to in the realm of the spirit, whatever strange spirit, strange god I have gotten married to in the realm of the spirit, Father let there be termination of such bond right now, disconnect me from

such bondage right now. Every connection between my spirit and false prophets, between my spirit and demonic altars, between my spirit, soul and body with unclean spirits, Father let such connection break right now. Lord, I want to know you alone. I want to serve you alone. I don't want to serve any other god, I don't want to be bonded ignorantly with any other spirit, you are all I want Father.

⇒Spiritual prostitution is whereby you join yourself with another spirit, the same way you are meant to be joined to God. You must not commit your spirit to anything that is not of God, do not commit your heart to anything that is not of the Lord. It will take wisdom for us to be pure in these last days because many people shall be deceived in these last days. It will take wisdom from heaven that will not allow you to be joined to any other spirit at this time. Some people looking at them physically you would think they have the right spirit while it is not the Holy Spirit. By allowing false prophets or ungodly servants of God to lay hands on you and pray for you, you can be joined with that wrong spirit upon them. The Spirit of wisdom will enable you to decide what is right from what is wrong.

•Raise up your right hand. Father put upon me the Spirit of wisdom that will enable me to discern light from darkness, right from wrong. Lord put upon me the Spirit of wisdom so that I will not be corrupted in these last days, fill me with the Spirit of wisdom that I will be able to discern your will in every situation I find myself. Lord fill me with the Spirit of wisdom because I do not want to be misled or deceived in these last days. Help me to discern the Spirit of God from the spirit of the antichrist. Help me to discern the operations of the Holy Spirit from the operations of evil spirits, Lord fill me with your Spirit of wisdom that I may be able to discern where to worship and where not to worship, who to believe and who not to believe, fill me with the Spirit of wisdom that I will not be joined with demonic altars, demonic anointings and demonic spirits.

VERSE 31

⇒The antichrist has become so powerful, now you can see what is happening in the nations of the world even concerning the bioterrorism called the vaccine, which is a weapon to kill people and everyone is supporting and agreeing with it. This is an example that the antichrist shall be powerful to carry out his missions and he shall pollute the sanctuary of strength which is people's strength. Your spirit is the sanctuary of strength. He will also take away the daily sacrifice, that is he will make it impossible to worship God even when you are standing in church. There are so many worships that are no longer acceptable even though a person is in church, they are not worshipping God, they are worshipping something else. He shall place abominations that maketh desolate meaning that the antichrist shall corrupt human bodies, he shall do something to humans that will make God want to destroy humans. He shall put abominations inside humans that God would not want to look at us but all that he would want to do is destroy us. The people who know their God

will be strong and will resist the antichrist and prevail. It also means that the people who know their God would not be deceived; they shall be strong and prevail.

•Father, let the truth that I must know to be victorious at this time appear to me, the truth I must know and believe to be victorious at this time, let such truth and revelations appear to me in the name of Jesus. Lord, reveal to me the truth that I must know, every truth I must believe, revelations I must believe and know so that I will win and be victorious at this time in the name of Jesus. ***The truth that would set you free forever from the captivity of the enemy and empower you to be victorious in life and destiny, heaven shall reveal it to you in Jesus' name. As you study the Word of God, the truth that is important to give you total freedom at this time, heaven shall expose that truth to you in the name of Jesus.**

⇒ The people who know their God shall be strong and do exploits means also that they shall rise against the demonic system prevailing in the world at this time. They shall prevail over the antichrist and beast system, rise over the witchcraft system, the marine Kingdom system and every system that is against God, it takes someone that is anointed to do that. The Bible says the yoke shall be broken because of the anointing. The anointing is naturally a way of channelling all the forces of heaven into your battles against the enemy. The anointing makes us invisible and too difficult to be defeated and destroyed.

•Father, put upon me the anointing for great victories in these last days, anointing that would make me victorious over the demonic systems, the antichrist systems, witchcraft system, and world systems, Lord the anointing to resist the systems and prevail over them put it on me. Lord put upon me an anointing to command victories from heaven, anointing to command great victories, anointing to command and attract angelic intervention from heaven, anointing to attract and command all the forces of heaven against the demonic, satanic, witchcraft and antichrist systems prevailing in these last days. Father put upon me an anointing to draw down all the weapons of war from heaven against the darkness that is prevailing against this age in these last days. Lord such an anointing I desire, let it rest upon me in Jesus' name.

⇒By the reason of the anointing, Christians shall win great battles in these last days. As we were praying the last prayer the Holy Spirit ministered to me that He is going to give believers anointing to undo what the antichrist and the kingdoms of darkness are doing. Whether it was done physically or spiritually, whether they did it on people's lives, over your own life, calling and destinies, the Lord is giving Christians the anointing to undo what the enemy has done. People that will really walk with God, God will do great things with them, great signs and wonders. This anointing will be so powerful because it is going to be greatly needed in our generations at this time.

•Raise up your right hand. Father put upon me the anointing to do and reverse all the works the enemy has done successfully in the earth at this time, all the works Satan and the antichrist have done this time. Lord the anointing to undo all the works the

enemy has successfully done against mankind and nations, against the financial system, against the health of people, Lord, the anointing to undo and reverse everything the devil and the kingdoms of darkness have done against this generation, the anointing to undo them, cancel and reverse them, Lord let such an anointing fall upon me. The anointing to do and reverse the perfected works of darkness against this generation, Lord give me that anointing.

⇒ Most people are devastated and they don't know what to do because of what is happening. In some countries the economy has been destroyed. The people who know their God shall be strong and do exploits also means at such a time as this they shall have prosperity supernaturally. When they should be poor, they are not poor they will begin to prosper supernaturally. When everything is pointing towards poverty and starvation, they will have enough to eat, enough to spend and it won't even show that they have not been working or that the economy is bad. Those are the kind of miracles that will happen in these last days.

• Father, connect my life and everything in my life with the economy system of heaven such that I am not oppressed and afflicted by the economy of this world. Lord connect my finances, my bank account, my kitchen reserves, let my life be governed by the economy of heaven such that I will not be oppressed or afflicted by the economy of this world in the name of Jesus. Lord I surrender not to the economy of my country but I surrender to the economy of your Kingdom for it is written that the Lord is my Shepherd and I shall not want.

⇒ There will come a time whereby you will open your kitchen and groceries are there despite you not going to the shops. As hard to believe as it is, it happened that once a certain man of God would enter into the kitchen and begin to speak to the bowls in the kitchen where they stored food and he will say 'in the name of Jesus, let food come into these bowls' and he would cover the containers and go out. By the time he would come back he would find all manner of food in the containers. Some people would be fasting in the mountains and when it's time to break their fasting, they would just pray to God for food to appear and instantly food would appear. There's going to be a need for these kind of miracles at this time because there will not be money, so you must live by the economy of heaven

• Place your right hand on your head. Father, I choose to walk by faith not by sight. Father, strengthen my faith in your Word at this time because I am ready to do exploits, strengthen my faith in your realities. Lord, I choose to walk by faith and not by sight, strengthen my faith in your Word, in your truth, strengthen my faith in your will, so that I can do exploits at this time, so that I can witness many miracles from you, so that I can receive many miracles from you at this time, strengthen my faith.

⇒ When the Lord was teaching me about faith, He said that I must enforce the Word of God. The Word of God needs to be enforced over situations and you need to continue to enforce it until his Word prevails in that situation. There is no probability with the Word of God, heaven does not operate with probabilities but it operates with

certainty or surety. If there's anything going on in your life, speak the Word of God and enforce it upon that thing going on in your life. God wants us to pray with such faith that is full of enforcement because there is nowhere in the Bible where it says He might answer or not, He wants us to enforce His Word and pray with angelic faith. Angels believe what God said will happen.

•Father, give me the grace to always enforce your Word over my situations, my circumstances, over everything that happens in my life until your Word prevails, until those situations surrender to your Word, Lord help me to continually enforce the scripture over my life and situation. Lord help me to manifest a faith that will produce results at this time. Help me to keep believing, declaring and professing until it comes to pass. Lord help me to keep doing that whether I see signs or not, help me to continually enforce the Word until I see the results according to the Word. Help me Father to always enforce your Word upon my situation until it produces results. Help me not to be discouraged in trusting in you until I break through.

⇒Christians need to be delivered from the spirit of spiritual laziness and spiritual sluggishness because it is one of the limitations over Christians. When it comes to carnal things, Christians have so much energy to do them but when it comes to spiritual things they have no strength and they lose interest. They cannot fast, pray, study the Word of God, that is laziness and sluggishness. If you're too lazy to pray, fast, declare the word of God, study the Word of God, lazy to believe and not stop believing, you will not do exploits.

•Father, deliver me from every spirit of laziness and sluggishness that is limiting my exploits in these last days, Lord deliver me now from that spirit. Deliver me from every spirit of procrastination, from every spirit of coldness, of pleasure, every spirit of seeking pleasure when I should labour, Lord deliver me now. Deliver me from the spirit that seeks comfort when I should labour in prayer, labour in studying the Word of God, deliver me from every spirit that is making me to seek for pleasure and comfort, Lord deliver me from such spirit. Take away every spirit of laziness from me, thank you Father in Jesus' name, Amen.

CLOSING PRAYER

Raise up your right hand.

Oh God of heaven and earth, Ancient of days, Almighty God we say thank you for your love, faithfulness, your grace and your mercy. Thank you Lord for how you have heard us in this prayer session, thank you because you are going to answer all that we have said to your ears, Father be praised forever in Jesus' name.

Lord, you have made us realise how terrible and perilous, dangerous and deadly the present times we are living in these last days are, oh God I am asking that none of

these ones under my voice and reading this publication shall be defeated by the darkness of this age in Jesus' name.

I am praying for you that the traps that have captured giants in the faith, the traps the devil has used to bring down many strong people, such traps will not bring you down in Jesus' name, such traps will not succeed over your life, calling and destiny in Jesus' name.

I declare that every spirit that has been sent in your life to confuse, deceive and mislead you out of God's will, ways, out of God's light and presence, out of God's Spirit, I decree that such spirit is arrested and destroyed by fire right now in Jesus' name.

I decree over your life that you shall no longer be limited in Jesus' name. The gifts God has placed inside of you, that have been crying out for manifestation and fulfillment, I decree that the hand of the Lord shall bring out those gifts unto manifestation now in Jesus' name. The Bible says creation is waiting for the manifestation of the sons of God, therefore I decree that your manifestation has come in the name of Jesus. Your manifestation in your calling, ministry, career and destiny, your fulfillment has come now in Jesus' name. No more limitation on your manifestation in Jesus' name.

The light that God says you are, I decree that light shall rise, shine and and prevail in all nations of the earth in Jesus' name.

You shall prosper in Jesus' name, in the midst of hardships and suffering you shall arise to excel and succeed in the name of Jesus.

Heaven shall remember you for good at such a time as this, even when others could not make it, you shall be remembered by God and you shall make it. When others cannot achieve success, you shall be remembered, you shall be helped by God and achieve great success in Jesus' name.

The Lord shall single you out for favour and excellence and so shall it be in the name of Jesus.

I am praying for those of you that are making a determination to seek God, to seek a close relationship with Him at such a time as this. I pray that without delay, in a few days heaven shall visit you with glory in the name of Jesus and your spiritual hunger and thirst shall be satisfied by the living God of Israel in the name of Jesus. The encounters that you are thirsting for, the hunger for such encounters, heaven shall send you those encounters in the name of Jesus and your life shall not remain the same again in the name of Jesus.

Thank you Father for what you have done, thank you because we shall do exploits not by our strength but by your own strength. Thank you because by your Spirit and anointing we shall do exploits, thank you Father in Jesus' mighty name, it is done Amen.

PRAYER POINTS

⇒ Father, thank you for helping me in my helpless situations, thank you for sending me help when I was so hopeless and helpless. You gave me hope, help and comfort. Thank you for your presence in my life giving me comfort. Thank you for your presence in my life reassuring me that there's a brighter tomorrow and a glorious future. Thank you for your voice speaking to me when I was confused, when I didn't know the way forward. Thank you for your voice reassuring me of a glorious future. Thank you for your presence giving me comfort and strength and hope. Thank you for sending help to me when all help had failed.

⇒ These days, the enemy is deforming the lives of people. There is a strange spirit that is turning people into something else that God did not create them to be. If you are going to become the person that God wants you to be, you must visit the womb of transformation in heaven where your life will be changed into a person that will fulfill destiny.

• Place your right hand on your head. Spirit of the living God, come upon me and take me into heaven's surgical room where my life will be transformed, where my life will be changed into the person God wants me to be. Holy Spirit, come upon me and lift me up into the womb of God for transformation, let my life change by the power of God. Lord lift me up by your Spirit into the surgery room of heaven and change me to the wo/man you want me to be, transform me to the person you want me to be.

⇒ Raise up your right hand. Fire of the Holy Ghost fall upon me and penetrate deep in me to remove every plantation of darkness in my life, every seed of darkness that has been injected in me to change me into another man that is not of God. Fire of the Holy Ghost fall upon me and enter into the deep places of my body, of my blood, organs, tissues, into every part of my spirit, soul and body and eliminate every seed of darkness, plantation of darkness that is meant to change my life against the will of God, fire of the Holy Ghost uproot them now. ***I decree over your life, let the fire of the Holy Ghost do the work of deliverance now. Every evil seed that was injected and planted into your life to change you into somebody else from who God created you to be, I command that seed to come out right now in Jesus' name.**

⇒The Lord is showing me that there is something that should have happened to your life but there is a spirit of failure that is terminating all your efforts to move forward. The future heaven wants you to have is not coming because of that failure.

- Raise up your right hand. In the name of Jesus I come against every spirit of failure following me to ensure that I do not succeed, to ensure that nothing good succeeds in my life, let fire of the Holy Ghost arrest and destroy them. I come against every spirit of failure following me to ensure that nothing succeeds or prospers, that nothing flourishes and excels, catch fire right now you spirit of failure. Every spirit of failure that is closely following my life to ensure that every effort of mine fails and is fruitless, catch fire now in the name of Jesus. ***I decree that you are released from the captivity of the spirit of failure now in the name of Jesus.**

⇒The Lord is also showing me that some of you have a certain pleasure that you enjoy so much and that is the reason why you are still in bondage and why your life is not moving forward. That is why most of your prayers are not answered because that pleasure is sinful.

- Father, deliver me from every addiction to pleasure that is making darkness stronger than me, making the devil and witchcraft stronger than me, making me a slave to Satan, Lord deliver me now, I want to be free. Lord Jesus, deliver me right now from every enjoyment and pleasure that I have embraced that is making my captivity to prolong for years, oh God deliver me from that pleasure. Lord, from today make me begin to hate that pleasure, help me to hate that thing that I enjoy doing that is giving power to the devil. Lord make me stop now, make me hate that pleasure.

DESTINY FULFILMENT PRAYERS

⇒ Father, let every work of the devil that has been done to ensure that I do not fulfill destiny, let your power undo them now. Every work of the devil, satanic agents, witch doctors, work of evil occultic men, work of marine spirits and agents of the marine kingdom that has been done to ensure that I do not fulfill destiny, Father let your mighty hand consume them now, let your fire undo them. Father, wherever they have done those works, let your fire trace them and begin to undo them in the name of Jesus. Whether they are buried in the ground, that is under the waters, in the heavenly places, wherever they have done them to ensure I don't fulfill destiny, fire of the Holy Ghost visit such places and begin to undo the works now in the name of Jesus. ***As you have prayed, it is so in Jesus' name.**

⇒The Lord is showing me that some of you come from a family background that is full of spiritual wickedness and there is somebody in your family background who is very angry with you and that person does not want anything good to happen in your life. They are saying you can't move forward or succeed. Whatever the source of anger and rage against you, the fire of God will silence them all.

- Raise up your right hand. Fire of the Holy Ghost quench and destroy every work of the devil coming from my family background being sponsored by agents of Satan

from my family background. Every spiritual wickedness coming from my family background, fire of the Holy Ghost quench and destroy them. Every demonic anger, demonic bitterness rising against my life from my family background, fire of the Holy Ghost attack and destroy them. Fire of the Holy Ghost destroy, attack and consume every spiritual wickedness against my destiny fulfillment. Let the fire of God, Holy Ghost trace every agent of darkness, satanic agent from my family background that is fighting the manifestation of my destiny, fire of the Holy Ghost go against them, stop them, quench them and stop their works now in the name of Jesus. Let the source of that anger be permanently quenched forever in Jesus' name. ***I decree over your life that every evil work, spiritual wickedness coming with anger and bitterness against the manifestation of your calling and destiny, I decree that the anger of God attack and destroy them all. Every demonic attack, evil work, every spiritual wickedness, witchcraft wickedness that is coming against your life with anger and bitterness to stop the manifestation of your calling and destiny, let the anger of God fall upon them and consume them.**

⇒ In the realm of witchcraft they can use physical elements to trap destinies. Some people's destinies are caged in a clay pot somewhere or on a padlock locked up somewhere. Since the earth is the Lord's and the fullness thereof, whatever they use whether it's human blood, animal blood or water, God owns them. Whatever they did for their rituals, God owns them all because He created them. God has more authority over those things than them.

• Raise up your right hand. In the name of Jesus I come against every physical element, visible and invisible that the witchcraft kingdom has used to cage my destiny, I decree let those elements release my destiny now. I speak to those elements, release my destiny right now. It is written that the earth is the Lord's and the fullness thereof, I speak to the elements the witches and wizards have used to cage my destiny and my glory, I speak to those elements, hear the Word of the Lord, release my destiny now in the name of Jesus. Release my destiny to fulfillment, release my call to manifestation, release my destiny and calling to fulfillment and manifestation right now in the name of Jesus.

⇒ Speak to the ground. Oh you earth release unto me all the blessings that pertain to the fulfillment and manifestation of my destiny now in the name of Jesus. Oh you earth hear the voice of the Lord and release my blessings, release all the treasures, all the resources that are necessary and are meant for the fulfillment of my calling and destiny. I speak to you ground vomit them out. I speak to you earth, release them unto me now in the name of Jesus.

⇒ Sometimes when the devil wants to stop you from fulfilling destiny he will make you start misbehaving. Everything you think, the decisions you start making will be opposite to what God has recorded in His book and heaven concerning your destiny fulfillment. He will start manipulating your mind, places you go, friends you choose, decisions you make will all be opposite to God's.

•Place your right hand on your head. In the name of Jesus I come against every spirit attached to my life forcing me to make decisions and choices that will lead me contrary to the path of fulfilment of destiny, come out of my life right now. Every spirit manipulating my mind to make decisions and choices that are contrary to the fulfillment of my destiny on earth, you spirit come out of my life, get out of my life forever in the name of Jesus. Every spirit following my brain and mind, following my spirit, my body and influencing me to make wrong choices and decisions so as to disconnect me from destiny fulfillment, you spirit come out of my life now in Jesus name. You spirit, be separated from my soul by fire, leave my soul in Jesus' name.

***As you have prayed that prayer, I decree you are released in Jesus' name.**

⇒When the witchcraft kingdom wants to do something against your destiny, they have a way of introducing poisons into you through which they will be able to control your life to go the direction they want you to go. These poisons can come in form of dreams, sexual intercourse in the dream, or all manner of initiation in the dream.

•Raise up your right hand. Lord Jesus, release your blood into my spirit, soul and body and neutralize every witchcraft poison in my life. Blood of Jesus flow through my body, flow through my soul, flow through my spirit (x3), eradicate, remove and destroy every witchcraft poison right now in the name of Jesus.

⇒There are agents of Satan which are against destiny fulfillment, these are false men of God, false prophets and pastors and apostles. The devil has used these to hinder and cage the destinies of thousands of people.

•Place your right hand on your head. Holy Ghost and fire destroy every work of false prophets, false ministers of God that has been done to cage my destiny, to enslave my destiny. Holy Ghost and fire, destroy every work of witchcraft, prophets, and demonic pastors that have caged my destiny from manifesting. Holy Ghost and fire release me now, Holy Ghost and fire destroy those works now in the name of Jesus. Every slavery that has happened to me through demonic anointing, from demonic men of God, Lord Jesus release me now. Holy Ghost release me by fire, Holy Ghost release me by fire!! ***I decree the strength of evil, demonic anointing, satanic anointing is now broken in your life in the name of Jesus.**

⇒Some of you, before you fulfill destiny, you need to have a form of academic education or qualification. You need to be educated in that field, talent or profession because it's crucial to the manifestation of your destiny, says the Lord. Until you have learnt what you are supposed to learn you can't fulfill destiny.

•Father, every training and learning process that I must go through to fulfill destiny, Father, organise them for me, bring me into them. Father, every academic education that must happen in my life for me to fulfill destiny, let them happen now in the name of Jesus. Every academic qualification that I must have to fulfill destiny, Father let them happen now by your mighty hand. Every skill, vocation, or profession that I must learn and know to be released to fulfill destiny, every training I must go through

and come out successfully to fulfill destiny, Lord put me in them, take me through them and make me successful in them in the name of Jesus.

⇒The opportunities that some of you need are in the midst of your friends. You are surrounded by opportunities but you can't see them.

•Father, let your mighty hand bring opportunities that will release my destiny and calling into manifestation, let your mighty hands bring such opportunities. Wherever they are, be it in my environment or among my friends, Lord let your mighty hand bring such opportunities to me, let your mighty hand channel such opportunities to my direction. Lord let opportunities that will release me to destiny manifestation appear, let them begin to find me now, wherever they are hiding, let them begin to come my way. Opportunities that will allow the gift of God in me to arise and to shine across the nations of the earth, let them locate me now in the name of Jesus. ***As you have said those words, so shall it be in Jesus' name.**

⇒There's a need for financial breakthrough if you're going to fulfill destiny. Real Christians should not pray for financial breakthrough to fulfill their lust but to fulfill destiny.

•Father be merciful unto me and give me financial breakthrough and prosperity that I may fulfill the assignment you have given unto me. Father, according to your mercy, give unto me great financial increase, great financial establishment, great financial breakthrough and prosperity that I may be able to fulfill my divine destiny in the earth, that I may fulfill my destiny as it is in your plan in heaven. Bless me oh God with enough finances.

PSALMS 24:5

⇒This verse shows that we receive righteousness as we fellowship with God in His presence. Righteousness is a divine ability and nature to do what is right and pleasing to God in the sight of God. Most people's prayers are not answered because they are living lives which are not pleasing to God and every time the angel of the Lord brings the answer to their prayers they find your life dirty and unclean and cause the angel to go back with your answer. Some people try to be righteous on their own wisdom and end up being self-righteous but it is only Jesus who can make you righteous.

•Father, I want to live a life that is pleasing in your sight, give me the ability and nature to live in righteousness, to live a righteous life. Father I don't want to be the one aborting my miracles, I don't want to be the same person aborting the answers to my prayers, Father I want to live a life that is pleasing, pure and holy in your sight, Lord help me. Father give me the power to live righteously in your sight, give me the power to overcome the flesh, to overcome the works of the flesh, to overcome the strength of the flesh and the power of sin. Father, give me the power to overcome my addictions, to live a life that obeys your Word always. Put in me the same nature that is in you, make it easy for me to please you, help me Father. ***As many of you that**

meant this prayer, receive the grace and power to please the Lord all the days of your life. Receive that grace, strength and power right now in Jesus name.

⇒ This also means that when you get so close to God He will overlook certain things that you would have done wrong. These are consequences of the things you have done before because every sin has its consequences. When you make a determination to draw closer to God, God will overlook those consequences. Every sin is a seed that will germinate evil for you sooner or later. God will cancel those consequences in his mercy when He sees you have genuinely repented and are not going back to such sin.

• Father in your mercy permanently destroy the consequences of sins that are about to catch up with my life, that are about to destroy me because I have repented. Lord because of your mercy, please destroy the consequences of my sins, even those that I committed in my childhood, some years ago, even the ones which are recent, Lord because of my repentant heart and determination to stop, Lord forgive and cancel the consequences of my sins. Let those consequences never catch up with me, let your mercy cancel them all.

⇒ To receive righteousness from the God of your salvation means He will teach you His ways. Because when you know the ways of God, you will not sin against Him. People who really love God are people taught by God to know His ways. He will take time to teach them so that they will not sin against Him. The fear of God is the beginning of wisdom, when God sees that you fear Him, He will begin to teach you so that you will not sin against Him. As He teaches you, you become wise but most people in the church today don't want to know God's ways that's why they don't read their bibles or listen to sound teachings that will reveal God's principles and standards.

• Father, I surrender myself to you, my heart to you, teach me your ways and standards so that I will not offend you but please you for the rest of my life. Lord, teach me your will so that I may not offend you, teach me your ways because I do not want to end up in self-righteousness or to think I am on the right page with you when I am not. Teach me your ways Father, so that I can walk in them.

⇒ The God of your salvation means that you are serving a God that is very close to you and He is not giving up until He saves your soul, to help you make heaven. There are two categories of salvation: instant salvation and eternal salvation. Instant salvation is the one that happens when you say the sinner's prayer and eternal salvation is when you finally make it to heaven. Between instant salvation and eternal salvation there's a long road of many years. Some people fall along the way, some people rise and turn again, some people fall and never rise again and go to hell. The fact that you're born again does not mean you will make heaven. You need God to help you remain in righteousness till the end.

• My Father, God of my salvation please save my soul till the end. I do not want to lose my soul to the devil. Lord I do not want to lose my soul to the devil, I don't want

to lose my soul to eternal damnation, Lord please save my soul till the end. Save my soul till the end, I want to make heaven.

⇒It also means that God will be your righteousness, meaning that He will lead you by His Spirit. Jesus is the embodiment of righteousness. He is the righteous one, so when you have the Spirit of Christ you have the Spirit of righteousness which means you will be led consciously or unconsciously.

•Father put upon me the Spirit of righteousness so that I may be led to do all things right. Put upon me the Spirit of righteousness that I may be led into all truth, that I may be led by your spirit to do everything right. When I speak, to speak right ; when I'm praying to pray right, when I am ministering to people to do it right. Let everything that I will do become the right things to do. Put upon me Father the Spirit of righteousness that I may do everything right in my life, career calling and destiny.

⇒Spirit of the living God, expose to me every secret agreement with sin in my heart, expose myself to me. Show me where I have secretly agreed with darkness, how I have secretly agreed with unrighteousness. Spirit of the living God, expose myself to me, wherever I have secretly agreed with darkness in my heart, mind, lifestyle and emotions, Lord where I have secretly agreed with darkness, uncleanness and unrighteousness Lord expose it that I may repent and die to the flesh, expose myself to me.

⇒True righteousness has to do with fire, if you have not caught fire you cannot please God. Every sin has thousands and millions of demons behind them, so if you're not full of fire you cannot even resist sin and it will be difficult for you to please God. That's why you need to carry fire so that no darkness can quench, fire that is always prevailing in operations and warfare. You need such a fire this time.

•Place your right hand on your head. Spirit of the living God, fill me with fire that I may be able to resist the present darkness of this world and prevail. Spirit of the living God, fill me with fire, fill me with fire that I may be able to fight the darkness of this age and win. Spirit of the living God fill me with fire, fill me with fire that I may be able to win, that I may be able to prevail against the present age darkness.

⇒If you want to carry the fullness of God, you must decrease to become nothing. To carry the greatness of God you must become nothing, you must consider everything you are, all you have, achieved or have become, your beauty, degrees and qualifications; you consider them as nothing. To become great in the Kingdom of God is to become nothing.

•Father help me to humble myself to nothing so you can glorify yourself in my life, so that you can magnify yourself in my life, help me to reduce myself to become zero irrespective of how I look, irrespective of what I have or what I am, or what I have achieved so that I can see your greatness revealed in my life. Lord help me, I want to decrease to nothing so that you can increase and be exalted magnified in my life. Lord, I want to become zero so that you can glorify yourself in my life, so that you

can magnify yourself through me, and make yourself great through me and in me. Lord reduce me to nothing, help me Father, I want to decrease to nothing so that you can increase in me in Jesus' name.

⇒ There are certain things that God will never do in the lives of many people, even in the church because we are not ready for those kinds of things or operations of God. When God decides to do those things, those things will destroy us. We are not ready for them because we are so full of ourselves. There's a lot of competition in the house of God. There is no love or unity. All these things limit God to do what He wants to do. We don't seek the glory of God for God but to glorify ourselves. Mankind has always been the greatest hindrance to revival and not even Satan, because we are the ones limiting God. There are so many special miracles that God could have done by now but because we're so full of ourselves and don't want to empty ourselves, not wanting to die to ourselves, that is limiting God. You can be the person limiting your own prayers, not even curses or ancestral spirits.

• Father, let your Kingdom come upon my life and let it prevail, let every barrier blocking your Lordship in my life be destroyed and taken out of the way. Lord let your Kingdom as it is in heaven prevail in my life, family, career, children, business and ministry; let every barrier of myself, the flesh stopping your Lordship, rejecting your Lordship in my life, Lord let them break in pieces. I want to do your will all the days of my life. I want to see your Kingdom prevail, therefore Lord take over my life, my heart, feelings and emotions, take over everything in me and rule my life. Empty me of myself, I surrender to you, let your Kingdom prevail over me, let your Lordship prevail over my life in the name of Jesus. I want to see more of you, I want to experience more of you in my life, let the flesh die so I can enjoy the sweetness and pleasure of your Kingdom in Jesus' name, Amen.

Thank you Father because we know you have answered these prayers. In Jesus' name it is done, Amen.

PRAYER AND FASTING THEME: BREAKING BARRIERS FOR A DIVINE RELEASE

PRAYER POINTS

⇒ Raise up your right hand. Father let the heaven of signs and wonders open over my life from today onward, let the storehouse of signs and wonders in your Kingdom open over my life from this first day of fasting. Let me do everything under an open heaven and live everyday of my life under open heavens. Father let the heaven of great victories, instant miracles, angelic interventions, let the storehouse of blessings, signs and wonders open over my life. Father let my life, marriage, ministry, career and calling be under open heaven such that every prayer I pray receives divine intervention, that every word of my command or decree receives miracles by the reason of your open heavens.

TIME BARRIERS

⇒ There are kingdoms of darkness, princes of darkness, personalities that are watching every soul on earth. The kingdom of darkness has placed people in a timeline that is contrary to the divine timeline that is why they can make you go in a certain direction that is opposite to God's way for your life. There will never be progress as long as you're under a demonic timeline. There are time demons that have caged people's destinies and glory because they don't want anyone to fulfil their destinies as it is in the book of heaven for them

• Raise up your right hand. In the name of Jesus I disconnect my life and destiny from every demonic timeline that is prevailing and governing the affairs of my life. I connect my life with heaven's timeline, the divine timeline and the timeline of the Kingdom of God. I disconnect myself from the demonic calendar that is governing the direction of my life, calling and destiny that is governing the activities and situations in my life, I disconnect from that timeline and I connect with the divine timeline. I connect with the calendar of God for my life. I connect with the program of God for my life and destiny, I reject and disconnect from any other calendar. I pull my life, my destiny, marriage, ministry, my husband, wife and children from the demonic calendar from the demonic timeline and I connect all that concerns me to the divine timeline.

⇒ A timeline is a record of events that happen to you on a daily basis. Time demons monitor everything that happens in every hour of your life to ensure that none of them aligns with the will of God, none agrees with light or to ensure that none of them permits a good thing to happen.

•I invoke the anger of God upon every time demon that is monitoring the affairs of my life to enforce evil, let the anger of God consume them. Every demonic surveillance system that is watching over the activities of my life on a daily basis to ensure that evil prevails and good things dies, let the anger of God destroy such surveillance systems, let the anger of God waste them all and consume such devils and agents in the name of Jesus.

⇒Ephesians 5:16, says we should redeem the time because the days are evil. This means that there are forces of darkness that have hijacked your time for evil such that some people's lives are frustrated and all they see is darkness, setbacks, failure, sickness and suffering. The reason why it's like this is because your time has been hijacked and is under the control of terrible forces of darkness.

•In the name of Jesus, I take back my good days from the hand of the devil. I take back the goodness in my days from the hand of the devil, I take back my days of joy, days of prosperity, peace, abundance, days of glory from the hand of the devil in the name of Jesus. I reject the time I'm living in that is not of God, I claim back the time that the Lord has set for my life in the name of Jesus. I claim back every goodness in my days that has died, every success, greatness, victory and everything that the enemy has destroyed, I command restoration upon them all. ***I decree over your life as you have prayed that God will have mercy on you and His hand shall get for you every good thing you have lost in time, every good thing that should be yours that you lost in the process of time. I decree that the hand of God and the Angels of God shall go and get them for you right now in Jesus' name**

⇒Time can be very innocent, because everything that happens in time is determined by the people living in that time through their actions. Our actions have a way of resetting or setting our timelines. What you think per time has a way to determine what will happen to you in time. Everything that happens in time is a compilation of actions of people in time wherever they are. If you allow the devil to control your actions against God's program for you today, if God said you must take action for that program to take place and you don't and you allow the devil to redirect your actions it means what God programmed for you today might not happen. What is influencing your thoughts and actions?

•Father, deliver me from every strange spirit that is influencing my actions wrongly, my daily activities to go contrary to your plans and divine program, let the influence of such spirits break right now in the name of Jesus. Influences of the devils to take me into a direction contrary to the will of God for each day of my life break right now. I come against every demonic influence, influence of strange spirits causing me to go in an opposite direction from the move of the Holy Spirit in each day of my life, break now in the name of Jesus. I come against every strange spirit, demonic influence over my feelings, emotions, thoughts and mind, making me think negative actions contrary to the move of the Holy Spirit in each day of my life, break by fire.

⇒Anything that takes prayer and fasting away from you is a destroyer of your calling and destiny. How do you redeem the time if you cannot pray or if you are weak in prayer and can't pray for at least 1 hour a day. If you cannot pray for hours in these wicked days, it's the will of the devil that will prevail.

•Father, visit my prayer life with fire and let me be transformed into a prayer warrior that will enforce your will upon each day of my life. Oh God of Israel, visit my prayer altar with fire, fill me with power and strength to enforce your will upon every day of my life, upon every situation of my life. Lord visit my life with fire, I refuse to be weak in prayer, I refuse to be a baby in prayer, fill my prayer life with great authority to be able to enforce your will upon every situation of my life even upon my future, to set it in the direction it should go m, Father give me such an anointing upon my prayer life, to pray for hours.

⇒Whatever makes you tired, bored or lonely when it comes to spiritual things, that thing is a destroyer of your destiny.

•Place your right hand on your head. Fire of the Holy Ghost, destroy every weakness in me that is cutting short my spiritual growth, spiritual strength that is making me to be lazy in prayer. Every weakness in my body, soul, spirit always making me tired when it comes to spiritual things, catch fire. Every demonic poison in my spirit, soul and body, fueling tiredness, laziness and sluggishness when it comes to spiritual actions, let fire flush them out.

⇒There are things you should do that you have not done. Every born again Christian knows within them when they are spiritually weak or strong except you want to deceive yourself. Your ability to know when you are weak or strong is already a divine help from the Holy Spirit, that is God giving you alerts. Despite many alerts from the Holy Spirit you did nothing and now you are complaining. Every time you yield to darkness you are killing the fulfillment of God's promises in your timeline.

•Father give me the power to always yield to the light and not darkness to yield to your operations in time and not to the operations of darkness in time, the grace to yield to the operations of the Holy Ghost and the operations of angels and not to Satan and the operations of demons, give me the power to always stand for what is right right in each day of my life. Lord, give me the power to stand for what is pure and right in my mind and thoughts as you give me the alerts in my spirit, give me the light to yield to the light and not to darkness. Give me the power to yield to life and light and not to darkness and death, the power to yield to the Holy Ghost and angels and not to Satan and demons. Empower me to yield to the operations of heaven going on in the earth and not to yield to the operations of the antichrist, demons going on in the earth, empower me now to stand for what is right forever.

⇒There is a network of God in time. It operates in human beings, angels and many other things. There are certain people and places that you must never be connected to for the will of God to prevail. Because of the network system of God on the earth,

if you partner with someone that is not supposed to be in that network system of God, you might not fulfill your destiny or the fulfillment of God's promises for your life will never come to pass.

•Father, disconnect me from people, places and things that are frustrating and destroying your plans for my life calling and destiny. Lord disconnect me from people that I should not be connected to even if it's family members or relatives, whoever I am not supposed to be close to so that I can fulfill my days as it is in your book in heaven. Places I am connected to, people I am connected to, things I am connected to that will not allow me to fulfill my destiny as it is, let there be separation right now. Father, cause a great separation in the name of Jesus.

⇒Sometimes you have to break away from people that you do not even want to break away from. It means you can never call them, see them, answer their calls or even respond to their text. It's not as if you might have had issues or quarrelled with them for you to separate but because of destiny issues that God knows, you should not connect to those people ever. Some people are not human beings, some can even be in your family. We are living in a time where offspring of demons are human but they can never be saved or make heaven. So you need to be sensitive to the Holy Spirit to know when to draw away from people that will not allow you to fulfill destiny, despite them needing help, prayers or counselling.

•Father, in your mercy help me to discover people, places and things that I need to disconnect from, places I need to be separated from, organisations and associations that I need to be separated from, ohGod in your mercy help me, speak to me. Oh God disconnect me right now even from the people that I do not want to disconnect from, reveal them and help me to break away from them because I want to fulfill destiny and reach where you want me to reach in life, help me Father.

⇒Curses, spells, enchantments, spoken words, evil words; all these they limit destinies.

•Place your right hand on your head. I invoke the blood of Jesus upon every curse working against the fulfillment of my destiny. Every curse, enchantment, spell that is speaking and working against the fulfilment of my destiny in the earth, let the blood of Jesus destroy them now. Blood of Jesus destroy every curse working in the atmosphere, every curse working in the waters, inside my blood, working in any part of my life to stop the fulfillment of my destiny. Blood of Jesus destroy curses I inherited from my parents, from my bloodline, from my father's lineage, mother's lineage that is blocking the fulfillment of my destiny, destroy them all. Blood of Jesus destroy every demonic spoken word divination, sorcery, witchcraft done to stop the fulfilment of my calling and destiny, blood of Jesus cancel them all now in Jesus' name.

⇒In the name of Jesus I come against every demonic ritual that was done since the time of my birth into this world to limit the fulfillment and manifestation of my destiny and the manifestation of God's promises for my life, let the fire of God consume such

rituals. Let the fire of God reverse such rituals, let the fire of God terminate such rituals and let the effects of such rituals die in my life in the name of Jesus. Every ritual done inside the ground, on the ground, in the waters, upon the trees, in heavenly places, upon rocks, mountaintops; wherever they have been done since the day I was born to limit the fulfillment of my destiny, let them be destroyed by fire right now. Covenants established with demons, initiation that was done since the day I was born to stop the fulfillment of my destiny, let the fire of God terminate them all right now. Let the Holy Ghost, let the angels go back in time and cancel those rituals and initiations right now in Jesus' name.

⇒ One of the things that God does when He wants to help a man to fulfill destiny is to deliver your senses. He will deliver your eyes from seeing things in an opposite perspective to His. You have to see your life the way God sees it.

•Father, deliver my senses and mind that I may see myself, my life and everything in my life the way you see it, the way it is in heaven not to do as it appears here on earth to me, Lord deliver my life, deliver my senses to see and perceive it the way you see it. Lord deliver my brain that I may start seeing my life situations the way you are seeing them. Deliver me from every darkness that is not allowing me to see what God has put in my life and destiny. Deliver me from every darkness that is blocking my senses, deceiving me from agreeing with my divine identity, from accepting my divine identity. Let that darkness catch fire. I want to start seeing myself as heaven sees me, to see my life as heaven sees it.

⇒Some of you have believed lies, false prophecies about yourself, career and about whatever God has placed in your life and you don't know you have believed lies. You are seeing yourself contrary to the way God is seeing you because of the wrong prophecy you got or a wrong impression you had.

•Father, visit my life with your light and expose every false information, false prophecy, every lie I have believed, expose the lies and help me to reject them. Every lie I have ignorantly believed, Lord expose them by your light and help me to reject them. Lord let your light shine in my life and let what I have believed be exposed so that I will renounce them and stop believing them anymore.

TERRITORIAL INFLUENCE OF DARKNESS

These are powers of darkness ruling in the environment. Because they are the ones ruling that environment they have caged destinies of many in that environment.

⇒Raise up your right hand. In the name of Jesus I come against every territorial darkness, territorial altar of darkness, territorial influence of darkness in the land where I was born affecting the rising and fulfillment of my destiny, let the anger of God waste them, let the fire of God waste them. In the name of Jesus I come against every territorial influence of darkness from the environment of my birth that is blocking the rising and the fulfillment of my destiny, let the anger of God and the fire

of God destroy them. Let every territorial altar of darkness, territorial principality, territorial devil controlling the fulfillment of my life, to block fulfillment of my destiny, let the anger of God destroy them. Every strength, dominion and influence the territorial darkness from my hometown has over my life, calling, business and destiny, let them break right now in the name of Jesus.

⇒ Father, let your fire visit every altar sponsoring sorrow, pain, hardships, oppression and suffering in my life, let your power locate such altars, consume them. In the name of Jesus, every demonic altar sponsoring and promoting negativities and evil in my life, let the power of God destroy them now. ***Every altar of darkness that is giving life to evil, to cause problems, troubles and making your problems to prolong and multiply, I decree let the anger of God destroy them now, let the power of God consume them now. Every root of darkness that is allowing evil to multiply and prevail in your life, let that root dry up in the name of Jesus.**

⇒The Lord is showing me how someone that you know will connect you with a very unique opportunity that is very essential to your breakthrough. Just like a dream, you'll be connected.

•Father, use the people around me to connect me with the opportunity that will translate me into destiny fulfillment, success and great achievements. Father, make use of the people around me that have the keys to take me to my promised land, Lord use them to connect me with greatness, to open the doors for me. The people around me, my friends, relatives, colleagues that have the keys to change my life forever, Lord use them to connect me to the opportunities that will make me great.

⇒The Lord called for this fasting because He loves you so much and He discovered that some things should have happened in your life since June and they have not happened. That's why He called this fasting to speed up certain things to happen in your life.

•Father, have mercy on me and release the manifestation of blessings, miracles, revival, transformation, helps that I'm already due to have received by now. Lord, I am desperate to lay hold and experience the blessings I should have received by now, the transformation and miracles that should have happened by now. Lord, I know I don't deserve them, I have messed up, I have failed you in so many ways but Father in your mercy, release them to physical manifestation. Lord in your mercy fight for me, defend me, be my advocate, silence the voice of judgement that is saying I cannot get it, it can't be mine. Lord, release these blessings not because of merits but because of your mercy.

⇒Father, let your fire separate from me every darkness that came into my life from false churches and ministries, false preachers, false altars of ministries that I went to, Lord separate such darkness from me. Every altar of false churches that has brought darkness into my life, oh God, separate me from such darkness right now. Separate me from every darkness that I have invited into my life through demonic anointing,

through false men of God, through false ministry and churches, Lord separate me from such darkness now in the name of Jesus.

⇒Holiness is so deep that it starts from your heart, emotion, feelings and imaginations. That's where holiness starts from.

•Father, in the depths of my heart, emotions, mindset, and feelings let the standard of holiness and purity be lifted up so that I can please you all the days of my life. Let the standard of righteousness, holiness, fear of the Lord be lifted up in my life and every other thing be brought down, let the standard of holiness, purity rule my actions, behaviour, attitude, thoughts, feelings and emotions. Let the standard of your holiness and purity be part of my life and my lifestyle because I want to please you. I want to be a child of God in deed not in words, help me Father. ***From the depth of you the standard of holiness, of the fear of God shall be exalted forever in Jesus' name. Every unclean thing, darkness, wickedness, sin that has been ruling over your life, from today they cease to rule over your life but you shall now rule over them. I prophesy the scripture that says sin shall no longer have dominion over you, over your life from today onwards. Evil shall not rule over you, addiction to sin shall not rule over you, you shall please the Lord easily from now onward in the name of Jesus Christ.**

⇒God wants to rewrite destinies. He wants to begin new things which are completely different from your imaginations or from what you expect. He wants to change everything.

•Father send into my life the anointing that rewrites destinies, an anointing that will enforce a new beginning, send into my life such a heavenly presence that will rewrite my story, that will pioneer the beginning of new things. Oh Lord send such an anointing, such a grace, such heavenly presence and heavenly atmosphere into my life. Send into my life a destiny rewriting anointing that changes the course of my life, an anointing that changes the course of negativities in my life, set me on a new course that leads to honour, glory, strength, greatness and victories. Lord send such angels that will rewrite the story of my life as if wrong things never happened to me before.

⇒As we are praying, the Lord is unlocking things.

•Father, let your mighty hand roll away every darkness that has covered my life from being discovered by my generation. Father, every darkness that has covered my life and is not allowing my great light to be discovered, not allowing my light to prevail, let your mighty hand roll them away right now. Lord, every darkness that has covered my potentials, that has weakened my potentials, gifts, spiritual gifts, talents, skills from manifesting, from solving problems in my generation, let your fire consume them now, let your mighty hand roll them away now in the name of Jesus. Every darkness that has covered my spiritual gifts, my light from shining my talents, so that I am not relevant in my generation, that I'm not a blessing to my generation, let your

mighty hand a roll away such darkness, let such darkness catch fire and let my light rise and shine all over the world in the name of Jesus.

⇒ I come against every spirit of discouragement that is making me hate doing things that I should love doing, that is making me withdraw from doing things that I should do to fulfill destiny and calling, let such spirit come out of my life, I cast out such spirit in Jesus' name. Every spirit of discouragement making me not show interest in things that God wants to use to lift me up, in doing things that will shoot me out to be recognised all over the world, that is limiting the shining of my light to nations, let fire arrest and destroy them. I refuse to be discouraged concerning my destiny fulfillment, career and calling. I refuse to be discouraged, I shall not be discouraged.

⇒ God is a God of eternal principles; He has established certain principles and He will not go against them. One of the principles is that He will show faithfulness towards the faithful. Are you faithful? What are the things that God has committed into your hands? Are you doing them as He wants you to do them? If you're not faithful, do not expect God's faithfulness.

• Father, help me to be faithful in everything you have committed into my hands. Help me to do the work you have given to me the way you want it done. Help me to do the work with the kind of heart you want the work to be done. Help me oh Lord to be faithful for this is how I will receive your faithfulness. Lord, I want to do your work with the right heart. I want to do your work efficiently, I want to do your work to bring out the best from it and to be able to do great exploits out of it. Lord help me to be faithful in Jesus' name. Thank you Lord.

⇒ Father, during the course of the seven days fasting, open my eyes to see things that I must see to break barriers, to have my miracles released, to possess my possessions. Lord visit me and show me things that I must know, show me things that I need to discover so that my life will no longer be in darkness or stagnated, so that my life will not be delayed, my progress will not be delayed. Lord open my eyes and let me see things that will enable the fulfillment of my destiny, things that will speed up the manifestation of your promises for my life, things that will align me with what you are doing on earth at this time. ***An anointing from heaven locate you such that from this night till the end of this fasting there shall be great numbers of revelations that would be revealed to you from heaven. Revelations that would liberate your destiny fulfilment, the anointing of the Lord shall reveal them all to you in Jesus' name. The power of the Lord shall make you see things that you need to see, things you need to correct, the power of God shall enlighten you now in Jesus' name.**

⇒ The Lord is telling me that some of you are distracted by doing a wrong business, that God does not want you to do. If you have burdened yourself with something that is unnecessary or irrelevant to your calling and destiny, it will seriously slow you

down especially as heaven does not recognise or reckon with it. It's maybe spiritual activities as well.

•Father, every wrong business that I am seriously doing that is distracting me from the one you want me to be doing, Father disconnect me from such a business and re-channel my focus from such. Lord re channel my business activities from wrong activities to the right ones I should be doing right now. Rechannel my concentration from unnecessary activities, from irrelevant activities and let me focus on the right work to do for you, to focus on the right work to do for a living. Rechannel my focus and activities on the right business in Jesus' name.

⇒Father let the journey from where I am right now to my promised land receive divine speed, let me enter into that place of manifestation with an unusual speed. Lord bless my journey with speed, things that others take many years to accomplish, oh God let it not take me years but let it take me a matter of weeks, days or a few months. Oh God let my journey from where I am now to the place you want me to be receive divine speed, and unusual speed in the name of Jesus. ***I decree an usual speed that is so uncommon shall visit the journey of your life and you shall rise to the top where God has prepared for you speedily in the name of Jesus.**

⇒I come against every covenant of failure and rejection walking with my life, break by fire, break in pieces in the name of Jesus. Covenant of failure and rejection, covenant of not succeeding in things that I should easily succeed in, let such covenants break right now. Every covenant of failure and rejection walking with my life, operating in my life I command you to break in pieces right now in the name of Jesus. I decree that the fire of God destroy every covenant of failure and rejection that is working in my life, prospering and prevailing in my life, the fire of God break them in pieces, fire of God destroy such covenants in Jesus' mighty name.

⇒Goodness and mercy are not ordinary words, they are names of angels. It's a way of saying let the angel of goodness and angel of mercy partner with my life everyday.

•Father, let goodness and mercy follow me all the days of my life. In the morning goodness and mercy, in the afternoon goodness and mercy, in the night and midnight goodness and mercy, every hour of my life, let me enjoy goodness and mercy. Lord baptize my prayer life into goodness and mercy, let me always have goodness. When people are saying there's a casting down, let me always say there is lifting up. When people are saying they're dying, let me always say I have testimony of abundant life. When people are saying there is poverty, let me have testimony of excessive riches and blessings. Let goodness and mercy rule my life, let my life be influenced by goodness and mercy. I partner with the Angels of goodness and mercy. I partner with them by covenant from today onwards. Everyday of my life shall be filled with goodness and mercy in the name of Jesus. ***As you have said those words, so shall it be in the name of Jesus Christ, in Jesus' name it is done, Amen**

⇒NB: During this course of fasting you need to be very sensitive not to eat anywhere, you must not do anything that will abort what God has started already. If possible do not eat outside, make sure you cook your own food. Try to avoid quarrels and fights, if you are fighting with anyone, forgive them quickly and make sure you're not holding grudges with anyone because of the operation God is doing concerning your life.

CLOSING PRAYER

Raise up your right hand.

Thank you Father for this hour of prayer. We thank you for how you have helped us to pray. Thank you for showing us things to pray for and as we pray them you began to work your wonders. Thank you for everything you have done in the course of this prayer session, oh God be praised forever in Jesus' name.

Father, your people believe in you, they have accepted your love for their lives, they have accepted your mercy for their lives and they seriously want you to help them and they have cried unto you from hearts full of faith. Lord, I ask that for every prayer each of us have prayed on this platform, let there be swift intervention from heaven to answer them all in Jesus' name.

I decree over your life that the cluster of strange spirits around you, the network of strange spirits, demonic spirits around your life to confuse you, mislead you and to abort God's plans and purposes for your life, I decree let there be a rain of fire upon those networks of spirits, demon spirits, dark spirits, dark energies, dark forces, dark operations going on around you, against your life, calling and destiny. Rain of fire from heaven, fall upon them right now and waste them all in Jesus' name.

Because heaven is opened over your life, I therefore declare that every other portal that was opened before this prayer session, every demonic and witchcraft portal that was opened in your life to channel evil into your life, I declare those portals are closed forever right now in Jesus' name.

The bright and glorious future that God has ordained for your life before you were born, I call forth that future into manifestation right now in the name of Jesus. The original plan of God for your life before you were conceived in your mother's womb, I call it forth to manifestation now in the name of Jesus.

Whatever form of deformity that has happened to you, whatever form of damage that has happened in your destiny to make sure you don't become somebody great in life,

I decree that the anointing of the Lord upon this program confront and heal that deformity right now in the name of Jesus. Every damage, every wound that has happened to your spirit, soul and body, I decree that the anointing of the Lord heal them all right now in Jesus' name.

You are restored in the name of Jesus, your destiny is healed and restored in Jesus' name. Your calling is healed and restored in Jesus' name.

Lord, as we continue in this fasting program strengthen everyone of us. I decree in strength you shall excel in the course of this fasting, you shall not be tired or weak and heaven shall walk with you in a powerful way and so shall it be. Thank you Father because we know you have answered, blessed be your Holy Name in Jesus' and failing name, I have prayed Amen.

16 SEPTEMBER 2021

THANKSGIVING PRAYER

Father, we thank you for your faithfulness, we thank you for your love, we thank you for your mercy, and we thank you for your visitation upon our lives. Thank you Lord for your light shining upon us. Thank you for how you have made all things work together for our good, how you have frustrated the plans of our enemies and the battles you have won for us. Thank you Lord for turning our darkness into light, shame into glory and honour, and for enforcing your Word to come to pass in our lives. Thank you Lord for commanding the forces of darkness oppressing our lives to surrender and bow to you thank you, Father be thou exalted forever in Jesus' name.

Oh God of Israel thank you for this fasting program. Thank you for the people you touched yesterday, for the deliverances, healing encounters, revival encounters. Thank you for all the testimonies we have received, oh God be exalted and glorified forever in Jesus' name.

Father, as we have gathered tonight, do the miraculous in our lives, far beyond our understanding, imaginations and expectations. Visit us according to the multitude of your mercies and change our lives for good, for you are the only one we run to. Thank you for we know you have answered these prayers in Jesus' mighty name, Amen.

PRAISE AND WORSHIP

Oh God of Israel we worship you this hour for there is none stronger than you, none higher than you, none greater than you. There is none mightier than you and wiser than you and there can never be, oh God we praise your name, blessed be your Holy Name.

PRAYER POINTS

⇒ Father, I thank you for how you have started with me in this program in a powerful way and for what you did for me yesterday and what you will do greatly for me today. Lord thank you because you shall break the yokes of darkness, yokes of slavery over my life and destiny. Thank you because you have visited my life and my life shall never remain the same. Thank you for everything you will do again today.

***Lord, I say thank you for everyone in this ministry, on our groups and platforms because you shall help everyone and that you are already helping everyone.**

DELIVERANCE OF YOUR SPIRIT

⇒ Father, let the light of your glory sink into the depth of my life and deliver me from the depths of me. Let your light set me free from the depths of me. Father, let the light of your countenance, the light of your presence, the light of your power penetrate deep into me, enter into the depth of me to deliver me from the depths in the name of Jesus. Lord let the light of your glory enter into the depth of me, depth of my body, into each cell of my body, enter into each cell of my blood, into the depth of my spirits and soul and deliver me from the depth. Lord, I need deliverance from the depth of me, send the light of your glory and the light of your presence into the depth of me and let it enter into the depth of me now.

⇒ If everyone can turn to God and repent, it is so easy to have revival. God is the one who created the humans and every human has Him in himself. The human spirit is His breath, He breathed into man and man became a living being. Everyone carries a part of God in themselves and that is what constitutes their spirit because if that it is easy for God to revive people and change their lives. God is so close to you to change your life, it's all about your mind, your heart, your focus. Once you turn your mind and heart from the things that are against the light, He will change your life.

• Raise up your right hand. Father, let your glory fall upon me and let your presence in my spirit be magnified such that my darkness, my problems, weaknesses and pains disappear. Power of the Lord come upon me, anointing of the Lord fall upon me and

let the presence of God in my spirit be magnified and let my darkness and sickness disappear. Father release your glory upon me that my spirit may receive your power, fire, glory and let there be an explosion of glory and power such that my problems disappear. Magnify yourself in my spirit such that demons and darkness run away.

***The glory of God shall appear mightily upon you in the name of Jesus and you shall be delivered from the inside in Jesus' name.**

⇒ Your spirit man is the most important part of you but many people do not appreciate their spirit man. They don't feed their spirits or work towards the growth of their spirits. The devil is making your spiritual life less important than your physical life and making you focus more on physical things than spiritual things. The mystery of creation is in your spirit man, it is your spirit that gave life to your soul and body. As you continue to declare the Word of God and pray in the spirit you begin to see the manifestations. Your spirit is an instrument that God uses to make things happen in your life or environment. Your spirit is important to see transformation in your life and everything you do.

• Place your right hand on your head. Father let your fire penetrate into the depth of me and release my spirit from captivity. Let your fire locate my spirit and destroy every weakness in my spirit that has limited my life and destiny, that has limited the manifestation of my miracles. Lord, let your fire visit my spirit and destroy every weakness in my spirit that has limited the progress of my life, that has limited my manifestation, that has limited me and my gifts, skills and talents, that has limited me in my career, calling and business, that is not allowing the will of God to prevail in my life, let them catch fire right now in the name of Jesus. Every weakness in my spirit that has made sickness and disease remain in my body, catch fire in the name of Jesus. Every weakness that has caged my potentials, spiritual and physical gifts; and talents to manifest and bless my generation, you weakness die in the name of Jesus, die by fire.

⇒ The Lord is telling me that there are poisons in your spirits that is why your life is not moving forward. The reason why the devil feeds you in the dream or sleeps with people in the dream when a breakthrough is near is because whatever they do to your spirit is powerful enough to affect what will happen in your life. The kingdom of darkness understands the connection between your spirit and everything that happens in your physical life. If there is poison in your spirit, that can be the reason why your life is not moving forward.

• Place your right hand on your head. In the name of Jesus, I command every poison of darkness in my spirit to come out now by fire. Poison of darkness, poison of witches and wizards, from the marine kingdom, poison of marine spirits, marine serpents in my spirit come out by fire right now. Every demonic poison inside of me that has limited my life and destiny, tonight is your end, tonight is your last moment, come out in the name of Jesus. Every poison from serpents of darkness, spiritual husbands/wife, marine spirits, every poison from any realm of darkness in my spirit come out by fire. ***I decree that you are released right now from spiritual poisons in**

Jesus' name. I decree, let the fire of the Holy Ghost flush them out of your system forever in Jesus' name.

⇒ There are some diseases that are caused by spirits and in the Bible we saw how Jesus would command spirits to come out and the moment they come out there would be instant healing. Some of the sicknesses you are suffering are not from the physical realm but from the spiritual realm and you cannot solve a spiritual problem with the physical medicine. It's possible that some spirits have merged themselves with your life and until you get rid of such spirit, whatever problem or sickness you're facing might not go away.

• Raise up your right hand. Fire of the Holy Ghost, deliver my spirit, soul and body from the captivity of dark spirits, from the operation of demon spirits and strange spirits right now in the name of Jesus. Fire of the Holy Ghost release my body, my soul, my spirit from the bondage of evil spirits, unclean spirits, demon spirits, serpentine spirits, fire of the Holy Ghost, release me now in the name of Jesus. ***Fire of the Holy Ghost released everyone under my voice, you are released now from every possession of demon spirits, from every captivity of evil spirits. Be released now in Jesus' name.**

RELATING OR CONNECTING WITH GOD BY YOUR SPIRIT.

⇒ If you think knowing God is in your mind or head, you are deceived. You can receive spiritual knowledge through your soul and mind but you cannot know God through your soul or body. The only place where you can know God and fellowship with Him is in your spirit. It is why Jesus said those who worship God must worship Him in spirit and in truth. Communion with God, interaction with God, feeling God and God feels you, rubbing yourself with God and God rubbing Himself to you- that intimate fellowship, intimate relationship with God is in the spirit and that is where you know God from.

• Father, set my spirit free to know you to fellowship with you, enjoy your presence, to fellowship with you in the atmosphere of your glory and the atmosphere of heaven, release my spirit for such kind of fellowship. Father release my spirit to be able to fellowship with you in the depth of you, in the atmosphere of your kingdom, Lord, release my spirit to know you. Father release my spirit from every captivity and yoke that I may know you in the realm of your power, the realm of your glory, wisdom, and grace, that I may know you in the fullness of you. Release my spirit man to know you, to feel you, to draw strength from you, to draw wisdom and knowledge from you, release my spirit man to draw power from you and be able to enter into the depth of you.

⇒ It is only your spirit that can be born again because the real person that you are is a spirit. As God transforms your spirit and your spirit receives fire, strength, power and transformation, that is when you'll be able to know what is going on in the realm of the spirit. Most of you have not moved on forward with your life because you

cannot discern what is going on in the realm of the spirit, you do not know what the enemy is doing in your spiritual atmosphere. You don't know how to pray because you don't know what is happening in the realm of the spirit.

•Father, empower my spirit with fire to be able to discern accurately the operations going on in the realm of the spirit in my spiritual atmosphere, I do not want to be unwise or ignorant. Father, empower my spirit with your fire and grace to discern the spiritual activities going on in my life, atmosphere, marriage, career, business, and family accurately that are going on against me that I may be able to pray accordingly and break the limitations.

⇒The first creation Adam and Eve were polluted and fell from glory, so Jesus came so we could be created again and be reborn. Now that you are born again, the person born again is your spirit. Since God is a spirit He gives birth to spirit, the real you that is born again and will make heaven is your spirit, so it's time for you to walk in the reality of your divine identity. Stop comparing yourself to normal human beings around you so you won't be limited in your destiny. The devil programmed our brains and mind from childhood to be a limitation.

•Place your right hand on your head. Holy Spirit, deliver my mind and release me to begin to walk and operate in the realities of my spiritual identity, of my divine personality. Holy Spirit, release my spirit that I may begin to operate in the realm of my divine personality, let me stop thinking that I am an ordinary human being, so that I start walking in the realities of my divine identity. Father, deliver my mind that I will start operating in the realities of my divine personality, let me be delivered in my mind and brain so that I may start to see myself as God sees me.

⇒It is when you start to see yourself as heaven sees you that the same atmosphere in heaven will start manifesting here on earth. When your perspective of yourself changes, that is when the atmosphere of heaven comes here on earth and everything starts moving forward and you start enjoying life. There's a consciousness that goes with your divine personality and you have to put yourself in that consciousness because you are not from this dimension but from above. That consciousness is what overcomes the world.

•Place your right hand on your head. Holy Spirit, empower my mind to walk in the consciousness of who I am in Christ Jesus all the days of my life so that I may be able to receive the same power that works in heaven, to experience the same power that is in heaven here on earth. Holy Spirit, empower my soul and mind with the consciousness and understanding of who I am in Christ Jesus that I may be able to witness and command the same authority that is in heaven here on earth. Help me to start walking in the consciousness of my divine identity, thank you Holy Spirit.

⇒Father, every error or mistake I have made that is causing delay in my progress Father in your mercy correct them. Father in your mercy correct every error I have made in the past that is the reason for my present limitation, Lord by your mercy and by your blood correct them. Lord the mistakes I committed many years ago, sins I

committed many years ago that are the reason for my present limitations, affliction and suffering, in your mercy let there be correction and healing. Every damage that happened in my life through the mistakes and errors I made, Spirit of the living God, bring healing and correction now in the name of Jesus. ***I speak over your life by the authority of the Most High God that the damages of your past mistakes and errors have caused in your life are healed now in the name of Jesus.**

NB: Some of you, the inability to conceive a child is because of certain errors and mistakes you made in the past. ***Every affliction of barrenness in your body because of your past errors and mistakes, by the reason of the mercy of God in this program, I decree that your barrenness disappear now in the name of Jesus. Your womb is healed in the name of Jesus.**

⇒Father locate the glory of my destiny wherever it is caged and bring it out to manifestation. Fire of the Holy Ghost, locate the glory of my destiny and release it to manifestation. Wherever the glory of my destiny has been caged or locked up in realms of witches and wizards, in the coven of witches and wizards, in the shrine of witch doctors and herbalists, wherever the glory of my destiny has been locked up, fire of the Holy Ghost visit such places and release the glory of my destiny to manifestation now in the name of Jesus Christ. In my father's compound, where they have caged my glory, fire of the Holy Ghost release my glory to manifestation. In my mother's hometown, wherever they have caged my glory, fire of the Holy Ghost, release my glory to manifestation now in the name of Jesus.

⇒Raise up your right hand. Fire of the Holy Ghost, release my destiny and let every darkness that is blocking me from prospering in my career be rolled away. Fire of the Holy Ghost, release me from whatever darkness has covered me so that I will not be discovered in the physical realm, so that my gifts will not be discovered, so that people will not be attracted to what I am doing, Holy Ghost, fire visit me in those realms and deliver me now. Lord every deliverance that must happen to me so that my gifts, talents, career will command attraction and recognition, Lord let it happen now. Fire of the Holy Ghost release me from every darkness that is caging my gifts, talents and gifts, career and business from prospering in the physical realm, release me now from those darkness. ***I decree over your life that from today, what you are doing that has not been recognised by people, the power of God shall bring it to recognition. Everything you are doing that has not been patronised, that has not attracted people's interest, I decree the power of the Most High God will start bringing recognition to that thing, the power of God will command recognition and attraction to that which you are doing now in the name of Jesus.**

⇒The Lord is showing me that some of you are crippled and it's a spiritual paralysis in your destiny. When you are released from that realm where you have been crippled, you will also start to rise physically.

•Lord Jesus, deliver me from every spiritual paralysis that is limiting the manifestation and fulfillment of my destiny, limiting my progress and prosperity, Lord deliver me now from such paralysis, let me rise and walk. Lord Jesus, deliver me from every paralysis of darkness that has paralyzed my financial prosperity, calling, ministry, career and business, power of the Holy Ghost deliver me, Father deliver me right now in Jesus' name. Oh Lord deliver me from every paralysis in destiny, in my calling and career, oh God of Israel deliver me from every paralysis in my marriage. Holy Ghost, fire deliver me and let me rise and begin to move forward in life and destiny.

⇒In the name of Jesus, I take back what is mine from the wrong hands holding them, for it is written that I shall possess my possessions therefore I take back what is mine from the hands holding them captive. I take back what is mine from the hands that are claiming ownership over them, I take back from every wrong hand that is claiming possession of them, I take back what is mine in the name of Jesus. I claim them back, I possess them back in the name of Jesus.

⇒Father, give life to every dead relationship in my life, every good person I have chased out of my life, Father reconnect us back again in the name of Jesus. Father, reconnect every person I chased away from my life, everyone I disconnected from that is so important to my destiny, Lord reconnect us back in the name of Jesus. Father the people that have left me at a point in time and I must be connected with to grow in destiny, Lord reconnect us back, give life to every dead relationship in my life in the name of Jesus.

⇒Your ancestors made a covenant with the devil and they included everyone that will be born or was born in that family line in that covenant. It doesn't matter whether you were there or you were aware of it, since they have already made the covenant they included every unborn child in that family line and you must free yourself from that covenant.

•In the name of Jesus I release myself by the power in the name of Jesus from every ancestral covenant of bondage that my ancestors established. I release my destiny, my life, myself from every ancestral covenant of bondage that my ancestors made with the devil, I release myself from each of those covenants right now in the name of Jesus. I release my marriage from every ancestral covenant of bondage, from every ancestral covenant of slavery, I release my life, my destiny, my calling, my spouse, my children, my business, my body, soul and spirit. I release my life, ministry, calling and destiny now from every ancestral covenant of bondage my forefathers established with the devil. I release myself now from that covenant in the name of Jesus. ***In Jesus' mighty name you are released.**

⇒The Lord is showing that some of you received a gift and through that gift the devil sent troubles into your life. It can be a monetary gift or a present, it can be anything you were given.

•Raise up your right hand. In the name of Jesus I command every problem and trouble that entered my life through the gift I received, come out now in the name of Jesus. Every darkness that has penetrated into my life through gifts I received from people, come out in the name of Jesus. Every evil, troubles and problems that entered through what I received from people, come out now in the name of Jesus.

⇒King of glory, glorify my life with the same glory you are, with the same glory in heaven, the same glory on your throne, the same glory in you. Father, glorify my life, everything in my life, glorify my career, calling with the glory that is in you, glory that is on your throne and in your Kingdom, Lord glorify my life with the same glory. Glorify my calling with the same glory that you are, with the same glory that you have, glorify my business, career, destiny, marriage and every area of my life with the same glory that is in you.

⇒There used to be beauty in your life that was taken away and what is left is no longer beautiful at all.

•Father, let there be restorations of the beauty I used to have in my life, the peace, joy, flourishing, abundance and surplus that I used to have, let there be restored of them all by the power of your glory. Father, let there be restoration of everything the enemy has taken away from my life, every beautiful thing that I used to have, let them be restored by your mighty hand, let them be restored by the power of your throne in the name of Jesus.

⇒ Father, take away strength and power from the enemies of my destiny, enemies of my progress, from the attackers of my life, Lord disarm them right now in the name of Jesus. Father, take away their weapons, take away strength from them, from every personality of darkness, from every enemy of my destiny and progress, whoever they are and wherever they are, Father take away strength and power from them. Every barrier of the flesh, sin, environmental witchcraft, pollution and darkness; barrier of generational curses, whatever barrier that will not let me see or enter into the glory of God, catch fire now in the name of Jesus.

⇒ One of the things that will take you into glory is to see what others do not see beyond the physical, that is how you enter into glory. If all you are seeing is what your physical eyes can see then you might never enter into the glory of God, all who entered the glory of God saw into the invisible first.

• Father, anoint me to begin to see the revelations that would channel me into your glory, anoint me for such spiritual sight to see beyond my physical eyes. Lord, anoint me with oil to be able to see beyond the visible realms, to see into the invisible, to see revelations that will catapult me into glory. Lord anoint me with fire, anoint my eyes with fire and oil to see into the depth of heaven, that I may enter because I need to see before I enter, Lord anoint my eyes to see revelations and lay hold of your glory. Lord, show them to me now in the name of Jesus.

⇒ The spiritual controls the physical realm, once it's formed in the spiritual realm it will appear in the physical. If it has not been formed or established in the spiritual, it will not appear. Everything in the physical has a connection with the spiritual world including the shoes you're wearing. Whatever you want to change in the physical realm, you must first change it in the spiritual realm. God wants and is about to change some things in your life.

• Raise up your right hand. Almighty God, move in my life with great power and reset everything to appear the way you want. King of glory, King of Israel, move in my life, reset everything, organize everything, reform everything to appear the way you want, begin to reshape everything. Oh Lord move in my life with great power, let fire

strengthen, reshape and reset everything to appear the way you want it. Lord concerning my body system, move in my life, reform and reshape everything to appear the way you want it. In my blood, in the organs of my body, in every joint move in my life, reform everything. Concerning my spirit, soul, life, calling, destiny, ministry, marriage, finances move mightily oh God of Israel and reshape everything to appear the way you want. ***I decree over your life that a divine reset of things in your life, a divine reforming that is so important now for your life to be transformed, let such a resetting, reforming, reshaping and recreation begin now in the name of Jesus.**

⇒ Raise up your right hand. I invoke the fire of the Holy Ghost upon every witchcraft that has been done in the realm of the spirit affecting my life in the physical realm, let the fire of the Holy Ghost consume that witchcraft. Every magic, sorcery, spell, ritual that was done in the spirit to affect me in the physical, I invoke the fire of the Holy Ghost upon them, Holy Ghost fire consume them. Wherever and whatever they have done and whatever they used, Holy Ghost fire locate such things and destroy them. ***I declare every witchcraft, every evil that was done in the spirit world to afflict your life in the physical, let the fire of the Holy Ghost terminate them all now in the name of Jesus.**

⇒ In the name of Jesus I invoke the judgement of God upon evil men and women that have joined hands together to afflict my life, oppress my life and punish me. I invoke God's judgement, God's vengeance upon evil men and women, upon every personality (human or demon) that is affecting my life and destiny, channelling and projecting evil into my life, let the judgement of God fall upon them. In whatever they are doing, wherever they go, let them meet the judgement of God. ***I speak over your life, I come against every evil personality, man, woman, boy or child, every evil agent of Satan that will not rest until they see your life crumble and crash, or fall and die, I come against them in the name of the Lord of hosts and I decree the wrath of God and judgement of God to fall upon them right now in Jesus' name.**

⇒ The Bible says we should not repay evil for evil and we are not fighting flesh and blood. God is saying vengeance is mine, you don't fight, you don't retaliate, don't quarrel with them, leave it to me and let me handle it. God is about to handle some enemies fighting your destiny.

• Raise up your right hand. In the name of Jesus I invoke God's vengeance, I invoke God's wrath upon every evil personality and men that will not release me to fulfill destiny, let the judgement of God fall upon them. I invoke God's anger, wrath and vengeance- God's wrath fall upon them, God's anger fall upon them, God's vengeance fall upon them. Judgement of God, wrath of God, vengeance of the Most High God fall upon them, Lord as you fought for Israel and brought down nations before them, you crashed your enemies to pieces, Lord, fight now concerning my life and destiny. Arise oh God and fight, crush the enemies, break their bones in pieces, crush them until they cannot do their evil works anymore.

⇒Father, every physical object in my body system that is against my health, life and survival, let it disappear by fire. Every growth, cancer, virus against my health, peace and well-being disappear by fire. ***I declare in your body system, every object visible or invisible tormenting your peace and health, I decree they vanish away now in the name of Jesus. Let them go missing forever in the name of Jesus. Whatever the doctors put in you, whatever it is that God did not put in you, will vanish forever in the name of Jesus.**

⇒Raise up your right hand. I curse every fruitless tree growing in my life, die in the name of Jesus. In the name of Jesus, I curse every unfruitful tree growing in my life, your time is up, die now in the name of Jesus. I curse every unfruitful tree producing no results, I curse them now, die in the name of Jesus.

⇒There's a song which says 'forever oh Lord, thy word is settled in heaven' taken from a verse in the scripture. It means every promise of God is yes and amen and Amen means it is done. Every Word of God is done already. It is not going to happen but it has already been finalised. As a matter of fact you are blessed and prospered, you are healed and delivered already and all that we do in prayer is to enter into the manifestation of these things.

•In the name of Jesus I enter into the physical manifestation of every promise of the Lord for my life and destiny, into the physical manifestation of the Word of God for my life and destiny. I enter into the manifestation season of every promise of God for my life and destiny in the name of Jesus. I enter into the physical manifestation of what the Lord had said and written concerning my life and destiny. If it is settled in heaven then it is settled on earth, I therefore enter into the physical manifestation of the prophecies, promises of God, Word of God for my life, career, calling, ministry, and destiny in the name of Jesus.

⇒When the Word says all is settled in heaven it is like God is saying 'what I have done I'm waiting for people that want it done in their life to come in'. It's like being given an opportunity to ask what you want because it is already available. All you have to do is to place a demand on that promise. Even when you feel pain in your body, it does not invalidate the Word of God which says you are healed.

•Father, I place a demand for all that is mine in your Word, Lord let them locate me now. The promises of the Lord upon my life, all that is mine in the Word of God, I receive them now in the name of Jesus. The greatness that is mine in the Word of God, the power, the strength that is mine in the Word of God, the victories that are mine in the Word of God, the riches and wealth that are mine in the Word of God, I lay hold of them now in the name of Jesus, I receive them now in the name of Jesus. I receive the deliverance, the fire, authority, prosperity, breakthrough, and promotion that is mine in the Word of God, I receive them all in the name of Jesus.

⇒The Lord wants to give some of your inspiration to songs that no one has ever sang before. You will hear angels whisper new songs into your ears. The Lord will sometimes give you songs that you will sing to win battles.

•Father, let your Holy Spirit send songs of heaven into my life that I will sing to enter into glory, to enter into the realms of God, Holy Spirit send into my life those kinds of songs. Songs that will make me victorious in the place of battle, Holy Spirit attract those songs into my life.

⇒The spirit of waste is connected to the spirit of scarcity. When the enemy wants to enforce the spirit of scarcity into your life, he sends a spirit of the waste meaning that the blessings God sent to you will just start wasting away, something will just happen to waste them.

•In the name of Jesus I come against every wasting spirit that was sent into my life to waste my resources, fire of the Holy Ghost destroy them. ***I come against every wasting spirit that has been sent into your life and finances to waste good things, God's blessings in your life. I bind them now and I cast them out of your life forever right now in Jesus' name.**

⇒If you don't give to God, you legalize the spirit of waste to operate in your life. You might not have enough authority to challenge the spirit of waste, if you are not a giver because it is when we give from the resources that God gave us that God will begin to rebuke the devourers on our behalf, He will go after the devourer.

•Father, let your name become powerful on my tongue so that whenever I use your name I receive instant results. Father enthrone on my mouth, on my lips the authority that is in your name, authority that casts out devils in your name, authority that casts out sicknesses and diseases, authority that heals the sick and raises the dead in your name. Lord the authority that produces signs and wonders in your name, let that authority from this hour henceforth, let it possess my tongue such that when I speak miracles happen.

⇒Father, give me direction in my journey of life. I don't want to be confused in life, Lord give me direction so that I can enter into my glory, Spirit of the living God give my life direction. It is written as many are led by the Spirit of God are sons of God, Lord, I want to be led by your Spirit so that I will enter into all your promises for my life. Lord lead me by your Spirit, give me direction in each hour of my life.

⇒In the name of Jesus I disconnect myself from every curse that men have spoken into my life, they shall not come to pass in the name of Jesus. I disconnect my destiny and days from every curse people have spoken into my life, have uttered into my life. I disconnect my life from every incantation and enchantment people spoke into my life, I disconnect from every spell people have spoken into my life, I disconnect from them all and they shall not stand in my life. Those negative utterances shall not stand in my life in the name of Jesus.

⇒The Lord is showing me how some of you will be betrayed by a very close friend, just as Judas betrayed Jesus but for your case, it won't be like that. God will stop that person.

•Fire of the Holy Ghost, separate from my life every friend that is meant to betray me into the hand of the enemy, fire of the Holy Ghost cut off such a friend from my life now in the name of Jesus. In the name of Jesus fire of the Holy Ghost cut away from my life every friend the enemy wants to use against me. ***Every friend that the devil has assigned to use against you, every friend with the determination to betray you into the hands of the enemy, let the hands of God remove that friend from the journey of your life now in the name of Jesus.**

⇒Father let your terror surround me such that when the enemy approaches they shall be filled with great terror and flee for their lives. Oh God of Israel surround my life with terror such that when the enemy comes near my life, they will be filled with such a great terror and will run for their lives. Let their hearts shake with terror and run away whenever they approach me.

⇒In the name of Jesus I come out of every cage that has locked up my destiny from manifesting in the time it should manifest. I break loose from everything that has locked up my destiny, I break loose now. Every time cage that has caged up my destiny from manifestations, be broken in pieces and release my destiny. Every cage that has locked up my destiny from manifesting, I break them loose right now in the name of Jesus because it's time for me to rise and shine. I break loose every cage that has locked up my destiny from manifesting in time, I break you loose right now, release my destiny now in the name of Jesus.

⇒Place your right hand on your head. I command every seed of sickness locked up inside my body to become a degenerative disease at old age, come out in the name of Jesus. Every root of sickness inside my nerves, my blood, my body to become a disease at old age, to become a disease I will be nursing at old age, come out in the name of Jesus. Every poison, every pollution inside my body that the devil has stored up to change into an incurable disease at old age, come out now in the name of Jesus. ***That disease or sickness is destroyed right now in Jesus' name.**

⇒ Father, restore unto my virtues I have lost, every good thing the devil has stolen from me, oh God restore in the name of Jesus. Father restore every virtue that was stolen from me, every good gift, spiritual gifts that I have lost, everything I lost, let them be restored now in the name of Jesus. Father let there be restoration of all that the enemy has seen away from me, according to your mercy; let there be restoration now in Jesus' name.

⇒I see someone locked up out of a place or position in the spiritual realm and you cannot get out of that place and you can't access that position in the physical room.

It's now difficult for you to attain that promotion or position despite all the applications you make because you have been locked out of that position in the spiritual realm.

•Whatever the devil has used to lock me out of a position God has prepared for me, let such be broken in pieces, let it be destroyed in Jesus' name. Every chain of darkness that has locked me out of certain positions or places that God said I should attain to, let those chains break in pieces now in Jesus' name. Every kingdom of darkness that has locked me out of certain countries that God says I will go to, every chain that has locked me out of these places, break in pieces right now in the name of Jesus.

⇒Place your right hand on your chest. I come against every arrow of darkness that has been fired to kill me untimely, backfire in the name of Jesus. Every arrow of darkness to cut short my life, backfire in the name of Jesus. Arrow of witchcraft, fired to cut short my life, go back to sender in the name of Jesus. Every arrow from the marine kingdom fired to cut short my life, back fire right now in the name of Jesus.

⇒ Father, by your mighty hand give approval to every document that must be approved now and in the future for my life. By your mighty hand Father, give approval to every document that must be approved for my life to ascend into greatness and honour, give approval to them all. All the documents that need to be approved now and the ones that need to be approved in the future, Father, give approval to them all in the name of Jesus.

⇒Spirit of the living God empower and lead for continuous victories in the battles of life. Empower me for persistent victories in the battles of life, let it be that I am unconquerable and indestructible, let it be that no power of darkness is able to prevail over me. Lord empower me for continuous victories till I leave this earth. Oh God, strengthen me for continuous victories over powers and principalities, witches and wizards, over territorial forces of darkness, environmental devils, empower me now spirit of the living God.

⇒In the name of Jesus, let the angels of war enter into every battle my parents could not overcome and is currently affecting my life and give me victories. Every ancient battle that my parents could not overcome that is affecting my life and destiny, Father, release your angels to enter those battles right now and give me permanent victories. Father release your mighty angels, release your warring angels to execute permanent victory for me in those ancient battles that were transferred from my parents into my life. Spirit of the living God mobilize angels of war into those battles and let there be a sudden and permanent victory for me in the name of Jesus.

⇒In the name of Jesus, I open up every ancient gate of limitation that has limited my ancestors from fulfilling their destiny and now is affecting to limit me because I have received power from Jesus, I open up those gates now in Jesus name. Every ancient gate of limitation that has limited my ancestors from fulfilling destiny and is affecting

me as well, I open you up, break in the name of Jesus, open now in the name of Jesus because it's time for me to move forward. ***Those gates are opened unto you in Jesus' name.**

⇒ Wind of the Holy Ghost move me from where I am now into where God has prepared for me. Wind of the Holy Spirit, Spirit of God move my life from where I am now into where God has prepared for me. Wind of the Holy Spirit, move my life now to where heaven has prepared for me beyond limitations, beyond impossibilities, beyond delays, wind of the Holy Ghost move me from where I am to where heaven has prepared for me now in the name of Jesus. ***I decree that the wind of the Holy Ghost take you up now to where God has prepared for you. It has happened now in your life in the name of Jesus.**

⇒ In the name of Jesus, let the power in the blood of Jesus destroy pollution, contamination, and corruption in my body systems. Every corruption, solution and poison in my body system let the power of the blood of Jesus kill them now, neutralize them all, remove them all, and destroy them all right now in the name of Jesus.

⇒ The Lord wants to do creative miracles in some of your bodies.

• Place your right hand on your head. ***As many of you that need creative miracles in your body system, receive it now. By the reason of the anointing of the living God right here right now, let there be creative miracles inside your body system now in the name of Jesus.**

⇒ Father instantly let my life change, change my life for good, change my story for good in a twinkle of an eye such that it will even surprise me. In a twinkle of an eye, oh God my Father, oh God my maker, oh God my Saviour and deliverer, oh God my all in all, oh God of Israel change my life as you did for Jabez in the scriptures. Instantly change my life for good that even will be surprised.

⇒ Father, by your mighty hand put me in situations that would provoke the gifts you have placed in me to rise and shine. Lord create those situations that will challenge the power of God inside of me to rise to manifestation, situations that will challenge the divine abilities in me to speak, to rise and shine. Lord put me in the midst of the situations now in the name of Jesus. Situations that would provide the ability in me to solve problems, situations that will bring out that ability let such situations encounter me now in Jesus' name, Amen.

CLOSING PRAYER

Raise up your right hand.

Oh God of heaven and earth, mighty healer, mighty saviour, mighty deliverer, you are the God that answers prayers. Lord, we thank you for what you have done in our midst in this hour of prayer. Thank you for the lives you have already transformed. Thank you for your power that you have revealed in the midst of our bodies, souls and spirits. Thank you for a great turnaround we have encountered at this time oh God of Israel be glorified, be adored forever in Jesus' name.

I decree over the life of those who have taken time to pray, nothing shall be called impossible in your life henceforth. As a prophet of the living God there shall not be one thing that will be termed impossible anymore in the name of Jesus. Every barrier that has limited your ancestors, your grandparents and your parents and is now limiting you from fulfilling your destiny as it is in God's plan, let that barrier crash in pieces now in the name of Jesus.

I speak into your life. Move forward in the name of Jesus, be strong in the name of Jesus, be victorious in the name of Jesus, be delivered in the name of Jesus, be healed in the name of Jesus, be prosperous in the name of Jesus, be wealthy in the name of Jesus.

Every limitation inside of time that would not let your life change for good, that limitation is dissolved right now in the name of Jesus. Every covenant that is binding you with some spiritual and demonic entities in the realms of darkness, I decree by the authority I received from the Lord of hosts, that covenant is destroyed now in the name of Jesus.

Every battle that has refused to let go of your life but because you have run to Jesus at such a time as this, because you have trusted in Jesus, I decree that battle is wasted now in Jesus' name.

Every power that is using the atmosphere, the air you breathe to afflict and attack you, that power is destroyed by the fire of the Holy Ghost in Jesus' name.

I come against every spiritual personality that is attacking you sexually in the dreams, because you are connected to this anointing right now, that personality of darkness is dead but now in Jesus' name.

I speak to your destiny, rise and shine, arise and be fulfilled in the name of Jesus. Surely the glory of the Lord shall come upon you and the power of the Most High shall overshadow you and your name shall be changed into a new name for the Lord has done you good and so shall it be. Thank you Father because we know you have answered these prayers in Jesus' unfailing name I have prayed, Amen.

19 SEPTEMBER 2021

Dear Lord, I am asking that you help us to pray in accordance with your will, lead us by your Holy Spirit, give us the keys of heaven. Lord answer us speedily from your throne, thank you Father because we know you shall do beyond our expectations. Blessed be your Holy Name, Amen.

PRAISE AND WORSHIP

Ancient of days, we worship you, covenant keeping God we praise you, Almighty God we celebrate you. It's good to have you, it's glorious to have you, it's wonderful to have you, it's so sweet to have you. There's no other God that can satisfy the human needs as you satisfy our needs, there's no other God that cares and takes care of us as you care and take care of us. No other God can defend and protect us as you do, oh God of Israel we are so grateful to have you in our lives and we are not ashamed about it. We will make noise of your praises and worship everywhere because you are indeed a faithful God.

Father, we worship you, king of Glory we worship you. You are our Saviour, our salvation, our righteousness and you are the one making us righteous, blessed be your Holy Name. Thank you for who you are in our lives, we are not confused, we

are not depressed, we are not deceived, we can feel great joy in our hearts because of your love and presence in us, thank you Father in Jesus' name, Amen.

PRAYER POINTS

⇒Father, I thank you for saving my soul. Thank you for your touch in my soul for there's no other salvation as that, for there's no other miracle as important as the soul saving miracle. Father I thank you because you are saving my soul and you have saved my soul. Thank you because I am saved, I am not confused, thank you for saving my soul from the powers of darkness. Thank you because I am not enslaved under darkness, you have delivered me from sin and darkness, not only saving my body but for healing and delivering my soul from the deception, pollution, slavery and sin that is in this world. Blessed be your Holy Name.

⇒Holistic deliverance is the deliverance of your spirit, soul and body is the deliverance of the total man, for man is not only a physical man but also a spiritual man.

•Father, I thank you for visiting my life with holistic deliverance. Father I thank you for sending deliverance to my total personality, thank you for delivering my spirit, soul and body, thank you because you are delivering me completely. Thank you for sending holistic deliverance into my life, and setting me free completely. Thank you for this kind of deliverance and salvation.

⇒After God has delivered your spirit, soul and body, He now is delivering the reason why He placed you in this world, which is your destiny and purpose. I see God delivering our destiny to fulfillment.

•Father, thank you for sending deliverances to release my purpose and destiny to fulfillment. Thank you for such deliverance and visitation, blessed be your holy name, thank you Jesus.

⇒One thing you must believe is that you can not fulfill your destiny if you do not know God and if you do not have a strong connection or intimacy with God. It's just like saying that you can not fully understand the function of a machine or its purpose except if you follow the manual of the manufacturer. It's the same with human life and destiny except you know God you will not discover what is the will of God for your life, so it means that you will live a misguided life full of mistakes and you are likely to be an enemy of God and you are likely to use God's products against His purpose because of that. Your body and life including everything you have is not your, everything is God's.

•Father I desire to have a real relationship with you, not a fake or confused relationship but a real relationship. Lord, I desire to have a real and deep relationship with you, Lord help me. Lord, I desire to be very close to your heart. Lord, I don't want to misuse my life, I don't want to use my life and time against you, I don't want

to misuse the gifts you have been sending into my life, Lord help me. I want to be able to hear and talk to you in a very friendly way, Lord help me to know you.

⇒A man of God had a revelation of heaven, God took him to heaven and one of the angels who spoke with him said many Christians are not fulfilling their destinies and they always have difficulties in trying to connect Christians with their destinies. Many Christians move in circles because they are not yet connected to their destinies and there's no significant growth in their lives, no new development because Christians don't seek God to that point of knowing what they should be doing in each hour of their lives. That's why they never move forward and that's why the angels couldn't help them. If you are not connected to the road path of your destiny, you will not see those angels.

•Father in Jesus name, connect me to my divine purpose and destiny, connect me with the path that will lead me to my divine purpose and destiny on earth. Lord bring me into the journey where I will fulfill destiny, Lord teach me how to live my life, teach me what to do with my life on hourly basis. Lord, connect me with the purpose of my life, I want to be relevant to the Kingdom of God and to your end time plans in my generation. Lord, connect me to everything and everyone that matters to my destiny, I don't want to live a wasted life.

⇒While I was growing in the faith back then, I grew up to know Christians who by themselves designed their destinies, who felt like 'I am going to fulfill destiny when I go to the best school, when I am able to graduate with very good qualifications, get married, buy cars, build house and able to have good children. Those Christians connected fulfilling destiny to acquiring qualifications, buying cars and getting married etc. Fulfilling destiny is beyond all these things though you will need all these things in the process of fulfilling destiny, fulfilling destiny is very spiritual.

•Father, deliver me from every wrong interpretation I have concerning my life and destiny and show me your original plan for my life. Deliver me from every misconception I have concerning my life and destiny, open my eyes to see and understand your will for my life.

⇒You will not discover your destiny until God delivers you from yourself, your greatest enemy is yourself and once you are delivered from yourself you will easily fulfill destiny because the path of destiny is selfless.

•Lord deliver me from myself that I may find the path of my destiny. Lord, deliver me from the bondage of my own desire, bondage of my sinful nature, and bondage of the flesh so that I can find the path of my destiny.

⇒Every good thing that God wants you to have in this world - your spouse, fame, riches and wealth are all on the path of your destiny. So if you want to be walking on another path, that means God is still just if He doesn't give you any of those beautiful things because He already put those things on a different path that you refuse to

walk on. It's your fault if you don't get those things, this is why many Christians are poor today and will never be rich because they have chosen another path.

•Father, I want to walk in the path you have set for my life and destiny. Father disconnect me from every other path I have been walking on, Lord take me away from every direction that is not your direction. Lord set me on the right path you have set for me before I was born into this world, Lord I want to walk in your own path where you have already placed all the blessings and good things that I need in life and destiny. Lord, I choose that path in Jesus' name.

⇒Not all that glitters is gold. Many of us just want things on a platter of gold but the Kingdom of God is not like that. Things can not just happen on a platter of gold, that is why many of us have been deceived by magicians, false prophet because they make it look as if things just happen instantly without paying the price, without sacrifices or patience. Those magicians make life look as if everything just happens easily, that is deception. You must be ready to endure when God puts you in the path of your destiny fulfilment. •Father, give me the grace and strength to be patient and to endure the hardship and suffering till I begin to enter into the fulfillment of my destiny. Lord help me to accept all that you bring my way, to endure whatever comes my way till I begin to enjoy the beauty and glory in my destiny. Help me to be able to endure in faith, Lord help me not to be deceived, feeling God has rejected me when I see others prospering, help me Lord to be patient in faith.

⇒There are some of you here. God connected your prosperity with your service to Him, meaning that until you start taking the work of God seriously or serving God seriously, you might not become rich or have money as you want to. God connected everything, your riches, healing and deliverance etc to your service to Him.

•Father, fill my heart and soul with a strong passion to serve and work for you, fill my heart with a strong desire to go an extra mile serving you and working for you, Lord give me that strong desire to use everything I have and everything you have given me to serve you. Lord put in me a heart that is selfless and sacrificial, Lord put in my heart such a strong desire and determination to go an extra mile to preach the gospel, to teach people and to work in your church, Lord give me such a heart in Jesus' name.

⇒One of the reasons why God established ministries like our ministry is to show people the secrets of real greatness. What are these secrets? The secrets are service to God and selflessness, these are the secrets to greatness.

•Father help me to love you more than my life, help me to love you more than myself, to love you more than this world, that I may serve you acceptably. Lord help to have a selfless love, I want to love you more than anything in this world, I want to love you more than life itself. Lord help me to serve you genuinely not just because of what I want from you but to love you because I want to know you and surrender all my life to you.

⇒ There's a saying "don't just give me fish but teach me how to catch fish". I don't just want to give you fish but I want to teach you how to catch fish, that is one of the reasons God raised up this ministry. God has not called me just to pray for people and they have testimonies but God has called me to train up people to become prayer warriors like myself. God doesn't just want to give you miracles but wants to empower you to become a miracle worker because you have the life or the keys to do that. There is a kind of life you start living and miracles will happen to you everyday because you have the life that can attract or command them from heaven.

- Father, don't just give me miracles but empower me with the kind of nature, power and heart that commands result from heaven. Father, give me such a kind of life that can pull down your glory, such a kind of power that can command your glory and power on earth. Lord give me such a lifestyle that attracts heaven to earth. Lord give me such a lifestyle and transform me to such a kind of person that speaks and heaven can not deny my words in the name of Jesus.

⇒ At the beginning of Jesus' ministry, God spoke from heaven he says "This is my beloved son in whom I am well pleased" and also in Act 10:38 "How God anointed Jesus Christ of Nazareth with Holy Ghost and power: who went about doing good, and healing all that were oppressed, for God was with him". Those five words "for God was with Him" are the secret of all the signs and wonders in the ministry of Jesus Christ.

- Father, I want to please you with all my life, Lord help me to please you, Lord help me to have a testimony such that I live a life that pleases you. Lord, help me to please you in my thoughts, imagination, thinking, emotions, feelings and conversations with people. Lord, help me to please you such that I become your favourite.

⇒ The key to greatness is pleasing God.

- Lord connect my life with the standard and principles of your Kingdom, the standard of righteousness, the standard of the fear of God, faith and trust in God, Lord bring my life to that standard. Father let the standard and principles that govern your kingdom, let them rule my life from this hour henceforth in Jesus' name. The standard of faith, love, righteousness, purity, holiness, selflessness, sacrificial life and trust in you Lord, let these standard rule my life because I know these are the secret to greatness, Lord I refuse to live for this world, deliver me from the system of this world and connect me with the system of heaven. ***I am praying for you that the spirit of God will disconnect you from the system of this world and connect you to the system of heaven in Jesus' name.**

⇒ I discovered that many Christians have been injured such that they can't trust God, or pray and fast again, some feel that God can not solve their problems anymore, such feelings are from the devil. When you start feeling God has forsaken you or He doesn't love you anymore, that is an attack. Your feelings can not describe who God

is, when the devil is making you feel wrong, don't believe him, he's trying to turn you against God, that is an Antichrist spirit.

•Father, every injury that has happen to me, every deceit of the devil that has happened to me, feelings that God doesn't love me, or that God doesn't care about me, making me to feel like there's no hope in trusting God, oh God of Israel deliver me, deliver me from such attack in your mercy and heal my wounds so that I will please you again.

⇒Heaven is a system that does not fail. Heaven is a realm that is so quick and instant just like you send money into someone's account and the person is credited instantly, the Lord said that is how heaven operates. He said the reason why it looks as if that system can fail, as if you can pray and not receive answers is because people have not embraced the standard that is why they have not come to see heaven as a system that can not fail. They are not living the kind of lifestyle the people in heaven are living, the Lord says if you pray, believe you have received your answers. The barrier between you and your miracles is you, not the devil. It's either there's something you are doing that you need to stop doing or there's something you are not yet doing that you should be doing.

•Father, in whatever way I have become a barrier to my miracles, Lord in your mercy open my eyes to see that I may repent, Lord open my eyes to see that I may correct my ways. Father teach me your ways and open my eyes to see how to receive miracles from you, Lord in your mercy open my eyes.

PSALMS 118:1-5

⇒You can do nothing if God does not help you. It will be very difficult to do and continue to do what is right if God will not show you mercy.

•Lord, according to your mercy, help me to become the person you want me to be, Lord help me to be the person you have always wanted me to be in Christ Jesus, Lord help to become the person you have always wanted me to be, in my lifestyle, in my service and worship to you. Lord help me because without your help, I will fail, make mistakes and disappoint you, Lord help me in your mercy.

⇒ Some of you God wants to help you financially so that you can help the needy, that is why there are some people God will send into your life so that you can live a life that pleases Him. There is no way you give to God that He will not bless you, God is not a poor man.

•Father bless me financially so that I can do what I should do for you on the earth. Father help me so that I can also live a life of abundance and stop borrowing and doing what is wrong to get money. Lord bless financially so that I can give in love.

⇒The Lord is showing me, there's a door that has been closed against you. For years you are supposed to have accessed it, but the door has been withdrawn from you, you don't have access to it or you have never had any access to it.

•Raise up your right hand. In the name of Jesus every door that the enemies has shut, every door that is meant to lead me into greatness and prosperity that the enemy have shut against me, let fire open them now in the name of Jesus. Every access that the enemy has withdrawn, let that access appear right now. Every door that my enemies have closed against my progress, rising, success, prosperity, achievement, every door that has been closed against my marital breakthrough, against my career, against the fulfilment of my calling and ministry, let those doors be opened now by fire in Jesus' name.

⇒This fasting program was created with divine mercy, even from the beginning, the instructions were because of God's mercy. God wants to show you mercy, meaning that He wants to do things that you don't deserve.

•In the name of Jesus, I connect to the mercy of God in this fasting program, by the mercy of God I enter into my miracle, I enter into my complete deliverance, I enter into my healing right now with the anointing of mercy that is available in this program. In the name of Jesus I connect to the power of mercy, I connect with the glory of mercy and the anointing of mercy in this program, I ascend into my next higher level in Jesus' name.

⇒The fear of God comes with God's mercy. The Lord is saying right now if you are doing something wrong and you know that it's against God, you should stop doing it now and repent so that your prayers in this fasting will not be in vain, so that the mercy of God will do exactly what should be done in your life. I am not talking about temporary repentance, where you just repent now because of the fasting program then you go back later into doing that thing, that is not the kind of repentance I am talking about but a genuine repentance

•Father, let the fear of you take over my life from today henceforth in the name of Jesus. Fear of God take over my life, take over my heart, take over my mind, take over my spirit from today henceforth. I don't want to sin against God, I refuse to continue in sin, fear of God take over my emotions, feelings, actions. Fear of the Lord, take over my manner of conversation and lifestyle so that I do not sin deliberately, fear of God take over, I surrender to you Lord Jesus. ***I pray for you that the fear of God will catch up with you now in the name of Jesus and miracles of mercy will catch up with you now in the name Jesus.**

⇒Father, separate my life from anything that is influencing my life negatively. Lord, separate from my life every friend that is influencing my life negatively, that is killing the fear of God in my life. Every friendship, every form of social media platform that is killing the fear of God in my life, that is influencing my attitude, my behaviour and emotions negatively, Lord, separate them from my life, as I disconnect from them in the name of Jesus.

VERSE 5

⇒Raise up your right hand. Father, according to the multitude of your mercy, visit my

life and set me on a large establishment where I begin to have more prosperity, more wealth, more riches and success, Lord put me on that establishment. Have mercy upon my life, take me from the small place and position me to a large place where I will be a blessing to people and nations, where I will be able to win souls, where I will fulfill my divine purpose. Lord set me on that large place now in the name of Jesus.

⇒ There are some people or opportunities you must meet for this establishment to come into your life.

• Father, every connection that I need to be released into establishment, Lord send them into my life now in the name of Jesus. The people that I need for me to move from the small place to a large place, from my ugly place to a beautiful place, from a place of dishonour to the place of honour, oh God of Israel send them into my life.

⇒ The Lord is telling me that one of your long time prayers will be answered, a prayer you have prayed for a very long time that God should answer, He is about to answer because of His mercy.

• Lord, according to your mercy, prayers that I have been praying for a long time, expectations I have for those prayers, Lord because of your mercy let them be granted in the name of Jesus. Because I know your mercy is great, I know you want to show me mercy, Lord please grant them in your mercy in Jesus' name, Amen.

CLOSING PRAYER

Lord, I ask that the multitude of your mercy come upon everyone that is under the sound of my voice in Jesus' name. Lord, I ask that wherever they have gone wrong against you, Lord consider their repentance and visit them with miracles in Jesus' name.

In your finances you shall see multiplication miracles just as Peter and his crew saw fishes in a great large numbers. I decree that there shall be multiplication miracles in your finances in Jesus' name.

Let God arise for your sake and fight for you beginning from tonight, let God solve your situations and give you great victories in Jesus' name.

You shall no longer be confused, deceived or depressed in the name of Jesus. Let the hand of God pick you and place you in the path of your destiny fulfilment in Jesus' name.

Every barrier that will not let you get closer to God, every barrier that will not let you enjoy all that is in God, that will not let you have intimacy with God, let the fire of God consume those barriers now in Jesus' name.

The benefits that are in Christ Jesus, begin to enjoy them from now henceforth in Jesus' name. The Lord shall help you and use you to help others, so shall it be in Jesus' name. Thank you Jesus for answering these prayers, blessed be your holy name, in Jesus unfailing name we have prayed, Amen.

Make your name great in my life such that unbelievers will come and seek you through my life.

⇒Raise up your right hand. Father, release your power and mobilise your angels to fulfill your promises and prophecies in my life. Father you have declared and spoken

great prophetic words concerning my life, your Spirit has revealed, declared and spoken great things concerning my life and destiny, oh God mobilize your power, your angels to carry out these promises now. Lord release your power, your fire, your angels to carry out all the prophetic words, prophetic visions and prophetic dreams you have shown me years ago.

⇒ In the name of Jesus, I prophesy the manifestation of a new glory, a new beginning over my life, career, calling and destiny; over my situation and marriage. I prophesy a new beauty, I declare it, I decree it, I prophesy it. New glory, appear now, a new beginning that will lead me into greatness, appear now in the name of Jesus, a new dawn, new glory appear now in the name of Jesus. Let the light of God shine and let darkness disappear, let the works of devils disappear. Let the light of God shine and let my chains be broken, let my captivities be destroyed, let secrets of darkness be exposed. Let the light of God shine and let my life receive revival and awakening, let my life be transformed.

⇒ Prophesy and visualise yourself walking in that reality. In the name of Jesus, I move from the realm of impossibilities to the realm of divine possibilities. I move from the realm of struggling into the realm of great possibilities of God, I move from the realm of addictions to the realm of victories over sin. I move from the realm of disgrace and shame into the realm of honour and glory, I move from the realm of poverty and lack into the realm of abundance and surplus in the name of Jesus. In the name of Jesus I move from the realm of sickness and disease to the realm of health and healing, I move from the realm of bondage into the realm of complete deliverance. I move from the realm of defeat to the realm of great victories. I move my marriage, business, career, calling and finances from the realm of impossibilities into the realm of divine possibilities.

⇒ Father, visit the foundation of my life with your fire, your power and release me to fulfill destiny. Oh God of Israel, visit the foundation of my existence, the foundation of my creation, foundation of my destiny with fire and release me to fulfill destiny. Lord, release me to fulfill my divine destiny as it is in your plan for my life.

⇒ Father, locate me by your mighty hand and turn my life around to glorify you. Turn my life around to become excellent, successful and victorious. Oh God of Israel, God of heaven's armies locate me by your mighty hand and turn my life around to become glorious, great, prosperous, victorious oh God of heaven's armies. Oh Lord of hosts, locate my body system with your mighty hand and turn everything around, turn my life around and let my life become beautiful, full of blessings. Father locate me by your mighty hand, let there be a drastic change and turnaround that will set my life in great honour. Father, rearrange things in my life for the manifestation of excellent success and great victory.

⇒ Father visit my life in the fullness of your power, in the fullness of your fire, the fullness of your glory, dominion and victory and make my life become what you want it to, make my life look the way you want it, let it appear the way you want it. Lord visit my life in the fullness of your power, strength, fire and make my marriage, life, career and calling the way you want it. Lord visit my life in this very hour, in this very minute and make my life, my body the way you want it, let my life appear instantly and suddenly the way you want it to.

⇒ Raise up your right hand. Father, visit my financial life with fire and release financial prosperity into my life, give me a great financial breakthrough and unusual financial prosperity. Father, visit my financial life with your fire, your presence and power and give me a great financial breakthrough. Lord visit my finances with your fire and release my finances from every captivity, from spiritual captivities, witchcraft captivities right now in the name of Jesus.

⇒ The Lord is telling me that some of you, your finances, have been caged in the covens of witchcraft.

• Place your right hand on your head. Fire of the Holy Ghost, locate every realm of witchcraft where my financial life has been tied up and release my financial prosperity now. Locate every demonic bank holding my riches captive, fire of the Holy Ghost, locate those banks and release my riches and wealth into physical manifestation, release my finances, release my financial breakthrough, my financial prosperity into physical manifestation. ***I decree over your life that the angels of fire locate every realm of witchcraft where they have caged your finances, riches and wealth and let them release them now unto you in the name of Jesus.**

⇒ Father, let your glory arise from the midst of my shameful situation, from my disgraceful situation, let your glory arise and swallow them up. Father let your great glory arise from the midst of my shame, disgrace, sorrow, poverty and dishonour and terminate them all. As the rod of Moses swallowed up the weapons of the magicians, Lord let your glory arise in the midst of my darkness and swallow up all that the enemy is doing to prolong pain, shame and disgrace. Arise oh Lord and let your glory swallow them up forever, let your glory terminate them all forever in the name of Jesus.

⇒ In the name of Jesus, I come against every evil the kingdom of darkness has projected into my future days to catch up with me, let fire of the Holy Ghost, destroy such evil. (Pray the same prayer for your spouse, children, and grandchildren).

⇒ Father do a great miracle in my life that would make me forget all the sufferings, reproach, slavery, and pain that has happened in my life. Lord do that miracle now that would make me forget all the suffering, shame that I have ever gone through in life, Lord do that miracle now before this month comes to an end. Father, I want to love you, help me to love you greater and deeper.

⇒ In the name of Jesus, I withdraw my desires, interests, my heart, my mind from everything that contradicts the will of God, from everything that is against the will and righteousness of God. I withdraw from my heart, my interest, and love from everything that does not glorify or please God, from everything that is against the mind of God. I withdraw my trust from everything that is against the standard of God. I withdraw my interest from them all in Jesus' name. From today I shall not love those things. Everything that God does not love like, I shall not love or like, everything that God hates I shall hate in the name of Jesus.

PSALMS 118:1-2

⇒ Father let your mercy in this fasting program release unto me all that I need at this time to rise to the next level in life and destiny. Lord by the reason of your mercy, oh God do not consider my wrongdoings, all that I have done against you, but Lord consider my repentant heart and show me mercy. Lord, let your mercy produce for me all that I need at this time to rise to the next higher level in my career, calling, ministry and destiny in the name of Jesus.

⇒ Father by the reason of your mercy, let all the virtues, potentials, good gifts that have died in my life come back to life in the name of Jesus. Lord by the reason of your mercy, let all great potentials, gifts, talents, skills, spiritual abilities that are

inside of me but are dead, Father let them come back to life now. Every dead potential, ability, skill or gift, come back to life in the name of Jesus.

⇒ God wants to give you a very powerful gift that you do not deserve because of his mercy. He will give you a supernatural ability, spiritual gift or a talent that would make you a blessing to your generation.

• Father, by the reason of your mercy in this fasting program, impart on me a great gift, a great ability that would make me a blessing to my generation. Father let there be an impartation of the gift, the grace, the anointing and ability that would make me a blessing to my generation, Lord let it happen now. ***The impartation that will make you a blessing to your generation, the anointing that would turn you to a great person to nations all over the world, receive that impartation right now in Jesus' name.**

⇒ Father by the reason of your mercy upon this fasting program, let a new season of joy, happiness and celebration begin in my life. Lord let the season of unending joy, of continual happiness, peace, and celebration begin for me. Let a new season of joy, a season of happiness that will end all my sorrow and every trouble currently happening in my life, let that season of fruitfulness and peace begin for me by your mercy.

VERSE 2

⇒ The mercy of God is everlasting, it is eternal, it does not end and there's nothing that says you should not enjoy God's mercy from now till the end of the world. If you walk correctly with God, you will forever be under his mercy. To be under God's mercy means that all the will of God for your life comes to pass without delay. It means there's no battle you cannot win. It means you are under an open heaven, you cannot suffer, there is no sickness even if you get to be sick you get healed instantly. To attain the mercy of God you have to have the fear of God (verse 4).

• Place your right hand on your head. Father let the fear of you take over my heart and mind because I want to continually be under your mercy. Let my life be controlled by the fear of God, let my decisions be controlled by the fear of God. Let my thoughts, desires, actions, imaginations be controlled by the fear of God. Father let your mercy take over my life because I want to be under your mercy all the days of my life, let your fear take over my life. Let me fear you and honour you in my thinking, my speaking, in my words, in my relationship and business with people, help me to fear and honour you.

⇒ To have the fear of God is to seek God's mind before doing anything. David was a man of multitude of mercy because he never did anything without consulting God. Most of us only seek the will of God after we have run into trouble. You need to learn to consult God before you do your own thing.

• Father, give me your mind that will always remember to consult you and seek your direction in all things, Lord give me such a kind of mind. Lord give me such a mind that will not do anything without consulting you, without seeking your opinion or

direction. If I have to wait for days until you speak and lead me oh God help me to wait. Give me such a mind.

⇒ To fear the Lord is to honour Him with your lifestyle. How do you dress publicly? How can you say you fear God when you dress seductively to tempt people? If you cannot honour God with your physical appearance or dressing then you do not fear God. These are some of the things that have shut the door of God's mercy upon our lives because our appearances are too unclean in the sight of God.

• Father, help me to honour you with my lifestyle, my physical appearance, and my manner of talking. Lord help me to honour you in my lifestyle, in my dressing so that I will not be cut short of your mercy, so that I will not be disconnected from your mercy because of the way I talk to people or because of the way I relate to people or do business on a daily basis. Lord help me to honour you with the way that I dress, with the way that I dress my children, the way I train my children, the way I discipline my children, help me oh God.

⇒ To fear God is to love God's people and His servants. Many Christians are putting curses on themselves because they are not loving His servants or people. One of the ways of loving God's servants is to pay your tithes and offerings. God has set up a financial system in the church to take care of His servants and His people through the church, so that money will not lack in the church and people and God's servants will be fed, so that also there's always money to keep the ministry running.

• Father, help me to show love to your people in the church and to your servants. Help me oh Father to show real, genuine love to your people and servants, help me to care for your servants in Jesus name.

⇒ To fear God means to obey God's instructions and obey everything that the Holy Spirit says without thinking twice. You do it instantly.

• Father, give me a heart that obeys all that you have said, all that you're saying now, all you are saying in the Bible, all you are saying by the Holy Spirit. God give me a heart that obeys your will, ways and instructions, a heart that obeys everything you say. Give me a heart of obedience.

VERSE 5

⇒ Father, lift me up from the small place I am in right now and establish me in a large place. Lord give me a great establishment that will enable me to enjoy wealth and riches, that will enable me to become a blessing to thousands of people. Lord relocate me to a greater establishment in my business, career, ministry, calling so that I can fulfill my destiny as you want it fulfilled, so that I can fulfill my divine purpose as it is in your plan. Lord relocate me to a greater establishment. ***As you have prayed, it is done now in the name of Jesus.**

⇒ To have great establishments means that God will open doors for you and that He will use people for that.

•Father, open unto doors that will bring me into a place of greater establishments for the fulfillment of my calling and destiny. Lord the doors that will take me from where I am right now to the place of great and bigger establishments, let those doors open now. Opportunities that must locate me, that must come to me for me to enter into the place of bigger and greater establishments, Lord let those opportunities locate me right now. Lord I seek for a greater establishment so that I can fulfill my calling in a powerful way, Lord make it possible for me in Jesus' name.

⇒Raise up your right hand. Father open up the floodgates of heaven and let it rain mightily upon my life, let it rain signs and wonders, mighty miracles, deliverances, and healings, let it rain favour upon my life until I become the person you want me to be, let them never stop raining until I become the person you want me to be in my life and destiny. In this month, let it rain miracles, signs and wonders, divine revelations, divine visitations, angelic interventions, prosperity, healings, deliverances, power, fire, great anointing - rain upon me from heaven. Father pour upon me from heaven unending signs and wonders miracles until I become who you want me to be. Let every miracle of transformation, new beginnings, let them rain down on me until I become who I am supposed to be in destiny in Jesus name, Amen.

You shall rise into excellency. Concerning your calling and ministry, I speak over your life, rise and excel, rise and succeed. Concerning your life and destiny, marriage, business and financial life, I speak rise and excel, rise and flourish, rise and succeed, rise and be great, rise and shine, rise and prevail over your oppressors.

Rise and prevail over the kingdoms of darkness fighting your life and destiny. Receive strength in place of your weaknesses right now in the name of Jesus, strength to overcome all your weaknesses right now and in the name of Jesus.

I speak over your life, every reward that is still pending that you should have received by now, I decree that the angels of the Lord deliver your reward unto you now. The reward for your sacrifices in the house of God, your giving in the house of God, let heaven deliver them unto you now in Jesus' name. Thank you Father because we know you have answered, blessed be your Holy Name in Jesus' name it is done, Amen.

21 SEPTEMBER 2021

Thank you Father because we know you shall do greater than our expectation in Jesus' mighty name we have prayed, Amen.

PRAISE AND WORSHIP

Thank you Father, thank you for how you moved among us, thank you for how you rescued us, thank you for how you delivered us in the course of this prayer and fasting program. Thank you for how you healed our sickness and diseases, even incurable diseases, thank you for how you healed us, blessed be your Holy Name.

Thank you for how you rewrote our stories, thank you for how you empowered our destinies for fulfilment. Thank you for everything you have done we are so grateful for what you have done, blessed be your Holy Name, thank you Lord.

Focus on God in this prayer session and don't be distracted, the enemy has a way of bringing thoughts that doesn't line up with what we are doing in God's presence, and if you hold on to such thoughts you will lose connection with God's presence and you might miss your blessings.

PRAYER POINTS

⇒ Lord Jesus I surrender my life to you, have your way in my life. Lord Jesus I surrender my ways, my decisions, my will, desires and plans to you. I surrender everything in my life, everything I have, everything I am, everything I will be, I surrender all of them to you, Lord have your way in them all. Lord Jesus I choose to serve you and I will serve you alone, I will not serve mammon, I will not serve the system of this world, I will not serve sin, I will not serve the devil, I will not serve myself, I will serve you alone. I will please you forever, I will love you forever and I will follow you forever. I will not lift anything above you, I will acknowledge you in all my ways in Jesus' name.

BAPTISM OF THE HOLY SPIRIT

⇒ If you study the scriptures you will discover that the baptism of the Holy Spirit was not a one time event. The baptism of the Holy Spirit is continuous, the Apostles in the scripture believed that you can not have all of the Holy Spirit at once, for instance, if you have received the baptism of the Holy Spirit and can pray in tongues, that is not enough, you need more of His baptism on daily basis. You need to enter into the Holy Ghost and the Holy Ghost needs to enter you, you enter into His depth and He also comes upon you in His fullness, that transaction needs to be happening all the time.

• Raise up your right hand. In the name of Jesus I receive fresh baptism of the Holy Spirit, I receive fresh outpouring of the Holy Ghost, I receive fresh immersion in the Holy Ghost right now in the name of Jesus, I receive a powerful baptism in the Holy Ghost right now in the name of Jesus. I enter into the depth of the Holy Spirit, I receive the fullness of the Holy Spirit in the name of Jesus, let the Holy Spirit possess my spirit, soul and body. Let the Holy Spirit take over my life in Jesus' name, let my spirit, soul and body be deeply immersed into the depth of the Holy Spirit, into the river of the Holy Spirit. Holy Spirit take over me till I am no longer in control of my life, Holy Spirit I welcome your baptism in Jesus' name.

⇒ The baptism that must happen to you, for you to fulfil destiny and possess your possessions is the baptism of fire and that baptism must continue everyday so

whenever you are praying don't forget to ask for the baptism of the Holy Spirit and baptism of fire of the Holy Ghost.

•In the name of Jesus, I receive fresh fire baptism from the Holy Ghost. I enter into the depth of the fire of the Holy Ghost, let the fire of God take over my spirit, soul and body now in the name of Jesus. Let the fullness of the fire of the Holy Ghost take possession of me till I am completely renewed to a new person God is looking for.

⇒Baptism of fire is equivalent to baptism of power. Fire baptism means that you have been empowered from heaven to do what is right, to please God and to fulfil destiny.

•Father empower me with fire to do good in the earth as Jesus was doing good because you empowered Him, oh God of Israel anoint me with fire to do good on the earth, every good thing you have put me in this world to do, Lord empower me to do them, anoint me with fire to be able to prosper on earth. ***I decree right there where you are, fire of the Holy Ghost that empowers, fire that makes you a terror to the dark kingdom, receive such fire in Jesus' name.**

⇒Father, make me stronger than the strength of darkness ruling this age because I want to fulfil destiny. I want to move forward, Lord make me stronger than the forces of darkness ruling this generation, make me rule over them because you rule over them and I am in you. Let witches and witchcraft attacks, wizard, sorcery, serpents, scorpions, marine spirit and enchantment, let them never be able to succeed over my life, Lord let no evil be able to rule over me.

⇒One of the problems of this generation is that we are running away from the Kingdom of God. We are not focusing on the realm where power is, we are focusing on the realm where weakness is, where there's no solution. You know that it's in the realm of the spirit where power is, in the realm of prayer, in the realm of praying in the Holy Ghost, in the realm of worship and studying the Word of God. You know the realm where power is and you are not doing anything about it, but you are focusing on how to make money, how to get physical things, you are focusing on the realm where power can't be found, that's a great deception these last days.

•Father help me to focus on the realm of the spirit always and not the realm of the flesh, help me to focus on the realm where power is, where life is, where victory is, help me to focus on the realm where dominion is, Lord remove my focus from myself and this world, help me to focus on your kingdom. Lord help to shift focus on your presence, help me not to be distracted by what the devil is doing around me, help me not to be distracted by the pleasures and entertainment of this world, help not to be distracted by the friendships and relationships of this world, help to focus on you Lord, help to be man/woman of prayer, a person that study and meditates on the Word of God. Help me to be a person that obeys all that the Bible teaches and commands, help me to be a person that hates the desires and lusts of the flesh, make me someone that seeks you always.

⇒The Kingdom of God rewards sacrifices. If you don't live a sacrificial life, there are many things the Kingdom of God will not give you. There's nothing in the Kingdom of God that's cheap, meaning you can't buy them with money because they're expensive, you can only buy them with your soul, you buy them with desperation, by seeking God. Don't expect God to visit you in the dream, if from morning till night you were not doing any spiritual thing, if you were not praying, studying the Word of God or fighting spiritual battles and winning, then you expect God to visit you in the dream? It is a rare thing, maybe one in a million, meaning that the Kingdom of God rewards sacrifices, you must be willing to do things your flesh does not want, when you do those sacrifices, that is how you provoke divine interventions.

•Father help me to live a sacrificial life so that I can receive intervention from your kingdom. Lord help me to die to myself, help me to die to the pleasures of sin and to the pleasures of this world. Lord lead me into many sacrifices that I must do to receive interventions and visitations from you.

⇒Before this prayer session, the Holy Spirit was telling me how some people in our ministry feel like they have already done enough to receive certain blessings from God. They feel like they have already given enough to God and they are now like 'because I have done these let God do these'. God said it is wrong to think like that. Everything God does is because of His mercy not because of anything you do. You can do many things and yet God will do nothing, if you are thinking in such a direction, God will see it as pride and He might not do what you want, so what's God wanting from us? Your soul, your total surrenderance, that you lay down your life.

•Father, forgive me for every wrong thing I have done against you. Lord I choose to live for you alone help me, Lord forgive me for every wrong motive I have concerning you, forgive me for every wrong thing I have been doing against you. Lord help me to surrender all my life to you and not just my money or anything but help me to surrender all my life to you, help me to live a life that will attract your mercy, blessing, glory and intervention all the time, Lord help me not to be proud, deliver me from pride.

⇒In my walk with God, I have seen how God used to test people and when those people pass the test, God rewards them with great miracles. Many times God has tested me and when I passed He would tell me that I passed and when I did not pass He would also let me know I did not pass.

•Father, help to love you so much that I pass every test you give to me, Lord let my love for you be so strong such that when you are testing my love, I pass, when you are testing my faith and trust in you, I pass. Lord help me to love you enough to pass all the tests you conduct for me so that when you are checking for Kingdom attitude in my life, I am not found wanting.

⇒The Lord is telling me some of you have lost many chances. God gave you many chances to make right your wrong ways but you keep losing those chances.

•Father, give me another chance to amend my wrong ways before you. Lord, give me another chance to live the kind of life you wanted me to live, give me another chance to obey you with all of my heart. Lord, give me another chance to prove that I love you because I have determined to love you.

PRAYERS AGAINST ANCESTRAL COVENANTS

⇒Ancestral covenants are demonic covenants that have been in existence before you were born, demonic covenants that have enslaved your parents, grandparents, great grandparents and now they're fighting you because you belong to that blood line.

•Raise up your right hand. I invoke the blood of Jesus Christ for complete destruction of every ancestral covenant attacking the fulfilment of my calling and destiny. I call upon the blood of Jesus to consume ancestral covenants of darkness that have afflicted and limited my ancestors, parents and grandparents for years, I expose them to the blood of Jesus. Every ancestral covenant that is attacking my destiny and calling from fulfilment be destroyed by the blood of Jesus. ***I decree in the name of Jesus by the authority of the most high God, every ancestral covenant you have inherited from your parents that won't let your life move forward and succeed, let the blood of Jesus destroy them now in the name of Jesus.**

⇒Raise up your right hand. I come against every one doing rituals that are giving power to ancestral covenants in my mother's house and my father's house, let fire of God terminate those rituals. Every ritual people are still doing in my father's and mother's house, in my village to ensure my life is enslaved by ancestral covenants, fire of the Holy Ghost, terminate those rituals now.

⇒There are creatures of darkness that do monitor the covenants of darkness in each family on earth. These creatures ensure that covenants live on and continue to operate. Some of these creatures sometimes come in a human form; they could be a member of your family, while some are invisible; they might look like human but they are not human.

•Raise up your right hand. I invoke the flaming sword of the Lord to slaughter every demonic creature that is monitoring the evil covenants in my father's house, in my mother's house. Every demonic creature visible or invisible, either in form of human or animal that is watching over the souls in my family to ensure we continue as slaves to darkness, let the flaming sword of the slaughter them without mercy in the name of Jesus.

⇒There are some powers that are from your bloodline that strengthen these covenants that's why they have a very strong authority over your life. You can never move forward or be successful except the Lord intervenes.

•Oh God arise and descend upon every force of darkness, every creature of darkness from my family background that does not want my life to move forward, oh God of Israel arise and destroy them.

⇒One of the reasons that makes those creatures strong is because of human sacrifices that have happened in the days of your ancestors. The blood of those human beings that our ancestors used as sacrifices to the devil will always cry for vengeance against our lives.

•Blood of Jesus, silence permanently every human blood sacrifice crying out against my life and destiny, let the blood of Jesus silence them all. I call upon the blood of Jesus to silence every blood sacrifice my ancestors did that is crying out for vengeance for my life, calling, marriage and destiny, blood of Jesus silence and terminate them in Jesus' name.

⇒Ancestral covenants are very real. You need God to open your eyes, because there are ancestral forces inside your blood that you know nothing about. This darkness flows inside your blood.

•Blood of Jesus wash away every ancestral darkness and evil, every ancestral slavery, ancestral captivity locked up in my blood, blood of Jesus wash them away. I receive deliverance by the blood of Jesus from every ancestral darkness flowing in my blood, from every ancestral bondage flowing in my blood. I refuse to go in the path of slavery and limitation my ancestors went through, my life is different, I am connected to the bloodline of the Son of David, Jesus Christ.

⇒There is a connection between ancestral curses and ancestral sins. If you want to be free from generational curses you must be free from generational sins.

•Father, deliver me from every ancestral sin that is coming to stay in my life, every ancestral sin that wants to rule over my life, Lord, deliver me, I refuse to make the same mistakes my ancestors made, I refuse to serve Satan as my ancestors did. Every ancestral sin that wants to prevail over my life, Lord deliver me because I am redeemed, I am saved, I am your child, I am born again, Lord deliver me, let me not follow the evil trend that my ancestors followed.

⇒In the name of Jesus I invoke the fire of the Holy Ghost upon every invisible realm of darkness in my family background, in my bloodline, wherever it is where my destiny has been locked up from manifesting, let fire of the Holy Ghost locate that realm and let my destiny be released.

⇒Lord Jesus you are the Lord of hosts, appear in my family bloodline, in my family background and release everyone from ancestral bondage of darkness. In my father's bloodline, in my mother's bloodline, let everyone be released to fulfill their destiny in Jesus' name.

⇒ In the name of Jesus, I decree permanent destruction of anything the enemy has done to enforce ancestral slavery, ancestral curses upon my life, fire of the Holy Ghost destroy them now. Every evil that has been done against my finances, career and business to enforce ancestral curses, slavery and limitation upon my life, let it be undone now in the name of Jesus.

⇒ The Lord is showing me He wants to give life to what is dead, meaning that He wants to bring back to life what is dead.

• In the name of Jesus I connect my life to the eternal life in God, let everything that is dead come back to life. Everything that is dead in my body, soul and spirit, everything that is dead in my career, marriage, business and calling let the eternal life of Jesus bring them back to life in the name of Jesus. Whatever that is dead in my spirit, soul and body receive life. Whatever that is dead in my brain, mind and career - receive life. I connect my entire life and destiny to the flow of eternal life that's in Christ Jesus. ***I decree that the life eternal that's in God shall flow into all areas of your life right now and everything that is dead, everything that is dying shall come back to life now in the name of Jesus. Every organ in your body system that is full of death or dying, let the fire of God enter them and let them be restored now.**

⇒ Father, arise and frustrate every activity of darkness assigned to frustrate my joy, my peace and happiness, let your mighty hand frustrate them. Every ongoing activity of the devil, agent of Satan to frustrate good things in my life, oh God arise and scatter them, let my peace and happiness be restored in Jesus' name.

⇒ In the remaining days left in this year, let my life be preserved, let my property be preserved, let the lives of my children, spouse, siblings, loved ones, family members and grandchildren be preserved. Father throughout the remaining days of this year, Lord preserve my life and the lives of everyone connected to me, let the covenant of untimely death be broken, let every attack of untimely death be destroyed, let every attack of road and aircraft accidents be destroyed in Jesus' name.

⇒ Father, bless this ministry Apostolic Wonders Ministry International with the fullness of your glory, with the fullness of your power, with the fullness of your dominion, with the fullness of your presence, with fullness of your physical and spiritual blessings so that your name would continue to be glorified. Lord bless this ministry with the fullness of yourself, with the fullness of your strength, with fullness of your fire, with the fullness of your riches and wealth and with the fullness of your angels. Lord bless this ministry with everything that's in you so that we shall continue to glorify you in all nations of the earth. Bless this ministry, bless this calling, bless this commission with the fullness of all that's in you.

⇒ Father, deliver me from every weakness in me that always make me vulnerable to be defeated by the devil. Lord deliver me now in the name of Jesus, I refuse to be defeated anymore. Every addiction to sin making the devil stronger than me in

battles of life, Lord deliver me, I want to rule over the devil, I want to oppress the devil, I want to oppress my oppressor in Jesus' name, Amen.

Thank you because you are satisfying me with everything I need. Thank you for showing me such great mercy, I am not hungry or begging for bread not because I am wise or skillful but it's because of your mercy, Lord I am grateful.

Thank you Jesus for becoming the weapon through which I conquer the kingdom of darkness, pull down strong strongholds, through which I crush principalities and powers. Thank you Jesus for becoming the weapon through which I see mighty miracles and deliverances happen in my life. Oh Lord, thank you for becoming the powerful weapon by which I fight and get answers to my prayers and overcome terrible situations and temptations thank you Jesus. You are the fire by which my enemies are consumed and roasted, the lightning through which they are electrified and die.

⇒Father, thank you for the ministry of the Holy Spirit in my life, thank you because through your Holy Spirit you are comforting me, encouraging me, healing me, delivering me and giving me breakthroughs. Thank you for using your Holy Spirit to teach me how to fight battles and guiding me into the path of righteousness and truth. Thank you for through the Holy Spirit I am able to discern and know what is right or wrong, the way to follow or forsake.

⇒Father, thank you for your ministering angels you have positioned over my life to help and minister unto me. Thank you for your mighty angels you have positioned over my life, my days, my daily activities, my situations, my career, my marriage, my calling and destiny to watch over my life, help me, protect me and fulfill my destiny, thank you Jesus for your ministering angels.

⇒Father, according to your mercy do not stop helping me, do not stop saving, healing and delivering me, continue until I have testimonies and am victorious. Lord do not stop your work of elevation, transformation and prosperity in my life. According to your mercy Lord do not stop all that you have begun to do in my life, the healing and deliverance process do not stop it, my battles that you are fighting do not stop because you are a merciful God and can never be tired of my case or life because you are my Father. Lord stay with me and continue until I am delivered, till I have a major breakthrough, till my life is fully transformed.

⇒It is God who designed your destiny before you were born into this world and is still the one who will help you fulfill it. All you need is to always have Him with you despite what you will face in life. You must get it right in life, stop seeking things that are not God's and seek His presence.

•Father help me to get it right in my relationship with you so that I will not miss the miracles you want to do for me now because I have fasted and prayed, I don't want to miss the results of prayer. Oh God of Israel help me to get it right in my connection and fellowship with you, help me to know how to keep your presence with me always because that is the foundation of miracles, signs and wonders. Lord please help me to get it right, I don't want to fast, pray or seek you in vain, help me to live a life of obedience, trust absolute truth in you and not in men.

⇒Father, remember all your promises and all that you have spoken and revealed to me and hasten their manifestation now in Jesus name. Whatever I am doing that will not allow your promises and prophecies to come to pass in my life oh God let it stop in my life. Oh Lord lead me to stop the things that are stopping the manifestation of those promises in my life.

⇒The Lord is telling me that what you are seeing with your physical eyes is not what is there. The whole world is under the control of deep darkness such that what you see with your physical eyes is not what it is. For example you can be seeing a cup physically but in reality it is not a cup, some people you see as human beings are not humans but a devil in the flesh. There is a manipulation and a high level of deception such that what you think is, is not it.

•Father put upon me an anointing that reveals the original nature and identity of things, people and situations around me, that I may begin to see things as they are not as they appear. Lord, put upon me the anointing to be able to discern the real images and picture of the things and people around me. Lord, give me an anointing that uncovers the real identity and nature of things so that I will not be deceived and misled.

⇒Many Christians are easily manipulated by Satan. Do you know that many of the thoughts you think in your heart are not your own though it looks like it's you thinking them? It is Satan that is putting them in your mind and you get busy thinking all sorts of things, things that will disconnect you from God's presence, things that will make you lose faith in God. It is an attack in your mind though you think you are just concerned about your life, future and destiny, it's another mind in your mind.

•Place your right hand on your head. In the name of Jesus, I refuse to be manipulated and controlled by Satan. Lord, take over my life and let no darkness be able to control and manipulate me. Oh God I refuse to be controlled by Satan in the realm of my mind, imagination and thinking, I refuse to do things that are contrary to the will of God. Lord saturate my mind with fire and let no darkness be able to pollute, control or manipulate me or my mind anymore.

⇒What is giving Satan assurance of attacking and having victory over mankind is the weaknesses of men. Because Satan has been attacking the generation of mankind for thousands of years, he has studied human emotions, feelings, spirit, soul and body such that he knows everything about humans, he knows what to do to make you fall and never be able to rise again. Strive to be at peace because anything against peace is Satan, if not at peace you cannot flow in the Spirit.

•Father, walk with me in a way that will help me to identify and recognise the activities and operations of Satan in my life and be able to defeat them all. Lord help me to be strong in my weakness, help me to destroy my weakness, help oh Lord to be strong enough to know when Satan is at work and to be able to stop him, resist and defeat him in Jesus' name. Lord help me to recognize what Satan is doing that I may not agree with it and defeat it.

⇒When you are supposed to believe and trust in God but you can't, it is a satanic attack. Many of you think it normal not to do things that will bring you closer to God, you feel it normal not to read the Bible, pray or fast. When the devil can give you a reason to not believe God, pray, study and fast anymore, it is an attack. Some see

anger, not forgiving as normal, that's why the devil has a stronghold over us and is defeating us.

•Father lay your mighty hands upon me and cause me to discern accurately what is light and what is darkness so that I may be wise at this time. Oh God of Israel help me to be able to discern when I am surrounded by light or darkness and help me to be able to choose light. Lord lay your hands upon me and fill me with your Spirit that I may know what is right and what is wrong, that I may be able to choose light and righteousness.

⇒Many of you don't understand the real essence of the gospel, why Jesus came to die for us. You think Christianity is all about asking and receiving, signs and miracles but that is not the essence of christianity. Christianity is all about eternal life and transformation; changing to another person. Christianity is about the salvation of your soul so that you can make heaven. Most times when people shift focus from the real purpose of Christianity, God will not bless them with physical things they are asking for because He loves them and wants them to come to agree with the real essence of Christianity, to seek Him for transformation, a change of life and character, to save their souls.

•Father help me to get it right in my walk with you, help to become a Christian indeed and not a church goer or a miracle seeker. Lord help me to seek you and not the physical benefits that come from you, help me to seek for the salvation of my soul, help me to seek for eternal life, a change of attitude and character, help me to seek you to become like you and not seek the things of this world.

⇒There are so many things you must unlearn, meaning you have believed wrong things. But now you have to stop believing them, unlearn them so that your life can receive a real visitation from God and your life can change forever.

•Father, everything I have learnt in the past, everything I have believed, registered in my mind and mentality that is a limitation to receive your visitation, oh God help me to unlearn them, reject and blot them out of my head and mind. Lord whatever lies and doctrines, whatever I have stored in my head about heaven, about Jesus and realities and situations of life that's a limitation to receive your visitation, oh God I surrender, let me begin to unlearn them and remove them from my mind in the name of Jesus.

⇒Another thing that's stopping Christians from fulfilling their divine destiny is the fact that we are not humble, we are so full of pride. You want to have your own way and don't want God to have His own way, that is why so many Christians are not fulfilling destiny.

•Father, in whatever way I am being ruled and controlled by pride, Father deliver me. In whatever way I have been rejecting your Lordship and control over my life, in whatever way I have been so proud and full of myself, in whatever way I have been demanding that my own will come to pass and not your will, oh God deliver me now,

and give me the spirit of obedience and humility. Take away pride from my life in the name of Jesus.

⇒ Lord Jesus, I desire to have a glorious fellowship and deep intimacy with you, Father I desire to know you beyond words and books. I want to know you by experience, Lord help me. Lord, I desire to know you very closely and deeply. Lord help me to attain a glorious fellowship with you, help me attain such a level of intimacy with you, I desire to know you more than what people say about you, what the Bible says about you, I want to know you in person, Lord reveal yourself to me in Jesus' name.

⇒ As we were praying the previous prayer the Holy Spirit was telling me that "do they have the heart that can know Him" do you have the heart and mind that can know God?

• Father, I want to know you, take away the heart of flesh, take away the heart of carnality, take away the heart that is selfish and full of hatred and darkness and give me your own kind of heart, a heart that can know you. Lord take away the stony, deceitful and polluted heart, take away the heart of sin, rebellion, arrogance, pride, lust, disobedience, darkness and worldliness in me and give me a new heart that can know you, love you and please you in the name of Jesus.

⇒ Some of you have been so rigid. There are some things you have believed for so many years and you don't want to stop believing them. With such a kind of heart, you might not see any new things happen. Because those things you don't see as important are usually what heaven regards as important things. Whenever God wants to bring down glory from heaven, He starts talking to people about changing the way they have been doing things for years, their approach to serving Him. You cannot put new wine in an old wineskin, you need to change your beliefs.

• Father, every system of old wineskin that I have embraced that will not allow you to pour a new wine into me, oh God destroy that system now, I am ready for what is new. Every form of principle, tradition and belief I don't want to let go, Lord destroy them now. Lord old wineskin traditions, principles, philosophy, systems I don't want to let go, let them die, destroy them now.

Father, I want to walk with you as a new wineskin so that I can receive the new wine you want to pour into my life. Help me to break old wineskins in my life to receive the new wine you want to pour into my life.

⇒ Father help me to be perfect in my love for you, help me to be perfect in my love for your people, for your work and your Kingdom. Lord take away imperfections in my life and let my love for you and my fellow believers be perfect in Jesus' name.

⇒ Father, manifest your great power in every realm that I have been defeated by Satan, witchcraft, magic, sorcery, enchantment and marine spirits, Lord manifest your great power right there and lift me up suddenly into great victories right now in

Jesus' name. Let not my enemies rejoice over me, lift me up in those places, areas I have been defeated by the enemy in the name of Jesus.

⇒Father in those areas where I have been disgraced and ridiculed, in those areas I have been oppressed and put to shame, oh God of Israel arise and manifest your great power and put your honour upon my life. Put your honour upon my life to replace and to destroy the shame, disgrace, ridicule and reproach. Lord visit me and confere your honour upon my life in Jesus' name.

⇒God has favourites, He has people He loves so much and because of them, He can destroy a whole nation just to preserve their lives or His honour in their lives. One of things that will make your life attract such unusual love from God is when the standard of God is lifted in your life, the principle of His kingdom is highly obeyed in your life.

•Father in my life let your divine standard and principles be highly exalted, let me begin to value your standards above every other thing in the world. Let your standard and principles be exalted in my life and let every other thing in my life serve your standards and principles. Let me uphold your standard of love, selflessness, purity, obedience, holiness, faith and trust in you, Lord let me uphold these standard all the days of my life, help me to serve you and live by these standards that I may earn your deep love, in Jesus' name, Amen.

I come out of every dark water that has swallowed up my life to destroy me, I come out now in the name of Jesus!!

⇒ The Kingdom of God is changing people from the midst of deadly waters (environment), they are in the environment that is destroying them. It's pulling them out of that environment to an environment where they will have eternal life, peace and joy. Those deadly waters can be a friend in your life, a certain food you have all of a sudden started liking but used to hate before, or it is a ministry or church.

- Father, deliver me from everything I have entangled myself with from destroying me, Father deliver me now, whether it is a human being, food, church, or whatever it is. Father, deliver me from whatever that I have been enjoying myself with that is going to destroy me and my future later, oh God deliver me now. Lord you are a merciful

Father, deliver me right now from whatever will destroy me in the future that I have entangled myself with, deliver me now oh Lord.

⇒The whole world is likened to a sea and the sea is confused. It is not like the river which is very calm, quiet and peaceful. That is why the Kingdom of God is like a river and the sea is likened to this world because many people are confused, because they have rejected the Kingdom of God, they are out of the Spirit and are now in the realm of the flesh and worldliness.

•Father, deliver me from the waves of confusion and deception that is upon this generation, controlling the people all over the world. Deliver me from the web of confusion that is pulling people up and down. Lord, I refuse to be among people who are confused in this world, or among people who are deceived in this world. Oh Father, deliver me from the confusion that has prevailed over millions in this world.

***The power of God shall come upon you and you shall be delivered from the waves of confusion and deception that has prevailed over many lives in this generation. I decree you are released from that wave in the name of Jesus.**

⇒Because the world is likened to a sea, there is no direction in the sea, it's always going up and down. Maybe your life is like that, always rising and falling, always without direction.

•In the name of Jesus, I disconnect my life from every spirit that is causing me to be far from the destination God has prepared for my life. Every spirit making me not be in the direction that will take me to my destiny's fulfillment, I disconnect myself from such a spirit. I disconnect myself from every spirit taking me from one path into another path that is contrary to where God is taking me. I disconnect from every spirit causing me to go in an opposite direction that would not lead to my divine destination, direction not leading me to the plans of God for my life for my calling and destiny, I disconnect from such spirits right now in the name of Jesus.

⇒In the name of Jesus let the anger of God destroy every hand of darkness prolonging the manifestation of my miracles. Every hand of darkness shifting me from places God has ordained for my life, every evil hand prolonging the reception of God's blessings for my life, let them receive the anger of God now in the name of Jesus.

⇒Place your right hand on your head. I command every spirit fueling wrong habits and attitudes to come out right now in the name of Jesus. I come against every spirit giving life, giving power to wrong attitudes, behaviour, and habits, come out in the name of Jesus!! Every spirit that is making me addicted to wrong attitudes and habits, come out in the name of Jesus!!

⇒The Lord is showing me that there is a spirit making that which is true to appear as false to you and what is false to appear as true.

•Raise up your right hand. I command the fire of God upon every spirit attached to me turning what is true to false and what is false to truth, let them be roasted by fire in the name of Jesus. Every spirit around my life, in my life, every spirit attached to my life, following my life, turning what is true to false and what is false to truth, catch fire now in the name of Jesus, be destroyed by the fire of God in the name of Jesus.

⇒Some people have heard voices which sounded like God's voice, but it wasn't the voice of God. They have received prophecies from certain men of God and have believed that God was using that servant but they were not of God. They believed such because they are lacking a true discerning spirit, and because of that they will run into so many errors.

•Place your right hand on your head. Father, transform my spirit into a strong discerning spirit that will be able to identify with accuracy what is true and what is not true. Lord change my spirit into a very strong discerning spirit that I will be able to know what you are doing and what you are not doing, that I may be able to differentiate what you are not doing and what you are doing. Strengthen my spirit to differentiate between light and darkness, between the truth and lies. Oh God transform my spirit to become a strong discerning spirit, transform my spirit to become a strong discerning spirit, turn my spirit into a very strong discerning spirit.

⇒Father put upon me a mantle of power that will enable me to be successful in life, in my calling and ministry. Lord put upon me a mantle of power, a mantle of power that will enable me to be successful in all areas of my life. Mantle of power, mantle of power, fall upon me from the throne room of the most high God, fall upon me now in the name of Jesus. Mantles of power fall upon me to carry out every assignment God has given to me, mantle of power fall upon me to bring down strongholds of darkness, to crush in pieces powers and principalities, to destroy forces of witchcraft, to open doors the enemies have closed. Mantles of power to break chains, yokes and bondages, to save souls into God's Kingdom, to heal the sick, raise the dead and set the captives free. Mantles of power come upon me to make wealth, to destroy curses and covenants of darkness. Lord put upon me such a mantle to change lives and destinies, mantle to control times and seasons according to the will of God.

⇒Every burden and load of darkness that the enemy has loaded upon my life, let the fire of the Holy Ghost lift them off. Every burden and weight of darkness upon my life, be lifted by the fire of the Holy Ghost. Loads of darkness, weights of darkness, burdens of darkness upon my life, finances, ministry, calling, family and business be lifted by the fire of the Holy Ghost. Luggage of darkness, weight of darkness placed by the enemy upon my life, be lifted by fire right now in the name of Jesus.

⇒Father by your mighty hand channel my interests and desires to go in the direction of what you want me to do now, concerning my life, concerning fulfilling destiny. Lord, channel my interests and desires concerning everything I have to do now,

concerning serving you. Let me begin to like those things that you want me to do now that will bring me into the place of success and fulfilment. Lord, let me begin to like those things, put the desires and interests of those things in my heart and mind in the name of Jesus.

DEALING WITH ENVIRONMENTAL DEMONS

⇒ Raise up your right hand. Fire of the Holy Ghost descend upon every demonic being operating in my present environment to carry out missions for Satan, fall upon them and destroy them. Fire of the Holy Ghost fall upon every demonic agent, demonic beings, demonic persons, demonic entities and creatures moving about in the environment I am in right now to carry out satanic missions, working against the move of God, carrying out plans which are against God and God's Kingdom in my environment, fire of the Holy Ghost roast them, consume them and destroy them, let them cease to exist.

⇒ Raise up your right hand. In the name of Jesus, let fire fall from heaven upon the hiding places of environmental devils, territorial demons, demonic beings in my environment, let fire fall from heaven upon their hiding places, let fire crush them all in pieces in the name of Jesus. Fire descend upon every hide out of demonic creatures working in my environment, fire of the Holy Ghost, descend upon their grounds, hiding places and crush them to pieces right now in the name of Jesus.

⇒ Raise up your right hand. Every demonic being locked up inside the air to attack me, I set them on fire. Every demonic being locked up in the atmosphere of my environment, locked up in the air of my community, I set you up on fire right now, I set you all on fire for destruction in the name of Jesus. Every demonic spirit, demonic creature, demonic beings locked up in the air, in the wind around me in this environment, in this community, I set you up on fire for destruction, I set you all on fire for destruction right now in the name of Jesus.

⇒ Father, make my dwelling place too hot for any dark spirit to survive. Lord turn my environment into fire, let my environment be too hot for any demon to survive, for any wrong spirit- be it demonic spirit, human spirit, any spirit that is evil to survive. Father, turn my environment into flames of fire, turn my entire building into flames of fire, let my environment become too difficult to accommodate demons and dark spirits right now in the name of Jesus.

⇒ Place your right hand on your head. Spirit of the living God, destroy every darkness covering my eyes from seeing the realities of heaven, realities of the kingdom of God, fire of the Holy Ghost destroy them now. Every darkness covering my eyes from seeing the realities of God's Kingdom, from seeing the realities of the spiritual world, be destroyed right now by the fire of the Holy Ghost, let such darkness be destroyed right now in the name of Jesus. Every darkness covering my

eyes from seeing the things that God wants me to know and see at this time, fire of the Holy Ghost to destroy them all now in the name of Jesus. ***I decree over your life that every darkness that has covered your eyes from seeing the realities of the Kingdom of God, realities of heaven and seeing that which the Kingdom of God wants you to know right now, fire of the Holy Ghost, consume and destroy such darkness forever in Jesus' name.**

⇒I invoke the anger of God upon every spirit of darkness that has been attacking me persistently, that will not stop attacking me but continues to attack me, let the anger of God waste them. Anger of God waste every spirit that will not stop attacking me, every spirit that is so determined to see my downfall, to see my end, whatever spirit it is, anger of God waste them all now in the name of Jesus.

⇒In the name of Jesus, I decree an end to every ongoing activity of darkness in my life to cause failure, shame and disgrace, I decree an end to them all right now in Jesus name. I decree an end to whatever the agents of darkness are currently doing to ensure shame, failure, disgrace and dishonour continue to happen, let it end right now in the name of Jesus.

⇒Father, let your will prevail against the plans and agenda of the enemy going on concerning my life, let their agenda fail and let your will prevail. Father let your will prevail against every agenda and setbacks of the enemy, every conspiracy, every agenda of agents of darkness against my life and destiny, Lord let your will prevail against them all in the name of Jesus. Father let your will prevail against their conspiracies, let your will prevail against their will for my life in the name of Jesus, Amen.

Every barrier that is not letting you receive God's visitation, I curse that barrier and I break it right now in the name of Jesus. Let the hand of God touch you, let the power of God touch you, anointing of God touch you where you are. Let the fire and glory of

God touch you right there and let what is in the mind of God for your life happen quickly in the name of Jesus. Thank you Father in Jesus mighty name I have prayed, Amen.

[09/18, 09:21] +234 702 587 ****: Last night, as I slept. I had a dream. In that dream, I saw a group of people. In their midst there was a man , and someone pointed at the man and said this man is sick and needs deliverance. Then some pastors or people started praying for the man but to no avail.

Then I walked to the man and began to pray for him in the name of Jesus, and he was delivered.

Glory be to God Almighty!

[09/18, 09:22] +234 702 587 ****: Amen

[09/18, 17:22] +1 (859) 537-****: The Lord did great things for me yesterday. Wont go into it much but He removed marks of darkness by witchcraft and other things that have been on me since conception and tore down a lot of altars where witchcraft had been done on me thru satanists in my family over the course of my life. I felt the marks being removed and when the altars were destroyed i physically noticed. Was attacked bad all day and had a migraine straight from hell...nauseous and deeply depressed on top of crazy pain. The secons those altars went down...it all vanished...even the pain in my back. I made it a habit in this program to write down all the prayer points and pray them thruout that day. There is more testimony just from. yesterdays prayer points...but another time. He said to me yesterday...people go back to their ways and oppression because like Israel the forgot and did not choose remembrance. Ty Apostle

TESTIMONY

Greetings Apostle, I would like to testify about the Greatness of God. Indeed our God is alive. Since we started the fasting program, me and my husband we would pray at 12pm noon and 17pm before we break the fast using the prayer points you send to the group. Today I experienced His presence, as we were worshipping with worship song, singing, ALL THAT MATTERS.. GOD'S PRESENCE WAS IN OUR MIDST, HIS ANOINTING WAS TOO MUCH, MY BODY WAS SO HEAVY, THE FIRE WAS TOO MUCH, I EVEN TOOK OFF MY SHOES AT THAT TIME. I WORSHIPPED GOD LIKE NEVER BEFORE, I FELT HIS ASSURANCE THAT HE IS HERE WITH US, CHANGING OUR SITUATIONS, I SPOKE IN NEW TONGUES, RIGHT THERE I KNEW THAT OUR REDEEMER INDEED LIVES. HE IS IN OUR MIDST IN THIS PLATFORM. GLORY TO JESUS.

Blessed morning apostle. I thank God for the prayer and fasting. God has finally diverted the attention of them (multiple enemies) that were fighting against me to their own troubles. Betrayers have even turned to me for counselling as terrible battles loom around them. He is indeed the God of justice. Praise God with me in Jesus name.

TESTIMONY

Apostle, He has done it 🥹🥹🥹🥹🥹🥹 God has done it! Last night around midnight He revealed to me the piece that's been missing in my life in over 2yrs. He said it's INTIMACY. Last night I had such a simple but very rich fellowship with God.

The last 2+ yrs I've watched my life sink so low, & I knew the devil was just having fun with my life. From debts, unemployment, business failure to marital issues, poor health, failure to pay rent & being evicted twice, shame, car accident! Through it all I prayed & fasted, read the bible, kept serving God & just trusted Him. But I only heard from God sometimes, the word was just not alive to me. I kept pushing though I knew something was missing I just couldn't figure out what.

Last night God made me realise that I've been talking to Him from a distance. I remembered that "these people worship me with their lips but their hearts are far from me". It was the most joyful moment & I appreciate the mercy of God. He has given me the 1 BIG MIRACLE THAT HAS MADE ME FORGET ALL THE PAST TROUBLES 🥹🥹🥹 A close fellowship with God means everything to me, I really couldn't ask for anything better.
